IRISH WHISKEY HAS A NEW HOME ON NEW STREET!

Killarney welcomed a unique new establishment to town, when Irish Whiskey Experience and Celtic Whiskey Bar & Larder opened its doors, for the first time, on St. Patrick's Day. Their very first customer ordered a Jameson Crested Ten from the Midelton distillery in Co. Cork. The start of many great whiskeys to be enjoyed on the premises! Irish Whiskey Experience will host a variety of Irish Whiskey Masterclasses, where guests will have the opportunity to discover more about the history, production and renaissance of Ireland's native spirit. Blend your own Irish Whiskey, draw whiskey straight from authentic oak cask, learn how Irish whiskey pairs perfectly with farmhouse cheese or artisan chocolate. This is just a taste of what is on offer throughout the day, seven days per week. To the rear of the building lies the Celtic Whiskey Bar & Larder, a mecca for lovers of Irish whiskey everywhere! Not just for whiskey however, the business works diligently to provide customers with fresh, locally sourced lunch and dinner until 9pm every evening. Close relationships with local suppliers allow the kitchen a fantastic opportunity to showcase the wonderful array of products and talent Kerry has to offer.

The bar boasts one of Ireland's largest Irish

Following a hugely successful pancake morning the Killarney Branch of the Soroptimists made presentations to a number of charities this week. President Noleen O'Sullivan was on hand to share the spoils of their annual fundraiser. The charities that benefitted included the South West Counselling Service, Order of Malta and Kerry Cork Health Link Bus. Donations were also made to local teacher Mary O'Leary who will spend 6 weeks in Nepal, working with orphan children and to St. Marys Church of Ireland who received a donation towards the repair of their damaged stained glass windows.

All in all a "flipping" great result.

SUN SHINES DOWN ON KILLARNEY HOUSE

The long awaited opening of Killarney House and Gardens took place in splendid sunshine on Sunday afternoon last.

8,000 people enjoyed a visit to the ornamental gardens and the children were delighted with the family fun day which included a scavenger hunt, lawn games, face painting and an Easter Bonnet parade.

The Killarney Golf Club choir, along with Harpist Marina Cassidy and singer Grace Foley provided excellent entertainment as did the Killarney School of Music.

With enormous work behind the scenes the day was a resounding success much to the delight of Chamber President Kate O'Leary.

"Killarney chamber were delighted with the success of the opening", Kate told the Killarney Outlook.

"We were very pleased to have so many locals enjoy the day. Huge thanks to all the chamber volunteers who assisted and to the committee who worked so hard getting entertainment organised".

"It is great to have a good working relationship with the OPW and Kerry County Council to allow us enhance everyone's experience on days like this", she said.

"We are very fortunate to have facilities like

Killarney house on our doorstep and look forward to the full opening of the property in September. Huge credit goes to Minister Deenihan without whom we would not have Killarney house", she added.

Speakers on the day included Kate O'Leary, Pat Dawson, Manager of the National Parks

and Wildlife Service who also paid tribute to Minister Jimmy Deenihan who secured the €7 million funding for the project.

The gardens will be open to the public every weekend until July when it will open full time. The house is due to open to the public in September.

ALL IRELAND SUCCESS FOR THE SEM

TY STUDENT SEÁN DOHERTY REPORTS FROM CROKE PARK

SEÁN DOHERTY TY STUDENT.

St. Brendans College finally brought the Hogan cup back to Killarney after a 24 year wait. They are an extremely talented bunch, who are willing to do everything it takes to win.

The Sem opened the scoring in the first minute with a Dara Moynihan point but it didn't take long for McGuigan to level up with a free for St. Pats. St. Pats were awarded a fairly soft penalty in the fifth minute, but David Carroll guessed right and saved excellently. Just two minutes later, St. Pats did find the net and added a point straight after. The Sem were rattled and needed a score badly, which came through the boot of Micheal Casey, leaving the score 1-2 to 0-2 points after 10 minutes. Lee O'Donoghue kicked a 45 and it was followed by a fine score from Evan Cronin a couple of minutes later. Even though the Sem weren't playing to the standard they had set in previous games, they were still picking off scores and found themselves ahead after two David Clifford points in quick succession, one from play and one free. St. Pats found themselves back in front after two quick points but Moynihan levelled things up immediately.

ST BRENDANS COLLEGE WHO WON THE HOGAN CUP LAST SATURDAY IN CROKE PARK.

McGuigan kicked another free on the stroke of halftime to give St. Pats the narrowest of leads at the break, 1-5 to 0-7. The second half was a bit slow to get going but on 36 minutes, McGuigan found the net with a great dummy. This was the first time the Sem had been in a situation like this and all the doubters were about to have their questions answered. David Shaw kicked a much needed score with his left leg and the Sem were starting to take over. Then came a huge turning point. Conor Glas, St. Pats captain was shown a straight red card by referee, David Gough for an off the ball incident with 16 minutes remaining. The Sem then kicked probably the point of the game. Billy Courtney rose highest around the middle and knocked it down to Lee O'Donoghue, who picked out Evan Cronin, who in turn slipped it off to the on rushing Clifford and he kicked a fantastic score with his so called weaker right leg. David Clifford added another great score from an extremely tight angle to level things up with just 6 minutes left to play. Daniel O'Brien, then saw red for another off the ball incident but St. Brendans didn't look back. Moynihan kicked a great score, which was cancelled out 30 seconds later the St. Pats midfielder. David

Clifford found the net 3 minutes from time to give the Sem a 3 point lead. It all started with a fantastic turnover by David Naughton, he found Cronin, who beat his man and passed across to Clifford and he slid along the surface to palm into the net. Four minutes of added time was played and with only two remaining David Shaw was awarded a free near the sideline. He looked up and saw David Clifford one vs one inside. Once Clifford got the ball in hand the full back was in trouble. Clifford beat his man with ease and absolutely rifled it into the top right hand corner. It was a sensational goal and even the Gooch himself would have been proud of that one. That goal gave the Sem a six point cushion and brought David Cliffords tally to 2-5. Dara Moynihan capped off a superb performance with his fourth point of the afternoon with the last kick of the game, leaving the Sem victorious on a scoreline of 2-13 to 2-6.

The Sem showed great grit and determination to win the game and all the hard work throughout the year paid off. It was a phenomenal achievement by a special group of players.

ST. BRENDAN'S VOYAGE

TY STUDENT ANDREW QUINLIVAN REPORTS ON THE ATMOSPHERE ON THE DAY

ANDREW QUINLIVAN

The fleet of St. Brendans supporters departed Killarney early on Saturday morning, to go to a stadium that we'll hopefully become more and more familiar with as the years go on. There was a massive buzz of excitement and anticipation

that morning: line-ups were predicted, the opposition were assessed and minds were whirring as we got to terms with the task our

star-studded team would have to overcome. The pit stop at Obama's Plaza in Moneygall was where the atmosphere really picked up: with all three buses stopping there it was the focal point for any Sem supporter to be. By the time we were back in the bus we were rearing to get into Croke Park and showcase our chanting. We arrived at the historic ground and we spent most of our time before the game settling in and gathering together to become one huge force. Then, throw in. By half-time a lot of voices were strained and had been put through quite a lot of roaring. The support of St. Pats was fine, they could be heard in patches. We were nothing of the sort. We were constant. We were loud. We were celebrating

one of the greatest days in St. Brendan's history. "Shoes Off For The Boys In Green" will stay in the memory of those who were there, not to mind the continuous performance of "Seminary, Victory". The Sem Team were so good we were never silent for long. The bodhráns rang out about the stadium as we roared and cheered. The deafening noise as David Clifford scored his second goal of the game would send shockwaves through anyone, not to mind the celebrations at the final whistle. We had come to Croke, and we had conquered. The bus back home was quiet. Voices were gone. Fatigue was setting in. But our heads were a whirlwind of great things. St. Brendan's voyage made memories that will last a lifetime.

CRONIN'S CALL TIME AFTER 40 YEARS IN BUSINESS

THE LAST SPA LOTTO TICKETS SOLD AT CRONIN'S SHOP ON 30TH MARCH 2016. PICTURED ARE FROM LEFT PAT CRONIN, JIM GLEESON, JOHN KELLY AND GENE CRONIN.

After 40 years in business brothers Pat and Gene Cronin closed the doors of their shop at Curtin's Cross in Park Road last week.

A firm favourite with shoppers from the local area, its central location meant it was always a first or last stop before or after leaving Killarney. This building will shortly be demolished and will be replaced as a new landmark will be erected by Daly's. This brings an end to almost 70 years with a shop at Curtains Cross as Maggie Kelly, from Rathbeg ran a shop in the same location before the Cronin's.

The Cronin family has long been associated with the SPA GAA club as members, footballers, coaches and sponsorship etc.

When SPA set up their club lotto, Patrick and Gene volunteered their services on the committee and a location to sell tickets.

"As a result their shop was the largest selling outlet" Anne Holland of Spa Gaa Club told the Killarney Outlook.

"No doubt we will miss the lads behind the counter with a friendly smile and chat when we popped in and out of the shop" says Anne Holland from SPA GAA club.

"We wish all the Cronin's every good wish with their future and endeavour and look forward to their continued association with Spa GAA Club," she added.

SCÉALTA NA NÓSTÁN

THE GLENEAGLE HOTEL OPENS IT DOORS, 1957.

Killarney Hotels including The Malton, The Lake Hotel, The Gleneagle Hotel, The Park Hotel in Kenmare and The Butler Arms Hotel in Waterville are all part of a new nostalgic six part series on the history of Ireland's hotels featuring untold stories, fascinating nuggets of history and heart warming personal experience.

Using a mixture of interview, narration and archive this series reveals the extraordinary stories behind Ireland's most famous hotels and they impact they had on their local communities. The series explores a wide range

of hotels all over Ireland with great stories to tell.

The history of these hotels will allow us to get a better insight about what happened during wars such as World War 2, the Easter Rising and the War of Independence, celebrity visits (Princess Grace visited the Shelbourne Hotel in Dublin as did John Lennon), the rise of tourism and also the industrialisation of Ireland. We will also see the family dynasties that pioneered the Irish hotel industry, such as The Huggards of Co. Kerry and The Kellys of Rosslare whose resort and spa started off as a tearoom, during the series.

The series will begin in Cork with stories of high profile visitors to the Imperial hotel including Michael Collins, Franz Listz and Charles Dickens. We get to learn about the glamour and glitz of the first film festival held at the Metropole and how what started as a shebeen put Gougane Barra on the map.

Scéalta na nÓstán will be aired on TG4 on Sundays at 9:30pm and has already begun its first episode last Sunday, and will be repeated on Mondays at 7:30pm.

The AGM of Muckcross guild of the ICA will take place on Monday 11th April at 7.45pm in Loughguittane NS.

EVERYONE INVITED TO WALK IN PADDY'S MEMORY

Kerry footballer, James O'Donoghue, who was a friend of the late Paddy Turner took time out of his busy schedule to launch the The Paddy Turner Memorial Walk which will take place on Saturday April 23rd.

Spearheaded by Enda Walsh the walk will not only remember Paddy - who was a friend to everyone in Killarney but will also fundraise for two deserving charities, the Killarney Men's sheds and the local branch of the Kerry Mental Health Association.

The Killarney Men's Shed is a dedicated, friendly and welcoming meeting place where men come together and undertake a variety of mutually agreed activities. The facility is open to all men regardless of age, background or ability. It is a place where you can share your skills and knowledge with others, learn new skills and develop your old skills. New members are always welcome and can be assured that there is something of interest for everyone as the men have ownership of their Shed and projects and

decide their own programme of events. An objective of Men's Sheds is to enhance or maintain the well-being of the participating men.

The Killarney branch of the Kerry Mental Health Association has been supporting people with mental health problems through social housing, befriending, recreational programmes, holidays, breaks for carers, transport and the provision of occupational therapy and IT equipment. The KMHA also advocates on behalf of people with mental health problems and their families and carers. Both these worthy charities are housed in the same complex on the site of the old Ross Products Factory on Upper Lewis Road. Just a stones throw away from where Paddy lived.

As Paddy loved to walk every day it is fitting that the people who knew him so well are now walking in his memory.

"Huge thanks to Jean Courtney of Killarney Valley Athletics and Pat Dawson of the National Park for their cooperation in facilitating the walk. And also to the Gardai for their assistance", Enda told the Killarney Outlook.

Registration will be in the Killarney Avenue Hotel at 10.15am on the morning of the walk and the walk itself will follow the route of the Mission Road, entering the Demesne at the Deenagh Bridge entrance and then in the National Park following the route of the Circular Walk (a total of 5km). Registration will be a minimum donation of €10 with proceeds to go to 2 local charities.

STRICTLY TERRIFIC FOR TUREENCAHILL

Strictly Come Dancing Tureencahill took to the INEC stage on April 1st for what can only be described as an evening of terrific dancing. Packed with over 800 audience members the 24 dancers entertained with their 12 stunning dance routines. The dance enthusiastic crowd were treated to 12 individual dances as well as two memorable group dances. Six couples opened the show dancing to "Walking on Sunshine" while the show came to a crowd pleasing finale with the remaining six couples taking to the stage to "Proud Mary". Joe Burkett, creator director of Strictly Come Dancing Tureencahill danced both group dances with his dance partner Elaine Cronin who herself recently wowed the crowd of over 2,200 at Strictly Come Dancing Killarney back in February. "It exceeded all expectations. The dancers were amazing and took to the stage with such command. It's credit to all 24 dancers for all their hard work and dedication that the show was the success it was" said Bertie O'Leary, chairman of Tureencahill community group, "And we are sincerely grateful to Joe Burkett for all his hard work. He did a wonderful job for us. He went above and beyond the call and we as a committee would like to thank him most generously".

The fundraising event which was the brainchild of Bertie O'Leary and Myra Fitzgerald was thought up to raise funds for the Tureencahill Community Centre. The old school in Tureencahill recently closed and in its place the Tureencahill Community Group have opened a community centre. It is hoped that the funds

raised from Strictly Come Dancing that the school will converted into a fully functioning community centre for the residents of Tureencahill and beyond to enjoy.

"It was wonderful being back on the INEC stage so soon after Strictly Come Dancing Killarney but the Tureencahill dancers just took the stage by storm. They danced their hearts and were excellent in their skill and execution of all their dancers" enthused Joe Burkett, creative director, "I was honoured to be asked to direct Strictly Come Dancing for Tureencahill and have thoroughly enjoyed working with the committee and the dancers" Joe said, "And if

any of you fancy seeing me thread the boards again, my stage school, The Premier Performing Arts Academy's production of Cinders will be hitting the INEC stage on May 22nd. I might even make a strictly appearance myself".

With Strictly Come Dancing Tureencahill of course there could only be one winner and that winner was decided by judges Kelly MacDonnell, David Rae, John Joe Culloty and Aoife Twomey. The judges had a tough decision to make but ultimately the winners were decided with John O'Donovan and Siobhan Carmody taking home the prize for their Jive to the Elvis classic Jailhouse Rock.

ALL HANDS ON DECK FOR COUNTY CLEAN UP

Kerry residents took to the roads in their hundreds on Saturday last for the 5th Kerry County Clean-Up.

The day is facilitated by KWD Recycling with the help of Kerry County Council and tidy town committees in Kerry and the Gooch was on hand to kick off the Killarney leg of the litter pick bright and early Saturday morning with members of KWD Recycling, Killarney Chamber of Commerce and Tidy Town members. Other Tidy towns and voluntary groups all over Kerry had similar turnouts starting at different times throughout the day.

A great day was had by all who attended the county wide initiative all across Kerry and the benefits were immediately noticeable with cleaner and greener roads which are now visually more welcoming coming into the important tourist season.

One of the most noticeable contributors to litter along the roads this year was Plastic drinks bottles, drinks cans and Tea/Coffee cups which were constantly strewn all along our roads. There was also the usual crisp and chocolate bar wrappers, plastic bags and litter from take a ways, closer to towns and villages. Organisers would appeal to everyone in the County to stay conscious of how we dispose of our waste when driving, and ensure that all waste is disposed of at home and not along our roads. We must now turn the focus on keeping all our roads as clean as possible by being more careful and ensuring waste does not end up on the road in the first place for someone else to pick up.

The organisers wish to take this opportunity to thank the 3500 volunteer's right across the county who signed up this year and participated, with over 15,000 Red bags delivered to them. The mammoth task of collecting all these bags began Monday by KWD Recycling and will take over a week to collect from the different collection points that have been arranged all over Kerry.

Well done everyone, "Be proud, don't throw it out".

ARE YOU READY TO BE B WILDERED

Wet, muddy, tough and fun.... just some of the words to describe B WILDERED 'The John Lenihan Wilderness Challenge' hosted by Ballymacelligott GAA and sponsored by Lee Strand Protein+ Milk. Kerry's ultimate fitness challenge is set in the wilderness of Glanageenty in Ballymacelligott, and will take place on Saturday, April 30th, 2016 at 11.00am. Participants will test their fitness limits while being captivated by one of Ireland's hidden gems with magnificent views, rugged hills, waterfall, historical ruins and not forgetting the roaming goats! The course has been designed by running legend John Lenihan in conjunction with Joe O'Connor, Nisus Fitness. John Lenihan trained in Glanageenty to achieve peak fitness when he became the World Mountain Running Champion in 1991. Joe O'Connor, Nisus Fitness is the Fitness & Performance Expert on RTE's Ireland's Fittest Family. The combined experience of both individuals has culminated in the ultimate challenge over a 7.5km route with participants embracing natural obstacles and enduring some surprises along the way.

Participants will receive a B WILDERED finisher's mug, medal, goody bag, refreshments and enjoy post-party entertainment. Registration is now open and you can register as an individual or group entry on www.bwilderred.ie. individual entry €40 and a group of four entry is €140. For further information please visit www.bwilderred.ie or telephone **087 6768634**.

John O'Sullivan General Manager, Lee Strand stated "Lee Strand Protein+ Milk is delighted to sponsor B WILDERED, once again this year. B WILDERED promises to be a great event and all proceeds will go to the development of a new juvenile training pitch for Ballymacelligott GAA Club boys and girls." John Lenihan commented at the launch "History shows that this rugged landscape has created heroes and warriors, now is your chance to create your piece of history

here in the mysterious valley of legends."

Joe O'Connor, Nisus Fitness commented "B WILDERED will be a combination of hill & trail running, obstacle courses and a little influence of the TV Show Ireland's Fittest Families. Get your friends together, it will be wet, it will be muddy, it will be fun, it will be challenging, but most of all it will be an experience you will remember. The course is challenging but is set amongst some of the nicest scenery in the country. Remember this is not a race, you can run, jog, walk or crawl - the challenge for you, is to cross the finish line!"

SOUTHWEST COUNSELLING CENTRE RAISES ALARM AT AGM

SOUTH WEST COUNSELLING CENTRE

Kerry has seen a sharp increase in the number of people availing of local services for mental health wellbeing, according to the South West Counselling Centre in Killarney.

The centre which provides outreach services in the community including low cost counselling, talks, workshops and programmes in local schools, community groups, clubs and organisations, revealed at its AGM that it had provided support to over 2,400 clients in Kerry in 2015, an increase of 26% on the previous year. The demand for services provided by SWCC continues to grow with an alarming increase in client numbers of over 90% in the last 4 years.

"Funding continues to be a constant struggle with the need for ongoing fundraising paramount in sustaining and developing services for individuals in need" the Centre's Business Manager, Nikki Wissell told the Killarney Outlook. "We receive no Government funding for our Kerry Lifeline Service and we remain indebted to the local community, our fundraisers, supporters and friends of SWCC who contribute time, expertise and money in supporting us, she added"

The annual AGM meeting for SouthWest Counselling Centre was held at the end of March at the Centre's premises in Lewis Road, Killarney. Addressing the meeting Tim O'Leary SWCC Chairperson, said that 2015 had been an important and successful year in the life of SouthWest Counselling Centre which is now into its third decade of existence. He thanked the staff of SWCC who continue to provide a service at the highest level and also thanked the Board of Management who give their time voluntarily with the goal of supporting the Centre in the best possible way to provide the service that it does. Director's Anthony Garvey, Mairead O'Sullivan and Clotilda O'Keefe-Lyons were re-elected to the Board

SouthWest Counselling Centre is a local service that is unique as it is the only service providing

low cost counselling to individuals, child, adolescents, adults, couples and families for a variety of presenting issues under one roof. No other service adopts such an inclusive approach to working with children, adolescents and families.

SouthWest Counselling Centre provides Low Cost Counselling for a range of issues such as depression, anxiety, abuse, bereavement, separation, suicide, self-harm, crisis pregnancy, relationship and family problems. Kerry Lifeline the Centre's Suicide Prevention and Awareness Service provides FREE counselling, FREE Bereavement Support Group and FREE Prevention Awareness Services.

The Centre can be contacted on **064 6636416** or by email on **info@southwestcounselling.ie**. For further information on our services, workshops and events please refer to www.southwestcounselling.ie or http://www.facebook.com/southwestcounselling_centre_killarney.

"We are delighted to be one of the nominated Charities for this year's Ring of Kerry Charity Cycle", said Ms. Wissell. "Spaces are still available please email swccrokcycle@gmail.com for further information", she added.

MICK WALSH RIP

A TRIBUTE FROM FOSSA GAA CLUB

It was a moment of great sadness for all of us, friends of Mick Walsh from Fossa, when we heard of his sudden passing on the morning of Palm Sunday March 20th 2016. He was a fixture at every game Fossa played over the past 46 years, knew every player by name, and it was a fitting tribute that such a large number of these, formed the Guard of Honour at his removal to Fossa Church on the Tuesday evening.

Mick was born on a farm at Knockalougha Duagh in April 1927, so he was just a month from his 89th birthday. One of eleven, raised on the family farm, Mick emigrated to England in the mid-1940s, and he worked at various jobs, culminating in a job as a welder at a car manufacturing plant in Birmingham where he worked for many years. While there he played his beloved Gaelic football, and he captained his team to victory over Coventry in 1949. Before emigrating Mick played with Knocknagoshel the parish of the love of his life Dora O'Connor, where among his team mates was the great Eddie Walsh (no relation), who remained a friend all his life. Mick, Dora, and three sons Liam Philip and Michael returned to Ireland in the early 1960s where he first worked as a welder at the Mallow Sugar Beet factory. In 1964 he started working at Liebherr Ireland Ltd as a welder, and remained there until his

retirement in April 1992. He always praised the Liebherr family for their commitment to Fossa and Killarney and to their employees. He bought a house and some land from the late Sean O'Connor the artist, and he had lived there since. He regaled us, the young lads of Fossa, with tales of the Kerry team of the 1940s, and stories related to him of the great four in a row team of 1929 to 1932. Who was better Barrett or Keohane, he'd ask, and then he'd answer his own question by quoting his fellow emigrant Brendan Reidy who played in goal behind both of them "Barrett was the best". From what he heard Jackie Ryan was the best forward Kerry ever had, and this was the nick name he put on our young David Clifford a number of years ago. Indeed at the time of his death Mick was looking forward to watching David line out for the Sem in Croke Park in the Hogan Cup final on April 2nd. His first meeting with his great friend Mick Myers was in Hussey's bar after the 1968 O'Donoghue Cup Final. "Were you above at the match" Walsh asked. "I was playing in it" said Myers, "the Crokes beat us". "The Crokes didn't beat ye, Tom Long beat ye" said Walsh. Tom had scored 2-01 that day. Mick was always looking forward. He took particular interest in the minors and under 21s. Our most recent conversations were about the

games against Tipperary and Limerick, "When is Mark O'Connor coming back" he'd enquire. "Barry O'Sullivan seems like a great prospect" A few Christmases ago John Rice brought Jacko Shea to the Nugget where he was introduced to Mick. Who were the two best midfielders you've seen playing for Kerry, Mick was asked. "Paddy Kennedy and Mick O'Connell" he replied without hesitation, "but you weren't too bad yourself either Jacko". As well as football he had many other interests, the gun club, the greyhounds, the politics, and he was a keen follower of horses. He visited Killarney most days where he visited Donie and Liam Sheehan, Donal Culloty and Cathal O'Grady among many others to "hop a few balls" Every Sunday night he eventually made his way to the back table in the Nugget, having chatted his way through the bar, and then the banter would really start. Mick told it as he saw it, and we loved him for that.

To his beloved wife Dora, his sons Liam, Philip, Michael, Patrick, and Donal, grandchildren Brian, Colm, Danielle, and Michelle, and his daughters in law, we express our deepest sympathy. Ar dheis De go raibh a Anam,

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

STRUGGLING TO SHIFT THOSE EXTRA FEW STUBBORN POUNDS, & NEEDING SOMETHING TO HELP GET MOTIVATED?

Here are some helpful inexpensive Tools that I often recommend to my clients to help them stay on track & often use myself, so I'm delighted to be sharing them with you this week.

Pedometer: you can buy these handy enough and they usually work out relatively inexpensive at around 10euro. They come in all shapes and sizes but usually it is a small battery operated device about the size of a match box that u pop into your pocket or clip into your belt and leave it there for the day. It will track your steps, distance travelled, and calories burned. It's a great motivation tool to get you moving and making sure your hitting the recommended daily goals of 10000 steps a day for adults and 15000 steps a day for kids.

A fantastic tool if you want to get your child moving more and get them excited about reaching daily goals by getting up and moving more.

Want to save yourself some money then download a pedometer app on your phone, only drawback with this is you will have to have your phone in your pocket at all times. The "My fitness Pal" app mentioned above has a built in step counter the tracks your steps and automatically add it to your exercise log. Handy!

OUTLOOK FASHION

WASHING WOOL

Despite what it says on the tag, wool is best washed by hand. To dry it, use a salad spinner, which releases excess water in seconds.

HEALTH TIP INCLUDE FIBER IN YOUR DIET

Fiber aids digestion, prevents constipation, and lowers cholesterol -- and can help with weight loss. Good fiber sources include oatmeal, beans, whole grain foods, nuts, and most fruits and vegetables.

Beauty tip

Fuller Lips

For fuller lips, extend the lip line using a flesh tone lip liner. Be careful not to go overboard, though!

FINDING PEACE IN THE MOMENT & LOVING THE JOURNEY!

True abundance exists in knowing that this moment -- the one you're in right NOW is really perfection. You are absolutely where you are truly meant to be. Choosing to embrace the fullness of this moment -- finding love and opportunity in where you are right now is choosing the most powerful way to live. It puts each of us squarely in charge of our own journey and our destiny. Each morning we are given the chance to admire another sunrise. From the moment we open our eyes there are exquisite blessings all around us ready to be witnessed. All we have to do is to gaze upon them and really see how blessed we are. So often we spend much of our time looking at the horizon. We look ahead to often what is just out of reach. We focus on the destination; the pay rise, the holiday, the weekend, the new career, relationship etc. The goal seems far away however life's goal is all around us in this moment. Regardless of where you are in your life's journey -- or where you aspire to be, you are at the place where you are exactly meant to be. Each choice you have made throughout your life has brought you to where you are today - this moment -- where absolute perfection lives. When you approach your life from the moment you are in you gain tremendous peace within. When we stop the struggle and dance with "what is" we find joy in the moment.

BANK OF IRELAND ENTERPRISE TOWN RETURNS TO KILLARNEY IN 2016

Bank of Ireland has announced the arrival of its Enterprise Town initiative to Killarney on Friday the 15th of April from 5pm-8pm at the Killarney Sports and Leisure Centre and on Saturday the 16th of April from 12pm-3pm at the Killarney Racecourse. The events will feature a Business, Community and Sports Expo as well as plenty of family friendly activity throughout the day. The Bank of Ireland Enterprise Town event has been organised by the Bank in partnership with the local community. The initiative aims to promote enterprise and drive business momentum for local businesses and the wider sports and social community in Killarney by connecting with the communities in these areas to showcase what the area has to offer. Events are free to attend for all the family and are open to both customers and non-customers of Bank of Ireland.

Over the course of the two days 100+ exhibitors will display a wide variety of products and services and we are calling on those living and working in Killarney to come and support all the exhibitors. On Friday night Weeshie Fogarty will facilitate a panel discussion with Gillian O'Sullivan, World Champion & Olympian walker and personal trainer; Brendan Keely, Kerry footballer and start up

business owner; Mike Stack, Tricel Ireland; Kate O'Leary, Killarney Chamber of Tourism and Commerce President and Mike Buckley, Kerry Coaches. Well-known TV chef and author Rachel Allen will also be in attendance.

On Saturday there will be a sports panel discussion with Mick Galway, former Munster and Ireland rugby player; Liam Sheedy, former Tipperary Hurling Manager; Killian Young, Kerry footballer and Jim Culloty, former jokey and horse trainer. A second panel will consist of Siobhan Lenihan, founding member of the Defibrillator Action; Cathal Walshe, Ring of Kerry Cycle; Pat Dawson, Area Manager of National Parks and Wildlife and Henry Clifton, Killarney Boating/Fishing Ireland.

There will also be a sports and community expo with the Legion Football Club, Dr. Crokes Football Club, Killarney Celtic, Killarney Athletic, St Pauls Basketball and numerous other clubs from the locality. Along with the clubs participation we will have all the charities in the locality showcasing themselves and all charities there on the day will be in with two chance's of getting €500.00 for their chosen charity.

Speaking to the Killarney Outlook about Enterprise Town, local Bank of Ireland Branch Manager Deirdre Twomey commented; "We are delighted with the arrival of Enterprise Town in Killarney on Friday April 15th and Saturday April 16th. The local community have embraced this initiative wholeheartedly and working together, we have organised a very exciting programme of activity.

I would encourage local businesses and the wider community to engage with this initiative and enjoy the exciting programme of activities scheduled for Friday and Saturday.

We have a great series of panel discussions lined up for Friday and Saturday with contributions from top business people and sports personalities from Kerry and beyond. I for one am really looking forward to the events.

NATIONAL FOOTBALL LEAGUE DIVISION 1

KERRY WIN EARNS SEMI-FINAL SPOT AND RELEGATES REBELS

KERRY O'SHEA REPORTS ON KERRY'S VICTORY IN AUSTIN STACK PARK ON SUNDAY.

KERRY 0-20
CORK 1-12

It was a good day all around for Kerry supporters, a win over Cork in front of 8,327 patrons at Austin Stack Park, that ensured a League Semi-final spot and a result that ended Cork's term in top flight, leaving Kerry and Dublin as the only 2 counties in Division 1 of both the Football and Hurling Leagues.

Cork came to Tralee knowing that a win would preserve their Division 1 status but in the end it was not to be, their scoring difference coupled with other results earlier in the campaign militated against them.

The Rebels weren't helped by the fact that they had to make three late changes to their starting line-up, with Tom Clancy, Ruaidhri Deane and Brian Hurley replacing Jamie O'Sullivan, Daniel Goulding and Luke Connolly respectively. Kerry were also keen to arrest a two-game losing streak in the league at the expense of the Rebels and thus regain local bragging rights over their great Munster rivals. Referee David Gough didn't endear himself to fans, with a number of questionable decisions including the first-half penalty awarded against the home side when Peter Crowley was black-carded for pulling down midfielder Ian Maguire and thus giving Cork who were clearly struggling at the time, a major boost right on the stroke of half-time.

Gough dismissed Cork's Michael Shields in the 60th minute for a high challenge on Mikey Geaney (who received a black card late in the game), while Kerry's skipper Killian Young, Kieran Donaghy, Colm Cooper, Marc O'Se and Shane Enright also incurred Mr Gough's wrath over the 70 minutes.

Both sides adapted a cautious approach in the early stages of the game and traded four points inside the opening seven minutes, Donnchadh Walsh and Alan Fitzgerald for the home side in

JOHNNY BUCKLEY ATTEMPTS TO BREAK THE TACKLE OF CORK'S BRIAN O'DRISCOLL DURING LAST SUNDAY'S MATCH.

reply to Cork's Colm O'Neill and Brian Hurley. With Kieran Donaghy and David Moran asserting themselves at midfield and Mark Griffin following Ruairi Deane outfield and storming forward regularly, the Kingdom went on an eight-point scoring spree between the 8th and 20th minutes when Kieran Donaghy, Stephen O'Brien, Colm Cooper (3), Mark Griffin, Alan Fitzgerald and Johnny Buckley inscribed their names on the scoresheet as the home team moved 0-10 to 0-2 clear and virtually out of sight.

Colm O'Neill kept Cork, who were limited to sporadic attacks in the first half, in the game with a brace of points while Alan Fitzgerald replied from a free. On the stroke of half-time, Cork were awarded a penalty and a major fillip when Peter Crowley fouled Cork's Ian Maguire inside the small square where the markings were almost invisible.

O'Neill converted the spot kick and Cork were back in contention as they retired at half-time just three adrift, 0-11 to 1-5.

Alan Fitzgerald from a free edged Kerry four clear within a minute of the second half but Cork with a pair of points from play by Brian

Hurley narrowed the gap to two.

Now it was Cork's turn to attack in waves, the visitors were troubling Kerry with their forwards driving at the Kerry defence at every opportunity.

Fitzgerald and Hurley exchanged points. With 43 minutes gone, two points still separated the sides.

The Rebels were determined and focused on their task but Colm Cooper, with a converted free, kept the home side's noses in front.

Brian O'Driscoll and Brian Hurley, with a brace of points, levelled for Cork and with 10 minutes to go, it was anybody's game.

However, Kerry regrouped and finished off the game in scintillating style, points from Marc O'Se, Colm Cooper (2), Fionn Fitzgerald, David Moran, a (45) in reply to a Daniel Goulding free moved Kerry clear. Brendan O'Sullivan's injury time point sealed a five-point the win.

DR CROKES CLUB NOTES

SENIOR HURLING: Training for the senior hurling team continues each week, Monday's and Friday's at 7:30pm with indoor circuit training on Wednesday's at 7:30pm. First competitive match in the South Kerry Senior Hurling League in 3 weeks time.

JUVENILE HURLING - U12: The U12 hurlers had a hard fought victory over Tralee Parnell's on Friday evening last. Thankfully, the weather improved prior to the throw-in which made conditions ideal for this contest. We performed well as a team, defending strong and consistently threatening the oppositions defence. While we led at half-time, Tralee Parnell's struck early in the second half with two goals to bring them within a point but this was as close as they came. It was also great to see the support for both sides in the stand. This Friday, we are away to Rathmore with throw-in scheduled for 7:00pm.

JUVENILE HURLING - U14: Our U14 hurlers had a bye last weekend. We are away to Crotta O'Neills this Saturday with throw-in scheduled for 6:00pm. Training this Friday evening from 6:00pm - 7:00pm.

UNDER 14 GIRLS: A thunderstorm forced the abandonment of our fixture away to Spa on Sunday 3/4/16.

The game will be replayed in due course and our next scheduled fixture is home to Kerins O'Rahillys the weekend of 9-10/4/16.

JUVENILE NOTES:

UNDER 12: The Under 12 footballers made a great start to their County League Campaigns on Sunday evening with two hard fought victories over Ballymacelligott. The Black team defeated the visitors on a scoreline of 5-6 to 2-9 while the Amber team made a terrific comeback to secure a 5-7 to 3-9 win. Both teams played some fantastic football despite the difficult weather conditions and every player enjoyed some game time. Both U12 teams are at home to Kilcummin at 6pm on Sunday 10th April.

UNDER 16: It finished all square when the Under 16 boys travelled to Glenflesk for their first game in Division One of the East Kerry League. In Lewis Road, Keel-Listry proved too strong for our second team in their first outing of the year in Division Five.

The Division 1 team are at home to Legion at 7pm on Monday 11th April. The Division 5 team have a bye.

CONGRATULATIONS: Congratulations to St Brendan College Boys on their All Ireland Win on Saturday 2nd of April especially to the Crokes lad on the team and Vince Cooper of the back room team.

All the boys will be given game time and the focus at this age is participation and learning the skills of the game. It is hoped the bus should return to the Clubhouse at 1 pm approximately and we ask all parents to please be at the Clubhouse at that time to collect their child. Roll on Saturday!!!

LEGION GAA NOTES

SEM: There were great scenes in Croke Park last Saturday as the St Brendan's College senior football team won the Hogan Cup for the first time since 1992. A huge amount of credit is due to the players and their mentors who were terrific all year. Congratulations from everyone at the club to all involved, especially to Legion's Cian Gammell and Peter McCarthy, who both started and played brilliantly, and also to panelists Mike Pierce and Finbarr Murphy.

COUNTY LEAGUE: Our seniors are back in action this Saturday with an away fixture against Kilcummin. Throw-in: 6.30pm.

U-14 BOYS: Killarney Legion 4-11, Laune Rangers 3-8. A good result for our under 14s last Wednesday in Killorglin in the opening round of the County League, Division 1. We were up against a very strong and well-organised Rangers side and we had to dig deep to get the win. Although we won by six points in the finish there was very little between the two teams in this very sporting contest. The experience that this young Legion team has gained over the last few seasons along with their never say die attitude stood to them in seeing out the game. Well done lads.

U-12 BOYS: Both of our under 12 teams played Kenmare in testing conditions in Derreen on Sunday evening. The Green Team played out a draw while the White Team won. Full credit to all four teams who made the most of the atrocious weather.

SCÓR: All the best to Áine Devlin who will be participating in the Scór na bPáistí county semi-finals for recitation next Saturday, April 9th in Foilmore.

FÉILE: The draw for this year's Féile was made in the Gleneagle Hotel last week with representatives from all the participating Kerry clubs in attendance. SPA CLUB NOTES

ALL IRELAND FEAST OF MEDALS IN SPA:

What a weekend for our small club winning 12 All Ireland medals both on and off the field. First in Croke Park, the Sem team won the Hogan Cup since 1992 in sensational style. Our four players all were on form and contributed to the victory. David Carroll pulled off great saves and saved a penalty in a vital moment of the game. Evan Cronin scored a point and passed the ball to man of the match David Clifford scoring a goal to bring the Sem in with a chance. David Spillane when introduced was outstanding in defense. Special mention to Dara Moynihan as written in the history books personified a true Gaelic player. His performance was one of his best throughout the match. He opened and finished St. Brendan's scoring sheet. He defended, he scored and he tackled with his never say die attitude. He was definitely up with David Clifford for MVP, will look back on his All Ireland victory with pride and look forward to seeing his name up with the great Kerry players. A great victory for the town of Killarney and East Kerry Clubs. This group of lads played as a team and well done to the management of Gary McGrath, Arthur Fitzgerald and Hugh Rudden. Also to the background staff of Principal Sean Coffey, Dr Gary Stack and our water boys Niall McCarthy and Shane Cronin.

The 2nd All Ireland was announced in the INEC later that day when Spa won another GAA All Ireland in the form of Scor Sinsir Rince Foirne. The auditorium erupted with jubilation when our figure dancers collected their medals. We were sole Munster winners on the night. They had a superb performance and we are so lucky to have great success in the Cultural side of the club under Sheila McCarthy. The Record winning team were Ciara O'Shea, Katie O'Connor, Clare Moynihan, Sinead Cronin, Trish Murphy, Fiona Kelly, Mairéad Mangan and Anne Marie Nelligan. Expertly coached by Triona Mangan and Maureen Hegarty Vogels.

COISTE NA NOG: Spa U10 team who took part in the u10 County GO games in John Mitchels, Tralee on 31st March playing St Pats, Listry and Tarbet. Great fun had by all. Well done to all involved.

FEILE U14 ALL IRELAND: SPA U14 BOYS: Spa boys are hosting Leitrim for Féile. Division 6, group 4 with Gneeveguilla & Westmeath 2.

U16 BOYS: In the first outing of 2016, the Spa U16 boys earned a share of the spoils against a very good Rathmore team, in what was an exciting game from start to finish. Our boys scored a last minute point to earn the draw and deserve great credit for never giving up. All players were outstanding. Next outing is away to Glenflesk on April 11th.

SENIOR MEN: Co League v Listowel Emmets is being played next Saturday April 9th at 4.30pm in Listowel.

SENIOR LADIES: CAUSEWAY 4-7 SPA

4-8: Spa played away in Ballyheigue in a very close tough battle. Player of the game was Claire Moynihan scoring 2-1 after picking up her all Ireland in Scor Sinsir in Inec in figure dancing. Her equally committed fellow dancer Sinead Cronin also played well after crowned All Ireland winner. C Moynihan 2-1, Mags 1-1, Micaela O'Connor 0-4, Liadh Tobin 1-0, Karol Fleming and Meghann Crnin 0-1 each.

U14 GIRLS: Spa v Dr Crokes. Game was abandoned due to the thunder and lightening. Game to be rescheduled.

END OF AN ERA FOR CRONINS SHOP:

Wednesday March 30th was the last day Patrick and Gene Cronin locked the doors of their family run business in Curtains Cross for the last time. Cronins Shop was a thriving business since February 1979. A central location and always a first stop before or after leaving Killarney. An iconic building will shortly be demolished and a new landmark will be erected by their neighbours Dalys. Actually, this brings to an end, almost 70 years with a Shop at Curtains Cross as Maggie Kelly, from Rathbeg, also had a shop there prior. The Cronin family has long been associated with the Spa GAA Club as members, footballers, coaches, sponsorship etc. When Spa set up the Club lotto, Patrick and Gene Cronin volunteered their services on the committee and a location to sell tickets. As a result their shop was the largest selling outlet. No doubt we will miss the lads behind the counter with a friendly smile and chat when we pick up our usual errand. We wish all the Cronins every good wish with their future endeavour and look forward to our continued association. Míle Buíochas.

31 CARD CHAMPIONSHIP OF KERRY:

Unfortunately it wasn't to be and Kenmare ended up going forward, which left us with a decider game against Caheriveen for third or fourth place. The girls gave an impressive display and won a bronze county medal for their efforts. We would like to congratulate the girls who all played their hearts out and gave it their best on the day... also to their trainers John, Jim and Miriam for their commitment to this event and for giving up their time to coach and prepare the team.

KILLARNEY DARTS

TOWN LEAGUE, SPONSORED BY CARLSBERG IN ASSOCIATION WITH MUSTANG SALLYS.

The Group 3 final between Dunloe Lodge B and Old Killarney Inn took place in The Tatler Jack on Thursday, 31st March. This was the first to 5 sets. Dunloe got off to a great start winning the first 3 sets and 5th set, to be in the lead 4 - 2 after the singles. After the break, OKI, took the first 2 sets of doubles to bring it back level. Now at four a piece, it was all down to the last set. Dunloe taking the first 2 legs to win the last set and take overall victory making it Dunloe B 5 - OKI 4. MVP on the night was Sean O'Riordan and Group 3 highest finish was Tom Cronin.

DUNLOE LODGE B TEAM: John Healy, Brendan Dooley, Sean O'Riordan, Barry Warren, Mike McCarthy, Kieran O'Donoghue, Donagh Moynihan & Tadhg Moynihan.

OKI TEAM: James "Rock" O'Neill, Tom Cronin, Mike Dwyer, John Keith O'Shea, Patrick Fleming, Darren Oliver, Eddie Sipos & Gene Cronin.

Fools Day, 1st, April, was the conclusion of the town league. It was a fitting date as fools day is a day for outwitting each other, and that is just what the The Tatler Jack and Lals OutCasts tried to do in the Group 1 final in Mustang Sally's. This was a clash of the Titans if ever there was to be one in the town league. Lals OutCasts team entered the league this year with 7 players from the Kerry County Darts team and local boys The Tatler having only 3 County players. This was probably the first time ever the Tatler were the underdogs in any final that they ever played. This final was each leg counted, so first to 14 were the victors. After the singles it was 10 - 8 to Lals OutCasts. Tatler took the 5 legs of the first two double games, score now was Tatler 13 - Lals 11. Last doubles game saw Lals take the first 2 legs, now at 13 all, it was down to the final game. Lals Richie O'Connor had a shot at 56 to win, but missed and left double 10 for Dale McCarthy. Tatlers Neill O'Donoghue had 104, hitting treble 20 with the first dart, 8 with the second, paused and confirmed what he had left with the chalker, moved along the Oche and took out double 18 to take the victory for the Tatler Jack. Final score Tatler 14 - Lals OutCasts 13. MVP was Leonard Fitzgerald and group 1 Highest finish was Kevin McCann (150). The Committee would like to congratulate the Tatler, and hard luck to Lals OutCasts, we're sure ye will be back.

The Committee would also like to thank the following, our sponsors Carlsberg and Mustang Sally's, Killarney Avenue, Murphys, Tatler and Mustangs for hosting finals, Killarney DIY for Oche's, Bars for sponsoring teams & their hospitality, players, the media Killarney Outlook, Killarney Advertiser, Breeda Joy, Kerrys Eye, Weeshie Fogarty and Kerry Radio. Also Congratulations to Paul Cronin on his recent appointment as Chairman of The Kerry

Darts Association.

MEK U10 SQUAD WHO TOOK ON MEK U12B SQUAD IN A CHALLENGE MATCH ON SATURDAY.

MEK NEWS

ACADEMY: Our Academy continues to thrive and we train at the Astroturf Pitch at Fossa National School. Training takes place every Saturday with U6/7 training between 2-3pm, U8 between 3-4pm while our U9/10 train from 4-5pm and all are welcome. Last week we decided to organise a match for Saturday between our U9/10 squad and our U12b squad. As you can imagine, the younger squad relished the chance to take on the older players and the game was very competitive, with both sets of players really showcasing some fantastic skills on the day. In the end, it was the U10's who ran out the winners following a very spirited display. Every single player from both teams played very well and the skills on show on were a testament to the hard work by the coaches throughout the season. Well done to everyone and we hope to have a rematch over the next few weeks!

U13'S: Our U13's were due to take on Fenit in the Kerry Schoolboys League - Division 2 last Saturday away, however the match was cancelled due to a waterlogged pitch. Earlier in the week the U13's took on Tralee Dynamos last Thursday, in Tralee. The home side won by 3 goals to 1, however our U13's are showing huge progress and they played very well against Tralee, with Aaron O'Shea scoring MEK's goal. Great credit is due to head coach Trevor Anderson who is working tirelessly with the squad each week.

U12'S: Last weekend, our U12A's took on LB Rovers in Ballyunion in the worst weather conditions possible. MEK lost 6-3, however we had to play with 8 players as some players couldn't travel. Down 4-1 at half time, our goal coming from a fantastic solo run by Eddie Moroney. A brace by striker Bailey Carlton early in the second half brought the gap to one but alas the extra man and the sub made a difference for LB. The U12's are coming along nicely and the goals are coming. Pa Murphy, Ger Lynch and Liam Healy are working hard with the squad and the players are developing into a strong squad. Well done all, keep the progress going.

Victor Mulcahy, PRO Men's Club.

Liam Hartnett Club Captain, on behalf of the Club, wishes to send his heartiest congratulations to The St. Brendan's Seminary team who won the Hogan Cup in such very impressive style last weekend, a fantastic achievement. This was only for the third time, in the history of this famed football academy, that the "Sem" have been victorious in this championship.

The previous winning teams from 1969 and 1992 went on to give the Kerry Jersey many of its most illustrious players, including John O'Keeffe, Ger O'Keeffe, Paudie Lynch, Paud O'Mahony, Seamus Moynihan, etc. Liam added that Killarney Golf and Fishing Club through their members and extended families have a large number of the "Sem" team and their mentors as members, and extends his best wishes to them in bringing the Hogan Cup back to Killarney.

Liam also wishes to commend the performance of the Club's Junior Boys foursomes team who took part in the Kerry section of that competition on Saturday last at Tralee Golf Links, our lads came in third place, and just narrowly missed out in a place in the play-offs, well done to those who took part, and also to their mentors, Ned Brosnan, and John Curtin who continue to play a huge role in continuing to promote Junior Golf on behalf of our Club.

prize presentation evening Friday the 1st of April.

Cormac Flannery Club Secretary Manager presented the third of his Club up-date question and answer session at the Club, Cormac addressed those who attended who were, once again few in number, but they never-the-less played their part in a lively debate, many Club topics were discussed, but the most interesting topic was in relation to the re-jigged new nine hole course on Lackabane, and a further proposal will be forthcoming in relation to same.

Cormac's presentation was followed by the prize presentation to all of our recent prize winners, it is planned that these information evenings will be coupled with prize presentations for the foreseeable future, with the next one planned for the 29th of April.

FOOTNOTE: Next weekend the Men's Club will be embarking on their annual pilgrimage to their Golfing Mecca in the Banner County, to Lahinch, and Club Captain, Liam and the majority of his retinue will be partaking in this annual ritual which will include some well deserved R and R, and a band of some 40 members will endeavour to play as much golf as possible, and perhaps a little sightseeing before returning to Killarney via a scenic and circuitous route on Sunday evening.!!!

PENALTY POINTS

Penalty points are designed to encourage safe driving and reduce casualties on our roads. This section explains how the system works and lists the offences that incur penalty points.

BACKGROUND: The penalty points system for driving offences was introduced in Ireland on 31 October 2002. The aim of penalty points is to improve driver behaviour in Ireland and reduce the levels of death and serious injury on our roads. The system was extended to insurance, seat belt wearing and careless driving offences in 2003 and 2004. In August 2014 a lower threshold of points leading to disqualification of learner and novice drivers was introduced. For more information read our FAQ here. In December 2014 penalty point offences for learner drivers unaccompanied, learner and novice drivers not displaying L and N plates respectively, a range of other new offences and increased points for some existing offences, were introduced. For more information read our FAQ here.

WHAT ARE PENALTY POINTS?

A penalty point is essentially a formal reprimand by the Gardai endorsed on your driving licence record that shows you are guilty of a specific driving offence. From 8 December 2014 there are 62 road traffic offences that attract penalty points.

HOW DOES THE SYSTEM WORK?

Penalty point offences are recorded on your driving licence record if:

You are convicted of a driving offence that attracts penalty points, or

You are served with a fixed charge notice for an alleged offence that attracts penalty points and you opt to pay the fine rather than having the matter referred to the courts.

Any driver accumulating 12 penalty points within any given three-year period will be automatically disqualified from driving for six months. A lower threshold of 7 penalty points leading to disqualification applies to any driver taking out a first learner permit on or after 1 August 2014 while he or she drives under any learner permit and subsequently during the first two years while he or she is driving under a full driving licence. Where a driver has a foreign licence a record will be created and the penalty points recorded on that record.

The driver is required to surrender his/her Irish or foreign driving licence to the National

Driver Licence Service within 10 days of disqualification commencing. It is an offence not to surrender a licence. It is also an offence to drive while disqualified.

How long will the penalty points stay on my licence record for?

Penalty points remain on the licence record for a period of three years. The three years will not include any period where your licence is out of date or where you are disqualified from driving because of another offence. If your driving licence is out of date, the points will only apply from whenever you renew your licence.

Penalty points do not physically appear on the licence. Instead, your points are recorded on your driving licence record. These records are held on the National Vehicle and Driver file operated by the Department of Transport, Tourism and Sport.

If you have committed a driving offence that incurs penalty points you will receive a written notification informing you that points are being added to your driving licence record. This notice will include details of your name, address, date time and location of the driving offence concerned. It will also confirm that you either paid the fixed charge for the offence or were convicted in the court of such offence. The notice will also contain a date on which the notice was issued to you. This is the important date as the points will only be added to your licence record 28 days after this date.

WHY DO PENALTY POINTS NOT TAKE EFFECT FROM THE DATE OF THE OFFENCE?

Penalty points do not take effect from the date of the offence because:

The points can only be applied after you pay a fixed charge or after you are found guilty of the offence;

A licence holder is disqualified from driving 28 days after a written notice has issued and not immediately as otherwise it would be possible that you would be driving while disqualified without knowledge of the disqualification – for example, where you already have 10 points and commit an offence caught by camera.

PAYMENT OF FIXED CHARGES

Offences can be detected by Garda interception or, in the case of speeding offences, by speed cameras.

Where a Garda interception takes place you must show your driving licence to the Garda so that he/she can take your driver number. In

most cases, a fixed charge notice setting out the fine payable will then be issued, and you have the option of paying the fixed charge or allowing the matter to proceed to court.

A person has 28 days from the date the fixed charge notice is issued to pay. Anyone who pays in the subsequent 28 days pays that amount plus 50%. Court proceedings are initiated if a fixed charge is not paid within this 56-day period.

Most penalty point offences also attract fixed charges, but a small number of offences result in automatic summons to court without the option of paying a fixed charge.

Where an offence is detected by camera, the fixed-charge notice will be sent to the registered owner. The Road Traffic Act provides that unless another person is identified as the driver it will be assumed that the registered owner was driving the vehicle at the time of the occurrence of the alleged offence.

There is an explicit requirement that where the registered owner of a vehicle was not driving or using the vehicle he or she must give the name and contact details of the driver of the vehicle. No payment should be enclosed.

When this information is received, the fixed charge notice will be issued to the named driver, on whose licence record the points will be endorsed, either on payment of a fixed charge or a court conviction.

CANCELLING PENALTY POINTS

If you believe there are grounds for cancelling a fixed charge notice or prosecution because of exceptional circumstances there is a formal process in place for reviewing such cases. This review is undertaken by An Garda Síochána and further information can be found at www.garda.ie.

WHAT LICENCES DO PENALTY POINTS APPLY TO?

Penalty points apply to all driving licences and learner permits.

LADIES FOOTBALL: Our Senior Ladies played Annascaul/Castlegregory on Sunday last in Castlegregory. Glenflesk got the better start

but Annascaul/Castlegregory finished the half strongly and cut the gap to 2 points. It was a evenly contested game in the 2nd half with both sides giving everything and the game was in the balance right up until the final whistle. Unfortunately 2 Annascaul/Castlegregory goals in the second half proved crucial to give them a 2 point win. Full time Glenflesk 2-09 Annascaul /Castlegregory 3-08.

FOSSA NOTES

FOSSA GAA: LOTTO 3RD APRIL 2016: Numbers drawn were 2, 22, 23, 27. There was no jackpot winner.

JUVENILE BOYS FOOTBALL: Fossa boys U16 panel had a tough start to their campaign losing to Firies on Monday evening in Fossa. Next up are Gneeveguilla on next Monday evening, where hopefully things will improve. The boys under 14's got their campaign off to a great start with a comprehensive win over Castleisland on Wednesday evening in Fossa. The first game of the season saw all of the panel putting in a great effort with Ruari Doyle and Emmett O'Shea combining well throughout. A huge performance from Harry Buckley, he must have covered every blade of grass on the pitch with superb running from start to finish. A few other names to mention for outstanding effort are Dean Sheehan in goal, and Eoghan Myers. Overall there can be no complaints from the backroom team on the work levels of the boys with scores coming from a wide range of players including 1-1 from Conor Horgan. Next up are Ballyduff away on Wednesday, a tough battle lies ahead for the team but if they work as hard away as they did in Fossa this week then they should reap the rewards.

The boys U12 black team got off to a winning start in the County League with a hard fought away win over Ballyduff. There were strong performances in defence from Dean Sheehan, Cian Doyle and Peadar Kelliher with good support play from Robert Brooks, Rian Colleran and Sam Buckley. Goals from Harry Kelly and Fin Kennelly and points from Patrick Lyons, Darren Ryan and Sean Dineen kept Fossa in the game when things were getting tough in the second half. With the game in the melting pot Darren Ryan levelled matters with a fine point into the breeze, before Patrick Lyons put Harry Kelly through for the point which ensured the

win that was richly deserved. Final Score Fossa 2-14 Ballyduff 3-10

The boys U12 red team had a baptism of fire in their first county league game losing away to Ballyduff. Playing with a strong breeze they started slowly and fell behind early on. However as the game progressed they started to get some nice scores. Unfortunately they couldn't bridge the gap despite the best efforts of Rocco Sheehan at full back. Others to play well, were Scott Carlton, Ted Donovan and Luke Murphy.

The Fossa under 6/8/10 academy is now in full swing every Sunday morning at 12.00. Anyone interested please come along and join in the fun.

LADIES FOOTBALL: Well done to our three young stars, Anna O'Reilly, Erica McGlynn and Anna Clifford who were part of the victorious Kerry U-16 team who beat Cork in the first round of the Munster Championship, 3-10 to 0-07 on Saturday.

There was mixed fortunes for our ladies teams this week. The Senior ladies were away to Beale in the 3rd round of the County League, Beale proved physically much stronger in the first half. Fossa did rally in the second half but Beale retained the lead and won out in the end. Final score Beale 5-7 to Fossa 2-13.

Fossa U14 girls had a comprehensive win over Ballymac in the second round of the County League. Played under horrible conditions in Fossa, the teams were closely matched in the first half. Fossa girls played fabulous football especially the second half when they controlled the game, final score 4-10 to 2-8.

CONGRATULATIONS: A massive congrats to David Clifford who wrote himself into the history books on Saturday when he engineered a famous win for the Sem over St Pat's, Maghera in the Hogan Cup final in Croke Park. On a

day when the Sem had many star performers, David stood head and shoulders above the rest, his ability to score with the left and right foot brought back memories of the great Maurice Fitzgerald. He finished the game with a personal tally of 2-05, each score being crucial but the one that stands out was the second goal when he turned his marker and crashed the ball to the top corner of the net. He was also presented with the Mam Of The Match afterwards for his display. He did his family, school and club proud and I have no doubt it is the first of many great days that David will have in Croke Park in the years ahead.

COUCH TO 5K TRAINING SERIES: Gneeveguilla Ac in conjunction with Barraduff Sports Field Committee are holding a couch to 5K training series commencing Monday April 4th, training will be 3 times a week Monday, Wednesday and Friday evenings at 8.00 pm, finishing on May 27th. A 2K road race for children who completed the training programme will be held on Sunday May 29th in Barraduff at 1.00 pm, followed by a 5K road race for the adults who completed the programme. Cost €5 for 5K, €2 for 2K.

GOLF SOCIETY: Old Killarney Inn Golf Society membership now available. New members welcome. 1st outing to Kenmare Saturday 9th April. To join please text 087 9491116 for details or call to the Old Killarney Inn.

SELF-ACCEPTANCE II

Last week we highlighted our tendency to be self-critical and extremely hard on ourselves. Self-acceptance on the other hand means accepting ourselves just as we are whilst acknowledging that there is always room for improvement. This can be very difficult however and requires a change in how we view and what we tell ourselves. By developing a 'self-accepting' voice we focus on validating ourselves rather than paying heed to the automatic negative thoughts. Instead of listening to the thought that says 'I'm not good enough' or 'I'll never get it right' we validate ourselves (much as a parent might a child) saying something like 'I know your feeling useless right now. It's Ok. This is challenging and difficult and frustrating. But you are capable. How about taking a break and coming back to it later' Despite the feelings of guilt, self-criticism and negative put downs, we can start by telling ourselves, that we've done the best we could do.

We need to look at what is it within ourselves that we don't accept – and begin to bring more compassion and understanding to those aspects of ourselves. Perhaps there is a part of us that we are rejecting based on the internal programming (and not the actual reality) that we received as a child. Sometimes our lack of self-acceptance is due to our unwillingness to feel or experience uncomfortable emotions. At other times unrealistic expectations can lead to lack of self-acceptance. When we are unable to forgive ourselves for our 'humanness' then it is very difficult to develop self-acceptance.

Practicing mindfulness can be a great way to begin to become aware of the negative, self-judging thoughts we continuously tell ourselves. It becomes like watching a movie – where you are having these thoughts but these thoughts are not who you are.

Self-acceptance isn't about fixing anything in ourselves. Instead it is affirming who we are (warts and all) at this point in time. It's not that we ignore our faults or weaknesses – we just view them as not relevant to our overall sense of acceptability. We accept ourselves today, just as we are, regardless of our shortcomings. Whilst we can commit to make changes in the future that will enrich our lives - it's about being Okay right now. The only thing we need to change at this moment in time is the way we view ourselves.

TAX Matters with

FARM - INCOME AVERAGING

The Finance Act 2014 increased the averaging of farm profits from three years to five years for year 2015 and onwards.

This means that an unusual high profit in a year could be reduced by adding it to the profit of the 4 previous years and taking an average profit figures for the five years.

A farmer is obliged to remain in the system for a minimum of five years and thereafter opting out may result in the benefit that was gained being clawed back.

Farmers are not eligible for Income Averaging where he/she or their spouse is engaged in another self-employed trade or profession or are a proprietary director. However where the self-employed activity is ancillary to the trade of farming, and is carried on by the individual on the farm land, this restriction does not apply.

- Apply clear nail polish on the inside of your rings to avoid green stains on your fingers.

IT IS NOW THE LAW TO HAVE YOUR DOG MICROCHIPPED

Dogs must at all times wear a collar that bears the name and the address of the owner inscribed on it or on a plate, badge or disc. Though it is essential that you abide by this law, you cannot guarantee that a collar alone will ensure you and your pet will be reunited, because collars can come off.

All dogs in the Republic of Ireland must be microchipped and registered under new regulations which came into force on Friday, 1st April.

The requirement is that every dog in the State must be microchipped and that chip must be registered on a recognised database.

It will also be illegal to pass a dog to another person, even if there is no payment, without the dog being microchipped.

Microchipping your pet is a hallmark of responsible pet ownership. Not only is microchipping quick, and harmless, it is one of the best ways to ensure that you and your beloved companion can be reunited, should you ever become separated.

Microchipping is a harmless procedure that takes seconds and is similar to giving your pet an injection. A microchip is similar in size to a grain of rice, and is implanted in the back of your pet's neck with a small needle. Microchipping takes seconds and will only cause your pet to feel a second of shock (much like us getting our ears pierced), and many cats and dogs tolerate it incredibly well. The microchip contains a unique number that comes up when your pet is scanned with a

microchip reader, and is stored on a central database with your name and contact details attached. It is your responsibility to make sure that your contact details stored on the database are up-to-date each time you move home or change your contact details.

The microchip does not have an internal battery or power source – it will never wear out or become inactive. Since it is just a chip with no battery or moving parts, it will last for your pet's entire lifetime.

TODAY IS DRAW A PICTURE OF A BIRD DAY

Pencil, pen, felt tip or chalk, Draw a Picture of a Bird Day is great fun for everyone. It's very straightforward: simply draw a picture of a bird in tribute to our feathered friends, but if you fancy some diversity there's actually a wide range of options.

Will you draw a chicken or a chaffinch? Perhaps a peacock, penguin or puffin? If you'd prefer a goose, will it be of the Canadian variety?

If you'd like to just have a bit of fun and get arty, why not share this occasion with your friends, family and co-workers? Have a competition to see who can draw the best or funniest bird, cover your fridge in sketches, or simply pop a little cartoon birdy on your hand and introduce it to strangers on the bus.

And, being an ornithological day, it's the perfect day to learn more about birds!

FOG HARVESTING IN THE MOROCCAN DESERT

Moroccan NGO Dar Si Hamad has built the world's largest fog harvester, which provides water for those living in arid, landlocked southwest Morocco.

The people of the Aït Baâmrane region lack reliable access to water so they constantly battle drought and tainted wells – but fog is abundant in their area six months out of the year. Dar Si Hamad utilized CloudFisher technology to install giant polymer nets between steel poles of the 600 square meters (nearly 2,000 feet), installation in the Anti-Atlas mountain range.

Mountain fog is denser than coastal fog, and provides more water. The collected water is sent to locals via solar pumps and pipes installed by the NGO in partnership with other organisations, foundations, and universities.

The fog harvester can produce 17 gallons per square yard of net, and it's already making a difference for people affected by desertification caused by climate change. Over 400 people who never before had running water now benefit from the system.

Up to now local people used to have to spend around three and a half hours collecting water, and as the job was the responsibility of women, girls were often prevented from continuing their schooling to help with the chore. Now, women continue to manage their family's water system by sending mobile phone messages if anything is wrong, and girls don't have to stop going to school because they have to collect water.

Fog harvesting is a centuries-old technique which, thanks to developing technology, is now more efficient and productive than ever before.

THE IRISH SLAVE TRADE

(CONTINUED FROM LAST WEEK):

By the 1630's, Ireland was the primary source of the English slave trade... and then Cromwell came:

After Oliver Cromwell defeated the royalists in the English Civil War, he turned to Ireland, who had allied themselves with the defeated royalists. What happened next could be considered genocide.

The famine (caused by the English intentionally destroying food stocks) and plague that followed Cromwell's massacres reduced the population of Ireland to around 40%.

Anyone implicated in the rebellion had their land confiscated and was sold into slavery in the West Indies. Even catholic landowners who hadn't taken part of the rebellion had their land confiscated.

Catholicism was outlawed and catholic priests were executed when found, he ordered the ethnic cleansing of Ireland east of the Shannon in 1652. Soldiers were encouraged to kill any Irish who refused to relocate.

During the 1650s, over 100,000 Irish children between the ages of 10 and 14 were taken from their parents and sold as slaves in the West Indies, Virginia and New England. In this decade, 52,000 Irish (mostly women and children) were sold to Barbados and Virginia. Another 30,000 Irish men and women were also transported and sold to the highest bidder. In 1656, Cromwell ordered that 2000 Irish children be taken to Jamaica and sold as slaves to English settlers.

If a planter whipped or branded or beat an Irish slave to death, it was never a crime. A death was a monetary setback. The English masters quickly began breeding the Irish women for both their own personal pleasure and for greater profit. Children of slaves were themselves slaves, which increased the size of the master's free workforce.

The African slave trade was just beginning during this same period but African Negroes cost generally about 20 to 50 pounds Sterling, compared to 900 pounds of cotton (about 5 pounds Sterling) for an Irish slave. (Continued next week).

CAT ALERTS FAMILY TO ATTIC FIRE

A cat in Cedar Falls Iowa is being hailed a hero after she alerted her family to an undetected attic fire. Travis Ryan was at home when his little white cat Emma began acting strangely. Mr. Ryan said Emma was running around in circles and meowing, which concerned him. He thought she was hungry at first so he checked her food bowl, which was full. Then, he followed Emma to the bedroom, where he smelled smoke and heard a crackling sound in the ceiling. He put his hand up to the ceiling and felt heat.

Mr. Ryan and his family escaped the building with their heroine and the family's other cat and called the Fire Department.

The firefighters had to rip open the ceiling where they discovered what they believe to be an electrical fire in the attic. Although the building had smoke detectors they hadn't gone off so who knows what might have happened to those living in the apartment building if Emma hadn't saved the day!

EVER HEARD OF A STAVE CHURCH?

Some of the most stunning churches in the world are also some of the simplest. Stave churches are wooden houses of worship that combine the austere, peaked architecture of Christianity with the Nordic designs and motifs of a Viking great hall.

Stave churches are characterised by the "staves," or thick wooden posts, that hold

them up. Using the same woodworking prowess that made the Vikings such adept shipbuilders, traditional stave churches were often built using nothing more than expertly crafted joints and joins, with no nails or glue. The only stones used were in the base of the structures.

The heyday of the stave church was between the 12th and 14th centuries. At the height of the trend, it is thought that there were as many as 2,000 of them spread across Europe. Today there are only 28 remaining stave churches from this era, all of which are in Norway.

Other stave churches built much later or as replicas of the originals, can be found from Iceland to Wisconsin.

A BRIEF HISTORY OF THE FOUNTAIN PEN

From burning sticks and drawing on cave walls to the Gooses quill and the ballpoint pens that we use today, there have been many innovations in writing tools through the ages. Fountain pens have been around since the 1700s, but the first "practical" fountain pen was patented in 1884 by Lewis Edson Waterman.

Mr. Waterman created his pen to combat the fast-leaking fountain pens that were on the market at the time. His patents included improvements on the ink flow using a piece of hard rubber to hold the nib in place and were so successful he was able to build a company around them. The technology grew from there as other inventors improved on Mr. Waterman's design.

A common way that fountain pens retain their ink is through the use of a piston. You take the nib of the pen, submerge it in the ink, retract the plunger and wait until the reservoir fills with ink.

Writing with a fountain pen happens when ink is slowly pulled out of a small reservoir in the barrel of the pen. The ink is pulled through to the pen's "nib" using capillary action. Inside the pen, between the nib and the ink reservoir, are a series of channels that are so small, the ink doesn't flow through them; it slowly adheres to the entire surface of these channels. This movement pulls the ink through the pen at a controlled rate.

With the sale of fountain pens on the rise, it looks like they could be making a comeback!

WILL THE USE OF PEPPERMINT NOW BE BANNED IN THE OLYMPICS?

Researchers measured the effects of peppermint on exercise performance before and after ten days of having subjects drink bottles of water with a single drop of peppermint essential oil in them. And all the subjects' performance parameters shot up, churning out 50% more work, 20% more power, and a 25% greater time to exhaustion. Improvements were found across the board in all those physiological parameters, indicating increased respiratory efficiency.

They attribute these remarkable results to the peppermint opening up their airways, increasing ventilation and oxygen delivery.

Be warned - you can overdose on the stuff, but a few drops shouldn't be toxic. Although, it's ideal to blend fresh mint leaves in water rather than use the oil.

ALL THE FOOD STOLEN FROM ANIMAL CHARITY

On Sunday March 20th, staff members at the Animal Rescue League of New Hampshire walked into the pet food storage shed to find it completely empty.

About 65 bags of dry dog and cat food—which was about \$700 worth—had been taken. This wiped out the shelter's food pantry, which helps dog and cat owners who are elderly or struggling financially to feed their pets.

With police on the case, the shelter issued a press release on Facebook and Twitter, asking for donations to replace the stolen goods; and little did they know how much support they would receive.

It wasn't long before people came pouring in, offering bags of pet food and treats.

"The community response was amazing. It was a steady stream of everything — from toddlers carrying little bags of cat treats to families who had picked up full bags of pet food," said a staff member.

There was so much food, that the rescue shared the donations with neighbouring animal welfare organisations.

And better still: because of all the visitors they received most of the animals at their shelter have been adopted!

SURELY THAT IS NOT THE WAY TO SAVE THE ENVIRONMENT?

A nearly century-old, but perfectly healthy, beloved Hickory Tree in West Rock Ridge State Park, Connecticut was chopped down by two workers with the state Department of Energy and Environmental Protection (DEEP) on February 2nd.

A spokesperson for DEEP said "state parks and wildlife staff had determined the approximately 10-acre field is "well-suited to the growth of meadow grasses and flowers that would attract a wide variety of songbirds, small animal species and pollinators, and that there was great value in creating this type of ecosystem in this part of the state. The presence of the hickory tree was viewed as working in opposition to those goals."

Another spokesperson explained that "DEEP believed the tree posed a threat on two fronts: as a central vantage perch for predator species such as hawks, and as an "attractive nuisance" that lured people and sometimes their dogs across the meadow.

Now the local residents who are very angry over the cutting down of the lone Hickory Tree are just hoping that DEEP personnel do not decide to cut down the tall trees on the outskirts of the meadow just in case the birds of prey will take up advantage points amongst them.

A WORD OF VICTORY

Welcome back dear reader "Your own ears will hear a voice behind you saying, 'this is the way; walk in it' (Isaiah 30:21). Where do you go when you need help or direction in your life? Family, friends, the pub? It's important to be able to communicate our worries and fears to someone who can help us. But while others may have a ready listening ear and care deeply about us, and try their best to give support during tough times, the obstacle or pain still remains with us. The Scripture above describes this very scenario. The picture is of one who is hurting and confused and needs help desperately. God is there right in the midst of the situation just waiting to be called on so that He can bring His love and peace and a solution to the crisis. After Jesus died on the Cross and rose from the dead He told His disciples that He was going to send the Holy Spirit (the Comforter and Counsellor, are just some of His other names) to help them (and us). Losing Jesus was an unthinkable prospect for His friends. He was the centre of their world and their leader; now facing life without Him brought fear – how would they manage without Him? Life can be like that for us – there are seasons where everything is great and cosy and then suddenly out of the blue a problem arises and we don't know how to go on. Listen, Father God loves you friend He is right there in the midst of what you're going through. He is waiting for you to turn to Him and trust Him. "There is a friend who sticks closer than a brother" (Proverbs 18:24). Jesus laid down His life so that you and I could have a life of peace. "He makes my feet like the feet of a deer and causes me to stand on the heights" (Psalm 18:31). Call on Him today and He will show you the way and cause you to stand without fear! More next week....

40th ANNIVERSARY

In Loving Memory of

CATHERINE (KITTY) O'BRIEN

32 Daltons Avenue, Killarney.
Who died on the 12th of April 1976.

*When God was making Mothers,
He must have made a fuss,
He spent a lot of time on one,
And gave that one to us.
Of all the gifts in life,
However great or small,
To have you as our Mother,
Was the greatest gift of all.
Because you were so special,
No words could ever say,
How much we love and miss you,
Today and everyday.*

Sadly missed by Sam, Dennis,
William & John, nieces & nephews,
grandchildren and great grandchildren.

PRAYER TO ST. MARTIN DE PORRES

Most humble Saint Martin whose burning charity embraces all, but especially those who are sick, afflicted or in need, we turn to you for help in our present difficulties and we implore you to obtain for us from God health of soul and body, and in particular the favour we now ask... May we, by imitating your charity and humility, find quiet and contentment all our days, and cheerful submission to God's holy will in all the trials and difficulties of life. Amen.

NOVENA TO THE SACRED HEART

Relying on these promises I come with confidence during the novena to beg of you the favours that I need (make request). From whom shall I ask, Lord Jesus, if not from you whose heart is an unfailing source of graces and merits. Most loving heart of my God I believe in your power, I believe in your knowledge, I believe in your personal love for me and therefore O Sacred Heart of Jesus I place all my trust in you. Our Father, Hail Mary and Glory. Say 3 times for 3 days and request will be granted, Never know to fail. Must publish.
