EDITOR'S NOTE

It was very disappointing to see the antics on the streets of Killarney last Saturday night. While the majority are doing their bit in a bid to curb the spread of COVID-19, it only takes one infected person, not following government guidelines,

to spread the virus. As the cases rise nationally, it is even more important now to act responsibly. Killarney has played a blinder over the Summer months and we must not let one night take away from this. Everybody must now work

together to keep Killarney a safe place to live and a safe destination for visitors.

WORKING TOGETHER TO KEEP KILLARNEY A SAFE DESTINATION

Following the actions of a number of people on the streets of Killarney on Saturday night, representatives of Kerry County Council and Killarney Chamber of Tourism and Commerce met with An Garda Síochána on Wednesday of this week.

It comes in the wake of a video, which went viral, of people singing and drinking on the street without observing social distancing or wearing masks. Two men also climbed on top of a phone box which now houses a defibrillator.

Mayor of Killarney, Cllr Brendan Cronin, Municipal District Manager, Angela McAllen and the President of Killarney Chamber of Tourism and Commerce, Paul Sherry thanked An Garda Síochána for the meeting and said that the three bodies are working together to assure everyone that Killarney

Mayor of Killarney, Cllr. Brendan Cronin.

will always be a welcoming, safe destination, providing the highest of standards, with wonderful facilities for the enjoyment of the general public.

There was a constructive meeting to discuss what was an exceptional incident during what has been a busy summer period in the town despite the various COVID-19 restrictions in effect. It

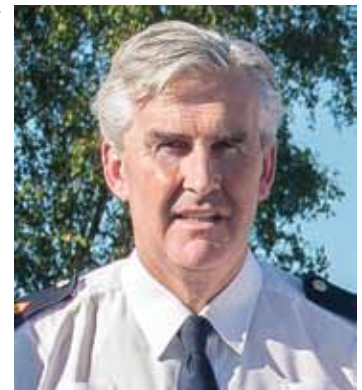

Municipal District Manager
Angela McAllen.

was acknowledged that the very vast majority of people who visit and socialise in Killarney do so responsibly.

'We are pleased that An Garda Síochána is investigating this one-off incident and it was agreed that this type of behaviour will not be tolerated.

'There has always been excellent

Superintendent Flor Murphy.

stakeholder engagement in Killarney, and we continue to work together to ensure measures are in place to facilitate a safe and enjoyable visit to our town for all. In light of the increasing numbers of coronavirus cases nationally, we are appealing to members of the public and businesses to continue to act responsibly to limit the spread of the virus,' they said.

Actions condemned by Killarney Chamber

Paul Sherry.

Killarney Chamber of Tourism and Commerce is very disappointed and upset by the antics and behaviour of a group of people who blatantly ignored social distancing requirements on the streets of the town in the early hours of Sunday morning.

An overwhelming majority of people in Killarney and businesses in the town have adhered to public health guidelines and restrictions introduced by the Government and Health Service Executive during the course of the pandemic.

It is disappointing that some people see fit to act irresponsibly with little or no respect for others. Killarney Chamber of Tourism and Commerce

pleads with everybody to behave in a responsible manner in terms of implementing Covid-19 social distancing requests and to make one final push to ensure everybody can finish the holiday season in a safe manner.

The Chamber encourages people to adhere to social distancing, face coverings and other public health guidelines, as recommended by the authorities.

Kerry County Council and businesses in Killarney have introduced several measures to keep everybody safe and we would urge everybody to respect them.

In her column with the Killarney Outlook - Marie takes to the highways and byways meeting locals and telling their story

She's a people's person, a community person, a Killarney gal... Marie meets Grainne who is celebrating 20 years in business

For two decades of her life she's been selling children's shoes and she's not even four decades old herself.

How inspiring for any young person with an interest to start their own business. "I remember being just 17 years old in The Pres and I had an appointment to visit Eddie Sheehy, our Career Guidance teacher at the time. I told him 'I want to open my own shoe shop' and his words were 'I think you should nurture that Gráinne' so here I am Marie 20 years later" Gráinne O'Sullivan laughed. "He really did encouraged me".

I vaguely recalled at 17 wanting to be a backing singer for Mariah Carey or a Super Model travelling the world. Absolute notions. I wonder what Eddie might have said to me??? Not one bit grounded like Gráinne O'Sullivan who spent 10 years operating First Step Footwear at 15A Innisfallen Mall before moving up High Street for a further 10. "The running joke is that I moved up High Street to meet Anto Marie. Sure wasn't I the lucky girl???". I'm sure it was Anto Cronin, son of Tommy Cronin's butchers across the road, who had the windfall that day Gráinne.

With 'Back to School' and reopening a business of 20 years within a pandemic, I had to ask Gráinne how things were going these last few months. "It's a completely different way of business Marie. Having been closed for 3 months, it was hard. Like many business's now, we work by appointment for the children's shoes. It's safer for us and it's safer for them. It's been hard yes but it's been the locals that have kept us open. I am so grateful for that. Would you believe I was only thinking last night that I remember my very first customer to First Step Footwear, Bernadette Randles. Down through the years I have made great friends Marie and I adore what I do. I have friends for life through my work. I've built of relationships with children who recognise me and say Hi in the street, some of which are now returning for their debs shoes!! And the best part is I have my own little girl Aoibhín to put shoes on now too! Children will not remember your words but they will remember how you made them feel".

"I was lucky to grow up with a great Dad, managing his own business at Killarney Carpet & Furniture Centre on High Street Marie. I learned from the master. I could see the blood sweat and tears that went into owning your own business but Dad loved it and I too adore what I do too. Owning your own business is your baby, your child and I pretty much grew up with my business. I was lucky enough to meet up with one of the Startrite Reps in Dublin one day who

gave me a leg up to start off and one month later First Step Footwear was open."

Gráinne has always given back to the community of Killarney and has been involved in so many local events and charity fundraisers - Christmas in Killarney Committee, Celebrity Jigs & Reels, Killarney Sing Off, Strictly Come Dancing (Winner Chicken Dinner 2015), Tops of the Town ...to name but a few. She's a people's person, a community person, a Killarney gal!!

"So pardon the pun now Gráinne but why is it that your sister Maria decided to follow in your footsteps"? I could hear a burst of laughter from the other side of the shop from Maria "Because I was going off nursing to London Marie and Gráinne couldn't bear to be without me" Maria laughed. "Well that's partially true Marie" Gráinne interrupted. "Well it's completely true if the truth be told. Maria wanted to do

nursing and travel the world with her career but I sold her the job of being her own boss and working with me but under her own business at Whos4Shoes both located at 74 High Street. With 15 years in the bag next February for Maria at Whos4Shoes, these gals are here to stay!!

Much to my disappointment due to the accumulating amount of editing of First Day at School at awaiting me back home, I left High Street as Gráinne, Maria & Michelle popped a champagne. Congratulations Gráinne. Here's to another 20 years of success.... I'll be back to see you in another five years Maria O'Sullivan!!! You can be sure of it.

CULTIVATING HOPE

Season of Creation 2020

The Diocese of Kerry focuses on the theme of Climate Change for the 'Season of Creation' 2020 'Cultivating Hope - A Faith Response to the Climate Crisis'.

The Season which runs from September 1st to October 4th is a time when Christian churches around the world focus on prayer and action in the hope of protecting the natural world or creation which is Our Common Home. This time can be described as the churches' eco time. It closes on the 4th October, feast day of St Francis of Assisi and Patron Saint of Ecology. The words 'Our Common Home' are those used by Pope Francis in his letter 'Laudato Si' on Care for Our Common Home'. This letter is addressed "to every person living on the planet".

All parishes across the diocese are being encouraged to mark the Season in some way. This year, to adhere to Covid 19 guidelines, all 52 parishes in the diocese will receive electronic copies of the Cultivating Hope - A Faith Response to the Climate Crisis Leaflet which explains the theme and gives suggestions of practical actions which can be taken in the areas of biodiversity, energy, avoiding food waste and reducing plastic pollution.

The leaflet will also be available on the diocesan website www.dioceseofkerry.ie and diocesan facebook page. The 5- week Season gives parishes the opportunity to include the theme in a Sunday Mass, and again various liturgy resources for this are being sent to parishes including a short outdoor liturgy suitable to small groups. The Radio Kerry programme 'Horizons', the daily 'Just a Thought' and the diocesan facebook page will all highlight the theme across the Season.

Lorna Gold Climate Activist with Sylvia Thompson.

A free Webinar: 'Cultivating Hope - A Faith Response to the Climate Crisis' is planned for September 17th. The diocesan Justice, Peace and Integrity of Creation Committee (JPIC) will host this webinar in conjunction with the all-Ireland Laudato Si' Working Group of the Irish Bishops Council of Catechetics. It will take place at 8pm on that Thursday. This will feature Lorna Gold, author of 'Climate Generation' as keynote speaker and she will be joined by a panel of local activists in what promises to be a wonderful hour of encouragement, practical

suggestions and networking. Registration details can be found on www.dioceseofkerry.ie. "The climate crisis requires our decisive action, here and now and the Church is fully committed to playing her part." Pope Francis. €450,000 FOR CYCLE GREENWAY

Following years of putting Notices of Motion on the agenda to the Killarney Municipal Council and prior to that to the Town Council Cllr. Michael Gleeson has warmly welcomed the allocation of €450,000 for the development of a Walkway/Cycleway from Ross Road to Muckcross Road partially along by the bank of the River Flesk.

"This pathway will be a wonderful addition to the recreational facilities of the area and will allow walkers and cyclists to travel from Ross Castle to Muckcross House without having to contend with the traffic congestion close to town", Cllr. Gleeson told Killarney Outlook.

"The pathway will be fully lighted to allow for safe use at night time and will be an invaluable facility for individuals and groups pursuing fitness routines. It has taken many years to receive the allocation and despite many disappointments the news of the allocation is to be celebrated. I thank most sincerely the groups and individuals whose cooperation made this development possible", he added.

In her column with the Killarney Outlook - Marie takes to the highways and byways meeting locals and telling their story

"I have no doubt the community of Killarney will get behind this very worthy fundraiser"

I found myself back at Killarney Celtic this week. Not much to do with soccer, golf this time.

A meeting was in full swing and the drive to help the Downey family was unanimous amongst all five present L-R Connie O'Sullivan (Killarney Cue Club & Organiser), Dermot Cronin (Kerry Mortgage Centre),

Tim Jones (Killarney Celtic) Tim O'Sullivan (CoOrganiser) & Keith Cummins (CoOrganiser).

Mother of six, Joanne Downey, tragically lost her life following injuries of a road traffic accident, in Killarney, in July. Joanne was a hugely popular lady on Dennehy's road, noted for her kindness and dedication to two of our local sporting clubs Killarney Celtic & Killarney Legion. As a personal friend of the family, Connie O'Sullivan, Killarney Cue Club has joined forces with both clubs for to sponsor 'The Downey Family Fundraiser' and has asked the our community of Killarney to help out in any way they can.

"I've known the family well since they moved to Killarney - Mark, Chris, Katriana, Ellie, Shane and Cassie and Joanne's grandchild Éabha. We have organised a Golf Classic at Beaufort Golf Club Marie. Teams of three, at €150 per team and it will be held at Beaufort Golf Club on Friday 25th and Saturday 26th September. We've put it out over two half days to accommodate as many teams as we can get. We would be thrilled to reach full capacity of 60 teams Marie" Connie told me. "I am absolutely delighted to have both Killarney Celtic & Killarney Legion on board to drive this fundraiser. I really couldn't do it without them. I was earlier chatting to Joanne's family who really are grateful for

support they've received from Killarney to date and are genuinely overwhelmed by golf classic".

There was one thing to note and that was the telephone number of Connie's brother Tim - 087 927 3694. This is the number to all to book your team on The Downey Family Fundraiser Golf Classic.

As I left I made a small donation myself and thought, if everyone gave as little as I did without ever lifting a golf club, wouldn't it make the world of difference to one family. "If you've no interest or never played golf in your life, we are ever so grateful for any form of donation, no matter how small" Connie told me. "And if there's anyone out there that would like to come on board and help us out we'd only be too delighted".

Thanks for having me lads. I have no doubt the community of Killarney will get behind this very worth fundraiser.

BRENDAN TAKES A TRIP *down memory lane*

An avid collector of all things old has come across what is possibly one of the earliest brochures for a Guesthouse in Killarney.

Brendan O'Sullivan from Crohane purchased the brochure on an online auction and on receiving it realised that the brochure for Gleison's (sic), Killarney was one of the first printing jobs undertaken by Killarney Printing Works in 1913.

Situated at No. 7 York Terrace, the brochure

offered visitors to Killarney, excellent accommodation combining comfort and cleanliness with views including Mangerton, Torc and Purple Mountains, Killarney House and Deerpark.

"Unusually for the time, No. 7 York Terrace was 'Lighted with Electricity', Brendan told the Killarney Outlook, 'when you think that electricity was only installed in Muckross House in 1970, it shows that David Gleeson definitely was a man before his time' he added.

"I decided to delve further into the history behind the owner of the house and it seems that he appeared in court for trespassing on the platform of Killarney Railway Station while touting for business", Brendan said.

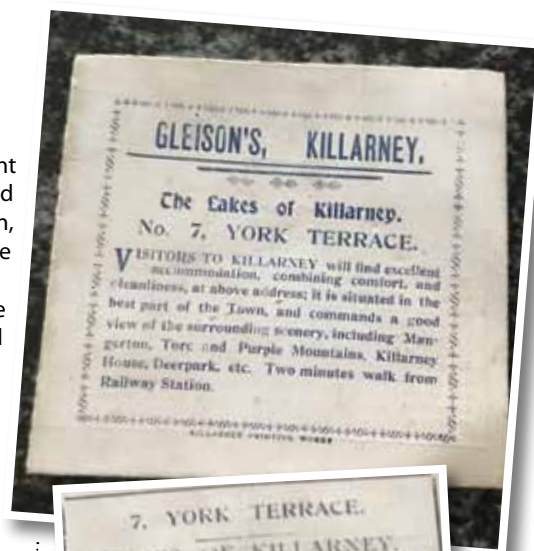

An article in the Killarney Echo stated that a witness saw Mr. Gleeson speaking to two ladies and handing them a card, the witness ordered him to leave but "he laughed and did not go off". At the time, buses from hotels like the Lake Hotel, The Innisfallen Hotel and The Victoria Hotel would wait for guests at the station which was owned at the time by the G S & W Railway Company.

"Another interesting fact on the brochure is that it was just printed when Killarney House burned to the ground", Brendan added. "The house was mentioned as one of the views from the residence on the Lewis Road", he added.

David Gleeson was married to Elizabeth Gleeson and they had one daughter, Noreen.

Gleison's Killarney offered Bed and Breakfast for 3s 6d per day with Dinner costing 2s and Tea costing 1shilling.

Excursions around Killarney were also on offer

with
a

Grand Tour of the Lake taking visitors from the northern shore of the Lower Lake across the River Laune and on to the Gap of Dunloe. Following lunch onboard while going through the Upper Lake, it was onto the Long Range, shoot the rapids at the Old Weir Bridge, proceed through the middle and lower lake and arrive at Ross Castle where a car would bring you back after a "grand day's excursion". The same "Gap Trip" is still available on the Lakes of Killarney.

Firies Football, Hurling & Ladies Football Club Lotto *Returns with a difference*

Firies Football, Hurling & Ladies Football Club are delighted to announce the return of our club Lotto. The first draw since March 13th will take place on Monday 7th September.

The club's Lotto continues to be one of the main fundraising activities for the club, therefore its continued support is vital to support the club's day to day activities. Along with the club's traditional physical lotto tickets, we are delighted to announce we are now making it easier for everyone from all parts of the world to have the same chance of winning with our new online lotto via clubforce.

Via the online app, one can buy tickets ranging from weekly to annual options.

Like the majority of clubs, the main source of income for Firies GAA Club is through our weekly Lotto. Through these funds we are able to

provide further training and games to develop all the club members. Our Lotto was suspended when the Covid-19 shutdown was put in place but unfortunately many of our running costs still remain and have to be met in full for the year. These included all team affiliations and activity fees, insurances, grounds maintenance, training balls, hurling helmets and huris. With no income from our weekly Lotto this has put a strain on the club finances. Therefore, we are asking that everyone make a special effort to support our club lotto. The club is extremely grateful for any contribution made and all funds raised go towards providing games and activities for all members of the Firies community.

Tickets are also available to purchase physically in some of the local shops incl. Aherns Pharmacy, Farranfore, Sherwood Bar and Restaurant

Farranfore, Sheehans Shop Farranfore, Moriarty's Centra Farranfore, Bridies Shop Firies, Hendersons Shop and Bar Firies and from all the usual sellers. We thank these businesses for their continued support. Having built up a lotto jackpot before the stoppage, next week's jackpot will commence at €2,800.

Everyone can enter online at:

https://play.clubforce.com/play_new.asp?l_id=2188&_ga=2.80382615.1863781481.1598602547-510776156.1572513035#Anchor or via mobile Clubforce App. Options are available for 1, 5, 10, 25 & 52 weeks, ranging from €5 to €100.

Thanks to all for playing our club lotto.

In her column with the Killarney Outlook - Marie takes to the highways and byways meeting locals and telling their story

All 58 kids bounced in the door here last week which is the main plus for me - Marie meets Principal Conor Gleeson

If your home was anything like mine this week, you will understand the sheer excitement from children and parents alike at the reopening of our local schools.

Thankfully the delight outweighed the anxiety of the unknown and I busied myself visiting the Junior Infants on their first day at school. With many teachers in my family, I decided to have a chat with Principal Conor Gleeson to hear how things were going, and how things went throughout lockdown for the students at Tiernaboul NS.

"When we heard the announcement that schools were to close with immediate effect back in March we prepared ourselves by contacting all the parents and continued our studies via email correspondence. The initial thought was it was precautionary and we'd be back in full swing after the Easter holidays. As we neared the time, it became apparent that we would not be going back to school so the teachers and I got together with a plan and decided to use the popular schooling app 'Class

Dojo'. It was full on getting a routine going for both the children and ourselves, all the while being aware of the difficulties the children and parents may have, especially those with extra requirements. Crazy times Marie! If you saw it in the cinema you'd be sure you're watching a fiction movie" Conor told me. I totally agreed. If you were actually to sit down and come up with an incident that would stop the entire world..... you just couldn't write it! "The children of 2020 are living through history probably unknowns to themselves, and their children will be reading about this in years to come". That thought provoked the notion of a little project of my own, perhaps a Covid19 book of all the people I have met since last March. I for one, wanted dearly for this to be the last chapter!

"As a team here at Tiernaboul NS, we organised a really cool project. Each child created a time capsule of their thoughts and feelings and what they were getting up to in general through out Covid19. We then buried these capsules on the school grounds and we will open them again in twenty years time on 12th March 2040. I will be long gone from Tiernaboul NS by then but if I'm still in the land of the living, it's a place I would love to be" Conor said.

"So how were things for you Conor, outside of school during lockdown" I asked. "Do you know what Marie, I spoke to many of my neighbours I had never had the opportunity to chat with before and Denise, Jack, Doireann & I found many 'off the beaten track' trails to explore in our area. We are now the proud owners of a chicken coup at the Gleeson household, housing 11 hens and Jack & Doireann have used their entrepreneurial skills to target Nana & Grandads pockets for the sale of eggs!" Conor laughed.

"I've missed my involvement with Spa GAA. As a family, all our weekends revolved around sport in general. I am involved in helping Liam Corcoran with the U10 boys and to be fair, we've had fun setting home challenges and compiling 'pass the ball challenges' via video, I think it was Tick Tock". "Over all I think children adapt well Marie. Sometimes better than adults. All 58 kids bounced in the door here last week which is the main plus for me. We've a new drop off/pick up system in place and each class enters and exits through their own class door. We've decided no homework for the coming weeks to decrease the possibility of transmission and give us a good head start". I'm personally delighted to be back and I am very grateful to my team - The Board of Management, The Parents Council, my staff & the many parents who have helped us out. I am also eternally grateful that the Zoom PE classes have finally finished" Conor told me. I was intrigued. Zoom is a web-based video conferencing tool/app allowing groups of people to meet up in a classroom/work/social environment when they cannot physically be together. The best thing since sliced pan in Covid times!! "You know Pdraig O'Suilleabh  n who teaches here Marie?? He plays with the Kerry Juniors and with South Kerry??? Put it his way, I'm sure the Mammies were far more impressed with his warm up, activity and cool down than that of my PE routine. He's ripped"!!! We laughed as I left.

Thank you for having me at Tiernaboul NS Principal Gleeson. It's great to see so many children happy to be back at school and it was great for me to meet the many Junior Infant children in our community who began their journey this week too.

€590,000 for capital works and equipment for Institute of Technology Tralee - Griffin

Some €590,000 has been allocated for capital works and equipment for Institute of Technology Tralee, Deputy Government Chief Whip, Brendan Griffin TD has said.

Deputy Griffin said the funding will allow institutions address small-scale capital investment and equipment needs based on their own priorities, including health and safety works, infrastructure upgrades, ICT and equipment renewal, and energy-related upgrades.

Deputy Griffin said: "This funding provided by my Fine Gael colleague, Minister for Further and Higher Education Simon Harris, represents a significant increase in the devolved capital grant for the higher education sector and the extension of the grant to universities for the first time in nearly a decade.

"Institute of Technology Tralee plays a hugely important role in the fabric of our community here in Kerry.

"It is essential that IT Tralee can reinvest in their existing estate, renew and update their equipment, and can make capital investments to respond to developments in online and blended learning.

"Ongoing capital investment is essential to ensuring a high-quality academic environment and a positive campus experience for students and staff. "This flexible funding complements other targeted capital investments in the sector that will help expand availability of student places and transform campus infrastructure over the coming years.

"It also comes at an important time as the

sector begins to prepare for the return of students next month," Deputy Griffin said.

Note to Editors:

Today's announcement is in addition to the €168 million package of Covid 19-related supports for further and higher education institutions announced on 22 July.

The grant will be allocated to individual institutions in accordance with a model based primarily on student numbers, weighted by course type and mode of student.

Funding will be provided by the Department of Further and Higher Education, Research, Innovation and Science through the Higher Education Authority (HEA).

Previous allocations under the Devolved Capital Grant have had a significant positive

impact on campus development, facilitating initiatives such as upgrading of laboratories, replacement of obsolete ICT equipment, installation of energy efficient lighting, and repurposing of existing spaces in line with the needs of students and staff.

The funding forms part of ongoing investment in the higher education sector under Project Ireland 2040. The allocation represents a significant increase from the €10 million provided in recent years. Previously limited to the technological sector, grant funding for the coming academic year is being extended to the university sector for the first time since 2011.

€16 million support package to help pubs, bars and nightclubs - Griffin

Brendan Griffin TD.

A further €16 million support package announced this evening by Government will help pubs, bars and nightclubs in Kerry, Deputy Government Chief Whip Brendan Griffin TD has

said. Deputy Griffin said the funding recognises the huge economic impact on businesses in this sector and will help assist these businesses with planning and adaptation for their reopening.

Deputy Griffin said: "It has been an extremely challenging time for the owners of pubs, bars and nightclubs and their staff across Kerry.

"I am pleased to confirm that those businesses remaining closed and planning their re-opening can now receive a minimum of €5,600 and a maximum of €35,000 under the Restart Grant Plus.

"This can be used to help additional expense and adaptations associated with re-opening when the time comes.

"These businesses will also benefit from a waiver of court fees and associated excise and stamp duties relating to the renewal of pub and other liquor licences in 2020, as well as a waiver of excise duty on on-trade liquor licences on renewal in 2020.

"These measures are in addition to the existing Restart Grant Plus, Tourism Adaptation Fund,

the wage subsidy scheme, commercial rates waiver, liquidity supports and tax measures (such as warehousing of tax debt and reduction in VAT).

"Pubs are an important part of the social fabric of Kerry and the measures announced today are another support to help them come through this very challenging time and be able to reopen when the time is right," Deputy Griffin concluded.

Tánaiste and Minister for Enterprise, Trade and Employment Leo Varadkar said: "It's been a really difficult few months for pub owners. Our publicans are making a massive sacrifice to protect their communities and the government is determined to help.

"This package, in addition to the grants and subsidies already available, will help pub owners with expenses to do with getting ready for re-opening. The increase in the Restart Grant Plus means pubs that are remaining closed will receive a minimum of €5,600. We want to make sure that our pubs are in a position to reopen as soon as it is safe to do so."

OPEN LETTER FROM ACTING CHIEF MEDICAL OFFICER

to parents and guardians of school children and to teachers and affiliated school staff

To parents and guardians of school children in Ireland,

I am very aware that many of you are worried about the reopening of schools and the associated risk of COVID-19 for your children.

This concern is natural and is to be fully expected after a period of six months during which we have all had to adapt to the challenges posed by COVID-19.

The decision to reopen schools has not been taken lightly and has been based on guidance produced by international bodies including the World Health Organization (WHO) and the European Centre for Disease Prevention and Control (ECDC); scientific evidence regarding the risk of COVID-19 in school children and staff; the experience of other countries that have not closed, or have reopened, their schools; our own experience having reopened childcare settings and summer camps since June; and evidence regarding the importance of school for the overall health and wellbeing of children.

International evidence shows us that child-to-child and child-to-adult transmission of COVID-19 in schools is uncommon. In addition, our own experience to date in Ireland, and indeed that reported internationally, demonstrates that for the overwhelming majority of children who are diagnosed with COVID-19, their symptoms will be mild.

The importance of schools for the overall health and wellbeing of children cannot be overstated, and the risk of COVID-19 has been carefully weighed against the very real harm that can be caused by sustained school closures. Schools

play a fundamental role in the social life of children; they are where children are educated, make friends, share interests, learn social skills like self-confidence and empathy, and participate in sport and cultural activities. Of course, as we continue to navigate our way through this pandemic, there are no zero risk options for reopening schools or indeed any other environment; the aim, therefore, is to reopen in as safe a way as possible by ensuring that all appropriate public health measures such as physical distancing, hand washing and respiratory hygiene are implemented where appropriate.

Schools are at the heart of our communities and the best way to protect them is to keep the level

of COVID-19 in the community low. As parents and guardians, you can play a key role in this, both through your own actions and through the influence that you have on your family and friends. If all of us continue to make small changes to the way we live, we can - together - starve this virus of opportunities to transmit.

While it is okay to send your child to school or childcare if they only have a runny nose or a sneeze, if you have any concerns that your child has symptoms of COVID-19 - fever, cough, shortness of breath, loss of taste or smell - then please keep them at home until you have spoken with your GP by phone. Lots more information is available at gov.ie/backtoschool and hse.ie.

There will be cases of COVID-19 among children over the coming days and weeks, as there have been throughout this pandemic to date. But when this happens our public health teams in the HSE will respond and liaise closely with the school involved and ensure that all necessary measures are taken to protect other students and school staff.

Finally, I want to take this opportunity to thank you for all you have done to keep your family and our communities safe over the past seven months. I also want to thank all teachers, principals and school staff who have worked so hard to ensure that our schools are ready to reopen - it is just one more example of the incredible solidarity that has defined the way in which people all across the country have come together to play their part in getting us through this pandemic.

Dr. Ronan Glynn, Acting Chief Medical Officer, Department of Health.

MONEY MATTERS.....

By Dermot Cronin, Financial Advisor

ARE YOU PAYING TOO MUCH FOR YOUR LIFE COVER?

Yes, you could be paying too much for your life cover. If you took out life cover for any reason personal, business, mortgage etc you need to review this regularly. You need to do this for a number of reasons:

- Your circumstances may have changed since you took out the policy and you may not need as much cover as what you have at present.
- The cost of your cover today may be less than what you are paying for it.
- Your premium may not have been compared with premiums from other life companies when you took it out, this can and should be done for you now.
- You may have been a smoker in the past and are a non smoker now with over 12 months.
- You could have been charged a higher premium in the past for health reasons, this higher premium may not apply now.

If your life cover premium was reduced by €20 per month, over the next ten years that's saving you €2400.00. We are all trying to find ways to save money, this is one way that you could save money. Contact a financial advisor who is an agent of different life companies, they will review your cover and explain the options available to you.

To make an appointment or contact me in relation to the above or any other matter call me at 0646622775 or email dermotcroninif@gmail.com.

Emergency Card Scheme for Family Carers Ireland launched

Catherine Cox, Head of Communications and Carer Engagement with Family Carers Ireland, Dr. Kathy McLoughlin, Head of Strategic Partnerships and Innovation, Family Carers Ireland, Gavin Hennessy, Group Diversity and Inclusion Manager, Irish Life, Inspector Jim Clavin, An Garda Síochána, Mark Callanan, Community Engagement Officer, National Ambulance Service Community, Comdr Brian Power, The Order of Malta, Pauline McDermott, The Irish Red Cross Agnes Guste and Jurgita Pakste, Sensory Space. For more information visit: www.familycarers.ie PHOTO: MARK STEDMAN

A Family Carers Ireland's Emergency Card Scheme was launched this week by An Taoiseach, Micheál Martin.

Family Carers Ireland (FCI), in partnership with An Garda Síochána, the National Ambulance Service Community First Responder Schemes, The Irish Red Cross and The Order of Malta have developed a new Emergency Card Scheme for family carers. When a family carer has an unplanned hospital

admission there is a risk that the person who needs their care and support could be left at home alone and uncared for. The Emergency Card Scheme is intended to give peace of mind to family carers as well as ensuring that the person they care for remains safe in such emergencies.

The new scheme can be broken down into 4 simple steps:

Step 1. Family carer completes FCI Emergency Care Plan with or for their loved one outlining

their care needs, likes, dislikes, medication requirements etc.

Step 2. The Family Carer nominates two people who will step into their caring role in the event of an emergency and provide FCI with these details as part of their Emergency Care Plan

Step 3. Completed Emergency Care Plan is sent to FCI and family carer receives their Emergency Card which they carry at all times. The card includes a Freephone emergency helpline number.

Step 4. In the event of an emergency, and where a person's named emergency contacts are unavailable, Family Carers Ireland will determine the person's needs and either mobilise:

A red response (for a person who needs a high level of support), where a member of An Garda Síochána will visit the person and decide if the person requires transportation to the emergency department as a place of safety; or A green response which will include contacting a pair of volunteers from either the National Ambulance Service Community First Responder Schemes, The Irish Red Cross or The Order of Malta to sit with, and to support the person until a home care package can be organised. During this emergency period FCI may also provide up to 72 hours of in-home emergency support where appropriate. The Emergency Card Scheme has been funded by Irish Life and with the support of Dormant Account fund administered by Pobal. A social story (accessible storyboard) to explain the scheme has also been developed with the support of Sensory Space. For more information on the scheme please visit Family Carer's newly launched website: www.familycarers.ie

Holly Passes Away After A Brave Battle

In our issue of July 31st 2020, we highlighted a campaign to send a Dublin mum to America for a cancer trial. Holly Kennedy had been diagnosed with triple negative breast cancer which is a very aggressive and fast-growing breast cancer at the age of 32. She found a lump while breast feeding her 4 month old baby boy. Holly underwent 13 months of treatment including, chemotherapy, surgery and radiation. Holly was accepted on a cancer drug trial in June by an American pharmaceutical company called CytoDyn in the USA but this was not to be and on Tuesday of this week, Holly lost her battle with cancer.

Holly had been supported in her campaign by local photographer Evelyn Woodard who said she was saddened to hear the news.

In a post on Holly's digital

magazine Happy, her husband Andrew said "It's with the deepest regret to tell you all Holly my wife lost her long battle with Cancer. She was such a special lady. She passed away peacefully holding my hand. I have lost my best friend, wife and soul mate. My son has lost the most caring mother".

TG4 visits Gort na Tiobhratan, Baile Bhúirne

The beautifully scenic Bailte series produced by Aniar for TG4 will air a very special episode on Gort na Tiobhratan later this month where presenter Síle Nic Chonaonaigh visits the town land in the heart of the Muskerry Gaeltacht. The episode filmed back February will feature the fascinating and intriguing sites around Gort na Tiobhratan as well as a few well known knowledgeable residents.

Síle met up with local beekeeper Micheál Ó Ceallaigh who guided her along the traditional pilgrimage routes of Saint Gobnait, and was also

entertained into a Road bowling masterclass by Micheál Ó Ceallacháin. Síle also met with local bookshop 'An Gadaí Dubh' owner Conor Kelleher to shed light on some of the more vulnerable nocturnal wildlife in St Gobnait's wood. On the most important day of the year in Gort na Tiobhratan, St. Gobnait's day, Síle met those who make the annual pilgrimage and finds out what attracts them to this ancient magical place.

Airs - Thursday 17th September at 8pm on TG4.

A LITTLE TRAUMA FOR TIGHTER, SMOOTHER SKIN

MICRONEEDLING originally known as COLLAGEN STIMULATION THERAPY works by encouraging your skin to make more collagen through the skins own natural healing process. This is an excellent treatment for scarring, fine lines, loose skin, uneven or pigmented skin, enlarged pores and blackheads. Thousands of tiny needles prick the skin using a roller or a pen, causing it to bleed and release platelets which in turn release a cascade of GROWTH FACTORS. This stimulates the production of collagen and elastin, resulting in a tighter, smoother, younger looking skin. For best results, skin should be prepped for microneedling using topical vitamin A and C for at least 4 weeks. A numbing cream is applied beforehand to reduce discomfort as the super fine needles puncture the skin. A peptide gel mask is applied afterwards to soothe, heal and plump the skin.

Skin will feel tight and warm and can look like mild sunburn for a few hours after the treatment. Correct aftercare is essential for 2-3 days after as skin is open to infection from bacteria. Only Mineral makeup can be worn, mild cleansing of skin with lukewarm water and SPF must be applied daily.

We recommend a course of 4 treatments over 4 – 6 months. Results can be seen immediately, a radiant glow and tightened pores but your skins texture continues to improve up to 1 year after treatments.

A course of Microneedling is €600 and takes 90 minutes per treatment.

When the waves of life come crashing in – Be unsinkable!

When life is pottering along in its usual way everything feels comfortable and good in our world. However, when the waves of life come crashing in, we need to know how to navigate those storms. The key is to keep a buoyancy in your spirit that is unsinkable so that no matter what may happen in your life, you are always in touch with the undercurrent of joy and peace that flows through you.

Here are my top 3 keys for riding those waves and being unsinkable!

- Accept what is happening. When you have news that frightens or upsets you try to accept what is happening in the moment.

Fighting the waves won't change them, it will just tire you out and leave you drained.

- Express your emotions. To heal is to feel. Give yourself permission to cry, be angry, upset, shocked or whatever you are feeling. Allow your body to release the emotions.
- Understand that you have two choices from what has happened. You can make the fear choice or the growth choice. Choose to grow and learn and move beyond. It may take time, courage and patience, but you can do it.

TIPS TO HELP
YOU STAY MOTIVATED

B WELL
FITNESS CLUB

A LITTLE NOTE FROM EDELE ON OVER EXERCISING AND UNDER RECOVERING

As exercise professionals we are always promoting people to move more and eat healthy. However there is a vast majority of people that are moving too much, over training, and under eating. You might say "why not?" The more you move the more you loose right? ... well the truth is you could be putting your body under too much stress causing burn out, fatigue, exercise regressions, illness & many more negative side effects. Yes our bodies need to move more and to get results & improvements in strength and fitness you have to put certain amounts of exercise stress on the body, but the key to progressions is in fact recovery. When you exercise you tear muscle and the protein in your diet repairs and grows that muscle to be a stronger muscle for the next exercise challenge. If you do not give the body rest or active recovery days you risk damaging the body and even seriously injuring yourself. It of course depends on how active you already are so for example a pro athlete might do a recovery run or a yoga session on their recovery days whereas a total beginner might do these activities on their workout days and a complete days rest or a walk might be their recovery.

How to find out what is the right exercise balance for me?

I would advise 2 days recovery per week be it active recovery or total rest. If you have had a heavy gym session or exercise class workout I would advise taking the next day or day after as a rest day. You will find you will hit your next workout harder if you just recover correctly. A recovery day is a great time to foam roll, stretch, meet a friend for a gentle walk or gentle run., or simply get outdoors having fun with kids.

Recovery also means good fuel into the body so make sure after each workout you fuel up with a balanced nutritious home cooked meal. And finally make sure you are fueling up with the correct calories for your energy demands. Under eating and over training can cause burn out, reduced muscle tone, binge eating and could even lead you down the road to an eating disorder.

LEAVING CERT 2020 CANDIDATES DESERVE VERY GOOD RESULTS ON MONDAY

By Billy Ryle

The long wait for 61,000 Leaving Cert candidates finally comes to an end on Monday, when the results of the calculated grades process will be published.

Leaving Cert results will be issued to candidates via the calculated grades student portal on Monday at 9am. Log into the portal using your candidate examination number and personal identification number (PIN). Leaving Cert calculated grades will be simultaneously issued to students' schools at 9am.

Leaving Cert candidates have been through an emotional mill since last March. They have suffered the distress of uncertainty and indecision. They have ploughed a lonely furrow in a bubble of virtual reality. They had no closure as they completed their second level education. They had no opportunity to sit the Leaving Cert exam. Leaving Cert exam results, which are normally available in mid-August, were delayed until 7th September. These resilient young people have endured more angst than any Leaving Cert Class that went before. If any Leaving Cert cohort ever deserved success, this current class most certainly does. It is my fervent hope that Monday's calculated grades results will bring joy unconfined to each and every Leaving Cert candidate after the anxiety and mental anguish they have

suffered during the past six months. At this stage, they are entitled to move on to the next stage of their young lives. At a press conference on Tuesday afternoon, Minister Norma Foley announced that the previous performance of individual schools in past Leaving Cert exams was not used in the standardisation of calculated grades. That was a very egalitarian gesture by the Minister and was warmly welcomed in education circles. It was also revealed that about 79% of grades are at, about 4% are above and about 17% are below the school's estimate. But the devil will be in Monday's detailed results.

A written Leaving Cert exam will be provided from 16th November if the prevailing health environment allows. That exam will be open to all 2020 candidates. It will take place in the evenings and at weekends. Candidates taking the November exam who are also receiving calculated grades on Monday will be credited with the higher of the two grades. They will also be able to combine grades from both results for college entry requirements and points. But the November exam will be of little use to the 61,000 young people whose sights are firmly focussed on moving on this year.

Because the Leaving Cert results aren't available until Monday, 7th September, CAO applicants will have to wait for Round One,

the main body of CAO offers to be issued at 2pm on the 11th September. Already this year, on 18th July, CAO issued offers in Round A to 5,800 deferred applicants, mature applicants, applicants who have completed an Access course and applicants who need to make visa arrangements before they can take up a college place. Another early round, Round Zero was issued on 8th August to 4,411 applicants who were not competing with those awaiting 2020 examination results or who were assessed on other criteria. In total, 78,168 applications were received by the CAO this year.

That means there will be more than a three-month gap between the issue of Round A college offers on 18th July and the final round of college offers, Round Five, which will be in mid to late October. Best of luck to all candidates receiving Leaving Cert calculated grades results on Monday. Go néirí go maith libh go léir. In the next article, I will analyse the Leaving Cert calculated grade results and give some advice about accepting Round One offers.

County Minor Final

EAST KERRY MAKE IT FIVE IN A ROW

East Kerry 1-17 St. Brendans 3-8

By: Jimmy O'Sullivan-Darcy

East Kerry made it five in a row, seeing off perennial rivals St. Brendans for the third time in four finals.

This was easily the best of them all – certainly the best game of this topsy turvy year and the best County Minor Final that I can remember.

Understandably, East Kerry went into this one as red hot favourites – their lowest winning margin en route had been 11 points. But that favourites tag certainly didn't last long once referee Daniel Clifford threw in the ball. St. Brendans made a blistering start. Darragh O'Sullivan was uncharacteristically off target with their first effort but they put good pressure on the kick-out and it yielded a point on the burst by wing back Jerome Daly. Good combination by Seán Brosnan and Darragh O'Sullivan saw livewire Dara O'Connor, a constant menace, slip through on goal before being illegally halted in his tracks. Earnan Ferris hit a great penalty, but William Casey made a great save, only for Ferris to nip in and tuck away the rebound. St. Brendans 1-1 East Kerry 0-0. Game on! If St. Brendans impressed from the start, the response by East Kerry was only spectacular. Killian O'Sullivan opened their account – Paudie O'Leary excelled at minding the house from midfield while captain O'Sullivan had license to drive forward, great teamwork by both players. Aaron O'Shea won and converted a free, and then won another for Tommy Bowler to work the scoreboard. Cian Foley took a fine point on the run. Killian O'Sullivan doubled his tally. St. Brendans were reeling now, but Oisín Maunsell in midfield won a free for Darragh O'Sullivan to convert, with Dylan Roche replying. 0-6 to 1-2 in favour of East Kerry at the first water break. Aaron O'Shea (f) and an excellent Michael Mullane stretched the lead on the restart. Dylan Roche sent a very dangerous ball into the St. Brendans' square, but Cian Kearney neatly cleared his lines. At the other end Dara O'Connor was a constant threat and won a free for Darragh O'Sullivan.

Aaron O'Shea burst through the Brendans defence but his shot was

just wide of goal, but he pointed a free seconds later. This was very fast, enthralling football by both sides. East Kerry had the upper hand, but just couldn't pull away from a resolute St. Brendans' outfit.

Eddie McCarthy, another who stood out for St. Brendans with some radar-accurate long kick passes, teed up Dara O'Connor for a point, with Tommy Bowler replying.

Half-time East Kerry 0-10 St. Brendans 1-4 East Kerry left a couple of scoring chances behind them under very good pressure by the defence, but Cian Foley set up Darren Cronin to put four points between the teams. That lead lasted almost as long as a snowflake in June. Ronan Walsh bombed a high ball down on the East Kerry square, William Casey grabbed it, only for a lurking Darragh O'Sullivan to pounce in a way that would have made Oliver Twist's pickpocket mentor Fagin very proud and hit the net. 0-11 to 2-4.

Back again came East Kerry. Tommy Bowler won a free for Aaron O'Shea. Michael Mullane cut through with a fantastic drive but his rocket crashed back off the crossbar. At the other end Seán Brosnan was only denied by a brilliant save by William Casey, but his goalkeeping counter-part Seán Broderick put over the resultant '45. At the second water break East Kerry were clinging to a hard-earned one point lead, 0-12 to 2-5.

Aaron O'Shea's effort fell just short and Luke Crowley, always in the thick of the action once he joined it, was well blocked. At the other end Paddy

Walsh hit the post and Cian Lynch did well to block Earnán Ferris' effort. Oisín Maunsell, who was giving the kind of performance reminiscent of Seamus Moynihan or DJ Crowley in their heyday, made a fantastic midfield catch that ended up after good patient build-up in a Ben Hanafin point. Level pegging and all to fight for! Aaron O'Shea set up the lively Luke Crowley for the lead. Could they hang on to the lead in the dying minutes? Nope. A game that had seen some spectacular scores saw quite possibly the best one, Oisín Maunsell backing himself from long range and proving justified. A brilliant score.

When the whistle blew for the final whistle, the lucky few spectators remained fixed in their seats, while the enthralled viewers at home stayed glued to their screens. If movies rights could have been sold for a game like this, bids would have been coming in thick and fast.

First half of extra-time. Lungs heaving now and muscles beginning to creak, but heart and hunger completely undimmed. A whirlwind east Kerry move, Michael Mullane finding Luke Crowley in space and his immaculately timed pass reaching Kevin Bowler, who fired to the net. Killian O'Sullivan followed up with a rapid point and, in a game where scores were precious, East Kerry had four of them in hand. Surely, at last, the mountain was too high for St. Brendans to climb?

They are some outfit, St. Brendans. They gritted their teeth and adjusted

their climbing boots once more. Oisín Maunsell – who else? – won a free for Darragh O'Sullivan. The favour was quickly and dramatically returned, O'Sullivan grabbing the kick-out and feeding Maunsell at close range and the net billowed. After 77 enthralling minutes of football (including seven minutes of injury time), it was all square yet again, 1-14 to 3-8.

East Kerry had fresher legs on the field by now, with every sub slotting in seamlessly and playing a trojan part, and it finally began to tell. John Kelliher showed nerves of steel as he put East Kerry back in front. St. Brendans tried once more to dig out a response, but East Kerry were keeping that door firmly closed now. After Aaron O'Shea split the posts to leave them needing a goal, the writing was finally, finally on the wall, and the same player closed out a game that will live long in the memory. County Chairman Tim Murphy presented the Frank King Memorial Cup to East Kerry captain Killian O'Sullivan, while Peter Keane of sponsors' SuperValu presented the Man of the Match Award to Oisín Maunsell.

EAST KERRY GAA NEWS

By Michael O' Mahony

EAST KERRY 2 - 13 ST KIERANS 1 - 14

East Kerry have advanced, but only just, after a riveting County Championship Quarter final against a gallant St Kierans team in a game where the outcome was unknown till the final whistle.

The champions got into their groove early with Darragh Roche scoring two quick points from play to add to a David Clifford free before Eddie Horan scored the first of eight points he would get on the evening for the challengers. With Horan deadly accurate from both play and frees, and goalkeeper Sean Og O Ciardubhain even finding time to come forward and split the posts from a forty five, St Kierans would hold a two point lead as the water bottles were produced for the first time.

East Kerry needed a score to grasp back the momentum. It started as they launched an attack down the right hand side of the field. Paudie Clifford eventually found space and headed for goal. After holding off his marker, he coolly found the corner of the net with his left foot to bring the champions level. Evan Cronin's fine score then gave them the lead back before Philip O Connor replied from way out. Jack Sherwood's magnificent outside of the left foot shot meant East Kerry went in with a one point lead after a back and forth first half.

Midfielder James Walsh brought the teams back level early in the second half before Cronin struck another great point from out near the left touchline. St Kierans then had a golden opportunity to take control of the game. After Horan was pulled down after winning a high ball a penalty was awarded. Paul Walsh and his deadly left foot stepped forward to take it. He tried to place the ball in the corner but Shane Ryan dived to his left and pushed the ball to safety. Walsh scored his first point from play shortly afterwards before the score that would give St Kierans real hope of causing an upset came. Some quick hands moved the ball to James Walsh, and with East Kerry defenders swarmed around him, his right foot blast found the bottom corner. St Kierans would lead by three as the second water break arrived.

After their comfortable win against Feale Rangers East Kerry had elimination staring them in the face. Like all champion teams they faced it head on. After keeping David Clifford quite for most of the evening, he was about to leave his mark on the game. Firstly he got his first point from play to narrow the gap to two, and then came the games defining moment. Paudie Clifford went on another of his powerful runs along the end line before firing the ball across the goalmouth to Darragh Roche. Roche, having his route to goal blocked by the onrushing St Kierans defenders, was composed enough to hand pass the ball back to the waiting David Clifford. After nonchalantly dropping the ball on to his left foot he found the smallest gap between goalie and post to give East Kerry a lead they would not relinquish. There was still time for Clifford to be given a red card, but St Kierans chance had now gone. East Kerry progress after getting a massive scare.

HEALTHY CLUBS AUTUMN REPORT

My last report was during Phase 2 of lockdown and thankfully since then our club has prepared and adapted under the new Covid-19 guidelines. However, this week's update from our Government hasn't looked too favourably on our organisation. This is particularly disappointing from an underage point of view.

It is nice to see our footballers of all ages back in action, and the shop open for Club merchandise. While the new normal has its setbacks, the regular updates from Croke Park and County Healthy Clubs Chairman and Secretary have

U8 Girls teams who played games last week with Miltown, Fossa and Listry.

been beneficial in informing us on how to move forward and stay positive during these times.

While many events have had to be put on hold until safer times, it doesn't mean our Phase 4 health club project is on hold ...so keep thinking of events. We have secured funding I applied for to allow our club to become a non-smoking area and signage will hopefully be up before the end of August. So, from September on, we will be a non-smoking club.

Other upcoming events (so far) include the GAA National Inclusion Fitness Day on September 23rd. This is part of the European Week of Sport. The Mental Health and Wellbeing Fest is scheduled for October and we will keep you updated on social and local media on that.

On a more sombre note, I would like to thank the Club, The East Kerry Board, and The Kerry County Health and Wellbeing committee for their support to me and my family during the difficult days when my late father, Cornelius O'Keeffe R.I.P. passed away. Many of you were part of a social distancing Guard of Honour and many of you have shown great kindness in your messages of condolence. These are very much treasured and appreciated by us as a family.

Finally I will say that photos of days gone by were

of great interest, especially during lockdown. It meant we had more time to study these pictures. Thanks to all who made this possible especially Anne Holland who gives so much of her time to keeping the archives stocked for future generations and to Deirdre O'Sullivan Darcy for being the glue that keeps us all connected.

Many of you may be surprised to learn that we had some very talented camogie teams in the '80s. I was delighted to see many of you were on the ball with the photo below.

JUVENILE TRAINING

Every Saturday the Academy welcomes BOYS & GIRLS from ages 3 to 10 in the ABC, U6, U8 and U10 groups. The Academy starts at 10am each Saturday and new members are always welcome! If you would like any additional information or for any queries on juvenile training times, please contact our Coiste na nOg Secretary Andrew on 0871385612.

MILLTOWN CASTLEMAINE GAA

DRIVE IN BINGO: SUNDAY OCTOBER 4TH AT 2 P.M

Our club, in conjunction with Nagle Rice Community Pitch, is hosting a Drive in Bingo on Sunday October 4th in the grounds of The Mart Car Park. Our bingo players have been particularly hard hit with the Covid restrictions placed on bingo. Much work has been undertaken to organise this and we are delighted to be able to see all our efforts come to fruition. We will have fantastic prize money to give away. More details to follow.

We sincerely appreciate the management and committee of Mid Kerry Mart, Milltown for facilitating this. We are sure it will bring a smile to many in our community particularly the older people who have been isolated very much. Please spread the word!!

LEAVING CERTIFICATE RESULTS

We wish all our Leaving Cert students of 2020 all the best in their results next Monday, September 7th. It has been a very challenging year for you and your teachers so don't be too hard on yourselves. Celebrate responsibly!

RESTARTING OF LOTTO

We thank you all sincerely for contributing to our fundraising Lotto. Here are the results from last Fridays draw which was streamed live from our club house. SENIOR COUNTY CHAMPIONSHIP

Comhghairdeas to Damian Murphy of the Mid Kerry Management Team and to the panel on their sensational victory over Kenmare Shamrocks on Sunday last in Fitzgerald Stadium. Mid Kerry is captained by our club player Pa Wrenn who along with David Roche and Cathal Moriarty all played a vital role in securing this victory by the narrowest of margins. Other panel members Jonathan O'Sullivan and Gavin Horan.

Best of luck to you all in the semi-final. Their opponents will be determined on Monday night when the draw will take place live on Terrace Talk. Keep an eye on FB for details.

NORMAN FOLEY-COISTE NA NÓG SPONSOR

We would like to sincerely thank Norman Foley of Foleys Spar, Milltown who is our current Coiste Na nÓg sponsor. Norman's generous sponsorship means that our club was recently able to purchase a set of two brand new movable, full sized goalposts. Norman and Foleys Spar have contributed greatly to our club in recent years and we wish to thank them for their continued support. We would be most appreciative if our club members support Norman's businesses Foleys Spar here in Milltown or when travelling to games in Foleys Spar stores @ the Iveragh Road in Killorglin, the 60 seconds in Fossa & on the Castlemaine road out of Tralee. #supportlocalbusiness

UNDER 8 GIRLS

A big well done to all of our U8 girls team on Tuesday night last, August 25th when they all played fantastic football on their visit to Spa GAA. Thank you to our hosts Spa for a wonderful evening. Míle búiochas to all the coaches for the time you put into training the girls.

UNDER 8 BOYS

Maith thú to our U8 boys who had a wonderful morning of football in glorious sunshine on Sunday morning last in Keel GAA Grounds. Thank you very much to our hosts Keel for some great matches. Thank you also to the parents who made the trip to support, to officials for helping referee the games and to Paul Twiss for co-ordinating all these training sessions and games. Gura míle freisin to Covid Officer Liz for being there to ensure all the Covid guidelines are being adhered to. Míle búiochas as always to Foleys Spar, Milltown- our Coiste Na nÓg sponsors.

UNDER 10 BOYS

Well done to both of our U10 teams who travelled to play Na Gaeil in Tralee on Thursday last, August 27th. All the young footballers played fantastic football on both sides with some very competitive contests on display. Sincere thanks to Na Gaeil for hosting us and to Garry Murphy and his team for all their work with this group of boys.

UNDER 10 GIRLS

James Daly has been very busy with lots of fun training sessions organised for this group of girls.

They have an outing this Wednesday evening when they travel to Spa for a game for a 6.30 throw in. This is quite a big group of girls so lots of organising behind the scenes. Go neirí go gheall libh!

UNDER 12 BOYS

Keel GAA Grounds was the place to be last Sunday evening where our A and B team took on St. Senan's. It was a beautiful evening for football with the grounds of Keel GAA in pristine condition. Both our teams tried their best to the very end but the strength of St. Senan's proved too much for the boys and so the visitors travelled back to North Kerry with 2 wins. Mike Quirke has the task of co-ordinating this extended group of footballers and along with his team of coaches is doing a super job. It is reassuring to see such encouragement, guidance and positivity on the side-lines. We appreciate all your work.

On the evening, we had excellent refereeing from our two club referees Adam Scanlon and Ger O'Sullivan. Well done and thank you. Thanks too to Keel GAA for the use of their pitch while our own is under development.

U14'S

On Saturday morning last, our U14 coaches Ian Twiss, Turlough O'Brien, John O'Neill accompanied by Covid Supervisor Mary Murphy took our U14 team back to Rossbeigh Beach for a training session with a difference. Lots of fitness work, lots of teamwork and lots of fun!

Well done to our U14 Green side on Tuesday evening last, who produced a fantastic footballing display to get the win against North Kerry side Ballyduff in phase 2 of this year's County League. Some brilliant play all over the field saw them win by a score of Milltown/Castlemaine 5-23 v 3-07 to Ballyduff. Next up is Rathmore on Wednesday for the Green Team at 6.30. Our White team travelled to Keel on Wednesday evening last-August 26th and despite notching up incredible scores, they were pipped at the post. They are away to Legion on Thursday at 6.30. Please adhere to Covid guidelines re attendance.

O'NEILL'S CLUB ORDER 2020 - DELIVERY UPDATE - AUGUST 27TH 2020

Thank you again to everyone who ordered club merchandise in late July & early August.

The phased delivery of the merchandise is expected to arrive from the end of next week (4th September). Please note that O'Neill's are completing the order by type (i.e. Jerseys first, the half-zips etc.) so it may take up to two weeks to have the full order available (i.e. 18th September). Once we start to receive the deliveries we will put an update on Facebook.

The fulfillment timeline is longer than expected due to the size of the order, queries over the availability of stock within O'Neill's once the order was submitted and production issues within O'Neill's. The club apologies for any inconvenience caused in the order being delivered in September rather than late August. If you have any questions on the O'Neill's order please contact Liam (086 041 3593) or Suzy (087 237 2729).

U-12 BOYS

Legion U-12 boys had a triple header against Austin Stacks. In Div 2A this evening, our *Gold* team had a great win over the Rockies A team. Legion started brightly with some fine points but Stacks got an early goal to get within a point of the battling Legion lads. Legion continued to play lovely football and built up a lead that Stacks worked hard in the last quarter to almost claw back in a very exciting game. Legion 2-12, Stacks 3-08.

Alongside this, our *White* team found themselves 4 goals down early on, but rallied to steady the ship, before having their own purple patch with some lovely team goals and points. Final score in a very open game was Legion 5-14 Stacks 5-11. Earlier our Green team travelled to Connolly Park where despite leading the game at the short whistle, they lost to a strong Stacks side 4-15 to 4-5. Well done to all the boys, their coaches and our Covid Supervisors Ger and Anita.

KILLARNEY LEGION U-14 GIRLS

Our U-14 girls got back to winning ways on Sunday with a fine victory against John Mitchels. The legion girls were quicker out of the blocks and had a lot of possession but some poor finishing in the first 15 mins meant Mitchels were always in the game.

The girls settled better after the water break and the scores started to flow. We dominated for the

Killarney Legion U-14 Girls v John Mitchels.

rest of match with some fine defending, some great passing moves which led to fine scores. To their credit Mitchels kept going to the very end. Up next is a trip to Laune Rangers on Sunday the 6th of Sept at 4pm. Well done girls.

KERRY PITCH & PUTT CLUB NEWS

BUSY WEEKEND

A busy weekend of adult and underage action was once again dominated by a certain Damien Fleming from Deerpark as only a week before the defence of his National Mens Matchplay title, he claimed another Scratch Cup in Cork before securing his place at the National Strokeplay finals.

After winning two in two days in Cork on the August Bank Holiday weekend, Damien added the Rocklodge Scratch Cup to his collection with another score of 21 under par for a one stroke win on Saturday. On Sunday in Newmarket he claimed the first of the seniors spots for Kerry in the National Strokeplay Qualifiers in Newmarket with a score of 12 under par. That was two ahead of County Board chairman James Dignán on 10 under as Alan Hobbart of Tralee shot the same score. The final spot saw Tralee's Jason Cregan beat Deerpark's John McGrath on countback after both shot eight under par.

Jason's qualification was maybe most poignant as it came only one short week after the sad passing of his mother Christina but we were all delighted to see Jason decide to take part last Sunday. In

the Intermediate section, County Intermediate Strokeplay holder Michael Conway led the way on six under par, four clear of Deerpark's Lorcan Martin on two under par. Tralee's Keith O'Brien and Deerpark's James Fleming were next on one under par respectively as the final three spots were claimed by players on level par namely Willie John Buckley of Newmarket and Castleisland's Timmy Looney and John Fitzgerald.

The Junior grade saw 10 players make it through to the finals as Tralee's Pa Fitzgibbon led the way on five under par, three clear of both Castleisland's Noel Lee and Tralee's Brian Moynihan. Sean Prendiville of Castleisland was the other Junior under par with one under as another Castleisland member Paudie Looney and Listowel's Jake Shine both shot one over par. Other players to qualify included Newmarket duo Con Buckley and Billy Daly along with Castleisland's Tadhg Walsh and Deerpark's Hugh O'Sullivan. All 21 players will go forward to the national finals in Collins, Cork on Saturday September 19th (Juniors) and the following weekend of the 26th/27th for the Intermediates and Seniors.

U-16 MATCHPLAY

Saturday saw the County U16 Matchplay Championships take place in Tralee as the major

honours went to both Listowel and the Tralee clubs. Round Robin Groups were used in the early stages giving all entrants at least two matches on the day as in the U16 Boys Championships, Listowel's Bobby McCarron along with Deerpark's Robbie Harnett, Fintan Martin and TJ O'Sullivan advanced from the groups to the semi-finals. Bobby defeated TJ in the semi-finals 2&1 as Fintan was a 3&2 winner over Robbie in the other semi-final. Bobby was in the final for the second year-in-a-row as he went into an early 3up lead over Fintan. Fintan fought back to trail by one coming towards the end as it went to the last hole between the pair. Fintan eventually conceded to Bobby to allow him to win 2up as he was presented with the new Cup by his father and Kerry U16 Officer Kevin afterwards. The U16 Plate meanwhile saw all four semi-finalists from Deerpark as Ryan Neeson defeated Jake Downing 1up on the last with Noah Sexton defeating Eoghan Crowley to the second playoff hole in the other semi-final. Ryan was always in control of the final though winning well by 6&5. The Boys U13 Championship final saw Listowel's Jayden Chute and Deerpark's Brian McCarthy meet for the second time in the day after Brian had won the earlier Round Robin meeting. Brian led again until a late comeback by

Jayden saw him turn the tide and win the match on the final hole to make it a Boys Championship double on the day for Listowel.

The Girls Championship meanwhile saw Tralee sisters Ella and Sophie Moynihan meet again in the final after both beat Claire McMahon to reach the final. Ella repeated an earlier win over Sophie but it was a closer match this time as Ella won by 3&2 three weeks after getting to the final of the National Girls Matchplay Championship.

This weekend sees Damien Fleming finally get to defend his National Matchplay title in Larkspur Park in Cashel, Co Tipperary as he along with four other Kerry and indeed Tralee players compete in the delayed 2020 Championships. As is the custom Damien will begin the Mens event as defending champion, playing Anthony Culhane of Tipperary Hills in the first round.

Three of the other four Kerry players are in the same quarter of the draw as Alan Hobbart plays Collinstown's Darren Reilly while Jason O'Regan plays in the following match against McBride's Sean Goggin. Michael Conway faces Eoin Mithen from Loughlinstown in Dublin as Darren Goodall is in the top half of the draw too taking on Lucan's Chris Gallagher. All matches are over 18 holes to the quarter-final stages making shocks and surprises all the more likely.

Tralee's Lisa O'Connor also takes part in the Ladies Nett event next Saturday as the women head to Hillview in Clonmel for Day 1 before going to Larkspur for the concluding stages on Sunday. She plays Suzanne Reilly from the Oldcastle club in Meath in Round 1.

SHANE COURTNEY MEMORIAL GOLF CLASSIC:

Our upcoming fundraiser The Annual Shane Courtney Golf Classic on September 12th. As you know we have no lotto income or any other kind of income at present and we need to undertake urgent remedial works on the pitch surface. Any support you can give would be really appreciated. Sponsorship of tee boxes is available at 50 euro each. We would ask each family to consider sponsoring a tee box if possible. Alternatively there is also a raffle. Tickets are €5 each or 3 for €10. Looks like this will be our only chance to raise much needed funds this year so we are appealing to all associated with the club to support the classic in any way possible please. Please let your child's respective coach know how you would like to support this venture and we will arrange distribution of sponsorship forms or raffle tickets as the case may be.

Well done to Listry U10 girls in Spa Gaa pitch last Saturday.

SENIOR COUNTY CHAMPIONSHIP

East Kerry's dreams of a second County Championship win in a row are still alive after just about getting past St Kieran's in Tralee this evening. Glenflesk had three players on the team this evening, and as usual, they were all influential in the victory. Chris O'Donoghue was at corner back and was crucial in the second half recovery with some brilliant passes forward that would lead to important scores.

Dan O'Brien started at mid field and drove forward impressively while also doing well at catching and

breaking the ball at kick outs while also dropping back to help the defense. Darragh Roche was at Full Forward and contributed four points and two assists including the crucial pass to David Clifford to bury the game clinching goal.

A semi final now awaits and the chance to retain the County Championship is still very much alive. Garveys Supervalu Co SFC Semi Finals, St Brendans Board vs East Kerry. Games to be played the weekend of Sept 12th or 13th.

Killarney Brewing & Distilling Company offer Sculpture commission

With a Summer 2021 opening planned, the Killarney Brewing and Distilling Company is offering a major €25,000 sculpture commission to Kerry artists.

The 62Ksq ft brewing and distilling enterprise plans to install an eye-catching, unique and creative work outside its state-of-the-art visitor center and production facility currently under construction on the Ring of Kerry road at Fossa. The announcement of the lucrative sculpture commission for the spectacularly located site overlooking the Gap of Dunloe is a timely boost for Kerry artists hard-hit by the coronavirus pandemic.

"In an effort to add further aesthetic depth to the new world-class facility, we are looking for a stunning piece of art that will both complement

the structure and excite the visitor," the company directors said. "The sculpture will take centre stage directly in front of our facility and will greet visitors as they approach on foot," "We are excited to offer this proposal to the local artists of Kerry to see if we can find that special sculpture and keep the creation on home turf," they said. "Collaborative partnerships among artists are also welcome."

The deadline for receipt of applications is Friday, September 25, at 5pm. It is anticipated that the project would commence during 2020 and be completed by March 2021. In addition to a craft brewery and spirits production facility, the site will offer a world class visitor experience hosting daily brewery and distillery tours, a 180-seat upscale bistro, a gala dinner venue, gin school,

chocolatier and a rooftop patio overlooking the Gap of Dunloe. Once fully operational, it will employ over 85 people and aims to attract in excess of 100,000 annual visitors.

KBD is the parent company that owns both Killarney Brewing Company Ltd and Killarney Distilling Company. Killarney Brewing Company was founded in 2013 by Killarney entrepreneurs, Tim O'Donoghue, Paul Sheahan, and their Chicago-based business partner, Liam Healy, who has family connections in Kilbrean, Killarney. The company currently employs 12 fulltime staff and 15 part time staff producing a range of hugely popular craft beers and bespoke spirits. Killarney Brewing Company operates a taproom and woodfired pizza restaurant on the Muckcross Rd, just a 5 minute walk from the town centre. "This is the next step in our evolution and delving into the spirits world is very exciting. To add to our existing beer portfolio and introduce Killarney Whiskey to the world is something we have been talking about since 2013; its now becoming a reality" Prospective artists can obtain further information and insights regarding KBD through the company website (www.killarneybrewing.com) or by emailing tim@killarneybrewing.com

JIMMY O'SULLIVAN-DARCY

takes a look at all things sport...

Another week, another whirlwind of sporting action, and there is a lot of good news on a lot of sporting fronts. Alright, let's not pretend that it's been a great week for Killarney in general. But let's keep that in perspective; things could be an awful lot worse. Thankfully, those that I love are healthy. I have a roof over my head and I have food in the fridge (note to myself; it's probably time to learn how to cook).

COUNTY CHAMPIONSHIP

Some of the games were brilliant; some slightly less so. But in all fairness, they were all fantastically entertaining, and the County Board have done a great job in ensuring that we all got to see them, albeit not in persona. There were some small issues – having to buy package deals instead of single games should have been announced beforehand instead of being sprung on people, and unfortunately the end of the most exciting one of all got cut off. Ah look, I'm not saying that it's not something that shouldn't be corrected, but all the same, let's not be confusing molehills with mountains. One of them looks like a small rodent kind of creature, and one of them looks like Carrantouhill.

With the semi-final draws made, East Kerry will meet St. Brendans and Dr. Crokes will meet Mid Kerry.

St. Brendans 2-17 Killarney Legion 1-9

I called three games right out of four (quite happy with it, thank you very much. I'm not saying that I am a genius.....but I wouldn't argue the point with you either). This is the game that I got wrong. You have to hand it to Seamus Murphy and his selectors; their tactics were absolutely perfect. I thought there would be an over-reliance on Ivan Parker for scores. In fact, Danny Sheahan was on top in that duel, but Parker actually moved out to open space for the likes of Diarmuid O'Connor and Jack Barry to burst into with their pace. Both struck for goals and O'Connor also had three points. Most people had Diarmuid as man of the match, but I thought Jack Barry was constant effective motion. I'll admit that I have questioned his decision-making with Kerry on occasion; too many lung-bursting runs ended in a wild hit-and-hope effort, but he looks more considered now. Padraig Lucey battled his heart out; one of my players of the championship.

At the other end, Killarney Legion seemed to rely a bit too much on James O'Donoghue. I thought a few lads passed to him at times when they were within shooting range themselves. Legion have good players and work hard, but the scoreboard only shows end product, not graft.

East Kerry 2-13 St. Kierans 1-14

"Uneasy lies the end that wears the crown". That was Billy Shakespeare, a decent lad and a good writer (fellow playwright Kit Marlowe was only a bowsie) but weak on sports. He had a point. East Kerry are the reigning champions and hot

favourites, but they struggled for answers in light of hard questions from St. Kierans. In fact, East Kerry could and probably should have lost this; St. Kierans simply left too many good scoring chances behind. Eddie Horan was absolutely awesome. James Walsh, who was one of the most promising young players in Kerry, looks back to his old confident self. For East Kerry Paudie Clifford was unquestionably the star of the show. Most of the players seemed a little bit lethargic; Paudie was a dynamo. Still, there was only one player on the pitch (or the county, or further afield) who could have placed that goal chance while off balance. The fact that David's late red card, rather than the phenomenal skill to score that goal, was the main talking point says a lot, and none of it nice, about GAA punditry. East Kerry haven't been lighting up the Championship like most of us expected; but there's a lot of dry powder there yet!

Dr. Crokes 1-16 Templenoe 0-11

Let's not be pretending; Crokes aren't the force of old. But they aren't dealing from a full deck at the moment, either. Deadly Jordan Kiely is a huge absentee up front, while Daithí Casey always strikes me as the kind of player who is only fully appreciated in absentia, he's a massive loss. Tony Brosnan was again the shooting star, the second of his eight points was pure magic. Micheál Burns was absolutely outstanding, he has been having a great run of games and this was his best performance of them all. My man of the match, though, goes to the under-stated Johnny Buckley. He doesn't do anything spectacular. He just does literally everything right, and any time he wants a ball in midfield, no-one can stop him getting it. Mark O'Shea is a serious operator, as well. Gavin White finished off a goal after being out with injury and that was one of those unstoppable fast-flowing Crokes' moves that you couldn't even stop by building a wall (quick shout out to Donald Trump, how's things, Don? Tell Vladimir that I said "hi"). Templenoe left no pride behind them, and Killian Spillane is some predator. Peter Keane will have had several reasons to enjoy this particular game.

Mid Kerry 1-13 Kenmare Shamrocks 1-12

Here's a small secret; I have a soft spot for both sides. Kenmare don't have a huge population, but they have plenty of quality and even more heart. On a day when Seán O'Shea was clearly hardly able to take the field, talented young Dan McCarthy and all of Stephen O'Brien's huge effort didn't quite click onto the scoreboard (he has been awesome in every other game this year. He wasn't poor by any means here, just not quite as effective) Paul O'Connor really stepped up. I sometimes think that the emergence of Seán and Stephen has made a few people forget that Paul O'Connor has been one of the deadliest predators in Kerry for fifteen years now. He definitely proved it here and was my man of the match.

Mid Kerry is a relatively small district and the last few years haven't been kind to them. But the clubs

have been putting down strong roots behind the scenes and getting a harvest in a stream of young players to supplement the likes of Stephen Cahillane, Pa Kilkenny, Colin McGillicuddy, Ronan Murphy, and Gavan O'Grady. They looked a beaten docket for a long time here. Kenmare were superb, especially O'Connor, but I just think that they have played a lot of very, very hard games in a short space and time and it finally caught up with them. There's no doubt about the catalyst for change. Former Kerry minor captain Jack O'Connor is still just 18 years old, but wow! He won a penalty (great conversion by O'Grady) and scored the best point of the day. It came down to an absolutely gripping finish. Unfortunately, the steaming service broke down at the crucial moment, a real shame, because it was fantastic. Paul O'Connor shot for goal when a point might have been the better option (an easier call in the Press Box than an adrenaline-surgingly field after 65 gruelling minutes when the tension is crackling) and Sean O'Shea's effort curled just wide. Mid Kerry's defensive composure in those frantic few minutes is worth noting; that's very hard to do. They'll be underdogs against Dr. Crokes; but they have teeth.

COUNTY JUNIOR QUARTER-FINAL

Fossa v Skellig Rangers,

Saturday, 5.00pm, Killorglin

Tough one to call, in fairness. Skellig are a tough outfit and very hard to beat. Both sides lost their third group game (to Gneeveguilla and St. Senans respectively) but had already qualified by then, so they weren't exactly throwing the handle with the hatchet in those games. Skellig have Diarmuid and Ciarán Keating (Ciarán was an incredible talent until injury intervened) and a host of O'Sullivans (The 'Loveys' and the 'Glen' being two separate families) and all of them are good. Fossa will have to dig, but with the Clifford and O'Shea brothers on board, I expect them to score enough. Listry v Brosna, Sunday, 7.00pm, Strand Road Ronan Buckley has been immense both for the club and for East Kerry and the likes of Anthony Kennedy, Sean O'Shea, and Paul O'Donoghue have been impressive. Barry Keane and Ruairi Murphy are young guns that manager Marc Ó Sé has called on successfully and both know how to bisect the posts.

Paul Walsh has made all the headlines recently. He was fantastic for the Kerry minors and for Abbeyfeale in colleges football and he has brought all that talent into senior ranks, as evidenced last weekend with St. Kierans. But Tom mcGoldrick has been a phenomenal scorer for Brosna and the Kerry Juniors for a long time now – he was the main man as Brosna won the most roller-coaster magical club All Ireland I have ever been privileged to witness.

AC Milan 1975.

Gneeveguilla v Ballymac, Saturday, 5.00pm, Castleisland

Both sides sailed unbeaten through the group stage. It's a tough call, both sides have put up huge scores along the way. But Gneeveguilla have a slightly bigger panel and the likes of Pa Warren, Pdraig O'Connor, John O'Leary, Con Buckley, Shane O'Sullivan, and Conor Herlihy should just about tip the scales in Gneeveguilla's favour. They's have to be very wary and work hard, though. Evergreen Aidan Breen will be the biggest danger, but Tomás O'Connor, Darragh regan, Josh O'Keeffe, and Pdraig McCarthy are other real threats.

SOCCER

Let us gently edge away from the state of the FAI at the moment, it isn't pretty. A deal has been struck to allow them to draw down E35m of taxpayers' funds. A lot of the FAI Council have complained that they weren't aware of the terms of the deal, with a claim by Chairman Roy Barrett (whose Government-supported appointment is currently under scrutiny) being clearly refuted. They are also unhappy, but reluctantly accepted at this week's EGM, that 6 of the 12 FAI Board members be independently appointed (given the appalling mismanagement that saw them somehow misplace a whopping E50m, I'd much prefer if all 12 came from outside the catastrophically failed FAI) and members with over ten years' service will be standing down in 2022. That includes Kerry District Secretary John O'Regan, who was a staunch John Delaney supporter. There are happier events in soccer. Shamrock Rovers have been drawn against none other than AC Milan in the Europa League. It doesn't get a lot bigger than that. Lionel Messi is in the middle of a turbulent departure from his lifelong club Barcelona. Should Rovers consider making a move? I know Messi is no longer a young player. He had growth problems as a teenager. He still lacks height. He isn't great defensively, to be truthful. He

hasn't lit up the World Cup. His country have never even qualified for the European Championships! But, look, I have good instincts in these matters, I think the lad could be worth a punt...

Normally that would be a huge payday, with a home and away leg and lucrative tv rights. Unfortunately, covid restrictions means that there's only one game, with Rovers at home in Tallaght. It'll be behind closed doors, and the away side retain the international tv rights, which leaves Shamrock Rovers denied a huge payday. That might incentivise them, though. Zlatan Ibrahimovich and co. had best prepare for a culture shock! Mind you, the likes of Zlatan could be a culture shock for Tallaght as well...

AC MILAN IN IRELAND

Long time AC Milan supporters might be a bit worried about this game. After all, away back on November 5th, 1975, they came to a place called 'Athlone' to play the locals in the European Cup. Amby Fogarty, who had been best man at Brian Clough's wedding, was managing Athlone and doing really well. They welcomed the Milanese giants, who included Cesare Maldini and Giovanni Trapattoni on their coaching staff, and the teams were led into St. Mels' Park through mud and puddles by the Athlone Pipe Band and...a goat as a bizarre mascot. Athlone, who had managed to get time off from their regular jobs for the game, actually played well against the Italians, who were obviously discomfited by the relatively crude setting by their standards. It was a very rough and tumble game, which suited the home side. In fact, Athlone should have won, with John Minnock striking a great penalty, but Italian World Cup keeper Albertosi managed to save it. Athlone Town 0 AC Milan 0.

Athlone went to the second leg in Italy, stayed in the same hotel as the famous actor Omar Sharif ("a very nice man" John Minnock recalled later) and set out for the San Siro. They actually held out Milan for 62 minutes but then conceded three

fast goals. The draw in Athlone was probably the greatest achievement by any Irish soccer club. It was at the tail end of the glory days for such clubs, with domestic attendances already declining rapidly as the GAA was expanding in Dublin city, carried on a blue wave inspired by one Kevin Heffernan and a green and gold one by a team of bachelors led by Mick O'Dwyer.

KERRY'S ONLY SENIOR SOCCER CAP

I suspect that if I were to run a poll (I'm not going to, that sounds like hard work) asking who is Kerry's only senior mens soccer cap, a lot of you would say 'John Egan' straight away. Not at all – John Egan is a namely son of a namely father (he has pedigree on both sides, by the way, Mary Egan was as good a footballer and a better soccer player than her husband or any of his brothers and there's a young cousin of John's who wore a Kerry jersey just last year), but he was born and bred in Bishopstown, Co. Cork, and he is rightly proud of those roots too.

The answer is John O'Connell. He was a great Shamrock Rovers and later Dundalk player in the late fifties and early sixties, when domestic soccer was the most popular sport in urban Dublin. He was capped twice by Ireland, the only Kerry native ever to have that honour. Tony O'Connell had no strong roots in Kerry, though, his family had left for Dublin while he was still a baby.

O'Connell was massively influential in Irish soccer. He was a successful businessman and could afford to buy out his own contract from Dundalk in order to become Bohemian's first ever professional. He later invested hugely in the Gypsies, as Bohemians are known, and became their Life President.

Mind you, a Killarney native was very nearly capped more recently. Michael McElhatton was born 1975, the same year as Athlone Town's exploits, in Killarney, where his parents ran a fruit and veg shop (I don't recall it; I was only two years old and very feral at the time). He started off with Derby County, where his family had settled, before Harry Redknapp signed him for Bournemouth. He stayed on when Tony Pulis took over. Former Irish international and current one Matt Holland gave him great encouragement at the time and he was called up for the Irish U21s as Southampton were arranging a £500,000 for this exciting young midfielder. Then a medial ligament snapped in his knee, he received poor medical treatment and worse advice, and his international chance faded away. It took him a long time to get his career back on track with Rushden and Diamonds, but just when he was attracting headlines and international attention again...the knee went again. Michael McElhatton only lived in Killarney for two and a half years, but he has always been very proud of his native town. The welcome mat should always be laid out for one of our unsung heroes.

KERRY LADIES RUGBY TEAM

The announcement that Kerry are putting in a Kerry Ladies Rugby Team with the goal of eventually competing in the AIL is hugely welcome news. Kerry has produced some of Ireland's greatest rugby players and the sport has very strong roots. Ladies sport, thankfully, is at long last starting to get the recognition it deserves. There aren't too many people now who remember when basketball started in St. Marys' Parish Hall back in fifties (the late Weeshie Fogarty was a basketball pioneer in Killarney and one of those who believed that women could compete in sports when it wasn't always popular to do so). They had to wear trousers, because skirts would have been scandalous. As for the idea of women wearing shorts? Go away now and wash out your mouth with soap and water. It sounds ridiculous now. It was always ridiculous – women had to work as hard as any man just to survive in those tough times, but misogynists somehow thought that they were too delicate for sport? - but that was how it was, and you didn't dare deny convention in that Ireland. The likes of Mick Fitzgerald in Castleisland and Alex Rintoul in Fossa did a lot more than just inspire and promote womens' sports and Kerry people of all genders owe them a big debt.

I'm pretty sure that when Kathleen Mills started playing camogie, or the Downey sisters, or even more recently Kerry's own Mai Costelloe started playing camogie, there were plenty of objectors (not all of them men, either). Knowing the fibre of the same players (I know none of them personally), I doubt if any objections lasted long or had much impact.

Girls are well able to play rugby, and play it well. Rugby clubs in Killarney, Tralee, castleisland, Abbeyfeale, and many more have been proving it for a long time. So have the likes of Ciara Griffin, Ciara O'Connor, Ruth O'Reilly, Louise Galvin, Lorraine Scanlon, Edel Murphy, Sharon Lynch, and many more. Siobhan Fleming hails from the same small area as Moss Keane, Mike Galway (he was never 'Mick' among his own people) and the Doyle brothers Tom and Mick. Guess which one of them is a Grand Slam winner? I wish the Kerry Rugby Team all the best going forward and will hopefully be there to support them.

KERRY PITCH AND PUTT

Deerpark's Damien Fleming continues to make the headlines. Last weekend he made it three Scratch Cup wins in as many weeks at Rocklodge before qualifying in Newmarket for the National Strokeplay Qualifiers in Newmarket. County Chairman James Dignan and Tralee's Alan Hobbart and Jason Cregan taking the remaining spots, just edging out Deerpark's John McGrath.

Damien will be defending his National Matchplay title this weekend in Cashel.

In the County U16 Matchplay Championships Listowel's Bobby McCarron beat Deerpark's Fintan Martin in a gripping finale. In the Plate, Ryan Neeson beat Noah Sexton in an all-Killarney Final.

HORSE-RACING

Killarney based trainer Ian O'Connor had a big win in The Curragh as Scott McCullagh romped home in the Apprentices' handicap.

Tralee's Bryan Cooper maintained his good form in Wexford, with Sliding Rock, trained by Gordon Elliott, brought home in the Maidens' Hurdle in the very first race. At the same meeting, Paddy Kennedy from Dingle (Jack's brother) won the Beginners' Chase on Rapid Response for trainer Jessica Harrington.

Unfortunately the national news is not so good, albeit not unexpected, as Horse Racing Ireland have confirmed that the Irish Grand national will not be taking place. Look, these are the days we are living in, and they too shall pass.

CROKES SHINE IN LOCAL DERBY

Dr. Crokes 2-20 -v- Killarney Legion 2-05

Dr. Crokes hosted their neighbours Killarney Legion in the round 6 clash of the Junior A Championship on Monday 31st. Dr. Crokes would have been favourites for this one, coming into the game unbeaten. The opening half was typical of most local derby's, tight with nothing given on either side. The backs on both sides had the upper hand, intercepting and pressurising their opposing forwards. Dr. Crokes powered into the second half, adding to their points tally within minutes of the throw in. Unfortunately for the visitors they were unable to keep up the intensity they demonstrated in the first half. The second half was peppered with some fine display of skills including Deirdre Lyne 's goalkeeping display for Killarney Legion; great combination play by Dr.Crokes Holly Power and Niamh Stack to set up Ava Doherty for a point; A top drawer foot pass by Kate Stack to Julie Delaney for Dr.Crokes second goal; Kerri Anne Hanrahan's fine effort at a 45 , which wasn't too far off registering a two pointer. Dr. Crokes are away to Milltown/Listry in round 7 and Killarney Legion travel to Listowel. Final score from Dr. Crokes GAA Grounds; Dr. Crokes 2-20 Killarney Legion 2-05

DENNY YOUTHS LEAGUE SEMI

Killarney Celtic 4, Dingle Bay Rovers 0

Terry Sparling (2), Dylan Callaghan, Padraic Looney. Dingle Bay afforded Celtic a guard of honour before the game and they started well causing Celtic problems before Celtic gained a foothold in the game and went to qualify for the league final with some good finishing.

DENNY LEAGUE FINAL

Killarney Celtic 4, Killorglin AFC 1

Terry Sparling, Dylan Callaghan, Cian Doe, Jackson O'Mahony, Killorglin gave the recent FAI Youth Cup winners a guard of honour before the game. Celtic hit the front Evan Looney split the defence to allow Terry Sparling to finish past the advancing keeper. A padraic looney tackle won the ball back for Celtic leading to a period of possession before Terry Sparling fed Dylan Callaghan who finished to the net from the edge of the box. Celtic were 3 up shortly afterwards when a Cian Doe cross was not cleared and the same player followed up to slot home. Celtic finished their scoring for the day when a quick counter attack between Terry Sparling and James Darmody created a chance for Dylan Callaghan leaving Jackson O Mahony to tap home the rebound. Well done to the management and players on a fine win.

MINIS RETURN TOMORROW**

Our Minis return to training tomorrow Saturday the 5th of September at Aghadoe. Since curtailing our season due to the pandemic last March, our minis have really missed their rugby and are really looking forward to getting back.

We have a comprehensive Safety Plan and new policies in place for the new season encompassing the sanitization of equipment etc and meeting the requirements of the IRFU and government guidelines regarding the return to play.

We would ask anyone coming to train to ensure that they don't have any symptoms and bring their own water bottles and gumshields. We will need to ensure the children wash and sanitize their hands upon arrival. There will be paperwork to complete upon arrival by all parents.

We will have staggered training times for each age group: U8 train between 10am and 11:30am. U10's between 10:15 and 11:45am and U12 boy and U12 girls between 10:30 am and 12 midday. Don't forget each child will need to bring their own water bottle and be sure to bring the gumshield.

We are really looking forward to getting our Minis back up and running at Aghadoe! For any details contact our Minis Coordinator Liam Murphy on 087-4145662.

MUCKROSS ROWING CLUB

BANTRY OFFSHORE REGATTA

This Saturday, September 5, Bantry Rowing Club are set to have the honour of running one of the very few competitive rowing events for 2020. The club is hosting an offshore regatta and the event will operate from a unique venue. To facilitate social distancing, the large Bantry Aerodrome facility adjacent to the coast will play host to the 20 competing clubs. No spectators are allowed and entries have been limited with COVID-19 safety protocols in place. Muckross RC is sending one Masters Men crew, the members of which will compete in the Mens Quad race. We wish the lads the best of luck as our new offshore quad makes its competitive debut. All going to plan, the event will be the main prelude to the Irish Offshore Rowing Championships scheduled for Portmagee on Saturday, September 26.

END OF SEASON

With the main rowing season complete, club activities are now greatly reduced which will provide members with a break before the new season 2020/21 gets underway from the end of September. What exact format the new rowing year will take is highly uncertain as COVID-19 continues to dictate the course of daily life. However, as we have done this summer, we will continue to provide opportunities to row insofar as possible, in compliance with the public health restrictions and relevant protocols. For those looking to try out rowing as beginners, watch this space over the weeks ahead for details of our new season kick-off.

Killarney Rugby Club *launch History Project*

As announced at the #killarneyrfc AGM, the club is undertaking a club history project. We are now in Phase 1, which is collecting old newspaper clippings, book references, photos and most importantly people's stories and anecdotes.

One of the first lessons has been that the club may have been founded much earlier than commonly thought. The current date is 1928 but the following 3 articles (published in late 1898) paint a picture of an active club at least 30 years earlier.

Two of the articles are entitled Revival of the Killarney Rugby Football Club

potentially signifying that there was an even earlier attempt at setting up a club in Killarney.

The History Project team includes Alex Willms, James Desmond, Annmarie Williams supported by Ger Sugrue, Ger Moynihan, Liam Murphy and Tom O'Leary. If anyone is interested in becoming involved let us know.

If anyone has any insights on the club's early days or indeed any other aspect of its history please email history@killarneyrugby.com

250 community projects in Kerry supported by the National Lottery

Rathmore Social Action Group were among over 250 Good Causes projects that were supported in Kerry in 2018 and 2019. On average, 4,000 clubs, groups and voluntary organisations are supported every year across Ireland and one such organisation which has benefitted in the past from National Lottery funding in Kerry is the Rathmore Social Action Group. Approximately 91% of revenue generated by the National Lottery goes back into the community through prize winnings, funding for Good Causes and retailer commissions.

The Social Action Group are the epitome of heroes in the community. Founded in 1975, they give young people an opportunity to become involved in community work, and have seen them make a significant contribution to community life ever since. The Social Action Group has evolved over the years. Thanks to National Lottery Good Causes funding, it has developed a very progressive care programme for older people which includes a Day Care Centre, Social Housing, a Meals on Wheels and Laundry service. The group also won the Community award in the National Lottery Good Causes Awards 2019.

Rathmore Social Action Group, Co Kerry, a multi purpose local community group catering for young and old - from playgrounds to sheltered housing received €19k in Lottery funding last year alone. Gardening

with Killarney Outlook

by John O'Sullivan

FOCUS ON WINTER BEDDING PLANTS

With most of the summer bedding displays in hanging baskets, containers and window boxes nearly finished, now is the time to start replanting them with a winter selection of bedding plants. Even though you won't have as much of a selection of winter bedding as you have in the summer, there is still a large range to choose from. When you are choosing your winter bedding plants, try to pick the biggest and strongest as they don't grow during the winter. The good thing about the winter displays in containers is that you can choose what you want as a centre piece, because you will probably get a few seasons out of it in the container and you can plant it somewhere in your garden afterwards.

Some good centre pieces for containers are Large: Phormium, Cordyline (green or purple) Variegata, Holly or Bay tree
Small: Carex, Algold, Heuchera, Euonymus, Azalea. You need to also make sure when choosing that the plant is evergreen. There is also a good selection of flowering winter bedding which you can plant including Violets, Pansy, Primrose, Polyanthus, Cyclamen and Ornamental Cabbage.

A Word of Victory

Welcome back dear reader, continuing on how God's people 'are destroyed because of lack of knowledge' (Hosea 4:6). The word knowledge translates here to mean 'understanding knowledge of both good and evil'. It's actually the same word used in the account of Adam and Eve's fall in the book of Genesis. When we are unlearned in the ways of God we have no power or authority to overcome the devil and his demons.

Do you ever wonder why there is so much evil going on in our world? People are wrongly taught that all the bad things that happen come from God. Many esteem Him weak or uncaring for not helping people who have been overcome by evil. Yet - this is the opposite of what the Bible says about God. He heals the broken hearted and binds up their wounds....He is a Father to the fatherless....He is our Healer, the One Who brings restoration...He is our Redeemer...the Restorer Who loves us unconditionally, our Protector, our Provider, our Vindicator. This is only a small glimpse of Who God is. So where does all the negative press come from? From our adversary Satan, who hates God and hates His creation. The devil cleverly disguises himself, and hides in darkness so as not to get exposed, and he uses people to hurt people.

Unless you gain knowledge of the ways he operates, you will fall victim to his attacks. The Lord Jesus came to expose and destroy the devil's works of darkness - "for this purpose the Son of God was manifested, that He might destroy the works of the devil" (1st John 3:7). Jesus came to heal all those who were oppressed by the devil through the power of the Holy Spirit (Acts 10:38). Religious activities are not the basis for gaining knowledge of God dear friend. The only place to hear God's voice and be instructed by Him is by studying the Bible - in relationship with Jesus. This is the reason the devil has always told people to stay away from the Bible - because God's Life-Giving Spirit is released through the preaching of the Gospel in its entirety. There have been countless people hurt and wounded because they have never been taught the truth of God's Word and have been held captive in waterless dungeons of pain and terror, but God is saying "enough!" It is the time for you to receive freedom from what the devil tried to do to you for evil. You are still standing friend, and God calls you an overcomer through the blood of His Son Jesus. God loves you!

NOVENA PRAYER TO ST JOSEPH

O Saint Joseph, whose protection is so great, so strong, so prompt before the throne of God, I place in you all my interests and desires.

O Saint Joseph, assist me by your powerful intercession and obtain for me from your Divine Son all spiritual blessings through Jesus Christ, Our Lord; so that having engaged here below your heavenly power, I may offer my thanksgiving and homage to the most loving of Fathers.

O Saint Joseph, I never weary contemplating you and Jesus asleep in your arms; I dare not approach while He reposes near your heart. Press Him in my name and kiss His fine head for me, and ask Him to return the Kiss when I draw my dying breath. Amen

THE MIRACLE PRAYER

Dear Heart of Jesus in the past I have asked many favours. This time I ask you this special one, (mention favour).

Take it dear heart of Jesus and place it within your own broken heart where your Father sees it.

Then in his merciful eyes it will become your favour not mine.

Amen.

Say this prayer for three days. Publication of prayer and favour will be granted.
