People asked to make sure to “Make Way”

Tim O'Sullivan, Killarney Access Group taking part in “Make Way Day” highlighting with stickers, items that get in the way of disabled people throughout Killarney.
PICTURE: MARIE CARROLL-O'SULLIVAN

The first ever National Make Way Day kicked off this week on September 26th and Killarney was one of the towns involved. Local authorities and The Disability Federation of Ireland came together to call on the public to be more aware of how our actions impact those with disabilities. ‘Make Way Day’ stickers were placed on obstacles around the country as a friendly

reminder that cars or vans pulled up on footpaths can often mean the end of the road for a person in a wheelchair. 13 per cent of the Irish population have a disability and many face barriers to living an independent life due to access and public transport. Cars parked on footpaths, bicycles/motorbikes chained to lampposts, illegally placed sandwich boards and forgotten bins all obstruct

those with physical disabilities and people with visual impairment. The purpose of the day is to discourage thoughtlessness in public spaces, which stop people with disabilities from getting around and to make people think twice about the needs of people with disabilities. This was one day to highlight the issue but that doesn't mean you can't get involved. Consider how

those with disabilities can move around the obstructions we put in their places each and everyday. You can still take part by taking pictures of everyday obstacles that you encounter, posting them to social media and using the hashtag #makewayday, as well as the hashtag #makewayKerry

EDITOR'S NOTE

If you are planning some home renovations in the near future, then look no further than the pages of this week's Killarney Outlook.

We have a comprehensive guide to Home Improvements this week along with lots of local news, pictures and of course some fantastic offers from our advertisers.

This week was a busy one with Make Way Day, Culture Night and Ring of Kerry Presentation evening. Killarney is celebrating its success at the Tidy Towns, Dingle is set to celebrate the Food Festival and the East Kerry Minors are celebrating for the third year in a row. As rutting season is about to begin, extra vigilance is needed on the roads as the deer roam in high risk areas - so please take care.

PORT OF CORK AWARDS CONTRACT TO LIEBHERR CONTAINER CRANES

The Port of Cork this week signed a contract with Liebherr Container Cranes to supply two post panamax size ship to shore (STS) container gantry cranes to the Port of Cork for the new Cork Container Terminal in Ringaskiddy. Following an open tender process Liebherr Container Cranes were awarded the contract. The cranes will be designed and built in Killarney and are due to be delivered to the Port of Cork in Q1 2020. Liebherr Container Cranes LTD. are part of the Liebherr group and supply container handling equipment to ports and rail terminals worldwide.

Director of Liebherr Container Cranes LTD. Pat O'Leary commented, “We are delighted to have received this order and to continue our longstanding

relationship with the Port of Cork. In the 1970's, Liebherr Container Cranes supplied the first ship to shore container cranes to the port. Since that time we have supplied further cranes, including two grab cranes, two STS cranes in 1991 and 1999 as well as a rubber tyre gantry crane, all of which continue to be key elements of the port's infrastructure. Today, the signing of a contract for the supply of two new state-of-the-art STS cranes will help drive port productivity and boost business, not only in Cork, but also throughout Ireland. We look forward to adding these cranes to new Cork Container Terminal where no doubt, they will make a significant contribution to the port's business activities for many years to come.

Brendan Keating, Port of Cork CEO and Port chairman John Mullins, with David Griffin, Liebherr director and Pat O'Leary, Liebherr MD, at the signing of the awarding of the contract of the ship to shore cranes to Liebherr by the Port of Cork, at the Custom House Building, Cork. PICTURE: DAVID KEANE.

Construction on the Cork Container Terminal got underway in June of this year and is due to be open for business in 2020. The overall €80 million project encompasses a new

state of the art container terminal, a new public marine leisure amenity at Paddy's Point and also includes a €1 million community gain fund for the Ringaskiddy area.

Killarney celebrates Tidy Towns success

Hard at work.... some of the volunteers who ensured that Killarney retained its gold medal in this year's Tidy Towns Competition.

There was much celebration in Killarney this week when news broke that the town had retained its Gold Medal and had gained a massive six points in the 2018 Tidy Towns Results.

None of these results would have been achieved were it not for the hard work of the Tidy Towns Committee, Killarney Municipal District and the countless volunteers who give of their time week after week to ensure Killarney is looking its best.

The following is the report of the second round adjudicator...

I would like to take this opportunity to congratulate all involved in this year's submission and for the time and effort to achieve such high level results on the ground. The recently completed repaving and landscaping improvements at Main Street are very successful and the external usage space, now provided for various businesses, has an attractive cosmopolitan flavour here. John M. Reidy, The Medical Hall and opposite The Irish Pub, J. O'Leary (surely a preservation building) and Sheahans Pharmacy have wonderfully imaginative presentations. This attractive theme is continued along High Street where a variety of shop fronts, with good quality lettering and signage, provide a fine visual presentation. Work was ongoing

at the Killarney Carpet and Furniture Centre and the new painting scheme has the added benefit of obliterating graffiti from the wall of the adjoining arched entrance. The nearby window displays of your various awards, achievement trophies and certificates looks great. Opposite Bricíns, Foley's and the Speakeasy have an attractive array of well-proportioned hanging signs expressed with gold leaf lettering. Floral displays here were a highlight. The educational quarter stretching along New Road, Mission Road and Cathedral Place again continues this high standard and the presentation of individual schools was admired.

Public buildings, including the Garda Station, Library and Government Buildings, all looked well. However there was some graffiti on the walls on the external ramp to the back of Government building and the planted boundary area was in need of refreshing. Improvements and enhancements at New Market Lane and old Market Lane look charming and considerably add to the enjoyment of the town centre trail. In the outer town, approach roads have a welcoming atmosphere particularly on the Tralee approach where a reorganisation of signage and a nicely presented picnic area was noted. Both the O'Shea roundabout with its colourful Begonia appearance and the Ballydowney roundabout planted to portray Kerry's landscapes looked

spectacular. Congratulations to all concerned with these efforts.

Kenmare Place was a hive of activity. The nicely considered service building in the centre looks excellent, designed around mature trees and its entrance area is cleverly expressed with a box hedge feature.

The town has an abundant series of incidental open spaces planted with great imagination. The move to more sustainable planting in recent years is lauded and you are commended on receiving appropriate advice on your general programme. A visit to Killarney House was inspiring and this beautifully presented complex is a credit to all concerned. The original house restoration and the recent contemporary interpretive complex integrate very well and all were brightly painted. The views from the house to the mountains beyond are breath-taking as is the planted terrace walk. The town has a large number of housing estates and the standard is generally good. You appear to work well with the various resident groups and have forward plans for on-going improvement works. Well done on this successful programme. I fully endorse the comments and report of this year's first round adjudicator and congratulate your committee on your partnership approach. Killarney continue to be high achievers in the competition and their high position is very well merited.

MOTORISTS URGED TO BE VIGILANT DURING DEER RUTTING SEASON

It's autumn and in our forests and across our mountains, tensions are rising as the rutting season gets under way, the time of the year when male deer are driven by an urge to reproduce. From late September until early November the clash of antlers will be heard as males show off their virility to potential mates and, like gladiators entering an arena, they parade around showing off their armoury of antlers.

While the rut is an amazing experience to witness it is also a time when there is an increased incident of road traffic accidents involving deer as male deer go in search of females and younger males are ousted by dominant males forcing deer to cross roads and motorways. The Wild Deer Association of Ireland are calling on motorists to be vigilant at dawn and dusk, when deer are most active, particularly in high risk areas such as woodlands and mountains.

What should drivers do in high risk areas?

Reduce speed where they see a warning sign and stay alert. Prepare to stop, never swerve as you could hit another obstacle or oncoming vehicle. When you see a deer "dip your headlights" as the full-beam may cause the deer to freeze. If a deer has crossed in front of your vehicle, be aware that others may follow. Do not approach an injured deer. If you are involved in a Deer RTA or come across a deer that has been involved in a RTA, immediately contact the local Gardaí.

Chambers combine to spearhead Job Creation & Investment

United we stand....

PICTURE: JOE HANLEY

The seven Chambers in Kerry are to work together as a strong collective voice for Kerry. In a show of strength and county-wide unity all seven Chamber's of Commerce in County Kerry have come together to sign an agreement which will see them represent the entire county on Regional and National issues, as well as supporting each other on local business issues.

In order to further develop business interests in the county, all seven Chamber's from Kerry including Dingle, Tralee, Kenmare, Castleisland, Killorglin, Listowel and Killarney met on the 13th of September last in Tralee, to put pen-to-paper on a formal agreement.

The seven Chamber's in Kerry will be collaborating on several key projects which will enhance the entire county, in order to develop greater opportunities for Job Creation, Infrastructure development, funding and Investment into Kerry.

Each Chamber will remain autonomous/independent of each other, as will their individual members, but a crucial element to the agreement will see the 'Kerry Chambers' supporting each other on local and regional issues, including combining resources to further support their own individual business member's interests.

This is the first time that all businesses in Kerry will have an opportunity to work closely together through their own local chamber, and will lend a stronger voice for individual businesses. Every sector, industry and area of county Kerry will be represented, with this agreement ensuring greater collaboration.

Speaking at the signing of the agreement Paul O'Neill of Killarney Chamber of Tourism and Commerce said "Forming this strong alliance between the all Kerry Chambers will help lead to stronger lobbying on behalf of the county to support the various industries in Kerry".

German Travel Press visit the Reeks District for a weekend of adventure

A group of top German travel and lifestyle journalists visited the Reeks District last week to #ComeAndPlay in Ireland's adventure playground.

The writers, followed a busy schedule that saw them scale Carrantuohill, cycle around and kayak on Caragh Lake, surf on Inch beach, take part in stand up paddle boarding on the River Laune, and ride horses along Rossbeigh Strand. While the region's five guests worked hard, there was plenty of time to enjoy themselves. Staying in the Bianconi Inn and Kingston's Townhouse in Killorglin, they got to dine on fine seafood at Jack's Coastguard in Cromane, eat lakeside at Carrig Country House, sample fresh Cromane oysters with Glenbeigh Shellfish, and sample local beers and fusion tapas at Sol y Sombra in Killorglin.

Other places visited included Foley's Bar in Inch, Glencar Resort Hotel, Ard na Sidhe, Bunkers Bar & Restaurant and The Climbers Inn, Glencar. Before leaving the region, they were treated to a relaxing morning of Lomi massages and sound healing at Aloha House overlooking the River Laune.

Reeks District chair Jens Bachem said: "Germany is a key market for tourism to Kerry thanks to both the new Ryanair Berlin route and existing Frankfurt Hahn service which both fly into Kerry airport. Our guests seemed enthralled with all

A group of top German travel and lifestyle journalists who visited the Reeks District last week

the Reeks District has to offer, just a short flight from their home cities. Their coverage should help significantly increase visitor numbers to our region."

Beaufort Film Night returns

Beaufort Film Night returns for another screening which will take place at The Inn Between Bar, Beaufort, on Friday 5th October at 8.30pm.

Australian drama Rabbit-Proof Fence is the feature film on the night whilst the night's programme will begin with a screening of The Timekeeper, a short film by Listowel filmmaker Noel McElligott.

Kind hearted Mike donates Birthday funds

When Mike Lenihan from Tournonough Gneeveguilla planned his 70th birthday party – he had the welfare of the Children who spend time in University Hospital Kerry in mind.

The popular Rambling House and Count Sound C103 entertainer welcomed people from all over the Sliabh Luachra bar to Fleming's Bar in Scartaglin to celebrate earlier this month and this week the renowned storyteller handed over a cheque for €3205 to nurses at the hospital.

Speaking to the Killarney Outlook, Mike said he was overwhelmed with the generosity of people who donated to his fund.

"I want to thank each and every one of the people who donated at my birthday – I received cards from all over the county and I am delighted to give this money to such a worthy cause", he said. Mike is well known throughout the county following his career with Kerry Co-Op as a lorry driver and he is also a regular in the St. Patrick's Day parade in Rathmore, Castleisland and Killarney.

Nurses Jacky McCull, Angela Hickey and Mairead O'Connor accept the cheque from Mike Lenihan.

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

WHY DO YOU NEED LIFE COVER?
TO PROTECT YOUR FAMILY AND LOVED ONES

If your loved ones depend on your financial support for their livelihood, then life insurance is a must, because it replaces your income when you die. This is especially important for parents of young children or adults who would find it difficult to sustain their standard of living if they no longer had access to the income provide by their partner.

TO PAY OFF DEBTS AND OTHER EXPENSES

In addition to providing income to cover everyday living expenses, your family needs insurance to cover any outstanding debts, like the mortgage, credit cards and other loans. You don't want your spouse, parents, children or other loved ones to be left with any extra financial burden in addition to the emotional burden they're already suffering.

TO BRING PEACE OF MIND & LEAVE AN INHERITANCE

We can't know when we'll pass away. It could be today, tomorrow or 50 years from now, but it will happen eventually. No amount of money could ever replace a person. But more than anything, life insurance can help provide protection for the uncertainties in life. Even if you don't have any other assets to pass to your heirs, you can create an inheritance by buying a life insurance policy and naming them as beneficiaries. Without a doubt, having life insurance coverage will bring you and your family peace of mind.

If you have any queries on the above or any other matter you can contact Dermot Cronin QFA APA at 0646622775 or dermotcroninifa@gmail.com

First-ever Community Air Ambulance Arrives in Kerry

Community Air Ambulance Service To Begin Next Month

Lives are to be saved – as Ireland's first-ever Charity Air Ambulance service touched down at Kerry Airport on Friday last.

The Helicopter Emergency Medical Service (HEMS) will enter full-time daylight hours service next month and on Friday last it flew from Wales to Kerry Airport.

Irish Community Rapid Response (ICRR) – a charity dedicated to pre-hospital care – is running the service in co-operation with the HSE National Ambulance Service.

The Air Ambulance is expected to respond up to 500 calls per year, and bring the population of a 10,000 square mile area within 20 minutes of critical medical care.

It will be tasked through the National Ambulance Service 999 / 112 call system and is supported by the HSE and Department of Health.

The helicopter will be based in Cork county, but available for missions nationwide and coordinate with the existing Athlone based Emergency Aeromedical Service.

During the next month the ICRR Air Ambulance will be touring the communities it will service to help raise awareness and support fundraising. The service will cost €2million to run annually – and is to be funded through community and donor contributions.

Wales, a country of similar size and population, has a well-established fleet of four community Air Ambulances which respond to approximately 2,000

The 35th annual Charity Cycle which took place in July this year has raised just over €1.2 million for a host of charities.

The event has once again broken the million mark, with the official announcement taking place that €1,265,375 was raised from this year's event. Official charities associated with the 35th year of the event were presented with their funds at a special reception at the INEC Killarney on Friday evening.

The cycle itself in July saw over 7,000 participants from Ireland and abroad arrive in Kerry to complete the 175KM cycle challenge

around the scenic Ring of Kerry.

The 15 main beneficiaries were divided into three main groups which included Disability Support Services, Cancer and Family Support Services and Community Care. Amongst the beneficiaries benefiting from the funds raised this year to improve and expand their services was the Ian O'Connell Trust charity. Ian appeared on the Late Late show back in May after an accident on a bike which left him paralysed from the neck down. Ian inspired the nation with his very own life motto "If I can't stand

up I will stand out". The funds raised will go towards assisting Ian with his rehabilitation and help with giving him the support he needs.

Along with the fifteen main beneficiaries that received donations, there were also twenty local communities that benefited from the event. Each of these local communities will receive a cheque of €2,000. The local communities were heavily involved in supporting, organising and volunteering for the Charity Cycle.

EARLY DETECTION

improving survival rates for breast cancer

Irish Cancer Society urges women in Kerry to be breast aware this October – breast cancer awareness month

The Irish Cancer Society is calling on all women in Kerry to become aware of the signs and symptoms of breast cancer during breast cancer awareness month this October. The five year survival rate for breast cancer patients in Ireland is currently at 85% and the Society says early detection of the disease is a key factor in this.

Early detection greatly increases the chances for successful treatment and according to National Cancer Registry of Ireland (NCRI) statistics most breast cancers in Ireland are detected at an early stage. Over 40 per cent of invasive breast cancers are diagnosed at Stage two, while over 30 per cent are diagnosed at Stage one.

Breast cancer is the most common form of invasive cancer affecting women in Ireland. The vast majority of women diagnosed with breast cancer are aged 50 to 64 (41 per cent), but younger women are also affected, with 23 per cent of diagnoses occurring in women under 50.

The Society is urging all women in Kerry to be aware of the following signs and symptoms of breast cancer:

- A change in size or shape such as one breast becoming larger than the other
- A change in the skin such as puckering or dimpling (like orange peel) or redness
- A change in the direction or shape of your nipple, especially if it sinks into your breast or becomes irregular in shape
- An unusual discharge (liquid) from one or both of your nipples
- A change on or around the nipple such as a rash or flaky or crusted skin
- Swelling in your armpit or around your collarbone
- A lump or thickening in your breast
- Constant pain in one part of your breast or armpit

Naomi Fitzgibbon, Cancer Nurseline Manager, Irish Cancer Society said, "It is important that every woman is breast aware. This means knowing what is normal for you so that if any unusual change occurs, you will recognise it. The sooner you notice a change the better, because if cancer is found early, treatment is more likely to be successful. Get into the habit of looking at and feeling your breasts regularly, a good time to do this is in the shower or bath. If you notice something abnormal for you talk to your doctor without delay. Remember most changes won't turn out to be breast cancer. But if they are, the sooner this is diagnosed the more effective treatment will be."

There are also a number of ways to reduce

your risk of breast cancer, including being a healthy weight, being active for 30 minutes a day at least five days a week, limiting alcohol intake, breastfeeding your baby, not smoking and by attending Breastcheck when called. All women aged 50 to 69 are invited to have a free mammogram every two years, see www.breastcheck.ie for more info.

To speak to a Cancer Nurse on any aspect of breast cancer contact the Cancer Nurseline on Freephone 1800 200 700, email cancernurseline@irishcancer.ie or drop into one of 13 Daffodil Centres in hospitals nationwide.

The Irish Cancer Society relies almost entirely on voluntary donations made by the public and companies to fund free services for breast cancer patients. Money raised through Cups against cancer coffee mornings will help provide advice and support to breast cancer patients in Kerry, when they need it most, through the Freephone Cancer Nurseline and 13 Daffodil Centres around the country. These services provide support to women when they are looking for answers or just need to turn to someone who understands their diagnosis. It will also fund transportation for chemotherapy patients through the Volunteer Driver Service which is vital for women who have no other way of getting to lifesaving treatment, and nursing care at home for end of life patients through the Night Nursing Service.

Supports in Kerry

- Over the course of 2017 the Society's Night Nursing service provided 21 nights of care to 7 breast cancer patients in Kerry. Night Nurses provide up to 10 nights of care for cancer patients who are at the end of their cancer journey, in their own home, during the last days of their life.
- Our Cancer Nurses on the Freephone Cancer Nurseline **1800 200 700** and Daffodil Centres answered 33 enquiries from breast cancer patients in Kerry in 2017. Members of the public can speak to a Cancer Nurse about any aspect of cancer by calling Freephone 1800 200 700 or by calling into one of the 13 Daffodil Centres nationwide.
- Volunteer Drivers transported 8 breast cancer patients from Kerry to their chemotherapy treatment last year.
- The Society helps to fund counselling services in our affiliated cancer support centres around the country. Last year we funded counselling sessions for 37 breast cancer patients from Kerry to help them cope with their cancer diagnosis.

Eoin appointed Sliabh Luachra Musician in Residence

Musician Eoin O'Sullivan has been appointed to this role and is just beginning work on this residency programme for the Sliabh Luachra area.

Over the next 12 months Eoin will be working with children in schools in Sliabh Luachra promoting awareness of the region's vast musical heritage. Eoin will also engage with music festivals, music, singing and set dance groups, local musicians and music teachers to help promote the excellent work that is being done by these groups. Eoin has an exciting and intensive programme of work ahead of him over the next year. We are looking forward to working with Eoin in his new role over the next twelve months and through this residency, to continuing to develop our commitment to work with local musicians, festivals, and venues throughout Sliabh Luachra. Eoin has been immersed in the music and history of Sliabh Luachra since childhood, mainly thanks to his father, the fiddle playing local

historian Raymond O'Sullivan. He has worked as musician since the age of sixteen and, while his own musical life has been diverse and colourful, he is most passionate about the music and culture of the area where he grew up. In 2013 he started a small school teaching local music to people of all ages and that year he also took on the role of director of Scullys Fest and has helped grow the festival to be one of the highlights of the Sliabh Luachra musical calendar.

The Sliabh Luachra Traditional Musician in Residence is a partnership with Cork and Kerry County Council, Limerick City and County Council, the Irish traditional Music Archive and is supported by the Arts Council.

CONCERN EXPRESSED AT TII INTENTION

At the September 2018 monthly meeting of Kerry County Council, Councillor Michael Gleeson asked that the Council would express grave concern at the expressed intention of the TII to eliminate Deceleration Lanes for left turning traffic, as that decision, if implemented, will most likely result in many tail-ending accidents.

Kerry County Council replied that Transport Infrastructure Ireland has issued revised standards for junction design. The provision of Deceleration Lanes for left turning traffic on single carriageway roads has been removed because of safety issues identified with such junctions. The Council is obliged to comply with this new directive when designing a new junction or working on an existing one. Councillor Gleeson expressed his deep concern at this proposal as he believes that it will result in many accidents when vehicles intending to turn left slow down, sometimes suddenly due to lack of local knowledge. Such accidents may have serious well-being consequences for people.

FINDING THE DINING TABLE THAT FITS YOUR LIFESTYLE

Gathering for celebration dinners, cosy chats and regular meals, the dining table is a place where memories are made and where families gather.

Nowadays, as the formal dining room has largely disappeared from many homes, eating areas may be part of a kitchen, a living room or somewhere between the two. So it is worth finding a dining table that is an ideal fit for your space and lifestyle. Firstly think about ensuring that the table suits the size and shape of the room. For example, choose a large round or

square-shaped table to complement a big open space. A long, banqueting-style table is better suited to a narrow space.

Consider placing your table so it follows the lines of the room and draws the eye along it. In a compact space, such as a cottage kitchen or a studio flat, a round table may be the best option.

Not only does it make moving around easier, but it will also create breathing space, helping the room to feel less 'boxy' and more 'cute'.

Round tables also work well in knocked-through living/dining rooms that can feel a

bit tunnel-like. A rounder shape at one end of the space will soften this impression.

For open-plan spaces, one way to make a feature of the table without making it feel overly formal, is to use it as a dividing zone between the kitchen and the living area.

This will help to bring the whole room together and also bridge the gap between everyday and special occasions.

If space is tight, rather than dining chairs, consider benches and stools as a more economical way of fitting several people around the table.

MYLESTONE INTERIORS BRINGS YOU FROM CONCEPT TO REALITY

Having recently been voted one of Ireland's top interior design store by House and Home Magazine, Mylestone Interiors on East Avenue Road in Killarney is without doubt worth a visit.

Set up in 2007, Mylestone Interiors began life designing and manufacturing furniture for the hotel and spa sector but proprietor Patrick Carmody saw a niche in the market and created the bespoke store which offers a full interior design service across the board. From residential to commercial, the store provide a call out service along with an in house service.

The store stocks chic & unique furnishings and accessories and is dedicated to sourcing high quality interior furnishings - both for the residential and commercial setting - and each piece is inspirationally designed with comfort in mind. So, if your preference is for exclusive interior designs - look no further.

Customers seeking 'the norm' when it comes to furnishings will be bitterly disappointed as Mylestone Interiors believe style and elegance should embellish your interior in a unique and distinctive manner, as Patrick Carmody explains: *"We offer a full package and we source products that are not available in the Irish market for both residential and commercial markets. We also supply interior designers with our wide range of pieces and what we carry is quite unique as we aim to be different by not following the norm. This allows us to step out of the comfort zone and supply furnishings which are both different and exclusive*

for customers."

The team at Mylestone Interiors can also help transform your dream ideas from concept to reality. Offering in-house and callout consultations, customers simply convey their aspirations which are then returned in a presentation, tailor designed, allowing them to visualise the finished creation using the vast collection of select pieces Mylestone Interiors have to offer.

"We will provide a full interior design service for the residential house or commercial market, such as hotels and B&Bs. We also provide a full interior design and callout service; so people can either call to the shop for a consultation, or we can visit their property where our team will work on the project and make a presentation to the customer."

Patrick continued: *"We're also agents for Farrow and Ball paint, which is the top paint in the world as it has ten times more pigment than normal paint making it ideal for renovations and bringing old furnishings back to life. Farrow and Ball also carry a wallpaper library which we are stockists of. In addition, we have a full library of fabrics and we provide upholstery fabrics and curtain making service."*

Having the perfect guest bedroom when we welcome family and friends to our homes is something that is very easy to create.

And when it comes to them staying awhile, guest bedrooms have a big role to play in helping visitors feel comfortable and at ease, hopefully sleeping soundly and enjoying a lovely lie-in.

From the furniture to the thoughtful touches, here are some tips on how to turn a guest room into a bedroom haven.

It starts with the big stuff. A beautifully crafted bed that will stand the test of time is a worthy investment. The same goes for the mattress, a quality one will indulge your guests in cloud-like comfort.

However, if you are on a bit of a budget a luxury mattress topper can be a good interim solution. Other furniture such as a wardrobe, chest of drawers and a pair of bedside tables will make your guests feel like they are very much at home. And by keeping just a few drawers spare for guests you will have the use of all this storage for your own needs. It takes time to build the perfect guest bedroom so slowly add those little touches that make it one you would like to call your own. Beautiful bed linen always creates a great impression and nothing feels lovelier against the skin than sheets and pillow cases made from high thread count Egyptian cotton. When it comes to pillows, quilts and duvets

feather and down make a sumptuously squishy combination.

Nothing makes a guest feel more welcome than the addition of some thoughtful touches on their bedside table.

Try placing a little basket or trinket tray filled with considerate bits and bobs such as scented pillow spray, a pretty pouch of lavender, a spare phone charger or some cotton pads. And if you can, pop upstairs just before bedtime to turn on the bedside lamps and light any bedroom candles. This simple thing can make a room feel so much more inviting.

After that you can confidently wish your guests a very comfortable good night.

Welcome Autumn INTO YOUR HOME

The beautiful colours of Autumn can inspire you with ways of bringing the shade into our homes.

There are lots of reasons to love rust, as it is a warm, cosy and comforting colour, wherever it goes.

Rust is a family of hues, a blending of browns, orange and reds and even though it is a strong shade, it is known in the interior design world as an 'earthy-neutral'

That means it is a tone that is easy to pair with other colours and it will act as a good base for your interiors scheme. If you want to make it a dominant shade then your walls, upholstery and furniture all have to be thought of with rust in mind. After that you can then add little pops of rust to reinforce your palette.

In a bedroom, it's your bed and the wall that your headrest is against. In a living room it is the wall that your sofa backs onto. Now think about developing

your scheme with a few contrasting tones as well as continuing your use of rust shades.

White will cut through the softness of rust so use this if you want a more contemporary and sharp feel.

Head towards sand and oatmeal colours on the other hand if your aim is a muted and wholesome vibe for your room.

If you love rust's warmth but would prefer more of a candle-flicker than a roaring fireside in your room, use it as a secondary or tertiary colour.

Along with scatter cushions and throws in russet shades, think about including other accessories.

Little details like a tan leather footstool in the corner, a table lamp whose base is painted chestnut, brown candles on the mantelpiece and terracotta pots filled with cuttings are the building blocks for giving rust a warm welcome in your home.

THE KITCHEN – THE HEART OF THE HOME

The hardest-working room in any home is undoubtedly the kitchen - always considered the heart of the home.

Whether you are planning a brand-new kitchen, or just looking to update the one you have there are some fantastic ideas out there to enhance your home's busiest room. From cooking and cleaning, to eating and entertaining, while not forgetting children's homework, a good kitchen has to function effortlessly.

Inspired by open plan living, the idea of transplanting elements from the living or dining room to the kitchen, has been

gathering pace recently.

Bringing an armchair into an unused corner or investing in atmospheric lighting, can make a kitchen feel more relaxed.

Adding other things that don't traditionally belong in kitchens such as bookshelves, rugs and indoor wall gardens, encourage us to treat this as not just a functional space but one designed for relaxation and enjoyment. Kitchens are big investments and you will want one that lasts for years, however, everyone fancies a change occasionally.

The easiest way to refresh your kitchen is to opt for solid wood cabinetry as, unlike

lacquer finishes, if you want a new look you can simply repaint the doors.

An all-fitted kitchen is the simplest route but non-fitted rooms, furnished with a series of standalone pieces are becoming increasingly popular.

Island sink units, pot boards and butchers' blocks are useful in smaller spaces and they have the added bonus that you can easily take them with you if you move house.

It seems that a clever mix-and-match approach with fitted and non-fitted elements may be the ultimate modern kitchen hack.

Paddy Dennehy & Band will be playing at K-Town Bar and Grill on Saturday October 13th. The first full band show to a mesmerised audience at Electric Picnic's 'Trailer Park Stage' left no one in doubt that they were seeing the beginning of something quite special indeed. He has performed with some of the greatest acts in Ireland and abroad (Imelda May, Mick Flannery, Lisa Hannigan to name a few...) Paddy Dennehy's debut album "Strange Wings" will be released in early 2019. References to Nick Cave, Randy Newman and Leonard Cohen can be heard throughout the album suggesting a classic school of songwriting where each lyric has clearly been carefully chosen and every melody crafted with the utmost care in pursuit of the timeless song. ST BRIGID'S SECONDARY SCHOOL KILLARNEY EXHIBITED FOR THE FIRST TIME AT CULTURE NIGHT IN KILLARNEY, SHOWING THEIR AMAZING ART WORK WERE SHAUNA O'MAHONY, LEFT AND ELAINE PARKER. CULTURE NIGHT COINCIDED WITH VENUES AND PUBLIC SPACES ACROSS THE ISLAND OF IRELAND WHO OPENED THEIR DOORS TO HOST A PROGRAMME OF FREE LATE-NIGHT ENTERTAINMENT, AS PART OF AN ALL-ISLAND CELEBRATION OF ARTS, HERITAGE AND CULTURE. NOW IN ITS THIRTEENTH YEAR. PHOTO: VALERIE O'SULLIVAN

RECORD NUMBERS For Culture Night 2018

PHOTOS: VALERIE O'SULLIVAN

Where Cultures Collide... Kampala to Killarney, A musical journey of songs and stories with the best of African & Irish culture at St. Mary's Church of Ireland, Samuel Kiwanuka, Rosie Healy and Tim O'Shea. Culture Night coincided with venues and public spaces across the island of Ireland who opened their doors to host a programme of free late-night entertainment, as part of an all-island celebration of arts, heritage and culture. Now in its thirteenth year.

Perhaps it was the occasional sunshine and the drier skies after Storm Ali, but Culture Night proved a great success all around the county tonight. Numbers were up on last year and the early estimates indicated that crowds of almost 6,000 people attended various events across the county. Artists, arts organisations and arts centre offered up a diverse selection of free events late into the night. The evening was supported by the Department of Culture, Heritage and the Gaeltacht and the Creative Ireland programme in partnership with Kerry County Council.

Key events in Tralee, Killarney, Listowel, Dingle, Cahirciveen saw record numbers and the towns of Killorglin, Ballinskelligs, Waterville, Fossa, Castleisland, Scartaglin, Tureencahill, Ballybunion and Lixnaw had full houses at their events.

In Killarney, Culture Night started early at St. Brigid's Secondary School, the first school in the county to put on a special event for Culture Night. "We have a wonderful young group of creative minds in our school and it is not often that their hard work, dedication and high standards in art is seen outside of the classroom, so we were delighted to be part of Culture Night", said Alice Quilter one of two teachers, along with Fiona Archibald and Kate McEroy who also worked on the event at the school.

The work of professional artists was on view at Kerry Visual Arts Showcase at

Government Buildings, in a show that runs until 16th October. The Showcase is an opportunity for the recent work of visual artists to be shown in Kerry and all work is for sale. Killarney's events were very well attended again and joining the line-up this year was pianist Criostóir O'Loingsigh with an event that linked the music listened to in Killarney House to the people who lived in the great house through the centuries. Kerry Diocesan Youth Service received very positive acclaim for the creative and cultural work of the 'Rooted' project which links to young people living in direct provision in Kerry, while a great vibe was left across the town and out to venues like the Brehon and Muckcross House and farms who did not even have standing room available with the interest shown in their events. "Over-all we had 60 events in thirteen towns using forty-nine venues right across Kerry, and we want to thank all the artists, event organisers, ambassadors and audiences for making Culture Night the very special occasion that it was this year", said Kate Kennelly, Arts Officer and Creative Ireland Kerry Co-ordinator at Kerry County Council. It looks like Kerry can be very proud of its cultural community and events are already in the planning for 2019. Time to look forward to next year already!

Kilcummin I.C.A. Celebrate 40th Anniversary

Kilcummin ICA members celebrated their 40th anniversary on Friday 21st September last with Mass, celebrated by Fr. Eamonn Mulvihill followed by a get together at the church. The guild was officially formed on the 21st of September 1978 and the opening was organized by Peggy Coughlan and Joan Collins.

The first president was Judy O'Connor and there were 24 members with officers rotating every three years.

Judy is our current president and the group is lucky to have five of the original founder members still involved including Joan Collins who was a member of Fossa ICA until it closed and is now a member of Kilcummin.

The Kilcummin ICA group meet on the first Wednesday of each month September to May and each week the group has a different speaker.

On other Wednesdays the group meet for craft work including knitting and crochet with all meetings take place in the Rural Development office in the village.

The group organise many outings during the year including their annual charity walk which takes place in June.

"We have had many wonderful ladies in our Guild over the years. Some who joined other activities or sometimes returned to us and sadly others who have passed away

R.I.P and are often spoke of remembered fondly", Eileen Moynihan, Secretary of the group told the Killanrey Outlook.

"This year we have 22 members who came together to celebrate the anniversary with mass and refreshments afterwards", she added.

The group are currently planning a day trip on the 13th of October and would be delighted to welcome any ladies who would like to join them. For more information contact any of our members or our secretary: Eileen Moymlan.

All aboard for Legion's Club Day Out

Killarney Legion GAA held a fantastic club day out last Sunday with a tour of the National Park and all agree it was a resounding success! Upwards of 100 club members took to the lakes and mountains of Killarney to enjoy nature at it's finest. The Gap trip is made by many thousands of tourists to Killarney but surprisingly few locals get the chance to do it so all members were delighted to tick it off their bucket lists. They started from Ross Castle with a boat trip to Lord Brandons Cottage with Donal "Dux" O Donoghue as well as his wife Breda at the helm. They then took an unscheduled stop on historic Inisfallen island, which was a first for many among the boats. Club man and local historian, Tommy Galvin gave them some of the rich history of the island. They had lunch at Lord Brandon's Cottage with plenty of

tea and sandwiches. The group were blessed with lovely weather as they followed this with a 10km walk through the Gap of Dunloe to the famous Kate Kearney's Cottage. They finished the day on the Big Red Bus which brought them back to Ross courtesy of Pat Moynihan. It was the perfect end to the perfect day. The club wishes to also thank Timmy O' Donoghue, Killarney Brewery, for his generous support. Undoubtedly, there will be many more great club days out to follow.

Driver Distraction

Driver distraction is a diversion of attention away from activities critical for safe driving toward a competing activity. A distraction can often occur simultaneously – at times resulting in a complete loss of control. Distraction can be visual, manual and cognitive.

Based on international evidence it is estimated that driver distraction could play a role in 20-30% of all road collisions in this country. This means that driver distraction could be a contributory factor in over 1,400 fatal and injury collisions annually.

CHILD DISTRACTION: The two biggest distractions for drivers in Ireland are the mobile and children. But did you know that child distraction could be the more lethal? According to researchers at Monash University in Australia they are 12 times more distracting to a driver than talking on a mobile.

The study also found that on average a parent takes their eyes off the road for three minutes and 22 seconds during a 16-minute trip. The most common types of distractions that children cause include the driver turning to look at the child or watching the goings on in the back seat in the rear-view mirror, engaging in conversation with the child, leaning into the back to help or pacify the child and even playing with the child.

This is the subject of the first of two new ads from of the RSA on the subject of driver distraction over the Summer of 2015. The first ad which was aired on Monday 15th ad deals with child distraction and is entitled 'Looking Back' [insert link]. (A second ad will follow later in the summer and deals with the issue of mobile phone distraction).

In the 40 second ad we see a woman looking back, over the duration of her entire life. She's looking back with regret at something that happened many years ago. By the end of the advertisement, we see what this event was. The moment she looked back in a very concrete sense – looking back to her child while she was driving. We cut before she crashes into an oncoming car and loses this child forever.

• We end with the message: Don't lose a lifetime looking back.

• Never let a child take your focus off the road. Pull over if you have to.

• The cost is too high to take your focus off the road to look at your child for even one second.

• We're asking drivers to give the road all of their focus, and if they need to, to pull over.

BEING A GOOD PARENT MEANS BEING A

GOOD DRIVER: When it comes to children in the car, parents are resigned to the distraction they cause and sceptical of finding a permanent solution. That's why we need to educate parents about the risks of focusing on their children rather than the road.

The RSA undertook research in this area in 2014 to understand what was going on in the car with parents and young children. We asked parents to keep a diary and what they had to say was very revealing.

• It found that parents are conflicted. They are trying to be a good driver and a good parent at the same time. They are torn between looking after the child, and they struggle to put the child's more immediate needs behind the task of safely driving the car.

• A good parent wouldn't ignore their kid screaming in the back seat without at least trying to intervene. Yet the very act of attempting to attend to their children's needs, makes them bad drivers and puts their children in mortal danger.

• Parents of young children are busier than most and see their car as an extension of the home and a necessary place to multi-task. For parents, driving with children on board, can be an experience filled with anxiety, guilt, frustration and irritation.

• In the RSA study we asked parents to gain a fresh perspective. Parents consciously took a trip without children and asked to note any differences. It was a revelation for some when it came to their driving and they realised they needed to do something.

• The aim of this new campaign is to educate parents on the risks that children pose as a distraction in the car. We want parents to understand that the things going on outside the vehicle need their attention much more than the things inside it.

TIPS FOR PARENTS: The best advice is to give serious thought to your children's needs before you all jump into the car. One solution

in reducing driver distraction, according to the Monash University report, is the correct restraint of children in their car seats.

• The RSA sees it regularly at its Check it Fits child car seat service. Think how you would feel on a trip in the car sitting in a seat that's incorrectly fitted, wearing layers of padded clothing and the straps not adjusted correctly so they're cutting into your shoulders? It certainly explains some of the constant crying and trying to get out of the seat behaviour of some children. The Australian researchers found the children in their study were in the incorrect position for over 70 per cent of the journey time. Three quarters of child car seats we examine here in Ireland are incorrectly fitted. Ensuring your child is properly restrained in the correct car seat could eliminate a big cause of distraction while driving for parents. If they do start acting up once the car is in motion, keep your attention on the road. If you feel you absolutely have to intervene, find a safe place to pull over in order to do so, but under no circumstances on the hard shoulder of a motorway. Otherwise stay focused on the driving. Everything and everyone else can wait. You have spent every waking moment working hard to protect your children, don't jeopardise this because you didn't make in car safety your single-minded priority.

If you want to be a good parent in the car, focus on being a good driver.

Visual discomfort

WHAT SHOULD I DO IF I'M EXPERIENCING VISUAL DISCOMFORT?

The first step is to have a sight test, to check your eyes are healthy and find out whether a pair of glasses or contact lenses would help. The next step is to follow our tips for avoiding visual discomfort. These simple steps help a lot of people.

- Even lighting – avoid bright light sources in your field of vision. Be aware of glare from windows and consider closing curtains or blinds to reduce this
- Reduce glare from screens – adjust the screen position to reduce the glare from overhead lights
- Take regular breaks – be sure to regularly take time away from your screen or near tasks, such as reading, during your day
- Hold digital devices further away – holding phones and tablets close to the eyes involves more effort to maintain focus. Holding these devices, a little farther away can help reduce eye tiredness

If glasses are required certain lens options may help.
Hoya blue control lens is a lens with a coating designed for digital lifestyles which ensures a more relaxed and comfortable vision.
This protective coating reduces the blue light emitted by digital screens. It is the optimal solution for people who use digital screens throughout the day, including students, gamers, young professionals, office workers and children. In addition to protecting the eyes, the coating provides a higher contrast and a more relaxed viewing experience.

"This procedure saved my life"

BON SECOURS HOSPITAL TRALEE
Advanced Medicine. Exceptional Care.

Peter is originally from New Zealand and moved to Fries, Co. Kerry with his wife Helen in 2001. Pete and Helen have two boys Isaac (9) and Ryan who is 8. Peter is involved in his local GAA club where he helps train the up and coming under 6 team.

During a family excursion to Killarney in 2011, Peter began to experience what he thought was indigestion. However, when this did not resolve with over the counter medication he decided to visit his GP. Peter was admitted to the Bon Secours Hospital Tralee under the care of Dr Louis Keary, Consultant Cardiologist, and his team.

“After running some tests, the Cardiology team in the Bon Secours told me that I had suffered a heart attack. I was immediately admitted and I had a coronary angiogram where two stents were inserted. This procedure saved my life.

Dr Louis Keary and his team diagnosed Peter with heart disease and advised him to have yearly check ups.

“Dr Keary kept a good eye on me and two years after my first two stents were inserted, I had a further stent inserted. This year during my annual check up, I had a positive stress test and had a fourth stent was inserted.

The yearly trips to the Cardiology Department of the Bon Secours is made somewhat easier for Peter as the majority of the staff he met in 2011 are still in place and know him so well.

“All heart problems are comprehensively evaluated at the hospital and we can pick up early on any problems.

We have screening for patients who due to family history, may be at risk of developing heart problems.

There are great resources available in the Bon Secours to help people. A GP can refer patients directly for diagnostics in order to establish a good baseline of understanding.

We assess all aspects of heart trouble such as weight, blood pressure cholesterol and lifestyle.

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

Boxing for Weight Loss - Part One

It's no surprise that boxing classes are making a comeback on the fitness scene. These high impact aerobic workouts pack a serious punch. They not only work on resistance through impacting the pads with punches and kicks but also give you serious High intensity calorie burning intervals just like a hiit session. The only difference is that your rest periods are holding the pads for your partner which is a serious upper body workout at rest. Win win.

Boxing was my original passion when I first got into fitness and teaching. For me it was a massive stress relief, a way of keeping in shape, socialising and working my body outside the comfort zone I would stay at in the gym. I loved the Buzz of the high energy in a boxing class and the "feeling good" vibes that everyone around you were releasing. For both men & women boxing can have a profound impact on mood and release as they may never get an opportunity to just let go and unleash and let their wild side out. Boxing allows you to get aggressive and let go of tension in a controlled and fun way. Think of it like anger management. Often people become withdrawn & are afraid to express themselves in case they insult anyone so boxing is a massive confidence booster in this respect.

I have seen so many friends, family, and clients change their body shapes through boxing. Some fitness gurus have even reported calorie expenditure in a class to anything from 500calories to 1000cals per workout! So it's no surprising it is quickly making a comeback.

Astrid Longhurst
Life & Body Confidence Coach

What are you creating?

This week I taught the first day of my Body Confidence Coach Certification training course. It was a wonderful day as we explored the power of what we are creating in our lives. When you realize that you are the architect of your life and how you experience the world and the other people in it, you are able to step into what you truly desire. So often we feel powerless or as if life is something that is being done to us. However, we have the immense power to change this. We do this by changing how we view the world, how we speak and what we talk about. We begin to dream our most fulfilled life into being by understanding that we are always creating something, even when we think we're not. There is a saying that what you think and talk about, comes about. It's a powerful concept when you realize that you hold more power to shape your body and your life than you ever knew was possible.

Coaching Action Plan

As you go through your day, become aware of what you are focusing on. Are you seeing all of the wonderful positive things that are happening in your life? Or are you focusing on all the negatives? It's a great first start to becoming aware of what you are creating in your life. And if you don't like what you are experiencing in your life, try changing your thoughts to what you would prefer instead and dwell on these! The quality of your results will depend on how much you practice this technique.

HANDBALL NEWS

DAIRE HEADS FOR CROKE PARK:

Kerry fans will be heading for Croke Park again next weekend but this time to the Handball Alley. Ballymac's Daire Keane is through to the All Ireland 60x30 Minor Singles Final where he will face Kilkenny's Jack Holden this Saturday at 2pm.

The Kerry player saw off Galway's Fiachra Mulkerins in the semi-final and is in good form going in the decider.

Daire will be looking to following the footsteps of an illustrious list of players that have won All Ireland 60x30 Minor titles. These are Murty McEllistrom in 1962, Maria Daly in 2002 and 2003 and Aahley Premdeville in both 2005 and 2006.

Dominick Lynch is also looking forward to another All Ireland final following his win over Galway's Ollie Conway in the semi-final 21-3, 21-10. His final opponent is not known yet.

KILLARNEY RFC NOTES

SENIORS V TRALEE:

Last Sunday, Aghadoe was the venue for the first match of this years new season as Killarney welcomed Tralee RFC in the first match of Division 3. A bumper crowd was on hand to witness proceedings as our Girls U12's played a demo match just before the main event and

thoroughly enjoyed themselves. We also had two mascots - Lachlan Scannell and Naoise O'Connor who led the lads out and posed for photos with the Killarney and Tralee captains Peter Kelly and Micheal Maher.

A cracker of a match saw the visitors the victors on a 12-5 scoreline with scrumhalf Paul O'Sullivan and Ian Roche crossing the line and Oisín O'Shea converting once. The last five minutes saw Peter Kelly's men camped on the Tralee line but unfortunately couldn't convert to a score for the win. All in all a tough defeat for the lads but the scrum was very strong and they will look forward to the trip to Dunmanway next weekend for the next match. Man of the match James Allman was sublime.

It was fantastic to see the small army of ball boys/girls on the sidelines and a huge thanks has to go to everyone who helped out on the day!

Match Reports – Skechers National Cup:

Both sides needed to get something from this game – the 5th time they had met this season and with both sides dominating a half each a draw was probably a fair result.

Lee Kelly Obi put the visitors 1-0 up in the 22nd minute with Cillian Cooney volleying Kerry level in the 54rd minute following a Cian Brosnan free kick.

Celtic win the 12's National Cup Killarney derby: The Killarney Celtic versus Killarney Athletic derby in the 12's National Cup Round 2 was played under lights at Celtic Park in midweek. The goals came from Joey McCarthy and Fiana Bradley with Oisín Fleming pulling the string in mid-week. But Celtic needed Pierce Moynihan in goals to be in top form while defenders Tom Purcell and Cillian Murphy also stood tall.

5 Kerry sides progress in the 13's National Cup: The uneven ages for the National Cup began on

a high note for a number of Kerry sides. In the Skechers 13's Round 1 Listowel Celtic won the all Kerry battle defeating Killarney Athletic 2-1. Oisín Lynch got the goal for the Killarney side. Castleisland who led 2-0 at half time proved to be the stronger in extra time as they defeated Corbally United 5-3 after extra time. The game finished 3-3 at full time. Castleisland are now through thanks to goals from Killian Dennehy and Mint O'Connor who both hit 2 each and David Healy who got the other goal.

In Round 2 going through are The Park who defeated Iveragh United 6-1. Andrew Kerins hit a hat trick and these were added to by Jay Jay Olajitan, Odhran Kerins and Ryan McMahon with Kerins having assists in all three goals.

Killarney Celtic had it mostly their own way at home to County Limerick Shoustrade AFC. With Jamie Moynihan dominating amongst the Celtic scorers were Mikey Murphy, Josh Bowler and Mikey O'Grady. The home side were 4 up at the break and this was doubled by the final whistle. There was hard luck for Tralee Dynamos as they lost out 4-3 away to Broadford after extra time. Pierce Lowth, Eoin O'Flaherty and Adam Evans while Shayne Stack also thought he scored from a tree kick but inexplicably the referee disallowed it.

National Cup 15's Round 3 beckons for Kerry sides:

Killarney Celtic are into Round 3 thanks to a 2-0 win at home to Castleisland. The Park went to Murroe and came back with a 5-0 win. The goals for the Tralee side came from Killian Murphy2, Sean Hill, Colin Doody and Sean O'Connor.

Killorglin had a very good win away to Holycross. Eoghan Hassett hit 3 with the other goals coming from Ryan Diggin, Daragh O'Grady, Brendan Casey and Cillian Foley. Ballyhar will be delighted with their 2-0 away win at Murroe. Stephen Palmer and Luke Ring got the goals.

Killarney Athletic and Tralee Dynamos are out going down to Shannonside and Fairview Rangers respectively.

VIT HIT League Round Up:

Killorglin B were 4-2 winners over Camp Juniors

in the Daly's Supervalu 13's Division 1. Killorglin were 2-0 up thank to goals from Shane Clifford and Cian O'Brien. Camp Juniors pulled one back through Devden Mukherjee but a more experienced Killorglin side hit two more before the break from Jesse O'Reilly.

Credit to this Camp Juniors young side they took the game to the opposition in the second half and got the only goal of the period when Diarmuid Waugh scored directly from a corner. Paudie Fitzgerald put in a player of the match performance.

Inter Kenmare and Dingle Bay Rovers played out an exciting 3-3 draw with James Hoare 2 and Cian McGearailt getting the goals for the West Kerry side. For the home side Player of the Week Barry Fitzsimons hit 2 with Zack O'Shea getting the other goal.

Both Park sides and Fenit win in 13's Division 2 North:

The Park C were too strong for Listowel Celtic B and took the point thank to Brayden Pierce, Ryan Driscoll, Ciaran O'Connell, Ronan Carroll, Sam Slattery, Jamie McCarthy, Noah Carroll and Jerry Lynch who all hit the net.

Fenit just got the better of LB Rovers in a 7 goal thriller. Aaron Harty and Tom Quilter both hit two each for Fenit who saw Billy Doyle put in a great performance in midfield. Leigh Meehan hit two for LB Rovers with TJ O'Sullivan getting the other goal. The Park B were 3-0 winners away to Castleisland B and their goals came from William Jakovi and Eldion Tapoli.

Mid-week and weekend action in 13 Division 2 South

Dingle Bay Rovers had a good week in Daly's Supervalu 13's Division 2 North winning in midweek and at the weekend. Firstly they beat Killorglin B 6-2. In the game Oisín O'Dowd and Darragh Lynch got the goals for Killorglin but two from Patrick Cahill and Pdraig Manning and one each from Edgar Mulaviv and Kiernan gave the West Kerry side the points who had Cathal Farrell as their player of the match.

On Saturday goals from Edgar who hit 3 as did Patrick Cahill and one each from Jack Sheehy and Pdraig Manning saw them see off Mastergeeha B whose goals came from Barry Collins and Jack O'Brien.

MEK were also in goal scoring form as they won at home to Killorglin C. James Clifford, Aaron Dinham, Tom O'Dowd, Cian Fleming and Noah O'Shea got the goals with Dinham the stand-out player from an all- round good team showing.

It was much closer in Murt Scott where the home side just saw off Killarney Athletic B 3-2. Daithi O'Shea, Michael O'Sullivan and Kristupas scored for the home side while Daire Kingston got both the goals for Athletic.

8 goal thriller in 15's Division 1:

Mastergeeha and Fenit could not be separate as both sides shared the points in an 8 goal thriller. Mark O'Shea, Daire Callaghan, Donagh Fahy and Dara Fitzgerald got the goals for the home side in Kilbrean Park. Eddie McCarthy hit three for Fenit with Robert Monaghan the other goal. Ben Donnellan was excellent for the visitors at centre back.

Three games in the 15's Division 2:

MEK came from behind to defeat Listowel Celtic B 2-1 with both their goals coming in the second

half. Sam Griffin and Kevin Harant got the goals with captain Daire McCarthy leading the way from central midfield. Tralee Dynamos and Killorglin B drew 3-3. Eoin Lynch, Oisín Lynch and Sean Browne got the Killorglin goals who had good performance from Ryan McCormack and Eoin Joy. Inter Kenmare and LB Rovers also played out a 3-3 draw. Adem Gul2 and Sean Treyvaud were on the mark for Inter with Kieran O'Connell hitting all three for the Rovers.

A fantastic win for our U15 makes it 2 from 2 again this weekend! Well done lads!!

U15: Listowel Celtic 1 - 2 MEK

Our u 15s did themselves and the Club proud with this victory away to Listowel Celtic in Our second league game this new season.

Playing into a strong wind in the first half brought many challenges to the team and gave Listowel a big advantage with which they capitalised on when they went 1 nil up after 20 minutes. Sam Griffin sprinting off the left wing with 10 minutes gone in the second half pounced on a cross ball 30 meters out and blasted the ball into the top right corner to bring MEK back to 1 all. The lightening bursts of speed from our striker Kevin Harant at this point was giving the Listowel defence all sorts of problems and the direct ball played over the top to him paid off when with 15 minutes remaining he left the defenders trailing and had a super finish to put a rocket of a shot into the Listowel net

We finished out the game as victors thanks to how the entire team withstood and broke down several listowel attacks in the final 10 minutes.

MASTERGEEHA FC

U13 DIV 2

Dingle 6 Mastergeeha 2. The boys made the long trip to west Kerry on Saturday. In the game the home side were much stronger but the boys battled hard with Jack O'Brien and Barry Collins getting the goals.

U15

Mastergeeha 4 Fenit 4. In this entertaining game the visitors started the better and were two goals up after 10 minutes. Just before the break

Mastergeeha got a goal back when Donagh Fahy scored. In the second half the scoring continued with Darra O'Callaghan, Darra Fitzgerald and Mark O'Shea scoring for Mastergeeha.

U17

Tralee Dynamos 6 Mastergeeha 3. The score really doesn't reflect the way the match unfolded as Geeha had a number of great chances throughout, hitting the woodwork twice only to come away empty handed against a good Tralee team. They found themselves 4-1 down at HT as Dynamos scored 3 fortunate goals before Paudie Murphy slotted home after being put through by Ian O' Connor. Darragh O'Riordan kept his goal scoring run going as he volleyed home from 6 yards early in the 2nd half but the home team replied to take control again. Ian O'Connor finished the scoring when he showed great control and skill to volley home after a good ball from Philip O'Leary. A great effort by all involved with Daniel Herlihy outstanding at the back.

SENIORS

Mastergeeha 0 Mainebank 3. In the opening half Mastergeeha played the better soccer but where a goal down at the break. James Nagle and Jer Sheehan had the best chances for the home side. In the second half Mastergeeha continued to push but Mainebank defended well and scored late on.

LISTOWEL 2 KILLARNEY ATHLETIC 1

Under 13's got their season up and running with a tough away game to Listowel in the National Cup and after a poor start conceding a goal in the first minute and in the 15 minute went in at half time 2-0 down. In fairness in the second half they came out all guns blazing and were unlucky not to get a couple of early goals, eventually 1 came from Liam Cronin and despite pressing hard the clock ran out and we went down on a scoreline 2-1. Overall a good performance for our first game of the season and looking forward to what should be a very competitive league.

DR CROKES NOTES

LADIES EAST KERRY U 14 FINAL

The club's Under 14 girls finished off their competitive season with a fine win in their Division 2 B Final v Milltown/Listry. It didn't take the girls long to get over their excitement of playing in the hallowed arena of the Fitzgerald Stadium. After a few early misses for points they got into their stride and opened up a four point gap in the first quarter. Milltown/Listry had our 6 defenders busy for the following 15 minutes, but credit to them all, they, worked extremely hard with fine blocking and dispossessing, which gave the forwards ample opportunity to add further points resulting in Dr Crokes taking an eight point lead to the dressing rooms at half time. After the first score of the second half by Dr Crokes, it was our opponents who found their rhythm and had their supporters off their feet with excitement. It was at this critical spell that Milltown/Listry were awarded a penalty, but a fantastic save by Faith Lockett had Crokes supporters cheering and it also led to a score for the team directly from that play. Now with their tails up, Dr Crokes played some lovely combination football with all the girls supporting each other throughout the field. They added a further goal and a point to finish on a scoreline of 1-10, enough to see the team captain Debbie Maye be presented with the East Kerry plaque by Ladies East Kerry Board Chairman David Randles.

Both teams enjoyed the opportunity to play there. To the O'Sullivan family (Safe Hands Dry Cleaners) for their support through their sponsorship of a set of jerseys for the U 14 girls. Keane's SuperValu County Minor Final:

East Kerry 1-19 St. Kierans 0-9

Patrick D'Arcy and Shay Walsh (f) swapped early scores before David Dineen (2), Paul O'Shea, and Patrick D'Arcy put East Kerry ahead by 0-5 to 0-1. With the help of a strong wind and O'Shea, Darragh Lyne, and Darragh Rahilly controlling midfield, East Kerry were able to keep St. Kierans pressed in their own half for the most part but got a real let-off when Dan Murphy cleared Shay Walsh's effort off the goal-line. Walsh did convert another free and David Dineen and Danny Hickey traded points, but then the relentless pressure by East Kerry began to tell.

David Dineen slotted two points. Patrick D'Arcy and Sean Doherty split the posts. Darragh Lyne converted a long range free before Kieran O'Donoghue finished off a good team move to make it 0-12 to 0-3. East Kerry lost the hugely influential Paul O'Shea to a red card before Luka Brosnan and Darragh Rahilly traded scores to close out the half.

Half-time East Kerry 0-13 St. Kierans 0-4

St. Kierans emerged in determined fashion. Sean Horan cleverly/everly diverted a long ball over the bar, twin brother Eddie scored from distance, and Sean won a free converted by the injury hampered Paul Walsh. 0-13 to 0-7.

However, East Kerry remained cool and collected. Sean O'Keeffe, David Dineen, and Sean

Doherty (2, 1f) saw them pull well clear again before Darragh Lyne slammed in a goal with ten minutes remaining. David Dineen and Eddie Horan swapped a brace each before the final whistle.

County Board Chairman Tim Murphy presented the Cup to East Kerry captain Cian O'Shea while Dan Murphy was deservedly named man of the match.

Well done to Aidan Cahill and his management team, players and supporters on a third County minor title on the trot for East Kerry.

Spa Ladies won the coveted Junior A Championship cup last Sunday. They had tough competition against Milltown/Listry in sunny Castleisland. This win was a great team effort from the goalie Linda Bruggener, pulling off some great saves. Our backs Sinead Cronin, Kate Maher, Mairead Bennett, Elizabeth Stack were superb. Loretta Maher controlled the centre of the pitch. While our forwards were on song. Lynn Jones notched up great scores along with Mairead Finnegan. Young Ciara Moynihan was all over the pitch but player of the match would go to the energiser Claire Moynihan. She ran every blade of the field to defend and score to help secure our victory. Well done to all the team and mentors Tim O'Connor and Donal O'Doherty. They meet the winners of Cork on Oct 6th.

Highlights from the Spa Ladies Junior Cup A Win in Castleisland on Sunday against Milltown Listry.

Three in a row for East Kerry Minors

ST KIERANS 0-9 EAST KERRY 1-19 | By Donal Barry.....

14 man East Kerry regained the Keanes Supervalu County Minor Football crown for the third year in a row with a comprehensive victory over St Kieran's today played at Austin Stack Park playing well over half the game a man less. In the end, the twelve point winning margin was a true reflection of Aidan Cahill's mens dominance who stuck to the script having headed into the contest as raging hot favourites.

St Kieran's would have been happy with their opening quarter, playing into the teeth of a significant wind as they trailed 0-5 to 0-2 after 15 minutes.

East Kerry despite their dominance at midfield with Kerry minors Paul O'Shea and Daragh Lyne, ran up 4 wides in that opening period as a gritty Castleisland District stuck to their task.

However, their chances of preventing East Kerry from taking another crown took a severe dent when they hit a purple patch hitting six points in just five minutes of play to surge ahead 0-12 to 0-3 by the 27th minute.

East Kerry's momentum only interrupted when Paul O'Shea received a red card.

Luka Brosnan and Daragh Rahilly would swap points to leave East Kerry ahead 0-13 to 0-4 at the break.

A determined St Kieran's did emerge from the dressing room and kicked three points inside the first three minutes of the restart to reduce the lead back to just six (0-13 to 0-6) with brothers Sean and Eddie Horan each pointing before Paul Walsh got his first of the day from a free.

Incredibly, however, it was 14 man East Kerry who were to regain control of the game for the next ten minutes and went onto score the next four points unanswered before Daragh Lyne found the net on the 52nd minute to put the tie completely beyond doubt.

Eddie Horan like he did all day took the fight to the champions and fired over a wonderful point from 50 yards on the 53rd minute to make it 1-17 to 0-8 and added another "45", a few moments later as St Kieran's tried to get back into the contest.

Luka Brosnan and both Eddie Horan had goal bound shots stopped by Mark Kelliher late on in the match, the later effort needing man of the match Dan Murphy's intervention to take it off the line.

The announcement of Six minutes of added time probably gave patrons more to talk about as the game ground to an inevitable conclusion as East

Kerry ensured they engraved their name on the cup yet again as County Board Chairman Tim Murphy presented it to Cian O'Shea.

For 2018, you may claim an Earned Income Tax Credit of €1,150 (increased from €550 in 2016 and €950 in 2017). However, if you also qualify for the Employee Tax Credit (formerly known as the PAYE tax credit), the combined value of these 2 tax credits cannot exceed €1,650.

Know Your Rights:

QUESTION

I would like to make a will. Do I need to go to a solicitor or can I draw up the will myself?

ANSWER

It is important for you to make a will because, if you do not, the law on intestacy decides what happens to your property in the event of your death.

Writing a will can ensure that proper arrangements are made for your dependants and that your property is distributed in the way you wish after your death (subject to certain rights of spouses or civil partners and children). You can draw up a will yourself or you can hire a solicitor to help you. All of the following legal requirements apply:

- The will must be in writing.
- You must be over 18 (unless you are or have been married).
- You must be of sound mind.
- You must sign or mark the will or acknowledge the signature or mark in the presence of two witnesses.
- Your two witnesses must sign the will in your presence.
- Your two witnesses cannot be people who will gain from your will and they must be present with you at the same time for their attestation to be valid. The witnesses' spouses or civil partners also cannot gain from your will.
- Your witnesses must see you sign the will but they do not have to see what is written in it.
- The signature or mark must be at the end of the will.

If any of these requirements are not met, the will is not legally valid. If you want to change your will after you make it, you can add a codicil (amendment or change) to your will. This codicil must meet the requirements set out above. You should keep an updated list of your assets. You can use a form to record where your possessions are kept. This makes it easier to identify and trace your assets after you die. You should keep the list in a safe place.

He leaves the stage having made an enormous contribution to Kerry and does so in the knowledge of having left a lasting legacy of excellence for the next generation of players to aspire to. Donnchadh is a proud Cromane man and it was fitting that he chose to announce his retirement on the Cromane Social Media pages. Donnchadh is highly respected throughout the county and it was lovely to see Milltown/Castlemaire provide him with a guard of honour at their game last weekend. On behalf of all involved in Kerry GAA, we wish to sincerely thank Donnchadh for all he has done and wish him the very best in the years to come.

KEANE'S SUPERVALU MINOR CHAMPIONSHIP

East Kerry 1-19, St Kierans 0-9

East Kerry have been crowned Minor Champions for the third consecutive year. They faced St Kierans in this year's final. The holders made good use of a tricky breeze in the first period and put the St Kierans kick-out under massive pressure in taking a nine-point lead at half-time. East Kerry led by 0-5 to 0-1 after 12 minutes but a key moment came three minutes later when St Kierans' Sean O'Connell put Shay Walsh through for a goal chance that centre-back Dan Murphy managed to clear off the line with David Dineen subsequently scoring down the other end for the defending champions. A Danny Hickey point for St Kierans made it 0-6 to 0-3 after 18 minutes but East Kerry really stepped it up a gear from here with six consecutive points to lead by nine with five minutes of the first period remaining. Sean Doherty, Patrick D'Arcy, Darragh Lyne, Kieran O'Donoghue and Dineen were amongst the East Kerry scorers but they finished the first-half down to 14 men following a straight red card for Paul O'Shea in the 28th minute following an incident with St Kierans' Cathal Dunne. Luka Brosnan and Darragh Rahilly exchanged points in the half-time score being 0-13 to 0-4 in East Kerry's favour. With the aid of the breeze and a numerical advantage, St Kierans came out with more purpose in the second-half, brothers Sean

and Eddie Horan with points alongside a Paul Walsh free to make it a six-point game. East Kerry settled once Sean O'Keeffe got their first score of the second-half in the 37th minute though as the contest veered towards the three-quarter mark an air of inevitability about the result started to take hold. Team Captain Cian O'Shea had a shot at goal saved in the 48th minute by St Kierans Brian Loneragan before Doherty put over the rebound. East Kerry did find the net four minutes later when the impressive Darragh Lyne was put through for a goal that had East Kerry 1-17 to 0-7 to the good after 52 minutes. Eddie Horan did manage to convert a '45' for St Kierans before the end and both substitute Josh O'Keeffe and Brosnan had efforts at goal but Marc Kelliher and eventual Man-of-the Match Dan Murphy managed to deny them in both instances. Kerry Minor Manager and competition sponsor Peter Keane was on hand to present the Man-of-the-Match award to Dan Murphy while County Board Chairman presented the cup to East Kerry Captain Cian O'Shea.

ANNASCAUL ARE CAHILL CUP CHAMPIONS

Annascaul and St. Mls Foilmore contested the Cahill Cup final on Saturday last at the picturesque Cromane pitch. Both sides enjoyed periods of supremacy in a most entertaining, sporting and very exciting game with the South Kerry lads staging a major comeback rally to briefly claim the lead in closing moments. However, the Annascaul lads grasped vital scores in added time to claim victory on a scoreline of 1-12 to 1-11. Extra time looked on the cards in those closing exciting moments and tremendous credit goes to both teams on their endeavours. It was heartbreak once again for a gallant St Mls. Foilmore men who also lost out to Ardfer in last year's final. Emmet Kennedy accepted the Cup for his Annascaul side managed by John Lenihan and Tom Kennedy.

COUNTY BOARD MEETING

The next meeting of the Board is on Monday, October 8th at 8pm. All delegates are asked to attend. On the night the name of the new manager and his management team will be put to the floor for ratification.

Back to back victories for Lakers

By Eamonn Keogh

SCOTTS Lakers maintained a 100% start to the new season with back to back victories last weekend against Waaterford IT Vikings and UL Eagles. The Killarney side cruised to a comprehensive 29 point win in Waterford on Saturday night but were involved in a dramatic encounter at home in Killarney Sports Centre on Sunday afternoon before eventually seeing off the challenge from UL Eagles to win by four points. Once again it was Lakers American Sean O'Brien who was the instrumental figure in both victories scoring 25 points on Saturday night followed by 29 on Sunday.

Waterford IT Vikings 73 Scotts Lakers 102

This was a match that Scotts Lakers were always in control of racing into a 31-21 lead at the end of the first quarter. Despite the best efforts of free scoring American Daniel Noe, the home side struggled to close the gap and the Killarney side led 54-42 at half-time.

Scotts Lakers maintained their advantage in the second half with Lakers coach Cormac O'Donoghue running his full bench and they led 76-55 as the game entered the final quarter. The final period was a mere formality with the Lakers, who scored 13 three-pointers on the night and had a comfortable 29 points to spare in the end.

Scotts Lakers: Sean O'Brien 25, Papito Hersisia 23, Dailian Mason 18, Dylan O'Sullivan 9, Andrew Fitzgerald 7, Shane McCarthy 5, James Murphy 4, Marco Bencic 3, Mark Greene 3, Cian Clernon 3, Seamus Brosnan 2. WIT Vikings: Daniel Noe 47, Daniel Sheehan 11, James Robinson 7.

Scotts Lakers 77 UL Eagles 73

Following the victory in Waterford, the Scotts Lakers players made it home for midnight on Saturday night and were back in action again 15 hours later welcoming UL Eagles to Killarney Sports Centre.

It was a closely contested opening period with the Lakers enjoying a 15-14 advantage at the end of the first quarter.

The home side broke away with big three-pointers from Dailian Mason, Mark Greene and Sean O'Brien to lead 30-20 with 3.13 left in the second quarter. However with big power forward Papito Hersisia already on four fouls and sitting out for a while, UL Eagles capitalised with Tarchee Brown and Diarmuid O'Shea leading the way and the gap was cut to 37-31 at half-time.

Sean O'Brien continued to spearhead the Lakers challenge with some spectacular baskets and outstanding play and the home side were 48-43 in front midway through the third quarter. Brown and Woods kept UL in contention as fa-

tigue from the double header weekend fixture seemed to set in for the Lakers. O'Brien uncharacteristically missed four free throws but Seamus Brosnan impressed with a succession of baskets as Scotts Lakers led 54-51 entering the final quarter.

Hersisia, Fitzgerald and O'Brien all added scores for the Lakers but UL Eagles turned it around to lead 65-68 with four minutes remaining.

The home side responded with the outstanding Shane McCarthy nailing a big three-pointer followed by a basket that left the Lakers trailing 70-71 entering the final three minutes. Team captain Mark Greene raised the roof with a massive three-pointer that put Scotts Lakers 73-71 ahead before

Steve King levelled matters at 73 points each with 90 seconds left.

The Lakers almost squandered it with a careless three-point effort from Hersisia but a crucial rebound by McCarthy won a vital possession for them.

With tension rising and the match on a knife-edge, there was only one man that the Lakers and home supporters wanted with the ball in his hands at this stage.

Enter Sean O'Brien again. Displaying incredible confidence and ability, the dynamic O'Brien not only managed to score but also drew a foul in the process with 33 seconds on the clock. He duly sank the bonus foul shot to push the Lakers 76-73 in front. UL struggled to come back after this as Shane McCarthy added another insurance basket from the foul line to secure a valuable and memorable four point win for Scotts Lakers.

It was by no means a spectacular team performance from Scotts Lakers but gaining a victory was most important especially on a double header weekend.

Despite missing 12 free throws, they still did enough to win with very admirable performanc-

es from team captain Mark Greene, Shane McCarthy, Seamus Brosnan and the outstanding Sean O'Brien. Foul trouble restricted the role of Papito Hersisia in this match. He grabbed eight rebounds and showed flashes of brilliance indicating that he has the ability to dominate the inside game in this league as the season progresses.

Philadelphia native O'Brien has already established himself as a player to watch and make a huge difference in this league. He brings so much to this Scotts Lakers team in terms of work rate, scoring, assist play, defence and rebounding. His incredible intensity and will to win was one of the main reasons why the Lakers won on Sunday. It has been a long time since an American player has made such an instant impression on a Killarney team.

Scotts Lakers: Sean O'Brien 29, Mark Greene 15, Papito Hersisia 9, Shane McCarthy 8, Dailian Mason 8, Seamus Brosnan 6, Andrew Fitzgerald 2

UL Eagles: Tarchee Brown 26, Steve King 12, Diarmuid O'Shea 9.

Scotts Lakers are away this weekend to Portlaoise and the next home game in Killarney Sports Centre is on Saturday October 6th when the Lakers welcome fellow table toppers Ballincollig to town.

A NATURAL PAIN RELIEVER

Clove essential oil is a great natural remedy for joint pain. Clove oil contains a naturally-occurring compound called eugenol which is known for its anti-pain properties and is especially great for rheumatoid arthritis and osteoarthritis, as well as gout and fibromyalgia, tendonitis and others. Because pure essential oil of cloves is quite concentrated and therefore highly potent, you'll need to dilute it in a carrier oil like apricot kernel or sweet almond oil prior to use after conducting a skin patch test.

Apply a small amount of the oil blend to aching joints or muscles on a daily basis, preferably two to three times daily, for best results.

Avoid use if you have extremely sensitive skin.

ALWAYS BE PREPARED

An passenger on a bus in China made her journey extra comfortable by affixing a toilet plunger to the vehicle's ceiling.

The woman boarded the bus in Huai'an City, Jiangsu Province, and looked for an available handle to hold as the bus started to move, when she discovered all of the handles were in use, she removed a toilet plunger from her bag and quickly suctioned it to the vehicle's ceiling, making her own handle.

4 WORDS THAT YOU MIGHT NOT HAVE KNOWN WERE NAMED AFTER PEOPLE

*French diplomat Jean Nicot never even visited the Americas, where the plant that would bear his name originally hailed. Instead, he was an ambassador to Portugal, where the tobacco plant had already been brought back. But Nicot was the one to send seeds back to Paris, where snuff became all the rage. More than 200 years later Carolus Linnaeus gave tobacco its scientific name: Nicotiana.

*The name "shrapnel" evokes the chaos and violence of an artillery shell exploding into hundreds of high-velocity shards. Henry Shrapnel's work which he voluntarily took on in his spare time was done mostly in his 20s and 30s and he did not receive recognition or compensation until much later in life.

*Madame de Pompadour was a friend, political advisor, and courtesan to King Louis XV. But she also had a very iconic head of hair. The pompadour faded in and out of popularity several times in the centuries to follow but her name lives on.

*John Duns Scotus was respected as one of the most intelligent thinkers of his generation. A theologian in the Franciscan tradition, Scotus made many bold claims on a wide range of subjects, from language to divinity to the nature of morality. In the 16th century, however, about two and a half centuries after his death, his ideas began falling out of favour and those who still believed them were derided as "Dunsmen" or "Duns." (Dunce) Scotus also wore a pointy hat, and so did many of his followers and this became known as a Dunce cap.

93-YEAR-OLD MAN BUYS A BOX OF CHOCOLATE BARS WEEKLY AND HANDS THEM OUT TO STRANGERS

Every weekend, Bob Williams walks into a local dollar store in Long Grove, Iowa, and buys a box

of Hershey's chocolate bars.

He hands two to the cashiers, a third to the person behind him in line and then sets off around town handing the rest out to anyone he sees.

Bob has been handing out free chocolate bars for the past 10 years and when Hershey's discovered Bob's story in a local magazine, they decided to feature him in their latest marketing campaign. Over the years, it's estimated that Bob has handed out around 6,000 chocolate bars and it looks like Bob will no longer have to pay for the chocolate. Hershey's says they are going to make sure Bob has "all the bars he'll ever need."

High-Maintenance Cat has found a perfect home:

Wright-Way Rescue, an Illinois animal shelter was looking for a home for a 25 pound cat that is not only overweight but also has a habit of standing on his hind legs.

According to the organisation Bruno is quite a high-maintenance feline and needs the perfect human servant to abide to his very specific — and long — list of demands in order to live his very best kitty life.

These requests include that he be petted during mealtimes, not have his tummy touched, and that his water never be placed anywhere near his food. There is also only one type of toy Bruno finds acceptable to play with — a feather wand. And because Bruno is adorably weird, has a cool party trick and is majorly photogenic, tons of people applied to be his personal butler, whilst perfectly normal lovable cats as usual are ignored.

The shelters final choice was Lauren Paris, a Chicago-based singer and actress, who not only sent Wright-Way Rescue letters of recommendations and a video tour of her home, but she also wrote and performed an original song about Bruno and the two really hit it off over the weekend before Bruno was taken to his new home.

PERSONAL BARRIERS TO SUCCESS

Personal Barriers to Success

Frequently we sabotage ourselves by feeling that we don't deserve success or happiness. Fear of failure can prevent us from moving towards a desired goal. However, this is often to do with our sense of not being enough – more than loss of money or time or reputation. If you have a fear of failure you may be holding some negative belief about yourself which is repressing you. To understand what your barrier may be, fill in the following blank for yourself: "If I try and don't succeed, everyone will know I'm"

Another helpful way to identify our blocks to success is to write down, without censoring, the specific thoughts and feelings you have that hold you back. This will help you to identify child-like or vulnerable feelings that may be unconsciously controlling your behaviour. In the same way that a parent might reassure (and not ridicule) a scared child, learn to parent yourself – and assure the vulnerable part of you that you'll take charge and that you have their back.

Perfectionism can hinder our success, leading us to focus more on avoiding failure than accomplishing our goals. Begin to see mistakes as opportunities for learning and not reasons to beat yourself up about something. If you don't get the result you wanted, this doesn't make you a failure. Look at the event as a learning experience and ask what you can take from the situation. Assess if it could have been prevented and ask what you can do differently next time. It is also vital that we not take things too personally and separate what we do from our overall sense of identity. Shifting our focus in this way can be difficult – and is a practice that we can perfect over time. Self-limiting thoughts or beliefs can be particularly damaging as they limit the possibilities for change and success. If you find yourself thinking a limiting thought – turn it into a question. Rather than thinking "I can't do this – it's impossible", ask "How can I do this" or "How is this possible". Simply changing the statement to a question opens us up to finding new possibilities and sounds more hopeful.

Getting to where you want to be takes many small steps. It is important to begin by firmly establishing in your mind what you want to achieve. Write this down and believe with certainty that it can be accomplished. It can also help to visualise yourself attaining this goal. Continue to take meaningful steps towards your destination until you have reached your goal.

A Word of Victory

Welcome back dear reader last week we spoke about the brutality that Jesus endured for you and I at the Cross. His body was broken so that we would be healed and made whole (1st Peter 2:24). He shed His blood so that our sins would be forgiven and so that we can receive His righteousness, His right standing with God. Galatians 3:13 says "Christ has redeemed us from the curse of the law having become a curse for us (for it is written – cursed is everyone who hangs on a tree), that the blessing of Abraham might come upon the Gentiles in Christ Jesus that we might receive the promise of the Spirit through Him". Jesus became cursed – with sin, sickness and disease; with rejection and complete brokenness to the point where Father God turned His face away from Him (this is why Jesus cried out 'My God, My God why have You forsaken Me?'). Jesus died as the result of the sins of mankind being put upon Him, the sinless Lamb of God, and then God raised Him from the dead for our justification (acquittal). He did this to Redeem every person who would ever believe in Him and confess Him as Lord and Saviour. He instructed us to remember His sacrifice as we take the cup and bread (Matthew 26:26-28). We do not have to make any further sacrifice because He paid the price so we can live free from the curse of sin and death (Hebrews 10:12). This is the Good News friend and it is overwhelming to think that you and I were on His mind when He endured the cross for the joy that was before Him – seeing us receive His free gift of Salvation (Hebrews 12:2). It is not possible to work for this; we receive it only by faith in Jesus. Abraham is called the father of faith because He believed God's promises, and trusted Him (Romans 4:17). Abraham became the father of the Jewish nation Israel – God's chosen people, out of whom Jesus came. We have been grafted into God's family because of the blood Jesus shed for us making us part of Abraham's seed because of our faith (see Romans chapter 11). We are heirs to the promise with Abraham which means that the Jewish people are our brothers and sisters. This is why there is such turmoil surrounding Jerusalem and Israel today. Do not believe the propaganda or come against Israel friend, it's dangerous. Jesus is coming back soon, and it is to Jerusalem that He will return in glory! (Read Matthew chapter 24 & 25)

SOWING HARDY ANNUALS

It may seem a long time away, but sowing some hardy annuals now will give you a very impressive display in early spring. Most hardy annuals can be sown in autumn and will overwinter quite well. Hardy annuals are plants that will grow and flower for one year only. When sowing your seeds, dig the soil over well, to about a spades depth, then rake it over and firm it down, and make sure it is weed free. A good idea before sowing your seed is to mark it out by sprinkling some sand on the on the area you're going to sow the seed on. Also don't sow the seed into soil that is too rich, as this will only encourage too much leafy growth and not enough flowers. If the soil is rich there is no need to use fertilizers. You can also scatter the seed over the whole bed, and try and leave about a 1/4 of an inch between them and cover them lightly with some compost and water well, but make sure there is a fine rose on your watering can. There is a range of hardy annuals to choose from so make sure you know the heights and spread and, of course, the colour.

Dear Heart of Jesus, in the past I have asked you many favours. This time I ask you this special one.

Take it dear heart of Jesus and place it within your own broken heart where your father sees it.

Then in his merciful eyes it will become your favour not mine. Amen.

Say this prayer for three days. Publication of prayer and favour will be granted.

ACKNOWLEDGEMENT & FIRST ANNIVERSARY

In Loving Memory of

HELEN O'SHEA (NEE O'LEARY)

**Pallas, Beaufort, Killarney
who passed away on 27th
September 2017**

As we lovingly remember our wonderful and beautiful mum, Helen, on the first anniversary of her passing, her son Francis, daughters Mary, Teresa and Geraldine, her adored and adoring eight grandchildren, her sister Mary, brothers Dan and James, and extended family wish to express our deep gratitude to all who sympathised with us on our sad loss.

Sincere thanks to those who visited her home, attended funeral ceremonies, travelled long distances, sent Mass cards, Mass enrolments, letters and floral tributes. Your kind words were much appreciated. Gratitude is also extended to our wonderful neighbours and friends, to Dr Donal Coffey and staff of the Ross Medical Centre, to Mary and Nuala at O'Donoghue's Medical Hall, to the home helps, Brid, Mary, Teresa and Marie, who looked after mum so well over a number of years.

A special word of thanks to Fr Tom Looney for celebrating a beautiful Mass and also to Marina Cassidy who sang so wonderfully. Sincere thanks to O'Shea Undertakers for their guidance and attention to detail.

As it would be impossible to thank everyone individually, we hope this acknowledgement will be accepted as an expression of our appreciation and gratitude. The Holy Sacrifice of the Mass has been offered for your intentions.

*Those we love don't go away
They walk beside us every day
Unseen, unheard but always near
Still loved, still missed, still very dear*

**Helen's First Anniversary Mass
will be celebrated in the Prince of
Peace Church, Fossa, on Saturday,
29th September at 7.30pm.**

NOVENA TO ST. ANTHONY

The Saint of Miracles O holy St. Anthony, gentlest of saints, your love for God and charity for your neighbour made you worthy when on earth to possess miraculous powers. Miracles waited on your world which you were ever ready to speak for those in trouble and anxiety. Encouraged by this thought I implore of you to obtain for me my request... (mention request). The answer to my prayer may require a miracle. Even so, you are the Saint of Miracles. O gentle and loving St. Anthony, whose heart was ever full of human sympathy, intercede for me and the gratitude of my heart will ever be yours. Amen.

ACKNOWLEDGEMENT

In Loving Memory of

ELIZABETH (ELSIE) KAVANAGH

**Ahanagran West, Ballylongford
Died on August 30th 2018**

Elsie's nieces, nephews, sister in law and extended family wish to convey our sincere and heartfelt thanks to all those who sympathised with us on our sad loss. Thanks to our neighbours and friends for the great comfort and support given to us in the days after Elsie's passing. To Noreen and the catering staff for providing us with a wonderful meal on the day of the burial and to our friends and neighbours who brought food on the evening of the removal we are very grateful.

To those who travelled long distances, attended the removal and the funeral Mass and burial and all who sent Mass cards, messages of sympathy, enrolments and letters of condolence we sincerely appreciate it.

We thank especially Fr. Seán Hannafin for celebrating a heartfelt requiem Mass and Fr. Pádraig Kennelly who attended the removal. A special word of thanks is extended to the sacristan, the Eucharistic ministers and to Stevie Donegan for the music and singing that enriched the ceremony.

We are extremely grateful to Dr. Áine Bermingham, Dr. Julie O'Connor, the home help team, District Nurses and the Matron and Staff of Oaklands Nursing Home for their care and kindness to Elsie at all times. Much praise is given to the ambulance crew and the staff of Sceilig Ward, University Hospital Kerry who took special care of her in her final days.

We wish to acknowledge gratefully all who gave contributions to the Palliative Care Unit through the funeral home.

Our sincere thanks to Billy Enright at Lynch's Funeral Home and the gravediggers for their professional approach, help and guidance. Thanks also to Michael Horgan for leading the funeral cortege with accordion music.

As it is impossible to thank everyone individually, please accept our offering of a Mass as a token of our gratitude and appreciation.

**Elsie's month's mind Mass will be
held in St. Michael the Archangel's
Church, Ballylongford on Sunday
September 30th at 10.30 am.**
