## SIGNIFICANT IMPROVEMENTS PLANNED FOR FLESK BRIDGE

Flesk Bridge on Muckcross Road is set to undergo a facelift in the coming months.

Significant improvements to the bridge will take place as part of a €2m investment in the upgrading of twelve bridges around the county.

Works to the bridge parapets, railing and road surface will be carried out and improvements will also be carried out to the footpath and cycle lane across the bridge. The works, which commence on Monday next and run until mid-December, will require a one-lane stop-go traffic system at the bridge to allow the works to be

completed as quickly as possible. Motorists are asked to drive with care on the Muckcross Road while this enhancement is carried out.

The work on this important tourist route is being carried out during the off-peak season to minimise disruption.

The investment, with the support of Transport Infrastructure Ireland, represents an important enhancement to this well-known bridge across the River Flesk and is indicative of Kerry County Council's commitment to upgrading infrastructure in the Killarney area.

## SECOND ALL-IRELAND TITLE WIN FOR KILLARNEY GOLF CLUB LADIES

Killarney Golf & Fishing Club have claimed their second All-Ireland title in just over a month in the AIG Senior Foursomes Final. The finals of the Ladies AIG Cups and Shields took place at Malone Golf Club, Belfast last week (28th-30th September). The club's Senior Foursomes Team defeated Lurgan in Thursday's semi-final and went on to meet Roscommon in the final on Friday. The final proved to be a nail-biting encounter with the overall result coming down to the final match. Play had to be suspended on Friday due to darkness, with the final match against Roscommon involving the pairing of Eimear O'Donnell and Amy Arthur, undecided after 20 holes. Play resumed at 10am on Saturday morning and the team were crowned the winners after Eimear O'Donnell holed a five-

footer for par on the 21st hole to give them the All-Ireland title. This has been a momentous year for the club with two Ladies Senior teams winning All-Ireland titles.

In August, the Club's Senior Cup team won the All-Ireland for the first time in the Club's history and now we have our Senior Foursomes team winning another

All-Ireland title. This is testament to the strength and depth of talent we have in our Ladies section. The team managers and panels put a huge amount of work into the preparation for these competitions and it's been fantastic to see all that effort pay off. The support received from the club members has also been a significant factor in their success. It's a brilliant achievement and we're just hugely proud of them,' said Cormac Flannery, General Manager of Killarney Golf & Fishing Club.

The Senior Foursomes Team manager was Claire Keating and the panel included Mary Sheehy, Fidelma O'Connor, Deirdre Prendergast, Anne Moynihan Rudden, Eimear O'Donnell, Lady Captain Amy Arthur, Mary O'Doherty and Corrina Griffin.

The joint event is being funded and managed by the Local Enterprise Office Cork North & West along with the Local Enterprise Offices South Cork, Cork City and Kerry, Cork County Council, Kerry County Council and Cork City Council.

"I was asked to be ambassador for the region and was accepted much to my delight", Deirdre told the Killarney Outlook.

"I have availed of many of the courses rolled out by the Local Enterprise Office to build on my skills and have found them extremely useful", she added.

"When I started out 27 years ago there was very little support for

the retail trade but that has all changed now and the support of the Local Enterprise Office is a fantastic benefit to myself and many other businesses", Deirdre said.

The theme 'New Markets – open doors to new markets...branding, retail and online sales', should interest a wide sector of women in business.

At this inspirational event, keynote speakers will include: Fiona Gratzier, Unislim and Alina Uí Chaollai, Marketing Director, Largo Foods as well as Lorraine Higgins, Head of Public Affairs and Communications with Retail Excellence.

Whether you are someone with a business idea in mind, a new business start-up or a well established business, this event is a must for you and your business in October. ## THE JUGGLE OF FAMILY AND BUSINESS LIFE STILL A STRUGGLE FOR FEMALE BUSINESS LEADERS

Research findings based on a sample of 150 business women conducted by the Local Enterprise Offices in Cork and Kerry has found that childcare is among the biggest barriers for women starting their own business. It found that more than 70% of female business owners who are mothers find that childcare costs are a major challenge. The research was carried out ahead of a special event for aspiring female entrepreneurs and female-led businesses across the region in Inchydoney for National Women's Enterprise Day on Thursday 12th October.

More than half feel that setting up a business as a woman is more challenging than it is for a man with the main reason being that family duties still fall on the woman to manage on a day to day basis. Lack of confidence was also found to be one of the biggest issues facing women wanting to start or grow their small businesses. This is

evident from findings on the LEOs' Women in Business programmes which are run throughout the year. "Open doors to new markets" is the theme of the event on October 12th and will focus on how established and aspiring businesswomen can tap in to Ireland's rapidly growing digital economy which represents €12.3 billion (6%) of Ireland's GDP. With Irish consumers spending €850,000 per hour online, 24 hours a day, attendees will learn from some of Ireland's top female business leaders about building a better business while also learning to deal with and overcome everyday stresses.

Christine Heffernan, Business Adviser with the Local Enterprise Office Cork North and West said, "Childcare has always been a limiting factor for self employed women and is still something we come across every day with our female clients. Not only is the cost of childcare a major issue but

maternity leave for self employed women, particularly sole traders, is a bugbear as they must decide whether to return to work early or take the State benefit available to them but essentially close their business for those 26 weeks, which isn't viable for many.

Traditionally it has been the mother to give up work and stay at home, and although this has shifted somewhat in recent years, the juggle of work and home still falls – in the main – on the woman. While we can't change this, we can champion and support female business owners to empower young women and show them that although it might be tough, it can still be done.

She continued, "We will welcome almost 200 women to our National Women's Enterprise Day event in Inchydoney on October 12th where they will learn the importance of branding, retail and online sales and leave feeling inspired and driven which is what

Oifig Fiontair Áitiúil  
Local Enterprise Office

the day is all about."

Among the speakers will be Alina Uí Chaollai, Marketing Director, Largo Foods, Fiona Gratzier, MD Unislim, Lorraine Higgins, Head of Public Affairs and Communications with Retail Excellence, Sharon Corcoran, Director of Services, Economic Development, Enterprise and Tourism, Cork County Council and Attracta Burke, bestselling author of "The Formula - How to be your very best". A panel discussion with Cork and Kerry SME owners will also be a highlight.

Tickets for the National Women's Enterprise Day event in Inchydoney can be booked from the Local Enterprise Offices website or through [www.nwed.ie](http://www.nwed.ie) and further details are available from @NWED on Twitter and @NWEDireland on Facebook.

## DERRY SERVES UP A TREAT FOR THE RNLI LIFEBOAT CREW

Last year, RNLI lifeboat crews across Ireland launched 1,136 times rescuing 1,649 people.

Kerry lifeboat stations launched 38 times and rescued 47 people, spending a total of 393 hours at sea on service. The charity relies on donations from the public to continue its lifesaving service.

To raise funds to this worthy cause, Derry Clarke, owner and chef at the famous L'Ecrivain restaurant and star of RTE's *Lords and Ladles*, turned Valentia Lifeboat Station in Kerry into one of the country's top dining spots today (Friday 29 September), when he treated the volunteer lifeboat crew to a delicious Fish Supper to promote the charity's latest fundraising initiative.

Derry is supporting the RNLI's Fish Supper campaign which is due to take place between the 13th and 15th of October and is calling on people across Ireland to sink their teeth into a delicious fish dish to raise vital funds for the lifesaving charity.

The menu for the lifeboat crew was made up of a number of mouth-watering seafood dishes including cured salmon with

cucumber, apple and dill, seafood chowder, Flaggy Shore oysters and Lambay Island scallops with cauliflower and raisins. Local hotel and restaurant 'The Royal' also got involved when local chef Ryan Walsh added a surprise extra course of fish gratin.

Speaking while cooking *Al Fresco* at Valentia Lifeboat Station, Derry said: 'It is an absolute pleasure to cook for the Valentia lifeboat crew. I love cooking for the RNLI, and

seafood dishes are always a crowd pleaser. I do an annual BBQ for the RNLI with my wife Sallyanne on Sherkin Island and at Courtown in Wexford so it's about time I got out to the West coast. The only issue is that you never know if you have enough food as lifeboat crew are always hungry.'

'I urge anyone who hasn't tried cooking fish before to give it a try, and impress your friends and family while raising vital funds for

the RNLI's brave lifeboat crews. We are lucky enough to live on an island with a beautiful array of fish on our doorstep. It's a wonderful idea for a fundraiser.'

The occasion was captured by photographer Jack Lowe, who is travelling around the UK and Ireland photographing RNLI lifeboat volunteers through a Victorian process that captures the stunning images on glass. Jack's visit to Valentia RNLI marked his 100th lifeboat station.

Valentia RNLI Coxswain, Richard Quigley said: 'Our pagers can go off at any time and many a meal has been interrupted for a lifeboat launch. Holding a Fish Supper is a great way for people to support us. They can sign up for a free fundraising pack and then enjoy hosting a fun evening with friends and family.' 'If like us, you're not Derry Clarke in the kitchen, then you can always serve up something simple like a fish finger sandwich or fish and chips. We really don't mind.' ## KILLARNEY CREDIT UNION CONTINUES TO OFFER BEST-IN-CLASS SERVICE FOR ITS 25,000 MEMBERS

Credit unions have earned the number one spot for the best customer experience in Ireland again. Killarney Credit Union joins 270 other credit unions across the Republic of Ireland in topping the 2017 CXi Ireland Customer Experience League Table for the third year in a row.

The annual survey, carried out by Amárach Research for CXi, asks consumers to rate their experiences of 170 brands across 10 different sectors. Over 42,000 customer experiences were evaluated and credit unions again emerged as the overall winners, being rated highest for integrity, empathy and for the commitment of their staff. They were also singled out for the powerful bond forged with members - and the fact that the relationship with members was built completely on

trust. The CXi noted in its report that the products and services offered by credit unions are designed with the needs of their specific membership in mind, and said that credit unions were 'the perfect example' of organisations that 'genuinely care' about their members. The report also said that trust is a hugely important factor in the rankings, and that credit unions are one of Ireland's 'most trusted brands'.

There was a notable gap in the performance between credit unions and the banks. The highest ranking banks were Ulster Bank and AIB in 89th place.

Commenting on the great achievement by credit unions, Head of Marketing and Communications with the Irish League of Credit Unions, Emmet Oliver said: "Our members are our

number one priority and each and every credit union endeavours at all times to deliver the highest possible standard of service for them. Credit unions are different from other financial institutions, not just because we are not-for-profit, but because decisions are made at a local level, allowing credit unions a good deal of flexibility to provide services that are tailored to the individual needs of members."

Also speaking about the accomplishment, Mark Murphy, CEO of Killarney Credit Union said "We are proud to be part of a movement that is regarded so highly across the country for customer experience. Killarney Credit Union has always provided the highest standard of member service, because we genuinely care about each and every one of

MARK MURPHY, CEO OF KILLARNEY CREDIT UNION

our members. We have forged a strong bond with our members - a bond that is built on trust. We have always put our members first and we will continue to do so."

## WHAT DOES BUDGET 2018 HAVE IN STORE FOR YOUR BUSINESS?

OCKT Ltd, Chartered Accountants & Registered Auditors holds Budget Forum to examine impact on businesses

OCKT Ltd, a leading Kerry Chartered Accountancy firm, will hold a Budget Briefing at 1.00pm on Wednesday 11th October 2017 at The Malton Hotel, Killarney to examine the implications of the Budget for businesses in Kerry. In conjunction with Killarney Chamber of Commerce, OCKT Ltd is hosting the briefing to share its thinking on the key developments from Budget 2018 with clients and members of the Kerry business community. The

briefing will explain the salient points from the Budget in direct relation to businesses, as opposed to individuals, and will outline tax planning initiatives that can be taken prior to 31st December, so businesses are primed to tackle the budgetary changes as they are introduced.

Speaking at the briefing will be Director of OCKT Ltd, Marcus Treacy, who specialises in corporate finance and corporate recovery. "This briefing will be a good opportunity for businesses to stay ahead of the budgetary measures, no matter what the outcome on October 10th. We

are holding this forum to discuss the implications for businesses specifically, as historically media coverage comprehensively documents implications for individuals and not always those for SMEs themselves.

"We are anticipating changes to various reliefs in capital taxes which could have an impact on businesses, so we are keen to analyse the Budget for attendees of the event and to explain practical measures they can take to protect their businesses, their employees and their livelihoods" he continued.

The event is open to all business

owners and employees and bookings can be made by emailing [info@ockt.ie](mailto:info@ockt.ie) or phoning on 064 6633444. **OCKT Ltd, Chartered Accountants & Registered Auditors, Glebe House, Glebe Place, Killarney, Co Kerry T: 064 6633444 F: 064 6634166 E: [info@ockt.ie](mailto:info@ockt.ie) W: [www.ockt.ie](http://www.ockt.ie)**

# TBEX TOUCHES DOWN – EUROPE'S BIGGEST BLOGGERS GATHER IN KILLARNEY

ADVENTURER AND EXPLORER, MIKE O'SHEA, DINGLE, KEY NOTE SPEAKER, AT TBEX EUROPE, PHOTO: VALERIE O'SULLIVAN

More than 600 of the world's top travel social influencers gathered in Killarney this week to attend TBEX Europe, the largest gathering of travel bloggers, writers, content creators and social media influencers in Europe.

This highly influential group has a combined reach of 380 million travel fans and have been exploring Ireland over the last few days. It is estimated that each delegate will spend an average of two weeks in Ireland - attending TBEX Europe which takes place in the Killarney Convention Centre and travelling before and after the event. For almost half of the TBEX delegates, this will be their first experience of Ireland.

Fáilte Ireland was involved in winning this year's event to Ireland and were on hand to greet delegates with a special welcome video. Fáilte Ireland CEO, Paul Kelly explained the importance of the event for Irish tourism:

"No other event offers Ireland the opportunity

ANTOINETTE O'REILLY, DECLAN MURPHY AND BRENDA KING, FÁILTE IRELAND. PHOTO: VALERIE O'SULLIVAN

to meet with so many travel bloggers, traditional travel media, digital content creators and social media influencers all at once and we have been working hard to ensure Ireland can reap the benefits of their time spent here.

"When we consider the scale of their audiences, hosting these delegates is a unique opportunity for us to increase Ireland's digital footprint and reinforce the many reasons why Ireland should be a destination of choice for these influencers and their followers."

While the delegates are here, hundreds of them are enjoying bespoke Fáilte Ireland fact-finding trips and experiencing first-hand what Ireland's Ancient East, the Wild Atlantic Way and Dublin have to offer. And they are sharing their experiences - already, ahead of the conference, the #TBEXIreland tag has generated 5.5m impressions.

To maximise the opportunity TBEX Europe presents, Fáilte Ireland has been working with up to 500 members of the Irish tourism

industry to ensure they are ready to play their part in providing an unforgettable experience as the TBEX delegates explore the country. Workshops and webinars have provided those businesses with top tips on increasing traffic to their social channels, amplifying positive coverage and using photography to get their message to global audiences. Irish tourism businesses will also have the opportunity to take part in a speed-dating networking session with the international delegates where they will have the chance to showcase their products and pitch story ideas to some of the world's top social travel influencers.

Since its inception in 2009 TBEX has grown into the world's largest travel community, with conferences held annually in North America, Europe, and Asia Pacific. In 2016, TBEX events across the globe reached over 358 million travel consumers worldwide.

# MONEY MATTERS.....

**By Dermot Cronin,**  
**Financial Advisor**

**WHERE CAN YOU GET BETTER RATES OF INTEREST FOR YOUR MONEY?**

Firstly interest rates in some banks are better than others, for example one bank at the moment will only give you .25% interest for a fixed rate account for 2 years, so for €75000 you would only get €187.50 interest over 2 years and that's even before DIRT tax is deducted. However another bank will give you 1.61% for a 2 year fixed rate account which is €1207.50 interest over 2 years before DIRT tax, that is over €1020.00 more in interest that you would earn before DIRT tax. Remember also that some people are exempt from DIRT Tax. In every bank there are customers earning extremely low rates of interest at present. However, by shopping around or getting an independent financial advisor to check up to date interest rates you can substantially increase the amount of interest you can earn by just changing bank accounts, which is very easy to do. Also there can be even better rates of interest available for other products such as longer fixed term accounts. This can be done for you by a financial advisor who is authorised to carry out this business for you.

## CLLR. SHEAHAN WELCOMES FUNDING UNDER TOWN AND VILLAGE RENEWAL SCHEME

The Cathaoirleach of Kerry County Council, Cllr John Sheahan, has welcomed the announcement of over €868,000 in funding for Kerry under the Town and Village Renewal Scheme. The funding from the Department of Rural and Community Development will allow for the revitalisation of many towns and villages across the county.

Rathmore is to benefit to the tune of €100,000 for enhancement works while Farranfore is another area which will receive €40,000 for Public Realm Streetscape.

"This is great news for Kerry and is a very welcome investment in community, enterprise, infrastructure and social facilities in the county. In all, 13 projects in towns and villages have been approved for investment which will greatly enhance those areas," said Cllr Sheahan.

Chief Executive of Kerry County Council, Moira Murrell, said that through the Community Support Fund of 2017, the council has been in position to leverage and secure

CATHAOIRLEACH OF KERRY COUNTY COUNCIL, CLLR JOHN SHEAHAN,

co-funding from other schemes such as the Town and Village Renewal Scheme.

"The council's adopted budget for 2017 – and the Community Support Fund – are focussed on securing co-funding for projects of economic importance in the county and the type of objectives identified in the Local Economic and Community Plan. This funding will help to drive the revitalisation of many of our towns and villages across the county," she said.

Kerry Samaritans had 35, 909 contacts in 2016. These contacts included telephone calls, emails and people who called to the branch. We are here to listen to anyone who feels they need to talk about whatever is worrying them without the fear of being judged, the free phone number for the

Samaritans is 116123.

If you are interested in becoming a volunteer and can afford to spare 3 hours per week then the Kerry branch of the Samaritans are urgently looking to recruit new volunteers and are holding an information night next Monday the 9th of October at 7-30 pm at their centre in 43-44 Moyderwell Tralee, for enquiries please call Josephine on 087 9158779.

## CHAMBER UPDATE

With Paul O'Neill, President of the Killarney Chamber of Tourism & Commerce

encourage everyone to support this new route to Kerry Airport and to Visit Berlin from October.

- The Purple Flag Weekend takes place from 6th to 8th October. We will be carrying out activities over the weekend. My call-to-action is for any retail or hospitality business to decorate your premises, shop window, staff in Purple. This award very much helps Killarney to be marketed as a family friendly night-time destination. Thank you in advance for your assistance.

- The First Annual Retailer Of the Year awards will take place at the end of November. This competition is being ran by our retail group and encourages some friendly rivalry between the shops in town. A mystery shopper will be visiting those participating during the month of October and will be awarding points on aesthetics, retail offering and of course excellence in customer service. AIB have again supported us in this event and we look forward to the results and a night out.

- The new route from Kerry Airport direct to Berlin, every Thursday and Sunday commencing Sunday 29th October 2017.

Berlin to Kerry route will enable us to develop new tourism markets in to Kerry in the off-peak season. Chamber are collaborating with the airport and other such strategic partners as and of course Ryanair. To maximize the opportunity.

To support this new route Kerry Airport will be hosting an industry workshops in Killarney on the 12th of October to assist the local stakeholders to focus on the German market from both Berlin and Frankfurt.

In addition an industry familiarisation trip to Berlin is organised from the 2nd to the 5th of November.

Germany is a growth market for Ireland, Germans are the largest outbound market and second in spending terms per capita Worldwide.

With flights from €24.99 Berlin is a wonderful capital city with so much to see and do and we would

- Cultural Centre: Chamber are working with Kerry Co. Co. On the development of the facility here. The proposed project will be on public display shortly and they hope to start work later in the year. Chamber, mainly through the efforts of David Mosca have been instrumental in winning the Arts grant to renovate this facility. He is continuing to work with Kerry County Council to develop the project. Work is due to begin early in 2018.

- Accessible Tourism: We hosted a European delegation last week in relation to the ENAT pilot label. There are nine properties participating in Killarney. The final phase of testing and consultation took place in advance of the Global launch next year. Universal Access (Mr. Paudie Healy) is in the process of developing Accessible Destination Killarney in collaboration with the chamber which is part of a framework agreement signed by the European Network for Accessible Tourism and Fáilte Ireland.

Nine new Hotels were selected last week to start in the 'destination Killarney for all' project over the coming months and next year the full chain of services in Killarney including restaurants, bars, retail and attractions will have the opportunity to achieve the international quality mark.

I would like to congratulate chamber member Paudie Healy Universal Access who was recently appointed to the international board of directors of the European Network for Accessible tourism.

- One of the marquee events in the Killarney calendar is without a doubt Christmas in Killarney. Kate O'Leary has taken over as Chairperson. She outlined the dire situation of the finances. We can all agree the this has been an incredibly successful festival and has greatly benefited the businesses of Killarney over the past 13 years. There is a simple call-to-action; we need money. Representatives from the Christmas in Killarney festival will be in touch soon.

The Stephen Lyne Foundation together with Kerry Stars Special Olympics Club are presenting the first I'm A Celeb...Get Me Out of Here! fundraiser in Kerry at the INEC on the 26th of October 2017.**

**In this week's Killarney Outlook we meet the first four brave contestants who will take part in bush tucker trials for this very worthy cause.**

**Beneficiaries - Kerry Stars Special Olympics & Stephen Lyne Foundation. Main Sponsor - Kerry Drain Services.**

### MAGS HARTY

We all know her as the ever-laughing girl who's forever full of positivity, but Mags Harty's look could soon be all about to change.

A swim instructor around the beaches of Kerry, you'll often find bubbly Mags working (and laughing) behind the counter inside Reidy's Bar in Main Street, Killarney.

Warning: Do not be fooled - behind the broad smile of the friendliest girl in the world is a steely determination and grit who is really looking forward to the challenge.

### SEAN TAAFFE

The world-class hairdresser is on stage as one of the 12 contestants in Im a Celeb....Get Me Out of

Here. He says he doesn't watch TV and he's never actually seen an episode of the reality TV programme. He thinks Bush Tucker is an appliance for cutting hedges. The downside is that poor Sean Taaffe hasn't the foggiest notion of the sheer fear, terror and stomach-wrenching disgust that's awaiting him at the INEC on October 26th.

### BRENDAN KEALY

When the last chapter of Kerry's GAA history is written, All-Star goalkeeper Brendan Kealy will be seen for the gutsy guy he is. He's been the last man standing

between the Kerry posts for several years, often facing a one-on-one showdown with some of the country's best forwards. He won't be alone on the night, that's for sure. He's bound to have most of his pupils from St Oliver's National School willing him on. Has he fears? Yes he has. Kealy has an unhealthy, crippling hate for spiders - but at least he's man enough to admit it up front.

### GAVIN O'LEARY

Local celebrity Gavin O'Leary has spent most of his adult life having a right good old laugh at people pulling all sorts of faces and moves

on the dance floor while he belts out the tunes from the DJ box. Now it's the turn of the audience to have a right good laugh at Gavin. Come the night in the jungle, it won't be the crowds or the live audience that will phase Gavin. Oh no. He's a seasoned veteran of charity events. But here's the truth about Gavin: He's either extremely upbeat or in total denial.

## THE GLENEAGLE HOTEL TURNS SIXTY

It's 1957, the space race has begun, the showband era is in full swing, The Everly Brothers' Wake Up Little Susie is all over the airwaves and a small country-house-hotel in Killarney has just opened its doors. The Gleneagle Hotel officially turns sixty this month and to celebrate the hotel is hosting a dinner dance on Saturday, October 14. The evening will commence with a three-course gala banquet in the legendary Gleneagle Ballroom followed by a nostalgic step back in time with dancing to The Legends of The Cork Showband with special guest Sandy Kelly. The Legends of the Cork Showband

includes Joe Mac of the Dixies, Art Supple and his seven-piece showband, Terry McCarthy and Tony Stevens. The Gleneagle Hotel was originally known as Flesk House. It was an eight-bedroom Georgian building constructed in the 1830s as a private home for one of the Herberts of Cahernane. It later became the stately home of Lord Headley. The house was first opened as a hotel by Eustace McMorrough-Bernard, a member of a famous Killarney family and later passed into the hands of Mr. William Gilmore who also ran a thriving hotel. The house then reverted to the role of a private residence when bought by Archie Graham. Flesk House was purchased by Paddy and Sheila O'Donoghue in 1957 and on 11 October 1957 The Gleneagle was registered as a licensed hotel. Tickets for the celebratory dinner dance cost just €35 per person and this price includes both the banquet and the dance. To book phone 064 6671550.

## ON TOUR AGAIN - THE RISE AND RISE OF THE HEALY-RAES

WRITTEN BY KILLARNEY STORYTELLER AND ACTOR RAY O'SULLIVAN. 'THE RISE AND RISE OF THE HEALY-RAES' IS THE HILARIOUS AND SOMETIMES POIGNANT STORY OF BACHELOR BROTHERS DENSEY AND PJ DOONA WHO APPEAR TIME-LOCKED IN A LIFE OF LONELINESS AND CELIBACY IN THEIR SMALL FAMILY FARM IN KERRY. STARRING, CATHY O'SULLIVAN, ANNMARIE NELLIGAN AND RAY O'SULLIVAN (PLAYWRIGHT). THE PLAY IS DIRECTED BY AIDAN O'CONNOR. PHOTO: VALERIE O'SULLIVAN

The sell-out stage comedy that tells the story of the Healy-Rae political machine and how it brought the Kilgarvan family to political fame is back for its second tour this year. Written by Killarney actor Ray O'Sullivan, The Rise and Rise of the Healy-Raes is also headed for a showing in Dublin as part of the production's winter run. The play sold out to eight performances all over Kerry earlier this year and is now returning with five more performances including the Teacher's Club on Dublin's Parnell Square. The two-act play tells the story of bachelor brothers Densey and PJ Doona who live their lives parallel to the rise of the Healy-Rae political dynasty. Hilarious at times, the play is also a poignant exploration of life in rural Ireland, loneliness, celibacy, marriage and how politics affects and changes people's lives. "My dream was always to write a play and see it staged. It's a delight to see that people have enjoyed it so much to date," Ray O'Sullivan said. "We'll be very interested to see how an audience outside of Kerry will view the play. I think the director Aidan O'Connor has turned something ordinary into something we believe is very, very special and we hope the audiences in Dublin and

elsewhere will feel the same way." The play sold out at all eight venues well in advance during its last run titled 'The World Tour of Kerry'. The play was staged at Beaufort, Scartaglen, Castleisland, Killorglin, Kenmare, the Gleneagle, Listowel and Foilmore. Michael Healy-Rae said that audiences will be surprised at what they see and described the play as something 'far bigger than the Healy-Raes'. "This is not just about the Healy-Raes. This is about a way of living that is very true to life. It is very honest and down-to-earth. It's a much deeper play than people might expect," Deputy Healy-Rae said. "A lot of people might have a play in their head. But to actually write it and get it out on stage and see it out as a successful venture takes a very intelligent, talented bunch of people. The acting at times would literally put the hair standing on your head, it's so real." The venues for the upcoming tour are: Nov 11th: Rathmore Community Centre Nov 18th: Teacher's Club Theatre, Dublin Nov 25th: CYMS, Killorglin Nov 30th: Ivy Leaf, Castleisland Dec 2nd: INEC, Killarney The Rise and Rise of the Healy-Raes is written by Ray O'Sullivan and Directed by Aidan O'Connor

The annual 'Deer Rut' viewing walks by the Kerry Deer Society will take place on Wednesday 11th October in Knockreer area of Killarney National Park. The group will meet at Kings Bridge opposite the Cathedral at 6pm. A second walk will take place on Sunday 15th October 2017 on the

Old Kenmare Road, meeting at Torc Upper Car Park at 2pm. Appropriate clothing and footwear is recommended and if you have a binoculars bring them with you. Everyone is welcome to join these free walks.

### KILLARNEY ACTRESS ON BBC DRAMA

Killarney's own Jessie Buckley is a star set to rise even further. The actress and singer has been shortlisted as one of Screen International's Stars of Tomorrow.

Jessie is the eldest daughter of Marina Cassidy and Tim Buckley from Murkross and was a member of the Killarney Musical Society before heading to London to take part in Andrew Lloyd Webber's TV Show I'd Do Anything. Fresh from wowing Toronto with her new movie Beast and her successful turn in the BBC's

production of War and Peace, she will now be on a screens in a new six part series. Set in 1965, The Last Post, is written by BAFTA winner Peter Moffat and is based on his childhood memories and his father's career as an officer in the Royal Military Police. The series is a close up view of army life set in the heat, glamour and extreme danger of Aden (Yemen) in the 1960s. Jessie focused mostly on theatre up until this last year. She sprung to fame when she appeared on the 2008 reality series I'd Do Anything to earn the role of Nancy in Oliver, the musical. She then took to singing around the jazz clubs of Britain in the year that followed. Jessie then went on to play Perdita in Kenneth Branagh's The Winter's Tale in 2015, where she proved beyond doubt that she was a classical actress. This led to the role of Shakespearean actress Lorna Bow in 19th century thriller Taboo. Other projects she's been involved with include The Woman in White, and Tom Harper's Country Music. The Last Post airs on BBC One Sundays at 9pm.

Dr. O'Brien, Bishop of Kerry, opened, consecrated and dedicated the new church at 11 o'clock on the 10th of October, 1937. Having blessed the exterior first, the bishop on his way to the main entrance was met by the architect, Mr. Robinson who presented him with a gold key. With the key he opened the church and then consecrated the interior. It is dedicated to "Our Lady of the Holy Rosary". The bishop then presided over solemn high mass which was concelebrated by over twenty priests. The choir was prepared by Sr. Assumpta, Rathmore and conducted by Mrs. O'Leary. KCC responded by saying "An assessment by the Municipal District Engineer and Biodiversity Officer will be carried out. If appropriate, an application for funding will be made available to the OPW".

The scheme will provide an exemption from Income Tax up to a maximum of €40,000 per annum for a period of two years to individuals who set up a qualifying business; having been unemployed for a period of at least 12 months prior to starting the business. It runs from 25 October 2013 to 31 December 2018.

#### Who qualifies for this relief?

You may qualify for this relief if:

(b) during that period you were in receipt of any of the following:

- crediting contributions
- jobseeker's allowance
- jobseeker's benefit
- the one-parent family payment

## Astrid Longhurst

Life & Body Confidence Coach

### STOP REACTING & START RESPONDING!

Behind every thought we think and every action we make there is an intention. Something that drives, motivates or pushes us to make the choices we make. With every choice we make there is a consequence. When you choose one path, you are leaving hundreds of others behind. When you say "Yes" to one thing you are saying "No" to others. The choices we make shape the story of our lives.

So how do you make choices or decisions? What do you base them on? Many people make reactive decisions. These are choices, which are determined by an automatic response to something that someone has said or done to them or situations that suddenly arise. These are usually decisions that have little or no awareness or intentioned choice around them – they are simply "knee jerk" reactions. The problem with these are that they can undermine what your true intention really is.

For example, say that your intention is to have peace of mind. Later that day you find yourself in an argument with someone. You both feel that you are right and continue to argue the point. As you both stand your ground, you are miles away from creating peace of mind. The question here to ask yourself is "Do you want to be right or do you want to have peace of mind?"

When you begin to live your life from your intentions rather than from automatic reactions, you begin to experience more emotional freedom. There is a sense that you have more control over how you are able to respond to life's events, people and situations. Every morning before you get up ask yourself what your intention is for the day, then consciously choose to live your day around that intention.

Join me in an evening of positivity on Wednesday 15th November. At The Meadowlands Hotel, Tralee. Please visit <https://www.astridlonghurst.com/events> to book & pay online. Cost is €20.00

## FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

### LOST YOUR MOJO TO EXERCISE?

#### CONTINUED....

- Keep a journal of your mood changes
- Track how many calories you burn each week
- Set yourself some goals
- Ask a buddy to help motivate you to keep going
- Buy some new workout gear (this always worked for me, I loved clothes so when I had something new I couldn't wait to put it on to use it)
- Take some progress data e.g. Body weight changes, body measurements, amount of steps taken, time taken to complete a route, quantity of reps or sets, weight lifted. It all counts once it can be recorded and compared

Pick exercise that gives you a lift when you do it. Something you will be excited about going doing. This will quickly help re-ignite your spark and get that mojo back firing.

Basically stop making excuses and just get up off your ASS and make it happen. No one likes listening to someone moaning and being negative all the time, so don't be one of those people that others dread to be around. Exercise will make you feel better, it will make you healthier, it will make you happier. So go do it!

## OUTLOOK FASHION

### ROUND DOWN IN DENIM

When in doubt, go with the smaller size in jeans. They always stretch, and nothing's more unflattering than the unintentionally baggy derriere.

### HEALTH TIP

#### CAREFUL HOW YOU COOK!

Switch to steaming, boiling and baking to cook food rather than frying or roasting to reduce your fat intake!

### Beauty tip

#### Coverage

Use your fingers to apply your foundation if you want sheer coverage and a brush for medium to full coverage.

**GARDENING OUTLOOK**

with **John O'Sullivan**

**FOCUS ON ROSES**

Planting roses this time of year will give you colour for years to come.

Container grown roses can be planted any time of the year but the autumn and the springtime are the best.

Bare rooted roses can be planted from late Autumn until around mid March.

Bare rooted roses are plants that are dug up straight from the open ground when they are dormant and best planted or heeled into some earth as soon as possible.

Make sure when you are planted bare rooted roses to heel them in well with the heel of your foot to prevent their roots from being moved in the wind.

Roses are hungry plants so make sure when you're planting to add plenty of manure or a rose fertilizer.

## LOOKING AFTER YOUR MENTAL HEALTH

Oct 10th is World Mental Health Day and October is Mental Health Month and we reflect on what we can do to look after our mental health? Having good mental health means that we enjoy a sense of overall wellbeing. We function well in our everyday life and feel confident and secure in ourselves. There will be times in our lives when we will need to boost our mental health and wellbeing and the following tips can help us to stay on track.

1. Connect with Others. Building and sustaining good relationships with others can support and enrich our lives. Good quality relationships impact positively on our wellbeing and bring great rewards.
  2. Participate in life and share interests. Being part of a group of people with similar interests can greatly enhance our sense of belonging and is good for our mental health.
  3. Look after yourself. Eat well and keep active. Doing activities that we enjoy such as dancing, walking or gardening can all help us to feel good about life.
  4. Volunteering is a great way to meet people and also a great way to learn new skills. One study showed significant health benefits for those who volunteered 100 hours or more a year. Another study showed older generations had less of a decline in health and lived longer when they volunteered!
  5. Having a sense of purpose. Knowing what's most meaningful in your life and clarifying what is important means you will spend less time focusing on unimportant things and eliminate stress.
  6. Let go and accept what you cannot control.
  7. Deal with Stress. Know what stresses you and how you react. Avoid stress triggers if you can and if they are unavoidable learn how to manage them. Maintaining a balanced lifestyle will help you to cope with stress. Try yoga, meditation or breathing exercises to keep stress at bay.
  8. Challenge yourself. Take on a new challenge or learn a new skill. Learning and developing new skills enhances our 'mental fitness', gives us greater confidence and a sense of achievement.
  9. Gratitude. Being grateful for what is working well in our lives and for what we have is important for our mental health.
  10. Practice mindfulness. Focusing our attention on the present moment helps us to not get caught up thinking about the past or worrying and planning for the future.
- If you are worried about your own mental health, speak to a GP or a professional. Call today to SouthWest Counselling Centre to talk to a professional.

To coincide with World Mental Health Day and Month in October, SouthWest Counselling Centre will be having an annual fundraiser on 6th October. We will also have a Coffee Morning at Lir Coffee shop 10am-2pm. And a street collection on 13th in Killarney. ### LISTOWEL CELTIC THROUGH IN GIRLS NATIONAL CUP

Listowel Celtic u16 Girls made no mistake in their National Cup South West Region game as they defeated Carragiline 8-1. Their goals came from Aoife Horgan 4, Zara Doherty 2 and 1 each from Caoimhe Spillane and Aisling Kelly. Listowel Celtic are at home to another Cork side Wilton United in the next round.

### INTER KENMARE GIRLS REPRESENT THE LEAGUE

The first action of the Girls season saw Inter Kenmare represent the League in the Regional National U12 Blitz qualifiers played at the Cork IT. The event comes a bit early for Kerry sides as the Girls League is only kicking off in the next two weeks. Never the less the Inter Kenmare side did very well losing out to the two eventual qualifiers from Cork. Inter went down 3-1 to Lakewood Athletic with Chloe Cremin on the mark. Against Ringmahon Rangers the Kerry girls just lost out by the odd goal in 7. Cremin hit two in this game including one from the penalty spot with Tara Desmond also on the mark. As well as the two scorers Moya Granville and Orla O'Brien also impressed for Inter.

### KILLORGLIN AND PARK EARLY LEADERS OF 12 PREMIER

In the JK Sports 12 Premier Killorglin's narrow 2-1 win away at Killarney Athletic sees them move onto 6 points from their 2 games. Mathew Moynihan had put Athletic ahead in the first half but Killorglin levelled before the break and got a late winner in the second half. The Park had it a little easier as they were 5-1 winners over Inter Kenmare at Christy Leahy

Park to also have two wins from their first two games. Jay Olajitan hit a hat trick for the Park with Jack Slattery netting the other two have set up the three goals for his team mate. Zack O'Shea was the Inter scorer. Killarney Celtic added 3 points to their opening draw as they proved too strong for a young LB Rovers side. Jamie Moynihan, Ted O'Gorman, Josh Bowler, John O'Grady and Padraig O'Donoghue all got on the score sheet for Celtic. Molly Duggan hit 2 for Dynamos with Rory O'Halloran adding the third. Iveragh United have open their campaign with two draws, the second coming against Dynamos with the game ending 1-1. Finn Barrett got the Iveragh goal while Dynamos will be happy to have their first point on the board after an opening day defeat.

### LISTOWEL CELTIC JOIN KILLORGLIN AT THE TOP OF 12 DIVISION 1

Listowel Celtic's 5-2 win over Killorglin B was an important one as the mid Kerry side were looking for three wins in a row. However they remain on 6 points and are now joined on that mark by Listowel who also have a game in hand. For the North Kerry side Evan Boyle hit 4 with Ben Corridan getting the 5th. Dara Clifford and Jamie Casey replied for Killorglin. Killarney Celtic B are off the mark after defeating Tralee Dynamos B. Jack Tangney, Kieran Boyne, Vishnu Mandaran, Eugene Crowley and Cian Guerin were the Celtic B scorers.

### CAMP JUNIORS TOP DIVISION 2

Camp Juniors have made the perfect start to the JK Sports 12 Division 2 with 2 wins from 2. Callum O'Brien opened the scoring for Camp against a very hard working Ballyhar defence. His goal came after great work by Mark Farrell. The Fitzgerald brothers took over in the second half with Paudie goaled first with Diarmuid wrapping up the scoring and the three points. Killorglin C will be happy enough with their 4 points from 6 as they defeated Listowel Celtic B 7-2. Aaron Doyle had a great day hitting 5 with Michael Roche and Alex Scannell also hitting the net. Aaron Carey and Ruairi McCarthy replied for Listowel Celtic B. Killarney Athletic B and the Park B shared the points in a 1-1 draw. This was Athletics second draw from their two games while Park B were making their Divisional debut. Athletic were 1-0 up at half time before Mohammed Abbulla equalised after the break. The Woodlawn side again went ahead before Eldion got the second equaliser for the Tralee boys.

### ATHLETIC AND PARK BEGIN THEIR 14 PREMIER CAMPAIGN WITH AWAY WINS

Killorglin still lead the way without having played yesterday as they are on 4 points. Killarney Athletic were playing their first game and enjoyed a good 3-1 away win at Killarney Celtic. The home side got off to the ideal start when Luke O'Neill scored after 8 minutes. Sean Dineen levelled matters after 17 minutes and then Roco Rujevcan put the Woodlawn side ahead before the break with a 25 yard drive. Athletic wrapped up the win when Dylan Roche sealed victory with a brilliant goal later in the game.

The Park were a little stronger than the

neighbours Tralee Dynamos and took the points with goals from Cianan Cooney, Colin Doody, Sean O'Connor, Sean O'Connell, Cillian Murphy and Missiah Chirwa.

### THREE FROM THREE FOR BALLYHAR IN 14 DIVISION 1

Ballyhar are certainly the team to catch in the early stages of the 14's Division 1 as they now have 9 points from their three games. The game was tight in the first half with a James Horan goal and an og being cancelled out by goals from Celtic's Gary Wynne and Rian Kelly. However Ballyhar took over at Celtic Park in the second half hitting 5 without reply. Stephen Palmer, Colm O'Shea, James Horgan, Luke Costello and Jack Teahan were their scorers. Iveragh United opened their campaign with a 3-1 away win at Kilbreen Park. Mikey Kavanagh scored twice and Ronan Teahan once in their win while Oisín O'Leary replied for Mastergeeha.

### LB ROVERS STAY TOP OF 14 DIVISION 2

LB Rovers move onto 4 points from their opening 2 games following a 1-1 draw away to Listowel Celtic B. Mikey Dunworth got the goal that keeps them at the top of the table. Killarney Athletic B were involved in an amazing 13 goal thriller as they defeat MEK 8-5! MEK opened the stronger and were 2-0 up after 6 minutes but by the half Athletic had turned things around and led 3-2. The Killarney side were the stronger in the second half hitting 5 to take the win but credit to MEK as they never gave up and scored three but it wasn't enough. For Athletic Liam Sheehan hit 3, Teddy Muldoon 2 with Jack Maguire, Karl McCarthy and an og the other scorers. Kevin Harant 2, Eddie Moroney, Sam Buckley and Dean Sheehan were on the mark for MEK.

The Fenit Castleisland game was the story of two late penalties. The game was scoreless at half time but two late penalties converted by Fenit's Eddie McCarthy and Castleisland's Alex Kepp saw the spoils shared.

### PARK AND KILLORGLIN WIN ON OPENING DAY OF 16 PREMIER

The opening games of the Tralee Trophy World 16 Premier Division saw wins for Park and Killorglin. At Christy Leahy Park the home side were 7-2 winners over Killarney Athletic

after leading 3-1 at the break. Nathan Holden, Terrance Carmody, TJ McMahon, Mervyn Shalemba and Jack Carmody 3 were the Park's scorers.

Killorglin were 5-1 winners at home to Ballyhar. Stephen O'Loughlin scored 4 with Callum Russell getting the other Killorglin goal while Craig Boyle O'Sullivan replied for Ballyhar.

## INTER KENMARE GO JOINT TOP OF DIVISION 1

Inter Kenmare join Dingle Bay Rovers on three points at the top of the 16 Division 2 after a 2-0 win over Iveragh United. Daniel Crowley and Aodhan McGearailt were the Inter scorers.

## 3 WAY TIE AT THE TOP OF DIVISION 1

The Park B were 3-2 winners over Fenit in a game of two halves. The Park dominated the first half and were 3-0 up at half time thanks to goals from Robert Kerins, Jacob Radulescu and Sylwester Tranfy. The Park hit two of their goals in quick succession in the 20th and 22nd minute and got the vital third in the 35th minute. Fenit came out a different side after half time and Gavin Burroughs pulled one back with a volley 5 minutes into the second half. Gavin was again on the mark 5 minutes later when a quick free kick caught the Park defence napping. But the Tralee side upped their defensive intensity and held out for the win despite Fenit pushing hard to try and find an equaliser.

## KERRY'S U15'S WINNING RUN COME TO AN END

For the remainder of the game the boys pushed forward with Donnagh Fahy and Colin O'Leary unlucky with good shots. # NEPTUNE ON TOP IN THRILLING ENCOUNTER

Despite leading by 16 points at one stage, Scotts Lakers were eventually overturned by table toppers Neptune in a thrilling encounter at Killarney Sports Centre on Saturday night. It was a match that Neptune were firm favourites to win but the Killarney side went into this match in confident form after a great start to the league campaign in the opening two rounds.

It was a scene reminiscent of one of the great nights of the Killarney basketball glory years in its heyday as an estimated 750 people squeezed into the Sports Centre to cheer on the home side. For long periods it looked as if Scotts Lakers would win this game and they had several opportunities to do so.

Despite the late withdrawals of the injured Mark Greene and Con O'Mahony, the home side started well with Mihail Kapitanov and Justin Tuason leading the way to keep the Lakers in control. Antuan Bootle looked well recovered from a recent injury as he made his presence felt under the boards and Scotts Lakers led 24-14 at the end of the first quarter.

Scotts continued to assert their dominance with Pdraig Lucey and Andrew Fitzgerald dominating the rebounds battle while timely three-pointers from Cian Clernon and

Shane Horgan pushed the home side into a comfortable 42-26 lead with two minutes left in the half.

Indeed the Lakers had several opportunities to open up a bigger lead at this stage but squandered them with careless turnovers. Instead Neptune had a late rally with team captain Gary Walsh sinking a hat-trick of three-pointers to narrow the gap to 48-38 at the half-time interval.

The visitors continued to eat into the Lakers lead with Roy Downey and Gary Walsh doing the damage to trail 50-47 after three minutes.

Antuan Bootle was dominant under the boards and Neptune really struggled to contain him and with Philip O'Connor and Cian Clernon also hitting big scores, Scotts broke away again to lead 64-54 with 1.17 left in the third quarter. However Neptune came back again and another three-pointer from Gary Walsh clawed it back to 66-63 at the end of the third quarter. Again it was the outstanding Antuan Bootle and Cian Clernon making the big scores as Lakers led 72-67 with eight minutes remaining.

Unfortunately the match turned on its head as Neptune went on a 15-0 run in a dazzling spell that lasted less than three minutes. The

Cork side really capitalised on the substitution of Antuan Bootle and forced the home side to commit a series of careless turnovers as Neptune completely took over proceedings.

By the time Bootle returned to the action, Neptune had opened up a ten point lead, 72-82, with less than five minutes remaining. Lakers struggled to come back after this despite the best efforts of Bootle and a big three-pointer from Keith O'Grady but the damage was already done at this stage and Neptune held on to win by five points.

Scotts Lakers coach Vojkan Bencic and his squad will learn from this one and will bounce back again. They travel to Portlaoise this weekend before welcoming local rivals Keanes Killorglin to Killarney Sports Centre on October 14th.

Scotts Lakers St Paul's: Antuan Bootle 26, Mihail Kapitanov 14, Cian Clernon 12, Andrew Fitzgerald 8, Pdraig Lucey 6, Justin Tuason 5, Shane Horgan 3, Keith O'Grady 3 and Philip O'Connor 2

BFG Neptune: Gary Walsh 20, David Murray 16, Roy Downey 14, Darragh

O'Sullivan 10, Enric Nogales 8 Shane Duggan 6, Owen Connolly 4 Ian Thom 3 Ger Noonan 2.

## KERRY GAA SCENE BY JOHN O'LEARY PRO

### GARVEYS SUPERVALU SENIOR FOOTBALL CHAMPIONSHIP SEMI FINALS

The Garveys SuperValu Senior Football Championship Semi Finals take centre stage this weekend with four teams fighting it out for places in the county final on the 22nd of October. Fitzgerald Stadium in Killarney is the venue on Saturday evening for the two Club Vs Division encounters with Kerins O'Rahillys and South Kerry getting proceedings underway at 3pm and holders Dr Crokes putting their title on the line when they take on West Kerry in the second game at 4:45pm.

#### SOUTH KERRY V KERINS O'RAHILLYS 3PM

South Kerry and Kerins O'Rahillys renew acquaintances having already met in the opening round in Strand Road when the visitors surrendered a four points lead having suffered injuries to some key players. Since then the Divisional side have regrouped and had victories over Kilcummin and Dingle before getting the better of Rathmore in the semi final by a three points margin. They come into Saturday's game under a cloud however with doubts about the fitness of their two most prominent players, Killian Young and Bryan Sheehan. Those players apart, they do have a nice mix of experienced players such as Mark Griffin, Brendan O'Sullivan and Paul O'Donoghue through the middle together with up and coming players such as Brian Sugrue, Robert Wharton, Graham O'Sullivan and Matthew O'Sullivan who really caught the eye against Rathmore.

Kerins O'Rahillys followed up that initial win with a fine victory over a fancied Dingle side and in the latter's own Páirc an Ághasaigh at that having lost Tommy Walsh very early in proceedings. Since that evening in Dingle the Tralee side did not exactly set the place on fire in the League and indeed it was only in the latter stages as championship approached that they got their act together. There was no denying the fact that they were impressive in the Quarter final victory over East Kerry a fortnight ago a night on which their big men stood up and were counted. Tommy Walsh was one of those and it bodes well for the Blues that the former county player showed some of the touches that endeared him to Kerry supporters in the late noughties.

This has all the makings of a fine game of football between two sides who have a reputation for attacking football, Both sides have a liberal sprinkling of current and former county players along with some up and coming talent from the successful county minor sides of recent years. The hgame will be refereed by Eddie Walsh of Rathmore.

#### DR CROKES V WEST KERRY 4:45 PM

The second game of the double bill is no less interesting than the first and indeed we are in for another treat in this one when the experienced title holders go head to head against the young

COLM COOPER IN ACTION AT THE COUNTY CHAMPIONSHIP QUARTER FINAL DR. CROKES V KENMARE. DR. CROKES WILL MEET WEST KERRY IN THE SEMI FINAL ON SATURDAY EVENING AT 4.45PM IN FITZGERALD STADIUM.

pretenders from the West. Dr Crokes showed no let up in the momentum they built up en route to All Ireland Club Championship glory when ruthlessly securing a quarter final place when brushing aside the challenge of Mid Kerry and St Brendans amassing a scoring total of 9-31 in the process. They do have the strongest panel in the county of course and furthermore they know how to use those vast reserves of talent when the need arises. They had two good workouts in recent weeks when defeating Kenmare District on the double in both the Club Championship final and the quarter final a fortnight ago. They will be concerned about the fitness of Kieran O'Leary who limped out of that five points victory over Kenmare.

West Kerry are somewhat unique for a Divisional side in that they are backboned almost entirely by players from the one club. An Ghaeltacht provided twelve of the starting fifteen against Austin Stacks in the quarter final and just for the record, their trainer, Paul Quinn is also a Gaeltacht clubman. They are certainly a very youthful side with many of their players such as Cathal Ó Lúing Brian Ó Beaglaoich, Rob Ó Sé, Tomás Ó Sé and Eánna Ó Conchúir in or around the 21 mark. However, they did open their campaign with a loss to Feale rangers and in Gallarus at that but they recovered to see off St Kierans in Round 2, also on home soil, before getting the better of Legion by three points after extra time. They were always shaping like winners against Austin Stacks in the Quarter final however.

This will be a game that will not lack a bit of bite to it; All Ireland champions do not lie down too easily and certainly not in their own back yard but with nothing to lose, the youthful challengers are sure to make a right good game of it. Referee is Brendan Griffin of Clounmacon. Should either semi final end in a draw, there will be a replay. The games are being televised

live by Eir Sport.

The Garveys Supervalu senior football championship final will be played on Sunday October 22nd in Austin Stack Park Tralee at 3pm.

### MATCH DAY ARRANGEMENTS FOR FITZGERALD STADIUM

Eamonn Fitzmaurice is to continue as Kerry Manager

Eamonn Fitzmaurice, has confirmed that he will continue in his role as Kerry Manager for the 2018 season. His current management team will remain in place and additions to the backroom team will be announced in due course.

The County Board and the Senior Team management have agreed to develop in the coming months, a 3 year programme of supports for the senior panel, with particular emphasis on player development and progression together with strength and conditioning.

In order to provide stability and underpin this programme the Chairman of the County Committee, Tim Murphy, will be proposing at the next Co. Committee Meeting on 16th October, that Éamonn Fitzmaurice be ratified as senior manager for a further two year term when his current term ends at the end of 2018. This proposal was unanimously supported by the Executive of the Kerry County Committee at a meeting on Thursday evening last.

#### Junior Premier Championship

Firies caused more than a little surprise when defeating most people's favourites for the championship, Na Gaeil, in the Castleisland Mart Junior Premier Club Championship semi final in Castleisland on Saturday last. The winners, playing some exciting open football, overcame early setbacks when two of their players were black carded to lead by four points at the interval. Na Gaeil fought back to level the game but two fine goals at the three quarter stage propelled Firies to a final meeting against Dromid Pearses on a 3-12 to 0-18 scoreline. The date and venue for that game will depend on the progress of South Kerry in the senior championship:

- If South Kerry are defeated in the Senior Semi Final - Then this game will form the curtain-raiser to the Senior County championship final in Austin Stack Park on Sunday 22nd of October @ 1pm

- If South Kerry qualify for the Senior County championship final then the Junior Premier Championship final will be played in Killorglin on Saturday 28th October @ 4pm

## LEGION GAA NEWS

### U14 BOYS

Our U14 boys fell agonisingly short in their quest for an East Kerry double when going down by the bare minimum to our great rivals Dr Crokes in the Park. A strong wind made it a game of 2 halves and it was Crokes who had the benefit of it in the first half and they cashed in with 3 early goals but some solid attacking play saw us half the deficit with a half time score of 3-5 to 1-7. The second half was a slow burner but the game hit a purple patch halfway through the half and it was all square heading down the straight. In the last minutes Dr Crokes got their necks in front and try as we might we couldn't reel them in. Although defeat was their lot the lads can take great satisfaction out of their years work and the progress they have made. The club is very proud of them and are very thankful to the management team of Donal O Donoghue, John Keane, Tim O Leary, Timmy Joe Fleming and Conor McNiece for their unstinting work and dedication all year.

### U12 GIRLS

The U12 girls qualified for the East Kerry League Final thanks to a fine display against Kilcummin in Direen. The carrot of this game was that the

MEMBERS OF THE COMMITTEE BEHIND THE SPA GAA CLUB FUNDRAISER FOR IAN O'CONNELL. ADRIAN O SULLIVAN, PAUL CASEY, DEIRDRE O SULLIVAN Darcy, ASSUMPTA O DONOGHUE, FINTAN LAWLOR KIERAN HERLIHY, TADHG HICKEY AND IVOR FLYNN.

winner had home advantage against the loser in the League decider. The first half saw Legion make the most of the wind advantage to lead at half time. With Kilcummin having the wind to their backs they threw the kitchen sink at our girls but a brave and heroic display saw us out winners on a 2-6 to 1-3 scoreline. The Final has been fixed for Monday October 2nd in Direen so here's hoping that at the time of reading another victory will have been secured.

### EAST KERRY U16S

Well done to the Under 16 East Kerry District team who beat West Kerry today in the District County Championship Cup Final in Austin Stack Park last Sunday. Congratulations too to manager Mike Devlin who had his troops well drilled.

### AQUILA CLUB O'DONOGHUE CUP ROUND 1

#### KILCUMMIN 2-20 LISTRY 0-13

Kilcummin was too strong for a Listry side depleted by injuries in this Aquila Club O'Donoghue Cup East Kerry Senior Championship Round 1 game played in Listry on Sunday. Kilcummin started with the aid of a strong wind and were 0-7 to 0-1 ahead within 15 minutes as Kevin McCarthy(2), Mikey O'Shea, Kieran Murphy, Matt Keane and Noel Duggan all raised white flags. Listry's sole response came from Derry Aherne as indeed did their entire first half tally of 4 points. Listry found it difficult to penetrate beyond midfield where Kieran Murphy and Kevin Gorman held sway for Kilcummin. Nevertheless, Listry worked

hard and were approaching half time on a score of 0-10 to 0-4 when Kilcummin Kieran Murphy turned the screw with a goal and Kevin McCarthy added a point. Half time Kilcummin 1-12 Listry 0-4.

Resuming with the aid of the gale, Listry looked forward to a better scoreline but it was Kilcummin who powered ahead. Murphy and McCarthy added points before Noel Duggan and Daniel O'Leary put midfielder Kevin Gorman through for his sides second goal 2-14 to 0-4. Listry hit a purple patch and some battling work saw them add 5 points from Derry Aherne, Gary O'Sullivan(3) and Anthony Kennedy. Kilcummin replied with points from Kelvin Teahan (2) and Noel Duggan to leave a 14 point gap at the three quarter stage - 2-17 to 0-9. Listry manufactured a number of goal chances but failed to raise green flags. A Derry Aherne screamer rose just over Brendan Kealys crossbar. Anthony Kennedy rose high to claim a ball at full forward and pass to the intruding Aaron McCarthy whose pile driver rebounded from the cross bar. During this period of Listry recorded 4 points from Derry Aherne(3) and Anthony Kennedy while Kilcummin replied with points from Ian Devane, Noel Duggan and Shane McSweeney. Listry's tough luck was summed up in the final action, when a penalty shot struck the bottom of the upright and went wide. Final score: Kilcummin 2-20 Listry 0-13

## GNEEVGUILLA 0-12 CURROW 0-11

Gneeveguilla won by the minimum against Currow reaching the quarter finals of the Aquila Club O'Donoghue Cup. Both sides had periods of dominance. Currows' Seamus Scanlon dominated mid field and created a platform for his sides attacks. Both defences were strong and Gneeveguilla scored some lovely long distance points from play. Currow's Daniel O'Shea converted frees, notching up 4 points in the first quarter to one for Gneeveguilla by DJ O'Connor - 0-4 to 0-1 in the 14th minute. Currow might have had a greater lead but the Gneeveguilla defence deflected attack to the margins, preventing scores. The visitors settled and took control in the second quarter, notching up 4 points without reply, Padraig O'Connor, Fergus McAuliffe and DJ O'

Currow equalised, Pa Mc Carthy and Martin Howard on target - 0-9 a piece, on 45th minute. Currow then took the lead with Pa Mc Carthy and Daniel O'Shea points- 0-11 to 0-9 on 50th minute. A Currow black card forced a substitution. It was nip and tuck. Cornelius Buckley reduced the gap to the minimum with a point from play. Padraig O'Sullivan levelled the game with a pointed free, on the 31st minute. ## SPA 4-18 GLENFLESK 3-14

In true championship fashion, these neighbours gave the large support plenty to enjoy at Spa in the Aquila Club O'Donoghue Cup Round 1. The scores came fast and furious from the first minute to last. With Michael O'Donoghue on song, Spa were 0-4 to 0-2 ahead after 10

minutes. Glenflesk responded with a Gavin Kelly goal. However within 5 minutes Ciaran Spillane and Evan Cronin had the sides level 0-6 to 1-3. O'Donoghue, Niall McCarthy, Michael McCarthy and Evan Cronin added 5 points for Spa with Darragh Roche hitting 2 for Glenflesk as half time approached. However, Spa was looking threatening. Full forward Andrew Garnett hit the post before a driving run by Shane Cronin saw him awarded a penalty, well struck by Evan Cronin. At half time Spa led - 1-12 to 1-5.

Glenflesk emerged revitalised and drove at the Spa defence. Padraig Healy netted from the throw in. Points from Darragh Roche (4) and Chris O'Donoghue had the scores level - Spa 1-12 Glenflesk 2-9 within 3 minutes. The Spa response was vigorous as they opened a 12 point gap within 5 minutes. Michael O'Donoghue and Evan Cronin pointed before Spa struck for 3 goals from Shane Cronin, Ryan Carroll and the best of the day from Evan Cronin. Spa keeper, James Devane, blocked a Darragh Roche shot and cleared to midfielder Dan O'Donoghue who fired it to the corner where Evan Cronin weaved a path through the defence to rattle the net - Spa 4-15 Glenflesk 2-9 at the end of the third quarter. Michael O'Donoghue, Ayden Mulvaney and Andrew Garnett added 3 more while Lee O'Donoghue had a Glenflesk point in a ten minute period. Spa 4-18 Glenflesk 2-10 with 10 minutes left. Glenflesk responded and held Spa scoreless for the rest of the match, adding 1-4 to their own tally - the goal scored by Ian Roche who was sharpest to a breaking ball. Points from Lee O'Donoghue(2), Roche and Jeff O'Donoghue came too late to deny Spa. Final score Spa 4-18 Glenflesk 3-14.

Killarney Legion steadied things with 3 points before Darragh Fleming finished a great goal to the Dr Crokes. Score at half time: Dr Crokes 3-05 Killarney Legion 1-07.

On the restart the sides swapped points before Killarney Legion enjoyed a purple patch and levelled the game with a string of fine points. With 10 minutes remaining the sides traded points. Both teams created scoring chances but in a nail-biting finish Dr Crokes midfielder Cian Mc Mahon kicked the winning point, from 35 yards, after a bursting run up the middle. ### UNDER 12 GIRLS

The Clubs Under 12 girls football season came

to an end with the conclusion of the East Kerry league last week. Competing in Div 2, the team had a draw with Rathmore in their first game. On the night the forwards were to the fore, with Sinead Oliver and Leah McMahon both being a handful for their opponents. The versatile Amy Clifford was in goal and had great support in defence from Soairse O'Sullivan, Ella Bartlett, Selina Thawiset Collins, and Teagan O' Sullivan. Their second game was v ISG Kenmare, and the girls were delighted to welcome back Keira Geaney from injury and she went on to play a great game, as did Natalia Maj in goal. Eimear Finn, Sadhbh Stack and Cara O' Sullivan performed heroically, and Joceyln Hickey, Sinead Byrne, Ella Barrett and Eleana O'Brien did their utmost for the team but their opponents came out winners on the night. They were victorious in their final group game where Siofra Randles, Katie McCarthy, Alicia Keane and Clodagh McGorrigan stood out. They had home advantage in the B final v Glenflesk. Thsnks to goalkeeper Holly Cronin making a number of saves and Sara Cooper's goal in the first half the team were 3 points in arrers at half time. Despite the tenacious defending of Gráinne Byrne, Esther Green and Ali O' Donoghue and the point scoring of midfield pairing of Pia Hickey and Laura O' Shea the team came up short on the night. Congratulations to Glenflesk on their victory and also to our own Katie McCarthy and Teagan O' Sullivan who've been selected for the Kerry U 12 team.

## COUNTY U16 FOOTBALL FINALS EAST KERRY CLAIM TITLE

**CUP FINAL: EAST KERRY 5-10 WEST KERRY 3-10**

Diollún Ó Geibheannaigh and Ruadhri Ó Beaglaíoch have been superb all through the competition and opened the final with rapid points. However East Kerry, who had a physical advantage, were soon level thanks to Michael Linehan and Killian Buckley and ahead when Linehan laid off to Dylan O'Callaghan for a goal. Undaunted, West Kerry picked off good scores through Ó Geibheannaigh, Ó Beaglaíoch, playmaker Killian Falvey, and a monster '45 by top class midfielder Colm Moriarty. That put them back in front by 0-6 to 1-2. However, with Mark Cooper, Liam Spillane, and Ruairi Doyle controlling the back and Darragh Lyne and Gary O'Connor, supplemented by the athleticism of livewire Darragh Donohue bossing midfield, East Kerry began to make inroads. Niall McGillicuddy pointed a free before Killian Buckley's brilliant lobbed pass teed up Emmet O'Shea for a great goal. O'Shea added a point before Michael Linehan, enormously effective, struck for a goal. Ruadhri Ó Beaglaíoch trimmed the lead with two points but Niall McGillicuddy sliced in for another goal and Darragh Donohue closed out the first half scoring.

Half-time East Kerry 4-5 West Kerry 0-8

Emmet O'Shea, Dylan O'Callaghan, and Darragh Lyne from long range stretched the lead at the start of the second half. West Kerry were working themselves back into the

game, though, with the placement of Cathal Ó Beaglaíoch on the square as a targetman – he was unlucky not to goal early on as Cian Ring made a superb save. Conor Ó Flannabhra, another player who was superb in this half, set up Conchubar Ó Riagáin for a 42nd minute goal and Killian Falvey added a point when his blistering shot rose a fraction too high. Right from the kick-out, Colm Moriarty was unlucky to see a bullet shot just skim the outside of the post. Dylan O'Callaghan and TJ Palmer notched East Kerry points to make it 4-10 to 1-9, but West Kerry were far from done. Colm Moriarty forced another great save out of Cian Ring, but even the Furies keeper was hapless when Ruadhri Ó Beaglaíoch picked his spot. Diollún Ó Geibheannaigh made it 4-10 to 2-10. Killian Falvey struck for a goal as West Kerry laid seige. Séamus Lyne made a great block to deny Darragh Donohue a certain score but TJ Palmer raced through for another goal. A clincher? West Kerry didn't think so! Jack Farrell fed Conor Ó Flannabhra but again Ring was equal to the captain's blistering shot. Again West Kerry attacked a crowded East Kerry square, and a foul on Ruadhri Ó Beaglaíoch saw excellent referee Ger Lynch whistle for a penalty. Jack Farrell's shot was precision perfect – but Ring's full length save was even better. West v Kerry never gave up, but the clock finally ran out on their great efforts and East Kerry

were champions.

Killarney's try was scored by Mike Sheahan and converted by his brother Paudie, while Paudie kicked a penalty also. Next weekend the lads host Limerick side St. Mary's at Aghadoe. Please come along and support the lads, kick off is at 2:30pm.

## WORLD ROWING

Last week, the strength of Irish rowing was once again on show to the world as an ambitious Irish squad arrived in Sarasota, Florida for the World Rowing Championships. With RTE providing live race coverage, Irish eyes were smiling once more as the squad delivered two

gold medals and top performances across the board. The Skibbereen rowing phenomenon continued at full steam with Paul O'Donovan defending his title in the Lightweight Scull while Mark O'Donovan and Shane O'Driscoll delivered an emphatic and impressive win in the Lightweight Pair. Denise Walsh capped a successful year with a sixth place finish in the Womens Lightweight Scull. The achievement of two gold medals placed Ireland joint sixth in the medals table of over 60 competing nations, with the USA and Canada failing to secure gold while a single gold medal was returned by Team GB – putting the immense return for Irish sport in clear perspective. We are especially proud of our very own Olympian and now Irish coach, Sean Casey, whose appointment as Heavyweight coach has served to greatly strengthen the Irish squad. Outside the Lightweight group and among Sean's charges, Sanita Puspure once again was among the top six in the world racing in the Womens Scull. Sanita was agonisingly denied a place at the podium with less than half a second to bronze in her final. However, after a challenging year, a top four finish will give confidence that medal opportunities remain next season. Two new crews in Irish Heavyweight rowing also made their World Championship debut. We send our congratulations to UCD and former Muckcross rower Aileen Crowley who paired with Aifric Keogh of UCC to finish eighth overall in the Womens Pair. Patrick Boomer (Belfast BC) and Fionnan McQuillan-Tolan (NUIG) completed the Irish line up finishing 16th overall in the Mens Pair. A terrific squad performance for Ireland in the US with solid foundations now laid at this early stage in the Olympic cycle for Tokyo 2020.

## KILLARNEY GOLF CLUB - MENS

Club Captain Declan McCarthy, on behalf of the entire Club sends heartiest congratulations to the Ladies Senior Foursomes Team who became All-Ireland Champions on Saturday morning last in the most dramatic style, when they eventually defeated Roscommon in the 3rd and deciding match, at the 3rd extra tie-hole. The match was being played at Malone G.C. just outside Belfast, and the tie-hole match was carried over from the previous evening as they were unable to finish due to the bad weather conditions and as almost total darkness had fallen.

The pairing from Killarney involved in the dramatic and nail-biting play-off were Lady Captain Amy Arthur and Eimear O'Donnell and when they holed their par putt it was enough to clinch the hole, the match and the Championship. The Team, their Manager and Club officials and some supporters were driven to Belfast by Kerry Coaches driver and 7 time All-Ireland medal holder Charlie Nelligan, and Club President Breda Duggan said That Charlie used his experience, and gave the Team a motivational speech before the Final on Friday and again before the Final play-off on Saturday morning, and that Charlie's words were of great assistance to the team.

Declan went on to point out that this has

been an absolutely fantastic year for the Ladies Club, who have now brought two National Championships, their Trophies and the respective Pennants to Killarney, to grace our club, the Ladies having previously won the All-Ireland Senior Cup, the Inter-Club Team Championship. Both Team Managers Claire Keating and Mary Geaney and their teams will be remembered for a very long time, and what was all the more remarkable was the fact that so many members of the Ladies Club were involved in both teams concerned. Club President Breda Duggan added that the Club will be presenting Mairead Martin with the highest honour that our Club can bestow on anyone when Mairead will join the ranks of those who have previously received "Honorary Life Membership" on next Sunday evening, the 8th of October.

The Club competition on Sunday the 1st of October was the Liebherr sponsored Singles Stroke competition on Killeen course. The winner with the best back 9 holes was Donnagh Moynihan with a 70, also on the same score were Alan MacSweeney, George Vass and David O'Callaghan so it was indeed a very closely fought contest.

Full results were as follows, 1st Donnagh Moynihan(9) 70, 2nd Alan MacSweeney(7) 70, 3rd George Vass(4) 70, 4th David O'Callaghan(5) 70, 5th David O'Donoghue(3) 71, Cat.1 Ian Cronin(6) 72, Cat.2 Pdraic O'Connell(10) 73, Cat.3 Jim Sheehan(14) 71, and Cat.4 Sean O'Donoghue(20) 76. Standard Scratch was 74.

## THIS MAN SINGLE HANDEDLY SAVED THE WORLD FROM A NUCLEAR WAR

Stanislav Yevgrafovich Petrov was born on the 7th of September 1939 and became a Lieutenant Colonel of the Soviet Air Defence Forces, he was the officer on duty at the Serpukhov-15 bunker near Moscow on September 26th 1983, when the Cold War was at a peak. Just three and a half weeks prior, the Soviets had shot down a Boeing 747, killing all 269 people on board. It was Lt. Col. Petrov's responsibility to observe the satellite early warning network and notify his superiors of any impending nuclear missile attack against the USSR. In the event of such an attack, the Soviet Union's strategy was to launch an immediate all-out nuclear counter-attack against the United States, as the doctrine of Mutual Assured Destruction required. At 00:40 hrs, the bunker's computers indicated that an American missile was heading toward the Soviet Union. Lt. Col. Petrov reasoned that a computer error had occurred, since the United States was not likely to launch just one missile if it were attacking the Soviet Union — it would launch many simultaneously. Also, the satellite system's reliability had in the past been questioned, so he dismissed the warning as a false alarm, concluding that no missile had actually been launched by the Americans. However, a short time later, the computers indicated that a second missile had been launched, followed by a third, a fourth and a fifth. Mr. Petrov still felt that the computer system was wrong, but there was no other source of information with which to confirm his suspicions. In 22 minutes he would know for sure. The Soviet Union's land radar was not capable of detecting missiles beyond the horizon, so by the time land radar could positively identify the threat, it would be too late. If Mr. Petrov's was disregarding a real attack, then the Soviet Union would be devastated by nuclear weapons without any warning or chance to retaliate, and he would have failed at his duty. On the other hand, if he were to report a non-existent attack, his superiors might launch an equally catastrophic assault against their enemies. In either case, millions of people would die. Understanding that if he were wrong, nuclear missiles would soon be raining down on the Soviet Union, Mr. Petrov decided to trust his intuition and declare the system's indications a false alarm. Despite having prevented potential nuclear disaster, by refusing to acknowledge the computer system's warnings Lt. Col. Petrov had disobeyed his orders and defied military protocol. He was subjected to intense

questioning about his actions. He was no longer considered a reliable officer and his once-promising military career came to an end. Mr. Petrov retired from the Military and lived his later years in relative poverty, spending his retirement in the town of Fryazino. On May 21, 2004, the San Francisco-based Association of World Citizens gave Colonel Petrov its World Citizen Award along with a trophy and \$1000 in recognition of the part he played in averting catastrophe. Lt. Colonel Petrov died on the 19th of May 2017 at the age of 77.

## A SHORT HISTORY OF HARVEST FESTIVALS

Harvest is from the Anglo-Saxon word *hærfest*, "Autumn" and refers to the season for reaping and gathering grain and other grown products. In ancient traditions Harvest Festivals were traditionally held on or near the Sunday of the Harvest Moon which is the full Moon nearest the start of the autumnal equinox. Most years, the Harvest Moon is in the month of September, but around every three years, it occurs in October, as it did in 2017 (it began yesterday October 5th). In Ireland the pre-Christian traditional harvest festival was known as Lughnasadh, named after the god of craftsmanship, Lugh. Of pagan origin it marked the start of the harvest season. The Celts celebrated the harvest season on August 1st and it was called Lammas, meaning 'loaf Mass'. Farmers made loaves of bread from the fresh wheat crop. These were given to the local church as the Communion bread during a special service thanking God for the harvest. The modern tradition of celebrating Harvest Festival in churches is believed to have begun in 1843, when the Reverend Robert Hawker invited parishioners to a special thanksgiving service at his church at Morwenstow in Cornwall. Victorian hymns such as "We plough the fields and scatter", "Come ye thankful people, come" and "All things bright and beautiful" helped popularise his idea of harvest festival and spread the annual custom of decorating churches with home-grown produce for the Harvest Festival service. One of the most well-known harvest celebrations is Thanksgiving in the US. Dating back to the early 17th century, it was originally only celebrated in New England by the pilgrims as a thanks for their first harvest. Beginning in 1846, Sarah Josepha Hale wrote to five American presidents over 17 years, to advocate Thanksgiving as a national holiday in the American South. President Lincoln established a national holiday in 1863.

## HIKERS RESCUED A DOG THAT WAS TRAPPED ON A MOUNTAIN FOR 6 WEEKS

After several attempts over the span of two days, a dog that was missing for six weeks has finally been reunited with her family. The 13-year-old dog ran off from her home with another younger dog from the east side of Mount Bross in Colorado. The younger dog returned home, but Chloe didn't come back. Her owners spent weeks searching for her. Then Trinity Smith saw a post on the 14ers Facebook group that someone had heard a dog crying atop Mount Bross and hiked up the mountain in search of the crying dog with no success. Next morning, Trinity and her boyfriend Sean Nichols headed up again. They called for the dog for four hours with no response. But they refused to give up and kept climbing until they finally heard a faint bark. "We got her!!!!" Ms. Smith posted on Facebook. "After hours and hours of yelling and climbing Sean Nichols & I finally brought this sweet, scared, hungry girl down to safety. After coming back down with her, Chloe's owners were patiently waiting to see if this was their dog that they had been missing for 6 weeks who had ran off with another neighbourhood pup. They assumed after a month of searching that their 13-year-old baby was gone forever. "This poor thing has been stranded high up on a cliff for over a month. She was once a 90 lb. dog who now weighs 26. Glad to have her off that mountain and back with her owners!" Ms. Smith added. Larry Osborne, Chloe's owner, says that she's doing better and is at home now, but still recovering.

## A STRANGER GAVE HER SON \$20 IN A STORE

Alyssa Hacker was at the department store with her 18-month-old son Owen in Fort Smith, Arkansas when they found the toy section. Delighted by the toys, Owen started playing with three of the stuffed dinosaurs.

While Alyssa was trying to figure out which of the three toys her son wanted, Owen suddenly said "Hi!" to an elderly stranger in the aisle.

Alyssa said that this behaviour is not out of the ordinary for her son because he is a very outgoing toddler and his favourite thing to do is say "hi" and "bye" to strangers.

After he greeted the man in the store, however, the senior responded by saying: "Hey sweet boy".

Despite Alyssa being wary of strangers getting too close to her son, the man and the boy began to chat and play. Suddenly, the man pulled out his wallet and placed \$20 in Owen's pocket on his shirt and said: 'I just lost my 2-year-old grandson last week. You take this money and buy this boy all three dinosaurs; and rubbed Owen's back, wiped his tears and walked off,' Alyssa said.

"After Owen yelled 'thank you' Alyssa did use the \$20 to buy the dinosaurs, and she later said "These three stuffed dinosaurs have more meaning than I ever thought a stuffed animal from Target could have. We will hold on to these memories forever!"

## NASHVILLE MUSICIAN BEFRIENDS THE WOMAN WHOSE NEGLIGENT DRIVING LEFT HIM PARALYSED

Freya Markowski drove through a red light on April 27, 2016, and struck David Francisco on his bicycle. Ms. Markowski, who was off her bipolar meds for the first time in years, says she heard a million manic voices in her head while driving that day. She sped through a red light at 40mph.

David Francisco went to the emergency room with a spinal cord injury that left him unable to move his legs.

"I felt like I'd killed someone," she said. "I remember being in a black hole."

A few months later, Ms. Markowski also went to the emergency room for a heroin overdose. As she recovered, she sent a long apology text to Mr. Francisco.

"Flashbacks of your body covered in blood haunted me," she wrote. "I would've traded places with you in a heartbeat... I lost my soul after the accident. I want you to know not a day goes by without me crying for your pain."

"I forgave her at the beginning," he said.

The two formed a friendship based on that forgiveness, and each has been instrumental in the other's recovery since the accident.

"I figured she probably also was going through a lot," he said. "I'd been shown so much support, I wanted to show her some support, it just didn't make sense for me to be angry, as long as it was an accident. I was never angry at her. I was angry at my legs."

On the day of her court date, Ms. Markowski charges were dismissed. "I thought I was going to jail that day. Instead this angel of a woman shows up with open arms. David's dad gave me a really big hug," she said. "How is that possible?"

The dad of the guy who I paralysed?"

After writing and texting back and forth, the two decided to meet in person at a coffee shop in South Nashville. Ms. Markowski ran to him, and the two embraced for nearly a minute without speaking.

"It was a miraculous moment for me, I had been beating herself up since the accident Ms. Markowski said "I forgave myself the moment David held me in his arms."

## NUTMEG THE WORLDS OLDEST CAT HAS DIED AT THE AGE OF 32

Nutmeg, believed to be the world's oldest cat, died in England on September 14th at the age of 32 his owners said.

Liz and Ian Finlay cared for Nutmeg for 27 years after taking him in as a stray when he was 5 years old. The couple said their other cat Spice, who died in the early 2000s, constantly brought Nutmeg into their home before they decided to adopt him.

"We both feel like our hearts have been ripped out. He was our little boy. 'He went downhill so quickly it was unbelievable,'" Ian Finlay said. "He suffered from a bad tooth and he had rasping breath. We knew that when we went to the vets that he wouldn't be coming home."

A spokesperson for Westway Veterinary Group in Newcastle upon Tyne said he suffered heart failure after coming to us with breathing difficulties.

Mr. Finlay attributed Nutmeg's long life to healthy portions of treats such as tuna, cream and hot roast chicken.

The oldest cat ever officially recorded was Creme Puff owned by Jake Perry of Austin, Texas, who died in 2005 aged 38 years and 3 days.

A Melbourne cat named Teddy could now be the oldest cat in the world at the age of 26. His owner Fran English adopted him when his elderly owner was no longer able to care for him. Teddy likes to bask in the sun, eat rosemary and have a shower every day. His human says "He used to try and get in the shower with me so I decided to let him get in one day and it just took off from there" now it's part of his daily routine, including a dry off and using a ramp to hop into bed.

Teddy's vet Phaneul Mponda says "He's very friendly and outgoing - he always wants to be amongst everything that's going on."

Teddy's birth was officially recorded with the Australian Animal Registry and his human has officially applied to the Guinness World Records.

## POLICE SEEK TOILET PAPER BANDITS

Authorities in Arkansas have turned to Facebook to identify a pair of toilet paper bandits caught on camera taking rolls of tissue from a public toilet in a park.

The Cullman County Sheriff's Office posted a video showing the two men stopping their car and walking into the men's room at Sportsman Lake Park.

The video then shows the men exiting the restroom with large rolls of toilet tissue as well as taking the entire toilet paper dispensers which each cost \$100 to replace.

## ANTS ARE LIKE HUMANS AFTER ALL

Entomologist Daniel Charbonneau from the University of Arizona made a recent discovery that, despite how busy and industrious ant colonies seem to be, 40 percent of the workforce spend most of their days doing nothing.

Analysing the video recordings revealed that a colony breaks down into four main demographics, inactive, lazy ants; so-called walkers that spend most of their time just wandering around the nest; foragers that take care of outside tasks such as foraging and building protective walls from tiny rocks; and nurses in charge of rearing the brood.

In a series of experiments where active and inactive ants were alternately removed from their colonies, the researchers think they've determined the purpose that the laziest ants serve: they're a reserve labour force that only gets called upon when they're absolutely needed. Finally, to see what would happen if the colony lost sizable amounts of inactive members, Mr. Charbonneau did a separate experiment in which his team removed the least active 20%, they found that those ants, unlike their top-performing peers, were not replaced.

## A WORD OF VICTORY

Welcome back dear reader praise be to God for the Word that sets us free, "know the truth and the truth (that you know) will set you free" (John 8:32). Jesus said He came to set the captives free (Luke 4:18). The prisoners He is speaking about are people who, because of lack of instruction and knowledge are in a weak position in life, and as long as they stay in that state the enemy will hold them bound and steal from them – their health, finances, family members and their peace and joy and that is where the majority of the human race is right now. The Word of God is likened unto a seed: it's like reader - what you are reading right now is the truth and it is going into your heart as a seed but it needs to be watered and looked after for it to grow and produce fruit for you, be it restoration of health, getting rid of debt and prospering and enjoying peace and joy. But we are warned to be careful of the little foxes that ruin the vines (Song of Solomon 2:15). These foxes are people the enemy uses to rob the seed so that it becomes non productive. The way it works is this – you receive the word with joy and expectation, but then you will meet people who malign the Word of God, who try to convince you that what you are hearing is not true, bringing you into a state of doubt and unbelief (Matthew 13:18-23). I see this in our ministry quite a lot. People who have been delivered from things like cancer or severe debt and walk into victory would, after some time stop moving forward and turn away from the Word of God. As the Scripture says the enemy returns to them and the end result is that they are left seven times worse than they were when they heard the word first (Luke 11:25-26), so the Word that we hear must be protected, guarded and cherished for it to produce what it says it would do. We ministers of the Gospel have been commanded by the Lord to make it simple so that the hearers can understand the Word, take it to heart and produce blessings in their lives which pleases the Lord Who will fulfill His desire that we prosper and be in good health even as our souls (our minds) prosper (3 John vs 2). That's the way it works friend, it's God's way. More next week.....

## NOVENA TO THE SACRED HEART

This prayer was recited every day by Padre Pio for all those who recommended themselves to his prayers:

O my Jesus, You said "I say to You, ask and you shall receive, seek and you shall find, knock and it shall be opened to you", behold I knock, I seek and I ask for the grace of....  
Our Father, Hail Mary, Glory be...  
O Sacred Heart of Jesus  
I place all my trust in You.

## PRAYER FOR HEALING

Heavenly Father, I call on you right now in a special way. It is through your power that I was created. Every breath I take, every morning I wake, and every moment of every hour, I live under your power.  
Father, I ask you now to touch me with that same power. For if you created me from nothing you can certainly re-create me. Fill me with the healing power of your spirit. Cast out anything that should not be in me. Mend what is broken. Root out any damaged cells. Open any blocked arteries or veins and rebuild any damaged areas. Remove all inflammation and cleanse any infection.

Let the warmth of your healing love pass through my body to make new any unhealthy areas so that my body will function the way you created it to function.  
And, Father restore me to full health in mind and body so that I may serve you the rest of my life.  
I ask this through Christ, our Lord Amen.

## THE MIRACLE PRAYER

Dear Heart of Jesus in the past I have asked many favours. This time I ask you this special one, (mention favour).  
Take it dear heart of Jesus and place it within your own broken heart where your Father sees it.  
Then in his merciful eyes it will become your favour not mine.  
Amen.  
Say this prayer for three days. Publication of prayer and favour will be granted.

## PRAYER TO ST. THERESE

O glorious Saint Therese, whom Almighty God has raised up to aid and counsel mankind, I implore your Miraculous Intercession.  
So powerful are you in obtaining every need of body and soul our Holy Mother Church proclaims you a "Prodigy of Miracles...the Greatest Saint of Modern Times." Now I fervently beseech you to answer my petition (mention here) and to carry out your promises of spending Heaven doing good upon the earth...of letting fall from Heaven a Shower of Roses. Henceforth, dear Little Flower, I will fulfill your plea "to be made known everywhere" and I will never cease to lead others to Jesus through you. Amen. Say the above for 9 days and you will receive a flower or a rose in some form during or after 9 days as an indication that your request will be granted. **E.C**

## LET'S PRAY TOGETHER INTO THE WORD

Let's Pray Together In The Word  
Psalm 144. Holy is the Lord God, who is our rock (steady in times of trouble), who trains our hands and fingers for war. God is a steadfast love, a stronghold and deliverer. He protects us with his shield. People are like breath, their days are like a passing shadow. I will sing a new song to God. Psalm 144(1) says blessed be the Lord my strength, which teacheth my hands to fight. Against what do we fight? We are in conflict with the spirit of evil in the world. It is in the form of injustice, selfishness, worthlessness, drunkenness, ect. Father God in Heaven please come into the lives of these people, in Jesus's name. Amen.
