## Raise your cup for Eimear and Aisling

AISLING CLIFFORD AND EIMEAR FOLEY WHO ARE HOSTING A FUNDRAISING COFFEE MORNING IN THE ROSS HOTEL.

Two Killarney girls, who will be volunteering with Nuture Africa in Uganda this summer are hosting a coffee morning in the Ross Hotel, to raise funds. Aisling Clifford, daughter to Geraldine and the late Richard Clifford, Ballycasheen along with Eimear Foley, daughter to James and Geraldine Foley, Kilcummin will set off in June. Nuture Africa is a charity that is focused upon empowering vulnerable children and their families. It is an Irish charity that aims to nurture the physical and emotional growth and well being of Ugandan children affected by HIV, many of the children have lost their families to HIV/AIDS. The Charity provides access to free quality healthcare, education and provides support and guidance in building sustainable livelihoods for families. Nuture Africa works with people so that they can educate and help

themselves. Both girls are past students of St. Brigid's Secondary School, and these motivated young women will be working together on community outreach projects for numerous vulnerable Ugandan families. As part of their fundraising efforts, Eimear and Aisling will be hosting a coffee morning on Friday April 13th in the Ross Hotel, Killarney from 10am until 12pm and would be most appreciative of your support for this great cause. An online page "idonate.ie/eimearandaisling" has also been setup for anyone who would like to contribute directly. Any possible contributions are gratefully accepted by these enthusiastic volunteers on their journey with this most worthy cause. For more information about the charity and to learn more about their work see [www.nutureafrica.ie](http://www.nutureafrica.ie) or follow them on Facebook.

## Get your thinking caps on for annual Kenya Project table quiz

ONE OF THE CHILDREN AT THE FOOD STATIONS THAT EDDIE HAS SET UP.

**T**he annual table quiz in aid of the Kenya Education Project takes place next Thursday night in the Castlerosse hotel at 8 30 pm. The project helps young people in the slum village of Embulbul, Nairobi. At present 100 young people are sponsored to complete their primary and secondary education as their own family circumstances make it very difficult to meet the cost of books, uniform and fees. This is the highest number ever of students sponsored by the Kenya Education Project. Some past pupils of the school are also helped to continue their education and training by paying college fees as well as travel and subsistence allowances. To date the project has helped students to obtain training in Childcare, Secretarial, Computing, Journalism and Social Work which is a major boost to their families in their dream of obtaining a job to ease the financial burden on their families.

In recent years the Project has increased its work with families in the village through the local branch of S.V.D.P. Needy families have received beds, blankets and household utensils to help ease the burden of poverty. Also the village feeding programme provides a hot meal each weekday evening for 100 needy children from the village. The Kenya Project helps to offset some of the costs of these monthly food bills for the parish. The project continues to support sporting activities in the school and village by providing playing gear, footballs and training equipment to those involved in soccer, basketball and volleyball. The support the Project continues to receive each year from the people of Killarney is encouraging and heartening and enables many young people to be helped and supported. Thanks to everybody who has supported the Project to date.

## All aboard for the County Clean Up

Following support by the IFA, ICMSA and GAA in Kerry, the final call has been made for groups and individuals to sign up for this year's County Clean Up which takes place on Saturday, 14 April. This week, several local organisations including Kerry GAA, Kerry IFA and Kerry ICMSA have announced their support and that of their members for the day-long event which takes place with the support of KWD Recycling and Kerry County Council. The Mayor of Kerry, Cllr John Sheahan, Kerry County Council Chief Executive, Moira Murrell and

Tadhg Healy of KWD Recycling came together in Farranfore on Tuesday to urge groups to register as soon as possible to receive their clean-up packs and to arrange litter collection points for the day.

They were joined by the chairman of the Kerry County Board of the GAA, Tim Murphy, the chairman of Kerry IFA, Patrick O'Driscoll, and the chairman of Kerry ICMSA, Mike Teahan. Each of the three organisations are calling on all their members around the county to get involved on the day and to help to clear and collect litter in their own areas.

Full details and registration information are available at [www.countycleanup.com](http://www.countycleanup.com) or e-mail [countycleanup@kwd.ie](mailto:countycleanup@kwd.ie). The Clean Up coordination team are asking local residents' associations, schools, youth groups, sporting groups, businesses, families and individuals to get together and gather litter along all routes on the day. Last year, 5,000 volunteers gathered 6,500 bags of litter on a single day in their own localities which left the county of Kerry looking spick and span.

Organisers say the response so far has been fantastic. They are aiming

to make it the biggest ever Clean Up this year and are asking groups to get together and sign up now to take part on the day.

Cathaoirleach of Kerry County Council, Cllr John Sheahan, said the event is all part of ongoing work to promote a clean environment in Kerry and to ensure the county is litter-free and he welcomed the support of groups like the GAA, the IFA and the ICMSA.

Mike Teahan of Kerry ICMSA said it was important for Kerry people to realise that with the joys of living in Ireland's most beautiful county came certain duties, chief of which was the duty to look after the beautiful environment and both built and natural heritage of the county. Patrick O'Driscoll of Kerry IFA said his members throughout Kerry were delighted to support the Clean Up and he urged the farming community to participate in local clean-ups in their areas on the day. Kerry GAA chairman, Tim Murphy added that GAA clubs and members all over Kerry have been asked to help out on the day. 'As a grassroots organisation across the county, we are delighted to offer our support,' he said.

## Works to commence at Colcorcoran Junction

Cllr John Sheahan has welcomed the response to his motion regarding the dangerous lag at junction at Coolcorcoran. Cllr Sheahan raised the matter at the Killarney Municipal District Meeting at the Town Hall in Killarney last week. "Many people have made contact with me voicing concerns

in relation to the dangerous lag at Coolcorcoran Junction. They feared that this lag would be the cause of an accident as some drivers don't reduce their speed", Cllr Sheahan told the Killarney Outlook.

Kerry County Council replied that they would commence works there in the coming weeks.

## Revving up for Rally of the Lakes

**K**illarney & District Motor Club, organisers of the Cartell.ie Rally of the Lakes have announced details of this year's event which will take place over the May Bank Holiday weekend 4th – 6th May.

The 39th Rally of the Lakes will be counting rounds of the:

- Irish Tarmac Rally Championship.
- PlasticBags.ie Southern 4 Rally Championship
- Kingdom of Kerry Rally Championship.

Killarney Businessman Dermot Healy has taken on the role of COC for his sixth year. Dermot, who is very much respected in the town of Killarney for his incredible voluntary and charity work, has put together a strong organising committee and operations are well under way. Dermot explains: the route stages are the most famous classic route of stages available and these demanding, technical and challenging stages should test each competitor to their full ability. While also maintaining the unique classic stages that the Rally of the Lakes holds worldwide, our main aim is to bring the Rally back in and around the Killarney town area and we have achieved this with our Sunday loop of stages.

Once again for their ninth consecutive year Ireland's leading vehicle history record company Cartell.ie return's as the main title sponsor of the Rally of the Lakes 2018. Including additional support from Killarney Advertiser, Ordnance Survey Ireland and the Gleneagle Hotel Group, who have been supporters of the Rally of the Lakes for many years and continue as Associate Sponsors.

The Rally of the Lakes is firmly established as one of Ireland's premier rally events. It gives a major boost to the businesses of the town and the local economy. TV coverage alone is beamed to 38 countries with an estimated 30 million household subscribers. Dermot remarked: "This exposure is fantastic for Killarney and the Rally of the Lakes and it hugely increases our attraction as an international event for competitors and spectators to enjoy".

Features of this year's event:

- Official Rally Launch on Sunday 15th April at Brehon Hotel Killarney.
- Rally Headquarters Gleneagle Hotel Killarney

- Ceremonial start
- The Best classic stages in Ireland
- Total of 16 stages
- 240Km of stage competition.
- Centralised service each day.
- Complete New stages introduced this year.

- Including such Classic stages as: Molls Gap, Beallaghbeama, Cods Head & Ardgroom.

- Juniors get a full day rallying on Saturday consisting of 8 Stages.

The three-day event will begin with a ceremonial start in Killarney's town centre at 7pm on Friday 4th May. Plans are at an advanced stage to create a motorsport festival on the streets of Ireland's most famous town.

The real action will commence early on Saturday morning with the iconic Molls Gap, followed by the Tim Healy Pass and centralised service in Castletownbere Pier. Then it's time to head out on the famous stages of Cods Head and Ardgroom with a repeat run over the Healy Pass and into service for a well deserved break. Cods Head and Ardgroom are repeated and a blast through the Kilmakilloge harbour stage to finish off the day. Sunday Morning starts with Molls Gap once again, followed by the mountainous Beallaghbeama Pass, Then into service at Liebherr Container cranes Killarney. This Loop is of Molls Gap and Beallaghbeama Pass is repeated with the inclusion of a new version of the fast flowing Shanera stage called Brook Hill. It's into service once again before heading out to the Spectator friendly loop of Rossanean, Brook Hill and Rossanean again as the final stage. The crews will arrive back to the finishing ramp at the Rally Head Quarters - The Gleneagle Hotel at 17.30 for Celebrations and Champagne.

The May bank holiday weekend is near and the Cartell.ie Rally of the Lakes is the place to be.

**ARE YOU PAYING TOO MUCH FOR YOUR LIFE COVER?**

Yes, you could be paying too much for your life cover. If you took out life cover for any reason personal, business, mortgage etc you need to review it regularly. You need to do this for a number of reasons:  
The cost of your cover today may be less now than what you are paying for it.  
Your circumstances may have changed since you took out the policy and you may not need as much cover as what you have at present, this could bring down the cost.  
Your premium may not have been compared with premiums from other life companies when you took it out, this can and should be done for you.  
You may have been a smoker in the past and are a non smoker now with over 12 months.  
You could have been charged a higher premium in the past for health reasons, this higher premium may not apply now.  
If your life cover premium was reduced by €20 per month, over the next ten years that's saving you €2400.00. We are all trying to find ways to save money, this is one way that you could save money, it's easy to check this out. Contact an independent financial advisor who will review your cover and explain the options available to you.

## Icon of the Holy Family to visit the Diocese of Kerry

Following news that Pope Francis has confirmed his visit to the World Meeting of Families taking place in Dublin this August, the Icon of the Holy Family will visit Killarney on Friday afternoon April 13th until Tuesday morning, April 17th.

The diocese of Kerry continues their preparations and work towards the World Meeting of Families as we welcome the Icon of the Holy Family. The visit of the Icon takes place over a 12-day period from Monday April 9th – Friday April 20th. Although the Icon will be on view in four churches, every parish is invited to participate in this prayer for all families.

Listowel: Afternoon of Monday April 9th – Morning of Wednesday 11th

Kenmare: Afternoon of Wednesday April 11th – Morning of Friday 13th

Killarney: Afternoon of Friday 13th April – Morning of Tuesday 17th St. John's Tralee: Afternoon of Tuesday 17th April – Morning of Friday 20th

During the Icon visit people are invited to write their petitions and bring

them to the icon. These petitions will be prayed for by various religious communities all around the country over the coming months. The petitions will be placed on the altar in the Phoenix Park for the Closing Mass with Pope Francis on Sunday August 26th.

Icon is the Greek word for a sacred image. The Icon of the Holy Family is a large three panelled piece representing the Holy Family at home, and on either side, Jesus healing a young girl and Jesus at the Wedding festivities at Cana. It was specially commissioned for the World Meeting of Families. An icon is said to be written rather than painted, as it expresses the Word of God in line and form. This icon was written by Mihai Cicu and assisted by the Redemptoristine Sisters in Dublin. Prayer for all families will be included in the daily masses and additional prayer resources will be available near the Icon. These are also available to download along with further details on [www.dioceseofkerry.ie](http://www.dioceseofkerry.ie) website.

Groups who would like to visit the Icon are asked to co-ordinate timings with the

Parish secretaries of Listowel (068 21188), Kenmare (064 6641352), Killarney (064 6631014) and St. John's Tralee (066 7122522)

The need to focus on family has been felt by parishes over the last few years. Many parishes have mentioned they would like to deepen their prayer and ministry to family life. "How to support family life in our parishes?" was the theme at our Diocesan Gathering last October which was attended by more than 300 parish representatives. In Advent the diocese produced a prayer booklet: Praying with Your Children, to encourage parents and guardians to pray with their children at home. Dr. Patricia Kieran from the Dept of Religious Studies in Mary Immaculate College in Limerick spoke to the theme of Exploring Faith and Family Life at the Annual Public talk in January and throughout Lent there were several guests to this diocese exploring Family life. The visit of the Icon of the Holy Family is another step on this journey to the Pope's World Meeting of Families.

## All-Ireland champions for Fleadh performance

Triple All-Ireland winning céilí band champions, the Shandrum Céilí Band have been announced as one of the major acts for this year's Fleadh Cheoil Chiarraí which takes in Milltown on the third weekend of June. As preparations for the traditional music festival intensify, organisers have announced that the hugely popular group will perform open-air on the Gig Rig at the Fleadh on Friday, 22nd June at 9pm.

'It's a great coup for us in Milltown to have the All-Ireland Céilí Band Champions performing at

the Fleadh Cheoil. The band are in huge demand across the country not least since they were crowned All-Ireland champions for the third year in the row in 2017,' said chairperson of Fleadh Cheoil Chiarraí, Owen O'Shea.

'The open-air céilí has always been a feature of festivals in Milltown over the years and it makes for a great spectacle as dancers and onlookers gather from all over the county to enjoy some top quality music. The Shandrum will play a full céilí on the street in Milltown on the Friday night of the festival at 9pm and it

promises to be a fantastic occasion,' he said. Fleadh Cheoil Chiarraí returns to Milltown this year after an 11-year absence and the local Milltown-Listry Branch of Comhaltas Ceoltóirí Éireann is putting the finishing touches to the programme of events with a further big announcement of a headline act for the festival expected in the coming weeks. The event is supported by Kerry County Council and by Kerry and West Limerick Credit Unions as well as local businesses and sponsors.

## Killarney town twinning AGM

**T**he recent AGM of Killarney Town twinning Association was held in Scotts Hotel last week

A good attendance saw Chairman Sean Counihan outline a very busy 2017. The highlight of 2017 was the granting of European citizen funding so the town of Pleinfeld could bring a large number of their citizens involved in organisations.

We were through the introduction night attended By Minister Brendan Griffin and Sean Kelly MEP able to introduce and create interaction between different citizens bodies in Killarney.

The Chairman also thanked the Mayor of the Municipal Authority Niall Kelleher and Angela McAllen and Kerry County Council for their help in providing a civic welcome. Mr. Counihan outlined that there was interaction between the Association with Seven of our twinned towns. And this led to quiet a lot of visitations to our town.

Pleinfeld continues to grow its contact with Killarney and in April year and September we will see two

groups of thirty people amongst us with a further trip planned for May 2019.

There will be an exciting trip for some local people as Killarney Celtic will travel to the Burgerfest in June and participate in a tournament which we hope to grow to a festival of football in Killarney. A student exchange programme is taking place between some students studying German in school and we are excited about developing this programme. Exchanges between Rotary clubs is well under way also as part of our programmes.

The Chairman also informed the meeting that our Association is now affiliated association with Scotsdale Araziona and Casperia Near Rome. The meeting was informed of other major projects being explored at this time.

The meeting was informed that an application has been registered with the EU citizens programme to seek to bring our very first twin town citizens of Castiglione to visit this year. The chair advised that funding

CHAIRMAN OF KILLARNEY TOWN TWINNING COMMITTEE: SEAN COUNIHAN

remained a problem and thanked the group for their enthusiastic support for our twinning Association, at quite substantial costs to themselves as promoters of the town.

The following officers were elected

## Chad scoops Kerry's Best Chef Award

CHAD BYRNE, HEAD CHEF AT THE BREHON, HAS BEEN NAMED KERRY'S BEST CHEF AT THE MUNSTER FINALS OF THE IRISH RESTAURANT AWARDS WHICH TOOK PLACE IN CORK RECENTLY. ALSO INCLUDED IS SINEAD MCCARTHY, GENERAL MANAGER, BREHON HOTEL, JOSEF REHAK, TOMASZ CEMPA AND TADHG CROWLEY. PHOTO: VALERIE O'SULLIVAN

Head Chef at The Brehon, Chad Byrne, has been named Kerry's best chef at the Munster Finals of the Irish Restaurant Awards which took place in Cork recently.

Over 500 people attended the Regional Final where the top establishments and chefs in each county were named. Speaking at the awards, Adrian Cummins, Chief Executive of the Restaurants Association of Ireland (RAI) said: "Now in their tenth year, the Irish Restaurant Awards continue to showcase the exquisite and admirable calibre of food available in our restaurants and pubs nationwide."

Speaking after his win Chad said "I am delighted to win this award. Being the chef of a hotel does not just mean delivering excellent restaurant food, it encompasses the whole hotel experience from a great breakfast to a brilliant meal in the bar - it's about attention to detail and doing the small things really well." "I'm delighted for the team as winning this award proves it's all about the detail and working together in a fun and friendly environment. If you can deliver on this while maintaining standards and focus, work doesn't seem like work. It is very much a team effort here in The Brehon and I'd like to thank

everyone for their hard work and dedication, you are only as good as your team."

"I've some great guys working with me and they're all different nationalities, so I'll always ask them for a dish from home and we'll get ideas from that. We'll take elements from that style of cuisine and incorporate them as best we can without ruining or complicating the dish, simple is good in my opinion. It's important to value your team's ideas and their heritage and bring them with you on the journey."

As well as his role as head chef at The Brehon, Chad also oversees culinary innovation for The Gleneagle Group. His latest project had been the development of a new menu for The Brehon Bar. It features exciting new additions like slow-roasted Irish beef brisket on Arabic flatbread, Chef Fayyaz's chicken tikka curry and Chef Abraham's streetfood-style zesty marinated lamb pieces.

The new menu also includes traditional favourites with a modern twist like The Brehon burger, the superfood salad, crispy chicken wings and Killarney blonde craft beer fish and chips. The new Brehon Bar menu will be launched on Tuesday, April 10.

## CU New junior membership drive

Now that Easter holidays has arrived for students throughout the county, Killarney Credit Union has begun a membership drive for younger members and their parents/guardians to call into the credit union offices and open an account during the Easter break. Karena McCarthy, Marketing Officer, Killarney Credit Union stated "Junior members are vitally important to the future of the credit union and we are encouraging younger members and their parents to call into the credit union branches while they are off over Easter and join up. Junior membership is open from new born to 15 years and all junior members that join up get a gift pack from the credit union" she concluded.

The credit union operates a successful school savings scheme in primary schools throughout Killarney and Kenmare where credit union staff call each week to schools and collect savings from the participating students. As an extra incentive, junior members that save for 6 weeks after Easter are entered in to a draw to win a tablet, bike and vouchers.

Karena added "27% of our members are aged under 16 and we hope that many new Junior members will join up over the holidays. Learning about saving and being a regular saver is a great skill to learn at a young age and sets them up for the future".

The following documentation is required to open a Junior Account, a passport/birth cert is needed for the child, proof of child's PPS and parents/guardians are also asked to provide recent photo/address ID such as a passport/driver's license and a recent utility bill.

Junior Membership accounts can be opened at any of credit union branches in Beech Road, Park Road and in Kenmare.

# OUTLOOK BEAUTY

## Applying Moisturizer:

Using a good moisturizer is vital at night, as while we sleep our skin loses hydration. Be careful how you apply moisturizer, though. Applying moisturizer from the top to the bottom of the face tugs the skin down, which can cause the skin to sag. Start from the bottom of the face up and rub in gently, especially around the eye area.

## FEELING AMAZING IS WITHIN YOU!

It's a funny thing but so many people think that to wake up each day inspired and in love with their lives is something that only other people can do. That it isn't for them! Very often when we see someone who is really happy with where they are and who they are, we think that there must be something special or unique about that person. However, the truth is that anyone can feel that way! The only difference between someone who is feeling positive and joyful about their lives and someone who isn't are the kind of thoughts they are thinking and the actions they are taking!

Like many things, learning to love yourself and your life is a process that takes time. It doesn't happen in a day but over a period of time if you stay committed it DOES happen! Our minds are the most magical tools we have. Rather like Harry Potters wand, you have to know how to use it and direct it to give you what you want.

So, the next time you see someone really happy and living their best life see it as a sign that you can too! We all have this innate ability within us — it's simply your CHOICE whether you use it!

### NEWS by Michael O'Mahony

#### SLIABH LUACHRA CYCLING CLUB

Sliabh Luachra inviting young cyclists to club. The club is currently recruiting new juvenile members. The juveniles need to be in 5th or 6th class in National school or in secondary level education. A number of experienced adults trained by Cycling Ireland in Foundation coaching will coach these new members. The plan for 2018 is to commence coaching the new members with a four to six week training block in a local National school ground. During this time frame, the new members will learn various bike skills that will ensure they are confident, safe and courteous cyclists when on the road. After several weeks of training, the kids travel to leisure events locally in the Sliabh Luachra Cycling Club minibus to challenge themselves at longer distances, and with a little bit more experience they will participate in competitive races for those who wish to do so. Further information is available from juvenile officer Tim Murphy at 086-3880410 or Chairman Maurice Cronin at 087-9178836.

## FOSSA NOTES

#### LOTTO

Numbers drawn were 8, 14, 17, 19. There was no jackpot winner and the consolation winners were B Keogh, Bridgefield, Rich Corrado, c/o Daniel Cronin, Tom Courtney, Fitz Nagle, Aghadoe and Mags O'Shea, Spar Fossa. Next weeks jackpot will be €4,200.

#### JUNIOR CHAMPIONSHIP

Fossa recorded a good win over Keel in the Junior premier championship on Saturday evening. Fossa started in whirlwind fashion racing into an early lead with two frees from David Clifford and a goal from Donald O'Sullivan after six minutes. They added two further points from Tadgh O'Shea and Donald before Keel got on the scoreboard and lead 1-04 to 0-01 after 15 minutes. Fossa were playing with panache at this stage but Keel gradually got back into the game with frees from Aaron Murphy reducing the lead all the time. Two points from play by Paudie Clifford and two frees from Donald O'Sullivan left Fossa leading at the break, 1-07 to 0-06.

The second half was real championship fare with both teams giving their all, Aaron Murphy was Keel's main scoring threat, he kicked seven points in all, however Fossa kept their noses in front courtesy of two superb points from Paudie Clifford. Further scores from Tadgh O'Shea and Matt Rennie left Fossa winners on a score of 1-12 to 0-11.

Fossa will be pleased with this display, it was tough and uncompromising at times but this is what championship football is all about and they came through a stern test. The

defence was very solid, they allowed Keel no goal chance and were superbly marshalled by Anthony Wharton and Derry O'Sullivan, the midfield of Fintan Coffey and Matt Rennie worked really hard and gave a great platform for our industrious forward division where David Clifford will always be a serious threat but it was the four quite brilliant points from play by Paudie Clifford that was the difference between the sides on this occasion. Next up is St. Michael's/Foilmore next Sunday in Fossa at 2.30 pm.

#### WELL DONE

Well done to Maud Kelly who helped the Kerry U-16 Girls to a resounding win over the old foe, Cork at the weekend. Sophie Dennehy and Alicia Burke played with Kerry U-14 Girls who defeated Tipperary in Bansha on Saturday but unfortunately our Sem boys of Emmett O'Shea, Ruari Doyle and Killian Buckley had no luck with the Sem on Saturday in the Paul McGirr Cup All-Ireland final losing by two points. It was a mixed bag really but well done to our young players who have done our club proud on the playing fields all around the country.

#### COMMUNITY NOTES

At the recent Municipal area meeting, Councillor Michael Gleeson asked that the Council would eliminate the water flowing onto the stretch of roadway from the Spa GAA Field to Spa Cross as the the road is being damaged and and is hazardous for road users. The Council replied that in it's 2018 roads programme it proposes to spend €110,000 restoring 1,000 metres of this roadway. This work will result in a better and safer road surface. Councillor Gleeson welcomed the response as at present the water creates a hazard for road users at times of heavy rain and of frost.

## LAST 8 IN THE JOHN MURPHY 12'S CUP TAKING SHAPE

There was one back game in the John Murphy 12's Cup played at the weekend with the Park A defeating Inter Kenmare B 2-0 to qualify for the Last 16. The Park will now play Mastergeeha B for a place in the Last 8.

Tralee Dynamos defeated LB Rovers in a goal fest with 12 goals scored in the game. Dynamos hit 7 of these through Jake Hoare 2, Mathew Rogers 2, Pierce Lowth, Adam Evans and Brandon Long. LB Rovers five goals came from a TJ O'Sullivan hat trick and one each from Patrick Walsh and Kean O'Keeffe, Rovers led 5-4 coming into the closing stages of the game but lost Walsh to injury and his absence hurt the North Kerry side.

Fionn Barrett scored twice to go 2-0 away at Killarney Celtic and held that lead until early in the second half. Josh Bowler pulled one back and Celtic chased an equaliser and had a penalty appeal turned down. But credit goes to the South Kerry side for their excellent display and it's Iveragh United that go into the Last 8. 2 goals from Stephen Gannon and one each from Jesse O'Reilly, Ben Levy, Niall O'Brien and Ryan Carey gave Killorglin a 6-2 home win over

Aidan & Niamh Brosnan and family members Patrick, Billy & Michael of TJ Cross & Co Water Well Drilling, Ballyhar making a presentation of jerseys to the Ballyhar Dynamos under 12s at Murt Scott Park recently. Prolific goal scorer Eddie McCarthy hit 4 of Fenit's goals in a 5-0 win away at LB Rovers. Danny Jeffers hit the fifth. These join Listowel Celtic B who had a bye to this round.

Ballyhar first team in Tucker Kelly 16's semi-final:

Ballyhar booked their place in the Tucker Kelly 16's semi-final on Saturday with Josh McCarthy getting the all-important goal in their 1-0 win over Ballyheigue.

## KILLARNEY CELTIC NOTES

**PREMIER B, RATTOW 1, KILLARNEY CELTIC B 2**

Goals from Stephen McCarthy and Jared Barton gave the senior B team a vital win in their battle against relegation. Regiona Cup U16, Charleville 1, Killarney Celtic 2.

Celtic came from a goal down at half time to advance to a meeting with Park Fc. Despite dominating the 1st half Celtic found themselves a goal behind at the break but 2nd half goals from Daniel Okwute and Dylan O Callaghan turned the tie on its head. Cian Doe supplied the assists for both goals.

**U16 DIV 2, KILLARNEY CELTIC 6, MASTERGEEHA 3**

Celtic recovered from a goal down to lead 2-1 at the break. Further goals followed in the 2nd half to leave the B team victorious on a 6-3 scoreline.

**U14 CUP, BALLYHAR 3, KILLARNEY CELTIC 0**

The scoreline does not reflect the valiant effort put in by the B team in this cup game, Celtic were just 1 down until late in the game but failed to take numerous chances to equalise and were undone in the closing stages.

U12 Cup Killarney Celtic A 1, Iveragh 2.

A sluggish 1st half put paid to our chances in this cup game and despite Josh Bowler notching a 2nd half goal the A team could not find a 2nd and so exit the cup.

**U12 CUP, KILLARNEY ATHLETIC C 3, KILLARNEY CELTIC B 2**

Goals from Jack Tagney and Vishnu Mandharan were not enough to keep the B team in the cup after an exciting cup tie in woodlawn.

Our U11s enjoyed their trip to Kilkenny over the weekend where they went undefeated after 5 games and only conceded 1 goal..

### U16

Killarney Celtic B 6 Mastergeeha 3. The lads lost their 100 per cent league record following defeat to a strong Celtic team. They started well and took the lead on 10mins following good work by Philip O'Leary and really should have scored more but failed to take any of the many chances they created with the home GK outstanding. They went in 2-1 down at HT following two quick-fire Celtic goals just before the break. Darragh O'Riordan levelled matters early in the 2nd half after an O'Leary free quick was parried by the home GK but the home side responded to open up a 2 goal lead. Paudie Murphy then slotted home following good work by Cathal Ryan but the home side responded again and held on for the 3 points.

### U18

Killorglin 1 Mastergeeha 1. In a close encounter the boys were disappointed to come away from Killorglin with a point. Mastergeeha created the better chances in the first half with James Lynch and Cian Fahey. In the second half Mastergeeha pushed forward but it was Killorglin that took the lead on the 70th minute. After this Mastergeeha were the better side and got the equaliser when Cian Fahy scored following a corner by Danny Cronin. After this Anthony Darmody, Tomas Holan and Conor O'Leary when closest to getting the winner. All played well.

### DIV 1B

Mastergeeha 0 Listowel 2. Listowel lead by a goal at the break after playing with a strong breeze. In the second half Mastergeeha pushed forward with Colm Lenihan, Alan Brosnan and Gearoid Kerins all going close for the equaliser. In the final minutes the visitors added a second to ensure the points.

## LEGION GAA NEWS

### CLUB CHAMPIONSHIP 1 ST.RD

Killarney Legion 2-15 Kenmare shamrocks 3 - 8

Credit to both sides who served up a competitive

hard fought - and despite the rain and strong

breeze - high quality game. Faster out of the

blocks the Legion raced into a 6 pt. lead an

early goal coming from the outstanding Jamie

O'Sullivan who had a personal tally of 1-11.

Kenmare however settled into their stride and

took advantage of a Legion defensive mix-up

to find the net. This was followed by a further

two points and a leg block by the Legion backs

saw the resultant penalty driven to the net.

However this led to a determined last 15 mins.

by the Legion and a flurry of points saw them

go in with a healthy 7 point lead.

With the wind at their backs the Shamrocks set

about their task with renewed vigour and by

midway in the second half had narrowed the

gap to just a single point having scored another

goal after another Legion defensive slip. The

move of Chris Davies onto Stephen O'Brien

who was becoming more influential paid big

dividends along with Jonathan Lynes dynamic

leadership for the Legion as they wrestled

control back and buoyed by a Jack O'Neill goal

they controlled the last 10 minutes stretching

the lead once again to 5 pts. before Kenmare

pointed from a free to leave a 4 point winning

margin. This performance was certainly of

championship standard and was very pleasing

from the Legions point of view (the concession

of 3 goals notwithstanding) as they rallied at a

stage when the game appeared to be drifting

from them. As a team they were certainly tuned

in and their workrate and endeavour brought

them the win they deserved.

## U14 BOYS

## DR CROKES CLUB NOTES

### CLUB CHAMPIONSHIP ROUND 1

Dr Crokes 1-17 An Ghaeltacht 0-6

Played in Austin Stack Park

Sometime when you have the advantage of a strong breeze you do not settle quickly enough into the game. This could not be said about our team last Sunday. We had a goal and a point early on. We increased that to 1-4 by the end of the first quarter. We also kept our opponents scoreless during that period. In the second quarter we sent over six points to An Ghaeltacht's two points. This gave us a half time lead of 1-10 to 0-2. Our opponents had enough play in this half to have scored much more than the two points.

Even though we had a good lead, it was still very important that we have a good start to the second half. We achieved this, sending over four points to An Ghaeltacht's on in the first ten minutes of the third quarter. We had a commanding lead at this stage and were happy to have equality with our opponents, three points each, in the remaining forty minutes of the game.

We can be very happy with our display and even though An Ghaeltacht would have been unhappy how they performed they know they would have been much closer at the end had they taken their chances they were presented with during the game.

Team and Scorers: Shane Murphy, John Payne, Mike Moloney, David Naughton, Michael Potts, Jason Lyne, David O'Leary, Johnny Buckley 0-1, Paul Clarke, Micheal Burns 0-2, Gavin O'Shea, Brian Looney 0-2, Tony Brosnan 0-4, Daithi Casey 0-4, Kieran O'Leary 1-3.

Subs: Eoin Brosnan, Brian Fitzgerald, Jordan Kiely 0-1, David Shaw, Shane Doolan, Kieran Ward.

### UNDER 12 GIRLS

Dr Crokes U12 girls had their first outing in the preliminary round of the County League on Tuesday last against Kilcummin.

The first half was tight, with Kilcummin leading by a single point at halftime. However, great mid-fielding in the second half led to a flurry of goals from the on form Sarah Cooper in

Join the Kerry County Clean-Up Team

We are inviting all our local GAA clubs to get involved in the Kerry County Clean-Up. The participation of our clubs will add greatly to the County Clean-up team. We are asking that clubs arrange a litter clean-up on Saturday April 14th in the locality where their club grounds are located. Last year, 5,000 volunteers county wide gathered 6,500 bags of litter on a single day in their own localities which left the county of Kerry looking spick and span. This years County Clean-up will take place on Saturday, April 14th. The Annual County Clean-Up is run with the support of Kerry Co. Council and KWD

Recycling. To register your clubs participation in the County Clean-Up please register with KWD by logging on to <http://www.countycleanup.com> or by e-mailing Angela on [countycleanup@kwd.ie](mailto:countycleanup@kwd.ie). Upon registration KWD Recycling will provide your club with bags and high visibility vest and they will also agree a date and location for pick-up of the collected litter.

Lee Strand - U14 County League Div. 9: By Danny McClure

Milltown/Castlemaire (White Team) V Austin Stacks-

Our Milltown/Castlemaire side travelled to Connolly Park Tralee on Friday night last. The first half brought a very strong performance with our backs Garrett O' Dowd and Aaron

Dinham with the help of Liam O Dowd in midfield defending well.

Jerry McCarthy- our goal keeper was put under a lot of pressure in the 2nd half and made numerous great saves. This combined with the outstanding late scores from Gearoid Quirke, James Dempsey, Liam O Dowd and Adrian Connolly made for a thrilling end to the 2nd half and Milltown/Castlemaire were unlucky not to come away with a win. But the whole team have to be commended for fighting to the end.

The final score was Milltown/Castlemaire 3-04 V 4-05 Austin Stacks.

### LEE STRAND - U14 COUNTY LEAGUE DIV. 3: BY DANNY MCCLURE

Milltown/Castlemaire (Green Team) V Rathmore

Conditions were very heavy in Milltown on Thursday evening as Milltown/Castlemaire's Under 14 (Green Team) got their first game of the year underway against Rathmore.

As the rain poured down, our home side raced into an early lead which they would keep until half time. Some great play by the forward line with Dara Hogan and Brendan Casey grabbing the goals for Milltown/Castlemaire. The visitors also grabbed two goals of their own but it wasn't enough to reel in Milltown/Castlemaire the Home team leading 2-06 V 2-02.

The second half started out slowly and conditions were very wet underfoot. Milltown/Castlemaire got into their scoring groove though in the second half with Dara Hogan and Conor Spillane raising the green flag again.

Other scorers on the night included Rian Foley, Liam Roche and coming forward for the final point of the game Anthony Barrett. With two fine saves from keeper Daire McCarthy also at vital moments in the second half.

Conor Spillane's work rate in the second half was immense and really spurred his team on to victory. There were some fine performances too from Oisín Spring and the outstanding Ben Downes on a good evening for an impressive Milltown/Castlemaire side.

Milltown/Castlemaire winning out a challenging encounter for both sides in challenging conditions. M/C 5-10, Rathmore 3-02 was the final score.

### UNDER 16'S

Our under 16's had a comfortable victory over St.Pats, Blennerville on Monday evening - ending on a score line of 5/14 to 1/06.

Well done to the management team and their panel of players.

Castleisland Mart Intermediate Club Football Championship

"Brosna Claim Points in Tight Affair"- By Dara O'Connor

Sunday last marked the beginning of Milltown/Castlemaire's 2018 Intermediate

Football Championship journey with a trip to Castleisland to take on North Kerry side Brosna in the opening game of the group, which will also see Milltown/Castlemaire take on Kilcummin (Next weekend) and Glenbeigh/ Glencar in two weeks time to determine who will top the group and qualify for the Semi-Final.

Today's encounter was played in both wet and windy conditions which made it difficult for both teams to play open attacking football.

M/C lined out without some players as Shane Murphy, Alan Hickey, Jeremiah Hayes, David Roche, Jonathan O'Sullivan and Donal Kelleher were all unavailable.

Milltown/Castlemaire played with a very strong breeze to their backs in the first half and dominated the early proceedings taking the lead inside three minutes with Killian Kerins opening the scoring with a well taken point from play.

Brosna sharpshooter Tom McGoldrick, who would go on to score 0-05 of Brosna's 1-07 (4 from Frees) squared things up in the fifth minute. This was to be as good as it got for the North Kerry men as they went a period of 20 minutes before they would register a point on the scoreboard again.

During this spell, Milltown/Castlemaire hit a purple patch and scored 1-03 without reply through 3 Jack McCarthy points (2 Frees, 1 from play) and an opportunistic goal by Donal Dennehy after the Brosna keeper failed to deal with a long ball into the square from a Jack McCarthy effort.

Milltown/Castlemaire led 1-04 to 0-01 heading towards the interval, however they would go through a dry spell also as they would fail to score again for 37 minutes which was crucial come the end.

Brosna knocked in 1-03 without reply between the 24th and 30th minutes with scores from Tom McGoldrick (0-2), Don McAuliffe (0-1) and a Kieran O'Donnell goal which was deflected beyond Cormac Leane after a high ball into the square wasn't dealt with.

Four wides from Milltown/Castlemaire in the first half would prove costly when the game was in the melting pot towards the end. Brosna went into the break the happier of the two sides knowing wind advantage would be with them for the second half.

HT: Brosna 1-04 Milltown/Castlemaire 1-04

The second half turned out to be fascinating and no less exciting as both sides threw everything at one another in the hope of claiming an important victory.

There would only be five scores in this half so each one would prove highly significant.

Two Brosna wides in the opening minutes were followed by a dangerous Tom McGoldrick free from distance which dropped short and nearly ended up in the net as Don McAuliffe swung on a loose ball. Danger eventually was averted. Brosna took the lead for the first time of the match in the 40th minute through a splendid McGoldrick free with the outside of his boot from 45 yards and it proved to be a lead they wouldn't relinquish. Two further scores in the

45th and 50th mins through McGoldrick and a long distance super strike from wing back Timmy Finnegan pushed the lead out to three at 1-07 to 1-04 approaching the final quarter. M/C were reduced to 14 men before McGoldrick's pointed free as Jack McCarthy received a Red Card (Black and Yellow = Red) for hauling down Kieran O'Donnell when through on goal.

M/C turned to the bench and sprung Mike Burke, Damian Murphy & Derek Twiss in place of Jamie O'Shea, Killian Kerins and Jerome Flynn respectively. Pointed frees from Cathal Moriarty and Derek Twiss in the 53rd and 57th mins from 14 yards cut the deficit back to the minimum at 1-07 to 1-06 for M/C but try as they might they couldn't manufacture the equaliser despite having two frees in injury time. One dropped short and one flew marginally wide. Brosna tried to seal the win on the counter with

an insurance score but McGoldrick seen a late free drift wide.

FT: Brosna 1-07 Milltown/Castlemaine 1-06 Milltown/Castlemaine may look back with regret at a few wides, the fact they didn't make more use of a strong wind advantage in the 1st half, the fact that they failed to score for a large spell between both halves or the reality that they only registered 0-02 against the wind during the 2nd half (Brosna tagged on 1-04 against the breeze) but they can also look and say they might have got a late draw or maybe even a win on another day.

The focus turns to Kilcummin now on Sunday next in Milltown in Round 2.

Hard luck to the lads on a massive effort in challenging conditions & to the support at today's game!

## Faha victorious in mini - 7's Tournament

Faha N.S. were victorious in the recently held girls Cumann na mBunscol Mini - 7's, which was held in Fossa G.A.A. pitch on March 22nd. The team made up of 12 girls from 5th and 6th class put in a huge effort and gave some outstanding performances on the day, performances which drew praise from all in attendance including the opposition coaches.

Faha were drawn in a very tough group to begin with, having to get past two very strong teams in Holy Cross Mercy and Knockanes N.S. to progress to the Quarter finals. Mia Griffin's tireless running in mid-field and some important interceptions from Clarissa O'Shea proved vital against Holy Cross Mercy. Siun O'Connor came on against Knockanes to make a key contribution in another hard fought game. Next up was Meentogues N.S. in the quarter final who put up a super fight, with Faha needing a late Sarah Fitzgerald goal to progress. The Faha bench was required in this tough encounter, as the rain poured down and conditions were heavy with Abigail O'Sullivan and Caitlin O'Donoghue coming on in defence and Molly Carey chasing and blocking everything up front.

In the semi final, a free scoring Fossa team were the opposition. An amazing team effort, especially from the defenders, Lily Kate Clifford and Aideen O'Brien and goalkeeper

THE VICTORIOUS FAHA NATIONAL SCHOOL GIRLS TEAM WHO WON THE GIRLS CUMANN NA MBUNSCOL MINI - 7'S, WHICH WAS HELD IN FOSSA G.A.A. PITCH

Caitlin O'Sullivan was required as Faha were put under some early pressure. The Faha unit proved resolute and determined and were first to every ball and cleared their lines with skill and power. Finally, a strong Lissivigeen team were waiting in the final and again a stellar effort was required with Ellie Mai Nugent fighting for every ball in midfield and setting up goal machine Fiana Bradley on numerous occasions. Faha emerged as winners and will now progress to the county finals day after Easter and fly the flag for East Kerry. Coach and

principal Mr. Fitzgerald assisted by SNA Mary Kelly were both over the moon with the win and especially the manner and effort of the performances.

A huge thank you to all involved in organising the day, to all the referees and umpires and to Fossa G.A.A. for hosting the event. A special word of thanks to Vince Cooper without whom the day could not have happened. Vince's regular training sessions with schools are of vital importance to all teams involved.

REPORT BY LEONA TWISS, PRO

## CASTLEISLAND MART CHAMPIONSHIP

Last weekend was an extremely busy weekend with so many games taking place around the county. Great crowds turned out to support their clubs and they weren't disappointed as the majority of games were tight encounters with a few 'surprise results' thrown in for good measure! Next weekend its Round 2 games in the Senior, Intermediate and Junior Premier competitions with first named teams at home and it's Round 1 games in the Junior Championship at neutral venues. A reminder that there is no extra times in these games and if there is a clash of colours, both sides must change. The Kerry players are back training with Kerry but will continue to lineout with their club sides at the weekends. Home PROs are asked to forward a report to their county league coordinators. My thanks to Eileen Clifford, Eileen Casey, Joan McGillicuddy and Jack Hennessy for their commitment and diligence to coordinating these reports.

## VETTING AND CHILD SAFEGUARDING TRAINING

What are the regulations in the GAA? Legislation and GAA rules require that any person working in a 'relevant role' or as we term it 'a role of responsibility' with children must be vetted. This now applies on an All-Ireland basis. Vetting carried out by one of the Gaelic Games Associations e.g. GAA will also be recognised by LGFA and By Camogie and vice versa. These requirements apply to our coaches and mentors of underage teams, referees of underage games, bus drivers employed to drive children or physios employed by the club and any other person deemed by the club to have a direct role of responsibility with children at Club level. Attendance at Child Safeguarding training also applies to our underage coaches and mentors as does the requirement that they have a minimum coach education recognition e.g. Foundation level as a minimum. Please remember that as a result of a long-standing agreement between the Gaelic Games Associations, any person vetted by the GAA shall have their vetting outcome recognised by LGFA and Camogie and do not have to undertake additional vetting by either of these Associations. Similarly, each of these Associations recognise each other's child safeguarding training as well.

• Parents on the sideline who turn up to watch their children play - do NOT require vetting • Transition Year students putting out cones or goals at a nursery or showing how to solo or catch a ball in a noncoaching role - do NOT require vetting • A parent who has been asked by a referee to stand in and do umpiring - does NOT require vetting • Obliging parents who provide tea and sandwiches to visiting teams - do NOT require vetting.

Legislation does not permit us to vet people under 16 yrs. of age. Once they reach their 16th birthday they can then be vetted, with parental permission.

Risk Assessment and Child Safeguarding Statement: Please be reminded that the legal requirement for Clubs to carry out a Risk Assessment of harm to children in the Club plus the need to put the Child Safeguarding Statement on display should have been completed by Sunday 11 March 2018. Check out <http://www.gaa.ie/the-gaa/child-welfare-and-protection/childrenfirst> for this information. If your Risk Assessment at Club level shows that some personnel must still be vetted or have yet to complete child safeguarding training then record this is the risk assessment document.

## DOGS TRUST AIMS TO HIGHLIGHT THAT DOG FOULING IS NOT A DOG PROBLEM BUT A HUMAN ONE

"The Big Scoop" dog fouling awareness campaign by Dogs Trust aims to encourage dog owners to take responsibility and pick up after their dogs, thus reducing the amount of dog poop being left in public spaces. In an effort to encourage communities across the country to tackle the issue of dog fouling in their area, they will take part in Tidy Towns 2018, the 60th anniversary of this national competition, under the Special Award Category. The animal rescue / rehoming charity is eager to see communities demonstrate the most creative and sustainable way of dealing with the issue of dog fouling in their community. As part of the nationwide campaign, their Education and Community team are distributing educational packs to participating primary schools across the country and will deliver "The Big Scoop" workshops, in some of these schools, educating over 28,500 children about the importance of cleaning up after their dog, the laws around dog fouling, how it can affect our health, and who in our community is most at risk! Owners can be fined if the poo is left behind. An on the spot fine of up to €150 can be issued to someone who doesn't scoop the poop in a public place (and this can go up to €4000 if taken to court)! Dog Poop can make people and other dogs sick as it can contain nasty bacteria such as E-coli and parasites like round worm. So always use a Poo Bag and wash your hands when you get home. There are people in our community, such those with a disability, the visually impaired, and people using buggies and prams, who are more likely to come into contact with dog poo, putting their health at risk. So remember to think of your community and always Bag it, Bin it!

## 6 WAYS TO USE ESSENTIAL OILS WITHOUT A DIFFUSER

Essential oils can always be used topically, which is an effective method, but many oils that are hot or stronger can cause irritation or side effects, and shouldn't be used topically without a lot of care and really knowing what you're doing.

- \* Simply put a couple of drops of your oil of choice onto a plain cotton ball and place into a fan vent in your car. The moving air will flow through the cotton ball, diffusing the scent.

- \* Re-purpose an empty spray bottle from under your sink; add a few drops of your oil to some water and use as an air freshener.

- \* Sprinkle oils onto a tissue, hand-towel or washcloth near where you sleep or work. One of the best places to sprinkle oil is on your pillowcase at night. Lavender has a great calming effect.

- \* Sprinkle a little oil onto a washcloth and toss it in to the dryer to give your clothes your favourite scent.

- \* One quick way to aromatherapy is simply using a pot on your stove. Fill the pot part way with water and drop some of your essential oils in it. Make sure it doesn't boil – just steaming will do the job. Add more as needed. This will fill your kitchen with a lovely fragrance.

- \* Simply open the essential oil bottle, take a deep breath, and repeat every few minutes. If it's an oil that you feel is safe to use on your skin, you can pour 2-3 drops on your palms, rub them together, and then cup your hands under your face and breathe in deeply.

## THOUSANDS OF BIRDS ARE BEING SAVED FROM FLYING INTO TORONTO BUILDINGS

While glass buildings may seem like a harmless feature of modern architecture, this is not the case for the millions of birds who fly into windows every year.

Toronto made history in 2009 when they became the first city in the world to mandate bird-friendly buildings. This means that any structure that is built within Toronto city limits must incorporate several features that prevent birds from accidentally flying into the glass.

City buildings are no longer built with excessive glass panelling so birds are not tricked by the surface's reflections and much of the glass that is on the exterior of the building features some kind of pattern that makes it recognizable to avian eyes. Some windows are recessed into the buildings in order to reduce reflections while other windows are simply equipped with blinds or sun shades.

Since birds can also be drawn to bright spots in the sky, city buildings turn off their lights at night. In addition to mandating that all new Toronto buildings are constructed with these avian-friendly guidelines, older buildings have also been given slight upgrades to accommodate the migrating species and bird deaths have been almost completely eliminated since patterns were added to several pre-existing building windows. These groundbreaking initiatives are thanks to the work of the Fatal Light Awareness Program (FLAP) a charity dedicated to saving birds from the dangers of reflective city glass, the stakeholders of Lights Out! Toronto, Toronto City Council, and City of Toronto Planning Department staff.

## THIS FRIENDSHIP IS A MYSTERY TO RESEARCHERS

55-year-old Fiona Presley from Scotland may be the first person to ever have a bumblebee as a pet. The library assistant found her tiny friend when she was working in her garden last spring. "I put my hand down in front of her and she crawled on to it right away. I looked at her and thought, something's not right here, she's got no wings. She made sort of clicks, buzzy sounds when she was in close contact with me and was happy to sit and groom, eat, drink and sleep on my hand." As the weather outside of Ms. Presley's home in Inverness started to worsen, she realised that the buff-tailed bumblebee queen would not survive in the wilderness on her own – so she adopted it as a pet, named her Bee, took her inside and kept her snug in a crate filled with flowers and grasses. "She is totally relaxed with me; people have a bond with their dog or cat and even their hamster. I think I have proved here that you can have a relationship with an insect" Ms. Presley said. Professor Lars Chittka Professor of Sensory and Behavioural Ecology at the Queen Mary University of London said that "No scientist to my knowledge has tested whether bees, even with each other, form some sort of emotional relations. So I think it's quite remarkable that a layperson would make such detailed observations that actually get scientists to scratch their heads and ask what's going on there."

The queen, male and worker buff-tailed bumblebees all have a yellow collar near the head and another on the abdomen. The queen has an off-white/buff colour 'tail' while the workers have a white 'tail' with a faint buff line separating tail from the rest of the abdomen. Males have a buff-tinged tail and also have black hair on their face

The species is named after the queen's buff-coloured 'tail'; it is a widespread species which visits many different types of flowers for pollen and nectar and makes nests underground.

## Know Your Rights: FREE CANCER SCREENING PROGRAMMES

### QUESTION

My friend has been offered free screening for cancer. She says it's a national free screening programme. How can I take part?

### ANSWER

The National Cancer Screening Service provides free screening programmes to help detect or prevent several types of cancer.

**BowelScreen** – The National Bowel Screening Programme aims to detect bowel cancer at an early stage in people who have no symptoms. It offers free screening every two years to men and women aged 60 to 69. If you are in this age group, you can ring BowelScreen on Freephone 1800 45 45 55 to check your details are on the register. If you are on the register, you will receive an invitation to take part in the BowelScreen programme.

**CervicalCheck** – The National Cervical Screening Programme tests women aged 25 to 60 for changes in the cells of the cervix. Early detection and treatment can prevent cervical cancer. If you are aged between 25 and 60 and have never had a CervicalCheck smear test, you can simply make an appointment with a GP practice or clinic registered with CervicalCheck. You can find one in your area by visiting [cervicalcheck.ie](http://cervicalcheck.ie) or by calling Freephone 1800 45 45 55. A letter of invitation is not needed to make an appointment and attend for a first test.

**BreastCheck** – The National Breast Screening Programme invites women to a free mammogram (x-ray of the breast) every two years. The screening has been available to women aged 50 to 64 but is being gradually extended over the next few years to include all women aged 50 to 69. If you have not received an invitation you can check if you are registered by visiting [breastcheck.ie](http://breastcheck.ie) or by calling Freephone 1800 45 45 55.

Screening can help prevent or detect cancer at an early stage in people who have no symptoms. If you have any specific concerns or symptoms you should visit your GP (family doctor).

### TEACHING YOUR CHILD EMOTIONAL INTELLIGENCE

Emotional Intelligence (EI) refers to the way in which we manage, perceive, understand and control emotions and relationships – both our own and others. Research has shown that EI is very important in our life – and for many people it is more important for success than general intelligence (IQ). Four different factors have been identified in EI and these include:

1. The ability to perceive emotions.....in order to understand emotions, we have to first perceive them accurately. This might mean understanding non-verbal cues such as body language and/or facial expressions.
2. Reasoning with emotions..... Emotions help us to prioritise what we pay attention to and what we respond to.
3. Understanding emotions..... If someone is expressing emotion, we must interpret what it might mean – emotions can have a wide variety of meaning.
4. Managing emotions..... Being able to manage our emotions, regulate our emotions and respond to the emotions of others effectively is the key to EI.

In order to recognise an emotion 'as it happens' for us, it is important to develop self-awareness. This involves tuning into our feelings, recognising what they are and the effect they have on us. Self-regulation is also important in helping us to better understand, empathise and negotiate with other people. The ability to recognise how other people feel is important for success. Being able to read other's signals and respond appropriately is key. The better we are at discerning the feelings behind another person's behaviour, the more skilled we become at communicating with them.

The good news is that EI can be learned and developed. Strategies to work on our EI include:

- Observe: How do you react to others....Do you rush in to judge before you know all the facts? Do you stereotype people? Take a closer look at how you are interacting with people and try putting yourself in their shoes.
- Put the focus on others..... Give others a chance to shine- without worrying about getting attention for your accomplishments.
- Examine how you respond to stress.....Do you get upset, blame others or get angry when in difficult situations. The ability to stay calm and in control when things go wrong is key to success.
- Take responsibility ..... If you make a mistake, apologise.
- Know how your actions will affect others.

## GARDENING OUTLOOK

with John O'Sullivan

### FOCUS ON ALPINES

The vast majority of Alpine plants are easy to grow in any reasonably well drained garden soil. Alpines are ideal plants for rockeries and gaps in stone walls and they will give you colour from early Spring right through the summer. The most important thing when choosing your alpine plants is to make sure you find out the growth rates so that one Alpine plant won't take over other alpine plants in the rockery.

A good example of this would be an alpine called Cerastium (Snow in Summer) which is quite a quick growing Alpine and spreads quickly in a short space of time. It can tend to take over small rockeries. Having said that it is a beautiful plant with silver foliage and is covered, as the name suggests, in beautiful white flowers.

It can be pruned back to keep it under control.

There are also lots of alpines which are compact and can make perfect mounds and shapes. Alpines are also great fillers for stone walls. An ideal plant for this would be a Campanula or Aubrieta.

The Aubrieta is a pink flowering plant that you see growing out of a lot of grottos. Alpines can also be used in containers such as in troughs or window boxes but try to choose ones that are evergreen so that you will have some colour all year round.

**Next week I will focus on Summer Bedding.**

Welcome back dear reader continuing on from last week in the Gospel of John chapter 15, the Lord commissions His followers that as we remain in His love we are to bear good fruit. This fruit is love for one another. Simple enough you would think; but the reality of loving others is neither simple nor easy! When we are attached to the Vine (i.e. Jesus) through studying His Word and obeying it, we are tutored and shown how God wants us to live and treat others. What comes out of our mouths and our actions, in public and in private will all reflect God's character because when we look into His Word we become like more Him. We are made in His image so we have the potential inside of us in seed form to walk like Jesus, we just need to cultivate the ground of our hearts to make that seed grow and mature and bear fruit. We can be transformed from glory to glory through the power of the Holy Spirit simply by following God's Word. We will not take offence and harbour bitterness or resentment, even if we have been treated unfairly by someone as we will know from God's Word that He wants us to forgive others as He has forgiven us all our sins. We can tend look at ourselves through rose tinted glasses while putting others under a microscope looking at their faults and failings. This is what Jesus describes when he tells us not to look at the speck in our neighbour's eye while ignoring the big plank in our own! (Luke 6:27-45) When we allow God to re-program our thinking from negativity to His way, we will have patience with others, show them mercy and forgive quickly, realising how much we need this same mercy ourselves. In Micah 6:8 the Lord tells us that His desire is that we would prioritise Justice and Mercy and walk in Humility with Him. Jesus notes that by their fruits people are known. Here He also mentions about a tree being cut down if it is not producing good fruit. When a branch is attached to a tree it should produce fruit, but if a branch is cut off it is just a twig and gets thrown away - no more good. (Matthew 7:16) Allowing God to teach us and minister to us through His Word will bring healing - not only to our own lives, but an offshoot of our healing will be our ability to love others sincerely with a pure heart, forgive offences and let them go - living a fruitful life and bringing glory to Father God in everything we do.
