A Killarney man who raised over €15,000 for Kerry Hospice by running 170 miles last November in memory of his sister-in-law, is asking the public to support their local Hospice. David Looney got to see first hand the care his sister-in-law Geraldine received during her time in Hospice, witnessing how its work enormously comforted her family.

Seeing this effect alone was powerful enough to spur him out in the November rain.

Now he is asking members of the public to host a coffee morning for Bewley's Big Coffee Morning Social for Hospice on September 21.

The nationwide event, supported by Bewley's since 1992, has raised over €43.2million – and there is a €2million fundraising target this year.

David ran almost every day during the month of November to raise funds for those who cared for Geraldine, who passed away in 2021.

"My story is probably common enough, my sister-in-law had four sisters, two brothers, two parents, a partner, and two kids," said David.

"My wife would come home and I could see the comfort in her, knowing that her sister was in the best place she possibly could be at this time in her life with the very best staff around her.

"That made my job of trying to comfort my wife much easier."

David had been involved with a fundraising run for the Mater Hospital during the Covid-19 pandemic, which gave him the idea to undertake something more challenging for Kerry Hospice.

"I had originally committed to running 150 miles, but I thought the more I could do, the more I would raise, and right before the race I changed it to 170 miles," he said.

"My family thought I was doing too much, but I knew the more I did, the harder the task, the more I would raise because people would appreciate the challenge."

The end of David's fundraiser came on November 30 last, the first anniversary of Geraldine's death.

DAVID CALLS FOR SUPPORT FOR THE HOSPICE

Actor Domhnall Gleeson with Kerry Hospice Foundation Hero David Looney and Kerry Hospice Foundation secretary Mary Shanahan at the launch of Bewley's Big Coffee Morning Social for Hospice, one of Ireland's biggest fundraisers.

"The date was very poignant. I purposely stopped two kilometres short and went to the national park, where Geraldine's two sons, nieces and nephews joined me for the final distance. It was a great way to end the month," he said.

"My son, who was only seven at the time, also joined me for two kilometres in the middle to give me a boost – it was a lot for him to take on, but he was determined to do it."

Together for Hospice, The National Hospice Movement, represents 26 Hospice and specialist palliative home care providers

supporting patients and their families.

Funds raised locally stay local and go back into each Hospice service to innovate, build new facilities, develop new services, and deliver quality improvements and extra benefits for their patients and their family members.

Register to host a coffee morning on September 21 - or on a date that suits you – at hospicecoffeemorning.ie or call 0818 995 996.

We discussed what we wanted and Pat expertly guided us on a design. He then called to our house to see the actual bathroom and tweaked a couple of things which improved the overall look. Trócaire award recipient thanks Kerry public for 50 years of support

An Ethiopian nun who has continued to help people in the Tigray Region of Ethiopia in spite of the conflict that has raged there for nearly three years has been honoured by Trócaire.

Sister Medhin Tesfay was in attendance at the Trócaire 50th Anniversary Conference where she was presented with the Trócaire 'Romero International Award' by Bishop William Crean, who is Chair of the organisation, in recognition of her extraordinary courage and commitment.

Sister Medhin thanked the people of Co. Kerry and right across Ireland for their support of not just the Daughters of Charity but many other partner organisations since Trócaire was founded fifty years ago. "Through your generosity, we have been able to shed light on peoples plight, share their stories and advocate for the attention

and assistance they desperately need. Your support has helped in saving many lives, illuminating a path towards a brighter future for these individuals, offering them a glimmer of hope and a chance for a better life," she said. Sister Medhin has given tirelessly to the transformative and life-saving work of the Daughters of Charity in Ethiopia for nearly three decades. She is known and respected by many around the world, including Ireland, Scotland, England and the US, for the work she has done.

Sr. Medhin's congregation opened two houses in Tigray in the 1970s to support the disadvantaged, marginalised and people living in poverty in these areas. The first house of the Daughters of Charity in Tigray Region, and where Sr. Medhin lives and serves, was established in 1973 – the same year that Trócaire was established in Ireland.

CALL TO REMOVE UNSLIGHLY BARRIERS

At today's meeting of Kerry County Council Killarney Municipal District, newly coopted member Cllr. Martin Grady is calling on Kerry County Council to remove unsightly barriers located just off Park Road. "I'm calling for these unsightly barriers to be removed and replaced with a suitable alternative, in the tourist capital of Ireland it's not good enough on one of our main roads approaching the town", Cllr

Grady told Killarney Outlook.

"These are also reducing the overall carriageway width. These are currently located off park road at the entrance to friary downs, burr ridge, Arlington heights, Sáill Ardan and Coll Corran", he added.

It's the talk of the town...

With Anne Lucey

Anne Lucey looks at the positive news happening in the town of Killarney

AND THEY'RE OFF

Councillors approved a protocol this week which will likely see them take more foreign trips - to promote Killarney and Kerry.

There was a staunch defence of councillors' trips abroad as seventeen councillors set off for Boston, Springfield and the Netherlands in the next few weeks.

There were calls by Marie Moloney for Killarney's twinning committee in particular to be better funded.

Killarney which has more twins than it caters for is now getting headlines in places like Kendal in the UK, the meeting heard.

Mayor of Killarney Brendan Cronin has written to the council there to express his concern about a headline which reads that Kendal council is considering revoking their Killarney twinning arrangement because no councillors from here are returning visits.

Calling for extra funding for such return and promotional visits, Cllr Niall O'Callaghan said he fully realised he would be 'slated' in the media for saying so.

Killarney did not get IDA visits and had to do its own promotion. The biggest golf event in the world, the Ryder Cup, was coming to nearby Adare and Kerry should capitalise on this. Some 200 million euro was being spent by golfers this year in Ireland.

'I come from a business mentality. If you give, you get,' Niall O'Callaghan said.

Cllr
Niall O'Callaghan

He referred to the pool of golf tourists outside of cities like New York which would readily respond to approaches by Killarney. Springfield Illinois delivered 120 visitors in March and again in October for ten years. But the visits died with the town council in Killarney.

And he made the point that at the moment Kerry is spending virtually nothing compared with other county councils as revealed in a table in the Irish Independent recently.

Others made the point that many councillors would not want to travel at all so the pool of those eagerly packing their bags would be narrowed anyway.

The protocol sets out order of importance in selecting who gets to go - rather than simply drawing names out of a hat. It also seeks to ensure that new twinning arrangements will be entered into only if they are beneficial for local towns.

But have we gone from a position of underpaying public representatives - ten years ago they got no payment now they get paid, lump sums and pensions and if anything have less authority - to overpaying them and are they over playing their own importance?

I don't think so. It is definitely the case that in a world starved of personal contact and relying on virtual and social media connection, physical interaction has real impact.

Visits from elected officials too has greater and wider impact than say a chamber of commerce representative would.

Treating our visiting delegates better should also be on the cards and as Niall Kelleher said presenting them with small tokens is not enough.

MORE SHOPPING FOR KILLARNEY

With Killarney in dire need of more shops, birdies tell me M&S is upgrading its Killarney store with extra lines and a whole revamp in its clothing and footwear section in Park Road. This is welcome. We could do with a few more shops in Killarney and a new study on retail needs is surely needed at this stage. Other towns are certainly benefiting and anyone visiting Tralee or Castleisland will meet several Killarney people in pursuit of bits and pieces. The new road to Cork will take people out of the town as well as bring them in, it has to be remembered.

Twenty odd years ago the dearth of shopping in Killarney was highlighted and studies commissioned by the then Killarney Town Council. This led to the Killarney Outlet Centre and the Deerpark shopping area. The population has grown substantially since but if anything we have even fewer shops than back then.

TIME FOR MORE FACILITIES FOR OUTDOOR TOURISTS AS DEER BEGIN WHISTLING

The National Parks and Wildlife Service has at last taken the bull by the horns and erected highly visible no overnight camping signs at several spots.

In a year which saw scenic tourist spots crowded with vans of all shapes and sizes, this is most welcome and the NPWS is certainly upping its game locally. But we really need to think more broadly in terms of facilities for outdoor tourism. It is not acceptable for tourism agencies and indeed the national park itself to bring thousands of people to mountains and lakes and provide no toilet facilities. The Great Blasket Island is a case in point. Visited by the Taoiseach this weekend it is only this year an island that gets ten thousand visitors a year has a public toilet.

It took press reports of people going to relieve themselves in Peig's old house to get action.

The toilet is being provided under a lease arrangement with the OPW.

It is only a matter of time before the unacceptable situation at Dundag beach and the lack of toilet and waste facilities there gets unwelcome national attention.

Now that the sika deer have begun whistling, we can expect throngs of photographers shortly in the Demesne and around Muckross and Mangerton.

This is welcome shoulder season tourism. But is it not high time wooden viewing platforms were erected which would provide safe havens for photographers while giving them the best shots? These could be modelled on hunting hides, the kind we see in forests on the continent.

Every year I see traffic hazards at the entrance to Muckross House as cars line up to view the deer. There is a similar situation on the Mangerton road and down the Demesne there is complete chaos in the early morning and I have heard reports of tv crews etc all speeding around.

NEW BOOK ON SOUTH KERRY

Mapping South Kerry is a major new book which tells the story of the long history of map-making linked to that part of the county south of the River Maíne. Authored by the former UCD lecturer Arnold Horner, this attractively-produced book reviews the many hundreds of maps which have been made showing parts of the south Kerry area over a 450-year period from the early 1570s to the present day. Over 400 illustrations complement a detailed text.

The many different types of maps included in the study range from the vast array of maps produced by the Ordnance Survey of Ireland to various less familiar types such as marine charts, maps for new roads and for telecommunications and the hundreds of maps commissioned for the landlords that once owned most of south Kerry. Some of these maps were never printed and exist only as one or two copies, and some are held in places far away from Kerry, in Dublin, Belfast and in England. A feature of the book is that this diversity of maps is now listed for the first time.

The earliest map showing south Kerry in some detail was made by Robert Lythe, an English map-maker, in the early 1570s. He travelled through the area with a special safe conduct pass. As well as working on the land, he mapped from the sea, voyaging around the coast from Dingle and up along the Kenmare River.

The later twentieth century maps shown in the book include a marine chart of the Skelligs coastal area that was used by German submarines during World War 2, and a map of the Cahersiveen/ Valentia Island area that was printed with the Russian Cyrillic script and used by the Soviet Union military during the 1970s. The latter map is so up to date it shows the Valentia bridge opened in 1971.

The landlord maps include a large number of examples from the Lansdowne, Kenmare and Trinity College estates. The areas around Killarney, Kenmare and Cahersiveen are therefore covered

The author of the book, Dr Arnold Horner,

in some detail. The Kenmare estate maps include images of Killarney town in the 1720s and a map showing the site for Killarney cathedral in 1843.

A feature of the book is that it tries to show how maps record the changing landscape of south Kerry over more than four centuries. The development of the man-made environment is shown on maps, and the book offers some sense of how placenames, boundaries, fields and buildings have evolved over time. An aim of the book is to portray a hidden history of south Kerry that has received only limited

attention.

The author of the book, Dr Arnold Horner, has written extensively on the history of mapping in Ireland and on the history of mapping in Kerry. He has been a frequent visitor to the Cahersiveen/ Glen areas of south Kerry over more than three decades. The present book is the outcome of work undertaken since he retired from UCD in 2011.

The book is available from most bookshops in Kerry.

Pride In Our Peatlands at Kilcummin Bog

A guided biodiversity walk launches creative community project Pride in our Peatlands, this Saturday, September 16th, kicking off four weeks of community collaborations and events celebrating the past, present, and future of Kilcummin Bog.

Kerry artists Zoe Uí Fhaoláin Green and Emer Fallon have partnered with Kilcummin Rural Development Group to stage the walk, one of a series of events taking place as part of the artist-led project funded by Kerry County Council with a Creative Ireland grant.

Over the next four weeks the two artists will explore, with members of the Kilcummin community, the transient nature of Kilcummin's peatlands through the media of writing, sound and photography.

Further events set to take place as part of the Pride in our Peatlands project include creative sessions with local national school pupils and teachers, gathering memories from some of Kilcummin's older community members, a collaborative creative community event, and a community exhibition featuring the soundscapes, written pieces, and artwork created by members of Kilcummin Community and expressing the community's hopes and wishes for the future of the bog.

Saturday's walk is being led by Cathy Eastman and leaves from the starting point of Kilcummin Bog's Green Walking route at 1.30. It is expected to

take approximately one-and-a-half hours and walkers are asked to wear suitable clothing and footwear. Children must be accompanied by an adult.

For further information on the project and/or Saturday's walk please contact Zoe on 085 108 6860 or Emer on 087 2241181.

'Killarney Cycling Without Age'

promises to be a great success

The joy of getting out in the fresh air and taking a trip around the National park has become a reality following the launch of Killarney Cycling Without Age.

HSE Cork Kerry Community Healthcare and Killarney Cycling Club have joined together for this exciting new initiative for residents of Killarney Community Hospital and St Columbanus Home. 'Killarney Cycling Without Age' started in May 2023 following postponement of the initiative during the Covid19 pandemic. This new initiative is aimed at helping older persons and those with mobility issues to regain the experience of being out and about on a bike and to gain better access to explore their local community. Over the last four months, hospital and care home residents have been enjoying trips through Killarney town and around the jewel in Killarney's crown - Killarney National Park.

The electric-assisted trishaw was purchased by Killarney Cycling Club with the help of Cork Kerry Community Healthcare and Kerry County Council, it was then donated to Killarney Community Hospitals to ensure residents of the community hospital and care homes could regain the experience of being out on a bike in their local community. The Trishaw 'pilots' are experienced volunteer cyclists

largely from Killarney Cycling Club, who take hospital and care-home residents (usually two passengers at a time) on trips when the weather conditions are suitable.

Project co-ordinator, Noel O'Connell commented on the success of the initiative, saying: "The residents love being out on the bike and meeting people. The model of Trishaw we use is called a CHAT and it certainly encourages conversations whenever we are out in the National Park or around the town. Weather can be an issue at times, but the bike has a waterproof blanket cover and canopy to help along the way. Since beginning at end of May, the initiative has been in use each week and will increase with a number of new volunteer 'pilots' who have been trained to cycle around Killarney town and the National Park. The hospital and care-home staff are very supportive of the scheme and residents are always encouraged to give it a try and for the most part, they can't wait to go again!"

The trishaw runs from Killarney Community Hospital and St. Columbanus Home, and plans to develop the scheme for other care homes are being researched.

This initiative is proudly supported by the HSE Cork Kerry Community Healthcare and the Killarney Cycling Club.

CROHANE SET TO BENEFIT from Uisce Éireann's Leakage Reduction Programme

The announcement that Uisce Éireann, working in partnership with Kerry County Council, is replacing over 1km of aged water mains in Crohane, outside Killarney has been welcomed by Cllr. Brendan Cronin.

"I am delighted to welcome and finally see this important project going ahead as I have been highlighting this repeatedly at Council meetings over the last number of years. The constant breaks on this section of pipe has had a serious impact on customers all across the Mid Kerry water supply scheme served by Barleymount reservoir with regular water outages. There will be local road diversions as indicated by Irish Water for the duration of the contract works and I would appeal for the public's cooperation during this work.

The works, being carried out by Ward and Burke Construction Ltd, are due to commence in late September and will be completed by the end of November. Once completed customers in this area will enjoy an improved water supply with less disruption due to bursts and leakage.

Commenting on the project Portfolio Delivery Manager at Uisce Éireann, Kevin Murphy said: "To facilitate the safe delivery of the works, there will be temporary traffic lights and a short-term local road closure required. The community will be notified of this in advance. Alternative routes will be available, and diversions will be clearly sign-posted. Local and emergency access will be maintained at all times. We would like to thank customers in advance for their cooperation and patience while we complete these essential works."

"These works are part of a significant investment programme by Uisce Éireann to improve the water network across the Kingdom, prioritising investment where it is needed most enabling these communities to thrive."

Areas of work will be limited to short sections to minimise the impact on customers. Temporary traffic lights will be in place along the R563, at Dromkerry, and will continue onto the N72, just after the Killarney Brewing and Distilling Company. For the works along the L11012, a road closure will be in place from Monday, 18 September to Friday, 6 October inclusive. The road will be closed from the Dromkerry crossroads (of the L11012 and the R563), along the road to Gortacollop, and will end at the crossroads exiting onto the N72. Local diversions will be in place via the

Temporary traffic lights will be in place along the R563, at Fossa Rowing Club, and continue onto the N72, just after the Killarney Brewing & Distilling Company.

N72 and R563.

The works may involve some short-term water interruptions, however, the project team will ensure that customers are given a minimum of 48 hours' notice prior to any planned disruption. The works also involve laying new water service connections from the public water main in the road to customers' property boundaries and connecting it to the customer's water supply. Where the existing service connections on the public side are lead these are being replaced.

Customers can phone Uisce Éireann on 1800 278 278 if they have any questions about the project or check out the Water Supply Updates section of the Uisce Éireann website for regular updates.

This project is one example of how Uisce Éireann is working in partnership with Kerry County Council to reduce leaks every day. Fixing leaks can be complicated. We have over 63,000 km of water pipes underground in Ireland – enough to circle the earth one and a half times. Most leaks aren't visible, resulting in precious water being lost but we are making progress. In 2018 the rate of leakage nationally was 46%, by the end of 2022 it was 37%. We are on track to achieve a national leakage rate of 25% by the end of 2030.

Cllr. Brendan Cronin has welcomed the news.

The Ethiopian New Year was celebrated in Muckross at the weekend in the sunshine and thunder showers. On the Gregorian calendar, Ethiopian New year falls on the 11th September. According to the bible, God created the earth in the month of September, and legend has it that King Solomon gave the Ethiopian Queen of Sheba jewels during a state visit over 3,000 years ago. Terry Captures Top Spot

Killarney Camera Club will begin a new Autumn season with an Open Night in The Brehon Hotel, in the Park Suite on 28th September. It's a great reunion for previous members, and we warmly welcome new members to our club, so put the date in your diary if you're in Killarney, and join us.

The final competition of the last season was our Open Print competition in June, and 20 unique and enthralling prints were on display in The Brehon on the night. Well done to everyone who put in the time, effort and expense to enter the competition. Thanks also to the many members who were involved in the logistics of bringing the season's

end competition to fruition.

Terry MacSweeney took the top spot with his sublime print of St Thomas' church, Slovenia, at dawn.

Throughout the year we hold a series of zoom meetings, fortnightly, and also have many in-house presentations of guest speakers, in their respective areas of photographic expertise, as well as occasional photographic outings throughout the club's calendar year.

Focus on Matchmaking

Eithne Buckley, the owner of Twoheartsmeet Matchmaking Agency shares the many questions she gets asked by potential clients.

Eithne Buckley set up Twoheartsmeet Matchmaking Agency back in 2011. She has have spent the last 12 years matching single, separated, divorced and widowed people from the mid 30's to late 70's age bracket. Here are some of the questions she get asked by people thinking of joining up:

What criteria do you take into account when matching two people?

The main criteria are personality traits and values. Once I have someone within your ideal age bracket and location, these are the things I look for. I also compare physical attributes such as height and build as well as occupations, backgrounds, level of education etc.

What is your level of success?

As I take my work as a matchmaker very seriously and want to maintain the good reputation I have build up over the years, I am very successful and have a very high percentage of couples who stay together. On average, around 70% or 80% of couples that I match up, end up in a long term relationship.

What is the difference between joining an online dating site and joining

Twoheartsmeet™
where happiness happens!

Twoheartsmeet?

As people pay a significant membership fee to join Twoheartsmeet, this shows they are serious about looking for a long term partner. As they have invested money in joining up, they show they are looking for commitment and not just a casual relationship.

How many matches can I expect to get?

I don't limit the number of introductions I offer people. As long as I have someone who I think you would be interested in meeting I will give you the opportunity to see their profile and photo. If both of you agree to meet I will exchange first names and phone numbers.

What's the next step if I decide I want to join?

We would make an appointment to meet up to complete the profiling. This takes place over a cup of coffee in a quiet corner of a hotel where

we won't be disturbed and takes between 60-90 minutes.

What happens after the profiling is completed?

I will type up your profile and email or WhatsApp it to you so you can have a read of it and you can make any changes if you want.

If it doesn't work out with the first person you match me with, how long will I have to wait for a follow up introduction?

It depends on your criteria. When I have someone else who I feel is a compatible match for you, I will send you their profile.

So if you are interested in joining Twoheartsmeet, please call 085 77 42 444 or check out the website twoheartsdating.com

GOOD PLANNING AND CONSISTENT WORK LEAD TO EXAM SUCCESS

By Billy Ryle

BEGINNING

September heralds a return to school or college for thousands of young people throughout the country. It's also the beginning of an important year for those facing into state or college exams. So, whether you have a public or an in-house exam at the end of the academic year, the key to success is good planning and a consistent approach to study. Set realistic target grades in each subject or module. A clear aim will focus and motivate you. Achieve your goals by efficiently managing your time, your study and your personal fitness.

TIME MANAGEMENT

Time management means establishing a regular and disciplined study routine. Commit to a number of hours study each night. At the end of a short period, such as a week, review the quality of your work. Medium term planning involves the completion of a certain amount of work over a longer period, such as a school term. The long-term plan is to be totally prepared for the end of year exam.

REVIEW

Review your progress regularly. The first term is primarily utilised to complete course work. Your immediate objective is doing nightly homework of a high standard. Develop the habit of revision as early in the year as possible. Start to organise your copies of past exam papers. Begin to consider how the exam is structured. Become familiar with the format and layout of each paper, the style of question asked and the topics examined. Know how the marks are allocated and how much time should be spent on each question.

DIARY

Use a conventional or electronic homework diary to record homework assignments. Develop your own study plan, but prioritise, with deadlines in mind. An efficient system is to follow the subject timetable for the following day's classes, which will give you variety each night, keep you working to deadlines and provide a safeguard against beginning with your favourite subject each night and relegating a less favoured subject until last. Commit yourself to about four hours work each night, to include homework and a little revision, if time permits. Work in two-hour sessions and take a half hour break between the two sittings. In an exam year, Friday night must be included in the study schedule. Do six- or seven-hours study over Saturday and Sunday, mainly consisting of review and revision.

REVISION

Revise only when you have completed your

homework assignments. Try to include all your subjects in your weekly revision plan. Revise in small manageable self-contained units. Revision is effective only if you understand and can write down what you have revised.

REWARD SYSTEM

Study and revision can become tedious. So, stay focussed by establishing a reward system to reinforce your progress and to maintain your momentum. Exam success is your greatest motivator, but short-term rewards give you an immediate sense of purpose. Identify the 'time thieves' - that is, where time is being wasted - early in the year and eliminate them by efficient time management.

WORK ENVIRONMENT

Good working conditions are vital aids to effective study. A comfortable private study environment at home is essential. Study on your own, if possible, in a room which is peaceful and quiet. A table and a hardback chair are basic requirements. Make sure the heating and the lighting in the room is satisfactory. Don't distract yourself by playing music in the background or by wearing earphones. Organise your books and materials before you begin each study session to avoid having to leave the room.

SCHOOL WORK

At school, listen actively in class. Participate in class by asking questions, by showing enthusiasm and by helping to create a studious class atmosphere. It goes without saying that the best information is available at school. So, attend all your classes punctually and be determined to learn.

MATERIALS

Organise your practical materials, such as calculator, books, writing pads, etc. Clear, comprehensible and well-documented notes are an invaluable organisational aid. Ensure that your handwriting is legible, that your diagrams are detailed and intelligible and that your presentation is neat. If you are filing material on your desktop or laptop computer organise it carefully for easy access.

CONCENTRATION

Concentration is a by-product of routine and organisation. By arranging it for a set time each day you reinforce your commitment to your study. The more focussed you are on your study and the more determined you are to do well, the more your concentration will improve. To aid your concentration during study, develop the habit of doing mild forms of exercise - perhaps a short breathing exercise, or simply

close your eyes to allow your mind and body to relax for a few moments.

POSITIVE ATTITUDE

Concentration is considerably aided by a positive attitude, so have confidence in your ability to perform well in your exam. Always keep a good thought about yourself and be success orientated. Self-confidence and positive thinking lead to success. Be single minded about your objectives. Keep an eye on your personal targets and avoid mental fatigue by sensible use of recreation and leisure. With an organised and disciplined approach to your study you will do very well in your exam. Have a good and successful year.

Kilcummin Looking Good continue to work hard to enhance the vista of Kilcummin Village and its now well established Millennium Park.

The grouping were delighted to be the recipients of two separate grants from Kerry County Council.

The grant allocation received through the Community Support Fund was put to good use replacing the old wooden benches, that survived for 9 years with brand new recycled plastic benches that will now afford all visitors to the park the chance pause and enjoy its surrounds.

Further investment was made through the Community Enhancement Programme with an additional bench and a recycled plastic table.

But the Park offers more than just opportunities to rest with Kilcummin Looking Good committing some of their own funds to purchase a Flex Exercise wheel, for those who wish to undertake some exercise in this wonderful setting.

Kilcummin Looking Good would like to acknowledge the allocation of financial support of through our local councillors & Kerry County Council. They would also like to thank Kilcummin Rural Development & the local CE Scheme for all their hard work in maintaining the Park and village to such high standards.

St. Brendans Trust and indeed the people of Kilcummin must also be recognised for their on going support for all the work that Kilcummin Looking Good are involved in.

To support the continuing work of this community organisation, Kilcummin Looking Good will be holding their annual church gate collection on 23rd & 24th September and your support would be appreciated.

GROUP CLASSES to generate melodic outcome!

A new initiative from Kilcummin CCE in association with Conor Moriarty sees the branch offer group music classes for those interested in traditional playing.

Conor is combining with the branch to gather musicians from beginner

to advanced to give the ultimate group music experience.

"It's a great chance for newer players to learn from Conor, who himself is a champion musician but also from the other musicians that will attend the group in what undoubtedly will also offer a social outlet to all involved" stated Derek O Leary, PRO of Kilcummin Comhaltas CCE.

Conor has enormous previous experience. He is one of Ireland's leading accordion players starting his playing career at just age 7. In 2009, Conor was crowned All Ireland Champion on Melodeon at Fleadh Cheoil na hEireann and followed that up by becoming senior All Ireland accordion Champion in 2010.

He also completed his MA in Irish traditional music performance at University Limerick that same year. He has worked professionally with many organisations including Siamsa Tire and more recently Gaelic Roots the show. He is also a much sought after music teacher where he has always enjoyed passing on his knowledge to the next generation.

Anyone interested in joining the classes should be a beginner (with min 12 months experience) to Advanced player and all instruments are welcome.

The group sessions start on Wednesday 27th Sept for an initial 5 week term from 6.30pm to 7.30pm in Kilcummin Rural Development Office. For further details contact Conor on 087 9698063

2023 LEAVING CERTIFICATE APPEAL RESULTS AND 2023 JUNIOR CYCLE EXAMINATION RESULTS

Following the deadline for appeal applications, the State Examinations Commission (SEC) can confirm its intention to issue the 2023 Leaving Certificate Appeal results to candidates through the Candidate Self Service Portal and to school authorities through the Schools Portal at 11 AM on Friday 29 September. The issue date of the appeal results ensures that the Leaving Certificate appeals integrate with the process for entry to higher education through the Central Applications Office (CAO). The CAO will be issuing its Round 5 offers on Tuesday 3 October.

The SEC can also confirm that this year's Junior Cycle results will be

available to candidates from their schools on Wednesday 18 October 2023. Junior Cycle candidates can also access their results online from 4 PM on that date. However, this online service is not intended to replace the valuable results service and advice provided by schools at results issue time.

Fabulous Fun Day as **BELLVIEW WOODS Celebrate 20th Birthday**

Bellview Woods Childcare celebrated 20 years in business on Saturday 26th August 2023 with a big party to thank all the families for their support over the years. With over 400 people in attendance the day was a huge success. The children enjoyed many activities with their parents and thankfully the rain held off allowing everyone to enjoy the bouncy castles, BBQ, face paint, messy tuff trays, clay making and ice cream.

Bellview Woods Childcare officially opened on 6th September 2003 by Cllr. Michael Courtney who was Mayor of Killarney at the time and is part of the Best Crèche group. It was the first crèche established by Sean & Ena O'Mahony and Dave & Elizabeth Birmingham. Since then, the Best Crèche group have expanded to Listowel, Clonmel, Model Farm Road and Glanmire.

Bellview Woods Childcare has gone from strength to strength over the past 20 years and now caters for more than 170 families every day with six Preschool classrooms, two Playschool rooms, two Wobbler rooms, a Baby room and an ever-growing Afterschool Service. The crèche currently employs over 40 Early Years Educators who provide the highest standard of care and create a caring and nurturing environment for all the children. We are extremely lucky over the years to have such an amazing team that go above and beyond to ensure every child develops to their full potential. We are fortunate to have so many long-term staff within the company including Claire Mullins, who has been with Bellview Woods since the beginning and also celebrated her 20-year anniversary on Saturday at the party. Claire has seen many changes in childcare over the years but her love for working with children has never changed. Claire is an invaluable member of the team and we want to congratulate her on this huge milestone.

Bellview Woods Childcare would not be where it is today without all the amazing families who attend and have attended throughout the last 20 years and we would like to thank each and every one of them for their support.

Managers: Samantha O'Shea and Maura Leane, along with the staff, would like to express their gratitude to everyone who attended the party, well-wishers and everyone catering the event. A special mention to Denis from Castlemeats who provided the amazing BBQ, John from Muckross Creamery for his famous homemade ice-cream, Tim and Robin from Clay Fun, Karina from Small Hands Messy Play and Timmy Carey from Kingdom Inflatables who provided the Bouncy Castles.

An amazing day was had by all and thankfully the weather held up. Here's to another 20 Years!!

Killarney represented at The Irish Open

Killarney Golf & Fishing Club and The Gleneagle Group were among 40 Irish golf related businesses from across the country who were hosted by Fáilte Ireland in the Discover Ireland marquee at the 2023 Horizon Irish Open at the K Club, Kildare. This opportunity provided the Irish businesses, as well as Fáilte Ireland, with a unique opportunity to engage face to face with domestic and overseas golf fans among the 80,000 attendees at the event and encourage them to take a golf holiday

in Ireland. Golf is an area that Fáilte Ireland supports and invests in as a key tourism driver for both international and domestic audiences, with the island of Ireland considered one of the top destinations for golfers worldwide. International golf tourism is worth more than €300million to the Irish economy, with 200,000 international golfers annually generating almost 2million bed nights across Ireland.

GOVERNMENT ANNOUNCES €1.5M INCREASE IN FUNDING to Kerry County Council in 2024

The Minister for Housing, Local Government and Heritage, Darragh O'Brien TD has announced a €75.4m increase in Local Property Tax (LPT) baseline funding to Local Authorities - bringing the total to €428.4m in 2024 - following a review of how the money is allocated.

As part of this review, Kerry County Council will now receive an additional €1.5m in funding in 2024. This will see the local authority's baseline LPT funding increase by 10.8 % from €13,776,761 this year to €15,276,761 next year. Every local authority receives a minimum ('baseline') amount of funding from the Local Property Tax, supplemented by funding from the exchequer where a local authority's LPT income is lower than its baseline. This baseline funding is essential and recognises the

essential role played by local authorities, not only in delivering a broad range of services day-to-day, but also in successfully leading the local response to emergency situations; such as sector's establishment of Community Call during Covid-19, and more recently the community response to support the Ukrainian crisis.

KINGDOM PRIDE IN KERRY

Recognised by National LGBT Awards

Kingdom Pride in Kerry have been nominated for three awards at the national LGBT+ awards, the GALAS.

The GALAS awards showcase important LGBT+ work that happens across the nation of Ireland in the pursuit of equality and inclusion. This year, Kerry's own Kingdom Pride in Kerry festival has been nominated for the Community Organisation of the Year - Volunteer Staff. It is nominated alongside Equality for Child, Na Gaeil Aeracha, and Small Trans Library. It is the youngest Pride to have been nominated for an award at the GALAS. Founder and former Chairperson, Morgan Queeney of Listowel, has been nominated in two categories - Volunteer of the Year, and LGBTQ+ Young Trailblazer. They are the only person to be nominated in more than one category this year.

Morgan Queeney commented: "In a year where we've have politicians shaking hands with anti-LGBT, anti-equality activists, and a year where Listowel has been subject to the Father Sean Sheehy controversy, it is an out-and-out win to see equality, inclusion, and the LGBTQ+ people of Kerry triumph. We are becoming a more loving, more accepting, more nationally respected county every year. We're making progress faster

than bigots can hold us back. There's never been, and never will be, a Kerry without LGBTQ+ people - and you can't keep a Kerry person down." Daniel Quirke, the LGBTQ+ Officer of the Listowel Family Resource Center, who coordinates with Pride and other support groups, had this to say: "We are honoured to have been nominated for this award alongside so many amazing and worthy organisations. In the face of adversity, we persevere in our mission to be the biggest little Pride in Ireland and bring love and togetherness to the Kingdom."

The GALAS awards ceremony will run on the 7th of October. Tickets are almost sold out, but can be gotten on the website: galas.ie

Kingdom pride is a festival organised by a voluntary group of LGBTQ+ activists and allies in Kerry. The group has an advisory panel of community supports that include the Listowel Family Resource Center; ScEEN In Kerry; Jigsaw Kerry; Trans Kerry Support Group; Kerry Diocesan Youth Service (KDYS); BLM Kerry; Tralee International Resource Centre (T.I.R.C.); CYPSC Kerry; LINC Out Kerry; Gay Project; and Kerry Adolescent Youth Counselling.

Agriculture Minister has failed Irish farmers

Michael Healy Rae TD

Deputy Michael Healy Rae TD has said that Agriculture Charlie McConalogue has failed Irish farmers when negotiating with the EU on extending Ireland's derogation from parts of the nitrates directive. As a result, up to as many as four thousand farmers will be obliged to cull their herds following the Government's failure to get an extension to the derogation.

"When the January 2026 cut off deadline kicks in many farmers will be obliged to cull their herds. In fact, many farmers will have to cut back from 3 cows per hectare to 2 cows per hectare making many farms financially less viable. While others will have to take on the expensive option of finding more land"

Ireland's current derogation is due to expire on January 1, 2026, with the derogation limit due to reduce to 220kg/ha from 250kg/ha on January 1, 2024, in certain areas.

Negotiations had been ongoing, but the European Commission indicated on Wednesday that Ireland's nitrates derogation limits will be cut to the lower level.

"The Minister has simply failed Irish farmers on the most important stage of all. He left the EU Commissioner for the Environment, Mr Virginijus Sinkevičius simply brush him aside and as a result by not reviewing the decision dairy farmers will have to reduce their herd sizes within the next four months or spend hundreds of thousands looking for land scrambling to comply with the new rules, which are set to change on January 1.

"Farmers have had many bad days but under this Government, it has been body blow after body blow. The most disappointing aspect of the whole thing is that no regard was taken for the measures farmers have already taken to improve water quality." Deputy Michael Healy Rae concluded.

ROAD SAFETY EDUCATION FOR SCHOOLS would be welcomed

Media reports that the Minister for Education, Norma Foley is considering the introduction of road safety classes to the Leaving Certificate curriculum, have been warmly welcomed by her Kerry Fianna Fáil colleague, Councillor Michael Cahill. The Rossbeigh man has been highlighting the need for this intervention for some time now, to ensure our young drivers are educated on the dangers of the road.

"It only makes sense that our young people are educated on road safety in the school environment and at the time that they themselves are anxious to become drivers. A professional syllabus around the Driver's Theory Test and Road Safety in general, would be a major step forward in teaching life skills to our population. To date, too many of us have picked up driving habits from friends etc, and to be honest, such sources can be suspect" said Councillor Cahill.

"A professionally drawn up course of Road Safety, to include the Driver's Theory Test would ensure bad habits could be avoided. The carnage on our roads is unacceptable and every possible avenue must be explored to put an end to the grief and suffering caused by it" stated Councillor Cahill.

"I have stated in the past that a car or any type of vehicle is like a loaded gun if not respected or handled properly" added Councillor Cahill.

LACK OF STUDENT ACCOMMODATION A HUGE DILEMMA

Labour Councillor Marie Moloney is calling on Minister Harris to address the lack of Student accommodation without delay and in the long-term as a Government to invest in the provision of adequate student accommodation.

As many of the first-year college students move on to the next chapter in their lives, they are faced with a major problem of not being able to source accommodation for their chosen college. Many are distraught and worried as college starts next week and they still have not found accommodation. Many are now faced with a huge dilemma, to drop out or to defer.

This is totally unacceptable as not enough student accommodation is being provided. It is daunting enough for first year students in particular entering college without the worry of where they are going to stay. One

student I know of has booked into a hotel in the hope of finding somewhere to stay for the year, others are bunking in with their colleagues on air mattresses while some are simply deferring their course. Parents and students alike are very worried and concerned about this issue.

I would call on Minister Harris to address this problem without delay and in the long-term as a Government to invest in the provision of adequate student accommodation.

Newly selected Candidate in the Corca Dhuibhne Electoral Area, Tommy Griffin, with Taoiseach Leo Varadkar following the Fine Gael Convention this weekend.

Tommy Griffin has been nominated by Fine Gael to run for next year's local election in the Corca Dhuibhne Electoral Area. Tommy, a native of Keel-Castlemaine, was the sole candidate nominated at the party's selection convention, which took place in Inch Community Centre over the weekend. Outgoing Fine Gael Councillor in the Corca Dhuibhne Electoral Area, Cllr. Seamus Cosai Fitzgerald, confirmed to the convention that he will not be contesting next year's election, having represented the area since 1999.

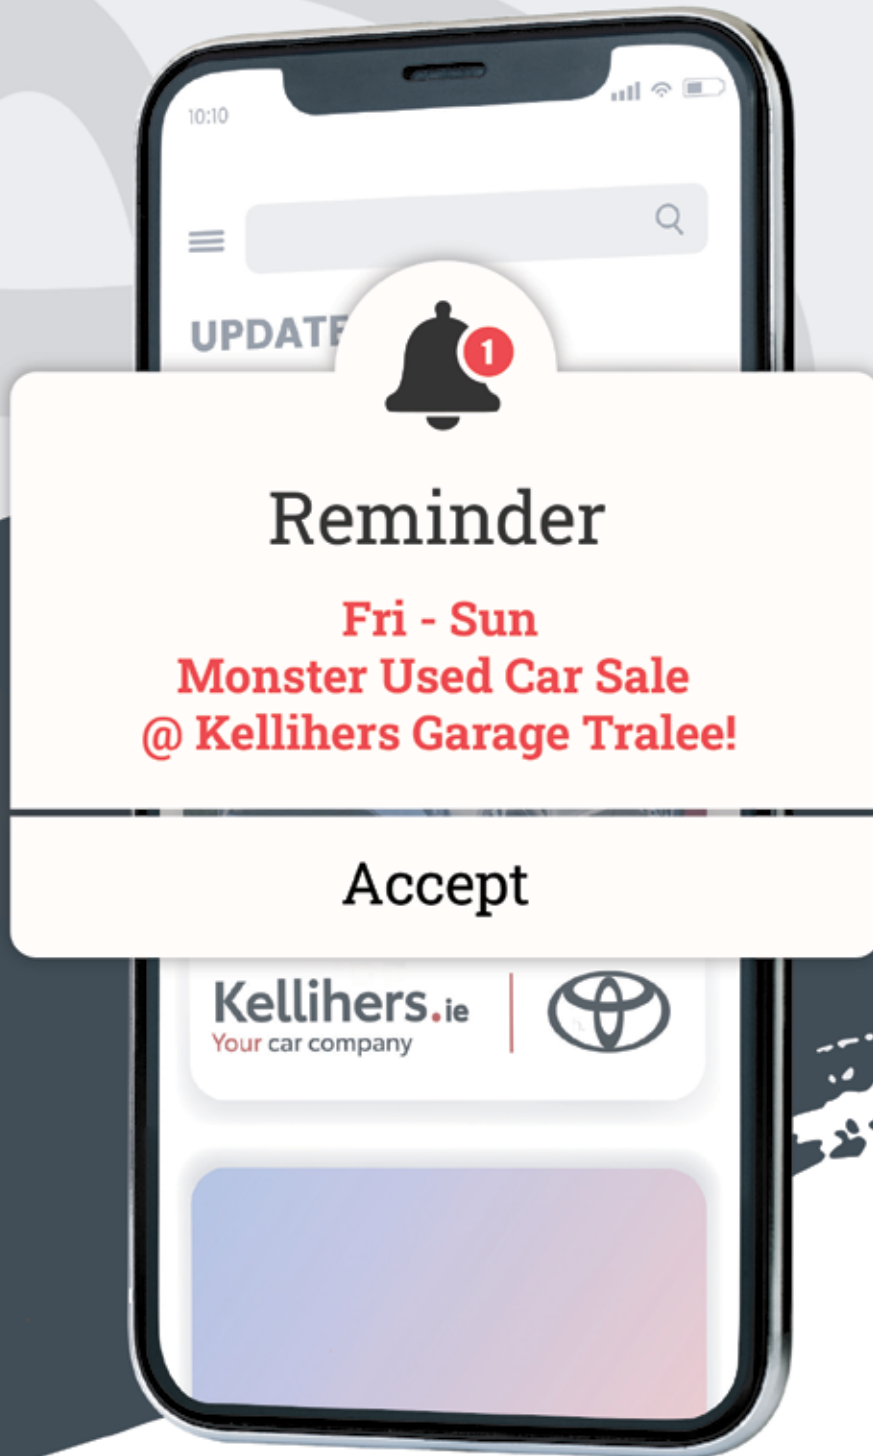

Tommy Griffin is married with three young children and currently works as Parliamentary Assistant to Brendan Griffin TD, a position he has served in since 2011. Tommy is a well-known volunteer and community activist in his locality and is heavily involved in organisations including Castlemaine Events Committee, Happy Valley Childcare Committee, Keel Community Council and Keel Community Alert. He has also acquired a qualification in Local Government Studies from the Institute of Public Administration.

Tommy's first electoral outing was in 2019, when he

contested the local election in the Corca Dhuibhne Electoral Area. On that occasion, he polled the third highest first preference vote, but ultimately missed out on a seat on Kerry County Council by just 56 votes after the last count. Despite the disappointment of coming so close, Tommy said his first election was a great showing, with over 1,250 first preferences, and was a really valuable learning experience and launching pad for the next election.

He said his current job has enabled him to directly help thousands of constituents over the years, while also acquiring vast experience in all matters of political activity, including regular County Council related matters. Tommy said he wants to continue helping people and putting his experience to use after Deputy Brendan Griffin leaves politics at the next general election.

Tommy payed tribute to party colleague Cllr. Seamus Cosai Fitzgerald who has decided not to contest next year's election, saying he has been a very hard working and effective representative for the people of Corca Dhuibhne over the last five Council terms.

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

IS IT MORE DIFFICULT TO GET A MORTGAGE TO BUILD MY HOME THAN A MORTGAGE TO BUY MY HOME?

Yes, it can be more difficult. When you are building your family home there are more of risks of things going wrong than purchasing your home especially in relation to the overall cost. The most obvious and biggest risk is of course the risk of you going over your budget to build and finish your property and not having enough money to complete your home. Lenders when assessing your application need to take this risk into account. Lenders will put emphasis on the cost of construction of your property. If you are making your application through a mortgage broker they should spend time discussing the cost of the construction and loan amounts with you to make sure they are realistic and affordable. If these figures are incorrect and especially if they are too low then your mortgage application could be declined and more importantly you may not have enough money to finish the property. A big plus at the moment for people who are first time buyers and are building or buying a new property that is their family home is that there is a Help To Buy Scheme that you can apply for through the Revenue. Thankfully this was extended recently in the budget. There is up to €30,000 available through this scheme, there are terms and conditions attached to this Help To Buy Scheme. Obviously this is very beneficial in terms of reducing your overall cost and reducing your mortgage amount also. Each lenders criteria for self build mortgages is different & you need to know this before choosing a lender that suits your needs best. A mortgage broker who has access to many lenders and has a lot of experience with self build mortgages should be very helpful to you.

If you require any further information on the above or any other matter you can contact Dermot Cronin at dermotcroninifa@gmail.com or 0646622775 or 0872893649.

CHANGING WITH THE SEASONS

As September rolls in, I am reminded that the seasons are changing. The nights are drawing in and my thoughts turn gently towards preparing for Autumn and the winter months ahead. This can be a beautiful time to reflect on your year so far and to take stock of where you are.

It is also a beautiful time to look after your energy. To make sure that you are getting enough rest and perhaps slowing down a little. It is time for harvest and we can make sure that we have all that we need to take us through until the seasons change once more.

Today's coaching action

Just as the leaves fall from the trees, it is a powerful time for us to also let go of the things that no longer serve us. Ask yourself what you may need to release from your life right now. Perhaps you are already in some kind of transition or change. Gently, thank whatever it is that you are letting go of and visualise yourself moving forward with confidence and a positive anticipation of what is to come.

Have a lovely September

HOW DO GET RID OF MILIA ON MY CHEEKS?

Milia are tiny white bumps of keratin that form around your eyes and upper cheek area. Keratin is a protein that makes your skin, nails and hair strong. As you naturally shed dead skin cells keratin can build up and become trapped in the pores of your skin. Using an exfoliator to You can try exfoliating your face twice a week with an enzymatic or glycolic exfoliator. This will help break down the layers of keratin and your milia might disperse itself overtime. You can have the milia professionally removed at your beauty salon or dermatologists. Laser ablation uses a fine laser to open the pore and release the cyst. Normally as part of a facial we can remove the tiny pearl like ball by piercing the

skin with a sterile needle. It is not advisable to do this at home as you could infect the skin. To prevent more milia forming avoid using very rich creams on the area instead switch a lightweight serum. Add retinol to your skincare regime to improve cell turnover and smooth your complexion.

AIM FOR A BETTER LIFESTYLE

We all can get into poor habits, bad routines and sometimes feel like we were not able for change, here are some simple but effective examples of what we can do for a better lifestyle, can we substitute all the bad foods we put into our body by eating real food, greens, proteins, healthy fats, it helps diseases disappear. Can we get some sunshine, yes, I know that difficult in our climate but when we do get good days and we do every now and then make good use of it. Can we start exercising or by doing more our muscle will reappear and we'll start gaining more energy, getting good sleep is the most important without good sleep or enough everything else in our life suffers is such the effect sleep has, with poor sleep your decision making is off everything is, we operate at a much less capacity with poor sleep whilst flip that and get good sleep everything improves. Remove negative people, positivity then appears, that's maybe the best decision to do, why hang around with people who are always negative, have no good interests or basically drag you to their level. Hope these tips help at winning at life, If you can try all of them or even choose one or two it will still help.

THE OPTICAL SUITE

DIARMUID O'SULLIVAN OPTOMETRIST

- Formerly Stack O'Brien -

SCRATCHED CORNEA

A scratched cornea is one of the most common types of eye injury
What is the cornea?

The cornea is the clear front part of the eye. This part of the eye is packed with nerves – it has many more nerve endings than your fingertips, for example.

What should I do if I scratch my cornea?

A corneal abrasion is a common eye injury.

If you are experiencing any eye pain or discomfort, or you suspect you have a corneal abrasion, you should always consult your optometrist for advice.

What causes a corneal abrasion?

A corneal abrasion normally happens after an accident or injury to the front of the eye. They are often caused by fingernails, or an accident in the home or while gardening.

What are the symptoms of a corneal abrasion?

There are several symptoms associated with corneal abrasion, and you may only experience a few, but they can include:

- Pain, which may feel worse when you open or close your eye. A feeling that there is something in your eye or irritation
- Your eyes watering far more than usual
- Redness
- Sensitivity to light

• Blurred vision or loss of vision

• A headache

How long does it take to heal?

Corneal abrasions will normally heal completely within 48 hours. If the abrasion is in the centre of the cornea, your vision may be slightly blurred. It is also normal that your eye will be a little red and you may find bright lights uncomfortable until the abrasion has healed.

Treatment

You may be given lubricating drops to make your eye feel more comfortable and help to keep it moist.

The following may also help:

Over-the-counter painkillers such as paracetamol will help with the pain

Avoid rubbing or touching your eye as this may make the abrasion worse or slow down the rate of healing

Wearing sunglasses may help if you are sensitive to light

If you wear contact lenses, you should not wear them until the corneal abrasion has completely healed. Your optometrist will be able to tell you when you can wear your lenses again

If your vision starts to become more blurred, or if the pain and redness increase, you should get advice from your optometrist.

KERRY PITCH & PUTT

Last Saturday saw the County U16 Matchplay Championships take place in Listowel as there was a near clean sweep for the host club in terms of the prizes on the day. Deerpark's Brian McCarthy was the only non-Listowel prize winner on the day as he came from behind to defeat Daniel Leahy in the 13-16 Boys decider by 2&1. The win completed a County U16 Matchplay and Strokeplay double for Brian this year.

Brian had earlier defeated fellow upcoming Irish International Ajay Barrett in the semi-finals while Daniel had defeated his club-mate Kane Dillon in the other semi-final. The Boys 8-12 Championship meanwhile saw Gearóid Lenihan defeat Tommy Daly in the decider there after Gearóid had defeated Joe Joy in his semi-final while Tommy was victorious over Diarmuid Lyons in the other semi-final. The Girls competition meanwhile saw another player do a double as Shona Griffin defeated Aoife Sharp in the final to add to the Strokeplay title she had

won earlier in the summer.

Chloe O'Connell won the third place playoff meanwhile after she defeated Sinead Kelly in a battle of the two defeated semi-finalists. In the two Plate competitions meanwhile Jayden Chute defeated Evan Keogh in the 13-16 category while Sean Stack defeated his namesake Noel in the 8-12 category. Thanks very much to our U16 Officer Gearóid Cronin for running things last Saturday as we thank both the NEC of Pitch & Putt Ireland for their support of this year's U16 County Championships as well as Listowel Tom O'Connor for his donation towards the Girls prizes last Saturday.

This Sunday meanwhile sees the Paul O'Sullivan Memorial Scratch Cup return to the calendar. This County Board competition was last run as a Scratch Cup back in 2009 before being ran as a Three Ball Scramble for a number of years afterwards. It's back to its original format now though as Newmarket will be our hosts this weekend as we look forward to hosting the first ever Scratch Cup event at the club since its founding in 2015.

U15 Killarney Celtic V Mastergeeha FC
Killarney Celtic hosted their near neighbours Mastergeeha FC and got their season underway with a Friday game under lights. Mastergeeha started strongly and crafted a few early chances before Celtic had a great move to set up their first chance. In a compelling first half, Celtic took the lead when Luca Moscas good work on the left set up Dara Horans effort which Jack Culloty made sure gave the Hoops a lead. Celtic doubled the lead when Dara Horan, set up by Iggy Truchan executed a 360-degree spin with the Mastergeeha goalie in attendance to squeeze the ball home. Mastergeeha came back strong and their turnover down the right flank led to a good cross and although the impressive Ryan Lucey saved the first effort, he'd no chance with the follow-up. The second half was a tense affair but there was plenty of excitement. The hard-working Ignacy Truchan was denied a great goal chance when flagged for offside and he pressed and harried all night to create turnovers. Sean Collins was fouled on the edge of the box and the resultant free kick from Jack Grady was goal bound but a deflection to it onto the bar and Mastergeeha cleared. Mastergeeha pressed till the end and had two late chances to tie the game, Ryan Lucey saving a header and Mastergeeha hitting the post late on. The last action of the game saw Mark Looney pass to Jack Culloty whose clever ball put Luca Mosca goal bound and he finished delightfully passed the advancing Mastergeeha keeper to seal the win. Thanks to ref Owen Moynihan for good communication with the players and officiating.

TEAMS

Our season is up & running with the U13s & U14s having mid week games.

The U13s in the Premier Division despite being defeated by Killorglin FC away 2-0 put in a great display with Noah Browne, Daithi Allen, Fionn Clifford, Callum Templeman, Darragh O Sullivan, Patrick O Connor & Killian O Sullivan playing really well.

The U14s welcomed Killarney Celtic to Murt Scott Park in the Premier Division & won on a 3-1 score line with goals by Ryan Quilter, Jack Kelly & Ryan Vickers with Diarmuid Casey, Adam Fleming, Daire Cornally & Gearoid Moynihan in good form throughout the fixture.

The U15s in Premier competition lost out 4-5 at home in a 9 goal thriller on Saturday to MEK. The goals came from a Hat trick by Daniel Downes & one from Kealan O Riordan. On the Day Jack O Shea, Conor O Leary & Conor Foley played well in a good squad effort.

The U12 Division 1 girls travelled to Mastergeeha on Saturday & in beautiful conditions had a great start but lost out 5-2 in a competitive and close encounter. Niamh O Sullivan & Aoibhinn Daly with the goals with Anna Fitzgerald, Lucy Wynne, Emma O Callaghan & Emma O Callaghan playing very well.

The Female Social soccer Squad travelled to Killorglin in a Mid Week game & both squads did very well in a friendly fixture. The club seniors commenced life in Premier B on Sunday last at home to AC Athletic with the game tied at 1-1 at the break thanks to a fine effort from Mike Daly before the Visitors ran out 1-3 winners. A missed penalty in the first half by the home side and some questionable decisions by the official did not favour Ballyhar on the Day. Rian Brosnan was excellent in goal with Ger Fitzgerald, Danny Cronin, John Power, Dan O Shea, Dara Donohoe & Maurice O Donoghue & Patrick O Connor playing well.

DAYS OF JACK AND GLORY

By Nicky Barry

Those were the days my friend, when Jack's team was flying high,
With his army at their back, singing of Athenry.
They swept all over Europe, bringing happiness and joy,
Though Jack was one dimensional, with his simple ploy.
While other teams played tippy-tap, his boys hoofed the ball,
As far as they could up the field, and we were all enthralled.
'Put 'em under pressure,' was Big Jack's philosophy,
And we cheered those garryowens, with unbridled glee.
The trick was to turn defenders, to run back towards their goal,
And our strikers pounced, with hunger in their souls.
Other teams were terrified, of this simple tactic,
And hated playing Ireland, for they created utter panic.
Everything was hoof and charge, like a buffalo stampede,
And this spooked defenders, of the highest pedigree,
For it was a relentless force, fuelled by national pride,
With the fans up in the stand, singing side by side.
Now Jack has sadly passed away, but the memory lingers on,
In the hearts of army veterans, of the glory that was Rome.
Now we have a manager, who tries to play tippy-tap,
Which is not in our nature, as was understood by Jack!

CLUB CHAMPIONSHIPS SENIOR FINAL

Dingle 1-9 Kenmare Shamrocks 0-11

Heartbreak for Kenmare, and you'd have to have sympathy with their second defeat in two years and fourth in six years in this final. Seanie O'Shea deserves to win one and I hope he does one day. But you'd need an even harder heart not to be pleased for Dingle. They have been setting the standard as a club for a long time without too much tangible rewards for it. No offence to West Kerry championships, but they have been knocking at County and Senior Club Championships only to run into that great Crokes team or a superpower East Kerry.

They were a little bit lucky to get away with this one in the end. Kenmare played slightly the better football and should maybe have closed it out late on when ahead, but Dingle's experience told at the crucial stage. To be critical, I would say that neither team performed to same level as last weekend's impressive triumphs, but I suspect that the heavy, dead heat didn't help matters either. Dingle were reliant on the Geaney's for scores (Paul, Dylan, and Conor shared 0-9 equally), with Tom O'Sullivan less influential and Mark O'Connor playing well but with a few obvious signs of rust, while Sean had 0-9 for Kenmare and Stephen the other 0-2. David Hallissey, James McCarthy, and David Ciucu gave the battle everything.

Dingle made the better start (they were probably strong favourites going into this) but Kenmare really won hearts and minds by really lifting their game after Dylan Geaney's goal left them facing a deficit of 1-4 to 0-2 early on. They almost got a slightly goal through David Ciucu's misplaced point effort, with Gavin Curran having to be sharp to claw it away. Shortly after the otherwise impress Conchúir Ó Súilleabháin was pickpocketed by Stephen O'Brien and Seanie sent a beauty arcing over the stranded keeper....only for it to come down off the crossbar and and out.

Kenmare looked the better side and in control at the three quarter mark, but maybe afforded Dingle too much space as they tried to hold rather than build on that lead and could only muster one further point. It was all about the Geaney clan late on after Seanie was somewhat harshly called for a shoulder on Mikey Geaney

that looked more robust than ill-intentioned. Niall Gaeney won a free duly despatched by Conor, and then Paul (once again, a masterclass, and he just clips Seán O'Shea and Micheál Burns as my Player of the Championship) sent a great ball into Dylan for a mark and the winner.

INTERMEDIATE SEMI-FINALS

Milltown/Castlemaine 1-13

Killarney Legion 1-10

A tough one for Killarney Legion, but in truth they have struggled to put teams away in the championship and Milltown/Castlemaine have been very solid all through. Especially with the unfortunate absence of James O'Donoghue (he did make a late appearance but it was clearly a hopeful throw of the dice), this one wasn't quite the surprise that those who don't follow the games closely may have thought.

Will Shine kicked a good opener and played his heart out for Legion – they couldn't be faulted for effort and any stage – but Milltown were more direct and more potent. Éanna O'Connor was almost metronomic with his impeccable frees and with Cathal Moriarty also on form, they deservedly led by 0-9 to 0-6 at half-time. Legion had plenty of ball, but not enough return from it. Three of their six points had come from defenders, with Rob Leen and Cian Gammell both scoring and Podge O'Connor winning a free for Finbarr Murphy. Milltown/Castlemaine's defensive tackling was very strong – Legion either needed quick ball in before the defence set up or a target-man inside to make it stick, and simply had neither. Quick ball in sounds easy, but that big Milltown midfield diamond of Dennehy, Horan, and O'Connor drifting out makes it hard going.

Cillian Burke began to cause huge problems with his ball-carrying in the second half – he is simply strong enough to burst through tackles. His run after a good turnover led to Cathal Moriarty's goal. Legion never again could close the gap, although they did get it down to two points after Ryan O'Grady coolly slotted a great penalty (I thought the defender got a diving hand on Pádraig Lucey's goal effort but in fairness, I was a lot further away than a well-positioned ref and an alert umpire). Burke

slotted a fine point himself to steady the ship and Milltown never looked like coughing up the goal that Legion needed.

Fossa 0-21 Austin Stacks 0-21 aet
(Fossa win 3-2 on penalties)

There isn't much that I have left to say on David Clifford. They will need to put new superlatives in the thesaurus to keep up with him. I've seen plenty of greats. Cooper, Moynihan, and Maurice would be my Kerry pick of recent generations (you may note that one doesn't need a surname). Michael Murphy is definitely the pick of a generation for me, Conor McManus and James McCarthy just an inch behind, Lee Keegan and Cluxton (why do people not seem to think of goalkeepers as footballers in their won right?) not far away either. But this quietly smiling giant from Fossa? I have never seen anything like this. I worried that they hype might be a problem, but he's bred from different steel (and I'd say his brother wasn't going to be having any shenanigans anyway) and he has blown past the hype like he blows past defenders. If Milltown/Castlemaine are going to stop him – and I have been very impressed with their defending – I think they'll need to bring some of those dart guns they use to put elephants to sleep.

Paudie doesn't make those headlines, but Paudie can break a teams' heart in other ways. David had thirteen spectacular points but Paudie had six and won umpteen turnovers. He's quick, agile, tenacious, and he is very intelligent with the ball. I was young watching Ogie Moran in his prime, but I'm fairly sure that God didn't throw away that mould at the time when I watch Paudie in full flight.

It was point for point in the first half – I thought Stacks could have gone more for the jugular; it felt to me like they were hedging their bets between attack and containment. 0-7 apiece at the break. Fossa, with both Paudie and David just awesome, pulled four points clear. Stacks, even with that deficit, for some reason continued to keep twelve men in their own half but Fossa couldn't nail a clincher and the Tralee side gradually and impressively came back, fresh legs off the bench giving them a real surge. They got it into extra-time and I thought Fossa might have missed their chance – surely Paudie

and David had to be feeling the strain of their enormous energy expenditure by now. Stacks did have two goal chances, but couldn't take either of them – David Mannix did everything right except keep the finish down. With time almost up and Fossa a point down, absolutely everybody, Stacks and Fossa, was looking at one man to save Fossa's bacon. Somehow.... he did, curling over off his left and over Yerra, I think he accidentally turned everyone's water bottles into wine with a wave of his hand at the same time, but we'll say nothing to the Vatican just yet. It was that good a score. Like I said, I have simply never seen anything like it. That brought it down to penalties. I don't like them – I hate how penalties feel like such a personal responsibility on lads – but I don't see other options. Forget replays – the schedule is already far, far too crowded for my liking and I actually think it's literally dangerous at this stage.

Stacks did nothing wrong with theirs, but Shane O'Sullivan was the man in the hinder gap and frankly, he was as indomitable and impassable as Fossa themselves. For most of my life, Fossa were a Division Five team and a good year would see them reach the latter stages of the novice. That's not disrespecting the likes of the clinical Donald O'Sullivan, the Cronin bothers, Colin Myers, Mark Dennehy, Lorcan Daly, Kenneth Clifford, and of course the late and much loved Jimmy Falvey....those lads left impressive footpaths along a trail carved out of sporting wilderness just a generation before them. Did I think I would see one of Kerry's youngest clubs beating one of the oldest, a club with 13 senior titles and more All Ireland medals than any other? I did not, and it took some doing for people out in that parish to not only see it twenty years ago, but actually build towards it. You know, I made a small bit of a biblical reference by way of a joke a few paragraphs ago but quite honestly, there's some sort of a parable in there somewhere.

RELEGATION FINAL

St. Marys 2-14 Currow 1-9

St. Marys led by 2-8 to 0-4 at half-time with Tadhg O'Connor scoring two goals. That had them in the driving seat and they were always in control after that, with Currow getting the consolation of a late goal by Luke Fitzgerald. Currow have been in the relegation battle quite a bit in recent years and eventually the drop just couldn't be avoided. They have a good juvenile system though and, even though the

Junior Premier is notoriously impossible to predict (not least because it usually covers four different county league divisions) but Currow will be very real contenders there

JUNIOR PREMIER SEMI-FINALS

Listowel Emmets 0-14 Annascaul 1-9

Listowel is the hub of North Kerry and the fact that Emmets have been struggling to impose themselves in county terms has been a key factor in the decline of North Kerry football in recent years – Kerry teams always needed North Kerry footballers, from Jack Walsh to Gus Cremins, Eamon Walsh, Eddie Dowling, Mick Finucane, Deenihan, the Kennellys, the Galvins, Enright, Fitzmaurice....you're going nowhere without lads like that. For that reason, I think the resurgence at underage by a combined North Kerry side has generated huge enthusiasm and having two North Kerry teams contest the Junior Premier is a good thing in terms of the future.

Listowel were always the better side here. They led early on, David Keane's accuracy and Bryan Sweeney's fielding on the square standing out, but an excellent Killian Falvey had them all square at the break, 0-8 apiece. Listowel took over in the second half though, and a very late James Ashe goal made it sound a closer contest than it actually was.

Ballymac 2-12 Ardfert 1-10

I was genuinely curious about this one. Of course Ballymac were favourites – they didn't just play in Division One this year; they were one of the main contenders for it and they have looked in great form all through this championship. Truthfully, they will go into the final asc favourites as well. I gave Ardfert a strong chance here because Ardfert have actually been playing very good football in the past two years (they could, genuinely, have beaten Fossa last year if they are a bit more accurate with their chances). Ballymac led by 1-7 to 1-5 at half-time but Aidan Breen's 40th minute penalty looked to have put it to bed against an Ardfert side who were missing Rob Monahan and John Egan and had Eoghan McElligott coming off the bench while Daithí Griffin had to depart the scene early enough in the first half. Ballymac should really have closed it out at that stage but left numerous chances after them. A full strength Ardfert might have had something to say about that, but they just hadn't the depth on this particular day to get

over the line.

RELEGATION FINAL

Waterville Frank Caseys 0-16

Skellig Rangers 1-12

Skellig Rangers led by a point at half-time, with Keith Brennan looking good

JUNIOR SEMI-FINALS

Reenard 1-12 Sneem/Derrynane 0-8

Reenard were imperious early on in a sun-splashed Waterville (the view was honestly as breath-takingly gorgeous as I have ever seen anywhere; it really is truly spectacular). Conor O'Leary had three points and Killian Young raised a huge cheer with a great point. They led 0-6 to 0-0 but Sneem/Derrynane, with Ronan Hussey very much to the fore, got it back to 0-6 to 0-2 by half-time. An impressive third quarter saw them trim it back to two points but a very good pass by William Galvin set up Conor O'Leary for a goal and Reenard's scoring power saw it out.

Tarbert 2-12 Beale 0-13

I wasn't at it but my good friend Damien Stack (who knows his stuff better than I do – but don't let him know that I said that) noted that Tarbert took 14 out of 18 chances while Beale could only take 13 from 21. Stats don't tell the story of a game – too many people make that mistake, having overlooked the value of stat analysis for too long – they inform it. Beale having more chances usually (again, caution – sometimes a shooter just has a bad day) means that their shooters were under greater defensive pressure or making poorer shot selections. This was the former, with Tarbert's defence working very hard. Shea McDonnell's goal put Tarbert in front. The impressive Robert Stack (I'll be watching out for him in the County Championship) brought Beale back into it, 1-7 to 0-8 at half-time. Michael Heaphy added a second goal for Tarbert after forty minutes. Beale kept going but a strong finish sees Tarbert advance to the final against Reenard.

COUNTY CHAMPIONSHIP FIXTURES

Group 1

Fitzgerald Stadium, Templenoe V West Kerry,
Saturday 16th 3.00pm

West Kerry can't have too much done and you'd have to fancy Templenoe.

Austin Stack Park, East Kerry V South Kerry

Saturday 16th, 7.30pm

The reigning champions might not be at full strength, but they might not need to be either.

Group 2

Fitzgerald Stadium, Rathmore V St.Kierans, Sunday 17th, 1.30pm

Tricky, but again the club side will have more done and Killarney will suit them.

Fitzgerald Stadium, Feale Rangers V Kenmare Shamrocks Sunday 17th, 3.30pm

Kenmare almost won a Club championship and Seáníe O'Shea should make hay here.

Group 3

Austin Stack Park, Kerins O'Rahilly's V Shannon Rangers, Saturday 16th, 5.30pm

A club side to beat a divisional side...you should be able to detect a pattern here...

Austin Stack Park, Mid Kerry Board V Spa Killarney, Saturday 16th, 4.15pm

If Milltown/Castlemaine commit to Mid Kerry, a big 'if' in the circumstances, this one will be very tight.

Group 4

Austin Stack Park, Na Gaeil V St Brendan's, Friday 15th, 8.00pm

Monaghan is a huge loss, but add in the Stacks lads...I'll go with Brendans in this one.

Austin Stack Park, Dingle V Dr. Crokes, Sunday 17th, 2.15pm

Easily the tie of the round, but you'd fancy Dingle to reverse the earlier result between them.

KERRY MASTERS FACE TYRONE IN ALL IRELAND FINAL

Dr. Mick Loftus Cup Final: Kerry v Tyrone, Saturday September 16th, 4.00pm in St. Brigid's Kiltoom, Co. Roscommon

Masters football has been growing exponentially in popularity in the past couple of years, with Tyrone and Dublin in particular setting new standards for the game.; Kerry entered a team last year and made it all the way to the last four. That was a high bar to set for this year but Kerry set out their stall early and a strong campaign saw them reach the knockout stages, where they saw off Derry and Galway to set up a final against reigning champions Tyrone in Roscommon this Saturday evening.

PATH TO THE FINAL

Kerry

Round One: A Bye

Round Two: Limerick 2-7 Kerry 3-9

Round Three: Kerry 2-9 Cork 0-10

Round Four: Waterford 0-8 Kerry 3-6

Round Five: Kerry 0-8 London 0-7

Round Six: Dublin 1-14 Kerry 0-6

Round Seven: Kerry w/o v Clare

Quarter-Final: Kerry 0-12 Derry 0-11 (aet)

Semi-Final: Kerry 0-12 Galway 0-7

Tyrone

Round One: London 1-3 Tyrone 2-14

Round Two: Tyrone 1-22 Armagh 0-7

Round Three: Tyrone 5-15 Derry 0-6

Round Four: Clare 0-3 Tyrone 3-16

Round Five: Tyrone 0-14 Donegal 0-10

Round Six: Cavan 0-10 Tyrone 3-16

Semi-Final: Tyrone 2-11 Dublin 0-3

Tyrone easily topped the league table with 12 points from six games. Kerry, Dublin, Galway, and Derry all finished on ten points each. An open draw put Galway and Dublin straight through to semi-finals, while Kerry and Derry were drawn to play each other in a quarter-final, with Kerry prevailing by a single point in a thriller.

That pitted them against a fancied Galway in the semi-final, with Kerry producing a majestic second half display to win by 0-12 to 0-7 and qualify to face the Red Hand.

Tyrone will go into this one as the hottest of favourites. They have scored an incredible 15-97 in seven games and conceded the grand total of 1-42. Kerry have scored a mere 8-62 and shipped 2-49 in eight games by comparison. Tyrone are in their fourth final in a row and looking for their third title on the trot. They are unquestionably the kingpins of masters football, whereas this is just Kerry's second year competing in the grade, having lost last year's semi-final by 0-12 to 0-10 to Dublin. Last year Dublin took Tyrone to extra-time in the final. This year Tyrone blew Dublin aside with fourteen points to spare – the same Dublin team that had eleven points in hand over Kerry when they met. They have a host of star names like Conor and Niall Gormley, Ciarán Gourley, Seán Cavanagh, Stephen O'Neill, Eoin Bradley, Martin Penrose, Joe McMahon, and Fermanagh legend Marty McGrath.

That said, Kerry are not coming into this one empty-handed. The likes of Aidan O'Mahony, William Kirby, team captain Don Murphy, and Fergus McAuliffe won't be unknown names to the Tyrone players either and Kerry have showed admirable steel and commitment throughout all their games, while the likes of Terry O'Sullivan and John O'Connor have been lighting up the scoreboards in the absence of the injured Frank Rahilly, who had starred for Kerry in earlier games. It'll be an uphill battle, but this Kerry team won't shy away from a battle.

Kerry Masters

RUGBY

The games are coming too thick and fast for any comprehensive overview at any one moment in time – any information I give at the time of writing will be long obsolete before you read it. So far the closest thing to an insight that is there to offer is that the nations that the strong rugby nations are better at rugby than the weaker rugby nations. Ireland demolished Romania and looked very, very good doing it; there have been Irish teams that would have found that a stumbling block in the past. That's good, but we all know that Andy Farrell will be judged on higher measures. Mind you, Johnny Sexton was on song and that's a serious weapon, I still consider his presence vital for the crunch games. South Africa powered past a Scotland side from whom I expected more resistance – and 'powered' is exactly the word. France were made to work by New Zealand, but that was a huge result and installs them as firm favourites. Australia were never in trouble against Georgia, but will definitely need another gear later on. England beat Argentina with plenty to spare – England had a truly awful lead in to this tournament, and their domestic league is not good at the moment – but when you look at the sheer numbers playing and invested in the game there, you just can't trust their formbook. Gave us enough of a rattle in the Six Nations to make me wonder; they have a kick in them.

Things are starting == only starting – to get interesting.

SOCCER

END OF THE ROAD LOOMS FOR KENNY

France 2 Ireland 0

Look, I'm not going to be twisting the knife when they are already down and out. There were no surprises here. Don't mind hoping for a draw; once Evan Ferguson was out, I'd have been quite impressed with a 1-0 defeat. We've had Irish media blathering about every young Irish goalscorer as the next Robbie Keane since.... well, since Robbie Keane stopped playing for the FAI and started taking easy handouts after their managerial contract shambles instead. Except that with Ferguson, actual soccer media internationally, with no parochial bias, reckon this is the real deal. Would he have scraped a goal to put France on the back foot?

No. We have a solid keeper (ignore the nonsense about a weakness at long range shots being currently bandied about) and plenty of back-up, a very good defence with plenty of options who can actually play the ball (also Shane Duffy, but he brings other vital attributes to the table so that's okay) and....that's about it. Alan Browne really surprised me, not just well up for a battle (passion was never our problem) but actually a good enough player to be able to bring one. Much has been made of a player from England's fourth tier being brought on for Ireland, as if that's what symbolises our shortcomings in player development, but Wrexham's James

Sean O'Connell in action: Photo: Adam Kowalczyk.

Kerry FC Huddle. Photo: Adam Kowalczyk.

McClellan did very well after the unfortunate Stevens had a nightmare. Good defence, weak attack, no midfield presence worth speaking of. Josh Cullen is a workhorse and a dog soldier, a lot more Nicky Butt than Paul Scholes, and takes responsibility. I like him, I rate him, but that extra yard of pace, that finesse with the first touch, that positional sense, vision....it's just not there. He'll never let you down, but he'll never turn a game at this kind of level. Molomby and Knight? Equally hard-working, but they are like boxers punching granite. France basically shrugged them off and that left Ireland with no foothold to build on in midfield. None. We had one chance and Ogbene's header was never really going to get in. Ogbene was good but he'll never score enough. I thought Adam Idah, whom I've always considered very overrated because of his pace, far exceeded my expectations and put in a huge but thankless shift. Kenny does have Ireland trying to play football as opposed to hopeful punts into the box, but that's how we end up anyway against a team like France. No shame in it. This always felt like an English First Division team against Champions League contenders and that's how it panned out. Valiant last minute defending kept the score down, and that's about the only positive thing that can be said.

Netherlands 2 Ireland 1

This one hurt an awful lot more. I think there was general acceptance that we weren't going to get anything from France. A perfect start by Ireland gave us hope here, though, and they do say that it's the hope that kills you. Chidozie Ogbene should have done better with the very first attack of the game but was blocked for a corner. But Ireland got a lucky break (the first in about a year) when James McClellan's inswinging corner came off Van Dijk's arm. Up stepped Adam Idah and, critical though I have been of his finishing ability, his penalty was perfect. I liked Idah here, he gave Van Dijk plenty of it. No harm in that controlled aggression. There was some fairly uncontrolled aggression around as well, on both sides. I thought McClellan could have been booked – to me, that one was late enough to deserve a caution. Stephen Kenny actually deserves a lot of praise here, his game plan was obviously to press the Dutch up close

when they played out from the back and they didn't like it.

Unfortunately, while the individual defenders were doing well, collectively they didn't have that sense of cohesion and were always a small bit out of sync. It took just quarter of an hour, during which time Ireland were actually the better side, for the Dutch to equalise. Duffy was caught behind the defensive line, which allowed Dumphries to run clear and forced Bazunu to dive in an attempt to block. Clear penalty, nothing Bazunu could have done about it, and the excellent Gapko slotted it home.

From there on, the Dutch grew in confidence and Ireland visibly wilted. Again, we had triers rather than doers in midfield and once the Dutch started containing that, Idah and Ogbene had less and less service. They never stopped trying; I don't know can the same be said about all the Irish players. Quite simply, we looked a defeated team even taking the field in the second half. I'd have made changes at that point. I think the tide had turned, though, and wasn't going to turn our way again no matter what.

While they didn't dominate with the easy insouciance of France, there was no question about who was the more dangerous team here and the winner arrived on the 56th minute, Dumfries' header finding Wout Weghorst to finish. Ireland huffed and puffed but we all knew their tank was basically empty.

I feel sorry for Stephen Kenny, but we all know that he is basically finished. Ireland did not play badly for these two games. They deserved to lose, but that's where we are now and the idea that any manager could have turned that around is a simple faith that religious fanatics might envy. I don't know who is going

to take over eventually – I don't imagine that the FAI will be in any hurry to actually pull the trigger, especially as they are still deservedly taking a lot of flak after their appalling mismanagement in regard to Vera Pauw and will still have to pay Kenny. Some-one will take a punt on Ireland – they are young enough to maybe pull a few lucky results out of the bag and FIFA are determined to make qualification for finals (and their own payments) ever easier. But matching reality to fans' expectations? Can't be done. Those players don't exist. There's a reason why our former, current, and future managers are drawing from England's second and third playing tiers. John O'Shea stepping up from his assistant role at the end of this campaign (after the mess of Mick McCarthy and Robbie Keane's pay-offs, the FAI will keep Kenny in place and it's not financially viable for him to resign) is the most likely outcome. I do know it would be a massive retrograde step for Lee Carsley, especially with Gareth Southgate currently getting savaged by England's soccer 'journalists'. I'm not saying Carsley will be filling Southgate's shoes, but the FA will want to keep him on board. Michael O'Neill is under pressure with Northern Ireland, with his past achievements loading expectations. He'd be a popular choice but would take pseudo-political flak for switching Irish teams; I can't see it happening.

Many thanks to John and Eddie Rockets for the support and best of luck to the ladies at the weekend.

KILLARNEY LEGION

INTERMEDIATE CLUB CHAMPIONSHIP

A disappointing climax to our campaign with a three point defeat to Milltown / Castlemaine in the semi-final final played at a pristine Fitzgerald Stadium. Trailing by three at half time, 0-9 to 0-6, an early second half goal put us on the back foot. Despite a Ryan O Grady penalty and an Eoghan O Sullivan point cutting the gap to two with twelve minutes remaining, we couldn't get any closer and Milltown Castlemaine ran out 1-13 to 1-10 winners. They now meet Fossa in the final, who were themselves victorious over Austin Stacks.

U11 BOYS

A great performance from our Under 11 boys last Thursday evening in their first East Kerry league game vs. Listry. 30 boys toggled out in glorious weather at home in Derreen with the two teams from both clubs produced some great football and gave it their all for 50 minutes. Thanks to Nigel Shevlin and John Keane for referring the games, and thanks to Listry for visiting us and best of luck in the remaining games.

U17 BOYS

The Legion minors travelled to Castleisland for the quarter-final of County B Club championship last Saturday. Playing with the aid of a strong breeze they started brightly, and with our forwards combining well, we led 0-11 to 0-4 at half time. Castleisland made a strong start to the second half with 4 quick points. At the midway point in the second half, castleisland struck for a goal, which drew the home side level. The final fifteen minutes were keenly contested, and Legion held a one point lead as the game ticked into injury time. However, Castleisland struck for a second goal to lead by 2 points deep into injury time. The Legion lads didn't panic and worked the ball up where Daire Murphy was fouled for a penalty. Brián O'Shea stepped up to send the goalkeeper the wrong way to secure the win in dramatic style.

U12 GIRLS

The Legion U12 Girls - Green team travelled to Furies for their first match of the East Kerry league during the week and with the hosts quick out of the blocks, they settled into an early lead. However, Legion fought back and were only

down a point at the end of the first quarter. While the second quarter saw Legion settle into the game, momentum turned again at the half when Furies put the Legion girls under fierce pressure. When Legion did break down the field, they were unlucky not to get some much needed scores, and on the night, the hosts took the points. All credit to the girls who never gave up. Thank you to Furies for a sporting game, and thank you to the referee officiating on the night. At the same time our U12 White Team made the trip to Milltown Castlemaine for the second match of their East Kerry campaign. The game saw a closely contested opening quarter with only a point in the difference. We opened up some daylight between our opponents through winning some good possession and combining that with good team play. Milltown were never going to lie down, and some lapses in focus put us under pressure. With some positional changes and discussion about getting back to our earlier game play, the girls steadied the ship and steered us through to the win. Thanks to all who made the trip and to Milltown Castlemaine for a solid contest. Also, thanks to the referee officiating on the evening.

U15 GIRLS

On what was a busy week for our ladies' sides, there was no joy for our u15 outfit in their u15 Co Championship quarter final, but it certainly wasn't for the lack of effort. Corca Dhuibhne made the long trip from the west and, after a blistering start, led the game 1-03 to 0-00 after 10 minutes. Our ladies did superbly to battle back with some very well worked scores to draw level at the break. The 2nd half was a right battle with plenty of chances at either end. At the final whistle, the result wasn't clear, but unfortunately for us, Corca Dhuibhne had managed one more score than us to take the game by a single point and advance to the semi final. Final score Legion 4-07 Corca Dhuibhne 3-11.

MOTHERS AND OTHERS

Big shout out to John Bowler of Eddie Rockets, New Street Killarney who has sponsored a set of jerseys for the Mothers and Others team who are representing the club at the National Gaelic for Mother's and Others blitz in Portmarnock on Saturday next, 16th September. ACADEMY JERSEYS

Last Saturday morning saw the launch of our brand new Academy Jersey. The new design reflects a modernisation of the style with the round neck replacing the traditional collar style. A new feature also is the logo of Randles Brothers Nissan Dealers who's main club sponsorship now embraces the Academy. We would like to place on record our thanks to Keanes Jewellers for the outstanding support they gave the Academy since 2015 and obviously thank our main Club sponsors Randles Bros for their unstinting support.

The victorious Kerry Under 15 team after their Cup Final victory last weekend

Listry 1 – 13 Cordal 2 – 11

Two goals from Brian Reidy helped Cordal qualify for the Fr Galvin Cup final, by just about doing enough to get past Listry, in a match played in sweltering conditions on Sunday.

Jimmy O Leary gave the home side the lead, after being first to a loose ball around the Cordal square. Cordal responded with 2 fine point's from Jason Cronin and Philip O Connor, but Listry, with Aaron O Shea and Cathal O Donoghue prominent, were in control for most of the half, with O Donoghue's second point of the half giving them a 3 point lead at the break. The team's shared the opening 4 point's of the second half, with Reidy getting a point after the ball bounced off both the crossbar and post. He then found the net after collecting Michael Flynn's pass, and passed the ball beyond Anthony Sweeney. The home side responded with a quick spurt of a goal and a point from O Shea, wallopping home an unstoppable shot to the net after a surging run. Reidy then answered back with another fine finish, as the game was delicately poised going into the last 10 minutes. O Shea and O Connor both got 2 point's each, leaving the sides still tied. It was O Connor who had the final say, pointing a late free to send Cordal to a final date with neighbors Scartaglen.

Afterwards, Noel Kennedy secretary of the East Kerry Board, presented Man of the Match Phillip O Connor with a year's membership of the Aquila Club.

LOOKING AFTER YOUR HOUSE PLANTS

Houseplants come in all shapes and sizes. Many are grown for their foliage and others are grown for their flowers. Most houseplants will need regular watering and feeding but a lot of them don't require much attention.

The majority of house plants like bright light, but it is important to avoid direct sunlight though glass as this can scorch the foliage. During wintertime try to keep house plants in a room where the temperature is the same most of the time rather than going from one extreme to the other.

When watering remember to mist the foliage of tropical house plants rather than overwatering. During winter gradually reduce water and feeding except when plants are flowering or growing vigorously.

A Word of Victory

Welcome back dear student before we begin our weekly study, I'd like to extend a warm invitation to you to come and join us to hear the beautiful worship artist Jean Watson next Thursday night September 21st at Word of Victory Christian Fellowship in Killarney at 7.30pm. Jean has visited with us often over the years and every time she brings gentle healing and refreshment to all. Her humility and simple focus on the Love of our beautiful God is very special. You can experience the tender touch of the Lord's Presence as she sings and plays and prays for people. She has a special love for Ireland, and you can catch more of her on YouTube, Facebook, on UCB Ireland radio or on jeanwatson.com. If you have never been to a prayer meeting/Bible study before this is a lovely way to experience the Power and Presence of God. There is no charge, no weird stuff and no obligations of any sort and you will be blessed. Take courage and give it a shot - you have nothing to lose and everything to gain, and we would love to welcome you!

Last week we spoke about how people easily believe a bad report much quicker than accepting a good report. Often, this happens because of a breach in their relationship with God, coupled with a lack of knowledge of His Word and no understanding of the enemy's tactics (John 10:10). It is the Holy Spirit Who reveals the Truth of God's Word to us, and it is He Who connects our spirit to God in Christ (John 14:26). Reconciliation with God is made possible only through faith and trust in Jesus the Messiah and His sinless Blood which was shed when He laid down His life as payment for our sins to be forgiven (Isaiah 53). He is the Lamb of God Who took away our sins. The Holy Spirit is God's Presence and He comes to live in us when we repent of sin and ask Jesus to come into our lives as Lord. This is what Jesus called being 'born again' (John 3:1-21). Created anew - spiritually made right with God; washed clean of all sin and empowered to fulfil His purpose (Ephesians 2:10). There is refreshment in the Presence of God which is why a person's life completely transforms when they learn to walk with the Lord (Acts 3:19; John 8:12).

Multiples of people have been set free from addictions, compulsive behaviours, fears and mental torment because the Power of God's Love is greater than what previously held them bound (1st John 4:4). Instead of turmoil, anger, frustration, anxiety, hopelessness and defeat the Word of God and the Power of His Holy Spirit transforms one's life from darkness to Light, from anxiety to peace, from sickness to wholeness and from strife to harmony. It's not complicated and neither is God. "Have you not known? Have you not heard? The Everlasting God, the Lord, the Creator of the ends of the earth, neither faints nor is weary. His understanding is unsearchable. He gives power to the weak, and to those who have no might He increases strength. Even youths shall faint and be weary, and young men shall utterly fall, but those who wait on the Lord shall renew their strength; they shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint" (Isaiah 40:28-31). The Gospel of Jesus is the Good News report that you can trust in and believe! His Word never fails.

PRAYER TO MOUNT CARMEL

O most beautiful flower of Mount Carmel, fruitful vine, splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. O Star of the Sea, help me and show me herein you are my Mother. O Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity. There are none that can withstand your power. O show me herein you are my mother.

O Mary, conceived without sin, pray for us who have recourse to thee (three times).

Sweet Mother, I place this cause in your hands (three times).

Say this prayer for 3 consecutive days and then you must publish it and it will be granted to you.

PRAYER TO PADRE PIO

O Jesus, full of grace and charity, victim for sinners, so impelled by Your love for us that You willed to die on the Cross, I humbly beseech You to glorify in heaven and on earth Your servant, Padre Pio, who generously participated in Your sufferings, who loved You so much and labored so faithfully for the glory of Your Heavenly Father and for the good of souls. With confidence I ask You to grant me, through Saint Padre Pio's intercession, these special requests...
