SAFE INITIATIVE LAUNCHED IN KILLARNEY

Killarney Chamber of Tourism and Commerce and An Garda Síochána have come together to launch an innovative and very practical new technology tool to ensure the streets of Killarney remain safe for everyone.

The clever but simple to use SEE Something SAY Something text messaging system will allow members of the public to immediately alert Gardaí to any issue that might be of concern and it will enable them to react in a very prompt and efficient manner to any incident reported.

The free text message will be received by the sergeant on duty and it will be acted upon immediately.

Using any model of mobile phone, members of the public can immediately report a crime or any incident of anti-social behaviour by simply texting KILLARNEY and a brief account of the incident and the location to 50555.

The service, developed by Tralee entrepreneur Brian Stephenson, is free of charge and it is completely anonymous with the mobile phone number used remaining confidential.

The system, already successfully introduced in Tralee with hugely positive results, will complement the Purple Flag initiative that is aimed at maintaining Killarney's standing as one

of the safest and most attractive towns in the country at night.

Killarney Chamber of Tourism and Commerce President, Paul Sherry, said while Killarney is well established and highly regarded as one of the safest towns in the country, the SEE Something SAY Something initiative will further safeguard the safety and security of locals and visitors.

"The Chamber is delighted to be involved in this fantastic project and we are urging the public to give it their full support as it can only work well with their involvement," he said.

"This is another tool for the Gardaí to use in conjunction with the Purple Flag project and Neighbourhood Watch and Community Alert schemes and the real winner here is Killarney," he said.

Killarney Garda Superintendent Flor Murphy commended and acknowledged the Chamber of Tourism and Commerce for taking the project on board and for embracing it so enthusiastically.

"SEE Something SAY Something has worked very successfully in Tralee and we are delighted to be able to introduce it to Killarney. It's all about public safety and making

At the launch of the Killarney SEE Something SAY Something scheme in Killarney were, sitting from left, Eileen O'Donoghue, Killarney Municipal District Officer and Chief Superintendent Eileen Foster with, at back, from left, Cllr Niall Kelleher, Chairperson, Joint Policing Committee, Superintendent Flor Murphy, Frank Doran, Chairman, Purple Flag Committee, Paul Sherry, President, Killarney Chamber of Tourism and Commerce, Cllr John Sheahan, Cathaoirleach, Killarney Municipal District Council and Brian Stephenson, text service creator. our town and its surrounds better and safer for residents and visitors," he said.

"It is a new, modern and smart way for the public to communicate with the Gardaí without having to formally report incidents and while remaining anonymous with an assurance of confidentiality," he added.

"It doesn't take away the traditional methods of fighting crime but it will enable us to work more quickly and more smartly if anti-social behaviour or criminality is reported by text message," Supt Murphy said.

Very distinctive promotional signage

highlighting the SEE Something SAY Something text number – including signs, posters and stickers – will be erected in several high-visibility outdoor and indoor vantage points in and around the town and the public is being encouraged to embrace the initiative to tackle suspicious or illegal behaviour.

The Chairman of the Joint Policing Committee, Cllr Niall Kelleher, who is also Vice President of the Chamber of Tourism and Commerce, has encouraged all businesses to erect stickers with the text details in their premises.

"This is not replacing the traditional method of dialling 999 in the event of an emergency but it is a very valuable cost effective and user friendly tool to ensure Killarney is a safer and happier place for all," he said.

4,000 WALK

FROM DARKNESS INTO LIGHT

DON'T LOSE HOPE.... WHEN THE SUN GOES DOWN.... THE STARS COME OUT....

4,000 people gathered at Killarney Racecourse in the early hours of last Saturday to walk from Darkness into Light in memory of a young man whose family have carved his name into all of our hearts.

Nathan Carroll from Ross Road was just 14 years old when he lost his life to suicide and since 2011 his parents Marie and Denis, along with his four brothers have held an annual walk in his memory in aid of Pieta House.

Before this year's event a staggering €350,000 was raised at the walk by the family and the committee who help them out each year.

"We are overwhelmed again at the support we have received from everyone from Killarney and beyond", Marie told the Killarney Outlook.

"This year we set off 15 lanterns - in memory of people who have passed away - and were helped in that task by families who have been affected by suicide", she added.

"The atmosphere at the Killarney Racecourse on Saturday morning last was unbelievable, the support and love of those who did the walk was palpable and we cannot thank everyone enough for their support" Marie said.

"There are so many people and organisations we are so grateful to including our hard working committee, Electric Ireland, Killarney Racecourse, the National Park, Sean Hurley and Dan Devane", Denis added.

Nathan's Walk - Darkness into Light are hoping that an outreach house will be opened in Killarney this year and are working tirelessly towards this goal.

IT'S ALL SYSTEMS GO FOR KILLARNEY MICROTRACK

Following the sod turning for the new Killarney Microtrack, the committee welcomed Tom Collins of (Moloney construction) to the site where the microtrack will be built this summer.

Tom was accompanied by microtrack designer John Hickey of (Hickey design) and Leonard Moran (quantity surveyor).

There to greet the men were the young members of Killarney Valley AC along with Community group directors Cathal O'Brien and Jeremiah Griffin along with Sean O'Sullivan, Chairman of the Kerry Community Games and Tom Doherty Chairperon of the IWA.

Today Killarney Valley AC and campaigners for the Microtrack have very capable coaches in their group like Con Lynch a former world police games 1500m champion an international and national medalist, Brid Stack national champion, Jean Courtney, who's own mother Margaret Murphy competed in the 1972 olympics in Munich, Jeremiah Griffin a former national champion and his brother Tomás Griffin a former Irish international and national champion who coaches Jordan Lee.

"The club has excellent jumpers in the club like Ciara Kennelly a national champion, Elizabeth Stack a national medalist, Sarah Leahy provincial and national medalist along with Mike Murphy a national medalist and there are many potential young athletes, along with many incredible team mates in a happy club environment", Jeremiah told the Killarney Outlook.

PICTURE MARIE CARROLL-O'SULLIVAN

The project will start on the 24th of June and is expected to be complete by early September.

Mr. Tom Collins (Moloney construction) accompanied by Mr. John Hickey (Hickey design) and Mr. Leonard Moran (QS) are currently working out the construction schedule with Mr. Sean Coffey of St. Brendan's college who is very excited about what the microtrack means to the youth. He has enabled the project so far and we have huge gratitude to Bishop Bill Murphy and to Bishop Ray Browne, together with Sean Coffey of St. Brendan's college for the generous provision of the site.

The cost of the project is €480,000 which is seen as great value considering the location and site

of the project. The project has been made possible by the €110,000 leader grant, €59,000 sports capital grant, €50,000 KCC and €110,000 raised privately to date.

The group must now raise another €150,000 to clear the loan and an easy way to donate, is to donate through the online crowdfunding link www.gofundme.com/Killarney-micro-track

Over the coming months the group will be contacting the business community and private individuals seeking donations.

The value of the Killarney Microtrack to the community will be priceless and will benefit the community and its youth for many years to come.

Weekend incident keeps Kevin out of race

Following practice on the International Track at Mondello, motorcycle racer Kevin Coyne got his weekend off to a great start.

Some changes to his bike before the race gave Kevin the confidence to qualify in third position which set him up for a great weekend in Mondello for Rounds 4 to 6 of the Dunlop Irish Masters. Unfortunately in a last lap, Kevin was placed on the inside and had to make up a position and came together with another rider which left Kevin flying through the air to end up out of the race. Following the accident, Kevin ended up in Naas hospital for precautionary scans and thankfully

was giving the all clear. He was however unable to take part in Sunday's races.

Kevin is planning some big changes and has decided to upgrade his bike for the rest of the season. If any local company would like to be involved in the change you can contact Kevin's dad, Mark Coyne before the new graphics are done. Kevin is looking forward to the next round of the Masters which takes place in June and would like to thank all the well wishers and his sponsors for all their support.

You can follow Kevin on Facebook - kevin coyne racing #64.

Kerry Youth Film Exhibition will highlight up and coming film talent from Kerry

A Kerry Youth Film Projects Exhibition opens in the Garden Room of Killarney House as part of Cruinniú na nÓg on Saturday 15th June next. The exhibition will run until the 21st June and is open from 9.00am until 5.30pm daily. It will offer a unique opportunity for Kerry Filmmaker in Residence, Mieke Vanmechelen to present a collection of work produced during her residency. The exhibition includes a film installation and a series of "behind the scenes" photographic works. Encompassing the work of over 16 groups of young people from all over Kerry, ranging from mini-documentaries to crime dramas the exhibition showcases the creativity, enthusiasm and imagination of each group.

Mieke Vanmechelen is an artist, filmmaker and farmer from Kenmare and is the Kerry Filmmaker in Residence since 2017. Her main objective in the position is to work with schools and youth groups, enabling creativity and empowering young people to express themselves through the medium of film. Mieke worked with diverse groups of students from around the county and built up a particularly strong relationship with Killarney Community College. The school has had many successes with film productions and screenings, being selected for the Kerry Film Festival in 2018 and reaching the finals of this year's Fresh Film Festival with well attended screenings at Triskel Arts Centre, Cork and the Odeon Cinema, Limerick. Two inspired students, Karolina Gunia and Brian Kelleher are in the process of producing their own short films. Kelleher stated "In March, April and May of 2018 we created a

short film this was an amazing experience and one of my most cherished memories from that year. The experience of making the film further inspired me this year to start a solo project and write and shoot my own short film. I have only Mieke to thank for showing me the skills and possibilities of this area of art".

A recent collaborative film called "It's OK not to be OK" was also produced under the direction of teacher Brian O'Reilly to accompany the school's participation in the Cycle Against Suicide, a national charity event. Students and teachers from Killarney Community College

took part in the 4th stage of the Cycle Against Suicide on the 25th of April from Cork City to Killarney a distance of about 100 km. The film was made as a collaborative project by students and teachers at the school and highlights the importance of issues surrounding mental health. It reflected the ethos of inclusion and togetherness that Killarney Community College seeks to provide and encourage. The residency is funded by Kerry County Council and The Arts Council.

Wear the Green Ribbon in May

End Mental Health Stigma

Each year 'See Change Ire' roll out a month long national Green Ribbon Campaign to encourage people in Ireland to End Mental Health Stigma. 500,000 green ribbons are distributed nationwide and free of charge as a visual symbol to end the stigma surrounding mental health difficulties.

One of the most important ways in which we can reduce the stigma associated with Mental Health is to change how we talk about mental health conditions. Stigma is a significant problem for people who experience mental health conditions and has been identified as one of the most difficult aspects of living with a mental health condition for both the person and their families. For many people stigma is a barrier to recovery.

Everyone can work together to start the conversation and put a stop

to stigma. You don't need to be an expert to start talking about mental health or have all the answers. Sometimes the most helpful thing you can do is to let someone know you are there for them and simply listen.

To support the Green Ribbon campaign - Wear the Green Ribbon, or organise a Green Ribbon Event. It doesn't have to be complicated. Hold a coffee morning or a 'Walk and Talk' for your community group or workplace. Green Ribbons these can be picked up during May at participating Irish Rail stations, Boots Stores, Eir Stores, AIB branches, and participating Libraries as a symbol for starting conversation about mental health. They can also be ordered on the See Change website. Wear the Green Ribbon this May as a symbol for starting conversation about mental health.

East Kerry GAA Support the Green Ribbon Campaign Seated(l-r): Donald O'Sullivan (Ass Treasurer), Johnny Brosnan (Chairman), Pat O'Brien (Treasurer) Standing(l-r): John Dineen (Vice Chairman) Michael Pigott (CCC), Dermot O'Connor (Secretary), Mike O'Mahony (PRO).

KILLARNEY BIDS FAREWELL

TO ONE OF THEIR FAVOURITE SONS

By Eamonn Keogh

KILLARNEY bid a fond farewell to popular local man Neillie Griffin, who passed away last weekend after a brave battle with illness. Neillie, from Pinewood Estate and formerly of Moulagh, Fossa, Killarney, was a familiar face in Killarney town through his dedicated work with the local council.

He was also well known in sporting circles where he gave tremendous service

to St. Paul's Basketball club for several years. During the nineties and noughties, Neillie was the team manager with the St. Paul's senior mens national league teams that played under the Kerry Spring and Gleneagle Lakers banner. He travelled the length and breadth of the country with the team and was a popular and respected figure among the players and officials. Always reliable and obliging, no job was ever too big or small for Neillie, who was also very instrumental in spearheading

various fundraising initiatives for the club.

Neillie and all the Griffin family have given St. Paul's excellent service on and off the court over the years. His wife Mary was a very active member of the club's juvenile committee for many years and one of their proudest moments in basketball was to witness their daughter Diane representing Ireland on the international stage. Their son John was also an outstanding player winning an U-19 national cup with St. Paul's in 1997 and played in the superleague for several years with Gleneagle Lakers. Their other daughters Siobhan and Aislinn also represented St. Paul's at various levels.

Neillie's interest in basketball never waned and he was delighted to see the return of national league basketball to Killarney two years ago after an absence of nearly a decade. Despite battling an unfortunate illness, he was a regular at Scotts Lakers home games in Killarney Sports Centre and always had a kind word for everyone. At Neillie's funeral mass on Monday Fr Jim Linehan described him as a great family man and recalled his outstanding work with the council and his wonderful commitment to St. Paul's Basketball Club. Neillie's former Work Colleagues in Killarney Town Council and members of St. Paul's Basketball club provided guards of honour as they escorted the funeral cortege from O'Shea's Funeral Home through Killarney town on Sunday evening and at The Church Of The Resurrection on Monday.

Since the sad news of Neillie's death last Friday, there have been many warm tributes to

Global cyber security chiefs in Killarney

Leading international cyber security specialists convened in Killarney at the weekend for an enlightening Cyber Security Transatlantic Policy Forum.

Industry leaders, policy makers, politicians and law enforcement agencies from the US, Britain and Ireland gathered at The Brehon to share insights and examine available opinions at the inaugural conference.

As well working to improve and expand government, academic and private sector collaborations in cyber security, the event focused on the latest intelligence on how to safeguard against cyber-attacks.

The keynote speaker was Sir Rob Wainwright, Senior Partner for Deloitte's Cyber Practice and the former Director of Europol.

The latest developments and how an increasing dependency on cloud

providers could create weaknesses was discussed by delegates, including Richard Browne, Director of Ireland's National Cyber Security Centre and Conrad Prince, Distinguished Fellow and Senior Cyber Adviser, Royal United Services Institute.

The extent that divergence in regulatory and legal frameworks exacerbate vulnerability to cyber attacks, how criminals are evolving their capabilities to avoid detection and the most successful investigative tools that can be deployed were also discussed by an expert panel featuring Detective Inspector Alistair Burns of the PSNI; Todd Renner, Special Agent and Assistant Legal Attaché FBI; and James Sullivan of the Royal United Services Institute.

A panel on national security and defence, asking if cyber warfare

Michael O'Sullivan, Assistant Commissioner for Security and Intelligence with An Garda Síochána delivered the closing address at the conference. PHOTO: VALERIE O'SULLIVAN

is likely and how much of a threat does the 5G network pose to national and international security, featured Professor Todd Landman, Professor of Political Science and Pro-Vice-Chancellor at the

University of Nottingham; Andrew Munro, Assistant Secretary-General, Department of the Taoiseach; and Kevin R Powers, Director of M.S. Cybersecurity Policy and Governance, Boston College.

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

WHEN CAN YOU ACCESS YOUR PENSION AND WHAT ARE YOUR OPTIONS WHEN YOU WANT TO RETIRE?

Yes, as it is widely predicted that mortgage interest rates may start increasing in 2020 and if they do people on a variable rate mortgages could have substantial increases in their mortgage repayments. Some Irish lenders have reduced their Mortgage interest rates much more than others and I strongly recommend you compare your lenders interest rates with other lenders interest rates before deciding the rate and lender that suits you best. Switching lenders is also an option and is worth considering. A big decision for anyone with a mortgage is whether to fix the mortgage now or wait to see if interest will go down even further, the problem with this is that interest rates could increase while you are waiting for them to decrease. It is important to talk to a mortgage advisor who has access to different lenders about interest rate options and also to compare the interest rates of different lenders as there can be a very substantial difference in monthly repayments between lenders.

To discuss the above or any other matter Dermot Cronin QFA can be contacted at 0646622775 or dermotcroninifa@gmail.com

CAIRN OF PEACE MONUMENT UNVIELED

Hundreds of ploughing enthusiasts gathered near on Mission Road the entrance to the Demesne last weekend to unveil a monument which should have been built in 1954.

Killarney hosted the World Ploughing Championships 65 years ago but never got around to follow the tradition of building a monument to commemorate the event. Following extensive consultations with Kerry County Council, the contract was

awarded to Killarney Valley Classic and Vintage Club member Ben O'Sullivan, from Ballyhar designed this magnificent work of art, which will stand the test of time and be admired by future generations who will be reminded of the importance of 'Ploughing' and the motto 'Let Peace Cultivate the Land.'

Last Saturday afternoon the 1954 Ploughing Champion, 93 year old Hugh Barr, from Coleraine unveiled The Peace

of Cairn Monument along with Mrs Anna May McHugh, Managing Director of National Ploughing Association (NPA),

The Cairn of Peace symbolizes the spirit of this competition, in keeping with tradition, a piece of stone from all the countries that participated in the world forms part of the cairn.

The plough was donated by local Farmer, Sean O'Donoghue and organised by The Kerry Ploughing Association and NPA.

It is important to note that the NPA Managing Director Anna May McHugh & Anna Marie McHugh the World Ploughing Organization General Secretary, the local organising committee chaired by Tom Leslie all in Kerry Ploughing and Kerry County Council all worked tirelessly to ensure that this wonderful initiative came to fruition.

Good exam techniques will improve your grades in the State Exams

By Billy Ryle

The State Exams are on the horizon so it's time to focus on your exam techniques. By planning your approach to answering the question papers you will perform better. Begin by highlighting your exam subjects on your copy of the exam timetable.

Each subject is answered in an A4 covered booklet. Write in your exam number and subject. Tick the answered through English or Irish box. Write in the make and model number of your calculator, as appropriate. Read the directions on the back cover of the Answer Book. Number each question and sub-question clearly in the left-hand margin of each page. The right-hand margin is for the corrector's use only. Write your answers clearly and legibly between the margins. Work neatly down the page.

Don't split questions by answering a part on one page and the other part further on. If you can't completely answer a question leave a page blank to which you can return. Use diagrams, sketches and illustrations if they enhance your answer. Use decent size diagrams, as they are quicker to draw and allow more detail. A well-presented script will make a favourable impression on the corrector. The core of any exam is the quality of your answering. Keep the content of your answer relevant to the question. Read each question carefully before deciding which ones to answer. Tackle a good question first to settle you down. List the key points around which you will build your answer. Be concise, accurate and relevant. Waffle and repetition will not impress the corrector. Be familiar with the format of each paper well in advance of each exam session. How is the paper presented? What topics are examined? How many questions must be answered? What styles of question can you expect on any exam paper? Have you a choice of questions on the paper?

Are some questions compulsory or is there an open choice? Be careful with a paper, which is subdivided into subsections. Without prior knowledge of such a paper you could easily fail to address the relevant number of questions. As you do past papers, and again at the exam, read the instructions carefully. Handle a recent past paper in each subject for physical familiarity.

Doing well in any exam involves presenting your answers within the time allowed. Attempt the required number of questions. If you don't attempt a question you can't possibly earn any marks for it. Be familiar with the marking scheme for each paper and work out in advance the approximate time you can spend on each question. The time allocated to each question should be in direct proportion to the marks available for that question. By attempting the required number of questions, you have the best chance of maximising your grade in that subject. When your exam paper is handed to you read the instructions. Spend about five minutes reading the entire paper to get the feel for the paper. This allows you to settle down and gather your thoughts. Stick to your own pre-prepared answering plan and once you have made your choice of questions, start with a question you can answer well. As you warm to your task, you will be pleasantly surprised at the font of information that comes to mind, as you need it.

When you have finished answering each question, reread it to ensure you haven't omitted any part. Allow at least five minutes at the end of the exam to read back over your answers and to check your overall presentation.

In the next article, I will have some advice for parents of exam candidates.

Time to celebrate Kerry's wildlife

Kerry County Council in association with several local groups, are running a number of events, days out, walks and talks on the many wonderful aspects of Kerry's wildlife.

'The series kicks off with a family friendly seashore bio-blitz in Waterville followed by rock pool dipping and other sea safaris throughout the week,' explained Cathy Fisher, Biodiversity Officer with Kerry County Council.

'A walk and talk on the Maharees Peninsula is hosted on Sunday next. This year, film will again form part of the week thanks to events organised by Siamsa Tíre. Killarney House has a series of events planned and our ever-popular nocturnal ramble in Killarney National Park and bat walk in Ballseedy, Tralee are also back. Annascaul is packed with events, not to mention events in Ballylongford and Finuge. So get out

and about over the week – there is loads to choose from,' she said.

Events are kindly co-ordinated by Niamh Ní Dhúill and the Kerry Branch of the Irish Wildlife Trust with support from Ballylongford Tidy Towns, Tralee Bay Wetlands Centre, Annascaul Adventures, Maharees Conservation Association, Gortbrack Farm, Transition Kerry, and the Kerry Education and Training Board. The programme of events is funded by Kerry County Council.

The events are open to everyone and many are suitable for children. Booking is required for some events. Further details can be obtained from Cathy Fisher, Kerry County Council on 066 7183521 or cathy.fisher@kerrycoco.ie and the programme is available on www.kerryheritage.ie. EXCITING TIMES AHEAD FOR THE VALLEY 70 CYCLE

Following a successful event last year which hosted 250 cyclists from across County Kerry, the Valley 70 returns for 2019 with a new date and an additional short, flat route.

Launched this week by members of Kilcummin's Intermediate All Ireland Winning Team - the Valley 70's will take place on Sunday 9th June. The main route through the Gap of Dun-

loe is consistently voted one Ireland's most scenic. This year, there's the option of doing a 30km flat route - which will suit all ages and abilities.

All cyclists start at Fossa Community Centre, which is located across the road from Fossa Church. After a pleasant 25km loop around Beaufort and Kilgobnet - the 30km participants head back to base for refreshments where the

70km cyclists take the road to Kate Kearney's Cottage and from there go through the Gap of Dunloe into the Black Valley. From here it's up to the Sneem Road, back to Moll's Gap and down to Killarney - travelling along Muckcross Road onto Mission Road, Port Road and back to base at Fossa Community Centre.

100% of monies raised on the Valley 70 Cycle will go to Coolick National School. Principal Irene O'Keeffe is looking forward to the event: "this is the 6th year of our cycle - we've moved the date out by 2 weeks but kept it on Sunday as it suits people and we've added a shorter, flat loop as well. We look forward to a great day on June 9th."

There will be over 40 stewards and road crew in attendance on the day to ensure visibility and safety in all aspects of the event. Food is available before the cycle, as well as rest and refuel stops at the top of the Gap climb and at the Sneem Road junction plus BBQ at the finish line.

You can book your ticket online at: www.valley70.weebly.com or register in person at Fossa Community Centre on Saturday, June 8th from 7-9pm or from 7:30am on Sunday, June 9th - the day of the cycle. The cycle costs 25 euro per person (15 euro for U16s, who must be accompanied by an adult) and the roll off is at 9am sharp. All cyclists must wear a helmet. Discounts are available for adult groups and U16 groups by calling John on 086-8121029. Further details are on Facebook: @thevalley-70cycle

Bronze Gaisce Award for Killarney Community College students!

This year in Killarney Community College 13 students will receive their Bronze Medal as part of Gaisce-The President's Award. Gaisce - the President's Award is Ireland's National Challenge Award, the country's most prestigious and respected individual award programme, and a challenge from the President of Ireland, to young people aged between 15 and 25. This year Ms. Kerri McCarthy worked closely with the students as their Gaisce PAL, the President's Award Leader.

In order for the students to succeed in achieving the award they have to complete Four Key Challenge Areas. Ms. McCarthy met with students on a regular basis and monitored their progress. The final part of the challenge took place over the past two days. This included a 25km walk. They stayed in the Fáilte Hostel in Kenmare. A fantastic two days was had by all, the personal satisfaction of completing this challenge far outweighs the sore legs and blisters!!

KILLARNEY TOWN TALK

ROSARY BEADS LOST

A set of Rosary Beads with huge sentimental value have been lost between Circle K on Park Road and the Friary on Saturday evening last. The beads were a gift to the little Molly Ashe, the daughter of Johann Ashe and Sheila McCarthy and when Molly passed away, the couple gave the rosary beads to Johann's mum Anne Ashe.

The rosary beads are silver and have only one decade of the rosary on them - so are smaller than normal and are similar to the ones in the photograph.

If anyone comes across them please hand them into the Friary Bookshop.

BUSY TIMES FOR KILLARNEY TOWN TWINNING ASSOCIATION

Killarney town twinning Association welcomed Killarney's first sister city Concord North Carolina to town recently.

"This has been a busy few days for the Town's hard working Town twinning Association with a delegation of 30 people from our twinned town of Pleinfeld having just returned home", Sean told the Killarney Outlook.

The love affair with Killarney for our German twinned town is immense with lots of German visitors visiting the town.

NEW HELICOPTER BASE FOR KERRY AIRPORT

A new helicopter base has opened at Kerry Airport to service oil and gas exploration operations off the west coast. UK-based international asset and infrastructure management company Babcock International opened the helicopter base facility at Kerry Airport in Farranfore.

The base will be home to two long-distance transportation helicopters which will be used to service offshore oil and gas exploration boats and rigs off the

Irish coast.

Babcock International's aviation subsidiary provides crew change and transport services to oil and gas platforms in the North Sea, Mediterranean and Australasia regions, carrying over 215,000 passengers a year to various operations. The opening is a major boost to Kerry Airport as both Cork and Shannon were both mentioned as possible sites for the location of the new Irish Base.

The first Helicopters have arrived in Kerry Airport to service the re-opening of Ireland's oil and gas exploration industry off the coast of Kerry. A number of local business and political representatives and members of the press were given a safety briefing from Babcock Aviation who have located their base at Kerry Airport. This was followed by a 30 minute flight over Kerry. PHOTO: DOMNICK WALSH

SUMMER EXCITEMENT AT PLAYBALL

Playball Kerry are delighted to be announcing some exciting additions to their very popular annual Summer Camps for 2019! While keeping all the usual fun and excitement that people have come to expect from Playball camps, this year there are going to be some new camps specifically for 4th to 6th Class children and also for the incoming Junior Infant Class of September 2019!

Regular Playball Camps are returning to Faha NS, St Olivers Ballycasheen, Cullina NS, and for the first time Playball Kerry will be offering a camp at Kilcummin NS which has added a fantastic hall to their already excellent facilities!

These camps are open to children aged 4 to 11 years and, as always, activities include sports skills, games, arts & crafts, disco, treasure hunt, bouncy castle and loads more! Inflatable day always proves a big hit with kids and coaches having a ball on a 42ft inflatable obstacle course!

There is a free Playball t-shirt and daily treats for everyone with loads of surprise spot prizes up for grabs! Due to the wide range of activities on offer, sportiness is completely optional so once your child is open to having fun then this is the camp for you!

SOCCER CAMP 4th to 6th CLASS: And if you're looking for something a little more sport specific – in advance of a new Play Sport program that Playball Kerry will launch September 2019,

Playball are rolling out a Soccer camp this July which is aimed specifically at 4th to 6th class children (either outgoing or incoming). There are individual camps for boys and girls and camps will run out of the new Astroturf pitch at Faha NS. **DINKIES CAMPS JUNIOR INFANTS SEPTEMBER 2019:** Also Summer 2019 sees the launch of Playball Dinkies Camps which are exclusively for the Junior Infant class of September 2019. These camps are an ideal way to introduce your child into the primary school environment as well as help them adapt to working within groups of children they may not know.

This is a great chance to build those social skills and may be a good idea for encouraging any little ones that may be a little apprehensive about starting the next chapter of their lives! Nicely timed in the last weeks leading up to back to school, Dinkies camps will help kids to figure out "big school".

Dinkies camps will run out of Faha NS and St Olivers Ballycasheen and will be open to Juniors enrolled in ANY school for this September! Over the 3 years Playball Kerry has been operating, feedback has been amazing! Children across the board love it and parents are impressed with the effect Playball has had on their children's confidence and movement skills. With highly trained and professional coaches, Playball Kerry ticks all the boxes for kids and

parents alike. Children returning year after year to Playball camps is a fantastic reward and a true testament to the service they provide.

All parents know there's nothing like the peace of mind of leaving your children knowing they will be well taken care of and, at Playball Kerry, ensuring the children feel as safe and secure in their care as they do at home is as much of a priority as the activities. As parents themselves, this was always one of the main cornerstones Playball Kerry sought to achieve and it certainly looks like they have done that in spades!

For all Playball, Play Sport and Dinkies camp bookings contact Pa on 087 7943220 and there's loads more details available on Facebook at <https://www.facebook.com/playballkerry/> An open day for all Camp bookings will be held in Fossa Community Centre on Saturday June 1st from 1 – 2.30p.m.

A deposit of €25 per child is required to secure a camp place.

HARD WORK GUARANTEES A NIGHT TO REMEMBER

The 2019 organising committee of the Lily of Killarney is chaired by Marie O'Keeffe, and has been hard at work for the past few months to stage this year's event. Marie said "I would like to thank a great group of hardworking women, who take time out from their busy schedules to make sure the Lily of Killarney gets better every year. The committee would like to thank the Killarney Credit Union as our main sponsor and for their considerable support for the last few years. Many thanks to our media partner, Killarney Outlook. Thanks to the many businesses from Killarney and beyond who put forward and sponsor candidates for the event and to all those who donate in different ways to make the Lily of Killarney the special occasion that it is. A special word of thanks to Spa GAA woman Anne Holland who provides invaluable help with her photography skills. I would also like to mention Carmel O'Leary the 2018 Lily of Killarney who represented Gleeson's Dental Surgery on the night and who has gone on to represent Spa GAA club and Killarney town at numerous events throughout the year. She has been a fantastic holder of the title and we wish her well in the future."

AMAZING FROM BEGINNING TO END....

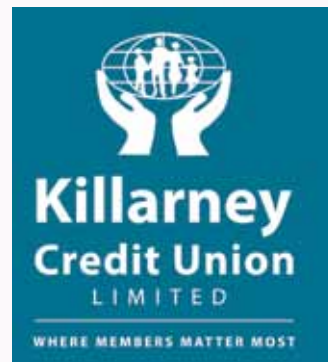

2018 Lily of Killarney Carmel O'Leary looks back on her year..

Since I was honoured as the Lily of Killarney 2018, I have done a collection of things throughout my reign. I attended main events including 4th Of July Parade, Ring Of Kerry Cycle, Ladies Day at the Killarney July and August Races, Killarney-London Reunion, Christmas in Killarney and St. Patrick's Day Parades, and many more. However, I think it was very important for me to have appeared at other events such as

a darts fundraiser for Ian O'Connell Trust Fund and a football blitz in Curran's for St. Francis' Special School Beaufort to name but a few, as it not only promotes the Lily Of Killarney but it showcases the strong community Killarney and Spa GAA has to offer. I had the most amazing year and wore my sash with pride everywhere I went. I have met so many kind and generous people who have made my year more memorable and lifetime friends were made.

KILLARNEY CREDIT UNION SPONSORS LILY OF KILLARNEY

Its that time of year again, when the Lily of Killarney comes around and once again this year, Killarney Credit Union have announced they are to be the main sponsors of the event. Mark Murphy, CEO, Killarney Credit Union said "This is the third consecutive year that Killarney Credit Union has been involved with the Lily of Killarney. As the Lily of Killarney enters its 46th year in 2019, it is a testament to the hard work and dedication of the Ladies Committee of Spa GAA to run this hugely successful event each year. The Lily of Killarney is very much embedded in the community, much like the credit union and we hope that our association will continue long into the future" he concluded. The Lily of Killarney takes place on Friday 24th May in The Gleneagle Hotel. The winner receives the Healy Cronin Perpetual Trophy, cash gift of €500, trip to London, flowers,

electrical products and beauty and hair gifts.

"We would like to congratulate the 2018 winner Carmel O Leary for undertaking a fantastic job in representing the Lily of Killarney during her reign. We look forward to a great night and wish the judges the best of luck in selecting a winner.

Tickets for the event are now on sale from lilyofkillarney2019@gmail.com or by text 087 2468238

CALL FOR UPDATE ON GLENFLESK CROSSING

At the area meeting of Killarney Municipal District Cllr. Maura Healy Rae put forward the following notice of motion asking KCC and the TII what progress has been made to improve and make appropriate the pedestrian crossing at Glenflesk as in its current state it is posing a serious threat to public safety, furthermore she asked that the sign at the crossing be removed immediately, KCC have promised that the speed limit at this location will be reduced to 60kph as part of the recent speed limit review and that this will facilitate the introduction of a pedestrian crossing, Cllr Healy Rae stressed that this work needs to be carried out sooner rather than later, she was promised that the speed limit would be put in place within a few weeks.

Dear Voter,

As an independent public representative for the past 20 years I am offering you, the electorate, an experienced, determined voice for the next term of Kerry County Council, that is free from political party policies which are failing our local area. I have continuously stood up for and been the outspoken voice of many individuals, communities and vital local organisations.

Due to the boundary changes, I need to try make up some of the 650 votes that I have lost. I am asking you to stand by me on voting day and do not assume that someone else will give me their vote – I need you to please give me your NO.1 VOTE to try and be in contention to be re-elected.

The Killarney Electoral area deserves to have the strongest possible voice on Kerry County Council and with your NO.1 VOTE ON MAY 24TH I am committed to being that voice.

Brendan

HEALY-RAE MAURA

INDEPENDENT

Dear Voters,

I have now been on the campaign trail for over 8 months. I want to thank each and every one of you for the warm welcome you have shown me. I'm asking you for the chance to continue to represent you as I have done over the past 3 years since I was co-opted to Kerry County Council following the election of my father, Danny Healy-Rae to Dail Eireann.

The final countdown has begun, and I am asking you to show your support for me by giving me your No.1 vote or your next highest preference when you cast your vote on Friday, 24th May. Please do not be led to believe that there is any such thing as a "safe seat",

because a seat is only safe when you are sitting on it in Kerry County Council and representing the people that elected you.

The most intelligent people in the world, no matter where you will go to find them, cannot dispute the fact that I will not be elected without votes. Furthermore, due to boundary changes, I have lost over half of my area that I've been working in for the past 3 years.

Therefore, it will be an almighty battle for me to hold onto the seat which has been held by members of my family since 1973, including my late grandfather Jackie and my father Danny. Other Candidates are trying to **mislead** people by telling them that I have a safe seat, nothing could be further from the truth, I need your votes to get elected so that I can continue working for you.

I have never been a member of a political party in my life and I value the fact that I am not hamstrung by the shackles of a political party. I will take direction from you alone; the people that I represent. I am extremely proud of this area and if elected I guarantee you that the Killarney Municipal District will have a powerful voice in Kerry County Council.

Yours Sincerely, Maura Healy-Rae

Cllr Niall
Kelleher

Local Election Candidate – Killarney Municipal District

Kelleher's Priorities

 Increased funding for our local and regional roads. The implementation of safety measures at the Upper Lewis Road junction leading on to the bypass road, along with a number of other junctions such as Madam's Hill, Coolcaslagh and Pike Hill.

 Improving parking and traffic management in Killarney by developing extra car parking facilities.

 Injecting new life to important town sites such as the former Pretty Polly-Sara Lee factory and Aras Phadraig.

 I was delighted, during my term as Mayor, to hold a full meeting of Killarney Municipal District Council in my native Rathmore and it is my intention to continue to promote all towns and villages in our catchment in any way that will help the communities in terms of profile and support.

 Coming from a business background, I find it very frustrating to deal with over the top bureaucracy and I plan to tackle that.

 I support measures to introduce social and affordable housing and assistance for first-time buyers.

 As Chairman on the Joint Policing Committee, I work tirelessly to ensure to ensure safer communities, particularly for the elderly and the vulnerable in rural and urban areas, installation of CCTV in Killarney town to assist Gardai is a priority.

 Developing a patient-first approach to our health services.

 Continuing my work with community and sporting organisations to ensure they can reach their goals with proper funding and greater support.

 Promoting and advocating for positive mental health initiatives.

I would like to thank my council colleague, Cllr John Joe Culloty, whom I've served with for the last five years on Killarney Municipal District Council. He has been a great colleague, friend and a dedicated councillor and he will be a real loss to local politics.

Cllr. welcomes new parking machines

Following years of campaigning, Cllr. Brendan Cronin has welcomed the installation of the new parking machines in Killarney.

"I was delighted when I was in town this morning to see the installation of over 30 new modern parking machines in Killarney town taking place", Cllr. Cronin told the Killarney Outlook

Councillor Cronin is campaigning to have the machines replaced for a long time. The machines will take credit cards which is hugely beneficial to both locals and tourists visiting the town.

"I also understand that these machines will provide significant data to the staff in the municipal district which will help in the development of the towns parking strategy", he added.

The previous machines have served the town well, but it is now time for us to move with the times to a more modern machine.

These machines along with the development of Rock Road car park see a significant investment in parking in Killarney town.

Councillor Cronin is now calling for the municipal district to drive on further and develop a tender for online and mobile phone payments.

Cllr. Brendan Cronin

Call for adequate lighting at junction

At the recent Killarney Municipal District Meeting, Councillor Michael Gleeson proposed that Kerry County Council, in conjunction with the National Parks & Wildlife Services (NPWS), would suitably honour the long history in Killarney of the Kerry Cattle Breed and those workers who have over the years cared for them and ensured their survival. He stated that the Kerry Cow was once the dominant Cow in Ireland and was officially recognised as a distinct breed in 1939. They have a well-earned reputation for producing quality milk and for being extremely hardy. The breed is now to be found in Farmleigh, in Killarney National Park and very especially on a farm adjacent to the Park.

Additional ambulance resources needed in Killarney

Fianna Fáil Local Election candidate for Killarney Neily O'Connor is calling for additional vehicles and personnel to be provided to the ambulance service in Killarney.

At the moment there is only one urgent and one transfer ambulance available at the base in the town.

"We urgently need additional ambulances and personnel in Kerry to reduce response times across the county. Lengthy ambulance response times are all too common across Kerry, particularly in more rural areas, and I am greatly concerned that people are being put at risk because ambulances are not arriving with patients within the recommended 19-minute window", said O'Connor.

"This official response time is particularly important in cardiac situations, whereby 8 minutes is the target; but over the past number of years we have seen compliance with that time limit deteriorate."

"Ambulances in Dublin and the commuter counties may be responding within 19 minutes, but there are obvious problems here in Kerry. Missing turnaround targets poses a series of problems – not only does it threaten the recovery of the patient, it also makes it more difficult for the paramedics to respond to other call outs."

"We need to see more resources for our ambulance service – not only more vehicles, but also more personnel, particularly advanced paramedics."

"The Minister must engage directly with officials

from our ambulance services to ensure healthcare workers are listened to and that ambulance services in our county are adequately resourced", concluded O'Connor.

Thank You:

"Thank you for the warm welcome during my canvassing over the past number of months. I've listened to your concerns and the issues affecting our community. Please get behind me, can I ask you to give me your number 1 vote so I can represent you. I've a passion for work and a desire for performance. Put your trust in me, I'll be your voice if elected on 24th May. It's time for change, new face and fresh thinking. Yours respectfully, Neily O'Connor"

LETTER TO THE EDITOR

Election Day May 24th 2019

A vital part of democracy.

A Chara,

On Friday May 24th our country votes in two elections and a Referendum. Every election is an opportunity to reflect on the strengths and challenges facing ourselves as a people. We should respect every elected politician and every person who seeks election. They are a vital part of democracy.

The European election is overshadowed by Brexit. Brexit is a warning to all of Europe not to take democracy for granted. Hopefully the election will strengthen confidence in Ireland concerning the value of our being part of the E.U. Every situation involves positive and negative aspects. Have we the balance right between being part of a Union and at the same time being a true Republic, ruling ourselves?

Regarding the Referendum, whatever the outcome, my conviction is that marriage is essential and fundamental for the common good of society worldwide. It is imperative that all in Irish society continue to work together

to promote marriage and family. The value of marriage as lifelong is what is central to this Referendum.

The local elections deserve serious reflection. Local politicians, councillors, give us genuine local democracy. It is important to realise that not everything is the responsibility of government, whether local or national. So much happens at community level, at the level of 'good neighbours'. In our society there is the voluntary sector and also the myriad individual incidents and situations of ongoing informal care and support in every community. As we think of local needs and issues we realise the importance of the quality of community life in all the different contexts in our County.

Both locally and nationally there is one outstanding issue facing us all. It is much discussed in recent years. Would all councillors in the County unite together to tackle this single issue during the upcoming term of office? The task is to find a way to make basic housing available for all. It is an enormous and vital challenge.

The challenge is to provide homes for all couples starting out in life, - couples for whom it is time

to set up home together, to marry, to start a family! Maybe a couple already have children. What hope of ever acquiring a home of their own have a couple who are struggling with unemployment or who are on the minimum wage?

It is a human right and it is key to human happiness to settle with a life partner and if possible to have a family. Acquiring your own home is vital for this. In past decades the 'Council House' fulfilled the dream of many couples. As well as the needs of all young couples this applies to all situations where adults find themselves homeless. Could all councillors unite together on this one single issue?

This election campaign takes place in the season of Easter, the season of Christ Risen from the dead and ever present in our world. May the values of the Risen Christ, the values of love and service, of compassion and forgiveness, be the values underpinning how we all share our lives locally and nationally. God bless all our politicians both national and local. God bless our country.

Bishop Ray Browne - Diocese of Kerry

Heart Centered Meditation

I just wanted to share with you a very powerful and beautiful meditation that always helps me to feel at ease and peaceful. Whenever you find yourself feeling stressed, try noticing where you feel this in your body. Place your hand over the area gently and breathe deeply, in through your nose and out through your mouth. Make the exhalation longer than the inhalation. If you can, close your eyes and turn your attention inwards. Gently speak to the part of your body that feels tight or sore or just in stress. Say the following words out loud (if you can).

"I'm so sorry that you hurt, I'm so sorry that you feel stressed.

I'm here now and I've got you. It's okay to feel what you feel.

You don't have to change. I'm here now and I'm not going anywhere.

Thank you for letting me know you feel. You're safe now and all is well."

Send love to this part of your body and continue to breathe deeply and fully until you feel your body and your emotions releasing. Use this active meditation whenever you feel out of sorts or upset to help bring you into a place of inner peace and calm. Hope you enjoy it.

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

TIPS ON BUYING YOURSELF MORE TIME: PART 4

4- Hire a cleaner- (I personally love cleaning but this tip may help someone that doesn't like it to buy some extra "time" to do the stuff they do love) this could save u an extra 4 hours per week to fit in workouts or healthy food prep & save you a fortune on personal trainers and nutritionist.

5- stop spending 1-3 hours every night eating crap and watching mindless shows on TV use just 30mins of this time to Exercise and another 30 to spend prepping your meals the next day and hit the sack early to catch a few extra zzzzz and you may be shocked at how much time and energy you have bought yourself for the following day

6- Instead of spending time at night moaning on Facebook or Instagram again get up and get moving and do something that will Buy you time eg. Get all the laundry done so your weekend is free to go for a nice long Hike with some friends.

7- I know we all live meeting a friend for a cup of tea and a moan, but if your caught for time and need to Buy some more for exercise then this is a good one to change. Instead why not ask your mate to join an exercise class with you so ye are spending time together but both of you will feel much better after this session than a cup of tea, scone and moan!!!! Excuse the pun.

The list could go on and on..... but hopefully I have inspired you to start some weekly time management and you too can "Buy" yourself that all important currency of "time"

SUMMER EYES...

As the weather gets warmer and the days grow longer, we often think about improving our health and getting into better shape. As you prepare to enjoy the outdoors this summer, don't forget a plan for keeping your eyes happy as well.

Avoid getting "sunburn of the eye."

When sunlight shines off water, sand or other highly reflective surfaces into your eyes, it can cause a very painful condition called photokeratitis. This is when the sun's ultraviolet rays burn the surface of your eye. Pain, redness, blurriness and even temporary vision loss are symptoms of this condition. Prevent photokeratitis by wearing sunglasses that are marked "100% UV protection." Also, wear a broad-brimmed hat for added eye protection.

Prevent "swimmer's eye" in the pool

Pools can be tough on the eyes. Chemicals used to keep the water clean, such as chlorine, can affect the natural tear film that keeps our eyes moist and healthy. The result can be Red, gritty-feeling eyes and blurry vision. Keep eyes feeling and looking good by wearing swim goggles in the pool, and splash your closed eyes with fresh water immediately after getting out of the pool.

Keep dry eye at bay

Spending time outside when it is hot, dry or windy can irritate a common condition called dry eye. A hot, dry environment affects the tear film, drying out the eye's surface. To protect your eyes in these conditions, wear wrap-around glasses to keep wind from your eye's surface. Also, use artificial tears (preferably those that are preservative-free) to keep eyes moist and refreshed.

Don't play around with eye safety

Spending more time outside often means more outdoor work and play. Whether mowing the lawn, trimming weeds or playing baseball, always wear the proper protective eyewear. More than half of all eye injuries occur at home, yet only about one out of every three people wears eye protection when they should. Don't be an eye injury statistic!

Quit smoking

When thinking about getting healthy this summer, think about quitting smoking. Cigarette smoke, including second-hand smoke, not only worsens dry eye, but is a risk factor for many eye diseases, including cataracts, macular degeneration and more. Quitting smoking reduces your risk of getting eye disease and other major health problems.

GLENFESK

COUNTY LEAGUE RD.3

Glenfesk 2-08 Brosna 1-15 Glenfesk's trip to the border of Kerry Cork and Limerick ended in disappointment as a second half comeback from Brosna gave them the two points on Sunday afternoon. On a perfect day for football, with the half-moon clearly visible in the cloud free skies, the game started with both teams swapping points from frees. The first score from play was a memorable one as Chris O Donoghues left foot shot from out the field flew over after a great tackle from late replacement Denis O Connor and some nice build up play. They added quickly to this score as wing back Cian Horan slotted a point after a beautiful pass from Michael O Shea. This gave them a three points to two lead after a cagey opening. There was a blow to Glenfesk's hopes soon after as Ian Roche suffered an injury which meant he could not continue.

Fybough NS First Holy Communion class who received their First Holy Communion in Keel church on Saturday, 11th May. Left to Right Front Row Thomas Joy, Oisín O Connor Left to Right Back Row Fr Luke Roche, Catherine Ní Mhuircheartaigh, Principal and Teacher.

Gavin Kelly was brought on as replacement and had an immediate effect as he scored the first goal of the game. After an interchange of hand passes by Kieran Murphy and Brian O Donoghue Kelly was lurking at the edge of the square to palm the ball to the back of the net. The goal gave a spurt of enthusiasm to Glenflesk and they added another one soon after. It started with a pinpoint kick out from Marc Kelleher. The ball was then worked down the field and after some more good work from Brian O Donoghue, Jeff O Donoghue soloed in untouched before coolly slotting a right footed shot to the corner of the net past the despairing dive of the Brosna Goalie. Captain O Donoghue added a beautiful score with the right foot just before half time to give Glenflesk a two five to four points lead at half time. Glenflesk had been playing with a stiff breeze in the first half and now had to come out and play against it.

Brosna, in their Armagh like orange jerseys, set out fast to pull back the lead. They scored within seconds of the throw in with the dangerous Tom Mcgoldrick lethal right foot getting the point.

He was at it again soon after, intercepting a misplaced pass before firing an audacious lob over the unlucky Marc Kelleher. Brosna were in dominating mood at this stage and used to wind to kick long range points from Mcgoldrick, midfielder Dave Curtin and wing forward Adam Barry. They held the lead at this point by two five to one ten. Glenflesk's first score of the second half eventually arrived from a free from Jeff O Donoghue. They were getting more ball in their hands at this point but struggled to break free of Brosna's mass defence.

There was as many as twenty six players in the Brosna half at this point!!! Kelly scored a nice left foot point and then O Shea found room in the melee to bring the gap down to three points.

The metronomic Mcgoldrick would have the last word though firing over a free from out near the sideline to seal victory for the Tangerines. Glenflesk's efforts then fell short against tough opposition.

There were some promising performances though and their tackling by both forwards and backs in the first half was very impressive. They will be hopeful they can get back to winning ways against Annascaul in the next round. Jeff O Donoghue 1-03 Gavin Kelly 1-01 Cian Horan Michael O Shea Brian O Donoghue 0-1

KERRY PITCH & PUTT CLUB NEWS

Last Saturday saw the PPUI make the draws for both the Provincial and National Matchplay Championship Finals with plenty of Kerry interest in both. In the National firstly, former winner and second seed for the tournament Damien Fleming of Deerpark will face a tough opener in Rocklodge on the June Bank Holiday Weekend as a fellow Irish Open winner in Eamon Gibney of Castletown, Co Meath will be his First Round opponent. Tralee's Tony Blake will tee off in the very first match on the weekend itself as he faces defending champion Bryan Delaney of Cork.

Jason O'Regan will tee-off in the third match on the day facing Stephen O'Reilly from Hillview as Listowel's Kevin McCarron is in the bottom half of the draw taking on Portmarnock's Sean Cadogan. Tralee's Lisa O'Connor will once again face Collins' Sarah O'Neill in her opening match in the Ladies Nett event with the winner to take on defending champion Elaine Quinn from Tipperary in the First Round proper. Turning to next weekend's Munster Matchplay in Larkspur Park in Cashel, Tralee's Jason Cregan will play Cork's Daithi Sexton in the First Round of the Senior Mens as in the Intermediate Deerpark's Adam Kelly will play Parteen's Che Maher while Tralee's Aidan O'Sullivan will play Martin O'Connor.

In the Junior Draw Listowel's John Carey will play Tipperary Hills' Daniel Ryan, Deerpark's Noel Moynihan

will play another Tipp Hills player in Michael O'Donoghue while David Hobbart will play Darren O'Donnell. Conor Leahy from Listowel meanwhile will play Greg Lynch in his First Round encounter. Lisa O'Connor is also in the Intermediate Ladies event in Munster where she will play Tipperary's Margaret Courtney in the First Round. Best wishes to all Kerry competitors next weekend in Larkspur

Speaking of Larkspur Park, last Friday the Munster Secondary Schools event took place there where two teams from St Brendans College advanced to this Friday's Finals in McDonagh Co Kildare. The team of Lorcan Martin, Adam Kelly and Cillian Courtney missed out by a stroke on claiming a prize as their team total of one under par saw them finish fourth overall with the team of Darragh O'Callaghan, Padraic Looney and Erin Moloney finishing eighth overall.

The other 'Sem' team of Robbie Harnett, Eoin O'Riordan Looney and Fintan Martin just missed on joining them in Kildare next week finishing 10th overall with the Top 9 from Munster going through to the National Finals.

We wish the two St Brendans teams the best of luck in the National Finals this Friday.

60 teams compete in Paudie O'Connor Memorial Golf Classic

By Eamonn Keogh

A golf classic in memory of former basketball legend and Mayor of Killarney Paudie O'Connor took place on the Killeen course at Killarney Golf and Fishing Club last Thursday and Friday. Close

on 60 teams competed in the event with the local Tatler Jack team emerging as overall winners.

At the prize giving function in The McSweeney Arms Hotel on Friday night, Paudie's brother Seamie O'Connor and daughter Morgan O'Connor Mauro presented the winning prizes. Seamie O'Connor thanked his fellow committee members, sponsors and the O'Connor family for all coming together to stage a very successful golf classic to honour Paudie's memory. He also praised the facilities at Killarney Golf Club, where he has been a member since 1974 and said he never saw the Killeen course never looking so well. Proceeds from the golf classic will go towards Scotts Lakers St Paul's national league campaign and the Killarney Cardiac response unit. The winning Tatler Jack team of Joey Sheehan, Richard Ferris, Con Healy and Pat O'Shea received a first prize of a round of golf at the famed Old Head Golf Links, Kinsale.

In his acceptance speech, Joey Sheehan captain of the winning team said he was humbled and delighted to win and acknowledged the presence of the O'Connor family and thanked Seamie for organising the classic.

Joey recalled his own fond memories of the late Paudie and said his first introduction to the great man was back in 1972 when he was a student in the Presentation Monastery. Paudie was already an established Irish international basketballer back then and coached the local young players in the Mon and the Sem. Joey also mentioned Paudie's prominent role in

introducing the American players to the Irish league in 1979. As his own basketball career gradually progressed, Joey said it was an honour to play alongside the likes of Paudie and his brother Mike and Tim Regan.

"We played, trained and travelled together all over Ireland and the UK. It was an education for many of us as Paudie and the senior players were role models and our heroes," he said.

Joey also recalled four other men who were also associated with the glory days of Killarney basketball and who have also sadly passed on to their eternal reward. Team sponsor Maurice O'Donoghue (Gleneagle Hotel) and Sean Coleman both died in 2001 while Donal O'Doherty and Denis Coffey passed away in 2011.

Paudie O'Connor passed away on May 1st 2018 at his home in Las Vegas at the age of 66. He is still ranked as the greatest Irish basketball player of all time and represented Ireland over 100 times. A former Irish captain, he was the first

and only Irish player ever to be selected on a European All Star first five in 1977. His visionary skills and ambition brought Irish basketball to a new level in 1979 when he brought the first American professional players to the Irish league. He was also a driving force of the popular John Player and Pretty Polly Ladies Basketball Championships that used to attract over 120 teams from all over Ireland to Killarney every Easter in the 1970s and 80s.

The golf classic was one of three different events over the past week remembering Paudie O'Connor. Killarney Municipal District Council and Mayor John Sheahan dedicated a roundabout to Paudie's memory at the junction linking Lewis Road and St Anne's Road in Killarney on Monday. Paudie was posthumously inducted into the Basketball Ireland Hall of Fame at a special ceremony in Croke Park on Saturday. The award was accepted by Paudie's daughter, Morgan, and his brother Seamie.

UNDER 21'S

Dr Crokes 1-20 Rathmore 0-12 Lorcan McMonagle, Billy Courtney, Jack Griffin and Mark O'Shea showed their senior credentials throughout in a game where we were 8 up at halftime. Mark Fitzgerald played a captain's role at centre back, where everyone on the panel played a big role snuffing out Rathmore when they launched a comeback at the start of the 2nd half. Team Adam Kelly, Brendan Coppinger, Lorcan McMonagle, Mark Cooper, Fionn Doherty, Mark Fitzgerald, Sean O'Neill, Billy Courtney, Michael Lenihan, Donie O'Sullivan, Jack Griffin, James Kelly, Roan Delaney, Mark O'Shea, Josh Fleming Subs: Harry Potts, Oisín O'Connor, Sean Courtney, Evan Kiely, Jack O'Connor, Shane O'Connor and Gary O'Connor

UNDER 14 FOOTBALL

The Crokes U14 boys had a busy few days, with two County League games in three days. On Monday, they made the trip North Kerry to take on Listowel Emmet's. The home side started the brighter and led at half time. The second half was full of end-to-end action with Crokes reducing the deficit to just two points at one stage before losing out 5-11 to 5-6 in the end. On Wednesday, Crokes defeated local rivals Spa in the final round of the group stage on a scoreline of 5-21 to 1-10 and booked a place in the semi-final.

SENIOR COUNTY LEAGUE DIV 3 - RD 3:

Furies made the journey to Keel on Sunday for Round 3 of the County League. This was a great game of football in the beautiful sun shine and credit must go to both sets of players for providing a very entertaining game in front of a great crowd. The strong breeze was to play a major part in the game. Furies played with the advantage of the wind in the first half and got off to a great start with a goal from Darragh Donohue within the first few minutes after a ball passed across the square by William Courtney. Furies followed this up with a pointed free from Donnacha O'Sullivan but Keel replied with a pointed free of their own. As the half progressed, Donnacha scored a further 3 points, 2 coming from frees before keel replied with two of their own. The score now stood at 1-04 to 0-03 in favour of Furies. Furies scored a further 2 points from play from Jake Flynn and Mike Daly and Keel replied with another free to leave the half time score Furies

1-06 to Keel 0-04. Just before the short whistle Furies missed a great goal scoring opportunity. It was a real game of two halves as Keel used the breeze to their advantage in the 2nd half. Furies only managed 4 points in the second half and this was just about enough to earn the draw at the final whistle. The Furies scores in the second half were 2 frees from Donnacha, a point from play from Diarmuid O'Mahony and Mike Daly who scored a point from a free with the last kick of the game to earn the draw. The Keel goal scorer in the second half was Aaron Murphy. Final Score: Furies 1-10 Keel 1-10. This result now leaves Furies second in the division and up next is a home game against Currow on Sunday 26th.

BEAUFORT V KILGARVAN, COUNTY LEAGUE DIV 5

An outstanding display from Donal O'Sullivan helped Kilgarvan to a comfortable win over Beaufort in Division 5 of the county league. Beaufort were playing with the aid of a strong breeze in the first half and two early Paudie Coffey points gave them the lead after 10 minutes. Daniel Casey then replied with two good points from play for Kilgarvan to leave the scores level after 15 minutes. Three points from Donal O'Sullivan gave Kilgarvan the lead. Beaufort replied to these with points from Padraig Hallissey, Cian O'Sullivan and Paudie Coffey, but a goal from Donal O'Sullivan left the scoreline 1-6 to 0-5 in favour of Kilgarvan at half time. Three early second half points from Donal O'Sullivan saw Kilgarvan stretch their lead. Padraig Hallissey then kicked Beaufort's only score of the second half in the 15th minute. Despite the best efforts of Patrick O'Sullivan and Cormac Joy, who worked very hard for Beaufort, Kilgarvan dominated the final quarter, with 1-2 from Donal O'Sullivan and a point from Sean Shorthall, to run out convincing winners on a scoreline of 2-12 to 0-6.

Beaufort: Jason Foley, Cormac Joy, Patrick Sullivan, Declan Floyd, Padraig O'Sullivan, Liam Curran, Ian McGillicuddy, Padraig Hallissey, Sean Foley, Jack Sweeney, Oisín O'Connor, Micheal O'Sullivan, Danny Healy, Cian O'Sullivan, Paudie Coffey.

LEGION NOTES GAA

Fixtures:

County League Div 1 U-16 Final

Wednesday May 22nd

Killarney Legion v Dr. Crokes (Time & Venue to

be confirmed)

County League Div 1 Rd 3

Killarney Legion 3-23pts

St. Mary's 0-06pts

Legion returned to action with a home game against St. Mary's Cahirciveen in a sun drenched Direen on Saturday evening. This game was a good indicator of the depth of the Legion panel such was their dominance over the opposition in many positions all over the field. Shaun Keane made a welcome return at midfield after a year out injured providing much of the drive for our forwards to take the game to St. Mary's. With the Legion backs and midfield on top our forwards worked hard and continued to punish St. Mary's backs to lead by 1:12 to 0:04 by the half time whistle, the goal coming from a well worked move and Padraig Lucy crashing the ball to the net.

The second half saw Legion push on with nine different players registering scores over the hour. Brian Kelly, in goal, marshalled his backs well to restrict the St. Mary's attack to eight points to see Legion run out easy winners with a final score line: Killarney Legion 3:22 St. Mary's 0:08

Killarney Legion Team:

Brian Kelly, Cian Gammel (1:01), Danny Sheahan, Podge O' Connor (0:01), Darragh O' Docherty, Damien O' Sullivan, Rob Leen, Padraig Lucey (C) (1:0), Shaun Keane, Jamie O' Sullivan, Kieran Slattery (0:02), Kevin Breen (0:01), Thomas Moriarty (0:03), Finbarr Murphy (0:03,2f), Conor Keane (1:07,3f): Subs: Cathal Sheahan (0:01) for Damien O' Sullivan, Darragh Lyne (0:01) for Kevin Breen, Peter McCarthy (0:01) for Thomas Moriarty, Aiden Slattery for Conor Keane and Sean McCarthy for Danny Sheahan

County League Div 5

Killarney Legion

Austin Stacks

Division 5 Group B

Killarney played at home to a much fancied Austin Stacks team in ideal conditions and deservedly came away with a well earned result. It took both sides a while to settle into the game but when they did they provided a very entertaining competition to those supporters in attendance. There was really little to separate the two sides and Legion did well to go in at half time with a two point lead with the help of a slight wind.

Half-time score Legion 1:07 Austin Stacks 1:05.

The second saw much of the same with Legion maintaining their lead throughout the second half. Stacks put it up to the hosts and always looked a threat. Legion, however, were always able to keep them at arms length and were probably the better finishers on the night which helped them to increase the winning as the game came to a close.

Final Score: Legion 1:16 Austin Stacks 1:11

Killarney Legion Team: Colm O' Cuiv, Jack Enright, Sean McCarthy, Cathal Sheahan, Jack Hanrahan, Alan Moriarty, Ciaran Lyne, Shaun Keane, Donal Lyne, Peter McCarthy, Aiden Slattery, Micheal Devlin, Bryan Griffin, Kevin Breen, Thomas Moriarty. Subs: Mike O' Sullivan, Donal Lucy, Colm Bowler, Noel Moynihan, Conor Culloty

U-12 County League Div 4 (Rd 3)

Beaufort 1-08

Killarney Legion 5-15

Another impressive display by our u12 girls saw them take the spoils away to Beaufort. Having lost to Beaufort earlier in the year in the preliminary rounds our girls set out their stall early on taking a 1-3 to no score early lead. Dominant displays by our midfield pairing Backed up by outstanding performances from our half back line ensured the foundation for our attacks. A few positional changes in the forward line this week proved to have the desired effect with a good supply of ball being provided and being converted on the scoreboard. Half time saw our girls with a commanding lead. Half time allowed us the opportunity to make some changes in personnel. To their credit Beaufort battled on and kicked some fine scores in the second half. All our panel saw game time for the third game in succession with everyone giving their all. Another strong display by this group of girls who are improving week on week.

CREDIT UNION COUNTY SENIOR FOOTBALL LEAGUE DIVISION 3, ROUND 3

Full Time Score :Lispole 3-9 ,Milltown/Castlemaine 6-12 . Repost courtesy of Daa O' Connor.

A convincing twelve point win in West Kerry on Saturday evening last, following a clash with Lispole who we outscored by six points in either half.

As the score line suggests, it was a goal bonanza on a beautiful evening for football with both sides lining out without a number of regulars such as Jerome Flynn, Jono O'Connor, Gavin McKenna, David Roche, Brendan Delaney & Paul Carroll amongst a number of others for the away side so it was an opportunity for others to step up to the plate and they did so impressively in stages.

Gavin Horan top scored for us on the evening with a very large tally of 3-2 spread evenly throughout the contest. The other goals came from Cathal Moriarty, Jonathan O'Sullivan & Dylan O'Neil respectively.

We led 2-8 to 1-5 at the half time break after an evenly enough contested first half where there was only three points separating both teams before Horan's goal on the brink of the break opened a gap which never really looked like being reeled in despite a mini revival by a Lispole side who never gave in and who are unfortunately missing a host of players due to the summer exodus so they deserve credit for keeping going all through when it would have been easy to drop the heads.

Well done to Minor player Dylan O'Neil who also stepped into the starting side tonight and wasn't a bit overawed notching a personal tally

Co. League Rd.3 Shane Courtney ,Glenflesk, finding space to burst through in Brosna last Sunday. PHOTO: SEAMUS HEALY.

of 1-2 showing the talent he possesses. Cathal Moriarty was high in the scoring stakes with 1-4 and Jonathan O'Sullivan added 1-2. Other notable contributors were Kieran O'Carroll and Donal Kelleher who bagged 0-1 each from wing back and full forward.

This win moves us up the table onto 3 points from 3 games with 1 win, 1 draw and 1 defeat so far so all in all a good evenings work which saw a lot of players get game time over the 60+ minutes.

Well done to the management team & all the squad on an important victory. Sincere thanks to our senior board sponsors-Kellys Londis Topshop and Larkins Bar and Restaurant.

SENIOR B TEAM:

Huge congratulations to our Senior B team on their comprehensive victory over Dr. Crokes on Sunday last. Final score was MC:5/09, Dr. Crokes: 10 points.

They say goals win games and so it was with Dylan O' Neill who was top score with 3/03 and he was ably assisted by Derek Twiss and Alan Hickey who each raised the green flag. Jonathan O'Sullivan kept a clean sheet for MC , pulling off a few fine saves. It is very encouraging to see 25 players in total toggled out on a sunny day in Killarney and contributing to the first win for this Division 5 A side.

Sincere thanks to all the management team and the players for their commitment and enthusiasm.

Kerry Under 14's:

It was a great weekend for the Kerry girls and

in particular for Laura Corbett, Ellie Mai Nugent and Aileen O' Brien from Milltown Listry who were part of the team that defeated Tyrone, Louth and Wexford last weekend to reach the All Ireland semi-finals. Well done to you all. A fantastic achievement to represent your club and county.

KERRY SENIOR LADIES:

Hard luck to the senior ladies who were defeated by Waterford in the 1st round of the Championship on Saturday last in Ennis. They will now face Cork, who were recently crowned Division 1 National League winners, on the June Bank Holiday. Best wishes to Ciara and Emma from our own club here in Milltown Listry who are part of the panel.

REPORTS

League of Ireland home and away to Limerick:
The Kerry 15's rescued a point late on in their clash with Limerick at Mounthawk Park Cieran Cooney got the goal in 75th minute after being set up by Sean O'Connell. It cancelled out the Charlie Morrison strike for the visitors in the first half. This draw for Kerry coupled with Galway's 2-0 win in Cork has certainly tightened things up at the top of the table. Cork lead on 15 points with Kerry and Galway tied on 13 points and all three sides have played 7 of the 10 group games. Kerry go to Cork City this Saturday with the game in Mayfield a huge one now.

The Kerry u13's were defeated 4-0 by Limerick in Rathkeale. Kerry were well in the game after the first half hour but then they conceded two in quick succession from replica corners. The home side got the ideal start to the second half when they went 3-0 up from the penalty spot and they wrapped up the scoring late on. The Kerry 13's will be at home to Cork City this Saturday.

Athletic and Dynamos to contest 12's Cup final:
The John Murphy 12's Cup will end up either in Killarney or Tralee this season with Athletic taking on Dynamos in the decider.

Killarney Athletic were 4-1 away winners over Iveragh United. The Woodlawn sides goals came from Brian O'Shea and a Luke Doolan hat-trick. Tralee Dynamos booked their place in the decider thanks to a 2-0 win at home to Listowel Celtic with their goals coming from Andy Rogers and Nick Lacey.

Semi-final sides sorted for 12's Shield
Camp Juniors and Castleisland qualified this week for the semi- final of the JK Sports 12's Shield. Castleisland were a little too strong for Killorglin B. Jack Joy, David Healy, Killian Dennehy and Kyle Buckley were on the mark for Castleisland. The Camp Juniors win was closer as they got past the Park B 2-0. Dean Goodwin and Darragh Murphy were on the mark for Camp. Castleisland will be at home in that semi-final clash.

ATHLETIC THROUGH TO THE 12'S SHIELD FINAL:

Fenit met Athletic with the prize of a place in the final of the John Murphy 12's Shield up for grabs. And it was the Killarney side that progressed thanks to goals from Cillian Coffey and Szymon Jasinski with Kian McKenna replying for Fenit. Inter and Killarney Celtic Green into Girls 12's Cup semi-finals:
With Camp Juniors already through Inter Kenmare joined them in the 12's Girls Cup semi-finals. Goals for Helena O'Donoghue and Anna Cornide saw

Inter through with Jessica Leggate replying for Celtic Green.

Killarney Celtic White are also through as they got the better of debutants LB Rovers. It is great to see LB Rovers entering a girls team and hopefully they will enter the League proper next season. Players like Roisin Fogarty, Kate Horgan, Sadie Ryan, Ruby Browne, Erica McSherry, Maire Keane Tyrrell and Jodie O'Keeffe all did well for LB Rovers.

However goals from Naoise O'Donoghue, Aine Finnan, Aine Fitzgerald, Casey Mulry and Eve Culhane saw Celtic progress.

IVERAGH UNITED GIRLS PROGRESS IN SHIELD

In the 12's Girls Shield goals from Katie Foster, Vilte Paulauskiene, Keelin O'Shea, Oral Barrett, Katie O'Connell and Amie Kelly saw Iveragh United progress in the 12's Shield. And it is great to see Iveragh United giving girls in South Kerry the chance to play soccer and hopefully they will join the League next season.

On this occasion Iveragh got the better Of Killarney Athletic with Eimir Kearney, Lucia Valas and Keela O'Connor on the mark for Athletic as they went down 6-4.

Killorglin join Athletic 13's Cup final:

Killorglin are the first team into the John Joe Naughton 13's Cup final. They were the winners of a very tough semi-final defeating Castleisland 2-0. The goals for the winners came from Andrew Owens and Jack McGrath with David Healy replying for Castleisland. In that final they will take on Killarney Athletic.

MASTERGEEHA INTO 13 SHIELD FINAL

Mastergeeha are the first team into the John Joe Naughton 13 Shield final after the defeated Ballyhar 3-1. Two goals from Jack Tangney and one from Emmett Spillane saw them through with Daithi O'Shea getting the Ballyhar goal from the penalty spot.

Mastergeeha will face the winner of the all Dingle clash of the Rovers A's and B's.

Killorglin also into 14's Cup final:

It is turning into a good month for Killorglin as they will also contest the Tom Hayse 14's Cup final where they will face either Inter Kenmare or Iveragh United. Killorglin booked their place in the final after a late late win over Listowel Celtic in a seven goal thriller.

Jack Joy from 25 yards, John Burke from a free kick and Jessie O'Reilly scored for Killorglin while the unlucky Evan Boyle got all three goals but it wasn't enough to take the game to extra time. That was because John Touhy was the Killorglin hero with his last minute winner.

KILLARNEY CELTIC JOINS INTER KENMARE IN 14'S GIRLS FINAL

Killarney won the battle of the Celtic's in the 14's Cup semi-final. They defeated their Listowel namesakes 7-2. Killarney Celtic did most of the damage in the first half leading 5-2 at the break. MASTERGEEHA AWAY IN LISTOWEL IN 15 SHIELD SEMI

Mastergeeha will travel to Listowel Celtic where the winner will go on to face LB Rovers in the Healy Family 15 Shield final.

Ballyhar and Camp Juniors set for 16's Cup final:

Peter Cosgrave had a night to remember as he hit 4 of his sides 5 goals in their win over Park. Harry Byrne got the other Ballyhar goal.

Camp Juniors will be their opposition as they were too strong on the night for a depleted Killarney Athletic side. Cian Wright 3, Caolan O'Connell, Cian Cronin, John O'Connor and Maurice O'Connell were on the mark for Camp.

The game finished 8-0 to the Celtic girls. A big thanks to David Tyrrell and his team for the great game and the fantastic welcome we received. As always a big following from our parents helps to cheer on our girls so thanks again.

KILLARNEY ATHLETIC A.F.C. NOTES

RESULTS

Under 12 Premier

Killarney Athletic 2 Inter Kenmare 1

Our young blues finished their League Campaign in Woodlawn against Kenmare who only needed a point to win the League. With our Cup semi-final only 48 hours away, you would be forgiven to think that our boys would not be fully focused on this league game where we can't win the title. Not the case at all. We needed a tough game and did we get one! There was nothing between the teams in the first half with both teams cancelling each other out, both teams had half chances but we went into the break 0-0. The second half was a different affair, Kenmare started the brighter and got a fortunate goal when a cross was deflected off our defender into the empty net. This seemed to spur our boys into action and started to dictate proceedings but Kenmare always looked dangerous in attack. With only 10 minutes remaining Ronan Bennett put Liam Hennigan through on goal where he lifted the ball past the on rushing keeper. Very soon after and with only minutes remaining Luke Doolan let a rasper fly only for the Kenmare Keeper to make a fantastic save but could only push the shot to the on coming Liam Hennigan to score the winner. Kenmare had a great chance at the death to clinch the equaliser and the title only for Goalkeeper Caolan Mitchell to make a great one on one save to deny the Kenmare Striker. We thank Kenmare for another very tough entertaining game and wish them luck going

forward. Our boys showed great character coming from 1-0 down, it will stand to them in the cup Semi Final. All 14 players played their little blue hearts out, special mention to Evan Doona and Killian Coffey who are under 11 players and showed that the step up did not phase them whatsoever.

UNDER 12 SHIELD CUP SEMI-FINAL FENIT 1 KILLARNEY ATHLETIC 2

Another fantastic performance by our young blues who played away to Fenit in the Under 12 Shield Cup semi-final. This young squad showed some unbelievable determination and character together with good quality play and individual skills to come back home with 2-1 win which booked ourselves in to the Shield final. Thanks to Fenit for a very challenging game played in good spirit and to all the parents for their continued support. Goals for Killarney Athletic Cillian Coffey & Szymon Jasiński. Congratulations to players and Management roll on the Final

UNDER 12 CUP SEMI-FINAL IVERAGH UNITED 1 KILLARNEY ATHLETIC 4

Our young blues made our way south to Caherciveen to contest a place in the Cup Final. With Iveragh taking a Premier team scalp already in the previous round, they were in the semi-final on merit. We knew we would be in for a tough game! The first half started with both teams battling for every ball, nothing would give until a minute to half time when Brian O'Shea released Luke Doolan who found himself one on one with the keeper and broke the deadlock with a typical composed finish. 0-1 at half time. Second half saw Iveragh starting the brighter but our defence held firm through the leadership of Oran Horgan, Nathan Cronin and

Fionn Daly. As the game wore on, we started to find our rhythm. Brian O'Shea who was provider for the first goal found himself free inside the box and slotted home our second goal. We were playing with confidence now and Brian O'Shea again assisted Luke Doolan who again found himself one on one with the Keeper and made no mistake to put us 3 up. Putting us under pressure, to Iveragh's credit they kept playing and got a deserved goal to make it 3-1. Close to full time Luke Doolan completed his hat-trick to send us into the final where we will face Tralee Dynamos. This is sure to be cracking game! We would like to thank Iveragh for a very good, tough sporting game, best of luck in the future. Thanks to the parents again for their continued support, and thanks to the players who deserve great credit to get to the final. Goal scorers Luke Doolan 3 Brian O'Shea 1

Congratulations to the Kerry Minors and Management

Last week, the Kerry Minors travelled to Pairc Ui Rinn to play Cork in Phase 2 Round 1 of the Electric Ireland Munster Minor Championship and they gave a great account of themselves particularly in the second half. The game finished Kerry 3-19 to Cork's 1-9. Tonight (Wednesday) Clare will play Cork in Ennis, a game that will be refereed by Kerry's Brendan Griffin. On May 23rd Kerry will host Clare in the Electric Ireland Munster Minor Championship. We wish them well in their preparations for the next round. The Munster Senior Football Championship began last Saturday evening. Clare overcame Waterford by the narrowest of margins 0-9 to 0-8. This earned Clare a semi-final meeting with Kerry on June 1st. Perhaps somewhat unexpectedly, Limerick overcame Tipperary 3-11 to 1-10 in the other quarter final. This result means Limerick will play Cork in the semi-final. Peter

Keane is in the midst of Munster Championship preparations at the moment as it is just over two weeks to our opening Championship game!

Credit Union County League

East Region U16 League division 4 football final

Firies claim Division 4 Final title

Firies 4.15 v Currow 2.07

Firies won this division four East region U16 final by double scores but by the end of the third quarter there was only two points between the teams. They eventually got four goals in the second half to overpower their neighbours Currow.

Currow had the better of the exchanges in the opening quarter David Moriarty got an early point and then hit the cross bar when a goal might have resulted. Freddy Galwey did get the goal on the sixteenth minute when he won the race to the ball with the Firies goalkeeper Brian McCarthy after a superb through ball from John Ahern. Firies had two points at this stage and seven without reply. Cian Doe wearing the number sixteen jersey was the chief scorer with four points in the first half. The half time score saw Firies ahead by two points 0.09 to 1.02 In the second half Currow were first to strike on

the sixth minute with a goal from centre back Darragh Kelly. Firies then began to take control of the game and got their first goal through John Power in the tenth minute. Evan Ryan got the second goal in the twenty-first minute. Cian Doe continued were he left off scoring one goal and three points in the second half. Currow kept the scoreboard ticking over with three frees from midfielder Jack Moriarty. Firies got their last goal in injury time through Colm O'Shea and by that time they were out of sight 4.15 to 2.07 at the finish.

Best for Currow were John Curtin, Darragh Kelly, David Moriarty, John Allen and Freddy Galwey. Best for Firies were Tomás Clifford, Peter Cosgrave, Hugh Walsh and top scorer Cian Doe.

At the end of the game the trophy was presented to the captain Tomás Clifford by

Christy O'Leary, who represented the board.

Keel/Listry U16 team in the East Kerry Final V Fossa last Monday evening in Beaufort

Fossa seal the deal in Division 3 final

Keel Listry 2-10 v Fossa 4-11

In glorious sunshine it was Listry Keel who made an explosive start, with James O Dowd netting inside the first minute. Four successive points saw them lead 1-4 to 0-0 inside ten minutes including two pointed frees from impressive centre forward Aaron O Shea. Fossa duely responded With Harry Kelly notching 1-2 in this period as well as a point from Jack Clifford.

Both goalkeepers were then called into action, each making fine saves.

Listry Keel then struck for a second goal from Daire Murphy assisted by Aaron O Shea.

Fossa closed out the half with three Harry Kelly points and one from Cian Doyle.

Leaving the halftime score level 1-8 to 2-5..

Listry Keel again started the better with

three Aaron O Shea points, it was then Fossa goalkeeper Keelin O'Brien was called into action making a stunning double save to deny Listry Keel goals. This seemed to inspire his teammates who hit a purple patch in front of goal. Harry Kelly adding two points and Darren Cronin one. Two further goals were added as Captain Jack Clifford goaled before Darran Ryan crashed a third goal to the net after a fine team move. A brave Listry Keel then added two points to narrow the gap to four going into injury time and they can count themselves unlucky to concede a fourth goal at the end after a fine save from Aodhán Murphy was rebounded to the net from Darren Ryan.

This was a fine sporting contest, well refereed by John O'Neill from Spa.

At the end of the game the trophy was presented to captain Jack Clifford by Louise Moriarty and Seán O'Keeffe from East Region Coiste na nÓg.

THE PRESSURE IS NEVER OFF KERRY

Paul Geaney speaks at AIB's launch of the Senior Football Championship for 2019

Q: You play Clare in the Munster SF Championship on June 1st after they played over the weekend. Did you watch them?

A: No. I didn't. We'll get our analysis from the management in the weeks ahead of the game. I don't know you can learn too much off of opposition because they could bring something totally different. We'll look at that over the next couple of weeks but I expect them to be a totally different animal.

Q: You made this year's NHL Division 1 final. Rate Kerry's season so far?

A: It's been mixed - good and bad. We've had good results but I was looking at similarities in the league last year, when we didn't get over the line in some games. The league can be misleading that way. Two points can be a big thing but it can just be one moment in a game that provides you with those two points. This year it fell our way. We accumulated the points and got to a league final but we didn't win it and got a reality check from Mayo in the final. In a way that was good because we're only a youthful developing team so it was good to get that experience. Unfortunately we didn't get that league medal which you'd always like.

But it's kind of exciting to see the team growing every week, and to see we can get to league finals at an early stage with this group. There's a lot to learn we could all see that.

Q: What did you learn from that League final?

A: It was very obvious there was a difference in physique in the second half. We had a long campaign between injuries and different things. It was hard to get big blocks of work done during the league, it was just rolling from week-to-week. Mayo came strong again at the end of the league after a lapse in the middle of it. We were just down a couple of key players at that stage too. But physically, they looked further along the road than we were at the time, definitely in that last quarter when they kind of blew us away. We learnt a lot from it though. We will get our house in order and be ready for what's coming down the tracks.

Q: Is it possible to close that gap in physicality between league and championship?

A: Yeah it is. It was just legs. It wasn't the time frame to be doing that kind of work when you had game on game because it was risking more injuries. But I think the league went well and was managed well by the management team.

We've been closing that gap over the last few weeks and are definitely fitter now. The ground is getting harder and harder and that'll help you when you have youthful bodies that are explosive and light. That should help us.

Q: Championship didn't go as well as you'd like last summer but did you learn from it?

A: Yes, most of the panel this year have championship experience from last year, only a few will be completely new to it. That experience is invaluable. The Super Eights was a very new experience last year. We didn't handle it well, that was fairly obvious, so

Pictured is Dingle and Kerry footballer Paul Geaney at AIB's launch of the 2019 Senior Football Championship. Entering into their fifth season sponsoring the county championship and now in their 28th year sponsoring the club championships, AIB champion the belief that 'Club Fuels County'.

hopefully we'll learn from that.

The League's helped whereas before we were going weeks without a game because the Munster Championship was so spread out. Having two weeks between games will help. It's all new learnings and the quicker we can learn, the better we'll perform.

Q: Brilliant young players like David Clifford and Sean O'Shea must bring an injection of confidence. Is that contagious?

A: Well they ooze class as well and that's important in a team. Maybe something we've been missing a little bit is having a massive spread of scores but (this year) we were getting them from midfield and the half-backs as well. Even against Dublin it was Peter Crowley who knocked over the winner from the full-back line. We're getting more of a spread of scorers. Having that class in a team gives you a bit of comfort, that when it does get tough you can pull through because you have those players who can do special things at special times.

Q: Kieran Donaghy's loss?

A: He's a big loss in the dressing-room alright, he's a big leader. But that's just left a big void for others to step into. Guys often step up and find a new role in a team. We're a couple of soldiers down now again but I'm sure we'll unearth a few new leaders, like Seanie was in the league. There's plenty more guys like that but Peter Crowley is a huge loss now because he's a big leader so there's room for people to step into that.

Q: The biggest criticism is of your defence. What do you make of that and is it particularly difficult to avoid working in the family pub in Dingle?

A: Sometimes it's warranted, sometimes it's not. I don't take too much notice of it. We only take in

what's in camp but it is a bit hard to avoid it.

I don't agree with it 100 per cent. We've done a lot of work on our defence, on our tackling and on our team defence and I felt we made serious strides in the league and that was fairly obvious until we got to Croke Park where we were opened up a bit. We'll learn from that. You see it in other sports, it's a team effort. It's not about weak backs, it's a weak team if you're conceding big scores, it's a team effort. We've been tightening up on that and doing a lot of work with Donie (Buckley) so by the time the championship starts that will be done.

Q: Is this year a bit of a 'free shot' for Kerry because you're so young and transitional and there's so much pressure on Dublin?

A: I don't think so. I'd like to go along with it but no, the pressure's never off in Kerry. There's our own expectation and the expectations of Kerry supporters. Even though they might be patient, when it still comes down to it they expect us to challenge. Obviously that'll be a mammoth task with Dublin going for the five in-a-row. They're an incredible team and very hard to stop so they'll be back to their very best. We've had a good Munster record but that's because we've never taken the eye off the ball in the province and that's been key to us, but we have to progress that this year.

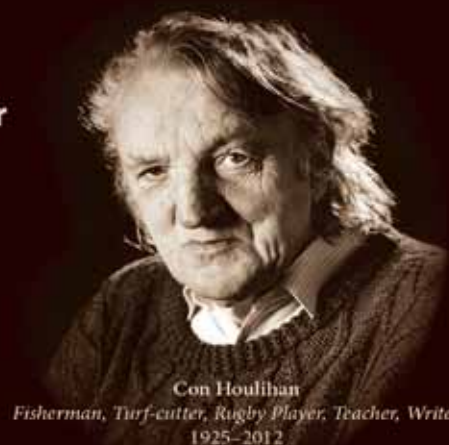

We face Clare in two weeks' time and we're not thinking any further along the road than that. We have to do our job there first. We've been good at doing that, at taking care of our own patch and we'll stay focussed on that and make sure we're not caught on the hop there.

TAX MATTERS

With O'Brien Coffey MacSweeney
Accountants & Statutory Auditors

REGISTERING FOR TAX

If you're setting up a limited company in Ireland, you will need to register for tax. Below are the main tax and vat rates for businesses;

CORPORATION TAX

There are two rates you can pay for Corporation Tax; 12.5% and 25%. To qualify for 12.5% Corporation Tax you will need to prove to Revenue that your company is centrally controlled and managed in Ireland, if this cannot be proved you will pay 25%.

EMPLOYER PAY AS YOU EARN TAX

If your company or business has employees, you will need to register your business as an employer. Once you are registered as an employer, your business is liable to pay PAYE (Pay As You Earn).

If you are registered for ROS you can register for PAYE online.

RELEVANT CONTRACT TAX

Relevant Contracts Tax applies where a principal contractor is paying a sub-contractor for carrying out or supplying labour in relevant sectors such as construction, forestry, and the meat processing industry. As a principal contractor, you need to file the contract on the Revenue system.

VALUE ADDED TAX

You will need to register for VAT once you reach the VAT Threshold, €37,500 for services and €75,000 for goods. The rates of VAT are dependent on what service or goods your business provides.

Citizens Information

Know Your Rights:

QUESTION

I will be sitting my Leaving Certificate this year and plan to go to college in the autumn. How do I apply for a student grant?

ANSWER

Student Universal Support Ireland (SUSI) is Ireland's single national awarding authority for all higher and further education grants. SUSI is accepting grant applications for the 2019–2020 academic year from 25 April 2019.

You apply to SUSI by completing an application form online. You must have an online account with SUSI before you can make your grant application. To meet the conditions of the scheme, you must:

- Be an Irish resident, EU, EEA or Swiss national or have specific leave to remain in the State
- Have been ordinarily resident in Ireland or the EU for three of the last five years
- Be attending an approved course in an approved institution

Your family's means (in the previous tax year, 2018) are assessed and must be under the specified threshold. You can use SUSI's eligibility reckoner to check whether you would be considered eligible for student grant funding.

Make sure that you provide complete and accurate information (date of birth, Personal Public Service numbers (PPS numbers) and bank details in particular) to avoid any delay to the processing of your application. You need to send hard copies of any supporting documentation to SUSI.

If you are refused a grant, or are approved for a lower level of grant, you can appeal the decision to SUSI in writing. You must appeal within 30 days of getting your decision.

Student grants are reviewed each year. If you had a grant in one academic year and are continuing your studies on the course in the following year, SUSI will be in contact with you to renew or re-assess your student grant for that next year.

Further information is available from the Citizens Information Centre below.

STUDY REVEALS THAT FOOD BLOGGERS' WEIGHT LOSS ADVICE IS 90% FALSE

Social media influencers have huge platforms, with some of them having millions of followers who rely on their advice, be it in nutrition, weight loss, beauty tips or anything else and many of these bloggers reach more people than many dietitians and other qualified professionals.

Now Researchers at the University of Glasgow are warning the public not to follow social media influencers' weight loss advice.

The authors of the study analyzed the nutrition value of Bloggers recipes, as well as the credibility, transparency, and truthfulness of their advice and the results were even worse than they expected. Of all the blogs they analyzed, only 1 was accurate and based on European dietary standards.

The rest either represented their opinions as facts, failed to mention scientific evidence to back their claims, lacked important disclaimers or included meal plans that didn't meet nutritional criteria. The only blogger that passed their criteria was a certified nutritionist.

The study concluded that at the moment, the weight loss advice food bloggers provide may pose a danger to the public. Many people weren't surprised by the disheartening results, as most of these so-called food bloggers are not qualified to give out nutrition advice and share their opinions based on personal experience only.

ONE OF SWEDEN'S OLDEST TREES IS ABOUT TO DIE

An oak tree in the southeastern city of Kalmar that is believed to be well over 1,000 years old has been showing limited signs of life in recent years. The tree, called both Kvilleken and Rumskullaeken by locals, is believed to be the oldest in all of Sweden and has become a significant tourist attraction, but has been displaying signs of deteriorating health for years to the point where last year just one lone branch grew green leaves.

The historic tree's death was probably hastened in 2005 when an iron ring that was placed around the tree in the 1960s was cut off. A replacement band is believed to have been put back on too tightly, leading to the tree slowly strangling itself. In its weakened state, it was subsequently hit by both a caterpillar infestation that drained it of nutrients and a fungal disease.

While the oak tree's exact age is unknown, tests carried out in the 1930s established that it was around 950 years old back then.

DUCKS ARE A GARDENERS BEST ASSISTANT

Various communities all over the world have used ducks and geese as a weed and pest control strategy. Indeed, there exist studies that have been conducted looking into the efficiency of the strategy in terms of yield, weed control and also pest control. Ducks and geese offer an organic method of controlling pests and weeds. Ducks have a high affinity of consuming seeds made by weeds, snails, a variety of bugs and also the slugs. This is the main foundation of the system and of course you also have the benefit of the eggs. In addition, as the ducks work on the weeds and pest, their waste is released into the fields thus improving soil fertility resulting in higher yields and decreased costs.

The ducks sleep in an enclosed pen, and are herded out to the vineyards in the day, then for a swim in the dam, and then back to their pen in the late afternoon.

Farmers more so in Asian countries such as China and Vietnam have used this technology especially in the rice plantations and there are Ducks in many vineyards from South Africa to Australia.

As a smaller, lighter duck breed, runner ducks are less likely to smash and damage plants while moving around. Because they don't have the weight to maintain of the bigger duck breeds, less supplementary feed is needed. They are not extremely cold tolerant, but there are few bugs for them to find in winter. Temps below 20°F will have the crew inside in their shed most of the day.

Keep in mind that the size of your flock should be matched to the size of your garden, five does a good job covering over an acre of garden and orchards. For a small garden, a pair of ducks can get the job done without being lonely or getting into too much mischief. Don't get a single duck. They are social birds. They will also need a shed for shelter and safety and water to bathe in.

SCOTLAND TO INTRODUCE A 20P BOTTLE DEPOSIT SCHEME

People in Scotland will have to pay a 20p deposit on every bottle or drinks can they buy from shops under a new scheme unveiled by the Scottish government.

Glass and plastic bottles, as well as aluminium and steel drinks cans sold by any shop in Scotland will be covered by the deposit return scheme, the first national scheme of its kind in the UK.

Scotland's environment secretary, Roseanna Cunningham, said: "There is a global climate emergency and people across Scotland have been calling, rightly, for more ambition to tackle it and safeguard our planet for future generations, this scheme gives people a 'clear and straightforward way to do their bit for the environment."

The scheme is set to cover single use bottles, ranging from a 50ml whisky or vodka miniature to a three-litre bottle of cider. Every can or bottle in a multipack of beer, water or cola will also attract the 20p charge.

It will include online retailers too, with only restaurants and pubs selling drinks for consumption on the premises excluded.

THE WORLD ISN'T AS HORRIFIC AS YOU THINK

For centuries, older people have romanticised their youths and insisted that things ain't what they used to be. Well, that's true. Most things used to be worse. This tendency to misremember is compounded by the never-ending negative news from across the world.

It is absolutely true that there are many bad things in this world. The number of conflict fatalities has been falling since the second world war, but the Syrian war has reversed this trend. Overfishing and the deterioration of the seas are truly worrisome. The list of endangered species is getting longer. But while it is easy to be aware of all the bad things happening in the world, it's harder to know about the good things. The silent miracle of human progress is too slow and too fragmented to ever qualify as news - for instance over the past 20 years, the proportion of people living in extreme poverty has almost halved, more countries are democratic, more farmers get titles to land and to sell goods to other countries.

Our instinct to notice the bad more than the good is related to three things: the misremembering of the past; selective reporting by journalists and activists; and the feeling that as long as things are bad, it's heartless to say they are getting better.

LOOKING AFTER YOUR SUMMER BEDDING

If you look after your bedding plants throughout the Summer you will have colour until early autumn or the first early frost. • A liquid feed of Tomato feed every 2 to 3 weeks is an ideal way to feed your hanging baskets, window boxes and containers. • Make sure when you are feeding them to do it in the evening time and keep the liquid off the foliage as much as possible. • As the summer goes on you will notice that some of the flowers will start to go off. All you have to do here is take the dead flowers off, a process called dead heading. • It only takes a couple of minutes and it will ensure that new flowers will grow. • Later in the Summer if a plant looks bad in the basket or window box, remove and replace it with something else like a trailing ivy. Otherwise the whole hanging basket, window box or container will look as if its gone

The Great Outdoors

Nature has the ability to reduce stress, anxiety and depression. A walk in the park, along the beach or simply sitting in your garden relaxing, can calm the mind, boost energy levels and restore awareness of the self and others. Being outside in the daylight, amongst nature appreciating the environment and our surroundings can afford someone the opportunity to contemplate matters, see the bigger picture and gain perspective on the context of their world. We can adopt a holistic approach to good health by including the experience of nature, the great outdoors, alongside exercise, good diet and healthy fulfilling friendships and relationships. I like the term "rest and digest" when I think of nature. It reminds me to absorb and appreciate what it has to offer without having to over think it. Being too analytical and pensive is often the root cause of anxiety and stress. Nature has a way of keeping us present, in the moment, whilst at the same time helping us process our thoughts and feelings in a manner that is less intense and more inviting; after all it is available at any time to all of us!

Investing more in nature means investing more in our emotional and mental wellbeing, our immune system, and in our physical wellbeing. In addition, any group based activities that involve the outdoors such as walking/ jogging groups, mountain climbing groups, swimming groups can not only reduce chronic diseases via the physical benefits but improve social interaction and thus interpersonal relationships. The extra bonus however is that nature can stimulate our senses whether it is sight, sounds or smells. The impact of outdoor activity on our psychological wellbeing has been scientifically proven. Many studies report reduced states of depression and anxiety by individuals who have chosen to embrace the outdoors as a lifestyle choice.

Nature has a way of calming the mind and restoring energy for some individuals so ruling out its benefits entirely would be a pity. It can help us escape our busy, demanding lives if we can only take the time to embrace it, enjoy it and become energized by it. This decision does not have to be a daily endeavour; in fact three to four times a week outdoors, whether it is walking, cycling or simply enjoying sitting in your garden, to have time out and head space, can go a long way in recharging your energy levels and aid in the process of your thoughts and feelings. Whilst it is only one piece of the jigsaw towards self-care, it is nevertheless an important one. As Albert Einstein once said:

"Our task must be to free ourselves by widening our circle of compassion to embrace all living creatures and the whole of nature and its beauty."

A Word of Victory

Welcome back dear reader continuing on the subject of hope. "Hope deferred makes the heart sick, but a longing fulfilled is a tree of life" (Proverbs 13:12). Many people go through life waiting for a moment of breakthrough that never comes. This Scripture tells us how loss of hope brings heart-sickness. A clinical definition of depression is someone who has lost hope. The Bible says that "hope is the anchor for the soul" (Hebrews 6:19) and that hope and trust in God brings stability and restores the soul - the whole self (Psalm 23:1-3). But what, or whom a person has their hope pinned on is key! The world teaches us to look into ourselves or to others for empowerment. This is false hope friend; because we humans can leave each other down - and leave ourselves down very easily, most times unintentionally. Isaiah chapter 9 describes a time on earth where "the people who walk in darkness will see a great Light. For those who live in a land of deep darkness a Light will shine...You will break the yoke of their slavery and lift the heavy burden from their shoulders...a Child is born to us, a Son is given to us, the government will rest upon His shoulders and He will be called Wonderful Counsellor, Mighty God, Everlasting Father, Prince of Peace. His government and it's peace will never end." Isaiah was prophesying about Jesus here. In any time of darkness the greatest need is light. Who greater to provide this than the Light of the World Himself? (John 8:12). Jesus desires to bring His Light into every part of your life friend. There is healing and deliverance, wisdom, peace and power in His Light that darkness cannot quench. The 'government upon His shoulders' simply means that when He is in charge, He lifts our life's burdens, because we acknowledge Him as Owner. God created this world and each one in it, and He owns everything. When we submit to His Word and receive Jesus His Son as Lord and Saviour we transfer ownership from ourselves to Him. This brings deliverance because there is no problem too big for Him, and as we receive His Love, peace and hope is restored. Get into a Bible study friend where you can learn the truth about His Light and receive freedom! You are welcome at Word of Victory on Sundays @ 11am or Thursdays @ 8.15pm.
