# KILLARNEY STRIKES GOLD AT AWARDS CEREMONY

Three Killarney Hotels scooped gold awards at the prestigious Hotel and Catering Awards which was held in Dublin on Tuesday night and sponsored by Keelings.

Over 460 professionals from the hospitality industry were in attendance at the awards which took place at the Crown Plaza Northwood, Santry and were hosted by Colette Fitzpatrick.

Killeen House Hotel, Killarney which is owned and run by Geraldine and Michael Rosney was named Ireland's best Three Star Hotel while Muckross Park Hotel won gold in a new

The Europe Hotel and Resort won Ireland's Hotel Spa Experience to cap a night of success for Ireland's premier tourist destination.

Running for 27 years, the Gold Medal Awards are intensely competitive, drawing entries from hundreds of hotel, restaurant, guesthouse, club, spa and catering businesses every year. Each entrant is rigorously assessed by members of the Gold Medal Awards judging panel who travelled the length and breadth of the Ireland over the course of the summer to search for Ireland's greatest purveyors of hospitality.

# HARD WORK PAYS OFF AS KILLARNEY GAINS 4 POINTS IN TIDY TOWNS COMPETITION

The hard work of The Tidy Towns Committee, the volunteers, the town council and the people of Killarney paid off this week when the results of the 2015 Tidy Towns Competition were announced.

Killarney held on to their gold medal and increased their points by four - much to the delight of all involved.

The town finished in the top three of the large town section, while winning the population category.

The adjudicators remarks were very positive in the full report highlighting the positive attitude and attention to detail.

**SOME OF THE JUDGES COMMENTS:**

*"You have embraced all of the residents of the town in your activities and they in turn seem to have embraced all aspects of the Tidy Towns ideals. The involvement of the younger children and the youth is taken on board naturally by you as part of your philosophy: Ní neart go cur le chéile"*

*"Out on the road there are raised beds of flowers and plants that create that welcoming atmosphere. Every road junction is landscaped. Thejarveysareneatlyconfinedbyanimaginatively*

*created sleepered boundary that is full of colour. The playground at Knockreer is a wonderful amenity and in full swing"*

*"If one stands at the top of the hill off the Tralee road on the road to Aghadoe and looks down on Killarney one sees a carpet of trees as a canopy covering the town, the only sign of human occupation is the cathedral. A lovely memory as one bids farewell"*

*Residents can claim with justification that they play their part in having Killarney at its 'pristine best'. You mention your engagement with the residents' associations suggesting that trust and regard are mutual and mutually beneficial. Many estates were visited, clearly residents are meticulous in their maintenance of their shrubberies, their floral displays, their open space*

THE VOLUNTEERS BEHIND KILLARNEY'S CONTINUING SUCCESS IN THE TIDY TOWN COMPETITION. PICTURE: EAMONN KEOGH.

*in the public realm as well as keeping their private gardens beautiful and their houses fresh and attractive.*

*The adjudicator hopes that the marks awarded are a fair reward for the wonderful experience that is Killarney. Even for the hard pressed adjudicator Killarney becomes a holiday destination as one imbibes the delights that have been created for the visitor, and the adjudicator means for the visitor. For the resident this is the lovely home that the residents have created for the visitor to share in and for themselves to enjoy. Well done to everyone involved.*

## ONWARDS AND UPWARDS FOR EDELE AS SHE CELEBRATES 1ST ANNIVERSARY

EDELE DALY, PICTURED WITH HER MEMBERS AT HER STUDIO IN TOWN AND CELEBRATING HER FIRST YEAR IN BUSINESS 'FITNESS WITH EDELE'. EDELE TREATED ALL HER MEMBERS TO SOME GUILT FREE MUFFINS. PICTURE MARIE CARROLL-O'SULLIVAN 087 391 4808

It has certainly been a whirlwind year for fitness expert Edele Daly who this month is celebrating the first anniversary of the opening of her fitness studio. On Monday night last Edele treated all her clients to a mini post-workout party to mark the occasion.

"It has always been my dream to offer flexible programmes customised to the needs of her clients, and taking the big leap to open a studio in the centre of town has allowed me to achieve this", Edele told the Killarney Outlook.

The classes offered include Kickfit, Kettlebells, Tabata, Toning, Circuits, Stretch & Foam Rolling, & Pilates. Also offered one to one basis are the Cardiac Rehabilitation Gym Classes.

While the goal of many of her clients is to lose weight many others also want to improve their health by increasing fitness and mobility.

Edele works with both men and women, young and old, on a one to one basis and has many success stories where clients achieved their goals including one where a man became fit enough to dance with his wife at their daughter's wedding - and no Edele did not teach him the dancing!

"It pleases me no end when one of my one to one clients develop sufficient fitness and mobility to join the regular group classes - this is where their confidence and self esteem just soar", she said.

Edele's love of her home town means she takes every opportunity to "give back". She organised twice weekly walks and runs in tandem with

Operation Transformation as well as Saturday morning clinics at which experts gave advice on a range of health issues.

This has now grown into the Killarney Jogging Club runs which Edele and her leaders offer free of charge.

During the year Edele worked closely with the Killarney Outlook to run the highly successful 6 week pre Christmas Fitness Challenge and her continued collaboration with The Brehon Angsana Spa has offered many discounted services to her clients.

Following many enquiries about how to prevent sports injury Edele has co-opted Physio Katey Purtill on board to teach Pilates which is proving very successful with both men and women.

Heading into year two Edele has expressed her gratitude that many of her clients who have achieved their goals. She is looking forward to extending her range of services and to progressing even more of her on to one clients into regular classes.

"You are never too old or too young to be the best you can be", said Edele and this is why she remains so flexible in meeting the fitness needs of Killarney people. This flexibility has surely been a key factor in the success of Fitness by Edele.

## RELIGIOUS EDUCATION LAUNCH AT LISSIVIGEEN NS

The launch of the new Catholic Preschool and Primary Education Curriculum for Ireland and Religious Education Programme Grow in Love took place in Lissivigeen school, Killarney last week with Bishop Ray Browne, school chaplain Fr. Kieran O'Brien, representatives of the Board of Management and the Parents Association, Principal Michael Mc Auliffe, teachers, pupils, ancillary staff and Primary Diocesan Advisors all in attendance.

Pupils at the school sang and there was a prayer service focusing on the Good Shepard bible story. Bishop Ray Browne launched the Curriculum and the Education Programme Grow in Love.

This is the first time in the history of primary religious education that teachers have been offered, in the form of a Curriculum, a structured outline of religious education as an academic discipline. Prior to this teachers taught religious education from a series of Religious Education programmes, including the Children of God series and most recently

religious education. It has been devised on the basis of the partnership between home, school and parish. It is dynamic, involving a spiralling and progressive life-long movement of faith and life, insight and love.

Speaking about the launch Bishop Ray Browne told the Killarney Outlook about Religious Education in schools.

"This Autumn we have two important new publications: the Curriculum for Religious Education in Primary Schools, and the first two books of GROW IN LOVE, (the new programme from Veritas to teach that Curriculum). We gather in one school in one parish, our thoughts and prayers are with all schools in all the parishes of the diocese of Kerry.

It is a time of great challenge for us all. Handing on the faith and teaching religion is a three-way partnership between, home, parish and school. In the home and in the parish community, children first become aware of God and his

great love for us, and the beautiful world God has created", he said.

"Parents teach children their first prayers. The school provides education in the faith. Thank God for the great work of our teachers. We owe them a debt of gratitude. While at school the children's faith continues to be nourished by their families and their parish. The parish is where all worship. The parish has responsibility for the children receiving the sacraments.

Today is a day for home, parish and school to recommit to working together in partnership. God is calling all of us to dedicate ourselves to strengthening the faith in our homes and communities. It is both our privilege and our responsibility to hand on our faith to our children. May the Blessed Virgin Mary intercede for us, she who taught Jesus his first prayers", he concluded.

## HONOUR FOR BLACK VALLEY'S OLDEST RESIDENT

CHRISSIE AND JOHN CASEY PICTURED WITH SERGEANT CHRIS HOARE AT BLACK VALLEY N.S.

The Black Valley's oldest resident, Jack Casey was given the honour of receiving the tri colour on behalf of the Black Valley National School recently.

The school is one of 3,300 schools in the country to receive a copy of the national flag and the Proclamation as part of the State's programme to mark the centenary of the 1916 rising.

Mr. Casey was chosen as his family donated the lands that the school in the Black Valley is built on.

The flag was presented by Sergeant Chris Hoare who is stationed at Collins Barracks at a ceremony last week.

Mr. Casey was joined by his wife Chrissie and family along with the teacher at the school, Muraid Curran, her assistant Annie Coffey and all the pupils for this historic occasion.

## TIMMY IS ANGLER OF THE YEAR

STUNNING IMAGE OF LOUGH LEIN TAKEN AT THE WEEKEND BY PETER O'TOOLE. THE FISHING SEASON COMES TO A CLOSE ON OCTOBER 12TH.

The 2015 fishing season will shortly come to a close for another year. Thankfully it has been a safe year too for club members who have fished competitions on Lough Lein, Clonee, Currane and Caragh lakes.

The 'Angler of the Year' title race went 'right down to the wire'. The penultimate competition on Caragh Lake was won by Timmy O'Connor, which gave him a lead of eight points over Phil Horan.

The title was decided on Lough Lein last weekend. In strong easterly winds, it was a challenging day on the lake. Phil landed with five fine trout for the weigh-in, giving him a total of 26 points. This drew him level with Timmy. However the ever consistent Timmy had two trout, which earned him one point and the 'Angler of the Year' award. All of this is not to take from Jerry Buckley's fine win in the competition. Jerry landed with four trout.

One of these weighed a fine 1.1/2lbs. Phil was placed second and Francis Kiely third. Prize giving took place after dinner in the Dromhall Hotel.

### 2015 ANNUAL COMPETITION RESULTS:

#### St Patrick's Cup (Overall Winner)

Jerry Buckley

#### The McCarthy Cup (Best Team)

Terence Keane, Phil Horan, Patsy O' Flaherty, Krzysztof Sywab.

#### The O' Flaherty Cup (Best Boat)

Jerry Buckley, Anton Buczek

#### The Jack Brosnan Trophy (Heaviest Trout)

Jerry Buckley

#### The Buckley Cup (Best Angler)

Jerry Buckley

The following annual awards were also presented:

#### The Christy Tobin Cup (Angler of the Year)

Timmy O'Connor

#### The Glena Cup (Heaviest Salmon)

Dermot O' Mahony

#### The Paddy O' Sullivan Cup (Heaviest Trout)

Jerry Buckley

#### The Batty O' Brien Cup (Waterville Competition)

Patsy O' Flaherty

#### The Richard O' Farrell Cup (Caragh Competition)

Timmy O'Connor

Finally, at this time of the year, fishermen haven't many days left until the end of the season on October 12th. Tight lines and safe fishing to all until then.

## PLOUGHING CHAMPIONSHIPS A MAJOR SUCCESS

A SCENE FROM THE HIGHLY SUCCESS SOUTH KERRY PLOUGHING CHAMPIONSHIP WHICH WERE HELD ON SUNDAY LAST.

THE organisers of the South Kerry Ploughing Championships and Harvest Show, held in Killarney on Sunday, say they were "absolutely thrilled" by the bumper crowd that turned out to raise funds for two local charities.

The Kerry Mountain Rescue Team and the Kerry branch of the Irish Kidney Association will be the beneficiaries of the gala event at Fleming's Farm in Grenagh, Fossa.

A shirt-sleeved crowd made the most of the stunning September weather to make it a fun day out for all the family and the venue was busy from the time the gates first opened at 11.00am.

MEP Sean Kelly officially opened the show and hailed it as the most spectacular venue in the country for a ploughing event.

"It's a fantastic occasion and great credit is due to the Killarney Valley Classic and Vintage Association for embarking on such a huge

undertaking," he said.

There were a total of 142 trade stands on the day and all reported a brisk trade while the food zone was an absolute hive of activity all day.

The ploughing itself was a resounding success while events like the dog trials – which attracted 37 competitors – sheep shearing demonstrations, classic motor displays, silage cutting demos and a dog show were also big hits with the public.

Miss Kerry Mairead Breathnach and former Kerry Rose Mary Hickey presided at a gala fashion show and selected the best-dressed men and woman as well as the cutest bonny baby.

The star prize of the day, a luxury stay at the plush Europe and Hotel and Resort, was won by retired schoolteacher Mary Murphy who lives very close to the show venue at Fossa.

Glamorous Beaufort resident Eileen Sweeney was the winner of the Best Dresses Lady competition while the Mens title went to Dan Reilly from Rathmore and it was little Donnacha Breen who was the run away winner for the title of the Bonny Baby Contest. Event director, Tom Leslie, said the success of the show just wouldn't have been possible without the dedicated committee that spent several weeks planning all aspects of the day.

"They were just fantastic and I thank them all for the huge effort they put in," he said.

SHEEP SHEARING AT THE PLOUGHING ON SUNDAY.

Mr Leslie also thanked the volunteers who ensured everything ran like clockwork. They included members of the Kerry Mountain Rescue Team and the Kerry branch of the Irish Kidney Association, Down Syndrome Ireland, the Killarney and District Motor Club, Fossa Rowing Club and Killarney Chamber of Tourism and Commerce.

## ALL YOUR NEEDS CATERED FOR AT KILLARNEY FLOORING AND TILE CENTRE

Killarney Flooring & Tile Centre is run by husband and wife team Pat & Noreen Brosnan. Pat has been selling tiles and flooring in Kerry since 1988 and that time he has gathered a vast amount of knowledge, both in the technical and design procedure, of these products. "I am fortunate that I have the skill, honed over many years, of picturing an empty room and visualising a particular product in this setting, whether it is a main floor, living room, bathroom suite or a combination of all and relate it to our customers as to the best way to combine them. We keep working on the layout until the customer is satisfied that this is what they want," Pat told Outlook Magazines.

Killarney Flooring & Tile Centre sources their tiles from one of the largest tile manufacturer's in Europe, Grespania. This allows them to pick from an extensive range of tiles and buy them at very competitive prices. Their laminate and engineered flooring is sourced from the largest wholesalers both in Ireland and the UK. They recently started selling ware as they found a lot of the bathroom products for sale in Kerry were very mundane. "We specifically decided to display something different from the norm

that oozes style and quality" says Noreen.

This year Killarney Flooring & Tile Centre started back into the commercial supply and fit of products. Pat says "We were very fortunate and honoured to get some prestigious contracts. Two of these were the HSE Autistic unit in Wexford where we supplied and fitted over 1000 meters of vinyl flooring and tiles. Also we carried out the supply & fit to the refurbished science labs in the Killarney Community College using specialised anti-slip porcelain floor tiles."

They also carry out site visits, whether it is a new home or a re-modelling job, where all the measurements will be taken and advice given on the best products to use and where. So if you want something different, at affordable prices, that ooze style and quality, why not call to Killarney Floor & Tile Centre which is located one mile outside Killarney on the main Tralee road. You can also contact Pat or Noreen at **064 6635344**. You'll be pleasantly surprised by their vast range of products, their helpful attitude and of course their affordable prices. ## HOW OFTEN SHOULD I REVIEW MY PENSION AND WHY SHOULD I REVIEW MY PENSION?

There are many very important reasons to review your pension, including: Performance of your pension and what funds you are invested in. This is **VERY IMPORTANT**, if your pension is invested in high risk funds your total pension fund could substantially reduce over a short period of time and if you are coming close to retirement this could result in you having a much less pension when you retire. Is your pension on target to reach the income you want on retirement? This should be checked on regular occasions, if your pension is not on target changes can be made to help put your pension back on track again.

What pension provider is your pension with and how much do they charge you? Charges are very important because you need to make sure that your pension charges are competitive. Pension providers offer much more choices to clients now than before and the choices can be easier to understand if explained to you in plain simple English and by not using jargon. An independent financial advisor should help you understand your pension and your pension options better.

For the above reasons I recommend at least an annual review of every pension with an independent financial advisor.

To make an appointment in relation to the above or for any queries you can contact **Dermot Cronin** at **064 66 22775**.

## KILLARNEY RALLY ACES TO COMPETE IN WORLD RALLY CHAMPIONSHIP IN WALES

Fermanagh's Jon Armstrong with Killarney co-driver Noel O'Sullivan made it three wins from three starts on Saturday's Bushwacker Rally in Co Tyrone – but it wasn't enough to deny Rob Duggan from being crowned the Carryduff Forklift Road To Wales Champion. Aghadoe's Rob Duggan and his loyal co-driver Ger Conway from Faha, clinched the overall prize of an all-expenses paid drive on November's Wales Rally GB in a Citroën DS3 R3 prepared by David Greer Motorsport. Pre-Bushwacker, Armstrong/ O'Sullivan knew that to stand any chance of winning the competition they had to make sure of victory on the loose surface meeting. In stark contrast, Duggan had to finish second to his arch rival – and that was exactly how it played out on the six stage Omagh Motor Club meeting.

The action got underway with Armstrong setting the fastest time on the opening test, five seconds ahead of the chasing Duggan. Next up was Omagh's Alan Smyth – the third driver who could also walk away with the prize drive. However, he too needed to win.

Peugeot 208 driver Armstrong maintained his charge on special stage two before the cars arrived at first service in Omagh, his advantage over Duggan mushrooming to 13 seconds, with Smyth a further two seconds in arrears. Following a quick spanner check of the cars and change of tyres, crews returned to the stages where it was 'as you were' for Armstrong who remained at the head of the field. Behind him, Smyth leapfrogged Duggan to claim second place, with some fearing the latter had hit trouble. But as Duggan emerged from the 6.57-mile Lough Bradan test the young Killarney man explained all: "We weren't pushing too hard – we were just trying to keep our noses clean in there."

BUSHWACKER CHAMPIONS ROB DUGGAN AND GER CONWAY.

Armstrong tightened the screw further, managing to put even more daylight between himself and Duggan. Meanwhile, Duggan drove with pace, precision and composure to tactically reclaim second place and with the finish line in sight the 22-year-old Killarney man realised that he was on course to get his hands on one of the biggest – and most lucrative – prizes on offer this season in British and Irish motorsport. Upon reaching the finish, Duggan was overjoyed; "It's an absolute honour to win the title and the prize that comes with it is amazing, so many people have helped make this happen. This was the first running of this championship and it's been a great success, it was so competitive and a great showcase for younger drivers. Wales Rally GB will be a fantastic experience for myself and Ger." "The fact the championship came down to the final round shows just how close the

competition has been across the seven rounds." Paying tribute to Armstrong, Duggan added: "Unfortunately it didn't quite go Jon & Noel's way today but they have a great partnership and a very bright future ahead – that I'm sure." As the Northern Ireland Championship competition has reached its successful conclusion the focus now switches to November's Wales Rally GB – the closing round of the World Rally Championship. Duggan can now look forward to sharing the world stage with some of the sport's biggest names and best drivers, Ger and Rob will battle it out for supremacy over nineteen high-speed gravel stages through the forests of Wales, two of which will be run in complete darkness. Wales Rally GB takes place from the 12th to the 15th of November. Best of Luck and well done to Rob, Ger and Noel.

iNua Partnership hosted a gala dinner for Ireland Park Foundation at the Muckross Park Hotel last week.

The charitable non-profit organisation was set up to commemorate and celebrate the story of the Irish in Canada. As a specialist investment company with deep ties to Canada, iNua Partnership is the Foundation's first corporate partner in Ireland. The Dinner's objective was to raise awareness of the extraordinary work of

the Toronto-based charity, as well as assist the Foundation's important fundraising efforts in Ireland. Gráinne Seoige was the event's Master of Ceremonies and was attended by Minister for Agriculture, Food, the Marine & Defence Mr. Simon Coveney TD

The partnership was officially announced by his Excellency Kevin Michael Vickers, the Ambassador of Canada to Ireland, at his residence in Dublin on April 2015. The

Ambassador attended the Dinner as special guest and was joined by over 200 guests from the spheres of business, the arts and politics at the Muckross Park Hotel, a luxury 5 star hotel in the heart of Killarney National Park bought at the beginning of 2015 by iNua's investment vehicle, iNua Hospitality. The event celebrated social, cultural and economic interests and generate much-needed funds for Ireland Park Foundation.

## JOHN WICKHAM - A KEEN SPA, KERRY AND WEXFORD SUPPORTER

Last Friday morning brought the sad news of the passing of one of Spa and Kerry's most charismatic sporting personalities namely John Wickham Ballaugh Killarney.

A native of Enniscorthy Co Wexford who on his arrival in Killarney almost half a century ago fully immersed himself in the many activities of the local Spa GAA club and also became a huge supporter of Kerry football and hurling and was a regular figure at the many games in which club and county were involved.

Despite such involvement he never lost contact with his native Wexford and travelled regularly to attend games in which that county was involved whether it be Croke Park or elsewhere and often times regaled an attentive audience on the exploits of such luminaries of the game as the Rackard brothers, Nick O'Donnell, Paudge Kehoe, Artie Foley, Tim Flood and many others and took much enjoyment in Wexford's

last triumph under the captaincy of Martin Storey. His brother Paddy Wickham occupied the chairmanship of the Wexford County Board for some years. John's last visit to Croke Park was in August this year for the Kerry v Kildare Quarter final in the company of his good friend Tommy Randles Kilgarvan. As well as football and hurling his other great passion was card playing and he travelled widely to engage in the game of 31 and made huge contribution to the promotion of the annual Spa 31 Championship Of Kerry.

The sporting involvement has been carried on by many of his family both with the local Spa GAA club and Spa/ Muckross Community Games club and both Peter and Shane played in all grades for the GAA club while Peter a former Kerry minor player was also a skilled oarsman with the local Flesk Valley Rowing Club. His wife Maria was also a keen oarswoman as a member

of winning St. Finan's crews at the local Regatta

As a gesture of their appreciation of his contribution Spa club members and former players formed a Guard Of Honour at his removal on Saturday evening and funeral to Aghadoe on Sunday. May He Rest In Peace. Sympathy is Extended to his wife Maria and extended family members in Killarney and Enniscorthy.

## FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

ONE QUESTION I AM ASKED A LOT LATELY IS "Should I be doing more Cardio or Strength Training to lose weight?"

SO TO CLEAR UP A LOT OF PEOPLES CONFUSION AND MISCONCEPTIONS HERE IS A FANTASTIC ANSWER I FOUND PUBLISHED IN THE WOMEN'S HEALTH JOURNAL:

It depends what you mean by "lose weight." If you are in an epic battle with your scale, cardio is the way to go. If you want to look steamy under those winter clothes, though, it's time to cozy up to strength training.

Minute per minute, cardio indisputably burns more calories than strength training, which could explain why compared to strength trainers, aerobic exercisers lose more weight in less time.

Still, cardio doesn't do much for your muscles. Why? Strength training is the number-one way to build more muscle. And for every three pounds of muscle you gain, you can expect to burn an extra 120 calories a day without moving a single one of those muscles.

That doesn't mean that you should retire your cardio training, though—especially if you're a stress eater. Cardio is one of the best ways to slash stress, which is a waistline-wrecker all by itself. The best solution? A fitness plan that includes both cardio and strength training. So check out your local classes and I'm sure there are programs that combine both. Check out my timetable for a range of classes combining cardio and strength in one. [www.fitnesswithedele.com](http://www.fitnesswithedele.com)

## OUTLOOK FASHION TIP:

### COLOURFUL UMBRELLAS:

We love to whine about the rain, but if you have a stylin' umbrella, poor weather won't seem that bad at all! Plus, the brighter and bolder the umbrella, the better chance for compliments, right?

## DIET TIP

Choose snacks that are packaged in individual portions to stop you from overeating.

## Beauty Tip

### Turn on your radiance....

No need to wash your face and start a new makeup job from scratch. Instead, pat a light face moisturizer over your day makeup "It'll instantly give you a fresh, dewy look." Then go ahead and do your touching up.

**A MESSAGE FROM BRENDAN GRIFFIN TD**

**FUNDING FOR N22 CORK KERRY ROAD SECURED**

I'm absolutely delighted that the N22 Kerry/Cork Ballyvourney to Macroom bypass is on the new Government Capital Plan. As it is a near shovel ready project, I will now be turning my focus on getting a start date ASAP following tender and contract work. This project will be one of the most important socio-economic developments for Kerry in many years. Financial provision has also been made in the plan for the Adare by-pass subject to planning and the Dingle Relief Road.

"I am not being flippant when I say every time I see Deputy Brendan Griffin or Deputy Michael Creed I think of the Ballyvourney to Macroom project. Both Deputies are constantly raising the project with me."

## ALL ABOARD FOR THE REBEL SOUTH TOUR

Cork and Kerry's rebel past will form the base of a new historical tour taking place this October.

The three-day Rebel South Tour will focus on the iconic sites of revolution during the War of Independence and Civil War in both Cork and Kerry. The tour will be based at The Brehon in Killarney but will feature daily excursions to areas of massive historical significance including Cork City, Beal na Bláth and Ballyseedy. Evening lectures and discussions will take place in the hotel.

The tour is led by historians Tommy Martin and Dr. William Sheehan. Tommy Martin is a graduate of University College Cork, with a Masters Degree in Local History and is also the author of *The Kingdom in the Empire – a portrait of Kerry during World War One*. Dr. William Sheehan is a Fellow of the Royal Historical Society and the Higher Education Academy and is the author of numerous historical books including *British Voices from the Irish War of Independence* and *A Hard Local War: The British Army and the Guerrilla War in Cork, 1919-1921*.

The first historical tour of its kind and the first in a series to be presented by The Gleneagle Group, The Rebel South Tour will provide a unique opportunity to explore and learn

about Cork and Kerry's involvement in both The War of Independence and The Civil War. From strategic ambushes to deadly reprisals, from the weapons used to the evolving tactics employed by all sides, this tour offers an interactive insight into a period in Irish history which still resonates today.

The Rebel South Tour commences at The Brehon, Killarney on Tuesday, October 6. Tickets costs €55 per person per day and include the guided tour, bus transfers to the various sites, dinner at The Brehon and an evening lecture. Special accommodation rates are also available at both The Brehon and Gleneagle hotels.

## IRISH FLAG PRESENTED TO FAHA NS

Pupils and staff at Faha NS were delighted to receive the national flag from members of the Irish defences on Monday September 28th. The school was presented with a copy of the proclamation, an Irish flag, including a short history of the flag and a set of flag protocols as

part of the 100 year anniversary celebrations of the 1916 rising. The children listened to the proclamation being read by Sgt. Chris Hoare and 6th class pupil Aaron O'Shea. This was followed by a questions and answers session with the two members

of the defence forces. The boys and girls then sang the national anthem. The school will host an official Flag raising ceremony on Proclamation Day which will be on 15th March 2016 to commemorate the Easter rising.

## CELEBRATE TETRA PAK TREE DAY ON OCTOBER 8TH IN KILLARNEY

The Tree Council of Ireland supported by Tetra Pak is calling people in Killarney to go outside with their children to celebrate all that nature has to offer on Tetra Pak Tree Day 2015 on Thursday 8th October. As part of this year's campaign, themed "Be a True Friend of the Environment", over 1,000 Birch trees will be made available for primary schools through the website, [www.treeday.ie](http://www.treeday.ie), to help teach children about the importance of planting trees and to go towards achieving their 5th Green School flag.

Through this year's campaign, Kerry children will learn about how to be a true friend of the environment with lots of recycling tips and advice to help achieve and maintain the 1st Green School flag.

The official Tetra Pak Tree Day website and

primary school resource is [www.treeday.ie](http://www.treeday.ie). Many schools and families also take the opportunity to participate in guided woodland walks at various locations throughout the country, enabling children to connect directly with the environment.

## COUNTY SENIOR FOOTBALL CHAMPIONSHIP

### FOCUS SWITCHES TO THE COUNTY CHAMPIONSHIP BY JOHN O'LEARY

With the intercounty scene completed for another year the focus of attention switches firmly to the the Garveys Supervalu Senior Football Championship and GAA followers in the county are spoilt for choice this weekend with eight games, (one Round 2 and seven Round 3) down for decision. The fact that all of these games are knockout, with extra time if necessary, only serves to increase the anticipation and October is certainly going to be a busy month with three rounds of the competition having to be decided.

There is no doubt what the standout fixture is this weekend as all eyes will be on Fitzgerald Stadium where the champions of the past five years, Dr Crokes and Austin Stacks will do battle in a very interesting double header that also features the meeting of Legion and Feale Rangers.

It is difficult to gauge the current well-being of both of these sides given that both have been very much understrength all Summer due to the Summer student exodus and the absence of County players. Dr Crokes will be disappointed with their performance against Dingle in the Club Final on Sunday last while Austin Stacks were denied a warm up game when their County League game with Finuge was postponed due to a bereavement. Crokes had little difficulty in accounting for Shannon Rangers in Round 1 while Stacks struggled at times before getting the better of St Michaels Foilmore. There is no doubt that we are in for a gripping contest on Sunday (throw-in 3:30) and there will probably be plenty of talking points as these two deadly rivals go head to head. The curtain raiser at 2pm sees the other

Killarney side Legion, take on Feale Rangers. Legion, backboned by their Kerry contingent, did well to defeat Mid Kerry in Round 1 while their opponents were defeated by St Kierans in Round 1 before regrouping to defeat Ardfert in Round 2.

There are four games down for decision on Saturday all with a 5pm throw-in time. One of those is the Round 2 meeting of Mid Kerry and West Kerry in Beaufort. Mid Kerry were surprisingly defeated by Legion in Killorglin in Round 1 on a day when their intercounty players seemed to be less that fit while West Kerry were also shocked on the same day and at the same venue by Laune Rangers. The winners of this game received a bye to the quarter finals.

Kilcummin, who were defeated by South Kerry in Round 1 before getting the better of St Michaels-Foilmore in Round 2 face tough opposition on their home patch when they entertain a St Kierans side who defeated Feale Rangers in their opening game.

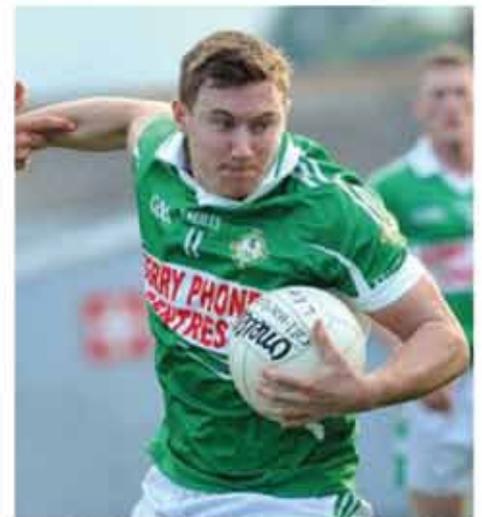

Shannon Rangers, defeated by Dr Crokes in their opening game went on to defeat St Brendans in Round 2 but they face tough opposition in Tarbert against a Rathmore side who ended Dr Crokes winning streak in the county championship last year.

Kerins O'Rahillys victory over East Kerry last weekend will have done them a power of good in preparation for their meeting with East Kerry in Strand Road. Rahillys went down to Rathmore in their opening game while their opponents easily accounted for Ardfert.

On Sunday, the meeting of the newly crowned Club Champions, Dingle, and South Kerry should draw a big crowd to Páirc an Ághasaigh (2:30pm). Dingle had a replay victory over Milltown-Castlemaine in Round 1 while their

opponents defeated Kilcummin. Also on Sunday, Kenmare District have home venue against Laune Rangers. The home side easily accounted for St Brendans in Round 1 while Rangers, who have struggled in Division 2 all year, caused a major upset when defeating West Kerry in their opening game.

### EAST KERRY U14 CHAMPIONSHIP – DIVISION 3 - FINAL

#### GNEEVEGUILLA 5-12 KILCUMMIN 5-8

It was Gneeveguilla who took the title after an exciting skilful and sporting game, in the East Kerry Under 14 Championship Division 3 Final, last Friday evening. Played in Fitzgerald Stadium, Kilcummin got off to an ideal start with a quick goal from Cian O'Mahony. Gneeveguilla replied with a well taken goal by Patrick Brosnan. In a period of great open football the teams traded points with Jamie O'Leary, Danny O'Callaghan for Gneeveguilla and Paul O'Shea and Cian O'Mahoney adding fine points. Jamie O'Leary and Darren Lehane swapped goals. Gneeveguilla then enjoyed a purple patch as Daniel Fleming crashed a great goal to the net and Jamie O'Leary added 2 further points. As play swung from end to end, Kilcummin midfielder Dylan Murphy added 1-1 and Paul O'Shea notched a fine point. This left the half time score 3-6 to 3-4 in favour of Kilcummin.

The second half continued at pace and when Darren Lehane and Paul O'Shea goaled early in the half Kilcummin seemed to be in the driving seat. However this brave Gneeveguilla side were not to be denied, Lorcan Keane and Danny O'Callaghan kicked points before the dangerous full forward Jamie O'Leary finished 2 well taken goals to the net for his hat-trick. With the game in the melting pot, Gneeveguilla goalkeeper Tadgh O'Connor pulled off 2 incredible saves, to keep Kilcummin at bay. This seemed to inspire his forwards who added points from David Gleeson, Owen Fitzgerald, Jamie O'Leary and Danny O'Callaghan. This left Gneeveguilla with a 4 point lead as referee Tom Moriarty blew the final whistle. Great credit is due to both teams who provided huge entertainment and excitement to the big crowd present. Final score: Gneeveguilla 5-12 Kilcummin 5-8.

Sean O'Keefe, East Kerry Coiste na nÓg, thanked the Referee, both teams, mentors,

sponsors and Fitzgerald Stadium committee before presenting the trophy to Owen Fitzgerald captain of a delighted Gneeveguilla squad.

### CLUB CHAMPIONSHIP FINAL DINGLE 2-12 DR CROKES 0-14

We always seemed to be struggling in this final against Dingle, played in Milltown. We were however in this game at the three quarter stage. Even when Dingle added on three points without reply at this stage we responded with three unanswered points to level the game going into the last ten minutes. Dingle went through for a match winning goal a minute later and this was the score that sealed the game. Our opponents outscored us three points to two in the remaining minutes for a well deserved four point victory. Goals win games and Dingle outscored us two goals to nil and this had a major influence on the result. The teams went in at the interval on level terms, 1-2 to Dingle and 0-5 to us.

The football was much better in the second half. Dingle seemed to want the victory more and were never behind on the score board in this second thirty minutes. The defeat stopped us from winning the competition for four years in a row but congratulations to Dingle on their well deserved victory.

**UNDER 12 AND 11:** On our second last game of the year both teams travelled to Direen to take on the Legion for the third time this year. The black team, missing a few players for different reasons, lost the toss and played against a strong wind in the first half. The Crokes worked very hard in the first half and went in losing 2-06 to 1-05 at halftime which they must have been happy with considering the conditions. Then from the start of the second half Crokes kicked 1-01 with no reply to level the game. Jason Lee caused problems in at full forward and got a great goal and a couple of points to give the Crokes a five point lead but Legion never gave up and battled away. Ronan Coffey finished a great move which ended in a goal and then Legion fought back to level the game with two minutes left. Then a long range point from Jason Lee and a Cian Mc Mahon goal put Crokes four up and gave the Crokes a great win. Keelan foley made some fine saves and the defence played very well but it was an overall team effort that won the game. Well done to both teams for a very entertaining game.

The amber team beat Legion 5-14 to 4-08 in a very competitive game with some great scores at both ends. A big thank you to the u10 boys who filled in.

The last game is next Sunday away to Kenmare at 11 and hopefully both teams can continue their good form and finish the season on a high.

**DR. CROKES JUVENILE ACADEMY:** Had a very busy and eventful day last Saturday and the Dr. Crokes pitch was a hive of activity with a Camogie blitz on the pitches and the U. 6 Boys and Girls continuing their session with the emphasis on fun and learning new skills. Great to see the large influx of new girls to the academy really enjoying themselves with many graduating to the older group with coaches Aine McMahon, Brendan O'Connor, Pdraig O'Shea and Danny Cooper. The U. 8 and U. 10 Boys Hurlers and Footballers had a great morning with a special treat of training in Fitzgerald Stadium. The U. 8 and U. 10 Boys continue their mid-week training session each Wednesday night 6.30pm to 7.30pm till the end of October which they are really enjoying.

The half time score was Listry 0-06 points Brosna 0-02 with the final score being Listry 1-13 Brosna 0-07 which meant that Listry came away with an important two points bringing us a step closer to going back up to Division two. Our last game is against Beaufort (who have just been promoted to Division two) date & time tbc.

**JUVENILE UPDATES: OUR U14S:** combined with Keel played Beaufort in the Mid Kerry Championship on Friday night last in Beaufort. Our boys found the home side too hot to handle on the night but as usual they put in a spirited performance to the end. They have a bye this week.

**OUR U12S:** Were not in action this weekend as they had a bye in the East Kerry League. They travel to Templenoe next Sunday to take on Templenoe at 1pm in what will be their last game of the year.

**OUR U10S:** Travelled to Scartaglin last Friday night. We fielded two teams and both teams played very well on the night.

## BEAUFORT GAA NOTES

**BEAUFORT SENIORS:** Secured Division 2 status in 2016 when they beat St. Pats in a nail biting finish in Blennerville on Saturday evening last. Beaufort began well and were ahead after 3 minutes when Ronan Murphy had his kick blocked and Fergal Hallissey scored the resultant 45. They followed up with points from play from Darragh Coffey and Ronan Murphy. Beaufort had a let-off when St. Pats had a shot come off the cross-bar after 8 minutes. Beaufort extended their lead when Francis Courtney scored a free after he was fouled. Niall O'Connor added to Beaufort's lead with a fine point before St Pats registered 2 quick points. Centre-back Brendan Cronin joined the attack and set Fergal Hallissey up for a point from play. He attacked again and was at the end of a goal chance but this was blocked. Beaufort were defending well forcing Blennerville to miss some scoring attempts. Fergal Hallissey scored a 2nd 45 when Darragh Coffey had his shot

blocked. Padraig O'Sullivan cut out an attack on the stroke of half-time. Half-time score St. Pat 0-2 Beaufort 0-8. All-Ireland Minor medal winner Mike Breen came on at half-time for Patch O'Sullivan. By the 14th minute of the half St. Pats, who pressurised Beaufort on the kick-out and turned over possession on numerous occasions had the lead cut back to one point as they scored 6 points. Beaufort's only score in this spell was a Fergal Hallissey free close in when Liam Carey was fouled. Nathan Breen was dismissed on 18 minutes. St. Pats had a point from play. A technical foul was picked up by the referee, a hop ball was the result. Ronan Murphy won this and set Francis Courtney up for a goal on 23 minutes to leave the score 0-9 to 1-9 at this stage. Shane O'Sullivan came on for Niall O'Connor and soon made a telling interception. Kevin O'Brien was introduced for Padraig O'Sullivan and Jason Foley for the injured Liam Carey. On 28 minutes Francis Courtney had a free after he was fouled. St. Pats hit back with 2 points to leave the minimum between the teams. Jeremiah O'Sullivan came in for Padraig Hartnett. St. Pats had a chance to level matters but were wide. 3 minutes into injury time great defence by Beaufort was cleared to Fergal Hallissey who set Kevin O'Brien up for the insurance score and leave the full-time score St. Pats 0-12 Beaufort 1-11. Other results insured that Beaufort gained promotion and also win the Division with a game in hand. They are away to Listry in the last Round of the County League.

**BEAUFORT U14 FOOTBALLERS:** Survived a late scare to hold on for a six point victory over a Keel/Listry combination in this hugely entertaining Mid Kerry U14 tie played in Beaufort on last Friday. Having lost to Keel/Listry some months ago in the East Kerry League this was a real crunch match for Beaufort and they showed their intent with an outstanding first half performance at the end of which they held a ten point advantage on the scoreline, Beaufort 3-10 Keel/Listry 1-6. Darragh Dennehy, Keith Suter and Mark Doona had scored Beaufort's first half goals. When Beaufort added five points without reply in the first five minutes of the second half the game looked as good as over but Keel/Listry refused to give up. They shored up their defence and began to chip away at Beaufort's lead but with five minutes remaining they were still eleven points in arrears (3-16 to 2-8). Then in a welter of excitement they hit two late goals before a Darragh Dennehy point from a free steadied the ship for Beaufort and ensured that they picked up the vital two points on offer. Final score: Beaufort 3-17 Keel/Listry 4-8.

They are at home to Milltown/Castlemaine on Friday evening next at 6.30pm and are away to Glenbeigh/Glencair on Friday week.

**BEAUFORT U16S:** Are away to Laune Rangers on 5th October.

**BEAUFORT U12 GIRLS:** Lost out to Dr. Crokes in Division 2a East Kerry after extra-time on Tuesday evening last.

**LOTTO:** Results of Sunday, 27th September for jackpot of €3,400. Numbers drawn: 8, 12, 24, 25. No jackpot winner. Next draw for jackpot of €3,600 will be held in Kate Kearney's Cottage on Sunday, 4th October.

**COUNTY INTERMEDIATE SEMI-FINAL:**  
**SPA 2-16 JOHN MITCHELS 1-10:** Spa booked their place in the County Intermediate semi-final with a sparkling display against John Mitchels, who had beaten us in the County League earlier in the year. Spa build up a good lead of 2-7 to 0-6 by half-time. Shane Cronin scored two great goals on the burst, an equally excellent Mike Stam O'Donoghue had 0-3 (2f), a hugely robust and energetic Ryan O'Carroll had 0-2, with Cormac Cronin (f) and Evan Cronin also on the scoresheet. James Duggan, who won an All Ireland minor title with Michael Foley and Evan Cronin a week

before, had 0-3 for John Mitchells but their main danger-man Alan O'Donoghue was very well shackled by Dan O'Donoghue. Shane Cronin very nearly completed his hat-trick at the start of the second half. Mitchells, inspired by a great goal by Ciaran Deane and with O'Donoghue looking more dangerous in the corner, brought the gap down to four points but Spa rallied impressively to close out a comprehensive win and book their spot against St. Marys. Andrew Garnett pointed a '45, Mike Stam O'Donoghue added another 0-3 (2f), Evan Cronin added 0-2, and Liam Kearney and Cian Tobin pointed in the second half.

### SPA AND ST MARYS QUALIFY FOR THE INTERMEDIATE CHAMPIONSHIP FINAL

Spa and St Marys have qualified for the final of the Castleisland Mart Intermediate Championship following contrasting semi final wins over the weekend.

On Saturday in Killorglin, Spa were the dominant side for vast periods of their game with an out of sorts John Mitchels fifteen. Two goals by wing back Shane Cronin saw Spa lead by 2-7 to 0-6 at the break and despite a Mitchels fightback during the third quarter after Ciaran Deane goaled, the winners regained their composure to run out deserving winners on a 2-16 to 1-10 scoreline to reach their second final in a row.

In Fitzgerald Stadium on Sunday, patrons were treated to an exciting score feast as St Marys upset the form book by getting the better of a fancied Castleisland Desmonds side. Despite an early goal from Thomas Hickey for Desmonds, St Marys recovered to lead by four at the break, 2-8 to 1-7. The sides swapped goals during the third quarter but with seven minutes to go the sides were deadlocked, however points from Dan O'Sullivan and Niall O'Driscoll settled the issue in favour of St Marys who were the defeated finalists in 2013.

No date has been fixed for the final as both clubs are involved with divisional sides in the county championship and there must be concern about the completion of this competition by October 25th on which date the Kerry representatives are due to play the Tipperary champions in the Munster Championship.

### DINGLE ARE SENIOR CLUB CHAMPIONS

Dingle upset the odds at Milltown on Sunday last when defeating Dr Crokes to record their first Castleisland Mart Senior Club title with a deserved 2-12 to 0-14 victory thus in the process denying the Killarney side a 4-in-a-row of titles in the competition. After a low scoring first half the game opened up in the second period and the sides were deadlocked with ten minutes to go when Dingle's Cathal Bambury got the all-important second goal. After the game, County Committee Vice Chairman Diarmuid Ó Sé presented the Michael O'Connor Cup to winning captain Matthew Flaherty while the Man of the Match trophy was presented to Dingle's Paul Devane by Jimmy Roche of Castleisland Mart.

### SENIOR FOOTBALL LEAGUE ROUNDUP

With the exception of a number of games where teams were involved in the County and Club Championship games, Round 10, the penultimate round of the Credit Union Senior Football League, took place last weekend.

There were just two games in Division 1 where Legion move onto 14 points with victory over Waterville and they are in second place, one ahead of Desmonds who did not play. Both Finuge and St Michaels-Foilmore are relegated while Waterville are on 7 points with Kilcummin on 8.

KILMOYLEYS JAMES MCCARTHY RISES HIGHEST TO GRAB THE SLIOTAR IN SUNDAYS COUNTY HURLING FINAL BETWEEN ST. BRENDANS AND KILMOYLEY IN ABBEYDORNEY. KILMOYLEY DEFEATED NEIGHBOURS ST. BRENDANS TO CLAIM THEIR 23RD TITLE.

**In Division 2,** Templeoe defeated Laune Rangers to go two clear at the top ahead of Kenmare who defeated Emmets. Rathmore, John Mitchels and Spa are on 13 points each with a game in hand. ### CROTTA AND SOUTH KERRY SHARE A CLASSIC MATCH

#### County U16 Hurling Final: Crotta O'Neills 1-16 South Kerry 1-16

This was meant to be the last game of the competition, but after a thrill-a-minute rollercoaster, two brilliant teams were deadlocked and have to do it all again – for which any enthralled neutrals will be grateful. This was superb hurling all through, clean, tough, and loads of skill.

## KILLARNEY RUGBY CLUB NEWS

**MINIS:** Our minis are well settled into training at Aghadoe at this stage. We have fantastic

numbers coming to training every Saturday morning and we have been very lucky with the weather over the past few weeks since our hugely successful family day. The family day was a wonderful day for all and everyone enjoyed all the festivities, games and wonderful

food on the day. Since then the coaches have been busy with the minis as they settle into the new season and it is truly a sight to see so many kids playing rugby at our brand new pitch in Aghadoe. We cater for kids from 5 years of age to 11 years of age and all new players are more than welcome to come along and try rugby!

**YOUTHS:** Our youths section are up and running also, under the stewardship of Tom Campbell. All squads train at our new pitches in Aghadoe. The U14's and U16's train every Tuesday at 6pm, while the U18's train on Mondays and Wednesdays at 6:30pm.

Our U16's hosted Abbeyfeale at Aghadoe last Saturday morning, while our U14's hosted Killorglin and there was a great crowd on site to watch these matches as the minis training was taking place at the same time. It was great to see the reactions of the smaller minis players when they got to see the 'big lads' play. Abbeyfeale ran out winners in the U16's match while Killarney secured the points in the U14's match, a game which turned out to be a great experience particularly for the kids at U13 who were stepping up onto a full pitch for the first time.

**SENIORS:** Our seniors are training ahead of the start of the Munster Junior League in a few weeks. We face Corca Dhuibhne away at Ballydavid in our opening match next Sunday, the 04th of October next. All support welcome.

Our AGM will be held soon and we would

encourage parents to attend. We would very much welcome parents that are interested in joining the committee. Please contact our Secretary, Margaret O'Sullivan on 087 6735782. Most of the current committee members are also involved in other voluntary organisations/clubs, in addition to juggling their own work and family commitments, so we really would be grateful of assistance. Experience is not required and there is no public speaking involved! The support of the parents is vital for the continuation of any child-centred voluntary organisation, and Spa Muckross Community Games is no different.

## RESULTS

**FAI JUNIOR CUP:** Killarney Celtic 6 Broadford 0  
A superb display by Celtic. We were much tighter at the back than last week and took the game to Broadford right from the start. Conor Randall and Trevor Nagle had us in front 2-0 at the break. Trevor and Chris O'Leary, very impressive as a new player to our ranks, doubled our advantage after the break. Trevor completed his hat-trick before Matt Keane neatly latched onto a great through ball by the excellent Conor Randall and fired home to complete the scoring. Trevor, Conor, and Chris were probably the pick of Celtic, but everybody played really well and worked hard for each other all through.

**YOUTHS LEAGUE:** Killarney Celtic 4 Mastergeeha 2

A great win against tough opposition to open our campaign. Cathal O'Shea and Stephen McCarthy notched two each, with Mark Harnett giving an outstanding display.

**U15 DIV ONE:** Ballyhar Dynamos B 4 Killarney Celtic B 0

Ballyhar were much stronger and kept the pressure on from start to finish. In the circumstances, Celtic put up a brave battle but the final score is a fair reflection, in fact our goalkeeper Adam Kelly had to make some good saves along the way. Tommy Maguire in

defence had an absolute stormer for Celtic, a class display from the first whistle to the final one.

**U13 DIV ONE:** Killorglin B 3 Killarney Celtic B 2  
Superb game by both sides and a great atmosphere. Josh Livingston and Ruairi Dorrian got our goals.

**U12 PREMIER:** Killarney Celtic 1 Killarney Athletic 2

A great battle and a very sporting game, with Athletic taking the spoils despite a great goal by Sean Fitzgerald for us.

DIARMUID SIGNING FOR GLASGOW CELTIC FC

ATHLETIC U16 NATIONAL CUP TEAM

## DIARMUID MAKES HISTORY

Diarmuid O'Carroll wrote himself, the Kerry Schoolboys League and his original club Killarney Athletic into the history books in July 2003 when he signed a professional contract with Glasgow Celtic. Diarmuid actually signed with the Scottish giants from Home Farm who he spent a season with that same year. The fascinating question of course is how does a player from a modest grass roots club in the Kingdom of gaelic football end up on the books of one of the best known soccer clubs in Europe. There is no doubt that Diarmuid had talent but talent alone won't take a young player to such a level. We hope in this article to recall the many contributing factors that elevated Diarmuid to such a profile that most youngsters could only dream about.

**THE O'CARROLL FAMILY** As with every achievement endeavour one needs the help and support of those most closest, they being your family. And there is doubt that the biggest reason why Diarmuid became a professional footballer was from the direct encouragement and support that he got at home. The family hailed from the Ross Rd. and father Joe was a talented gaelic footballer with the Crokes and an outstanding oarsman with the Workmen but never took a fancy to soccer.

Diarmuid's mother Eileen was a Ballyhar woman and I'm sure the family there still claim that it was from them that Diarmuid brought his rich soccer talent.

Older brother Anthony was probably the reason that Diarmuid attended his 1st club training session as Anthony was part of a very talented Athletic underage team in the mid '90s. That side included Kerry keeper Brendan Keely and Mickey Joe Grady who also had great potential to play at a higher level.

Edel who was the youngest of the family was in her own right an outstanding soccer player for the club.

Also to the credit of Eileen and Joe they both committed to managing club teams that Edel, Anthony and Diarmuid were part of. Diarmuid had many cousins of course that also played for the club with his uncle Diarmuid well known for his huge contribution as a young player in the '80s through to senior level thereafter and also managed Athletic schoolboy and senior teams.

**DIARMUID WAS A YOUNG STAR** It is said that the 'stars' of today don't always become the 'stars' of tomorrow but Diarmuid displayed an outstanding ability from when he first joined the club to the time he signed a professional contract.

As under 10s coach at the time I recall Diarmuid 1st day of training on a Saturday morning in Knockreer. "He was kitted out with an Arsenal jersey and playing in a 7 asides match with the older boys he performed an 'overhead bicycle kick' that only a few in the English league would even attempt at the time. Like all good players he could easily play above his age and very few could compete against him on the 1v1s. His talent was nurtured through the 7-aside in the 'Aras' and the FAI coaching camps organised

and run by the club. Diarmuid quickly made an impression in the Kerry Schoolboys league as a very promising young striker that his team mates loved to be on the same side of, while his opponents struggled to mark him.

**'A DREAM TEAM'** Diarmuid played at a time with the club when it was more prestigious to play schoolboy soccer with Athletic than to play gaelic football with the local clubs, although most players did play both codes. Diarmuid was part of an all-conquering side that captured 4 successive league titles and 3 successive cup titles. Pa Moynihan was first to manage a side that included Diarmuid in its' line-up as he played with two age groups every second week.

After a year of assisting Pa with the team, Ger O'Brien took up the role of managing the Diarmuid's age group team, and it would be fair to say that they became a 'dream team'. They included some outstanding underage players that had huge ambition and massive pride in being part of Killarney Athletic. Jamie Wren was the team captain throughout the period and he showed excellent leadership qualities from a very young age, Kieran O'Leary equally was a star in this team.

**NATIONAL CUP AMBITION** Although the side dominated the Kerry League at the time, there was a very good competitive standard at schoolboy level by a few of the more established clubs in the county and all set their sights each year on going as far as possible in the National Cup Competitions. Ger O'Brien with the able assistance of Pat Moynihan whose son Adam was a very skilful member of the side reached the quarter-final of the National Cup at under 12s level in 2000. Pitched against Cherry Orchard away Athletic were always going to find it difficult, particularly in the absence of Diarmuid who was out through injury, and the side bowed out of the competition to their Dublin opponents.

**KENNEDY CUP** The same Athletic team made an early shock exit from the National Cup the following year, but with great ambition for the side and not to be deterred the Wexford man was nominated by the Club for the Kennedy Cup manager's role in 2001. With many Athletic players in the line-up the side enjoyed a great run in the tournament narrowly losing out by the odd goal to a strong Cork outfit in the semi-final, but claimed the 3rd spot after the play-off match. This was also a great tournament for Diarmuid as he showed off his goal scoring ability by netting 5 goals in as many games. The Kennedy Cup was the stage for young players at the time to show-off their abilities to the many scouts that came to watch for any talent on display and the name of Diarmuid O'Carroll was on the list as one to watch-out for in the future.

**ATHLETIC MAKE HISTORY IN NATIONAL CUP** In 2002 the side made the history books as being the 1st Kerry team to reach the semi-final of the National Cup. The experience of the previous two years convinced Ger that the squad would have to strengthen up if they

were to overcome the big Dublin side who dominated the latter stages of the competition every year. Hence a number of excellent South Kerry players were signed into the squad that included; Liam Sheehan, Killian Young and Liam O'Sullivan.

Athletic were drawn away to Cherry Orchard in a repeat of the 2000 contest again for a semi-final slot, but this time the side had a fit Diarmuid O'Carroll and it was he who scored the decisive winner on a great day for the club and the league.

The team were drawn at home to Lourdes Celtic in the semi-final but the match was played on the Mastergeeha pitch as the Woodlawn ground was in poor condition from overuse and under repair for the annual 7-aside.

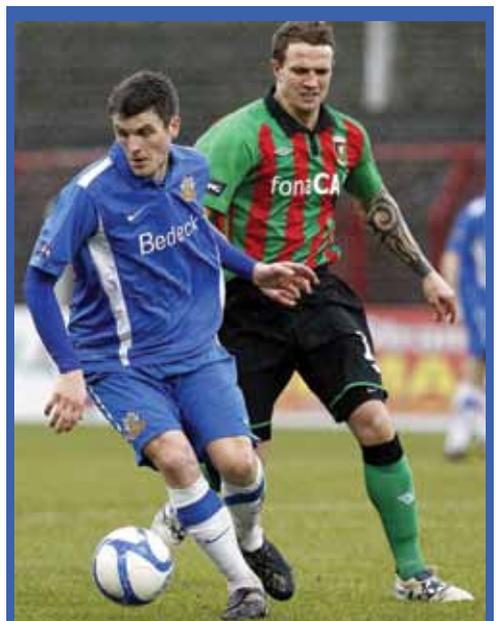

Athletic were outplayed by Lourdes on the day with a high tempo game that the Dublin side were more comfortable with from playing at the higher standards of the Dublin District League.

### DIARMUID MOVED TO HOME FARM

Diarmuid was hot property and considered to be capable of playing at a higher level of the game. But it was also considered at the time for him to get an opportunity and make a breakthrough and be seen he would have to move to play in the Dublin league (DDSL), so Diarmuid signed with Home Farm for the 2002/03 season. Shortly afterwards he impressed with his new team in an invitational tournament in Glasgow and within a short time thereafter he and the family met with the then Celtic boss Martin O'Neill and was signed in March 2003 on a 4 year professional contract to the Scottish giants.

Diarmuid now plays in Belfast and is a Development Officer with the Northern Ireland Football Association but his roots are still in Ross Rd. and he hold Killarney Athletic as being his club from where he started out 20 years ago.

## CAMOGIE CHAMPS GATHER TO REMEMBER VERONICA

Dr. Crokes GAA grounds were a hive of activity on Saturday last as the Killarney Camogie Club hosted the Veronica Stack Memorial Tournament. Over three hundred & fifty girls from both Kerry & Cork camogie clubs participated in what was a great day of camogie! The Kerry clubs were victorious on the day with Cillard defeating Midleton for a position in the Cup Final whilst Causeway defeated Clonakilty to gain their position in the final. Cillard proved too strong for Causeway and won the Veronica Stack Memorial Cup. Killarney came up against St. Colum's, Bantry in the semi final. It was a thrilling match with the score tied at full time. Killarney got the better of St. Colum's in extra time and went through to the final to play Tralee Parnells. Both teams were again evenly

matched. The players on both teams excelled themselves in what was the match of the day! At the full time whistle the score was tied and Killarney had again to dig deep to overcome the challenges put forward by Tralee Parnells. The tension on the sidelines was palpable with supporters of both teams alternating between cheering and holding their breaths for fear that the other team would score. Finally Killarney got the lucky break & secured their victory retaining the Veronica Stack Memorial Shield for a consecutive year. The Killarney Camogie Club would like to extend their gratitude to all who helped to make the day such a success and in particular Dr. Crokes' G.A.A Club who allowed us use their facilities on the day.

## TEN OUT OF TEN FOR KILLARNEY 10MILE

300 runners took to the roads in beautiful sunshine on Saturday last for the second Killarney 10mile race. Participants travelled from all over Ireland and the world for the event with runners from Minnesota, Indiana, Canada, Japan and UK joined the Irish contingent for the high successful event. The race was organised as part of the fundraising for the Community Track Project at St. Brendan's College and it was there that the runners gathered before and after the event. The organisers would like to thank the sponsors, Tricel and Centra at the Reeks along with Olive Loughnane, the volunteers, the Gardaí, the Order of Malta, Sportstiming and the media. The event was hosted by the South/East Kerry Track Group and Killarney Valley AC along with race director Alan Ryan of the Hardman triathlon - and all of whom gave their time voluntarily for a great local and sports initiative. This year's special guest Olive Loughnane, the former world 20k walk champion 2009 was brought up to speed with the project and was on hand to present the prizes after the race. Next year's date is Saturday 24th of September as the group aim to build on this year's event! Organisers are delighted with the sum raised -

## LOADING YOUR CAR

### SAFELY

**DRIVING SAFELY AND UTILISING VEHICLE SPACE** Whether you're moving house, picking up materials from the hardware store or heading off on a long weekend it's good practice to take your time and organize yourself properly when loading up the car.

You should, adjust your tyre pressures if needed to suit the heavier load. But remember to adjust them back again after the trip.

Drive more cautiously as handling and performance will be affected by the load plus stopping distances will be increased.

Don't exceed your vehicle's Maximum Permitted Weight (MPW). This is the maximum permissible weight the vehicle is permitted to carry based on the capability of tyres, suspension, etc. It includes everything in (including its passengers) and on the car.

#### INSIDE THE CAR

##### MAKE SURE EVERYTHING'S SECURE:

Stuff sliding around or tipping over whenever you brake/turn will be both irritating and very distracting.

Empty boxes or plastic crates can be useful in the boot to stop things sliding around your boot. Keep the dash or shelf beneath the CD player and front floor space empty. Items will fall off and roll around could even get lodged under the brake pedal.

##### KEEP LARGER/HEAVIER STUFF LOW DOWN

Put the bigger stuff in first and then pack the smaller items around the larger items as this will help keep your centre of gravity lower to minimize the effect on handling.

Heavy items in the boot (cases of wine/beer, DIY materials) should be packed tightly against the back of the rear seat to reduce the risk of them bursting through in a crash. This affords better weight distribution and handling too.

##### CAN YOU STILL SEE?

Avoid packing items above the back seat line so that you see clearly out of the back window. Consider using a roof rack or roof box for lighter / bulkier stuff to leave more room inside.

Passengers come first

If you have to fold seats to get a large or awkward load in the car, simply come back for your passengers later on. This is especially important if the load prevents them from putting their seat belt on.

##### LEAVE PLENTY OF ROOM FOR CHILDREN

– stuff packed in tight around them is sure to

make for an unhappy journey.

Keep a bag handy for things you might need during the journey.

Plan for a puncture.

Think about how you will get to the spare tyre in an emergency when packing up your car.

**ON THE ROOF** Roof racks are a great way of carrying very large or awkward items but take care.

**CHECK YOUR CAR'S MANUAL** to make sure that the load, including the weight of the roof rack itself, doesn't exceed the maximum. This limit tends to be quite low.

Ensure that your load is securely attached and that it doesn't stick out creating a hazard.

Once you're underway, the airflow will be trying to lift the front of any long load so a secure fixing, holding the front of the load down is important.

Under heavy breaking the load will tend to slide forwards – secure fixings to the rear will help prevent this.

Fixings will work loose – stop, check and re-secure regularly.

Don't forget the extra height. Take care, for example, when entering covered car parks.

##### DISTRIBUTE WEIGHT SAFELY:

If you can, try to put bulky but lighter items on the roof and heavier items low down in the car. This will help keep the centre of gravity down and improve stability.

## SAFETY TIPS FOR OLDER DRIVERS

For most, continuing to drive as they get older is important as it helps them stay active in their communities and access essential services. However, as we age there are particular driving risks to be aware of.

##### ISSUES COMMONLY EXPERIENCED BY OLDER DRIVERS INCLUDE:

- Changes in eyesight
- Health issues
- Medication side effects
- Uncertainty on busy roads and junctions
- Decline in physical strength
- What older drivers do well

While older drivers face more physical challenges than younger drivers, generally speaking they're a lower motor insurance risk compared to other age-groups, especially young drivers.

##### THIS IS BECAUSE OLDER DRIVERS USUALLY:

- Wear seat belts
- Don't drink and drive
- Don't speed
- Obey the rules of the road when they drive and demonstrate courtesy to other road users
- Drive less kilometers compared to younger drivers and motorists driving to and/or for work
- Because of their physical frailty, older drivers are more likely than other motorists to suffer injury in the event of a car crash. With this in mind, it's important, if you're an older driver to keep up your driver fitness levels.

##### KEEPING FIT TO DRIVE

- Make sure you have regular eye and hearing check-ups
- Avoid driving when you're tired
- Avoid driving on unfamiliar roads, at night, in bad weather and during rush hour traffic
- Share the driving when travelling longer distances
- Allow yourself longer driver reaction times
- Leave plenty of room between your car and the vehicle in front
- Indicate in plenty of time
- Drive cautiously
- Keep your car well maintained
- Never drive if instructed not to by a doctor
- Be aware of medication side effects and whether or not they'll impact your driving.
- If driving grandchildren around, fit approved child car restraints in your vehicle correctly
- Stay physically active as this'll help with actions such as turning the car's steering wheel and looking over your shoulder
- Know when it's time to consider hanging up your car keys. If you become confused while driving or you're concerned about your ability to drive safely it may be time to consider alternative forms of transport.

**LOVE A LITTLE LONGER!**

Isn't it interesting how so often we keep repeating and replaying what went wrong in our lives or what isn't right about us? We go over a painful conversation or a difficult event. We talk about how someone was mean to us. We may even carry a grudge for years! And in doing this we bind those feelings and events to us even more tightly. We keep them alive with every re-telling of what happened. We seldom do this with the things that have gone right for us or that we find pleasurable or beautiful. How often do you speak about the beautiful sunrise or the delicious cup of tea you had this morning? How often do you write letters or send emails of gratitude? How often do you look in the mirror and wish yourself a happy day and tell yourself what you love most about you? It's so easy to moan about the rainy day but how often do you linger by the blossoming rose in the garden just drinking in it's beautiful aroma? Life unfolds in the moment so extend these moments of bliss by spending just an extra 10 seconds of time with them. And then replay the feeling and talk about it and remember the joy you felt. Love a little longer - stay with the feel good feelings, accept a genuine compliment and bathe in it a little while. Have what is good instead of wallowing in what has hurt. Remember, that whatever you appreciate, appreciates!

Join me in my Chakranetics classes (mindful moving meditation) every week at the Travel Inn, Fossa. Tuesdays at 10.00am. Mondays at 7.30pm! Also, Thursday at 7.30pm in Tralee at Collis-Sandes House.

**SENIORS:** The senior team had an emphatic win over Cromane on Saturday evening in the penultimate round of the County league. Further scores from Tadgh O'Shea, Derry O'Sullivan, Lorcan Daly and a brace of goals from Paudie Clifford left Cromane reeling. Chris Myers finished off the half with a goal to leave Fossa leading at half time 4-09 to 0-02. Cromane did up the ante after half time but Colin Myers was brilliant in goal and repelled them time again, the defence closed up shop and Dara Rice tormented the Cromane defence with his direct and intelligent runs all evening. The game petered out as a contest as Matt Rennie kicked 1-2, Michael O'Keefe scored a goal and points from Dara Rice, Paudie Clifford and Mikey O'Shea saw Fossa run out winners 6-16 to 0-05. **U-12 GIRLS:** The Kilcummin U-12 girls had a great win recently when beating a gallant Milltown-Listry in a thrilling East Kerry shield final on a score of 4-7 to 2-9. Ava Kearney played a crucial role in goal with some great saves in the second half. Eabha Dwyer was secure at full back all through and was flanked by tight marking corner backs Ella Keogh and Sophie Crowley. Ailbhe Brosnan held down the centre back position with authority and was helped by tenacious wing backs Laura Healy and Kyla Shine. Ava Leslie and Claire Stagg worked hard in midfield all through with both players getting crucial scores. Eleana Doherty led the attack by example from centre forward with the high scoring Olwyn Evans and Clara McCarthy on the wings. Shauna O'Mahony and Aimee Sexton won plenty of ball in the full forward line along with top scorer Annie O'Sullivan. The subs on the night Caoimhe Lehane, Abbey

Leslie and Saoirse Sweeney all made valuable contributions. Not forgetting other panel members Jean Foley, Rachel O'Boyle and Kate Sheahan who helped us to get to the final. The victory was a fitting reward for this group of girls who showed great commitment all year.

## TAX Matters with O'BRIEN COFFEY Accountants & Business Advisors

### HOME RENOVATION INCENTIVE SCHEME (HRI)

#### HOW DOES THE HRI WORK?

The HRI scheme enables homeowners and landlords to claim tax relief on repairs, renovations or improvement work that is carried out on their houses, by tax-compliant contractors who are VAT registered. Qualifying expenditure (over €4,405 plus VAT) will be reduced for any grant or compensation payment received in respect of the works. The Incentive provides for tax relief by way of an Income Tax credit at 13.5%.

#### HOW TO QUALIFY?

- Your Local Property Tax must be up to date
- You must be paying Income Tax
- The Contractor must be VAT registered and tax compliant
- Qualifying work must be > €4,405 excluding VAT (max relief is work totaling €30,000)
- In the case of rental properties they must be occupied and the tenancy registered with the PRTB

#### HOW WILL YOU RECEIVE YOUR TAX CREDIT?

The HRI tax credit can be claimed directly through the online claim system ([www.revenue.ie](http://www.revenue.ie)). The credit is payable over the two tax years following the year in which the work is carried out.

#### EXAMPLE

A Homeowner or Landlord paid a HRI qualifying electrician €6,000 (before VAT) for rewiring their property in 2015. The tax credit is €6,000 x 13.5% = €810. The tax credit received is €405 in 2016 and €405 in 2017.

## Citizens Information

### Know Your Rights: FREE LEGAL ADVICE

#### QUESTION

I need legal advice on separating from my husband but I can't afford to go to a solicitor. Where can I get help?

#### ANSWER

Free Legal Advice Centres (FLAC) is an organisation that promotes equal access to justice for all. You can access basic, confidential and free legal advice across all areas of law in a network of centres around Ireland. These are usually located in the local Citizens Information Centre. Clinics are by appointment only, and you will have to call in advance to book a place. Clinics take place in Kerry as follows;

Tralee 1st & 3rd Thursday of every month - 6pm - 7.30pm.  
 Killarney 2nd Monday of each month - 6pm 7pm.  
 Every second Friday - 10.30am-1.00pm.  
 Listowel. 2nd Thursday of each month - 5.30pm to 7.00pm.

When you visit a FLAC clinic you should bring along any relevant documentation or correspondence. You will meet a volunteer lawyer – either a solicitor or a barrister. You can ask a question on any area of law. However if you have already consulted a solicitor about the same matter, the volunteer adviser cannot offer guidance on that issue.

Your volunteer adviser will help you to establish whether there is a legal solution to your problem, explain what options are open to you and direct you to further assistance where appropriate.

Volunteer advisers cannot provide legal representation, which means they cannot take a case for you or go to court on your behalf. They also cannot refer you to a lawyer in private practice, so you should contact the Law Society for a list of solicitors in your area or for a particular area of law.

If you have a low income, you may be eligible for legal assistance from the State on a civil matter. The Legal Aid Board is responsible for the provision of civil legal aid and advice. Your FLAC adviser can help to establish this and you may then go to your local law centre to apply for civil legal aid. You will then have to undergo a means test and a merits test.

For criminal matters, there is a separate State criminal legal aid scheme, operated through the courts and administered by the Legal Aid Board.

## THINKING ABOUT FEELINGS

When someone comes along to counselling and begins to talk about what is troubling them, one of the difficulties that sometimes emerges is their sense of 'having feelings that are 'bad' or 'wrong'. Perhaps they have been experiencing feelings of anger, or frustration, or maybe sadness, or regret. They may see such feelings as negative or self-pitying, and not compatible with being a good and kind and positive person. They wish these feelings would just go away. But, however much they try to wish them away, the feelings stubbornly persist. So then they experience shame and anxiety about having what they see as such negative feelings, and this shame and anxiety gets added to the mix, and just makes everything worse.

Counselling can offer us time and space in which we can talk about, and think about, all the different aspects of our emotional life, without using labels like positive or negative, right or wrong, good or bad. Instead, the counsellor provides a non-judgemental relationship, in which all aspects of our emotional experience can be heard and thought about. If we can slow things down a bit, begin to make sense of our feelings, and see them as an unsurprising response to aspects of our life experience, they are much less likely to cause us anxiety.

Gradually, we become more able to manage our feelings and get on with our lives, instead of our feelings managing us, perhaps by making us anxious or irritable or unconfident or withdrawn. We learn to accept that, if we face difficult and challenging situations in the future then, naturally, we are bound to experience difficult and challenging feelings within ourselves. And when we have to bear particularly difficult circumstances or events in our lives, there is no shame in seeking support to work through our feelings about them.

A counsellor is able to sustain an open and accepting attitude to another person's feelings, without anxiety getting in the way, because, through their own training and personal development, they accept that having emotional responses to life's events is a part of what it is to be human. Perhaps then, the more accepting and tolerant we can be towards our own emotional life, the more kindly and accepting we are able to be towards the feelings of others.

## Health Matters....

*With Dr. Michael Moloney*

### OSTEOARTHRITIS

Osteoarthritis (OA) is the most common form of arthritis in Ireland. OA mainly affects the joint cartilage and the bone tissue next to the cartilage (shock absorbers in joints).

OA can be considered in simple terms as generalised wear and tear of cartilage and also wear to the underlying bone tissue. It is not fully understood why some peoples joints are more susceptible to wear than others but generally speaking age, weight, genetics, occupation and history of previous injuries may play a role. Women are also at higher risk than men at developing OA.

Any joint can be affected by OA but the hips, knees, finger joints, thumb joints and lower spine are most commonly affected. The shoulders, elbows, wrists, ankles, and toe joints are less commonly affected. In many cases, just a few joints develop symptoms with one or two becoming the most troublesome. In some people, OA develops in many joints.

Pain and stiffness of joints are the usual complaints from patients suffering from OA. Occasionally joints may become slightly swollen and can appear larger than other joints over time. Symptoms vary in severity from person to person from mild discomfort to severely debilitating.

Your doctor can often diagnose osteoarthritis based on your age, your typical symptoms and examination of your affected joints. Tests such as X-rays or blood tests are usually not needed. Quite a number of people have X-ray changes that indicate some degree of OA but have no, or only very mild, symptoms. The opposite can also be true. That is, you may have quite severe symptoms but with only minor changes seen on the X-ray.

#### PROGNOSIS

The progression and severity of OA is variable from person to person. In many people OA is mild, does not become worse, and does not make you any more disabled than expected for your age. However, in some people, the severity of OA and the disability it causes is out of proportion to your age.

#### TREATMENT

There is no cure for OA but treatment is aimed to reduce symptoms and improve overall mobility and function of joints. Exercise and weight reduction has been shown to help OA. Closed chain (non impact) exercise as well as swimming is excellent for this. There is some evidence to suggest that orthotics may be helpful in suffers of OA of the knee. Mobility issues can be addressed by the help of walking aids and physiotherapy.

## 5 FACTS ABOUT FRUITS AND VEGETABLES:

Most of us eat fruits and vegetables on a daily basis. After all, they have been a part of our diet since the dawn of history. We eat them raw, cooked, frozen, drink them as juices and combine them with just about any other food we eat. But just like anything else that's been around for so long, there are many things you don't know about fruits and veggies that can be very useful and important to know.

1. Never mix grapefruits with medications. Grapefruits are among the most nutritious fruits out there but they can also be bad for you if you are taking certain medication. The chemicals in a grapefruit can cause a bad reaction with some drugs that can even have fatal results. If you're on medication, be sure to check with a medical professional before drinking or eating any amount of grapefruit.
2. Fruits and veggies have a lot of fibre. The benefits of fibre include keeping your bowel movements regular, helping lower cholesterol, regulating blood sugar, and help you feel more full for a longer time. Even if you don't need any more of the vitamins, minerals and other healthy ingredients in fruits and vegetables, they are still one of the best things you can eat on a daily basis.
3. The skin is usually the best part. In many fruits and veggies, such as carrots, apples, and cucumbers, a high percentage of the nutrition is actually stored in the skin. This means that when you peel it off, you're actually peeling away nutritious benefits. Make sure to wash your fruits and vegetables well before eating them and you'll get used to eating them with the peel in no time.
4. Bananas are fascinating. Two incredible things you might not know about these delicious sources of potassium and vitamins: First, bananas are technically herbs and belong to the same "botanical family" as mint or basil. Secondly, in 1950 almost all of the banana species in the world were wiped out by the Panama Disease. Today, most of the bananas sold and eaten around

the whole world are direct descendants of the same Asian breeds that survived the disease.

5. The most hated vegetable in the world is one of the best.

Brussels sprouts reign supreme as the least enjoyable vegetable for children, and also some adults. However, Brussels sprouts are among the most nutritious veggies you can ever find. They have no fat, no cholesterol, hardly any calories and plenty of vitamins and minerals.

## RIDDING MOZAMBIQUE OF 171,000 LAND MINES:

Playing outside, walking to school or traveling to visit family is no longer a dangerous endeavour for people living in Mozambique, where deadly land mines that once marred thousands of acres of land have finally been eradicated.

After 22 years of work, de-mining organisation Halo Trust declared the Southern African country free of land mines.

Approximately 10,900 Mozambicans have been killed or injured by land mines, according to the International Campaign to Ban Landmines. The underground explosives are leftovers from wars dating back to the 1960s. Formerly a Portuguese colony, Mozambique fought for its independence in the 1970s but was plagued by a civil war until 1992 that left more than a million people dead—and more than half of the country a hazard to health.

With financial assistance from a host of Western countries, workers from Halo Trust arrived on the scene in 1993. Using massive armoured tanks and manual detectors, the British-based charity cleared 171,000 land mines in 1,100 minefields, detonating the last known mine last month.

Land mines have hindered economic development in Mozambique. Of its 26 million residents, more than half live below the poverty line, according to the latest figures from the World Bank.

The final region cleared of mines houses a railway line that carries goods from Mozambique into Zimbabwe. The track and infrastructure had been neglected since the 1990s, with workers afraid to get too close. Now, the railway line is getting some much-needed upgrades and will soon be able to transport heavier loads into other countries. Without fear of triggering mines, residents can start cultivating land that was once off-limits, planting crops and allowing livestock to graze. As Mozambique celebrates this major accomplishment, workers at Halo Trust want the world to know their work isn't done. As many as 60 other countries—including Afghanistan, Angola, and Cambodia—still have active land mines that kill or injure 4,000 people annually.

## DID YOU KNOW?

While spiders in your home should in no way be classed as your first line of defence against

insect transmitted diseases, they can help by virtue of keeping away pests that might bite humans and pass on certain infections. As spiders also feed on insects like fleas, they could be useful for your canine or feline friends if a stray flea ever did make it past your flea control methods.

## HOMELESS MAN GIVES EVERYTHING HE HAS TO 7 STRAY DOGS:

A man with nothing has given everything he has to keep seven stray dogs alive.

This man's name is Kamala Lochan Baliarsingh. He's lived in Odisha, India, for the past three decades without any home or source of income. "I just clean the platform by collecting plastic bottles," he says. He uses the money he gets from recycling these bottles to feed seven of the town's stray dogs, who all visit him after midnight, according to the film.

Every day, Mr. Baliarsingh makes sure these dogs have the food and water they need to survive, even if it means he goes hungry.

## TONGUE TWISTER:

"Whether the weather is warm, whether the weather is hot, we have to put up with the weather, whether we like it or not."

## DOG TRAINING TIPS:

\*Ensure that "come" works every time by rewarding your dog with a puppy party every time they obey this all-important command. Puppy parties should involve anything your dog finds rewarding—a nice belly rub, a yummy treat, their favourite toy, etc. They most certainly won't want to come when called if they're punished once they get to you.

Never punish your dog for coming when called. Even if your dog is coming back after an hour long escapade through the neighbourhood, they still get a puppy party. Remember to always issue a recall command with a pleasant tone and a smile on your face; no dog wants to come running to an angry tone and a scowling face.

Never call your dog for something he does not like (bath, nail trim, car ride, go in the crate, etc.)

\*Do not allow your dog to jump on guests, period. Even if you have a friend that insists "Oh it's okay! I'm a dog person!" don't allow your dog to jump up and greet them. Your pup doesn't know the difference between a twenty-year-old who is a "dog person" and seventy-five-year-old Grandpa who just had a hip replacement.

If you have a dog that jumps, warn your guest before they come over. Ask your guests to turn away from your dog and ignore them until your pup is sitting quietly. Teach your dog that they get lovin' when all four paws are on the floor, and not before.

\*Rewarding your dog for going potty outside is an integral first step to house training. A key part of house training your dog, however, is preventing indoor accidents from happening in the first place. Yelling at your dog, rubbing their nose in their mess, or giving them a spanking doesn't teach your dog to potty outside—it teaches him to be fearful of you and to have those accidents out of sight. (And come on, you paid good money for those bath

rugs.)

While house-training, Rex should always be within sight and constantly monitored. Kennel your dog or puppy while you can't monitor them, keep them on a leash, or if they are small, have them in your lap while you are on the couch or at the computer. Don't wait for your dog or puppy to do the potty dance or assume the squat position—set your dog up for success and offer your pup plenty of opportunities to go potty in the right place.

(Continued next week).

## WHALES AND DOLPHINS WIN BATTLE OVER THE USE OF HARMFUL SONAR:

A federal judge has approved a legal settlement that limits the use of sonar and other underwater explosives that can inadvertently harm whales and dolphins.

For marine mammals, the ping of sonar or the muffled blast of underwater detonations can be deafening and even deadly.

The settlement ends litigation brought by environmental groups against the Navy over its use of sonar in important feeding grounds for whales off the Southern California coast near Santa Catalina, San Clemente, and San Nicolas islands, as well as waters around Hawaii, including Maui, Molokai, and the Big Island.

It's the first time the Navy has acknowledged that it is possible to protect marine mammal habitat without hindering its training regimen—abandoning its previous stance that putting limitations on sonar testing and exercises wasn't feasible.

A 2013 Navy report estimated that over the subsequent five years (2014 through 2019), sonar testing, underwater detonations, missile launches, anti-submarine warfare, and ship strikes could kill up to 155 whales, dolphins, seals, and sea lions and permanently injure more than 2,000 animals. The Navy also estimated that 9 million incidents of marine mammal disturbances could alter feeding and breeding activities in the 120,000-square-mile Southern California testing zone.

## MORE PEOPLE HAVE DIED THIS YEAR FROM SELFIES THAN SHARKS:

The media hype over shark attacks reached insane levels this year. This led conservationists like Richard Branson, Shark Attack Survivors for Shark Conservation and The Pew Charitable Trusts to support efforts to restore and conserve the world's shark populations—warning against turning an uptick in attacks into "an excuse to kill more sharks." After all, humans kill far more sharks every year—at least 100 million more—than sharks kill people. Earlier this month, a park in Colorado had to close because too many people were getting dangerously close to bears to take selfies. And this was no isolated incident. Wildlife authorities in the Lake Tahoe area, Yellowstone National Park and other recreation areas have repeatedly cautioned visitors against getting too close to bears, bison and other large animals. The latest death by selfie happened when a 66-year-old Japanese tourist died, and his travel companion was injured, after falling down stairs while attempting to take a selfie at the Taj Mahal. The man's death raises the selfie toll this year to 12. To put that in perspective, in 2015 there have so far been eight deaths caused by shark attacks. Other deaths have been caused by distracted photo-takers falling off cliffs, crashing their cars, being hit by trains, and even shooting themselves while posing with guns. It's not clear if the number of daredevil selfies is increasing, but more and more tourists are making headlines because of their dangerous attempts at a memorable photo. Australia has issues with dare devils taking selfies too. They can't get people to stop taking pictures on a rock that is on the verge of crumbling into the ocean, and it's been such a problem in Russia that the government launched a campaign to warn people about the dangers of selfies.

## HOSPITAL VISIT:

A six-year-old went to the hospital with his grandmother to visit his grandfather. When they got to the hospital, he ran ahead of his grandmother and burst into his grandfathers room.

"Grandad, Grandad!" he said excitedly, "As soon as Grandmother comes into the room, make a noise like a frog!"

"What?" said his grandfather.

"Make a noise like a frog because Grandmother said that as soon as you croak, we're going to Disneyland!!!"

## FINALLY THIS WEEK:

Try to give yourself 2-3 seconds before you go through that green light, especially if it's a busy intersection. A large percent of deadly vehicle accidents occur because some driver wanted to beat the red light. Waiting for those precious seconds makes sure you don't take that risk.

## A WORD OF VICTORY

Welcome back dear reader last week we looked at Jesus' compassion for Mary and Martha on the loss of their brother Lazarus and how He healed their broken hearts by exercising His supernatural authority when He raised Lazarus from the dead. We also saw how Jesus wept at the spiritual condition of Jerusalem. In Jerusalem at that time there was a strong religious system in place, they had the temple where sacrifices were offered for the sins of the people; the High Priest lived there with the Levite priesthood performing many rituals and ceremonies. The Presence of God was behind the veil in the 'Holy of Holies'. All this was a shadow pointing at Jesus the true High Priest. We know from Scripture that when Jesus died on the Cross the veil at the temple was torn from top to bottom and God's Presence departed from there, yet the people did not comprehend what Jesus had been saying and doing thus they didn't receive Him as Saviour and Lord as they preferred religious activities (dead works) which were useless. Today God lives in people who have accepted their Salvation as a free gift - becoming the temple where God dwells (Acts 7:48). We see though that religious activity - rituals and ceremonies - are still preferred by many people who put their trust in such things rather than humbling themselves by acknowledging that calling on Jesus is the ONLY way to be saved and made right with God the Father. You were born to become a son or a daughter of the Most High God, a brother or sister to Jesus Who wants to live in you and through you extend the Good News to other people. The Father loves you friend and He is waiting for you to call and accept the One He sent to save you that is Jesus the Son of God. Don't wait any longer do it right now!

If you have any prayer need please call **064-6622950** or email **wordofvictory@eircom.net**. More next week...

**3RD ANNIVERSARY**

*In Loving Memory of*

**O'MAHONY**

*In loving memory of Thade Timothy O'Mahony, late of Mounthorgan, Rathmore. R.I.P.*

We thought of you today,  
But that is nothing new,  
We thought about you yesterday,  
And days before that too,  
We think of you in silence,  
We often speak your name,  
All we have are memories,  
And your picture in a frame,  
Your memory is a keepsake,  
From which we'll never part,  
God has you in his arms,  
We have you in our hearts.

*Lovingly remembered by your wife Kathleen, sons Noel, Anthony, John, Kieran, Aidan, daughters Nora & Linda & all your grandchildren.*
