Guide Dogs For The Blind to benefit from Spanish Fundraiser

Pictured at the launch of the Spanish Fiesta in aid of the Irish Guide Dogs for the Blind at JM Reidy's are from left: Anne O'Riordan, Irish Guide Dogs for The Blind, Ger O'Riordan, Irish Guide Dogs for The Blind, Karie O'Toole, Organiser, Niamh Sheahan, J.M. Reidy's and Colette Kiely, Irish Guide Dogs for The Blind. PICTURE: RIONA MACMONAGLE

A Spanish Fiesta is on the menu at JM Reidy's Courtyard on June 23rd and it's all in aid of a good cause.

Organiser of the event is local businesswoman Karie O'Toole who lost her dog Teddy to old age 3 months ago and decided to do something in his memory.

After a chance meeting with volunteers from The Irish Guide Dogs for the Blind, she signed up to do Stage 1 of the Camino De Santiago to

raise funds for them.

Karie who has never before hiked in her life is now training for this tough challenge.

On August 17th she will be joining 24 others and taking on the Camino De Santiago Stage 1. One of the most demanding stages of the entire Camino, the week-long hike will see Karie traversing the Pyrenees, reaching a height of 1500m on day one alone!

"As part of the fundraising, I wanted to do something different and thought a Spanish theme would be a great idea and Niamh Sheahan from JM Reidy's had been there from the start", Karie told the Killarney Outlook "Both Niamh and Mikey thought it was a great idea and have been so supportive in helping me launch this event and I am so grateful to them both", Karie added

The date for your diary is June 23rd at 6pm in Reidy's Courtyard where an evening of

all things Spanish, Sangria, Tapas, Rioja and entertainment.

Tickets are being limited and cost €30 and will be available for sale at J.M. Reidy's or you can contact Karie at 087 3291546

"I would also like to say a big thank you to Killarney business people for getting behind this fundraiser and have given me amazing prizes for a raffle on the night", she added.

The Irish Guide Dogs for the Blind support people who are vision impaired and families of children with autism by providing life-changing services.

They enable people with sight loss and families of children with autism to lead better lives, become more independent and more mobile.

The group receive over 85% of their income through voluntary donations and it will cost over €5 million to run our organisation this year.

BUSY TIMES FOR KERRY MOUNTAIN RESCUE TEAM

Stretcher Belay, Coimin Íochtar.

It's been a busy few weeks for members of the Kerry Mountain Rescue team who have dealt with a total of 7 callouts since the 11th May. Among the incidents the team dealt with included: 11th May - Recovery operation, Hags Tooth Ridge. 18th May - Lost party, Tomies/Shehy Mountain. 2nd May - Fall from height, Torc Waterfall. 25th May - Medical emergency, Torc Mountain. 28th May - Fall from height, Devil's Ladder Carrauntoohil. 28th May - Cycling accident, Derrycunihy. 01st/02nd June - Lost party, Shehy Mountain. Kerry Mountain Rescue Team membership is entirely voluntary and the 35 active team members come from all walks of life, but all are active and accomplished walkers and

mountaineers in their own right. The team cover the entire SW of the country – principally the peninsulas of Beara, Iveragh and Dingle – and boasts fifteen of Ireland's twenty highest peaks, including Carrauntoohil (the country's highest, at 1039 metres). Approximately 50% of the annual budget is met through grants from the Irish Coast Guard and Kerry County Council and the remaining 50% is raised through private donations and the Team's own fundraising efforts. And while the last three weeks was extremely busy for the team, they also managed to fit in some training sessions. They train regularly in a complete range of disciplines such as casualty care, technical

ropework (including horizontal and vertical stretcher lowers, cableways, strop rescues, hoists etc.), helicopter winching, search management, navigation, radio communication, 4WD techniques etc.. Many team members also go on their own mountaineering trips to places such as the Alps, Southern Alps (New Zealand), Himalayas, Alaska, Africa, Scotland etc... All team members are qualified to Advanced Rescue Emergency Care (REC) First Aid Level, and first Aid training is undertaken on a regular basis to ensure that the skills of each team member are continually maintained, and the most up-to-date developments in emergency medicine are utilised.

CADEN TAKES SHOW JUMPING WORLD BY STORM

A young Glenflesk Show Jumper is heading for stardom along with his horse "Dreamer of Casheleane", aka "Tommy".

13 year old Caden O'Donoghue is an exceptional rider and performer who has accomplished in just one year what other kids aim or dream for in a lifetime.

His coach and trainer Claudia Vallverdú Felip has international experience as a grand prix rider (Dressage, and 1'35m showjumping) around the world including countries such as the USA, France and Germany and trained by Olympic riders is helping and ensuring that every member of her team boost up to any podium.

Caden has won over 55 rosettes, cups, medals, leagues and trophies in less than a year and is actually competing at 1'00m classes training up for a very near 1'10 competitor soon.

With their sights set on joining the Irish team in the future, Claudia Vallverdú Felip also trains Leah Clarke and Jessica Fuller who along with Caden have raised over 100 prizes and rosettes in one year. Caden is certainly a prodigy to be on the lookout for in the coming years. "As Kerry athletes are rising up in all sports, Caden can be considered Kerry's pride" his trainer Claudia told the Killarney Outlook.

"He is a hard worker who has never let me down as his wins are my wins, and his happiness is my pride", she added.

STAFF AT KILLARNEY COMMUNITY COLLEGE REMEMBER THE LOVELY CARMELLA SHEEHY

'OUR FOREVER FRIEND CARMELLA'

As we get ready to depart for the Summer lots of things are the same, exams to correct, students moving on and summer holidays to plan...but there is one significant difference...you're not here.

We were graced with the pleasure of your company for eighteen years but the impact you had on our lives will be forever. There are so many things that we are thankful for. Not alone were your scones freshly baked and tasty, they were like you, always there when most needed. They were an invitation for a cup of tea and a chat...and boy could you talk. Smiles, laughter, stories and hugs were the ingredients to a perfect friendship, one that will always be cherished and remembered. Unlike your keys, your friendship will never be forgotten.

You were always there for us, you made time for everyone, staff and students alike and you looked after us all. You knew when to listen and you knew when to talk. You were the first to greet all new students and teachers as they walked into the college, with a smile and a friendly word. You always introduced yourself as "Carmella", no airs, graces or titles. For you, there was no such thing as a crisis, a woman who said let's get on with it rather than let's sit back and watch it pass us by. The most useless objects in the school were the door to your office, as it was always open and the clock on the wall as you never followed it...one doesn't

need to follow time when you make time for everyone. Our motto was simple...keep calm and call Carmella.

On a daily basis you were our Student Guidance and Careers Counsellor. You travelled the length and breadth of the country with your students visiting various colleges showing extra enthusiasm for your beloved UCC. You were always there on results day with words of wisdom, guidance, encouragement and a sense of calm. You wanted your students to find a career they would enjoy as much as you enjoyed yours. As a gifted counsellor, students and staff alike, were never afraid to open up to you and unburden their worries. In the words of our students "Through the years, among the chaos, Carmella was always there for us, a tricky woman to get hold of as she was always wanted by everyone but she made it her business to get to every student". Carmella, you lifted our spirits and made our lives bright and full again.

Secret Santa , Kenya, UCC, Skoda, Musicals, Fun, Fashion, A Glass of Red, Sun, Eating Out, Travelling, Cork GAA and all things sport ... some of your passions in life that you were not shy to talk about. And of course Eddie and the children, we were always kept up-to-date with the Sheehy news! You were a champion of all charities, especially Eddie's Kenya Education Project and the Ring of Kerry Cycle...and never shy to ask for sponsorship. You were the first

on the train to Dublin for the Annual Musical trip instilling a love of musicals in the school. You inspired us with your strong faith, passion and your friendship with the Church and you helped organise many school masses. Yet, we firmly believe it was merely an excuse for you to get out your guitar for a sing along. Your passionate rants in Staff Meetings are already missed as you were never a woman to sit on the fence. You were always an advocate for education for all abilities, you had a vision, you inspired us and we thank you for making us such a caring school.

you find a special friend:
someone who changes your life

Westminster choir raise the roof at St. Mary's Cathedral

The hallowed halls of St. Mary's Cathedral were filled with the music of the Westminster Lourdes Choir who held a recital on Thursday night last.

In front of a large audience, the choir performed Peter's Way of the Cross - a piece they have performed in places like Westminster Abbey and The Old Baily in London.

The visit of the choir to Killarney was orchestrated by Killarney native Philippa O'Connell who, along with her twin sons Harry and James is a member.

"I am humbled with the reaction we got to our performance" Philippa told the Killarney Outlook. "We were rewarded with a standing ovation - I am so honoured to sing with our amazing choir and am overwhelmed by the love and support they were given by the people of Killarney. There was a retiring collection at the end of the performance for the Kerry/

Way of the Cross in front of a very large crowd who all stayed after to congratulate the choir on what a unique and reflective performance it was".

The Great Killarney Duck Race

set to make a splash

The Great Killarney Duck Race sees a return to a traditional form of fund raising by Kilcummin NS Parents Association.

The event, which will be run on the 14th of June at 6.30pm in the Deenagh River, Port Road, Killarney (Starting at the playground bridge), is being organised to raise financial resources that will assist the school and its pupils by enhancing existing facilities and help with the purchase of new equipment for the school.

"We were looking for a fun family event that everyone could enter and enjoy to finish off the school year" Derek O Leary, Chairperson of the Kilcummin NS Parents Association told the Killarney Outlook, "We are delighted to have a one night family break in Kilkenny as the first prize and we will have some more family orientated prizes for the second and third place ducks. With the price to adopt a duck only €5, its a great chance to win a great prize. We'll have a best dressed duck costume prize for someone who makes the effort to go a bit quackers on the evening of the race", he added. Derek was also encouraging everyone to cheer on there adopted racing ducks - "Its also such a good

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

SHOULD I CONSIDER FIXING MY MORTGAGE NOW?

It is always difficult to know when to fix your mortgage. At the moment it is widely predicted that mortgage interest rates may start increasing in 2020 and if they do people on a variable rate mortgages could have substantial increases in their mortgage repayments. Some Irish lenders have reduced their Mortgage interest rates much more than others and I strongly recommend you compare your lenders interest rates with other lenders interest rates before deciding the rate and lender that suits you best. Switching lenders is also an option and is worth considering. A big decision for anyone with a mortgage is whether to fix the mortgage now or wait to see if interest will go down even further, the problem with this is that interest rates could increase while you are waiting for them to decrease. It is important to talk to a mortgage advisor who has access to different lenders about interest rate options and also to compare the interest rates of different lenders as there can be a very substantial difference in monthly repayments between lenders.

To discuss this or any other financial matter you can contact Dermot Cronin QFA at 0646622775 or dermotcroninifa@gmail.com

REMARKABLE ACHIEVEMENT AS DAMIEN BECOMES TRIPLE CHAMPION

A TRULY remarkable achievement for Deerpark's Pitch & Putt Club's Damien Fleming took place on Monday at the National Mens Matchplay Championships as he came from behind to clinch victory over defending champion Bryan Delaney of Cork.

Damien is now the first man ever to be the holder of a triple crown of National Matchplay, National Strokeplay and Irish Open titles at the one time!

Playing out of his adopted course of Rocklodge, Damien was seeded second in advance of the event and began his campaign with a 4&3 victory over another former Irish Open winner in Eamon Gibney of Meath on Saturday. Damien came through three matches on Saturday to advance to Monday's Semi-Finals. He started Sunday with an 8&6 victory over Dubliner Anthony Malone before finishing strongly in a tricky encounter with Tipperary's Shane Hoare to reach Sunday evening's Quarter-Finals. He played the man he beat in the 2011 Final of the competition, Cork's Chris Scannell, as despite trailing by one during the second 18, Damien powered ahead again to win out by 5&4.

Monday's Semi-Final with

Munster Senior Matchplay winner Shane Murphy of Rocklodge itself was always expected to be a tight affair, and so it was as Damien just eked ahead by 1 up on the last with Murphy just missing a birdie putt to force a playoff. As tight as that match was, it did not have half the drama of the final as despite Damien getting a Hole-In-One on the 7th he found himself hanging on to defending champion Delaney's coattails with the Cork play 12 under par for his first 15 holes in Damien trailing by three at the halfway stage.

When Delaney went 5 up with 13 holes to play it looked like Damien's chance was slipping away but slowly but surely he whittled down the lead to draw level by the 16th hole before going ahead for the first time in the encounter at the penultimate hole! Delaney did stick his ball just below the pin on the 18th as Damien missed a subsequent putt to win the title outright as sudden death would be required to decide the winner. Delaney's tee-shot bounced off the green meaning Damien would get a putt for the title again at the first playoff hole and he made no mistake this time in claiming his second National Matchplay and complete a remarkable 12 months

Deerpark's Damien Fleming pictured received the National Gents Matchplay title from Pitch and Putt Ireland President Mervyn Cooney at Rocklodge Pitch & Putt course in Cork on Monday. Also included in photo is Bryan Delaney (Cork, Runner-Up) and Shane Murphy (Cork, Semi-Finalist). Missing from PHOTO: PAUL NOLAN (DUBLIN, SEMI-FINALIST)

from last July's National Strokeplay and last August's Irish Open victories!

The win is Kerry's third success in the competition after Damien's Deerpark club-mate Derry McCarthy's win in 2004 and it is a sixth major singles honour for Damien in the game after three Irish Opens, the National Strokeplay and now two Matchplays after his first Irish Open win 10 years ago. Elsewhere in the competition Tralee's Jason O'Regan and Listowel's Kevin McCarron were beaten in the Second Round as Tony Blake of Tralee lost to Delaney in the opening match of the competition on Sunday. Tralee's Lisa O'Connor was beaten in the First Round of the Ladies Nett event as she to eventual winner Sarah O'Neill of Cork.

Also on Monday the Tralee Scratch Cup took place with Jamie Blake the winner by two strokes with 18 under par for 54 holes ahead of club-mate Jason Cregan with another Tralee player Alan Hobbart third on 14 under par. Eamonn Sheehy won the Last 18 prize with eight under while there was one stroke between first and second in the Intermediate and Junior sections. Tralee's Danny O'Leary got the better of Deerpark's Gearoid Cronin with five under as Ger Guerin of Listowel got the better of Newmarket's Willie Buckley with a score of four over par.

Lisa O'Connor of Tralee won the Ladies Prize with a score of 131 as this weekend sees the first Kerry U-16 team trial in Deerpark at 9am followed by the adult County Strokeplay Championships in Castleisland on Sunday.

DECLAN MALONE TO LAUNCH BILLY RYLE'S NEW SPORTS NOVEL

Former Editor of The Kerryman, Declan Malone will launch Billy Ryle's new Novel 'Christian Brotherly Love' at Kerry Library, Moyderwell, Tralee on Thursday, 13th June at 7.30pm. This energetic novel based in the 1950's and 1960's introduces Barry Kyle, a member of a republican family, a talented Gaelic footballer, a keen student and a loyal friend. Barry's siblings are Mary, Mark and Paul, who is adopted. Barry's best friend John Lyons is a homosexual. Barry's enduring friendship with Brother Ambrose, gifted teacher and skilful Gaelic football coach, develops at 'The Small Mon' from 1958 to 1963. Barry transfers to 'The Big Mon' in 1963 where his football career progresses under Brother Thomas. Barry suffers sadistic punishment at the hands of Bobby Collins, Vice-Principal, Free Stater and bitter enemy of the republican

Kyle family since the Irish Civil War. The Christian Brothers want Barry to join their Religious Order. The local Dominicans expect Barry to follow in the footsteps of his great-uncle Fr. Don Kyle OP while Fr. O'Brien PP, Tradinveen wants Barry to transfer to the Diocesan Seminary, 'The Dice' in Killamney. The Big Mon and The Dice are bitter rivals. The story follows Barry's adolescent conflict between his religious vocation and his developing sexuality. Meanwhile, Brother Ambrose, who has set up a very progressive juvenile football structure in Rockfield GAA Club, is a positive constant in Barry's adolescent life and stands up to be counted when John's homosexuality is exposed. Book One of the enthralling Barry Kyle trilogy tracks Barry's ten-year eventful academic and Gaelic football journey with the Christian

Brothers whose record fostering Catholicism, Republicanism, Gaelic Games and Irish is unequalled. Everybody very welcome to the launch where the Book will be on sale at €12 per copy.

The Book can also be purchased online from Amazon. A digital e-book version (kindle) is also available from Amazon. Popular Tralee man, Kerry O'Shea, Reporter with Outlook Magazines will be Master of Ceremonies at the Book launch.

Make the most of the opportunity to do a great State Exam

By Billy Ryle

There is tangible relief that the state exams are finally up and running. Like many important milestones, the anticipation is often worse than the doing. The first morning was the most nerve racking as it involved some formality. However, once the question papers were distributed and the candidates warmed to their task, the tension quickly evaporated.

The exam timetable mainly prioritises compulsory subjects during the early days of the exam. As the exams progress into the subsequent weeks, the optional subjects are nicely spaced out allowing for study days. But, as they continue until Tuesday, 25th June, it's important to treat the State Exams as a marathon rather than a sprint. After sitting a few subjects, candidates now realise that exams test not only your knowledge but also your concentration and ability to utilise every available minute. So stay in exam mode until you leave the exam venue after the very last subject.

Depending on the subjects being sat, the entire exam will conclude fairly early for some candidates. Others will have to stay focussed until the very last subject on the final day. Irrespective of when you are due to finish the exam, remember that you have prepared diligently for the exam. So, make the most of the opportunity to do well. Reap the rewards of years of study by doing your best in each subject.

After three busy days of exams, the coming weekend brings welcome relief and gives candidates a chance to relax a little, to take stock and plan ahead. Spend very little time on post-mortems. Review your tactical approach over the first week. If you are totally satisfied

with your strategy before, during and after each subject then you need change very little. Focus on next week's subjects and forget about the subjects already examined. Your entire concentration must be on the subjects ahead. The weekend provides an opportunity to recharge the batteries and to do some revision. Take some active leisure to burn off any residual tension. It will help you to sleep soundly and to maintain the levels of stamina, endurance and staying power needed for the challenges ahead. Avail of a few good nights' rest, which is essential for alertness. Resist the temptation to study late into the night. Confine your study to daylight hours, enjoy your period of exercise and go to bed early. Defer any late night socialising until your exam is over. Keep your fluid intake high to avoid dehydration but be moderate in your use of artificial stimulants such as tea and coffee. Keep a clear head by abstaining from alcohol during the exam period.

Concentrate on subjects being examined next week. Prioritise your revision according to the timetable. Go over the tips and predictions that have been made for the subjects you are sitting during week two. Use your study days well and study wisely by not cramming. At this stage the quality of your revision is more important than the length of time you spend at it. On the evening before each paper spend an hour or so looking over your notes so that the important concepts are fresh in your mind.

You are off to a great start after the first week. Maintain your discipline during week two. Keep a good thought for yourself and stay positive. Have confidence in your ability to do well in your second week's papers. You are

now well settled in and rising to the challenge. Deal with each subject as it comes and by this time next week it may all be behind you. Next week, I'll have a few words of encouragement for candidates who have subjects timetabled in the final days of the State Exams.

OUTLOOK MAGAZINES NEW WEEKLY MUSIC COLUMN

This week we focus on **Dominic Kirwan** 30 years on.

2019 marks a massive milestone in the career of singer Dominic Kirwan, 30 years since the talented entertainer signed a record deal with Ritz Records in 1989 and gave his debut album "Try A Little Kindness" to the public. 30 Years on and the story continues, Dominic remaining one of the most popular singers touring, performing and recording with a fan base of all ages throughout the world who enjoy his wonderful stage presence and performances.

'Time of My Life' is the superb new album from Dominic celebrating the last 30 years in the music business. This album is a collection of songs which shows Dominic's diverse musical style and paints a picture about his musical influences over the years. Here we hear Dominic in fine vocal with his own interpretation of Country and Easy Listening songs including Southern Nights (Glen Campbell), That's The Way Love Goes (Merle Haggard), Lady (Kenny Rogers) and a superb duet written by Paul Brady and Ronan Keating The Long Goodbye with his son Barry Kirwan.

The song offers Dominic a chance to show his vocal range and provide something very different for his many fans. I feel sure they will enjoy the smooth sound and swing style created by his interpretation of this great song. Dominic, who has enjoyed a very successful career as a live concert performer and recording artist, continues to tour worldwide and has a full diary for 2019 to celebrate. Talking about

the album in his own words "I'm very grateful, thankful and blessed that 30 years later I'm still recording, performing live and working with the knowledge that I'm one of the lucky people who gets to share with you what I love, "Music". You Could certainly say that I'm having the Time of My Life!"

Féile na nGael is Coming to Town

For the first time in Kerry hurling and camogie history, the John West Féile na nGael will be hosted in Kerry combined with our neighbours in Cork. Kerry have twelve hurling clubs and four camogie clubs hosting and competing in the All Ireland tournament.

This prestigious affair will be setting the county alight with the clash of the ash from June 7th to June 9th.

Local clubs, Killarney Camogie and South Kerry Hurling have put in huge efforts over the past four months to generate the necessary funds required to host and participate in Féile na nGael. Local schools were called upon to hold jersey days, bag packing took place in Dunnes Stores, a fun quiz night, several flag days and bucket collections. The clubs are extremely grateful to the schools, local businesses and the local community who have contributed to this memorable weekend.

Both clubs have a big community to pool from with South Kerry being

an amalgamation of hurling clubs St. Pat's East Kerry, Rathmore and Dr. Crokes whilst Killarney Camogie Club is made up of players from Glenflesk, Gneeveguilla, Spa, Fossa, Kilcummin, Laune Rangers, Legion, Rathmore and Dr. Crokes.

For the two clubs, their home games will take place in Spa GAA who have generously offered their facilities for the weekend. Here, South Kerry will host Cumann Micheál Breathnach from Galway and Killarney will host Four Roads Camogie Club from Roscommon.

Both clubs would like to extend an invitation to all hurling and camogie fans to come down to Spa GAA

Pitch on Friday the 7th from 5.30pm to 8pm and Saturday the 8th at 10am and enjoy the skill and competition on display. If any business or kind hearted soul is interested in giving a helping hand by donating in any fashion (home baking always welcome), please do not hesitate to contact the clubs on 087 920 5924. @SouthKerryHurling

THE KENNEDYS OF KERRY

By Nicky Barry

*The Kennedys came from sturdy stock, in Wexford long ago,
Where brave men took on redcoats, with smithy pikes
and swords.*

*The Healy-Raes first stood up, when Jackie took on Fianna Fail,
A steamroller of a party, with fierce clout in the Dail.
They wouldn't select Jackie, so he told them to get stuffed,
And started off a movement, which is now a juggernaut.*

*Not one, but two fine sons, now sit in the Dail,
And there's a Kilgarvan gang, in Kerry County Hall.*

*Jackie's grandsons and granddaughter,
topped their electoral polls, In diverse Kerry districts,
where the family name is gold.*

*They hoovered number one votes up, all over the Kingdom,
And they are now a dynasty, like the Kennedys of Boston.*

*Maura is a classy lass, with fundamental sense,
With Jacqueline's bearing, brains and elegance.*

*Now Michael is no JFK, and Danny is no Bobby,
But they have country charisma, and lots of rural savvy.*

*But nothing lasts forever, not even for JFK,
And as the old saying goes, every dog has his day.*

*The young HRs from Kilgarvan, have awesome pedigree,
How Fianna Fail would love, to have them back in the party!*

TOWN TALK

MARGARET IS A COMMUNITY CHAMPION

77 year old Furies native, Margaret Culloty has won a Community Champion Award at the Silver Surfers Awards run by Age Action Ireland. Margaret is the County Secretary of Kerry Community Games for the past 23 years. As the National Community Games requires that all participating children be registered online, Margaret has had to learn how to do this for over 3000 children participating in sporting and cultural events at county level.

Margaret faced this challenge with vigour and is now responsible for the coordination of the online Kerry registration system ensuring that all children are registered for their individual or team events at local and National level as well as getting a web page up and running and a Facebook account. She has been described as one in a million and didn't let new technology put her out of the position of County Secretary. This year is the 10th Anniversary of the awards was supported by DCU Age-Friendly Initiative. Age Action organises the Silver Surfer Awards to highlight digital literacy issues amongst older people. For those older people who do get online it has the potential to change their lives, as the Silver Surfer Awards demonstrate, with

Feel those Good Vibrations

There are those moments in life when we just feel so good and on top of the world. Maybe a long-held dream has happened or you pass an exam or you are finally off on that holiday of a lifetime. Perhaps you've fallen in love and the world just seems to glow. Whatever the reason, you know what it feels like to feel alive, happy, vibrant and full of positivity. What if you could keep those good vibrations high and humming day after day? What if you could feel that good for most of your life? Well, the great news is that you can. Ultimately, we get to CHOOSE how we feel. We get to decide how to respond to any situation in our lives and whether that response will be positive, encouraging, self-supportive and loving or if it will be the opposite.

Practice feeling good!

You don't need to wait for those "feel good" events to happen in your life. Begin creating them daily by setting up a practice of well-being for mind, body, heart & soul.

- Wake up every morning, raise your arms in the air and smile
- Practice gratitude – keep a blessing journal of all the ways that you are so blessed in your life.
- Talk about what you want – not what you don't want!
- Do a heart centered meditation every morning. Put your hands over your heart and focus on what you LOVE!

Eyes in the sun

Too much sun can damage the eyes. As with skin damage, it is the ultraviolet (UV) radiation from the sun which causes problems. There are two types of UV rays: UV-A and UV-B. Over time, the effects of UV rays may help cause a number of eye problems.

UV-A
can hurt your central vision. It can damage the macula, a part of the retina at the back of your eye.

UV-B
The front part of your eye (the cornea and the lens) absorbs most UV-B rays, but these rays may cause even more damage to your eyes than UV-A rays.

WHAT EYE PROBLEMS CAN UV RAYS CAUSE?

Macular Degeneration

UV rays may lead to macular degeneration, a leading cause of vision loss for older people.

Cataract

UV rays, especially UV-B rays, may also cause some kinds of cataracts. A cataract is a clouding of the eye's natural lens, the part of the eye that focuses the light we see.

PTERYGIUM

Another UV-related problem is a growth called pterygium. This growth begins on the white of the eye and may involve the cornea.

Eventually, the growth may block vision. It is more common in people who work outside in the sun and wind.

SKIN CANCER

Skin cancer around the eyelids is also linked to prolonged UV exposure.

CORNEAL SUNBURN

Corneal sunburn, called photokeratitis, is the result of high short-term exposure to UV-B rays. Long hours at the beach or skiing without proper eye protection can cause this problem. It can be very painful and may cause temporary vision loss. Protecting your eyes from the sun If you are spending time outdoors, especially in the summer or on holidays abroad, make sure that you and your children have good quality, dark sunglasses with UV protection. Look for the British Standard (BS EN ISO 12312-1:2013) or the CE mark, which is the manufacturer's assurance that the sunglasses have been made to the appropriate safety standards. You can also protect your eyes by making sure to wear a hat with a brim or a sun visor in bright sunlight.

IRISH UN VETERANS HONoured IN KILLARNEY

Minister for Defence Paul Kehoe pictured after accepting the Mons Hugh O'Flaherty Humanitarian Award 2019 on behalf of the Defence Forces in St. Mary's Church of Ireland, Killarney on Tuesday evening. Also in photo are Mayor of Killarney Niall Kelleher, Jim Casey, Chairman, IUNVA, Major General Kieran Brennan, Deputy Chief of Staff, Brigadier General Patrick Flynn and UN Veteran John O'Mahony, Hugh O'Flaherty, Pearl Dineen, Jerry O'Grady and invited guests. PHOTO: DON MACMONAGLE

Before a large audience in the unique and beautiful St Mary's Church of Ireland in Killarney, including foreign Ambassadors and Diplomats and UN Veterans, Killarney's Deputy Mayor Niall Kelleher presented the Hugh O'Flaherty Humanitarian Award Scroll last evening to Minister for Defence Paul Kehoe and Irish UN Veterans Chairman Jim Casey.

Representing the Hugh O'Flaherty Family and Memorial Society, Judge Hugh O'Flaherty and Pearl Dineen presented the International Humanitarian Medal to Deputy Chief of Staff Major General Kieran Brennan and Brigadier General Patrick Flynn.

The Award Ceremony was preceded by a powerful performance by Donal Courtney of his acclaimed one-man play "God Has No Country", receiving a standing ovation from all present.

In his introduction, Memorial Society Chairman Jerry O'Grady said, "Heroes are often defined as those who give of themselves, often putting their own lives at risk for the greater good of others. By this measure, without seeking fame or fortune, the brave men and women of the Irish Defence Forces wearing the iconic blue beret, are truly heroes, deserving of our unbridled admiration and support" Addressing the gathering, Deputy Mayor Niall Kelleher said, "From Lebanon to Cyprus and from El Salvador to Kosovo, Irish UN peacekeepers have always served with diligence and distinction. Irish Defence Forces in particular have always been warmly welcomed wherever they have served. That honourable service has probably come to greater public attention in recent years through the telling of the story of the Siege of Jadotville, but for decades now, Irish men and women have proudly entered some of the world's most dangerous and volatile regions. It is important to remember at time too those 86 members of our Defence Forces who have paid the ultimate sacrifice".

In his acceptance speech, Minister Paul Kehoe said, "Just like the incredible humanitarian work carried out by Monsignor O'Flaherty over 75 years ago, the Irish Defence Forces have also brought great honour to Ireland through their participation in peacekeeping operations over the last 60 years. One of the elements that I am often struck by as Minister is the deep respect and admiration for the Irish Defence Forces right around the world".

Major General Kieran Brennan, Deputy Chief of Staff, accepts the Mons Hugh O'Flaherty Humanitarian Award 2019 on behalf of the Defence Forces from Hugh O'Flaherty and Pearl Dineen in St. Mary's Church of Ireland, Killarney on Tuesday evening. The Minister added, "Ireland's unbroken and proud history of participation in UN missions is one of the things that helps make us stand out as a nation. It strengthens our values; it deepens our international relations; it shows that one small country can make a huge difference on the global stage. As Minister, I am determined that we continue our great Peacekeeping tradition".

The minister paid a special tribute to one member of the audience, Scartaglin native Irish UN Veteran John O'Mahony. In 1980 while

serving in the Lebanon, John was shot and seriously injured but happily he survived. Sadly, two of his colleagues, Pte Derek Smallhorne and Pte Thomas Barrett were killed. The final element of the Award Ceremony was the presentation of a generous bursary to the Veterans Association by Donal Hickey, Vice Chair of the Muckross House Trustees Board. Included in the audience were four members of the Raaijmakers family from the Netherlands. Their uncle Anton Musters (Fr Anselmus) was an Augustinian Priest in Rome and an active member of the Rome Escape Line. One month before the Liberation of Rome, he was captured by the Gestapo, interrogated and tortured, but he refused to reveal any information on the Rome organisation. He was being transported to a prison camp in Germany when he escaped during a stopover in Florence and returned to Rome on the day of Liberation. If Fr Anselmus had given up the Rome Organisation during torture, it is probable the Msgr Hugh and many others would not have survived the war. His bravery saved the lives of many of the Escape Line organisers. Earlier in the day, to mark the 75th anniversary of the Liberation of Rome, two symbolic trees were planted in the Graveyard of the O'Connell Memorial Church in Cahersiveen, the burial place of Monsignor Hug O'Flaherty.

ORNAMENTAL GRASSES

Ornamental Grasses can grow in a wide range of conditions. There are grasses to suit damp or dry soils, shady and sunny positions. Grasses can add great colour to any shrub bed and they also look great in containers. Ornamental grasses don't need much feeding as this only encourages a log of growth in the foliage at the expense of flowers. There is a large section of grasses to choose from. There are grasses like the Pampus, which is tall to the Carex Algod which is small. If you are planting small grasses in the garden try and plant them in groups of three rather than on their own. Grasses are also ideal plants for containers but only choose an evergreen one such as Phormium or an Astelia as they will give you colour all year and you can plant your seasonal plants around them.

WELL DONE TO KERRY Well done to the Kerry
GAA team & management on their win over
Clare last Saturday - and also to our Spa player
Oran O'Neill who was playing in the Primary
Schools game at half time.

U12 BOYS SPA V AN GHAELTACHT

U12 A: The game got off to a blistering start
with a goal apiece inside the first 5 minutes.
Following this, both sides traded points for
much of the remainder of the half. There were
some fabulous passages of play, defensive
skill and attacking guile on display by both
sides, but a scoring burst which included two
goals just before half time gave our boys an

advantage going in at the break leading 3-07
to 2-04. Having played against the breeze in
the first half, An Gaeltacht started the second
half strongly aided by a strong breeze blowing
up from the town end of the pitch. They scored
2-06 in total in the second half, however our
boys defended stoutly and were not found
wanting in attack either and kicked 2-03
ourselves against the breeze to record a great
win with final score of 5-10 to 4-11.

U12 B: Playing against a strong breeze in the
first half, Spa did very well to go in only 2 points
down at half time. In the second half Spa came
out fighting and levelled things up with 10
minutes to go. However, An Gaeltacht proved
too strong in the end and the game finished
4-04 to 2-06. It was a great performance by Spa
considering most of the team is made up from
our U10's.

U10 Our U10 team travelled to Dr. Crokes on
Saturday morning with both clubs fielding 2
teams. They played 2 great games of football,
showing great skill and determination. Well
done boys.

GOOD LUCK IN EXAMS: Best of luck to all
Junior and Leaving Cert students starting their
exams this week.

DR. CROKES NOTES

HURLING

County League Div2 Rd1 Vs Tralee Parnells
Dr Crokes Senior Hurlers welcomed Tralee
Parnells on Wed 29th May to commence our
county league campaign. This was Parnells first
game in county competition since achieving
senior status and to mark the occasion Dr
Crokes made a presentation to the team and
mentors before the game.

The pageantry did not distract our players from the task at hand and although slow to start we worked our way into a half time lead of 1-12 to 0-11. The goal 5 mins before the interval from Shane Arthur giving us the edge.

In the second half our backs started to get on top of the lively Parnells outfit, and with good direct running from our forwards we created the opportunities to close the game out with further goals from Jack Lenihan and Colm O'Cuiv. Final score 3-16 to 2-13.

Team and Scorers: Eoin Hayes, Shane Kavanagh, Kevin Landers, Michael Eoin Buckley, Gary O'Connor, Michael Lenihan (0-2), Rory Waters, Mike Milner, Shane Arthur (1-3), Seanie Burchill (0-4), Anthony Keogh, Rob Ryan (0-3), Jack Lenihan (1-3), Ritchie Farrowsey, Mike O'Keefe.

Subs: Chris Doncell (0-1) for M O'Keefe, Colm O'Cuiv (1-0) for R Farrowsey, Michael Horgan for R Waters, Jamie Lenihan for S Burchill, Joe Enright for Rob Ryan.

COUNTY LEAGUE DIV2 RD2 Vs Ballyheigue

After our opening round victory we travelled away to Ballyheigue on Saturday the 31st May. Although still minus a few players we fielded a strong team to try and maintain our momentum in this competition. From the beginning, Ballyheigue could not deal with the pace in our full forward line, with both Chris Doncell and Michael Lenihan contributing 2 goals apiece in the first half. The result was never in doubt and we drove on to win by a 21 point margin with the final score 1-8 to 4-20.

Team and Scorers: Eoin Hayes, Shane Kavanagh, Colm O'Cuiv, Michael Eoin Buckley, Kevin Landers (0-1), Michael Milner, Rory Waters, Jack Lenihan (0-2), Shane Arthur (0-2), Seanie Burchill (0-1), Anthony Keogh (0-1), Mike O'Keefe, Chris Doncell (2-2), Michael Lenihan (2-8, 3f), Rob Ryan (0-3).

Subs: Gary O'Connor for M O'Keefe, Joe Enright for R Waters.

UNDER 12 GIRLS

The clubs U12 girls have played three further rounds of the county league since their last report. The first was a home game v ISG Kenmare, when they ran out comfortable winners after scoring 5-03 by the final whistle. As good and all as the forwards played on the night, it was the defense that caught the eye. Marshalled well by goalkeeper Natalia Mai, full-back Joycelyn Hickey and center back Aoileann Ní Dhúbháin were impenetrable. Corner backs Ellie Galvin and Sinead Byrne were in determined mood alleviating hardly giving the opponents a look at the ball. Annie Brosnan, Miren O'Connor, Sophie Donnelly and Emma Cudden played outstanding football through out. Midfielders Síofra Randles and Norah McGlynn were in tremendous form all evening and gave the forward lines plenty supply of the ball, that allowed the team to notch up this home win. Their second game was on the road to Dingle and it transpired to be the game of season for the girls. Played on a beautiful summers evening the home team hit the ground running and posted the first two points of the match. With Keela O Connor playing at wing back and Ella Bartlett having her first start of the year at midfield, both inspired the team

Legion U-12 Teams whom played recently in the County League v Cordal Gaa

forward and put the scores on level terms with 15 minutes gone. Both teams exchanged two goals each within minutes of each other, but it was the home team that added three more green flags before half time leaving the score 5-02 to 2-02. The performance by the girls in the second half was something to behold. The heart and character displayed by the black and amber was worth the price in. Clodagh McGorrian and Alanna O'Brien led from the front. Wing forward Sabra Hickey was under every breaking ball that came off midfield and she drove forward beyond her markers at every opportunity. Jessie O'Connor, Emma Dowling and Amelie Hussey were courageous to the last in their efforts the keeping the Dingle defense busy to the end. They were rewarded for their never say die attitude when they converted a point with the last kick of the game to finish even on the scoreline of 5-05 apiece. The third game was at home v Kerins O Rahilly, and even though this was to be the teams first defeat in the competition all the girls and management were delighted to welcome back Clodagh Finn to the fold after her long lay-off with her foot injury.

The club would like to extend its thanks, firstly all the parents and players who were in a position to help out with the very successful church gate collection last weekend, and especially to the people of the parish who were so generous in their support of the U14 girls who'll be representing Kerry at the end of the month in Galway. Commiserations to our Kerry Senior footballers Amanda Brosnan and Kayleigh Cronin and to the Kerry U14 players Pia Hickey and Leah McMahon on last weekends results.

WALK WITH CROKES Get out and walk with Dr Crokes. We are walking around the outside of the main pitch. Walk for as long as you wish, do as many laps as you wish and at the pace you wish. Walking will continue every Tuesday and Thursday (7.00pm - 8.00pm) and Saturday (10.45am - 11.45am) for the month of June. If you didn't make last Saturday you can still come to the other days you don't have to make walk!

LOTTO Lotto 7, 12, 13, 22. Jackpot E3600 not won match 3 7 by E60. Next draw Sunday 9th of June in Tatler Jack Jackpot E3900.

EAST KERRY JUNIOR LEAGUE RD1: SPA 1-12 GNEEVEGUILLA 4-12

Just ten days after meeting in round one of the Junior County League, Spa and Gneeveguilla met again in the first round of the East Kerry Junior League on Tuesday evening.

Three first half goals for Gneeveguilla was the difference at the end, with both sides evenly matched throughout. After twenty minutes Gneeveguilla had raced into a 3-5 to 0-4 lead, with Liam Spillane (2) and Niall McCarthy (2) on target for Spa and Jack Cremin (1-2), Evan Cronin (1-1), Daniel Gleeson and Shane O'Sullivan (1-1) with the Gneeveguilla scores. Three more from Spa's Andrew Fitzgerald, Keith Myers and Niall McCarthy, and three more from Gneeveguilla's Tony Cronin, Daniel Gleeson and Shane O'Sullivan made it 0-7 to 3-8 at half time.

Niall McCarthy (2) and Pat Cronin (2) points early in the second half were quickly followed by three from Gneeveguilla's Brendan Sheehan, Shane O'Sullivan and Evan Cronin to make it 0-11 to 3-11 going in to the final quarter. Niall McCarthy was fouled in the small square and kicked the resulting penalty and followed with the superb '45 to narrow the gap, but a late point from Gneeveguilla's Evan Cronin and goal from Mike Brosnan finished the game at 1-12 to 4-12.

Spa Team: Conor Kerins, Connie Cremin, Brian Devane, Conor O'Riordan, Keith Myers, Paul Cahill, Calum Neher, Hugh O'Donoghue, Andrew Fitzgerald, Thomas Cronin, Niall McCarthy, Michael Kearney, Liam Spillane, Eoin Carroll, Conor Gleeson. Subs: Thomas Fleming, Pat Cronin, Conor Brosnan, Mark Bowe

U-12 BOYS Two of the u12 boys teams on County League Div 2 duty today. The unseasonable weather didn't deter the players from Legion and Cordal Gaa who played 2 competitive and high scoring matches. The strong breeze and wet conditions made both games scrappy affairs but both sets of teams still showed excellent skills for some good scores throughout. In the end, the visitors edged in front to claim victory on the road despite the best efforts of the hosts. Well done

to all the players today and thanks to all the supporters who braved the elements on the silent sidelines. Next up we travel to Killorglin to play Laune Rangers GAA in a Division 9 fixture.

BBQ We will host a BBQ at Direen on this Sunday the 9th of June at the break of the Division one and five games. All welcome to attend. Our Juvenile Academy teams will play at half time at both games.

GOOD LUCK Best wishes to all our Junior and Leaving Certificate students starting exams this week.

WELL DONE Well done to all our U-10's who participated with Spa Muckcross and Killarney in the Community games on the Bank Holiday Monday, both teams reached the final with Killarney winning it out it what was a very close contested game. Well done to all involved.

MILLTOWN CASTLEMAINE GAA MEMBERS OPEN CLUB MEETING

All our members are cordially invited to an open meeting on this Thursday night at 8.30 sharp in the club rooms, where up to date details of our field development and fundraising project will be outlined.

Our third senior side made the short journey to Keel for Round 2 of the County Junior Football League.

To be fair they more than held their own and having not taken two goal chances (1 in either half) it could have been far closer than the scoreboard suggests which is a credit to all involved.

Mark Wren through 0-2, Eoin O'Mahony with 0-2 & Jack Dennehy with a beauty from a long distance free kept us in touch all through the

encounter. Our 'B' side will take on Keel 'B' in the Mid Kerry Junior Football League on Tuesday next which should provide a more accurate measurement of where both sides are at. Well done to the 17 players who made themselves available for selection yesterday and as ever we will continue to build on the back of such performances.

'Silent Sidelines' is an initiative of the Co.

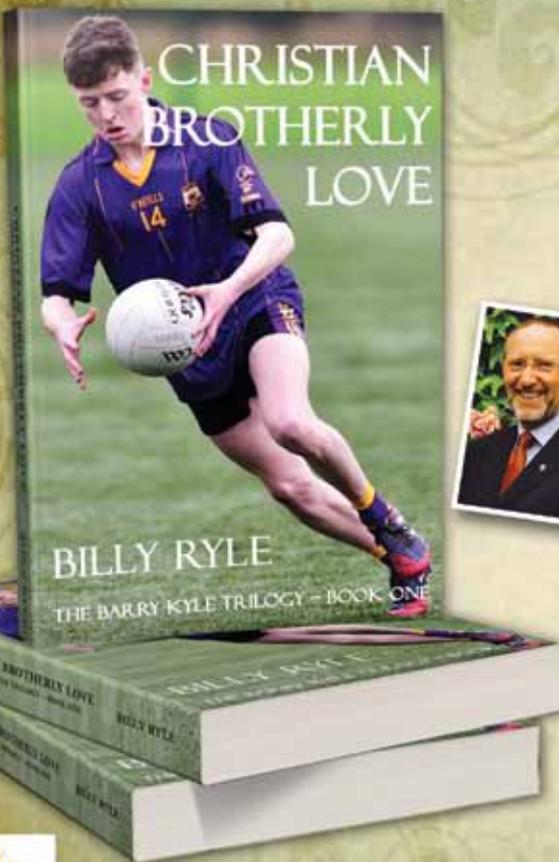

Board which is to be implemented at all U12 Co. League Phase 2 games beginning this weekend.

Essentially the message is that supporters are to remain silent during the game, remain outside the playing field or in a designated area for supporters and that just one lead coach interacts with the players during the game. In this way the children will have a more enjoyable experience playing the game and putting into practice what they have learned on the training field. The Co. Board is asking all of us to cooperate in helping to implement this initiative.

REPORTS

KERRY 15'S CLAIM 3RD SPOT AFTER PHASE 1

The Kerry 13's and 15's League of Ireland sides faced Athlone in the final round of Phase 1 games. The 13's travelled to Lissywollen with 4th place on the line between themselves and their hosts Athlone.

Top 3 for Kerry 15's: The 15's welcomed Athlone to Mounthawk Park knowing that a point would guarantee them a place in the Top 3 in the Group and into the Top 12 section of the League. These 12 will be broken down into the Groups of 6 as the battle for the 15's League of Ireland heats up. And Kerry completed an excellent Phase 1 defeating Athlone 1-0. The only

goal of the game came from Cianan Cooney in the second half in a game that Kerry deserved to get all three points.

The results see Kerry finish behind Cork and Galway but 5 points ahead of Athlone so third placed was a well-deserved reward for a very good effort in their first ten games.

Kerry 13's end Phase 1 with a defeat in Athlone: The Kerry 13's were caught with three late goals inside the last 7 minutes as they lost 5-2 away to Athlone. JJ Olijitan put Kerry ahead but the home side went 2-1 up before the break. Andrew Kerins equalised for Kerry but they were now playing against the wind and were hit with three late goals. Kerry will know their opponents in Phase 2 later this week.

KERRY GIRLS IN GAYNOR TROPHY

ACTION: The first of the two big weekends in underage girls football took place in UL. The 13's Gaynor saw 20 Leagues taking part while 23 Leagues will play in the 15's Gaynor at the end of the month.

Kerry went down 2-0 to Clare in their opener with both goals coming in the second half. They went 1-0 down to Longford but Ellie Mai Nugent scored a deserved equaliser. The NECSL only missed out on the Gaynor Cup section on goal difference and were unbeaten in the group. Fiana Bradley scored for Kerry from a free kick but the damage was done in the first half as the North East Counties side won 5-1.

The sides met again in the semi-final and this time it was much closer with the NECSL getting the only goal late on when they were playing with the wind. Kerry ended their tournament by playing Clare on Monday morning.

KILLARNEY CELTIC TAKES GIRLS 12'S

CUP: The final of the 12 Girls Cup, played as part of a Cup and Shield double header at the excellent Kilbrean Park venue, the home of Mastergeeha FC. There was very little between Killarney Celtic White and Inter Kenmare when they met in the League and the first half echoed this. However Celtic took over in the early stages of the second half and they got their reward Niamh Cantillon scored to give Celtic the lead.

Credit to Inter Kenmare they put in a great effort but they were caught again when goal machine Eve Culhane scored a second it was game over. For

Inter Kenmare Thein Doran, Helena O'Donoghue and Claudia Merchel were the best on the night.

12 GIRLS SHIELD GOES DOWN SOUTH:

Iveragh United went into the 12 Girls Shield Final as favourites. They met Killarney Celtic Green as part of the double header at Mastergeeha. The South Kerry side are in the Premier A section while Celtic Green were 2nd in Premier 1B.

Killarney Celtic battled hard early on against the physically stronger Iveragh side who eventually made the breakthrough when Katie O'Connell finished well from inside the box. This was the only goal of the first half so after the break the next goal would be vital. And it was O'Connell who got it again after being set up by the excellent Katie Foster.

With Celtic, led by Player of the Match Kate Forde, Caoimhe Cronin and Jessica Leggate pushing to get one back they were caught on the break and Vilta Paulauskiene wrapped up the win.

INTER WIN THE 14'S CUP: The Tom Hayes Cup is in the Inter Kenmare trophy cabinet after a cracking final against Killorglin in Mounthawk Park. Both sides had chances in the first half with Yago Cornide and Darragh O'Connor going closest for Inter and Dara O'Connor and John Burke the best for Killorglin. And it looked like the side lines would go in scoreless at half time. However Sean Treyvuad had different ideas.

A good passing movement by Inter saw Ollie O'Shea and Cornide set up Treyvuad who showed great feet to finish low past Darragh Crosby in the Killorglin goal.

Things got worse for Killorglin early in the second half when their keeper was late to a ball and collided with the Inter attacker and the referee Tom Sheehy had no hesitation in pointing to the spot and sending off the keeper.

The Killorglin management sent Brian Cahill into goal but his first job was to pick the ball out of the net as Darragh O'Connor put Inter 2-0 up from the penalty spot. But for the last 20 minutes of the Killorglin took over and gave it a great go to get back into the game. When Conor Hayes scored it was game on. However Inter Kenmare held out and were presented with the Tom Hayes Trophy by Dinny Hayes.

PARK B TAKE 14'S SHIELD: St Brendan's Park B proved a little too strong for a battling Killarney Athletic side who had earlier wrapped up the Division 1 title but were a little under strength for the Cup final. The Tralee side got the opener early in the first half through Arek Jaszczyski and held the lead for the rest of the half.

They doubled their lead midway through the second half when Stephen Barrett scored and Rodrigo Phinto got the Park's third after being set up by Man of the Match Sean Moynihan. Killarney Athletic never gave up and pulled one back inside the last 10 minutes when Thomas Healy scored but they ran out of time. Killorglin the Healy Family Cup Champions Following a scoreless first half in the Healy Family 15's Cup final Killorglin got the perfect start to the second half when they broke the deadlock. A long ball into the Athletic box was not cleared and it was scrambled home. It was all Killorglin with the Killarney Athletic keeper Matthew Ellaga being much the busier. He made a number of big saves including one from Ryan Diggin to keep his side in the match.

Athletic were struggling to create and an Alex Hennigan effort was the closest they came to equalising. But late on the second goal came from Killorglin from the excellent Eoghan Hassett who was named Man of the Match.

12 Girls Premier goes to a play-off:

Killarney Celtic travelled to their Listowel namesakes knowing that a point would have given them the 12 Girls Premier title. However it was the home side that took the win 4-1. Listowel Celtic's goals came from Laura Falvey 2, Holly Boyle and Caoimhe Lynch with Ellie Doolan replying for Killarney Celtic.

This result means that Killarney Celtic and Inter Kenmare will need to play-off for the 12 Girls title.

CAMP JUNIORS COME FROM BEHIND TO WIN 12 GIRLS 1A:

Killarney Celtic Green needed to defeat Camp Juniors to force a play-off in the 12 Girls 1A. And for a while it looked like this would be the case as Jessica Leggate put the Killarney side 2-0 in the first half. However by half time the game was level when Suvi O'Connor and Saoirse Wenk scored. And it was Camp Juniors who scored twice more in the second half to end this section of the League on 4 wins from 4 thanks to a second goal from O'Connor and one from Miriam Sheehan.

FINAL GAYNOR GAME A depleted Kerry side went down to Longford in their Gaynor 13's Trophy 3rd / 4th place play-off.

Kerry had a few players out with knocks but battled till the end and had chances to get back into the game but came up against a strong Longford rear guard.

In the Trophy Final NECSL defeated Clare 4-2 on penalties.

All the Kerry girls on the squad did the League, their clubs and their families proud.

PREMIER A LEAGUE FINAL REPLAY KILLARNEY CELTIC 1, CASTLEISLAND 0

A Danny Roche goal in the 25th minute was enough for Celtic to complete a double double for the 1st time in the club's history. Celtic started brightly with Stephen McCarthy going close after 2 mins. Castleisland had a goal disallowed before Stephen McCarthy went close again. Then in the 25th min came the breakthrough when Celtic worked a corner to James Sugrue whose shot was saved but Danny Roche was fastest to the rebound and finished from close range. Wayne Sparling was close soon after to doubling the lead. Then just before half time Celtic were awarded a penalty but Stephen O'Mahony saw his shot saved by the goalkeeper. Castleisland started the 2nd half in determined fashion and came close to an equaliser. Gary Keane almost finished off a great move to extend the lead. Wayne Sparling went close on 2 occasions. Celtic's defence had to be on alert in the closing stages as Castleisland chased for the equaliser. Well done to the management and players for achieving the double again this season.

U12 GIRLS CUP FINAL

Killarney Celtic (White) 2, Inter Kenmare 0 Niamh Cantillon and Eve Culhane got the 2nd half goals to give Celtic the cup. A tight 1st half saw the teams retire scoreless at the break but Celtic pushed up in the 2nd half and Niamh Cantillon got the opener. Eve Culhane

Results

UNDER 15 CUP FINAL

Killarney Athletic 0 Killorglin 2

Played in Tralee on Monday evening in tricky conditions our boys lost out to the better team on the night. Killorglin played with a strong wind in the first half but were unable to find the net through good defence and Matthew Ollegga in goal making some fine saves. Looking forward to the second half with the wind at our back didn't last very long when a mix up at the back let Killorglin in to score after 2 minutes. The boys kept going but in chasing the game conceded another with 5 minutes left. Not our best performance but you have to compliment Killorglin on their win. Best for Athletic was Matthew Ollegga with Sam Benson, Cian Lynch,

Darren Ryan and Gavin O'Sullivan also doing well.

UNDER 14 SHIELD FINAL

Killarney Athletic 1 St Brendan's Park B 3

Just one game too far for this fantastic group to complete the double. Started strongly and can feel unlucky to have gone down to a great long-range effort and really should have equalised before half time. Down a goal going in to the second half is nothing new to this team and went out again putting the Park under pressure but just couldn't get the goal. Credit to the Park who got us with 2 breakaway goals. As always heads never dropped and we got our goal through

Thomas Healy but time was against us. This group can hold their heads high and are a credit to their parents and the club and will surely have plenty of more finals ahead of them. Huge Credit to Ger and Owen for their Time and Dedication given to this Squad of young Blues. Thanks to all of the great Support from the Parents.

KERRY GAA SCENE

REPORT BY LEONA TWISS, PRO

Kerry earn their place in the Munster Final

Last Saturday was a clichéd game of two halves! Kerry dominated the first half missing a number of goal chances but dominating all over the field and a goal on the 33rd minute emphasised their dominance. The second half was very different! Clare dictated the pace and showed real grit and determination. At the final whistle, Kerry had secured a win but had not delivered a convincing performance. However, that was probably the kind of game that was needed to refocus after the long break since the League Final.

We now have a Munster Final to look forward to on June 22nd in Cork. The game will be preceded by the Munster Minor Final also featuring Cork and Kerry. Peter Keane and his Management team will be mindful of how easily Cork defeated Limerick last weekend. They know only too well the task that lies ahead in Cork. We wish them well with their preparations!

Congratulations to all the young people who played at half time in Ennis. Cumann na mBunscol Ciarraí had our Primary Teams well prepared and they treated us to a most enjoyable game!

U20s John Kerins Development League

Kerry and Cork played out a most entertaining game in Clonakilty last Wednesday night. It looked as though Kerry might take full points but a last-minute Cork equaliser saw the teams share the points. The first round game was either home or away and for Kerry it was away. The next game against Dublin is on June 8th in Kilmallock at 3pm. Then Kerry play Galway on the 12th in the Gaelic Grounds and then Kerry play Kildare in Thurles on the 15th. Kerry has had a good start to this League particularly considering how understrength they were due to injuries and exams. We wish them the best of luck on Saturday!

The Annual Kerry GAA Night of Champions

The Annual Kerry GAA Night of Champions is on Friday 14th June at the Kingdom Greyhound Stadium Tralee. The Kerry Group Sponsored Club Sweepstake is the very popular race where clubs are twinned with dogs. The semi final goes ahead next Friday night.

Pupils at Gneeveguilla NS are getting ready for their big fundraising night, tomorrow June 8th at the Kingdom Greyhound Stadium organised by the Friends and Parents of Gneeveguilla NS. The night promises to be fun for all the family where in addition to the racing program there will be a colouring competition for all classes with artwork on display at the stadium and winners announced on night. There's going to be a bouncy castle, face painting and even some novelty racing for pupils to take part in. For tickets or more info contact Miriam at the school on 064 7756368.

Best of luck to the Clubs involved. A great night of entertainment is guaranteed for the family on June 14th. Don't miss your opportunity to take a 'selfie' with the Kerry footballers and hurlers! There will be a best dressed prize on the night sponsored by Jasmine Boutique, Tralee. The big race of the night which is the 'Race of Champions' is sponsored by Navillus Construction. Entry tickets which are 10 Euro are on sale from all Club Officers and from the County Board Office. Please support our annual fundraiser!

An Ghaeltacht are the Senior Comórtas Champions!

Congratulations to the An Ghaeltacht Club on successfully hosting the 50th annual Comórtas Peile na Gaeltachta. The event had representatives from all seven Gaeltacht counties. Great crowds enjoyed the games and the West Kerry hospitality. Perhaps the icing on the cake was for the host club to win the Senior Final. The final was between Kilcar and An Ghaeltacht. At half time, Kilcar had the lead 0-6 to 0-3. In the 60th minute the men from the west drew level at 8 points a piece. That brought the game to extra time. Half time in extra time saw the teams level again with 10

points each. However an unbelievable point from the boot of Sean Ó Muircheartaigh from a tight angle won the game for An Ghaeltacht. The game finished 12 points to 11. Congratulations to all in An Ghaeltacht! Congratulations also the Southern Gaels ladies who were also crowned senior winners.

Coaching and Games u17 competition

The U17 9 aside finals were played last Friday night. Division 1 was won by St Marys Renard, Division 2 was won by Castlegregory, Division 3 was won by Glenflesk and Beaufort won the Division 4 Final. This was a brilliant competition run by Kerry Coaching and Games for the U17 player not involved with County Football or Hurling panels. Thanks to the 24 clubs that took part and congratulations to the four winners!

Best Wishes

Kerry GAA extends our warm wishes to all the students sitting State Examinations this week! We wish each one of you the very best of luck and we hope that your hard work will be rewarded!

Know Your Rights:

QUESTION

I will be retiring soon. I spent many years working and I have also spent time raising and caring for my family. Can I qualify for the State Pension (Contributory)?

ANSWER

The State Pension (Contributory) (SPC) is paid from the age of 66 to people who have worked and have enough social insurance contributions. Recent changes introduced a new method to calculate the rate of SPC paid to a person who reaches pension age on or after 1 September 2012. The new method can help people who have spent time out of the workforce caring to qualify for an SPC.

Firstly, you must be aged 66 or over and have enough Class A, E, F, G, H, N or S social insurance contributions, you must have started to pay social insurance in Ireland before the age of 56 and you must have 520 full-rate contributions (10 years of contributions).

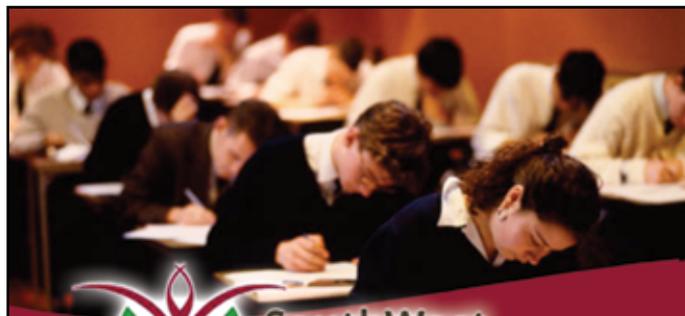

Then, provided you reached pension age on or after 1 September 2012, you can have your contributions assessed using the new Total Contributions Approach (TCA) and can avail of a new HomeCaring Periods Scheme. The TCA counts the total number of contributions you have paid. If you have 2,080 or more contributions (40 years of employment) you will qualify for the maximum personal rate of SPC. If you have fewer than 2,080 contributions, you can use up to 1,040 Home Caring Periods (20 years) and up to 520 credited contributions (10 years), to help you qualify for an SPC. Your combined Home Caring Periods and credited contributions cannot be more than 1,040 (20 years).

If you reached pension age on or after 1 September 2012, your entitlement to a pension will be calculated using both the current yearly averaging system and the new TCA calculation. If you are entitled to a SPC, the rate of pension you get will be based on whichever calculation is best for you. You can get a State Pension (Contributory) form from your local post office and your Intreo Centre or Social Welfare Branch Office.

EXAM STRESS – WHAT CAN I DO?

Learning to manage stress is important at all times in our lives – and not just around exam time. Tips to give you more control over your life include: Eating healthy food as much as possible and avoiding junk food as much as you can. Exercising regularly, even if it is for a few minutes a day. Walking, jogging, yoga, anything will do. Developing good relationships. Sleeping well. Keeping a balanced view. Learning techniques of stress management and stress relief. Remember your past achievements and take strength from them.

Schedule Time for You

A really good habit to develop now, which will stand to you for a life-time is to set aside a half an hour each day to do something that just makes you feel good. Read a book or a favorite magazine, take a walk, dance or ride your bike. This time that you take for yourself will help you focus when you sit down to finish your homework.

But you may be asking 'What Can I do Now? My exams are underway'. The first important thing to remember is that a relaxed body and mind is better equipped to deal with stresses and tensions. So looking after your mind and body at this time will help you to cope better with exam pressures.

Take care of yourself. Now more than ever it's vital that you take care of yourself. Don't sacrifice your health because you feel you are too busy. A combination of a healthy diet, regular exercise and plenty of sleep helps relieve stress.

OVER THE NEXT FEW WEEKS WE WILL GO THROUGH SOME TIPS ON WAYS TO MANAGE EXAM STRESS

Acknowledge your feelings. It is normal to feel stressed at exam time. However, if you are feeling especially stressed or depressed, you may want to look at everything you are doing see if there are one or two things you can cut out until you feel better. Be sure to talk to someone if you feel this way.

If you feel stressed or overwhelmed, it is important to speak with the adults in your life. They may not be aware of just how much pressure you are feeling to get everything done. Talk to a parent, teacher or counsellor, and ask for help in dealing with stress.

JUST 4 WAYS DORIS DAY MADE THE WORLD A BETTER PLACE FOR ANIMALS

Doris Day, who died at age 97 on May 13th, may be remembered for her famous song, "Que Será, Será (Whatever Will Be, Will Be)." But as one of the first celebrities to advocate for animals she did not apply those words and we should also remember her for making sure that the world is a better place for animals.

Born in Cincinnati as Doris Mary Ann Kappelhoff, she turned to singing after a car accident cut her fledgling dancing career short when she was only 12. Inspired by Ella Fitzgerald, she sang on local radio shows, then in New York nightclubs. She was discovered while singing at a Hollywood party and soon made the transition to the big screen.

Known as "The Dog Catcher of Beverly Hills" she often found unwanted dogs dropped off at the gate of her California home, she fostered many in her own home and leased kennel space while animals were waiting for forever homes.

1. In a public service announcement filmed nearly 50 years ago, she encouraged viewers to visit their local shelters and adopt homeless pets. "Shelters are unbelievably overcrowded," she said, "and we can and must do something about it." She always carried photos with her of dogs and cats needing forever homes and shared them with friends and colleagues.

2. In an effort to reduce pet overpopulation, in 1987 she founded the Doris Day Animal League (DDAL), a nonprofit lobbying organisation. In 1995, the DDAL launched Spay Day USA, now known as World Spay Day. Held on the last Tuesday of February every year, this day is an opportunity for shelters and rescue organisations to raise awareness of and support for their spay/neuter programmes. During its first 15 years, the DDAL provided the funding to spay or neuter over 15 million dogs and cats.

3. Prior to starting the DDAL, she became a founding member of Actors and Others for Animals in 1971.

Seven years later, the actress launched the Doris Day Pet Foundation (now called the Doris Day Animal Foundation), whose mission has always been to "help animals and the people who love them." The DDAF provides grants to nonprofits

across the US that care for and protect animals. Last year, it donated \$1.5 million to support the amendment that banned greyhound racing in Florida. The foundation also funds the Doris Day Equine Centre, the Duffy Day Life Saving Programme for older and injured animals, and the Doris Day/Terry Melcher Scholarship at UC Davis School of Veterinary Medicine.

4. A visionary when it came to pet-friendly travel, around 1990 she became co-owner of the historic Cypress Inn in Carmel-by-the-Sea, California. This boutique hotel became the first to welcome four-legged as well as two-legged guests.

Doris Day didn't just make the world a better place for pets—she also helped make it better for the people who love them.

GIRL BORN WITH BACKWARDS LEGS IS NOW WALKING

3-year-old Victoria Komada was born with bilateral tibial hemimelia – a congenital deformity which results in deformed legs and missing bones. Doctors initially told Victoria's family that the only solution was a double amputation – but then her parents heard about Dr. Dror Paley of the Paley Institute in West Palm Beach, Florida who told them after Victoria's initial examination that he would be able to reconstruct her left leg and her right leg could simply be fitted with a prosthetic. The surgery cost £180,000 (€204,000 approx) which thousands of strangers contributed so that the Polish family could travel for the treatment and Victoria had her first nine-hour operation in July. After months of treatments and therapy, she underwent a second operation in November so the bones in her left leg could be fused together. Two days later, she could walk.

"We were so happy when she took her first steps, we started crying, Victoria's parents Marzena Drusewicz and Dariusz Komada said "We were on the way to the car and she said 'Mummy, can I show you something. We are thankful beyond words to all the people that gave donations and made it all possible they added.

THOUSANDS OF PEOPLE DONATED HAND-KNITTED NESTS TO A WATERFOWL RESCUE SHELTER

Nesting season is always their busiest time of year for the Carolina Waterfowl Rescue of Charlotte, North Carolina when their shelter often take in as many as 3,000 birds in need of care.

In April of this year posted a plea for help on their Facebook page, asking their readers to send in knitted nests for the chicks.

The post was shared hundreds of times and the shelter quickly became flooded with thousands of hand-knitted nests, messages of encouragement, and greeting cards from all over the country.

Needless to say, the rescue workers have been delighted by the response, and they have encouraged readers to continue sending the nests.

"We could always use a [few] more and even if we don't use them, we can send them to other people who we know that does need them," shelter wildlife rehab specialist Bayleigh MacHaffie said.

THIS WOMAN FINALLY GOT THE CHANCE TO REPAY THE FIREFIGHTER THAT HELPED SAVE HER DAUGHTER

Becca Bundy has always been grateful for the firefighter who came to her daughter's rescue in 2016. 66-year-old Bill Cox was the emergency responder who first arrived on the scene when Ms. Bundy's daughter was having a seizure and he was able to get control of the situation before the ambulance arrived.

At a charity event two years after her daughter's seizure, Ms. Bundy again ran into the volunteer with the Bearville Volunteer Fire Department in northern Minnesota and she noticed he was wearing a tee shirt that read: "My Name is Bill. I'm in end stage KIDNEY FAILURE and in need of a KIDNEY. They got talking and the 66 year old told Becca that he was born with only one kidney. When it eventually went into failure, he was added to the transplant list in 2017. In January, he was forced to go onto dialysis.

In a desperate bid to find himself a kidney donor, he made two tee shirts emblazoned with his plea for help. Even though the shirts spurred several people to offer up their kidneys, none of them were a match. Ms. Bundy discovered that they had the same blood type and she immediately promised to get tested and sure enough, she was a match.

Since they underwent a successful transplant in February, Ms. Cox has been enjoying a renewed sense of strength and energy. He also maintains a close friendship with Ms. Bundy to this day.

Prior to the surgery, he expressed his gratitude to the Minnesota mother by carving a statue of an angel out of wood and painting it her favourite colour. "She's my angel," he said. "She saved my life and I thought that would be an appropriate little gift for them."

A Word of Victory

Welcome back dear reader last week we spoke of light. The opposite of light is darkness. Many are living in darkness with no hope. Jesus is the Vessel that God the Father sent to bring His Love and Mercy to us, so that we could have a personal relationship with Him. God loves each one of us as a tender Father and He is interested in the 'one' person and in our freedom, thus He gave each of us a free will. Satan, the god of this world (2 Corinthians 4:4) uses people's lack of knowledge of God's Word to hold them in darkness and despair (Hosea 4:6). But God sent Jesus to set the captives free (Isaiah 61:1-4). Satan's anti-Christ spirit in the world seeks to control the masses through a globalism theology. It uses flattery to bring a false peace, and speaks of liberality and freedom, but there is no freedom for you unless you agree with the crowd. You will either assimilate by joining in agreement - or you will be annihilated and cast out, isolated and penalised. Look up how many times Jesus ministered to the 'one' person in the Bible and changed their lives as a result of His Love and Power. The woman with the issue of blood, Jairus, Bartimaeus, Zacchaeus, the woman at the well, the Gadarene demoniac - God seeks those who are lost and hurting to bring them back to security, health and peace (Luke 15:1-32). Everything about us is unique - our DNA, our fingerprints, toe-prints, tongue prints, teeth, face, the iris of the eye, even the way we walk - all mark us out as special individuals. The Bible tells us we are crafted and knit together by God Himself as His masterpiece (Psalm 139:14-15; Ephesians 2:10). The devil seeks to shred and counterfeit that uniqueness because of his hatred of God. We are made in the image and likeness of God our Father the Creator, so we too have that same creative ability. Some choose to use that creativity to bring forth beauty, while others have allowed themselves to be influenced by the anti-Christ spirit to bring destruction and pain, lying, cursing, and lusting after greed and power. It's time for the church (the people who believe and follow Jesus) to rise up and come out of hiding and fulfil the purpose for which God created us, and stop going with the flow, because the flow is dragging people into darkness and the abyss (Revelation 20:10-15).

More next week...

IN LOVING MEMORY OF

PEGGY RYAN

LATE OF CLYDINE
KILCUMMIN, KILLARNEY
WHO DIED ON
12TH JUNE 2008

*They say there is a reason
They say that time will heal,
But neither time or reason
Will change the way we feel.*

*For no one knows the heartache
That lies behind our smiles,
No one knows how many times
We have broken down and cried.*

*Hugs and kisses to Heaven we send to
our loving daughter Peggy.*

Sadly missed by your Mother and Father

*Jesus came to the foot of the bed
These are the words we are sure he said
You suffered enough, take my hand
And come with me to a better land.*

*So keep your arms around her Lord,
And give her special care,
Make up for all she suffered
And all that seemed unfair.
God bless you Peggy
Till we meet again.*

Sadly missed by your sisters Breda and Sheila and brother Diarmuid, brothers in law Dan and Dermot, Sister-in-law Noreen.

*As each day dawns we think of you,
As each night falls we pray for you,
And throughout our lives No matter where
In our hearts you are always there.*

Lovingly remembered by your nieces and nephews Louise and Stephen O'Donoghue, Michael and Aileen O'Sullivan and Susan Katie O'Neill.

PRECIOUS MOTHER OF JESUS

Mother of Divine Grace, you can find a way, where there is no way. Please hear my prayer and grant me my request. (Say 6 times daily and your request will be granted).
