MESSAGE FROM THE EDITOR...

Our old friends "The Gobnait's" are at it again... this week launching Christmas In Killarney, former Kerry goalkeeper Brendan Kealy was crowned King of the Jungle and Golfer Paul McGinley has received honorary lifetime membership at Killarney Golf Club.

Our pictures pages are full of spooky ghosts and scary ghouls as we take a look at all the halloween events that took place during the week. Glenflesk ag Rith took part in the Dublin City Marathon, Paul Galvin was on hand to

launch the new Kerry Jersey and time is running out for those not registered to vote.

As we ease slowly into winter, we look at tips to save on our energy costs and we also take a look at all the sporting action from the past week.

HONORARY LIFETIME MEMBERSHIP FOR PAUL MCGINLEY

Killarney Golf Club presented an Honorary Lifetime Membership to Paul McGinley on Thursday evening last. Club President Breda Duggan, Club Captain Derry McCarthy and Lady Captain Sheila Crowley formed the welcoming party to greet Paul as he arrived to receive his award, which he had accepted in January of 2015. Paul's work schedule is so busy that it has taken this long to arrange the presentation, and Paul, in his acceptance speech apologised sincerely for taking so long to become available to come to visit, and accept this award. Bagpiper Mike Milner, provided a warm welcome as Paul was led up the stairs of the Clubhouse which was flanked on both sides by some 50 former Club Presidents and Captains including the longest serving of those Captains, Lady Captain from 1962, Phyllis O'Sullivan. Derry McCarthy started the proceedings and also acted as the MC for the evening, he formally welcomed

PAUL MCGINLEY WITH AT KILLARNEY GOLF AND FISHING CLUB WHERE PAUL WAS HONOURED WITH HONORARY LIFE MEMBERSHIP OF KILLARNEY GOLF AND FISHING CLUB ON THURSDAY.

Paul to the Club. Derry was followed by Denis Cronin, Club President from 2015, who on behalf of the Club had bestowed the Honour on Paul. Denis outlined a witty resume of Paul's career, to the assembled audience of some 200 club members, and Paul was then

welcomed to the Podium after he had accepted his Club Blazer and a framed Citation, the symbols of his award. Paul followed with an acceptance speech, in which he outlined his career, mixed in with words of encouragement to younger golfers who were also present. Paul was fulsome in his praise of the Club and he was most gracious in accepting the award which he said that he would cherish for his lifetime, and that he and his family fully intended to visit Killarney on many occasions to take full advantage of the benefits

of his Honorary Life Membership of the Club. Paul then conducted a question and answer session and signed autographs and posed for photos. Club Captain Derry McCarthy brought the formal proceedings to an end, and a most enjoyable social evening was enjoyed afterwards by the Members and Guests.

KILLARNEY STUDENTS TO PRESENT €1000 BURSARY TO SR. ORLA TREACY

The Hugh O'Flaherty Memorial Award will be presented to Loreto Sr Orla Treacy at a ceremony in the Killarney Avenue Hotel on Saturday night,

Sr. Orla is Principal of a girls secondary school in South Sudan – one of the poorest nations and most fragile democracies in the world. With continuing violence, civil war, poverty and absolute oppression of women, according to a recent report in the Irish Catholic, it is noteworthy that South Sudan has one medical doctor per 65,000 citizens (the equivalent of two doctors covering all of Kerry) and the frightening statistic that a young girl of 15 years of age is more likely to die in childbirth than she is to finish secondary school. At great risk to themselves, Sr Orla and her Loreto colleagues are performing nothing short of miracles in establishing educational and medical services in the region of Rumbek.

As a significant new element of the Hugh O'Flaherty Humanitarian Award, students from various schools in Killarney Parish will make the Bursary presentation to Sr Orla who will speak at the ceremony about the challenges they face on a daily basis to educate the young people

of South Sudan as a means of achieving liberty and climbing out of poverty and oppression.

The Award Ceremony on Saturday evening is open to the public and all are welcome.

GLENFLESK AG RITH RUNS THE DUBLIN CITY MARATHON

What started as a small community running to raise funds for the Kerry/Cork Health Link Bus ended up on the biggest stage of all this weekend as members of Glenflesk ag Rith jogging group who took part in the Dublin City Marathon. The group finished their year of fundraising off in style by finishing the marathon in great time and some even managed to dance a set after the big race. Glenflesk ag Rith have held a number of fundraising events this year for the Kerry/Cork Health Link bus. Each event has been a great success and showed the huge community spirit of local people. The Kerry/Cork Health Link bus takes cancer patients to and from Cork five days a week to receive treatment and follow-up appointments. Funding for the Health Link Bus comes entirely from sponsorship and fundraising events as no Government or HSE funding is received, so it is vital that the Kerry/Cork Health Link Bus gets support from the community.

The driving force behind the campaign are Breda and Diarmuid Lynch from Glenflesk, their daughter Leah was diagnosed with Ewing's Sarcoma and had chemotherapy treatment at Cork University Hospital. Breda, is one of the founding members of the Glenflesk ag Rith jogging group who staged the events. At the end of the marathon, Breda was presented with

MEMBERS OF GLENFLESK AG RITH WHO TOOK PART IN THE DUBLIN CITY MARATHON.

a beautiful boat to mark the journey she and the group have taken.

KILLARNEY GETS SET TO TALK TOURISM

THE man handed the responsibility for steering Ryanair out of its current difficulties has been lined up as the keynote speaker at a major tourism conference planned for Killarney.

Peter Bellew, who has just been appointed to the high-profile position of chief operations officer with the airline, will be one of the guest speakers at the second annual Let's Talk Tourism forum on Friday, November 10.

He is leaving his post as chief executive of Malaysia Airlines to join Michael O'Leary in an airline he has worked for in the past.

"I am excited to return home to Ryanair and take up the challenge to grow the operation sustainably," he said.

Mr Bellew, 52, a native of Meath and a graduate of Trinity College, has been living in Fossa, Killarney for several years. He is married to Grainne and they have four children.

He previously worked with Kerry Airport as marketing manager and airport manager and later became director of flight operations with Ryanair before being headhunted by Malaysia Airlines.

PRES TY'S GO PHONE FREE FOR A DAY

DEDICATION.....

BY Orlaith O' Connor, Transition Year Student.

On Tuesday the 24th of October our Transition Years took on a very difficult challenge to raise money for Enable Ireland. Transition Year students handed up their phones for 24 hours. Enable Ireland challenged students from all over the country to take part in their fundraiser. At 12pm on Tuesday The students reluctantly

DESPAIR....

dropped their phones into the box to be locked away at school for the night!

At first, students were enthusiastic and were not too lonely after their beloved gadgets but as the day slowly progressed the anxiety began to kick in! Students were constantly reaching into their pockets only to remember there was nothing there!

Their moods began to change Tuesday evening as they began to miss their phones more and

DELIGHT....

more every minute. They found it hard to even have a proper conversation with each other as they are so used to constantly being on their mobiles.

However as much stress and anxiety it may have caused them, our students were successful in raising money for an excellent cause and living a whole 24 hours without the use of their phones.

STEP INTO A STORYTELLERS SHOES IN SNEEM

Multi-award winning one-man-show 'The Man In The Woman's Shoes', written and performed by Mikel Murfi and a Storytelling Concert featuring UK, US and Irish tellers are among the highlights of the 6th Sneem International Storytelling & Folklore Festival which takes place 10th-12th November in the village of Sneem on the Ring of Kerry.

'The Man In The Woman's Shoes' follows Pat Farnon as he walks to town and back again. It is a beautifully observed piece, utterly simple and Murfi's "astonishing acting" has been widely praised since it was first performed in 2012.

Acclaimed US Storyteller Len Cabral, Kate Corkery from Cork and London, Dublin's Jack Lynch, Listowel's Frances Kennedy and Sneem Seanchai and festival chairman Batt Burns are all performing across the weekend in various venues. There is a strong youth programme this year with children's storytelling workshops and the hugely popular Young Tellers Concert on Saturday evening where children from the locality and around Kerry as young as 11 years of age will perform stories and verse in front of a live audience.

Once again, the hugely popular Story Swap Sessions, an open-mic for amateur tellers to come and swap stories with one another, will take place in pubs locally as well as a storytelling pub trail, a storytelling hill walk, storytelling in an 18th century barn, adult workshops and lunchtime theatre.

Lyons will present a hilarious lecture on his observations of middle-aged Irish men while the famous South Kerry Rosen Choir will perform 'Songs From Kerry' in the Church of the Transfiguration.

"We are thrilled with the support of Fáilte Ireland who have helped to keep this festival since we began, and as a result we are keeping

this oral tradition alive in Sneem and Kerry. It's our oldest tradition and it should be nurtured to bring it back to where it once was up to 70 or 80 years ago. We are trying to do our bit here in Sneem and it's great to see some of our young people embracing it", Batt Burns, festival founder and renowned Seanchai told the Killarney Outlook.

KILCUMMIN SPOOKY SPRINT A HUGE SUCCESS

Ghosts Ghouls, Goblins and Gremlins took to the roads around Kilcummin for the inaugural "Spooky Sprint" fundraising event on Sunday last.

Over 300 people attended on the day and an array of halloween costumes were on display by young and old alike.

The 4.5km route was festooned with spooky ghosts and ghouls, just to remind all that it was indeed, the "Spooky Sprint".

"We were delighted with such a big turn out and everyone seemed to enjoy their day" said Ann Marie O Leary one of the main organisers told the Killarney Outlook.

Everyone was welcomed back to Kilcummin recreational hall where a myriad of halloween games and an array of confectionary items and refreshments were available. And it was eyes down as the hamper raffle with spot prizes and guess the number of spooky eyes was held with much anticipation!

Derek O Leary from the parents association of Kilcummin National School stated "a lot of work and effort went into organising the day by a dedicated team of people and we want to extend a big thank you to everyone involved and to everyone who supported the day".

The funds raised on the day will be utilised to support Kilcummin National School.

KILLARNEY ARTIST TO BE SHOWCASED ON NATIONAL STAGE

A Killarney artist who took early retirement to follow her dream as an artist, is looking forward to displaying new pieces at Ireland's premier art fair Art Source, at the RDS from November 10-12.

Olivia O'Carra from Park Drive in Killarney had pause for thought when a chance participation at a charity exhibition led to her work being sold out almost 15 years ago

"I worked as a science teacher at two schools in the area," she said.

"The local Rotary Club had an exhibition for charity in 2003 and I brought my work along. When it all sold out, it started me thinking and I decided to opt for early retirement from teaching to pursue art."

Her layered-techniques in landscaping have drawn huge attention and she is particularly known for her depiction of water in all its forms.

"I love nature and having the national park at my doorstep is a blessing. I'm also especially fascinated by reflections in still water."

This year's Art Source sold out in record time and features over 130 contemporary artists and 20 Irish and international galleries gathering together to showcase painting, sculpture, photography, illustration, prints and ceramic art.

Art Source takes place at the RDS, Dublin, from November 10-12, admission is €10 adults, €8 OAPs. Children under 16 free only if accompanied by a parent or guardian.

Opening times: Friday Nov 10: 11am-9pm, Sat Nov 11: 10am-6pm, Sun Nov 12: 10am-6pm

CHARITY CEILI RAISES FUNDS FOR IRISH MOTOR NEURONE DISEASE ASSOCIATION

A charity ceili was held in the Lake House Tousist, Kenmare on Sunday 26th March 2017 in aid of the Irish Motor Neurone Disease Association has raised €600.

The event was run by the Kelleher family in memory of their brother who passed away from the disease.

"This was a very special day for my family as my brother died of this horrible disease", Liz Kelleher told the Killarney Outlook.

"This was amazing day with a fantastic turnout of set dancers from all over. One of these set dancers Mr T. J. Nelligan from Castleisland came to me a few months ago to say he was holding a ceili on Sunday 24th September 2017 in an Riocht in Castleisland and that he would like to hold it for the Irish Motor Neurone Disease Association. I was so overwhelmed by his kind gesture and from that day T J was seen at every Ceili in the Munster region advertising this Ceili", she added.

"A huge thank you to all the set dancers that turned out on Sunday 24th September to support this ceili there are no words to express how much it meant to see you all there and we hope you all enjoyed the day also a huge thank you to all those kind generous people who donated but could not attend we also want to thank the committee of An riocht Club Athletic Club for providing the centre for the ceili also a big thank you to those that helped with the tea and making sure everyone got fed and most of all a huge thank you to Ui Bhriain-John and Martina-they played exceptional music and created a fantastic atmosphere", Peggy Kelleher told the Killarney Outlook.

SISTERS LIZ AND PEGGY KELLEHER PRESENT CHRISTY LEHANE WITH A CHEQUE FOR €600 PROCEEDS OF A FUNDRAISING CEILI.

The proceeds from this Ceili €600 was handed over by Elizabeth and Peggy Kelleher to Mr Christy Lehane ambassador of the Irish Motor Neurone Association on Wednesday 18th October at the Heights Hotel Killarney.

There are currently 12 people in Kerry with this disease and we hope with our fundraising that this will go a long way in helping those people. Speaking at the cheque presentation Christy Lehane thanked the Kelleher family for their amazing fundraising. The funds will be raised to provide the provision of the specialist equipment and access to a Motor Neurone (MND) nurse plays vital role in improving

quality of life enabling people to live as active independent citizens within their community and to remain at home with their families for as long as possible There are currently over 360 people living with MND in Ireland 12 of which are from Kerry One of the main services that these clients and their families rely on is Munster MND nurse The IMNDA were only able to fund a nurse for Munster thanks to donations from the Ice Bucket Challenge but this funding ran out in April 2017, so it is fundraising such as this is so pivotal to the organisation.

KILCUMMIN GAA MINOR FOOTBALL

Kilcummin 3-11 Spa 0-18. Our Minors captured the East Kerry C championship on Saturday last with a win over Spa in Spa. Two goals from Conor McCarthy helped us to a six points lead at half time before he retired injured before the break. We opened up an eight point lead after James Nagle scored our third halfway through the second half but then had to endure a tremendous fight back from Spa. Indeed only for a resolute defence well marshalled by Sean O'Leary and a number of fine saves from Keith O'Leary we could have been overtaken. As it was Spa came to within one point of us in injury time but Paul O'Shea who was very influential scored a magnificent long range point to seal the victory. This was a great team effort from players and substitutes under the direction of Seanie, Alan and Mike and when Captain Sean O'Leary lifted the trophy it was a fitting reward for their efforts throughout the year. Team Keith O Leary, James Nagle, Cathal Healy, Chris Moynihan, Sean O'Leary, Sean Moynihan, Cormac O'Connor, Niall Daly, Eoin Daly, Tomas O'Connor, Lorcan O'Connor, Paul O'Shea, Conor McCarthy. Subs used Philip O'Leary, Darragh Cronin, Danny Cronin, Mike Brosnan. panel Conor O' Leary, John C O'Shea, Dan Keane, Darragh Lehane, Nathan McCarthy, Darragh Brosnan, Con Fleming, Dave Gleeson and Ivor Moynihan.

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

THE IMPORTANCE OF WRITING DOWN WHAT YOU EAT TO LOSE WEIGHT

This week see's the commencement of our 6x Inch/ weight loss challenge for Christmas with Weight watchers.

Week by week we will be taking you through the steps and recommendations from Breda (our leader) so you can follow and also learn something from our programme.

I met with Breda this week to go through the starter pack and programme for your Group and her main message was "The importance of writing it down". Daily food logging is essential to make sure you are not over or under eating, if any emotional factors came in the way of your efforts and how you felt etc. If you can see it daily by writing it down you are much more likely to control it, or understand why you couldn't control it on that particular day.

The solution to becoming aware of your food choices and how much you're eating is to simply pay attention by writing everything down that you consume. When you track what you eat, you can't help but notice the types of foods you're eating, the calories in those items, and how your choices affect your weight, appetite and energy levels.

The weight watcher programme put all this data into an easy to follow points value on foods. It gives you the number of calories you should eat daily by giving you a daily points allowance, and by tracking your points it becomes clear when you need to make an adjustment.

FINDING PEACE IN THE MOMENT!

True abundance exists in knowing that this moment – the one you're in right NOW is really perfection. You are absolutely where you are truly meant to be. Choosing to embrace the fullness of this moment – finding love and opportunity in where you are right now is choosing the most powerful way to live. It puts each of us squarely in charge of our own journey and our destiny.

Each morning we are given the chance to admire another sunrise. From the moment we open our eyes there are exquisite blessings all around us ready to be witnessed. All we have to do is to gaze upon them and really see how blessed we are.

So often we spend much of our time looking at the horizon. We look ahead to often what is just out of reach. We focus on the destination; the pay rise, the holiday, the weekend, the new career, relationship etc. The goal seems far away however life's goal is all around us in this moment.

Regardless of where you are in your life's journey – or where you aspire to be, you are at the place where you are exactly meant to be.

Each choice you have made throughout your life has brought you to where you are today – this moment – where absolute perfection lives.

When you approach your life from the moment you are in you gain tremendous peace within. When we stop the struggle and dance with "what is" we find joy in the moment. Be here now

TOURISM BOOST FOR THE KINGDOM AS RYANAIR EXTENDS NEW KERRY-BERLIN SERVICE THROUGH SUMMER 2018

RYANAIR EXTENDS NEW KERRY-BERLIN SERVICE THROUGH SUMMER 2018 AT KERRY AIRPORT

Nearly 20,000 passengers are set to fly into Kerry on the new Ryanair service from Berlin Schönefeld after it was announced that the route will continue through the summer of 2018.

Over 150 passengers made the inaugural flight to Kerry on Sunday morning last, while 189 passengers, maximum capacity, were booked on the first outward flight to Berlin.

The service which will operate every Thursday

and Sunday was due to end in March but there has been a broad welcome from the tourism sector in Kerry to the news that the route will continue through next year's summer season. The incoming flights will depart Berlin Schönefeld SXF at 3pm and land in Kerry at 4.35pm on Thursdays. On Sundays, the flights will depart Germany at 7.45am and land in Kerry at 9.25am. The outbound flight from Kerry on Thursdays will depart at 5pm, arriving

in Berlin at 8.35pm while the Sunday flights will leave Kerry at 9.45am and arrive in Berlin Schönefeld at 1.15pm.

Berlin Schönefeld is only 22 KM from Berlin City Centre, while excellent road and public transport connections link Schönefeld Airport with Berlin and the surrounding region.

Financial Controller at Kerry Airport, Basil Sheerin, said: "We are delighted with the support that the new Kerry-Berlin service has received so far with strong bookings up to the end of the year. The decision to extend the route through the summer of 2018 underlines the importance of Kerry as a destination and gateway for the German tourist market and will ensure increased visitor numbers to the region. Berlin is home to 3.5 million people and a number of high tech firms in the pharmaceutical, biomedical engineering, electronics and media corporations sectors. We will work closely with all sectors in Kerry over the coming months to promote the county as a great tourist destination and a top location in which to do business."

German tourists who visit Kerry and the region are amazed with the scenery, hospitality, and in particular the access to the Wild Atlantic Way. Kerry Airport welcomed over 325,000 passengers in 2016, up approximately 6% on 2015.

NEW 6% RATE OF STAMP DUTY ON NON-RESIDENTIAL PROPERTY - TRANSACTIONS ELIGIBLE FOR 2% RATE UNDER TRANSITIONAL RELIEF MEASURES

The rate of stamp duty on certain property acquisitions was increased from 2% to 6% on 10 October 2017 (Budget night). The provisions were subsequently included in Finance Bill 2017, which was published on October 19th, but these will not become law until the Finance Bill is enacted. This increase was made subject to transitional measures for the retention of the 2% rate in cases where the property acquisition had reached an advanced stage. Revenue has now put arrangements in place for these transitional measures.

The transitional measures apply stamp duty at a rate of 2% on instruments that are executed before 1 January 2018 where there was a contract in place before 11 October 2017 that was binding on the parties to the contract and the instrument contains a certificate to this effect.

A person who files a stamp duty return before the enactment of the Finance Bill and who is satisfied that the transitional measures would apply if the Finance Bill was enacted, has two options. He or she may-

1. File a return through the e-stamping system, pay stamp duty at the rate of 6% and be issued with a stamp certificate. On enactment of the Finance Bill, the filer can then request a refund of the difference in the stamp duty paid between the 2% and 6% rates by amending the return and submitting the relevant documentation to Revenue, or
2. File a return through the e-stamping system and pay the stamp duty at the rate of 2%, in which case a stamp certificate will not be issued. On enactment of the Finance Bill, Revenue will publish information on how the postponed stamp certificate can be obtained.

SCOTTS LAKERS PIPPED AT THE POST

LYIT 76

Scotts Lakers 75

In a match that could have gone any way Scotts Lakers came very close to snatching victory after a long road trip but were pipped by a point by Letterkenny Institute of Technology (LYIT) in a very exciting clash at The Bishops Field Sports Centre Derry on Saturday.

Scotts Lakers enjoyed a productive opening quarter and with Antuan Bootle making his presence felt, the Killarney side led 19-16 at the end of the first quarter.

The Lakers introduced new signing Dan Griffin for this match and certainly will be a big addition to the squad as the season progresses. The Castleisland native was returning to the game after a recent injury and chipped in with an impressive eight points and eight rebounds despite playing only half the match. LYIT responded well with effective double team defence to restrict the threat of Antuan Bootle in the second quarter and the home side were 37-31 in front at half-time.

Bootle hit 16 point in the first half but ran into foul trouble during the second half which restricted his time on court. Justin Tuason did well when introduced and along with good three-point shooting from Mihail Kapitanov, the Lakers did well to claw back a 16 point deficit and it was a tied ball game at 55 points each entering the final quarter.

Despite Bootle being on four fouls and staying on the bench for most of the final quarter, Lakers led 70-64 with five minutes remaining. Andrew Fitzgerald, Shane Horgan and Mark Greene all featured prominently as the Killarney side maintained their advantage to lead 73-71 entering the final two minutes. However LYIT turned it around with an outrageous uncontested three-pointer from Paul McHugh and the home side led 74-73 with 1.10 remaining.

Lakers restored their lead and were 75-74 in front with 30 seconds left. However Chaz Watler hit two free throws for the home side and LYIT led 76-75 with 22 seconds remaining.

THE SCOTTS LAKERS ST. PAULS TEAM. FRONT FROM LEFT ARE BILLY WISEMAN, MIHAIL KAPITANOV, PHILIP O'CONNOR, MARK GREENE, SHANE HORGAN AND JUSTIN TUASON. BACK FROM LEFT ARE DYLAN O'SULLIVAN, CIAN CLERNON, ANDREW FITZGERALD, NIAL O'BRIEN, ANTUAN BOOTLE AND PADRAIG LUCEY.
PICTURE: EAMONN KEOGH

With Antuan Bootle back on the floor, Lakers still had an opportunity to work the ball up the floor and look for the safest and best possible option to secure a victory. Despite their best efforts that never materialised and the home side held on to win by one point.

LYIT: Chaz Watler 23 Jon McGill 17 Jordan McClelland 11.

Scotts Lakers St Paul's: Antuan Bootle 23, Mihail Kapitanov 20, Andrew Fitzgerald 10, Mark Greene 9, Dan Griffin 8, Justin Tuason 5, Philip O'Connor, Shane Horgan, Billy Wiseman, Dylan O'Sullivan.

HOME GAME

SCOTTS Lakers return to Killarney Sports Centre this Saturday November 4th and will play host to Galway Titans. The Killarney side will be anxious to a return to winning ways against a Galway side that have only enjoyed one win from six outings so far this season.

A full strength Lakers squad should be more than capable of securing a victory but a much improved team performance on recent outings will be required. Padraig Lucey's return and the addition of Dan Griffin will be welcome under the boards alongside Antuan Bootle and Andrew Fitzgerald while Mihail Kapitanov, Mark Greene, Justin Tuason, Philip O'Connor and Shane Horgan are all capable of spearheading a strong challenge against the Galway side. Coached by Paul Langan, Titans are led by American Keegan Ryan, Hector Gonzalez, Toms Fabricius, Emmanuel Saah, Randal Kozlov and exciting teenage prospect Eoin Coughlan. The latter is a son of former Killarney supremo Joe Coughlan, head coach of the St. Paul's superleague team in the mid 1990s. Tip-off in Killarney Sports Centre is at 7.30 pm.

U14 DIVISION 2 MEK UTD 2 V 1 LISTOWEL CELTIC B

We played at home at Fossa park last Saturday and conditions on the day may have been Dull and dreary but the football served up for the next 70 mins was quite the opposite. Listowel got their first opportunity on our goal from a poorly cleared corner kick. Players scrapping over a loose ball in our box was eventually converted by Listowel to put them 1:0 up. Our lads went on the hunt for an equalizer immediately from the restart and that opportunity came from a cross from the corner flag across to rampaging Sam Griffin at the back post who met the ball with the sweetest of first touches to bury the ball low and hard in the back of the listowel net. Up stepped Eddie and with a powerful arrow he beat the wall and found the top of the listowel net with the score was now 2:1 to Mek united at halftime. Second half kicked off and turned out to be the finest display of controlled football that this MEK team has ever put together. There was so many out standing performances all over the field today by Mek but every team needs a heartbeat and today that player was Leo. The link up play between defense and attack today was outstanding and saw us comfortably see out the game as 2:1 winners. A huge thanks to Listowel Celtic for such a sporting match giving the man in black, Willie Gorman an easy game to referee. A special mention must go to our coaches, Liam, Tomas and Ger Moroney for today's performance. Fitness levels and organization was top class.

HECTIC WEEKEND OF CASTLEISLAND MART CLUB CHAMPIONSHIP ACTION

Three Castleisland Mart Club Championship finals were decided over the weekend with An Ghaeltacht pipping Templenoe to claim the Intermediate title; Dromid Pearses needed extra time to get the better of Firies and after another gripping encounter Listry struck late to deny Castlegregory in the Junior Championship final.

An Ghaeltacht are Intermediate Champions At Austin Stack Park on Sunday, An Ghaeltacht squeezed past a gallant Templenoe side to not only win the Fenian Cup but also guarantee themselves senior championship status next season on a score of 1-12 to 0-14. It was nip and tuck all through the first half and a goal at the end of the first quarter from Sean M. Ó Conchúir at the end of the first quarter after a good move was the difference between the sides at the break.

The game really opened up in the second half with both sides taking on their opponents' defence at every opportunity but whereas An Ghaeltacht were getting themselves into good positions their shooting was off kilter on a number of occasions and at the other end Templenoe were being turned over regularly as they met a teak tough Gaeltacht half back line in which Brian Ó Beaglaoich and Pádraig Ó Sé were superb. Finally the scores started coming at both ends and Templenoe fought back from a four points deficit to level the game twice only to see the cup snatched from their grasp by a late point from P.J. Mac Laimh.

After the game the Fenian Cup was presented to winning captain, Colm Ó Muirceartaigh by the chairman of the County Committee Tim Murphy and the Castleisland Mart Man of the Match was presented to Pádraig Ó Sé by Neill Shanahan of Castleisland Mart.

An Ghaeltacht will now play Mallow of Cork in the Munster Intermediate Championship semi final in Mallow on the weekend of November 12th.

DROMID PEARSES ARE JUNIOR PREMIER CHAMPIONS AFTER EXTRA TIME

Dromid Pearses were crowned Junior Premier champions following an extra time victory over Firies at J.P. O'Sullivan Park on Saturday evening (0-17 to 1-10). Firies just edged the first half thanks to a point on the half time whistle from Jack Sherwood and when they went 1-8 to 0-5 clear just four minutes into the new half following a goal by Pádraig de Brúin, it looked as if the Farranfore side had built up a winning lead. There was still thirty minutes including

added time to go however and once Dromid Pearses found their shooting boots at the three quarter stage it was a question of whether the South Kerry side would reel in Firies on time. They did – just about, and extra time followed. Graham O'Sullivan, with four points, proved to be the difference between the sides in the additional twenty minutes played and after an absorbing ninety minute or so of football it was Dromid Pearses captain Chris Farley who received the Tom Keane Cup from county committee chairman Tim Murphy. Graham O'Sullivan, last year's Kerry minor, was named Castleisland Mart Man of the Match and he was presented with his award by Denis Griffin of the Mart.

The new Kerry champions head to Cross in the Loop Head peninsula of County Clare on Sunday next to take on Naomh Eoin in the Munster Junior Club championship at 2pm.

Credit Union Senior Football League Playoffs

There were a number of important Senior Football League Playoffs down for decision over the Bank Holiday weekend to decide outstanding Promotion and Relegation issues.

Division 1 Relegation Playoff: St Marys had it all their own way at Glenbeigh as they preserved their Division 1 status and by doing so confined Milltown-Castlemaine to Division 2 football next season along with Austin Stacks and Castleisland Desmonds with a 0-22 to 0-10 victory that saw Bryan Sheehan kick 14 points. Division 3 Relegation Playoff: Goals win matches they say but it took extra time for St Senans to get the better of Gneeveguilla in this relegation playoff at Castleisland on Saturday before winning by 4-11 to 1-18. So St Senans retain their Division 3 status while Gneeveguilla drop to Division 4 next season along with Fossa and St Michaels-Foilmore.

Division 4 Title Playoff: Goals from Luke Quinn and Colm O'Neill proved to be the difference between the sides at Strand Rd on Sunday afternoon where Keel were crowned SFL Division 4 champions following a narrow 2-4 to 0-9 victory over Lispole who had to play 55 minutes of the game with only 14 men. So Keel go up to Division 3 as champions.

Division 4 Promotion Playoff: Dr Crokes, who played all the second half with just 14 men, are promoted to Division 3 next season following a hard earned 3-9 to 0-14 victory over Skellig Rangers in the Division 4 promotion playoff in Cromane on Bank Holiday Monday. A late goal by Jamie Doolan finally secured victory for Dr Crokes who are promoted to Division 3 next season along with Keel and Lispole.

MUNSTER CLUB FOOTBALL ROUNDUP

Dr Crokes survived a stiff test from Clonmel Commercials in the first defence of their Munster and All Ireland Club titles in Clonmel on Sunday last. The home side had a two points half time lead and despite being reduced to fourteen men early in the second half, the

Killarney side drove on to record a 0-14 to 0-8 victory. They have home venue in the semi final when they take on Clare Champions Kilmurry-Ibrickane on the weekend of November 12. The winners will play Nemo Rangers or Adare on November 26th.

In the Intermediate Championship, An Ghaeltacht will play Cork Champions, Mallow in Mallow on the weekend of November 12th. The winners of that game will play Kiladangan (Tipperary), St Senans (Limerick) or Kilmihil (Clare) in the final on the weekend of November 26th.

In the Junior Championship, Dromid Pearses

travel to the Loop Head peninsula to play Naomh Eoin of Clare in the quarter final on Sunday next. The winners of that game have home venue against Galtee Gaels or Croom of Limerick in the semi final on the weekend of November 19th. The final is fixed for December 3rd in Mallow. The third GAA Club in the parish of Rathmore, Knocknagree are on the other side of the draw.

KERRY GAA ANNUAL CONVENTION

The annual convention of Kerry GAA will be held on December 11. Motion and nomination papers have been sent to Clubs as per rule. Five officer positions will become vacant at

Nominations and Motions have to be returned no later than 5pm on Friday 10th November. All those nominated will have until 5pm Monday 13th November to confirm if they wish to contest positions.

Motions re Competitions will be dealt with at the November 20th Meeting of County Committee.

LISTRY ARE JUNIOR CHAMPIONS

THE VICTORIOUS LISTRY TEAM WHO WERE CROWNED JUNIOR COUNTY CHAMPIONS AT THE WEEKEND.

Listry staged a tremendous fightback in the final quarter to come from 6 points down to edge out Castlegregory in an exciting curtain-raiser in Austin Stack Park on Sunday last. With Alan Fitzgerald pulling the strings at midfield Castlegregory had taken the game to the favourites and were well worth their 2-8 to 0-5 interval lead. Their forward play was very impressive with Brandon Hoare and Anton Kelliher causing lots of problems for the opposition but Listry received a boost soon after the restart when Joe Clifford capitalised on a defensive mistake to slam a loose ball to the net. Whether by design or not, Castlegregory were playing a lot more conservatively than was the case in the opening period but still they held a six points gap until Joe Clifford made the most from another defensive mishap to boot home a second goal with ten to go. There were still two points between the sides but Listry now had the scent of victory and good scores from Ronan Buckley and Gary O'Sullivan levelled it before Buckley coolly sent over a "45" in the final minute of normal time to clinch victory on a score of 2-12 to 2-11. County Chairman Tim Murphy presented the

LISTRY GAA CLUB NEWS

JUNIOR CLUB FOOTBALL CHAMPIONSHIP FINAL 2017

A nail biting game which saw Listry losing going into the second half by Castlegregory winning by 9 points. Castlegregory dominated the first half by winning the ball throughout the 1st half, not giving Listry much opportunity to score. Ronan Buckley, talent and judgement, put 3 points on the scoreboard, along with Joe Clifford who was the first player to put a score on the board for Listry after 31 seconds. Anthony Kennedy also got the opportunity to put a point from play in the 23rd minute. However, Listry has attempted two goal chances into the 12/13th minute but hit the crossbar.

Heading into the second half, Listry determination and team work showed the supporters as they were sitting on the edge of their seats by winning the match by 1 point. Castlegregory missed many opportunities to score by only managed to put 3 points on the scoreboard in the second half by Alan Fitzgerald. Listry's Joe Clifford have a golden chance into the 2nd minute of the second half by buried the ball into Castlegregory net. Slowly narrowing the gap between the two teams, Listry came a comeback when Ronan Buckley got 3 points in a row, the turning point for Listry was in the 20th minute, Joe Clifford well deserved Man of the Match scored his second goal into the 16th minute. Derry Ahern, Paul O Donoghue and Gary O Sullivan all put added to the scoreline. Final Score in Austin Park Listry 2.12 Castlegregory 2.11. Some of these girls we have trained for two years and it is emotional coming to the end of the season, but I couldn't think of a better way to end it. They came home with not one but two trophies this year. Well done to all the girls that played today, I want to thank you and your parents so much for their support. "It topped off a great year for the girls who also picked up a County league title along the way and of course none of this would be possible without the outstanding work of their mentors Selina, Hannah Devlin, Jason Stack and Enda Murphy. Easily one of the busiest and hardest working management teams this year. Well done all round.

MINORS

Our minors played Rathmore this afternoon in the East Kerry Championship. In a tight and competitive first half we struck for a goal and that was the difference between the sides at half time (1-4 to 0-5). In a more free flowing second half sprinkled with some great moves we were just pipped at the post by a point. With the team short a few regulars the other panel members really stood up to the plate and they can take a lot of positives from a high quality performance. They faced Gneeveguilla away on Monday in the "B" Championship semi final. A repeat of this performance would see another competitive game.

SATURDAY MORNING ACADEMY

Kerry minors Cian Gammell and Sean O Leary of Kilcummin were the guests of honour on the final morning of our Academy. They came armed with the Tom Markham Cup and as an added bonus the Munster and National League trophies were also on display in Direen. And as a lovely gesture from their coaches the U10s who had their last outing in the Academy were presented with a photographic memento of their time with the lads. Well done to Sean

Culloty and his dedicated group of coaches who continue to do superb work with the Saturday trainings. And best of luck to our latest graduates who we look forward to seeing progress through the club's juvenile ranks.

SCOR

The Club were very well represented at the weekend in the Scor na nOg in Killarney Race Course. We took part in the Set dancing, Solo singing and Ballad. They all performed brilliantly with the Ballad group finishing 2nd. Unfortunately only one goes through to County semi finals but they can all be very proud of their efforts. Special thanks to Hannah Majella O Donoghue and Shirley McGough who had given a lot of their time helping to prepare the contestants and of course Scor Officer Carolann Spellman who coordinates everything in the background.

O'DONOGHUE CUP

The draw for the semi finals have taken place for the regions blue riband event. Rathmore and Gneeveguilla will meet this weekend on Saturday November 4th in one semi final whilst Dr Crokes and Kilcummin play the remaining quarter final on the same day. We have the winners of this on Sunday November 19th at 2pm.

In a fast moving game of two halves, Kilcummin got off to a dream start with a Paul O'Shea point from the throw in, followed with a Conor Mc Carthy goal, in the 4th minute. The goal provided by Paul O'Shea set up with a great pass from Sean O'Leary. Play moved from end to end with both teams creating scoring chances. However, Kilcummin goal keeper Keith O'Leary denied Spa a number of goals, with great blocks. The home side were unlucky with a number of wides but recorded 4 points, Eoin

O'Carroll, after a surging run forward and Niall Mc Carthy(3), in moves involving Gary Vaughan, Ruairi O'Keeffe and Sean Cahill. Meanwhile, Kilcummin kept the scoreboard ticking over and notched up points, Paul O'Shea(3), Thomas O'Connor (2). In a decisive move, Conor Mc Carthy rattled the Spa net for the visitors second goal on the 27th minute. The goal came with a Thomas O'Connor interception. The impressive Paul O'Shea laid off to Sean O'Leary, with a nice cross and Conor Mc Carthy gave the goalie no chance with a rasper to the Spa net. Half time score: Kilcummin 2-6 Spa 0-4.

The second half saw Spa play with renewed determination and reduce the margin to two points in the last quarter. The third quarter was evenly balanced. The sides traded points before Eoin O'Carroll found the net for a Spa goal, showing quick reflexes to capitalise on an opportunity in defense and send a rasper to the back of the net - 2-7 to 1-5, on the 24th minute. However, the Kilcummin response was immediate. James Nagle, who had moved to the forwards, replacing the injured Conor Mc Carthy, lopped the ball over the keepers head from a lovely pass by Lorcan O'Connor, in a move started when Eoin Daly won the ball. The final 15 minutes saw the home side notch up 5 points without reply, reducing the margin to a single score 1-12 (15) to 3-09 (18) in favour of Kilcummin, on the 26th minute - from the boots of Niall Mc Carthy (3), Conor Stack and Paul O'Shea. Kilcummin created scoring opportunities only to see a number of shots trail wide. In an exciting end to the game both sides pressed forward. Kilcummin goal keeper, Keith O'Leary put over a magnificent point from a 35m free, increasing the lead to 4 points. Niall Mc Carthy, who shone for Spa picked off 2 points - 3-10 to 1-14 on the 29th minute. With excitement rising a well taken Niall Mc Carthy point had the minimum between the sides with the game in added time. The outstanding Paul O'Shea scored the insurance point for Kilcummin and when Kilcummin won possession after the kick out, the final whistle sounded. Full time score: Kilcummin 3-11 Spa 1-15.

East Kerry Vice Chairman Johnny Brosnan presented the trophy to Kilcummin captain Sean O'Leary.

THE TATLER JACK MINOR A & B CHAMPIONSHIP

Three great sporting and close quarter finals were played in the Tatler Jack East Kerry Minor A and B Championship. The winners progress to the Minor A Championship semi Final while the loser play in the Minor B Championship Semi Final. Glenflesk travelled to Cordal where they took on a Scartaglen/Cordal side. A minutes silence was observed before the game as a mark of respect for the late John Horan, Scartaglen CLG before the game started. Scartaglen/Cordal led at the break, 1-9 to 1-4. However, Glenflesk came back in the second half to win by the minimum on a final scoreline of Glenflesk 2-13 Scartaglen/Cordal 1-15. The second game saw Killarney Legion host Rathmore. It was the Rathbeg side came out on top by the minimum. Final score: Rathmore 2-13 Killarney Legion 2-12.

Dr Crokes and Gneeveguilla met in the East Kerry Championship at Lewis Road and both teams served up an excellent match. Dr Crokes were on top with Josuha Fleming getting a goal to put them 1-03 to 0-02 ahead after 15 minutes. Gneeveguilla fought back with a Paid O'Leary goal leaving the scoreline 1-05 to 1-04 at half time in favour of Dr Crokes. Gneeveguilla started the second half brightly and a Sean O'Keeffe goal put the visitors 4 ahead mid way through the second half. However, Dr Crokes pegged them back and ran out eventual winner's 2-09 to 1-14. These results mean that Dr Crokes play Rathmore in the Minor A Championship Semi Final while Gneeveguilla host Killarney Legion in the Minor B Championship semi final. The winners of the fourth quarter final, Fossa V Firies, which remains to be played, meet Glenflesk in the Minor A Semi Final while the losers play Scartaglen /Cordal in the Minor B semi finals.

DR. CROKES

MUNSTER CLUB CHAMPIONSHIP - QUARTER FINAL

Played in Clonmel on Sunday 29th of October
Dr Crokes 0-14 Clonmel Commercials 0-8

This was a game in which we played second fiddle to the Tipperary men in the first half. In this 30 minutes Clonmel were well organised in defence and we found it hard to penetrate this defensive set up. We only put five points on the scoreboard in the half hour and only one of our six attackers managed a point from play.

We had the first two scores of the second half, two points to draw level by the 37th minute. We were now very much in the game but when we lost a man to a red card in the minute our chances looked slim to qualify for the next round. We however produced a twenty minute plus of outstanding football and never say die spirit. During this period we outscored our opponents seven points to one for a six point victory.

This was as good as any display i have seen from this team. We have now reached the semi final of the competition and i know our Management will want an even better display from them in the next round as they would not have been happy with our first half display. Clonmel Commercials were well on top in the first half and even though they didn't fire in the second half i feel they will be hard to beat in future Munster Club Championships. A negative against us was that four of their men came up the field and scored in the first half. We will now be facing Kilmurray iBrickane in the Semi final which will be played in the Dr Crokes pitch on Sunday 12th of November.

Team and Scorers: Shane Murphy, John Payne, Mike Moloney, Luke Quinn, Fionn Fitzgerald 0-1, Gavin White, Shane Doolan, Johnny Buckley 0-2, Alan O'Sullivan, Micheal Burns 0-3, Gavin O'Shea, Brian Looney, Tony Brosnan 0-2, Daithi Casey 0-3 (0-2 frees), Kieran O'Leary 0-1

SPAMUCKROSS COMMUNITY GAMES

AGM

Our AGM was held Wednesday 25th Oct. In attendance were Jean Courtney and Bríd Stack who, along with Jean's husband Frank, are stepping down after many years of service to Spa Muckross Community Games. They won't be idle though, as they continue to serve the Killarney area in other voluntary organisations. A huge thanks to Jean, Frank and Bríd from all at Spa Muckross Community Games. All those who contributed in 2017 were acknowledged- Spa GAA Club and Lissivigeen NS facilitated us for training, competitions and meetings. The children would not have had the opportunity to participate only for the trainers who gave of their time so freely, and our Art/Handwriting judges were thanked also. We also want to highlight the role Killarney Outlook plays in

promoting voluntary groups like ours on a weekly basis. As has been said previously, Spa Muckross Community Games will not continue without parents being involved; with each passing year, existing committee members will retire once their own children reach 16. Unfortunately, we had no newcomers to our AGM. Spa Muckross Community Games will not survive if that continues, as is currently the case in a number of areas in Kerry.

CONDOLENCES

To our committee member, and County Chairperson, Seán O'Sullivan on the death of his sister Bernadine Boyle. Also, to the family of Brian Lewis, who was President of Kerry Community Games. May they rest in peace.

MINIS BLITZ

Last Saturday our Minis hosted our round of the West Munster blitz, hosting boys and girls from Castleisland, Killorglin and Iveragh rugby clubs. We had pitches going at the Sem as well as Kockreer as over 250 children took part. The club made history last Saturday by hosting our first ever girls only matches and we welcomed Morna Dixon and girls from Tralee RFC for this occasion. It is fantastic to see 3 years hard work in developing girls rugby in Killarney come to fruition like this. Well done to all involved, especially Liam Murphy, Denise Treacy and Ed Stack who have driven the girls section from day one and to the new coaches Fiona and Peter also.

The Sem was a hive of activity as we hosted matches from U7 to U10 with U11 and u12 playing at Knockreer. We literally had an army of volunteers who helped with parking to giving out the food afterwards and a special thanks must go to the parents and older kids who helped out on the day. A huge thanks to Sean, Seamus and Geraldine at the Sem for the

use of the amazing facilities there. Thanks to all the coaches who guided their charges through their first blitz of the season, the parents and especially the children who took part so enthusiastically. Finally thanks to coordinator Liam Murphy for all the hard work in organising the event down to the tee.

HANDBALL NEWS

GOLDEN WEEKEND FOR KERRY HANDBALL

Glenbeigh's Dominic Lynch and Jack O'Shea made the long trip to the Golden Gloves tournament in Belfast a winning one on another great weekend for the sport in the county.

First up for Dominic was Martin Mulkerrins of Galway in the Last 16 of the Men's Open competition in what turned out to be a thrilling battle. Dominic got off to a great start leading 9-4 early on and pushed on to take the first game 15-12.

Martin tied the match winning the second game 15-10 despite a good rally by Dominic and the Galway man took the win in the decider 11-6.

This sent Dominic into the Men's Open Plate and he brought this trophy back to Kerry with him. He defeated Cork's Daniel Relihan in the semi-final 15-6 and 15-5 and then saw off CJ Fitzpatrick from Limerick 15-14, 10-15, 11-10 in one of the games of the weekend.

After two great games the title looked to be heading the way of the Limerick man as he lead 7-3 but Dominic showed his class once again and his killing of the ball proved to be the difference as he rallied to lead 10-7. However CJ hit back again to tie the game at 10 all. Dominic showed all his composure to win the title with an ace at the 4th time of asking.

Jack O'Shea certainly earned his Men's B trophy coming through 4 tough games. He knocked out Denis Creaton from Roscommon 15-10, 15-4 and then continued his great form in the quarter final seeing off Louth's Ben Devlin 15-4, 15-6.

The first game in the semi-final against James Gavaghan from Monaghan was a tight affair with the Kerry man winning 15-14. However Jack was in control in the second game winning 15-4.

Onto the final and there was always only going to be one winner as O'Shea was in sublime form and took care of Mayo's Ciaran Burke 15-3, 15-3 to wrap up a great weekend for both players with two more national handball trophies back in the Kingdom.

GAME SHOWCASES TEAM SKILLS

KILLARNEY 7 KILLORGLIN 3

This fiercely contested U/16 Munster Conference local derby played in Ballymallis on Saturday 28th showcased the skills and strengths of both teams.

After initial parity the game settled into a pattern of sustained Killarney attack and brave Killorglin defending and tackling.

The decisive score came halfway through the second half when following a Gary Randles break Craig McKensie Vass made further ground and from the base of the ruck Padraig Talbot saw a gap and crashed over.

Donnchadh Grealy converted. Shortly after

Killorglin closed the gap with a penalty kick. However, Killarney again regained ascendancy and finished the game camped in the home teams 22 but Killorglin's stout defence held out. The Killarney team on the day were courageous front row Adam Cronin, Matt McAuliffe and Denis Koyun.

The second row were hard tackling Sam Casey and Evan Mannix who dominated the line out. The back row excelled with Padraig Talbot, Craig McKensie Vass and John McCarthy covering every yard of the pitch.

The half backs Peter Walsh and Dion O'Neill ensured forward momentum and hard running

centres Mark Sheehan and Jose Ferrero impressed.

Wingers Donnchadh Grealy and Thomas Clifford counter attacked and defended fiercely. Gary Randles strong running from full back was a feature of the game.

KILLARNEY GOLF & FISHING CLUB

Club President Breda Duggan, Club Captain Derry McCarthy and Lady Captain Sheila Crowley formed the welcoming party to greet Paul McGinley as he arrived at the Clubhouse on Thursday evening last, to receive his "Honorary Life Membership" award, which he had accepted in January of 2015. Paul's work schedule was so very busy that it has taken this long to arrange the presentation, and Paul, in his acceptance speech apologised sincerely for taking so long to become available to come to visit us, and accept this award.

Paul was led up the stairs of the Clubhouse by Bagpiper Mike Milner, the stairs was flanked on both sides by some 50 former Club Presidents and Captains including the longest serving of those Captains, Lady Captain from 1962, Phyllis O'Sullivan. Derry McCarthy commenced proceedings and also acted as the MC for the evening, and he formally welcomed Paul to our Club. Derry was followed by Denis Cronin, Club President from 2015, who on behalf of the Club had bestowed the Honour on Paul. Denis outlined a witty resume of Paul's career, to the assembled audience of some 200 Club Members, and Paul was then welcomed to the Podium after he had accepted his Club Blazer and a framed Citation, the symbols of his award. Paul followed with a 10 minute acceptance speech, in which he outlined his career, mixed in with words of encouragement to younger golfers who were also present. Paul was fulsome in his praise of the Club and he was most gracious in accepting the award which he said that he would cherish for his lifetime, and that he and his family fully intended to visit Killarney on many occasions to take full advantage of the benefits of his Honorary Life Membership of our Club.

Paul after concluding his acceptance speech conducted a question and answer session, during which he comprehensively answered all of the questions asked of him, and he then proceeded to sign all of the autographs and pose for all of the photographs that he was requested to do. Club Captain Derry McCarthy brought the formal proceedings to an end, and a most enjoyable social evening was enjoyed afterwards by the Members and Guests.

The competition scheduled for Sunday the 22nd October was cancelled due to the course being rendered unplayable by storm Brian, and it will now be rescheduled.

Know Your Rights: ONLINE SHOPPING AND IMPORT CHARGES

QUESTION

I want to do some of my Christmas shopping on American websites. What are the rules about VAT and customs duties when shopping outside the EU

ANSWER

You are importing goods if you buy goods from abroad online or from a mail order catalogue, or if you get goods that are sent as a gift from abroad. In general, when goods are imported into Ireland from a country outside of the EU, they become liable to import charges. These include VAT, customs duty and excise or other duties where relevant. In some cases, you can get relief from import charges.

If someone sends you a gift from outside the EU, and it is valued at under €45, you do not have to pay customs duty or VAT. To qualify for this relief, the gift must be of an occasional nature and sent from one private individual to another. You can buy some goods from outside the EU up to a value of €22 without paying VAT. The value is calculated on the full value of the item, plus postage and duties. This is also the value that is used to calculate VAT, if it is payable. If you buy goods from outside the EU valued at more than €150, you will have to pay customs duty as well. Customs duty is normally calculated as a percentage of the full value of the goods including the cost of postage, packaging and insurance. VAT, customs duty and excise duty are always charged on excisable products (such as alcohol, tobacco and perfume) from outside the EU, whatever their value.

All packages received from outside of the EU require a customs declaration, which is usually completed by the sender. The declaration should include a description of the goods, the value and whether they are gifts or commercial items. Some websites offer to undervalue your goods to avoid import charges. This is illegal. You, as the importer of the goods, are responsible for ensuring that the information provided is accurate and that all duties and taxes are paid. Some websites may also promise delivery from within the EU, which would eliminate any import charges, but are in fact shipping their products from outside the EU. If this is the case, you are liable to duties and VAT.

WHEN A RELATIONSHIP BREAKS UP

The ending of a relationship can be a very painful time – whether you are the one who has ended the relationship or not. It may have come as a great shock – which can be very upsetting. Even if it had been coming for a while, the grief that accompanies a break up can be devastating. Following a break up we may feel overwhelmed with feelings of loss, grief, anxiety, loneliness, guilt and sadness and it may feel as if our lives will never be the same again. We may find that we have one good day, only to feel flooded with sorrow the next. This is very natural and part of the grieving process. If we were the one to end the relationship we may experience feelings of guilt, loneliness, sadness and/or relief. Whatever you are feeling, it is important to allow yourself time to grieve. Healthy grieving means experiencing our feelings, whatever they may be. Gradually we come to accept the loss and re-adjust to a life without that person. It can be difficult to move that person from being at the centre of your life to somewhere peripheral. This is made all the more challenging if you have children together or work in the same office. Minimal contact – however tough – is advisable.

At times grief can feel like a physical pain – so working with our body can help to release the sadness. Gentle movements such as stretching, walking dancing, yoga, massage or tai chi can all help our mind and body to express our grief.

Although your grief may feel very intense it will change over time. It is important to remind yourself that the heartbreak will heal. Gradually you will begin to notice that you're not checking your phone as much anymore, you have a night out where the sadness isn't present or you're not crying all the time. It is vital to notice these changes – as no matter how small they may seem – they signal change and herald a new beginning.

Grief can be a very isolating experience, so it is important to seek support and reach out to others. You may choose to talk to friends or consider speaking to a counsellor to help you through this time. Remember you don't have to go through this alone. Other great sources of support include spending time with family, walks in nature, pets, reading a good book, watching a movie or going to the gym.

GARDENING OUTLOOK

with John O'Sullivan

FOCUS ON PRUNING APPLE TREES

Apple trees should be pruned every winter if you want a good crop of fruit the following season. If you don't prune your apple trees every year, they can become congested with a lot of old branches and don't produce as much fruit as it would when pruned.

It is not a very difficult job to prune an apple tree. All you need to remember is that you want to create an open centre with about half a dozen main branches. You should prune your apple trees when they are dormant, that is between November and early March.

When you start pruning your apple trees always use a sharp pair of secateurs, loppers or pruning saw.

The point branches to start are those that are diseased, dead or damaged, then start by pruning those that are crossing each other.

Try to remember to keep the centre of the tree open even if you have to remove large branches.

4 SIGNS THAT FOOD IS ALREADY GONE BAD

*Bad potatoes are known to contain a toxin that's intended to ward off pests, but can also be harmful to humans. If your potato is green, get rid of it! Otherwise, you'll risk digestive problems and they could even lead to issues with your nervous system.

*Mouldy bread: When it's only partially mouldy, it can be tempting to just scrape it off, but don't! Recent research conducted showed that the bacteria and toxins potentially carried by bread mould can cause an upset stomach and food poisoning.

*Bad eggs can give you an upset stomach or even salmonella. To check, when you crack one open, the whites and the yolk should remain nicely separated.

*If canned goods are past their expiration date, don't risk it, especially if the can is bent or swollen. Such expired products are known to cause botulism.

WONDEFUL NEWS FOR GIRLS IN INDIA

India's top court has ruled that sex with a child is always rape, quashing a clause that allowed men to have sex with underage girls if they were married to them. The Supreme Court's landmark decision closed a legal loophole that

has historically allowed perpetrators of rape to escape punishment.

While the age of consent in India is 18, there was a clause in India's rape laws that lowered the age of consent to 15 if the girl was married. But the court has now ruled that the clause is "discriminatory, capricious, and arbitrary", and "violates the bodily integrity of the girl child". Girls under 18 will now be able to report their husbands for rape, as long as they lodge a complaint within a year of it happening. Girls are often seen as an economic burden, particularly in poor, rural areas, and many parents marry off their children in the hope of improving their financial security, there is also a shame associated with pre-marital sex that can lead to girls' parents forcing them to marry their rapists.

India is ranked 10th in the world for child marriage, with an estimated 47% of girls married by the time they turn 18 but hopefully this is the first step on the road to outlawing child marriage.

BURNING IS NOT THE BEST WAY TO GET RID OF CANNABIS:

An entire neighbourhood accidentally got

high after police burned 3.3 tonnes of seized cannabis in West Jakarta, Indonesia, recently.

The smoke spread to nearby homes where locals suffered dizziness and headaches.

The police themselves anticipated the powerful fumes and protected themselves by putting on gas masks as they set fire to the drugs.

GREAT BRITAIN IS TAKING ANOTHER STEP TO END THE IVORY TRADE

Great Britain has already introduced a ban on the trade in raw ivory tusks and now new regulations propose the prohibition of sale and export of almost all items made out of ivory but there will be some exemptions - for musical instruments, items of historic, artistic, or cultural value, items with a small proportion of ivory, and for sales between museums.

Great Britain is currently the world's leading exporter of legal ivory carvings and antiques, according to an Environmental Investigation Agency report, more than 36,000 ivory items have been exported from GB between 2010 and 2015 - more than three times the number distributed by the next biggest exporter, the U.S. These sales stimulate the demand for ivory products, conservationists point out - and so, cause increased elephant poaching in Africa. The British Government states that the new proposals are driven by concern for the 20,000 elephants killed every year by poachers and draft legislation covering the ban is likely to be ready in the New Year.

THE BILLIONAIRE CENSUS:

Mainland China produced the most new billionaires at 76, with America coming in at second with 25.

The top 3 are Bill Gates, Microsoft, USA - \$86 Billion USD. 2. Warren Buffett, Berkshire Hathaway, (an American multinational conglomerate holding company) \$75.6 Billion USD. 3. Jeff Bezos, Amazon.com, USA - \$72.8 Billion USD.

SOMETIMES IT'S BETTER NOT TO BE TOO CURIOUS

a curious visitor popped in to the International Spy Museum in Washington, D.C. recently and approached the touch activated Virtual Shark Tank, reached out to touch the glass and when nothing appeared to be happening he repeated the movement over and over again. The lack of immediate results left the man completely unprepared for what came next, when a giant (simulated) shark appeared out of nowhere and proceeded to break the virtual glass of the virtual tank. The unsuspecting visitor was so surprised that he fell onto the floor in shock.

FRANCE TO BAN ALL FOSSIL FUEL POWERED CARS BY 2040:

France has set a target date for 2040 to get rid of all cars dependent on fossil fuels and in order

to make that deadline, large cities will have to make the transition even sooner.

Paris authorities plan to ban all petrol and diesel-fuelled cars from the city and introduce electric vehicles. The ban is set to come into effect by the year 2030 but will not bother most citizens of the city as not many Parisians own cars but rather rely on the extensive public transport systems or use bike, scooter, and hybrid engine car rental networks.

SEA TURTLE RECOVERING AFTER SWALLOWING 4 FEET OF FISHING LINE

An endangered Kemp's ridley sea turtle with monofilament fishing line wrapped around its head and mouth, and embedded in one of her flippers was pulled from a shipping channel near Charleston, S.C., by a South Carolina Department of Natural Resources crew that was there doing a random sampling of marine life.

After the turtle was transported to the South Carolina Aquarium's Sea Turtle Care Centre, an endoscopy showed she had also swallowed four feet of fishing line, the end of which was stuck in her intestine. The turtle, who the staff named Peach, was dying and may not have survived another week, South Carolina Aquarium veterinarian Dr. Shane Boylan said. To access the fishing line, Mr. Boylan had to make an incision in Peach's groin area, then reach in and grasp part of her intestine and cut through a knot, he then successfully pulled out foot after foot of monofilament.

After spending a few months recovering, Peach was tagged with a satellite transmitter and released on a beach on October 9th and will help with the research project studying the winter migration of these turtles in South Carolina coastal waters.

Fishing line is even deadlier for turtles than fishing hooks, it can actually get so tight the flipper can no longer get blood supply and eventually will cause an amputation, or the line can be swallowed by the animal and once it's swallowed it causes gut impaction, the animal can no longer forage and move food through its digestive system and starve to death.

CHARITY TREKKER DISCOVERED MOUNT KILIMANJARO IS NOT IN WALES

Mount Kilimanjaro is not in Wales and never

has been. But 51 year old Nikki Barnett from Warwickshire in England didn't know that when she signed up for a charity climb to the summit. Nikki, who works as an energy consultant, said she signed up after being sent an email with 'a picture of a mountain' and a message saying it would be the adventure of a lifetime.

"I just thought it was a mountain," she said. "I'm not being funny, but I've always struggled with the pronunciation of names in Wales, so I thought that's where it was.

Nikki only realised her mistake when a neighbour mentioned that Kilimanjaro is the tallest mountain on the African continent and when she investigated further discovered it is 4,000 miles away from Wales.

Despite the mix-up, however, Nikki and her 24-year-old daughter took on the challenge and funded the entire costs of the trip themselves in an effort to raise funds for the Myton Hospice in Coventry which had cared for her late sister.

TEEN BOYS FILMED GIVING DUVET TO HOMELESS MAN AND TUCKING HIM IN:

Last December, Szymon, Wojtek, and Marcin were wandering down a street in Nysa – a city in southern Poland – when they stumbled upon a homeless man.

When the youths asked how they could help the stranger, he asked for a blanket to help keep himself warm on the park bench.

The trio then started searching all over town for a blanket until they eventually found someone who was throwing out old furniture. On top of an old couch was a clean duvet and pillow.

Szymon, Wojtek, and Marcin were then caught on CCTV footage walking back to the homeless man, gently covering him with the blanket, and tucking him in on the park bench.

After security workers saw the footage they spread the word and the boys were invited to the mayor's office so they could be recognised and rewarded for their good deed.

The Nysa city office also says that the man from the video is no longer homeless.

STREET DOG UNINVITED GUEST AT WEDDING:

Weddings can take a lot of planning. But despite all the planning in the world, you still might end up with a few surprises on the big

day. It might rain. Or an unexpected guest might show up. Both of those things happened to a couple in Brazil and they ended up with a new family member.

Marília Pieroni and Matheus Martins of São Paulo, Brazil, had been planning their wedding for about two years, when the day finally arrived, it began to pour. Guests took cover under a large tent to wait for the ceremony to begin, including a four-legged one with muddy paws who was not on the guest list.

A street dog had crashed the wedding, but guests were able to shoo him away before he caused any trouble.

Just as the bride's music began to play, the same dog appeared, he was removed again and the ceremony continued. But shortly after, as the couple were saying their vows, he showed up a third time and plopped himself down on Marília's long veil.

The bride was not angry, but rather quite the opposite. "It was a very pleasant surprise for me, because I love animals," she said. "I liked it very much."

The dog was allowed to stay for the rest of evening. At the end of the reception, Marília and Matheus looked for their four-legged party crasher, but they couldn't find him. He had disappeared at some point during the celebration. The newlyweds couldn't bear to think of him living on the streets, so they set out to find him and make him an official part of their new family. They tracked him down on Oct. 10th, after receiving a call from a woman who knew his whereabouts.

Now the dog, whom they named Snoop is adapting very well to his new routine" Marília said. "He is very playful, needy and caring. We are so happy with him."

Now, the couple hopes their story will inspire others to adopt as well. "Here in Brazil, we have so many abandoned animals living in the street," Marília explained "We want to make an appeal to people to not buy animals and to adopt them instead."

PORTABLE ROLL-UP SOLAR PANELS:

A mat rolled out in minutes that can give residents the power they need to get by is supplying power to everyone living on Flat Holm Island off the coast of Cardiff.

The system is called Rapid Roll and the solar panels are laid out like a carpet on the ground, taking about two minutes and can provide an average of 11KW of power, a much larger version rolls out solar power from a shipping container in less than an hour for 300 kW of power and a 4x4's trailer can hold enough solar panelling to power a 120-bed mobile clinic.

It's hoped the project will meet electricity needs in times of natural disasters in every part of the world..

The spooling system also includes an electric or electro-hydraulic drive system (along with manual backup) which enables the solar field to also be stowed away within a few minutes so that if a very severe storm/hurricane is forecast, the solar field can be stowed away in advance of the storm. The panels have a life span of 10 years.

TOP TIPS FOR HEATING YOUR HOME THIS WINTER WITHOUT COSTING THE EARTH

With the shorter evenings coming in, heralding darker and colder days, the SEAI are urging home owners to get winter ready. Home heating typically accounts for about two thirds of annual household energy bills, with most of the costs occurring during the winter months. The Sustainable Energy Authority of Ireland (SEAI) has ten top tips to stay warm and save money on your energy bills this winter. Reducing the amount of energy you use in your home saves you money, lowers your carbon footprint and contributes to a cleaner, healthier environment.

1. 20 degrees Celsius is an ideal temperature for the living areas in a home. Lowering your thermostat by just 1°C could knock up to 10% off your heating bill, saving around €150 in a typical family home.
2. Get your boiler serviced annually to ensure safe and efficient operation. It could save you a further €150, which should cover the costs.
3. Use the 30 minute rule in cold weather:
4. In the morning, set your heating to come on 30 minutes before you wake up and go off 30 minutes before you leave for work.
5. In the evening set it to come on for 30 minutes before you are due home and off 30 minutes before you go to bed.
6. If only one room needs heating, such as a home office, use a space or portable heater instead of the central heating. For free standing heaters, choose ones with thermostat controls and timers for more efficient heating.
7. While open fires look beautiful, they are a real waste of energy with more than 75% of energy

going up the chimney. They are also damaging to air quality, so choose a more energy efficient option.

8. Don't overheat unused rooms. If they are going to be unoccupied for long periods, turn down the thermostat or valve on the radiators but keep a small trickle of heating going. This will help to reduce the risk of condensation.

9. If you are leaving the house unoccupied for an extended period, set the timer and thermostat to allow for a low level of heating each day. This will help to reduce the risk of frost damage.

10. Much of the heat loss from a house goes through the windows, particularly if they are

single-glazed. Keep curtains closed at night and ensure they hang behind radiators.

11. Insulating your attic and walls could save you 30-40% on your home heating bill. Grants for wall and roof insulation, as well as home heating upgrades, are available from SEAI with quick online approval available. Visit www.seai.ie/homeenergygrants

12. Remote heating controls allow you to turn on and off your heating from your phone, tablet or computer and are really useful if you work irregular hours.

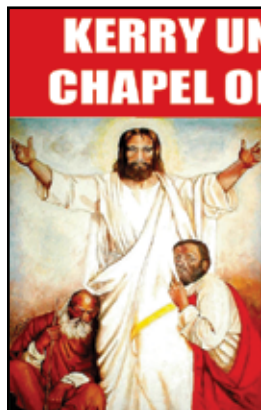

For more energy saving tips and advice, visit www.seai.ie

A WORD OF VICTORY

Welcome back dear reader Mathew 6:22 says "the eye is the lamp of the body". What we see and take in everyday from Media and TV can bring fear or fearlessness. There is a battle on for the minds of people. Jesus warns us to be careful and take heed of what we hear (Mark 4:24; Luke 8:18). What is at stake is hope or hopelessness. The news today predicted that with people living longer and the population increasing they expect that the health service will be under huge pressure by the year 2030. This, coupled with daily reports of so many people waiting on trolleys is aimed at striking terror into the hearts of those watching so that people in this year of 2017, are being conditioned to worry about something that may happen in 2030! These wild predictions can bring stress and anxiety on those listening. They are being made by people who do not know God, unsaved so-called experts bringing worry about the future. But the Lord says 'not to worry about tomorrow' and 'which of you by worrying can add a single cubit to your life?' (Mathew 6:25-34) It's a futile exercise. People are being driven to worry by what's coming across in news and media reports, and, as one gets caught up in this they spread their fears on to others. Depression and anxiety sends the unaware running for the chemist shop for remedies that can never heal these conditions. The only answer is finding a Bible believing church where the Word of God is taught without compromise. "Know the truth and the truth will set you free" is so true (John 8:32). We have seen many people delivered from prescription drug dependencies (which had never set them free), and those same people today live released from reliance on these concoctions. I speak from personal experience, having spent thirteen years on these types of medicines, but when I was introduced to the Word of God I began to meditate on the Word, and I did what the Word said to do and the Lord rescued me. (James 1:22; Joshua 1:8) I know what it's like to be bound through panic and oppression, and I also know what it feels like to be free. A great majority of the population are taking these medicines trying to deal with stress and worry, but friend, there is a better way. It's the only way — Jesus said "I am the Way" and there is where the answer lies to all your problems (John 14:6; Psalm 34). Be of good cheer! More next week...

PRAYER TO THE VIRGIN MARY

NEVER KNOWN TO FAIL

O Most Beautiful Flower of Mount Carmel, Fruitful Vine, Splendour of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in this my necessity. O Star of the Sea, help me and show me herein you are my Mother. O Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succour me in this necessity. There are none, that can withstand your power. Oh Mary conceived without sin, pray for us who have recourse to thee (3 times). Holy Mary, I place this cause in your hands, three times. Thank you for your mercy to me and mine. This prayer must be said for three days and after that the request will be granted and the prayer must be published immediately. Thank you for favours received. Thanks to the universe for everything.

NOVENA TO THE SACRED HEART

You have said O'Divine
 Jesus ask and you shall receive, seek and you shall find, knock and the door shall be opened to you. Relying on these promises I come with confidence during the novena to beg of you the favours that I need (make request). From whom shall I ask, Lord Jesus, if not from you whose heart is an unfailing source of graces and merits. Most loving heart of my God I believe in your power, I believe in your knowledge, I believe in your personal love for me and therefore O Sacred Heart of Jesus I place all my trust in you. Our Father, Hail Mary and Glory. Say 3 times for 3 days and request will be granted. Never known to fail. Must publish. **M.M**

The Saint of Miracles O holy St. Anthony, gentlest of saints, your love for God and charity for your neighbour made you worthy when on earth to possess miraculous powers.
