SPA RALLIES AROUND IAN IN MAJOR FUNDRAISER

A major fundraiser is set to take place on Sunday October 15th and Spa GAA Club are looking for your help. The club are rallying around one of their members who was injured in a biking accident in August. Sixteen year old Ian O'Connell suffered extensive damage to his neck and spine and is currently in Dublin receiving treatment. The Transition Year student at St. Brendan's College was injured when he fell from his bike in Killarney National Park in mid August. Spa GAA Club have organised a special lotto fundraiser for Ian and his family and are asking everyone to please support it. This special lotto draw

will take place at the Torc Hotel, Killarney on Sunday October 15th with a jackpot prize of €2000.

"We are asking other clubs to sell tickets for us too - and hope to raise a substantial amount of money", Deirdre O'Sullivan Darcy secretary at the club told the Killarney Outlook.

The lotto tickets are €5 each.

There is a bank account set up at AIB, Main St, Killarney under the account name 'Ian O'Connell Fund' for any donations:

Account Name: Ian O'Connell Fund

Account Number: 64056025

Sort Code: 936332

BIC: AIBKIE2D

IBAN: IE24AIBK93633264056025

ALL money raised will go directly to Ian and his family.

"We are asking everyone to please help to raise money for Ian and his family. We would hope that clubs can help us sell the tickets or please contribute towards this fundraising drive. There are also a couple of clubs who have already offered to forego their own club lotto draw on the weekend of the Ian O'Connell lotto draw (October 15th)", Deirdre added.

If you have any queries or if you or your club can offer any help, please do not hesitate to contact us.

GOOCH TO LAUNCH HIS AUTOBIOGRAPHY

The much anticipated autobiography - Gooch by Colm Cooper will be launched on Thursday next October 5th at The Gleneagle Hotel with RTE's Michael Lester doing the honours as MC. When Colm Cooper retired from inter-county football in 2017, he left behind a remarkable legacy. The holder of five All-Ireland medals and eight All-Stars, he was Kerry's stand-out forward for fifteen years. From a family steeped in Gaelic football, and a core member of the Dr Crokes team, Colm was still in his teens when he first played for Kerry at senior level. Overcoming struggles with injury and personal tragedy, Cooper became one of the GAA's most recognizable and best-loved figures at a time of tumultuous change in the game.

But the man known nationally as 'Gooch' is also an intensely private figure who has never courted publicity and his personal story remains largely untold. Now Gooch - The Autobiography unlocks a previously unopened door, tracing a compelling path through the

life beyond the headlines. This is the story of an ordinary man who became an extraordinary footballer.

Killarney Legion GAA Club this week launched their annual Golf Classic. Set to take place on Friday October 13th at the Killarney Golf Club, the Club is conscious of the need to constantly improve their facilities and also to help continue to offer the community with a healthy and character building alternative. "With over 16 team's including boys and girls the upkeep of the pitches and training areas is a challenge and it is vitally important to give our members the best possible coaching and training", Club chairman Enda Walshe told the

Killarney Outlook.

"To this end our Annual Golf Classic is a vital fundraiser for our club. It also gives the participants an ideal opportunity to play one of Ireland's finest courses", he added. "We are grateful too to Micheal O'Donoghue of the Killarney Avenue Hotel who has been a loyal sponsor of our Classic for many years". Enda said.

There are 2 shotgun times available, 9am and 2pm and anyone interested in playing and supporting our club can contact our Coordinator Sean Murphy.

KERRY CELEBRATES ITS ABUNDANCE OF CULTURE

PICTURES: VALERIE O'SULLIVAN

The wide range of events organised for Culture Night 2017 proved beyond doubt that Kerry is rich in culture. The weather behaved and spirits were high across Kerry on Friday 22nd last when public venues, communities and arts spaces offered up a great selection of free events late into the night. Culture Night Kerry was funded by the Department of Culture, Heritage and the Gaeltacht and the Creative Ireland programme in partnership with Kerry County Council. Thousands came out across the County with key events in Tralee, Killarney, Listowel, Dingle, Castleisland, Ballinskelligs, Kenmare, Waterville, Killorglin, Scartaglin, Finuge, Annascaul, Tureencahill, Dromid, Rathmore, Caherciveen, and Fossa.

Killarney Cultural Centre and Killarney House hosted music, youth choral, song, dance and theatre and a full house enjoyed Andy Irvine & Donal Lunny in concert at Muckross Traditional Farms. The visual arts featured also at a Showcase of selected Kerry artists at Government Buildings on New Road Killarney with a show running until 17th October. Meanwhile in Fossa, Tureencahill, Castleisland, and Listowel song, dance and céili featured well into the evening at community centres and public houses. People travelled from far and near to hear Fergal Keane read from his new book in Listowel and they travelled further still on the Lartigue Monorail where Listowel Writers Week had organised readings from poets and writers across North Kerry. Creative Ireland Kerry Youth Choral events featured in Cahirciveen, Tralee, Listowel and Killarney and in Ballinskelligs there was a great attendance for a tour of the artist's retreat and famine village at Bolus head. This was followed by a famine supper in the house once lived in by Seanchaí Sean Ó Connail. There were too many events to mention in one space but we can be proud in Kerry of our cultural organisations. As one visitor said 'I had no idea until I saw the programme how much art and culture we have in Kerry...it was a great night altogether'.

KERRY DEER SOCIETY ISSUE SAFETY WARNING AHEAD OF THE "RUT"

NATIVE RED STAG IN HARD ANTLER AND IN PRIME CONDITION, FOR THE UPCOMING RUT IN KILARNEY NATIONAL PARK. NOTE THE SHREDS OF VELVET HANGING FROM THE BASE OF THE STAGS ANTLEERS. PICTURE: PETER O'TOOLE

The Kerry Deer Society wish to advise people going into the mountains or lowlands to observe deer during the "Deer Rut", that it can be dangerous to approach deer at this time of the year. Stags can be quite aggressive and may attack people and dogs. For your safety please stay back from deer and use binoculars. When driving

on public roads, drive with care. Deer wander.

DRIVING NEAR DEER - DO'S AND DON'TS

Drivers who ignore deer warning signs or drive at speed along rural roads at this time of year make themselves an endangered species, warns the AA. "Their best bet is to heed the warning signs,

put up where accidents have happened or animals are known to cross, and to always drive at a speed that gives you time to react to what may suddenly appear in the road.

Drivers need to understand a little about deer, to think about how they can change their driving to avoid them, and to understand what to do if they do hit and injure one."

If you understand a little about deer then you can think about how you can change your driving to avoid them and know what to do if you hit and injure one.

Accidents involving deer peak in May, October and November.

Worst times of day are around sunrise and between sunset and midnight.

Some areas have bigger problems than others including Killarney National Park.

'Deer' or 'wild animal' signs warn you that deer accidents happen in that area.

A deer can appear almost instantly - nature makes them hard to see and they don't follow the green cross code!

Use high beam head-lights when it's dark, but dip them if you see a deer, otherwise it may freeze in your path. Don't dazzle other drivers though. If a deer appears suddenly it's safer to continue on your normal track rather than swerve or brake hard to try to avoid it. Sudden manoeuvres can result in a loss of control and increase the risk of hitting a tree or another vehicle. If you do hit a deer, try to stop somewhere safe. If you can't then do your best to ensure that your accident isn't hit by other vehicles. Report the accident to the police who will contact someone who can help the injured deer. Bear in mind that if you miss the deer (or any other animal), but hit something else, it will be very hard to prove that the deer ever existed.

JACK'S TRACTOR SAFE LOCK WINS AWARD AT THE PLOUGHING

A young Killorglin student who invented Tractor Safe Lock, a device that automatically engages the handbrake in a tractor when the operator leaves the seat, has been awarded the Innovation Arena's People's Choice Award in association with Enterprise Ireland, the National Ploughing Association and the Irish Farmers Journal.

The Co. Kerry based company,

founded by student Jack Nagle (16), is one of 69 companies exhibiting at the 2017 Innovation Arena and entered into this year's awards. The People's Choice Award is voted for by the general public via the Irish Farmers Journal website and app. The number of votes received totalled 3,000 with Tractor Safe Lock receiving over two-thirds (67 per cent) of the overall vote.

The winning device, Tractor Safe Lock, is activated as soon as the operator takes the machine out of gear through a pressure switch on the seat, pushing up the handbrake of the tractor to safely stop the vehicle from rolling.

KILLARNEY WELCOME REMEMBRANCE TOUR GROUP

THE VISITING GROUP FROM BELGIUM PICTURED WITH REPRESENTATIVES FROM KILLARNEY AT THE KILLARNEY MONUMENT.

A visiting group from Belgium led by the Mayor of Ypres were met by the Mayor of Killarney Cllr. Niall Kelleher in Killarney last Thursday afternoon.

The group visited many places in the South of Ireland where monuments were erected in memory of those from this country who took part in World War One (WWI).

It was a trip to see where they came from and to hear some of their history as passed down by families. Also in the group were directors of "In Flanders Fields" WWI Museum which is the largest

WWI Museum in the world. They included the President of the Museum Committee. They were addressed at the Killarney Monument (Celtic Cross 1914-1918) on Killarney's and Kerry's participation in those years by Noel Grimes and Thomas Dillon. "They were very impressed by the site and with the list of names compiled in Killarney's " Book of Remembrance" of WWI", Noel Grimes told the Killarney Outlook. "During their visit they were informed of a direct connection between Killarney and Belgium that goes back to the 1860s when

two Franciscan Friars arrived in Killarney from Belgium and started building The Friary in Killarney, and that the altars and railings of the church were made in Belgium and that the statue of St Joesph on the main altar , is the Patron Saint

of Belgium", Noel added. "They were eagerly looking forward to visiting the Friary the next morning before they left Killarney very pleased with their visit", Noel concluded.

TRUSTEES OF MUCKROSS HOUSE PURCHASE YEATS PAINTING

The Trustees of Muckross House and the National Parks and Wildlife Service (NPWS) of the Department of Culture, Heritage and the Gaeltacht, were successful in their bid to purchase a painting by John Butler Yeats, which is of historic significance to Muckross House. The painting, 'Mrs Herbert with a Maltese Terrier' is by John Butler Yeats (JBY). This was the artist's first big commission which he received in 1872 and completed in 1873.

Mrs Herbert is painted, seated, in a richly coloured and patterned gown, with her terrier on her lap. It was painted in front of the wallpaper that is still perfectly preserved in Muckross House.

She was born Emily Julia Charlotte Keane in January 1848 and married Major Henry Arthur Herbert (known as Harry) in October 1866. It is said that, shortly after

the painting was completed, Mrs Herbert left Muckross and never returned. Consequently, her husband refused to accept the portrait and it ended up in the room of JBY's friend Edward Dowden, at Trinity College.

Following the death of Dowden, the painting was returned to the Yeats family where it since remained. Emily and Harry were divorced in 1882. She died in 1911. Geraldine Rosney, Chairperson of the Trustees of Muckross House, said that the Trustees were pleased to be in a position to fund the acquisition of the portrait for the benefit of Muckross House and they are happy to welcome it to its rightful place. "It is very important that the collections at Muckross are maintained and enhanced with further additions. The Trustees strive to enrich the visitors' experience of

Muckross House. She added: "The acquisition of such a significant painting is a further example of this commitment on the part of the Board of Trustees. I'd like to thank the Department of Culture, Heritage and the Gaeltacht

who assisted us in making this purchase and without whose help it would not have been possible." The Trustees are looking forward to unveiling the painting in the very near future.

LITTLE EXPLORERS PRESCHOOL OPENS IN TWO MILE COMMUNITY NATIONAL SCHOOL

A new preschool has opened its doors to Little Explorers at Two Mile Community National School in Killarney.

The Preschool officially opened on Monday the 25th of September with 10 Children enrolled so far.

Ann O'Dwyer Director of Schools with Kerry ETB said she is delighted that local woman Sharon O'Riordan agreed to set up and run this new private facility. Sharon is originally from Killarney and is now living locally in the Ballyhar. Sharon has long had a love of working with Children and completed her QQI levels 5 in Childcare in Killarney Community College. And levels 6 in Kerr College of Further Education.

Sharon worked tirelessly to ensure that Little Explorers Preschool has become a reality. Sharon was initially approached by local Community representatives including Tim Horgan, Connie Daly, Lisa Casey and Sheila O'Donoghue who she is very grateful to. She began advertising the Preschool in the Summer and before long the need amongst other local parents became apparent. Kerry ETB are delighted to support this expressed requirement from the local community and it is with great excitement for the local area that the Preschool is now officially opening.

Sharon's vision is to create an educational, stimulating and safe environment for the Children. According to Sharon 'my aim is to provide a high quality Pre-School for each child and their families, a facility that is accessible to all sections of the community and run in partnership with the parents'

Ann O'Dwyer added that Kerry ETB 'are very fortunate that a local Childcare Provider Sharon O'Riordan is opening the Preschool on site alongside the Two Mile Community National

Catherine Barry the Principal of the Two Mile Community National School stated "we at the Two Mile Community National School are delighted to be associated with Little Explorers Pre-School. This is a wonderful opportunity for children of pre-school age in the locality to experience the transition from home to school environment. I wish Sharon and all her explorers great success'.

Parents, Community Representatives, members of Kerry ETB Board and Staff joined Sharon and the children at an opening ceremony on Friday

the 22nd at 1:30pm. Sharon welcomed the gathering with well wishes for the Preschools future and for the futures of the little Pupils being the theme of the day. Sharon took the opportunity to thank all those who had helped make this venture a reality including all the local Two Mile community representatives, Catherine Barry Principal, Kerry County Childcare, Kerry ETB, Ann O'Dwyer Director of Schools, Cllr Brendan Cronin, Minister Brendan Griffin TD, Donna Griffin from Creative Kids and family and Friends for the endless support.

The preschool is still accepting enrolment. Anyone interested in enrolling their child should contact Sharon O Riordan on 0860594897

KILLARNEY HOSTS ANOTHER GREAT 10 MILE RACE

The 4th annual Killarney 10 mile Race took place last Saturday 23rd of September and once again, thanks to the organisers and competitors - it was a huge success.

"Positive commentary came from all the participants running to support the microtrack project and also because of how professionally the event was organised", Jerry Griffin told the Killarney Outlook.

The event attracted competitors from all over Ireland including participants from the USA, England and Spain. The race helps to provide a donation every year to the Killarney community MicroTrack project to be located on the grounds of St.Brendan's college. The group was honoured to have minister Brendan Griffin TD on hand to be the honorary starter and The mayor of Killarney councillor Niall Kelliher presenting a finishers medal to every participant at the finish line which is where the proposed Microtrack is to be built. The weather throughout the event was remarkable, the sun shone through with a dry autumn wind as the participants took on Aghadoe and Knockreer before finishing back at St.Brendan's college. The winner of this year's event was Rory O'Sullivan of the St.Finbarr's Athletic Club in Cork in a time of 56.27 on the challenging route. Rory was presented with the Richard Clifford perpetual cup by Geraldine Clifford in front of the packed hall. Richard is remembered every year with the cup dedicated in his memory, Richard enjoyed running as a pastime with his friends, some

The local club Killarney Valley Athletic Club, cheered on member Martin Crowley who finished in third place with a time of 62.37 the Liebherr employee is going from strength to strength on the road running scene. A great round of applause went to Killarney native Sinead Tagney who now lives in Dublin and is a member of Sportsworld AC, who won the female race in 65.49. Sinead's parents were stalwarts of Athletics in Killarney for many years through Spa Muckcross community games. Sean Coffey principal of St.Brendan's college who is one of

the coordinators of the community microtrack project ran in the race himself. Sean is a member of Muckross Rowing Club led by example in his school, making light of the 10 miles and showing the benefits of exercise in the youth by encouraging participation in recreational and sporting pursuits. A special word of mention should be made to commend the gardai who assisted the event for which the safety of all was paramount on the day. The results: (Men) 1. NEW CAMPAIGN WARNS OF DANGERS OF DRINK DRIVING THE 'MORNING AFTER'

The Road Safety Authority (RSA) and An Garda Síochána have launched a public information campaign to educate drivers about the dangers of driving the morning after drinking alcohol.

The RSA's decision to create a campaign to highlight the dangers of driving the morning after drinking alcohol was prompted by stark statistics from recent research. The RSA analysed An Garda Síochána Forensic Collision Investigation reports for fatal collisions that occurred on Irish roads between 2008 and 2012. Specifically, in relation to alcohol related crashes the morning after the report found that:

11% of the 222 fatal collisions

in which a driver had consumed alcohol, occurred between the hours of 7am and 11am.

Commenting on the RSA's campaign, Minister for Transport, Tourism and Sport, Shane Ross T.D said: "Drivers need to be aware that they may not be safe to drive the morning after a night out, as they may still have alcohol in their system. As such, it is critical that drivers take measures to ensure their safety and the safety of others and this means leaving the car at home and making alternative arrangements for the morning after if they need to get somewhere. The morning after is a danger zone for alcohol related fatal crashes. It's just not worth the

chance if you are still over the legal limit. This campaign by the RSA is an important reminder to anyone who has been out the night before that they may be unfit to drive because they still have alcohol in their system, and may even be over the drink drive limit the following morning."

The new campaign includes two new radio advertisements, aimed at making people aware that they may not be fit to drive the morning after a night out, and will be broadcast on all national and regional radio stations over the next three weeks. It's also being supported by outdoor advertising and social media. As of Thursday 21 October 2017, 112 people have

been killed on Irish roads. This represents a decline of 26 deaths compared to the same date last year. Up to end of July 2017 a total of 5,175 drivers have been arrested on suspicion of driving under the influence of an intoxicant (DUI) compared to 4,513 arrests up to the same period in 2016. This represents a 15% increase in DUI arrests.

KERRY TAKE LIONS SHARE IN MINOR STAR FOOTBALL TEAM OF THE YEAR

Eight members of the victorious Kerry Minor football team are celebrating the fact that they have been chosen for the GAA Minor Star Awards Football Team of the Year for 2017. The Electric Ireland Minor Star Football Team of the Year will be formally recognised at the inaugural GAA Minor Star Awards that will take place in Croke Park on October 7th. The Electric Ireland GAA Minor Star Football Team of the Year features Kerry players including Deividas Uosis, (Dingle) Cian Gammell (Legion), Michael Potts (Dr. Crokes) Niall Donohue, (Firies), Barry Mahony, (St. Senans), David Clifford (Fossa), Donal O'Sullivan (Kilgarvan) and Fiachra Clifford (Laune Rangers). The team also includes players from Derry, Dublin and Cavan, the four semi-finalists from this year's Championship and was selected by a panel of GAA greats from nominees that included the Electric Ireland Man of the Match and Player of the Week winners throughout the season.

The four-man awards selection panel which was unveiled back in March, consisted of Meath Senior football manager Andy

McEntee, legendary former Cork hurler and current Clare hurling selector, Dónal Óg Cusack; former Armagh All Star footballer, Oisín

McConville and former Galway hurler and AIB All Ireland Club hurling championship winning manager, Mattie Kenny. The inaugural awards emphasise that there is 'nothing minor about playing Minor' and so honour the best individual performers from the entire season, also recognising the crucial and admirable part played by the families, clubs and communities of players which allowed them to get to this point in their sporting career. Having been sponsor of the GAA All-Ireland Minor Championships since 2012, Electric Ireland has committed to continuing the partnership until 2021. Throughout the course of the partnership, Electric Ireland has been re-defining what it means to be a Minor in GAA with the This Is Major campaign, designed to empower young players, ensuring they feel driven to compete, improve and to strive for more in their sporting lives.

KILLARNEY HOUSE - A GREAT STORY UNFOLDING...

The doors of Killarney House opened to the public last weekend following a request for memories, momentos and memorabilia which will be gathered as part of an exhibition of the estate. Killarney town and its hinterland has a unique and rare history recounting a glorious past of elegance influenced by families who contributed to the development of this town. Killarney House held a 'memories collection day' to celebrate and

collect stories, photographs and mementos from the Killarney community. Particularly memories of John and Mary McShain, Sr Pauline, Beatrice Grosvenor, Lord Castlerosse. Killarney House will reopen to visitors in 2018 and this aspect will form part of an exhibition and archive. If you have a story or mementos, and want to share them. KERRY COUNTY COUNCIL LAUNCHES 1916-2016 COMMEMORATIONS BOOK

The launch of the Kerry 2016 Centenary Programme Book & DVD will take place at 7pm on Thursday 5th October in The Rose Hotel in Tralee. Commemorative events to mark the centenary of the Easter Rising took place all over the county last year and the year has been marked in a print publication which showcases key events that took place throughout the year in towns and villages right across Kerry. The publication details lectures, recitals, readings, performances, exhibitions and walks that reflected, remembered and re-imagined the 1916 Rising. The publication also highlights the State ceremonies that took place in Kerry. State ceremonial events took place at Ballykissane Pier, in Valentia Island and at Banna Strand (attended by President Michael D Higgins) where over 7,000 people were in attendance to mark the centenary of the arrival of Roger Casement on Good Friday 1916. "It was a very special year and we can be proud in Kerry of how we marked the year and the great work that was done by the county and its many communities. Their pride and effort is very evident

in the publication", Moira Murrell, Chief Executive of Kerry County Council stated. The publication launch will also be accompanied by a screening of a DVD which shows highlights of the State Ceremonial events in Kerry. "The evening in the Rose Hotel is about acknowledging all of those who worked hard to make the year happen. We can be proud

in Kerry of the way we marked the Easter Rising and the way we have remembered the great heroes from our County who were involved from the outset", stated Councillor John Sheahan, Cathaoirleach at Kerry County Council. 'An amount of time was spent gathering information for the book, and whilst some events may not be covered, the

book provides a good overview of centennial commemorations during 2016 in Kerry,' stated Kate Kennelly, Kerry 2016 Coordinator. Anyone wishing to attend the event at the Rose Hotel is being asked to email the Arts Office at Kerry County Council arts@kerrycoco.ie as seats are limited.

"LIAM'S LODGE" GETS GO AHEAD

An Bord Pleanála has this week upheld the Planning permission granted by Kerry County Council earlier this year to allow the construction of "Liam's Lodge" a new respite centre for children with complex needs, genetic, rare & life limiting disorders in Currarague, Blennerville, Co Kerry.

The respite centre will cost over €14m to build and fit out and will create an estimated 117 new jobs locally when it opens. It is anticipated that the facility will be up and running by 2021 and will cater for over 1,000 families a year. It will provide national respite, and palliative care supports for children primarily from the west coast and Munster areas.

The facility, the first of its kind in Ireland, which is being spearheaded by the Saoirse Foundation, will include eight three bed family residential lodges, fourteen two bed residential family lodges, a reception area, four therapy rooms, two sensory rooms, five physiotherapy suites,

three offices with meeting rooms, a playroom, a cafeteria and staff facilities.

Speaking this week, Tony Heffernan the CEO of the Saoirse Foundation the charity behind the Liam's Lodge initiative said; "We are thrilled that planning permission for Liam's Lodge has finally been granted. We are really eager now to get this facility up and running as quickly as we can because we know just much a facility like this is needed. We aim to staff Liam's lodge with loving care givers who will provide the best of care to our special guests allowing Mom and Dad and healthy siblings to take a break, relax and spend some quality time with their family in a quiet, nurturing environment. We have personal experience of the challenges that caring for a seriously ill child with complex needs can pose for the whole family and we know how much this kind of respite care is really needed."

Also speaking today Mary Heffernan said; "In recent years

Tony and I lost both our children Saoirse and Liam to Batten's disease when they were just five years old. We understand only too well how families caring for seriously ill children could do with a place to go to recharge their batteries and allow their whole family time to relax and be looked after by people who understand their situation and needs. That's what Liam's Lodge will be. We're now going to go full throttle at fundraising to get this facility up and running as quickly as we can." The good news of the An Bord

Pleanála decision, is the perfect end to a great week for the Heffernan's personally, who just a few days ago, renewed their wedding vows after 16 years of marriage. Speaking today Tony Heffernan said; "Three years ago our son Liam passed away on our 13th wedding anniversary and since then we've been hoping for a "happy" day to mark in the calendar. This news from An Bord Pleanála is the perfect news to cap off a brilliant week."

FOSSA NOTES

EAST KERRY U12 GIRLS DIVISION 1 SHIELD FINAL

Fossa 3-8 v Miltown/Listry 3-6

Last Tuesday evening saw Fossa come out on top in a tight game in the East Kerry Division 1 shield final. Miltown/Listry started the game brightly but Fossa began to get on top as the 1st half went on and goals by Katie O Driscoll, Ava O'Neill and Elizabeth Coffey saw Fossa leading at half time on a scoreline of 3-3 to 2-4. The second half was very cagey with Fossa scoring 5 points to Miltown/Listry's 2 points which saw Fossa leading by 5 heading into the last few minutes. The visitors got a goal to make for a very tense finale but Fossa defended the last few set pieces and held on for a well deserved 2 point win.

The team on the night were as follows: Bianca Lejwoda, Shauna Myers, Charlotte O'Shea, Seodhla Colleran, Elizabeth O'Shea, Alicia Cummins, Lucy O'Sullivan, Alison Butler, Abby Murphy, Elizabeth Coffey, Meadhbh Bennett, Rachel Wallace, Tara Murphy, Ava O'Neill, Katie O Driscoll, Erin Myers, Leah Griffin, Ellen Leech, Grace O'Meara, Kate Horgan, Emily Nelligan, Anna Whyte and Sarah O'Connor. The girls had great support from parents and friends and a special mention must go to Aimee Coffey who despite her injury she has attended all the girls East Kerry League games and cheered the girls on every step of the way.

Well done also to our U14 girls who had a good win in their East Kerry League final against Laune Rangers.

U14 EAST KERRY CHAMPIONSHIP 1ST RD

Fossa 3-9 Dr. Crokes 3-14

After a weekend of celebration it was back to reality on Tuesday evening as Fossa faced near neighbours in the first round of the U14 East Kerry Championship. Fossa got off to a great start, a goal by Jack Clifford and another goal by Ryan O'Leary kept Fossa in front but Crokes finished the half stronger and lead at half time by 1-8 to 2-3

In the 2nd half, Fossa tried hard and a goal by Darren Cronin closed the gap to the minimum but Dr Crokes rallied again, they were more effective with their possession and finished the stronger and won by 5 points in the end. All in all a good game and a fair result - the game was well refereed by Jimmy O'Shea of Glenflesk.

PAYE MODERNISATION

Revenue has announced that they are planning a major overhaul of the PAYE system and are working towards rolling out a new real time system by 1st January 2019. This real time system will enable Revenue to ensure that employees are receiving their correct cut-offs and credits. To that end the incidences of year end over or under payments for employees should be minimal.

The main changes to the current system will be:

- Employees will be able to log on to their Revenue account and view the information that employers have submitted for them
- Payroll software will automatically submit the periodic file to Revenue without the need to physically upload the file on the ROS website.
- Payroll software will automatically update for changes to P2C files regarding tax credits and cutoff
- The correct treatment of illness benefit will be facilitated in the system
- P60's, P45's, P30's and P35 forms will no longer be required.

Payroll will have to be updated every week or month as the file will be automatically uploaded to Revenue. Therefore in the event of an error in the payroll, the file will have to be corrected and resent to Revenue. Continuous errors or late submissions may cause Revenue interventions.

For most businesses that have a good payroll department or bookkeeper the new system will lead to greater efficiencies. However for businesses who do things after the fact, i.e. pay staff first and put the payment through payroll software at a later date the changes may be problematic. Those employers need to plan ahead to ensure that they are ready for the change.

Life & Body Confidence Coach

GET ENTHUSIASTIC ABOUT YOUR LIFE!

Enthusiasm can be created or lost – it depends on your state of mind. When we lose enthusiasm for something, somewhere along the line we have made a decision or a choice that this thing takes a lower priority in our lives. However, enthusiasm can be created in all areas of your life. It comes down to the internal representation you make of what you want to achieve or do. This is the mental picture we all make of different things in our lives. These pictures can either be positive, helpful and motivating or they can pull us down, hold us back and ultimately self sabotage what we are trying to achieve. For instance if you don't have any enthusiasm for cooking it could be because the mental picture you are making is about seeing all the time you would have to spend shopping and getting ingredients, then preparing them, then following an actual recipe and finally the hassle of clearing and washing up! These thought patterns give the message that it's all too much bother – so you end up not doing it. However, change your internal representations of this and it's quite another story. For example - See shopping as fun in searching out what you want and the preparation time as time alone for you or to be shared with children as they help out. Imagine enjoying learning to cook something new and the thrill and anticipation of seeing what it turns out like. Finally, see yourself and the family enjoying eating the food and having a great social and happy family meal time together. Finally, remember that to keep enthusiasm going you have to keep it alive. It's all too easy to sit back on the sofa with a bad case of the "I can't be bothered" and not go out to dinner or that flower arranging course you kept promising yourself. You can make all the excuses in the world – "you're too tired, it's too expensive, you'll do it next week" but ultimately the only person you are denying is you. Your life is being lived NOW! Second by second, moment by moment. You can "excuse" your life away or you can infuse it with energy, excitement and enthusiasm.

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

LOST YOUR MOJO TO EXERCISE?

Are u stuck to the couch every evening thinking "I know I should be out there doing something, but I'm so bloody tired!" You find the longer you stay stuck there the more energy is drained from your body and the more that urge to go to the fridge and get something to make you feel better gets stronger! Then the vicious cycle continues of lack of exercise, excess comfort eating, and piling on the pounds! Then your back starts playing up as you get weaker due to lack of physical Activity and increased weight gain!

Any of this sounding familiar already? Well if it helps your not alone. However don't get too cosy as this doesn't make it ok. Lack of exercise and physical activity causes many health complications (the list is endless) and worst of all diminishes your feel good hormones and sense of self worth so really does you no good really at all in long run.

So look if this isn't enough to convince you, then maybe that ever expanding waist line will help kick you up the behind to get out there and do something. It's not easy but just start with one day and build it up from there.

- make yourself a plan of action
- Set out you exercise days
- Set your times, how long you going to do it

OUTLOOK FASHION

ACCESSORIZE IN BRIGHTS

If you've got a closet full of neutrals: be they navy, black, camel, or gray-add energy with boldly hued shoes and bags. Not only is a hunter green satchel more lively than ho-hum black, but it's also surprisingly versatile. Feeling really brave? Wear a neutral base with shoes and a bag in two different complementary colors.

HEALTH TIP

FIND A FRIEND

Getting support is a huge part of successfully losing weight. A weight loss buddy will help you stay motivated and give you company along the way.

Beauty tip Bronzer

You should put bronzer on your neck, face, and chest to even out your skin tone. Be sure to take a step back and make sure everything is the same color.

EDUCATION OUTLOOK

Exciting changes on stream for incoming second level students

(By Billy Ryle)

Incoming first year students to second level education will spend a few weeks adjusting to a new environment and the major changes associated with the move. Post-primary schools are exam focussed and provide a curriculum with a comprehensive range of subjects and complimentary activities to cater for the rounded development of their students.

First year students are arriving at second level at a time when the Junior Cert is being replaced by the Junior Cycle Profile of Achievement (JCPA). Six new grade descriptors - Distinction, Higher Merit, Merit, Achieved, Partially Achieved and Not Graded - are replacing the old ABC grades in all subjects between now and 2021. The JCPA will also record, under a separate heading, student achievements in class room based assessments under five descriptors - exceptional, above expectations, in line with expectations, yet to meet expectations and not reported. The JCPA will also be used to record other achievement in areas such as sport and debating.

Students are usually more excited than anxious about moving into second level and adapt seamlessly to the transition. Having enjoyed senior status in primary school, they now start again on the first rung of the ladder as new first years. They arrive into a big school, with a large student population, from the familiar primary school where they were secure and comfortable. They must adjust to a subject specialist teaching system where not only the subject and teacher changes, but where movement to different classrooms is involved.

A significant change is the loss of a single class teacher to which primary school children are accustomed. At second level, students are taught by nine or ten different teachers, each with a different style and personality. Students, who have been in the same class in primary school, often find themselves in different classes in first year. They initially miss the companionship of their close friends and look forward to meeting them at mid-morning break, at lunch time and at extra-curricular activities. While the separation does inevitable cause concern for some students, most of them take it in their stride and enjoy making new friends.

By now, new students will have had an Induction Day when they were given a tour of the facilities and a chance to find their bearings. The rules and timetable were clarified. Many schools also have an excellent mentoring

system where a senior student assists a first year student.

First years quickly come to terms with the demands of secondary education. They adapt to the class period system, the array of new subjects, the formal house exams and the sheer size of population and physical infrastructure. The long busy school day causes fatigue during the initial weeks and students look forward to the home comforts in the evening. Many students have to travel longer distances to school. That means an early start and a late return in the evening. Homework then has to be completed for the following day's classes. The weekend brings welcome respite.

First year is one for developing time management and study skills. The ROCAR system works well in first year. Establish a daily ROUTINE for doing your study at home. ORGANISE your books and materials, your study room and the time you allocate for study. CONCENTRATE when you are studying by removing any distractions such as mobile phone. APPLICATION means devoting two and a half hours per night on the five week nights to your study. REVISION is a vital skill for doing well in exams. Basically, it means regularly going back over material which you have covered earlier in the year.

Parents play a key role in their child's move into second level, which coincides with the teenage years. Accept your child as s/he is, warts and all, not for what you'd like her/him to be. Apply fair, firm and consistent house rules. Be flexible and democratic in allowing your child to express her/his point of view. Provide a secure home environment with plenty of psychological and emotional support. Invest time in your child and be there when you're needed. Let your child know that s/he is loved and valued irrespective of her/his shortcomings. Give your child lots of encouragement and set realistic targets that s/he can reach. Avoid insidious

comparisons with siblings, cousins or neighbours' children. Take interest in your own child's work and praise the effort not just the performance!

On a functional level, provide good study facilities for your child. Check her/his homework diary from time to time to confirm that the allocated work is done. Help out where you can but under no circumstances, should you do your child's homework. Keep the channels of communication with your child open. Dialogue and an occasional expression of interest maintain a good relationship.

Attend the various parental events at the school, such as parent/teacher meetings and information meetings. Most school have a parents association, which organises activities to support the school. Join up, get involved and make a contribution. With the school, the parents and the student working in harmony, transition from Primary to Post-Primary can be very smooth indeed!

THE SKECHERS NATIONAL CUP FOR THE UNEVEN AGES 2017 BEGINS

13's Rounds 1 and 2:

There was action in the 13's National Cup Round's 1 and 2 with Mastergeeha and The Park progressing from Round 1. A round ahead and Iveragh United and Killorglin are through to Round 3.

Mastergeeha were impressive 6-1 winners over Holycross in Kilbrean Park with Eion Kelly 2, Padraig Moynihan, Jack O'Donoghue, Jack Fogarty and Hugh Lenihan all getting on the score sheet. Mastergeeha go to Tulla in Round 2.

The Park won on the road defeating Ballymackey 4-1 thanks to Callum O'Sullivan, Odhran Ferris, Jamie O'Shea and Ray McGrath. The Park led 2-0 at the break and while the home side got one back two further goals for the Tralee side wrapped up the win. The Park take on Tralee Dynamos conquerors Aisling Annacotty B in the next round.

Unfortunately Killarney Celtic went down 3-4 to Lough Derg. All the goals came in the second half with Gearoid Healy and two from Eoghan Crowley giving Celtic a chance but they just could not find the equaliser to take the game to extra time.

Inter Kenmare lost 2-1 away to a strong AK United side with Darragh O'Sullivan getting the goal for Inter while Tralee Dynamos lost out in Limerick to Aisling Annacotty.

Iveragh United had a big win at home to Pallas United in a game that was threatened by the strong winds at one stage. But the South Kerry side will be delighted it went ahead as they are now into Round 3. Emmet Daly scored twice with Ben Egan, Ben Donoghue, Fionn Barrett, Oisín Breen and Zak Fay Fayen all hitting the

net once.

Killorglin are another Kerry team to watch and won a difficult away game at Charleville 2-1. Jack Lynch and Dara O'Connor got the goals for Killorglin.

This now sets up the intriguing all Kerry clash of Killorglin versus Iveragh United in Round 3.

15's Rounds 1 and 2 Round-Up:

There was always going to be one Kerry side progressing as Dynamos and Killarney Celtic met in Tralee and it was the visitors that took the win. Ruairi Dorrian, Cian McMahon and Erin Moloney scored to set up a home game with Shinrone United in Round 2.

Killorglin were big winners over Knockainey with Dylan Moriarty having a day to remember hitting 5 goals. Daniel Evans, Ryan Diggan, Tom Whittleton, Mikey O'Donnell and Callum Russell all got on the score sheet as well. Killorglin will be away to the winners of the Killarney Celtic / Shinrone United game in Round 3.

The Park had to go all the way to penalties to get past Mungret Regional after the game ended 2-2 following extra time. John O'Connor and Ryan Guerin scored for the Park who make the short journey to Kilbrean Park in the next round.

Mastergeeha were 5-0 winners at home to Coole to set up that all Kerry clash. Cian Foley brought his shooting boots and hit 4 with Adam O'Sullivan getting the 5th.

Killarney Athletic went down 2-1 to Ballingarry with Jamie Alade getting their goal while Ballyhar lost on the same score line away to Lough Derg. The home side went 2-0 up before Peter Cosgrave pulled one back but try as hard as they did the equaliser did not come for Ballyhar.

LEAGUE ROUND UP: ACTION IN DALY'S SUPERVALU ROUND 1:

Killorglin's Barry Coffey scored twice in the first half to see his side lead 2-1 at the break.

But it was the bench that won the game for the home side. Mathew Naughton came on in the second half to score twice with his fellow sub Jack McGrath getting one after he came on.

Two goals from Sean Roche and one each from Paddy Ryan and James Hoare gave Dingle Bay Rovers all three points in a 4-3 win over Camp Juniors. Killian O'Neill scored all three goals for

CAMP JUNIORS

13 DIVISION 2 REPORTS:

In mid-week St Brendan's Park B and MEK shared 8 goals and the points following a 4-4 draw. Finn Kennelly hit 2 with Max Leon and Rocco Sheehan getting one each for the Mid Kerry side. Fenit visited an under strength MEK side and who tried hard but in the end had no answer to the Fenit firepower. Paddy Falvey, Billy Doyle, Gearoid O'Connor, David Chute, Darragh Murphy and Oisín McGibney all got on the Fenit score-sheet. Killorglin's Barry Coffey scored twice in the first half to see his side lead 2-1 at the break.

But it was the bench that won the game for the home side. Mathew Naughton came on in the second half to score twice with his fellow sub Jack McGrath getting one after he came on.

Euan Evans hit a hat-trick for Mastergeeha in this game with two coming in the first half.

He completed his triple after the break with Mark O'Connor adding the 4th. Conor Cremin replied for Inter Kenmare from the penalty spot.

WIN ON THE ROAD IN THE 15 PREMIER FOR CAMP JUNIORS:

Goals from Thomas O'Donnell and Maurice O'Connell were enough to give Camp Juniors the points from their trip to Inter Kenmare. Tadgh O'Donoghue replied for the home side.

Points shared in 15's Division 2:

This game was played in the worst of the conditions with rain and driving winds so the quality was a credit to both sides.

Listowel Celtic took the lead early in the first half following a cracking free kick. But Fenit drew level before the break with an equally good Eddie McCarthy free.

Fenit went ahead after the break when McCarthy got his second tapping in a rebound following a parried Adam Doyle shot.

Ben O'Connor got his second from the penalty spot with 5 minutes to go to rescue a point for his Listowel Celtic side.

Scotts Lakers 105

Despite trailing by a whopping 22 points at one stage, Scotts Lakers bounced back in magnificent fashion to defeat Limerick Celtics in a thrilling clash at the Limerick IT SportsHub on Saturday night. A powerful second half performance brought the Killarney side back from the dead to snatch a victory that looked highly unlikely for long periods in this match.

Limerick Celtics started this match in convincing fashion and with American Matt St Amour on fire from three-point range, the home side led 32-19 at the end of the first quarter. With St Amour continuing to punish the Lakers, the home side opened up a 22 point advantage and the match appeared to be well beyond the reach of Scotts Lakers. St Amour sank his seventh three-pointer of the half on the buzzer to give Limerick a 55-38 lead at the

half-time interval. Problems continued for Scotts Lakers early in the third quarter when Mihail Kapitanov was disqualified for two unsportsmanlike fouls. The Lakers trailed 70-55 midway through the third quarter but they gradually narrowed the deficit with outstanding play from Justin Tuason, Mark Greene, Andrew Fitzgerald, Pdraig Lucey and Con O'Mahony and the gap was cut to 74-68 entering the final quarter. It was very closely contested after this and Limerick led 88-86 with five minutes remaining. Veteran Keith O'Grady announced his introduction to the court with a massive three-pointer to give Scotts Lakers a narrow one point lead and they never looked back after this as they took complete control of the game. O'Grady sank another big three-pointer shortly after and Lakers led 94-89 with three minutes remaining. They maintained their advantage and enjoyed a comfortable 12 point

win in the end.

Despite being on four fouls, Mark Greene really stepped it up with an outstanding performance hitting 21 second half points while the home side also struggled to contain the free scoring Justin Tuason. A return of 67 points in the second half for Scotts Lakers was very pleasing for Coach Vojkan Bencic and his squad. Scotts were without injured captain Philip O'Connor and it was also a great result considering that American Antuan Bootle only played for short periods as he makes his return from injury. The outstanding Matt St Amour led all scorers with an amazing 53 points for Limerick Celtics followed by Emmet Browne 13 and Krystian Burchard 12.

However Scotts Lakers had six players on double scoring figures led by Justin Tuason 25, Mark Greene 24, Andrew Fitzgerald 15, Pdraig Lucey 13, Con O'Mahony 12, Mihail Kapitanov 10 and Keith

O'Grady 6.

HOME GAME

Scotts Lakers are at home this coming Saturday September 30th and will host Cork side Neptune in Killarney Sports Centre at 7.30 P.M. Neptune are one of the top sides in the league and have already secured three wins from three outings since the start of the season.

They enjoyed a comprehensive 89-52 win over Sligo All Stars last weekend so it will definitely be the toughest test to date for Scotts Lakers. Former Killarney star Ger Noonan is still a driving force for the Cork side and they also include quality players Roy Downey, Brian O'Neill, Shane Duggan and American Ian Thom. Scotts Lakers will be hoping that Killarney basketball supporters will come out in force for this one and it promises to be a great occasion at Killarney Sports Centre.

GARVEYS SUPERVALU SENIOR FOOTBALL CHAMPIONSHIP

KERRY O'SHEA ROUNDS UP THE ACTION FROM THE GARVEY'S SENIOR FOOTBALL CHAMPIONSHIP QUARTER-FINALS

FINAL FOUR DECIDED AFTER LAST WEEKENDS ACTION

KERINS O'RAHILLY'S 3-12 EAST KERRY 1-6

Kerins O'Rahilly's, thanks to goals from David Moran, Tommy Walsh and young Gavin O'Brien, advanced to the semi-finals of the Garvey's SFC for the first time in four years when they comfortably saw off the challenge of a very young East Kerry side in the first of this year's quarter-finals at Austin Stack Park on Saturday evening.

East Kerry started Kerry minor sensation David Clifford but O'Rahilly's were in control in a very one-sided game.

O'Rahilly's had the luxury of four missed goal chances in the first half. The first came in the 10th minute when David Moran drove right and wide from the penalty spot, soon after Moran's miss, John Ferguson drove wide when a goal was on. O'Rahilly's finally had the green flag waving in the 19th minute when David Moran made up for his earlier miss by finishing to the net when Jack Savage and Tommy Walsh combined to see him through. However, Dara Roche goaled at the other end to bring East Kerry back into contention but the Tralee team finished the half strongly and points from Barry John Keane and Gavin O'Brien gave them a three-point interval lead, 1-7 to 1-4.

Barry John Keane and David Clifford, who was well held throughout the game, exchanged points, Clifford's effort coming from a 35 metre free.

O'Rahilly's then cut loose when Tommy Walsh with a super volley and young Gary O'Brien added second half goals to push them 10 points clear, 3-9 to 1-5.

O'Rahilly's lost their captain Danny O'Sullivan through a well-deserved black card following an unsavoury off-the-ball incident on David Clifford. The game was over at this stage as O'Rahilly's advanced to meet South Kerry.

Scorers: Kerins O'Rahilly's: Barry John Keane (0-6, 4 frees); Tommy Walsh, David Moran and Gavin O'Brien (1-1) each; Jack Savage (0-2); John Ferguson (0-1).

Scorers for East Kerry: Jack Sherwood (1-0); Dara Roche (0-2, 1 free); Jeff O'Donoghue, Paudie Clifford, Ronan Buckley and David Clifford (0-1 free) (0-1 each).

WEST KERRY 1-17 AUSTIN STACKS 0-14

West Kerry advanced to the last four of this year's Garvey's Kerry SFC when they dumped favourites Austin Stacks from the title race with a power-packed performance in the second match of the Garvey's SFC double-header at Austin Stack Park on

DAITHI CASEY IN ACTION AT THE COUNTY CHAMPIONSHIP QUARTER FINAL AGAINST KENMARE.

Saturday night.

Austin Stacks' poor form this season continued as West Kerry were completely dominant in all areas of the field.

West Kerry more or less resembled a club side as they featured 12 players from the An Ghaeltacht Club who have had a very successful 2017 so far. A number of these young players really caught the eye.

Cathal O'Luing kept a tight rein on Kieran Donaghy, Rob O'Se was dominant around midfield, while Eanna O'Conchuir and veteran Sean Micheal O'Conchuir did well in attack for Pol O'Cuinn's side.

West Kerry had a great start and raced three points clear after 6 minutes. The gap between the sides grew wider when Eanna O'Conchuir finished to the net following a lovely ball from Sean Michael O'Conchuir.

JOHN PAYNE IN ACTION AT THE COUNTY CHAMPIONSHIP QUARTER FINAL AGAINST KENMARE.

Stacks were dependent on scores from David Mannix and Darragh O'Brien to stay in touch and at the end of the first half it was West Kerry who despite losing PJ Mac Lamh, who had an outstanding first half, to a black card during first half injury-time, who retired with a deserved four-point lead, 1-10 to 0-9.

David Mannix and Kieran Donaghy added scores for Stacks on resumption, however Brian O'Beaglaoich, another West Kerry hero on the day, added a point for the Westerners. With 15 minutes remaining, West Kerry stretched six clear, 1-14 to 0-11, as Austin Stacks title hopes fell by the wayside for another year.

Scorers for West Kerry: Sean Mici O'Conchuir (0-5, 2 frees); Dara O'Se (0-4, 3 frees); Eanna O'Conchuir (1-1); Brian O'Beaglaoich (0-2); Alan Fitzgerald, PJ MacLamh, Jason Hickson, Tomas O'Se, Declan O'Suilleabhain (0-1 each). Austin Stacks: David Mannix (0-8, 7 frees); Darragh O'Brien (0-3); Greg Horan, Kieran Donaghy and Wayne Guthrie (0-1) each.

DR CROKES 0-17 KENMARE SHAMROCKS 0-12

All-Ireland club champions Dr Crokes advanced to another Kerry SFC semi-final when they defeated local rivals Kenmare Shamrocks in the first of the Fitzgerald Stadium Garvey's Kerry SFC quarter-finals on Sunday afternoon.

Hopes of a repeat of the recent Kerry Club Final meeting between the sides were dashed as Dr Crokes held a firm grip on proceedings. Kenmare, to their credit, asked questions of their opponents but the Killarney side's overall scoring power saw them through. Crokes were fortunate to lead 0-7 to 0-6 at the end of a very tight first-half when the scores were level on five occasions. Crokes raced into a 0-4 to 0-2 lead after 13 minutes but they had a lucky let off when Mark Crowley and Paul O'Connor, whose goalbound effort went over the bar rather than under, to level the scores. Stephen O'Brien edged the Shamrocks in front but Crokes finished stronger and points from Gavin O'Shea, Michael Burns and Daithi Casey were vital as Pat O'Shea's led by a point at half-time.

A melee at the start of the third quarter resulted in bookings for Gavin White (Crokes), Seanie O'Shea and Mark Crowley (Kenmare). O'Shea from a free and Colm Cooper exchanged points before Crokes, with scores from Michael Burns, Colm Cooper and sub Tony Brosnan pushed Crokes ahead 0-11 to 0-7 with 43 minutes gone.

final quarter. Brian O'Sullivan and Seanie O'Shea reduced the gap to 0-12 to 0-10 but Crokes, with scores from man of the match Michael Burns, Colm Cooper, substitute Paul Clarke, Daithi Casey and Tony Brosnan, his second, kicked Crokes into the semi-final.

SOUTH KERRY 0-15 RATHMORE 0-12

2015 Champions South Kerry, despite the loss of their talisman Brian Sheehan early in the first half through injury, clinched their semi-final spot with a brave performance against a gutsy Rathmore outfit.

This was an impressive victory for William Harmon's side as a strongly fancied Rathmore were expected to push them all the way. The first half was a very even affair as the sides retired on level terms at 0-7 each. South Kerry who were quick off the mark early in the first half, with scores from Graham O'Sullivan, Bryan Sheehan, Brendan O'Sullivan and Daniel Daly. Shane Ryan who was outstanding for Rathmore, got the Kerry-Cork border side off

the mark with a free.

Rathmore settled to the task and scores from Ryan from a free, George O'Keeffe and Donal O'Sullivan levelled matters with 17 minutes gone. Shane Ryan again from a free, eased Rathmore ahead for the first time before Ronan Hussey levelled once more for the southerners. Shane Ryan and his brother Mark added points and as half-time approached, Rathmore led by two, but South Kerry came back and scores from Rob Wharton and Daniel Daly brought matters even at half-time on 0-7 apiece.

George O'Keeffe and Ronan Hussey exchanged scores on the restart as did Mark O'Sullivan and Cathal Murphy and with 42 minutes gone on the clock, the sides were still deadlocked. South Kerry then hit their best spell of the game with scores from Daniel Daly, Matthew O'Sullivan, sub Niall O'Shea and Daniel Daly again to forge 0-13 to 0-9 clear.

Shane Ryan and Brendan O'Sullivan, with his second point, exchanged scores but four

points still separated the sides. Paul Murphy added a brace for Rathmore with time running out but Paulie O'Donoghue had the final say when he pointed a terrific effort on the stand side to send South Kerry through where they now face Kerins O'Rahilly's.

COUNTY U16 CHAMPIONSHIP QUARTER-FINALS

SECOND HALF GOALS SEE EAST KERRY WIN DERBY GAME

Cup Semi-Final: East Kerry 5-14 Eoghan Ruadh 0-8

Eoghan Rahilly opened the scoring with a great point for Eoghan Ruadh but East Kerry, with Michael Linehan coming out from fullforward to bolster a midfield where Gary O'Connor and especially captain Darragh Lyne dominated, soon took over proceedings in the inclement conditions. Niall McGillicuddy nailed two well-taken frees and Dylan O'Callaghan and Emmet O'Shea pointed to give them a 0-4 to 0-1 advantage. With Danny O'Callaghan causing problems at corner forward, Paul O'Shea closed the gap with two frees, but Dylan O'Callaghan replied from a tight angle and added a free to restore that lead. Eoghan Rahilly, very impressive at wing forward for Eoghan Ruadh, clipped over two great scores and Cian Ring had to make a good save to deny Danny O'Callaghan a goal. East resumed control with two good points by Michael Linehan, now situated on the square, and two great long distance kicks (1'45, 1f) by Darragh Lyne. Both Danny O'Callaghan and Patrick D'Arcy had goal chances for Eoghan Ruadh, but neither could quite convert.

THE EAST KERRY UNDER 16 TEAM WHO WON THE COUNTY CHAMPIONSHIP QUARTER FINAL AT THE WEEKEND.

Half-time East Kerry 0-10 Eoghan Ruadh 0-5

Eoghan Ruadh made a superb start to the second half with points from Darragh Rahilly, David Dineen, and Patrick D'Arcy. However, the petrol spluttered and the engine died as East Kerry's physical advantage in the rain and razor sharpness in both halves of the field saw them take complete control.

A great run by Liam Spillane saw Darragh Donohue finish to the Eoghan Ruadh net. A minute later Niall McGillicuddy tipped a long Darragh Lyne free into the net. McGillicuddy finished off a well-worked team move to the net for the third goal and Darragh Donohue plundered a fourth. Donohue's athleticism and sheer drive was key to East

Kerry, especially hoovering up ball in defence, while Darragh Lyne won an enthralling duel with Paul O'Shea to curb Eoghan Ruadh's biggest threat. East Kerry added points from Ryan O'Grady (2), Michael Linehan, and Dylan O'Callaghan before Aaron Flynn closed the game out with a fifth goal.

East Kerry: Cian Ring, Evan Smith, Mark Cooper, Liam Spillane, Peter O'Sullivan, Kieran O'Donoghue, Ruairi Doyle, Gary O'Connor, Darragh Lyne (Capt, 0-2, 1'45, 1f), Killian Buckley, Darragh Donohue (2-0), Emmet O'Shea (0-1), Dylan O'Callaghan (0-4, 2f), Michael Lenihan, Niall McGillicuddy (2-2, 2f), William O'Brien, Sean McGann, Liam Kelliher, Tadgh Doolin, Ryan O'Grady (0-2), T J Palmer, Adam

Kissane, Eamon Long, Aaron Flynn (1-0), Danny Cronin, Harry Potts, Ryan Kelliher, Cian Murphy, Killian Broderick, Tomás Cronin, Adam Kelly, Alan O'Sullivan, Cian O'Leary, Neil O'Shea.

KERRY GAA PRO JOHN O LEARY ROUND-UPS THE GAA EVENTS IN THE COUNTY THIS WEEK

GARVEYS SUPERVALU SENIOR FOOTBALL SEMI FINALS

The draw for the semi finals of the Garveys Supervalu Senior Football Championship were made in Fitzgerald Stadium on Sunday evening by Co Board Secretary Peter Twiss and Jim Garvey of Garveys Supervalu. There are two interesting semi finals with All Ireland champions Dr Crokes potentially putting their two titles on the line when they take on a West Kerry side backboned by a Gaeltacht side who have reached the Intermediate final as well as qualifying for the Division 1 County League final, also against the Killarney side. Even if they lose to West Kerry, Dr Crokes could still represent Kerry in the Munster Club Championship should South Kerry prevail in the other semi final against Kerins O'Rahillys who are hitting form just at the right time. They certainly make for two interesting encounters and they are down for decision in Fitzgerald Stadium on Saturday week 7th October. Kerins O'Rahillys and South Kerry will get proceedings underway at 3pm followed by county champions Dr Crokes against West Kerry at 4:45pm.

GARVEYS SUPERVALU SENIOR FOOTBALL CHAMPIONSHIP FINAL

The Garveys Supervalu senior football championship final will be played on Sunday October 22nd in Austin Stack Park Tralee at 3pm. The curtain raiser for the final depends on who wins the South Kerry v Kerins O'Rahillys semi final. A victory for South Kerry would see Kerins O'Rahillys and Kilcummin involved in the senior football championship relegation final which will be the curtain raiser in that event. Meanwhile, if O'Rahillys win their semi final then as county finalists their senior status will be secure and Kilcummin will then be automatically relegated to Intermediate status next season. In that event, the Junior Premier Club Championship final between Dromid Pearses and Firies or Na Gaeil will be the curtain raiser at 1pm.

LEGION GAA NEWS

U16 GIRLS

The U16 girls picked up their 2nd title of the year with a late surge to deny Laune Rangers a win in this East Kerry Division 2 Final.

It all looked so different at half time as Laune Rangers put in a strong first half show yielding 2 goals and some fine point kicking giving them a comfortable half time cushion.

Legion however kept plugging away and managed the second half much better limiting Laune Rangers to just 2 points while also keeping the scoreboard ticking over. That said with the game entering the last minute we still trailed 2-6 to 0-10. Step forward Clodagh Sheehan who danced past her marker to send an unstoppable shot to the roof of the net. Ciara Randles, who had quite a tussle with the Laune Rangers centre back throughout added the insurance point with the final score reading 2-6 to 1-10. Joy for the Legion but tough luck on a game Killorglin outfit.

Kate Mc Carthy, Legion captain, accepted the shield from a delighted East Kerry Ladies board Chairman Dave Randles.

Speaking after the game manager Mike Doody was delighted with the years effort. "I take this opportunity to thank the girls for all their effort this year and for acting and behaving as true role models. They have worked to set the bar very high for future years by their success both at County and East Kerry."

Great credit is also due to Mike and his management team of Paudie Breen, Shaun O Connor, Orla Culloty, Maria Hanrahan and Catherine Lyne who put in a huge effort themselves this year with the girls. Always nice to have hard work rewarded.

TEAM..Deirdre Lyne, Evie Culloty, Amy Myers, Orlia O Connor, Isabelle Murphy, Kate McCarthy, Zena Shine, Chloe O Connor, Ellen Coffey, Ailbhe Gammell, Ciara Randles, Tara Murphy, Shonagh Doody, Elisha Hanrahan, Kerri-Ann Hanrahan

Subs..Lauren Horgan, Caoimhe Fleming, Rebecca Walshe, Ava Doherty, Angelica Maslach, Ellen Farandon, Clodagh Sheehan, Aisling Stack, Eve Crowley.

U14 BOYS

Kilcummin were the visitors to Direen for this clash of East Kerry League Champions 1 and 2. In a tight first half we held the advantage by 8 points to 3. The second half opened up as William Shine and Ethan O'Neill struck for majors and despite a late Kilcummin revival the hard work was done as the lads ran our winners on a 2-17 to 3-9 scoreline. We now meet the winners of the Firies vs Cokes semi final in the Division 1 Championship Final as the hard work put in by both management and panel continues to yield progress. A tough decider is in prospect so the lads will have to be on their mettle in the seasons finale.

ST PAULS BASKETBALL

The best of luck to St Pauls who have re-entered the National League again after an absence of 9 years under the banner of Scotts Lakers. They have benefited also from the return home from Australia of Pdraig Lucey after a 4 year spell playing Aussie Rules Football. Pdraig, it goes without saying, is also a massive edition back into our senior squad and we also wish him the best of luck with his studies in UCC. Another little link to Scotts Lakers is Irish American Justin Tuason. Justin has a number of close relatives living in Killarney and his aunt, now living in the USA, is married to former Legion player Mike Nash (formerly of New Street).

DATES FOR YOUR DIARY

On Friday October 13th we are holding our Annual Golf Classic in the superb Killarney Golf and Fishing Club. EAST KERRY NOTES

EAST KERRY MD O'SHEA'S UNDER 14 CHAMPIONSHIP - DIVISION 5 FINAL

Cordal-Scartaglen 4-12 Spa 2-08

The MD O'Shea East Kerry U14 Championship Division 5 Final was played in splendid Autumn sunshine in Gneeveguilla. Spa full forward Calvin O Sullivan opened the scoring with a pointed free. Kalum Buckley responded with a fine point before Cordal-Scartaglen's Ryan Dennehy fisted a high ball dropped in around the Spa goal, to the net. Cordal-Scartaglen then enjoyed a dominant spell and added four unanswered points from Redmond O'Connor, Kalum Buckley and two from midfielder Rory O'Connell. Eoghan Mulvaney and Donagh Fahy points kept Spa in touch and a great save from goalkeeper Liam O'Brien on the 20th minute kept his side in the game. Two Ryan Dennehy frees and traded scores from Trevor O'Sullivan and Michael O'Donoghue saw the halftime score 1-9 to 0-4 in favour of Cordal-Scartaglen. The beginning of the second half saw both

teams swap points Eoghan Mulvaney (2) for Spa and Rory O'Connell and Redmond O'Connor for Cordal-Scartaglen. Cordal-Scartaglen then hit a purple patch, putting the game beyond Spa, when they scored 3 goals in quick succession. These were a well taken Rory O'Connell goal which was sandwiched between two fine goals from Micheál O'Mahony. Points from midfielders Patrick Fitzgerald and Rory O'Connell rounded off the scoring for the winners. However, this gallant Spa side tried hard until the end with Luke O'Neill and Rian O'Neill adding points. Spa also brought out a great save from JJ O'Connor in the Cordal/Scartaglin goal. Spa continued to attack bravely and found the net twice in the later stages with goals from Luke O'Neill and Captain Eoghan Mulvaney. Final score: Cordal-Scartaglen 4-12 Spa 2-08

Cordal-Scartaglin proved the stronger team on the evening and deserved the win in a game played in a sporting spirit.

Sean O'Sullivan East Kerry Coiste na nÓg Chairman presented the Cordal-Scartaglen Joint Captains JJ O'Connor and Kevin O'Donoghue with the winners shield. Sean thanked Gneeveguilla GAA for hosting our final and Jimmy O'Shea (Glenflesk) for refereeing the game.

MD O'SHEA EAST KERRY U14 CHAMPIONSHIP - DIVISION 4 FINAL- MONDAY 25 SEPTEMBER

Gneeveguilla 5-14 Rathmore 3-09

Played in splendid conditions in Rathmore under the lights on Monday night this Division 4 Final in the MD O'Shea East Kerry U14 Championship game between neighbours, exploded into life. Gneeveguilla's Paudie O'Leary fisted to the Rathmore net inside the first minute. Rathmore responded immediately with a goal from Ciarán Collins. It was Gneeveguilla who settled the better after this as Paudie O'Leary added another goal followed by two points. Mark O'Leary (Gneeveguilla)

and David McCarthy(Rathmore) traded points. Gneeveguilla were now enjoying the better of the exchanges with Captain Liam Brosnan blocking a lot of attacks from Rathmore and setting up his own team. A Mark O'Leary point was quickly followed by two fine efforts from impressive wing forward Dara Fitzgerald. Paraic Finnegan added a pointed free before Mark O'Leary crashed a fine goal to the Rathmore net. Fionn Murphy was on target with a free for Rathmore to leave the halftime score 3-6 to 1-2 in favour of the visitors.

Rathmore made a quick start to the second half and cut the lead with great point taking from Kacper Domalik, David McCarthy and Fionn Murphy. The response from Gneeveguilla was swift. Mark O'Leary finished a great move to the net before his cousin Paudie added his third goal of the game. Four additional points Dara Fitzgerald(3) and Mark O'Leary seemed to put the game beyond Rathmore. However, the home team battled on bravely. Fionn Murphy had a pointed free and the same player found the net when his long range shot dipped under the crossbar for a goal. Then Rathmore substitute Dara Nagle finished a well taken goal to the Gneeveguilla net. Full forward Mark O'Leary had two more points squeezed in between two classy points from Gneeveguilla substitute David O'Leary. It was Rathmore who rounded off the scoring with a Dara Moriarty point and a free from Fionn Murphy. Final Score: Gneeveguilla 5-14 Rathmore 3-09

At the end of the game Seán O'Keeffe, East Region Coiste na nÓg, presented Gneeveguilla captain Liam Brosnan with the Division 4 trophy. CHANGE OF DATE FOR EAST KERRY COMMITTEE MEETING

The September Meeting of the East Kerry Committee has been deferred a week and will now take place on Tuesday the 3rd October starting at 9pm i The Killarney Heights Hotel.

Colm Cooper U13 Tournament

Dr Crokes hosted the Colm Cooper 13 aside tournament in Lewis road last Saturday. The standard of football was superb with conditions tough on the day all teams showed tremendous pride in the club jersey. The cup decider was an open game of football with the strong running St Colmcilles (Meath) team proving too good for a spirited Bantry Blues outfit. The shield decider was a close game with the scoring power of St James (Galway) proving decisive in defeating a well drilled Skerries Harps(Dublin) unit. Thanks to all that supported the well run event on the day it was much appreciated by players and mentors. The large attendance were treaty to a great day of football played in a sporting manner.

CHAMPIONSHIP - QUARTER FINAL

Dr Crokes 0-17 Kenmare Shamrocks 0-12

This game was very close for fifty minutes. We went in at the interval one point ahead 0-7

to 0-6. We were finding it difficult to break through a well organised Kenmare defence in the first half.

Even though we had a good third quarter, scoring four points to our opponents one we still could not get into a match winning lead. Indeed at the start of the final fifteen minutes the visitors outscored us three points to one to leave just two points between the teams as we entered the last ten minutes.

Our best period of the game was in the crucial last ten minutes of the match. We outscored our opponents by five points to two. The first of these from Michael Burns (He was our top scorer getting four points from play), two great minors from Colm Cooper and the last two of the game from Daithi Casey and Tony Brosnan. We were very happy to have got over the line by five points. Kenmare Shamrocks are a formidable team and had wins in Championship games during the year over top teams like Kerins O'Rahillys and Killarney Legion. We had to be better in all quarters of the field from our contest with our same opponents in the Club Championship Fina. This we achieved to qualify for the Semi Final on Saturday 7th of October.

Team and Scorers: Shane Murphy 0-1 (45), John Payne, Fionn Fitzgerald, David O'Leary, Shane Doolan, Mike Moloney, Gavin White, Johnny Buckley 0-1, Alan O'Sullivan, Michael Burns 0-4, Gavin O'Shea 0-1, Brian Looney, Colm Cooper 0-4 (0-2 frees), Kieran O'Leary 0-1, Daithi Casey 0-2 (0-1 free).

Subs: Tony Brosnan 0-2, Ambrose O'Donovan 0-1, Paul Clarke, Mike Milner, Luke Quinn.

SYMPATHY

Another link with the teams of the 50's and 60's was severed last week with the passing of William Burke, Ballygamboon. William started his football at a young age when up to 30 people from the locality gathered on the family farm to play football. William went on to play for Milltown Castlemaine and was part of a very successful period which saw them capture the Mid Kerry Championship in 1957,1961,1962 and 1965.

His fine physical stature meant he was a linchpin at mid field in these victories.

William retired in the late 60's but his interest and support for the club and community remained steadfast throughout the years.

To his wife Marian, son William, daughter Norma, brothers John and Jim, sister Nora along with their extended families, the club sends its deepest sympathy.

KERRY MINOR'S

Now that the dust has settled over the Kerry Minor Footballer's outstanding win over Derry last week-end it is worth noting that three of the team were prominent members of Gneeveguilla Athletic Club. Patrick Warren

from Scrahanaville was one of the top cross country runners for many years, taking many medals in his time. He was also an outstanding relay runner with the club. His sister Sinead is National Champion in The Discus & Hammer. His brother Shane is no bad athlete either, his mum Joan & dad Nealie are trojan workers in the club. Christopher O' Donoghue from Clonkeen ran the first leg of our relay for many years and never left us down. His is son of Floray Kerry County Council & Marie of Rathmore Credit Union. Our third club member was the ever smiling Donal O Sullivan from Kilgarvan. Donal represented Kerry at The National Community Games finals on several occasions. Glory came to Donal & the u13 relay team in 2012 in Tullamore when the club won 5 in a row All Ireland National Titles. The team on that day were Cian McCarthy, Gary Cronin, Cathal Collins, Brian Murphy, Sean Doherty & Donal O Sullivan. Donal is son to mon Marie & dad Gabriel. We congratulate each of the lads and their families on a fantastic performance. The three lads were buzzing in Croke Park, easy to see the Athletics background in them.

FATIMA CENTENARY

Many thanks to the pupils of the schools in the parish who prayed The Rosary to celebrate the 5Th apparition of Our Lady At Fatima 100 years ago. As with Youth 2000, youth will be aged 16 to 35 years, but everyone is welcome.

KILLARNEY RFC NEWS

U18

Challenge match at Musgrave Park - Sundays Well 39 South Kerry 19. From a South Kerry perspective encouraging first game for the combined team of Killorglin, Killarney and Corca Dhuibhne. Three tries scored by the visitors through Eoin O'Suilleabhain, Chris Scannell and a penalty try with one conversion by Jack Evans. Team played with great spirit but had too much ball turned over and need to work on defence. While it would be preferable to have our players playing with Killarney we had five participants yesterday and the feedback from all our players is very positive. The training is of high quality and our lads being well treated. Everybody who wants to play rugby at U 18 level will be facilitated. Sincere thanks to Andrew Eadie who has fully embraced our contribution. Pat.

SENIORS

Last Sunday our seniors hosted Castleisland in the first round of the Munster Junior League. Having won promotion to Division 2 last season and beaten Chorca Dhuibhne last weekend in the McElligott Cup, a sterner test awaited the men in Black and Red at Aghadoe. Unfortunately luck wasn't on our side and the 'Island started the stronger as they were held up for 2 tries in the first half. The visitors went

on to win 3-15 in the end with PAudie Sheahan scoring the home team's points from a penalty. Next weekend the lads travel to Thurles in the next round of the of the league. Best of luck to the lads.

MINIS

Our minis had another great session last Saturday at Knockreer between 10:30am and 12 midday, narrowly missing the torrential rain that arrived to effectively write off Saturday for outdoor pursuits. We had 15 girls come to training, which is a testament to the hard work being done to promote girls rugby within the club. Well done to Denise, Liam, Fiona and Ed for driving the girls section since the first girls came to training last year. If you have a daughter interested in playing rugby, please give Denise Treacy a bell on 087-8064112. Finally, it must be noted that gumshields are essential at minis training. Children without gumshields are not allowed to partake in the forthcoming blitzes, so please ensure all children have gumshields.

MEMBERSHIP

Please note that membership is now due for the new season and can be paid online at www.krfc.club/membership or at the registration table at Minis each Saturday morning. Please check out the website for the membership rates.

CLUB MATCHPLAY: An intriguing conclusion to the Club Matchplay (sponsored by Murphy's Bar) last weekend as firstly the Semi-Finals brought wins for Gearóid Cronin over John McGrath (2&1) and Brian Moloney over Kieran Fitzpatrick (5&3) to set up a Final on Sunday morning between Gearóid and Brian. Gearóid looked to be in control coming down the stretch leading 4up with five to play but Brian reduced the deficit to 1up with only two to play. Gearóid got the halves he needed however to hold on for a 1up win as he won his second Matchplay title to go with his first success back in 2006. Well done to both players on a hard fought match as the prizes will be presented in Murphy's Bar at our traditional pre-Christmas get-together.

MUNSTER MATCHPLAY: Best Wishes to James Fleming (Intermediate) and Darragh O'Callaghan (Junior) this weekend in the Munster Matchplay Finals after both players qualified last Saturday in Listowel. James will

4 TIPS FOR EVERYDAY LIFE 5 HINTS ON HOW TO KEEP A HOME LOOK WELL PUT TOGETHER AND DECLUTTERED

Sometimes you're looking to hide things, or put them away in places where they're not visible—but there's lack of space. Below are a few ways to go about organising the home without having to necessarily put them away in cupboards and drawers.

- * Take two coat hangers and place them 6 inches apart. Hang your ironing board on it and free up that space.
- * Use box file holders to store slippers.
- * If you're painting the house, you're bound to have some left over paint. Instead of storing it in giant buckets, empty it into clear jars.
- * Add a storage rod in your shower.
- * Use an empty Tissue box as a plastic bag holder – disposable plastic bags are reusable several times over.

JILTED GROOM TURNED CANCELLED WEDDING INTO SUCCESSFUL CHARITY FUNDRAISER

A Pittsburgh man whose wedding was called off decided to make the best of the situation by transforming his reception into a charity event for an organisation that provides free surgery in developing countries.

Phil Laboon, who is a marketer by trade, sold tickets to his pre-paid reception for \$75 and said he expected to raise about \$50,000 from the sold-out event and from raffle ticket sales on items donated to the cause — all for the benefit Surgicorps International, founded by a Pittsburgh plastic surgeon to send medical professionals abroad to perform free surgeries in developing Countries.

"It's not my wedding, but I'm sure it will be something I will remember for the rest of my life," said the 32-year-old man "I chose Surgicorps' because I was touched by the Charity's work on children, some of whom were born with birth defects or have suffered from burns.

On a recent five day-trip to Guatemala, Surgicorps performed more than 100 free surgeries, executive director Linda Esposto said.

WOMAN SPEAKING WELSH IN WALES TOLD TO STOP TALKING 'FOREIGN MUCK'

Elin Jones says she was told to stop speaking "foreign muck" in a shop while talking Welsh to her daughter Elena in Lampeter, mid-Wales recently. I said to her "I think you misunderstood – I am speaking Welsh to my children", but she turned on her heels and walked away. She didn't even try and justify what she had said". The 32 year old added - Great Britain "is a multicultural country and I love that about it in general and we should be far more accepting". "Most people usually recognise that it's Welsh, particularly when I'm in Wales, but maybe because I don't sound Welsh when I am speaking it I have had comments from people saying 'go back to your own country', which is very funny because I am from Aberystwyth."

Elin, a Plaid Cymru town councillor, and whose husband does not speak Welsh, is bringing up her children in a bilingual household.

FREE SOLAR PANELS TO BE INSTALLED ON 800K LOW- INCOME BRITISH HOUSEHOLDS

Over 800,000 low-income houses in England and Wales are to have free solar panels installed on their rooves over the course of the next five years.

The £160 million initiative, which is being financed by the Dutch firm Maas Capital, is expected to save the residents an average of £240 (€270) on their energy bills every year. British firm Solarplicity will be partnering with over 40 landlords and social housing representatives in order to properly coordinate the panels' installation; the initiative will create 1,000 new jobs.

This is just one in 2,200 foreign investments that have been made in Great Britain, which has resulted in a record-breaking year of expenditure. 87 of these projects alone were in the renewable energy sector, creating over 3,000 new jobs.

1962 – U.S. President John F. Kennedy nationalised the Mississippi National Guard in response to city officials defying federal court orders. The orders had been to enrol James Meredith at the University of Mississippi.

1979 – Pope John Paul II arrives in Dublin for the first ever papal visit to Ireland.

MAN USED PORTION OF HIS LOTTERY WINNINGS TO BUY ANOTHER TICKET THAT WON \$500,000

A Virginia man who won \$100 from a lottery ticket said he decided to use a portion of his winnings to try his luck again -- and ended up \$500,000 richer.

Gregory Dean, of Ashland said he was feeling lucky after his \$100 win, so he decided to use \$10 of the winnings to buy a Super Ticket Big Money scratch-off ticket, he scratched off the ticket in the store and handed it to the store manager to verify that it was a winner. "I was at

the right place at the right time," he said.

PHOTOS CAN GIVE A WRONG IMPRESSION

Bob Holtzman of the Major League Baseball Players Association posted a picture of two Little League World Series athletes sitting side by side, with their eyes fixed on their phone screens.

Viewers assumed the two children were totally ignoring each other and were quick to criticize, but Mr. Holtzman said that the two baseball players were actually befriending each other by using Google Translate to have a conversation. One of the children was a player from the South Dakota team representing the Midwest bracket, while the other was a Dominican Republic player representing the Caribbean.

As they were enjoying a break in between the games in Williamsport, Pennsylvania, they decided to bridge the language barrier.

The photo has since been shared thousands of times by adults and youngsters alike, enjoying the connection that is only made possible through technology.

NEW TWIST FOR ILLEGAL DRUG TESTING AT FESTIVAL

In a first for Australia festival-goers at this year's Spilt Milk Music Food and Art Festival which will take place in Canberra on the 25th of November drug users will be allowed to test any illegal drugs they plan on taking.

Pills brought to the testing service will be examined by emergency consultant Dr David Caldicott and a team of chemists from the Australian National University who will then be able to inform the festival-goer of the drug's makeup, an amnesty bin would be provided for people to dispose of drugs they no longer wished to take.

In 2015, six ecstasy-related deaths were reported at Australian music festivals, with recent statistics estimating that approximately four Australians die of an overdose every day. A similar illegal drug testing service exists in the Netherlands since the 1990s.

8-YEAR-OLD DONATED BELOVED DOLL WITH HEARTWARMING NOTE TO HELP CHILD AFFECTED BY HURRICANE

After their experience with surviving Hurricane Katrina in 2005, parents E.J. and Melissa Bice were discussing a trip to Houston to help with efforts being made to bring relief to the areas affected by Hurricane Harvey. Their 8-year-old daughter, Lilly Bice, overheard and decided that she too wanted to help.

Lilly went to her room and gathered a bag of her own toys to brighten the day of the children down in Southern Texas. Included in this bag was one of her favourite dolls with a note attached which said "Dear Little Girl, I hope you like my new doll and her things. Take good care of her and have fun. She was a good friend to me and will be an incredible friend to you". The note was then signed with an adorable heart and her name. Along with the note, Lilly also included an adoption paper for the new owner of the doll to fill out. She explained, "I left the name blank because I wanted the little girl to be able to name her".

"She understands more than an 8 year old normally does," explained the proud mom. "She's always been a giving child. She's really into presents and making things for people to make them happy."

PRIMARY SCHOOL RAISED MORE THAN AU\$200,000 THANKS TO CRITICISM FROM POLITICIAN

The pupils at South Australia's Craighburn Primary School initially set a goal of helping three girls in a Developing Country by asking both male and female staff and students to help raise AU\$900 by wearing a dress for sponsorship.

An Australian Conservatives senator publically labelled the "Do it in a Dress" fundraiser "absurd" and "gender morphing" but his criticism backfired and instead gave it enormous publicity.

The money will now go towards helping more than 674 girls in developing countries gain access to an education after making \$201,520 above their goal

A COFFEE SHOP OWNER HAS BANNED CHILDREN FROM HIS PLACE BUT ALLOWS DOGS

Bob Higginson, the owner of a small cafe in town of Brixham, Devon County is standing by his decision to ban children under 12 from entering his establishment, but allow dogs, despite the controversy it has caused in his community and online.

A sign on the door politely requests that patrons with children under the age of 12 find somewhere else to drink their coffee. It may sound harsh, but Higginson says he has a reasonable explanation for it. "Primarily we wanted to create a nice, relaxed atmosphere for our client base, there are nice and expensive artefacts around and we've had things broken by children in the past" he said. According to local legislation, he's within his rights to do so. Reactions to the restrictive policy have ranged from encouragement to outright offense. One local resident has called for a boycott of the cafe, which she deems "discriminatory." The majority, however, don't seem to mind the idea of a little escape from the chaos that often follows with young children but a heated Internet debate is still in progress.

RECYCLING AND REUSING IS CERTAINLY NOTHING NEW

The Museum of London's latest display of curious objects, Junk, reveals some ingenious alternative uses and the creative repairs to be found in everything from Roman pots mended with lead, iron wires and adhesive made from tree bark and resin to the 18th century porcelain plates fixed together with great iron staples.

Among the 16th century solutions for the inevitable problem of broken drinking glasses was 'an excellent cement' of wax and aqua vitae and another combination of lime, flour and egg white. 17th century methods included moulding lead or gilt-wire braces to your glass. Decorative 18th century plates show repairs with ugly rivets, a sure sign that people were prepared to tolerate an awkward-looking item if it meant prolonging its life.

Holes in mediaeval pots were filled with molten lead plugs; and early 18th century women's shoes were made entirely from re-used materials – with fabric from 100 years before and all elements worked and tailored to reflect the style of the day.

In 18th and 19th century London, dustmen were similarly busy – sorting and removing anything that could possibly see a profit, including coal dust for making bricks, and, in turn, brick dust made into a cleaning agent for cleaning the doorstep and scouring the pots and pans. Mudlarks of the nineteenth century picked up hemp, cord, bits of metal for recycling from the foreshore – anything they could find that they could sell on for profit. Recycling was endemic because of the poverty of people in the past.

FISHERMAN THOUGHT STORM HAD TAKEN HIS BELOVED DOG'S LIFE

A fisherman and his Jack Russell, named Jack, were out at sea on a regular fishing trip off the coast of Victoria, Australia. They had done this many times before, but this time a particularly bad storm overtook his little boat.

The man was unable to prevent his boat from capsizing but was able to hang on to the side, but there was no sign of his dog, which he believed had no doubt fallen overboard into the waves.

The man searched the waves, but to no avail. He was eventually rescued by a water police and ferried to the shore.

There the grief-stricken fisherman waited on a dock for his boat and when the police arrived with his boat, he could hardly believe his eyes. Jack was alive, and had managed to stay in the boat the whole time.

The fisherman was filmed jumping up and down with joy upon realising his dog was alive and then he held his small dog close as he started to cry with relief and thankfulness.

FAMILY DRAMATICALLY HEIRLOOM CHANGED STRUGGLING MAN'S LIFE

When LT from Southern California lost his leg in a car accident, his disability payments barely covered his bills, one night to pass the time he was watching an Antique show on TV when he saw a Navajo Chief's "First Phase" blanket being appraised, LT realized that an old blanket he owned looked very similar to the rare and

valuable cloth. He didn't know much about the blanket other than it had been handed down in his family and that it was "Navajo" but decided to take it to be appraised.

The appraiser agreed that it was Navajo, but was also a very rare Chief's blanket – a Navajo-Ute First Phase Chief's Blanket and he could hardly believe the amazing condition the 150-year-plus blanket was in.

The blanket was sold to an anonymous buyer for \$1.8 million who then gave it to the Detroit Institute of Arts, where it's on display for a few months of the year.

Today, it's estimated that less than 50 of these first-phase blankets, made until roughly 1865, survive.

GENEVA TOILETS WERE BLOCKED BY CASH

Toilets in Geneva were blocked by €100,000 in high-denomination euro banknotes earlier this year - the first blockage occurred in the vault at UBS bank in Geneva's financial district and a few days later, three nearby bistros were found with 500-euro notes stuffed down the toilets.

Vincent Derouand, from the Geneva prosecutor's office, said that throwing money away is not a crime, nor is blocking a toilet but they wanted to be sure of the origin of the money.

It cost many thousands of Euros to unblock the pipes and an agreement has been reached to compensate the restaurants, which have withdrawn an earlier complaint.

It is unclear who will get the cash which was confiscated during the investigation, if it is found to be lawful.

CHARITY WORKER RESCUED 300 PETS FROM THE VIRGIN ISLANDS

Sali Gear, the co-founder of Virginia Beach's Island Dog Rescue, had been working on plans to evacuate all the pets from all three of the U.S. Virgin Islands – St. Thomas, St. John and St. Croix – after Hurricane Irma devastated the area. To make this happen, she initially aimed to fly 20 animals to the continental U.S. every day for one week, but when Hurricane Maria swirled into the picture, she had to make some drastic changes to her mission.

She offered to fly pet owners' animals off the islands free of charge and gathered pets that had been abandoned or were in shelters. Ms. Gear chartered a private jet to take the animals all at once back to Norfolk, Virginia, where they were taken to Ms Gear's farm or sent into the care of volunteers and rescue groups across the country.

By using her rescue group's Facebook page to solicit help from the community, calling for volunteers, towels, bedding, pet food, water and poop scoops, she also gathered \$112,000 in donations and her own money to charter the private jet

GARDENING OUTLOOK
with John O'Sullivan
AUTUMN AND WINTER CONTAINERS.
Containers filled with permanent and seasonal plants can be very versatile as they can be moved anywhere in the garden at any time to brighten up any corner. It is usually annuals that are planted in containers, but you can also plant them with most shrubs, grasses, herbaceous, perennials and even certain types of trees and conifers. Vegetables can also be grown in containers. If you have an area in your garden you would love to screen-off but haven't got the earth to do it you can plant most climbers in containers, a good type of container for this is a quarter barrel as it can fit right up next to a wall or trailing. As with all plants in containers, make sure that you water and feed regularly.
When choosing a terracotta container, make sure the label says frost proof rather than frost resistant as these can still crack in prolonged frost. There are also imitation terracotta pots made from plastic which are really very practical.
JOHN O'SULLIVAN, FOUR SEASONS GARDENING SERVICES, KILLARNEY 087-2787160.

A WORD OF VICTORY

Welcome back dear reader the two most dangerous things in the world are a closed mind and ignorance (lack of knowledge) and of the two a closed mind is the greatest enemy. You can be taught the truth and get rid of ignorance, however with a closed mind, there is no way out. When the truth is presented to someone and they have no knowledge of that truth they will accept that instruction so that the truth can set them free, but the closed mind will say 'I don't need to know' and that is the condition of many in the world today. When lies are presented as the truth people will accept it readily, but in the heart of all of us there is a desire to know God and to walk in His ways, that is why Jesus was sent to reveal and bring the truth to us. When Jesus healed the sick and raised the dead He said that He did nothing of Himself - He only did what He saw the Father doing, and the words He spoke were not His words rather the Holy Spirit told Him what to say (John 5:16-30). Claiming to be a Christian does not make one to be a Christian - we need to be taught to know and understand the message Jesus brought down from Heaven to guide us so that we may do it. It is not enough to hear the Word but to be a doer of it (James 1:22). When I was saved in 1984 I was shocked to realise that I knew nothing about Scripture or the way I should go. I thought I did because I was religious, but Jesus didn't bring religion to us, He brought relationship. Every day since I was first saved through reading the Bible and being with other people of the same mindset, I grew spiritually and began to see that through my ignorance I was being robbed of the benefits that I should have been enjoying such as prosperity, good health and freedom from fears and anxiety. "My people perish from lack of knowledge" (Hosea 4:6). Now in the beginning like most people I resisted the Word that was being spoken, but when I saw ordinary folk laying hands on sick people (Mark 16:18) and blind eyes and deaf ears opening, cripples walking, and terminally ill patients restored to full health I quickly changed my mind and knew I had found something of great value - and it's for everyone who has an ear to hear! (Matthew 13:9-16) More next week....

NOVENA TO THE SACRED HEART

This prayer was recited every day by Padre Pio for all those who recommended themselves to his prayers:

O my Jesus, You said "I say to You, ask and you shall receive, seek and you shall find, knock and it shall be opened to you", behold I knock, I seek and I ask for the grace of....

Our Father, Hail Mary, Glory be...

O Sacred Heart of Jesus

I place all my trust in You.

PRAYER FOR HEALING

Heavenly Father, I call on you right now in a special way. It is through your power that I was created. Every breath I take, every morning I wake, and every moment of every hour, I live under your power.

Father, I ask you now to touch me with that same power. For if you created me from nothing you can certainly re-create me. Fill me with the healing power of your spirit. Cast out anything that should not be in me. Mend what is broken. Root out any damaged cells. Open any blocked arteries or veins and rebuild any damaged areas. Remove all inflammation and cleanse any infection.

Let the warmth of your healing love pass through my body to make new any unhealthy areas so that my body will function the way you created it to function.

And, Father restore me to full health in mind and body so that I may serve you the rest of my life.

I ask this through Christ, our Lord
Amen. EOS

LETS PRAY TOGETHER INTO THE WORD

Praying is talking to God. And by doing this we draw nearer, and get to know who our Father In Heaven is. By praying (talking), we are directed by God. We should pray in the right way, and this will change our lives more than we can imagine. People pray when there is a difficult problem or situation. Every person seems to have, deep down the urge to pray. We should ask God, to teach us the best way to pray. (Luke 11(1)). Jesus gave us the Lords Prayer (mathew6(9-13)). Is not the Lords Prayer worth spending, deep study on! It is so rich.

And it comes from Jesus himself, Gods own Son. Amen.
