# Double whammy for hard hit tourism trade

**A** major gathering of tourism industry professionals in Killarney will be told that hotels, restaurants and hospitality businesses will really feel the brunt of the 4.5% hike in tourism VAT imposed in the Budget as potential customers will stay away because of sharply rising costs.

International tourism analyst, Noel Sweeney, said it will lead to a "double whammy" for already hard hit businesses who are also facing into the uncertainty of Brexit and the likely impact it will have on their trade.

"It will be very difficult for those relying on the British market which has already been declining in the last 18 months. In terms of our value for money rating, we are facing into a very uncertain 2019 as Sterling won't buy as much in Ireland," Mr Sweeney said.

He will be one of the keynote speakers at the third annual Let's Talk Tourism forum in Killarney on November 9 at which the industry

will take stock and plot how best to overcome the blow of the 4.5% VAT increase.

As CEO of Tourism and Transport Consult, Mr Sweeney has advised public and private sector clients worldwide on policy and strategic issues and he is firmly of the opinion that the VAT increase will make life particularly difficult for businesses outside of Dublin and in tourism hotspots like Kerry.

"Before the minister made that decision he should have had a look at areas during the months of February or November. The VAT rise is going to hit hard – it's a very significant blow," he insisted.

The respected tourism analyst said businesses like small hotels that might have been planning to invest €500,000 in an extension to their property will more than likely abandon those plans in the wake of the Budget and that will have a knock-on impact.

"Even if a couple cuts back on the number of meals they have out, because of rising costs, the VAT

intake for the Government won't increase. It was very short-sighted," Mr Sweeney said.

He said it was "a false argument" to complain that hotels in Dublin were over-priced as it's all about supply and demand.

"There's a shortage of bednights in the city and, compared to other European cities, it's by no means the most expensive. Dublin was probably under-priced for years," Mr Sweeney stated.

Other issues down for discussion at the Let's Talk Tourism forum include the impact of Brexit, learning from other markets, strategies for sustainable growth and the opportunities presented by the

China market.

Guest speakers will include Deirdre Wells, OBE, of the UK Tourism Industry Council and CEO of UKinbound, Fáilte Ireland CEO Paul Kelly, Tourism Northern Ireland chief John McGrillen, Ryanair's Peter Bellew, Mark Henry of Tourism Ireland, Yvonne Holmes, AIB, and Minister of State for Tourism, Brendan Griffin.

# €32,600 AND COUNTING FOR PIETA HOUSE IN JOHN'S MEMORY

Photographed at The Killarney Avenue at a coffee morning for Pieta House in the memory of John Broderick were Crokes footballers Fionn Fitzgerald, Johnny Buckley and Daithi Casey along with John's Father, Denis Broderick, his wife Sandra Broderick, his Mother Joan and his daughter Grace Broderick. Photographed at The Killarney Avenue at a coffee morning for Pieta House in the memory of John Broderick was Caoimhe O'Sullivan Killorglin.

On Saturday last, family and friends of John Broderick gathered at the Killarney Avenue Hotel to raise funds for Pieta House.

The event was held in the same venue that John and his wife Sandra were married in on 27th December 2012.

"I married my best friend and soulmate and we celebrated the 'most special' day of our lives in The Killarney Avenue Hotel. Less than 6 years later on 27th October 2018 in the same function room of the hotel with my little girl and my husbands family, we held a coffee morning event in aid of pieta house in my husbands memory after tragically losing him to suicide", Sandra told the Killarney Outlook.

"Although it was difficult and upsetting for us remembering such happy times in that room just a short time previous, we also knew that what we were doing would help others who suffer with hopelessness and depression", she added.

Within the 3 short hours of 9am to 12pm, the coffee morning raised over €10,300. On the Friday 26th October in Fexco, Killorglin where I work a similar event raised €7,000. Along with online donations and cheques received, a massive €32,600 has been raised to date to date in the past 7 weeks since setting up the Pieta tribute page.

"My husband John was an amazing person who did so much for charity. He was a kind, caring person who always put everyone else before himself. He was a fantastic husband and a proud father to our beautiful little girl Grace and I know he would so happy seeing what we have done to help others who struggle like he did", Sandra said.

"Crowds queued all morning at the doors to join us in helping to raise funds and it was an amazing turn out. People we never met before came to support the event after reading about the beautiful person we lost who constantly helped others during his time here with us. From start to finish everything exceeded our expectations and shows us the effect my husband had on others and we will be eternally grateful to everyone involved", she said.

Sandra, Grace and John's family would like to thank the management and staff of the Killarney Avenue Hotel for their generosity and help setting up this event, Fexco for such great work colleagues and friends who supported them the whole way through the organising and planning, businesses in Killarney, Killorglin, Tralee, Castleisland and further afield who very kindly donated beautiful spot prizes, family and friends who went to the trouble of organising huge amounts of home baking, our entertainment and guest appearances who gave their time on the morning and close friends who helped out in every way possible to make the whole event the success it was. John's work friends also showed huge support before and during the event and it meant a lot to us to see them all there on the morning and hear about their happy memories of John that they now cherish.

The online donation page is still open for anyone that would still like to donate.

# A PAST HERO REMEMBERED AND TODAY'S HEROES CELEBRATED

**A**t the end of this month fifty-five years ago, at the relatively young age of 65, Monsignor Hugh O'Flaherty – The Vatican Pimpernel, passed away peacefully at his sister Brid's home in Cahersiveen. In many places around the world, his passing was mourned and noted by such iconic journals as The New York Times. Remarkably, the national media and indeed political establishment in Ireland did not mark his passing in any notable way. Seventy-five years ago, in Nazi occupied Rome, also at the end of this month on the steps of St Peter's under the Arco delle Campane (The Arch of the Bells), Monsignor Hugh met POW escapee Lt Col Sam Derry, and so began the short but dramatic story of the Rome Escape Line.

Together and with the help of many other brave people like Henrietta Chevalier, John May and Delia Murphy (Famous Irish singer and wife of the Dr T J Kiernan Irish Ambassador to the Holy See), they ensured the safety of over 6000 people until Rome was liberated less than 8 months later in June 1944. On that day – as incredible as it may seem, the Rome Escape Line was still successfully hiding almost 4000 POWs throughout Rome – under the noses of the Gestapo.

On the evening of Saturday November 3rd at 8.00.p.m., in the beautifully restored Killarney House, as part of the 11th Hugh O'Flaherty

Patricia Murphy, author of "Leo's War".

Memorial Weekend, we will be remembering Monsignor Hugh and, in his name, celebrating the bravery and humanitarianism of modern-day heroes represented by the Irish Coast Guard, Kerry Mountain Rescue and the RNLI. The original nomination read:

"Be it windswept high mountains, dangerous shorelines or stormy seas, when called upon, at a moment's notice and without regard for the race or creed of those in need, they put

their lives on the line to help others. Over the years, members of these rescue organisations have lost their lives while attempting to save others".

The Mayor of Killarney Municipal District, Cllr John Sheahan will present them with Humanitarian Award Citation Scrolls on behalf of the people of Killarney. From representatives of the O'Flaherty Family and Memorial Society they will receive the Hugh O'Flaherty Humanitarian Medal and as with last year the Schools of Killarney Parish have come together to generate a Schools Bursary for the Award Recipients.

The Award Ceremony will commence with the official launch of a new novel for young readers titled "Leo's War". Based on Monsignor Hugh's wartime activities, it's author Patricia Murphy has written and published several historically based children's novels, including the best-selling 1916 novel "Molly's Diary". Patricia will talk about the importance of getting children to "buy-in" to history through reading historically based works of fiction.

The Award Ceremony is open to the public and admission is free but seating will be limited so early arrival is advised. The Hugh O'Flaherty Memorial Society gratefully acknowledges the support it receives from Killarney Chamber of Tourism & Commerce and from the Community Support Fund of Kerry County Council.

## Sean takes the reins at The KERRY GAA STORE

Cromane native and former Kerry footballer, Sean O'Sullivan has taken over as manager of The Kerry GAA Store in the Killarney Outlet Centre.

Sean, who holds four All Ireland Medals takes the reins from Niall "Botty" O'Callaghan who is set to return to the family business - The Failte Hotel.

The store opened in 2013 and supplies exclusive Kerry GAA merchandise to both football and hurling fans, with all profits from the store going directly to the training of Kerry intercounty teams.

"We wish Sean the very best of luck

in his new appointment. We would also like to sincerely thank Niall O'Callaghan for his outstanding contribution to the success of the Store over the past four and a half years and we wish him every success in the future", Kerry County Board PRO, Leona Twiss has said.

Last Monday, the new Allianz League gear was launched in the GAA store Killarney by Peter Keane and a number of Kerry Senior Footballers and Hurlers. These items are exclusive to the store in Killarney and online on the Kerry GAA website.

Niall O'Callaghan hands over the keys to new store manager Sean O'Sullivan at the Kerry GAA store.

# RDS EXHIBIT FOR KILLARNEY ARTIST

**A** Kerry ultra runner who portrays her abundant energy through her work will exhibit at Ireland's premier art fair Art Source, which will be held at the RDS from November 9-11.

Tina Reed (52) from Killarney completed an iron man last year and regularly runs distances of up to 100 miles, saying that age is only a number, not an excuse.

"I'm passionate about the outdoors and I'm passionate about painting and it's a pure joy to me that I can combine the two," she said.

"I paint from nature, autumn woodland scenes and florals, hill runners, galloping horses, swooping birds and crashing seas.

"I am really energetic in all I do and try and translate that into my paintings by use of a palette knife, which allows me to work quickly and to express movement and direction.

"My paintings are vibrant and colourful and the paint is layered and textured to build a bold impasto."

Tina, who is a member of Visual Arts Ireland, just finished a 5m by 2m exterior mural of Fionn MacCumhaill, commissioned by Killarney Town Council.

"I was lucky that the weather was so dry this summer but the heat meant that the paint was drying almost too fast on me," she laughed.

Irish art lovers have the chance to get their hands on 100 pieces of original artwork for €100 – as well as unique works by Andy Warhol – at the RDS.

Over 15,000 people are expected to view exhibits from artists across all genres at the biggest art event of the year which features over 175 contemporary artists and galleries over two floors showcasing painting, sculpture, photography, illustration, prints and ceramic art.

From cutting edge contemporary art, realism and portraiture, to abstract art and landscapes, Art Source 2018 will showcase it all in one place and give visitors a fantastic opportunity to meet the artists and to buy directly from them for three exciting days in November. There is a huge emphasis on visitor involvement at Art Source, and this year the show features a number of amazing attractions for children over two floors – including a Superhero Transformation Station.

Art Source takes place at the RDS, Dublin, from November 9-11, admission is €10 adults, €8 OAPs. Children under 16 free only if accompanied by a parent or guardian.

Opening times: Friday Nov 9: 11am-9pm, Sat Nov 10: 10am-6pm, Sun Nov 11: 10am-6pm. See [artsource.ie](http://artsource.ie).

## The Circus is rolling into Tralee once again

Every November, Tralee becomes a haven for the eccentric and wonderful world of contemporary circus as the National Circus Festival of Ireland rolls into town. National and international performers take to the town, showcasing their physical skills and strength in unique & highly entertaining shows to delight their audiences. Alongside world-class performances, the festival offers workshops for beginners and experts as well as parades, free on-street entertainment and lots more!

Founded by the Fanzini Productions in 2001, the festival has steadily grown in numbers, offerings and accomplishment. The festival had a busy year this year having won 2 stages of the National Lottery Good Causes Award in the category of Arts & Culture, bringing NCF through to the national final which will be televised on Virgin Media Ireland in early November. Con Horgan said of his excitement about the win, "We are beside ourselves with excitement that our 18 years of work, passion and commitment is being recognised amongst such a wonderful list of good causes nationally. We are humbled and honoured to have won the first two stages of the National Lottery Good Causes Awards to get us to the national final in the arts & culture category. This is a big moment for The National Circus Festival of Ireland & for contemporary circus in Ireland." The festival will now go on to represent Kerry in the upcoming finals on November 3rd.

The festival is also proud to support and be supported by local businesses as well as founders the Arts Council, Kerry County Council, Tralee Chamber Alliance, IOMST insurance, Fáilte Ireland and of course Siamsa Tíre Theatre where performances will take place throughout the weekend. **MONEY MATTERS.....**

By Dermot Cronin,  
**Financial Advisor**

**SHOULD I CONSIDER FIXING MY MORTGAGE NOW**

Yes, as it is widely predicted that mortgage interest rates may start increasing in Ireland 2019 and if they do people on a variable rate mortgage could have substantial increases in their mortgage repayments. Some Irish lenders have reduced their Mortgage interest rates much more than others and I strongly recommend you compare lenders interest rates before deciding the rate and lender that suits you best. Some lenders have reduced their interest rates much more than other lenders. Switching lenders is also an option also and is worth considering. A big decision for anyone with a mortgage is whether to fix the mortgage now or wait to see if interest will go down even further, the problem with this is that interest rates could increase while you are waiting for them to decrease. It is important to talk to a financial advisor about interest rate options and also to compare the interest rates of different lenders as your lender may not be offering interest rates as low as other lenders.

# ALDI TO BUILD NEW KILLARNEY PROJECT FRESH STORE

Colm Foley, ALDI, Killarney. PHOTO: DON MACMONAGLE

**A**ldi has received planning permission from Kerry County Council to build a new Project Fresh store in Killarney.

The new store will be located at Ardshanavooly, adjacent to Aldi's current Killarney store which has operated in the town for over 12 years bringing greater competition, choice and value for money to Killarney. When complete, the new larger store will replace Aldi's existing Killarney outlet.

Welcoming Kerry County Council's decision, Colm Foley, Aldi Killarney's Assistant Store Manager said, "The whole Aldi Killarney team is delighted with Kerry County Council's decision to grant planning permission for our new state-of-the-art store. Introducing the Project Fresh format will provide an even better shopping experience to our customers, while its environmentally friendly design will contribute positively to the fabric of the town."

With a shop floor measuring 1,254m<sup>2</sup>, the new store will be almost 50% larger than Aldi's existing premises. It will boast more chillers, a wide selection of fresh food at the front of the store, hi-spec fixtures and fittings and new signage that provides a more efficient and hassle-free shopping experience. There will also be 113 free car parking spaces available.

The development will also be professionally and comprehensively landscaped, provide vehicular and pedestrian access from Artubus Drive and Park Road and all of this will be considered as part of the Traffic Impact Assessment.

Aldi plans to finish construction of the new store by 2020. The development will see a substantial investment into the local area as well as the creation of new permanent jobs once the store opens, along with many more during the construction phase. Aldi's existing store will remain fully open during the entire construction phase to serve customers. Once the new store is completed, the current store will be returned to the landlord.

Since first opening its Killarney store in December 2006, Aldi has become an established part of the town's retail landscape. The store participates in Aldi's national partnership with FoodCloud, donating surplus food to local charities daily including Killarney Community Services and Kerry Parents Killarney. The store has donated over 50,000 meals to charity to date. Aldi Killarney is also part of Aldi's Community Grants network, with St. Oliver's National School, Knockanes National School and My Canine Companion availing of the €500 bursary grant in recent times.

## Call for Resurfacing on Ross Road

At the next Killarney Municipal Meeting of Kerry County Council, Cllr. John Sheahan is calling on KCC to address the health and safety issue regarding the dangerous condition of Ross Road. "Many people have brought this issue to my attention as the road is severely worn down and is in urgent need of resurfacing", Cllr. Sheahan told the Killarney Outlook.

## Great send off for Kathleen

Staff at Faha National School gathered last week to say farewell to Kathleen McAuliffe.

Having taught for 36 years at Faha NS, Kathleen was the recipient of many presentations, several tributes and hundreds of good wishes at a special mass held at Faha NS on Wednesday 24th October to mark her retirement. Her love of teaching, her excellent teaching capabilities, her dedication to the school choir and her fun loving personality were among the fine qualities singled out for special commendation at the mass. She will be remembered for her love of Irish and music, her many sayings but most of all for the joy and fun she brought to the school that makes Faha NS the happy place it is today. She will be greatly missed by all the children, staff and parents of Faha NS.

As the saying goes Ní bheidh a leithéid ann arís. Wishing you lots of happiness and relaxation in your retirement Kathleen.

# CHAMBER LAUNCHES STRATEGY TO BECOME IRELAND'S LEADING ACCESSIBLE DESTINATION

Chamber business member gathered at The Brehon Hotel as Minister Brendan Griffin launched, Killarney Chamber Of Tourism and Commerce's development strategy to become Ireland's leading accessible destination.

The Killarney Chamber President, Paul O' Neill welcomed everyone, especially the Minister, Fáilte Ireland and Kerry County Council.

In Paul's address he outlined the plan "We are trying to create a destination for everyone. As an Industry we have to make sure we give a world class service to all people through the full human life cycle. To do this we must make sure our facilities, products, services and IT are inclusive to all"

He went to point out where the journey began through chamber member, Paudie Healy and Universal Access and the work they were doing internationally, they were selected by the European Network for Accessible Tourism(ENAT) to develop and manage the World Tourism For All international pilot and Universal Access selected Ireland and Killarney to run the pilot.

He went on to say how he joined Universal Access as a Chamber representative in Edinburgh in 2016 along with Fáilte Ireland at a ENAT

network event that they hold once a year for their members, national and city tourism agencies from European countries. He said "I not only met incredible people in the industry but re-enforced in my mind the fantastic commercial opportunity when I saw what other countries were doing and when I took over as Chamber President in 2017 I made it one of my main objectives to drive this agenda"

He thanked and congratulated all the hotels in Killarney that were part of the pilot and Kerry County Council as a key partner who play a vital role on the ground in terms committing to developing our public realm and public services accessible and inclusive to all going forward.

He went on to say "For this project in Killarney, Kerry and Ireland to be a success it is going to take collaboration between all different tourism service providers in the private sector, local and national government and various stakeholders and tonight we are launching a development "Strategy/ a pathway/an intention"; this is NOT the finished article". "We are by no means currently a leading accessible destination". "Everyone here tonight and the wider business community through all different sectors and the

public bodies must be part of the journey" and he went on to say "Universal Access will be giving this opportunity to all businesses be part of the Killarney A Destination For All through the World Tourism For all Program over the next number of months".

"Capital investment, upgrading and modernising of facilities will develop over time but to begin with it is about showing a desire, knowledge and an openness to help our visitors and their individual needs and that is done through training and awareness".

"As the President, it was one of my key pillars for my term. It gives me great honour and satisfaction that we are now developing a town and offerings that will benefit both locals and visitors through being totally inclusive end to end. For the industry we have a huge opportunity for our businesses and the town, we can future proof our assets, open u to a whole new market, extend our shoulder season, retain and have a new avenue to staff talent, increase our bottom line and the most important thing be leaders as an inclusive industry.

We in Killarney have a long tradition in looking after our visitors.

"Killarney- A destination for all" is just what we do and who we are so let's go now and build a world class leading accessible destination" he went to finish with. Failte Ireland's Business Development Manager Ms Tara Kerry, congratulated Killarney chamber and Kerry County Council on their work done to date as part of the selected clusters by Failte Ireland.

Kerry County Council Chief Executive Ms Moria Murrell also said "they were totally committed to developing the county and Killarney inclusive to all and this is part of their tourism strategy and also from recommendations out a series of works completed by Universal Access on behalf of KCC for both the county and Killarney".

Managing Director of the Gleneagle Group, Mr Patrick O Donoghue spoke of the huge opportunity he saw for individual businesses but

more important as a collective for Killarney. He went on to outline how his group is embedding the World Tourism For All programme through all their properties and outlined the economic return he has seen immediately. He said "he was delighted that his hotels have been the first in the World to achieve the World Tourism for All accreditation at different levels and looked forward to continuing the journey in developing an world inclusive offering to all the groups guests and staff". CEO of Universal Access and Killarney chamber member Mr Paudie Healy whom introduced accessible tourism to Ireland presented a very comprehensive business case of the changing tourism markets in Europe and outlined on research done for the European Commission, the market needed over another two million tourism services providers through the full chain to just meet demand alone by 2020. He also said that "being able to show and prove inclusive tourism throughout the full business culture is now a major part of destinations and businesses winning world conferences and meetings and how other European countries have identified this". He went on to say "that in his opinion Tourism For All is worth at least One

Billion Euro at a minimum to the Irish economy if the right strategy and funding supports are put behind it".

He also said how delighted when his company was selected to partner ENAT and develop and manage the ENAT International Pilot and announced that Universal Access were awarded the Master License for Ireland on the World Tourism For All Programme at a ceremony in Brussels in June this year for all service providers in the Industry. He said "he looked forward to giving all Killarney and Kerry Businesses this opportunity" and congratulated all the hotels that were part of the programme so far and finished by saying "not to underestimate the impact on the quality of a person's life the businesses are making by giving a world class service to a person's individual needs as an inclusive service provider through their facilities products and services".

# 7TH YEAR OF STORYTELLING IN SNEEM

Storytellers from America and across Ireland, singer/songwriter and yarn-spinner John Spillane, Fishamble's 'Silent', written and performed by Pat Kinevane, The Story Swap Sessions and The Young Tellers Concert are just some of the delights awaiting you at the 7th Sneem International Storytelling & Folklore Festival which takes place in the village of Sneem in South Kerry this November (9th -11th).

Festival founder and local seanchaí Batt Burns said, 'We've nurtured young talented tellers to perform year on year but there should be a more formal route to develop this tradition. Not

just for tradition's sake either. Storytelling might be an ancient tradition but our education should take note of the positive role it could play in developing great communicators of the future."

With Connie Regan-Blake (USA), Frances Kennedy and Tom Moore (Kerry), Pat Speight (Cork) and festival founder Batt Burns all ready to tell some tales, a storytelling concert will also delight festival-goers as Cork's John Spillane steps into the limelight. ## CALL FOR DEDICATED ALZHEIMER'S PARK IN KERRY

A Kerry County Councillor has called for the provision/development of a dedicated Alzheimer's Park in the county. The matter was raised by Councillor Michael Cahill at this month's meeting of Kerry County Council. Councillor Cahill said a dedicated Alzheimer's Park will serve as a respite for the ever-increasing number of people in our County that have been and continue to be diagnosed with this terrible illness and their Carers. "I believe it is important that Alzheimer patient's, thier carers and their families have some place where they can go and feel comfortable "stated Councillor Cahill. The Fianna Fail Councillor said that he understood that there was only one such Park in the world, in Ohio which was developed in the late 90's and this has proved to be a great success. "Most families either have a family member that suffers with Alzheimer's or at the very least knows someone that has the illness and I believe if Kerry County Council provides a site and help develop such a Park, that it will be very well received by the general public and would be a very popular project " "The Council have a number of suitable sites in their ownership throughout

the county" stated the South Kerry Councillor. The Fianna Fail Councillor said he knew of a number of people who would be interested in contributing to the project if the Council provided a site. Councillor Cahill's Motion was seconded by the Mayor of Kerry, Councillor Norma Foley.

# KILLARNEY VENUE FOR WOMEN & AGRICULTURE CONFERENCE

*Diane McGarrigle, FBD Insurance branch manager Letterkenny, Carolyn O' Hara FBD Insurance Munster and Amii McKeever, Editor Irish Country Living joined by some of the 630 delegates who attended the 2018 Women & Agriculture Conference in The Europe Hotel & Resort Killarney on Wednesday.*  
**PHOTO: DONAL O' LEARY**

**O**ver 600 ladies gather for 11th annual Women & Agriculture Conference in Kerry It was another animated discussion this year concerning the topic of women in leadership roles in farming organisations. Last year, there was a clear call at our conference to see women progress in organisations such as the IFA. One year later and there are now five female county chairs. Mairead Lavery chaired the lively discussion with Caroline Farrell, IFA Farm Family & Social Affairs Chair, Anne Baker, North Cork Chair and Imelda Walsh, North Tipperary Chair looking at the changes that have been made and what more can be done in the future.

Not surprisingly, another lively debate was the panel discussion focusing on the future of Brexit and the CAP. However, unlike other debates that focus on the agricultural industry as a whole, the panel which included Justin McCarthy, Editor of the Irish Farmers Journal, Anne Randles, Ornua Director and farmer Celine Mc Anenly really focused on inside the farm gates and the real impact on farming families.

Hard work and determination got Briege Corkery to where she is today, one of the best GAA stars of all time. She has a record-breaking 18 All-Ireland football and camogie medals and also manages a herd of more than 540 cows with her husband, Diarmuid, at their farm in Crookstown, Co Cork. Her uplifting motivational speech left the ladies feeling inspired to fight for what they really want in life.

It was Mary Kennedy however, that really touched the hearts of the audience. Celebrating success, highlighting the importance of community spirit and showcasing Irish businesses in rural Ireland are qualities that characterise both Nationwide and Irish Country Living. Travelling the length and breadth of the country, Mary really understands the efforts that are made on the ground in rural Ireland and her words of inspiration lifted the mood at the end of the day.

The QQI Awards Certification Ceremony held in Killarney Community College on Friday last was a most enjoyable uplifting evening. Over one hundred and fifty proud students were presented with their QQI Certificates. The QQI Awards were presented to both day and night students of the College. The day students graduated in Office Administration, a fulltime

Level 5/6 one year course. Night course Award Recipients had studied Occupational First Aid; Accounting - Manual & Computerised; Special Needs Assisting and Healthcare Support. These achievements greatly represent the College Mission Statement of "Excellence in Learning for Life through Respect, Responsibility and Inclusion".

Mr. John Keane, Director of Adult Education in Killarney Community College congratulated all the recipients and commended them for their dedication, endeavour and personal success. He light-heartedly permitted them to return to the arms of their loved ones after neglecting them during the course of their studies! College Tutors were in attendance and Mr. Keane acknowledged them for the tuition, guidance and support afforded to the students over the year.

Former Director of Adult Education, Mr. Tom Looney was the very Special Guest of the evening. In his entertaining inspiring speech, he regaled the audience with stories of old and reminded all of the life-time Mission of Killarney Community College to provide Adults with the opportunity to achieve through lifelong learning. He commended the commitment and personal sacrifices made by many to complete their courses. He reminded graduates of the importance of QQI Certification and encouraged them not to stop now.

The highly successful evening ended with light refreshments and an opportunity for students to meet with their peers and tutors.

# ARE YOU WINTER READY?

Bad weather such as torrential rain, severe winds, fog, ice and snow can strike suddenly catching road users off guard. Before setting off on a journey check to see if there are any problems on your intended route.

## Here are some useful links:

✓ **Visit the Department of Transport** for updates on Public Transport Tune in to your local radio station to get latest ✓ updates in your county

## ✓ Check the weather at Met Eireann

For updates on conditions on Motorways and National roads visit the NRA's - The Road Weather Information System

✓ **Check the Garda website** for travel warnings For update on the latest traffic news visit the AA Roadwatch website Check for live weather and Garda updates as you travel – but remember not to use your phone while driving Check your Local Authority website for updates

## ✓ Is Your Vehicle Ready for Winter?

As the saying goes 'Prevention is better than cure', so take some time to prepare both your vehicle and yourself for the challenges of winter driving. Your first step should be to get your vehicle serviced to ensure it is fit and safe for winter driving.

## You should:

✓ Check for wear and tear on wiper blades and replace them as soon as they start to smear rather than clean windows.

✓ Keep tyre pressure at the manufacturer's recommended level and check you have at least 3 millimetres of tread depth.

✓ Check that your spare wheel is in good condition and is fully inflated. Some cars may have an inflation repair kit instead of a spare wheel. Make sure that you know how to use it.

✓ Make sure all vehicle lights are working and clean and top up with anti-freeze and screen wash.

## ✓ Be Seen to Be Safe!

When out cycling or walking, especially in rural areas, high visibility reflective clothing and lights are the only way to stay safe when out on the roads.

✓ A vehicle has a greater chance of seeing you during dark winter days and nights if you wear something reflective and carry a torch. In turn cyclists should make sure their bikes are fitted with front and rear lights.

As children make the journey to school often in the dark, parents really need to make sure their child can be seen. If walking or cycling to school, especially in rural areas they need to wear reflective clothing. If your child gets the bus to school, please make sure they wear reflective clothing so they can be seen at the bus stop. Don't leave them standing on the side of the road in the dark to wait for a bus!

## WHAT IS GLAUCOMA?

**GLAUCOMA** is the name given to a group of eye conditions where the optic nerve at the back of the eye is damaged. It is often linked with raised pressure within the eye, although the eye pressure can sometimes be normal. When the nerve is damaged, it can start to cause problems with the peripheral vision (side vision) and, if left untreated, can cause permanent damage. With early treatment, further damage to vision can be prevented. Glaucoma may not have symptoms and this is why it is very important to have regular sight tests.

**SYMPTOMS**  
The danger with open-angle or chronic glaucoma (slow onset) is that, in the early stages, your eyesight may seem perfectly normal. There is no pain, but your peripheral vision (side vision) is being damaged. Eventually your central vision can be affected. This can be described as tunnel vision because it feels like looking down a long tube. It's important to have regular sight tests as open-angle glaucoma often does not have symptoms.

**TREATMENT**  
Open-angle glaucoma is usually treated with eye drops which reduce the pressure in the eye. You will need to use these daily. Occasionally people with open-angle glaucoma need surgery to control the pressure.

**RISK FACTORS**  
Age is the biggest risk factor for glaucoma. However, your risk also increases if you have family members with glaucoma.

## FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

### SOME FUN FIT FACTS

- If you're always in a bad mood, then getting fit just may help. Regular exercise can enhance mood and overall well-being.
- Regular exercise is linked to better sex, because it can improve body image, energy, self-esteem and overall fitness.
- In spite of what you may have read, there is no "best time to exercise." Exercise any time of the day will benefit you. The main message is to keep moving and even if its only taking the stairs instead of the lift or parking the other side of town to walk to work, then do it. Sometimes we make such a deal about working out, thinking we must have all the gym gear on to exercise! we take for granted that actually walking around town getting your few jobs done, cleaning, gardening, washing the car, cleaning the leaves are all sneaky ways of keeping fit. So get Cleaning.

### CARDIO FUN FACTS:

- Frequently running long distances may actually encourage your body to hold onto excess weight. The more you train to run long distances, the more efficient your body becomes at doing this, so you end up burning less energy when you're running.
- By the time you have reached 50 years of age, you will have walked approximately 75,000 miles.

### Exercise:

Walk for 30 minutes or just hit the gym. Indulging in regular exercise will not only cleanse your skin but will also nourish your blood cells. This further helps to flush out the waste products from your skin. Exercising regularly helps reduce stress, prevents acne and will keep you healthy overall. Being healthy and fit = beautiful skin naturally.

## November is good for our mental health!

November silently sneaks up on us. Outside the landscape is changing. The leaves have fallen from the trees, there's no dappled shade, no butterflies or bees or endless shimmering evenings of sunlight. Silvery gray shafts of light reveal a landscape that is bare of pretense. So, too it is with us. November calls us to reflect on where we are, to take stock of what we have achieved, how we have lived and what will carry us through towards the end of the year and beyond. The long winter evenings invite us to sit in front of the fire and dream as we watch the flames flicker. Or, perhaps to walk outside and become one with the mists as they tumble down the mountain side. With the world moving and changing at an ever increasing speed, it is vital to stop, slow down and spend time in a reflective, contemplative space.

This kind of inner reflection is key to looking after your mental health. When we are constantly busy with how much we have to do, we become overwhelmed and stressed. Take some time, let the seasons remind you that everything changes and everything needs space to let go, wind down, re-charge and return to it's own sacredness of being. Have a beautiful November!

Spa 2-19 Scartaglen 1-4

The opening game of the East Kerry O Donoghue cup took place at home. We settled well in the first half with Mike Stam O Donoghue back to form after his recent injury. In fact, Stam was the top scorer of the day. Spa pulled away even further popping over some excellent scores from Conor Stack, Ciaran Spillane, Liam Kearney, Paudie O Donoghue. Dara Moynihan had a great game and even the recent events and media circus, couldn't slow him down. Spa were the superior team on the day and deserved the victory but Scartaglen didn't make it easy for them to advance to the next round.

James Devane, Eoin Fitzgerald, Dan O Donoghue, Eoghan Cronin, Ciaran Spillane 0-1, Shane Cronin 0-1, Eoin Cronin, Andrew Garnett, Liam Kearney 0-1, Corey Doyle 0-1, Michael O Donoghue 1-8, David Spillane, Niall McCarthy, Niall O Mahony 0-1 and Dara Moynihan 0-1. the half went on Fossa began to pull away with Harry Kelly and Sean Dineen getting some great scores to help Fossa win the match. ## KILLARNEY COMMUNITY GAMES NOTES

Killarney Community Games are holding their annual AGM this Sunday evening 4th November at 8pm in Dromhall hotel. It is vital that all parents whose children have competed for the area in the various activities or whose children intend to compete in the future should attend this meeting as if we don't have enough members to complete and help the committee, we may not be able to continue the tradition of community games in the area. Community games is a brilliant experience for boys and girls aged 7-16 and all the sports are catered for and indeed all the cultural are catered for too. However, if we don't have enough active parents on the committee we may not be able to enter the children in the various activities going forward so we need to see you all on Sunday night.

## KERRY PITCH & PUTT CLUB NEWS

UNFORTUNATELY, it ended in defeat for Deerpark in the Semi-Finals of the National Inter-Club event in Royal Meath, Clonee last Saturday as they lost out to eventual winners Gowran of Kilkenny by 5-4. The Killarney club had led after the morning's Scotch Foursomes matches, the combinations of Lorcan Martin & Darragh O'Callaghan along with Gearóid Cronin & Adam Kelly halving their matches but a 5&3 win for Declan Kelly & John O'Brien in their match gave Deerpark 2-1 lead at the halfway stage.

Gowran would go on to dominate the Singles however with a 2&1 win for O'Callaghan, Deerpark's only success in the six Singles matches as halves for Kieran Fitzpatrick and Declan Kelly meant Gearoid Cronin's 2&1 loss in the remaining Singles match gave Gowran a 5-4 win. The Kilkenny club would go on to win the Final against Riverdale of Nenagh

later in the day. The County Board offers commiserations to Deerpark on their loss as well as condolences to team member Noel Moynihan on the death of his father in the build-up to last Saturday's event.

On Sunday Deerpark held their annual Scratch Cups, this time over a shortened distance of 36 holes for all grades with Shane Hoare from the Larkspur Park club in Cashel the victor in the Senior competition (sponsored by Tadhg's Boutique, Killarney) with 13 under par, two ahead of Deerpark's Damien Fleming who finished on 11 under. Tralee's Jason O'Regan was third meanwhile on 10 under. The Intermediate (sponsored by O'Callaghan's Coach Holidays) and Junior (sponsored by the McLellan family) grades meanwhile saw some solace for Deerpark Inter-Club players Gearoid Cronin and Darragh O'Callaghan.

Cronin retained the Intermediate event with a score of four under par, one ahead of four players who all finished on three under par namely Deerpark brothers John and Robbie

O'Brien Jnr along with Castleisland's Timmy Looney and Tralee's Roger Guthrie with the O'Brien brothers finishing second and third respectively on countback.

O'Callaghan meanwhile won the Junior event with a score of two over par, five clear of club-mate Colm O'Dowd in second with another Deerpark player John Murphy a further two shots behind in the third.

The Ladies 11-18 prize was won by Margaret O'Donovan from the Bruff club in Limerick with a score of 131. While the year is now concluded beyond club level, we remind everyone that the County Board AGM takes place in Castleisland on Monday November 12th at 8pm. Nomination and Motion forms have been issued and are asked to be returned to County Secretary Jason O'Connor by Friday week November 9th.

Last weekend saw a return of the John C Cooper memorial championship to a two day event. Frost had threatened to cancel the double shotgun on Sunday, so newly appointed Captain James Curran took the decision to revert to a single fourball shotgun at 10.30am. The cold morning gave way to beautiful sunny conditions, which highlighted the quality condition of the Killeen course.

Special thanks must be given to Enda Murphy and his course staff as the course and especially the greens were in perfect condition. The course was set up hard but fair and that was reflected in the modest scoring apart from a superb nett 70 by Ger Hogan who lead proceedings after round one.

#### QUARTER FINAL

##### KILCUMMIN 2-13 LISTRY 0-14

Played in Kilcummin on Saturday, the home side had a workmanlike victory over Listry, in this Dr O Donoghue Cup quarter final, jointly sponsored by The Aquila Club and Dr O'Donoghues Family.

Kilcummin led by 1-3 to nil after 7 minutes – the goal from Sean O'Leary after a strong run through the defence. Listry slowly reduced the lead with points from Joseph Clifford and Anthony Sweeney – 1-6 to 0-5 after 20 minutes. Padraig Nagle kept the Kilcummin scoreboard ticking over before a strong run from centre back by Anthony Kennedy saw him strike a power point for Listry. The response from Kilcummin was emphatic. Despite a tight hours man-marking by Danny Wrenn on danger man Ian Devane, the latter slipped his marker and rifled the ball to the net. Kilcummin 2-7 Listry 0-7 at half time.

Early in second half, Listry added points from Anthony Kennedy, Joseph Clifford and Anthony Sweeney – 2-7 to 0-10. Kilcummin settled with points from Chris O'Leary and Noel Duggan. Brendan Kealy came out field to convert a long range free – 2-11 to 0-11 after 20 minutes of the second half. The Listry tactic of launching high balls in to O'Leary should probably have produced more scores for Listry but the hardworking Kilcummin defence, marshalled by Donal Maher and Sean Brosnan, was ever alert and cleared their lines with authority. Philip Casey pushed the scoreboard to 2-13 to 0-12 approaching the full time whistle. A Jimmy O'Leary rasper drifted over the bar. Listry's Billy O'Brien won the kick out and lofted another ball into the danger area. O'Leary was awarded a free, pointed by Antony Sweeney as full time was called: Kilcummin 2-13 Listry 0-14.

The Aquila Club man of the match award went to Kilcummins Philip Casey.

#### FINAL - TATLER JACK EAST KERRY MINOR "C" CHAMPIONSHIP

##### GLENFLESK 6-12 CURROW 1-14

Glenflesk proved too strong for a young Currow side in the Tatler Jack East Kerry Minor "C" Championship Final, last Saturday. Played in Fitzgerald Stadium, this was open free flowing football. ## LEGION GAA NEWS

Legion U16 Girls played their East Kerry Division 1 final v Firies at Spa under lights last Wednesday evening. Firies got off to a flying start going into a 2-2 to nil lead. As we have seen all year with this group, they dug deep and clawed their way back into the game coming to within a point of Firies but the opposition tagged another goal and a pt to leave the half time score Firies 4-6 to Legion 3-4. The second half proved very tight with scores hard fought for and Firies eventually forged into a 9 pt lead which would prove too much to overcome. To be fair to our Legion ladies, they never gave up and fought to the bitter end, getting some momentum going but they ran out of time in the end.

Final Score Firies 4-12; Legion 4-7.

## DR. CROKES GAA CLUB

### SENIOR COUNTY CHAMPIONSHIP FINAL PLAYED IN AUSTIN STACK PARK DR CROKES 1-15 DINGLE 0-12

Eventhough we won this game in the end by six points we had some anxious moments in the second half. We were always at least two points clear in this second thirty minutes but some great defending and an outstanding save at the start of the third quarter by our goalkeeper Shane Murphy kept us in that position until we pulled away in the last ten minutes. A big contribution to the win came from our bench who repounded once again when called upon. All first three scores in the game came from frees in the first five minutes, Dingle scoring two points to our one. At this stage we went into overdrive and sent over seven points without reply. Five of these came from David Shaw and Tony Brosnan from long range and off play. Those at the game who felt that the match was over as a contest at this stage got this assumption wrong as our opponents hit back with four unanswered points to leave us just two points ahead at half time, 0-8 to 0-6. Our Management would have been disappointed that we failed to score in the last ten minutes of this half.

The teams exchanged points on two occasions in the first ten minutes of the second half but then we scored two points without reply for a lead of 0-13 to 0-9 at the end of the third quarter. Two points by Dingle in the next five minutes left us just two points clear with ten minutes to go. We got well on top in these minutes thanks in no small way to the contribution of our subs. We were also helped by the fact that our opponents played this last ten minutes with fourteen men. We outscored Dingle 1-2 to 0-1 in this period. The goal was an outstanding one and was a result of a great run by Gavin White through our opponents defence. He passed off to Kieran O'Leary who returned a pass to Gavin who finished it to the net.

Our win was achieved by our ability to score points from long range. Our total from play was twelve points.

Our thanks to Pat O'Shea and his selectors for the great work they put in during the year and their different tactical approach to different games. Our thanks also to our backroom team of Jimmy Galvin, Brian O'Callaghan, Matthew Courtney and Seamus O'Doherty and not forgetting Stephen Brosnan.

Team and Scorers: Shane Murphy, John Payne (Capt), Mike Moloney, Fionn Fitzgerald, Gavin White 1-1, David O'Leary, Shane Doolan, Johnny Buckley 0-1, Daithi Casey 0-4 (0-3 frees), Micheal Burns, Gavin O'Shea 0-1, Brian Looney 0-1, Tony Brosnan 0-2, Kieran O'Leary, David Shaw 0-4.

Subs: Colm Cooper, Alan O'Sullivan, Jordan Kiely 0-1, Michael Potts, Eoin Brosnan, Paul Clarke.

It was great that John Payne was nominated as Captain for 2018. He had already won six Senior County Championships and was a great leader throughout the year.

# LUCKY 13 FOR DR CROKES

DR CROKES 1-15 DINGLE 0-12

*Kerry O'Shea Reports From Austin Stack Park, Tralee*

**D**r Crokes moved to the summit of the Garvey's Kerry SFC as they clinched their 13th overall crown and 7th title this decade at Austin Stack Park on Sunday afternoon at the expense of Dingle.

It was also a memorable afternoon for former Kerry seniors Eoin Brosnan and Colm Cooper as they clinched their 8th County SFC medals, surpassing by one the previous record-holders Niall Sheehy and John Joe Landers.

Gavin White's all-important goal on the hour mark was the eventual clincher as it moved the Pat O'Shea's side into a commanding advantage, something they had not enjoyed throughout the game as they were pressed all the way by a very game Dingle side who were certainly up for the challenge.

The exchanges were keenly fought and tough but on the balance of play Crokes were worthy winners as they had class performers all over the field.

Johnny Buckley and Daithi Casey dominated the midfield exchanges while yet again and as he has done

so throughout this championship, David Shaw underlined his class as a player of the future with four wonderful points from play.

Dingle had to finish the game with 14 men following the dismissal of their captain and corner-back Padraig O'Connor for a second yellow card offence and they too had heroes the outstanding Tom O'Sullivan, Matthew Flaherty and Mikey Geaney, who was a workhorse throughout.

Crokes too negated the threat of Paul Geaney by placing two defenders on the Kerry marksman who finished the hour with just one point from play.

Despite being tightly marked, Geaney did have a great chance to put Dingle into the lead early in the second half but his effort was stopped by his Kerry colleague Shane Murphy.

Dingle began the game very brightly and had two points on the board from Paul Geaney by the fifth minute but Crokes soon got into the groove. They hit seven points in a row to move into a commanding 0-8 to 0-2 lead and at this stage Dingle's challenge was about to hit choppy waters.

But the Westerners were not done yet and thanks to two raking points

from Tom O'Sullivan, easily their player of the championship, the challengers retired 0-8 to 0-6 behind at the break.

Things were beginning to look ominous for Dr Crokes when Matthew Flaherty cut the gap to one within minutes of the resumption but this was the closest Dingle were to get to Crokes on the afternoon. Despite maintaining a slight advantage on the scoreboard, Crokes could never really press home their advantage until Gavin White's late goal eventually decided the issue.

Dr Crokes now move forward and will represent Kerry once again on the Provincial stage in a campaign that will commence next Sunday with a game against Tipperary Champions Moyle Rovers.

### HEARTBREAKS

It was an Even age weekend in the National Cups as the quest for places in the Last 32 continues. In the 12's The Park were unlucky to go out on penalties at home to Pike Rovers from Limerick at Christy Leahy Park.

The visitors were the better team in the first half and went 1-0 up. The Park took over in the second half and equalised from a Ryan O'Driscoll wonder volley. They then had a penalty to take the lead but it wasn't to be and with no further score the game went to penalties. Pike Rovers scored all their penalties to progress to the next round.

In the 14's The Park went to Limerick to take on Shelbourne and came away with an impressive 5-0 win. The opening goal came on 20 minutes when Dylan Hobbert was quickest to react when Darragh Cunnane had hit the crossbar. Cunnane then made it 2-0 after a mazy dribble. Shels tried to rally but when Venis Jahiri volleyed home to make it 3-0 it was game over. Mike Tansley setup the same player for the 4th goal. Cunnane then wrapped up the scoring from an Odhran Ferris corner.

Killarney Celtic were also on the road in the 14's National Cup and following a tight first half away at Nenagh Town the Kerry side took control in the second half. Celtic who were only 1-0 ahead at the break added four unanswered in the second half. The Hoops goals came from Owen Crowley, Luke O'Neill, Dare O'Shea and Eduardo.

Sadly the other two Kerry sides went out both after the cruelty of a penalty shoot-out. Inter Kenmare will wonder how their home game even got to penalties. They were 4-1 thank to a Yago Cornide hat trick and a Dara O'Connor goal. However Ennis Town fought back level and so after extra time is was down to penalty kicks. Ennis Town showed no fear and 5 from 5 in the penalty shout to Inters 4 goals.

For Mastergeeha at home in Kilbrean Park it was the opposite way round. They went 3-1 down before fighting back with goals from Hugh Lenihan 2 and Keelan O'Shea in their game against Shannon Town. After the 5 successful spot kicks

In the 16's one Kerry sides was always going to progress as Killarney Celtic got the better of

Mastergeeha in a game played in mid-week. Daniel Okwute hit three and Killian O'Sullivan the final goal in a 4-2 win at Celtic Park. Brendan O'Leary and Cian Foley replied for Mastergeeha. The Park put up a great battle at home to Limerick king-pins Fairview Rangers but it was the visitors that took the spoils at Christy Leahy Park while Listowel Celtic went down 2-1 away to Avenue United. A Dylan Quinn header was not enough for the home side on the day.

No joy for Inter in the Girls 16's National Cup: Inter Kenmare were always going to be up against it in their u16 National Cup and so it proved as a much more experienced Wilton United took the win. Credit to the Inter girls led by Sarah Taylor and Saoirse Buckley the majority of this side is still underage next year and will progress from playing against opposition of this standard.

# KERRY GAA SCENE

REPORT BY LEONA TWISS, PRO

## Dr Crokes are County Champions!

Last Sunday the curtain came down on this year's Garvey's SuperValu SFC with the crowning of Dr Crokes as the 2018 Champions. The day was a wonderful occasion from start to finish. Dingle gave a brilliant account of themselves and just came up short against a better team on the day. No doubt there will be better days ahead for this talented side. Dr Crokes are an unbelievable side whose record speaks for itself. The game finished Dr Crokes 1-15, Dingle 0-12. The Man of the Match was awarded to Gavin White. This victory moves Dr Crokes to the top of Kerry's roll of honour with 13 titles. We congratulate Dr Crokes and wish them every success in their Munster campaign.

The exhibition game at 1pm between the U16 development squad players was very entertaining and the large crowd in attendance showed great support to the young players. The game showcased the tremendous work carried out by the Development Squads coaches. Our thanks to Donal Daly, Terence Houlihan, the coaches and the GDAs for arranging this game.

Kerry Coiste na nÓg produced an excellent match programme for the County Final. This is the main fundraiser for Coiste na nÓg and the funds are needed to continue their amazing work with underage football and hurling in this county. Congratulations to programme editor Jimmy Darcy and his team.

It was also a very important day for the people of Killorglin as Laune rangers were the team honoured at half time having won the County Final in 1993 beating Annascaul 1-15 to 1-8. Laune Rangers PRO Aidan Clifford did a great job compiling the information on the team & management and as MC on the day.

Since 2012 we have been entertained by the musical talents of the Killorglin and District pipe band and Sunday was no different, without question they really added to the atmosphere on County Final day.

Our thanks to Garvey's SuperValu for their sponsorship of the football and hurling championships along with the Man of the Match trophy and a voucher for the Skellig Hotel Dingle, all the stewards who volunteer on the day, the Austin stack park committee, the match officials, the gates people, the media and everyone who contributed to making the county final a success.

## Munster Fixtures

Kerry Clubs are back in Munster action from this weekend. In the Senior Club Champion-

ship Dr Crokes will travel to Tipperary on Sunday to play Moyle Rovers. Kilcummin will play Kilrush Shamrocks in the Intermediate QF on Saturday at 1.30pm. The following weekend, on November 10th, Beaufort will play Ballylooby - Castlegrace in the Junior QF at a Tipperary venue. On Sunday November 18th at 2pm Kilgarvan face The Nire (Waterford) in the Munster Junior B competition in Knockaderry.

## Sean O'Sullivan takes over as Manager of The Kerry GAA Store

Former Kerry footballer, Sean O'Sullivan, has been appointed manager of The Kerry GAA Store in succession to Niall O'Callaghan. The four-time All Ireland medal holder needs little introduction to the Kerry faithful and no doubt he will bring the same energy to the job that he displayed on the playing fields. The Kerry GAA Store, which is located in the Outlet Centre in Killarney, opened for business in 2013 and since then it has been supplying exclusive Kerry GAA merchandise to Kerry football and hurling followers both at home and abroad. All profits from the Store go directly towards the training of Kerry intercounty teams in all grades. We wish Sean the very best of luck in his new appointment. We would also like to sincerely thank Niall O'Callaghan for his outstanding contribution to the success of the Store over the past four and a half years and we wish him every success in the future.

Last Monday, the new Allianz League gear was launched in the GAA store Killarney by Peter Keane and a number of Kerry Senior Football-

ers and Hurlers. These items are exclusive to the store in Killarney and online on the Kerry GAA website.

## U15s Super Touch Competition

Last Thursday night in the Currans Centre of Excellence the Division 1 Finals of the U15 Super Touch Competition were played. Austin Stacks defeated Na Gaeil in the 'A' final and Listowel Emmets defeated Dr Crokes in the shield final. Congratulations to both winners. Thanks to Donal Daly and the GDAs for organising the tournament

## Club Leadership Development Programme

All Kerry Club Chairpersons and Secretaries are invited to attend the 'Club AGM' module of the Club Leadership Development Programme which will be delivered on Tuesday 13th November in the Institute of Technology Tralee. Registration between 7pm and 7.30pm.

## Christmas at Currans

# PERFECT START FOR SCOTTS LAKERS

By Eamonn Keogh  
Dublin Lions 78  
Scotts Lakers Killarney 92

IT was a perfect start in the President's National Cup for Scotts Lakers when they toppled a fancied Dublin Lions side at Coláiste Bríde, Clondalkin last Saturday night. Overcoming this obstacle away from home was a huge boost to the Killarney side and they have also been rewarded with a home quarter final draw against Limerick Celtics scheduled for early December.

Team captain Mark Greene led the way for Scotts Lakers in the opening minutes hitting the opening nine points for his side. Sean O'Brien, Dailian Mason and Seamus Brosnan were also impressive as the Killarney side stamped their authority from an early stage and led 30-21 at the end of the first quarter.

They maintained that advantage throughout the second quarter and with O'Brien contributing 17 first half points along with 11 from Greene and the Lakers enjoyed a 48-37 advantage at half-time.

Surprisingly Papito Hersisia had a quiet opening half scoring three points but he made his

presence felt early in the third quarter with a big baseline jumper shot followed by two three-pointers. Dublin Lions battled hard with Garrett Collins and Muhammad Sabic leading the way but Scotts Lakers led 69-60 entering the final quarter.

The Killarney side continued to dominate with big Pdraig Lucey making a huge impression as the game progressed. Great defence and rebounding from Sean O'Brien, Andrew Fitzgerald, Shane McCarthy and Pdraig Lucey meant that Dublin Lions struggled to make any serious threat. With Papito Hersisia scoring with ease, the Lakers had opened up a 90-69 lead with 2:12 remaining. There was no way back for the home side after this and with Hersisia contributing 22 second half points, Scotts Lakers enjoyed a comfortable 14 point win in the end. Accurate three-point shooting was another significant factor in the victory with the Lakers hitting 14 in total. Sean O'Brien sank five threes while Papito Hersisia added three more. Scotts Lakers: Sean O'Brien 27, Papito Hersisia 25, Mark Greene 11, Dailian Mason 9, Seamus Brosnan 7, Pdraig Lucey 6, Shane McCarthy 6, Justin Tuason 1, Andrew Fitzgerald, Cian Clernon.

Dublin Lions: Garrett Collins 16, Muhammad Sabic 15, Tomasz Swiatowy 10.

## HOME GAME

Scotts Lakers return to Killarney Sports Centre this Sunday November 4th with a home game against Limerick IT (LIT) at 3.00 pm. The sides clashed in the opening game of the season in early September with Lakers winning 67-60 in a low scoring encounter. LIT American Matt Scamaffo only managed nine points in this match but he seems to have discovered his scoring touch since and actually scored a whopping 53 points last weekend. He will take some watching while LIT also have quality players in Krystian Burchardt, Egidijus Baksys, Deividas Venckunas and Andrew Curiel. Scotts Lakers Coach Cormac O'Donoghue and his squad will be on a high and in confident form after last weekend's great cup win while they have a 6-2 winning record in the league so far. The Lakers will also be at home in Killarney Sports Centre the following Saturday November 10th against Waterford Vikings at 7.30 pm.

## Know Your Rights:

### QUESTION

I heard that there is a new grant scheme for installing solar panels in your home. How does the scheme work and do I qualify?

### ANSWER

The Solar PV scheme gives grants to install solar photovoltaic (PV) panels and a battery energy storage system at your home. This means you can generate and use renewable electricity in your home and reduce your electricity costs. The Solar PV scheme is a pilot scheme administered by the Sustainable Energy Authority of Ireland (SEAI).

To qualify for a grant you must:

- Be the owner of a home built and occupied before 2011 (or a home constructed after 2011 that was built to the 2008 Building Regulations)
  - Use new materials and products that were not already covered under another grant programme
  - Use a registered contractor from the SEAI's Renewable Installers Register for Solar PV
  - Have the electrical work completed by a Safe Electric Ireland electrician
  - Apply to be connected to the electricity distribution system using the ESB Networks NC6 form (pdf)
  - Have a Building Energy Rating (BER) carried out after the work is completed
  - Agree to participate in SEAI research about the scheme
- The grant covers materials and labour, unless you are a contractor doing the work in your own home. In this case only the cost of the materials is covered.

When the SEAI payment system opens (in October 2018) you can claim your grant online and it will be paid directly into your bank account.

## WHEN A RELATIONSHIP BREAKS UP

The ending of a relationship can be a very painful time – whether you are the one who has ended the relationship or not. It may have come as a great shock – which can be very upsetting. Even if it had been coming for a while, the grief that accompanies a break up can be devastating. Following a break up we may feel overwhelmed with feelings of loss, grief, anxiety, loneliness, guilt and sadness and it may feel as if our lives will never be the same again. We may find that we have one good day, only to feel flooded with sorrow the next. This is very natural and part of the grieving process. If we were the one to end the relationship we may experience feelings of guilt, loneliness, sadness and/or relief. Whatever you are feeling, it is important to allow yourself time to grieve. Healthy grieving means experiencing our feelings, whatever they may be. Gradually we come to accept the loss and re-adjust to a life without that person. It can be difficult to move that person from being at the centre of your life to somewhere peripheral. This is made all the more challenging if you have children together or work in the same office. Minimal contact – however tough – is advisable.

At times grief can feel like a physical pain – so working with our body can help to release the sadness. Gentle movements such as stretching, walking dancing, yoga, massage or tai chi can all help our mind and body to express our grief. Although your grief may feel very intense it will change over time. It is important to remind yourself that the heartbreak will heal. Gradually you will begin to notice that you're not checking your phone as much anymore, you have a night out where the sadness isn't present or you're not crying all the time. It is vital to notice these changes – as no matter how small they may seem – they signal change and herald a new beginning. Grief can be a very isolating experience, so it is important to seek support and reach out to others. You may choose to talk to friends or consider speaking to a counsellor to help you through this time. Remember you don't have to go through this alone. Other great sources of support include spending time with family, walks in nature, pets, reading a good book, watching a movie or going to the gym.

## THE GRAVE FARTHEST FROM EARTH

No human has ever flown closer to Pluto than Clyde Tombaugh did in 2015, 18 years after his death. That's fitting, because he was also the first person to lay eyes on it.

When he first glimpsed Planet X, which would go on to be christened Pluto, he was just barely 24 and largely self-taught. A farmers son from Streator, Illinois, he had once rigged up a backyard telescope made out of parts from a cream separator and a 1910 Buick. He was awarded a place at the Lowell Observatory, in Flagstaff, Arizona, on the strength of his independent studies and spent months sifting through images of the night sky, looking for changes in the orbits of Uranus and Neptune and a planet that hadn't yet been identified. Mr. Tombaugh died in 1997. Nearly two decades later, one ounce of his cremated remains journeyed to the outer edge of our solar system inside an aluminium capsule aboard the New Horizons spacecraft. The capsule's inscription eulogises Mr. Tombaugh as a husband, father, astronomer, teacher, punster, and friend.

The capsule zoomed within 7,800 miles of Pluto in July 2015, whizzing by at a speed exceeding 30,000 miles per hour and is still hurtling through space, on its way out of our solar system. It's currently more than four billion miles from Earth. Since then roughly 450 people have been "buried" in space—though this often means that only a gram or so of their cremated remains took a brief journey to the stars before either returning to Earth on the same craft, or burning up during reentry. A number of space-burial companies, are banking on big growth in the sector, where prices have fallen to be just a few thousand dollars more than the average terrestrial entombment in North America.

## A Word of Victory

Welcome back dear reader. "I am the Light of the world; he who follows Me shall not walk in darkness, but have the Light of Life." (John 8:12) Jesus spoke these words after a woman who had been caught in adultery was thrown before Him, and her accusers wanted Him to call for her death (no sign of the fella involved!). But Jesus ignored the ranting of the crowd and instead crouched down, writing in the sand. He got down to her level and quelled the fierce heat of their claim against this woman, bringing His Peace into her situation. When He was ready, Jesus responded with wisdom that literally took the crowd's breath of fire away, calling for those who had never sinned to cast the first stone. Jesus was displaying the Love of God here – because we all have sinned and fall short of God's glory (Romans 3:23); but His Mercy is greater than our sin, and this is why Jesus came – to Redeem us from the penalty of sin! He who knew no sin became sin for us, to bring healing and wholeness, and to reconcile us back to the Father as though we had never sinned (1 Peter 2:24). This is why He is the Light of the world. Sin brings darkness, but the Love of God displayed through Jesus His Son, has quenched the darkness of sins' power, because "His life brought Light to everyone. The Light shines in the darkness, and the darkness can never extinguish it" (John 1:4-5). I really enjoyed that TV programme recently about the Lighthouses of Ireland – what a feat of engineering and human effort they are. Lighthouses remind me of the Lord so much – no matter how bad the storms of life are raging, no matter how dark things may seem in life, when that Light penetrates the darkness out into the sea, it brings hope to weary sailors. Land is ahoy! But that light also serves as a warning – Beware! There are rocks here – care is needed so you don't get shipwrecked! Jesus, as the Light of the world is the beacon drawing us into safe harbour, and His Word penetrates the darkness that the devil has clouded lives with, especially in relation to sin patterns and wrong attitudes. When we study His Word we find help for the circumstances we are enduring, and hope for a brighter future, but also direction and instruction warning us how to navigate the dangerous snares in the darkness. Draw near to the Light today friend – cry out to the Lord Jesus, He Loves you so much!

### NANCY O' SULLIVAN DOYLE

**In loving memory of Nancy Doyle late  
of Ballaugh cross, Worcestershire and  
Crosstown who died on the 1st of  
November 2017.**

On this the 1st anniversary of Nancy's death her son Adam, daughter in law Melina and grandson Xavier together with her brothers and sisters and extended family would like to thank all those who sympathized with us following our sad loss. A heartfelt thanks to each and every person who attended Nancy's funeral, travelled long distances, telephoned or called in person. To all our neighbours, relatives and friends for the kindness and support shown to us during this very sad time.

A special word of thanks to Fr. Niall Howard who administered the last rites to Nancy and all members of the Clergy who concelebrated Nancy's funeral mass with Fr. Niall.

Thanks to Michael and Mary O'Shea for their compassion and professionalism. Thanks to the Gardai, and the doctors of Killarney medical centre.

As it would be impossible to thank everyone individually we hope this acknowledgement will be accepted as an expression of our appreciation and gratitude. The Holy Sacrifice of the Mass has been offered for your intentions.

**Nancy's first anniversary Mass will  
be celebrated in the Church of the  
Resurrection, Park Rd, on the 8th of  
November at 9:30AM.**

A very special word of thanks to Fr. O'Donnell for his visits to Bob & Breeda, his constant support and kindness to us as a family and for his celebration of their funeral masses. Gratitude also to Deacon Thady O' Connor and Donie the Sacristan for assisting Fr. O' Donnell. Sincere thanks to Sean O' Mahoney Undertakers and his team for their guidance and support. It was invaluable. A special word of thanks to Margaret Foley of Mausrou and the Newman family who were invaluable at that sad time.

As it would be impossible to thank everyone individually, please accept this acknowledgement as a token of our gratitude and appreciation.

The Holy Sacrifice of the Mass has been offered for your intentions.

*We thought of ye today,  
But that is nothing new.  
We thought about ye yesterday  
And days before that too.  
We think of ye in silence  
We often speak yer names.  
All we have are memories and  
Yer pictures in a frame.  
Yer memories are a keepsake  
From which we'll never part.  
God has ye in His arms,  
We hold ye in our hearts.*

*Always loved and missed by your son Mike  
& daughter- law Maria*

*Our Grandparents planted a garden,  
A garden of the Heart.  
They planted only good things  
That gave our lives their start.*

*Loved and remembered every day by your  
adoring grandchildren  
Delia & Micheál (The Lads)*

**Bob and Breeda's First Anniversary  
Mass will be celebrated in  
Gneeveguilla Church on Friday 2nd  
of November at 7:30 P.M.**

## 1ST ANNIVERSARY

### O'SULLIVAN

**Loving memories of a  
wonderful Son, Anthony,  
Ballinamanagh, Kilcummin., who died  
in Sydney on November 5th 2017**

Something will remind me,  
I never knew just when,  
It might be something someone says,  
And it all comes back again.

The times we spent together,  
The happiness, the fun,  
Once again I feel the pain,  
Of life without my son.

It's said that time's a healer,  
I'm not sure this is true,  
There's not a day goes by son,  
That I don't cry for you.

*Forever loved and greatly missed by father  
Paddy and brothers Brendan, Patrick, Killian,  
Stephen, Darragh and Enda.*

**Anniversary Mass in Kilcummin on  
November 4th at 11:15am.**

## ACKNOWLEDGEMENT & 1ST ANNIVERSARY

### ANTHONY O'SULLIVAN

**Ballinamanagh, Kilcummin  
who died on November 5th 2017**

On the occasion of Anthony's first anniversary,  
his father Paddy, brothers Brendan, Patrick,  
Killian, Stephen, Darragh and Enda, sister-in-  
law Kate, nephew Myles, grandmother Joan,  
Paddy's partner Kate, aunts, uncles and many  
cousins would like to express our heartfelt  
gratitude to all those who sympathised with  
us on our very sad loss.

We acknowledge in a special way the quick  
response and work of the paramedics who  
attended to Anthony on the evening of his  
accident and who worked so hard to save  
him. Thanks to the doctors, nurses and  
staff of Prince of Wales Hospital, Randwick,  
Sydney for their kindness and care for  
Anthony and the hospitality shown to his  
brothers and friends.

Words are inadequate to express the love,  
concern and help we received from the Irish  
community in Australia. Many travelled from  
Darwin, Brisbane, Melbourne and Perth to  
be with Anthony in his final hours and to  
support Patrick, Killian and their girlfriends  
Christiana and Thomasina. It is indeed a great  
consolation to us to know that Anthony was  
not alone during that time and also that he  
had such loyal and true friends in Australia  
who held him in such high regard.

To our wonderful neighbours and friends in  
the Kilcummin community who rallied to our  
support we owe a huge debt of gratitude.  
To those who worked so hard preparing the  
house for Anthony's wake, to those who  
organised lighting, parking and stewarding  
during the funeral, you will be forever in our  
prayers.

A sincere thank you to all those who kept a  
constant flow of food to the house and to the  
men and women who worked so hard with  
refreshments on the evening of the wake.  
A special word of thanks to the amazing  
ladies' committee of Kilcummin GAA who  
were there throughout the days of waiting  
to bring Anthony home and all during the  
funeral. Your help and support were beyond  
words during those very difficult days.

We wish to acknowledge in a special way  
the amazing fundraiser set up to help bring  
Anthony home. Spearheaded by his great  
lifelong friend, Daniel O'Leary, it went  
beyond all expectations and demonstrated  
the generosity and kindness of people.

We were delighted to donate this fund to  
the Kevin Bell Repatriation Trust and wish to  
thank them for the help, advice and support

in the repatriation of Anthony's remains.  
We were honoured to have Colin Bell, and  
his wife Eithne, in Kilcummin on December  
29th to accept the cheque and to express our  
gratitude to them.

A sincere thank you to the huge number of  
people who attended the wake and funeral.  
A special word of thanks to those who  
travelled long distances, most especially  
from America, Australia, England and other  
European countries. Thanks to all those who  
sent mass cards, flowers and messages of  
sympathy.

To our parish priest Fr Eamon for facilitating  
the mass, and to the celebrant Fr Kieran  
O'Brien for making the ceremony so special,  
mile buíchas. We also thank the many priests  
who concelebrated the mass and to Siobhan  
McSweeney for all her help.

Fr. Joe Begley called to the house twice in  
the day leading up to the funeral and did  
a beautiful prayer service. Being one of  
Anthony's teachers in St. Brendan's, this was  
very special.

The beautiful music by Denis Crowley, Helen  
Kerins, Marina Cassidy and Oliver Cremin  
made for a very emotional and beautiful  
occasion. The staff of Anabla school have  
always been a rock of support and for this we  
are eternally grateful. The guards of honour  
from the various schools and Kilcummin GAA  
were deeply appreciated.

Thanks to the piper Mike Millner who lead  
the way to the graveyard.

A huge thank you to Anthony's great friend,  
Brian Cahill, for organising the rota of friends  
to shoulder his coffin to the graveside. It  
would have meant so much to him and he  
surely would have some smart comment to  
make.

Thanks to Kevin O'Sullivan and Neilly from  
O'Sullivan Sound for setting up the system in  
the graveyard.

To Mike and Mary O'Shea from the funeral  
home, thank you for your professionalism  
and kindness. Thanks especially to Gerry  
Fitzgerald who travelled to Dublin airport  
to bring Anthony home. His help and advice  
were invaluable.

Thanks to Liam Regan and Sean Buckley for  
bringing the doves to the graveside. Anthony  
spent many happy days working with the  
Buckley family in Coolwood.

To Batt Healy and his team of helpers for the  
wonderful hot food they provided in the Klub  
for a large number of people after the burial.  
To John and the staff of the Klub bar a huge  
thank you.

This past difficult year has been greatly  
helped by the incredible support and  
kindness of family, neighbours and many  
friends.

*Anthony loved life, music and the world of  
nature. He lived it to the full.  
He is forever loved and missed.  
Please accept this acknowledgement as an  
expression of our deepest gratitude.*

**First anniversary mass will be in  
Kilcummin on Sunday,  
November 4th at 11:15am.**
