CROKE PARK BECKONS FOR THE SEM

A strong second half performance saw The Sem pull away from their Mayo opponents following a two goal Blitz Midway through the second half from David Shaw and Mark O'Shea. St Brendan's the defending All-Ireland champions had to dig deep to overcome

the challenge from the Connacht champions and it was only in the final third of the game that the Killarney College could pull away.

The Sem hope to repeat last year's Hogan Cup win in Croke Park on April 1st where they will play either St Peter's of Wexford Bar St Mary's Magherafelt.

GREENING CONTEST CREATES A STIR ON SOCIAL MEDIA

The Europe Hotel and Resort, was crowned overall winner in this year's St Patrick's Festival Greening competition which was won by popular vote on social media. The Resort Hotel called on all their fans, including their neighbours Liebherr Cranes, guests and friends to 'like' and 'share' their image from the St Patrick's Festival Facebook page. They were worthy winners with over 400 votes. Very close runners up with only 3 points less were Lyne's of Killarney on High Street. Other commendable buildings were, Killarney Plaza Hotel, Killarney Municipal Area, Foley's Bar, New Street, St Mary's Cathedral and The Speakeasy. An estimated reach of 33,000 people engaged with this fun competition. Well done to all the businesses and shops that took part, it really does make the town look extra special to see the buildings turn green for the St Patrick's festivities. Killarney has joined Tourism Ireland's Global Greening initiative, which is now in its eighth year, with more and more businesses taking part every year. Many recognisable sites from around the world go green, including the London Eye, the Empire State Building in New York and the Colosseum in Rome. Some of the new landmarks to get the St Patrick's green treatment this year were: One World Trade Center, New York City Hall and Heron Tower in London, Plaça de Catalunya and the fountains on Gran Via in Barcelona, Pozzo di San Patrizio (St Patrick's Well) in Orvieto, Italy,

Matsue Castle in Japan, The Diamond Bridge in South Korea, A rhino statue in Nairobi, Kenya, an Ethiopian airlines plane in Addis Ababa and the famous red carpet in Cannes became the green carpet. It is a fun way for businesses to get involved in the celebrations, our very own Killarney Outlook made the top 12 of the Greening Competition. There's always next year!

WEATHER DOESN'T DAMPEN ATHLETES QUEST FOR ADVENTURE

PAUL O'NEILL, COMPETING IN QUEST KILLARNEY MARCH ADVENTURE RACE - A ONE-DAY MULTI ADVENTURE SPORT RACE, THROUGH KILLARNEY NATIONAL PARK, ALONG THE KERRY WAY AND THE BLACK VALLEY. PHOTO: VALERIE O'SULLIVAN

By Valerie O'Sullivan

The scenic ancient pathways of Killarney National Park welcomed 1000 competitors in heavy weather taking part in the very testing and enduring conditions the Quest Adventure Killarney at the weekend.

The event is part of St Patrick's Festival, Killarney and the endurance driven athletes cycled through the famous Black Valley, where they ran a section of The Kerry Way, along Cummenduff Glen, through O'Sullivan's Farm, the last house in the Valley. Then a tough incline onto The MacGillycuddy's Reeks to Curraghmore Lake, before turning back to complete their trail run

transition at Casey's Farm yard, a final bike ride through the Black Valley, along the challenging Kenmare Road to the finishing line at the Gleneagle Hotel, Killarney. The race included a 55Km Expert challenge and a 33Km and 28Km race of strength and great fun.

It was Mark Nolan, who powered through the landscape winning the overall race in an incredible new record time of 02:23:56, in second place was Michael Buckley in a time of 02:27:20, shaving a minute his time from last year. Third home was well known Cork triathlete Mark Wolfe in a time of 02:30:04. Regina Sheehan was the First Lady home in the Expert 55Km in an amazing time of 02:27:24. Second place was Ger Kelly, 03:04:06

Race organiser, Oliver Kirwan from Quest Adventure said "Records were broken, the weather was very challenging for the athletes. We witnessed magnificent racing on Saturday, but without the support of the residents of the Black Valley, staff at Killarney National park, the Gleneagle Hotel and local volunteers, the event could not happen. The atmosphere, good humour and banter among the athletes and hard working organisers added to the great success of the day. It's all part of the Quest Adventure Experience"

The next Quest Adventure Series in the diary is Quest Glendalough on April 8th 2017, Quest Achill September 9th 2017, and back to the Epic Quest Killarney October 1st, 2017..

A DREAM COME TRUE FOR IRELAND'S YOUNGEST GARDA

CEE JAY MCARDLE PICTURED WITH THE NYPD AT THE NEW YORK PARADE

BY CAOIMHE SPILLANE

With a little help from Gardaí in Killarney, four year-old leukemia patient Ceejay McArdle's dream came true as he spent a St Patrick's Day to remember with the New York Police Department. Ireland's youngest garda from Castleblayney in Co Monaghan, has always been fascinated with the gardai and travelled to see the NYPD at the weekend. Our local gardaí here in Killarney organised a well attended fundraising coffee morning last September to support Ceejay and the money raised went to a fund to send the brave boy and his parents, Susan and Marcus, to New York so that he could

take part in the St Patrick's Day parade with members of the NYPD and An Garda Síochána. Ceejay has always had a huge interest in police work and wants to be a Garda when he grows up. His parents contacted the gardai and police units around the world and asked them to send Ceejay messages of goodwill, but the gardai went one step further and raised funds to help the little boy. They also arranged for Ceejay to be fitted for his own custom-made Garda uniform and he graduated from the Garda Training College in Templemore when he was made an honorary member of the force by Garda Commissioner Nóirín O'Sullivan. Ceejay could hardly contain his excitement as he made

LITTLE DRUMMER BOY..... CEE JAY MCARDLE

the trip to New York and was welcomed by the Emerald Society – the police and fire fighter's division for members of Irish heritage. The NYPD officers said they were proud to welcome him to Manhattan and they ensured Ireland's youngest Garda had the time of his life.

"To everyone in Killarney that donated to our coffee morning, you can now see first-hand the happiness you brought this little man. Many thanks," said Garda Gillian O'Donoghue who is based in Killarney and who was the organiser of the coffee morning last September in the Killarney Plaza Hotel.

In a post shared on Facebook, the NYPD showed how Ceejay marched down Fifth Avenue for the St Patrick's Day parade. Captain Megan O'Malley of the NYPD said: "The most amazing thing about his trip to New York is that it was funded entirely by his garda colleagues back home." They've put together a beautiful video of Ceejay's trip, which you can watch online.

FLEADH CHEOIL CHIARRAI TO CELEBRATE OUR MUSIC TRADITION

Tralee will again host fleadh Cheoil Chiarraí this year from May 17th to 21st following a very successful event last year. This Fleadh like others is all about protecting and celebrating our traditions of music, song, dance and our native language, the future of these is in the hands of our youth and our job is to keep it all alive.

A flag day will take place in Tralee town and Manor shopping centre on Saturday next March 25th 10am-6pm to help us raise funds and we will have various groups from our comhaltas branches on the day providing entertainment. We wish to thank Tralee Chamber Alliance, the Credit Union, the Tralee Vintners, local

RATHMORE ACTOR WINS EAMON KELLY BURSARY

Aspiring actor Margaret O'Sullivan from Rathmore is the recipient of the 2017 Eamonn Kelly bursary. The announcement was made at a presentation at Killarney Library this week.

'I am overwhelmed by the award' said Margaret, 'and am really looking forward to attending the courses that this grant will fund. It's all about bringing this knowledge back home to Kerry, it reaffirms my path as an actor and helps me to progress my career as well as hopefully mentor and inspire others.'

Margaret intends to develop her practice by attending a number of specialised theatre training courses in Dublin and Cork.

The Eamon Kelly bursary is funded by Kerry County Council and aims to support arts development in the Killarney Municipal District. The bursary has been in existence for over 10 years and continues to support arts development, encouraging high standards of arts practice in music, song, dance, film, drama and visual arts.

The bursary honours the memory of Eamon Kelly, the actor and Seanchaí, whose village of Gneeveguilla is included in the Killarney Municipal District. 'It was entirely fitting that the award went to an actor and Eamon would have been delighted to see the arts supported in his name,' Eamon's sister Brid Sugrue said.

THE RECIPIENT OF THE 2017 EAMONN KELLY BURSARY IS MARGARET O'SULLIVAN, AN ACTOR FROM RATHMORE 2017. ON HAND TO PRESENT THE BURSARY WAS, CATHAOIRLEACH OF THE KILLARNEY MUNICIPAL DISTRICT COUNCILLOR BRENDAN CRONIN AND SISTER OF THE LATE EAMON KELLY BRID SUGRUE, KATE KENNELLY, ARTS OFFICER, KERRY COUNTY COUNCIL, BACK ROW, FROM LEFT, SHARON O'KEEFE, ARTS OFFICE, KERRY COUNTY COUNCIL, CLLR. MICHAEL GLEESON, MARY MURPHY, AIDAN REIDY, VAL MOYNIHAN AND CLLR. JOHN JOE CULLOTY. FANTASTIC PRODUCTION OF ME AND MY GIRL

BY: CAOIMHE SPILLANE

Killarney Musical Society are staging their 32nd production this week and what a show it is! A fantastic production of "Me and My Girl" has already packed out the INEC for a series of matinees and evening shows that have been running since Wednesday. Their final performance takes place tonight Friday 24th in the INEC. Congratulations to the cast who put in so much hard work in rehearsals which has paid off in polished performances. Lily MacMonagle and Ian McGuirk are phenomenal and have put in show stopping performances as lead characters Sally and Bill. They are backed by a truly talented and experienced cast, Rory Ward is brilliant as Gerald Bollingbroke, Orna Cleary O'Shea once again giving a first rate performance as the Duchess Maria, with it being her 32nd time in the spotlight with the Killarney Musical Society. Derek O'Leary is getting a lot of laughs as Mr. Parchester, the

family solicitor, while Emer Guihan is fantastic as Lady Jaqueline. Gerry Adams is great as Sir John and Pdraig Creedon is superb playing Charles, the family butler. Every member of the cast has a chance to shine as they dance and sing on stage and even in the aisles! Everthing about the show is first class, from the costumes to props, choreography to singing and acting. The show is filled with many recognisable songs including the romantic "Leaning on a Lampost", the title song "Me and My Girl" and the toe tapping and catchy "Lambeth Walk" and "The Sun has got his hat on". The cast received a well deserved standing ovation on the opening night. Directed by Killian Collins with musical direction by John O'Brien and choreography by Stephan Cullinane O'Regan, the show was truly a five star experience and massive congratulations to everyone involved. It's your last chance to see the show tonight at the INEC, show starts at 8pm.

EDDIE PLANS HIS 15TH TRIP TO KENYA

Fossa man, Eddie Sheehy will be hosting the annual fundraising table quiz for the Kenya Education Project on March 30th at 8:30pm in the Castlerosse Hotel. Eddie, a retired teacher and guidance counsellor, first visited the east African country in 2003 and has since made the trip annually. The project helps people in a poverty stricken area called Embulbul, located near the city of Nairobi in Kenya. Each year he spends a number of weeks teaching in the local secondary school, many of whose students are sponsored by money raised locally in Killarney. It costs €200 to sponsor a student in secondary school and €100 to sponsor a student in primary school. Some past pupils of

the school are also helped to continue their education and training by paying college fees as well as travel and subsistence allowances. To date the project has helped students to obtain training in childcare, computing, journalism and social work which is a major boost to their families in their dream of obtaining a job to ease the financial burden on their families. The project also supports a feeding programme in the village which provides a hot meal for 140 orphans each evening. Many of these poor children live in severe poverty catered for by neighbours and grandparents who constantly struggle to provide food on a daily basis. One of the success stories of the project is

the development of a soccer academy in the village to engage teenage boys and girls in a positive project which brings great pride to all involved. The young team are very disciplined and focused and are achieving great success. The success of the project is due to the generosity of people in Killarney and Kerry who have supported the project since 2003, Eddie would like to say a big thanks to all the business people in Killarney who support the table quiz each year and to all the people and groups for their generous donations. Your continued support would be greatly appreciated.

IT IS TIME TO CLEAN THE COUNTY UP

The time of the year is here again and the 6th annual County Clean-up which is facilitated by KWD Recycling is nearly upon us. Volunteers are being called upon again to come out in force on Saturday April 8th to get involved in what has proven in the past to be a great community day out, bringing neighbours and friends together working towards the same goal of "keeping our roads clean", while also highlighting the issue of littering.

Colm Cooper has again generously taken time out of his busy schedule to come on board to promote this worthwhile event and help get the message across to everyone to get involved and keep our roads "litter free and pristine", so that visiting tourists and locals alike can see the true beauty of our country side without unsightly litter strewn on the sides of the roads. This year it is also being extended, and adapted by our neighbours in West Cork where KWD Recycling will also facilitate the Clean Up. This is great news and it will allow everyone visiting or living along this side of the country to enjoy our unspoiled beauty.

It is hoped to have as many groups/communities/individuals as possible out on the day to help create awareness and in turn help prevent people littering going forward. Posters will be placed in local shops in the

coming days encouraging people to sign up on the day, and correspondence is being sent out to all the voluntary groups and tidy town committees who have been involved over the last 6 years.

If you would like to get involved please register

by logging onto www.countycleanup.com, it does not matter if it's one person or a group of people, if it's for ½ an hour or more, every piece of litter picked makes a difference.

Show pride and keep our County roads litter free.

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

WHERE CAN YOU GET BETTER RATES OF INTEREST FOR YOUR MONEY??

Firstly interest rates in some banks are better than others, for example one bank at the moment will only give you .35% interest for a fixed rate account for 2 years, so for €75000 you would only get €262.50 interest over 2 years and that's even before DIRT tax is deducted. However another bank will give you 2.01% for a 2 year fixed rate account which is €1507.50 interest over 2 years before DIRT tax, that is over €1245.00 more in interest that you would earn before DIRT tax. Remember also that some people are exempt from DIRT Tax. In every bank there are customers earning extremely low rates of interest at present. However, by shopping around or getting an independent financial advisor to check up to date interest rates you can substantially increase the amount of interest you can earn by just changing bank accounts, which is very easy to do. Also there can be even better rates of interest available for other products such as longer fixed term accounts. This can be done for you by a financial advisor who is authorised to carry out this business for you.

For further information on the above or any other financial matter you can contact Dermot Cronin QFA APA at 0646622775 or dermotcroninifa@gmail.com

BROOKFIELD OFFERS INTENSIVE REVISION COURSE

It is that time of the year again when students have to get serious about their preparations for the Leaving and Junior Certificate Exams. At Brookfield College in Tralee there is a long history of providing quality help to pupils preparing for exams. This is the 29th year that the school will be running its Easter Intensive Revision Courses. Courses are held in Tralee and Killarney.

"Students feel they get a huge amount of revision done in a short space of time. Expert experienced teachers revise the main areas of the courses and provide notes and solutions" Principal Elisha Dowling

told the Killarney Outlook.

"Also a block study option is available during the second week of the Easter break. At Brookfield College they provide a location and atmosphere that is conducive to productive study. "These sessions keep students to a routine which is very important", he added.

Brookfield College also provides a full time fifth year, sixth year and repeat Leaving Certificate programme. The outstanding results achieved by students of Brookfield College have been well documented.

SINEAD PROVES SHE IS THE ONE WHO'S GOT TALENT

A rendition of Ed Sheeran's Lego House was more than enough to secure the title of Killarney Community College's Who's Got Talent 2017 for first year student Sinead Gleeson.

The event, which was held on Thursday March 16th was organised by Ms. Mary Fuller, Ms. Denise O'Sullivan and Ms. Joanna Hughes. This is the 9th year of this very successful event which showcased the vast talents within the college. There has been six weeks of auditions and the final 9 acts ranging from dancing, singing and instrumental playing, battled it out in the Grand Final. The final 9 acts on the day included students from 1st yr to 6th yr. The glamorous judges for the competition were, Ms. Siobhan O'Brien, Mr. Brian Hehir, and Mr. Mike Lynch and student judge Abigail Graham. Winners of the competition

received trophies and vouchers. According to Ms. Hughes "The school's spirit is uplifted on days like today when the whole school community shares their many talents through drama, song or instrumental playing". According to Principal Stella Loughnane "This show was one of the highlights in the Arts calendar as it is a fantastic opportunity to showcase the amazing talents of the students" The winner of the talent show was first year student Sinead Gleeson who sang Ed Sheeran Lego House to her own guitar accompaniment. 2nd Place was Kirill Healy who played a set of jigs on tin whistle and 3rd place was awarded to Ethan McKeon who sang Sam Smith Writing on the Wall. The buzz and excitement echoed through the halls of the college, a wonderful ending to this school term.

SENIORS

The seniors opened their Div 3 County League campaign against Na Gael in Tralee on Sunday. Na Gael raced into an early two point lead before Tadgh O'Shea settled Fossa's nerves with a point from play. Great credit must go to Fintan Coffey who got married on Saturday, yet lined out at full forward on Sunday and gave an absolutely brilliant display, this showed incredible commitment and should be acknowledged. Fintan kicked a fantastic point from play and in the 10th minute gave a great pass to the inrushing Donald O'Sullivan who finished deftly to the net to give Fossa a commanding lead. Matt Rennie and Mark Dennehy gave us a great platform at midfield where they worked hard and won a lot of ball throughout the entire game. Further points from Fintan Coffey, Tadgh O'Shea and a great effort from Dan Keeffe left Fossa in the lead at half time, 1-07 to 0-05. Playing against a very strong wind in the second half, Fossa had to really up the work rate, which they did. Mark Dennehy thundered forward to kick an excellent point after 6 minutes, Na Gael used the wind

to full advantage and had us under pressure but our defence worked really hard. In the 16th minute Na Gael struck for a fortuitous goal but Fossa didn't drop their heads, Dara Rice was causing the Na Gael backs lots of problems with his intelligent runs forward and this paid off when he punched a point to relieve some of the pressure, Mikey O'Shea came on and kicked an excellent point with his left foot to leave Fossa 3 points up with time running out. The Na Gael pressure paid off when they were awarded a penalty in the 27th minute which they scored, this was the last score of the game and it finished, Fossa 1-10, Na Gael 2-07. Next up is Ballymac next Sunday in Fossa at 2pm.

MINOR COUNTY LEAGUE DIV. 3

Gaeltacht 3-8, Fossa 1-10

Fossa made the long journey to the Gaeltacht for their second game in the county league. Weather conditions were pretty bad and Fossa played with the aid of a stiff breeze in the first half but found themselves trailing at half time on a score line of 1-6 to 0-06, the six Fossa points coming from the boot of David Clifford.

The second half saw a much improved performance from the Fossa side, Anthony O'Keefe, Garry Cronin, Eoin Talbot and Mark Donnellan tightened things up at the back, John Talbot and Oran O'Murchu improved in the middle of the field - in the forwards, there was much better effort. A goal by Liam Buckley and points by Emmett O'Shea and Rory Doyle kept Fossa in the hunt right to the end but Fossa ran out of time and Gaeltacht kept their unbeaten run going. Next up for Fossa Minors is Glenflesk at home next Saturday.

Our Senior team began their Co. League campaign with a close fought win away to Listry. With the game entering stoppage time we trailed by 2 points and it was Pdraig Healy who came up with the big play losing his man and putting Brian O Donoghue through on goal giving the keeper no option but to take him down, Darragh Roche scored the resulting penalty to give us a 1 point win. Darragh finished as our top scorer with 2-08 (1-03 from play) and Daniel O'Brien was excellent in defence for us. **FIXTURE:** We play Listowel Emmets in Rd 2 of the Co. League next Sunday

DR. CROKES ARE ALL IRELAND CLUB CHAMPIONS

BY A HURLER ON THE DITCH

Dr. Crokes, All Ireland Club Champions – sounds great; feels great; is great. Finally, the Hillary Step behind us and the summit of GAA football conquered. What do I remember? Just moments... special moments. The day is not a film in my memory... just snapshots of moments... special moments.

The butterflies of anticipation fluttered around the tummy, as we took our seats on two special trains to Dublin. How would we feel on our return? And later, when Croke Park suddenly appeared outside our window, a spontaneous roar reverberated through the entire train. It wouldn't be the last roar heard from the Crokes' supporters. Every street we walked, every restaurant, every pub we visited – the black and amber community were there. It appeared that Dublin was "Crokestown" today. We are used to entering Croke Park to support Kerry. But, today was different. We were here on a more intimate task; here for our own brothers, sons, husbands, fathers, friends; here for the Crokes; the Crokes in Croke Park. It felt right. And all of a sudden, the waiting was over. Johnny led our warriors on to the pitch and ready to do battle for themselves, for their families, for the whole Crokes family, for me. The next generation played their part too. Flag-bearers welcomed the team on to the field, proudly waving the black and amber. A broken leg wasn't stopping Leah from bringing the cup onto the pitch – "See you soon in

Killarney". Shane presents the match ball to the referee. The O'Connors played their music and danced at half-time. And our younger warriors, the next generation of players, got a taste of playing on the Croke Park turf. Many a promise was made to return to play the main event.

The ball is in and the game is on. Points shared; goals shared; a red card; heavy tackles; bodies on the line; some more points; playing keep-ball; sideline kick; final whistle; it's all over; All Ireland Champions, again.

Colm's reaction at the end of the game was so moving. A primal roar, emanating from deep within seemed to exhale, expel and exorcise that long-held hunger and need for this moment; finally finding that missing piece; all the hurt, all the disappointments, all the pain and suffering had finally been justified. And in this turmoil, the flood of pride, achievement, satisfaction and relief must have been slow to abate that roar. And as he looked skywards to finally release the anguish of previous missed opportunities, his late mother and father must have been in his thoughts. Moving to see and it felt somewhat voyeuristic to watch such a personal, intimate and important moment.

Johnny climbs those magical steps and raises the Andy Merrigan Cup in triumph to his extended family, Dr Crokes. And one by one, the rest of the players have their well-deserved moment with Andy, particularly Club stalwarts Eoin

and Colm. The raising of the cup would not be complete, without Stephen Brosnan having his turn. Then finally, Club Patron, Donie Sheahan, raises the cup above his head. Pride.

The players descend the steps to find their immediate family, to share the moment. Proud mothers hug their sons, as fathers pat them on the back, some finding it difficult to hold back the tears.

Under the Hogan stand, in the warm-up area, Pat gathers his men. They form a circle, the cup in the centre. A circle of men, who had climbed the highest peak; a circle of men with a special bond that can never be broken; kindred spirits; private words were spoken, passionate words, words that will be long-remembered with pride and fondness in old-age.

A snapshot of moments... special moments. But the most special, never to be forgotten, was when young Amy O'Connor, unusually, came "down" the steps of the Hogan Stand to raise the Andy Merrigan Cup; the chants of "Amy, Amy Amy..."; the roar, as she hoisted the cup; her infectious smile. As Johnny, so well called out, what an inspirational and exceptional girl. This Crokes team will inspire the players of the future. But Amy inspires us all. Her bravery, resilience and outlook is something we can all take inspiration from. This was THE moment for me... that moment that will linger... that most special moment.

DR. CROKES PROVE TO BE BEST IN THE LAND AS GOOCH CAPTURES ELUSIVE LAST MEDAL

REPORT: DONAL BARRY

DR. CROKES (KERRY) 1-9 SLAUGHTNEIL (DERRY) 1-7

Twenty five years on from being the mascot to the 1992 All Ireland senior winning club team, Colm Cooper and his generation of friends took to the steps of the Hogan stand to claim the Andy Merrigan Cup. The result put years of heartache behind them as they finally overcame the final hurdle to claim the clubs second All Ireland Senior Club title.

The game may not live long in the memory but their two point winning margin over Derry champions was fully deserved as the contest turned on the dismissal of Slaughtneil midfielder Pádraig Cassidy just on half time for a "low blow". Cassidy had proved to be a key player for the Ulster side up until his departure, scoring their first-half goal.

Unlike many Ulster sides, Slaughtneil came to play and their open style of football saw an entertaining first half with both sides happy to go for it.

Sweetly struck points from Shane McGuigan and Christopher Bradley, gave them an early two-point lead as Dr. Crokes struggled to settle.

Brian Looney opened their account after six minutes and his first half contribution would be telling with three points all from play.

By the eleventh minute and thanks to converted frees from Colm Cooper and Daithi Casey, They had sneaked in front, before Pádraig Cassidy goaled for Slaughtneil.

Points by Christopher Bradley and Paul Bradley saw them ahead 1-4 to 0-3, enjoying the biggest lead of the day.

Crokes needed a response and quickly and having played his part in countless important moves and goals over the years for Dr. Crokes, Colm Coopers next goal was perhaps the most important of them all. Quick thinking Daithi Casey palmed the ball into the supporting Cooper before he produced his typically finish to the back of the net.

Crokes were now in command and with

Casey and Looney (2) adding scores they were ahead 1-6 to 1-5 ahead in first-half injury-time.

Then came that dismissal of Cassidy. There was little option open to Maurice Deegan following the incident.

The Ulster side were back on level terms six minutes into the second half as both sides found time and space a lot more limited as the second half saw a lot more ball retention as both sides nervously approached the hour mark. By that stage points by Casey, Burns and Cooper had them 1-9 to 1-7 clear and coming down the back straight, the Kerry champions played very affective keep ball as they took the danger out of the game with the benefit of precision passing, support play as Colm Cooper were in charge from the half back line.

While Mickey Moran's side, never threw in the towel it was evident that it was to be the end of the 25-year wait for Crokes.

In front of a large Killarney and Kerry support included in the attendance of 30,930, Johnny Buckley accepted the Cup as Amy O'Connor was included in the Cup presentation a moment that just encapsulated the role of the club within the GAA.

DR CROKES: Shane Murphy; Luke Quinn, Michael Moloney, John Payne; David O'Leary, Gavin White, Fionn Fitzgerald; Ambrose O'Donovan, Johnny Buckley; Alan O'Sullivan, Gavin O'Shea, Brian Looney 0-3; Kieran O'Leary, Daithi Casey 0-3 (0-2F), Colm Cooper 1-2 (0-2F)

Subs: Jordan Kiely for Gavin O'Shea (39), Micheál Burns 0-1 for Alan O'Sullivan (39), Shane Doolan for David O'Leary (48), Tony Brosnan for Brian Looney (57), Eoin Brosnan for Daithi Casey (62), Christopher Brady for Kieran O'Leary (62)

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

EATING SLOWLY TO AVOID OVEREATING & ULTIMATELY HELP YOU SHED THOSE EXTRA FEW POUNDS

The concept of eating slowly as a means to avoid overeating and ultimately help you lose body fat, is based on the simple fact that your brain needs about 20 minutes to get the "signal" that you are not hungry anymore and that you can stop eating. Our body needs time for the digestive and hormonal processes to take place at a point or phase far along enough to generate the "satisfied signal". Prior to the invention of convenience food, more chewing and slower eating was normal and therefore people were likely to reach the 20 minute natural stopping signal without having to be conscious of slowing down. However, given our fast food culture, this set point is often missed because the meal is well and truly over before reaching it!

Eating slowly can help you to better understand your real hunger signals and can help you to recognize reasons for faster eating, such as emotions or simply liking the taste of a food. However, eating slowly is not a decision that you make on the spur of the moment; rather, it's a habit that you'll need to persevere with and acquire with practice.

1. Reprogram your mind. Do not even attempt to acquire the habit of eating slowly before mentally rehearsing it in your mind for at least 21 days. Relax and use your imagination to create mental images, virtual pleasant experiences that your brain will register and remember. As part of this visualization process, imagine yourself lean and fit and:

Eating slowly and savoring your food.

Trying to taste both the flavor and the texture; imagining how the texture changes as the food is slowly broken down by your saliva.

See a glass of water to drink before, with and after your meal to get the sensation of fullness in your stomach.

Be sure to visualize a desired end result such as a lean, fit and energetic body. Also see in your mind the end result: how you are going to look in that dress or those jeans, suit, etc.

Consider keeping a food journal during this time, to map out the triggers surrounding your hunger. Note where you are, what you're eating, how fast you've consumed and how you feel after eating it (especially how hungry or otherwise you feel). This will be a useful source of information to draw on, as each person's hunger triggers and set points differ.

Removing Deodorant Stains

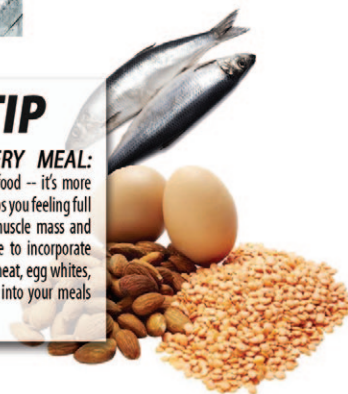

This happens ALL the time! There is an art to putting on a shirt if you've already put your deodorant on — very, very carefully. Unfortunately it is just unavoidable sometimes. Baby wipes are handy for so many things, which is why you should keep a pack near your closet to remove those evil white deodorant marks!

HEALTH TIP

EAT PROTEIN IN EVERY MEAL:

Protein is the ultimate fill-me-up food — it's more satisfying than carbs or fats and keeps you feeling full for longer. It also helps preserve muscle mass and encourages fat burning. So be sure to incorporate healthy proteins like seafood, lean meat, egg whites, yogurt, cheese, soy, nuts, or beans into your meals and snacks.

THERE'S NO SUCH THING AS FAILURE!

I used to believe that whenever I tried to make a change in my life and didn't succeed that I was a failure. I used to think that every time I didn't get what I had set out to do that I had failed. And these feelings of having failed or being a failure held me back so that I became less able to take a risk, less inclined to follow my heart and I retreated into the safety of my comfort zone. And although the comfort zone is a comfortable place to be, nothing ever grows there. Failure is one of the greatest untruths that we buy into. You can never be a failure. You are simply a wonderful human being who, like every other human being is learning from what works and what doesn't. That's called learning and growth not failure. If we try but don't succeed that's feedback – not failure! If you put all of your heart and soul into a project but it doesn't work out – that's inspirational because you were committed to showing up in your life and caring about something you loved! You don't tell a child who is just learning to take their first steps that they are a failure every time they fall down. You encourage them to get up, do it again. You praise them for trying and you get excited that they are progressing! Do the same for you – every moment of every day and be amazed at how your life opens up!

Have a very happy day!

SouthWest Counselling Centre **GOOD MOOD FOOD**

It is a well known fact that what we eat and drink can affect our mood. Our body and mind responds to what we digest not just on a physiological level but also on an emotional level. However, everyone has a tendency to ignore this on a small or grand scale to some degree depending on how busy or chaotic our lives become. The end result being we feel drained, emotional, moody, tired and irritable. It can be an ongoing struggle for many of us to incorporate a healthy eating mind set into our lives and yet when we do, we feel so much better, more energised and positive. The challenge, of course, is to maintain and sustain this approach. Some Golden Rules to follow;

- Eat Breakfast and kick start your metabolism.
- Include fruit and vegetables in your diet.
- Eat regularly and include fish, chicken and any lean meat in your diet.
- Drink plenty of water (6 to 8) glasses per day.
- Avoid late night eating and too many take aways!
- Watch portion size.
- Reduce Caffeine
- Be mindful of alcohol consumption.

Some key foods to include are minerals such as magnesium, found in nuts, whole grains and green leafy vegetables, zinc, found in meat, milk, legumes and whole grains and iron, found in red meat, green leafy vegetables, eggs and some fruit. Omega 3 polyunsaturated fatty acids found in oily fish and some plants are also very important and of course vitamins such as vitamin B, C and E. Again whole grains, fruit and vegetables important here. Changes in our diet can enhance our cognitive abilities and indeed protect the brain from any damage, boosting our mood and general sense of wellbeing. So consider the benefits of certain foods in the wider context and you are not only trying to counteract heart disease and cancer through these choices but you are also protecting the brain and looking after your mental health. Go further and make exercise part of the equation and you are well on your way to a healthier you; another layer of self-care is sleep. Strive for 8 hours and when awake strive for healthy eating and moderate exercise. Our physical and mental state is often vulnerable and under duress so it is important to acknowledge this and fuel our being with the right nutrients and minerals when, and if, necessary. Needless to say have the occasional treat and indulge a little every now and then because something sweet and tasty is deserved and worthwhile after all your hard work to be good! Bon Appetite!

TAX MATTERS

Capital Acquisitions Tax (CAT) - Treatment of gifts by children from their parents

Lifetime Parent to Child Exempt Threshold.

Capital Acquisitions Tax (CAT) is a tax that imposes a charge on individuals who receive gifts and inheritances where the value of the gifts and inheritances exceed that individual's lifetime tax-free threshold. A child is entitled to a life time tax-free threshold of €310,000 in respect of gifts and inheritances taken from his or her parents. Where the aggregate of the gifts and inheritances received by a child from a parent exceeds €310,000, only the excess is charged to tax.

Small Gift Exemption.

In addition to this €310,000 tax-free threshold, the first €3,000 of gifts to a child in any year is exempt from CAT under the annual small gifts exemption. This means that each parent can give a gift to a value of €3,000 to a child (or to anyone else) each calendar year without any CAT charge arising. So, two parents can make gifts to a child to the value of €6,000 in any year free of CAT. Indeed, two parents could, if they wished, gift €12,000 in total each year to each son or daughter and their respective partner (e.g. fiancée, fiancé, daughter-in-law, son-in-law) free of CAT. There is no obligation on a beneficiary of a gift to spend it in the year it is received. Gifts can be accumulated by the child after receipt to meet future expenditure e.g. to meet a deposit on a house.

Gifts which qualify for the small gifts exemption do not reduce the parent to child tax-free threshold of €310,000 – gifts in excess of the small gifts exemption reduce the threshold after taking the exemption into account.

To discuss this in more detail, contact O' Brien Coffey MacSweeney (Accountants & Statutory Auditors) at 064 6632045 or info@obcm.ie

REPORTS:

KILLARNEY CELTIC 12'S SKETCH THEMSELVES INTO THE HISTORY BOOKS:

The inaugural Regional Finals of the Skechers National Cup saw Killarney Celtic 12's and 15's in action in Limerick today with The Park 13's playing their final in the coming weeks.

And it was the Killarney Celtic 12's that have created history by becoming the first Kerry side to lift a Regional trophy. Their game against Fairview Rangers was a tight and tense affair and was scoreless at half time.

However Killarney Celtic took control in the

second half and Calvin O'Sullivan put them ahead after 10 minutes. The same player wrapped up the win with his second a few minutes later. The players were delighted to collect their winner's medals from SFAI Chairman John Early.

Unfortunately Killarney Celtic's u15's were beaten 3-1 in their final against Regional United.

6 THROUGH TO NEXT ROUND OF THE JOHN MURPHY 12'S CUP:

Killorglin had goals from Jack Lynch 2, Paul Costello, Fionan Griffin and Dara O'Connor as they knocked out Dingle Bay Rovers. Inter Kenmare brought their scoring boots for their Cup tie against Killarney Athletic B in Woodlawn. Darren Allman scored 3 with Darragh O'Connor, Sean Treyvaud and Darragh O'Sullivan all scoring two each in the win.

Killian Boyle was on fire for Listowel Celtic as he scored 5 in their win over Fenit. His goals were added to by scores from Cormac Dillon, Jack Enright and Shane O'Sullivan. Jack Enright was the creator in chief for Listowel Celtic setting up three of the goals.

Mastergeeha B had a hat trick from Kieran Nagle and a goal from Ryan McGurl in their 4-2 win over Killarney Celtic B. Alex O'Connor and Fionn Noctor got the Celtic goals. The game could have been even closer only for the excellent display by Mastergeeha keeper Liam Kerrisk.

Iveragh United were 6-0 home winners over Listowel Celtic B with Padraig Mangan, Ruairi Dennehy, Tadhg O'Sullivan, Brian Quinlan and Emmett Daly 2 on the score-sheet.

Mastergeeha are also into the hat for the next round as they won away at Camp Juniors with their goals coming from Hugh Lenihan, Jack o'Donoghue, Jack Fogarty, Sean Doolan, Keelan O'Shea, Eoin Kelly and Cian Murray all scoring once each.

PARK DO THE DOUBLE IN THE JJ NAUGHTON 13'S CUP:

The Park's two teams in the John Joe Naughton Cup both have progressed to the next round. Goals from Colin Daly 2, Killian O'Connor and Josh Connolly saw the Park A defeat Mastergeeha who had Mark O'Shea on the mark.

The Park B went through 7-2 knocking out Killarney Celtic B. Luke Crowley and Martin O'Brien scored for Celtic.

Semi Finalists sorted in Tom Hayes 14's Cup: Goals from Cillian Burke 2, Eoghan Hassett and Jason O'Connor gave Killorglin a 4-1 win over Camp Juniors in the first of the Tom Hayes 14's Cup quarter finals.

Tralee Dynamos defeated Listowel Celtic A by the same score-line. Denis Burke, Andy Rogers and Danny Burke all scored for Dynamos with the fourth goal being an own goal. Cian Clancy replied for Listowel Celtic.

Fenit played with a strong wind in the first half and were 2-0 ahead at half time thanks to goals from Eddie McCarthy and Jerome Daly. In the second half McCarthy scored his second and his sides third before Rocco Rejecvan pulled a goal back for Killarney Athletic. But Fenit closed out the game thanks to two further goals from Daly's second and one from Cian Kearney.

Killarney Celtic A are the fourth team into the

semi-final draw as the defeated Iveragh United 4-1. Kevin Bowler, Killian O'Sullivan, Cian Doe and Ruairi Dorrian got the goals for Celtic.

3 into Healy Family 15's Cup:

Alex Fogarty and Matthew Fleming were on the mark for Killarney Celtic B as they knocked out Park D.

Rattoo Rovers put up a great battle against the Park A who are two divisions above them. Colin Walsh and Sean McGrath scored for the Park with JP O'Carroll and Kevin Goulding from the penalty spot had the sides level. However the Park's Colin Walsh scored from the penalty spot to secure the win for the Tralee side.

Caolan O'Connell scored a hat trick, Maurice O'Connell 2 and one from Cian Griffin saw Camp Juniors book their place in the next round of the Healy Family 15's Cup.

LEAGUE ACTION:

MORIARTY'S CENTRA 11'S ACTION:

The next series of games in the Moriarty's Centra 11's Grading tournament took place with action in all three Divisions. Mastergeeha A defeated Killorglin A in the Premier section while The Park A and Killarney Athletic A played out a high scoring draw in the same division.

In the 11's Division 1 there were wins for Tralee Dynamos over MEK, LB Rovers who saw off Ballyhar and Iveragh United who defeated Inter Kenmare.

There were wins for Park B against Killarney Athletic B, Killarney Athletic who defeated Park C and Killorglin B as they got the better of Mastergeeha B.

LEADERS DEFEAT SECOND IN JK SPORTS 12'S:

Eoghan Crowley scored all Killarney Celtic's 3 goals in their 3-1 win over their nearest challengers Iveragh United with Oisin Breen getting their goal. Celtic's win on Monday, at the start of a great week for the team, sees them move 4 points clear of Iveragh and they have two games in hand.

INTER AND MASTERGEEHA 14 GIRLS DRAW IN GOAL-FEST:

Inter Kenmare and Mastergeeha shared 8 goals in a thriller in the Foundation Sports 14's Girl Premier. For Inter Abby Murray scored a hat trick and Amy Harrington the fourth while Kate Lynch got a hat trick for Mastergeeha and her three were added to by a goal from Jenny Healy.

Listowel Celtic continues to lead the way and the added three points from a 3-0 win over Killorglin.

DRAW NOT SUIT EITHER SIDE IN 15'S DIVISION 2:

Killarney Celtic B and Inter Kenmare drew 2 all in the Killarney Plaza 15's Division 2 in a game that in truth both sides both needed to take all three points. Tom Doyle and Cian Doe got the Celtic goals.

KILLARNEY ATHLETIC NOTES RESULTS:

U14: Our u14s played away in Fenit in very windy conditions on Saturday. Athletic fell behind when the ball was well cleared from a corner & a well struck shot from distance aided by the wind found the bottom corner. Fenits

second came from a well struck free kick, after foul on the edge of the box. Athletics best chance came when Mulvaney did great work down the right forcing a cross in which the keeper fumbled, O'Sullivan attacked the ball & the keeper made the save after a questionable tackle on O'Sullivan was waved away. 2-0 down at the break, the game was still wide open. Athletic had joy early on playing the ball fast over the top for the strikers to run onto. Disaster struck soon after, when Athletic failed to clear from a corner & the ball fell kindly to the Fenit player who finished well. The lads got one back when Rocco beat three defenders on the edge of the box and finished smartly to the net. Pressing now Athletic got hit with two sucker punches, from dubious offside decisions as Fenit secured the game. The lads were outsmarted by a more streetwise team and will learn from this experience. Best for Athletic were Doolan, Pierce & Mulvaney.

300 CLUB: It is still not too late to sign up for the 300 club draw with the club offering the reduced rate of €100 for the remaining 10 draws of the year. Forms can be got from any committee member and we would ask all members to support.

CONGRATULATIONS: The club would like to congratulate the Dr. Crokes team on winning the All Ireland Club Football Final on St Patricks Day. A huge feat with many of our Senior squad being involved.

KILLARNEY ATHLETIC WEBSITE: Please check the website on www.killarneyathletic.com or facebook for match reports, club information and contact details.

CONTACT: If you have anything to add to the Killarney Athletic A.F.C Notes please contact Alan Daly on 085-1913244 or aland15@live.ie

RESULTS Denny Premier: Listowel Celtic 1 Killarney Celtic 1

U15 Regional Cup Final: Regional United 3 Killarney Celtic 1 A gallant effort in the inaugural year of the competition, but Regional were excellent and deserved to take the Munster title ahead of a great effort by Celtic.

U15 CUP: KILLARNEY CELTIC B 3 PARK B 0 Alex Fogarty, Matthew Fleming, and Tom Doyle were on target for an on-fire Celtic, with Paul O'Sullivan giving a man of the match performance.

U15 DIV TWO: KILLARNEY CELTIC B 2 INTER KENMARE 2

This was a very close and hard-fought game and in the end neither side deserved to win or lose. Tom Doyle and Cian Doe got our goals.

U14 KERRY CUP QUARTER-FINAL: Killarney Celtic 4 Iveragh 1 Kevin Bowler, Killian O'Sullivan, Cian Doe and Ruairi Dorrian got the goals to put us into the last four.

U13 KERRY CUP: Park B 7 Killarney Celtic B 2 Luke Crowley and Martin O'Brien scored for us but it was to no avail against a brilliant Park outfit.

U12 REGIONAL CUP FINAL: FAIRVIEW RANGERS 0 KILLARNEY CELTIC 2

Killarney Celtic 12's sketch themselves into the history books!

The inaugural Regional Finals of the Sketchers National Cup saw Killarney Celtic 12's and 15's in action in Limerick today with The Park 13's playing their final in the coming weeks.

U12 PREMIER: Killarney Celtic 3 Iveragh 1 Eoghan Crowley scored all Killarney Celtic's 3 goals in their 3-1 win over their nearest challengers Iveragh United. Celtic's win on Monday, at the start of a great week for the team, sees them move 4 points clear of Iveragh and they have two games in hand.

U12 Kerry Cup: Killarney Celtic B 2 Mastergeeha B 4

Alex O'Connor and Fionn Noctor were on target for us, and it would have been more but for the brilliant display of Mastergeeha keeper Liam Kerrisk.

Congratulations to U12 player Kalvin O'Sullivan on making the Kerry Schoolboys/Schoolgirls Team of the Week.

PRIZE WINNERS GATHER TO COLLECT THEIR AWARDS

Prizewinners from the Killarney St. Patrick's Day Parade 2017 gathered at the International Hotel this week to collect their honours. Chairperson of the St. Patrick's Day festival, Anne Marie Kennelly addressed the group and thanked everyone for their support.

"Despite the weather we had on the 17th you all came out and got your troops together and gave great entertainment. The St. Patrick's Committee appreciate all the hard work that goes into getting ready for the Parade and all the voluntary hours put in. We thank you as without all this hard work there would be no parade. And in spite of the wind and rain I loved every bit of it. You were all spectacular", she said.

She went on to thank the sponsors of the festival, the committee, the volunteers, the judges and everyone who contributed to making the festival such a huge success.

ALLIANZ NATIONAL FOOTBALL LEAGUE

KERRY LEAVE IT BEHIND THEM AT AUSTIN STACK PARK

KERRY 0-13
DUBLIN 0-13

It was tough, it was tense. It was extremely physical as both sides renewed rivalries in front of an attendance of 11,858 and went at it like the gladiators in ancient Rome. Before a capacity attendance, Kerry can consider themselves extremely unlucky they didn't hold out for the win which on the balance they would have deserved. The Saturday night football fever certainly gripped Tralee as the ground filled up long before the 7pm throw-in.

Kerry led by four points at one stage in the second half and with time running out they were clinging on to a one-point lead.

Deep into stoppage time, the Kingdom were awarded a free out for a heavy challenge on Peter Crowley. Paul Murphy's stray pass was intercepted by Kevin McManamon who set Paul Mannion up for an equalising score for the Dubs to preserve their unbeaten record. Kerry had opportunities and chances to win this game but spilled turnovers and mistakes were to prove costly.

Still, Kerry manager Eamonn Fitzmaurice will be happy with the spirit and determination shown by his side, especially the younger players such as Tadhg Morley, Ronan Shanahan, Jack Barry and Kevin McCarthy who stood up to the challenge.

Barry had one of the most difficult assignments in keeping tabs with Dublin's star midfielder Brian Fenton.

The Na Gaeil man did his job to perfection and nullified Fenton's influence on the game, while Shanahan kept Dublin's key forward Ciaran Kilkenny scoreless throughout.

In our preview last week, we stated that any frees which Kerry conceded would be severely punished. In Dean Rock, Dublin have one of the best free-takers in the modern game and the fact that Rock converted nine scores all from placed balls, within scoring distance, is something which will no doubt worry Eamonn Fitzmaurice and his backroom team.

Tyrone referee Sean Hurson had difficulty in keeping tabs with the many off-the-ball incidents which threatened to boil over. Dublin's Ciaran Kilkenny was dismissed on a second yellow card very late in the game and a number of others could consider themselves extremely fortunate that they did not see red.

Kerry who got off to a good start and they enjoyed a 0-3 to 0-1 lead with 12 minutes of the first half gone thanks to well-worked scores from Peter Crowley

and Paul Geaney (2), Geaney's first score from play in the 10th minute, which he curled over the bar into the teeth of the wind, was a candidate for score of the game.

Kerry were winning vital breaking ball at this stage and had Dublin under the cosh however, Dean Rock settled the visitors with a point from a free in the 12th minute. The outstanding Conor McHugh reduced the arrears before Brendan Kealy converted a 45 which was won by David Moran. Dublin were coming slowly into the game and three Rock frees meant that they led against the run of play in the approach to half-time. However, Paul Geaney from play landed another good score to level the scores at 0-5 each at the break.

Kerry resumed in determined fashion as the Metropolitans were struggling. Points from

Paul Geaney (0-2, one free), David Moran and Kevin McCarthy had them 0-9 to 0-5 clear within six minutes of the second half. However, Jim Gavin's side are notoriously difficult to beat. The Dubs hit a purple patch of their own shortly afterwards and scores from Rock (2 frees), Conor McHugh and Eoghan O'Gara (who had been included in the original starting line-up but was replaced by Paddy Andrews), levelled the scores again.

The Dubs were marauding at every opportunity and the Kerry defence had to be alert to prevent an almost certain goal. Two Dean Rock frees pushed the Dubs into a 0-11 to 0-9 lead with 66 minutes gone. Again, Kerry dug deep. Points from Geaney (2), Barry John Keane and Donnchadh Walsh meant that Eamon Fitzmaurice's side now enjoyed a two-point advantage with injury time still to play.

But late scores from Dean Rock and Paul Mannion punished Kerry's inability to close out the win as both sides settled for a share of the spoils.

Kerry travel to Breffni Park to face Cavan in the penultimate round next Sunday while Dublin host Roscommon in Croke Park and have the opportunity to surpass Kerry's All-Time record. Teams and Scorers. **By Kerry O'Shea**

Gneeveguilla went straight up the field from the resulting kickout and hit the post before Corneilus Buckley pointed. WELL DONE St Brendans College moved a step closer to retaining the U18.5 A Football title with a superb team display in Cusack Park Ennis. St Colmans College Claremorris played fantastic football in the opening half to trail by the narrowest of margins at the short whistle. The Killarney boys looked in real danger of losing the game facing into a strong wind in the second half. Huge work rate and pure football skill were the launching pad for a polished second half team display. Scoring freely in attack the Sem lads powered clear to reach the Croke Park decider. St Marys Magerafelt

are expected to advance to the final to face St Brendans College.

DR. CROKES NOTES

ALL IRELAND CLUB FINAL

Croke Park - St. Patrick's Day

Dr. Crokes 1- 9 - Slaughtneil 1 - 7

We've won it at last. After 25 years of waiting we

won the Andy Merrigan Cup on a scoreline of 1-9 to 1-7 at Croke Park, on St. Patrick's Day. Slaughtneil led by 0-2 to nil after 5 minutes. We scored three points without reply in the next 5 minutes to go 0-3 to 0-2 ahead after 10 minutes. A very good goal by our opponents, followed by two more points put them five points ahead as we approached the 20th minute. I believe the defining period of the game came in the ten minutes before half – time when we outscored the Derry team 1-3 to 0-1 to go in at half – time 1 – 6 to 1 – 5 in front.

Our opponents had a player red carded just before half – time so they faced the same task we had to face a quarter of a century ago, when we overcame our number disadvantage and won by a point. Both sides found it difficult to break the respective defences in the second half. We scored three points to our opponents' two points in the first twenty minutes of this half to leave us two points in front. Many pundits would say that we played cagey and a game of keep ball in the last ten minutes. It did however pay off for us and got us over the line. Remarkably Slaughtneil had just two possessions and controlled the ball for only fifty seconds in this ten minute period.

This was a team effort from us right throughout the game. One of the highlights was our goal after 20 minutes when Daithí Casey ran at pace through our opponents defence, delivered a great pass to Colm Cooper who made no mistake with a sublime finish.

John Payne was adjudged "Man of the Match" by T.G.4. and it would be hard to disagree with their decision as he gave a masterful display from the right corner back position in the second half.

One would feel sympathy for Slaughtneil. They now have lost two All Ireland Finals. They seem to have such great resilience that I expect them to bounce back and win the ultimate prize in Club Football.

PROGRESSIVE 31 Progressive 31 is on every Wednesday night in the Crokes Clubhouse starting at 8pm. Everyone welcome. Bring €5 and a partner.

CLUB MEMBERSHIP Annual membership is now due and it is critical that all members and players pay /renew their membership before the 31st of March next. A strict "no pay/no play" policy will be enforced after this time.

HANDBALL NEWS

25TH ALL IRELAND TITLE FOR DOMINIC: Glenbeigh has another All Ireland title in the town's trophy cabinet as Dominic Lynch has secured his 25th All Ireland crown. He defeated Carlow's Ollie Ryan 21-5, 21-4.

To win the 25th has been the aim for Dominic for a long time and to make it even sweeter he injured his arm during the contest but managed to power through to take the title.

Speaking afterwards Dominic was delighted with the result. "It has been my target for a long time and so I am delighted to take the 25th title. I felt very confident going into the game as training had gone very well and I was really up for the game.

"I got off to a great start and led 4-0 before Ollie got on the board. But I really laid down a marker by taking the next 8 points without reply. As expected he fought hard but I was in control and took the first game 21-6.

"The second game started in much the same way as the first and I took the first 4 points without reply. I was 9-3 up when I suffered the arm injury. Thankfully I was able to play on and won the game and title. But I will be on the side lines for a few weeks as the tendon will need time to rest."

Know Your Rights: CAO LATE APPLICATION

QUESTION

The closing date for applying to college was 1 February. Can I still apply?

ANSWER

You apply for almost all full-time undergraduate courses through the Central Applications Office (CAO). This includes, for example, university and institute of technology undergraduate courses such as Higher Certificates at Level 6 and degrees at Levels 7 and 8.

The closing date for 2017 CAO applications was 1 February 2017. However, late applications are allowed up to 5.15pm on 1 May 2017.

There is a fee to apply for courses through the CAO and late applications are subject to an increased fee. Late online applications cost €50.

You may change the courses you picked or the order of courses on your application. This Change of Mind facility is free. It opens on 5 May and closes on 1 July 2017 at 5:15pm. If you are a mature applicant who wants to be assessed on mature grounds, or if you want to be considered for the HEAR and/or DARE schemes, most colleges will require you to have applied to the CAO by 1 February 2017. There are also some restricted courses which cannot be applied for after 1 February 2017.

The CAO provides a handbook that lists all the courses on offer and gives information on how to apply.

Decisions on offers of places are normally made in August and September, after the results of the Leaving Certificate have come out. A detailed schedule of the offer rounds is in the CAO handbook.

It is important to note that there is no central applications body for Post-Leaving Certificate (PLC) courses. Students must apply directly to the individual colleges. You should check the closing date for PLC courses with the college where the PLC course is taking place.

EARTH HOUR IS THIS SATURDAY:

In 2017, World Wide Fund for Nature (WWF) is celebrating 10 years of Earth Hour and 10 years of progress on changing climate change. Earth Hour started in Sydney, Australia, in 2007. This event saw 2.2 million homes and businesses turn their lights off for one hour to make their stand against climate change that year, in 2016 178 countries and territories participated, over 12,700 landmarks switched off and 2.4 million people got involved to show support for action to protect our amazing planet.

Businesses and government organisations, as well as community and political leaders also take part in Earth Hour. It's about giving people a voice on the planet's future and working together to create a sustainable low carbon future for planet earth.

Our actions on climate change will shape the future for children everywhere. They know more about climate change than any other generation. And they have extraordinary views on what they want for their planet.

On this Saturday the 25th of March, please switch off all unnecessary electric lights and equipment between 8.30pm and 9.30pm to support progress for the next generation and to stop the degradation of the Earth's natural environment. We must act now to protect our amazing planet.

SUMMER TIME:

Its summer time and the living is easy – unfortunately not yet, but at least we will have an hours extra daylight in the evenings to look forward to from this Sunday March 26th – so before you go to bed on Saturday night remember to set the new time on all watches, timers etc by putting them forward by one hour.

THIS SUNDAY IS MOTHERS DAY:

Mother's Day, or Mothering Sunday, to give it the official name is a special day to celebrate mothers of all ages and nowadays falls exactly three weeks before Easter in the Christian calendar in Ireland, Great Britain and parts of Europe, though the earliest Mother's Day celebrations can be traced back to the spring festivities of ancient Greece and Rome.

Early Christians celebrated a Mother's Day of sorts during the festival on the fourth Sunday of Lent in honour of the Virgin Mary, the Mother of Christ. In England the holiday was expanded to

include all mothers. It was then called Mothering Sunday.

In the 1600's this was the day during Lent, when parishioners returned to worship in the church where they had been baptised. In the large homes of the wealthy, servants were given the day off to observe the practice of attending church and visiting family afterwards. So it became a tradition that mothers were brought gifts on Mothering Sunday. Suitable presents of the day could include a homemade cake or a bunch of hand-picked wild flowers.

The custom of celebrating Mothering Sunday had died out almost completely by the 19th century; however, the day came to be celebrated again after World War II, when American servicemen brought the custom back to Europe. Anna Jarvis is recognised as the Founder of Mothers Day in US. To begin with Anna, send Carnations (her mother's favourite flower) each year for the church service in Grafton, West Virginia to honour her mother. Later Anna along with her supporters wrote letters to people in positions of power lobbying for the official declaration of a Mothers Day holiday. The hard work paid off. By 1911, Mother's Day was celebrated in almost every state in the Union and on May 8, 1914 President Woodrow Wilson signed a Joint Resolution designating the second Sunday in May as Mother's Day.

Ms Anna Jarvis, who had devoted her life for the declaration of a Mothers Day holiday was so deeply hurt by the huge commercialisation of the day that she deeply regretted ever having been the driving force behind the foundation of the special day.

Today for many families, the day is about making their mother feel like the Queen she is, by spoiling her rotten but for other families whose mother has passed away it can be a very sad day and many people visit their mothers grave with gifts of flowers.

TODAY IS "INTERNATIONAL DAY FOR THE RIGHT TO THE TRUTH CONCERNING GROSS HUMAN RIGHTS VIOLATIONS AND FOR THE DIGNITY OF VICTIMS"

In 2006 the UN confirmed that people had the right to know the truth about gross human rights violations and serious violations of human rights law. Furthermore, this right was linked to governments' duty and obligation to protect and

guarantee human rights, to conduct effective investigations and to guarantee effective remedy and reparations.

In December 2010, in a bid to promote human rights, the UN proclaimed March 24th as the "International Day for the Right to the Truth concerning Gross Human Rights Violations and for the Dignity of Victims".

The purpose of the Day is to:

*Honour the memory of victims of gross and systematic human rights violations and promote the importance of the right to truth and justice;

*Pay tribute to those who have devoted their lives to, and lost their lives in, the struggle to promote and protect human rights for all;

*Recognise, in particular, the important work and values of Archbishop Oscar Arnulfo Romero, of El Salvador, who was murdered on the 24th of March 1980, after denouncing violations of the human rights of the most vulnerable populations and defending the principles of protecting lives, promoting human dignity and opposition to all forms of violence.

*The UN General Assembly, in its resolution, invites all Member States, international organizations and civil society organizations and individuals, to observe the International Day in an appropriate manner.

REFUGEES ARE STRANDED AND STARVING IN CALAIS:

In October, the government of Calais, France demolished the city's encampment of refugees, leaving thousands stranded with nowhere to go. Now, as some try to rebuild what they lost, the city has implemented a policy forbidding charitable organisations and agencies from distributing food to migrants and their families. The refugees seeking temporary safety in Calais are fleeing violence, persecution and political turmoil. They can't just turn around and go back home — some of their homes literally don't exist anymore because of civil war. This policy won't deter these poor people from trying to find refuge.

Mayor Bouchart's ban is a despicable act in an attempt to rid the city of refugees by cutting off the basics for human survival. Refugees are in dire need of shelter, food, clean water and safety. If we're going to properly address the refugee crisis, we need long-term solutions that grant people basic human dignity and safe refuge in cities like Calais.

The refugee crisis isn't just a local issue — it's international. That's why it's so important that we all speak up and cry injustice when it's due, burning down tent cities and stopping charities and agencies from doing their jobs will not help — it only makes things worse.

If you feel strongly on this issue please add your voice to show that you stand with refugees by signing the petition on the Care2 website and tell the Mayor of Calais to stop starving refugees and reverse the decision to ban charities from distributing food.

QUOTE:

"On this day, I urge States to adopt measures to promote truth, justice and reparations for victims, which is so crucial to ensuring that gross human rights violations are not repeated. Let us all do more to protect human rights and human dignity" - UN Secretary-General Ban Ki-moon

PEOPLE FORMED A HUMAN CHAIN TO RESCUE A HERO AND A DOG FROM RAGING WATERS:

In Kazakhstan - a Central Asian country - a group of people spotted a dog trapped in rushing waters below a floodgate, one brave man waded in to lead the dog who was frozen with fear back to the ledge from which he had fallen but when the pair got to the steep wall at the edge of the channel, both needed help climbing out.

That's when 3 people on the bank raced to link arms to form a human chain, with one young man holding on to a fence rail with one hand linked to two others in single file who had slid over the edge to try and reach both man and dog - but the distance was too far.

The video shows the man time and again trying to push the dog upwards towards the rescuers but he kept sliding back down - then our hero grasped a helping hand while holding the dog by the collar, the man was pulled upwards but lost his grip on the collar, the rescuers unaware of this kept pulling until our hero succeeded in freeing his hand and slipping back down into the water again, obviously not willing to give up on the dog - on the next rescue attempt an extra brave young man attached himself to the human chain and another man sat dangerously on the edge on top of the channel to lend a hand to both man and dog when they were pulled to the top - and all were successful in the end.

INDIA DOUBLES PAID MATERNITY LEAVE, MAKING

IT 3RD BEST WORLDWIDE:

The Parliament of India has just passed a bill extending nationally mandated paid maternity leave from 12 weeks to 26 weeks.

The bill, which will benefit almost two million women in the organised working sector, will apply to all businesses that employ more than 10 workers.

The policy change also makes India the third best country in the world for paid maternity leave, trailing only Canada with 50 weeks of paid leave and Norway with 44.

However, the extended paid leave will only apply to the first two children. If a mother gives birth to a third, then the time off is cut back to 12 weeks.

"This is my humble gift to women, a day after the world celebrated the International Women's Day," said Labour Minister Bandaru Dattatreya.

MONASTERY RECRUITS CUTE FLUFFY FRIAR TO ENCOURAGE ADOPTIONS:

The friars at this Franciscan monastery in Cochabamba, Bolivia worship St. Francis of Assisi; the patron saint of animals.

So in honor of their practices, they adopted Carmelo the dog - or "Friar Bigoton", meaning "mustache" in Spanish.

Carmelo used to be a stray before he was rescued and has now become a beloved part of the monastery, spreading love, cuddles, and has even taken a liking to his new friar's robes.

"If only all the churches of our country adopt a dog and care for him like Friar Bigotón," the group wrote in a post on Facebook, "we are sure that the parishioners would follow his example."

AT LAST - A REVOLUTIONARY REDESIGN FOR THE IRONING BOARD:

The household ironing board has not been successfully redesigned since its invention in 1892 - but The Flippr a crowdfunded ironing board is about to change its history.

The new design claims to cut the average ironing time from eight minutes to two minutes by using several features such as a torso-shaped board with 360 degree rotation and clothing clips for keeping pants in place.

The frame also has eight levels of height adjustment and wheels for easy transportation. 632 different backers donated over \$240,000 to the prototype's Indiegogo campaign for the product's manufacturing - pushing it 810% over its goal.

WORLD'S OLDEST GOLFING CLUB TO FINALLY ADMIT WOMEN:

For the first time in a 273-year history, the world's oldest golfing club will finally allow women to become members.

After the issue failed to pass by a narrow margin during a vote in May 2016, members of the Honourable Company of Edinburgh Golfers voiced their disappointment at barring women from becoming members at the club and

playing at the Muirfield Golf Club in Scotland. The issue was introduced for a vote once more recently with 621 members present. This time, however, the decision to allow female members was passed with 498 votes in favour, resulting in an 80% majority.

"The Ladies European Tour is extremely pleased to hear that the Honourable Company of Edinburgh Golfers has voted to include female members and will begin to restore the reputation of the club following the disappointing ballot result last May," said Ivan Khodabakhsh, the Ladies European Tour's Chief Executive Officer. "Sports reflect the values of the society in which we live and today men and women have equal rights. We believe this should be reflected not only in top level international tournaments but also at club level" she concluded.

WATCHING BIRDS NEAR YOUR HOME IS GOOD FOR YOUR MENTAL HEALTH:

People living in neighbourhoods with more birds, shrubs and trees are less likely to suffer from depression, anxiety and stress, according to research by the University of Exeter, the British Trust for Ornithology and the University of Queensland.

The study, which surveyed mental health in over 270 people from different ages, incomes and ethnicities, also found that those who spent less time out of doors than usual in the previous week were more likely to report they were anxious or depressed.

Common types of birds including blackbirds, robins, blue tits and crows were seen by the participants but the researchers did not find a relationship between the species of birds and mental health, but rather the number of birds they could see from their windows, in the garden or in their neighbourhood.

Previous studies have found that the ability of most people to identify different species is low suggesting that for most people it is interacting with birds, not just specific birds, that provides well-being.

University of Exeter researcher Dr Daniel Cox, who led the study, said, "This study starts to unpick the role that some key components of nature play for our mental well-being. Birds around the home, and nature in general, show great promise in preventative health care, making cities healthier, happier places to live."

GARDENING OUTLOOK

FOCUS ON CONIFERS

For colour all year round you can't go wrong with conifers and there are lots of different types to choose from.

When choosing a conifer they are usually classified under four sections. Dwarf which will grow from 1.5ft to 15ft. Medium 12ft to 50ft. Tall anything over 50ft and finally ground cover or prostrate growing from about 2ft in height to a spread of anything from 2ft to 6ft.

When choosing a dwarf conifer it is very important to remember that it can mean two things. It may describe a slow growing variety which will grow to about 2 to 3 ft after 10 to 12 years or it may mean that it will grow to its maximum height in a quicker time frame.

An ideal dwarf conifer to choose is Juniperus Communis Compressa which will not grow more than 2 to 3 ft which makes it ideal for a rockery.

There is also a big choice when it comes to medium conifers. So remember before you choose find out the mature height and spreads. Medium conifers are ideal for shrub beds as they will give you a good focal point and colour all year round whether it is green, gold or blue-grey.

Tall conifers speak for themselves and are ideal for a large garden.

Prostrate conifers are ideal for ground cover but make sure to remember that there are different varieties, dwarf, medium and large.

Conifers are also ideal for centerpieces in pots and containers.

Next week I will focus on Climbers.

NOVENA TO THE SACRED HEART

Sacred Heart, St Jude, St Anthony. And to all of the Saints for favours received. And thanks to the universe. **X**

NOVENA TO THE SACRED HEART

You have said O'Divine Jesus ask and you shall receive, seek and you shall find, knock and the door shall be opened to you. Relying on these promises I come with confidence during the novena to beg of you the favours that I need (make request). From whom shall I ask, Lord Jesus, if not from you whose heart is an unfailing source of graces and merits. Most loving heart of my God I believe in your power, I believe in your knowledge, I believe in your personal love for me and therefore O Sacred Heart of Jesus I place all my trust in you. Our Father, Hail Mary and Glory. Say 3 times for 3 days and request will be granted, Never know to fail. Must publish.

THE MIRACLE PRAYER

Dear Heart of Jesus in the past I have asked many favours. This time I ask you this special one, (mention favour). Take it dear heart of Jesus and place it within your own broken heart where your Father sees it. Then in his merciful eyes it will become your favour not mine. Amen. Say this prayer for three days. Publication of prayer and favour will be granted.

PRAYER TO THE VIRGIN MARY

NEVER KNOWN TO FAIL

O Most Beautiful Flower of Mount Carmel, Fruitful Vine, Splendour of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in this my necessity. O Star of the Sea, help me and show me herein you are my Mother. O Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succour me in this necessity. There are none, that can withstand your power. Oh Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mary, I place this cause in your hands, three times. Thank you for your mercy to me and mine. This prayer must be said for three days and after that the request will be granted and the prayer must be published immediately. Thank you for favours received. **X**

From whom shall I ask, Lord Jesus, if not from you whose heart is an unfailing source of graces and merits. Most loving heart of my God I believe in your power, I believe in your knowledge, I believe in your personal love for me and therefore O Sacred Heart of Jesus I place all my trust in you. Our Father, Hail Mary and Glory. Say 3 times for 3 days and request will be granted, Never know to fail. Must publish.

NOVENA TO THE SACRED HEART

You have said O'Divine Jesus ask and you shall receive, seek and you shall find, knock and the door shall be opened to you. Relying on these promises I come with confidence during the novena to beg of you the favours that I need (make request). From whom shall I ask, Lord Jesus, if not from you whose heart is an unfailing source of graces and merits. Most loving heart of my God I believe in your power, I believe in your knowledge, I believe in your personal love for me and therefore O Sacred Heart of Jesus I place all my trust in you. Our Father, Hail Mary and Glory. Say 3 times for 3 days and request will be granted, Never know to fail. Must publish.

Welcome back dear reader last week we saw how God created when He spoke 'Let there be light, and there was light' (Genesis 1:3). He went on to say 'Let us create human beings in Our own image, to be like us..so ..in the image of God He created them; male and female..and He blessed them.' (Genesis 1:26-28) Because we are made in His image we also have that same creative power! 'Death and life are in the power of the tongue, and those who love to talk will reap the consequences' (Proverbs 18:21). We can frame our world and that of those closest to us with our own tongues. Negative words and outlook overwhelms positivity and brings darkness. Jesus said in John 6:63 'The Words that I have spoken to you are spirit and.. life'; and later in John 10:27 went on to say 'My sheep hear my voice... and they follow Me'. When we follow Jesus we open up our lives to hear His voice and to be led by the Holy Spirit and will want to please Him by doing the right thing. Confessing God's Word aloud is the way to bring life and hope into circumstances every time. Watching what we say, especially about others will have a huge impact on our relationships and our family's future. If we are constantly focusing on the negatives in others, it becomes difficult to see their strengths and good points and in fact, can prevent that person from succeeding because our words have power over them. Many people have lived with inferiority all their lives because of words that were pronounced upon them by parents or others in authority over them that crushed them. Names like dunce, or fool, stupid, or worse, have devastating effects – including causing sicknesses later on in life. Let's pray – Father I forgive that one (name them) who spoke curse over my life, I release them from all un-forgiveness, and ask You to cleanse me from the hurt and pain they caused. I rebuke their words and the offence, and release myself from the effects of it. I ask forgiveness for any curse words that I have spoken over others and I pray that You would bless them and bring life instead. I break the power of those words now in the Name of Your Son and my Lord Jesus, Amen. More next week...

**Late of Ballaugh Cross, Killarney
& Formally Drumheckna,
Co. Cavan who died on 25th
March.**

*Feel no guilt in laughter,
she knows how much you care
Feel no sorrow in a smile
that she's not here to share
You cannot grieve forever,
she would not want you to
She'd hope that you can carry on,
the way you always do
So talk about the good times
and the ways you showed you cared
The days you spent together,
all the happiness you shared
Let memories surround you.
A word someone may say
Will suddenly recapture a time,
an hour, a day
That brings her back as clearly
as though she were still here
And fills you with the feelings
that she is always near
For if you keep these moments,
you will never be apart
And she will live forever
locked safe within your heart*

From her loving daughter Kathleen and
son-in-law Andy.

Anniversary Mass on 25th of March at

*You meant so much to all of us
You were special and that's no lie
You brightened up the darkest day
And the cloudiest sky*

*Your smile alone warmed hearts
Your laugh was like music to hear
I would give absolutely anything
To have you well and standing near*

*Not a second passes
When you're not on our minds
Your love we will never forget
The hurt will ease in time*

*Many tears I have seen and cried
They have all poured out like rain
I know that you are happy now
And no longer in any pain.*

**Always missed by her loving grandchildren

2ND ANNIVERSARY

IN LOVING MEMORY OF

**BABY GRACE
ELIZABETH
CROWLEY**

*I never saw your smile or the
colour of your eyes. I never heard your
laughter and I never heard your cries.
You never felt my kisses upon your cheek
and nose. Or tickles underneath your
chin and on your little toes. You didn't
hear, "I Love You" and you didn't
see me weep, for your spirit left your body
and you were born asleep.
But there will come a time when in death,
my eyes close too.
And I know that when they open
I'll awaken there with you.*

*God carries you in His arms
We carry you in our heart*

Love Mom, Dad, sisters and brothers.

LETS PRAY TOGETHER INTO THE WORD

Let's Pray Together In The Word
Colossians 3(8,10) Be Transformed. But now put away
and rid yourselves of all these things: anger, rage, bad
feeling towards others, curses and slander and foul
mouthed abuse and shameful utterances from your
lips. And clothe yourselves with the new, which is
renewed and remolded into knowledge after the
image of Him who created it.
Pray to receive Gods transforming power. Believe that
God is at work to change you.
Father God (Abba) please forgive my sins, and
change me to the person you want me to be. You are
working in me right now, because I have come to you
in repentance, confession and prayer. Thankyou for
changing me.
Amen
