EDITOR'S NOTE

Even though Killarney businesses are operating in the new normal, it didn't stop some of them digging deep and offering Dublin Health Care Worker Lisa Connelly an amazing weekend in Ireland's Premier Tourist Town. Along with her three sisters, Lisa

will spend the weekend in Killarney sampling the best of what our amazing town and its businesses have to offer. We extend her a warm Killarney welcome and salute front line health care workers like Lisa who have been

among the true heroes of this pandemic.

Lisa set for a *great Killarney welcome*

She stole the hearts of the nation when she appeared on RTE Investigates - Behind the Scenes at St. James Hospital COVID ward in late June and this weekend, Lisa Connelly is a guest of Ciara Roche at Killaran House on Park Road.

In early July, Killarney Outlook highlighted Ciara's generous invitation to Lisa and her three sisters to come to Killarney and stay with her at her guest house and Lisa was thrilled to accept the kind gesture.

The programme highlighted a ward at St James Hospital during COVID 19 and told the story of Lisa, a health care worker who cared for a 97 year old man called Paddy.

Paddy lived independently before contracting COVID 19. He had no family and Lisa, his carer stayed with him, singing songs that his mother used to sing and held his hand while he passed away. Lisa's generosity and compassion didn't end there, she bought him a suit to be layed out in and travelled to Sligo, where Paddy was originally from for his burial.

So touched by Lisa's compassion that Ciara decided to invite her to Killarney and in the past few weeks

appealed to local businesses to offer a treat to Lisa and her sisters during their stay. Killarney Outlook came on board to help Ciara and with the kindness of local businesses, Lisa and her sisters are in for an amazing weekend. When their train pulls into Killarney Railway Station at lunchtime today it will be straight to Killaran House where they will meet Ciara and get their itiniary for the weekend. A blow-dry and shellac nails for the four girls are on the cards tomorrow afternoon at L&S Salon before the girls head to Rozzers Resturant at Killeen House Hotel for Dinner. Saturday morning sees Lisa geting a treatment at What Women Want, just before the girls enjoy a fun filled hour at the Escape Room on Glebe Lane.

From there it's time for lunch at the Danny Mann Bar and Restaurant.

There is the promise of a helicopter spin courtesy of Dermot Healy, weather depending, a trip on a jaunting car and a carvery lunch on Sunday.

There have also been gifts for Lisa dropped into Ciara including a voucher for Who's 4 Shoes, a Penny's Voucher and a framed photograph of Killarney by Photographer Peter O'Toole and framed by The Killarney Framer.

All in all - a fantastic Killarney welcome for the lovely Lisa and her sisters.

Killarney is '*playing a blinder*' - let's keep it that way

A message of thanks, and appreciation to business owners and their staff and to the people of Killarney has been issued by Killarney Chamber of Tourism and Commerce this week. Visitors have also received a big thank you from the Chamber for adhearing to restrictions introduced as part of Government and Health Service Executive guidelines during the course of the Covid-19 pandemic. Killarney has been extremely busy in recent weeks with thousands of people heeding advice to holiday at home instead of travelling overseas and, as a result, the town has enhanced its reputation as Ireland's premier visitor destination.

With a few short weeks to go before the schools and colleges are scheduled to reopen, Killarney Chamber of Tourism and Commerce has

asked everybody to continue to behave in a responsible manner in terms of implementing Covid-19 restrictions and to make one final push to ensure everybody can finish the holiday season in a safe manner.

Chamber President, Paul Sherry, said: "Our thoughts are very much with the businesses and the people of Kildare, Offaly and Laois who have had to reintroduce restrictions".

"It just goes to show other locations, like Killarney, how fortunate we are and we would like to thank everybody - people of all ages - for being so responsible and for closely following recommended public health guidelines".

The Chamber has encouraged everybody to make one final push to ensure everybody's safety and Mr Sherry asked all businesses to

keep the momentum going and to continue to enforce social distancing, face covering and other public health guidelines as recommended by the authorities.

"The feedback we are getting is that Killarney is playing a blinder and that visitors have been hugely impressed by the standards businesses have introduced and the measures they have taken to keep everybody safe," the Chamber President added.

"A few weeks from now, when the holiday season winds down, we will all be doing our best to adjust to what is being described as a new normal and, hopefully, we can continue to reflect on a job well done in ensuring everybody was kept as safe as possible when they were in our company," Mr Sherry stated.

Ponies, Fairies, Cliffs and the Curragh - **these kids have had a fabulous summer**

have the best memories as a kid on the beach in Wexford for the entire two months of the school summer holidays.

I don't think I ever travelled 'out foreign' til I was about 17 so I wondered how the children of Killarney were getting on enjoying their staycations in Ireland? And isn't it just the most beautiful place you could be, most especially when the sun shines. This week I sought advice from my daughter Clodagh (10) who pointed me in the direction of Olanna Bowler-Hegarty & her sister Robyn. These girls attend Lissivigeen NS with their two cousins on either side of their family, Aitana Junquera-Bowler & Jenny Hegarty. Here's how my conversation with the Lissivigeen NS Lovelies went!!!

"I was delighted that Dad (Ian) had so much time off from Bowlers Garage to spend with me and my brother Eric. We got a new kitten called Chuna Marie and she is beautiful. I've had great outings with my cousins Olanna & Robyn. We went surfing to Castlegregory." Aitana (10) told me. I asked "And were you a natural born surfer Aitana"??? "Well it was my first time so I wasn't the best surfer, maybe the best body boarder though" Aitana laughed. "And I was the best surfer!" both Robyn & Olanna synchronised. We all laughed and the ice was broken. From then on the conversation was at high speed and chatting crossover was more than my shorthand could handle. Clodagh was right, these girls are great fun! "I'm delighted now we can have sleepovers again Marie and even more delighted I can play with Killarney Legion again too. I'm so excited to go back to school. I have missed my friends so much especially Paddy, Orla & Laura".

"I am lucky to have had a sister in lockdown Marie. When we were allowed to see each other again Robyn helped me with Jenny & Sofia to build my rock collection fairy garden". I turned around to look at what I could only call a masterpiece of love and labor. Fabulous girls! "I've missed lots during lockdown. Of course I miss Clodagh (she had to say that didn't she?), my birthday party (I got an iPad just in time), taekwondo with Jason and I've really missed Mrs Long and all the trips she would have taken us on. I am a bit nervous seeing all the masks and visors but we when we went on holidays every place we visited, everyone was Covid19 aware" Olanna (10) told me. "So where did you head off on holidays to Olanna"? "We went to Galway & Clare. I loved the Cliffs of Moher & The Burren. The races were on in Galway when we visited so the streets were quieter.

This suited Mum (Rachel) lots for shopping and it really suited Robyn & I as we got to extend our pool time slot at the hotel. Tomorrow is going to be a great day too because we are going to Ballyhass Waterpark in Mallow with Mom's friend Christine Hegarty's family" Olanna said. "I can't wait to hang out with Clodagh Hegarty tomorrow in the sunshine" Robyn (7) continued. "We've had a great time at home with Dad (Andrew) too Marie. He & Mum have taken us on lots of cycles in the National Park and we even got a new goal post but Olanna says she's way better in goals than Dad. I am missing my class friends and teacher Mr. Cahill but I am so looking forward to catching up with my friend Zara in September which is only a few weeks away now".

Jenny Hegarty (7) was patiently waiting for her turn to chat and my goodness was it worth waiting for. "I got a new pony, Tom, at Christmas so I've been looking after him and I've painted his entire fence brown during lock down. I

missed my cousin Robyn so much but when it was sunny we used to have dinner dates through the window". Jenny told me. "Holidays were so much fun too. We stayed at the Curragh for 4 nights and our house was on site with the horses. It was called The West Wing" Jenny continued. Most impressive Jenny! "And we went to Tayto Park while we were up that far"... After that chat I couldn't resist the notion to do our photoshoot with Tom the pony.... AND Timmy the dog! So much fun. Lissivigeen NS will have four beautiful girls bouncing in the door in September. The very best of luck girls and thank you so much for having me.

In her column with the Killarney Outlook - Marie takes to the highways and byways meeting locals and telling their story

After a lifetime's dedication to soccer.... Tom hangs up his FAI boots

This week I visited the home of Tom O'Shea who had recently retired as Grassroots Director with the FAI.

"There comes a time to "hang up the boots" and Friday last 31st July officially marked my last day as Grassroots Director with the FAI. I have taken the opportunity to retire early and today is my last day with the Association after over 15 years service. Starting out as a Regional Development Officer back in May 2005 I have had the honour of leading the Grassroots Department (over 100 staff) since February 2015.

I have travelled the country in my role and have also had the opportunity to visit many European countries. I'm sure Tom's wife Breda has welcomed his retirement with open arms given her recent retirement as leader with Weight Watchers. "Its great timing Marie as we will be celebrating our 40th Wedding Anniversary in early September. I used to travel on average 120 nights a year for the past 15 years and without Breda I couldn't have continued at a job I thoroughly enjoyed doing"

I had to ask Tom what was his most memorable moments throughout his career with the FAI and he told me "On the pitch it would have to be Shane Long's goal against Germany in 2015 and my dealings with UEFA. UEFA have a grossest charter of gold silver and bronze. It was a huge honour for me personally for us to achieve UEFA Charter Gold status in 2018 (and retaining it since) and this, along with my membership of the UEFA Grassroots Panel, I can honestly say were the highlights of my career. To put this in context, only 13 UEFA federations have gold status.

Another achievement was the working closely with Packie Bonner for my first five years with the FAI. He gifted me this signed photo before our roles changed labelling it his favourite picture throughout his career. It hangs in pride of place over the mantle in our front room"

Also a fond memory was my 3 day visit to Japan. It amazed me. When I arrived the children put up the goal posts and handed out the team bibs. Afterward they dismantled the goal posts again and fold the bibs back in the box. The then lined out awaiting feedback on their performance. All of my direction and conversation was through an interpreter in Japan. A wonderful experience. The children were great".

Tom & Breda (and their daughter Karey) have a huge grá for dogs. They have five Misty, Holly, Chip, Ted & Millie. "We've always had dogs in this house Marie. It wasn't til I was 22 that I ever

had a dog and I named him Kempes after Mario Kempes, the Argentinian striker who played in the 1978 World Cup.

"My time with the FAI never felt like work, its great to be able to say that about any job. To my FAI and UEFA friends and colleagues and to all who I have encountered on my journey, thank you! I have attached some photos of my time with the Association. See you on the sidelines!"

Over & Out from Coolick and Happy Retirement Tom & Breda.

Call for chemicals to be labelled

At a meeting of Kerry County Council, Councillor Michael Gleeson asked that the Council would support the call in his Notice of Motion that the names of all chemicals used in both the growth and production of food would, by law, have to be included on the labeling of all food products for human consumption.

Councillor Gleeson stated that many people are surprised to learn that the chemicals used in food production do not have to be named on the product when it is purchased by the consumer. He said that it is possible to visit a field of grain being grown for food

production and that there is not a weed to be seen due to the use of selective weedkiller. These chemical sprays must have an effect on the food crop being grown and remain at some level in the end product which is the food that we consume. He stated that there is widespread use of sprays in order to keep certain fruit foods 'fresh' and to prevent other root crops from sprouting. He asked that both the E.U. and the Irish Government would introduce appropriate legislation to inform and protect the consumer. The Motion was agreed by Council.

2020 Tour de Munster

charity cycle powers into Killarney

Organisers patiently awaiting the Tour de Munster in aid of Down Syndrome Ireland to arrive at the Deenagh Lodge, in the sunshine on Saturday, which was a Kerry start & finish covering Tralee, Dingle, Killarney & Kenmare.

PICTURES: MARIE CARROLL-O'SULLIVAN

The viewing point in Aghadoe was the first stop for the 20th annual Tour de Munster charity when it landed in Killarney on Saturday afternoon last.

Following a quick stop the cyclists made their way to Deenagh Lodge where they received a warm welcome from staff and supporters of Down Syndrome Ireland.

Over the four-days, cyclists pedalled hard through the towns and villages of Munster in order to raise vital funds and awareness for the Munster branches of Down Syndrome Ireland (DSI) and individual beneficiaries.

The Tour started in Cork City on Thursday morning and covered an average of 150km

per day as cyclists made their way through Waterford, Tipperary, Limerick, Clare, Kerry, and then back through Cork on the final day.

The Tour took a new approach this year with new and additional safety measures to protect all those involved. While the Tour took these new precautions, the spirit and drive to raise funds and awareness was very much present. Long term supporter of the Tour, cycling legend Sean Kelly once again cycled the 600km trip, completing his 15th Tour de Munster.

Since its inception in 2001, Tour de Munster has raised over €3.1 million for its beneficiaries, with almost €2.8 million for DSI alone.

Completing the Tour, Paul Sheridan founder of Tour de Munster said, "It has certainly been

a Tour like no other and one we will always remember. I would like to thank each and every cyclist who participated in the Tour and were hugely collaborative to create a safe and enjoyable atmosphere. Without them, we wouldn't be where we are today. Their dedication, passion and support is remarkable. Paul continued, "With the Tour being different to previous years, and without spectators and supporters, it certainly hasn't been easy for participants, but when we remember why we are doing it, we find the strength to pedal harder."

For further information on Down Syndrome Ireland see www.downsyndrome.ie.

DOG LOVER MARY T TAKES UP THE CHALLENGE

Met former Lily of Killarney, Mary T Moynihan and her little Yorkie Milo.

"He's not my own dog unfortunately Marie, he belongs to my boyfriend Ryan. I lost my own dog Solo (8) due to illness during Covid19". I love dogs myself, very much a member of any family.

Solo, what an interesting name I thought. "Solo is named after Paudie O'Shea, well sort of" Mary T told me. "We are huge football fans in our house and we were quite upset Paudie O'Shea passed on 15th Dec 2012. That Christmas Eve my King Charles puppy arrived at the Moynihan household and I remembered reading how Paudie's dog was called Solo, so there was no other name for my puppy. Marie".

Mary T & Milo have taken up the challenge with Dogs Trust Ireland to walk 99K in August. "I'm not joking you Marie, I worked up 20Kms this bank holiday weekend and I was mainly at work. I'm a waitress at the Victoria House Hotel for the past three seasons and I love it. It's so lovely to see the Irish appreciate Ireland and holiday at home".

Dogs Trust's primary objective is to protect all dogs in Ireland from maltreatment, cruelty and suffering. It focuses on the rehabilitation and rehoming of dogs which have been either abandoned or given up by their owners through rehoming services. It is a voluntary organisation, charity funded which unfortunately has suffered during the pandemic. "I saw the plea on Facebook. Many

people have taken on puppies during COVID 19 and it may not be working out as well as anticipated. The charity are busier than ever right now and really need funding to stay a float. I think it's great that in the UK they have begun bringing dogs around to schools to raise awareness and educate children on how to care for dogs".

Mary T has set up a 'Go Fund Me' page to facilitate her fundraising for Dogs Trust Ireland. As it stands her goal is €400. "If I double the money, I will double the walk" Mary T laughed. Good on you Mary T! "Killarney people are amazing Marie. I said I'd give it a go setting my target at €200 but I'm thrilled to have raised the bar to €400 for Dogs Trust. I'm not asking for much, the price of a pint or a Facebook share will go a long way".

By trade Mary T qualified as a hairdresser since 2015 but she & Ryan got the travelling bug.. "Thailand is my absolute favourite country but isn't it a difficult bug to have amidst a pandemic Marie". I suppose my dream is to one day run my own mobile hair dressing business". But for now the most Mary T will be travelling is 99K around our beautiful Killarney National Park or making up the mileage over busy weekends at the Victoria House Hotel. You can find Mary's link on Facebook by typing in Mary T's for Dogs Trust Ireland in Memory of Solo. Dig Deep!!

KEEP THE HEART BEATING BY DONATING ON-LINE

As local group HeartBeat are unable to have a street collection this year, they are appealing to people to support their on line fundraising campaign.

"The risk is too high for most of us with underlying health issues to hold a street collection", Billy DF O'Sullivan, founder of the

group told the Killarney Outlook.

Heartbeat Killarney Kerry is a voluntary Cardiac Support Group for those with heart disease or who have had a cardiac event or stroke in their lives. Run by heart patients and carers, its objective is to help people to return to living as full a life as possible.

With meetings off the agenda for the foreseeable future, the group are also hoping to develop Zoom events as a way of communicating going into the future for important messages on cardiac and stroke care. The donation link :- <https://www.kerryhearts.ie/make-a-donation/>

€50K IN GRANTS AVAILABLE TO NON-PROFIT ORGANISATIONS

BAFTA nominated Irish actor and well-known young Hollywood star and regular visitor to Killarney, Barry Keoghan was back in Dublin recently to launch the 2020 Coca-Cola Thank you Fund*. Marking a decade of support for youth-orientated non-profit groups across the island of Ireland, this year's Fund has been reimagined to help groups respond to the impact of COVID-19.

During the peak of the pandemic Coca-Cola provided relief funds to those most at risk from the immediate challenges of the crisis leaving €50,000 available through the Coca-Cola Thank You Fund this year.

In recognition of the vulnerable and marginalised young people that have been disproportionately affected by the economic and socio-economic

impact of the pandemic, Coca-Cola Thank You Fund grants totalling €50,000 will be awarded to charities, community and voluntary organisations and NGOs seeking support for initiatives targeted at supporting young people aged 16-25.

Applications for funding can be made via www.coca-cola.ie/thankyou until midnight on Friday 25th September.

A Better Life for Livie

as fundraising drive for €2million is underway

The Vodafone shop in Killarney is now a drop off point for old phones and tablets in a fundraising drive to raise funds for a little girl Olivia Mulhern.

All old phones and tablets can be dropped to the shop on College Street as part of the fundraising drive. The daughter of Keith and Karen Mulhern from Donegal, little Livie has been diagnosed with a rare and serious genetic neuromuscular condition called spinal muscular atrophy (SMA) type 1. SMA is caused by a gene deletion which results in deterioration of Livie's nerve cells connecting her brain and spinal cord to her body's muscles. There is no cure and Livie has its most severe type. Livie's muscles used for activities such as crawling, walking, sitting up, moving her head, and even swallowing and breathing, are becoming progressively weaker and shrinking. Without any treatment, little Livie's condition would continue to deteriorate and it would be unlikely that she would live

past her 2nd birthday. Livie's best hope for a better life is a once-off gene therapy called Zolgensma, which is currently only available in USA. It costs approximately US\$2,100,000. We are against the clock as Zolgensma is only available to children under the age of two years. Here's how you can help Most households today have old mobile phones & tablets lying around, in drawers and boxes, that can for the most part be redistributed or recycled in exchange for cash.

Vodafone will then donate your old phones and tablets to the #Tech4Livie Appeal and any money that is generated will go straight to #ABetterLifeForLivie fund.

You can also donate straight to the fund through GoFundMe by logging on to <https://www.gofundme.com/f/8kde9g-tech4livie>

Time is running out, let's all come together for A Better Life for Livie!

Pat marks Puck 2020 that with an amazing tribute

It was a Puck Fair that wasn't to be this year and the town of Killorglin was deserted like never before on the 10th 11th and 12th of August.

However one Killorglin man decided to mark Puck Fair 2020 by creating a miniture stand in his home in Caragh Lake.

Pat Foley has spent evenings recreating a miniture version of the olds style Puck Fair Stand at his home and the amazing statue is getting great attention with lots of passers by stopping to admire his work.

"Puck has been a massive part of life in killorglin and the surrounding areas and growing up Dad used to walk to puck with his parents and siblings", Pat's daughter Patrice told the Killarney Outlook.

"That time puck was on for 3 days and nights which meant the pubs used stay open all night and used to close for an hour around 6 in the morning", she added.

There was a lot of emigration to England when Pat was a young man but anyone who went crossed the Irish sea in the search for work would come home for Puck every year

and that would be their holiday.

For everyone in Killorglin, when Birds amusements began rolling into town, everyone knew it was the beginning of Puck. Pat worked on the Puck stand in the evenings and he modelled it on the old style one. He had plenty of help from this grandsons, Callum, Cian and Dara who worked on the flags and provided the animals.

Pat wanted to display it this year to mark 2020 in some way to try and keep the importance of these traditions alive.

The Puck stand isn't the only replica Pat is working on, he has started making replicas of the older amusements too at birds bizzare, including the rocket and the slide

Puck is a family time for the Foley's like many other Killorglin families and last year Pat and his wife Mary enjoyed the festival with four generations of the family and while there has been no Puck Fair in 2020 no doubt 2021 will make the best Puck ever!

In her column with the Killarney Outlook - Marie takes to the highways and byways meeting locals and telling their story

A new band.... and a new role as brand ambassador.... Exciting times ahead for Cathal

So who's been missing live music?? There have been some epic live streams of music on Facebook live during the pandemic from many of our fine local artist, one of my favourites being local vocal legend Cathal Flaherty, regularly entertaining us at The Fáilte & Charlie Foley's Bar pre Covid19.

This week Cathal Flaherty has extended his popular profile as Brand Ambassador to Killarney Credit Union compiling videos and slideshows to promote the Credit Unions new Current Account.

Behind the scenes Cathal has also been working very hard through out the pandemic with new band members Killarney's Ivan Cooper (Drums) who is based in Dublin & Patrick Kelly (guitar & vocals) also based in Dublin. "We've been rehearsing virtually meeting up every couple of weeks to rehearse in person. We've 3 or 4 songs already in the mix and the goal is to record in Dublin, Camden Recording Studios (owned partially by Niall Horan & Bressie) in January. I do most of the writing. The songs are mainly up beat and we pass our ideas over and back until all three of us are happy with the end product. I have a recording studio here Marie so I send it to the boys and we change things accordingly so meeting up is great to put it all together live. We're looking forward to our first EP in possibly May or June next year all going to plan" Cathal told me.

At this point I asked if they had a name for the band but it seems that's under wraps for the time being. "There are selective venues I've noticed in Dublin playing live music so I can't

wait til Killarney gets to that point too. Mainly solo artists that tourists and locals alike can listen to while they are dining". I myself am really missing the buzz of live music so I can't image what it's like for artists like Cathal. I recalled in an earlier interview how Eileen Foley, Foley's Bar had specifically mentioned how she misses Cathal and the atmosphere of the bar. The feeling was mutual with Cathal "It's that buzz I miss too Marie. I was delighted tho with the response to my recent Facebook live I did with Mike the Pies in Listowel. Over 5,000 people logged on which I was thrilled

with" Cathal told me. Impressive but not one bit surprising.

Cathal is no stranger to backing artists such as Bonnie Tyler, Christy Dignam, Tears for Fears, Jack L, Mundy, Paddy Casey and was selected as one of the final five on Today FM's pre Covid competition to support the very popular Gavin James. He was also the first DJ in Ireland, on Radio Kerry's 'Fresh', to play Picture This 'Take My Hand'. "I've really enjoyed doing podcasts on Spotify for the Gleneagle INEC Arena Podcasts with amazing artists such as Nathan Carter, Picture This, Keith Barry, Junior Brother & Gavin James. These were all recorded between Jan & March of this year and when I met Danny from the Coronas this week he said it was his most enjoyable and gets complimented on it regularly".

I later chatted over the wall to my good friend June O'Sullivan who told me her Mum Kathleen Kenny used to babysit Cathal as a child. She recalled a recording Cathal & June's son Stephen, pretending to be DJ's for Radio Kerry and recording themselves. "I have it in the attic somewhere" June told me. Now wouldn't that make a fine podcast!! If you are looking for June she is currently poking around the attic hoping to cash in on her find when Cathal hits the big time.

Given the platform and all in good time, I can't wait to see and hear what the future holds for Cathal & Co. Bring on the EP! Thank you for the chats Cathal Flaherty.

BUS TO BELFAST IS BACK FOR MEDICAL PROCEDURES

Deputy Danny Healy Rae, TD has announced that the buses to Belfast for cataract procedures have resumed. The buses to Belfast had stopped for 5 months due to the Covid restrictions and resumed on August 1st. "The first two trips since lock down on August 1st and 8th have been successful and I look forward to the next bus on August 15th There will be another bus travelling in September and the date is yet to be confirmed", he told Killarney Outlook.

These buses to Belfast have been organised since November 2017 to ensure people who would otherwise wait years on

the waiting list here can get their cataracts removed in Belfast without waiting. The consultation and procedure is at the Kings Bridge Private hospital in Belfast under the cross border directive most of the cost is then refunded afterwards by the HSE.

Those travelling on the bus now need to have a Covid test done before travel, this test is free of charge. Everything is arranged for the trip, Covid test is booked, return bus from Kerry to Belfast with

O'Callaghan's Coaches Killarney, overnight hotel accommodation and transfer from the hotel to the

hospital.

"I am glad to get this much needed service back up and running again for all the people who badly need it and will be continuing this service into the future to ensure that people retain their eyesight", he added.

If anybody with cataract problems is interested in travelling to Belfast for the procedure or would like more information they can contact Danny Healy Rae on 064 6685315, 087 9975419 or 087 2316055.

A photography competition to celebrate this year's Architectural Kerry Festival is to be held.

Kerry County Council has launched the photography competition as part of this year's Architecture Kerry Festival and which invites participants to submit their images of Kerry's built environment.

Architecture Kerry is held during the last weekend of September features talks, guided tours and exhibitions to showcase the extraordinary built environment on offer in Kerry. It aims to celebrate creativity and culture throughout Kerry. Tours of buildings in the past have included contemporary offerings from the science and technology sector, private architect-designed homes, the best in state architecture, energy efficient buildings, Kerry lighthouses, historic houses, railway buildings, castles, churches, schools and much more.

'If you would like to be part of Architecture Kerry this year, and if you like to photograph what you see of Kerry's built environment, then this competition is for you,' said Victoria McCarthy, Architectural Conservation Officer with Kerry County Council.

'As part of Architecture Kerry this year, Kerry County Council invites you to send us your favourite images of Kerry's built environment with the theme of "Rediscovering your hidden Kingdom." Twenty images will be chosen and exhibited to the public as part of this year's festival which runs from 25 to 27 September. The Irish Architecture Foundation will be partnering with Kerry County Council to adjudicate the entries,' she said.

Images should be submitted by email to architecturekerryphoto@gmail.com and closing date is Friday, 28 August 2020. Full details can be found on the Architecture Kerry Facebook page including terms and conditions.

Architecture Kerry is supported by Kerry County Council, the Department of Culture, Heritage and the Gaeltacht, the OPW, RIAI, Irish Architecture Foundation, and forms part of the Creative Ireland Kerry programme.

In her column with the Killarney Outlook - Marie takes to the highways and byways meeting locals and telling their story

“Training is imperative but experience is the key” - Marie meets the brave men and women at Killarney Fire Station

Two flights up the ladder of the watch tower at Killarney Fire Station was enough for me.

As a photographer you will do the best you can to 'get the shot' but you'd draw the line when it becomes risky (the climb was no bother but I might have gotten a bit wobbly coming down had I went the additional 3 floors). There is no drawing any form of a line on limits when our amazing firemen & women are called out.

I sat in the front office with Paudie Mangan (Station Officer) & John O'Grady (Sub Station Officer) while the crew trained as they do every Monday evening at the fire station so I asked what life has been like in the fire service during Covid19. "We've been quieter yes Marie. We really didn't know what to expect. It was thought we would be working closely with in assisting the ambulance service when we faced the unknown of how intense the Coronavirus would hit so we trained up new recruits, James Kissane & Denis Mangan and put them in force right away. Thank God it never materialised. The roads were quieter too Marie so there was a decline in road accidents as well" Paudie told me. "The training is usually a 6 week course and you must live & work within 5 minutes transportation time of the fire station to qualify. You can sign up from the age of 18 years and retirement age is 55

within the fire service Marie. You can however apply for an extension for a further 3 years and undergo a medical to extend this. James & Denis had three of this six week complete with 16 others in the county when they were drafted in and will soon complete a further 3 weeks breathing apparatus course to complete their 6 weeks. All fire crew upgrade their breathing apparatus training every two years in Clonmel" John told me.

I was surprised to hear that if you dial 999 or 112 to our emergency services, you will speak to trained personnel in Limerick. I asked Paudie & John "Does that not just slow things down?" I was surprised and delighted to hear that it in fact speeds everything up and John & Paudie explained to me why. "Firstly, please don't dial 911" John said "that won't even get you through to the American emergency services". "When you dial 999 or 112, the operator identifies Killarney as the nearest Fire Station and immediately hits our pager buttons. Within five minutes the 6 fire crew on call are at the station. The officer in charge goes directly to the printer where a detailed printout awaits - Time the call was made, the address, telephone number, postal code, the type of fire indoor/outdoor and lots of other codes and numbers that help them to get to the required destination in the fastest possible time" John

continued and showed me the details of their last call out. If I learned anything it was to learn off my post code just in case.

Our fire service personnel are trained first responders too "We might arrive at the scene of an accident before the ambulance Marie so if for example CPR is needed we can assist while we wait for the paramedics to arrive. Both of our trucks have defibrillators and TI cameras" Paudie told me. "We are always upskilling and retraining" John said "so much has changed in my 22 years here at the station. For example the arrival of electric cars" I didn't even think about electric cars! "modern houses can add a different challenge too as regards security of windows and doors with triple glazing etc. You have to think on your feet Marie, work on your own initiative for the welfare of the crew and the public. Assess the situation and prioritise accordingly" Paudie said. "Training is imperative but experience is the key". "We have a fantastic team of 15 fire fighters here and 7 of these have 5 years experience. They are fresh and enthusiastic about their work as we all are" Paudie said. "I am the Station officer since April 2018 when the decision was made that the fire station should be manned always. I had been working in Liebherr before that and I am working with the fire service in Killarney 29 years last month".

I wanted to ask both Paudie & John what had influenced them to become firemen as they were clearly very passionate about their work. A huge commitment and interest forefront for such a dangerous profession. The unanimous response was Donal O'Grady. Father to John & Father in Law to Paudie. Donal O'Grady worked for the fire service for 25 years operating and operated the central call centre for the local area at the time from his home in Ardshanavooly. "My Mother Julia answered the phones so the fire services was a huge part of our lives growing up. Paudie just married in to it" John laughed.

Delighted with myself for climbing up the watch tower I left Killarney Fire Station. There was fear of me, wasn't I in safe hands. Picture Marie Carroll-O'Sullivan for Gogglevox with the Killarney Outlook

MONEY MATTERS.....

By Dermot Cronin, Financial Advisor

WHAT IS YOUR MOST IMPORTANT FINANCIAL ASSET??

Your house? No Your Savings? No Your Pension? No Your Income? YES.

If we take an example of a 35yr old person on an income of €35,000 from here to retirement, over the next 30years until their retirement they will earn €1,050,000. Your house, savings, pension etc are all very unlikely to ever be worth as much to you as your income. So the obvious question to ask is what happens if my income stops due to illness, sickness etc? The reality for most people is that your income will in most circumstances whether you are PAYE or self employed drop dramatically, for a PAYE worker you may only be entitled to Social Welfare sick pay benefit of €203 per week, a €35,000 income is €673.07 per week, how would you survive???? It would be a financial disaster for most people to take such a HUGE DROP in income. Thankfully there is a possible solution which depends primarily on your occupation and your health, this is called income protection. If you have income protection you can receive up to 75% of your income while you are off work from illness, accident etc even up to age 65. So instead of receiving only €203 per week you could receive €504.80 (including social welfare payment) per week EVERY WEEK until you go back to work or reach age 65. There is substantial tax relief also for income protection which will dramatically reduce your monthly premium.

If you would like to make an appointment to discuss the above or want any further information you can contact Dermot Cronin at 0646622775 or dermotcroninifa@gmail.com

Dublin couple enjoy a trip down memory lane

33 years after they spent their honeymoon in Killarney, a Dublin couple returned to Cronin's Restaurant on College Street where they stayed. Olive and Michael McMahon from Tallaght in Dublin were joined by their family at a dinner in the restaurant this week. The couple reminisced with the staff about the night when, 33 years ago, Noreen Cronin offered them Bed &

Board on the third floor of the restaurant. The window in the bedroom wouldn't close properly and Olive tied a pair of tights from the bed post to the handle of the window to keep it closed. Olive and Michael, whose family comes from Listry, enjoyed a great evening at the restaurant and plan to return again in the future.

Following Tom...

Laura & Co. climb five mountains in five days in memory of her dad

Climbing five mountains in Five days is a task that Laura Griffin has tasked herself in memory of her dad, Killarney man Tom Griffin.

This week, Laura, along with Luke Stuart-Mills, and Denise Buckley climbed five mountains in five days to raise charitable donations in memory of Tom, who originally lived in Loreto Road, and was a student at Loreto National School and St Brendan's College.

"Dad was only 52 years old when he passed away suddenly last summer (June 2019) after having a hemorrhage while kite-surfing on his holidays in Portugal", Laura said.

"Anyone who knew Dad knows he was an avid outdoors-man, who loved to walk, hike, swim, and generally adventure in his time off. In particular, Dad loved to climb the mountains around his home in Killarney with his family and friends. We would always laugh at how his long stride meant you actually ended up moreso following/chasing him up the mountain - he was always at the head of the pack", Laura added. "We have organised the 'Following Tom: Memorial Charity Fundraiser' to honour Dad and all the memories we have of following him up those mountains. We will be climbing five of his favourite mountains over five days: Mangerton, Torc, Tomies, Strickeen, and Carrauntoohill. If you would like to sponsor us and/or make a donation in memory of Tom Griffin, we will be splitting all money raised between three charities that were close to Dad's heart:

Kenya Education Project: Mom and Dad had always hoped to be involved with Eddie Sheehy's locally founded charity later in his life. We would like to contribute to them now, in his memory, so he'll get the chance to do so.

Kerry Mountain Rescue: Dad loved the mountains and was a big believer in the work done by this group.

Killarney Water Rescue: Dad was always in the water and respected it. We understand how important it is for people to have access to groups like this when a loved one gets into difficulty in the water.

All funds will be subdivided evenly between these three groups. Anything you can give is enormously appreciated, we are so grateful for your involvement, and thank you for standing with us as we remember Dad.

To date there is over €12,000 raised by Laura and her climbing buddies and if you would like to contribute go to <https://ie.gofundme.com/f/following-tom-memorial-charity-fundraiser>

TOP 20 POSITION FOR KEVIN ON THE BRITISH CIRCUIT

Killarney Motorcycle racer Kevin Coyne is making waves on the British circuit.

Following Kevin's recent thundersport event 2 weeks ago Kevin was still nervous enough about lining up on the BSB grid.

"With only 25 mins practice and set up time he had a lot to learn. And he had no time to learn it. We picked a setting and just hoped for the best", Kevin's dad Mark told the Killarney Outlook. In a baking hot Donnington on Saturday afternoon Kevin managed to take 2 seconds off his thundersport time but with this field of fast young riders, this time put him 25th on the grid, only 2.5 secs off pole position.

"With the help of k-tech suspension and a few changes we weren't sure how Race 1 would go. But after a blinding start and 15 laps to go in nearly 39 degrees heat he got the head down and made his way to finish in 19th place. We were ecstatic with that result and the time difference

to the leaders had shortened", Kevin added. Race 2 and Kevin started 22 on the grid and like Race 1 he was a demon off the line. In baking hot conditions again, Kevin managed to climb up to 18th and with 4 laps to go as he missed a gear and before he knew it he was back to 24th.

Kevin put his head down and with four laps to go he wanted to stay inside the target of the top 20, and lap by lap he picked them off one by one. Into the last chicane he came out in P20 and with 3 behind trying to slipstream him he tucked down as low as he could and finished in P20.

"As a father I couldn't be prouder of what this young boy has achieved this weekend. To be only 1.6 secs off the race winners pace in only his 2nd race season shows this kid has some natural talent. And I hope he gets the chance to achieve it", Mark said. Kevin can't wait to get back over in 2 weeks time to round 2 in Snetterton and he wants to thank everyone who makes this dream a reality.

Community Effort at its best

Over the past few weeks, parents, past pupils and friends of Knockanes National School donned their work gear and got stuck in to get the school ready for the return of students at the end of the month.

Coordinating the big effort was Donnacha O'Connor, chair of the Parents Association. He was ably assisted in the task of painting and refurbishing the area around the school building by Patricia O'Connor, Derry Healy, Donnach O'Leary, Niamh O'Connor & Cáit O'Connor among others who have been so generous with their time over recent weeks. "It was wonderful to see some current pupils getting involved in the project also and these fantastic improvements as well as recent new road safety measures at our school have the building and it's surrounds looking in tip-top shape for return to school for pupils on 28th August", a spokesperson for Knockanes NS said.

Heritage week features Kerry projects

A video log from a young explorer from Caherdaniel is among some the events happening in Kerry for National Heritage week which runs from tomorrow from Saturday, 15th to Sunday, 23rd August. This year Heritage week is being marked locally by a series of heritage projects developed by groups across Kerry. Local heritage groups and organisers, families and communities across the country have developed projects around this year's theme of 'Heritage and Education: Learning from our Heritage'. The theme is designed to promote the sharing of experience and knowledge, while ensuring the country's heritage is more inclusive than ever in restricted times. Discover Heritage Week events happening in Kerry:

Young Explorer with Neil Hyland: A

video log of 12 year old Neil Hyland, as he explores his local area of Caherdaniel. Delivered online, through website and social media channels the Young Explorer project visits and uncovers the local history of 1300 year old Stone Forts at Caherdaniel, World War 2 Look Out Posts at Lambs Head and the Underwater Marine Life of Wild Derrynane.

Churchill Forge the hub of our community: Spa Fenit Community Council's presentation on the history of Churchill Forge and the traditional skills of the blacksmith, and how the forge was central to community living.

Noreen at What Women Wants gives you some **beauty tips** while you are staying at home during Covid-19

PREVENT 'TURKEY NECK'

If you have always included your neck in your skincare regime then you are a step ahead. Skin on the neck is a lot thinner and contains less collagen therefore it ages faster and needs as much if not more TLC as your face.

COLLAGEN is especially important around the neck as it keeps your skin tight and allows it to stretch and bounce back. Take a collagen supplement or use a Vitamin C Serum like IMAGE VITAL C Serum €72.50 for collagen production and also to reduce sun damage on the neck, preventing aging.

Eating foods high in OMEGAS (avocados, almonds, flaxseed oils) or taking an omega supplement increases the body's ability to produce collagen.

RETINOL is our power ingredient to unclog pores, boost collagen, reduce fine lines and wrinkles, speed up cell turnover and reduce pigmentation on

the neck.

Wearing SPF is essential as over exposure to sun is the main cause of premature aging. Try not to spray perfume on the neck by day as it may sensitise skin when UV rays hit it.

Position your computer or phone in front as constantly looking down stretches the skin creating lines.

NECK EXERCISES if repeated 10 times daily can take effect after 6-8 weeks. Sit in a chair and lift your face toward the ceiling. Open your mouth wide and try to bring your lower lip over your upper lip. Hold for 3 seconds. Relax and repeat 10 times.

INVEST in a specific neck cream with active ingredients if this is your main area of concern.

Always include your neck with every facial exfoliation, mask, serum and cream you apply to your face.

What are you paying attention to? Is it what you want?

Just think back to the last day or two and notice what kind of things you gave your attention to? Was it the things that you desire in your life or did you focus on the stuff that you don't want? Did you focus on wellbeing and feeling great, or did you find yourself worrying about Covid-19 and feeling anxious about the future?

One of the key factors in creating our best lives and our greatest health and happiness is to be able to choose what you will spend time paying attention to. There is a saying that goes "Whatever you are thinking about comes about." This has a lot of truth. For example, you can't feel happy if you keep focussing on all of the things that have hurt or upset you.

In order to create more of what you want, you need to be able to direct your mind away from the stuff you don't want and focus on all of the things you do. This takes time and a bit of practice, however in terms of what it will give you it's worth every moment of your time and energy!

Mother Teresa put it beautifully when she said, "I was once asked why I don't participate in anti-war demonstrations. I said that I will never do that, but as soon as you have a pro-peace rally, I'll be there"

MEN, LET'S TALK!!

Part one

Plenty has been mentioned and discussed about men's mental health and what are the reasons we struggle to talk. So, here's my piece on it. Recently I have just completed my HDIP/post grad level in Coaching and coaching psychology in UCC and the course showed me how the mind can be our greatest weapon and in equal measure can cripple or restrict us in how we approach life. Don't get me wrong, I am not a psychologist by any stretch of the imagination so I can only speak about what I was thought and what I learned from the course. Coaching and coaching psychology is a based-on goalsetting, change, performance, dealing with our negative bias, habits and behaviours and a lot more. So, let's chat. As a species, we men do find it hard to open up as we probably look at life a bit differently, deal with certain pressures and scenarios opposite to our female counterparts. So, how can we break the cycle of holding on to our emotions, cognitive thoughts and the action of avoidance to have a chat with someone about what's going on. Firstly, recognise what's going on emotionally with you. Is it the emotion of fear, anger, hate, sadness, disgust or even jealousy? Once you can recognise the emotion, we can deal with the cognitive thoughts of anxiety, overthinking, dread and overwhelm. Also, check what's going on physically when you get emotional or when the cognitive thoughts take over.

We at B Well Fitness Club are offering help and support in these difficult times so please tune into us on **FACEBOOK, INSTAGRAM & our NEW You Tube channel**. Also feel free to reach out to us on the phone 087-7643449 by text or email info@bwellfitnessclub.com

KERRY PITCH & PUTT CLUB NEWS

Pitch & Putt Ireland held their first national events since the easing of Public Health restrictions last weekend at Hillview in Clonmel with Kerry players featuring in the latter stages of the National U16 Matchplay Championships on Sunday. Pride of place went to Ella Moynihan from Tralee as she reached the final of the Girls event only to lose to the same girl she had beaten in the very first match in the tournament. Ella defeated Lucan's Eimear Ahern 3&2 in the first match in the Round Robin and followed up with a 4&3 win over Kilbeggan's Gemma Cuffe in her second match to reach the final game where she would face Eimear again. On this occasion however Ella found herself five down at the halfway stage before staging a comeback in eventually losing out by 3&2, the same margin she had won by in their first meeting. Ella's performance follows her recently winning the Beginners Prize at the County U16 Strokeplay Championships. She also became the first Kerry girl to finish runner-up in a National Girls event since Deerpark's Eileen McCarthy was runner-up in the National Girls Strokeplay in the years of 1998 and 1999. In the Boys event there were some interesting performances from Kerry players to say the least. Listowel's Trevan Chute started it by drawing with the defending Championship holder, Glenn Towler from St Annes in Cork, in the Round Robin and then beating Bishopstown's James Murray by a bigger margin than Glenn did to reach the Championship quarter-finals. Unfortunately he was beaten 7&6 by eventual winner Liam McGrath of Douglas in the last eight. Deerpark's Cathal Kelly was the only Kerry player to make the Championship semi-finals on Sunday morning, that coming after he defeated club-mate Nathan Cronin in the quarter-finals by 3&2. Sadly however Cathal never got going in the semi-finals against Dylan Hudson from St Patricks in Cork losing out by 10&9. Dylan had defeated another Deerpark player, Robbie Harnett, in the quarter-finals

beforehand. In all five of the eight quarter-finalists in the Championship were from Kerry as Ryan Neeson was defeated by Kilbeggan's Jack Mullins in the other quarter-final, 2&1. The Plate competition meanwhile saw Tralee's Mark O'Regan become the only Kerry player to reach the last eight as he just made it through following a win over Douglas' Dylan McGrath to claim his place in the knockout stages on 'head to head'. He defeated Andrew Byrne from Glenville in Dublin to reach the last four by 2&1. Unfortunately Sean O'Sullivan from Douglas was a big winner in Mark's semi-final by 12&10 as O'Sullivan was subsequently defeated in the Plate final by Glenn Towler. Mark can be very satisfied with his overall performance though in playing in his first competitive year.

Just to confirm that the County U16 Matchplay events are due to take place in Tralee on Saturday August 29th. Entry forms are with clubs now and should be returned by Wednesday August 26th.

Cathal Kelly made it to the semi-finals of the Championship event last weekend in Clonmel before he was defeated by eventual runner-up Dylan Hudson of Wexford. LADY CAPTAIN AND CAPTAINS PRIZE 2020

On Sunday 9th August, nestled under Ireland's highest mountain Beaufort Golf Club set the scene for a fabulous day for their Lady Captain and Captains prize day.

A full timesheet from 7am running all day, lead there to being a massive turnout for both captains.

The weather was spectacular and that certainly helped all the golfers have a most enjoyable round. The course was in excellent condition, with some of the pin positions making it a difficult exercise for all the golfers. With Covid - 19 still around and so many restrictions had to be adhered to, that this in turn made it more work for everyone involved, but for the benefit of safety for all the golfers at heart, it worked out extremely well. Beaufort Golf Clubs Lady Captain Karen Spence did an excellent job all day and did an outstanding prize giving in the evening. Karen had gone to great effort with her prizes. With Covid - 19 affecting our lives so much, Karen had chosen the theme of Time for her prizes. She had also used the fact that Beaufort Golf Club was 25 years old in April (1995 - 2020), so she had a Silver theme carried through her excellent array of prizes of time. Captain Ken West, also had a beautiful display of prizes and was delighted with the turn out, and also did any an excellent prize giving. A heartiest congratulations to all the prize winners.

HARRY BARTLETT RIP

Harry and his wife Ann pictured with their good friend Patrick O'Sullivan after they won the Dr. Crokes Supporters of the Year in February.

Killarney lost one of its most popular sportsmen with the sad passing of Harry Bartlett. Outside of his family, who were always his top priority, Harry was a staunch and loyal Dr. Crokes supporter. He and his wife Ann could be seen at any Dr. Crokes match of any grade, and the pair were the popular choice last February as Supporters of the Year. Harry also did a huge amount for the club behind the scenes, serving many executive roles and always bringing his knowledge of the building and engineering trades as a Project Manager to the many different developments in recent years. No job was too big for Harry's competence or too small for his ego; Harry would give unstintingly in any role. As PRO John Keogh, a close friend over many years, noted with the sadness felt by all the club members, "Harry was

In happier times... Harry Bartlett pictured at his beloved Dr. Crokes club with his club colleague John Keogh.

everything. He absolutely epitomised the spirit of a club volunteer. He was always at the club's beck and call and he never refused us and took on every task that the club ever requested of him. He was a great player, went on to become a great officer filling many roles when needed, and was the Club referee." Refereeing took Harry to games all over the county. I met him at countless juvenile matches especially over the years. It says enough about the esteem he was held in and his popularity throughout the county that not once did I ever hear him addressed as "Mr. Bartlett". It was always "Harry". People who met Harry invariably addressed him as a friend – and were invariably right.

Harry was also a stalwart for the Fitzgerald Stadium Committee, as Chairman Der Brosnan is quick to acknowledge. While most Kerry supporters – and Harry was a great Kerry supporter – would be making their way into the

Stadium on the big match days, Harry would already be there helping to guide the traffic. He was never interested seeking the limelight and was always content to help out in any he could in the background. "Harry was always willing to do his bit and was absolutely reliable.

While Dr. Crokes always and ever held his first loyalty, Harry didn't confine his contribution or involvement to any one sport. He was a keen golfer. He rowed with the Workmen and he was a resolute centre half, title-winning manager, and a respected officer and chairman of Killarney Celtic FC – his sister Ger Nagle is the current Chair of Killarney Athletic, and both clubs mourn his passing. He will be deeply missed by all the clubs he helped out and served and by all who were lucky enough to know him. Ar dheis Dé go raibh a anam dilis.

DR CROKES GAA CLUB NEWS

SENIOR CLUB CHAMPIONSHIP

KENMARE 2-12 DR. CROKES 1-14.

On Friday last we travelled to the picturesque setting of Fr. Breen Park for the top of table clash with the locals. We started the livelier with a Miceal Burns point after a penetrating run by David Shaw in the opening seconds J. McCarthy levelled matters in the 4th minute. 3 Tony Brosnan points in quick succession put us into a commanding lead after 7 minutes before S. O'Shea narrowed the gap. A well taken Michael Potts goal saw us

lead 1-04 to 0-02 after 13 minutes, 3 Kenmare points saw them narrow the gap before Brosnan and Kieran O'Leary extend our advantage 1-06 to 0-04 approaching the short whistle further minors from Brian Looney and Shaw with an O'Shea reply left the half time score 1-08 to 0-05. On the resumption Kenmare had a goal in the 2nd minute followed by too quick points to narrow to the minimum 1-08 to 1-07 after six minutes, quick points from Burns and Brosnan pushed us further ahead but another Kenmare goal gave the advantage, a Brosnan free levelled matters after 15 minutes points from David Naughton, Looney and Potts inched us ahead approaching the end of normal time. In the 8 minutes of injury time that was played Kenmare had the upper hand and scored 4 points and also had the luxury of a missed penalty expertly saved by Shane Murphy. So we exit this years competition by the narrowest of margins, we will certainly rue the missing of 5 placed balls in the course of the game which may have made the difference but that's sport and we wish Kenmare best wishes in the final.

MINOR CO. CHAMPIONSHIP

On the August Bank holiday Monday Dr Crokes minor team travelled to O'Sullivan Park in Finuge to take on Feale Rangers in Round 1 of the County Minor Championship 2020.

This was always going to be a tall order for the Dr Crokes with a relatively young side and missing a number of key players on the night due to injury. The Crokes played the first half with a helpful wind to their backs and from the throw in got down to business straight away with in form midfielder Liam Randles catching cleanly and racing through the Feale Rangers defense to slot over a well taken point. This was quickly followed by a second point from the Crokes forward line thus allowing us to settle nicely into the game. However, a defensive error by our at times porous half backline gifted Feale Rangers a well executed goal. In response, Dr Crokes centre forward Alex Hennigan with an assist from Cian McMahon struck the back of the Feale Rangers net so that by the first water break at the end of the first quarter the we were marginally ahead on a scoreline of 1-2 to 1-1.

As the game resumed Dr Crokes made a substitution that tightened up their defense. A lively Feale Rangers forward line began to pile on the pressure and with a combination of attacks scored 1-2. However, on the 26th minute Cian McMahon found the back of the Feale Rangers net with a well struck goal resulting from a turnover. The Crokes followed up with 2 more points and at half time led by 2-4 to 2-3.

The second half proved to be very tense and exciting with both teams giving their all. As the half progressed there was a steady exchange of points. Cian McMahon, Liam Randles and Alex Hennigan excelled for the Crokes throughout. However, it was a defensive error and a resulting well taken goal that ultimately cost the Crokes the game on the tightest of margins.

Nonetheless it went down to the wire when Dr Crokes corner forward Cillian Courtney had a chance to level the game on the cusp of full time but disappointingly his rasper of a shot came off the post and was caught and cleared by the Feale Rangers defense. The game ended of the score line of 3-8 to 2-10.

Both teams served up an exciting game of football much to the delight of the spectators and no doubt it was a huge learning experience for our young minor team. As the game ended I counted 8 u15s wearing Crokes jerseys heading for the side line. Even though we came second on the night the future is bright for this fine young team. Well done to the players, their parents and their mentors.

LADIES

Our ladies had mixed fortunes on the playing fields in past week in their respective County Leagues.

OUR U12s

Had a tremendous win against MKL Gaels B team in their first competitive outing on Tuesday evening. We had a couple of debutantes on the night who did Dr Crokes & their families proud with an overall solid team performance securing their first win of the year.

Our U16s hosted Fossa on Wed evening and after an epic encounter the game finished in a draw 3-10 a piece.

OUR MINOR TEAM

Unfortunately went down to a physical Scartaglin team in their second round game on Friday evening 5-11 to 1-9. The scoreline is a bit flattering to the opposition, as despite a huge amount of possession early in the game, our girls just couldn't seem to convert the scores.

OUR U14

Battled hard against a very strong Abbeydorney side on Sunday evening, played in glorious sunshine at home. Despite the opposition leading by double scores at half time, the girls kept working hard and had a great final quarter and finished strong.

Austin Stacks 2-13

Austin Stacks travelled to Direen on Saturday

evening for what most would have expected to be an exciting encounter. Legion put out a team without key players and fielding many young players for this challenge. The game got off to a good start for the home side with the always influential Conor Keane kicking 2 points which was followed by a Brian Kelly 45'. However, this early lead was quickly cancelled out by scores from conceded frees which helped settle Stacks into the game. From then on Stacks took complete control of the game, dominating in most areas of the field for the remainder of the first half which left the halftime scoreboard showing Stacks 1-09 to Legion's 0-04. Legion made a series of substitutions for the second half that included Kerry Star, James O'Donoghue, but whatever influence he was to have on the game was limited when he was controversially sent off shortly after being introduced. A man down Legion struggled even further with David Mannix and Joe O'Connor kicking on for the Stacks. From here on it was all one way and Legion had no answers to a fitter and more determined Stacks side. Overall, a very disappointing performance and one which Legion will need to address before the oncoming county championship first round against Kerins O'Rahilly's.

LEGION LADIES DIV 2 REPORT

Legion Minor Ladies lost away to MKL Gaels on a 5-13 to 5-08 scoreline. A good show of spirit by our young ladies who battled back from a 3-10 to 5pts scoreline at halftime to notch up the scores in the second half, credited to a spread of players. Unfortunately too late to stop the strong MKL Gaels side who held on well to secure their win. Time now to work on the fitness ahead of our home game next Friday with Abbeydorney. Good Luck Girls.

U-12 GIRLS COUNTY LEAGUE

Tuesday evening saw our u12 girls make their eagerly anticipated return to action. We are delighted to be able to field 2 teams at this grade for the first time ensuring all our girls see plenty playing time for the year ahead. Our girls made the long journey to Cahirciveen to take on Southern Gaels As. On an awful night for football our girls played with a stiff breeze in the first half and acquitted themselves well. We took the game to the girls from the south from the early stages but failed to make it count on the scoreboard. Half time saw the teams level. The wind and rain increased in the 2nd half and saw our girls camped in our own half for long periods. Some resolute defending and fine goalkeeping kept us within touching distance. Our forages forward were few but productive. Some great flowing moves keeping ball in hand resulted in a final tally of 1-05 but unfortunately a kick of the ball separated the teams in the finish with the southern girls running out winners on a scoreline of 2-05 to 1-05.

Our younger White team made the shorter trip to Beaufort. This great group of girls comprises entirely of u11s and the experience of all playing at this level will stand to them going forward. The girls acquitted themselves well and gave their all on a wet and windy evening. Each girl played their heart out and did all that was asked of them. A much stronger and experienced Beaufort A Side proved a bridge too far on this occasion but the experience will stand to this group.

U-14 GIRLS COUNTY LEAGUE

Legion u 14 girls hosted Beale girls on Sunday evening in our 2nd league match of the season. In a low scoring game where defences were on top throughout, our girls secured victory on a scoreline of 2-05pts to 0-02pts.

In a very physical encounter our girls stuck to the task, helped each other when needed and played some brilliant football to get us the win. This game will stand to them for the rest of league. Up next for girls is a trip to Na Gaeil in Tralee next Sunday. Well done all girls.

CLUB CHAMPIONSHIP DRAW

The draw was made on Monday evening for the Quarter Finals of the Intermediate Club Championships. Games to be played on Sept 5th/6th, venues, times TBC. Laune Rangers v Spa; Castleisland Desmonds v Dromid Pearses; Glenbeigh/Glencar v Beaufort; An Ghaeltacht v Na Gaeil

INTERMEDIATE CLUB CHAMPIONSHIP

RD3 SPA 1-18 NA GAEIL 2-12

Spa welcomed Na Gaeil on Saturday evening in the final round of the Kerry Petroleum Intermediate Club Championship group stages. As both sides won their previous games, they had already qualified for the Quarter Finals, but that certainly didn't make the game any less competitive.

Right from the start Na Gaeil's Dara Devine was on the attack, but his opening shot was cleared by James Devane. Spa did have one effort wide of the post before Shane Cronin made a great run forward and left the keeper no chance, burying the ball in the back of the net for the first goal of the game after just three minutes of play. Niall McCarthy almost added a second, but Timmy Culloty pulled off a great save, and the ball was quickly moved up the field with Diarmuid Herlihy splitting the posts a minute later. David Spillane and Evan Cronin added points for Spa even though it was Na Gaeil that seemed more dangerous in attack, with not one but two chances rolling in front of the Spa goal line. Niall McCarthy, Niall O'Mahony, Mike O'Donoghue and a great Evan Cronin point were answered at the other end with scores from Dan O'Connor and Diarmuid Herlihy to make it 1-6 to 0-3 at the water break.

Darragh Reen and Dara Devine exchanged points with Mike Foley, Shane Cronin and a superb Mike McCarthy point, before Jack Barry burst through and finished the ball in the Spa goal shortly before the break. Two quick scores from Evan Cronin and David Spillane, and a point right on half time from Diarmuid O'Connor, made it 1-11 to 1-6 at the break.

Within seconds of the restart Mike O'Donoghue split the posts and soon after added another, followed by a David Spillane point. Na Gaeil began to take control however, and kept the Spa defence busy for the next quarter, kicking six points in a row in a ten-minute spell early in the half - Ian McCarthy, Tadhg Lynch, Darragh Reen, Diarmuid Herlihy (2) and an outstanding Andrew Barry point making 1-14 to 1-12 as the final quarter began. Niall O'Mahony caught the end of a great Spa run and punched over the bar to make it 1-15 to 1-12 at the water break.

Another from Niall O'Mahony and a fantastic '45 from Gary Vaughan gave Spa some breathing space, but not for very long, as Diarmuid Herlihy rattled the Spa net with just seven minutes remaining to put a dangerous two points between the sides for the final few minutes. Both teams won and lost possession and while Ciaran Spillane came closest for Spa, Na Gaeil keeper Timmy Culloty denied him. A tense and exciting final few minutes ended with Evan Cronin on target in injury time to put a safety net of three points again between the sides. Time was up however, and Spa claim the victory by 1-18 to 2-12.

Spa Team: James Devane, Eoin Fitzgerald, Eoin Cronin, Eric O'Donoghue, Shane Cronin (1-1), Dan O'Donoghue, Gary Vaughan (0-1 ('45)), Michael McCarthy (0-1), Ciaran Spillane, Niall O'Mahony (0-3), Michael O'Donoghue (0-3 (1f)), Niall McCarthy (0-1 (1f)), Michael Foley (0-1 (1f)), Evan Cronin (0-4), David Spillane (0-3). Subs: Cian Tobin

SENIOR LADIES INTERMEDIATE RD1

SPA 1-10 CASTLEISLAND 5-14

Not the result we were looking for our opening game, but the players and management of Mike Brosnan and Tom Tobin will learn from the loss. Castleisland is the favourite to take the title and they looked very impressive with a solid team. However, we made some bad errors and silly mistakes that resulted in scores that we gave away too easy. We can only get stronger as we have a great squad of players.

The introduction of our subs was very beneficial to the team and were hungry to gain their starting position. Saoirse Kelly was outstanding and was constantly fouled resulting with a penalty awarded to her. Niamh Kearney was only delighted to step up and slot the ball past the goalie. Captain Ciara Moynihan kept constant supply of possession to our forwards. Katie O'Brien was under pressure but fought hard and defended ferociously throughout.

Spa: Mags Cronin, Elisabeth Stack, Katie O'Brien, Aisling O'Mahony, Gina Crowley, Ciara Moynihan (Capt), Katie O'Connor, Cassandra Buckley, Mairead Bennett, Karol Fleming, Lynn Jones (0-4), Claire Moynihan, Saoirse Kelly, Niamh Kearney (1-5) and Liadh Tobin (0-1). Subs: Roisin Kearney, Caoimhe Claffey, Grainne Spillane, Orlaith Spillane, Shauna O'Donoghue and Niamh Clifford

U10 BOYS

Our u10 boys hosted Rathmore in Spa last week. A great display of football talent on both sides gave the spectators a full night of entertainment. Thanks to our u10 coaches and parents and to Rathmore for travelling. These fun games are very beneficial to our young members.

U14 LEAGUE SPA 1-13 RATHMORE 2-8

Rathmore led for most of this game and held a two point advantage at half time, leading 0-7 to 0-5. Two goals midway in the second half looked like it might be enough to secure the win for Rathmore. However, a determined young Spa team never gave up, and fought right to the final whistle, with a late goal giving them their hard-earned victory.

U16 CO LEAGUE SPA 4-9 CORDAL/

SCARTAGLIN 4-11

Spa u16's played their 3rd game of phase 1 of the county league at home to Cordal/Scartaglin on Thursday evening the 6th of August. A very strong showing again by the boys where they defended well and set up fast moving attacks which yielded 4 goals Aaron O'Connor, Oran Daly, Calvin O'Sullivan & Emmet Spillane & some nicely taken points, 1 point in particular by David O'Sullivan which started with a run out of defence & ended by splitting the posts. The boys gave their all, unfortunately they lost out by 2 points in the end. 4-9 to 4-11. This is now the end of phase 1. Phase 2 will hopefully start at the end of August.

MILLTOWN CASTLEMAINE GAA

UNDER 14'S

A fantastic win was had by our U 14 side on Thursday night last as they took the trip along the Dingle peninsula to face An Ghaeltacht in Gallarus. After the first 12 minutes nobody could have predicted the final outcome as a strong start from the hosts saw our U14's trail by 10 points after 3 quick goals. Then our Milltown/Castlemaine U14 side showed a maturity beyond their years with the resolve and skill to come back into the game. With the whole team working together, a fantastic effort saw our visiting side run out winners by a score line of 3-16 to 5-06. Well done to all of the players and coaches. Thank you for all the supporters for making the journey and to our hosts An Ghaeltacht for a fantastic game of football. Thanks as always to our Coiste na nÓg sponsors Foleys Spar. SENIORS

"The old adage that goals win games rings through as Glenbeigh/Glencar secure top spot and a place in Intermediate Quarter-Final"

INTERMEDIATE CLUB FOOTBALL CHAMPIONSHIP

Milltown/Castlemaine 1-14 Glenbeigh/Glencar 4-12. Report by Dara O'Connor.

On a sun-soaked Sunday afternoon, the J P O'Sullivan Park, Killorglin was the venue as the scene was set for a Mid Kerry Derby as Milltown/Castlemaine, who were meant to be at home for this encounter but due to the pitch redevelopment works had to be content with neutral grounds, took on Glenbeigh/Glencar, now coached by John Evans. The Glenbeigh/Glencar side came into this contest with a 100% record

having defeated Dromid Pearses and Waterville in Rounds 1 and 2 over the past few weeks whilst Milltown/Castlemaine came into today with one win and one defeat having beat Waterville and lost out to Dromid on the road. So with that in mind, it was straightforward enough permutations wise, Milltown/Castlemaine needed to win in the first instance and hope that would be enough to see them into the knockout stages (depending also on the result of the other game in this group which seen Waterville host Dromid Pearses there was the possibility of two or three sides finishing on the same points meaning score difference could have come into play). Glenbeigh/Glencar due to their two victories to this point were in a commanding position knowing that barring a major turn of results (Eg: a heavy defeat) they would be in the draw for the Quarter-Finals so it was more about who would join them from this group in advancing than anything else.

Unfortunately it wasn't to be Milltown/Castlemaine's day, but the club may look back on this contest and point to three of the four goals conceded being very preventable which will be a source of frustration and disappointment in equal measure. As Dromid Pearses beat Waterville by 12 points it will be them and Glenbeigh/Glencar who advance from Group 4 to the Quarter-Finals. Waterville fall into the relegation playoff semi-final as one of the four teams to finish bottom in the group stages. Milltown/Castlemaine finished 3rd.

Milltown/Castlemaine lined out as follows:

Cormac Leane, Stephen Roche, Ciaran O'Connor, Jonathan O'Connor, Pa Wren, Gavin McKenna (0-2), Jeremiah Hayes, Brendan Delaney, Donal Dennehy, Killian Kerins, David Roche, John Dennehy, Jonathan O'Sullivan (0-8), Cathal Moriarty (0-2), Gavin Horan (0-1)

Subs Used; Craig Counihan (1-0), Jerome Flynn (0-1), Kieran O'Carroll, Dylan O'Neil, Tadgh McCarthy

A FIRST FOR FIRIES

KELLOGG'S HURLING CÚL CAMP

Firies Football, Hurling and Ladies Football club were thrilled with the announcement of the very first Kellogg's Hurling Cúl Camp back in June just as the country entered phase one of its' recovery from the global pandemic.

Paudie O'Sullivan, Firies Juvenile Hurling coordinator outlined that "These camps are the highlight of a busy season within our clubs growing code and all of the clubs hurlers were thrilled that their own club was hosting the hurling camp. The Kellogg's Cúl Hurling Camp provided a welcome distraction for a lot of children to have some fun in a secure environment."

Colm O'Brien, Kerry GAA Games Development Officer provided

a steady hand to ensure each of the 53 campers were in a safe, all inclusive learning environment and that the clubs' COVID measures were implemented to add to his camp coordination duties.

The club was delighted to see a few new faces that would have taking up hurling as a new skill during Ireland's lockdown, using social mediums to practice the codes skills and are now practically ready to play competitively.

The club wishes to thank Colm for his guidance and coordination and sincere gratitude to camp coaches Jack, Ruairí, Daire and Rachel for their patience and productiveness.

INTERMEDIATE RD.3**GLENFLESK 2 - 16, CURROW 0 - 09**

Glenflesk have won their first game in this year's Intermediate Championship, and in the process avoided the threat of relegation, after beating Currow in a fiery game on Saturday evening.

After both teams had lost their opening two games defeat was unthinkable here. The early exchanges were fast and furious. It was Glenflesk who opened the scoring during this frenzied period when corner forward Emmet Finnan fisted over after good work out the field by Patrick Darcy. Currow's Pa McCarthy then scored two quick frees to give his team a slight edge. Darragh Roche then caught a high ball right on the end line and recycled it to Jeff O Donoghue who split the posts with ease. A free soon after from Roche gave Glenflesk a three points to two lead at the first water break, as both teams struggled to gain control of the proceedings.

Currow's wait for a score from play ended when center forward Seamus Brosnan found the space to fire over on his right foot. Glenflesk replied quickly. Conor O'Donoghue's pinpoint pass found Ian Roche who turned quickly and fired over. Currow's John O'Connor then scored from play as the score for score nature of the game continued. Darragh Roche then pointed again before Glenflesk had a great goal chance near half time when Brian O Donoghue and Ian Roche combined to give Jeff O Donoghue the opportunity. His shot was struck well but bounced off the crossbar and went over rather than under. Glenflesk would lead by seven points to four at the half.

Unlike last week this time it was Glenflesk who got the second half started at full pelt. Daniel O'Brien came forward powerfully to punch over an early point. Then Chis O Donoghue pointed with his left foot from an extremely acute angle, before Finnan registered his second point of the day. He had earlier only been denied a goal by a brilliant save from Shane O'Leary. McCarthy pointed another free to give Currow their opening score of the half. Then the goal arrived that opened up some breathing space for Glenflesk. After Kieran O

Donoghue had broken down the right hand side of the field, he launched a shot towards goal. It looked as if it would be an easy take for the goalie. Ian Roche had other ideas though. Coming in on the blindside, and leaping salmon like, he palmed the ball away from O Leary's outstretched hands. Glenflesk had now built up a one twelve to eight lead at the second water break.

Currows task was to get harder after Pat O Sullivan was shown a straight red card, and they also had a goal disallowed for a double hop. Another chance was foiled thanks to a brilliant last gasp block from sub Peter Cronin. Daniel O Shea scored a nice point from play and McCarthy was still lethal from frees but Glenflesk's defence held firm. Chris O Donoghue came forward to kick three points in a row, before a superb pass from a forty five by goalkeeper Mark Kelleher found Stephen O'Donoghue in space, who made no mistake to extend the lead. As time expired Glenflesk's second goal arrived. Darragh Roche received the ball as Glenflesk broke forward. After having his route to goal on his left blocked, he swiveled on to his right side and found the minutest gap between O leary and the post. It was the last action of the day. Currow must now prepare for a relegation fight. For Glenflesk, an impressive end after two tough games to start. The tackling of the defense was hard and fair, the midfield held up well against the impressive ex Kerry star Seamus Scanlon, and the forwards were clinical with seven players registering scores. Positive signs aplenty for the rest of the year.

MINOR CO. CHAMPIONSHIP

East Kerry minors have started their campaign to be County Champions with a comfortable win over Kenmare District in Glenflesk on Monday 3rd August

Glenflesk's contingent had a big role to play in this win with Cian Lynch and Michael Mullane part of a set of back's that restricted Kenmare to just five points over the sixty minutes. Captain Killian O'Sullivan was outstanding in midfield with his massive work rate and managed to contribute four points as well. Dylan Roche was one of the corner forwards and showed lovely passing skills as he had two assists to his name. Tommy Bowler was in the other corner and he added one five to the total with a goal of audacious quality as he lobbed the goalie from forty meters out.

Kevin Bowler came on as a sub and scored three points, one of them coming as he was being pushed over and still managed to find the target. Luke Crowley also came on and scored a goal and a point. His goal arrived after a swift turn and sharp finish.

An impressive performance then from East Kerry who will be hard to beat in this years now under seventeen competition.

U16 CO. LEAGUE

Glenflesk 3 - 15, Kilcummin 0 - 11

An impressive second half performance from Glenflesk gave them the victory over Kilcummin in round three of the County League in Glenflesk on Wednesday evening.

After pushing Laune Rangers all the way the previous week Glenflesk would have hoped to get off to a good start. Instead it was Kilcummin who took the early initiative. They built an early three point lead thanks to some strong running and accurate shooting. Two points from frees from Dylan Roche opened Glenflesk's account before a brilliant long range pass from Cian Lynch found Roche, who dissected the posts to get the team's first score from play. John Kelleher pointed soon after and the teams appeared likely to be locked together as half time loomed. Then Glenflesk created a super goal. Luke Crowley's pinpoint pass found Roche, who swerved away from his marker and placed the ball in the corner of the net as he was being dragged back. This crucial score gave Glenflesk a three point lead at half time.

Buoyed by this score Glenflesk carried the momentum into the early stages of the second half. Roche scored two quick points from play before Kilcummin opened their second half account. Then Luke Crowley finished off two well worked moves, the second coming after a slaloming run from Lynch through the Kilcummin defense. Kilcummin kept going though and were within two scores for most of the second half, with the lead going between four and six points for most of the period. Just like the first half Glenflesk found the goals to finish the game off. Firstly after Eoghan Kelly had caught a high ball, he found Gearoid Healy who drew the goalie out before perfectly timing his handpass to Roche, who found the unguarded net for his second goal. Then, just as time expired, Darragh McCormick ghosted in on his own to palm the ball to the net to ensure victory. Team Jack O Donoghue, Evan Lucey, Stephen Moynihan, Ignatius O Leary, Donal Murphy, Cian Lynch, Sean Guerin, John Kelleher, Darragh O Connor, Luke Crowley, Brian O Connor, Darragh O Connell, Dylan Roche, Cathan Harrington, Evan Kenneally, Gearoid Healy, Jack Kenneally, Jack Leader, Darragh McCormick, Liam O Donoghue, and Ben Switzer.

U12 LEAGUE

Glenflesk under twelve's were unlucky to lose to their Gneeveguilla equivalent in a high scoring game in the County League on Sunday evening. Both teams got some great scores with Gneeveguilla's four goal start to the match proving decisive. Glenflesk youngsters battled hard, showing great spirit, and only for some great goalkeeping, could have got back to win. Well done to all involved in both of the games played this evening in front of a very well behaved crowd.

MINOR FOOTBALL FIXTURE

Minor Football fixture Kilcummin v Gneeveguilla this Saturday @ 4pm in Kilcummin Minor

PETROLEUM SENIOR CHAMPIONSHIP

Kilcummin 1-12 Dingle 0-18. If one expected

Dingle to have an easy ride with this one, being that we were already destined for a relegation playoff, they reckoned without the spirit of this team. They matched favourites Dingle throughout until the last 10 minutes when their superior scoring power told and they ran out three point winners. Shane McSweeney was belying his years at midfield but had to retire early and we certainly felt his loss in those closing minutes. A brilliant Kevin McCarthy goal, a penalty save by Brendan Kealy and some amazing points from Paul O'Shea were the highlights from a Kilcummin perspective but the never say die attitude and resilience of our players is a joy to behold and very encouraging going forward. We now face a relegation battle in an effort to maintain our senior status against Templenoe but first it's Mid Kerry in two weeks time in the County Championship. A warm welcome to Chris O'Leary who played his first game in a year after returning from Australia while we wish a speedy recovery to our injured players, Kieran Murphy, Enda O'Sullivan and Dan Moynihan. Team: B. Kealy, D. Maher, K. McSweeney, O. O'Connor, Chris O'Leary, S. O'Leary, J. Nagle K. Gorman, S. McSweeney, P. O'Leary, G. O'Leary, K. McCarthy, N. Duggan, P. O'Shea, M. Keane. takes a look at all things sport...

PITCH AND PUTT

Pitch & Putt Ireland held their first national events last weekend at Hillview in Clonmel with Kerry players featuring in the latter stages of the National U16 Matchplay Championships on Sunday.

Pride of place went to Ella Moynihan from Tralee as she reached the final of the Girls event only to lose to the same girl she had beaten in the very first match in the tournament. She became the first Kerry girl to finish runner-up in a National Girls event since Deerpark's Eileen McCarthy was runner-up in the National Girls Strokeplay in the years of 1998 and 1999.

In the Boys event Deerpark's Cathal Kelly was the only Kerry player to make the Championship semi-finals on Sunday morning, having defeated club-mate Nathan Cronin in the quarter-finals by 3&2. Ryan Neeson also lost out at quarter-final stage, as did Robbie Harnett to eventual winner Dylan Hudson from St. Patricks, Cork.

The Plate competition meanwhile saw Tralee's Mark O'Regan reach the semi-final in his debut year before bowing out.

Just to confirm that the County U16 Matchplay events are due to take place in Tralee on Saturday August 29th. Entry forms are with clubs now and should be returned by Wednesday August 26th.

GAA CLUB CHAMPIONSHIPS

Senior

That was a tough round for the East Kerry clubs with the exception of Kenmare. Dr. Crokes were about two minutes away from a berth in the final when disaster struck. In fairness, they were a bit unlucky, but by the same token Kenmare manufactured their own luck. Crokes were devastating early on, especially young guns Tony Brosnan, Micheal Burns, David Shaw, and Michael Potts. I was hugely impressed with Potts' goal – I actually thought he had taken the ball too far and would be swamped before he could take the point – shows you what I know, in fairness. Putting Dan McCarthy at full forward and bringing out Sean O'Shea was a stroke of genius by Kenmare – McCarthy always played as a defender but his acceleration was always a problem in the forward line. Once Mike Moloney was substituted Kenmare had the kind of gap that Sean O'Shea thrives on and he took the opportunity and the ball with both hands to do damage. Paul O'Connor's poaching instincts tend to be under-estimated since the emergence of O'Shea, but he is still one of the best forwards around and showed it. Even so, Crokes kept their composure (their most famous and admirable trait, in my opinion) to go two points back in front. And then the engine spluttered. Crokes had been on top of midfield for most of the game (Johnny Buckley's physical prowess sometimes

detracts from his fantastic intelligence on the ball) but in the last ten minutes Kenmare's Kevin O'Sullivan won three great balls in a row that allowed escape artists Kenmare to pass them right on the finishing line. That included a brilliant penalty save by Shane Murphy.

No joy for Legion either, and no real excuses. James O'Donoghue wasn't fit to start and departed abruptly on his introduction, but that was of small moment by then anyway. When Stacks get the bit between their teeth they are as good as anybody and better than most, but Legion never really got out of the starting blocks. It was a bad day for them; that happens to every team (anyone remember Kerry v Meath in 1991? I do. Now let's never mention it again). The real test is how they respond, and this Legion team have

plenty of character. This will stand to them yet.

Strangely enough, Kilcummin lost but probably deserved the highest praise of anyone. Already out of contention, nobody gave them a realistic chance against Dingle (no point in lying, I am absolutely included in that number) even with the return of Chris O'Leary. Instead, however, they gave Dingle an absolutely rip-roaring battle and I loved it. In the end, the Geaneys had too much firepower, but once Kevin McCarthy kicked 1-1 in two minutes, both of them stunning scores, Dingle were in a real contest all the way. So much so that they ended up losing out to Stacks on scoring difference. No tangible reward for Kilcummin, but they made a real statement about who they are, not just as a team, but as a club. the final. The Rockies will go in as favourites, Kenmare needed late interventions to turn the tide in all three of their games. But they got them every time they needed to; I doubt if it's either coincidental or lucky.

Kilcummin v Templenoe in the relegation decider. Impossible to call. Limited spectator numbers means that a lot of us won't get to see it; I really hope it's streamed (the streaming service has been good, in fairness).

Intermediate

No major surprises here. Rathmore being out of contention is an unfortunate talking point, but in fairness Laune Rangers and Castleisland Desmonds have surprised a lot of us. Two years ago they were down in the doldrums, but they have turned it around and fully deserve their quarter-final spots.

Spa and Na Gaeil played out a cracker, even though there was quite literally nothing at stake. It should be obvious that group winners should have home venue in the quarter-final as an incentive. Otherwise, too many last round games

are dead rubbers. Hopefully (and, with due credit to the County Board, I fully expect) a change can be made next year.

Gaeltacht and Na Gaeil would have hoped to avoid each other; that is unquestionably the pick of the draw. Either way, a big contender will be gone after the final whistle. Gaeltacht are physically strong but don't always put enough on the scoreboard for it. If they put it together, the All Ireland Junior Champions could come a cropper here.

Spa will be favourites against Laune Rangers, but Brian Lynch picked up an injury against Na Gaeil and he has been excellent for Spa. Laune Rangers are a club on the upward curve to me, especially with Peter Crowley and Daire Cleary fully fit.

Beaufort and Gaeltacht going through are no major shock either, two good teams. I'd fancy Beaufort to beat Glenbeigh/Glencar in a tough battle, and if I was Castleisland Desmonds, I'd be wary of South Kerry champions Dromid. Declan O'Sullivan may not be managing them, but his imprint is on that team and the likes of Graham

O'Sullivan and the evergreen Niall Ó Sé can be lethal.

Ardfert are coming under Shane Griffin's management but are a year or even two away yet and will struggle against St. Marys. Likewise Waterville, despite struggling to put scores on the board, should have too much for Currow, whom I'm afraid look like favourites for the drop to me. Then again, given my less-than-auspicious record at predictions, that could actually be a great omen for them!

JUNIOR PREMIER

Gneeveguilla's win over Fossa probably has them installed as overall favourites, and the form of the likes of Pa Warren, Padraig O'Connor, and John O'Leary justifies that. But I'm telling you now that the only way anyone ever walked out of Ballymac with an easy win was if they bought a lottery ticket there. That's a very tough team to break down and Gneeveguilla will have their hands full. Fossa and Skellig is no picnic either, but I think Fossa have too much fast and accurate forwards in the O'Sheas and Clifford and should come out of this one. Ballydonoghue, with the Foleys and Kennellys in great form, should get past Finuge. Ronan Buckley has been one of the best players in the grade, but I'm afraid Listry will need everything he has got if they are to get past a strong Brosna outfit.

Relegation is a nightmare, Firies v Listowel Emmets and St. Michaels/Foilmore v Ballyduff. Firies should have enough for Listowel, especially with Pádraig de Brún on current form, but you never know.

GAA MINOR CHAMPIONSHIPS

Ah look. All four quarter-finals were fairly one-sided, with 8 points the lowest margin in any game. Semi-finals haven't been drawn at time of writing, but there's no easy team out there.

Killarney Legion 1-14 Firies 0-6

Legion Legion are the last club side still standing, and with good reason. They were absolutely superb here. Jamie Alade controlled midfield with great help from Ethan O'Neill, while Darragh Fleming gave an absolute exhibition from centre back. And even so, there was no doubt about the star of the show. William Shine scored 0-12 and set up Ewan McIndoe's goal. Firies never really got going in the absence of marksman Cian Doe through injury, but Peter Cosgrave, Stephen Palmer, Colm O'Shea, and Thomas Clifford played their hearts out.

East Kerry 1-19 Feale Rangers 1-8

Feale Rangers put a very young Dr. Crokes's side out last week in a nail-biting contest that gripped the imagination to the final second. Not so with this one; East Kerry led by 1-12 to 1-5 and, in all honesty, had another gear in them if it was needed.

St. Brendans look like their toughest opposition, having dismissed Mid Kerry on a 3-16 to 0-15 scoreline. South Kerry won't be far away either; they beat West Kerry by 3-15 to 2-10. Obviously I will be supporting East Kerry or Killarney Legion, but I secretly have a soft spot for South Kerry; they have had very little underage success in the past ten years.

LADIES GAA CLUB CHAMPIONSHIP

Senior

Rathmore and Southern Gaels always looked like the teams to beat and a cracking draw between them is quite likely to be an appetiser for the eventual final.

Intermediate

Scartaglin are really starting to look the team to beat, having seen off Inbhearr Sceine gaels by 6-17 to 2-3 – they put up 6-13 against Austin Stacks in the opening round.

Kilcummin had a very tough outing, with Corca Dhuibhne recovering from a first round defeat to win by 6-22 to 0-7.

Spa suffered a late defeat to Finuge/St. Senans in a cracking game. Jackie Horgan got the opening goal for the visitors but Spa's Saoirse Kelly was set up by Liadh Tobin for the perfect reply. Niamh Kearney (Spa) and Miriam O'Keeffe (Finuge/Senans) were the best players on view. Spa trailed by three points at half-time. A Lynn Jones goal put Spa in front, only for Niamh Carmody with a penalty to put the visitors in front and they hung on to win.

JUNIOR A

Killarney Legion clocked up a very convincing win over John Mitchels, 5-12 to 1-6, but Dr. Crokes were no less emphatic in beating Laune Rangers by 4-20 to 0-6.

JUNIOR B

Currow came a cropper against Abbeydorney, with Caoimhe Spillane scoring 2-9 of her sides total. Currow gave them a good battle of it with two goals shortly before half-time to put just a point between them, but Abbeydorney always had that little bit more scoring power in the finish, winning out by 2-18 to 2-5. Fossa received a bye from Dingle.

SNOOKER

The World Snooker Championship made a lot of the recent headlines, and not all of them were favourable. In fact, there was a savage row. It was vicious, by all accounts. One player felt that another player was 'interfering with his line of sight' as he was trying to pot the yellow. Not only were eyebrows raised, or even dirty looks exchanged (and there really was!) but one of the players tweeted out an invitation to dance! Have you ever heard the like? I have heard a rumour about one player muttering a dirty word under his breath in an All Ireland Final ('golly gosh' or 'jeenie mackers', I imagine), but I steadfastly refuse to believe it.

Look, I'd have a small issue if it was happening between two altar boys during mass (back in the old days of six months ago), but this is a controversy? I'd say clickbait is selling in bulk these days.

John Higgins scoring the first maximum break since 2012 in The Crucible was interesting – I always kind of liked Higgins until he was implicated and fined in a match-fixing scandal. Mercurially brilliant Ronnie O'Sullivan is always interesting, but he is more mercurial than brilliant these days. He doesn't seem to care any more. I can only cast a nostalgic eye back to snooker's heyday during the eighties. Poor lonely Alex Higgins, the ultimate flawed diamond. Cross his line of sight during a game? You'd get your tacky headlines easy enough!

KDL DENNY'S PREMIER A

THURSDAY 6TH AUGUST

KILLARNEY ATHLETIC 3 MEK GALAXY 1

With yet another spirited effort has left us wanting again. Make no mistake, this is a tough division, a tough place to learn, but a division we will be back to. 1 nil down at half time with very little between the sides in the opening 45 minutes. 90 seconds of madness had us down 3 nil after the break. After we had regrouped, the response from there was excellent. We took the game to Athletic for large parts of the 2nd half. Hubert Dziedzic pulled one back and we were very unlucky straight after not to get a 2nd. The goal was called back for offside after an error at the Athletic's backline. The home team were happy to sit in and soak up with their lead. On to the next game as we continue build for next season. Best on the day: Aidan Galvin, Conor Murphy, Harry Buckley.

KDL DENNY'S PREMIER A :

SUNDAY 9TH AUGUST

MEK GALAXY 1 CLASSIC FC 2

As always, our A's give 110% and it paid off in the 50th minute. A Brendan Savage effort put MEK in the lead. Classic reacted and equalised 10 mins later through D'Arcy O'Sullivan. A hammer blow on the last game of a long season as Classic clinched the 3 points on the 85th minute with a Mike Conway winner. Best on the day: Leo Healy, Liam Roche, Sam Treharne.

"Thanks to all involved for the effort throughout after a tricky season in Premier A. The work rate, attitude and effort are exemplary while we learned a lot, we will now regroup and look to be pushing to return to the top division". Dara Regan-MEK Galaxy Manager.

U13 BOYS PRE-SEASON FRIENDLY

Our U13 boys faced their first run out of the season in a friendly with St. Brendan's Park. With a disastrous start, 4-0 down after 15 min, MEK regrouped and responded. At the final whistle, both teams shared the spoils in a 5-5 thriller. Well done and thanks to St. Brendan's Park for travelling.

FAI YOUTHS CUP SEMI FINAL

KILLARNEY CELTIC 2, MERVUE UTD 1

Evan Looney, Emmet Cronin.

KILLARNEY CELTIC

Killarney Celtic advanced to the final of the FAI Youths Cup after this semi final played at Celtic Park in very warm conditions. 2 goals in a lively 1st half were enough to fend off a Mervue comeback in a 2nd half where the pace of the game dropped as the heat took its toll on the players. Mervue were 1st to threaten forcing Adam Carey to save inside the 1st min but the early nerves were blown away in the 4th min when Dylan O Callaghan cut through the Mervue defence to set up Terry Sparling who

shot wide. Celtic did not have to wait much longer for the breakthrough as in the 8th min Dylan O Callaghan laid the ball back to Cian Doe whose cross was laid off by Terry Sparling to Evan Looney who shot home to the delight of the home crowd. Celtic continued to threaten the Mervue goal and in the 13th min Dylan O Callaghan latched on to a defensive clearance but his shot from the left went just past the post. Great play in the 18th min almost put Erin Moloney in for a goal. Dylan O Callaghan shot over from outside the box in the 20th min. Just after the 30 min mark James Darmody almost connected with a Cian Doe free. With half time approaching Mervue won a free kick deep in the Celtic half but Padraic Looney headed clear where Terry Sparling kept the ball alive before passing to Emmet Cronin who flicked to Dylan O Callaghan who used his pace to get in to the box before crossing for the in running Emmet Cronin to finish to the net for a richly deserved 2nd goal. The pace of the game dropped in the 2nd half as the heat took its toll. Mervue pulled a goal back in the 58th min but the Celtic back line well marshalled by Padraic Looney and Jason Kerins kept Mervue at bay ensuring that Killarney Celtic qualified for the FAI Youths Cup Final repeating the feat of the 2010/11 squad. Celtic will face Douglas Hall in Mounthawk Park. Well done to the management and players on this fantastic achievement.

MEK Galaxy hold 20x20 Mini Blitz

Due to current restriction, unfortunately we were unable to host other clubs in a planned 20x20 Blitz. This event was to celebrate schoolgirls soccer, so it was bitterly disappointing to not share this with all the fantastic schoolgirl clubs in Kerry.

However, we adjusted, and played an in-house blitz, for our U13 girls. On the day, 4 teams competed against each other in a league format, with top of the table taking the gold medal. Our very knowledgeable and highly skilled coaches managed a team each. With the banter before the day, it was going to be a tightly contested group.

However, competition was secondary as football & fun took the spotlight. With parent power at the sideline, all games were played in a great spirit and evenly matched. While the final standings told their own story, the main purpose of this blitz was for the girls to enjoy playing a sport they love with their

friends.

The 20x20 national campaign to promote female sports is a cause awfully close to MEK hearts. We have worked hard to grow soccer in our club and our community. And we are extremely proud of what we achieved so far. Entering our 3rd season, we can boost U15, U13, U12 and academy teams. Our coaches Bailey, Jo, Jerry, Pat, Paul and Pa have shown great passion in nurturing these girls. And will continue to do so.

As well as catering for the girls, we are hoping to introduce a senior women's recreational soccer programme. This will be a fun positive way to come back into the sport or try it for the first time. No experience is required, and all abilities are welcome.

If you would like to find out more about our schoolgirl or woman's teams, please don't hesitate to contact Pa on 087 7943220 for more info.

If you cant see it, you cant be it!!!

KABB NEWS

LOCAL BASKETBALL

TIP-OFF DELAYED

Following a meeting of the Kerry Area Basketball Board and a full discussion with its member clubs and referees the start of the new season will be pushed back to the end of the year.

When the previous season ended the Kerry Airport KABB were almost finished their programme of games. And it had been hoped that this season would commence as usual around the end of September, early October.

Clubs are in the process of appointing Covid officers and working on the back to play protocols released by Basketball Ireland. For any clubs who require further information on these items that can contact the KABB Board or log onto the BI or Sport Ireland websites.

However the KABB has also had a number of approaches from clubs and schools who are still getting to grips with how the new school year will look and some of the school halls which clubs used might not be available for the next few months at least.

Therefore the KABB has decided that competitions will commence by January 2021 with team registrations to be completed by November and fixtures released in December.

AGM: The KABB has also announced following its committee meeting that the AGM will take place immediately the Government moves the country into Phase 4 of the re-opening pathway and groups of more than 50 can meet indoors.

Randles Brothers Intermediate Championship

Finuge *Snatch victory* at the end

Spa 2-10 Finuge St. Senan's 2-14

By: Anne Holland

It took the last few minutes in injury time for Finuge St. Senan's to snatch victory from Spa in their home ground. Finuge/St. Senans were quick to open the score board in the first minute by the talented half forward Niamh Carmody.

Shortly followed by another great score from half forward Aoife Behan. Niamh Carmody scored her second from a free with a foul on Aoife Behan. In fact, it took Spa ten minutes to score their first point with a free from Niamh Kearney and she slotted another over the bar in quick succession. The visitors replied with a great score from Behan to claim her second. Spa settled with a great score from Mairead Bennett created deep within their defence. The teams exchanged scores from Spa's Loretta Maher and the North Kerry side tapped over another from Aoife Behan and the half back Miriam O'Keeffe going into the first water break with one point between the sides. The last quarter of the first half saw some great football from both sides both desperate to gain and hold possession. Half forward Niamh Carmody played deep to gain possession & got a great score. Miriam O'Keeffe was a constant threat to Spa's defence and tapped a point over the bar. With Jacqueline Horgan moving to full forward it opened Spa's backs to score two points. The home side were not going to quit and came back with a great score from full forward Niamh Kearney. Finuge was rewarded with a 45 after a great save by Spa's midfielder Cass Buckley to deflect from the goalmouth. It allowed Finuges Miriam O'Keeffe to kick it into the waiting hands of Jacqueline Horgan to score their first goal. Spa replied with a great pass from Liadh Tobin to Saoirse Kelly to tap it into the net narrowing the deficit to three points going into half time. Spa 1-5 to Finuge St Senans 1-8.

Spa started strong in the second half with three great scores from Liadh Tobin (two) and Cassandra Buckley. In fact, it was all Spa in the first quarter with most possession in Finuge/St Senans defence. The ever-ready bunny half forward Niamh Carmody played a stormer and played deep to break down Spa's attacks to gain possession and yet again start off the

visitors scores. O'Keeffe and Carmody kept the visitors in the game as Spa were causing all sorts of problems for Finuge/ St Senans. Spa's defence were very strong and lead by captain Ciara Moynihan as most of the home sides scores started from her blocking and gaining possession. Spa's Niamh Kearney scored a point from free, but it was half forward Lynn Jones goal that put them in the lead for the first time during the game. The last fifteen minutes were tense and very tight with both sides playing great football. However, a foul on Jacqueline Horgan on Spa's goalmouth resulted in a penalty being awarded to them. Niamh Carmody stepped up and blasted it past goalie Caoimhe Claffey to pull away by two. Spa scored another point from Saoirse Kelly, but Finuge/ St Senans ran away with victory with two more scores from Miriam O'Keeffe and sub Olivia Stack to win by four. The Northsiders were served well by Niamh Carmody, Niamh Leen, Aideen Cronin, Jacqueline Horgan and Katelyn Stack. While Spa tried hard with Ciara Moynihan, Mags Cronin, Elisabeth Stack, Aisling Mahony, Lynn Jones and Mairead Bennett.

A Word of Victory

Welcome back dear reader, God is always with you, even in the midst of troubled waters on this journey of life. There is an amazing worship song called 'No Longer Slaves of Fear', and it is a declaration that no matter what our enemy the devil attacks with, because we know the Lord and trust Him, we will overcome those attacks in victory. Google that song friend and play it because it will uplift and strengthen you.

You need to know that God is for you - that He is on your side, and He is not against you (Romans 8:31-39). A regular ploy by the devil is to whisper accusations, lies and condemnation into your ears that are completely the opposite of what's God's Word the Bible says. But if you don't know what God feels about you - how much He loves you - you are going to live defeated and terrorised, and develop a habit of living in fear of everything - whether that be fear of the corona virus or other sicknesses, fear of accidents or being attacked, or fear of losing loved ones or your livelihood. There is no end to the pathways of fear, the list just goes on.

The Bible tells us that 'bad company corrupts good character' (1st Corinthians 15:33). Whose company are you keeping? I'm not just talking about hanging out in dodgy places friend but be real - whose company are you keeping, and who is influencing you? Because fear and terror come from a demonic source and not from God! If our foundation is not based on real relationship with God through His Son Jesus and what He did for us at the Cross, then instability, failure and lack of peace will result (James 3:15-4:10).

James wrote that if any of us lacks wisdom to ask God because He freely gives it, and His wisdom, coupled with our faith brings stability (James 1:5-8). If you don't know the Lord simply ask Him to reveal His heart to you and He will answer you. Jesus always confirms His Word with signs and He watches over His Word so that it does not return void without accomplishing that for which it was sent (Mark 16:14-20; Isaiah 55:11-12). God is waiting on you dear friend. He wants to fill you up with His love, His power and cover you with His wings under which you can take refuge from the dirt the enemy has been dishing up to you, and eat off God's table of blessing and peace instead (Psalm 23:5; Psalm 91). Come, the table is set!

26TH ANNIVERSARY

IN LOVING MEMORY OF

**EILEEN
O'DONOGHUE**

LATE OF BALLYCASHEEN,
KILLARNEY.
WHO DIED ON THE 11TH
AUGUST, 1994.

*Heaven needed Mam:
So many things of mam I miss
Her gentle hug and tender kiss
I still can feel her warm embrace
And picture still her loving face*

*A mother's task are never done
And heaven must have needed one
For angles came and took her hand
And led her to gods promised land*

*She's surely kept quite busy there
While brushing angels little hair
And made sure they are dressed just right
And not staying out too late at night*

*Although there is sadness this I know
She's waiting there, her face aglow
I close my eyes and I can see
Her arms still open wide for me.*

Always loved and remembered
Her loving Son Sean and Jen.

26TH ANNIVERSARY

IN LOVING MEMORY OF

**EILEEN
O'DONOGHUE**

LATE OF BALLYCASHEEN,
KILLARNEY.
WHO DIED ON THE 11TH
AUGUST, 1994.

*Our Mum,
Why our Mum we often say
Why she was picked to be that way
Now she has gone and left us here
We all did love her very dear
When she was very ill in bed
She won't pull through the Doctor said
Every time she came out on top
But suddenly it came to a stop
All the nurses we must thank so much
They always had the special touch
To get her well and pull her through
We owe it all to all of you
And also the home-help
They did a lot
Don't worry we never forget
Ye kept her well she- had no pain
And minding her was not a strain
And her friend that was so dear
She never had to live in fear
Of feeling down and all alone
She'd come by and make it home
All the suffering Mom went through
Dad was there
And went through it all
He stood by her through it all
And at the end he took the fall
A bouquet of beautiful memories
Sprayed with a million tears
Wishing God could have spared you
If just for a few more years.*

Loved always and never forgotten Your loving
husband Sean , Norma and Bryan, Lorraine
and Killian, Tricia and Richard, Sean and Jen
and your loving grandchildren Fionn,
Saoirse, Oisín and Timmy

THE MIRACLE PRAYER

Dear Heart of Jesus in the past I have asked
many favours. This time I ask you this special
one, (mention favour).
Take it dear heart of Jesus and place it within
your own broken heart where your Father
sees it.
Then in his merciful eyes it will become your
favour not mine.
Amen.
