Following the recent celebration of his 100th Birthday, Killarney centenarian John Coffey has generously donated gifts he received to two causes close to his heart.

On Friday last, joined by his daughters Noreen and Mary and daughter in law Catherine, Mr. Coffey made a donation of €1,000 to the Killarney Cardiac Response Unit in memory of his son Denis who passed away unexpectedly while golfing on Killarney Golf Course. A further donation of €1000

was made to Down Syndrome Kerry in memory of John's son John Joe who was born with Down Syndrome and passed away at the young age of 14 in 1969.

The remainder of the donation of €1,100 was divided between the Hospice and Recovery Haven.

John Coffey marked his birthday with celebrations at Killarney Golf Club, and mass at Dr. Crokes Clubhouse where Cathaoirleach of Killarney Municipal Area, Michael Gleeson presented him with the President's Cheque.

Oh Deer.... Sika steals the show at wedding shoot

A newly wed Australian couple who came to Ireland to exchange wedding vows have gone viral after their wedding shoot was "photobombed" by a sika deer as they posed for Wedding Photographer Adrian O'Neill at Ladies View in Killarney National Park.

Melanie Joughalian and Lachlan Porteous were married at Ballyseedy Castle Hotel in

Tralee and choose Killarney National Park as the location for their photographs.

They were posing for Adrian of www.staywildimages.com when, much to their delight the cheeky little deer came right up to the couple ensuring possibly one of the most unusual wedding photographs ever.

Kerry Visual Artists' Showcase launched

Kerry Visual Artists' Showcase opens at 6pm on Culture Night tonight, Friday 20th September at Government Buildings, New Road, Killarney.

A key date in the arts calendar in the county, the selected artists are all from or based in Kerry and are building careers for themselves as artists working in Ireland today.

"It's a wonderful platform for our artists and the standard this year is again very high. Kerry County Council is delighted to be able to directly support the showcase", says Kate Kennelly, the County Arts Officer. "Audiences will see some of the best who are creating art in the county today. It's a wonderful introduction for all ages to art and a great evening out as it is Culture Night in Kerry the same day that we open the show."

There have been seven artists selected for the Showcase this year. Des Fitzgerald is a sculptor and photographer whose work covers a variety of issues such as communication, loss and friendship. Kaye Maahs works in oils and is a painter whose work is rooted in the personal and the local. James Hayes specialises in oil painting and illustration and his draws on personal connections between the individual and the wider world. Julie Lovett's influences derive from her rural upbringing, experiences and sense of place. Lisa Fingleton is an artist whose work is rooted in the autobiographical and deals with socio political and environmental

concerns. Using paper, Nicole Tilley's work highlights overlooked historical domestic narratives and mental health experiences. Norman McCloskey work is shaped by the landscape of the Beara peninsula which he has explored with his camera for 29 years.

This is the fifth annual Kerry Visual Artists' Showcase. The exhibition will be opened by Cathaoirleach Niall Kelleher. The exhibition

runs from the 20th September until the 31st October this year. Opening hours at the Department are 9am – 5pm. Kerry Visual Artists' Showcase is supported by Kerry County Council, The Arts Council and The Department of Culture, Heritage & the Gaeltacht.

DOZENS OF FREE EVENTS FOR CULTURE NIGHT IN KERRY

Kerry County Council Arts Office has been busy co-ordinating Culture Night events again this year along with arts groups and other organisations who are happy to get involved and offer a free night of cultural events to their communities.

EVENTS IN KILLARNEY MUNICIPAL DISTRICT

You can get an early start to Culture Night at St. Brigid's Secondary School who are back with their successful collection of artworks from young artists from 4-6pm, with refreshments.

The fifth Kerry Visual Artists' Showcase will be launched at 6.30pm at the Department of Culture, Heritage and the Gaeltacht, New Road. Light refreshments will be served.

At the newly refurbished Killarney Cultural Centre, DB O'Connor will host an hour of storytelling, sean-nós singing and dancing. At St Mary's Church from 8-9.30pm Afro Trad Ireland will perform their unique blend of songs, stories and drumming. On the railings of the church, artist Betty Rohan will exhibit her work from 5-10pm.

The Kerry Archaeological and Historical Society host a talk on The Wran in Kerry at Killarney Library from 7.30-9pm while from 7-9pm Killarney House and Gardens will tell the stories of the women of the House over the centuries. Declan O'Rourke will be in concert at the

Muckross Schoolhouse from 7.30-9pm and Don Mescall will give a song writing workshop and performance at the INEC from 7.30pm. Kerry Film Festival and Killarney Cinema will screen two short films from 6.30-7pm.

All events and any later additions to the programme can be found on www.culturenight.ie/kerry or phone 066 7183541

Riverdance

Returns to Killarney

September 18th – 22nd 2019

For over two decades, nothing has carried the energy, the sensuality and the spectacle of Riverdance the international Irish Dancing phenomenon. Having played over 11,500 performances to over 25 million people throughout 47 countries, the stage spectacular Riverdance comes to the INEC Killarney for a limited run September 18th – 22nd. On the 30th of April 1994 as the interval act of the Eurovision Song Contest, a worldwide audience of over 300 million saw the birth of Riverdance. The 7-minute performance earned a standing ovation from the 4000-strong audience. This, ahead of its time dance piece was then developed into a full stage show by producer Moya Doherty, composer Bill Whelan and Director John McColgan. With its fusion of Irish and International music

and dance, Riverdance broke all box office records during its world premières in Dublin, London and New York and continued to set new records in packed theatres and arenas throughout the world.

Staying true to its roots, Riverdance returns to Killarney with a rejuvenated show this Summer. Featuring the unbelievable talent of the Riverdance Lead Dancers, the Riverdance Irish Dance Troupe, the live Riverdance Band and International artists from Russia, Spain and the USA the show is guaranteed to mesmerise audiences of all ages and culture.

The smash hit show will commence its run in the INEC, Killarney on September 18th

Mary Immaculate College Alumni Reunion

Mary Immaculate College (MIC), Limerick is inviting its past students back to the College on Saturday 5 October for the annual Alumni Reunion. This year the College will celebrate those who graduated in 1949, 1954, 1959, 1964, 1969, 1974, 1979, 1984, 1989, 1994, 1999, 2004, 2009 and 2014.

Taking place at MIC (South Circular Road, Limerick) from 2.30pm to 5.00pm, the Alumni Reunion is the College's largest event for graduates and a great opportunity to reminisce with former classmates and network with other Alumni. As the College has undergone significant expansion and development over the years and now counts a student population

of over 5,000, the Alumni Reunion will give graduates the opportunity to tour the campus to see the many changes that have taken place since they graduated.

President of MIC, Professor Eugene Wall, will be in attendance to welcome the returning Alumni. Refreshments will be provided on the day and mass will also be celebrated in the College Chapel (optional).

If you wish to attend the event, please email Alumni@mic.ul.ie to book your place. Please provide your name, programme from which you graduated from and the year in which you graduated.

Recovery Haven honour Little Heroes

A VERY special event to recognise and reward Kerry's brave little heroes who are dealing with cancer is being organised in Tralee on Sunday, September 29.

Organised by cancer support charity, Recovery Haven Kerry, a special 'Little Heroes' Fun day will take place at Mitchell's GAA Grounds, Tralee from 3-6pm and will coincide with Children's Cancer Awareness Month in September.

The brainchild of Recovery Haven manager, Siobhan MacSweeney, the fun event is a way

of helping our most vulnerable cancer sufferers and their families forget about their illness for a few hours and enjoy a host of special treats laid on for them.

Recovery Haven already offers a range of counselling and group therapy sessions to children dealing with cancer, including the highly acclaimed CLIMB programme, which offers support to children dealing with a cancer diagnosis of a significant person in their life (from siblings to parents to grandparents).

However, Siobhan said that the charity wanted to do something extra special to mark Children's Cancer Awareness Month, while making a big fuss of our own little fighters and their families. "We wanted to show our appreciation for these amazing, brave youngsters right across the county who are enduring some very difficult battles, and what better way to do that than to organise a fun day in their honour," Siobhan explained. "Our Little Heroes day is all about celebrating these wonderful children and their families, while highlighting the growing range of services available for children affected by cancer at Recovery Haven. We want to show them that we are all here for them."

Siobhan explained that the event is not restricted to Recovery Haven clients, but is open to any child going through cancer or dealing with a cancer diagnosis in their immediate families.

Among the fun activities planned for the afternoon will be bouncy castles, vintage fire engine rides, a visit from the garda car, magical fairy fun, a disco with DJ Donal and lots of goodies to give away.

Entry is free and Siobhan is encouraging as many families as possible to come along and celebrate these amazing, brave little fighters.

Meanwhile, anyone else willing to offer their services to make this day extra special is asked to contact Recovery Haven on 0667192122.

Community celebration as Firies Childcare marks 20 years

Firies Community Childcare Centre is celebrating 20 years in business this coming Sunday with a celebration for everyone in the community.

The Centre was established in 1999 by four local Parents who saw the need in the community. The pre-school first opened in the local primary school, thanks to the Principal Jerry Foley and the cooperation of the school staff.

"We then moved to the local community Hall. In 2007 through grant aid a purpose built facility was built, beside the local school. This ensured we were in a position to offer Breakfast Club, 2 sessions of Pre-school and an Afterschool Service" Ivonne Kraemer told the Killarney Outlook.

Located opposite the church and close

to the school the playschool ensures the children attending Breakfast Club and Afterschool have a safe pathway between the centre and the school. Ample car parking is available as we are off the main road ensuring safety for children.

The centre has a beautiful sensory rich playground which the children have access to throughout the day and where they take part in flower gardening during the year.

We would like to take this opportunity to thank all the parents of the community for their ongoing support and we look forward to the next 20 years!

Please join us on Sunday 22nd September at 12pm for a celebration with bouncy castle for the children and Refreshments for everyone."

Fáilte Ireland is currently working with local industry in Killarney to establish the town as the Gateway to the Wild Atlantic Way.

At a meeting in Killarney this week, progress was made when Fáilte Ireland met with key stakeholders and businesses to discuss the next steps for a strategy that will establish Killarney as a gateway town for visitors exploring the Wild Atlantic Way.

The meeting took place at the Great Southern Hotel in Killarney and was attended by members of the Killarney tourism industry, Killarney Chamber of Tourism and Commerce, the local authority, the National Parks and Wildlife Service, the Irish Hotel's Federation and local industry representatives, who are all part of a Steering Group for the Killarney Wild Atlantic Way Gateway Strategy.

Killarney was identified by Fáilte Ireland as a Wild Atlantic Way Gateway as it offers visitors a broad range of accommodation, a wide variety of day time visitor attractions and activities, plenty of restaurants and evening entertainment and it is a main transport hub for the area.

"The Wild Atlantic Way has been a phenomenal success and this strategy is a great opportunity for tourism businesses to capitalise on the popularity of the route by enticing visitors to come to Killarney and Kerry, stay in our hotels, eat in our restaurants and experience everything the town has to offer", Bernadette Randles, a local hotelier and Chairperson of the Irish Hotels Federation Kerry branch, who is a member of the Killarney Wild Atlantic Way Gateway Strategy Steering Group said.

"The Wild Atlantic Way has been a phenomenal success and this strategy is a great opportunity for tourism businesses to capitalise on the popularity of the route by enticing visitors to come to Killarney and Kerry, stay in our hotels, eat in our restaurants and experience everything the town has to offer."

Killarney was chosen as one of two pilot towns/cities to test the Wild Atlantic Way Gateway concept alongside Limerick City over a three-year period. The Killarney Wild Atlantic Way Gateway Strategy will be finalised later this year, with recommendations and actions for local industry from 2020 – 2022.

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

WHEN CAN YOU ACCESS YOUR PENSION & WHAT ARE YOUR OPTIONS WHEN YOU WANT TO RETIRE?

Many pensions can be accessed from age 60, a lot of the rules depend on whether you are an employee or self employed. If you are coming close to retirement you are probably wondering what options you have when you want to get access to your pension. It depends on what type of pension you have but generally there are four options:

Tax Free Cash : Most people will be entitled to a tax free lump sum, the amount varies however generally you will get at least 25% of the value of your pension in a tax free cash lump sum.

Taxable Cash: You may be able to take sum of your pension in taxable cash.

Annual Pension: This is a guaranteed income for the rest of your life that is purchased with the money left after your tax free lump sum.

Approved Retirement Funds: You may be entitled to keep some of your money in an approved retirement fund, money can be taken from the fund to give you a regular income. It is extremely important that you take your time and have all the options explained to you in plain simple English and that you understand all your options clearly before you make your final decision. As well as the above there is much more to be discussed about your pension. You should discuss your retirement options with a financial advisor who has access to a number of different pension providers before making any decisions, he or she will help you with the above options and any other queries you may have.

If you have any queries on the above or any other matter you can contact Dermot Cronin QFA at 0646622775 or dermotcroninifa@gmail.com

BUILDING WORKS BEGIN AT KDYS

eurOg

This week marked the commencement of an exciting phase in the development of Youth programmes in Ireland with works beginning on an accommodation unit at the 'eurOg' Youth Centre in Killarney which is the flagship Centre of the Kerry Diocesan Youth Service.

The Centre was awarded the European Youth Centre Quality Label in 2017 by the Council of Europe, becoming the only Youth Centre in Ireland to receive this accolade and one of only 13 Youth Centres in total out of the 47 member Countries of the Council of Europe.

The Building works taking place in eurOg will see the addition of an accommodation unit – 'STAY@eurOg' – in the KDYS Centre alongside the Friary in Killarney. This new wing will create exciting new opportunities for young people to come and stay in Killarney from all over the County, all over Ireland and internationally.

Overall there will be 47 beds available along with a range of state of the art workshop rooms and meeting spaces. An onsite coffee shop will be open for the public to come in and the Centre will continue to facilitate a range of activities for the wider community of Killarney. The eurOg Centre operates as a social enterprise and all proceeds are used to further develop the Centre and services for young people in the area.

"We are delighted to expand our Service and to introduce this facility as it will connect many young people locally to opportunities across Europe and for continental based young Europeans to come here. It will also create possibilities for young people in Youth Clubs around the County to come and enjoy Killarney as part of their annual programme.", CEO Tim O Donoghue told the Killarney Outlook.

'STAY@eurOg' will cater for groups travelling

with leaders, coming to participate in a variety of programmes aimed at the development of young people in a fun and interactive way. eurOg will act as a bridge to the many initiatives available to young people as citizens of Europe. In late October the Council of Europe expert team will visit Killarney to reassess the Centre with a view to renewing the European Youth Centre Quality Label for a further five years. Tim O Donoghue says, 'the Council of Europe are very impressed with the work of the KDYS and recognise the powerful community support that ensures that our young people benefit from a high quality youth service in their area. We are very proud that a Kerry organisation is leading out these high standards on a national and international stage. The development of 'STAY@eurOg' will take around two months and this will see us into a new and exciting programme in 2020.'

KILLARNEY VTOS Celebrates Success

A graduation night was held recently to celebrate the achievements of all the Killarney VTOS Graduates of 2019. All learners did exceptionally well, achieving QQI Level 3 or Level 4 Major Awards in Information and Communication Technology Skills or Employment Skills. The QQI accredited Level 3 and 4 courses prepare learners to develop new skills for progression to the World of Work or Further Education. An integral part of the course is computer training, which is offered up to ECDL/Advanced ECDL and Expert ECDL standard.

These QQI/ECDL certificates are proof of the commitment, determination and perseverance of the Adult Learners. All the learners were congratulated on their hard work, on getting their QQI qualification which is a wonderful tool in today's world, one that can open many doors of opportunity for them.

The Killarney VTOS Adult Education Centre, under the auspices of Kerry Education and Training Board KETB has been providing quality education in Killarney since 1993. Killarney VTOS recognises the importance of lifelong learning and it provides this in a supportive, friendly

GARDA glamour on the menu at annual Ball

Donning their dickie bows and designer gowns, the members of the Kerry Division of An Garda Síochána, under the direction of Chief Superintendent Eileen Foster, have launched a Black Tie Gala Ball, to be held in the Killarney Oaks Hotel on Friday the 4th of October 2019

"Last year's garda ball was a huge success that we had profits left over which we donated to the Kerry Mountain Rescue and the Kerry/Cork Cancer Link Bus", Garda Gillian MacEoin, one of the organisers of the event told the Killarney Outlook.

"This year we have chosen to nominate the Kerry Rape Crisis centre as the beneficiary of our Ball. All profits made from ticket sales for our ball this year will go in aid of this centre.", Gillian added.

A champagne and canapé reception will begin at 6.30pm and will be followed by a 5 course sit down meal, while The Bentley Boys Band will ensure that everyone will be on their feet after the meal, dancing into the night.

The Kerry Garda Dress Dance was revived last year following an absence of 26 years of the event. In the past it was a yearly event which attracted a huge crowd.

"We have fabulous spot prizes, kindly donated by many businesses in Kerry, and we will have a

Guten Tag.... Killarney has a new best friend in Germany

KILLARNEY hopes to forge strong new cultural, tourism and business links with a busy area in Germany after agreeing to what is being described as a new "town friendship" with Schlebusch-Leverkusen.

Killarney Chamber of Tourism and Commerce President, Paul Sherry, was the VIP guest at the annual Schlebusch festival at which a friendship pact was agreed and an official scroll signed by the Mayor of Schlebusch, Bernhard Marewski. Schlebusch has a population of 26,000 people, with 160,000 in the greater Leverkusen area, and it is hoped that the already great relationship can be enhanced going forward for the benefit of both towns.

The friendship pact arose from a visit by a party from Schlebusch to the St Patrick's Day celebrations in Killarney in 2019 and they will be returning again for the March 17 festival in 2021. That group was led by Matthias Hermann, Erin Caraideann and the Irish Friends in Leverkusen and they fell in love with the town and its people.

In addition, another group of 19 people will visit Killarney next March and they are really looking forward to meeting up with great friends already made.

Paul Sherry said Killarney Chamber of Tourism and Commerce was delighted to accept the invitation to attend the festival in Germany and

Killarney Chamber of Tourism and Commerce President, Paul Sherry (centre), signs the friendship pact with the Mayor of Schlebusch, Bernhard Marewski (left) and Matthias Hermann of the Friends of Killarney in Leverkusen.

he is confident it will lead to a very positive and lasting relationship.

"The hospitality shown and the warmth of the people of Schlebusch was amazing and their interest in all things Irish, and especially Killarney, was heart-warming," the chamber president said.

During his visit to the two-day festival, Mr Sherry also met with Paul Cahill who is a key

part of the Global Team in the Irish Business Network and they discussed how links can be built between Killarney and the culture-rich German town.

The chamber president also presented Mayor Bernhard Marewski with a book entitled Beautiful Killarney which features some stunning images of the beauty of the area.

ANNUAL INVITATIONAL GOLF TOURNAMENT FOR KILLARNEY GOLF & FISHING CLUB

Experience Ireland Golf & Travel is delighted to return to Killarney Golf & Fishing Club for its 3rd Annual Invitational Tournament on Monday 28th October 2019! Nearly 92 golfers, from all over the Irish Tourism Industry and further afield took part in last year's event, in glorious sunshine beside the beautiful lakes of Killarney and we're hoping for similar numbers and definitely similar weather!

This year's Tournament will be a Team of 4 Event with 2 scores to count towards what will hopefully be a winning score! Defending Champions Steve Shine, Daniel Shine, Peter McGrath & Mick Clifford from Killarney are hoping they will defend their title this year.

If you would like to enter a team please info@experienceirelandgolfandtravel.com.

SWAP SHOP SOCIAL

As part of the #secondhandseptember movement started by Oxfam Ireland, OFM are organising another SWAP SHOP SOCIAL on Sunday 22nd September in Social 15.

The idea is to take a minute to Slow Fashion Down...to think about how we clothes shop and how to make more sustainable and ethical choices.

On the day Siobhan Heffernan, a recent graduate of Limerick School of Art & Design, an up and coming designer from Listowel who uses sustainable practices in her designs and Grace Claro, a student from Tralee who is also an artist and photographer with particular focus on fashion photography and who took part in No Buy July will be in attendance.

...and the SWAP...here's how it works...you bring 5 items of clothes (clean, in good repair) and we put them all on the rails, everyone will have a chance to see what's available, then we do a countdown and everyone can take what they would like!

It's a great day out, chatting about all things fashion and sustainability...

Tickets are just €5 from www.eventbrite.ie.

Celebrate your Junior Cert results but select your Leaving Cert subjects carefully

By Billy Ryle

RESULTS ISSUED

Results will finally be issued on Fri, 4th Oct to 62,562 candidates nationwide, including 1,953 (959 female/994 male) candidates from Kerry, who signed up for the Junior Cert exam. It will be a day for candidates to celebrate a significant success in their first public exam, albeit sensibly and safely. The Junior Cert exam is often overshadowed by the more public Leaving Cert exam but it's an important exam in its own right.

VALUABLE

After three years in Junior Cycle, students get their first exposure to a public exam of the State Examinations Commission (SEC). Candidates are awarded a Level 3 qualification on the National Framework of Qualifications (NFQ). This Cert is a valuable document as it confirms that the candidate has successfully completed Junior Cycle education at the subject levels and grades shown on the Cert.

NEW GRADES

Six new grade descriptors - Distinction, Higher Merit, Merit, Achieved, Partially Achieved, Not Graded - are being gradually phased in in the reformed Junior Cycle programme, while the old A, B, C, D, E, F grades are being phased out.

CAREER PROFILE

The broad curricular base of the Junior Cycle gives students insights into their aptitudes, abilities, interests and personality. The exam also measures a candidate's standard at the end of the Junior Cycle. As well as the academic content, subjects like Physical Education, Career Guidance, Social and Health Education (SHE), Civic, Social and Political Education (CSPE), along with a comprehensive programme of extra-curricular activities, develop self-awareness in each student. In short, a personal

career profile begins to emerge during the Junior Cycle.

PASSPORT

With very few students now leaving school after this exam, the Junior Cert is a passport to Senior Cycle education, which lasts for two or three years. Senior Cycle caters for students in the 15 to 18 age group. The optional Transition Year (TY), which follows immediately after the Junior Cycle provides an opportunity for students to experience a wide range of educational inputs, including work experience, during a year that is free from formal exams.

SENIOR CYCLE

During the final two years of Senior Cycle students take one of three programs, each leading to a state exam - the traditional Leaving Certificate (LC), the Leaving Certificate Vocational Program (LCVP) or the Leaving Certificate Applied (LCA).

TRADITIONAL LC

The traditional Leaving Cert exam, a Level 5 qualification, is the terminal exam of post-primary education. Syllabi are available in more than 30 subjects and students usually study seven subjects including Irish, English and Mathematics. All subjects are available at higher and ordinary level. A foundation level paper is also available in Irish and Mathematics.

LCVP

The Leaving Cert Vocational Program (LCVP), also a Level 5 qualification, is similar to the traditional Leaving Cert, with some additional modules called Link Modules, which have a vocational focus.

LCA

The Leaving Cert Applied (LCA), a Level 4 qualification, is a self-contained two-year

course, which meets the needs of students who are not adequately catered for by the other Leaving Cert programs. It is a person-centered course involving a cross-curricular approach rather than a subject based structure.

Good luck to all Junior Cert candidates getting results on 4th Oct. Most schools will now give those moving on to Senior Cycle a few days to firm up their Leaving Cert subject choice. Consider your Leaving Cert subject choice very carefully, think about your course options and the related careers. In the end, select wisely as this is the first step on your path to college.

CHECKLIST

- ✓ The Junior Cert is a very important exam in its own right
- ✓ The Junior Cert is at Level 3 on the NFQ
- ✓ The Junior Cert exam is a test of achievement
- ✓ Six new grade descriptors are being phased in until 2021
- ✓ The Junior Cycle provides students with insights into their aptitudes, abilities, interests and personality
- ✓ The Junior Cert exam is a passport to Senior Cycle education
- ✓ An optional Transition Year is available immediately after the Junior Cycle
- ✓ During the final two years of Senior Cycle students take the traditional Leaving Certificate (LC), the Leaving Certificate Vocational Program (LCVP) or the Leaving Certificate Applied (LCA)
- ✓ Give careful consideration to your Leaving Cert subject choice

HER FUTURE STARTS HERE...

New Certificate in Revenue Management Course available through South Kerry Skillnet

A new certificate in Revenue Management, developed by South Kerry Skillnet in conjunction with the IT Tralee and the Hotel Industry has been launched this week.

The certificate course is aimed at organisations who wish to provide continuous support and professional development upskilling existing or potential reservations/revenue managers, requires those participating to attend at the IT Tralee for one day a week for a 12 week period as well as completing an online module. The course is also targeted at general managers and deputy managers as well as members of the sales team. Successful applicants will receive accreditation at a level 7 special purpose award.

Speaking at the launch, South Kerry Skillnet Network Manager Aoife O'Reilly said the course has been developed by South Kerry Skillnet as a response to requests from hotel industry for a focused course on Revenue Management. "There is a skills gap in this area which has been highlighted and coming from a hospitality background I was able to

hold consultation days in order to ensure that the modules and course content were filling this skills gap" Aoife said. She added that in support of this course, they are also including an excel module which will appeal to anyone creating, reading or presenting reports.

Noel Spillane, CEO of South Kerry Development Partnership CLG, through which the South Kerry Skillnet operates, said that Skillnet Irelands Future Skills Programme (FSP) facilitates such innovation and collaboration in new programme design and industry-based research on the future of work and learning. "This programme also facilitates collaborations between enterprise, academic institutions and industry training providers to develop innovative new programmes that specifically address the future skills needs of businesses and emerging skills gaps within growth sectors, particularly the tourism sector here in Kerry" he added.

The course is due to commence on the 15th of October and the closing date for applications is Tuesday, 1st of October. The cost of the

course is €625. This is being heavily subsidised by South Kerry Skillnet for this year given the normal course cost would be €1,240.

For further information on the course or to sign up please contact Aoife O'Reilly by e-mail aoreilly@skdp.net or go to www.kerryskillnet.ie

ARE YOU A MILES PER GALLON OR A MILES PER HOUR TYPE OF PERSON?

Economy of motion is a phrase which I was introduced to, when I was younger, as a fan of the great Bruce Lee. This phrase had meaning beyond good footwork and the idea that the quickest way from point A to point B is a straight line. It was a concept. Applied to the body it would prioritise unrestricted freedom of movement, ensure muscles that are best placed to perform a function do so and eliminate unnecessary motion. This approach wastes no energy, potentially reduces fatigue and reduces the risk of overuse injuries. As therapists and instructors, we call this neuromuscular efficiency. Over the last 2 weeks I've talked about the importance of maintaining flexibility and balance. The next step is to gain balance throughout range of movement or 'dynamic stabilisation'. This can be achieved through basic movements like you would see in Pilates, yoga or when observing a child learning to move, turn, crawl, squat or walk etc. They should be performed as perfectly as possible, as often as possible given the individual's constraints. Like the old saying goes, it is only perfect practice that makes perfect. On this point, if you can experience and learn these movements in a one to one scenario with your therapist or instructor and progress to small group classes or rely on good gym supervision, you will progress quicker than going it alone.

Once a basic movement is mastered after a few hundred or thousand repetitions or remembered in much less, then work on local muscular endurance, strength and power can continue. That may seem like a lot of repetitions but in a typical Pilates class, a participant challenges or moves through a neutral spinal range or 'good posture' in various positions 100 - 150 times. That means, in 20 - 30 classes the position has been repeated 3000 times!! All too often an aspect of flexibility, balance or dynamic stabilisation is skipped on the journey to return to sport or exercise after injury. Simple functional movements can't be underestimated for their influence on stability, motor control and movement empowerment (and that's before we include breathing retraining, which I will discuss next week). It's not all about being the strongest, fastest or biggest, sometimes it's about gaining miles per gallon, at least as a strong foundation.

BENEFITS OF STRENGTH & CONDITIONING FOR TEENS INVOLVED IN SPORTS Part 2

TIPS TO HELP

B WELL
FITNESS CLUB

Is youth strength training safe?

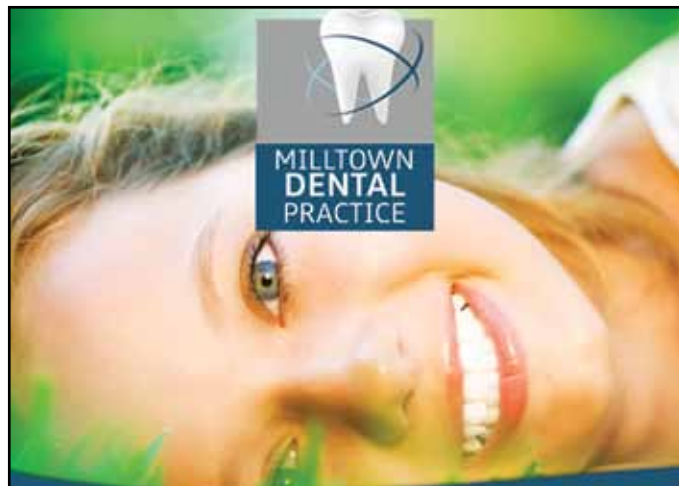

The risk of injury is probably the primary concern of any coach or parent who has a child beginning a strength training program. Any exercise or activity carries with it some risk of injury – even a child running in the backyard can suffer an injury. It is unrealistic, therefore, to assume that injuries will never occur. However, this risk of injury can be minimized substantially by following a few simple guidelines. Specifically, appropriate training and competent instruction/ supervision are the two keys to minimizing all injuries.

Youth strength training can be safe and effective if:

- A competent coach who is skilled in program design supervises every strength training session and,
- Proper technique is taught and required.
- The athletic age and ability of the Youth is taken into account
- No over loading or heavy weights are used
- Avoiding over training too many days in the week, recovery days are needed and overall amount of activity by the youth has to be taken into account and incorporated into the programme
- Mobility & flexibility are incorporated with any prehab or rehab exercises for the individual if needed.
- If it is a sports specific strength & conditioning programme, it is important that the demands of the particular sport are taken into account eg. Basketball- jumping, football- speed & power etc. & exercises to develop & enhance these skills are used in the programme or session.

We offer strength & conditioning programmers to individuals, small groups and teams our team are fully certified strength & conditioning coaches who have different experiences in all aspects of sports and rehabilitation. Give us a call today for more details.

Life is just so precious ...

Isn't it amazing how so often we forget how magical and precious life is? We are so blessed to be here, to have the opportunity of a new day – a chance to live better than the day before. Life brings us so many opportunities to connect with the wonder and awe of the simple everyday things. The smell of rain on gravel, the rich colours of Autumn, the smile of another, the comforting cup of tea when we need it the most. Our days are filled with hundreds of tiny and beautiful moments of magic. And yet we complain and find things to worry about. We focus on what didn't go right instead of celebrating what did! We judge ourselves and others instead of championing who we all are and our different talents and gifts.

So many people that we love and care about are no longer with us. They would do anything for another moment of life. So, let this call you on. Let this remind you of how precious all of our lives truly are and let's make the very most of them in the very best ways that we can.

Slow down a little, smile more, find the humour in the things that seek to frustrate you, talk kindly to yourself and others, eat foods you love and love you in return, say thank you as many times as you can in a day, breathe in the air, dance under the moon and linger a little longer in the moment because you will never walk this way again... and most of all love it all!

YOUR LOCAL INDEPENDENT OPTICIANS

DIARMUID O'SULLIVAN F.A.O.I.
STACK O'BRIEN OPTICIANS

WHEN WAS YOUR LAST SIGHT TEST?

As well as an eye health check, a sight test may detect signs of underlying general health conditions, such as diabetes, high cholesterol, and high blood pressure. It is especially important in early identification of leading causes of preventable blindness such as glaucoma and diabetic retinopathy. Everyone should have a sight test every two years or more often if recommended.

GLAUCOMA

Glaucoma affects 1-2% of the population, and is a leading cause of sight loss. In the majority of cases, glaucoma is asymptomatic, so regular sight tests are important for detecting glaucoma. The majority of patients with glaucoma are diagnosed following referral from an optometrist. Without regular sight tests, the prevalence of late presentation, sight threatening glaucoma, would rise. Diabetic retinopathy
People with diabetes are at a high risk of developing retinopathy and possible blindness if untreated.

Attending regular sight tests allows signs of developing retinopathy to be identified

RISK OF FALLS

Uncorrected vision in older people also increases the risk of falls. Falls are the leading cause of disability and death from injury among people over 75 in the UK

RISKS FOR CHILDREN

Undetected conditions such as amblyopia (lazy eye) have been shown to affect reading ability and therefore may impact on future educational attainment. Hyperopia, or long sightedness, has also been linked to poorer literacy in young children. Spotting vision problems through regular sight tests is critical to a child's future health and education.

DRIVING RISKS

Undiagnosed vision problems can increase the risk of accidents, particularly those that affect distance and side vision.

From Chemo to the Catwalk....

Jacqui is a Model In Recovery

Friday 13th June 2014

is a day that Jacqui Tangney from Listry will never forget. The childcare worker and mum of two girls, Chloe and Shannon was diagnosed with breast cancer and faced a difficult journey which included repeated rounds of chemotherapy and eight surgeries. However, this Wednesday, Jacqui will take to the catwalk at the INEC for the Model's In Recovery Autumn/Winter Fashion Show in aid of Kerry Hospice in the knowledge that she is five years cancer free.

"I have wonderful support from my two daughters, my family and friends and my workmates at Listry Community Childcare Centre who to this day encourage and support me", Jacqui told the Killarney

Outlook.

All the models on the night are in recovery from cancer and are from all ages and walks of life.

"I am nervous but really looking forward to the night but I will have the support of my two daughters and friends and colleagues so that will make it a little easier", she added.

The highly anticipated Fashion Show will take place in the INEC on Wednesday next, September 25th. TV personality Noel Cunningham is MC on the night and the wine reception begins at 8.30p.m.

All proceeds from the night will go to the Kerry Hospice Foundation services which include an inpatient unit, a daycare unit and a night nursing service.

TEACH ISEAGAIN RATHMORE Last Year we held a Christmas Craft Fair here in Teach Íosagáin on the same day as our annual Santa's Grotto. We had such a great day and we have been contacted by a stallholder to enquire if we are having a Craft Fair again this year. Even though we are only in September the planning of these events has to get underway in the coming weeks.

We are looking for your opinion... Would you like to see a Christmas Craft Fair held in Teach Íosagáin again this Christmas. (If interested in taking a table, please feel free 06477-61000.

FOSSA NEWS

FOSSA U11

The Fossa u11 boys played a blitz in Kerry GAA centre of excellence last week, Good, challenging football played by Milltown, Churchill, Furies and Fossa and a great experience for the boys to play there.

WELL DONE to all and big thanks to Furies GAA for organising it.

U 14: congratulations to our u 14 team who

that we can get a copy and display them in our clubhouse. Please contact Club Chairman Michael on 085 8213027 or Club PRO Deirdre on 0851216359 for details.

JUVENILE TRAINING Our ABC, U6, U8 and U10 boys and girls training continues every Saturday morning from 10am. For more information on training times, please contact the Coiste na nÓg Secretary on 0871385612.

U14 EAST KERRY DIVISION 3 FINAL:**Spa 3-15 Furies 4-11**

A very exciting final that came down to the last kick of the game to decide who would win this thriller of a game in Fossa. Our young players played with heart and determination till the very end to snatch a great victory over a gallant Furies team. Furies started very strong scoring 1-1 before Timmy Moynihan registered our first point. Furies scored another point before Spa took control with scores from Joey McCarthy, Aidan Cronin, Oran O'Neill and Timmy Moynihan. However, Furies responded with another goal. Joey McCarthy a great addition to the u14 squad was excellent as the free taker and slotted over two points after fouls on Aidan Cronin and Calvin O'Sullivan. Spa reduced the deficit down to two points until Furies went up the field to score another goal. Luke O'Neill, Oran Daly, Oran O'Neill and Shane O'Sullivan scored to bring us into the lead by one point at the end of the first half.

Furies once again started extremely strong and took the lead in the first five minutes. Our lads were not going to leave this behind and Calvin O'Sullivan scored a great goal. Opposition

replied with three more great points. However, another goal by Timmy Moynihan that just dropped in over the goalies reach. All level again and Furies registered another few points. Luke O'Neill outstanding throughout the entire game with great runs and fielding passed to his cousin, Oran O'Neill to score a valuable goal. We once again took the lead by two. Furies scored a goal and took the lead. They followed once again with another point. Our lads dug deep and pulled off another great point by Timmy Moynihan. A foul on Donal Hickey, found Joey McCarthy slotting over another great score. We were level now and a great score by Calvin O'Sullivan was incidentally the last score of the game. We defended till the end and held possession until referee John Dineen blew the final whistle to the delight of the players and mentors.

MERCHANDISE The Spa Merchandise Shop is now located at the top of the stairs in the main reception. For enquiries contact Mathilda on 087 6487356.

GO FOR LIFE Jim Gleeson (087 6340581) is looking for feedback from members on the Go For Life sport initiative. This initiative provides grants for sport and physical activity for 'older people'. Walking Football in our sports hall has been suggested as a possible activity and is suitable for women and men. Expressions of interest and/or comments are very welcome.

East Region Minor League Division 1.

Rathmore 2-9 Gneeveguilla - 13

Rathmore were victorious in this local derby played in a fine spirit in front of a large attendance, the first half was played in splendid sunshine in Rathbeg on Thursday evening.

Rathmore kicked the opening two points from Darragh Rahilly and a long range free from David Dineen.

Gneeveguilla responded with two pointed frees from Paul O Leary and Danny O Callaghan. Both goalkeepers then made fine saves, Tadhg O Connor, Gneeveguilla and Ian O Connor in the Rathmore goal.

Rathmore now edged ahead with points from Rahilly and Dineen again.

Gneeveguilla responded again with a point from a free from Paul O Leary and a superb effort from Eoin Rahilly.

David Dineen pointed again from a free.

Gneeveguilla closed out the half with two brilliant long range points from Paul O Leary and Jamie O Leary to lead 0.6 to 0.5 at half time. Under the floodlights for the second half Rathmore made a tactical change moving Goalkeeper Ian O Connor to the full forward line and placing young goalkeeper William Casey between the sticks.

Rathmore again opened the scoring in this half with Aaron Cronin and Darragh Rahilly points. Paul O Leary replied for the away team.

The third quarter saw Rathmore take the upper hand as Aaron Cronin calmly finished to the Gneeveguilla net after Ian O Connor switched a great pass to him.

Jamie O Leary then kicked a point for Gneeveguilla.

Gneeveguilla were then turned over coming out of defence and Aaron Cronin was again in position to hit the net from close range.

Darragh Rahilly stretched the Rathmore lead to six points before Gneeveguilla enjoyed a profitable period of play.

The introduction of young Paudie O Leary played a big part in their revival as they kicked four points on the trot, two pointed frees from Paul O Leary, one free from Danny O Callaghan and a fine point from David Gleeson.

A fine long distance point from David Dineen helped steady the nerves of the home supporters before Paul O Leary kicked the final point of the game.

Rathmore had fine performances from both their goalkeepers, the Holohan brothers in defence, Dan Murphy, Darragh Rahilly around the middle and Aaron Cronin with David Dineen in attack.

Best on the evening for Gneeveguilla were

Patrick Brosnan, Damien Cronin, Owen Fitzgerald, Eoghan Rahilly, Paul O Leary and Jamie O Leary.

Referee Brendan Brosnan (Glenflesk)

After the game East Kerry Chairman Johnny Brosnan presented winning Rathmore Captain Darragh O Rahilly with Div 1 East Region Minor League trophy.

Glenflesk 0 – 17 Kilcummin 1 – 14 Glenflesk and Kilcummin played out a thrilling draw after extra time in the East Kerry Division two final on Monday night.

Kilcummin started the better and had a five points to one lead after 15 minute's. They had control in midfield with Paul O Shea and Chris Moynihan dominating. Glenflesk then found their groove and scores arrived from Tommy Bowler, Kevin Bowler and Eoin Moynihan. They managed to get the scores back level at six points apiece before Kilcummin scored the only goal of the evening after nice build up play. At half time the teams were tied at one seven to ten points.

Kilcummin started the second half strongly and got the first two points of the half. Glenflesk's then began to become more prominent scoring three points in quick succession. Mark Kelliher then made a crucial save as he came out smartly to smother a certain goal chance. The game was anyone's at this stage as the back and forth exchanges continued. Glenflesk then had a goal chance of their own that cruelly came back of the post as the tension began to build. Tommy Bowler's free gave Glenflesk the lead but Killcummin replied straight from the kick out to make sure the drama would continue on for a little longer.

A replay then, will be needed to determine the victor's. On the evidence of the last two matches played between the sides there is likely to be little to separate them. Another gripping encounter awaits.

Fossa 5.12 Cordal-Scartaglin 1.14

The saying that goals win games was certainly true at Currow on Friday evening as Fossa ran out winners.

Fossa hit two in the first half from Aaron Coffee and an unstoppable effort from Rocco Sheehan after a powerful run through the defence.

Both sides hit seven point each in the first half. Cordal-Scartaglin had points from Captain Jack O Donoghue (3), Shane Kelliher(2) and Luke Mc Shane (2).

In reply Fossa had point scorers in Sam Buckley (3), Luke O Leary (2) and one each from Gavin O Leary and Ted O Gorman.

Half time score was Fossa 2.07 Cordal-Scartaglin 0.07

Fossa introduced substitute Max Leon at half time and he had a big impact immediately, assisting a goal for Luke O Leary and the fisting a goal to the net himself.

Cordal-Scartaglin kept the scoreboard ticking over too with two points from Sam Buckley and had a fine goal from Cillian Reidy.

Two further points from frees saw the gap reduced but Fossa pounced for another fantastic goal after Sam Buckley crashed a bullet to the net.

The closing stages saw the teams trade five

points a piece Luke Mc Shane (2),

Eoin O Connor, Jack O Donaghue and Oileáin Walsh for Cordal-Scartaglin with responses from Aaron Coffee, Sam Buckley, Rocco Sheehan, Finn Kennelly and Max Leon.

Fossa deserved their victory on the night but a young Cordal-Scartaglin team can also be very proud of their efforts.

After the game Seán O Keffe from East Region Coiste na nÓg presented Fossa Captain Sam Buckley with the Div 5 trophy.

He went on to thank Sponsors MD O Shea Killarney, Currow Gaa for the facilities, Referee James Brosnan and his officials and congratulated both teams on a fine sporting game.

U16: Best of Luck to Keith Evans, Shane Evans, Tadgh Evans, Lachlan Griffin and Dylan Moriarty who are playing with Mid Kerry on Wednesday night in the U16 Lee Strand County District Football Championship final against Eoghan Ruadh at 8pm in Austin Stack park.

U14: Keel/Listry had a victory over Laune Rangers B last Tuesday evening. They play their final round game away to Milltown this Tuesday evening at 6:30. Mid-Kerry U14 finals are fixed for Sunday in Killorglin.

U12: Well done to all our U12s who played well against a 22-player squad from Annascaul/Lispole on Monday. Training resumes on Thursday. Our next Central Region League match will be against Castleisland Desmonds. Date to be confirmed. The players are to be highly commended for their perseverance in what is age-wise their 'bad' year and furthermore there a number of team members unable to play due to injury. Thanks, as always, to all the parents for their ongoing support.

U10: Congratulations to this week's player of the week Jeff Power. Training continues for the U10s on Sunday at 10:30 and Thursday at 6:30.

U8: Training continued Thursday evening with a great turnout from all the boys and girls. There is a number of fixtures coming up in the next few weeks for the U8 to showcase the skills and teamwork they have developed over the summer.

U6: Training continued Thursday evening with a great turnout from all. Congratulations to Dara Flaherty and Saoirse O'Neill who were this week's players of the week.

LADIES FOOTBALL: Best wishes to Ciara Murphy, Ailís Murphy, Caoimhe Evans, Clodagh Evans, Zeta Ashe, Katie Pigott, Laura Prendergast and Nichole Griffin who are playing with Milltown/Listry in the County Junior A Club Final against Kilcummin on Sunday.

U-11 EK BOYS Our U11 boys concluded their East Kerry GAA league campaign this evening with a short trip up the road to our neighbours in Kilcummin GAA Club. The visitors started brightly, raising a green flag in the first minute. Our hosts responded well gaining the upper hand in the first half and held the lead as the teams swapped sides at half time. The second half was an exciting affair as our boys began to claw back the lead to gain parity with Kilcummin. As the game reached the final stages, our lads did enough to edge ahead and claim the points on the night. Well done to all the players on the field tonight who entertained the parents and supporters on a fine evening for football.

KERRY GAA SCENE

REPORT BY LEONA TWISS, PRO

Not this year but the future is bright!

Sam Maguire will spend the next 12 months in Dublin but it won't be long before 'he' is back in Kerry! Congratulations to Dublin on their historic 5 in a row and to achieve the accolade they had to overcome an excellent Kerry side who put it up to Dublin in both games. Of course, everyone is disappointed not to have won, but the impressive work-rate of the Kerry team has left us feeling very positive for the future. Our sincere thanks to Peter Keane, his management team and talented players for giving us entertainment and excitement over the past year. We are looking forward to the start of the League already!

Our thanks to all supporters from all over the world. Thanks to the East Kerry Board for organising a splendid homecoming. Thanks to all those who supported our fundraising efforts over the last few weeks. It is all very much appreciated.

Garvey's Senior Football Championship

Now that the Inter-County action has concluded for the year it is time to focus on the Garvey's Senior Football Championship. All teams are in action this weekend with games fixed for Saturday and Sunday. Our thanks to the Garvey Group for continuing their sponsorship of this fantastic competition. We wish all teams the best of luck, no doubt we will be treated to fascinating games over the next few weeks!

Special Congress in October

A meeting of the GAA's Ard Chomhairle last weekend agreed the agenda for next month's Special Congress in Cork. The meeting will

debate the addition of a proposed new Tier 2 Football Championship, as well as deliberate over the introduction of three new playing rules for the game. Two proposed formats for a possible new Tier 2 Football Championship have been in circulation since late June.

Following discussions, Ard Chomhairle chose to send forward one of these formats for debate and vote at the Special Congress, which will take place at Páirc Uí Chaoimh on October 19. Under this proposal the Provincial Championships will be played as currently. The All-Ireland Qualifiers will be open to teams from Allianz League Divisions 1 and 2 and any Division 3 or 4 teams who qualify for their Provincial Final. This will mean only two full rounds of All-Ireland Qualifiers in future as opposed to four - an additional Preliminary Round is provided for however, in years where more than 8 teams are eligible to participate in Round 1.

It is proposed to then introduce a new straight knockout Tier 2 Championship for all Division 3 and 4 teams that do not reach their Provincial Finals. A range of marketing and promotional supports will be committed to the new competition, as well as the use of Croke Park for semi-finals and finals and a planned increase in TV coverage.

Following a review of the Experimental Rules that were trialed in Gaelic Football during the Allianz League and Provincial Cup competitions, it has been decided to forward three of them for proposed permanent introduction at all levels of the game.

Based on the research carried out by the GAA's Standing Committee on Playing Rules, led by Professor David Hassan, the following are to be voted on at Special Congress:

- The taking of all kick-outs from the 20 metre line

- The introduction of a 10-minute 'sin bin' for players who receive a black card

- The awarding of a 'mark' to players who cleanly catch a ball kicked from on or outside the opposition's 45m line, that travels at least 20m and without touching the ground

The SCPR decided to withdraw the experimental playing rule regarding Sideline kick to be kicked forward, as based on the analysis undertaken by the Committee from the Provincial Pre-Season Competitions and Allianz Leagues 2019 and feedback from players, the impact of the proposed rule was minimal.

Ard Chomhairle also agreed to amend the scheduling of the existing All-Ireland SFC Quarter-Final format for the final year of its trial in 2020. In Round 1 of the group stage of the Quarter-Final, the four provincial champions will be at home against one of the teams who came through the Qualifiers - as was the case in 2019. It was also agreed that for 2020, Round 2 will see the winners of the Round 1 matches play each other, while the losers of the Round 1 matches will also face off.

At present there has been a round of games that are scheduled to take place at Croke Park. It is now planned to give the authority to CCCG to fix these games for venues other than Croke Park - if deemed appropriate. This would require the approval of a full GAA Congress and it is intended to bring forward a motion on this to Congress 2020 next February. If passed, this would come into effect for the 2020 Championship which is the final year of the current three-year trial involving the new Quarter-Final group phase.

TWO KERRY MINORS MAKE ELECTRIC IRELAND MINOR FOOTBALL TEAM OF THE YEAR

Kerry Minors Devon Burns of Na Gaeil and Dylan Geaney of Dingle GAA both impressed during the 2019 Electric Ireland GAA Minor Football Championship, as they are selected as part of the Electric Ireland Minor Football Team of the Year.

The 2019 season featured an incredibly high standard of play, showcasing the bright future of the GAA. Minor players across the country showed their resilience, commitment and dedication this season, proving once again that there is nothing minor about playing Minor. This year's Electric Ireland Football

Team of the Year features four standout players from All-Ireland champions Cork, four players from six-time winners and 2019 finalists, Galway, two players from Munster champions Kerry, two players from Connacht champions Mayo, and one player from each of Kildare, Monaghan and Tyrone. The team was selected by a panel of GAA experts, including former Dublin footballer, Tomás Quinn and Donegal's most decorated footballer, Karl Lacey, and was fed into in part by Electric Ireland's 'Player of the Week' initiative on Twitter. The panel will also select an overall Football Player of the Year

whose name will be announced at the 2019 Electric Ireland GAA Minor Star Awards event.

County Inter-Firm Action

The County Inter Firm Competition is up and running. There are six teams competing in the competition this year:- Group 1 contains Fexco, TLI & Dairymaster. Group 2 contains KUH, Tricel/O'Carrolls Engineering & MD O'Sheas. Results so far:

Fexco 2-16, TLI 0-4

Dairymaster 3-7, TLI 2-9

MD O'Sheas 5-17, Tricel/O'Carrolls 1-14

KERRY V DUBLIN

Kerry's All Ireland final loss is not the end of the journey - but the beginning of it

Picture Marie Carroll-O'Sullivan

Donal Barry looks back at a special weekend for the young footballers of Kerry and looks at where the road might lead them now

For fans of the series the Wire, which was set in the Baltimore projects, there is an apt quote from Omar Little that sums up Kerry's All Ireland final experience.

"Ayo, lesson here, Bey. You come at the king, you best not miss."

Peter Keanes young guns have come a hell of a long way from when the Cahirciveen man admitted last November "we are still just putting names on the back of a piece of paper". Well those names no doubt scribbled in ink are now household names the country over following their two shots at the All Ireland champions Dublin and despite not completing the job on Saturday night against a more astute and ultimately dominant Dublin, Kerry fans certainly know that the light at the end of the tunnel is in sight.

The later start to the day and the fact that it was a Saturday led to plenty planning difficulties for Kerry fans.

But fans of the green and gold are a resourceful gang and as every last bus, train, car and even a few more arrivals to Dublin airport transversed their way to the nation's capital, many gathered on O'Connell Street in the fine summer like conditions underneath the shadow of Daniel O'Connell.

However, it was another Cahirciveen man that they hoped would become the day's liberator as they hoped to see their young men take the five in a row dreams from Dublin.

The swish of green and gold along O'Connell Street wound its way up from the Gresham Hotel as the last few spare tickets were swapped before the Kerry army marched to Croke Park like the many generations before them. Some stopping off at Cassidy's and Barry's

along the way before friends, families and neighbours divided to take make their separate ways to either the Hogan, Davin and Cusack with a few making their way to the Hill to make their stand.

In many ways in must have been a feeling of Custer's last Stand but their pride saw them band together in a corner of the Hill as the Boys in blue gathered late on to welcome Rathmore's Shane Ryan to within earshot before the game started.

Fans of the green and gold are a resourceful gang and as every last bus, train, car and even a few more arrivals to Dublin airport transversed their way to the nation's capital, many gathered on O'Connell Street in the fine summer like conditions underneath the shadow of Daniel O'Connell

Without the customary minor game to gradually built up the atmosphere it was pretty much straight to business, Kerry came out first and headed for the old canal end, while Dublin arrived like a roman legion moments later. The Kings had arrived and despite the large Kerry support, it was evident again that it was going to take something special to quieten the Dublin gathering.

Both sides made the customary one change rendering the €7 programme once again

inaccurate with Diarmuid O'Connor coming in for Gavin White, While Dublin too say them drop Michael Daragh McCauley to the bench in place of Eoin Murchan (Remember the name – it will be used again)

With nothing between them in the epic first All Ireland final, what would be different today? Well Conor Lane was one for sure. The Corkman in many people's minds as one of the best referees in the country. A view that would fall from favour by a few at the end. Johnny Cooper was different too as he headed for the halfback position with James McCarthy going into the middle.

Different too was Kerry's opening tactic of bombing in high balls on top of Paul Geaney. The first five went in but on this occasion they came out just as quickly. Was it an omen for the day ahead? Five?

Soon Dublin were 0-5 to 0-1 up (again that number five) but this Kerry team have had to learn along the way. It's a tough road for youngsters but learning quickly is a trademark of this team and bit by bit, they brought themselves back into the contest.

David Clifford as he has done all year engineered a score from nothing. Geaney got inside and fired his shot over and into the Davin and Adrian Spillane made sure the residents behind the goal had another one to collect as Kerry fought back to 0-7 to 0-4.

By the 25th minute, it was 0-9 to 0-7 with 15 of those scores coming from play as supporters had barely time to gather their breath as each team once in possession went for the big score. There was little time to digest the wonder that was unfolding as the quality was certainly not easy to measure.

KERRY V DUBLIN

At half time, the sides were level sharing twenty points between them as the teams were roared into the dressing rooms under the Hogan stand at the break.

With so much to discuss and so little time to do it in the stands. Before we knew it, Conor Lane was back out. Before Kerry knew it, Dublin had a goal with Eoin Murchan planting his effort pass Shane Ryan. Before Conor Lane knew it the Dublin corner back travelled half the field with two bounces and one solo but there was still time. It was time to test the experience and Kerry did respond. The chances presented themselves but crucially the radar was now off as the Hill greeted each wayward ball.

Diarmuid O'Connor pulled one to the left; Tom O'Sullivan saw his effort fade away too. David Moran was not immune either, but Clifford and Geaney were hauling their load today. Many felt they did not do their share the opening day. Today however in the biggest battle of them all both men battled to the end, sharing nine points between them and eight from play.

By the 55th minute, there was still just a goal in

it and despite Dublin trying to drain Kerry with their keep ball tactics, like an old pro boxer knowing he was ahead on points with the rounds running out they kept their distance.

The fantastic sight of Gavin Crowley with his seven-week-old son Arlo after the game. Hard to imagine that in his 7 weeks of life the little guy has been to Croke Park on three occasions and while memory of that day will only be captured in a photo, many in years to come will tell him of the efforts that his father Gavin and his band of brothers made

Kerry did get one last chance to plant a blow when Stephen O'Brien, as he did all year for Kerry zipped passed a number of Dublin defenders but the advancing Stephen Cluxton is more than just a ball kicker and he advanced to meet the Kenmare's man's shot. It was blocked and batted away and so too in many Kerry's fans hearts their last chance.

A minute later Paul Mannion kicked his fourth of the day. Niall Scully fired another one over as Jack Barry's counter effort slipped wide of the post. The lead got to six, still were it not for Rathmore's Shane Ryan it may have been more. A wonder late double save of real quality to round off a day when all 23 of his kick outs were retained by Kerry was a sign of the future. However, as they say the future is now and moments later Conor Lane's last act was to blow the final whistle. It was historic to witness, even if it left a sour taste. It's hard to see the team you battled so game fully to wrestle the crown from you, to know that your efforts were just short but on this occasion it would be wrong not to recognise the great team that

KERRY V DUBLIN

Dublin are. Five All Ireland senior titles in a row. Let us salute that one now let us salute our own as well. They played their parts in another epic and they played until they spilled every drop of Kerry blood on the field of dreams that the generations before them would have approved.

What we should not approve is the many Kerry fans who exited before the game was up. When our heroes' needed one last roar, some were busy jumping ship down Jones's road. Still there was few enough on that bandwagon and when it came time to leave the place there was a flood of players and their children on the green grass of Croke Park.

Mostly Dublin but not all. The fantastic sight of Gavin Crowley with his seven-week-old son Arlo after the game. Hard to imagine that in his 7 weeks of life the little guy has been to Croke Park on three occasions and while memory of that day will only be captured in a photo, many in years to come will tell him of the efforts that his father Gavin and his band of brothers made. Like everything, it is the future and the future is certainly bright.

Later for the players it was time to catch up with friends and family in the Burlington as the majority of Kerry fans made their way back to the Kingdom. Many not getting home before 2am. Trains landed back in Tralee and Killarney. The post mortems were carried out. Why was Tommy Walsh so late coming on?, Why was Gavin White dropped, Why did Killian Spillane not get on earlier and why and why and why. It is a question that can torture a soul and many more souls were tortured and taunted on the streets of the Capitol later on in the evening. All in good jest to be fair and as Kerry fans headed to the D2 in Harcourt Street passing the queues for Copper Face Jacks, they gathered to make one final stand with their men as the Kerry team arrived shortly after 1am.

First, to arrive was Jason Foley, who was met by his North Kerry club mates. Tadgh Morley and soon David Moran and before not too long, the team were now amongst their own. A quiet approving smile. A nod of approval a firm shake of the hands all to let them know that we are in this together.

And we are, when you see the likes of Barry John Keane, Darren O'Sullivan, Jimmy Deenihan and Colm Cooper all making the effort to attend as well.

Before long it was 5am and it was time to head back and take on the battle for Taxi's, as rare as a Mayo man with an All Ireland medal.

They were back in time for the Killarney homecoming where thousands once again lined the streets from Killarney Train station and marched behind the double decker team bus to the Glebe Car Park.

Still however people got back, they were back in time for the Killarney homecoming where thousands once again lined the streets from Killarney Train station and marched behind

the double decker team bus to the Glebe Car Park. With the Killorglin Pipe Band leading the way, just like they did in 2012 when the led the defeated All Ireland finalists Kerry's ladies team up the hill at Croke Park. You see it does not matter in Kerry, as long as you give it your best go. Kerry fan's appreciate the effort and when you win so much, it is the importance of recognising the losing too.

One by one, they were welcomed to the stage and as Kerry selector James Foley name called them all, even recognising Peter Crowley's new water technician role, the atmosphere was appreciative.

That appreciation will last for a few more days but it will probably change a little as the weekend draws upon us as the band of brothers in green and gold must go back to their clubs and prepare to fight each other for the rightful heir to the Kerry County title. The prize at the end of, the captaincy of Kerry for 2020.

Therefore, it begins all over again with many new faces looking to force their way into the class of 2020.

KERRY PITCH & PUTT CLUB NEWS

THERE was no joy for either of the Kerry pairs taking part in Pitch & Putt Ireland's inaugural National Scotch (formerly Mixed) Foursomes Finals in Bellewstown, Co Meath on Sunday although Tralee pair Lisa O'Connor & Tony Blake did finish three points off a prize in the Mixed section with a total of 87 points. Their rounds of 44 and 43 points was 11 off the winning score for the section of 98 points but 90 points won the second session prize for the category Lisa & Tony were involved in.

Deerpark duo Lorcan Martin & Darragh O'Callaghan had a disappointing outing in the Non-Mixed section meanwhile with 71 points, 27 points of the winning score in that section

which was also 98 points.

The Munster Scotch Foursomes Finals will take place on Sunday September 29th in St Stephens in Cork. This weekend meanwhile sees teams from Deerpark and Tralee head to the National Inter-Club Qualifying tournament in Bruff, Co Limerick on Saturday looking to make it to the Knockout Stages of the Nett Mens event.

Two teams from Deerpark and one from Tralee in total are entered as they hope to finish in the top five of the Strokeplay Qualifying event which would guarantee them a spot in next month's Quarter-Finals. The Kerry County Board wishes all three teams entered from the county the very best of luck on Saturday.

KILLARNEY CELTIC NOTES

RESULTS

U15 National Cup Ballymackey 1 Killarney Celtic 3

Josh Bowler (2) and Jack O'Sullivan did the damage in the 1st half to send us through to the next round.

U13 National Cup Mungret 1, Killarney Celtic 2.

Mungret started the game better but Celtic scored against the run of play. A free kick floated in by Oisín Fleming was headed powerfully to the net by Aindi OCathasaigh. Mungret then equalised before half time. Celtic back line of Aindi, Ronan Fahy and Tom Purcell defended bravely in the second half with Mark Looney cool under pressure and Diego Abad closing down all attacks in the defensive midfielder role. Mungret were restricted to shooting from far and Liam Spellman in goal handled anything that got through. Leon Bowler and Sean Mahoney were introduced in the second half and helped turn the tide in the last 10 minutes. Leon chased a through ball and pressurised the goalie into a mistake which he calmly finished to the net with

five minutes left.

U12 Premier Killarney Celtic 4, Camp 2.

Celtic started well but found themselves two down when Camp turned over possession and committed numbers and pace to the counterattack. Both their goals were well worked but Celtic reshaped and regrouped putting big pressure on camp immediately. A series of 6 Celtic corners yielded nothing before Dara O'Sullivan reacted to get one back. His 2nd had a good bit of luck when deflected over the excellent camp keeper. Half time finished 2:2. Samuel Scroop played some lovely balls from midfield and the Camp keeper made two great saves. Shay McCormack scored a cracker from outside the box to give Celtic a deserved lead and Eoin Murphy put a pass on a plate for Cillian Slattery late on to add the 4th.

U12 Div 2 MEK B 4, Killarney Celtic B 2

Jack O Grady and James Coffey.

OUR U13 girls travelled to Kenmare today for the National cup blitz, we beat Springfield 1-0 and then played Lakewood which ended nil all, it came down to goal difference and Lakewood pipped us by 1.

CONGRATS to Oisín Fleming U13 who made the KSSL Team of the Week.

CELTIC LOTTO Number drawn 15, 17, 24, 26. No jackpot winner. Match 3 receives €150. Next jackpot €10,200

REPORTS

Inter Kenmare was a perfect venue for the South West 12's Girls Regional qualifiers. As well as the hosts the KSBGL was represented by Killarney Celtic. From the Cork Schoolgirls League were Wilton United, Macroom, Lakewood Athletic and Springfield Ramblers. Drinagh made the trip from West Cork.

The 8 team battled it out for 2 places at the National Finals in Dublin on October 19th. And in the end the two Kerry sides were just denied by places in the finals by two Cork sides Wilton United and Lakewood Athletic.

Going into the last game in Group 1 Macroom and Wilton United were on 4 points with Inter on 2. They knew a big win would see them leapfrog to the top of the table if the Corks sides drew. Inter got the win they needed but Wilton got a late winner to qualify.

In the other group Killarney Celtic and Lakewood Athletic met in the decider level on points but with the Cork side having a 1 goal better goal difference. Celtic did everything to take the win including hitting the crossbar but a 0-0 draw was enough for the second Cork side to progress.

Kerry team progress in the National Cup:

The 2019-2020 SFAI Skechers National Cups got underway at the weekend with action in the 13's and 15's age groups.

13's Round 1 and 2: Killarney Celtic won away at Mungret 2-1 thanks to goals from Andi O'Cathasaigh and Leon Bowler to progress to Round 3. Killorglin also had a very good win on the road as they got the better of Shannon Hibs. The Killorglin goal scorers were Darragh Lynch and Aaron Doyle. Listowel Celtic did go out 3-0 to Murroe.

Tralee Dynamos had a big win away at Newport with Pierce Lowth, Nick Lacey, Shayne Stack, Rory O'Halloran and Mathew Rogers amongst the goals. Fenit also enjoyed a big win on the road as they won 5-2 away to Glantine. Aaron Harty hit three with Kealon O'Dowd and Cian McKenna getting the other two goals.

15's Round 1: It was a good day for the Celtic's in the 15's Round 1. Listowel Celtic had a big win on the road defeating Carrig Celtic 7-0. Evan Boyle, Robert Heffernan and Luke O'Neill all scored two each with Robbie Foley added the 7th.

Killarney Celtic's first half dominance saw them lead 3-0 at the break thanks to two goals from Josh Bowler and one from Jack O'Sullivan. The home side did pull one back in the second period but t no avail.

Mastergeeha have also progressed as they came out on the right side of a 7 goal thriller at Kilbrean Park. The home side's goals came from Sean Doolan, Hugh Lenihan and Alan O'Leary with Cian Murray and Kealon O'Shea

impressing for Mastergeeha.

The trip to Limerick was just a step too far for Tralee Dynamos as they went out of the National Cup going down 3-1 at Fairview Rangers.

JK SPORTS 12 PREMIER

Comeback by Celtic give them the points:

Camp Juniors made the perfect start to their JK Sports 12 Premier game at Celtic Park. They went 2-0 up early on thanks to goals from Mikey O'Leary and Robert Keane.

The home side then forced a number of corners which led to Dara O'Sullivan halving the deficit. The same player then levelled matters just before half time when a deflected effort beat the Camp keeper.

Celtic had the momentum and the impressive debutant Samuel Scroop set up Shay McCormack to score from distance and then Eoin Murphy set up Cillian Slattery for Celtic's fourth. Scroop was the best player for Celtic with Camp Juniors keeper Kevin O'Donnell having an excellent game.

Wins for Ballyhar and Park B in 12's

Division 1:

Two goals from Harry O'Connor and one each from Conrad Long and Shane O'Loughlin gave Ballyhar all three points in their game against Ballyheigue at Mort Scott Park. Mathew O'Sullivan scored for the North Kerry side.

The clash of the two Park sides and it was the C's that got the better of the B's. Goals from Dan Crowley, Temituoyo King Chaninomi, Ademola Idowu, Edison Jahiri, Jack Daly, Sean Og O'Connor and Shane Donovan saw the C's taking the points. Maciek Kubick got both goals for the Park B.

Fenit and MEK Galaxy win in 12 Division 2 North and South

In the JK Sports 12 Division 2 North Fenit won 2-1 at Listowel with Cillian O'Brien and Robert O'Shea on the mark. Fionn Byrne replied for Listowel Celtic.

Goals from Killian O'Donoghue, Fionn Kennedy, Danny Murphy and an og were enough to give MEK Galaxy the home win over Killarney Celtic B in Division 2 South. James Coffey and Jack O'Grady scored for Celtic B.

Points shared in 13 Premier:

Fenit and the Park shared the points after an exciting 6 goal thriller. Kealon O'Dowd hit a hat trick for the home side with Oisín Cronin, Sam Slattery and Ciaran O'Connell getting the goals for the Park.

Dingle Bay the winners in 14 Division 1 game:

Dingle Bay Rovers got the perfect start to the season with a 6-4 home win over Killorglin B in the Slattery's Carpet and Blinds Tralee 14 Division 1. James Hoare hit a hat trick for the West Kerry side and these were added to by goals from their best player on the day Paudie Fitzgerald, Conor Corduff and Cian McGearailt. Cian O'Brien, Ryan O'Connor and two from Mathew O'Loughlin were the Killorglin scorers.

League looking for Coaches:

The Kerry Schoolboys Girls League are interested in hearing from qualified coaches who would like to get involved with its Emerging Talent Programmes and Inter League teams with both the boys and girls.

Please email League Secretary Aidan Murnane (casualandsport@gmail.com) for an application form with the closing date being this weekend.

MEK GALAXY NEWS:

Seniors: An exciting Super Sunday to kick off both teams league campaigns

KDL PREMIER A FIXTURE:

KDL 2B fixture: Home, MEK Galaxy B vs Windmill B - Sunday 22nd September, 2.30pm ko, Fossa community pitch (grass)

MEK GALAXY U12: The MEK Galaxy Under12s B team, got off to a winning start in the League season with a 4-2 in Lackabane last week against Killarney Celtic B. With most players playing their 1st game at this level they made a dominant start to the game without converting their chances to Goals. With 15mins gone Cillian O'Donoghue swept in a free kick and it was deflected to the net by Celtic defender after this Further chances fell to Fionn Kennedy, Caylem Cummins and Killian Fitzgerald but the Celtic defence held out, until a clever finish from Cillian O'Donoghue made the Score 2-0, after this Celtic started to create chances of their own and only for the alertness of Sean Clifford in Goal kept the Celtic attack out. The Half time score was 2-0.

The second half started in a similar vain to the 1st but this time Celtic managed to pull a goal back when the MEK Galaxy defence were unable to clear a ball and Celtic converted to bring themselves back into the game.

Chances were now coming thick and fast with both sides making a number of changes with players starting to tire, it was MEK to the fore in this period with Danny Murphy surging forward and firing home and Fionn Kennedy blasting to the Net after a delightful through ball from James O'Meara, to put the score at 4-1, Celtic again pulled a goal back capitilising on hesitation in the MEK defence to leave the final score at 4-2 to MEK Galaxy.

Man of the Match was James Spillane who made this week's Team of the week.

ROADSIDE TREES, DITCHES AND HEDGES

RESPONSIBILITIES OF LAND OWNERS AND OCCUPIERS

The season for hedge cutting is now open until the end of February 2020.

Kerry County Council reminds all landowners and occupiers of land to ensure that the trees, ditches, hedges and other vegetation growing on their land are not, or could not become, a danger to people using or working on a public road.

The obligation is on the landowner or occupier to ensure their hedges or trees do not pose a danger to road-users and liability for damage or injury resulting from such hazards rest with the landowner or occupier.

Kerry County Council seeks the co-operation of landowners in this to ensure that such hedges and trees are safely felled, cut, trimmed or removed.

**LIABILITY FOR DAMAGE OR INJURY
RESULTING FROM SUCH HAZARDS
WILL REST WITH THE LANDOWNER/
OCCUPIER.**

With your cooperation, Kerry County Council can ensure that safety for all road users is maintained.

APPLES, TEA, AND MODERATION-THE 3 INGREDIENTS FOR A LONG LIFE:

Researchers from the School of Medical and Health Sciences at Edith Cowan University (ECU) analysed data from the Danish Diet, Cancer and Health cohort that assessed the diets of 53,048 Danish people over 23 years and found that people who habitually consumed moderate to high amounts of foods rich in flavonoids, compounds found in plant-based foods and drinks, were less likely to die from cancer or heart disease.

Lead researcher Dr. Nicola Bondonno said while the study found a lower risk of death in those who ate flavonoid-rich foods, the protective effect appeared to be strongest for those at high risk of chronic diseases due to cigarette smoking and those who drank more than two standard alcoholic drinks a day.

"But it's also important to note that flavonoid consumption does not counteract all of the increased risk of death caused by smoking and high alcohol consumption. By far the best thing to do for your health is to quit smoking and cut down on alcohol

"We know these kind of lifestyle changes can be very challenging, so encouraging flavonoid consumption might be a novel way to alleviate the increased risk, while also encouraging people to quit smoking and reduce their alcohol intake" she said.

Participants consuming about 500 milligrams of total flavonoids each day had the lowest risk of a cancer or heart disease-related death.

"It's important to consume a variety of different flavonoid compounds found in different plant based food and drink. This is easily achievable through diet for example: one cup of tea, one apple, one orange, 100 grams of blueberries, and 100 grams of broccoli would provide a wide range of flavonoid compounds and over 500 milligrams of total flavonoids."

Flavonoids have been shown to be anti-inflammatory and improve blood vessel function, which may explain why they are associated with a lower risk of death from heart disease and cancer.

A BELATED WELL DONE TO KINSALE LIFEBOAT CREW:

Last weekend a badly frightened Friesian heifer, who was marooned on rocks after slipping down a narrow path from her field at Castlepark was spotted by a man out on a passing yacht and members of the RNLI in Kinsale were called to the scene.

They took the decision to close the beach when she eventually ended up in the sea in case as a member of the public would have tried to help her and instead could have endangered their life. During the three and a half hour operation the RNLI members involved in the rescue managed to get a rope around a halter that she was wearing and she was gently towed back to safety and enticed into a nearby field by several of the crew. She was then, after some time, loaded up into a trailer and taken home where she was tucked up in her shed, dried off, her cuts and bruises seen to and she enjoyed a good feed of hay.

What a pity the emergency services couldn't have done the same for the cat that was stranded on the chimney of a building in William Street Listowel last March. The 9-month-old kitten's owner had

contacted the Gardaí, the Kerry Fire Service and animal charities asking them for help, but they all replied that they hadn't the correct equipment. Luckily the kitten who had been missing for a week was rescued by an ordinary member of the public who was brave enough to take on the challenge whilst Tigers owner was appealing for help on Radio Kerry's Talkabout.

THIS POLITICAN KEEPS HIS PROMISE:

UN officials reported that Ethiopia's forest coverage has decreased from 35% in the early 20th century to just over 4% in the early 2000s and the Ethiopian Prime Minister Abiy Ahmed promised to fight the nation's deforestation issues by planting at least 4 billion indigenous trees before October.

During one tree-planting event orchestrated by him as a part of his "Green Legacy" initiative to restore natural greenery to the nation Ethiopian officials said that they had successfully planted over 350 million trees in a single day and so far a total of 2.6 billion saplings have been planted across the nation.

The country of India originally set a world record for planting 66 million trees during a 12-hour period back in July 2017 whilst the record for the most number of trees planted in a day by an individual is held by Ken Chaplin of Canada who planted 15,170 red pine seedlings near Prince Albert, Saskatchewan, Canada on June 30th 2001.

2009 - Singer Glen Curtin of the New Blues, Nevada and Galaxy Band passed away.

FOR THE FIRST TIME IN 17 YEARS, THERE WAS NO WHALING IN ICELANDIC WATERS THIS SUMMER:

Due to a shrinking international market for whale meat and the expansion of a no-fishing coastal zone, both of the nation's major whaling companies decided to abandon their summer hunting season altogether, meaning that no whales of any kind were hunted in Iceland.

IP-Utgerd – a company specializing in harpooning minke whales – said that the expansion of the no-fishing zone would force their ships to travel farther out to sea, making the venture far more costly than usual. The company said that they focused on collecting sea cucumbers (marine animals with a leathery skin and an elongated body found on the sea floor worldwide) for the summer instead.

Hvalur, the other Icelandic whaling company, specializes in harpooning fin whales – an endangered species that is hailed for being the second largest whale in the world. Though the company typically exports 100% of their catch to Japan, a shrinking demand for whale meat prompted them to abandon their summer harpooning.

Though the companies may reconsider their whaling ventures next summer, environmentalists and marine biologists are rejoicing over this year's harpooning respite.

THE CANINE CAST OF THE LIVE-ACTION REMAKE OF "LADY AND THE TRAMP" FEATURES REAL-LIFE RESCUE DOGS:

Monte, a 2-year-old terrier mix, was at HALO Animal Rescue in Phoenix with hundreds of other dogs when shelter workers noted that Monte was super friendly, loved to greet people and give kisses, and loved attention.

So, when animal trainers came scouting from Hollywood, Monte was a perfect fit to play the "Tramp".

According to Disney, all the rescue dogs featured in the film found forever homes when production ended.

SOWING HARDY ANNUALS
It may seem a long time away, but sowing some hardy annuals now will give you a very impressive display in early spring. Most hardy annuals can be sown in autumn and will over-winter quite well.
Hardy annuals are plants that will grow and flower for one year only. When sowing your seeds, dig the soil over well, to about a spades depth, then rake it over and firm it down, and make sure it is weed free. A good idea before sowing your seed is to mark it out by sprinkling some sand on the area you're going to sow the seed on. Also don't sow the seed into soil that is too rich, as this will only encourage too much leafy growth and not enough flowers. If the soil is rich there is no need to use fertilizers.
You can also scatter the seed over the whole bed, and try and leave about a 1/4 of an inch between them and cover them lightly with some compost and water well, but make sure there is a fine rose on your watering can. There is a range of hardy annuals to choose from so make sure you know the heights and spread and, of course, the colour.
stic which are really very practical.

A Word of Victory

Welcome back dear reader "weeping may endure for the night, but joy comes in the morning" (Psalm 30:5). Are you going through a season of weeping? God promises that no matter what the ordeal, joy will come as you praise and honour Him. Everyone goes through dark trials in life. Night time can be the hardest, when everything is quiet and we start thinking. But after every night there comes a dawn. It is true friend – whatever the circumstances you are going through light will come. But many things can prevent us from breaking out of darkness, grief and fear. In 1st Samuel chapter 7 the people of Israel were in trouble. Their enemies were terrorising them. Even though they were God's people, they had turned away from His Word and worshipped false gods and trusted in them. Now they were reaping the results of the demonic influence those idols brought. Many people are in dark places today and they have no idea why. They are living with curse, sickness and torment; suffering terribly and are clueless on how to receive healing. But God's Word is very clear - the second commandment tells us that we are not to bow down before images or statues of anyone who is in heaven or on earth, and we are not to worship idols because it brings curse. God is a jealous God and He does not share His glory with anyone (Exodus 20:3-6). His Son Jesus is our Messiah. He is the One Who died on the cross for our Salvation, but He is not on that cross any longer because God raised Him up and He is alive! (Read Romans chapter 6) Samuel told the people that they had offended God with their false god worship and this was the reason they were in turmoil and defeated. The people accepted the rebuke, repented of their sins, and got rid of their idols. God intervened supernaturally and they overcame their enemy. Everything changed as they changed the focus of their worship. Samuel put up a stone of remembrance to remind them of God's deliverance, so they'd never forget to worship only Him. There is no other name by which men can be saved but the name of Jesus (Acts 4:10-31). Taking the cup and bread is our reminder today of God's Salvation, and it's only in Jesus' name that we can approach God the Father (1 Corinthians 11:23-30; John 14:6). Jesus gave His life for your freedom and healing friend - allow His love in to quench the darkness!

Barriers to Success

Do you ever feel that you have more potential than you are realising? Perhaps it seems as if your plans never come to fruition – or you sabotage your own success. Perhaps you lack confidence in your own abilities and doubt your capacity for success. Do you tend to procrastinate or find your great ideas never see the light of day? Then it may well be that you are creating your own psychological barriers to success?

Many of us carry around limiting beliefs and negative habits which hinder our success. These beliefs and behaviours are sometimes so well developed that we don't even realise they are there – and when we do, we don't have the skills or tools to overcome them. Typical barriers to success include: Fear of success and/or fear of failure, low self-esteem, negative thinking, reluctance to seek help, negative past experiences that continue to create emotional blocks, difficulties relating to others, depression, self-doubt and/or lack of self-belief.

However we pay the price for these negative thoughts and self-doubts.

Bring to mind something that you've been wanting to do – and write it down on a sheet of paper. Now think of all of the reasons that stop you from doing this – and write these down. Next review the list and cross off those that are simply not real or true (it may be helpful to enlist the help of a friend here).

Now look at the negative beliefs on your list that can be substituted with something more positive. The brain cannot hold two contradictory beliefs simultaneously – thus try replacing a negative belief (e.g. I could never go to college) with a more positive one (I have the ability to go to college). Better still, write the positive affirmation in the present tense as if it is already happening (I am studying in College and loving every minute of it). Write down your affirmations and put them on your desk or bathroom mirror, repeating them as often as possible. Notice when self-doubts crop up.

When self-doubts and limiting beliefs sneak in – do a reality check and ask yourself 'Is there a rational reason to believe them?' If so, what can you do to change this? Is there something practical we can do to? Sometimes our doubts and negative self-beliefs are rooted in earlier life experiences or childhood traumas. If this is the case, perhaps you could seek the help of a counsellor or coach to overcome these.

Next week we will continue to look at our own personal Psychological Barriers to Success and discuss ways in which these can be overcome.

THE MIRACLE PRAYER

Dear Heart of Jesus in the past I have asked many favours. This time I ask you this special one, (mention favour).

Take it dear heart of Jesus and place it within your own broken heart where your Father sees it. Then in his merciful eyes it will become your favour not mine.

Amen.

Say this prayer for three days. Publication of prayer and favour will be granted.

MY

1ST ANNIVERSARY & ACKNOWLEDGEMENT

IN LOVING MEMORY OF

**HANNAH
MURPHY
(NEE O'SULLIVAN)**

DOON, KISKEAM
DIED 2ND OCTOBER 2018

As we lovingly remember and deeply miss Hannah, those who truly loved her would like to express their deep appreciation to all those who sympathised with us on our sad loss. Sincere thanks to all our relatives, friends and our loving and caring neighbours who visited her during her illness and who supported us through very difficult days.

Thank you to all who attended the wake, removal, requiem Mass and burial and all those who travelled long distances. Heartfelt thanks to those who sent Mass cards, perpetual enrolments, messages of sympathy, floral bouquets and wreaths and those who telephoned.

To Dr. Mary and all the Doctors and staff of Dr. Leaders Surgery for their care, help and support, thank you. To Margaret and Mary of home help. To Sandra and the Public Health Nurse's for their care and kindness. To Murphy's and O'Sullivan's Pharmacies for all their help.

The Doctors, Nurse's and staff of Mallow General Hospital for their care and kindness. To Denis Casey and Family Undertakers, Kiskeam for their help and support.

A special word of thanks to Fr Jim Kennelly, Fr Mulvihill, Fr O'Leary, Fr Buckley and Deacon Teedy O'Connor who's funeral Mass gave us great comfort. To Margaret and Betty, the Clark's for their help. To Joan and Sheila for their lovely music and singing.

Many thanks to the committee of Knocknagree community centre and Anne's Kitchen Boherbue for all the food.

Please accept this acknowledgement as a token of our gratitude and appreciation. Mass has been offered for your intentions.
