Irish call up for soccer whizz Alex

An up and coming soccer player has been chosen to play on an Irish Under 13 squad for a tournament in September.

Alex Hennigan, a member of Killarney Athletic AFC received the call from the F. A. I. this week confirming his selection for an Irish U 13 squad of 18 for a tournament in Dublin in September against Liverpool and Glasgow Celtic among others.

Alex is the son of Billy and Elaine Hennigan and is a past pupil of

St. Oliver's National School in Ballycasheen and is starting in St. Brendan's College later this month.

Alex is an all-rounder, a great athlete, winning medals in Athletics and he also plays Gaelic football with Dr Crokes.

"This is a huge honour for Alex, the club and all his coaches that helped his development. We wish him well in the tournament and hope he enjoys the opportunity and the experience", a spokesperson for Killarney Athletic told the Killarney Outlook.

SEM BOY TAKE TO THE STAGE AT ELECTRIC PICNIC

Trad musicians from Killarney's St Brendan's College are set to take to the stage at this year's Electric Picnic Festival with Liam O'Connor. They will be joining him as part of a special performance at The Hazel Wood After Dark stage which is part of the Gaeltacht campsite at this year's festival. Bliain na Gaeilge and Festival Republic are collaborating on some special feature events at the festival and the campsite is just one feature of many that will promote the Irish language. There will be space for 200 people in this designated camping area, in which Irish will be the common language. Culture, music, and language will be celebrated at dusk in The Hazel Wood After Dark, which is being curated by Bliain na Gaeilge in celebration of the passing of 125 years since the beginning of the revival of the Irish language. Traditional and contemporary music will be on stage each evening from 7pm to 12am, along with a café and bar service which will be offered as Gaeilge. Liam O'Connor, will be joined by trad musicians from St Brendan's College along with acts such as Scannal, Seo Linn, Lauren Ní Chasaide, Just Like Us, and Dó Fá Dó to name just a few. A fantastic opportunity for some local young talent. Tickets for Electric Picnic 2018 have already sold out but ticket holders can see Liam O'Connor and the Sem boys in action on Friday August 31st from 7pm

1,000 thank you's as Pony Tales present funds to RNLI

Following a hugely successful open day in March, members of the team at Pony Tales Stables headed to Valentia on Sunday 22nd July to present the RNLI Valentia Lifeboat with a cheque - proceeds from the day. While there, the group enjoyed a tour of the boat.

Pony Tales Family Fun Day back on 25th March was organised in memory of Pam Horsley, Roisin's Nan who was a huge supporter of the RNLI lifeboats.

"We raised over €1000 for the lifeboat. We hope to hold many events like these in the future and we look forward to working with the RNLI for fundraising events again in the future", Sheila Griffin of Pony Tales told the Killarney Outlook.

GREAT NEW NOVEL ON MONSIGNOR HUGH O'FLAHERTY FOR THE YOUNGER READER

The Hugh O'Flaherty Memorial Society welcomes a new novel based on the Msgr's life story - for the younger reader - titled "Leo's War" it's author Patricia Murphy has written many historically based books for the young reader, including the best-selling "Molly's Diary" dealing with the 1916 Rising.

Jerry O'Grady of the Hugh O'Flaherty Memorial Society said, "We are absolutely delighted to see the publication of this book aimed at the younger reader. The author Patricia Murphy credits Colm O'Suilleabhain (Principal of The Mon), with suggesting the book.

Three of her nephews had attended The Mon" and when Patricia visited the school a couple of years ago to talk to the 6th class, Principal Colm suggested she might next take on the challenge of writing about their "Mon Hero" - Hugh O'Flaherty. Patricia quietly took up Colm's challenge culminating in the publication of this exciting new novel for 9 - 12-year olds"

As Pope Francis visits Dublin this August 2018, Poolbeg Press is delighted to announce the publication of Leo's War by bestselling author Patricia Murphy, based on the real-life exploits of the courageous Irish priest known as "The Vatican Pimpernel", in World War 2.

Leo's War is based on the astonishing true story of Monsignor Hugh O'Flaherty, the Irish Oscar Schindler who saved over 6,500 lives during the German occupation in Rome during the Second World War.

Told through the eyes of a twelve-year-old boy it is a dramatic rollercoaster of extraordinary human courage against the darkest evil by the bestselling author of Molly's Diary.

"Monsignor Hugh O'Flaherty is one of Ireland's greatest humanitarians, honoured by The United States, Britain, Israel and Italy after the war, yet he is hardly a household name," said publisher Paula Campbell. "Poolbeg is thrilled to bring his story to a new generation of children. And it's a nail-biting page turner full of dramatic events that will have readers enthralled."

SYNOPSIS

It's 1943 and young Leo tries to protect his disabled sister Ruby as the Nazis invade Italy. After his mother is arrested, he turns to Monsignor Hugh O'Flaherty to save them. But he is no ordinary priest. Known as 'The Pimpernel of the Vatican', the Monsignor is the legendary organizer of the Rome Escape Line. Soon Leo is helping out with this secret network dedicated to saving the lives of escaped prisoners of war, partisans and Jews. But as the sinister Nazi leader Kappler closes in on the network, can Leo and his sister stay out of his evil clutches? "The more I learned about Monsignor Hugh O'Flaherty, the more I admired him," said author Patricia Murphy. "He is a role model for our time - courageous, ingenious and ecumenical. Time after time he put his own life in the line for British, American and Russian prisoners of war, Italian partisans and persecuted Jews. His compassion reached across borders and divisions. I am not an expert in these matters but as he visits our shores, it would be great if the pope could pay tribute to this remarkable Irishman in some way."

Resurfacing works to commence at Tullig

Cllr. John Sheahan has announced that resurfacing road works will commence in the coming days at Tullig in Spa. "I raised the condition of this road on a number of occasions, as it is an appalling state", Cllr. Sheahan told the Killarney Outlook.

The new surface will ensure a safer road for all road users who travel this route.

Killarney Credit Union urges parents to shun moneylenders at back-to-school time

A new, national survey has identified a rise in the number of parents in debt due to back-to-school related costs. Well over a third of parents in Ireland (36%) now say they are getting into debt trying to cope with costs at back-to-school time. This compares with 29% who reported being in debt last year. The worrying findings were revealed in the study commissioned by the Irish League of Credit Unions.

More than two thirds of parents in the study also said that they found back-to-school costs a financial burden. Nearly half (46%) said meeting costs was their biggest back-to-school related worry. Close to one third of parents said they would be forced to deny their children certain school items this year because they could not afford them. Extracurricular activities and new school shoes were amongst the items to be cut from the budget this year.

Reacting to the findings, Helen Courtney Power, Business Development Officer of Killarney Credit Union said that the credit union is all too aware of the struggle for parents this time of year. "We do see parents approaching us around this time of year requesting assistance with either budgeting and saving for the back-to-school spend, or with taking out a loan to see them through. It's understandable that back-to-school costs are seen as a financial burden for so many when parents are

paying out €999 for every primary school child, and over €1,300 for every secondary school child in their household. At XX Credit Union, we offer a special Back to School loan with an affordable APR rate of 6.2%*. The loan is typically approved within 48 hours and there are no hidden transaction fees or charges. As always, we are happy to work with parents to structure repayments in a way that suits their individual circumstances."

Of concern for the credit union was the finding that, of those parents who said they were getting into debt, more than a quarter (27%) said they had turned to a moneylender in an effort to cope with back-to-school costs. This was a noticeable increase on the 20% last year who had opted for a moneylender.

Commenting on this finding, Helen said, "I would really encourage these

parents to reconsider approaching a moneylender, some of whom charge APR rates as high as 188%**. This can lead to a recurring cycle of unnecessary debt and panic borrowing. We offer a service called the Personal Micro-Credit Scheme or 'It Makes Sense' which was specifically designed to assist social welfare recipients who feel they have no option but to borrow from a moneylender. Our welcoming staff are always on-hand to answer any queries in relation to this loan.

*** For a €1,000 1 year variable interest rate loan with 12 monthly repayments of €86, an interest Rate of 6%, a representative APR of 6.2%, the total amount payable by the member is €1,032. Information correct as at 31/07/2018.**

**** Central Bank of Ireland Register of Moneylenders, July 2018.**

Griffin urges Men's Sheds in Kerry to apply for funding

All Kerry Men's Sheds are encouraged to apply to a national funding pot of half a million euro to support their good work, according to Minister for State for Tourism and Sport, Brendan Griffin.

This capital funding provides small grants to individual Men's Sheds in order to enable them to purchase equipment or carry out minor works to improve their shed. As part of this measure, Minister Ring has made provision for €17,391 to be provided to the 12 Men's Sheds in Kerry, pending successful applications by the individual Men's Sheds.

Minister Griffin said: "Men's Sheds are a worldwide movement which encourages men to talk about their feelings in order to improve mental health and wellbeing. "Local Men's Sheds here in Kerry create a space where men can discuss health issues and emotions while engaging in purposeful activities."

"The sheds are in urban and rural areas across the country and promote the health and wellbeing of members by combating issues such as loneliness and isolation, while creating a culture

Brendan Griffin.

where men can discuss their thoughts and feelings without stigma.

"They are a great example of a positive community based organisation that promotes good citizenship through good works. "There are currently 12 Men's Sheds in Kerry and they are encouraged to apply for the funding of €17,391 which has been allocated to Kerry County Council.

"It is essential that the individual local sheds apply for this funding. Applications will have to be made to the Kerry Local Community Development Committee

(LCDC) by 31st August 2018."

Minister for Rural & Community Development, Michael Ring said: "In recent years, Men's Sheds have become a fixture of life in towns and villages throughout Ireland. There are now approximately 350 around the country and they offer a safe, comfortable and inclusive environment where men of all ages can share skills, work on meaningful projects and connect with their communities.

"They are great at rolling their sleeves up and getting stuck in to many and various community initiatives.

"I have decided to introduce this funding in recognition of the wonderful that Men's Sheds do. The funding is being provided following discussions with the Irish Men's Shed Association. I have asked them to provide details to their members over the coming period on how to apply. "I encourage all Men's Sheds to avail of the support and I wish the Irish Men's Shed Association every success as it grows and develops," the Fine Gael Minister said.

WHY SHOULD YOU REVIEW YOUR PENSION?

As you have probably seen or read in the news recently pensions are being discussed very often. This shows how important pensions are, so if you have a pension it is very important that that you review your pension regularly. You may or may not be contributing to your pension anymore but it still needs to be reviewed. You need to know what kind of pension you have and what funds your pension is invested in. Your pension could be invested in very high risk funds which means that the value of your pension could substantially decrease or substantially increase over a very short period of time. You also need to look at the fees and charges associated with your pension, there may be more competitive options available to you where the fees and charges are less. If you do not review your pension you will not know if your pension is increasing or decreasing in value or if your pension is on track to get you the income you need at retirement. So whether you are currently contributing to a pension or have a pension that you paid into in the past it is very important that your pension is reviewed by a pension advisor regularly..

New Craft Enterprise gives you the Support of Nature

"If you stick with it then you will get results" could well be the motto for a new local enterprise being set up by local artist and craftsman Denis Butler who has just launched a website for his business An Bata Cam (The Crooked Stick). For some years now Denis has been making handmade walking sticks from native, sustainably harvested hardwood timbers and sending them around the world as presents for friends. His new website will allow him to make worldwide sales and to make a business out of something that started as a hobby. Denis Butler,

who is originally from Blennerville, says that he is very excited about the prospect of finally having his products available for people to buy worldwide. Until now his sticks have only been available to buy in some local gift shops.

"I think that this is a great opportunity to showcase the best of what we have to offer here in the kingdom of Kerry. I am also really pleased that started out as a hobby is going fully professional. I honestly just started like a lot of people, I like to walk a lot and I found that every time I'd go out walking I'd pick up a random piece of wood to use as a walking stick,

I never really liked those aluminium poles that I'd see people using. I wanted something unique and wood just feels better in your hand. Before I knew it I had a collection of sticks in my shed and gradually I put more and more work into enhancing the natural beauty of the wood. Then friends and family began to ask if I'd make walking sticks for them. Eventually I heard that a stick I'd given as a present ended up as a display piece in a friend's house in America. This made me realise the potential and I really took things seriously. I see each individual piece I make now as a work of art as well as a usable item."

Denis has teamed up with a local design and branding company from Kenmare called Hello Kate to achieve what he thinks is a great looking design but for his products branding and website, that is also likely to bring a smile to your face.

"Obviously the most important thing for me in everything I do is to get the quality right first and foremost but after this, and given my other life, I think that it's important to have fun with it and to put my own unique Kerry stamp on everything I do" Denis says "I was lucky enough to be able to work with the super talented Kate and she not only designed and built a website that looked great, but she also was able to make some of the stranger and more unique ideas that I have work"

To celebrate the launch of his website Denis will also be running a competition which will be free to enter which will give people the opportunity to win one of his unique walking sticks. All people have to do is to log on to the Facebook page of An Bata Cam and simply come up with a name for the walking stick that is pictured there. Leave the name that you think best suits the stick in the comments section, Denis will then pick a winner and dispatch that stick to them as a prize.

"I'm really pleased to be able to do something a bit unique and original to celebrate the new website" Denis said "especially something silly where people can use their imagination to come up with a cool name. I give each stick I make an individual name in Irish before I put it up for sale so in a way you are just helping me out. The walking stick that I'm giving away as a prize is a beauty."

Denis may be best known to many people as a founding member of the local Tralee comedy and juggling group the Fanzini Brothers and can regularly found entertaining crowds at festivals and events around the country.

Celtic Stalwarts in the hot seats

Killarney Celtic have named Brian Spillane and Peter McCarthy, two of their best players over the last decade and more, as their new management team.

Brian who was involved with Eoghan Donnellan on the management side of the line during the very successful last three years for the club takes over while McCarthy who was a member of the team retired at the end of last season after helping The Hoops to the domestic double comes in as assistant manager. Speaking to the media Brian said his main objective is to continue the progress of the last three years. "We will certainly be looking to retain

our Denny KDL Premier and Greyhound Bar crowns which we know won't be easy. The club has also gotten the taste of big games on the national stage including getting to the latter stages of the FAI Junior and Munster Junior Cups and we will want to continue this.

"We have a great challenge early on when we face Janesboro in the Champions Trophy – a club we have developed a great rivalry with over the last few seasons. So there are exciting times ahead and we are currently in pre-season and are also recruiting new players ahead of the new campaign."

CASTLEROSSE LADIES SHOW SUPPORT FOR ADAPT

Castlerosse Ladies Golf Club pictured with Helena Slattery of Kerry Women's Refuge presenting a cheque for €2,360 resulting from their recent fundraiser. Presenting the cheque, Lady Captain Chan Martin. PICTURE: MARIE CARROLL O'SULLIVAN

Each year, the Lady Captain at Castlerosse Golf Club picks a Charity - ideally a Kerry-based charity - to support. The charity is nominated and after approval by the Ladies committee, a date is chosen to run a charity golf day to raise funds for that particular Charity. This year Chan Martin Ladies Captain chose Adapt, Kerry

Women's Refuge as her Charity of choice. A lot of domestic abuse is hidden, with women often trying to put up with intolerable situations because of their children and lack of financial options and with Adapt Kerry been a local charity it felt fitting to support it. Helena Slattery Fundraising Coordinator with Adapt Kerry Women's Refuge said she was

delighted when Chan contacted her to let her know that Adapt had been chosen. Chan has been fantastic to work with on this event. She gave it 100% to make sure it was success. I would like to thank everyone from the Castlerosse Ladies Golf Club and everyone who supported this two day event. A total of €2360 was raised.

Lough Leane. The newly erected signs will warn people to stay away from the blue/green scum, you are advised to avoid contact with this bloom/scum as it may cause skin irritation. You are advised to exercise caution and not to allow dogs to enter the water. Lough Leane is currently considered to be in very good condition and that the development of algal growths is due to the exceptionally warm weather that has been experienced over the last few weeks.

KILLARNEY COMPOSER

Killarney compser and artist Seán Ó Dálaigh has been invited to perform at the Chamber Music on Valentia Concert at The Lighthouse, Cromwell Point. They invited proposals from composers/sound artists/music creators, primarily based in Kerry and the South West for a work/installation to be performed/presented on Saturday 18th August 2018, 1-5 pm in The Lighthouse. Thematically they wanted the work respond to remarkable underwater photography by Brian Stone, reflecting the coastal waters of Ireland and beyond. This work will also celebrate the work of Maude Delap, a pioneer self-taught marine biologist who made a number of significant contributions to the field. Maude lived on Valentia from a young age until her death in 1953 and had a rare anemone, only found on Valentia Island, named after her: the Edwardsia delapiae. Seán's piece edg(tid) e takes the form of a sound installation with photography by Brian Stone. The sound track is made up of processed field recordings from on Valentia and in the surrounding waters. These undergo fragmentation and re-synthesis to create and entanglement of the under and overwater materials. The installation is a 4 hour performance where he will interact with the soundtrack live using electric guitar, violin and

objects. Admission included in Lighthouse admission ticket for that day.

International Flavour to Run Killarney 2018

Half Marathon runners pictured on the scenic route of The Gleneagle Hotel Run Killarney 2018 last Saturday morning. PICTURES: MAREK HAJDASZ

Saturday 28th July saw runners from all over Ireland and the world take on the Gleneagle Hotel Run Killarney 2018. More than 2600 runners took on either the half-marathon or 10k. This year's event welcomed the Kerry Sanctuary runners on their first ever outing. The Sanctuary Runners is a non-profit group, founded by journalist Graham Clifford from Kerry, which enables people to run alongside, and in solidarity with, those in direct provision, at runs across Ireland.

"Thanks to the generous support of the Run Killarney organisers we had ten runners from direct provision centres in Kerry and Cork running in the 10k race. They were joined by Irish Sanctuary Runners and it was wonderful to receive as much support and encouragement as we did. Graham Clifford said.

"It has been wonderful to run in Killarney with our Sanctuary Runner friends", he added. Half-marathon participants started their event in Molls Gap, with a route that encompassed Ladies View, the National Park, Muckcross House and Abbey. Competitors enjoyed stunning views of the Lakes of Killarney and the unspoiled beauty of the Park. In the half-marathon, the first male was Mike Carmody, of An Bru Athletics Club, Limerick, coming in at a time of 1hr 8m 1sec. In 2nd place was Michael Morgan, St.Finbarr's

A/C, Cork (1hr 10mins 12sec) and 3rd place went to Gareth Murran, Sportsworld, Dublin (1hr 12mins 35sec). The first female home in the half marathon was Killarney native Sineid Tangney coming home in 1hr 23mins 01sec followed by another Killarney woman Helen Healy in 1hr 25mins 35sec and in third place, Kealey Tideswell, Clonmel A/C, in 1hr 26min 04sec. The 10k race got underway from the Gleneagle Hotel at 9.30am. First across the line in the 10K was another An Bru runner, Niall Shanahan in 32mins 24sec, first female to come in was Nerissa O'Donnell at 38mins 32sec. Other category wins in the 10k included Ger Daly who won the overall male wheelchair category in a time of 1hr 28mins 36sec and Ross Gallagher in the visually impaired category in 1hr 1min 18 sec. Full results for both races are available here. The Gleneagle Hotel was the centre of activity where competitors were treated to Japanese hot tubs, custom made medals and hot food at the finish line. Spectators and participants basked in the summer sunshine amidst a shower or too and soaked up the post-event atmosphere at the finish area. Now in its 9th year the event, which is also sponsored by O'Sullivan's Outdoor Store, Killarney, saw competitors from all over Ireland and more than 160 international athletes from 21 countries,

including Australia, the United Arab Emirates, China, Zimbabwe, Burundi, South Africa and Brazil, compete in a competitive field. Next year's event is already in planning and open for registration.

Event Organiser Oliver Kirwan said, "We're delighted that Run Killarney is still going strong and a significant date in the running calendar in Ireland. This year is particularly special as we welcomed the Sanctuary Runners to the event with their first Kerry outing. Running is all about mental and physical health and achieving a balance in your life. It's a great way to connect with other people no matter what your or their situation is. Well done to everyone who took part in the event, whether they broke their PB or walked at a leisurely pace! "Events of this size are not possible without huge support of the Killarney National Park and all those who facilitate the running of this event. Many thanks to all involved.

"The Gleneagle Run Killarney 10km and half marathon 2019 will take place on 20th July next year. Registration is now open on www.runkillarney.com with a 30% discount on standard entry for the first 50 people to register for either the 10km or half marathon.

Top Golf Media Tee off in Killarney

Sports Media with an Audience Reach of over 9 million

Building on the success of the recent Dubai Duty Free Irish Open, Fáilte Ireland last week hosting a group of predominantly US golfing media to Ireland to play a number of courses on the Wild Atlantic Way. The promotion is being carried out in partnership with Tourism Ireland who market the island of Ireland overseas.

The group includes writers, broadcasters and online media (such as Yahoo Sports) from the US as well as Ben Smith a top UK blogger. With a combined audience reach of over 9 million, the travelling media we have just arrived from the British Open, will play and experience first-hand a range of courses on their visit, including the course selected for next year's Dubai Duty Free Irish Open, Lahinch Golf Club. Other courses on the itinerary include the Doonbeg Golf

Club in County Clare, Dooks Golf Links Killarney Golf Club (Killeen course) and the Tralee Golf Links in County Kerry.

"Assisting overseas media provides us with a platform to promote the rich golf offering we have in every corner of Ireland. We very much believe that golf can deliver increasing numbers of tourists into Ireland and we can ensure this happens through trips such as this which help develop relationships with influential golfing media in key markets such around the world."

Golf tourism is an extremely lucrative sector for Ireland with golfers being amongst the highest yielding visitors to Ireland. Ireland is home to a third of the world's links golf courses, and over 200,000 overseas visitors take part in golf during their visit every year, contributing almost €270 million to the economy and driving over 1.7 million bed nights right across the country. 2017 was a record year for the Wild Atlantic Way with over

3.5m international and 4.3m domestic visitors to the region.

"The North American market is undoubtedly the most important market segment for Irish golf tourism. This market is primarily focused on our great links layouts so we are just delighted to have the opportunity to showcase our Killeen course to members of the US media, particularly as we celebrate our 125th Anniversary at the club this year. It is vitally important to us that groups come and experience our top class championship golf offering on the shores of Lough Leane under the shadow of Ireland's highest mountain range. An unrivalled setting just five minutes from Killarney town and is a must for any group playing the great courses of the South West", Killarney Golf Club's General Manager, Cormac Flannery, said.

Letter to the EDITOR

A Chara,

"I am very concerned about what is happening in Liebherr at the moment as it will have an adverse impact on many of their workers in Killarney and throughout Kerry, many of whom have young families and mortgages. We hope that the company can rise from this dip in their fortunes.

Over €80 million is being spent on developing the Port of Cork in Ringaskiddy and two new cranes are needed. I hope that Liebherr Cranes will get the utmost consideration for the provision of these two cranes, as

Liebherr Cranes, with their base in Killarney, are the nearest crane manufacturer and should get priority consideration."

Kind regards,
Danny Healy-Rae

Puck 2018 Fair

With the countdown on before King Puck reigns over the town of Killorglin for three jam-packed days, last-minute preparations for the annual Puck Fair festival are in full-swing. Each year, the charming Kerry town is transformed into a hive of activity from the 10th to the 12th August and 2018 will be no exception, with a wide range of free family-friendly events on offer over the course of the three days.

This year's celebrations, taking place from Friday 10th to Sunday 12th August, will be bigger and better than ever before, with the dedicated voluntary committee pulling out all the stops to ensure the thousands of visitors from home and abroad enjoy and revel in the traditional Puck experience. The recently-unveiled King Puck mural, which now resides permanently on the wall of the CYMS Hall in the town centre, will be a very welcome addition to this year's proceedings and will no doubt act as a quirky and colourful backdrop for many visitor photographs!

When it comes to the range of events on offer, there is something for every age and interest. Aside from the famous Horse Fair that takes place on the first morning of the age-old festival and the vibrant Coronation parade and ceremony, which draws crowds to the town's main square in their droves, this year's festival continues to raise the bar with hours of family entertainment, live music and market stalls on the agenda. While

the arrival of King Puck is eagerly-awaited, there is another star on route to Puck Fair who might just steal the famous royal's spotlight. Jake Carter, Dancing with the Stars champion and recently crowned King of the Dancefloor, will this year be the headline act at the age-old festival, taking to the stage on the final night (Sunday 12th August) to entertain the masses, rounding off a jam-packed weekend of fun and merriment.

Speaking ahead of what promises to be a busy three days for the people and businesses of Killorglin, President of the Puck Fair Committee, Declan Mangan said: "Puck is always a hectic time for everyone involved in the festival, both directly and indirectly, but it is undoubtedly our favourite time of year here in Killorglin. We love welcoming new faces to the town over the course of Puck Fair and seeing familiar faces return, so the hard work that goes on behind the scenes for months in advance is always worthwhile. We're excited for the festival to get underway and we invite people from far and wide to join us as we 'Paint the town Puck!'"

Puck Fair Chairman Declan Falvey was equally as enthusiastic about the upcoming event. "We're ready for Puck Fair to arrive now with all plans and preparations in order. We're getting more and more excited the closer it gets as this year's schedule of events is particularly impressive. There's a great buzz around Jake Carter's performance,

Enjoying tea with the Queen! Pictured ahead of Puck Fair 2018 is (l-r) Ella Foley, Queen of Puck Fair and Dancing with the Stars champ Jake Carter, who will be headlining the festival and taking to the stage on Sunday 12th August to mark the final night of proceedings.

while the usual big events like the Horse Fair, Coronation parade and ceremony, fireworks and more will undoubtedly be as popular as ever. The committee have been getting stuck in to make Puck Fair 2018 the best yet so we're hoping for a great turn out this year. It's definitely one not-to-be-missed!"

Here is a handful of the highlights to watch out for at Puck Fair 2018:

Horse Fair – Evan's Field, Friday 10th August, 6am to 3pm (Evan's Field will be open from 6pm on Thursday 9th August to facilitate traders requesting an early set-up)

One of Ireland's oldest and continuously-run Horse Fairs, this event is synonymous with Puck Fair. Buying/selling horses, ponies, donkeys and equipment starts very early in the morning and continues throughout the opening day of the festival.

Coronation Parade and Ceremony – Puck Fair Stand, The Square, Friday 10th August, 5:30pm to 6:30pm

King Puck finally makes his entrance with an event surrounded with all the pomp and ceremony befitting the Regal Ruler of Ireland's oldest festival! The parade includes vibrant

floats, marching bands, colourful characters and entertainers, which lead the parade through the town in anticipation of the Coronation of King Puck.

Dethronement Parade and Ceremony – Puck Fair Stand, The Square, Sunday 12th August, 5:30-6:30pm

The Puck Fair 2018 celebrations will culminate with the Ceremonial Dethronement of King Puck, and his subsequent release back to freedom in the Kerry Mountains. Following a colourful parade, the King is brought down from his lofty perch to say good-bye to his loyal subjects and to be fully relieved of his duties.

Jake Carter at Puck Fair – The Square, Sunday 12th August, 9:45-11:45pm

Fresh from his Dancing with the Stars win, musician Jake Carter will take to the stage to add a touch of stardust to the Puck Fair festival as it draws to a close for another year.

Fireworks Display – Sunday 12th August, Midnight

Visitors to Puck Fair are invited to gather in the town centre to watch the stunning fireworks display as they wave goodbye to the 2018 festival.

TAX MATTERS

With O'Brien Coffey MacSweeney
Accountants & Statutory Auditors

CHANGING JOB

Whenever you leave a job you should get a P45 certificate from your employer. Your P45 is a statement from your employer that shows your pay, tax, Universal Social Charge (USC), and PRSI details for the year up to the date you leave. When you begin work at your new job, you will need this P45 to give to your new employer. Your new employer then takes some details from your P45 and then sends your P45 to the tax office on your behalf. This is to notify the tax office that you have now commenced working for a new employer and ensures that they are deducting tax appropriately. When you give the P45 to your new employer, they will:

- Operate PAYE in accordance with the tax credits and standard cut off point details shown on the P45 until they receives a tax credit certificate from the tax office.
- Notify the tax office that you have changed jobs so that a tax credit certificate can be issued for your new job.

If you do not give your new employer a P45 certificate, emergency tax will be deducted.

Emergency tax

If your employer has not received either a:

- Certificate of tax credits from the tax office or,
- P45 certificate (parts 2 and 3) from you, in respect of your previous employment,

your employer will be obliged to deduct tax on an emergency basis when paying your employee's wages or salary. This means that they will give you a temporary tax credit for the first month of employment but tax deductions are increased progressively from the second month onwards. The effect of emergency basis is that after 4 weeks, no tax credits are given and tax is paid at the higher rate from week 9, regardless of the level of pay.

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

SETTING GOALS

PART TWO

Eg. Goal = Loose 1 stone

Measurable= every week I am going to weigh myself at the same time and day to track my progress & once a month I am going to take a progress photo and waist circumference

Attainable= 1 x stone weight loss is very achievable as I was this weight last year and I was healthy and happy, due to unhealthy habits I have gained weight but I can get to this ideal weight again through healthy habit changes. I can achieve this weight loss goal with ease

Realistic—it would be unrealistic for my shape and size to set myself a goal of 1 1/2 stone as I would never reach this in a healthy happy sustainable way

Time frame: I am going to set myself a weekly Weight loss goal of 2lbs per week and I am setting myself a time frame of 9 x weeks to leave room for some weeks I may loose no weight due to a weight plateau. This time frame will put a end goal for me but won't put too much pressure on me in case I have a bad week as I am only human.

You can try this goal setting exercise for any goal you wish to achieve. It may be a fitness goal eg jogging my first 5k or even a goal like being more positive in my work environment.

Essentially you can apply this Goal exercise to any life scenario. Give a try and see what happens.

Very important to "write it down" as this will set the target and make it more cast in black and white. It will be easy to reference back to and will act as a visual reminder of what you wish to achieve.

Astrid Longhurst
 Life & Body Confidence Coach

The real secret to Transformational change!

For any change to be transformational we have to be able to think greater than we feel. This is the real challenge for anyone wanting to manifest their own positive changes in their life. Most of the time in our lives we are repeating the same old habits and behavioural patterns from the past. We talk about the same things, eat the same things, do the same things and think the same way. When all of those things are positive and life enhancing there is no problem. However, when those old patterns and thoughts are self-limiting or negative we get stuck in a time warp! To break FREE from the conditioning of the past we have to learn to change our emotional responses to the events, people and situations in our life.

Life Coaching Tip

Take time every morning and every night to mentally rehearse new behaviours. Set an intention of what you would like to change and then make a plan of how you would have to be for this to occur. For instance, if you always react strongly to any perceived criticism, you might want to see yourself not taking it personally. Close your eyes and rehearse your new responses. You might step back a little and take some time to evaluate. You may smile and thank the person for their comments without taking it personally. You might see yourself agreeing and laughing acknowledging that they might have a point. The key is to cultivate a positive feeling that goes with this new behavior and then practice it every day. Over a period of time you will find that this imagined new behavior becomes your reality!

If you are interested in training to become a Certified Body Confidence & Wellbeing Coach please visit my website www.instituteforbodyconfidencecoaching.com and enroll. 12 week training course starts in September.

SENIORS

Fossa seniors recorded a memorable win over Furies this evening in the County league which assures them promotion to Div 3 for next year. Fossa started in whirlwind fashion when Chris Myers planted the ball in the net after 30 seconds of play which was quickly followed by a Tadhg O'Shea point. Fries kicked two points but Donald O'Sullivan pointed a free in the 9th minute to keep the scoreboard ticking. It was a very open game at this stage and again Furies rallied with a couple of points to reduce the gap to the bare minimum, Donald O'Sullivan kicked another free and in the 18th minute Paudie Clifford got pulled down for a penalty after a searing run from midfield. Tadhg O'Shea sent the keeper the wrong way with the resulting kick to extend Fossa's lead, further scores from Paudie, Tadhg and Chris Myers gave Fossa a

healthy half time lead, 2-07 to 0-08. Two minutes into the second half the game took a turn when Fossa lost Fintan Coffey to a second yellow card and Furies immediately struck for a goal to send the game into the melting pot. This provoked Fossa into perhaps the best thirty minutes of football which they have played this year, they simply thundered into the game and were not going to be beaten. Daniel O'Keeffe came on and turned over a couple of balls which seemed to inspire all around him, between the 9th and 16th minute they kicked five points from Paudie Clifford (2), Kevin McCarthy and Tadhg O'Shea (2). It was exciting, tough and brilliant football from both sides but Fossa worked so hard in this half that one could see that there was only going to be one winner.

In the 27th minute, Paudie Clifford took off on another one of his mazy runs from midfield and was again brought down for a penalty, with serious pressure on at this stage, up stepped Tadhg O'Shea to blast the ball home for a brilliant score and it sealed a fantastic victory on a score of 3-12 to 1-13. This was a complete team performance, Colin Myers was excellent in goal with some superb saves, Anthony Wharton and Derry O'Sullivan were rock solid and are a great example to young Anthony O'Keeffe who is fine defender already.

The half backs of Kevin O'Sullivan, Mark Dennehy and Kevin McCarthy gave nothing away and really answered the call when it was needed most, there aren't words to describe what Paudie Clifford brings to this team, he is a leader and can do things that most people dream about. Fintan Coffey is another serious player and brings a very competitive edge to the team, the half forwards of Cian O'Shea, Mark Donnellan and Mike Keffe are young but belied their years with a fantastic workman like performance, especially in the second half. Donald O'Sullivan just gets better with age, Chris Myers had another excellent game, always showing for ball and took his scores well while Tadhg O'Shea was immense from open play and placed balls, his two penalties were pure class. Daniel O'Keeffe, Darragh Rice, Mikey O'Shea and Brian Walsh all made huge contributions when introduced, the one thing that Seamus Moynihan and his backroom team have given these players is a belief in themselves when the need is greatest, it's not the first time we have seen it this year and they deserve great credit for that.

U-14 BOYS

On Monday evening Fossa under 14s were away to the Division 1 County champions in Barraduff. It was a glorious evening for football with a stiff breeze blowing across the field. The prize was a home venue for the final, Glenflesk went in 3-03 to 1-03 ahead at half time. A few changes at half time saw Fossa play much better in the second half and finishing well. The final score Fossa 3-11, Glenflesk 3-09. Best on the day were Daragh O'Brien, Darren Ryan, Cian Doyle and Ryan O'Leary. Scorers Harry Kelly 1-02, Ted O'Gorman 1-0, Sam Buckley 1-0, Patrick Lyons 0-3, Ryan O'Leary 0-2, Darren Ryan 0-2, Rocco Sheehan, Cian Doyle and Rian Collieran, a point each. The final will take place in Fossa on Monday 30-07-2018 at 7.00 against Glenflesk.

All support will be appreciated.

CONGRATULATIONS

Well done to Rian Collieran who captained the Kerry U-14s that won the Munster title on Saturday last, (5 years after a certain David Clifford did the same), also Cian Doyle was heavily involved in the squad.

Well done also to Pauric Talbot and Keelan O'Brien who were involved with the Kerry U-15s who qualified for the All Ireland finals blitz after wins against Wexford and Meath, our own Adrain Sheehan is involved with coaching the U-15 squad. It is brilliant to see our younger players and coaches making their mark with these squads.

LADIES FOOTBALL

Unfortunately the Kerry U-16 girls lost to Galway in the All-Ireland final last Wednesday evening after a titanic battle that went to extra time, Maud Kelly was outstanding for Kerry, playing with all the passion and panache that we have come to expect of this talented young girl. I have no doubt there will be better days ahead and Maud will certainly get the reward that her talent deserves.

KILCUMMIN LOOKING GOOD

It's been great to see so many people out making such a big effort in cleaning up their areas. The adjudicators from the Tidy Towns Competition will be visiting Kilcummin shortly so we would encourage everybody to make a big effort in cleaning and tidying up the area. Bags, when full, can be returned to the Rural Dev. Office. If you are unable to do so, please contact the Rural Dev. Office or Kilcummin Looking Good. Mile Buíochas.

SENIOR FOOTBALL

Kilcummin had a good win over Ballymac on Saturday evening in Rd 10 of the Co. League. This win leaves our destiny in our own hands again as a win against Kenmare in the final game would see us promoted. In a tough physical encounter a goal by Noel Duggan before half time gave us an eight point lead at half time which we protected well in the second half. Final score Kilcummin 1-17 Ballymac 1-10.

WELL DONE

Well done to Paul O Shea and Keith O Leary who represented Kerry minors in their victory over Roscommon last week-end. Croke Park now beckons for these two lads in a couple of weeks and let's hope they will be joined by Kevin McCarthy and the Kerry seniors. That will be decided this Saturday against Kildare.

10 Summer Driving Hazards to Avoid

Summer driving has its own set of challenges whether you're on home ground or not. High temperatures, increased stress levels, and extra demands on your car are all par for the course, so make sure you read our advice to stay safe on the road.

WET OR LOST KEY FOBs: It's easy to lose your car keys in the sand, or ruin your remote control with water by accidentally taking the fob for a swim.

Keep your keys safe and dry and check your handbook – on most cars, there's an alternative way to open the doors that you can use if the remote stopped working.

If you do need a replacement car key or key fob, call AA Keycare on 0818 646 004. Our specialist service means you'll have access to a nationwide network of locksmiths.

PUNCTURES: If your tyres are already damaged or they're at the wrong pressure, the higher temperatures of summer will increase the risk of a blowout.

Make sure you check tyres regularly – for condition and pressures – and increase pressures to suit extra loads, as advised in your handbook.

Check caravan tyres too, and replace those that show any signs of cracking in the sidewall or tread grooves..

SUMMER DRIVING

OVERHEATING: When driving in hot climates, high temperatures can aggravate cooling system problems too. It's important to check the coolant and cooling system regularly to avoid overheating.

GLARE: Dazzle from the sun causes lots of accidents but you can reduce the effect by keeping your windscreen nice and clean, and by replacing worn or damaged windscreen wipers.

It pays to keep a clean pair of sunglasses in your car year-round but avoid lenses that darken in strong sunlight.

DRIVING TIRED: If you feel tired, stop and take a short nap (up to 15 minutes) or drink two cups of strong coffee. It's best to avoid getting tired in the first place if you can.

These tips can help:

- Include a 20-minute break in journeys of more than 3 hours
- On longer trips, take a break every couple of hours
- You're better off taking several short (at least 20 minutes) stops than one long one
- Don't drink alcohol or eat a heavy meal before driving
- Don't stop for a nap on the hard shoulder, and

make sure you check parking restrictions before putting your head down at a motorway service area as you could get a ticket for overstaying your welcome.

HAYFEVER: If your hayfever is particularly bad, it's best to get someone else to drive if you can.

Also:

- Make sure any medication you're taking doesn't cause drowsiness
- Close windows and air vents to reduce pollen grains in the car
- Clean mats and carpets regularly to get rid of dust
- Keep tissues close to hand
- Wear sunglasses to block out bright sunlight

LOOSE CHIPPINGS: Roads repaired with tar and loose chippings are a common sight in the summer but they can cause cracked headlamps and windscreens, and damage paintwork if you're not careful. Stick to any temporary speed limit that's been put in place and keep your distance from the car in front.

FIRE: If you're a smoker, don't just throw your cigarette out of the window when you've finished it. Verges and embankments can become bone-dry and a smouldering cigarette may be enough to ignite roadside grass.

TRACTORS: The driver of that slow-moving tractor in front of you may have a soundproofed cab or could be wearing ear protectors, so may not be able to hear approaching cars.

Be aware that tractors only have to have brake or indicator lights if driving at night, so they may stop or turn suddenly and without warning in daylight hours.

WHEN YOU'RE DRIVING IN THE COUNTRYSIDE:

- Keep plenty of distance behind a tractor
- Remember that a tractor may be longer than it appears – there could be a loader on the front
- Before overtaking, make sure you have plenty of room to get past

AVOID A BREAKDOWN THIS SUMMER

- Slow down if you come across a spillage – if you hit a bale of straw at speed you will damage your car
- Don't park in a gateway or passing place – they are farmers' field access points
- Drive extra carefully after rain, which can turn dry mud into a skid pan
- And don't forget that if you do experience a breakdown AA Rescue fixes 8 out of 10 vehicles on the spot. Meanwhile, if you're planning to drive across Europe this summer, remember that with AA European Breakdown Cover local

garages across our European road network will be on standby should you experience any bumps on the road.

• Looking for ways to keep your driving costs down ahead of the summer?

With AA Car Insurance you can receive an automatic €100 discount on any policy purchased online.

KERRY PITCH & PUTT NOTES

A BUSY weekend at both national and local level for the county's U-16's saw them compete at both the National U-16 Matchplay Championships in Kilbeggan, Co Westmeath as well as play for their places on the Kerry U-16 teams in the final trial on Monday in Listowel.

In Westmeath Deerpark's Cillian Courtney and Jack McCarthy both reached the Quarter-Finals of the Championship event where they were defeated by the eventual finalists and Munster and Leinster U-16 Matchplay winners Parteen's Shea Fennell and Evan Carry from Castletown, Co Meath. Carry would eventually win out the tournament as Fintan Martin, Ryan Neeson and TJ O'Sullivan were others from the club to make the Last 16 of the Championship event.

Robbie Harnett, Erin Moloney and Jack O'Sullivan made the Quarter-Finals of the Plate competition before being eliminated as thoughts quickly turned to Monday and the final Kerry team trial. After proceedings in Listowel the following six Deerpark players will be the Kerry U-16 team for the National Inter-County Championship on Sunday August 19th: Eoin O'Riordan Looney,

Ready for the long awaited rain..Brendan O'Toole, left, Killarney Golf and Fishing Club gives a few pointers to Trent Bouts, South Carolina Golf, and Fáilte Ireland's Rory Matthews, driving off on the Killeen Course at Killarney Golf Club., Building on the success of the recent Dubai Duty Free Irish Open, Fáilte Ireland this week hosted a group of predominantly US golfing media to Ireland to play a number of courses on the Wild Atlantic Way. Cillian Courtney, Robbie Harnett, Jack McCarthy, Erin Moloney and Fintan Martin. In a new initiative by the PPUI, the Munster U-16 Inter-County has been reduced to teams of four with the option to enter a second team with Listowel duo Conor Leahy and Jake Shine joining Erin and Fintan in making up the second Kerry side for the event in Parteen on Sunday week, August 12th.

Well done to Conor and Jake on becoming the first non-Deerpark players since 2014 to make a Kerry U-16 team.

Elsewhere at the National 0-55's Championships in McDonagh, Kildare Castleisland's John Fitzgerald and Deerpark's Ger Casey competed in the Intermediate and Senior Gents grades respectively and though neither finished in the prizes they both managed to finish under in their rounds.

DEERPARK PITCH & PUTT NOTES

Club Strokeplay: Unfortunately we had to call off last Sunday's scheduled event. Apologies for any inconvenience. Hopefully it will be played prior to the course closing for the Inter-County Championships.

National U-16 Matchplay: No success in Westmeath last Saturday but plenty of strong performances as Cillian Courtney and Jack McCarthy both made the Quarter-Finals of the Championship event with Fintan Martin, Ryan Neeson and TJ O'Sullivan

making the Last 16. In the Plate Competition Robbie Harnett, Erin Moloney and Jack O'Sullivan all reached the Quarter-Finals as well before they were knocked out. Special mention to all those who helped take our 18 competitors on the long trip to the event.

Kerry U-16 Teams: Cillian, Jack, Robbie and Erin all made the Kerry U-16 team again with Eoin O'Riordan Looney and Fintan Martin making it for the very first time. Well done to them as Erin and Fintan will play with Listowel duo Conor Leahy and Jake Shine in a second team the county are being allowed enter for this year's Munster event. National 0-55's: Despite not featuring amongst the prizes it was great to see Ger Casey feature in the Senior Gents event and finish under par.

Sports Predictor: Ger finished as Runner-Up in our Sports Predictor event with Michael O'Sullivan the winner of the main prize of €750 for the year. Congratulations to both and thanks to everyone for their support of this year's event.

NEW ZEALAND IS THE FIRST COUNTRY IN THE WORLD TO INTRODUCE PAID LEAVE TO DOMESTIC VIOLENCE VICTIMS

Any worker who is subjected to domestic violence is eligible for 10 days paid leave so they can take the necessary actions to separate from their partner, protect their family, move locations, or take legal action. The victim is not required to show any proof of the violence, and the legislation will also require employers to offer additional workplace safety measures, such as changing work locations or contact information.

The legislation, which was approved by 63 votes to 57, will go into full effect in April.

Green MP Jan Logie, who has spent the last seven years working on the measure, worked in a women's shelter before she became a politician – and as representatives cheered for the bill, she was reportedly seen with tears in her eyes.

Legislators hope that the initiative will be the first of many steps taken to help domestic violence victims in New Zealand, which currently experiences the highest rates of domestic violence of any other developed country.

5,000 INDIAN FISHERMEN NOW COLLECT OCEAN PLASTIC:

A group of 5,000 fishermen who rely on the "Mother Sea" to survive have taken it upon themselves to clean up the oceans – and use the piles of waste to repair their roads and create jobs. Whenever Xavier Peters casts his nets, he often comes up with more plastic than fish and for a while himself and his fellow fishermen had simply tossed all the trash back into the water, but later, realising the futility, began hauling it back to land. So far, they have collected 65 metric tonnes worth of trash and after urging a few of their local government agencies to help, they managed to facilitate the creation of a new recycling centre – the first in the region.

The Department for Women's Empowerment, created to help women find employment, then hired an all-female crew to run the facility and sort through the plethora of assorted plastics. The most damaged plastic is then shredded into a fine confetti which is sold to local construction crews. These workers then use it to strengthen the asphalt used in the creation of new roads.

The innovative solution has now spread to other seaside communities in the area, and the fishermen have adopted a leading role in helping them convert the plastic into cash. The clam divers of Kerala and numerous other communities have now successfully raised funds for their own recycling plants.

BRUSSELS TO END EXPERIMENTS ON ANIMALS:

The government of Brussels-Capital Region is putting an end to experiments on dogs, cats, and primates! Starting January 1st, 2020, experiments on these animals will be forbidden, significantly reducing the number of living beings used for testing in the region. Five years later, starting

January 1st, 2025, animal experiments will also be prohibited in education and in safety tests, except for where no alternatives are available and tests are completely necessary.

The new measure was pushed forward thanks to the diligent campaigning of the Belgian animal protection organisation GAIA, one of the European organisations working to end animal testing, and Cruelty Free International (CFI). The law is fantastic and life-saving news for animals used in experiments and was welcomed by the campaigners as "a good start."

According to data collected by CFI, at least 115 million animals may be used in experiments worldwide each year. The most striking fact is a great part of the animal testing carried out globally is not at all necessary and not even as reliable as we are made to imagine – quite the opposite. The use of animals in testing is often entirely ineffective since their bodies and physical responses are different from those of humans. It has been found that 90% of drugs that showed promising results in animal testing fail in human trials, and out of 93 dangerous side effects of drugs, just 19% could have been predicted by animal tests. Testing on animals is also inextricably connected with great suffering which, as it turns out, is so often completely needless.

A CITY HAS INSTALLED PLAQUES THAT ALLOW BLIND PEOPLE TO 'SEE' THE ART MURALS:

As a means of making art more inclusive and available to everyone, Chile's capital city of Santiago has installed tactile plaques that allow blind people to "see" the many murals decorating the streets.

The installations feature raised reliefs of the street art, as well as braille descriptions of the work. A downloadable app that corresponds with the plaques has audio descriptions of the artworks. The miniature artworks will benefit the 2.8 million Chileans who have been diagnosed with some sort of visual impairment, which is about 16.7% of the population.

Though braille and tactile touch panels are often featured in museums, this is the first time that such measures have been taken with street art.

361 GOLDEN RETRIEVERS MET UP IN SCOTLAND TO CELEBRATE THEIR BREED'S BIRTHDAY:

Golden Retrievers from all over the world met up at the Guisachan Estate in Tomich, Scotland recently to celebrate the 150th anniversary of their breed's birth. The gathering was orchestrated by the Golden Retriever Club of Scotland.

Dudley Majoribanks, also known as Lord Tweedmouth, bred the first litter of Golden Retrievers on July 19th, 1868 when he crossed a wavy-coated retriever with a tweed water spaniel. The Scottish lord had reportedly been trying to breed a dog that could swim longer distances to retrieve water fowl.

Finally this week I wish all visitors to the Kingdom, readers, advertisers and contributors to Killarney Outlook and all at the Killarney Outlook office a Safe and Happy Bank Holiday weekend.

QUARTER FINALS - O'SULLIVAN CUP EAST KERRY JUNIOR CHAMPIONSHIP

GLENFLESK 0-09 FOSSA 0-20

Glenflesk and Fossa met in the O'Sullivan Cup, quarter final, sponsored by Killarney Furniture and Carpet Centre. Played at the reopened Glenflesk pitch, it wasn't a happy homecoming for the team. Donald O'Sullivan opened the scoring for Fossa but Glenflesk dominated the opening quarter and led 0-5 to 0-3 after 20 minutes, with Jeff O'Donoghue and Darragh Fleming leading the scoring. However, Fossa finished the half strongly, with Tadgh O'Shea in great form, took a 1 point lead in at the break-

GLENFLESK 0-5 FOSSA 0-6.

Fossa started the second half very strongly, with Cian O'Shea and Fintan Coffey dominating the midfield exchanges. Fossa pulled away with Tadgh O'Shea and Donald O'Sullivan again prominent on the score board. Glenflesk found scores hard to come by due to some great defence from Fossa, led by Mark Dennehy at centre back. Glenflesk chased goals while Fossa continued to tack on the points and ran out comfortable winners- Fossa 0-20 Glenflesk 0-9.

KILCUMMIN 3-21 SPA 0-8

This quarter final started brightly with both teams evenly matched for the first twenty minutes, exchanging scores freely in an open game. However two quick Kilcummin goals from Tadgh Ryan and Daniel Moynihan created a seven point gap and took the fizz out of Spa's efforts. Half time score Kilcummin 2-8 Spa 0-5. After the break, Kilcummin continued where they left off, scoring points at ease. When Tadgh Ryan finished a fine move to the Spa net the game was effectively over. Kilcummin ran out easy winners. Shane Fenton, Corey Doyle and Eric O'Donoghue played well for Spa while Kilcummin's best were James Nagle, Chris O'Leary, Donal Maher and Tadgh Ryan.

BILL TANGNEY CUP SEMI FINAL

The goal came from a high centre from the midfielder Sean O'Connor. Pa Rahilly had three points in the first half. Rathmore with the wind advantage had three points each from Trevor Cremin and Anthony Darmody. John Hickey and Tadhg Mahony were prominent in mid

field and Rathmore finished ahead at half time 0-10 to 1-6

The scoring rate dropped in the second half and Scartaglin were first to score with two quick points. Rathmore went ahead through Darmody with two points. Scartaglin finished stronger as the wind freshened. Late in the game Rathmore might have got a penalty kick, however the advantage went the other way and with it the route to the final.

TATLER JACK EAST REGION MINOR LEAGUE

Cordal/Scartaglin travelled to Kilgarvan in Division 1 of the East Kerry Minor League. In a high scoring game, an under strength Cordal/Scartaglin found Kilgarvan/Tuosist too much to handle. The teams were separated by two points at half time. Kilgarvan/Tuosist played some lovely football in the second half to come out comprehensive winners on a score line of Kilgarvan/Tuosist 3-23 to Scartaglin/Cordal 3-5.

In division 2, there were 2 games played. In the first game, Gneeveguilla proved the stronger against Firies and led by 6 points at half time. Firies fought back in second half but Gneeveguilla held on to win on scoreline: 2-15 to 1-16. In the second game, a strong second half display saw Firies defeat Beaufort. Firies started well with Darragh O'Donoghue kicking some good points and were ahead by 0-5 to 0-1 after 10 minutes. An excellent second quarter saw Beaufort lead at half-time 0-8 to 0-7 helped by Sean O'Brien at midfield. The teams were level with 10 minutes remaining, however a Dylan O'Callaghan unstoppable shot to the net saw Firies lead. Firies finished stronger, winning

on a scoreline of 2-17 to 2-12.

We have 3 Finals in the East Region U14 league on Monday night, 30 July 2018. We would appreciate it greatly if you could hold spac, please, for 3 short match reports on these finals. We will send the reports to you on Monday night.

DIVISION 1

GLENFLESK 3-12 FOSSA 1-9

Played at Fossa the home side made the early running with 2 points from play (Harry Kelly, Sean Dineen). Glenflesk opened with a Cian Lynch point. There were a scatter of points (Harry Kelly(2) Peadar Kelleher, Fossa), Dylan Roche (2, Glenflesk). Glenflesk hit a purple patch, Cathan Harrington pointed on 20th minutes. Dylan Roche fired an unstoppable goal, after a strong run from Luke Crowley. Both added points. Glenflesk could have gone further ahead but for some good saves by Fossa Goalkeeper Dean Sheehan. A Darragh O'Connor goal saw the score at half time:

GLENFLESK 2-6 FOSSA 0-5

Fossa regrouped at half time and goaled from the restart when a long ball from Rocco Sheehan travelled to the Glenflesk net. Dylan Roche kicked 4 points in succession off left and right. Glenflesk goalkeeper Jack O'Donoghue made a fine save before Ryan O'Leary added a Fossa point. Harry Kelly (Fossa) traded two points with Dylan Roche. Fossa, to their credit, never gave up. Sean Dineen pointed before a fine shot was stopped by a post. This could have cut the lead to 3 points. However, it was Glenflesk's night and they rounded off the scoring with a Cathan Harrington goal, capping a fine all round team performance. Seán O'Keeffe (East Region Coiste na nÓg) presented the shield to Glenflesk Captain, John Kelleher. Referee: Donal Casey(Scartaglen)

LEGION GAA NOTES

WELCOME NEWS

It was great to learn that Niall McGillicuddy had returned home - albeit for the short term after an extended stay in hospital in Cork. His many friends and club members were praying and hoping for good news and also keeping his family in mind. A hugely difficult time for them but they braved a situation that would try most with courage and unity and those that know the family would have expected nothing less. We continue to wish them well in the journey ahead and assure Niall, Sheila, Daithí, Jane and Ellen of our support and best wishes.

CO. LEAGUE RD 9

Glenbeigh/Glencar 0-9 Killarney Legion 1-9

The penultimate county league game saw the seniors gather another deserved two points which effectively guarantees their Div.1 status. Turning in a fine first half performance they led 1-6 to 0-2 at the break. With Pdraig Lucey as the ideal target man at full forward the forward play was lively and creative. Once they got into their stride they looked dangerous and slowly but surely the scoreboard tally increased. Dominant at midfield Billy McGuire and Jack O'Neill certainly did their bit and it was the latter who rode a hefty tackle to deliver a telling ball which saw Finbarr Murphy cleverly slip the backs and he coolly slipped the ball to the net with a neat finish. A huge amount of the credit though must go to the Legion backs who were disciplined and hard working throughout turning over possession numerous times as well as applying constant pressure. Foremost was Damien O Sullivan who hardly put a foot wrong and his reading of the game was top class. Denis Sheahan put in another tremendous shift and despite a lag in the performance at the start of the second half the Legion had the wherewithall to regroup and pull away again for the win. The team has been steadily improving and with a good number due to rejoin the panel it will certainly inject more energy into them as the various championships approach.

ABHAILE ós na STÁIT AONTAITHE

An added bonus on the night in Glenbeigh was the return on holidays from the U.S. of Séan Brosnan formerly of Hibernian House, New St. and family. He was accompanied by his brother Donal who had a foot in both camps. Enjoy the break Séan and welcome home.

DR. CROKES GAA NOTES

SENIOR COUNTY LEAGUE DIVISION

1 - ROUND 10

RATHMORE 2-9 DR CROKES 1-15

In a game which was easily the toughest and most competitive we played in this years league we emerged at the end three points in front. This left us unbeaten in the league in 2018 with 9 wins and one draw. It also qualified us for the final with a home venue with one round to go.

We had the better of exchanges in the first ten minutes and led by 0-4 to 0-2. Rathmore got well on top in the next ten minutes, scoring a goal and two points to our opponents one point in the remaining ten minutes. Rathmore went in at the interval 1-5 to 0-6 in front.

Rathmore added on two points in the first five minutes of the second half for a four point lead. We responded straight away with five unanswered points to go one point ahead at the end of the third quarter. Our opponents equalised a minute later but a goal by Jordan Kiely, which was the game changer, and a point by Brian Looney put us four points clear with ten minutes to go. Rathmore had the next score, a point, but three points without reply by us put us six points ahead going into the last few minutes. Our opponents had a goal in injury time but this was followed by the final whistle. This left us winners by three points and a place in the final.

Colm Cooper and Jordan Kiely scored 1-9 between them, 0-6 by the former and 1-3 by the latter. In a great team performance I am reluctant to mention individuals. On this occasion however I have to mention the outstanding display of Colm Cooper. It was vintage "Gooch" performance. He is not gone away. Team and scorers: Johnny O'Leary, John Payne (Capt), Mike Moloney, Brian Fitzgerald, Jason Lyne, Shane Doolan, David O'Leary, Johnny Buckley 0-1, Alan O'Sullivan 0-1, Paul Clarke, Gavin O'Shea, Brian Looney 0-1, Colm Cooper 0-6 (0-2 frees), Mark O'Shea, Jordan Kiely 1-3.

KERRY SOUTH:

A great result was had by Kerry South on their return to Waterford for the finals of the Jim Power Cup on Saturday last. Following victories over Tipperary and Waterford in the early rounds Kerry South faced a strong North Cork team, in the final.

Following a great display of skill and determination Kerry South emerged victorious on a score line of 3-7 to 2-2. This was a great result considering they had lost to the same opposition in the earlier rounds three weeks ago. Great credit goes to all the players including Milltown / Castlemaine's Conor Spillane who performed very well on the day,a special mention to our own clubman David Heasman who managed this group of young footballers. Well done David.

U-12 BLITZ PÁIRC UI CHAOIMH STADIUM:

Our Under 12's have been invited to participate in an U-12 Tournament in Cork on Wednesday August 8th. They will arrive in Páirc Ui Chaoimh at 1:30; games start at 14:00 and finish by 15:00. They will also have a meet and greet with a guest player along with a stadium Tour which starts at 15:15.

Not many players get to play in Croke Park, Fitzgerald Stadium & Páirc Ui Chaoimh in the same year so this is a wonderful opportunity for all our young footballers. Huge credit must go to Liam Doherty, manager of the under 12 team for organising this day out.

UNDER 12'S:

Both our under 12 teams once again gave a brilliant display of football on Friday evening last against Beaufort.

Our White team were on the losing side however, on a score-line of 4/16 to 2/03. The Green team were victorious on a score-line of 4/24 to 4/03. A huge well done to all involved with these young boys.

Both girls put in tremendous performances throughout the campaign and no doubt are ones to look out for in the future. Well done to you both and to your coaches at both club and county level.

ALL IRELAND FOOTBALL CHAMPIONSHIP SUPER 8'S

KERRY'S SEASON ON THE LINE IN FINAL GROUP GAMES

KERRY V KILDARE

Fitzgerald Stadium, Saturday 6pm

Kerry's final game in the Super 8s is against Kildare and the game throws in at 6pm in Fitzgerald Stadium on Saturday. Kildare can't qualify for the semi-finals but they will be playing for pride and the desire to finish third in the group.

Kerry must win and hope for a favourable result from the game in Salthill between Galway and Monaghan which also throws in at 6pm and Kerry supporters will naturally keep a close on on that one. If that was to transpire, the second place in the Group would be determined by scoring difference. The county that finishes second in the Group will play Dublin the following Saturday in Croke Park.

FITZGERALD STADIUM TICKET ARRANGEMENTS

Tickets are currently on sale online at tickets.ie, in the Kerry GAA Store Killarney and in the SuperValu and Centra stores around the county. Adult tickets are €25 and Juveniles are €5. Student/Senior citizen tickets are available on the day. There will be no concession stile. Seating is not allocated so those arriving earlier will have the access to the seats in the stand. Once the stand has filled, people will be directed to the Terrace. There is no difference in price between the stand and the terrace.

Match programmes will be on sale for €5 with a percentage of the sales going to the Fitzgerald Stadium Committee for the maintenance of the grounds. The gates

will open at 4pm and as always we ask Patrons attending the game to follow the instructions of the stewards and to avoid parking in residential areas. There are a number of road closures in the immediate vicinity of Fitzgerald stadium from 3pm. Please come early and park in the designated parking areas and enter the stadium early if you want a 'good view'.

The team will be announced on the Kerry GAA website on Friday at 8pm. For last minute purchases, the Kerry GAA Store in Killarney will be open for business right up to throw in time so it gives all fans the opportunity to proudly wear their colours!

WORKPLACE STRESS PART 2

Last week we looked at various strategies to reduce workplace stress. These focused primarily on the one thing we have control over in our lives i.e. ourselves. This week we will look at more key ways to deal with stress in our lives. Knowing we are stressed when we are stressed is important. Each person is different – so know your own 'stress busters'.

The following are some tips:

- 1. Taking Responsibility** for our own physical and emotional well-being
- 2. Avoid knee-jerk reactions** and falling into old habits
- 3. Learn to communicate better** – which can improve relationships with coworkers
- 4. Recognise your own emotions** and know how to control your emotions and behaviour. If you ignore your emotions you will be unable to fully understand your own needs and find it difficult to communicate with others.
- 5. Delegate responsibility** – let go of the need to control every little step.
- 6. Be willing to compromise** – finding a middle ground with a co-worker can help reduce stress levels for everyone.
- 7. Balance your daily schedule** – as all work and no play leads to burnout. Balance your time between work, daily responsibilities, family life and social activities – ensuring you get some downtime.
- 8. Avoid over-scheduling your time** by trying to fit too much into one day. If you have a lot on – distinguish between the 'shoulds' and the 'musts' and drop any task that isn't completely necessary to the bottom of the list or delete them entirely.
- 9. Give yourself time** – getting up or leaving home ten minutes earlier can decrease stress levels and avoid that frantic rush to get to work on time.
- 10. Take a quick stroll** during the day to clear your mind.
- 11. There is no better way to alleviate stress than a good laugh** – watching a comedy or meeting up with friends and sharing a joke can all help to reduce stress.
- 12. Don't try to seek perfectionism** – this will only add to unnecessary stress. When you set unrealistic goals you set yourself up for failure. Aim to do your best.
- 13. Watch your thoughts** – Negative thinking can drain our energy and motivation – so try to stay positive and avoid negative people as much as possible.
- 14. Don't try to control the uncontrollable** – Many things in life are beyond our control – especially the behaviour of other people. Rather than focusing on the things we can't control, we give our attention to that which we can control – i.e. how we react to the problem.

Gardening

with Killarney Outlook

by John O'Sullivan

GARDEN MAINTENANCE IN AUGUST

It is important at this time of year to do some pruning in the garden. Climbers such as wisteria and pyracantha should be pruned back now after flowering. Rambling roses can also be pruned back if they too have finished flowering. shrubs like hebes should be given a light pruning at this time of year as the flowers are fading in them.

You can also give your hedges a final trim until next year as they will be putting on very little growth from now on. Don't go too hard especially with coniferous hedges as that would leave them with dead looking patches for the winter.

Also the time is right to deadhead your roses as this will keep them flowering into early autumn. Roses that aren't looking too good now and have lost some of their foliage can be cut back a bit further to encourage new growth.

A Word of Victory

Welcome back dear reader "who touched Me?" (Mark 5:30) This is what Jesus called out one day whilst a crowd thronged and pressed around Him, all trying to touch this Healer they had heard of. His disciples said "Lord this whole crowd are pressing You, what do You mean who touched You?" But Jesus had felt something different to a casual touch. He had felt power leave Him and knew that someone with faith had activated that power. He stopped and looked for that one. A woman came forward as she realised what had happened, and gave her miracle testimony. She told of how she had suffered constant bleeding for twelve years, and was so sick. Doctors had tried everything but had given up on her – she was no better after all the treatment, and all the money it cost – and only grew worse. In her desperate state, she sought the Lord. She had heard about the great miracles Jesus had been doing and so, in her weakened condition, she somehow got herself to where He was ministering and she said to herself "if I can just touch the hem of His clothing, I will be healed." (Mark 5:28) Desperation makes ordinary people do extraordinary things. This woman risked everything to be healed. At that time a person who was bleeding had to stay away from others while they had that affliction. They were considered 'unclean'. The penalty for touching others in an 'unclean state' was death by stoning. This woman had nothing to lose though. She was physically weak, yet faced out on her journey and crawled into the midst of the hot, bustling crowd to get near Jesus. The fact that she was going to touch the hem of His garment meant that she must have been severely bent over, probably very feeble and frail. But her courage paid off – because her faith did something that made Jesus stop and notice. It activated His power. As she touched Him, she too felt that power surge through her body, and she knew in herself that she had been healed. She told Jesus what happened and He said "woman, your faith has made you well". People cry to God all the time for a miracle, but it's only faith that touches Jesus that ignites His healing power. "Faith comes by hearing, and hearing by the Word of God". (Romans 10:17) God always confirms His Word with signs following. If you need healing today friend Jesus is waiting for you to come to Him and receive freedom. ...and ALL who touched Him were made whole". (Matthew 14:36)

NOVENA PRAYER TO ST JOSEPH

O Saint Joseph, whose protection is so great, so strong, so prompt before the throne of God, I place in you all my interests and desires.

O Saint Joseph, assist me by your powerful intercession and obtain for me from your Divine Son all spiritual blessings through Jesus Christ, Our Lord; so that having engaged here below your heavenly power, I may offer my thanksgiving and homage to the most loving of Fathers.

O Saint Joseph, I never weary contemplating you and Jesus asleep in your arms; I dare not approach while He reposes near your heart. Press Him in my name and kiss His fine head for me, and ask Him to return the Kiss when I draw my dying breath. Amen

THE MIRACLE PRAYER

Dear Heart of Jesus in the past I have asked many favours. This time I ask you this special one, (mention favour).

Take it dear heart of Jesus and place it within your own broken heart where your Father sees it.

Then in his merciful eyes it will become your favour not mine.
Amen.

PRAYER TO OUR LADY OF MOUNT CARMEL

Oh, most beautiful flower of Mount Carmel, fruitful vine, splendor of Heaven.

Oh, Blessed Mother of the Son of God; Immaculate Virgin, assist me in my necessity. Oh, Star of the Sea, help me and show me you are my Mother.

Oh, Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity. (Mention your request here) There are none that can withstand your power.

Oh, Mary, conceived without sin, pray for us who have recourse to thee.
(say three times).

Holy Mary, I place this prayer in your hands.
(say three times).

NOVENA TO THE SACRED HEART
