SEAN SPEARHEADING CAMPAIGN TO GIVE BLOOD

A member of the extended Senior Kerry Football team who was involved in a serious car crash in July is raising awareness about the importance of donating blood.

Sean O'Leary and his girlfriend Emma O'Connor were returning home after attending the Kerry V Tipperary Munster Senior Football Championship semi-final in Semple Stadium in Thurles when they were involved in a two car crash outside Abbeyfeale.

Following the horror crash, Sean required a blood transfusion of 7 units of blood during his recovery.

"Because of the amount of life saving blood I needed, I want to raise awareness about the importance of donating blood and I am asking everyone to row in behind me and donate blood at the the Blood Donation Clinic which is taking place in the Dromhall Hotel Killarney this week and next week, Monday 11th and Tuesday 12th of October", Sean said.

A member of Kilcummin GAA Club, Sean has the support of his his team mates Tommy Brosnan, Brendan Kealy and Kevin Gorman who are asking everyone to join them by giving blood. With a shortage of blood nationwide, Sean and his team mates are hoping that other GAA Teams will come on board and donate at any of the mobile clinics nationwide.

Speaking to the Killarney Outlook this week,

Sean is well on the road to recovery.

"I am feeling really good over the past few weeks, and I am off all pain relief medication", Sean said.

Sean is working intensively on his recovery through physio and this week was hoping to start work on walking again.

If you are interestd in donating blood, you can find out if you are eligible and book your appointment by contacting 1850 731 137 or contact Sean O Leary, Brendan Kealy or Kevin Gorman.

If you cannot make the Killarney dates, please log onto www.giveblood.ie to find out the next blood donation clinic in your area.

The GAA community can make a huge difference to a service that saves lives!

Did you know.....

- 1 in 4 people will need a blood transfusion at some point of their lives.
- Only 3% of the eligible Irish population give blood.
- 3,000 blood donors are needed each week in Ireland.
- You can give blood every 3 months
- The shelf life of blood is only 35 days but for neo-natals it is 7 days & platelets 5 days
- Just one donation can save up to three lives

A helping hand.... Sean O'Leary pictured with Buddy the Irish Blood Transfusion Mascot at the mobile clinic at The Dromhall Hotel.

Giving Blood Saves Lives...

67% of donated blood is used to treat cancer patients & people with blood disorders

27% of donated blood is used in surgery And emergency situations

6% of donated blood is used to treat blood loss after childbirth & to help premature babies

Kerry Mountain Rescue team had a busy month of September which included a number of incidents including three callouts to lost parties in the Reeks, a callout to a casualty with a serious hand injury following a rockfall near Coimín Uachtar and a callout to a family who had run into difficulty after dark on a descent of Bóthar na Gíge. In this incident, one of the party was short roped to Ard na Locha with another requiring evacuation by stretcher. September also saw a return to drone training in the Hags Glen, and a session on technical crag work at Glanteenassig. Some pics attached of this recent activity. The team continue to reiterate the need to be prepared when planning a hike or climb.

"Carrauntoohil is not a 'walk in the park' but is frequently approached as such – with serious consequences. It is not a way marked trail. To some degree the mobile phone has undermined the old 'self-reliance' ethic, that once underpinned mountaineering" a statement on the team's social media stated.

Time to get serious, time to wear proper boots (not runners!), time to consult the weather

forecast in advance. Time to research your intended route and the difficulties involved. Time to carry a map and to know how to use it. Time to have windproof/waterproof layers. Time to decide on the fitness of all in your group. Time to decide when to turn for home. Time to get serious.

It will and does go wrong for the best prepared but the ill prepared will always disproportionately feature. Remember when it goes wrong you will wait possibly two hours before assistance reaches you. Add possibly three hours or more for stretcher evacuation.

KMRT fully understand that accidents can happen to anyone on the hills at any time regardless of experience and competence and will respond. If

ANOTHER BUSY MONTH FOR KERRY MOUNTAIN RESCUE TEAM

your party does get into difficulty do not hesitate to call 999 or 112 and ask for Mountain Rescue.

Kerry Mountain Rescue Team is a voluntary rescue team that provides a 24-7-365 on call mountain rescue service in the mountains of southwest Ireland.

Kerry Mountain Rescue Team is made up of 35 entirely voluntary members who are on call 24 hours a day 365 days a year to respond to anyone who is in distress in the mountains of southwest Ireland.

13 KERRY PRODUCERS WIN BLAS NA hÉIREANN AWARDS

In a year like no other, Blas na hÉireann have just announced the award winners for 2021, with 13 winners from County Kerry.

With the annual pilgrimage to Dingle stalled, this year's winners tuned in for a second year running from every corner of the country for a virtual celebration of the very best in Irish food. The team at Blas na hÉireann has been working tirelessly since March to ensure that Blas 2021 went ahead, sustaining their commitment to celebrating the very best in Irish food and drink. Chairperson Artie Clifford feels that now, more than ever, it is essential to shine a light and give that all important boost to the talented producers dotted around the island.

"These are the 14th annual Blas na hÉireann awards," says Artie, "and despite the very challenging situation, I am delighted to report a record entry level from producers right across the island. This large increase in entries has raised the bar across all categories, allowing us to introduce new products and producers to the buyers and press with whom we work, which is really exciting. Congratulations to all the winners and to every producer who participated. It is always such a rewarding experience to see the wealth of exceptional

foods being produced on the island of Ireland, and this has been the best year yet."

Now in their 14th year, the Blas na hÉireann awards are the all-island food awards that recognise the very best Irish food and drink products, and the passionate people behind them. The biggest blind tasting of produce in the country, the criteria on which the product is judged as well as the judging system itself, which was developed by Blas na hÉireann with the Food Science Dept of UCC and the University of Copenhagen, is now recognised as an industry gold standard worldwide.

Products from every county in Ireland were entered into this year's competition to win Gold, Silver or Bronze Blas na hÉireann awards in over 150 food and drink categories, as well as key awards like Supreme Champion and Best Artisan Producer.

The bronze, silver and gold winners from Kerry across a range of different categories are:

Darren McCormick, the first ever second generation Clerk of the Course, will take charge of the 2022 International Rally of the Lakes. PICTURE: Eamonn Keogh.

McCORMICK TO TAKE CHARGE OF 2022 INTERNATIONAL RALLY OF THE LAKES

Darren McCormick is set to take the wheel as Clerk of the Course for Killarney and District Motor Club's 2022 edition of the International Rally of the Lakes and will take over from Dermot Healy who was last to run the event in 2019.

Darren will become the first ever second generation Clerk of the Course of the event in the clubs history, that's after his father Gary ran the event 5 times from 2005-2009. Darren is no stranger to running Killarney based events, having ran the Rentokil Initial Killarney Historic Rally in 2019. The rally is included on the provisional 2022 calendar, taking its place on the now regular May Bank Holiday slot from April 29th-May 1st.

Speaking after his appointment, Darren said that he is looking forward to getting the famous event back on track following a 2 year hiatus due to the Covid 19 Pandemic. "I will ensure to keep the event as cost effective as possible, with a compact, local route with centralised service. It's been a difficult time for competitors and it's extremely important to keep them in mind"

He added that he is looking forward to welcoming back sponsors, competitors and spectators back to the town after a 2 year absence.

Darren was sworn in at a recent club meeting, where other committee members were also elected. Lisa Foley has taken the role of Secretary, with Jordan and Dylan McCarthy sharing the role of Assistant Secretary.

With less than eight weeks to go before the 2021 Rentokil Initial Killarney Historic Rally and we are now in an advanced stage of planning for the event. Event Clerk of the Course Martin Farrell has confirmed a 3x2 stage format for the event with centralised service. Regulations have been sent to Motorsport Ireland and entries will open shortly.

We have also launched a new Historic Rally Facebook page and recommend everyone to stay in touch with the page for the latest updates. You can find the new page here: <https://www.facebook.com/RentokilKillarneyHistoricRally>

THE GLENEAGLE HOTEL RECEIVES FOUR STAR CLASSIFICATION

There were huge celebrations at The Gleneagle this week as the team celebrated confirmation that the well-known hotel has been elevated to four-star status by Fáilte Ireland.

News of The Gleneagle Hotel's four-star classification comes following an extensive refurbishment programme that cost in the region of €7.2 million and took over four years to complete.

"The focus of our refurbishment programme was to improve our customer experience while retaining the magic that makes The Gleneagle special. We are delighted this commitment has resulted in Fáilte Ireland elevating the hotel to four-star status," says Gleneagle Group

CEO, Patrick O'Donoghue.

"As well as refurbishing our existing guestrooms and public spaces we completely renovated and refurbished a wing of bedrooms that had not been used in decades, thereby increasing our capacity without increasing our building footprint. We also invested in our ongoing accessibility programme - seven of our guest rooms are now universally accessible while a number of upgrades around the hotel make the building easier to navigate and creates a more welcoming environment for all."

"In tandem with the refurbishment programme, we have invested in our team through training and upskilling

and in our technology by implementing new and better systems. The end goal has always been to improve the experience of our customers, achieving the four-star classification is a very welcome bonus and testament to the hard work of all the team here."

The Gleneagle Hotel first opened its doors in 1957 as a small country house hotel. Today it is comprised of 279 guestrooms, a further 60 self-catering apartments and extensive leisure facilities. It is renowned for its programme of live entertainment and has three venues onsite - The Gleneagle INEC Arena, The Gleneagle INEC Club and The Gleneagle Ballroom.

MOTORISTS URGED TO BE VIGILANT DURING DEER RUTTING SEASON

It's autumn and in our forests and across our mountains, tensions are rising as the rutting season gets under way, the time of the year when male deer are driven by an urge to reproduce. From late September until early November the clash of antlers will be heard as males show off their virility to potential mates and, like gladiators entering an arena, they parade around showing off their armoury of antlers.

While the rut is an amazing experience to witness it is also a time when there is an increased incident of road traffic accidents involving deer as male deer go in search of females and younger males are ousted by dominant males forcing deer to cross roads and motorways. The Wild Deer Association of Ireland are calling on motorists to be vigilant at dawn and dusk, when deer are most active, particularly in high risk areas such as woodlands and mountains. What should drivers do in high risk areas?

Reduce speed where they see a warning sign and stay alert. Prepare to stop, never swerve as you could hit another obstacle or oncoming vehicle. When you see a deer "dip your headlights" as the full-beam may cause the deer to freeze. If a deer has crossed in front of your vehicle, be aware that others may follow. Do not approach an injured deer. If you are involved in a Deer RTA or come across a deer that has been involved in a RTA, immediately contact the local Gardaí.

OLYMPIANS “ROW-IN”

as Goodwill Ambassadors For
**KERRY MENTAL HEALTH
AND WELLBEING FEST**

Killorglin's two Olympians have rowed-in with their support for the 2021 Kerry Mental Health & Wellbeing Fest by coming on board as Ambassadors for the event from 9th to 16th October.

Monika Dukarska and Aileen Crowley, who recently competed for Ireland in the rowing at the Tokyo Games, have asked people of all ages to get involved in the Festival for the good of their mental health.

The Kerry Mental Health and Wellbeing Fest aims to create awareness of, and schedule events that empower people to engage with, the Five Ways to Wellbeing – Connect | Give | Take Notice | Keep Learning | Be Active.

Monika Dukarska said one of the Five Ways to Wellbeing was of particular benefit to her

during her Olympic preparations: “When things were getting tough with selection or training sessions, I was journaling and writing down things that went well rather than putting pressure on myself constantly to perform. I was picking very small targets or things that I enjoyed about my day to detach from the pressure of performing all the time. That worked for me superbly. It gave me things to enjoy that I wouldn't necessarily have taken notice of before.”

The Olympic Rowers, as women in sport, are delighted to see that many of the events during the Kerry Mental Health and Wellbeing Fest will be geared towards women and girls.

Aileen Crowley from Killorglin Rowing Club and Rowing Ireland said: “I can only see a workplace

environment from a sporting perspective and I'm definitely aware that it is different for women, from what I've noticed in sport. So, to see female-specific events is fantastic because there is a difference, unfortunately, in most workplaces between men and women, and for kids from an early age up to adulthood, but that is starting to balance out.”

Organised by an interagency steering group, the Kerry Mental Health and Wellbeing Fest is held annually to highlight World Mental Health Day on 10th October.

The organising committee is a collaboration between Connecting for Life Kerry, Healthy Kerry, Kerry County Council, the HSE, NEWKD, SKDP, Kerry Mental Health Association, Jigsaw Kerry, Munster Technological University/Kerry, and Kerry Volunteer Centre.

The Chair of the Steering Committee and Resource Officer for Suicide Prevention in Kerry, Donagh Hennebry, said: “Wellbeing is when you're feeling good and functioning well. Our event Ambassadors know that it's not just about being in good physical condition, but it crucially includes the state of your mental health. We are grateful to Monika Dukarska and Aileen Crowley for sharing their knowledge and experience with everyone involved in the 2021 Kerry Mental Health and Wellbeing Fest.” The key focus of the #KerryMHWFest is to promote mental health and wellbeing in Kerry through a fun and interactive programme of online and in-person events.

All events are FREE, registration is required for some activities and can be done by contacting the organiser directly or use the registration links provided in the brochure.

Visit HealthyKerry.ie to see the full event schedule or for general enquiries about the Kerry Mental Health and Wellbeing Fest, please email kerryhmwfest20@gmail.com.

Happy to Chat BENCHES INSTALLED

Happy to chat bench signs have been installed in Kenmare in a joint venture with Kenmare Family Resource Centres Linkworker and Kenmare Tidy Towns.

The four benches are located in the town and are fitted with 'Happy to Chat' plaques in order to invite passers-by to stop and engage in a friendly chat with those sitting on the bench.

"By providing a platform for people to support one another and offering genuine connection we can increase compassion and empathy, reduce the rate of loneliness and boost the level of healthy conversation that happens in our community", Paula McElligott from Kenmare Family Resource Centre told Killarney Outlook.

"Some people may go days or even weeks without the simplest of human contact, so the 'Chat Bench' seeks to break down that social barrier and allow us to all say 'Hello,'" she added.

"We hope the signs help break down the invisible social barriers that sometimes exist between people who are sharing the common space of a bench.

Loneliness and isolation persist in Kenmare, despite a friendly and bighearted community, so new approaches to encourage and facilitate engagement and interaction are required.... now more than ever.

The benches are an opportunity for us all to make a connection with someone new", Paula added.

SOCIAL FARMING CONFERENCE A HUGE SUCCESS

South Kerry Development Partnership, through Kerry Social Farming, successfully hosted the FARCURA National Social Farming Conference recently on the farm of Mike O'Sé at Canuig, Mastergeehy, South Kerry. Over 100 people attended and enjoyed tours of the farm and wonderful hospitality.

The event was opened by Councillor Michael Cahill, Chair of the Board of SKDP and also addressed by Noel Spillane, SKDP CEO. Host farmer Mike O'Sé, participant Gerald O'Sullivan, Sean Houlihan and Mary Keane of Kerry Parents and Friends Association welcomed those present and explained how social farming operates on the O'Sé farm and the benefits it brings for both participant and host farmer.

The Conference was addressed by Clare Gormley, Higher Executive Officer, Department of Agriculture, Food & Marine (DAFM). She commended the work of all social farming projects which DAFM fund, noting their commitment to improving the lives of so many people and increasing social inclusion.

Liz Kennedy & Dermot Carroll, of Limerick Institute of Technology provided an update on FARCURA research project ahead of the final Conference which takes place online on September 30th. The position of social farming initiatives across the island of Ireland was reviewed with presentations from Brian Smyth, Project Manager, Social Farming Ireland, Nicky Green, Horticulturist, Field of Dreams Centre, Cork, Sheila Kelleher, Social farming Co-ordinator, IRD Duhallow, North Cork and, via video link, from Aoibheann Walsh, Head of Social Farming and Innovation, at Rural Support, Northern Ireland.

JUNIOR CYCLE PROFILE OF ACHIEVEMENT (JCPA) IS A VALUABLE DOCUMENT BUT **SELECT YOUR LEAVING CERT SUBJECTS CAREFULLY**

By Billy Ryle

The Junior Cycle slipped under the radar during the pandemic as all the focus was on providing a Leaving Cert assessment. No terminal exam was provided for Junior Cycle students although the candidates were provided with a statement of predicted results. The Junior Cert exam has always been overshadowed by the more public Leaving Cert exam but it's an important exam in its own right and will, hopefully, be provided in June 2022.

The Junior Cycle caters for students in the first three years of their post-primary education. It was introduced on a phased basis between 2014 and 2021, featuring revised subjects and short courses, a focus on key skills, and new approaches to assessment and reporting. Schools have more freedom to design junior cycle programmes that meet the learning needs of their own students. The junior cycle curriculum available in schools is a mix of subjects and short courses as well as other learning experiences.

In addition to classroom-based assessments (CBA), students sit a public exam of the State Examinations Commission (SEC) at the end of their three-year junior cycle and receive a Junior Cycle Profile of Achievement (JCPA). Candidates are awarded a Level 3 qualification on the National Framework of Qualifications (NFQ). This Cert is a valuable document as it confirms that the candidate has successfully completed Junior Cycle education at the subject levels and grades shown on the Certificate.

Six new grade descriptors - Distinction, Higher Merit, Merit, Achieved, Partially Achieved, Not Graded - have been phased in during the past few years in the reformed Junior Cycle programme to replace the old A, B, C, D, E, F and NG grades.

The broad curricular base of the Junior Cycle

gives students insights into their aptitudes, abilities, interests and personality. The exam also measures a candidate's standard at the end of the Junior Cycle. As well as the academic content, subjects like Physical Education, Social and Health Education (SHE) and Coding, along with a comprehensive programme of extra-curricular activities develop self-awareness in each student. In short, a personal career profile begins to emerge during the Junior Cycle.

With very few students now leaving school after this exam, the Junior Cycle is a passport to Senior Cycle education, which lasts for two or three years. Senior Cycle caters for students in the 15 to 18 year's age group. The optional Transition Year (TY), which follows immediately after the Junior Cycle provides an opportunity for students to experience a wide range of educational inputs, including work experience, during a year that is free from formal exams. During the final two years of Senior Cycle students take one of three programmes, each leading to a state exam - the traditional Leaving Certificate (LC), the Leaving Certificate Vocational Programme (LCVP) or the Leaving Certificate Applied (LCA). The traditional Leaving Cert exam, a Level 5 qualification, is the terminal exam of post-primary education. Syllabi are available in more than 30 subjects and students usually study seven subjects including Irish, English and Mathematics. All subjects are available at higher and ordinary level. A foundation level paper is also available in Irish and Mathematics.

The Leaving Cert Vocational Programme (LCVP), also a Level 5 qualification, is similar to the traditional Leaving Cert, with some additional modules called Link Modules, which have a vocational focus.

The Leaving Cert Applied (LCA), a Level 4

qualification, is a self-contained two-year course, which meets the needs of students who are not adequately catered for by the other Leaving Cert programmes. It is a person-centered course involving a cross-curricular approach rather than a subject based structure.

Most schools usually give those moving on to Senior Cycle a few weeks to firm up their Leaving Cert subject choice. Carefully consider your Leaving Cert subject choice, think about your course options and the related careers. In the end, select wisely as this is the first step on your path to college.

KERRY HOTELIERS CALL ON GOVERNMENT TO MAINTAIN VITAL SUPPORTS FOR TOURISM

Hotel and guesthouse across the country have experienced an estimated €5.3 billion collapse in revenues across 2020 and 2021, according to figures from the Irish Hotels Federation (IHF).

With occupancy figures nationally expected to reach just 32% for the year, compared to 73% for 2019, Kerry hoteliers are calling on the Government to retain existing business and employment supports, saying they are vital for the recovery of the sector and the wider tourism industry.

"As Ireland's largest indigenous employer, tourism supported almost 270,000 livelihoods including 15,700 in Kerry prior to the pandemic. Our industry has been hardest hit by the restrictions, and the ensuing economic and financial impact of Covid has been devastating. The Government supports so far have been critical, and a lifeline for many businesses, helping to restore employment and support the viability of businesses until we get back to a more stable footing. However, we need a firm commitment that they will be retained until the impact of the pandemic has passed. Tourism will recover, but it will take time", Bernadette Randles, Chair of the IHF's Kerry branch said

Specifically, hotel and guesthouse owners are seeking the extension of the EWSS employment supports at current levels, to help businesses retain and develop their teams over the coming months along with the extension of the local authority rates waiver until June 2022, when the summer season begins. "A failure to act decisively now would have major economic implications given the reliance of many parts of the country on tourism for prosperity and employment, including in Kerry," says Ms Randles.

The IHF is also calling for the 9% tourism VAT rate to be retained until

Bernadette Randles, proprietor, The Dromhall Hotel, Killarney pictured with some staff members. Photo: Don MacMonagle

after 2025, to provide certainty and allow Irish tourism to compete internationally. "As an island nation, international tourism is critically important, accounting for almost 70% of tourism revenue pre-Covid. It is also a highly competitive industry, and we can expect competition to increase significantly as we vie with other markets for international visitors. Most travel agents are already contracting for 2023, yet they have no certainty around tourism VAT, and this is undermining advance bookings and ultimately tourism's recovery," says Ms Randles.

While tourism performed well during the summer months in some regions, hotels and guesthouses now face an uncertain nine months until the 2022 summer season. Bookings have fallen sharply in the absence of overseas visitors, along with meetings and events which would normally sustain the sector during the off-peak season. Expectations are that overseas tourism into Ireland will remain severely constrained next year and is unlikely to recover to pre-Covid levels until 2024/2025.

Ms Randles concluded: "Our industry has a proven track record as a major contributor to the economy. Tourism's recovery is just beginning. The pro-tourism Government measures introduced have been vital and with their continued support we can fully recover the ground we lost during the pandemic."

FAIR DAY RETURNS TO CASTLEMAINE VILLAGE

The revival of Castlemaine Fair Day is set to take place this Sunday October 10th in memory of the late John O'Donoghue.

The location of the Sheep Fair will be in Griffin's Car Park and it will get underway from 10:00am. The event and its proceeds will be in aid of Kerry Hospice whilst there will also be an auction on the day where the donation of animals is welcome. Funds raised from the auction will go towards The Palliative Care Unit at University Hospital Kerry who provide exemplary care and attention to their patients. A raffle with some wonderful spot prizes on offer courtesy of sponsorship and bucket collections will also be in operation throughout the event.

John O'Donoghue who was known all over resided in the heart of Castlemaine Village and was born on January 21st 1965 which ironically happened to coincide with a staging of the old Castlemaine Fair Day so it felt appropriate to mark John's lifetime love of attending fairs and being an integral part of the farming community by bringing back the old fair day in his honour and with it celebrate old traditions, customs and beliefs in the locality. Speaking about the event, John's daughter Cathy said: "The fair day was an annual event in Castlemaine but it died out in the 90s.

John was known by many particularly for his work ethic, humour and honesty. When people mention any dealings they had with him, it is always with a smile on their face and they will

all tell you that it was always a good deal they had with him.

John loved to attend the fair days throughout the county and was well known as the custom of attending the fairs was passed onto John from his father Denis. Attending the fairs was not only enjoyable but also important to my father as he liked to keep up traditions. You would always be sure to get a bit of traditional luck back in the form of change from my father too with a deal.

I along with his good friend Pat O Keffe felt a fair day was a lovely way to celebrate John's life whilst also raising money for Kerry Hospice due to his passion for farming and his love of a fair day whilst also bringing back an old tradition which can hopefully be renewed.

It was a huge shock to John, his family and friends when he was diagnosed with terminal bowel cancer in May 2019. His life was cut short as 7 months after that he died in the Palliative Care Unit on the 13th of January 2020.

Almost everyone has been affected by cancer in some way or another and are familiar with the Kerry Hospice in UHK. The care and support provided from the palliative care team was so amazing that it feels very right to give something back and I hope that we can raise as much money as possible on the day for such a wonderful service here in the heart of Kerry. It is great to have the Castlemaine Events Committee on board to help with the planning

of the event. We are very lucky to have such a team in a small village.

If this event runs successfully, we would love to see it as an annual event as not only does it help raise money for the wonderful service of the Kerry Hospice it will also help keep my father's memory alive." Cathy concluded.

All queries surrounding the Fair Day can be directed to Castlemaine Events Committee by contacting 087-2549116 and further information is also available on the committee's Facebook page.

MINISTER FOLEY WELCOMES SIGNIFICANT INVESTMENT IN KERRY UNDER THE NDP PLAN

Minister for Education and Kerry TD Norma Foley welcomes Government's National Development Plan, which details significant investment in Kerry infrastructure from 2021 to 2030.

Minister Foley said: "I welcome this plan which will be the largest and most ambitious ever delivered in Ireland. Connectivity is at the heart of the plan with investment in a number of key strategic road arteries across the county. Significant capital investment will see also major investment in MTU Kerry Campus's STEM Building project."

Kerry's road network is a key backbone for connectivity and under this plan they will continue to strengthen and improve.

Among the key initiatives featured in this new plan are:

The N69 Listowel Bypass

The N22 Farranfore to Killarney project

The Tralee Northern Relief Road.

Greenways are equally important to the Kerry landscape and we look forward to completion of the Listowel and Tralee/Fenit Greenways in the coming months.

The NDP also specifically addresses the

potential to link the North and South Kerry Greenways which will enhance and develop these projects to their fullest extent possible.

This building will increase the capacity of the MTU Kerry Campus by 440 students; it will include labs, classrooms and agri-engineering workshop spaces.

Provision of either new or refurbishment works are also included for Tralee Courthouse.

A capital investment programme will be carried out at Dingle Harbour encompassing ongoing safety and maintenance and necessary new developments envisaged for commencement up to 2025.

Capital projects in the area of aquaculture are included for Fenit, a Local Authority owned Harbour.

Regional Airports that facilitate international connectivity like Kerry Airport are eligible to

"This is not about coming into your home and making you throw everything out, as can be a misconception from some decluttering TV shows", Eileen told Killarney Outlook.

"Each person is unique as is their home. Eileen will work closely with you, listening to and understanding your personal needs and then together working through the built up personal belongings to help create more space in your home or office but more importantly to give you a renewed sense of space and clarity.

Eileen's Tidy up Helper Services include:

- Decluttering and Organising of rooms
- Decluttering and organising of wardrobes
- Decluttering and organising of offices

Home bereavement clearing

Testimonial – Siobhan Fleming

Eileen appeared just when I needed her, and helped me to literally 'get my house in order'. While it hadn't been a challenge in the past, I'd had a recent traumatic experience, and found I was unable to find even the energy to work through the clutter and organise. Eileen approached the task objectively and systematically, and not only decluttered but organised and systemised space by space, room by room.

What was most important for me was that Eileen was completely non-judgemental, and was able to be efficient but empathetic. It felt like having a trusted friend in my home. Of course over time things accumulate, and two years and one kitchen renovation later I may be calling on Eileen again soon!

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

USING YOUR PENSION TO PAY LESS TAX

Pension contributions can provide a way of paying less income tax. Up to Revenue Limits, contributions to a pension qualify for relief from income tax. This effectively means that, where the higher rate of income tax is 40% and you are a higher rate taxpayer, a €100 contribution to a pension will only have a net cost to you of €60 (had you not made the contribution, the other €40 would have gone to the government as income tax).

Pensions carry another tax benefit: they grow free of tax, unlike deposit accounts in Banks etc (which are generally subject to tax on interest in the form of DIRT Tax) or investment in property or shares (where rent or dividends could be liable to income tax and gains in value are subject to Capital Gains Tax).

When your pension benefits are drawn down, a Retirement Lump Sum of normally 25% of the value of your pension can usually be taken completely free of tax. The rest of the benefit, is usually taken in the form of a retirement fund or a pension for life, is taxable. However many people will find themselves paying much less tax in retirement than when they were working and making pension contributions, and so will often pay very little tax on their pension income when they retire.

If you have any queries on the above or any other matter you can contact Dermot Cronin QFA at 0646622775 or dermotcroninifa@gmail.com

THE HAPPINESS PLAN

Five steps to creating more happiness in your life

Being a happy is a deeply personal experience. There is no one size fits all, however there are a few things that may help guide you into creating your own happiness plan for your life.

- **Happiness is created when you are engaged in doing other things.** Get involved in your life. Make it your intention to do everything you need to do today with as much joy and engagement as possible. Focus on the task at hand and make it your mission to do it as well as you can.
- **Happiness starts from one single intention - to be happy!** Being happy is a choice, it is an emotion that is generated from how you view life. It is not about waiting for the things that will make you happy, it is being happy with the things that you have. Every day, write down at least ten things that have made you happy in the day.
- **Happiness comes from the heart.** Follow your own heart, rather than striving to follow someone else's idea of what happiness is.
- **You can't hold on to happiness.** Happiness comes and goes. It is a fleeting precious feeling. Think in terms of allowing more of those happy moments in your life rather than trying to hold on to them which creates stress.
- **Do what lights you up and makes you feel alive.** Live your life true to your own values. Be authentically you and live your life according to what you believe and know is right for you.

Does Eyelash Serum really work to make your Eyelashes grow?

Eyelash lifts and false lash treatments have been on the increase for the last 2 years since our eyes have been the only focus. Lash Serums are now proving effective as a natural way to get longer and fuller lashes. These serums are fortified with natural vitamins, hyaluronic acid and peptides to nourish and infuse your lashes with what they need to grow. The serum nurtures your hair directly at the root making it stronger and healthier reducing lash fallout and lash breakage. It is the ideal treatment for brittle, short or sparse lashes and it is safe to use with contact lens and eyelash extensions.

lashes being up to 55% longer and having 75% more volume after just 4 weeks use. Easy to use taking only a few seconds to apply like a liquid eyeliner. Apply just 1 stroke at night to clean dry eyelashes at the root of your upper lashes. For the best results apply consistently once a day. Eyebrow serums are also available for thin, sparse overplucked eyebrows.

SURVIVING THOSE WINTER BLUES!

Wet, windy, dark days & long nights may be starting to get you down. A lot of people report suffering from "winter blues" or it may be something more serious such as "SADS"

Seasonal affective disorder (SAD) . SADS is a type of depression that's related to changes in seasons — SAD begins and ends at about the same times every year. If you're like most people with SAD, your symptoms start in the autumn and continue into the winter months, sapping your energy and making you feel moody. Less often, SAD causes depression in the spring or early summer. If you suspect it is SADS please consult with your doctor or medical professional. Treatment for SAD may include light therapy (phototherapy), medications and psychotherapy.

Don't brush off that yearly feeling as simply a case of the "winter blues" or a seasonal funk that you have to tough out on your own. Take steps to keep your mood and motivation steady throughout the year.

But before you start panicking and rushing to the doctor try out some of these simple easy to follow steps. You can start to make these changes right now, and they should help to lift your mood and Put a pep in your step this Autumn and winter months:

Start to exercise & move more.... And I bet your saying right now "we know we know" but ask yourself are you actually doing it? Despite the weather it's important to get out and get some fresh air & move more.

Join an exercise class: during the winter months this is a great way of keeping social and meeting people without having to hit the pub. Meeting and chatting with people outside your existing bubble of home and work will do you the world of good.

Make sure you are getting out of the house: especially if you are working from home. Even a quick walk around the block or a trip to the shop will make all the difference. (continued next week)

A GUIDE TO SCREEN USE

Many people worry that viewing a screen can damage their eyes. There is no evidence of this. In fact, because you can alter the size, brightness and contrast of the display, it can be easier and more comfortable to see on a screen compared with looking at things on paper. However, some people find that looking at a screen for a long time is tiring and may find wearing glasses for computer use helpful.

Special protective coatings can be put on glasses lenses to help against eye fatigue from digital screens. Such coatings include blue light blocking lenses. These can help reduce glare for more comfortable and relaxed vision, create better contrast perception, offering a more natural colour experience

Here are some ways to look after your eyes while using your screen:

- Apply the 20-20-20 rule – every 20 minutes look at something 20 feet away for 20 seconds. That will give your eye muscles a rest.
- Try to blink regularly. Focusing on a screen may make you blink less, which may make your eyes dry and uncomfortable.
- Position your computer screen so that: it is between 40 and 76

centimetres (16 to 30 inches) from your eyes.

- the top is level with, or slightly below, your eyes.
- it is tilted away from you at a 10- to 20-degree angle.
- there are no distracting reflections, e.g. from a window.

Once you have adjusted your screen, adjust the font size so it's easy to read.

Use document holders for reading or reference materials. Place them close to the screen at the same distance from your eyes. This will enable your eyes to remain focused as they move between the screen and the documents.

Use a character size that is easy to see. The character size is an important factor since it determines the distance at which you prefer to view the monitor

RATHMORE GNEEVEGUILLA

➤ **THE PARISH PASTORAL COUNCIL** met on Tuesday night to review our journey through Covid, and to consider the various steps we need to take going forward. It is anticipated that there will be major changes in Guidelines from October 22nd but we cannot presume what be involved in these changes. Therefore, once these new guidelines are issued the Council will meet again to hopefully enable a greater return to our normal experience of church life. In the meantime we are taking a few small steps which will hopefully make things easier for parishioners.

1. Return of Sunday 11.30 am Mass Rathmore : Initially it will not be a full return; our first 11.30am Masses will be on October 10th and 24th . This will allow us time to sort out any issues re ushering and celebrants, but it is our intention to have a full return from November onwards.

2 No requirement for booking Saturday and Sunday Masses. From next weekend it will not be necessary to make a booking to attend Saturday or Sunday Masses. This will put added pressure on our ushers so we would ask you to observe the very important guidelines. • Our churches are still confined to 50% occupancy. • While family groupings can sit together, the requirement for social distancing when sitting in individual seats still applies please allow fellow attendees appropriate space. • Please do all you can to support the work of our ushers who have done outstanding work throughout Covid. • When coming to church please come with a mindset that is attentive to others ... ie: (a) How can I choose a seat that will make it easier for others to be accommodated? (b) How can I play my part in ensuring that the additional people who come to this mass will feel comfortable and welcomed. (c) Can I be conscious of making life easier for ushers by going to the seat that they indicate. (d) To facilitate the additional attendance and to ensure the safety of all it will be necessary to fill from the front back and not vice versa. (e) We must not end up with a situation of people standing at the back or cramming into the back seats. We have proved that we are able to change and adapt. Jesus said:

>SENIOR CLUB CHAMPIONSHIP RD3 SPA 1-3 TEMPLENOE 0-6

Spa hosted Templenoe on Sunday afternoon in the third round of the 2021 Senior Club Championship in front of a bumper crowd. Even though the game was very low scoring, it was played at what can only be described as a fiercely high intensity. Conditions were appalling on the day with the teams battling strong winds and heavy showers, and overall it was a free-ridden game from start to finish. Spa failed to score in the first half while Templenoe, playing with 13 men from the 38th minute on, kicked their only point of the second half deep in injury time.

Killian Spillane opened the scoring with a Templenoe point in the ninth minute. Shortly after he added another, before their closest goal chance of the day - Josh Crowley Holland running through but his effort going wide. Spillane added a third point from a long range free on the quarter hour mark, and at the water break, Templenoe were 0-3 to 0-0 to the good. Spa had only three real attacks in the first half, one shot dropping short into the keeper's hands and one bouncing off the post. Niall McCarthy did have a good effort kicked high and it looked to be over but disappointingly the white flag stayed down.

Templenoe extended their lead before half time, Colin Crowley with a '45 before Brian Crowley split the posts in injury time. And at the half time whistle, Spa were trailing by 0-0 to 0-5.

A special spectator watched our seniors in action against Templenoe on Sunday. Our younger members Dara, Paddy and Liam were delighted to meet Brian Fenton as he tried out our new walking track.

Within two minutes of the restart Templenoe were reduced to 14 men, John Rice with a black card after already being booked in the first half. Spa got their chance to attack, and Evan Cronin, with a free from out near the sideline, eventually got Spa on the board in the 35th minute. Three minutes later and Templenoe were now down to 13 men, Colin Crowley with a straight red.

Unfortunately, Spa failed to capitalise on having two extra players on the field and made hard work of adding any scores. After a long build up Shane Cronin added a second point for Spa, and both sides had some chances going wide before the second half water break was called, Spa now trailing 0-2 to 0-5.

Mike Foley gave Spa their third point before Ciaran Spillane landed a brilliant shot in towards goal in the 57th minute, David Spillane ready inside to catch, turn and blasted to the back of the net. With that, Spa took the lead for the first time in the game at 1-3 to 0-5. There were several turnovers, wide shots and fouling all over the field in the final few minutes, and as injury time was just beginning, Spa were reduced to 14 men when Dara Moynihan received a second yellow.

Both teams will definitely rue missed opportunities in this game. Killian Spillane kicked over a free in the 64th minute, Templenoe's only point of the second half, to level the game. Both sides had chances to take the win, but eventually the final whistle blew and this low-scoring affair ended level pegging at 1-3 to 0-6.

With the group so close going into this final round, Spa had a wait a few minutes before the result in Lewis Rd was confirmed. Our draw means we finish on 3 points, level on the table with Templenoe. However, as the head-to-head between the two teams was a draw, scoring difference decides our fate. Spa finish third in the table, no semi-final and no relegation battle, but importantly we have succeeded in securing our senior status for 2022. Well done to our team & management making the quick jump from Intermediate to Senior, and wishing all our injured players a speedy recovery.

Next up will be the Co. Championship Rd1 tie with Legion on the weekend of Oct 30th/31st (neutral venue).

>U15 LADIES COUNTY CHAMPIONSHIP B FINAL

Glenflesk under 15 girls were beaten by a strong Scartaglen team in the County Championship B final played in Fossa this afternoon. After a superb performance in the first half, which featured two brilliant goals, the team were unlucky to go in at half time two points, down. Scartaglen started the second half strongly, and a run of four points in a row pulled them clear. The girls created another classy goal that gave them a chance of an unlikely comeback, but despite late pressure, they could not find a way to get back in the game. Well done to the team and mentors for reaching the County Final, and hard luck on the result. Report by Michael Healy.

>KILCUMMIN GAA

Kerry Petroleum Intermediate club championship Kilcummin 0-18 Ballydonoghue 0-5

Despite a sluggish first quarter where our only score was a Kevin

McCarthy free kick, we kicked on in the second quarter and lead by six points at half time. John McCarthy showed well at full forward kicking two points, while Gary O Leary and Kieran Murphy added two from play. Kevin McCarthy's free-taking was excellent throughout and he finished with six points to his credit. We dominated the second half with our forwards adding a further ten points to their tally. Noel Duggan, Mikey O Shea, Gary O Leary, Paul O Shea, John McCarthy and Matt Keane all raised white flags during this period. Our defence held firm throughout with Philip O Leary and Eoghan O Donovan doing particularly well. This win leaves us top of our group after previous victories over Dromid Pearses and John Mitchells and gives us a home quarter-final tie against Beaufort. This game will be played next Sunday at 2.30pm. Team B Kealy, Chris O Leary, Kevin McSweeney, Philip O Leary, James Nagle, Pádraig Nagle, Eoghan O Donovan, Kevin Gorman, Kieran Murphy, Cian Foley, Gary O Leary, Mikey O Shea, Kevin McCarthy, John McCarthy, Paul O Shea. Subs used Noel Duggan, Donal Maher, Matt Keane, Andy Lowin.

JIMMY O'SULLIVAN-DARCY takes a look at all things sport...

AND JACK IS BACK!

Well, that got messy pretty quickly! Stephen Molomphy as hurling manager? Easy peasy, no dissenters. James Costelloe as Kerry minor manager? Put the CV away, man, you're more than welcome. Now we had one last one on the agenda, let me see here....oh, yes. Senior Football Manager. Look, these are never easy decisions and there are always a lot of entrenched positions. The longer things go on, the harder it becomes. But it doesn't have get this convoluted.

Should Peter have been thanked once Kerry departed the 2021 All Ireland Championship, thereby ending his three year contract? I would have thought so. Should he have been given another year automatically, especially if he really did have the players' unanimous backing? The thing is that Kerry's grassroots are entitled to have their say on that, we call it democracy and, in all fairness, we see little enough of it in the GAA as it is.

By the way – and separate from all this – I don't think any boss is asking an appropriate question in circumstances like that. Are you okay with me being your boss next week? The players must be okay with who the manager is, it's the players who will win or lose games on the field, but that consultation is private on all sides.

Here, for me, is the crunch question, and it is obviously a hypothetical one. Did anyone with the authorisation to do so, make an approach to Jack O'Connor in regard to the post of Kerry Manager? There's no reason to believe so, and I certainly don't. That being the case, I just honestly don't think the County Board have done anything wrong here. After all, Jack left Kildare, having signed a recent contract, but his sons Cian and Eanna had both left teaching posts in the county and were returning to Kerry anyway.

There were a lot of questions about the composition of the sub-committee put together to choose candidates to oppose Peter for selection. The whole country knows that Kerry have a team very close to winning an All Ireland and a lot of astute football brains want to help them over the line. That's a good thing. And you can argue that Eamonn Whelan was a selector with Jack O'Connor, a very good one. But Eamonn Whelan has done an incredible amount of roles for Kerry in many capacities, including as the current Vice Chairman. You don't trust the Vice Chairman with this

responsibility? Tim Murphy himself, the County Chairman? You can argue that he hasn't gotten everything right along the way, but he literally did not have to set up this sub committee. Did Mao Tse Tung do a lot of that kind of thing? Peter Twiss? Um, the County Secretary? I wouldn't always agree with the man, but this is basically the COO. There's a problem somewhere in Kerry GAA? This is the guy whose phone rings. Next up is Donal Daly. Who played under Jack O'Connor, but at the tail end of a great playing career. And has since been the County Games Manager pretty much since then, where he has played an absolutely massive – I really cannot understate this, but Donal is not a man who puts himself to the front very much – massive role in Kerry's underage development and success at all grades. John O'Leary, Munster Council Delegate. Former PRO. No particular ties with Jack O'Connor, Peter Keane, or Stephen Stack. His only loyalty is to Kerry and the best choice for them. I can't see any reason why people would think different.

Now, here's a suggestion. Why have this say sub-committee at all? Or better yet, why not lay out certain criteria for an incoming manager of Kerry, X amount of experience etc., and they simply make sure that it's eligible candidates? Then, let each candidate lay out their credentials to the County Board on three different occasions (it's zoom, so it's not travel is an issue), before an open vote is taken, ballots in writing. The one with the most votes is the next Kerry manager. After all, this is exactly, exactly what we do at the voting stations. And I'm just pointing out that the flaw there was the likes of Charlie Haughey, Donald Trump, Boris Johnson....we sent Dustin the Turkey to the Eurovision. Populist candidates win popular elections; it does not necessarily apply to the job skills required.

I know that Caesar's wife was innocent but he divorced her anyway because "Caesar's wife must be above suspicion", but Valentine's Day meant a stake and a box of matches in those days. In this case, I see absolutely no reason for recusals; I'd have seen it as an abdication of duty more than anything else.

They reported back. Jack O'Connor, with Diarmuid Murphy and Micheal Quirke as selectors. And they shouldn't need much introduction either.

Back to Monday night. It wasn't a rambunctious meeting. There was no real discord of any kind. But the matter most certainly did not pass without comment

Good, very good. I'm being serious. Should it be done discreetly, behind closed doors, hidden away from everybody? The way that the likes of Charlie Haughey and Liam Lawlor, and Bertie Ahern and John Delaney and Pat Hickey always did their business? Perhaps you can see a common theme among those names. For

younger people, I'll refer to bankers like David Drumm and Michael Fingleton.

The answer, of course, is an unequivocal 'no'. And I'm proud that Kerry uncompromisingly took that stance. I'm not a fan of zoom meetings – it's too easy for the administrator to have complete control of proceedings. But everyone did get their say here, and I think it's by far the best thing to do. Otherwise things fester. Untended grievances, instead of being put to bed by an explanation or apology, seep their poison and grow. The credibility of the organisation is weakened around the barstools and the back of the church and at the school gates. Rightly or not, Kerry's results from then on will be viewed through a prism.

I'm not going through exactly who said what or what answers were given. Not because it wasn't interesting, it most certainly was (Tim Ryan was one of the best speakers on the night). Not because they hid their names in any way, they didn't. It was open and straightforward. Tough, and that's the way to have it. Now, it wasn't a major division. Roughly ten delegates raised questions, that's not a fifty/fifty split by any means.

In the end, Tim Murphy stated simply that he wanted a mandate from the Board (executive plus delegates) and he would prefer if it could have the appearance of unanimity. He gave time for any delegate to raise dissent. He made the proposal, it was seconded without dissenters, and that was that. Done and dusted.

Except I can't help wondering what message has been sent to Jack O'Connor here. It has been openly stated that all of his players, all of the current panel, expressed a clear preference for Peter Keane to the sub-committee.

Essentially, he is going to have to pull the pin on that at their first meeting. How many of the clubs actually wanted Peter retained? We don't know, which is fine. Except neither does Jack, and that's a real problem. Even the welcome mat is strewn with thorns. This is a bit ridiculous. I know nobody said one word against Jack at that meeting, but you can't for one moment honestly say that Kerry laid out palms for a returning messiah either, far from it. And all of this before Paddy Tally is appointed. You'll have lads objecting loud and proud to that, too, I won't be paying a lot of attention.

Absolutely none of this should be thrown at the incoming manager. That's a very embarrassing thing for Kerry GAA, it doesn't help our cause which is his cause team. The road just got harder for everyone, and there are no longer any fences to straddle.

Outside teams are looking at Kerry. Twice a

point away. Twice beating by champions. Peter has reinvigorated this team. Jack has a couple of All Irelands already, but Jack's here and he's hungry. We can be an awesome force, we really can. This could be as good a Kerry team as ever took the field.

DRESSING ROOMS

Look, the GAA have erred on the side of caution during this pandemic, and have been right to do so. We still need to be careful. However bored and impatient people at doing that, they aren't sick and tired of it. At the same time....at the stage where nightclubs can open, dressing rooms should be as well. Proper distancing, etc., but people should be able to change indoors. There's a very obvious and dangerous health risk in wearing wet clothes as well. At this point, I need any kind of reasonable risk/reward analysis that indicates that they should remain shut.

Look, to be very clear, I have no medical knowledge whatsoever. I'm just expressing an opinion. And they will be back open on October 22nd, as far as I am aware (still dependent on the numbers, of course!) so it's not exactly a hill to die on.

COUNTY CHAMPIONSHIP

Group One

This one is still wide open because a game had to be stopped for injury – thankfully the player is fine. Laune Rangers play North Kerry this Saturday in Strand Road and Mid Kerry play South Kerry in Lewis Rd at the same time. Mid Kerry and South is a dead rubber in that Mid Kerry are qualified regardless of the result.

The other is a cracker, though. Two very good teams deadlocked and only one of them is going through. It is that simple. The only prediction I'll give ye is that it will be good and I will be there. As for calling it? Ah, no. Ye can call that one yourselves!

Group Two

Done and dusted. St. Kierans won this group outright – let's be honest, they absolutely blew this group away and their goal scoring prowess is phenomenal. Austin Stacks were hammered as badly as I ever saw a Stacks team beaten in their opening game (make no mistake, I hate seeing it happen to any team). There was no way you could see them qualifying. Except

that they met Crokes when both sides were missing players and Crokes were missing a lot. Stacks really showed what they could do and were back in the running. Once they beat West Kerry – as, I'm afraid, did everybody else, West Kerry had to field fifteen year olds – they were through in second place. Crokes can justifiably rue their luck. At full strength, they would definitely have been competitive here.

Group Three

Another one that's finished. East Kerry have won the past five Minor Championships and have gone through the group unscathed and with three wins. It wasn't plain sailing, though. They beat Kenmare District comfortably on a day where St. Brendans just about got past superb resistance by Glenflesk. East Kerry had to work very hard to get past St. Brendans – I could see these teams meeting in the final for the fifth time in five years yet! Glenflesk beat Kenmare by a goal in the last game and finish in third place. Considering the group that they landed in, Glenflesk acquitted themselves magnificently in their debut championship.

SENIOR CLUB CHAMPIONSHIP

Oh wow! Welcome to the thunderdome! Listen, this most certainly isn't netflix and we certainly aren't marvel. But what are you looking for? Drama? Thriller? Comedy? Horror? I'd have to work on the romance – certainly plenty of eager embraces. Sci-fi is a bit difficult but look, I kind of think phones are magic so I certainly think stats should count and streaming is a movie anyway. Yeah, it's all in this round of games.

Senior Club Group One

Well, this group turned out very straightforward. Two wins for Dingle, two wins for Austin Stacks. Kerins O'Rahillys beat Legion Dingle won their duel to top the group and

Group Two

Kenmare Shamrocks were in pole position with two wins but Dr. Crokes at home with something to play for is as tough as it gets. Tony Brosnan was on song and David Shaw kicked a goal to put Crokes five clear at the break. But with Seanie O'Shea and Gavin White sharing

an epic duel, Kenmare gradually took over as Seanie split the posts like a machine with frees. A couple of black cards cost Crokes hugely as Seanie finally kicked Kenmare in front in the final quarter and, try as they might, Crokes could not reel it in. To their horror, they end up in a relegation battle.

Spa, whom Crokes had beaten well in the opening round, failed to register a single point in the first half against Templenoe, who were themselves coming in after beating Crokes. It's like one of those mafia docudramas at this stage with all the connections. Templenoe had a whopping 1-2 on board Spa came back out on fire....well, five points is not exactly requiring a fire extinguisher, but it's not a scoring rate to write home about. It's just that, with Templenoe only able to put a single score on the board, it was 0-6 to 1-3 at the final scoreline. The absence of Liam Kearney was a huge whole for Spa to fill, but that's poor enough scoring by either side. Templenoe, that small population of giants, go forward to a semi-final on scoring difference. Personally, I think a break will do Spa no harm at all.

Semi-Finals

Austin Stacks v Templenoe

I go for Stacks, who look on form, but they'll have their work cut out. Templenoe are tough. Dingle v Kenmare Shamrocks.

You can't be reliant on just one scorer, even if he's Seán O'Shea. Paul O'Connor is actually playing well, but not scoring much. Stephen O'Brien looks injured or fatigued to me; and this is one of the great players. Dingle have a broad panel and they have been the form team all year.

Relegation Final

Note that I have no time or venue, I don't know when it'll be on. But the fact that it's Dr. Crokes and Killarney Legion is an obvious talking point – it's THE talking point right now. And I'm not going to be a hypocrite. Of course there's an element of schadenfreude (taking joy in some-one else's sorrow, it's German). I've seen my club take beatings from both. But I've seen both treat triumph and disaster with dignity; they've helped me and mine many times, and I have many friends on both sides. Killarney is going to see a big team

KENMARE SHAMROCKS V CROKES

drop out of senior ranks, and that's not a good thing. I'm not celebrating this in any way. No way. People on both sides were happy for me when Spa went up to senior (as if I contributed anything!). By the way, it means that one of these sides is going to be in with East Kerry next year. Great for East Kerry, but be honest with yourself. Is that really good for the County Championship? Because I don't think so.

INTERMEDIATE CHAMPIONSHIPS

Group one

Kilcummin laid down a real marker to top their group and this did from senior could just be a bungee jump yet! It's worth remembering that they had a big injury list last year and are still missing Seán O'Leary. They were completely in charge against Ballydonoghue, a good side in their own right who finished in second place. Dromid Pearses finished their campaign with a headlining win over John Mitchels. By far the most successful club in Kerry GAA's early days (in 1928 John Mitchels were split into three clubs, themselves and Rock St. and Strand st. You know them by different names) are facing a relegation battle.

Group Two

If Carlsberg did competitive grouping.....I'll hold my hands up, I did not expect Desmonds to beat Glenflesk but they did it in style. I'm told that Desmonds are taking their coaching seriously at the moment; it shows. They came out of the blocks very fast and, given their struggles over these past few years, you can say that a sleeping giant has awoken. St. Marys' defeat of Ardfert (and I am not trying to be mean about it) had an air of inevitability about it; Ardfert are in a hard transition (remember that they had a very long hurling campaign as well). They are in deep relegation trouble.

Group Three

Rathmore are looking very, very assured these days and saw off Glenbeigh/Glencar by 9 points. You don't see that often. Beaufort assured themselves of second place by unmercifully walloping Currow, who were out of their depth and will struggle in relegation.

Group Four

Na Gaeil beat Gaeltacht for the second year in a row; Na Gaeil are looking like one of the form teams (I think they were tired in 'last year's' semi-final) and they go through unbeaten. Milltown/Castlemaine (and that's a club that are looking good at all grades) beat old rivals Laune Rangers.

COLLEGE SEMI FINAL RESULTS

St. Brendan's lost to Colaiste na Sceilge by 1-14 to 3-6.

Tralee CBS beat SP Sliabh Luachra by 3-17 to 1-7.

St. Brendan's will play Tralee in the O'Sullivan Cup Final next Wednesday.

NOVICE CHAMPIONSHIP

Cromane beat Duagh last Sunday back in Ballymac, and I'll tell ye right now that I enjoyed it as much as I enjoyed any football match I've been at. Some people look down on the Novice (some-one eejit, meaning well, commiserated me on not getting a 'real,' game); some people are free to dine alone as far as I am concerned.

SOCCER

Ireland take on Azerbaijan in the World Cup Qualifiers this Sunday in Baku at 5.00pm. The match will be available to stream on RTE Player. I'm just going to say it, because I've tried the RTE Player several times. In actual reality, no, the game will not. I'm not joking here. I have great time for our national broadcasting service, I really do, provided you can mute Darragh Moloney and (oh dear God, how do they still employ this absolutely feeble pot-stirrer?) Tony O'Donoghue in time, but the streaming service is very poor. There are numerous workarounds if you really want to see this. Given that we are not taking part in the nadir of FIFA's credibility in Qatar after that last gasp equaliser against Azerbaijan, it's all moot. And there's very little interest, anyway, to be honest. Diehards might not like it, but there is an awful lot of sport on these days and while I can sympathise to an extent, Ireland's soccer woes at both international and domestic levels

are entirely and disgracefully of their own making. The League of Ireland is beginning to regain actual credibility, and they are doing mostly by ignoring the FAI for the most part. Most of the build-up seems fascinated by Callum Robinson's personal choice not to remain unvaccinated. I have only one thing to say. While I think that certainly should inhibit his freedom to enter certain areas and he should have to follow certain protocols (my understanding is that he does) then that is his choice and he is not subject to your judgement.

BOXING

Deontay Wilder said something during the week, Tyson Fury said something else. I didn't pay a lot of attention. Getting tired of the huff'n'puff, lads.

NICHOLAS ROCHE

Shortly after his first cousin Dan Martin, Nicholas Roche has announced his retirement from professional cycling after 17 years. I very much like the way he bowed out. Roche competed in the National Elite Road Racing Championship in Coolbeg, Wicklow, finishing seventh. Which meant that he had his family and friends around him when he got off the bicycle for the last time in this environment. It's how I'd want to do it.

MUCKROSS ROWING CLUB

WORLDROWING COASTAL CHAMPIONSHIPS

Well done to siblings Finn and Caoimhe O'Sullivan, who made history for the club last weekend as the first Muckcross rowers to compete at the World Rowing Coastal Championships, which were held in Oeiras, Portugal. Also known as offshore rowing in Ireland, the international standard of coastal rowing is the fastest growing branch of the sport and set to make waves at the Olympic Games in Los Angeles in 2028. Finn and Caoimhe raced in the Mixed Double event which attracted over 50 entries. Despite incurring a time penalty in their Saturday heat, the Headford duo qualified for Sunday's B final where they finished 12th and fastest of the four Irish boats in the race. A fantastic performance, doing club and country proud!

EVENTS: Best of luck to our 43 crews competing in the St. Michael's Head Of the River (3km time trial) at O'Briensbridge this Saturday.

SCOTT LAKERS ST PAULS IN THE NATIONAL LEAGUE DIVISION 1

BY ENDA WALSHE

St Pauls, once again under the banner of generous sponsors Scotts Hotel, commence their National League campaign this Saturday in Limerick where take on Limerick Celtic with a 7.15 tip off. The squad, led by Mark O'Shea, and assembled by coach Jarlath Lee has a distinctly youthful look to it as the Club puts down foundations for the future. That's not to say that it won't be ambitious and competitive. This season sees the return of Canadian point guard Ben Miller, who despite signing in September 2020 has yet to play a competitive game for the club with the world wide pandemic putting a halt to the 2020/21 season without a net being swished. Credit to Ben, who liked what he saw in his short time here pre the Covid shutdown as he had no hesitation in returning. He has all the potential to be one of the best point guards in the Division and his pre season form is encouraging. Joining Ben on the court will be six foot 5 inch Bulgarian u16, 18 and 20 International Emilian Grudov. Highly rated again his pre season form has been good where shooting and rebounding are his strengths. Interestingly the team have met Superleague opposition in pre season and the form of Ben and Emilian has stood up to these stiffer tests. A returning familiar face to Killarney basketball will be Dinus Varanauskas, who in his previous spell with the club played at Superleague level to huge success, and his experience and know how will be invaluable to the young team. A good shooter his minutes will be key. As well as the aforementioned skipper Mark O'Shea the squad has a local feel to it with

Irish underage International Jamie O'Sullivan, vice captain, and after building up his time in previous seasons he is now a first five starter alongside upcoming Irish underage trialist Senan O'Leary. Keelin Houlihan is now a mainstay in the squad alongside Gneeveguilla natives Ronan Collins, David Gleeson and Lorcan Keane. Paul Clarke, nephew of Brian, has put in a big shift in pre season and his height and strength will be vital under the boards. Promising underage players Daniel Carroll, Mark Sheehan, Jason Lee are training with the squad with an eye to showing them the ropes of what goes on at this higher level. Kevin O'Regan also joins the squad alongside Ben Flavin, Eoghan Myers and the highly rated youngster Jack O'Sullivan.

Coach Jarlath Lee definitely has his eye on the future with the club taking the route of harvesting young local talent married to good scouting of overseas talent. Interestingly Jarlath's son, outstanding Paralympian Athlete Jordan, joins him on the sidelines as the team fitness guru.

After the opening night trip to Limerick the team hit the road, NBA style with further trips to Fr Matthews (Cork), with a first round National Cup tie sandwiched between games in Carlow and Waterford. Home fans can pencil Saturday November 13th in as their first sight of the Lakers as they welcome League favourites UCC Blue Demons to Killarney. December sees a festival of home games against Limerick sides Sports Eagles and Celtics with a December 30th clash with newcomers Killarney Cougars. 2022 will

see 5 home games and if the squad can gather momentum in the first half of the season, home advantage could be crucial at the business end of the League.

KILLARNEY ATHLETIC

KILLARNEY ATHLETIC U12'S DIVISION ONE

Killarney Athletic 0 Ballyhar Dynamos 4

Ballyhar were the visitors to Woodlawn on Saturday morning and they went about their business very effectively from the start putting pressure on the Athletic back line. As we moved towards half time Athletic appeared to be gaining a foothold in the game when Ballyhar hit Athletic with two well worked moves to go in 2 up at the break. After the break Athletic battled hard but could not find a way through a very well drilled Ballyhar defence. Ballyhar added a further 2 goals late on and were full value for their victory.

REPORTS

Home win for 14's in EA Sports League of Ireland

The Kerry 14's ended their home games in the EA Sports 14's League of Ireland Shield with an impressive 2-0 win over Carlow /Kilkenny. The game was hosted by Tralee Dynamos and the goals came from Dawid Grebowiec and Darragh Lynch. The first came after ten minutes when Shay Kelliher sat up Grebowiec who headed past the visiting keeper.

Kerry had to defend a strong second half from Carlow/Kilkenny and did this very well. In the closing minutes the win was wrapped up when

Lynch broke clear, rounded the keeper and slotted home much to the joy of everyone from Kerry present.

LATE HEARTBREAK IN KENNEDY CUP GROUP GAME

Kerry and Limerick District both won their opening Kennedy Cup games so their clash in Group F in UL would go a long way to deciding who would top the Group.

The home side started the brighter but the Kerry defence did well with Eanna Murphy and Nathan Cronin making two very important blocks. And then the Kerry keeper Pierce Moynihan made an excellent one handed save to keep the sides level.

Kerry grew into the game and dominated the last ten minutes of the half with Murphy, Brian O'Shea and Ryan O'Driscoll all hitting the target.

Kerry continued to press after half time and 5 minutes in a good move saw the ball crossed into the box and Ronan Carroll did very well to volley home. However within ten minutes the sides were level when Jayden O'Donovan scored from the penalty spot.

With less than five minutes left the game looked like ending in a draw which probably would have been a fair result but cruelly the home side scored the winner. Aaron Cusack wriggled past two defenders and finished expertly into the bottom corner of the Kerry net.

Kerry will be at home to North Tipperary in their final Group game with Limerick District away to Limerick County.

GAYNOR 15'S MAKE THE PERFECT START BUT THE 13'S LOSE OUT:

The Kerry Gaynor 15's made the perfect start to their 2021 campaign with a 3-0 away win in West Cork. Kerry got off to the perfect start when a Izzy McGrath corner was deflected into the West Cork net. The second goal was the best of the day when a corner from Hannah McGearailt was flicked on by Emma O'Connor to Ellie Doolan who set up Suvi O'Connor to score. O'Connor wrapped up the win with her second and Kerry's third.

The Kerry 13's lost out to a very strong Limerick Desmond side in Askeaton who were following up on their opening day win at home to Cork. Next up the Kerry 13's will be at home to South Tipperary, who lost to Cork at the weekend, with

the Kerry 15's facing the same League's 15's. Mid-week and weekend action in 12's Premier: The action in the Slattery's Carpets and Blinds 12 Premier began in mid-week when St Brendan's Park won away in Killorglin.

Their goals came from Brooklyn Conway, Fionn Clancy, Shane Griffin, Ibkahaim Husam and Brendan Duggan.

Tralee Dynamos and Listowel Celtic played out an 8 goal thriller with the points shared following a 4-4 draw. Calvin O'Sullivan 2, Cian Fitzgerald, Danny Lane scored for Dynamos with Shane Costello, Mason Sheehy and Thomas Keane replying for Listowel Celtic.

On Saturday goals from Thomas Keane and Mason Sheehy gave Listowel Celtic a 2-1 win at home to Inter Kenmare whose goal came from Tony Desmond.

Goals from Darragh Keane and Alan O'Meara looked to have given Mastergeeha a 2-1 away win at Dynamos but the home side equalised with the last kick of the game.

A goal in either half from Pa McCarthy and Kieran Kelly gave Killarney Celtic a 2-0 away win at LB Rovers who also missed a penalty.

FOUR GAMES DECIDED IN 12 DIVISION 1 NORTH

Goals from Daithi Brown, Dylan Brown, Sean Kennelly 2 and Deniss Rastenis gave Listowel Celtic all three points away to Camp Juniors. In the same Division Tralee Dynamos were 3-0 winners over Ballyheigue. Fenit Samphires also won 3-0 defeating Park B.

Dingle Bay Rovers made the trip to North Kerry a winning won defeating LB Rovers thanks to goals from Jack Dorgan, Saoirse Brosnan, Fionn Dowd and Harry Flaherty O'Dowd.

HOME AND AWAY WIN IN 12 DIVISION 1 SOUTH

Ballyhar Dynamos made the trip to Woodlawn where they defeated Killarney Athletic B 4-0. Ballyhar hit two in each with Alex Finn 2, Ryan Quilter and Adam O'Meara on the mark.

MEK Galaxy won at home to Killorglin B with Eoin Casey 3, Jamie Murphy, Brendan Allman all scoring in the first half and Shane O'Neill netting in the second period.

On Friday evening Mastergeeha B defeated Killarney Celtic B 3-2 at Kilbreen Park. Patrick O'Donoghue 2 and Noah Clifford got the home sides goals with Tristan Murphy and Ben O'Sullivan replying for Celtic B

12 DIVISION 2 RESULTS

Ballyhar and Mastergeeha played out an exciting 3-3 draw at Murt Scott Park. The home side got off to a great start with goals from Patrick O'Connor scoring twice to put his side 2-0 up. Into the second half the visitors pulled one back through Sennan Murphy. Daithi Allen then raced onto a long ball and beat the keeper to put Ballyhar 3-1 up. Murphy pulled another one back inside the last ten minutes before Callum O'Leary completed the comeback. Allen thought he won the game for Ballyhar but his late late effort hit the post.

Camp Juniors B defeated Castleisland B in the 12 Division 2. Evan Cronin and Daniel Riordan got the Castleisland goals.

13 PREMIER GAMES

Two of the three 13 Premier games took place in mid-week with LB Rovers A and Tralee Dynamos

recording wins. LB Rovers defeated Listowel Celtic with goals from Odhran Barry 2, Brody Mulvihill, Billy Moriarty and Tadgh Long.

Dynamos goals in their 2-1 over Fenit came from Calvin O'Sullivan and Danny Lane with Michael Corridan replying for Fenit.

On Saturday Killorglin enjoyed a hard fought 4-3 win away at LB Rovers where the teams were tied 2-2 at the break. For Killorglin Jack Buckley scored twice with Sean Doherty and Callum Robertson scoring once each. Liam Lynch got two and Odhran Barry one for LB Rovers.

One game in 13's Division 1

A goal from Marc Foley and an own goal were enough for Inter Kenmare to take all three points defeating Castleisland 2-1.

Fenit B wins 13's Division 2 North game:

A big night from Cillian Foley saw him hitting 4 goals for Fenit as they saw off Ballyheigue 5-3. Eoghan Wiseman got the other Fenit goal with Conor Slattery, George Kane and Sam Keane scoring for Ballyheigue.

Two home and one away win in 14 Premier

In the World of Tiles Killarney Athletic were the away winners defeating Listowel Celtic thanks to goals from Liam O'Brien, Szymon Jasinski, JJ o'Donoghue, Jake Nash and Brian McCarthy.

Winning away were MEK Galaxy who defeated Killorglin thanks to goals from Jayden Fennell 2, Jack Hallissey and Cillian O'Donoghue. Michael Houlihan and Ciaran Birmingham replied for Killorglin.

The Inter Kenmare versus St Brendan's Park game was a real see-saw affair with the home side just holding on in the end. Rossa McGearailt hit a hat trick for Inter with Michael Jones getting the fourth and they also needed goalkeeper DJ Harrington to be in top form to ensure the win. Brian Heaphy scored for the Park to make it 2-1 and then Ethan Ballard got one in the second half to make it 4-2 and when Heaphy got his second with nine minutes to go it was game on but Inter held on to win.

BIG AWAY WIN IN 14'S DIVISION 1

Cillian Slattery had a day to remember for Killarney Celtic in their away win at LB Rovers. He hit 5 goals for the winners with James Coffey 2, Pa O'Brien and Tomas Mackey also scoring. Cody Goggin and Charlie Ryan both scored twice for LB Rovers.

Goals for Darragh Murphy, Jogo Brodie, Mark Vansteenkiste, Luke O'Connor, Allyn O'Shea and Micheal Enright gave Camp Juniors the away win at Killorglin.

In the other game Castleisland were 4-2 winners over St Brendan's Park B at Christy Leahy Park. Harry Crowley, Darragh Cahill 2 and Shane O'Loughlin were the winner's scorers.

There was one game on Sunday when Ballyhar Dynamos defeated Killarney Athletic 5-4 with the sides level at 2-2 at the break. Anthony Cremin had a big day in Murt Scott Park hitting 4 goals for the home side with John Henderson getting the fifth. Liam Harmon and Cathal Sugrue both scored twice for Athletic.

VARIETY OF RESULTS IN 14 DIVISION 2

St Brendan's Park C drew 3-3 with neighbours Tralee Dynamos B in the World of Tiles 14's Division 2 with their goals coming from Brian Fealy, Seadhna O'Brien and an own goal. Dynamos goals came from Jayden Moriarty, Jay

O'Connor and Daniel McCarthy. Michael Lenihan scored for Castleisland B but it wasn't enough to prevent them going down 2-1 at home to Inter Kenmare B. Mastergeeha had goals from Ruairi O'Donoghue 2, Craig Brosnan and Evan O'Sullivan in their 4-2 at home to Ballheigue. For the North Kerry side Shane O'Sullivan and Adam Lee were the scorers.

FIRST HALF GOALS IN 15'S DIVISION 2 JUST GIVE ATHLETIC THE WIN;

This 15's Division 2 clash was one of those games of two halves with Killarney Athletic going 4-0 up before the break thanks to goals from David Walsh, Gleb Taranov, Ben Kelliher and Mathew Pfizer. Aidan McAuliffe and Thomas Myers 2 were the Mastergeeha scorers.

NINE GOAL THRILLER IN 16'S DIVISION 1

The first goal in this seasons 16's League was the clash in Division where Ballyhar Dynamos and St Brendan's Park D played out a 9 goal thriller in Murt Scott Park. The sides were tied 3-3 at the break. Fionn Coleman and Robert Kelly both scored twice for Ballyhar.

MEK GALAXY NEWS

U12 BOYS DIVISION ONE

MEK Galaxy Orange 6 Killorglin AFC 1.

Our u12s played their opening game of the season on Saturday, on what was a fresh autumnal morning in Fossa. The home side were quick to settle, and Eoin Casey put MEK 1-0 up with just five minutes on the clock. He added a second shortly after with a neat finish.

Galaxy kept the pressure on the Killorglin goal, with the away keeper producing a string of fine saves. Jamie Murphy made it 3-0 midway through the half with a fine strike. Casey completed his hat trick in the 20th minute to make it 4-0, and just before the break Brendan Allman pounced to make it 5-0.

After the interval it was Killorglins turn to threaten, and they got one back early on. MEK got a foothold once more, and with ten minutes to play Shane o Neil completed the scoring. Full Time score, MEK Galaxy 6 Killorglin AFC 1.

The following warriors did battle for MEK on the day, Conor McKeown, Dara Tagney, Donnacha Vaughan, Brendan Allman, Nathan o Sullivan, Jamie Murphy, Eoin Casey, Cade Jameson, Harry o Mahony, Shane o Neil, Joe Stephens, Gerry Moroney, Tomás Lynch.

U 14 BOYS PREMIER DIVISION

MEK GALAXY 4 KILLORGLIN AFC 2

MEK kept up their one hundred percent start to the season with a home win against neighbours Killorglin. Galaxy made a strong start, forcing the away keeper into making a number of fine saves. The visitors began to grow into the game, and went close with a shot hitting the crossbar. Jayden Fennell put the hosts 1-0 up with a beautifully composed finish. The away side equalised late on in the half, to leave it 1-1 at the break.

After the interval MEK managed to find another gear, Jack Hallissey fired home from outside the box following a neat pass from David McCarthy. Cillian o Donoghue quickly made it 3-1 pouncing on a loose ball in the area. Jayden Fennell made it 4-1 to Galaxy. The visitors got a goal back late on to make the final score 4-2 to the boys in orange

and black. All in all a good day's work for our boys and 3 points the reward for their efforts.

FATHER AND SON DUO HIT THE NET

Last Sunday's Kerry District League game between Killarney Celtic C and Killorglin AFC C saw father and son duo Pat O'Neill and his son Luke both hitting the back of the net.

Well known in soccer circles, Pat, a hairdresser based in Killarney has played with Killarney Celtic

for many years and is now joined on the senior team by his 16 year old son Luke, a student at St Brendan's College in Killarney. Even though Celtic didn't win out on the day, the memory for the family will certainly stand the test of time.

Welcome back dear reader last week we spoke about love, and how it is the nature of God. Jesus told the prodigal son parable to demonstrate God's merciful love. The prophet Micah puts it this way... 'He (God) delights in mercy' (Micah 7:18). Do you want to make God happy? Micah also prophesied.... 'He has shown you what is good, and what does the Lord require of you? To do justly (that is - do what is right), and to love mercy, and to walk humbly with your God' (Micah 6:8). When we live like this we reflect God's nature, and it delights Him!

'Who wants to live forever' is a song by Queen. Well, it would seem lots of people in the world want to live forever, and are trying to find earthly ways to preserve their youth and their bodies to combat aging and death. Immortality tantalises people, while death haunts them. The truth is humans can do whatever they want to try to make themselves incorruptible, but death we cannot escape. We can chase all the money, fame and power and run the race of life with the 'I have to' mentality, but ultimately, there is only one 'I have to' - at some point we will all 'have to' die. And just as we came into this world, so we will leave it, and return to our Heavenly Father for judgement.

And how will He judge us? The late Bob Jones saw the Lord when he had a death experience. The Lord told him it was not his time to die, but He charged him and all the others lined up with only one question - "Did you learn to love?"

Friend, are you right with God? Because there are two forever destinations - heaven or hell - and when you close your eyes on this earth - where will you open them? No one knows what tomorrow will bring (Luke 12:13-21). Jesus warned that "not everyone who says to Me, 'Lord, Lord' shall enter the kingdom of Heaven, but he who does the will of My Father in Heaven." (Matthew 7:21-23). Our works, no matter how good, will not gain us eternal life. Jesus said "I Am the Way, the Truth and the Life. No one comes to the Father except through Me." (John 14:6; Acts 4:12) Only by our faith in the Lord Jesus, demonstrated by our obedience to His Word, can we be saved (Romans 10:9-17). And 'faith works through love' (Galatians 5:6). Jesus is our Role Model. He demonstrated His obedience to God's Word - 'not My will but Yours be done' even up to His dying breath upon the Cross, when He asked God to forgive those who did this to Him 'because they don't know what they are doing' (Luke 23:34). Later the apostle John wrote 'as He is, so are we in this world' (1st John 4:17-21). As we learn to follow Jesus' example through obedience to His Word, we will become His true disciples and 'all men will know you are My disciples, if you have love for one another' (John 13:34-35).

LOOKING AFTER YOUR MENTAL HEALTH

Mental Health in an Unequal World. The WFMH President Dr Ingrid Daniels has announced the theme for World Mental Health Day October 10th 2021 which is 'Mental Health in an Unequal World'. We reflect on what we can do to look after our mental health? Having good mental health means that we enjoy a sense of overall wellbeing. We function well in our everyday life and feel confident and secure in ourselves. There will be times in our lives when we will need to boost our mental health and wellbeing and the following tips can help us to stay on track.

- **Connect with Others.** Building and sustaining good relationships with others can support and enrich our lives. Good quality relationships impact positively on our wellbeing and bring great rewards.
- **Participate in life and share interests.** Being part of a group of people with similar interests can greatly enhance our sense of belonging and is good for our mental health.
- **Look after yourself.** Eat well and keep active. Doing activities that we enjoy such as dancing, walking or gardening can all help us to feel good about life.
- **Volunteering** is a great way to meet people and also a great way to learn new skills. One study showed significant health benefits for those who volunteered 100 hours or more a year. Another study showed older generations had less of a decline in health and lived longer when they volunteered!
- **Having a sense of purpose.** Knowing what's most meaningful in your life and clarifying what is important means you will spend less time focusing on unimportant things and eliminate stress.
- **Let go and accept** what you cannot control.
- **Deal with Stress.** Know what stresses you and how you react. Avoid stress triggers if you can and if they are unavoidable learn how to manage them. Maintaining a balanced lifestyle will help you to cope with stress. Try yoga, meditation or breathing exercises to keep stress at bay.
- **Challenge yourself.** Take on a new challenge or learn a new skill. Learning and developing new skills enhances our 'mental fitness', gives us greater confidence and a sense of achievement.
- **Gratitude.** Being grateful for what is working well in our lives and for what we have is important for our mental health.
- **Practice mindfulness.** Focusing our attention on the present moment helps us to not get caught up thinking about the past or worrying and planning for the future.

Because remembering her is easy,
I do it everyday,
But there's an ache within my heart
that will never go away.*
