It was one of those moments to remember when Sean O'Leary was wheeled out to celebrate with his team mates at the Fitzgerald Stadium on Sunday last. Sean was seriously injured in a car accident on his way home from Kerry's semi final win over Tipperary at Semple Stadium two weeks.

Sean sustained serious leg injuries in the crash but is making a remarkable recovery and was released from hospital just two days before the match.

O'Leary, who is from Kilcummin is considered to be one of the most promising footballers in the county. The 22 year old is a member of the extended Kerry panel and Kerry GAA Chairman Tim Murphy made sure that Sean joined the rest of the team in the dressing room following the 22 point victory over Cork on Sunday.

STATE OF THE ART MULTI MILLION EURO PROJECT FOR THE SEM

An ambitious building project will provide state of the art facilities for 750 pupils plus three SEN base classes along with one class to specifically cater for children with multiple disabilities has been announced for St. Brendan's College in Killarney.

Minister for Education and Kerry TD Norma Foley unveiled details of the multi-million euro building project at the school last Friday.

This extensive refurbishment will transform St Brendan's by providing 26 general classrooms, five science labs, two multimedia rooms, a textiles room, a music room, an arts and craft room, a home economics room a construction studies room, engineering room and a technology room.

The building project will also include staffrooms, an office, a GP room and data communication centre as well as a PE Hall and fitness suite.

Three state of the art Special Education classrooms will also be built as part of this major school refurbishment and a multiple disabilities classroom will also be provided for within the plans.

On completion the entire building project will ultimately replace the existing school structure with a state of the art campus and facilities.

The Department recently approved interim accommodation for the school to provide three classes for Special Education Needs purposes for 2021/22 school year under the Department's Modular Framework.

Minister Foley said: "This ambitious multi million euro building project is an endorsement of the staff of St Brendan's College for their tireless commitment and endeavour to educating the young people of Killarney and surrounding areas."

"This significant project will provide state of the art facilities and special education provision thus ensuring that this educational institution that is 'The Sem' will continue to provide a first class education experience for many years to come."

Minister Norma Foley TD announcing Multi Million euro extension to St Brendan's College with (front) Ethan Slattery and Kacper Bogalecki Student Council (from left) Shirley O'Connor Secxretary and Hannah Devlin Chairperson Parents Council, Sean Coffey Principal, Bridget Lucey Deputy Principal, Bishop Ray Browne, Lorna Larkin Board and Management, Cllr Niall Kelleher and Joan Gill at St Brendan's College, Killarney on Friday.

School principal Sean Coffey thanked Minister Foley for her forward-looking vision for the provision of education at second level in Killarney.

"St Brendan's has a proud and lengthy education tradition, but it was now timely to reimagine this school site to look forward to the next 160 years. This is an investment in the future of our whole community."

"Situated at the heart of the town, adjacent to the National Park, reinvigorating these old buildings will serve to hugely benefit our students, our staff and our community, all of whom are deserving of the state-of-the-art facilities in today's proposal. We can now look forward to creating a modern learning environment couched in these historic buildings"

Mr Coffey added that this project was only made possible by the vision and support

provided to the school by Bishop Ray and the dedicated volunteer Board of Management at the school. "Our Patron enables us to think creatively about the future of all aspects of St Brendan's while our Board enacts that vision through its hard work"

Welcoming the announcement, Ms Lorna Larkin, Chairperson of the Board of Management thanked the many staff who have worked so diligently and creatively at St Brendan's to provide a holistic education for all of our students. She said that the Board were looking forward to engaging a Design Team who would rework the existing fabric of the school into an exciting place of learning for the 21st century.

The official announcement was also attended by Bishop Ray Browne, Patron of St Brendan's as well as Ms Hannah Devlin Chairperson of the Parents' Council at the school.

€1,187,099 allocated for upgrade works on rural roads and laneways in Kerry - Griffin

A total of €1,187,099 has been allocated for repairs and improvement works on non-public roads in rural communities in Kerry, as part of the Government's 'Our Rural Future' project, Deputy Government Chief Whip, Brendan Griffin TD has said.

Deputy Griffin said the announcement from the Minister for Rural and Community Development, Heather Humphreys TD, that

a total allocation of €10.5m was the second investment this year and was a great boost for all in Kerry.

The Local Improvement Scheme (LIS) is designed to support the continued improvement of non-public roads in rural communities and improves access to rural homes and farms, as well as outdoor amenities such as our lakes, rivers, mountains and beaches. These roads

and laneways are not normally maintained by locally authorities but, nonetheless, represent a vital piece of infrastructure for rural residents. Deputy Griffin said the county allocations are based on the level of works that each local authority indicated they could complete before the end of the year.

GREAT SUPPORT FOR LEAH AS SHE PREPARES FOR SLOVAKIA

In glorious sunshine on Saturday morning members of St. Paul's Basketball Club and Dr. Crokes GAA Club gathered at the club's grounds on Lewis Road to purchase an array of home baking and take part in a fantastic raffle all to help their team mate Leah McMahon on her upcoming trip to Slovakia.

The talented basketball player who will vice captain the Irish Under 16 Basketball team at the Women's 2021 tournament wasn't able to attend the bake sale which Patricia McCarthy and her team mates organised at Dr Crokes GAA Pitch last Saturday.

"She was disappointed she couldn't attend herself but is training in Dublin every weekend", mum Aine told Killarney Outlook.

"We are blown away by support for Leah", Aine added, and we want to thank everyone for the support for Leah. "People are just amazing and it was lovely to see some of Leah's teachers from St. Brigid's Secondary School at the cake sale", she added.

Funds raised on the day will help defray Leah's travelling and accommodation expenses that each player has to meet themselves and the town of Killarney is behind this superstar.

DAVID IS TOKYO BOUND

As he heads to Tokyo to represent Ireland in the 20km walk, David Kenny has thanked everyone who has helped him on his way. In recent weeks, his club Farranfore Maine Valley launched a gofundme to help David with his costs. The novel idea of walking with David to Tokyo - a distance of 9797km from Firies Village has raised over €10,000 to date. "As I pack my bags to travel to Tokyo and proudly represent Ireland in the 20k racewalk I would like to thank everyone for their support and generosity on my journey to the Olympics", David told Killarney Outlook.

"A huge thank you to my Athletics Club Farranfore Maine Valley who have supported my journey over the years especially to Jerome Crowley and Michael O Connor who introduced me to racewalking and Michael who trained regularly with me and encouraged me. To my neighbours, family and friends, MTU Athletics and to my coach Rob Heffernan thank you all for everything.

It is a great honour to be representing Ireland in the Olympics and I am looking forward to walking on 5th August", David added.

REQUEST FOR WATER BOTTLE FILLING STATIONS AT PLAYGROUNDS

Cllr. John O'Donoghue, who recently took over the seat of his uncle Michael Gleeson attended his first full council meeting recently Cllr O'Donoghue brought a motion requesting drinking fountains to be installed in all playgrounds in the county which are under the care of the Council.

"I greatly welcome the news that the Council is to install Water Bottle Refill Stations at a number of locations around the County. The benefits these will bring are two fold, the obvious health benefit and also it will greatly reduce the amount

of plastic bottles being used", Cllr. O'Donoghue told Killarney Outlook.

MOTION:

"That the Council would inform how many suitable drinking fountains are in the playgrounds under its care, and would they consider installing them in any playgrounds where they currently do not exist."

REPLY: Playgrounds under the control of Kerry County Council are generally not supplied with a drinking water supply. However, there is an initiative underway to provide water bottle refill

stations at a number of locations around the county. These are currently being installed in Tralee and Listowel Town Parks, each of which also has a playground. There are also 2 stations in Dingle. Further water bottle refill stations are planned for Tralee (Hare St./ Canal Walk), Ballybunion (New Toilets) and Killarney.

Kerry County Council will continue to seek funding for the rollout of water bottle refill stations around the county as an effective alternative to single use plastic bottles.

CLINICS THROUGHOUT MUNSTER

WALK-IN VACCINATIONS AVAILABLE IN KERRY

Killarney Vaccination Clinic located at the Killarney Sports and Leisure Centre on the Killarney Bypass will receive Walk Ins from next Tuesday.

The vaccination centres in Kerry (Kerry Sports Academy, Tralee and Killarney Sports & Leisure centre) have planned a "walk-in" first-dose Covid-19 vaccinations for anyone aged 18 and over.

Anyone aged 18 and over who has not already received a vaccine can attend at Killarney Sports & Leisure centre on Saturday, 31st July or Kerry Sports Academy, Tralee on Tuesday, 3rd August 2021 from 11am to 3pm both days.

The clinics on both days will be offering first doses of the Pfizer BioNTech vaccine. Second doses will not be available, and these walk-in clinics are only open to people who have not already received any dose of a vaccine.

Michael Fitzgerald, Chief Officer Cork Kerry Community Healthcare said that staff at the centre have already offered appointments by text to anyone from the area who registered online at hse.ie.

"This is an opportunity for anyone in Kerry who may have missed an appointment to get their first vaccination. It will also allow anyone who has not registered online yet to get their first dose. Given the wide geographic area that we cover, we are pleased to be able to offer this additional opportunity to the local population aged 18 and over to get their first dose."

Anyone who wishes to receive a vaccine at the clinics must:

- Be aged 18 or over.
- Be attending for their first dose, as it will not be possible to administer second doses.
- Bring photographic ID.
- Bring their PPS number.

Mr Fitzgerald continued:

"You will not be able to receive a vaccine without photo ID and your PPS number. We need your PPS number to register you on the system so that you are called for your second dose when it's due.

Mr Fitzgerald added:

"We are extremely proud of the progression made by our staff in vaccinating the people of Kerry" Peggy Horan, Project Lead Vaccination Centres said that the staff at Tralee and Killarney have worked hard to make sure that anyone registered on-line aged 18 or over has been offered an appointment.

GOLD FOR ROWERS

AS MONIKA AND AILEEN RANKED 11TH IN THE WORLD

Paul O'Donovan and Fintan McCarthy were crowned Olympic champions in Tokyo yesterday morning, as they rowed home to gold in a thrilling final of the Lightweight Men's Double Sculls in a time of 6:06.43, to pip the Germans to first place.

In a thrilling race, the Skibbereen crew were sitting in second place for much of the race, with Germany going out fast and dominating the first half. A big push from the Irish double with 700m to go left no doubt about their class, when they edged their boat to the front, and took the win – and that coveted gold medal - by 0.86 of a second on the line.

The Women's Pair of Monika Dukarska and Aileen Crowley finished fifth in their B Final with 7:02.22, in what was an extremely competitive field, resulting in an 11th place finish overall. They started strong, putting themselves right in the mix, in a grueling battle with Romania and USA which ensued for the remainder of the race. The Killorglin Pair are part of the emerging strong squad of female rowers in Ireland from which the Olympic Bronze Medal winning crew was selected.

Beaufort Golfers Play In Pink

It was a wonderful weekend of golf and fun at Beaufort Golf Club when the Ladies club held their Play in Pink weekend.

The competition was organised to raise funds for Breast Cancer Research and it was the first time the event was held at Beaufort Golf Club

"It was a fantastic success", Lady Captain Laura Furlong told Killarney Outlook.

"There was great excitement with all the ladies dressed in Pink, all competing for the Best Dressed Lady and the fun and excitement was also there in the search for the Most Outrageously Dressed Man. The winner of the Best Dressed Lady was Noeleen MacKessy and for the winner of the Most Outrageously Dressed man was Denis Cronin.

"I would like to express a huge big thank you to everyone who was involved in organising the event, especially Niamh O' Donoghue, Sally Harvest and Maura Kennedy. Also to everyone who contributed prizes, and donated money to the charity, without your generosity this event would not have been so successful", Laura added.

Ciara, a Manufacturing and Mechatronic Engineering graduate from Munster Technological University, explained her experience of the programme.

"The Liebherr Scholarship Programme has offered me a great amount of support and resources. With the promise of summer work each year, and placement it allowed me to better dedicate myself to my studies. It is great benefit, when you can see in practice, how the theory that you study

Ciara Dennehy and Darragh O'Connell are recent graduates of the Liebherr Engineering Scholarship Programme.

in class is applied in industry. It has also allowed me to explore career possibilities, by providing opportunities to work in different areas.

Now that I am working as an Automation Engineer, it is clear to see how well this programme has prepared me for this role and just how innovative Liebherr is. We are continuously developing new ground-breaking systems and software. This makes the prospect of each project more challenging and exciting. This really is what makes the work so enjoyable, there is always something new to learn, and problems to solve."

Darragh armed with his degree in electronic computer engineering from National University of Ireland, Galway echoed these sentiments.

"I would definitely encourage all interested students to apply for the programme. It was a real benefit during my studies. My fees were paid, I had guaranteed meaningful summer work, and now that I have graduated, I am able to continue working with Liebherr as an Automation Engineer. My work in Liebherr is exciting, Liebherr are leaders in the field of container handling. This exciting field is undergoing rapid development and at

Liebherr we are at the forefront of technological advancement and design. It is never boring and the pace of development has really accelerated in recent years.

Innovative technology

Mr Charlie McCarthy, Managing Director - Engineering at Liebherr Container Cranes explains about the exciting opportunities available.

"Development of our products and systems is taking place at a rapid pace and with this in mind, we are looking for the best and brightest future engineers to join us as part of the Liebherr Engineering Scholarship Programme. We offer fully paid tuition, industrial placement, guaranteed summer work, and the chance to work with our engineers on the further development of automation, remote control, self-diagnostics, 5G communication protocols and condition monitoring systems. In addition, sustainability is a key consideration for our customers, so our engineers also get to work on the development of hybrid, battery and alternative power systems. We develop all of these technologies in house and the next few years will bring many exciting developments. At Liebherr, we give prospective engineers the opportunity to put their college learnings into practice and this is fundamental to their development and education."

How to apply

Interested candidates should apply by email to recruitment.lcc@liebherr.com. Applicants should include a CV detailing Leaving Certificate/Junior Certificate/college projects and/or results and a cover letter explaining why they have chosen electrical engineering as a career path. In the case of leaving certificate applicants, a copy of their completed CAO form showing their choice of electrical engineering course should be included. Closing date is the 10th of September.

MORE WATER DISRUPTIONS

Fianna Fáil's Councillor Michael Cahill who has been highlighting the the issue of interrupted water supply throughout Mid and South Kerry for many the long day now, has called on all Public Representatives in Kerry to form a united front when pressing for a solution for all of the county. "Following on this latest burst at Lough Guitane, it is obvious to everybody that the water supply system in Kerry is completely unfit for purpose and requires a radical investment from Central Government if a normal life is to be enjoyed by the

residents of this county" stated Councillor Cahill. "I know all our elected representatives will join with me in calling for such an investment as it is the only possible solution to this ongoing problem which has possible negative health effects for both the very young and not so young" said the Rossbeigh based Councillor.

Michael Cahill, who is also Cathaoirleach of Kenmare Municipal District and Leas Cathaoirleach of Kerry County Council. Councillor Cahill says that if the issue of constantly interrupted water

supply was not bad enough, the lack of proper, up to date sewerage systems throughout a tourist oriented county is also a danger to residents and visitors alike.

"How can we expect visitors to return or recommend our county as a destination if their basic human needs are not met? Planning Permissions for locals are effected by lack of sewerage capacity in a given area. Both these issues must be dealt with immediately" added the Fianna Fáil man.

• Toured the Dingle Hub and a series of Town and Village Projects that are supporting employment on the Dingle Peninsula.

The day concluded with a visit to Listowel Food Hub which received over €1.67m under RRDF. When complete, the project support new product innovation and will be a valuable resource to new food entrepreneurs throughout the region.

Speaking about the visit to Kerry, the Minister said:

"This visit gave me a wonderful opportunity to see how funding from my Department is breathing new life into rural Ireland.

"The trip to Kerry is part of a nationwide tour that I am embarking on to promote 'Our Rural Future' – the Government's most ambitious and transformational policy for rural Ireland in decades.

New Government grants for Parent & Toddler Groups in Kerry

New Government grants will be available for Parent and Toddler Groups in Kerry, according to Deputy Government Chief Whip, Brendan Griffin TD.

A national total funding of €250,000 was announced by Minister for Children, Equality, Disability, Integration and Youth, Roderic O'Gorman this week as part of the Government's Summer of Play initiative.

Deputy Griffin said: "This funding will be allocated to all not-for profit Parent and Toddler groups throughout Kerry who actively involve the participation of parents in the local community. The grants available will range

from €100 to €1250. "This is important funding to support existing groups to start up again and to assist the groups to engage with the Government's Summer of Play Initiative, to provide supports for children and families to get outside and play safely this summer.

"Existing Parent and Toddler Groups can apply for a maximum of €800 while new start up groups may apply for maximum grant of up to €1250. The funding can be used for expenses including toys, play equipment, books, and activities for the children.

"Training for parents can also be covered under the grants including for example, paediatric first

aid, committee skills and parenting courses.

"Limited funding will also be available towards insurance, rent or minor refurbishment, up to a maximum of 30% of total funding for existing services. Further limited funding will be available towards insurance or rent, up to a maximum of 70% of total funding for new services.

"I hope all local groups will apply for these grants to assist them in bringing parents and children together to play and socialise again. The groups should apply for a grant under this scheme through Kerry County Childcare who can also give them full details on the programme."

30g Violife Vegan Cheddar style Cheese Grated
250g Alpro single Soya (This is a vegan cream alternative available in most supermarkets)
1 head broccoli cut into bite size pieces
1 leek chopped
1 cup frozen peas
8 or so asparagus tips

In an oven tray put a good drizzle of olive oil and toss the vine tomatoes in the oil, sprinkle in a little salt and bake in a hot oven for 20 minutes. Then in a large frying pan put a drizzle of olive oil and fry your leeks on a medium heat for 3 minutes. Add in the garlic and the veg bouillon powder and stir fry another minute or so. Add the broccoli, asparagus tips, peas, Alpro single soya and fry covered on a medium heat for 8-10 minutes. (I add about 1/4th a cup of water at this stage to keep it from drying out). At the end of the cooking stir through the Violife grated cheddar cheese and the already cooked pasta and mix well. Garnish with the oven baked vine tomatoes and a few sprigs of basil leaves. This dish is simply divine so creamy and tasty.

MONEY MATTERS.....

When Can You Access Your Pension & What Are Your Options When You Want to Retire?

You can normally get access to your pension from age 60, a lot of the rules depend on whether you are an employee or self employed. If you are coming close to retirement then you are probably wondering what options you have when you want to get access to your pension. It depends on what type of pension you have but generally there are four options:

Tax Free Cash: Most people will be entitled to a tax free lump sum, the amount varies however generally you will get at least 25% of the value of your pension in a tax free cash lump sum.

Taxable Cash: You may also be able to take sum of your pension in taxable cash.

Annual Pension: This is a guaranteed income usually paid monthly for the rest of your life that is purchased with the money left after your tax free lump sum, this is subject to taxation.

Approved Retirement Funds: You may be entitled to keep some of your money in an approved retirement fund, money can be taken from the fund to give you a regular income, usually monthly. This is subject to taxation also. Taxation at retirement is often much lower than when you are working. It is extremely important that you take your time and have all the options explained to you in plain simple English and that you understand all your options clearly before you make your final decision. As well as the above there is much more to be discussed about your pension. You should discuss your retirement options with a financial advisor who has access to a number of different pension providers before making any decisions, he or she will help you with the above options and any other queries you may have.

To discuss the above or any other matter Dermot Cronin QFA can be contacted at 0646622775 or dermotcroninifa@gmail.com

TIPS TO SAVE

Fuel, money and emissions on your motoring staycation

Driving style, poorly maintained tyres and excessive drag are the big offenders

With the August Bank Holiday approaching, some will be jumping into their cars and heading off on a well-earned staycation. For those who haven't switched to an electric vehicle and are still driving a petrol or diesel car, the Sustainable Energy Authority of Ireland (SEAI) has some tips to help you drive more efficiently. This will help you use less fuel, reduce your emissions and also stay safe, not only this weekend but all the time. Fuel consumption tends to be affected most by your driving style, excessive rapid acceleration, unnecessary short trips, a cold engine, poor car maintenance and incorrect tyre pressure. A less aggressive, energy conscious driving style could save as much as 10% on your fuel costs.

✓ REGULAR MAINTENANCE

This tip applies all the time but is especially important ahead of a long journey or a motoring holiday. A properly maintained petrol or diesel car will have; good engine lubrication, wheel alignment and well-adjusted brakes, reducing your fuel use. It will also mean your car is safer and more reliable.

✓ CHECK TYRE CONDITION AND PRESSURE

Be sure to check your tyres regularly. Tyres in good condition, with the proper thread depth, and at the right pressure, improve both safety and fuel consumption. Tyres that are 10% below recommended pressure increase fuel consumption by around 2%.

✓ READ THE ROAD

By watching the road ahead and anticipating any likely problems, your driving will become smoother, more controlled and be safer for all. Drive in as high a gear as is suitable to road conditions and at bends, reduce your speed gently and accelerate smoothly when you are halfway through to help reduce fuel use.

✓ AVOID IDLING

Once you turn the engine on, drive off gently without delay. This will reduce excessive fuel consumption and pollution. Even if you're waiting only 30 seconds it is more economical to switch the engine off and start it again when necessary. Incidentally, many newer cars have an automatic stop/start function, which means you don't have to think about this.

✓ REDUCE UNNECESSARY DRAG

After you arrive safely at your destination make sure to take off any unused bike racks or roof boxes and save as much as 20% on your fuel costs. You can save a further 3-5% by using the car's air-conditioning to cool down rather than leaving the windows open while you drive.

✓ AVOID SHORT JOURNEYS

A cold engine uses significantly more fuel than a warm engine. So, once you reach your staycation destination opt to walk or cycle where you can and avoid using your car for short journeys.

SEAI is encouraging each of us make changes in how we use energy. For advice and information on supports, including Government funded electric vehicle and home energy grants, to help reduce your energy use this bank holiday and into the future visit; www.seai.ie

Moving through Change with ease

We are living in times of great change. The past two years have seen all of us adapting our routines, patterns and ways of living to a great extent. We are only just starting to process these changes as many new guidelines are still being implemented. It is vital for our health and wellbeing that we take time to navigate these new changes in a world that seems to be moving so fast.

5 top tips for moving through change with ease:

- When we are met with changes that we don't want, our first response is often to push back against it. However, this often causes stress within our body and mind. The key is to step back and observe what is happening without letting our emotions fire up. This way, we stay in a better state to deal with the event.
- Slow down. Do everything at a slower rate. This helps to calm the mind and send signals that all is well.
- Breathe. When feeling stressed, place one hand over your heart and the other over your belly. Breathe into your lower belly and allow it to expand and exhale whilst imagining the breath moving up into your heart and out of your body.
- Look for the glimmers of light in any situation. This can be challenging, however, the more we focus on the positives, the more peace we feel.
- Make small adjustments in your life. Move at your own pace. If something doesn't feel right for you, give yourself time to adjust by taking small baby steps of action.

beauty questions...

WHEN SHOULD I START USING AN EYE CREAM?

The earlier you start the better to prevent fine lines from forming around your eyes. The skin around your eyes is the thinnest and most sensitive part of your face and ages first. If you wait until you see lines forming it is very hard to reverse these effects.

You can start at age 18 by using a lightweight eye gel like ENVIRON Skin Essential Eye Gel, rich in antioxidants, peptides and vitamins.

Apply a grain of rice sized amount to each eye morning and evening. Use a light tapping motion with your ring finger as this has least pressure.

Apply just inside your orbital bone, inwards towards the nose below your eye and out over the eye. Apply any leftover product above your top lip as this skin has small pores like the eyes. Keep your face moisturiser away from your eyes as it is heavy and can cause the fine skin there to puff up like a teabag.

Use a specific eye make-up remover to condition & prevent dragging your eyes.

Wear sunglasses to avoid squinting and sun damage around your eyes.

The Benefits of having a Workout Buddy

We all live busy lives and it can be difficult sometimes to get class to get your exercise fix. Sometimes we can use the fact that we are "busy" as a handy excuse not to exercise but that's where having an exercise buddy can be so beneficial.

Firstly, it makes you more accountable. It is easy to cancel or not show if it is something we are going to on our own but it is more difficult to cancel at the last minute if you have made those plans with someone else.

There is also the fact that you will look forward to it much more if you're going with a friend, the time will go faster, you can have a laugh with them and catch up for a chat either before or after the session. There may be a bit of friendly competition going on, which is not a bad thing to have and inevitably will push ye both to give more effort which will get the best from the workout that you are doing.

We bet that ye will have a laugh and that having a workout buddy will take your mind off the actual exercises and possibly even life for a while – which is no bad thing, we all need a bit of down time. Even if you are the kind of person who normally is well motivated and exercises by themselves most of the time try phoning a friend that would not be as motivated to exercise as you are invite them to train with you.

That call may be the call they were waiting for, or may be the catalyst to kick start their workout regime and longer term could be the call you were grateful that you made as those sessions could turn out to be the ones that were the most enjoyable ones and most remembered.

It's good to change it up from time to time, why not make that time now!

WHAT IS BLEPHARITIS?

Blepharitis causes eyelids to become red, swollen and inflamed. It doesn't normally cause serious damage to the eyes, but it can be very uncomfortable. It tends to be a long-term condition, which means you're likely to need ongoing treatment. Severe cases do have a risk of causing long-term damage, but fortunately these are quite rare.

Types of blepharitis

There are two main types of blepharitis – anterior and posterior.

Anterior blepharitis

When the front (anterior) part of the eyelids becomes sore, this can be caused by an infection, allergy or a general sensitivity to bacteria present on the eyelids. It can also be associated with some scalp conditions, such as very dry or oily skin and dandruff.

Posterior blepharitis

Also known as meibomian gland dysfunction (MGD) is when the glands that make the oily part of your tears become blocked. Both types of blepharitis can cause dry eye or make it worse if you already have it. Many people will have a combination of blepharitis, meibomian gland dysfunction and dry eye.

Risk factors

Blepharitis is more common in people over the age of 50, but anyone can develop it. This is often because the glands that make the normal tears, particularly the oily part of the tears, tend to become less effective as you get older.

Symptoms

Blepharitis can cause crusting and white scales may stick to the roots of eyelashes. Your eyelid edges may become red and your eyes will feel gritty, burning, sore or itchy. If you experience these symptoms, make an appointment with your optometrist.

TREATMENT

There is a range of products designed especially for treating blepharitis, such as sterile pads, individual moist wipes and separate cleaning solutions.

As part of the treatment, you need to remove all the crusting and debris from the edge of your eyelids and from between your eyelashes. You should use a special lid cleaning product. Treatment of blepharitis is a long-term procedure. You may not see any improvement for several weeks.

Continue the treatment twice a day for at least one month, then less often as it starts to get better. You will probably need to continue to clean your lids at least twice a week to help prevent the blepharitis from returning.

Could This Be Kerry's Year?

By Nicky Barry

You just know before the game begins, how it will turn out,
Cork will open up with flair, and then there'll be a rout.
It's just the way that these things go, every second year,
For Cork come to Killarney, overcome with fear.
Not on the surface I admit, but it's there deep down,
For Kerry is their nemesis, in Killarney town.
Cork took the field with steely eyes, intent on playing well,
And they started off on fire, like red devils from hell.
Kerry were somewhat bemused, as Cork scored three early points,
Running freely through the middle, with defenders out of joint.

Kerry fans were circumspect, and just bided their time,
Until the elder Clifford star, began to run the line.
Then things began to happen, and the team began to click,
The green and gold ran riot, and improved with every kick.
The Cork keeper kept kicking long, out into mid-field,
And Ogie Moran's eldest boy, just could not believe,
How Michael Martin's young fella, could be so naive,
For David brought down every ball, launched high into the air,
And then the goals began to come, much to Cork's despair.
It was the same ole story; could this be Kerry's year?

>EK MINOR LEAGUE V BEAUFORT

Spa welcomed Beaufort on Monday evening in round 4 of the East Kerry Minor League. The evening began with a minute silence for Beaufort player Thomas Healy RIP. It was a game of goals and goal chances right from the start. Beaufort were first to find the net at the very start of the game before Spa finished 3 shots to the back of the goal at the other end. By the first half water break Spa were leading 3-3 to 1-1. More goals followed for both sides shortly after the game resumed, and by half time Spa were leading by double scores at 4-4 to 2-2. Beaufort were consistently on the attack in the third quarter and kept the Spa defence under pressure the whole time, and by the second half water break the gap was reduced to just three points, Spa still ahead at 4-7 to 4-4. Spa finished the game well and held on for the win after adding 1-3 in the final few minutes. Final score Spa 5-10 Beaufort 4-5.

Spa: Emmett Spillane, Chris Healy, Rian O'Neill, Aaron O'Connor, David O'Sullivan, Danny Coffey, Stephen Wickham, Donagh Fahy, Oran O'Neill, Timothy Moynihan, Oran Daly, Calvin O'Sullivan, Luke O'Neill, Ryan McCarthy, Cormac Walsh.

>U14 GIRLS V ISG B

Our U14 Spa girls welcomed ISG b Sunday evening. It was an absolute scorcher of a day and the heat definitely played it's part. ISG b started the stronger and took a strong lead by half time but Spa dug deep and fought back bravely and held ISG b scoreless for the third quarter.

Spa were missing a few players so some u12 and u10 players stepped up to the plate and they displayed great skill and were an immense help to our u14 girls. Spa were matching their opponents in the second half and despite the intense heat played at a very high intensity but the gap was too far to bridge and ISG b won comfortably in the end.

Final score was Spa 2-5 ISG b 8-7. Scorers for Spa were Angelina Kenny (1-3) Kirsten Kenny (1-0) Aoife O'Connell (0-1) Lara O'Neill (0-1). A special mention and a big thank you has to go to the u12 girls Aoife O'Sullivan, Kirsten Kenny, Laura Griffin and u10's Ava Brosnan, well done girls. Spa's next outing is away to St. Senans/ Finuge .Sat 31st July.

GLNFLESK

>CONDOLENCES

The late Noel Lucey

Noel Lucey, Currarglass, Glenflesk, who has died at the age of 82, had a life-long interest in sport. A native of Caragh Lake, Noel began his football life with the Glenbeigh/Glencar Club and later played with Laune Rangers and Mid-Kerry. A gentle and humble man, Noel was satisfied to allow

his sporting prowess be testimony to his talent. Noel served his country,

his county, his parish and his community as well as being an exemplary

father to his five daughters. He joined the Irish Security Forces and served

in aircraft maintenance with the Irish Air Corps. Fittingly his coffin was

draped in the Irish Tricolour and the National Anthem was poignantly

played by the Healy family both before and after the obsequies at

Glenflesk church. Noel was proud to be part of the Air Corps team which

won the All-Army Football Championship in 1961, an achievement which

captured the attention of the Kerry selectors. His physique, fitness and

competitive spirit impressed the sideline sages and led to his selection

for various Tournaments including one at Sean Treacy Park in Tipperary

Town – 'the hardest pitch in Ireland' according to Noel.

The zenith of his football career came in 1962 when he was chosen as

Kerry's centre-back for the victorious Munster and All-Ireland Finals with

his brother Jimmy at centre-field. Subsequently Noel's career took him to

London where he joined the London Football Club. During his time there

he captained the Club team which famously defeated Cork in the All-

Ireland Junior Championship of 1966. Noel returned to Kerry this time

to Gleflesk where he met and married Mary Shine. With his keen interest

in athletics he became a leader in the promotion of Community Games

in the parish. He travelled to various parts of the country as coach to

several Track and Field athletes – his five daughters showing exceptional

talents in many events. Noel's sporting interests extended to horse and

greyhound racing, and he had been eagerly anticipating the start of the

Olympic Games. As the poet Hopkins described his friend, Noel too was

'Big-boned and hardy-handsome, Powerful amongst peers'.

Noel was laid to rest at Aghadoe Cemetery on Wednesday last beside his

wife Mary. *Thanks to Pat Favier for kindly writing this tribute to Noel.*

>THE LATE BERNARD BROSNAN

We would like to offer our sympathy to The Brosnan family Knockanimirish,

on the recent death of Bernard. Bernards late father Tom, was a founding

member of Glenflesk GAA and was involved in running the club all his

life. May Bernards Gentle soul rest in peace.

COISTE NA NÓG

This Week in the Coiste na nÓg

Our GAA 4 ALL team started off the week in the glorious sunshine and had great fun playing rob the nest, doing some relaxing yoga and finished off throwing water balloons at their hard working coaches to cool down. Great fun had by all. At the same time our U13 White Team were hosting An Ghaeltacht in phase 2 of this year's county league and produced a fantastic performance to make a winning start to phase 2. Some fantastic defending for our backs and keeper kept our opponents score down and the forward players too were on top form.

On Wednesday evening our U15 Green side played Rathmore in the Division 2 Shield Final of the County League. Our U15s performed superbly in an enthralling contest that swung one way then the other with the East Kerry side coming out on top in the end. Our Milltown/Castlemaine side went behind to two early goals but fought back more than once to lead the game by the narrowest of margins heading into the final few minutes. Rathmore finished strongly and got the win but for the neutral on the night in Listry they were treated to a great evening of football action. On Thursday our U11 Boys Team were in action at home to Furies. Both of the two U11 sides performed very well on a beautiful sunny evening at Paddy Burke Memorial Park. There were some fantastic skills on show in all areas of the field, our U11 team showing fantastic progress with every game. Finally our U7 Team hosted Fossa in Milltown for their first ever home match. A fantastic morning was had by all with some brilliant skills on show. Well done to all of the players and their coaches as well as our visiting team Fossa.

JUNIOR

The fifth and final round of this year's Mid Kerry Junior League saw our junior side miss

out against Beaufort in a narrow defeat the final result reading Beaufort GAA 1-16 V 2-10 Milltown/Castlemaine GAA

A late Jamie O'Shea penalty looked set to inspire a comeback but time had just run out. Well done to our Junior side who have performed very well throughout in a very competitive Mid Kerry Junior League.

MINOR

Our Minor side had a great win to keep their good run going in the Semi Final of the Central Region against Renard / St Marys.

Our Minors controlled the game well throughout and progressed to the final courtesy of a 5-18 to 1-07 win, well done to all our minor players who are performing excellently week after week.

FOSSA BOYS U15

Lee Strand County League Shield final vs Beaufort. On Wednesday last, our U15 boys faced Beaufort in Beaufort in the U15 Div 5B Shield Final. It was a great team performance from our Fossa lads who showed great passion, strength and commitment. The game ebbed and flowed throughout with never more than a score or two between the teams - indeed the teams were level with 10/15 minutes to go. In the end, courtesy of two late goals, Beaufort ran out winners on a scoreline of 5-9 to Fossa's 3-11.

U7

Fossa u7's had their first outing of the season away to MILLTOWN Castlemaine. Played under brilliant sunshine, the fossa boys and girls showed tremendous skill and determination. This group of players can look forward to more matches in the u7 Go Games which will be commencing shortly.

CONGRATULATIONS

To Gavin White, Miceal Burns Tony Brosnan and David Shaw members of the Kerry panel who defeated Cork in Munster Final.

CREDIT UNION CO. HURLING LEAGUE DIV.

3 On Wednesday last, Dr Crokes B welcomed Duagh to Lewis Road in the penultimate round of the Credit Union County Senior Hurling League Division 3.

In a must win game for the Crokes, some fine displays of hurling were on view in blistering heat and sunshine.

Crokes dominated the early stages and led by a couple of points early on. But a Duagh goal closed the gap at the first water break.

Dr Crokes pushed on hard and a penalty won and converted by Richie Farrissey meant we went into the break 6 points in front.

Great defensive ability was shown by Crokes in the heat, with Shane Kavanagh, Owen Hayes, Joe Keogh and the returning from injury Stephen Foley all stepping up to the mark when needed for the home side.

But at this level games can turn around quickly and another Duagh goal meant we held a 1 point lead after the third quarter.

Substitute's Jamie Linehan and Ivan Hurley added to the fire power and eventually we pushed on to a 3 point advantage heading for the 60 minute mark.

Lee Strand County League Shield final vs Beaufort.

2 late Duagh points led to a nervy finish but we came out victorious on a scoreline of 1-15 to 2-11.

This leaves Dr Crokes in a strong position heading into the final round of games and a win away to Abbeydorney next Wednesday evening would mean a league final meeting with Crotta O Neills for our Juniors.

SUNDAY next in Austin Stack Park we play Abbeydorney in the opening round of Co. Senior Hurling Championship@ 2.30pm.

COISTE NA OG ACADEMY

Saturday was the last day at the Academy for the next four weeks. We will be back in late August. By common consent we had a great outcome since we made our return. KNOW YOUR RIGHTS

INHERITANCE RIGHTS OF COHABITING COUPLES

Question: *My partner and I have two young children together. We live together but we are not married and haven't got around to making our wills. If something happened to one of us, would we automatically be entitled to each other's estate?*

Answer: *It is important for you and your partner to discuss the matter of inheritance sooner rather than later. Because you are not married, neither of you is automatically entitled to inherit anything from the other. If your partner dies without a will, you have no right to any share of their estate no matter how long you have been together. So, for example, if you live with your partner but they own the house, you could be left in very difficult circumstances if they were to die unexpectedly.*

If you own items jointly, these automatically pass to you and are not part of your partner's estate. However, you might need to pay Capital Acquisitions Tax if the inheritance is above a certain threshold or value.

If your partner has not made a will or has not provided for you, you may be able to apply to the courts to provide for you from your partner's estate. This is known as the redress scheme for cohabiting couples. If you get redress by a court under this scheme, you may be exempt from paying Capital Acquisition Tax.

However, making a will can ensure that proper arrangements are made for you and your dependants and that any property is distributed in the way you both wish, subject to certain rights of spouses and children. Tax planning advice can help reduce or minimise the amount of tax your partner or family must pay. A solicitor can help you draft a will or you can draft one yourself.

You can read more about inheritance rights of cohabiting couples on citizensinformation.ie

He was the welcoming face that greets so many arriving to Rathmores sports complex and the person who makes sure everything is ready for them. Tony first came to prominence as a brilliant underage player in the early 1970s when organised underage football was in its infancy in the County. A County medal at Under 14 in 1973 when he lined out at midfield, showed his great potential. He burst on the scene at senior level in 1978 when he won his first O Donoghue Cup medal. He was corner forward playing alongside the great John Saunders. This was the summer Argentina won the World Cup, with Mario Kempes being top scorer. Tony was Rathmores' Kempes with flowing long hair, head-band and the deadly left leg. Unfortunately, Tony's football was then badly hampered by asthma. This meant that often he was not able to play full games. However, it did not stop him making an impression, which was best exemplified in the O Donoghue Cup final in 1984. Tony came on as a substitute 10 minutes into the second half. He scored the crucial goal, winning his second medal. He also annexed the Man of the Match award! Off the field, Tony has been Development Officer in Rathmore for many years and at a time when massive development happened in the Club. He oversees the 3 pitches as if they were his own and is the man that most teams meet first when they come to Rathbeg. Whether it is senior teams, school teams, ladies teams or underage teams, Tony greets all with a smile and treats all with respect.

Over the last 3 years, Rathmore has been the home venue for East Kerry U21 and Minor teams, for Championship and challenge matches. Tony has gone above and beyond the call of duty to look after them at all times. With Tony's co-operation the East Kerry Minors won three county championships in a row. He made sure that everything needed was ready and in immaculate condition, including pitch, practice area, showers, flood lights, kitchen facilities or meeting rooms. A quick phone call to Tony is all that is needed for everything to be arranged.

After hanging up his boots, Tony became interested in quiz. He was, and indeed still is, part of Rathmore Quiz team. In total he won 6 All Ireland titles in Question Time, three in Scor and three in Seachtain na Gaeilge.

Tony demonstrated his versatility, and willingness to do anything for his Club, when he took to the stage at the INEC in a club fundraiser – Strictly Hollywood. Demonstrating a nimbleness of foot reminiscent of his playing days, he dazzled the audience with his dance partner Mary Kelleher as they waltzed around the iconic venue. He also participated fully in the social events that accompanied Strictly!

In his family life, Tony has had to overcome the tragic loss of his wife Sheila when the children were very young. Those 3 children, Marie, Tadhg and Donal are now following in his footsteps playing an active role as players and officers in Rathmore GAA and LGFA clubs.

Tony is one of life's true gentlemen and a most worthy recipient of the 2018 person of the year award. East Kerry GAA thank him and served vice chairman with his beloved GAA club Rathmore since 2019, which he continued to

his death on Sunday last during Munster Final in Killarney. Tony would have been there only for his health and be proud to see Rathmore man Paul Murphy receive the Munster Cup. Having enjoyed Kerry's great display in Munster final it was with great sadness that we later learnt of the untimely passing of Tony. Tony was a member of Kerry GAA Supporters Club which he travelled for many years with the Kerry supporters and his company was enjoyed by all. We extend sympathy to his family daughter Marie, sons Tadhg and Donal & extend families and Rathmore GAA friends and neighbours.

SENIOR LADIES

The Legion Senior Ladies continued their Donal Curtin Cup with a home game to Laune Rangers. It was a dry evening for football. Laune Rangers started off the better side playing a sweeper in the back line. They converted scores very quickly and at half time the Legion Ladies were down by 2-05. Our goalie made fantastic saves which brought the Legion Ladies momentum

up. In the second half the Legion Ladies looked like a brand new team. Their possession of the ball improved immensely and they started to rack up scores. The back line tightened and put pressure on the ball. These turnovers allowed the midfield to run the ball up the pitch creating chances for the forwards. The ladies looked like they had turned the game around but the second half was too short and the whistle blew with a score line of 4-11 to 4-09 in Laune Rangers favour. The Legion Ladies never gave up and showed great determination which is a great attribute for a team to have!

Thank you to Laune Rangers for making the trip to Direen. Thank you to everyone who came out to support the ladies.

U-12 GIRLS

Our U-12 Girls 'white' team had their first outing in Co League on Monday evening. We made the trip south over the mountains to take on Inbheir Scéine Gaels in Kenmare. These two teams know each other well having met twice already on the South Kerry League. A draw and a narrow win for the Legion was the form heading into this evening's match.

The spoils went to the home team despite a spirited performance from a young Legion side. Well done to all the girls playing, No doubt we will meet ISG again in the future for yet another contest.

U-9 GO GAMES

Stars of the Future. A Superb evening was had in Direen, where we hosted Killcummin in glorious sunshine in the Under 9 go games. Great to see the efforts of Saturday morning academy coming to the fore. Well done to all the Coaches. Thank you to all Kilcummin GAA Club for the Go Games.

SPARKLING KERRY BLOW CORK AWAY

Munster Final: Kerry 4-22 Cork 1-9

BY: JIMMY O'SULLIVAN DARCY

I was reasonably confident going into this one (only in a metaphorical sense; I was one of the very many people who wasn't lucky enough to get one of the 2500 tickets. I thought I had a Golden Ticket, but apparently it was given to some ragamuffin named Charlie instead. Yeah, I'll remember that, Willy Wonka!)

I'm okay with that, as long as the game was available to me on terrestrial tv and, credit to RTE, they provided good coverage of both games on Sunday. Mayo and Galway made for an intriguing, almost mystifying, precursor – a rampant Galway seemed to fold up completely once their midfield bubble was comprehensively burst. I don't think I've seen it happen in that dramatic a fashion before.....I've seen it happen more dramatically since.

Munster Final. Cork v Kerry in Killarney. I'm not joking when I can almost catch the powerful smell of cheese and onion taytoes from my childhood. Me tugging on my brother's leg, asking him what the score is. Four foot him having no better a view among all the standing adults than three foot me, but well able to bluff sagacity (it's an older brother artform all over the world), he would make something up, knowing that Kerry had to be in front or baby brother would throw a tantrum. It was always sunny in those halcyon days and Kerry always won (in my memory) and we would almost be half asleep as we walked out to where we were parked on the Park Road (no bypass back then). I didn't even bother going to Pairc Uí Caoimh for Munster Finals; sure didn't Frodo have enough trouble getting through Mordor, why would you be facing into Cork?

I was some eejit of a small fella, to be fair about it. I'm older now, and I pretend to be wiser, but there's always a small bit of that small boy peeking out, only able to really catch small pieces of the action and stringing it together in my imagination as a cataclysmic saga where the good guys (green and gold) triumphed over whatever limited understanding of evil (you couldn't meet better people outside of Cork, but I'd never let them know that!) I possessed.

Win or lose, you could hardly have happier days out in an Irish summer, although of course it's better

when we win. And so, even though it's switching on a television set (I'm sorry, but I have no interest in pre-match analysis by television pundits; I'm not that limited) rather than walking in the Lewis Rd. entrance. It's a funny thing for a self-confessed agnostic, but I'm superstitious about the Munster Final – on the very rare days when I'm parked in the High Street Car Park, I'll walk around rather than go in through D'Altons Avenue – no offence intended to the great Cardinal!

I'm nervous. I previewed this (see last week's column if you are really that bored) and nearly all the match-ups fell Kerry's way. But I'm still jittery. It's Munster Final; I'd be worried even more if I wasn't worried about it.

FIRST QUARTER

Not good. Ducks and drakes with the team selection; it speaks of fear and distrust to me. Michael Hurley with a class point straight away. Seán O'Shea goes for a goal chance that was closed down well before he got a shot off, David can't quite fist the rebound. Luke Connolly with a wide, he's the forward I most fear if he gets into his stride. Hurley with his second, he's on fire here. Mike Breen with a wide – Breen is already an impressively solid presence. Paudie Clifford, lightning in a bottle, is already sparking and he sets up his brother but Micheál Aodh Martin makes a good save. A safe pair of hands – I'll forbear on political jokes; it wouldn't be fair. David is being very well marked by Seán Meehan; you have to admire that kind of quality. Early days, though!

Dan Dineen with a mark and a score. Too easy. I remember him from his Baile Mhuirne days with Mickey Ned and Dan O'Donoghue; you can't let this guy get room to run with it. A foul on Paudie Clifford finally sees Seán O'Shea get Kerry off the mark. Both defences are struggling against direct runners. Gavin White snaffles up the breaking ball on the Cork kick-out and Paul Geaney fires over. More like it. Cork with a wide and then points by Hurley again and Brian Hartnett, a strong presence but, respectfully, not an innovative footballer. Tom O'Sullivan, quite happy to mark his man inside the Cork defence after he goes back there, is perfectly positioned to pick off a point with the consummate ease of a master. Brian Hurley with Cork's fourth wide. Is it just me, or is their early momentum

starting to falter? Whist! Don't be jinxing it! Disaster. Paul Murphy turned over in their half, Ruairi Deane straight to Ian Maguire and then straight into Brian Hurley, who turns inside a hapless Jason Foley and calmly slots home. Direct and profitable football, teams facing Kerry will salivate when they see that replayed. An irrepressible and unruffled Paudie Clifford hits a good Kerry score to close the quarter out, 1-5 to 0-4. We are in trouble.

SECOND QUARTER

Killian Spillane is already on for Diarmuid O'Connor, injured while being bundled over the sideline. Nothing dirty in it, both sides are playing clean football. Jack Barry is relishing the physical contests in midfield, while David Moran is awesome. Brian Hurley is cheerfully making hay, though. The truth is that Jason Foley is struggling at full back. Hurley senior puts five points between the sides.

Yerra, calm down. Have another sup of tea. Kerry are only hitting stride. Moran – half the county were writing him off before this championship started, as bad as I am, I was never that daft – strokes over calmly. Stephenn O'Brien, another dynamo around the pitch, is narrowly wide but the untouchable Paudie Clifford splits the posts and, after Brian Ó Beaglaíoch adroitly clears his lines, Tom O'Sullivan hits another. Jack Barry coolly brings us level, showing the composure that I always thought was maybe the one small thing lacking in him in earlier days. Paul Geaney draws another good save out of Micheál Aodh Martin. John O'Rourke hits the post, Cork were a bit unlucky on that attack. Seán O'Shea with his left leg. Kerry win the kick-out (both keepers are poor on kick-outs, to be honest).

Seán gathers from David and fires over with his right leg.

Cork with a poor wide. Luke Connolly picks off a point, but they are definitely beginning to stagger. Kerry's midfield dominance has drawn them out and nullified their earlier attacking press. Kerry, on the other hand, are accelerating. Brain Ó Beaglaich is on the end of a move that slices Cork open. Will you for the sake of my sanity just pop it over the bar, you.....oh, great goal. Well done. 1-10 to 1-7.

Both sides left chances behind them now (Cork hit the post again – they were starting to snatch at half chances) but Killian Spillane and Seán O'Shea inflicted further wounds on Cork before referee Barry Cassidy brought the first half to a close.

HALF-TIME KERRY 1-12 CORK 1-7

Agus sin deireadh suim an sceál. No interest or intrigue left in this story. We didn't know it yet, but it was already all over as a contest. Kerry had absorbed Cork's impressive Plan A, and like Bond villains in the earlier movies, they didn't have a Plan B. The second half was just minutes old when Sean O'Shea went on a great run before offloading to Paul Geaney. I never liked Paul Geaney on the wing, even as a decoy, he is the best at what he does, and that is rattling the net. 2-12 to 1-7, Cork hopes rapidly receding. Paudie Clifford stumbled while bearing down on goal but instantly recovered to fist over. Jack Barry picked off his second point. David Moran was lording the midfield skies and Cork were visibly reeling under a relentless onslaught. Paudie Clifford to Seán O'Shea to the net. David Moran broke the knockout to Gavin White, quick ball on to Seán O'Shea, and neatly across for Paul Geaney to finish. 4-14 to 1-7. There is a deepening sense of inevitability about it all. Should gaelic football managers be allowed to throw in the towel? Honestly, I think sometimes the answer should simply be 'yes'. Kerry were so far ahead and so comfortably in control that, quite honestly, I wasn't enjoying it, contrarian as that seems. I have too much respect for Cork. It's too much like a slaughter of the innocents now.

Cork hurl everything they have at the Kerry defence; it isn't enough. Their best chance falls to the previously pre-eminent Brian Hurley, but Brian Ó Beaglaioch blocks it full length. Kerry are simply far too good at either end of the field. As if to emphasize the point, Tommy Walsh wins a free for Seán O'Shea to slot over.

I know, I'm a creature of caprice and whimsy. Before the throw-in this is exactly what I wanted. But now the water break is a welcome pause.

FOURTH QUARTER

The fourth quarter brings a parody of hope for Cork as Ian Maguire, outclassed all day but still standing defiantly (and I like him for it) finally scores for Cork, their first point in 27 minutes. In the interim Kerry have scored 3-5, all bar 0-1 from play. As if to demonstrate the point, Paudie Clifford wins the Kerry kick-out and sends it direct to Tommy Walsh, who draws the inevitable foul. David Clifford steps up to score his first point of the day. Does that worry anyone? It shouldn't. We've known for a while what David Clifford can bring against the top teams. I had no questions about his ability coming into this game and I still have none going forward. The likes of Meehan is a one-on-defender of rare quality, one who doesn't need the blanket defence.

It's a procession, not a contest. Gavin White to Stephen O'Brien. A resigned Mark White kicks it out. Micheál Aodh Martin had to depart at half-

time with a bad back; a few Cork players might secretly envy him. The hits keep on coming, with Kerry's subs as lively as their starters and determined to stake a stronger claim. Ian Maguire has a goal chance quickly snuffed out. Sean O'Shea slots a free, to me David Clifford was quite clearly fouled inside the square but arrah, it isn't even worth an argument. It's that sort of day. Tadhg Morley has time to get in on the scoring act, Kerry's 13th scorer from play. Killian Spillane closed out a victory that was better than anyone really suspected.

That said, the hype machine is gone beyond embarrassing. We are now the bookies favourites for the All Ireland – based on hammering a team that had to survive a relegation play-off to stay in Division Two. Tyrone and Monaghan face off in the Ulster Final next week, and Kerry will meet the winners. I expect it to be Tyroberne – Monaghan have individual brilliance and immense physical strength (Jason McGahan is closing the gap on Dublin, Mayo, and the Ulster counties, we could never stay toe to toe physically for seventy plus minutes with them before, even though we could always just about outshoot Mayo). Tyrone are a more cohesive side, in my opinion, and are now more fluid and less rigidly structured in attack. But the team that have won a record six All Irelands on the trot are coming up far too easily under the radar. Quite honestly, I'm not particularly trying to dampen down expectations, but anyone who thinks Kerry are the likeliest team to win this All Ireland needs to get out of the sun for a while. Compare the physical strength of our defenders to their forwards – who are you putting in the path of a marauding Kilkenny or O'Callaghan? For that matter, every team knows that if you run straight at Kerry, you are likely to reap dividends. Yes, the glass is three quarters full, even for a pessimist for myself, but Kerry supporters would want to get their feet back on the ground. I haven't seen us topple any redwoods yet. One thing that was lovely to see was the injured Seán O'Leary being drawn into the celebrations. Don't mind All Ireland medals; Kerry football lives and breathes in moments like that.

takes a look at all things sport...

TONY MOYNIHAN, RIP

God rest him. Tony was unbelievably clever (I have no idea how many All Ireland Scór quizzes he won), unbelievably dedicated to the Rathmore community – and make no mistake, I'm not a Rathmore man myself but he always helped me in a thousand ways and everybody else along with it - but most especially he was a gentleman to his very core. I don't think I was ever at a match in Rathbeg, be it senior, junior, juvenile, ladies, colleges, community games.... you name it, Tony was a key part of making it happen, and always with a smile and a welcome. Victory or defeat meant nothing to him, his pride in his parish and his people ran far too deep for such trivialities. I have been lucky to walk among giants in my life. Tony Moynihan stood at least as tall as any of them. May he rest in peace.

2020 KERRY MINORS

Congratulations to Dara O'Callaghan, Oisín Maunsell, Paudie O'Leary, and Keith Evans on making the Electric Ireland 2020 Minor Team of the Year. All four are there on merit, but I would query the absence of at least one player from the full back line and one from the full forward line. Nonetheless it is recognition that Kerry's development line is in full flow and these players' futures, as well as Kerry's in general, will be bright.

The full team is Kian McGonigle (Derry), Liam Kelly (Meath), Lee Brady (Derry), Dara O'Callaghan (Kerry), Oisín Maunsell (Kerry), Eoin McEvoy (Derry), Cathal Ryan (Offaly), Conor Eccles (Monaghan), Paudie O'Leary (Kerry), Mark Doherty (Derry), Matthew Downey (Derry), Keith Evans (Kerry), Conor Hand (Roscommon), Lachlan Murray (Derry), Eoghan Frayne (Meath)

2021 KERRY MINORS

They do say that God never closes a door without opening a window (easy to tell that He can control the weather, isn't it?). The 2020 Kerry minors are barely finished and the 2021 minors are springing into action. They face Cork this Friday at 7.30pm in Pairc Uí Caoimh in a knock-out Munster semi-final. Your guess as to the Kerry line-out is probably better than mine. The Kerry GAA Forum (one of the best of its kind) has it that they have beaten Galway, Mayo, and Sligo but lost to a physically strong Meath – naturally, I can't confirm any of that.

Kerry Minor Panel 2021: Kieran McCaskey (Finuge), Jack O'Donoghue (Glenflesk), Eddie McCarthy (Churchill), Ryan Diggin (Laune Rangers), Cian Lynch (Glenflesk), Rian Collieran (Fossa), Dara O'Callaghan (Kilcummin, capt.), Adam Segal (Ballyduff), Jack Clifford (St. Michaels/Foilmore), Rob Monaghan (Ardfert), Rory Mahoney (St Senans), Luke Crowley (Glenflesk), John Kelliher (Glenflesk), Cormac Dillon (Duagh), Eoghan Hassett (Laune Rangers), Dylan Roche (Glenflesk) Mikey Moriarty (Beaufort), Aodhán O'Neill (Renard), Charlie Keating (Dr Crokes), Raymond O'Neill (Carrow), Cormac Kennedy (Lispole), Sean O'Connor (Na Gaeil), Mike Dennehy (Rathmore), Jack Doyle (Na Gaeil), Jack O'Keefe (Moyvane), Aidan Crowley (Templenoe), Shane Evans (Keel), Donal Daly (Ballymacelligott), Darragh O'Connor (Kerins O Rahillys), Darragh Conway (Finuge), Liam Evans (Keel), Cathal Brosnan (Carrow), Robert Stack (Beale)

KERRY LADIES

*All Ireland Championship:
Donegal 2-13 Kerry 2-9*

It wasn't any secret that Kerry absolutely had to win if they were to qualify, and in fairness they gave it absolutely everything against a good Donegal side. The Tyrconnell outfit took a two point lead but Hannah O'Donoghue and Louise Ní Muircheartaigh quickly brought it to level pegging. Geraldine McLaughlin and Louise Galvin traded scores but Kerry took over for a brief spell, Hannah with two fantastic points plus Niamh Carmody and Louise on target as opposed to a McLaughlin score (Geraldine, in fairness, was already giving an awesome display, credit where due). Her sister Niamh joined her in the scoring act before Geraldine struck for the goal that put Donegal ahead 1-5 to 0-7. That was a hammer blow that had Kerry reeling and before they could recover, Donegal lightning had defied the old saying by striking twice as Katy Herron found the net. They even had time for wonder woman Geraldine to stroke over another free. Half-time Donegal 2-6 Kerry 0-7

It got a lot worse before it could get better, with Donegal pointing the first three scores of the second half. Louise Ní Muircheartaigh, as always, gave us hope with a cracking goal before swapping points with McLaughlin. Donegal restored the six point gap, 2-11 to 1-8, just before the water break. A Niamh Carmody goal fired Kerry up on the restart and Louise nailed a free. However, Donegal rallied to hit the last two points and take the win.

Kerry now have to face Tipperary in a relegation play-off.

Kerry: Ciara Butler, Ciara Murphy, Aislinn Desmond, Julie O'Sullivan, Aishling O'Connell (1-0), Kayleigh Cronin, Cáit Lynch, Lorraine Scanlon, Niamh Carmody (0-1), Mary O'Connell, Caoimhe Evans, Louise Galvin (0-1), Danielle O'Leary, Hannah O'Donoghue (0-3), Louise Ní Muircheartaigh (1-4, 3f). Subs: Emma Dineen (for Caoimhe Evans, half-time), Anna Galvin (for Danielle O'Leary, 38 mins), Ciara O'Brien (for Ciara Murphy, 45 mins), Niamh Ní Chonchuir (for Hannah O'Donoghue, 49 mins), Rachel Dwyer (for Mary O'Connell, 54 mins).

MINORS BOOK MUNSTER FINAL SPOT AT SECOND ATTEMPT

*Munster Minor Ladies Semi-Final:
Kerry 3-11 Tipperary 2-10*

A superb start that saw Lisa Slattery hit a rapid 1-2 helped Kerry into a 1-3 to 0-1 lead. However, midfield dominance saw Tipperary score the next five points to draw level. Sarah Fitzgerald slotted a penalty won by the outstanding Slattery. Fitzgerald added two points from play. Tipperary goaled just before half-time to make it 2-6 to 1-6 in Kerry's favour.

Lisa Slattery pushed the gap to four points as Kerry pressed on Tipperary's short kick-outs. Clodagh Daly and Sarah Fitzgerald swapped points. Two points for Tipperary trimmed the gap but Seodhla Horgan replied for the Kingdom. 2-9 to 1-9. A Laurie O'Connor goal just after the water break put distance between the teams. Tipperary goalkeeper Caoileann Grogan brilliantly saved Sarah Fitzgerald's penalty at the expense of a point. Ellen Ryan scored a superb late goal for Tipperary but Lisa Slattery fittingly sealed victory with the final score of the day.

CAMOGIE

*All Ireland Championship Round 1:
Kerry 1-11 Tipperary 0-11*

The Munster Junior Champions were always going to be underdogs against the Intermediate Champions, despite beating them in the National League. Strong support and an immaculate Lixnaw pitch helped Kerry, but most

Geraldine McLaughlin of Donegal in action against Kayleigh Cronin and Ciara Murphy of Kerry during the TG4 All-Ireland Senior Ladies Football Championship Group 4 Round 3 match between Donegal and Kerry at Tuam Stadium in Galway.

PHOTO: MATT BROWNE/SPORTSFILE

of all they showed greater hunger when it was on the line. Tipperary led by 0-2 to 0-1 after a low-scoring first quarter. Ian Brick had moved Patrice Diggin onto Tipperary's main player Jenny Grace and they nullified each other in play thanks to a tigerishly tight display by Patrice (they shared 0-9 in frees). Patrice (3f), Annmarie Leen, and Aoife Behan had Kerry ahead by 0-5 to 0-4 at half-time on a day when every score was hard-fought for. Niamh Leen at full back gave an absolute masterclass, while every Kerry player played out of their skins.

In the second half Tipperary drew level but were hit by a hammer blow when Jackie Horgan latched onto a long ball from Patrice and fired home the only goal of the game. With points from Annmarie Leen, Killarney's Kate Lynch (2), Jackie (f), Patrice (f) and minor star Amy O'Sullivan, it was enough to see Kerry bag a precious two points.

It doesn't get any easier – next Saturday at 5.00pm Kerry travel again to Lixnaw to face Derry. Despite the long journey down, the Ulster side, bolstered by their Slaughtneil contingent, will travel as favourites.

Kerry: Aoife Fitzgerald, Elaine Ryall, Niamh Leen, Rachel McCarthy, Patrice Diggin (0-4, 4f), Sara Murphy, Áine O'Connor, Aoife Behan (0-1), Kate Lynch (0-2), Annmarie Leen (0-2), Laura Collins, Jessica Fitzell, Bríd Horan, Jackie Horgan (1-1, 1f), Caoimhe Spillane. Subs Jessica Fitzell, Edel Slattery. Subs Amy O'Sullivan 0-1 (for Bríd Horan, 36 mins), Edel Slattery (for Jessica Fitzell, 45 mins), Katie Leahy (for Aoife Behan, 51 mins) Minor Camogie: Kerry Tipperary

BASKETBALL

Congratulations to James Weldon and the Irish Ladies Basketball Team, who took silver in the FIBA European Championship for Small Countries. They trailed Kosovo 26-18 after just ten minutes but strong team play, ironclad discipline, and superb shooting by Fiona O'Dwyer (20), SORCHA TIERNAN (19), DAYNA FINN (14), CLAIRE MLIA

(13), Rachel Huisjdens (20) and Gráine Dwyer (6) saw Ireland take over completely to win by 86-72. They lost out by 69-59 to Luxembourg in the final, but considering that it isn't that long ago that Ireland couldn't afford to field international teams, it shows how far Ireland have come and how much work James and the players have put in along the way. Hopefully that's a benchmark for this week and the underage teams. St. Mary's Castleisland's Paris McCarthy lines out with the Irish U18 team who face Lithuania, Czech Republic, Hungary, Turkey, and Serbia in the European U18 Championships this week.

St. Paul's Killarney's Leah McMahon is Vice-Captain of the Irish U16 team who face Slovakia, Israel, Switzerland, Romania and Luxembourg in the Diplomat Arena in Piestany, Slovakia, in the U16 FIBA European Challenge Tournament.

RUGBY

Kate O'Donoghue Selected for Munster

Womens' sports have been showing a huge increase in participation numbers over the past fifteen years, and rugby is a leading light in that area. Kerry rugby has stepped up to the plate with it's ladies' team breaking new boundaries. Killarney rugby has a long and proud history going back to Dr. Billy O'Sullivan (the kindest man with the gruffest voice I ever met) and his father, also Dr. Bill, both of whom were capped for Ireland. MacGillycuddy of the Reeks, factor to the Kenmare's, was a noted rugby player on the famous Cricket Field which later took over from the Old Fossa Pitch as the cradle of Kerry football.

This week Killarney rugby club broke new ground with the news that Kate O'Donoghue has become the first female player from the club to be selected for Munster for the upcoming U18 Inter-Provincial Tournament. This doesn't come as any surprise to anyone who has seen the back rower in action and I confidently expect it to be the first of many.

LIONS TOUR

Hmmm. Is it just me, or is it all a bit of a damp squib? The Lions Tour was meant to get rugby up and running, bigger and brighter than ever, but unfortunately (albeit far too predictably) the amount of positive covid tests in a country that has struggled massively to contain the deadly virus completely overshadowed everything else. Last weekend the Lions finally meant the Springboks, and it was surpassed by other sporting events in the public consciousness. The Lions started very poorly and went nine points down. The truth is that it was a disjointed performance, big hits followed up with poor play and cheap penalties coughed up. South Africa weren't playing well at all, and were still the best side on the pitch.

The Lions rallied, and you can throw all the hyperbole at it that you want, but this was bish-bash rugby. Itoje and Conan were the main men – Itoje is simply unreal at this kind of game. He's not even that big, he just has a core of steel and a pure focus that makes the likes of O'Connell or Sexton look like dilettantes.

GOLF

Child prodigy Leona Maguire from Cavan has really stepped to a new level on the LPGA and her sixth place finish in the Amundi Evian Championship after a record-equalling 61 (male or female) final round. She pocketed a nice \$124,938 for her trouble and, more importantly, has surely cemented a place on Ireland's Sondheim Cup team. With Stephanie Meadow tied for 29th, a huge boost in terms of keeping her tour card for next year, and with both these players in good form heading off to Tokyo, it bodes well for them surpassing Rory McIlroy and Shane Lowry in representing Ireland in the Olympics. Mind you, I can't let it pass without saying how much I disapprove of professionals competing at the Olympics in any sport. Let the amateurs shine once every four years, as was originally intended. Well, to be fair, Frenchman Pierre de Coubertin actually founded the modern Olympics because he could see a European War looming on the horizon (France and Germany were involved in serious border disputes long before young Winston Churchill predicted that the wars of nations would be worse than the wars of kings. De Coubertin thought the young men of his day were soft compared to their forebears. Funny how so many history books gloss over that! Ah well, I digress....

PITCH AND PUTT

Congratulations to Tralee's Ella Moynihan on winning the National Girls Strokeplay Championship. Ella is the first Kerry girl to win a National Singles title and the third player from her club to do so, following Aidan Walsh (1987) and Ronan Walshe (1992). Ella was runner-up in this event last year.

In the Boys Championship, Deerpark's Robbie Hartnett and Brian McCarthy lost out in their respective semi-finals.

Best of luck to Deerpark's Damien Fleming, who is seeded third at this year's Adult Strokeplay Championships in Ryston, Newbridge. Damien has twice won this title.

Killarney Valley AC's Sarah Leahy with gold medals for 100m and 200m.

As the Irish Championships will not feature races for U16s this year, the O'Briensbridge event will offer 1000m races for J14, J15 and J16 rowers. The Cork Regatta takes place next Saturday, August 7 at the National Rowing Centre.

OLYMPICS

By now we will know the fate of our Olympic rowers with finals drawing to a close this Friday. Ahead of this weekend, all six Irish crews reached their semi-finals meaning a top 12 finish at least for all Irish boats. Hopefully by this weekend, we will be celebrating a medal – or maybe a few! In particular, the club would like to congratulate Aileen Crowley and Monika Dukarska who raced in their heat and repechage to qualify for Wednesday's semi-final. No doubt there will be many tired eyes this weekend with Kerry rowing fans getting up in the early hours to catch all the racing from Japan.

KILLARNEY VALLEY ATHLETIC

The Killarney Valley AC Sprint Squad were blazing up the tracks yet again in Templemore Track last Saturday at the Munster U20 & U23 Championships. Sarah Leahy claimed double gold medals in the U23 100m and 200m. Melissa Ahern achieved beyond her age in placing 5th in the U20 100m final with 13.07 secs. Conor Gammell got a massive PB of 23.04 in the U20 200m final.

Best of Luck to all our athletes competing at the County Juvenile Championships in Castleisland next Sunday and Monday.

We will be taking a break from all training for the month of August to give our hard working and committed coaches a rest. Only those that will be competing at the National Championships will continue to train. We will notify you all by email as to when we will be resuming at the end of August.

Email: killarneyvalleyac@gmail.com for any queries.

Please keep an eye on your emails and also check our facebook/instagram page for any updated information on training.

REPORTS

EA SPORTS 14'S LEAGUE OF IRELAND

14's make Cork City battle hard for the win.

Cork City 14's are one of the favourites to take the over EA Sport League of Ireland title but in this game, played in the scorching heat in Mayfield, Kerry made them fight all the way before they scored 2 late goals to put a gloss on the win.

Kerry's defence did very well but the home side did take the lead in the 28th minute and got a second just after the break. Kerry again battled hard looking to get one back. However in the heat they did tire as expected and Cork City got the two late goals inside the last 8 minutes.

Kerry goalkeeper Brian Dineen made a number of top saves including one from a Cork penalty.

GIRLS REPORTS

12'S GIRLS GROUP GOES DOWN TO LAST GAME

With the top two from the Group stage progressing to the 12's Girls Final the competition when down to the last game to decide who those two teams were.

Following the 0-0 draw between Listowel Celtic and Camp Juniors the table saw Listowel Celtic lead the way with 10 points from 4 games followed by Camp Juniors with 10 from their 5 games and St Brendan's Park with 9 points from their 4 games.

The final game on Saturday saw St Brendan's Park welcome Listowel Celtic to Christy Leahy Park and again there was nothing between the sides. Alannah Crossan scored for St Brendan's Park with Laura Meehan getting the Listowel Celtic goal.

This result means that Listowel Celtic and Camp Juniors will contest the final with the Park just missing out on goal difference but they can also be very proud of their efforts.

Camp remains unbeaten to take 13 Shield final: Camp Juniors came into the 13 Girls Shield Final unbeaten and having inflicted the only loss in the Group that their opponents Killarney Celtic White suffered. Another very tight and exciting encounter was expected at Christy Leahy Park and so it proved.

Killarney Celtic took the lead in the 16th minute thanks to an Ella O'Connor goal and they remained 1-0 up at the break. But in the second half Camp Juniors led by Miriam Sheehan began

Ballyhar Dynamos u13s who were defeated by castleisland FC in the schoolboy u13 summer plate final. Back row left to right Sean Brosnan, Conrad Long, Jonathan Galvin, Eoin O Mahony, Anthony Cremin, Ross Lally, Jamie Quirke & Davin Quilter. From Row left to right Cathal O Regan, Nevan Lyne, John Henderson, Tom Costello, Jamie Fleming & Conor O Regan. Missing on the day Daniel Gleeson & Jayden Foley. Thanks to the coaches who have managed this group of players over the past number of years.

to exert control and she scored twice in the 34th and 48th minutes to give her side the lead.

Killarney Celtic battled hard to find an equaliser but Camp Juniors held on to take their first Girls title, having been runners up in a number of finals, much to the delight of the squad, coaches and supporters who made the trip into Tralee.

Inter just see off rivals Celtic to take 15's Girls

CUP

Inter Kenmare and Killarney Celtic 15's have had some great battles as they came up through the ages. In the preliminary stages of this competition they played out a 5 goal thriller with Inter just taking the win 3-2.

Inter hosted this final in Kenmare (Celtic Park will be the venue for the 16's Girls final between the same two clubs) and as expected there was nothing between the sides.

Lauren O'Shea put the home side 1-0 up before the break but Abbie Finnan equalised for Killarney Celtic in the second half. Thought were beginning to turn towards extra time but in the 75th minute Tara Desmond had other ideas. She went on a solo run and unleashed an unstoppable shot past the Celtic keeper to give Inter Kenmare the Cup.

PARK SCORE IN EACH HALF TO DEFEAT DBR IN THE 15'S GIRLS SHIELD:

Hosted by Camp Juniors on a very warm Thursday night St Brendan's Park and Dingle Bay Rovers were involved in another cracking girls final in front of a great crowd of family members who certainly added to the atmosphere.

In a game where both defences were very hard to break down St Brendan's Park took the lead through Priya O'Donovan just before the much needed water break.

Dingle Bay Rovers tried very hard to get back on level terms but the Park held out and just after the second half water break Faye O'Neill made it 2-0 when she latched onto a long ball after the Park's defence were under some pressure.

There was no way back for a gallant Dingle Bay side and St Brendan's Park added another trophy to a growing collection of girls wins.

BOYS REPORTS

Castleisland win Plate Final defeating Ballyhar Dynamos

Castleisland and Ballyhar Dynamos met in the u13 Boys Plate final played at Kilbreen Park, the home of Mastergeeha. Goals from Sean Sullivan 2, Kyle Buckley 2, Ben Brosnan, Eoghan Joy and Jack Foley saw Castleisland take the win. Conrad Long and John Henderson were on the mark for Ballyhar Dynamos.

KILLARNEY ATHLETIC JOIN MEK GALAXY IN THE 13 BOYS CUP FINAL:

This was a very tight semi-final with Szymon Jasinski putting Killarney Athletic 1-0 up in the 17th minute and it remained that way at the break. Szymon got his and Athletic's second in the 45th to put them in control but the Park were not going to give up and they pulled one back 5 minutes later through Magic Kublik. But Athletic held on and will face MEK Galaxy in the final.

GIRLS

U13 Cup Final - Killarney Celtic Green 3, Listowel Celtic 1 After Extra Time.

Emma Daly 3. Despite creating many chances this final was still 0-0 at full time. However in the 1st period of extra time a hat trick by Emma Daly gave Killarney the edge. Listowel pulled a goal back but great goalkeeping and defending ensured that the Green team closed out their season with a trophy. Well done to the players and coaches on a fantastic win.

U13 SHIELD FINAL

Killarney Celtic White 1, Camp 2 Ella O Connor.

The White team put in a great effort but just came up short against Camp.

GREYHOUND BAR SHIELD FINAL

MASTERGEEHA FC 2 - 0 FERRY RANGERS

In the Kerry District League inaugural summer competition, Mastergeeha seniors emerged victorious after an excellent performance over North Kerry side. The seniors started well with midfield dominating and driving the team forward. In the first quarter James Nagle was unlucky not to score when Paul O'Riordan crossed. However, in the 25th minute James gave Mastergeeha the lead when he combined with Philip O'Leary to finish well. Mastergeeha task was made more difficulty when they were reduced to 10 men moments later. The seniors redoubled their efforts and Oscar O'Connor scored following good interplay between Cian Murphy, Jer Sheehan and Paul Moroney just before the break. In the second half Mastergeeha defended well forcing the opposition to take shots from distance. As they entered the final quarter it was Mastergeeha that looked more likely to score with James Nagle having a shot off the post and Dylan Murphy going close. All were excellent on the night this victory was based on the hard work and effort of the entire panel throughout the competition. Thanks to all the supporters that travelled to cheer us on as we continue to make history.

NATIONAL U16 MATCHPLAY

A good showing by the club in both Robbie Harnett and Brian McCarthy reaching the semi-finals last weekend in Glenville, Dublin. Robbie defeated TJ O'Sullivan in an all Deerpark quarter-final before he was defeated by Mark Cadden of Meath in the semi-finals. Brian was defeated by the eventual winner Conor Mullins meanwhile as the club wishes to congratulate Tralee's Ella Moynihan on winning the Girls event last Saturday in Glenville.

The sun certainly shone on our Club Captain John McGrath's event last Friday evening as we had a good turnout despite the intense heat. EMERGING ADULthood

Emerging Adulthood is known as the period of time between the age of 18 years and 28 years of age approximately. Unfortunately little attention is given to this period in an individual's life which is a pity because it can be quite a daunting, challenging and fearful time. They may or may not just be out of school and finishing the tail end of their turbulent adolescent years yet this is given little consideration. While it is healthy to encourage more detachment and autonomy and promote the need for more independence it is equally important to acknowledge the plethora of emotions that come with such a step. The fear of the unknown exists. It is part and parcel of this chapter hence parental guidance and support needs to remain steadfast. Emerging adults rarely confess their fears because the pressure is on to save face. They want and need to achieve independence but secretly harbour a lot of fear and confusion as they branch out. Emerging adulthood can extend into a person's late twenties so discussing this reality with our teenagers is necessary. They may change academic courses before finding the right one, take time out and travel, work different jobs, go through various relationships etc. on this journey of discovery; but one thing is for sure they will grow and evolve as they do so. Being open to receiving them regardless of possible mistakes will make them more emotionally robust. They will more than likely seek you out for guidance or comfort and familiarize you with the context of their new world, be it courses, new friendships, problems etc.. They are unique individuals encountering unique experiences to them; we, on the other hand, may have forgotten how this feels. We must bear this in mind if they become derailed.

Creating a good foundation, before they eventually fly the nest, will provide a solid base for them to return to. This foundation is achievable via open and honest communication, gentle encouragement, unconditional positive regard and acknowledging the challenges which exist for them. Slowly but surely the need to save face and disguise difficulties fades and the emerging adult can discuss his/her experiences in a more realistic fashion, be it academic pressure, friendship/relationship worries, financial concerns and so on. This is a welcomed moment! Now we can visualize someone who is ready, willing and able to be in touch with their emotions and recognize the need to reach out for support. This can be an uphill struggle for emerging adults who don't want to disappoint. Remember, they remain vulnerable and sensitive to praise and criticism despite this outward appearance of emerging adult. As parents we can do a great deal to help them navigate any obstacles they may encounter without remaining so much in the forefront of their lives! Once they know that your support is consistent they can discover a world full of possibilities and, in turn, discover themselves!

ROSS CAFÉ

FULLY OPEN

AFTER COVID LOCKDOWN

ROSS Café has welcomed customers back indoors this week at the Kerry Mental Health Association offices on Upper Lewis Road and are offering both indoor and outdoor dining after the latest easing of Covid restrictions.

Open to everyone daily, 10am to 4pm from Monday to Friday, Ross Café serves deliciously home-cooked food, freshly made sandwiches, home-baking and other tasty treats.

Operating on a not-for-profit basis, the café had reopened for outdoor dining and take away last month and so far, customers have been enjoying the “céad míle fáilte” from Cathleen

and Mags. The General Manager of Kerry Mental Health Association, John Drummey, said: “There’s a warm ambience and a feeling of positivity when you walk through the doors of the Ross Café. That’s something we’ve all been craving since the onset of the pandemic and the subsequent temporary closure of the café. Customers who come to enjoy the Ross Café experience can be assured that the profits go towards the promotion of the general welfare of people and to support those with mental health challenges and their families and carers.” The café first opened in 2016 and, until the arrival of the pandemic, it has expanded to

cater for the growing number of customers who enjoy the opportunity to take some time out and relax in good company.

The facilities at the Kerry Mental Health Association Offices, formerly Ross Products, on Upper Lewis Road offer a number of meeting rooms which can be rented out to community groups and other charities catering for different activities. These include: Art, Relaxation, Computer Training, Counselling, Bingo, Music, Drama and Exercise Classes. However, due to the ongoing Covid restrictions, the rooms remain closed until further notice.

Gardening

GARDEN MAINTENANCE IN AUGUST

It is important at this time of year to do some pruning in the garden. Climbers such as wisteria and pyracantha should be pruned back now after flowering. Rambling roses can also be pruned back if they too have finished flowering.

Shrubs like hebes should be given a light pruning at this time of year as the flowers are fading in them. You can also give your hedges a final trim until next year as they will be putting on very little growth from now on. Don't go too hard especially with coniferous hedges as that would leave them with dead looking patches for the winter.

Also the time is right to deadhead your roses as this will keep them flowering into early autumn. Roses that aren't looking too good now and have lost some of their foliage can be cut back a bit further to encourage new growth.

Forgiveness

What can YOU do about sin?

The simple answer is nothing! Does that surprise you?

The bible teaches that the wages of sin is death, but the gift of God is eternal life through Christ Jesus. (Romans 6:23)

He who had no sin became sin for us. Jesus, who was without sin, took our place on the cross: we exchange our guilt for His innocence.

(2 Corinthians 5:21)

From the moment we accept Jesus Christ as our saviour we are free!

(John 5:24)

So don't bear the burden and guilt of your sin for another moment!!

Give it all to Jesus who will readily cleanse, heal,

and forgive you (1 John 1:9)

A Word of Victory

Welcome back dear reader, last week we spoke about the destructive spirit of fear. God reveals Himself as Deliverer of those held captive by the enemy. "For the Lord your God is living among you. He is a Mighty Saviour. He will take delight in you with gladness. With His love He will calm all your fears. He will rejoice over you with joyful songs" (Zephaniah 3:17 NLT). Think about this - while you are going through difficult circumstances, battling fear and discouragement, God is proclaiming His Word of victory over your life, singing over you in the same way that a loving parent calms an anxious child back to peaceful sleep.

We need to know this about God, because we are all on a journey, and life throws up many kinds of turmoil. But listen friend, the Lord is for you. He is not against you, and God wants you restored back to Him, joyful and healed. Your life may be messed up but that is why God sent His Son Jesus to die upon the Cross and be raised from the dead, so that we could be forgiven and redeemed. During times of trouble and fear it can feel like you are very much alone. But this is not the truth! God promised never to leave us or forsake us. His name is Emmanuel - 'God with Us' (Matthew 1:23).

David Baroni wrote a song back in 1987 called 'Took me out of Egypt'. It tells the story of God's redemptive love using the analogy of when God brought the Israelites out of slavery (Read from Exodus chapter 12). This song speaks of how God's love transforms our lives, but only as much as we are prepared to leave behind our old ways of doing things, especially the idol of 'self' (Ezekiel 36:25-27). God instructs us in His Word to 'put off the old man and be renewed in the spirit of our minds, and put on the new man in true righteousness and holiness' (Ephesians 4:22-24). The enemy can hold us captive in old mindsets from past wounds which scar the heart if we have not received healing in that area. Then when an emotion is triggered, that wound allows the devil access to bring fear or dread, or brings up anger, resentment, even depression, and so the cycle begins all over again. How we combat and overcome it is: '...do not be conformed to this world, but be transformed, by the renewing of your mind that you may prove what is that good and acceptable, and perfect will of God' (Romans 12:2). Our soul area which is the mind, will and emotions need to be renewed by the washing of God's Word so that we can live transformed - set free from oppression and captivity (Isaiah 61:1-3).

David Baroni gives a miracle testimony about how God ministered healing to a young man in a bad situation with this song. You can hear the story behind the song, and the song itself on YouTube. I highly recommend both.

KILLARNEY, CO. KERRY
AND
SALFORD DIOCESE
MANCHESTER, ENGLAND
WHO DIED ON THE
25TH JULY 2020

As we lovingly remember Fr Peter on this first anniversary, we wish to express our deep gratitude to those who attended his funeral mass and burial, those who phoned us, sent Mass cards and letters.

Fr Peter was ordained to the priesthood in All Hallows' College, Dublin in 1959. All his ministry was spent in Salford Diocese until his retirement to Nazareth Home, Prestwich, Manchester. His family would like to thank the management and staff of this Home for the wonderful care, love, kindness and respect they gave Fr Peter over the years. Also, we would like to thank all who visited him there and, in particular, Barbara Lupton, who kept in touch with us always but especially in the latter months when we were unable to visit due to Covid restrictions.

Thank you to Canon Michael Cooke for celebrating such a beautiful and meaningful mass for Fr Peter.

Sincere appreciation to Funeral Undertaker, Mr Paul Williams and his staff for being so understanding and arranging everything, lovely music, flowers etc and especially for doing video of service and sharing it with us.

To anyone who helped in any way, please accept this acknowledgement as a sincere expression of our gratitude. The holy sacrifice of the mass has been offered for your intentions.

Fr Peter is predeceased by his brothers Patrick and James (Kilcummin) and Joe (Canada).

**Fondly remembered and sadly
