Killarney host the Council

This week, KDYS eurÓg Centre, Killarney hosted the Council of Europe as part of a formal assessment for the awarding of the COE Quality Label for Youth Centres.

Gordana Berjan, Executive Director of the European Youth Centre Budapest and the Council of Europe Quality Label programme was in Kerry to represent their expert team. Killarney Municipal District Mayor Michael Gleeson was on hand to formally welcome the Council of Europe to Killarney. The eurÓg Centre is seeking renewal of this award after becoming the only Centre in Ireland to achieve this status three years ago. Presently only 13 Centres from the 47 member countries of the Council of Europe have achieved this. If successful, KDYS will hold the Quality Label for a further 5 years. eurÓg is a Youth-led, ambitious, adventurous, energetic, respectful and welcoming centre with a range of activities and opportunities promoting youth information, youth participation, human rights education, democracy and rule of law. eurÓg is a place that fosters a progressive skills agenda, which guarantees learning and training opportunities for everyone. The KDYS eurÓg Centre has just completed the development of an onsite accommodation facility with a capacity to host groups of up to 49 People. This will enhance the expansion of the programme offerings which have Human Right Education at their foundation and support ongoing engagement with COE to enhance learning

and development opportunities for both Young People and Youth Workers. These new programmes for young people has already seen groups of Kerry young people travel to various parts of Europe exploring very relevant issues with their peers from different countries. One such example is the Kerry Comhairle Na nÓg group under Kerry County Council co-ordinated by KDYS - A delegation from these Young People attended the European Youth Event in Strasbourg earlier this year. They presented their learning from this event to the Kerry County Council members at KDYS eurÓg on Tuesday 29th October.

In addition the Kerry Comhairle group recently completed a survey on facilities for young people in Kerry and the group also presented their findings at the event. This is a very appropriate moment for this survey to be unveiled as the Council of Europe were present to give an input into the role of Youth Centres in Europe. Kerry County Councillors and officials were present to hear and give their feedback also.

The assessment of eurÓg took place from Monday 28th through to Wednesday 30th October. The Kerry Comhairle Na nÓg event featured prominently as part of this process. Most importantly young people from all over Kerry had the opportunity to engage with Kerry County Council, the Council of Europe and KDYS to have their views heard and to directly receive a response in relation to what actions are in place to support Kerry's youth.

All eyes on Tokyo for Killarney athlete Jordan

Peter Doyle spoke with Killarney's Jordan Lee, a Paralympic hopeful for the Tokyo Olympics in 2020

Killarney athlete, Jordan Lee has just been announced as one of Circle K's ambassadors for their 'Here for Ireland' initiative.

Circle K are sponsors of both the Irish Olympic and Paralympic teams and he features prominently in the latest advertising campaign and his image is on display nationwide. Jordan's

billboard can be seen at the railway bridge in Killarney.

"The selection for the high jump team will not be confirmed until July 2020 which is just a month before the tournament begins", Jordan revealed. Selection is based on attaining a specific jumping standard of 1m 65cm, a standard that Jordan is currently exceeding by 30cm.

Jordan is an extremely confident young man and is not only optimistic that he will be selected, but he also believes that he can achieve success in Tokyo.

Currently studying Health and Leisure in the I.T. in Tralee, Jordan has decided to take a year out from college so he could fully focus on Tokyo 2020.

"I felt I could not give both 100% and I did not want to have any regrets after the tournament and I did not want to be asking myself what if?"

Jordan credits his coach Tomas Griffin as a huge influence and help. Jordan also cited the upcoming World Para Athletics Championships in Dubai as the perfect platform to showcase his ability as all the dynamics of a tournament will apply.

Jordan is keen to stress that, "not only do I compete in Paralympic events, but I also compete in Senior able bodied competition and I am currently ranked 2nd in the overall Paralympic standings and 7th in the able bodied standings."

Jordan is an ambitious young man and success is sure to follow.

Parental leave changes: A guide for employers

Current changes include increasing the number of week's parental leave, the child's age and the introduction of paid parental leave on a restricted basis.

- Since 1st September 2019, a parent can take up to 22 working weeks of unpaid parental leave, an extra four weeks on top of the previous 18 weeks.
- There will be a further four-week extension to 26 weeks from 1st September 2020.
- The age of a qualifying child increases from 8 years to 12 years. Any parent who has already availed of their entitlement to 18 weeks parental leave will be entitled to benefit from the extra weeks for each eligible child.
- The much-heralded paid parental leave begins in November 2019, with two weeks leave for any parent of a baby born after that day, once taken within 52 weeks of the birth and the employee has 12 months service.
- This leave brings a right to a Parental Benefit of €245 per week, and the number of weeks will increase to seven by 2021.
- The government expects up to 60,000 parents a year to benefit from paid parental leave. By May 2019, over 51,000 fathers had availed of the previously introduced – paid paternity leave.

Stylish ladies raise funds for SWCC

At a sell out event at The Great Southern Hotel on Saturday last, Killarney Rotary Club hosted their 11th Annual Charity Afternoon Tea.

The afternoon began with a champagne reception at 1.45pm followed by Afternoon Tea, a fashion show and entertainment in The Garden Restaurant.

The fashion show included the latest styles from award winning Kerry designer Clodagh Irwin Owens Designs and Scarlett Killarney, up to date jewellery trends from Brian de Staic and childrens clothes/accessories from Lynes of Killarney.

"This years beneficiary was the SouthWest Counselling Centre who are based at Lewis Road, Killarney (beside the Áras Pádraig). They are local so you can be sure your money will stay local", Ciara Irwin Foley, one of the organisers of the Charity Tea Day told the Killarney Outlook. Counsellors at South West

Counselling Centre work with people from the Kerry, Cork and Limerick areas in a caring, confidential setting. They do workshops with young people in Kerry schools and communities as well as Play Therapy, Adolescent, Adult & Couples Counselling, Parenting Support, Workshops, Free Crisis Pregnancy Counselling, a Free Bereavement Support Group and Workplace and Organisational Support. CLEO SET TO CONTEST GENERAL ELECTION

The Green Party has selected Cleo Murphy as its candidate to contest the general election in Kerry. The Kenmare woman entered politics earlier this year when she ran for election to Kerry County Council.

"We need a government that will give us affordable public transport, grants for retrofitting homes, renewable energy and cost-rental housing. I want to fight for those things at national level," she says. "We're facing a difficult future and it's vital that rural Ireland gets what it needs to withstand the challenges."

The Green Party has been performing well in

recent opinion polls and is expected to increase its number of Dail seats in the next election. Locally, it is also improving its base.

"The Kerry branch of the Green Party has seen an upsurge in membership since the local elections," says Ms. Murphy.

"People have joined us because they realize we need to take climate action and they want a government that will change the system, rather than leaving all the responsibility with the individual. We have a fantastic team ready to campaign for that on the doorsteps.

A former journalist, Ms. Murphy is now a family

carer who is actively involved in community affairs. She has previously served on the National Executive of the Green Party.

Kilcummin kids enjoy *Spooky Sprint Success*

The now annual "Spooky Sprint" fundraising event in its 3rd year, was held in Kilcummin last Sunday to much acclaim. In excess of 250 people attended on the day and an array of Halloween costumes were on display by young and old alike.

The 4.5km route was festooned with "frights and scares" delivered by live scene's along the route and roaring chainsaws, just to remind all that it was indeed, the "Spooky Sprint". Everyone was welcomed back to Kilcummin recreational hall where a myriad of Halloween games, favourite among them being the "Mummy game" and an array of confectionary items and refreshments were available to all. It was eyes down as the Big Raffle with spot prizes and guess the number of Monkey nuts were held with much anticipation, which was soon followed by the now coveted best dressed costume awards for the boy and girl section and the creative adults were also acknowledged with two awards of their own. There was an array of Pumpkins on display for this year's inaugural Pumpkin Carving Decoration competition and places were allocated to deserving winners.

The funds raised on the day will help to support The Fuchsia Ward, St Columbanus Community Hospital and Kilcummin Parents Association. "A lot of work and effort went into organising

the day by a dedicated team of people and we want to extend a Big Thank You to everyone involved and to everyone who supported the day". We were once again delighted with such

a great turn out this year and everyone enjoyed their day", Ann Marie and Derek O Leary from the parents association of Kilcummin National School told the Killarney Outlook.

B.N.I. Killarney goes from strength to strength

Every Thursday at 7am a group of Killarney business people assemble in Randles Court Hotel for their weekly B.N.I. (Business, Network, Information) meeting.

Peter Doyle spoke to local solicitor Pat Sheahan who is the current chairperson of B.N.I. in order to find out what exactly the organisation entails.

B.N.I. is a business referral organisation and is part of an international organisation that was originally founded in America in 1985. The Killarney chapter is 20 years old and Pat Sheahan has been a member for 11 years.

Mr. Sheahan explained that, "the group comprises of 22 regular members," but added,

"that new members are always welcome."

However, as Pat explained, new people can only attend the meeting by invitation, "there can only be one person from each profession." Mr. Sheahan explained that this stipulation is essential in order for the group to work as members need to be non-competing and the group would like for an architect and an engineer to join."

The Killarney chapter has a diverse membership ranging from a solicitor to a builder and while most members are self-employed, a number are employees of other well known companies. "B.N.I. is ideally suited for start up businesses as it is a very cost-effective method of getting your name out there", Pat added.

There is an annual subscription but it is a relatively modest fee considering there are 48 meetings a year.

Mr. Sheahan confirmed that all members would say that there has been a significant growth in their businesses directly from referrals from B.N.I.

"The meetings are very structured and before the meeting there is time for open networking. It comprises of various segments

that are designed in such a way that enables all members to speak"

Mr. Sheahan explained that B.N.I. is essentially built on trust, as it is a referral organisation. "The term we use is, "Giver's Gain." It is imperative people do a good job when referrals are made, he added.

MONEY MATTERS.....

SHOULD YOU BE CONSIDERING SWITCHING YOUR MORTGAGE

Yes, because some of the Irish mortgage lenders have much lower mortgage interest rates compared to others. There has been a lot of discussion recently in the media recently as regards mortgage switching this is because there can be a very substantial difference in interest rates and monthly repayments between lenders. For example on a mortgage of €200000 over 30 years based on a property value of €300000 and comparing current fixed interest rates one lenders 2 year fixed rate is as slow as 2.30% (3.90% APR) which costs €770 per month whereas another lenders 2 year fixed rate is as high as 3.30% (APR 3.96%) monthly repayment €876 per month. The monthly repayment for the lender with the higher rate is a staggering €106 per month more expensive. Over the term of the mortgage you could pay €38,271.60 (approx) more in interest, this figure will change depending on interest rate changes in the future. Of course you would need to qualify for the mortgage with the new lender and also there are many other considerations and information you need to know before proceeding further. Most lenders will also cover the cost of paying the legal fees for switching your mortgage. An experienced mortgage broker should be able to discuss your options with you in plain simple english and answer any queries you may have.

If you have any queries on the above or any other matter you can contact Dermot Cronin QFA at 0646622775 or dermotcroninifa@gmail.com

Call for dedicated Lyme Disease Treatment Unit

Kerry County Councillor, Michael Cahill has called on the Minister for Health, Simon Harris TD, the HSE and the Department of Health to provide a dedicated Lyme Disease Treatment Unit at University Hospital Kerry to cater for the southern region as a matter of extreme urgency. Speaking at this month's meeting of Kerry County Council, the Fianna Fail Councillor said this horrible condition is becoming more prevalent, particularly in county Kerry. "The number of cases has increased tenfold within the past 10 years and it is highly unacceptable to be sending more and more people abroad for treatment and diagnosis" stated the

Rossbeigh man. "Lyme Disease is most common in Kerry and Cork and it is now in every Parish in our county" stated Mr Cahill. "There has been far too many cases of misdiagnosis and it's high time that a Consultant in Infectious Diseases be appointed to UHK to help end the practice of Irish citizens having to travel abroad for diagnosis and treatment" stated the Fianna Fail man. Councillor Cahill also called on the Minister and the HSE to introduce an Educational and Awareness Programme for Primary Care providers including GPs, Public Health Nurses and the general public as a matter of priority.

GARDA SÍOCHÁNA celebrate 60th anniversary

An Garda Síochána in the Southern Region commemorated the 60th anniversary of women joining as Garda members at an event in The Great Southern Hotel, Killarney.

In July 1959, following a long-running campaign by civic groups and with the support of the then Garda Commissioner and Government, 12 women joined An Garda Síochána and were allocated to Pearse Street Station. Since then, women have made a crucial contribution to the organisation, as well as society. In December 1964 the first woman was allocated to the Southern Region and was stationed in the Bridewell, Cork.

Speaking at the event, Assistant Commissioner Anne Marie McMahon said

"Today we not only celebrate the 60th anniversary of women joining An Garda Síochána, but also the contribution women have made to An Garda Síochána and to policing since then."

There are currently 3,780 females making up 27% of Garda members. This is above the European average for female representation within police services. In addition, 26% of the Garda reserve are female and 76% of Garda staff are also female.

Earlier in the year, Commissioner Harris announced that An Garda Síochána would be establishing a Women's Network to support and encourage women in the advancement of their careers in the organisation. The Network will be chaired by Chief Superintendent Margaret Nugent.

New cycling laws to be introduced

Cycling has never been more popular in Killarney, and with a new law set to be introduced by Minister for Transport Shane Ross on November 12th, it will be safer than ever.

At the moment drivers who dangerously overtake cyclists can be prosecuted under the general law, and receive a fine of €80, as well as three penalty points. Under the new regulation will there will be a law specific to overtaking cyclists, and it will carry a maximum fine of €120. The penalty points will remain the same.

The new laws will be backed up by Garda enforcement and through a Road Safety Authority (RSA) campaign. The RSA has an ongoing campaign urging drivers to maintain a minimum overtaking distance of 1 metre on roads where the speed limit is 50 km per hour, or 1.5 metres on roads where the speed limit is greater than 50 km per hour.

KEY SPEAKERS LINED UP FOR LET'S TALK TOURISM

Marcus Treacy, who is operations director in the Killarney Park and Ross Hotels, will speak on the sustainable agenda at the annual Let's Talk Tourism: The National Tourism Forum in the Great Southern Hotel. Having grown up in the hospitality industry, Marcus is a graduate of Shannon College of Hotel Management. He previously worked in hotels in Geneva, New York and Dublin and with his family's hotel properties bordering Killarney National Park, sustainability is a hugely important priority. Kerry County Council Chief Executive, Moira Murrell, will participate in a panel discussion along with John McGrillen, Tourism Northern Ireland; Jenny De Saulles, Fáilte Ireland; Niall Gibbons, Tourism Ireland and travel industry commentator Eoghan Corry. Climate scientist, John Sweeney, who is Emeritus Professor in Maynooth University and has worked on climate change issues for almost 40 years, will deliver one of the keynote addresses at Let's Talk Tourism. He will give his views on the impact of teenage environmental activist Greta Thunberg and Extinction Rebellion campaigners and whether there is any evidence of success from protests favoured

by green campaigners.

Prof Sweeney, who has over 100 publications on climate change and related topics, will also examine if Ireland is implementing the correct policies and what measures should the tourism industry be considering to take advantage of opportunities and to negate the consequences of climate challenges.

The theme for this year's one-day conference is Sustainability: The foundation for our future and delegates will put the spotlight on the domestic consumer market and emerging global trends, the island's food offering and, of course, the business of Brexit.

Panel discussions will focus on the sustainable agenda and experts will offer practical, real-life examples of sustainable practices and their ensuing impact.

Other topics on the agenda this year include mega trends and future trends in tourism, the consumer sentiment amongst domestic tourists, Ireland's food offering and the economics of sustainability.

The Let's Talk Tourism moderator will be broadcaster Olivia O'Leary and the opening address will be given by Minister of State for Transport, Tourism and Sport, Brendan Griffin.

A young, third generation Killarney hotelier will share the stage with a renowned climate change specialist, civic leaders and tourism industry heads at a high-profile conference in Killarney on Friday, November 8.

CLLR. MICHAEL CAHILL ELECTED CHAIRPERSON OF SKDP

Long serving Councillor Michael Cahill has been elected as the new chairperson of South Kerry Development Partnership CLG. at their recent Board meeting.

He has been appointed for a three year term. It is the first time a local authority representative has been elected chairperson in the history of SKDP.

Cllr. Cahill first became a member of Kerry County Council in January 1990 and has also served in the role of chairman of the Council as well as the former Southern Health Board since becoming a councillor. He was re-appointed as one of the three elected Kerry County Council

representatives to the Board of SKDP following this year's local elections. He has a long track record in local politics and in working with local communities across a broad range of issues.

SKDP CEO Noel Spillane said that on behalf of the Board, the Management and Staff of SKDP, he wished Cllr. Cahill the very best in his new role as chair and has no doubt that he will serve SKDP very well in that capacity.

Cllr Cahill said he was honoured and privileged to be elected Chairperson of South Kerry Development Partnership CLG and that he wished to make South Kerry a better place to live in for all, with new and enhanced facilities

and amenities. He said he was anxious that SKDP would drive on development throughout the region during what will be a crucial time for all of us. "We await the Planning Judgement on the South Kerry Greenway, something the vast majority agree would be the making of all of Kerry and would secure the futures of many generations to come" stated Councillor Cahill. The new Chairman said he looked forward to working closely with the CEO, Board of Management and Staff and to continue the great work carried out over the years by South Kerry Development Partnership.

At an ungodly hour of the morning, 35 students and 4 teachers departed for beautiful Barcelona as part this years senior school tour. The group flew from Shannon and when they landed in Barcelona they were greeted with blues skys, sunshine and temps of 23 degrees.

After a quick count to make sure we did not leave anyone back in Ireland, it was off to Portaventura theme park. We spent 6 hours here riding rollercoasters, getting lost and making memories.

On Sunday we went for a guided walk around the city learning about its history and famous buildings followed by lunch on the infamous street of la Rambla. We then immersed ourselves in a guided bike tour around the marina, local parks and managed to close our eyes going past the local nudist beach! We then made the short journey to the Nou Camp for a tour of the stadium and a chance to purchase some overpriced merchandise. On return to the hotel we went for a walk and partook in an impromptu swim in the Mediterranean.

Monday was an equally frantic day but boy was it worth it. After deciding not to get involved in the Catalan protests we got a spectacular cable car ride to the top of montserrat where we ambled around the monastery and enjoyed breath taking views that would almost rival ladies view... almost. Afterwards it was off Gaudi's Park Guell and managed (after careful negotiation and navigation of the traffic) to spend time at the world famous Sagrada Familia Church. It truly was an awesome sight. Two hours of retail therapy later and we headed back to the hotel to pack, go bowling and somehow managed to dance the evening away at the hotel disco.

Tuesday morning we finished off our tour

with two hours at a high ropes park filled with obstacles and zip wires. Our bus trip from shannon to home was the quietest part of the journey as we caught up on sleep and reflected on what was an amazing trip.

Our students behaviour and attitude towards a different culture, history, language and city was a credit to the school and their parents. Their

enthusiasm and good humour was infectious and made their teachers lives very easy. It has to be said that we were aided by an amazing guide called Yassine whose knowledge, time keeping and eagerness to engage with everyone allowed for an unforgettable school tour. Where are we off to next year?

Groups enjoy the delights of Finland

There was great excitement among two Kerry groups last week as they departed for Tampere in Finland on an Erasmus Plus Exchange programme.

A group of thirteen students and four staff from National Learning Network Kerry along with a smaller youth group and leaders from South West Kerry Family Resource Centre in Cahersiveen departed for an 8 day trip which saw the group visit the Verstas organisation in Tampere followed by three days of activities in the Marttinen Youth Centre. The theme of the trip was "Promoting Social Inclusion" and the groups exchanged ideas on how best to ensure that young people of all abilities can be included in their communities throughout County Kerry. The group participated in a variety of activities including a gaming workshop, photography, art, cooking and a number of outdoor activities including nature walks in national parks.

This is the second part of an exchange organised by South West Kerry Family Resource Centre in Cahersiveen which saw a group from Tampere visit South Kerry in May 2018 where the theme was 'Isolation'. Such was the success of the visit that an exchange trip was agreed. Erasmus Plus is a European Union programme that supports

education, training, youth and sport in Europe. The aim of the programme is to develop new ways to support inclusion, diversity, equality, gender-balance and non-discrimination. In addition the programme supports the development of high quality learning opportunities for adult learners

as well as the recognition and validation of non-formal and informal learning. It is hoped that the group will return with practical ideas to ensure a greater level of social inclusion throughout Kerry.

KILLARNEY MUSICIAN JUNIOR BROTHER IS ONE TO WATCH FOR THE FUTURE

A Killarney singer/songwriter, who has build up a dedicated fanbase in Ireland was nominated in two categories at the recent RTE 1 Folk Awards.

Junior Brother aka Ronan Kealy grew up in Kilcummin, Killarney and is now based in Dublin. He developed a strong love of music from the tender age of 9 when he wrote his first song after teaching himself on a old nylon acoustic guitar.

He took his title from a character in a Jacobean play "The Revenger's Tragedy" a work he studied during his time studying English at UCC.

Junior Brother was nominated in two award categories; Best Folk Album and Best Emerging Folk Act and although he wasn't successful this time - he certainly is one to watch for the future.

THE IMPORTANCE OF TAKING REST DAYS AND ACTIVE RECOVERY WHEN TRAINING OR EXERCISING REGULARLY

Taking appropriate rest days prevents burn out, and getting run down.

One thing people don't realise is that you get "Stronger in recovery" through rest and sleep. The muscles need time to grow and repair before use again. Training too much and not leaving time to repair the muscles will cause damage and even injury to the over-trained muscle.

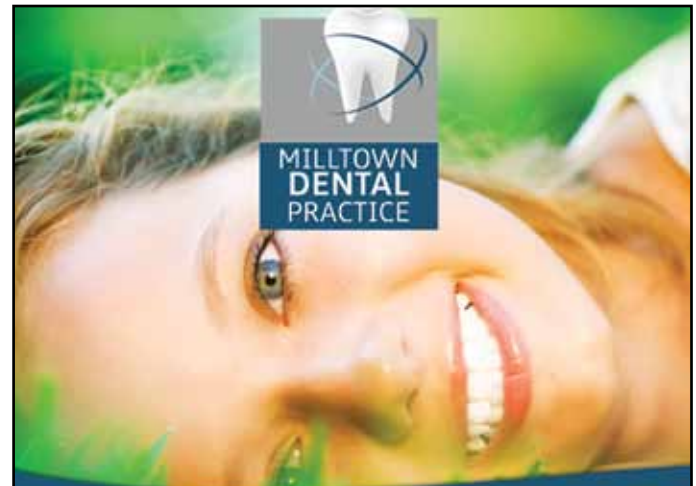

Taking a bit of time out is also a "mood booster". Training too much can cause the body to get cranky. A day or two off during the week is important for the mind and body. If you love exercise to help improve your mood then go for an enjoyable active recovery walk or pool session with a friend and make it about having fun and not training that day.

Recovering the active muscles prevent injury. Even the best technique won't prevent an injury to a tired and over trained muscle.

Good Nutrition is the building blocks to effective recovery. Make sure your rest days aren't binge days and you get good protein, carbs, and fats all within portion control. Your day off isn't a day to over eat either. Often a rest day you wouldn't need as many calories as a hard workout day so it's a good day to give your digestive system a break. Eat light and often.

WINTER EYE HEALTH

Here are some of the ways winter can affect your vision, or worsen an eye condition, and tips for prevention.

DRIVING IN WINTER
In winter you may have more difficulty seeing clearly because of darker evenings. When it is dark your pupils become larger to let in more light. However this can result in your vision becoming more blurred. This is why you may be more reliant on your glasses at night. The glare of a low-lying sun can also make it more difficult to see, so make sure your windscreen is clean, both inside and out. It is useful to have a pair of polarised sunglasses in the car to help with the glare from the sun, even in winter.

DRY EYES
If you already have dry eyes, central heating may make them worse. Here are some simple steps you can take to minimise the discomfort caused by dry eyes in winter:

- Lower the temperature in rooms when possible.
- Blink more often.
- Use a humidifier. Opening windows for a few minutes on cold days will also help.
- Lubricants. Certain lubricating eye drops may be helpful for you.

INCREASED SCREEN TIME
People tend to stay in and watch more television and spend more time using computers during the winter. Using a screen will not damage your eyes but prolonged use can make your eyes tired and dry. Remember to take breaks and operate the 20:20:20 rule; every 20 minutes, take a 20-second break and focus your eyes on something at least 20 feet away.

WATERY EYES
In cold and windy conditions, many people complain that their eyes water more than normal. Wearing glasses will provide protection against the wind, even if you don't usually wear them outdoors.

WINTER SUN
Snow and ice are reflective, so the sun's damaging UV rays can reach your eyes from below as well as above. UV exposure is cumulative, so although you may not feel any immediate effects, you could be putting yourself at risk of long-term damage and risk cataracts and age-related macular degeneration (AMD) if you don't wear good quality sunglasses or goggles.

You are Fabulous!

I was presenting at a wonderful feel good event last weekend. It was all about loving your body and feeling fabulous about yourself and your life. Why is this important? Because loving who you are is the foundation of everything else that you do in your life! When you love who you are, you take care of you. You notice when you are tired and you seek to rest. You feed yourself tasty, health giving foods, you know what is acceptable and what's not. You know your self-worth and are able to have stronger boundaries. Anything that we don't love (or like) in our lives often becomes neglected. We tend not to bother with it. The same becomes true for ourselves. Feeling fabulous is a choice. It's not something

we were taught at school. However, when you feel great about you and love who you are, life becomes sweeter.

Top tip to feeling fabulous!

• Every single day, upon awakening, smile broadly, lift your arms into the air and say out loud to the Universe, "I am fabulous!" And, if you listen closely, you might just hear the Universe, whispering back, "Yes, you are!"

Come and spend a weekend with me at the Meadowlands hotel at "Your Ritual Retreat" on 15th, 16th, 17th November and leave feeling totally uplifted and fabulous! Please call the Meadowlands on 066 7180444 to book.

MILLTOWN | CASTLEMAINE NEWS

Written by: Deirdre O'Sullivan

SYMPATHY: Sincere sympathy to our assistant PRO –Danny McClure on the death of his aunt, Lorraine Kickham in London recently. Ar dheis Dé go raibh a hanam dílis.

O' SULLIVAN CUP: Congratulations to our senior panel on winning the O' Sullivan Cup Final on Monday last –with a victory over Glenbeigh Glencar. Despite trailing by 8 points at the interval, Milltown Castlemaine came back to win comfortably on a score line of Milltown Castlemaine: 2/10; Glenbeigh Glencar: 0/09

Captain Donal Dennehy received the winning trophy from Tim Coffey while 'The Man of The Match Award' (sponsored by Peter O' Sullivan of Ashes Bar, Glenbeigh) was presented to Cathal Moriarty. Well done to Paul Fitzmaurice, his management team and the entire panel.

Mile buíochas to our own senior board sponsors Kelly's Londis-Topshop and Larkin's Bar, Restaurant and B&B. Sincere thanks to Cromane GAA for hosting the final.

Mid Kerry Minor Championship (Derry O' Sullivan Memorial Shield).-Preliminary Round: 'O'Neill Goal Deep Into Injury Time Seals An Inspiring Comeback Win'. Report by Dara O' Connor.

Late late drama in the Paddy Burke Memorial Park in Milltown on Saturday afternoon last as a last gasp Dylan O'Neil goal in the last kick of the game deep into injury time following good build-up play from John Dennehy gave Milltown/Castlemaine the victory over their near neighbours and with it they advance to the Mid Kerry Championship Semi-Final.

A fantastic win characterised by a never say die attitude as Keel/Listry led comfortably by seven points at the half time interval at 0-9 to 0-2 and the result at that time only looked like heading one way but a second half fightback from the hosts where they outscored the visitors 2-5

to 0-3 brought scenes of joy for both players, supporters & mentors after the final whistle was blown by Padraig O'Sullivan of Furies.

Shane O'Connor all the way from corner back netted a pivotal goal entering the final third of the game into Gearoid Ladden's bottom corner, to make it a one score game approaching injury time. Conor Spillane, Martin Foley, Anthony Kelliher & Cillian Burke leading by example during the comeback win but really it was a great team performance where everyone played their part particularly when in the face of adversity at half time which shows the character in this group. Keith Evans standing out all through for Keel/Listry with some great work for his side Well done to the squad & management on a brilliant victory. We wish them the best of luck in the Semi-Final in the weeks to come.

Final score: 2/07 to 0/12

SUPER TOUCH: A huge congratulations to our U15 side who won the Super Touch, Division 2 Cup on October 17th last in the centre of excellence in Currans. Our U15's beat three great teams and played some fantastic football along the way. The first game in our 3 team group was against Austin Stacks. The halftime mark came with our U15s trailing 2-01 to 1-03 but the boys rallied in the second half to win by three points, the final score being Milltown/Castlemaine 2-06 v 2-03 Austin Stacks. The second game of the night was against Ballydonoghue. Again some fantastic football was on display and so our lads claimed the win: Milltown/Castlemaine 1-11 v 1-07 Ballydonoghue. This meant that our U15 side topped the group and qualified against the top team from the other group. That group consisted of Spa, Kerins O Rahillys and St Mary's. It was Mary's with two wins that qualified for the final to face down the Milltown/Castlemaine side. In a great final our U15 side came out on

top by a score of Milltown/Castlemaine 4-03 v 1-06 to claim the Division 2 county title.

Well done to all the teams that took part. Huge praise must go to in particular to Stephen Roche and Ian Twiss as well as the other mentors and the entire panel of players on a fantastic effort to win the competition. Thanks to PJ Reidy and Vince Cooper for organising the Super Touch 15's, the referees for officiating at all the games and Curran's GAA grounds for the use of their facilities.

EAST KERRY U13 LEAGUE**Glenflesk 1 – 15 Listry 3 – 9**

Glenflesk under thirteens have finished joint top of their East Kerry League after drawing with Listry Keel after a pulsating sixty minutes. This match was due to played a few weeks ago so anticipation was high to see who would come out on top in a repeat of their incredible under fourteen final from earlier in the year.

It was Listry Keel who got the quick start. They scored a goal early and added four quick points to lead by one four to two points in the early stages. Defences then took over as there was fifteen minutes without a score. Glenflesk ended the half stronger, scoring three unanswered points, with Jamie Moynihan's wonder point the highlight as his booming shot cannoned off the crossbar and between the posts. Listry Keels lead was cut to one four to five at half time.

Listry Keel got the first score of the second half before Glenflesk got back in the groove they had before half time. They were able to win frees and they were expertly converted. The sides were now level but Keel Listry counter attacked quickly and got their second goal. Glenflesk's response was immediate. Centre back Diarmuid Furlong coming forward to score a great point from a tight angle, before Jack O'Brien eluded his marker to score a brilliant goal. Listry Keel replied with a goal of their own. Glenflesk scored another point to go one up. There was to be one more opportunity. Listry converting a free with the last kick to earn a draw. Both teams now locked together on seven points at the top of the table. An exhilarating match then, brings an end to the under thirteen campaign. This is an extremely young team and they fought back well after a slow start. The defence were very strong, restricting Keel to just nine points. At midfield Oisín Lynch was up and down between the defence and attack all evening, and Callum Cronin use of the ball was outstanding. The forwards scored fifteen points, and some of the interplay was a joy to watch. Lastly, well done to the team mentors, Seamus Moynihan, Kenny Cronin and Declan Tangney, for producing a team that plays with great heart and skill, and within the spirit of the game.

SENIOR COUNTY CHAMPIONSHIP SEMI FINAL

East Kerry are back in the County Final after holding off a late St Brendans comeback to win the Semi Final by four points on Sunday. Glenflesk's contingent continued their great performances in this years championship. Chris O'Donoghue has made the number two jersey his own this year and was part of an East Kerry defence that held the St Brendan's dangerous attack quiet. Brian O'Donoghue was picked at wing forward and was highly involved with his ravenous work rate apparent throughout. He

also supplied the ball in that led to East Kerry's only goal. Darragh Roche was again pinpoint with his free taking and scored the only goal of the game midway through the first half as he buried the ball to the net when given an inch of space to work in. Shane Courtney Mark Kelliher Ian Roche and the returning Daniel O'Brien were also part of the panel.

Well done to East Kerry then, on reaching another County Final. They now await the winners of the replay between Dr Crokes and South Kerry to see who they will meet in the final, as they try and emulate the legendary teams of the late sixties and late nineties..

RAHEEN N.S. Congratulations to Mags Reen who had the winning lotto no 29 on Saturday the 26th of October.

RATHMORE BLOOD DONOR CLINIC 107 Donors attended our Blood Donor Clinic in St. Joseph's Day Care Centre. This generosity and commitment to helping others is very much appreciated. The precious gift of Blood brings life and hope to our hospital patients and their communities.

Autopoint Motor Group wins Carzone sponsorship for Killarney Youth Cycling Academy

Killarney Youth Cycling Academy are set to benefit from Autopoint Motor Group, a local dealership in Tralee, who have won a Carzone sponsorship for their chosen local sports team.

Youth Cycling Academy is an integral part of the community in Killarney. Seven years ago, the club embarked on a youth development programme within Killarney Cycling Club for young people between the ages of 10 to 16 years of age. Since then, the Academy has grown substantially and now has a membership of 38. These youths are trained by local volunteers who are Cycling Ireland level 1 coaches within Killarney Cycling Club. The youths compete at county, provincial, national and international level.

This year Killarney Youth Cycling Academy U16s swept the board at the National Road Racing Championships in Mullingar, taking the team prize in all three events which included Time Trial, Criterium and Road Race. This was the third year in a row that Killarney Youth cyclists Patrick Galvin, Lorcan Daly and Stefan Caulfield Dreier succeeded in winning all three events.

The club has also added a new programme to the Youth Academy this season with the introduction of Cycling Ireland's Sprocket Rocket course for youths aged between 9 – 13. The aim of the programme is to teach and improve bike handling skills, the four fundamentals of cycling and a skill for life with better road awareness. Autopoint Motor Group, Tralee is well established in the local area with

some employees associated with Killarney Youth Cycling Academy. The long-standing relationship was the basis for the dealership choosing the cycling club for the Carzone competition.

Mike Kissane from Killarney Youth Cycling Academy commented, "Killarney Youth Cycling Academy would like to thank Carzone and Autopoint Motor Group for providing this valuable sponsorship. As our club grows, schemes like this are a huge help to us and we look forward to wearing the new kit with pride and continue to do Autopoint Motor Group and Carzone proud".

Brian Hanafin from Autopoint Motor Group said, "We at Autopoint Motor Group were honoured to be selected as the sponsors of Killarney Youth Cycling Academy and we wish them every success in the future".

The competition is being run by Carzone, who have been calling on car dealers nationwide to nominate their local sports team of choice. This sponsorship initiative will see several sports clubs receive their very own branded kit courtesy of their local car dealership over the next few months, giving car dealerships the opportunity to support their local community.

KERRY GAA SCENE

REPORT BY LEONA TWISS, PRO

Garveys' Senior Football Championship

I would imagine that the majority of people in Fitzgerald Stadium last Sunday would agree that they got excellent entertainment value for the entry fee! East Kerry have secured their place in the Garvey's SFC County Final after a win over St Brendans but it was far from a case of East Kerry having it all their own way! Towards the end of the second half, only 1 point separated the sides as East Kerry led 1-15 to 1-14. But three points in a row from David Clifford, Darragh Roche and Paudie Clifford saw East Kerry leave as winners on a scoreline of 1-18 to 1-14. The second game of the double header was incredibly tense and even after extra time, the teams could not be separated. Dr Crokes and South Kerry will do it all over again next Sunday. The replay is fixed for next Sunday at 2.30pm in Fitzgerald Stadium. Extra time and 'result on the day' procedures will apply if necessary. The winners will meet East Kerry in the Garvey's Senior Football final the following Sunday in Tralee.

Remember to call into one of the Garveys Supermarkets and pick a winner and you could win your club a set of jerseys sponsored by Garveys! Ben Martin won the most recent set and Lispolie was his chosen club. Congratulations to Ben and Lispolie!

A huge Thank You to all that supported our Club 600 draw and continue to do so.

EAST KERRY DR. O'DONOGHUE CUP RD 1:

The Firies senior team played their first competitive game since the 28th of July on Sunday in Round 1 of the Dr O'Donoghue Cup. Missing some players who were toggling out with East Kerry the following day, they took on Currow in Farranfore.

Currow got off to the netter start and lead by p3 pts to 1 after 15 minutes of play. The currow points coming from Mike McCarthy (2) and Pa Mc Carthy and Ed Kerrisk scored for Firies.

Currow had the upper hand at midfield in the first half resulting in good ball being delivered to their very efficient full forward line. Firies kicked a number of bad wides in the first half, resulting in Currow lead 1-10 to 0-06 at half time. The Currow goal coming from Seamus Brosnan, just before half time. Firies played a better brand of football in the second half, with a move of John O'Rourke onto the experienced Seamus Scanlon at Midfield, paying dividends. But Currow got the vital score of the second half on 44 minutes, a penalty for the impressive Mike Mc Carthy, who scored a total of 1-08. Currow ran out winners in the end on a score line of 2-14 to 0-13. Next up for Firies will be away to St Pats in Rd 11 of the County League on the weekend of 16/17 November. Scorers Currow M McCarthy(1-08) S Brosnan (1-02) S Scanlon, P McCarthy(0-02 each). Dr O'Donoghue Cup Round 1 Currow 2-14 Firies 0-13

Currow came to Farranfore on Saturday last for this first round East Kerry Championship game against Firies and had no great difficulty in disposing of the challenge of an under strength home side. The talking point of the game was the accuracy of Currow corner forward Mike

McCarthy whose left boot was unerring from all angles and positions. McCarthy registered 1-8 of which 0-5 were from play. By the end of the first quarter McCarthy had 5 points on the board as Currow led 0-7 to 0-3. One of those Furies points from John O'Rourke was a spurned goal chance. Indeed the final result would have been much closer had Furies taken advantage of a number of goal and point chances during the game. In the 2nd quarter, Furies only managed another point from an Aaron Flynn free while Currow added 1-3, the goal being a well worked score as Kevin Daly and John Buckley weaved through the Furies defence to set up Seamus Brosnan for a delicate side foot shot to the net. A major factor in the scarcity of scores from Furies was the tenacious defence from Currows full back line of Niall Brosnan, Timmy O'Leary and in particular Garreth O'Connor.

Half time Currow 1-10 Furies 0-6

Four early second half points from Furies hard working Darragh Donohoe along with Mike Daly and Liam Brosnan took Furies to within 4 points of Currow – 1-11 to 0-10 after 10 minutes – one of those points being another goal chance for Furies. When Dan O'Shea was fouled in the Furies square, Mike McCarthy scored the penalty to bring Currows lead back up to 8 points – 2-12 to 0-10. In the final quarter, Furies added 3 points from Padraig de Brún, Liam Brosnan and Mike Daly while the ageless Seamus Scanlon replied with 2 of the best. In a final drive at the Currow goal, Padraig de Brún's shot was well saved by keeper Shane O'Leary.

Glenflesk 1 – 13 Kilcummin 2 - 12

Glenflesk's minors were just edged out by Kilcummin in the long awaited replay of the East Kerry Minor League on Monday afternoon. After the drama of the first game another belter was expected. This did not disappoint.

After an edgy start it was Glenflesk who struck first when Dara Tangney's shot just cleared the crossbar to give them an early lead. Kilcummin then scored the next three points. Paul O'Shea getting two of them with Danny Cronin adding another. Glenflesk's response was impressive as they scored five unanswered points. Kevin and Tommy Bowler scored successive efforts before David O'Connor and Eoin Moynihan helped them to a six three lead during this period of dominance. Mark Kelliher had to make a good save soon after as he came out to smother a shot from close range. Kilcummin's goal soon arrived though, as wing back Dylan Murphy came forward to dispatch a shot to the net. A free kick from corner forward Darren Lehane on the stroke of half time gave them a one six to seven points lead at the break.

Glenflesk needed a quick start to the second half after their sluggish end to the opening period. They got it as Patrick Darcy scored a beautiful point almost directly from the restart. Kevin Bowler added another within seconds and Glenflesk then manufactured a classy goal to go ahead. The ball was worked inside to Cian Lynch who had a easy point opportunity available. He only had eyes for the netting though as he bulleted a right foot shot through the goalies

despairing dive. Mark Kelliher then scored with a forty five as Glenflesk opened a five point lead. Kilcummin had no thoughts about giving up though. They scored three quick frees as Glenflesk struggled to move the ball up the field and then went back ahead as Dean Bradley Cronin finished to the net expertly after escaping the home sides rear guard. Eoin Moynihan replied for Glenflesk before O'Shea scored another free. Tommy Bowler equalised but it was Kilcummin who got the final two scores and held out the desperate Glenflesk attacks to become champions.

Kilcummin worthy champions then. To come to another teams home for a final and prove victorious is very impressive. For Glenflesk, a disappointing end after two matches where both teams left nothing in the dressing room. The team do have another chance though as they have qualified for the East Kerry Championship final which will played in due course.

SENIOR COUNTY CHAMPIONSHIP - SEMI FINAL

Dr Crokes 1-15 South Kerry 0-18

Played in Fitzgerald Stadium on Sunday 27th of October. In a game in which both teams were evenly matched the teams must meet again as they were still inseparable on the scoreboard on a score of 0-18 to South Kerry boys and 1-15 to us. The first half was keenly contested even though we led at the end of the first quarter 0-4 to 0-2. South Kerry were far more prominent in the second quarter but we still had a lead of two points as we approached half time. South Kerry however outscored us two points to one. This

gave us a 0-7 to 0-6 lead at half time.

We had a great start to the second half sending over four points without reply in the first ten minutes to go into a five point lead. South Kerry were well on top in the next ten minutes and their five unanswered points gave them equality going into the last ten minutes. The teams exchanged points on three occasions in the remaining minutes to send the game into extra time.

Even though we had chances in the first ten minutes of extra time we failed to score while our opponents sent over three points to lead 0-3 to nil. When our opponents had a score at the start of the second half our chances of staying in the competition did not look good. Our players however showed great fighting qualities. A point in the 13th minutes by us just left the goal between us. A very good passing movement, starting in the half back line brought us right up to our opponents fourteen yards line and ended with a sublime finish for a goal from Tony Brosnan. The replay is fixed for next weekend.

St Brigid's Killarney put ISK to the Sword

St Brigid's 7-8 ISK 2-2

St Brigid's junior girls football team had a hard fought win in a wet and windy Fossa GAA grounds on Wednesday. Having won the toss and opting in favour of the wind, St.Brigid's were under the cosh in the early stages but a strong defence kept ISK from putting up anything on the score board. St. Brigid's midfield gradually got on top and the score board began reflecting this with some well taken goals and points from the St.Brigid's attack. St. Brigid's lead at half time by 5-5 to 1-2. The wind and rain calmed somewhat in the second half. Try as they might, ISK could not break down the St.Brigid's rear guard and anytime they looked like threatening, the St.Brigid's goalkeeper would come to her teammates rescue. St. Brigid's management emptied the bench and there were some fine performances by all players with representatives from the schools 2nd years, 3rd years, Transition Years and Fifth

CHAMPIONS CROKES LIFT THEMSELVES UP OFF CANVASS AFTER REAL TEST BY SOUTH KERRY

Dr. Crokes 1-15 South Kerry 0-18 (AET)

Dr. Crokes had to undergo a rest test of resilience and character last Sunday when South Kerry put them to the pin of their collar in Fitzgerald stadium in the semi final of the senior football championship.

Trailing by four points deep into the second period of extra time, it looked as if the team chasing a four in a row were going to be undone by their old foes South Kerry. However, this Dr. Crokes side have resilience in bucket loads and with a late Tony Brosnan goal, the lived to fight another day as Bryan Sheehan saw his late long distance free trail wide at the death.

In truth, this was one of the epic games on this year's championship and while many would have marvelled at the performance of a young David Clifford in the opening game, this match was about the veteran Bryan Sheehan who helped his side not alone get back into the contest but at one stage take a four-point lead.

The first half was a keenly contested affair. Dr. Crokes led 0-4 to 0-1 after 13 minutes of play as they looked to continue their normal service but South Kerry were nothing if not stubborn and remained in the contested thanks to the placed balls from Daniel Daly (2) and Bryan Sheehan (5) as Graham O'Sullivan level matters on the 30-minute marker before Dr. Crokes Keeper Shane Murphy fired over a long distance free to give Edmund O'Sullivan's charges a narrow 0-7 to 0-6 lead at the break.

As they did, in the first, half Dr. Crokes make the better start and hit four points unanswered at they did not immediately feel the effect of having lost Johnny Buckley to a dead leg late in the first half as well as David Shaw's departure early in the second half due to injury.

Two brilliant points by Micheal Burns the pick of their four as the now enjoyed a five-point lead (0-11 to 0-6).

When Daniel Daly pointed a 41st minute free for South Kerry it already looked like a consolation score but remarkably it led John Shanahan's men on a charge of five points of their own. They could even have had a goal with Conor O'Shea's 43rd minute shot rebounding off the crossbar. By the 48th minute, the contest was level at 0-11 apiece and they were level at 0-12 apiece when Kieran O'Leary and Bryan Sheehan swapped points. From there to the end of the frantic free flowing contest, it was literally score for score. Dr. Crokes would go ahead and South Kerry would find an answer. Casey to go a point up, Sheehan to level it. A Tony Burns free to give Crokes the lead once again but Niall O'Shea would nail on South Kerry's 14 point of the day and the sides would finished level.

As extra-time began, South Kerry took up from where they left off as Dromid's Graham O'Sullivan, and Niall O'Shea and a Bryan Sheehan eased South Kerry into a 0-17 to 0-14 with Dr. Crokes beginning to lose grip on their title.

Still there is a big difference between losing grip and letting go and despite South Kerry's Dillan

O'Donoghue putting four points between the sides; Crokes would have one last big counter.

When Tony Brosnan put over his fifth point of the game, it left just a goal between them.

Still there was one more dramatic twist to this epic encounter. A driving Daithi Casey run down the heart of the South Kerry defence that left space for Michael Potts to carry through who presented Tony Brosnan with one last chance and the youngster fired past Pdraig O'Sullivan. It would ensure that both sides would have to do it all over again.

CLIFFORD KEY AS EAST KERRY INTO SENIOR FOOTBALL FINAL

East Kerry 1-18 St. Brendan's 1-14

It wasn't quite exactly the case of David slaying goliath last Sunday but the East Kerry's ace once again proved vital as Jerry O'Sullivan's men reach the Senior Football Championship final for the first time in 20 years.

A perfect nine from nine for the Fossa man ensure his efforts to kept a brave St. Brendan's effort at bay in a contest in which East Kerry always enjoyed the upper hand without ever looking too comfortable.

The Tralee board side had on several occasions got within sight of the raging hot favourites but as they got within touching distance each time, East Kerry had an extra gear that they could go to. In a tense final few moments with just a point between the sides (1-15 to 1-14), it was East Kerry with three injury time points that pulled them to safety and into the Garvey's Supervalu Senior Football Final.

St. Brendan's Niall Sheehy opened the days scoring with a point that took well into the sixth minute to register as both teams found it difficult to break down the cover early on.

East Kerry did finally open their account on the 8th minute when David Clifford finally got a yard of space from Trevor Wallace and fired over from an acute angle on his left leg. It was an account that would have six points in it by the half time break as the Fossa man produced a marvellous first 30 minutes with five points from play along with a free thrown in for good measure. By games end it would have nine points in the bank. By the 17th minute East Kerry had stretched their advantage to double scores leading 0-6 to 0-3. With goal chances at a premium, the first one broke to East Kerry when Brian O'Donoghue played a high ball in over the top of the St Brendan's defence and Daragh Roche used his strength brilliantly to collect and shield off his marker as he shot to the net on the 27th minute. It gave East Kerry a four point lead as St. Brendan's had to start once again to get back into the game.

At half time it was still four points as East Kerry took a 1-9 to 0-8 lead to the dressing rooms.

Having been beaten once by Darragh Roche, Eoghan O'Brien was not letting it happen a second time so early in the second half as he pulled off a fine individual save just 2 minutes in. By the 36th minute East Kerry had stretched their lead to six as both sides made three changes.

It was advantage St Brendan's as Killian Fitzgerald with his first touch almost had a goal only for a top class save from East Kerry's James Devane. However, they would get the goal from the resultant penalty, which Niall Sheehy converted on the 37th minute.

The Tralee board side would get closer on a number of occasions throughout the second half. They were back to just within one by the

47th minute when Jack Barry fired over to leave the sides 1-13 to 1-12 but points from Kerry colleagues David Clifford and Jack Sherwood East Kerry pulled clear again by the 50th minute. The personal dual between Roche and St. Brendan's keeper Eoghan O'Brien had another chapter on the 54th minute with O'Brien forcing the Glenflesk man to punch his shot wide. St. Brendan's did counter once more with replacements Brendan Poff and Thomas Kerins raising white flags but this was as close as they were getting today.

East Kerry through the Clifford brothers and Darragh Roche would register the remaining scores of the game as Jerry O'Sullivan, a year on from the disappointment of losing a semi final; saw his side close out the game.

St Brendan's Board:

Eoghan O'Brien 0-1F, Fergal Barry, Kieran O'Dwyer, Trevor Wallace, Thomas Kerins 0-1, Andrew Barry, Patrick Kearney, Jack Barry 0-2, Diarmuid O'Connor, David O'Callaghan 0-1, David Griffin 0-2, Brandon Barrett, Niall Sheehy 1-3 (1-0 Pen, 0-2F), Ivan Parker 0-2, Alan O'Donoghue 0-1

KILCUMMIN END RATHMORE'S 20 YEAR STINT AT SENIOR LEVEL

Kilcummin 1-15 Rathmore 0-12

After twenty years of playing at the top grade in the county, Rathmore will begin 2020 in the intermediate championship after Kilcummin inflicted a six point defeat on them in the Garvey's SuperValu Kerry Senior Football championship relegation play off.

It was a result unseen after 21 minutes of play as Rathmore looked the more composed side and led 0-8 to 0-4 but Kilcummin who were playing in their 5th relegation play off in ten years hit top form and reeled off four points unanswered to ensured parity at the break.

Rathmore opened brightly and helped with points from Chrissie Spiers and Mark Reen (two apiece) led by 0-4 to 0-1 after seven minutes. Noel Duggan had opened the scoring for Kilcummin.

Referee Seamus Mulvihill was quick to lay down the law and had a player from either side dismissed with a black card by the 7th minute. It was Duggan again on the 14th minute from a placed ball and the first of the day for Paul O'Shea who reduced the deficit to the bare minimum.

The impressive O'Shea would end the day with three points from play.

Rathmore would push out their lead once more to four points with George O'Keefe landing a brace from play as Spiers and Reen would both chip in again.

However, four points in the last six minutes by a Kilcummin side who began to assert themselves had the side's level at the break.

Having headed to the dressing room in their last game against St. Kieran's also 0-8 apiece, Kilcummin were hell bent on not letting their opponents on this occasion get the better start upon resumption and they took complete control on the contest.

A driving Sean O'Leary run ensured a point from Noel Duggan as Mark Reen countered with a fine score of his own as both sides raised

Match referee Seamus Mulvihill with Rathmore team captain Brendan O'Keefe and Kilcummin captain Brendan Kealy ahead of the Kerry Senior County Championship relegation playoff

white flags within a minute.

Another Kilcummin attack yielded a Brendan Kealy long distance free with Gary O'Leary also finding the target for the current All Ireland Intermediate champions.

Another surging run from Sean O'Leary led to the game's only goal on the 37th minute.

The Kerry under 20 captain evaded the tackles and hit his shot high into the top corner to give Kilcummin a 1-11 to 0-9 lead and by the time Rathmore would find another score, Kevin McCarthy added a brace from play to keep them in the driving seat at 1-13 to 0-10

Rathmore launched a few desperate late attacks but they were repelled by the brilliant Kevin McSweeney who fielded some majestic balls under pressure in defence as Kilcummin flooded back in numbers to defend their lead and ensured that the disappointment of the 2017 relegation play off would not be felt by them on this occasion.

For Rathmore it brought an end to a 20 years stint at senior level. They had to do without the services of Kerry senior player Paul Murphy due

to injury and sprung Mark Ryan (returning from injury) from the bench late on.

Kilcummin: Brendan Kealy 0-1F, Sean O'Leary 1-0, Donal Maher, Philip Casey, James Nagle, Kevin McSweeney, Dan Moynihan, Kevin O'Gorman, Kieran Murphy 0-2, Kevin McCarthy 0-2, Gary O'Leary 0-1, Shane McSweeney 0-1, Enda O'Sullivan, Noel Duggan 0-5 (0-3F), Paul O'Shea 0-3

Non league action for Killarney Cyclists

On Sunday the Killarney cyclists travelled to Limerick racecourse to compete in a 'non league' cyclocross race also known as 'CX'. The numbers were high, with many people traveling from Leinster to compete. The course was the first this year to have a deep sand section of about 300m.

Sand is very difficult to ride if you don't know what you're doing, fortunately Killarney riders have been able to practice in the local sand areas, giving them an advantage. There was lots of mud, grass, tarmac, and loose gravel also on the 2.5km course, it made for very technical conditions in some areas. Killarney riders once again rose to the top and were represented in each category. Donagh O'Connor put in a fantastic effort and got 3rd under 14 in a very strong field. The under 16's saw Eoghan Crowley (Killarney CC) come away with a well deserved 3rd place, doing one better than the previous week. Luke Murphy (Killarney CC) once again was in a league of his own, leading the race from start to finish and winning by a good 2 minutes. In the B race, 70 lined out, with Michael Coghlan (Killarney CC) taking a great 8th place. Eoghan Barry also raced and did well.

Next up saw the juniors and the main event of the day, the elite race. With 40 riders at the start line. Ruairi Coghlan, is now racing on the Scott

Killarney cyclists pictured at the weekend.

euro cycles team, a development team that will help him improve his racing and gain valuable experience in races over in the U.K. and across Europe. Ruairi took a strong 2nd place. In the elites, John Crowley (Killarney CC) is maintaining his form and got 12th overall to be 2nd m50. The big surprise of the day was Patrick Clifford (Strata3/Velorevolution) taking 3rd in a sprint at the line. 20 seconds behind 2nd place, Leaving a few big scalps behind him. Once

again, Richard Maes showed his strength, he came home 2 minutes ahead of the next rider, Páidí O'Brien, and Richard rode half a lap on a puncture. John Brosnan also raced, but was unlucky to have a mechanical early in the race. Under the mixed technical conditions, all riders on the day have been out training together and practicing skills, helping each other improve, which bodes well for the future of CX racing in Killarney.

REPORTS Kerry in Clare for Subway 15's Round 2: Kerry followed up their opening round win

over Limerick District with an away trip to Tulla to take on Clare. And it was the home side that took the lead following a penalty that was saved by Richie Healy but the Clare attacker followed up. Kerry chased the game with Odhran Ferris and Venis Jahiri going closest but they were caught on the break and then Clare wrapped up the win late on.

Three sides one round away from the Last 32: The Skechers SFAI 13's National Cup continued this weekend and three Kerry sides are in Round 4 and one win away from the Last 32. Camp Juniors became the first side to progress as they won the all Kerry mid-week clash defeating Tralee Dynamos B 1-0. Darragh Murphy got the all- important goal.

There was better news for the Dynamos A side as they are through thanks to a win over Inter Kenmare. The Dynamos goals came from Adam Evans 2, Rory O'Halloran, Pierce Lowth and Cody O'Sullivan. Killarney Athletic are also looking forward to Round 4 as they had an impressive away win at BT Harps. Luke Doolan was on fire hitting 5 goals with 2 from Fionn Daly and one each from Szymon Jazinski and Mark O'Connell. These are the only remaining sides in the 13's section. Mastergeeha went out 2-1 away to AK United with Evan O'Sullivan getting the Kilbrean sides goal. Darragh Lynch scored twice for Killorglin but it wasn't enough to put them through as they lost out by a single goal at home to Caherdavin. Fenit and Holy Cross were level 0-0 at the break but two early goals for the Tipperary side and one late on sees them through while Killarney Celtic lost out 2-1 away to Newcastelwest Town.

NO JOY IN 15'S NATIONAL CUP:
 There was no joy for the four Kerry sides in the 15's National Cup with the winners going into the Last 32. Venis Jahiri scored for the Park but they went out 2-1 away to Kildimo whose winner came from the penalty spot.

Alex Hennigan put Killarney Athletic 1-0 up at home to Cullen/Lattin but they levelled and then got the winner with the last kick of the game to knock the Woodlawn side out. Killarney Celtic also made their exit losing 2-1 at home to Shelbourne. Mastergeeha had goals from Hugh Lenihan and Jack Fogarty and also had a goal disallowed in their very tight 3-2 loss at home to Fairview Rangers.

Next week nine Kerry sides are in Even Age National Cup action with the winners of the 14's and 16's games going into the Last 32.

Cian Hynes and Dylan Counihan both scored twice for Killorglin who also had goals from Darren O'Sullivan, Noel Hannon and Dylan Flynn. Keeper Corey Campion also saved an Inter penalty.

CRACKER IN DINGLE IN 15 DIVISION 1

TRADEHOUSE TOO STRONG FOR LAKERS

By: Eamonn Keogh

Scotts Lakers Killarney 68

Tradehouse Central Ballincollig 81

REIGNING cup champions Tradehouse Central Ballincollig proved too strong for Scotts Lakers in an exciting first round clash before a capacity crowd in Killarney Sports Centre last Saturday night. It was a match that the home side had the potential and opportunities to win but a dismal scoring return of ten points in the second quarter and 12 in the third quarter proved costly. Credit must go to Ballincollig for limiting Lakers to this poor return and inspired by their foreign duo of Andre Nation and Inigo Zabala the visitors took control of the game.

Scotts Lakers started in convincing fashion with Mick McGinn nailing a big three-pointer straight from the tip-off. Lakers opening eight points all came from the impressive McGinn and the home side led 8-5 after three minutes. Carlton Cuff was matching up well with Ballincollig danger man Andre Nation and Lakers seemed well in contention. It was 9-9 midway through the first quarter but Inigo Zabola led s strong challenge from the visitors. A late three-pointer from Brian O'Neill helped Scotts Lakers to a 24-21 lead at the end of the first quarter.

The Lakers opened up a 26-21 advantage early in the second quarter but Ballincollig stepped up with Andre Nation making a big impact. Despite entering this match with an ankle injury, Nation showed his true ability hitting nine points without reply to give the visitors a 30-26 lead with 6.30 remaining in the half. Ballincollig pulled away again through Nation and Zabola to lead 44-34 at half-time. The visitors continued to dominate and opened up a 53-38 advantage midway through third quarter. They increased this to 60-40 and were 65-46 in front entering the final quarter.

The gap was 21 points, 71-50, with eight minutes remaining and it looked all over for Scotts Lakers. However the home side hit a purple patch and went on an amazing 15 point unanswered run to narrow the gap to 71-65 with just 2:40 remaining. Aaron Jackson finally had began to play to potential showing flashes of brilliance with 15 points of his own in the final period. Carlton Cuff and Toby Christensen also added baskets that helped the Lakers make it a six point game and bring the enthusiastic home following to their feet.

However it was the closest they came to reducing the deficit and Ballincollig held on

with Inigo Zabola, Andre Nation and Ciaran O'Sullivan adding insurance baskets to secure a 13 point win for the visitors.

Scotts Lakers: Aaron Jackson 30, Mick McGinn 13, Carlton Cuff 12, Toby Christensen 6, Brian O'Neill 4, Victor Martinez 3, Mark Greene, Seamus Brosnan.

Ballincollig: Andre Nation 31, Inigo Zabola 19, Ronan O'Sullivan 8, Ciaran O'Sullivan 7, Dylan Corkery 7.

HOME GAME It is back to league action this weekend for Scotts Lakers and they host the high flying LYIT Donegal in Killarney Sports Centre on Saturday night, November 2nd at 7.30 pm. The northerners have got off to a great start this season winning their five opening league games and are in second place on the league table behind Ballincollig with Lakers in third place. Led by American Emmanuel Payton along with German player Dominique Uhl and Spanish guard Mario Garcia, Lyit can also call on Andrew McGeever, a player with a lot of superleague experience. Following the cup exit disappointment, Scotts Lakers will be anxious to challenge for honours in the league and a win here could close the gap at the top of the table.

Success for Killarney in the U16 league

REPORT: STEPHEN O'BRIEN

Killarney 17 - Killorglin 12

Killarney made the short trip to Killorglin for the 3rd round of the u-16 league on Saturday 26th of Oct. Following a rotten run of injuries away to Castleisland derailing a very promising first half on the opening day, & where almost nothing broke Killarney's way at home to Dingle in the previous rounds, the black and red army arrived at Ballymalis intent on playing the rugby they knew they were capable of and it didn't take long for them to show it.

Killorglin attacked with tight carries and hard running from the kick-off but patient and composed defence awaited them in the Killarney ranks with no man shirking responsibility for his tackle and having seized possession by winning the first scrum of the day against the head, set the tone & attacked without mercy from their own half. A slick lineout & strong rolling maul provided attacking momentum & had Killarney pouring forward in waves to support ball carriers all the way to the Killorglin '22 where the backs cut loose and Cormac Rowe finished a beautiful score in the corner to take an early 5-0 lead.

Killarney didn't rest there and they soon doubled their lead. A statement of intent was made as Killarney continued to hold the line in defence with tireless tackling and rucking to deny Killorglin any attacking momentum.

Killarney again pierced the defence with some excellent play & found themselves within reach of the Killorglin line and some neat support from the pack had Mikey Moriarty crossing to make the score a deserved 10-0.

The first half without doubt belonged to Killarney though a try for Killorglin against the run of play on the stroke of half time took the shine off the half time score at 10-5 to Killarney. The second half had Killorglin throwing everything at Killarney on their home patch but Killarney soaked up the attack with some brilliant defence and commitment at the breakdown. Tenacious attacking in the Killorglin half drew a penalty that Killarney kicked to the corner and having taken advantage of the field position to unleash a fast and skilful backline, Cormac Rowe crossed the line a second time to score with the conversion added by Dara Looney to make the score 17-5.

Killorglin refused to quit though and added a 7 pointer themselves after pressure inside the Killarney '22 forced a turnover that they took full advantage of. Despite Killarney's physical exertion starting to take its toll in the late minutes they remained composed as Killorglin had their last throw of the dice. Guts, desire and determination were on display as Killarney defended with a surge of defiance, forcing a turnover with a series of shuddering tackles to give them the last say and finish the game off for a first and well-deserved win.

Final Score Killarney 17, Killorglin 12

Many thanks to the travelling support and hope to see them all again and more next week for the home game against Tralee/Listowel in Aghadoe.

DEERPARK PITCH & PUTT CLUB NEWS

Deerpark brought the curtain down on the season at county level over the Bank Holiday weekend with the staging of their Scratch Cup and Open Three Ball Scramble events. A total of 81 players entered their Scratch Cups with 38 teams entering their Scramble events.

Sunday at the Scratch Cups saw two of the three events decided by count back. The Gerald Horgan Memorial senior event was won by Tralee's Jason O'Regan as he matched Pacelli Darcy from Bruff's score of 12 under par. However, a better back 18 of nine under par for O'Regan as opposed to six under for Darcy gave him the win as it was his second time winning the event. It was also Jason's second Scratch Cup win of the year after winning in Listowel back in August. Another Bruff player, James Ryan was third overall with a score of 11 under par.

In the Intermediate grade there was also a tie, but Gearóid Cronin emerged victorious for the third consecutive year in the event with a score of nine under par. Former Deerpark member Dermot Tuohy matched his 36 hole total but Gearóid's six under par score for his second 18 saw him finish first overall in the grade yet again. Robbie O'Brien Jnr from the Killarney club claimed third on countback from club-mate Adam Kelly with eight under par meanwhile.

The Seamus McLellan Memorial Junior event saw a clear winner, however. Deerpark's Erin Moloney shot five under par and was 12 shots clear of Rocklodge duo Greg Lynch in second with Greg's

Rocklodge club-mate John Fitzgerald a further shot back in third. The Ladies prizes meanwhile went to another Rocklodge player, Mary Murray, (senior) and Margaret O'Donovan of Bruff (junior).

The Open Three Ball Scramble meanwhile was won by the local Deerpark trio of Aidan O'Keeffe, John Murphy and Hugh O'Sullivan with a score of 31 Nett. The Gross prize went to another local trio in Declan Kelly, Adam Kelly and Bran Moloney on the back nine with a score of 14 under par, 40.

The Mixed prize saw a clean sweep for the club meanwhile with Ger O'Connor, Danny and Margaret B Looney winning it with a score of 32 1/3 Nett.

FOCUS ON NOVEMBER GARDENING

Now that November is here, it is a great time of the year for planting bare rooted trees, hedging, fruit bushes, roses and rootballed conifers. The bare rooted planting seasons lasts from November until March. The reason for this is that the trees and hedging are dormant at this time of the year, so you can't really do any damage when you are lifting or planting. When planting bare rooted as a general rule, plant about three plants per metre, roses can also be purchased and planted bare rooted as can fruit trees and fruit bushes.

The main thing when planting bare rooted trees and hedging is that when you purchase them and if you are not going to plant them straight away you will have to heel them into the ground; by this, I mean you will just have to dig a hole and put the plants in and cover the roots with earth to stop the roots drying out.

With hedging plants, roses and fruit bushes, they will usually come in bundles and will be tied together, so you don't have to separate them, just put the whole bundle in the ground.

A FEW IDEAS FOR REPURPOSING PLASTIC:

The primary responsibility of those wanting to make a personal difference in terms of plastic is to avoid it. There are many ways to do this: buying in bulk, using reusable items like shopping bags and

water bottles, avoiding take-out containers, and steering clear of single-serving processed foods.

* There are lots of ideas about how to repurpose plastic bottles, so we won't dwell too long on those in this article. Suffice it to say, they can be used as planters, pencil holders, piggy banks, art material, lamps, and bird feeders. A plastic bottle can be stuffed tightly with plastic bags and cut up packaging to create a building brick - these bricks would be great for putting together small garden walls or borders, or for making outdoor benches. They are useful, and it takes a long time — a lot of packaging — to accumulate enough to do a project. That means we can have a way of keeping plastic out of the landfills for years and making something of it in the end.

* Outdoor pillows work much better when they are water-resistant, which is one of plastics more redeemable qualities. Again, plastic bags and soft plastics we amass can be stored somewhere for months at a time to create enough filler for a couple of pillows to go outside. Just buy or make some cushion covers and use the plastic for stuffing.

* The best way to handle plastic containers is to simply reuse them as containers. Rather than rushing out to buy organizers and such, hold out for them to be built with future containers also visit farmers markets and see if vendors are interested in reusing them.

CHINA'S POTASH DEMAND STIRS RESISTANCE IN RURAL THAILAND:

China owes its expansion of agricultural production in part to cheap fertilizers. The country is the world's largest consumer of potash, a potassium-rich salt that boosts yields and enhances the water retention and disease resistance of crops.

Chinese farmers depend on potash imports mainly from Canada, Russia and Belarus. But as prices of the mineral remain high the country has pushed to develop new and cheaper sources and it has turned its eyes to the rich potash reserves in Thailand's north-east to region, which has long mined salt and sits on two major potash deposits, known as the Khorat Basin and the Sakon Nakhon Basin. The resource was discovered in the 1970s but left largely unexploited because of strong local opposition, environmental concerns and legal restrictions and mostly because Thailand needs the help of the Chinese to extract it.

After a military junta gained power in a coup in 2014, it announced plans to increase mineral resource extraction in Thailand to boost the economy. In 2015 Chinese state-owned company China Ming Ta gained permission to explore 19,200 hectares of land in the province of Sakon Nakhon.

Only three years after the project was approved, did the local government officially inform the residents of 82 villages that their homes were now part of a mining area.

Farming communities depend on the area's delicate ecosystem of fertile soils, rivers, lakes and wetlands to provide them with food and other resources but the impact of the huge industrial mining project is capable of damaging just about everything as Potash mining produces large amounts of salt as a by-product. In a region that already suffers from salt-affected soils, locals fear the project will turn their fields barren. If rain washes the salt into rivers, lakes and wetlands, few freshwater organisms can survive. It could harm fishing in the district's Huay Thong lake, which is also the main water source for thousands of people. Inhaling large amounts of salt dust can cause respiratory diseases and the dust from the mine may also contain harmful traces of heavy metals.

However besides the profits of the lucrative business, the Thai government hopes to reduce its own dependency on Potash imports of about 700,000 tonnes per year and believes the Thai-Chinese collaboration will benefit both parties.

A Word of Victory

Welcome back dear reader "Pray for peace in Jerusalem. May all who love this city prosper. O Jerusalem, may there be peace within your walls and prosperity.....For the sake of my family and friends, I will say, "May you have peace." For the sake of the house of the Lord our God, I will seek what is best for you, O Jerusalem." (Psalm 122:6-9 NLT). This is a mandate from God to pray for Israel and for the peace of Jerusalem. The name Jerusalem means 'City of Peace'. Why did David, inspired by the Spirit of God over three thousand years ago, call us to pray for the peace of the City of Peace? Because Israel is God's country, and it is to Jerusalem that His Son - Messiah Jesus will return to take up His reign. Most people have no idea of this and are not expecting Him (Matthew 24:30-39). God is 'no respecter of persons' and has no favourites, but the Jews are His chosen people. The Bible is full of Scriptures where God promises to love and protect Israel, and this is why there is such turmoil about that nation. The very existence of Israel is a sign to the world of God's existence, of His Power, His faithfulness, and of the eternal nature of His Word which will never fail to come to pass regardless of the enemies that try to come against Him. God promised in Genesis 12:3 that He would bless those who bless the nation He would bring forth through Abraham, Isaac and Jacob i.e. Israel, but warns that He will curse those who curse them. This is very serious friend and those who are coming against Israel in ignorance have no idea that they are invoking curse upon themselves and their children. In Isaiah chapters 31 and 32 God promises to fight for, watch over and protect Jerusalem and Israel and to have mercy upon His people who turn back to Him. He goes on to promise His provision and restoration to both Israel and those upon whom His Spirit is poured out (that is the believers in His Messiah who receive His gift of Salvation through the blood that Jesus shed for our sins). Because of Jesus' sacrifice we are accepted as joint heirs, and are spiritually joined with God's people the Jews, not replacing their place in God's heart, but grafted in to His family alongside them as brethren (Ephesians 2:13-19).
