With the Halloween celebrations over for another year - its straight into the festivities of Christmas In Killarney. Plans are well underway for the 12th annual festival which sees the town turn into a winter wonderland with lots of events on the calendar. Its onwards and upwards for Dr. Crokes following their win last weekend and the Kerry Senior Football All Ireland winning teams of 1997 to 2014 are set to be honoured. RIVALRIES TO BE RENEWED AT HOP BALL GAA CLUB FUNDRAISER

Spa Gaa Club's under age football club are running a novel fundraiser on Friday 11th November 2016 in the Torc Hotel, Mallow Road, Killarney. The event is being billed as a lively night of fun and "Hop Balls" with well-known Gaelic Football stars. Headlining the event will be a panel of current intercounty footballers from Dublin and Kerry. Dublin midfielder Brian Fenton and wing forward Ciaran Kilkenney will be joined on stage by Kerry's Donnchadh Walsh and Darran O'Sullivan. The night will be "refereed" by former All Ireland winning Kerry captain, TG4 Presenter, Radio na Gaeltachta broadcaster and Irish Examiner GAA columnist Dara O'Cinneide. Spa have had five minors play in the last three All Ireland winning Kerry minor teams (Liam Kearney, Dan O'Donoghue, Mike Foley, Evan Cronin and most recently 2016 final man of the match Dara Moynihan). These will form a panel to be interviewed by O'Cinneide on their experiences. Another panel on the night will be former club representatives of Kerry from yesteryear- Michael Gleeson, Donie O'Sullivan, Paudie Mahony and Mike McAuliffe. Each of the three panels will be interviewed by O'Cinneide during the evening with opportunities for questions from the floor also. Brian Fenton's father, Brian Snr is a native of The Park, Killarney and has never lost his connection to the club having won O'Donoghue Cup (East Kerry Senior Football Championship) medals with Spa in 1966 and 1969. When Brian was initially approached about attending an event he never hesitated, he is a regular visitor to the

area and known to quite a few. In a stroke of good timing the night will be one week after the televised GAA/GPA Opel All Star awards where Brian Fenton and Ciaran Kilkenney are both nominated for the Player of the Year award. Chairman of Spa Coiste na nOg, Ivor Flynn said that "with such high profile personalities involved, particularly two members from the reigning all Ireland champions one of whom, Brian, has strong connections to the club as well as a first class host like Dara O'Cinneide it promises to be a lively night." He goes on to say that "It's appropriate to give recognition to the achievements of the five Spa lads who won all Ireland minor medals over the last three years having come through the under-

age ranks in Spa. The event is to raise funds for the underage club which is open to all boys and girls from 4 years up so that they might someday have the chance to play for Kerry too". The main sponsor of the event is Simply Suits who recently opened an outlet in Killarney. Tickets are great value at €15 and selling fast for the night which will start at 8pm sharp but are still available from the Torc Hotel or Simply Suits, Park Rd, Killarney or by contacting Ivor Flynn (087 200142), Michael Stam O'Donoghue (087 7708522), Tadhg Hickey (086 7902540) or Andrew Garnett (086 1911263). WHITE TAILED EAGLES HAVE SPREAD THEIR WINGS

This year's crop of six young White-tailed Sea Eagle chicks are now busy exploring the wider world around them as they break their ties with their parents and learn to fend for themselves. After taking flight for the first time in July, at 11-14 weeks old, the youngsters are now proficient fliers so it came as no surprise when one was spotted by a local farmer on Inis Meáin in the Aran Islands. Others have dispersed to south-west Kerry and east Galway.

Meanwhile the last straggler to leave home, 'Eddie' the Glengarriff chick, is yet to make the move out while his parents continue to feed him. Both parents and chick have been thrilling local boatmen and tourists. Soon however the pair will begin gearing up for the next breeding season so it will be interesting to see when and where Eddie goes to when he finally makes the move away.

The 2016 Killarney chick, a female named 'Danú' named after the Celtic goddess or the nearby Paps of Danú, left her nest in mid-July

but only began to venture away from the lakes of Killarney in late September. She returned to Killarney then finally departed on 1 October when she headed west towards Waterville where she remains. Her satellite tracks show that she even spent the night next to another eagle nest in west Kerry that also produced a chick this year. Time will tell how these young eagles will fare. Some may not make it through their first winter when having to find enough food to survive is a big challenge. Young eagles are especially dependent on carrion -

dead animals, they find and scavenge often in the uplands. However, the omens so far are encouraging for this new generation of wild Irish-bred birds. Of 13 young eagles that have flown from nests since 2013, all but one, a young eagle shot on the shore of Lough Derg in Tipperary in 2014, made it through their first winter. Some of these first birds have dispersed as far as Rathlin Island off the Antrim coast and could start nesting themselves in the next few years. These pioneers carry the hopes for the future of the species in Ireland with them.

SNEEM STORYTELLING FEST A MATCHMAKER MADE IN HEAVEN

LOCAL CHILDREN WITH SNEEM STORYTELLER BATT BURNS, FOUNDER OF THE SNEEM INTERNATIONAL STORYTELLING & FOLKLORE FESTIVAL WHICH TAKES PLACE 11-13 NOVEMBER IN THE PICTURESQUE VILLAGE OF SNEEM ON THE RING OF KERRY. PHOTO: LISA O'SHEA.

Sneem International Storytelling & Folklore Festival, 11-13 Nov, 2016

What does Barack Obama, D'Unbelievables and a London female aristocrat shot in her arse for Irish freedom have to do with the Sneem International Storytelling & Folklore Festival 2016? You will have to pay a trip to find out. Storytellers from America and across Ireland, John B. Keane's 'The Matchmaker' starring Mary McEvoy and Jon Kenny, The Story Swap Sessions and a conversation with renowned

Irish author Alice Taylor are just some of the delights awaiting you at the 5th Sneem International Storytelling & Folklore Festival which takes place in the village of Sneem in South Kerry this November (11th -13th).

Storytelling was part of the fabric of life in the Iveragh Peninsula in South Kerry for centuries and the festival is breathing life back into this all but lost tradition in the area.

This year the festival, supported by Fáilte Ireland, has attracted leading professional storytellers who will perform at the Storytelling Concert on the Friday night of the festival. Rhode Island's famous author and teller Mark Binder, Kilkenny's Jim Maher, Cork's Pat Speight as well as Kerry's Batt Burns will all perform along with a guest performance by singing legend Seán Ó Sé.

Patrons can look forward to storytelling walks in the countryside, adult and children's storytelling workshops and talks including a conversation with best-selling Irish author and poet Alice Taylor and a lecture on the life of Lady Albina Broderick by Kerry author Pádraig ó Conchubhair.

There is also a storytelling pub trail, a Young Tellers concert (11-18 year olds), lunchtime

theatre ('Faith Healer' by Brian Friel, performed by Sneem DramSoc) and the hugely popular 'Story Swap Sessions' which are hosted by our featured tellers over the weekend and where members of the public can come along to share and swap stories with each other.

The festival centerpiece will be 'The Matchmaker' starring the much loved television and stage actor Mary McEvoy and actor and comedian Jon Kenny, formerly one part of D'Unbelievables, which will play the Saturday night of the festival in the Sneem Hotel.

Together they play a myriad of characters in this hilarious and earthy dramatic comedy directed by Michael Scott and based on the novella 'Letters of a Country Matchmaker' by John B. Keane, which follows the efforts of Dicky Mick Dicky O'Connor as he makes matches for the lonely and lovelorn.

A weekend festival ticket for all events including the storytelling concert and 'The Matchmaker' is €50.

MISNEACH – NOURISHING HOPE: A TIME OF REFLECTION AND HOPE

At the end of this month Pieta House will host "Misneach - Nourishing Hope" in Pieta House Bereavement Centre, McAuley Centre, Balloonagh in Tralee (4pm).

The reflective events are taking place on Sunday 27th November, on the cusp between the months of November (traditionally a month of remembrance, honour and reflection) and December (traditionally a month of hope, joy and celebration) – to create a space and time for people to honour and celebrate lives present and lives passed and to move into December and the Christmas season with hope and celebration. The events are free of charge and people of all ages are welcome to attend. Pieta House CEO Brian Higgins says it's symbolic that Misneach will take place in late November, just on the cusp of December.

"We chose this date to allow people to move into Christmas with a sense of hope. When people are gathered on the day we want to move from remembrance, honour and reflection into hope, joy and celebration," he said.

"At Pieta House, our values are to treat everyone with respect and dignity, to be rooted in compassion and care, to generate and nourish hope and to empower. We see Misneach as a real way to embody our values at Pieta House" "Misneach - an ancient Irish word - means both 'hope and courage' and so we want to create a space for people who have been bereaved by suicide to reflect and celebrate the lives of people they've lost; and it's also for people who can celebrate that they have worked through the issues that had brought them to a point of

suicide but who can now move forward in a more hope-filled future"

"We would like to think that Misneach will also appeal to anyone who supports our work, anyone who has gone through our services or anyone who wants to support someone who has used our services."

So please join us in what is hoped will be an annual event from this November on, to honour the lives of people who have passed away and to celebrate the people that are still with us.

CLLR. GLEESON RAISES QUESTIONS ON FIRE SAFETY

CLLR MICHAEL GLEESON.

At the October 2016 monthly meeting of Killarney Municipal District, Councillor Michael Gleeson proposed:

"In view of the June 2016 Report that stated that up to 80% of Traveller homes in the Country were High Fire Risk, is Kerry County Council

satisfied that all the Traveller Accommodation in this County is as free as is humanly possible from such risk".

Councillor Gleeson stated that is was

appropriate to address this matter on the 1st anniversary of the Carrickmines Fire Tragedy that claimed 10 lives. He stated that an accommodation assessment by the National Directorate for Fire and Emergency Management following that Carrickmines fire found that very many Units there did not have working fire alarms, carbon monoxide alarms and that a majority had dangerous electrical installations. It also stated that in some locations Units were sited too proximate to each other.

Kerry County Council stated that it continues its pro-active programme of engagement with the Local Traveller Accommodation Consultative Committee, local Traveller advocacy groups and residents of the sites in the development and implementation of ongoing Fire Safety

initiative.

An important element of the overall programme is Fire Safety Awareness and Kerry Co Co works with resident and stakeholder groups to ensure attendance at fire safety awareness events organised by the Council.

They continue to carry out Pre-Incident Planning and to ensure that Traveller Fire Safety is included in the annual Planning Programme and this has been completed for 2016 in all 4 sites in Kerry. The Fire Service Department visits the Traveller Sites the week before Fire Safety Week each year and this has occurred for this year in all Kerry traveller accommodation sites on the 22nd and 23rd September, 2016.

Kerry Council said that this important matter will be kept under review in conjunction with the Local Traveller Consultative Committee.

LOCAL SUPPORT FOR PALLIATIVE CARE UNIT

On Friday 9th of September, Aherns Pharmacy, Farranfore hosted their annual coffee morning in aid of the local Palliative Care Unit in Tralee, who care for the terminally ill and provide support for their families. The event was another outstanding success with over €1300 being raised.

VERY POSITIVE RESPONSE TO SOUTH KERRY SKILLNETS "KNOWLEDGE CAFÉ" EVENT

PICTURED AT THE KNOWLEDGE CAFÉ ARE DAN O'DONOGHUE – PARTICIPANT; JENNIFER MAHER – THE HR SUITE; AOIFE O'REILLY – SKILLNET MANAGER; HEIDI GRIMWOOD, TOMÁS FINNERAN – PITMAN TRAINING; CAROLINE MCENERY – THE HR SUITE.

Very positive feedback was received from the more than 50 participants that took part in the South Kerry Skillnet organised Knowledge Café event in the Brehon Hotel on Thursday morning last with participants saying the

format lent itself very well to engaging with the information providers. The event was aimed at showcasing the range of potential training opportunities that are available to businesses in the region through the Skillnets programme. Among those on hand to provide the advice and information were Caroline Mc Enery of The HR Suite, Business Coach Sean Foran, Vincent Leonard of LBS Partners, Heidi Grimwood, Jennifer Marshall of The HR Suite and Pitman Training's Tomas Finneran. In addition to receiving information on the range of training opportunities potentially available to them, the event also provided business owners with the opportunity to network and make new connections with other business owners from throughout the county.

South Kerry Skillnet Manager Aoife O'Reilly said she was delighted with the turnout at the event and the positive feedback from those taking

part. "It is the first time we have tried to deliver information to business in such a format and it seems to have proven to be very popular with them" she said. Aoife added that having gotten a taste of the type of training that is available through the Skillnet programme, she will now work with all of the range of businesses present to ensure they can arrange to provide them with the necessary training they need for both themselves and their staff. "Businesses both big and small recognise the importance of learning new skills and updating their current skills and I would encourage anyone interested in undertaking training to contact South Kerry Skillnet to see how we can assist them in meeting their training needs" Aoife said.

South Kerry Skillnet can be contacted by e-mail at **info@kerryskillnet.ie** or by phone on **066 9762477**.

Renew Hair *Boutique* at *Castlerosse* HOTEL & HOLIDAY HOMES

"Recently I took over as proprietor of the Renew Hair Boutique in The Castlerosse Hotel and Golf Course Killarney. I am hairdressing over 13 years. I worked 8 years with Toni&Guy where I started off my training in Galway. I finished off our varding exams in Tony&Guy Academy in Dublin. My speciality was cutting while in Tony&Guy Galway. I then moved to Lisbon Portugal and worked for Tony&Guy there for 10 months. We did a lot of hair preparation for fashion shows and I also did Wella Trend

Jennifer Rickard.

While there I taught classes to the juniors in the evenings, teaching them all aspects of hairdressing. I then moved to Kerry where I worked as a style Director in Sean Taaffes for 5 years doing everything from colour to cuts to upstyles. I was part of the busy Bridal team which worked on weddings in salon and call outs to where the bride was located. While there I taught a basic Barbering course in the Academy by Aisling Moddigan, teaching students the basic skills needed for cutting mens hair and get them ready for more advanced barbering courses.

I look forward to working with my clients. The adventure continues..."

KERRY SOCIAL FARMING INITIATIVE RECEIVES MAJOR BOOST

The Kerry Social Farming initiative, which has been run by South Kerry Development Partnership and the Kerry Social Farming Committee over the last number of years, received a major boost in the last week with the signing of a contract to roll out a National Social Farming Pilot Project in the county. In addition to the contract to roll out the pilot project, SKDP has also been successful as part of a consortium with Leitrim Local Development Company, in securing a contract to develop National Social Farming Network.

Both contract were awarded by the Department of Agriculture, Food and the Marine and are seen as recognition of the work of SKDP and the Kerry Social Farming Committee over the last three years. This new pilot project will see the number of host farmers throughout Kerry participating in the initiative rise to 15 from a current level of 9 with a corresponding increase in the level of participants from a current number of 26. The initiative involves people with disabilities being able to spend time with a host farmer in a safe and friendly environment both enjoying the experience of working with the animals on the farm as well as learning farm skills, life skills, connecting with the rural community and build relationships with the family farm members. The Social Farming initiative works in co-operation with many agencies in the county including KCC, disability service providers, the

One of the host farm participants involved, George Kelly of Hazelfort Farm in Ballymallis, said that this initiative is one of the most rewarding projects he has ever been involved with. He said that in his experience the host farmer in many ways gets nearly more enjoyment and satisfaction from having the

young adults on the farm with them and seeing them develop that the participants themselves and he would strongly encourage other farmers to get involved.

Any new farmers interested in finding out more about the Social Farming Project should contact Joseph McCrohan in South Kerry Development Partnership Ltd. in Cahersiveen or Dave Fitzgibbons in North, East & West Kerry Development.

MONEY MATTERS....

By Dermot Cronin,
Financial Advisor

WHERE CAN YOU GET BETTER RATES OF INTEREST FOR YOUR MONEY??

Firstly interest rates in some banks are better than others, for example one bank at the moment will only give you .70% interest for a fixed rate account for 2 years, so for €75000 you would only get €525.00 interest over 2 years and that's even before DIRT tax is deducted. However another bank will give you 2.01% for a 2 year fixed rate account which is €1507.50 interest over 2 years before DIRT tax, that is over €982.50 more in interest that you would earn before DIRT tax. In every bank there are customers earning extremely low rates of interest at present. However, by shopping around or getting an independent financial advisor to check up to date interest rates you can substantially increase the amount of interest you can earn by just changing bank accounts, which is very easy to do. Also there are even better rates of interest available for other products such as longer fixed term accounts. This can be done for you by a financial advisor who is authorised to carry out this business for you.

For further information on the above or any other financial matter you can contact **Dermot Cronin QFA APA** at **064 66 22775** or **dermotcroninfa@eircom.net**

The Council replied that it has thus far been unable to acquire the lands necessary for the development of car parking in the location in question. It said that further options will be investigated for providing parking along the

public road.

BEAUFORT NOTES

LONDON GAA CHAMPIONS: Over the years Beaufort GAA supporters have followed with interest the progress of St. Kiernan's GAA Club, London but never more keenly than on Sunday, 16th October when they won the London Senior Championship beating Tir Conaill Gaels 12 points to 5 in an exciting game in Greenfield. St. Kiernan's was founded in Edgware, London in 1985 initially as an underage club, later fielding senior teams made up of many Beaufort exiles resident in north west London at that time. In fact, a record of 8 Beaufort men were in the team who won the McArdle Cup, in 1989, the club's first big win. The team included Bernie Coffey (captain

and trainer) Sean Coffey, Micheal Coffey, Patie O'Connor, Michael O'Connor, Mike (Dyke) O'Sullivan, Jake Doyle and Derry O'Sullivan, not forgetting Liam Kelliher (Milltown) and Paul Moriarty (Glenbeigh). Under Beaufort man Jerome O'Shea, Chairman and co-founder, the club continues to maintain its strong links with Beaufort GAA Club, hosting visits and keeping regular contact. Players on the winning Championship team include a number with Kerry connections; Stephen and Keith Curran (Caherciveen), Patrick Begley (Tralee) in addition to other London born players with Kerry connections: Michael O'Donoghue (Waterville), Tommy Moriarty (Killorglin), Kieran Healy (Kilgobnet) and Peter Finn (Galway) whose grandfather Donie Sheehan hails from Killarney. St. Kiernan's is a team to watch this

year as their possession of silverware increases. To date this year, they are also winners of the U16 London Championship and the Home Grown Championship. Their senior team is also finalists in four other senior competitions.

FIXTURES: Beaufort senior men sponsored by Maurice Foley of MF Decorating are home to Keel, Saturday, 5th at 2.30pm in Round 1 of Mid Kerry Senior Championship. Extra time if necessary. Under 16 boys sponsored by Killarney Credit Union are home to Laune Rangers, Sunday, 6th at 11.30am in Round 1, Mid Kerry Championship (change date).

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

There are many app's out there to download that will do all the work for you eg. I love "my fitness pal" i often pull it out and see how im getting on with my nutritional goals as it brings up your protein, carbohydrate intake, vitamins iron etc, so it is a great overall health eating tool and guide.

Alternatively you can use the following equation i have put together for you to figure out your own personal daily calories and if you want to google the foods in your food diary for calories you can easily work out approximately what you are consuming on a daily basis.

CALORIE COUNTER

Question: How many calories should I eat if I want to lose weight?

A pound of body fat equates to approximately 3500 calories.

To lose weight: To take off 1 pound per week, you need to create a "deficit" of 500 calories per day. You can do this by eating 250 fewer calories a day (for example, cut out a 20-ounce bottle of regular soda) and burning an extra 250 calories through physical activity (for example, walk for 2.5 miles). Another way to cut back on calories is to watch your portion sizes.

Answer: It's Relative

Technically, there is no magic number of calories we should all eat each day to lose weight. While most people can lose weight eating around 1,500 calories, you can assess your own personal caloric needs with a little math.

To achieve the perfectly effortless cuffed sleeve, keep the top button (which is called the gauntlet) buttoned while you roll.

HEALTH TIP

MAKE CHOCOLATES A LUXURY AND NOT A ROUTINE. Chocolates are not or at least they should not be a part of your diet. So do not indulge too much in them. Even the bitter chocolates are not good for you because though the sugar is less there is still the cream in them.

Beauty tip

Freeze Your Eyeliner

Does your eyeliner constantly crumble while putting it on? Leave it in the freezer for 15 minutes prior to applying your makeup. It should glide along your lash line seamlessly after that.

A THOUGHT WITHOUT A FEELING IS POWERLESS!

A thought is just a thought! It is only when you add a FEELING to it that it takes on any meaning or power! We add feelings by way of how we interpret what we are thinking. For example, when someone doesn't acknowledge you as you pass him or her in the street, you may interpret this as not being liked by the person or perhaps you feel that you've done something wrong or upset them in some way. You may feel angry that they blanked you or irritated by their rudeness. All of the above are judgments and interpretations. It is this kind of interpretation that cause us pain. However, if you simply acknowledge their action and then refuse to place a judgment on it and stay open to enquiry and curiosity you begin to live from a calmer, more open place. Instead of judging, simply say to yourself, "I have no idea of why they blanked me!" And then add something compassionate such as "I hope they are okay and all is well in their world!" The only feelings you experience then are joyful, peaceful ones that are not rooted in a "story" that you have made up about someone else's actions.

THINK WELL, LIVE WELL, BE WELL!

MUNSTER CLUB CHAMPIONSHIP - QUARTER FINAL:

DR CROKES 1-14 KILMURRY BRICKANE

0-8: Played in Quilty on Sunday 30th of October. We were behind on three occasions in the first quarter of this game. Our opponents led 0-3 to 0-2 at the end of the first fifteen minutes. We

got well on top in the second quarter and sent over five points without reply. Kilmurry had a point on the stroke of half time. This left us with a half time lead of 0-7 to 0-4.

Our opponents reduced our lead with a point in the 33rd minute. The defining moment came two minutes later when Colm Cooper expertly fielded a high ball just short of the end line and his well directed pass to Brian Looney resulted in a penalty for a kick from the latter. We followed this with five unanswered points, three from Colm Cooper and one each from substitutes Micheál Burns and Tony Brosnan.

COLM COOPER AND BRIAN LOONEY CHAT AFTER THE GAME

Kilmurry reduced the deficit to nine points with a point in the 57th minute. Both sides exchanged points on two occasions in the remaining minutes to leave us victorious at the end of the game on a scoreline of 1-14 to 0-8. Our opponents hardly deserved to lose by nine points as they had some very good passages of play during the game. Our dominance in the second and third quarter powered the way for our good victory in the end.

A satisfying result and our manager and selectors must have been pleased that nine of our team got on the scoring list and all playing

either midfield or in the attack. Three of our scorers who contributed four points between them, Micheál Burns, Tony Brosnan and Jordan Kiely came off the bench.

EAST KERRY NOTES

TATLER JACK EAST REGION MINOR LEAGUE: DIVISION 1 FINAL:

GNEEVEGUILLA 4-15 FIRIES 3-11: Home side Gneeveguilla won the Tatler Jack East Region Division 1 Final, in a cracking game against Furies, on Saturday last. The first half was a close affair, with high fielding and well taken frees. Furies scored from the throw in - a Liam Brosnan point from play. Gneeveguilla replied with a point and a JJ Herlihy goal, provided by Brian Brosnan. Within a minute, Furies were awarded a penalty, ably slotted home by Donnacha O'Sullivan. The sides were level 1-1 a piece in the sixth minute. Two Furies points to one for Gneeveguilla had the visitors ahead 1-3 to 1-2 going into the second quarter. The game continued at pace. Gneeveguilla regained the lead early in the second quarter when the in form Shane O'Sullivan, set up by Brian Brosnan, gave the keeper no chance and rattled the Furies net - 2-2 to 1-3 and Gneeveguilla maintained a lead from then to the final whistle. There were a scatter of points, Brian Brosnan from play and two Furies pointed frees by Ciaran Flynn. Gneeveguilla's John O'Leary won the resultant kick out and in a swift move picked out Brian Brosnan who provided to Shane O'Sullivan and the Furies net billowed. The sides both created scoring chances before Ciaran Flynn sent a rasper to the back of the Gneeveguilla net reducing the gap to the minimum 3-3 to 2-5. Excitement was at fever pitch and the sides swapped points. Gneeveguilla notched up 2 unanswered points in added time to lead by a single score at the break: Gneeveguilla 3-6 Furies 2-6.

On resumption, Furies pressed forward, led by Darragh Donoghue, but the Gneeveguilla defence was strong and keeper Jerry Cronin made a great save one in one. Gneeveguilla extended their lead, scoring 6 points to 2 for Furies - 3-12 to 2-8 on the 45th minute. There were a scatter of points. Furies were awarded a penalty, for a black card offence, with ten minutes remaining. Donnachadh O'Connor sent an unstoppable shot to the top corner. The Gneeveguilla lead was reduced to a single score, 3-13 to 3-10. As excitement rose, the sides traded points 3-14 to 3-11 with 5 minutes remaining. However, a well worked Gneeveguilla goal, by Pa Warren in a move involving John O'Leary and Shane O'Sullivan, gave Gneeveguilla an unassailable lead. A Gneeveguilla point soon after left the full time score Gneeveguilla 4-15 Furies 3-11.

East Kerry Runai, Dermot O'Connor, presented

the Sheehan Cup to Gneeveguillas, Dean Crowley.

Referee: Donal Casey (Scartaglen)

AQUILA CLUB O' DONOGHUE CUP: The first of this years O' Donoghue Cup Semi Finals sees Gneeveguilla take on County Champions Dr Crokes on Saturday 5th November in Fitzgerald Stadium at 2pm.

TATLER JACK EAST KERRY MINOR CHAMPIONSHIP:

Three quarter finals played in the Tatler Jack East Kerry Minor Championship saw Kilcummin, Killarney Legion and Currow progress to the semi finals of the Minor B championship, joining Spa. Rathmore, Glenflesk and Fossa join Cordal/Scartaglen to compete in the Minor C Semi Finals.

Kilcummin created somewhat of a shock when they defeated Rathmore, by three points, in a very keenly contested quarter final. The key to their victory was their ability to score goals and defend resolutely when they came under pressure. Four of those goals came in the first half courtesy of Dean Cronin (2), Conor McCarthy and Gearoid Kerins while Rathmore scored some impressive points throughout the half. Their goal from a defensive mistake left the half time score: Kilcummin 4-4 Rathmore 1-10. The second half was just as close and there were never more than four points between the teams. The defining score was a second goal from Conor McCarthy in the Kilcummin colors. Rathmore were driven on by Mark Ryan and Dean Fitzgerald, but Kilcummin with Sean O' Leary, Keith O'Leary, Gearoid Kerins and Paul O'Shea in excellent form had enough to see them through. The Rathmore goal scorers were Anthony Darmody and Mark Ryan. Final score: Kilcummin 5 -12 Rathmore 2-18.

Fossa hosted Killarney Legion in the second of the three quarters finals. The game started brightly with Killarney Legion getting the first two points. Fossa then took the lead courtesy of a David Clifford goal but that was as good as it got for the home side. Legion took over from this point. A brace of goals, from Stephen McCarthy, put them in the driving seat and the visitors led 6-09 to 1-03 at half time. It was more of the same in the second half as Legion added further goals, Michael Cronin, Gavin Moriarty and Conor McCarthy on target, to win easily on a scoreline of 9-15 to 2-07. The third game saw Currow get off to a strong start away against Glenflesk and built a convincing lead in the first half. The visitors pulled further ahead in the second half to run out winners. Final score: Currow 6-11 Glenflesk 2-7.

EAST KERRY U16 CHAMPIONSHIP DIVISION 4 FINAL

FIRIES 4-11 CURROW 2-12: The MD O'Shea, East Kerry U16 Championship, Division 4 Final saw Firies take on Currow in Cordal. Currow started well with points from Daniel Kelly (2), Adam Manley and a goal from Conor Sheehan. Firies narrowed the gap to a single score with points from Darragh Donoghue (2) and Dylan Callaghan. It was tit for tat and the

sides notched up three points each. Daniel Kelly (2) and Adam Manley for Currow, Darragh Donoghue (2) and Dylan Callaghan for Firies. Half time score Currow 1- 6 Firies 0- 6.

The second half continued at pace and the saying that goals win games proved true in this game. Dylan Callaghan rattled the Currow net and added a point, putting Firies ahead for the first time in the game. Darragh O'Donoghue extended the Firies lead with a fine goal and two points. A Currow goal, by Connor Sheehan, brought the score back but further goals by Harry Doody and Trevor O'Shea maintained the Firies dominance. Both sides pointed. Connor Henderson (3) and Trevor O'Shea for Firies. While Sean Brosnan (2), Daniel Kelly (3), Connie O'Connor and Jason Brennan, kept the scoreboard ticking over for Currow. Firies claimed the title on a final scoreline of Firies 4-11 Currow 2-12.

Sean O'Sullivan, East Kerry Coiste na nÓg presented the trophy to Liam Butler (Firies).

LEGION GAA NOTES

U-15 BOYS: Well done to the lads who represented East Kerry in the Super Touch County Finals and gave a good account of themselves, defeating Templenoe/Sneem and drawing with an Ghaeltacht before ultimately coming up short against Austin Stacks. Congratulations to players and mentors on what was a very successful year at this and, indeed, U-14 and U-16 levels also.

THE SEM: Congratulations to the Sem seniors who defeated Dingle 1-16 to 2-12 in the O'Sullivan Cup Final, especially to Legion men

Robert Osborne, Cian Gammell, Michael Devlin and Barry Slattery.

Well done also Eoghan O'Sullivan, Niall McGillicuddy, Ryan O'Grady, Cian O'Leary, Owen Benson and Jack Corridan, members of the Taft Cup team who had a comfortable victory over Chríost Rí in their semi-final.

ST OLIVER'S: Congratulations to all the Legion players who helped St Oliver's National School to victory in their Cumann na mBunscoil final against.

PODGE O'CONNOR: Best wishes to Podge and his girlfriend Aisling who are moving to the States. Podge has given the club great service over the years and we hope to see him back in action in Derreen in the not too distant future.

SCÓR NA NÓG: Well done to all of our Scór na Nóg participants. There were brilliant performances all around in solo singing, ballad and set dancing. To crown it all off

there was a 2nd place finish for our ballad group of James Smith, Colm Looney, Lynne Fahy and Sarah Trant. Well done to all involved.

VOLUNTEERS: With an ever-increasing playing population, the club is always anxious to ensure that every player is given the best possible coaching and education for the game. We are always thankful for the hard work and dedication of our members who volunteer to help out and assist with each team.

With this in mind and looking ahead to 2017 we would like to invite anyone who would be interested in getting involved in any team at any level to let us know. "Many hands make light work". A committee of four is now in place with the task of putting together for ratification by the Club Executive juvenile management teams for next year. KILLARNEY CELTIC NOTES

RESULTS: FAI JUNIOR CUP: KILLARNEY

CELTIC 1 MITCHELS AVENUE 0: Celtic had to be at their best here in a very tough, well-contested game, with Wayne Sparling making the vital breakthrough.

DENNY PREMIER B: KILLARNEY CELTIC

2 CAMP UNITED 4: Celtic, with some young players on board, battled hard but struggled to contain a veteran-packed and sharp Camp side. The visitors made the breakthrough thanks to Johnny Driscoll and added a penalty through Genie Farrell to make it 2-0 at the break. They doubled their advantage through Gearoid O'Shea and Vincent Herlihy but the introduction of player/manager Vladimír Sirotiak really energised Celtic, with Derek Twomey, Conor Keane, Farouk Aminu, and the Sheahans Denis and Cathal really taking the game to the visitors and Vlad cracking home two superb goals.

U15 PREMIER: KILLARNEY CELTIC 2

TRALEE DYNAMOS 2: Niall McGillicuddy put Celtic up but Dynamos equalised and then took the lead, only for Jack O'Connor to hit a dramatic equaliser in injury time. Both teams deserved something from a superb game.

U15 DIV TWO: INTER KENMARE 2

KILLARNEY CELTIC B 6: The turning point came when a blistering Celtic already led 2-0. Kenmare were awarded a penalty but a fantastic save saw the ball swiftly travel down the pitch to end up in the opposite net, a two goal swing effectively, and Celtic never looked back after that.

U13 PREMIER: IVERAGH UNITED 2

KILLARNEY CELTIC 2: Celtic trailed 2-0 at the break but a terrific second half, inspired by a brilliant penalty save by Jack O'Donoghue, saw Peadar Kelliher strike twice to earn a share of the points against a fine Iveragh side. Best for Celtic were Jack O'Donoghue, Jack O'Neill, John

Kelliher, Timothy Moynihan, Robert Brooks, and outstanding midfielder Sean Fitzgerald.

U13 DIV ONE: KILLARNEY CELTIC B 3 KILLORGLIN 1: Congratulations to U13 goalkeeper Jack O'Donoghue on making the Kerry Schoolboys/Schoolgirls Team of the Week.

FIXTURES: DENNY PREMIER: KILLARNEY CELTIC 5 KILLORGLIN 1:

A superb display by Celtic that keeps us in second place in the league with a game in hand. Stephen McCarthy tormented the Killorglin defence endlessly and scored a brace along the way, with Wayne Sparling also on the mark twice and Stephen Hayes also finding the net in an accomplished team display.

DENNY PREMIER B: KILLARNEY CELTIC B 3 AC ATHLETIC 9: Celtic were outclassed by an excellent AC Athletic but picked off good goals from Conor McCarthy (a great strike), Stephen McCarthy, and Cathal Sheahan from a corner.

U17 FAI CUP: NEWMARKET CELTIC 1 KILLARNEY CELTIC 0: Celtic put up a magnificent effort but it was the hosts who made the vital breakthrough.

U14 NATIONAL CUP: KILLARNEY CELTIC 1 FAIRVIEW RANGERS 5: No complaints at all. Fairview were simply a superb side and very strong in all sectors of the field, building up a big lead through Fahad Rahman (2), Conor Keane (2) and Brian Dillon. Cillian O'Sullivan, one of Celtic's best players along with Daniel Okwute, Cian McMahon, Kieran Dennehy, and goalkeeper Keelan O'Brien, tucked away a consolation penalty won by Jack McClain late on – proof that Celtic stayed battling right to the finish. Best wishes to Fairview in the next round.

U14 DIV ONE: KILLARNEY CELTIC B 1 KILLARNEY ATHLETIC 1: Mike McCarthy put us 1-0 ahead in the first half and we were probably the better side overall, but fair play to Athletic for battling bravely and getting a share of the spoils with an equaliser in injury time, that took guts.

U13 DIV TWO: KILLARNEY CELTIC B 3 KILLORGLIN B 1: Mike McCarthy (2) and Jack Higgins got the goals for Celtic, while outstanding goalkeeping by Luke Crowley was the match highlight.

U12 NATIONAL CUP: KILLARNEY CELTIC 7 GRANVILLE ROVERS 0: This was an awesome performance by every Celtic player – every substitute got playing time and proved their mettle with some incredible teamwork. Calvin O'Sullivan and Eoghan Crowley each notched a hat-trick, with Cathal Kelly getting the last goal to seal a great display.

U12 DIV ONE: KILLORGLIN B 2 KILLARNEY CELTIC C 6: An outstanding display. Jason O'Sullivan notched a hat-trick, with Bryan Iacov on target twice and Cormac Walsh also on target.

RESULTS: SENIOR A

CASTLEISLAND 1 KILLARNEY ATHLETIC

AFC 1: Our senior A team played out a highly competitive draw in Castleisland Sunday morning. Chances were few in the 1st half and Castleisland took the lead on 53 min with a Sean Brosnan penalty. The boys in blue refused to let the setback derail them and our pressure finally told off when William Courtney scored a cracking goal from outside the box. We hit the crossbar and found the Castleisland keeper in great form as Athletic peppered the opposition goal. A draw was a good result against a strong Castleisland team.

SENIOR B: INTER KENMARE 1

KILLARNEY ATHLETIC B 2: The B team made the short morning trip to Kenmare on a glorious bank holiday Sunday morning and came away with a vital 3 points. Athletic

started very nervous and despite bossing the possession in the early quarter, Kenmare were dangerous on the break. With the lighting quick duo of Jason O'Grady and Chris O'Meara up front, athletic were dangerous in attack and a great through ball sent Chris through on goal and he calmly slotted to the back of the net. Not content with the slender lead, Athletic attacked again and winger Dan O'Sullivan was taken down in the box and Chris put away the penalty to give 2-0 half time lead. In the second half, Kenmare upped the anti and pushed further on and got a goal through their playmaker Granville. Chris missed another penalty for his hat trick to let a tense finish to the game but with Granville red carded in injury time, athletic went on to grab all 3 points.

FAI UNDER 17 CUP: AK UNITED 4

KILLARNEY ATHLETIC 1: The boys made the short trip to Kilcornan, Limerick to take on Limerick Desmond side AK United. Athletic were slow to get going and found themselves 2-0 down after 15 minutes. A goal from Fionnbarr Hickey brought the deficit back to the minimum but 2 late goals for AK when athletic pushed for an equaliser ensured that AK progressed to the next round. We wish AK the best of luck.

Under 14 Killarney Celtic 1 Killarney Athletic 1
In our fourth away game in a row we made the short trip across town. The lads started slow but grew into the game, Celtic scoring in the first half. A few changes before half time saw Colm O'Callaghan, Ciaran Cronin, James O'Shaughnessey & Rian Gill shore up the team. Into the second half, Athletic started moving the ball quicker & finding more space, but chances were hard to come by. Then with five minutes to go, some good defensive work released Rian O'Brien down the left, who in turn found Kieran Pierce, who rasping shot came back off the Keeper for Donnachadh Warren to finish to the net for his first goal for Athletic. Athletic could have won it, when a free kick whipped in brilliantly by Jason Lee was just too far in front of Eoghan Mulvaney to force home. A great team performance by a much improved side. Best for Athletic Jack Lynch.

KILLARNEY GOLF CLUB MENS

ARTHUR HANLEY CLUB PRESIDENT AT KILLARNEY GOLF CLUB, KILLARNEY.

THE CLUB COMPLIMENTS CLUB PRESIDENT, ARTHUR HANLEY:

Club Captain Declan McCarthy, and his committee, on behalf of the entire Club, would like to pay a very warm tribute to Club President Arthur Hanley on the manner in which he carried out his role as our Club President as his year comes close to a finish. Arthur's dedication and commitment to his task was evident from the outset, and it never diminished at any stage during his year of office. He was almost ever present at any event in which our Clubs, the Men's and Ladies and Juniors, were being represented, and at every Club final and presentation etc. For example on one Sunday during the summer, Arthur was in the second group out in a Club competition at 7.10 A.M. and after his round he drove to Macroom to support one of our Ladies Club teams in an inter-club competition, later that afternoon he drove on to Kenmare to support the Men's Club team in the Dr. Billy O'Sullivan Shield, this demonstrates, just as an example, his commitment to carrying out his role, and to being practically omnipresent at every Club occasion. Well done Arthur, and

thank you, as you bid farewell to your year as Club President on the 10th of November, Arthur's successor will be Breda Duggan, and no doubt the ever popular Breda, will bring further dedication and honour to the Presidency.

AGM: Don't forget that the Club AGM will take place at the Clubhouse at 7.00 P.M. on Thursday the 10th of November. Saturday the 29th of October saw the playing of the finals of the last two championships of 2016 with the finishing of the Club Fourball and the Scratch Matchplay competitions. In the Club Fourball Final three of the four competitors were members of our Junior Club, when Ian Prendergast was partnered by Ewan McIndoe, and their opponents were Luke Walsh and Ger Walsh. The game was a ding-dong contest with Ian and Ewan being 1 up after twelve holes, this was reversed by the 17th tee when Luke and Ger were 1 up. They stood all square playing the 18th and the pairing of Luke and Ger had the misfortune to miss a short putt for the match, and further-more they were defeated on the 1st tie hole by a birdie 3 by Ewan McIndoe. In the Scratch Matchplay Final between Simon Gallivan and Paud O'Donoghue, they were all square after 7 holes when Simon hit a purple patch with three successive birdies, and when Simon won the 13th and 14th holes, the contest was all over with Simon overcoming Paud by a margin of 5/4.

Sunday the 30th of October the Men's Club competition was a team of four with two to count at each hole, except for the 18th when all scores were to count, played from the back tees on Mahony's Point, Club Captain Declan McCarthy was delighted to be able to remark that the time sheet for the competition was totally utilised and that the scoring was a very tight affair indeed, with the first three teams all registering the same score of 94 points. 1st were Simon Gallivan (1), Tadgh Gallivan (13), John Cahill (11) and Seanie Kelliher (10). 2nd were Liam Healy (12), Brian Fitzgerald (15), Teddy O'Sullivan (19) and John Wall (16). 3rd were Billy Morris (10) Donal Cronin (11), Barry Duggan (17) and Kevin O'Callaghan (10).

A FEW FOODS THAT SHOULD NOT BE KEPT IN THE FRIDGE

- The fridge does keep tomatoes fresh, but it does so by stopping the process of ripeness. Consequently they lose their flavour. In addition the refrigerator also changes the texture of the tomato, making it powdery or floury. Tomatoes are best kept out of cold environments.
- Fresh basil in refrigeration withers very quickly, but before it withers all the way and becomes unusable, it absorbs the taste of the foods kept closest to it. Basil is best kept outside the fridge and in a glass of fresh water, just like flowers.
- The cold temperatures in the fridge turns the starch in the potato into sugar at a faster pace than normal, and we're left with a sweet yet grainy potato. Keep your potatoes in a sealed sack and in a cool and dry place. They should be covered, because being exposed to sunlight makes them grow sprouts.
- One of the most fascinating facts about honey is that it never goes bad. There is no reason to keep it in the fridge; in fact it should be avoided as the cold temperatures will solidify it. Honey is best kept at room temperature.
- The dampness in the fridge makes onions soft and mouldy. The best place to keep onions is in a cool and dry place, outside the fridge. Green onions can be kept in the fridge because of their high percentage of water content. Do not keep onions next to the potatoes, because it will make the potatoes rot quicker.

AN AMAZING CHILD THAT HELPED CHANGE THE WORLD

Alexandra "Alex" Scott was born in Connecticut in 1996, and was diagnosed with neuroblastoma, a type of childhood cancer, shortly before she turned 1. In 2000, just after turning 4 years old, she informed

her mother she wanted to start a lemonade stand to raise money for doctors to "help other kids, like they helped me." Her first lemonade stand raised \$2,000 and led to the creation of the Alex's Lemonade Stand Foundation. Alex continued her lemonade stands throughout her life, ultimately raising over \$1 million toward cancer research. She passed away in August 2004 at the age of 8. Today, Alex's Lemonade Stand sponsors a national fundraising weekend every June called Lemonade Days. Each year, as many as 10,000 volunteers at more than 2,000 Alex's Lemonade Stands around the U.S.A. make a difference for children with cancer.

TOO GOOD TO BE TRUE

Cape Breton is an island on the north-eastern tip of Nova Scotia. The island has only around 135,000 residents, and the numbers keep dropping. Whycocomagh is a small town in Cape Breton and has fewer than 900 residents. The town is surrounded by gorgeous mountains and the Bras d'Or lake, where kayaks and canoes are much more popular than motorboats. Local businesses include a few petrol stations and several restaurants, and a bakery and general store named 'The Farmer's Daughter' which the owners are trying to expand. But they have run into a problem – they are unable to get staff because they are not enough unemployed people living on the island. So the owners took to social media with a pretty generous offer: Move to Cape Breton and they'll give you a job and two wooded acres. They admit wages won't be high, but they say the acreage will be perfect for a tiny house or cabin. They also will offer access to farmland and other resources. If you're still working there after five years, the land is yours to keep. "Cape Breton is amazing but our population is decreasing. Corporate development has been seen as the solution in the past but that often comes at the expense of our environment. We think there is a better way," the owners write.

To apply, you need some skills in customer service or the food industry and you must be environmentally conscious, but the bad news

is Foreign workers can't apply.

MUSLIM COMMUNITY HOLDS ANNUAL BLOOD DRIVE IN HONOUR OF SEPTEMBER 11TH VICTIMS

For the sixth year in a row since the 10th anniversary of the September 11th attacks, the Islamic Ahmadiyya Community gathered in Bethlehem, Pennsylvania to donate blood in the Muslims For Life Blood Drive. Since it began in 2011, the events have raised over 40,000 pints of blood, which have saved an estimated 100,000 people to date. Founded 127 years ago, the community preaches the abolishment of violent jihadi beliefs. They hope that in donating blood, they can help show the love that they feel for America and their unity with its people. "We all condemn the attacks and remember that day," Asad Chaudhry, president of the Lehigh Valley chapter of the community says "we want to do something more than words."

CATHEDRALS AND A CELTIC CROSS GROW FROM LIVING TREES

In a remote valley at the foot of Mount Arera, just outside the ancient town of Bergamo, Italy, stands a Tree Cathedral, this dramatic art installation will take decades to complete as nature will do all the work. Man's role is to simply step aside and let time take its course. The Cattedrale in Bergamo stands 21 metres tall, with five aisles and 42 columns. It's 28.5 metres long and 24 metres wide, and has been built from 1800 fir, 600 chestnut branches and 6000 metres of hazel branch that's been weaved into the design, a single beech tree is planted within each column, capable of growing to over 160 feet tall and living more than 300 year, they will grow over time to provide the roof to the structure. In the coming decades, as the man-made structures rot around them, the trees will gradually take on the structure of the five-aisle basilica. The Cattedrale Vegetale concept was conceived by Italian artist Giuliano Mauri, who spent years perfecting the complicated structure. He completed his first plant cathedral in 2002, composed of three naves and 80 columns, in a clearing in Malga Costa. Sadly, he passed away in 2009, less than one year before the frame of Cattedrale in Bergamo was completed as part of the United Nations' International Year of Biodiversity. The Cattedrale of Lodi, completed this summer, is the largest of Mauri's designs. Occupying an area of 1,618 meters, it contains 108 columns. Instead of the beech used in Bergamo, Lodi's structure will eventually be comprised of towering oaks.

Much nearer home, if you happen to be flying over a certain area in County Donegal you will see a beautiful arrangement of conifer trees

in the shape of a Celtic cross growing amidst a forest on the ground below. To pull off the beautiful design, measuring 330 feet long by 210 feet wide on the hill behind his home, two different species of trees were planted by Irish forester Liam Emmery who sadly passed away six years ago at the age of 51.

Every autumn, the Celtic trees (likely composed of Eastern white pine) change their colour, while the surrounding species retains its dark green. The display went viral this fall after a particularly dry stretch made the colours contrast sharply. Airline passengers couldn't resist posting about the mysterious cross on social media.

THINKING OF BUYING A CAR FOR THE NEW YEAR?

On December 4th Bonhams of London will be selling by auction one of the most famous Rolls-Royces ever built. This Rolls-Royce Phantom One has an interior inspired by 18th-Century France, and has one of the most lavish interiors ever put into a car. Built in 1926 for American businessman, Clarence Gasque as a gift for his wife, he did not set a budget limit for Rolls-Royce to stick to, the interior work was entrusted to coach builders Charles Clark and Sons, of Wolverhampton, England the spectacular result is more similar to the throne room in the Palace of Versailles than a car's interior and on delivery, the car cost \$8,000, with the interior accounting for \$5,500 of the total amount. Converted into today's money,

the purchase price was over \$430,000, while the interior alone was \$300,000.

STRAY DOG JOINED EXTREME MARATHONER ACROSS THE DESERT

41 year old Australian Dion Leonard who now lives in Edinburgh was surprised to find a stray dog at his heels in the middle of a gruelling 250 kilometre race known as The Gobi March. He was even more surprised when she kept up with a full day's 25 kilometre run. The little dog not only made it, but kept following, and on the pair's second day together, she snuggled up to sleep with her new friend. The race organiser intervened on the hottest days and transported her to the next checkpoint so she could cheer on her new best friend at the finish line. Dion fell in love with the magical little dog and vowed not to desert his "ultra-marathon pal", when it was time for him to pack up and return home. A crowd fund was set up to help pay for the newly christened 'Gobi' to get through quarantine and fly to Dion in Scotland. The funding was quickly exceeded, but while Gobi was being looked after by a contact from the race crew in Urumqi waiting for internal paperwork to be completed in China she went missing, probably looking for Dion! Dion and his wife Lucja turned to Beijing animal rescue organisations for help in using their animal search experience and local contacts in Urumqi to help find Gobi. Dion flew from Edinburgh to join the and Gobi was miraculously found after at least 10 days on the run. Dion couldn't bear to either put Gobi in British quarantine or leave her in China for the process and decided to take a 6 month unpaid sabbatical from his role at William Grant & Sons to stay with her through the whole process. Gobi and Dion will arrive back in Edinburgh early January 2017 and not only do they plan to run again but they will donate all remaining funds from #bringgobihome to help other stray dogs like Gobi find their forever homes,

BILLIONAIRE COMMITS \$500M TO HELP REFUGEES AND MIGRANTS

Billionaire philanthropist George Soros is contributing \$500 million to organisations offering relief for migrants and refugees. The announcement follows the 'Call To Action' initiative launched by President Barack Obama asking private sector businesses to allow more work opportunities for asylum-seekers.

Mr. Soros's contribution, however, has gone above and beyond the average donations made by global governments to the crisis – the investment totals the combined \$262 million spent by Great Britain and the \$191 million from the European Union. "We will seek investments in a variety of sectors, among them emerging digital technology, which seems especially promising as a way to

provide solutions to the particular problems that dislocated people often face. Advances in this sector can help people gain access more efficiently to government, legal, financial and health services" he said. Mr. Soros is the founder and chairman of the Soros Fund Management and the Open Society Foundations. Born in Budapest in 1930, he survived the Nazi occupation during World War II and fled communist-dominated Hungary in 1947 for England, where he graduated from the London School of Economics. He then settled in the United States, where he accumulated a large fortune through the international investment fund he founded and managed. The Open Society Foundations now operates in more than 100 countries, with annual expenditures that reached \$835 million in 2011, working to promote the values of open society, human rights, and transparency.

9-YEAR-OLD BOY USED HIS BIRTHDAY MONEY TO SAVE A RACEHORSE ON DEATH ROW

Most children spend their birthday money on toys and games, but 9-year-old Brandon Heyman of Ontario, Canada decided to use it to save a life. Karazan, an aging racehorse, had just been purchased by a meat buyer when his mother came across the 17-year-old chestnut mare on the website Need You Now Equine.

"Nobody seemed interested in her," Brandon's mother, MJ Allen said "My son asked what was I doing, and when I explained it to him, he said, 'Mummy, my birthday's coming up. Just give my birthday money to them. I don't want the horse to die.'" Ms. Allen and her partner live on a farm with seven horses, a donkey, dogs and cats, and their blended family of six children, so bringing home another mouth to feed was, understandably, the last thing on her mind. Still, she was so touched by her son's display of compassion that she raised the remaining \$650 needed to buy the thoroughbred. Soon after, she surprised Brandon with his new best friend. "It's my first horse," Brandon said "I clean her, wash her, but my sister feeds her." Ms. Allen calls Karazan "queen of the field" and "a real diva." She is, after all, a direct descendent of Canada's greatest racehorse, Northern Dance, and with that kind of pedigree, it's no wonder she already has the respect of her new stable mates. However, the highlight of her new life is her relationship with Brandon, who will help fill her final days with love and affection.

GARDENING OUTLOOK

with John O'Sullivan

FOCUS ON NOVEMBER GARDENING

Now that November is here, it is a great time of the year for planting bare rooted trees, hedging, fruit bushes, roses and root balled conifers.

The bare rooted planting season lasts from November until March. The reason for this is that the trees and hedging are dormant at this time of year, so you can't really do any damage when you are lifting or planting.

When planting bare rooted, as a general rule, plant about three plants per meter, roses can also be purchased and planted bare rooted as can fruit trees and fruit bushes.

The main thing when planting bare rooted trees and hedging is that when you purchase them and if you are not going to plant them straight away, you will have to heel them into the ground. By this I mean you will have to dig a hole, place the plant in and cover the roots with earth to stop them drying out.

When hedging plants, roses and fruit bushes, they will usually come in bundles and will be tied together, so you don't have to separate them, just put the whole bundle in the ground.

A WORD OF VICTORY

Welcome back dear reader do you need a miracle? Whatever it is that's going on in your life this is a word for you. Recently we looked at the Scripture "Jesus Christ, the same yesterday, today and forever" (Hebrews 13:8). Friend, your life is precious - you are loved by God no matter what lies the Devil has been telling you. The battle for healing begins with the battle for our minds. This is the area where the Devil bombards people mercilessly. When facing sickness or disease - whatever the trouble, it's the thoughts racing around in the mind that drive many over the edge, even to giving up. Listen, Jesus Christ is the same yesterday today and forever and what He did for others in the past He is willing and able to do for you! The problem is that we accept the negative outlook so willingly without giving the Lord a chance to "show himself strong" (2nd Chronicles 16:9) on our behalf. Everywhere He went Jesus ministered to those who were sick or dying, and to those who had no hope. Read it for yourself friend, this space is too small to list all the miracles of Jesus. One important encounter He had was with a father called Jairus who begged him to come heal his little daughter. This man's faith was tested on the journey to where the child was when news came that she had already died and 'helpful' friends told Jairus not to bother with Jesus anymore. But Jesus told him to ignore their news and 'only believe'. When they came to the house where the little girl lay Jesus raised her from the dead - after he had put out all the unbelievers (See Mark chapter 5). "Now Faith is the substance of things hoped for, the evidence of things not seen" (Hebrews 11:1). We bring the promises of God into being simply by speaking the Word of God over our circumstances. Watch what comes out of your mouth - in whatever area you are believing for a miracle you need to make sure that your words line up with God's promises (Proverbs 18:21). We will continue this next week....

Who died on the 5th November 2015.

As we lovingly remember Eileen on her first anniversary, we her brothers and sisters and our families wish to thank most sincerely everyone who sympathised with us around her untimely death.

Thank you to all who attended Eileen's rosary, removal and requiem Mass, especially those who travelled long distances to be with us, for the Mass cards, letters of sympathy, perpetual novenas, guards of honour and all who contributed so generously to palliative care collections.

Sincere thanks to John D. O'Keeffe and Michael John Dineen for their professionalism and help. Thanks also to the grave diggers for preparing Eileen's final resting place.

Our special thanks to Fr. Pat O'Donnell for receiving Eileen's remains into the church, for celebrating her requiem Mass and for his meaningful and comforting homily and his thoughtfulness in visiting us. We extend our thanks to Sheila and Joan for the beautiful hymns and music and to Sr. Stella for her help in preparing the readings.

We deeply appreciate the empathy shown to Eileen by her employers at Curran Moore and Co. and will never forget the wonderful kindness and friendship shown to her by her work colleagues.

We are very grateful to all at Sliabh Luachra Walking Club, especially Maurice and Pat, as well as her kind neighbours, relatives and her many loyal friends who visited her and spent many hours with her.

We are indebted to Dr. John McCullagh and Dr. Eleanor Johnson, the staff at Deenagh Medical Practice; Marie, Sheila and Debra and the staff at K.U.H.; C.U.H. and Marymount Hospital & Hospice for the wonderful care afforded to Eileen during her short illness.

Trusting that this acknowledgement will be accepted by everyone as a token of our sincere appreciation, The Holy Sacrifice of the Mass has been offered for your intentions.

*May the winds of love blow softly
and whisper in your ear,
how much we love and miss you,
and wish that you were here.*

May she rest in peace.

LET'S PRAY TOGETHER INTO THE WORD

Psalm 144 Holy is the Lord God who is our rock (steady in times of trouble) who trains our hands and fingers for war. God is a steadfast love a stronghold and deliverer. He protects us with his shield. People are like a breath their days are like a passing shadow. I will sing a new song to God. Psalm 144 (1) says Blessed be the Lord my strength which teacheth my hands for war and my fingers to fight. Against what do we fight? We are in conflict with the spirit of evil in the world. It is in the form of injustice selfishness worldliness drunkenness. People are looking for pleasure they gamble etc. Father God in Heaven please come into the lives of those people in Jesus name. Amen.

NOVENA TO THE SACRED HEART

You have said O'Divine

Jesus ask and you shall receive, seek and you shall find, knock and the door shall be opened to you. Relying on these promises I come with confidence during the novena to beg of you the favours that I need (make request). From whom shall I ask, Lord Jesus, if not from you whose heart is an unfailing source of graces and merits.

Most loving heart of my God I believe in your power, I believe in your knowledge, I believe in your personal love for me and therefore O Sacred Heart of Jesus I place all my trust in you. Our Father, Hail Mary and Glory. Say 3 times for 3 days and request will be granted, Never know to fail. Must publish.

THE MIRACLE PRAYER

Dear Heart of Jesus in the past I have asked many favours. This time I ask you this special one, (mention favour).

Take it dear heart of Jesus and place it within your own broken heart where your Father sees it.

Then in his merciful eyes it will become your favour not mine.

Amen.

Say this prayer for three days. Publication of prayer and favour will be granted.

A.C.
