Talent runs in Killarney Playwright's family

JESSICA LEEN

It seems talent runs in the family as playwright and actor, Jessica Leen, niece of Killarney's own Donal Courtney, has been invited to bring her show *Two Of Clubs* to Listowel Writer's Week 2018. Donal Courtney is of course known for his one man play based on the life story of Monsignor Hugh O'Flaherty, *God Has No Country*. There is a history of writing and theatre in the family with her great grandfather Jeremiah Kelleher involved in Killarney Tops of the Town. Jessica is based in Dublin but originally from Killarney, although she was brought up

Killarney Gardaí are preparing for a busy bank holiday weekend which sees the International Rally of the Lakes commence in Killarney today Friday 4th May and continues until Monday the 7th May 2018. This event is incorporated into the May Bank Holiday Weekend Festivities and has proved to be an exceptionally busy weekend for the town of Killarney and the surrounding area.

The competition side of the rally is staged over two days. Eight stages on Saturday from 7am in the morning to 5.50pm in the evening, and a further eight stages on Sunday starting at 7am and concluding on the Ceremonial Grand Stand at The Gleneagle Hotel at 5pm.

Full details of Road Closures are available on www.garda.ie Speaking at Killarney Garda Station this week, Sgt Dermot O Connell told The Killarney Outlook "The Rally Weekend creates a significant increase in policing demands for An Garda

Sióchána. The massive influx of rally supporters, competitors and regular holiday weekenders to the Killarney area is estimated to be in the regions of 60,000 visitors. The entire weekend is there to be enjoyed by the whole family and that is exactly what we want to see, people enjoying themselves'. 'This year's Policing Operation has built on the success of recent years; it sets out the plan of action to deal effectively with all of these policing needs that have been identified following consultation with the many stakeholders. There will be numerous checkpoints set up over the weekend as well as increased high visibility patrols in the Killarney area. Any anti-social behaviour, public drinking or reckless behaviour on the roads will not be tolerated. We are asking anyone who is attending the Rally this weekend to park up the car for the evening if you are having a drink and remember that you may still be over the limit the morning after a night out.'

in Cork, all her roots are Kerry with her mother a Courtney from Ardshanavooley and her father a Leen from Park Road. Jessica may be a Cork woman by place of birth but "I sport a Kerry jersey every year for the All Ireland!" she told the Killarney Outlook. She staged her debut play, *Two Of Clubs*, an immersive piece of jazz influenced theatre, last December for two weeks at Theatre Upstairs to rave reviews including one from Emer O'Kelly (The Sunday Independent) "Leen has an impressive emotional range as Polly, and performing her own jazz score she displays a fairly

dazzling voice". Jessica composed a full original score to this play, alongside acclaimed Irish musicians Tiz McNamara and Dylan Howe. The scene is set in 1938 and as war comes calling so do her dreams. Choosing to fight her own battles, Polly leaves Cork behind for New York. But will the non-conventional route be make or break for the Douglas girl? Listowel Writer's Week runs from 30 May until 3 June see www.writersweek.ie for events programme.

THE FIVE SPECIAL OLYMPICS CLUBS OF KERRY WERE ALSO PRESENTED WITH THE LAOCHRA CHIARRAÍ 2018 AWARD ON THE NIGHT BY THE PRESIDENT OF THE KERRY ASSOCIATION IN DUBLIN, CHRISTY MCCARTHY

It was some weekend for Colm Cooper who not only won another another Kerry senior football club championship medal on Sunday as on Friday night he was presented with the 2018 Kerry Person of the Year Award on Friday night in Dublin.

Oiche Chiarraí 2018, the flagship event in the annual calendar of the Kerry Association in Dublin, took place on Friday, 27 April 2018 in the Ballsbridge Hotel in Dublin. The Kerry Person of the Year award, now in its thirty ninth year, recognises an individual who has shown leadership, brought honour to the county, and performed services for the county to such an extent that could be described as being beyond the norm of everyday life.

This award is based on nominations by the public and the final selection is made by the Kerry Association committee. It is something particularly special to the winners that it is an honour bestowed on them, by their own people, the people of Kerry.

During her tribute to Colm Cooper, Kerry Association Chairperson Keelin Kissane, noted that the award was presented in recognition of the enormous contribution he has made to Kerry and for the joy, honour and pride that he has brought to the county by his exceptional ability and humility and good grace on and off the field. He is one of the most admired figures in the history of the GAA and has provided us with many moments of magic.

A large crowd of Colm's family and friends from Killarney and beyond were in attendance on the night.

"The Committee of the Kerry Association in Dublin would like to thank all of those attended, our long-time sponsor, Kerry Group, Dingle Distillery who provided the lovely Dingle Gin reception on the night, and all those who contributed raffle prizes. All raffle proceeds will be shared between the Special Olympics Clubs of Kerry and Colm Cooper's nominated charity, the Kerry Parents and Friends", Kerry Association Chairperson Keelin Kissane said.

The five Special Olympics clubs of Kerry were also presented with the Laochra Chiarraí 2018 award on the night by the President of the Kerry Association in Dublin,

Christy McCarthy, while legendary GAA footballer, Colm Cooper, was presented with the 2018 Kerry Person of the Year award by Keelin Kissane, Chairperson of the Association.

On the night, President Christy McCarthy led a round of applause in tribute to the 2017 Kerry Person of the Year, Kerry hospice fundraiser, Ted Moynihan, who sadly passed away in February.

The Laochra Chiarraí Award was introduced just over three years ago, recognises exemplary leadership in community activity in the county.

The Special Olympics Clubs of Kerry, which comprise Kerry Stars, Tralee Together, Skellig Stars, North Kerry Eagles, and the Kerry Fairways Golf Society received the 2018 Laochra Chiarraí award in recognition of their tireless and valuable work in enabling those in our community with an intellectual disability to achieve and win, not only in sport, but also in life.

A great crowd of athletes, parents and volunteers were in attendance on the night.

Death of a legend... Paudie O'Connor passes away in Las Vegas

THE THREE O'CONNOR BROTHERS WHO PLAYED TOGETHER ON THE KERRY SENIOR BASKETBALL TEAM THAT DEFEATED CORK IN THE 1974 MUNSTER FINAL IN THE PAROCHIAL HALL CORK. FROM LEFT ARE SEAMIE, PAUDIE AND MIKE O'CONNOR. PICTURE: LOUIS MACMONAGLE

THE LATE PAUDIE O'CONNOR (LEFT) WITH HIS BROTHER SEAMIE AND LIFELONG FRIEND JOHN KEOGH (RIGHT) ON A LAS VEGAS GOLF COURSE LAST YEAR.

Shock and sadness greeted the unexpected death of Killarney Basketball legend Paudie O'Connor in Las Vegas this week. **Eamonn Keogh** looks back at the sporting career of a man who has been described as the greatest Irish basketball player of all time.

1951 was a momentous year for Killarney basketball. Local historians recall that the very first game of basketball took place in November of that year in the old Killarney Town Hall featuring the likes of Eamon O'Donoghue, Ben Campion, Johnny Culloty and Paddy Culligan. September 1951 was also a very significant month that year which marked the birth of Paudie O'Connor, a basketball player who went on to revolutionise the game in Ireland and set high standards for everybody else to follow.

The son of Dan and Mai O'Connor, Paudie grew up at No. 1 O'Sullivan's Place, Killarney.

Former neighbour and friend Weeshie Fogarty recalls an interesting story about the small green area in the neighbourhood with one timber telegraph pole in the centre where Paudie and his brothers Seamie, Mike and Benny erected a hoop on the pole. Paudie climbed on top of his brother Seamie's shoulders and attached the hoop to the pole and it was there that he honed and polished his amazing shooting and scoring skills. Facilities improved when St. Mary's Parish Hall opened with a proper indoor basketball hall and a young Paudie O'Connor soon emerged as the most exciting talent on the Killarney and Kerry basketball circuit during the 1960s. In his late teens and early twenties Paudie spent his summers in the USA

attending basketball camps under the guidance of former NBA player 'Pistol' Pete Maravich and American coaching legend Dean Smith.

Paudie won various county championships with the Busby Babes in the late 1960s while in 1969 he starred for the he Kerry Senior and minor Basketball teams that won All-Ireland titles.

Following Paudie's death this week, Seamie O'Connor recalled some of his proudest moments playing alongside his brother on the basketball court. One was on a St. Vincent's Killarney team that defied all the odds to beat a star studded US Navy team at a tournament in Sligo in 1972. Killarney were led Lawrence O'Donoghue (RIP), Sean Coleman (RIP), Paudie and Seamie O'Connor, Billy Healy, Tom Looney, Tim Regan, Rory O'Flaherty and James O'Connor. Another fond memory that Seamie recalled was when the Kerry senior basketball team defeated Cork in the 1974 Munster final in The Parochial Hall with three O'Connor brothers lining out for Kerry. The late Cork Examiner photographer and Killarney native Louis MacMonagle captured the historic photo after the match of Seamie, Paudie and Mike O'Connor.

In Irish basketball circles, Paudie O'Connor is best remembered for leading the Killarney initiative that brought the first professional American players to play in the national league.

By this time Killarney were playing their home games under the Gleneagle banner in the new St. Brendan's Gym and were also participating in the Federation Cup, a competition for British and Irish clubs. Crowds of 800 people squeezed into St. Brendan's at the time to see Killarney dominate and

bring Irish basketball to a new level in the early 1980s.

With other teams following the lead set by Paudie and investing heavily to recruit top quality American players, Killarney's dominance at the top was challenged and began to decline in the mid 80s. Paudie retired in 1986 and moved to the USA shortly afterwards with his American born wife Marty and daughter Morgan.

A few years in New York was followed by a move to Las Vegas where Paudie set up O'Connor Golf Tourism bringing high profile tours to Ireland and to Scotland every year including Basketball legend Michael Jordan.

Paudie never lost touch with Killarney returning home once or twice every year. His brother Seamie confirmed that he was due to return again in the next few weeks. During their regular phone conversations Paudie loved to hear the sporting news from Killarney, particularly the exploits of Dr Crokes and Kerry while he also had a keen interest in the fortunes of Scotts Lakers, who were captained by his nephew Philip this season.

Outside his sporting interests, Paudie was also well known in Killarney as the youngest ever Mayor and member of Killarney Urban District Council and was also a member of Kerry County Council.

Paudie O'Connor's funeral is due to take place in Las Vegas on Monday May 7th. A memorial service will take place in Killarney at a later date. Predeceased by his parents Mai (1987) and Dan (2001) and brother Benny (2009), Paudie is survived by his daughter Morgan O'Connor Marro and her mother Marty, brothers Seamie and Mike, grandson Luciano, son-in-law Marcello Mauro, sisters-in-law Fidelma and Peggy and nephews Patrick, Richard and Philip O'Connor.

Barraduff Pupils donate Confirmation Money to the Irish Cancer Society

The pupils in Fifth and Sixth class in Barraduff National School donated a total of €165.25 from their Confirmation money to the Irish Cancer Society. Mr Michéal Ó Cinnéide from the Irish Cancer Society gratefully accepted the donation from the pupils on Friday last, while also informing them of the good work that the society carries out. The pupils chose the Irish Cancer Society as it was a charity that continues to help those who are ill and are most in need. A delighted and appreciative Mr Ó Cinnéide thanked the children of Barraduff National School for their kind and generous gesture.

MONEY MATTERS.....

WHY SHOULD YOU REVIEW YOUR PENSION?

As you have probably seen or read in the news recently pensions are being discussed very often. This shows how important pensions are, so if you have a pension it is very important that that you review your pension regularly. You may or may not be contributing to your pension anymore but it still needs to be reviewed. You need to know what kind of pension you have and what funds your pension is invested in. Your pension could be invested in very high risk funds which means that the value of your pension could substantially decrease or substantially increase over a very short period of time. You also need to look at the fees and charges associated with your pension, there may be more competitive options available to you where the fees and charges are less. If you do not review your pension you will not know if your pension is increasing or decreasing in value or if your pension is on track to get you the income you need at retirement. So whether you are currently contributing to a pension or have a pension that you paid into in the past it is very important that your pension is reviewed by a pension advisor regularly.

To discuss this or any other financial matter you can contact Dermot Cronin QFA APA at 0646622775 or dermotcroninifa@gmail.com

Following on from the success of two sellout nights at Cinema Killarney in aid of the Louise Lynch fund, the Oskars by Glenflesk and Killcummin GAA Clubs launched their DVD on Friday night last in the Corner Bar, Barradubh. A large gathering of cast members brought the two clubs together on a weekend that saw Kilcummin and Glenflesk senior teams secure a place against each other in the Intermediate Club

Championship Final. No one could have written this script!

While both teams prepare for their showdown on Sunday next, parishioners are eagerly getting their hands on their copy of the Oskars by Glenflesk and Kilcummin GAA Clubs DVD containing the 7 films shown on the night. DVDs cost €10 and are available now from Kilcummin Post Office, Denis O'Brien's shop in Glenflesk, the Corner Bar in

Barradubh and from committee members. Be sure to get your copy before they sell out.

"After 6 months of building connections between the two clubs, we will have to park that rapport temporarily at 4pm on Sunday next when the battle to be crowned Intermediate Champions commences", Niamh Dwyer told the Killarney Outlook.

May the best team win!

Ready get set go ... to the Expo

As nearly 140 exhibitors prepare for this year's Kerry EXPO, it promises to be bigger than ever!

Many exhibitors are designing their marketing activities, creating advertising campaigns and listing their offerings for this mega event of the year. While larger companies aim to develop their Employee Brand, they also take the opportunity to engage in a one day event that brings together the broader business and local community.

SME's and start-up companies will no doubt concentrate on selling their products or promoting their services, in a bid to develop further awareness around their own business brand. Educational institutions will market their educational & upskilling courses, while financial institutions, state and semi state bodies will also be available to deliver information on the services they provide. In addition, a number of recruitment companies and employers will be actively recruiting.

According to the Liz Maher "The EXPO creates a space where companies can turn an influx of visitors and into evangelists for their brand and indeed for Kerry. The idea is simple

"Kerry residents promoting and supporting Kerry based companies". We hope that everyone will come out and support the event on May 13th and as part of celebrating business with the people who live, work and study here. We have scheduled a whole host of family entertainment, so there's something for everyone and for all ages to enjoy. It's important to remember that as well as using local services or purchasing local products, it's equally important for Kerry residents to have a positive understanding of the wealth of amazing companies, organisations and institutions that operate throughout the county. This event also sets out to attract and lure additional industry and potential career changers across the county bounds, by positioning Kerry as one of the best places to live and work. We truly believe that this is a fundamental ingredient to drive growth and develop a healthy local economy for our future".

This year we are encouraging exhibitors to roll out the red carpet, ramp up targeted social media campaigns and launch special promotions that give expo visitors a reason to sample their products or

take an interest in the services they offer. It is important that exhibitors should build word-of-mouth and social media buzz among first-time customers and expo visitors and in-turn create memorable experiences", says Elin Sorensen of GHQ Design. Organisers say that a number of firms are focusing their attention on creating a corporate culture where employees become more engaged with the corporate brand and in turn develop a greater pride of workplace. Fred McDonogh, Director of Redchair Recruitment stated that "Business/Community events such as the Kerry EXPO can in fact bring employees together in a different light, where they get to know one another better when interacting outside of the workplace".

We ask residents across Kerry to visit the EXPO and support the growth of our county. Entrance to the event is FREE of CHARGE. In addition there will be lots of free fun and entertainment. Special bus services are available from various parts of the county to the INEC in Killarney on May 13th. There will be park and ride facilities around the INEC and bus routes and schedules are available on kerryexpo.ie.

New chapter begins at the 5 Star Dunloe Hotel & Gardens

The five-star Dunloe Hotel & Gardens, located close to one of Ireland's most iconic tourist destinations, the Gap of Dunloe, officially opened its doors last Friday after undergoing a stunning 18-month renovation of the restaurant, bar, reception, lobby and lounge spaces as well as the enhancement of the gardens and carpark.

A substantial €18million investment by the hotel's owners the Liebherr family, has brought new life to the hotel, enhancing its long-standing relationship with the beautiful surroundings and maximising the property's unrivalled views of the Gap of Dunloe. The Liebherr family has been at the forefront of tourism and manufacturing industries in Killarney and the surrounding areas for over 60 years, employing 1,000 people across the country. Tánaiste Simon Coveney TD, Minister for Foreign Affairs & Trade, joined Dr. Isolde Liebherr to celebrate and

welcome the reopening of this magnificent 5-star hotel.

Speaking at the official re-opening, Tánaiste Simon Coveney TD said, "It is my great pleasure to open a new jewel for tourists in Ireland, in a place that is one of the jewels in the crown of our entire tourist industry. The Liebherr family's commitment to Ireland, with more than 1000 employees, is so important and appreciated. The rebirth of this hotel is a further sign of the Liebherrs' dedication". Local building contractors Griffin Brothers led the year and a half long renovation with the assistance of O'Carroll Engineering who implemented the building's steel works. At the height of the build, the site had over 160 people working across all areas, including Tralee company Designer Landscapes Ltd who, along with Head Gardener Dave Barry, updated the gardens and outdoor spaces using a beautiful collection of native and international flora and greenery

and finished with Kilkenny limestone. Speaking at the re-opening of the hotel, Managing Director of Killarney Hotels Ltd Michael Brennan said, "After an 18-month refurbishment and renovation we are delighted to be re-opening The Dunloe Hotel & Gardens. The Liebherr family has over the past 60 years continually re-invested in their hotels and the completion of this latest renovation project demonstrates once again their commitment to Killarney and the surrounding area. We look forward to showcasing the magnificent work that has been done here at The Dunloe Hotel & Gardens, which has enhanced the facilities we offer our guests and has increased employment within the hotel sector. The hotel has a rich history but in all its many years has never looked as good as it does now". 2018 marks the beginning of a new chapter in the story of The Dunloe Hotel & Gardens. A chapter that is a fitting foundation for the next half century.

Health and Safety Authority campaign to focus on vehicle and machinery safety

The Health and Safety Authority (HSA) will begin a two-week long intensive farm inspection campaign on Tuesday 8th May. Approximately 200 inspections are planned with the focus on safe working with vehicles and machinery.

Farm vehicles and machinery are the main cause of serious and fatal accidents on Irish farms. Over the last 10 years, half of all fatal farm accidents involved vehicles (30%) and machinery (20%). Farm vehicles are generally defined as tractors or quad bikes. In recent years there has been a sharp increase in the number of fatalities involving quad bikes, with 12 reported in the past 10 years (4 in 2017).

Most accidents with farm vehicles or machinery will involve at least one of the following; poor planning, operator error, lack of training and inadequate maintenance of vehicle or machine.

The key message during this

campaign is that preparation is the key to working safely, particularly during busy periods such as the silage season. This involves looking at the suitability of operators, the machinery and how the work is to be done.

On a practical level the HSA are asking farmers to consider the following;

- Are handbrakes or parking brakes working on all tractors and machinery?
- Are cabs and doors maintained in working order?

- Are tractor mirrors set and maintained correctly (not cracked or twisted)?

- Has the driver ever received formal driver training for tractor or quad bike use?

Pat Griffin, senior inspector for agriculture and forestry safety at the HSA says that good planning and control can prevent serious accidents and fatalities from occurring:

"All farmers should organise their work in a way that is efficient and safe. This means having rules in place in relation to who uses which vehicle or machine, establishing one way systems, safe routes within fields and in and out of gates, care when reversing and who is in overall charge of the work. The person in overall charge must be realistic about how much work can be done and how many hours operators can safely work."

For more information on safe working with farm vehicles or machinery visit www.hsa.ie

Killarney to Castleisland Road faces 3 month closure

Frequent Killarney motorists to Castleisland are to have their schedule disrupted for up to 3 months following an announcement that Kerry County Council will close the N23 Road for works on Dysert Bridge.

Kerry County Council will close the N23 road National Primary Road, in the townland of Clashganniv, Kilcow and Farran (ED Castleisland), between the junction of the N23 and the L2024 and the junction of the N23 and the L2025 from 7am on Thursday, 24th May 2018 to 6pm on Monday, 20th August 2018, both dates inclusive.

The purpose of the road closure is to avoid major interface between construction plant and road users (General Public) and to facilitate the replacement of Dysert Bridge [KY-N23005] and minor realignment of the N23 Castleisland to Farranfore Road at either side of Dysert Bridge. Concern was raised this week for the €800,000 project, not for the project but for the length of time the main road into Castleisland for mostly Killarney bound traffic would be closed and a number of councillors at the Killarney Municipal Meeting raised the matter.

Locally Patricia Walsh of Castleisland Chamber Alliance said, "We are cognisant of the dangerous bridge at Dysert and see the replacement of this bridge and the widening of the road as a major improvement to the area. Our issue is twofold firstly the lack of communication with Chamber or Castleisland businesses

DYSERT BRIDGE AHEAD OF ITS CLOSURE ON 24TH OF MAY. THE BRIDGE IS SET TO BE REPLACED OVER THE NEXT THREE MONTHS.

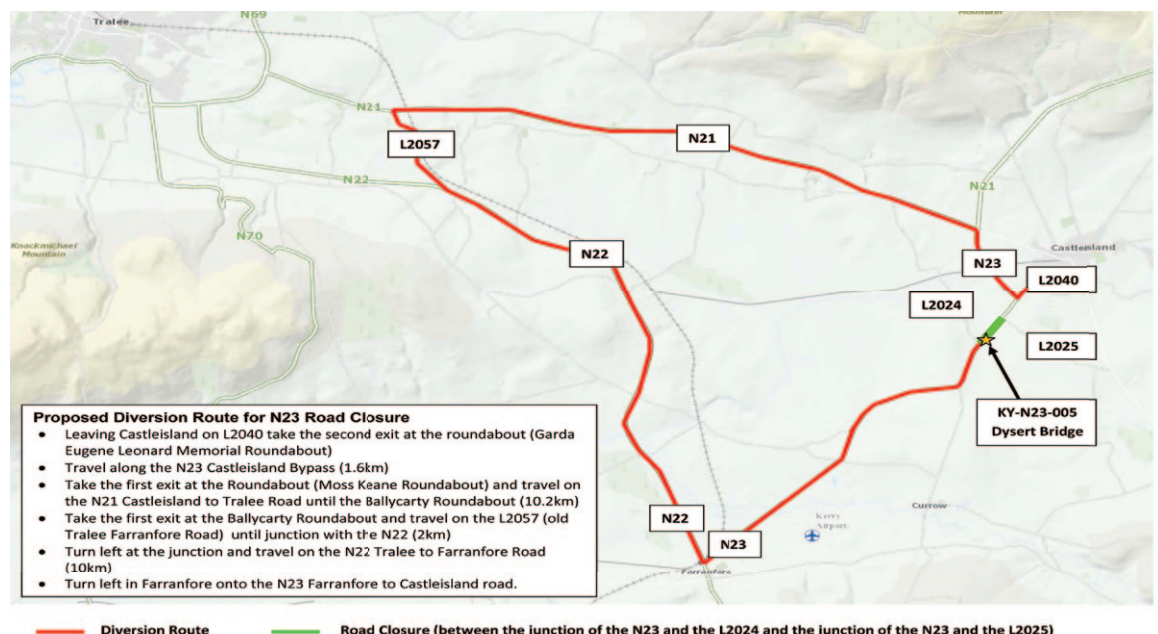

in relation to the closure of the road and secondly the length of time of the proposed closure. In an effort to explore the possibility of reducing the length of time the road shall remain closed we have requested that KCC meet with TII and the contractors to negotiate the possibility of looking at carrying out works out of hours. We will be meeting with KCC today (Friday) to discuss the outcome of that meeting".

Castleisland Councillor Bobby O'Connell said that "while the project is of course welcome, it is of vital importance that more dialogue between the council and the local businesses take place. I have organised a meeting on Friday morning between the local interests and I would hope that from this more would be known".

Speaking with the Outlook O'Connell added, that while the project is in the hands of the national agency TII and it will be them that ultimately decides if any concessions with regards alternative routes.

Senior Executive Engineer Paul Curry told the meeting that the investment would result in a key piece of infrastructure and said that while the road closure is a short-term pain but is a necessary evil to carry out the works quickly and expeditiously. Meanwhile speaking with the Outlook, Deputy Danny Healy Rae TD while welcoming the works outlined a concern for heavy good vehicles "I think some attempt would be made to open one lane of traffic, so heavy good vehicles would have to go all the way into Ballycarty roundabout. As this is going to add a considerable cost to people who are using it every day." Mr Curry promised that the Camp Rd, which will now see a lot of extra traffic on it, would get extra attention from the council staff to ensure the upkeep and maintenance of the road during this very busy period. A concern which was raised by residents along the road.

Use positive stress to motive yourself for the State Exams

(By Billy Ryle)

With the state exams now just five weeks away, candidates may become anxious about their performance. A level of anxiety is normal and focusses the mind on the challenge ahead. Almost all exam candidates, irrespective of how laid back they appear, feel nervous. It's the body's way of dealing with a stressful experience. How you deal with this nervous energy is the critical issue. If you channel it in a positive direction it will give you the vitality to cope with the demands of the exam.

A positive mental attitude is a considerable aid around exam time. Be confident in your ability to do well. Don't be discouraged by other students appearing to know more than you do. Aim to do perform to your own capability, not to compete with others. Make positive statements about yourself. Banish all negative thoughts from your mind. Think well of yourself and of your readiness to achieve success. Your best effort is more important than your ultimate performance in the exam. Determine to do your best, no more, no less.

Success is a product of positive thinking. By motivating yourself towards your goals, you will redouble your effort and improve your performance. Have items in your study environment to spur you on. Place a statement of your objectives, such as your target grades, in a conspicuous place. An occasional glance in their direction will encourage you.

Exam stress becomes newsworthy every year because of the assessment system used in the state exams. For the most part these exams are terminally assessed. In effect, two years of work is examined by means of written papers in June. Perhaps, not enough credit is given to the candidate for consistent work over the two years. Continuous assessment is not utilised

although project work is becoming a more important part of the exam structure. The major problem with the exam system is the increased level of stress it causes in some students around exam time. Despite all that is written about exam stress, students continue to show that they are excellent exam performers and use stress as a stimulant rather than an affliction.

The stress experienced by the majority of exam candidates is positive stress. It concentrates the mind wonderfully. You realise that the forthcoming exam is making increased demands of you. However, your application to study and revision provides you with the resources to meet these demands. Positive stress provides you with the motivation to prepare for the exam. It will sustain and stimulate this motivation until the exam is over. Properly controlled stress will activate hidden resources of energy and application in you. It's important to control the stress and channel it into positive energy.

It's only when you haven't the resources to meet the demands of the exam that distress or negative stress becomes an issue. Exam distress is a rare occurrence in young people and can easily be confused with normal exam anxiety. The present cohort of young people is highly skilled and well able to cope with the demands of the exam. Distress, when it does occur, is disruptive and may interfere with your performance if it isn't counteracted.

An effective way of managing distress is through utilising your social support network of people who care about you. If you need emotional support approach someone in whom you have confidence. That person may be a teacher, a parent or your guidance counsellor. All you need is the advice of someone who will put

the exam in perspective for you and who will help to boost your self-confidence. It all goes back to having a positive mental attitude and to realising that anxiety and stress should be channelled in your favour.

In the next article, I'll take a detailed look at physical preparation for the exams.

CAOIMHE SPILLANE

I hope everyone enjoys the May Bank Holiday weekend and hopefully we will see some more sun! I have a busy week ahead of me as I am launching a collection of short stories as my final year project in IT Tralee. The collection entitled *Touch of Pity* was written with fellow student Kevin

There will be an exhibition for the Creative Media Department 2018 entitled *Dimensions – New Horizons* at the Solas Building at IT Tralee. KILLARNEY GIRL SAYS YES TO THE DRESS

Episode two of *Say Yes to the Dress* aired this week and it was fantastic to see local girl Susan Ahern on our screens. Susan who is the daughter of Phil and Ted Ahern from Faha who is engaged to Derry O'Sullivan, was looking for a wedding dress for her winter wedding in December. Susan was looking for Franc's help in saying 'yes' to the dress while trying to stay within her budget. She was a natural on TV and wasn't too fussed about styles as long as it had sleeves and that it didn't go over her set budget of €800 – she has college fees to think about! If you missed the episode, you can catch it on the RTE Player. We wish Susan and Derry all the best planning for their big day!

MINDING FRANKIE

Maeve Binchy's Minding Frankie will be coming to Killarney this month. A review from The Irish Times said "With its gentle, involving nature and its warm comic performances, Minding Frankie draws applause and gasps throughout" Minding Frankie is a family love story by one of Ireland's most popular writers. Full of Maeve Binchy's trademark wisdom, warmth, and humour, the hugely popular novel has been adapted for the stage. Noel is struggling to be the best mother he can. Noel Lynch is struggling with an alcohol addiction, when he gets a call

from Stella, a girlfriend with whom he shared a drunken weekend. Stella is having Noel's child; she is also dying from cancer. Noel must raise their daughter, Frankie. Social worker, Moira Tierney, has other ideas, and is prepared to do battle for custody of the child. In order to prevail, Noel must prove that he can fill a woman's shoes, break all the stereotypes, and become the best mother than he can be. Along the way, he discovers that it takes a village to rear a child, or at least a street. It sounds like a very must for theatre lovers!

Know Your Rights: VOTING IN A REFERENDUM

QUESTION

How do I check if I can vote in the forthcoming referendum? If I'm not in Ireland on polling day, can I still vote?

ANSWER

To vote in a referendum, you must be an Irish citizen and be registered to vote. Every local authority is responsible for compiling and publishing a list of voters in its area. This is called the Register of Electors or the electoral register.

In general, Irish citizens living abroad cannot be entered on the Register of Electors and cannot vote in a referendum. The only exception to this is in the case of Irish officials on duty abroad (and their spouses) who may register on the postal voters list. If you are abroad on holiday on polling day, you cannot have a postal vote.

The current Register of Electors came into force on 15 February 2018. You can check if you are on the register at checktheregister.ie or at your local authority, Garda station, post office or public library.

If you are not on the register, you can apply to be added to the supplement to the register. You use Form RFA2, which is available online at checktheregister.ie or from your local authority, post office or public library. To be included in the supplement used at an election or referendum, your local authority must receive your application at least 15 days before polling day. Sundays, public holidays and Good Friday are not counted as days for this purpose.

Local authorities prepare a postal voters list as part of the electoral register. You can only apply for registration as a postal voter if you cannot vote at a polling station because of illness or disability, your occupation, being in prison, or if you are studying full-time in Ireland but away from the address where you are registered to vote.

You can apply to be added to the supplement to the postal voters list up to 22 days (excluding Sundays and public holidays) before polling day in a referendum. The application form for inclusion in the supplement to the postal voters list is available from your local authority or online at checktheregister.ie.

Further information is available from the Citizens Information Centre below.

Last week we looked at the many ways we can raise our self-esteem and begin to feel better about ourselves. We also identified how these patterns of low self-esteem can start very early in life – and thus it makes sense that we think about developing and promoting self-esteem in childhood. Parents and caregivers can promote positive self-esteem in their children by encouraging their children and making sure they feel loved, secure and competent.

Children who are scared to try new things and speak negatively about themselves may have low self-esteem. They tend to give up easily or wait for someone else to do the task for them. They can also be overly critical and easily disappointed in themselves. They tend to view temporary problems as permanent and can be pessimistic. In contrast, children with healthy self-esteem are comfortable in social settings and enjoy interacting with others. They enjoy working independently as well as interacting in groups. They work towards finding a solution when faced with a challenge and don't put themselves down. They are generally more optimistic and know their strengths and weaknesses.

To help build your child's confidence, encourage your child to take healthy risks. Allow them to take (age-appropriate) chances, make choices and take responsibility for them. When children make their own age-appropriate choices this empowers them and gives them a sense of control over their bodies.

Children also need opportunities to demonstrate their competence and feel that they make a valuable contribution. This can mean asking them to help out at home – by setting the table or dusting. Encouraging them to take on tasks that they show particular interest in is a great way to boost their confidence. Teach your child to set goals and take pride in their accomplishments. It is important to ensure that their goals are within reach and at an appropriate level for their ability. However, if your child tries and doesn't succeed, this is a fantastic opportunity for you as parent to help build their self-esteem. Let them know that no matter what the result, your love is unconditional. Encourage them to try and try again.

Overly praising a child is not the way to develop their self-esteem and confidence. Confidence comes from them trying, failing and trying again. If we tell them they are doing a 'terrific job' whatever they do, this confuses children and they learn not to trust their own instincts. However when praise is appropriate, specific and earned it is a valuable self-esteem builder.

OUTLOOK FASHION

Keep your eye cream and nail polish in the fridge.

The reason some eye creams are sold in tubes with metal tips is that the metal helps deflate puffy areas by cooling the skin, which theoretically constricts blood vessels. But you can get the same exact effect by just stashing any old eye cream in the refrigerator

TARE YOU CREATING A LIFE YOU WILL REMEMBER?

Imagine that it's your 85th Birthday and you are looking back on your life. Did you live a life that was true for you? Did you laugh more than you cried? Were you grateful for the wonder that each new day brought you? Did you share your love? Were you kind to others and also yourself? What will you remember most about your life when you are 85 years old? Was it a life you wanted?

The above questions help you to take stock of where you are right now and really look at if the life you're living is the life you want. As children, most of us are not taught how to live our lives in alignment with our thoughts. We're not told how to listen to our hearts and trust what we are feeling. And yet these things are the foundations to living and creating a life that supports you - a life that you love.

Get Clear!

One of the first things to do is to get really clear on your priorities. How do you want to feel every day of your life? Write down at least 5 emotions that you desire to feel every day. Then make a list of what kind of experiences or activities give you those feelings. For instance, if you want to feel happy every day then what kind of things make you feel happy? It might be spending more time with your family or going out in nature. You might love to dance or sing or maybe happiness is cooking your favourite meals. The key is to give yourself more of these things - even if it's only a five minute walk outside! Tiny steps, taken consistently lead to a life full of moments that you have truly lived and will always remember.

FOSSA NOTES

LOTTO

11, 18, 24, 26. There was no jackpot winner and the consolation winners were Helen Geaney, Grenagh Fossa, Mary Kearney, Kenmare, Laura Benson, Keel, Hannah Wharton, Dromin Fossa and Pat Griffin, The School. Next weeks jackpot will be €3,150.

SENIORS

Unfortunately our seniors had no joy in their County Junior Premier semifinal against Na Gael on Sunday in Cordal. Playing against a strong breeze in the first half, Fossa pulled back an early Na Gael salvo with frees from Donald O'Sullivan and Tadgh O'Shea, then they took the lead after 12 minutes when a Donald O'Sullivan free put Fossa ahead for the first and only time in this game. Na Gael were proving to be a formidable outfit with their strong running and they were able to engineer scores that bit easier, however Fossa kept working hard and they kept in touch on the scoreboard with further points from David Clifford, Donald O'Sullivan and Tadgh O'Shea to leave just three between the sides at the break, Na Gael 0-09, Fossa 0-06. Fossa upped the intensity at the start of the second half and attacked with a lot more purpose, however the Na Gael defence

proved hard to break down. Tadhg O'Shea kicked a free and two excellent Paudie Clifford points cut the deficit to two but then in the 18th minute disaster struck when Na Gael struck for a goal and they quickly followed this with another goal a minute later to kill off this game as a contest. Fossa, to their credit never gave up but Na Gael had too much in the tank at that stage and closed out the game. When Fossa look back on this game, while there was some very good individual performances, as a team they will realise that they are not quite at the same stage of development as Na Gael who were very well balanced and strong right throughout the field. Fossa are a very young side generally with really good minors coming through so it will take a year or two before they reach the stage where they can compete at this level but I have no doubt that they will in the not too distant future. The final score was Na Gael 2-14, Fossa 0-11.

U-14 BOYS

Fossa U-14 boys had a good win against Kenmare on Wednesday evening with the final score being 5-16 to 5-03. A great performance all round with Dara O'Brien putting in a man of the match performance and Arron Coffee and Philip Lyons also doing well.

Fossa were very unfortunate to lose in the semi final of the division two Féile final played in Legion on Saturday. A great first half against a strong wind saw Fossa go in at half time a goal to the good. Although playing great football Fossa failed to convert their chances in the second half and Legion scored two killer goals to win by a point. Sam Buckley, Peadar Kelliher and Tom Cahillane caught the eye but unfortunately it wasn't enough to get us across the line.

ENROLLMENT

KILCUMMIN COMMUNITY GAMES SOCCER

Sun-drenched Kilbrean Park, Mastergeeha

was the venue for the U12 County soccer finals on Sunday last and here the young boys of Kilcummin performed superbly to claim the bronze medals in what was a most competitive event. In the opening game four goals from striker Kieran Nagle saw Kilcummin comfortable winners over Spa Fenit Barrow. The home team came through a cracking derby against Killarney in the second game with young Kieran Nagle doing superbly to score the only goal of the contest. A brace from the excellent Sean Maher in the third game ensured a 2-0 victory over Ballyduff and the nil all draw with Duagh/Lyre in the final round game ensured Kilcummin's place in the semi-finals.

And what a dramatic game this proved to be against Killorglin – a great goal from Fiachra Roarty was crucial in the 1-1 draw and the sides were still level after extra time. Unfortunately Kilcummin lost out 4-3 in the dreaded penalty shoot-out. However, the boys showed great heart to win their final game of the day with a Kieran Nagle goal the difference between the teams in a 1-0 win over Ballymac to ensure the boys took home bronze medals of which they were richly deserving. Well done to the boys and thanks to mentors Brendan Buckley and Patrick Roarty for looking after the team. Finally a huge Thank You to the superb team at Mastergeeha who had the venue in immaculate condition and to all who helped out with the catering on the day. Panel: Cian Forde, Liam Horgan, Dan O'Rahilly, Dara Stack, Fiachra Roarty, Jack Tangney, Callum McCarthy, Kieran Nagle, Aaron Buckley, Dara Moynihan, Killian O'Gorman, Senan Kennedy, Ronan McCarthy, Dylan Cronin, Odhran O'Shea, Sean Maher.

ATHLETICS

The Kilcummin Community Games Athletics finals will be held at Kilbrean Park, Mastergeeha on Saturday May 12th, starting at 5pm. There will be sprints and distance races for boys and girls aged U8 up to U16. Of course the Tiny Tots and Mums and Dads races will also be held on the day. All children resident in Kilcummin parish are most welcome to compete.

GLENFLESK SENIORS (SPONSERED BY O BRIENS TOPOIL AND THE KERRYWAY)

Our Senior team reached the final of the Intermediate Championship with a fantastic win over St Marys in Kilorglin on Saturday last.

In a game of the highest quality we needed to be at our best to beat a very good St Marys team. It was a game that could have gone either way until the final minute when a fortuitous goal from Jeff O Donoghue sealed the win for us. FT. Glenflesk 1-18 St Marys 1-12.

INTERMEDIATE FINAL. We come against our Fund raising allies Kilcummin in the Final of the Intermediate championship next Sunday May 6th at 4pm in Austin Stack Park Tralee. This will be our first championship final since our last O Donoghue Cup win 17 years ago so all support welcome.

GARDENING OUTLOOK

LOOKING AFTER YOUR SUMMER BEDDING

- If you look after your bedding plants throughout the Summer you will have colour until early autumn or the first early frost.
- A liquid feed of Tomato feed every 2 to 3 weeks is an ideal way to feed your hanging baskets, window boxes and containers.
- Make sure when you are feeding them to do it in the evening time and keep the liquid off the foliage as much as possible.
- As the summer goes on you will notice that some of the flowers will start to go off. All you have to do here is take the dead flowers off, a process called dead heading.
- It only takes a couple of minutes and it will ensure that new flowers will grow.
- Later in the Summer if a plant looks bad in the basket or window box, remove and replace it with something else like a trailing ivy. Otherwise the whole hanging basket, window box or container will look as if its gone off, and a new plant will give it a new lease of life.

NEXT WEEK I WILL FOCUS ON SUMMER FLOWERING SHRUBS.

Eco-driving advice

HOW TO GET THE MOST OUT OF THE FUEL YOU BUY

Car choice plays a big part in the extent to which your motoring affects the environment, but whatever car you've got there's a number of simple things you can do to reduce energy use (fuel consumption), CO2 emissions and pollution.

These eco-driving tips are the motoring equivalent of insulating the hot water tank, fitting low energy bulbs and not leaving the tv on standby – simple, common sense tips that really will make a difference. You'll save money on your fuel bills too.

MAINTENANCE

REGULAR SERVICING – Get the car serviced regularly (according to the manufacturer's schedule) to maintain engine efficiency.

ENGINE OIL – Make sure you use the correct specification of engine oil (refer to the handbook)

TYRE PRESSURES – Check tyre pressures regularly and before long journeys. Under-inflated tyres create more rolling resistance and so use more fuel. Getting tyre pressures right is important for safety too. Refer to the handbook as pressures will normally have to be increased for heavier loads.

BEFORE YOU GO

LOSE WEIGHT – Extra weight means extra fuel so if there's stuff in the boot you don't need on the journey take it out and leave it at home.

STREAMLINE – Roof racks/boxes create extra wind resistance and so increase fuel consumption. If you don't need it take it off, if you do, pack carefully to reduce the extra drag.

DON'T GET LOST – Plan unfamiliar journeys to reduce the chance of getting lost - try the AA Route planner or consider a 'Sat Nav' if you regularly drive unfamiliar routes. Check the traffic news before you go too.

COMBINE SHORT TRIPS – Cold starts are inefficient so it pays to combine errands such as buying the paper, dropping-off the recycling, or collecting the kids into one trip rather than making multiple short trips.

CONSIDER ALTERNATIVES – If it's a short journey (a couple of miles or so) consider walking or cycling rather than taking the car – fuel consumption is worse when the engine's cold and pollution will be greater too until the emissions control system gets up to normal temperature.

ON THE WAY

Leave promptly – Don't start the engine until you're ready to go. This avoids fuel wastage due to unnecessary idling and ensures that the engine warms up as quickly as possible. (In winter months, scrape ice rather than leave the car idling for a long period to warm up).

Easy does it – Drive smoothly, accelerate gently and read the road ahead to avoid unnecessary braking.

DECELERATE SMOOTHLY – When you have to slow down or to stop, decelerate smoothly by releasing the accelerator in time, leaving the car in gear.

Rolling – If you can keep the car moving all the time, so much the better. Stopping then starting again uses more fuel than keeping rolling.

CHANGE UP EARLIER – Change gear as soon as possible without laboring the engine – try changing up at an engine speed of around 2000 rpm in a diesel car or around 2500 rpm in a petrol car. This can make such a difference to fuel consumption that all cars in the future are likely to be fitted with Gear Shift indicators that light a lamp on the dashboard to indicate the most efficient gear change points.

CUT DOWN ON THE AIR-CON – Air conditioning increases fuel consumption at low speeds, but at higher speeds the effects are less noticeable. So if it's a hot day it's more economical to open the windows around town and save the air conditioning for high speed driving. Don't leave aircon on all the time – you should run it at least once a week throughout the year though to maintain the system in good condition.

TURN IT OFF – Any electrical load increases fuel consumption, so turn off your heated rear windscreen, demister blowers and headlights, when you don't need them.

STICK TO THE LIMITS – Drive at or within the speed limit – the faster you go the greater the fuel consumption and the greater the pollution too.

DON'T BE IDLE – If you do get caught in a queue avoid wasting fuel by turning the engine off if it looks like you could be waiting for more

than three minutes.

COASTING - DOES IT HELP SAVE FUEL?

Coasting – rolling downhill or approaching a junction with the car out of gear – is inadvisable because the driver doesn't have full control of the vehicle, though it used to be quite a common practice to save fuel.

You lose the ability to suddenly accelerate out of tricky situations.

You lose engine braking which takes some of the load off the brakes on down hill stretches and helps to avoid brake fade – overheated brakes

require harder pedal pressures to stop the vehicle.

These days, coasting is still inadvisable and changes in vehicle fuel systems mean it won't save you fuel either.

OLD CAR WITH CARBURETOR – take your foot off the accelerator pedal with the car in gear and fuel is still drawn through into the engine. Fuel savings could be made by coasting out of gear.

MODERN CAR WITH ELECTRONIC ENGINE MANAGEMENT

– fuel and ignition systems are effectively combined and controlled by one Electronic Control Unit (ECU). Take your foot off the accelerator and the ECU cuts the fuel supply to the injectors anyway so there's nothing to be gained by coasting.

MODERN DIESEL ENGINES – these also have the ability to shut off the fuel when you take your foot off the accelerator.

HOW MUCH CAN YOU SAVE?

The aim is to see how much you can improve on your current average fuel consumption or the 'official', manufacturer's figure by following the advice above.

If your car has an onboard computer that records fuel economy (kilometers per gallon / KPG) then take a note of the overall average fuel consumption you're getting now and then see how much you can improve it by following the 'eco-driving' advice above.

It should be possible to re-set the computer so it starts recording a new average KPG.

With no onboard computer, you'll first need to find out the official, manufacturer quoted fuel consumption for your car. You may see three different figures quoted, 'urban', 'extra-urban' and 'combined' – it's the third, 'combined' figure that you want.

community based proposition which benefit
all the people of Killarney and the surrounding
areas. The facility will be located in the heart

KILLARNEY RUGBY CLUB

KRFC MINIS WIN MUNSTER RUGBY MINIS CLUB OF THE YEAR 2018

Last Wednesday the news broke that Killarney RFC were announced as Munster Rugby Minis Club of the year, a huge achievement for the club and wonderful recognition of the hard work done at minis every week. Departing Munster ace Simon Zebo presented the award to our delighted Minis coordinator Liam Murphy at the star studded event at the

Clayton Silversprings in Cork. The club is thrilled with the win and the award is a testament to the coaches, parents and players for all their hard work right across the season. Well done everyone!

MINIS TRIP

Last Saturday our Minis season finished up in earnest as we traveled to Sunday's Well in Cork for our End of Season Trip. We took part in a blitz against Sunday's Well, Dolphin, Youghal and Crosshaven and our minis acquitted themselves extremely well at all ages. It was fantastic to witness such great sugby against teams we would never have played before, forging new links and hopefully starting a new end of season tradition! The sun shone on us as we got to take a close up look at Musgrave park and retired to McDonalds for food before heading home. Well done to everyone who travelled, to the coaches for looking after the kids and to Dan Morrissey of Sunday's Well for inviting us up. We hope to return the favour next season. We hope everyone enjoys the summer off and see you all back at Minis training in September.

MUNSTER DEVELOPMENT SQUADS

Congratulations to Craig McKenzie Vass on being selected for the U18 Munster Development programme and to John McCarthy and Odeniz Koyun for being selected for the U16 Munster Development squad also. A fantastic achievement for the club, their coaches, the boys and their families.

Well done also to our two crews racing in the Mens J15 Quad straight finals, finishing second and third. On Sunday, many of our members were also in action at the Schools Regatta. Representing St. Brigid's, the girls from both Muckross and Workmen clocked up several race wins in events from J14 to U23. Well done also to our members representing St. Brendan's who secured a number of first and second place finishes for the Sem. Congratulations to all! Next up is the Lee Regatta on Saturday 12 May.

KILLARNEY COMMUNITY GAMES NOTES

The boys U12 community games soccer team were crowned county champions following a dramatic penalty shootout win 4-2 against an excellent Killorglin team amid great excitement

KILLARNEY U12 COMMUNITY GAMES SOCCER COUNTY CHAMPIONS

in Mastergeeha last Sunday. The boys were in a 5 team group and following wins against Ballyduff, Spa Fenit Barrow, Duagh Lyre and a narrow defeat v Kilcummin they qualified for the semi-finals v Ballymac. The boys played terrific soccer in this game with Dara Griffin commanding in goal. The back four of Ronan Fahy, Anton Donchev, Geraoid Sugrue and JJ O' Donoghue defended with great intensity. The accurate passing of midfielder Brian O' Shea and Matthew Moynihan combined with the strong running and tackling of Oisín Fleming and Szymon Jasinski. The deadlock was broken when Oisín Fleming coolly slotted home the penalty after Liam Hennigan was fouled in the penalty area. Liam Hennigan then secured the victory following a strong run he clinically finished the ball to the net to secure a 2-0 win. Noah Sexton played really well in the game with clever runs and passes and Brian McCarthy worked really hard up front when introduced as did Cathal Sugrue who defended well when introduced.

The final v Killorglin was a nail biting affair with both teams having chances to secure the win but following no winner in extra time it was straight to penalties. Oisín Fleming again clinically put us 1.0. ahead before Dara Griffin excellently saved the Killorglin kick. Excellent cool penalties followed from Liam Hennigan and Matthew Moynihan and with Killorglin hitting the bar it was Noah Sexton who became the hero on the day and clinically dispatched the winning penalty amid great excitement. Matthew Moynihan Captain was presented with the winning shield and he thanked Chairman Sean O' Sullivan and the Community Games organising committee, the referees and Mastergeeha F.C for the beautiful condition of the pitches. Huge thanks to the boys who behaved so well on the day, their parents for the terrific support and indeed neighbours Spa Muckross for the support of their parents and players many who stayed on even though their team were very unlucky who went out on goal difference in the group stage. The full squad was: Dara Griffin, Ronan Fahy, Anton Donchev, Gearoid Sugrue, JJ O' Donoghue, Oisín Fleming, Szymon Jasinski, Matthew Moynihan (Capt), Brian O' Shea, Noah Sexton, Liam Hennigan, Brian McCarthy, Cathal Sugrue, Eanna Hennigan. The County Athletic Qualifiers will be held on the Bank Holiday May

7th at St. Olivers Primary School at 6pm. There are medals for all qualifiers and we are asking parents to please help out on the night as this event has grown in popularity in the past few years and big numbers are again expected to attend.

Reports

Carlow /Kilkenny 15's win in Callan:

Kerry made the long journey to Derdimus Park in Callan, next door to Buckley Park that many will know from the days of Kilkenny City.

It was the home side who opened the scoring in the 15th minute when Zach Bay Hammond got to the ball just before Kerry keeper Arron O'Sullivan. Kerry fought back and when close through Cillian O'Shea, Caolan O'Connell and Sean Kederski. However O'Sullivan had to be alert and made two very good save before half time.

Kerry again had more of the ball in the second half but were probably not aggressive enough and could not find that spark to unlock the well drilled home defence.

The visitors tired and conceded a second to Hammond in the 75th minute and a third when pushing forward in the last minute. Carlow/ Kilkenny ended the game with 10 men but at that stage the game was over. Kerry will welcome Wexford to Mouthawk Park on Saturday week.

Kennedy Cup Preparation Weekend:

The build-up to the Kennedy Cup gathered momentum for a number of squads this weekend. Kerry travelled to the Clare Tournament via UL, the site of the Kennedy Cup, where they defeated North Dublin 8-1.

A GREAT LANDMARK OCCASION FOR KILLARNEY ATHLETIC A.F.C. TONIGHT WITH CHAIRMAN MIKE O'SHEA, BASIL SHEERIN AND DONIE MURPHY SIGNED THE CONTRACTS FOR THE NEW ALL WEATHER PITCH ALSO IN PHOTO IS DIARMUID O'MAHONY, BILLY HENNIGAN, MARTIN MULDOON AND SHANE DOOLAN.

The goals came from Cianan Cooney 2, Rocco Rudjucan, Sean O'Connell, Eddie McCarthy and Messiah Chirwa.

In Clare they went down 4-1 to Galway with Conor Spillane getting the Kerry goal but then defeated Limerick Desmond 1-0 thanks to a Messiah Chirwa goal.

First up on Sunday was North Tipp followed by Athlone as Joe O'Reilly and his management team look at all the squad and try out different combinations.

Kerry won both games beating North Tipperary 2-0 (Sean O'Connor and Eddie McCarthy) and ended a very worthwhile weekend with a 3-1 win over Athlone. Eddie McCarthy, Rocco Rudjucan and Tom Whittleton got the goals.

Killorglin reach 12's Regional Final:

Killorglin 12's are the latest Kerry side to reach a Skechers SFAI Regional final joining their u13 club mates who will face The Park, the Park and Listowel Celtic u14's and Killarney Celtic in the 16's.

Their dramatic 8-7 penalties win over Rathkeale in mid-week means they will be at home to Caherdavin from Limerick in the decider.

Killorglin led through a Liam Hayes goal and looked to be heading for the win but Rathkeale equalised with virtually the last kick of the game. There was no further score in extra time so onto a dramatic penalty shoot-out.

It ended with an 8-7 win to the Kerry side with Darragh Foley saving two Rathkeale penalties and Stevie Gannon scoring two, including the winner as all players had taken one with 19 penalties taken in total.

Cup Updates:

Places taken in the John Murphy 12's Cup semi-finals:

Castleisland are into the John Murphy 12's Cup semi-final thanks to a 2-1 win over Killarney Athletic C. Jack O'Donoghue and Finn Nolan got the goals for the winners with Fionn Daly replying for a young Athletic side.

Killorglin were guaranteed a place in the Last 4 as their A and B teams were drawn together in the quarter finals. The A's won 4-0 thanks to goals two goals from Jesse O'Reilly, one from Conor Buckley and the final goal was an own goal.

Park A and Killarney Athletic could not be separated at the end of normal or extra time at Christy Leahy Park with neither side able to find the net.

Athletic keeper Fionn O'Neill was in top form on the penalties saving three of the Park's spot kicks. Successful kicks from Tom Benson, Liam Cronin and Thomas Healy saw the Killarney side through to the Last 4. Justin O'Sullivan and Jack Slattery scored the penalties for the Park. Camp Juniors first team through in 12's Shield: Camp Juniors are into Round 2 of the Shield after an extra time win over Park D in mid-week. The Tralee side opened the better and Camp Juniors had to come back twice with goals from Fionn Dario and Mark Farrell to send the game into extra time. And with the momentum it was Camp that got the winner from David Moore. In a sign of how close the game was Camp Juniors keeper Karl Michels was the man of the match. On Saturday there were joined by Ballyhar who saw off Tralee Dynamos B while Mastergeeha were too strong for Listowel Celtic B. The scores for the Kilbreen side were Danny Cronin, John Hughes, Gavin Barry, Aidan Cronin, Liam Hogan and Kieran Nagle.

Inter Kenmare B are also through after an 8-2 away win at Killarney Athletic. 3 players scored twice for Inter - Neal O'Shea, Donnacha O'Sullivan and Dawid Grebowiec while Liam O'Sullivan and Jack Sweeney got one each.

Dingle Bay Rovers proved a little too strong for the Park B. For the West Kerry side Diarmuid O'Seadhne scored a hat trick, Sean Roche got 2 as did James Hoare with Cian O'Cinneide also getting on the score-sheet.

Mastergeeha first team in 14's Cup semis:

A Colin O'Leary hat trick was just enough to see off Listowel Celtic B in the Tom Hayes 14's Cup quarter final. Mastergeeha won 3-2 to go into the hat for the Last Four. Jack O'Keeffe and Jack Carty replied for Celtic.

Listowel Celtic 14 Girls into Cup semi-final:

Listowel Celtic 14's Girls are into the Cup semi-final alongside Inter Kenmare, Killarney Athletic and Camp Juniors. The North Kerry sides booked their place following a 7-0 win over Fenit. Kelly Enright hit 3, Ciara Henderson 2 with Grainne Musgrave and Tara Enright

getting one each. Katie Hussey and Dervla Jeffers were the best on the day for a Fenit side that battled to the end.

Killarney Celtic B into 14's Shield Last 4: Killarney Celtic B defeated MEK in the first of the John Hayes 14's Shield 5-2. MEK led at half time 2-1 with goals from Eddie Moroney and Charlie Keating. But Celtic turned things over in the second half and qualified with goals from Jack O'Sullivan, Denis O'Sullivan 2 and Danny O'Brien.

Ballyhar first into 16's Cup final:

There was only 1 goal between Ballyhar and Rattoo Rovers in the Tucker Kelly 16's Cup semi-final. It went to Craig Boyle O'Sullivan to send the side from Murt Scott Park into the decider.

Tucker Kelly 16 Shield Round 2 taking shape: Mastergeeha are into the second round of the Tucker Kelly 16's Shield as they held off a late comeback from Castleisland. Mastergeeha went 2-0 inside 10 minutes thanks to goals from Ian O'Connor and a Philip O'Leary penalty. Paudie Murphy made it 3-0 midway through the second half but Castleisland fought back with two late goals. However Mastergeeha held off their challenge and progress to the next round.

Iveragh United made home advantage count as they defeated their visitors Killarney Celtic B 1-0. The only goal of the game was scored by Iveragh's Luke Harty.

League Results:

Killarney Celtic 12's Girls White top Premier B: Killarney Celtic 12's Girls White side are top of the Premier B following a 2-1 win over Fenit. Michelle O'Meara hit both goals for Celtic while Lily Nowak replied for Fenit.

Castleisland up to second in 14's Division 2: Castleisland's 3-0 win over Killarney Athletic B sees them move up to second place in the Quills Woollen Mills 14's Division 2. They are four points behind leaders Fenit with a game in hand.

Killorglin into third as they defeat the Division leaders:

Killorglin defeated Tralee Trophy World 16 Premier leaders Killarney Celtic 4-2 to move into third place in the table. Two goals each from Stephen O'Loughlin and Ethan Coffey gave Killorglin the win. Daniel Okwute and James Darmody got the Celtic goals who still lead the table by 6 points.

RESULTS

Under 12 cup quarter final versus St Brendan's Park

Athletic win 3-2 on penalties.

Our boys started really well and should have had a couple of early goals but for some excellent saves and last-ditch tackles Park came more into it in the second period but didn't really threaten goal. We also had a couple of chances yet that vital goal eluded us 0-0 end of normal time. Extra time was much of the same both keepers called into action but remained 0-0. Penalties always a toss of a coin and no need to go any further than to say Fionn O'Neill saved 3 penalties with an exhibition between the post won 3-2 roll on the semi. Overall a superb display by each and everyone of the boys but man of the match has to go to Fionn O'Neill.

UNDER 12 CUP

Killarney Athletic C 1 Castleisland A 2

Our young Blues bowed out of the Cup last Wednesday at the quarter final stage. Played in difficult conditions, our boys gave a very good account of themselves considering they are an Under 11 Team. Against a very physical side, at 2-0 down they fought back and scored a goal from Fionn Daly. They battled right to until the end and had chances to equalise but it was not to be their day. Well done and best of luck to

Castleisland in the semi Finals. Great experience for this young team, well done lads.

YOUTHS

Athletic travelled to Tralee to take on Park FC. in the cup semi final. In wet and windy conditions Athletic were first to score with a well taken goal by Liam Kelliher on ten minutes. Park responded with a fortuitous goal that took two deflections on the way to the net, they scored again just before half time to leave Athletic 2-1 down at half time. Athletic upped their work rate in the second half and got their rewards with a well taken goal by Monz Mamoun. Athletic had more chances and just when it looked that it might go to extra time Park struck with the winning goal. Bitterly disappointed, this great bunch of players can hold their heads high for a spirited performance and can look forward to bright future with Athletic senior teams.

Senior B

St. Brendan's Park 2 Killarney Athletic B 4

Fantastic performance by the B team beating Park 2-4. This is what this team has been waiting for with everyone trying until the final whistle. Scorers Lukas Polyak, Mike Lynsey, Brian O'Reilly and Chris O'Meara.

Mounthawk Park Tralee played host to the Kerry County Final of the SPAR FAI Primary School 5s Programme on April 25th. The SPAR FAI Primary Schools 5s Programme has seen participation figures grow year on year to become the largest primary schools' competition in the country. 208 students from 24 schools participated in the Kerry County Final with just 6 schools progressing to the provincial finals.

The 'A' Cup, open to boys and/or mixed teams from small schools, had 4 passionate schools with the final between the talented Cahir Ns Kenmare team and Aghatubrid Ns Caherciveen team. Cahir Ns triumphed in what was a thrilling contest.

The 'B' Cup, for medium sized schools, again proved to be a compelling division with 4 teams involved. The final was eventually decided on by narrow margin 4-2. Caherleheen Ns Tralee proved a little too strong over a talented Spa Ns side.

The 'C' Cup, for large schools, was another hard-fought contest between 4 very talented schools. The Mon Killarney eventually came out on top of the large school's division thanks to a 2 goals to 0 win.

The winners will now progress to the Munster Finals on the 8th and 9th May in Mounthawk

Park Tralee.

Participation in the girl's division of the SPAR FAI Primary Schools 5s Programme reached an all-time high this year with 12,832 4th, 5th and 6th class girls registered.

The Girls 'A', 'B' and 'C' Cup finals were also held on April 25th in Mounthawk Park where there was a fantastic atmosphere throughout the competition. In the Girls 'A' Cup, for small schools, Kilgarvan Ns Kenmare defeated Castledrum Ns in a really exciting and hard-fought match. In the Girls 'B' Cup Final, for medium sized schools, Faha Ns sealed qualification to the next stage after they overcame a tough challenge from Fossa Ns Killarney. Holycross Killarney put in a fine display against St Olivers Killarney to progress from the Girls 'C' Cup division for large schools. Holycross finished off the tournament with a 2 goal to 1 goal win and look in fine form heading into the Munster Finals.

The SPAR FAI Primary School 5s Programme competition has been in existence since the mid 1990's and has 31,728 participants from 1,528 schools involved this year. The competition is run across six divisions, ensuring that schools of all sizes are catered for. Boys and girls are encouraged to play together but there is a separate competition for boys and girls

dependent on school enrolment numbers.

Fergus McDaid, Secretary of FAI Schools stated, "This is our fourth year with title sponsors SPAR and the competition has grown yet again and now firmly holds the title of the largest primary schools' competition in the country. SPAR's ongoing support, both nationally and at a local level, has ensured the ongoing success of the programme and given 31,728 children an opportunity to get involved in a professionally-run, fun and inclusive programme. The programme encourages children to become involved in soccer at an early age and emphasizes the fun aspect of the sport. FAI Schools look forward to welcoming schools to the National Finals on Wednesday, May 30th in Aviva Stadium. We would also like to extend our thanks to all schools who have participated in 2018. Colin Donnelly, SPAR Sales Director said, "As a community based retailer, SPAR encourages a healthy and active lifestyle and is proud to be a supporter of primary schools' soccer in association with the FAI. SPAR local retailers around the county have been getting behind the SPAR FAI Primary School 5s Programme, which encourages children to get involved in soccer in a fun, safe and inclusive environment."

CLUB CHAMPIONSHIP FINAL

Played in Austin Stack Park on Sunday 29th of April

Dr Crokes 1-18 Dingle 1-8

In a game which spilled over at times we ran out winners in the end on a score of 1-18 to 1-08. Both sides suffered set backs during the game. We lost a player through injury in the second half. Our opponents had three players black carded over the hour, two of them in the first half.

We squandered a few gilt edged chances in the early minutes and during the same period the Dingle boys sent over over two points. Before the end of the first quarter we sent over eight points to our opponents one to leave us 0-8 to 0-3 in front. At the start of the second quarter Dingle found our net. This left us just two points in front. We had a great finish to the half (which lasted 35 minutes), scoring five points to our opponents one. This left us six points ahead at

half time, 0-13 to 1-4 but we would have to face the strong breeze in the second half.

Scores were slow to come in the second half. We had three points in the third quarter but Dingle found it hard to breach our defence. They had two points in the 55th and 56th minutes. The teams exchanged points just before the 60th minute. This gave us a seven point lead but eight minutes extra time had to be played. We got well on top in additional time, adding on 1-2 without reply for a 1-18 to 1-08 victory.

This was for us a very good team performance. Twelve of our team got on the score sheet, nine starters and three subs.

It was great to see Gavin White back in action. He came on five minutes after half time and contributed enormously culminating in a last minute goal.

Team and Scorers: Shane Murphy 0-1 (45'), John Payne, Mike Moloney, Fionn Fitzgerald 0-1, Jason Lyne, Alan O'Sullivan, David O'Leary, Daithi Casey 0-1 (free), Johnny Buckley 0-1, Micheal Burns 0-2, Gavin O'Shea, Brian Looney 0-1, Tony Brosnan 0-4, Colm Cooper 0-3 (0-2 frees), Kieran O'Leary 0-2.

Subs: Paul Clarke 0-1, Gavin White 1-0, Michael Potts, Shane Doolan, David Shaw 0-1, Eoin Brosnan.

UNDER 16

We played our third Under 16 County League game last Tuesday in Beaufort

We have had many tough battles with our close neighbors over the last few years and this was going to be no different.

Ava Sheahan opened the scoring with a point

from play Beaufort then had 3 on the bounce but a point from Treasa o Sullivan brought them back to 1 point ho ever Beaufort pointed again wit 10 mins to go in the first half putting them up 2. Another Ava Sheahan point and a point and a goal from full forward Jade Potts who was outstanding ensured we ended the half up 3 points.

Beaufort as we knew they would came out fighting in the second half and scored 2-1 without reply to put them up 4 points with 15 mins to go. A Niamh Stack goal helped to start the comeback and that was followed by another point by Niamh Stack Beaufort added a point of their own to go 1 up with 5 left to play. A fantastic free kick from Ava Sheahan tied the game and ensured our u16 girls remain undefeated in the county league.

U12 COUNTY LEAGUE DIVISION 1A

Dr Crokes U12A 1-13 Kilcummin U12A 1-13-Draw

Following a cracking contest between two evenly matched teams, an injury time point from Kilcummin earned the hosts a well deserved draw. Kilcummin started much better and were six points ahead at half time despite good defending from Adam Byrne and Anton Donchev and vital saves from Mark O Carroll. Crokes were a total different team in the second half and Neil O Carroll took over at midfield ably assisted by Leah Mc Mahon. Gearoid Sugrue and Dara Griffin defended much tighter in the second half and Matthew Moynihan stormed into the game with three points, ably assisted by Noah Sexton who scored two points and Liam Hennigan with three points. Mikie Murphy scored a fine individual goal also. Oisín O'Sullivan worked hard when introduced. We thank Kilcummin for a fine sporting game played in difficult conditions and well refereed by John O'Neill. Next game v Rathmore away Thursday evening. On a night when everyone played well in the second half, man of the match has to go to outstanding midfielder Neil O'Carroll who scored five points.

U12 COUNTY LEAGUE DIVISION 1B

Dr. Crokes U12 Amber 3-8

Kilcummin U12 B 3-8

Played in tough conditions, these young lads were a joy to watch. Both teams battled very well throughout the 50 minutes and a share of the spoils in the end was a fair result. For Crokes, best on the night were Kieran Moloney in goal (a cousin of former senior No.1 David Moloney), who made some vital saves, Cathal Sugrue & Brian Titus in defence. Dara O Sullivan did well getting forward and in attack Ben Kelliher was our biggest threat throughout the night with 1-4 to his name. Special mention must go to Killian White who struck for a great poacher's goal when introduced in the second half. Credit must be given again to both teams playing such good football in testing conditions.

LEGION GAA CLUB NEWS

CLUB NEWS

As we all know the successful running of any G.A.A. club entails a huge investment of voluntary time and effort. As well as being a sporting entity clubs are embedded in the fabric of the areas and parishes they are based in serving as focal points for the community as a common meeting place and a centre of social activity. Members place a high value on their clubs and as a consequence are willing to go that extra mile to serve that which they

hold dear. However as this demand on people's time has increased year on year the fact is that the workload has impacted to the point that many volunteers have had to re-assess their priorities. To this end Enda Walshe who served as chairman has decided to step away from his position due to work demands as he begins a new job profile. It would be difficult to catalogue the amount of work and time he gave to his club but suffice to say one could see him washing out a dressing room at one point and holding an executive meeting a few hours later, no task too big or too small and all done with a willing effort. In this vein he has now been added to the senior team management and has already got stuck in as the saying goes with the same vigour as before. Hard to replace someone as dedicated as Enda but we were more than fortunate to have Fergal Moynihan step in as our new Chairman and he brings a new energetic dynamic to the position and we wish him all the best in the future.

SENIOR FOOTBALL

Castleisland Mart Intermediate Championship
Semi Final Kilcummin 1-10 Templenoe
0-12. Our senior team have qualified for the
Intermediate final following a very hard fought
win over Templenoe on Sunday last in Dirreen.
Playing against the wind in the first half we
found it difficult to make much headway and
relied on frees from Brendan Kealy and Noel
Duggan early on to give us some hope. Trailing
0-7 to 0-2 with about eight minutes left in the

first half our midfield gained the upper hand
and we finished the half strongly with Kevin
McCarthy twice and Gary O Leary pointing.
Half time score Templenoe 0-8 Kilcummin
0-5. The second half saw a more determined
Kilcummin take the game to their opponents
and further points from Sean O Leary and
Shane McSweeney saw us trail by one point
with 15 mins left. Enter Kevin McCarthy with
the most telling moment of the game when
receiving a pass from the industrious Noel
Duggan he scythed through the Templenoe
defence to drive an unstoppable shot to the
net. Noel Duggan added further frees before
Templenoe put considerable pressure on backs
but they were very disciplined and held out for
a famous one point victory. In what was most
definitely a twenty man effort in which they
really had to dig deep Kevin McCarthy's goal
was a tremendous boost and motivator. The
defence well marshalled by Brendan Kealy were
outstanding as a unit particularly in the first
half when under considerable pressure with
Philip Casey, Sean O Leary and Donal Maher
in particular very influential. Our midfield of
Kieran Murphy and Kevin Gorman battled
hard throughout even when things weren't
going their way and gained a fair measure of
control in the second half. Kevin McCarthy
was a revelation throughout and was well
supported by Noel Duggan and Gary O Leary.
Shane McSweeney, Pádraig Nagle, Damien
O Leary and Matt Keane in the second half all
contributed to what was a great result as did
substitutes Daniel O Leary, John McCarthy
and Kelvin Teahan. By an ironic twist of faith
our Oskars partners of the last four months
Glenfesk will now become our opponents in
the final at Austin Stack Park, Tralee next Sunday
6th May at 4pm. They had a great win over St
Marys in the other semi final the previous night
and we congratulate them wishing them the
best. May the best team win. Kilcummin team

SENIOR COUNTY LEAGUE-DIVISION 2 "MORIARTY MASTERCLASS FIRES MILLTOWN TO DIVISION 2 SUMMIT AFTER 2ND HALF SURGE

Report by: Dara O'Connor

Milltown/Castlemaine 5-11 Listowel Emmets 0-10

Venue: Pairc Mhic Shithigh, Listowel
Milltown/Castlemaine sponsored Kelly's Londis and Larkins Pub, Restaurant, B & B. made the journey to Listowel yesterday for Round 3 of the Credit Union County Senior Football League.

Milltown/Castlemaine travelled in the knowledge that a victory would push them top of Division 2 after a victory against Currow in Round 1 and a Draw away to Ballymac in Round 2. Listowel Emmets were coming into the fixture on the back of a morale boosting championship win against Annascaul which helped them preserve their Junior Championship status.

It was to prove a game of two halves with Listowel Emmets leading at half-time but the visitors Milltown/Castlemaine strolled to victory and most importantly the 2 points in the second half after five goals seen the tie swing decisively in their favour.

There were two changes to the M/C side before throw-in as with Gavin McKenna and Gavin Horan absent both David Roche & Jeremiah Hayes came into the side from the last game when they defeated Glenbeigh/Glencar.

Jamie O'Shea through an early free after 2 minutes had M/C in front after Cathal Moriarty was fouled 14 yards out before David Keane opened his account for the home side with a close in free after Conor Cox was pulled down. Conor Cox and Cathal Moriarty (a fascinating

duel all day which would see both players accumulate 2-12 between them) exchanged points in the 4th and 6th minutes to leave it 0-2 to 0-2.

Listowel Emmets had their best spell of the match after this however as Conor Cox seen two points sail between the posts and Lorcan Moloney had one sandwiched in between the Cox scores from distance to leave the home side leading 0-5 to 0-2 at the halfway mark of the first half, the signs looking very ominous for the away side at this stage.

Moriarty from a 21 yard free and Cox from play once again exchanged scores in the 17th and 23rd minutes to leave the gap at three, before a strong finish to the half by M/C seen scores from Moriarty again (Free) and a beautiful point from play by Jack McCarthy from an acute angle left a solitary point between both sides at the interval as Listowel Emmets led 0-6 to 0-5.

The second half was to be one way traffic as Milltown/Castlemaine added 5-6 to their half-time tally and Listowel Emmets would only manage a further 0-4 in reply. Noel Kennelly emerged from the dressing room to go Corner-Forward after being Goalkeeper in the first half, with Keith Hughes taking up the mantle in goals for the home side.

Moriarty opened the half with 1-1 inside the opening few minutes and he paved the way for a second half onslaught on the Listowel goalmouth as a pointed free from the corner and a very well worked goal which seen some neat interchange play before a tidy finish had M/C in a commanding position at 1-6 to 0-6.

Two further scores in the 35th and 37th minutes from Jack McCarthy & Cathal Moriarty (Both from play) after an exquisite pass by McCarthy seen the away side extend their lead out to five points.

Conor Cox was doing his best to keep Listowel in the encounter and from play added his fourth of the game on the 38th minute mark to reduce the arrears and leave it 1-8 to 0-7.

M/C effectively wrapped up the match between the 44th and 53rd minutes as they added 2-1 to the scoreboard through goals by Shane Murphy & Cathal Moriarty (The first goal Jack McCarthy

fed Moriarty who teed up substitute Murphy to bury to the corner, the second seen a role reversal as Murphy fed Moriarty to slot beyond the home sides keeper). Cathal Moriarty from play also pointed during this golden spell after a tremendous run forward by David Roche whilst Conor Cox down the other end added a point from a free from 14 yards which almost hit the net after the free almost dipped into the net. The score now seen M/C lead 3-9 to 0-8 with only seven minutes remaining.

Jerome Flynn who worked hard all day and won an amount of ball, particularly when things weren't going so well for the away side in the opening half got the next two scores as a point from 30 yards after a poor kickout followed by a brilliantly taken goal into the top corner of Keith Hughes net seen M/C go 14 points ahead at 4-10 to 0-8. Listowel fought to the bitter end despite the result being increasingly inevitable at this stage and two points from play from David Keane and Bryan Sweeney brought the home sides tally to 0-10 in total.

It should also be mentioned that Cormac Leane made two fantastic saves in the 2nd half from goal attempts by both David Keane & Noel Kennelly to keep the home side at bay at a critical stage as a goal by either may have seen the game take a different turn.

Substitute Michael Dennehy and a superbly taken left legged point from Alan Hickey wrapped up proceedings on the scoring side of matters with the final act of the game as a surging run forward by another substitute Tadgh McCarthysaw him unselfishly pass to Dennehy who had a simple palmed finish into the corner of the goal to give M/C a 16 point victory. Final Score: Milltown/Castlemaine 5-11 Listowel Emmets 0-10

Milltown/Castlemaine lined out as follows:

Cormac Leane, David Roche, Pa Wren, Ciaran O'Connor, Paul Carroll, Stephen Roche, Nigel Wrenn, Brendan Delaney, Donal Dennehy, Jerome Flynn (1-1), Jeremiah Hayes, Killian Kerins, Jamie O'Shea (0-1), Cathal Moriarty (2-6), Jack McCarthy (0-2)

Subs used: Tadgh McCarthy, Michael Dennehy (1-0), Alan Hickey (0-1), Kieran O'Carroll, Shane Murphy (1-0).

Crokes canter past Dingle to claim fifth club title in seven years

THE DR. CROKES TEAM THAT DEFEATED DINGLE

DR CROKES 1-18 DINGLE 1-8

KERRY O'SHEA REPORTS FROM AUSTIN STACK PARK

Despite having fourteen men following the dismissal of Kerry captain Fionn Fitzgerald on a straight red card, Dr Crokes, still had too much firepower as they overcame Dingle in a very disappointing Castleisland Mart County Club SFC final before a smaller than expected attendance at the windswept and showery Austin Stack Park on Sunday.

The Killarney side continued their total domination of this competition to annex their fifth title in seven years.

Challengers Dingle made the better start and had two points on the board without reply in the opening three minutes thanks to minors from Conor and Paul Geaney, both of which came from placed balls.

It wasn't long before Crokes asserted themselves. Johnny Buckley and his inter-county colleague Daithi Casey formed an effective midfield partnership which gave the Crokes' attack plenty of possession.

Colm Cooper, a late addition to the starting line-up, pulled the strings as only he can and a succession of scores from Fionn Fitzgerald,

Tony Brosnan, Cooper (2 each), Michael Burns and Brosnan again had the mighty Crokes five clear by the 18th minute.

Then, very much against the run of play, Michael Geaney scored a goal out of nothing for Dingle to bring the Westerners back into contention.

The Killarney side then had Kerry skipper Fionn Fitzgerald dismissed on a straight red card following an off-the-ball incident but despite this, they still dominated and scores from Casey, the outstanding Tony Brosnan, Brian Looney and a '45 from Shane Murphy pushed them 0-13 to 1-4 clear at the interval.

Dingle turned around with wind advantage in the second half but they could not break down the experienced Dr Crokes who were quite content to play out the remaining time knowing their advantage on the scoreboard could not be breached.

Crokes manager Pat O'Shea used the second half to empty his bench, giving valuable game time to Gavin White, Paul Clarke (who was named on the original starting line-up) and former Kerry minors Michael Potts and David Shaw. Gavin White, another member of the Dr Crokes team to make the Kerry panel, but didn't figure in the National League due to injury and was lining

out in his first competitive slice of action this year, certainly caught the eye with many darting runs and he finished to the net with the game deep into injury-time to complete a facile win for the Killarney side. It was a day that Dingle will want to forget quickly as they lost Mikey Geaney and Michael Flannery to black cards and Brendan Kelliher, who had the distinction of marking Colm Cooper, to a second yellow late in the game.

REPORT BY LEONA TWISS, PRO

CASTLEISLAND MART CLUB CHAMPIONSHIP ENTERS THE FINAL STAGE!

A big weekend ahead as six clubs strive for County Honours and 4 clubs fight to maintain their Championship status! All three finals are fixed for Austin Stack Park, Tralee. First up is the Junior Final on Saturday night between Lios Póil and Beale. This game throws in at 7pm and admission is €10 for adults and €5 for students and OAPs. On Sunday it's a double bill with the Junior Premier final and the Intermediate Final. At 2pm it's Na Gaeil versus Beaufort followed at 4pm it's Glenflesk versus Kilcummin. Admission for adults is €15 and €10 for students and OAPs. All three finals will have extra time if necessary.

It will be tense weekend for Gneeveguilla and Laune Rangers who will fight for their survival in the Intermediate Championship at 1.30pm on Sunday at Lewis Road. Likewise Ballydonoghue and Annascaul have one chance left to stay in the Junior Premier Championship. Their game throws in at 7pm on Saturday evening in Ballymac. Extra time will be played if necessary. Admission for adults is €8 and €5 for students and OAPs.

Programmes are on sale at all venues. The CCC reminds all clubs involved at the weekend to ensure team lists as printed in Match Programme are accurate and players line out in their designated numbers. Failure to adhere to above may lead to a fine being imposed.

Congratulations to Dr Crokes who retained the Senior Club Title after beating Dingle last weekend. At half time, Dr Crokes were ahead 0-13 to 1-4, Dingle's goal came from Mikey Geaney. Dr Crokes dominated the second half and Gavin White scored a goal in the dying minutes of the game. The game finished Dr Crokes 1-18 to Dingle's 1-8. Chairman of the Kerry County Board Tim Murphy and John Brosnan from Castleisland Mart presented the Cup to Dr Crokes Captain John Payne.

2018 ELECTRIC IRELAND MUNSTER GAA FOOTBALL MINOR CHAMPIONSHIP

Best of luck to the Kerry Minor Panel and Management as they face Cork in the semi final of the Electric Ireland Munster Minor Championship. The game throws in on Tuesday, May 8th at 7pm. The referee is Seán Lonergan (Tipperary)

MUNSTER SUPER 10'S FÉ 15 COMPETITION FOR CLUB TEAMS

The Munster Super 10's is a competition run by Munster Coaching & Games for clubs throughout the Province. It is played at 10 a side with a panel of 12 players and is open to all clubs with a choice to play football or hurling. The games are fast, action packed and competitive. The novelty of playing 10 a side has proven a big hit with the players as it is a refreshing change to the 15 a side game.

ALL SMILES - DR.CROKES ARE COUNTY CLUB CHAMPIONS

The competition starts with a blitz day on the 26th May involving 4 teams at a central location. Clubs have to be open to travel but the venues and groups will be devised to limit travel where possible while giving clubs the opportunity to play against unfamiliar opposition.

Each club plays 3 games on the day and the group winners will advance to the finals in Mallow on the 16th June. Games are played at 10 a side and the games are played 21 to 21 using u12 size portable goal posts. The games are approximately 12 minutes per half but after playing 3 games this is more than adequate. Clubs are asked to guarantee all players a minimum of 30 minutes playing time.

All group winners will receive a specially commissioned training top while the outright winning teams in both codes will receive gear bags for all 12 squad members and a set of goal posts for their club.

Clubs should contact their local GDA if they have any questions on this event. However, before you enter, please check that all your players will be available on the day and that you are prepared to travel. In previous years, clubs pulled out at the last minute which is very unfair on the host clubs and other teams in the group. Therefore it is important to have your homework done before contacting your GDA to enter!

CELEBRATE THE IMPORTANCE OF YOUR CLUB AND COMMUNITY WITH LÁ NA GCLUBANNA!

This event is an opportunity for the GAA to highlight the important role of members, players, supporters' and families in our Association and for the local community to have fun. We would encourage every member to mark this special day of celebration by participating at events in their club in recognition of the vital role that our clubs and members play at the heart of the GAA. A booklet advising clubs on communicating the day, budget and fundraising, volunteer recruitment and activities, as well as a

promotional materials (for print and digital use) can be found in the download section of the GAA website.

LAUNCH OF THE JOE MCDONAGH CUP AND THE EIRGRID GAA FOOTBALL U20 CHAMPIONSHIP

On Monday, The GAA today launched the 2018 McDonagh, Ring, Rackard and Meagher Cups at Croke Park in the company of players from counties competing in these competitions. The inaugural McDonagh Cup begins next weekend with the meetings of Meath and Antrim, Carlow and Kerry and Laois and Westmeath. The competition is named after former GAA President and Galway hurler Joe McDonagh. The McDonagh Cup final will be played on the same billing as the Leinster hurling final giving all competing players something tangible to aim for.

The newly structured, EirGrid GAA Football U20 All-Ireland Championship was officially launched last week in Croke Park. This revised competition allows young players to develop their skills at a the top level and prepare for their careers at senior level. The first throw-in of the 2018 Championship is in Ulster on May 26th, with Donegal and Cavan kicking off the competition. Proceedings in Leinster start shortly after with the first games between Longford and Dublin, Westmeath and Wexford, Kildare and Laois and Wicklow and Louth taking place on May 28th. The Connacht championship commences on June 2nd, with Roscommon and Sligo coming face to face for the first time this year. Limerick and Kerry kick start the Munster campaign when they play on June 15th. Speaking on behalf of the GAA, John Horan, Uachtarán Cumann Lúthchleas Gael said: "2018 is certainly a year of change in the GAA, not least with the alterations to our competition structures. The merits of this championship are well documented, offering as it does an outlet before the senior ranks for players to mature and develop against players of their own age".

A WORD OF VICTORY

Welcome back dear reader last week we looked at the heart of our heavenly Father longing to have His children restored to Him. "Lord, ...so many rise up against me, and say there is no help for me in God. But You... are a shield for me...the lifter of my head" (Psalm 3:1-3). We saw how the prodigal son feared shame and condemnation when he returned to his Father, but instead experienced acceptance and love, and was re-instated to his place in the family. Shame is a toxic weapon of the devil that makes people feel unsafe regardless of whether they know the Lord or not. Shame is the result of sin – our own sin and the sin others bring on us, and also idolatry (Genesis 3:7; Exodus 32:24-25). Idolatry is the worship of anything or anyone other than God Himself. The first commandment says 'Worship no God but me' (Exodus 20:3); and today people worship many things other than Almighty God. When we put other people, wealth, status, education, gratification or any other false god above our relationship with Him, trouble ensues. Our identity should come from God's love for us and who He says we are. If we lean on our own abilities or what the world thinks of us for security this is an open door for the enemy to bring destruction and breakdown. When we humble ourselves before the Lord, He will lift us up (James 4:10). Where life has tried to bring you down, God wants to restore and honour you friend. How this can take place is by seeking Him out through His Word (look up the Scriptures you find here), and talk and listen to Him as you would a trusted friend. He is the 'friend who sticks closer than a brother' (Proverbs 18:24), His greatest desire is that you prosper (succeed) and are in good health even as your soul (your mind, will and emotions) prospers (3 John vs 2). Write out Scriptures that speak to you, personalise them – insert 'I' or 'me', and then speak them out over your life. God promises that through Messiah Jesus, His Son, we will have double honour for the shame of the past (Isaiah 61:7). In Ireland especially, we need a revelation of this Word. We and our generations past have experienced shame and wounding and this visits down family lines, but praise God He wants to bring His joy and recompense as we submit to the truth of His Gospel, making Jesus Lord of all. See wordofvictory.net for help. More next week....

THE MIRACLE PRAYER

Dear Heart of Jesus, in the past I have asked you many favours. This time I ask you this special one.

Take it dear heart of Jesus and place it within your own broken heart where your father sees it.

Then in his merciful eyes it will become your favour not mine. Amen.

**FIRST ANNIVERSARY
& ACKNOWLEDGEMENT**

In fond remembrance of

UNA HEALY

**Late of Knockacorrin, Currow, Killarney
a dear mother, grandmother,
sister, neighbour and friend who
passed on 9th May 2017.**

As we lovingly think of Una at this time, her sons Sean, Noel and Neil, daughters Catriona and Geraldine, daughters-in-law Ann Marie and Martina and sons-in-law Chris and Jeremiah, sisters, Joan, Mary, Vera and Carmel and extended family would like to offer our most sincere gratitude to everyone who comforted us in our sad loss.

We express our deep appreciation to all the staff and management of St. Joseph's Nursing Home, Killorglin, who looked after Una in her final years with care, good humour and dedication. A special word for Dr. Gill, Una's GP who looked after our mother's medical needs and who was always a support to the family.

We thank all who attended Una's rosary, removal and requiem mass and those who sent mass cards and letters, floral tributes and expressed sympathy and support.

Special thanks to Fr. Buckley, Fr. Martin Spillane and Fr. Derek O'Connell who contributed to Una's meaningful requiem mass and burial.

The family is also grateful to Micheal Daly of Daly's Funeral Directors, Scartaglen who guided and helped us through the funeral arrangements in such a professional and sensitive manner.

We remember also our dear relatives, friends and neighbours and the kindness they have shown to us at the sad time of Una's passing and in the year since then.

Life Well Lived

A life well lived is a precious gift
Of hope and strength and grace
From someone who has made our lives
A much brighter, better place.
A life well lived is a heart prepared
For smiles and love and tears
For friends and family, fond times shared
And laughter through the years.
