*Aster says thanks*

## to the Kerry Mountain Rescue Team

**A**n incident while climbing Torc Mountain at the beginning of January has resulted in a local mum organising a coffee morning for the Kerry Mountain Rescue Team.

Susan Pierce and her daughter Aster were out walking when Aster felt ill and being so far from their car, Susan contacted a friend in the Kerry Mountain Resue Team.

"I cannot praise the team enough", Susan told the Killarney Outlook.

"They were there within 45 minutes and were totally reassuring to both myself and Aster" she added.

Thankfully after a short stay in hospital, Aster, who is in second class in Ballycasheen, is fully recovered and is now helping her Mum to organise a fundraiser to help raise money for the Kerry Mountain Rescue

Team. The Royal Hotel is the venue for the event on Friday 22nd February from 10am to 12noon and all money raised will go towards the work of the amazing volunteers in the team.

Kerry Mountain Rescue Team was formed in 1966 following the deaths of two climbers on the mountains of Southwest Ireland, and since then has come to the assistance of numerous climbers and walkers in distress. Team membership is entirely voluntary and the 35 active team members come from all walks of life, but all are active and accomplished walkers and mountaineers in their own right.

So the date for your diary.... Friday 22nd February 10am - 12 noon.

## Class of '89 Step Back in Time

*Pictured at the Killarney Plaza Hotel for the Loreto School reunion, from far and wide, students of leaving cert years 1984-1989. PICTURE:MARIE CARROLL-O'SULLIVAN*

There was plenty of memories recalled and new ones made when the ladies from the Loreto Convent, Killarney's Class of 1989 gathered for a reunion on Saturday 2 February at the Ross Hotel. Thirty years after finishing school, many of the past pupils travelled from near and far to the gathering. Some travelled long distances, such as London and more from all over Ireland, in order to catch up with their old friends once again. The class of '89 is doubly special as they were the last students to leave Loreto Convent and this was the first time everyone met in 30 years. It proved to be a fantastic night out where everyone got to catch up and reminisce about their

time spent in Loreto as day students and boarder girls. They chatted about their first day of school ,their many school teachers including Sr. Brid, Sr. Paulinus, Ms. Flaherty, Ms. Fleming, Ms. Cox to name a few. They reminisced about their school tours, trips to Courtney's shop, walks to Muckross and a special holiday which was won on the Evening Extra Programme in February 1988. Everyone agreed that the 5 years spent in the school was an enjoyable experience and gave each and every one a sense of respect for others and a good grounding for adult life. They enjoyed their night so much by that there is talk of another get together in the near future!

# ISABELLE'S MISSION OF MERCY

**A** 20 year old physiotherapy student from Killarney who is heading to Western Uganda to volunteer with UCD Volunteers Overseas held a fundraising coffee morning on Saturday last in Murphy's Bar.

Isabelle Corridan is one of 13 students to travel to work in the Cerebral Palsy camp

"I've been given a fantastic opportunity to complete my elective placement in Kisiizi, in Western Uganda, with charity organisation UCD Volunteers Overseas", Isabelle told the Killarney Outlook.

On July 4th 2019, a group of 13, consisting of physio, nursing and dietetic students along with clinical tutors, will travel to this missionary hospital in Kisiizi.

"As physiotherapy students, our main focus will be on the running of a cerebral palsy camp, where we will educate the children's families on the self management of the condition, so that the work we do is sustainable, can be continued when we leave, and be passed into other families. Cerebral palsy is a condition that affects children and families all over the world, however, in areas like Uganda, it is particularly prevalent due to mothers becoming ill during pregnancy, complications at birth, home births, and malnutrition", Isabelle added.

Other projects which will be run by our team will include first aid, mental health and disability awareness workshops, a malnutrition screening, and audits into pressure sores and interpretation of vital signs in the hospital. In order to make this trip possible, each volunteer must raise a minimum of €2650 to aid in the improvement of the hospital, help with physiotherapy supplies and resources and cover the cost of the camp for the families. Each volunteer will also bring an extra suitcase which we will fill with resources and supplies, and will be donated to the hospital.

UCD Volunteers overseas also have projects in other countries such as India and Tanzania, and this year, Eadaoin O Donoghue, also from

Isabelle Corridan (centre) pictured with her family at Murphys Bar for the coffee morning which she organised to help raise funds for her upcoming trip to Uganda as a volunteer. L-R Beatrice, Jack, Mum Annette, Isabelle, Ellen, Dad Paul with Kay Doona. PICTURE: MARIE CARROLL-O'SULLIVAN

Killarney, will travel to Tanzania with UCD Volunteers Overseas.

UCD Volunteers Overseas was established in 2003, and to date, approximately 1,500 volunteers have engaged in environmental, educational, healthcare, construction and computer training projects in disadvantaged communities overseas.

"I would also like to take this opportunity to thank everybody who came and supported

me in my coffee morning on Saturday 2nd February. All of their donations will really make a difference when we are trying to gather resources to make seating, for example, in July. I'd particularly like to thank the Murphy Family for letting me host the coffee morning in their bar, and also all in Killarney Legion GAA Club who really helped spread the word and attended in such great numbers", Isabelle said.

## Living With Type 2 Diabetes

### Free Courses Available Kerry *By Sean Cronin*

THE HSE is running an awareness campaign this week about Type 2 diabetes. The organisations involved wish to remind people that there are very practical education courses available free of charge.

The diabetes course run by HSE Community Dietitians called X-PERT runs across the country, and gives helpful practical advice on how to live well with Type 2 diabetes. Registered Dietitians have a key role in supporting people to manage their diabetes. As well as providing helpful information on diabetes and food choices, they have the skills to support a person around

making long term changes to their lifestyle. The award-winning six-week course is FREE of charge for everyone with type 2 diabetes. The weekly 2.5 hours sessions provide information on healthy eating and making healthier food and lifestyle choices to manage diabetes. Other topics covered include the practicalities of living with diabetes such as driving, going on holidays and knowing what complications can occur, and how to prevent them. The course encourages the person with diabetes to set their own personal goals to make positive changes to their lifestyle for the long term. Annual follow-up

sessions also take place after the course. The free HSE course (X-PERT) will be held in community venues right across Kerry again throughout this year. Courses are held in Killarney, Tralee, Castleisland, Listowel, Caherciveen, Kenmare and Dingle. Enquiries: Monica O'Sullivan on 064 66 70763, or visit [www.hse.ie/xpert](http://www.hse.ie/xpert).

# Rossa honoured at Munster Athletics Awards

**K**illarney athlete Rossa Foley from Leamnaguilla, Kilcummin who is a member of Farranfore Maine Valley A.C. has been awarded for his Track & Field achievements at the Munster Athletics Star Awards 2018 Banquet.

The event was hosted by Limerick County Board and held at the Rathkeale House Hotel on Saturday 2nd February. There was a big gathering of Munster's finest athletes and their families and friends.

Rossa, is the son of Ciara Irwin Foley and Dermot Foley, is a member of Farranfore Maine Valley A.C. . He had a very successful year in 2018 in the Under 23's (despite being only 20 taking part last year). Some of his 2018 winnings were the Munster Indoors U.23 Triple Jump 1st place, Long Jump 2nd place, Shot 2nd place, Weight for Distance 2nd place and in the Senior Category Shot 1st place and Weight for Distance 2nd place. At the Munster Track & Field Rossa came 1st in the U.23 Javelin, Discus, Shot, Triple Jump and Weight for Distance. At the National Indoors Rossa came 3rd place in the U.23 Weight for Distance and at the National Track and Field Rossa came in 3rd in the Javelin, 3rd in the Triple Jump and 4th in the Weight for Distance. Rossa was also chosen for the Kerry team for the National League last year and they came 2nd. He was throwing the 800g Javelin as part of the team and gained points for the team based on his performances at each stage of the league.

Rossa trains with Farranfore Maine Valley A.C. and was delighted when he heard that he was chosen for an award. Rossa was in Athlone last weekend for the National Indoors

John Devine, Munster Athletics Juveniles Chairman, Rossa Foley - Munster U.23 Men's Award recipient and Mossie Woulfe, Chairman Munster Athletics.

Championships 2019 and came 2nd place in the Weight for Distance 35lb event so he is already off to a good start for 2019. He is travelling to Athlone again this Friday representing his college at the Intervarsities and he will be in Nenagh on Sunday so there is little time to celebrate his recent Munster award.

Among the Munster award winners who were singled out for their excellence in Indoor and Track and Field Competitions on the night were Kerry athletes Rossa Foley, Farranfore Maine Valley A.C who won

the Munster Under 23 Mens Award, Orla O'Reilly, Tralee Harriers A.C. won the Munster Senior Women's Award, Jordan Kissane, Tralee Harriers A.C. and Alyce O'Connor, Kenmare & District A.C. won the County Awards for Kerry. Niamh O' Mahony, An Riocht A.C. won the Juvenile Cross Country Award for Kerry. Gneeveguilla A.C. were the recipients of the Masters Track & Field Club of 2018. These Kerry athletes demonstrated their talent by excelling in 2018 with numerous National titles, records & appearances for their Clubs, County and Ireland.

## ARTISTS ASKED TO SUBMIT TO KERRY VISUAL ARTISTS' SHOWCASE

Kerry Visual Artists Showcase. PHOTO: DOMINICK WALSH.

Kerry County Council are inviting expressions of interest from professional artists in Kerry to take part in the Kerry Visual Arts Showcase, which takes place each year at Government Buildings in Killarney in September. Artists are being asked to download information and an application form from the Kerry County Council website under [http://www.kerrycoco.](http://www.kerrycoco.ie/home3/arts/arts-forms/)

[ie/home3/arts/arts-forms/](http://www.kerrycoco.ie/home3/arts/arts-forms/)

This is the fifth annual showcase which welcomes artists working across all media and genres within the visual arts. The Showcase recognises local talent and provides exposure for visual artists in Kerry. The opportunity is open to qualified visual artists who are originally from, or resident in the county. The

deadline for receipt of application forms is 4.00pm on Friday 8th March and applications are only accepted by email to [arts@kerrycoco.ie](mailto:arts@kerrycoco.ie). The Showcase is supported through funding from Kerry County Council and The Arts Council.

Kerry Visual Arts Showcase came about as a result of consultations which took place during the compilation of the 2016 – 2021 Kerry Arts Plan, by the County Arts Office. Overwhelming demand for exhibition opportunities was received from visual artists and this need was re-iterated again during consultations for the Creative Ireland Kerry Culture & Creativity Strategy 2018-2022.

"Kerry Visual Arts Showcase is always a wonderful show and remains a key exhibition event in the county for contemporary visual arts practice", stated Kate Kennelly, Arts Officer at Kerry County Council. "We encourage all working artists to apply and we are delighted that we can present work from Kerry that is of a great standard year after year". The 2019 Showcase will be selected by Mary McCarthy, Director of the Crawford Art Gallery in Cork. Dependent on submissions the 2020 Showcase might also be selected this year. It will open at 6pm on Culture Night on Friday 20th September. For more information contact the Arts Office at Kerry County Council.

# KERRY TOPS FOR TOURISM WITH SWEEP OF PRESTIGIOUS AWARDS

Front Row, L-R: Moira Murrell, Chief Executive Kerry County Council, Cllr Norma Foley, Cathaoirleach, Kerry County Council, Niamh O'Shea, Chairperson, Kerry Irish Hotels Federation. Standing (Representing the following Hotels and Guest Houses in County Kerry) L-R: Mark Sullivan – The Rose Hotel, Anne Marie Collins - International Killarney, Donal Liston - Ballyunion Community Forum, Siobhan Ní Mathúna – The Meadowlands, Maurice O'Donoghue – The Brehon, Emer Corridon – Cahernane House, Thys Vogels – Ballygarry House Hotel, Heather Mac Iver - The Meadowlands, Helen Woods Heaton and Brian Heaton – Castlewood House, Sheila O'Callaghan – The Lake Hotel, Ruth O'Sullivan – Manor West Hotel, Padraig McGillicuddy – Ballygarry House Hotel, Joan McCarthy - Head of Tourism, Kerry County Council.

Kerry has been picking up a number of prestigious tourism awards throughout the month of January with several hotels and guesthouses across the county also coming tops in various awards including Trip Advisor Travellers' Choice Awards 2019.

County Kerry was also represented at the finals of the Irish Tourism Industry Federation Awards. These awards give recognition to and promote people, companies and organisations – overseas and at home – that have made significant contributions to developing, marketing, selling and delivering improved visitor experiences in Ireland and to increasing the number of visitors from overseas.

*"The people, the beaches, the islands, the views, the stars, the wildlife, the food and the pubs ... it has everything...and a little extra too."*

Kerry County Council was a finalist in the Best International Marketing Initiative category. Parknasilla Resort & Spa was a finalist in the Best Wild Atlantic Way Tourism Experience category, and the overall winner of The Best Innovative Place to Stay went to The Gleneagle Group for their Accessibility Strategy.

"These awards are all the more special because readers voted with their feet, literally. Our beautiful and amazing county is where they chose to spend their holidays and the destination they would recommend to a friend," said Cathaoirleach of Kerry County Council, Cllr Norma Foley.

"These awards are testament to the wonderful work being done by everybody in the industry to promote what Kerry has to offer to visitors and has focussed the spotlight on Kerry as a premier tourist destination," she said.

## Letter to the EDITOR

*A Chara,*

The Dept of Transport have allocated €200,000 to Kerry County Council to proceed with site investigation and design of a new bridge at Listry on the R563. This is following Kerry County Council making an appraisal application to the Department in July 2018 with a preliminary design. This allocation is to be welcomed but we must not get carried away, this is an important step forward, but what the R563 road users and people of Listry want to hear is that funding is in place and contract documents have been signed for the construction of a new bridge. That is the ultimate goal and only then will we see real improvements. I have been 20 years in Kerry County Council, highlighting, working and campaign at every opportunity for a new two lane bridge for Listry and will continue until it is achieved.

Cllr. Brendan Cronin,  
Ballyhar,  
Killarney

## COUNCILLOR QUESTIONS IRISH WATER

At the recent meeting of Killarney Municipal Meeting, Councillor Michael Gleeson asked:

*"Would Kerry County Council seek clarification from Uisce Éireann in the matter of clarifying if all the wayleaves have been agreed for the long awaited Kilcummin Sewerage Scheme?"*

Kerry County Council replied that Irish Water intends to invite Tenders for the Kilcummin Sewerage Scheme early in 2019 with a view to starting construction later in 2019. Negotiations are continuing with a small number of landowners and while considerable progress has recently been made, all the necessary agreements have not yet been concluded. Councillor Gleeson stated this proposed

Sewerage Scheme is urgently needed in order to serve a number of relatively new housing estates and the large nursing home that were built with the intention of being connected to a public sewer. The fact that this has not occurred is a considerable inconvenience to many.

Some of the public road from Kilcummin towards Killarney is in a deplorable condition as expensive upgrading will not be undertaken until the Sewer Pipes are in place. This section of road is difficult for cyclists and damaging for vehicles. He urged Irish Water and all involved to reach the necessary agreements that will allow this very important project to commence.

# HOP ON THE BUS for a fundraising tour for the Hospice

The stunning scenery around the Sleah Head region will be enjoyed by many on March 9th as a coach convey is planned to raise money for the Kerry Hospice Foundation. While we are all accustomed to reading about Tractor Runs, Bicycle Runs, Park Runs and all for very good causes but this is the first time a Bus Run of sorts has taken to the roads of Kerry. The Coach Convey Tour is the brainchild of Paddy Kennedy of Kennedy Coaches Annascaul. Monies raised from the ticket sales will go to the Kerry Hospice Foundation. Paddy has rounded up the support of Kerry Coaches in Killarney, Flynn's Coaches of Castlemaine and O'Shea's Coaches of Tralee who have all come on board in support of this good cause. The date for this unique day out is Saturday, March 9th and whether you live in the environs of Killarney, Killorglin, Tralee or anywhere along the route to Dingle there is a pickup point near you!!

We caught up with Paddy to find out a little more about his fundraising idea. "My wife Anne and I wanted to do our bit for the Kerry Hospice Foundation and I guess as the coach tour business is what we know best we hope this is an idea that Kerry people will gladly support as there is actually great value on offer and I

can assure you this will be no ordinary tour! The Convey gathering point will be the South Pole Inn Annascaul at 12 noon. The local committee has organised all kinds of entertainment, there will be singing tour guides, storytellers and dancing at the crossroads and then back to the Dingle Skellig Hotel for an "Afternoon Tea Dance " and around 6.30pm the coaches will depart Dingle to bring everyone back home again. Not bad for a €25 ticket

## Killorglin student heads to Uganda with award-winning science project

A sixth-year student from Killorglin Community College jets off to remote parts of rural Uganda, this month, as one of the winners of a major award at Ireland's leading school science fair.

18 year old Timothy McGrath, gets the chance to get up close with some of the most pressing challenges affecting people in the Developing World, thanks to his win in the Irish Aid sponsored 'Science for Development Award' category at last year's BT Young Scientist and Technology Exhibition (BTYS).

The award, organised annually by Irish charity Self Help Africa, rewards student projects that seek to apply scientific solutions to some of the development challenges facing communities in poorer parts of the world.

Timothy travels with students and teachers from several other Irish schools on the week long trip, and will meet communities with whom Self Help Africa has been working.

"I am excited to live a new experience and to be in a new environment. I think there will be a lot to take in!" said Timothy McGrath, who won the Irish Aid sponsored travel bursary for his project – a device that used genetic engineering to purify cholera-infected water. "I'm hoping to bring one of the actual

machines that I've developed with me, and see if the people I meet in Uganda think it can be applied there," he added.

The group will fly from Dublin to Kampala, the

capital of Uganda, on February 16th. They will then head north to visit farming communities in Teso, Soroti, and Kirandongo. In these remote rural areas, upwards of 70% of the population rely on farming for a living.

"Our annual study trips are a great opportunity for students to be introduced to new cultures, to understand the challenges experienced by communities in the Global South, and how these can be addressed," said Dorothy Jacob, head of the Development Education unit of Self Help Africa.

"Students and teachers often come back with a better awareness that we are all part of a global community. It can help them to understand the role they can play in addressing global issues," she added.

Timothy McGrath had a chance to meet his fellow travellers during a pre-trip meeting in Dublin, last month, when he was again in competition at the BT Young Scientist Expo. The 18-year-old was again a winner this year, as he finished in third place of his category for creating a biofilter system using halophyte plants to combat oceanic dead zones.

# MONEY MATTERS.....

By Dermot Cronin,  
**Financial Advisor**

### WHY DO YOU NEED LIFE COVER?

**TO PROTECT YOUR FAMILY AND LOVED ONES**  
If your loved ones depend on your financial support for their livelihood, then life insurance is a must, because it replaces your income when you die. This is especially important for parents of young children or adults who would find it difficult to sustain their standard of living if they no longer had access to the income provide by their partner.

**TO PAY OFF YOUR MORTGAGE, DEBTS AND OTHER EXPENSES**  
In addition to providing income to cover everyday living expenses, your family needs insurance to cover any outstanding debts, like the mortgage, credit cards and other loans. You don't want your spouse, parents, children or other loved ones to be left with any extra financial burden in addition to the emotional burden they're already suffering.

**TO BRING PEACE OF MIND & LEAVE AN INHERITANCE**  
We can't know when we'll pass away. It could be today, tomorrow or 50 years from now, but it will happen eventually. No amount of money could ever replace a person. But more than anything, life insurance can help provide protection for the uncertainties in life. Even if you don't have any other assets to pass to your heirs, you can create an inheritance by buying a life insurance policy and naming them as beneficiaries. Without a doubt, having life insurance coverage will bring you and your family peace of mind. You should also consider income protection and serious illness cover when considering life cover.

# The “Mocks” are a useful trial run but the exam that counts begins on 5th June

By Billy Ryle

The “Mocks” or “Practice Exams” are usually held in schools during Feb. They have nothing to do with the State Examinations Commission (SEC) and the exam papers are provided and corrected by independent educational groups. It’s worth doing the “Mocks” for the experience but don’t let them distract you from the State Exams in June. Don’t burn yourself out at this early stage by overestimating the “Mocks.”

The “Mocks” provide an opportunity to work on your presentation, timing, answering techniques and current knowledge. They are usually marked externally so they provide you with an impartial assessment of your readiness for the State Exams. It’s an opportunity to see if you can deliver the required information within the time allowed on a neatly presented script on an A4 booklet.

Avail of the “Mocks” to become familiar with the logistics and technicalities of each exam paper. The quality of your answering is the core of any exam so learn from the “Mocks” how to approach each paper. Keep the content of your answer relevant to the question asked. Read each question carefully before deciding which ones to answer. Be concise, accurate and relevant. Be familiar with the format of each paper well before each exam session. Know how the paper is presented. What topics are examined? How many questions must be answered? What styles of question can you expect on any exam paper? Be familiar with the choices available on the paper. Is one or more questions compulsory? Be particularly careful about a paper, which is subdivided into

subsections. Without prior knowledge of such a paper you could very easily fail to address the relevant number of questions.

Use the “Mocks” to test your allocation of time. The “Mocks” are a great time trial. Go into the “Mocks” determined to attempt the required number of questions. Work out in advance the approximate time you have for each question. The allocation of time to each question should be proportionate to the marks available for that question. Let me emphasise that if you attempt the required number of questions you will maximise your grade in that subject.

When your “Mock” exam paper is handed to you read the instructions carefully. Spend a few minutes reading the entire paper. Keep to your pre-prepared answering plan and once you have made your choice of questions, start with a question you can answer well. When you have finished each question, reread it to ensure that you haven’t omitted any part. Allow a few minutes at the end of the exam to read back over your answers and to check your numbering and presentation. Stay in the exam hall until the time is up even if you are finished early as some extra information may come to you. Every mark counts so don’t leave any after you!

When your marked “Mock” papers are returned, go over them to identify your strengths and weaknesses as outlined above. The old maxim of making your mistakes in the “Mocks” and getting things right in the State Exams next June is as true as ever. As the saying goes, practice makes perfect and the “Mocks” are the perfect practice!

## Information Evening Talk for Parents of School Leavers in KCFE Clash Campus

If you are a parent or guardian of a school leaver, then Wednesday, 13th February is an important date for your diary.

Kerry College of Further Education (KCFE), which is run under the auspices of Kerry ETB and has two Campuses, in Clash and in Denny Street, in Tralee is hosting an Information Evening Talk commencing at 6.30pm sharp. This is aimed at informing parents of further education options available to school leavers outside of the CAO system.

Parents will be given information on the extensive range of quality assured courses which qualify students to go directly into employment or to progress to third level studies. There will be a strong

emphasis during the evening on how school leavers can access high point third level courses by undertaking a course at KCFE.

Applications for September 2019 course entry are now being taken online at [kerryfe.ie](http://kerryfe.ie). Places will be offered on a first come first served basis for the majority of courses, provided minimum entry requirements are met, so it is important that those interested secure their place as early as possible to avoid disappointment. ## "I knew I was in trouble but I kept telling myself to keep breathing"

Mr Pat Lynch is a retired farmer from Kilflynn who is married with a large extended family. Pat had been feeling unwell and went to see his GP.

When my doctor examined me he referred me to the Medical Assessment Unit in the Bon Secours Hospital Tralee. When I arrived, I was seen by Dr Kamal who assessed me and immediately arranged for me to have a scan".

Pat was admitted to the Intensive Care Unit and his family, some of whom were living in Australia, came home to be with him. Pat was diagnosed with bilateral pneumonia, he was in septic shock and seriously ill.

"I knew I was in trouble but I kept telling myself to keep breathing. Every time I woke Dr Kamal was there. I remember him giving me the thumbs up and saying, I think we are winning".

Pat spent two weeks in the Intensive Care Unit of the Bon Secours Hospital Tralee and has nothing but praise for all the staff whom he says "kept me alive".

"We provide a Consultant led medical service for patients (over 16yrs) with a referral letter from their GP. Patients are seen without delay and all diagnostic tests will be completed during their visit to the MAU. After their assessment a decision is then made as to whether a patient requires admission or can be discharged". Dr Kamal Abdalla

**AIB Munster Final**  
**Beaufort (Kerry) 2-13 Dromtarriffe (Cork) 2-12 AET**

An early Nathan Breen goal had Beaufort ahead 1-2 to 0-1 but it was the Cork champions that found their rhythm and control until the break with a deserved 2-6 to 1-3 lead. Beaufort dug deep in the second half and with a Ciarán Kennedy goal proved crucial in helping Beaufort tie up matters at the game ended level at full time. 2-11 a piece Doona and Hallissey popped over all important points in extra time as Dromtarriffe could only muster a single point in reply.

**AIB Munster Semi Final**  
**Beaufort 5-23 Michael Cusacks (Clare) 0-4**

Goals by Liam Carey, Ronan Ferris and Fergal Hallissey gave the Kerry side a 3-11 to 0-3 lead at the break in this facile victory. The Clare champions would only raise a single white flag in the second half as another brace of goals from Hallissey and Ciaran Kennedy rounded off a comfortable afternoon.

**AIB Munster Quarter-Final**  
**Beaufort (Kerry) 5-16 Ballylooby-Castlegrace (Tipperary) 1-9**

Early first half goals by Ronan Ferris and Liam Carey helped Beaufort to a 2-4 to 0-0 lead but the Tipp champions fought back well to reduce the gap to 2-7 to 0-5 at the break. Another 2-4 without reply in just six minutes put the tie out of the hands of the premier sides hands as Ferris got his second goal with team captain also raising a green flag. Another goal by Ciaran Kennedy secured the 19 point win.

**Castleisland Mart Kerry Junior Premier Club Final**  
**Beaufort 4-13 Na Gaeil 2-18 AET**

Having trailed by five points early in extra time, rapid-fire goals by Ronan Murphy and Pdraig Doona helped the Mid Kerry side secure victory from the jaws of defeat. They trailed at the break 0-10 to 1-5 after Liam Carey got in for a first half goal in what could only be described as a classic final. Into the second half and Beaufort took to the front only to be pegged by the Tralee side and bettered but points from Liam Carey and Ciarán Kennedy secured parity by full time.

Game planners: Eanna O'Malley (centre) with selectors Fergus Kelly and Maurice Foley

Call of duty: Ronan Murphy, Nathan Breen and Fergal Hallissey all ready for Croke Park battle next Saturday evening.

NEXT SATURDAY EVENING WILL BE A HISTORIC ONE FOR THE CLUBS OF BEAUFORT AND KILCUMMIN AS THEY BOTH GO IN SEARCH OF ALL IRELAND CLUB GLORY. DONAL BARRY VISITED BOTH CAMPS AHEAD OF THEIR BIG DAY FOR REACTION.

# O'MALLEY'S MEN READY FOR THE MISSION AHEAD

**Beaufort manager Eanna O'Malley is taking nothing for granted and he will "still be working on things, that we need to do better, right up to the game itself". It is the sort of professionalism that O'Malley has brought to his side that sees them only an hour away from a historic All Ireland win for his club.**

Still O'Malley is modest enough to admit, that he only driving the car at this part of the clubs journey and reflects on the many years it took to get to this stage.

"Tim (Coffey) was there in 2014 and 2015 and that started the process of getting us up the ladder. We were in a pretty low spot having been relegated to Division 4. Tim got us out of Division 4 and then got us out of Division 3, then Gary (McGrath) took us onto another level. Being Involved with Gary for the two years as assistant trainer, I learned an awful lot from him. So I knew we had the raw material and there was no need to go making any major changes just keep it going in the right direction. So that's just the way I approached it. Gary has always been kind of there in the background and I often talk to him about things."

Having secured the Mid Kerry championship in 2016, the clubs first in 18 years, players began to get the scent of success in their nostrils and the upward curve continued with them capturing the County Junior title this year after an extra time win over Na Gaeil.

"I suppose we looked dead and buried but the lads showed unbelievable character. When the final whistle came, you were almost kind of

pinching yourself."

It was a confident display but Beaufort's record has been fragile in the competition even by O'Malley's admission. "We had a poor record in Kerry. Since 2009, our record in the junior championship is really bad. Apart from 2015 when we got to the semi final, other than that we were beaten in the first round every year."

So what has changed for the Mid Kerry side in recent times?

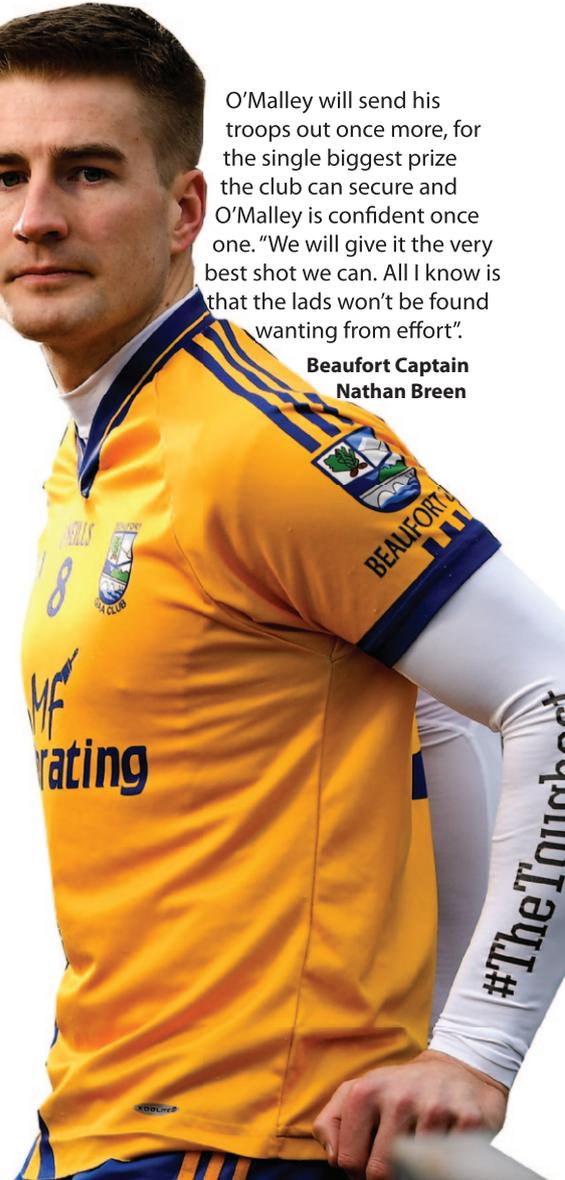

"When we beat teams that won an All Ireland Junior and All Ireland Intermediate, we'd be saying to ourselves there is no reason that if we could win, get out of Kerry" but also a change to the structure of county championship brought a new enjoyment to the team.

"The structure of the competition is very enjoyable. It is quite tense over a short truncated period. So we got a lot of satisfaction out of managing that so well and then playing so well. A lot of people will say you will take any win but it does bring an extra bit of satisfaction when you win such a good game as we did against Na Gaeil that day" Despite the long wait to get back into Munster action, quick wins over Clare and Tipperary opposition set up another epic final battle with Dromtarrif. In the end, a single point after extra time was just enough.

Their semi final battle was against Young Irelands of Dundalk presented a different challenge for the team, where they came across a very defensive set up but in the end O'Malley's men picked their way through to win by two.

O'Malley will send his troops out once more, for the single biggest prize the club can secure and O'Malley is confident once one. "We will give it the very best shot we can. All I know is that the lads won't be found wanting from effort".

**Beaufort Captain Nathan Breen**

# IF YOU'RE A BREEN IN BEAUFORT YOU'RE EXPECTED TO PLAY FOOTBALL!

**Was it ever going to be any different for Nathan Breen? Arriving back "home" at the age of 13, after his father decided it was time to head back to Beaufort after spending much of his life in Wales.**

"We knew the area well from coming over to my relatives in the summers and if Kerry were on the TV you'd be watching it and my father would have me above at the park, getting me to solo the ball and stuff. When we'd come over in the summers we'd a big gang of cousins around the same age and we'd be kicking around a ball for the two weeks."

Those who have become accustomed to his team speeches may often comment on his "cultured" Beaufort accent will know that Nathan's journey to Croke Park is pretty exceptional considering his family only moved to Beaufort when he was 13. His father (Gerard) is from Beaufort and his mother (Francine) is Welsh. He was brought up in Wales and played rugby until they moved to Kerry. When it comes to the Six Nations and Ireland v Wales, he and his mum shout for Wales while

**Jamie Kissane pictured with his football mad dog ahead of Saturdays final**

his sister (only sibling) and dad support Ireland! Lucky so for Nathan, that the Breen's will be presenting a united front as their son leads Beaufort out at Croke Park next Saturday evening.

The 25 year old who is a final year Quantity Surveying student in Cork IT, told the Outlook that "If you're a Breen in Beaufort you're expected to play football" And football is certainly what his side have been playing all through the year. Something that Breen is really enjoying despite the many narrow escapes along the way.

"We'd a lot of close calls, even in Kerry. We chased the whole game against St Senan's. Churchill proved again to be a tough one. We had a lot of missed chances. We got it to extra-time and came out of there. And then against Na Gaeil (final), another close game. I think we were five points down in extra-time but a couple of high balls ended up in the back of the net and we got out of there. Then the Munster final went to extra-time! Skin of our teeth again. We were tried and tested by that stage which probably helped us."

# O'LEARY AND KEALY ALL SET FOR A HISTORIC NIGHT

**Almost a year ago, both Sean O'Leary and Brendan Kealy were strutting their stuff at the local national school fashion show in aid of the school's gym. Next Saturday they will again get a chance to strut their stuff but this time on the most famous field of them all Croke Park. Donal Barry caught up with both of the them ahead of this historic occasion.**

While for many of his Kilcummin teammates Croke Park will be a first time playing at the, Nineteen year old Sean O'Leary is somewhat of a veteran having already played four games there and he is looking forward to his fifth visit. "This will actually be my fifth time playing there. I won back-to-back Hogan Cups there with 'The Sem' (St Brendan's, Killarney) and played in an All-Ireland final and semi-final there with Kerry minors. I was a sub on the first Hogan Cup team and we had serious talent on that team with the likes of David Clifford, Dara Moynihan and Michael Potts and then I was corner-back the following year." But this time it will be a special one for the first year business student who attends University of Limerick.

"It's special to be playing here with the lads you grow up with. It's different with the minors because you come together in November and train for eight or nine months but with Kilcummin, you're with people you've been playing together all the way up so it'll be very special, though I'd be young. Most of the team are 22-23 upwards. We are all neighbours and will have neighbours and family up in the crowd. My cousins are arranging a bus and staying overnight. It will be unreal. Not many people have the chance to run out with their cousins."

Already an All-Ireland minor winner with Kerry in 2017, O'Leary has been a central part of Kilcummin's journey to the AIB All-Ireland Intermediate Club Championship Football final as has his captain Brendan Kealy.

An All Ireland Senior winner and former All Star himself, Kealy has seen the club at both ends of the spectrum and admits being relegated from senior status was disappointing "Well it was really getting disappointing getting relegated, having been senior for over 20 years. But the last few years we were clinging on a little bit and even though that day against Rahillys (relegation play off) we were very competitive. We could have won that day but look in hindsight we were better off to take the drop and that gave us the chance to rebuild again and start from scratch." That rebuilding started to take shape when

Kilcummin escaped a tough group last April with wins over Glenbeigh/Glencar, Milltown/Castlemaine and Brosna before another tough game against Templenoe. A game Kealy remembers well.

"They were coming in as favourites. There was a lot of talk about them. We were still trying to gauge where we were at. It was a tough day down in Legion in very tough conditions and that game really stood to us. Again there was very little in it."

That win meant they would face neighbours Glenflesk with Kilcummin coming out of that thriller six points better off with the lead changing hands a few times.

The new format for the championship saw the team grow in each round and Kealy feels that keeping players fresh was key

"Shane O'Sullivan did a great job in keeping everyone fresh with the training. We picked up no injuries during that run of five games over a month, nothing of note really, which was a massive plus. Having all the games close together is great when you are winning and you get off to a winning start because it creates momentum as opposed to sitting around for four or five weeks waiting for a game."

With a long wait to their Munster Championship opener against Kilrush of Clare, Kealy believes that the local support was important

"The number of supporters that followed us was really great. Kilcummin supporters always travel but when you go on a run like this it builds even more so, anytime you go outside of the county and come back with a victory, there is something special about that. Especially coming back to your home parish, your home club, there is even more of a buzz around the place."

Kealy and co have had that feeling twice more, when they defeated Fermoy to capture the Munster title and then it was the disposal of Two Mile House in the All Ireland semi-final. It was a victory that drove the local support wild but admits finding a balance is needed.

"It is about finding a balance, you have to enjoy it but you have to know behind it all there is a job that needs to be done. The supporters can get as carried away as they want but we (the players) have to be measured about it. There is no point in telling lads not to enjoy it because they start to over think the whole thing." Kealy holds no fears about his teammates heading into next Saturday's clash and

feels that the sums of their parts is stronger than the individual and it will again prove so against Naomh Eanna

"We were tested all the way. There are going to be days when certain lads don't perform and others lads will have to stand up and thankfully they have done that. We don't know what way the game is going to pan out but you would be hoping some other lads would put their hand up and take the burden on their shoulders"

# KILCUMMIN ROAD TO THE FINAL

## **AIB All Ireland Semi- Final**

**Kilcummin 0-11 Twmmilehouse (Kildare) 0-10**  
**Kilcummin (Kerry) 0-11 Two Mile House (Kildare) 0-10**

Despite being reduced to 14 men early in the second half, Kilcummin advanced to Croke Park thanks to Phillip Casey's late late free.

## **AIB Munster Final**

**Kilcummin 1-11 Fermoy (Cork) 1-3**

Kilcummin made it 12 Kerry victories in the past 13 years having overcome an early concession of a Fermoy penalty. They went on to lead 0-6 to 1-1 at the break. Helped by a Ian Devane goal Kilcummin went on to be deserved winners.

## **AIB Munster Club Intermediate Football Championship Semi Final**

**Kilcummin 0-10 Kilrush Shamrocks (Clare) 0-7**

After a long lay off a ring rusty Kilcummin were made fight all the way by the home side. They trailed at the break 0-5 to 0-4 but with wind advantage, they had taken the lead by the 50th minute and went on to control the game to ensure victory.

## **Castleisland Mart Kerry Intermediate Club Final**

**Kilcummin 4-13 Glenflesk 2-13**

In a game full of thrills and spills Kilcummin stormed into a 3-3 to 0-2 point early in the first half only to see Glenflesk retake the lead in the second half before a late Kilcummin charge helped them to a six point win.

*Gratitude changes everything*

How you look at your life will determine what you experience from your life. If you are always complaining or looking for what isn't right or hasn't worked you will get experiences in line with this view point. Equally, if you look for the good and the gift in what life brings to you, you will also receive results in alignment with this. Being grateful is the number one game changer in life. Remember, if you are criticizing, you are not being grateful. If you are blaming, you are not being grateful. If you are complaining, you are not being grateful. If you are feeling tension, you are not being grateful. If you are in a bad mood, you are not being grateful.

We can find hundreds of reasons to give thanks for what we have: the roof over our heads, for opening our eyes in the morning, for friends and family, for our beloved pets, for the food we eat, the clothes we wear, the mobile phone, the car, the bike, the buses and trains and aeroplanes. Just look around you right now. You are so blessed to be here and that is worth giving thanks for.

**Write a gratitude Journal!**  
Gratitude can transform your life. Try writing a gratitude journal every day. Jot down three to five things you have been grateful for during your day and notice how good you start to feel!

## WINTER EYE HEALTH

### Driving in winter

In winter you may have more difficulty seeing clearly because of darker evenings. When it is dark your pupils become larger to let in more light. However this can result in your vision becoming more blurred. This is why you may be more reliant on your glasses at night. The glare of a low-lying sun can also make it more difficult to see, so make sure your windscreen is clean, both inside and out. It is useful to have a pair of polarised sunglasses in the car to help with the glare from the sun, even in winter.

### Dry eyes

If you already have dry eyes, central heating may make them worse. Here are some simple steps you can take to minimise the discomfort caused by dry eyes in winter:

- Lower the temperature in rooms when possible.
- Blink more often.
- Use a humidifier. Opening windows for a few minutes on cold days will also help.
- Lubricants. Certain lubricating eye drops may be helpful for you.

### Increased screen time

People tend to stay in and watch more television and spend more time using computers during the winter. Using a screen will not damage your eyes but prolonged use can make your eyes tired and dry. Remember to take breaks and operate the 20:20:20 rule; every 20 minutes, take a 20-second break and focus your eyes on something at least 20 feet away.

### Watery eyes

In cold and windy conditions, many people complain that their eyes water more than normal. Wearing glasses will provide protection against the wind, even if you don't usually wear them outdoors.

### Winter sun

Snow and ice are reflective, so the sun's damaging UV rays can reach your eyes from below as well as above. UV exposure is cumulative, so although you may not feel any immediate effects, you could be putting yourself at risk of long-term damage and risk cataracts and age-related macular degeneration (AMD) if you don't wear good quality sunglasses or goggles.

This is a truly historic occasion and the messages of good will from neighbouring parishes and clubs has been overwhelming, so let's make it a day to be proud of and one that we will always remember. Our young members have recorded a special song for the day, compiled by Martina O Sullivan. Learn the words and let's raise the roof in CROKER.

Our Senior team made a very positive start to the season on Sunday with a 2-13 to 1-08 victory over Fossa. The game was played in Fossa's grounds which had held well despite the week's poor weather. Glenflesk started well and went into a 1-06 0-04 point lead after 24 minutes with the goal coming from Gavin Kelly after good build up play from Darragh Roche who was in great form. 2 more points from play from Darragh Roche saw us take a healthy 1 08 to 0-04 points lead into the break.

The second half continued in much the same vein with our impressive half back line of Johnathan Bowler, Brian O Donoghue and Alan Murphy

# Huge Growth For Kerry Bathroom Company

## Bathrooms4U

Quality make-overs, amazing prices

### TEAM WORK INSPIRES GROWTH

Who could fail to be inspired by the success story that is Bathrooms4U? Since it started to specialise in bathrooms in 2010, this Kerry-based business has grown to become the biggest bathroom supplier in the country.

“I used to be one man with a van installing one bathroom a month,” says Bathrooms4U CEO Alan O’Sullivan. “Now there are 60 people employed by the company both directly and indirectly. Together, we fitted more than 450 bathrooms last year. Our goal for this year is more than 700. From our small hub in Tralee, we are reaching out to all four corners of Ireland.”

Alan O’Sullivan attributes a lot of this success to the quality of his team. “I’ve got some great people working for me,” he says. “Séamus Scanlon, the former Kerry footballer, has been on board for 20 years. Aidan McCabe has been with us for 14 years. Every member of staff has played their part in getting us where we are today.”

Alan O’Sullivan, CEO and Founder of Bathrooms4U

### COMMERCIAL BUSINESS GROWING

Alan Kelly is Bathrooms4U’s sales manager and he is particularly proud of the growth in the commercial side of the business. “We’ve had a phenomenal start to 2019 with more than 200 bathrooms currently being installed in the Eccles Hotel in Glengarriff, Staunton’s on the Green in Dublin’s St Stephen’s Green, Dromoland Castle in Clare, The Park Inn in Clare, Dromhall Hotel in Killarney and the Clayton Hotel in Limerick which is part of the Dalata Hotel Group,” he says. “Our hope is to further expand into leisure centres, swimming pools and other commercial premises.”

While Bathrooms4U is expanding into the commercial sector with these prestigious new clients on board, the company is still keeping a keen eye on the domestic side of its business.

“That’s always been vital for us,” says Alan O’Sullivan. “We’ve established our reputation on building quality bathrooms in homes for affordable prices and in double-quick time. We pride ourselves on doing everything in five days. From tearing out the old bathroom to putting in a brand-new one complete with wiring, tiling, lighting and fittings; we do it all for you.”

Alan Kelly, Sales Manager, Bathrooms4U

### MOBILITY BATHROOMS

This is especially true of Bathrooms4U’s mobility bathrooms. These are bathrooms that have been adapted to cater for the needs of older people or people who are no longer as fit and able as they once were.

“Local County Councils offer a grant to help people convert their bathrooms into mobility bathrooms and it’s become a significant part of our business,” says Alan Kelly. “We fitted more than 100 mobility bathrooms last year alone.”

Whether you are keen to upgrade your bathroom at home or whether you own a hotel and would like to renovate dozens of bathrooms; Bathrooms4U has the professional expertise that you need. As Ireland’s biggest bathroom supplier, it offers all of its customers a fantastic choice, expert advice, excellent design, exceptional service and competitive prices along with the utmost in convenience.

### VISIT OUR SHOWROOM

“We would urge prospective customers to visit our main Manor West store in Right Price Tiles in Tralee or our showroom on the John Joe Sheehy Road,” says Alan O’Sullivan. “Our staff there will talk them through all of the items on display and handle any queries they might have. Alternatively, they can call 066 719 7009 and arrange for us to come to them for a site visit.”

Alan Kelly, Sales Manager and Alan O’Sullivan, Bathrooms4U

Alan Kelly would like everyone to know that Bathrooms4U are exhibiting at the **Irish Hotel Federation’s Conference on the 4th and 5th of February** and at the **Ideal Homes Show in Dublin’s RDS on the 12th, 13th and 14th of March.**

“We hope to meet lots of new customers there,” he says.

## O'SHEA'S PERFECT DOZEN POINTS THE WAY FOR KERRY

KERRY O'SHEA REPORTS FROM KINGSPAN BREFFNI PARK

KERRY 0-7 CAVAN 0-11

**T**welve points from the mercurial boot of Sean O'Shea steered the Kingdom towards an unlikely victory over Cavan at Kingspan Breffni Park on Sunday.

Played before an attendance of just over 5,000 on a wet February afternoon, the home side were in a pretty good position as they deservedly led by four at the interval.

Kerry failed to score from play until the 28th minute of the first half and all seven points of their first half tally came from the boot of the prolific Sean O'Shea.

The Kenmare sharpshooter has now scored 0-18 in Kerry's two league games to date. On Sunday, his 0-12 personal tally came from nine frees, a 45 and two superb efforts from play. Cavan fully deserved their 0-11 to 0-7 interval advantage as they had bested Kerry in most areas of the field, particularly around the half-back line, where the Brady bunch, Ciaran and Jack drove forward at every opportunity with Peter landing two super scores from play. However, the hosts, much to the disappointment of their manager Mickey Graham and the large home support base, scored just two points in the second half as Kerry turned the screw in style.

The introduction of Tommy Walsh, playing his first inter-county game for Kerry in three years, steadied the visitors. With O'Shea's accuracy from play and frees, Stephen O'Brien's and Dara Moynihan's incisive runs, Kerry drove forward at every opportunity.

The Kerry defence, after a shaky first-half, tightened up considerably with solid contributions from Brian O'Beaglaoich, who made one super turnover which led to a Kerry score, Tadhg Morley and captain Paul Murphy dominated under the breaking ball. At the three quarter-stage there was just one point between the teams. Cavan were resisting every Kerry move and that resistance was eventually broken when the Kingdom drew level with a superb Sean O'Shea effort from play, with nine minutes left on the clock. Points from Mark Griffin, who played very well when introduced as a second half sub, Sean O'Shea and Paul Geaney moved Kerry three clear with eight minutes of injury-time still to be played. Cavan rallied for one late onslaught but at this stage, it was too little too late.

### EK SUPERLEAGUE RD1:

#### SPA 2-16 CURROW 1-8

Played under lights in Spa on Friday night, the home side had the better start with four early points on the board from Mike O'Donoghue (2), Cormac Cronin and Niall O'Mahony. Currow however responded well and had levelled the score by the end of the first quarter, John Buckley on target before Luke Fitzgerald found the net. Currow continued with another two points from Buckley and a point from Fitzgerald to make it 0-4 to 1-4 late in the half. Spa replied immediately with an Andrew Garnett point, and a goal from Mike O'Donoghue right on half time gave Spa the narrowest of margins at the break, Spa 1-5 Currow 1-4.

In the second half Spa again had the better start and with unanswered points from Evan Cronin (2) Paul Cahill, Shane Fenton and an Andrew Garnett goal, they extended their lead to 2-9 to 1-4. Luke Fitzgerald, Pa McCarthy and John Buckley swapped scores with Niall McCarthy (2) and Paul Cahill but in the final few minutes Spa increased their advantage with late points from Evan Cronin (2), Mike O'Donoghue, and Liam Kearney.

Spa: James Devane, Eric O'Donoghue, Brian Devane, Paudie O'Donoghue, Conor Stack, Niall O'Mahony (0-1), Ciaran Spillane, Mike O'Donoghue (1-3), Liam Kearney (0-1), Shane Fenton (0-1), Mikey Moynihan, Niall McCarthy (0-2), Cormac Cronin (0-1), Evan Cronin (0-4), Paul Cahill (0-2). # All square as Kerry draw with the Banner

Clare 4-08 Kerry 1-17 (Referee S Currely, Galway)

**K**erry came away from Doonbeg with a share of the spoils after a hard-fought well-earned point against Clare on Sunday. Kerry started off the better and registered the first 3 scores of the game. Sarah Houlihan with the first inside the first minute from a free after Hannah O'Donoghue was fouled. This was soon followed up with her first from play. Hannah O'Donoghue was next on the scoresheet. Kerry were enjoying the early exchanges and Clare were finding it difficult to settle but this soon changed Grainne Nolan with two frees in the ninth and eleventh minute. Roisin Looney opened her Clare account soon after and the sides were level approaching the twelfth minute. Emma Dineen put Kerry back in the lead and soon after Sarah Houlihan had a chance of a goal, but her shot was well saved by Clare keeper Ciara Harvey. Kerry were a point up at this stage, but Clare retook the lead. Two pointed frees from Grainne Nolan restored Clare's one-point advantage. Lorraine Scanlon point for Kerry had the sides level for the third time by the eighteen minute. Andrea Murphy for Kerry and Grainne Nolan for Clare exchanged points before Clare struck for the first decisive score of the game. Clare's Fidelma Marrinan with 1-01 in quick succession. Patrice Diggins of Kerry reduced the deficit to a single goal, but Clare were about to increase their lead rapidly with two quick fire goals within the space of a minute. Tara Kelly &

Grainne Nolan with the goals to increase Clare's lead to nine points with five minutes left in the half. Sarah Houlihan got the last score of the half for Kerry with a point from a free to leave the score line reading Clare 3:07 Kerry 0:08. Halftime allowed Kerry to regroup and to plan for the second half. Two substitutions were made at the start of the second half. Megan O'Connor came on for Andrea Murphy & Miriam O'Keeffe to start the second half brightly and this they did. Hannah O'Donoghue opened the scoring in the second half with her second of the afternoon. This was quickly followed by a Megan O'Connor goal from a free which caught the Clare defence off guard. Kerry were now in the ascendancy and had reduced the deficit to four points. Captain Amanda Brosnan raised the white flag from a free to leave a goal between the sides. Clare sensed Kerry were beginning to get a grip of the game and responded immediately. Captain Laurie Ryan who was causing Kerry plenty of trouble throughout the game popped up from centre back with a goal to extend Clare's lead to six points. It would have been easy for Kerry to drop their heads after the latest setback but to their credit they responded with great determination with points from Emma Dineen & captain Amanda Brosnan with her second from a free. Clare's first point in the second half arrived in the 46th minute from Eimear Keane and it was to be their last score of the game as Kerry threw everything at Clare for the remainder of the game scoring the last four points Sarah Houlihan with two from play & two from frees to finish the game honours even Clare 4-08 to Kerry 1-17. Credit to Kerry for putting in a serious effort throughout the game despite the various setbacks Clare threw at them. It is a game that is sure to stand to Kerry who had numerous

players making their debut and acquitted themselves with distinction.

## Kerry friends of motor neurone

Pictured at the cheque presentation from Ballinagree Vintage Club fundraiser are, L – R Elizabeth Kelliher, Christy Lehane and Peggy Kelleher.

On Wednesday 16th January 2019 Elizabeth & Peggy Kelleher handed over a cheque for €1000 to Christy Lehane Chairman of Kerry Friends of Motor Neurone at the Heights Hotel Killarney. This money was the proceeds of both a family fun day and vintage car display held by Ballinagree Vintage Club on a beautiful sunny day on the 28th September 2018 for one of their chosen charities. Peggy and Elizabeth Kelleher who do a lot of fundraising for Motor Neurone Disease in memory of a family member who died of this dreadful disease had accepted this cheque on Saturday night January 12th 2019 from the Officers and Committee members of the Club the Lane Bar in Ballinagree. On behalf of Kerry Friends of Motor Neurone both the Kelleher family and Christy Lehane thanked most sincerely the Ballinagree Vintage Club for

this huge fundraising cheque to Kerry Friends Motor Neurone. Christy Lehane stated this money will go towards funding the wages of Specialist Motor Neurone Disease nurses and the provision of specialist medical equipment thus enabling Motor Neurone sufferers to spend the end of life in the comfort and dignity of their own homes. We are so grateful for receiving this huge cheque as fundraising is never easy to do but is very necessary and also the fact that 86% of the annual income of the Irish Motor Neurone Disease Association still relies on fundraising.

Finally thanks to Vintage Club Officers Flor O'Driscoll, Helen Spillane Rita O'Sullivan and committee for selecting Motor Neurone Disease as one of their charities for their fun day and vintage car display last September.

## Kerry Leave Cavan with Two Valuable Points

Last weekend saw the Kerry Senior Football Team earn two valuable points. Going to Cavan is never an easy ask and Kerry found it difficult to get to grips with the home side in the first half. The second half was a very different story as Kerry began to exert their influence on the game. There were great individual performances all over the field but Seán O'Shea's accuracy deserves special mention. The game finished Cavan 0-13, Kerry 0-16. Kerry are in second place in the Allianz League Division 1 Table behind Mayo who are also on 4 points.

Next up is the much-anticipated clash with Dublin. This game is sold out and we have not been informed if further tickets will be made available. The match will be on RTE and on Eir as well as live on Radio Kerry. This game will give Kerry a real understanding of where they are with their preparation. For those lucky enough to have tickets, the gates will open at 5pm and the game will throw in at 7pm. As tickets are for general admission it is important to arrive early to get a seat in the Stand. The match programme will be on sale for €3. All proceeds go to the Austin Stack Park Committee to continue the upkeep and maintenance of Austin Stacks Park.

Peter Keane will announce his team on Friday at 8pm on the Kerry GAA website. We wish the team every good wish in the challenge that awaits!

## Best Wishes to Beaufort and Kilcummin

Next Saturday is a massive day for both Kilcummin and Beaufort. Both villages are decorated in flags & bunting and the club supporters are making their travel plans. Both clubs have penned supporter songs and hopefully they will ring out around Jones' Road on Saturday evening. It is an honour for anyone to play in Croke Park but to play there with the young men you grew up with makes it even more special. We wish the Players, Management and Club Officers from both clubs every success. We are hoping to have the Intermediate and Junior Cups back in Kerry on Sunday!

## OUTLOOK BASKETBALL

### National League Basketball Division One

## Scotts Lakers awarded walkover following game cancellation

*Eamonn Keogh*

Scotts Lakers home game against LYIT Donegal, scheduled for Killarney Sports Centre last Saturday night was cancelled at short notice. The Letterkenny side withdrew from fulfilling the fixture and informed Basketball Ireland and Scotts Lakers after midnight on Friday night that they would not be able to travel to Killarney and would be conceding the match. Basketball Ireland subsequently deemed the fixture as a walkover with Scotts Lakers awarded a 20-0 victory.

Following this decision Scotts Lakers remain in second place in the southern conference with a 16-3 record, closely behind leaders Ballincollig, who have a 17-2 record. The northern conference is led by DBS Eanna who enjoy a 17-0 unbeaten record.

The second half of the season comprises mostly of cross conference fixtures which means a lot

of extra travel and expense for participating teams. Scotts Lakers travelled to Belfast over two weeks ago and actually travelled to Derry last season to play LYIT Donegal. Fixtures like these represent a huge financial outlay from a club's annual budget and cost well in excess of €1000 euro in travel alone. Add in the lost revenue from door receipts for a home game that is cancelled at late notice and it is easy to see the disadvantages that Scotts Lakers have suffered.

The cross conference fixtures is certainly a situation that Basketball Ireland need to look at and review. The Dublin based clubs and others don't incur the extra travel and expense that the likes of teams from Kerry, Cork, Donegal and Belfast have to deal with. Realistically it is not sustainable for these clubs to continue undertaking 600 mile return journeys for one fixture. There is no easy solution. A double fixture away from home on a long road trip isn't

the answer either as it would necessitate extra accommodation expenditure. Tournament style matches at a neutral venue might lessen the financial burden on teams but this would also present other difficulties.

With 17 teams in total in the two conferences in the division, an extensive fixture list including several dead rubber clashes and an exceptionally long season from early September to mid April, national league division one basketball is quite expensive and needs an overhaul.

The prospects of Scotts Lakers gaining promotion to the superleague is appealing in many ways. A superleague with three Kerry teams (Tralee, Killorglin and Killarney) and three Cork teams (Neptune, Demons and Ballincollig) remains a possibility for next season but is still quite unlikely. If it does happen there would be great opportunities for these six teams to host big local derbies in packed out venues. Less travel for participating teams and options to play extra games midweek could also help shorten the season and reduce overall expenditure. It may be a long way off yet or may never happen but it sure is a far more appealing situation than cross conference matches (and walkovers) in division one.

 14 Girls Premier  
 Killarney Celtic 7-1 Fenit

### TWO WINS AND TWO DRAWS IN 12 PREMIER:

The Kerry Schoolboys Girls League does not usually produce too many draws but in the JK Sports 12 Premier this week there were two.

And one of those draws was at the top of the table with leaders, by a point, Inter Kenmare sharing the points Dynamos in Tralee. Charlie Guest had put Inter ahead before Adam Evans replied for Dynamos.

Inter move onto 16 points with Dynamos on 15. Joining them on 15 points are Killarney Celtic who came from 2 down to defeat the Park 3-2. Sam Slattery and Ryan O'Driscoll put the Tralee side ahead but Fiana Bradley scored a very important goal for Celtic before the break. And in that second half Andy Casey scored twice to give Celtic the points.

Killarney Athletic are also still well in contention after they were 5-0 winner over Dingle Bay and they move onto 14 points. Luke Doolan 3, Liam Hannigan and Nathan Cronin were the Athletic scorers.

LB Rovers and Killorglin also shared the points following a 2-2 draw. Aaron Doyle and Darragh Lynch scored for Killorglin with JJ O'Rourke replying for LB Rovers.

Inter take the points in 12's Division 1 Goals from Noah Granville and Sean Casey gave Inter Kenmare the points in the only game played in the JK Sports 12 Division 1 as they defeated Ballyhar.

### IVERAGH STILL TO DROP A POINT IN 12'S DIVISIO 2 SOUTH:

Iveragh United are the outstanding side in the 12's Division 2 South. Their latest win came at home to Inter Kenmare. Daithi Sugrue, Zac Driscoll and David Kennedy hit three for Iveragh in the first half with John O'Sullivan replying for Inter C. Iveragh United's Marc O'Connor and Ronan Murphy hit two more unanswered goals in the second half.

Killorglin B have moved into second place after they defeated Mastergeeha B 7-4 away. The visitors were 3-1 up at the break. Killorglin's goals came from James Jones, Cian Hynes and Daniel O'Keeffe in the first half and from Rioghan O'Sullivan in the second. Thomas Myers hit a hat-trick for Mastergeeha with Evan O'Sullivan getting the other goal.

Jake Nash can always say he scored the winner in a Killarney derby. His goal gave Athletic a 1-0 win away at Celtic.

### NEW LEADERS IN 12 DIVISION 2 NORTH

The Park C's 6-0 win over Fenit sees them take over as joint leaders in the 12's Division 2 North by just one point. Their goals came from Jack Daly 2, Mike Quirke, David Mullins, Nikita Hoare, Edison Jahiri and Adam O'Neill.

Leaders Camp Juniors B were beaten 3-0 by LB Rovers who also move into joint top spot on 22 points. The Rovers goals came from Oran O'Sullivan, John Curtin and Sam Enright.

Dingle Bay Rovers also picked up three points as they just got the better of Ballyheigue 3-2. Cillian McNamara and Ruadhairi Collins were on the mark for Dingle Bay with Aodhan Horgan and

Brody Leen replying for Ballyheigue.

### MASTERGEEHA GO SECOND IN 14 PREMIER BUT ONLY JUST:

Mastergeeha's three points from their away win over Inter Kenmare moves them into second place and 1 ahead of Celtic. The Mastergeeha goals came from Hugh Lenihan, Shane Doolin, Alan O'Leary and Jack O'Donoghue.

Killarney Celtic and Killorglin played out a scoreless draw in the Quills Woollen Mills 14's Premier. The point is enough to see Celtic move into third place, a point ahead of the Park as the three sides chase leaders Iveragh Unied

### ATHLETIC STAY TOP OF THE 14 DIVISION 1:

Killarney Athletic retain their lead at the top of the Quills 14's Division 1 after a 3-0 result over Park B Tralee Dynamos B 5-1 win at home to Fenit sees them consolidate second place behind Athletic. Evan Quilligan and Luke Horgan scored 2 each with Alex Horgan getting the other goal as Paddy Falvey replied for Fenit.

Top sides extend lead in 14 Division 2

Dingle Bay Rovers remain 2 points ahead of LB Rovers at the top of the 14's Division 2 as both recorded 3-0 wins over Mastergeeha B and MEK respectively.

### LEADERS HELD IN 16 PREMIER

St Brendan's Park in second place became the first side to take points of leaders Camp Juniors who were looking for their 8th win from 8. And it looked like Camp were on their way when they went 2-0 up thanks to goals from a Caolan O'Connell free kick and a long distance effort from Donal Crean. Jamie Fitzgerald pulled one back for the Park before the game was held up for an injury to Dan Fischer who was taken away by ambulance with a bad muscle tear. Everyone in the League wishes him a speedy recovery.

The Park's Mark Curtain then levelled matters before his team-mate put them ahead Matt Healy. But there was a further twist when John O'Connor scored the final goal as the teams ended 3-3 and shared the points.

Ballyhar moved up to third after their 3-0 home win over Inter Kenmare. Peter Cosgrave, Charlie Keating and Brian Burke got the goals for the winners.

### PARK B TAKES OVER THE LEAD IN 16 DIVISION 1

The Park B's have moved 2 points clear of Rattoo Rovers at the top of the 16's Division 1 but they have paid two games more. Cianan Cooney, Sean O'Connor and Cian O'Neill got the goals for the Park.

Killorglin and Mastergeeha shared 8 goals in a 4-4 thriller. Killorglin led 4-2 late on with Brendan O'Leary getting the goals for the Kilbreen side. And in the last ten minutes Mastergeeha's Barney Parsons scored twice to earn his side a share of the points.

### HOME WINS IN THE 12 GIRLS PREMIER:

Iveragh United had goals from Katie O'Connell 3, Vilte Paulauskisne 2, Amie Kelly 2, Orla Barrett and Keelan O'Shea in their win over Killarney Celtic Green for whom Megan Sheehan got the goal.

Athletic. The Camp goals came from Saoirse McCarthy, Lauren Crean, Miriam Sheahan, Aisleigh Horan and Aoibheann O'Dwyer.

Great result and performance today on the road away to Dingle. Our young Blues had a perfect start going ahead in the second minute with a goal from Liam Hennigan, we controlled the first half with the majority of possession and defended resolutely. At the break it was 4 -0. In the second half Dingle reacted and we didn't have as much of the ball as we had in the first half but our defence held firm and scored another goal to seal the victory. Goal scorers : Luke Doolan 3, Liam Hennigan 1 and Nathan Cronin 1. Man

of the Match was Luke Doolan with another emphatic performance in front of goal.

**UNDER 12 DIVISION 2 KILLARNEY ATHLETIC 1 KILLARNEY CELTIC 0**

Scorer Jake Nash. Man of match for Athletic was Cillian Coffey  
Youths

Killarney Athletic Youths played Killorglin at Woodlawn on Sunday. There were no goals in a very exciting first half where both teams played with a high intensity. At the start of second half Killorglin took the lead with a headed goal. The game continued with chances on both sides. In the 85th minute following a through ball by Tadhg Doolan, our right back Calum Neher put the ball between the goalie's legs to equalize. It was Calum's first goal for the club & was a deserving equalizer. Overall a most enjoyable game with a fair result.

# KILLARNEY RETURN TO WINNING WAYS

Killarney 17 Kilfeacle/Cashel 10

Killarney returned to winning ways and recorded a hard fought, well deserved victory over a gallant Kilfeacle/Cashel side. Against the stunning snow covered mountain backdrop of Barraduff, Killarney started the game on the offensive. Playing into a strong wind they tested the visiting defence early on but found them uncompromising. For the opening quarter both packs were locked in an equal battle for supremacy. Cashel no 10 Stephen Ferncombe had a major influence on the opening half and his huge clearances kept Killarney retreating into defensive mode. K/C enjoying territorial advantage launched several attacks mainly through their back row but strong tackling from John McCarthy, Shane McAllister, Padraig Talbot and Brendy O Donoghue kept them at bay. After running several close in penalties and failing to get over the tryline, K/C took the lead when Ferncombe slotted a penalty on 20 mins. From the restart Killarney managed to gain a foothold in an attacking sense and started to impose themselves. Cormac Rowe and Bailey O Sullivan were introduced to bolster the home pack. A crucial moment arrived shortly before half time when ever alert Thomas Clifford snaffled a loose ball from a ruck on the left touch line and caught the defence flat-footed, racing away to touch down. The half time score of a very even contest was 5\_3 to the home team.

With the wind at their backs for the 2nd half Killarney set out their stall early on playing a territory game with clever box kicking from scrum half Peter Walsh and yard gaining clearances from outhalf Donnchadh Grealy. Gradually with more time on the ball and forward momentum the new center partnership of James Kennelly and Mikey Moriarty began to impose themselves. Enjoying territory and possession Killarney dominated and 12 minutes into the half they

scored a vital try moving the ball impressively through several phases before full back Liam Randles entered the line at pace to cutback and sidestep over in the left corner. Peter Walsh nailed the touch line conversion to stretch the lead to 12-3. However as the top teams in this group have displayed so far, (and to their great credit,) staring defeat in the face K/C rallied. Bravely facing into the wind they ran ball wide and at speed, but were unable to penetrate as Dan Twomey, Thomas Clifford and Jack Kenneally were tackling resolutely on the Killarney wings. However perseverance and pressure resulted in a mounting penalty count that gave the visitors hope, and eventually an illegal tackle from John McCarthy resulted in a sin binning. Tension mounted and for a brief period Killarney were reduced to 13 when Tommy Clifford followed his teammate to the bin for another high tackle. K/C were now camped in the home 22, they probed and reset repeatedly in search of a try. Resolute defence from bighitters Rob Nealon, Adam Cronin and Cengiz Koyun initially held the visitors out, however impressive Munster academy player Ferncombe eventually found a gap to touchdown and then he converted to bring the

score to 12\_10. Killarney however had learned a valuable lesson in Clonakilty the previous week and were set on winning ways. Kicking long into the 22 they chased hard and turned over the ball. Cleverly they set and recycled ball using dynamic forwards Padraig Talbot and Darren Cronin to penetrate before again spreading the ball out left for Liam Randles to replicate his earlier try after some scintillating passing from the backs. The final score read 17-10 to the home team.

Killarneys achievement so far winning 3 from 4 matches in the highest level of Munster competition is to be commended. The final fixture before the knock out phase takes us to Nenagh next Sun with several possible permutations. Again huge thanks to senior clubmates involved in rugbyising the fabulous Barraduff Community facility and thanks to all parents who vocally supported the team and provided the impressive post game hospitality.

# Recruitment Event aims to match Employees with Employers in Major Killarney Hotels

**A**re you interested in taking up employment in the hotel sector in Killarney? Do you have the skills that you feel you can use to develop a career in the hotel industry? Then an upcoming event to be held in the town on Thursday March 7th might just be for you.

The event, which is organised by South Kerry Development Partnership CLG through the SICAP programme, is aimed at matching potential employees with available jobs in seven of the major Killarney Hotels. A significant number of jobs across all areas of the hotel sectors will be available through the event. SKDP's Employer Liaison Officer Joanne Griffin explained that it will enable potential employees to meet directly with representatives of the hotels involved where they can discuss the positions available and showcase the skills which they can offer the potential employers. "Through registering the potential employees in advance it makes the event very efficient from everyone's point of view as potential employees can be matched with employers who have available positions to suit the skillset of those attending.

"Joanne said that potential employees do not need to have specific experience in the hotel sector to attend. "The event will enable people to try out different aspects of hotel work to see which

areas they are interested in and it can progress from there" she said.

Positions in areas such as Accommodation, Kitchen, Reception, Food & Beverage as well as Spa Therapists will be available in the hotels involved including The Cahernane House Hotel, The Great Southern Hotel, The Muckross Park Hotel, The Lake Hotel, The Killarney Park Hotel, The Aghadoe Heights Hotel and the McSweeney Arms Hotel. People attending will get to meet with the heads of the relevant departments as well as with the Personnel Manager from the hotel with a view to formalising a job offer where both parties are interested to progress.

SKDP CEO Noel Spillane said that this is the first time the Partnership has organised such an event and he is hopeful it will prove to be successful. "We are very focused in the Partnership in developing economic activity in South Kerry through assisting both jobseekers and employers through a range of training and support initiatives and we hope this event will prove to be another key support we can offer to both" Noel said.

Job seekers interested in attending the event must register in advance and they can do this by contacting Joanne Griffin by e-mail [jgriffin@skdp.net](mailto:jgriffin@skdp.net) or by phone on 066 9761615 before 5pm on Friday, 1st March.

#### QUESTION

I'm a PAYE worker. What income tax will I pay in 2019?

#### ANSWER

The amount of tax that you have to pay depends on your personal circumstances. Tax is charged as a percentage of your income. The percentage that you pay depends on your income.

The first part of your income, up to a certain amount, is taxed at 20%. This is known as the standard rate of tax and the amount that it applies to is known as the standard rate tax band.

If you have income above the standard rate tax band, it is taxed at the higher rate of tax, which is 40%. The amount that you can earn before you start to pay the higher rate of tax is known as your standard rate cut-off point.

For 2019, the standard rate of tax remains at 20%, but the standard rate tax bands have been increased as follows:

	2019, €	2018, €
Single person	35,300 @ 20% Balance @40%	34,550 @ 20% Balance @ 40%
Married couple/ civil partners, one income	44,300@20% Balance @ 40%	43,550 @ 20% Balance @ 40%
Married couple/ civil partners, two incomes	Up to 70,600 @ 20% Balance @ 40%	Up to 69,100 @ 20% Balance @ 40%
One-parent family	39,300 @ 20% Balance @ 40%	38,550 @ 20% Balance @ 40%

You may also be eligible for other income tax reliefs, credits or exemptions, which can reduce the amount of tax that you have to pay. Visit [revenue.ie](http://revenue.ie) to find out more.

by John O'Sullivan

**FOCUS ON  
EARLY SPRING  
FLOWERING SHRUBS**

Now is a good time if you are planning a new garden or trying to add some colour to an established garden to plant some early flowering spring shrubs. One of the best known shrubs is the Camellia and these popular shrubs are starting to flower in most places at the moment. The Camellia is a very valuable shrub in the garden as it can give a focal point to any shrubbery all year round with its glossy green leaves and showy blooms from early spring. A lot of people think that Camellias are a difficult shrub to grow, but in fact they are no more difficult than Rhododendrons or azaleas, and most varieties on sale now are hardy. When choosing the spot to plant your Camellia, make sure it is sheltered from cold winds as they can damage the flowering buds as can frost. When planting your Camellia make sure to mix plenty of moss peat with the earth, rather than on its own around the plant, as it will tend to root out quicker. Camellias are also ideal for growing in containers. Remember if you are planting your Camellia in the ground, that it might be small initially but most will grow to the size of a small tree, so allow plenty of room around it. There is very little maintenance with Camellias only to prune out old dead wood, clean up the old blooms that fall to the ground, and to mulch around the base of the plants every spring with some moss peat. There are a lot of other good spring flowering shrubs, here is a list of just a few: Forsythia, Cythisus, Corylus, Berberis, Darwunnii, Ribes and Skimmia.

## Thinking about feelings

When someone comes along to counselling and begins to talk about what is troubling them, one of the difficulties that sometimes emerges is their sense of having feelings that are 'bad' or 'wrong'. Perhaps they have been experiencing feelings of anger, or frustration, or maybe sadness, or regret. They may see such feelings as negative or self-pitying, and not compatible with being a good and kind and positive person. They wish these feelings would just go away. But, however much they try to wish them away, the feelings stubbornly persist. So then they experience shame and anxiety about having what they see as such negative feelings, and this shame and anxiety gets added to the mix, and just makes everything worse.

Counselling can offer us time and space in which we can talk about, and think about, all the different aspects of our emotional life, without using labels like positive or negative, right or wrong, good or bad. Instead, the counsellor provides a non-judgmental relationship, in which all aspects of our emotional experience can be heard and thought about. If we can slow things down a bit, begin to make sense of our feelings, and see them as an unsurprising response to aspects of our life experience, they are much less likely to cause us anxiety. Gradually, we become more able to manage our feelings and get on with our lives, instead of our feelings managing us, perhaps by making us anxious or irritable or unconfident or withdrawn. We learn to accept that, if we face difficult and challenging situations in the future then, naturally, we are bound to experience difficult and challenging feelings within ourselves. And when we have to bear particularly difficult circumstances or events in our lives, there is no shame in seeking support to work through our feelings about them.

A counsellor is able to sustain an open and accepting attitude to another person's feelings,

without anxiety getting in the way, because, through their own training and personal development, they accept that having emotional responses to life's events is a part of what it is to be human. Perhaps then, the more accepting and tolerant we can be towards our own emotional life, the more kindly and accepting we are able to be towards the feelings of others.

## A Word of Victory

Welcome back dear reader... "blessed are those who trust in the Lord and have made the Lord their hope and confidence. They are like trees planted along a riverbank with roots that reach deep into the water. Such trees are not bothered by the heat or worried by long months of drought. Their leaves stay green and they never stop producing fruit." (Jeremiah 17:7-8) Here we have a picture of people who have put their trust in God, and no matter what the circumstances going on around, they live peaceful and fruitful lives because they are connected to the Lord and He provides a constant flow of refreshment and life to them. Jesus gave us a similar picture in John's Gospel chapter 15 when He calls Himself the true Vine, says God our Father is the Vinedresser, and the people who trust in Jesus as Saviour are the branches of the vine. When we abide and stay attached to the Lord through His Word, we will bear fruit by reflecting the nature and character of God, Who is Love (1st John 4:16). But Jesus warned those who break off from the Vine - that is those who a) live self centred lives (living only for themselves) or b) live by self righteous acts (by trying to attain salvation only through good works) or c) live self-dominated lives (in total rebellion, not submitted to God) – are setting themselves up for disaster. They, like the branches broken off the vine, will be cast into the fire because they are not producing fruit.

Jesus then goes on to reveal His amazing sacrificial love for us. As we follow His lead and make a decision to love others our relationships will improve as our focus shifts from self, and we partner with Jesus our Best Friend to change the world. Jesus laid down His life for you and for me, and He expects us to do the same for others by loving them and not judging or criticising them. This is not an easy thing to do! But, as we study the Word of God we become transformed from the inside out, and if we are truly following Jesus we will obey His commandment to love one another. Talk is cheap – many people claim to be Christians but – "out of the abundance of the heart, the mouth speaks" (Matthew 12:34; Luke 6:45). Check out what is coming out of your mouth friend – are you blessing or cursing others with it? Are you walking in Love?

**THE MIRACLE PRAYER**

Dear Heart of Jesus in the past I have asked  
many favours. This time I ask you this special  
one, (mention favour).  
Take it dear heart of Jesus and place it within  
your own broken heart where your Father sees  
it. Then in his merciful eyes it will become  
your favour not mine. Amen.  
Say this prayer for three days. Publication of  
prayer and favour will be granted.

IN LOVING MEMORY OF  
**NOREEN CASEY  
(NEE O'RIORDAN)**

BALLINILLANE, BALLYHAR &  
MUCKROSS GROVE, KILLARNEY  
13TH FEBRUARY, 2019.

On the first Anniversary of our Mam's death, we, her daughters Sheila, Joan (Culligan), Noreen (O'Sullivan), Geraldine (O'Mahony), Eileen (Browne), Kay (Hegarty), sons in law, grandchildren and great grandchildren would like to extend our sincere thanks to all those who attended the Rosary, removal and burial, those who sent mass cards, perpetual enrolments, letters of sympathy and floral tributes. To those who travelled long distances to attend, your support and kindness were much appreciated. A special word of thanks to Fr. Niall Howard for his support and compassion and also for his celebration of her funeral mass. Gratitude is also extended to Fr. Tadgh O'Doherty and Sacristan Bob O'Connor. Thanks to Helen Kerins and Denis Crowley for the beautiful music they provided at the mass. A special word of thanks to Noreen's medical teams in CUH, KUW, and Killarney Community Hospital and to Dr. Domhnall Kavanagh and his team. The compassion, care and understanding they showed to Mam were fantastic and we will be forever grateful. Thanks to Anthony and all at O'Sullivan's Pharmacy for their diligence and excellent service at all times. To Mam's home care team, Eileen and Mary Theresa, we thank them for the loving care they showed to her during her illness. To our family friend, Helen - Mam really looked forward to her daily visit, and for that we are very grateful. She also looked forward to her weekly appointment with her hairdresser Geraldine Harrington who looked after Mam so well for so many years. To the neighbours in Muckross Grove, who visited often for a chat with the daily news and were great company to Mam, especially Nora (RIP) and Anne. To Mary and Michael O'Shea and the staff of O'Shea's funeral home for their kindness and professionalism and the impeccable organisation of Mam's funeral - thank you so much. To all of you mentioned and to the many that it is not possible to thank personally, please accept this acknowledgment as a token of our gratitude.

*"A golden heart stopped beating; hardworking hands at rest, God broke our hearts to prove to us, he chose to take the best. It's lonesome here without you; we miss you more each day. Life doesn't seem the same, since you have gone away."*

**The Holy Sacrifice of the mass will be offered  
for your intentions. Noreen's anniversary mass  
will be held on Sunday 10th February at 10 am  
at the Church of the Sacred Heart, Ballyhar.**
