NOTHING CAN BEAT THE ATMOSPHERE On "The Ring"

David Doyle, Eileen Cronin, Mary Brennan and Albert Harrington, Killarney, taking time in Sneem, in last year's Ring of Kerry Charity Cycle. The Ring of Kerry Charity Cycle is the biggest one day charity fundraising event in Ireland, attracting thousands of leisure cyclists to complete the 180km challenge the spectacular Ring of Kerry. PHOTO: VALERIE O'SULLIVAN

The 36th Ring of Kerry cycle is set to take place tomorrow – one of the largest single day charity events in Ireland.

Speaking to the Killarney Outlook this week, one of the organisers Cathal Walshe spoke of the cycle, the challenge and the charities it supports.

"The cycle is looked on as a challenge to many people on two fronts, firstly the distance of 175kms in one day, secondly the target of raising as much sponsorship as possible for their chosen charity. It is testament to their efforts that close to 16million euro has gone to charities in the 36 year history of the event", Cathal said.

"Some cyclists do the cycle in memory of dear friends and family that have passed away, train

for months in advance of the July date. The chosen charities on a given year have special appeal, they would have a particular project in mind, maybe a building, transport, day care facility needing up grading.

"The Ring itself is a brand name all over the world hence people travel from many far flung places to cycle the scenic route and contribute generously to a special charity of their choice", he added.

What makes it special is the wonderful atmosphere on the day with people on the roadway applauding as you pass along the way, the buzz it creates in the towns and villages and the welcome back to Killarney in the afternoon. There have been friendships, engagements, marriages in the past through

meeting on the day. The cycle has the goodwill of the people, the backing of the community how could you have 1400 volunteers helping otherwise. Safe journey to all on 6th of July, Cathal added.

In the past 5 years over €6.575 million euro has been raised for charity, the goal for this year is to continue to raise as much money as possible for our six new charities.

The 36th Ring of Kerry Charity Cycle has an official start time of 7.30am on 6th July and there will be welcome celebrations after the finish line in Beech Road car park with outdoor bar and food stalls, and free live music from Revenge and DJ Donal and much more.

There will be free family fun and the chance to win incredible prizes at the official Cycle Expo on Friday 5th of July from 4pm – 9pm on Plunkett Street, Killarney.

Timo O'Sullivan, left and Ian O'Connell. PHOTO: VALERIE O'SULLIVAN

Timo O'Sullivan and Ian O'Connell, both from Killarney are getting into the spirit of this year's Ring of Kerry Charity Cycle 2019. Their chosen charity - The National Rehabilitation Hospital (NRH) Dún Laoghaire, Co. Dublin is one of the recipients of this year's Charity Cycle. 6000 cyclists will take to the Famed Ring of Kerry 175Km route, for the 36th Annual Ring of Kerry Charity Cycle on Saturday 6th July 2019. Both men are encouraging cyclists to slow down and enjoy the fun and scenery along the way. The inaugural 'Triangle Dance' part of the 'craic' at Coomakista pass - the infamous 'breaking point', is a new addition to the atmosphere on the day. The National Rehabilitation Hospital (NRH) provides specialist rehabilitation services to patients from throughout Ireland who, as a result of an accident, illness or injury have acquired a physical or cognitive disability and require specialist rehabilitation. It is 35 years since an accident at work, resulted in Timo O'Sullivan, sustained life changing injuries and leaving him wheelchair bound.

Timo is an avid angler, volunteer with many organisations in Kerry, and a wonderful advocate for wheelchair accessibility. Timo spent six months in the expert care of the NRH, recuperating from his injuries and being rehabilitated helped him cope with his new life. Speaking about his time there, he said "The treatment and the expert care and lifelong friendship I received from staff at the NRH, has enabled me to carry out every aspect of daily life to the fullest extent. 35 years on, and I am involved in many volunteer organisations in Killarney, beekeeping is my new passion" Ian O'Connell, the inspirational Killarney teenager, who sustained serious injuries in a cycle accident two years ago, is currently undergoing rehabilitation at the National Rehabilitation Centre. Ian's mantra 'if you can't stand up...stand out' gripped the nation, he now has over 42,000 followers on instagram, through which he offers online support to young people and their families with similar issues in their lives. Ian continues to defy the odds, continuing his school and gruelling rehab every day.

This year's Charities include:

Aras Mhuire Nursing Home - Aras Mhuire endeavours to create a home environment and enhance the quality of life for their residents. Jimmy Deenihan will their ambassador this year

Cúnamh Iveragh - Cúnamh Iveragh supports children and young adults with special intellectual needs. Kerry football legend, Maurice Fitzgerald, is a proud ambassador for Cúnamh Iveragh and the Ring of Kerry Charity Cycle this year.

Breakthrough Cancer Research - The primary aim of Breakthrough Cancer research is to implement funding and support for their phenomenal research into cancer treatments in Ireland. Former Olympian David Gillick is their ambassador this year for the Ring of Kerry Charity Cycle

Kerry Rape & Sexual Abuse Centre - KRSAC provides professional, free and confidential counselling, information and support to those in need. Well known Irish journalist, Billy Keane, is an active ambassador for the centre this year.

Recovery Haven - Cancer Support House - Recovery Haven is a cancer support house which provides free cancer support services to the people of Kerry. Captain of the Irish Ladies Rugby Team and Recovery Haven Ambassador, Ciara Griffin, will be cycling the ring herself this year to raise vital funds for the cancer support house.

St. Mary's of Angels - SMOA is a home for people with physical and intellectual disabilities ranging from mild to moderate, and for many, it has been their home for most of their lives.

There are also an additional five charities who will be allocated funds from the registration proceeds;

- Camphill Community Dingle
- Brú Columbanus, Cork
- Ard Curam (Day Care Centre)
- Southwest Counselling Centre
- National Rehabilitation Centre Dublin

The Ring of Kerry Charity Cycle is a non-profit organisation of everyday people who come together every year to make a powerful difference to the lives of thousands of people in need across our local communities.

Over the past 36 years, The Ring of Kerry Charity Cycle has raised over €15 million for 150 charity organisations through the annual support of participating cyclists and volunteers. Outside essential costs to run the 175km Ring of Kerry Charity Cycle, all funds raised go directly to carefully selected charity organisations. Funds raised to date have contributed towards new hospital extensions, special needs facilities, care for the elderly, suicide prevention, sea and mountain rescue, cancer, kidney and end of life support and much more.

KERRY CHEF BRINGS CHEF COLLAB TO CORK

Chefs from some of Cork's top hotels and restaurants are joining forces with leading chefs in Ireland and the UK. They will all be taking part in the hugely popular, Chef Collab - which is coming to Cork in July. Chef Collab is the brainchild of Kerry's Chad Byrne.

Chad Byrne, who is the Head Chef in the Brehon founded Chef Collab with the aim of combating the chef shortage in Ireland and hoping to encourage young people into the industry. Since it was set up last year, Chef Collab has had various sold out events in Killarney, Cork and Dublin.

Chef Collab sees apprentice chefs partnered with mentor chefs and they then spend time in the mentor's kitchens. This allows them to learn new skills as well as work together to create a special dish. Each pair then cooks and serves their creation at the Chef Collab event. The Cork event will be held on Monday 15th July at Olivo Restaurant at the Cork Airport Hotel.

Three chefs from Trigon Hotels in Cork will be

Wioleta Grzesik from Cork Airport Hotel; Chad Byrne, Head Chef in the Brehon, and founder of Chef Collab, Milan Sitko from The Metropole Hotel, and Jacinta Desmond from Cork International Hotel. Picture: Michael O'Sullivan

involved along with one from the Celtic Ross Hotel and one from Jacobs on the Mall. The chefs from Trigon Hotels are Jacinta Desmond from Cork International Hotel, Wioleta Grzesik from Cork Airport Hotel and Milan Sitko from The Metropole Hotel. The five celebrity chefs involved include Michelin Chef, Marguerite Keogh from Five Fields Restaurant UK, JP McMahon from Galway, Pam Kelly from the Farmgate Restaurant in Cork, James Coffey from the Park Hotel Kenmare, Alberto Rossi from The Intercontinental, James Sheridan from the Canteen Celbridge.

Founder of Chef Collab, Chad Byrne said: "Chef Collab is all about highlighting the talented future chefs with the best chefs in the world today, through immersive learning,

encouragement and of course fun thrown in ... It is about breaking down barriers and getting back to basics. We work with companies who have an ethos that is aligned with what we do at Chef Collab, promoting positive work environments and willingness to help others. Every Collab has been a sell out, I think it is down to the positivity and good vibes which surround our events. We cook for the right reasons and it shows. We do it for the pure love. The event will take place on Monday 15th July 2019 at Olivo Italian Eatery at the Cork Airport Hotel and tickets are on sale now via Eventbrite. This event will have up to 120 guests on the night dining to an amazing unique culinary experience.

100 BUGATTIS GATHER AT THE DUNLOE HOTEL & GARDENS FOR WEEK-LONG DRIVING TOUR

The Dunloe Hotel & Gardens recently played host to the International Bugatti Meeting's week-long driving tour of the Kerry & Cork countryside. The hotel welcomed over 100 Bugattis and 200 guests from all over the world.

The exciting week-long event saw guests take in the stunning sights and surrounds of the Kerry and Cork countryside. The Dunloe Hotel & Gardens, which is set in the beautiful surrounds of Killarney and overlooks the iconic landmark The Gap of Dunloe, was perfectly located for this special occasion. Speaking about the event, Jason Clifford, General Manager at The Dunloe Hotel & Gardens said, "It was an absolute pleasure to be the host venue for the International Bugatti Meeting 2019. The exclusive use of the hotel for this 7 day programme was 4 years in the making between The Dunloe Sales Team and organizers Mike Preston and Rupert Marks. It was a stunning sight to see so many vintage Bugatti cars parked at The Dunloe, some of which were built in the 1920s."

"The Bugatti guests made great use of our 64 acres of listed gardens and held a BBQ by the thatched cottage in the gardens, enjoyed tours of the 12th century Dunloe Castle and watched falconry demonstrations on the lawn. We hope to be able to welcome many more similar groups in the future and thank Mike Preston and his team for placing his trust in The Dunloe Hotel & Gardens to deliver such an amazing event"

Mad hats, fab fashion and top class racing in Killarney...

Glamorous Dancing with the Stars winners Mairead Ronan and John Nolan have been confirmed as the celebrity judges for the hugely popular Dawn Milk Queen of Fashion competition at Killarney Races this July.

Television and radio presenter Mairead stole the show with a succession of power-packed and stylish performances and she linked up brilliantly with national Ballroom and Showdance champion John to win the hearts of the nation.

Dawn Milk Ladies Day at the races – one of the real social highlights of the year in Kerry – will be on Thursday, July 18 and Mairead and John will be keeping a close eye on the style stakes with some sensational prizes on offer for the most head-turning and appropriate outfits. The winner of the best dressed lady contest will receive a trip for two to romantic Paris and the best dressed gent will take home a trip for two to magnificent Milan.

Judging will start at 2.00pm and 10 finalists will be selected for both the ladies and men's categories.

The five-day meeting will commence on Monday, July 15 with the hugely popular Milliners event and Mad Hatters competition. Great prizes must be won for the best hand-made adult and children's hats or head-pieces with top class and hugely creative milliners exhibiting unique and beautiful pieces on the evening.

The Wednesday meeting will also be something very special as punters will have an opportunity to meet the stylish Rose of Tralee contestants and the highlight will be the Sauternes Wine Cup. Monday, Tuesday and Wednesday will be evening meetings and the afternoons will

come alive at Killarney Racecourse on the Thursday and Friday. Friday, July 19 is a new date for the Killarney July Festival of Racing and there is a fabulous celebration planned to mark the occasion with fantastic live entertainment on the cards and, such is the demand, the hospitality suite is almost fully booked already. The overall prize pool for July is a whopping €560,000 and, of course, punters will get to enjoy wonderful action on the track with some of the top trainers in the business testing their star performers at the most scenic racecourse in the country.

Killarney is hugely proud of the fact that this year's Epsom Derby winner, Anthony Van Dyck and 2017 Derby champion Wings of Eagles both won at the Ross Road course which is a favourite venue for top trainer Aidan O'Brien. The white flag will be raised for the first meeting on Monday and Tuesday at 5.50pm, on Wednesday the off will be at 6.00pm and the first race on Ladies' Day will be at 2.25pm. Friday's racing will get underway at 1.55pm.

As an added attraction and for the convenience of guests, Killarney Racecourse will run a free shuttle bus to and from the track each day for one hour prior to racing and one hour after with the collection and drop-off point at the Killarney Avenue Hotel.

Admission is €20 per day for adults and €25 on Ladies Day and hospitality packages and tickets are available to purchase on www.killarneyraces.ie.

Killarney winners in Epsom Derby double

The team at Killarney Racecourse is celebrating ahead of the July Festival of Racing following a glorious double that links the track with one of the premier classic events in world racing.

This year's Epsom Derby winner, Anthony Van Dyck – a son of the great Galileo – triumphed in the Stallion Farms EBF Maiden in Killarney last July when he was piloted to an eight-length victory by Donnacha O'Brien.

That followed the success of 2017 Derby champion Wings of Eagles who won in Killarney in 2017, under jockey Pdraig Beggy, making it a delightful double not only for top trainer, Aidan O'Brien, but for the Killarney course.

Anthony Van Dyck will again headline Aidan O'Brien's six contenders for the Dubai Duty Free Irish Derby at the Curragh this Saturday.

"Killarney has unearthed some notable performers in the very recent past along with some household names such as the two Derby winners and we expect many more budding superstars will perform at the track this year and in the future," said Racing Manager Philip

O'Brien.

"The fact that trainers of the calibre of Aidan O'Brien are happy to bring their best horses here is testament to just how good the course is and how respected it is," he added.

Philip, himself, is no stranger to the world of top-notch horseracing as, prior to taking up the post in Killarney, he enjoyed a very successful career as an amateur and professional jockey.

A native of Rathkeale, Co Limerick, he received his jockey's licence at the age of 16 and rode well over 100 winners in a career in the saddle that saw him compete in the 2002 Aintree Grand National and at Cheltenham on a number of occasions.

An Equine Science graduate from the University of Limerick and an established trainer, Philip insists there isn't a racecourse in the world that can match the natural beauty of Killarney and he said the team at the Ross Road facility has worked tirelessly to ensure the course is in pristine condition for the July and August racing festivals.

A ceremony to mark the Golden Jubilee of Fr. Tadhg O'Doherty took place in Furies Church on Saturday night last 29th June. Fr Tadhg was joined by his brother Fr. Michael and they prepared the readings together for the ceremony. Fr. Tadhg was joined by family members and friends following the mass for a celebration at the local community centre.

Fleadh Cheoil Chiarraí was a wonderful family event this year in Milltown, with Sunday's family fun day a huge success despite the weather. "The weather actually helped in a way", said PRO Chris Horan. "All events were moved indoors and brought people together." The Denis Courtney Memorial Street Entertainment Competition, remembering a local community leader and former Comhaltas County Chairman, was moved to the Muintir na Tire Hall. "The venue brought all the musicians

together and joining in was as much part of it as competing", said MC Owen O'Shea. "This sharing and meeting of young people from all over the county was just what Denis would have loved." Other Sunday events were "Time to Party" and Clíodhna McCarthy's Science Fair, which took place in the new Nagle Rice Community Centre. "The new Presentation School and other local facilities are one of the secret's of our success", said Fleadh Committee Chairman, Vincent Prendergast. "Milltown's

central location, our state of the art facilities, as well as the army of volunteers make Milltown a unique location to host events like this."

Kila, the main performers, played a high-tempo gig full of their distinctive interpretation of traditional music, and wowed the large crowd who weren't put off by the unsettled weather. The audience was rewarded by a beautiful June evening and a truly memorable performance. Set Dancers were well taken care of at Ceilidh performed by Uí Bhriain and the Shandrum Ceilí Band, both playing to full dance floors. An annual highlight for many is the "Singing Club", hosted this year by Larkin's Bar and drawing together lovers of traditional song from all over Munster. Treasurer Sheila Hurley was appreciative of the support for the event. "The fleadh cost over €50,000 and we put €12,000 into free, family entertainment. We are grateful to the many local businesses who supported, as well as Chapter 23 Credit Unions and Kerry County Council. The staff of the local facilities play a huge part in the success also, especially the management of the Presentation Secondary School."

Spin City funfair provided the thrills all week, and Urs Wenk hosted a percussion workshop for kids, while local bars welcomed traditional musicians to play at this annual gathering of music lovers.

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

USING YOUR PENSION TO PAY LESS TAX:

Pension contributions provide a way of paying less income tax. Up to Revenue Limits, contributions to a pension qualify for relief from income tax. This effectively means that, where the higher rate of income tax is 40% and you are a higher rate taxpayer, a €100 contribution to a pension will only have a net cost to you of €60 (had you not made the contribution, the other €40 would have gone to the government as income tax).

Pensions carry another tax benefit: they grow free of tax, unlike deposit accounts in Banks etc (which are generally subject to tax on interest in the form of DIRT) or investment in property or shares (where rent or dividends are liable to income tax and gains in value are subject to Capital Gains Tax).

When pension benefits are drawn down, a Retirement Lump Sum can usually be taken either completely free of tax or subject to a beneficial rate. The rest of the benefit, is usually taken in the form of a retirement fund or a pension for life, is taxable. However many people will find themselves in a lower tax bracket in retirement than when they were working and making pension contributions, and so will often not pay a lot of tax on their pension income when they retire.

Libraries across Kerry are welcoming children to participate in a fantastic adventure that will keep them busy with reading throughout the school summer holidays - the Summer Stars Reading Adventure.

Each year Kerry Library runs summer reading programmes for primary school children to promote reading during the holidays and to encourage readers and not so regular readers to engage with books. The 2019 Reading Challenge will run from now until 30 August.

Taking part is easy: just call into to your local library and register. Each child who registers for the free programme joins in the fun of reading lots of exciting books. Each child will receive their own Summer Stars reading card to record their progress and for each book read will have a Summer Stars Reward Stamp added to their card at the library. At the end of the programme, all children who have participated will be invited to attend an awards event at their local library.

An interactive website is also available [www.librariesireland.ie/summer-stars] where participants can play related themed games,

review books and communicate with selected authors.

Summer Stars at your local library provides the whole family with an opportunity to explore the full range of events and facilities which are available, including story time sessions, book clubs, children's activities, access to talking books and games, workshops, computers and internet access, and of course children's books for all ages.

The Kerry Summer Stars Reading programme was launched by Cllr. Niall Kelliher, Cathaoirleach of Kerry County Council on Wednesday, 26 June at Killarney Library. Cllr Niall Kelleher joined pupils from Holy Cross Mercy National School and library staff for the event.

Staff enjoy garden party as Great Southern Hotel turns 165

Staff at the Great Southern Hotel gathered last Sunday afternoon for a garden party to celebrate an historic milestone.

This July the hotel turns 165 years and the celebrations began with the cutting of a giant 165 shaped cake baked by the hotel's head chef, which was enjoyed by guests and staff alike in the hotel's gardens.

As part of the celebrations, the team unveiled a new history wall which brings guests through

the fascinating journey of the hotel from its opening in 1854 right through to present day.

As part of this special anniversary, there will be a host of events throughout the year to mark the occasion.

At the unveiling of the hotel's history wall yesterday, Joe Scally stated: 'For all of us involved at Great Southern, past and present, we are so proud to be part of such an incredible piece of history in the town of Killarney.'

Through the highs and lows since the birth of Irish tourism, Great Southern has been to the fore, from accommodating some of the world's most faces to incarcerating unfortunate unwilling guests, Great Southern has an incredible history and we are honoured to be today's generation of leaders and to turn the next page on this hotel's great history.'

Ministers appoint two Kerry men to government tourism leadership group

left to right ; Minister Brendan Griffin, Paudie Healy CEO Universal Access and Minister Shane Ross in Leinster House on Tuesday.

Minister for Transport, Tourism, & Sport, Shane Ross and Minister for State, Brendan Griffin has appointed two Kerry men, Paudie Healy and Tom Randles to the Government's new Tourism Leadership Group for the next three years. In March 2015, the government's tourism policy

statement – People Place and Policy – Growing Tourism to 2025 was launched. The policy set out 51 policy objectives that would provide the framework for Government action to enable the tourism industry to achieve its targets. The new tourism leadership group that Mr Healy

and Mr Randles have been appointed on is to oversee the actions in the tourism action plan from 2019 to 2021 and to develop the next plan to achieve the overall objectives set out in the policy - Growing Tourism to 2025. Both, Mr Healy and Mr Randles said they were very honoured to be appointed to the Tourism Leadership Group by Minister Ross and Minister Griffin and looked forward to working together on the national objectives in the plan for the country.

Paudie said " it was a defining moment for Ireland with both the ministers showing the political will and support for accessible and Inclusive tourism-for- all, to be included within the new tourism actions being developed for government- Growing Tourism to 2025 "

Tom said " The importance of sustainable, regional & seasonal tourism has been clearly identified by Minister Ross & Minister Griffin. They fully recognize Tourism has

the potential of delivering jobs and economic growth to the regions" I look forward in playing my part in delivering the strategy until 2021.

Mr Healy went on to say that he " looks forward to working with the Ministers, the department and all the stakeholders for universal inclusion in all tourism actions through a mainstream business led industry approach supporting, economic, social, environmental, sustainable tourism development and growth. With all industry stakeholders working together we can meet all the challenges and opportunities ahead with smart initiatives across the full chain of tourism services especially for the changing demographics and changing consumer needs and expectations in the domestic and world markets. It will position Ireland to be a leader in offering person centric quality tourism experiences for the full human life cycle "

ŠKODA IRELAND REPORT RECORD SALES RESULTS

ŠKODA Ireland has today announced record sales results for the first half of 2019. ŠKODA registered 6,449 vehicles for the period; an increase of 2.4%. This is a notable achievement considering the Irish car market contracted 7.3% over the same period. ŠKODA's increased sales have pushed them into the top-5 bestselling car brands for the first time with record market share of 7.9%.

In a challenging financial half year for the motor industry, ŠKODA Ireland also improved new vehicle turnover by 8.2% and profitability by 12.5% compared to 2018.

More customers are availing of financial products such as PCPs (personal contract plans) through ŠKODA Finance. A total of €65.8 million was loaned to customers to the end of May to fund both new and used ŠKODA vehicles representing an increase of 24.8% on the same period in 2018.

The brand's best-selling model was the OCTAVIA, with 2,209 units sold. The ŠKODA KODIAQ enjoyed further success with 1,229 units delivered to customers in the same period. Remarkably ŠKODA has experienced increased demand for their Diesel vehicles with 15% more Diesel powered cars delivered year on year! Commenting today, John Donegan, Brand Director at ŠKODA Ireland said:

"Our record performance is down to the hard work of our dealer network and the investments they have made over the last 5 years. With the recent launch of the new SCALA hatchback and

the arrival of the new KAMIQ SUV in autumn we expect to cement our 5th bestselling car brand position for 2019. Looking more closely at the data, ŠKODA has delivered 15% more Diesel vehicles than the same period last year. Our customers trust our quality Diesel engines and value their efficiency, reliability and low emissions. This is evident in our increased sales figures. Assuming there is no radical vehicle taxation change we expect the demand for Diesel to hold steady for the foreseeable future. Donegan added: "Electric vehicles are unfairly

dominating the conversation of late. With pricing out of reach of the average driver and limited range unsuitable for many commuters we believe our modern Diesel and Petrol vehicles should be acknowledged more for their efficiency. Timing is everything! ŠKODA will launch its first electric vehicle later in 2020 in line with improvements in the charging network. Throughout the next decade we will be offering our customers a choice of Petrol, Diesel, Hybrid and Fully Electric vehicles"

GOING GREEN

WITH YOUR CREDIT UNION

The sale of electric and hybrid cars is on the rise as Irish consumers become increasingly concerned with the environmental impact of emissions. According to the latest statistics from the Society of the Irish Motor Industry (SIMI), more electric cars have been registered in the first three months of this year than the whole of 2018. The SIMI figures show that 1,437 were registered here by the end of March, compared with 1,233 over the 12 months of 2018.

Generally, electric cars and hybrids are more expensive to buy (although this can be off-set by the fuel savings). So, it's important that these consumers are also not paying more than they should on their car finance. Headline rates on PCPs (Personal Contract Plans) can seem very low and appear like very attractive deals. In reality they are one of the most complex and least flexible forms of car finance. They also carry hefty balloon payments at the end of the deal. So, it is probably not the best option for someone paying for a more costly electric or hybrid car.

Helen Courtney Power, Business Development Officer, Killarney Credit Union is urging these consumers to ensure they are fully informed about PCPs – and says they should consider a credit union car loan before making the

final decision to enter one of these finance arrangements.

"It's very encouraging to see the consumer make a more ethical choice when it comes to car purchases. We would also urge them to make a more ethical choice when it comes to their car finance. Credit unions are the most ethical lenders in Ireland, offering straightforward loans with very flexible terms and transparent terms and conditions. For example, there will never be any hidden charges or admin fees with our loans, nor will there be any stressful balloon payment at the end of the loan term. We will work with borrowers to ensure the loan repayments are structured in a way that best suits their financial circumstances. With PCP agreements however, the contract terms are fixed, so consumers can neither extend the term of the loan, nor increase their monthly repayments. Other limitations include sticking to an agreed mileage limit and committing to certain car services. Not to mention the fact that the consumer never actually owns the car until they pay off the balloon payment.

"We would really urge those opting for the electric or hybrid cars to seriously consider the benefits of a credit union car loan. They have already made the best choice for the environment, now they

need to make the best choice for their personal finances. Credit unions are not-for-profit, so our main concern when we are lending is the financial wellbeing of the borrower.

Members can also borrow from us for car tax and insurance also and spread the costs of this over 12 months. Many insurance brokers offer car insurance finance deals, but the devil is in the detail where you often have to pay an upfront deposit, spread the cost over 10 months and pay an administration fee for the finance arrangement. Why not call to the credit union and we can pay the broker directly for the car insurance cover and you then repay the loan

BLACK VALLEY BIDS FAREWELL TO ONE OF THEIR OWN

A view of the Black Valley, Youth Hostel and Local Church. PHOTO: VALERIE O'SULLIVAN

The death took place this week of well known Black Valley resident Eileen Tangney – here is an extract Valerie O'Sullivan's book – *Macgillycuddy's Reeks People and Places* (in which she writes about the Tangney family and their lives in the Black Valley. Michael (Dyke) and Eileen Tangney, The Black Valley Hostel, or 'The Hall' as its known to the locals. Eileen moved into the Valley in 1961, originally from Beaufort. She and Michael set up the Black Valley Hostel in 1964. Eileen recalls when she moved in the Valley there were no phones or electricity, so washing and providing for six children was no easy undertaking. When electricity finally arrived in 1978, – the last place in Ireland! The first thing the Tangneys bought was a washing machine. Eileen recalls "Siobhán was the only one that was born when we had electricity so she had a great time because we'd be able to get

clothes dry. The electricity was a great asset to the valley, It was 1985 before we got the phone, before that, we'd have to go 5 or 6 miles to the nearest telephone, if somebody got sick suddenly, you would have to travel over the Gap of Dunloe to Kate Kearney's Cottage to get to send for an ambulance or a priest" Michael and Eileen have six children, Mary Rose, Gene, Derry, Mike, Irene, Susan, Siobhan, and seven Grandchildren, Gary, Christina, Claire, Michelle, Feidhlin, Sinead and Fiadhna. Michael and Eileen have very fond memories of the Biddies with their dear friends Sheila and Sonny O'Sullivan. "St Brigid's day the 1st of February, we'd celebrate by going out "on the Biddy". We'd all dress up with white shirts and pants, straw hats and wear masks on their faces. Many's the time we went to Kenmare on the Biddy, we used to have great fun,

Michael (Dyke) and the late Eileen Tangney, The Black Valley Hostel, or 'The Hall' as its known to the locals.

dancing in every house and then we'd have a Biddy ball and dance till morning...There was always plenty of tea and braic" Michael is now retired as one of the Gap Pony men, Their daughter Susan now runs the iconic Hostel, a favourite refuge for visitors on the Kerry

Way 200Km trek. The Tangney House is always open..The kettle is always on the boil, as Eileen says "You'd never be lonesome in the Valley".

BISHOP ANNOUNCES CHANGES IN THE DIOCESE

In a statement this week, Bishop Browne said to the parishes of Killarney, Kilcummin, Fossa, Furies & Glenflesk that from this Summer the parish of Kilcummin will no longer have a priest resident in the parish.

Each of the priests in

the Killarney Pastoral Area will now have a role in ministering to the parish of Kilcummin. Kilcummin will continue to be a separate parish and will continue to have the fullness of parish life. This is the seventh situation in our diocese where a parish is without a resident priest. Sadly, there will be more parishes in the years ahead. Please continue to pray for vocations to the diocesan priesthood in our diocese. The Diocesan Pastoral Team will provide whatever support the pastoral area requires during this time of transition. This new reality has positive dimensions. It provides an opportunity for laity to take their rightful place in leadership roles in our parishes. Due to the commitment of clergy and laity and the preparation that has been underway at parish and Pastoral Area level over

the past number of years, I believe Kilcummin parish and the Killarney Pastoral Area will adjust well. I offer you, the people and the priests of the Killarney Pastoral Area, my support at this time and will keep you in my prayers as you strive to respond to this new situation

Bishop Ray Browne wishes to announce the following changes to the appointments of clergy in the Diocese of Kerry:

Msgr. Dan O'Riordan P.P. Castleisland *retiring*
Very Rev. Luke Roche PP Castlemaine *retiring*
Very Rev. Tadhg Ó Dochartaigh P.P. Furies *retiring*

Appointments:

Fr. Maurice Brick PP Lixnaw to be PP Castleisland
Fr. Anthony O'Sullivan Rathmore (pro tem) to be PP Lixnaw
Fr. Michael Hussey PP Castlegregory to be PP Ballylongford
Fr. Eamon Mulvihill PP Kilcummin to be PP Castlegregory
Fr. Joe Begley PP Dingle to be PP Glengarriff/Bonane
Fr. Michael Moynihan PP Glengarriff/Bonane to be PP Dingle

Fr. Padraig Kennelly PP Ballylongford to be PP Furies

The following priests having completed their six year tenure and have been re-appointed to their parishes:

Fr. Pat O'Donnell PP Rathmore

Fr. Larry Kelly PP Caherciveen

The parish of Castlemaine will be served by the priests of the Killorglin Pastoral Area with Fr. Kevin Sullivan to be Moderator

The parish of Kilcummin will be served by the priests of the Killarney Pastoral Area with Fr. Kieran O'Brien to be Moderator

Fr. Denis O'Mahony PP Abbeydorney to be VF of the Naomh Bhréanainn Pastoral Area

Fr. Brendan Walsh PP Causeway to be Moderator of Ballyheigue Parish

Priests of all Pastoral Areas of the Diocese take up different responsibilities outside their own parishes and within the Pastoral Area. This will be decided and communicated locally.

*These changes will become effective on
Wednesday, July 17th 2019*

MILL ROAD PEDESTRIAN CROSSING

At the July meeting of Killarney Municipal District Council, Councillor Michael Gleeson proposed the following:

"That the Council and other interested parties would investigate all aspects of the pedestrian crossing on Mill Road with a view to providing a crossing more appropriate and safe at this very busy location. The Council replied that it

is liaising with interested parties in relation to upgrading the crossing at this location.

Councillor Gleeson stated that the Mill Road is a very heavily trafficked road and that the present pedestrian crossing is very inadequate. For the many who are unfamiliar with it the crossing presents as a continuum from the large and busy complex to the car park. This sometimes

results in people, particularly children dashing onto to the crossing unaware that they are stepping on to such a busy roadway. He welcomed the statement that there are ongoing discussions about the matter."

Climbing Plants

Climbing plants are an essential feature of every garden and they can be used to transform a wall, trellis or fence. Alternatively, you can grow climbing plants through other plants, especially shrub varieties that flower early in the season. A climbing plant can add that extra colour later in the year. As well as growing climbing plants simply for the flowers, berries or autumn colour, you can use them to disguise an unsightly oil tank, to screen dustbins or to conceal some other unattractive feature.

Planting

Climbing plants will grow for many years so it is essential to prepare the soil well before planting. Dig organic matter deeply into the surrounding soil. Dig the hole deeper and wider than necessary and break up the bottom of the hole. Add some organic matter and lightly fork it into the bottom. When planting close to a wall it is necessary that the plant is at least 30cm away from it, or even a little more. This is because the soil at the base of a wall is often very dry. For the same reason, if you are growing the plant through a bush or tree plant it away from the trunk. When planting a climber, make certain that the level of the soil around the plant stem is the same as it was when the plant was in its container. An exception to this rule is clematis, which should always be planted 3-7cms deeper.

Training and Pruning

Fan young shoots out so that they cover a wide area rather than make a single column. Then tie them into the support if necessary. The amount of pruning required will vary with the plant, from none at all to cutting almost to the ground each year, as with some clematis. Seek advice when purchasing as to the individual climbing plant's pruning requirements.

Tying

The best way of tying the plant to its support is to form a figure-of-eight with the string, crossing it over between the plant and the support. Tie the knot at the back of the support if possible or at the side. Wall Supports Climbing plants are useful for softening the walls of a house or for concealing an eyesore such as a garage or oil tank. In some cases it may be necessary to construct a trellis or screen. In others, the plants can be attached directly to a wall. If the wall has to be painted regularly, use a trellis fixed to a frame. Attach this with hinges at the bottom so that it can be eased away from the wall without breaking the climber, allowing the wall to be painted. Use rotating blocks at the top to hold it in place.

Gardening

with Killarney Outlook

by John O'Sullivan

FOCUS ON HYDRANGEAS

Hydrangeas are a very popular garden shrub with delicate heads of flowers that come in shades of white, pink or blue and they flower from late Spring to Autumn. The mophead and lace cap Hydrangeas are well known for the ability to change colour in different soils. Hydrangeas thrive in moist but well drained soil, in the cool, semi shady part of the garden. Try to avoid dry sunny situations and east facing areas. Feeding your Hydrangeas once in late Winter or early Spring is probably enough for the year as too much feeding will only encourage too much soft leafy growth and this will lead to the Hydrangeas not developing a lot of flower buds. Pruning your Hydrangeas is usually done in late Winter or early Spring, although the climbing Hydrangeas should be pruned after flowering in Summer.

OUTLOOK MAGAZINE'S NEW WEEKLY MUSIC COLUMN

This week we focus on

TRUDI LALOR

Trudi Lalor is regarded as one of Ireland's leading Female Country and Irish Vocalists. She has accumulated numerous awards over her 25 years in the business, including the coveted title of "Sunday World Female Entertainer of the Year 2019" at this year's Sunday World Awards. Other awards the Co. Laois native has won over the years include "Female Vocalist of the Year" for three years in a row and "Female Entertainer of the Year" at the Hot Country's Sky TV Awards, Farmers Journal "Female Vocalist of the Year" and many other awards too numerous to mention.

Trudi released her brand new Country Gospel Album "Believe" last year to rave reviews throughout the country, and has already been featured on TG4, BBC Radio stations throughout the UK as well as RTE Radio 1 and all regional stations in Ireland. Trudi was part of the first and also the most recent "Late Late Show Country Music Special". She regularly performs in Denmark

, Canada, Scotland, as well as the Irish Country Music Festivals in Portugal and Spain. She also recorded an album in the home of Country Music, Nashville.

This album was produced by Grammy award winning Musician Charlie McCoy.

Over the last several years Trudi has enjoyed great success with her recordings of original material written by her Manager Billy Morrissey, including "Old Friends are Best", "Thank You", "These are the Good ol' Days", "Everybody's Lookin' for love", "My Old Cottage Home" and her current hit "Keep on Keepin' it Country". Another song that was a huge hit and very close to Trudi's heart is the duet she recorded with her late Mam Philomena, "Beautiful Isle of Somewhere", and her version of "Somewhere over the Rainbow" is unparalleled. Trudi is currently back in the recording studio working on her 9th studio album which will be released this year to coincide with her 25 Years in Irish Country Music and includes a brand new Duet with none other than Daniel O'Donnell!!!

This original song was written especially for them by Billy Morrissey and Nashville writing legend, Max T Barnes.

Over the past 3 years Trudi has added a new string to her bow by presenting her own Radio Show "Premier Country" every Saturday & Sunday Morning on Tipp FM Radio between 11-2. "Premier Country" has proven to be a Huge hit amongst lovers of Country Music!! Trudi's friendly and bubbly personality with the audiences, has gained her a massive listenership who look forward eagerly to these Weekend Radio Shows

.Trudi plays the very Best of our Country and our Irish Artists. She was recently honoured by Sky TV's Hot Country Show for "Best New Country Radio Presenter". Trudi was recently quoted as saying

"I've been very lucky in my musical career over the past number of years and I have made some great friends in the Music Business, now I can call on these Stars to come in and appear regularly on my Radio Show," Already top names like Daniel O'Donnell, Ryan Tubridy, Shane McGowan, Margo, Mike Denver, The Late Big Tom, Johnny McEvoy, Majella O'Donnell, Nathan Carter, Brendan Shine, Pat Shortt, Max T Barnes and many more have featured in interviews on Trudi's "Premier Country Radio Show".

2019 continues to be a hectic year for the girl from Lovely Laois, and will see her perform all over at Country Music Festivals in Ireland throughout the Summer. Trudi returns to Scandinavia later in the year. Trudi's recent Charity Single "Somewhere over the Rainbow" went straight to No. 1 in iTunes, with all proceeds from the downloads going directly to "Feileacain", an Irish Registered Charity set up by a group of bereaved parents to offer support to anyone affected by the death of a baby during pregnancy or shortly after. Her version of this iconic song was recorded with a full Orchestra and was a dream come true for this lovely lady.

Trudi's brand New Album will be available for release later this year and marks a milestone in her career, as she celebrates 25 years in the Music Business! She is planning some Special Concerts to make this special year!!

PHILOMENA BEGLEY UPDATE

Philomena Begley takes time out to recover from a recent health scare. The Country Music star had to step away from the limelight in recent weeks after developing an irregular heart beat. She underwent surgery for a replacement valve and says she is recovering well and has no intention

of retiring.

Philomena Begley who will be 77 in October was to play at the Gleneagle Hotel for a dance on Friday 2nd August (Bank Holiday Weekend) but the good news for fans of Gerry Guthrie is that now he and his band will fill that date. Early Dancing to the very popular Sean Brennan at 9pm.

LET'S GO BACK IN TIME

Pat Quirke and the Pearls Showband one of the busiest local bands on the circuit in the early seventies. Their manager the great Danny Dwyer once told me that one December they played 28 dates such was the popularity of the band. This picture I understand was taken at the gates of the Faha Court Hotel, note the booking details at the time.

Astrid Longhurst Life & Body Confidence Coach

Love yourself into health and wellbeing!

My own personal greatest lesson through my life has been to learn how to really love me! I'm not talking about the kind of love that is arrogant or superficial, but a deep, kindly and compassionate love that shines from the inside out.

This is a love that we are often not taught how to do when we are young. However, it's essential if we are to grow, heal and live our most fulfilling and happiest lives.

Love has the power to heal. When we don't love ourselves, we often begin to neglect our needs, desires, dreams and hopes. As the Founder of the Institute for Body Confidence Coaching, people often ask me how they begin to like (and eventually love) the person they are. It seems like a daunting task whereas it's very easy when you have the tools.

3 steps to loving your body, mind, heart & soul

1. Make a choice to be kind to you. Forgive yourself for your mistakes (you're human and always learning.)
2. Smile at yourself every day and wish yourself a happy day!
3. Back yourself up by your actions. If you say you're going to do something – make sure you do it or don't say it in the first place!

If you would like a new career as a Body Confidence & Wellbeing coach please visit my website at www.instituteforbodyconfidencecoaching.com Applications are now open for September training.

Physical Activity & it's Benefits - part 3

7. Children also benefit from exercise:

even at ages as low as 3-5 years, reports now suggest that they benefit from consistent physical activity. Increases physical activity in children will reduce the risk of increased body weight and adiposity, improve cardiovascular risk factor status, fewer symptoms of depression, and favorable signs of bone health in children aged 3-17. Physical activity that boost bone health include hopping, skipping, jumping, tumbling, and other forms of dynamic high impact, short duration exercise. Children should get 60 mins per day of moderate to vigorous physical activity.

8. Exercise is a must as we grow older: considerable evidence shows the benefits of various modes or combinations of physical activity in the 65- and - older population. Progressive resistance training, multi component exercise, dual - task- training, tai chi, yoga, dance and other activities can improve strength, balance, gait speed and ability to perform activities of daily living. "Multicomponent" programs combine elements of aerobic, muscle strengthening and balance training. Dual - task programs combine cognitive activity (such as counting backwards) with physical movements. Research suggests 150-300 minutes of moderate intensity activities for older adults. Because older adults expend more energy than younger adults for the same task (eg walking) exercises should progress at an intensity relative to individual fitness levels.

ROUTE INFO

Welcome to our brand-new Run Killarney race column for 2019. Over the coming weeks we'll help you on your journey to the start line in Killarney on 20th July.

About Me

My name is Brian, I run the RunninginIreland.com website and blog. I am not an elite athlete; I don't think I'd consider myself a fast runner either. I just love to run. But I have done a lot of races, including Killarney and I will draw on this experience to help you on your way.

On this, the 4th week of the Run Killarney race column, it's time to talk through the specifics of the course and how to approach it.

Half-marathon

The course is attractive to achieve a personal best (PB) as you start in Molls Gap and run downhill to the National Park. The potential pitfall is if you go out too quickly and burn out before the finish.

Go out slow, there is a slight incline at 1.5 miles and 3 miles, so if you feel yourself taking off, think of about this. Miles 3 to 4 offer the most spectacular views of any race I have ever been in, just enjoy your race then, forget your times and soak up the scenery.

The decline continues until close to mile 7, so you should be able to keep a decent pace without using too much energy. Just be cautious not to 'pound' the road too hard, you could end up hurting your joints. From mile 7 the course closes a bit, there's more tree cover, which can be useful if it's a hot July day. Focus on keeping the pace you had set from early on to maintain momentum and confidence now that you're on the flat.

The park is quite open with not much shelter. There are some ups and downs too so keep your pace until Muckross Abbey, then if you still feel good, this is the time to stretch the legs.

10K

The start of the 10K is really a very slight incline, but it will be good for managing your pace on the day. There are plenty of twists and turns early on, so although there will be a lot of runners, try and maintain a good racing line.

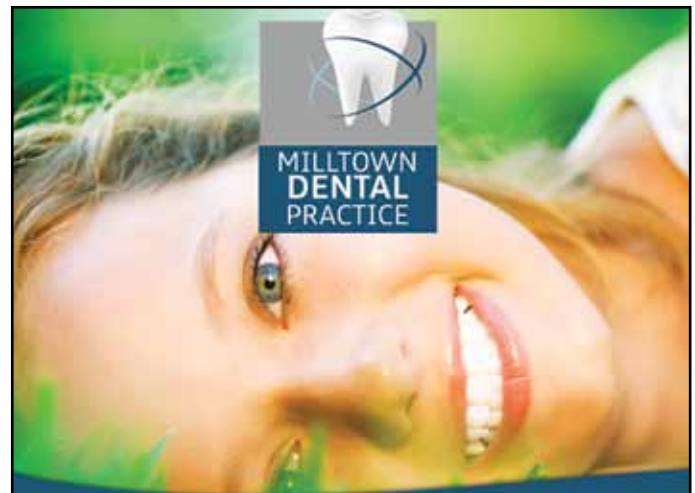

At the turn into the National Park, there is a serious decline; the temptation will be to push your pace there - don't. Keep in mind the description above. There are some small sharp inclines, if you have gone full-tilt, they will take the pace out of your legs. Hold your speed until the last 1 or 2kms and you will have a great finish. There are many ways to break down the race. Find a version that will work for you.

Tip of the Week!

Don't try anything new on race day that you haven't used in training. This applies to race gear, food, drinks, gels, etc.

Places are filling fast! So don't miss out...

KILCUMMIN COMMUNITY NOTES

PARISH PRIEST

The 11.15am mass in Kilcummin Church last Sunday was a historic and sad occasion as it marked the end of a resident Parish Priest in the Parish. While parishioners always feared that it was something that could happen no one expected it to come so suddenly and without prior notice to the community. Parishioners were in total shock and disappointed when the news broke that we were going to lose our Parish Priest Fr. Eamonn Mulvihill. Fr Eamonn had served the Parish for the past two years with great enthusiasm, commitment and energy and was very well respected and liked by young and old alike who came in contact with him. His good humour and wit was much appreciated by all. We wish Fr. Eamonn well as he takes up his new ministry as PP in Castlegregory.

SUMMER CAMP

There are still a limited number of places available for 'Kilcummin Steps & Tunes Summer Camp' which takes place next in the Recreational Hall from 10am to 2pm. The camp promises

to be a week of fun with Set, Sean Nós and Brush Dancing with Adrian, music sessions, face painting and loads more fun and games. Children 4 years and upwards welcome. Fee €55 per child, concession for two. Enquiries and booking to Adrian 087-9330768

COUNTY LEAGUE DIVISION 2

Glenflesks hopes of survival were dealt a blow after losing at home to top of the table Kenmare in a fractious battle on Sunday afternoon. It was a game that saw two sending's off and the result was uncertain until the final moments.

Kenmare opened the scoring with a free in the first minute. Glenflesks response was immediate. After great work from Alan Murphy, who got his fist to a ball he had no right to win, Mike Shea grabbed the ball and dissected the posts with his right foot. They added another soon after. Kenmare's goalie vacating his area to come soloing out the field. He was dispossessed by Jerry Kennedy, who found Jeff O Donoghue to double the home sides account. Kenmare's captain Kevin O Sullivan then scored two quick points as he found space in the Glenflesk rear guard. This gave Kenmare a three points to two lead after a hectic start.

Ian Roche then got a delightful score for Glenflesk. After brilliantly collecting a pinpoint pass from midfielder O Donoghue, he turned and fired a shot that went in off the post. Stephen O Donoghue then added another as Glenflesks promising beginning continued. Kenmare corner back Dara Crowley was then sent off for a second yellow card for a foul on Roche before the score that would be crucial come the end. A high ball landed in the Glenflesk goalmouth and, after a scramble, David Hallissey fisted it to the net. It left Kenmare with a one four to five points lead at half time.

The second half started with an inspirational score for the home side. Midfielder O Donoghue, with no space to work in, sold an outrageous

solo dummy, before firing over an effortless shot in between the middle of the posts. Kenmare's corner forwards, Paul O Connor and Sean O Leary, then scored back to back points before Glenflesk went on a four point run. One of these was a free from goalie Marc Kelliher who stroked the ball over in languid style. Dara Fleming also scored during this period after a move that involved multiple pairs of hands. Glenflesk now led by the minimum by a score of ten points to one six.

Things were getting heated at this stage as every decision was being argued and re-argued. The referee was struggling to maintain the peace. Then came the moment that turned the game Kenmare's way. Jeff O Donoghue getting a second yellow card for an innocuous tackle that left the sides even in numbers. Glenflesk were left without their main score getter and winner of primary possession for the last ten minutes. They would still lead by a point with five minutes to go.

Kenmare hadn't got to the top of the table by panicking though. They had a blistering end to the game with sub Dara O Shea's left foot shot going into the net off the post and O Connor showing his class by adding two points before Brian Clifford's long range effort bringing a halt to proceedings.

Kenmare now look in a good place to go up to division one. Glenflesk, once again go close but didn't get the breaks needed to close out the match for what would have been a much needed win. Some of the attacking play was far better today but the sending off proved insurmountable. Glenflesk 0 - 11, Kenmare 2 - 12.

DYLAN CROWLEY MEMORIAL TOURNAMENT 2019

The Glenflesk U11s had a great day in Gneeveguilla last Saturday winning Division 1 of the Dylan Crowley memorial tournament overcoming Rathmore in the semi final and Gneeveguilla in the final following the group phase. Well done to all the players who played great football all day long, particularly in the final and many thanks to their mentors PJ Kelly and Eugene Bowler for their hard work and enthusiasm.

Many thanks also to the Crowley family, Sean O'Sullivan, Sean O'Keefe and all at Gneeveguilla Gaa club for once again a very well-organised

and enjoyable tournament.

EAST REGION MINOR LEAGUE

Glenflesk 4 - 10 Kilcummin 4- 14

Glenflesks minors just fell short after a thriller against Kilcummin last Friday evening in Glenflesk. A tight first half ended with the score at 1.07 to 0.08 points to Glenflesk. Defences were on top at this stage with scores hard to come by. Glenflesks goal was scored by Tommy Bowler who finished to the net with an accurate left foot shot after great build up play. The drama of the second half to come could not be foreseen at this stage. If the first half had been tight the game was about to open up early in the second period. Wing back Ivan Crowley exchanged passes with corner forward Kevin Bowler before coolly slotting the ball into the visitors net. Kilcummin replied with a goal of their own before the score of the night and one worthy to grace any stage. Wing forward Cian Crowley slaloming through the Kilcummin defence before slamming a rocket of a shot that flew in and out of the goal off the back stantion. The referees hand went up to award the goal and those present will not forget it for a while. Glenflesk continued to keep their lead until the dying minutes when a controversial penalty was awarded to Kilcummin. It was despatched to the net and they added another right at the death to ensure victory. It was tough luck on the home side who had given everything, and on another day could have come out victorious. It is early days in the competition though and their were clear signs tonight that the wins will come soon enough

U10/U8 TRAINING

Many thanks to Vince Cooper, Denis Reen and the Cul Camp coaches who took our Thursday night training session in glorious sunshine this evening in Barraduff. Over 60 boys and girls enjoyed the session practising different skills from the coaches and finished it off by wishing our own Keelie O'Connor the best of luck as she captains Kerry in the Munster U21 final tomorrow night. After all that an ice cold ice cream was a well deserved treat.

CO LEAGUE U 16

Glenflesk 5-12 Laune Rangers 5-25

Glenflesks under 16's were beaten in an entertaining game with Laune Rangers last Wednesday evening in Glenflesk. In total ten

goals were scored in this open game with Laune Rangers stronger side proving too much in the end. There are promising signs for the future though for Glenflesk as some of their kick passing in to the forward line and use of clever hand passing in tight spaces brought them a lot of their scores. These high skill levels are a sign of a well-coached team who kept going right to the end and were unlucky not to score at least another two goals. They are playing in Division One this year which looks like it will be of a very high standard but if they keep performances like this up, the healthy crowd that turned up last night will be happy with their development.

EAST REGION U14 LEAGUE

Glenflesk 5 – 13 Kilcummin 4 - 18

A high scoring contest ended in a tight defeat for Glenflesk under 14's this evening. After winning their first game away at Spa hope was high the team could continue the momentum into game two. After a slow start the team got into their groove midway through the first half. The use of the high ball in to the full forward line and clever movement leading to a four goal first half. Even so they trailed by a point at half time on a score of four four to three eight. Glenflesk started the second half strongly

with their use of kick outs to the wing proving beneficial. They managed to exploit these open spaces and scored a fifth goal early in the second half. They then stretched their lead to six points with the link up play between midfield and the forwards especially impressive. Kilcummin would finish the stronger though and scored a goal to bring the sides level before adding three points without reply before Glenflesk got the final score of the night.

No win tonight then but the style of play and team work exhibited was very promising. As mentioned before the retention on kick outs was very high and the accuracy of the passing was very impressive in a match where both teams blankets were kept at home. On Monday July 8th they play Kenmare in Glenflesk at 7pm **MINOR COUNTY CHAMPIONSHIP EAST KERRY V SOUTH KERRY ROUND 1**

YOUNG KILLARNEY CYCLISTS GET CALL TO IRISH TEAM

The dedicated work of Killarney Cycling Club's Youth Academy has borne fruit with the selection of 16-year-old Beaufort cyclist, Patrick Galvin, to Irish Youth Team which will contest the Errigal International Youth Tour during the August Bank Holiday weekend.

Based in Churchill, Co. Donegal, this prestigious four-stage event attracts the very best of Ireland's young riders as well as top development squads from Britain and the continent.

Stephen Daly is Chairperson of the Killarney club's Youth Academy which runs coaching for the young riders three times per week and said that the selection was down to Patrick's endurance, doggedness and big work ethic: "He has been with us since he was 10, encouraged by his parents Linda and Michael, and getting on this team was one of his major goals for the year. He has all the qualities of a top athlete and is a pure gentleman to deal with and not a bit big-

headed in spite of his various successes".

Patrick is the second Killarney club rider to make an Irish team this year. Senior rider, Conor Kissane, got the call up for Rás Mumhan in May and, coincidentally, Conor is also involved in providing individualized coaching to members of the club's Youth Academy, including Patrick.

The manager and selector of the Irish Youth Team for the event, Dan Curtin, also described Patrick as a promising all-round rider: "He has good endurance and can sprint, and he is good to read a race. He has learned a lot since joining Cycling Ireland's Youth Academy and the experience of being on a national team at this level will help his development".

The Killarney club will be making the long haul to Co. Donegal with 10 other young riders and are hopeful of podium places for some of the dedicated squad.

MUCKROSS ROWING CLUB

KILLARNEY REGATTA

Last Sunday saw the staging of the 234th annual Killarney Regatta. The celebrations will continue at the Muckross shore for some time yet as the club happily reflects on a highly successful day. The club secured no less than 11 wins and was in the top two of all 16 races. The Juvenile boys kick-started the Muckross run, with an impressive 1-2 finish by our A and B crews and a fourth place finish by the C crew. Not to be outdone, additional gold medals were secured by the Juvenile Ladies and both Minor Ladies and Mens crews of Muckross to complete a clean sweep of the underageraces. It was also a record day for the adult men of Muckross as both our Junior and Senior Mens Sixes crews powered to victory with clear water in both races. Their winning streak was extended by the end of the day, to include both the Junior and Senior Fours and completing another great sweep at these levels. There was experience on show at Veteran level, where Muckross secured another double to win both Mens and Ladies races while a young Novice Ladies crew were also triumphant. A photo finish was required in the Senior Ladies Sixes to separate the winning Workmen crew from Muckross in second, with a similar battle providing the same result in the Senior Ladies Fours. Fossa were the winners in both Junior Ladies Sixes and Fours and great credit goes to our young crews in these races, who collected silver medals in both. In the final Sixes race of the day, the Novice Men of Muckross fought hard to second place, closely following the Flesk Valley crew across the line. Overall, it was an outstanding day for the club and great credit and congratulations are due to all our rowers, coaches and coxes. On Tuesday night, the club was presented with twelve trophies including the McGillicuddy Points Cup for best overall club. Certainly another feat for the history books! Special thanks go to all our adult members, parents and supporters. There is tireless work carried out behind the scenes to help achieve such a successful regatta performance and not enough column inches

WORKMEN'S ROWING CLUB

KILLARNEY REGATTA

Once again, the Cork Regatta was postponed last weekend due to the inclement weather, but all crews headed to Killarney Regatta on Sunday and thoroughly enjoyed the historic local rivalry in the Killarney Sixes. All competing had great races and gave some amazing finishes but it was the Senior Ladies Sixes and Senior Ladies Fours who came in

to take nail-biting first places .. In the Senior Ladies Fours were: Miriam Fleming, Annie O'Donoghue, Ciara Moynihan and Ciara Browne; and joining them for another victory in the Sixes were: Mary Moynihan and Pauline O'Brien, with cox Michael O'Donoghue. Well done to all who took part for the first time... to Peter & Aideen on the BBQ, the bakers, to all coaches, coxes, those who helped with the pier, tent and furniture.

Many thanks also to the Committee of Killarney Regatta for their smooth running of this historic event.

DR CROKES GAA

County League Round 7 Division 1

Spa 1-14 Dr Crokes 0-15

In a game in which both sides were understrength Spa ran out winners in the end by two points. Our opponents got over the line because they finished the game stronger and had the last three scores of the match, three points for a two point win. The defining moment however of the game happened in injury time in the first half. At this stage we led by 0-10 to 0-6 but Spa went through for a goal to go in at half time just a point behind.

We got off the better start in the second half and led 0-3 to 0-1 after ten minutes. By the 15th minute Spa had drawn level on a score line of four points each. In the next five minutes we had a productive period, scoring three points without reply. In the ten minutes before the interval we outscored the opposition three points to two for a lead of 0-10 to 0-6. Spa however struck for a goal in injury time. This left us just a point ahead at the interval 0-10 to 1-6.

In the first five minutes of the second half Spa levelled the game 0-11 to 1-8. There was never more than a point between the teams right through the rest of the half. We got our heads in front in the 55th minute when Mark O'Shea sent over a point. This gave us an 0-15 to 1-11 lead. This however was our last score of the game. In the last five minutes of normal time and the five minutes of injury time our opponents had three points without reply as they finished the stronger for a two point win. Team and Scorers: Shane Murphy, Brian Fitzgerald, Mike Molony, Mark Fitzgerald 0-1, David Naughton, Jason Lyne, Lorcan Mc Monagle, Mike Milner, Mark O'Shea 0-1, Jack Griffin 0-1, Alan O'Sullivan 0-1, Brian Looney 0-1, Chris Brady 0-3 (0-2 frees), Kieran O'Leary 0-4 (0-2 frees), MiKe Casey 0-3.

Minor Match - Dr Crokes V Laune Rangers

On Tuesday last our minors recorded a win in the opening round of the County Championship. In very wet conditions both teams served up an exciting and entertaining game.

Having shared 2 points a piece in the early stages, Crokes first goal came in the 11th minute. A great team move from our own half resulted in Jason Kerins finishing to the net. Our forwards were moving well, kicking some great scores from play in the damp conditions. Leading 1-06 to 0-04 @ HT

Just 7 mins into the 2nd half we scored our second goal. An opportunistic goal superbly finished by Cian McMahon, after intercepting a kick out and lobbing the goalie. Laune Rangers fired into life after this and took control around the middle third. Their dominance allowed them to close the gap but our boys always seemed to have a bit extra to complete the job. Our defense was superb all through. Terry Sparling was rock solid at full back, Neil O'Shea did a superb job in man marking Laune Rangers danger man Gearoid Hassett and denied him any quality possession. Others to perform well were Evan Looney and Jason Kerins we never gave the opposition time on the ball. Both Michael Lenihan and Harry Potts gave everything around the middle of the park and our forward unit did very well in the conditions, but special mention to Padraic Looney, Cian McMahon and Sean McGann for their scores on a very wet night FT 2-09 to 0-10. Hurling County League Div2 Rd 5 Vs Kilgarvan Our final county league game took us to Kilgarvan on Thur 27th June to determine who finished top of the group and would be seeded for the semi-final draw.

The first 15 mins belonged to Kilgarvan, who were clearly up for the game as we struggled to gain a foothold. Kilgarvan had 1-3 on the board before we registered our first scores of the half with a brace of frees from Michael Lenihan and a point from Seanie Burchill. This seemed to give us the belief and we finished

the half strongly to bring ourselves back into contention with some great scores from Rob Ryan, Kevin Landers, Mike Lenihan and Joe Enright. Half time score of 1-08 to 0-11.

The game was being played at Championship pace with no quarters given and two injuries late in the first half to Mike O'Keeffe and Seanie Burchill failed to kill our momentum. The half back line of Kevin Landers, Mike Milner and Shane Lyne were outstanding and with Jack Lenihan hoovering up the breaking ball around the centre this was our best performance of the year.

Nothing could separate the sides with the lead trading places several times in the second half. A goal from Kilgarvan on the 45 min mark looked like it would be the turning point for the home side, but the Crokes response of 1-3 unanswered was a testament to the character of the team. The goal from Mike Lenihan after a superb catch at the edge of the square and a great long range point from Mike McCarthy. Kilgarvan rallied to reduce the deficit to one heading in to injury time, before Jack Lenihan made sure we ended the campaign unbeaten; finishing a breaking ball to the net.

Final score 2-14 to 2-18.

Team and Scorers: Colm O'Cuiv, Shane Kavanagh, Brendan McMahon, Michael Eoin Buckley, Kevin Landers (0-1), Mike Milner, Shane Lyne, Aaron Murphy, Jack Lenihan (1-1), Mike O'Keeffe, Shane Arthur, Mike McCarthy (0-1), Seanie Burchill (0-1), Michael Lenihan (1-12, 0-10f), Rob Ryan (0-1).

Subs: Joe Enright (0-1) for M O'Keeffe, Dan Guerin for S Burchill, Michael Horgan for Shane Arthur,

Note: We have been drawn at home to Crotta O'Neill's in the first round of the intermediate championship on 10th July. All support on the night welcome.

Keel started the first half with the aid of a breeze and gained much of the possession through some excellent battles around the middle of the field. The Keel side were in key possession after the interlude and saw them kick two early points to lead by four. U16: Keel/Listry took on Kerins O'Rahillys on Wednesday last in Listry in the first round of the County League. From start to finish the home side never gave up against a strong Strand road side. Keel/Listry settled and with excellent defending and movement they got some vital scores on the board. Half time score: Keel/Listry 1-6, Kerins O'Rahillys 2-6. Keel/Listry held most of the possession after the interlude and kicked some fine scores from boot of Aaron O'Shea who proved to be a challenge for the Rahillys defence. Lachlan Griffin and Tadhg Evans secured possession in midfield for the home side with some brilliant fielding however, Kerins O'Rahillys executed their scores with the final score ending in Keel/Listry 2-16, Kerins O'Rahillys 5-9. Senior County League Div 3 - Rd 7:

Firies made the journey back west to Lispole at the weekend in round 7 of the county league.

The home side were yet to register any points in the county league but this was too change this weekend as they ran out winners on a score of 4-10 (22) to 1-15 (18). Lispole got off to the better start to the game and were to lead from start to finish. The home side had scored two goals within the first 20 minutes and lead at half time by 3 point 2-07 to 0-10. Lispole got off to a very strong start again to the second half and had another two goals scored by the 45th minute of the game to lead 4-09 to 0-11.

Firies keeper Cian Callaghan was injured in during the scoring of the 4th goal and he was replaced by John O'Rourke. A great start for our under 14 boys as they began their East Kerry campaign away to Kilgarvan with a win. Legion scored two early goals and never looked in trouble throughout the game although our opponents to their credit never gave up.

U-12 Boys County League Div 9

The third of our three u12 boys teams completed their Kerry Coiste na nÓg County League fixtures this evening. We headed around the Ring of Kerry to play Waterville GAA Club in the final match of Div 9. After a day and night of rain, conditions were far from ideal, although the Renard pitch was in excellent condition. Both teams showed great skills to control the ball on such a wet evening.

The hosts opened brightly, heading into an early lead. Our lads settled and raised a green flag to get back into the game. A couple of scores separated the sides at the break. The second half was another closely matched affair with goals proving pivotal once more. Our boys defended stoutly to hold off the Waterville attack and pegged on the insurance scores at the other end to claim both points.

U-11 Boys

Hard luck to our U-11 Boys who were beaten by Firies in the D2 Final at the Dylan Crowley Tournament in Gneeveguilla Gaa Club. Defeat was hard for many of our youngsters to take, but Firies were deserved winners. Well done to all the Legion boys and thanks to the parents and friends for support. Thanks again to Gneeveguilla GAA for a great day and to all the organisers and volunteers for a fantastic well organised tournament in memory of a very special boy.

Feile 2019:

Thank you to everyone who made it a fantastic Feile2019 weekend.

Here at Milltown/Castlemaine GAA Club we are all immensely proud of our U14 side for what they achieved over the course of the Feile competition in Galway last weekend. Well done to them and all of the coaching team, as well as the supporters who made the journey.

Thank you very much to our Coiste na nÓg sponsors Foleys Spar and Burkes Butchers as well as Alma's Takeaway for sponsoring kit bags for the entire panel.

Thank you to Milltown GAA Club Galway for your hospitality, we will hopefully meet again in the not too distant future.

MILLTOWN CASTLEMAINE GAA

In our 1st match, we took on Northern Gaels and our U14s came out of the blocks flying notching up 2 goals within 2 minutes. Some great play right throughout the team kept Milltown Castlemaine ahead at half time by a score of 3-02 to 0-00. The 2nd half had our U14s out of the blocks quickly again with 3 points in 5 minutes. Northern Gaels responded with a good point shortly after. As the game progressed to a conclusion, it was a real team effort as every member of the panel played and contributed to a great win. The final score 4-06 to 1-02.

Match 2 saw us take on a Monaghan team who proved very strong. The first few minutes of this match was end to end stuff. Both teams playing well, our lads attacks were not rewarded with scores but Drumhowan Gaels were clinical in the other end. Although the Ulster opponents were winning well, our Milltown/Castlemaine side kept going- showing some great spirit and ability right throughout against a side who would be hard to beat in this competition. Drumhowan Gaels won in the end on a score of 4-08 to 0-02.

Match 3 saw us take on our wonderful hosts- also named Milltown. They were a very strong side and won on a score-line of Milltown/ Castlemaine :0-05, Milltown (Galway) 2-04

A game against Aghamore for the Shield

Quarterfinal then awaited us on Saturday afternoon at 3.15pm, where we had another comfortable victory over Roscommon side-Elphin. Full time score: Milltown/Castlemaine 4-07, Elphin (Roscommon) 0-02. And so it was a semi-final placing against Hertfordshire in the Division 7 Shield. This is where our under 14 panel ended their Feile 2019, when they were defeated by the narrowest of margins. Fulltime score was: Milltown/Castlemaine 2-00, Hertfordshire 2-01. A super well done to all our panel and their mentors once again. A special mention to John Murphy, our roving reporter up in Galway, for his fantastic reports.

Three victorious Kerry football teams will be honoured at the Gaelic Player Association's (GPA) Football Legends Lunch on the eve of the All-Ireland Football final. The winning teams from 1969, 1979 and 2009 will be celebrated at a lunch on Saturday 31st August in Croke Park. In 2009, Kerry beat Cork with a score of 0-16 to 1-09, winning their 36th All-Ireland Senior Football title. Kerry's Tadhg Kennelly became the first person to ever hold AFL Premiership

and All-Ireland winning medals in the sports of Australian rules football and Gaelic football. Managed by Jack O'Connor, Colm 'Gooch' Cooper scored six points in the game and later that year, Paul Galvin won an All-Star and the Footballer of the Year award.

In 1979, Kerry defeated Dublin 3-13 to 1-8. Managed by Mick O'Dwyer, Kerry's Mikey Sheehy was the championship's top scorer with an impressive 6 goals and 18 points. He

was also named as the Texaco Footballer of the Year that year.

In 1969, Kerry beat Offaly 0-10 to 0-07 in the first championship meeting between both sides. Mick O'Dwyer was part of the All-Ireland winning team.

THE DYLAN CROWLEY U11 MEMORIAL TOURNAMENT

The Dylan Crowley U11 Memorial Tournament took place on Saturday the 29th of June at Gneeveguilla Gaa grounds. Dylan was a third class pupil at Holy Family National School in Rathmore and passed away in August 2013 following a battle with cancer. The tournament now in its sixth year is in memory of Dylan and his love of sport particularly football which he played with Gneeveguilla.

The teams that participated on the day were Gneeveguilla, Rathmore, Kilcummin, Glenflesk, Firies, Spa, Kenmare, Killarney Legion, Knocknagree, Dromtariffe and Scartaglen. Gneeveguilla reached the Division 1 final in their first year playing division 1 but lost out to neighbours Glenflesk. The Division 2 final was contested between Firies and Killarney Legion. Firies came out victorious in a closely contested game. Scartaglen were triumphant in the Division 3 final with Dromtariffe coming runners up here. Well Done to Glenflesk, Firies and Scartaglen. The games were played in a very sporting manner on a glorious day with credit to the players and their coaches. The highlight of the day for the players was being led around the field by local piper Michael Doyle, this added a tremendous atmosphere to the day.

Thanks to Father Kevin McNamara for continuing the tradition of opening the tournament with a blessing and sharing his memories of Dylan. Thanks to Gneeveguilla Gaa for the use of their facilities and to the Ladies Committee for their help with the refreshments. Well done to Sean and Mike O' Keeffe for the updates on facebook live. Thanks to everyone who helped out in anyway to make it such an enjoyable and successful day in Dylans memory.

KERRY GAA SCENE

REPORT BY LEONA TWISS, PRO

A BUSY TIME ON THE INTER-COUNTY FRONT

Last Wednesday night, the Kerry Juniors were crowned Munster Champions. Trailing by a point, 0-9 to 1-5, at half-time, Kerry scored the first seven points of the second half to put themselves firmly in control as Cork failed to build on what had been a promising first half. Kerry Captain, Cordal's Philip O'Connor, was presented with the Cup and Kerry now advance to face the UK champions in the All-Ireland semi-final. Kerry will play Scotland on Saturday at 1pm in Clydebank, Glasgow. Best of luck to Manager Jimmy Keane and all involved with the Kerry Junior Panel. For the Senior footballers, the Super 8 Groups are starting to take shape. Following the Round 4 draw made last Monday morning, we know that we will welcome the winners of the Galway v Mayo game to Killarney on the weekend of July 13th/14th. Then the following weekend, we travel to Croke Park to play Donegal. Our final 'Super 8s' game will be away to either Meath or Clare. As details become known to us regarding fixtures and tickets, we will publish them on the Kerry GAA website. Next Thursday night the Kerry U20s begin their

Munster Championship campaign. Kerry will face either Tipperary or Limerick in the Munster semi-final. This game will either be in Thurles or Tralee at 7pm. The Kerry U20 team will be announced on the Kerry GAA website on Wednesday at 8pm. The Kerry U20 Panel performed well during the inaugural John Kerins Tournament particularly considering the challenges posed by players being unavailable due to College and State Exams. We wish Jack O'Connor and all involved with the U20 Panel the best of luck with their upcoming campaign.

CREDIT UNION COUNTY LEAGUE

At this stage, 7 rounds of the Credit Union Senior County Leagues have been played. In Division 1, there are 3 teams on top with 10 points – Austin Stacks, Kerins O'Rahillys and Spa, Killarney. At the other end, Glenflesk is on 2 points. In Division 3, Gneeveguilla and Ballydonoghue are on top with 12 points. At the other end, St Pats Blennerville are on 3 points

and Lispole are on 2 points. Laune Rangers are top in Division 4 as they sit on 12 points with Churchill and Duagh closely behind on 11. Scartaglin top the Division 5 Group A table with 14 points while Kilgarvan and Knocknagoshel top the Group B table with 12 points. He was awarded a UCC Sports Star Award in April of this year and the All Ireland League Rising Star Award by the IRFU at its annual awards at the end of the season. James will receive a monetary award in addition to physio, medical, physiological testing, nutritional advice, strength and conditioning, and all other services required to progress in his sport whilst playing for UCC. The Scholarship

will ensure that James is provided with all the backup support required for him to progress in his rugby career and assist with his academic career. Rory Bevan, President of UCC Rugby Club, said that James Taylor was a worthy recipient of the scholarship. He noted that while James had been successfully studying for a Degree in Finance, he had been instrumental in the rise of UCC RFC to the top level of Irish Club Rugby over the last few seasons.

"His abilities had been recognised with selection on the Irish Students team over the last two years and he had been named as the All Ireland League Rising Star Award by the IRFU in 2019."

A native of Currow, County Kerry, 'Mossie' was originally a Gaelic footballer for his county and UCC before being introduced to rugby as a 23-year-old student. Keane embarked on his rugby journey at the University while studying for primary and post-graduate Degrees in Dairy Science and he remained a committed supporter of the University Rugby Club until his untimely death in 2010 aged just 62.

Former University, Munster and Irish teammates of Moss Keane will be in attendance including fellow members of the Munster team, which defeated the All Blacks in 1978, Moss Finn and Christy Cantillon. Moss's daughter Ann Marie Keane will present the inaugural bursary on behalf of the family to James Taylor at a ceremony this evening. Keane expressed sincere thanks on behalf of the family to both the University and the Rugby Club for recognising her father in this manner. His time in UCC, she noted, had to a great degree formed the wonderful man that he became.

Denny U17 League Final

Killarney Celtic 3, Rattoo Rovers 2

Adam May Keane was once again the goal scoring hero in a final when he scored a late winner to fend off the challenge of Rattoo.

Despite a poor opening by Celtic they found themselves in front after Adam May Keane found the net with a fantastic strike. Rattoo missed a penalty before half time so the teams retired at the break with Celtic in front. Rattoo now had the wind advantage and 2 goals in 3 mins had them in front at the 70th min mark. However Celtic dug deep and Cian McMahon leveled before turning provider for Adam May Keane to grab the winner. Well done to the players and management on a fine win.

CARING FOR ALL ANIMALS URING HOT WEATHER

Never leave animals in hot cars, conservatories, outbuildings or caravans, even if it's just for a short while. Temperatures can quickly rise to 47°C (117°F) which can result in death. ... Ensure pets always have access to shade and fresh drinking water to help keep them cool.

Pets can become dehydrated and overheat quickly, so it is important for owners to be aware of the signs of overheating. These include excessive panting, increased heart rate, dry or pale gums and weakness or if they collapse. To avoid overheating, it is vital not to overexert pets, make sure they always have access to fresh water and are out of the sun.

If your pet is showing signs of overheating, move it to a cooler area immediately, spray with cool, not cold water, and give a small drink of water and contact your vet straight away.

*Ensure pets always have access to shade and fresh drinking water to help keep them cool.

* If you have a rabbit or other small mammals in the garden, keep their living quarters in the shade. You could also cover the front of their living quarters with newspaper as they can heat up very quickly.

*All caged animals, even if they are indoors, should be kept out of direct sunlight. Keep an eye on aviaries or birdcages, which are close to a window.

*Check all birds / animals and their beds etc every day for flystrike.

*Putting ice cubes into your dog or cat's water bowl or making some tasty ice cube treats is another fantastic idea.

*Provide damp towels for your pet to lie on or an ice pack wrapped in a towel. Both could provide a welcome relief from the heat.

Please also be mindful of common chemicals that may be in your home this summer, as these can be toxic to pets and wildlife if ingested. Sun creams, insect repellent, weed killer etc are extremely dangerous if they are ingested and need to be stored securely.

*Turning your outside space into a home for nature by doing simple things like topping up your birdbath, creating a make-shift pond from a shallow dish (or add small stones to a deeper one) or putting down a saucer filled with water could offer a vital lifeline for some of our wildlife.

POLLEN TRACKER FOR HAYFEVER AMID WARNING ASTHMA DEATHS ON THE RISE

Asthma and hayfever sufferers have been warned that pollen levels are on the rise and could lead to potentially fatal asthma attacks.

The Asthma Society issued the advice as they warned that asthma deaths are increasing here and a person dies every six days from the condition. Today they launched a pollen tracker alongside Dyson Ireland to guide people about the pollen levels nationwide and give a forecast for the following day. Sarah O'Connor, CEO of the Asthma Society of Ireland, said: "For the 300,800 people who have asthma and hayfever, hayfever can be particularly dangerous. Hayfever symptoms are capable of escalating an asthma attack, which in some cases can be fatal. In addition, people with hayfever experience symptoms which really compromise their quality of life and ability to enjoy the summer months. As pollen levels soar during the summer months, Asthma Ireland advised people who suffer from Asthma and hayfever to talk to a doctor or pharmacist NOW about taking medication to prevent / reduce your symptoms. Don't wait until you feel unwell. They also said that common hayfever symptoms to look out for include frequent sneezing, red and itchy eyes, headaches, fatigue and skin under the eyes being swollen and blue.

For more information and top tips please visit asthma.ie or call 1800 44 54 64. Their free Asthma and COPD Adviceline is also available on 1800 44 54 64 and allows you to speak to a respiratory specialist nurse who is trained in asthma and allergies, who will be able to advise you on managing your condition(s).

SOME MACBOOK PROS RECALLED

Facing overheating batteries that "may pose a fire safety risk," Apple launched a voluntary recall and replacement program on Thursday for the 15-inch 2015 MacBook Pro with Retina Display.

"If your MacBook Pro is eligible, please stop using it" is the company's advice.

To find out if your machine is impacted, visit Apple's website and check your MacBook Pro's serial number. The affected laptops sold between September 2015 and February 2017 but given the huge used market for Apple wares, if you bought used it might be worth checking out. If

your machine is a 2015 MacBook Pro with Retina Display, it's sent to an Apple Repair Center where its examined and then fixed in a process that can take up to two weeks. This is the second product recall this year for Apple who in April launched a recall and exchange program for international wall plug adapters because the "plug adapters may break and create a risk of electrical shock if touched."

DID YOU KNOW?

On June 30, 1953, the first Corvette automobile came off the production line in Flint. It was hand-assembled and featured a Polo White exterior and red interior, two-speed Powerglide automatic transmission, a wraparound windshield, whitewall tires and detachable plastic curtains instead of side windows. The earliest Corvettes were designed to be opened from the inside and lacked exterior door handles. Other components included a clock, cigarette lighter and red warning light that activated when the parking brake was applied—a new feature at the time. The car carried an initial price tag of \$3,490 and could go from zero to 60 miles per hour in 11 or 12 seconds, then considered a fairly average speed.

QUESTION

I am getting Jobseeker's Allowance and my oldest child is starting school this year. Is there a payment to help with the costs of children going to school?

ANSWER

The Back to School Clothing and Footwear Allowance (BTSCFA) helps you meet the cost of uniforms and footwear for children going to school. Your children must be aged between 4 and 22 on or before 30 September 2019. If they are aged between 18 and 22 they must be in full-time second-level education in a recognised school or college.

To qualify, you must be getting a social welfare payment or taking part in a training, employment or adult education scheme. In general, you must be getting an Increase for a Qualified Child with your payment. People getting the Working Family Payment and the Back to Work Family Dividend can qualify for BTSCFA. Also, your total family income must be below a certain level for your family size. The Allowance is €150 for children aged between 4 and 11 and €275 for those aged between 12 and 22.

The Department of Employment Affairs and Social Protection pays the BTSCFA automatically to many families. This means that they do not have to apply for the payment. If you qualify automatically, you will be notified by 24 June 2019 and you will get your payment the week beginning 8 July 2019. If you do not get an automatic payment you must apply for the Allowance. If any of your children are aged 18 or over, you must also apply for the Allowance for them and show evidence that they are in second-level education (even if automatic payments have issued for other children in the family).

From 24 June 2019, you can apply for the Allowance online through mywelfare.ie. You must have a Public Services Card and a verified MyGovID account to apply online. You can also apply using an application form, which is available in all Intreo centres and Social Welfare Branch Offices and online from welfare.ie or you can request a form by texting Form BTSCFA followed by your name and address to 51909 or by emailing BSCFA@welfare.ie.

The closing date for applications is 30 September 2019. A dedicated phone line is available to answer your questions from 24 June 2019: (071) 919 3319. If you are refused the Allowance, you can ask for a review of the decision.

Make hay while the sun shines

This article explores what the links are between the proverb 'When the sunne shineth make hay. Whiche is to say. Take time when time cometh, lest time steale away.' And no, there are no spelling mistakes, this was written in about 1546, and yes, we can still learn from things written way back then.

In the past farmers could only look at the sky or feel the wind to predict the weather, plus it took much longer to cut, dry and gather the hay and so if it was sunny it was just common sense to make hay while the sun shone. But now, years later what is the link with this and mental health? If you make hay while the sun shines, it means that you take advantage of the chance to do something while conditions are good. In other words, you make good use of your time or make the most of an opportunity while you have the chance.

So the key word here is 'opportunity', so often we regret later in life that we did not take the opportunity that was presented, maybe fear held us back, maybe we did not feel confident enough. Or maybe we did not trust our judgement, and we let somebody else's voice be louder in our head and heart than ours. So we need to take stock of the situations that present themselves and realise when an opportunity has arisen that we could make the most from, or more than we have believed was possible. It may need us to be creative, to allow our minds to day dream the possibilities so that they can become realities.

The other important aspect of the hay and the sunshine and mental health, especially in Ireland and in farming, is that hay is baled for when the winter comes and to feed the animals that are safely tucked inside the barn to protect them from freezing. Now sometimes we have store up that 'sunshine' or good moment or opportunity to see us through the difficult times in our life. Imagine if we could 'bale' up a happy feeling or moment for when the winter or sadness or painful times crosses our paths. Even better would be to actually plan for the future by taking advantage of the current opportunities. An example of this would be to keep thinking of how we can do positive things, surround ourselves with positive people and things and that way ensure we have a safety net for when things may become difficult.

A Word of Victory

Welcome back dear reader "a sound heart is life to the body, but envy is rottenness to the bones" (Psalm 14:30). The spirit of rejection affects how a person sees him or herself, and how they view God's love and the love of others, and it is an open door to sickness and disease, bitterness, jealousy and hatred. In an old house, problems with the foundations may not be visible but the symptoms certainly manifest in issues like bulging, cracked or damp walls. Some issues are easily fixed; others can be nasty, creating terrible difficulties. In the Bible God likens a person's life to a house. Jesus taught us about building our lives on the right foundation when He spoke of the wise and foolish builders. The wise ones establish their identity, principles and morals upon their knowledge and understanding of Who Jesus is – the Son of the Living God who created the earth (Isaiah 40:28). Jesus is the Everlasting Rock (Matthew 7:24; Isaiah 26:3). Only a foolish person builds a house on sand, as that foundation will surely give way and the house will crumble, blown down by storms, wind and rain. The things we've gone through in life are the storms; the houses are our lives; and the foundation is the knowledge and understanding that we have of who we are in Christ, Who He is, and what He accomplished for us at the Cross (Ephesians 1:3-12). The spirit behind the world's system - the devil, constantly seeks to destroy and confuse people's identity through trauma and pain (John 10:10). We've spoken previously of the effect that the father has upon his children – from him comes not only their name, but also their security in who they are. Many people have had a wonderful relationship and blessing from their earthly father's, but many also, have not. This can be a root cause of the spirit of rejection entering which attacks that one's identity. As we study the Bible, the Holy Spirit is like the "Chief Structural Engineer". He exposes the very foundations of what we believe about God, and about ourselves. He uses the Word of God to highlight areas where we are struggling or thinking wrongly, and, as we obey the Word of God He transforms our worldly 'stinking-thinking' into understanding what God says about us instead, thus bringing healing and wholeness (1st Thessalonians 5:23). Jesus is the greatest holistic Healer friend – He's waiting for you to ask Him in to heal your heart and life!
