Number 2 spot for Killarney in TripAdvisor Top 10

One of the most widely used travel websites in the world, TripAdvisor, has revealed its Top 10 Irish destinations for 2019 and of course Killarney is in the top 5! Killarney made number two on the illustrious list with our capital city just pipping us to the post in the TripAdvisor's Travellers' Choice Awards. TripAdvisor's Top 10 Irish destinations 2019 in order are – Dublin, Killarney, Galway, Dingle, Cork, Kilkenny, Cong, Westport, Donegal Town and Sneem. The award-winners were ranked based on millions of user reviews and opinions over the past 12 months, using an algorithm that takes into account both quality and volume, according to the global travel site. Dublin is the top holiday destination in Ireland for the second year running, however the list is again dominated this year by tourism locations on the west coast. The award is a fantastic recognition for the town as the top 10 locations are the most popular among TripAdvisor reviewers based on millions of reviews and opinions. The global top 10 has seen London claim top spot from second place in 2018, followed by Paris and Rome. The same trio make up the top spot for the European top 10.

The 2019 Lily of Killarney Selection will be held in the Gleneagle Hotel on Saturday 25th May and again this year it is estimated that over 400 people will attend the buffet selection dance with the winner announced at midnight. GARDA SURPRISE FOR NEW RECRUIT RYAN

A young Killarney Garda fan has had his birthday wish come true thanks to the kind members of the force at Killarney Garda Station.

Little Ryan Dewhurst from Killarney turned 5 at the weekend and absolutely adores the Gardai.

His mom contacted Garda Gillian Mac Eoin to see if the Gardai could conduct a road worthy test on his new police bike that he received from his mum and dad for his birthday and they willingly obliged.

"What this photo doesn't show is the battle this little boy has gone through. Ryan spent the first year of his life as an inpatient in Crumlin Children's hospital as some of his major organs were outside of his body when he was born", Gillian told the Killarney Outlook.

His mum Danielle and Dad, Dan spent that whole year in Crumlin with him, staying in the Ronald Mc Donald house in Dublin, Ryan later became the poster child for the Ronald Mc Donald House. Thankfully Ryan is absolutely thriving today and had his last surgery last year. He just adores the Gardai and everything to do with police work, he

says hes going to go patrolling on his new bike to catch bad guys but he will be sure to always wear his helmet when doing so. The smile and excitement on his face today was just priceless", she added. After conducting the necessary

safety checks on Ryan's new bike Supt Flor Murphy declared it road worthy and Killarney Gardai presented Ryan with some Police Lego, toy handcuffs and some garda memorabilia to make his 5th birthday even more special

Card Champions of Kerry Crowned

The Final of the Spa GAA 31 Card Drive Championship of Kerry 31 Card Drive took place at the Torc Hotel on Friday March 22nd, and after competing throughout the winter months, Neillie Kerins and Finbarr Murphy were crowned the new county champions.

The annual 31 Card Drive has been running in Spa GAA Club since 1972 and over the years has welcomed players from all over Kerry. There has always been a strong interest from South Kerry, and this year was no exception with players as far away as Waterville among those making the journey on Friday night.

The organisers of the annual Card Drive are Dave Herlihy, Paddy B Lynch and Paddy Keffe and well done to them on organising this great social event again this year.

Runners Up on the night were: Danny Cahill and DD Kissane, Tim Regan and Denis Doolan and Tom Moriarty and Tim Moriarty.

OPT OUT ORGAN DONATION

Deputy Michael Healy-Rae asked the Minister for Health questions regarding Ireland's forth coming opt-out organ donation, and the Minister assured the Deputy that the General Scheme of a Human Tissue Bill is being finalised at present and will submitted to government shortly. According to the HSE, at the end of December 2017 there were 587 people still waiting for an organ. This bill will hopefully increase the number of available organs that are acceptable for transplant and be given to these people.

"An awful lot of our population would actually be open to considering giving their organs, but what they need at this time is information and assurances to be given to them as to how this would happen in the future" – Michael Healy-Rae

NEW SEASON

New Beginnings, At The Lake Hotel...

The iconic Lake Hotel, on the shores of Lough Lein, Killarney, marked the unveiling of new developments at the hotel as they opened their doors for a new season this year. The Hotel has transformed the entrance, to include a new driveway, and landscaped gardens. Included at the reopening, from left, Tom Roche, Financial Controller, Sarah Mannix, Human Resource Manager, Sally McMahon, Accommodation Manager, Eleanor O'Leary, Front Desk, Alan Jones, Accounts Department, Niall Kavanagh, Stores Manager, Cathal Egan, Waiter, Patrycja Makowska, Restaurant Assistant Manager, Sheila O'Callaghan, Sales and Marketing Manager, Ashley Dunlea, Reservations Manager. PHOTO: VALERIE O'SULLIVAN

The Lake Hotel Killarney reopened for the season on Thursday 7th February and in keeping with tradition, the new season marked the unveiling of new developments at the luxurious four star hotel. Each year, the Huggard family invest in the enhancement of the hotel and are highly committed to maintaining a high standard for their guests. Facing into the year ahead with a newly renovated entrance, a brand new driveway and manicured landscapes, the exterior has been completely transformed. The new look allows for a wider lake view on approach to the lavish four star property, emphasising the true beauty of its setting and the unique location which is enveloped by nature. The eye catching, open entrance emanates a welcoming and inviting vibe. The grand

exterior exudes luxury and class with freshly tarmacked driveway, plush new signage, handcrafted rockery, enhanced lighting and stunning uplighters.

The Lake Hotel has always been a nature lover's paradise and the recent investment created a prime opportunity to embrace the natural habitat and extend the haven of refuge for our indigenous fauna. The addition of native trees such as Irish Oak, Scotts pine and Mountain Ash has been part of the landscaping work. Expanding the sanctuary for wildlife such as red deer, foxes and wild tailed eagles, to name but a few.

Sales and Marketing Manager Sheila O'Callaghan commented, "We are thrilled with the enhancements of the hotel entrance and the feedback so far has been extremely

positive. The recent work has completely revealed our stunning views, showcasing the magnificent backdrop on approach to the hotel. The Huggard family are highly committed to maintaining exemplary standards for our guests and invest extensively in the development of the hotel each year. We feel this investment has really enhanced what was already a wonderful product offering."

The Lake Hotel is a four star family owned property and has been in the Huggard family name for over 100 years. A long tradition of warm Irish hospitality awaits. Nestled on the lakeshore, overlooking the renowned Lakes of Killarney, and just 2kms from Killarney town centre, The Lake Hotel offers a truly exceptional location and something very unique for all its visitors.

QUIZ TIME

FOR THE KENYA EDUCATION PROJECT

Eddie Sheehy will hold his annual table quiz in aid of the Kenya Education Project on Thursday night April 4th in the Castlerosse hotel at 8 30 pm.

The project helps young people in the slum village of Embulbul, Nairobi. At present 100 young people are sponsored to complete their primary and secondary education as their own family circumstances make it very difficult to meet the cost of books, uniform and fees. This is the highest number ever of students sponsored by the Kenya Education Project.

Some past pupils of the school are also helped to continue their education and training by paying college fees as well as travel and subsistence allowances. To date the project has helped students to obtain training in Childcare, Secretarial, Computing, Journalism and Social Work which is a major boost to their families in their dream of obtaining a job to ease the financial burden on their families. In recent years the Project has increased its work with families in the village through

the local branch of S.V.D.P. Needy families have received beds, blankets and household utensils to help ease the burden of poverty.

The village feeding programme provides a hot meal each weekday evening for 100 needy children from the village. The Kenya Project helps to offset some of the costs of these monthly food bills for the parish. It costs 650 euro per month to finance the feeding programme.

The Kenya Education Project is increasing its support of this programme.

The project continues to support sporting activities in the school and village by providing playing gear, footballs and training equipment to those involved in soccer, basketball and volleyball.

The support the Project continues to receive each year from the people of Killarney is encouraging and heartening and enables many young people to be helped and supported.

Much to the delight of the 600 strong audience, a group of talented children from Killarney were invited to perform at the St. Patrick's Day Breakfast in Boston on 17th March.

The event was hosted by Senator Nick Collins at the Cruiseport in South Boston.

This young group are made up of five children, all who play music, dance and sing. They are Grace, Colleen, Olivia and Seán Angland and Nóirín Healy. They range in age from 7 years to 12 years and despite their young ages, they have been performing together for a number of years. The group were first seen

by State Representative Ed Copping who recommended them for this prestigious event in September 2018.

Many video recordings and photographs were sent and in January 2019 they got the honour of an invite to perform in Boston by the State Senator Nick Collins.

Their one hour show was put together by Martina O'Neill Angland. From January to March, Martina spent many nights per week training the group, followed by taking them to perform in some local venues before departing for Boston. In Boston, on St. Patrick's Day, the group performed for over 600 people

comprising of politicians, their families and friends. During the performance they were interviewed and recorded on live television. They also had an invite to the St. Patrick's Day Breakfast in which they listened to many political speeches and took part in singing many Irish songs with those attending.

It was a busy weekend for the group as it posed an opportunity to them to meet with their families in Boston, take in a trip around Boston and visit the Massachusetts State House with State Representative Ed Copping.

Kerry's Gary O'Sullivan received a warm welcome from the Kerry Stars at the Dromhall Hotel having won gold at the 2019 Special Olympics World Summer Games in Abu Dhabi, victorious in the 4kg shot put. PICTURE: MARIE CARROLL-O'SULLIVAN

HEROES' WELCOME AS GARY RETURNS HOME FROM WORLD GAMES

There were emotional scenes at Killarney Railway Station and the Dromhall hotel on Friday night last as Gary O'Sullivan representing the Team Ireland squad returned home to a heroes' welcome from the Special Olympics World Summer Games in Abu Dhabi. Gary was greeted by his team mates in the Kerry Stars at the hotel for the homecoming where he proudly displayed its gold and silver medals. O'Sullivan, from Castleisland, claimed gold in the Shot Putt and finished second in the Men's 400 metres walk in Abu Dhabi. The Irish team came home with a sensational haul of 86

medals (30 gold, 29 silver and 27 bronze). Over the last week, Team Ireland athletes have made a big impression, inspiring and enthralling supporters at home and abroad with their impressive performances, personality and trademark team spirit. The Games, which have been heralded as one of the most successful ever for Team Ireland, saw an action-packed week of sport, with medal wins for the Irish squad in all 12 sports: athletics, badminton, basketball, bocce, bowling, equestrian, football, golf, gymnastics, kayaking, swimming and table tennis.

New Head Chef at Aghadoe Heights Hotel and Spa, Killarney

What does a Head Chef do during his first week at the renowned five star Aghadoe Heights Hotel and Spa?

"Host a sell out dinner, feeding over one hundred of the town's local residents" is the answer from recently appointed Head Chef, David Lee. David joined the well-known team at Aghadoe Heights just in time to launch the second in a series of three dining experiences, known as The Taste of Aghadoe. A full house, of predominantly local guests, came together at the start of the month to enjoy a mouth-watering elegant dining experience at an equally attractive price point. The three

themed evenings were added to the dining calendar in order to encourage local guests to experience the wonderful array of dishes on offer at the 2AA Rosette Lake Room restaurant.

"Sometimes there is a misconception that hotel restaurants are for hotel guests" said David, "we want the whole town of Killarney, and surrounding areas, to know that we are open for business and that our Lake Room restaurant and Heights Lounge and Piano Bar are wonderful dining options for any night of the week."

"We are absolutely thrilled to have David leading our fantastic team of chefs and we look forward to seeing what plans he has for the dining experience at Aghadoe Heights" commented General Manager, Niall Coffey.

BERNARD CASEY

visits Killarney Community College

By: Amy Cronin, TY Student

Killarney Community College welcomed stand-up comedian, Bernard Casey to their TY class this week. We were introduced to him and then he told us some basic details about him. He continued to explain what he had planned for the day.

Our first activity was a warm up exercise. After, we played our first game. We had to make a line from youngest to oldest and then from who lived closest to the school to who lived the farthest. Then we played traffic lights while acting out drama scenes. He introduced us to a new game, giants, wizards and elves. It was like rock, paper, scissors except it included acting. We were put into groups of three where we had to create a still image, wait until someone guessed what we were doing and then act out a short drama piece.

After break we had to get into a group of four different people. We were given a topic and we had to create a one minute drama piece including that topic. Again, we got into a new group and did another drama scene with a different topic. We were put into another group for our last drama piece. Bernard gave each individual group a different topic and we all acted them out.

I really enjoyed the day along with my class mates. I thought it was very educational and fun at the same time. Even though we had to be serious while acting out drama pieces we still had a lot of fun with Bernard Casey.

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

CAN I REDUCE THE COST OF MONTHLY INSURANCES I TOOK OUT WITH MY MORTGAGE?

Yes, by comparing and reviewing your mortgage insurances you could reduce your monthly outgoings, the savings can be very substantial for example if you saved €10 per month & you had 15 years left on your mortgage this saving would be €1,800.00 over the remaining term of your mortgage. The insurances many people have include life cover, serious illness cover, income protection and repayment protection insurance. Some of these insurances are compulsory and are a condition of your mortgage and others are not compulsory.

To compare and review your insurances is simple:
Get all the info you have on your policies & bring them to a financial advisor. He or she should have access to various banks and insurances companies for some or all of the above products and will do a comparison of these products for you, explain in detail what cover you have, let you know if you may be overpaying for some of these insurances and make you aware of some options you may not have considered already. They will also let you know if they think your products are good value for money and more importantly if you do not have adequate cover in some areas.

To make an appointment in relation to the above or any other matter you can contact Dermot Cronin QFA APA at 0646622775 or dermotcroninifa@gmail.com

Killarney's Mountain Meitheal Dip into the Blue Pool

The Killarney Mountain Meitheal group gathered last Sunday 24th March at the Blue Pool in Muckross. The volunteer group have given the area a new lease of life as they tackle various areas in the National Park. The Blue Pool starts only a stone's throw away from one entrance to the Park that leads into Muckross Abbe, on the road to Mangerton Mountain and just off the main road towards Muckross House and Gardens. It is an often overlooked woodland area situated in the shadow of the more famous walks in Muckross. The area consists of Clogharen and Blue Pool nature trails and was also developed to include an audio-visual route for the visually impaired. The area had become

Volunteers with Killarney National Park Mountain Meitheal and Muckross Community, Killarney, who came out in force on Sunday Morning to begin work clearing the invasive rhododendron and cleaning pathways and ferges in the beautiful Blue Pool Nature Trail. neglected in recent years and has been causing concern for local residents, walkers, and tourists alike. The Mountain Meitheal group carried out Trojan work on Sunday removing fallen branches and debris, tidying up the trail route and helping to remove rhododendron, which has been invasive in many parts of the National Park. There was a great turn out of volunteers which included Kerry County Council Chief Executive, Moira Murrell, and Killarney Municipal District Officer Eileen O'Donoghue. There is still work to be done

with the trail for the visually impaired needing some extra attention, this part of the trial was actively lead by the Killarney Soroptimists, where tape recordings and headphones were made available to the visually impaired, so that they too could enjoy the nature trial. The Mountain Meitheal volunteers are hoping that the facility can be modernised the information available through a mobile phone app. Well done to all involved!

With over 40 years service in the industry popular Killarney optometrist, Pat O'Donoghue has retired after over 40 years of service to the local community.

Pat took over Urban Optics, a family business, in 1973 and has been providing a high level of eye care to Killarney and the wider Kerry area ever since. His family have been in the optometry industry in Kerry for three generations, tracing back to the 1960s.

Pat has overseen the expansion of Urban Optics, formerly named 'Pat O'Donoghue, Optometrist', including its relocation to Scotts Street in the town centre, where it has

remained since 2007.

Sheila O'Sullivan, Practice Manager, said: "Pat is rightly considered one of the leading optometrists in the country, through his commitment to consistently up-skilling and introducing the best and newest technologies to Urban Optics. "His focus has always been on creating a business that is an integral part of the local community and he has certainly achieved that. "I'm sure I speak for my fellow staff members, as well as the long list of customers that Pat has seen over the decades, when we wish him the best of luck in his retirement."

Pat O'Donoghue pictured with Valerie Trant, Noeleen Loughlin and Joanne Ni Churrain.

Despite a recent change in ownership, all members of staff are staying on at Urban Optics. And new owner Noeleen Loughlin, along with new optometrist Valerie Trant, have been welcomed to the practice by Pat himself.

He said: "Noeleen comes to Urban Optics as a hugely experienced optometrist with a similar vision to my own. Having worked with her for the past year, I'm sure the practice is in good hands. "We're also very happy to welcome Valerie and I'm sure, as a Killarney native, she will have no problem settling into the Urban Optics family.

"I'm delighted that the same wonderful team has stayed on and I have no doubt they will continue the high level of clinical excellence we've created as Ireland's finest practice.

"We could not have achieved such success without our wonderful and loyal patients, so I'd like to thank all of them for their support throughout my career in optometry."

Killarney Credit Union Launches New Agri Loan Product

Early milking was the order of the day on Wednesday March 20th as Six Credit Unions in the Kerry/Cork region joined forces to launch a new Agri Loan product called Cultivate. The launch held in The Gleneagle Hotel, Killarney was supported by farmers and industry experts alike.

The Credit Unions involved are Ballincollig, Bantry and Kanturk in Cork and on the Kerry side of the border Cara, Killarney and Listowel.

The new Credit Union farm lending offering is branded under the name "Cultivate" and was officially launched by IFA National Chairman - Farm Business, Martin Stapleton. MC for the night was Pat Spillane, Rural Ambassador and Former Kerry GAA star and guest speaker was Darragh Mc Cullough from RTE's 'Ear to the Ground'. The Credit Union farm lending project is modelled on a pilot initiative by four Credit Unions in County Galway who launched the Cultivate brand in 2017. Since then 20 credit unions throughout Ireland have introduced the Agri loan product to members.

Since its introduction, Cultivate has proved very popular with farmers with nearly €20m in loans issued to farmers. The Cultivate farm loans are for a wide variety of purposes, everything from working capital, cash flow, farm development, livestock purchase, farm machinery purchase, rural enterprise funding, and start up farm finance.

Speaking at the official launch Wednesday Martin Stapleton, IFA National Chairman - Farm Business, stated "We are delighted to be associated with Credit Unions and Cultivate and welcome competition to the farm finance market, allowing our members to benefit from accessible

Staff and board of Killarney CU with Darragh McCullough, RTE Ear to the Ground, Martin Stapleton, IFA and Pat Spillane, MC.

and competitive credit"

Also speaking on the night was Brendan Heneghan former Regional Manager with Teagasc and project manager of the Cultivate brand "We are delighted to officially launch the Cultivate Agri loan products to credit union members in Cork and Kerry area. We have been working hard on this project for the past number of months. Credit Union Agri loan staff have completed a bespoke 5-day course on Farm and Finance organised by Teagasc in association with Pallaskenry Agricultural college. Credit Unions are now open and ready for business" he concluded.

The Cultivate farm loan package will offer loans up to €50,000 for a variety of purposes. The

loan rate is a competitive loan rate. The term of the loan can be up to 7 years. Loan protection insurance is also provided on the loan at no additional charge. Mark Murphy, CEO of Killarney Credit Union said "While we have been offering farm finance for the past few years here in Killarney Credit Union, we hope that the Cultivate product will reinforce the fact that farmers will look to their local credit unions as an alternative for farm finance. We now have dedicated agri lending staff on board to assist farmers with their applications for finance" he said.

Information on Cultivate farm loans can be got from any of the participating Credit Unions or on www.cultivate-cu.ie

Digital Summer Camps for kids in Kerry

A Kerry based company is set to host a series of Easter Camps around the county.

DigiWiz was founded in early 2018 by Declan Lowe to address the huge need within Ireland for a change on how young people can learn, explore and tap into their strengths at an early age by exploring the futuristic side of STEM Education and Digital Technology (Science, Technology, Engineering, Maths)

"We are in the digital age meaning young people born over the last 12 years are considered digital natives. Technology is rapidly growing and Irish Children are falling behind their peers in most other European countries. The Irish education curriculum has not changed a lot in 50 years and it's still a one size fits all learning approach", Declan told the Killarney Outlook.

"Unfortunately, the one size fits all" learning approach is flawed because it assumes all students learn in the same way. Curriculums should be differentiated to suit the individual needs of each unique student. Only then can students receive the best possible education and be prepared for future success.

We must change how young people learn in those

critical learning years when they develop their Cognitive Development skills, Critical Thinking, Social Skills etc. We need to harness the good that STEM and Technology has to offer which will help young people tap into their strengths along with choose positive career paths later in life but for this to happen we need to introduce the STEM and Digital Technology elements into young

peoples lives at an early stage", he added.

In the DigiWiz Team we believe young people should have fun while learning so all our workshops are tailored around those two aspects. Children have different learning styles and this is where we can help. We give children the opportunity to explore such things as Robot Building, 3D pen Design, Virtual Reality, Video Editing & Special Effects among many other workshops. We attend schools, youth clubs, camps along with offer a range of Fun Birthday Party Packages. Everything created always goes home with the young people but most importantly they have got a fundamental view of what the future holds with regards to future learning and career paths and many tap into unknown strengths and interests. If we can ever help please contact us or see our up to date progress on our Facebook Page: DigiWizKits

MENOPAUSE THE MUSICAL

The hilarious celebration of women and 'The Change'

Following multiple sell out Irish Tours the ultimate girls night out, "Menopause the Musical" is embarking on another Irish nationwide tour spring 2019 with an all-star cast. Fully armed this fabulous comedy hosts a cast of hormonal women, memory loss one-liners and innuendo-laden versions of pop classics.

The Irish tour commences 12 March before travelling across Ireland to many towns and landing in Killarney on April 7th.

Starring Katherine Lynch (RTÉ's "Wagons Den"), Cheryl Fergison (EastEnders favourite Heather Trott), Maureen Nolan (The Nolans) and Casualty's Rebecca Wheatley the hysterical Menopause The Musical has entertained and inspired women across the world since 2001. Menopausal or just in need of a laugh out loud kind of night, this show is a must see for all women.

This hilarious celebration of women and 'The Change', is an all-singing, all-dancing comedy bringing together four women at a department store sale, who on first appearance have nothing in common.

However, the sale of a black lace bra soon stimulates comical female heart-to-hearts on hot flushes, night sweats, memory loss, chocolate binges, not enough sex, too much sex and plastic surgery.

KILLARNEY NIGHT FEVER

on Saturday 30th March in the Friary from 8-10pm. Candle lit, music led adoration with reflections. Confession available. All welcome. For more information contact Caoimhe Lynch on 0870669858.

Love your Emotions

Emotions are like our internal navigation system. They inform us as to how we are feeling, what brings us joy, sadness, happiness or anger. So often in life we try to stay away from the emotions like anger or frustration because we simply don't want to feel angry or frustrated. However, whenever we allow what we feel to be there and then make a choice of how we will respond to that feeling we begin to experience more joy, peace and control over our emotional states of being. What happens for many people however, is that they shut down what they are feeling. They push it down or may try to subdue it with alcohol, food, over working or simply cause arguments to distract them from what is really going on. The problem with this is that it can cause states of depression, low energy, illness and lack of motivation in life.

One great way to manage your emotions is to begin to observe them without judgment. Just notice what you are feeling and allow them to be there. Then, when you feel ready, ask yourself how you will move forward from this. What do you need to create a positive change?

If living well and loving your body is a passion of yours, you may want to consider becoming a Certified Body Confidence & Wellbeing Coach. Please visit www.instituteforbodyconfidencecoaching.com for more details. Apply now and avail of the Early bird offer.

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

RULES TO WEIGHT LOSS AND WEIGHT LOSS MAINTENANCE

Finally, this is not a rule to weight loss, it is just to give you something really specific to work off but let's call it Rule 10.

PROGRESSION

You are an individual with your individual needs, but we want to give you this otherwise the above rules may just be pointless. If your goal is fat loss and you have no other performance targets you can use the following breakdown of macronutrients – it is something that has been born out of years of helping people with the goal of fat loss and is not based on any other 'diet plans' out there, it is just what the ratios have 'tended' towards over the years with increasing levels of success. So, there are hundreds of BMR calculators out there on the internet, remember, these are estimations but generally they are pretty good. Once you have this figure and have chosen the number of kcals you are going to eat in a day, you can split your kcals so that fat is approximately 30-40% of your energy. Protein is 2.0 – 2.5g per kilogram of your bodyweight (it can go lower if you have a particularly high percentage body fat) and carbohydrate will make up the rest... and there you have it... the 10 Rules to a 'healthy nutrition plan'.

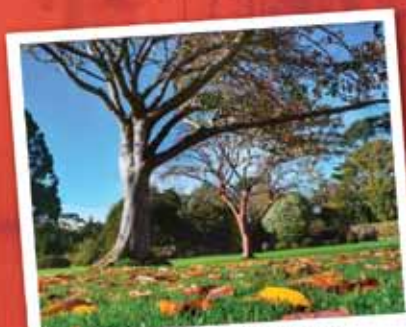

A closing thought, so why don't we create a 'nutrition plan' for yourself. The plan needs to suit You, Your tastes, Your goals and Your life. This allows people to make better decisions with their diet and exercise habits. This can be empowering.

Making the right choice

Using the right foundation or BB cream makes a world of a difference. A lightweight formula will help your base look more natural and radiant (and nobody wants to end up with a cakey finish). Apply your foundation with a damp Beauty Blender or brush, and blend it in really well to achieve the right amount of coverage.

EYES IN THE SUN

Too much sun can damage the eyes. As with skin damage, it is the ultraviolet (UV) radiation from the sun which causes problems. There are two types of UV rays: UV-A and UV-B. Over time, the effects of UV rays may help cause a number of eye problems.

UV-A

can hurt your central vision. It can damage the macula, a part of the retina at the back of your eye.

UV-B

The front part of your eye (the cornea and the lens) absorbs most UV-B rays, but these rays may cause even more damage to your eyes than UV-A rays.

What Eye Problems Can UV Rays Cause?

Macular Degeneration

UV rays may lead to macular degeneration, a leading cause of vision loss for older people.

Cataract

UV rays, especially UV-B rays, may also cause some kinds of cataracts. A cataract is a clouding of the eye's natural lens, the part of the eye that focuses the light we see.

Pterygium

Another UV-related problem is a growth called pterygium. This growth begins on the white of the eye and may involve the cornea. Eventually,

the growth may block vision. It is more common in people who work outside in the sun and wind.

Skin Cancer

Skin cancer around the eyelids is also linked to prolonged UV exposure.

Corneal Sunburn

Corneal sunburn, called photokeratitis, is the result of high short-term exposure to UV-B rays. Long hours at the beach or skiing without proper eye protection can cause this problem. It can be very painful and may cause temporary vision loss.

Protecting your eyes from the sun

If you are spending time outdoors, especially in the summer or on holidays abroad, make sure that you and your children have good quality, dark sunglasses with UV protection. Look for the British Standard (BS EN ISO 12312-1:2013) or the CE mark, which is the manufacturer's assurance that the sunglasses have been made to the appropriate safety standards. You can also protect your eyes by making sure to wear a hat with a brim or a sun visor in bright sunlight.

Letter to the EDITOR

A Chava.

I am appealing directly and publically to the T.I.I. to reduce the speed limit at Glenflesk Village to 60KM immediately and not wait until June or any longer. The people of Glenflesk have been calling for this since 2009. Over the years both myself and Cllr. Maura Healy-Rae have put down several notice of motions before K.C.C. meetings requesting the speed reduction and I also called for it in Dáil Éireann. I especially want to thank the people from Glenflesk that attended a deputation on this with me at a Killarney Area meeting in the Killarney Library over 7 years ago. Sadly lovely Denise Crowley had

to lose her life before K.C.C. and the T.I.I. would take action. I am also asking that the roadside sign outside O'Brien's shop that Garda Sergeant blames for contributing to the cause of the accident be removed immediately. I am also calling on Minister Ross to get involved and address this issue in Glenflesk, including the dangerous bend in Rusheenbeg where 5 lives have been lost and all the other dangerous junctions around Killarney, the dangerous bends, narrow bridges around our county which are a constant danger to our motorists daily.

Regards

*Danny Healy Rae, TD,

Call to redevelop Wildflower Garden

At the March 2019 Killarney Municipal Area Meeting, Councillor Michael Gleeson proposed that Kerry County Council please redevelop the Wildflower Garden at the Abbey Cross, Muckross. It was a wonderful feature during 2017 and attracted Bees / Butterflies and very favourable comment from many.

Kerry County Council replied that the Wildflower Garden was set as requested in 2017 as part of the Junction improvement works, which at the time gave the Wild Flowers and opportunity to grow and develop. However, since then the natural flora have taken over. Killarney Municipal District will again reseed the area to create a Wildflower Garden at this location in 2019.

Councillor Gleeson welcomed the reply and stated that the previous Wild Flower Garden at the Abbey Cross gave great joy to the local community and to the thousands of visitors who travelled this prime tourist road. He thanked Killarney Municipal District for the positive response.

Secondary School admission policy adding undue stress to Mid-Kerry families

Cllr. Brendan Cronin has highlighted the undue stress caused by the secondary school admission policy in mid-Kerry.

"Within the past few months, it has been brought to my attention that some secondary school admission policies in Mid-Kerry are causing unwarranted stress and upset for families", Cllr. Cronin told the Killarney Outlook. "An onus of responsibility remains with each board of management of secondary schools to ensure that pupils within their catchment area are catered for adequately within the school's admission policy. I have been contacted by several distressed parents concerned with the very same issue whereby their children are being denied the right to go to their 'local' secondary school with their friends, neighbours and teammates in the Mid Kerry area. I am a firm believer that any admission policy must prioritise the pupils within that school's catchment area. A pupil living in a catchment area should not be denied the right to attend a secondary school based on decisions taken by their siblings' or by their

parents' or in many circumstances where families are new to a community having moved into the area recently.

I am a strong believer in community, which is defined by a group of people living in the same place or having a particular characteristic in common. I am shocked and saddened to think that in 2019, pupils living in the same location, attending the same primary school and playing sports with their local clubs together will now be forced to part ways as a result of an admissions policy which clearly fails to recognise the importance of community and clearly is not striving to achieve a sense of community in the greater Mid-Kerry area. I intend to write to the Minister for Education, Joe McHugh seeking a full review of secondary school admissions policies which will ensure that those living within a catchment area will be given a fair and just opportunity of attending the school of their choice", Cllr Brendan Cronin concluded.

Cllr. Brendan Cronin.

These are the minimum wage rates that applied from Jan 1st 2019 to March 3rd 2019

CREDIT UNION CO LEAGUE RD 2

Kilcummin0-15 Templenoe 3-04. Our senior team picked up their second brace of points

on Sunday after a hard earned victory against Templenoe. Trailing by 9 points after 15 minutes things looked gloomy but the lads dug in and wrestled back control from the excellent visitors, kicking six points to haul the deficit back to three at half time. Playing against the wind in the second they forged ahead but needed a number of excellent saves from Brendan Kealy to keep Templenoe out. Kevin Gorman, Matt Keane and Gary O Leary were outstanding while Donal Maher, Philip Casey and John McCarthy will be very happy with their contributions. On the down side Kieran Murphy and Shane McSweeney picked up injuries to add to the bad news that Kevin McCarthy picked up a significant injury playing with Kerry.

We wish them and our other injured players a quick recovery as we now face into the Senior Club championship in two weeks' time. Team Brendan Kealy, Sean Brosnan, Donal Maher, Philip Casey, James Nagle, Sean O Leary, William Maher, Kieran Murphy, Kevin Gorman, Shane McSweeney, Gary O Leary, Matt Keane, Mikey O Shea, Noel Duggan, Oscar O Connor. SENIORS

Glenflesk were the victors after an entertaining game in Division 2, Rd. 2 of the County League on Sunday afternoon 24th March.

Glenflesk started quickly and used the long ball effectively to bypass the Castleisland sweeper. Playing with a strong breeze they started quickly and had a one five to a point lead after fifteen minutes. The highlights were a well worked goal and two huge kicks from out the field. The pressure put on by the Glenflesk defence also brought about turnovers.

Castleisland started getting into the game after their shaky start and started pinning Glenflesk into their own half. They scored four points before half time to leave the score one eight to five points at the interval.

The second half started evenly and the points were shared until Glenflesk scored a crucial goal. It started after a kick out was claimed in midfield and after four quick passes the ball was flicked to the net. Glenflesk's subs bench was also influential at this stage contributing one third of their scores.

Castleisland started to increase the pressure at this stage and Glenflesk were fortunate to survive when a few dangerous balls landed around the goalmouth. They then broke away to score a late goal after a rebound from the goalie. Castleisland had the last word with a goal of their own after a high ball was flicked to the net.

The game was played in great spirit with free flowing football and was played before a decent crowd. Final score; Glenflesk 4 – 13 Castleisland Desmonds 1 – 12.

Next up is our Intermediate game v Beaufort at 4.30pm on Saturday 30th March in Spa. Looking forward to a tough game please show your support. Best wishes to the team and management.

SENIOR MEN V KENMARE

Well done to our seniors who got their County League campaign off to a great start with a win over Kenmare. Beaufort got off to a slow start, finding it difficult to get scores and were down 0-2 to 0-0 until the 18th minute of the first half when Fergal put a free over the bar. This was quickly followed by a goal when a high ball into the square was batted down from Ronan Ferris to Fergal, with Fergal finishing to the net. A further point from James Reilly and a free from Fergal left the half time score Beaufort 1-3 Kenmare 0-3. Beaufort got a much better start to the second half with point from Danny, Mike, Padraig Doona, Liam and Ronan Murphy. With 24 minutes played in the second half, Beaufort looked to be well on top as they led 1-9 to 0-6, but a penalty for Kenmare narrowed this gap, making it a very exciting final 5 minutes. However, further points from Mike and Danny ensured a win for Beaufort on a scoreline of 1-11 to 1-7.

Team: Taylor, Cormac O'Connor, Ger Hartnett, Shane O'Sullivan, Jeremiah O'Sullivan, Mike Breen, James Reilly, Ronan Murphy, Nathan Breen, Fergal Hallissey, Liam Carey, Padraig Sullivan, Danny Healy, Padraig Doona, Ronan Ferris.

Subs: Ian McGillicuddy, Kevin O'Brien, Keith Suter

Hard luck to our Junior Men who were defeated by Austin Stacks B in Tralee on Sunday.

Firies made the journey to Listowel for round 2 of the county league and continued their great start to their long-awaited return to Division 3. This was followed up with a points from play by Mike Daly and William Courtney before Listowel opened their account with a free. William Courtney opened the scoring in the second half with a free following a foul on Stephen Foley. Listowel had a goal attempt from a 45 denied by a save from Colm O'Shea before the home side opened their second half account with a score from another 45. It was point for point for the majority of the second half with the Firies scores coming from a point from play from Liam Brosnan and five frees from Donnacha O'Sullivan. Colm O'Shea made another great save in the second half to keep Firies in the game. Firies freshened things up in the last 10 minutes of the game with Cathal O'Shea and Darragh Donoghue coming off the bench and Cathal scored the insurance point for Firies to finish out the game in front of the great travelling support on the day. EAST KERRY GAA NEWS

By Michael O' Mahony PRO.

EAST KERRY SENIOR LEAGUE RD 4 DOUBLE UP

Co. League Rd 2: Spa 2-12 Legion 0-13

Some superb defending earned Spa their first two points of the Co. League in a local derby at home to Legion on Saturday afternoon.

Legion's Conor Keane opened the scoring but Mike McCarthy replied immediately for Spa. Finbarr McCarthy and another Conor Keane point edged Legion in front before before Evan Cronin replied for the home side. Billy McGuire and Finbarr McCarthy exchanged points with Niall McCarthy and Mike Stam O'Donoghue and at the end of the first quarter Legion were ahead 0-5 to 0-4

The visitors then hit a purple patch in the second quarter, kicking an unanswered six points from Conor Keane (4), Rob Leen and Peter McCarthy to lead by 0-11 to 0-4 with five minutes left in the opening half. Spa, however, kept battling and a great point by Niall McCarthy was quickly followed by scores from Liam Kearney and Mike O'Donoghue. Legion midfielder Padraig Lucey was shown black before David Spillane buried the ball in the back of the Legion net just on half time. Just a point separated the sides at the break, Spa 1-7 Legion 0-11.

In the second half, Conor Keane pointed early for Legion but they were reduced to 14 men after just ten minutes. The second goal for Spa came in the 12th minute when Ryan O'Carroll set up Niall McCarthy and he rattled the net to give Spa a 2-7 to 0-11 lead. Mike O'Donoghue added to the Spa advantage with two pointed frees before a brilliant score from Niall O'Mahony. Evan Cronin and Mike O'Donoghue points late the game increased that lead as Legion were then reduced to 13 men late in the game.

The Spa defence were outstanding in the final few minutes with David Carroll pulling off a couple of great saves and some brilliant defending denied Legion a number of times. A final Legion point by Conor Keane reduced the deficit and a penalty shot went wide deep in

injury time. Spa take the win and the important two county league points.

Final score Spa 2-12 Legion 0-13.

*This game was also doubled up as the East Kerry Senior League Rd 4 tie.

SENIOR COUNTY LEAGUE DIV. 5A

Round 2:- Report by Danny McClure.

On a cool but bright morning last Sunday, our senior B-side, sponsored by Larkins Bar, Restaurant, B/B & Kelly's Londis-Topshop, got their game against Kerins O Rahilly's under way at noon in Milltown.

The game started with the away side taking the lead but would soon take a pattern of score for score for the first quarter of the game. John Blennerhassett got a fine score from play in between to equally superb points from Dylan O'Neill, his third of the afternoon levelling up the scores at four points apiece.

Then just after the home sides number six David Leane notching a point Rahilly's own number six struck back with a well taken goal. Only for Brendan Delaney to hit the net with an effort from his fists for Milltown/Castlemaine a few minutes later and leave the scores once again level at 1-07 each. That's how the game stood at the halfway point.

Delaney followed up his first half goal within a minute of the thrown in, in the second half, raising the green flag again with an effort from his fist only for the visitors to reply quickly with a goal of their own. The game was finely balance as the sides exchanged scores. A powerful run and score from Mike Burke and a score from the excellent Dylan O'Neill bringing the sides level again at 2-11 each.

The sides scored another point each to make it 2-12 to 2-12 and it was then the games decisive few minutes would come. Milltown/Castlemaine moved forward with intent and looked like taking the lead on a couple of occasions only for Rahilly's to produce not one but two quick goals on the break to leave 6 points between them.

In what was a very entertaining game that finished in glorious sunshine the away team Kerins O Rahilly's maintained their lead to win by 6 points. The final score in this Round 2 Division 5A game:

MILLTOWN/CASTLEMAINE B 2-15 V 4-15 Kerins O Rahilly's B

SENIOR A: "Sixty Minutes Fails To Separate Neighbouring Clubs"

CREDIT UNION COUNTY SENIOR FOOTBALL

LEAGUE Division 3, Round 2

Report by Dara O'Connor

Milltown/Castlemaine 2-8 Listry 2-8

Referee: Mike Hennessy (Ballyduff)

Venue: Currans (Kerry Centre of Excellence)

Milltown/Castlemaine took on Listry in Round 2 of the Credit Union County Senior Football League in Currans on Sunday last-in a local derby which was watched on by a big audience. Listry coming into the game had two points on the board after beating St. Senan's in the opening round whereas Milltown/Castlemaine came into the contest on the back of a defeat away to Ballydonoghue.

Listry raced into an early lead when Conor O'Sullivan calmly palmed home to Cormac Leane's net following a pass from Anthony Sweeney from the corner of the square.

They followed this up with scores from Joe Clifford & Anthony Sweeney to make it 1-2 to 0-0 after 10 minutes.

Jerome Flynn, who was excellent off placed ball all day registered Milltown/Castlemaine's first score of the afternoon from 21 yards to open the account for the Mid Kerry men.

Anthony Sweeney through placed ball stretched the Listry men's lead to 1-6 to 1-4 by the break as frees from Jamie O'Shea, Jerome Flynn and a goal right on the stroke of the interval from Flynn after a ball dropped into the square kept Milltown/Castlemaine in the contest despite being second best for large parts of the opening half.

The second half was an absorbing contest where both sides didn't give an inch & also both may have felt they could have easily taken the victory towards the end-Listry through a superb score from Ronan Buckley from 45 metres pushed the East Kerry side into a three point lead at the beginning of the second half. Milltown/Castlemaine who had the better of the exchanges during the second period overall rallied and had the match level by 45 minutes when scores from Jerome Flynn, a terrific Gavin Horan goal finished into Tadgh Ahern's top corner & Jamie O'Shea brought the contest to a level game.

Listry through a goal by Anthony Sweeney which was well taken underneath Cormac Leane's body after a quality pass from Aaron McCarthy that was played across the square looked like guaranteeing victory for Listry with minutes remaining in normal time but Milltown/Castlemaine dug deep and following a succession of frees converted by O'Shea and Flynn, Gavin Horan nudged Milltown/Castlemaine into a lead through a well-executed right legged effort. With seconds remaining on the clock Anthony Sweeney of Listry stepped up and converted from 30 metres to make sure the spoils were shared at the games conclusion which on the balance of play was probably a fair and accurate reflection on matters.

Standout performers on the day for both teams were Anthony Sweeney (Listry), Jerome Flynn (Milltown/Castlemaine), Jamie O'Shea (Milltown/Castlemaine), Jono O'Connor (Milltown/Castlemaine), Conor O'Sullivan (Listry) & Jimmy O'Leary (Listry)

'Gooch the best player and Donaghy the best to play'

with David Clifford

Insight into young Kerry star's life

Kerry's young star David Clifford has given Colm Cooper and Kieran Donaghy the thumbs up as the best he's seen and played with. Although having played just one

as the best he's ever seen.

GAA fans are given an insight into life on and off the field for the young Kerry star through an exclusive video interview with Kerry GAA partner Alliance Medical's social media channels. Alliance Medical, which operates scans at hospitals across the north and south, guarantees Kerry intercounty players quick access to MRI and CT scans.

"I suppose growing up in Kerry and being a corner forward you couldn't look past Colm Cooper. He is just the greatest forward that has ever played the game so it has to be him," said Clifford.

"With regard to the best I've played with, I only got to play with him from for one year but it would have to be Kieran Donaghy, just unbelievable for a corner forward (to play with), the way he brings players into the game and the way he's able to win primary possession."

As for the best score, Clifford also kept it 'Kerry', citing a famous point scored by Brian Sheehan in club football.

"The greatest score I've seen would have to be Brian Sheehan against for South Kerry in the county championship against Crokes in Fitzgerald stadium, a free from about 65-70 yards out it was an unbelievable score."

In the interview, Clifford gives a clear insight

into a young man with 'home-grown' very much coursing through his veins. The double All-Ireland medal winner chose his own club Fossa's grounds as his favourite pitch, followed closely by Fitzgerald Stadium and his mother's chicken casserole as his favourite dish.

He did stray, but only just, regarding his favourite artist - the 20 year-old going for a true Dub but an Irish musical giant, Luke Kelly, as his favourite signer. Celtic is his favourite soccer club, with Irish movie 'Man about Dog' his favourite movie.

But regarding a star from another sport he admires, the corner forward made a surprise choice - darts champion Adrian Lewis.

year together, Austin Stacks and Kerry legend Donaghy made a sufficient impact on the young star for him to declare his genius as a full-forward line partner. But Colm Cooper stands out

ROSCOMMON 1-13 KERRY 2-17 KERRY O'SHEA REPORTS FROM HYDE PARK, ROSCOMMON

Kerry qualified for their first Allianz League final since 2017 when they saw off the challenge of Anthony Cunningham's Roscommon with consummate ease at Dr Hyde Park on Sunday.

The Kingdom needed just one point to set up an Allianz League Final meeting with Mayo, however, they didn't have matters all their own way as Roscommon, with the aid of the strong wind in the first half settled better and opened a 0-6 to 0-3 lead by the 17th minute.

The return to inter-county action of Fossa's David Clifford was the big talking point to emerge from the game. Clifford's addition brought an added energy to the side.

The 2018 Young Footballer of the Year making his first start of the new campaign following a lengthy injury lay-off, was eager for action scoring 0-5 as well as creating numerous other chances including both Kerry goals and was unlucky not to goal in the opening minutes when Roscommon netminder Colm Lavin denied him with an immaculate save.

The decisive moment came in the 31st minute when Sean O'Shea, who finished with 1-5 on this occasion was in the right place to score his first goal at senior level for his county. The goal came at the end of a flowing move with Stephen O'Brien providing the final pass and it was enough to give the Kingdom a three-point lead at the break, 1-8 to 0-8.

Kerry turned around with the aid of the elements and when Sean O'Shea (2) and David Clifford added three points without reply the writing was on the wall for the Rossies. O'Shea

then turned provider for his Kenmare Shamrocks' clubmate to billow the net at the end of another flowing move in the 45th minute and after that the only question was what

Kerry's eventual margin of victory would be.

Kerry now advance to the Allianz League with the highest scoring average in Division 1 of +21 and the best defensive record of the campaign as well.

Their final opponents are old foes Mayo and the Kingdom will be hoping to avenge the only defeat they suffered at the hands of Mayo in Tralee two weeks ago.

REPORT BY LEONA TWISS, PRO

Croke Park Awaits!

Last Sunday's win over Roscommon saw us finish top of the Division 1 table with 12 points. The League so far has been pleasing for Peter Keane and the Management team as it has allowed them ample opportunity to try out a large number of players. After all, that was Peter's primary aim and reaching a League Final is the icing on the cake. Our opponents on Sunday are Mayo who finished in second place on the League Table. Our only defeat during the campaign was at home in Tralee against Mayo so everyone is well-aware of the challenge ahead. Silverware so early in the year would certainly be welcome but more importantly we need to take this opportunity to put on a good display in Croke Park against formidable opponents. The Final is the third game of the day at Headquarters with a 4pm throw in. A winner will be decided on the day so as not to run into April which is designated 'Club Month'. Tickets are now on sale via usual channels: selected Supervalu and Centra stores, Kerry GAA Store in Killarney and online at tickets.ie. Seating is fully reserved in the stands this weekend. Pricing is as follows: Adult Stand €30, Juvenile Stand €5 (Cusack Stand only), Students/Senior Citizens €20 (Concession on Cusack stand tickets at Block D with valid ID). The team will be announced on the Kerry GAA website at 8pm on Friday. The Kerry Supporters Club are organising coaches to Dublin on Sunday. All seats must be booked by Thursday night 28th March. The times are as follows Farranfore 6.30am Tralee 7am, Listowel 7.30am. For booking contact Donal O'Leary, John King or Martin Leane. We wish Peter Keane, the Management & the Panel the best of luck on Sunday!

DEMOGRAPHICS PILOT STUDY

Counties: Kerry, Roscommon, Tyrone & Westmeath

The GAA is now operating in an environment where 71% of the population of Ireland is resident in two provinces – Leinster 39% and Ulster 32%. In fact the imbalance in population is even greater as Dublin's population is over 50% the Leinster total and is greater than the population of either of the other two provinces – Munster or Connacht. This on-going demographic change is having a direct impact on GAA operations at every level. Cognisant of significant demographic changes on the island of Ireland, The National Committee on Community Development, Urban & Rural aims to deliver on the objectives of the GAA's Strategic Plan 2018-2021, in relation to protecting and growing the Association, by undertaking a Pilot Study in four selected Counties. In order to interconnect a wide range of issues, a county from each province has been selected, notably; Kerry, Roscommon, Tyrone & Westmeath. The Pilot Study will examine how the Association can best measure the impact of demographic change. Over the next couple of weeks, representatives from the county working group will

be in contact with your club to gather the necessary data. Engagement and support from the clubs will be critical to the success of the pilot and the committee will require your valued inputs in order to successfully complete the Pilot. A range of data inputs will be required from each club, including; Number of teams (incl. family of games, ladies, camogie etc.) Participation – number of players at each age group, Quantify school links and Facilities Assessment. The initial pilot projects will seek to increase the awareness amongst all Clubs of the demographic challenges within their catchment areas and to encourage all Clubs in the catchment area, working with the County Board, to collaborate and cooperate in an integrated manner to take ownership for tackling the specific problems within their area.

Kerry Petroleum Club Championship

A number of games have been postponed until next weekend due to Kerry's involvement in the Allianz League Final. 11 games go ahead on Saturday. Full fixture details can be found on the Kerry GAA website. Free programme handouts will be available at all venues. Best of luck to all the Clubs. It is a highly prestigious competition with the potential of playing in Croke Park as the big prize!

County Committee Meeting Update

A County Committee meeting was held last Monday night in the Pavilion, Austin Stack Park. Before the meeting, Una and Tadhg addressed the delegates. COISTE SCOR CHIARRAI

Last weekend "The Lee Strand" Sponsored Scor Na bPaisti County Semi Finals saw all nine District Boards take part at two separate venues; Presentation Secondary School, Castleisland for North of the County; (Saturday) and the Foilmore Community Centre; (Sunday) which was for South of the County. Both venues had huge attendances. Competition was of the highest standard and so well performed by these very talented National School Children from around the County and great credit is due to both their Tutors and Parents for the tremendous amount of work in preparation for this event. Certainly both Fear A Ti, P J Mulvihill "North" and Bean A Ti, Suzanne Ni Laoire "South" deserve special mention also for the way they kept everything running smoothly on the day. Two from each category from both venues have qualified for the County Finals which will go ahead in the Glenbeigh/Glencar G A A Sports Hall on Saturday April 6th commencing at 1 30pm with the County Finals of Trath Na gCeist getting underway at the earlier time of 11am.

REPORTS

HISTORIC DAY IN THE UNDERAGE LOI AS BOTH KERRY SIDES WIN:

March 23rd will be remembered as a historic day in the Kerry Schoolboys Girls League as both our 13's and 15's League

of Ireland recorded wins for the first time.

Kerry 13's had to wait until this week to begin their campaign but the wait was worth it as they recorded a 2-1 away win over Cobh Ramblers. Kerry got off to a great start as Stephen Gannon showed great composure to pounce on a defensive mistake after 9 minutes and coolly round the keeper to slot the ball home. Prior to that Oisin Healy was very unlucky in not opening the scoring for Kerry.

The same player then got on the end of a corner to double Kerry's advantage. Cobh had a couple of efforts but Kerry held out until half time. They did lose James Fisher to injury but all 18 players who were on duty made great contributions during their game time. Paddy McMahon and Ben O'Callaghan missed the match as they are recovering from injuries.

Cobh to their credit kept trying and pulled one back late on but Kerry held on for a great win and three points to kick off their campaign.

Next Up: Next up for the 13's is a trip to Garryduff to face Cork City who beat Athlone 5-1.

Kerry 13's: Darragh Foley, Fintan O'Sullivan, Niall O'Brien, James Fisher, Finn O'Neill, Jack Slattery, Finn Barrett, Oisin Healy, Stephen Gannon, Andrew Kerins, JJ Olitjan. Subs who all played – Barry Fitzsimons, Nathan Aherne, Momammed Abdalla, Bruno Borowzy, Jake Hoare and Immanuel Manu.

Kerry's 15's enjoyed a great day at home to Cobh Ramblers with Cianan Cooney the hero hitting all his sides goals in a 4-2 win. Kerry had the best of the opening encounters and took the lead in the 23rd minute when Cooney picked up a pass inside the box and finished coolly into the bottom corner. Liam Carmody did make one very good save to keep Kerry ahead but he was the quitter of the keepers.

The same player then doubled Kerry's lead in the 28th minute with a perfect free kick from just outside the box. However Cobh did pull one back 4 minutes later when the home defence failed to clear a rare visitors attack and David Equaibor scrambled the ball home to leave Kerry 2-1 up at the break.

Any home of a Cobh comeback was ended when Cooney completed his hat-trick. He was firstly denied by a great save by the keeper but from the resulting cross by Oisin Breen Cooney headed home. And he wrapped up the Kerry scoring and the Kerry win after being set up by the excellent Ronan Teehan. Cobh did pull one back very late on but it was only a consolation as Kerry took the win.

Next Up: Kerry will be at home again this Saturday when the welcome Cork City to Mounthawk Park for a 2pm kick-off. Cork put 6 without reply past Athlone at the weekend.

Kerry 15's: Liam Carmody, Samuel Aladesnaui, Andy Rogers, Ajay Behan, Oisin Woulfe, Lorcan Murphy, Oisin Collins, Sean Hill, Roco Rujevcan, Ronan Teehan, Cianan Cooney, Emmett Rigter, Cillian Murphy, Darragh O'Grady, Tom Whittleton, Daire O'Shea, Sean O'Connell, Colin Doody, Craig McInnes.

Another great game between these two young sides. Our young Blues had to settle for a share of the spoils tonight but it was not for the want of trying to win the game.

Our u11 players (pictured) made the trip to Camp and enjoyed their games against our very sporting hosts.

The boys dominated the game from start to finish, dominating possession but the elusive goal just didn't come. Saying that, Celtic are always dangerous on the break and only for a last-ditch tackle from Oran Horgan Celtic might have got the win. All players were outstanding, every player! Special mention to young Blue Szymon Jasinski who was a joy to watch playing the beautiful game tonight! Great skill, trickery and pace on the wing. Well done to all 13 players and Thanks to Celtic for another great game.

Quiz to raise funds for the Feile

A table quiz to raise funds towards the hosting of the John West Féile na nGael Finals in June will be held in the Killarney Avenue Hotel tonight, Friday 29th of March.

Last June, South Kerry Hurling Coiste na nÓg and Killarney Camogie Club participated in the National John West Féile na nGael Finals in Connaught. Both teams had great campaigns, representing their clubs and county with pride.

"Earlier this year, we were delighted to be informed that Kerry / North Cork will be the hosting regions for Féile na nGael 2019 on the weekend 7th-9th June. Both South Kerry Hurling Coiste na nÓg and Killarney Camogie Club agreed to join forces to ensure a successful festival for the young hurling and camogie players in our clubs and those we will be hosting,"

Michael O'Keeffe, PRO, South Kerry Hurling Bord na nÓg told the Killarney Outlook.

thanks to all our generous contributors as well as those who helped undertake the collection on the day. Many schools in the area are participating in a Jersey Day this Friday, 29th March with all proceeds going towards the various equipment, hospitality and ancillary requirements associated with the hosting of this years Féile na nGael".

On this Friday, 29th March, there will be a Fun Quiz Night in the Killarney Avenue Hotel from 8:00pm sharp with a number of sport prizes and a raffle. NATIONAL LEAGUE DIVISION ONE SEMI-FINAL

By Eamonn Keogh
DBS Eanna 95
Scotts Lakers 78

DESPITE a gallant team effort, Scotts Lakers were eventually outgunned by DBS Eanna in the National League Division One Semi-Final at Colaiste Eanna in Rathfarnham last Saturday. The Killarney side actually led at half-time but faded late in the final quarter and the final margin of 17 points on the scoreboard wasn't a fair reflection of the difference between the sides. Any prospects of superleague basketball returning to Killarney and having three Kerry teams in the top flight next season were dashed with this result.

In the other semi-final Dublin Lions had a surprise victory over Ballincollig but Eanna won the final securing automatic promotion to the Superleague. Dublin Lions still have a chance of promotion and have a play-off game against Neptune, who finished bottom of the superleague.

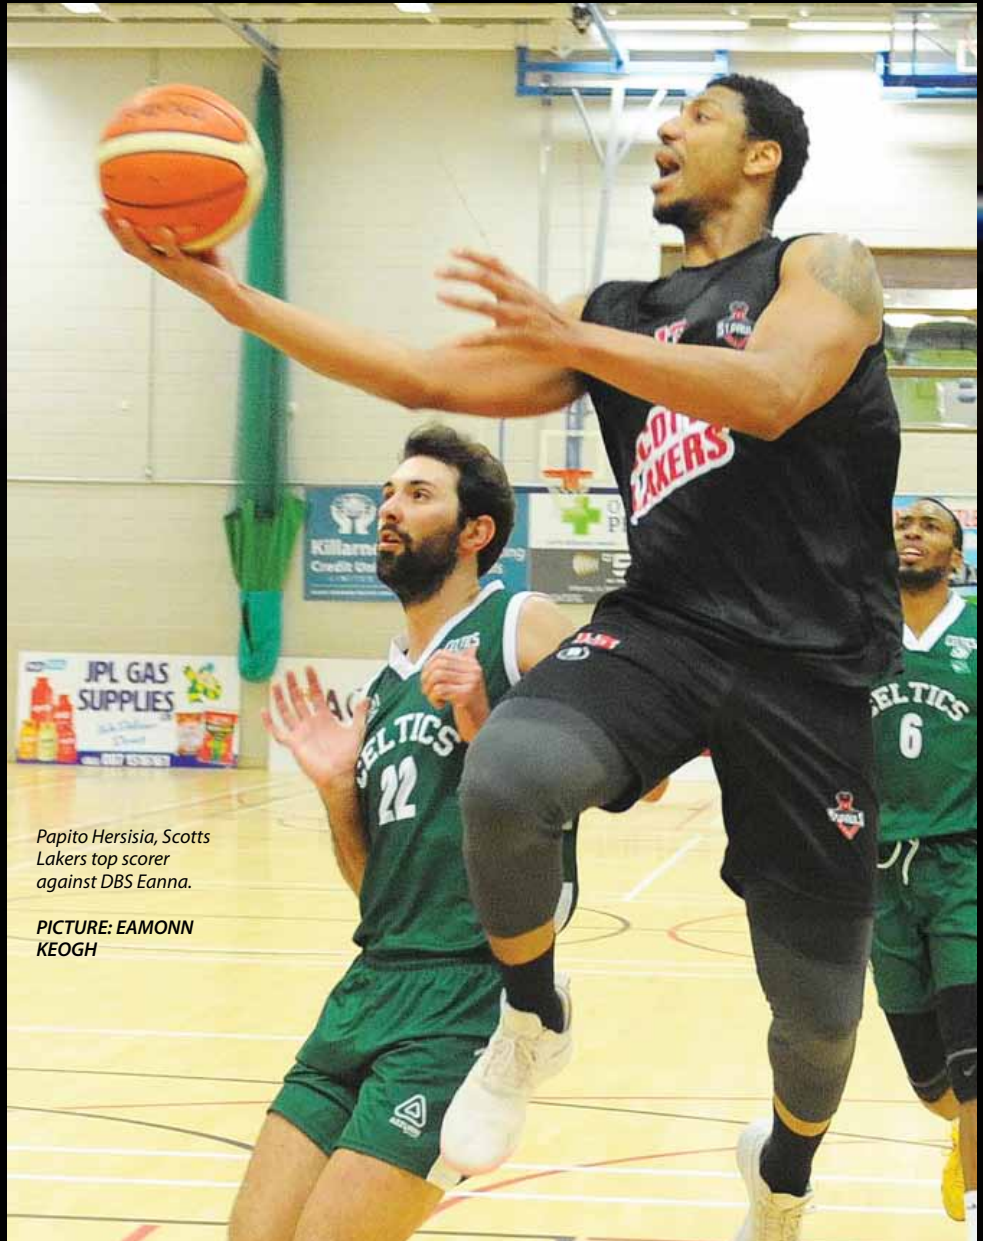

Stefan Zecevic was prominent for the home side from an early stage with big three-pointers and Eanna led 21-13 with 3:25 left in the first quarter. However Papito Hersisia was enjoying his best game of the season for Scotts Lakers and really showed his true potential in this match. By the end of the first quarter the Dutch power forward had 16 points on the board and was causing a lot of problems for Eanna under the boards. In contrast the Dubliners had impressive returns from Joshua Wilson and Stefan Zecevic and they led 30-20 at the end of the first period.

Scotts Lakers really stepped it up in the second quarter. Hersisia continued to dominate and Dailian Mason knocked down a brace of three-pointers. Eanna led 38-30 midway through the quarter but the Lakers finished strong and enjoyed a narrow 42-43 advantage at the interval break.

Exchanges continued to be closely contested and the home side led 53-52 with less than six minutes left in the third quarter. Lakers captain Mark Greene was particularly prominent reproducing the terrific form that he has shown all season and ten points from him in this quarter kept the Killarney side firmly in contention. However Joshua Wilson and Neil Lynch were also very effective and the home side led 68-63 as the game entered the final quarter.

It was still a five point game, 76-71, midway through the final period but Eanna's greater strength in depth and extra options from the bench was a big difference as the Scotts Lakers challenge faded. Hersisia, who had been outstanding to lead the Killarney challenge for long periods with 26 first half points and a 34 point total by the end of the third quarter, wasn't the same dominant force in the final period and could only manage two points in the final period.

The home side had a flurry of late baskets to put a rather flattering 17 point difference on

Papito Hersisia, Scotts Lakers top scorer against DBS Eanna.

the scoreboard. Eanna were firm favourites to advance in this game but Scotts Lakers put up a great challenge for long periods. Despite playing with a depleted squad in recent weeks, the Killarney side came close to challenging and qualifying for promotion to the superleague. With a bit more luck and extra strength in depth, they might have pulled it off. From Division one B champions last season to league semi-finalists this season, it still has been good progress for Scotts Lakers in their two seasons back playing national league basketball. Time will tell whether they can make further strides and progress to superleague level.

DBS Eanna: Joshua Wilson 25, Neil Lynch 22, Stefan Zecevic 21, Conor Gallagher 9.

Scotts Lakers: Papito Hersisia 36, Mark Greene 17, Sean O'Brien 11, Dailian Mason 6, Andrew Fitzgerald 4, Cian Clernon 4, Seamus Brosnan.

LEAGUE CUP HOME GAME

WITH the national league completed attention will now turn to the League Cup competition this weekend. Scotts Lakers will host LYIT Donegal in Killarney Sports Centre this Saturday night March 30th at 7.30 pm. A win here would see them advance to the quarter final of the competition and this would also be a home game in Killarney Sports Centre this weekend on Sunday afternoon March 31st against Carlow IT or Ulster Elks.

Killarney basketball fans are encouraged to come out and support Scotts Lakers this weekend as it may be the last opportunity to see the team in action this season. LYIT Donegal are the visitors on Saturday night and they can call on Americans Cullen Donovan and Spencer Williams alongside talented local players Dillon Muldoon, Paul McHugh, Charlie McKinney and Jordan McClelland.

KILLARNEY CLAIM HISTORIC RESULT TO REACH FINAL

REPORT: Seamus Grealy PICTURES: Ian Cronin

Killarney u16s created history by reaching the Munster U16 final coming from behind in this pulsating semi final played in Newcastlewest. Conditions were perfect and these two evenly matched committed teams turned up intent on playing expansively. Both sides probed early on and a highlight was the intense battle between the powerful centre pairings. Killarney came closest to scoring in the opening quarter once following a clean line break from outhalf Donnchadh Grealy and shortly after when winger Tomas Clifford came close in the right corner. Nenagh however registered the first points when their no 12 coolly slotted a 30 metre penalty. Enjoying a period of dominance they piled forward continuously recycling and spreading play through their powerful backline. Their powerplay pressure was rewarded with a superbly worked team try under the posts for a 7 pointer. Killarney were finding it difficult to get a foothold and a high penalty count against them kept giving hardwon possession and territory back to a hungry Nenagh outfit. Five minutes before halftime Nenagh struck again when a long line out throw sailed into the hands of their grateful no6 tail jumper who casually touched down. At 15 nil it looked like only one winner at this stage. However there is a reason why the moments directly before and after halftime are called the championship moments. Killarney got dug into the opposition 22 from the restart and to their credit kept composed and focused changing the point of attack through numerous phases. Tomas Clifford again came close on the left wing. Nenagh defended their line gallantly and it took a Darren Cronin turnover to regain possession before a final flurry of recycling released tigerish Brendy O Donoghue over in the right corner to revive hope. The half time score was 15 _5 to Nenagh.

Killarney emerged re-energized and focused for the second half. Confidently they secured the restart and launched the best move of the game. A superb looping handling setplay

from backs Liam Randles, Donnchadh Grealy, Ozdenis Koyun, and a cutting line from Padraig Talbot gave a determined Tomas Clifford the chance to sprint away and this time finish superbly. Now it was Killarney forcing the pace and a retreating Nenagh defence conceding the penalties. After 45 minutes Donnchadh Grealy kicked a penalty to reduce the deficit to 2 points. Killarney were now dominating all the major collisions and camped in the opposing half. John Mc Carthy secured line out ball and well constructed rolling mauls came very close on two occasions. A number of close in tapped penalties also met with teak tough tackling from the Nenagh defence. With 11 minutes remaining a well used penalty set play finally broke the dam when Padraig Talbot powered through a flailing series of tackles to touchdown and give Killarney the lead. The conversion was added and a final insurance penalty with 5 Mins to go sealed the victory. Incredibly Killarney had overturned a 15 points deficit to score 23 unanswered points.

The Killarney team as a unit rose to the occasion on the day. The front row of Adam Cronin, Czengis Koyun, and Rob Nealon superbly led the frontline. The 2nd row pairings of Darren Cronin, Cormac Rowe, Mike O Donoghue, and

Shane McAllister tackled, counterrucked and fought for every inch. A Drake inspired Brendy O Donoghue played his most aggressive game of the season. As usual no 8 John McCarthy provided the steel in defence and line out platform. The returning Bailey O Sullivan reminded everyone of his rugby prowess.

Liam Randles deputised superbly for captain and scrumhalf Peter Walsh, passing, orchestrating the attack and boxkicking expertly. Outhalf Donnchadh Grealy repeatedly broke the defensive line and added 8 points. Ozdenis Koyun dominated the centre collisions with power running and bone crunching tackles. Padraig Talbot again gave a powerful man of the match performance this time playing in the centre. Tomas Clifford again terrorized the defence with his speed and power. Dan Twomey and Jack Kenneally tackled superbly on the wings and fullback Mikey Moriarty was rocksolid under highball and counterattacking. A word of congratulations also to a gallant, skillful, Nenagh squad and coaching team who contributed immensely to a superb game. Killarney now look forward to the final in Musgrave Park against Skibbreen or Cashel/Kilfeacle. Keep in touch with club platforms for details.

Gardening
with Killarney Outlook

by John O'Sullivan

PLANTS FOR SHADE

Most gardens have a shady spot, a north facing wall, under a tree or in the shadow of the house. There is a huge range of plants to suit shaded areas including broadleaved foliage plants, to spring flowers and ever green flowering shrubs. Ferns are probably the first plant you would think of when it comes to shade — you can choose from a wide range of ferns from dwarf, medium or large. Ferns look very natural when planted under a tree or beside a wall. Most ferns will die back for the winter so if you want all year round foliage you will need to plant something evergreen near the ferns i.e something low growing like the Viburnum Davidii which is a great plant when planted in groups of three. Another good evergreen plant for the shade is the Heuchera which comes in lovely shades including dark to light purple and green to light green. There is also a wide range of flowering plants for shade. A good example is an Astilbe, an Astilbe has a good range of flower colours and foliage to choose from. An Astilbe has a good range of flower colours and foliage to choose from. Sometimes when an area is shaded, the ground can be quite dry — even in the winter time. A good plant for this would be a plant called Vinca Minor which is an evergreen flowering ground cover plant. But remember to water until established

Citizens Information

Know Your Rights:

QUESTION

My son is exempted from studying Irish. Can he still go on to study at third level?

ANSWER

Students must have the academic entry requirements (also called matriculation requirements) for the third level course they want to take. You can get detailed information on these requirements directly from the universities, technological universities, institutes of technology and colleges of education.

If a certain mark in the Irish Leaving Certificate exam is a matriculation requirement, students who had an exemption from the study of Irish may also be exempted from this requirement.

Exemptions from Irish matriculation requirements may be granted, for example, to a student who was born outside Ireland, was educated wholly or partly outside Ireland or who has a specific learning disability. This is a matter for each individual college.

All students applying for a third-level course through the Central Applications Office (CAO) should send a copy of their exemption certificate with their CAO application form.

The college may also ask the student to complete a separate exemption application form and to submit supporting documentation. You should check with the individual college for details on how to apply for an exemption.

EARTH HOUR IS THIS SATURDAY

Starting as a symbolic lights out event in Sydney in 2007, on Saturday March 29th 2008, 35 countries and over 370 cities switched off lights during Earth Hour for the first time. Now millions of people, businesses and landmarks set aside an hour to host events, switch off their lights and support the Earth Hour movement. This year, they want to celebrate the diversity of life on Earth, and they want to invite your friends and family to celebrate with them!

Please switch off all unnecessary electric lights and electrical gadgets in solidarity with global efforts to secure nature and our home on this Saturday March 30th from 8:30pm until 9.30pm.

SUMMER TIME THIS WEEKEND

Remember to reset your watches, alarms, timers etc by putting the time forward by one hour before you go to bed this Saturday night. Sunrise and sunset will be about one hour later on Sunday, March 31, 2019 than the day before, resulting in more daylight in the evening.

In a public survey in the EU Countries last year, more than 80% of 4.6 million people voted to put an end to seasonal clock changes altogether, but some MEP's decided an April 1st, 2019 deadline was too ambitious. In a compromise, this deadline has been pushed two years ahead, to April 1st, 2021.

A FEW QUICK CHECKS CAN TAKE YOUR DOG THROUGH THE BRIGHTER EVENINGS SAFE AND SOUND

Check leashes, collars, harnesses, etc. for any wear and tear, and verify that they still fit appropriately. Make sure your dog's ID tags are current and still legible, and have your vet scan their microchip to confirm that it still works and make sure the winter months didn't damage any fencing that could lead to your dog escaping.

*Many common garden plants are toxic to dogs, including lilies, daffodils, tulips, Rhododendron begonias etc.

*Fleas, lice etc like warm, humid climates and pets will pick them up from the environment or other infested animals. They can cause severe skin issues, transmit diseases and even trigger anaemia in the host. It's critical to identify fleas quickly and use appropriate treatment. Ticks typically live in wooded areas, brush, shrubs and wild undergrowth; they also transmit some very serious diseases, so prevention is extremely

important. *Try to prevent your dog from stepping on lawns around your neighbourhood as they might be treated with toxic chemicals. Likewise, don't let your dog drink out of puddles from those April showers, as they too might contain chemicals or dangerous pathogens.

*After several months inside and inactive, your dog may have gained weight, lost muscle tone and be a little stiff in the joints, reintroduce him slowly to his favourite outdoor activities by starting with short runs and hikes or gentle games of fetch and Frisbee until he's used to an increased level of activity.

*Make sure the winter months didn't damage any fencing that could lead to your dog escaping. And pick up debris, sticks and rocks that could pose hazards.

*Just like humans, many dogs experience allergies with plants and pollen being common triggers. In dogs, environmental allergies frequently present as itchy skin, as well as secondary skin and ear infections. If you notice your dog excessively itching or licking their paws, it's important to get them to the vet for a diagnosis and treatment.

CALIFORNIA IS FINALLY DROUGHT-FREE AFTER 7 YEARS

According to recent reports from the U.S. National Drought Mitigation Centre, California has been experiencing some form of drought since December 20th, 2011 but had an abundance of rain and snowfall during the past winter season. The rain has spurred a breathtaking wildflower super bloom in certain parts of the state and a vast increase in the "painted lady" butterfly species.

The U.S. Drought Monitor also reported that America's nationwide drought had finally come to an end after three years.

WORKERS WORKED OVERTIME SO THAT THEIR COLLEAGUE COULD TAKE CARE OF HIS SICK SON

36-year-old Andreas Graf, a worker from Marburg, Germany had a terrible period in his life. His wife had died and his son was diagnosed with leukaemia. As his hands were tied, the man wrote a dismissal application to look after the child. Instead, a staff member from the human resources department shared Andrea's story with his colleagues, persuading them to help. They decided to share Andreas' shifts among themselves, so that he would not have to resign. His colleagues had worked overtime for 3,264 hours - about 400 working days, enabling him to be compensated for as paid leave.

HAVE YOU EVER TASTED WILD COFFEE?

According to a 2017 study, nearly 60% of the world's wild coffee is under threat of extinction and Ethiopia is home to some of these last remaining wild arabica plants.

Amongst the many gems within Bale Mountains National Park is the Mountain Nyala, an endangered species of antelope and the Haremma rainforest which lies about 250 miles southeast of Addis Ababa and hides a tangle of flora beneath the shroud of an often-present, low-lying cloud. Tucked among this dense greenery is some of the world's last wild coffee which farmers living in the area depend on for income and approximately 3,000 individuals gather the bright red coffee cherries from the wild arabica plants by hand each year. After collection, no processing or cleaning is required; farmers simply leave their yield to dry in suspended nets or beneath the sun.

Residents of Manyate established a community group known as the Sankate Association to better develop the forest's small-scale industries including Sankate's coffee village which offers tourists an opportunity to pluck their own ripened wild coffee cherries during the harvest season.

A Word of Victory

Welcome back dear reader, we mentioned how circumstances are subject to change previously and I would like to give a personal testimony. Things had gone wrong in our business and we were in a very bad place financially and emotionally. We were completely stressed and didn't know how we would make it through. Everything had fallen apart due to the recession and we had lost everything, and still had to face those we owed money to. One Sunday morning at Word of Victory Christian Fellowship the worship song 'Because He Lives' was sung. Tears rolled down my cheeks uncontrollably as I sang....'Because He lives, I can face tomorrow, because He lives all fear is gone. Because I know He holds the future, and life is worth the living just because He lives' – it's a simple song with powerfully anointed lyrics that no matter what is going on Jesus will bring us through. I cried all through that service because tomorrow we were meeting a creditor and we did not have the money to pay them. My baby was on my lap, and my older child had taken my Bible and a little notebook and was drawing and practising her writing. I paid little attention to what she was at – I was just glad she was keeping quiet! I couldn't tell you what was preached that day because all I could think of was what is going to happen tomorrow. Afterwards my daughter came up to me and said 'Mommy look what I did!' and she showed me her notebook. I couldn't believe my eyes when I read what she had written. She had copied a Scripture from my Bible as the Lord used her to speak His promise to me. In her precious 7 year old handwriting she wrote "Give your burdens to the Lord, and He will take care of you. He will not permit the godly to slip and fall." This Scripture is from Psalm 55:22 and of all the Scriptures in the Bible this was the one she copied out. I know it was no coincidence. It was a Word from God that He was with us and He would bring us through. And He did. Our circumstances have changed completely since that time and to God be the glory for His love and faithfulness. I still have that notebook and read it often; I will post a picture of it on this post on our website – Be encouraged friend His promises are for you too!

SELF-ACCEPTANCE

SouthWest
Counselling Centre

One of my favourite Oscar Wilde quotes says 'Be yourself, everyone else is taken'. So why is it so difficult for us to do just that? Liking ourselves and being ourselves has to do with self-acceptance. Self-acceptance refers to our ability to embrace all facets of ourselves and not just the positive, acceptable parts. Whilst we may recognize our limitations and weaknesses – accepting ourselves fully means we accept these aspects of ourselves too. We stop judging ourselves and being so hard on ourselves.

Research shows that before the age of eight we are unable to form a sense of ourselves separate from that which was transmitted to us by those who care for us. So often I hear clients say to me that their parents were unable or unwilling to communicate the message to them that they were totally okay and acceptable. In addition to this we may have received much disapproval and criticism from teachers, siblings, other relatives and/or our peers. Is it any wonder then that we come to see ourselves as inadequate in many ways? A consequence of this is that we may go on to regard many aspects of ourselves negatively. We 'beat ourselves up' often telling ourselves the very same thing that an overly critical parent or teacher may have said.

So how then do we become more self-accepting?

Developing self-acceptance requires that we develop more self-compassion for ourselves. The Buddhist teacher Pema Chodron says that "Compassion isn't some kind of self-improvement project or ideal that we're trying to live up to. Having compassion starts and ends with having compassion for all those unwanted parts of ourselves, all those imperfections that we don't even want to look at". However learning to be self-compassionate and kind to ourselves can seem like quite a new idea and represents a deep change in our attitude and way of being. In order to ensure our survival our brains have been designed in such a way as to give attention to the negative stuff. Self-criticism has in fact played an important role for us. However, this criticism needs to be tempered with kindness and not allowed to be a habit based response formed from patterns laid down in our early childhood. Whenever we criticise ourselves we are triggering the same threat and protection systems in the body and brain that get activated when threatened by other people.

By cultivating more self-compassion we come to like ourselves more and to view ourselves as deserving of love and respect. This in turn can lead us to showing not just more kindness and goodwill toward ourselves but towards others as well.

Next week we will look further at developing and cultivating self acceptance.
