Magic dust to sprinkle on the streets of Killarney

The magic dust has been ordered by the sleigh-load and extra sparkle has been added to the festive trimmings as the truly spectacular Christmas in Killarney celebrations will return with a vengeance in the coming weeks.

With Santa cocooning for long spells last year, the festival had to be put on hold but that merely gave the amazing Team Christmas in Killarney ample opportunity to plan a bigger, better and more incredible party for 2021.

The first of four fabulous and colourful street parades will wind through the streets on Saturday, November 27, at 6.00pm, and the magic will continue with further fun-filled parades on December 4, December 11 and December 18.

As well as all the traditional favourites, an elaborate and spectacular new float has been added this year and it will certainly have a real wow factor as it takes to the streets.

A new route has been planned for this year's parade of floats and Christmas characters which will wind its way from Fitzgerald Stadium along Lewis Road, on to College Street, Plunkett Street, Main Street and High Street with Santa

looking forward to seeing all the boys and girls lining the streets.

Strict Covid-19 protocols will apply and, to ensure everyone's safety, those planning to attend are asked to wear face masks and observe social distancing guidelines.

Plans are also being made for a Santa's Grotto experience in the lead up to the festive season with details to be revealed very soon and the final programme for the hugely popular Dine in Killarney Christmas experience is also being finalised.

Mayor of Killarney Cllr Marie Moloney, who is a member of the Christmas in Killarney Committee, said it will be wonderful to see a bit of normality returning to the town for the festive season.

"Last Christmas was very hard on everybody who couldn't meet up with their loved ones and many people spent it on their own.

"This year, thankfully, there will be a bit more freedom for people to meet up and celebrate together," she said.

Mayor Moloney said the Christmas in Killarney festival will provide a superb backdrop for the seasonal celebrations but she urged everybody

to be cautious, to wear their masks and to observe social distance requests when they are watching the parades so that everybody remains safe.

The voluntary chairman of the Christmas in Killarney celebration, Niall Kelleher, said everyone behind the scenes is just as excited as the children of Killarney and beyond and he said it is a wonderful feeling to be able to sprinkle an extra handful of magic dust and sparkle on the town this year.

"Last year was difficult for all of us but we plan to make up for it in the coming weeks with the type of spectacular celebration that has made Christmas in Killarney famous all over the world," he said.

Santa Claus, meanwhile, has confirmed that he has pencilled the Killarney parades into his packed diary and he is really looking forward to seeing everybody when he arrives.

"My little helpers have been doing their research and they told me just how hard everybody on the Christmas in Killarney Committee is working to make this year extra special. It is going to be a magical time in one of my favourite towns in the whole world," he said.

TWO MUSIC FAMILIES UNITE FOR LIVE CONCERTS, SINGLE AND VIDEO

Those lucky enough to catch Clannad's legendary vocalist Moya Brennan, multi – instrumentalist Liam O'Connor and their super-talented musical families recently on the Late Late Show will be delighted to note details of further collaborations between the two families.

Their spirited Late Late Show appearance featured their powerful rendition of the song 'Strong In Numbers' which is also now available as a single. The participating members have also been recorded in a promotional video which not only reinforces their collective love of music but also of the natural magic of the Irish countryside. As the song's title indicates, it's a stirring celebration of the power to resist oppression, and calls for all of us to unite to create a better world for our future generations.

The two families will also be joining forces for live concerts, starting at St. Brendan's College, Killarney, Co. Kerry on December 8 for which legendary hurler Joe Canning will be the guest speaker. Joe is widely regarded as one of the greatest hurlers ever to have graced a hurling pitch. An All-Ireland Senior Championship winner, The Galway hero scooped five All-Star awards, won Hurler of the Year, Young Hurler of the Year, three Leinster Senior Championships and two National Hurling Leagues.

Sadly, injury problems forced this inspirational player to retire from the game at the young age of 32, yet he still inspires young players to this day. Of course, the intriguing question on every hurling fan's lips is whether Joe will come out of retirement for Henry Shefflin, Galway's hurling manager and his former rival as a player?

The St. Brendan's College concert will be the ninth year performed by the O'Connor family with St. Brendan's College students. While dates with Moya's family are also confirmed for Boherhue Church in Cork on December 9 and Watergate Theatre in Kilkenny on December 10. Ahead of all that, internationally-renowned accordionist Liam O'Connor from Newmarket will be presented with his Pride of Cork Award for 2021 at a special ceremony on November 26 at the Clayton Hotel Silver Springs in Cork hosted by RTÉs Miriam O'Callaghan, and C102 and 96FM radio presenters Patricia Messenger and PJ Coogan.

A Cork Civic Life spokesperson said that the award recognises the outstanding contribution that Liam has made to Irish music and its promotion both locally and globally over a career spanning nearly three decades. Among many of Liam's outstanding achievements they draw attention to him being listed in the Guinness Book of Records as the world's fastest accordion player, original accordionist with

Lord of the Dance Michael Flatley and the only Irish musician to perform twice at the Ryder Cup international golf tournament.

The Cork Civic Life statement also mentions his Live CD recording at Ronnie Scott's famous club in London, his recording of the official GAA anthem with Micheál Ó Muircheartaigh which topped the Irish charts for six weeks, and his hard work, energy and time for numerous charities and organisations.

"We say, thank you for the music, thank you for the promotion of our great country throughout the world and above all thank you for never forgetting your Cork roots. We are thrilled to bestow A Pride of Cork Award on you," they state in relation to Liam's award.

Liam's recent appearance on the Late Late Show was his seventh and made him one of a select band of guests who have featured on the programme with all three hosts, Gay Byrne, Pat Kenny and Ryan Tubridy. He also appeared with Eddie Jordan on This Is Your Life hosted by Michael Aspel.

Liam's current link-up with the Grammy and Emmy award-winning Clannad singer Moya also includes Liam's son Oisín (on drums, guitar, keyboards and vocals) and daughter Saoirse (on keyboards, concertina and vocals), son Oisín on drums, guitar, keyboards and vocals, and son Cillian on bodhran and drums.

Also gifted as a composer and arranger, Oisín O'Connor's talents have already taken him into the company of several music industry stalwarts, from Ne-Yo to artists of the calibre of Brian Kennedy, Aslan's Christy Dignam and Danny O'Reilly of The Coronas. He's ventured onto record as well. His father Liam's album Live at Ronnie Scott's sees Oisín join Liam, Saoirse and Cillian for what has been described as "a mesmerising family affair". And as if his diary isn't busy enough he's also engaged as a model for the Holister and Ted Baker international clothing brands.

Saoirse has also made her mark with her beguiling rhythmic piano playing and singing. In 2011, the then 11-year-old conducted the last ever interview given by the Irish screen legend Maureen O'Hara, a substantial coup in its own right.

Their brother Cillian plays bodhran and drums and is a transition year student in St. Brendan's College, Killarney, aka as The Sem because it used to be a Seminary. It's deservedly known for providing students with a vibrant environment in which they, staff, parents and management can work together for the collective good while developing the whole person, on spiritual, emotional, intellectual, social, cultural and physical levels.

From Moya's family come her daughter Aisling (on guitar, bazouki and vocals) son Paul on bodhran, bass and vocals, and husband Tim Jarvis on cello and vocals. They are also joined by the acclaimed flute player Eamonn de Barra. Liam's support for the college is generously acknowledged by St. Brendan's College Music Teacher Mish O'Donoghue. Recognising the generosity of spirit shown to the school attended by his sons Oisín and Cillian, she says, "we in St Brendan's have been privileged to have benefited from Liam's expertise and many talents shared with our students over the past nine years. So many of them have benefitted from the time he has given to them in preparation for his concerts in our school Chapel. Performing alongside him, and the many special guests he has brought to these concerts, has been the highlight of their school years for many of our students. His contribution to the music department at St Brendan's over this time is immeasurable and we are delighted to see his work being acknowledged by Cork Civic Life in giving him this Pride of Cork Award."

That same sense of appreciation also comes from Aidan Murray, a former student from Carraig na Bhfear College, who sent Liam the following message regarding his Cork Pride Award, "Congrats, Liam, for this much deserved recognition. It brings me back about 35 years to heading to the school music room at night and repeatedly watching in awe at the blur you made as your fingers created the most incredible music on the box. It's fantastic that you used your amazing talent to bring so much enjoyment to so many people. Rock on!" For further details www.moyabrennan.com and www.liamoconnormusic.com

The 2021 An Chomhdháil World Irish Dance Championships kicked off this week at The Gleneagle Hotel and Gleneagle INEC Arena.

Competitors from America, Scotland, England, Europe and all over Ireland will compete for a world title in the championships which run from November 1 to 6. Over nineteen competitions take place over the six-day championships and winners are announced every day after each competition. The competitions are held in the INEC auditorium and The Gleneagle Ballroom. The age profile of the competitors is age 9 to over 21 years old. In excess of 1400 dancers will take to the stage over the course of the six days.

An Chomhdháil is delighted to return to Killarney

this year having been unable to run the event in 2020. This is Killarney's fifth occasion to host the An Chomhdháil World Irish Dance Championships. Strict Government guidelines will be adhered to for indoor events. Only adults with covid certificates will be permitted to enter. Dancers and spectators under the age of 18 must be accompanied by an adult with a Covid certificate. Face masks are mandatory.

The economic benefits of these championships will be felt right across Killarney's hotels, B&Bs, restaurants, shops and many other businesses. Studies carried out between 2016 and 2019 calculated the Championships were worth €12 million to the local economy.

An Chomhdháil, the organisation who run the World Irish Dance Championships, have an extensive branch network worldwide and is one of the most progressive Irish Dance organisations, being the first Irish dance organisation to bring in the no makeup rule for girls under thirteen years of age in 2007. Both male and female world champions will be crowned across a range of age categories from under ten through to adult.

"We are honoured to welcome the 2021 An Chomhdháil World Irish Dance Championships," said Patrick O' Donoghue, CEO of The Gleneagle Group. "We wish all the competitors the very best of luck and we hope everyone enjoys their stay in Killarney."

DINGLE PENINSULA 2030 DELEGATES MAKE THEIR WAY TO COP-26

From West Kerry to the UN Climate Change Conference in Glasgow, a team of delegates representing the Dingle Peninsula 2030 sustainability initiative are putting their money where their mouth is when it comes to sustainable travel, and making the trip in electric vehicles.

Dingle Peninsula 2030 is an initiative, led by Dingle Peninsula Hub, to transition the peninsula to a low-carbon society for a more environmentally and economically sustainable future. The initiative encompasses projects across energy, transport, agriculture, marine and tourism.

On 1st November 2021 the representatives of Dingle Peninsula 2030 departed Dingle for Glasgow to participate in COP-26, the UN Climate Change Conference. Travelling by electric vehicle they will visit communities in Ireland, Northern Ireland and Scotland who are working on similar sustainability and transition initiatives, to share learnings. The delegates will be sent on their way by the Cathaoirleach of Kerry County Council early on Monday morning as they begin their sustainable energy journey to Scotland. The journey is being sponsored by Kerry Co Co as part of the Covenant of Mayors and by ESB Networks. The first stop on the journey will be Tullamore,

Co Offaly for a two-hour lunch and learn session hosted by Green Offaly, a not-for-profit countywide Green Regeneration enterprise. A number of local transition initiatives will be showcased at the event.

As the team continue their journey, they will then meet with Prof John Barry of Queen's University Belfast; he is co-chair of the Belfast Climate Commission, which works with communities, authorities and industry to translate climate policy into action 'on the ground' and bring about transformative change.

In Scotland, the team plans to visit the town of Bothwell who have developed a 20-year sustainability strategy for their community. They also hope to visit Knockraich Farm and Courtyard Cafe to learn about direct-to-consumer milk vending machines, a sector that is primed for growth

in Ireland, reflecting growing consumer interest in locally-sourced food and drink.

The Dingle Peninsula 2030 team will participate in a side event on "Transforming climate solutions for business, cities and civil society in Europe & Latin America" at COP-26 in Glasgow on 2nd November 2021. The event will showcase stories of positive actions from around the world, bringing together voices of different stakeholders to illustrate how impact is being made at a global scale by an engaged network with common principles and goals to achieve a sustainable world.

The Chairman of the Kerry Friends of Motor Neurone, Christy Lehane has made a plea for more funding to help make the end of life easier for Motor Neurone sufferers.

Mr. Lehane made the plea as he handed over a cheque for €10,500 to the Irish Motor Neurone Disease Association.

"This money represented many donations received since November 2019 last. We are so grateful to all our friends and supporters who never let us down even in Covid times. We had to put on hold our many fundraising events of 2020 and 2021", Christy told Killarney Outlook.

We want all to know that this money

will go to make end of life easier for our Motor Neurone Sufferers providing Specialist Equipment, Home Help and Support and to pay Specialist Nurses salaries.

Sadly over 86% of the Irish Motor Neurone Disease Association's annual income relies on fundraising and I think this is a terrible situation.

"I feel compelled to make a serious plea to HSE Government and Local Representatives to look favourably and address this awful situation", Mr. Lehane added.

"RESTRICTIONS FOR BASKETBALL EXTREMELY UNFAIR"

- DEPUTY HEALY RAE

Deputy Danny Healy Rae has raised the new restrictions for children playing basketball with various ministers.

Speaking to Killarney Outlook this week, Deputy Healy-Rae said it had come to his attention that on Thursday 28th October Basketball Clubs got notification from Sports Ireland directing them that only children who have been vaccinated can attend and participate in basketball matches, this is a form of blackmail as many involved in this sport do not have the vaccine or cannot get it for personal reasons, this is grossly unfair to deny these children play this sport as these are the same children who take part and mix in other sports and also attend school together and socialise together without any requirement for proof of vaccination,

children under 12 who are not vaccinated are also not allowed participate, clubs have registered and fees have been paid up for these members, putting club volunteers in this position where they are expected to check if children have been vaccinated before they can train and play games is extremely unfair and clubs have concerns regarding the legal implications of this measure from a data protection and GDPR perspective.

Deputy Danny Healy-Rae

WALK IN VACCINATION CLINIC OPEN TODAY

Walk-in vaccination clinics will take place at the Kerry Vaccination Centre (former Borg Warner site) at Monavalley, Tralee today, Friday November 5th; 12noon to 8pm.

You can get your COVID-19 vaccine at a walk-in clinic without an appointment. You can go to any walk-in clinic, it does not have to be near where you live.

Dose 1 and dose 2 walk-in clinics are open on specific days and times at vaccination centres. If you show up outside of these times, you will not be vaccinated.

Anyone aged 16 and older can attend a walk-in clinic alone.

Children aged 12 to 15 must attend with a parent or guardian. A parent or legal guardian will need to give consent for their child to get their COVID-19 vaccine. Children attending alone will not be vaccinated.

Dose 1 clinics: You will be offered the Pfizer/BioNTech vaccine at a dose 1 walk-in clinic. You will need 2 doses for the best protection. The walk-in clinics list which vaccine they offer. You will get an appointment for your second dose at a vaccination centre near your home. Or you can go to a dose 2 walk-in clinic when th

Dose 2 clinics: You can go to any dose 2 walk-in clinic as long as your vaccination is due and you have proof of your first dose. For example, your vaccination record card. It does not matter where you had your first dose - even if you were vaccinated at a GP, pharmacy or in another country. You will not be vaccinated at a dose 2 clinic if you do not have proof of your first dose. If you lost your vaccination record card, go back to the GP or pharmacy where you got your first dose to get proof of vaccination.

Booster dose: Walk-in clinics are for first and second dose only. You cannot get a booster dose at a walk-in vaccination clinic.

Getting 2 different vaccines: If you had a first dose of the AstraZeneca vaccine and you do not want a second dose of AstraZeneca, you can choose to get an mRNA COVID-19 vaccine dose instead. This will mean that you are fully vaccinated

STUNNING NEW MURAL DEVELOPED ON NEW CYCLEWAY

In recent weeks, walkers and cyclists along the newly opened Flesk Cycleway are enjoying the development of a vibrant mural along a section of the scenic route.

The mural is funded under the Creative Ireland Kerry Programme and was undertaken by The Walls Project. Curtis Hylton the artist, was assisted by Magda Karol. The images depict some of the flora and fauna that surround us in the area. It is intended that the mural will add vibrancy and creativity to the cycleway and enhance our appreciation of the natural world that surrounds us in Killarney.

Creative Ireland Kerry is a partnership between Kerry County Council and Creative Ireland. The programme focus is to bring creativity into communities towards greater societal wellbeing. There are many projects across Kerry, with a variety of focus and delivery. Killarney Municipal District is developing more creative offerings to celebrate and inform locals and visitors, on key aspects of our local area, ancient traditions and living culture.

FELICIA PENS NEW CHILDREN'S BOOK

A Killarney artist, who suffered a life changing accident in 2013 has turned her talents to writing and has recently produced a new children's book.

Felicia Thomas from Killarney is pictured with her new children's book 'Miss Polly and the Crocodile' set in the magical land of Loopaloo. It tells the story with illustrations by Felicia, of a grumpy king, a very spoilt princess, Miss Polly and a crocodile, a shy little girl, good friends and a bully. The characters are faced with very relatable

problems, but find that being nice to other and a little magic can save the day. Launching the book with her beloved dog Boo, at the three hundred year old beech tree at Ross Island, Killarney. This is Felicia's first book, after a life changing accident in 2013, she used her hobby of art as rehabilitation while learning to use her hand again.

SKPD HONOURS

RETIRING BOARD MEMBERS FOR THEIR SERVICE

Six retiring South Kerry Development Partnership Directors were honoured at a special event that took place in Killorglin recently. The retiring members, George Kelly, Donie Doody, Daniel O'Sullivan, Cllr. Donal O'Grady, Eugene Dennehy and Shivaun Shanahan, represented a range of sectors and between them had served a total of 44 years on the Board.

Speaking at the event, CEO Noel Spillane sincerely thanked all of them for their service and commitment during their tenure. He noted that being on a Board such as that of the Partnership brings with it significant responsibilities and without the service they were willing to give, it would not be possible for such organisations to operate. Noel also praised the work they did in representing SKDP outside of their Board attendance and noted how valuable this was in linking the community and business sectors across South Kerry to the work of the Partnership. This is also hugely valuable in enabling SKDP have positive and constructive working relationships with outside organisations across all sectors he said.

Current Director Seán Roche, who represented the current Partnership Board, also added his thanks to that of Noel Spillane and noted the significant work that SKDP has undertaken during the period these Directors were on the Board. He noted that all of the retiring Board members gave freely of their time and said that their experience and input across the organisation helped create the strong and important organisation that SKDP is for South Kerry.

Retiring Director Cllr. Donal O'Grady thanked both CEO Noel Spillane and

all of the Partnership staff for their work and the support they provided to him and the other Directors during their time on the Board. He said that the Partnership undertakes a significant amount of work across the region, some of which goes unnoticed by people, but that its efforts deliver a significant benefit to South Kerry as a whole.

MINISTER HARRIS GETS A RAP ON THE KNUCKLES FROM THE CAO FOR PREMATURE 'PORTAL' ANNOUNCEMENT

By Billy Ryle

The announcement by Higher & Further Education Minister Simon Harris that a single portal for CAO, Further Education and Training (FET) courses and Apprenticeships would be launched on the 5th November took many organisations by surprise, not least the CAO. According to the Minister, applicants will be able to choose between higher education, further education and apprenticeships through a single CAO portal for the first time.

Minister Harris said the portal will give parity of esteem to all study options and allow students to apply directly for higher and further education courses. It will also include information on the growing number of apprenticeship options. In a new change, applicants will receive offers for courses from both sectors on the same day in mid-August. Minister Harris said that when applicants log onto the CAO website on 5th November, not only will they see the traditional CAO options but; they'll also, for the first time ever, see FET options and lots of information and options on apprenticeships.

According to the Minister, the 'portal' will broaden the conversation around careers and deflect the obsession with the CAO and the points race. While the numbers attending third level are impressive Minister Harris feels that there are a lot of students who might not be aware of all the options available to them.

Minister Harris announced that work is also being advanced to build a 'fully integrated' further education and higher education system

which will allow students to transfer seamlessly from one to the other. It is part of a broader plan, he said, to enhance the status of the further education sector and create more diverse pathways for school leavers. The number of apprenticeships on offer is also due to expand next year with 62 programmes across areas ICT, Insurance, Finance and Logistics.

All very positive you might say! Except it was the first the CAO heard about the new all-embracing portal and they immediately clarified the de facto position as distinct from the premature announcement by Mr Harris. The CAO pointed out that its website will not be accepting further education or apprenticeship applications for 2022. Applicants will continue to apply for FET courses and apprenticeships using the traditional channels, and the CAO website will continue to accept applications for courses in Irish Higher Education Institutions only. The CAO website will, however, display further education and apprenticeship options on its website as a jumping off point for applicants to go to www.fetchcourses.ie and www.apprenticeship.ie.

As the CAO statement clarified, SOLAS, the State agency responsible for further education and training has arranged to have links to FET Courses and Apprenticeships on the CAO website for the opening of the CAO on 5th November. www.fetchcourses.ie will bring applicants to a new area where they can research and apply for over 500 Post Leaving Certificate (PLC) courses. www.apprenticeship.ie will bring students to an information and guidance resource for apprenticeships. This development is a very welcome step forward.

SOLAS intends to continue working with the CAO in the coming years to further develop this and it is hoped that there will be more integration of CAO courses, FET courses and Apprenticeships on a single portal in the coming years.

The current position is that

- 1) CAO will accept applications for courses in Irish Higher Education Institutions only
- 2) Applicants will be able to apply online for individual FET courses via the new page on www.fetchcourses.ie. They will be able to set up a fetch courses account to do this on the FET website.
- 3) The requirements for Post Leaving Cert (PLC) courses will be as per previous years.
- 4) The application process for PLC courses - interviews etc - will also remain the same. Upon submission of an application, students will be contacted by their selected PLC course provider and arrangements will be made with them directly.
- 5) For apprenticeships, the starting point will continue to be finding employment with an approved apprentice employer. A new page on the apprenticeship website, www.apprenticeships.ie, will provide guidance on how to do this and also a freephone number for further advice.

AWARD FOR CASTLEISLAND COMMUNITY COLLEGE

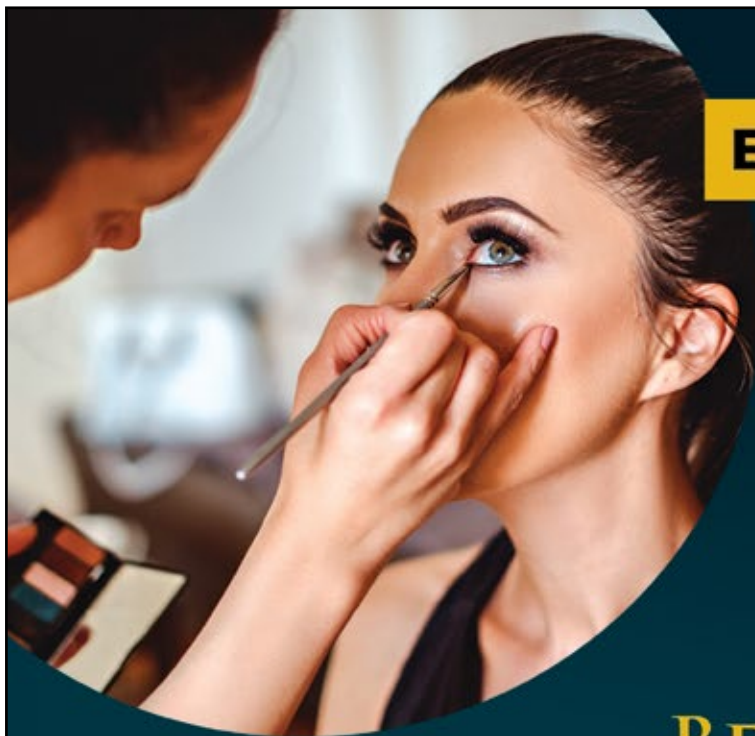

Castleisland Community College has received its fourth award as an Ambassador School, as part of the Cycle Against Suicide Schools' Programme. The student council in the school along with the career guidance/counsellor Juanita Lovett were instrumental in the school receiving this award. The Ambassador School Programme provides a framework for schools to integrate mental health activities into the school plan. It includes activities like Wellbeing Week, First Year Induction Programme and Mentoring.

The school has undertaken many activities to promote positive wellbeing for students such as the very successful Capanalea Outdoor training session last year. All Junior Cycle students over the course of a week enjoyed a day of orienteering, team building skills and fire camp skills. The First Year Induction Programme helps first year students to make the transition to secondary school. Transition Year students are presently undertaking a mentoring programme with Tim Nolan who is the Kerry ETB Wellbeing Officer.

FR. KEVIN McNAMARA LOOKS BACK AT THE RECENT GLENFLESK PARISH CONCERT

October can be a lovely month. The ground is covered with colourful leaves, but there is a hint of Winter to come. Sometimes we dread its coming, although it has its joy, too – cosy fires and beauty of occasional sunshine. This October brought us the joy of enjoying live entertainment for the first time in 24 months.

On Monday 25th October in the Ballroom of the magnificent INEC, Glenflesk had its first Parish Concert. What a night, what a celebration! I was overwhelmed, touched and utterly delighted at the fantastic turnout and the huge response of the generous support for our Church Maintenance Fund. The final tally isn't available yet as generous contributions are still coming in. Sandy Kelly and her wonderful guests Gerry Guthrie and Lorraine McDonald gave us a most memorable and enjoyable Concert. Sandy told us that it was her first gig for two years, what a gig – what a comeback. All who attended were in high praise of what was called 'Freedom Concert' as an evening of conversion to our new beginnings – the road to 'de-mask us!!'

Monday evening Glenflesk Parish and all the Parishes I have served in Kerry were well represented. I was humbled, blessed and deeply encouraged by such fantastic support. Delighted too that many of my colleagues in Priesthood were present too. It was an evening of lovely joy and one I will never forget.

Patrick O'Donoghue and his brilliant team were simply fantastic in having everything run so smoothly and were fantastic from the word go

in accommodating the Concert.

"Thank You" is one of the shortest phrases in the English language but the gratitude it expresses can often be profound. These anonymous lines are most appropriate in the light of the Concert.

*"Thank you", is something people say
For kindness that came their way
Thoughtful things that others do
Things that mean "I thought of you"
"Thank you" means that someone shared,
Someone loved and someone cared;
It means that someone had a part
In lightening someone else's heart"*

A huge "Thank you" to one and all whom made October 25th a very special day for the Parish of Glenflesk. It's a day I will never forget.

Sandy will be bringing out a book and a CD shortly, when these are released we will let you know. As Sandy alluded to, this was her first time on stage in two years, what a brilliant comeback, well done Sandy! You and your guests gave us a super night.

Fr. Kevin.

DIANE'S DREAM BECOMES A REALITY WITH HER NEW CAREER

A new driving school is taking students under the tutelage of Driving Instructor Diane O'Leary.

The East Kerry School of Motoring was a dream that Diane turned into a reality and she is now offering lessons for beginners, pretest refreshers with flexibility times including weekends. There are gift vouchers available ideal for Christmas presents.

"During lockdown similar to everyone else I found myself having so much time to think about the future I wanted for my family and I. The idea of opening up our very own driving school quickly took off with a lot of hard work and dedication I was qualified in early April. I cannot describe how much I love what I do. Empowering people to gain independence while starting their driving experience makes me excited for each and every

working day", Diane told Killarney Outlook.

The ethos of East Kerry School of Motoring is to strive for the best driving. Ensuring our roads are safe for everyone while I assist my students to accomplish their goals of passing their tests", she added.

"I strongly value inclusion. I offer a niche driving service as I can communicate and teach D/deaf and hard of hearing individuals. This motivates me to build and grow East Kerry School of Motoring to allow me to travel further and offer this service at a larger scale", Diane said.

HR Buddy, the human resources consultancy firm, have announced an expansion of their services. This follows the highly successful launch of HR Buddy online, Ireland's first HR solution portal, earlier this year.

Headquartered in the RDI Hub, Killorglin, Co. Kerry, HR Buddy was established to provide HR & Payroll Solutions to Irish SMEs. The online HR portal was launched in 2021 having initially provided traditional HR consultancy since 2017.

We feel that now is the right time to scale up our business even further, given the needs and supports that businesses are seeking through our HR consultancy.

The rapid growth of the business over the past twelve months has resulted in the demand and need to provide extra services such as Health & Safety, Manual Handling, First Aid, HACCP Training etc. Training of Remote working Teams, implementing Clocking & time & attendance systems in workplaces and so on.

We found that more and more clients were seeking other training, compliance and performance management solutions. Damien McCarthy continued: "In a post-pandemic world where hybrid working is a reality, it will be vital for businesses across Ireland to have the right HR support in place. We believe that HR Buddy is ideally placed to capitalise on this and grow over the coming years."

Small firms of 50 or less employees make up 98% of Ireland's businesses. HR Buddy aims to ensure that no businesses are left out or at a disadvantage when it comes to effective & proactive HR & People Management.

135TH ANNIVERSARY OF DR. CROKES

With plans to mark Dr Crokes 135th Birthday on hold due to Covid, Eamonn Fitzgerald looks at key moments in the club's history to mark the occasion which was on Tuesday November 2nd 2021.

Background on Dr Crokes GAA

- Dr Crokes founded at Fair Hill, Killarney, November 2, 1886
- One of the oldest GAA clubs in Ireland, founded just 2 years after the founding of the GAA at Thurles in 1886.
- The founders were 19 men, who were termed 19 Dangerous Dreamers by Canon Tom Looney an eminent historian and club vice-president.

Founding members

Jack Crowe, Paddy Crowe, Con Courtney, Denny Courtney, Jim Gallagher, Jim Gallivan, Mick Gleeson, Con Guerin, Dan Guerin, Jack Kissane, Martin Kissane, John Langford, Mike Looney, Jim McGuinness, Michael Moriarty, Maurice Moynihan, Jim O'Leary, Michael O'Sullivan, Bob Roberts.

• Michael Davitt, founder of the Land League informed a meeting in Castleisland 1885 that 1,600 families in Kerry had been evicted in the previous 3 years. The Irish Land League leaders were doing their utmost to undo these wrongs and there were 8 branches of the Land League on the Kenmare estate (Killarney) alone. Killarney was in turmoil and evictions were common occurrences. Hence, the founders met in candle light secrecy to found the club at Fair Hill.

• Andy Mulcahy, a native of Kilkenny and a sterling Gael was a charge hand at the Gas Works, the property of the Rail Company at Fair Hill. He provided a room for the meeting beside where the Outlet Centre now stands and warned them that they would have to conduct business only with candlelight, to avoid the notice of the RIC.

Challenges

Dr Crokes faced many challenges in its fascinating 135 year journey, but it survived the Evictions, the Land Dispute, the Spanish flu, the 1916 Rising, the War of Independence, the bitter Civil War, two World Wars, the TB and Polio scourges and now the Covid-19 pandemic, which challenges every one

worldwide. Through it all Dr Crokes survived both on and off the field.

Achievements

Dr Crokes have won more Kerry SF c'ships (13) than any other club, followed by Austin Stacks, while East Kerry have 8 titles.

Dr Croke club players have won well in excess of 100 All Ireland senior football medals. Topping the list to win the Sam Maguire with Kerry was Dr Crokes' Paul Russell, Mangerton View, an outstanding wing back. Dick Fitzgerald and Colm Cooper won 5 each. Cooper also won 7 All Stars and is a selector for the present Croke senior team along with fellow Croke and Kerry star Eoin Brosnan. Club players, Tony Brosnan, Gavin White, Mícheál Burns, David Shaw have been members of the Kerry senior team for the past 3 years and will be hoping to feature in Jack O'Connor's new Kerry team in 2022.

• Kerry last won the Sam Maguire in 2014, jointly captained by Dr Croke stars, Fionn Fitzgerald and Kieran O'Leary. Gooch also collected his 5th medal. Crokes were Kerry county champions in 2013, so they had the nomination of the Kerry captain for 2014.

Dr Crokes Ladies' Football

• Croke Ladies' football teams are having their most successful year ever, winning district and county titles in different age groups.

Kerry titles in 2021 - winners of the

U15 & U17 County Championships

Dr Crokes ladies on the Kerry teams in 2021 included;

Senior - Kayleigh Cronin

Minor - Holly Power

Under 16 - Laura O'Shea & Leah McMahon

Under 14 - Sarah Cooper & Síofra Randles

Dr Crokes Senior player and former Kerry star Amanda Brosnan represented Ireland in the inaugural AFL Clover Cup in October

Dr Crokes Hurlers

• For the first time ever Dr Crokes played Kerry Division 1 league and c'ship having been promoted after winning the Kerry 2020 Intermediate c'ship. With several players who won All Ireland Division 2 league and Under 20 c'ship titles they were well in contention

for further honours.

Academy

• The Saturday morning Academy for juvenile boys and girls hurling and football Under 6 to Under 11 has attracted huge numbers, staffed by excellent coaches. That finished for 2021 last week and will resume in March 2022. Average attendance on Saturday mornings was 165 children.

Focus

• The main focus of the club for November is the Kerry SFC. Next game is on Sunday next November 7 @ 12.45 pm V Templeogue at the Fitzgerald Stadium in the quarter final of the Kerry SFC. The ever popular Bingo is back at St Mary's Parish Hall every Sunday night at 8.30 pm. Doors open from 7.30 pm

Card Games

• The regular Wednesday night Card Games of 31 organised by Fr Paddy O'Donoghue have not restarted since Covid began 2 years ago. They will re-commence when it is safe to do so.

Matt O'Neill, chairman of Dr Crokes said,

"The past two years have been very challenging for the whole country due to Covid restrictions and club activities have not still been back to full capacity. KERRY BUSINESS TRANSFORMED BY VIRGIN MEDIA BACKING BUSINESS CAMPAIGN

Pictured at the announcement are: Emma Carmody and Marjorie Cunningham from Grounded Pottery in Tralee, Co Kerry with Robert Troy, Minister of State for Trade Promotion, Digital and Company Regulation.

Grounded Pottery, a Tralee-based company, founded by Marjorie Cunningham and Emma Carmody, has been chosen as a winning applicant of the Virgin Media Backing Business initiative. The initiative has helped them develop an ecommerce website to expand their online business allowing even more people to access their hand-thrown, ceramic reusable Travel Cups with designs inspired by the Irish countryside. Grounded Pottery have social channels on Instagram @grounded.pottery and Facebook @groundedpottery.

Five Munster businesses were selected as winners of the Virgin Media Backing Business initiative and received a total of €100,000 in support and have benefitted greatly from the expertise and insights of each of the Virgin Media 'Backing Business' partners including Digital Business Ireland, Milk Bottle Labs, Permanent TSB and their Local Enterprise Office.

Virgin Media and its partners will continue to mentor and support each of these businesses as they continue on their journey to offer the best digital e-commerce platforms and solutions for their customers.

Speaking about the transformation Emma Carmody from Grounded Pottery said: "We hand make travel cups to encourage our customers to live more sustainability and move towards a more circular economy. With the addition of our new website to our online offering, more like minded consumers will be able to 'Feel the Difference' of the craftsmanship of our pottery cups, and 'Make a Difference' to the environment by avoiding unnecessary waste of single use cups."

Marjorie Cunningham from Grounded Pottery added "I enjoy the creative element of designing our Travel Cups, and our website allows us to offer unique ceramic pieces to our customers, that are functional and portable."

NEW ROLE FOR TOMMY WALSH

OF CDS LAW & TAX WITH ELECTION TO COUNCIL OF IRISH TAX INSTITUTE

TOMMY Walsh may have put his Kerry jersey away, but the Head of Taxation at CDS Law & Tax LLP is playing a more central role for his firm after being elected to the Council of the Irish Tax Institute.

The All-Ireland Senior Football winner will serve on the Council which oversees the strategic governance of the leading representative body for Ireland's Chartered Tax Advisors.

Tommy Walsh, who operates from the CDS Law & Tax Office in his native Tralee, said: "I was elected to the Council of the Irish Tax Institute in June and took up my appointment in September. It's great for the firm to have some representation on the Council in County Kerry. My involvement on the Council will provide me with an opportunity to be involved in the strategic direction and governance of the Institute and provide a forum for local lawyers, accountants and tax professionals to make representations through me. Through my involvement on various committees, the make-up of which will be determined in the coming weeks, I expect to work closely with other Council members by discussing matters that we're seeing and experiencing within the industry. I'm very much looking forward to my tenure with the Council."

Tommy Walsh is an AITI Chartered Tax Advisor and his undergraduate qualification is in Construction and Management which he has used as a grounding to develop his tax career. Whilst playing professional football in Australia he strengthened his knowledge by gaining further university qualifications in commerce. He announced his retirement from inter-county football with Kerry last month and he said he is looking forward to developing the potential for CDS Law & Tax to deliver a quality service to businesses in the Kerry/Cork region.

"By retiring from inter-county football, it obviously gives me a bit more time from week to week. We've recently opened a CDS Law & Tax office in Denny Street, Tralee and I will have more time to drive that. There's a lot of business in Kerry, probably unbeknownst to people, so I think we can provide that market with a really good quality service. We're a one-stop-shop: you come in for your commercial activities and we've a taxation side of the house as well. We're hoping to expand all over Kerry and having our base in Tralee and the quality of personnel that we have here, makes it an exciting time for the firm.

"I decided to retire from inter-county football because of age predominantly I suppose."

Unfortunately your body starts to creak a bit when you go past 30, but I have had a very enjoyable career. I was in and out of the Kerry scene obviously and I enjoyed my stints in there. There were many highs and lows but I just felt that it was my time."

ERIKA APPEARS IN TV SHOW UNDERDOGS

.....

TG4's legendary GAA series Underdogs is back and for 2021 and this year it is the turn of the Ladies - with talented Fossa GAA Player Erika McGlynn taking part in the show.

Adare Productions and TG4 have brought together a squad of ambitious women with enough drive, skill and passion to take on one of the country's greatest Ladies Gaelic football teams.

In the past Underdogs has launched the careers of a number of All-Ireland champions, not least Kerry powerhouse Kieran Donaghy and Cork's Pearse O'Neill. Episode one, which saw the management team begin their quest to whittle hundreds of hopefuls down to the final panel, aired last night Thursday at 9.30pm on TG4 and will continue every Thursday for the duration of the series.

TIME FOR SPORTS CLUBS TO **APPLY FOR FUNDS**

Sports clubs in Kerry are being called on to apply for funding under this year's second Texaco Support for Sport initiative.

The clubs are being asked to register their interest ahead of the December 31st deadline by which actual applications should be made.

The scheme – which is open to sports clubs irrespective of sporting discipline, size, membership, age, cultural appeal or gender – is one in which €130,000 is set aside for distribution in 26 equal amounts of €5,000 to successful applicants on a county-by-county basis.

Last year, the first year of the scheme, the successful Kerry applicant was Inter Kenmare Football Club whose €5,000 funding award was sought to carry out what the club termed 'vital repairs' to the access road at its grounds in Kenmare.

Amongst those from which new applications will be welcomed are clubs whose application may have been unsuccessful last year.

The presentation to young Inter Kenmare Football Club members Orla McSwiney, Mya Granville, Ronan Hussey, Matthew Myles, Eli Granville, Jack Moore and Alan O' Sullivan was made at a private ceremony held at the Club's grounds in Kenmare. Pictured with them were Texaco dealer, Seán Heaphy (left) from H2 Group, with Valero Area Sales Manager, D.J. Fleming (second left).

CALL FOR MINISTER FOR RURAL IRELAND

A Fianna Fáil Councillor in Kerry has questioned the forward thinking and initiative of those in charge of our electric power supply, when year after year, at the first hint of high winds, homes and businesses are cut off and technicians are forced to go out for repairs in dangerous conditions.

"The South and West coast of this country is well known for its strong winds and storms and it is puzzling to me that there never has been a mention of under grounding in such areas" stated Councillor Michael Cahill, Deputy Mayor of Kerry County Council and Cathaoirleach of Kenmare Municipal District.

"If Dublin City was located in Iveragh on the edge of the Atlantic, these options would have been researched and funded years ago. It is high time this annual power outage, usually at the darkest and coldest time of the year, is put to bed so to speak" said the Rossbeigh based Councillor.

"A Minister for Rural Ireland may be required to be appointed before the residents of our country areas can see themselves getting a fair crack of the whip in comparison to city dwellers" added Councillor Cahill

TANDOORI CHICKPEA CAKES ON A BED OF ASIAN GREENS

For the Tandoori Chickpea Cakes

2 tbsp rapeseed oil
1 red onion chopped
220g sweet potato (peeled weight)
1.5 tablespoon tandoori curry paste
1 clove garlic crushed
1 tin chickpeas drained
1 tablespoon frozen coriander
40g panko vegan breadcrumbs for coating
Salt to season

For the Bed of Asian Greens

½ a sweetheart cabbage thinly shredded into strips
1 teaspoon sesame oil
1 teaspoon chopped garlic cloves

Firstly peel and chop the sweet potatoes and boil for about 7 minutes drain them and mash them and set aside until needed. In a large pan put 1 tablespoon of the oil, the onions and the tandoori curry paste fry for about 7 minutes on a low heat until the onions are nice and soft. Add the garlic and stir then add the chickpeas and frozen coriander and mash the chickpeas down into the pan until they are broken up. At this point take the pan off the heat and add it to the cooled mashed sweet potatoes. If necessary mash another bit to make sure chickpeas are all broken up. Then put your panko breadcrumbs on a large plate and mould the potato and chickpea mixture into little balls and flatten them out (I made 10 with this mixture). Press the rounds onto the panko breadcrumbs and in a pan with the other teaspoon of oil fry on each side for about 3-4 minutes or until golden brown. For the Bed of Asian Greens put the teaspoon of Sesame oil in a wok and heat to high add the garlic and shredded cabbage and fry for 3-4 minutes on high heat stirring regularly so it won't burn. Now put the cabbage on your plate and place your Tandoori Chickpea Cakes on top.

If you like my vegan recipes I would be delighted if you would join me on my Instagram @vegan_shares hope to see you there. Sarah

CONNECTING IRELAND - RURAL MOBILITY PLAN

HOP ON
HOP OFF

The National Transport Authority has today launched 'Connecting Ireland - Rural Mobility Plan' and one Kerry Councillor is extremely happy to see proposals that he put forward through Kerry County Council, being included. Councillor Michael Cahill of Fianna Fáil has previously proposed a 'Hop on, Hop off' service on the Ring of Kerry route along with a two way route and these have been included in the launch information.

The Plan includes 'New two-way hop-on/hop-off services on the Ring of Kerry, connecting Killarney, Killorglin, Glenbeigh, Caherciveen, Waterville, Sneem and Kenmare'.

"I put forward a 'Hop on, Hop off' and two way route system as a way to make this service more user friendly and it is very reassuring to me that the National Transport Authority has taken my recommendations on board" stated a smiling Councillor Cahill.

"Announcements like this let me see that it is possible to make a difference" said the Deputy Mayor of Kerry County Council and Cathaoirleach of

Councillor Michael Cahill

Kenmare Municipal District.

"The plan aims to increase connectivity, particularly for those living outside our cities and towns and I see this as major step forward. Journeys on Public Transport within the Ring of Kerry to date, could be complicated to arrange, but his will be a big help" said the Rossbeigh based Councillor.

"Now it is possible to plan partial journeys, stop off and then continue again. It will also be possible to make return trips within a shorter period of time. All in all, I feel this is a big win for everybody from Kenmare to Cahersiveen, from Portmagee to Killorglin. This concept should also be rolled out for Corca Dhuibhne, Sliabh Luachra and other regions throughout Kerry and provide increased connectivity between villages and towns and on to the larger centres" stated Councillor Cahill.

"It also will be great for all businesses along the route" added the Fianna Fail man.

CONNECTING IRELAND

STATEMENT BY: Diarmaid Griffin
Killarney LEA Representative

Connecting Ireland is a major public transport initiative developed by the National Transport Authority (NTA) with the aim of increasing connectivity, particularly for people living in rural areas. This project is timely as we see our roads getting busier and traffic a regular occurrence in Killarney and throughout Kerry. 'The public transport in rural Ireland is not fit for purpose and I am glad to see that the NTA realizes this.' An alternative to the private motorcar is essential to those that don't drive, can't drive or choose not to.

'There are eleven local route proposals and four regional corridor proposals. Some of these are new routes while others are improvements and extensions of existing routes. 'I particularly welcome the addition of a two-way Ring of Kerry Loop to replace the 279A and 285 routes. This is an improvement in service to the popular and magnificent South Kerry Region with a minimum of five return trips to and from Killarney each day. As a Tour Guide, I am aware of Visitors to Killarney, particularly younger adults, that are curtailed from visiting the Iveragh Peninsula due to not having a

car. This improvement will be of huge benefit to walkers on the Kerry Way and South Kerry Greenway also.'

In Killarney, traffic is a daily occurrence at all times of the year. For Killarney to continue as an attractive destination, our transport needs to be diverse. The Connecting Ireland Plan along with the new cycleways earmarked for the town will assure a healthier, greener and more pleasant town to visit well into the future.

The public can still have an input on the proposed routes and more information can be found here.

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

WHEN CAN YOU ACCESS YOUR PENSION & WHAT ARE YOUR OPTIONS WHEN YOU WANT TO RETIRE?

You can normally get access to your pension from age 60, a lot of the rules depend on whether you are an employee or self employed. If you are coming close to retirement then you are probably wondering what options you have when you want to get access to your pension. It depends on what type of pension you have but generally there are four options:

Tax Free Cash: Most people will be entitled to a tax free lump sum, the amount varies however generally you will get at least 25% of the value of your pension in a tax free cash lump sum.

Taxable Cash: You may also be able to take sum of your pension in taxable cash.

Annual Pension: This is a guaranteed income usually paid monthly for the rest of your life that is purchased with the money left after your tax free lump sum, this is subject to taxation.

Approved Retirement Funds: You may be entitled to keep some of your money in an approved retirement fund, money can be taken from the fund to give you a regular income, usually monthly. This is subject to taxation also. Taxation at retirement is often much lower than when you are working.

It is extremely important that you take your time and have all the options explained to you in plain simple English and that you understand all your options clearly before you make your final decision. As well as the above there is much more to be discussed about your pension. You should discuss your retirement options with a financial advisor who has access to a number of different pension providers before making any decisions, he or she will help you with the above options and any other queries you may have.

To discuss the above or any other matter Dermot Cronin QFA can be contacted at 0646622775 or dermotcroninifa@gmail.com

Life, Inspiration & Body Confidence Coach/Author

CHOOSE TO THINK FABULOUS THOUGHTS!

I, like many other people went through much of my life believing certain thoughts about myself. Thoughts, that when challenged I discovered not to be true.

Thoughts and beliefs that were handed to me during my early childhood years from my family and significant figures in my life. And, whilst some of these beliefs were positive, uplifting and supportive, there were many that were fearful, limiting and hurtful.

We are the CHOOSERS of our thoughts!

The biggest realisation and "Ah ha!" moment of my own life was to realise that I am not my thoughts. I am the CHOOSER of my thoughts! So many people today are still carrying around old worn out unhelpful and self-limiting opinions about them from the past. They are acting as if the things that they learned in childhood about themselves are still true today. They may be successful in many areas of their lives but whilst they still believe that maybe they're not really good enough, smart enough or beautiful enough, they will never be happy.

Begin again in every new moment

As a child we don't get a say in how our environment is created or the messages we are given about ourselves. However, as adults we get the chance to begin again and re-parent ourselves in the way that we want. We get to choose which thoughts and beliefs are helpful and we make these our focus.

I don't believe in blaming the past or our parents for what we took "on board." Many times, our caregivers were also the product of their own upbringing and were simply doing their best. However, I do believe in taking responsibility for our own lives and where we are now. It is never too late to begin again... it is never too late to be the person you always wanted to be. Think thoughts that inspire, uplift and encourage you!

WHAT
WOMEN
WANT

answers your beauty questions...

Is it better to keep my cleanser, serum and moisturiser in the fridge?

Most skincare products are designed to be used at room temperature unless stated on the packaging. Sunscreens, oils or rich creams could solidify and separate if you put them in a fridge. Any water-based products like toners, facial spritz or gels feel amazing when colder. To reduce puffiness and brighten tired eyes use your eye gels/serums from the fridge. Active ingredients like vitamin C must be kept out of sunlight and could benefit from a cooler temperature to keep ingredients stable.

All masks especially sheet masks are more anti-inflammatory and tightening when kept in the fridge. The refreshing feel of these cold soothing masks can transform your weekly home facial into a spa like experience. Facial rollers like Rose Quartz or Jade work best when chilled to boost lymphatic drainage and give a more

sculpted feel to your skin.

Skincare fridges have become popular as people love the chilled, refreshing feel of these products on their skin.

Beauty Mini Fridge's from €69.99 are lightweight, portable and can be used in the car when travelling or double up as mini fridge for student rooms or offices to keep snacks cool.

B WELL GOLF TIPS

B Well Fitness Club has recently expanded into B Well Golf. Celebrating the launch of our indoor golf simulator, B Well Golf would like to share some info about the benefit of using indoor Golf Simulators.

One of the most common frustrations of the modern golfer is not the inevitable bad shots or the slow pace of play, it's that they simply cannot golf as often as they like. Whether it's lack of time, poor weather or something else, it's just not easy to get that regular play time. The popularity of indoor golf simulators has been rising, and for good reason. In this post we've compiled the most popular reasons a golf simulator is a great choice for every golfer.

1. Avoid Rain Delays

The most obvious benefit of an indoor golf simulator is that it gives you the freedom to golf year round in any weather. There's no need to put the clubs in storage for those cold & wet winters or too-hot summers.

2. Tee time is on your time

Don't let your busy or unpredictable schedule jeopardize your play time. A simulator gives you the flexibility to play a round of golf at any time of the day, or night meaning you're no longer at the mercy of course hours or day light hours. Also simulators cut out the course walking time so you get straight to your hole which gives you more time to focus on your shots. This time saving play time is a must for all busy golfers.

3. Level up

Off season practice will help you improve your golf swing and get you in winning position for next season on the course. A simulator golf practice is great for any skill level, allowing you to work on whatever technique it is that you want to improve. Depending on the package you choose from B Well Golf, eg the driving range or our vast worldwide course selection, the feedback you get will likely be even more helpful than what you can learn from golfing an outdoor course, helping you quickly improve your game.

In summary, simulators are a convenient and inexpensive way to improve your golf game. You'll find that you can fit in more practice time while gaining the insight necessary to better your swing. Set yourself up for your best game and book your B Well Golf session today. B Well golf also has supervised Caddy options & Certified TPI trainers to help with your game. THE OPTICAL SUITE

DIARMUID O'SULLIVAN OPTOMETRIST

- Formerly Stack O'Brien -

DRIVING AND VISION

It is important that you can see clearly to be able to drive safely. Conditions that may affect your visual field and driving include strokes and brain tumours, as well as eye conditions such as diabetic retinopathy and glaucoma (if you have them in both eyes).

Make sure you have regular sight tests and if your optometrist tells you that you must not drive, you must stop all driving immediately. Driving when you are medically unfit to do so is a criminal offence, and you may be prosecuted if you are involved in an accident.

Driving glasses

If you have been advised to wear glasses for driving, make sure you wear them, even for short trips – and keep a spare pair in the car. Choose glasses with thinner sides for driving as they won't block your side vision as much as thicker ones. If you wear contact lenses, keep a pair of glasses in the car in case you need to take your lenses out. Even if you don't need to wear glasses all the time, you will probably find they are particularly helpful when the lighting is poor, and for driving at night.

Headlights of oncoming traffic can be dazzling when you are driving at night or in poor weather conditions. Special driving lenses designed with a specially-developed glare filter and a contrast-enhancing

filter can help reduce reflections and uncomfortable glare from oncoming traffic.

If glare is an ongoing problem for you, make sure your windscreen and headlights are thoroughly cleaned and free from grime and dirt. If you wear glasses, and don't forget to keep them clean too. If you find that problems with glare at night persist, make an appointment to have a sight test.

Sunshine can be dazzling too, particularly when the sun is low in the sky. If you wear glasses, you may find it helpful to have a pair of prescription sunglasses in the car, or to wear clip-on sunglasses over your prescription glasses. Polarised sunglasses are great for driving in bright conditions. Polarised lenses are lenses with a special built in filter to reduce glare and improve vision in bright conditions

For more information and honest advice contact us to arrange an appointment.

SPA

➤ **CO CHAMPIONSHIP RD1 SPA V LEGION**

The hotly anticipated derby in Fitzgerald Stadium on Saturday afternoon in the opening round of the 2021 Co Championship was a nerve-wracking affair as Spa and Legion went toe to toe for over 90 minutes. A cruel way for it to end, but with the sides level a total of nine times during the game, they couldn't be separated in normal time or in extra time, so the game went to penalties, and from there to sudden death, Conor Keane kicking the winner for Legion.

Within seconds of the throw in Legion were bolting towards goal and although their first effort went out to the left, Jamie Sullivan quickly landed a free to open the scoring. He added another shortly after before Evan Cronin got Spa on the board in the fifth minute. Eoghan O'Sullivan kicked the third point for Legion but Spa soon levelled the play, Mike Foley and Evan Cronin with two frees to make it 0-3 apiece after just ten minutes. Legion edged in front again as William Shine called a mark and converted and James O'Donoghue added a free to make it 0-3 to 0-5 at the first half water break.

As play resumed, well taken points from Niall McCarthy and Dara Moynihan soon levelled the game again at 0-5 each. Mike Foley put over the sixth Spa point and some good opportunities for Spa followed before half time, two efforts just wide of the post and a great goal chance worked between David Spillane and Dara Moynihan came back off the upright. At the half time whistle Spa had the narrowest of leads at 0-6 to 0-5 but both teams would rue several missed chances during the first half.

When the second half began, Mike Foley had a great run forward and played to Cian Tobin who split the posts. However, it was quickly cancelled out as Jamie O'Sullivan kicked over another free for Legion at the other end. Evan Cronin scored a beautiful point for Spa but the Legion midfielder quickly responded again, his shot bouncing off the crossbar on its way over. An Evan Cronin point at the end of the third quarter made it 0-9 to 0-7 at the second half water break.

Legion got that crucial goal in the 48th minute, a high ball dropped into the goalmouth with Pdraig Lucey waiting inside to knock it into the Spa goal. Spa replied immediately with another Evan Cronin point to level the game at 0-10 to 1-7 with just ten minutes remaining. It was back and forth for the final few minutes, both sides wide of the target on a number of occasions, before Legion who took the lead in the 59th minute from a Conor Keane point. Spa kept battling and Cian Tobin levelled the game in the 65th minute to bring it to extra time, the game finishing Spa 0-11 Legion 1-8.

The first half of extra time was again nip and tuck, James O'Donoghue edging Legion in front but Evan Cronin equalising. Then a lovely Dan O'Donoghue point edged Spa in front, but Conor Keane brought the game back level yet again, still nothing between the teams at half time in extra time, Spa 0-13 Legion 1-10.

Rob Leen pointed the next one for Legion but yet again Evan Cronin, with a brilliant point, brought it back level. Jonathan Lyne, with a lovely long range effort, had his point quickly cancelled out by Spa's Niall McCarthy. And finally, Billy Maguire's late point was followed with an Evan Cronin score deep in injury time, Evan's eighth point of the day.

And so, it would be penalties that would decide a winner. Five players from each side lined up - Spa's Shane Lynch, Evan Cronin, Dara Moynihan, Mike Foley and Cian Tobin and at the other side Legion had Conor Keane, William Shine, Chris Davies, Brian Kelly and Darragh Lyne. After the first five penalties, it was still level as they both scored 4 out of 5. In sudden death,

Spa members with the East Kerry minor team that won the Co Final last weekend Jack O'Sullivan, Luke O'Neill, Rian O'Neill, Timmy Moynihan & John O'Neill (selector)

Conor Keane scored the winner for Legion.

Well done to our senior panel and to our management team of Ivor, Brian, Kieran, Neily and Arthur who have, over the past few weeks, completed the 2020 Intermediate Championship and made the immediate step up to 2021 Senior Club Championship and then on to 2021 County Championship. COUNTY MINOR FOOTBALL CHAMPIONSHIP FINAL

EAST KERRY 0 – 18 MID KERRY 0 – 6

After 15 minutes of this final, many may have thought a shock was on the cards. East Kerry, looking to become champions for the sixth year in a row, were off the pace. Struggling to break down Mid Kerry's packed defense, shots were falling short, and passes were mislaid. Mid Kerry had opened up a three point lead, with scores from Brendan Casey, Mikey Moriarty, and Jason O'Connor. O'Connor's effort could easily have been a goal, with his shot barely going over the crossbar. They were defending with discipline and breaking with speed. Just as the water break was about to arrive, Darran Ryan's effort hit off the post, and went over. They had survived the sluggish start only two points behind. Now was the time to push on.

Sam Benson and Harry Kelly converted frees to bring the defending champion's back level. Then Mike Dennehy's precise pass was marked by Mark O'Shea. He converted the resulting kick to give his side the lead for the first time. Frees from Conor Spillane and Darragh O'Connor brought Mid Kerry back level as half time approached. Kelly's free just before the half time whistle blew, left East Kerry ahead by one as the side's headed for the dressing room. From here East Kerry took complete control of proceedings. Center forward O'Shea was becoming more and more influential. He opened the scoring with a sweet strike early after the resumption. Captain Dara Callaghan then showed his strength to shrug off the challenges and find the target. Benson then kicked another great point. One of the scores of the day then arrived. From Brian McCarthy's kick out, Fionn Murphy made a good catch. The ball was moved quickly forward. Corner forward Stephen Palmer burst in along the end line, finding the target with his left foot from a severe angle. As Mid Kerry were pinned in to their half, East Kerry stretched their lead to nine points at the second water stoppage.

Mid Kerry were now desperate for goals. Goalie McCarthy made one great save to deny them, before wing back Rian O'Neill launched himself in front of another goal bound effort. Man of the match Kelly then kicked his fourth point of the day. Mid Kerry finally registered their first point of a half, from a free by Spillane. Timmy Moynihan's free as time expired, was the last score of the day.

After the drama of last weekend's semi-final, this did not have tension. Mid Kerry came out firing at the start, but did not make their early superiority count. When East Kerry settled down, they played the football they were capable of and had too much class for their midland opponent's. After Captain Dara Callaghan collected the Frank King Memorial Cup, I asked him his thoughts on the game. He said sometimes the team started matches "slowly". He had faith though that when they got going, the "hard work" they put in and the talent in the group would see them prevail. He also thanked the management for creating the environment needed to succeed. Commiseration's to Mid Kerry, and congratulation's to East Kerry for keeping this astounding winning record going.

KERRY COUNTY CHAMPIONSHIP ROUND 1 AUSTIN STACKS 1 – 7 EAST KERRY 1 – 5

After two years of dominance, East Kerry's reign as County Champions ended on a wet and windy night in Tralee, against a hungry Austin Stack's side that brought a cohesion and drive to the battle, that saw them survive a late charge from the champions.

With the wind at their backs in the first half the Tralee men came out fast and opened the scoring when center forward Fiachna Mangan shot over from far out. Mangan doubled the lead after being set up by the ever green Kieran Donaghy. Full back and Captain Dylan Casey then came forward to fire over a huge score from long range. There start could have been even better, with Donaghy hitting the post after rounding Brendan Kealy, and only a last ditch goal line clearance from Paul Murphy prevented another goal. Darragh Roche's free eventually got East Kerry on the scoreboard after their sloppy start.

David Clifford stroked a free over against the wind to bring East Kerry back to within one point. Stacks though were still the dominant team. Goalie Wayne Guthrie left the net unguarded to convert a 45, before Donaghy's

long range point brought a huge roar from the Rockies fans in attendance. More chances were spurned though, so East Kerry would not have gone in at the break too demoralized, only being three points down, playing against the elements.

East Kerry missed with two early second half efforts to reduce the deficit, and then Stacks patient build up created a chance for Jack O'Shea to fist over a point. Soon after they struck for what looked like the game ending goal. Nice build up play again put midfielder Joseph O'Connor into space. His shot was too hot for Kealy to handle, and the East Kerry cause looked hopeless. A red card to Niall Donoghue made the hill they had to climb even steeper, with Stack's possession game taking them to the water break with a seven point lead.

East Kerry got two quick scores from a David Clifford free and a Paudie Clifford 45. O'Shea grabbed his second score in reply, and as the clock passed 60 minutes, the game looked over. David Clifford was then sent from the field to leave them to finish with 13. Like all champion team's they kept going, and found a glimmer of light through an exceptional goal. With all the Stack's players behind the ball, Paul O'Shea let rip a shot that flew past a flood of bodies and into the top corner of the net. Paudie Clifford pointed straight from the kick out, and the margin had been brought back to two. One final ball dropped in around the square, but it was caught by black and amber hands. With that the final whistle went, and the back to back champion's had exited at the opening stage.

Austin Stacks deserve full credit for this win. On a day where pretty football was not on the agenda, their game plan got the results it deserved. They move on with a great chance of adding the County Championship to their recent Club Championship win. For East Kerry this defeat will hurt, as the performance they produced was miles below what they are capable of. Never the less that is knockout Championship football. Some day's it just doesn't go right for a team. They have been outstanding Champion's, and will be back in the frame next year again, no doubt.

OUTLOOK BASKETBALL

DISAPPOINTING RESULT FOR SCOTTS LAKERS

SCOTTS LAKERS ST PAULS 72 PORTLAOISE PANTHERS 100

Save for two brief periods, halfway through the first quarter and third quarter, this was a game that visitors to the Castleisland Community Centre, Portlaoise Panthers, were always in control of and one they never really looked like losing. Australian Nelson Larkins, ably assisted by Luke Thompson, just had too much savvy for a disappointing Scotts Lakers side who again looked at odds with a bigger, more physical side. This was most emphasised by the presence of towering former Irish International Conor Gallagher who stamped his authority under the boards at crucial times when it looked like the Lakers might just get back in the running.

This rearranged Cup tie, originally postponed due to a Covid outbreak in the Portlaoise camp, saw the visitors fly out of the traps and race into a 9-0 lead which then turned into a 12-3 advantage with Emilian Grudov eventually getting the Lakers scoring underway with a three pointer. What followed was probably their most fluid period in the game as Ben Miller, Rui Saravia and Grudov again all drained from beyond the arc as the scores were tied at 16-16 with 1.30 left in the quarter. Paul Clarke was then introduced to combat the aforementioned Gallagher while Lorcan Keane and Dianus Varanauskas saw floor time as the Panthers nudged 22-16 clear at quarters end.

The scoring was evenly shared in the opening minutes of the second quarter as Miller, Saravia and Grudov kept the Lakers in touch, trailing by 5, 33-28. However the Panthers then doubled that margin and pushed ahead 45-33 by half time.

The third quarter saw the best and worst of the Lakers, as they fell 20 behind, 55-35. However they then really got into the groove in the next three minutes as Miller, Saravia and Grudov aided and abetted by Jamie O Sullivan and Senan O Leary started to erode that lead, forcing turnovers with aggressive defence and got real momentum in the game. With the deficit halved to 10, a cracking fourth quarter looked a real prospect but again Portlaoise put on the afterburners and hit everything to open up an unassailable 25 points going into the final period, 80-55. The fourth quarter was played at a pedestrian

pace and a comeback never really looked on the cards as the Panthers hit the ton and the Lakers rallied to a more respectable 72 points.

The Lakers, in their three games to date, have produced some real good quality passages of play and at times played solid defence. The challenge for Coach Lee and the squad is to bring consistency to their game because the ingredients are definitely there.

Top Scorers for Scotts Lakers: Emilian Grudov (27), Ben Miller (22), Rui Saravia (15), while for the Portlaoise Panthers Luke Thompson shot 24, Nelson Larkins (23) while Liam Kinsella and Brendan Butler both hit 11.

The Lakers make a weekend trip to Waterford to face the Vikings with the first home game of the season on the horizon vs UCC Blue Demons on Saturday November 13th.

An excellent start to Killarney Cougars debut in the National Presidents Cup on Saturday evening was not enough to advance in the Cup as the visitors Celtics overcame the early challenge to advance, the Killarney side won the exciting first qtr 26-24 thanks to the three point shooting of Tommy Bowler and Justin Tuason for the Cougars, but Celtic took a grip of the game in the second qtr to lead 54-40 at half time with Andre Wolford 21pts and Rafael Martines 15pts getting the scores to give the visitors a deserved half-time advantage. Cougars struggled to make an impact in the third qtr as the visitors remained in control with some excellent scores throughout the qtr to increase their lead finishing the qtr dominating 83-54 ahead. Cougars had the better of the exchanges in the final qtr but they could not make a serious impact on the Celtics lead despite the best efforts of Cougars Tommy Bowler, Justin Tuason and Andrew Fitzgerald who were Cougars best performers on the night, the game was generously sponsored by The Laurels Killarney.

CUP DREAMS SHATTERED FOR TEAM GARVEY'S

Team Garvey's St. Mary's bowed out of the cup on Saturday last at the hands of DCU Mercy. The Castleisland side gave it their all but DCU were the stronger side on the night however it was a much improved performance by St. Mary's from when the sides met a week earlier.

Team Garvey's defended well in the first quarter but did miss some shot opportunities. Both sides were accurate from the line, the quarter finished Team Garvey's St. Mary's 13 DCU Mercy 20

DCU increased their lead to 14 by mid way through the quarter until Paris McCarthy hit her first of two threes in the game. The home-side continued to defend well and scores were exchanged throughout the remainder of the quarter. The score at half time was Team Garvey's 24 DCU Mercy 38

DCU put the pressure on in the third quarter. Their man to man defence held St. Mary's to just six points for the quarter while the visitors hit 21, increasing the gap to 29 points as the sides entered a low scoring final 10 minutes.

SENIOR COUNTY CHAMPIONSHIP

Saturday Games

Austin Stacks East Kerry

And there it is. Suddenly, dramatically, the 2021 County Championship is blown wide open. Look, of course I'm from East Kerry and I'm proud of them. That's a great team and a great set of players. They lost Spa players and gained Kilcummin players - that was far from the hardest thing that they had to deal with, and they dealt with everything. Even when they were outclassed and nearing the endgame, they were still defiant. They were giants and unbowed at the finish, and they will be back. But the truth is that an early elimination of the holders and hot favourites blows any Championship wide open, and there's never a bad thing overall.

Austin Stacks deserved this. Deserved it? Be fair, they were well on top. I'm not suggesting it was scintillating football (of course they played a defensive style; are you really trying to pretend that you wouldn't have against East Kerry?), but they were clearly the side that wanted it more. I don't think we need to go through the scoring. Suffice to say that Stacks did a lot of it; East Kerry didn't. East Kerry's forwards, all of them very formidable players, just never got going. Paudie Clifford is an exception there; Paudie once again played his heart out. Paudie's greatest strength is simply that he gives absolutely everything, time and again, and just keeps coming. If a young player copies just that one trait, they'll always be important players for their teams.

But the defence deserve credit for that. Dylan Casey has been talked about as a Kerry senior prospect, and this kind of marking job on David Clifford (with scarcely any supply and his team overwhelmed in every direction, what miracles were you expecting from David?) isn't going to hurt that. But Jack O'Shea was superb as well, and has been for a while. I'm old-fashioned as regards marauding defenders (ye'll play a bigger part in winning this game by doing yere own job right) but he's sticky. Tentative maybe on that, but he certainly played a big role here. Conor Jordan as well....one of those underrated but effective Stacks warriors who just gets it done. Neatly, unobtrusively....but done. Likewise, Joe O'Connor was the pick of midfield. Extremely athletic, physical and aggressive in a positive way, great at driving forward....ah, yeah. He has quietly slipped into real midfield contention for Kerry as far as I am concerned. But take note that Greg Horan, another one of those undervalued but invaluable players, was nigh on as impressive.

They only led by 0-5 to 0-2 at half-time; this wasn't any demolition job. But inaccuracy was their only difficulty, plus Shane O'Callaghan's

bullet crashing back off the crossbar. Fiachna Mangan had the first two scores and Dylan Casey another. Wayne Guthrie slotted a '45. Kieran Donaghy was the best player on the pitch on his 60th County Championship appearance, beating Ger O'Keeffe's previous record for the club of 59, involved in everything. He got the fifth point himself. Darragh Roche and David Clifford scored frees for East Kerry.

Jack O'Shea pointed and Fiachna Mangan goaled. East Kerry lost a player to a red card. Believe it or not the next score didn't arrive until after 50 minutes - this wasn't pretty - and it was a David Clifford free. Paudie notched a '45 but Jack O'Shea replied. David Clifford departed after his second yellow. Paul O'Shea got a late East Kerry goal and Paudie Clifford added a point. In the end it was 1-7 to 1-5, but that scoreline wasn't remotely reflective of the game.

The throne is empty. Austin Stacks have probably pushed themselves into top contenders - but the real jostling starts next weekend, and the truth is that the entertainment factor for many of us has just doubled.

Kerins O'Rahillys 1-16 St. Kierans 0-9

I can't get any handle on St. Kierans. I like them, I admire them, I just don't understand them. The players are there (I know the Horans are a huge loss), and I know for a fact that they put the work in. But the truth is that trying to get collective training and unison with a team drawn from three districts is....well, I think it's actually suitable for discussion by Eamonn Fitzgerald's Committee regarding North Kerry, as such teams are involved.

Rahillys in the County League were hard to read as well. My usual take on them these days is they won't win the County Championship, but it'll take a real contender to take them out, and this year seems no different.

This game is further blurred by a one man show. Yes, Conor Hayes re-affirmed his burgeoning talent. David Moran yet again sent out a reminder that lads planning to write his footballing epitaph would want to bring extra cartridges of ink. But this was all about Tommy Walsh. You forget, don't you. You forget just how colossal and how dangerous he can be when let loose. Brian Leonard, fully deserving of his place on Kerry's panel last year, couldn't land a glove on him. I still, even now, don't think him suited to the current inter-county game, but he wasn't just man of the match, he was heroic. If Grecian Hercules had thundered onto Kerry shores, stomping around on those famous Twelve Labours of his, Tommy would have just clipped him round the ear and told him to clear off.

It was 0-9 to 0-5 at half-time, and St. Kierans had done well to hang in that much. Tommy, Jack Savage and Conor Hayes had 0-3 each. James Walsh had scored a beauty to open St. Kierans

account and Paul Walsh's free closed their first half effort but they were barely clinging on.

Tommy again, Conor again, Tommy, Barry John Keane with a good score....0-14 to 0-7 at the water break. St. Kierans needed a goal to spark their challenge. Instead, after more minors from Tommy and Conor, it was Jack Savage who hit the net for the coup de grace, and it was hardly even needed by then. Rahillys just had the power and brought the power; they deserve to be in at the business end.

South Kerry 2-16 Feale Rangers 0-5

South Kerry are one of these sides that nobody is paying too much attention to, and we may be embarrassed about that later on. I'm not saying that an expected victory over a struggling Feale Rangers is a huge surprise. Honestly, I think the amalgamation of the North Kerry sides is actually overdue, and I think a revamp of all the divisional teams boundaries is well overdue, I still think the last Committee to examine and revamp the County Championship should have grasped that nettle.

But the manner of South Kerry's victory, the combination of defence and attack.....hmm. It was even enough possession wise early on. But the returned Éanna O'Connor (2), playmaker Niall Ó Sé (2), and Conor O'Shea had South Kerry ahead by 0-5 to 0-0. Jack McElligott got Feale Rangers on the scoreboard but young Darragh O'Sullivan (a name to remember) pointed. A brilliant pass by man of the match Niall Ó Sé fed Dylan O'Donoghue for a goal. They also hit the post in this period, while Jack Daly and Niall added points. Darragh Lynch's free can't exactly be called a lifeline for Feale Rangers, not when his team still trailed by 1-8 to 0-2 at half-time.

It was getting easier any time soon, either. Éanna O'Connor (f) and Tom McCarthy swapped points. Jack Daly sent a high ball into Éanna, great catch and turn to rattle the net. Aidan Flaherty with two points for Feale Rangers but this contest was already long over. Aidan Walsh, Daniel Daly, Éanna (2), Brian Sugrue, Ronan O'Shea, Tadhg Sugrue.....look, I stopped counting. No disrespect to Feale Rangers - I was there in 2007; I'd never doubt their heart, but this was an easy test for South Kerry and no more than that.

Killarney Legion 1-13 0-16 AET

Killarney Legion win 5-4 on penalties

Not the most significant result last Saturday (stop dancing around. You know the big result the same as I do). But the closest and most exciting game. The football wasn't perfection; the stakes were too high and the nerves were too stretched for that, a derby atmosphere only stoking those fires. But by God but it had passion and heart and courage of the highest order and you could not have asked a single thing more of either side. Pure sport.

Legion came out with intent. A sharp Jamie

O'Sullivan swung over a free and added a point from play. Evan Cronin pointed a Spa free after five minutes but Eoghan O'Sullivan responded immediately. Dara Moynihan, very tightly marshalled by Legion all through, won a free converted by the excellent Michael Foley and Ciarán Spillane did likewise for Evan Cronin. Level pegging, but William Shine and an energetic James O'Donoghue had Legion back in front by 0-5 to 0-3 at the water break. The pendulum swung a little bit more in the second quarter and now Spa were slightly in the ascendancy. They left some decent scoring chances behind them, as Legion had done earlier on (like I said, nobody was getting anything easy in an electrifying atmosphere) but Niall McCarthy and Dara Moynihan soon had the gap closed again. A foul on Eion Fitzgerald saw Michael Foley nudge them in front. They missed a few more chances to build on that, especially when a fisted effort crashed back off the butt of the post.

Half-time Spa 0-6 Killarney Legion 0-5

Cian Tobin doubled Spa's lead at the start of the second half but Jamie O'Sullivan nailed another great free kick. Evan Cronin restored the two point lead but again Jamie O'Sullivan, who along with Kieran Slattery was probably Legion's best player at this stage, pointed but Legion should perhaps have put a bit more on the scoreboard at this stage - mind you, Spa's defence was excellent. Once a brilliant Ryan Carroll run from wing back was ended illegally and Evan Cronin once again split the posts, Spa were leading 0-9 to 0-7 into the fourth quarter and looking good.

Bam! Suddenly, they were a point behind. Big Pádraig Lucey, as is his wont on many codes, rose highest and connected perfectly to fist past a hapless Jmaes Devane. 1-7 to 0-9.

Evan Cronin replied to equalise but Spa looked rattled - they were playing slightly better football overall but it was Conor Keane who had the adroit composure to put his side ahead with time running out. Spa had chances and weren't taking them....until Cian Tobin, hat-trick hero of the Intermediate Final, pounced fastest onto a loose ball in the danger area and snapped it over. A few people seem to think he could have gone for goal - ah lads! It's like that modern parable about God sending the man a

speedboat to escape the flood - and getting a complaint that it wasn't a helicopter!

Extra time. Nerves really jangling now (me, not the players). James O'Donoghue puts Legion ahead with a free. Evan Cronin and Dan O'Donoghue reply; Spa in front. Conor Keane brings it level. Rob Leen....Legion in front at half-time.

Evan Cronin pointed on the run.....good use of advantage by the referee. Jonathan Lyne, cool, calm, and collected as ever, restored the lead. Spa surged, pressed, battered, twisted, almost cajoled....a massed Legion defence simply would not budge. Niall McCarthy somehow managed to snare a crucial point. But Billy McGuire, very impressive on his introduction after recovering from a long injury, once more put Legion back in front.

Spa had three good chances to pull it out of the fire. Once again it was their ice-cool sharpshooter Evan Cronin who came to their rescue. It wasn't that hard a free under normal circumstances - except that these were anything but ordinary circumstances. Evan aced it anyway.

I'm not going into the various penalties. Frankly, I'd prefer a coin toss. A penalty shootout is like a lottery with only losing tickets in the draw. Leave it to random chance if necessary, no-one should have to bear that burden. As for those cheerful hurlers on the ditch who say that "it's a great test of character?". What do you think has been tested out there for over eighty minutes, if not their character?

Sunday Games

Templenoe 1-9 Shannon Rangers 0-5

Winter football was always going to be a factor in these games (the timeframe didn't exactly have a lot of options on the menu, to be blunt about it), and it certainly played a huge part here. Look, Shannon Rangers gave Templenoe a great battle last year and probably would have again, but they were battling against wind and rain more than anything else in the first half in the Fitzgerald Stadium. It was hard to watch, and I'd say a lot harder to play in. Templenoe led by 0-7 to 0-0 by half-time. The Crowley brothers Brian (2), Gavin, and Colin (f) had 0-4 between them, Stephen O'Sullivan had

0-2, and Adrian Spillane had the last say of the half with a fine score.

Teddy Doyle stretched the lead with a free. But then came the fightback as first Pádraig Boyle and then Jack Kennelly (f) got Shannon Rangers on the board. 0-8 to 0-2. It was a brief respite as Stephen O'Sullivan goaled after good work by Tadhg Morley. Jack Kennelly got his second and his teams' third score, but they were few and far between now. His fourth arrived with 8 minutes left to make it 1-8 to 0-4, but excellent Templenoe wing back John Rice rapidly cancelled it out. Gerald O'Sullivan got one last score for Shannon Rangers but it was too little, too late for them.

St. Brendans 2-9 Kenmare Shamrocks 0-10

Kenmare Shamrocks were favourites here and started very well, reeling off four points on the trot through Sean O'Shea, Paul O'Connor, Tom Murnane, and Stephen O'Brien. They were caught a bit on the hop, though, with a loose ball in their danger area that they should have dealt with - Liam O'Donnell didn't waste any time checking the gift horse's teeth before slamming it into the net. Thomas Kerins fly-kicked a point and St. Brendans were back on level terms by the water break. The second quarter was better controlled by Kenmare Shamrocks, even if they left some chances behind them, with David Hallissey and Seán O'Shea ('45, f) bringing the lead to double figures. St. Brendans could rue a great goal chance in between though, Diarmuid O'Connor fouled as he bore in on Kieran Fitzgibbon, but the Kerry keeper made amends with a great penalty save.

Half-time Kenmare Shamrocks 0-7 St. Brendans 1-1.

Seán O'Shea added another point on the restart but then the game was turned on its head. Trevor Wallace neatly teed up Enda O'Connor for a goal. One point game....and Daithí Griffin quickly closed that gap. Kenmare responded with a free from Seán O'Shea (who else?) but James Duggan replied in kind. Seán pointed again, and this time it was Alan O'Donoghue, that great Brendans stalwart, who split the posts before the water break.

It felt that Brendans were beginning to hunt and the scoreline seemed to confirm that as Diarmuid O'Connor pointed, Mikey Kelliher

added a real beauty, and then fisted over....he might have been tempted to go further and chance himself against Fitzgibbon, but I think a player is right in that situation to put a goal between them. Kenmare Shamrocks were running out of steam, having failed to score from play in the second half, and super sub Kelliher and Kerry hurler Dan Goggin closed out a great St. Brendans' triumph that looked so unlikely in the first half.

Dr. Crokes 0-13 West Kerry 1-3

Éanna Ó Conchúir cut in along the endline to beat Shane Murphy for the perfect start with a goal. However, that had to last them quite a while, with Crokes piercing their massed defence comfortably to reel off seven points on the trot. David Shaw (2, 1f) and Kieran O'Leary had Crokes on level terms by the water break. Tony Brosnan and Brian Looney added frees before Johnny Buckley showed how he won All Irelands and Tony Brosnan (f) and Micheál Burns showed how they intend to do similar. Two great scores - and they were precious for a Crokes side who were guilty of seven wides in the first half. Mind you, Cathal Ó Beaglaíoch had just a single West Kerry point (they understandably played very defensively against the strong wind) as they trailed by 0-8 to 1-1 at half-time.

It took ten minutes for the opening score of the second half to arrive, David Shaw pointing after Tony Brosnan was fouled. That kick-started Dr. Crokes, though, and Kieran O'Leary, Johnny Brosnan, and Micheál Burns made it 0-12 to 1-1 by the second water break. Éanna's goal was a long way away now! Micheál Burns gathered a great lay-off by Kieran O'Leary at top speed and was just entering the square for what, given his shooting power and accuracy, was almost certainly going to be a goal. He was fouled - a strong shout for a penalty, but had to settle for putting over the free himself.

It was enough. Cian O'Grady pointed a difficult free for West Kerry but the game had already gone from them and it means that the Killarney side are one step closer to regaining their 2018 title.

Dingle 1-7 Mid Kerry -8

Dingle took control very early on with the strong wind and reeled off three quick points from Paul Geaney, Tom O'Sullivan, and Conor Geaney. In fact, it took 13 minutes for Fiachra Clifford to open Mid Kerry's account from a free. Dingle should really have converted a few more scores. Instead, Mike Breen fisted over a fine point and the gap was down to just one by the water break.

The turning point of the whole game (inasmuch as there ever is such a thing) arrived just after the restart. Cathal Moriarty made a great burst into the Dingle square. He was fouled, stepped up to the spot himself....and was unlucky to see his penalty skim the crossbar and bounce over rather than under. Level pegging rather than behind, but a let-off for Dingle nonetheless, and Paul Geaney quickly nudged them back in front. Moriarty cancelled that out with a good score, but Dingle's county sharpshooter picked off another and a foul on Barry Dan O'Sullivan saw Conor Geaney double their advantage to lead by 0-6 to 0-4 at half-time.

Paul Geaney drew a brilliant save out of Seán Coffey (who really is one of the stand-out players this club season) but Gavin Curran showed his credentials as well after Fiachra Clifford put Seán O'Brien through on goal. That one did yield a '45 for Mid Kerry, neatly pointed by Jack O'Connor. The same player and Paul Gaeney swapped frees before Gavan O'Grady made it 0-7 apiece. It was make or break time now and it was Dingle who got, or rather made, the break. Conor Geaney's goal was superbly executed and it was the killer blow. Gavan O'Grady did pull back a free but the clock ran out on their chances of pulling level and it's Dingle who make it to the quarter-finals.

CLUB V DIVISION?

Just an interesting one. With the quarter-finals decided, one could argue that the scales have tipped back towards club sides. Six clubs - Stacks, Rahillys, Crokes, Legion, Dingle, and Templenoe - are still there while just two divisional sides, St. Brendans and South Kerry, remain. Personally, I expected East Kerry and last year's finalists Mid Kerry to still be there (confession time; I loved watching Mid Kerry's style of play last year and they were my lightest of dark horses this year).

I don't actually think it's a long-term change. I just think it's further affirmation that divisional sides are slow to get going (hard to congregate for collective training after the league and club championships) but more durable with a back door (bigger panels reduces the impact of injuries. Positions will revert when the back door returns - personally, I would love if it never did, I relish the energy and excitement of a straight knock-out. But a back door brings revenue, and revenue is needed, so let's get real about it, the back door will return.

The real issue for me - and I strongly suspect that East Kerry's defeat will be used as an excuse not to grasp it, is the nettle of shifting populations, rural/urban divide (the primary schools are the best and simplest guide) that make a review of the divisional teams in geographical terms only close to imperative.

They do say that God never closes a door but he opens a window. Given the disappointment at East Kerry's loss of the Bishop Moynihan crown, it felt like a door being smashed and a window being opened a tiny crack. Nonetheless, upwards and onwards, and it does mean that East Kerry teams can get back to last year's sharply curtailed O'Donoghue Cup - for quite a while there, it looked like they might never be completed.

MINOR COUNTY FINAL

East Kerry 0-18 Mid Kerry 0-6

Look, it's not exactly a secret that I don't think six Minor titles on the trot for East Kerry, along with their recent dominance in other grades, is actually good for Kerry football. But that's no business of young lads who had a very tough title to win and showed great heart, teamwork, and composure to do so against some great opponents. The likes of Glenflesk, St. Brendans, and North Kerry gave them enormous challenges that they rose to in fine style.

Mid Kerry weren't really anyone's favourites at the start of this competition but they are always a side who prepare right and put the work in, and they are always contenders despite not having a huge population. They were drilled, clever, composed....and as gutsy as they come. They burst into a 0-3 to 0-0 lead through Brendan Casey, Mikey Moriarty and Jason O'Connor. East Kerry, who haven't always been quick out of the blocks in games, sprang to life, with Darren Ryan, Sam Benson, Harry Kelly, Mark O'Shea, and Harry again to turn it around, leading 0-5 to 0-3. Conor Spillane and Darragh O'Connor (f) levelled things up, but Harry Kelly had the last word of the first half to leave East Kerry a point ahead.

Unfortunately Mid Kerry were conceding a huge physical disparity to the favourites and that really told in the second half. In fact, all that they could muster despite genuine heart and courage was a lone Conor Spillane free, although East Kerry's Brian McCarthy was forced into a great save that could perhaps have turned the game. As it was, East Kerry had reeled off another nine unanswered points by then through Mark O'Shea (4), Stephen Palmer (3), Sam Benson, and Kerry minor captain

Darragh O'Callaghan.

Then came Conor Spillane's point, but it was nigh on moot by then. An unruffled East Kerry closed out a comfortable victory with points from the outstanding Stephen Palmer, Sam Benson, and substitute Timmy Moynihan.

Mid Kerry are a great minor team and really got the absolute best of themselves in this championship, but East Kerry are a great team - other successes should not detract from how good this team was, you'll be seeing a lot of these players again.

COUNTY U15 CHAMPIONSHIP

Unfortunately, the semi-finals of the U15 County Football Championship had to be called off this week because the weather was too chance (look, taking talented young lads out in wet fields and lashing rain is not going to help them get better at football; it's not what Coiste na nÓg is all about). Hopefully the games will go ahead next Sunday, maybe with some twinges depending on pitch availability. I won't put them in for the same times and places, just in case, but the fixtures will be announced and promoted on Coiste na nÓg media as soon as possible.

Erica McGlynn Makes Underdog Team

Best wishes to Fossa's Erica McGlynn, who has made this year's Underdog team and who made her first appearance last night on TG4 at 9.30pm. Erica is an All Ireland medal winner at underage and already a recognised talent with Kerry's senior squad, and the Underdog TV Programme is a recognised way of promoting talent. I remember a gawky fresh-faced garsoon named Kieran Donaghy in 2004 - God, our pickings were lean, hah? He did alright - in fact, going by last Saturday in Austin Stack Park, I'd say he's still going strong!

Players

: Aivaras Uosis, PS Chorca Dhuibhne, Tralee Imperials, and Tralee Warriors who has been called up to Ireland's U18 Boys Training Squad.

: Mark Sheehan and Jack O'Sullivan of Killarney St. Pauls, and to Olaf Michalczyk of St. Brendans/ Tralee Warriors, who have been shortlisted for call ups to the Irish U17 Boys Squad.

: Pádraig Moynihan of Rathmore Ravens, who has been included on the Irish U16s Boys Training Squad : Leah McMahon, who has been called back into the Irish U16 Girls Training Squad.

Updated Game and Spectator Rules

Following the release of new guidelines by Basketball Ireland, domestic games can only take place where all players, coaches, and

Victorious East Kerry captain Dara O'Callaghan pictured with his family following their win in the Minor County Final v Mid Kerry. Photo: Tatyana McGough, Fitzgerald Stadium PR

officials can prove that they have valid Covid Certificates or proof of having recovered from covid. If anyone does not have such certification or proof, then games can only take place within the pod system, as before. These rules do not apply to International or National League Games.

Venues will be allowed 100% capacity - provided spectators can provide a covid passport or proof of covid recovery, can be fully socially distanced (pods are acceptable), and they wear masks. Please note that all are requirements, it is not a matter of just ticking any one of those boxes. Also, Basketball Ireland haven't asked this, and certainly shouldn't have to, but I'm going to ask on my behalf, because there's always one.

Please, please do not be the showboating tosspot who starts acting up and spoils this for all the rest of us. This sport has waited an awful long time, much longer than most, to get back and it needs that ticket revenue and those supporters badly.

And look, a public statement from a Kerry club this week (I'm not naming them; I don't want to be drawing attention to it) disappointed me in printing out the UN Rights of a Child and the Irish Constitutional Provisions against Discrimination in regard to its disappointment about the ongoing safety requirements.

Look, I believe that exercising reasonable precautions to save children during a pandemic doesn't deserve to be equated with discrimination or cruelty to children. You can argue the balance of those precautions, of course, but to me, that implicit accusation should be fully withdrawn and apologised for.

LEAGUE OF IRELAND

Sadly, the League of Ireland has once again seen runaway leaders in the latter stages, cantering to victory. Shamrock Rovers have retained their Premier title with a number of games to spare, having a 13 point gap to second and 22 down to third. A lame ending to the season really, but at least, thank to Government generosity in their

'elite' label and RTE generosity in broadcasting the games we got a season and those very few (as it turned out) who wanted to at least got to watch them broadcast (it looks unlikely to be repeated, take-up was simply brutal).

Allowing clubs to stream their own games is, of course, the way to go right now, but greed has overtaken pragmatism for both the FAI (expected, of course) and GAA (I'm disappointed). Clubs would have gladly taken up the initiative and, in GAA at least, have shown a proven ability to do so - better than administrative committees in many cases. Basketball Ireland seem to be streets ahead of the pack in this regard. Rugby is mostly on pay per view channels, so as far as I am concerned, good luck.

Treaty United, the newcomers who have Kerry connections and a team I'd like to see in the flesh (I literally never had the chance, and you can call me an armchair supporter if you like - what were we supposed to do in recent times?) finished fourth in Division One and have a play-off game against UCD next weekend. I can't really see them winning promotion, they aren't quite at that standard yet - which is maybe no harm, a run of defeats in the Premiership could erode player's confidence, their growing numbers in support, and sponsor's confidence (any league within the FAI has to be self-sufficient; that was true long before Delany and co. chewed long and hard on their own tail. But even if they don't break into the Premier, Treaty United have so far done everything right, established a secure pitch location and facilities and a proper funding structure (hello? Did anybody, anybody at all, in the FAI hear that astonishing phrase? Proper Funding Structure!) and a decent long term squad and reliable long-haul management right from the start. Laying down real roots. A magnificent start.

Early in the second half Roko Rujevcan got his hat-trick but yet again Listowel Celtic equalized to make the game 3-3. Sam Benson scored a fantastic goal to make it 4-3 with substitute Patrick Lyons making a big impression scoring a hat-trick with Aaron Burke grabbing the eight. GAYNOR GROUP GAMES CONTINUE

The Kerry Gaynor Cup 13's and 15's sides continued their Group games and the build-up to the semi-final of the competition they qualify for.

Both squads have continued to improve all season to the delight of their coaches and today the 13's took a very good win over the visitors Limerick County. The game was scoreless at the break but Kerry continued to dominate and got their reward when Laura Falvey and Naoishe O'Donoghue hit the net to give Kerry the win and the three points in the Group.

The Kerry 15's put in a great effort in a game that went down to the wire but it was the Limerick County side that snatched the win with a last minute strike.

Both Kerry squads finish their Group phase with a trip to Cork on the weekend of 13th and 14th.

There were two rearranged games in the National Cups. In the Boys 16's Ballyheigue have gone out away to Kildimo with Jack Moriarty getting the goal for the North Kerry boys.

BEDDING PLANTS**

Between now and the summertime there is still plenty of time to put a bit of colour in the garden with some winter/spring flowering bedding plants. It is probably best this Spring to use them in containers and baskets as the ground is saturated from the amount of rainfall we have experienced. The first thing you have to do is choose the type of container you want. There are lots to choose from i.e. Terracotta, glazed, plastic and wooden. Now that you have chosen a pot, the first and most important thing to do is sort out the drainage. All terracotta and glazed pots should already have drainage holes in them. Plastic ones probably won't so you will have to punch some holes in them. Next you need to put some gravel or aero board broken up over the holds of the pot and then cover with some landscape fabric like Mypex. Now it is time to add some compost and ideally some slow release fertilizer mixed with it. Then choose some plants. Firstly choose a center piece and always make sure that center piece is evergreen and suitable for the size of the container. This way you will only have to change the bedding plants from season to season. Here is a list of good winter/spring bedding plants for containers: Primroses, Polyanthus, winter pansies, cyclamen, ornamental cabbages and trailing ivy.

separating the sides in both games. Sarah Slattery scored for Listowel Celtic as they won 1-0 at home to Camp Juniors. In the Fenit Samphires against Inter Kenmare the only goal came from the home sides Ava Flaherty.

TIGHT GAMES IN 12'S DIVISION 1

Grace Murphy scored for Mastergeeha but they went down 2-1 Away to Fenit Samphires. Ellie McCann got both Fenit goals. The game between Castleisland and Listowel Celtic B ended 2-2. Kelsie Brosnan and Ciara O'Donoghue were on the mark for Castleisland with Issy Larkin getting both Listowel Celtic goals.

14 PREMIER

Killarney Celtic had goals from Bethany Moynihan, Jessica Leggate, Caoimhe O'Sullivan and Emma Day gave Killarney Celtic the win over Camp Juniors.

There was a goal-fest between MEK Galaxy and Listowel Celtic with Laura Falvey hitting 5 and Eadaoin Larkin one for Listowel Celtic in a 6-5 win.-

WINS AT HOME AND AWAY IN 14'S DIVISION 1

Killarney Celtic B just got the better of LB Rovers at Celtic Park by the odd goal in five. Ali Bowler, Ella O'Connor and Putanya Ryan got the Celtic goals with Ruby Browne and Ellie Cregan replying for LB Rovers.

Goals from Emma O'Connor 4, Muireann Teehan and Vilte Paulaskaite gave Iveragh United the win over Killarney Athletic in Woodlawn. Laura Healy got the Athletic goal.

POINTS SHARED IN 16'S

This was another very tight encounter with Tara Desmond putting Inter Kenmare 1-0 up at half time. In the second half Ava O'Malley equalised for the home side Killarney Celtic.

BOYS LEAGUE REPORTS:

BUSY DAY IN THE 12 PREMIER

There were wins for Killorglin, Listowel Celtic and Mastergeeha in the Slattery's Carpets and Blinds 12 Premier. Killorglin were 2-1 winner at home to Killarney Celtic whose goal came from Laughlin Scannell.

Fionnain Mason scored twice for LB Rovers but his side went down away to Listowel Celtic. Alan O'Leary scored twice as Mastergeeha won away at Inter Kenmare.

TWO HOME WINS AND A DRAW IN 12'S DIVISION 1 SOUTH

In the Slattery's Carpets and Blinds 12's Division 1 South MEK Galaxy proved to be a little too strong for Killarney Celtic B whose goal came from Marco Mosca. For MEK, who were at home, James Murphy led the scoring and his goals in either half were added to by goals from Dara Tagney, Harry O'Mahony, Eoin Casey and Nathan O'Sullivan.

Ballyhar Dynamos scored 3 in each half in their win over Mastergeeha B at Mort Scott Park. Ryan Quilter had a big day hitting 4 with Jack Kelly and Patrick O'Connor getting one each.

The Killorglin B and Killarney Athletic B game ended in a 2-2 draw. Aodhagan O'Suilleabhain and Martin Villa got the Athletic goals. Odhran and Cormac Clifford got the goals for Killorglin who were 1-0 up at half time.

12 DIVISION 1 NORTH

Two goals each from Cillian Deady and Colin

MEK Galaxy u14 girls

Deady and one each from Tadgh Diggins and Danny Gazi gave Fenit the win over Camp Juniors. Listowel Celtic B won 4-0 in Tralee defeating Dynmaos B. Sean Kennelly, Tyreece Mohappi, Joe Joy and Maks Tronina were on the mark for Listowel Celtic.

Ben O'Connor hit the two Ballyheigue goals but it wasn't enough to earn his side the points as goals from Jack Dorgan 2, Tommy Ferris and Aston Mathews gave Dingle Bay Rovers the three points.

HOME AND AWAY WINNERS IN 12'S DIVISION 2

A hat trick from Player of the Match Ross Cronin and two from Rian Weldon saw MEK White defeat Mastergeeha C. The home side did the damage in the first half as they led 4-0 but Mastergeeha C battled very hard in the second half to their credit.

Goals from Dean O'Connor, Marcel Mszanski and Aidan Cronon gave Inter Kenmare B the win at Castleisland B with Pdraig Curtain scoring for the home side.

TWO 13'S GAMES PLAYED THIS WEEK

In the 13 Premier LB Rovers just got the better of Camp Juniors in Camp by the odd goal in 7. For the home side Tadgh O'Donoghue, Killian Crean and Michael Keane were scorers while for LB Rovers goals from Brody Mulvihill, Odhran Barry, Conor O'Reilly and Liam Lynch gave them all three points.

In mid-week under the lights at Celtic Park Killarney the home side had goals from Pa McCarthy, Tristan Murphy 3 and Steven Shine. It was a good night for the O'Gorman brothers as Ross was named Player of the Match in this one and his brother Ted took the accolade in Celtic's 16's game.

HOME WIN, AWAY WIN AND DRAW IN 14'S PREMIER

All three possible results were seen in the World of Tiles 14 Premier. The game of the day and probably the comeback of the season saw Listowel Celtic come back from 4-0 down with 12 minutes to play to draw 4-4.

A Mike Quirke goal in the first half and a hat trick from Edison Jahiri put St Brendan's Park 4-0 up as the game entered its final 12 minutes. Michael Daly pulled one back and then with two minutes left James Kissane scored what

looked like a consolation. However amazingly over the next few minutes he completed his hat trick to snatch the unlikely of draws.

Killarney Athletic were to strong for a depleted Killorglin and won with goals from Szymon Jasinski, Ben Kelliher, Liam O'Brien, Cillian Coffey, Marcel Kowalczyk, Darragh O'Donoghue and Jake Nash.

A Rossa McGearailt hat trick and one from Robbie Guest gave Inter Kenmare the win away at Tralee Dynamos.

4 GAMES IN 14 DIVISION 1

A Dara Harty hat trick and one from Conor McGibney saw Fenit Samphires win 4-3 away at Killarney Athletic B. The home sides goals came from Fionn O'Donnell, Liam Harmon and Charlie Higgins.

Killorglin B were missing a number of players as they went down to LB Rovers who goals in their win came from Alex O'Carroll, Cody Goggin, Oran O'Sullivan and Archie Walsh. Bart Flynn got the Killorglin consolation.

St Brendan's Park B were too strong for Ballyhar Dynamos as they took the win at Mort Scott Park where Marcus Clifford was the best on the day for the home side. Rian McEvoy, Jack Daly, Johnny Neilings, Tuoyo King and Dean Courtney got the Park's goals.

Mastergeeha had goals from Rory O'Connor, Thomas Myers, Ronan O'Connor and Conor O'Rourke in their win over Camp Juniors. Camps goal was scored by Michael Enright.

EARLY HOME WIN IN 14'S DIVISION 2: The two early game in the World of Tiles 14's Division 2 saw wins for the home sides. Ballyheigue were 3-2 winners over St Brendan's Park C. Their goals came from Joe Lovett 2 and George Kane while Brian Fealy got both goals for the visitors. Roan O'Sullivan in the 35th minute and Alistair Dewar saw Inter Kenmare B 2-0 up at home to Mastergeeha B whose goal came from Billy O'Donoghue. Inter needed keeper James Law Braney to be on top form as Mastergeeha pushed all the way to the final whistle looking for an equaliser.

The afternoon game was in Georgie O'Callaghan Park as Castleisland B took on Tralee Dynamos B. Goals from William McCarthy 3, Sean O'Connor and Sean Horan gave the home side a 5-4 win. Dynamos had Jayden Moriarty, Jamie

Bowler, Sean Cantwell and Daniel McCarthy on the score sheet.

16'S PREMIER ACTION STARTED ON THURSDAY

With the schools out the 16's Killarney took place on Thursday afternoon with Killarney Celtic defeating their neighbours Athletic 4-2. Ted O'Gorman got 2 with Josh Bowler and Callum Cronin getting one each for Celtic while Oisín O'Sullivan got both goals for Killarney Athletic.

Killarney Athletic made the trip on Saturday to take on Tralee Dynamos and came away with all three points thanks to goals from Brian O'Shea and Daire Kingston.

Dingle Bay Rovers were at Inter Kenmare and were ahead twice thanks to goals from James Hoare. However Mort O'Shea and Ben O'Callaghan scored to earn Inter a share of the points.

Killorglin were too strong for Mastergeeha at Kilbrean Park and took the win thanks to goals from Liam Hayes 3, James Jones 2 and Robert Bagget.

Castleisland were at home to St Brendan's Park with both sides having to settle for a share of the points. Eoghan Shire and Kian Downey were on the mark for the home side.

#AWAY WIN IN THE 16'S DIVISION 1

Two goals from Fintan O'Sullivan gave Iveragh United a 2-1 away win at St Brendan's Park.

MEK GALAXY

U12 BOYS DIVISION 1

MEK Galaxy Orange team proved too strong for Killarney Celtic B on Saturday in Fossa. Goals from Eoin Casey, Jamie Murphy, Harry O Mahony, Dara Tagney and Nathan O Sullivan insured all 3 points and for the hosts.

U12 BOYS DIVISION 2

NON-GEOGRAPHIC NUMBERS

Question: *What are non-geographic numbers?*

Answer: *A non-geographic number (NGN) is any number beginning with 1800, 1850, 1890, 0818 or 076.*

NGNs are used by Irish businesses, charities and other organisations to deliver services like helplines. Calls to 1800 numbers are free. Calls to 1850, 1890, 0818 and 076 numbers cost the same as calling a landline, and are included in 'call bundles' that include landline calls. This means that, when you call an NGN, it is either deducted from your bundle, or charged on a per-minute basis.

What is changing?

From 1 January 2022, there will only be 2 NGN numbers: 1800 and 0818. Organisations using 1850, 1890 or 076 numbers are now updating their contact details.

Why are the changes happening?

Many people avoid calling 1850, 1890 and 076 numbers because they think they are confusing and expensive. ComReg is reducing the number of NGNs to simplify NGNs for consumers.

From January 2022, there will be just 2 NGNs – 1800 (Freephone) and 0818 (Standard rate). This makes call costs easier to understand.

What happens if I call an 1850, 1890 or 076 number in 2022?

From 1 January 2022, all 1850, 1890 and 076 numbers will be withdrawn from service and you will not be able to use them. You can check an organisation's website and social media channels for their new contact details.

THE IMPORTANCE OF COMMUNICATION

When people come along to counselling, and begin talking about their problems, it sometimes becomes apparent that some of their difficulties may be down to the challenge of communicating with the other people in their lives.

This can apply to any of us. Whether discussing issues in our relationship with a partner or other family member, or with friends or colleagues, we are quite likely to say 'He knows how I feel about this', or 'She knows how difficult I find that', or 'I'm not going to ask them for help because I shouldn't need to ask, they should just know what to do', and so on. Sound familiar?

All this ignores a fundamental reality – we cannot assume other people know what we think, or how we feel, or what we need, unless we tell them. We are all equipped with a degree of intuition, and some people can be very 'tuned in' to the thoughts and feelings of others. But we cannot always rely on intuition alone. For example, someone may long for their partner to open up about a shared difficulty in their lives, while the partner may want exactly the same thing, but feel they 'shouldn't go there' because they think this would be unwelcome. Two people, who long to connect with each other, may grow further apart because of a gap in communication.

Of course we all need, and are entitled to, our privacy. We don't have to wear our heart on our sleeve all the time. What we are thinking about here is building bridges and sustaining connections with the significant people around us, rather than seeing those connections weaken through a lack of communication, with all the misunderstandings, frustrations, conflict, hurt and loneliness that can ensue.

As children, we may have been fortunate enough to have an adult around who tuned in to our feelings and tended to our needs, before we were old enough to put those feelings and needs into words.

Even if we don't realise it, perhaps a bit of us still quite naturally longs for that sort of automatic understanding from others. But, as adults, we probably need to play our part in making ourselves known and understood. The counselling process can offer a safe space where we can start putting things into words, gradually find our own voice, and become more confident about making ourselves known to another person.

SouthWest Counselling Centre, Killarney provides affordable professional counselling to children, adolescents and adults at its Killarney Centre (Lewis Road). We are providing face to face, telephone and online counselling sessions.

A Word of Victory

Welcome back dear reader, continuing on how Holy Spirit helps us in our weaknesses (Romans 8:26). The truth is, without God's power, all the areas of our lives are weak. Last week's article is on our Facebook page including a prayer for God to fill us afresh with His power.

The Holy Spirit is the One responsible for revealing the Truth of God's Word to us. He gently teaches and corrects us from Scripture. This is an inner leading you feel, it warns when doing wrong, allowing us the chance to repent and turn back to God. Holy Spirit also instructs us in the right way to go, helping us make good choices leading to blessing and peace (Psalm 32). God never forces Himself upon anyone. He has given each one of us a free will to invite Him into our lives - or not. How we live our lives is our own choice and responsibility but, He longs for us to choose His way, to be blessed and protected from evil (Deuteronomy 30:15-20). This is like a parent who, if they see their toddler reaching for a drink from a bottle of bleach warns them - 'No, don't touch that, it will hurt you!' - giving them a drink of pure water instead.

Like what happened to Adam and Eve when they were tricked by the serpent which caused them to lose everything (Genesis 3:1-24). Eve made a decision to listen to the devil's lies, causing her to waver and doubt God. The enemy's words were so craftily put together that she felt insecure and rejected by God. And Adam, not walking in his God-given authority, went right along with her. Satan is still deceiving people today, causing the same outcome. The Holy Spirit was upon Adam and Eve in the garden. They were dressed in light, covered in God's glory. But after they sinned, the first thing that happened was the Spirit of God departed because God cannot dwell with or bless sin. Thus, they were left for the first time ever - naked, alone and ashamed, and now vulnerable to attack as Satan's prey. They tried to hide their shame by covering themselves; trying to work out their mess without God, which is where pride and self righteousness came in.

Then they heard God coming for their daily time of fellowship together. So they fearfully hid themselves from Him, only emerging when God (who knew well where they were) summoned Adam. Fear came upon them because of their rebellion. 'Rebellion is the sin of witchcraft' (1st Samuel 15:22-23). This occurs by obeying the devil, drawing on his limited evil powers instead of God's. What all this resulted in was curse, turmoil and separation from God not only for them, but their descendents too. Mankind needed a Saviour. And God promised that He would come through Eve's Seed (Genesis 3:15). The good news is God sent His Son Jesus to forgive, redeem and reconcile us back through His sinless blood (1st Peter 1:18-25). Jesus' perfect sacrifice means we can have peace with God through inviting Him in - making Him Lord, and obeying His Word amen!

FRANCISCAN FRIARY

The Franciscans are considering running the Alpha Scripture course. The Alpha is a series of 11 weeks of exploring the Scriptures. Anyone (in their late teens to mid-40's) particular people struggling with faith issues and parents of teenager are invited to take part. It will be limited to 20 people. All participants must register by phoning with your contact details to the Friary Office on phone 064 6631334 / 6631066 between Monday to Friday 9.30am-5.30pm.

Alpha creates a space for a conversation about faith, life, and God. The atmosphere is relaxed and friendly. Sessions cover topics such as Who is Jesus? Why did Jesus die? How does God guide us? Why and How do I pray? We don't assume any background knowledge of - or belief in Christianity.

ST VINCENT DE PAUL will recommence their monthly collections on Sunday 6th /7th Nov. Due to Covid 19 Restrictions there were no monthly collections since March of 2020. Thanks to all who donated to the society.

**NOVENA TO
ST MARTIN**

Dear Lord, we thank You for giving us St. Martin de Porres
as an example of holiness. Help us to imitate the devotion
to You he showed beginning from his childhood and
adolescence in poverty.

St. Martin de Porres, you and your family were very poor
during your childhood and adolescence. Though you and
your family suffered from poverty, you were eager to grow
in love for God.

Please bring my petitions before God Whom you loved!
Your mother was barely able to support you and your sister.
You had to begin work as a barber and surgeon from a young
age, but you persevered in seeking God's will for your life.
Pray for me, that I may never allow sufferings to deter me
from serving God. Pray that I may eagerly seek His will for
my life, as you did.

Please also pray for (mention your intentions here).

St. Martin de Porres, pray for us!

In the name of the Father, and of the Son, and of the Holy
Spirit.

Brid

**NOVENA TO THE
SACRET HEART**

Dear Heart of Jesus in the past I have
asked many favours.

This time I ask you this special one,
(mention favour).

Take it dear heart of Jesus and place
it within your heart where your Father
sees it.

Then in his merciful eyes it will become
your favour not mine.

Amen.

Say this prayer three times for three days
and your favour will be granted.
