## A day to shine...

### Photographer offers free portraits to those on cancer journey

**A** Killarney photographer is offering cancer patients or those in recovery an invitation for a professional portrait shoot.

Evelyn Woodard, who is a cancer survivor, is planning to bring in a glam squad to give ladies a complete make over, advice on how to manage your hair and skin and a fun photo shoot.

"After the glam squad have done their work, the real fun will begin when you take part in a professionally guided portrait taken in our studio" Evelyn told the Killarney Outlook.

"This will be a day of sharing stories with other ladies, a safe space to chat about your experiences on this journey and a chance to get your mojo back", she added.

"One of my biggest concerns when I started chemo was weight gain and hairloss", Evelyn said". Being alone with your thoughts is not always positive and fear can take hold and we tend to

hide this and put on a brave face.

One day of fun and chats might be the best medicine someone might need right now.

Surrounded by people who know what they are feeling and a team of very generous professionals that have joined me and promise you a day to remember", she added.

Evelyn has teamed up with an amazing group of hairdressers and makeup artists for this special event, including Tricia O'Sullivan Hair & Beauty, Marion O'Shea, Hair Joanne Henderson, Hair, Pat O'Neill Hair, Georgina MacKessy, Marilyn McSweeney and Lauren O'Connor, Make Up.

"We are offering this to 12 Ladies from anywhere in Munster who would be happy to travel to my studio in Killarney", Evelyn said.

Please contact me directly at evelynwoodard@gmail.com with your information and we will be in touch on October 10th.

# Gold medal for Killarney in the National Tidy Towns Awards

*Some people dream of success while others wake up and work hard for it*

**The tireless work of the Killarney Tidy Towns committee and the 500 volunteers paid off this week with a gold medal win at the National Tidy Towns Competition.**

This week Killarney gained a massive eight points in the National Tidy Towns competition and once again retained its gold medal along with being nominated in the final three for the best large town.

We are delighted to announce an increase of 8 points on last year's result", Yvonne Quill, Chairperson of the committee told the Killarney Outlook.

The awards were announced at The Helix on Monday last and a large group of representatives from Killarney attended including Cathaoirleach of Killarney Municipal District Cllr Michael Gleeson - who is also a long time member of the Looking Good Committee.

"I am very pleased that we retained the gold medal and that we increased our overall mark. Thanks to each volunteer and to the Council staff. We must continue with unity of purpose and seek to progress each year" he said.

We would like to thank everyone in Team Killarney, the volunteers who go out Monday and Wednesday nights for the organised cleanups and those that go out on an ongoing basis in their own time. To the residents associations who promote pride in their place and the business community who

not alone maintain their buildings to such a high standard but are constantly leading by example in the promotion of corporate social responsibility. Finally a special thank you to the outdoor staff of Killarney Municipal District who work so hard on a daylily basis to achieve this wonderful result", Chairperson Yvonne Quill said.

Eileen O'Donoghue, Killarney Municipal District Council Officer congratulated all those involved in achieving such high standards. She said 'there is a great sense of community in Killarney seen in the voluntary effort put in, week in week out. It is thanks to the co-operation and the coming together of so many different groups, the volunteers, the chamber of commerce and the local authority that the town has seen an increase in 8 points. Tidy towns not only visually enhances the town but it provides us with the knowledge and experience of what can be achieved when people work in partnership towards a shared goal. Plans for 2020 are already underway.

Mayor of Kerry Cllr Niall Kelleher also in attendance at today's award said "Credit is due to the Killarney looking good committee, council staff and volunteers in Killarney it's a great achievement to increase points in all categories in this year's competition, it's a testament to the hard work and proved it pays off"

# Killarney Town Centre booked in for a Health Check

While it looks to be in the best of health - Killarney Town Centre is set to take part in a survey operated by The Heritage Council.

In conjunction with the IT Tralee and with the cooperation of the Killarney Municipal District, The Heritage Council have developed a trans-disciplinary National Town Centre Health Check Programme to raise awareness, understanding and appreciation of the critical role that town centres play and the impact they have on the quality of life for citizens and visitors.

Representatives from Kerry County Council, Killarney Chamber of Tourism and Commerce and the IT Tralee have begun work on a Town Health Check for Killarney. This is a collaborative process with a number of goals to be achieved in the coming months.

The survey was explained in detail at this week's Chamber lunch in The Great Southern Hotel by Ali Harvey, National Coordinator of the Town Centre Health Check programme and Martha Farrell, Lecturer at IT Tralee.

In the coming weeks, a number of surveys will be conducted of businesses and the public in the town centre. These will include behaviour and attitudes of shoppers, business owners perceptions, footfall and land use.

Launching the Town Centre Health Check Programme in association with IT Tralee were L-R Eileen O'Donoghue (Municipal District Officer), Cllr Michael Gleeson (Killarney Mayor), Ali Harvey (National Coordinator Town Centre Health Check Programme with Heritage Council), Paul Sherry (President of Killarney Chamber of Tourism & Commerce) & Martha Farrell (IT Tralee). Picture Marie Carroll-O'Sullivan

Members of the public and business owners are encouraged to participate and give their views on their experiences in the town centre. It is an opportunity to shape town centre and strengthen it into the future, to make it an

attractive place to work, live and visit. It is hoped the results of the programme will be published in early 2020. The findings will inform strategies for the future development of the town.

# Charity Air Ambulance exceeds 100 missions within first two months

**Ireland's first Charity led Air Ambulance has delivered in excess of 100 missions within its first two months of service – and this week launched a major fundraising appeal for corporate and public support.**

The new Air Ambulance is ahead of target to deliver a forecast 500 life-saving missions per annum. However, €2m will have to be raised each year to keep the service airborne.

The Cork based service is being led by Irish Community Rapid Response (ICRR) and

delivered with the HSE National Ambulance Service (NAS) and the Department of Health.

The Helicopter Emergency Medical Service (HEMS) went live on Tuesday, July 30th. It had been tasked with 93 missions up to last Tuesday (eight weeks of service) and passed its 100th mission late last week.

From today the charity will be making contact with major companies and successful business leaders seeking support. A public appeal, involving a nationwide

raffle, called 'Flight for Life' is about to go live. The major prize will be a once in a lifetime helicopter trip from Italy to Ireland, flying over the Alps, on board a new helicopter will be phased into operation later in the year. Partnerships with major public events, and community-based fundraising events, are planned. Details of the fundraising drive are at [www.icrr.ie](http://www.icrr.ie) and more will follow in the coming weeks.

## KERRY AIRPORT READY TO MAINTAIN SMOOTH TRANSITION FOR PASSENGERS AFTER **BREXIT**

**PASSENGERS** travelling through Kerry Airport will experience the same efficient service from staff at the points of departure and arrival while flights are expected to continue to operate as normal in the event of a no-deal Brexit.

Kerry Airport has two destinations in the United Kingdom: London Luton and London Stansted.

The company has been preparing to ensure, as is feasibly possible, that it will facilitate a smooth transition if the United Kingdom exits the European Union.

The CEO of Kerry Airport, John Mulhern, said: "We share the same concerns as others in relation to the unknown and the threats posed by a United Kingdom exit from the European Union without a deal. The financial impact of Brexit is already being felt in terms of falling UK passenger numbers brought about uncertainty and the weakness of Sterling against the Euro. We look forward to continue working with the Department of Transport, Tourism and

Sport and, of course, the Minister of State, Mr Brendan Griffin TD."

Kerry Airport is prepared to deal with any matters that may arise in the unlikely event of a change in the interpretation of the Common Travel Agreement, United Kingdom Passport Holders or Aircraft who origin is from the UK.

"Training of employees at Kerry Airport is up to date and ongoing but we suspect that every airport and other businesses in Ireland will encounter difficulties in UK-sourced training," said John Mulhern.

## €500,000 EURO MILLIONS TICKET SOLD IN KILLARNEY

Customers of Centra on Rock Road were checking their tickets this week to see if they scooped a huge prize in the EuroMillions Plus top prize in Tuesday night's draw.

There was no winner of the capped €190 million EuroMillions jackpot which means that

it will now roll for a record fourth time, the first time that this has occurred in the history of the game. There were three €500,000 winners with the other tickets being sold in Dublin and Meath.

# KERRY'S ARCHITECTURAL HERITAGE Celebrated

**Kerry's architectural heritage and the county's architectural landscape was celebrated during the second annual Architecture Kerry Festival at the weekend.** A wide range of free events including talks, free guided tours, exhibitions, workshops and family events took place during the festival, which is part of the Creative Ireland Kerry Programme.

The aim was to highlight the wide diversity of the architectural landscape in Kerry and to make some of the best-known sites of architectural significance in the county accessible to all ages.

Dozens of public and private buildings across the county opened their doors for free guided tours including Herlihy's Bar in Farranfore, Beaufort House and the Cahernane Hotel.

Marie O'Sullivan, Proprietor and Archeologist, took over and reinvented the family pub - Herlihy's Bar in Farranfore. Her talk as part of Kerry Architecture Weekend 'life after Death of a County Pub' - as so many of Ireland's rural pubs are closed and becoming derelict, this was not the fate of herlihy's bar in Farranfore which now offers holiday accommodation. View a unique way of both retaining the streetscape and maintaining the ethos of the building where one can 'quite literally live in the pub'.

Meanwhile, Beaufort House was also part of Architecture Kerry Weekend. The House was built by the earls of Ventry in c1760 and incorporates part of an ancient castle, built in 1653 making it probably the oldest inhabited space in Kerry. The interior was altered in 1840 and the chimneypieces and plasterwork date from this time.

The Herberts of Muckross have for centuries been associated with Killarney. Two of the Herbert brothers arrived to Killarney in 1656. One brother was given the great Muckross Estate and the other the smaller property of Cahernane. built in 1877 by Henry Herbert, Cahernane house was the Herberts' residence until 1901. Today the hotel is operated by International Hotel Management Company PREM Group

Architecture Kerry is supported by Kerry County Council and the Department of Culture, Heritage and the Gaeltacht in partnership with the OPW, the Royal Institute of Architects of Ireland, the Irish Architecture Foundation. The event formed part of the Creative Ireland Programme in Kerry.

## MONEY MATTERS.....

By Dermot Cronin,  
**Financial Advisor**

### USING A PENSION TO PAY LESS TAX:

Pension contributions provide a way of paying less income tax. Up to Revenue Limits, contributions to a pension qualify for relief from income tax. This effectively means that, where the higher rate of income tax is 40% and you are a higher rate taxpayer, a €100 contribution to a pension will only have a net cost to you of €60 (had you not made the contribution, the other €40 would have gone to the government as income tax).

Pensions carry another tax benefit: they grow free of tax, unlike deposit accounts in Banks etc (which are generally subject to tax on interest in the form of DIRT Tax) or investment in property or shares (where rent or dividends are liable to income tax and gains in value are subject to Capital Gains Tax).

When your pension benefits are drawn down, a Retirement Lump Sum of normally at least 25% of the value of your pension can usually be taken either completely free of tax. The rest of the benefit, is usually taken in the form of a retirement fund or a pension for life, is taxable. However many people will find themselves in paying much less tax in retirement than when they were working and making pension contributions, and so will often not pay a lot of tax on their pension income when they retire.

# Kerry College and the Kerry County GAA Board Producing Referees of the Future!

**Kerry ETB's Kerry College and the Kerry County GAA Board have launched a unique and innovative collaboration to ensure a steady provision of professionally trained referees.**

The College has teamed up with the County Board to offer students studying on the QQI GAA Coaching & Sports Development course an opportunity to undertake training and attain the GAA Refereeing certification as an integral part of their course. The course provides a major award in Sports Recreation & Fitness and is specifically designed for students interested in GAA coaching. According to Mary Lucey, Principal Kerry College, Clash and Denny Street Campuses: "Kerry College is delighted to be involved in the nurturing and cultivation of the future cohort of GAA referees. This is a wonderful opportunity for students as it will mean that they can offer their services as referees to the County."

To launch the new collaboration, St Pat's GAA Club in Blennerville has offered a GAA Scholarship to cover the full cost of studying on the programme for the academic year. As part of the scholarship, the recipient will provide support to the sponsoring club through the provision of refereeing services; enabling the student to gain first-hand experience on the field. Jimmy Mulligan, Chairperson of St Pat's

Pictured at the Kerry College Scholarship Launch were Principal Mary Lucey, Jimmy Mulligan, Sports Students and Teachers.

added "Our aim is that other GAA clubs across the county will come on board supporting students in furthering their education in the GAA Coaching and Sports Development arena. Through this collaboration, the GAA will be sure of a constant stream of highly qualified referees to make consistent and informed decisions and act at all times with integrity both on and off

the pitch. The County Board will provide expert training and workshops from top level national GAA referees tutors as part of the initiative." A very limited number of places remain available on the course; all enquiries to info@kerrycollege.ie or 066-7121741

## Unique tractor run raises funds for PIETA HOUSE

**A unique mid winter event held for the past two years in Faha Killarney has raised over €12,104 for Pieta House in Kerry.**

The event is the brainchild of Robert Giles who along with his family and friends from Faha in Killarney organise a Darkness Into Light Tractor Run in memory of his uncle Richard Giles who sadly died in 2015 at the age of 54. With over 250 tractors driving through the night into the dawn its one of the very few events that happen in the middle of the night.

"This year we have plans to use a drone to film the event and with the backdrop dawn breaking in one of the most beautiful places in Ireland its going to be spectacular", Robert told the Killarney Outlook.

"We are looking forward to another successful event next December and he would like to especially thank all of his family, the local volunteers, Sean O' Mahony and all the staff of the Faha Court, Charlie Coakley and the local Gardai", Robert added.

**What does Budget 2020 have in store for your business?**

**OCKT Ltd, Chartered Accountants & Statutory Audit Firm holds Budget Forum to examine impact on businesses**

OCKT Ltd, a leading Kerry Chartered Accountancy firm, will hold a Budget Briefing at 1.00pm on Wednesday 9th October 2019 at The Great Southern Hotel, Killarney to examine the implications of the Budget for businesses in Kerry.

In conjunction with Killarney Chamber of Commerce, OCKT Ltd is hosting the briefing to share its thinking on the key developments from Budget 2020 with clients and members of the Kerry business community. The briefing will explain the salient points from the Budget in direct relation to businesses, as opposed to individuals, and will outline tax planning initiatives that can be taken prior to 31st December, so businesses are primed to tackle the budgetary changes as they are introduced.

Speaking at the briefing will be Director of OCKT Ltd, Marcus Treacy, who specialises in corporate finance and corporate recovery. "This briefing will be a good opportunity for businesses to stay ahead of the budgetary measures, no matter what the outcome on October 8th. We are holding this forum to discuss the implications for businesses specifically, as historically media coverage comprehensively documents implications for individuals and not always those for SMEs themselves.

The event is open to all business owners and employees and bookings can be made by emailing [info@ockt.ie](mailto:info@ockt.ie) or phoning on 064 6633444.

## Swedish comedy/drama showing at Beaufort Film Night

**B**eaufort Film Night returns for another screening which will take place at The Inn Between Bar, Beaufort, on Friday 11th October at 8.30pm.

The feature of the night is a Swedish comedy-drama A Man Called Ove.

This Swedish international smash hit is a bittersweet but charming tale of one man rediscovering himself, often with hilarious results and is a true crowd-pleaser.

Beaufort Film Night is a non-profit community organisation founded by local film enthusiasts whose aim is to screen cultural English language and international language films, fostering an interest in and appreciation of these category of films, films which normally don't get a general release screening in Kerry. Films screened at Beaufort Film Night will be

carefully curated in order to appeal to a general audience. Beaufort Film Night is working in conjunction with Access Cinema, the Arts Council funded organisation which assists film clubs and film nights in Ireland with their screenings.

"Beaufort Film Night would like to thank The Inn Between Bar for providing a venue for this cultural and entertainment opportunity. Admission to the film is €7 which will go towards covering the motion picture licencing fee and the newly-purchased screen. A Man Called Ove has a 15A Certificate", Hazel Joy of the Beaufort Film Night told the Killarney Outlook.

## Call for Roundabout at Coolcaslagh

At the recent meeting of the Killarney Municipal District, Cllr Maura Healy-Rae asked Kerry County Council and the TII to construct a roundabout adjacent to the Coolcaslagh junction at Lissivigeen, in order to address the daily torment and danger motorists are facing there. This junction accesses onto the N22 and forms part of the main artery into our county. Cllr Maura welcomes that a junction assessment is being undertaken regarding capacity and safety at the junction and that a

feasibility report identifying the need for the project is being prepared for submission to the TII to seek funding and to progress design and appraisal. She also emphasized that no other action or safety scheme will adequately address the issues pertaining to this junction given the numerous traffic lanes and movements there. No week passes where there isn't some accident at this location and it is certainly time it was tackled properly.

## CALL FOR STRICTER PENALTIES ON BICYCLE THEFT

At the September 2019 monthly meeting of Kerry County Council, Councillor Michael Gleeson proposed that Kerry County Council as part of its promotion of cycling as a healthier option calls on Government to classify bicycle theft as a very serious offence punishable by heavy fines and ultimately by incarceration. "When I was elected Mayor of the Killarney Municipal District I committed to trying to progress the provision of Bicycle Parking, covered if possible, in order that cycling would be promoted among the general public and would also inform visitors that cycle tourism was a high priority in Kerry. I welcome the progress made since June as regards the provision of

facilities", Councillor Gleeson said. "It is of vital importance that cyclists would have confidence that their bicycles will be safe from theft or vandalism. It is for that reason that I am calling in this Motion on Government to introduce very severe penalties, up to and including imprisonment, for any person or persons found guilty of large scale organised bicycle theft. It is only by so doing that cycling as a very healthy and worthwhile pursuit will grow and prosper among locals and visitors." The Motion was seconded and agreed by the Council and Councillor Gleeson is hoping for a positive response. *The new bicycle stand in High Street, Killarney (right)*

## Every Kerry child to learn **history** as it is given a new special core status at **Junior Cycle**

**All children in Kerry are set to benefit from learning History as it is to be given special status as a core Junior Cert subject, a Fine Gael Senator has said.**

Minister for Education and Skills Joe McHugh has decided that History should be given a new special core status in the Framework for Junior Cycle. The decision means History will no longer be an optional subject and every child will study the subject. History became optional in all schools in September 2018, as part of the rollout of the Junior Cycle Framework. Up until then History

was mandatory in about half of post-primary schools, although around nine out of ten students took the subject. Speaking after the announcement Leas Cathaoirleach Senator Paul Coghlan said: "I am very pleased that my Fine Gael colleague, Minister Joe McHugh, decided to give History special status as a core Junior Cert subject. "He took the decision after careful consideration of a review of the optional status of History under the new Framework for Junior Cycle which was carried out by the National Council for Curriculum and Assessment (NCCA). "Minister McHugh will now request the NCCA's support in devising a new structure for the Junior Cycle Framework which gives History a special core status. The exact nature of what

students will learn, and how, will be decided in that process. "Studying history at some point in your education cycle is so important. They say that understanding our past helps us to understand our present. I want to see young people in Kerry as best prepared for their futures as they can be, with a fully rounded education behind them. I see History as a school subject being a crucial part of that. "It was also really positive to hear that the Minister has requested the development of a Young Historians' Competition at primary and post-primary level. This could be a great opportunity for students in Kerry to further develop their love of history in a fun and innovative way."

## KILLARNEY GARDAÍ TO TACKLE CYCLISTS FOR CYCLING ON FOOTPATHS

**F**ollowing an increase in complaints from the public, Dermot O'Connell Sergeant In Charge of Killarney has confirmed that gardai have fined several cyclists for cycling on footpaths. He confirmed that gardai were concentrating on the town centre, Park Road, Rock Road and the

East Avenue Road. Many of the complaints relate to cyclists forcing pedestrians onto the roadway. €50 fines are being issued. In conjunction with this operation Fixed Charge Notices are also being issued to motorists that park on footpaths obstructing wheelchairs and pushchairs.

# Mary says 'au revoir' to Scoil Phobail Sliabh Luachra

**A**fter an amazing 40 years of teaching, Mary Healy said a final farewell to her Scoil Phobail Sliabh Luachra family this week.

Mary began her teaching career in Kenmare Vocational School before moving to Killorglin Vocational School. She then moved to Rathmore Vocational School where she spent 10 years before the Vocational School in Rathmore and St Mary's Secondary School amalgamated to form Scoil Phobail Sliabh Luachra. It was here she was to end her teaching career in September 2019 where she taught French and maths. She held the position of year head for many years and was well respected in this role by staff and students. Her dedication and commitment to teaching was infectious. She was extremely passionate about her job and left no stone unturned in her preparation and delivery.

Staff members gathered with her family to honour her years of teaching at a farewell function in the Great Southern Hotel, Killarney. Mr Denis Kerins, principal, led the tributes to Mary along with other staff members on the night.

## Gender pay gap information Bill 2019

The Government has published the much-anticipated Gender Pay Gap Information Bill 2019. The Bill has been presented to Dáil Éireann where it now awaits Fourth Stage.

A recent EU survey found that only 26% of Europeans were aware of the legal guarantee of equal pay for equal work in their country. Nonetheless, the survey indicated that a clear majority were aware of the gender pay gap, with 69% of Europeans thinking that women are paid less than men.

According to figures collected by the Central Statistics Office, in 2008 Ireland's gender pay gap stood at 17%. In 2016, Ireland's gender pay gap had reduced to 13.9%. However, a gender pay gap of nearly 14% remains high, by any objective measure.

### MEASURES THAT MUST BE CONTAINED IN THE REGULATIONS

- Employers to publish information relating to the pay of their employees for the purpose of showing whether there are differences in such pay referable to gender and, if so, the size of such differences.
- The information which must be published by employers under the regulations includes the following:
  1. the difference between both the mean and the median (1) hourly pay of male and female employees;
  2. the difference between both the mean and the median bonus pay of male and female employees;
  3. the difference between both the mean and the median hourly pay of part-time male and female employees;
  4. Percentage of male and female employees who received bonuses and benefits in kind.

In addition, employers will be required to publish, concurrently with the above gender pay gap information, the reasons for such differences and the measures (if any) taken or proposed to be taken by the employer to eliminate or reduce such differences.

- The regulations will only apply to employers with 250 or more employees in the first two years after introduction.
- In the third year, the requirements will also apply to employers with 150 or more employees.
- Thereafter, the requirements will apply to employers with 50 or more employees.
- The regulations will not apply to employers with fewer than 50 employees.

It is likely that a central website onto which employers will be required to upload their information will be established.

The Government has indicated that this legislation may come into effect later this year. Given this relatively short lead in time, we recommend that employers take steps now to establish whether gender pay gaps exist in their organisations and consider the steps that they can take to reduce/eliminate a gender pay gap ahead of time.

### LOOKING AFTER YOUR MENTAL HEALTH & NOT JUST YOUR PHYSICAL SELF! THE POWER OF JOURNALING Part 1

This week we are going to look at the power of journaling to help with the internal chatter and brain process overload. The benefits of journaling for dumping out emotional baggage have been proven over and over again. And that's not just journaling for weight loss eg food journaling ... it's emotions , feelings, and thoughts too. Toxic thoughts as well as feelings can be as bad as junk food is for your body so making a conscious effort to write it down creates awareness and almost like a self admission as to what is going on in your head. Journaling can almost be like a mini counsellor allowing you to get all out on paper and letting it flow freely without fear of being judged as u may be with a family member or friend.

Still not conceived well here are some more helpful benefits of journaling to help you stop, think and slow it all down to process what's going on in your head and start improving your mental health one step at a time ;

1.Reduces Stress. An overabundance of stress can be damaging to your physical, mental, and emotional health. It's proven. Journaling is a incredible stress management tool, a good-for-you habit that lessens impact of physical stressors on your health. In fact, a study showed that expressive writing (like journaling) for only 15 to 20 minutes a day three to five times over the course of a four-month period was enough to lower blood pressure and improve liver functionality. Plus, writing about stressful experiences can help you manage them in a healthy way. Try establishing journaling as a pre-bedtime meditation habit to help you unwind And destress

### WHAT IS MEIBOMIAN GLAND DYSFUNCTION (MGD)?

The normal tears of the eye are made up of three layers – an oily (lipid) layer, a watery (aqueous) layer, and a sticky (mucous) layer. MGD is when the glands that make the oily layer of the tears are not working properly and this allows the watery layer of the tears to dry out.

The Meibomian glands are inside the eyelids, and the openings are on the edge of the eyelids. The outer oily layer stops the watery layer of the tears from drying out. When the glands become blocked, the oily part of the tears cannot be released. This causes the watery tears to dry up more quickly which results in the eye becoming dry and can make it feel sore. It is not usually a serious condition, but can cause discomfort and sometimes blurry vision. If it is not treated, the glands may stop working permanently.

MGD can cause dry eye. It is common to have a combination of MGD, dry eye and blepharitis.

#### RISK FACTORS

MGD is a common condition and can affect anyone. However, it is more likely to happen after the age of 50, if you have diabetes or oily skin conditions and it is also more common in women.

#### SYMPTOMS

The eyelids can become sore and swollen as the glands become blocked. As the eyes become dry, they can feel itchy or gritty, as if there's something in the eye. The eyes may be red, and if they're sore, may be watery, which can cause vision to become blurry.

#### TREATMENT

Treatment involves releasing the oily tears from the glands using hot compresses. You need to get a face cloth, or cotton pads, soak them in hot (not boiling) water, close your eyes, and hold the hot cloth onto your eyelids. Wet the cloth again with hot water and keep applying the compress for at least five minutes. Repeat every day until the condition gets better. You can also use products known as 'heat bags' that are specifically designed for this condition. These bags make it easier to direct the heat and are much more effective than a hot cloth. To help stop the glands from blocking up again continue the treatment every day for a few minutes. Massaging your eyelids can also help to release tears.

If the hot compresses or heat bags don't work, referral for further treatment may be required.

## If not now, When?

Do you consistently find yourself holding back or putting things off? "I'll do it tomorrow," we tell ourselves or "When, the time is right, I'll take action." The problem is with both those approaches is that it causes frustration and this can cause stress. Life needs to be lived in the moment and we need to find time to take action on those things that we say we want. It's so easy to find reasons why we can't do something, but the key is to find reasons for why we must!

#### Top three coaching tips to take action NOW!

- Discover your big WHY! List three things for why you need to take action on your dreams and

desires. Why do they matter? What will you feel once you have achieved these things? How would you feel if you never took action on them?

- Write it in your diary! Buy yourself a diary and write in what you will do and when you will do it. Keep it do-able. Imagine this is an appointment with your destiny and do all you can to keep that date and do it!

- Celebrate the smallest success! Every time you take the smallest step towards taking action, celebrate, celebrate, celebrate! It might feel odd to celebrate such a small step but success builds upon success! We have to acknowledge our wins to have more of them!

## MILLTOWN | CASTLEMAINE NEWS

Written by: Deirdre O'Sullivan

**MILLTOWN LISTRY SENIOR LADIES COUNTY LEAGUE SEMI-FINAL:**

Congratulations to the above panel on a thrilling victory over Scartaglin on Sunday morning last to secure a place in the Division 2 final next weekend Dr. Crokes. Scartaglin lead at half time by 9 points Score: 2/06 to 0/03 but they had a very strong breeze to their back. The Milltown Listry girls came out after half time and played their hearts out. They were guilty of some errors and so scores were very difficult to come by. Scartaglin maintained their lead right into the 3rd quarter but a series of attacks by the Mid Kerry side sent them on a scoring blitz. They scored 4 goals and 10 points in a short period to give them a 9 point margin at the long whistle. What a comeback! Final Score: Milltown Listry: 4/13, Scartaglin: 2/10. We are looking forward to another exciting game of football in the final and hopefully we will have some silver ware on display next weekend. We hope we will have as great support-so please do come along and cheer the girls on. A huge thanks to Nigel and Damian as well as Phil for all their commitment to this group of footballers. Venue and Time of game to be confirmed. Baile an Mhuilinn/Lios-a-Tri abu!

**UNDER 8/UNDER 10'S:**

On Saturday afternoon last, our under 8 and 10 boys teams travelled to Co. Limerick to play a fun blitz against Adare. We had some fantastic fun singing songs and playing games on the way up. A big thank you to Noel who was driving us for Flynn's Coaches. He was both helpful and patient all day.

When we reached Adare GAA grounds, we were greeted by Fionnan Kelliher originally from Castlemaine, who along with all the other coaches and helpers hosted a fantastic morning of football and treats for our young footballers. A great deal of thanks must go to our wonderful hosts Adare GAA.

We had two under 10 teams and three under 8 teams who all played very well. Our opponents

Doireann Gleeson and Sadie Cronin enjoy the fun day at Spa GAA Club. Picture: Anne Holland.

Adare treated us to some fantastic football with great displays of teamwork, skill & enthusiasm. We then travelled on to the mighty Thomond Park to watch Munster take on the Gwent Dragons. Another big thank you to the security team at the ground who could not have been more welcoming and helpful, along with the stewards who offered every assistance.

After a brief appearance by our players on TG4s Instagram page, the match got under way. It was a great victory for Munster and a lot of the action happened right in front of us which caused much excitement in our ranks.

We then hit the road home and were greeted at our GAA Clubhouse by yet more helpers dishing out the food from Alma's takeaway for our U8s and 10s along with the coaches. Mile buiochas aris to everyone who helped out.

A big thank you finally to everyone who helped make this a fantastic day for all involved. So many people helped out on the day, too many to mention but congrats to Paul Twiss from our U8 coaches & Gary Murphy from our U10 coaches and their respective teams for organising a great day out.

**31 CARD DRIVE: TUESDAYS @ 9.00!**

We had another great turn out at our Progressive 31 Card Drive on Tuesday last. Why not join us

this Tuesday in Nagle Rice Community Centre at 8.30 pm for some great cards. With all this rain and gloomy weather, there's nothing like a good game of cards and a cup of tea to cheer you up. The brack will be buttered and the kettle will be boiling! Some great prize money to be won in both the cards and the raffle too!

### COUNTY CHAMPIONSHIP RD. 3

Well done East Kerry Seniors and our own players Marc Kelliher, Shane Courtney, Brian o Donoghue, Ian Roche, Chris o Donoghue, Daniel o Brien, and Darragh Roche, defeating Austin Stacks and qualifying for round three in Tralee next Sunday against Kerins o Rahillys, we wish them the best of luck.

### U16 EAST KERRY CHAMPIONSHIP

Glenflesk; 3 – 15 Fossa 1 – 9

Glenflesk qualified for the East Kerry Championship final after a dominant second half performance got the better of a stubborn Fossa side in Glenflesk on Sunday morning. Fossa started quicker and some early turnovers created the first score of the game for them. Their sweeper was positioning himself expertly to thwart the early Glenflesk attacks and their full forward line was looking dangerous. They struck for the first goal of the game after a good

save from the Glenflesk goalie left a rebound which was palmed into the net. Glenflesk's reply was immediate. A high ball dropped ten metres out and as the Fossa goalie came to collect the opportunistic Kevin Bowler got there before him to fist the ball to the unguarded net. The tactical first half ended with Fossa leading by one six to one five. The match was their to be won by both teams in the second half.

Glenflesk now had the wind behind them and their plan was to pin Fossa in, down in their section. There was up to twenty players in the Fossa half at this stage. Glenflesk were patient in their build up and were rewarded with scores from Tommy Bowler, Dylan Roche, and a magnificent effort from out near the side-line from Josh Lyne. Luke Crowley then swerved past his man before elegantly dropping the ball over the bar to increase the lead. Then their second goal of the day arrived. Crowley finding himself in space before rasping a shot beyond the despairing goalies dive. They had scored one six without reply since half time.

Fossa now began to push up as they knew they had no choice but to go for it. They created a few goal scoring chances but Jack O Donoghue made two brilliant saves. One of these was with his hands the other with his feet. Fossa reduced the gap to six as their more positive approach got some results. They could not get the goal they needed to ramp up the tension though, and it was Glenflesk and it was Eoghan Kelly who scored the final goal as he coolly finished to the bottom right hand corner when one on one with the keeper. This put the result beyond doubt.

An impressive win for Glenflesk then. After initial issues with the Fossa sweepers astute positioning they composed themselves and asserted dominance on the match. They put up another big score and once again, the majority came from play. A major final now awaits. They will fancy their chances of being victouries in that if performance levels of the last two weeks are maintained.

**EAST REGION U 13 LEAGUE** Glenflesk U 13 2 –

16 Dr Crokes U 13 1 – 07

Glenflesk under 13,s started their East Kerry campaign with a superb victory over Dr Crokes in testing conditions at home on Wednesday night. After a slow start to the match Glenflesk held a two points to nil lead after ten minutes. Both sides were struggling to deal with the greasy ball and defences were on top. Glenflesk then scored the first goal of the night after a quickly taken free ended up with the ball being dispatched to the net. At half time they would lead by one five to three point's.

Glenflesk came out after the break hoping to build on their lead. They achieved this as they went on a scoring spree with lightning fast passing and contentious movement in the forwards causing Crokes defence untold trouble. They added a second goal during this dominant period and a two twelve to four point lead was built up. Crokes weren't about to give up though and then began to mount a comeback which included scoring two great points, before manufacturing a goal of their own from a long range shot. Glenflesk responded with two more points to secure victory.

A fine performance then, from what is a very young team in the first match they would have played as a group. The defender's were strong in the tackle and used the ball well. Up front support was always available for the man on the ball and the options of when to shoot were well thought out. It would have been nice to see the game played on a better day but the players adapted well after a slow start. Well played to both teams for putting on an entertaining match **KNOCKANES N.S.** Very well done to Knockanes N.S. who retained the East Kerry 3-Teacher Cumann na mBunscol cup last Wednesday

**KILLARNEY BLOOD DONOR CLINIC** 596 Donors attended our Blood Donor Clinic in The Dromhall Hotel, This generosity and commitment to helping others is very much appreciated. The precious gift of Blood brings life and hope to our hospital patients and their communities.

**SENIOR CHAMPIONSHIP** Senior Co Championship. Well done to our senior players and management who recorded a marvellous victory over Mid Kerry on Sunday. Despite being under considerable pressure early on gradually established a foothold in the game and courtesy of two goals from Kieran Murphy and Noel Duggan we lead by six points at half time 2-7 to 0-7.

Mid Kerry cut the deficit two a single point in the third quarter but our players really showed their character in those final 15 minutes to regain control and run out winners by 5 points. This was one of the best wins by this team in recent years and it was without doubt a team effort but Paul O Shea, Kieran Murphy, Oscar O Connor, Shane McSweeney, Enda O Sullivan and Noel Duggan deserve special mention on this occasion. We now progress to rd. 3 where we will play St Kieran's this coming Sunday at 3.15 pm in Fitzgerald stadium. **U16:** Keel/Listry had a convincing win in the opening round of the Mid-Kerry campaign against Glenbeigh/Glencar/Cromane on Sunday. The boys and their management take on Laune Rangers in the next round.

Team – Fionan Griffin, Aaron O Donoghue, Michéal Keane, Mason Courtney, Shane Evans, Joe Clifford, Luke Benson, Lachlan Giffin, Tadhg Evans, Eden Murphy, Keith Evans, Daire Murphy, Aodhán Murphy, Dylan Moriarty, James O Dowd Subs – Marc Murphy, Stephen O Brien, Liam Evans, Oran Hillard

**U14:** Keel/Listry finished their year last Sunday when they competed in the Mid- Kerry U14 A Final against Laune Rangers. Rangers began the stronger and went into an early lead on the score line of LR 0-07, K/L 0-02. However, K/L battled back to the leave the half time score K/L 0-05, LR 0-07. The second half was nip and tuck with both defences on top. K/L could not convert the goal chance that they need which resulted in a win for the home side on the scoreline of K/L 0-07, LR 0-10. Its been a brilliant year for this group as they have reached four finals. Although only one of these finals was claimed by the Keel/Listry side they have really developed playing at a high level. A big thanks to Willie, David, Jason, Donie and Pat for all their hard word and dedication throughout the year. The players would not be competing at this level without ye.

**U13:** Keel/Listry began their East Kerry Region League campaign last Monday evening against Furies and this ended in a victory on the scoreline of Keel/Listry 5-16, Furies 2-04. They also defeated Dr. Crokes, K/L 5-19, Dr. Crokes 0-07. On Monday evening they host Glenflesk in Listry at 6pm while on Friday they travel to Kenmare to take on the homeside at 6pm.

**U12/U11:** The heartiest of congratulations to our U11 team who did themselves, their families and our club proud at this year's Jim Fitzgerald Blitz in Annascaul. In their first game they score 3-13 and kept Annascaul to just one point. They then struggled somewhat after a break in play and momentum, when played a very strong An Ghealtacht side, who were victorious in the A final. However, they returned for the B Final determined to give the best account of themselves under the leadership of their captain Brien Mangan and before their animated supporters. The final score in what an enthralling final, earning them the shield and well deserved medals on the day was Keel 5-06, Castlegregory 4-02. Well done to all the players, trainers and supporters who were part of this excellent success.

**U10:** Congratulations to this week's player of the week Eoin Evans. Well done to all who participated in the John Mitchels football blitz on Saturday last. We would like to wish a speedy recovery to Barth Flynn who dislocated his finger on the day.

**DR. CROKES SENIOR COUNTY CHAMPIONSHIP - ROUND 2A - PLAYED IN AUSTIN STACK PARK**

Dr Crokes 0-17 St Kierans 0-8  
In this game we only pulled away in the second half despite the fact we were short priced favourites. Some people would argue that our opponents were over defensive. My answer to that is that each team has fifteen players and they can play those players in any position in the field that they choose. Their tactics were very successful in the first half as we found it hard to break through their defence and led at half time by just two points 0-8 to 0-6.

We had a great start to the second half and sent over two points to go four points in front. We continued on the offensive in this second thirty minutes and gradually pulled away from St Kierans. We outscored our opponents by eight points to two in this second half. This win qualifies us for the Quarter Final of the Competition which is likely to be played in two weeks time.

A negative in our display was the fact that we only created one goal scoring chance. U wouldnt always call this a negative as we took our point scoring chances when they came and this allowed us to have a clear cut lead when we

entered the last quarter. This gave us a chance to empty our bench and gave these players game time.

Team and Scorers: Shane Murphy 0-1 (45), David Naughton, Mike Moloney, David O'Leary, Michael Potts 0-1, Gavin White, Brian Looney (Capt), Johnny Buckley, Mark O'Shea, Micheal Burns 0-2, Daithi Casey 0-1 (free), Gavin O'Shea, David Shaw 0-4 (0-1 free), Kieran O'Leary 0-2, Tony Brosnan 0-6 (0-4 frees).

Subs Alan O'Sullivan, Mike Casey, Jason Lyne, John Payne, Jack Griffin

**FIXTURES:** U-16 EK Championship Final Sunday 6th Oct Killarney Legion v Glenflesk (Time & Venue tbc)

**CLUB CHAMPIONSHIP RD 2**

**Killarney Legion 2-15 West Kerry 2-09**

Killarney Legion travelled to Annuascal on Sunday in surprisingly sunny conditions. It was Legion who got off to a good start with James O'Donoghue notching up some lovely points from play, an early worked goal from Jamie Sullivan and a super pass by the impressive Damien O'Sullivan left Conor Keane with a super finish into the back of the net. A variety of points from all over the pitch and some impressive defensive play saw Legion leading at half time

on a scoreline of 2-07 to 0-04pts. Legion started this half well, but as predicted West Kerry rallied and took the game to Legion with a slurry of points and a super goal leaving it tense going into the final minutes. To Legions credit with some great defensive work throughout the game Legion held out, and came away with the points making it two from two which sees them into the Quarter Final Draw.

(James O'Donoghue 0-05pts, Conor Keane 1-04, C Gammel 0-01, Denis Sheehan 0-01, Jamie Sullivan 1-0, Jack O'Neill 0-01, D Lyne 0-02, B Maguire 0-01)

**U-16 EK CHAMPIONSHIP SEMI FINAL**

**Legion 1-02 Kilcummin 0-08**

Killarney Legion welcomed Kilcummin to Dieren on Sunday morning in wet and slippery conditions. Both sides were slow to get off the mark but it was Legion who took an early lead with some well taken points and a well worked goal when a pass from Sam Benson to Will Shine finished in the back of the net. Kilcummin rallied with 7 points on the trot which left the half time score in favour of Kilcummin 0-08 to 1-02. Legion came out in the second half and dominated the midfield resulting in Jamie Alade winning a ball in the middle of the field and finishing with a powerful run ending in the back of the net. Legion played some great defensive work, wit Conor Gammel, Aaron Sullivan and Callum O'Grady playing a vital roles in keeping an ever dangerous Kilcummin at bay. It was all level going into the last ten minutes, with both sides nip and tuck. In the end with some great

defensive work from Darragh Fleming Legion managed to come way with a one point well in what was a great game of football.

**EK U-12 DIV 2 CHAMPIONS** Our U-12 Girls brought the curtain down on a great year this eve, when they played Inbhear Sceine Gaels (ISG) in the East Kerry div2 shield final at direen. Conditions were poor from the outset but our Legion girls set out their stall early and went into a two goal lead after approx 15 mins. ISG kept attacking us but some resolute defending kept us ahead. Half time Legion 2-1 ISG 0-0. The second half began as the first had finished with our girls in the ascendency. We picked off a few more points to go into a commanding lead. All our panel came on and contributed on what was a bad evening for football. To their credit ISG amounted a great comeback and raised the green flag on a couple of Occasions. As the

clock ticked towards full time the score was legion 5-2 ISG 3-0, but there was still a few twists to come. The ISG Girls found the net again to give themselves a fighting chance only for Our Legion girls to grab the game by the scruff of the neck and tap over the next two Scores. Final score Legion 5-4 ISG 4-0. A big thank to Seanie & all at 4Star Pizza for providing much needed sustenance and refreshment after.

# THE MON HOST COLM COOPER FOOTBALL TOURNAMENT

The Presentation Monastery Colm Cooper Football Tournament took place last week in Killarney. This was the tenth anniversary of the tournament and every year it is a fantastic success. The event was first hosted in 2009 and every year Primary schools are invite to participate and compete for the coveted trophy.

The competition is hosted by The Mon school in Killarney, where Colm Cooper attended and in more recent years all invitees are Presentation primary schools .

This year saw Bunscoil Christ Ri from Cork city, St. Josephs from The Mardyke in Cork city, Nagle Rice from Milltown, Gaelscoil Faithleann from Killarney, St.Brendans from Birr in Offaly and of course The Mon from Killarney take part.

Two groups of three teams played out some very entertaining matches throughout the day but Milltown and St. Josephs earned the right to contest the final. Milltown came through a tough semi final which went to extra time and found the going a bit tougher in the final so St. Josephs triumphed for the second year in a row to win it out in good style.

Colm Cooper was on hand to present the medals and trophy and was impressed with the standard of football from all schools. He said he was delighted to be honoured by his own school and was very appreciative of all that was done to make the tournament a success.

*Milltown NS who made it to the final of the Colm Cooper Tournament Final*

*St. Josephs NS, Cork who won the final*

*The Mon NS who hosted the tournament.*

# KERRY GAA SCENE

REPORT BY LEONA TWISS, PRO

## Thank You Killian Young for your service to Kerry!

Killian's retirement on Tuesday brings an end to the inter county playing career of one of Kerry's longest and most loyal servants. Having made his senior debut in 2006 he has played under four different managers and was the longest serving member of the

2019 squad. Killian represented Kerry at minor and U-21 level before quickly progressing into the senior ranks and has produced some memorable performances over his career winning a very impressive four All Ireland titles. Over recent year's Killian acted as an exceptional role model providing great leadership and helping in no small way to integrate the many new players onto the panel. Ar son Muintir Ciarraí sa bhaile agus thar lear we wish to sincerely thank Killian for his enormous contribution to our County and wish himself and Caitriona all the very best in the future.

### Killian's retirement statement in full:

*I wish to announce my retirement from the Kerry Senior Football team. After 14 years of representing my county at senior level, the time has come for me to move onto the next chapter. To say it was an honour to play with Kerry is an understatement,*

*I've loved every single minute of it and if I could roll back the years and do it all again, I would in a heartbeat.*

*I'd like to thank my parents for their ongoing support since I was first able to kick a ball. They are fiercely loyal and have always been a massive influence in my life. My sister Caoimhe, my extended family and all my friends who have followed me around the country to games, I will never forget that and will always be so grateful.*

*To my Fiancée, Catriona, thanks for always being there. And for all the love, support and encouragement you have given me throughout the years and the sacrifices you made to help me in my career with Kerry. I really look forward to what the future holds for us and to all the adventures ahead. Also, to my Lixnaw family who treat me as one of their own, thanks for everything.*

*To my GAA club Renard. I wouldn't have had the success I've had without the coaching, development and constant support received from those in my club from a young age. Each one of you contributed hugely to my career and allowed me one of the highlights of my life so far - bringing Sam Maguire down Renard Road and into our clubhouse. For those memories, I will always be indebted to you. I am looking forward to giving you my full commitment going forward and want to thank you sincerely for your loyalty and patience throughout the years. I hope I have represented our club with honour and have made all of you proud.*

*To the Kerry County Board & Kerry Group, for all the behind the scenes hard work and support. As a player, I never wanted for anything and appreciate all you did for us.*

*To the Kerry supporters. You've been a big part of my journey and your presence on those magic days in Croke Park is often what got us over the line. Thank you for your passion and dedication, and for sharing the green and gold with me. To the young Kerry footballers around the county - believe in yourself, work hard and you too can experience the unique privilege of playing with Kerry.*

*To the backroom teams down through the years, I have made lifetime friendships with many of you. Thank you for all the time and effort you put in and for the endless words of advice and motivation.*

*To all my managers since 2006, thank you for always believing in me and allowing me to represent my county on the field of play. Your encouragement, honesty and support will not be forgotten.*

*Finally, to my Kerry teammates past and present, thank you for the wonderful memories. We have created memories together that can never be taken away and can only be understood by us. It has been the best time of my life playing with Kerry and I will take all of the cherished memories and friendships away with me. Continued success to the great bunch of players that I am leaving behind, and I am so proud to have shared a dressing room with you.*

## DR. CROKES AND KILLARNEY LEGION SAFE IN THE QUARTER FINALS AS KILCUMMIN AND EAST KERRY GET ANOTHER CHANCE

Last weekend The Killarney Outlook witnessed Dr. Crokes and Killarney Legion progress to the Senior Football Quarter Finals, as Kilcummin and East Kerry progressed from the losers round to get another chance to progress. However, for Rathmore it was elimination

### Dr. Crokes 0-17 St. Kieran's 0-8

For the second weekend in a row, the Dr Crokes forward unit were too hot to handle as they comfortably account for a St. Kieran's who put up stiff opposition for the opening half of this Garvey's SuperValu Round 2 contest.

In the end, however they caved in under the weight of the scoring power processed by the Killarney side and as Colm Cooper watched on from the stand, this was a comfortable evening for the black and amber.

Still St.Kierans did manage to hold the lead on two occasions, first after just 34 seconds when Edmund Walsh fired over but more telling on the 29th minute when they reeled off three points in a row to regain a 0-6 to 0-5 hold over the contest. However, the strength of Dr. Crokes really showed when Daithi Casey, Kieran O'Leary and Michael Potts all scored in injury time to send Edmund O'Sullivan's side to the break ahead 0-8 to 0-6.

They would hit another three quick points upon resumption as David Shaw got in on the act to help his side to a 0-13 to 0-7 lead midway through the second half.

From there on it was all one way traffic for the champions as Tony Brosnan would top score with 0-9 (five from placed balls) as they progressed to the Quarter Final without much fuss.

**Teams and Scorers: Dr Crokes:** Shane Murphy (0-1, 1 free), David Naughton, Michael Moloney, David O'Leary; Michael Potts (0-1), Gavin White, Brian Looney, Johnny Buckley, Mark O'Shea; Michael Burns (0-1), David Shaw (0-3), Gavin O'Shea; Tony Brosnan (0-9, 5 frees), Daithi Casey (0-1), Kieran O'Leary (0-2).

## MURPHY AND DUGGAN GOALS FIRE KILCUMMIN INTO NEXT ROUND

### Kilcummin 2-12 Mid Kerry 0-13

For Kilcummin to avoid a swift return to Intermediate and avoid the relegation play off with Rathmore, nothing short of reaching the County Senior Championship Final has to be their goal. It is a mountain to climb for sure but last Sunday in JP O'Sullivan Park in Killorglin; they took at least one giant step towards that by defeating Mid Kerry.

Having narrowly lost out to Killarney Legion, only wins from here on in for the 2018 County Intermediate Champions will do and it did not look that likely with Mid Kerry bossing the early exchanges to lead 0-5 to 0-3 after the opening

quarter playing into the breeze.

Kilcummin were much the better side for the remainder of that half and were soon level before their keeper Brendan Kealy sent over a long range free to give them a 0-6 to 0-5 lead. Then they hit a purple patch with goals from Kieran Murphy and Noel Duggan to see them ahead at the break 2-7 to 0-7.

Despite Mid Kerry making a somewhat spirited stand to reduce the gap to a single point at one stage in the second half, Kilcummin hit the last 4 points unanswered to secure another date towards their climb for survival.

#### Teams and Scorers:

## FINAL EXTRA TIME PUSH ENOUGH FOR KENMARE

PICTURES: SEAMUS HEALY

### Kenmare 1-13 Rathmore 2-9 (AET)

Kenmare Shamrocks prove the stronger of two committed sides who battled all the way to the end of a period of extra time before it was Kenmare who just got across the line.

For most of the game, it was Kenmare that had shown the sparkle but it was the grit and determination of a Rathmore side who had injured Paul Murphy on Maor Uisce duty that kept them in contention throughout.

Rathmore returned Shane Ryan to goal duty and indeed had returning veteran Aidan O'Mahony at centre field. George O'Keefe picked up Kerry star Seanie O'Shea for the afternoon and O'Keefe stuck to the task for well over the eighty minutes resolutely but O'Shea proved once again to be a step above hitting 1-6 over the course of the afternoon. Four from dead balls.

He had his goal after just 4 minutes when it was his strength to burst through the Rathmore defence and shoot past his Kerry teammate Ryan to give Kenmare an early 1-2 to 0-1 lead. It didn't rattle Rathmore too much who were back in front by the 24 minute helped by a fine Cathal Murphy goal as they now led 1-3 to 1-2. By the break, it was level 1-4 apiece and after a tense second half, they remained level with Kenmare again having to find the last point. This time from the boot of Stephen O'Brien making it 2-6 to 1-9

The second half goal coming early for Rathmore from Donal Rahilly.

Ryan proved his worth in goal as he pulled off an impressive early save in the first period and after Kenmare finding route one closed on them, they settled to take their points. They found enough of them to edge the result their way as Rathmore now wait and watch the progress of their neighbours Kilcummin who they may yet meet in the relegation play off with the loser heading back to join the ranks of East Kerry.

## EAST KERRY RECOVER TO ELIMINATE AUSTIN STACKS

East Kerry 3-13 Austin Stacks 3-7

Austin Stacks have been eliminated from the Senior Football championship's for one of their earliest departures in recent times. Still the current Senior Club champions fought for all they had as they got back into a contest and led (briefly) in a game that they were second best for most of the contest.

For the second week in a row, the Rockies made a slow start and East Kerry were comfortable in control by the 22nd minute and led 0-5 to 0-0. The contest took fire a few moments later when two goals in just 37 seconds of play ignited both sides. First championship debutant Michael O'Gara for Stacks before an almost instant reply from Shane Cronin. If left matters 1-7 to 1-2 at the break.

Another O'Gara goal on the 44th minute hauled Stacks right back into the game now just trailing by two points (1-10 to 2-5)

A third goal from the Tralee side put them into the lead when another Kieran Donaghy catch on the edge of the square feed Michael O'Donnell who shot to the net.

It only served to call East Kerry to arms. A moment later David Clifford levelled matters before his brother Paudie converted a penalty, which was won by the hard running of Brian O'Donoghue.

East Kerry were now back in control and another Clifford (Paudie) goal ensured that East Kerry moved onto the next round.

## O'DONOGHUE ON SONG AS LEGION INTO FINAL EIGHT

### Legion 2-15 West Kerry 2-9

Killarney Legion are certainly progressing nicely and without too much fuss as Stephen Stacks side ensured their quarter final berth with a deserved six point win over West Kerry. The Killarney side travelled who travelled to Annascaul were ahead at the break 2-7 to 0-4 with goals from Jamie O'Sullivan and Conor Keane as it was fit again James O'Donoghue that hit the headlines for a performance that saw him back to his sparkling best as he ended the day with 0-5 (two from frees)

With the advantage of the nine point lead Killarney Legion spent most of the second period hitting off their scores on the counter as West Kerry who made a bold effort to get back into the contest with an early Brian O'Beaglaoich goal never had the same quilt of fire power of the Killarney side.

With just 15 minutes remaining the lead was

a considerable 2-10 to 1-6 and despite leaking another goal late on from Padraig Og O'Se, the result was never in doubt with a deserved six points between the sides in the end.

**FARRANFORE/MAINE VALLEY AC COUNTY NOVICE / U23 & JUV. EVEN AGES XC**

The first Cross Country Championship for the season took place in Killarney on Sunday 29th Sept. The morning started out wet and miserable for the County Novice & Juvenile Even ages. Just before the first race, the skies began to clear and the sun burst through which was a great welcome for runners and spectators. First up was the Novice Women's 4K which also included the U23's & U18 categories. The field of 17 runners had just over four laps to complete. Emer Bevan, which was her very first championship race ran very well to finish in second place Novice. Siobhan O'Keeffe sixth, Grainne Tierney eight and Catherine Riordan, also running her first race was tenth. They were second team finishers. Well done all.

In the Mens 6K Novice race they were 27 runners. The first lap went out very quickly and a big gap opened up with two runners pushing out the pace hard. Dermot Dineen paced the race very well where placed seventh with just over a kilometer to go he pushed on to come in fourth place. Not far behind was David Culloty sixth, Aidan McCarthy eight and Brendan Lynch ninth. Their efforts won them team silver.

The first Juvenile race was Girls U10, 1000m. Leah McCarthy ran very well to take the lead after 400m's and held on to take individual Gold. Her team mate and first timer Katie Bell, completed the distance with a smile on her face. Ryan Vickers won the U10 Boys 1000m with his team mates Fionain Sexton & Tomas Lynch finishing in 9th & 11th respectively. Rhian McCarthy took podium in the U12 Girls 2000m with Grainne Costello in 14th and first timer, Aoife O'Sullivan in 21st also running out of age. The U12 Boys race was a very competitive race with the top 12 runners bunched up well for most of the 2000m distance. Tiarnan Lynch ran very well to finish in second place, John Sexton was hot on his heels in third, Isaac Vickers was fifth, Kevin O'Shea 20th and Jack Teahan 27th. Their efforts earned them gold team spot. In the U14 3K, our sprint hurdler Eabha McCarthy was 13th, out of age Laura Bradley did well to finish in 19th and Sadbh Teahan was 21st. In the boys we had Diarmuid Kirwan who finished in 8th place. In the U16 4K, Shauna dominated the girls race to win very comfortably. ## Podium places for Killarney cyclists at last national championships of 2019

Killarney Cycling Club has scooped three podium places at the National Hill-Climb championships. The event, hosted by Tralee Manor West Bicycle Club on Sunday, was the last National Championship of the year and was held on the brutally-steep Glounsharoon climb near Craig Cave on the outskirts of Castleisland, with gradients of up to 20%.

Conor Kissane powered up the climb at over 20 kph; an effort that won the silver medal the Senior category, behind Mark Dowling. However, coming second-best in the county will have been a bitter-sweet result for Conor as he was runner-up as well in last year's championship. Marcus Treacy got a very fine sixth-place result in the Senior category.

Tom Daly also came second in the Masters 60 category, one step higher on the podium than his 2017 bronze medal.

In the women's section, Catherine Kiely also made the podium with the third fastest time.

**U13'S GIRLS:** Our MEK Kickerz got their season off to a flying start with a win over Fenit Samphires with Izzy McGrath excellent from the boot scoring a few goals and Naoise O'Donoghue and Sarah Fitzgerald adding to the scoresheet. Meanwhile our Starz had a tough opening game against probably one of the strongest teams in the Division. It was up against them from the start as a few players were unavailable, and with 4 player playing in their first ever league game, it was always going to be a big ask. But alot of positives came out of the game. Avril Rooney scored our 2 goals, and a strong second half performance were factors to be happy about. And something we can bring to the next league game. Everyone stood up for MEK, giving 100%, which is all any player can

give. Best for MEK in the day were Keeva Riordan, Avril Rooney and Saralynn Wharton.

**BOYS:** Our U13 boys were in action in a U13 challenge game against Killorglin, earning a good win at Lackabane. Well done lads.

**SENIORS:** FAI Junior cup : Avenue United 2 - MEK Galaxy 0

Best on the day: Mike Murphy Tadhg Fleming Gary Cassidy

We had 2 chances to take lead early on but a good save and a narrow miss kept it scoreless until. Avenue scored from a set piece on the half hour and another soon after 2 nil at half time. We pushed a little more 2nd half but both sides found it hard to find openings. Best of luck to Avenue in the next round and thanks for being such good hospitality.

## Unsung Heroes...

# WHAT MOTIVATES THE VOLUNTEERS WHO GIVE THEIR TIME SO FREELY?

There are countless people that willingly give their time freely in participation with local sporting organisations and other voluntary groups. They are unsung heroes that do an awful lot of work behind the scenes that can go unnoticed. Their efforts help benefit the children in our community.

**Peter Doyle** spoke to one of those individuals, Mike O' Shea of Killarney Athletic in order to both highlight his efforts and also to find out what motivates him to do so.

Mike O'Shea was chairperson of the club for four years and he is now vice-chairman. Mike explained that he felt it was the right time for a change. He is full of praise for the current chairperson, Geraldine Nagle, whom he said, "is working very hard and is helping to recruit more coaches into the club which is the biggest necessity."

Mr. O' Shea also added that he is now head of

finance and is trying to raise money for the club. The club has 400 members and of those 340 are underage members. The biggest growth area in the club is girls soccer. Two years ago the club had only about ten girls, now there are over 50. Mike acknowledged that there is a noticeable drop off rate in underage participation when members reach their late teens. This can be attributed to the leaving cert and college but it is an issue that he would like to address.

Mr. O' Shea admits that involvement in the club can be time consuming, but he is keen to stress that he enjoys it and finds it satisfying. He initially got involved as his son played underage. Mike explained that when his son turned 18, he took on the mantle of chairperson, "as I wanted to give something back to the club." He added that adults generally get involved in the club because of their own children's involvement. However he emphasized that all members are

welcome and the club is always in need of help. Mr. O' Shea added, "that the ethos of the club is not just about winning matches, it is participation that counts." He also said, "it is about mentoring children to be better people." Killarney Athletic is of course just one of many clubs in town. There are also, Celtic, Crokes and Legion to name but a few. All of which cater for hundreds of children. Each club has countless people like Mr. O' Shea that give their time freely in order to benefit children.

DESPITE enjoying a 16 point lead at one stage Scotts Lakers had to overcome a late rally from Carlow IT before eventually securing victory in a dramatic finish at Killarney Sports Centre last Saturday night. It was a match where the home side always enjoyed a slight upperhand and looked the better side overall.

Impressive three-point shooting from Brian O'Neill led Scotts Lakers to a 10-4 lead midway through the first quarter. Veteran star Andrew Fitzgerald rolled back the years with a succession of baskets to keep the home side in control and Lakers led 20-16 at the end of the first quarter.

O'Neill continued to be a threat from downtown and he added two more three-pointers to keep Lakers 28-20 in front midway through the second quarter. Carlow narrowed the gap through Armands Vaikuls and Conor Gallagher but Aaron Jackson was making his presence felt for the home side and Lakers enjoyed a 37-33 advantage at half-time.

The third quarter was all about Aaron Jackson and a telling 17 point contribution from him in this period helped Scotts Lakers gain a commanding lead. The home side led 50-43 midway through the third quarter with Jackson providing plenty of thrills and excitement for the large home crowd. His huge step-back three-pointer was like a carbon copy of the

famous signature shot of NBA star James Harden and the outstanding Jackson followed this with a spectacular slam dunk that brought the enthusiastic home supporters to their feet. Big Toby Christensen also impressed and Lakers enjoyed a commanding 67-53 lead entering the final quarter.

Carlow coach Martin Conroy had been ejected by the match officials at this stage after collecting two technical fouls. Lakers appeared well on their way to victory with a brace of three-pointers from Aaron Jackson keeping them 81-68 ahead midway through the final quarter. Andrew Fitzgerald followed with a clever reverse lay-up score and Lakers led 85-73 with three minutes left. However Carlow never gave up with Duane Harper and James Butler chipping away with successive baskets to claw back the deficit. Disaster struck for the home side who led 85-80 with 2:05 remaining when star player Aaron Jackson was called for a second unsportsmanlike foul and disqualified from the match. It was a rather harsh exit for him considering that a slippery surface and condensation was responsible for at least one of the fouls called. Sensing the game was there for the taking, Carlow stepped up with Butler and Harper narrowing the gap to 85-84 with 85 seconds left on the clock.

However Scotts Lakers held their nerve and a big basket from Toby Christensen followed by a converted foul shot with 22 seconds left averted

the danger and secured a memorable victory for the home side.

It was a match filled with plenty drama and excitement but was riddled with several stoppages and fouls meaning that play dragged on for more than two hours. A total of 47 fouls were called with Scotts Lakers collecting 19 and Carlow were penalised for 28. Aaron Jackson was the standout player for the Lakers hitting 34 points. When he was fouled out late in the game there were fears that his side would struggle without him. However they stepped it up when it mattered with Toby Christensen (20) prominent throughout while the impressive Brian O'Neill added five three-pointers in his 19 point tally. Andrew Fitzgerald was a huge presence and threat under the boards hitting 10 points while Victor Martinez (5) worked hard throughout on both sides of the court. Team captain Mark Greene (1) made a welcome return to action after injury and will only get better as the season progresses and will be hoping to rediscover his outstanding form from last season.

Scotts Lakers: Aaron Jackson 34, Toby Christensen 20, Brian O'Neill 19, Andrew Fitzgerald 10, Victor Martinez 5, Mark Greene 1. Carlow: James Butler 21, Armands Vaikuls 14, Duane Harper 13, Conor Gallagher 9.

## DOUBLE HEADER

Scotts Lakers have a busy weekend ahead. This Saturday, October 5th they travel to Ballincollig Community Centre to play league favourites Tradehouse Central Ballincollig at 4.00pm. The Lakers have also drawn Ballincollig in the first round of the cup and this will take place in Killarney on October 26th. The Cork side have won the cup for the past two seasons and have enjoyed the advantage over the Lakers in a number of clashes in the past two seasons. Top American player Andre Nation is back

with the Cork side again this season and he was an interested observer along with some of his teammates and coach Kieran O'Sullivan in Killarney Sports Centre last Saturday night. Lakers coach Shane McCarthy will be pleased with the Carlow victory but will know that an improved performance will be required to trouble Ballincollig in the league and cup. Aaron Jackson has scored 33 and 34 points for the Lakers in his opening two games. Ballincollig will probably have a plan to try and reduce his scoring threat. Nation scored 31 in the Cork

side's 85-71 win over Portlaoise last weekend. The likes of Ciaran O'Sullivan, Dylan Corkery and Inigo Zabalo have also impressed for them so far this season.

## HOME GAME

It will be a quick turnaround for Scotts Lakers after the journey to Cork on Saturday. The following day on Sunday October 6th, the Lakers will host Waterford Vikings in Killarney Sports Centre at 3.00pm.

*Team Geaney out in force again... Denis Geaney and his team of cyclists, not only cycled the Annual Ring of Kerry Charity Cycle for St Marys of the Angels, Beaufort, but organised a special barbeque at Scott's Hotel, Killarney, to help raise funds for the residential community. It provides services to individuals with a range of needs including complex medical care, dual diagnosis and high physical support with physical and intellectual disabilities ranging from moderate to profound. Many residents have been living here for most of their lives. Denis and his team raised an amazing €22,150.00 for the residential centre. Organiser Denis Geaney said "We are truly grateful to all the musicians who played and gave their time and talents to the event. A big thank you to all the organising committee, volunteers and staff at Scotts Hotel, the response and turnout for the Barbeque was fantastic, St Mary of the Angels is close to everyone's heart in Kerry". **DEERPARK PITCH & PUTT CUB NEWS**

A GREAT day for Deerpark last Sunday at the Munster Scotch Foursomes event in St Stephens in Cork as they had a 1-2 finish in the inaugural Non-Mixed section of the event. The pairs of Ger O'Connor & Declan Kelly along with Kieran Fitzpatrick & Noel Moynihan were the ones to travel from the Killarney club to the Glanmire course as in the end Ger & Declan were one shot better than their club-mates in the overall classification.

Kieran & Noel were a point ahead after the first 18 holes on 46 points but their club-mates shot that total for their second round to go with their opening 45 points to finish on 91 points overall and defeat Kieran & Noel. Ger and Declan's total as nine under par gross as they became the first winners of this section since the change in format for this year from being a Mixed Foursomes event in the past. Kieran & Noel were a point ahead of Mark Crean & Jim O'Sullivan from Douglas in fishing

second as 2014 winners of the Mixed Foursomes event Tralee's Tony Blake & Lisa O'Connor were a shot off a prize in the Mixed section with their score of 85 points.

Sunday's success for Ger & Declan marked a great weekend in general for the Deerpark club as Damien Fleming added another Scratch Cup to his collection in winning Saturday's Loughlinstown Scratch Cup in Dublin with a 54 hole score of 14 under par. Elsewhere a group from Listowel and Newmarket travelled to take part in an International Open in Holland in Koudum at the weekend where a week after winning the Dutch Strokeplay, Listowel native Declan McCarron finished second overall in the event. In the U-18 category, Listowel trio Jake Shine, Bobby McCarron and Trevin Chute completed a 1-2-3 as Jake's score of seven over par was ninth best in the tournament overall.

The coming month of October sees the year wind down in a lot of respects with the Tralee Scratch Mens team playing in the National Inter-Club Quarter-Finals in Lakeside, Templemore, Co Tipperary on Sunday October 13th while the Deerpark Open Three Ball Scramble and Scratch Cup events on the October Bank Holiday Weekend mark the last major fixture of the year locally.

**HARD WORK PAYS OFF FOR O'GRADY**

**Kerry superbike ace wraps up this season with a podium place at the mondello masters.**

Emmet O Grady was earmarked to be a title contender in this years Masters Superbike Series riding for TAG Honda after he had clinch the Supersport title the year before, but that didnt go according to plan from the very first outing when he suffered a huge 100mph + crash testing. It left him and his team with a uphill battle from the round 1 and being the only rider to race the new Honda Fireblade in Ireland they encountered issues at every meeting. Through what can be only described a never "give up attitude" the TAG team chipped away at every opportunity, the fruits of their labour was finally awarded at the final race of the year with Emmet in a five way battle for 2nd and crossing the line in 3rd place. It ended

Honda's 5 year drought with out a podium on Irish soil which brought delight and relief to TAG Racing Team owner Thomas Fitzsimmon. Emmet and Thomas have shook hands on continued partnership in 2020 season and hope to build from his end of year success. Emmet mentioned that this year would not have been possible to come away on a high with out support from his family, friends, loyal sponsors and the team behind.

## PERFECT PUTTING

Scoring well and putting well typically go hand in hand. In order to start your putts on your chosen line remember these 3 basic points.

1) Putting specific grip with palms opposing, no knuckles visible.

2) Ball position to be forward of centre to ensure an upward strike.

3) Bending forward from your hips so that your eye line is over the ball to target line.

## Looking After Your Mental Health

Oct 10th is World Mental Health Day and October is Mental Health Month and we reflect on what we can do to look after our mental health?

Having good mental health means that we enjoy a sense of overall wellbeing. We function well in our everyday life and feel confident and secure in ourselves. There will be times in our lives when we will need to boost our mental health and wellbeing and the following tips can help us to stay on track.

**1. Connect with Others.** Building and sustaining good relationships with others can support and enrich our lives. Good quality relationships impact positively on our wellbeing and bring great rewards.

**2. Participate in life and share interests.** Being part of a group of people with similar interests can greatly enhance our sense of belonging and is good for our mental health.

**3. Look after yourself.** Eat well and keep active. Doing activities that we enjoy such as dancing, walking or gardening can all help us to feel good about life.

**4. Volunteering** is a great way to meet people and also a great way to learn new skills. One study showed significant health benefits for those who volunteered 100 hours or more a year. Another study showed older generations had less of a decline in health and lived longer when they volunteered!

**5. Having a sense of purpose.** Knowing what's most meaningful in your life and clarifying what is important means you will spend less time focusing on unimportant things and eliminate stress.

**6. Let go** and accept what you cannot control.

**7. Deal with Stress.** Know what stresses you and how you react. Avoid stress triggers if you can and if they are unavoidable learn how to manage them. Maintaining a balanced lifestyle will help you to cope with stress. Try yoga, meditation or breathing exercises to keep stress at bay.

**8. Challenge yourself.** Take on a new challenge or learn a new skill. Learning and developing new skills enhances our 'mental fitness', gives us greater confidence and a sense of achievement.

**9. Gratitude.** Being grateful for what is working well in our lives and for what we have is important for our mental health.

**10. Practice mindfulness.** Focusing our attention on the present moment helps us to not get caught up thinking about the past or worrying and planning for the future.

**If you are worried about your own mental health, speak to a GP or a professional. Call today to SouthWest Counselling Centre to talk to a professional.**

## Know Your Rights: Returning to Ireland

### Question

My son has been living in Australia for the last fifteen years and is planning to return to Ireland next year for good. Where can he find practical information about returning home?

### Answer

The more prepared your son is, the easier his move home will be so he should start his research as soon as he can. Citizens Information has developed a new online Returning to Ireland resource with a broad range of information specifically intended for Irish citizens who are living abroad and are planning to return home to live in Ireland.

This new online resource is filled with practical information to help Irish citizens plan their return and settle back in Ireland as smoothly as possible. It covers everything from residency applications for non-EU family members, applying for passports for children and accessing the public health system on your return to Ireland.

If your son is planning to start work when he returns he may want to know about PPS numbers, registering for tax purposes and getting recognition for foreign qualifications in Ireland. If he is returning with a family or children he may need to know about applying for Child Benefit, enrolling in school or college and exemptions from learning the Irish language in school. The site also has information about converting a foreign driving license to an Irish one, getting car insurance as a returning Irish emigrant and travelling to Ireland with your pet.

**THIS TEACHER CARRIED A STUDENT ON HIS BACK SO SHE WOULDN'T MISS A FIELD TRIP:**

Ryan aged 10 has Spina Bifida and the condition has made her rely on a wheelchair to get around, so a hiking field trip to Falls Of The Ohio was less than ideal for the Kentucky Elementary School student.

Her mother was trying to plan an alternative outing until a teacher named Jim Freeman who is not even Ryan's teacher contacted her and said he would be willing to "tote her around on his back at the falls all day!"

**ORPHANED ELEPHANT RETURNED TO HER HUMAN RESCUERS SO SHE COULD INTRODUCE THEM TO HER NEWBORN CALF:**

Loijuk was only 5 months when rescuers from the Sheldrick Wildlife Trust (SWT) found her stranded in an arid, drought-stricken region of northern Kenya 14 years ago. After nursing her back to health, she spent her adolescence surrounded by an adopted herd of other orphaned and rescued elephants just like her.

Though Loijuk now lives in the wild, she often returns to the SWT's Ithumba Stockades so she can visit her human caregivers, but her most recent visit on September 1st, marked a very special occasion: she had just given birth to a female calf and she wanted to introduce the baby to the SWT rescuers.

The calf, which has been named Lili, is the 31st recorded offspring born to a rescued SWT elephant. Since it is currently the dry season in Kenya, Loijuk has stayed close to the wildlife shelter so she and her calf can enjoy extra support from the human rescuers until the weather cools off.

**CEO WHO RAISED THE MINIMUM SALARY OF HIS EMPLOYEES TO \$70K IS NOW DOING IT ALL OVER AGAIN:**

Dan Price is a Seattle-based businessman and the founder and CEO of Gravity Payments: a credit card processing company which he launched out of his college dormitory room when he was only 19 years old. In 2015 he made headlines when he cut back on his own salary to \$70,000 a year so he could raise the minimum wage at his company to \$70,000 a year. He made the move after he overheard a worker talking about how she could barely make ends meet on her salary.

He has now opened a new office in Idaho and has promised that all his staff there will receive the minimum salaries of \$70,000 before 2024.

Some in the business world criticized his move, saying it would run the company out of business but the exact opposite has happened, the company received an influx of 30,000 CV's, and added 50 additional positions in the first year the raises were enacted. The number of transactions for clients increased 30% and profits nearly doubled in that past year—from \$3.5 million to

\$6.5 million—and more companies have been signing up since.

Little more than a year after cutting his own wage he again went through a range of emotions, crying, laughing, hugging, and even jumping into the arms of his employees when they surprised him with his very own \$70,000 dream car outside the Gravity Payments headquarters in Seattle, Washington. A plaque attached to the car read: "Thank you for always putting the team before yourself. This gift is our way of showing how much your sacrifice means to us."

**THE UN HAS HONoured A CHINESE COMPANY AND ITS CUSTOMERS FOR PLANTING 122MILLION TREES:**

Last week A Chinese social media initiative was awarded the 2019 Champions of the Earth award in the "Inspiration and Action" category to the Ant Forest project. The UN's highest environmental honour for turning the green good deeds of half a billion people into real trees planted in some of China's most arid regions.

Launched by Ant Financial Services Group, Ant Forest promotes greener lifestyles by inspiring users to reduce carbon emissions in their daily lives and better protect the environment.

Ant Forest users are encouraged to record their low-carbon footprint through daily actions like taking public transport or paying utility bills online. For each action, they receive "green energy" points, and when they accumulate a certain number of points, an actual tree is planted. Furthermore, users can view images of their trees in real-time via satellite.

In addition to tree-planting, users can choose to protect a certain size of conservation land on the Ant Forest platform, which is also exploring innovative solutions to alleviate poverty and improve the lives of local people by leveraging the power of digital technology.

The trees, which have saved more than 7 million tons of carbon emissions from entering the atmosphere, cover an area of 112,000 hectares (277,000 acres), making it China's largest private sector tree-planting initiative.

**FOCUS ON FILLING WINTER CONTAINERS**

Now is the time to start filling your winter containers, pots and baskets. First thing to do is empty your pots of the summer display including compost and give it a quick wash inside. Then put some gravel around the drainage hole at the bottom of the pot. Now add some new compost and fill it about 2 inches from the top of the pot and firm it down but not too hard.

Next it's time to choose what plants you're going to use, first plant what will be your centre piece, which could be anything from a conifer to a grass, such as a phormium or if it's a very large pot or container you could choose something like a pyramid or a standard bay-tree which is a bit more expensive but you will have them for a long time.

Next plants to choose would be something trailing such as ivy or a Vinca and plant three of them like a triangle in the pot, in between these you can plant some primroses, polyanthus, winter pansy, cyclamen, etc and also you can plant some tulip or daffodils as well.

After planting remember to water in well.

## A Word of Victory

Welcome back dear reader we've looked at the curse of idolatry recently and how it is related to sickness and defeat. There are keys of deliverance from curse in the powerful Psalm 107. It begins with a call to give thanks to the Lord for His goodness and His enduring mercy, and reminds His people who have been redeemed to 'say so'. God inhabits the praises of His people! (Psalm 22:3). As we share our testimony of God's mercy and love to us personally, we cannot help but give Him thanks and rejoice at His goodness. And when we praise and thank Him, God releases His Glory and you can taste, feel and know Him (Psalm 34:8). Psalm 107 tells of how God's people were in distress – wandering in a wilderness, sick, hungry and afflicted. But as they cried out to God – in humility and true repentance, He met them right in the middle of their mess and delivered them from captivity - breaking the gates of bronze and the bars of iron, and bringing them out of the prison they had been living in. This is a prophetic picture of Messiah Jesus (Isaiah 61:1-3; Luke 4:16-21). He is our Redeemer. That means He paid the price for our ransom, breaking the power of the one holding us captive. The ransom He paid was His blood and His life (1st Timothy 2:5-6). The captor who was holding us was the devil who gained control over our lives because of our sin and disobedience to God's Word. Jesus broke the bars of iron and paid the price for us to be set free when He gave His life to save us. Many people are living inside of prisons of addictions, sicknesses, turmoil and fear and have no idea that freedom is theirs. They are eating the devils food – the lies he has deceived them with, living defeated by this illegal foe, having given him control of their lives through lack of knowledge (Hosea 4:6). These are lovely people - but they have no idea that they are being stolen from, killed and destroyed because they have aligned themselves under the demonic realm (John 10:10). But Jesus, God's Son, came to bring His Life, Light and Love to deliver us from darkness and destruction. 'God...sent His Word to heal us, and deliver us from every destruction' (Psalm 107:20; John 1:1-14). Cry out to the Lord Jesus friend, give Him your life today, and thank Him for His goodness and watch freedom come!
