Members who sign up for the initiative will receive two free tickets for games in the Fitzgerald Stadium under the auspices of the Kerry County Board, 2 free stand tickets for the Kerry-Cork Munster Championship and 2 free tickets to the All Ireland Final. The costs of membership is €1000 per year for five years which can be made in a one off yearly payment, 4 payments of €250 per year or 10 monthly payments of €100. This scheme is tax efficient and payments can be made by direct debit or to a member of the committee.

Speaking to the Killarney Outlook, Chairman of the Development Committee Colm Foley said "the GAA stands at the heart of our society and the Fitzgerald Stadium is a symbol of

importance of many aspects of the community in Killarney".

"We are calling on people to help us continue the foresight of those who brought the Fitzgerald Stadium to life and have set ourselves up for the challenge of accommodating the forthcoming Rugby World Cup in 2023", he added.

The stadium, which now has a capacity for 39,000 boasts hugely improved facilities for the players, including state of the art dressing rooms, medical rooms and meeting rooms along with enhanced TV studio facilities, new entrances for patrons enhanced facilities for wheelchair users and a central control tower where safety officers and the Gardai can observe the grounds and crowds during match days.

The Development Committee are now looking to the future with plans to develop new shops, toilet facilities and turnstiles, a new floodlighting system and up grading the terraces and seating in the covered stands.

Former Munster and Ireland Player Mick Galway is one of the supporters of the 2023 bid and has said that he has no doubt that Killarney is the perfect venue to host the prestigious Rugby World Cup tournament. This has been echoed by Kerry footballer Colm Cooper who has said that the Fitzgerald Stadium is one of Ireland's great stadiums and is without doubt Kerry's spiritual football home".

GREAT BOOST FOR FOOTBALL FOR ALL

A Killarney Soccer team has been announced as runners up in a competition which was run by the Irish Times. Killarney Celtic Football for All was set up in February 2013 under the FAI FFA club programme. It is a team within a main stream club for children with intellectual, physical and sensory needs. Speaking to the Killarney Outlook, Jane O'Donoghue, who is one of the founders of the club along with her husband John said "The Irish Times ran a competition to find The Best Sports Club in Ireland 2016. I saw it as a sponsored ad on Facebook and decided to enter it. I then shared it on our private Facebook page and asked our parents to enter it. We were delighted when we were contacted to say that we had what we understood was the top 20 in Munster. When the researcher came to visit us it was only then that we realised we were 1 on the top 20 in Ireland. To say that we were delighted was an understatement. Then last Saturday we were named in the top 5. We were absolutely thrilled to get in the top 20 and over the moon to be in the top 5. This morning was the icing on the cake to be runner up is absolutely amazing and winning €1,000 for the club was brilliant. Each club is unique in their own way and every club deserves recognition for the great work they all do. For our team it is great. We have very dedicated coaches/parents, amazing team of players & great supporters. It is great that

we were able to high light the benefit of the FAI Football For All club programme both locally and nationally. The publicity we have received locally and nationally is a prize in its self.

"I myself have two girls with Dyspraxia who are on the team and my two older girls are junior trainers. I co-ordinate the programme in our club along with Amelia Tucker. Both our husband's John (Don) O'Donoghue and Denis Tucker are head coaches", Jane said.

Over half the coaches are either parents of children on the team or older siblings. While

other coaches then have no connection with the players but really enjoy training the children.

Football for All is for children from 6yrs to 14yrs and the team hope to extend in age as our teams get older. They started out with 6 players and now have 65 players, 10 senior trainers and 7 junior trainers. Training takes place very Thursday at Celtic Park from 5pm-6pm. "We also allow siblings of players to train with us. We are very much a family team", Jane added.

A TIME FOR REFLECTION AFTER THE LEAVING CERTIFICATE

'Take time to reflect on the path that best suits you' is the message from Mary Murphy, PRO for Kerry College of Further Education, Tralee to those who have just completed their Leaving Certificate.

'No doubt a weight has been lifted off the shoulders and now that the Leaving Cert is done and dusted it is important for school leavers to think about the next step in their career journey. Let's face it what you are forced to study in the Leaving Cert affects your points score. Maths, Irish and English plus for most people a European language and if they aren't your forte then

Speaking to Outlook Publications this week Mary said 'Enrolling in a PLC course helps people realise that their true strengths are often elsewhere. When you choose to do a PLC you have the pleasure of being immersed in an area that interests you and your confidence grows as a result. In our experience here at the college students do very well for themselves

out of it'.

'In KCFE we park the drama that's associated with the leaving cert points race and concentrate on the individual that comes to interview for a place. We look at the individual and their interests and we take pride in putting them on the right path, a course that best suits their strengths.'

'Every year we receive thank you cards here to the college from those who have used the PLC as a stepping stone' Mary revealed. 'They come from Nurses, Teachers, Social Workers, Engineers, Veterinary Nurses, Hotel Managers, Computer Programmers - many of whom years later recognise that they would never have reached their ultimate career goal had it not been for starting out on one of our PLC courses.'

It's certainly food for thought, there's over forty further education courses on offer at the college in Tralee so plenty of choice. Applications can be made online for any of the courses at **www.kerryfe.ie** and you will be offered an interview in August.

SPEECH AND DRAMA STUDENTS STRIKE NATIONAL GOLD... TWICE!

GOLD MEDAL WINNER JULIE ROSE BOWELL WITH HER BROTHER ROSS, HER PARENTS AND VERY PROUD TEACHER RAY O'SULLIVAN.

There was great delight and excitement at the Killarney School of Music on Friday 17th of June when Ray O'Sullivan's Speech and Drama students received their Irish Board of Speech and Drama Grade Examination Awards.

Lily of Killarney, Eve O'Donoghue had the honour of presenting the students with their Grade Examination Certificates at the annual event.

All students had been individually assessed by an Irish board of Speech and Drama external examiner. The Board director Mr David

Meredith L.I.S.B.D. paid glowing tribute to the Killarney School of Music Speech and Drama department for the extremely high level of teaching that the students enjoyed. These outstanding results paid testament to this with 13 students receiving Honours, 18 students achieving First Class Honours, and 10 students attaining the ultimate accolade of an I.B.S.D. Distinction. These Grades were amongst the highest achieved in the country from the Irish Board of Speech and Drama in 2016.

Unprecedentedly, The Irish board of Speech and Drama awarded two Gold medals to Students of the school. A Gold medal in senior Grade 3 to Julie Rose Bowell of Killorglan and in senior Grade 2 a Gold medal to Saoirse Harkin of Cromane. Both students had excelled in their dramatic performances as well as their knowledge and understanding of the theory of Speech and Drama.

Speech and Drama teacher Ray O'Sullivan said that he was extremely proud of all his students and praised their parents for the commitment and dedication shown in supporting their children by giving them the wonderful lifelong gift of Speech and Drama

LOTTE LYNE HOLDING HER SON STEPHEN LYNE PHOTO.

The mother of a young Killarney man who was brutally murdered in 2009 has launched a foundation in his name. Lotte Lyne was on business in Dublin in June 2009 when she got a call that her oldest son Stephen

had been murdered. "It was unimaginable heart break I wish for no one" Lotte told the Killarney Outlook, "Parents are not supposed to outlive their children". Rather than focus on the loss of Stephen the Lyne family decided to concentrate on what they could do to prevent another family from going through what they are still going through and to honour Stephen's memory they want to make a direct and positive impact on children in Kerry.

"Through extensive research, I discovered Mary Gordon and the award-winning programme, Roots of Empathy. The programme teaches children empathy and thus reduces bullying, violence and anti-social behaviour amongst children by raising their emotional literacy. The programme is already in a number of schools in Dublin brought here by Barnardo's. Barnardo's is the lead agency for the programme here in Ireland and they have agreed to partner with us in bringing it to Kerry", she said.

Initially Lotte wants to bring the programme into three schools in Killarney and she needs the communities help. "My goal is to raise

€20,000 by this September 2016. 100% of these funds will be used to train five Roots of Empathy instructors initially for St. Oliver's primary School, Holy Cross Mercy School and Monastery Primary School. In the first year we will reach more than 200 children", Lotte said. The next Goal is to be in all schools in Killarney wider area by 2018 and then hope that the foundation will spread throughout Kerry. My ultimately goal is to save a child's life and make our community a safer place for our young people to honour my son with our Mission is to Change our Community Child by Child.

In an effort to raise funds Lotte will be hosting a Coffee Morning on Wednesday 6th July at 10am to 12pm in the Brehon Hotel. Tickets will be €10. There will be great raffle prizes and also an

auction. Tickets will be available from Monday 27th June at the reception of the Brehon hotel and in O'Donoghues Pharmacy Main Street, Killarney and at the door on the day.

To help the Stephen Lyne Foundation you can visit <https://www.gofundme.com/2afetgs> or <http://www.stephenlynefoundation.org> to support raise the funds needed.

€64,000 RAISED AT GOLF CLASSIC

The 30th annual Kerry Parents and Friends Golf Classic took place on O'Mahony's Point Golf Course at Killarney Golf Club on Friday last. 248 golfers took the fairways for the competition which has been run in association with Liebherr Container Cranes Ltd who are the main organisers of the event. Liebherr's support was initiated by former Director of the company Klaus Nolke 25 years ago.

This year was the 30th anniversary of the golf classic which is the charities main fundraiser and which is organised by Laura Furlong from Liebherr and Patricia McNamara from the Kerry Parents and Friends Association.

62 teams took part in the classic with 52 of them organised by Liebherr.

"The teams travelling from all over Ireland, UK and Germany and we received sponsorship from our suppliers from all over the world", Laura Furlong from Liebherr told the Killarney Outlook.

Each golfer receives a goody bag going out and this year it was a T-Shirt, Golf Balls and Marker, as well as chocolate and minerals.

There was plenty to keep the stamina up on the day with a hospitality tent on the 11th hole where refreshments of tea / coffee / sandwiches / fruit cakes / biscuits and chocolates were provided.

Teams met up at the clubhouse at 8pm that evening where the prizegiving ceremony took place. The winners were Christy Lucey Transport (Maurice O'Connor 10, Batt Hickey 10, John O'Sullivan 13, Tony Johnstone 17) with

102 points. Christy Lucey Transport also won the competition last year.

Nearest to the pin went to Denis Pio Moriarty of Moriarty's Gap of Dunloe Industries team who was only 3" from the pin.

Pat O'Leary, Managing Director of Liebherr and Marie Linehan, CEO of the Kerry Parents and Friends Association both spoke at the prize giving thanking everyone for their support while a presentation of a plaque with a symbolisation of friendship was made to Pat O' Leary by Marie Linehan acknowledging Liebherr Container Cranes Ltd. 25 years

unwavering support for the KPFA golf classic.

Laura Furlong was then presented with a unique glass bowl by Marie Linehan for her highly motivated, well organised and hardworking ethos in getting the classic to being such a successful event. This year almost €64,000 was raised by Laura from her Liebherr suppliers. Laura has been involved in the organisation with the last 5 years and has on each occasion broken the financial record of the previous year. For this achievement alone Laura got a tremendous reception at the prize giving.

KILLARNEY MATTERS AT KCC

Clr Brendan Cronin: Has progress been made in providing a footpath to link Whitebridge Manor to the N22?

Reply: The design of this 150m footpath has been completed and the outline cost of the estimate including land acquisition is approximately €80,000. A funding source will be investigated for these works.

Clr Brendan Cronin: Have KCC examined my

previous request for a pedestrian crossing at Fossa NS and local Church?

Reply: KCC will carry out Pedestrian and Vehicle assessments at Fossa NS/Community centre and the Church and car park, prior to the end of school term. This survey will be carried out in accordance with the Transport Infrastructure Ireland Pedestrian Crossing Specification and Guidance 2011 to determine the need for a pedestrian crossing at this location.

Speed surveys will also be carried out on the approaches to determine the need for speed limit indicators. Funding can then be sought from the Transport Infrastructure Ireland following these assessments.

BOHERBUE TAKE THE SPOILS OVER KILCUMMIN IN GARDA BLITZ

It was a Cork team who came out on top in last weeks Killarney Garda Station National School Blitz held at the Fitzgerald Stadium. 16 schools took part in the annual event which saw teams take part in 31 games all organised by Garda Eddie Walsh. Kilcummin were beaten by Boherbue after extra time in a thrilling final however they didn't go away empty handed with Player of the Tournament going to Liam Randles. All the teams were piped onto the field by Garda Mike Milner and prizes for the winners, runners up and semi finalists were presented by Supt. Flor Murphy from Killarney Garda Station who was ably assisted by Garda Aidan O'Mahony and Garda Connie Murphy. "We had huge support in the organisation of this event", Garda Eddie Walsh told the Killarney Outlook. KILLARNEY PREPARES TO CELEBRATE 4TH OF JULY IN STYLE

Killarney's plans to celebrate the 4th July will be a fantastic way to wrap up what is expected to be the busiest weekend in the town this year.

The town will be awash with colour as up to 11,000 cycling enthusiasts descend upon Killarney for the 33rd Ring of Kerry Charity Cycle on Saturday 2nd of July while on Sunday 3rd of July Tipperary are in town to meet Kerry in the Munster Final for the first time in 72 years.

Preparations for this year's 4th of July celebrations are in full swing and this year's is shaping up to be bigger, better and more colourful than ever before. This day long celebration of America's Independence is again being organised by a subcommittee of Killarney Chamber of Tourism & Commerce headed up by Diarmuid Leen and supported by Kerry County Council, Fáilte Ireland, IPB Insurance, Heineken Ireland, O'Donoghue Ring Hotel Group, The Henggeler – Moriarty Family and many others. Commenting on this year's event, Diarmuid Leen told the Killarney Outlook "The town of Killarney has a very long standing association with the United States Of America. It spans decades and has been one of the building blocks for the town we have today. Largely due to the number of Americans that visit annually." Every year we welcome thousands of American citizens to the South West but ultimately Killarney is the destination. This is why we in the Killarney Chamber Of Tourism & Commerce wanted to recognise and celebrate this cherished relationship and Killarney 4th of July Celebrations is the exciting result"

Be up early because the 4th of July will commence with a 7am "Dawn Chorus" of the Star – Spangled Banner performed by a chorus drawn together from local choirs especially for the event. The ceremonial hoisting of the USA flag over the Town Hall will be an incredibly emotional event as huge numbers of our American visitors join with our Dawn Chorus and hold their state flags aloft and sing their national anthem with pride.

STARS AND STRIPES.. PREPARATIONS ALL WELL UNDER WAY FOR THIS YEAR'S KILLARNEY 4TH OF JULY CELEBRATIONS, WHICH WILL TAKE PLACE ON MONDAY 4TH JULY 2016. PHOTO: VALERIE O'SULLIVAN.

Down town Killarney will be transformed into Main Street USA and the town will come alive with street entertainment throughout the day. Watch out for The Wild West Troupe as they roam the town shooting up the place looking for an easy target or Bank to raid. Brass bands and can-can girls will perform on the streets and if you are feeling peckish don't forget the celebration charity BBQ at 4pm at Scott's Hotel Scott's Street kindly sponsored by the Henggeler-Moriarty Family and Scott's Hotel in aid of Kerry Cancer Support Group.

The Big Parade will commence at 8pm commencing from the car park at The Killarney Outlet Centre and winding its way down College Street and Plunkett Street before culminating in Main Street USA alias Main Street Killarney for the mother of all parties. DJ Niall Botty O' Callaghan will be the master of ceremonies introducing an early summers evening of fun and entertainment. Everyone is invited to stay on Main Street for the after party, soak up the atmosphere and join in the fun.

No 4th of July Celebration would be complete without a spectacular fireworks display which will round off the evening and light up the night sky over Killarney. The 4th of July committee are working hard to bring you this spectacle however the fireworks display is still subject to licence and is unconfirmed at this time.

Business owners are encouraged to participate in the celebration and decorate their premises accordingly; to this end USA flags are available for purchase from Kate O'Leary at The Laurels Public House Killarney.

Diarmuid Leen said "This will be the biggest celebration of America's Independence outside of America itself. We want to show our American visitors how truly appreciative we are of them and so we want the whole town to come out and celebrate with us. This is of course a celebration of all things American so wear your colours, bring your flags and join us on Monday 4th of July as Killarney becomes hometown USA just for a day."

SHOWERS AND SMILES AT GAELSCOIL FAMILY WALK

TAKING SHELTER FROM THE RAIN AT THE GAELSCOIL FAMILY WALK.

While mother nature wasn't very kind, spirits weren't dampened at the annual Gaelscoil Faithleann Family Fun walk which took place on Sunday last June 19th. Despite the bad weather, a good group attended the walk from the Demesne to Killarney House and back. The children enjoyed a treasure hunt in the park and refreshments completed the day.

"The walk is a great way for families to get to know each other beyond the school gate and for parents and children from different classes to mix and get to know each other", Parents Council secretary, Mary Carroll told the Killarney Outlook.

MONEY MATTERS....

By Dermot Cronin,
Financial Advisor

WHERE TO INVEST YOUR MONEY?

Interest rates for deposits in banks are the lowest they have been in many years. Another problem for people looking for good interest rates is that as well as interest rates being low is that DIRT tax is very high at 41% and also a PRSI levy of 4% can also be applied. The tax rate on interest earned on savings can be as high as 45% as both the new higher rate of Deposit Interest Retention Tax (DIRT) tax and the PRSI levy on unearned income have both come into force. If you invested €20000 over 12 months at 1.50%, taking into account DIRT tax and the levy you may only get €165 after DIRT tax and the PRSI levy. Because these returns are so poor people are looking for alternative investments. Thankfully there are other investment options available to you. It is important that you speak to an independent advisor about the options available to you. Investment providers have introduced many different types of products because of the very low returns on deposit accounts and it is very important that people know about all these products before deciding on what products suit them best. A mixture of different type of investments may be the best way to spread your investments rather than having all your eggs in one basket.

SARAH ENJOYS LIFE CHANGING TRIP

KILLARNEY GUIDE LEADER SARAH CANAVAN PICTURED SECOND FROM LEFT AT THE INTERNATIONAL GUIDING SEMINAR IN GHANA WITH GUIDE LEADERS FROM AROUND THE GLOBE.

A Killarney Girl Guide leader, who took part in an international Girl Guide seminar in Ghana, says the experience has changed her and her outlook on life.

Sarah Canavan (19), from Knocknasartnett who is a leader of Sika Senior Branch (the branch of Irish Girl Guides for 14-30 year olds), was nervous heading off to Ghana as it was her first time travelling alone and her first time to visit Africa. However, her nerves disappeared in Heathrow where she met up with Guide leaders from the UK and Finland who were also heading to the Juliette Lowe Seminar.

"I was relieved to arrive safely in Accra, Ghana Girl Guides' national training centre, after two

planes and one crazy bus drive", Sarah said. Highlights of the seminar included the welcoming ceremony, which included African drummers and dancers, an international evening, organising fun activities for local children and a visit to a community partner who teaches girls who left school at a young age to make jewellery, which they can sell at markets and thereby support themselves.

The seminar included sessions on leadership and time to reflect in smaller groups on one's personal journey and to share each other's visions for the future. Sarah's group included delegates from Sweden, Tanzania, Ghana, Liberia, Pakistan and Nigeria.

Sarah said the whole experience had an impact on her. "My time in Ghana has changed me and my outlook on life," she said. "I have learned so many valuable life lessons and made lifelong friends, but the one thing I'll never forget is what Nadine El Achy said: 'If you think that size affects your ability to bring about change, you have never been in bed with a mosquito!', which is so true: it doesn't matter who you are, we all have to ability to bring about change."

Sarah is currently studying Mathematical Science and Economics.

SKILLNETS TO HOST KILLARNEY EVENT

VERY IMPORTANT FOR NEW SMALL BUSINESSES TO MAINTAIN LINKS WITH SERVICE PROVIDERS.

The importance for new small businesses in maintaining links with key service providers was stressed at a networking event hosted by South Kerry Development Partnership in Killorglin last Thursday night. The event was aimed at giving businesses, started up through assistance under the Back to Work Enterprise Allowance programme, the chance to meet with other entrepreneurs and to find out what potential additional supports were available to them.

SKDP Enterprise Officer Joanne Griffin

advised those in attendance of both the Enterprise Support grant and the South Kerry Development Partnership Capital Grant that are available to businesses started up with support through the BTWEA programme and SICAP funding. "These grants are only available to businesses while they are on the scheme so I would encourage all of you to plan for the future and help ensure your success through applying for the assistance available through utilising these grants" Joanne said.

For those who were unable to attend last week's event, the next event will take place in the Killarney Court Hotel on Thursday, June 30th starting at 7.30pm.

CUAN MUIRE HILLWALK THIS WEEKEND

The Cuan Mhuire Annual Fundraising Hillwalk will take place tomorrow, Saturday 25th of June, encompassing some of Kerry's most breathtaking sites. The 18km walk, setting off from Ballyheigue Community Centre, will include a loop of Kerry Head, along part of the North Kerry Way.

"With more than 150,000 people in Ireland dependent on alcohol and some 1.35 million people drinking harmfully, the need for Cuan Mhuire's services are now more crucial than ever," said Paudie Bolland of Cuan Mhuire.

Founded in 1966 by Sr. Consilio Fitzgerald, and providing close to 50% of all specialised residential addiction treatment beds available in Ireland, Cuan Mhuire is the country's largest provider of residential addiction Treatment and Rehabilitation. At any given time, Cuan Mhuire cares for some 600 residents and more than 24,000 people are supported by Cuan Mhuire

each year through Aftercare programmes and Family Support meetings.

As a charitable organisation Cuan Mhuire depends on the support and generosity of friends, family and the general public. All funds go towards continuing the work of supporting people suffering from addiction and their families through the turmoil of addiction and helping them rebuild their lives.

The walk will set-off from Ballyheigue Community Centre (Base Camp) and refreshments will be served at the Centre, for the weary hikers on their return.

Full details regarding the fundraising walk are available on registration, register on-line at www.iregister.ie/v2/events/cuan-mhuire-teoranta/ or e-mail hillwalk@cuanmhuire.ie, any support will be much appreciated in these difficult times.

TRAFFIC MANAGEMENT AT DANGEROUS JUNCTION

CLLR MICHAEL GLEESON

At the recent Municipal area meeting, Councillor Michael Gleeson asked that the Council and TII would endeavour to devise an acceptable traffic management system that would relieve the torment of interminable delays

being endured by drivers seeking to emerge from the Ballycasheen/Woodlawn Road onto the N.22, particularly those wishing to turn right towards the Pike Hill.

The Council replied that the TII [formerly the NRA] have indicated that the current traffic layout from Lissivigeen Roundabout to Park Road Roundabout should be examined and a feasibility report prepared in regard to any works that are deemed necessary. The junction referred to in the Motion will be examined as part of this process. A design will be completed and forwarded to the TII for their consideration. It is proposed to submit the proposal to TII before the end of this year. Councillor Gleeson detailed the frustration experienced by drivers at this junction, frustrations that sometimes lead to risk taking that endangers life and limb. He welcomed the reply in so far as it promised an in- depth examination of the entire stretch of roadway but he asked that every effort would be made to speed up the process.

DIETICIAN AT HEARTBEAT MEETING

Maria Browne; senior dietician with the HSE will be talking to HeartBeat this month on proper diets for Cardiac patients, Diabetics and indeed for anyone struggling with their weight. Maria will Be at the Serenity Centre, St. Anne's Road, Killarney on Monday June 27th at 8pm. All are welcome to this free event.

GARDENING OUTLOOK

TREES FOR SMALL GARDENS

There are a lot of trees suitable for smaller gardens and they come in all shapes and sizes evergreen or deciduous. There are a lot of things to consider when choosing a tree for a limited space, the most important being the eventual height and spread of the tree. Some ornamental small trees can still reach a height of 20/25 feet. Sometimes even these small trees can be too big for a small garden but there is still a lot of choice out there. Examples would be a weeping tree which never gets too tall and is very easy to prune back if need be. On the other hand you can choose a tree that is columnar in shape and it won't spread out too much. Also there are standard trees. These trees are usually about 3ft to 4ft in height and grow from the top to ground level, staying at the height you plant them at.

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

GETTING OUTDOORS LEARNING TO LOVE JOGGING CONTINUED...

GETTING STARTED

5. WOMEN BUY A GOOD SPORTS BRA: There are various ranges available but I advise purchasing a bra for Hi Impact activities for your jogging. I sometimes find that doubling up on your sports Bras gives added support for tender breasts or women with larger busts. If a sports bra isn't worn the breasts will become sore.

6. TAKE YOUR TIME: Beginners can be enthusiastic, but don't push too hard. It's vital not to let eagerness lead to early injuries through over training. A 6x week beginners jog programme should be enough to have you jogging your 1st 5K, but don't rush it. Your body needs to prepare for the jogging activity gradually so follow the jog group plan guidelines & schedules to avoid injury. Not only is the schedule designed to help you get your breathing comfortable while jogging but also to prepare the joints & muscles of the body for the Hi-Impact activity of jogging. SO TAKE YOUR TIME & FOLLOW THE PROGRAMME.

Make sure you take your runs on alternate days to allow the body to recover from jogging.

Put variety into your training by alternating the days in-between jogging with another aerobic activity such as Circuit Training or cycling etc. (see my class timetable attached for class options) or log onto www.fitnesswithedele.com. But no matter what programme you are following make sure to have total days of rest where you don't do any exercise. This allow the muscles to recover. I advise taking 2 days in each week of total rest... Enjoy your days off and relax.

JEAN CARE

Add a 1/2 cup of distilled white vinegar to the final rinse cycle while doing laundry to maintain the wash of your favorite pair of dark jeans.

HEALTH TIP

SNACKING

Snack on vegetables if you must. You might get the pangs of hunger in between meals. It is something that you can very well control. Or even better, try munching on carrots. They are an excellent way to satisfy those hungry pangs and are good for your eyes and teeth.

Beauty tip

Eye Make Up

To clean up the flick of a cat eye, use a dampened, pointed Q-tip.

FEELING AMAZING IS WITHIN YOU!

It's a funny thing but so many people think that to wake up each day inspired and in love with their lives is something that only other people can do. That it isn't for them! Very often when we see someone who is really happy with where they are and who they are, we think that there must be something special or unique about that person. However, the truth is that anyone can feel that way! The only difference between someone who is feeling positive and joyful about their lives and someone who isn't are the kind of thoughts they are thinking and the actions they are taking!

Like many things, learning to love yourself and your life is a process that takes time. It doesn't happen in a day but over a period of time if you stay committed it **DOES** happen! Our minds are the most magical tools we have. Rather like Harry Potters wand, you have to know how to use it and direct it to give you what you want.

So, the next time you see someone really happy and living their best life see it as a sign that you can too! We all have this innate ability within us – it's simply your **CHOICE** whether you use it!

INTERIOR DESIGN

FLOORING - WOOD

Flooring is the largest piece of material used in a house when it comes to decorating. It is also the only thing that directly links from one room to another. There is just about any material available in flooring now, so over the next couple of weeks I will give a breakdown on the most popular choices. This week it's all about Wood/Laminate.

WOOD: Hardwood flooring has a beautiful finish. It's natural grain and colour differs depending on the variety of wood used. Get good quality and make sure it's sealed properly. Another unique aspect of having wood flooring is that it changes over the years and can be re-sanded and refinished.

ENGINEERED WOOD: This is similar to hardwood in appearance but only the top layer is real, it has a plywood backing and cannot be re-sanded and refinished like hardwood. It's positive over natural wood is that it's not prone to changes i.e. swelling and shrinking, due to temperature changes.

LAMINATE: Laminate flooring has made a fantastic transformation in recent years. It has a much more realistic wood grain finish (see 'eir' finishes). It's also UV stabilised so it doesn't fade in sunny areas of the home.

I will give more tips on flooring next week. Hope this has been helpful. If you need some more help, just contact me.

Every design journey starts with the concept of evolving the space into its very own unique masterpiece.

Sincerely,

Marette

SouthWest Counselling Centre LAUGHTER MEDICINE

Are you feeling rundown and in need of a gentle boost? Then laughing may be just the medicine for you. The use of laughter as a form of therapy is increasing in popularity. A study at Loma Linda University indicates that laughter produces an abundance of

gamma brain waves. Interestingly these gamma waves are also found in the brains of people who meditate often and have reached a state of contentment and happiness.

Researchers are still exploring the potential health benefits from laughter. Perhaps it's the physical act of laughing that contributes to this, or maybe it's having a good sense of humour and a positive attitude. But one for sure we know, that it certainly doesn't hurt to laugh.

Laughing can be compared to a 'gentle body workout' as many physiological changes are taking place when we laugh. The muscles on our face and body stretch, our blood pressure increases and we breathe faster sending more oxygen throughout our body. But not only does it boost our heart rate – one study showed that laughing for 10-15 minutes can burn up to 50 calories! Increased laughter can also help to boost our immune cells and increase the levels of disease-fighting antibodies in the body. Laughter can also help us to relax and sleep better.

When we laugh we release 'feel good' hormones and naturally occurring anti-depressant (e.g serotonin). Laughter can also be a great way to deal with life's unexpected events and help get us through difficult times. Responding to the trials of life with some laughter, can help to protect our body mind and spirit – and may be a bleak situation doesn't seem as insurmountable when we can find some humour.

Laughter can also help us to bond, connect and communicate with others. Humour helps lubricate the channels of communication and can make people feel more comfortable.

Think about what makes you laugh and be sure to do more of it. This may be watching your favourite comedy, sharing a good joke, going to a comedy club or watching a funny U tube clip. Why not try now – just turn the corners of your mouth up into a smile and give a little laugh out loud. It may feel a bit contrived, but notice how you feel. Whatever gets you chuckling be sure to factor in more laughter to your life on a daily basis and increase those happy gamma waves.

Know Your Rights: COHABITING AND SOCIAL WELFARE PAYMENTS

QUESTION

I have applied for a means-tested Jobseeker's Allowance but I was told that I'm not eligible because of my live-in partner's earnings. We live together but we are not married and we split our expenses equally. Why is this?

ANSWER

The Department of Social Protection (DSP) treats married and unmarried couples in the same way when assessing entitlement to a means-tested social welfare payment. It assesses the total income of the household, rather than the circumstances of the individual claimant.

This means that if you are married, or are living with another person in an intimate and committed relationship, the means of your spouse or partner are also taken into account. This is the case even if only one of you is actually claiming a payment. The DSP uses detailed definitions and criteria to assess whether a couple are cohabiting and you can read these online at welfare.ie.

How the means of a couple are assessed differs slightly depending on the payment being applied for. For Blind Pension, State Pension (Non-Contributory) and Carer's Allowance, the DSP adds all of your means together and then halves them to get the assessable means for each one of you. For Jobseeker's Allowance, Disability Allowance, and Farm Assist, the DSP adds all your combined means together and then assesses them against the maximum household payment for your circumstances. If your spouse or partner is getting a social welfare payment in their own right, your means are taken to be half of the total means of yourself and your spouse or partner.

Sometimes a certain amount of income, or income from particular sources, is not taken into account. This is called an income disregard. For example, a certain amount of income from employment can be disregarded.

FÉILE PEIL NA NÓG SOUTH WEST 2016

FESTIVAL OF FOOTBALL IN JUNE 24 - 26TH IN KERRY, NORTH CORK AND WEST LIMERICK

THOUSANDS IN TOWN FOR THE FEILE

Killarney is set to welcome thousands of people this weekend for Féile Peil South West 2016, sponsored by John West. The event which will take place across Kerry, North Cork and West Limerick will welcome teams from across Ireland, The United Kingdom, France and the United States. 250 clubs including 125 host clubs and 125 visiting clubs will participate in the event which is Europe's biggest youth sporting event in 2016 with over 6,000 U14 boys and girls participating.

The Feile kicks off today with each team playing two games this evening, there will be games all day Saturday with the quarter finals being held on Saturday afternoon, semi finals on Sunday morning and the finals on Sunday afternoon.

Speaking to Outlook Publications President of the GAA Aogan O'Fearghail said Féile is a festival of the Gaels and is about our young people celebrating their love of our games and their passion for life in a special setting. Not all of us will be lucky to grow up and make a senior inter county team that one day tastes the honour and glory of collecting an All-Ireland title in the Hogan Stand some September Sunday. But all of us in the GAA family will have a happy memory of our time spent at Féile, whether it is at county level or for those who have excelled and gone a step further to this finals weekend. Féile is back in Kerry for the first time since 1994. LGFA Marie Hickey said "This is a big year for Ladies Football as they return to Kerry first the first time in 22 years "The first year that girls took part in the competition was in 1994, in that year the event was hosted by Kerry when 4 clubs hosted 4 visiting girls' teams."

Nine parades planned across the county over the weekend including the Killarney parade which will take place at the Fitzgerald stadium Juvenile Pitch, starting at 7.00p.m. on Saturday evening and will be led by the Killorglin Pipe Band.

The route taken will be Fitzgerald Stadium; Upper and Lower Lewis road; College Street; Plunkett Street; Main Street; High Street; St Anne's Road; Upper Lewis road and return to Stadium. There will not be any stop along the route. The route will be stewarded and junctions blocked off to traffic.

CHANGE IN TIMES AND DATES OF CEMETERY MASSES IN KILLEENTIerna PARISH:

Mass in Old Killeentierna Cemetery, Currow is on Wednesday, 6th July.
Mass in New Ardcrone Graveyard, Currans has been postponed until Monday 11th July.
Please note the change in dates and both Masses will begin at 7.30pm and not at 8pm as I had previously written.
My apologies to readers who wish to attend the above Masses for any confusion caused.

PLEASE DON'T BUY FISH LIKE DORY AS PETS:

Disney/Pixar's movie Finding Dory has been released, and the Centre for Biological Diversity and its allies are urging consumers not to buy fish like Dory, a royal blue tang, or other wild-caught saltwater fish as pets for home aquariums.

Most saltwater fish sold for aquariums are captured in the wild and taken from coral reefs in the Philippines and Indonesia, often through a method using cyanide -- which kills coral and other animals.

"Although movies like this raise awareness about marine species, we are concerned Finding Dory might trigger a sharp rise in consumer demand for blue tangs -- with severe impacts on the species and their reef homes" a spokesperson for the Centre said.

Enjoy the film and get a toy Dory for your child but please leave the fish where they belong -- in the sea.

10 QUICK TIPS FOR EATING MORE VEGETABLES:

1. Eat raw veggies as you cook - Make the habit of eating carrots, sliced cucumbers, broccoli and so on when cooking. This will also reduce chances of overindulging in your meal.
2. Eat salad as a main meal - Instead of eating salad before the meal, make it the meal. Adding chicken, fish or steak and a piece of avocado will give you a balanced diet. Add a moderate amount of olive oil to your salad to avoid excess calories.
3. Make vegetable soup - Veggie soup is easy to prepare. Drink one or two cups before meals. Another good idea is to make green smoothies.
4. Serve veggies wisely - Serve veggies in the plate before you put on any other food. Then fill half of the plate with veggies. You'll be forced to eat less starchy foods and more veggies.
5. Add spices and herbs - Most people avoid veggies because they don't find them tasty. So make the veggies delicious by adding herbs and spices.
6. Cook veggies in advance - When doing your

meal prepping, cook veggies that can last for a few days. That way it'll be easier to eat them in every meal and increase your intake.

7. Make sure the veggies are visible - You are more likely to eat veggies if you see them all the time. Big brands use this trick in the supermarkets -- they make sure their products are placed on eye level. And it's one you can use yourself by storing veggies on the top shelf of the fridge.

8. Frozen veggies - It's preferable to eat fresh produce, but frozen veggies can still work. They still taste good and contain all the nutrients. Frozen veggies are also usually cheaper than fresh ones.

9. Swap processed snacks for veggies - Instead of buying biscuits, chocolate bars, crisps etc. eat sandwiches, raw veggie dips and so on.

10. Start slow - The idea of eating vegetables in every meal can be overwhelming if you don't like them. So start slow, eating them in one meal a day. And once it becomes a habit, move up to two meals. Eventually you'll be eating lots of veggies and they can make a huge difference in your health and weight.

SCOTLAND HAS SURPASSED ITS CLIMATE GOAL:

Scottish officials recently announced that greenhouse gas emissions in 2014 were reduced by 46% of 1990 levels. In contrast with the goal of reducing emissions by 42% of 1990 levels by 2020, this is a great victory for the environment.

Greenhouse gas emissions contribute to climate change by trapping heat within the earth's atmosphere. This excess heat is believed to be permanently changing the global landscape, causing rises in sea levels and changes in weather patterns. Should climate change continue at the current rate, cities could be inundated and entire species could be driven to extinction within our lifetime.

WELL DONE SIMON COWELL:

The team behind Britain's Got More Talent has apologised after using puppies in a quiz show style game involving the judging panel of Simon Cowell, Amanda Holden, Alesha Dixon and David Walliams.

The aim of the game was to answer questions and every right answer would earn the judges a puppy. Hosted by Stephen Mulhern, the Dalmatian pups were brought onto the stage and the game began.

When Mr. Cowell was handed the tiny animal, he looked like he couldn't believe this was happening and as the quiz continued, he interrupted to say "She's frightened, this one", when there was no response he left his seat, telling production staff, "They shouldn't be doing this" and turning to the pups owners asked "Are they your puppies? Are they being looked after? They're trembling. You should take them home".

Mr. Cowell who has his own pair of Yorkshire terriers, was furious. With the puppy cuddled in his arms, he went backstage to return it to its crate and he did not return to the stage.

OIL COMPANIES SELL TREATED OILFIELD WASTEWATER TO CENTRAL VALLEY FARMERS FOR IRRIGATION OF CROPS:

Crops grown in California make up more than half of the U.S.A's produce, and some are being grown with wastewater from oilfields.

Regulators have never conducted an independent analysis of recycled oil wastewater to determine what toxic chemicals it may contain, but an independent scientific study published last year showed that samples of treated oil waste sold to California farmers contained oil, acetone and methylene chloride.

MOTORCYCLE GANG RESCUED A SUN BEAR CUB FROM LIFE AS AN ILLEGAL PET:

Wild creatures are incredible, and as much as we would like to be able to interact with them closely and frequently, but these animals belong in the wild where they can grow along with others of their kind and truly live life as nature intended. Unfortunately, there are some people who are so infatuated with the idea of having a wild animal as a pet, that they seek out ways to do so, sometimes without truly taking a moment to think about what having a wild animal as a pet would entail.

Sadly, despite knowing what is in the best interest for these animals, there are ways that people are able to get their hands on exotic creatures through the illegal wildlife trade. At least, that's how a man in Laos was able to acquire Missy, a sun bear cub. Thankfully, some caring motorcyclists found out about the cub's situation and convinced the man to hand over the little bear.

The motorcyclists immediately escorted the cub to Laos Wildlife Rescue Centre, where a veterinary team conducted a thorough inspection to make sure the sun bear was in good health – she was!

Now Missy is finally learning what it is to be a bear, and what life is like out in nature.

The staff at the centre take her out for daily walks around the enclosure and lets her play on the trees and work on her strength and climbing ability.

Unfortunately, due to Laos Rescue Centre's high volume of bears currently at the facility, Missy doesn't have her very own enclosure to roam around in yet. The sanctuary knows the sooner Missy can start climbing structures, relax in a pool, and simply explore, the more enriching her life will be.

Missy is just one of the many animal victims of the illegal wildlife trade, an industry that unfortunately is growing in Laos. These animals are bought for human consumption, domestication, or for bear bile farming. While this is still a growing problem, there are definitely things you can do to help. To start, educate yourself on the illegal wildlife trade and raise awareness amongst your friends.

PACIFIC FISHERS HAVE BEEN DENIED PROTECTION UNDER THE ENDANGERED SPECIES ACT:

The U.S. Fish and Wildlife Service's has decided to deny Endangered Species Act protection to Pacific fishers despite the fact the species is staring extinction having dwindled to just two populations in Oregon and California.

Closely related to martens and wolverines, fishers are severely threatened by habitat loss caused by logging and the use of toxic rodenticides on illegal marijuana-growing sites.

ANIMAL MEDICAL FUND CREATED TO HONOUR MURDERED SINGER:

Christina Grimmie, the 22-year-old singer and former Voice (NBC's singing competition) contestant who was gunned down after a concert in Orlando, Florida, is being honoured with a special Animal Medical Fund in her name by the Humane Society of the United States (HSUS).

Ms. Grimmie was an animal advocate who helped the organisation secure a \$250,000 award through the Charity Champions programme.

The HSUS has decided to honour Ms. Grimmie for her support by creating the Christina Grimmie Animal Medical Fund which will help animals who are rescued by the agency's Animal Rescue Team. The HSUS stated:

"It's one thing to take the animals out of a tough situation, but it's another matter to help them, physically and psychologically, and that's what this fund will enable at an even higher level".

The HSUS added:

Christina was deeply concerned about these animals, and wanted to help bring food, water, medical treatment, and tenderness to them. This fund will be a permanent one at The HSUS, and it will start with the \$250,000 that comes from the Charity Champions competition. In this way, Christina's legacy for helping animals will live on, and she'll always be a part of the HSUS family".

The man accused of shooting Ms. Grimmie, 27-year-old Kevin Loibl, was described as an obsessed fan. Loibl fatally shot himself after killing Ms. Grimmie.

TORTOISE INJURED IN A BUSH FIRE, GETS WORLD'S FIRST 3D PRINTED SHELL:

In Sao Paulo, Brazil a few people have come together because of their common love for science and animals. The team, known as 'Animal Avengers,' which includes four vets, one dental surgeon and a 3D designer, has successfully reconstructed artificial beaks for three toucans, a parrot, and a goose. They have designed the first ever titanium prosthetic beak for a Macaw and built a brand new plastic-based replacement shell for a tortoise. The tortoise now known as Freddy whose

shell was completely burnt in a bush fire was fighting for its life when Animal Avengers came to his rescue and he is now the world's first turtle with a 3D-printed prosthetic shell.

Graphic designer Cicero Moraes said "It took about 40 photos to build a model and reconstruct the shell. We took a healthy animal, took the same 40 photos, reconstructed that animal in 3D and put it into the computer."

To create the complete shell, the design was printed out with the help of a desktop printer in four individual pieces using a low-cost corn-derived material. These four pieces were later slotted together like a jigsaw puzzle.

The new shell fitted Freddy perfectly but it needed a little colour, so the team hand-painted it to look as natural as possible and now it acts and looks just as good as the real thing!

FINALLY THIS WEEK - HOW MOST MEDIA WORKS:

A Harley biker was riding by the zoo in Washington, D.C., when he saw a little girl leaning into the lion's cage. Suddenly, the lion grabbed her by the collar of her jacket and tried to pull her inside to slaughter her, under the eyes of her screaming parents.

The biker jumped off his Harley, ran to the cage and hit the lion square on the nose with a powerful punch. Whimpering from the pain the lion jumped back, letting go of the girl, and the biker brought the girl to her terrified parents, who thanked him endlessly. A reporter had watched the whole event.

The reporter, addressing the Harley rider, said: 'Sir, this was the most gallant and brave thing I've seen a man do in my whole life.'

The Harley rider replied: 'Why, it was nothing, really. The lion was behind bars. I just saw this little kid in danger, and acted as I felt right.'

The reporter said: 'Well, I'll make sure this won't go unnoticed. I'm a journalist, you know, and tomorrow's paper will have this story on the front page. So, what do you do for a living?'

The biker replied: "I'm a U.S. Marine." The following morning the biker bought the paper to see if it indeed bring news of his actions, and read on the front page: "U.S. MARINE ASSAULTS AFRICAN IMMIGRANT AND STEALS HIS LUNCH".

KILLARNEY GOLF AND FISHING CLUB

MEN'S CLUB: Club Captain Liam Hartnett was fearful that this week's report would not contain much by way of good news about the Club teams who were representing us over the recent week, our team in the "Jimmy Carroll" competition at Ballykisteon finished in third place, and with only the top two teams progressing then we narrowly lost out by two points from making further progress in this competition in which we made the national finals in 2015. The Club's team in the national mixed foursome's competition failed in the first round against Doneraile at Beaufort Golf Club, going down by a margin of 3 matches to 2.

The good news came from the Men's Clubs team in the Munster quarterfinal in the "J.B. Carr Diamond plate" competition when the team were up against Ennis, at Ennis, in the away leg of their tie against that Club, who were firm favourites to win on "home soil" which was played on Monday the 20th June.

Killarney took a very slender lead to the tie of 3 matches to 2, from the tie played in Killarney and knew that they were really up against it as Ennis were the National Champions in recent years in this competition, with mostly the same team that Killarney now faced. By the time that the 5th match had left the 6th green it was becoming evident that a very distinct pattern was emerging with Killarney well down in the 2nd and 3rd matches and up in the 4th and 5th matches with the 1st match being all-square, it seemed that the 1st match was going to be the "crunch" match, and that pattern remained in place until almost the end of the day. Derry O'Connor with new partner Brian Fitzgerald in the 1st match stood at 2 down with 4 holes to play when they rolled off a blistering 4 pars in a row run, to win their match in a nail-biting finish with a 1 hole win on the home green, they played fantastic golf. 2nd match with the Killarney pairing of Dermot Roche and Enda Curtayne being beaten by a margin of 5/3 when losing their match, a rare occurrence for them as they are normally the "banker" pairing for the team. 3rd match with John Hickey and John Clifford who were in trouble from the early stages eventually lost by a margin of 5/4, their opponents were level par for the 14 holes they played. 4th Match with Con Healy and John Wall eventually won by a margin of 3/2 but they were 4 up at one stage when the Ennis pairing produced a great fight-back, but they eventually succumbed to the great golf being played by the Killarney pair. 5th match with Sheamie O'Connor and Donie McSweeney were 4 up well into the 2nd nine when the Ennis pair mounted a tremendous fight back to level the match on the 17th tee, but the Killarney pair had the luxury of being able to three putt to win the hole after being on the green in 2

shots, they eventually won their match with a great par on the 18th green to win by a margin of 2 holes. Final result on the day was Killarney 3, Ennis 2, and the overall result was Killarney 6 matches to Ennis's 4 matches. The team will now go on to contest the Munster semi-final against Raffeen Creek from Ringaskiddy in Co. Cork, when team managers Connie Brosnan, Nick O'Brien and Dermot Doyle will be hoping to bring their charges to the next stage in the competition.

The Club's Junior and Intermediate Scratch Cup's were played on Mahony's Point course on Saturday the 18th of June, and both competitions attracted large entries and the results in the Junior Cup showed a mixture of experience overcoming youth when Finbarr O'Mahony edging out the ever improving Luke Walsh on the back nine with both finishing with very impressive gross 75s they were also joined by Garreth O'Donnell on the same score, and finished in that order for 1st 2nd and 3rd place, best nett was Brian Looney on 71 nett, off 6 handicap. The Intermediate Scratch Cup was won by young Ryan Kelliher, with a gross

80, Jamie McCarthy was 2nd with 81, and 3rd was Michael O'Neill Jnr on 82, best nett was Billy O'Connor with 69 nett doff 15 handicap.

The Robert Robert's sponsored "away day" at Kenmare on Sunday the 19th of June was abandoned when rain started to flood the greens there, it is hoped to re-arrange the fixture later in the year.

The Club's Senior team will be in action next Saturday when the team under the watchful eye of team manager Sheamie O'Connor will be playing on Killeen, and are currently in training for their opening tie.

The competition on Sunday the 26th will be a singles competition on Killeen.

CREDIT UNION SENIOR FOOTBALL LEAGUE

The playing of Round 6 of the Credit Union Senior football league last weekend pushed the league past the half way stage. There are of course a number of back games to be played and some of those will be played this weekend on Sunday at 6:30 in order not to conflict with Féile fixtures.

FÉILE PEIL 2016

One of the biggest logistical undertakings in the county for many a long day gets underway this coming weekend when Féile Peil South West 2016, sponsored by John West, takes place. This is a national competition and a celebration of Under 14 football for both boys and girls hosted by Kerry, North Cork and West Limerick.

Over 240 teams are taking part, including 76 from Kerry (50 Boys and 26 girls) and they will play over 600 games between them from Friday to Sunday culminating in thirty finals on the closing day.

The parade of participating teams has for long been one of the highlights of the Féile weekend and this time round, the parades will be held at nine different locations throughout the three host counties. In Kerry, there are a number of venues across the county with Tralee and Killarney hosting the bigger parades and Listowel, Dingle, Kenmare and Cahirciveen hosting teams along the various peninsulas and North Kerry. In Limerick, Newcastlewest will host the local parade, while in Cork, Carrigaline will host city teams with North Cork based teams heading to Kanturk.

Well over a year's preparation, under the chairmanship of Bórd na n-Óg's Tom Keane, has gone into the staging of the event and we wish all concerned the best of luck with this huge venture.

LEGION GAA

COUNTY LEAGUE: Our seniors were defeated by Castleisland on Saturday in Derreen. A fortuitous early goal and two more just before half time were our undoing and, despite a spirited second half comeback, Desmonds held on for the win. Final score: Legion 0-15 Castleisland Desmonds 3-8.

LEGION SCORERS: David O'Sullivan (0-7, 0-4f), James O'Donoghue (0-2, 0-1f), Kevin Breen (0-1), Donal Lyne (0-1), Derek Twomey (0-1).

LEGION: KJ Griffin, Alan Moriarty, Danny Sheahan, Darragh O'Doherty, Seán McCarthy, Damien O'Sullivan, Donal Lyne, Jamie O'Sullivan, Shaun Keane, Denis Sheahan, Mike O'Sullivan, Billy McGuire, Denis Sheahan, James O'Donoghue, David O'Sullivan, Peter McCarthy. JUNIORS: The juniors had a comprehensive win over Kilcummin in the opening round of the O'Sullivan Cup. They will face Listry in the next round (date and venue TBD).

JUVENILE: Both U-12 boys teams travelled to Furies and came away with great wins. It was a good way to round off their County League campaigns and players would have learned a lot from playing.

The U-12 girls travelled to Derrynane to play Southern Gaels and came away victorious on a 5-4 to 0-4 scoreline. With one game to go against Annascaul in Derreen this Tuesday they are firmly in contention for a place in the semi-finals.

PRIMARY GAME: Well done to Darragh Fleming who played in the Primary Game at half time in the Munster Semi-final between Kerry and Tipperary and best of luck to Kerriann Hanrahan who has been selected to play in the girls Primary Game during the Munster Final on July 3rd.

SUMMER CAMP: The club summer camp will run again this year from Tuesday, August 2nd to Friday, August 5th. The camp is always a great week of activity with great assistance as always from the club's older juvenile boys and girls. Anyone interested in helping out with camp can contact Enda. The camp will once again be kindly sponsored by Sewells Pharmacy.

GARDA VETTING: Under the National Vetting Act no person will be allowed to undertake any GAA activity with juveniles

without being vetted by the Garda Síochána. It will be deemed to be an offence under the terms of the GAA and the law nationally. The GAA has recently launched a new electronic vetting system which replaces the original paper system. The new e-vetting system is aimed at being a more efficient and streamlined way of being vetted. Our children's officer Christina Tangney is on hand to assist anyone not vetted with the new system. The immediate goal of the GAA is to get everyone involved in the Association who is not vetted sorted with immediate effect. Those previously vetted under the old system may then be asked to go through the new process. The club wants to ensure that everyone is vetted in due course. Anyone who needs more information or assistance can contact Christina via email at christina.tangney@mycit.ie or alternatively at 086 1925549.

LOTTO: If you're interested in selling some lotto tickets to help raise vital funds for the club, please contact Seánie Culloty at 087 2225325. Also if you'd like to avail of our Easy Pay system to automatically enter your lotto numbers every week, forms are available from Seánie, Maura McCarthy, Paul Trant, Dan Murphy, Kevin Griffin or any lotto committee member.

U14 LADIES: Beaufort Ladies sponsored by Beaufort Drama Group played Kerins O'Rahillys in County league division 4 semi final on Thursday last in Beaufort. Full time 8-6 to 1-7. They played Dr. Crokes in the Final on Sunday evening in Fossa and had to line out without Maggie Kingston, Hannah Hallissey, Rebecca McHugh and Hannah O'Connor (inj). Dr. Crokes were much the stronger team and though Beaufort tried hard they were unable to curtail the strong running of the opposition through the middle. Beaufort played with the wind in the first half and could only add 3 points to the scoreboard, a point from play and a free from Tara Clifford and a point from Holly Clifford. The 2nd half saw them score a goal after Holly Clifford was on the end of a Emma O'Sullivan cross. Final score: Beaufort 1-3 Dr. Crokes 4-7. Well done to all.

SENIOR LADIES: Played Corcha Dhuibhne in the Mary Jo Curran Cup on Sunday last in Lispole. This is a competition that senior County players are unable to play in. Played in awful weather conditions Beaufort played very well and ran out victors on a scoreline of 3-6 to 1-3. The first half saw Beaufort play with the elements and had a goal well finished by Maria O'Shea and also had points from Amy Foley and Sinead O'Connor. The 2nd half had Beaufort off to the perfect start when Amy Foley set up sub Cliona Coffey and she scored a great goal giving the keeper no chance. Their 3rd goal came from Sinead O'Sullivan who was on hand to finish a breaking ball in the square. Well done to both sides on putting in a great hours work in the conditions. DR CROKES CLUB NOTES

COUNTY LEAGUE DIVISION 1 - 6TH ROUND

DR CROKES 0-13 KERINS O'RAHILLYS

0-9: In this game, played in the Kerins O'Rahillys field we ran out winners by four points, 0-13 to 0-9. Our opponents opened the scoring with a point in the 3rd minute but we had two unanswered points to go ahead by the fifth minute. Our hosts started to get on top at this juncture and were a point ahead by the tenth minute, 0-3 to 0-2. The teams exchanged points in the next ten minutes on two occasions, leaving Kerins O'Rahillys still a point ahead, going into the last ten minutes of the first half. Two Daithi Casey points in the remaining minutes, put us 0-6 to 0-5 ahead at the interval.

By the 33rd minute our opponents had gone ahead, with two unanswered points. Two more Daithi Casey points put the scoreboard a point in our favour by the tenth minute. The host equalised with a point before the end of the third quarter. Everything depended on which of the teams would finish the better. We had a great last fifteen minutes outscoring the hosts by five points to one, three of these play off the boot of Tony Brosnan. This gave us a four point win but there was very little between the teams

throughout the game. Both teams missed a gilt edged goal chance in the second half.

DIVISION 4: DR CROKES V SKELLIG

RANGERS: Despite acquitting ourselves well we went down by eight points to our South Kerry opponents Skellig Rangers. This leaves us with five points after six games. It also means that we have to win at least two more games to avoid relegation, promotion would not be impossible if we could win our remaining five games.

CROKES U14 GIRLS: The squad made amends for last years County League final defeat at the same venue by returning to Fossa on Sunday 19th June and this time taking home the spoils. Beaufort provided the opposition this time and following a superb semifinal victory against neighbours Spa the previous Wednesday, the girls were determined to deliver a performance in the final. Lead by the energetic performance of captain Julie Delaney, all 23 squad members took to the field at some stage and contributed to the victory. Defensively we were strong conceding only 8 scores over the 2 games while in attack we registered 31 scores in the two victories.

We now look forward to participating and enjoying Feile 2016 next weekend. Thanks to all the parents and club members for their support on the night.

SENIOR HURLING: We travelled to Ballyheigue on Wednesday last for the final game of the Div. 2A League. Following a tough battle with the home-side, we emerged the victors on a scoreline of 1-11 to 0-11. This has put us second in the Div. 2A table and in the league semi-final on a date to be confirmed.

UNDER 12: The long trip to Moyvane on Friday evening proved a profitable one for the Amber team as they continued their unbeaten run in both phases of the U12 County League. The

triumphant Amber team defeated Moyvane by 5-18 to 5-9 to finish top of Division 2B. The Black team unfortunately did not have the same fate as their clubmen and lost out to the home side 5-18 to 3-5. Well done to both Dr Crokes teams and management on two very enjoyable and exciting County League campaigns. They will get a deserved break now for a few weeks before the East Kerry League begins at the end of the summer.

COUNTY LEAGUE- DIVISION 1:

Milltown Castlemaine versus Kilcummin.

Milltown Castlemaine began the game on home soil, without some of their regular players due to work and exam commitments, but had John Blennerhassett back in defence, following a recent injury. The home venue certainly suited MC who were quickly out of the blocks with 3 points in the first few minutes-one courtesy of Shane Murphy and two from Jonathan O'Sullivan (1 from free). It took Kilcummin until the 7th minute to register their first score - a point from a free by Kevin McCarthy. Both teams exchanged points in the next few minutes with a converted free by Jonathan for MC and Shane McSweeney finished off a great move to point for Kilcummin. Despite Kilcummin's efforts to dominate at centre field, it was the home side - through great work from Donal Kelliher, Jeremiah Hayes and Eoin O'Brien, that eventually created MC's next score, with a pointed free from corner forward Jonathan O'Sullivan. This gave a score of 5 points to 2 points after 15 minutes. MC's next score came once again off a free from Jonathan O'Sullivan. Kilcummin popped over a point off the boot of Kevin McCarthy shortly after. Mike Burke was replaced by Cathal O'Connor, for a black card and quickly got into the action. Kilcummin continued their super fielding at centre field but MC maintained a strong defence and were able to turn the ball over once again. This led to a great point from Cathal Moriarty, who was making his debut after recent major knee surgery. Kilcummin always looked threatening and a great move between Gavin O'Connor and Kevin McCarthy was intercepted by John Blennerhassett- much to the relief of the home side. Kilcummin registered the next point-again from Kevin Mc Carthy who had a super game. He added another just on the stroke of half time to leave the score at 7 points to MC, 5 points to Kilcummin at the short whistle.

Kilcummin began the second half with a point

from Richie O'Connor. Jonathan O'Sullivan got back on the scoresheet in the 8th minute with an excellent pointed free-however, Kilcummin cancelled it out with a point from Mikey O'Shea. MC's corner forward Jonathan O'Sullivan added 3 more pointed frees before Kilcummin added a point from Niall Duggan in the 21st minute-their last score being in the 9th minute. Heading into the final quarter, there was just 3 points between the teams with MC having the advantage. Eoin O'Mahony replaced Ciarán Kelliher - who grafted hard on the half forward line. Kilcummin managed 1 further point from John Devane. Despite serious pressure from Kilcummin, our backs particularly Stephen Roche, played their hearts out and stood strong. Cathal Moriarty did have a goal chance in the 27th minute but the Kilcummin keeper-Michael O'Neill, gathered it to safety. The woes of Kilcummin were further added to-when Chris Keane received a straight red for an off the ball strike on Jonathan O'Sullivan.

The game ended on a score line of MC-11 points: Kilcummin- 9 points.

KILLARNEY SOUTH COMMUNITY GAMES NOTES

Well done to all the participants who competed for the Killarney South area in the recent County Finals. Attention now turns to the All-Ireland Finals in Athlone in August. We have Lily Foley solo singing and Pia Hickey swimming who both competed last year and hopes are high that they can capture medals in their events this year. We have Jack Greaney competing in the U.14 hurdles and with his excellent hurdling technique should do well in Athlone. We also have Emma O'Sullivan who won the county U.10 hurdles after finishing second last year and Emma also should do well in Athlone. Alex Hennigan, having won Gold with the Kerry mixed distance U.12 Relay team, return to defend their title this year and we wish him well in Athlone. Hopes are high that the boys' Relay U.12 4 x 100 metre Squad, having reached the final last year, can do very well again this year. The Squad consists of Teddy Muldoon, Karl McCarthy, Connor Gammell, Alex Hennigan, Daire Looney and Karl McCarthy. Teddy, Alex and Connor already captured a medal in the U.10 mixed relay 2 years ago. Daire was in the squad last year. Karl and Robbie are new additions to the Squad. Karl performed very well in the individual U.12 sprint and Robbie and a great County Community Games, winning an excellent silver in the ball throw. Teddy Muldoon was also second in the 200 metre sprint U.12 Boys and Connor was 4th in the 100m Sprint. Finally, Aoibhinn Evans is going to Athlone with the Kerry U.12 Girls Cross Country mixed distances Relay Team. Aoibhinn also won an All-Ireland medal with Pia Hickey in the U.10 mixed Relay 2 years ago and has been running well over 600 metres this year, and should do well with this Kerry team in Athlone. Finally, big congrats to all and we

hope to arrange a fundraiser in the near future - bag packing etc, and we appeal to all the parents in the area to please help out with this fundraiser.

BEING A GOOD PARENT MEANS BEING A GOOD DRIVER

When it comes to children in the car, parents are resigned to the distraction they cause and sceptical of finding a permanent solution. That's why we need to educate parents about the risks of focusing on their children rather than the road.

The RSA undertook research in this area in 2014 to understand what was going on in the car with parents and young children. We asked parents to keep a diary and what they had to say was very revealing.

It found that parents are conflicted. They are trying to be a good driver and a good parent at the same time. They are torn between looking after the child, and they struggle to put the child's more immediate needs behind the task of safely driving the car.

A good parent wouldn't ignore their kid screaming in the back seat without at least trying to intervene. Yet the very act of attempting to

attend to their children's needs, makes them bad drivers and puts their children in mortal danger.

Parents of young children are busier than most and see their car as an extension of the home and a necessary place to multi-task. For parents, driving with children on board, can be an experience filled with anxiety, guilt, frustration and irritation.

In the RSA study we asked parents to gain a fresh perspective. Parents consciously took a trip without children and asked to note any differences. It was a revelation for some when it came to their driving and they realised they needed to do something.

The aim of this new campaign is to educate parents on the risks that children pose as a distraction in the car. We want parents to understand that the things going on outside the vehicle need their attention much more than the things inside it.

TIPS FOR PARENTS

The best advice is to give serious thought to your children's needs before you all jump into the car. One solution in reducing driver distraction, according to the Monash University report, is the correct restraint of children in their car seats.

The RSA sees it regularly at its Check it Fits child car seat service. Think how you would feel on a trip in the car sitting in a seat that's incorrectly fitted, wearing layers of padded clothing and the straps not adjusted correctly so they're cutting into your shoulders? It certainly explains some of the constant crying and trying to get out of the seat behaviour of some children.

The Australian researchers found the children in their study were in the incorrect position for over 70 per cent of the journey time. Three quarters of child car seats we examine here in Ireland are incorrectly fitted. Ensuring your child is properly restrained in the correct car seat could eliminate a big cause of distraction while driving for parents.

If they do start acting up once the car is in motion, keep your attention on the road. If you feel you absolutely have to intervene, find a safe place to pull over in order to do so, but under no circumstances on the hard shoulder of a motorway. Otherwise stay focused on the

driving. Everything and everyone else can wait.

You have spent every waking moment working hard to protect your children, don't jeopardise this because you didn't make in car safety your single-minded priority. If you want to be a good parent in the car, focus on being a good driver.

FOSSA NOTES

FOSSA GAA: Lotto 19th June 2016. Numbers drawn were 12, 23, 24, 27. There was no jackpot winner and the €40 consolation prize winners were Hugh Kavanagh, Beaufort, Dave Lynch, Knockasartnett, Catherine Battle, Beaufort, Mark Doona, Keel Kilgobnet and Carmel Doona, 98 Ardshanavooley. Next weeks jackpot will be €8,250. Tickets are on sale at The Golden Nuggett Bar, The Castlerosse Leisure Centre, The Travel Inn, The Old Killarney Inn, Foley's Spar Shop, The Laurels Bar and Committee members.

SENIORS: Fossa played Scartaglin in Round 6 of the County League. The game started slowly before it exploded into life with a goal from Paudie Clifford after great work from Tadhg O'Shea, this was bookmarked with a brace of points from Donald O'Sullivan (0-2), Dara Rice (0-1) and Tadhg O'Shea (0-2). On the 22nd minute Paudie Clifford looked to have finished the game as a contest with another brilliant goal that would not have looked out of place in the European Championships in France! Even though it took 24 minutes for Scartaglin to get off the mark they staged a great come back for the remainder of the half. First Denis Lenihan scored a penalty which was quickly followed by a Pa Rahilly goal. This left the half time score 2-06 to 2-02 in favour of Fossa. In the second half, Fossa took over completely with Scartaglin finding it hard to make any inroads in the Fossa defence. Fossa kicked some great scores and in particular, points from Dara Rice, Tadhg O'Shea and Daniel O'Keeffe were outstanding scores. Paudie Clifford completed his hat trick towards the end of the half with Scartaglin's only score coming from the boot of Daniel Murphy. Again this was a very good team performance with Dara Rice, Tadhg O'Shea and Daniel O'Keeffe being very impressive in their play, Mikey O'Shea worked hard at centre forward and our defence was very solid for the most part. The

younger players like Daniel O'Connell, Matthew Rennie and Colm Walsh continue to grow in stature and confidence with every game and Paudie Clifford is a forward of sheer class. Final score Fossa 3-13, Scartaglin 2-03.

EAST KERRY U14 BOYS:

LISTRY/KEEL 8-7 FOSSA 7-14: Fossa came out on top in this cracking U14 East Kerry encounter, played in ideal conditions in Listry. Fossa opened brightly and stormed into an early lead but Keel/Listry pulled them back and goals were flying in on both ends, Rory Doyle, Emmett Shea (3) and Conor Horgan - put Fossa in at the break winning by 5-9 to 5-3 - it could have even been closer but for a brilliant penalty save by Dean Sheehan in the Fossa goal. It was more of the same in the 2nd half - both defenses tightened up a bit - goals by Darren Cronin and Harry Kelly kept Fossa in front to the end. On the night we had outstanding performances from Ruairi Doyle, Cathal Whelton, Padraic Talbot, Joe Cahillane and Harry Buckley - with a man of the match performance from the captain, Colm Talbot.

This weekend is Feile and we hope for fine weather and more of this Brazilian style football from these U14's!

FOSSA UNDER 8'S: Well done to all who could make it to the game in Ballymacelligott. Both u8 Fossa teams played brilliantly in terrible conditions and should be very proud of their performance. There is no u8 training Sunday due to Feile.

FOSSA LADIES U-12'S: Well done to this great group of girls who won against Miltown Listry. They led 1-7 to 2pts at half time after playing with the wind. In the second half they worked extremely hard against a strong breeze to keep the opposition to 3pts. Final score 4-8 to 5pts - unbeaten at home so far this year. Great performance by Alcia Cummins and also Ella O'Connor (captain).

LADIES FOOTBALL U-14: U-14 LADIES THROUGH TO DIVISION 2 COUNTY LEAGUE FINAL:

The Fossa U-14 girls put in a magnificent performance to beat a very strong Na Gaeil team in the Co League semi final in Tralee on Sunday evening. Fossa started slowly and conceded 2 early goals but then powered back into the game and lead at half time by 4-5 to 3-2. Facing a strong breeze in the 2nd half, the Fossa girls took the game to Na Gaeil from the throw in. Na Gaeil fought back to level the game with 10 mins left but Fossa finished brilliantly and hit the net 3 times to close out the game. Ellen Kennedy in goal and the full back line of Ella O'Connor, Laura O'Sullivan and Sophie Dennehy were superb in defence. Eimear Talbot, Sara Sheehan and Fiona Dineen worked tirelessly in the half back line. Maud Kelly and Aoife Kissane in midfield and the half forward line of Jodie Sheehan, Sadie Myers and Holly Kennelly were exceptional. The full forward line of Danielle O'Brien, the returning Maeve Bellew and Alicia Burke were a constant threat to Na Gaeil throughout. Chelcy O'Connor also scored a great goal when introduced. Final score Fossa 8-6 Na Gaeil 4-8.

CONGRATULATIONS: Congratulations to Gary Cronin on winning the Silver medal in the U17 300 m hurdles at the Munster Athletics in CIT Cork on Sunday, Gary will now go on to the All Ireland later in the year.

KILLARNEY LIBRARY: Dóchas Drama Group presents Words and Music in the Library in Killarney Library on Thursday 30th June 6.30pm - 7.30pm. Free admission. All welcome.

FOSSA NOTES: If anybody has any item they would like included in the notes, please email information to John O'Neill at pro.fossa.kerry@gaa.ie. Please forward information before Sunday at 11am.

A WORD OF VICTORY

Welcome back dear reader following on from last week when I shared about the tourist who had been given the wrong directions for the road to Mallow, another similar experience I remember was one day a man driving from the direction of Tralee pulled over asking me for the right road to go to Tralee. I told him he needed to do a u-turn and go back the direction he came from. He got angry at me and said I was lying to him and then he drove off in the direction of Killarney! The point is both these men had gotten directions and yet both were lost. The one who had been given the wrong directions was happy thinking everything was ok, and the man that I had given the right direction to was angry and went off in the wrong direction anyway. Sometime later both men obviously realised they were on the wrong road. The Bible tells us that there is a time to be born and a time to die (Ecclesiastes 3:2), and that is the road we are all on right now. It doesn't matter what age we are, all of us ultimately strive to get to the same destination – that is into the Presence of our Heavenly Father forever. Jesus says that He is the Way the Truth and the Life and no-one comes to the Father except through Him (John 14:6). There is only one name to be saved by and that is the Name of Jesus (Acts 4:12). Like the two drivers mentioned, we who were lost need to take stock of what Jesus says so that we will arrive one day at that great, great reward. If we are taught there is another means of Salvation other than calling on the Name of Jesus we are deceived, and Heaven will not be our reward but instead Hell's fire amongst the damned. Reader, Jesus is speaking to you right now to call on His Name and receive from Him the gift of everlasting life. Get on the right road! More next week....

FIRST ANNIVERSARY & ACKNOWLEDGEMENT

In Loving Memory of

SEAMUS FALVEY

Curragh, Aghadoe, Killarney, Co. Kerry

Seamus's wife Maria, daughter Gobnait, sons Jerry, Michael, John and Brendan, Linda, Dylan, Mattie, Lorraine, Faella and Chris wish to express our heartfelt thanks to the vast number of people who sympathised with us on the tragic loss of our precious husband, father, grandad and friend.

A special word of thanks to the following: Damien who was with Seamus and who did everything within his power to help him. To the helicopter and ambulance service who reached Seamus quickly and were so rapid in taking him to University Hospital Kerry.

To the doctor, nurses, staff and priest who were on duty in the hospital and who were so kind, thoughtful and understanding to the family. Particular thanks to Fr. Brendan Harrington, Fr. Tom Looney and their concelebrants, musicians and dear friends Nicky and Anne McAuliffe, Tim Gleeson and Cecilia Regan and Sean Treacy. To Tim O'Shea and Sons (Undertakers) in particular Michael and Gerard who were so kind and helpful in everyway at the most difficult time in our lives.

Above all thanks to our wonderful neighbours and friends Seamus's lifelong friends in both St. Brendans and UCC, his colleagues and dear friends of Presentation School, Castleisland who stood by us. Their kindness knew no bounds and is greatly appreciated by all.

To all who supplied so much food, breakfasts and dinners during and after the funeral. Thanks to all who called to the house, attended the funeral and burial, sent Mass cards, enrolments, floral tributes, letters and messages of sympathy and to the Gardaí and all those who directed the traffic at the house. To Presentation School Castleisland, Fíries GAA, Fossa GAA, E.K. Board for Guard of honour, Michelle Cooper Galvin and Timmy Hartnett. Thanks also to all who attended Seamus's Months Mind Mass in Fossa. As it would be impossible to acknowledge individually all those who sympathised with us and supported us, please accept this as our sincere acknowledgement of your kindness and compassion. The Holy Sacrifice of the Mass has been offered for your intentions. The amount of people that Seamus helped and touched during his life (in particular past and present students of Presentation School Castleisland) was evident in the vast numbers who turned out to honour and pay respect to him. It's deep consolation to his family to know that he was held in such high esteem. Seamus's life and the lives of his family are changed not ended. Ní imithe uainn ach romhainn.

Our many fond and happy memories of our great times together sustain us.

I lionta Dé go gcastar sinn, go dtí sin, do dhá láimh a Chríost anall tharat, a Shéamuisín Dhl.
