EDITOR'S NOTE

A

s we gear up for one of the busiest weekends of the year, the town is certainly looking fantastic. Thousands will descend on Killarney this weekend for the 35th Ring of Kerry Charity Cycle - and it is expected to be one of the hottest trip around the ring since its inception.

The town turned Red, White & Blue on Wednesday as organisers pulled out all the stops for a fantastic 4th Of July celebrations, the 233rd Killarney Regatta took place and it's Hat's Off for this year's Killarney Races.

A busy magazine for you this week as we wish the best of luck to everyone cycling this weekend.

FREAK FLOOD leaves thousands without water

A burst water mains left thousands of homes and businesses in Killarney without water on Sunday evening.

Residents and businesses in the Park Road area experienced a major flood when the burst water main blew a large crater in the road, causing traffic to come to a halt on the road to Tesco Killarney Park.

Irish Water and Kerry County Council worked through the night to restore full water supply to customers after the freak event.

Premises such as Horan's Fruit & Veg were damaged during the flood and this week thanked everyone who gave of their time so willingly on the evening.

"People brought mops, buckets, towels and dehumidifiers and everyone pitched in", Mrs. Horan told the Killarney Outlook

"We really appreciate all the help we got and have had mass said to thank everyone", she added.

Thanks to the Killarney Chamber of Tourism and Commerce, the picturesque Street Banners adorning the landscape of Killarney town are back for the season.

This, along with the wonderful work of Killarney Municipal Council and Killarney Tidy Towns is ensuring that as the season gets into full swing, Killarney is looking it's best.

Fresh from the 4th July Celebrations, the town is gearing up for one of the year's biggest weekends - The Ring of Kerry Charity Cycle. "It really is all systems go" Paul O'Neill, President of the Killarney Chamber, told Killarney Outlook. "The Summer is in full flow and the town is looking great. It is wonderful to see Killarney Businesses brightening up their premises and the wonderful team work of our Tidy Towns volunteers and the Killarney Municipal District", he added.

Garda Ball Benefits Two Worthy Charities

The Kerry Garda Division Black Tie Ball committee were delighted to hand over 2 cheques to two very worthy Kerry charities this week for €1250 each, Kerry Cork Health Link Bus and Kerry Mountain Rescue Team.

"Due to the phenomenal success of our ball back in April, we had €2,500 left over in profit so we were absolutely delighted to be able to surprise these two charities with donations", Garda Gillian McEoin, one of the organisers of the ball told the Killarney Outlook.

Representatives of both charities met with Gardai at Tralee Garda Station on Monday morning to hand over the cheque.

Representatives of both charities are pictured with Chief Superintendent Tom Myers, Garda Gillian Mac Eoin, Gda Lynda Brosnan and Garda Michael Milner at Tralee Garda Station on Monday.

Great Weather... Great Rowing... Great Day...

In glorious weather, the 233rd Annual Killarney Regatta was held on Sunday last at Killarney Golf and Fishing Club on O'Mahoneys Point on Loch Lein.

It was a beautiful day for rowing with lovely water conditions and a little lull in the recent high temperatures to accommodate the hundreds of people young and old who spent the day rowing and putting on a fine display for the large crowd in attendance. A lot of onshore entertainment was on hand with Bouncy Castles, Bonny Baby competition, O'Leary School of Dancing all contributing to a great day out.

A great days racing was had with a number of very close races ran and as usual there was nothing won easily.

The overall points once again went to Muckross by a narrow margin of only 4 points this year with Fossa putting on a strong show of resistance all day by winning 6 races, Muckross also won 6, Flesk Valley 1 and Workmen 3.

A fitting and well deserved tribute was paid to John Kelly (RIP) who passed away earlier this year and gave great service to the sport of rowing in Killarney at club level and as an officer on Killarney Regatta Committee in various positions over many years. A minutes silence was observed before the Senior Mens race with the participating crews holding on the finish line. John is fondly remembered by the rowing fraternity in Killarney.

"The Committee would like to thank the clubs and all who volunteer to assist in running the event on the day, Killarney Golf and Fishing Club for their cooperation and assistance over the years and of course our sponsors for their invaluable contributions", Conor Griffin, Secretary of the Killarney Regatta Committee told the Killarney Outlook.

"It is very encouraging to note that this is the 233rd Annual Regatta and it seems as though the sport of rowing in Killarney is maintaining its popularity among the locals young and old both in terms of participation and as an excellent day out for spectators", Conor added.

The clubs and event are all supported voluntarily by the various trainers and club personnel who volunteer in all weather all year round to ensure we enjoy the annual spectacle.

Culture Night in Kerry wants us all to get involved

Culture Night this year takes place on Friday 21st September and is co-ordinated in Kerry by the Arts Office at Kerry County Council. It offers the public a free opportunity to see the work of artists and creative industry professionals, arts organisations and cultural venues on the night. "A great many venues across Kerry stay open late into the night and use the platform as an opportunity to engage with the public, to find new audiences and new visitors to their premises" says Kate Kennelly, the Arts Officer at Kerry County Council. It also represents an opportunity for communities in towns and villages to plan their culture night events so that audiences can move from venue to venue to take in all the events. The night is supported through the Arts Office who offer promotional support to organisations and groups to get involved. "The emphasis is on arts activity across all artforms, such as music, dance, film, art and literature and it is designed so that anyone can experience an arts event in their local area", stated An Cathaoirleach, Councillor Norma Foley.

The Arts Office is reaching out to new communities and all towns and villages to get involved in a programme of events for their area. With the addition of some support from Creative Ireland there is an enhanced focus on creativity. "As a teacher I have seen first-hand the huge benefits to young people who experience the arts, not just in self-expression and creativity but also for the positive benefits to mental health and well-being", Councillor Foley went on to say. Anyone interested in getting involved is being asked to contact the Arts Office by the 20th July and by email to arts@kerrycoco.ie or by phone to 066 7183782/7183541

RONAN'S NO UNIFORM DAY A FUNDRAISING HIT

Well done to kind hearted, 9 (and 3/4) year old, Ronan McKeon, who organised a charity event at his school. Ronan, a pupil of Faha National School, has just completed third class and in September last year he wrote to the principal, Mr. Fitzgerald, asking if he could host a non uniform day for a very special charity – Aoibheann's Pink Tie (APT). This is Ronan's third year raising funds for APT which is a National Children's Cancer Charity which provides financial, emotional and practical support to children and their families battling cancer in Ireland. A total of €330.60 was donated on the day and the cheque presentation was made on the last day of school before the summer holidays. Ronan and his family are very thankful to Mr. Fitzgerald, Faha NS and all of the families who supported his effort. A great way for kids, schools and parents to raise funds and awareness for charities.

Killarney Celebrates the 4th of July

KILLARNEY OUTLOOK PHOTOGRAPHER MARIE CARROLL-O'SULLIVAN CAPTURES THE FUN AT THIS YEAR'S 4TH OF JULY PARADE.

HAPPY 4th of July 

MEP hails Deenagh Lodge a model for special needs work

Liadh pictured with staff members at Deenagh Lodge and Walker Ryan Purcell who runs the tea rooms.

Right; Liadh presenting the inaugural Employee of the Week award to Anthony Jones.

Following a hugely successful visit to Deenagh Lodge Tea Rooms in Killarney Sinn Féin MEP Liadh Ní Riada has commended the staff and organisers of the Deenagh Lodge Tea Rooms in Killarney National Park.

The Ireland South MEP visited the tea rooms, which provide training and employment for young people with Down Syndrome, while in Killarney for constituency work.

Ms Ní Riada said the tea rooms should act as model for special needs work and communities across the country.

"I was delighted to visit the Deenagh Lodge Tea Rooms in the beautiful surrounds of Killarney National Park," she said.

"And was particularly honoured to be able to present the inaugural Employee of the Week award to Anthony Jones. Congratulations, Anthony! From what I understand it is well deserved.

"The tea room staff are absolutely wonderful. Friendly and helpful and witty and a perfect example of how young people with Down Syndrome can and do play full, vital and vibrant roles in our community.

"The training they receive here not only helps them with working in the tea room but also provides them with a huge advantage when seeking employment elsewhere or going on to further education.

"The Deenagh Lodge is a model for how this type of inclusive, respectful, integrative and holistic work can and should be done around the country. I cannot commend the people behind it and of course the staff, enough.

"They are currently fundraising to help finance a number of projects they are working on and I would encourage everyone to pop in, enjoy the beautiful surroundings, meet the wonderful staff and of course, have a damn fine cup of tea or coffee."

Two Mile Community National School celebrates its first year

Kerry Education and Training Board's first primary school, Two Mile Community National school, celebrated the end of a very successful first year. The occasion was marked with the schools first ever prize giving ceremony on Monday the 25th of June. Catherine Barry, Principal, introduced the children as they were presented with prizes and certificates for attendance and participation, sport and science. The presentations were made by members of the Board of Management and the Parents' Association. A special presentation was made to Andrew Riordan, who is the first pupil from Two Mile Community National School to graduate having completed 6th class in the school. Andrew will start in Killarney Community College in September. 'We wish Andrew the best in his new school and we are confident that he will be an excellent ambassador for Two Mile Community National School in the future' according to Catherine Barry.

The sunny day at Two Mile was made even better by the outstanding talents of the children who entertained the gathered crowd with uplifting songs, getting a great reception from the audience. The future for Two Mile Community National school is most definitely bright with the school welcoming a second full time teacher next year.

Two Mile CNS is currently accepting applications for all classes for September 2018. Application forms are available at the school office or on the school website: www.twomilecns.ie 086 4183558/064 66 33018

Pop princess and rugby star to judge Ladies Day

THIS year's Ladies Day winner will be chosen by glamorous pop star Una Healy and her dapper rugby star husband Ben Foden who have been lined up as celebrity judges for this year's stylish Dawn Dairies Ladies Day at Killarney Races.

They will select the Best Dressed Lady and Best Dressed Gent at what is considered to be one of the real social highlights of the year in Kerry.

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

SHOULD YOU BE CONSIDERING SWITCHING YOUR MORTGAGE?

Most definitely yes because some of the Irish mortgage lenders have much lower mortgage interest rates compared to others. There can be a very substantial difference in interest rates and monthly repayments between lenders. For example on a mortgage of €200,000 over 30 years based on a property value of €300,000 and comparing current fixed interest rates one lender's 2 year fixed rate is as low as 2.30% (3.90% APR) which costs €770 per month whereas another lender's 2 year fixed rate is as high as 3.30% (APR 3.96%) monthly repayment €876 per month. The monthly repayment for the lender with the higher rate is a staggering €106 per month more expensive. Over the term of the mortgage you would pay €38,271.60 (approx) more in interest based on the above difference in interest rates and based on interest rates not changing. Of course you would need to qualify for the mortgage with the new lender and also there are many other considerations and information you need to know before proceeding further. An experienced mortgage broker should be able to discuss your options with you in plain simple English and answer any queries you may have.

If you have any other queries regarding the above or any other matter you can contact Dermot Cronin QFA, APA at 0646622775 or dermotcroninifa@gmail.com

Novel fundraiser takes place in glorious sunshine

PICTURES MARIE CARROLL-O'SULLIVAN

A novel fundraiser took place in the grounds of Killarney House and Gardens in glorious sunshine on Saturday morning last.

Organised by Nave Yoga, the outdoor yoga class raised funds for Focus Ireland.

"We hold donation classes a few times a year to try to give something back and we always get a great response and a great turnout for the classes. People have been very generous, we managed to raise €900 from our last two donation classes", Elaine O'Donoghue, proprietor of Nave Yoga told the Killarney Outlook.

We tried to go outdoors on 16th June, but unfortunately it rained but we were lucky enough to have The Killarney Plaza as a back up venue for our class on that day. Since the weather has been so good, we decided to attempt our outdoor class again and we were very lucky with our turnout of over 50 people. We got our inspiration from the Himalaya Yoga Valley Centre in Cork who hold a donation class at Fitzgerald's Park in Cork every Saturday and last year raised over €40,000 for Cork Simon Community. We are very much

Proprietors of Nave Yoga, Adrian & Elaine O'Donoghue, take their class outside in morning temperatures of 22 degrees to raise funds for Focus Ireland, thinking of our homeless for the winter months ahead. L-R Áine Fitzgerald, Billy McGowan, Elaine & Adrian O'Donoghue and Melissa Hegarty.

hoping that the weather keeps up so that we can hold a few more of these donation classes this summer. We have such a beautiful space at Killarney House and Gardens and we are very grateful to be able to use it to raise money for such a good cause.

Focus Ireland work to help prevent families, young people and individuals from having to experience homelessness.

Summer Escapes direct from Kerry Airport

This summer why not fly local as there is so much to choose from at Kerry Airport when it comes to booking the perfect getaway. Fly direct to Portugal's Algarve coast with the Kerry to Faro route with Ryanair twice weekly from Kerry Airport.

The Algarve region is Portugal's southernmost region, boasting some of the best beaches, golf courses, water sports and cultural spots you can enjoy in Europe. Flights are every Tuesday and Saturday direct from

Kerry Airport and this year due to popular demand the route has been extended to the end of September.

Throughout the years Spain has been a top choice for Irish holidaymakers, with guaranteed sunshine, wonderful amenities, and a holiday choice to suit all, it's easy to see why. Fly direct from Kerry Airport to Spain's Alicante in the Costa Brava region. Flights with Ryanair are every

Monday and Friday direct from Kerry.

For many this summer a cityscape direct from Kerry Airport is the top choice. Since its launch last November, the Kerry to Berlin route has become a firm favourite with passengers. Berlin is one of Europe's most cosmopolitan city's, with a blend of the old and the new this historical city is full of culture, activities, music, theatre and is a leading city in the European food scene. Flights are every Wednesday and Sunday direct from Kerry Airport with Ryanair.

The other German route direct from Kerry Airport is to Frankfurt-Hahn, which during the summer season serves four direct flights from Kerry on Monday's, Wednesday's, Friday's, and Sunday. The airport is equidistant between Frankfurt and Luxembourg so the opportunities to explore historical and cultural sites are vast.

London remains a top destination from Kerry Airport, for both passengers travelling for business and for passengers who are taking in a cityscape. Take in a West-End show, indulge in a London shopping spree or visit the top visitor sites in the

city. It's the perfect place for a getaway direct from Kerry Airport. Ryanair have routes from Kerry Airport to both London Stansted and London Luton and between both routes there are flights available every day of the week to choose from.

Our daily regional flights to Dublin Airport enable our passengers to arrive to the capital in one hour on this Aer Lingus Regional route. Plus, for 2018 this route will enjoy a 30% increase in capacity using the larger and more modern 70-seater ATR72 aircraft. In addition, this offers you a seamless connection to the USA and Canada direct from Kerry Airport by availing of the Dublin pre-clearance service. Check-in at Kerry Airport for New York, Chicago, Boston, Orlando, San Francisco, Los Angeles, Hartford Connecticut, Newark, Miami, or Toronto with Aer Lingus and receive your onward boarding pass from Dublin. Bags will automatically be transferred, allowing you time to complete your emigration checks at Dublin Airport.

From sun holidays to city breaks this summer fly local, fly Kerry Airport.

Kilgobnet National School in Beaufort celebrated Green Flag last Friday on the last day of school.

It is the school's 5th green flag for Biodiversity and doing the honours of raising the flag were past pupils who are playing on Kerry teams at the moment.

KILLARNEY MAN ROLLS THE WORLD INTO TOWN...

Killarney native, Dr. Tony Murphy rolled the world into town this week. Originally from Glebe Lane, Dr. Murphy is the organiser of the GLOBE conference and is also current director of GLOBE which is based in Boulder, Colorado.

Over 400 international community members, including 190 Students from 41 countries, arrived in Killarney town and National Park to attend the Global Learning and Observations to Benefit the Environment (GLOBE) Program Learning Expedition. The international science and education program provides students and the public worldwide with the opportunity to participate in data collection and the scientific process, and contribute

meaningfully to our understanding of the Earth system and global environment. The Welcome reception & 'Parade of Nations' from Killarney National Park through Killarney town brought the town to a standstill.

The theme of the GLOBE Learning Expeditions (GLEs) was "Mountain, Woods, and Water: Developing a Sense of Place."

GLOBE Learning Expeditions are organized every few years in order to provide students from around the world the opportunity to present their GLOBE research projects to their peers, to GLOBE scientists, and the greater GLOBE community. These conferences also provide students with the opportunity to establish friendships and to

develop collaborative partnerships that will enhance their future GLOBE experiences.

Teachers were provided with an opportunity to share innovative ideas and challenges, to attend protocol and related professional development sessions, and to build connections for research efforts between schools.

At the GLE in Ireland, all students were expected to participate in an oral presentation of their GLOBE research and also had the opportunity to share their culture through song, dance, games, etc. during the GLE Culture Nights.

In addition to giving presentations and sharing culture, students were also in the field collecting data and learning about Killarney National Park.

The Welcome reception & 'Parade of Nations' from Killarney National Park through Killarney town brought the town to a standstill.

Dr Tony Murphy, originally from Glebe Lane, Killarney with members of his family, organiser of the prestigious conference, he is also the current Director of GLOBE Implementation Office in Boulder, Colorado, USA.

TAX MATTERS

With O'Brien Coffey MacSweeney
Accountants & Statutory Auditors

Lump sum payments

You may receive a lump sum payment from your employer if you retire or have left work. You will only be liable to pay tax on the amount of your payment that is more than either:

- basic exemption and increased exemption (if due) or
- Standard Capital Superannuation Benefit (SCSB).

Basic exemption

The basic exemption is €10,160, plus €765 for each complete year that you have worked.

The following items can be counted towards a full year's work:

- time worked before and after a career break
- a period of job-sharing or part-time work
- for group companies, all work carried out in Ireland.

If you have taken a career break the length of the break cannot be counted.

Increased exemption

You may claim an increased exemption up to €10,000. To claim this, you must not have received a lump sum payment in the past ten years.

You may be due to receive a lump sum payment from your pension scheme. This lump sum will be deducted from the €10,000.

If this payment is not due yet, then the current value of it is deducted from the €10,000. You may have agreed with your pension provider that you will never receive a lump sum payment. You must inform your employer of this agreement in order to receive the increased exemption.

Standard Capital Superannuation Benefit (SCSB)

You may benefit from SCSB if you have high earnings and long service.

You calculate SCSB at one fifteenth of the average annual pay for your last 36 months in employment. This is then multiplied by the number of year's service. Any tax free lump sum payments you receive are then taken from this benefit.

COFFEE MORNING

Heart of Killarney is an initiative to increase awareness of the locations of public access AEDs which started out in the town centre, where an AED Phonebox was installed on Main Street, by the project leader Damien Baker. Historically, the phone box played a huge part of Ireland's communities. They were the lifeline that kept families together. Now they can do that again by housing these life saving devices and help the public recognise and remember the locations of the AEDs. Their aim is to roll out these phone boxes all over Ireland, one is in Fossa, one in Lissivigeen, and there will be one coming to Woodlawn. They are having a coffee morning in the Killarney Oaks Hotel on the 7th August 2018 to try and fundraise for these phone boxes. They are a voluntary group, doing absolutely fantastic work for the community, all support greatly appreciated.

FAMILY DAY OUT

Dinis Cottage and Tea Rooms are hosting a Family Day Out on Sunday 15th July from 1:30pm with a BBQ...Live Music...Candle Making Workshop for Children.

PLASTIC FREE JULY INITIATIVE

July is the month for the worldwide Plastic Free Challenge, by encouraging people to be more aware of their plastic use, we can create a cleaner world for generations to come. Part of this involves supporting behaviour change and helping others habitually #choosetorefuse shopping bags, straws, takeaway containers and coffee cups – just to name a few. Killarney cafes have already taken on this message by selling reusable coffee cups. This is down to The Conscious Cup Campaign, which was launched in Killarney last year by the Killarney Scouts in association with Killarney Looking Good committee. The campaign sees customers who bring their own cups to coffee shops being rewarded. Over two million non-recyclable disposable cups are sold each day in Ireland, hopefully this month we can all think about reducing our single plastic use.

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

FEELING TOO SORE AFTER A NEW EXERCISE CLASS TO CONTINUE?

Doms (delayed onset muscle soreness) would be expected especially if you are a total beginner to exercise. As the body moves in patterns it may not be used to, weak and untrained muscles get a wake up call and can experience quite a bit of pain as a result. Hopefully after week 1 you will stop experiencing such pain and your body will adapt, get stronger and tone up. Happy days. Win win. Be patient give it time. Don't overtrain especially if you are a total beginner.

Top Tips for muscle soreness for beginners

1. Make sure you recover the muscles with a recovery meal post workout (palm sized portion of chicken, fist sized portion of carbs, lots of veg and thumb sized portion of fats) I find this the easiest way to explain portions to my clients. Don't go home and eat a load of junk thinking "era I have earned this". Your recovery meal is the building blocks to recover and build that muscle so don't skip this meal. Make a protein fruit smoothie if you can't grab a nutritionally balanced meal after
2. Go for a cold shower after class
3. Go for a hot bath with epsom salts on day 2 after your class
4. Go for a leisurely walk to loosen out
5. Get on your foam roller

RUN KILLARNEY | 28th July 2018

Run Killarney latest news with Chris Grayson, experienced runner and pacer

**ONLY
3 WEEKS
TO GO**

International Flair

To date Run Killarney has athletes from 18 different countries competing in what is becoming an international festival of running. Many running clubs and groups from all across Ireland are coming to Killarney to take part in Ireland's most beautiful road race. We are looking forward to welcoming more than 2500 athletes for one of the country's biggest running events.

Injury Prevention

At the first sign of injury or niggle most runners have the same reaction - ignore it and keep training thinking it will go away. Taking the time to find and fix an injury before it becomes chronic will give you a better chance to train injury free. There are lots of great physiotherapists in Kerry that are experts in sports injuries especially running. Here are my tips on preventing injury.

Rest!

A rest day is extremely important when it comes to avoiding injuries. You should have at least one complete rest day in a week along with a recovery day where you could swim, walk or cycle. Listen to your body, if you feel tired on a day where you're meant to be doing a quicker paced run (speed work or fartlek) then don't. Run very easy or take the day off.

Warm-up / cool-down

By warming up you increase your heart rate gradually and your muscles will be warm and flexible resulting in being less prone to injury. 10 minutes warm up would suffice and prepare you for the training ahead. Equally as important is cooling down, at the end of a run where your heart rate was elevated to aerobic or anaerobic levels you should ideally spend 10 minutes or so running very easy or walking in order to allow your heart rate to decrease slowly back to its normal rate.

Gradual increase mileage

Don't be tempted to increase your running distances or paces too quickly. Stick to your training program. The general rule of thumb is not to increase your running distance by more than 10% a week. After a hard run it's vital that the next day's activities should be an easy day. General rule of thumb is hard run/easy run/hard run/easy run and so on.

Maintain / improve flexibility

A lack of flexibility is a big contributor to injuries. Introducing yoga or Pilates into your training plan can help gain strength and flexibility.

Strength work

Many new runners don't undertake any form of strengthening work for their legs, thinking that all the running they are doing will be sufficient. Strength training is essential for preparing the body for training and racing.

*Remember if you don't quit you can't fail

Life & Body Confidence Coach

ARE YOU REACTING FROM THE PAST?

Do you find yourself repeating the same old reactions to things that happen in your life? When something goes wrong do you automatically think the same old thoughts about what has happened? Life is a funny thing. It brings us opportunities to change and grow and yet many people find that they are stuck in the same old behavioural rut of thinking and feeling the same emotions as they have always done. It's as if it's groundhog day every day! The problem with this is that there is nothing new that can come into your life. You are too busy RE-ACTING instead of responding & receiving.

FABULOUS LIFE COACHING TIP

Awareness and conscious choices are the keys to begin to choose a new behavior, thought and feeling. The next time you are tempted to react - for instance when someone cuts across you in their car making you brake hard, take a deep breath, notice how you want to re-act but instead of getting angry or shouting something rude at the other driver, just be aware of what happened. Notice your body, your breath and observe what you are doing and how you are feeling. Take a breath in and exhale in a long sigh out. Then think of the most positive thing you can say to yourself, for example "Well, no - one got hurt. That person must be in a rush - I hope they get there safely." Then let it go! Don't go on talking about it. Direct your focus back into what gives you more joy! The result is that will have changed an automatic reaction into a conscious kind response. In doing this you will have also calmed your nervous system and created a new neural pathway to use again in the future. This is powerful because it puts you back into conscious control of your life.

Now in its 20th year this event still draws a huge crowd where people can meet and enjoy the days of old in a relaxed atmosphere. This fundraising event is both enjoyable and vital to the financial standing of the Special Needs Association. All monies raised will be distributed to the various groups caring for our Special Friends.

The downturn in the economy has had a substantial impact on organisations and centres, they would not be in a position to deliver the range of quality services without the goodwill and generosity of local communities. Thus support for fundraising activities are a valuable and vital source of income, in enabling people with intellectual and physical disabilities live fulfilling lives and reach their full potential.

An event like this does not happen without support and help from the community, the committee would like to thank and pay tribute to the many people who have given generously of their time, their talents and their resources over the years to help us in our fund-raising efforts, so once again we call on volunteers to get involved, for whatever amount of time that they can help with tasks to make this the best ever afternoon.

FOSSA NOTES

LOTTO 1ST JULY 2018

Numbers drawn were 2, 8, 20, 22. There was no jackpot winner and the consolation winners were Aisling Fleming, Curragh Aghadoe, Patricia White, c/o Kaynes Bar, John Cronin, Killorglin, Pat Sweeney, Tomies and Darragh Crowley, c/o Liebherr. Next week's jackpot will be €4,500.

SENIORS

Fossa secured a very valuable win over St. Michaels/Foilmore in the county league on Sunday. Fossa got a dream start when Paudie Clifford crashed the ball to the net with the

first attack of the game, however St Michaels/Foilmore replied instantly with a point and incredibly in the second minute they struck for a goal to take the lead. The game continued at a frantic pace with the impressive Cian O'Shea putting over a great point after a surging run from midfield, in the sixth minute Tadgh O'Shea scored Fossa's second goal and Lorcan Daly kicked a point to leave Fossa leading by four after seven minutes of play. St Michaels/Foilmore, who were competitive all through, never gave up and kept the scoreboard ticking, however further scores by Cian O'Shea, Tadgh O'Shea, Fintan Coffey, Paudie Clifford and Michael O'Keeffe left Fossa leading at the break, 2-07 to 1-06. Lorcan Daly kicked two very good scores at the start of the second half but St. Michaels/Foilmore scored an excellent goal in the fourth minute to bring them right back in contention again. This seemed to focus the Fossa players and they responded well after that, Kevin O'Sullivan had a tremendous game in defence, breaking up numerous attacks and breaking forward, Fintan Coffey and Cian O'Shea won a lot of ball at midfield and Paudie Clifford was his usual inventive self at centre forward, Darragh Rice and Brian Walsh also added a different dimension when they came on. Scores from Michael O'Keeffe, Donald O'Sullivan, Tadgh O'Shea and Paudie Clifford gave Fossa a commanding lead with time running out, St. Michaels/Foilmore did score a third goal in injury time but Fossa were worthy winners on a score of 2-17 to 3-11. Fossa had to make a few changes before the game due to injuries and Anthony O'Keeffe was given the job of marshalling the defence from the full back position, this young man acquitted himself with aplomb and gave a brilliant display in such a critical position. Another of our young stars, Cian O'Shea gave a man-of-the-match display at midfield, he has really grown into his role in the senior team, he is demanding the ball and a feature of his game is his surging runs forward which yielded two points and set up several other scores, this augers well for the future of this team and their push for promotion to Division 3.

FEILE

Fossa U-14 girls had an extremely memorable Feile Peil Na nÓg weekend where they competed in Div 5 of the competition in Co Louth. Having set off at 9am the girls were playing in Dreadnotts LGFC, Clogherhead on Friday evening where we met up with our host club, Hunterstown Rovers girls and parents. The games began and Fossa had a good win over Dreadnotts, 5-4 to 0-2. In their second game Fossa had a titanic battle with St Gabriel's of Galway, going down 5-4 to 3-4. Our hosts Rovers lost to St Gabriel's, 0-1 to 3-4 and had a win over Dreadnotts, 3-6 to 3-10. It had been a long journey for our girls and with the extreme heat it was telling on both teams after their games. We went on to Hunterstown Rovers Inn, Ardee for refreshments and the girls got to know their host families. On Saturday morning we played our hosts Hunterstown Rovers in Ardee, Fossa came away with the win in this game. Both Fossa and Hunterstown Rovers quarter finals were played in St Ultan's GAA,

Sean Newman Park, Old Town, Kells, Co. Meath. Both of us were unsuccessful in our quarter finals, Hunterstown lost out to St Ultans 3-5 to 2-2 in the shield quarter final, Fossa lost to Moycarkey-Borris 4-5 to 1-6 in the cup quarter final. It is good to say their disappointment was short lived as both sets of girls headed for the parade in Ardee. We then went back to Hunterstown Rovers Inn for dinner where Anne Marie, Sean and all the Rovers families made it an evening to remember. We presented gifts to our hosts and thanked all at Hunterstown Rovers for their very warm welcome and their great hospitality over the weekend. Thanks to our U-14 trainers Dan and Damien, to the parents who travelled over the weekend, to Alicia Burke who travelled down to join the team after winning a Connaught Junior Golf Championship on Friday and finally a huge thanks to our Fossa girls, Bianca, Alicia C, Alison, Ella, Andrea, Sophie, Abbey, Alicia B, Chelcy, Ava, Elizabeth, Aimee, Alanna, Meadh, Shauna and Charlotte who gave every ounce they had in their bodies over the two days and four matches, you had tough matches and played good football. We are immensely proud of you all. Feile is special and we hope you all enjoyed the experience and take good memories from it. It is about young people having fun and allowing friendships to be made.

CONGRATULATIONS

Well done to Paudie Clifford who won a Munster Championship medal with the Kerry Junior team who defeated Cork on Wednesday evening, this completed a memorable week for the Clifford family.

KILCUMMIN NEWS

SYMPATHY

Sympathy is extended to the families of the late James Sheahan, Knockeenallicka; Arthur O'Keeffe, Gattabawn who died recently. May they rest in peace.

COMHALTAS

A fantastic weekend was had by all at Fleadh Cheoil Chiarraí 2018 held in a sun drenched Milltown. Huge congratulations to all of our members, singers, musicians and dancers who participated in the various array of disciplines and competitions. Of course all of this would not be possible without the dedicated trainers and indeed parents who support our members in no small way.

COMMUNITY GAMES

The curtain came down on the local community games activities for 2018 when the County Athletics finals were held at An Ríocht track Castleisland on Saturday and Sunday last. Kilcummin were strongly represented with over 20 athletes competing and the standard was incredibly high as usual. As ever, Kilcummin did not come away empty handed with a few medals collected in Sundays finals. First mention however goes to Cian Forde who ran superbly in his U12 600m semi-final on Saturday to come home second and qualify for Sundays final. Despite a hectic pace being set in this final Cian had worked his way up on the outside lane and was in a great position for a medal when, with only 150m to go, Cian fell

as a number of runners collided. He got to his feet and finished to sustained applause down the final straight. Well done Cian and be very proud of your day's work. In the U8 60m final Daniel O'Sullivan got off to an excellent start but there was little between the 8 athletes at the mid-stage. However a really powerful finish saw Daniel achieve a wonderful second place as he brought home the silver medal. In the U10 hurdles finals Cillian O'Leary's excellent technique and strong running saw him come home in third place and take the bronze medal which was just reward for a series of consistently excellent performances over the two days. And our U16 boys relay team of Colin O'Leary, Micheal Sweeney, Cian Foley, Turlough O'Connor & Dara O'Callaghan came home in second and collected silver medals. So overall a wonderful weekend of running in glorious sunshine and every athlete who completed from Kilcummin can be proud of their efforts. In recent weeks Kilcummin have also had some other successes. Credit to our competitors in the County Judo finals where Darragh Forde took silver in the Boys U16 30kgs while brother Cian took silver in the U16 34kgs. However, it was their sister Liadh Forde who swept to gold in the U16 Girls 30kgs and now goes forward to represent her parish and county in the National Finals in August. In the recent All-Ireland Music finals Micheal Healy took fourth place and the pewter medal in the U12 solo music while the U16 Group Music brought home All-Ireland bronze medals which represents a fantastic achievement. So well done to Olwyn Evans, Claire Stagg, Ailbhe Brosnan, Julieanna Friel, Kirill Healy & Ewan Evans and to Grania Evans for her coaching of the team on bringing All-Ireland medals back to Kilcummin. Finally well done to our U10 Football team who put in excellent performances in the County finals in Tralee earlier this month but a narrow loss meant they missed out on a semi-final place. Thanks to all our competitors and mentors for ensuring that Kilcummin were very well represented across a huge range of events this year and we can look forward to more of the same in 2019.

KILCUMMIN GAA

CO JUNIOR LEAGUE RD 5

Kilcummin are at home to Annascaul on this Friday at 7.30. Support would be welcome as the lads press for a place in the final.

CREDIT UNION CO LEAGUE RD 8

Kilcummin 3 - 22 Na Gael 0-9. From the off Kilcummin took the game to their hosts who were missing a number of key players and playing some good running and free flowing football the game was effectively over at half

time. Goals by Damien O Leary, and John McCarthy twice helped us to a 3-9 to 0-3 lead at the break. Kilcummin kicked a further 13 points in the second half as the management team introduced a number of substitutes in the very warm conditions. This result sees us go 2nd in the table with a number of difficult games remaining. Our defence was outstanding as a whole with James Nagle, Donal Maher and Chris O Leary to the fore. Kevin Gorman and Shane Mc Sweeney controlled midfield and supplied the forwards with plenty of ball giving the likes of John McCarthy, Damien O Leary and Ian Devane the opportunity to shine.

COUNTY INVOLVEMENT

Kilcummin GAA Club enjoyed an amazing week of reflected glory revelling in the achievements of our players playing in the Green and Gold. Pride of place this week goes to Kieran Murphy who captained the Kerry Juniors to a Munster title on Wednesday and turned in a powerful performance in midfield to overcome a good Cork team. Sean O Leary followed this up on Friday night when he was part of the Kerry u-20's that also defeated Cork in this inaugural Munster final, scoring two crucial points from play. All this added to Kevin McCarthy, Paul O Shea and Keith O Leary's achievements last week means 5 Munster medals have come to the club as well as the honour of 2 captaincies in the space of a week. Well done to all concerned.

SYMPATHY

Sympathy is extended to the family of former Kilcummin player James Sheehan who passed away during the week. May he rest in peace.

Sun Shines Down on Dylan's Memorial Tournament 2018

Last Saturday with the sun shining the Dylan Crowley Memorial Tournament took place at the Gneeveguilla GAA Grounds. Teams from Gneeveguilla, Rathmore, Killarney Legion, Dromtariffe, Kilcummin, Glenflesk, Lyre, Scartaglen, Currow, Furies, Spa and Kenmare all took part. After a great day of football the Div 1 Final saw Spa come out on top against Rathmore. The Div 2 Final saw Kilcummin take on Killarney Legion with Legion winning. The Div 3 final saw Dromtariffe play Currow with Currow winning this.

Overall the skill and competitiveness was excellent with huge credit going to the mentors, trainers, parents and of course the children themselves.

The organisers would like to thank Gneeveguilla GAA, the ladies for overseeing the refreshments, the referees, Sean and Mike O Keeffe for doing the Facebook live and anyone else who helped out on the day.

Thanks to Michael Doyle who led the teams in a parade before the finals with his bagpipes, the players really enjoyed this.

The tournament was a huge success and a fitting tribute to Dylans memory as it commemorated the fun, joy and laughter he got from playing sports with his friends. The tournament is a lovely way of honouring a very special boy who passed away in August 2013 and also to celebrate his 15th birthday in July.

All Smiles.... Some of the participants at the Dylan Crowley Memorial Tournament.

Dylan's Parents Eileen and Christy with his aunt Kit and Sean O'Sullivan tournament organiser.

GARDENING DURING THE HEATWAVE

With the heatwave set to continue, here are some tips to get you through the hose pipe ban.

- ★ Don't water plants during the day as the water evaporates in the heat. Do it early in the morning or late in the evening. You can use any left over water from washing dishes etc. to water plants, the soap suds won't do any harm.
- ★ Sprinklers waste water by spraying nearby paths and fences so it is best not to use them.
- ★ Position plants in the shade if possible so they will need less water.
- ★ Don't plant anything new until the weather breaks but if you have new plants in the garden, make a hollow ring around them to store the water.
- ★ If you do own a greenhouse, leave the it open 24 hours a day to keep it as cool as possible.
- ★ And finally don't use fertilizer during the hot spell as it will scorch the grass.

KILLARNEY REGATTA

Congratulations and well done to all our rowers, coxes and coaches on a successful day for the club at the 233rd Killarney Regatta on Sunday last. A competitive day from start to finish saw a number of races go down to the wire with close battles for first, second and third in several races. The club is once again very proud to have retained the coveted McGillicuddy Points Cup for best overall club, with six the magic number. Six wins, six second and six third place finishes! The morning saw a Junior double with wins in the Mens and Ladies Sixes. The club repeated the Veteran success of 2017, with victories in both Mens and Ladies races while our Junior Mens Four and Senior Ladies Four completed the club's tally of gold medals. The club was second in the Senior Mens and Ladies Sixes and Senior Mens Four. Silver medals were also secured by our Veteran Mens B crew, who helped the club to an impressive first and second in their race. While the underage trophies proved elusive, our young underage crews did themselves proud with second place finishes in both Juvenile races. The club was also third in the Minor Ladies Sixes. A sincere word of thanks to all our supporters and all who helped in every way to organise and run the club before and on the day.

U11 DYLAN CROWLEY INVITATIONAL

Dylan Crowley U-11 Div 1 Champions, our boys put on a splendid display of skills and scoring ability to win this prestigious tournament. They beat Kenmare, Rathmore and Glenflesk. In very hot conditions they topped the group and

proceeded to the final. We played Rathmore in the final and were very quick outta the blocks scoring two early goals to set us on our way to victory. Some long range points and another goal burst in the second half saw us through despite a very spirited performance from Rathmore. They did us very proud and congrats to Maurice Joy as player of the tournament.

LEGION GAA CLUB NEWS

FÉILE U14 BOYS

An exhausting but tremendously satisfying Féile tournament hosted between Louth and Co. Down saw our u14 boys go to the semi-final stage. Having beaten Ardee, St. Lawrence's and Mattock Rangers/Hunterstown they faced a Dicksboro side that were tough and physical so much so that the team had to expend huge reserves of energy to win by 2 pts. Without doubt this match told as they went down to Manorhamilton in the semi-final in which they just ran out of steam. A great display none the less and in the process did themselves, their parents and the club proud. A tired but happy band made the long bus trip home from Clonduff Co. Down with their heads held high and memories for a lifetime.

JUNIOR E.K. FINAL

Killarney Legion 4-11 Glenflesk 4-16 (after extra time)

A hugely entertaining final saw Glenflesk take the honours in a game that had a bit of everything. At one stage the Legion trailed by 8 pts. and were struggling to keep it at that, the concession of 3 goals in the opening half gave them a mountain to climb. To their credit they showed admirable resilience and persistence to drag themselves back into the contest. Fair to say that the main reason was the performance

Shane McSweeney (Kilcummin) in action with Eoghan Sheehy (Na Gaeil) in the Credit Union Co League Round 8 at na Gaeil GAA grounds on Sunday. PICTURE: JOE HANLY

of Conor McCarthy at full forward who hit 3-2 and was unmarkable and Sean McCarthy was immense at midfield and his black card at the start of extra time had a huge effect on the Legion's prospects. Adam Moynihan was creative on the ball and indeed his disguised free kick at the death to Stephen McCarthy wrong footed the Glenflesk defence and saw a neat finish to the net. An issue for the Legion was the supply of ball to the inside line was at times sporadic and with Micheál Devlin and Moynihan having to drift back to their own backline to gather - it left a corresponding gap in the half forward line, when these players managed to get forward there was always a threat. The effort to get back on terms certainly took its toll as Glenflesk dominated extra time and gradually pulled away to eventually earn the win and congratulations to them. The Legion lads gave their all and couldn't give anymore on a ferociously hot night that sapped energy in a relentless way. Still a very fine showing by the juniors and all those involved.

DYLAN CROWLEY TOURNAMENT

Many thanks to Gneeveguilla G.A.A. for their invite to one of the best run events in Kerry G.A.A. and as usual it was organised to perfection with twelve clubs from East Kerry and Duhallow competing at u11. Established as a fitting memorial to a lovely young boy who was sports mad and who was so sadly taken at a tender age. The Legion u11's had a great outing and eventually came home winners having beaten Kilcummin in the final, well done to one and all.

CO. LEAGUE

Rathmore 3-12 Killarney Legion 1-17

The narrowest of margins and a winner with just seconds to go saw the seniors lose a game that they certainly should have taken something from. The performance all round lacked very little but the Achilles heel were a series of defensive errors that eventually turned the tide - in fact two second half goals came from slip ups. Despite this three times they

came from a good distance back to level and even go ahead in spite of the set backs. Conor Keane kept up his fantastic goal scoring record with another top drawer finish and was always dangerous throughout. Pdraig Lucey on the edge of the square had a huge influence and he was the perfect target man all night. Without doubt Jamie O Sullivan is one of the top two footed players in the county and he returned a total of 8 pts. while leading the attack at centre forward. A word of praise also for Conor McCarthy in goal who produced top drawer saves when faced with one on ones, and his kick outs hit their intended targets consistently. Unfortunately Kevin Breen suffered a nasty ankle injury and we wish him a full and speedy recovery.

A COLLECTORS ITEM

Congratulations to Cian Gammell who as part of the Kerry u20's added the first ever u20 Munster Champions medal to his ever growing collection.

DR. CROKES GAA CLUB

COUNTY LEAGUE DIVISION

1 - ROUND 8

Dr Crokes 4-17 John Mitchels 0-11
Played in Lewis Road on Saturday 30th of June
Despite our big win over John Mitchels this was
a very competitive game in the first half. Our
opponents had every bit as much play as we
had but two good goals by Jordan Kiely gave us
a 2-6 to 0-5 lead at half time.

We started much the better at the start of the
second half and outscored John Mitchels by
four points to one. This put us ten points clear
with twenty minutes to go. Our opponents
never gave up but failed over the hour to score
a goal. Goals as we alwas say win matches and
on the night we got trough for four majors
which ensured us a convincing victory.

Johnny Buckley aided by Alan O' Sullivan was
very much to the fore at midfield and Jordan
Kiely found the net on two occasions in the
first half. This meant that our opponents were
always chasing the game even though they
battled hard right to the end.

EAST KERRY JUNIOR LEAGUE DIVISION 2.. FINAL

Killarney Legion 4-11 Glenflesk 4-16 (after extra
time)

These two whole hearted teams played
themselves to standstill in sweltering
conditions in Rathbeg. Excellent referee
Brian Fleming took the sensible and much
appreciated decision to allow a water break
in each half. The opening quarter looked as if

Glenflesk would completely overwhelm the
Legion as early goals from midfielder Danny
Lucey(1-3) and Shane Dennehy (1-2) set them
up nicely in fact but for some errant shooting
they should have been more ahead. Slowly the
Legion dragged themselves back into it and
with man of the match Conor McCarthy (3-2)
getting more ball they closed the gap in the
second quarter to just a brace but Glenflesk
had the ability all night to respond and this
they did with a Jonathan Bowler goal to open
another gap to leave the halftime score Legion
0-6 Glenflesk 3-4

Facing into a nice breeze the Legion looked to
have an uphill struggle but the second half itself
held many twists as both sides went flat out for
the win. However the Legions achilles heel all
night was their kickout which Glenflesk time
after time gained possession and converted
on the scoreboard. They refused to give up the
cause and with Sean McCarthy in tremendous
form at midfield they gradually chipped away
at the 8 point deficit. With time ticking a clever
free from Adam Moynihan which wrong footed
the Glenflesk defence saw Stephen McCarthy
strike low and hard to the net for a dramatic
equaliser. Still time for more dram as Glenflesk
on the counter struck over a free from Darragh
Fleming (0-8) before Adam Moynihan did the
same at the other end with the second last kick
of the game in normal time. Indeed the afore
mentioned Darragh Fleming was a crucial cog
in Glenflesks win as he really came into his own
in extra time and he returned with a fantastic
total of 8 pts. from frees and play.

Extra time showed what the comeback had
taken out of the Legion as it was dominated
by Glenflesk who regrouped in fine fashion
and the tacked on 5 points in that period to
deservedly take the title after a thrilling final.
Glenflesk had good performers round the
field but Alan Murphy and Fleming did the
business consistantly throughout. Hard luck

on Legions Conor McCarthy who with 3-2 and was practically unmarkable and in the process of flicking an overhead ball for his third goal shipped a fierce collision in the process. A great entertaining final with twists turns of all sorts along the way.

After game Johnny Brosnan, chairman of East Kerry GAA committee & sponsor Ruth Allen, of Kerry Physiotherapy & Rehabilitation Centre Killarney, parented the cup to Glenfesk captain Jerry Kennedy,

Fossa U14 girls who had an extremely memorable Feile Peil Na nOg weekend.

competed in Div 5 of the competition in Co Louth. Having set off at 9am the girls were playing in Dreadnots Lgfc Clogherhead, Co Louth on Friday evening where we met up with our host club Hunterstown Rovers girls and parents. The games began and Fossa had a good win over Dreadnots Lgfc 5-4 to 0-2. In their second game Fossa had a titanic battle with St Gabriel's of Galway, going down 5-4 to 3-4. Our hosts Rovers lost to St Gabriel's, 0-1 to 3-4 and had a win over Dreadnots, 3-6 to 3-10. It had been a long journey for our girls and with the extreme heat it was telling on both teams after their games.

We went on to Hunterstown Rovers Inn, Ardee for refreshments and the girls got to know their host families.

On Saturday morning we played our hosts Hunterstown Rovers in Ardee. Fossa came away with the win in this game. Both Fossa and Hunterstown Rovers quarter finals were played in St Ultan's Gaa, Sean Newman Park, Old town, Kells, Co. Meath. Both of us were unsuccessful in our quarter finals. Hunterstown Rovers lost out to St Ultans 3-5 to 2-2 in the shield quarter final. Fossa lost to Moycarkey-Borris 4-5 to 1-6 in the cup quarter final.

It is good to say their disappointment was short lived as both sets of girls headed for the parade in Ardee. We then went back to Hunterstown Rovers Inn for dinner where Anne Marie Martin, Sean McClean and all the Rovers families made it an evening to remember. We presented gifts to our hosts and thanked all at Hunterstown Rovers for their very warm welcome and their great hospitality over the weekend. Thanks to Fossa Gaa for their unending support that makes it possible for these girls to battle with the best of clubs in the country.

Thanks to Kerry LGFA for the use of the Kerry county jerseys as we had a colour clash with 3 of our 4 teams that we played. Thanks to our u14 trainers Dan o Connor, Damien Dennehy and our parents who travelled over the weekend and Finally a huge thanks to our Fossa girls,

Bianca, Alicia C, Alison, Ella, Andrea, Sophie, Abbey, Alicia B, Chelcy, Ava, Elizabeth, Aimee, Alanna, Meadhbh, Shauna and Charlotte who gave every ounce they had in their bodies over the two days and four matches, you had tough matches and played good football. Fossa are immensely proud of you all. Feile is special and we hope you all enjoyed the experience and take good memories from it. It is about young people having fun and allowing friendships to be made. Congratulations to Alicia Burke who won the Connaught Junior Golf Championship on Friday 29th and then travelled to join the girls travelled to join the girls in Feile.

MILLTOWN/CASTLEMAINE NEWS

SYMPATHY:

This past week, Milltown Castlemaine lost a great stalwart with the sad and untimely passing of former senior player, Mike Dennehy. In the late 80's and throughout the 90's, Mike was a lynchpin midfielder in a team that set the trend that for the present day crop of footballers. Mike saw his son Donal firmly establish himself on the Milltown Castlemaine senior team, while another of his sons, Michael, also made his senior debut earlier this season. The club extends its deepest sympathy to Mike's wife Noreen, his sons Donal, Michael and Jack, his mother Joan, brothers Jerome and Donal, sister Mary, cousins friends and neighbours. KILLARNEY LEGION ENJOY FEILE TRIP

Legion opened their Division Five campaign with a convincing 7-7 to 1-2 win over St. Marys, having led at half-time by 3-5 to 1-2. Their second game was a close encounter of the best kind, with Legion prevailing by 2-8 to 2-5. The team, supported by Cronins Butchers and Killarney Credit Union, notched up their third win on the trot, leading Hunterstown Rovers/Mattock Rangers by 3-1 to 1-1 at half-time and closing it out for a 4-2 to 2-1 victory. That put them into a Cup quarter-final against Dicksboro, where superb defending in the first half kept the opposition scoreless and resulted in a 1-4 to 1-2 victory in an extremely physical encounter. That extracted a price in the semi-final against Glencar/Manorhamilton. Legion opened well and were unlucky as some chances went slightly astray and were unlucky as a soft goal slipped into their net. Legion fought very hard and bravely in the second half but Glencar/Manorhamilton held out with some great defending of their own to win out by 2-6 to 0-3, a scoreline that didn't reflect a closely fought encounter.

THE 'SUPER 8' GROUPS BEGIN TO TAKE SHAPE!

Our first game in the Super 8s takes us to Croke Park where we meet Galway. We await details on the fixture but it will either be on the Saturday or the Sunday (July 14/15). The other two counties in our group will either be Fermanagh or Kildare and Monaghan or Laois. Those qualifier games are fixed for this weekend. The weekend after the Galway game, we travel to either Laois or Monaghan. There are no 'Super 8' games fixed for the last weekend of July and then for the August Bank Holiday we welcome either Fermanagh or Kildare to Killarney. The CCCC will confirm dates and times next Monday.

Group 2 includes the following counties – Donegal, Dublin, Cork or Tyrone and Roscommon or Armagh. In the event of teams finishing on equal points in a Quarter-Final Group, the tie shall be decided by the following means and in the order specified: (i) Where two Teams only are involved – the outcome of the meeting of the two Teams in the Group (ii) Score difference – subtracting the total Scores against from the total Scores for. (iii) Highest Total Score For (iv) Highest Total Goals For and (v) A Play-Off.

Home Venues shall be subject to approval by the CCCC and must meet the criteria set down by the Health and Safety Committee.

MUNSTER SUCCESS CONTINUED FOR THE JUNIORS AND U20S

Two brilliant games in Austin Stack Park last week, the Juniors were first up on Wednesday night and their first outing was a Munster final. The game was nip and tuck throughout but Kerry finished stronger and came away with a 2 point win over cork, final score Kerry 2-14, Cork 1-15. The Cup was presented by Munster Council Chairman Jerry O'Sullivan to Captain Kieran Murphy (Kilcummin) brother of Shane Murphy who received the Munster Senior Cup only days earlier! Kerry now face Kildare in the All-Ireland semi-final on Saturday in Navan at 4.45pm. This game is the curtain raiser for the Round 4 qualifier between Fermanagh and Kildare.

Then last Friday night the U20s were victorious over Cork, it was a battle for 50 minutes with both sides taking the lead at various times but the match was won in the last ten minutes. It was a very hot night and the right decision was taken to allow a water break in both halves. The game ended 3-11 to 0-14. The Cup was presented by Vice Chairman of the Munster Council Liam Lenihan to Kerry Captain Donal O'Sullivan. Kerry go on to meet the Leinster winners on July 15th.

All smiles at their Dr. Crokes Open Day at their grounds off Lewis Road last Saturday.

Our congratulations to the Juniors, the U20s, Jimmy Keane, Jack O'Connor and their respective management teams on their Munster success. There was a moment of silence last Friday night for the late Michael John O'Shea of Castlegregory – Michael John played Minor, Junior and Senior for Kerry – his son Micheál is a current selector with the Kerry U20s, ar dheis Dé go raibh a anam. It has been a great spell for Kerry football with a clean sweep of all Munster titles! Tim Slattery reliably informs me this is the 3rd time in history that Kerry have won all 4 titles. In 1997 the Kerry beat Clare in the Seniors and Juniors, Kerry beat Cork in the U21s and Limerick in the Minors. Then in 2017 Kerry beat Cork in the Seniors, Juniors and U21s and Clare in the Minors.

COUNTY JUNIOR FOOTBALL LEAGUES

EMERGING ADULthood

Emerging Adulthood is known as the period of time between the age of 18 years and 28 years of age approximately. Unfortunately little attention is given to this period in an individual's life which is a pity because it can be quite a daunting, challenging and fearful time. They may or may not just be out of school and finishing the tail end of their turbulent adolescent years yet this is given little consideration. While it is healthy to encourage more detachment and autonomy and promote the need for more independence it is equally important to acknowledge the plethora of emotions that come with such a step. The fear of the unknown exists. It is part and parcel of this chapter hence parental guidance and support needs to remain steadfast. Emerging adults rarely confess their fears because the pressure is on to save face. They want and need to achieve independence but secretly harbour a lot of fear and confusion as they branch out. Emerging adulthood can extend into a person's late twenties so discussing this reality with our teenagers is necessary. They may change academic courses before finding the right one, take time out and travel, work different jobs, go through various relationships etc on this journey of discovery ; but one thing is for sure they will grow and evolve as they do so. Being open to receiving them regardless of possible mistakes will make them more emotionally robust. They will more than likely seek you out for guidance or comfort and familiarize you with the context of their new world, be it courses, new friendships, problems etc.. They are unique individuals encountering unique experiences to them ; we, on the other hand, may have forgotten how this feels . We must bear this in mind if they become derailed.

Creating a good foundation, before they eventually fly the nest, will provide a solid base for them to return to. This foundation is achievable via open and honest communication, gentle encouragement, unconditional positive regard and acknowledging the challenges which exist for them. Slowly but surely the need to save face and disguise difficulties fades and the emerging adult can discuss his/her experiences in a more realistic fashion, be it academic pressure, friendship/relationship worries, financial concerns and so on. This is a welcomed moment! Now we can visualize someone who is ready, willing and able to be in touch with their emotions and recognize the need to reach out for support. This can be an uphill struggle for emerging adults who don't want to disappoint. Remember, they remain vulnerable and sensitive to praise and criticism despite this outward appearance of emerging adult. As parents we can do a great deal to help them navigate any obstacles they may encounter without remaining so much in the forefront of their lives! Once they know that your support is consistent they can discover a world full of possibilities and, in turn, discover themselves!

A Word of Victory

Welcome back dear reader, last week we looked at the fruit of God's Word changing us from the inside out, bringing healing and transformation. "Christ in you, the hope of glory" (Colossians 1:27) tells of how God makes His home in us after we ask His Son Jesus to be Lord and acknowledge Him as our personal Saviour. He gives us assurance of sharing His glory sealed with the power of His Holy Spirit upon doing this, bringing us into a deeper dimension of intimacy with God, all based upon understanding what Jesus accomplished at the Cross. He shed His blood for the forgiveness of our sins, making us right with God. Not only does the Cross open the door for us to be saved and receive eternal life (i.e. upon death being instantly in the Presence of God in Heaven for eternity); but the stripes that Jesus took when He was whipped and beaten were for the healing of our physical bodies, and the rejection, mocking, shame and abuse He took were for the healing of our minds and emotions (read Isaiah chapter 53). Jesus did so much more for us than we realise. Pictures of a sad man with a little dribble of blood coming from His head do not reflect the truth and are a false, religious view of what really occurred there. Jesus was brutalised and beaten beyond our comprehension, so that on the Cross He resembled more a hunk of meat than a man by the time His oppressors were finished with Him, and He endured that for you and I friend, so that we could be healed of every sickness, disease and heartache. He understands our pain, grief's and sorrow – that is why He came as a human being – to experience everything that the devil puts people through and defeat him one time for all, yet He never sinned or opened His mouth. As mentioned before, holding unforgiveness or bitterness because of things that happened in the past is akin to drinking poison and opens the door for sickness and torment to enter. The last words Jesus spoke on the Cross were "Father, forgive them for they know not what they do" (Luke 23:34). He released his murderers from their sins and forgave them, so we need to do the same! When we make it a practice to quickly forgive, we become mature in Christ, that is we are changed from the inside out and we will experience miraculous healings and breakthrough as walk in a closer relationship with Jesus, doing His Word, even in difficult circumstances. **See more on www.wordofvictory.net.**

More next week...

NOVENA TO ST. CLARE

IN THANKSGIVING

Novena to St. Clare. Ask for three favours, one business, two impossible. Say nine Hail Mary's for nine nights with lighted candles. Pray whether you believe or not. Publish on ninth day. Powerful novena.

Say may the Sacred Heart of Jesus be praised, adored glorified and loved today and everyday throughout the whole world now and forever. Amen
Your request will be granted no matter how impossible it may seem.

THE MIRACLE PRAYER

Dear Heart of Jesus, in the past I have asked you many favours. This time I ask you this special one.
(Mention favour).

Take it dear heart of Jesus and place it within your own broken heart where your father sees it.

Then in his merciful eyes it will become your favour not mine. Amen.

Say this prayer for three days. Publication of prayer and favour will be granted.

Thank you to Michael O'Shea and

thank everyone please accept this

THE MIRACLE PRAYER

Dear Heart of Jesus, in the past I have asked
you many favours. This time I ask you this
special one.
(Mention favour).

Take it dear heart of Jesus and place it within
your own broken heart where your father
sees it.

Then in his merciful eyes it will become your
favour not mine. Amen.

Say this prayer for three days. Publication of
prayer and favour will be granted.
