With the sign on for this year's Ring of Kerry Cycle set to start at 2pm today, a fantastic weekend of celebrations will begin.

The New Street car park will be a hive of activity with The Killarney Cycling Expo in association with O'Sullivan's Cycle who have invited their top suppliers to showcase the latest models in bikes, cycling gear and gadgets and along with advice on getting started.

There will also be information on nutrition and how to choose the correct bike so it will be a great opportunity for seasoned and not so seasoned cyclists to keep abreast of all things cycling.

Nature Valley will kick off the fun with DJ Donal, Rocking tunes by Revenge & Kidz Zone - Bouncy Castles and the The Brendan Fuller afternoon Show will be broadcast live from 3pm and with some surprise give aways.

Organisers will be on site from 6am for the official 8am start and with Nature Valley as the proud sponsors of the Ring of Kerry Charity Cycle, Radio Presenters and MC extraordinaire duo Dermot & Dave of Today Fame will entertain the crowds. As the cyclists make their way back to the finish line their families and friends can avail of the opportunity to create a unique photo to capture their special Ring

of Kerry moment in the Nature Valley zone. As part of the day's entertainment you can create your bespoke supporters banner, fuel up on a selection of Nature Valley bars and be in with a chance to WIN an incredible family break away, all with thanks to Nature Valley.

Rocking Tunes from DJ Donal and Live music from Jam Tarts along with food sampling with The Happy Pear duo in the Supervalu Food tent, Denny Smoke & Fire range and a free Kidz Zone means something for all the family.

Cyclists can avail of some post cycle stretches in the Skoda Stretch Zone before availing of the full bar, banging burgers from Gourmet Burger and sweet crepes from Gourmet Junction - all in all a great afternoon planned for a great event.

Ireland's biggest charity cycle The Ring of Kerry Charity Cycle is now in its 33rd year and is bringing together people from every corner of Ireland and beyond. This year 11,000 people will fundraise with the aim of exceeding the €1.85 million raised last year.

Cathal Walshe, Ring of Kerry Charity Cycle PRO offered the following welcome to those travelling to Kerry this weekend. "We are putting the final touches to everything down in Kerry for this fantastic event and look forward

to welcoming the 11,000 fundraisers for what should be a magical weekend."

Hundreds of volunteers marshal, operate food stops and provide medical and technical support. The scale of the cycle is ever increasing, meaning that this year there will be:

- 23,000 sandwiches ordered
- 10,000 plus litres of water
- 35,000 bananas
- 30,000 slices of buttered brack

HOLLYWOOD superstar Michael Fassbender is to be honoured in Killarney with the greatest accolade the town he grew up in can bestow. He will be inducted to the Order of Innisfallen in recognition of his remarkable achievements in the film industry which has seen him nominated for Academy Awards, Golden Globes and BAFTAs.

The 39-year-old actor will be feted by the town's Chamber of Tourism and Commerce and the Killarney Municipal Area for helping to boost Killarney's profile on a world stage by achieving great success in his chosen field.

The award will be presented to the star of such movie blockbusters as 12 Years A Slave, Hunger, Steve Jobs, Prometheus, Frank, Shame, MacBeth and Jane Eyre at a reception in Killarney on Friday, October 7.

He was bitten by the acting bug when he joined the Bricriú Theatre Company, run by local man Donie Courtney, in Killarney, and he later moved to London which is still his base.

KILLARNEY ACTOR PERFORMS AT THE THEATRE BY THE LAKE

Donal Courtney, actor and playwright, from Killarney will perform his play, God Has No Country at the The Theatre by the Lake Festival in Gougane Barra.

This years festival is more ambitious and entertaining than ever, with three weeks of the very best in Irish Theatre and Music taking place at the Gougane Barra Hotel in Ballyearry in Cork. On Sunday 17th Killarney actor and playwright, Donal, who is the son of Sheila and the late Cllr. Michael Courtney will present God has No Country - The true story of Monsignor Hugh O'Flaherty and his Life Saving Efforts in World War II Directed by Antoinette Duffy, the story follows O'Flaherty's torment as he has

to decide to act in defence of those suffering under the tyranny of the Fascists. The play also reflects on his upbringing and education in Killarney and how joining the priesthood protected him from involvement in The War of Independence. Told with humour and sensitivity, God has no Country aims to bring the heroic deeds and achievements of this extraordinary man to a wider audience.

"Courtney deftly illustrates O' Flaherty's deep love for Killarney."

Presented by In-Between-Days, the performance is followed by a post-show discussion where Donal Courtney talks about his personal connections to the story, the

challenges faced in creating the piece and various other insights into the Hugh O' Flaherty story.

HALL OF FAME AWARD FOR ST FINAN'S ROWING CLUB

A group of oarsmen representing the most successful era of the now defunct St Finan's Rowing club were accorded the Hall of Fame Award from Killarney Regatta club at a special function in the East Avenue Hotel this week. After its formation in 1952 St Finan's achieved much success at the local regatta winning both Junior, Senior and Ladies races in the mid 1950's. However, after winning both the Junior Mens and Ladies sixes in 1962 the club went into a period of gradual decline which also coincided with a decline in interest in the sport. It was to be five years before the annual regatta was revived in 1967.

Victory the Ladies sixes in 1968 managed to keep the club colours on the Lake but conscious of the fact that thirteen long years had elapsed since The Hospital won a mens race led to the club taking stock of its future in Killarney rowing. After a specially convened meeting to address what was regarded a critical situation a programme of winter training under the excellent tutelage of Gerald O'Connor was developed which was to prepare the new group of oarsmen physically and mentally for the rigours of training on the Lake later in the season. The training programme comprised gym work combined with training on the roads to be followed by a twelve week training schedule on the Lake prior to the annual regatta. This was an unprecedented approach to rowing in Killarney a trend that was to be followed by other clubs in subsequent years.

Gerald was ably assisted by two former winning oarsmen namely Dan Cronin and Johnny Culloty and this trio can take much credit for their contribution to what has been regarded as the most successful chapter in the history of St Finan's Rowing club - an era in which it won three Senior titles in a row as well as Senior Fours, Junior Sixes, Junior Fours and Ladies Sixes.

Regatta chairman Pat Cronin welcomed and congratulated the crew members present from that era and presented each member with a specially inscribed memento of the occasion. Gerald O'Connor, in recalling the success that the club achieved in that era made reference to the dedication shown by the members of those winning crews who later in the night shared anecdotes and recalled those happy days.

LORETO BIDS A FOND FAREWELL TO DEPUTY PRINCIPAL

Pupils, past and present joined staff and family members of Mary Moynihan, Deputy Principal of Scoil Bhride, Loreto who retired on Friday last. After thirty eight years of dedicated service to the school Mrs. Moynihan bid her a fond farewell at a Mass involving the whole school and celebrated by Fr. Kieran O'Brien Chairperson of the Board of Management. Presentations were made from the Board of Management, Parents' Association, past pupils and the children.

A tree was planted in the school grounds to remind the children of Mrs. Moynihan every day. After tributes to Mrs. Moynihan in prose verse and song Mrs. O'Sullivan thanked every child, past pupil, every parent and Board of Management member who helped to organise the celebration

Mrs. Moynihan started school in Loreto at four years of age. She progressed through Loreto Secondary School and on to Carysfort College. Mrs. Moynihan began her teaching career in 1978. She embraced all new advances in technology, moving with ease from the blackboard and chalk of 1978 to the interactive whiteboard today. At the same time she encouraged the children to keep up the traditional skills of knitting and gardening and to appreciate the beauty of nature and the local history of Killarney. She continuously upskilled herself but always remained unassuming, approachable and willing to share her expertise. Mrs. Moynihan is a true team player who was always loyal to Loreto. As Deputy Principal since 1998 Mrs. Moynihan was greatly involved with all developments in the

school including the new building extension. She was always available with her warmth, her wisdom and her wealth of experience. This was greatly appreciated.

Mrs. Moynihan is a gifted teacher and a true professional who brought out the best in every child. She has been a wise, kind and supportive friend to the whole school community. She has a wealth of knowledge of local history and a love of nature which she shared generously with the children. They will always remember her love for them and her kindness towards them. Staff at the school thanked Mrs. Moynihan for her kindness and friendship and

thirty eight years of hard work and dedication to the children and the school. "We are sad that Mrs. Moynihan is leaving Loreto. We will miss her presence in school everyday, her sense of fun, her empathy, her friendship and kindness, her wisdom and experience, her laughter and common sense.

We wish Mrs. Moynihan every health, happiness and fulfilment as she enters a new stage in her life. We hope she enjoys many new adventures as well as taking a well deserved rest, no longer having to watch the clock", said a spokesperson. COUNTDOWN TO PUCK FAIR BEGINS!

GETTING IN THE MOOD FOR IRELAND'S OLDEST FESTIVAL - PUCK FAIR, KILLORGLIN, CELEBRATING OVER 400 YEARS OF ONE OF THE WORLD'S MOST QUIRKIEST FESTIVALS. Ireland's oldest and quirkiest festival Puck Fair will be officially launched by Michael Healy-Rae in O'Shea's Beer Garden, Langford Street in Killorglin at 8pm on Friday July 8th. All are welcome to the fun-filled event, which marks the official commencement of one of Ireland's most eagerly-anticipated annual festivals. This year's proceedings once again promise to be bigger and better than the last. Puck Fair can now boast that it is the only festival in Kerry – if

not in Munster – to provide all entertainment hosted on the streets of Killorglin free of charge. This year's highlights include night-time concerts featuring one of Ireland's most popular cover bands The Unusual Suspects, 5-piece indie/folk band Amazing Apples and award-winning Irish country music star Mike Denver. The busy days are also set to be filled with musical entertainment, from the likes of Squawkabout, Kerry Boys, Spraoi

Chiarraí and The Ferryman, to name but a few. As always, the kids will be included in the festival activities in a big way as they are invited to delight in a wide range of daytime events, including the Wobbly Circus Street Show, Hakuna Matata Acrobats and the Kidspartyclub Puppet Show, as well as meeting a variety of their favourite Disney characters and entering the Fancy Dress or Bonny Baby competitions.

Visitors can also partake in a wide variety of fun activities throughout the festival, with workshops specialising in Irish music and dance and even circus performance on the agenda.

With such a jam-packed schedule, this year's committee are now actively looking for volunteers to help out with many aspects of the three-day event. The organising committee currently consists of circa 20 members, so resources are stretched particularly at peak times, including parades and fireworks. If you have some time to spare during Puck Fair and would like to become an active part of the festival team, email info@puckfair.ie or send a message to organisers via the website or Facebook page. For further information visit www.puckfair.ie or check out Puck Fair on Facebook.

BADGER SETS AND BEE HIVES ENTICE KIDS TO SUMMER CAMPS

The chance to watch badgers at a sett, at night somewhere in the woods at Muckcross awaits those who take part in one of the Summer Camps run by the Killarney National Park Education Centre.

The Centre has been running Environmental Camps for children for many years now and all of the staff and volunteers who help run them are very experienced and Garda vetted. Usually the ratio of children to adults is about 6:1, so there is plenty of supervision and lots of direction.

The main aim of the camps, both the Junior Rangers (residential) and the day camps are for the children taking part, to have as much fun as possible while making new friends and exploring the National Park and learning about many of the plants and animals that live there.

The day camps run from 9.30am in the morning until 3.00pm in the afternoon, Tuesday to Friday and are based at Knockreer House. The children play a whole host of ecologically themed games, do scavenger hunts, pond dipping, set trap, use microscopes and they might even bring home a few things that they have made, such as a nest box or bug hotel!

The Junior Ranger Camps are for slightly older children and are based in the Arthur Vincent House, out on the Muckcross Peninsula. Both venues are ideal for camps for children as they are in such safe and self-contained environments, while also being within easy reach of the woodlands, fields, lakes and rivers which the children will be able to explore and get to know while on the camps.

During the Junior Ranger Camps the children will get the chance to watch badgers at a sett, at night somewhere in the woods at Muckcross. They'll also use bat detectors to listen for bats at roosts and get the chance to help inspect bee hives to see how honey is made. They'll also do some foraging for edible wild plants and maybe even cook some on the camp fire!

The camps are a very good way of getting children out-doors and helping them to appreciate and understand a little bit more about the wildlife and the habitats around us. They also help the children realise what impact their actions can on the environment, whether this is not dropping litter or helping to make space for nature!

SUMMER STARS LAUNCHED AT KILLARNEY LIBRARY

As the children begin to enjoy the first days of their Summer holidays, Killarney Library is welcoming children to participate in a fantastic challenge that will keep them reading throughout the school summer holidays - the Summer Stars Reading Challenge.

Each year Kerry Library runs summer reading programmes for primary school children to promote literacy development during the holidays and to encourage non readers to engage with books. The Reading Challenge will run during the summer from 27 June – 22 August.

Taking part is easy, just call into to Killarney library and register. Each child who registers for the free programme joins in the fun of reading lots of exciting books during the summer. Children will receive their own Summer Stars reading Card to record their progress and the Summer Stars Reward Stamp will be added to their card at the library for each book read. At the end of the programme, all children who have participated will be invited to attend an awards event. The challenge will also include an interactive website where participants can play related themed games, review books, communicate with selected authors at: <http://www.librariesireland.ie/summer-stars/>

The Summer Stars programme provides the whole family with an opportunity to explore the full range of events and facilities which are available in their local library.

All libraries in Kerry - Tralee, Killarney, Listowel, Ballybunion, Dingle, Kenmare, Killorglin, Cahirciveen, Castleisland and the Mobile Libraries are offering the challenge.

Through this fun activity Kerry Library hopes to continue the promotion of books and libraries as an enjoyable and rewarding activity throughout the summer.

POLITICAL OUTLOOK

MUNICIPAL AREA NEWS

CRONIN DEFEATS HEALY RAE TO TAKE THE CHAIN IN KILLARNEY

MAYOR BRENDAN CRONIN.

It was hardly the best kept secret in Kerry but Cllr Maura Healy Rae's hopes of becoming the Cathaoirleach just three months in as a Councillor became unravelled as councillors voted 6-2 to elected long time serving and a 4 term

elected councillor Brendan Cronin in her place. It was understood by Cllr Healy Rae that a pact with her father Danny and Fine Gael and Fianna Fail, while in the council would see him as Cathaoirleach but when he departed for the Dail, all bets were off by the other councillors. Healy Rae was proposed by Cllr Donal Grady

"she is a new girl, a young girl, a school teacher and would be excellent as Mayor" and she seconded her nomination but Cronin was nominated by Fianna Fails Niall Kelliher who cited his experience "Cllr Cronin was elected in 1999 and has served four terms" while Cllr John Sheahan of Fine Gael seconded Cronin saying he was "a very safe pair of hands" Following the vote Cllr Cronin clearly emotional said it was a very special day for his family "I remember my wife saying would you ever be Mayor of Killarney and I saying, that will never happen for me". He went on to remember his late father PJ Cronin whom he said was "certain to be looking down, as well as all those who decided to back and support him over the years. It's very easy to go with the herd but we always stuck to our principals".

Cllr Healy Rae congratulated Cronin on his

election but departed with a shot across the bows of other councillors "I extend the kind words of other councillors to you Cllr Cronin and I hope that their words will have a true meaning behind them, as they seemed to forget their promises to my father very easily" The meeting however started on a light note as departing Cathaoirleach Bobby O'Connell arrived just on time for the meeting declaring to the waiting councillors that he was "staying on".

REMEDIAL WORKS NEEDED

At the June Municipal area meeting, Councillor Michael Gleeson had the following items on the agenda: That the Council would seek to determine the overall condition of the lovely stone wall on the southern side of the Mill Road. The Council replied that a structural survey will be carried out on the wall and that

any necessary remedial works will be identified and a costing will be prepared.

Councillor Gleeson stated that the maintenance of this wall on a very busy road, to a safe standard is of vital importance.

ROAD RESURFACE NEEDED: That the Council would inform the meeting of when it intends to

provide a proper surface on the Black Road in Muckross from the L3015 to the L3017

The Council replied that it intends to improve and resurface this roadway in 2017.

Councillor Gleeson stated that it is a very busy road and that its present condition is not satisfactory"

*As Killarney Athletic kicks off its 40th 7-A-Side,
Mike O'Sullivan takes a look back at the history of the club.*

HISTORIC 40TH YEAR OF 7-ASIDE

As the 2016 seven-a-side kicks off, it is remarkable to think that this is the 40th consecutive year that Killarney Athletic has run the tournament. Having been part of the organising committee in the first 7-a-side in 1977 it is fantastic to see the competition reaching this milestone year.

Through the founding of the club in 1965 and the formation of the Kerry District League in 1972, Killarney Athletic had run 7-a-side competitions in the Half Moon and also in the Áras Phádraig pitch prior to 1977. But the '77 tournament was planned and organised to ensure that soccer would reach a higher level of promotion in Killarney and in the surrounding areas. The tournament was also the starting point for many players before playing or entering clubs in the Kerry District League. The competition also provided many people with the opportunity to manage a soccer team for the first time and all of the local clubs today are fortunate to have such committed club officials and volunteers who gained an interest in organising teams through involvement in the 7-a-side at underage or senior level.

Teams with players from Ballyhar, Mastergeeha and Kenmare were all keen competitors in the 7-a-side and of course the majority of players who played with the Killarney Albion team that were runners-up in the 1977 final joined Killarney Rangers to form Killarney Celtic in the 77/78 Kerry District League season.

The dawn of the first underage 7-a-side tournament in 1978 became a nursery for young players in Killarney and surrounding areas, while the first Ladies 7-a-side in 1990 proved to be a major success, displaying and promoting the excellent female footballing talent that exists in Kerry. An over 35s competition followed in 1993, becoming very popular by allowing the 'ageing stars' to continue to show off their skills and prove that 7-a-side football can be enjoyed even when the joints and limbs have slowed down.

SUCCESS OF THE TOURNAMENT: There is no doubt that there were many contributing factors as to why the 7-a-side became such a popular local sporting event over the years with participation and a sense of community to the fore. The hosting of the tournament in the Áras Phádraig pitch from 1977 to 1998 with the support of the Franciscan community was key to the tournament's popularity, growth and success. The venue in the heart of Town ensured a 'buzz' in the area throughout the summer months with friends and work colleagues forming annually into teams with all sorts of colourful names. Supporters too added to the atmosphere in the Áras as many just came to watch and were entertained with the efforts of players that varied from 'silken skills' to 'honest endeavour' with a few attempting to emulate the superstars of the professional game. The format of the tournament starts

out with teams in groups ensuring a minimum number of games for each team. The more serious competition begins with the knock-out stages with teams thereafter competing for the Premier and Reserve Cups. The 'no off-side' rule also makes 7-a-side soccer more enjoyable for players and spectators and makes the referee's life a little easier. The small group of referees who officiated the multitude of games over the years can also look back with pride at the contribution they have made to the event.

EARLY YEARS OF THE 7-A-SIDE: The 1st seven aside in '77 had 20 teams entered with each team restricted to only two registered club players from the Kerry District League. This rule forced teams to gather players who were not playing soccer in the Kerry League at the time while also encouraging work colleague and friends to form teams. This rule changed after a few years with the increase of players registering and playing in the KDL thereafter.

Work firms such as Tuf Shoes, Scotts Tools and Liebherr all entered teams into the '77 tournament with many other notable firms competing in the following years and to the present day. Sponsored teams from the Laurels, Tatler, Sweeneys, Corkerys, Belvedere and Old Kentucky were all to the fore of competition in the early years and some still endure to the present day. Ryans and The Castle Heights Hotel also entered teams in the '77 event while a competitive team from Scartaglin were the first 'out of town' team to challenge for the Killarney Autos sponsored cup. The event also had the added attraction of prize money for the winners and runners-up and this was first sponsored by Con O'Leary of the Laurels Bar. As well as promoting the game locally the club also donated a contribution of funds raised to a number of local charities with St Marys of the Angels in Beaufort being a beneficiary of the early tournaments.

SUPPORT OF THE LOCAL MEDIA: The coverage and support of the local media also contributed hugely to the growth of the tournament over the years as the event got massive exposure as an annual local sporting community event. This media exposure also encouraged the local business community to support the event through sponsorship of the tournament and competing teams. The support and sponsorship of the tournament was also a major contributing factor that allowed the club to purchase and develop its own pitch facility in Woodlawn in 1993.

END OF AN ERA IN THE ÁRAS PHÁDRAIG PITCH: The 1998 seven-a-side was to prove to be the last staging of the competition in the 'Áras Pitch' as the Lewis Road ground was purchased in 1999 by the Urban District Council so as to provide another Bus and Car Park for Killarney. This indeed marked the end of an era for the tournament but the years of 7-a-sides in the Aras at underage and senior level with the sporting and social outlet it provided will always remain in the minds of those who enjoyed the pleasure it brought.

The moving of the 7-a-side to the club's ground in Woodlawn in 1999 represented a major change for the tournament but to the credit of all who organised, promoted and supported the event over the years it continued to prosper in the new venue. This year's tournament also marks the 18th year of the 7-a-side in Woodlawn. Little did those of us who were in the organising committee of the first 7-a-side back in 1977 think that we would see the tournament run annually for the following 40 years but the credit for its longevity is ingrained in the spirit it captured through the support of the whole community and something that we all can be proud of. **Mike O'Sullivan.**

HAVE YOU REVIEWED YOUR PENSION RECENTLY?

As you have probably seen or read in the news recently pensions are being discussed very often. This shows how important pensions are, so if you have a pension it is very important that you review your pension regularly. You may not be contributing to this pension anymore but it still needs to be reviewed. You need to know what kind of pension you have and what funds your pension is invested in. Your pension could be invested in very high risk funds which means that the value of your pension could substantially decrease or substantially increase over a very short period of time. You also need to look at the fees and charges associated with your pension, there may be more competitive options available to you where the fees and charges are less. If you do not review your pension you will not know if your pension is increasing or decreasing in value or if your pension is on track to get you what income you need at retirement. So whether you are currently contributing to a pension or have a pension that you had in the past it is very important that your pension is reviewed by an independent advisor.

To discuss this or any other financial matter you can contact **Dermot Cronin APA** at **064 66 22775** or **dermotcroninifa@gmail.com**

JOHN WEST FEILE NA NOG 2016 DIV 2 –

BOYS: Fossa went to Fires on Friday evening for the opening 2 games of Feile – and after a very competitive game with Furies, lost out on a score line of 3-8 to 3-4, goals coming from Emmett O'Shea (2) and Rory Doyle from the penalty spot.

In the next game – we played Ballyroan Abbey and got well beaten, 5-7 to 1-2, the goal coming from Rossa Bellew. Up next on Saturday morning in Fossa we played Galbally, the club we were hosting and after a very sporting game – we lost out on the score line 3-7 to 1-7, the goal by Rory Doyle from the spot again.

All that meant Fossa went into the quarter final of the plate, played in the John Mitchels – where we drew Ballymac and this turned out to be a brilliant game. Fossa got the edge in the first half and held a slender lead at halftime – 1-4 to 1-3. 1-1 came from Rory Doyle, the goal from the penalty spot and 3 points by Emmett O'Shea. The second half saw Ballymac score a cracking goal to square the tie, but Emmett O'Shea put Fossa noses in front with a huge free from outside the 45. Harry Buckley kicked the insurance point to put Fossa in the semi final for Sunday morning. Final Score – Fossa 1-10 Ballymac 2-5;

Early morning semi-final, played in Spa – Fossa were up against Galbally again – but this time turned the tables on our guests, winning 1-7 to 3 points, the goal, a screamer from Emmett O'Shea. Emmett also added 3 points, and Rory Doyle scored 4 points. On to the final and Fitzgerald Stadium, against the Antrim champions, Patrick Sarfields, and though the Fossa boys tried their best, they were completely over run, by a much bigger, and physical team losing out 2-9 to 2 points, the 2 points from Emmett O'Shea. Though disappointed, I am sure they never thought they would be in a final on Sunday after those first three results and the full panel of 24 all got to play in the final. In goals, Rory Coughlan and Dean Sheehan rotated the keeper's job. In

KVAC CLUB MEMBER CIARA KENNELLY WHO WAS SELECTED BY THE MUNSTER SCHOOLS TO COMPETE IN THE GLOHEALTH TAILTEANN INTERPROVINCIAL T&F CHAMPIONSHIPS ON SATURDAY 25TH JUNE IN MORTON STADIUM, SANTRY.

defence, we had Joe Cahillane, Evan Mannix, Donnacha Greeley, Eoin Myers, Padraic Talbot, Cathal Whelton, Mark McGlynn, Simon Coffey, Cian Doyle and Sean Dineen – where we had some stand out performances. Midfield – Colm Talbot and Rory Doyle played their hearts out. Forwards, Jack Clifford, Emmett O'Shea, Harry Buckley, Rossa Bellew, Darren Cronin, Conor Horgan, Emmett Cronin, James O'Shaughnessy, Jackson O'Mahony and Harry Kelly – where we saw some fabulous scores and huge performances.

It was an enjoyable weekend – albeit ending in disappointment but we have to say a thank you to the management team for the effort put in and especially Fiona Whelton, who was just brilliant, from paperwork, to rub-downs and snacks and just totally organised lady. We also wish to thank everyone from Galbally who we hosted for the weekend. The boys had great fun with the Galbally lads and it was certainly a highlight of the weekend for everyone.

Also a big thanks to Karen McGlynn – who kept facebook updated with photo's from every game and lastly – our captain for the competition – Harry Buckley, led by example and credit to his family and the club.

BEST OF LUCK: Fossa GAA would like to wish the best of luck to David Clifford who will line out with the Kerry Minor team who play Cork in the Munster Final on Sunday in Killarney, also we wish Maud Kelly and Sara Sheehan the best of luck as they look to help Kerry retain their All-Ireland U-14 crown when they take on Kildare in Nenagh next Saturday.

U14 GIRLS FEILE: After 3 brilliant days of fun and football, our U-14 girls just came up short in the Feile Cup final v Dr Crokes. With great wins over Tir Na nOg from Antrim, O Hanrahans from Carlow, Kerins O Rahillys and Kilmurry/Ibricane from Clare, our girls went down to a last minute goal to Dr Crokes in the Feile cup final. While

fiercely disappointed, we are also extremely proud of our girls who were magnificent all weekend both on and off the field.

We also wish to thank O Hanrahans who we hosted for the weekend. When we look back on the weekend, it will be the great fun and excitement that we had with the O Hanrahans girls that will shine through. We look forward to the All Ireland U14 final next Saturday when Maud and Sara will tog out for Kerry in the All Ireland U 14 final in Nenagh v Kildare.

Thanks to everyone in Fossa GAA who helped make this weekend so special, to the host families who looked after the visiting kids so well, all those that organised the BBQ on Saturday evening, looked after the shop and made teas and coffees all through the weekend and everybody who helped out in the car park and on the field. The parade on Saturday evening was a spectacle to behold. Overall the weekend was an excellent team effort and showcased the best that Fossa GAA has to offer.

FOSSA GOLF SOCIETY: Fossa Golf Society held it's Captain John O'Mahony's outing in Mahonys Point on Saturday. On a lovely day in great conditions former Captain, Seamus Kelly, was victorious with a great score of 40 points. In 2nd place was the Captain John O'Mahony, 3rd Mick Clifford, 4th Brendan Fitzgerald and 5th Teddy O'Sullivan. Past captains was won by Tim Cronin, front 9 was won by Ger Moroney and back 9 by Dan Moynihan.

The society would like to say a big thank you to Gallivan Murphy Hooper Dolan for their generous sponsorship and to all the staff at Killarney Golf Club for a fantastic day out.

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

GETTING OUTDOORS LEARNING TO LOVE JOGGING

CONTINUED...

GETTING STARTED

7. NUTRITION AND HYDRATION: Never run on an empty tank. Consume a light carbohydrate snack about an hour before your runs and be sure to adequately hydrate. Drink plenty of fluids, but make sure you drink at least 16 ounces two to three hours before your run. Plan to drink 7 to 10 ounces of fluids every 15 minutes during your run and eat a light carbohydrate and protein snack soon after the run if possible. Monitor your hydration by weighing yourself before and after the run, making sure you drink enough fluids after your run to replace the weight lost.

Don't fall into the trap of overeating after your runs. Telling yourself I've earned this slice of cake because I have ran for a half hour is only going to pile on the pounds or maintain the weight you're at, and if you're trying to lose weight this isn't a good outcome. At most in a 30mins jog you will burn approx. 300-400 calories (depending on your size, age, pace etc) this will easily equal one slice of cake so next time you treat yourself ask yourself was it really worth it!!! Sometimes don't get me wrong it is but not all the time. Strike a healthy balance with your nutrition and your body will start reflecting the hard work you are putting in. No point in having a nice lean toned physique under layers of fat!!!!

If you're struggling with getting the food balance right please contact me as I offer nutrition consultations from my studio and would be happy to get you started & on the road to success.

CONTROL THAT SWEET TOOTH

Remember that sweet things generally mean more calories. It is natural that we have cravings for sweet things especially chocolates and other confectionary. Go easy on these things and each time you consume something sweet understand that it is going to add on somewhere.

If you don't have nail polish remover, apply clear nail polish over your nail, and then wipe off. It will remove old polish.

LOVE YOUR NEGATIVE BEHAVIOUR!

If that title sounds like the last thing that any of us would want to do just stay with me and read on.

The reason I am suggesting that we begin to love our negative behaviour is because it is often pointing us in the very direction we need to go to change and become more of our authentic selves. Behind every action (or non action) is a reason. Every thing we do in our lives we do because we want to create a better **FEELING**. When you find yourself reaching for those biscuits and you're not in the least bit hungry there is a reason. When we avoid what we know we need to do there is a reason. Negative behaviours are substitutes. We use them instead of facing that challenge, speaking our truth, taking an emotional risk, feeling that feeling etc. The problem comes when instead of getting curious about what we are doing we get frustrated and angry instead and can often mentally beat ourselves up about it.

To transform any negative behaviour you need to know what its purpose is. Begin to get curious about it rather than judgmental. Welcome it in, sit it down at the table and ask what it needs, what is it trying to accomplish and why is it there. Be open to your insights and answers.

Know Your Rights: STATE PENSIONS AND QUALIFIED ADULTS

QUESTION

I am retiring from work when I turn 66 and will be eligible for a reduced-rate State Pension (Contributory) of €198.60. My husband is getting his full State Pension (Contributory) of €233. He thinks we would be better off if he claimed for me as a qualified adult on his pension. Is he correct? If we do this, will all the money be paid to him?

ANSWER

If your husband claims for you as a qualified adult on his pension, then his pension will consist of €233 plus an increase of €209 – a total of €442. The increase is automatically paid directly to you (although you can request that it is paid with your husband's pension). If you decide to claim a reduced rate contributory pension then the total for you both will be €431.60. Therefore, it would appear that you are indeed better off being a qualified adult.

However, there are other factors that you should take into account. While your husband's pension is not means tested, the Increase for a Qualified Adult is means tested. This means that any income you have in your own right from employment, self-employment, savings, investments and capital (for example, any property except your own home) is taken into account. If you have joint savings or investments with your spouse, half is taken into account.

You also need to look at the tax situation. Your husband is entitled to claim a PAYE tax credit (€1,650) with his pension. Even though the Increase for a Qualified Adult is paid directly to you it is not a social welfare payment to you so you cannot claim a PAYE tax credit of €1,650. However if you claim a social welfare payment in your own right (for example, your reduced-rate pension) you can claim a full PAYE tax credit.

You should analyse both options carefully and do detailed calculations, taking all the factors that affect how much you receive into account. After you do the calculations, you may find that you are better off claiming the reduced-rate contributory pension in your own right.

MARETTE CRONIN
INTERIOR DESIGN

FLOORING - TILES

Flooring is the largest piece of material used in a house when it comes to decorating. It is also the only thing that directly links from one room to another. There is just about any material available in flooring now, so over the next couple of weeks I will give a breakdown on the most popular choices. This week it's all about Tiles.

Buying Tiles can be one of the most stressful choices to make when decorating, because you know how much trouble it can be to remedy a wrong choice later on. My advice is: if you don't love them, don't buy them... With that being said, there are other things to consider. Every tile has a purpose depending on what area you're using them in. The most important points to consider are:

SUITABILITY: Always keep in mind the area you need the tiles for, and be practical. Bigger is not always better! If you are tiling a bathroom wall for example, there will be fixtures and fittings to cut around, smaller is better for this. Also check the tiles rating to make sure it's suitable for your area of choice.

SLIP RESISTANCE: No tile is slip 'proof', but there are different grades of slip resistant tiles available. Always ask if your tile has the right resistance you need.

WASTE: You should always get 10% extra of your chosen tile to allow for breakages when cutting. Most tile suppliers make an allowance for this anyway. But always ask to be sure.

GROUT: Get a grout to compliment your tiles. There are many different colour grouts available now.

I will give more tips on flooring next week. Hope this has been helpful. If you need some more help, just contact me.

Every design journey starts with the concept of evolving the space into its very own unique masterpiece.

Sincerely,
Marette

FOCUS ON HYDRANGEAS

Hydrangeas are a very popular garden shrub with delicate heads of flowers that come in shades of white, pink or blue and they flower from late Spring to late Autumn.

The mophead and lace cap hydrangeas are well known for the ability to change colour in different soils.

Hydrangeas thrive in moist but well drained soil, in a cool, semi shady part of the garden. Try to avoid dry sunny situations and east facing areas.

Feeding your hydrangeas once in late Winter or early Spring is probably enough for the year as too much feeding will only encourage too much soft leafy growth and this will lead to the hydrangeas not developing a lot of flower buds.

Pruning Hydrangeas is usually done in late Winter or early Spring, although the climbing hydrangeas should be pruned after flowering in Summer.

KILLARNEY GOLF AND FISHING CLUB

MEN'S CLUB REPORT AND RESULTS: Club Captain Liam Hartnett advises that our Men's Club will have a very busy schedule over the next two months or so, with a full diary of Club competitions, and a busy programme of Local and National inter-team competitions due to be played.

Liam was disappointed to see our Club Senior team go out in the West Munster semi-final in the Senior Cup, while at the same time Liam was delighted with the battle that the team had put up in the match, the golf was of a very high standard in this, the closest possible result which, most unfortunately, went against us.

The team under the tutelage of Sheamie O'Connor won their first round match against Doneraile on Saturday last, the winning margin was 3 matches to 1 with the last match called in, Simon Gallivan, Donal Considine and Eric Dunlea all won while Stephen Kelliher lost, and Stephen O'Neill's match was called in.

Sunday saw the team up against Tralee, and in a ding-dong encounter, Killarney were eventually vanquished when Simon Gallivan lost his match to an 18 foot birdie putt on the 20th hole, Simon had earlier come back from being 2 down with 3 to play with a birdie on the 16th and par on the 17th, but he was just edged out by the birdie on the 2nd tie hole in the top match, which finished up as being the

last match out on the course, earlier Cormac Finn lost by 4/2 in match 2, Eric Dunlea won 4/3, in match 3, Donal Considine won 5/4 in match 4 and Stephen O'Neill lost 2/1, in the last match.

Next up will be the Club's Junior Cup team, when they take on Kenmare at the Ring of Kerry course on Saturday morning the 2nd of July, the team under the watchful eyes of Team Manager's Liam Healy and Brian Fitzgerald are currently in training, with a good mixture of youth and experienced players on the panel, any potential supporters please note that this game is coinciding with the Ring of Kerry Charity Cycle, so getting there will need to be given careful consideration.

Sunday the 26th of June competition was the "Robert Robert's Coffee Distributors" sponsored singles stableford on Killeen, the winner was Harry O'Neill with an excellent score of 41 points, and Harry won by two shots from Greg Lanigan, what makes these scores all the more impressive is the fact that standard scratch for the day fell at just 34 points, so handicap reductions all round.

RESULTS WERE AS FOLLOWS,

1st Harry O'Neill (12) 41 points.

2nd Greg Lanigan (5) 39 points.

3rd James Devane (9) 38 points.

4th Brian Clarke (11) 37 points.

5th George Vass (6) 37 points.

Category 1 Eugene O'Sullivan (4) 35 points.

Category 2 Fergus Houlihan (10) 36 points.

Category 3 Gerard Quinlan (15) 35 points.

Category 4 Seamus Doheny (20) 31 points.

Captain Liam wishes to remind all Men's Club Members that the Men's Committee are currently taking any names of any of those who may be interested in participating in the trip to "Southern Down" which will be taking place from the 26th to the 29th of August, final costs are now being finalised, and the trip will include 3 rounds of Golf.

The competition on Sunday next the 3rd of July, will be a Club sponsored "open day" due to be played on Killeen, the competition is timed so as to allow any Member or Visitor to play, and with sufficient time to get to the Munster Football Final against Tipperary that afternoon.

MUNSTER SENIOR FOOTBALL FINAL

KERRY FACE STERN TIPP TEST IN MUNSTER DECIDER

GAA CORRESPONDENT KERRY O'SHEA LOOKS FORWARD TO SUNDAY'S MUNSTER FINAL CLASH

KERRY V TIPPERARY

**Sunday 3rd July – Fitzgerald Stadium
Throw in 3.30 pm**

Fitzgerald Stadium, Killarney, hosts this Sunday's eagerly-anticipated Munster SFC decider between Kerry and Tipperary. Munster final day is always a very special occasion. This year's renewal is unique in the sense that Tipperary, who are Kerry's opponents in the Senior game, are there on merit. The Premier County will be contesting their first Munster decider since 2002 and will be meeting the Kingdom for the first time in a final since the 1998 game in Thurles when Maurice Fitzgerald and Declan Browne stole the show.

Gaelic football is currently enjoying an upward curve in Tipperary. The county won an All-Ireland Minor Football Championship title in 2011 and contested an All-Ireland U21 final last year when Tipperary were defeated in controversial circumstances by Tyrone.

To get to the decider, Tipperary defeated Waterford 1-15 to 1-7 in May and followed this up with a memorable 3-15 to 2-16 win over Cork in the semi-final on June 11. Kerry, meanwhile, defeated Clare 2-23 to 0-17 to advance to yet another decider.

Tipperary, who have won nine titles at senior level previously, are going for their first Munster SFC crown since 1935 while Kerry are going for title number 78 and are hoping to win their fifth title in six years and with a four in a row.

Kerry manager Eamonn Fitzmaurice confirmed that James O'Donoghue, one of the county's key players in recent years, is back in contention for a starting place following a long break due to a troublesome shoulder

BRYAN SHEEHAN WILL BE HOPING TO LEAD HIS TEAM TO VICTORY IN SUNDAY'S MUNSTER CHAMPIONSHIP DECIDER AGAINST TIPPERARY.

injury.

"James is back, full steam ahead and looking good. He wasn't ready for the first (Munster championship) game but he's played a couple of club games since.

"He's trained with us and he's in contention now. This was the plan all along, we were just hoping he'd be a couple of weeks earlier. "We are delighted James is back. Other injuries have cleared up also which has strengthened the squad. We need our full squad if we are going to be winning trophies." Fitzmaurice also told the media gathering that injury victims Alan Fitzgerald, Brendan O'Sullivan and Denis Daly (O'Sullivan and Daly are both long-term) will play no part in Sunday's decider.

Johnny Buckley, who missed the semi-final win over Clare, is expected to be back in contention for a starting place as is Aidan O'Mahony who missed the Clare game due to a suspension.

Since taking over in Tipperary last year, Liam Kearns has had to work with a depleted panel as injury and emigration have robbed him of some of the county's best players, including Colin O'Riordan, now in Australia, Steven O'Brien and Seamus Kennedy who have committed to the hurlers for this year while Liam Casey, Jason Loneragan and Kevin Fahey are spending the summer months in the USA. Kearns, who is originally from Tralee, took the opportunity of his press briefing to criticize some media pundits whom he said gave his side little or no chance against Kerry.

"They feel that if Cork had come through that Kerry would get tested at least, even

though they'd expect the Kingdom to beat Cork as well I'm sure.

"I know that's exactly what the players will be hearing from their supporters, that Cork and Kerry in Killarney provides a really good day out for everybody because Cork supporters usually travel in large numbers for that fixture while many of them don't travel for other matches, and the big occasion is now gone as they will see it.

"We wouldn't be popular with the boys who run the pubs down in Killarney I suppose!

"But, at the end of the day, we can't concern ourselves with what Kerry are thinking and what they're about."

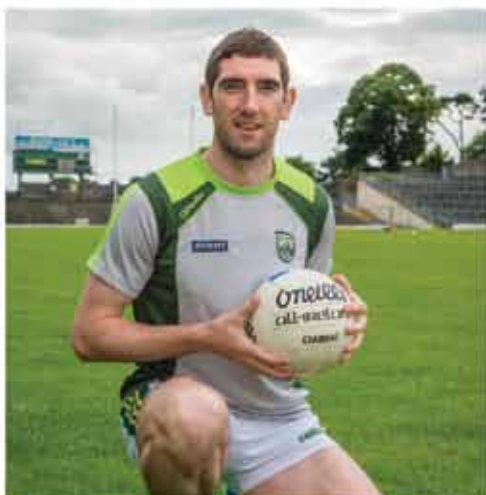

This decider will be a stiff test for the Kingdom as Tipperary will have absolutely nothing to lose.

The Premier County have some fine footballers and two of the best in the country in full-forward Michael Quinlivan, whose late goal in that Minor final in 2011 won the day, and the much acclaimed Peter Acheson.

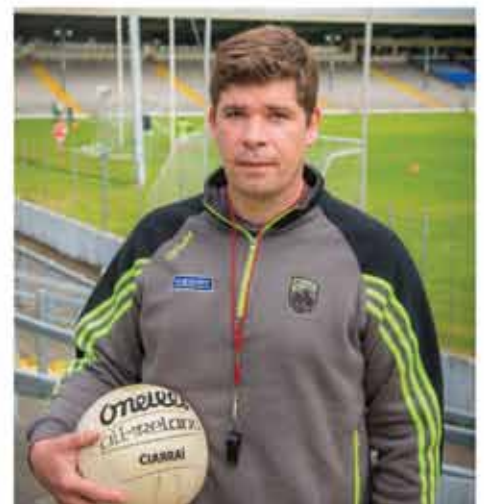

The Gaelic football hinterland in Tipperary is in the South of the County but much work has been done at underage level to promote and spread the game throughout the County and this has yielded some spectacular results.

Liam Kearns is a very experienced Gaelic football coach at this stage, having managed Limerick and Laois in recent years. He worked closely also with John Evans during Evans' last year in Roscommon.

Kearns will know every blade of grass in Fitzgerald Stadium. It will be very interesting to see how he sets Tipp out against Kerry. Remember in last year's Munster semi-final in Thurles, Tipp pushed Kerry all the way. It will be tight, very tight.

FIRIES COISTE NA NÓG

FEILE 2016: On Friday, 24th June, Furies GAA opened their gates in Pairc Eamonn for Feile 2016 and what a weekend it was. Our club were proud to host Ballyroan Abbey of County Laois for this momentous weekend. Furies kicked off the proceedings with their first match against Fossa, winning 3-08 to Fossa's 3-04. Next on the schedule were Furies' guest Ballyroan Abbey who triumphed against Fossa's visitors; Galbally of Limerick on a score line of 2-10 to 0-03. After a diminutive break, Ballyroan Abbey took at it again, this time meeting Galbally. Our visitors vanquished Galbally 2-10 to 0-03. The final meeting of the evening had the home side against Galbally. Again, Furies took the spoils, defeating the Limerick club 1-04 to 1-00.

Following Friday evenings' Feile 2016 debut, it was time to meet our guests on the pitch on Saturday morning in Pairc Eamonn. After a strong start by both teams, Ballyroan Abbey upped the tempo, beating Furies 0-03 to Ballyroan Abbey 1-08. All roads lead to John Mitchells in Tralee for the boy's next match on Saturday afternoon, but unfortunately, our brave battlers bowed out from the competition following the defeat against Castlebar Mitchells, 2-06 to 0-03. This did not deter the boys from lining up in the Killarney Feile 2016 parade on Saturday evening proudly representing our great club.

After a hectic, but fantastic weekend, we would like to express our gratitude to our U14 host families who opened their homes to the young men from Ballyroan Abbey, all in the name of the club. Thank you doesn't seem enough, it will be forever appreciated. To our coaches, officers, umpires and marshals; your overwhelming support of the club is the very essence of grassroots GAA; your enthusiasm and dedication is invaluable to us. To the many, many volunteers who helped out by either making tea or coffee or donating food during the weekend; your contributions encompassed the very ethos of community. Thank you. A special word of thanks to Hendersons and Bridies Right Buy Shop who freely donated to the event. Many thanks for showcasing our club and community in the light it more than deserves. SPA NOTES

FÉILE WEEKEND: A great weekend of football held in Kerry over the weekend. Spa started their campaign at home on Friday with the opening game against Gneeveguilla.

Next up in our group was Shondonagh, Co Westmeath. On Saturday we met our, host club St. Mary's, Kiltogher Co Leitrim which was the last game of our group. Later that day we played Brosna in Cordal in the Shield. Unfortunately, we didn't win but that didn't dampen the spirits of our young players. A credit to their families as all players behaved impeccably throughout the weekend. The parade on Saturday evening throughout the town was a brilliant experience with a great atmosphere. Huge support for all teams. Sunday ended with a great surprise when President of the GAA Aogán O'Fearghail visited the clubhouse to meet the teams. A great success with huge thanks to the players, organising committee, Coiste na nOg, 11 host families, parents, coaches, volunteers at the BBQ, First Aiders, Officers, referees, East Kerry, Kerry GAA. Special mention to Donal Barry, secretary of Feile South West and Mike Piggott for fixtures. Well done to all involved.

MINOR EAST KERRY LEAGUE

SPA 3-11 BEAUFORT 3-5: Spa played Beaufort away in the first round of the minor East Kerry League with the away team starting off the brighter with Stephen McKenna outstanding at full back rushing into a 4 point lead. On the resumption the imperious David Spillane scored a fantastic individual goal from midfield putting Spa in the driving seat.

Inspirational scores from Gary Vaughan and the injured Niall McCarthy drove on the boys in blue. Beaufort fought courageously back but Spa held on for a win.

TEAM: Colman Hickey, Mike Shannon, Stephen McKenna, Daniel Horgan, Fionan Walsh, Eoghan Cronin, Conor Stack, David Spillane, Oran Claffey, Sean Cahill, Dion Marcus, Eoin O'Carroll, Mike Kearney, Gary Vaughan, Mikey Aherne. Sub: Niall McCarthy.

U21 COUNTY CHAMPIONSHIP:

SPA 1-13 DR CROKES 2-12: Spa put in a great performance to take the game right to the final minutes. Michael Foley, Evan Cronin and Niall McCarthy gave Spa the early advantage and we had three goal efforts superbly blocked, but Crokes hit back and rattled the net twice in the opening half. Additional points from Evan (2), Mike McCarthy, Conor Kearney and Dan O'Donoghue and Spa trailed 0-9 to 2-5 at half time. Spa opened the second half with a penalty and the teams were level for much of the remainder of the game, but injury hampered their efforts and despite four more points from Evan Cronin, Crokes edged ahead at the end to progress to the next round. Wishing a speedy recovery to our injured players.

DR CROKES CLUB NOTES

FÉILE 2016: The Féile 2016 weekend will live long in the memory of all involved and our club can be more than proud of their contribution in making the weekend a success. Our young boys and girls played an exciting brand of football and carried themselves in an impeccable manner both on and off the field all weekend. The clubhouse was a hive of activity all week in preparation for the competition and that work-ethic continued throughout the weekend. Thanks to everyone who helped out over the weekend, your efforts are truly appreciated. Our guests remarked how good the atmosphere in the clubhouse and the selfless 'can-do' attitude of our volunteers was from Friday through to Sunday. It is a credit to all the members and parents who provided such great hospitality for all.

Special mention to the two teams that we had the privilege of hosting; the boys from Castleknock, Dublin and the girls from Tír na nÓg Randalstown, Antrim. It was a pleasure to welcome both teams to the club and our young players have built up lifelong friendships from the visit.

Lewis road was a host venue for games on Friday, Saturday and Sunday. The clubhouse also hosted a great night of entertainment on Friday night, with plenty of storytelling, singing, and dancing. All the participating teams marched through town for the Féile parade on Saturday evening.

U14 BOYS: A late fisted Crokes goal separated the Killarney rivals in the opening game in Direen on Friday evening. Legion were quickest out of the blocks and led at the break. Our boys turned it around in the second half and went on to win by 2-2 to 1-3.

In the second game on Friday, New York possessed a greater physical presence and proved too strong for the Crokes. New York won 3-6 to 0-1.

On Saturday morning, Dublin side Castleknock defeated our boys in Lewis Road. The visitors took an early lead which proved difficult to overturn, winning 1-7 to 0-2 in the end.

The Crokes got back to winning ways when they travelled out the road to Fossa on Saturday afternoon as they defeated Laune Rangers in the shield quarter-final. The young black and amber boys scored an impressive 2-7 which proved the difference. Final score, 2-7 to 1-1.

On Sunday afternoon, Legion managed to overturn the result of the opening game when they won the Shield semi-final in Na Gaeil, Tralee. The Crokes players were tired and battled admirably but it wasn't to be their day. Well done to the players and management for their efforts over the weekend. The players will have many memories of Féile 2016 and will learn from the experience.

U14 GIRLS: The well known sports brand slogan reads 'Just Do It' but our u14 girls did it in style. From the moment we greeted our Antrim guests from Tír na nÓg Randalstown

on Friday afternoon, until we returned in a triumphant cavalcade to our home in Lewis Rd on Sunday evening, everyone associated with the girls squad entered into and enjoyed the spirit of Feile. The 26 strong squad topped their group with consecutive victories over Fossa, O Hanrahans Carlow and Tír na nÓg.

In a close Cup quarterfinal at Currow on Saturday evening, we had to dig deep in the closing stages to defeat a dogged Loughrea.

Onto Blennerville on Sunday morning and in bonus territory for a Cup semi final against Garrycastle.

Down at halftime we rallied in the second period to remarkably progress to a National Feile Cup Final, against our neighbours Fossa, who were seeking to reverse the result of our opening fixture.

With tired minds and bodies on the limit, an end-to-end battle which could have gone either way in the closing stages, was eventually settled by a late Crokes goal and it was only at the final whistle that players, mentors and supporters could savour the joy of a successful campaign.

Having provided a consolatory guard of honour to our Antrim guests as they left the field after their Shield Final defeat in the preceding game, it was especially uplifting for them to return the compliment as we left the field as champions and they shared our success.

The Spirit of Feile was captured in this moment. Memories to last a lifetime.

SENIOR HURLING: We have qualified for the Senior Hurling League Division 2 Semi-final where we play Kilmoyley away on Wednesday evening, 29th June. Throw-in 7:30pm. The following week, we meet the winners of Kilgarvan & Lady's Walk in the Quarter Final of the Intermediate Hurling Championship. Time and Venue to be confirmed.

KELLOGG'S GAA CÚL CAMPS: The Kellogg's GAA Cúl Camps are a great way for boys and girls aged 6 - 13 to play the games and learn GAA skills in a fun child-friendly environment - and maybe even help make them a GAA star of the future! Dr. Crokes GAA Club will host a football camp from 4th July - 8th July. Fitzgerald Stadium will host a hurling camp from 25th July - 29th July. JOHN WEST FEILE NA NOG 2016: The curtain has come down on Feile 2016. What a weekend. Well done to our boys who performed heroically over the weekend. They reached the final and were very unlucky not to prevail. All the boys from Listry and Keel and their families represented their clubs and their communities with huge pride over the weekend. A huge thanks to everybody who helped out in any way over the weekend. It will live long in the memory of all those involved.

Well done also to the Milltown/Listry Ladies who did so well over the weekend.

NEXT MONTHLY MEETING: Our next club meeting will take place on Tuesday 12th July at 9pm in the clubrooms. Please attend.

LEGION GAA NOTES

FÉILE: Huge thank you to everyone who helped out and participated over the weekend, especially club co-ordinator Tommy Galvin and Mike Leahy, Cooraclare girls and New York boys and of course our own players and mentors who gave such a good account of themselves throughout the competition. Both boys and girls teams reached the semi-final of the shield in their respective divisions and the boys beat Dr Crokes to advance to the final. They ultimately came up short against Celbridge but can take pride in the fact that they went further in Division 1 than any other Kerry team at the event. Well done to all involved.

JUNIORS: Mixed week for the juniors who had a superb win away to Milltown/Castlemaine on Monday but followed it up with a disappointing loss to Gneeveguilla on Wednesday. Against Milltown/Castlemaine they led by four at half time but faced a strong breeze in the second period. Their task was made even more difficult when they went down to fourteen men with twenty minutes to go but the lads dug in and claimed an emphatic win.

A poor first half display at home to Gneeveguilla left them trailing by two at the break and, despite an improved second half performance, they were unable to close the gap.

SUMMER CAMP: The club summer camp will run again this year from Tuesday, August 2nd to Friday, August 5th. The camp is always a great week of activity with great assistance as always from the club's older juvenile boys and girls. Anyone interested in helping out with camp can contact Enda. The camp will once again be kindly sponsored by Sewells Pharmacy.

GARDA VETTING: Under the National Vetting Act no person will be allowed to undertake any GAA activity with juveniles

without being vetted by the Garda Síochána. It will be deemed to be an offence under the terms of the GAA and the law nationally. The GAA has recently launched a new electronic vetting system which replaces the original paper system. The new e-vetting system is aimed at being a more efficient and streamlined way of being vetted. Our children's officer Christina Tangney is on hand to assist anyone not vetted with the new system. The immediate goal of the GAA is to get everyone involved in the Association who is not vetted sorted with immediate effect. Those previously vetted under the old system may then be asked to go through the new process. The club wants to ensure that everyone is vetted in due course. Anyone who needs more information or assistance can contact Christina via email at christina.tangney@mycit.ie or alternatively at 086 1925549.

LOTTO: If you're interested in selling some lotto tickets to help raise vital funds for the club, please contact Seánie Culloty at 087 2225325. Also if you'd like to avail of our Easy Pay system to automatically enter your lotto numbers every week, forms are available from Seánie, Maura McCarthy, Paul Trant, Dan Murphy, Kevin Griffin or any lotto committee member.

MILLTOWN CASTLEMAINE GAA NOTES

FÉILE 2016: Well done to all those involved in the Feile Peile na nÓg weekend. A special word of thanks to our host houses, who looked after our guest team - Fenagh of Carlow. To the

fantastic ladies who looked after the catering in the clubhouse and kept everyone fed and nourished throughout the weekend, as well as those who generously supplied baking, sandwiches and soup. Míle buíochas to the people who cleaned and prepared the club rooms and monitored the toilets - ensuring that they were kept clean throughout the two days. The traffic stewards did a wonderful job and the field committee who had the grounds looking in splendid shape - we sincerely appreciate your time and effort. We also wish to thank the match officials and those that assisted as umpires and linesmen along with the scoreboard operators. The Civil Defence ensured all our young players got the best of medical treatment for any injuries - we appreciate your first aid services very much. We are very grateful to those who erected signage and decorations and anyone else that contributed in any way to making the weekend such a fantastic great success.

We would also like to thank Milltown Listry Ladies Football and their host team St. Rynagh's, for joining with us for our farewell party and disco, in the Nagle Rice Community Centre. Thank you to the committee for making this facility available to us. A special mention though must go to the boys and mentors of our U14 team who were a credit to the club - both on and off the field. Hopefully, they made many new friends and lasting memories over the weekend. Well done to our guest team Fenagh, from Carlow, in qualifying for the final of their division and unlucky not to come away with the spoils. A bond by our two clubs has been formed that will stand the test of time and lead to future interaction between us.

WORKMEN'S ROWING CLUB

CRAIC AT CORK REGATTA: Last Saturday and Sunday our rowers competed against a host of clubs at the annual Cork Regatta, at the National Rowing Centre, in Iniscarra Co. Cork. We've had an amazing year of rowing events so far, and last weekend was no exception.

We congratulate each and every sculler on their performances in their heats and many in their respective finals, both individual and in their crews. Special mention must go to the following:

Mens U18 double, Dylan Bartlett and Kamil Kunicki. 1st place overall in their age group.

Mens U18 quad, Dylan and Kamil again with Michael O'Donoghue and Tom O'Leary, again 1st place overall in their age group.

Womens Div2 single. Annie O'Donoghue for her win in her final.

A very special mention to our J15s, who were

testing the waters at Iniscarra; Marc Woodard, Seán Farndon, Niall Ireland and Amber Pomeranz, in their final, where they were just pipped for 2nd place. All in all, despite increasingly choppy water, all performed with their usual strength and determination. Well done to all the above and also Siobhán, Ruadhán, Jakub, Ciara M, Ciara B and Leona. Your heats and finals never failed to impress!

Many thanks to Micky Joe for towing the boats and Hannah for keeping us towing the line! To all who helped and lifted boats, drove our rowers and roared us over the finish line, we couldn't do it without you!

MEK UNITED FC NEWS:

MEK United recently completed a very successful and busy season and are already planning for the new season ahead. The last season was a huge season for us. Our Academy had a very good year, with teams from each age section playing in Blitzes across the season. Meanwhile, the U12 and U13 squads competed in the Kerry Schoolboys League for the first time ever, with the club hosting teams and travelling the breadth of the county for matches. A huge thanks must go to all the coaches, parents, players, sponsors and management team for the huge efforts put in to date. We are currently planning the year ahead and the next few months look like being a busy few months for MEK United.

CLUB AGM: Our club AGM takes place this Friday evening at Fossa Community Centre, at 8pm. We would ask all parents to attend as this is a vital time for our fledgling club. We have 120 children playing with our various squads and are always on the look out for any help we can get. We need new coaches and would appeal to anyone to get involved, no experience is necessary! Come along on Friday night and have a say in the future of this great club!

CHURCH GATE COLLECTIONS: In order to help raising some badly needed funds, we are holding a Church Gate Collection at Fossa Church on the weekend of the 9/10 July next. We held a hugely successful church gate collection at Listry Church recently and would sincerely like to thank everyone who donated.

FOOTGOLF: MEK United are delighted to announce our Footgolf Classic, which takes place at Dunloe on Sunday the 24th of July next. Footgolf is fast becoming a hugely popular game and we are holding a footgolf classic to raise funds for the club. We would hope that there would be some great interest in this event, as footgolf would be right up our street as a soccer club, so to speak. We will be looking for sponsorship for the tee boxes on the day, so please let us know if you would like to take part or even sponsor a tee box! So, get your teams of 4 together and put your skills

HOW TO KEEP BIRDS FROM HITTING WINDOWS

As bird activity is peaking, you've probably noticed birds colliding with your windows; this is a common but huge problem that takes the lives of millions of birds annually.

Window collisions occur when a flying bird sees the reflection of the garden or sky in the glass and flies into it. Anything that will reduce or eliminate these reflections in the glass will reduce bird collisions.

Some people hang shiny streamers or fine screening on the windows during peak periods. Others cloud the glass with soap. If the house is under construction, the windows can be installed tilting downward slightly to reduce reflections.

Locating feeders on or near the windows will reduce the speed at which birds hit the glass. Approximately only one out of ten collisions is fatal, usually the bird is stunned, falls to the ground, and begins a period of recovery that may take up to an hour.

During that recovery period, the bird is vulnerable to house cats, or weather conditions etc. To protect a stunned bird that has hit a window one suggestion is to cover it with a large kitchen strainer. The bird is less visible and is confined, allowing it time to recover. When the bird attempts to leave the strainer, it has recovered enough to be liberated.

3 REASONS-YOU-SHOULD-REALLY-READ-MORE

As easy as it is to get distracted by access to instant video entertainment, don't let your books go by the wayside. Reading novels makes you a more dimensional, intelligent, balanced human being. It's time to open that novel you've been putting off and rekindle the love for reading that you've always had.

- **Build confidence.** Not only will reading help you to expand your vocabulary, but it also pushes the bounds of your intelligence. Feeling more knowledgeable, you'll feel more ready for any challenges life tosses your way and feel more secure knowing that your mental growth is continuing, even well into adulthood and old age. The pursuit of knowledge is one of our greatest gifts. Once we become stagnant and stop learning that

is when our beings begin to deteriorate. Reading is an easy way to gain knowledge and growth at any age. And when we feel like we are growing and evolving, our confidence begins to build in the healthiest of ways.

- **Diversify your perspective.** Those who read often tend to be more empathetic than those who do not. Reading often seems to help us to figure out how others may or may not be thinking. Studies have shown that children who read more fiction have more developed empathy and social skills. Also, if nothing else, reading will show you just how little of the world you truly understand. Reading brings you to far-off lands; immerses you in unfathomable experiences; allows you to meet unexpected characters. It is humbling, once you start to read. It becomes clear just how much you haven't experienced, no matter who you are. If nothing else, reading is an incredible way to broaden your perspective.

- **Reduce stress.** Reading is a form of active relaxation. Sure, it can encourage you to lounge on the hammock in the sun all day, but reading activates your mind while still allowing it to unwind. In a sense, reading is like playtime for your brain. It is also a way to escape the stresses of your own life for a bit by immersing you in another world entirely. Take a good book into a hot bath on a regular basis and reap the rewards of relaxation and mental rejuvenation.

4,380,000 PEOPLE ELIGIBLE TO VOTE FOR THE FIRST TIME THIS IN THIS YEARS U.S. ELECTIONS

Malia Obama the first daughter of the first Black President in the United States of America will be 18 on July 4th.

Nearly 12,000 Americans turn 18 every day. Blacks were given voting rights under the Fifteenth Amendment ratified in 1870. Hiram Rhodes Revels (Republican/Mississippi), elected in 1871, was the first Black Senator. Although Black men and women ran for President under third parties or as Independents, it was 137 years after Revels' election to the Senate before a major party had a Black candidate for President in 2008. Voting rights for women took another 40 years. Women didn't get the right to vote in

federal elections until August 1920. Hattie Ophelia Wyatt Caraway (Dem/Arkansas) was the first woman elected to the Senate in 1932. She was appointed to complete the term of her husband after his death in late 1931 and wasn't expected to actually seek election. After all, she was just a convenient place holder. Although several women ran for president in the late 1800's and early 1900's, the first woman to actually be placed in nomination at a party conference was in 1964: Margaret Chase Smith (Repub/Maine, also the first woman to be elected to House of Representatives and Senate).

From being granted voting rights to nomination as presidential candidate of a major party: 146 years for Black men and 96 years for all women. A long time coming, but now both Black and female presidents may occur sequentially.

The daughter of the first Black President might cast her first vote for Hillary Clinton, the first woman President.

WELL DONE TO LONDONS MAYOR

London's mayor, Sadiq Khan, may have secured his position as a feminist hero by eliminating advertisements from the city's public transportation that "conform to unhealthy or unrealistic body images." The change goes into effect in July and fulfills Mr. Khan's promise to address the Tube's advertising network after a campaign last April against a body shaming ad. The ad that sparked the initial controversy came from Protein World and featured a very thin model in a swimsuit with the words, "Are you beach body ready?" Hundreds of people filed complaints with the Advertising Standards Authority, claiming the ad promoted unrealistic body standards and could have negative impacts on body image.

The campaign resulted in protests and a petition with more than 70,000 signatures, but Protein World still didn't seem to understand the backlash. "As the father of two teenage girls, I am extremely concerned about this kind of advertising which can demean people, particularly women, and make them ashamed of their bodies," said Mr. Khan. "It is high time it came to an end." Mr. Khan has recommended Transport for London, which controls the 12,000 ad spaces in question, set up a steering group to ensure compliance with the ban and eliminate any ads that could cause body confidence issues.

WIN FOR THE OREGON SPOTTED FROG

The U.S. Fish and Wildlife Service have designated 65,038 acres and 20.3 river miles of critical habitat for Oregon spotted frogs in Oregon and Washington. Once abundant from British Columbia to California, spotted frogs have disappeared from 90% of their former range. Today there are fewer than 100 known sites where the frog still survives and it is likely eradicated in California. Most remaining populations are in Oregon. The Oregon spotted frog is 4 inches long and calls while under water. It is a highly aquatic frog and needs clean water and stable flows for egg-laying, tadpole development and adult overwintering. The species is threatened by loss of wetlands, poor river management that forces artificial flows, reduced water quality, drought, invasive species and other threats. Amphibians have been on the planet for millions of years but worldwide, more than one-third of amphibian species are threatened with extinction.

TOWN HAS TO PAY BACK THE DESTITUTE PEOPLE IT JAILED

Colorado Springs will pay back destitute people it illegally jailed because they couldn't pay court fines, the city has announced. The city will also discontinue its debtor's prison policy, which violated both the U.S. Constitution and a 2014 state law in Colorado. More than 60 victims of the city's debtor's prison policy are getting repaid with interest under the \$103,000 settlement with the state's American Civil Liberties Union (ACLU) chapter. Under the city's previous "pay or serve" sentencing policy, people who couldn't afford fines for non-criminal violations like begging near highways, jaywalking, violating park curfews, or drinking in public. Were forced to spend one day behind bars for every \$50 the court said they owed. The settlement sets compensation for 66 pay-or-serve victims at the rate of \$125 per day they were jailed. That translates to an \$11,000 payout for one homeless man who was imprisoned for more than 90 days at significant taxpayer expense under multiple pay-or-serve sentences for begging. "I was told over and over that I either had to pay or go back to jail," the man said in a statement. "Without a home or a job, the cycle kept repeating." Debtor's prisons are banned by the U.S. Constitution, as the Supreme Court established in the early 1980s.

DID YOU KNOW?

Chimpanzees are among the world's most intelligent and social beings, making it even more tragic that hundreds of them are confined in research laboratories. Despite gaining more protection by changes made to the Endangered Species Act in late 2015, nearly 700 chimpanzees are still awaiting release from research labs — many currently living in isolation. Sign our petition to support Save the Chimps, the world's largest chimpanzee sanctuary, in their mission to help all research chimpanzees receive the peaceful and dignified retirement they deserve. The sanctuary provides its over 250 chimpanzee residents with 3-acre island habitats landscaped with grass, trees, hills and climbing structures. The chimps' days are filled with a variety of enrichment, nutritious fruits and vegetables and, most importantly, the social bonds they need to thrive.

HOVERCRAFTS TO TURN THE RIVERS OF FRANCE INTO AN ALTERNATIVE TO THEIR CLOGGED ROADS

Little hydroplaning cabs with flippers, called Sea Bubbles, are about to be tested on the Seine in Paris this summer. If all goes well with the debut, the plan is for 3,000 to 5,000 of them to travel the rivers of France by 2018. They look like a giant sea turtle, with a round body and four curved "flippers" underneath that act like the wings of an airplane, creating an aerodynamic lift above the water, which reduces drag. The vehicle is powered by electric propulsion via two small motors and rechargeable batteries, and emits zero CO₂, no noise, and leaves no wake.

Alain Thebault the creator who in 1994, co-designed the Hydroptere, a sailing vessel that exceeded 50 knots thanks to its hydrofoil technology, says his daughters encouraged him to "invent a zero emission cab" to alleviate the air pollution in big cities, and since many large cities have waterways Mr. Thebault decided the best way to introduce a new form of transportation would be to create a watercraft that could ease some of the existing street traffic.

He envisions the "vehicles" being driven by a professional driver initially but, at a cost of about €29,000 they can be purchased by individuals as well and there is already more than a hundred people on the waiting list.

Though Paris will be the site of the first test run, a number of other cities have expressed interest in setting up fleets if the French trial is successful.

THAILAND STOPS ACCESS TO ISLAND PARADISE OVER TOURISM THREATS TO ENVIRONMENT

The turquoise blue waters and white sands of Koh Tachai island off Phang Nga province, is part of the Similan National Park in Thailand but despite its designation as an ecologically

sensitive "primitive zone," the island has been inundated with tourists.

Because of increased threats from tourism both local and international, officials have made the unusual decision to cut off access to the island's picturesque shoreline, beaches and coral reefs. "We have to close it to allow the rehabilitation of the environment both on the island and in the sea without being disturbed by tourism activities before the damage is beyond repair," Tunya Netithammakul, director of the Department of National Parks, Wildlife and Plants Conservation said.

Most of Thailand's marine parks close for the monsoon season and reopen around Oct. 15th, but Koh Tachai will remain closed.

26 MILLION TREES HAVE DIED IN CALIFORNIA FORESTS IN JUST ONE YEAR

The latest survey from the United States Forest Service revealed that an additional 26 million trees have succumbed to drought, a devastating bark beetle infestation, and hotter temperatures in 2015.

That brings the number of trees that have died in the Sierra Nevada to 66 million since 2010.

"These new numbers really show that the tree die-off is spreading at an astronomical rate," said Amy Head, a Californian Fire education officer. "It's unprecedented, and it's changing the landscape of whole ecosystems in California." The new figures are based on a May aerial survey assessment that found millions of new dead trees across the state. The southern portion of the Sierras - from Tuolumne County down to Kern County - shows the most severe tree mortality rates per acre. The issue is the persistent drought. Bark beetles have been having a field day on the state's weakened trees. Typically the trees are strong enough to withstand the beetles' attack, using sap, or "pitch," to keep the tiny pests from infiltrating the wood, planting larvae, and cutting off the tree's flow of nutrients from the leaves to the trunk. But with ever-increasing temperatures and less water, the stressed trees can't put up a fight. Last year Gov. Jerry Brown declared a state of emergency during the fire season and an extra \$32 million in funding was dedicated for forest restoration work, including removing more than 77,000 dead trees located near urban centres and homes.

FINALLY THIS WEEK

A friend of mine was in front of me coming out of Church one day, and the priest was standing at the door, as always, to shake hands with the worshippers.

He grabbed my friend by the hand and pulled him aside. The priest said to him, "You need to join the army of the Lord."

My friend replied, "I'm already in the army of the Lord, Father."

So the priest inquired, "Then how come I only see you at Christmas and at Easter?"

My friend whispered back, "I'm in the secret service."

BATTERY BREAKDOWNS

Most common cause of breakdown at any time of year but particularly in winter

Battery faults are the most common cause of breakdown.

Batteries can die at any time of year but it's more likely in winter when cold temperatures hit car batteries with a triple-whammy:

- power output drops
 - ability to accept a charge drops, so the battery doesn't recharge as quickly when you're driving
 - load increases – lights, blowers, wipers, heated seats, rear-screen heater etc are all used more.
- Add in the fact that many cars stand unused over the Christmas holiday and it's no surprise that the first day back to work after New Year is

always one of the busiest of the year for the AA.

Battery problems can be avoided:

The garage that services your car should check that clamps and connections to the battery are secure and free from corrosion, but there are a few simple tips you can follow to reduce the chance of your battery letting you down in the depths of winter.

Age:

If the battery is more than five years old and there's any sign of it struggling to start the car, get it replaced. Some will struggle on for a bit but many won't. It's much better done at your convenience than as a roadside emergency.

Charge:

If you mostly do short journeys or leave the car standing for days at a time, invest in a modern battery conditioner/intelligent charger. These can be left connected to the battery indefinitely and can prolong its life without overcharging it.

Load:

Check that everything electrical is turned off when you park up – even an interior light, boot light, or radio left on overnight can kill a battery when it's cold.

Give the battery a chance:

Switch off everything electrical and dip the clutch to reduce the load on the battery when you start a cold car.

SAFETY FOR PERMIT HOLDERS

HOW LEARNER DRIVERS CAN ENSURE THEIR DRIVING EXPERIENCE IS A SAFE AND ENJOYABLE ONE

Safety for Permit Holders: To ensure your safety and that of other road users, learner drivers are bound by certain laws.

Driving alone: You can't be alone in the vehicle when driving, regardless of how long you have been driving and how many learner permits you have held. And the person who's with you must hold a full driving licence for the category of vehicle you are driving for a continuous period of 2 years.

The only exceptions to this are when you are: Driving a work vehicle (eg, agricultural tractor or JCB), unless it has been adapted to carry a passenger, and the passenger holds a full driving licence for a work vehicle for a continuous period of 2 years.

Riding a motorcycle, if you obtained your first learner permit on or after the 6 December 2010 you need to carry a Certification of Satisfactory Completion with your permit in order to drive.

Accompanying other learners: You may not act as an accompanying driver, ie, holder of a full licence, for a person driving on a learner permit. The Certificate of Competency you receive on passing your driving test does not qualify – you must hold a full licence to be an accompanying driver for a continuous period

of at least 2 years.

'L' plates: Your vehicle must display an 'L' plate front and rear. The plate should consist of a red 'L' on a white background.

Motorways: No driving on motorways even if you possess a certificate of competence.

Trailers: If you hold a learner permit to drive vehicles of categories B, C1, C, D1 or D you may not drive the vehicle when drawing a trailer.

Passengers: No passengers can be carried for payment or other reward.

Vehicle safety Safe driving alone does not ensure road safety. The vehicle you are driving must also be fit to be on the road. In fact, it is a serious offence to drive an unsafe vehicle on a public road.

Laws exist to enforce vehicle standards. One of the most important of these is that your car, must undergo a regular health-check called a National Car Test (NCT).

As a driver, it is your responsibility to ensure your vehicle is in good working order. You must ensure that the steering, brakes, front and rear lights, reflectors, rear view mirrors, safety belts, speedometer, tyres, windscreen wipers, horn and silencer are all checked regularly to ensure they are in good condition and working properly.

BASIC CAR CHECKS

HERE'S A SIMPLE WAY TO REMEMBER WHAT TO CHECK. Rain or shine, it pays to give the car a good check over every couple of weeks – you could prevent a breakdown and perhaps a large, unwelcome bill.

Fuel: Top up when you pass a filling station rather than delay looking for one until the fuel light comes on – particularly if you're driving in an unfamiliar area.

Lights: Clean all exterior lights regularly and check for blown bulbs and cracks in the lens.

Oil: Cars can consume as much as a litre of oil every 1,000 miles. Check the oil level regularly (your handbook will show you how). Don't wait for the red oil pressure warning light to come on – engine damage may already have occurred by then.

Water: Overheating is a common cause of breakdowns, especially in hotter weather. Check the coolant level regularly (the handbook will show you how) and if the level always seems low, check for leakages. Top up the windscreen washer fluid too.

Electrics: Battery problems are the number one cause of breakdowns at any time of year. Renew an old, tired battery before it lets you down. Also make sure that your electric radiator cooling fan starts running when the engine gets hot – you can check this by running the engine with the car stationary.

THINKING ABOUT FEELINGS

When someone comes along to counselling and begins to talk about what is troubling them, one of the difficulties that sometimes emerges is their sense of having feelings that are 'bad' or 'wrong'. Perhaps they have been experiencing feelings of anger, or frustration, or maybe sadness, or regret. They may see such feelings as negative or self-pitying, and not compatible with being a good and kind and positive person. They wish these feelings would just go away. But, however much they try to wish them away, the feelings stubbornly persist. So then they experience shame and anxiety about having what they see as such negative feelings, and this shame and anxiety gets added to the mix, and just makes everything worse.

Counselling can offer us time and space in which we can talk about, and think about, all the different aspects of our emotional life, without using labels like positive or negative, right or wrong, good or bad. Instead, the counsellor provides a non-judgemental relationship, in which all aspects of our emotional experience can be heard and thought about. If we can slow things down a bit, begin to make sense of our feelings, and see them as an unsurprising response to aspects of our life experience, they are much less likely to cause us anxiety.

Gradually, we become more able to manage our feelings and get on with our lives, instead of our feelings managing us, perhaps by making us anxious or irritable or unconfident or withdrawn. We learn to accept that, if we face difficult and challenging situations in the future then, naturally, we are bound to experience difficult and challenging feelings within ourselves. And when we have to bear particularly difficult circumstances or events in our lives, there is no shame in seeking support to work through our feelings about them.

A counsellor is able to sustain an open and accepting attitude to another person's feelings, without anxiety getting in the way, because, through their own training and personal development, they accept that having emotional responses to life's events is a part of what it is to be human. Perhaps then, the more accepting and tolerant we can be towards our own emotional life, the more kindly and accepting we are able to be towards the feelings of others.

FANTASTIC FEILE TAKES PLACE

GAA players in their thousands descended on Kerry last weekend for the Féile Peil South West 2016 sponsored by John West.

Proudly sporting their club colours, the Under 14's played games, took part in parades and stayed with host families who gave them the time of their lives.

Killarney held one of the biggest parades with the town coming to a standstill on Saturday evening for the event.

All the clubs involved hosted Barbeque's and provided meals and home baking throughout the weekend as clubs from Kerry, North Cork and West Limerick welcomed teams from across Ireland, The United Kingdom, France and the United States of America.

The Feile was a great success and huge praise must go to the organisers who undertook trojan work to ensure that everyone enjoyed their weekend in Kerry.

A WORD OF VICTORY

Welcome back dear reader over the past two weeks we highlighted the plight of two separate motorists who were lost and enquired for directions believing that they would be told the truth and that everything would be okay. We saw how one man was told a lie, yet he carried on thinking he was on the right road. The second driver was told the truth but would not receive it because he felt the direction he was given was incorrect, and we likened these examples to our life's journey. It's good to ask directions when we are not fully sure where we're going. Jesus said "I am the way, the truth and the life" and that no-one comes to the Father into Heaven only through Jesus (John 14:6). Friend be sure to be sure that you are on the right road following Jesus and nobody else. Ask Jesus to meet you where you are at right now, and He will direct your paths (Proverbs 3:5-6) and won't send you astray. He gave His life to save you and me and all who would call upon Him. He has given us His Word – the Scriptures – to keep us on the right road so that we will not be distracted or led astray. Adam had free will to obey or disobey God, and we too have that same free will to say yes or no to Him. Here is some truth that we can rely on fully in John 3:16 "God so loved us in the world that if we call upon His Son Jesus for salvation we will not perish but will have everlasting life". God wants all mankind to be saved and come to the knowledge of Him for this is eternal life to know the one true God and Jesus Christ whom He sent (John 17:3). True Christianity is not a religion but a relationship, a relationship with Father God through Jesus Christ. This is the Good News that God wants us to hear. Call on Jesus now. More next week....

1ST ANNIVERSARY & ACKNOWLEDGEMENT

In loving memory of

DORA O'CONNOR (NEE DILLANE)

Knocknahoe, Killarney & late of Rathcommane, Ballyhar. Who died on the 5th of July 2015.

On the 1st Anniversary of Dora's death, we her family would like to express our sincere thanks to all those who attended during the Rosary and Removal from the home of her daughter Marie and husband Mike Kearney and the subsequent Requiem Mass and Burial.

We would like to acknowledge all those who sent Mass cards, letters of sympathy, floral tributes and particularly those who travelled long distances to attend. A special thanks to neighbours, friends and the Fleck Restaurant for supplying refreshments at the Kearney home. We express special gratitude to Dr. Patricia Mangan and to the carers Joan and Mary who showed mother such kindness and respect over the years.

Thanks to Father Kieran O'Brien, who was a frequent visitor to mother in the Kearney home, for his inspirational Requiem Mass and also to the other participating clergy. A special thanks to the wonderful musicians and interpreter at that Mass. We also acknowledge our appreciation of O'Sheas Undertakers for their advice and professionalism.

As it would be impossible to thank you all individually please accept this acknowledgement as a token of our appreciation and gratitude. The holy sacrifice of the Mass has been offered for your intentions.

*Memories of you are lovingly kept
Someone too special to ever forget
Your wish today would be no fuss
Just to be remembered by all of us.*

The 1st Anniversary Mass takes place at 10am, Sunday 10th July in Ballyhar Church.

NOVENA TO THE SACRED HEART

You have said O'Divine Jesus ask and you shall receive, seek and you shall find, knock and the door shall be opened to you. Relying on these promises I come with confidence during the novena to beg of you the favours that I need (make request). From whom shall I ask, Lord Jesus, if not from you whose heart is an unfailing source of graces and merits. Most loving heart of my God I believe in your power, I believe in your knowledge, I believe in your personal love for me and therefore O Sacred Heart of Jesus I place all my trust in you. Our Father, Hail Mary and Glory. Say 3 times for 3 days and request will be granted, Never know to fail. Must publish.

PRAYER TO THE HOLY SPIRIT

Holy Spirit you make me see everything and show me the way to reach my ideal. You give me the divine gift to forgive and forget the wrong that is done to me and who are in all instance of my life with me. In this short dialogue I want to thank you for everything and confirm once more that I never want to be separated from you no matter how great the material desires may be. I want to be with you and my loved ones in your perpetual Glory. Amen. (Say this prayer three consecutive days without stating the request, after the third day the request will be granted no matter how difficult it may be. 2nd ANNIVERSARY & BIRTHDAY REMEMBRANCE

In Loving Memory of

JOHN CROWLEY

Knockacorrin who died on the 7th July 2014 and

FRANK MOYNIHAN

Stagmount, whose birthday occurs on the 3rd July.

Perhaps if we could see

The splendour of the land

To which they were called from us

Then we would understand

Perhaps if we could hear

The welcome they received

From old familiar voices, all so dear

Then we would not grieve

Perhaps if we could know

The reason why they went

We'd smile, wiping the tears that flow

Then we could wait content.
