WORTH THE WAIT.... JUBILANT LEGION SECURE COUNTY FINAL PLACE

Years of hard work came to fruition on Sunday afternoon last when Legion secured a place in the County Final for the first time since 1946.

The club beat Rathmore on a scoreline of 1-12 to 1-09 following a nail biting thriller in the Fitzgerald Stadium in which they trailed by six points at one stage during the game.

"We are thrilled to get there", Enda Walshe told the Killarney Outlook.

"The club has worked very hard in the last 15 years and the benefits of that are seen in the development of this group of players", he said. "Special mention must be given to the coaches during that time". Enda added.

"The club decided to take a further step when we approached Peter Keane and the work the players have done with Peter, Chris Flannery and Diarmuid Leen have brought them on even further. Obviously we are thrilled to be in

a final but finals are for winning so we will be hoping that the lads put in a performance of a

lifetime to see us win the County Final". he said.

A NIGHT AT THE BREHON FOR THOSE "KEANE" ON STYLE

TV presenter and author Lorraine Keane will host a glamorous evening of fashion and beauty at The Brehon, Killarney on Friday, November 6th.

Lorraine's "Keane on Style" event will include a fashion Show featuring a selection of her favourite boutiques, designers and online retail stores, hair and make-up demonstrations from Ireland's top professionals including Killarney's own Pat O'Neill and beauty and skincare advice from some of Ireland's leading experts.

"Killarney really is a 'home from home' for my family. We have a wonderful photo on one of our walls of Peter, my husband, at the Puck Fair in Killorglin, aged 8. Beside it we have a photo of our two daughters, aged five and two on a jaunting car in the Gap of Dunloe," explains Lorraine.

"Killarney has been the holiday destination literally for generations of both our families because it ticks so many boxes. The scenery is spectacular and there are so many wonderful places to eat, drink, stay (even camp!). I've also been known to do a bit of 'credit card damage' in some of the town's boutiques (usually leaving Peter and the girls to head for the funfair or the lakes) so I'm very excited about bringing the Keane On Style event to Killarney."

Tickets for "Keane on Style" cost €50 and this also includes a goody bag, tapas and a glass of bubbly, spot prizes and the opportunity to shop at the Pop-up fashion shop with exclusive discounts available on the night. There will also be a raffle in aid of the Donal Walsh Live Life Foundation.

TV PRESENTER AND AUTHOR LORRAINE KEANE.

DREAMS DO COME TRUE....

GEARÓID HEALY PRESENTING THE MAN OF THE MATCH AWARD TO ARGENTINA'S NO 10 NICOLAS SANCHEZ.

It was a dream come true for young Glenflesk rugby fan Gearóid Healy who was chosen from thousands to present the Man of the Match award in Cardiff on Sunday last at the Quarter Finals of the Rugby World Cup.

Gearóid is the son of Rosie and Derry Healy and he has his mum to thank for the amazing opportunity.

Rosie, a teacher at St. Brigid's Presentation School entered a Bank of Ireland Mastercard competition and heard the news on Tuesday last that she had won the Quarter Final package which included flights, accommodation, tickets, transfers and all hospitality.

The adventure began when they flew from Dublin airport Saturday morning at 7.55am. "We were picked up at the airport and taken to the hotel where we were met by a lovely girl from Mastercard who looked after us all weekend", Rosie told the Killarney Outlook.

On Sunday Rosie and Gearóid were bought to the hospitality area at the match where they met Ian Gough a former Welsh International. It was Ian that filled them in on he told us what was in store for Gearóid - namely that Mastercard had arranged for Gearóid to present the Man of the Match Award.

Ten minutes before the end of the game Gearóid was taken down to the tunnel and given a large Mastercard jacket and went on to present the Man of the Match to Argentina's No 10.

However that was not the only special thing that happened on the day Rosie said: "Before he left the field he did manage to nab Jamie Heaslip to sign his jersey which was lovely. And after the match we also met Shane Lowry and Shane Horgan in hospitality - Gearóid definitely felt 10 foot tall. It was simply an unforgettable day", she added.

VOLUNTEERS HELP KEEP THE PARK CLEAN

Volunteers from the community, members of Tidy Towns and pupils of national and secondary schools gathered at the entrance of the Demesne, the area around Knockreer House and the River Walk on Saturday last 17th October Killarney for a National Park Education Centre organized clean up of the park.

As part of the Green Flag initiative, a total of 29 bags were collected and then separated into recycling, landfill and cans, with the cans being given to the Holy Mercy Cross School in order to help with their aluminum can collection. After all their hard work volunteers enjoyed refreshments, biscuits and a selection of sandwiches which were kindly provided free of charge by the Holiday Inn Killarney. Further litter picks in the park involving schools and the local community are planned for the future and Killarney National Park Education Centre would like to thank everyone that participated Saturday's litter pick.

LEARNING MINDFULNESS IN THE HEART OF KILLARNEY'S NATIONAL PARK

MORNING AT MUCKROSS.

Leading psychologist & author Hugh O'Donovan will enlighten guests with the concept of Mindfulness and its practices at "Mindfulness in Muckross", which will take place on 7th November in the Muckross Park Hotel and Spa.

For many people, slowing down mindfully can be challenging at first. This unique retreat will embrace the relevance of Mindfulness in a fast paced world. Speaking with Hugh O'Donovan he explains "In reality, we're inviting people to show up, slow down and notice their unfolding experience in a number of different and beneficial ways."

Hugh added "the skills learned can be incorporated into an overall mindful way of living where well-being is a central focus, consequentially leading to greater effectiveness in life and work. These skills will be practiced in

the wonderful natural setting that is Killarney's National Park".

Mindfulness is a practise that is becoming increasingly popular and this is a prime opportunity to learn more about it. This exclusive event offers a Mindfulness session with Hugh O'Donovan, Afternoon tea, Mindful tasting, Gourmet dinner prepared by award winning chef John O'Leary, and Mindful walking through Killarney's National Park. Muckross Park Hotel provides the core ingredients to switch off from a busy lifestyle and is the ideal location for an escape like this. Nestled in the heart of Killarney's National Park, perched beside the Blue Pool River, and home to the award winning Spa; emerge feeling relaxed, rejuvenated and positively ready to face your work and life with a new balance and Mindful outlook.

CLLR. QUERIES ROAD IMPROVEMENTS

CLLR MICHAEL GLEESON.

"At the October 2015 Killarney Municipal Area meeting, Councillor Michael Gleeson asked if Kerry County Council had any proposal to improve the roadway at Dromhumper, Mill Road, particularly along by the safety barrier where the surface is in a

deplorable state.

Kerry County Council replied that it had very recently carried out some repair work on the

road. The roadway may be considered for inclusion in the next multi-annual Restoration Improvement Programme and thus allow more substantial work to be carried out. It is likely that the Council will be asked to submit such a programme for consideration prior to the commencement of the 2016 programme. Councillor Gleeson stressed that the improvement of this roadway is of vital importance as it is extremely busy and is much used by visitors to the area. He urged that it would be given due priority.

Mangan from What Women Want, Kieran Corcoran from Corcorans furniture and Emer from TopTeam painters introduce themselves to

the large gathering. Chamber Vice President, Paul O'Neill spoke briefly about his successful recent trip to Ballyhoura to view the mountain biking facility there. A New Chamber initiative was introduced on the day whereby an opportunity is being offered to frontline staff in chamber businesses to go on a FAM day around Killarney. The event will take place on Tuesday, November 2nd with the opportunity available to go hiking, kayaking, walking, horseback riding or take a train tour. This will be followed by an evening in the back of the Laurels in association with Diageo specifically for bar and restaurant staff where fun and interactive evening is planned to explore all that Guinness means to the industry and fun facts that can be passed on to customer. The idea is to have frontline staff more informed on all that the tourist can do in Killarney and be able to share their experiences. All in all another successful event under the Presidency of Kate O'Leary.

HAVE YOU REVIEWED YOUR PENSION RECENTLY?

As you have probably seen or read in the news recently pensions are being discussed very often. This shows how important pensions are, so if you have a pension it is very important that you review your pension **NOW**. You may not be contributing to this pension anymore but it still needs to be reviewed. You need to know what kind of pension you have and what funds your pension is invested in. Your pension could be invested in very high risk funds which means that the value of your pension can substantially decrease or substantially increase over a very short period of time. You also need to look at the fees and charges associated with your pension, there may be more competitive options available to you where the fees and charges are less. If you do not review your pension you will not know if your pension is increasing or decreasing in value or if your pension is on track to get you what income you need at retirement. So whether you are currently contributing to a pension or have a pension that you had in the past it is very important that your pension is reviewed now.

To discuss this or any other financial matter you can contact Dermot Cronin at **064 66 22775** or **087 2893649**

MICHEAL HEALY-RAE CONDEMNS CHANGE TO THE ANGELUS

The Angelus has been broadcast on RTE television since 1962, but in recent years there have been a number of calls for it to be changed in light of evolving attitudes to religious practice. Now, a new set of short films, commissioned from Kairos Communications following a competitive tendering process, aim to be "conductive to prayer or reflection for people of all faiths and none". The films

will feature people from all walks of life; from a sand sculptor to a carer, and from a traditional bookbinder's workshop in Athlone to a topiarist's garden in Malahide. The six new featurettes will be shown in daily rotation.

RTE will also designate one slot per week, on Fridays at 6pm, as 'The People's Angelus', when it will showcase the work of aspiring filmmakers and artists in communities across Ireland.

TD for Kerry Deputy Michael Healy-Rae says "I strongly condemn any change in the way the Angelus is presented, the Angelus has been with us for decades and any watering down of it should not be allowed, it is a small bit of time out of peoples lives to reflect on things that are important and it should be retained on its present format".

ROWING FOR A GOOD CAUSE

Months of rowing by a group of ladies from Cromane culminated in a cheque presentation at Jack's Bar and Restaurant on Saturday evening last.

Cromane Charity Seine boat rowers presented the cheque for the sum of €3500, to Denis Daly and Donal O'Sullivan who were representing the Irish Pilgrimage Trust Group 135. The trust send sick children to Lourdes annually.

The money was raised by the ladies from Cromane, who rowed against other teams from the surrounding areas, with the races held in Cahersiveen.

In receiving the cheque, Denis stated that the Cromane boat crews and kind donations by local business in Cromane and Killorglin have over the last few years have managed to collect a staggering €30K, for this most deserving cause.

A FEAST OF STORY TELLING AWAITS YOU IN SNEEM

PICTURED IS SNEEM SEANCHAI & FESTIVAL CHAIRMAN BATT BURNS.

GAA legends Mícheál Ó Muircheartaigh and Weeshie Fogarty will be joined by GAA icons Pat Spillane and Dublin's Tony Hanahoe at a night of GAA stories - which will be one of the highlights at the 4th Sneem International Storytelling and Folklore Festival.

The event, which takes place this November (6th-8th) in South Kerry promises to be a pulse-quickening, funny-bone-tickling, imagination-prickling weekend of storytelling and spoken word activities.

Saturday night's 'GAA Legends' event will

feature the two sports broadcasters who will present an original format of GAA storytelling; the story of 'caid', the hard men of the GAA, maverick GAA coaches, funny incidents in dressing rooms, hilarious happenings on tours abroad and lots more.

The main thrust of the festival is to revive the old tradition of storytelling which was part of the fabric of life in the Iveragh Peninsula in South Kerry for centuries. This year it has attracted leading professional storytellers from Australia, Canada, Scotland and Ireland including from Dublin and London Clare Murphy, Scotland's David Campbell and Kerry's Ray O'Sullivan who will perform in the Gala Friday night storytelling concert.

Patrons can look forward to storytelling workshops and lectures, a storytelling pub trail, a Young Tellers concert (11-18 year olds), lunchtime theatre and the hugely popular 'Story Swap' sessions which are hosted by our featured tellers over the weekend and where members of the public can come along to share and swap stories with each other.

For walking enthusiasts, you can take a storytelling walk into the countryside with a stop at an 18th century farmhouse to be entertained by Ray O'Sullivan or take a guided bus tour to nearby Derrynane House and Mass path.

Another festival highlight is acclaimed Kerry poet, translator and author of over 50 books Gabriel Fitzmaurice who will deliver a lunchtime lecture entitled 'Story in the Work of Kerry Authors'.

Festival chairman Batt Burns commented, "We are excited to have professional storytellers coming from across Ireland and two other continents this year. Our 'GAA Legends' event will spark particular interest as the GAA has been an integral part of the life of Ireland, both rural and urban, since its foundation in the late nineteenth century and we have pulled together some of the greatest GAA storytellers to bring to life their treasure trove of great human and historical stories that are entwined in the life of this great organisation."

LOCAL ARTIST HOSTS EXHIBITION

Killarney artist Dylan Hodd is hosting an exhibition on Saturday 31 October at the Ancient Rituals Tattoo and Art Gallery. In his surrealistic paintings, Dylan takes much inspiration from Kerry landscape. With a boundless imagination and a strange sense of humour mountains become the thrones for giants and vast cliffs with human faces. The coasts of Beara, Iveragh and Dingle, are the inspiration for worlds between worlds where lighthouse-headed giants roam. While the

Killarney woods with their mossy boulders and weather beaten trunks are often the locations for mysterious buildings and barely imaginable creatures. Dylan has a BA (Hons) in fine art. He has exhibited at the Crawford college of Art and design, the Simsa Tira, Tralee and the Frank Lewis Gallery, Killarney. The Otherworld on the Edge of Town opens at 7.00pm at the Ancient Rituals Tattoo and Art Gallery, Chapel Lane, Killarney.

KILLARNEY WOMEN IN AGRICULTURE SET THE BAR FOR OTHERS TO FOLLOW

The success of the Killarney Women in Agriculture group is to set to be replicated by a group in Causeway in North Kerry.

A number of women from the region have been attending meetings of the long running Killarney Women in Agriculture group and now hope to start their own local group with support from the Killarney group.

In addition, there are hopes that another group might reform over the coming weeks in the South Kerry area giving further strength to the women in agriculture groupings in Kerry.

At the recent AGM of the Killarney group Sheila Crowley has taken over as chairperson from Martina Tangney with the long serving Joan Collins becoming president of the group. In addition Patricia Kelliher has been appointed secretary and Ettie Horgan is the treasurer with Eileen Moynihan taking over as PRO. Speaking following the most recent monthly meeting Sheila Crowley said that in addition to progress in developing new groups in Kerry, they have been developing links with other similar groups around the country, particularly in Wexford. "We are hoping to build on these links over the coming months and hopefully develop stronger links" Sheila said

and she offered to work with women from any other parts of the county who are interested in starting a group.

The Women in Agriculture Facebook page is also proving extremely popular as a means of enabling members communicate between the meetings. Developed last year with support from South Kerry Development Partnership and Lee Strand Co-op, the page is a focal point that enables all information with regard to upcoming events to be spread across the group. "PRO Eileen Moynihan encouraged all

women interested to get in touch with them through the Facebook page to ensure they can suggest topics of interest for the meetings as well as knowing what is happening. "We would also like to take the chance to thank both SKDP and Lee Strand for their continued support" Eileen added.

The Killarney group meet on the second Wednesday night of every month and cover a wide range of topics from family health issues to farm safety, fashion items and everything in between.

OUTLOOK FASHION TIP:

THINK STRATEGICALLY:

Assess your closet before hitting the shops. Figure out what pieces your closet is seriously lacking for the next season and attack the shops accordingly. If you really want to stay on track, make a list.

DIET TIP

Remember that little things add up. So keep eating a little fruit here, some veggies there, continue grabbing 10 minute walks between meetings. Weight loss is a journey guided by your unique needs, so hook into what works for you -- and do it!

Beauty Tip

Scent your strands.

Put a small amount of an oil-based fragrance on your fingertips and then run them through your hair. Oil will linger in your locks longer than a traditional spray version, and it won't dry out your do.

Staying in shape

Fad diets may promise you the world, but they tend not to work in the long-term. They're normally too drastic for people to stick to for very long. Most of them are nutritionally unbalanced too. The key to successful weight loss is to make small, gradual changes to your eating and physical activity habits that you can keep up for life. Don't think of yourself as being on a diet. Instead, look upon it as a series of small lifestyle changes that you need to make - one by one - in order to reach, and stay at, a healthy weight. The first step in any successful weight loss programme is making changes to your lifestyle - eating less, and becoming more physically active. We know that gyms don't suit everyone and it's important to remember that exercise can take any kind of activity such as walking or cycling, washing the windows, or vacuuming around the house. You may have heard about new medications that claim to help with weight loss. While a small number of these have been shown to be effective in supporting weight loss among obese individuals, this is only in combination with changes in lifestyle, for example eating less and being more physically active.

One simple way to reduce calorie intake is to try and eat smaller portions of foods. Switching from fatty foods to lower-calorie foods like wholegrain breads and cereals, and plenty of fruit and vegetables can also help.

Eating meals at regular intervals throughout the day can help with any hunger pangs don't forget to drink plenty of water as well.

TO KEEP ON TRACK WITH A WEIGHT LOSS PROGRAMME, TRY TO:

- weigh yourself once a week
- keep a diary of your progress
- keep a food diary of what you eat each day - it's a really handy way to focus on what you are eating and prevent you going back to old habits.
- get a friend or family member involved as it will motivate you both!

If you don't have success with these changes, consult your GP, practice nurse or dietitian for more detailed advice.

Fad diets and quick-fix pills are not long-term solutions to weight loss; think of small steps you can achieve over time and adopt these lifestyle changes for good.

LET GO OF THE "HOW'S"

One of the major things that stops people from achieving their dreams is that they get blocked by trying to figure out how to make it happen! As they try to work out all of the steps and actions between where they currently are and where they want to be, the dream suddenly seems overwhelming! The truth is that we cannot know all of the things that will fall into place to help materialize our desires. Trying to figure it all out simply drives you crazy!

THREE STEPS TO ACHIEVING YOUR GOALS:

1. Be clear on what you want and why. Picture the end result in terms of feeling happy, energized and fulfilled. Show up every day by taking baby steps as you do your best day-in-and-day-out and then let the results take care of themselves.
2. Don't attach to it! This doesn't mean that you give up the intention to create your desire. You don't give up the intention, and you don't give up the desire. You give up your attachment to the result. This is where most of us get in our own way. Imagine what would happen if you kept on digging up the soil to see how well your newly planted seeds were doing!
3. Trust the process and be adaptable. Our desires and dreams can show up in the ways that we least expected them to! This is why it's important that you are open to allowing your goals to emerge in every possibility!

Join me in my Chakranetics classes (mindful moving meditations) every week at the Travel Inn, Fossa. Tuesdays at 10.00am. Mondays at 7.30pm! Also, Thursdays at 7.30pm in Tralee at Collis-Sandes House.

CASTLEISLAND GETS READY FOR CELEBRATION OF TRADITIONAL MUSIC

There is a welcome treat in store this weekend in Castleisland with the Patrick O'Keeffe Traditional Music Festival which gets underway on Friday night with the music reported to go right through to closing time on Monday night.

The festival will open with a gathering session at Browne's Bar. In the course of the session at 9pm Paddy Jones will deliver a lecture on The Music of Sliabh Luachra.

"We hope to attract the usual levels of support for the packed programme we've put together and that both locals and visitors enjoy the festival," said event Chairman, Cormac O'Mahony.

"While we put a tight plan and a 'Pub Trail' together for every single year of the 22 gone by, there are always great stories of accidental or impromptu sessions which break out in the course of these weekends. And that's true of this type of festival in any corner of the country.

Tickets for the Sunday night 8pm concert can be booked by ringing: 066 71 42555.

OPEN NIGHT AT KILLARNEY COMMUNITY COLLEGE

STUDENTS FROM KILLARNEY COMMUNITY COLLEGE ENTERTAIN THE VISITORS AT THE OPEN NIGHT.

On Monday 19th October, a very successful open night with large numbers of 5th and 6th class parents and their children came to view the wide range of facilities and subjects on offer in Killarney Community College. The principal Fiona O'Brien shared findings from the recent whole school inspection from the Department of Education. She highlighted aspects of the report such as the department of education findings that "management of the school work in a collaborative, consultative manner with a clear shared vision" while teachers were acknowledged by the inspectors as "a professional, loyal, caring staff with a spirit of collegiality and volunteerism". Other highlights of the report stated "87% of students agreed or strongly agreed that they felt safe and cared for in Killarney Community College". Principal, Fiona O'Brien also highlighted the comments that "Teacher/Student interactions were very

positive with care and concern apparent in all classes". Last week's recent report highlighted the professionalism of management and staff and the high academic achievements of our students in the college. This year we were delighted with our student ambassadors who answered parents questions and who spoke about their own individual positive experience of the college. Deputy Principal Ms. Stella Loughnane commented that "our open night was an ideal opportunity for parents and students of 5th and 6th class to experience the schools unique house system and the many facilities and activities on offer in the college". Enrolment took place on the night with remaining places to be filled by Friday November 27th 2015.

DON THE KERRY SCIENCE JERSEY

Science Foundation Ireland is calling on Kerry students to represent their county for Science Week 2015 and be in with a chance to win some great prizes. Science Foundation Ireland is hosting the competition to see which county in Ireland will have the highest percentage of schools participating in or hosting Science Week activities. Science Week takes place from 8th to 15th November, 2015 and this year's theme is Science Week 2.0 – Design Your Future. Last year Kerry ran 12 events and was among the top 15 most scientifically engaged counties, but this year Kerry needs to aim to win. To help celebrate Science Week's 20th birthday, Science Foundation Ireland is encouraging both primary and second level schools across the county to participate by running their very own Science Week events and activities. The schools in the county with the highest participation rates will be in with a chance of winning a fantastic prize. The prizes include a special live video link-up with Science Week 2015 ambassador and Irish rugby star Jamie Heaslip for secondary schools, where you will have the opportunity to ask him your sports and science questions. Primary schools are in with a chance to win an exciting science show for your school. Entering is simple – all you have to do is take part in a Science Week activity. PLANNING FOR THE FUTURE.... YOUNG STUDENTS ENJOY OPEN DAYS

The transition from Primary School to Secondary School is a huge event in the life of every child. They go from being the big fish in the small pond to the small fish in the big pond.

One of the biggest changes when starting secondary school is the constant change in the day to day routine.

This week secondary schools in Killarney opened their doors to fifth and sixth class pupils from the greater Killarney area in a bid to encourage them to choose their centre of educational excellence.

Killarney Outlook photographer Marie Carroll O'Sullivan was there to capture the open days in St. Brigid's Presentation School, Killarney Community College and St. Brendan's College.

ERROR BY KCC CAUSES CONFUSION AMONGST REGISTERED VOTERS

Senator Marie Moloney has been informed by Kerry County Council that those who received a letter from the Register of Electors this week saying that they will be removed from the voters list is incorrect. Several hundred people received the letter saying they were being removed from the registered, which was due to a clerical error. Those who received the letter

will be written to again to clarify the situation, and do not have to do anything to rectify the situation. Senator Moloney added that those who are not yet registered to vote, who may have turned 18 or moved address, should apply now to be added to the register and not wait until the election is called and seek to be added to the Supplementary Register.

"It is much easier to be added to the register now, as the supplementary register requires more paperwork, and a Garda signature is also required. Applications forms for inclusion in the Electoral Register are available from all local authorities, post offices and public libraries. Forms are also available on www.checktheregister.ie

GARVEYS SENIOR FOOTBALL CHAMPIONSHIP

LEIGION REACH THEIR FIRST COUNTY FINAL SINCE 1946

KILLARNEY LEIGION 1-12

RATHMORE 1-09

Killarney Legion who have lived in the shadow of their fellow town rivals Dr Crokes in recent years, qualified for their first Garvey's Kerry SFC final since 1946, when they defeated East Kerry rivals Rathmore in the first of this year's County Semi-finals at Fitzgerald Stadium on Sunday afternoon.

For long stages, Rathmore held the upper hand. They twice led by four points and appeared set to qualify for their first ever County SFC decider.

However, Killarney Legion were not going to be denied and the introduction of the very influential Pdraig Lucey helped turn the tide in their favour.

Legion's main attacking threat came from Kerry star James O'Donoghue. The county star, who was marked tightly by his Kerry team mate Paul Murphy for most of the hour still scored 0-6 from play and frees and all were crucial to his side's ultimate victory.

Murphy picked up a yellow card at a vital stage in the second half which curbed his influence and allowed O'Donoghue the chance to penetrate more freely.

Apart from O'Donoghue, Legion had other notable performances from Conor Keane and Jonathan Lyne as they eked out a famous victory.

Rathmore created a number of goal scoring opportunities but succeeded in finding the net just once as Legion's goalkeeper Bryan Kelly produced some outstanding saves to keep the Rathmore goal tally down.

The game was played in a very sporting manner throughout. The dismissal of Aidan O'Mahony towards the end on a straight red card was a major talking point.

LEIGION'S JAMES O'DONOGHUE WHO SCORED 6 POINTS IN THEIR SEMI-FINAL VICTORY OVER RATHMORE.

Legion are now 60 minutes away from claiming the Bishop Moynihan Cup for the second time in the club's colourful and illustrious 86-year history. Rathmore got off to an explosive start and their forward division looked very dangerous and provided the Legion defence with many serious problems and were 1-1 to 0-0 up after four minutes, Donal O'Sullivan the goal scorer following a fine move.

Rathmore were sharper and dangerous every time they moved inside Legion territory and scores from Brendan O'Keeffe, John Moynihan, young Dean Fitzgerald and a thumper from Aidan O'Mahony added to their tally.

James O'Donoghue (2) and Conor Keane tacked on points for Legion but Rathmore responded when goalkeeper Pdraig McCarthy converted a 45.

James O'Donoghue with two points bringing his tally to five in the first half, reduced the gap

as Rathmore led 1-5 to 0-6 at the interval.

Rathmore began the second half brightly and Eoin Lawlor and Donal O'Sullivan extended their lead to four points inside the opening 12 minutes.

Jamie O'Sullivan and Aidan O'Mahony exchanged points and at this stage Rathmore were still leading by four points.

Conor Keane then pounced for a Legion goal in the 47th minute when he finished a slick James O'Donoghue pass to the net to leave just the minimum between the sides.

Rathmore were clinging on to their one-point lead. Peter Keane's side were growing in confidence and driving forward at every opportunity.

Legion took the lead for the first time in the game when Jonathan Lyne and Jamie O'Sullivan pointed.

When Jamie O'Sullivan landed his second point with 60 minutes gone, Legion led by three.

Rathmore were shell-shocked at this stage as their hopes of a final place were fading fast. Eoin Lawlor cut the gap to two but time was very much against them, and when Billy Maguire landed the insurance score, Legion's place in the decider was secure.

Killarney Legion: Brian Kelly, Chris Davies, Danny Sheahan, Podge O'Connor, Daragh Doherty, Damien O'Sullivan, Jonathan Lyne (0-1), Shaun Keane, Jamie O'Sullivan (0-3), Kevin Breen, James O'Donoghue (0-6, 0-3 frees), Billy McGuire (0-1), Tom Moriarty, David O'Sullivan, Conor Keane (1-1).

Rathmore: Pdraig McCarthy 0-1 (45) Conor Jenkins, Tom O'Sullivan, James O'Sullivan, Conor O'Sullivan, Cathal Murphy, T.J. Friel, Aidan O'Mahony 0-2, Donal O'Sullivan 0-1, Brendan O'Keeffe 0-1F, Paul Murphy, Daniel O'Sullivan 1-0, Eoin Lawlor 0-2, John Moynihan 0-1, Dean Fitzgerald 0-1.

SOUTH KERRY AND KENMARE DISTRICT CLASH IN SECOND SEMI FINAL

Football followers in the Kingdom should be in for another treat on Sunday next when two Divisional sides, Kenmare District and South Kerry, clash in the second semi final of the Garveys Supervalu senior football Championship at Fitzgerald Stadium (throw-in 2:30pm).

It is fair to say that over the past few weeks we have seen some fine games in the championship with all teams adopting a very positive approach in the way they played the game. Sunday's encounter should be no different.

Kenmare District have qualified for this

stage of the championship for the first time since they last won the competition way back in 1987 and they have done so with free scoring victories over St Brendans, Laune Rangers and West Kerry.

They are a relatively young side with a refreshing style of play and it will be interesting to see how they fare against an experienced South Kerry side.

South Kerry for their part, are backed by newly crowned county Intermediate champions St Marys but of course they have had to endure the disruption to their preparations due to the Intermediate

Championship final and the pending Munster Intermediate Club Championship which is pencilled in for the weekend of November 1st. The divisional side will be longing for a return to the glory days of the noughties when they captured four titles, the last of which they won in 2009.

This unique semi final pairing should bring another big crowd to Fitzgerald Stadium on Sunday. This is a stand-alone fixture and patrons are asked to come in good time to avoid congestion at the turnstiles. Extra time will be played in the event of a draw.

COUNTY U16 HURLING CHAMPIONSHIP FINAL

GOALS DO THE TRICK FOR SOUTH KERRY VICTORY

SOUTH KERRY 4-13
CROTTA O'NEILLS 2-13

An understandably large crowd gathered in the Fitzgerald Stadium last Saturday to watch the replay of the U16 County Hurling Final. The drawn game had been a cracker, a brilliant exhibition of hurling skill and tenacity. The replay was as good, if not even better, with very little between two high-scoring teams at any stage until the adrenaline-filled final minutes.

Barry Mahony scored 1-12 in that match and started in the same vein on this occasion, firing over the opening score. However, South Kerry's sharpshooting corner forwards Michael McCarthy and Donal O'Sullivan responded with frees. Barry added two more points to his tally and fed Donal Hunt for a superb goal. At 1-3 to 0-2, it looked as if Crotta might begin to pull away, but instead South Kerry responded brilliantly with Michael McCarthy laying off to Donal O'Sullivan for a great goal. Barry Mahony pointed a free but Donal O'Sullivan and Micheal McCarthy replied in kind to draw level, but Barry added another brace to keep Crotta in front, with Donal O'Sullivan again cutting it back to just one – this was frenetic and fantastic hurling, with a determined South Kerry constantly reeling in Crotta.

They were hit hard when Donal Hunt placed Darragh O'Donoghue for a brilliant goal and Darragh Behan tacked on a point, but again resilience showed as Doanl o'Sullivan drew and converted a free. Barry Mahony replied in similar fashion but just on the stroke of half-time Shane Kennedy smashed in a South Kerry goal.

Half-time Crotta O'Neills 2-8 South Kerry 2-6. Donal O'Sullivan rattled in another goal on the restart and South Kerry were in front. Darragh O'Donoghue set up Donal Hunt for the equalizing point but Gearoid Fennessy hit over a '65 for South Kerry. This was great hurling;

SOUTH KERRY U16 COUNTY CHAMPIONS AFTER DEFEATING CROTTA IN THE REPLAY AT FITZGERALD STADIUM.

unfortunately Crotta lost the influential John Quilter to injury and both sides and everyone in ciarraí Coiste na nOg wish him a speedy recovery, he is a real talent and a great young player.

Another Barry Mahony brace nudged Crotta back in front but Michael McCarthy equalized again. Inevitably, scoring machine Barry split the posts again – by now the excitement was at fever pitch.

It was South Kerry who managed to dig that little fraction deeper in the final minutes. Donal O'Sullivan (2) and Michael McCarthy two points up but Barry trimmed the gap to the minimum.

Then came the clinching moment and the best move of a brilliant match as Michael McCarthy hit a perfect delivery to Michael Lenihan and he nervelessly shot it to the Crotta net. With Crotta desperately breaking forward in search of an equalizer, Donal O'Sullivan hit two more points to seal a memorable victory.

Well done to both teams, mentors, and supporters for an enthralling spectacle of a game.

AQUILA CLUB O'DONOGHUE CUP - ROUND 1

KILCUMMIN 3-12 GLENFLESK 0-10

The score-line might suggest a relatively easy victory for Kilcummin but that would not be a true reflection on a game that saw a young talented Glenflesk play very well for fifty minutes of this round 1, Aquila Club O'Donoghue Cup, East Kerry Senior championship game, sponsored by the Aquila Club, Gleneagle Hotel, played in Kilcummin on Saturday last. At half time, Kilcummin lead by 1-6 to 0-6 courtesy of a goal from Kelvin Teahan. Indeed in that first half Glenflesk played the much better football against a Kilcummin team that may have been suffering from the exertions of recent encounters. Jeff O'Donoghue and Darragh Roche were giving the home defence a torrid time and but for a great save from Brendan Kealy they could have been level at the break. The second half was a very competitive affair with scores being exchanged until a goal by Kevin McCarthy put six points between the teams with fifteen minutes left. Enter Brendan Kealy with two magnificent saves which effectively killed off the Glenflesk challenge. The first was a penalty save from Jeff O'Donoghue and the second was a one handed effort which was heading for the top corner. In the closing minutes, Ian Devane scored the third goal and so Kilcummin are through to the quarter final against Cordal.

Referee: James O'Sullivan (Firies).

GNEEVGUILLA 2-12 SCARTAGLEN 0-4:

Ideal conditions in Scartaglen for Round 1 of the Aquila Club O'Donoghue Cup saw Gneevguilla come away with the win after a great performance from start to finish. Gneevguilla opened the scoring with two quick goals within the first three minutes, Michael Murphy and Connor Herlihy finding the net to set the mark early. Scartaglen answered back with a point from Pa Rahilly but Gneevguilla stayed on top for the rest of the half adding five more points. Score at the break: Gneevguilla 2-05 Scartaglen 0-1. Scartaglen

upped their game in the second half but where limited by a great effort from Gneevguilla's midfield. Never the less Scartaglen played with determination until the final whistle adding 3 more points to their tally in the end to seven for the visitors, who ran out comfortable winners. Final score: Gneevguilla 2-12 Scartaglen 0-4. Gneevguilla meet the winners of Dr Crokes V Spa in the quarter final.

Referee: Brendan Brosnan (Glenflesk).

BILL TANGNEY CUP FINAL

DR CROKES 2-10 CORDAL 0-4: Played in Farranfore last Saturday, Dr Crokes proved the stronger and lifted the Bill Tangney Cup after a deserved win in a sporting game. The Lewis road side got off to a strong start, having opened the scoring with points from play, Philip O'Connor found the net, from a well placed pass by Brendan Falvey. Dominating the scoring, Dr Crokes went on to build a convincing lead, with well taken points and a PJ Lawlor goal on the twenty fifth minute, giving Cordal a mountain to climb. The Cordal keeper, Jason Cronin made a number of great saves denying Dr Crokes what looked like certain goals. Cordal pressed forward repeatedly and found the target with well taken points. Tony Brosnan, Brendan Falvey, McDara De Willis, Philip O'Connor, David O'Leary, Darren O'Doherty, PJ Lawlor and Jason O'Leary were on target for the Lewis road side, Michael Cahill for Cordal. Full time score: Dr Crokes 2-10 Cordal 0-4. East Kerry Board Runaí, Dermot O'Connor presented the Bill Tangney Cup to Dr Crokes captain Tony Brosnan. He thanked the referee and also thanked Firies club for the use of their facilities.

BEAUFORT GAA NOTES

Beaufort Seniors played Glenbeigh/Glencar in the Junior Football Championship Semi-final in JP O' Sullivan Park, Killorglin on Saturday evening. Both teams have had a good league campaign with Division 1 side Glenbeigh/Glencar favourites many considered that this could be a tight encounter with Beaufort having secured promotion to Division 2.

BEAUFORT U16'S: Beaufort U16s played Laune Rangers in the Mid Kerry Final after a purple patch midway through the second half put them into an 11 point lead that proved just about enough to claim victory. Laune Rangers started well and were three points ahead after six minutes. Beaufort settled into the game and Padraig Coffey (2, 1 free) & Eoin O'Hagan pointed for them, but 3 points had Rangers in the lead by 0-6 to 0-3 on the quarter mark. Beaufort reduced the gap to the minimum with two well taken points through Ciarán Kennedy (free) and Padraig Cronin. The gap remained into the late stages of the half as points were traded twice. Rangers & Padraig Coffey exchanged frees before Ciarán Kennedy cancelled out another Rangers point. There

was time in the half for more action though as two Padraig Coffey frees not alone tied up the game, but gave Beaufort their first lead of the game on the short whistle. The score at Half Time:- Laune Rangers 0-8, Beaufort 0-9.

Beaufort carried their flurry before the whistle into the second half and with the first play after throw in, a long pass into the square caused a defensive mix-up and Padraig Coffey tapped the ball into the net. Laune Rangers settled down again though, and persistent pressure on the Beaufort defense brought with it a number of fouls and resulting frees. The game was again tied up by the 40th minute when 4 frees put the score at 0-13 to 1-10. A glittering seven minute spell followed for Rangers as they scored 3 goals and a few points in succession to put them in command. Laune Rangers were now ahead by eleven points (3-15 to 1-10) with 8 minutes left on the clock, and not many people would have argued that Rangers had the win secured. Nobody told this to Beaufort however, and a non-stop onslaught of the Rangers goal ensued. The following five minutes saw the advantage almost wiped out, as goals from Padraig Cronin and Padraig Coffey were added to by points from Jonathan Kissane (free), Jason Coffey and Dylan O'Sullivan to reduce the gap to just two points. There was nearly two minutes of injury time played when Rangers slotted a free to put three between them, but there was time for one more Beaufort attack. Beaufort won a free 20 metres out from goal, and the Laune Rangers defensive was packed in front of goal. The Ciarán Kennedy effort towards the net was deflected over the bar and the referee's whistle sounded to give Laune Rangers the victory and Mid Kerry title. Full Time score: Laune Rangers 3-16, Beaufort 3-14.

UNDER 15'S: Well done to Beaufort's Under 15s who won the mid Kerry Supertouch competition in Milltown on Thursday. In the semi-final they faced a well prepared Cromane team who took the lead early in the game, however points from Jack O'Connor and an excellent goal by Ciaran O'Sullivan saw Beaufort lead by a point at halftime. An improved second half display helped by a great goal from John O'Connell saw Beaufort through to the final. Beaufort got off to the worst possible start in the final against Milltown /Castlemaine, when an unfortunate collision resulted in both Eoin O'Hagan and Liam Curran having to be substituted. Jack Sweeney kicked two good points from long range to open the scoring and with Ian McGillycuddy outstanding in defence, Beaufort lead 0-6 to 0-3 at halftime. Further points and a brilliant goal from Shane O'Sullivan Rouse saw Beaufort win 1-11 to 1-6. They now have qualified for the county final which will be played in Tralee on Thursday 22nd October. Panel Sean Coffey, Ian McGillycuddy, Ciaran O'Sullivan, Jack Coffey, Shane O'Sullivan Rouse, Liam Curran, William Joy, Eoin O'Hagan, Jack Sweeney, John O'Connell, Tim Coffey, Jack O Connor.

BEST OF LUCK: To Mid-Kerry Minors on Saturday next as they take on Dr. Crokes in the semi-final of the County Championship in John Mitchells Pitch, Tralee at 2pm as part of a double header.

DR. CROKES GAA NOTES

LOTTO: Draw took place in J.C. O'Shea's on Sunday last. Numbers drawn 10, 12, 13, 21. There was no winner of the jackpot of €3,000. Draw will take place in the Tatler Jack on Sunday 25th October 2015.

EAST KERRY FINAL - BILL TANGNEY CUP: DR CROKES 2-12 CORDAL 0-04. Played in Farranfore on Saturday in ideal conditions, this was a game where Dr Crokes could do little wrong and Cordal found it hard to get anything going. A young Dr Crokes team containing many U21 players was dominant from the start with Tony Brosnan (Captain) scoring 1-04 without reply in the first quarter. P J Lawlor put in a big display in the centre and joined in with 1-1 of his own. As the game wore on the Crokes lads continued to rack up the scores and went in at the half with a comfortable lead. Cordal to their credit battled on and made the second half a far more competitive affair. However, in the end, they had left themselves too big a gap to bridge and the Crokes ran out comfortable winners in the end. Best for Crokes were Tony Brosnan, Mac Dara De Bhillis and Philip O'Connor up front, David O'Leary and PJ Lawlor in the centre while

Keith McMahon, Sean Coppinger, Mark Egan and Jason O'Leary were rock solid at the back.

U14 FOOTBALL: Both Dr Crokes under 14 teams had a successful end to their seasons in recent weeks with both victorious in their respective East Kerry league finals. The division one team had two epic battles with a very good Rathmore team in Fitzgerald Stadium. In a fantastic game of football, Crokes looked to have won the title with a late goal from Padraig Looney. However, a goal in injury time from a David Dineen free gave Rathmore a deserved draw. The teams finished level after extra time on a scoreline of Dr Crokes 5.10 Rathmore 6.7. Goals were always going to play a role in the winning of the replay and two first half goals from Sean McGann and Krystian Komorsa saw Crokes lead at half time by three points. The Crokes defence withheld strong pressure especially in the last 10 minutes as Rathmore sought a goal to level the game. Some outstanding defending from Caolan Ryan, Eamon Long, Neil O'Shea, Gary O'Connor, Ger Cronin, Mark Cooper, Jamie Muldoon and Evan Looney kept Rathmore at bay while a point blank save from Adam Carey near the death was one of the highlights of both games. Up front, Michael Linehan, Liam Kelliher and Lorcan Martin, contributed vital scores in both games while Oran O'Donoghue, Tom Doyle and Harry Potts worked tirelessly throughout. Captain Sean McGann accepted the Ned Myers cup from Sean O'Keefe, East Kerry Coiste na Nog, after the game. The season concluded with the Division 5 final against Scartaglen/Cordal. Following another excellent game of football, Dr Crokes emerged winners on a scoreline of Dr Crokes 2.10 Scartaglen 1.9. Dr Crokes started very well and went five points up inside the opening minutes. With Calum Neher, Tom Doyle, Adam O'Connell and Keith Myers dominating, Dr Crokes held onto this lead until the final minutes of the first half when three points from our opponents saw us hold a 1.5 to 0.5 lead at half time. We again started well in the second half and points by David Moriarty, Lawrence O'Donoghue and Conor Dillon, allied to some strong defensive work by Ronan Buckley, Jason Kerins, Brian Harrington and Cillian Hickey meant we once again extended our lead. However, Scartaglen/Cordal were not giving up and scored 1.2 without reply to level the game and make for a tense final 10 minutes. Three outstanding saves from Caleb Russell along with a great block by Jack Cooper helped us to stay in the game. The vital score came with five minutes remaining when Rob O'Shea finished to net. A point by Jack Linehan and some good work by Aaron Brennan, Gavin Regan and Cian Mc Mahon helped Dr Crokes to hold on. Captain Adam O'Connell accepted the trophy, to add to the Colm Cooper Tournament Shield which many of the players had won the previous weekend, and the county Division 1 Feile and Regional Feile success in Kildare earlier in the year. Great credit is due to an extremely dedicated and

committed bunch of players who did the club and their families proud with their attitude and behaviour throughout the whole year.

The U. 10 Boys Footballers are trained by Billy Hennigan, Jamie Doolan, Robert O Donoghue, Ger O Shea and Brendan Hartnett. LEGION GAA CLUB NOTES

SENIORS: Our senior side showed great character in coming from behind to beat Rathmore last Sunday to reach this years county final. Trailing by six points midway through the first half the lads clawed it back to within two points by halftime but only for some fine goalkeeping by Brian Kelly including a penalty save the margin would have been greater. The opening exchanges of the second period were even enough but with thirteen minutes to go James O'Donoghue made a surging run down the throat of the Rathmore defence before offloading to Billy McGuire who neatly found the in running Conor Keane who coolly slotted to the net. That score proved to be the catalyst for the revival as for the remainder of the game they played with great passion and heart to win on a 1-12 v 1-09 scoreline. This was a historic victory that will see the club play in its first county final since 1946 when we beat John Mitchels. Well done to the team and management

KILLARNEY RFC NEWS

SENIORS: Our seniors took on Bantry Bay RFC last Sunday, in Division 2 of the Munster Junior League. Conditions were ripe for a fantastic match, with an early kick off time off 11 to accommodate the World Cup match later in the day. Captain Ger Moynihan and his charges welcomed the cork side for their first match at Aghadoe and a great crowd gathered to watch Killarney run out winners on a scoreline of 30 points to 15, with the home side gaining a bonus point from a last gasp try in the last phase of the game. Our outhalf, who had a mighty game with the boot scoring two conversions and two penalties, scored the final try in the final phase of play to win the game. Other try scorers were stalwarts Peter Kelly, Brian O'Sullivan and Ger Allman. A fantastic result at home for the boys, who have a deserved break and will play their next match against Corcha Dhuibhne on Sunday the 1st of November in the Martin O'Sullivan Cup.

UNDER 16'S: Last Saturday, our U16's travelled to Glanmire for a challenge match. Old Christians ran out winners on a scoreline of 32 points to 42, however every player who travelled got some very valuable game time ahead of a very busy few weeks ahead. The lads take on old rivals Castleisland RFC at Aghadoe, next Saturday at 11am. As this match coincides with the minis training, Aghadoe is sure to be a hive of activity on Saturday morning with a buzz of excitement to match. These matches are proving very popular with the minis as they get to watch the older lads play rugby!

MINIS: Last Saturday morning, our minis section travelled en masse to Killorglin RFC's new base in Listry. We fielded two teams at all sections with the Killarney boys doing themselves, their parents who travelled as well as their coaches very proud. Killorglin also hosted Corca Dhuibhne and Listowel RFC minis on the day and they put on a wonderful spread following all the matches. We would like to thank Andrew Eadie, Geraldine O'Shea and all at Killorglin RFC for the fantastic hospitality

and look forward to welcoming them all to Aghadoe. All of the kids who traveled got to play in three matches against very good opponents and did themselves justice at all ages, scoring some great tries and working so hard to represent the club. We had a bus load of kids travel as well as many, many cars and the club was very well represented on the day. Thanks to Mini Co-ordinator Liam Murphy and his trusty band of coaches: John, O'Leary, Derek Dennehy, Ed Stack, Ian Harrington, Chris Kerins, Paul Murphy and Ger Moynihan who mentored the kids on the day, the very first away blitz for some children. Training resumes next Saturday at Aghadoe between 10:30 and 12 midday. Details: Liam Murphy 087-4145662

YOUR CLUB, YOUR COUNTRY: Please return the tickets to Ger Moynihan as soon as possible. There are still a few books left if anyone wants to sell the tickets, with all funds raised going towards new lighting for the pitches in Aghadoe. Contact Ger on 087-1240365.

KILLARNEY COUGARS BASKETBALL CLUB

SENIOR WOMEN: DIVISION 1

KILLARNEY COUGARS 50

ST MARYS CASTLEISLAND 33

The Division 1 clash between Killarney and Castleisland at the Pres Gym was keenly contested with the Cougars making home advantage count in the later stages of this opening game of the season. Their was little between the sides in the opening half with Cougars just ahead 24-20. The good attendance enjoyed a good contest with some great baskets from both sides in the third quarter as the game opened up with Cougars establishing a commanding lead with the accurate shooting form Allyson Caggio and the impressive three point shooting of Marian O'Callaghan and Chloe O'Doherty proving decisive. Tracy O'Sullivan kept the visitors in contention throughout until the third quarter with 13 points but it was Cougars who proved more determined and claimed the points with Coach Lynn Jones making good use of the full bench making all the right calls on the night. Best for Cougars were Marian O'Callaghan, Emer O'Neill, Allyson Caggio and Chloe O'Doherty with the visitors Tracy O'Sullivan best for St Marys.

U12 GIRLS: KILLARNEY COUGARS 22

ST ANNES 13: The Cougars enjoyed a winning start in their first U12 girls game of the season with a hard earned win over St Annes at the Pres Gym. Cougars led by a basket after the first quarter 6-4 thanks to good baskets by Edel Horgan and Meabh Coleman Horgan. Both sides defences were well on top in the second quarter with Cougars just still ahead 8-6. Cougars had a good spell in the third quarter as the visitors began to get tired. Baskets by Alecia Burke gave Cougars a good lead entering

KILLARNEY RUGBY CLUB U8's WHO TRAVELLED TO KILLORGLIN FOR A BLITZ AT THE WEEKEND.

the final quarter with St Anne's Aine O'Shea responding well with good baskets but it was not enough on this occasion as Cougars held on to the lead to claim a deserved win.

REPORTS:

SKECHERS NATIONAL CUP:

Home and away in 12's National Cup:
Both the Kerry sides that had home ties progressed to the next round of the 12's National Cup. Killorglin FC had goals from Tom Whittleton, from a Dara O'Grady corner, and Jack O'Sullivan who finished after an Adam

Owens pass, in their 2-1 win over Lisnagarry. Killarney Athletic progressed by the same margin in their home win over Granagh United. Conal Gallagher got both the goals for the Woodlawn side. Listowel Celtic had to do it the hard way as they were away to Killavilla but 4 Aoife Horgan goals and 1 each from Adam Segal and Robert Stack saw them through. Mastergeeha are out as they were beaten 3-0 by Mungret Regional in Limerick. Athletics win the highlight of a good day at 14's: Limerick FC are doing a lot of great work in many aspects of the game and have a strong Schoolboy section. However they met a better side in Woodlawn as Killarney Athletic knocked them out 2-0. Eoin Moynihan and Damien Switzer were the goal scorers in the Killarney sides good win. Killarney Celtic, The Park and Killarney Celtic all progressed after away wins. The Park had the easiest passage as they were much too strong for Aisling Annacotty B in Limerick.

THINGS TIGHT IN THE 16'S:

Tralee Dynamos are into the next round after beating Avenue United 3-0. Scott Winters got 2 and Dillon Robinson the 3rd in a 3-0 win. Killarney Celtic needed an extra time goal from Michael Devlin to get past Mungret Regional. With the scores at 0-0 mid-way through the first period of extra time Devlin won it for the Hoops. The Park were very unlucky to go out after a penalty shoot-out that saw them on the wrong side of an 8-7 score-line. Michael Slattery got the goal in normal time as it ended 1 all after extra time. Killarney Athletic are also out going down 3-0 to Corbally United in Woodlawn while Mastergeeha were beaten away by Nenagh. Dylan Murphy got the Mastergeeha goal.

LEAGUE ROUND UP:

JK SPORTS 12'S:

AWAY WIN IN PREMIER:

In the JK Sports 12 Premier Killarney Celtic enjoyed a hard fought away win at Christy Leahy Park when a Sean Fitzgerald goal gave Celtic a 1-0 victory over The Park. Tralee side win in Kenmare in Division 1: The away side also won in Division 1 when Park B made a successful trip to Kenmare and defeated

Park B 7-2. Kieran O'Connor hit 3 with Sean O'Connor, Adam Murphy, Cian O'Shea and Nathan Rogers all getting one each. Darren Allman and Yago Cornide replied for Inter. Clean sweep for home sides in Division 2: Iveragh United were too strong for Killarney Athletic B down in Caherciveen. Goals from Fionan Keating 2, Breece O'Sullivan, Sean Kennedy, Cameron Andrews and Tm Clifford gave the South Kerry side the points.

Listowel Celtic B led 3-0 at home to Killorglin B. Chris McQuaid, Darragh Hudson and og put them in command. However the away side fought back with scores from Ryan Diggan and Charlie Foley but Celtic held on to win.

Camp Juniors Ryan Newstead had a day to remember hitting 4 goals in their win over Tralee Dynamos B. Paudie Fitzgerald, Tadgh Scanlon, Darragh Crean and CJ Daniels all got one each.

NO LOOK FOR THE AWAY SIDES IN DIVISION 3:

Dingle Bay Rovers won 4-1 at home to Fenit with Ciaran Bambury hitting a hat trick and Conor Corduff getting the other while Dylan Ryan replied for Fenit.

MEK are just beginning life in the League and it will take them a bit of time to get up to the level of sides that have a number of years behind them. However they are hitting the net which will please them. Eddie Moroney scored for the Mid Kerry side in their loss to Park C.

GOALS GALORE IN 16'S DIVISION 1:

There was plenty of goals in the two games in the Tralee Trophy World 16's Division 1. Dean Scanlon, Conor O'Brien with 2 and Aaron Ward got then Park goals.

2 goals each from Colm Moriarty and Cian Wall and 1 from Jack Farrell gave Camp Juniors a 5-1 win over Killarney Celtic B.

RESULTS

FAI Junior Cup: Killarney Celtic 4 Fenit Samphires 2

A thriller of a game. Fenit made the better start and had us under early pressure, but Celtic stood firm. Their best chance fell to the

outstanding Ger McCarthy, but his piledriver was narrowly wide. Instead it was Celtic who took the lead, Chris O'Leary deftly back heeling a great Trevor Nagle pass from a Joe Hurley corner into the net – the corner was won when a defender managed to divert a Matt Keane header around the post. A defence-splitting move between Trevor Nagle, Fergal O'Donoghue, and Matt Keane almost doubled our lead, but keeper Barry Galvin did really well to save Cathal O'Shea's rocket. 1-0 at half-time, but level almost immediately on the restart when Pa McCarthy poked home a Fenit corner in a crowded box. However, after an unfortunate defender handled Joe Hurley's corner, we went back in front when Gary Keane slotted home a penalty. We made it 3-1 when another Joe Hurley corner entered the square and great pressure from Matt Keane forced it home. Fenit, a great team who played excellent soccer and never gave up, made it 3-2 through a Ger McCarthy header but Celtic's last goal was a real thing of beauty, a great run by Conor Randall and pass to Joe Hurley, who cleverly lifted over the defender to Gary Keane, who lobbed the hapless keeper.

DENNY PREMIER B: CASTLEISLAND B 3 KILLARNEY CELTIC B 0

The lads put up a great battle but it wasn't to be, Castleisland were outstanding and fully deserving of the win.

Youths League: Killarney Celtic 3 Killorglin 2

Tough game and a great battle to watch. Cian Casey was on the mark twice for us, with Stephen McCarthy getting the other vital goal. U16 SFAI Cup: Killarney Celtic 1 Mungret Regional 0. Celtic dominated the exchanges but couldn't penetrate for a goal. It finished 0-0 in normal time but in the first half of extra-time, Micheal Devlin took up the ball on the run and drove past several hapless defenders before unleashing a bullet of a strike that gave the keeper absolutely no chance. I know it is early in the season but forget the Goal of the Year contest; that one is already over.

U16 DIV ONE: CAMP JUNIORS 5 KILLARNEY CELTIC B 1

A great effort by the whole team but Camp's A side proved too strong for us...as yet.

U14 National Cup: Broadford 1 Killarney Celtic 5 Superb performance. Cian Dineen scored two, with Niall McGillicuddy, Pauric Looney, and Daniel Okwute all on target. Best for Celtic on the day were Neil O'Shea, Tom Doyle, James Darmody, and Cian O'Leary.

U14 Div Two: Park B 9 Killarney Celtic B 2

Given Park's very impressive U13s, this was always going to be a very hard test and so it ultimately proved, but Celtic gave a great display and showed wonderful pride and determination, typified by great goals from Jack McCarthy and Terry Sparling.

U12 PREMIER: KILLARNEY CELTIC 1 ST. BRENDANS PARK 0

A fantastic and very entertaining game between two top class sides and very sporting. It was 0-0 at half-time but Celtic midfielder Luke Crowley was beginning to dominate proceedings with a magnificent display, and his pass to Sean Fitzgerald was quickly and astutely moved on

to Darren Ryan for a cracking goal. As well as those mentioned, centre back John Kelliher and debutant Jack Hayes were excellent. All subs got game time.

Congratulations to Luke Crowley on making the Kerry Schoolboys/Schoolgirls Team of the Week.

KILLARNEY ATHLETIC NOTES

SENIORS

KILLARNEY ATHLETIC 4-2 MOHER CELTIC

Athletic found themselves 1 down after 2 minutes but were back on level terms with only 5 minutes played and 2-1 up by half time. The second half was barley started and Athletic were 3-1 up with a brilliant free kick from Brian O'Reilly. However mid way through the half Moher were back in the game with a rather fortunate goal. A fourth goal by Jamie Doolan ensured Athletic were safely through to the next round.

U17: KILLARNEY ATHLETIC 10-1 PARK

After a quiet start to the season the team seems to be really gelling now as they were in full control of this match from start to finish. A strong performance in midfield with Darren Mulcahy pulling the strings gave us a good platform with Sean Boyne and Luke O'Donoghue looking lively up front. The defence was solid with the lads playing the ball on the ground nicely with James Kelly making some great runs down the right hand side. In fairness to Park it was their first fixture of the season and the games we already had under our belt gave us the advantage.

U16: KILLARNEY ATHLETIC 0-3 CORBALLY

Corbally opened the scoring within the first

two minutes and controlled the game for the next quarter of an hour. Athletic came to grips with the game and finished the game on top and but for the final pass could easily have equalised before half time. Corbally went two up in the first minute of the second half and athletic were chasing the game until full time. The third goal for Corbally came in the last minute with the last kick of the game. Best for athletic, Jonathan Green, Fionnbar Hickey, Ruairi O Keffe and keeper Kieran Thompson.

U14:

KILLARNEY ATHLETIC 2-0 LIMERICK FC

Our U14 team roll on to the next round of the National Cup after defeating Limerick City FC 2-0. The game itself was interrupted several times with a side show put on by the Limerick manager and his behaviour was most unsavoury but to the credit of our young stars they never go involved in any of it and kept their heads and concentration and moved on to win the game in dramatic fashion, with goals from Damien Switzer and Eoin Moynihan.

U12:

KILLARNEY ATHLETIC 2-0 GRANAGH

Killarney Athletic under 12's had two games on a busy Sat.. In Woodlawn at one in the National cup we took on Granagh from Limerick. Conal Gallagher scored through a well worked goal. .. With ten minutes left Conal scored again when set up by Alex Hennigan. A great effort on the day against a very well organised and sporting Granagh team. Shay o Meara, Conal Gallagher ,Teddy Muldoon and Sean Dineen played well. Man of the match Cian Lynch had his best outing for Athletic. Our other team were not quite as good losing six nil to Iveragh away. Missing a few on the day made this very tough but our new boys Juan and Ramon doing well. Sam Bolger was the best on the day.

KILLARNEY ATHLETIC - FOCUS ON RONAN MURPHY

As we move into our final few articles this week we focus on another outstanding young player who was capped for Ireland and also in the Nottingham Forest Academy for a season. We also recall other activities and the achievements of the club up to 2010.

RONAN MURPHY CAPED FOR IRELAND

Ronan became the 6th Athletic schoolboy player in 2011 to be capped for Ireland when he was part of the Irish under 16's team that travelled to Brussels to take on Belgium in an International friendly that year. Incidentally Ronan was the third Beaufort native along with Brendan Moloney and Bryan Murphy to achieve such an honour as part of Killarney Athletic. Ronan joined the club as an 8 year old in 2002 and was under the coaching guidance of Jerry Doyle for the following 8 years that saw him thread a similar path to his fellow Beaufort native Brendan Moloney. Jerry Doyle was running the under 10's coaching academy when Ronan joined and recalls, "we had Ronan playing in our under '10 teams when he was only 8 as he was a powerful young fellow and well able to play. We were also very fortunate to get his father Frank on board as he along with Sean Slattery were a fantastic support in the management of the team throughout".

KENNEDY CUP FINALIST

Ronan was one of only a very few Kerry players that played on the Kennedy Cup team for 2 years as he was on the team in 2007 and also a member of the 2008 team that were narrowly beaten in the final of that year. The Athletic and Kerry keeper that year was Steven Cahillane and he too contributed a huge amount to the team's success. Ronan says "looking back on it we could have won that final we had a great team and we had a huge amount of possession and dominated the game for a long period".

FOREST OPPORTUNITY

Although the Kerry boys did very well in the tournament and a few got trials afterwards none of them really got the opportunity to make the breakthrough into the next level of the game. However Ronan did benefit from the link-up that Athletic had with Nottingham Forest as a result of the signing Brendan Moloney in 2005. Jerry remembers the under 15's team trip to Forest in 2009 and says "it was a fantastic experience for the players and ourselves to be invited to the Forest Academy and to see what it was like on the ground there. We also played 2 matches while we were there against an Academy and a local team and all the people in Forest were very welcoming and good to us when we were there. And it was also nice to meet Brendan there as a full professional and 1st team player with the club. The whole trip was very successful from a club

BRIAN GILHOOLY CUP FOR THE UNDERAGE PLAYER OF THE YEAR PRESENTED TO RONAN MURPHY 2008. BRIAN'S SON BRIAN PRESENTING THE CUP.

point of view and Ronan was selected and invited to join the Forest Academy in 2010".

FOREST AND STOKE EXPERIENCE

Ronan recalls "my first trip to the Forest Academy was during the mid-term break and I went over on different occasions after that also during school holidays. I was then invited to join the academy squad for the pre-season training at the start of the 2010/11 season. The training was very tough but I enjoyed it, we also played some games against other English league academy teams. There were some good players in the squad at the time. Patrick Bamford was in the academy and he presently plays with Crystal Palace and was named as the Championship Player of the Year last season.

I got a call-up for the Irish under 16 team also in 2011 for a friendly International match against Belgium in Brussels. I played at centre-back and although we lost the game it was a fantastic experience and a great honour to play for my country. The whole Forest experience was very good and I learnt a lot in the year I was there.

I also spent a week on trial with Stoke City at the end of the season and that was good too. However I decided that I would come home as I felt pursuing the life of a professional footballer was not really for me at the time".

It should be said also that Ronan is a multi-talented sports person and has achieved great things with the Kerry minor and under 21 teams in the last 3 years and was also a national road race champion at under 14 level in 2008. Parents Teresa and Frank and sister Rachel can be well proud of his sporting achievements while Killarney Athletic hopes he will not be the last player from the club to be capped for Ireland or achieve what he has achieved as a young player.

THE TEAM OF 2005/06

The club fielded many very good sides throughout its history at both underage and senior level and the Athletic senior squad of 2005/06 represented all that was good in the club. The team was made up mainly of players who had played up along at all ages levels for the club, and the team management of Eddie Doolan and Don Fennell were also long serving Athletic 'guys'.

The side contested the 3 major KDL finals at

the end of a very successful season. Their first final saw them win the Castle Bar Cup when they defeated Tralee Dynamos on a 3 nil score line. John O'Donoghue played a big part in the Athletic win with a hand in all 3 goals. Martin Crowley was credited with the first and a brace of goals from Mark Pyne ensured an Athletic victory. However the tougher tests were to come against local rivals Killarney Celtic in the League and Greyhound Bar Cup Finals.

The Kerry league was split into two groups at the time and the top four teams played off in a semi-final knockout basis. True to form Athletic and Celtic who both finished top in the group stages met in the league final decider in Tralee and it was the 'hoops' who took the spoils for a deserved 2-1 victory. Two former Athletic underage players Steven Hayes and Peter McCarthy were on the score sheet for Celtic while Athletics' goal was scored by the outstanding Nicholas Murphy.

Celtic completed the double when a single John McDonagh goal separated the sides in the Cup final in a game where Athletic enjoyed most of the possession but could not break down a solid Celtic defence dominated by another former Athletic player David Hayes.

PITCH REDEVELOPMENT

The club was definitely a hive of activity during the first decade of the New Millennium both on and off the pitch. Catering for so many teams during the season as well as running the club's annual 7-aside required the club to expand the playing areas to cater for 2 full-size pitches in Woodlawn. As a result of this work the 2008 7-aside tournament also had to be moved and played in the Community College pitch through the generous support of principle.

CHANGE OF THE GUARD

With the near completion of the Woodlawn development plan Vince Casey passed the baton of club treasurer on to the able hands of John O'Donoghue while Don O'Donoghue took over as club chairman from Mike O'Sullivan in 2008. Don was a player in the Athletic teams that played in the Desmond League back in 1965 to 1970 and got involved again in the club in the '90 when he became a club delegate in the Kerry District League and remains a member of the KDL.

STAY SAFE AND ENJOY HALLOWEEN!

BE SAFE - BE SEEN WHILST TRICK OR TREATING:

BE SAFE: Parents need to accompany young children while they are trick or treating.

Note that the Road Safety Authority advises that no child under the age 12 years should be allowed cross the road or cycle on the road without adult supervision.

To prevent falls, make sure your child's costume fits well, isn't too long and does not have too much loose fabric. Face painting is often a safer choice for trick-or-treaters than a mask which can block or obscure vision - make sure your child is not allergic to any of the face paint ingredients. Dress for the weather, so your child and you are comfortable and warm. Consider 'trick-or-treating' in a group and staying together. Don't forget to: stop, look, listen and look again before crossing the road. **BE SEEN:** It is important that motorists can see you clearly. Parents and children should wear bright costumes/clothing made of flame-resistant material with reflective tape, or carry light sticks or a flashlight.

Stay on footpaths and driveways.

Stay off lawns and gardens.

Avoid poorly lit areas.

Check treats thoroughly:

Before eating treats, make sure that they are all checked by a responsible adult.

Discard treats that aren't in sealed packaging or look suspicious. Does your child have any allergies? When in doubt, throw it out!

CHOKING: Choking occurs most frequently among children under two years of age, but choking can happen at any age.

Do not give children under five years of age popcorn, boiled sweets, nuts, or rubber balloons.

When eating sweets, parents should have children sit down - remember eating while playing, running, jumping, etc can lead to a choking episode.

Slow down and watch for pedestrians:

MOTORISTS ARE ADVISED TO SLOW DOWN AND DRIVE WITH EXTRA CAUTION THIS HALLOWEEN:

Children may be difficult to see if wearing dark costumes. Remember, children can be unpredictable! They can dash across a roadway without giving any indication of their intention. Watch for children running out between parked cars.

PETS AND OTHER ANIMALS:

Keep pets safe over Halloween.

Remind children not to frighten or annoy pets and other animals.

ROLE MODEL: Be a good role model for your children: act safely and responsibly this Halloween.

VROOM VROOM.... AND THEY'RE OFF....

Details of this year's Historic Stages Rally have been announced by the Killarney and District Motor Club. This is Ireland's only event to cater solely for historic rally cars and night stage rallying and is set to run on Saturday the 5th December. The rally will count as the opening round of the 2016 Clonakilty Black Pudding Irish Tarmac Historic Rally Championship and the final round of the Plasticbags.ie Southern Four Rally Championship. The rally will be backed by Rentokil Initial Ireland as main title sponsor for the 3rd consecutive year.

The Gleneagle Hotel will once again host this year's event as Rally Headquarters, along with supplying some great rally accommodation packages throughout the weekend. In conjunction with Greg Crozier of the Barbados Historic Rally Carnival there is a fantastic prize on offer to the winner of the Historic section of the rally. The prize includes an all expenses paid trip to contest the Barbados event, free

entry to both motor sport events during the Carnival, two return flights from London to Barbados, free return shipping for one car from Portsmouth dock to Barbados and accommodation for 12 nights.

The event organisers are delighted to confirm extensive Tv coverage of this year's event. 1 hour production by Mick Bracken of on the Limit sports, to be televised on TG4, Setanta Sports, Motors Tv and Skysports throughout the Christmas period. Event clerk of the course Kevin Flannery has specifically built this year's rally around the competitor and in doing so has selected a route of classic stages based around Killarney Town, offering the competitor 110Km of competitive stages, followed by short road Km's allowing for an easy recce, Centralised service area at the event HQ and the popular feature of the final stage to be run in the darkness. The rally starts with the iconic "Molls Gap", often rated by rally drivers as being

the best and one of the most-challenging stages in the world. "Kilcummin" village stage is always a favourite, just north of Killarney town, the stage runs straight through the village offering a great spectacle for the many fans to view. "Anabla" is a newly designed stage in the Gneeveguilla area, sections of which have been used in the past by the Rally of the Lakes, it's a fast flowing stage with great surface and many junctions. "Gortnagane" which runs parallel to the main Rathmore/ Killarney road, is highly regarded as one of the most technical, narrow, and demanding stages of Killarney rallying. The second run over Gortnagane, will be run under the cover of darkness.

FOSSA NOTES

FOSSA GAA:

LOTTO: 18th October 2015. Numbers drawn were 3, 7, 10, 17. There was one Jackpot winner of €13,800 and that was Helen Sugrue, Ballydribene Killarney. Next weeks Jackpot will be €3,000.

SENIORS: Fossa played Moyvane in the Novice Shield semi final in John Mitchells pitch on Saturday evening. Moyvane opened the scoring but Fossa quickly replied with two points each from Lorcan Daly and Paudie Clifford, while we had the majority of possession we were not converting this into scores. Paudie Clifford added two more points but we conceded two easy frees towards the end of the half to leave the score Fossa 0-6, Moyvane 0-4 at the break. Moyvane scored three frees at the start of the second half to take the lead, Paudie Clifford kicked a point to steady the ship. Myers pulled off a couple of great saves, Tadgh O'Shea and Donald O'Sullivan kept us toe to toe with scores but again we failed to make our superiority count on the scoreboard. In the 20th minute Moyvane struck for a goal, shortly afterwards we were awarded a penalty but we failed to score it. This left us a point down with 10 mins to go, Lorcan Daly got the equalizing point on the 22nd minute after great work by Dara Rice and the game finished Fossa 0-11, Moyvane 1-08. Extra time beckoned and with light starting to fade we kicked off with points from Matthew Rennie and Mikey Shea but still found ourselves trailing at the break by a point.

We never got our noses in front in the second half of extra time and even though Tadgh O'Shea got two points we could not close the gap and find the equalizer. While they played their hearts out, our inability to make possession count and convert chances cost us dearly in the finish. They will play Furies at home on Saturday 24th October in a preliminary round of The Fr. Galvin Cup at 4pm.

U-16 BOYS: The U-16 boys had a great win over Dr. Crokes in the East Kerry Championship on Sunday morning. Fossa controlled the game from the off and quickly raced into a lead courtesy of goals from David Clifford and Ryan Sheehan. Cian McCarthy pulled off a couple of brilliant saves to repel Crokes throughout the game and with the defence of John Murphy, Odhran O'Murchu, Eoin Talbot, Mark Donnellan, Anthony O'Keeffe and Gary Cronin keeping a tight leash on the dangerous Dr Crokes forwards, it meant that they had to rely mainly from frees for their scores. Liam Buckley kicked two great scores also to leave Fossa leading at the break, 3-06 to 0-05. Cian O'Shea controlled midfield, catching some fantastic ball and delivering top quality ball to his forwards. John Talbot worked like a beaver all through and Ruari Doyle, Dylan Darmody, Eamonn Murphy Liam Buckley and Ryan Sheehan made life difficult for the Dr Crokes defence with their workrate and clever off the ball runs. David Clifford kicked some sublime scores in this half and young Emmett O'Shea came on and scored

a cracking goal close to the end. Ewen Weldon, Lee Lenihan and Daniel Talbot also came on to make their contribution to this victory and Fossa ran out convincing winners, 6-09 to 1-10. They now await a semifinal with the opponents not yet decided.

O'DONOGHUE CUP:

KILCUMMIN 3-12 GLENFLESK 0-10. The scoreline does not do justice to the fine performance by Glenflesk who carried the game to Kilcummin for most of this 1st round fixture. Indeed it took a number of excellent saves from Brendan Kealy to keep the Glenflesk forwards at bay. After a sluggish 1st half our players did apply themselves to the task and players like Sean Brosnan, Donal Maher, Daniel O'Leary Matthew Keane and Kevin McCarthy in

particular did enough to see us through to the Q/F on Saturday in Cordal.

Kilcummin will play Cordal this Saturday in Cordal at 4pm in Q/F of the East Kerry senior championship.

Refreshments and entertainment in the hall afterwards. Sponsorship cards have been distributed through the schools, but it is also possible to register/donate on the day.

CLUB MERCHANDISE: A full range of new club merchandise will be on display for sale in the hall after the walk on Monday next and it is now possible to order club gear for Christmas.

GLENFLESK U12S: There was a fantastic morning in Glenflesk on Sunday last with all the U12s playing against each other in an end-of-season tournament for the Eoin Moynihan Cup. Ann Moynihan presented the cup to

the winning captain Kevin Bowler. Ann also presented East Kerry Division 1 winners medals to all the lads, and Kevin Bowler and Cillian O'Sullivan were named joint players-of-the year! The players and their parents enjoyed a super spread of sandwiches, sweets and cakes to round off a very successful and enjoyable year. The U12 trainer Sean Moynihan thanked all the players for their commitment and good behaviour throughout the year, and thanked his fellow coaches, Pats Lucey, Gene Bowler, Ollie O'Donoghue, Gerry Mullane and Seamus Moynihan for their time and enthusiasm.

MAN OF THE MATCH: Well done to Glenflesk U10 player Gearoid Healy (Shronedraugh) who won a super trip to last weekend's big rugby match in Cardiff with his mom Rosie and had the honour of presenting the Man of the match award to Argentina's Nicolas Sanchez.

RAMBLING HOUSE: The Rambling House returns to Glenflesk on Saturday November 21st between 8pm and 11pm. As ever, a great night's entertainment is in store, with the best of local music, song and dance. Further information from Neily Moynihan on 087-9831655 or Derry Healy on 087-2707899 - everyone welcome.

FR GEAROID Ó DONNCHÚ: It was with sadness we learnt of the tragic death of Fr. Gearoid Ó Donnchú in Fenit recently. The late Fr. Gearoid, who grew up in Barraduff, was a most generous benefactor to Glenflesk GAA Club. When the Club purchased its playing facilities at Curreal in the early 1970's, Fr. Gearoid was one of the first to contribute to the fund-raising

with a donation of one-third of the purchase price. Suffice to say that when St. Agatha's Park was officially opened in 1976 all development costs had been cleared. He may have sailed the ocean wide, but like St. Brendan he was loyal to his origins (Pat Favier). Ar dheis Dé go raibh a anam.

RAHEEN NS: Fun fundraising bingo Saturday 24th of October at 8.30pm in the school. € 10 a book this includes refreshments. All Welcome! Congratulations to Mary O'Sullivan who had the winning lotto number 8 on Saturday the 17th of October.

BARRADUFF COMMUNITY FIELD '300 CLUB': A new '300 club' is being set-up to support the fantastic new community facility in Barraduff. Membership of the '300 club' is €100 (paid in full annually) and there is one thousand euros of prize money on offer each month for 12 months. To support this fundraiser please contact Alan (087 7964091), William (087 7730805), Eamon (087 2511691) or Vincent (087 9089293).

BARRADUFF TIDY VILLAGE GROUP: Anyone driving through Barraduff in the past few weeks will have noticed the marked improvement in the general appearance of the village. This is all thanks to a group of local volunteers who have taken it on themselves to paint, clean and generally tidy the village and its approaches. Find them on Facebook to get involved or to make suggestions.

TAX Matters with

Budget 2016 - Farming

Budget 2016 presented a number of taxation measures for farmers:

- A new Farm Succession Transfer Partnership Model is being introduced. It is proposed to include an Income Tax credit of up to €5,000 per annum to the partnership for up to five years. This will enable an existing farmer to enter into a partnership with a younger farmer so that knowledge and control of the farm can gradually be transferred with the aim of having the entire farm transferred to the younger farmer within a period of ten years.
- In a move to begin equalising the tax treatment of the self-employed with employees, farmers along with other self-employed individuals will receive a new Earned Income Tax Credit of €550 from 1st January 2016.
- Forestry income has been removed from the 'High Earners Restriction' for forest owners who manage their plantations on a commercial basis.
- Extension of the General Stock Relief for young trained farmers for another 3 years.
- Relief on the transfer of Agricultural Assets has been retained at 90% for active farmers and for individuals who are not active farmers but who lease out the land on a long-term basis.
- Young Trained Farmers Stamp Duty exemption has been extended for another 3 years.

Know Your Rights: DEFINITION OF REFUGEE

QUESTION

I'm not very clear on the difference between an asylum seeker and a refugee. Can you explain?

ANSWER

The term refugee is commonly used to describe several categories of people. These categories of people may have different legal statuses and, as a result, they may have varying rights and obligations. The 1951 Convention relating to the Status of Refugees (often called the Geneva Convention) is the key legal document in defining who is a refugee, their rights and the legal obligations of states.

A refugee in Irish law is someone who "owing to a well-founded fear of being persecuted for reasons of race, religion, nationality, membership of a particular social group or political opinion, is outside the country of his or her nationality and is unable or, owing to such fear, unwilling to avail himself or herself of the protection of that country..." (Section 2 of the Refugee Act 1996 which mirrors Article 1 of the Geneva Convention).

- An asylum seeker is a person who seeks to be recognised as a refugee.
- A convention refugee is a person who has been granted refugee status under the terms of the Geneva Convention.
- A programme refugee is a person who has been invited to Ireland under a Government decision in response to a humanitarian request, usually from the United Nations High Commissioner for Refugees (UNHCR).

You can read updates on resettlement and relocation programmes on the Department of Justice and Equality's website, justice.ie.

Someone who is applying to be recognised as a refugee may also make an application for subsidiary protection. A person eligible for subsidiary protection is someone who does not qualify as a refugee but who would face a real risk of suffering serious harm if they returned to their country of origin. A person who does not fully meet the requirements of the definition of refugee may be granted leave to remain in the State for humanitarian or other compelling reasons. Leave to remain may also be granted to people who have been refused a declaration as a refugee and are not eligible for subsidiary protection.

UNHEALTHY RELATIONSHIP PATTERNS

Do you find yourself repeating similar patterns in different relationships or in a particular relationship over time. Perhaps you often feel lonely or jealous in your relationships. Maybe you try to earn the other person's attention by being overly nice or giving without paying heed to your own needs or desires. Do you fear rejection or being abandoned? Could it be that you choose partners who are distant and can make you feel and/or believe that you're not good enough. Do you focus so much on your partner that they feel stifled? Often these patterns can reflect our inner experiences and our beliefs about ourselves and our emotional availability to others.

Psychologist John Bowlby defined attachment as a 'lasting psychological connectedness between human beings' and attachment theory can help us to understand the ways in which we connect with others – particularly those who are emotionally significant to us. We develop our attachment style in childhood – and the way in which our parents and/or caregivers responded to us will impact on our relationships.

For example, a child who believed that the only way he/she could be loved was when they were doing something for others, may grow up believing that they need to earn the attention and love of others. Adults who believe they are inadequate and unworthy of love may have learned this in their early years – which will inevitably lead to difficulties in their relationships. They may believe that the other will leave them or that they are going to disappoint the other – leading to them clinging to the relationship and/or getting jealous easily.

However, the good news is that with awareness we can discover our own attachment style and learn to cultivate healthier relationships. Some of the ways in which we can bring more awareness to our relationship patterns include the following:

1. Bring your awareness to your bodily sensations. How do you feel in your body? Being aware of this can help you to understand how you are feeling and/or thinking.
2. What thoughts are you thinking about you/ the other? How do these thoughts impact on your feelings and emotions?
3. Which emotions do you struggle with – how do these emotions affect your thoughts and beliefs about yourself?
4. Are you overly self-critical? Can you show yourself some self-compassion, support and care the way you might a close friend or a small child?

5. Learn to communicate more directly about your thoughts, feelings and needs. Once you become aware of what these are – then you can express them more fully to others.

Next week we will focus on the importance of communication and how counselling can help us to find our own voice, and become more confident as we make ourselves known to another person.

MOTOR NEURONE DISEASE

WHAT IS MOTOR NEURONE DISEASE?

Motor neurone disease (MND) causes a progressive weakness of many of the muscles in the body. There are various types of MND.

Nerves (neurons) are like wires that carry tiny electrical impulses (messages) between the brain, spinal cord and the rest of the body.

In motor neurone disease (MND), motor nerves become damaged and eventually stop working. Therefore, the muscles that the damaged nerves supply gradually lose their strength the muscles tend to become stiff as well as weak at first.

WHAT ARE THE SYMPTOMS OF EARLY MOTOR NEURONE DISEASE?

This disease affects different people in different ways. The cause is not known. It is thought that certain chemicals or structures that only occur in motor nerves are damaged in some way. The reason why the nerves become damaged is not clear.

Hand and arm symptoms. At first you may notice that your grip is less strong. You may drop things, and find it difficult to open bottle tops, turn keys, etc. You may also notice that the muscles in your hands (especially at the base of your thumbs) become flatter with time.

- **Feet and leg symptoms.** At first you may start to drag one leg or tend to trip easily. You may find it more difficult to climb stairs or rise out of low chairs. You may find you are much more tired after walking.
- **Bulbar muscle symptoms.** You may not be able to shout or sing. Your speech may become slurred. There may be a change in the quality of your voice. You may experience some difficulties with swallowing as the muscles which co-ordinate swallowing become affected.
- **Other symptoms** that may occur include: muscle cramps, tiredness, twitching of weakened muscles (fasciculation), and jerking of an arm or leg whilst you rest.

The rate at which the disease progresses varies from person to person. Muscles weakened by ALS-MND do not recover. However, weeks or months may go by where the disease does not seem to progress. Eventually, severe disability develops.

WINTER TIME

Just a reminder to turn all clocks, timers etc back by one hour before you go to bed this Saturday night, October 24th. Sorry to inform you folks that the long dark nights are ahead, but it's an ideal time to lose yourself in your favourite hobby or begin a new one.

FIREWORKS

Along with winter time comes a week that is a pet owner's nightmare, though Halloween is not until October 31st no doubt there will be fireworks going off during the week.

- Fireworks have been proven to be detrimental to farm animals and wildlife.
- The ears of most animals are considerably more sensitive than the human ear and fireworks can permanently affect their acute sense of hearing.
- Most birds fly away in fright and can crash into buildings.
- Waterfowl become entangled in remnants of fireworks that land in waterways and ponds.
- Fish ingest the debris and die, sometimes even causing the deaths of scavenging animals that eat them.
- Fireworks damage and destroy property.
- Fireworks have set fire to buildings.
- The explosion of fireworks releases poisonous chemicals and particle-laden smoke, contaminating our natural environment.
- Fireworks produce light pollution, noise pollution, air pollution, debris, litter, and damage the Ozone layer.
- A pet may become Houdini when seeking escape from the thunder-like booms that will likely surround your house. Do not chance it - leave your pets indoors.
- Check and double-check that your dog's collar and tags are on securely. Remember, a good Samaritan seeks out identification on a dog's collar first - not everyone is aware of microchips.
- Walk through your home to make sure that there are no open windows, or unlatched doors which may provide an unexpected exit for your pet. If you are leaving home and won't be near your pet to help provide peace of mind, consider leaving on the television, or radio to help to drown out the frightening sounds.

PLEASE HELP MAKE IRELANDS MOST LOVED TREE A KERRY TREE

Voting for Ireland's most loved Tree is now

open on the dedicated website www.lovemytree.ie The tree/story with the most votes will be Ireland's nomination in the European Tree of the Year Contest which takes place during February 2016. Kerry has two contenders Noreen O'Sullivan from Ballaugh has entered a majestic tree which stands in the grounds of Muckcross Gardens and former King of the Mountains Champion and sporting legend John Lenihan of Toureen, Ballymacelligott has nominated his favourite tree which is a 300 year old Oak Tree situated opposite the Earl of Desmond memorial stone in the beautiful Glanageenty Walkway in Ballymacelligott, between Castleisland and Tralee. Choose whichever of the two trees you prefer and please vote early and vote often so that a Kerry Tree will represent Ireland in the European Competition.

ANSWER TO LAST WEEKS RIDDLE

Everyone has it and no one can lose it, what is it? A shadow.

PROTECTIONS FOR MACAWS

Two bird species, the military macaw and the great green macaw, have both been listed as endangered under the U.S. Fish and Wildlife's Endangered Species Act. Both are endemic to Central and South America and were found to be in decline. The main threats to the two birds are habitat loss and poaching. It's estimated between 1,000 and 3,000 great green macaws are left in the wild, and 6,000 to 13,000 military macaws. With the designation, importing or exporting the birds will no longer be allowed in the U.S.

BACK TO THE FUTURE

Ancient wisdom about water cycles is resurfacing, in 2013, governments, businesses, and donors invested \$12.3 billion in nature-based solutions to protect and restore watersheds across an area larger than India. The National Water Authority of Peru, for instance, has approved spending \$23 million on so-called green infrastructure. Projects are likely to include the repair of a 1,500-year-old water management system created by a pre-Incan civilization called the Wari. Canals etched into the Andes Mountains siphon off river overflow in the wet season. Over several months, the water filters down through the mountains and emerges from springs during the dry season. By repairing the Wari's work, the city of Lima would cut its dry-season water deficit by up to 40%. Another proposed project would restore high-altitude grasslands that were degraded by excessive animal grazing. Chinese government agencies accounted for the lion's share of the billions of dollars invested worldwide in natural watershed projects in 2013. For example, two-thirds of the Miyun watershed that supplies Beijing lies in neighbouring, poorer Hebei province. To protect the Miyun watershed, Beijing Municipality channelled more than \$103 million between 2000 and 2014 to local governments in neighbouring rural areas, reforesting 119,000 acres of land and compensating local farmers for reducing water and fertilizer use over 255,000 acres.

CUDDLING CATS KEEPS THEM HEALTHY

Scientists recently found that interactions like petting, brushing, and talking to your cat not only make her purr when you spend some quality time together, but they also help to

ensure she'll be around to do so for many years to come. In the study 96 shelter cats were split into two groups. In the first group, each cat got positive interaction from the same person 10 minutes at a time, four times a day, for 10 days. The control group, meanwhile, spent the same time every day with a researcher simply standing in front of their cage with eyes averted, much like you might experience at a typical animal shelter. At the onset of the study, all participating cats had been deemed healthy. However only the cats who had experienced regular gentling had maintained their content dispositions. Also, they were far less likely to get sick. In fact, 17 of the 49 cats in the control group wound up with upper respiratory disorders, compared to only nine of the gentling group.

PREVENT HEAT LOSS IN YOUR HOME

- Hanging up a thick set of curtains can protect your home from losing heat from the windows. You can invest in a set with thermal lining, and if you don't want to buy a new set, you can simply add lining to your current curtains. Buy a cheap material like fleece and sew it on. This trick also works for doors that lead to outside, which can also make your home lose heat. Hang a curtain in front of these doors, or pin a thick blanket over the back of the door.

- Make use of sunlight during the day as this is a natural source of free heat. Keep your window shades and curtains open during the day and when dusk falls, close the curtains as this maximizes your home's ability to retain heat.

- A draft excluder can be any piece of material or clothing stuffed with insulating materials. Purchase one, or if you feel like a DIY project, make your own by stuffing a pair of tights with socks, rice, lentils or even gravel and place at the bottom of doors to prevent warm air from escaping through the bottom.

- Cold could be entering through the smallest of spaces, creating a mini-draft. The main areas to consider are letterboxes, wide keyholes in older homes, and dog or cat flaps. To cut out the air from your letterbox, install an extra barrier with a door brush. For drafts from keyholes, you can buy a keyhole cover that slips over the top of the hole. Pet flaps can be easily insulated with wool insulation or a small blanket.

REFUGEES LEARN SMALL-BUSINESS SKILLS AND SUSTAINABLE FARMING IN THE U.S.

In 2009, the International Rescue Committee, a New York-based international NGO that brings aid and relief to refugees, started the New Roots programme. IRC works with local municipalities in the U.S. to turn unused

land into small-scale community farms where refugees can grow produce. In 2013, the programme took it a step further and created the MicroProducer Academy, funded by Chipotle's Cultivate Foundation. Chipotle granted New Roots \$200,000 to launch a school for refugees where they could learn practical skills toward turning farming into a small-business venture. In 2014, it renewed the grant, this time worth \$500,000, to cover costs until 2016. Aside from bringing African farmers closer to their agrarian roots, the program hits two key issues: fresh food for low-income refugee families and new avenues for livelihood. Classes at the academy cover everything from understanding the U.S. food system and sustainable farming techniques to food preparation and marketing tactics for selling crops at markets and to restaurants. Since the academy's inception, 150 MicroProducers have graduated from the program. New Roots maintains urban farms and community gardens in 22 cities around the U.S., while the MicroProducer Academy operates in eight cities and focuses on developing agricultural skills of refugees who had similar jobs in their home countries

SEAL DISCOVERED BY HERD OF COWS

Celebration the seal pup was just a few days old when she became separated from her mother back in July and ended up stuck in the mud in Britain's Frampton Marsh nature reserve, where a herd of 30 cows found her and gathered around to investigate the strange new arrival. Ian Ellis was bird-watching when he spotted the unusual grouping of cows. He pulled out his telescope to take a close look and was shocked to see a seal pup in the middle of the curious bovines. Rescuers quickly arrived on the scene and, when it became clear her mother was nowhere to be found, they took the little pup in for care. She was underweight and dehydrated, and soon developed a lung infection. But she found a temporary home at Skegness Natureland Seal Sanctuary, which helped to raise her and provided medical care for her infection. She also found a friend in a seal named Charlie who came in around the same time she did. On October 13th Natureland decided she and Charlie had finally put on enough weight to return home. The team from Natureland brought Celebration back to the ocean, which she hadn't seen since she was a tiny pup. But as soon as the doors to their cages were raised, she and Charlie immediately began to waddle back to the waves that they call home.

CACTI ARE ALSO ENDANGERED

Despite their ability to thrive in conditions many living things find unbearable, cacti are in decline. Like many plant and animal species that are inching towards extinction, loss of habitat is a major factor, particularly

as wild spaces are converted for agricultural purposes. But the member of the plant family Cactaceae faces another big threat: the unscrupulous collection of live plants and seeds for horticultural trade and private ornamental collections. In a recent study 1,478 species of cacti were evaluated, 31% were found to be threatened. A high concentration of threatened and endangered cacti can be found in southern Brazil's Rio Grande do Sul and Uruguay's northern Artigas region. The threats cacti face vary somewhat by region. In coastal areas of Mexico's Baja California and in parts of the Caribbean, residential and commercial development is also a major threat. Collecting cacti for the plant trade is more concentrated along the coasts of Chile and Brazil.

AN OFFICE FARM

Imagine going to work in an office, except instead of a cubical, your space is partitioned by lemon trees. The hallway to the conference room is lined with rice paddies, and orange trees sway from the executive balcony. For the workers in Tokyo's Pasona building, this is the reality. Created by Kono Designs, the office building is a lush working space that uses both soil and hydroponic methods to grow everything from squash to tomatoes. Automatic water and temperature systems means that caring for the food takes up little time. However, under the supervision of an agricultural specialist, all employees help out when the food is harvested. The fresh fruits, vegetables and grains are then brought to the cafeteria where they are used to create healthy, organic meals for the office employees.

The Pasona building is covered with vines and trees in the middle of one of the most bustling cities on our planet and is a giant leap forward from rooftop gardens. Rooftop and terrace gardens began to take off in 1990s Havana during a massive food shortage. Every bit of unused land was utilised for food creation. Seeing the good it was doing, the government soon got involved, helping fund and facilitate the use of these urban farms. By 1998 there were over 8,000 officially recognised gardens in Havana – from individually run plots to large State-run estates – all organic and producing about 50% of the country's vegetables.

A WORD OF VICTORY

Welcome back dear reader we thank God for calling us at Word of Victory to release these nuggets from His Word to you. We pray that you are getting help, encouragement and inspiration through these weekly teachings. Happily countless people have come for ministry over the years and we have, through the power of God's Word, seen people healed physically, mentally and emotionally and delivered from poverty and lack. However, Scripture tells us in the parable of the sower (see Mathew 13 and Mark 4) that when the Word is preached to many only a quarter of those people will benefit from what they hear. The Scripture in this parable is what is referred to as the 'seed' and when a person hears the Word (the seed) but does not get understanding of it the birds of the air (agents of the Devil) steal the word out of their hearts. These agents - people of no faith that have no time for the Word of God, through their negative speaking causes that one who heard the Word of God to quit. Another group will hear the Word and receive it with joy but because of hardness of heart and other stubborn traits the seed is prevented from taking root in their hearts. The third group of people who hear the Word will receive it with joy but get bogged down when worries and stress and the pull of worldly things (called weeds) choke out the Word in their heart and it cannot produce what it was meant to. The fourth group and reader we believe you are one of those hear the Word and allow it to take root in your heart and it will produce a thirty, sixty or a hundredfold return in your life - that is it will harvest God's blessings of health, provision, peace and joy for you. Remember friend God is for you and not against you! More next week.... If you have any prayer need please contact the number or email below.
