## EDITOR'S NOTE

A

fter a heart stopping game between Kerry and Dublin last weekend, it's all happening again next Saturday, 14th September and we have a minute by minute account of the game for you in this week's magazine.

The Hospice Coffee morning

has been launched, a young Kilcummin Musician has been honoured and so has a mum of four for her work with her local soccer club. The adventure has begun for all those starting school and our photographer Marie Carroll O'Sullivan was at

many of the local schools to record the smiles on the first day. Hope you enjoy this week's Killarney Outlook!

## Every Cup Counts FOR THE HOSPICE

**PICTURE: MARIE CARROLL-O'SULLIVAN**

**The members of the Kerry Hospice Foundation are ready to raise their cups and welcome supporters to the Royal Hotel on Thursday 19th September for this year's fundraising coffee morning.**

The annual event is sponsored by Bewleys and while the Royal Hotel is the main event, other premises hosting are Killarney Credit Union, Beech Road and Kennelly's Pharmacy, The

Reeks Gateway.

"This is one of our main annual fundraisers" Pat Doolan told the Killarney Outlook. "All proceeds will stay locally helping to fund our Hospice and our Palliative care services", Pat added.

The core idea is still as important now as the day, in 1990, when the organisation was founded. The organisation is totally voluntary and no member of the Kerry Hospice

Foundation is paid for any of their work, time, effort or any costs incurred while helping the charity. The Foundation exists only to deliver on services delivered in Kerry. All money raised in the county is spent locally.

The coffee morning is a great social occasion which receives huge support in the Killarney area.

## KIRILL CLAIMS COVETED MUSICAL TITLE

A young Kilcummin Musician has won the coveted Mike Kenny Musician of the Year 2019 Memorial Cup.

Kirill Healy from Kilcummin is a pupil at Killarney Community College and is the son of Denis and Margaret Healy. He got his first lessons on the whistle at the tender age of six from his neighbour, renowned whistle and flute player, Colm Guilfoyle. This sparked his love of music and Kirill enrolled in the Killarney School of Music in September 2012.

"I never missed a class there and I continued to learn the whistle and flute with Pdraig Buckley and concertina with Greta Curtin", Kirill told the Killarney Outlook. "Music comes easy to Kirill and he is always in his element where ever there is a session or whenever he is in the company of musicians young or old", Kirill's dad Denis told the Killarney Outlook. "He has successfully competed in various competitions and Fleadhanna and holds several county titles for both solo and ensemble events", Denis added.

Kirill is now a key and senior member of Killarney School of Music senior stageworks ensemble and

*Kirill Healy - Winner of the Mike Kenny Musician of the Year 2019 pictured with the memorial cup at the Johnny O'Leary statue, Kenmare Place, Killarney. PICTURE: MARIE CARROLL-O'SULLIVAN*

has already performed at several high profile events at home and abroad. In his free time he sessions in all of the well known trad music establishments in the county where his music and easy going affable nature endears him to all. Kirill was presented with his award by Ted Kenny in Brownes Bar Castleisland on Friday last. Speaking about Kirill's talent, Ted Kenny, who is a cousin of the late Mike Kenny, said he had been watching Kirill's talent over the years. "I remember 5 or 6 years ago he would come into Brown's Bar sitting with the musicians and learning the whistle - over time he became the musician he is now and is thoroughly deserving of the Mike Kenny Musician of the Year Award" Ted told the Killarney Outlook.

Mike Kenny was a founder member and first chairperson of the Patrick O'Keeffe Traditional Music Festival and was a lover of all things Irish and cultural. His memory is carried on every year through the Mike Kenny Musician of the Year Award which is sponsored by his cousin, Ted Kenny.

# 12/24 ENDURANCE RACE A RESOUNDING SUCCESS

The unforgiving August weather marking the end of summer 2019, made little difference to the 250 endurance athletes competing in the Quest 12/24' a one-day individual unsupported endurance adventure race across Ireland's MacGillycuddy's Reeks including a demanding kayak in Waterville and strenuous cycle route on the Iveragh Peninsula and along Kerry's Wild Atlantic Way. Athletes completed in an exhausting choice of 12 hour 147km or 24 hour 248km race respectively. This is the second year of this challenging Quest series of events. Athletes travelled from all over the world, from as far afield as USA, Canada, Israel and all over Europe to take part.

Overall Winner of the 24 hour, 248 km event was well known Ultra Athlete, Matt Casey in a blistering time of 13hr:55mins:17s and In the men's race second position went to well known Ultra Athlete Paul Mahon in a time of 13hrs:57mins:04s and third went to Shane Kenny in a time of 14hrs:06mins:01s. In the female race, no stranger to winning adventure races was Laura O'Driscoll in an amazing time of 13hrs:58mins:32s. Second home was Ger Kelly her recorded time was 17hrs:12mins:17s. Third place went to Natalie Pocelujko in a time of 18hr:12mins:45s Quest 12/24 returns again in August 2021.

## SPECIAL NEEDS EDUCATION MUST BE TREATED WITH THE PRIORITY IT DESERVES

Fianna Fáil TD for Kerry John Brassil has slammed Fine Gael for failing to ensure that pupils with special needs have places in schools.

It comes after the Education Minister last week ordered six schools to open special classes to cater for children with special educational needs. However, resources for these classes have not been allocated.

Deputy Brassil said, "Fianna Fáil has been flagging the serious gap in school places for children with special needs for months. Earlier this year we brought a specific motion before the Dáil to address the shortfalls in special

needs education – and this was unanimously accepted. However, the school term has started and there are children who still don't have a school place.

"The issues go further than that. There are children who have been granted a school place but who have reduced timetables. This is deeply unfair. Each and every child has a right to education to enable them to live a full life and to realise his or her potential. We know that for some, this hasn't been the reality.

"This last-minute attempt by Minister Joe McHugh is deeply disingenuous. Not only has it come too late in the day for many families, he

has failed to allocate the resources or training necessary to enable the roll out of these classes.

"Children with special needs are being treated appallingly by this Government, which is more concerned with optics than delivery", he concluded.

# SHOWCASED IN NEW TOURISM BROCHURE

**T**he beautiful surroundings of Killarney House was the setting for the launch of a new brochure which showcases and promotes the county's parks, gardens and woodlands this week.

Kerry County Council has published the new guide which highlights what amenities are to offer and how they will enhance the attractiveness of the county for visitors with an interest in ecology, biodiversity, wildlife habitats and walking trails. The brochure was launched by the Minister of State, Brendan Griffin TD and the Cathaoirleach of Kerry County Council, Cllr Niall Kelleher at Killarney

House and Gardens, which is one of the many amenities which feature in the new brochure.

The new booklet, which provides information about, directions to, and images of many of the county's parks, gardens and woodlands will be widely distributed and is an action in the County Kerry Tourism Strategy and Action Plan. It includes an introduction by Paul Maher, a native of Kerry, who is curator of the National Botanic Gardens in Dublin.

Among the many amenities featuring in the brochure are Ballyseedy Wood, Bonane Heritage Park, and Childers Park and Woodlands in Listowel as well as, for example,

gardens in Derrynane, Killarney, Milltown, Camp and Kenmare. The brochure was researched, designed and produced by the Tourism Unit of Kerry Council with the support of the Department of Rural and Community Development's Outdoor Recreation Infrastructure Scheme.

The new brochure is available on the Kerry County Council website, [kerrycoco.ie](http://kerrycoco.ie) and will be distributed to tourist offices, accommodation providers and the gardens and woodlands amenities which feature.

*Above; The brochure was launched by the Minister of State, Brendan Griffin TD and the Cathaoirleach of Kerry County Council, Cllr Niall Kelleher, with Joan McCarthy, Tourism Development Officer Kerry County Council, 3rd left, Moira Murrell, Chief Executive Kerry County Council and Cllr Michael Gleeson, Cathaoirleach, Killarney Municipal District. The Launch took place at Killarney House and Gardens, which is one of the many amenities which feature in the new brochure. PHOTO: VALERIE O'SULLIVAN*

# Killarney RFC host successful Tag Rugby Series

**K**illarney Rugby Club grounds in Aghadoe was the venue for the finals of the IRFU/Volkswagen tag series last week.

5 teams signed up to take part in a league over 6 weeks, which culminated in hotly contested finals last week.

The teams were Foy's Dream Team, Taggravated Assault, House Tagaryen, Activate Gold and J.M. Reidy's and the action right across the 6 weeks was fantastic with silky skills on show. There was a wonderful mix of experience and people new to tag rugby and an excellent mix of gender, age and ability.

In the final Foy's Dream Team won the overall Cup Final, having not lost a single match across the series, while Taggravated Assault won the plate round robin. Activate Gold were runners up in the Plate while J.M. Reidy's won the 'Spirit of Tag Trophy'.

"The club were thrilled to be able to showcase our redeveloped pitches at Aghadoe, which has been a hive of activity across the summer with this tag series taking place as well as regular weekly tag rugby", PRO Liam Murphy told the Killarney Outlook.

"Last week we hosted an open day for our Youth

section and U14 girls while our mnis started back training last Saturday. Our Seniors and a seconds team are also training so it's wonderful to see Aghadoe so busy", he added.

"We are proud to have hosted our inaugural IRFU/Volkswagen Tag series and can't wait to do it all again next summer and thanks to the IRFU tag crew for their support, providing gear and huge support, to our fantastic referees who were excellent and to Chairperson Ger Moynihan, Tony Dunne and everyone in the club for working hard to ensure the series was a huge success", Liam said.

## CLOSING DATE FOR LIEBHERR APPRENTICESHIP PROGRAMME 2020 IS FAST APPROACHING

Now entering their 61st year, Apprenticeships at Liebherr Container Cranes continue to provide young people with a fantastic opportunity to gain internationally recognized qualifications, from one of the world's leading companies. With the closing date fast approaching for the 2020 programme, candidates have until 5pm, today, Friday the 6th of September to apply. Successful candidates will benefit from a competitive package, fully paid training and education, excellent future employment and progression prospects, along with the opportunity to travel the world.

Liebherr has invested heavily in their Apprenticeship Programme in recent years, building a state-of-the-art workshop and developing strong partnerships with SOLAS,

the state body with responsibility for training and further education, and with the Institute of Technology in Tralee. Graduating apprentices get a

dual qualification, a Level 6 Craft Certificate and a Level 6 Higher Certificate in Engineering from the IT Tralee. Graduates can build on their higher certificate in Engineering and progress to degree level should they wish to do so.

To apply for these roles, applicants should send an up to date CV, a copy of leaving and junior cert results and a cover letter specifying the role that you are interested in and why to [apprenticerecruit.lcc@liebherr.com](mailto:apprenticerecruit.lcc@liebherr.com). Any further documents such as training certificates, references, project details and awards etc. should also be included.

## MONEY MATTERS.....

By Dermot Cronin,  
**Financial Advisor**

### USING YOUR PENSION TO PAY LESS TAX:

If your loved ones depend on your financial support for their livelihood, Pension contributions provide a way of paying less income tax. Up to Revenue Limits, contributions to a pension qualify for relief from income tax. This effectively means that, where the higher rate of income tax is 40% and you are a higher rate taxpayer, a €100 contribution to a pension will only have a net cost to you of €60 (had you not made the contribution, the other €40 would have gone to the government as income tax). Pensions carry another tax benefit: they grow free of tax, unlike deposit accounts in Banks etc (which are generally subject to tax on interest in the form of DIRT Tax) or investment in property or shares (where rent or dividends are liable to income tax and gains in value are subject to Capital Gains Tax).

When your pension benefits are drawn down, a Retirement Lump Sum of normally at least 25% of the value of your pension can usually be taken either completely free of tax. The rest of the benefit, is usually taken in the form of a retirement fund or a pension for life, is taxable. However many people will find themselves in paying much less tax in retirement than when they were working and making pension contributions, and so will often not pay a lot of tax on their pension income when they retire.

# LIFETIME ACHIEVEMENT AWARD FOR KERRY'S JOHN O'KEEFFE

Last Saturday, on the eve of the All-Ireland Football Final, one of Gaelic Football's all-time greats was celebrated in Croke Park with a Lifetime Achievement Award from the Gaelic Players Association (GPA). Former Kerry footballer, John O'Keeffe, received the award at the seventh annual GPA Football Legends Lunch. The aim of this popular networking event is to honour football legends for their contribution to Gaelic Games and Irish society.

O'Keeffe was a member of the Kerry senior inter-county team from 1969 until 1984. He was a highly talented midfielder, and one of the most stylish and accomplished full-backs in Gaelic football history. O'Keeffe won seven All-Ireland Senior Football Championship medals and 12 Munster Championship medals. Other honours he won include seven National Football League medals and eight Railway Cup medals between Munster and the Combined Universities. He also won a Munster Junior Championship

medal in 1969. He is among the leading recipients of GAA All Stars Awards, with five awards from 1973, 1975, 1976, 1978, and 1979. He was also named the Texaco Footballer of the Year in 1975.

As one of football's greatest full backs, John has a long list of achievements including: seven All-Ireland Senior Football Championship medals; 12 Munster Championship medals; seven National Football League medals; eight Railway Cup medals, and five GAA All Stars Awards. He was also named the Texaco Footballer of the Year in 1975.

After retirement, John then went on to manage both Clare and Limerick at county level, and he was part of Kerry's All-Ireland winning management team in 2000. He has also been a valued contributor for The Irish Times. The Gaelic Players Association honoured John with the award to celebrate his long-standing career and contribution to football as a player, manager and champion.

## Third level students must be given access to better mental health services

Fianna Fáil TD for Kerry John Brassil says a recent study which revealed that more than one third of college students experiencing anxiety and mental health issues underlines the importance of government funding in this area.

The Union of Students of Ireland report found that 38% of students experienced severe levels of anxiety.

Deputy Brassil said, "The findings of this report will not come as any great shock to anyone in either the health or education sectors. Third level students are experiencing high levels of stress and anxiety and want to get help to

manage it. However, despite the increase in students seeking help, funding for supports for these students is not matching demand.

"We need more than promises from government, we need Ministers to follow through on their commitments. Too often Ministers pay lip service to mental health service providers, without giving them the necessary funding and resources to help them maintain and improve the service.

"Appropriate and timely mental health support for third level students not only addresses their mental health issues, it also helps prevent them from dropping out of college courses. Starting

college can be a difficult time for many young people – it can see them moving out of home for the first time, adjusting to new surroundings and meeting new people. It can be a very overwhelming experience.

"Students who are already attending their local mental health services can find it almost impossible to access mental health services in or near their college. Despite these challenges, funding for students supports including mental health has remained stagnant since 2013.

"This survey highlights the demand for mental health services among college students. We need the government to acknowledge the challenges facing these students and start implementing appropriate mental health plans", Deputy Brassil concluded.

# Hundreds graduate from Kerry College

Students from Kerry College of Further Education pictured at their graduation ceremony last week.

**A**cademic achievement and personal success was celebrated at the Kerry ETB's Kerry College Clash Road Campus and Denny Street Graduation Ceremony at the Brandon Conference Centre, Tralee on Friday 30th August 2019. An annual highlight in the college calendar, with over 800 in attendance, the event marked a milestone for graduates and their families.

Students were conferred with QQI awards – both nationally and internationally recognised – in Beauty; Business and Technology; Creative Arts; Childcare; Construction and Engineering; Humanities and Health Care; Science; Sports and Nutrition; and Tourism and Hospitality. This year saw the first cohort of graduates in a number of new programmes offered during the 18/19 academic year: in Dance Studies, Theatre Studies, Animation, Computer Games, Emergency Services, Journalism, Pre-Garda and Youthwork.

From this September, Kerry College Clash Road Campus and Denny Street Campus is again increasing its range of courses on offer. With the new entity "Kerry College of Further Education and Training" across the county, it is easy to see why the Kerry College is rapidly becoming the "First Choice" for school leavers and mature students.

The positive impact further education has had on graduates was shared all evening with stories of successful outcomes being achieved through employment or progression to desired third level course.

Guest of Honour was Nikki Bradley – who made an inspirational contribution about how everybody encounters obstacles but that they can be overcome with resilience and willpower. Director of Further Education and Training Kerry ETB, Owen O'Donnell acknowledged the strong work ethos of the graduates without which they could not have achieved what they did. He also acknowledged the support each graduate received from their families and the college staff which helped them as they made their journey towards success. He spoke about the continued growth of Kerry College and future plans for the provision of education and training programmes for students locally, regionally and nationally. Cllr Terry O'Brien wished all the graduates well in their future endeavours. Exciting times ahead for Kerry College.

# WORLD TOURISM ACCREDITATION FOR KILLARNEY PARK HOTEL

The Killarney Park Hotel were presented with the World Tourism for All seal accreditation last week, pictured is Marcus Treacy, Operations Manager, The Killarney Park, Paudie Healy, CEO, Universal Access, Allan O'Connor, Business Development Manager, The Killarney Park. PHOTOGRAPH: SALLY MACMONAGLE

**The Killarney Park Hotel has received a World Tourism All seal accreditation from Paudie Healy, CEO of Universal Access.**

The company was tasked with working with the hotel and bringing them through the world programme.

This week, Paudie congratulated the hotel in reaching the world seal accreditation, "as a leading international hotel, The Killarney Park showed great leadership and commitments from all their staff in working through a guided pathway leading to the World Tourism for All Quality Programme seal accreditation,

recognising their commitment to access for all, enhancing staff competence and ensuring they continue to give first-class customer service to all people and especially to the changing demographics of senior travellers, families with small children and persons with disabilities", he told the Killarney Outlook.

The Killarney Park went through the Quality Programme in management staff training, web accessibility assessment, facility access audits, access plans and marketing.

Accredited Internationally by the European Network for Accessible Tourism, Ivor Ambrose

MD said, "We would like to congratulate The Killarney Park in reaching the seal accreditation and went on to say that we have designed this world accreditation programme in response to the tourism industry's demand for a global certification system with clear access standards that visitors with access requirements demand and businesses can deliver. The scheme gives prominence to accredited businesses, attractions and other tourism providers who offer secure, comfortable and accessible services for all visitors"

## LARA RECEIVES THE MONICA HARRINGTON MEMORIAL CUP 2019

'VOLUNTEERS DON'T NECESSARILY HAVE THE TIME, THEY JUST HAVE THE HEART'

A Killarney mum of four is this year's recipient of the Monica Harrington Memorial Award at Killarney Athletic.

Lara O'Brien is heavily involved in the club and her four children, David, Lauren, Millie and Eirn are all playing at different levels.

Lara, from Killarney, played with the club at under age level and is the niece of one of the founding members of the club Kieran O'Brien.

In fact, her grandfather, Charlie O'Brien gave land to the club to play on in the early days of its existence.

Having lived in Australia for almost eight years, Lara coached teams and played with local club therer Mosman United.

On her return to Killarney she rejoined the club where she gives freely of her time and Talents.

Last season Lara coached the Under 13 Boys with Brian Bowler and they won their league. Lara also coached the Under 14 B's Boys and 8-10 year old girls with Martin Crowley and will continue in these roles for the coming season.

"I was humbled by the news", Lara told

the Killarney Outlook. "It is a team effort between players and coaches and I am very lucky to have such great people to work with at Killarney Athletic, I have always loved soccer and this is a real honour for me", she added.

"Lara has many attributes aside from being a great coach she is very passionate, kind, approachable and most importantly loved by all the kids. No task is ever too big for Lara and she is always eager to lend a helping hand whenever needed", Club PRO Ger Nagle told the Killarney Outlook.

"It is with great pleasure that we, the committee of Killarney Athletic, have chosen Lara as this year's recipient of the Monica Harrington Memorial Cup, as a reflection of her ever increasing dedication and enthusiasm that she has brought to Killarney Athletic". Ger added. The Award was presented by Don Harrington Founder of Killarney Athletic, in memory of his wife Monica and everyone at Killarney Athletic congratulate Lara on her well deserved award.

## ALZHEIMERS AWARENESS MONTH

Killarney families who are caring for loved ones living with dementia can get free support and advice by attending a local workshop during World Alzheimer's Month this September.

The workshop, which is hosted by Home Instead Senior Care Kerry, is aimed at giving family carers the 'Confidence to Care' for their loved ones living with dementia.

"The number of people living with dementia is growing rapidly, but understanding and awareness of the condition remains low among the public," says Tim Healy, Managing Director at Home Instead Senior Care Kerry.

"Even family members who are caring for a loved one living with dementia are often unaware of the latest thinking and best practice in dementia care.

"We have lots of experience in the field of Alzheimer's and dementia care, and we are committed to helping family carers get a better understanding of the latest information and care management practice, so that they can provide the best care for their relatives who are living with dementia," says Tim Healy.

Home Instead Senior Care has built up vast resources on Alzheimer's and Dementia Care, which it will share with the public at the free workshops.

World Alzheimer's Month is an international campaign held every September to raise awareness around dementia and challenge the stigma that still surrounds it.

World Alzheimer's Day takes place on September 21st.

Home Instead Senior Care Kerry's workshop takes place at their Killarney office on High Street on September 11th from 7pm.

## BRENDAN RETURNS HOME TO PLAY COURTNEYS

Killarney Singer/Songwriter Brendan O'Shea is returning home from his New York base to play Courtneys Bar, Killarney on Saturday night 21st September at 8pm. Adm. €10.

A veteran of the New York music scene since the late 90's, O'Shea has developed a delicate songwriting style and a vast following over the last two decades.

Brendan has shared the stage with The Frames, The Swell Season, Glen Hansard, Cowboy Junkies, Elliott Smith, Loudan Wainwright, and Interpol as well as many others. In addition to headlining his own shows in both the United

States and Europe, he also has embarked on four tours of Japan.

Originally from Two Mile in Aghadoe, Brendan moved to the United States in the late 90's.

Definitely a date for your diary!

# AN EXCITING TIME TO BE A FIRST-YEAR STUDENT AT SECOND LEVEL

By Billy Ryle

## EXAM FOCUSED

Incoming students to second level education will spend a few weeks adjusting to the major changes associated with a new school environment. Post-primary schools are exam focussed and provide a curriculum with a broad range of subjects and extra-curricular activities.

## JUNIOR CERT

Currently, the Junior Cert is being replaced by the Junior Cycle Profile of Achievement (JCPA). Six new grade descriptors - Distinction, Higher Merit, Merit, Achieved, Partially Achieved and Not Graded - are replacing the old ABC grades between now and 2021. The JCPA also records student achievements in class room based assessments under five descriptors - exceptional, above expectations, in line with expectations, yet to meet expectations and not reported.

## EXCITED

Students are usually more excited than anxious about second level and adapt seamlessly to the transition. From being senior students in primary school, they start again on the bottom rung of the ladder in second level. They arrive into a big school, with a large student population, from the familiar primary school where they were secure. They must adjust to a subject specialist teaching system where the subject and teacher changes and movement to different classrooms is involved.

## ADJUSTMENT

They must adjust from the single class teacher system of primary education. At second level, students are taught by nine or ten different teachers, each with a different style and personality. Students, who have been class mates in primary school, often find themselves in different classes in first year. They initially miss their close friends and look forward to meeting them at mid-morning break, at lunch time and at extra-curricular activities. While the separation does inevitable cause concern for some students, most of them take it in their stride and enjoy making new friends. By now, new students will have had an Induction Day when they were given a tour of the facilities and a chance to find their bearings. The rules and timetable were clarified. Many schools also

have a mentoring system where a senior student assists a first-year student.

## ADAPT

First years quickly come to terms with the demands of secondary education. They adapt to the class period system, the new subjects, the formal house exams and the sheer size of population and physical infrastructure. The long busy school day causes fatigue during the initial weeks and students look forward to the home comforts in the evening. Many students have to travel longer distances to school. That means an early start and a late return.

## TIME MANAGEMENT

First year is one for developing time management and study skills. The ROCAR system works well in first year. Establish a daily ROUTINE for studying at home. ORGANISE your books and materials, your study room and your study time. CONCENTRATE on your study by removing any distractions such as mobile phone. APPLICATION means devoting two and a half hours per night on the five week nights to your study. REVISION means regularly going back over material which you have covered earlier in the year.

## PARENTS

Parents play a key role in their child's move into second level. Provide a secure home environment with plenty of psychological and emotional support. Invest time in your child and be there when you're needed. Let your child know that s/he is loved and valued irrespective of her/his shortcomings. Give your child lots of encouragement and set realistic targets that s/he can reach. Avoid comparisons with siblings, cousins or neighbours' children. Take interest in your own child's work and praise the effort not just the performance!

## STUDY FACILITIES

Provide good study facilities for your child. Check her/his homework diary from time to time to confirm that the work is done. Help out where you can but never do your child's homework. Keep the channels of communication

with your child open. Dialogue and an occasional expression of interest maintain a good relationship.

## MEETINGS

Attend the information meetings at the school. Most schools have a parents' association, which organises activities to support the school. Join up, get involved and make a contribution. With the school, the parents and the student working in harmony, transition from Primary to Post-Primary can be very smooth indeed!

*Next week: Planning for success in the 2020 State Examinations.*

## Increase your Oral Irish Skills with Grett

Former TG4 journalist Grett O'Connor has designed an innovative new programme to bring Leaving Cert students to a whole new level of competence at oral Irish.

Based in Macroom, Grett has been working with Leaving Cert students over the past two years to prepare them for the oral Irish exam. This autumn she is beginning a six-month programme to give students the grounding they need to do an excellent oral.

'I found that the students had plenty of Irish, they knew all the words, they knew the grammar, but they couldn't get it out', she said. 'They just weren't sure if they were pronouncing things properly. Also, they were saying things that they had learned off - general statements about their schools, their local areas... stuff that everyone in their class had learned. I worked with them to put together the Irish version of their real life

stories - the things they loved, the unique experiences they had which brought a sparkle to their eyes, the things that set them apart.'

One of her 2019 students got 99.1% in her oral Irish exam. The examiner asked her which Gaelscoil she had attended, but she had done all her education through English! Another student who achieved a H1 grade was asked by the examiner if his family spoke Irish at home, even though his parents don't have a word of Irish. Grett says that's the level of competence she's aiming for with all her students.

Her programme will involve one-to-one sessions using online technology called Zoom which allows note taking and audio recording, giving students a permanent study resource. She will also run group sessions once a month (at weekends or during school holidays) in locations that are convenient for students.

## IS SEPTEMBER A PAIN IN THE NECK?

With children returning to school this week, many people choose this time of year to return to sport and fitness activities. Regularly, when we take up a new physical activity or return to it from a break, it is followed by a little soreness. This is completely normal and is a sign of adaptation to demands put on your body and crucially that you're pushing yourself outside your comfort zone.

Daily physical exercise whether the goals are improvements in strength, stamina or weight loss should always include flexibility. Inflexibility can contribute to restricted movement, fatigue and overuse injuries. But it doesn't have to be that way. Flexibility is the easiest aspect of health fitness to improve. There are many reasons why a movement becomes inflexible.

Muscle length is in large part regulated by our central nervous system and if we don't move our joints, we simply lose our range. Exercise improves the availability of oxygenated blood to meet the demands of some muscles and helps prevent trigger points. Trigger points can initiate pain or changes in sensation and are responsible for most pain,  $\frac{3}{4}$  of which is usually experienced away from the affected muscles, whether it is back pain, neck pain or shoulder pain. Movement should also keep muscle and fascia free to glide passed each other and helps prevent adhesion and stiffness. Stiff movement can greatly contribute to feelings of fatigue.

It doesn't take much to tease out our flexibility again. The muscle doesn't go anywhere, it's still there! Gentle stretching, foam rolling, and the odd sports massage can do the trick. A monthly movement screening with your therapist or instructor so you know where you need to spend your time will help as a guide as you go along. You don't need to stretch a muscle that is already flexible.

## AMBLYOPIA

Lazy eye or amblyopia may be caused if a young child needs very strong glasses, has one eye that is significantly more short-sighted or long-sighted than the other, or has a squint (where the eyes are not looking in the same direction). This means that the sight in the affected eye or eyes does not develop properly.

### Who is affected by amblyopia?

About 2%-3% of all children develop lazy eye, clinically known as amblyopia, when they are a few years old. Children with learning difficulties are ten times more likely to have problems with their vision, including amblyopia

### What are the symptoms of amblyopia (lazy eye)?

Lazy eye is not always easy for parents to spot, and children assume that the way they see is normal and so will not tell you that there is a problem. Symptoms include:

- one eye turning in or out. This may be more noticeable if the child is tired or unwell
- being clumsy or having poor hand to eye coordination
- screwing up their eyes or shutting an eye
- complaining about double vision, or having unexplained headaches.

### How do you treat amblyopia (lazy eye)?

It is more difficult to treat lazy eye once the eyesight has finished developing (usually around the age of seven), but it may still be possible to significantly improve the vision in the weaker eye. The aim of treatment is to stimulate the vision to develop in the lazy eye by enabling the child to use the eye more.

### The treatment depends on what is causing the lazy eye:

- wearing glasses – if the cause of the amblyopia is fully corrected by glasses, the vision in the amblyopic eye may improve over time simply by the child wearing glasses, and no further treatment is needed
- patching – covering your child's good eye can encourage them to use the lazy eye, and so improve vision in that eye
- eye drops – these are put into the good eye to blur the vision in that eye. They act like patching.
- surgery – if glasses do not fully correct a child's squint, the child may need an operation to straighten their eyes to help them use both together. This can be done as early as a few months of age.

## Kerstin Florian Range launched at The Spa at Aghadoe

**T**he Spa at the five star Aghadoe Heights Hotel is synonymous with luxury, pampering and sophisticated products. Therefore it's no surprise that they have entered into a partnership with the well-established and highly regarded Kerstin Florian.

"We were looking for a product that offered clear benefits and measurable results while also being exclusive to our hotel guests and spa visitors," said Spa Manager, Alicja.

The morning kicked off with cocktails and canapes in the newly refurbished View Bar and Terrace, followed by an informative workshop in the stunning Penthouse Suite at Aghadoe. The ladies were treated to hands on demonstrations, delivered by Kerstin Florian expert Jennifer Alexander and the Aghadoe Heights spa therapists.

Aside from some lovely giveaways on the day, each guest received a wonderful goodie bag filled with surprises from Kerstin Florian and Aghadoe Heights.

Kerstin Florian is a luxurious skincare brand which is inspired by seeing outer beauty as a reflection of inner health and mental well-being. Kerstin Florian products and treatments blend spa wellness therapies and nature's health-giving resources into a holistic approach to wellbeing.

### Reinventing yourself!

In a way we are constantly reinventing ourselves throughout our life. As we move from childhood to our teenage years and then onwards into adulthood and into old age, we are continually changing. However, sometimes we take negative habits and patterns from our past with us and these can prevent us from truly transforming and evolving.

**Three top tips to reinventing yourself and living your fullest life!**

- Write a goodbye letter to the part of you that you need to let go of. This maybe a habit, a belief, a pattern or a behaviour that you have done for years. Thank this part of you for keeping you safe all these years and then tell it what you now want. Say goodbye to this aspect of you with great gratitude and love.
- Find an image of what transformation means for you. It may be a candle, a fire, an animal that sheds its skin, a butterfly. Perhaps it's a swan or even a picture of the seasons as they change. Allow yourself to meditate quietly on what this image brings up for you. Do this every day for at least five minutes.
- Live your new self NOW! Every single day, behave as if the change you desire to make has already happened. Think of how you would feel, what kind of things would you say, how would you act, behave, dress, think etc if you were already the change you most want to be.

YOU STAY MOTIVATED**

**TIP 4:**  
If you are a morning person and are more energetic in the mornings, training in the morning will suit you so look to start training in the mornings. Obviously you probably work in the mornings, but try and get up 30mins earlier and get your session in. Go for a walk, a jog, or check out local gyms and see what times they open and maybe join a class. And vice versa, if your more energetic in the evenings do your session in the evenings.

**TIP 5:**  
Diet is hugely important so try and get more fruit into you and also get more veg into your diet.

**TIP 6:**  
And most importantly, get plenty of sleep. The recommended hours for men would be between 6 to 8 hours a night. If you struggle to nod off, reading a book in bed at night usually helps me.

## TOTAL BODY WORKOUT WITH MAURZ

If you are looking for a fun energetic class, that is great for weight loss, toning flexibility and de-stressing then look no further than Maurz Cardio Kick Boxing classes and Kids Martial Arts. Maura is running classes in the Killarney and Tureenchaill and they are a great way of keeping fit and meeting new people.

On Monday, Tuesday's and Thursdays you can take part in adult and teen tone and strength cardio kickboxing at Killarney Sports & Leisure Centre, while the kids are catered for at Killarney Sports & Leisure Centre at Thursdays and in Tureenchaill on Wednesday.

Adults and Teens kickboxing is a non contact total body workout suitable for all ages and levels of fitness, Maura works with each person individually on ability and fitness level.

"Learning a skill like kickboxing helps you to hold yourself more confidently and great for hand eye coordination which helps build skills for self defence, while being a total body burning class", Maura told the Killarney Outlook.

Kids Martial arts classes are based on Technique, Self-defence and discipline, there is no full contact in class, it's about learning self control and safety

"It's a fun relaxed class and I like to build inner confidence and self belief while getting students to interact with each other and making new friends, social interaction and fun is an important part of the class"

## 54321

## Challenge Accepted...

**F**or the 7th year in a row, the annual 54321 challenge was completed on Sunday August 25th.

This year saw the largest participation with 8 teams of 5 undertaking 4 days of challenges, cycling the Ring of Kerry, Climbing Carrauntoohil, cycling from Killarney to Dingle and climbing Mt Brandon and then cycling back to Killarney from Dingle on the final day.

A mix of weather over the 4 days did not dampen spirits in the group and a great experience was had by all -

new and seasoned participants alike.

There was great support from this year's chosen charities which included Skellig Stars, Kerry Hospice Foundation and Dingle Coast and Cliff Rescue Service.

One of the participants this year was Catherine Foley who participated for the Kerry Hospice Foundation.

"My two brothers and I signed up for the 54321 challenge on behalf of the Kerry Hospice Foundation. Our beloved mother had been attending the Palliative Care Day Unit for over 2 years and the support we received was vital to us as a family so we were inspired to participate. The Hospice provides care for all people, regardless of their illness. When you are dealing with a rare disease, this is important. We will be forever

grateful to the staff of Kerry Hospice for the care we received", Catherine said.

"I had been part of the first 54321 challenge and remained a friend of the event and its wonderful organisers TJ, Carole and Tony! Warning to all future participants, you will get sucked in and it's hard to get away! You won't want to though. This event is special. The physical challenge is only part of it and pales into insignificance when you take into account the memories, friendships, support, laughs and fun you will experience, not just over the four days but before and after the event also. 54321 is not a team, it's a family.

Having completed the challenge this year with my two brothers this year, I would also highly recommend participating as families also. The sense of achievement is great and it is an extremely well organised event. We joked that it was like a taste trail, the food was so good. The scenery was fantastic and nobody ever dissolved in the rain! It takes courage, no doubt but the motivation to drive on came from thinking of anyone requiring the services of Kerry Hospice", she added.

Donations are still coming in and can be made via the website [www.54321challenge.org](http://www.54321challenge.org).

## HELENE TEACHES FRENCH FOR ALL

If you would like to learn a new language or brush up on your French, then look no further than French for All.

Helene Olivier Courtney is celebrating 15 years in the business this year with courses beginning at The Killarney Avenue Hotel on Tuesday next September 10th.

Learn and enjoy is the format that Helene uses in her relaxed yet studious classes and it is an atmosphere where all students enjoy a very communicative class and progress with no stress!

Helene, who is from the Loire Valley in France, also offers courses to secondary school students preparing for exams. This will help them to practise and perfect their pronun-

ciation, grammar and communicative skills, which boosts their confidence.

All aspects of the curriculum are covered with a free mock oral to assess progress. For the adults, Helene offers the opportunity to learn French in a relaxed atmosphere where they will enjoy conversational classes whether for work or holidays.

The classes have proved to be a big help for those in the Tourism industry and for teachers who can enjoy French outside the classroom!

Director Hélène Olivier-Courtney hails from Tours in the heart of the Loire valley. She arrived in Ireland in September 1995 to work as a tutor in N.U.I Galway

while studying for a Masters in English literature. Since then she has specialised in Teaching French as a Foreign Language with the University of Grenoble, France while widening her teaching experience in Ireland from primary school level in Athlone and Killarney, to university level with the Athlone Institute of Technology and Limerick Institute of Technology.

She managed Alliance Francaise for four years in Athlone and then in Killarney where she taught all levels - children's classes, secondary school group tuition and adult classes. She has organised cultural and social events for her classes, and also met her future husband there. In September 2006, Hélène decided to start her own school of French language and culture in Killarney.

# Cannonball

## ROLLS INTO KILLARNEY

**The Brehon Hotel on Muckcross Road will welcome Cannonball, the action-packed supercar spectacle, this evening Friday 6th September at 6pm.**

All proceeds from the event will go to the Irish Cancer Society and top marks cars taking part include McLaren, Lamborghini, Ferrari, Aston Martin, Porsche, Maserati, Rolls Royce and Bentley and Cannonball is the largest organised roadtrip in Europe. The event has already raised €1,016,000 for Irish charities and, this year, the official charity of Cannonball will be The Irish Cancer Society which funds lifesaving cancer research and a range of free support services for people affected by cancer. Cannonball, fuelled by milesPlus from Circle K, will blaze a trail from Malahide to CircleK Fermoy, Ballymaloe, Killarney, Limerick, Ballina, Sligo, Slane this year with the spectacular finish line in Edenderry.

Spectators will get up close and personal with 190 of the finest cars on the planet and enjoy the unique festival atmosphere that Cannonball is renowned for at the Brehon this evening and also before the start on Saturday 7th September at 10.30am.

The Brazilian Dancers will bring

all the glamour of carnival and live DJs, festivals in all of the host towns get the party started and some great free giveaways. The notorious NYPD, German Polizei, Fr Willie and colourful Cannonballers in crazy costumes add to the melee and this year the Pope and Popemobile are sure to wow guest as well as a very illustrious visit from the White House. From Spiderman to Star Wars, Cat Woman to Wonder Woman, Cheerleaders to Charlie's Angels, Batman, The Joker and more, it is a totally unique free family day out. Cannonball has always been a star-studded affair and celebrities over the years include Boyzone's Shane Lynch who even has the logo tattooed on his leg!. Other household names include former Miss World Rosanna Davison and husband Wes Quirke, Glenda Gilson, Rachel Allen, Roz Purcell, Nadia Forde, Ryan Tubridy, Mick Galway and Dirty Sanchez. Former Taoiseach Enda Kenny and former President Mary Robinson have both dropped the famous chequered flag and this year it is confirmed that Corrie St Star Ryan Thomas and Love Island's Tom Walker will be joining the convoy. Cannonball is the brainchild of Kildare businessman Alan Bannon

and the benefit to the host towns for this event is estimated at €2,567,000 per year. Cannonball will be fuelled by milesPlus from Circle K as the main headline Sponsor for 2019. Tour Sponsors include Manhattan Popcorn,

Asystec and Hone. Cannonball official partners include Bonavox, AB Signs, Keanes Jewellers, Ballyseedy, Duke Energy Drinks, Karl Goodwin Motors, Krystle, BMW and Windsor Motors

**EAST KERRY**

2019 FINAL Keanes SuperValu Killorglin Co Minor

Full time

East Kerry CLG: 3-10(19) St Brendans CLG: 0-13(13)

Congratulations to all especially all of the Fossa lads involved.

Eoin Talbot, Emmett O'Shea, Colm Talbot, Ruairi Doyle, Harry Buckley and Killian Buckley.

**KERRY**

Great effort by the Kerry team we do it all over again.

Captains  
Harry Byrnes  
and Andrew  
Moynihan.  
Pic: Seamus  
Healy

Eoghan Ruadh under 16 team were defeated by an extremely efficient East Kerry team in a windy Glenflesk on Wednesday night in a local derby. It was a match where there were some exceptional scores from both sides in spite of the tricky conditions. Glenflesk's representatives on the Eoghan Ruadh team did themselves proud with Tommy Bowler scoring three fine points, Dylan Roche adding two, including one stroked over beautifully with his left foot near the end line, and Luke Crowley also scored a point. The defense also produced some great last ditch blocks to prevent the lethal East Kerry forwards causing more damage. Despite this result the Eoghan Ruadh team still has a great chance of reaching the Semi Final's.

**KERRY GAA**

Congratulations to Dara, Liam and Niall and the Kerry team on a great All Ireland Final last weekend.

**U11 EAST KERRY LEAGUE**

Spa 5-13 Rathmore 5-11

Last week our U11s travelled to Rathmore to play our first game in the East Kerry U11 league. Rathmore started the first half very strong, going 5 points up after 15 minutes, but our boys never gave up and went in at half time just 1 point down. In the second half Spa put on an outstanding performance, kicking some fine scores. Rathmore never gave up and even though Spa went up 5 points, Rathmore bought it back to level again with 10 minutes to go. However, Spa gave it everything in the last few minutes and came out deserving winners on a scoreline of Spa 5-13 Rathmore 5-11. Well done to everyone involved.

**UPCOMING FIXTURES:**

Wednesday September 4th: EK U11 Spa v

Glenflesk (in Spa at 7pm)

Wednesday September 11th: EK U11 Spa v Gneeveguilla (in Spa at 7pm)

### EAST KERRY CHAMPIONSHIP U14

#### GLENFLESK 5 - 09 DR CROKES 5 - 14

Glenflesk under 14's were narrowly defeated by a strong Dr Crokes team in the East Kerry Championship on Friday evening. After winning the East Kerry League with a magnificent win over Keel Listry confidence was high for the team and they started with a ferocious tempo. The high ball in to the full forward line was causing Crokes problems and Glenflesk were finding scores easy to come by. They scored four quick fire goals during this earlyblast, with each of them being buried with clinical precision, and even though Crokes responded with three of their own, the home side held a five point lead at half time on a score of four six to three four.

Crokes started the second half on top and wiped out the deficit within ten minutes. They took a four point lead before Glenflesk scored a goal after an attack which had been one of the first of the period. Crokes though, had taken control of territory and possession by this stage and cleverly used their goalie as a seventh defender as he vacated his goal to offer a simple pass option to his backs. Glenflesk were still trying hard but the magic from earlier in the evening could not be rediscovered.

An eventful game ended then, with Crokes the victors by five points. The game had looked like it would boil over on a couple of occasions but the referee got the players back to concentrating on the football. Crokes will now meet Rathmore in the Division One Final while Glenflesk go on to meet Kilcummin in the Division two decider. They have already met in

a highly contested match a few short weeks ago and this match up will almost certainly be just as ferocious with silverware at stake.

# KERRY GAA SCENE

REPORT BY LEONA TWISS, PRO

## WE LIVE TO FIGHT ANOTHER DAY!

**A**re there sufficient adjectives to describe the game last Sunday? It was a spectacular occasion. The 'Underdogs' really took the game to Dublin and could have won it but equally could have cruelly lost it! The atmosphere was so tense particularly for the last ten minutes. An All Ireland final really is an occasion for all GAA fans across the world to enjoy. Croke Park was awash with colour. The crowds cheered as the team emerged onto the field shortly after 3pm. That was followed by the introduction of the President of Ireland and the parade behind the Artane Band. The Kerry team sang the National Anthem with some gusto and passion and it was clear that they were ready for the battle ahead. Only one change was made to the starting 15 and that was Jack Barry coming in for Killian Spillane. Kerry began with plenty of possession but some of our shooting went a little wayward. At half time we trailed 1-9 to 0-8 and Dublin were down to 14 men following the sending

off of Johnny Cooper after receiving 2 yellows. Remarkably Kerry pulled it back to a draw and then went ahead by 1 point. Killian Spillane's goal was crucial in the comeback fight 20 minutes into the second half. In additional time, Dean Rock drew the game level 1-16 a piece. Rock also had the opportunity to win the game for Dublin but the shot went wide and the game ended a draw.

We have another chance to become All Ireland Champions on September 14th at 6pm. The ticket scrabble has already begun! Stand tickets are priced at 60 Euro and terrace tickets are 30 Euro. Information on tickets distribution will be circulated to clubs in the coming days. Conor Lane from Cork has been confirmed as the match referee. This is his third senior final, having previously taken charge of the 2016 final between Dublin and Mayo and the 2018 final between Dublin and Tyrone.

We wish to thank the supporters for traveling in large numbers to Croke Park last Sunday. The

Kerry Supporters Club

will be bringing coaches to Dublin for the replay. Seats must be booked and paid for on Monday night at the Listowel Arms Hotel and at the Ballygarry House Hotel at 8.30pm. We hope that there will be similar numbers in Croke Park on Saturday week. The lift the Kerry roar gives to the players is invaluable! We also wish to thank everyone who supported our various fundraising initiatives in the lead up to last weekend's final. We would also like to thank all the Kerry fans who proudly displayed their colours on homes and workplaces. Finally, we wish to sincerely acknowledge the support of our generous sponsors Kerry Group.

As result of the replay, there will be changes to the County's fixtures plan. At the time of writing this piece, details were unavailable. However information on County League fixtures and on the Garvey's Senior Football Championship fixtures will be emailed to clubs in the very near future.

The Kerry players and management made us extremely proud last Sunday. We can't thank the players enough for the entertainment and joy they have provided us with this year. They are a credit to the Kerry jersey and we are fully behind them on Saturday week.

### EAST REGION DIVISION 6

Cordal Scartaglen 4.12 v Dr Crokes 2.04

Cordal Scartaglen had the better of affairs in Currow on Wednesday evening over the Dr Crokes second team on a score 4.12 to 2.04, which resulted in Cordal Scartaglen winning all games in their group.

Cordal Scartaglen started brightly with four points and had their first goal through Shane Kelliher after a fine through ball from Jack O'Donoghue, on the seventeenth minute. Cillian Reidy was very active in the first half for Cordal Scartaglen at full forward scoring three points while Michael Horan was effective from no twelve scoring two points. Kacper Robak was busy in the Crokes goal making a number of fine saves. Dara O'Shea was the only scorer for Crokes in the first half.

Cordal Scartaglen dominated the second half with two goals from the busy midfielder Jack O'Donoghue and one from the skilful centre forward Oileán Walsh. Dr Crokes got a foothold in the game with a goal and two points from Eoin Looney and a point from Shyl Cassidy. Cordal Scartaglen hit four points in the second half and ran out clear winners in the end.

Chairman Sean O'Keeffe presented the medals to the joint Captains Eoin O'Connor and Cillian Reidy. He thanked the local referee Brian Fleming for doing a fine job in slippery conditions. Sponsors MD O'Shea were thanked along with club delegates and the Currow club who had the facilities in fine order.

### EAST REGION MINOR LEAGUE SEMI FINAL

Dr Crokes 2.08

Gneeveguilla 3.11

Played at a sunny Lewis Rd on Thursday evening the home team made the better start. Dr Crokes opened the game with four points, the pick of these from Garry O Connor from distance.

Other points came from Sean Magann, Cian Mc Mahon and Godwin Osieba.

Gneeveguilla's first score came from a fisted point from Danny O Callaghan on the fourteenth minute. The same player added a further point quickly.

Dr Crokes were then awarded penalty, converted by Sean Magann.

Eoin Fitzgerald responded with a point for Gneeveguilla.

The sides then traded two points each, Garry O Connor (2) and replies from Paul O Leary and Danny O Callaghan.

Gneeveguilla were awarded a penalty on the stroke of half time but it was missed by Danny O Callaghan.

Ht score

Dr Crokes 2.06 Gneeveguilla 0.05

Gneeveguilla completely took over on the resumption.

Firstly Danny O Callaghan pointed a free before Jamie O Leary goaled after a flowing move.

Lorcan Keane and Danny O Callaghan (2) added points to level the scoring midway into the second half.

On the 49th minute Dr Crokes regained the

lead with a free from Seán Magann.

Paudie O Leary who was introduced as a sub at half time for Gneeveguilla was starting to have a big impact on the game and he duely showed up at the end of a four man move to calmly finish a goal to the net.

With Patrick Brosnan, Eoin Fitzgerald and Damien Cronin outstanding in defence and Paul O Leary driving on kicking two further points from midfield Gneeveguilla were to close out to a fine win.

Conor O'Brien also had a well taken score in the closing period traded points with Mike Lenihan of Dr Crokes.

Gneeveguilla now move on to a final against great rivals Rathmore.

Final score Fossa 4-12

## LEGION GAA NOTES

### U-11 BOYS EK DIV 2

Our u11 boys had their first outing in the East Kerry GAA League Div 2 this evening. First up in the campaign was the visit of our neighbours Dr. Crokes. It was the visitors who started brighter and soon had some early scores on the board. The Legion lads found their rhythm and pegged back to level the match. A couple of goals gave the hosts a narrow lead at the break. The second half was a closely matched encounter with very little between the sides. Legion raised the green flag again to retain the lead. As the visitors laid siege on the Legion goal, it took some staunch defending to hold back the black and amber tide. In the end, the spoils went to Legion in a very entertaining and sporting contest.

### U-10 GIRLS

Our u10 girls made the short hop out to

Rathmore G.A.A this evening for a challenge game. All the players showed great spirit and played a sporting contest in unseasonable weather. Despite the tough conditions, spectators were treated to a lively contest with plenty of scores and skills on show.

Well done to all the girls and thanks to Rathmore Ladies G.A.A for hosting the game

### U-12 GIRLS

Our u12 girls side travelled the road to Kenmare for their opening game in this year's East Kerry div 2 competition where we took on Inbhearr Sceine Gaels.

This was a step up in divisions for this group and they didn't disappoint.

On a wet and windy evening our girls played against a stiff wind in the first half. We defended resolutely keeping the kenmare girls to 1-01 while managing 3-02 ourselves.

The half time break allowed us to rejig a few positions in preparation for playing with the breeze on our backs and it paid dividends. Our girls were strong all over the pitch, our defenders gave up nothing cheaply while helping build the platform for our midfield and forwards to create and take their scores. Our full panel of 20 girls all saw game time and we ran out worthy winners on a final scoreline of 7-07 to 4-01.

A big thank you to the parents who provided lifts and for their support on what could only be described as a wet miserable evening.

### UNDERAGE ACADEMY

## Keane has every belief that Kerry can do better

**M**oments after his side left the field of Croke Park, Peter Keane was faced by a room full of media types all ready to ask just one question "Have Kerry blown their chance".

In typical Keane fashion, Keane was very insistent that there was a long way to go before that train would pass.

"Ah no, I wouldn't say it's an opportunity missed. At the end of the day, we were not in an All-Ireland final since 2015. You have a young team. What are they going to get only experience out of the game? In terms of learning curve, I said

all year we're on a crash course with a learning curve and sure this is only helping it."

Poked about his team's odds ahead of the final as high as 5/1 in a two horse race Keane added, "While ye might read a lot into it yourselves, we wouldn't read a lot into what ye're thinking. We would not put a whole pile of emphasis on that. We're just thinking about ourselves. Did we think we had a hand coming here today? Sure of course. If you have two dogs in any race, one of the dogs might get a heart attack and the other fella will walk home. You've a chance every time you're out there."

## Lane announced as Ref as GAA reduce prices for replay

The GAA have confirmed ticket arrangements for the GAA Football All-Ireland Senior Final Replay on Saturday September 14th which throws in at 6pm. Tickets will be reduced by a third for the replay with stand tickets priced at €60 and terrace tickets at €30.

Discounted children's tickets, costing €10, will also be made available to the competing counties.

It is not expected that there will be a general sale of tickets, with all tickets being distributed through county boards.

In their statement the GAA said "Cumann Lúthchleas Gael would like to thank members and supporters for their continued support of our games."

Meanwhile the referee and match officials for the replay have also been confirmed, with Conor Lane taking charge of what will be his third Senior Final.

Lane, from Cork, is a member of the Banteer/Lyre club, and was the man-in-the middle for the 2016 final between Dublin and Mayo and the 2018 final meeting of

Dublin and Tyrone.

He has also refereed the All-Ireland Minor final in 2013, the Connacht final in 2013 and 2016, the 2019 Ulster Final and the AIB Senior Club final in 2016.

In this year's Senior Football Championship, Conor has refereed the All-Ireland Senior Football Championship semi-final between Dublin and Mayo, the quarter-final between Meath and Donegal, the Ulster Championship meetings of Donegal and Cavan and Cavan and Monaghan, the Connacht Championship clash of New York and Mayo, and in the Leinster Championship, the meeting of Dublin and Kildare.

His umpires on the day will be Kevin Roache, DJ O'Sullivan (both Banteer/Lyre), Ray Hegarty (Bride Rovers) and Pat Kelly (Kilshannig)

Laos' Maurice Deegan will be the standby referee. The other linesman is David Coldrick (Meath) and the sideline official will be Niall Cullen (Fermanagh).

**4:45pm**

It is out to a five point game as Jack McCaffrey fires over yet another point as the 14 men of Dublin reopen a considerable lead.

Dublin 1-14 Kerry 0-12

**4:47pm**

Tommy Walsh collects the break from Davy Byrne and feeds an inviting pass for Killian Spillane to run on for. Surely a point at the taking. Not this time as the Templeogue lad heads for goal with his shot bound for the back of the net. Cue great scenes.

Dublin 1-14 Kerry 1-12

**4:48pm**

Tommy Walsh collects and has a go. It is wide much to the delight of the hill.

**4:49pm**

If at first you do not succeed. Tommy Walsh gets another go and this time makes no mistake. No singing on the hill this time as his shot

sails right over the bar and into the throngs of Dublin supporters. The tide has turned

**4:58pm**

Dublin Sub alert: a certain Diarmuid Connolly replaces Brian Howard. His appearance lifts to Dublin voices once again.

Kerry Sub alert: Jonathan Lyne replaces Gavin Crowley

**5:00pm**

All square again well only for a few seconds as Hawk-Eye rules it out. For those Kerry fans at the back of the Davin stand it was a "good foot wide".

**5:01pm**

The 4th official puts up the board as Cahirciveen man Gerry Grogan confirms that there will be 7 added minutes. Where did that come from?

**5:02pm**

Diarmuid Connolly fires a shot from midfield, it looks on target for a while but tails off wide. We are still ahead with all Kerry fans counting down the added time.

**5:04pm**

We just could hold them out. The sustained Dublin pressure sees Dean Rock level matters. Now the nerves are back.

Dublin 1-16 Kerry 1-16

**5:07pm**

Sean O'Shea tries to put Paddy Small out over the line in front of the Cusack Stand but mistimes and commits the foul. Dublin have one last chance.

**5:07pm**

Every Kerry supporter hold their breath as the quick thinking David Moran and **Tommy Walsh** set themselves up for one final lift on the goal line if needed. Thankfully, it is not as Dean Rock's effort tails off wide.

David Gough blows full time, as the noise is replaced by an eerie silence. The drive for five is still on the rails but Kerry have done enough to put considerable doubt into its completion.

**5:09pm**

One final official announcement as supporters head for the exit.

*What it's  
all about...*

This picture went viral following the Kerry Dublin game on social media. Two young Kerry Minor hurlers, Mikey Clifford from Abbeydorney and Ronan Walsh from Kilmoyley gave a helping hand to elderly Dublin supporters who were on their way to Croke Park. The picture appeared on the Dublin Fans facebook page. Well done to the boys involved - it's what the Kerry/Dublin rivalry is all about.

## KERRY PITCH & PUTT CLUB NEWS

LAST Saturday saw the County Matchplay Championships take place with the adult events taking place in Listowel and the U-16 events running concurrently in Deerpark. Deerpark's Damien Fleming all but put the seal on being confirmed as Ireland's No 1 ranked Gents player in 2019 with victory in the Senior Gents event. The win also assured him not only of a county double at senior level to go with the County Senior Strokeplay in June but also a fourth major honour in 2019 after his National Matchplay and Munster Senior Strokeplay successes.

Damien defeated Castleisland's Mike Browne and Tralee's Tony Blake to reach a decider with Tralee's Jason Cregan who had himself overcome club-mate Jamie Blake in the other Semi-Final. Jason led by two after the first five holes but crucially missed a putt to go 3up after six as Damien turned the tables in drawing level on the back nine as a perfect pitch to the 17th hole assured him of a 2&1 success. The Intermediate and Junior grades meanwhile were dominated by Listowel as in the Intermediate grade all four Semi-Finalists were from the host club.

Killian O'Gorman defeated Nicky Barry while Richard Bunyan got the better of Tom O'Connor to set up a decider against Killian. It was close between both Richard and Killian over the first nine holes but Killian went ahead by two coming towards the end as Killian gave himself two putts on the penultimate hole before Richard conceded to make it 3&1 to Killian. The Junior title went to Listowel as well as Conor Leahy completed a county double at Junior Matchplay and Strokeplay level by recording a convincing 7&6 win over club-mate Fergus Keane in the Final.

Conor had defeated Castleisland's Noel Lee in the Semi-Finals beforehand while Fergus had defeated club-mate John Carey in the other Semi-Final. In the Ladies Final Deerpark sister-in-

Kevin McCarron (Kerry CB PPI U-16 Officer) presenting the prizes for last Saturday's Kerry U-16 Matchplay Championships in Deerpark the winners as follows: L to R: Jake Downing (Deerpark, U-13 Plate Runner-Up), Mark Carroll (Deerpark, U-13 Plate Winner), Bobby McCarron (Listowel, U-16 Championship Runner-Up), Jack O'Sullivan (Deerpark, U-16 Championship Winner), Brian McCarthy (Deerpark, U-13 Championship Winner), Joey McCarthy (U-13 Championship Runner-Up), Cathal Kelly (Deerpark, U-16 Plate Runner-Up) and Fintan Martin (U-16 Plate Winner).

Pictured at the presentation of prizes for the 2019 Kerry Adult Matchplay Championships in Listowel last Saturday were: Seated L to R: Conor Leahy (Listowel, Junior Gents Winner), Margaret C Looney (Deerpark, Ladies Winner), Damien Fleming (Deerpark, Senior Gents Winner) and Killian O'Gorman (Listowel, Intermediate Gents Winner). Standing L to R: Fergus Keane (Listowel, Junior Gents Runner-Up), Margaret B Looney (Deerpark, Ladies Runner-Up), Jason Cregan (Tralee, Senior Gents Runner-Up) and Richard Bunyan (Listowel, Intermediate Gents Runner-Up).

laws Margaret B Looney and Margaret C Looney did battle in a match that went to sudden death before Margaret C eventually won at the second playoff hole. She had defeated Listowel's Lisa McDonagh in the Semi-Finals beforehand. Over in Deerpark the host club won all four of the events on the day with Listowel's Bobby McCarron preventing a clean sweep of the prizes on the day for the hosts.

Jack O'Sullivan was the winner of the U-16 Championship, following on from a win over Deerpark club-mate Tom Cronin before beating Bobby 4&2 in the decider. Bobby had defeated club-mate and defending champion Jake Shine in the other Semi-Final 2&1. The defending U-13 holder, Joey McCarthy of Deerpark, reached the Final in defence of his title and looked good leading Brian McCarthy by two on the back nine. However the recent crowned National U-13 Strokeplay winner went ahead at the 16th hole and saw out at the last hole 1up. Joey had defeated club-mate Noah Sexton in his Semi-

Final as Brian had defeated Listowel's Conor Sweeney.

The Plate events both went to Deerpark as well, Fintan Martin defeating club-mate Cathal Kelly in the U-16 Plate Final 2up while Mark Carroll was a convincing winner over club-mate Jake Downing in the U-13 Plate Final by 8&7. This weekend sees the Kerry Mens team head for the National Inter-County Championships in McDonagh, Co Kildare with the 72 holes of play split evenly over both Saturday and Sunday comprising Singles Strokeplay Scotch Foursomes and Foursomes formats.

The County Board sends its best wishes to the team of Damien Fleming, his Deerpark club-mate John McGrath, Castleisland duo James Dignan & Aidan O'Connor along with Tralee's Jamie Blake, Alan Hobbart and Jason Cregan (substitute) along with team manager Sean Kelly of Deerpark in travelling to the Curragh for this weekend's event.

of the late Dieter Eitel, RIP, a past member of Ross GC who died recently.

## DEERPARK PITCH & PUTT CLUB NEWS

County Matchplay Championships: Another great day for Damien Fleming last Saturday in Listowel as his win in the Senior Gents event appears to assure him of finishing 2019 as Ireland's No 1 ranked Gents player as he came from two down after five holes to defeat Tralee's Jason Cregan 2&1 in the decider. In the Ladies it came down to a battle of the sisters-in-law as Margaret C Looney defeated Margaret B Looney at the second playoff hole after a great contest between them. At Deerpark in the U-16 event we had a clean sweep of the four titles as Jack O'Sullivan defeated Listowel's Bobby McCarron in the U-16 Championship Final while Fintan Martin defeated Cathal Kelly in the U-16 Plate Final. In the U-13 Championship Final there was a great battle between the two McCarthy's of Joey and Brian which Brian won on the last hole as Mark Carroll was victorious over Jake Downing in the U-13 Plate Final.

Sunday Draws: First Nett: Erin Moloney & Mick Long 33½, Gross: Erin Moloney & John Murphy 45 and Second Nett: Sean Ashe & Dara Moynihan 34.

Wednesday Scramble: Wednesday August 28th- Nett: Noel Moynihan, David O'Donnell & Ryan Neeson 32.

Fixture Changes: Please note that the Ricky Kelly Memorial in aid of John 'Sully' O'Sullivan has been put back a week until the weekend of September 22nd now with Damien Fleming's Chairman's Prize brought to next weekend, Sept 15th.

National Inter-County: Damien along with John McGrath and team manager Sean Kelly travel to McDonagh, Kildare for this weekend's National Inter-County Championships with the Kerry Gents team.

### KILLARNEY RFC NEWS

**MINIS RETURN TO TRAINING:** Last Saturday our Minis returned to training at Aghadoe. It is truly fantastic to be back at Aghadoe and to see the pitches in such amazing condition, especially given the recent heavy rain. We had a fantastic turnout at all ages and new boys and girls born between 2008 and 2014 are more than welcome to come and give it a try. For further details contact Minis Coordinator Liam Murphy on 087-4145662

#### YOUTHS OPEN DAY:

Our youths section returned to training for the new season with an open training session last Thursday night at Aghadoe, which was a huge success. We had an amazing turnout with very strong numbers in teams training at U14, U16 and U18.5. It was particularly great to see the numbers at U18.5 which means that we will

Cox Pat Tangney with broken oar after U21 boys had to abandon their race at the All Ireland Coastal Rowing c'ships.

be able to field an U18.5 team this year for the first time in a while. U14 training continues every Wednesday at 7pm, while U16 and U18.5 training continues every Thursday evening at 7:30pm. For further details contact John O'Connell on 086-8525116.

#### U14'S GIRLS TRAINING COMMENCES AT AGHADOE:

Last Thursday, our U14 girls kicked off training for the first time ever at the club, creating history in doing so. We had 22 eager girls turn up and Ger Moynihan ran a fun and hugely energetic session. It was wonderful to see the girls section of the club developing so well and this is down to the hard work of many but especially Fiona Landers and Denise Treacy. We intend to enter the league so keep an eye out for us!

#### MOSS KEANE TROPHY:

Last Saturday, our Seniors welcomed Old Christians and Kanturk to Aghadoe for a friendly preseason blitz. Next Saturday we host the Moss Keane Trophy, with the Kerry clubs vying for this prestigious trophy. Pop up to Aghadoe to watch some top class rugby. All welcome.

### GERMANY'S LAST FUR FARM HAS CLOSED

In 2017, Germany passed a law that tightened regulations on fur farms, essentially making these businesses nonviable.

Farms were given a five-year window to close their facilities, but they all complied quickly. All, that is, except for one mink farm in Rahden/North Rhine Westphalia.

When Care2 member Patricia L. discovered that animals were being held in horrific living conditions before being subjected to a gruesome death from gas poisoning, she created a Care2 petition demanding the farm's closure. Over 1,300 Care2 members agreed with Patricia and signed her petition. Meanwhile, animal activists around the world also been put pressure on German authorities to close this facility. Now the German Veterinary Office has closed the fur farm in Rahden.

### DID YOU KNOW?

\*Ol' Billy, is the oldest horse ever recorded in history, his age was verified as 62 at the time of his passing.

\*Creme Puff, the world's oldest cat, lived till the age of 38. Creme Puff's owner had another cat, Granpa, who lived to 34.

\*The oldest greater flamingo, affectionately named Greater, passed away at 83 years of age in 2014.

\*Wisdom, a female Laysan albatross, is the oldest living wild and banded bird, who is now age 68 and has successfully laid an egg every year since 2006.

\*A Seychelles giant tortoise residing on the island of Saint Helena, named Jonathan, is believed to be approximately 187 years old, making him the oldest known terrestrial animal currently living.

### ON THIS DATE - September 6th

1915 - 'Little Willie', the world's first tank, designed and manufactured in Great Britain was rolled out.

1920 - Legendary boxer Jack Dempsey retained his World Heavyweight title following a largely one-sided match with Billy Miske who was battling declining health due to kidney failure.

1968 - The African nation of Swaziland gained independence from the British rule. King Sobuzha II became the head of the state, while the parliamentary system set up by the British remained intact. In 1973, the Sobuzha suspended the constitution and went on to establish a new constitution that made him absolute ruler of the

*Gardening*  
 with Killarney Outlook  
 by John O'Sullivan

**FOCUS ON AUTUMN GARDENING**

There is a lot of work to do in the garden this time of the year, so you can reap the rewards later on during the spring and the summer. You can start by giving your herbaceous plants a tidy up. Some of them are obviously in full flower and looking good but there are also a lot that have finished flowering for a while, so it is best with these to remove all the dead stems.

After this is done the flower bed might look a little bare, so now is a good time to start planting spring flowering plants such as wall flowers, primroses and polyanthis and also of course spring flowering bulbs.

A lot of containers, baskets and window boxes are looking a bit tired at this time of the year. Some plants look ok but others not so much. The best thing to do would be to remove the dead ones as it is only taking from the good ones. If you want you can always add a trailing ivy or a cyclamen as this will keep them looking good for another while and you can include them in your winter display.

## Know Your Rights:

### QUESTION

#### What is the One-Parent Family Payment?

### ANSWER

An emergency medical card is a temporary medical card that is issued without a means test in certain emergency situations and is valid for 6 months. For example, you could be issued an emergency medical card in an acute medical crisis where you need urgent treatment that you cannot afford without a medical card.

Only a healthcare professional (for example, a doctor or consultant) can apply for an emergency medical card for you. They must include a detailed medical report with the application.

The application will be reviewed by a Health Service Executive (HSE) medical officer.

If your application is approved, it can take 7 to 10 days to get your emergency medical card in the post. However, your card will be active straight away so you can get the care you need. You will need to complete a means assessment before your emergency medical card expires. The HSE will write to you when you need to do this. The means assessment is for a full medical card for you and your family.

In some cases, the medical officer may recommend a terminal illness card. These are given to people who are getting 'end of life' treatment. This means a prognosis of less than 12 months to live.

If you get a terminal illness card it will never be reviewed and will not expire.

Further information is available from the National Medical Card Unit on (051) 595 129, or Lo-call 1890 252 919, or from the Citizens Information Centre below.

## Transition from Primary to Secondary School *What to expect and what can help*

By the time you reach your final years in primary school, you will be totally comfortable with your school environment. By sixth class, you are one of the most senior people in your school and you are used to being given responsibility and looked up to by the younger children. However the transition to secondary school means that you have to revert to being the most junior again and have to cope with a brand new environment. Change can be a daunting task for any one of us and can take a lot of adjusting to.

Easily the biggest change when entering secondary school is going from the experience of one teacher all day in one classroom to encountering eight or nine different teachers and subject/classroom changes every forty minutes or so. A tip to help you cope with this is to write down the name of each new teacher beside the name of the subject and write your own version of the class timetable. The second big change is the constant movement between classrooms throughout the day. Depending on your subject choices, you will be moving all around the school. Getting lost during the first few weeks will be inevitable and a good tip is to always stay with at least one other person from the class. Another big adjustment is the number of specific subjects you will be covering. Students in First Year will cover up to sixteen different subjects; many of these will be new to you. Discuss all the subjects at home with your parents and let them know which ones you struggle with. Everyone will have their own favourites and will excel at certain subjects.

Your timetable will take a lot of getting used to and you may need help initially in the organisation of your schoolbag each day. Each student will also be provided with a locker and be sure to use your locker to avoid 'heavy bag syndrome'.

Homework time is obviously going to increase. However not all subjects are covered every day and not all subjects involve homework. Learn how to successfully manage your time and don't rule out the possibility of supervised study. Schools reports may also be a new experience that comes with secondary school as regular reports come home from the school. Taking part in games and P.E. is a great way of getting to know more students in your school. Find activities which you enjoy and try out new activities even if you haven't tried something before, or if you don't know what the activity entails.

If you find yourself struggling with any aspect of this change be sure to talk to someone: Your parents, a friend, a class teacher or school counsellor. This time will fly by, and before long your new school will feel like your second home!!

## A Word of Victory

Welcome back dear reader last week we encouraged you going into this new Season to not be fearful of the future and change, but rather trust in the Lord for His Light quenches darkness and He will bring you through every circumstance victorious! King David was a mighty king and yet, when he was anointed king as a young teenager, he was far from the great warrior king he later became. David's faith in God developed in the wilderness on the mountainside tending sheep. When Israel needed a hero to face the giant Goliath the hours spent fellowshiping with God in obscurity advanced David into his destiny (1st Samuel chapters 16 & 17). Many people know a bit about David versus Goliath, but I urge you to read it for yourself - either in your own Bible or on an online Bible - the New Living Translation (NLT) is a very easy to read version, and you will learn much. Before reading the Bible Scriptures always ask the Holy Spirit to reveal His Truth as it's His ministry to give understanding of God's Word. This encounter transcends time, and we all need help when dealing with the enemy that attacks and intimidates us. David's faith relates three things that, when applied, will also bring breakthrough for you. (1) Purpose - David had such a relationship with God that when he worshipped, the evil spirits tormenting King Saul left. He understood his purpose in life was to worship God and everything he needed came from Him. (2) Response - David's response to Goliath's threats was different to everyone else's. Yes - he was young but, because he had saturated himself in God's Presence through worship, he responded to the giant from a place of victory - he could not fail because he knew God was with him and would defend him. He had already seen God's deliverance in the past when God rescued him from wild beasts in the wilderness, so he felt secure in His Love. (3) Action - David did not get distracted by the taunts and intimidation from Goliath, nor the mocking by his own elder brother. He refused the offer of the King's armour, and instead ran out against the giant with the simple tools he had perfected using in the wilderness, believing in the Power of God's Name and submitted to His authority. David was filled up with faith in God's Power alone, and victory was the outcome. What a way to live - it's there for you too friend!

## NOVENA TO THE SCARED HEART

Dear Heart of Jesus, in the past I have asked you many favours. This time I ask you this special one.  
(Mention favour).  
Take it dear heart of Jesus and place it within your own broken heart where your father sees it.  
Then in his merciful eyes it will become your favour not mine. Amen.  
Say this prayer for three days. Publication of prayer and favour will be granted.
