# Forever 16.... Legion to honour Niall's love of football

Kerry manager Peter Keane joined the McGillicuddy family and members of Legion GAA club on the balcony of The International Hotel yesterday, Thursday, to launch a football tournament to honour, Niall McGillicuddy a former player with Legion underage Academy who sadly passed away last year.

The event which will be a celebration of Niall's love of football will take place on Saturday 17th August at the club in Dereen.

Speaking to the Killarney Outlook this week, Pat Moynihan, organiser of the tournament said that the club were honoured to be doing this.

"Last October the McGillicuddy family suffered an incalculable and devastating loss with the untimely passing of their much loved son and brother Niall. The entire community of Killarney and beyond was overwhelmed with sadness and disbelief when this earth-shattering news broke", Pat said.

"Nowhere outside of the family, was this loss more keenly felt than in Killarney Legion GAA club. Niall had been a constant presence in Derreen since a very young boy and we had all watched him develop into a talented and dedicated Gaelic footballer, but more

importantly into a hugely popular, kind and considerate young man. We were all looking forward to sharing in what was destined to be an honour laden and successful future both on and off the field of play.

"As family friends and club colleagues of Daithi, Sheila, Ellen and Jane we all wished there was something we could do to in any small way, ease the Pain of their unspeakable loss, in truth of course there really isn't much one can do except offer friendship and companionship which comes naturally in the GAA where club truly is family", Pat added.

When the family indicated that they might like to do something to commemorate Niall's memory they didn't have to ask again. A small committee was set up initially to explore various options, but really it was always going to be football and following consultation with the family the Niall McGillicuddy Memorial cup was conceived. This is an under 16 competition, the age Niall will always be now, and is a one day competition taking place on August 17th. Niall had friends in many clubs through his involvement in school teams, divisional sides and development squads and it was these friendships and indeed great rivalries which dictated the teams to be invited this year. The whole club is involved in the organisation of the event and we are confident that the tournament will be a fitting tribute to a very special and much missed son, brother and friend.

# Delighted Dettori hints at Killarney return

*Walking the course: Frankie Dettori, on his first visit to Killarney, walks the course with, from left, Philip O'Brien, Racing Manager, Con O'Mahoney, Director and Pat Healy, specialist racing photographer. Picture: Domnick Walsh*

Killarney rolled out the red carpet in some style for champion jockey Frankie Dettori and the racing superstar was so impressed that optimism is high he will return for a day or even two next year.

Although he narrowly missed out on riding a winner in his four action-packed races, the charismatic Italian was thrilled with the massive reception he received with the bumper attendance affording the three-time champion jockey the type of greeting normally reserved for All-Ireland winning Kerry teams.

"When I was asked to come here it was a good opportunity to see this beautiful part of the country and to have a good time," Dettori (48) remarked.

He was particularly impressed by what he described as the "beautiful setting" of the Ross Road course and he said the track was challenging, rides really well and was in tip-top shape.

Killarney Race Company Chairman, Gerard

Coughlan, has thanked everybody in Killarney for the wonderfully warm welcome extended to Frankie Dettori and for ensuring the town had a special greeting for the VIP visitor.

"This was the most successful July Racing Festival ever staged at the venue with an enormous crowd and worldwide coverage showing Killarney at its very best," he said.

"Dettori has hinted a return for a few days next year as he was absolutely blown away with the welcome, the town and the scenery," he added.

Mr Coughlan thanked the management and staff of the Europe Hotel and Resort for ensuring Frankie and his party had a memorable stay and jockey Kevin Tangney for providing the jaunting car to ferry the superstar jockey to the track.

He also praised the Gardaí for the escort and security provided for the racing ace whose most famous achievement was when he rode all seven winners on British Champions Day at Ascot.

Mr Coughlan also praised the team at

Killarney Race Course for their dedication and enthusiasm and they are now busy planning ahead for another four-day festival of racing commencing on August 21.

The standard was very high this year and dancers from Under 12 right up to senior came home with medals.

Both gold and silver winners go through to the All Ireland. Bronze receive medals but don't advance to the All Ireland to represent Munster. Well done to the dance teachers Mairead and Triona Mangan who also competed and triumphed in the senior/over 18 category.

The first Parkrun in Killarney at the weekend was a fantastic success with 146 people running, jogging or walking the flat 3 lap course on wide well-surfaced paths.

Organisers were delighted with the fact that the number equalled the first ever Killarney parkrun.

In perfect weather conditions, the organisers of Parkrun welcomed representatives of 17 different clubs with an impressive 15 Tralee parkrunners on Tour supporting the new course. There were also runners from as far afield as Stockport and London, from Limerick, Listowel, Bere Island, Vicarstown, Ballincollig, Bere Island, Cabinteely, Castle Demesne, Tymon, Hilly Fields and lots more.

The runners included at least six parkrun Ambassadors (three from Tralee) including first lady, Shona Ni Fhloinn, who is also Event Director in Limerick.

Bairbre Hickey and Michael Pierce were the only runners this week to have done all of the Republic's 89 parkruns.

Testament to the potential of the new course was our first ever First Finisher, M15 Oisín Murray from Tralee parkrun. Oisín has run an impressive 194 parkruns at 24 different venues including 164 at neighbouring Tralee, another flat and fast course, but still set an all time parkrun PB of 17:29 to lead the field home. Craig Ferguson and Robert Purcell finished within 20 seconds of Oisín but he also had to get back to a Volunteer Role as Barcode Scanner.

Aoife's family, her mum Tina and dad Pat, along with the Oncology Team of the CUH and its charity – Cork University hospital Charity are setting up an Educational Fund appeal to raise funds to be specifically used to advance the education of nurses in oncology.

"Given Aoife's own background in education

and the incredible relationship she developed with so many nurses in CUH we feel it would be a very powerful initiative to set up the Aoife O'Sullivan Educational Fund. Funds raised will be directly used to advance the training of nurses. Cancer treatments continue to change at pace and it is vital that all nurses are regularly refreshing their knowledge" Professor Seamus O'Reilly said. All funds raised will be carefully managed and distributed by the Cork University Hospital Charity, Professor Seamus O'Reilly and the Aoife O'Sullivan family.

So with the route chosen, the accommodation booked and the training regime near completion, the group are now looking forward to the view from Malin Head on the 1st August. The group aim to raise funds for the Aoife O'Sullivan Oncology Education Fund. Donations can be made by logging onto the CUH Charity site and reference Aoife O'Sullivan Fund.

The Oncology Department of the Cork University hospital (CUH) is responsible for the prevention, diagnosis, and treatment of cancer to patients in the greater Munster area.

# 61 houses for Killarney as Minister visits town

Minister for Housing, Planning and Local Government, Eoghan Murphy pictured from left, Moira Murrell, Kerry County Manager, Mayor of Kerry Niall Kelleher, Brian O'Gorman, CEO, Clúid Michael Cronin, Managing Director of themohouse, Mayor of Killarney Michael Gleeson, James Foley, Bank of Ireland and Minister Brendan Griffin pictured on a site visit to the Clúid Housing, one of Ireland's largest sustainable social housing developments at Dereen, Killarney on Friday. The Derreen development, which commenced in January 2019, consists of 61 two and three-bed dwellings, built using themohouse's unique low energy building system. Photo: Don MacMonaghe

Minister for Housing Eoin Murphy, was in Killarney last week to view the next generation of sustainable social housing as Kerry based Thermohouse are currently buinging the first of its kind development with Clúid Housing, in partnership with Kerry County Council. Announcing the commencement of the

second stage of construction at the site, Thermohouse is delivering turnkey, rapid-build, energy efficient houses at the Sruthán na Sailí development in Derreen, Killarney. Due for completion in early 2020, this is one of Clúid's largest new build developments currently under construction.

The Derreen development, which commenced in January 2019, consists of 61 two and three-bed dwellings, built using Thermohouse's unique low energy building system. As well as being up to 60% faster than traditional construction, the houses have superior levels of airtightness, considerably reducing their heating costs. These houses are 'nearly Zero-Energy Building' (nZEB) compliant as mandated by the EU energy directive for new builds completed after 31 December 2020.

"We are delighted to welcome Minister Murphy to the development here in Killarney, as it enters the second stage of construction. An innovative social housing project in Ireland, it not only addresses the need for rapid-build homes but also creates greener, more energy efficient buildings, with lower fuel bills. Partnering with Kerry County Council, Rebuilding Ireland and Thermohouse, who deliver residential projects across Ireland and the UK, has allowed us to meet our goal of providing high quality housing for those who need it, here in Kerry", James O'Halloran, New Business Manager of Clúid said.

Thermohouse structures not only meet the EU's nZEB requirements, they consistently exceed them, and being locally manufactured, they offer a lower carbon footprint for delivery in Ireland."

## Cllr Michael Gleeson requests council to consider footpath

At the July 2019 monthly meeting of Kerry County Council, Council Michael Gleeson requested:

That Kerry County Council would commence the process towards developing a footpath along Loreto Road from Coolclogher as far as Scoil Bhríde

(Loreto School). This residential and very busy through road needs such a basic safety measure".

Kerry County Council replied that is is their

policy where required to provide a public infrastructure such as footpaths and public lights within the speed limits of an urban area. The estimated cost of this proposal, excluding land acquisition and accommodation works, is approximately estimated at euro 600,000. Unfortunately, there are currently no funds for the development of a footpath as this location but the proposal will be considered as part of a future footpath programme.

Councillor Gleeson stated that this a very narrow and heavily trafficked road and is unsafe for pedestrians. He said that walking to school once a week has become a widespread health activity. A footpath would allow this to be safely done by pupils of the local school. Councillor Gleeson urged the Council to prioritise the project.

## KCC offer Free mattress disposal

Kerry County Council is providing householders in the county wishing to dispose of old mattresses with the opportunity to do so on Saturday 10th August.

Clean, dry mattresses will be accepted at the North Kerry Landfill at Muingnamine near Tralee between 9am and 3pm and for no charge. Deposits from commercial customers will not be accepted and a maximum of three mattresses per household is permitted.

The initiative is supported by Kerry County Council's Anti-Dumping Initiative 2019 in conjunction with the Southern Waste Enforcement Regional Lead Authority.

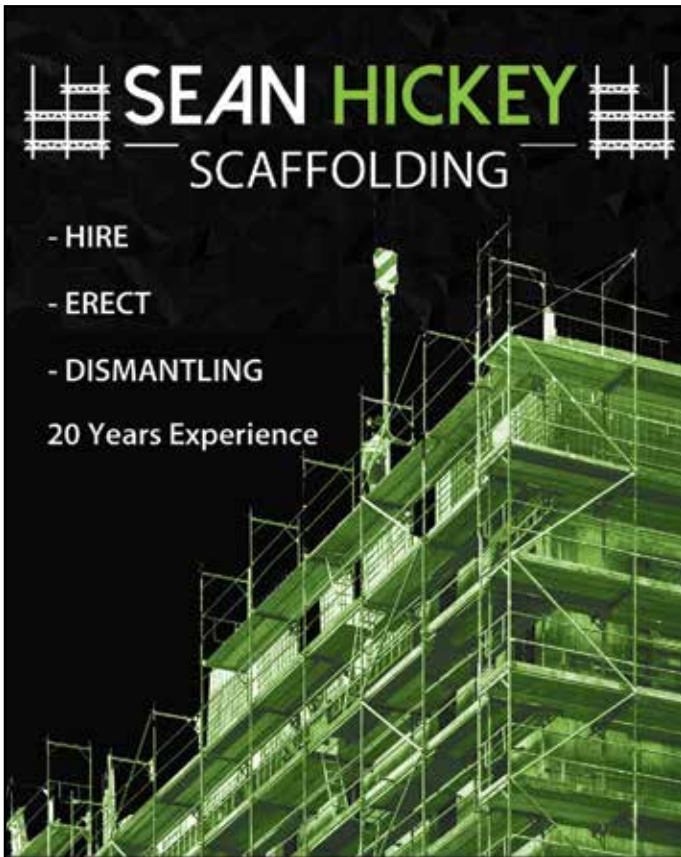

Mattresses collected will be disposed by a specialist recycling contractor.

The North Kerry Landfill is located on the L2015 road between Kielduff and Dan Paddy Andy's Cross (GPS 52.2983913-9.5424653).

# FAMILY FUN DAY

## to celebrate 20th birthday

Twenty years ago Westlife released their ever first album, Gay Byrne hosted his last Late Late Show and Ricky Martin was Livin' la Vida Loca. And while the euro currency was making its well-flagged debut across Europe, Killarney Outlet Centre was opening its doors for the first time.

Standing the test of time with great success ever since, it has gone on to play a key role in Killarney's retail experience over the last two decades.

To mark the 20th anniversary landmark Killarney Outlet Centre is getting into party mode and a wonderful community celebration is in the pipeline.

The doors will swing open for an action-packed Family Fun Day on Sunday next, July 28, with a birthday party worthy of such a great occasion with Kingdom Party Pals lined up to keep children – and the young at heart – entertained while the adults get an opportunity to avail of some incredible 20th anniversary special offers in the various stores.

The fun will run from 2pm to 5pm with an enormous range of free activities including face painting, balloon modelling, bouncy castles, magic shows and Punch and Judy drama.

And that's not all – far from it – as the team at Killarney Outlet Centre will also play host to a fascinating and informative animals roadshow, a Teddy Bears Hospital and a fun-filled Brickx Club.

Next Saturday, meanwhile, the Nutty Scientist will be conducting some wild and wonderful experiments at the centre and the combination of fun, theatre and education makes these shows an unforgettable experience for

children.

Over the past 20 years Killarney Outlet Centre has become a landmark shopping destination that is now a favourite port of call for locals in search of a retail experience with a difference as well as tens of thousands of visitors who are delighted to have such a great choice of shops there waiting for them when they step off a train or a bus at the adjacent station and depot. Steering Killarney Outlet Centre in the right direction since 1999 has been manager Paul Sherry and office manager, Noreen O'Sullivan, both very familiar faces in the commercial life of Killarney, who are always on hand to extend a warm welcome to visitors.

Like the centre itself, since his arrival to Killarney from his native Dublin, Paul has become part and parcel of community life and is the current President of Killarney Chamber of Tourism and Commerce as well as playing a key role in a number of community and sporting organisations, including serving as the progressive chairman of league and cup double champions Killarney Celtic.

Killarney Outlet Centre is also ingrained into the very fabric of Killarney community life through its hugely popular annual Halloween parties, Christmas markets, Santa's Grotto experience

and Easter Bunny visits as well as being the established base for several community celebrations and launches.

"At the very outset we set out to create a real family-orientated space and we are delighted that we achieved that goal. We love seeing kids having great fun around the place and they always have a fabulous time when we host our family fun days," said Paul Sherry.

"Killarney Outlet Centre has become an integral part of Kerry's retail offering. We are really grateful to everybody for their wonderful support, loyalty and friendship over the past 20 years and we look forward to what the future brings," he added.

All your shopping needs under one roof can be found in Killarney Outlet Centre which is home to the following popular retail stores: Nike Factory Store, Leading Labels, Pavers, Paco, The Works, DV8, O'Brien's Irish Sandwich Bar, Claire's, Holland & Barrett, Costa Coffee, Army Surplus Warehouse, Mango Crafts, Kerry GAA Store, Unbound, Trespass, EuroGiant, Flying Tiger Copenhagen, Edinburgh Woollen Mills-Ponden Home, Sona Juice Bar, AKM Accessories and Joevany Bags and Travel.

Paul Sherry, Manager, and Noreen O'Sullivan, Office Manager, at Killarney Outlet Centre looking ahead to the Family Fun Day celebrating their 20th birthday.

A vibrant, colorful poster for a family event. The background is dark purple with a pattern of small stars and confetti. At the top, there are strings of colorful triangular bunting and several large, shiny balloons in blue, orange, green, and red. The main title 'FAMILY FUN DAY' is written in large, bold, yellow-orange letters with a black outline. Below it, 'CELEBRATING 20 YEARS' is written in white, slanted letters. In the center, a large white number '20' is featured, with the '0' containing a green and orange crescent moon graphic. A pink ribbon banner wraps around the bottom of the '20', reading 'ANNIVERSARY'. Below the '20', the text 'KILLARNEY OUTLET CENTRE' is visible. The event details 'Sunday 28th July 2019' and '2-5pm' are prominently displayed in white on a dark purple background. A list of activities including 'Brickx Club', 'Teddy Bear Hospital', 'Face Painting', 'Puppet Shows', 'Magic Shows', 'Animal Road Show', 'Bouncy Castles', 'Kingdom Party Pals', and 'Balloon Modelling' is shown in various colors. The phrase 'FREE ENTERTAINMENT' is written in large, bold, yellow letters. At the bottom, there is a website URL and social media icons. The poster is decorated with cartoon illustrations of children playing and dancing.

# Kenya Coffee Morning at The Royal

Children enjoying last year's Summer Camp

Volunteers Katie O'Connell and James Green pictured with some of the children.

Ahead of their trip to Kenya, Katie O'Connell and James Greene will welcome people to the annual coffee morning at the Royal Hotel to raise funds for the Kenya Education Project.

The coffee morning takes place on Thursday next August 1st from 10am to 12.30pm and all funds raised will go towards a summer camp for young boys and girls from the slum village of Embulbul. The camp will provide fun activities, arts and crafts, sports and visits to

national parks swell as educational activities. The Kenya Education Project was set up by Eddie Sheehy who spends every Summer in the village Embulbul which is near Nairobi.

Many of the children who benefit from the charity are orphaned due to the effects of HIV Infection.

There is a newly built primary school in the village and families struggle to pay – which is where the charity comes in. Each year

they donate a large amount of money in sponsorships and also supports a feeding programme. They also donate footwear and sportswear and have been involved in setting up a sports academy in the village called The Young Talents which coaches and trains young boys and girls from the area to provide a healthy enjoyable distraction from the every day challenges of slum living.

KWD bags make it all the way to the village of Embulbul as volunteers Katie O'Connell and James Green help children litter picking.

## GLENFLESK NEWS

Marie, Katie, Keelie O'Connor and Michelle Murphy enjoying the day out at the Fleskfest PICTURE: Seamus Healy

### FLESK FEST

"The Flesk Fest" was one of the best events organised by Glenflesk GAA in a long time, a brilliant event in the "Kerryway Steakhouse and Bar" last Saturday. The sun shone out and throngs of people enjoyed the music and Barbecue, the Craic was had for sure, thanks again to all who supported this event and well done to everyone who helped in any way. A special thank you to the Committee members Emma Looney, Jeff o Donoghue, Tim Murphy, Brian o Donoghue, Alan Murphy and Michael o Shea for all the hard work they put in.

### SENIOR COUNTY LEAGUE RD.10

Our senior team are away to Beaufort on Saturday 27th July at 7.30 please come out and support the team.

### EAST REGION MINORS Glenflesk Minors 7 – 19 Beaufort Minors 2 – 5

Glenflesk minors were ruthless in this one sided victory over Beaufort in the East Kerry League on Thursday night. It was a match where Glenflesk scored three penalties, each taken by different players, and each dispatched clinically with precision a German football team would have been proud of. They created the platform for the win with a strong first half performance using a clever kick out strategy to the wings and quick ball to the inside forwards who were creating havoc. This gave them a handsome lead by half time. They continued to impress in the second half even if the game was long since over as a contest.

Some of the movement and passing was a joy to behold and scores came freely throughout the game. The defense was also tenacious in the tackle and were out in front of the home attackers for most of the match. There will be tougher tests ahead but the style of play shown tonight and the clinical finishing and astute angles of running employed will be tough to handle for any opposition.

### JUNIOR CO. LEAGUE/ GLENFLESK V KILCUMMIN

#### Glenflesk 1-18, Kilcummin 3-11

#### U16 COUNTY LEAGUE Glenflesk 1 – 14 Furies 3 – 13

It was Furies who had the wind in the first half and two goals from them gave them a three point lead at half time. Glenflesk though had moved the ball well and found gaps in the middle of the home side's defense through patient play and scored seven points of their own. Both goals were avoidable, one coming from a penalty, which would have left them a little frustrated at half time as they trailed two four to seven points.

The second half started poorly for Glenflesk as Furies added three of the first four points of the half before Glenflesk responded with their own scoring burst. Just when it looked like they would get back into the game, Furies struck for a killer goal. Nevertheless, Glenflesk kept on trying manfully and got a goal of their own soon afterwards. They then hit the post with another goal effort which would have given them hope in the dying minutes. It wasn't to be though as Furies massed defense held out.

This is an extremely strong division the team has found themselves in this year and wins have not arrived yet. There are some signs of progress though as there shot selection was, mostly, correct and their tackling was hard but fair with very few fouls given away. If they up the efforts they have shown so far the wins will arrive.

### SENIOR COUNTY LEAGUE DIV 3 - RD 9

Firies made the short journey to neighbours Milltown/Castlemaine to take on the home side in Round 10 of the County League. Going into the game both teams found themselves mid table in Division 3 on 7 points each. Milltown opened the scoring in the first minute of the game but Firies responded with a well taken goal from Mike Daly. This was followed up with a point from Donnacha O Sullivan and Firies lead by 3 point, 1-01 to 0-01. it was nip and tuck right

up to half time with the sides all square at half time Firies 2-05 to Milltown/Castlemaine 1-08. The home side continued their dominance for the first 14 minutes of the second half, scoring a total of 1-04 without reply to lead 2-12 to 2-05. EDUCATION IS COMING.**

**AUGUST 2019**

## Hedges

*Good hedges make good neighbours, but a hedge does much more than mark boundaries. It creates a shelter belt to protect everything in the garden and far more efficiently than walls or fences. It also provides a habitat for wildlife. Choice of plant will depend on the hedge's intended purpose: as an impenetrable barrier, a formal screen for privacy or an informal, ornamental feature. There are over a score of suitable species, both evergreen and deciduous. A number of garden centres keep 'avenues' of mature specimens to aid you in your choice.*

### The Deciduous Hedge

In maturity, beech (*Fagus*) makes a magnificent hedge and is an excellent choice for a virgin plot. Kept clipped, it retains its russet leaves through winter. Hornbeam (*Carpinus*) is similar in appearance and faster growing than beech, but loses its leaves in winter. To give architectural structure, consider the long term project of training a row of pleached hornbeams to provide an 'upstairs' hedge. Most beneficial to wildlife is the native hawthorn (*Crataegus*) with its frothy, white blossom in spring and autumn berries. Hawthorn is relatively fast-growing but it can take many years to establish and achieve density. The most economical way to plant is to buy two to three year old bare whips and plant five to a metre in a zigzag double row. The time to plant is between November and March provided the ground is neither frozen nor waterlogged.

### The Evergreen Hedge

Where dense, windproof screening is required year round, evergreens and conifers are the wise choice. Yew (*Taxus baccata*) is the noblest of all but it will take six to ten years to establish. Poisonous to cattle, it should not be planted in rural gardens where cows could graze on it. Holly (*Ilex*) is slow growing like yew, but has the added attraction of winter berries. To be sure of fruits, both male and female plants of a named variety, must be planted. The cheapest option is privet (*Ligustrum*), a plant that lends itself well to topiary. Fastest growing is the infamous *Cupressus Leylandii*, cause of more litigation than any other garden plant due to its light-blocking, phenomenal growth (4ft a year) and dull appearance. If you are bent on having it, choose cultivars of contrasting colours to counteract its drabness. *Chamaecyparis lawsonia 'Allumii'* is similar in appearance but of less rampant habit.

### The Ornamental Hedge

A tapestry hedge is one of the most attractive ways to achieve a boundary. It combines compatible species of similar growth rates and can comprise both evergreen and deciduous cultivars, such as yew, holly and beech. For a low growing, ornamental hedge, rosemary and lavender are aromatic options. Informal hedge plants with berries include *pyracantha* and *cotoneaster*. In a sunny situation roses can make a splendid, if uneven, hedge. Essential requirements are found in a number of varieties such as *Rosa rugosa* which is hardy, disease resistant, repeat flowering and thorny.

### The Bamboo Hedge

For a hedge with a difference, there are several types of bamboo that are ideal for the purpose, particularly in areas where soil moisture is high. Although native to every continent except Europe, most in cultivation hail from the Orient. They were first introduced to Europe in the mid nineteenth century since when some species have become naturalised in Ireland. Members of the grass family, they range from dwarf (10 cm high) to giant (15 metres high). Hardy and evergreen, they can be grown in most soil types. Varieties recommended as hedging include the wind resistant *Pseudosasa japonica* with olive green culms and deep green, glossy leaves; *Fargesia murielae 'Jumbo'* with green canes and delicate green foliage; the dense, fast growing *Phyllostachys bissetii* with shiny green culms and dark green leaves and the tall, hardy *Semiarundinaria fastuosa*. For a tiny garden, *Fargesia murielae 'Bimbo'* rarely grows taller than a metre and is happy in both sun and light shade.

### Care of your Hedge

Most hedges are planted bare rooted November to March, with planting technique similar to that for trees and shrubs. Prepare the ground by working in compost or well-rotted manure to a trench wide enough to take the spread of the roots. For a dense hedge, plant a double, staggered row with plants 30–60cm apart. They should be soaked for 30 minutes before planting. In the case of containerised specimens, if the roots have become compacted they should be gently teased out before planting.

## Gardening

with Killarney Outlook

by John O'Sullivan

### GARDEN MAINTENANCE

It is important at this time of year to do some pruning in the garden. Climbers such as wisteria and *Pyracantha* should be pruned back now after flowering. Rambling roses can also be pruned back if they too have finished flowering. Shrubs like *Hebes* should be given a light pruning at this time of year as the flowers are fading in them. You can also give your hedges a final trim until next year as they will be putting on very little growth from now on. Don't go too hard especially with coniferous hedges as that would leave them with dead looking patches for the winter. Also the time is right to deadhead your roses as this will keep them flowering into early autumn. Roses that aren't looking too good now and have lost some of their foliage can be cut back a bit further to encourage new growth

# RUN KILLARNEY DRAWS INTERNATIONAL RUNNERS

*Event Goes Plastic Bottle Free for first time*

**Aisling Crosbie takes a look back at last Weekends Run Killarney which drew more than 3000 runners from all over the country and beyond**

Runners from all over Ireland and the world took on the Gleneagle Hotel Run Killarney 2019 last Saturday with more than 3000 runners taking part in either the half-marathon or 10k. In fact apart from competitors from all over Ireland more than 150 international athletes from 15 countries, including China, Brazil, Republic of Congo, Australia and UAE all took part.

For the first time ever, the event was plastic bottle-free with plastic bottles replaced with compostable cups for water at the various water stations along the routes and at the finish line.

Organisers were again delighted to welcome The Kerry Sanctuary Runners for their second outing at the event. The Sanctuary Runners is a non-profit group, founded by journalist Graham Clifford from Kerry, which enables people to run alongside, and in solidarity with, those in direct provision, at runs across Ireland. As part of this year's event, Run Killarney teamed up with the Sanctuary Runners to help raise awareness of their mission and to collect donations of running gear from the public and those taking part in the race.

Graham Clifford who also took part in the event said, "Thanks to the support of the Run Killarney organisers we had 10 runners from direct provision centres in Kerry and Cork running in the 10k and half marathon races. They were joined by 20 Irish Sanctuary Runners and it was wonderful to receive as much support and encouragement as we did. "We were thrilled with the generosity shown

by the people of Kerry from the large donations of running gear. This kind of support goes a long way in encouraging runners from direct provision to get involved. It fosters friendship, positivity and respect while bringing greater awareness to the system in which asylum seekers live."

Oliver Kirwan, Race Director told the Outlook "What an amazing day we had at Run Killarney, next year will be our tenth year and it's fantastic to see this event is still so popular with local people and visitors alike. We are privileged to be able to run this event in such a spectacular setting. Well done to everyone who took part in the event, whether they broke their PB or walked at a leisurely pace" Half-marathon participants started their event in Molls Gap, with a route that encompassed Ladies View, the National Park and Muckross House and Abbey. Competitors enjoyed stunning views of the Lakes of Killarney and the unspoiled beauty of the Park. In the half-marathon, Cork dominated the field, the first male was Alan O'Brien from Eagle AC in Cork, coming in at a time of 1hr 09mins 13 seconds. In 2nd place was Michael Morgan, St Finbarr's

AC, Cork (1hr 10mins 44 sec) and 3rd place went to Vivian Foley also from Eagle AC, Cork (1hr 11mins 05 sec). The first female home in the half marathon was Teresa Murphy from Kent, UK, coming home in 1hr 22mins 46 sec followed by Helen Healy from Raheny in Dublin in 1 hr 24min 20 sec and in third place, Claire O'Brien from Watergrasshill AC, Cork, in 1hr 24mins 46 sec.

The 10k race got underway from the Gleneagle Hotel at 9.15am. First across the line in the 10K was Kieran McKeown, Watergrasshill AC, Cork, 33 mins 28sec, first female to come in was Kerry native Mary Daly at 38 mins 01 sec. Other category wins in the 10k included Ger Daly who won the overall male wheelchair category in a time of 01hr 22min 02 sec and Ross Gallagher in the visually impaired category in 1hr 01 min 52 secs.

**What it's really doing to your mind & body**

PART THREE

Your brain hits the binge fest button so you really can't eat just one. Rats who were put on low calorie diets and then exposed to Oreos chowed down every one in sight. Ever feel that way when you haven't eaten enough? Then you're like, "You know what, screw this diet anyway – forgot it." And you eat the whole bag. And then get mad at yourself. No fun.

\* Cortisol overrides your willpower. No matter how much your thinking mind is saying, "Eat the salad," your primitive brain is saying "I need energy and I need it now," and you grab the muffin. Or chocolate bar. Or bag of chips.

\* Your ancient brain, being the wise ruler she is, decides it's best to conserve energy by turning down your natural thermostat. What's that? Your thyroid! Under-eating can cause you to develop hypothyroidism – and that for sure makes you pack on weight. And feel tired. And lose hair. And more...

\* That belly fat you sock on isn't just a flabby muffin top. It's a full-on factory producing chemicals and hormones that confuse your hunger and fullness signals, making you eat more and still not feel full. It's also pumping out loads of chemicals called cytokines that cause inflammation, depression, and chronic disease.

\* As if that's not enough, all that extra cortisol messes with your sleep. On average, lack of sleep makes you 5 pounds heavier. Fatigue also ups sugar cravings and leads to all kinds of metabolic, mood, immune system, and cognitive problems. Night shift nurses as a result, for example, have higher rates of obesity, diabetes, autoimmune disease, and cancer.

# DRAW SALVAGED IN EPIC ENCOUNTER WITH ULSTER CHAMPS

KERRY O SHEA WAS IN CROKE PARK ON SUNDAY TO SEE PETER KEANES MEN REMAIN UPBEATEN IN THE SUPER 8'S WITH A DRAW WITH DONEGAL

**KERRY 1-20**  
**DONEGAL 1-20**

A draw was the best outcome to a riveting All-Ireland Super 8 Heavyweight clash between Munster Champions Kerry and Ulster Champions Donegal at Croke Park on Sunday. In an epic encounter, scores were level on 15 occasions over the 70 plus minutes of drama and excitement that was thoroughly enjoyed by the attendance of over 48,000.

Both sides played the game as it should be played and both enjoyed spells of dominance as the lead changed hands regularly throughout.

Kerry manager Peter Keane made three changes to the line-up which was announced on Friday evening, with Shane Enright, Diarmuid O'Connor and Killian Spillane, who was an ideal link man finishing with 0-3 from play, all starting this crucial game.

David Clifford was well policed by the massed Donegal defence as was Paul Geaney but the Kerry attackers still scored 1-7 between them. Stephen O'Brien was superb throughout and caused panic at the heart of the Donegal defence every time he won possession. For Donegal, Michael Murphy was a heroic figure and chipped in with a personal total of 1-7 while Ryan McHugh was a deserved Man of the Match winner.

At half-time a point separated the sides as Kerry led 0-10 to 0-9. The Kingdom appeared set for victory when Paul Geaney scored a cracking goal but Donegal countered and won a penalty which Michael Murphy converted with aplomb to put them in the ascendancy. Donegal held a narrow 1-19 to 1-18 advantage as the clock ticked out injury time but Kerry pounced and late scores from Paul Geaney and Paul Murphy gave them a narrow lead however, Michael Murphy levelled the contest in the final minute of stoppage time to earn a share of the spoils.

Kerry finished the game with 14 men following Tomas O'Se getting a straight red.

## KERRY GAA ANNOUNCE PARTNERSHIP WITH IVERTEC BROADBAND

Kevin Kelly (Ivertec), James O'Donoghue, Tim Murphy (Chairperson, Kerry GAA), Gavin White, Kerry manager Peter Keane and Gerard O'Sullivan (Ivertec).

Kerry GAA today announced details of a 5-year partnership with Ivertec, Kerry's largest rural broadband provider, as their official telecommunications partner. The agreement facilitated the installation of 300 Mbps Broadband Connectivity, which is up and running at Kerry GAA's world-class Centre of Excellence, at Currans, in Farranfore.

Commenting on the partnership, Tim Murphy, Chairperson of

Kerry GAA said: "Ivertec solved a major headache for Kerry GAA by connecting our facility to high speed broadband, when all we had previously was old-fashioned dial-up technology. We now provide reliable, high speed WiFi access throughout the building for players, coaches, and visitors alike."

"The Centre of Excellence is in quite a rural area, but we had wireless broadband working in less than a week," said Gerard O'Sullivan, Business Development Manager at Ivertec. "We are proud to support Kerry GAA because football and hurling are the life-blood of our communities." He added: "Many living off the beaten track, hoping for the roll-out of fibre through the National Broadband Plan, may still be waiting seven years from now.

This partnership really showcases our ability to deliver high-speed broadband to rural locations around the county."

Kerry Senior Football Manager, Peter Keane, said the new technology was already making a difference: "We had no effective internet connection in the facility, but now we can carry out full video analysis of our games and our future opponents, for teams at all levels, at game-changing speeds. Ivertec have been a pleasure to work with and dealing with a local company to deliver our telecommunications wish-list, has been a real plus." Founded in 1993 and headquartered in Caherciveen, Ivertec is Kerry's leading provider of rural broadband.

Kerry returned to action on Saturday when they welcomed Offaly Camogie to Hermitage Park, Lixnaw GAA Club in the Liberty Insurance Ireland Premier Junior Camogie Championship. On a perfect day for camogie, Patrice Diggin had Kerry two points ahead by the 8th minute mark with two frees. Offaly got off the mark in the 13th when No. 11 Dara Hanamy converted a free.

Some excellent play from Niamh Leen and Jackie Horgan put Patrice Diggin through on goal in the 14th minute but she was fouled and she converted the resulting free. Dara Hanamy replied with a free in the 28th. Points from play from Patrice Diggin and Offaly's Niamh Killeen left the halftime score at Kerry 0-4 Offaly 0-3. It was great to see the young players of Abbeykillix Camogie Club entertaining the spectators during the break and they all received a medal from Kerry Player Aoife Behan.

Kerry started the second half strongly and two Patrice Diggin frees had them 0-6 to 0-3 ahead at the 34 minute mark and the same player added from play in the 39th. Offaly had a goal chance in the 43rd minute but it was brilliantly repelled by the Kerry defence. Jackie

Horgan scored a beautiful point from play in the 46th. Kerry made their first substitution when Norette Casey replaced Julianne O'Keeffe. Patrice Diggin increased the Kerry tally in the 52nd minute with a point from play. Alannah Whelan then replaced Clodagh Walsh. Offaly tried hard to breach the Kerry defence in the 54th but the Kingdom backline stood firm. Following good play between Brid Horan and Jackie Horgan, it fell to the latter to raise a white flag. Eilish Harrington replaced Brid Horan on the Kerry team and Siobhán Killeen replaced Leanne Scully on the Offaly side. Patrice Diggin and Niamh Killeen exchanged points in injury time as Kerry made their final substitution when Ann-Marie Leen replaced Rachel McCarthy. So the final score was Kerry 0-11 Offaly 0-4. Kerry Scorers: Patrice Diggin 0-9 (0-6f), Jackie Horgan 0-2

Offaly Scorers: Dara Hanamy 0-2 (0-1 '45', 0-1f), Niamh Killeen 0-2

### BIG PERFORMANCE FROM LADIES NEEDED

**TG4 ALL IRELAND LADIES  
FOOTBALL CHAMPIONSHIP**

The Kerry Ladies Senior Footballers will be looking to put an end to a winless run of five games as they face Westmeath in a must win for both sides on Sunday at Fitzgerald Stadium 2pm.

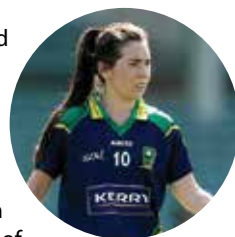

Both Kerry and Westmeath having lost to Galway will need a result to put them back into the TG4 Ladies Football Senior Championship at the Quarter Final Stages.

Kerry produced encouraging signs in their opener to Galway and despite the eventual 4 point loss come into next Sunday's game with a relative amount of confidence.

Westmeath on the other hand have suffered heavy defeats at the hands of Dublin and Galway and having only scored 1-3 against the Connacht champions last week certainly have their problems in the forward unit.

Both Kerry and Westmeath have a unique history, as it was Westmeath that relegated Kerry to Division 2 in 2018 when the Midlanders defeated Kerry in Tralee.

Sunday's result is crucial for another reason, as the losers will end up in the Intermediate relegation play off.

## ALL IRELAND JUNIOR FOOTBALL FINAL

### POWERFUL SECOND HALF FOR 5 IN A ROW KERRY

DONAL BARRY WAS IN PORTLAOISE TO SEE THE KERRY JUNIORS TURN IN A GREAT SECOND HALF PERFORMANCE TO CAPTURE A SPECIAL 5 IN A ROW

**KERRY 3-14**  
**GALWAY 0-13**

A fantastic second half performance by Jimmy Keane's charges saw them complete five in a row All Ireland Junior Football Championships as they overcame Galway in O'Moore Park.

Indeed, if Kerry were completing their fifth it was Keane's third as the Knocknagoshel man created yet another All Ireland winning team from scratch with last years winning team excluded from him.

The opening ten minutes were played at a blistering pace with the sides sharing 8 points having been level on 4 occasions as it was Galway with the impressive Gary Kelly opening up the Kerry backline at will.

Keane wasted no time in rotating both Brandon Barrett and Philip O'Connor to drop back and act as a sweeper in front of the Williamstown forward who was reduced to frees after that.

The sides would divide a further four points evenly between them before Kerry finally wrestled the lead for the first time when Stephen O'Sullivan fired over on the 25th minute with Daniel Daly securing a two point half time lead at the break with a 28th minute point.

Daly had created a goal chance out of nothing earlier when he took a quick free from the 21M deciding to fire for goal and not the point that was on offer. Cormac Haslam was more than equal to the effort pushing it wide for 45, which was put wide by Kerry Keeper Eoghan O'Brien

O'Brien too was called into early action as he had to be at his best to smother a 13th minute goal bound effort from Galway's Colm Brennan but both goals stayed intact for the opening period.

It took Galway all of two minutes to wipe out the Kerry lead in the second half with Kelly from a free and then Kelly sent Sean O'Currin on his way with a clever pass as the half back levelled matters on the 32nd minute.

However just as it looked as if Galway would mount a serious challenge, enter the Kerry half back line of Foley, Breen and Brosnan, all of who were superb, all ending the game with a point each from play and more often than not made themselves available for the overlap. None more than Jack Brosnan who turned in a man of the match performance.

When Kerry got their first goal on the 34th minute, there was more than a little luck attached as Barry O'Dwyer's punched effort dipped below the bar but with the on rushing

touch from Conor Costello it went over the line. After a minute's consultation the goal was awarded. A few seconds later Stephen O'Sullivan fired over his third point of the day to give Key their biggest lead 1-9 to 0-8 and in truth the never looked back with further goals arriving from O'Sullivan (40th minute) and replacement James Crean (55th minute) who benefited from a Jack Brosnan run.

Stephen O'Sullivan would finish the day with 1-4 and a booking for not having a mouth guard, an eventful afternoon for the Templenoe man.

Philip O'Connor climbed the steps to accept the Cup in front of a large gathering of Kerry support, mostly made up from friends and family with a large travelling group from Cordal.

**KERRY SCORERS:** Stephen O'Sullivan 1-4, James Crean 1-0, Own Goal Conor Costello (Galway) 1-0, Eoghan O'Brien 0-2 (0-1F, 0-45F), Daniel Daly 0-2 (0-1F) Jack Brosnan 0-1, Mike Breen 0-1, Michael Foley 0-1, Philip O'Connor 0-1, Thomas Lynch 0-1, Caolim Teahan 0-1

## IMPRESSIVE CORK OUT GUN KINGDOM

**CORK 3-16**  
**KERRY 0-12**

Cork claimed their sixth Munster under-20/21 title for Cork in this decade with a much easier than anticipated victory over Kerry at Páirc Uí Rinn on Thursday Donal Barry was there for the Outlook.

In truth it was a game that Cork bossed for all but 25 seconds of the contest after Eddie Horan put Kerry into an early lead pointing on their first attack.

Cork were level inside a minute when Cathal O'Mahony fired over a free as they went on to score the next seven points unanswered to lead 0-7 to 0-1 by the 12 minute mark. It was a true exhibition of point scoring with Horan putting an end to the scoring with his second Kerry point of the evening on 14 minutes as Kerry finally responded.

A missed free from Fiachra Clifford and a wide from Horan didn't help matters but Jack O'Connor's side who were looking for a three in a row Munster titles got to grips with the Cork attack and had reduced the arrears by half time to just four (0-10 to 0-6) but it could have been even closer with a number of goal chances going astray.

Cathal O'Mahony (free) and Eddie Horan swapped points on the resumption of the second half before Cork put the first nail into Kerry's coffin with a 37 minute goal as Blake Murphy dispatched his effort into the top corner as the Rebels hit the next three points unanswered to lead 1-14 to 0-7.

By the 55th minute Cork were still eight points to the good 1-15 to 0-10 with Kerry

failing to breach the home sides rearguard.

Goals did arrive in the end but it was Cork, who got them first from Fionn Herlihy,

And then by Cathal O'Mahony as Cork claimed their spot in the All Ireland semi Final.

Cork now play Tyrone in the All-Ireland semi-final with Galway and Dublin on the other side of the draw.

## UNDER 20 HURLERS PRODUCE THE GOODS

**KERRY 3-21 WICKLOW 0-11**

Kerry advanced to the semif final of the under-20 championship Richie McElligott Cup with a high scoring win against Wicklow at Semple Stadium on Saturday.

Wicklow proved competitive inside the opening ten minutes as Kerry led 0-3 to 0-2 but they hit the next 4 unanswered to lead 0-7 to 0-2 before the luxury of a missed penalty which saw Michael Slattery saved by Wicklow keeper Cian Staunton.

Wicklow began to get a foothold in the contest and finished the half strong to trail by just three at the break (0-12 to 0-9)

Kerry produced the goals in the second half with second-half substitute Michael Kelliher, Michael Slattery and Gavin Dooley all raising green flags as Kerry hit 2-6 unopposed to win comfortably

## KERRY GAA PRO LEONA TWISS ROUND-UPS THE GAA EVENTS IN THE COUNTY THIS WEEK

### ALL TO PLAY FOR HEADING IN PHASE 3

Certainly, last Sunday's Phase 2 game against Donegal was not one for the faint hearted! While a win would have been great, a draw was possibly the fairest result. Both teams gave spectators a feast of football as they drew level numerous times throughout the game. A number of personnel changes were forced upon both sides due to injuries and other pre match changes were shrewd tactical manoeuvres. Kerry finished with 14 men due to Tomás Ó Sé's red card deep in injury time. The game finished 1-20 a piece. Despite the tricky throw in time and terrible weather, a large number of Kerry Supporters were present in Croke Park to cheer on the team. Again, this support was very much appreciated by Peter Keane and the Panel.

Next up is our meeting with Meath in the Phase 3 game. It is fixed for August 3rd at 6pm. The game is preceded with the U20B hurling final where Kerry will play Down at 3.45pm. Tickets are currently on sale online, at local SuperValu and Centra Stores and in the Kerry GAA Store Killarney. Adult tickets are 25 Euro and 5 Euro for Juvenile tickets. The tickets are for general admission for Páirc Tailteann Navan meaning first to arrive will get seat in the Stand.

The Kerry Supporters club will take coaches to Navan. All seats must be booked by Wednesday night July 31st. For booking contact Donal O'Leary, John King or Martin Leane.

So where are Kerry in terms of group qualification? The following are the potential scenarios -

Donegal will travel to Castlebar to take on Mayo in McHale Park in the final game, while we will go to Meath. A win or a draw for Donegal will ensure their place in the semi-final. Mayo will need a win to get through.

If we win or draw against Meath, we will also be assured of a semi-final spot. Even a defeat would still see us through if Donegal defeat Mayo. If Mayo win and we lose, the second spot will be decided on scoring difference between ourselves and Donegal, while Mayo would top the group.

If both ourselves and Donegal win, Donegal will likely need to better our result by two points to finish top of the group.

So, there are no dead rubbers in our group – it is all to play for as we approach the final phase of the 'Super 8s'!

### KERRY MINORS

Best wishes to the Kerry Minors in the Electric Ireland Football All-Ireland Minor Championship quarter final. They play Tyrone in Tullamore at 2pm on Sunday. ### KERRY U20'S DEFEATED IN THE MUNSTER FINAL

Commiserations to Jack O'Connor, his management team and to the U20 panel on their loss to Cork last Thursday night. They came up against a better team who were perhaps spurred on by previous losses at Minor level. Cork were hungry and wanted the win and duly got it. Our thanks to all involved for the endless hours of work put into preparing the squad. Our thanks also to the players for the countless sacrifices made with the aim of winning silverware for Kerry. It is disappointing for the Kerry public but no one is hurting more than those involved with the set up. They gave it their all and we can't ask for anymore and we have to accept that we were beaten by a better team. This Cork team will take some stopping in this year's championship!

## DR. CROKES

### COUNTY LEAGUE ROUND 9

Played in Kilcummin

#### Kilcummin 1-9 Dr Crokes 1-16

Aided by the strong breeze we got off to a great start and sent over six unanswered points in the first quarter. We then had the first score of the second quarter, a point but the hosts came well into the game in the second quarter and had two points. We finished the first thirty minutes the better and two points without reply gave us an interval lead of 0-9 to 0-2.

A goal by us at the start of the second half threatened to end the game as a contest but it seemed to ignite Kilcummin who had three points without reply to leave just seven points between the sides and twenty five minutes to go. We went on the offensive straight away and kicked three points without reply before the end of the third quarter. The teams had two points each before we entered the last ten minutes. This left us in front by 1-14 to 0-8. In this last ten minutes Kilcummin outscored us 1-2 to 0-2 leaving us winners at the final whistle on a score of 1-16 to 1-9.

Both teams were very much understrength but our replacements were probably more experienced than our opponents.

Team and scorers: Johnny O'Leary, David Naughton 0-1, Lorcan Mc Monagle, John Payne, Brian Looney 0-3, David O'Leary, Jack Griffin, Alan O'Sullivan 0-2, Mark O'Shea 0-1, Mike Milner, Johnny Buckley 0-1, Gavin O'Shea, Paul Clarke, David Shaw 1-2, Jordan Kiely 0-6 (0-2 frees, 0-1 Penalty)

#### UNDER 13 GIRLS

The club's U 13 girls competed in the annual Sandra Keane Invitation tournament, which was held in the John Mitchels GAA Complex. Their opening group game was against a very strong Abbeydorney team, who in normal circumstances would be competing two divisions above them, but to their credit, the girls demonstrated huge character of heart to the end even though they were overrun by their opponents. But, the club has a resilient bunch at this age group and they dusted themselves off and were eager for their next game. Little did they know at the time but their remaining 4 games were to be highly entertaining and close. Second group game was against Castleisland Desmonds and even though they came up short by 3 points, the girls were upbeat. Final game of the group was v Castlegregory and their victory here qualified them for the plate competition. The semi-final v Kerins O'Rahillys was a cracking game, both teams demonstrated great skill throughout and at the final whistle the girls were a score to the good. Na Gael were their opponents in the final, were again the action went from one goal to the other and weary legs were to be the biggest obstacle for both teams. With the girls holding a slim lead through the second half, you can imagine there were great scenes of delight when the final whistle eventually sounded, and the team capturing the plate. Megan, Alan and Pádraig, the mentors for this age group were so delighted for the girls and

### EK MINOR LEAGUE RD 2

#### Spa 7-14 Currow 6-15

An incredibly high scoring game. The first half had some excellent scoring and by half time the scoreboard was already showing signs of a great game, with Spa trailing 3-8 to 4-11 at the break. The Spa goals in the first half came from Ryan Kelliher, Oisín Walsh and Michael Horgan. Both sides kicked early goals at the start of the second half, Cian Murphy with the Spa goal, and we soon trailed 4-9 to 5-13. A strong last quarter and more outstanding scores on both sides and Spa were catching up, with just a point between the teams after Oisín Walsh finished two more shots to the back of the net, making it 6-10 to 5-14. Michael Kearney netted the seventh Spa goal and in the end they ran out two point winners on an incredible scoreline of 7-14 to 6-15. Spa team: Ollie Cremin, Connie Cremin, Conor Brosnan, Thomas Cronin, Michael Kearney, Calum Neher, Liam Spillane, Ryan Kelliher, Michael Horgan, Cian Murphy, Oisín Walsh, Alan O'Sullivan, Róiri O'Connor. ## KEEL GAA CLUB

### SENIORS

Keel vs St. Senans - St. Senans opened the scoring with a point from play. Gary Sayers replied with a well taken free. St. Senans gained most of the possession for the subsequent passages of play and scored three points however, Keel replied with a free from Tommy Buckley and Gary Sayers slotted over another point from play. Owen O'Connell kicked two excellent points, one from play and another from a free. O'Connell was influential throughout the game which resulted in competitive battles in the middle of the field. Gary Murphy put a fine score between the posts just before half time to edge closer to the St. Senans side which left the half time score Keel 0-04, St. Senans 0-07. Senans opened the half again with a free from Owen O'Connell. Gary Sayers put one back on the board with a free. Paudie Quill who also proved to be a challenge for the Keel defence kicked two frees neatly between the two posts. With some excellent runs from Tomas Ladden he set Martin Burke up with a point from play. Senans hit the post ten minutes into the 2nd half and this was quickly followed by a free from Paudie Quill. The visitors prevented a further lead for the home side by excellent runs at the Senans defence which resulted in Dylan Prendergast being fouled inside the small rectangle. Keel were awarded a penalty and Gary Sayers carefully slotted the ball into the back of the St. Senans net leaving the score 1-6

to 10 points with 15 minutes to go. The home side replied with a free. Keel missed a goal chance which was stopped on the line. The Keel side gained possession again and Dylan Prendergast rewarded the effort with a point from play. Eoin O' Neill was given a black card with 2 minutes to go and the Senans forwards were again successful in their free taking which resulted in another 2 frees being placed over the bar. Keel were looking for a goal to draw the game however the Senans defence blocked all chances. Gary Sayers kicked 2 frees to bring the scoreline back to 1-09 to 0-13. It was too late for the visitors which resulted in St. Senans taking the 2 points.

## A MAN CALLED SHANE

By Nicky Barry

The original Shane was small and blond, standing five foot three.  
He was a cowboy hero; back in nineteen fifty three.  
He was played by Alan Ladd, in the movie Shane,  
A drifter who rode into town, and decided to remain.  
He had been a gun-slinger, in a previous life,  
And shot down the local bully boys, in a quick-draw fight.  
Fast forward now sixty six years, to Royal Portrush,  
When a guy called Shane Lowry, is burning up the local course.  
He's shooting like a hitman, in both sunshine and rain,  
And the best of the world's golfers, are chasing him in vain.  
Shane Lowry is a mighty man, with great ability,  
He hails from County Offaly, where sporting heroes breed.  
They have won All-Irelands, in both codes over the years,  
And Shane's old man Brendan, once caused Kerry tears,  
When they nearly won, five All-Irelands in a row,  
And Brendan's buddy Darby, goaled with just minutes to go.  
Shane's pedigree is flawless, and he wears it with pride,  
When the pressure came on him, he just brushed it aside.  
He was dressed like Johnny Cash, in black from head to toe,  
And the crowd sang Ole, Ole, like Jack's Army long ago.

## FARRANFORE MAINE VALLEY AC EUROPEAN U23 CHAMPIONSHIPS

A big squad of 42 athletes traveled to represent Ireland at the European Athletics U23 Championships in Gavle, Sweden (July 11-14). This represents the biggest team Athletics Ireland has ever sent to the European U23 Championships and reflects a policy of giving more athletes to enter the pathway in development championships.

David Kenny took to the roads of Gavle on what was a very hot afternoon. He judged his pace brilliantly to finish 9th in the men's 20km race walk in a new personal best of 1:25:43. The winning time was 1:21, just 4 minutes ahead of David, who is still just 20 years of age, gaining valuable experience for the future to bridge the gap to the senior level. A great achievement in representing our club and country admirably.

### JIMMY FALVEY MEMORIAL YOUTHS CUP FINAL

Killarney Celtic 2, Rattoo Rovers 0.

Our youth team added the Jimmy Falvey Memorial Cup to the Youths league title when they defeated Rattoo in difficult conditions last Sunday in Mounthawk Park. Despite the best efforts of both teams the game was still scoreless with 10 mins to play. However Celtic broke the deadlock in the 84th min when an Evan Looney corner found its way to Padraic Looney who finished to the net. Rattoo pushed on for the equaliser but 4 mins later a through ball found Ryan Kelliher who sealed the win. Well done to the management and players who turned the season around and who ended up winning the double.

# WORKPLACE STRESS!

Last week we looked at various strategies to reduce workplace stress. These focused primarily on the one thing we have control over in our lives i.e. ourselves. This week we will look at more key ways to deal with stress in our lives. Knowing we are stressed when we are stressed is important. Each person is different – so know your own 'stress busters'.

The following are some tips:

1. Taking Responsibility for our own physical and emotional well-being
2. Avoid knee-jerk reactions and falling into old habits
3. Learn to communicate better – which can improve relationships with coworkers
4. Recognise your own emotions and know how to control your emotions and behaviour. If you ignore your emotions you will be unable to fully understand your own needs and find it difficult to communicate with others.
5. Delegate responsibility- let go of the need to control every little step.
6. Be willing to compromise – finding a middle ground with a co-worker can help reduce stress levels for everyone.
7. Balance your daily schedule – as all work and no play leads to burnout. Balance your time between work, daily responsibilities, family life and social activities – ensuring you get some downtime.
8. Avoid over-scheduling your time by trying to fit too much into one day. If you have a lot on – distinguish between the 'shoulds' and the 'musts' and drop any task that isn't completely necessary to the bottom of the list or delete them entirely.
9. Give yourself time – getting up or leaving home ten minutes earlier can decrease stress levels and avoid that frantic rush to get to work on time.
10. Take a quick stroll during the day to clear your mind.
11. There is no better way to alleviate stress than a good laugh– watching a comedy or meeting up with friends and sharing a joke can all help to reduce stress.
12. Don't try to seek perfectionism – this will only add to unnecessary stress. When you set unrealistic goals you set yourself up for failure. Aim to do your best.
13. Watch your thoughts. Negative thinking can drain our energy and motivation – so try to stay positive and avoid negative people as much as possible.
14. Don't try to control the uncontrollable. Many things in life are beyond our control – especially the behaviour of other people. Rather than focusing on the things we can't control, we give our attention to that which we can control – i.e. how we react to the problem.

### Know Your Rights:

#### QUESTION

**My Irish passport will expire soon.  
What is the easiest way to renew it?**

#### ANSWER

There are a number of different ways to renew your passport. You can renew your passport online or by post or in person at a Passport Office.

The Online Renewal Service takes about 10 working days to process your application, if all your documents are in order. However, this does not include the time it will take for your passport to be delivered to you by post. An online renewal application for a standard 10-year passport costs €75.

You can submit a paper application using An Post's Passport Express service. It takes about 15 working days (if your application form is filled in correctly and your documents are in order). The application fee for a standard 10-year passport using this service costs €89.50.

During busy periods, for example, during the summer months, the Online Renewal Service and Passport Express service can have longer turn-around times. You can check current processing times on the Passport Service website.

If you are due to travel in less than 3 weeks, you can apply in person to the Passport Office in Dublin or Cork. You can't just drop-in, you need to book an appointment online.

The Dublin Passport Office has a Rapid Renewal Service for adults and children who need to travel in less than 3 working days. This service costs more. You can book an appointment for this service online. If you cannot secure an urgent appointment online you should contact the Passport Service on (01) 671 1633.

The Passport Service recommends that you apply for your passport renewal at least 6 weeks before your planned travel date.

### IF YOU WISH TO APPLY FOR IRISH CITIZENSHIP PLEASE NOTE -

The High Court has ruled that nobody can be granted Irish citizenship if they have spent a single day outside the country in the past year and the unexpected judgment could affect thousands of people applying for Irish citizenship on the basis of residence in the Republic of Ireland.

Under the Irish Nationality and Citizenship Act 1956, foreign nationals wishing to naturalise as Irish have to be legally resident in the State for at least five years out of the last nine (or three out of the last five if married to an Irish citizen). This includes one year of "continuous residence" in the 12 months up to the date of application but that law on residence has never been interpreted so strictly before.

Immigration lawyer Aoife Gillespie said the effect of the decision is that "an applicant must literally never leave the State in those 12 months. Not even for one day regardless of how exceptional or unavoidable the circumstances are. Not even to enter Northern Ireland.

Ms. Gillespie said that foreign citizens resident in Ireland should not now apply for citizenship if they have been out of the country even once in the past 12 months – at least until the legal position is resolved.

Barrister Cathal Malone a specialist in immigration and asylum law said "the decision will likely bring the entire Citizenship Division to a grinding halt until it's resolved on appeal and the ruling could even raise questions about past grants of Irish citizenship, since the six-week rule has, in the High Court's view, been unlawful all along and that there may need to be emergency legislation to amend the 1956 Act.

The decision does not affect those applying for Irish passports on the basis that they have an Irish parent or grandparent. There is no residence requirement for citizenship by descent.

### CHINESE STARTUP IS TRACKING LOST DOGS USING THEIR NOSE PRINTS

Megvii, a Chinese AI startup that supplies facial recognition software for the Chinese government's surveillance program, is

expanding its technology beyond humans to recognize different faces of pets.

Using the Megvii app, the company says it can register your dog simply by scanning the snout through your phone's camera. Just like how a phone registers your fingerprint for biometric unlocks, the app asks you to take photos of your dog's nose from multiple angles. Megvii says it has an accuracy rate of 95 percent and has reunited 15,000 pets with their owners through the app.

However Megvii says its app will be used for more than just reuniting owners with their lost pets. With its existing relationship with the government, it says its app can also be used to monitor "uncivilized dog keeping" to fine civilians who don't pick up after their dogs or allow them to walk without leashes in public spaces.

### THE GOOD OLD DAYS?

Did you know that on this week in 1851 the Window Tax in the United Kingdom was finally abolished. The tax imposed in 1696 was a banded tax, so that the more windows a house boasted, the more its owner would pay in tax. To reduce the cost the rich built new houses with the minimum number of windows, while the poor in their tenement housing simply bricked up the windows, making their cramped, dark dwellings even more gloomy. In the darkened tenements and countryside hovels the bricked-up windows came to be known as "Pitt's Pictures" – a scathing reference to Conservative Prime Minister William Pitt the Younger, who enthusiastically supported and extended the Window Tax.

Its abolition came on July 24th after campaigners successfully argued that it was a "tax on health" and a "tax on light and air." The medical profession in particular argued that the lack of windows tended to create dark, damp homes that were a source of disease and ill-health.

In its place came The Glass Tax which amounted to more than three hundred per cent on the glass's value. This was introduced in 1746 and lasted 100 years until once again; protests led by doctors caused its abolition.

In 1662 there was the Hearth Tax, which was a levy on "every Fire Hearth and Stove within every House, Edifice, Chambers and Lodging" in England and Wales, but as this really only affected the rich, the powers that were decided it was too difficult to assess as officials had to enter homes and count the number of fireplaces and it was scrapped about 20 years later and then came the Wallpaper Tax, which was introduced in 1712 and abolished in 1836 which again did not really affect the poor living in hovels in towns and shacks in the countryside throughout Ireland, England, Scotland and Wales.

### DUTCH BUS STOPS ARE GETTING GREEN ROOFS COVERED IN PLANTS AS A GIFT FOR HONEYBEES

Hundreds of Dutch bus stops are getting eco-friendly makeovers so they can be transformed into lush green sanctuaries for honeybees and humans alike.

To begin with all 316 bus stops in the city of Utrecht are receiving green rooftops covered in sedum plants. Not only are the succulents good for improving air quality, they are also good for helping to support dwindling pollinator populations. Succulents are also good for storing rain water, capturing dust particulates from the air, and providing a cooling environment in the summertime, also over the course of the next few years, Utrecht will be installing solar panels on every single one of their bus stops and will be replacing their current transit vehicles with a new fleet of electric buses. Regional officials are aiming to employ an entirely carbon-neutral transit fleet before 2028.

## A Word of Victory

Welcome back dear reader "my God shall supply all your needs according to His riches in glory by Christ Jesus" (Philippians 4:19). God has made provision for you and I in every area of our lives – note the Scripture says 'all' your needs! God's promises are true and He is 'not a man that He should lie' (Numbers 23:19). In fact 'it is impossible for God to lie' (Hebrews 6:18). Powerless rituals and negative experiences have caused many people to get weary in faith from hopelessness – doubting that God – believing that He never has or never will come through for them. 'God is our Sun and Shield...no good thing will He withhold from those who walk uprightly.' (Psalm 84:11). The word 'uprightly' refers to a person with an undivided heart who fears and trusts in the Lord. God as our 'Sun and Shield' speaks of Him illuminating life's path and bringing warmth and growth. The 'Shield' represents His protection around us quenching every fiery dart of the enemy (Ephesians 6:16). God promised Abram that He would be his shield and reward (Genesis 15:1). Later, it was Abraham who first recognised God as the 'Lord our Provider' when God tested his heart regarding his longed for son, Isaac (Genesis 22:1-19). God asked Abraham to offer Isaac as a sacrifice to Him. This is an unimaginable request but God was testing Abraham to see if Isaac had become an idol – taking God's place in his heart. But Abraham obeyed God and prepared everything for the sacrifice figuring that God would either provide His own sacrifice, or raise the boy from the dead – read it yourself friend, the tension builds verse by verse. This episode was a prophetic foreshadow of what God Himself did by giving His own Son Jesus as a sacrifice for all humanity to be saved (John 3:16). God told Abraham to go to Mount Moriah which is the same place Jesus was crucified. Abraham put the timber for the sacrifice upon Isaac's back – what a poignant image because many generations later Jesus, our Saviour carried His timber Cross upon His ripped and torn up back (John 19:17; Isaiah 53:4-5). As Abraham was about to carry through what God had asked the Lord provided a ram for the sacrifice instead. Abraham passed the test, but God provided so that he wouldn't have to lose Isaac, his promise. Friend, God sacrificed His Son Jesus to set you and me and all who believe in Him free!
