NEW SPONSORS FOR KILLARNEY CARDIAC RESPONSE UNIT

Killarney Cardiac Response Unit have welcomed new sponsors this week. The Ross Hotel, The Dromhall Hotel, Randles Hotel and Kingdom Clinic have all come on board to help this amazing group of volunteers and will cover the operational cost for the coming year.

The Killarney Cardiac Response Unit is a voluntary Unit of approximately 40 volunteers, from all sectors of society, who respond to 999/112 emergency Cardiac Phone calls.

They are activated once a Cardiac call is made to Ambulance control and cover an area of 6km from the centre of Killarney Town. The Responders have a Pager/Radio on them which is linked in with a control phone through the National Ambulance Service.

The work alongside and under the control of the National Ambulance Service and are not there to replace the Ambulance Service but to complement them by providing care and utilising those vital few minutes as every second counts, until The National Ambulance Service arrive on scene.

The group work in conjunction with National Ambulance Service on all 999/112 calls relating to Cardiac Arrest, Chest Pain, Stroke and Choking.

To get the show off to a lively start we will have some music by renowned Killarney based musician Liam O'Connor.

As usual there will be some lovely door prizes and lots of spot prizes. Wine reception at 7.30pm and show starts at 8pm.

Tickets, priced at €20, are available from Branch Chairperson, Pat Doolan [085-1543514]. Also available from INEC Booking Office [064-6671555], Killarney Credit Union [064-6631344] and at the door on the night.

It's Looking Good

AS JUDGES MAKE THEIR FINAL CHOICES

After careful consideration, Judges in this year's Killarney Looking Good Competition are putting the finishing touches on their deliberations with decisions expected in the coming weeks.

Nominations and observations are being considered and an independent judge – who is not from Killarney – will recommend the winners of the various categories before the winner of the sought-after 2023 overall award is selected.

Awards will be presented in 26 different categories and high achievers in the business and residential community will be honoured at a gala prizegiving ceremony at the close of the tourist season.

In the business community, there will be awards for the best large and small commercial premises, best newly painted premises, best signage and the best retail award with prizes also for the most impressive hotel, public house, restaurant, café, guesthouse and best public building as well as the most improved premises.

In the residential categories awards will go to the best large and small residential areas, best private residence, best roadside garden, best floral display and best friendly planting award. Other categories include a green hospitality award, a corporate special responsibility award, a restoration award, best school and a special biodiversity award.

Over three decades after it was first initiated, to help improve the aesthetic values of the town, the Killarney Looking Good Competition returned with a vengeance this summer with a new committee, new categories, new sponsors and a new approach.

The project was first launched by the then Killarney Working Group, in 1991, and it has grown in importance with each passing year, culminating in some style when Killarney won

the prestigious overall award in the national tidy towns competition in 2011.

After an enforced three-year absence, due to the pandemic, the competition has now been given a whole new lease of life.

This year also two new categories have been introduced in memory of two remarkable people who played massive roles in keeping Killarney looking its best down through the years.

Yvonne Quill, who passed away last October, was the driving force behind the Killarney tidy towns campaign for several years and she was at the helm when the sought-after overall award was secured 12 years ago. This

year the Yvonne Quill Memorial Award will be presented to the volunteer of the year – a person who the adjudicators consider to be a standout contributor – in the overall effort to keep Killarney tidy.

Up to the time of his death in January 2020, Fr Michael Murphy was the public face of tidy towns and he played a huge part in Killarney, Kenmare and Sneem winning the overall national award in 2011, 2000 and 1987 respectively.

Affectionately known as Fr Tidy, this year the Killarney Looking Good Competition will honour his memory with a special Pride of Place award.

The Killarney Looking Good Competition is organised by Killarney Chamber of Tourism and Commerce and Killarney Municipal District Council and the new committee comprises Sandra Dunlea – a daughter of

the late Yvonne Quill – Kathleen Foley, Juliette Kelly and John O'Mahony working under the auspices of the Killarney Tidy Towns Committee chaired by former councillor and Tidy Towns champion Michael Gleeson.

MD O'Shea & Sons are the new overall sponsors of the competition and O'Mahony Media Ltd is the media sponsor.

The competition has throughout the tourist season and businesses and residential areas have been monitored on an ongoing basis.

Official nomination forms are still available from the public office in the Killarney Town Hall or from Bricín Craft shop and Boxty House on High Street.

We discussed what we wanted and Pat expertly guided us on a design. He then called to our house to see the actual bathroom and tweaked a couple of things which improved the overall look. After that, we did not have to worry about anything. Pat called everyday to check the work in progress. Their tradesmen are fantastic. KWD Recycling have been announced as the main sponsor of the Glenflesk and Kilcummin GAA Clubs upcoming fundraiser, 'A Night at the OsKaRs'.

The event will take place on December 7th in the INEC. This is not the first time that local company KWD have gotten behind the two clubs, as they were also the main sponsor when the OsKaR fundraiser was took place for the first time in 2018. On that occasion it was a huge success, attracting a capacity crowd to the INEC and raising much needed funds for both clubs. This year's event promises to be bigger and better, with over a hundred actors signed up to take part in eight films which

will be showcased on the night. "It's great to be supporting a local event, the clubs did such a good job five years ago that we are proud to be part of it again," Sean Murphy, KWD. The sponsorship was officially launched on Thursday last in the Killarney Heights Hotel. "We are extremely grateful for KWD's generous support which will play a pivotal role in the success of the event," says Niamh Dwyer of Kilcummin GAA.

Bringing together the two clubs and parishes has generated huge interest in the event, with lots of new people taking part this time around. Rehearsals start on September 6th with filming taking place in early October. "There is a real buzz around the place and actors can't wait to get started," said Derry Healy of Glenflesk GAA, "having a company like KWD supporting us has given us a massive boost."

CALLS FOR A CAP ON NUMBERS AND MORE SERVICES AS KILLARNEY SET TO RECEIVE YET MORE UKRAINIANS

We are all a bit battle weary with the war in the Ukraine. And we are getting battle-hardened.

Nineteen months on, this single conflict is eating up most of our international asylum resources. And it is directly affecting access to basic medical and other services for everyone in Killarney, far though we are from the front line.

Around 500,000 Russian and Ukrainian men have been killed over inches of ground and destroyed villages along the border with Russia. It's like something you would read in War and Peace.

I can scarcely believe no-one in the EU is knocking heads together and telling both sides to cop on and to get out of their silos that this is the 21st century. Where are Bob Dylan and Joan Baez, those great anti-war singers when you need them?

Certainly, when it comes to refugees fleeing any war anywhere, we must be generous. But we can't be suckers either. New councillor Martin Grady is calling for a cap on numbers. Michael Cahill is calling for more services..

The approach by the Government/EU: has been "Marie Antoinette": "Let them eat cake!" Towns "hosting" or "welcoming" the most refugees are getting grants for leisure facilities under "the community recognition fund". But it's GPs we need.

Is it not high time some politician pointed out it is private operators - some are in fact politicians - not towns, not communities, who are bringing the thousands into Kerry? Why is no-one saying that?

More luck to these private people increasing their wealth. But communities are taking the strain. Let's face facts here. So, maybe we will see a council motion for a local hosts' / operator's tax to contribute towards more nurses, hospital beds, teachers, parking spaces etc?

And is it not time now for IPAS to confine offers of accommodation to those Ukrainians who have actually lost everything and who are actually materially affected? The emergency is long over. Most of the country including the capital Kiev is open.

With no sign of any higher level relief, and a war to grind on for years, we need to engage in a bit more real politik in Kerry and ask a few hard questions of everyone.

REFURBISH COURTHOUSE CALL

Pa Daly Sinn Fein spokesman for Justice says the council must reconsider its sale of the Island of Geese site to the courts service. Instead, the courts service should and to do up the existing county courthouse building in Ashe Street and buy surrounding buildings that are on the market.

I think he should be listened to. Earlier this summer the Kerry Law Society slammed the lack of progress and the stalemate. It was a

full year since Kerry County Council agreed to sell a portion of the Island of Geese site to the Courts Service, there has been 'no tangible progress', Canice Walsh solicitor said.

"We want the sale closed and finalised and the funding secured and the development to go to plan," he said.

'The debate which had raged for years over where the future courthouse or whether the (current) Ashe Street complex might continue was finally at an end last year, they had all felt.

It seems things are back to square one now. Pa says there is now a threat to family law services in Kerry.

"Family District Courts are to be introduced as part of the Family Courts Bill 2022. Locations of these new Family District Courts are being finalised. I am hearing that there may not be such a court located in Kerry. If that is the case, a Family District Court located outside the county would see people having to travel to Limerick. Currently it is difficult to see how two new courts can be provided on the new site. This is worrying," he says.

A busy solicitor until his election, Pa says the council must now pull out and the courts service change tack.

"It is now almost a year since a full meeting of Kerry County council took the decision to sell a portion of the Denny site to the Courts service for €160,000, the price of a cheap apartment. It is fair to say that, in the meantime, no visible progress has been made," he said.

The Island of Geese site too is at an impasse and nothing has gone in there.

ROSE OF TRALEE AND OTHER KERRY INSTITUTIONS - TIME WE SHOUTED BACK AT THE PREACHERS?

This summer has been torrid for Kerry institutions, from Puck Fair to Listowel Writers' Week to the Rose of Tralee. Does the rest of the country need to chill out a bit? Not everything we do can be religiously correct. But it seems we cannot have a bit of fun anymore in Kerry without some puritan getting up on the pulpit and screaming prejudice at us.

I have already tackled those crying foul at the elevation of a goat for a few days.

Now we have the Northern Irish brigade, sparked by comments made by the festival's first curator from Belfast, giving out they are not being seen as Kerry people in Listowel.

I find the former curator's complaints very odd because when I was asked to interview him by the festival in

late May he had no such complaint and said he was made to feel "very welcome" in Listowel. He seems to have changed his mind since. I think someone should explain to the dark shade of green bandwagon that is focussed on Listowel on social media that "Kerry is not Derry". A local festival has every right to its local roots.

As for those who are complaining about the Rose, it's a light-hearted celebration of Irish women at the end of summer. A bit of craic. C'est tout! There is nothing deeper or darker to it.

If all these naysayers succeed in trying to eliminate all that is different or odd or regional or local, then there will be nothing left to celebrate anymore, whether in Derry or in Kerry.

BILLY LAUNCHES BOOK ON HIS JOURNEY TO SAVE HIS SIGHT

Senator Martin Conway, first visually impaired person to be elected to the Oireachtas, will launch a new book by Billy Ryle's - *Donor Organ Transplants or Blind for the football*, at Kerry Library, Moyderwell, Tralee on Thursday, 7th September 2023 at 7pm.

Billy, who pens the Education Column for Killarney Outlook was, in 2018 enjoying a full and active life. Unfortunately he was diagnosed with Fuchs Dystrophy, a disease of the eyes. In Fuchs Dystrophy, fluid builds up in the clear layer (cornea) on the front of the eye, causing the cornea to swell and thicken. This leads to glare, blurred or cloudy vision, and eye discomfort. Fuchs Dystrophy usually affects both eyes, causing the vision to gradually worsen leading to blindness.

It was the beginning of a long and difficult medical journey, which Billy was determined to make in order to save his sight. The treatment for Fuchs Dystrophy involved two cataract surgeries and two corneal transplant operations of donor organs at Bon Secours Hospital, Cork by Mr Tom Flynn, Consultant Ophthalmic Surgeon in Cornea, Cataract & Laser Vision.

Simultaneously, as Chairman of Austin Stacks GAA Club, Tralee, Billy was determined to lead his Club safely through the Covid-19 pandemic to win the Kerry Senior Football Championship in 2021. Billy tells his story in this uplifting tale of determination, persistence, tenacity and

positivity.

The book provides a detailed insight into the challenges faced by Billy as he took on the medical battle against visual impairment and possible blindness. He outlines the difficulties and dangers presented by Covid-19 along the road to recovery, which required regular visits to Bon Secours Hospital Cork and The Eye Clinic, The Elysian, Ballintemple, Cork. Billy gives the reader the inside story on the responsibility and expectation, which weighed heavy on his shoulders, to lead his club to Kerry senior football championship success as his vision was rapidly deteriorating.

The text in the Book is supported by a timeline of black & white photographs including the official photograph of the 2021 Austin Stacks County Senior Football Championship winning team, courtesy of Martin Cleary.

The Book will be officially launched by Senator Martin Conway at Kerry Library, Moyderwell, Tralee on Thursday, 7th September 2023 at 7pm. Senator Conway from Ennistymon, County Clare was the first visually impaired person to be elected to the Oireachtas. He is a founding member of AHEAD (Association on Higher Education and Disability) and WAM (Willing Able Mentoring). Senator Conway is a formidable advocate for equality in education and employment for disabled people.

Net profit from the sale of the Book during 2023 will be donated to the National Council for the Blind of Ireland (NCBI). There should be a Book

available for everybody who attends the launch, as well as a glass of wine or a cup of tea/coffee. In turn, Billy is requesting that each person might make a donation of €20 euro or more. Donations will also be gratefully accepted for NCBI from business and commercial interests. Billy is hoping to raise €2020 at the launch and will have the money counted by a person with 20/20 vision! The Book will then go on sale online at www.amazon.co.uk. Type 'Billy Ryle' in the search box. All royalties in 2023 will go to NCBI.

Billy would like to thank Kerry County Librarian, Tommy O Connor for hosting the launch in Tralee Branch, Kerry Library. Billy is delighted that the launch is taking place in the Library, where he regularly spends time browsing through the book shelves. Following on the huge success of last year's Pedal for Grace event, the NCBI is delighted to announce that it is returning again on 9th September 2023!

Last year's Pedal for Grace was a huge success and young Grace O'Sullivan and her family, friends and local community raised more than €25,000 for the organisation.

Pedal Power.....

PEDAL FOR GRACE is back for its second year!

Grace O'Sullivan is 13 years old and she has a visual impairment called Stargardt disease, which causes progressive sight loss. NCBI continues to support Grace to gain and maintain her confidence and independence as she makes her way through her young life.

'We couldn't have been happier with how the Pedal for Grace went last year and it was all because of the help from the lovely people in our local community and beyond. This year with we're back with a bang and we hope that those who had fun with us last year will do the same again this year. We would also love to welcome any new friends who want to take part. This event is for everyone', Grace's mam Mary O'Sullivan said: The event will kick off at the Firies Community Centre, Church Road, Firies, Co. Kerry. Registration for Pedal for Grace can be done on the NCBI website event page in advance of the event or can be completed on the day of the event from 8.30am onwards.

9.30 am – 60km – Killorglin Loop – €30

10.30 am – 14km Loop walk – €10

11 am – 5km Molahiffe walk – €10

Join us after for Music & Fun in Butler's Bar.

People who wish to register for Grace's big day can do so on the Pedal for Grace event page.

It was a day to remember for Killarney Camogie Club's Under 12 girls who were among the 1,400 girls from 64 teams across Ireland to take part in the Allianz Camán to Croker event in Croke Park last Friday. The bus left Spa shortly after 9am and was almost full with players, mentors & family members all ready for the Road to Croker.

A quick stop on the road up and we reached Croke Park just ahead of our registration time of 2.30pm. After registration, the girls had a tour of the dressing rooms and warm up area before following the footsteps of so many legends before them by walking out of the tunnel in the Cusack Stand and onto the hallowed ground of Croke Park for a team photo.

The girls played 3 games – their opponents were Wolfe Tones Bellaghy (Derry), CLG Carndonagh (Donegal) and Castlebar Mitchels (Mayo). Each and every one of our 19 players rose to the occasion and showed their tremendous skill and talent. Great cheering from the crowd for each score we got and every save we made!

A stop at Junction 14 on the way back to Killarney for some well deserved food & ice-cream was very much welcome! The bus home was lively as all nerves for the big occasion had disappeared and there was plenty of banter. All in all it was a fantastic day out, and an excellent opportunity for the girls to play against teams from Derry, Donegal and Mayo; in one of the best stadiums in the world.

Thanks to all the parents & family members for coming along in massive numbers to cheer on our girls from the stand. And thanks to everyone who made the day such a huge success – committee members; trainers Sarah Dineen & Sean Casey; parents and a fantastic group of girls. Credit to the Camogie Association for organising such a brilliant event, one we will all cherish for a long time.

Today, Friday 25th August, young people up and down the country will be getting their Leaving Cert results.

The wait beforehand can be an anxious and stressful time for many of them.

Jigsaw, the youth mental health charity, is sharing helpful tips and advice gathered from their team of mental health professionals and other young people who have been there.

Sophie Kathryn, a Jigsaw youth advocate2 says: "It can be a super stressful time waiting for exam results. Remember that whether you get the grades you hoped for or not, that it is OK. Try to recognise and celebrate what you have achieved, whether that is academically or not. You got through your exams. And that is a big deal. You deserve to be proud of that."

Katie O'Connor, a mental health clinician with Jigsaw's online team, says: "At Jigsaw, the youth mental health charity, we often hear from young people about how waiting for exam results can be a particularly nervous and anxious time. Especially when there are a lots of expectations from themselves, family and friends. It is important to know it is very normal to feel this way. And that there are some things you can do to help handle those feelings. That's why we wanted to share some helpful tips and advice for anyone who might be feeling anxious about their results. You can also visit jigsaw.ie/leaving-cert for more help and guidance. And

If you, or someone you know, is feeling anxious and nervous about your results, here are Jigsaw's top tips to help:

Remember to give yourself credit: No matter how your results turn out, you deserve to celebrate your hard work. And remember, your exams do not define your worth.

Take your time: Moving forward is personal. Don't rush. Give yourself space to figure things out. Check in with yourself now and again about how you are feeling. If you are worried or stressed sometimes, that is OK. It is normal to feel that way. But don't be afraid to seek help if you feel you need it.

Don't compare: Everyone's unique. Don't measure yourself by others' achievements. What matters is your journey, not what others are doing.

Talk it out: Don't hold your worries in. Talk to friends or family. You're not alone, others will be feeling the same way.

Plan for both possibilities: Exams don't always go as planned. Research what happens if things don't work out, but focus on the positives too. Remember, there's a lot of different paths to reach your destination. And the most direct one isn't always the best.

Keep your routine: Stay busy to distract yourself from stress. Do an activity that you

STUDENTS RECEIVE THEIR LEAVING CERT RESULTS

on results day itself, you can chat with us online, either in a group or one-on-one, if you need someone to talk to."

enjoy to help take your mind off the results. This could be going for a walk, heading to the gym, or meeting up with friends. Enjoying your usual hobbies and maintaining your routine can really help.

Stay grounded: Social media can make you feel pressured. Don't get caught up in comparing results. Your success is your own, no matter what others share.

Get plenty of rest: Sleep is good for you. Make sure your mind and body have plenty of time to rest and unwind. If your mind is really whirling and keeping you awake, it can help to write down some of your thoughts to get them out and work through them.

Make it easy on yourself on the day: If you are going to get your results online, it can help to have logins written down somewhere that you can easily access. If you are going into school to pick them up, check what time you are supposed to arrive at. Results day will be hectic enough, so try not to add any extra stress for yourself.

Get support on the day: Steady yourself for a mix of emotions. You might be sad, overwhelmed, happy or excited all at once or throughout the day. This is totally normal, and it is helpful to acknowledge all that you're feeling. Think about how to help yourself when you're stressed. Would getting out for a walk, chatting to a friend or meditation be helpful for you?

Liebherr Container Cranes is excited to announce the extension of the application deadline for its highly sought after 2024 Apprenticeship Programme. Due to continued demand, we are giving aspiring apprentices an additional week to apply, with the new deadline now set for September 1, 2023. KERRY STUDENTS CAN CELEBRATE SUPERB LEAVING CERT RESULTS BUT MUST KEEP A CLOSE EYE ON A FAST-MOVING TIMELINE

By Billy Ryle

RELIEF

The 2023 Leaving Cert cohort exhaled a collective sigh of relief today, Friday, 25th August, when the exam results were finally issued at 10am by the State Examinations Commission (SEC) directly to candidates through the Candidate Self Service Portal (CSSP). Leaving Cert results were simultaneously issued to candidates' schools at 10am.

EXCELLENT

The early indications are that Leaving Cert results in Kerry are excellent. When it comes to achievement in the Leaving Cert and securing places in Higher Education, Kerry students are top of the Class. While success should be celebrated, it's important to consider your options during the next few days and to keep a very close eye on the fast-moving timeline. CAO offers will flood into Kerry when Round One is released at 14.00 on Wednesday, 30th August and important decisions will have to be made about your next step.

EARLIER RESULTS

Leaving Cert results were issued earlier this year than in the past three years as the timeline gets back to almost normal after the disruptive Covid years. 63,539 candidates applied to take the Leaving Cert exam this year, almost on par with the 63,383 in 2022. 1,714 candidates from Kerry applied for the 2023 Leaving Cert exam

compared to 1,979 in 2022. On 2nd September 2022, Minister for Education, Norma Foley announced that adjustments would be made to the assessment arrangements for students sitting the State exams in 2023, to take account of the disruption to their learning during the Covid-19 pandemic. The Government also gave a commitment that the 2023 Leaving Cert exam results would, on aggregate, be no lower than the 2022 results. Good news indeed!

MARKS

Candidates can see their marks, including marks for each component on the CSSP from 12.00 on Tuesday, 29th August. Candidates can apply on the CSSP to view their scripts online from 17.00 on Tuesday, 29th August, until 20.00 on Wednesday, 30th August. LCA application to view scripts is via online during the same timeline. It's well worth viewing your marked scripts before deciding to appeal any subject(s) results.

VIEWING

Both scripts marked manually and scripts marked online will be available to candidates for viewing. In the case of the former, each candidate will be assigned one of two sessions on Saturday, 2nd September and Sunday, 3rd September. Session One is from 9.30 to 12.30, Session Two is from 14.00 to 17.00 each day. Online access to view scripts that were marked online will also be available from 09.00 on Saturday, 2nd September

to 09.00 on Sunday, 3rd September.

APPEAL

Any candidate who wishes to submit an appeal application against an awarded grade – commonly called 'applying for a recheck' – can do so on the CSSP between 10.00 on Sunday, 3rd September and 17.00 on Monday, 4th September. Until such time as the number of appeals is known, the SEC won't commit to a specific date for publishing the appeal results. The appeal fee is €40 per Leaving Cert subject and €14.50 per LCA subject. The fee is refunded if the appeal is successful.

TIMELINE

This year's timelines for candidates to apply to view scripts and to lodge their appeal applications are very tight. The SEC maintains that these timelines are essential to ensure that the remaining stages of the appeal process can be completed as quickly as possible.

CAO OFFER

Latest CAO data confirms a final figure of 84,226 applicants, down slightly from 84,321 in 2022. 2,394 applicants have applied to CAO from County Kerry. That's a 4.4% decrease on the 2022 figure of 2,505. The blue riband courses are again in high demand and will require high points to secure a course offer. However, with over 50,000 places on offer this year, applicants can be very hopeful of a college offer.

MINISTER FOR HEALTH ANNOUNCES EXPANSION OF THE LAURA BRENNAN HPV VACCINE CATCH-UP PROGRAMME

The Minister for Health Stephen Donnelly TD has today announced the expansion of the Laura Brennan HPV (Human Papillomavirus) Vaccine Catch-Up Programme to include all males up to their 22nd birthday.

From 29 August 2023, those who are now eligible can register to get the vaccine at www.hpv.ie, under this programme which is open until 31 December. Since its launch last year, the programme has offered free HPV vaccines to all boys and girls in second-level education who were previously eligible to receive the vaccine in school and who had not yet received it.

It is also open to young women up to the age of 25 who have left secondary school and did not previously receive the vaccine.

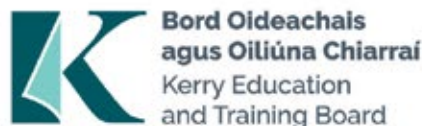

The vaccine protects against the types of HPV that cause approximately 90%

of cervical cancers, 90-95% of HPV-related anal cancer, and 90% of genital warts.

HPV infection can lead to cancer in men, including penile, anal, oral, and throat cancers, as well as anogenital warts.

To-date, the Laura Brennan HPV Vaccine Catch-Up Programme has provided free vaccines to over 3,500 young people who were previously eligible to receive it in schools and had not yet received it.

It is named in memory of Laura Brennan who campaigned for higher uptake of the HPV vaccine before her death from cervical cancer at the age of 26, in 2019.

MARIAN TAKES ON THE DUBLIN CITY MARATHON

for a great cause

A Killarney artist and mum of three boys, is planning on taking on the Irish Life Dublin Marathon 2023 to raise funds for The National Breast Cancer Research Institute.

Marian Madden from Listry runs Eathan & Co. Designs and is herself a cancer survivor.

"This will be my first marathon so all your support, in whatever form, will be greatly appreciated", Marian told Killarney Outlook.

"I chose this charity as the marathon will be exactly 6 years since I had a biopsy done myself which turned out to be cancer. At the age of 35 it was a shock to get but now I am extremely lucky to be fully fit and in a position to train for this", she added.

"This is my chance to say thank you, in a small way, for past research and medical advances that brought me to full health. But I need your help to raise €1500 to put towards the work of researchers in the fight against this horrendous disease. Together we can help future cancer patients, which could realistically be anyone of us or our families. I would appreciate it so much if you could donate, no matter how small the amount", Marian said.

Currently, 1 in 7 Irish women will be diagnosed with breast cancer before 75 years of age and there are 3,507 cases diagnosed annually which is set to continue to increase. These women are our mothers, daughters, sisters, grandmothers, friends and neighbours. We know these women, they play major roles in our lives. The National Breast Cancer Research Institute is a national charity that funds a comprehensive research programme at the University of Galway. We know that breast cancer research has improved the diagnosis, treatment options, and outcomes for those who develop the disease. We want to fund these research programmes to continue to impact the outcomes for those who develop the disease in the future. The research team, in collaboration with universities and hospitals across the globe, focuses on the development and improvement of diagnostic techniques and treatment strategies, to drive real and measurable improvement in clinical outcomes for breast cancer patients. You can donate to Marian's Fundraiser at: <https://eventmaster.ie/fundraising/pages/MM99061409>

Huge Crowd Celebrate KILCUMMIN COMHALTAS TALENT

In excess of 200 people gathered at the Kilcummin Village Inn to celebrate another fantastic year for the Comhaltas Kilcummin branch.

The night, a now annual occurrence is a celebration of the branch, its' members and supporters and offers a chance for all to come together to celebrate with music and dance. Shane O Callaghan, Chairperson of Kilcummin Comhaltas opened proceedings by welcoming all and indicating the exciting night of entertainment that lay ahead.

All of our age groups involved in set dancing throughout the year demonstrated, once more their skills acquired through many nights of practise through the year. For many their dedication has been rewarded with experience and success across the numerous competitions that the branch had representation in throughout the year - Sult na nÓg, Ceoil na Geimreadh, Fleadh Cheoil Charraí, Munster Fleadh Cheoil and of course Fleadh Cheoil na hÉireann.

We were also spoilt with music from Eoin Foley, an All Ireland Champion in the accordion and this was followed by the seasoned Michael Healy (double third pace Fleadh Cheoil na hÉireann) who was ably accompanied by Kirill Healy on the whistle.

"The night and indeed the branch is all about participation, comradely and friendships" stated Shane O Callaghan Kilcummin Comhaltas chairperson. "Success is always a welcome bonus but the branch is more than just the latest success and that's why it is thriving in numbers and participation" Shane went on to say.

Adrian, John & Mary Moriarty and all the other coaches that work with all the individuals and groups were thanked and acknowledged for all their efforts in preparing all the branch members for the various competitions throughout the year.

The festivities continued well into the night with additional entertainment provided by Denis Crowley & Helen Kerins.

A reminder that the branch will have a mass for deceased members on Saturday 2nd of September in Kilcummin Church at 7.30pm. The branch will also hold a 50th Celebration Social in the Killarney Heights Hotel on the 14th of October with further details to follow.

GREAT TURNOUT FOR CONNIE'S MEMORIAL CLASSIC

Having rained off on its original date of Saturday July 15th, it was hoped that the weather would be more favourable for Friday August 18th. However as the day got closer it appeared that Storm Betty would be brewing around the same time as the first tee off in the St Paul's Basketball Club Golf Classic, which was again dedicated to the memory of legendary member Connie Brosnan. But not to be deterred and thanks to the management of Beaufort Golf Club the show went on regardless with teams with an earlier tee time getting the best of the weather. And special mention must be given to the hardy souls who braved, and in some cases, bettered Betty to bring in outstanding scores.

When the scorecards eventually dried off, top of the pack were the Killarney Carpet and Furniture Team led by Matt O'Neill. In his gracious acceptance speech Matt outlined the great dovetailing Colm Galvin, Eamonn Fitzgerald and Paul O'Sullivan indulged in and of course there was no shortage of craft and experience in the winning unit. Matt couldn't let the day pass without mention of his late friend Malachy Walsh, who would have been part of the team originally but who Matt felt still played a huge part in their success, with some putts dropping definitely with the help of some divine inspiration. Next on the podium were John O'Donoghue, Seamus Whitty, Tony Fagan and Garret Doolan who through their own mixture of skill and determination chased the victors all the way home, representing the Brehon

Hotel. In third place were the Kerry Agribusiness quartet of Tony O'Sullivan, Brendan Nagle, Mike O'Sullivan and Anthony O'Mahony, who seemed to relish the worsening conditions. The Par 3 2nd and 4th holes were picked for the Nearest the Pin and David Geary pitch to the difficult 2nd wasn't bettered while Martin Byrnes was only a whisker away on the 4th.

Full Results

1st. Killarney Carpet and Furniture Centre .. Matt O'Neill, Eamonn Fitzgerald, Colm Galvin, Paul O'Sullivan.

2nd. The Brehon Hotel.. John O'Donoghue, Seamus Whitty, Tony Fagan, Garret Doolan.

3rd. Kerry Agri Business.. Tony O'Sullivan, Brendan Nagle, Mike O'Sullivan, Anthony O'Mahony Nearest the Pin.. 2nd Hole David Geary, 4th Hole Martin Byrnes.

The Club would like to thank most sincerely everyone who took part in the Golf Classic, sponsored a team or a tee box and donated prizes. Special thanks to Tadgh Clifford and the greenkeeping team who had the course in the best shape possible despite the inclement weather. Finally this event would not be what it was without the work of the organising Committee. Sean Brosnan and Joe Sheehan conducted the orchestra with Maurice O'Donoghue, Matt O'Neill, Paul Sheehan, Brian Clarke and Derry McCarthy staying in tune to help make the 2023 St Pauls Golf Classic a fitting dedication to Connie Brosnan and a valuable fundraiser for the Men's National League campaign which tips off at the end of September.

RIVER BLOCKAGES

Kerry Fianna Fáil Councillor, Michael Cahill put down a Notice of Motion at a recent meeting of the Kenmare Municipal District, calling on Kerry County Council to liaise with the Inland Fisheries, the Office of Public Works and all interested parties to ensure that all debris, including trees, branches, etc, are removed from the sides of rivers and around bridges, that would otherwise cause blockages to arches and endanger the structure of said bridges.

"Following the high rainfall levels of the winter, we now have very low water in our rivers and much debris has been deposited along riverbanks and around bridges. Kerry County Council replied to say that 'Works of this type can and are undertaken by the Council where necessary. Environmental screening may need to be carried out and consultation with Inland

Fisheries Ireland is always undertaken.' My point is that now is the time to get to this important work, to clear the debris, as before long we will have high water levels again and it will be much more difficult to access" stated Councillor Cahill.

"Serious damage can be done to our bridges when blockages by trees and branches occur, as we know from past experience and would incur major expenditure, not to mention the inconvenience on our roads or the danger to our road users. We have witnessed this at the Giddagh Bridge in Beaufort and at other locations around the county" said the Rossbeigh based Councillor.

"It is also very important that trees and overgrowth is kept clear in the vicinity of our bridges to ensure clear sight distance for the safety of all road users" added Councillor Cahill.

DISAPPOINTMENT AT NEWS THAT NCT'S ARE GOING CASHLESS

Michael Healy Rae has expressed his disappointment at the news that the NCT test centres are going cashless over the coming months. "They say they are doing this for people's safety and convenience and this means that payments must be made in advance of attending for the test. I am totally opposed to this, cash is still a legal tender thankfully in this country and I think it is ridiculous and unfair to see a very essential service such as this saying they will no longer accept

cash", he told Killarney Outlook.

"Myself and my colleagues in the rural independent group are totally opposed. The great ploughing championship which is a great event and I thoroughly enjoy going to every year is now going cashless also, again a wrong move and something that is very unfair to people who might not have other ways of paying other than cash", he said.

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

IS IT MORE DIFFICULT TO GET A MORTGAGE TO BUILD MY HOME THAN A MORTGAGE TO BUY MY HOME?

Yes, it can be more difficult. When you are building your family home there are more of risks of things going wrong than purchasing your home especially in relation to the overall cost. The most obvious and biggest risk is of course the risk of you going over your budget to build and finish your property and not having enough money to complete your home. Some lenders have increased their minimum cost to build a home recently. Lenders when assessing your application need to take this risk into account. Lenders will put emphasis on the cost of construction of your property. If you are making your application through a mortgage broker they should spend time discussing the cost of the construction and loan amounts with you to make sure they are realistic and affordable. If these figures are incorrect and especially if they are too low then your mortgage application could be declined and more importantly you may not have enough money to finish the property. A big plus at the moment for people who are first time buyers and are building or buying a new property that is their family home is that there is a Help To Buy Scheme that you can apply for through the Revenue. Thankfully this was extended recently in the budget. There is up to €30,000 available through this scheme, there are terms and conditions attached to this Help To Buy Scheme. Obviously this is very beneficial in terms of reducing your overall cost and reducing your mortgage amount also. Each lenders criteria for self build mortgages is different & you need to know this before choosing a lender that suits your needs best. A mortgage broker who has access to many lenders and has a lot of experience with self build mortgages should be very helpful to you.

If you require any further information on the above or any other matter you can contact Dermot Cronin at dermotcroninifa@gmail.com or 0646622775 or 0872893649.

FINDING JOY IN THE EVERYDAY MOMENTS

In this world, where we are constantly bombarded with negative news and images of pain or suffering, it is vital that we keep our joy alive and well within us. Having a positive outlook and a feeling a sense of joy is vital to our wellbeing and mental health. However, this is something that we actively need to cultivate. We need to become conscious about what we are thinking, what we are believing and what actions we are taking to feel the best that we can be. One of the ways to do this is to look for the joy in the small every day moments of our life.

10 joyful actions:

- Be grateful for all that you have
- Smile at yourself and others
- Listen to uplifting music
- Dance
- Be kind
- Enjoy the simple things like listening to birds sing, walking in nature or meeting up with an old friend
- Do something you love
- Let the past go with compassion
- Choose the most uplifting thoughts you can think
- Limit your time watching the news or engaging in conversations that pull you down. Choose, instead to focus on what is right with the world and how amazing human beings can be.

Noreen

answers your beauty questions...

SHOULD I UP MY SPF TO 50 IN THE SUN?

A higher factor like spf50 will give you more protection against sunburn but not unless you re-apply it every 2 hours while in the sun.

Factors 15 - 50 offer similar protection against UVA rays and DNA destruction but factor 50 blocks out 98% of UVB rays while spf30 blocks out 97% and spf15 blocks 93%.

SPF (Sun Protection Factor) is essential to prevent your skin aging and skin cancers. You should look for a "Broad Spectrum" Sunscreen to protect against UVA - Aging rays and UVB - Burning rays and protection from HEV - High Energy Visible light. This is blue light emitted from sun, screens, laptops and phones.

Apply your sunscreen 20 minutes before going in the sun and re-apply every 2 hours after for full protection. Remember to use water

resistant sunscreen if you are in water or sweating from exercise.

Do not just rely on your SPF wear a wide brimmed hat and sunglasses with UV protection. Clothing with built in sun protection is great with sunscreen especially for children.

DO YOU FEEL GUILTY ON A REST DAY FROM TRAINING?

We all can be guilty of this, I'd take it as a massive plus though if you do as it shows you enjoy training and the effects it gives you that you miss that happy buzz from a workout, I'm very guilty of this myself, I don't like taking complete rest days but I do active recovery days like slower runs or a workout that's very low intensity but you got to know what your body wants. Having a rest day and not being one bit guilty is hugely beneficial though as your giving your body time to repair and replenish, my 3 favourite ways to recovery are sleep, hydration and by getting good food sources into you. Another tactic I use is say for example a Thursday morning workout or run then not exercising until Friday evening then you get more than 30 hours rest without activity and still training daily. If you know your daily calorie allowance keep under this on a rest/ recovery day, its great having a rest day as it can give you hunger to get back training the following day then but remember listen to your body that's the key point and don't feel guilty your body needs it and earned it!!!

CHILDREN'S EYES

How do I know if my child has an eye problem?

Some eye conditions do not display any signs or symptoms, so the only way to know for sure is to take your child for a sight test.

Signs which may show there is a problem with a child's sight include:

- an eye appearing to drift inwards or outwards;
- difficulty concentrating;
- headaches;
- sitting too close to the television; or
- rubbing their eyes a lot.

The condition 'lazy eye' can run in the family, so if someone in your family has either an eye turn ('squint') or suffers from reduced vision in one or both eyes ('amblyopia'), it's a good idea to take any related children for a sight test.

What is vision screening?

Some children have their vision screened at school - this is usually a basic test, designed to pick up children who have reduced vision in one or both eyes. If a problem is suspected, children will usually be referred for a full sight test.

What is a sight test?

A sight test is a comprehensive check which can pick up many conditions, including colour vision defects, problems with the development of 3D vision and any need for glasses. Taking children for sight tests from an early age helps to build good eye health habits into adulthood.

What can I do if I don't want my child to wear glasses?

Some parents avoid taking their children for a sight test, because they do not want them to wear glasses

It's important to understand that some children do need visual correction so their vision can develop normally and to achieve their full potential. The good news is there is now a much wider range of attractive frames to choose from and less stigma attached to wearing glasses.

Many children are also suitable for contact lenses.

This is particularly helpful for children who take part in regular sports activities and they can be successfully worn from an earlier age than most parents expect.

CLUB CHAMPIONSHIPS

SENIOR CHAMPIONSHIP GROUP A

Kenmare Shamrocks 2-7 Templenoe 0-12

A slight sense of hit an run about this one. Templenoe, with Patrick Clifford and sharpshooters Killian Spillane and Stephen O'Sullivan in top form, probably had more of the play and were fully deserving of an early 0-7 to 0-4 lead. Seán O'Shea, naturally, was to the fore in a beleaguered Kenmare Shamrock's attack. Good work by Kevin O'Sullivan saw Jimmy Lehane find the net.

Templenoe lorded the third quarter, Killian Spillane really showing his class. Templenoe were two points to the good with the hourglass almost empty and the truth is that they deserved to win this one, but Kenmare Shamrocks were stubbornly hanging on and it was Stephen O'Brien who stole in for a late goal to snatch victory at the death. A hard one for Templenoe, who now have to host Na Gaeil in a winner-take-all battle to avoid relegation, while the game between Spa and Kenmare is effectively rendered moot.

Spa Killarney 3-14 Na Gaeil 0-10

Na Gaeil have everything a good football team needs except that most vital of components, scoring power. Spa have that in abundance and soon showed it, leading by 0-6 to 0-1 through five different scorers and with Devon Burns brilliantly denying Cian Tobin a goal from close range. Dara Devine, arguably Na Gaeil's best player, kicked a brace while Diarmuid O'Connor also split the posts but Spa responded strongly, Cian Tobin gathering from the outstanding Dan O'Donoghue to fire home a goal. Liam Spillane, who had a great game at wing back, had a shot rattle back off the post but Michael Foley was alert to the rebound and calmly poked home. Spa led by 2-9 to 0-4 at half-time and realistically never looked like being caught, Mikey Moynihan coming off the bench to kick three points and Evan Cronin slotting a third

goal to give Spa a comfortable victory.

GROUP B

Dingle 2-14 Rathmore 3-6

Conor Geaney kicked an early 1-2 to give his team the ascendancy. Barry O'Sullivan temporarily departed on a black card and the All Ireland Intermediate champions responded well, Mark Ryan scoring a goal as they cut the gap back to a single point. Dingle led by 1-6 to 1-4 at half-time and Paul Geaney stretched the gap to three on the restart. Cathal Ryan drew the sides level with a superb goal but Dingle had the greater firepower in the Geaney clan and used it to telling effect – they would kick 1-11 of Dingle's total. Shane Ryan, who kicked 1-3 in total, scored 1-1 late on to cut the gap but the truth is that Dingle's victory was as comprehensive as Rathmore's had been over Rahillys last week.

Dr. Crokes 2-11 Kerins O'Rahilly's 0-5

Dr. Crokes followed up on a good win against a fancied Dingle with an expected and convincing victory over a Strand Road side who have struggled a bit in the absence of big guns like Jack Savage, and Gavin O'Brien (note that Crokes are without a few top guns as well and will only be getting stronger). The first half wasn't a great spectacle, with both sides very much on top in defence. Crokes had the relatively paltry half-time score of 0-2, with Michael Casey and Potts each on target as they trailed by one. Barry John Keane almost turned a one point gap into four at the start of the second half but as the game wore on, though, Crokes hard running began to prise open gaps. Brian Looney started the deluge with a fine point and Crokes began to clinically open the gap ever-wider before Micheál Burns laid off well to Cian McMahon for a goal that effectively ended the contest.

INTERMEDIATE CHAMPIONSHIPS GROUP A

Glenbeigh-Glencar 2-11 Milltown/

Castlemaine 0-9

A rapid 1-1 from Tommy Cahill helped underdogs Glenbeigh/Glencar into a 1-5 to 0-5 half-time lead and another goal after a fine run and strike from Colin McGillicuddy was enough to see them surprise the favourites and get back on track after their opening defeat to Beaufort. Milltown/Castlemaine did have chances but just couldn't convert enough of them and now face a very tricky tie against Beaufort.

Beaufort 2-13 Gneeveguilla 3-10

Gneeveguilla could consider themselves unlucky to have lost to Milltown/Castlemaine by a single point in the opening round but will admit to a certain amount of good fortune – earned, in fairness, by sheer resilience. Trailing by three points late on it looked all over for them but they stuck to their guns and a well-drilled penalty by John O'Leary in the final minute gave them a fully deserved draw.

GROUP B

Fossa 1-16 St Mary's 2-10

Fossa, with David Clifford in commanding form and Paudie once again the driving force in their engine, led by 0-8 to 0-4 at half-time. They looked like cruising to victory but St. Marys brought Bryan Sheehan out of goal for the final quarter and he kicked 0-4 to throw the game back into the melting pot – I consider Sheehan, along with Brian Looney of Dr. Crokes, to be the best club players of the past decade at least in Kerry. The cClifford brothers had 0-10 between them, 0-7 for David, while the O'Shea's Emmett and Tadhg had 0-5, and Rian Colleran had Fossa's goal. The All Ireland Junior champions are looking like the surprise package of the championship so far, taking to the higher grade like ducks to water.

Glenflesk 1-13 An Ghaeltacht 1-11

An early goal from Patrick Darcy put Glenflesk into the driving seat after An Ghaeltacht took the lead through Cathal Ó Beaglaíoch, Tomás Ó Sé and the excellent Dara Ó Sé. An

Ghaeltacht left too many good scoring chances behind them, while Glenflesk sharpshooter Darragh Roche made light of the tricky wind. An Ghaeltacht could only pick off one point in the second half through Tomás Ó Sé and a fortuitous goal from Franx Sauerland and, with sub Luke Crowley, the Roche brothers, and Jeff O'Donoghue all impressing, Glenflesk were definitely not flattered by the two point winning margin.

GROUP C

Killarney Legion 0-14 Laune Rangers 1-9

Laune Rangers, minus a number of key players, were put to the sword by Kilcummin in the opening round but looked a transformed side here and can genuinely rue their luck to be coming away from this one empty-handed. A 51st minute goal by Daire Cleary had Laune Rangers leading by 1-8 to 0-8 and on course for a shock win but Legion responded in style, clipping over three rapid points through William Shine and Jamie O'Sullivan before the evergreen James O'Donoghue and Eoghan O'Sullivan fired over to give Legion a narrow victory and set up a mouthwatering clash with Kilcummin in the final round, while Laune Rangers have to face Currow in a bid to avoid the relegation mire – after this showing, they will go into that one as favourites.

Kilcummin 4-19 Currow 2-9

Kilcummin were always in control, here, with goals by Philip O'Leary (two), Seán O'Leary, and Mark O'Shea seeing them win with sixteen points to spare.

GROUP D

Austin Stacks 2-10 John Mitchels 1-9

This one was very nearly the shock of the championship so far. Stacks are joint favourites with Killarney Legion for the title (to be fair, I'd give the Killarney side a slight nod in that) but Mitchels were fully deserving of a 1-9 to 15 half-time lead, dual player Mikey Kelliher with their goal while Donack McKivergen found the net for Stacks. Unfortunately for Mitchels, they just couldn't make any headway against the strong breeze in the second half and Seán Quilter with 1-3 was able to just about steer his team home and into the knockout stages.

Castleisland Desmonds 1-14

Ballydonoghue 0-12

There was a time when Paul Kennelly was virtually guaranteed to kick almost all of Ballydonoghue's scores and younger brother Jack, a former Kerry minor, had definitely taken on that mantle. Desmonds had more team play, though, and the result always looked inevitable after a fine goal by Michael Walsh gave them the advantage.

JUNIOR PREMIER

GROUP A

Ardfert Football Club 2-14

Listowel Emmets 2-13

Listowel had the strong wind in the first half but a three point lead at the break never looked like enough and sure enough, Ardfert continued their impressive league form to

snatch a precious one point lead with an injury time free.

Firies 0-15 Skelligs Rangers 1-7

Skellig Rangers enjoyed a blistering start and led by 1-5 to 0-2 after twenty minutes. However, the wind was a big factor and Firies took over completely in the second half, restricting the South Kerry side to just one more point and reeling off a string of scores themselves to win comfortably in the finish.

GROUP B

Annascaul 1-10 Brosna 1-10

Castlegregory 0-10 Ballymacelligott 0-10

Division One team Ballymac are hot favourites overall for this competition but were put to the pin of their collar against a very good Castlegregory outfit, a draw was a fair result. It keeps Ballymac on course for the knockout stages but they need a result in the last round – and so does everybody else as Annascaul and Brosna also shared the points in their game. No matter what, there will be one good team in a relegation battle and another with nothing left to play for when the dust settles in what has really turned out to be a group of death.

GROUP C

Listry 0-13 Keel 1-8

Churchill 3-2 St Senan's 2-4

Listry were probably the best team in the competition last year – it took absolute genius by the Clifford brothers to see Fossa take the title and ultimately the All Ireland last year. Listry looked in charge of this game, with sharpshooter Aaron O'Shea in top form, but in fact Keel dominated the last ten minutes and could conceivably taken something from the game.

GROUP D

Ballyduff 4-10

St Patrick's Blennerville 0-11

With the hurling finished for the year – not something I am in favour of overall, although I understand the necessity given the glut of fixtures – Ballyduff are a transformed side from their county league campaign and were always in control here. First half goals from Jack Enright and Kevin Goulding had them in front by 2-6 to 0-4. Nathan McGrath and Michael Slattery added further green flags in the second half. Eoin Greaney was best for a St. Pats' side who gave it everything but just couldn't match that kind of firepower.

Waterville Frank Caseys 0-12

Dromid Peareses 1-9

Dromid Peareses led by 1-6 to 0-2 coming towards the end of the first half but Waterville pulled back two points before the break and fought their way back in a hard-fought second half to parity. A point means that it is extremely unlikely that they will qualify for the knockout stages but they could still avoid a relegation battle. Any of the other three teams could go through yet, with Ballyduff on three points having a slight advantage.

JUNIOR CHAMPIONSHIP

GROUP A

Tarbert 1-7 Scartaglin 0-9

Cromane 2-19 Finuge 2-9

Tarbert were one of the competition favourites at the outset but got an enthralling battle against a very game Scartaglin, with just a single point separating the sides for most of the hour. Cromane, on the other hand, were always in control against Finuge and Tony Duffy's goal early in the second half put them in front by 2-12 to 1-4 and there was ever only going to be one result after that.

GROUP B

Beale 1-14 Kilgarvan 0-15

Reenard 3-12 Knocknagoshel 1-10

Beale were hot favourites going into this one but Kilgarvan actually gave them a great battle and in fact deservedly led by 0-9 to 1-4 at the break. No prizes for guessing the star of the show, with Donal Down O'Sullivan finishing the game with 0-12 to his name. However, Beale kicked 0-10 in a sparkling second half to take the points and leave Kilgarvan facing an uphill task against Reenard in the final round.

Reenard themselves had it tougher against Knocknagoshel than the scoreline might indicate. Donagh Quinlan's first half goal gave them a lead of 1-8 to 1-5 at half-time but they couldn't afford to relax until Aodhán O'Neill and a Kenneth Casey penalty in the dying minutes sealed the win.

GROUP C

Sneem/Derrynane 1-15 Cordal 3-8

Sneem/Derrynane came out on top in a very close game against Cordal in Glenflesk. Two early points from Tim Murphy had them on their way. Brian Reidy with three points from frees kept Cordal in touch. Points from Ciaran Sullivan (1) Jack Riney (2) put Sneem/Derrynane ahead. Cordal hit back with goals from Donie McCarthy and Sean Walsh to take the lead again. Sneem/Derrynane responded with two Ronan Hussey points and Ian Galvin with one. A Jason Cronin point for Cordal left it 2-4 to 0-8 at Half Time. Darragh Sullivan had an early point for Sneem/Derrynane and Tadgh Sullivan got through for a goal to put them ahead again. Two Ronan Hussey points and a Jack Riney point soon followed. Michael Cahill with a goal for Cordal in the 20th minute and Michael Flynn point leveled the game at 1-12 to 3-5. The response from Sneem/Derrynane was swift with three unanswered points from Ian Galvin, Ronan, Hussey and Jack Riney. Two late frees from Jason Cronin and Séan Og O'Ciardubhain closed the scoring at 1-15 to 3-8. Unfortunately, Asdee have been struggling to field a team and were forced to concede another walkover.

GROUP D

St Michael's-Foilmore 1-18

Valentia Young Islanders 0-7

Valentia Young Islanders have been the story of the championship so far but came a cropper against their South Kerry neighbours – unsurprising, given that St. Michaels/Foilmore are two divisions higher than them. In fact,

Bally/foilmore restricted Valentia to just a single point in the first half while scoring fourteen themselves and the result was a foregone conclusion well before the final whistle.

Moyvane 6-12 Lispole 0-14

Moyvane actually trailed by four points before opening their own account with a goal from Michael Fogarty and further green flags from Donie Stack and Fogarty again meant that it was all square at half-time, 3-1 to 0-10. The old adage has it that goals win games and Moyvane piled on another three in the second half through Shane Stack (two) and Michael Fogarty with his hat-trick.

COUNTY CHAMPIONSHIP DRAW GROUP ONE

Holders East Kerry will open this year's campaign against South Kerry, while Templenoe will face West Kerry in their opening game.

Group Two

Newly promoted Rathmore will take on St. Kierans while Feale Rangers will play current club champions Kenmare Shamrocks.

Group Three

Kerins O'Rahillys will start as favourites against Shannon Rangers, while Mid Kerry will take on Spa in their opening game.

Group Four

Na Gaeil and St. Brendans played together for many years but are in opposition this time out, with Na Gaeil's places in the St. Brendans ranks going to Austin Stacks – they will be contenders despite the loss of Rob Monahan, one of the stars of last year's county championship. The other clash in this group is probably the game to see, a rematch between probably the top two club contenders in Dr. Crokes and Dingle.

EAST KERRY ARE COUNTY MINOR CHAMPIONS

County Minor Final: East Kerry 2-10
North Kerry 0-13

I certainly had North Kerry down as favourites

for this one after their spellbinding victory over Austin Stacks by a single point in extra-time, and they certainly matched that billing early on as an outstanding Aaron Kennelly fetched the throw-in and cut through to set up Oisín Healy for the opening score. East Kerry drew level after Ted O'Gorman grabbed the rebound when Tadhg Gosney's effort was blocked by Brian Dineen. Gosney soon got on the scoreboard himself, only for man of the match Evan Boyle to swing over in reply and Shaun Wren nailed a score from very long range to put his team in front. A good move saw Aaron Kennelly launch a rocket from close range, but Pierce Moynihan parried it superbly.

Callum Cronin evaded David Mulvihill to pick off a clever point to level matters and his fellow Sem and Kerry minor star Keelan O'Shea put East Kerry in front. North Kerry had another goal chance, Darraigh O'Keeffe storming through after good work by Shaun Wren, but once again Pierce Moynihan saved his side's bacon with a superb save. East Kerry burst straight out and before North Kerry could react, worked the ball in to an advancing Jamie Moynihan, who was brought down just before he could pull the trigger. Callum Cronin stepped up to the penalty and made no mistake in drilling it home. 1-4 to 0-3.

North Kerry showed their character by responding in fine style with points from Paudie Finucane, an Oisín Healy '45, and Aaron Carey. Shaun Wren brought the sides level again but Sean Doolan slotted an East Kerry free and Oisín Fleming showed his turn of pace to find room before coolly splitting the posts.

Half-time East Kerry 1-6 North Kerry 0-7

Callum Cronin made it a three point lead on the restart but Evan Boyle lofted over a superb rejoinder – this scion of one of Kerry's greatest sporting families has the potential to be the best of them, and I do not say that lightly. Ruairí O'Connell added another before Boyle launched a rocket at goal – once again Pierce Moynihan had the reflexes to parry it. Undeterred, the Kerry minor midfielder swung over a long range point to square things up again. Seán Doolan and Gavin O'Keeffe exchanged points before Shaun Wren nudged North Kerry into the lead.

North Kerry looked like they were getting a firm grip on proceedings but a wayward kickout was to prove very costly as Seán Doolan latched onto the stray ball and powered forward. His kick sliced wide of the post under pressure but only because of illegal pressure on the shot, with referee Gerard Murphy rightly signalling for a penalty. Once again Callum Cronin stepped up and once again he found the net. Evan Boyle pulled back a point but it was all about East Kerry's defence now and they were simply magnificent, rebuffing every North Kerry attack. Seán Doolan and Joey McCarthy notched frees to secure a memorable triumph for East Kerry, who were deserving winners on the night after some great team football, but they could also be grateful to Pierce Moynihan for those superb saves every time the game was in the melting pot.

MINOR TEAM OF THE YEAR

Congratulations to Ben Murphy and Paddy Lane, both of Austin Stacks, on making the Electric Ireland Minor Team of the year. Murphy started at full back before moving out to midfield and was immense for Kerry throughout, while Paddy Lane was by far our main scorer – on reflection, our dependence on him for scores was probably costly in the end.

FAI CUP

FAI Cup: Drogheda United 1 Kerry FC 0

We are well past talking about moral victories and there is no point in labouring the point. The fact is that Drogheda were red hot favourites for this one and the fact that Kerry put them to the pin of their collar shows the immense strides this young team has taken. Drogheda certainly came out hunting, with Lee Axworthy in the Kerry goal very busy. Kerry did have one effort after good interplay between Seán McGrath and Leo Gaxha, but McGrath's shot was always rising over. Kerry will rue the goal that they conceded in the seventh minute, a toe poke by Kyle Robinson just creeping past a flailing Axworthy and into the net. Gaxha and McGrath always looked good for Kerry, who certainly gave their illustrious visitors as good as they got, but clear cut chances were few and far between. Drogheda, in fairness, always looked like they had that little bit more of a cutting edge, with Gary Deegan smashing a great effort off the crossbar and Kyle Robinson going for a spectacular long range effort that had Axworthy desperately back-peddalling top knock it away. Kerry went for broke, throwing on Okwute and Amechi to have four strikers on the pitch, but Drogheda were in control of the middle third and Kerry just couldn't create the

clear-cut chance they needed.

BON SECOURS SENIOR LADIES JUNIOR A CHAMPIONSHIP ROUND 1

Laune Rangers Claim Round 1 Victory Spa 1-08 Laune Rangers 5-15

Laune Rangers travelled to Spa this Monday evening for the first round of the Bon Secours Junior A Championship. It was a lovely evening for football and pitch conditions were perfect. The match began with both sides showing a small bit of nervousness with the ball going from end to end but no score to show for it. Spa opened the scoresheet with a fine long range free kick from Mags Cronin but it didn't take long for Laune Rangers to find their kicking boots with a free from Sophie Doherty to settle them.

Spa then suffered a blow when Loretta Maher came off due to injury and during this time Laune Rangers capitalized by scoring two goals in quick succession by Ailbhe Clifford and then Orla O'Brien.

Laune Rangers showed unbelievable pace and ran at Spa but Spa's defence was good despite the final scoreline suggesting otherwise. Spa

were able to turnover the ball but their finish sometimes let them down. Whereas Laune Rangers punished Spa at every turnover and kept their wides at a minimum. Laune Rangers were awarded a penalty towards the end of the first half and Fodhla Houlihan bravely stepped up to take it and a fine penalty it was. This had Laune Rangers sitting comfortably in the driving seat.

The half time score was Spa 0-05, Laune Rangers 4-06

Spa were a little shell shocked after the first half but came out in the second half under lights with a determination to do better and they did play better and were rewarded with a goal by Mairead Finnegan. Spa did have a purple patch and played some lovely football but Laune Rangers never took their foot off the gas and showed great skill and fitness to keep running at Spa. It was difficult for Spa to keep the heads up after letting in those goals but are better than the scoreline suggests and I know will learn from this, regroup and come out stronger for their next match which is against Cromane in Spa on Monday 28th. Laune Rangers will welcome Listowel Emmetts on Monday 28th also for round 2 of the Championship.

The final score was Spa 1-08 Laune Rangers 5-15

UNDER 12 CAMÁN TO CROKER

Our Under 12's headed to Croke Park last Friday to take part in Camán to Croker blitz. One of 64 teams and over 1,400 girls participating. A great day out by everyone. Report and photos on our Facebook page.

KILLARNEY LEGION GAA CLUB

KERRY PETROLEUM INTERMEDIATE CLUB CHAMPIONSHIP

Better late than never for our Senior Men as they eventually outpaced a fiercely competitive Laune Rangers side is this Group C encounter played at a lush Dieren. They would be grateful to custodian Brian Kelly whose heroics denied the Killorglin side at pivotal moments. When the visitors did storm the gates it prompted a 0-6 to 0-1 scoring run in the final ten minutes to secure the precious two points. The first half was an even affair with Eoghan O Sullivan, Padraig Lucey, Ryan O'Grady and William Shine sending the teams to the dressing room with the home side one point ahead, 0-5 to 0-4. With the elements in their favour you'd expect the hosts to push on but a combination of missed chances and stubborn opposition had the Launesiders ahead entering the final eight minutes. But points from Shine(2) and Jamie O Sullivan(2) gave Peter McCarthy the chance to draw level. Half time substitute James O Donoghue hit a boomer to get the noses in front and an Eoghan O Sullivan point sealed the deal. A hard fought win secures a quarter final place with the upcoming trip to Kilcummin deciding the table toppers. Final score Killarney Legion 0-14 Laune Rangers 1-9.

U13 BOYS

Our U13 Boys participated in the prestigious Rose Cup in Tralee on Saturday and emerged as winners of the Shield Competition. We were drawn in a group with Ballymac, St James Galway and Milltown Castlemaine. We had good victories over Ballymac and Milltown Castlemaine and lost to a strong St James Galway Team. This qualified us for the semi finals where we overcame St Senans before winning the final against Austin Stacks. A great achievement for the boys to emerge as winners in such a well run competition.

Killarney Camogie Club under 12's in Croke Park last week for Camán to Croker blitz

U12 GIRLS

The Legion U12 Girls represented our club very well on Saturday at the U12 Munster LGFA blitz which was hosted by Moyvane GAA. It was a really well organised blitz which had an emphasis on friendly match play and the spirit of good sportsmanship. Legion entered two teams into the blitz and all 23 girls had plenty of game time and a lot of fun. The hosts treated us to an excellent spread of food and beverages. A great day out for the club and for the Legion girls was had. Thank you to the supporters who travelled, the coaches who made the day happen and our most gracious hosts. Next up is the County League final game for the Green Team away to Beaufort on Tuesday night. Earlier in the week there were no rewards in our Legion U12 Girls White team final against a strong Laune Rangers team. In the first quarter, we got off to a slow start, conceding a number of goals, which kept Laune Rangers firmly ahead for the rest of the evening. We steadied the ship thereafter and delivered some nice points to help the scoreline. We struck back a number of times, but alas, the die was firmly cast in Rangers favour. We'll take some lessons from it and head back to the training ground. Thanks to all who made the trip!!

U14 GIRLS

Our U14 girls concluded their County League campaign on Sunday afternoon with two deciders, both played at Milltown.

First up was the Division 3 Final against Kilcummin. A strong breeze coming in from Castlemaine harbour made conditions awkward for both sides. Playing into the breeze in the first half, the Legion girls played a strong running game and were able to register a few goals on the scoreboard. The game opened up a bit more in the second half but the early goals proved to be crucial in deciding the outcome. Legion kept the scoreboard ticking over to take the victory on the day. Final score: Kilcummin 1-06 Killarney Legion 5-13

The Division 6 final followed next where John Mitchels were the opposition. There was little between the sides when they met in the group stages and another close contest ensued. The

Legion girls played with the wind at their backs in the opening period and took a slender lead into the half time break.

Stout defending at each end of the pitch was a feature of the game and the close contest had the supporters on the edge of their seats. John Mitchels powered back into the game and edged in front with 10 minutes remaining. Despite a huge effort from the Legion girls, they couldn't close the gap and John Mitchels took the spoils at the final whistle.

Final score: John Mitchels 0-13 Killarney Legion 0-09.

Well done to all the girls playing today who gave us all a fantastic feast of football and worked their socks off all day. Thanks to Milltown for hosting both games and to referee Jeremiah O'Sullivan for officiating. The girls will now look forward to the East Kerry league which commences next weekend.

U16 GIRLS

MKL Gaels were our opponents on an unusually fine summer's evening in Fossa last Wednesday in the Division 3 County League final. The combination side made the better start leading 3-4 to 0-4 at half time but whatever was said with the halftime cup of cocoa the girls thundered into the game, hitting 1-6 without reply to draw level. MKL though awoke from their slumber to hit the final seven points of the game to run out 3-12 to 1-10 victors.

DEEPEST SYMPATHIES

The Club extends its sympathies to the family of David Fleming, formerly of St Brendans Terrace. David brother Donie is a staunch Legionnaire all his life, giving great service to the club. And also to our neighbours Dr Crokes and the family of Malachy Walsh on the untimely death of Malachy. May they both Rest in Peace.

KEEL GAA SUMMER CAMP 2023

The clubs annual volunteer led 3-day camp was held from Wednesday 16th- Friday 18th of August. Over 90 children attended during the course of the 3 days, and they were treated to an action-packed schedule of Fun Games & a chance to advance their player development. This year we are glad to be able to say that we had more coaches & more assistants than ever before. We were delighted to welcome back to

the club in a coaching capacity girls & boys who have been wearing the Kerry colours during the year at various levels. This ensured that a thoroughly enjoyable experience was created for all in attendance & provided role models for our younger children to look up to and aspire to be like. Without all these volunteers giving up their time, many taking days off work this camp would not have been a success. The club is indebted to you & is greatly appreciative. On Friday the camp culminated with Seanie & Oonagh cooking up a storm on the BBQ. Thanks to Jason for organising this year's T-shirts from KC Sports that all the children received. Thanks to Mary T, Aisling & Rachel for organising registration and to the club for their continued support. Regards PJ Chairperson Keel Coiste na n-Óg. DR. CROKES GAA

CLUB CHAMPIONSHIP RD.2

Dr. Crokes 2:11 Kerins O'Rahillys 0:05

We continued our winning streak in the Club Championship with a 12 point win over Kerins O'Rahillys at home on Saturday evening. The game started slow and scores were hard to come by with both defences on top. Our first half points came from the boots of Mickey Casey and Michael Potts. Half time Dr. Crokes 0:02 Kerins O'Rahillys 0:03. The second half began a lot livelier than the first with Rahilly's Barry John Keane coming close to raising the green flag from the throw in. Brian Looney opened the scoring with a fine point from play. We worked patiently in the second half, working well and taking our chances. The score of the game came from the boot of Brian Looney in the 6th minute of the half. One minute later Micheal Burns worked well and made a great pass in to Cian McMahon who slotted the ball passed the Rahillys number 1. We finished the game with a very experienced team with Kieran O'Leary, Daithi Casey and Fionn Fitzgerald all coming on throughout the half. We now face Rathmore away next weekend.

U11 BOYS: ANNUAL JERRY FOLEY BLITZ

This years' annual Jerry Foley U11 Blitz sprung back into action in Pairc Eammon in Farranfore on Saturday, 19th August. The U11 teams from Furies, Milltown/Castlemaine, Kilcummin, Currow, Ballymacelligott, Listry, Fossa and Newmarket treated everyone in attendance to fantastic exhibitions of skill, teamwork and camaraderie.

The two pitches in operation were busy for the day. Teams were divided into two groups,

which saw Listry, Fossa, Ballymac and Milltown/Castlemaine advance to the semi-finals with Listry and Milltown-Castlemaine proceeding to a traditional local derby final. There could only be one winner with Milltown Castlemaine taking home the spoils after a thrilling game.

After the final, Neil Brendan Foley, Jerrys' son, presented the annual cup to the victorious Milltown-Castlemaine captain with great scenes of jubilation. Well done to the players and management involved.

AUTUMN CONTAINERS

Containers filled with permanent and seasonal plants can be very versatile as they can be over anywhere in the garden at any time to brighten up any corner. It is usually annuals that are planted in containers, but you can also plant them with most shrubs, grasses, herbaceous perennials and even certain types of trees and conifers. Vegetables can also be grown in containers. If you have an area in your garden you would love to screen-off but haven't got the earth to do it you can plant most climbers in containers. A good type of containers for this is a quarter barrel as it can fit right upper to a wall or railing. As with all plants in containers, make sure that you water and feed regularly. When choosing a terracotta container, make sure that the label says frost proof rather than frost resistant as these can still crack in prolonged frost. There are also imitation terracotta pots made from plastic which are all very practical.

A Word of Victory

Welcome back dear student, "for this child I prayed" (1 Samuel 1:20). Hannah was longing for a child. She took her desire to the Lord and cried out to Him, promising that if He gave her a son, she would give him to God. The Lord answered her prayer of faith and Samuel was born to great rejoicing. He went on to be a great judge and prophetic leader. God's Word tells us that children are a gift and a reward from Him (Psalm 127:3-5). Parents of school going children are busy this week no doubt. They sacrifice to give their children the best of everything, buying the desired items needed for their children's happiness. Children are a blessing and deserve to be well looked after. Our wonderful teachers and schools make sure they are well taught and given every opportunity to enjoy a happy school life. Our school days are times we remember vividly. The memories, smells and sounds of every year's new adventure remain with us forever. School should be a safe place to be nurtured and protected whilst being taught skills for an independent life. Their little faces at the end of the school day are endearing, as we enjoy their stories and the innocence and wonder of their childhood. But many parents are unaware of the curriculum awaiting their children in their new schoolbooks. Our government has endorsed a most disturbing SPHE / RSE content to teach primary school children and teenagers going forward. Blatantly pornographic explanations of sexual fantasies should not form part of a young child's education to rip away their innocence. No teacher should have to teach this to children, nor be made discuss gender ideology to impressionable and vulnerable children as 'fact'. It's a crazy idea that non-government organisations (NGO's), elected by nobody but paid by the taxpayers, are instructing our Department of Education with information based not on biology, but rather upon a minority's opinions and feelings. Our government certainly haven't studied the impact of this material, yet it will be taught to children without any filters. Votes are all that interests them.

During Covid they said... 'trust the science', yet now they are pressing ahead to have this non-scientific ideology taught to our children as 'fact'. Alarming it contains advice on surgical transitioning from one gender to another. Young children want to please those they love, including teachers and friends. And the need to belong and feel valid in a toxic culture of false celebrity perfection can blur one's ability to differentiate between being acceptable, or being utterly manipulated in their emotions by content and language put in their minds by adults they trust. Family and school should be a place of stability for children, not a reinforcement of the crap they're already being subjected to online. Christianvoiceireland.ie has an article and video giving more detail.

This will not end well for those in charge long term (Matthew 18:3-7). Litigation is inevitable. Hordes of beautiful young women and men who've already transitioned then later found out that it was not what they wanted, have had their bodies forever changed, are now speaking out on social media trying to prevent the same destruction for others. This is not in any way written in condemnation towards adults who choose to live this way – that's your own choice (John 3:16-21). But imposing it upon young children and impressionable teenagers in the place they should be happy and safe is a step too far. Parents and teachers, your leadership is needed now, please stand up and protect our children!

NOVENA TO ST. CLAIRE

Ask St. Claire for three favours, one business, two impossible and say nine Hail Mary's for nine days with lighted candle. Pray whether you believe or not. Publish on ninth day. Powerful novena. May the Sacred Heart of Jesus be praised, adored, glorified and loved today and every day throughout the whole world forever. Amen

THE MIRACLE PRAYER

Dear Heart of Jesus in the past I have asked many favours. This time I ask you this special one, (mention favour). Take it dear heart of Jesus and place it within your own broken heart where your Father sees it. Then in his merciful eyes it will become your favour not mine. Amen.

1ST ANNIVERSARY

IN LOVING MEMORY OF

JOHN LEAHY

TOUREENFINEEN, ROCKCHAPEL,
CO.CORK AND LISTRY, FAHA,
KILLARNEY.
WHO PASSED AWAY ON THE
25TH AUGUST 2022.

*You can shed the tears that he has gone
Or you can smile because he has lived.
You can close your eyes and pray
that he'll come back
Or you can open your eyes and
see all he has left.*

*Your heart can be empty because
you can't see him
Or you can be full of the love you shared.
You can turn your back on tomorrow
and live yesterday.
Or you can be happy for
tomorrow because of yesterday.*

*You can remember him only that he is gone
Or you can cherish his memory
and let it live on.
You can cry and close your mind
Be empty and turn your back
Or you can do what he'd want; smile,
open your eyes, love and go on.*

Forever loved and sadly missed by his partner
Liz and the Tangney family, Listry.

PRAYER TO PADRE PIO

O Jesus, full of grace and charity,
victim for sinners, so impelled by Your
love for us that You willed to die on
the Cross, I humbly beseech You to
glorify in heaven and on earth Your
servant, Padre Pio, who generously
participated in Your sufferings, who
loved You so much and labored
so faithfully for the glory of Your
Heavenly Father and for the good of
souls. With confidence I ask You to
grant me, through Saint Padre Pio's
intercession, these special requests...
(Mention here).

ACKNOWLEDGEMENT & 1ST ANNIVERSARY

IN LOVING MEMORY OF A WONDERFUL HUSBAND,
DAD AND GRANDAD

MICHAEL (MIKE) FOLEY

MOUNTHORGAN, RATHMORE, CO. KERRY
WHO PASSED AWAY ON 25TH AUGUST 2022

As we lovingly remember and miss our dear Dad on this his first anniversary. We, his daughters Mary and Ann, along with our Mam Teresa, his sons in law Denis and Seán, and grandchildren Liam & Fionn, Lauren, Lila & Maddie, wish to acknowledge the many expressions of sympathy and kindness shown to us during our time of grief.

We would like to express our heartfelt gratitude to our extended family, neighbours and friends who helped make it possible for us to bring Dad home and for their presence, enormous support and for journeying with us through those difficult days.

We sincerely express our deepest appreciation to all who called to our home, attended the requiem mass and burial, especially to those who made extensive effort and travelled long distances to be with us.

A special word of thanks to everyone who sent mass cards, perpetual enrolments and floral tributes. Also to those who called, sent text messages and online condolences.

Our utmost thanks to the staff at the Palliative Care Unit in University Hospital Tralee for their care during Dad's illness. Our sincere gratitude to Fr Pat O'Donnell and Fr Gerard O'Leary for a beautiful and personal funeral mass. Thank you to everyone who made Dad's mass special for us, be it singing, reading, music or simply being present on the day.

Thank you to O'Keeffe Undertakers, for the dignity and care they showed to Dad and to us and for their guidance and support during Dad's funeral.

Please accept this acknowledgement as a token of our sincere appreciation. The Holy Sacrifice of the Mass has been offered for your intentions.

Silent, Strong Dad

*He never looks for praises,
He's never one to boast,
He just goes on quietly working,
For those he loves the most.
His dreams are seldom spoken.
His wants are very few,*

*And most of the time his worries
Will go unspoken, too.
He's there... A firm foundation
Through all our storms of life,
A sturdy hand to hold onto
In times of stress and strife.
A true friend we can turn to
When times are good or bad.
One of our greatest blessings
The man that we call Dad.*

*A golden heart stopped beating,
Hard working hands at rest,
It broke our hearts to see you go,
God only takes the best.*

*They say that memories are golden,
Well maybe that is true,
But we never wanted memories,
We only wanted you.*

*Your life was love and labour,
Your love for your family true,
You did your best for all of us,
We will always remember you.*

*We sat beside your bedside,
Our hearts were crushed and sore,
We did our duty to the end,
'Til we could do no more.*

*In tears we watched you sinking,
We watched you fade away,
And though our hearts were breaking,
We knew you could not stay.*

*Our lips cannot speak how much we loved
you,
Our hearts cannot tell what to say,
But God only knows how we miss you,
In our home that is lonely today.*

**Sadly missed and always loved and
remembered by your heartbroken family,
Wife Teresa, daughters Mary and Ann,
sons in law Denis and Seán, grandchildren
Liam, Fionn, Lauren, Lila and Maddie xx**

**Michael's 1st anniversary mass will take
place on Sunday 27th August at
11.30 a.m. in St. Joseph's Church,
Rathmore.**
