KENMARE PLACE KILLARNEY

As the town basks in the glorious June sunshine we meet the 2016 Lily of Killarney, Eve O'Donoghue.

Bikes will be roaring into town as over 10,000 people are expected to attend Bikefest this weekend. The Gleneagle will play host to this fantastic event which sees visitors from the four corners of the world attend the country's biggest free open biker festival.

Students are putting the finishing touches on the final preparations for the state exams which start on Wednesday and the schools have paid tribute to them at various graduation ceremonies.

A Co. Galway man returned to Killarney this week to thank locals who saved his life following a cardiac arrest and the team here at Killarney Outlook held a coffee morning at our High Street office.

Killarney couples celebrating special wedding anniversaries attended a special mass at St. Mary's Cathedral and the chamber are calling on everyone to give it a go and cycle to work.

All this and much much more in this week's Killarney Outlook.

Aisling Crosbie,
Editor.

EVE IS CROWNED LILY OF KILLARNEY

23 year old EVE O'DONOGHUE REPRESENTING THE SHIRE HAS BEEN CROWNED LILY OF KILLARNEY.

SEE FULL COVERAGE FROM THE EVENT ON PAGES 32 AND 33.

GABRIEL RETURNS TO SAY THANKS

A County Galway man who suffered a full cardiac arrest on High Street in May 2014 has returned to Killarney to thank the people who saved his life.

Gabriel Divilly was holidaying in the town with his wife Claire when collapsed in the doorway of Quills Woollen Market. Thanks to the quick thinking of a local woman, Tina Corcoran, who quickly contacted her husband Nurse Declan Corcoran, CPR was started within seven minutes. Declan received huge help from Siobhan McAlister who was working across the street in Sceile Eile and who had recently undergone training in CPR. Following 40 minutes of CPR and two life saving shocks from the defibrillator which is located at the Market Cross, Gabriel was transferred by ambulance to University Hospital Kerry.

"We often wondered what happened to Gabriel", Siobhan Lenihan, of the Michael Lenihan Heartsafe Group, told the Killarney Outlook. "But just before Christmas this year, Gabriel's wife Claire got in touch and last weekend we all got together for dinner", she added.

The Michael Lenihan Heartsafe Group is

responsible for the location of a number of defibrillators around the town of Killarney and work in conjunction with Operation Resuscitation and also support the Killarney Cardiac Response Unit.

"The importance of training was very much in evidence in this case and I encourage everyone to take this life saving course", she said.

"It is lovely to have a happy ending to this story", she added.

ARTIST MIA WINS NATIONAL AWARD

MIA COUNIHAN, A STUDENT AT LISSIVIGEEN NATIONAL SCHOOL HAS BEEN PRESENTED WITH A TOP AWARD IN THIS YEAR'S 62ND TEXACO CHILDREN'S ART COMPETITION. THE 10 YEAR OLD RECEIVED A SPECIAL MERIT AWARD AT A CEREMONY HELD IN DUBLIN RECENTLY.

PARADE FÉILE PHEIL NA NÓG

One of the lasting memories of the All Ireland Féile Pheil na nÓg, is the players parade through the town. Years later players still recall the spectacle and occasion of the Féile parade - the visiting teams of 14 year old boys and girls from all corners of the country, in their club colours, with flags and banners, marching with their host clubs. With Kerry hosting this wonderful festival of Under 14 football this year, participating teams from the District, along with the teams they are hosting, will Parade through Killarney on Saturday evening the 25th June between approximately 6.30pm and 8.30pm. The parade will start and finish at Fitzgerald Stadium and circle the town via Lewis Road, College Street, High Street returning to Fitzgerald Stadium via St Annes road. Clubs are asked to come out and show their support.

HUNDREDS SOAK UP THE SUN AT BEERFEST

Sun shining, music playing and a beer in your hand.... If Carlsberg made Beerfests...

While hundreds of beer enthusiasts soaked up the sun and sampled the many brews on offer at Killarney Beerfest last weekend, an expert panel of judges were locked away, rating and grading over 160 brews for the Beoir Champion Beer of Ireland Awards.

The panel of fifteen expert judges was lead by Reuben Gray of Beoir along with CAMRA and EBCU members as well as a host of international judges. There were a total of nine separate categories including Pale Ale, Belgian Style Ale, Dark Ale, Lagers, Porter/Stout, Wheat Beer, Specialty Beer and Sour Beer.

After much deliberation Flying Saucer – a stout from the Donegal based Kinnegar Brewing Company took home the esteemed title of Champion Beer of Ireland. Their prize includes a promotional package from Carry Out Off Licences which includes in-shop distribution and promotions as well as marketing and social media support.

Two Killarney based breweries also walked away with awards, Killarney Brewery won a gold medal for their Spailpín Saison in the Belgian Style Ale category and a silver medal for their Killarney IPA. Torc Brewing won a bronze medal for their Sour Beer - Torc Anything Goes.

Killarney Beerfest took place on the grounds of The Gleneagle Hotel in the specially constructed Beer Village. Festival highlights included live performances by The Book Brass Band, Mongrel State, The Small Hours, One Horse Pony, The Dixie Micks and The Eskies as well as brewing demonstrations, tastings, meet the master brewers, beer and food pairing classes and a whole lot more.

- 5th Prize: 2 Munster Final Tickets (Hurling or Football) - Angela Brosnan, Killaha West, Kenmare.

- 6th Prize: 1 Unit for Kerry County Committee Two year scheme - Paul Geaney Dingle.

The Special Prize of a Family Ticket for 4 individuals to the Kerry Senior Hurling or Kerry Senior Football County Finals went to Paudie Dineen, Abbeydorney.

The highlight off the racing field was the participation of the Kerry Football and Hurling players who were once again very generous with their time and mingled with the punters

all night. It would not have been possible to stage this event without the support of the many generous sponsors, the Clubs around the county and their many members, the GAA public at large and of course Declan Dowling and his staff at the Kingdom Greyhound Stadium who host this very important fundraiser each year for the Kerry GAA Teams. Every donation towards the night is about much more than money. It's a way to show that we are willing and ready to support the Kerry teams as we have done in the Kingdom for over 100 years.

KERRY PLAY CLARE IN MUNSTER CHAMPIONSHIP SEMI FINAL

Kerry's opponents in the Munster Championship semi final will be Clare who had a far from convincing three points victory over neighbours Limerick on Sunday last. The game will be played in Fitzgerald Stadium on June 12th except in the situation where the Munster Hurling Championship game between Clare and Waterford ends in a draw and in that scenario, the football game will be brought forward to Saturday evening to accommodate a replay of the hurling fixture.

The Kerry panel is in training camp this week ahead of the commencement of the championship. Eamonn Fitzmaurice and his

management team have added some young blood to the panel with the likes of Denis Daly (St Marys), Jason Foley (Ballydonoghue), Tadhg Morley (Templenoe), Brian Ó Beaglaoich (An Ghaeltacht), Barry O'Sullivan (Dingle) and Killian Spillane (Templenoe) as well as Marcus Mangan (Milltown-Castlemaine) all training with the squad.

Kerry Juniors will play Limerick as a curtain raiser to the senior game. Stephen Wallace (Ardfert) is the Manager and selectors are Timmy O'Sullivan (Kerins O'Rahillys), P.J. Reidy (Kenmare) and Brian Hickey (Skellig Rangers).

JOAN'S CYCLE A GREAT SUCCESS

READY FOR THE OFF.... FROM LEFT LAURA HERLIHY, MARIE SHANNON AND ALICE SHANNON.

A charity cycle to remember the late Joan Herlihy took place in her memory on Sunday last in glorious sunshine.

Joan sadly passed away on February 12th 2015 from cancer. She was a great outdoors woman and played a major

role in community life. Among her wide range of interests, Joan loved to cycle. 140 cyclists took part in the cycle which raised money for the Oncology Unit in Kerry University Hospital, where Joan received excellent care and treatment over the years.

€750,000 ALLOCATED TO COMMUNITY PROJECTS IN KERRY

Almost 350 projects and initiatives countywide will benefit from Kerry County Council's Community Support Fund following approval by councillors this week of €750,000 in grants to community and voluntary groups, residents' groups, Tidy Towns groups, Chamber Alliances and other organisations. The Community Support Fund, now in its second year, has a very positive impact in communities and has seen an increase of 50% on the number of applications received last year. Following a thorough assessment process, every eligible project, which met the criteria for funding, received an allocation this year and councillors in each of the four Municipal Districts were unanimous in their decisions. Speaking at the Killarney meeting Mayor Cllr Bobby O'Connell praise the role of the volunteer and said in many ways this was a just reward for the many that are involved throughout Kerry with various different groups. Cllr Michael Gleeson said while some amounts may look small on paper, it was amazing what groups could do with the much needed injection of finance. While there was widespread acceptance that the funding was needed, some councillors expressed disappointment that some groups received no funding as their applications were deemed to be outside the scope of the fund. Cllr Brendan Cronin said it was important that people that did not get funding would be told discreetly and maybe a list of all those that failed should not really be in the public light, and called for special information clinics where applications could discuss it with the council. The next round of applications will begin in November. There was also praise for the setting up of the fund as Cllr Niall Kelleher praised the wisdom of the council to use the money in such a valid away and said while everyone is happy to take the credit of giving money back into their communities, it must be remembered that some councillors opposed the setting up

of the fund and especially the manner in how the money is collected. This was echoed by Fine Gael and Fianna Fail members, however Cllr Donal O'Grady said while it was great to see money going back into the community, some of the awards were far less than what was asked for. **Among the Successful Applications in Killarney and surrounding areas are:** Ballyhar Community Development Group €2,273.00. LETTER TO THE EDITOR

Dear Editor

I am writing to let readers of Killarney Outlook know of some important developments taking place at the Irish Heart Foundation's National Heart & Stroke Helpline. Firstly, the number for the service is changing and the Helpline will also now be free of charge from landlines or mobiles, anywhere in the country. The new number is Freefone **1800 25 25 50**.

Secondly, the service will have extended daily opening hours and evening opening, with the Helpline now open Monday to Friday from 9am to 5pm, and on Thursday evenings until 7pm. We hope to extend evening opening even further later in the year.

Thirdly, we are providing additional avenues to communicate with the Helpline, with a new dedicated direct access email - **helpline@irishheart.ie**. We also intend to launch an online Nurse Live Chat service later in the year. The helpline is staffed by specialist nurses and so readers can be assured of expert one-to-one advice and support, in full confidence. It is important to recognise that these developments would not be possible without the generous backing of Life Pharmacy, and this support is gratefully acknowledged.

Every day, approximately 300 new cases of heart disease and stroke are diagnosed in Ireland. Sadly, on average, 27 people lose their lives. Almost two-thirds of middle aged and older adults have two of the big three risk factors for heart disease and stroke - high blood pressure, high cholesterol and obesity. Almost all have at least one. The good news is that 80% of stroke and heart disease is preventable.

If you're worried about your heart and stroke health, don't delay. Call the Helpline today on Freefone **1800 25 25 50**.

Yours sincerely

MONEY MATTERS....

By Dermot Cronin,
Financial Advisor

WHAT YOU NEED TO CONSIDER BEFORE SAVING OR INVESTING YOUR MONEY.

Holding all your money on deposit is not always the best option in the long term – inflation can mean the value of your money could decrease.

Investing some of your money is a way to try and make your money grow more than if you held it all in a bank or building society deposit account earning very little interest.

There are four main types of investments, **called asset classes: cash, bonds, property and shares.**

You don't have to invest in them directly – by investing in funds, your money can be spread across different investments, reducing the risk of having everything in one place.

Investments have different degrees of risk – from low risk to very high risk.

You need to balance risk and return. In general, more volatile investments have the potential for higher returns over the long term, but they are more likely to suddenly fall or rise in value.

A combination of a number of options is very often the suitable option as you will not have all your eggs in one basket.

FOREST FANS SET FOR 10TH ANNIVERSARY CELEBRATIONS

While the story of Leicester City winning the Premiership was an amazing one, on June the 11th in Killorglin another underdog's story will take precedence. The Munster Branch of the Nottingham Forest Supporters Club are celebrating their 10th Anniversary and are holding a Charity Dinner at the Manor Inn.

The Special Guests on the night include Colin Barrett who scored the goal that knocked Liverpool out of the 1978 European Cup and who had a great career with Forest and also Man City. Beaufort's Brendan Moloney enjoy a long spell with The Reds before moving on and this year won League 2 with Northampton.

Terrace Talk's Weeshie Fogarty will also be in attendance and will be talking about his early soccer memories and will be hosting a Q and A with the guests while sports reporter Padraig Harnett will be acting as MC on the night.

Providing the music will be branch member Paddy Goodwin's band The Holy Ghosts featuring legendary rocker Johnny Fearn from

the Horslips. Fearn last played in Killorglin in 1983 in the CYMS!

Another 'guest' on the night will be the European Cup, won twice by Forest when only the League champions took part and it should attract plenty of photographic attention.

All monies raised on the night including from the charity raffle will be donated to the Kerry SPCA and Recovery Haven Cancer Support.

Tickets priced at €57.50 are available from Gearoid on **087 2766089** or **launelandscapes@yahoo.co.uk**

THE PERFECT CRIME

GEORGE O'NEILL AS BRENDAN MCCARTHY & DAVY BREEN AS JOHNNY O'SULLIVAN IN A SCENE FROM THE PERFECT CRIME BY BLACKWATER DRAMA GROUP. PHOTO: MARY O'NEILL.

What constitutes the perfect crime? Some people suggest that it is a clever play that

takes everybody by surprise; others would say it is one with a moral justification, while most

would agree that the perfect crime is the one where you do not get caught!

The Blackwater Drama Group have been plotting all winter, and are now ready to bring you their sixth annual production, aptly titled "The Perfect Crime". With a strong local emphasis as always, this original production will have you giggling and guessing right through to the end of the performance.

The play will once again be staged in The Old Dance Hall, adjacent to The Blackwater Tavern, and tickets will cost €10 and must be pre-booked. The doors will open at 7.30pm and the performance will begin at 8pm sharp. The play will open, tonight, Friday 3rd June, with extra performances on Sunday 5th and Monday 6th June. Please note that there is no Saturday scheduling this weekend.

To secure your place in plenty of time, please phone The Blackwater Tavern on **064-6682003** to book your tickets.

THE BEARDED MAN'S BATTLE FOR SUICIDE PREVENTION.

After losing his father to suicide in 2015, Gary O'Dowd is determined to turn his grief in to something positive, with the hope that it may help others. 'The Bearded Man's Battle for Suicide Prevention' Campaign was born when Gary started growing his beard to honour his father, who always sported some form of facial hair. The charity fundraiser event set for July 16th, in Jack Duggan's Bar, Castlemaine at 8pm, is a Shave or Grow event. The Public will decide whether Gary should shave his beard off, or keep it for another year. Should they vote to

keep the beard, Gary will shave his hair off instead. With local music, DJ, spot prizes and the chance for you to nominate your friends to get waxed, it's sure to be a great night. The Bearded Man campaign has raised over €500 so far online and the Facebook page has reached 1000+ likes in just one month. Through JustGiving, a fundraising website, supporters can donate any amount which goes directly to the charities involved. Link: <https://www.justgiving.com/teams/thebeardedman>.

MEDITATION MINDFULNESS & HEALING RETREAT

Meditation and in particular mindfulness is the current new trend, turn on the radio or TV and soon enough someone will be expounding on the virtues of these practices. Patrick Dillane the main facilitator at the weekend event in the River Side Park hotel on the 11th & 12th of June has been a meditation practitioner since he received a head injury in 1996. Tinnitus became and remains a permanent fixture in his life since that time. Mastering the art of both mindfulness & meditation was what stopped him from going even more crazy than his usual self.

At the beginning of your meditation mindfulness and self-healing journey you should search for someone who is real, who understands what it is like to struggle with this kind of 'stuff'. Patrick is such a man. He will simplify it with anecdotes, humour, drums, (yes drums and he has not one musical note in his entire body), and with simple easy to learn techniques. In a way that won't offend you he will spoon feed you the methods and knowledge that you need to set a firm foundation for a lifelong practice. What will you gain from it? You will gain increasing control over your 'reactivity' control over the strength of negative emotional reactions. You will gain insight into your own

inner nature if you wish to. What many including Patrick have lost is anxiety, quickness to anger, insecurity, depression, fear of death and old age to list just a few benefits. In the workshop you will be shown how to be in charge of your thoughts rather than your thoughts being in charge of you.

A wise man once said that the mind makes a beautiful servant and uncontrolled it makes a

cruel and dangerous master.

Come along for one or both days, experience shamanic drumming, crystals, simple techniques, humour & fun as wonderful tools to assist you with your exploration of Meditation, Mindfulness & Self Healing. You will have a thoroughly enjoyable, informative, relaxing and healing experience with Patrick, Paul & Helen.

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

GETTING OUTDOORS LEARNING TO LOVE JOGGING

For the summer months most of us will be getting outdoors as much as we can, and what better way to get fit than exercising outdoors. For the next few weeks I'm going to be going through some simple fun exercises that can be done outdoors. To kick it off I'm going to focus on Tips to help you get started Jogging.

Jogging is the most fantastic fitness tool you can ever learn because it is FREE, you can bring it anywhere with you and it doesn't have to take you painful grueling hours indoors in a gym. The first time I learned how to jog was when I lived in Scotland 15 years ago and I haven't looked back since. I don't use it every day or every week but I always know it's there whenever I need it. I'm not much of a competitive runner so for me jogging is all about getting outdoors into the fresh air, unwinding, destressing & just basically enjoying every step. I always feel amazing after a jog even if it's a short 15-20 mins session. So let's get started with my Top tips on how to get started and stay motivated.

A good start is to aim to complete a 5K distance. This is the perfect length to aim for as a beginner. Begin by setting a realistic training schedule to keep you motivated and give yourself plenty of time to move to the next level. Beginning a running program may improve many aspects of your life, as it builds your cardiovascular system, may boost your self-esteem and may improve your confidence while also allowing you to appreciate the outdoors. From the novice to the expert runner, a local 5K race is a great way to get in shape and improve your sense of health and well-being.

OUTLOOK FASHION

STILL LOOK CHIC WHILE SHOWING SOME SKIN:

HEALTH TIP

TRY TO HAVE BREAKFAST WITHIN ONE HOUR OF WAKING.

It's always best to have breakfast within an hour of waking so that your body can charge itself with the energy it needs for the day. The idea is not to wait for your self to get really hungry. Breakfast is the most important meal of the day but that does not mean that it should be the most filling meal of the day.

Beauty tip

Happy Feet

During summer, "It's easy to forget that feet can get sunburned. Be sure to apply sunscreen with a minimum SPF of 50 when barefoot"

GET THE HAPPINESS HABIT!

There is a lovely quote that says, "Happiness is an inside job!"

I totally agree! Happiness is something which only WE can give to ourselves. Many people spend their entire lives in search of happiness thinking that it can be found in other people, material possessions, the right body, the right life circumstances etc. However, real happiness can only ever come from within yourself.

Happiness is not a commodity – it is a **FEELING!** And whilst it can be joyful to experience the good things of life and material possessions – they don't necessarily bring you happiness. They may bring you more choice and ease but happiness is a state that can be created even when times are tough and there isn't abundance in your life.

The feeling of happiness also comes and goes. It is fleeting. You cannot hold on to it or save it but you can learn to generate more and more happy feelings.

One of the key ways in which to begin to feel happier is to appreciate what you have. The feeling of gratitude is powerful in creating a sense of contentment and happiness. It is hard to be unhappy when you are counting your blessings for how lucky and blessed you are.

Develop an "attitude of gratitude" and begin to watch how much happier you feel!

FOCUS ON SUMMER FLOWERING SHRUBS

From now until late Autumn there is a large range of flowering shrubs in all different sizes and from evergreen to deciduous for you to choose from. Some can have a short flowering time and other can flower right through the summer. Remembering when choosing your flowering shrubs that you find out the flowering period as this can determine the position that you are going to plant your shrub. A good example of a deciduous flowering shrub that will flower for a long period over the summer is a shrub called Potentilla. It comes in a good range of colours also, including white, yellow, orange and red. It is a medium to small sized shrub and if you have a small space, Potentilla Red Ace is quite a compact one and would be suitable. As with most flowering shrubs the flowers will go off as the season goes on so remember to dead-head every few weeks.

Next week I will focus on Herbaceous Perennials in season.

EVE IS CROWNED LILY OF KILLARNEY

At a gala gathering in the Gleneagle Hotel on Friday night last, **Eve O'Donoghue** from Glenflesk was crowned the 43rd Lily of Killarney. "It has been the best week of my life", Eve told the Killarney Outlook, who are media sponsors of the event. *I couldn't believe it when my name was called out.*

One of the best parts of Eve's week was when she returned to work at Kerry Parents and Friends at the Old Monastery in Killarney. "Everyone was so excited for me - they had banners made and were all cheering when I arrived in - it was amazing".

Eve, who is an Intellectual Disabilities Nurse was representing The Shire at the event which saw 27 girls vie for the title.

Eve wasn't the only one celebrating in the O'Donoghue household at the weekend. Eve's sister Janet won gold at a Special Olympics Competition held in Cork on Saturday. Organisers of the event, Spa GAA Club Ladies

Committee were delighted with proceedings. "Everything went according to plan", Chairperson Sheila Curtin told the Killarney Outlook. "We would like to thank everyone involved in the Lily, the sponsors, the girls and the supporters of the club which made the night such a success", she added.

Eve will have an action packed year ahead of her, attending events as the Lily. "I am really looking forward to Ladies Day at the Killarney Races" Eve said, "and I would like to thank everyone for giving me the honour of being Lily of Killarney", she added.

For Killarney

The world record for tree hugging has been broken by the people of Killarney in Killarney House and Gardens, Killarney National Park.

School Children, locals and visitors gathered and held the 60 second tree hug on last Friday 27th May 2016.

The previous record was 1,200 people and last week an estimated 1,977 people attended to break the world record. Killarney National Park was the perfect place to hold the world record attempt as it encompasses 10,000 hectares of the world's oldest Oak Forests

WHAT TO DO WHEN YOU SEE AN INJURED ANIMAL IN THE WILD:

1. Don't do anything before calling a wildlife rescuer.

Your animal-loving heart may be breaking to see an animal suffer but unless you are a wildlife rehabilitator or veterinarian, odds are you do not know how to assess and handle the situation best. Unless the animal is in imminent danger (like being run over), reach for your phone, not the animal, and call your local wildlife ranger. If you haven't their number ring the Gardai, they should be able to contact professional help or at the very least give you a phone number.

2. Don't assume it's orphaned.

Sometimes a baby animal can look like it's all alone in the wild but their parent could have just gone hunting for a few minutes and will be right back. By moving the baby you could be unintentionally separating a family. In other cases, the adults are just giving their babies some space but are watching close by. The best bet is to watch the baby animals from a distance and see if their parent returns or if they are indeed orphaned.

3. Don't touch it.

Not only will some species, like rabbits, be extremely stressed to the point of death, but others can bite. Being handled by a human can also lead to tragic ostracising by the animals' parents.

4. Don't feed it.

Depending on the injury the animal has, feeding it or forcing it to drink might be fatal. Giving the animal something it cannot properly process like milk or bread, may also cause bigger stomach issues, ask a vet for advice.

5. Don't talk all the way to the vet.

While you may be tempted to reassure the animal a thousand times that everything is going to be OK and that you'll make sure they're alright, resist the urge while transporting them to a wildlife rescue centre. The animal doesn't know you or your voice or what in the world is happening to them so the talking will most likely just stress them out and frighten them even more. Keep the radio off and talking to a minimum.

5. Don't plan on keeping it as a pet.

Wild animals belong in the wild and if you do end up caring for one, please release it as soon as it can take care of itself.

THE LIBRARY OF THINGS:

The Library of Things is a visionary project, located in the Sacramento library system's Arcade branch which enables people to borrow goods just like they would a book—by checking them out with their library card.

The project stems from the fact that people don't need to own all the items they may need; instead of buying they can access them through the library. Some libraries have been lending tools and toys for decades.

The Library of Things is experimenting with lending all kinds of goods. Among the other items available are musical instruments, video games, a laminator, crafting tools and more, it also hosts an in-house bike repair station and a 3D scanner.

To determine what library patrons wanted in the Library of Things, organisers used an online voting system. In the first round of voting, sewing machines received the most votes so the library bought six of them to lend out.

The Arcade branch is also home to the Design Spot, an area with five 3D printers and computers equipped with design software. The Sacramento library system also offers a prom dress lending programme, a seed library at the Colonial Heights branch, and a self-publishing centre for aspiring writers.

Funded by a federal grant received through the Library Services and Technology Act, the Library of Things points to the need for libraries to go beyond offering books into offering resources and information of all types.

GIVING A NEW LEASE OF LIFE TO A SHOE BOX COVER:

A shoebox lid, a piece of fabric and some cleverly placed thumbtacks is all you need to create a wall-mounted display organiser for your necklaces, bracelets and earrings. If you're a jewellery fiend then you may need some more space, so you can either create a series of lids or use the larger lid from your boots' box.

OUT OF HOURS WORK E-MAILS ARE NOW ILLEGAL IN FRANCE:

A recently enacted French labour reform bill has an amendment banning companies of 50 or more employees from sending emails after typical work hours. "The right to disconnect" amendment, as it's so called, is aimed at minimising the negative impacts of being excessively plugged in.

"All the studies show there is far more work-related stress today than there used to be, and that the stress is constant. Employees physically leave the office, but they do not leave their work. They remain attached by a kind of electronic leash—like a dog. The texts, the messages, the emails—they colonise the life of the individual to the point where he or she eventually breaks down" said Benoit Hamon of the French National Assembly.

Under the new law, companies are mandated to negotiate formal policies to limit the spillover of work, specifically as it's related to "digital technology," into the private lives of employees. This will involve companies establishing "charters of good conduct" specifying hours, typically in the evenings and weekends, when employees aren't supposed to send or receive work related e-mail.

"The development of information and communication technologies, if badly managed or regulated, can have an impact on the health of workers," Article 25 of the bill reads. "Among them, the burden of work and the informational overburden, the blurring of the borders between private life and professional life, are risks associated with the usage of digital technology."

There is currently no penalty for violating the

law and companies are expected to voluntarily adhere to it.

IN JON BON JOVI'S RESTAURANT, PAYING IT FORWARD IS MORE IMPORTANT THAN PAYING THE BILL:

The Sayreville, New Jersey-born rocker and the Jon Bon Jovi Soul Foundation have opened a second Soul Kitchen restaurant in New Jersey, where guests can pay by either making a donation toward other people's meals or by volunteering in the kitchen.

It's all part of Bon Jovi's plan to bring attention to hunger and homelessness by opening restaurants where everyone can participate, no matter their income level.

The first Soul Kitchen opened in Red Bank, New Jersey, in 2011. This second location is in nearby Toms River. It'll be part of a one-stop centre that helps people apply for health care and nutritional assistance benefits and prepare for jobs in the food industry.

"We serve people with dignity," added his wife, Dorothea. "You get great food and can volunteer in the kitchen afterwards to pay for the meal, and we ask our paying customers to pay it forward and pay for extra meals"

The centre joins other charitable endeavours undertaken by Bon Jovi, including the construction of 440 units of affordable housing for homeless or low-income families and donations to numerous relief efforts following Hurricane Sandy that struck the area on October 29th 2012.

BLIND KANGAROO LOVES CUDDLING HER FAVOURITE HUMANS:

Lily is a tree Kangaroo who lost her mother too soon in life. Without any maternal protection, this baby kangaroo suffered attacks from other surrounding animals, leaving her blind, wounded, and terrified.

After one particularly horrible attack, during which a woman's dog bit and shook Lily in a park, this adorable baby kangaroo finally got the help she so desperately needed.

Dr. Karen Coombes of Tree Roo Rescue and Conservation Centre Ltd. oversaw Lily's six-month-long treatment and subsequent rehabilitation. During their time together, Dr. Coombes helped heal Lily's infected foot and broken ankle and resocialised her back into daily life.

Though quite early on, Dr. Coombes realised that Lily would never be able to venture back out into the wild on her own; this doctor wanted to ensure that the life Lily continued living at the rescue was filled with joy. So, Dr. Coombes slowly helped reintroduce simple tasks, like eating on her own, into Lily's daily routine.

Lily's three years in the rescue have completely

transformed her demeanour, she now lives and plays with the rescue's other kangaroos by day, and even solicits hugs from human strangers and joins the humans at the rescue by night to be spoiled.

*Unlike their close cousins, the tree kangaroo's arms and legs are approximately the same length and they also have much stronger fore-limbs to help in climbing the trees they inhabit. Living in the trees, they eat mostly leaves and fruit, although they will also collect fruit that has fallen to the ground. The animals will also eat other items such as grains, flowers, sap and even bark.

Habitat loss and degradation means that many species now inhabit a restricted range. Habitat has been removed for logging and timber production, or converted to coffee, rice or wheat production.

LOLITA THE IMPRISONED OCRA:

Lolita was once a wild and free member of a family of orcas, the southern resident killer whales, who live in the Pacific Northwest, but her fate was forever changed when she was taken from them during the notoriously brutal roundups that took place in Penn Cove in 1970.

After she was torn from her family, she was taken to the Miami Seaquarium where she has spent more than 45 years in the smallest and oldest tank in North America. She has been alone since 1980, when her companion Hugo died from an aneurysm after ramming his head into the tank wall, in what many believe was a suicide.

Today, she is the last surviving southern

resident in captivity.

Not only is Lolita being kept in a tank that violates the U.S. Department of Agriculture's (USDA) own standards for minimum size, but she's being kept in solitary confinement with no escape from bad weather or Florida's scorching sun, which former caretakers have said caused burns that have led to her skin cracking and bleeding.

In the latest effort to free her, the Animal Legal Defence Fund (ALDF), Orca Network and PETA have filed a lawsuit against the USDA that is challenging the agency's decision to grant the Miami Seaquarium's new owner (Palace Entertainment) a license to keep her.

THE FAIRY POSSUM:

For more than 20 million years the beautiful Fairy Possum has lived deep in the Mountain Ash forests, the tallest flowering trees on Earth, located in Victoria's Central Highlands in Australia.

But in the last 100 years its world has literally come crashing down. With fewer than 1,500 Fairy Possums remaining in the wild, only the Great Forest National Park will save this defenceless creature from extinction.

The Fairy Possum (also known as the Leadbeater's Possum) was first discovered by Europeans in 1867. By the time of the 1939

Black Friday fires, the species was thought to be extinct. Miraculously, it was rediscovered in 1961, and extensive searches since have found the existing population in Victoria's Central Highlands.

But the 1960s also saw the advent of destructive clearfell logging, which has had a disastrous effect on the species, reducing their population in the wild to about 1,500 at present.

The availability of suitable forest habitat is critical for this species. Fairy Possums sleep and raise their young in tree hollows—hollows which only form after around 150 years.

Possum families also rely on a dense undergrowth to forage for insects and nectar. But for decades now, their forest home in the only place on Earth where the Fairy Possum lives is being destroyed, mostly to source wood pulp for making paper

BACKYARD ABUSERS:

Not all monsters have fangs and fur. They don't advertise who they are. They are not necessarily uneducated. In fact, they could be a trusted member of society. They are monsters because they have no compassion, no heart, they know better. We see them from time to time, they need to be reported, stop their crime. They are the backyard abusers - their pets suffering from unacceptable neglect. Excessive breeding, lack of feeding, non-existent veterinary care. Isolated, kept on chains, no interaction, certainly not any love or devotion.

Help to stop the crime from happening. Report it to the ISPCA or local dog warden. Report it to the Health Department. Do not buy puppies from advertisements, over the internet or street vendor. Educate your friends. Support your local rescues, adopt, foster, volunteer, donate. But most important, spay and neuter your pets!

FINALLY THIS WEEK:

Best of luck to all students facing into exams at this time, I would also like to wish everybody a safe and happy long weekend. If you are visiting the countryside or the beach please leave them as you find them and take care on the roads, hill walking and on water. Farmers please be extra vigilant of children when using machinery.

KILLARNEY GOLF AND FISHING CLUB

MEN'S CLUB REPORT AND RESULTS: Club President Arthur Hanley and Club Captain Liam Hartnett were among the large group

of Killarney members who turned out to support our "Jimmy Bruen Team" in the West Munster area final played over Tralee Links on Wednesday evening the 25th of May, when Killarney took on Ceann Sibeal, over a very benign Tralee course.

Ceann Sibeal started with the distinct advantage of playing on a links course, similar to their own home course, but it was evident from early on that the Killarney Team were not going to be intimidated in any way, and the fact that they went on to record what can only be best described as a facile victory in the finish, went on to prove that fact.

The final result was 4 and a half points to one half of a point, in Killarney's favour.

Joint Team Managers, Sean Duggan, Johnny O'Connor and Tomas Barry had set out their team in a very noteworthy fashion, with the highly experienced being well interspersed with the club Youth in their team formation.

Match 1 was eventually decided in Killarney's favour on the 20th when Enda Curtayne and Michael Maher eventually prevailed against a very dogged Ceann Sibeal pairing, who were three up with 5 holes to play, and seemed to have their match in the bag, so to speak.

Match 2 comprising of Peter McEnery and Darren Mulcahy went Killarney's way by a margin of 3/1, they were almost two full holes behind Match 1 when their match finished.

Match 3 was easily won by Killarney with the in-form pairing of Robert Cussen and Luke Walsh winning by a margin of 5/3.

Match 4 with Dermot Roche and Niall McCarthy was called in from the 16th when they were standing at 1 up. Match 5 with Father and Son, Tomas Kelliher and Ryan Kelliher winning by a margin of 3/2, they were never behind in their match, and stood at 5 up with 6 to play when the Ceann Sibeal pairing mounted a fight-back. Killarney's "J.B.Carr Team" completed the victory, that they had laid the foundations for, when they played the "home" leg of their tie against Waterville on Friday the 27th of May, the team under the joint watchful gazes of team Managers Connie Brosnan, Nick O'Brien

and Dermot Doyle, had brought a 4 to 1 lead from their "away" leg, and three of the first four matches out completed the task, with the 2nd and 4th matches finishing simultaneously.

Match 1 Dermot Roche and Enda Curtayne won 8/7, match 2 Seamus O'Connor and Donal McSweeney won 5/4, match 3 Derry O'Connor and Pdraig Griffin were 1 up playing the 13th, match 4 John Clifford and John Hickey won 5/4, and match 5 Con Healy and John Wall were 1 down while playing the 11th hole when their match, and match 3 were called in, as the overall victory had already been secured.

Killarney's "Pierce Purcell Team" were in action on Saturday morning, the 28th of May, when they were up against "Ring of Kerry" in the opening round of that competition which was played in Kenmare, the team was under the stewardship of Brian O'Regan, who was assisted in that task by Mikey Daly, and Brian Fitzgerald. The Club's Pierce Purcell team had in recent years progressed well in the competition, but alas, that would not be the case, on this occasion, and they were well beaten in the finish.

Match 1 Eddie McSweeney and Donie McSweeney were playing the 19th hole when their match was called in, match 2 James Collins and Jack Buckley lost 2/1, match 3 Colm O'Shea and Mairtin Driver won by a margin of 4/3, match 4 Louis Holland and Pa Fleming lost 3/2, and match 5 Stephen Broderick and Neilus Hayes lost 5/4.

Team Manager Brian O'Regan remarked afterwards that the "Ring of Kerry" team, played unbelievably good golf, and many of their teams were on level par, or just over, when the matches concluded, which belies their handicaps.

CLUB SINGLES STROKE PLAY COMPETITION ON MAHONY'S POINT SPONSORED BY DALY'S SUPERVALU 29/05/2016. Was won by John Lynch, with a most impressive score of 64 nett, John playing of 12 handicap, was only 4 over par gross for his round, which was played off the "blue markers".

1st John Lynch (12) 64.

2nd Robert Cussen (10) 66.

3rd Peter Wickham (13) 67.

4th Peter Malone (6) 68.

5th Niall Huggard (11) 68.

Best gross Donal Considine (2) 73.

Category 2 Denis McCarthy (11) 71.

Category 3 Eddie O'Sullivan (14) 68.

Category 4 Nick O'Brien (19) 68.

Bank Holiday Weekend the 4th and 5th of June will see the playing of the Club President's, Arthur Hanley's various President's prizes, details have been previously published, and are currently being well publicised within the Clubhouse. The evening festivities are due to "kick off" at 8.00 pm. and Arthur is very much looking forward to a very successful weekend, and with the weather forecast being good, then it should indeed be a most memorable occasion, the Men's Club wish President Arthur every success for this his once in a lifetime, most unforgettable event.

GOLF CLASSIC LAUNCHED

Michael Healy-Rae officially launched the Julie O'Neill Annual Ring of Kerry Golf Classic Fundraiser, sponsored by Menarini, at the Ring of Kerry Golf Club, Kenmare. The event will take place from 24th to 26th June at the Club to raise essential funds for the Respiratory & Cystic Fibrosis Units at Cork University Hospital.

The Golf Classic is being organised by Julie O'Neill, her husband Michael and their children Annie and Joe O'Neill, from Castletownbere, Co Cork, to thank Professor Barry Plant and his team at CUH and raise funds for the Units.

In 2014, Julie O'Neill's life was saved by doctors and medical staff at CUH, when she suffered an extreme allergic reaction to the spores in hay and was diagnosed with what is commonly known as 'farmers' lung'. Miraculously Julie survived.

'Professor Plant and all his team saved my

life, and for that I am forever grateful', Julie said at the launch of the Classic. 'Organising this event is our way of giving back to all the great people who took me in their arms and brought me through this terrifying time in my life. Huge thanks also to our Title Sponsor this year, A. Menarini. We are calling all golfers to come out in support of our Golf Classic event in the Ring of Kerry Golf Club on the 24th to 26th June'.

To enter a team, please contact James on

SENIOR COUNTY FOOTBALL CHAMPIONSHIP

SOUTH KERRY ROCK STACKS ON HOME SOIL

KERRY O'SHEA REPORTS FROM THE COUNTY CHAMPIONSHIP REPLAY IN CONNOLLY PARK

SOUTH KERRY 2-10 AUSTIN STACKS 0-08

A double goal salvo either side of half-time from bang-inform corner-forward Sean Cournane, swung the Garvey's Kerry SFC Round 2A replay tie firmly in favour of defending champions South Kerry as they comprehensively defeated Austin Stacks.

In Caherciveen last Sunday, these two sides played an absolute thriller but on this occasion, South Kerry were just too strong.

Bryan Sheehan, given the task of shadowing his Kerry team-mate Kieran Donaghy, was once again the focal point for South Kerry and directed operations superbly for William Harmon's side.

However, what was impressive about this South Kerry win was their greater scoring spread plus the excellent work rate of centre-forward Daniel Daly and full-forward Niall O'Shea.

South Kerry were without County star Mark Griffin who was injured in the warm-up and with Brendan O'Sullivan still to come into the squad, things can only get better for the defending champions.

Stacks, who had the benefit of the breeze in the opening half, had plenty of possession. Their tactic of playing the ball laterally into the forwards did not work as the South Kerry defence was well marshalled and the Rockies were guilty of frittering away too many scoring opportunities when they had possession.

The glorious early summer added to the occasion as the game was played in ideal conditions before a bumper crowd who

enjoyed the carnival atmosphere.

Bryan Sheehan opened the scoring in the 2nd minute when he converted from play and would score three more of his side's first-half points.

South Kerry's other marksmen in the first-half were Daniel Daly and Niall O'Shea. Austin Stacks had points from David Mannix (3), Pa McCarthy, Conor Jordan and Michael O'Donnell.

Then on the stroke of half-time, Austin Stacks were presented with a gilt-edged goal scoring opportunity when O'Donnell was in a one-on-one situation with South Kerry custodian Richard Whyte but to the dismay of the Austin Stacks fans in the crowd, he blazed wide.

South Kerry stormed up field in a swift and lightning counter-attack.

Sean Cournane pounced to score his fifth goal in three County SFC games, following great approach work from Bryan Sheehan and Niall O'Shea to leave the half-time score at 1-6 to 0-6 in favour of South Kerry, on swings like this games can turn.

Cournane was outstanding over both games for the Iveragh side. He is a natural goal scorer and on this occasion was a worthy man of

the match.

South Kerry struck again eight minutes into the second half, Sean Cournane was in the right place at the right time at the end of a long ball from Kerry star Killian Young which he blazed to the net.

That two-goal advantage was a difficult ask for the Rockies who were unable to stop the South Kerry assault and only scored two points in the second half, a David Mannix free and a Kieran Donaghy effort from play, while South Kerry finished with scores from Daniel Daly (3) and Niall O'Shea to run out very comprehensive winners.

South Kerry advance to the quarter-finals and on this evidence must be strong favourites to retain their title, while Austin Stacks, who are capable of playing much better than this, must regroup for a Round 3 encounter with West Kerry, which will be played on the weekend of July 10th.

LADIES U14 FOOTBALL MUNSTER FINAL

BRILLIANT KERRY ARE TOO STRONG FOR TIPPERARY

DAN KEARNEY HEADED TO MALLOW TO SEE THE REVIVAL IN KERRY LADIES FOOTBALL

**KERRY 4-14
TIPPERARY 3-4**

Kerry were crowned the Munster Under 14 A Championship winners after an emphatic 13 point win over Tipperary in sun drenched Mallow last Saturday.

The foundation for the win was built in a brilliant first half performance in which Kerry outscored their opponents to lead by 3-7 to 1-1 at half time.

Tipperary came to Mallow as slight favorites having defeated Kerry by one point in the All Ireland LGFA blitz final in Portlaoise just 2 weeks previously. However as Tipperary manager Ed Burke admitted after the game 'you might catch Kerry once, but you will not catch them the second time'.

Kerry were first out of the traps and Aoife Dillane swung over a lovely point in the first minute. Kerry added further points through the hard working Rachel Kilgallon and Rachel Dwyer before Siofra O'Shea coolly despatched an 8th minute penalty following a foul on Mary Collins.

A good diagonal ball from Danielle O'Leary found Rachel Dwyer, and the Southern Gaels girl made no mistake from close range to score Kerry's second goal on 13 minutes. Tipperary finally got on the scoresheet after 15 minutes when Aisling Ryan pointed, and soon afterwards, Kerry goalkeeper Ciara Butler had to effect a good stop as Tipperary grew into the game. The Kerry defense was outstanding at this stage with Tara Murphy and Chloe O'Connor excelling under the Tipperary pressure.

Ava Fennessey, who was Tipperary's best player on the day, scored a good goal in the 20th minute to leave them just 5 points behind. The Kingdom responded quickly and Rachel Dwyer's second goal, followed by 4 points from Siofra O'Shea(2) and Ella Teahan(2) ensured Kerry had a healthy 3-7 to 1-1 half-time lead.

Tipperary quickly got off the mark in the second half and full forward Ciara Dwan pointed in the first minute. Kerry soon settled, and points from Ella Teahan and Mary O'Connell got them back in their stride once more. A brilliant cross-field pass from Rachel Dwyer found Danielle O'Leary and the Rathmore girl found the back of the net to leave Kerry with a healthy 16-point lead with only 5 minutes gone in the second half. Tipperary weren't finished however, and they rocked Kerry with 2 goals and a point in quick succession from Caitlin Kennedy and Ciara Dwan. Kerry responded quickly, and inspirational captain Siofra O'Shea added 2 points. Further points were scored by Danielle O'Leary and Ella Teahan as Kerry pushed on in spite of the sweltering conditions. Tipperary continued to press and a shot at goal from a 14 metre free by Ciara Dwan was blocked on the line by Kerry substitute Gemma Kearney and cleared out of danger by Kerry goalkeeper

Ciara Butler.

Soon afterwards, referee Shaun Cronin of Cork blew the full time whistle and Kerry were Munster U/14 A champions on a score line of Kerry 4-14 Tipperary 3-4.

Overall, it was a marvelous team performance from the Kingdom girls with their tackling, honesty and skill under pressure being a feature of the game. Kerry were well organised and very fit, great credit must go to manager Rory Kilgallon, along with his team of coaches and selectors, for the way they prepared their charges.

Kerry had many fine performances on the day, and as well as those already mentioned Ciara McCarthy, Rachel O'Connor, Maud Kelly and Ava Doherty did really well.

Kerry captain Siofra O'Shea deservedly collected the Player of the Match award after the game for her power packed performance in the middle of the field.

Kerry will now face Galway in the All Ireland semi final on June 11, venue tbc.

KERRY: Ciara Butler (Castlegregory), Tara Murphy (Legion), Rachel O'Connor(Corca Dhuibhne), Chloe O'Connor(Fries), Ciara McCarthy (Abbeydorney), Maud Kelly (Fossa), Ava Doherty (Glenflesk), Mary O'Connell (Na Gael), Siofra O'Shea(Southern Gaels), Rachel Kilgallon (John Mitchels) Ella Teahan (Milltown/Listry), Aoife Dillane (Austin Stacks), Rachel Dwyer (Southern Gaels), Mary Collins (Rathmore), Danielle O'Leary (Rathmore) Subs; Gemma Kearney (Castleisland Desmonds) for Kelly (38 min), Aishling O'Connell (Ballymacelligott) for Dillane (27 min), Ava O'Sullivan (Southern Gaels) for Teahan (28min)

LEGION GAA NOTES

LEGION V GNEEVEGUILLA (SUPER LEAGUE):

A strong opening which yielded a Conor Culloty goal saw Legion take a lead they would never relinquish. Strong running and work by Billy Maguire and Kevin Breen was the groundwork for a half which saw the forwards rack up 2-8 by half time, Derek Twomey slotting home the second goal. Denis Sheahan too was very industrious when he was switched out to the middle third with Colm ó Cuív making his first senior start. The second saw Gneeveguilla add 1-4 to their 1-5 half time total as Sean McCarthy stole up to score a fine point. The introduction of Finbarr Murphy sparked a productive period as some nice link up play saw Billy McGuire crash home two goals. The pace of the game dropped in the midday sun and Legion duly qualified for the Super League final by virtue of 4-9 to 2-9 victory.

DRAW: Legion have been drawn to play Kerins O'Rahillys in the 3rd round of the County

Championship. The tie will be played the weekend of July 10th. Venue TBD.

KERRY COISTE NA NOG NOTES

U14 DISTRICT COUNTY CHAMPIONSHIP
Feature Game: **U14 COUNTY SEMI-FINAL**

- EAST KERRY 1-13 MID KERRY 1-10

A Mid Kerry team with great teamwork sped straight out of the blocks. Jack O'Connor, who started impressively at full forward before moving out to give a man of the match display at midfield, opened the scoring. Wily Gearoid Hassett hit over a free before setting up Sean O'Brien for a goal chance that was well saved by Cian Ring. Cian Knight had to be equally sharp to save from Ryan O'Grady at the other end and the same player opened East Kerry's account. Niall McGillicuddy added another to make it 0-2 apiece before Jack O'Connor and Tom Doyle exchanged scores.

Emmett O'Shea won a free converted by Gearoid Hassett before Rian O'Donovan exchanged a clever one-two with Jack O'Connor before drilling home a great goal. Niall McGillicuddy replied with a free after Ruairi Doyle was fouled. Mid Kerry were well on top by now though and, despite wasting some good chances, still hit an unanswered four points on the trot from Seamus Nagle, Rian O'Donovan, Darragh O'Dowd (long range), and Tom Doyle. East Kerry could also thank Cian Ring for an incredible double save at point blank range from Sean Corcoran and subsequently Tom Doyle on the rebound.

Half-time: Mid Kerry 1-8 East Kerry 0-4

Niall McGillicuddy narrowed the gap on the resumption after a foul on Ruairi Doyle, but things looked bleak for East Kerry. They helped by a succession of scoreable wides before Ryan O'Grady scored a brace (1f) in response to a Jack O'Connor point. The loss of the influential Darragh O'Dowd to injury was a big blow to Mid Kerry, though, and Emmett O'Shea and especially an impressive Eoin O'Sullivan began to command the middle third. Both sides exchanged points before Ryan O'Grady picked out Niall McGillicuddy with a clever pass and the Mid Kerry net billowed. That made it 1-10 apiece, the first time that East Kerry had parity since the throw-in, and they finished stronger with points from O'Grady, Doyle, and McGillicuddy to seal a win that had looked unlikely for long periods against an impressive Mid Kerry side.

U14 COUNTY SEMI-FINAL: WEST KERRY 3-16 EOGHAN RUADH 3-15

In the other semi-final, there was a repeat of last year's final. This was an epic struggle between two fantastic teams, an even better thriller than last year's final, and this time it was West Kerry who prevailed to book their spot against East Kerry in the final.

U14 COUNTY HURLING LEAGUE FINALS

KILLARNEY SWIMMING CLUB NOTES

Well done to all our swimmers who took part in the "B" gala in Tralee recently. This was a huge swimming event with races running from 9:30 am through to 6:30 pm and, being the last "B" gala of the current season, medals were as scarce as teeth in a hen but our squad did us proud winning far more than their fair share. Boys under 11 – Ross O'Leary was in fine form winning gold in the 200 metres Individual Medley, gold in the 100 metre butterfly and a tidy little bronze in the 100 metres breaststroke. Girls under 13 – Ellen Farndon was superb on the day, leaving the opposition in her wake with her classy tumble-turns. Deservedly, she took home gold in the 200 metres Individual Medley and silver in the 100 metres backstroke. Orlaith O'Sullivan won a truly magnificent silver medal in the 100 metres breaststroke. Well done, Orlaith. Meanwhile, in a tough, gruelling

battle, Ellen O'Connor took a fantastic bronze in the 100 metres butterfly.

Boys under 13 – Charles O'Brien was in great form winning every colour medal available; gold in the 100 metres breaststroke, silver in the 100 metres backstroke and bronze in the 200 metres Individual Medley! Normally this would be a fantastic haul for any club in this highly competitive age group - but not for Killarney, for we had Ethan O'Neill who had nothing but medals on his mind from the moment he hit the water. Swimming in four races, Ethan took four medals – gold in the 200 Individual Medley, gold in the 100 metres backstroke, silver in the 200 metres freestyle and silver in the 100 metres breaststroke.

Boys under 15 – Another man on fire was Paul O'Leary who continued on his winning ways seizing a gold medal in the 100 metres backstroke, another gold in the 100 metres breast, a silver in the 200 metres freestyle and a silver in the 200 metres Individual Medley.

Girls over 16 – Emma Quirke had another great day in the water winning a well-deserved silver in the 100 metres backstroke and a second silver in the 100 metres breaststroke.

Thanks to our coaches, Cathal O'Brien and Leontia Doody, who gave huge support and encouragement to all swimmers and to our team manager, Samantha O'Connor who deserves to be nominated for sainthood at this stage. Thanks also to all parents for travelling and assisting on deck.

CUP REPORTS: FINAL CUP FINAL'S

DECIDED: The remaining two Cup Finals, at the uneven ages of 13's and 15's were decided this week at Mounthawk Park where once again big crowds were in attendance.

LISTOWEL CELTIC TAKE 13'S CUP: The John Joe Naughton Cup was the prize for the 13's Cup winners and at half time its destiny was still not decided as The Park and Listowel Celtic were level at 0-0. However it was the North Kerry side that took over in the second half and the vital opening goal came from a set piece. Listowel Celtic's Ben O'Connor curled a free kick from 25 yards around the wall and despite the Park keeper getting a hand to the ball it went into the corner to give Listowel Celtic the lead. The Listowel Celtic defence restricted the Tralee side to long range efforts and they then hit them on the break to wrap up the win. Aoife Horgan chased down what looked like a lost cause but was able to stop the ball going wide and then set up Adam Farrell who finished neatly to the net. Listowel Celtic's Sean O'Connor was named Player of the Match and their captain Cian Clancy was presented with the trophy from Tommy Naughton and members of the Naughton family.

PARK KEEP HEALY FAMILY CUP AT

HOME: The Park will be happy that the Healy Family Cup remains in the trophy cabinet at Christy Leahy Park after a 1-0 win over Killorglin. This was a tight and cagey game all through with The Park hoping this could be the first leg of a double, as they are still in contention for the Premier League title at the same age group. Killorglin were trying to catch the Park on the break but the defence was equal to that and indeed it was one of the Park defenders that got the all-important goal. Sean McGrath swung in a perfect corner and James Rusk, up from the back, rose highest to head home. The Park controlled the rest of the game and in the end the one goal was enough. Goal scorer James Rusk was named Man of the Match by the judging panel.

CUP ROLL OF HONOUR: The Cup's Roll of Honour for the 2015/16 season see's 4 different clubs putting silverware into their Trophy Cabinets. Killorglin won the 12's, Listowel Celtic the 13's, The Park the 14's and 15's and Killarney Celtic 16's.

LEAGUE ROUND-UP:

WIN SEE LISTOWEL CELTIC C 2ND: In the JK Sports 12 Division 2 the battle on the final day was for 2nd place behind Iveragh United. Listowel Celtic B went to Killorglin knowing they had to beat their host to snatch second place from them. And the North Kerry side did just that but with the narrowest of margin. There was only one goal in it and it was Chris McQuaid who got it for Listowel Celtic. They take the runners up spot on 20 points followed by Killorglin B on 18.

DINGLE DOUBLE GIVES THEM THE

TITLE: Dingle Bay Rovers went into the last weekend of the season with two games to play knowing one win would see them end the season as JK Sports 12 Division 3 champions. On Friday night the defeated Fenit 7-2 and the following day hit another 7 against Listowel Celtic C to take the Division in style. James Hoare is a player to watch next season as he hit 5 in the game against Listowel Celtic. There were added to by goals from Paddy Ryan and Oscar Donnegan.

MASTERGEEHA WIN WITH LAST DAY

WIN: Mastergeeha are the Daly's Supervalu 13 Division 1 champions after defeating Killorglin B 4-0. They started the level on points but with the Kilbrean side having a game in hand. And this was the game as they defeated Killorglin finish on 23 points to the Park's 20 points.

Brendan O'Leary 2, Sean O'Leary and Cian Foley were the Kilbrean boy's goal scorers as they wrapped up the Division 3 title.

DINGLE BAY DELIGHT: Dingle Bay Rovers welcomed Ballyhar to West Kerry knowing that a point would be enough to give them the Foundation Sports 14 Division title. In the end they took all three points thanks to 2 goals from Cathal O'Beaglaioich. Ballyhar will be happy enough to have gone to the last day of the season and take second spot.

15 PREMIER GOES TO PLAY-OFF: The Park, having won the Cup on Tuesday night, welcomed Killarney Celtic to Christy Leahy Park knowing they had to defeat the Killarney side to force the Killarney Plaza 15 Premier Division to a play-off. And they did on a 5-2 score-line. A Leo Gaxha hat trick put them in control and these were added to by goals from Mervin Shalemba and Nathan Gleeson. Darragh Lyne and Ryan Kelliher got the Celtic goals.

PLAYERS WHO EXCELLED THIS WEEK:

As there was only a small number of games as the Kerry Schoolboys Girls League comes to an end there is no Team of the Week.

But there were a number of players who excelled this week and they are: Sean O'Connor – Listowel Celtic and Brendan O'Leary Mastergeeha in the 13's. Aodan Devine and Cathal O'Beaglaioich – Dingle Bay Rovers in the 14's. James Rusk - The Park and Ryan Kelliher – Killarney Celtic in the 15's.

Killarney Celtic are asking all our members and

supporters to make a special effort to make it to Tralee on Friday night to support us against a top quality Dingle Bay Rovers to decide the title. A brilliant year comes down to this one game and hopefully the massive effort and commitment of our management and players will be rewarded – but our supporters will be absolutely vital on the night.

KILLARNEY CELTIC FOOTBALL FOR

ALL: This has been a huge week for Killarney Celtic Football For All, and it's only getting bigger. The club has been announced as one of the top twenty sports clubs in Ireland by the Irish Times and the only soccer club to make the shortlist.

This Friday, June 3rd, league leaders Dundalk travel to second placed Cork City at Turners' Cross for the most anticipated Airtricity contest of the season so far. With Killarney Celtic FFA providing the half-time game, that makes three great teams in action on the night and all our young members are eagerly looking forward to the occasion.

RESULTS: GREYHOUND BAR SEMI-FINAL: KILLARNEY CELTIC 1 ST.

BRENDANS PARK 0: Celtic were on top but couldn't break through until the 70th minute, when a typically adroit Gary Keane finish gave us the win. This was a tough game against a very good side, and Celtic are now in with a chance – note, only a chance! – of a cup and league double.

JIMMY FALVEY YOUTHS CUP FINAL: CASTLEMAINE UNITED 1 KILLARNEY

CELTIC 6: Celtic were in determined mood here and goals from Stephen McCarthy (2), Cathal O'Shea, David Spillane, Oran O'Donoghue, and Conor McCarthy sealed a convincing win. Like our senior, our Youths now have a chance of a Jimmy Falvey Cup and League double, facing Fenit in both finals after the Leaving Cert.

U15 PREMIER: ST. BRENDANS PARK 5 KILLARNEY CELTIC 2: Darragh Lyne and Ryan Kelliher got our goals, but Park were in superb form and deserved to win.

U14 PREMIER: KILLARNEY CELTIC 3 KILLORGLIN 0: Unfortunately, Killorglin were unable to field in our last fixture, leaving Celtic as champions with 28 points, just ahead of St. Brendans Park, who pushed us hard all the way to the wire and finished with 25.

CONGRATULATIONS: To U16 player Ryan Kelliher on making the Kerry Schoolboys/Schoolgirls Team of the Week.

LOTTO: Numbers drawn 6, 10, 11, 16. No winner, 3 x match three, Damien and Kevin McCarthy, Milltown, Eileen O'Callaghan c/o The Failte, Elena Jones c/o Denis, €50 each. Next week's jackpot €6200, draw in the Failte on Monday night. Tickets available from all club officers. Yearly tickets available.

This was a brilliant squad effort and Athletic's management team will be very impressed with the way the squad finished the season.

PEDESTRIAN SAFETY

Road-wise pedestrians are safe pedestrians. Find out how to put your best foot forward and stay safe on Irish roads

Better safety, step-by-step

In 2008, 49 pedestrians were killed and 1,124 injured on Ireland's roads. That's 18% of all fatalities and 12% of all casualties from road collisions in the country.

THE BASICS

Although you can't be responsible for the way people drive, you can take a number of steps to make yourself safer as a pedestrian:

- Stop, look and listen
- Don't try to cross the road between parked cars
- If possible, cross at a pedestrian crossing or

traffic lights

- Never cross at a bend
- If there is a footpath use it
- If there is no footpath, walk/run/jog on the right hand side of the road, facing oncoming traffic and keeping as close as possible to the side of the road
- Walk no more than two abreast and if the road is narrow or there is heavy traffic, walk in single file

INCREASE YOUR VISIBILITY

More than two-thirds of fatal pedestrian collisions happen at night. Although you can hear a car coming and see its lights, the driver may not see you (and certainly won't hear you).

To protect yourself make sure you:

- Always wear a pair of reflective armbands, high-visibility belt or other reflective or

fluorescent clothing which will help you to be seen from a distance

- Carry a torch on country roads

SOBERING FACTS

Drunken pedestrians are a source of danger to themselves and other road users. If you have had one too many, don't attempt to walk – hail a taxi, use public transport or get a lift from a (non-drinking) friend.

Pubs and clubs also have a responsibility to prevent intoxicated customers walking out on public roads where they could be hit by passing vehicles, or cause a crash through their own behaviour. To prevent this happening, bar staff or anyone serving alcohol should decide if the person is fit to walk. If not, they should arrange to get them home safely.

RIDING LEADING OR DRIVING HORSES ON THE ROAD

Today, riding on the road may be part of a horse's training programme or just for leisure. For riders, it is an enjoyable change of environment, but there are safety risks. These include, but are not restricted to, traffic speeds, road surfaces and motorists' knowledge of dealing with horses. You can reduce these risks with road safety knowledge and training.

Horses and riders have every right to be on our roads. However, they must follow the Rules of the Road. It is vital that every rider has a clear understanding of the Rules of the Road before taking a horse onto a public road.

If you are riding or leading a horse, you must stay on the left-hand side of the road and obey all Rules of the Road.

When leading a horse, you should walk so that the handler is between the horse and the traffic, so as to prevent the horse from interfering with the traffic.

When riding one horse and leading another horse, you must remain on the lefthand side of the road. You should ensure that the led horse is on the left-hand side of the ridden horse, to ensure the rider is positioned between the horse being led and the traffic. This is in order to control the led horse, in the interest of safety of all road users.

Before riding on the road you should always tell someone where you intend to go and when you will be back.

If you are in charge of a horse on a roadway, you must make sure the horse does not block other

traffic or pedestrians.

It is best not to bring a horse on the road at night. If you do, you should carry a lamp showing a white light to the front and a red light to the back. You should also wear reflective clothing and put suitable reflective equipment on the horse.

If the weather is bad, you should not ride on the road unless it is absolutely necessary. Motorists will already be experiencing difficult driving conditions and meeting an anxious horse may present a dangerous situation.

Advice for motorists and other road users

Most collisions on the road involving horses happen when the horse is struck from behind. Horses and their riders are extremely vulnerable in a collision and can be seriously – sometimes fatally – injured.

You must always be careful when passing horses and riders on the road. A horse may startle. The rider may be a child or an adult in training. Never pass unless it is safe to do so.

- be alert when approaching riding schools or places where horses are likely to appear;
- take special care when overtaking horses, especially loose horses or horsedrawn vehicles. This is particularly relevant at junctions where motorists are advised to keep a safe distance from horses and riders;
- slow down when approaching a horse and rider. Be prepared to stop and let them pass;
- obey a signal to slow down or stop from someone in charge of a horse. They may know about a potential hazard which you cannot see or hear.
- pass by slowly, driving wide of the horse and rider;
- don't use your horn or lights in a way that might startle or blind a horse. This could cause

the rider to lose control of the animal;

- if you are carrying a roof load or towing a trailer, take special care when passing horses;
 - if you drive a heavy goods vehicle, know the dimensions of your load. Be aware that the sound of airbrakes might startle a horse; and
 - show courtesy to riders and their horses, and take steps to minimize engine and other noise when passing safely.
- Always drive at a speed that allows you to stop:
- safely in a controlled way;
 - on the correct side of the road;
 - within the distance you can see to be clear; and
 - without risk to you, your passengers or other road users.

Numbers drawn were 1, 13, 15, 18. There was no jackpot winner and the €40 consolation prize winners were Emma Griffin, Barleymount, Pat Griffin, Two Mile School, John Kelliher, c/o Kayne's Dromhall, Dermot Griffin, Barleymount and Mike Russell, Gortroe. SENIORS: Our seniors were away to Castlegregory on Saturday evening in the Junior Championship quarter final. The evening was perfect for football, Castlegregory were out of the blocks quickly and ran hard at our defence and Alan Fitzgerald opened the scoring with a point. Fossa settled with frees from Tadgh O'Shea and Donald O'Sullivan and from there on Fossa took control of this game. Fintan Coffey lorded midfield throughout, the defence was very solid with Daniel O'Keeffe and the young Daniel O'Connell leading the half back line very well. Paudie Clifford was absolutely brilliant where his intelligent running and ball control skills were breathtaking at times. Fossa continued to kick some great scores with Paudie Clifford, Tadgh O'Shea, Donald O'Sullivan and Chris Myers all getting on the score sheet. We had a chance of a goal but didn't take it while at the other end Colin Myers pulled off a brilliant save to keep Castlegregory at bay. We lead at half time 0-10 to 0-04. Fossa continued to control the second half with Tadgh O'Shea and Lorcan Daly working really hard for the team and creating numerous chances. Even though Castlegregory did try to bridge the gap with scores from Alan Fitzgerald and Anton Kelliher, we had scores from Fintan Coffey and Tadgh O'Shea before the ageless, Donald O'Sullivan, who had a great game and displayed all his guile and experience, slotted the ball home to leave Fossa comfortable winners on a scoreline of 1-16 to 0-11. This was a very good team performance with the subs of Mikey O'Shea, Dara Rice, Mikey Cronin and Michael O'Keeffe all contributing to this success, it was always going to be a tricky fixture but they came through with flying colours. This now leaves Fossa in a semifinal with the draw due to be made later in the week. They turn their attentions to the County league for now when they play Furies in Fossa on Saturday evening, 4th June at 7pm.

LADIES FOOTBALL: Fossa U-12 girls started off their county league campaign with a home win over Currow running out comfortable winners in the end after an encouraging display. Next up was an away trip to Kerins O'Rahillys where after a slow start they gained a formidable lead going into the last quarter. Rahillys came back into the game but the Fossa girls dug deep to pick off some impressive points to record a good win. Two wins out of two so loads to look forward to. Next up is Scartaglin at home next Tuesday night.

KERRY U-14: Congrats and well done to Fossa's Maud Kelly and Sara Sheehan and all the Kerry U-14 panel who has a great win over Tipperary in the Munster Final on Saturday in Mallow. Well done girls.

BOYS U12 COUNTY LEAGUE DIV 1A AND 1B The U-12 teams welcomed Ballymac to town on Sunday evening and had mixed fortunes on the field.

The U-12 black team found the Ballymac defense too strong and failed to convert their chances. At this level it is hard to win if we don't do so. Dean Sheehan, Cian Doyle, Peadar Kelliher and Rian Colleran all did well. Robert

Brooks had a great game marking their star forward. It was another learning experience for the boys who actually finished the game on the front foot.

The U-12 red team were very evenly matched with Ballymac and the game turned out to be a cracker. Down by 2 points starting the second half, Fossa eventually got to grips with the game with Tom Cahillane scoring the vital goal to eventually see off the Ballymac challenge. Daire O'Brien dominated at centre back, Ted O'Gorman seemed to be every where, Scott Carlton impressed in the full back line, Rocco Sheehan played the captains role with style and Luke and Abby Murphy were their usual electric selves. That's three wins on the bounce for this team... Keep up the good work everybody.

CONGRATS: Congrats to Eoin and Colm Talbot, Naoise Buckley and team trainer, Dan McKenna who were part of the Milltown Presentation School team which won the Brendan O'Shea Cup in the Kerry County College Final against Kenmare during the week.

KITS FOR KIDS: Dalys Supervalu have nominated Fossa to be one of the clubs to be in with a chance to receive an O'Neill's GAA training kit through the Kits for Kids Initiative. Clubs must collect 2000 vouchers over a period of 8 weeks which started Thursday 12th May. Customers will receive one voucher every time they spend €40 or more.

Can everyone please remember to collect the vouchers in store and place them in the Fossa nominated box behind the checkouts, thanks.

FOSSA NOTES: If anybody has any item they would like included in the notes, please email information to John O'Neill at pro.fossa.kerry@gaa.ie. Please forward information before Sunday at 11am.

EXAM TIME

Over half way through exams now it is essential to stay calm and keep positive. It is important to put your exams into perspective and remember that whilst the results will have a bearing on your future the results are not a measure of your worth. Be sure to continue eating a well-balanced diet, do some exercise and get sufficient sleep each night. If you are finding it difficult to cope or don't feel you have the necessary support, be sure to seek professional advice.

FOR PARENTS

It's important that your child knows that you are interested in their work. Tell them that they can only try their best and even if they don't do as well as they'd hoped, you still love them just as much. Whilst we're not suggesting bribery it's fine to provide small treats by way of encouragement – and be sure to celebrate the end of exams with a treat that everyone can look forward to, such as a meal out or a trip to the cinema.

Your sympathy and support is all important at this time – so recriminations about the past and 'I told you so' speeches will not be welcomed at this time. Professor Aidan Moran advises parents to "avoid doing post-mortems with your children after the exam – it's neither helpful nor accurate" (as students don't always remember what they wrote in an exam). He also states that "parents should praise their children for doing their best and for staying in the exam until it's over."

Continue to focus on the exams ahead reminding your teen that it's 'never too late, and a lot can be achieved in a short time'. Encourage them to continue trying and that it's worth 'having a go' and it will all be over soon.

Let them know that you love them unconditionally. Let them know that this time will pass and they will get through it. Let them know that no matter how the exams go, you will be there for them.

TAX Matters with

HOW ARE TAXPAYERS SELECTED FOR AUDIT?

REVENUE USE THREE METHODS OF SELECTION. THESE ARE:

SCREENING TAX RETURNS:

The vast majority of audit cases are selected in this way. Screening involves examining the returns made by a variety of taxpayers and reviewing their tax compliance history. The figures are then analysed in the light of trends and patterns in the particular business or profession and evaluated against other available information.

PROJECTS ON BUSINESS SECTORS:

From time to time, projects are conducted to examine tax compliance levels in particular trades or professions. The returns for a large number of taxpayers in a particular sector are screened in detail and a proportion of these are selected for audit.

RANDOM SELECTION:

This is in addition to the first two methods. It means that all taxpayers have a possibility of being audited. Each year, a small proportion of audit cases are selected using this method.

A WORD OF VICTORY

Welcome back dear reader, Jesus told His disciples to go into the entire world and preach the Good News to every creature and whoever believes it will be saved and whoever does not believe will be condemned (Mark 16:15); so then - what is the Good News that we are meant to hear and believe? The Good News is that Jesus the Saviour was sent by the Father as a human being to rescue us from destruction because of the sin nature that we were born with that causes men and women to do evil things. The famous Scripture John 3:16 tells us that God so loves the world that He gave His One and Only Son that whoever believes in Him will not perish but will have everlasting life. That is the Gospel in a nutshell. He also told us that there is only One Name under Heaven given to mankind to be saved and that is the Name Jesus (Acts 4:12). Jesus said "no-one comes to the Father except through Me" (John 14:6), but the deceiver Satan has blinded the mind of humanity to those truths and now people are calling on every name for help other than the Name of Jesus. That is why there is so much turmoil, sickness and disease, suicide, fear, worry and despair for the names that are being called upon in times of trouble are not providing victory over the evil one. The enemy is not obliged to submit to any of these names and let the people go, it's only Jesus who has power over Satan because it was He who died on the Cross and gave His life to save us (Hebrews 2:14). It was not His mother, any of the apostles or any other person who did this. Calling on other names, be they dead or alive, other than the Name of Jesus, is calling in vain and ends up in disappointment and often anger towards God. But if people simply did what the Word of God instructs we would have a different society. More next week....

I thought about motivation for months before I finally made the move to join, I'm so glad I did. Motivation has taught me that by eating the right combination of food it is easy to lose weight and not feel deprived or hungry.

My consultant Catherine made out a food plan that I liked and fitted in to my lifestyle, she also gave me great encouragement and advise each week.

Motivation really works, I even went on holidays for a week, I had a great time, ate out every night and still managed to lose 2lbs.

Before I joined motivation I suffered a lot form pains in my knee and now I am pain free thanks to motivation, I have so much energy now I feel amazing.

Clothes shopping was a nightmare, but now I enjoy it so much.
