The town of Killarney said goodbye to an incredibly brave little girl this week, as Amy O'Connor was laid to rest in Aghadoe Lawn Cemetery on a bitterly cold but beautiful day.

An inspiration to all who know her, Amy has left behind her heartbroken mum Triona, dad Brendan and brother Cian. The family have been closely supported by their relatives, friends and work colleagues over the past two years since Amy's diagnosis, along with Amy's beloved Dr. Crokes GAA Club.

On behalf of everyone at Killarney Outlook, we send our deepest sympathies to everyone who knew and loved this beautiful, brave little girl.

Members of the force in Kerry will be swapping their uniforms for black tie attire on Friday the 13th of April when they hold the first Garda Black Tie Gala Ball since 1992. The Kerry Division of An Garda Síochána, under the direction of Chief Superintendent Tom Myers, are delighted to bring back the event which will be held at the Killarney Oaks Hotel. The Kerry Garda Dress Dance used to be a yearly event spanning decades, unfortunately the last one held in Kerry was 26 years ago in 1992. It's time for a revival of what was always a fantastic night. There will be a champagne and canapé reception from 6.30pm, followed by a 5 course sit down meal. The wonderfully entertaining Truly Diverse Band will have everyone on their feet after the meal, dancing into the night. "We have fabulous

spot prizes, kindly donated by many businesses in Kerry, and we will have a professional photographer on hand that night to capture all the glitz and glamour", Garda Gillian MacEoin told the Killarney Outlook.

This event is open to everyone to attend and tickets are priced at €65 each and are available from any of the Kerry Garda Black Tie Gala Ball committee members in any Garda Station in Kerry.

Killarney says goodbye as Amy is laid to rest

"An unfair fight from the beginning, a fight she never deserved, Amy has been an inspiration to us all"

- Brendan O'Connor

The sense of grief was palpable in the town this week as Killarney said goodbye to an inspirational little girl.

Amy O'Connor passed away in the early hours of Sunday morning after a two year battle with cancer. The daughter of Brendan and Triona and sister of Cian, Amy caught the heart of the nation when she held the Andy Merrigan Cup with Dr. Crokes captain Johnny Buckley when the club won the All Ireland Club final on St. Patrick's Day last year.

On a facebook post two weeks before Amy passed away her Dad Brendan posted a video that was made almost a year ago for a group of inspirational people who made a little girl's dream come true.

Brendan spoke of the tough and emotional couple of years that Amy had been through.

"An unfair fight from the beginning, a fight she never deserved, Amy has been an inspiration to us all." He spoke of what Amy has been through and the terrible pain the she suffered with such grace, beauty and bravery.

He spoke of the fun, laughter and hope Amy gave to everyone and the strength they needed for this journey.

Amy was a player and huge supporter of Dr. Crokes GAA Club and at her removal a signed team jersey adorned a huge teddy that Amy owned.

In a poignant tribute to the club,

Brendan said:

"Somewhere behind the football players you've all become, and the hours of practice you put in, and the coaches and backroom staff who have pushed you, is a little girl who fell in love with the game and never looked back, thank you".

Amy achieved much in her short life, making the journey to Croke Park to cheer on her team, Dr. Crokes on St. Patrick's and help lift the Andy Merrigan cup, she was the official starter of the 2017 Ring of Kerry Charity Cycle and climbed Stricken Mountain with her family on her dad Brendan's shoulders on a club day out with Dr. Crokes.

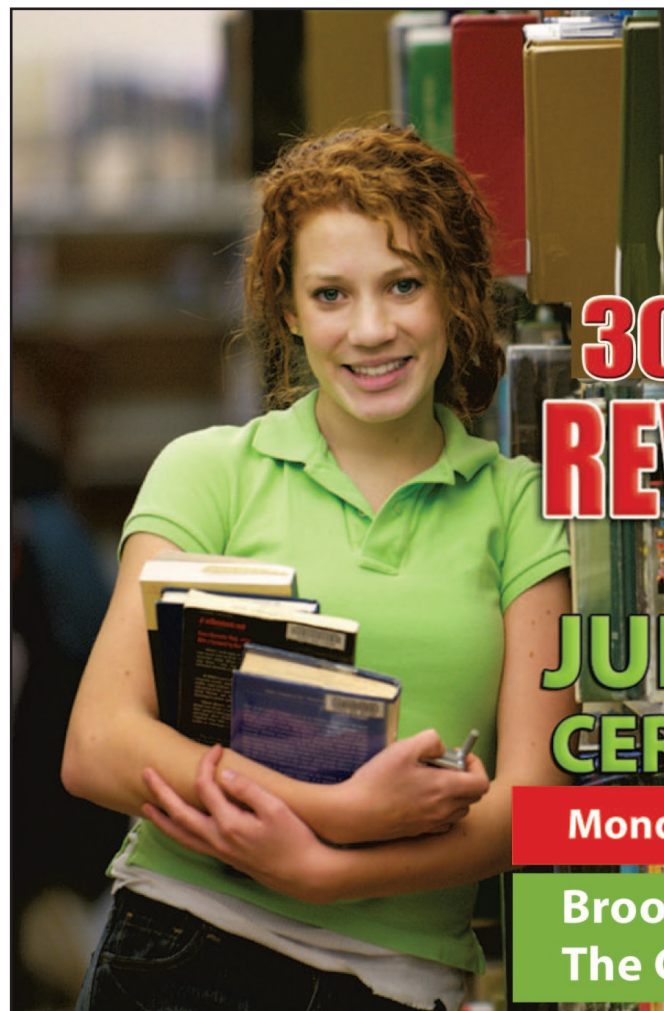

Ironically, Amy had donated her hair to the Rapunzel foundation just week's before her diagnosis.

Numerous events, including, walks, cycles and a Stenson's & Stillettos Show were held to raise funds and Amy and her family handed over thousands of euros to the Oncology Unit at Crumlin Children's Hospital where Amy was a patient. A pupil at Gaelscoil Faithleann, Amy will be missed by her many friends and her loving family.

Amy passed away surrounded by her parents Brendan and Triona and brother Cian at her home in Whitebridge Manor in Killarney. Her removal took place on Tuesday evening and following Requiem Mass on Wednesday morning, Amy was laid to rest in Aghadoe Cemetery.

The loss is immeasurable but so is the love left behind.

Killarney woman scoops €25,000 on 1,000th episode of Winning Streak

A dog-loving hotel duty manager from Killarney, won prizes worth a cool €25,000 when she appeared on the 1,000th episode of the National Lottery Winning Streak game show on RTE One last Saturday.

In addition to cash of €22,000 Angela O'Sullivan won a luxurious holiday to Sorrento and the Amalfi coast worth €3,000.

Angela (45) is a Duty Manager in the 33-bedroom Fairview Hotel in Killarney. She is very active in her spare time and loves golf (she plays at Killarney Golf Club with her husband Pat), swimming, cycling and boating. Angela and Pat have their own motorboat which they use to cruise on the Killarney lakes when the weather is fine.

Angela and Pat are childhood sweethearts and have been married for the past 27 years. The other special someone in Angela's life is the couple's beloved miniature pinscher dog, Dexter, who watched the show from home in Kerry!

Last Saturday week Angela had just arrived home from evening mass with Pat when they tuned into Winning Streak and saw her name being drawn out of the drum to appear. She leapt up out of the chair and nearly hit the roof.

Her parents, Ann and Michael, her sister Marie and partner Lorenzo and two children, and her brother Michael and his partner Emily cheered her on in the RTE studio.

Angela plans to split her winnings 50:50 with her mum as they always go halves on scratch cards. She will also give something to other family members.

ANGELA O'SULLIVAN FROM KILLARNEY, HAS WON €25,000 INCLUDING A HOLIDAY TO SORRENTO, ITALY ON LAST SATURDAY'S (24TH FEBRUARY 2018) NATIONAL LOTTERY WINNING STREAK GAME SHOW ON RTE. PICTURED HERE AT THE PRESENTATION OF THE WINNERS CHEQUES WERE FROM LEFT TO RIGHT: MARTY WHELAN, WINNING STREAK GAME SHOW CO-HOST; ANGELA O'SULLIVAN, THE WINNING RECIPIENT; MICHAEL HAYES, HEAD OF MARKETING AT THE NATIONAL LOTTERY; AND SINEAD KENNEDY, WINNING STREAK GAME SHOW CO-HOST. THE WINNING TICKET WAS BOUGHT FROM EASON, MAIN STREET, KILLARNEY, CO. KERRY. PIC: MAC INNES PHOTOGRAPHY.

A total of €147,000 was won on the game show this week. Winning Streak scratch cards offer a range of great instant cash prizes plus a 3-star prize, which gives players the opportunity to enter a draw to appear on the gameshow. Five players are selected to appear on the Winning Streak TV Gameshow and win up to €500,000 instantly on the Grand Prize Wheel.

The Winning Streak TV Gameshow is based solely on chance and there is no skill involved. To enter, players must submit a 3-star ticket

in one of the special 3-star envelopes, which are available from all National Lottery Retail Sales Agents. On the Thursday preceding the gameshow, one hundred 3-star entries are drawn randomly in a preliminary draw that takes place under strict security controls in National Lottery offices. From these 100 entries, the five players for the following show are drawn and their names are featured on the gameshow.

Fantastic Fundraiser raises over €46,000 for Motor Neurone Disease

PICTURED AT THE PRESENTATION NIGHT IN CAHERDANIEL OF JOHN O'DONOGHUE WITH FAMILY AND FRIENDS PRESENTING A CHEQUE FOR €46,038.80 TO CHRISTY LEHANE ON BEHALF OF THE IRISH MOTOR NEURONE DISEASE ASSOCIATION THE PROCEEDS OF A REINDEER RUN / WALK HELD ON DEC 23RD 2017

An amazing €46,038.80 was presented to Christy Lehane on behalf of the Irish Motor Neurone Disease Association (IMNDA) following events which were held in Killarney and Caherdaniel over Christmas. Those involved gathered at the Torc Hotel in Killarney and Caherdaniel Parish Hall as John O'Donoghue presented Christy Lehane on behalf of the Irish Motor Neurone Disease Association (IMNDA) with an incredible cheque of €46,038.80! John raised this incredible sum by organising a Reindeer Run on the 23rd of December because he was recently diagnosed

with Motor Neurone Disease (MND). John held three fantastic runs in three different locations. There was a 5K, 10K and a half marathon held on the Flaggy Shore in Co. Clare. Alongside this, runs also took place in Caherdaniel and Killarney in Co. Kerry. "Two years ago if someone would have said to me that I would have raised over €46,000 for the IMNDA, I would have asked them what they did. But when I was diagnosed with MND the IMNDA were there. They offered me counselling and the counsellor was fantastic. They saved my life in a way. They put me on

the right track. I wouldn't have been able to do it on my own," said John.

The IMNDA would just like to extend a heartfelt thanks to everyone for supporting John and the Reindeer Run. Thanks to the hard work and dedication of so many wonderful people, the vital funds raised will go a long way to help those living with MND. MND is a progressive neurological condition that attacks the motor neurones, or nerves, in the brain and spinal cord. This means messages gradually stop reaching muscles, which leads to weakness and wasting. MND can affect how you walk, talk, eat, drink and breathe. However, not all symptoms necessarily happen to everyone and it is unlikely they will all develop at the same time, or in any specific order.

The IMNDA is the only organisation of its kind in this country. It was set up in May 1985 to provide care and support to people with Motor Neurone Disease, their carers, families and friends. MND is often referred to as the 1,000 day disease as most people die within 1,000 days of being diagnosed. There are currently over 370 people living with MND in Ireland, 13 of which are in Kerry.

The IMNDA provides specialised services for people affected by this debilitating disease such as equipment on loan, financial assistance towards home help, advice and home visits by their 3 MND Nurses. In order to provide these vital services the IMNDA depends heavily on the generosity of the public and supporters of the association who generate over 82% of its income.

Killarney chef keeps the Flame burning

A colourful Killarney chef has devised a real recipe for success that has seen him snapped up by a leading global TV distribution company.

Paul Treyvaud has been signed by Flame Distribution for a six-part a cooking series the likes of which has never been seen before in terms of content and approach.

His fun, no-nonsense style has been a big hit with the company which is an international distributor of factual, unscripted and documentary content, representing more than 140 independent producers from around the world with a combined global audience of hundreds of millions.

Paul has also signed with Big Handsome Media who are acting as his Irish distribution company and his Treyvaud's Kitchen series, which he has just finished filming, is already with a number of major broadcasters.

Paul, who runs Treyvaud's Restaurant in Killarney, with his brother Mark, has teamed up with Enda Grace of Dundara Productions to produce the highly entertaining and unique new cooking show.

"Working with Enda, who is executive producer and director of the series, was an absolute pleasure. He is a total pro and his attention to detail is second to none," said Paul.

"This entire series would not have been possible if it wasn't for the faith and belief that Enda and his team placed in me. That's what makes this massive deal all the sweeter, knowing that I can repay that faith by being

signed up by such a hugely experienced distribution company," he added.

Treyvaud's Kitchen is a cooking show that forgets about how long it takes to make the dish and the quantities of ingredients you need, but instead focuses on just getting into the kitchen and having a laugh along the way. "The emphasis is on having fun, perfecting simple cooking techniques, the importance of seasoning and at the end of the day, it's just cooking!" said Paul.

"If I learned nothing else from the massive audience I had with Irish TV, it's that people are sick of nonsense on the screens and just want a cooking series that delivers on its promise," he added.

Musical Society all set to thred the boards

Final touches are being put in place as Killarney Musical Society count down the days to when they present 'Sweet Charity' at the INEC Killarney from Wednesday March 14th to Friday March 16th 2018.

With rehearsals coming to a close, the cast and crew of Killarney Musical Society have worked tremendously hard since rehearsals began in November, to ensure that this production will knock you off your seats!

Killarney Musical Society's 33rd production, follows on from their successful run of 'Me & My Girl' in 2017. This year's show is a fun show which will have you tapping your feet, and singing the songs as you leave the show!

SWEET CHARITY is a tender, poignant and consistently funny look at the adventures or rather the misadventures of Charity Hope, played by Lily Mc Monagle, it explores the turbulent love life of Charity Hope Valentine, a hopelessly romantic but comically unfortunate dance hall hostess in New York City. With a tuneful, groovy, mid-1960s score by Cy Coleman, sparkling lyrics by Dorothy Fields, SWEET CHARITY captures the all the energy, humour, and heartbreak of Life in the Big City for an unfortunate but irrepressible optimist. Sweet Charity is a popular musical that has enjoyed successes in both London and New York, as well as the big screen and has lots of big Musical numbers that delight all audiences to include: "Big Spender," "If My Friends Could See Me Now," "There's Gotta Be Something Better Than This," "I'm a Brass Band" and "Baby, Dream Your Dream."

Tickets are available from any cast member, calling 087 1342314, you can visit our stand in Killarney Outlet Centre on March Saturday 10th & Sunday 11th, on the INEC website, box office and on Ticketmaster.

Adult tickets are €25 & a family ticket (2+2) is €60.00.

Choir raise funds for Caroline Foundation

Newly formed Kingdom gospel choir raised €420 for The Caroline Foundation. They joined in on the #GiveUsASongCampaign for cancer research and the generous members of the choir donated towards the good cause. A Spokesperson for The Caroline Foundation called into the choir on Friday to collect the cheque and to hear the choir sing, she thanked the choir for their amazing work and thoroughly enjoyed listening to 90 members of the choir singing some of their uplifting songs.

"It's amazing to be able to help such a wonderful cause which is close to all our hearts. Everyone has been effected by this awful disease either directly or indirectly, so it's uplifting to know we are helping raise money for such a worthy cause. The ethos of our choir is to be kind, to help others and to spread joy", Director of the choir, Caoimhe Lynch told the Killarney Outlook.

THE CAROLINE FOUNDATION was established

in memory of Caroline Dwyer-Hickey who passed away on 25 March 2013 aged 35 after a nine year battle with cancer. Caroline was a patient of Professor John Crown from the time of her being diagnosed with breast cancer in June 2004. Having benefited from clinical trials in both Ireland and the US Caroline was a public advocate for cancer research, firmly believing

that research will one day find a cure – she was a pioneer of cancer research in that she was the first in Ireland to participate on some trials through the CCRT. The Kingdom Gospel choir was set up in January 2018 and has over 100 members in total. New members always welcome. Contact Caoimhe : 0870669858.

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

CAN I REDUCE THE COST OF MONTHLY INSURANCES I TOOK OUT WITH MY MORTGAGE?

Yes, by comparing and reviewing your mortgage insurances you could reduce your monthly outgoings, the savings can be very substantial for example if you saved €10 per month & you had 15 years left on your mortgage this saving would be €1,800.00 over the remaining term of your mortgage. The insurances many people have include life cover, serious illness cover, house insurance, income protection and repayment protection insurance. Some of these insurances are compulsory and are a condition of your mortgage such as house insurance and life assurance and the others are not compulsory.

To compare and review your insurances is simple:

Get all the info you have on your policies & bring them to a financial advisor.

He or she will have access to various banks and insurances companies for some or all of the above products and will do a comparison of these products for you, explain in detail what cover you have & let you know if you may be overpaying for some of these insurances. They will also let you know if your products are good value for money and more importantly if you do not have adequate cover in some areas.

To make an appointment in relation to the above or any other matter you can contact Dermot Cronin QFA APA at 0646622775 or dermotcroninfa@gmail.com

Ireland's largest one-day festival is celebrating 35 years this year.

The Ring of Kerry Charity Cycle will take place on Saturday the 7th July this year, registration for the charity cycle will open on the 10th of March and the event is expected to see 10,000 recreational cyclists take part, with a small number of locals readying their High Nelly vintage bikes for the cycle again this year.

Cyclists signing up to complete the scenic 175 km fun cycle, will be raising money for 14 carefully selected main beneficiary charities this year and choosing one to fundraise for. There are 30 additional charities associated with the event also allocated funds from the registration proceeds. Funds raised to date have contributed towards new hospital extensions, special needs facilities, care for the elderly, suicide prevention, sea and mountain rescue, cancer, kidney and end of life support and more.

The main beneficiary charities chosen this year has expanded from 10 to 14 to include national charities such as Pieta House, the Irish Kidney Association and Enable Ireland, all of whom do compelling work for communities across Munster and Ireland.

Our main beneficiary charities have expanded this year from 10 to 14 and include national and local charities who do great work in the communities but need our help to continue. We are looking forward to welcoming all 14 charities, our many cyclists and invaluable volunteers in July

to celebrate 35 years of the Ring of Kerry Charity Cycle", Tony Daly, Chairman, Ring of Kerry Charity Cycle told the Killarney Outlook

The registration fee, for 2018 is €100.00 plus a 3.5% service fee. Cyclists can choose to fundraise for their selected charity through an online fundraising page with Everyday Hero or sponsorship cards. Cyclists can pre-order their official Ring of Kerry Charity Cycle Jerseys at registration.

"There are many great projects and initiatives which will benefit from funds raised and if you choose to fundraise, every euro will go directly to your chosen charity. Registrations will take place on a first come first served basis and we are encouraging all participants to keep an eye on our social channels for regular updates including preparation tips and how your fundraising efforts are positively affecting the charities involved" added Cathal Walshe, PRO Ring of Kerry Charity Cycle.

KBN celebrate Cultural Transformation theme

*The Brehon Hotel, Killarney
March 8th starts 9am-2pm
Open to male and female delegates.*

Thursday next, March 8th is International Women's Day and KBN invites you to celebrate the achievements of women in all spheres of life. This year's theme, Cultural Transformation, sets out to remind us that gender equality, inclusion and diversity remains a significant challenge, one that is hindering potential competitiveness, growth and prosperity. A lot of efforts and progress have been registered at regional, national and international levels towards achieving empowering women and elevating them politically, economically, socially, and culturally. In Kerry we look forward to a bright future with even more women in higher-wage jobs throughout high-growth sectors. At KBN we remain committed to empowering women to realise their full potential within the global marketplace and aim to build upon the legacy of previous generations of women who have bravely broken through both economic and political barriers.

Our event, "Cultural Transformation" is comprised of a morning session of thought-provoking presentations held by inspirational women who are leaders in their field, followed by lunch in a dynamic networking environment. One such leader is Orla Coughlan, who over the past 25 years has teamed with business leaders in multi-cultural, global markets, focussing on acquiring and growing businesses, developing talent to lead and deliver customer centric organisations.

The event is open to all and not only highlighted by strong key note speakers in the domains of women in business but also women changing the world in other spheres. Joanne O'Riordan, who will place emphasis

CULTURAL TRANSFORMATION INCLUSION-DIVERSITY-EQUALITY

on the need for Inclusion, is a woman who spearheaded a campaign against cuts to disability which led to her appearance on RTE's Late Late Show.

Tammy Darcy founder of The Shona Project has devoted her energies into ensuring that women and girls must have the tools they need to succeed. The organisation aims to educate, empower and inspire today's Irish Girls to become tomorrow's strong, confident and content young women.

Sinead Devlin from Belfast, will cover the controversial topic of "Unconscious Bias". The session investigates the unconscious feelings we have towards other people. Unconscious feelings can play a strong part in influencing our judgement of certain people and groups, away from being balanced or even-handed in many different areas of life.

The morning session kicks off with Lisa Fingleton. Lisa is the Project Coordinator of 'Moving On', a new employment project for women in Kerry who wish to return to work. The project supports women through training, work experience and direct links with employers. Lisa has over

20 years experience in promoting equality and inclusion across all sectors. She worked as a trainer on the Equality For Women programme, a development officer for the Equality Authority and a freelance consultant with Traveller, LGBT and women's groups.

MC for the day is Fiona Stack, General Manager Kerry Radio and Fiona will also chair the panel discussion and Q&A session which will provide delegates an opportunity to engage with our female leaders.

The event will be held in The Brehon Hotel in Killarney and starts at 9:30am with refreshments on arrival. Organisers and promoters of KBN say they are working diligently to encourage women to enter and succeed in the workforce while addressing the many barriers women still face in achieving economic success, including those that impede women's access to capital, markets, and networking opportunities. Tickets for the event cost between €10 and €25 are available online at: <https://kbnwomensday.eventbrite.ie>

€750,000 for Community groups and projects 2018

Kerry County Council announces details of Community Support Fund

Kerry County Council has announced details of the allocation of €750,000 in funding support for community groups and projects across the county under the Community Support Fund for 2018. A total of 255 groups and projects received grant aid worth €320,000 this year while a proportion of the fund, totalling €430,000, is being retained to leverage funding for strategic projects at Municipal District level and to support projects previously supported by the Town Councils.

The fund, which is in its fourth year, has now supported over 1,250 projects since 2015 to the value of €3m since its establishment. As occurred in 2017, some of the Community Support Fund will be used this year to target strategic projects in the four municipal districts and to co-fund projects which are in receipt of grants from other sources. Councillors in the four Municipal Districts met on Monday to decide on the allocations and unanimously welcomed the provision of support to the recipients. Councillors congratulated all the community groups and acknowledged the tremendous voluntary work that these groups do. Full details of the allocations in each of the four Municipal Districts are attached.

In 2017, almost €1m was leveraged from other grant sources such as Town and Village Renewal and the Outdoor Recreation Infrastructure Fund as a result of the strategic allocation of resources under the Community Support Fund. For 2018, the fund was refocussed to target funding under five categories of support:

Growing and Sustaining Communities
Community Tidy Towns Initiatives and Amenity Projects
Community Sport and Physical Activity Programmes
Community Economic Innovation
Community Based Tourism, Festivals and Events

The new minimum grant payable in 2018 is €500.

Cathaoirleach of Kerry County Council, Cllr John Sheahan, said: 'Since the Community Support Fund was established in 2015, a very significant sum of €3m has been invested by Kerry County Council in community projects and initiatives

around the county. This is indicative of the council's support for the work being done by community and voluntary organisations all over the county to build vibrant, sustainable communities and the value of that work in Kerry.'

'The Community Support Fund has targeted funding towards a very wide range of community-based projects and has provided support to community councils, chamber alliances, tidy towns groups and other organisations in a very progressive and structured way. The retention of part of the fund to help to leverage funding from other sources and to co-fund projects with other funding streams has proven to be an enormous success in recent years and will be successful again, I hope, in 2018.'

FOR BEAUTIFUL TILES AND BATHROOMS

The H Factor is a family owned boutique style tile and bathroom showroom based on John Joe Sheehy Road in Tralee.

It has become synonymous with stylish and classic trends in quality interiors for almost 10 years now. The showroom very quickly caught the imagination and the attention of people with beautiful on-trend quality products on display, showcasing top brands and creative designs for both the private and commercial sectors.

With a vast experience and knowledge of tiles and their correct application people look to the H Factor for their technical expertise and advice in specific areas - especially in commercial projects such as hotels, restaurants, pubs, factories, retail outlets, GAA centres and many more similar projects.

At the H Factor we take great pride in our showroom and the creative designs and styles of rooms on display continually inspire people to add that wow factor to their home. A house can be built by anyone but it takes effort, skill and imagination to make it a home - YOUR HOME.

At the H Factor we are here to help you make that transition - with plenty of expert advice on the right products that suit your individual lifestyle and budget.

Customer satisfaction is very important to us at the H Factor so our aim is to help and advise people choose products that are suitable, of good quality, durable and within budget for them to enjoy in their homes for a long time.

Budget can be a techy subject toward the end stage of building and the

dreams at the start of the project can be dimmed a little under budget constraints.

With a view to that end we can supply a complete bathroom package to suit all budgets and requirements.

So, do call in and let us talk you through a brand new bathroom for your home, inspired by the H Factor. So if it is tiles, bathroom ware and furniture, laminate wood flooring, bathroom accessories, cabinets or mirrors and other unique pieces that add the H Factor to your home we would love to see you visit our showroom in Tralee.

We are open Monday to Friday 8.30 to 5.30 and Saturday 10 to 5pm

REVITALIZE YOUR SPACE

◆ This springtime lift your spirits by making some changes in your home environment. Introduce a new textile or colour, add some wallpaper or just paint the wall a different colour. This can make a huge impact in your home.

Different textures, when blended together correctly, form the basis of a comfortable home. A cosy rug or a few cushions can complement the furniture and curtains in your room.

Improve your nights sleep with luxurious cotton bedding and a new duvet. Give your bedroom a fresh look, create atmosphere and character by adding a nice throw and cushions to your bed.

Don't be afraid to seek professional advice. Always give time and thought to your purchase and ensure it suits your scheme.

dc energysolutions

CEO of DC Energy Solutions David O'Sullivan and his team have been involved in insulating over 5,000 Irish homes.

David, a qualified electrician who has 20 years' experience in the construction business, also offers a complete building solution to customers for new builds, extensions and commercial projects. Each project is bespoke to your needs and DC Energy will manage the process from beginning to finish including construction, electrical and plumbing. Glenbeigh-based DC Energy Solutions has won a well-deserved reputation for its friendly and highly professional service.

A fellow professional who has been highly impressed with work carried out by DC Energy Solutions is John Paul Coghlan of Coghlan Consulting Engineers Ltd, Killarney. "I have

worked with DC Energy Solutions and would highly recommend the company," said John Paul.

Another happy customer is Anne Meighan, Macroom, whose residence DC Energy Solutions insulated. "David of DC Energy Solutions was first class, I would highly recommend DC Energy Solutions," Anne said. DC Energy Solutions insulated the outside of her cottage property for Anne. "The project was completed brilliantly, David was the best person I have ever worked with," said Anne. "Every aspect of the project was written down and made clear. He arrived came on the day he was supposed to do and absolutely everything was done to order."

A number of key changes have been made to the Better Energy Homes grant programme,

which will come into effect in 2018.

Grant levels for external wall insulation will increase from January 15 with grant levels ranging from €2,750 to €6,000.

The €100 grant available for oil and gas boiler upgrades will no longer be available from the 15th January 2018. However, the grant for Heating Controls will be increased by the same amount to €700 from the same date.

With DC Energy Solutions, a wealth of experience is now being harnessed to provide nationwide energy solutions. All jobs are considered.

TOP 5 FLOORING TRENDS FOR 2018 WITH CORCORAN'S FURNITURE & CARPETS

Welcoming a bright new year full of fresh colours, alternative and innovative flooring styles for 2018. Here are our Top 5 Flooring Trends that will stand the test of time, keep you on trend but won't break the bank!

◆ Grey Wood Flooring

Offering a unique, clean look that adds that modern bright touch Grey Wood Flooring is perfect for seaside retreats and county or farmhouse style homes. It has been a reoccurring trend in interiors for a long time offering a neutral palette and it is truly here to stay. Choose from Laminate, Vinyl options or even wood effect tiles and add some colour with your furniture and rugs!

◆ Bold Carpet Colours

Even if it's a small area, landing or stairs, a vivid

carpet colour can help make a bold statement in your home. It's a fantastic way to add a touch of your personality to the space. Pattern and Persian rugs with stunning handmade designs are a must have this season.

◆ Natural Wood Effect Tiles

Tile is one of the most durable flooring option on the market and the new faux tile styles are the ultimate master in disguise which may make you believe they are not even a tile at all. The natural wood style gives the look of natural wood with far more longevity and is now creeping into living spaces as well as bathroom settings.

◆ Parquet/Chevron Effect Flooring

Parquet hardwood floors are made of solid wood pieces arranged in geometric designs or

unique patterns. The cost can be quite high, but why not go with some fantastic high quality Vinyl's where you can get the same effect for half the price.

◆ Wide Plank Flooring

Wood flooring remains very popular, but trends are pushing toward wider plank floors. Get this gorgeous effect from the amazing German engineered Mammut Laminate range which now offers extra-wide panels adding a mature, authentic look to your home.

Corcoran's Flooring Department at our Killarney, Tralee, Cahirciveen & NCW Stores will be happy to advise you with all you need to stay ahead of this year's trends. Did you know we offer a FREE quotation & measuring service? Visit our website on www.corcoransfurniture.ie

YOUR LOCAL CREDIT UNION HAS YOU COVERED FOR YOUR SPRING HOME IMPROVEMENT PLANS

Spring is in the air, and that means that home improvements are on the minds of many. DIY and renovations have always been popular in Ireland. In fact a recent survey by the Irish League of Credit Unions found that a significant two thirds of adults had carried out home improvements in the three years previous to the study.* One quarter estimated that they spend between €1,000 and €3,000 when upgrading their home. 42% said they would choose to transform their home with new carpets and flooring. 38% said they would opt for new heating or insulation and 23% said they would fit new windows or doors. While these upgrades work wonders for your home, they can be costly endeavours. The good news is that those surveyed had the right idea when it came to funding their home improvements. Of those who said they would need to borrow, six in ten said they would use their local credit union.

Commenting on this, Helen Courtney Power, (Chairperson, Marketing Group, Chapter 23 Credit Unions said; "This is no surprise to us as we are seeing a large number of queries from people in the Kerry and West Limerick area asking about our home improvement loan. We are also happy to offer our loans to brand new members, those members we see every day and of course those members who may have inactive accounts or whom we haven't seen in a while." Helen continued "There are a lot of other benefits with our home improvement loan. There are no administration fees or hidden charges and we can structure repayments in a way that suits every individual's circumstances. Borrowers are also free to repay the loan early without any penalties. So we would encourage anyone planning on doing some springtime DIY to contact us and enquire about a 'Credit ReUnion' with your local credit union. We'll be happy to help make your home improvement dreams a reality."

If you want to make a loan enquiry please contact your credit union directly online at creditunion.ie.

It also allows students to support the occupational first aiders and cardiac first responders in an emergency.

The intensive course involved:

- Respiratory emergencies for asthma, choking and anaphylaxis
- Recognition and management of partial complete obstruction

- Stroke and management
- The unconscious casualty: causes and management
- Fainting, shock and management
- Bleeding and management

- Medical emergencies for epilepsy and diabetes

The college's TY co-ordinator, Kerri McCarthy, said the students thoroughly enjoyed the practical first aid course. Sheilah was a superb, professional instructor who instilled the knowledge and skills to our students. It has given them the confidence and knowledge to act safely and quickly in an emergency situation," she said. "It is a critical life skill that will benefit them throughout their lives," Ms McCarthy stated. Participating students all received certification for taking part in the emergency first aid course.

EAST KERRY LEAGUE

SPA 1-15 KENMARE 1-10

Spa had a quick lead with three points

Spa played Kenmare in their second Superleague game at home in bitterly cold conditions. The boys in blue led by 2 points early on before the visitors converted a well taken penalty to take the lead. The response was outstanding as Shane Cronin began a 50 yard meandering run before passing off a one two before crashing home a belter to the left of the Kenmare keeper. Points were then exchanged leaving Spa with a 1.7 to 1.2 half time lead. The home side started brightly with some excellent long range point taking executed by Evan Cronin and Corey Doyle. The second half ebbed and flowed with Spa working hard picking up breaks around the middle where, Dara Moynihan, Conor Stack and Dan o Donohue excelled. Spa were never in danger running out with a well deserved win on a scoreline of 1.15 to 1.10

MINORS: SPA 1-08 BEAUFORT 4-08

Spa minors began their county league campaign last Saturday with a loss to Beaufort. But for a number of missed goal scoring opportunities by the home side this game could have been closer. A lot of positive performances throughout the field and a number of players yet to return. Scores by Ryan Kelliher and Gary Vaughan kept Spa in touch at halftime. A great goal by Liam Spillane ignited Spa to put in a very creditable second half. Further points by Ruairi O Keeffe, Cian Murphy, Ryan Kelliher and Gary Vaughan helped increase our score. Beaufort's ability to find the net at crucial stages during the game helped see them get over the winning line. Spa minors are delighted that Ian O Connell accepted captaincy for the year. The lads are lucky to have such an inspirational leader

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

EXERCISE WILL INCREASE YOUR FAT BURN COMBINED WITH A HEALTHY CALORIE CONTROLLED DIET

PART ONE

Food is 80% of importance for anyone trying to lose weight, tone, look and feel good. But exercise is also important.

So this week I want you to put a big effort in burning off the pounds with an increased drive to exercise more. I recommend 3x classes min per week plus combine with some other outdoor activity you enjoy and that challenges you. Getting outdoors is good for the headspace. Getting your ass into classes will make sure you are pushing your body to the limits and getting that increase in muscles tone that is going to burn off at rest!!! Win Win so not only will we burn calories in our workouts but also for up to 8 hours post workout. But pleaseDon't over do it! Over exercising more than your body can take can lead to burn out, fatigue, injury & increased cortisol levels (which all inhibit weight loss). Everyone is different but all I would say is listen to your body if you are feeling very sore and tired it might be a good idea to take a recovery day. I take 2 days recovery per week, this is weekends for me when I off. I may go for a stroll or light jog with a friend for catch up but nothing too intense as I too had to learn the hard way.

HOWEVER BE WARNED!!!!

Don't be fooled into eating your calories burned off in exercise with the attitude "I went to class I deserve it"

I see so many people that don't look at their diets and start an intense exercise regime only to report gaining more weight! ek! After all its a maths equation if you take in more calories than your body is burning off then you will gain weight.

SPRING INTO A NEW YOU!

Although you wouldn't know it by the weather, Spring is definitely on its way. There's a stretch to the days that delights my spirit and even though it's been so cold I can see the buds of new life beginning to break through everywhere! Psychologically speaking, Spring can be an important time of year as we leave the darkness of winter days behind and move into new hope, new life and new beginnings. One way to mark this transition of seasons and lift your spirits is to begin a daily practice of self-care. Just as we tend to all the things in the house that may need cleaning, throwing out or changing, the same applies to ourselves. Practice this ten step self-care plan and look forward to the most wonderful summer. No matter what the weather may be, YOU will be shining from the inside out!

10 steps to self-care!

1. Throw out all useless negative thoughts...continually be aware of WHAT you are thinking...if your thoughts make you feel bad, pick a better one instead!
2. Speak from your heart!
3. Listen as if you've never heard that person speak before and be curious and interested in what they are saying....
4. Love your body
5. Drop the Drama!
6. Have the courage to say "NO!"
7. Have the courage to say "YES!"
8. Be kind to yourself
9. Smile, rest, love, sigh, daydream, slow down!
10. Listen to your intuition and follow your heart!

ALLIANZ NATIONAL FOOTBALL LEAGUE ROUND 4

GALWAY CLAIM FIRST WIN ON KERRY SOIL IN 17 YEARS

KERRY O'SHEA REPORTS FROM AUSTIN STACK PARK TRALEE WHERE KERRY WERE DEFEATED BY GALWAY

**KERRY 0-14
GALWAY 1-14**

Galway's footballers recorded their first win over Kerry in 15 years and their first on Kerry soil in 17 years when they consigned Eamonn Fitzmaurice's side to their second loss of the campaign at a bitterly cold Austin Stack Park on Sunday afternoon and ensured that Eamonn Fitzmaurice's unwanted record of never having won a home League game in February since he assumed the Kerry post in 2012 continues for another season.

The excited Kerry fans who were in the majority of the 8,000 plus attendance, went home disappointed as Kerry had to give second best to a superbly motivated and well-prepared Galway outfit.

This result means that Kerry will have an uphill battle to retain their league title. Galway, meanwhile, picked up their fourth win of the campaign and with Monaghan and Dublin to face at home in their remaining three games, they are in a very good position.

Galway's well-organised defence made it extremely difficult for Kerry's forwards to make any sort of breakthrough and much of the play was concentrated around the midfield area.

Galway's match-winner was wing-forward Eamonn Brannigan who scored a terrific solo goal just after half-time when he won possession and soloed unimpeded through the Kerry defence before hammering the ball past the recalled Brian Kelly in the Kerry goal.

Galway can thank their extrovert keeper Ruairi Lavelle too for a double save from David Clifford and Stephen O'Brien deep into stoppage time which kept their lead intact and ensured the Kingdom went away empty-handed.

Twice in the second half Lavelle was allowed solo past his own 45 metre line without being challenged by Kerry players. There is a new trend in Gaelic football where goalkeepers leave their own goal and solo up the field but are untouched by the opposing side. We saw it in Innskeen last week with Monaghan's Rory Beggan and again last Sunday with Ruairi Lavelle, who was lucky he wasn't black-carded at a vital juncture deep into stoppage time.

Galway's ace freetaker Barry McHugh, turned in an impeccable performance, finishing with a tally of 0-8, including five frees and two

sweetly-struck 45's.

Kevin Walsh's side, playing with the aid of the strong wind, eased into a 0-5 to 0-1 lead by the 14th minute thanks to scores from McHugh (2), Patrick Sweeney (2) and Eamonn Brannigan, Kerry's opening score coming from Seanie O'Shea in the 6th minute.

Paul Murphy landed Kerry's second point in the 15th minute and Seanie O'Shea followed with his second before Barry McHugh replied for Galway. David Clifford, who was playing his best game since joining the senior set-up even though he was again the subject of some unair jostling, from a free and McHugh swapped frees before Clifford and Shane Walsh exchanged scores to leave it 0-9 to 0-5 to Galway at half-time.

Barry McHugh opened Galway's account in the second half before Kerry, with the breeze to their backs for the second-half hit back with scores from David Clifford and Seanie O'Shea. Brannigan then struck for Galway's sucker-punch of a goal to place the Tribesmen in a

very strong position at 1-10 to 0-7 with 40 minutes gone on the stopwatch.

Kerry responded and four points in a row from Peter Crowley, sub Tom O'Sullivan, David Clifford and Stephen O'Brien cut the gap to two, 1-10 to 0-11 after 57 minutes. Having already lost defender Cathal Sweeney to a black card in the 8th minute of the first half, Galway lost defenders Sean Andy O'Ceallaigh and Johnny Heaney to black cards following a skirmish but Kerry failed to capitalise.

The westerners responded with a pair of points from the outstanding Barry McHugh (2) to lift the siege emphatically. Brannigan added his third of the game put Galway 1-14 to 0-12 clear before David Clifford and Daithi Casey added points for the Kingdom.

With one minute of added time still to be played, Kerry surged forward only for David Clifford and Stephen O'Brien to see goalbound efforts saved by Ruairi Lavelle. That was that as Galway headed back West celebrating a famous win on Kerry soil.

Kerry head to Dublin next Saturday evening to face the Metropolitans in Croke Park weather permitting, while Galway entertain Monaghan in Pearse Stadium on Sunday afternoon.

TAILPIECE: I know it was a very cold and windy day but was still very disappointing to see a section of Kerry supporters leave the game early when the result was very much on the line.

KERRY: Brian Kelly, Shane Enright, Jason Foley, Ronan Shanahan, Paul Murphy (0-1), Peter Crowley (0-1), Brian O'Beaglaoich; Jack Barry, Barry O'Sullivan; Michael Burns (capt), Sean O'Shea (0-3, 2 frees), Stephen O'Brien (0-1), David Clifford (0-6, 3 frees), Paul Geaney, Barry John Keane.

Subs: Matthew Flaherty for Ronan Shanahan (41); Tom O'Sullivan (0-1) for Brian O'Beaglaoich (42); Eanna O'Conchuir for Barry John Keane (48); Daithi Casey (0-1) for Michael Burns (60); Killian Spillane for Paul Geaney (67); Brian O'Seanachain for Barry O'Sullivan (71).

Galway: Ruairi Lavelle, Declan Kyne, Sean Andy O'Ceallaigh, Eoghan Kerin, Cathal Sweeney, Gareth Bradshaw, Johnny Heaney, Paul Conroy, Peter Cooke, Sean Kelly, Shane Walsh (0-1, 1 free) Eamonn Brannigan (1-3), Patrick Sweeney (0-2), Damien Comer, Barry McHugh (0-8, 5 frees, 2'45s).

LIDL LADIES FOOTBALL DIVISION 1 ROUND 4

GALWAY EASE TO EIGHT POINT VICTORY

GALWAY 1-14
KERRY 1-6

Galway left Fitzgerald Stadium with the points in what turned out to be a one sided affair as Stephen Glennon's side secured an eight point victory in this round 4 LIDL NFL Clash against Kerry.

The contest which remained competitive until the 13th minute when a Sarah Houlihan free reduced the deficit to just one point as Galway led 0-3 to 0-2 saw a slick Galway outfit score 1-7 unanswered for the remainder of the half.

A quick brace on the 15th minute by Ailbhe Davoren and Sarah Conneally set the tone as Kerry struggled on more than one occasion to clear their lines from their kick outs as the home side battled against a strong breeze.

By the 25th minute the gap was out to seven (1-6 to 0-2) as Leanne Coen slotted past Laura Fitzgerald having being put clear by a great pass from Lisa Gannon. The Galway onslaught continued as McDonagh, Leonard, Coen and Conneally all added further scores to see the tribeswomen ahead 1-10 to 0-2 at the break.

Kerry's only answer was two converted dead balls and a single wide as Galway left the field with five of their six starting forwards on the scoring charts.

The home side failed to score in the final 17 minutes of the half as they struggled to get control of their own kick outs, as Galway

seemed to pick up every breaking ball with ease.

The second half continued in a similar vein with Galway extending their lead to fourteen at one stage (1-14 to 0-3) by the end of the third quarter with Leonard proving very efficient from dead balls. The Corofin player would end the day with all five of her shots on target.

Graham O'Sullivan ran the changes for Kerry in the final quarter and he took some solace in the fact that Eilish O'Callaghan's first touch was a shot past Lisa Murphy to raise a Kerry green flag for their first score from play on the 52nd minute.

Another replacement Andrea Murphy had Kerry's first point from play a minute later as the scoreboard began to balance somewhat.

Sarah Houlihan would add another brace of frees late on as Galway who proved so slick for

most of the game failed to score in the last 14 minutes.

Kerry: Laura Fitzgerald, Eilish Lynch Deirdre Kearney, Aisling O'Connell, Sarah Murphy, Ciara Murphy Kate O'Sullivan, Lorraine Scanlon Eilish O'Leary, Brid Ryan, Louise Ni Mhuircheartaigh, Emma Dineen, Amanda Brosnan Deirdre Geaney, Sarah Houlihan

Scorers: Sarah Houlihan 0-5 (0-4F) Eilish O'Callaghan 1-0, Andrea Murphy 0-1

Subs: Amy Foley for Emma Dineen (19) Andrea Murphy for Deirdre Geaney (44) Laoise Coghlan for Eilish Lynch (47) Eilish O'Callaghan for Brid Ryan (51) Siobhan Goodwin for Kate O'Sullivan (56)

Galway: Lisa Murphy, Fabienne Cooney, Sarah Lynch, Shauna Molloy, Charlotte Cooney, Nicola Ward, Sinead Burke, Lisa Gannon, Siobhan Divilly, Ailbhe Davoren, Tracey Leonard, Aine McDonagh, Mairead Seoighe, Sarah Conneally, Leanne Coen

Scorers: Tracey Leonard 0-5 (All frees), Leanne Coen 1-2, Sarah Conneally 0-3, Ailbhe Davoren 0-2, Aine McDonagh 0-2

LITTLEWOODS NATIONAL CAMOGIE LEAGUE

KERRY OFF TO A WINNER IN CLARE

KERRY 1-8
CLARE 0-4

Kerry opened their Division 3 Littlewoods National Camogie League campaign with a win last Sunday over Clare in Meelick.

Patrice Diggins opened the Kerry account on the 9th minute from a placed ball following a foul on Jackie Horgan. Diggins added a second to make it 0-2 to 0-0 by the 15th minute. Clare got off the mark in the 22nd minute courtesy of a Siobhan Lane free with Jessica Fitzell extending the lead to two points a minute later with Patrice Diggins making it 0-4 to 0-1 from a free.

Clare were rewarded in the 27th minute by another Siobhán Lane free leaving Kerry ahead 0-4 to 0-2 at the break.

Kerry took control of the contest early in the second when Aoife Behan

made no mistake crashing the ball past Edel McNamara in the Clare goal. This was followed in the 34th minute by another pointed free from Clare's Sinéad Lane. In the 36th minute a through ball from Jackie Horgan to Rachel

McCarthy resulted in a free, which Patrice Diggins duly converted. A minute later the same player converted another free following a good Kerry movement involving Laura Collins, Patrice and Sarah Murphy.

Clare launched a number of attacks but the full back line marshalled by Niamh Leen stood firm. In the 45th minute Caoimhe Shanahan replaced Rachel McCarthy and in the 47th Treise Moran replaced Michelle Costello. In the 51st minute Patrice Diggins added to her tally from frees. Bríd Horan & Alannah Whelan then replaced Jessica Fitzell and Jackie Horgan. In the 57th minute Clare's Sinéad Power scored a beautiful point from the wing. Following a foul on Alannah Whelan, Patrice Diggins converted the free to leave the final score: Clare 0-4, Kerry 1-8.

KILLARNEY GOLF & FISHING CLUB - MENS

Killarney Golf and Fishing Club celebrates its 125th Anniversary this year, but the fishing element was only added to both its name and ethos since the Club moved to its current location of Mahony's Point in 1939, indeed when the Club produced the first promotion brochure for the Club, in the 1940s it referred to us as "Killarney Fishing and Golf Club"!!!!

The very first official Fishing Competition was held in early 1965 when Creagh Downing was the Club Captain, and a beautiful Cup was presented by Dr J. Ivo O'Sullivan Which was then awarded annually to the winner, the first winner of the Cup was Mr. Tadgh McCurtain a Maths and Science teacher at St. Brendan's College here in Killarney. The winners over the next 20 years regularly included one of the O'Connell family with Danlo as he was known and his sons Johnny and Sonny making up the family. It is with the family in mind that Club Captain Derry McCarthy on behalf of the whole Club sends our sincere condolences to Sonny O'Connell and the rest of the O'Connell family on the recent passing of Sonny's brother, and one of our former very long serving Members, Johnny O'Connell, Johnny was one of the participants in that very first Fishing Competition. Council Chairman Mike Daly wants to advise all Members that an "Information and Feedback" discussion on Lackabane Course will be held at the Clubhouse at 7.00 P.M. on the evening of Tuesday the 13th of March. This meeting will be preceded by the annual "course clean-up" at 6.00 P.M. sharp and will be for just one hour, please bring your own rake on the evening, and meet up with Course Manager Enda Murphy at the Machinery Sheds for instructions. MATCH REPORTS:

MORIARTY'S CENTRA 11'S:

There were a large number of our younger stars in action across the county and once again there were some great performances and some great games. There were narrow wins for LB Rovers and Park in Premier and Division 1 North over Tralee Dynamos and Castleisland. In Premier and Division 1 South it was Iveragh United and Inter that just saw off great challenges from Ballyhar and Killorglin while in Division 2 Killarney Celtic C were just 1 goal better than Park C. Killorglin 12's go out of National Cup:

Killorglin 12's great run to the Last 16 of the Skechers National Cup came to an end on spot kicks after the sides were tied 1-1 after extra time. John Burke got the Killorglin goal but they went out 4-2 on penalties. However their adventures outside the county are not over as

they will be at home to Rathkeale in the semi-final of the Regional competition.

Mastergeeha B the big winners in 12's Cup:

Inter Kenmare were 8-2 winners over Park C. Jack Slattery scored both goals for the Tralee side while Immanuel Manu and Oisín O'Halloran also did well for a young Park side who are now into the Shield as are all sides, expect those from the Premier, that lose their first game in the Cup.

The Park A as expected got past Killarney Celtic C winning 6-0. The Park's scorers were Venus Jahiri 2, Odhran Ferris 2, Callum O'Sullivan and Michael Tansley. Iveragh United are also into the hat as they saw off Mastergeeha B 6-1.

MUNSTER JUNIOR FOOTBALL B FINAL VICTORY

St. Brigid's claimed a fantastic victory in the Munster Junior B Final in a thrilling game in Fitzgerald Stadium on Monday 26th February. On a very cold but sunny day the Killarney girls put on an excellent team display that was their best performance of the year.

In the first half the Pres girls took advantage of the strong wind and scored a quickfire 5 goals to see them into a commanding lead by half time. The second half was a different prospect

as Rathmore had some very dangerous attacks but they were held to 6 points by a resolute Killarney defence. St. Brigid's held on to win a very open and exciting game that entertained the large crowd in attendance. The final score was St. Brigid's 6-09 Scoil Phobail Sliabh Luchra Rathmore 2-08

After the game player of the match and captain, Anna Clifford accepted the cup on behalf of her team and thanked Rathmore for

a great game, the ground staff for the use of Fitzgerald Stadium and Sean Joy, the referee for officiating. Anna also paid special mention to her own teammates and the management team of Paudie Breen and teacher, Ms. Adrienne Brosnan. The St. Brigid's team now march on to represent Munster in the All Ireland competition in two weeks time. They will face Meath and Leinster champions, Eureka Secondary School, Kells in the semi-final.

National League Basketball Division One

Lions roar too loud for lakers

Dublin Lions 86

Scotts Lakers St. Pauls Killarney 81

FOLLOWING a recent run of good form, Scotts Lakers suffered their first league defeat since December when they were toppled by Dublin Lions at Coláiste Bríde, Clondalkin, last Saturday night. A disastrous opening quarter where they fell behind by 18 points meant that Scotts Lakers were always chasing this game. However the prospect of clinching the Division One B title is still very much alive providing that they can bounce back and defeat Kilkenny this weekend.

The Killarney side were slightly under strength for this clash with Dan Griffin unavailable along with the continued absence of the injured Justin Tuason and Padraig Lucey. The opening exchanges were closely contested with the sides level at 7 points each early on. However, Lakers missed several scoring opportunities and gave away far too many turnovers for most of the remainder of this quarter. Dublin Lions led by Igor Markiewicz and Chris McNairney dominated to hit a massive 21 points compared to just five points from the Lakers. Antuan Bootle finished out the quarter with a basket and two converted free-throws but Dublin Lions were well in control to lead 34-16 at the end of the first quarter.

It was a much improved second quarter from Scotts Lakers as they worked hard to claw back the deficit and they narrowed the gap significantly as they outscored the home side by 31 points to 19. The Lakers scores came mainly through Antuan Bootle and Dailian

Mason, with a basket each from Cian Clernon, Con O'Mahony, Mark Greene and Dylan O'Sullivan. A three-pointer each from Clernon and Mason helped reduce the deficit to 53-47 at the half-time break.

Scotts Lakers continued their resurgence with a good start to the third quarter. A brace of three-pointers from Mason along with another Bootle basket gave them the lead at one stage and victory appeared well within their grasp. However, the Lakers failed to capitalise and missed several relatively easy opportunities to score and were turned over far too easily. With Mason sinking four three-pointers in this quarter, they did manage to outscore Lions by a basket but it could have and should have been a lot more.

Dublin Lions led 73-69 entering the final quarter and it was still all to play for. Both sides were guilty of squandering scoring opportunities but the Lions utilised the full-court press very well and also cancelled out the threat of the Lakers big men under the boards and gave away no easy shots. The home side managed to maintain their slight advantage leading 83-81 with 15 seconds remaining and added insurance baskets from the free throw line from Tomas Mikalauskas to secure a five point win.

Scotts Lakers: Antuan Bootle 31, Dailian Mason 25, Dylan O'Sullivan 6,

Philip O'Connor 5, Con O'Mahony 4, Andrew Fitzgerald 4, Mark Greene 3 and Cian Clernon 3. Dublin Lions: Muhamed Sabic 29, Igor Markiewicz 16 and Chris McNairney 11.

Home game title decider

While the loss to Dublin Lions was a setback, there was positive news in other results with the news that Paris Texas Kilkenny had also lost to Limerick Celtics. Scotts Lakers remain in the top position of the Division One B league table with nine wins and 27 points. In second place are Kilkenny with eight wins and 24 points and one game in hand. Kilkenny are fancied to defeat bottom club Titans this Friday night and will likely go level on points with Scotts Lakers.

This means that this Sunday afternoon's showdown in Killarney Sports Centre at 3.00 pm between Scotts Lakers and Paris Texas Kilkenny will decide who wins the Division One B Plate title. The sides clashed in Kilkenny earlier in the season with the Lakers losing 86-72. Kilkenny have some quality players

in the likes of Taylor Young, Brian Hogan, Julian O'Keeffe, James Butler and Lukasz Szulc and Scotts Lakers will need a huge improvement on their overall team performance from last weekend. It is the last home game of the season for Scotts Lakers and Killarney basketball fans are urged to come out in force to support the team. It has been a remarkable season overall for Scotts Lakers with the return to national league action after an absence of nearly a decade. The huge crowds supporting the team in Killarney Sports Centre all season is bigger than any attendance at any other division one venue and bigger than the majority of superleague venues. With a plate title up for grabs, the Killarney supporters can make a difference again this Sunday.

EAST KERRY SENIOR LEAGUE KINDLY SPONSORED BY FRANK DORAN SAFEGUARD SECURITY

Killarney Legion 2-17 Gneeveguilla 2-4

Another sound performance from the seniors and in the process registering a credible tally along the way. Gneeveguilla fielded a young team and were without a number of regulars as were the Legion but the home side were using their advantage in experience to telling effect. A resolute defence gave little away and the Legion had a decided advantage at midfield which meant a steady supply of quality ball to the forwards. A deflected 45 from Gneeveguilla ended up in the Legion net but brought an immediate response when Alan Moriarty replied with a goal which was the result of some very good support play. Credit too to Conor Keane who despite things not going his way at times persevered and ended up giving a master class in point taking from all distances and angles, bagging another goal for good measure. It wasn't for the want of effort that Gneeveguilla were beaten but they as previously said lacked that bit of experience and found scores hard to come by. Having said that their best player D.J. O'Connor took his penalty with some style and veteran Eoin Lawlor and Don Murphy gave their all.

GLENFLESK 4-14, CURROW 0-10

Glenflesk continued their good early season form with a win over Currow on Saturday at Barraduff Community Field. The first half was a one sided affair with Darragh Roche doing much of the damage with 2 goals from play and Lee and Jeff O Donoghue prominent on the scoreboard as well.

Half time: Glenflesk 2-11, Currow 0-06.

The second half continued in much the same vein and goals from Jeff O Donoghue and promising Youngster Alan Murphy gave Glenflesk a commanding win.

Full time: Glenflesk 4-14, Currow 0-10.

LISTRY 0-13 FIRIES 0-10

Both sides started this game with under strength teams, however it gave both management team's an opportunity to play some of the younger members of their panels, Firies started the better and were unlucky on a number of occasions when Jack Sherwood who made an impressive start hit the post and crowbar on couple of occasions. Listry then switched Ronan Buckley to mid field and he nullified Sherwood's dominance.

With Listry now dominant at Midfield they tagged on 4pts without reply to lead at half time 7pts to 4. Firies started the 2nd half better and reduced the lead to 1pt within a few minutes, however with Peadar Keane giving a man of the match display at half back for Listry they took over again and held out for a 3pt win 13pts to 10.

EAST KERRY SUPERLEAGUE - ROUND 1 CORDAL 1-09 SCARTAGLIN 1-05

The rearranged fixture in the East Kerry Superleague between Scartaglin & Cordal took place last Saturday afternoon in Cordal. Conditions were ideal for football between these two sides with the previous meeting between these two ending all square.

Shay Walsh who was making his senior club debut opened the scoring inside the first

minute. Cordal registered their first score of the afternoon in the 7th minute. Goalkeeper Seán Óg O Ciardubháin pointing from a free. Daniel Murphy restored Scart's lead in the 8th minute with a free following a foul on Josh Kerin. He extended this lead further in the 12th minute with a point from play following good work by Mike Coakley & Mike Horan. The deficit was reduced to one when Cordal's Sean Walsh pointed from play and the sides were soon level when Brian Reidy pointed from a free. Cordal soon extended the gap further with a goal from Kevin Walsh.

Scartaglin failed to score for the next quarter of the half despite possession and numerous chances dropping short. The lads kept ploughing on and were awarded for their efforts with a goal just before halftime. A quickly taken free by Daniel Murphy found Mike Horan who's attempt for a point dropped short & Brian Hanrahan was on hand to punch the ball to the net. The sides went in at the break all square 1:03 a piece.

Tension rose early in the second half when both teams were reduced to 14 men. Scartaglin's Josh Kerin received a straight red card in the 34th minute. Cordal soon retook the lead with a pointed free from Brian Reidy. Cordal's Micheál Cahill received his marching orders in the 36th minute which left both sides with 14 men. Shay Walsh drew the sides level with a point from a free. Cordal retook the lead with a pointed free from Brian Reidy in the 46th minute and Cordal doubled their advantage with another point

from play soon after. Shay Walsh reduced the deficit to a single point with a free in the 50th minute. Cordal closed out the remainder of the game with 3 unanswered points. Two from play and one from a free from Brian Reidy in the 55th minute to leave the final score reading Cordal 1-09 to Scartaglen's 1-05.

SPA 1-15 KENMARE 1-10

Spa had a quick lead with three points until Kenmare registered their first score. Home side pulled away even further when Shane Cronin penetrated the blanket defence of Kenmare to score a great goal. Kenmare answered back scoring a Superb goal to first half Spa 1-7 to 1-2. Second half though was much tighter when Kenmare knuckled down and put fierce pressure on Spa's backs. Both teams exchanged scores but the midfield duo of Spa of Shane Cronin and Dan O Donoghue kept Spa busy with plenty of ball supply. Kenmare was always chasing but Spa held out to finish winners Spa 1-15 to Kenmare 1-10

A TOUGH ROUND 5 ENCOUNTER AWAITS!

Those in early to the Austin Stack Park last Sunday were treated to a seat in the stand and a magnificent display of hurling. The win was enjoyed by Kerry Supporters who rightly stood and clapped the hurlers off the field. Unfortunately, the second game saw the footballers come out on the wrong side of the scoreboard. Galway proved to be a tough opposition who never relinquished their lead throughout the game. After 4 rounds, we have two wins and two losses but the positive that has to be taken from the league campaign so far is the large number of young players that have seen game time. That can only be a good thing come championship time!

Next weekend a very tough challenge awaits as we travel to Croke Park to play Dublin in the round five encounter. Last year we faced Dublin twice in the league and both were superb games. The first was a meeting in Tralee that ended in a draw and the final saw us winning by the bare minimum. Dublin are top of the Round 1 table having won all 4 games and Kerry will relish the challenge of taking on the All Ireland Champions in Croke Park.

THE LATE AMY O'CONNOR, LIFTING THE ANDY MERRIGAN CUP WITH DR. CROKES CAPTAIN JOHNNY BUCKLEY.

2019. Clubs have received a list of players who availed of this facility last year, these names must be resubmitted each year. Players availing of the 'Permission to Play' facility are obliged to complete a standard application form this year.

TWO KERRY ANGELS IN HEAVEN

Two lives were taken far, far too early last weekend. Amy O'Connor (RIP) Dr. Crokes, fought a tough battle against her illness and was an inspiration to us all. Aodhán Ó Conchúir (RIP) was a talented young sportsman who brought joy to so many. Their untimely deaths are so hard to comprehend and are utterly heart-breaking. On behalf of the entire Kerry GAA community, I wish to extend my deepest sympathy to their family, friends, club mates and teachers. May they Rest in Peace.

ALL-IRELAND SENIOR FOOTBALL INTER-FIRM SEMI-FINAL

Defending champions Liebherr's long unbeaten run stretching back to 2012 ended last Friday night after Connacht champions Medtronic came out on top in a well contested All-Ireland semi-final at Loughgeorge in Galway. Medtronic got a great start with a goal inside the first minute after a strong run and shot to the back of the Liebherr net from Martin Cody. Liebherr responded with a point from a free by Daniel O'Shea on 3 minutes and a good score with the outside of the boot from Anthony Kennedy on 5 minutes. Liebherr had a good goal chance on 7 minutes but Daniel O'Shea was denied by a great save from Keith Murphy. Liebherr drew level with a point from O'Shea on 10 minutes after a good turn and shot. Liebherr were now on top and went in front for the first time with a point from Michael Shaughnessy on 13 minutes. Medtronic went back in front on 15 minutes after Dylan Canney linked up well with John McNerney before firing to the back of the Liebherr net. Liebherr had a chance to go back in front on 18 minutes but a shot from Anthony Kennedy was saved onto the post by Keith Murphy and

cleared by Adrian Ward. Medtronic stretched their lead to 3 points with a good score from Colm Donovan on 19 minutes. Kieran O'Leary responded for Liebherr with a point from a free on 20 minutes and the margin was back to one point when Ryan Carroll scored a good point on the run after 21 minutes. Martin Cody made it a 2 point game with a point for Medtronic after 23 minutes. The lead was out to 3 points on 25 minutes after Barry Donovan scored a great point from distance. Liebherr finished the half well with points from Daniel O'Shea and Anthony Kennedy to leave the half time score Medtronic 2-3 Liebherr 0-8. Liebherr made a good start to the second half and were level on 31 minutes with a point from O'Shea. O'Leary then put Liebherr back in front with a point from a free on 33 minutes. The lead was out to 2 points on 35 minutes when O'Leary pointed another free. Brian Friel stretched the lead to 3 points with a good score on the run after 37 minutes. Medtronic had their first score of the second half when Cathal Newnell kicked a fine score from distance after 39 minutes. Barry Donovan made it a one point game when he pointed a free on 42 minutes. Good play from Liebherr on 47 minutes finished with a point from Jamie Doolan to go 2 points clear again. Dave Walsh reduced the lead to a point with a good score on 52 minutes. Dylan Canney made it a level game again with a great score from a tight angle on 54 minutes. Adrian Ward fired Medtronic back in front with a point on 56 minutes. Barry Donovan put 2 points between the teams when he pointed a free on 58 minutes. Colm Donovan made it a 3 point game on 60 minutes with a great score from distance. Liebherr now needed a goal to force extra time but despite some late pressure Medtronic defended well to advance to an All-Ireland Final meeting with Suir Engineering from Dublin next month. Final Score: Medtronic (Galway) 2-10, Liebherr (Kerry) 0-13

HANDBALL NEWS

JUNIOR A DOUBLES FINAL PLACE FOR JACK AND RORY

There was more good news for Kerry handball as Jack O'Shea and Ronan O'Connor have qualified for the final of the Munster Junior A 40x20 doubles. They defeated the Tipperary pair of John Ferncombe and Daniel Hayes 21-9, 21-4 in the semi-final. Jack said that the pair were delighted with the win which was a little easier than expected. "They are both very good players but on the night we were in top form and gelled perfectly which is vital for doubles success".

There was no luck for John Clifford and Brian McEvoy as they lost their Silver Masters B Doubles to Cork's Paul Kerrins and Phillip Carroll.

Next weekend, in the Munster 40x20 Boys u13 Singles final, Darragh Lynch will play the qualifier from Cork or Tipperary in Broadford on Saturday. At senior level Dominic Lynch will be looking to book a place in yet another All Ireland final. In the semi-finals of the 40x20 Masters A singles he faces Vinny Moran from Mayo. Also looking to book a place in his All Ireland is Jack O'Shea. He faces Denis Creaton from Roscommon in the Junior A Singles semi-final. Both games are on Sunday in Glenbeigh with the action starting at 1pm.

FARRANFORE MAINE VALLEY AC

On Saturday 24th February saw the Manx Harriers Open Race Walk Championships at Douglas, Isle of Man. This event held annually dates back to the late 1970's and has seen many international and world class athletes testing themselves over the N.S.C. perimeter raceway which is known to be a fast circuit. In recent years it has proved very popular with the younger generation and has played host to the Nihill Shield (named after Paul Nihill, the first Manx Open event winner) which is a match between Ireland and England youth walkers where the best of the younger athletes have been selected to compete for their country. Our club was represented by David Kenny. David who has been race walking for many years now continues to be a feature in many race walking championships nationally. David competed in the 10Km distance, where he had a superb race finishing in first place in a time of 46mins 26sec. This is a 3mins improvement from his previous best. A great achievement, very well done.

Munster Juvenile Indoors for U13 to U19 were held in Nenagh on Saturday 24th & Sunday 25th Feb. There were no podium positions this year from our club, but all those who competed did very well, especially when competing at new events for the first time. Siofra Foley U17 competed in the 200m dash & Shot Putt (4th). Diarmuid Kirwan U13 competed in the 60m hurdles. His brother Malachy U15 also competed in the 60m hurdles where he qualified for the finals; 5th in the High Jump & 7th Long Jump. Biting cold and blustery conditions didn't deter the competitors at an exciting Irish Life Health Munster Schools Cross Country Championships

at the WIT Sportsgrounds in Carriganore on Friday 23rd Feb. Cian Spillane (Milltown Pres.) competed in the Minor Boys 2500m race. Cian had plenty of competition throughout the distance where he was just pipped at the end to take fourth place. Shauna McCarthy (Killorglin CC) competed in the Junior 2,500m Girls race. It was a very fast race from the gun with four girls opening up a big gap from the rest of the group. Shauna held on and pushed herself into 3rd place on the straight to the finish line. Well done to you both. They now go forward to the National Schools XC final on March 10th. We wish you both the best of luck.

The fourth and final race of the Gneeveguilla AC 5k series was held in Killarney on Saturday 24th Feb. George McCarthy was 4th 17:36. Maria McCarthy was 1st lady (18:54) & Marie McKenna was 2nd Lady (20:10).

QUOTE

"To vote is like the payment of a debt, a duty never to be neglected, if its performance is possible" - Rutherford B. Hayes 19th President of the U.S. A.

ON THIS DATE - MARCH 2ND

1858 - Frederick Cook of New Orleans patented a cotton-bale metallic tie.

1865 - British newspaper "Morning Chronicle" began publishing

1866 - The first US company to make sewing needles by machine was incorporated in Connecticut.

1876 - Rutherford B. Hayes became the 19th President of the US after one of the most controversial and contentious elections in American history despite Democrat Samuel J. Tilden winning the popular vote, but was 1 electoral vote short of the quota. Republican candidate Hayes won the most Electoral College votes after a ferociously disputed ruling by a Congressional committee.

1888 - The Convention of Constantinople was signed, guaranteeing free maritime passage through the Suez Canal during war and peace.

1901 - Hawaii's first telegraph company opened

1917 - After 300 years of rule by the Romanov Dynasty Russia's Czar Nicholas II was forced to abdicate following declining popularity due to the "Bloody Sunday" massacre when palace guards shot and killed defenceless demonstrators marching on the Winter Palace.

1925 - Japan's House of Representatives recognised male suffrage granting voting rights to all males aged 25 and over. It was proposed by the Kenseitō political party and was passed into law by the Diet of Japan on 5 May 1925. Up to then only men who paid at least 15 yen a year in property taxes could vote - approx. 1% of the population.

1942 - "How Green was My Valley" starring Gary Cooper and Joan Fontaine won "Best Picture" at the 14th Academy Awards.

1969 - The Anglo-French built 'Concorde', the world's first supersonic airliner, makes its maiden flight.

WOMAN REALISED THE OLD DOG SHE JUST ADOPTED WAS SAME ONE SHE HAD AS A CHILD

It's been seven years since Nicole Grimes was

forced to give up Chloe: her beloved canine companion.

When the girl was 14 years old, her father began a job outside the home and since Chloe was suddenly alone for long periods, she would bark all day long. The Grimes family were forced to consider the neighbours' complaints about the young noisy pup, and had to give her up for adoption at a local shelter.

Though Nicole understood the reasoning behind her parents' decision, she was still heartbroken over her lost friend and never forgot her.

Now a 21-year-old mother living in Brownsville, Pennsylvania with her husband, Nicole noticed one of her Facebook friends had posted a photo of a senior dog needing a loving home.

The elderly couple who'd been caring for the dog had died recently so the couple's neighbour posted the adoption ad on Facebook. The dog looked a lot like Chloe, so she decided to adopt it and she was told by the neighbour that the couple had always called the dog Chloe.

She couldn't stop thinking about the resemblance to her childhood pal, so one day Nicole took the dog in for a microchip scan: in a strange twist of fate, the new canine family member was the exact dog that she'd been forced to give up so many years ago.

"I felt like I won the lottery," Nicole said. "I never thought I'd see her again."

Now, the little family will be giving Chloe all the love and kisses that Nicole missed out on since she was a young girl.

THE WORLD'S OLDEST GRAPE-PRODUCING VINE HAS ITS OWN ANTHEM

A grape vine in Maribor, Slovenia, clings to the outside of a building in the city centre. When in season, Žametovka grapes dangle from the plant like ornaments.

The Vine is officially classed as the oldest grape-producing vine in the world. It was planted more than 400 years ago to make wine when the Turks invaded the city. Centuries later, it's a beloved resident of Maribor and even has its own anthem, which many locals will proudly sing, glass of wine in hand.

Though the building it stretches across was once a wall that shielded the city from invaders, the vine escaped from many siege

attempts intact. It somehow managed to thrive despite the fires that blazed within the wooden structures that once surrounded the space and later endured a parasite that plagued nearby vines in the 19th century and outlasted the Allied bombing that destroyed nearby buildings during World War II.

Now, the vine wraps around the outside of its very own museum. After admiring the old plant from the outside, you can enter its resident building to learn about the city's wine heritage and sample some drinks in the wine tasting room. There's also an annual festival to celebrate the vine's ceremonial grape harvest, which yields upwards of 120 pounds of fruit. Only 100 bottles of wine are produced from its grapes each year.

WAS HE A FURRY CARJACKER, A HITCHHIKER OR AN OPPOSITION FAN OUT TO INTIMIDATE?

Officer Brandon Dennington of the Alameda County Sheriff's Office in Oakland, California was on his way to a Golden State Warriors game when he saw a mouse on the hood of his patrol car.

Officer Dennington snapped a photo of the furry 'hitchhiker?', which he later posted to the police department's Facebook page.

The post read: "We are not sure if this was an attempted carjacking but this little mouse popped up on the windshield of Deputy Brandon Dennington's K9 vehicle. Further investigation revealed the suspect was likely a San Antonio Spurs fan trying to intimidate us."

"The suspect was last seen on foot running to a hiding spot. The suspect is 4 inches tall, weighing 1 ounce and wearing a grey and white furry coat."

SCHOOL TRAFFIC WARDEN GOES BEYOND THE CALL OF DUTY FOR HER STUDENTS

Minnie Galloway has been a fixture at Trask Middle School in New Hanover County for the last 19 years. Over the course of her career as a crossing guard, she has waved at passing cars, handed out free pencils and school supplies, and made sure that "her kids" were safe and happy.

Last Winter, as the temperature dropped in Wilmington, North Carolina, she set up a free coat rack for any students who might need some warmth during the winter months.

"Some of them come with no jacket and just a T-shirt or something, and you know, I worried about them" she said.

The crossing warden bought 30 different jackets from the local Salvation Army store in hopes that at least some of the students would benefit from the free clothing and she added that "any coats she is unable to give away will be donated to a local church organisation that gives clothing to foster children preparing for new homes."

Ms Galloway first started receiving praise for her kindness when Kayla Thomas, a teacher at Laney High School, posted a photo of the crossing guard and her coat rack.

GARDENING OUTLOOK

with **John O'Sullivan**

FOCUS ON ROSES

Every garden should leave a space for roses. The colour and scent will provide plenty of interest in your garden from early summer to late autumn. There are a lot of different classes of roses to choose from but most of the time it is the hybrid tea or floribunda roses that are usually used. A hybrid tea rose produces the showiest blooms of all roses. There is a huge range of hybrid tea roses to choose from so take your time as not all hybrid tea roses are as good as each other. For example some blooms are affected by wet weather and some can be more vigorous than others so if you are going to have a mixed rose bed make sure that they are all going to grow to about the same size.

Floribunda roses: There are lots of good reasons to plant a floribunda rose even though the blooms lack the size and fragrance of the hybrid rose. The advantages of the floribundas would be the continuity of its flowering. Most floribunda roses will flower from early summer till late autumn and the flowers usually provide a much larger splash of colour than the hybrid tea rose.

Planting roses: When planting a rose, the most important thing to do is prepare the soil well as all roses are very hungry plants. Incorporate a lot of well rotted farm yard manure "horse manure" if possible before planting. When your roses are planted make sure you firm them in well with your heel as this will avoid any root disturbance later.

Pruning your roses: In early spring, cut out any old wood and any stems which are damaged. The pruned surface should be white if it is brown, prune back further. Remove any stems which rub against another so you will end up with an open centre. You can now prune about a third of the stems that are left. In the autumn you can remove dead flowers and tidy up the rose. Make sure to feed your roses throughout the growing season. Next week I will focus on Conifers.

SELF-ACCEPTANCE II

Last week we highlighted our tendency to be self-critical and extremely hard on ourselves. Self-acceptance on the other hand means accepting ourselves just as we are whilst acknowledging that there is always room for improvement. This can be very difficult however and requires a change in how we view and what we tell ourselves. By developing a 'self-accepting' voice we focus on validating ourselves rather than paying heed to the automatic negative thoughts. Instead of listening to the thought that says 'I'm not good enough' or 'I'll never get it right' we validate ourselves (much as a parent might a child) saying something like 'I know your feeling useless right now. It's Ok. This is challenging and difficult and frustrating. But you are capable. How about taking a break and coming back to it later' Despite the feelings of guilt, self-criticism and negative put downs, we can start by telling ourselves, that we've done the best we could do.

We need to look at what is it within ourselves that we don't accept – and begin to bring more compassion and understanding to those aspects of ourselves. Perhaps there is a part of us that we are rejecting based on the internal programming (and not the actual reality) that we received as a child. Sometimes our lack of self-acceptance is due to our unwillingness to feel or experience uncomfortable emotions. At other times unrealistic expectations can lead to lack of self-acceptance. When we are unable to forgive ourselves for our 'humanness' then it is very difficult to develop self-acceptance.

Practicing mindfulness can be a great way to begin to become aware of the negative, self-judging thoughts we continuously tell ourselves. It becomes like watching a movie – where you are having these thoughts but these thoughts are not who you are.

Self-acceptance isn't about fixing anything in ourselves. Instead it is affirming who we are (warts and all) at this point in time. It's not that we ignore our faults or weaknesses – we just view them as not relevant to our overall sense of acceptability. We accept ourselves today, just as we are, regardless of our shortcomings. Whilst we can commit to make changes in the future that will enrich our lives - it's about being Okay right now. The only thing we need to change at this moment in time is the way we view ourselves.

A WORD OF VICTORY

Welcome back dear reader you may have heard the phrase 'you will reap what you sow'. It comes from the Bible in the book of Galatians chapter 6: verse 7 – "Do not be deceived: God cannot be mocked. A man reaps what he sows. Whoever sows to please their flesh, from the flesh will reap destruction; whoever sows to please the Spirit, from the Spirit will reap eternal life." Wow – that's pretty blunt. What does it mean to sow to the flesh or to the Spirit? Just because something feels good to my flesh does not mean that it is beneficial to me – in fact it is an open door to the devil to come in and bring destruction, for example accidents, disease or addictions which can all result from indulging the flesh or sin nature. There's not a lot spoken about this nowadays – it's not popular, but friend the enemy is picking people off left right and centre because of sin. Big sins or small sins as we see them don't exist – gossip is bad as murder in the eyes of the Lord! (Proverbs 6:16) Not only that, but the results of sin pass down generations, and when people mock God and ignore His commands the Lord cannot protect them against the powers of darkness if they wilfully disobey. Read the Ten Commandments in Exodus chapter 3 and the blessings and curses in Deuteronomy chapter 28 to see for yourself. To sow to the Spirit on the other hand, means to seek and honour the Lord and His Word and do what is right being led by His Holy Spirit. Jesus said "love the Lord Your God with all your heart and with all your soul and with all your strength and with all your mind, and love your neighbour as you love yourself – do this and you will live" (Luke 10:27-28). Thanks be to God that even if we have sowed to the flesh in the past and bear the scars of sin on our lives we can come to the Lord Jesus for cleansing. "Though your sins be as scarlet they shall be white as snow" (Isaiah 1:18). It's at the cross that Jesus shed His blood to cleanse us from our sins and iniquities... 'He who did not know sin, became sin for us, so that in Him we might become the righteousness of God' (2 Corinthians 5:21). Friend, Google these Scriptures or look them up in your own Bible and ask the Holy Spirit to open your understanding and He will show you the way you should go (Psalm 119:130). More next week....
