# Hometown debut planned as *GreyWind* gains momentum

*Peter Doyle spoke to Killarney's Paul O' Sullivan one of the two siblings that make up the band GreyWind. Paul's sister Stephanie completes the duo. Mary Culloty O' Sullivan the well known soprano is their mother.*

**G**reyWind have recently released their new single, "Desolate," which was the featured song on the Home Grown Hero segment on Today FM's Dermot and Dave show last week.

GreyWind will be playing a headline show in Whelan's, in Dublin on December 12th, before their debut hometown show at the INEC on

December 29th where they will support the Coronas.

Paul explained that growing up their house was very musical, "Our mother was always singing and our father would be listening to Queen and Thin Lizzy." Paul said that upon leaving school both he and Stephanie knew that a conventional career path was not for

them. Paul added, "all we ever wanted to do was play music, it was our biggest dream, we put everything into it, we did not want to go to college, we just wanted to form a band."

Paul confirmed that the band name GreyWind originates from Game of Thrones. In the show GreyWind is Rob Stark's direwolf. Paul explained, "that it was almost like a "Eureka" moment as both he and Stephanie felt the name perfectly encapsulates our style of music." Paul added that both he and Stephanie are close and they share the same musical tastes.

Paul explained, "that growing up in Killarney, we could never find other members to form a band and we felt we could not wait anymore, so we booked ourselves into a studio in Belfast in 2014 and recorded our first song, "Afterthoughts."

Success was instantaneous. The day after posting it online all the major studios were eager to sign GreyWind. Paul admits that this was very unusual and at the time it was a bit surreal. However Paul attributes their success to "hardwork."

GreyWind recorded their debut album "Afterthoughts" in Texas. The album charted in the official UK rock charts. Since then GreyWind have gone from strength to strength, playing some of the biggest festivals in the world, including Reading, Leeds and Isle of Wight.

Paul revealed, "that I did not start playing guitar until I was 18, but Stephanie and I honed our craft with a lot of practice and effort." Paul added that their greatest motivation, "is to inspire people," and he believes that their own meteoric rise is proof that people can achieve their dreams.

# NEW APP GUIDES VISITORS ALONG WILD ATLANTIC WAY

**A new app developed by Kerry County Council which provides information about activities and places of interest along the Wild Atlantic Way was launched on Monday by the Minister of State at the Department of Transport, Tourism and Sport, Brendan Griffin.**

Kerry County Council were successful in securing funding under the Digital Innovation Programme of the Department of Rural and Community Development to develop hardware and digital content to provide visitor access to interactive digital mapping on mobile devices at each Wild Atlantic Way (WAW) Discovery

Point. The resultant 'Atlantic Discovery App' is now available for download.

The 'Atlantic Discovery App' contains rich community derived location specific information such as sites of interest, walks, activities, current events, and amenities. It also guides you to your next stop along the WAW while highlighting points of interest along the intervening route.

The app works as a 'Mobile Tourist Office' and will enable visitors to plan their route and will encourage them to stop more, explore more and to enjoy the local areas along the Wild Atlantic Way. This will also encourage visitors to stay in these areas thus benefiting the local economy.

The app is currently available for Android and can be accessed from the Google Play Store. The iPhone version will be available in the coming weeks.

## 'A line of cones won't stop a speeding car, but you can'

**Council launches campaign to improve safety at roadworks sites.**

Kerry County Council has launched a new campaign to promote awareness of the responsibilities of motorists approaching or driving past roadworks which are underway on the county's roads.

Dangerous driving at roadworks where a one-lane system or diversions are in place can endanger the safety and lives of council staff or those contracted to carry out works on behalf of Kerry County Council.

The awareness campaign is aimed at reminding motorists of the need to approach roadworks with care, to drive past roadworks slowly and carefully and to heed advisory signage and the presence of traffic cones at roadworks locations. Safety Officer with Kerry County Council, Tim O'Sullivan said motorists should observe four simple principles when approaching roadworks: Adhere to the speed limit on display; follow the temporary road signage in place; stay alert for roadworkers and machinery; and keep a safe distance from the vehicle in front.

"At any given time, there are multiple road repair and maintenance works taking place around the county with varying numbers of workers at different locations. To all intents and purposes, these working location constitute the workplace of those individuals and they are entitled to carry out their work in a safe environment.

"Part of ensuring that these workplaces are

safe involves the cooperation of motorists. It is understandable that delays caused by roadworks can lead to frustration, but we are asking drivers to drive past roads workers as if they were family members. They might not be the driver's family, but they are someone's.

"A significant problem can be motorists breaking red lights at roadworks where temporary traffic lights are in place. This endangers the safety of the motorist themselves, other road-users and

those working on the site and should never be done.

"With the patience and cooperation of all road-users, we can ensure that motorists and workers alike avoid accidents, injury or worse. So, our main message is: A line of cones won't stop a speeding car, but you can," he added.

The publicity campaign will take place on Kerry County Council's social media accounts over the coming weeks.

# It's the Most Wonderful time of the Year!

**The Killarney Chamber of Tourism and Commerce is delighted to announce the return of the hugely popular Christmas in Killarney Festival.**

This year's Magic Parade, with very special guest Santa Claus, takes place on Saturday 23rd of November at 6 pm, and mini parades are taking place on the 30th of November 7th, 14th, and 21st of December also commencing at 6 pm.

Killarney on ice returns to the Beech Road Car Park and will operate from Friday 29th of November to 5th of January.

This year's Dine in Killarney has more restaurants taking part than ever before!

Dine in Killarney takes place on Thursday 21st and Thursday 28th of November. Check out the participating restaurants and make your reservation to enjoy a three-course meal at the special price of €30 per person.

Santa Claus will be returning to Santa's Cottage in the Old Market

Lane on November 30th, and boys and girls (young and old!) Can come and see the big man himself on the 1st 7th, 8th, 14th, 15th, 20th, 21st, 22nd, 23rd of December. Unfortunately Santa has to make his way back to the North Pole on Christmas Eve!

Killarney really is the place to be at Christmas time with top class shows at The INEC like Picture This, Walking on Cars, Vladimir's Viennese Christmas and Cinderella the Magical Pantomime.

Join in the fun of the festival and make your Christmas one to remember at Christmas In Killarney 2019

## *Jingle bells, Jingle bells, Jingle all the Way Down Main Street Killarney!*

**Magic is in the air in Killarney with the first of our Magic Parades this year kicking off on Saturday the 23rd of November at 6pm.**

This extra special night see's Santa, his elves and many many more parade through the town as well as the magic moment when the Christmas lights get turned on! The streets of Killarney will be filled with festive lights, music, colour, snow and over a dozen bright and colourful Floats! Santa has also confirmed that many of his friends will join him on the night including Minnie and Mickey Mouse as well as frozen stars Anna, Elsa and Olaf and the gang from Toy Story will be joining in on the fun! Keep an eye out for the Grinch this year, but he wont be allowed to spoil the fun!

The floats and characters will be joined by a host of Killarneys children from many different Primary Schools. Leading the Parade as always will be Mayor of Killarney Cllr Michael Gleeson together with his colleagues' local councillors from Killarney Municipal District.

You'll get a great view of Santa

all along the parade route which takes in Beech Road, Mission Road, East Avenue Road, College Street, Plunkett Street, Main Street and finally down New Street.

There will also be Mini Magic Christmas parades on Saturday 30th November, 7th, 14th and 21st all commencing at 6pm.

Recommended Family Viewing areas allow for a better view for small children and easier buggy access. Families can watch in relative comfort along College Street or at the end of the parade along New Street as the parade makes its way home rather than the very heavily crowded areas along Plunkett Street and Main Street. When speaking to Santa he informed the Christmas in Killarney committee that there is still time to make the nice list if you are on your best behaviour for December and to make sure you post your letters in plenty of time.

Christmas in Killarney would like to acknowledge the support of all our sponsors and the support of our partners Kerry County Council and Killarney Chamber of Tourism & Commerce.

*Sponsors of National Council for the Blind of Ireland's Dine in the Dark campaign*

**Specsavers recently teamed up with Chef Adrian to announce their continued partnership with National Council for the Blind of Ireland (NCBI) as sponsors of this year's Dine in the Dark campaign.**

With over 54,000 people in Ireland being blind or vision impaired, Specsavers Killarney is always looking at ways to promote a proactive approach to good eye health.

Dine in the Dark challenges people to dine blindfolded in restaurants across the country in a bid to raise awareness and vital funds for life changing sight loss services in Ireland. The Brehon Hotel will host Specsavers Dine in the Dark on Saturday, 9 November and The

Aghadoe Hotel on Thursday, 14 November, with all proceeds going towards NCBI.

The experience is fully immersive ensuring sighted people become aware of some of the challenges people who are blind or vision impaired experience on a daily-basis. Having to adjust to life with little or no vision is overwhelming as people must learn new adaptive skills, skills that most people take for granted.

Store director at Specsavers Killarney, Thomas Doyle comments: 'At Specsavers Killarney, we are extremely proud to continue our relationship with NCBI and to be sponsoring the Dine in the Dark campaign. With over

54,000 people in Ireland living with blindness and vision impairment, with a number of these cases preventable with a proactive approach to eye health, we are delighted to support in any way we can. Not only to fundraise but to help educate people about the importance of regular eye tests.'

To take part in Dine in the Dark, simply call Aghadoe Heights Hotel on 064 663 1766 or The Brehon Hotel on 064 663 0700 to make a reservation. To view more participating restaurants, please visit [dineinthedark.ie/2019-events/](http://dineinthedark.ie/2019-events/).

MONEY MATTERS.....

**By Dermot Cronin,

**HAVE YOU GIVEN UP SMOKING WITH OVER 12 MONTHS?**

**IF THE ANSWER IS YES AND YOU HAVE ANY OF THE FOLLOWING:**

- Life Cover
- Mortgage Life Cover
- Serious Illness Cover
- Income Protection

Then it is very likely that you are paying too much for your insurance regardless of whether the policy is in one person's name or in two names. By reapplying for the same amount of cover you have over the same remaining term there is a very strong possibility that you may have a substantial reduction in your premium. For example a 35 year old male smoker with €200000 life cover and €100000 serious illness cover over 20 years would pay at present €75.23 per month whereas for the same cover as a non smoker the premium is reduced to only €47.61 per month, this is an annual saving of €331.44 and over a 20 year term a saving of over €6628.80.

The Probationary period – a guide for employers

Most permanent contracts of employment should provide for a probationary period, usually of six months in duration. The purpose of a probation period is to allow the employer a fixed period of time to evaluate the suitability of the new employee for their role based on performance and behaviour.

**KEY POINTS FOR SUCCESSFUL PROBATION MANAGEMENT:**

- Plan your probation period as part of the On-boarding process for all your new hires.
- Include in the employees contract that employment is subject to a probation period.
- Ensure you have clearly set out the length of time for the probation period and that the probation can be extended, and for how long.
- Have procedures on how you will manage issues during the probation period – specifying how you will implement your disciplinary procedures during this period or have a separate probation procedure.
- Have regular review points during the probation period to give feedback and guidance on performance or company standards.
- Whatever your defined procedures are, ensure you apply and follow them fairly during the probation period, this may well come under scrutiny if it is examined afterwards.
- Document and file each stage of the process, where applicable; meetings, warnings, extensions, confirmations, terminations.
- Manage the probation process in a timely manner – if the period of probation passes and you have not confirmed anything with the employee, it may be too late to commence probation procedures a month or so after the probation end date.

*For help, support and advice on the above or on any of your HR & Payroll needs please feel free to contact us.*

## Hard work and community spirit keeps Kilcummin Looking Good

A huge display of hard work and community spirit is the recipe behind the success of the Kilcummin Looking Good community group. This voluntary group, which plan to continue to work into the winter, aims to enhance the physical and social environment in the community of Kilcummin works tirelessly behind the scenes throughout the year. Following on from their AGM on October 29th 2019, they keenly began with their planning for the next 12 months. Kicking off with A new community composting project in conjunction with St. John of God's volunteers in the millennium park located in the heart of the village. We need your help and we're hoping that if anyone living in the community has unwanted leaves in their garden that they

would bag them and leave them inside the gate of the park. They would be a great addition to help us to get the project started. Also, we are seeking volunteers to take part in a community litter collection which takes place on Saturday, November 23rd. Volunteers can gather in the village at 10am. Rubbish bags will be provided and disposed of – so all that is needed is a bit of enthusiasm and community spirit. Finally, a clothes collection has been organised for Saturday and Sunday, the 23rd and 24th of November. This will be available to anyone living in the community before, during and after mass at 7.30 on Saturday and at 11.30 on Sunday outside the church. It is important to remark on the hard work and efforts of not only the

commit but the support and co-operation from the community. We were very successful this year and exceeded last years 'Tidy Towns' score by 8 points overall. The judges gave valuable feedback but were very complimentary on all of the work completed to date. We would like to thank everyone involved for their support and efforts. For regular updates on the work being done in your community; you can follow their facebook page "Kilcummin Looking Good".

# Kenya Education Project remembers Carmella

*Eddie Sheehy looks back on 2019*

**As another year of fundraising and volunteering comes to an end we reflect on the sad loss of our trustee and dedicated member Carmella.**

Carmella was passionate about the project, used every opportunity to promote its cause especially in Killarney Community College where fundraising was an annual event in the school calendar. She visited Embulbul on three occasions where she made instant connections with local people and was affectionately known as "Mama Triona". Her enthusiasm, wise counsel and positive outlook will be greatly missed but the work will continue in her honour.

During 2019 a number of volunteers from St. Brigid's, Killarney, Holy Cross Mercy, Presentation Castleisland, Fossa N.S. Currow N.S & Cordal N.S. visited Embulbul. They spent time assisting at the feeding program, visiting homes of families in need, and experiencing life in Bro. Beausang School. In August the highly successful Summer Camp continued with 30 boys and girls from the slum village engaging in a range of fun activities and educational pursuits.

Thanks to the continued generosity of so many people in the Killarney area as

well as primary and secondary schools the project continues to help people in a number of ways. The school sponsorship program is helping a large number of children achieve an education, the feeding program provides a hot meal to 80 boys and girls each weekday evening at cost of 650 euro per month, the furniture program, supported by Electric Aid Ireland is providing beds and furnishings for needy families. A number of students continue to be supported in further education, in April 2020 Charles will graduate with a Business degree thanks to a bursary received from K.E.P. Eliud is now in second year of teacher training, and Lucy is due to graduate in September with a science degree while Jecinta now employed continues her secretarial studies. Recently some money was donated to help complete a hostel for girls on the grounds of the school. The K.E.P. is grateful for all the support received from primary and secondary schools, the annual table quiz, coffee morning, Fossa parish collection, Dochas Killarney, Ring of Kerry Cycle, Electric Aid and the many, many generous donations received on an on-going basis. Asante Sana to all.

# UCC launches Social Farming Course

**F**or the past three years Kerry farmer Breeda O'Sullivan has been participating in social farming with her namesake, Breda O'Sullivan. Every week for the past three years Breda travels to the farm in Glencar and spends time with the O'Sullivan family and the animals on the farm.

Now a course to up skill farmers to work with people with disabilities on their farm has been launched by University College Cork (UCC). UCC's Adult Continuing Education and Applied Social Science departments in conjunction with the Skellig Centre for Research and Innovation came together to offer a Certificate in Practice Support in Social Farming. The one-year programme will provide students with the

skills to work with people with disability both on social farms and in a community setting.

"We listened to the farming community and they wanted a course that gives them the confidence to work with people with disabilities" commented Belinda Gascoigne, Manager of the Skellig Centre for Research and Innovation. "We are half way through our first course and it is inspiring to see the interest and community being grown around social farming in Ireland."

"Rural Ireland has been getting lonelier and lonelier and as one thing after another closes, social farming has drawn our community together. Breda has become part of our family and you just have to look at the scrapbook she keeps of her visit here to see how much it means

to her. Every week I participate in UCC's new course and it has helped build my confidence and understanding."

The course was officially launched by the Minister for State at the Department of Transport, Tourism and Sport, Brendan Griffin TD.

Social Farming Ireland has grown out of a cross-Border project in which farmers from six counties in the Republic trained with farmers in six counties in Northern Ireland to become social farmers. Social Farming has seen growth across Ireland and it currently operates in farms in Kerry, Tipperary, Carlow, Kilkenny and Waterford.

# "Best of the Best" are coming to Killarney for the final battle of the year

**A** display of historic rally cars marked the launch of the Killarney and District Motor Club Rentokil Initial Killarney Historic Rally on Sunday in the Gleneagle Hotel Killarney.

With a large crowd in attendance, officials, organisers, competitors, sponsors, distinguished guest speakers, WRC Co Driver Paul Nagle and Dignitaries of Killarney town were on hand to support the event.

Ireland's only event to cater solely for historic rally cars and is set to run on Saturday the 30th November. MC on the night was non-other than Mike Marshall, he introduced Niall Kelleher Mayor of Kerry County Council who spoke of how important the rally is to Killarney Town, bringing a welcomed revenue boost to the local economy. Minister of State for Tourism and Sport Brendan Griffin TD spoke on the commitment and dedication of the voluntary club members involved and their ability to host an event of this magnitude every year. Other guest speakers included Michael Gleeson (Mayor of Killarney) Paul Sherry (President of Killarney Chamber of Tourism and Commerce) Michael O'Mahoney of Rentokil Initial and Paul Nagle who spoke of the honour and pride having a cup in memory of his late father Maurice. This year the Killarney and District Motor Club are pleased to announce the appointment of their new clerk of the course for the Killarney Historic Rally 2019 with the experienced Darren McCormick takes charge for his first year. History is being made as Darren is the first second-generation clerk in the 42-year history of the club.

Rentokil Initial managing director Michael O'Mahoney with Darren McCormick (Clerk of the course), Dan Keane, Johnny Hickey (PRO), Noreen Marshall, Mike Marshall, (deputy clerk of the course), Paul Sherry (President of Killarney Chamber of Tourism and Commerce), Cllr Niall Kelleher (Mayor of Kerry) Martin Farrell (deputy clerk of the course), Cllr Michael Gleeson (Mayor of Killarney) and club members and supporters at the launch of the Rentokil Initial Killarney Historic Rally at The Gleneagle Hotel Killarney, on Sunday.. Picture: Eamonn Keogh

Darren is following in the footsteps of his father Gary who clerked the rally three times between 1999 and 2001. Growing up around KDMC Club events, Darren has taken on every role within the club from marshalling, to equipment officer, chief marshal, club safety officer and deputy clerk of the course in the past. This year Darren has stepped up to the mark and will take charge of one of the club's most prestigious rallies.

Darren has stood back and put his own stamp on this year's event, specifically building this year's

rally around the competitor and in doing so he has selected the best classic stages available around Killarney Town, offering the competitor 120Km of 8 special stages, followed by short road Km's which allows for an easy recce, the format of stages will be 3 stages repeated twice and two special 15km stages run within close proximity to Killarney town, note that all stages are to be Run in daylight this year, Centralised service will be at Liebherr container crane Factory Fossa and the Gleneagle Hotel once again as our Rally HQ.

## THE MAURICE NAGLE PERPETUAL CUP UNVEILED

The late, great Maurice Nagle will be forever remembered on the Killarney Historic Rally. Maurice, one of the leading lights of Killarney and District Motor Club passed away last year after an illness. He was one of the greatest workers in the club but his true legacy is the Killarney Historic Rally. Back in 1996, a few years after the Rally of the Lakes switched from its early December date to its now traditional May Bank Holiday slot, Maurice identified a gap in the rally calendar and set about running the first Killarney Historic Rally.

The event has grown in stature, the only rally of its kind in Ireland regularly attracts a capacity entry and is now a central piece of Irish Motorsport and the Christmas in Killarney Festival. Shortly after Maurice's passing, his friends, led by well-known rally preparation expert Dan Cashman set about fundraising for the creation of the Maurice Nagle Perpetual Trophy. It will be presented to the overall winner of the Historic Rally.

The trophy was unveiled for the first-time last Friday night, when Dan and his group of supporters presented the trophy to the Nagle

family at a special function in Charlie Foley's Bar in Killarney. Such was the support for the trophy, Dan raised over €3,500 in surplus funds

and this extra cash was presented to the Cork-Kerry Cancer Bus.

# KILLARNEY TOWN TALK

## AWARD WINNING KILLARNEY PLAY ON TOUR

'Dead Man's Bells', an award winning dark comedy written, developed and produced in Killarney, is currently representing Kerry in the All Ireland One Act Drama Festival. The play, a gothic rural tale told by unreliable narrators, is set to hit the Killarney Avenue on the 11th of November, its cast and crew ready to bring home the play's deliciously dark humour and quick wit. Directed by Aisling O'Sullivan Darcy, 'Dead Man's Bells' boasts a cast of three women who balance the dark and the craic onstage for an hour of familial bickering and twisting tales. Reidín O'Connor, Katie Ryan, Méabh de Brún and Kieran Summers on lights are delighted to invite you to see the award winning show for yourself. For of an evening of gasps and laughs, come along to the Killarney Avenue on the 11th of November. Doors open at 7.30pm. Tickets are €10.00 at the door or forward a reservation to [tomeabh96@live.com](mailto:tomeabh96@live.com).

## DEBUT BOOK BY KILLARNEY AUTHOR SHORTLISTED FOR TOP IRISH AWARD

THE debut book by a Killarney author has been shortlisted for the Bord Gáis Energy Sports Book of the Year in the An Post Irish Book Awards. Fossa man Kieran McCarthy, who previously worked as sports editor with The Kingdom newspaper in Killarney, has penned *Something in the Water*, which charts the incredible success of Skibbereen Rowing Club. The Killarney journalist, who is sports editor of The Southern Star in West Cork, tells, for the first time ever, the story of how the Skibbereen club conquered the world.

This is the club that gave the world Olympic silver medallists Gary and Paul O'Donovan who captured the hearts of the nation in 2016, and *Something in the Water* goes behind the scenes to tell the story of Ireland's most successful rowing club. Killarney Olympic rower Paul Griffin also features in this new book that's already causing waves nationally, as the Fossa man competed in the same Irish lightweight men's four alongside Skibbereen's Eugene Coakley and Timmy Harnedy. Together, they qualified for the 2004 Olympics in Athens.

*Something in the Water* is one of six books shortlisted for the Bord Gáis Energy Sports Book of the Year, and the winner will be announced at the An Post Irish Book Awards' gala ceremony in the Convention Centre in Dublin on Wednesday, November 20th. You can vote online for *Something in the Water* on the Irish Book Awards website, [anpostirishbookawards.ie](http://anpostirishbookawards.ie).

This book, published by Mercier Press, is on sale locally, in Easons in Killarney and O'Connor's Newsagents.

## Talk kindly to yourself!

Have you ever been aware of that inner voice in your mind that talks to you about what is happening in your life? This is called self-talk. Sometimes we are aware of this inner self-talk and at other times it may be invisible to us. The key is that it is this internal dialogue that has the power to make our experience of ourselves and our life the best it can be or the opposite. Once you become aware of the inner chatter, you can begin to make choices about what you want to tell yourself about your life and this can help change what you feel and also what you do.

### Choose soothing inner talk for peace and calm

Whenever you feel stressed or anxious try using the following statements to help soothe and calm you. Repeat gently and

kindly to yourself. It's all okay, slow down, just take it easy, all is well, I can handle this, just take a deep breath, you're doing well, you've got this.

The power of our own inner self-story cannot be underestimated. When you choose to encourage yourself and talk kindly to you, it activates positive images in our minds that help produce the feelings we want to experience.

*Choose the good thoughts!*

Come and spend a weekend with me at the Meadowlands hotel at "Your Ritual Retreat" on 15th, 16th, 17th November and leave feeling totally uplifted and fabulous! Please call the Meadowlands on 066 7180444 to book.

STACK O'BRIEN OPTICIANS

## NEW TECHNOLOGY Now Available

Our eyes are amazing, complex and precious, and deserve the best possible care, treatment and attention. That's why at Stack O'Brien Opticians we have invested in the latest technology to bring to the area, a globally acclaimed instrument – an OCT, which digitally scans and photographs your eyes.

So why is this service so important and what makes this technology superior? In summary, this technology monitors and scans the human retina, which is a thin and sensitive tissue at the back of the eye. This complex structure supplies the retina with blood. Everyone's retina is different – indeed, a set of identical twins do not share similar patterns. Sometimes, retinal patterns may be altered in the cases of diabetes, glaucoma or other retina degenerative disorders.

A retinal scan of a patient's eye can instantly pick up any changes to the health of the eyes and we will be able to advise on the next steps you should take. It's a quick and comfortable non-invasive treatment. You can even get to see an amazing 3-D illustration of your eye with the OCT, enabling us to talk you through the findings right there in the Consultation Room.

Retinal screeners that digitally scan the eyes are very accurate and are one small step everyone can take to not only check-up on the health of their eyes, but indeed their overall health as high blood pressure and diabetes can be picked up by the optometrist using these instruments. When you consider how precious our health is, and our sight, it's a logical step to book in an eye test.

The service is available now for patients.

**KILCUMMIN GAA****CREDIT UNION CO LEAGUE****KILCUMMIN 3-16 Kerins O'Rahillys 1-12.**

Our seniors put in a fine performance last Sunday in the final round of the county league with a resounding victory over Kerins O'Rahillys who were in a position to reach the league final. The victory was marred however by a bad injury to Sean O Leary who may miss the rest of the year as a result. However we hope he doesn't and wish him a speedy recovery. Sean was putting in a powerful performance throughout the game as part of a defence that contained a very good Rahillys forward line. Kevin McCarthy showed that he is returning to top form with a storming performance that yielded 2-2 from play and created a third goal for his brother John. Gary O'Leary, Matt Keane and Noel Duggan were chief points scorers but the entire team and substitutes played their part. Donal Maher, Kevin McSweeney, Damien O'Leary and Sean Moynihan had good games in defence while Kieran Murphy had a major influence in the middle of the field throughout. **EAST KERRY MINOR CHAMPIONSHIP**

East Kerry Minor Championship Div 3 Semi-final Kilcummin 4-14 Furies 3-14. Played in Furies this was a fantastic result for our minor team considering that we were 9 points behind early in the first half. Indeed this could have been even more, were it not for some outstanding saves from Keith O Leary in goal. We showed some great character and with a never say die attitude we clawed back the deficit and forged ahead at the death for a three point victory. While this was very much a team effort it is hard to ignore the contribution of Paul O Shea who accounted for 4-9 of our total. We now go forward to meet Glenflesk in the final a repeat of last week's League final. Another tight epic encounter is in

store at a date to be confirmed.

**GAA FUNDRAISER "WALL OF CHAMPIONS"**

This is an unique fundraiser being run by the club to complete phase B of the current development. This will involve interior fittings and works as well as external ramps and ground works and will compliment all works to date which include provision of new training facilities, a walking track, perimeter fencing and the structure which will comprise of two new dressing rooms, referees room, treatment rooms and Gym facilities.

The "Wall of Champions" fundraiser allows people the opportunity to honour Past, Present and Future generations by purchasing a space on the wall for as little as € 5 per week for 12 months or a once off payment of € 250. It is envisaged that people will purchase them as a memory of a loved one that is RIP, as a wedding present, as a christening present or just as a way of being associated with their progressive and successful club, 2019 All Ireland Intermediate club champions. Also people are aware that these facilities will not only improve the quality of life for ourselves but also for our children and grandchildren, as well as sister organisations within the parish.

Kilcummin GAA Club would like to acknowledge the work of the development committee, the volunteers and the people who have supported this project to date. One last push and we will

have a facility to boast about. Contact any member to purchase a "Brick" and declare your support for our future.

**GAA LOTTO** There was no winner of the Lotto on Sunday 3rd Nov. Numbers drawn were 2,15,16,18. Next draw Sunday 17th November Jackpot €9,400.

**GROUP WATER SCHEME** Cllr. Maura Healy Rae is glad that following her notice of motion and representations works will be carried out to connect the Group Water Scheme at Dooneen, Kilcummin, to the public water supply, this work may be carried out in the next couple of weeks but will definitely be completed before Christmas.

**FUNDING:** Kilcummin based Councillor Marie Moloney welcomes the announcement of funding of €100,000 under the Town and Village Renewal Scheme for Kilcummin.

This funding covers additional lighting, underground electricity services and the provision of a footpath from the local housing estate to the village. Councillor Moloney stated "I am delighted that the application for Kilcummin has been successful. It is the only area that got funding in the Killarney Municipal District. It will at last provide the much needed footpath to link the local housing estate, to the village, which will ensure the safety of the children walking to the local school, which has been an issue for quite some time.

While points from Padraig O'Sullivan and Fergal stretched the Beaufort lead straight after half time, Glenbeigh narrowed the gap to 1 point with 5 minutes left to play. However,

## MINOR EAST KERRY LEAGUE

### Glenflesk 1 – 13 Kilcummin 2 - 12

Glenflesk's minors were just edged out by Kilcummin in the long awaited replay of the East Kerry Minor League on Monday afternoon. After the drama of the first game another belter was expected. This did not disappoint.

After an edgy start it was Glenflesk who struck first when Dara Tangney's shot just cleared the crossbar to give them an early lead. Kilcummin then scored the next three points. Paul O Shea getting two of them with Danny Cronin adding another. Glenflesk's response was impressive as they scored five unanswered points. Kevin and Tommy Bowler scored successive efforts before David O Connor and Eoin Moynihan helped them to a six three lead during this period of dominance. Mark Kelliher had to make a good save soon after as he came out to smother a shot from close range. Kilcummin's goal soon arrived though, as wing back Dylan Murphy came forward to dispatch a shot to the net. A free kick from corner forward Darren Lehane on the stroke of half time gave them a one six to seven points lead at the break.

Glenflesk needed a quick start to the second half after their sluggish end to the opening period.

They got it as Patrick Darcy scored a beautiful point almost directly from the restart. Kevin Bowler added another within seconds and Glenflesk then manufactured a classy goal to go ahead. The ball was worked inside to Cian Lynch who had a easy point opportunity available. He only had eyes for the netting though as he bulleted a right foot shot through the goalies despairing dive. Mark Kelliher then scored with a forty five as Glenflesk opened a five point lead. Kilcummin had no thoughts about giving up though. They scored three quick frees as Glenflesk struggled to move the ball up the field and then went back ahead as Dean Bradley Cronin finished to the net expertly after escaping the home sides rear guard. Eoin Moynihan replied for Glenflesk before O Shea scored another free. Tommy Bowler equalised but it was Kilcummin who got the final two scores and held out the desperate Glenflesk attacks to become champions.

Kilcummin worthy champions then. To come to another teams home for a final and prove victorious is very impressive. For Glenflesk, a disappointing end after two matches where both teams left nothing in the dressing room. The team do have another chance though

as they have qualified for the East Kerry Championship final which will be played in due course. The players need to keep their heads up as maybe the breaks will fall their way that day and the glory will be theirs.

## Pat Griffin RIP

On behalf of all connected with Kerry GAA, I wish to send our deepest sympathies to sons Padraigh and Mark and members of the Griffin family on the death of Pat Griffin. In 1964 Pat won a medal with Kerry in the U21 championship final. In 1967 he helped Mid Kerry win their first ever County Championship title which made him Kerry captain in 1968. Pat scored 1-5 in the All Ireland Semi Final and was awarded 'Man of the Match'. Kerry came up against a very good Down team in the final and were beaten on a scoreline of 2-12 to 1-13. Pat went on to win 2 All Irelands in 1969 and 1970. Pat Griffin played his last game for Kerry in the opening round of the 1974 Munster championship when he replaced Mickey Ned O'Sullivan. Pat also lined out in 53 League games for Kerry and scored a total of 4-35. Pat Griffin is a true Kerry GAA legend.

## DR CROKES CLUB NOTES

### SENIOR COUNTY CHAMPIONSHIP SEMI FINAL REPLAY

### Played in Fitzgerald Stadium

#### Dr Crokes 1-14 South Kerry 1-08

A strong second half display was instrumental in giving us a six point victory over South Kerry on Sunday last. The injury to Brian Sheehan did not help our opponents chances but over the hour we took our chances the better even though we squandered a few goal chances in the first half. In the first ten minutes the teams matched each other for scores, both sides sending over two points. A Michael Potts goal in the 11th minute put daylight between the teams but South Kerry outscored us three points to one in the next ten minutes to leave our opponents just one point behind. We got on top in the final ten minutes and had three points without reply to go in at half time 1-6 to 0-5 in front.

We went five points clear in the 34th minute but were shocked by a South Kerry goal which reduced our lead to just two points. We outscored our opponents by three points to one in the next ten minutes to lead by four points. The teams again exchanged points but a point by South Kerry in the 52nd minute reduced our lead to just one score. That goal did not happen for our opponents in the remaining minutes of normal time during which period we added on three points for a 1-14 to 1-08 victory.

This was without doubt our best display in this competition. It was a very collective performance with all our players contributing handsomely. We took our point chances very well and now reach our eight County Final in this decade.

Team and Scorers: Shane Murphy, John Payne, Mike Moloney, Fionn Fitzgerald, Michael Potts 1-01, David O'Leary, Gavin White, Johnny Buckley, Mark O'Shea, Micheal Burns 0-2, Gavin O'Shea, Brian Looney 0-1, Tony Brosnan 0-6, (0-3 frees), Daithi Casey 0-4 (0-1 free), Kieran O'Leary. ## KEEL GAA NEWS

**U16:** Keel/Listry travelled to JP O Sullivan park on Sunday for the U16A Mid-Kerry Final against Laune Rangers. It was Laune Rangers who opened the scoring through their wing forward Eoghan Hassett who proved to be a danger for the Keel/Listry defence throughout the game. However, Keel/Listry responded with excellent points from play from Aaron O Shea and Liam Evans who worked relentlessly throughout the encounter. After six minutes Keel/Listry were on top on the scoreline of 0-03 to 0-01 after another from Aaron O Shea from a free. However, Laune Rangers ensured that their key player Eoghan Hassett was supplied with ball and he slotted another over for his side. Aaron O Shea added another for Keel/Listry from a free before Laune Rangers edged closer to closing the gap with two points from Eoghan Hasset. Keel/Listry gained possession through Keith Evans and Aaron O Shea who supplied excellent ball to Liam Evans and James O' Dowd which resulted in two vital scores for Keel/Listry. Aaron O Shea added another shortly after from a free although, after Keel/Listry's dominance in possession Laune Rangers finished the half stronger with two points from Eoghan Hassett which left the half time score Keel/Listry 0-07, Laune Rangers 0-06. It was Laune Rangers who opened the scoring in the second half through Eoghan Hassett who was extremely accurate throughout the game. Aaron O Shea placed one over the bar after three minutes into the second half from a free which left the score Keel/Listry 0-08 Laune Rangers 0-8. It was the home side who took charge of the game from here on and the determination from Keel/Listry was not enough. Laune Rangers kept Keel/Listry scoreless until the twenty sixth minute which allowed them to add some excellent scores to the board through Eoghan Hassett 0-01, Jack Healy 0-01, Marc Clifford 0-02, Ciaran O Sullivan 0-01 which left the score Keel/Listry 0-08, Laune Rangers 0-13 after twenty six minutes. Aaron O Shea added Keel/Listry's second and final score of the half from a free in the twenty sixth minute and Laune Rangers finished out the game with two points from substitute Darragh O Grady and goals from Jack Healy and Jack O Sullivan. It was Laune Rangers who claimed the title in the U16A Mid-Kerry Final 2019 on the score line of Keel/Listry 0-09 Laune Rangers 2-14.

## MOYNIHAN AND SHAW TO MISS OUT

Two of Kerry's most talented forwards will miss out on this year's Senior Football County Final as both East Kerry's Dara Moynihan and Dr. Crokes David Shaw have been ruled out. Moynihan who featured in only one game for East Kerry is a long-term injury, while Shaw picked up his hamstring injury against South Kerry in their drawn senior football semi final encounter. Tony Brosnan who has a confirmed broken bone in his hand will wear protective cover and Kieran O'Leary who picked up a cheekbone injury is believed to line out.

## DONIE'S HEART AND HEAD SAYS DR. CROKES

The manager that led East Kerry to four of their seven county titles has said that his "heart and his head" says Dr. Crokes ahead of the big day. Popular Chemist Donie Sheehan a sprightly 93 years old feels that the East Kerry's defence will need a big game while conceding that Dr. Crokes will have to come up with a plan for David Clifford. "I think we will have to put three players on him, well definitely two anyway". Sheehan who never misses a Dr. Crokes game

has been involved with the club all his life feels that the loss of Jordan Kiely and David Shaw through injury is a big loss for the town side.

David Shaw (left) and Dara Moynihan (right) both out due to injury.

## EAST KERRY LOOK FOR 8 AS CROKES WANT NUMBER 14

Sunday will give Dr. Crokes to put some clear daylight between themselves and the rest of the winners of the Kerry county championship when it comes to the leader board of Senior County Football titles.

Currently sitting on 13, the Lewis Road outfit are already ahead on the all-time leader board of Austin Stacks with 12 while Laune rangers, John Mitchel's and South Kerry all have 10 each. Crokes who won their first title in 1901 when they defeated Cahirciveen 1-2 to 0-2, have

a habit of collecting their titles in bunches. They won three in a row between 1912-1914. They then had to wait 77 years before they collected their 5th title in 1991 and added their 6th in 2000 and waited another ten years for title number 7 in 2010. That win led to them winning four in a row in a run that ended in 2013. Having watched Austin Stacks win in 2014 and South Kerry in 2015. It was time for another big run, which could end with another four in a row on Sunday, having won in 2016,

2017 and 2018.

Meanwhile their opponents East Kerry who currently have 7 county championships look to end a big drought of 20 years on Sunday as they last won the Bishop Moynihan in 1999. That win ended a three in a row run having won 1997 and 1998.

That was their second three in a row record having won in 1968, 1969 and 1970 previously. Their first title was won in 1965.

## SPECIAL COUNTY FINAL PROGRAMME ON OFFER

It is one of the great traditions of any senior football county final is collecting the match day programme. This year Kerry's Coiste na nÓg have produced a superb match programme with brilliant articles and interviews.

Under the stewardship of Coiste na nÓg PRO Damien McCarthy and Jimmy D'arcy

O'Sullivan who have spent a number of weeks coordinating the effort, the final product is fitting of a county final.

All money raised goes to Coiste na nÓg for the running of their competitions and will ensure that the next David Clifford's and Tony Brosnan's will come to the fore.

Uniquely enough both Damien and Jimmy will each be supporting a different team on Sunday with Damien reverting to his Dr. Crokes roots and Jimmy, a proud Spa GAA man surely willing on East Kerry

# THE MORE THINGS CHANGE

## THE MORE THEY STAY THE SAME

Dr. Crokes will be seeking their eight county title in ten years on Sunday. Donal Barry spoke to selector Niall 'Botty' O'Callaghan and team captain Brian Looney ahead of Sunday's County Senior Football Final.

The Dr. Crokes Team to play East Kerry on Sunday.

Brian Looney, Captain.

It has been such a long road for Brian Looney in the Dr. Crokes jersey that it does not jump out at him that he will lead his team out for the last county championship final of the decade having already secured victory as captain in the first year of the decade.

*"I haven't thought about it in that way, but it is a great honour to be bestowed upon you especially in a team that is full of great leaders. The captaincy does not change my approach to games. That win in 2010 was the 'monkey off our back' after trying so hard in the late noughties. South Kerry were our big obstacle at the time, so it was great to get over that hurdle."*

The more things change the more things stay the same and Dr. Crokes have a great knack of replacing great players with a fresh current crop. Two big names from the first win of the decade have gone from the dressing room and Looney once a young player has now taken on a leadership role that was once the jobs of Eoin Brosnan and Colm Cooper in particular.

*"It's a small adjustment especially when they were heroes of yours growing up. I was privileged to share a dressing room with both for 14 years and they were a big part of both the dressing room and the team. They have stepped away from it, but we are now looking at the younger fellas in the dressing room and those who have been around a bit longer to step up. Colm and Eoin are missed in their own way with the qualities they brought to the team, but I don't think it has had a massively negative impact on the group. It's a bit unusual for them as well I suppose to be on the outside looking in on the sidelines. We have fellas there that will step up when we need them and that is the*

*same whether they have been 10 years or only a year in the panel."*

Calling players out is a sentiment that is shared by team selector Niall "Botty" O'Callaghan as he speaks about handling a dressing room full of experienced players.

*"You have to look at the serious job that Edmund O'Sullivan has done in keeping it seamless because you have an experience dressing room. So if it is not right the players will tell you it is not right. We have a culture of setting the bar very high. It creates the hunger within the group. We want the challenge. Our fellows need the challenge. They need to get up for something. To be the best is what challenges these fellows at this stage. This is probably the toughest obstacle we have faced through East Kerry. They are a serious outfit, well coached and well drilled."*

Some of that credit O'Callaghan offers with a smile could be down to the Dr. Crokes themselves. "the killing thing about it is Vince Cooper is the local GDA in being an ex Crokes player and he is doing a phenomenal job and he impacts on all the local clubs in East Kerry and he is doing such a fabulous job that there is phenomenal talent in East Kerry.

In saying that O'Callaghan is an admirer of his opponents next Sunday.

*"They are producing the goods, they got caught last year. I do not think they will never get caught like that again. David Clifford has taken his game to a new level. What can you say about Paudie Clifford. If you were picking a team of the championship, he would certainly be one of those. You have two teams in the county final next Sunday and there is only one starter on the Kerry team. It says a lot about the talent around this county. These fellows are chomping at the*

Niall "Botty" O'Callaghan, Selector

*bit; it sets up well for Kerry in the future but for our point. East Kerry bring pace. They have all played with Kerry at some level. They won Kerry under 21's. The thing I would give them is pace; they have pace at every level on the field."*

So what would a win for Dr. Crokes mean on Sunday for O'Callaghan.

*"look It is the old dog for the long road against the new bucks coming up. It promises to be a great one. From a Crokes point of view if we can get over next Sunday it will probably be the best win in the last ten years that we have been involved."*

COUNTY FOOTBALL FINAL

# EAST KERRY NOT LOOKING BACK BUT LOOKING FORWARD

East Kerry Team. Picture Marie Carroll-O'Sullivan

East Kerry are back in a county final for the first time since 1999 with a team who were largely toddlers at the time they were last Kings of Kerry football. Donal Barry caught up with their manager Jerry O'Sullivan and player Jack Sherwood ahead of the big day for their thoughts about it.

East Kerry manager Jerry O'Sullivan leads his side into next Sunday's County Senior Football Final and insists that he is enjoying the role having brought the Divisional side back to the final after three attempts. Having taken on the role in 2017, O'Sullivan has been edging closer with each passing year and has enjoyed success along the way with two under 21 county titles. O'Sullivan points to the commitment of his players as a key ingredient in getting down to the last two.

*"You still have to go and ask a fellow do they want to be involved and are they willing to put in the commitment and are they willing to come down training when they are in College when the club season is over for some of them. So you still have*

*get commitment from the players and in fairness these bunch have been exceptional to the point that you just tell them when training is on and they just show up, they won't give you an excuse."* Along with the commitment East Kerry are developing a culture of winning and this sets them up for a crack at the big one.

*"These guys know how to win. Be that at Schools level, minor level or under 21 level either with Kerry or with East Kerry. These boys are jovial heading into games. You'd be saying to yourself are these guys ready for a game at all. The culture has changed around this; they just deal with it and get on with it.*

*It is a culture that leads to an enjoyment that is seen both on and off the field by the Firies man especially now as they play their first final in 20 years.*

*"It is there to be enjoyed. You have to enjoy these things. Sometimes you might not be there for another twenty years so you have to enjoy it when they (Finals) come along. Football has to be serious to a point but you have to enjoy it. If you*

*do not enjoy it you will not perform and if you will not perform you will not do not win. If you don't win you are not here at all."*

Another person who is enjoying it is returned Kerry Star Jack Sherwood who admits that his performances with East Kerry in 2018 opened the door to his Inter County return. Something he believed had passed him. He will line out on Sunday as almost a "daddy" like figure at just 28 years, such is the youth that East Kerry process. It is a role he is relishing and is quick to praise his manager Jerry O'Sullivan.

*"I have played with him with Firies since 2008 with the seniors and I know him very well. He is a great man to bounce ideas off and has a good relationship with all the lads. Every fellow respects him. He is clued in because he has been involved with Limerick under 20's, so he knows the mind set of these young lads and he can tell them what they need to know and bring them on. He is on their wavelength."*

Last year's abrupt end to the East Kerry journey was hard to take for Sherwood and it has been used as a motivation, that and every loss along the way.

*"Last year's semi final was a sickner. It was very upsetting especially as we hit such a good run of games. We beat Dingle fairly comprehensively earlier in the year and then you always give yourself a bit of a chance. Kilcummin had such a strong team and they gave us a few experienced lads, so we definitely gave ourselves a good chance. The first day we probably left in too many goals. We brought it back from nine points. It was a killer especially when you get so close. We lost the rally to Mid Kerry in 2011 and they went onto win it. So when you get to the semi final they are the worse games to lose. Winning last weekend was only about that winning. Scraping over the line. We got motivation from a lot of last two years games. We played Stand Road a few years ago in Austin Stack Park and they gave us a nice touch. We had Dingle this year who had beaten us last year. So we used that motivation and we had Brendan's last weekend who beat us already and we used that as well. So every game we have lost in recent times has given us motivation"*

Unlike many of his teammates Sherwood is still awaiting his first county medal at any grade and Firies men will hope to end that wait on Sunday.

### COUNTY MASTERS & JUVENILE B CROSS COUNTRY C'SHIPS

On Sunday November 3rd we had the final County Cross Country competition of the season, which was the Juvenile "B" and Masters. Held in Killarney Demense where the ground was in particular good condition considering all the rain we experienced over the last week. Thankfully the rain held off for the few hours of racing which made it enjoyable for competitors and spectators. Thanks to St. Brendan's AC for setting out the course. First race of the morning was the Masters Women 4K. We had five athletes competing in a range of age categories and ultimately the club team position. Mary Daly had an outstanding performance, taking the lead from the start and holding this place to finish with plenty to spare. Mary took the O40 title with Emer Bevan in 5th overall and winning her O45 category. Helen English won the O35 category with Siobhan Riordan 2nd O35. Catherine Riordan equally ran well to take 3rd in the O40 category. To top it all off they secured 2nd place in the club teams category.

It was then time for the Master's Men 7K race with 8 laps to cover. George McCarthy was first over the line for the club in 3rd place and taking 2nd in his O45 category followed by Dermot Dinnen taking third place in O40. Brendan Lynch was two places behind and finishing 4th in his category. Thanks to brothers Denis & Tim Riordan for coming out to run with the club with very little training. Both did very well to complete the distance and with their efforts secured first position for the team. Well done all. It was now time for our Juveniles. In the U10 Boys 1200m we had Thomas Lynch. Thomas ran very well and was in medal contention until he lost his footing and lost some places. However he got to his feet and battled on to finish in seventh place overall. A great race by Thomas. In the U12 Girls 2000m Aoife O'Sullivan was back again competing for the club. Aoife, her first season competing, has ran in every XC and we are very proud well done. In the Boys U12 we had three competing. Kevin O'Shea & Ross Lally finished 12th & 13th respectively with Jack Teahan in 21st. They were 5th club team. In the U14 Girls 2000m we had two runners. Laura Bradley ran well to take 4th place & Sadhbh Teahan in 6th. Both deservedly

winning individual medals. The club is proud of the commitment and determination of our juveniles over the season. Winning medals is not important, it's your strength, both mentally and physically, to compete in the sport of athletics. Skills that you will have for life.

## JUDO NEWS

On November 2nd, Killarney Judo travelled to Cork City to take part in the Munster Open which had just returned to the Calendar after several years. The competition was organized by Killarney player Tim Kelly to grow the club.

11 of the players from the Club travelled to take part on the day.

After a series of thrilling contests all 11 players

returned home with medals. Liadh Forde and Cian Forde both won Golds after a series of contests. Oran Horgan, Kate Forde, Darragh Horgan and Cora Joy won Silver. While Darragh Forde, Ciara Forde, Ali O'Donoghue, Mairead Bennett and Muireann O'Brien won Bronze. Special congratulations to Muireann who took part in her first competition and did the club so proud.

The toughest category on the day for Killarney was the Senior Women Open which was exclusive to Black Belts. Cora Joy and Mairead Bennett both fought in this tight category amongst the best female fighters in Ireland and did extremely well. They were unfortunate to face each other in qualifiers but they both fought valiantly.

The Club is now preparing for the All Ireland's on the 7th of December in Ireland where they will face the best in Ireland. This will be a great challenge and a fantastic way to end a great year for the Club!

Once again in u16, Luke Murphy and Eoghan Crowley took to the line in a big field of riders, conditions were difficult, but Luke Murphy continued his winning streak, and Eoghan

Crowley fought hard for 5th getting valuable points in the league.

In the B race, once again it was a large field, Michael Coghlan and Eoghan Barry raced hard for Killarney CC.

The junior riders saw Mark McGlynn (Killarney CC) back in action to take 6th, and Ruairi Coghlan (Scott cycles) take 2nd.

In the Elite race, John Brosnan (Killarney CC) was unable to finish due to a mechanical, Oran Kane and Marcus Treacy (Killarney CC) rode hard, but the conditions meant that their bikes were clogging with muck and they were fighting a losing battle. John Crowley continues to move up the board, taking 9th, just behind Michael Lucey both Killarney CC. Patrick Clifford (strata3/velo Revolution) finished in a sprint ending up 3rd, and once again, Richard Maes blazed his way to 1st place, with a gap of 2 minutes 30 seconds to second place.

National League Division One:

# Scotts Lakers bounce back

By: *Eamonn Keogh*

**Scotts Lakers 77 - LYIT Donegal 74**

SCOTTS Lakers bounced back from their recent cup exit with an impressive victory over a fancied Lyit Donegal side in Killarney Sports Centre last Saturday night. The northerners travelled to Killarney in confident form having won all of their previous five league matches. However the home side gained a strong upper-hand in the opening quarter and managed to maintain an advantage despite the best efforts of a Donegal team that were right in contention until the closing seconds.

Lakers point guard Mick McGinn was a prominent figure from an early stage and along with Aaron Jackson, Toby Christensen, Mark Greene and Carlton Cuff, the home side dominated to open up a 16-4 lead midway through the first quarter. McGinn, Christensen and Greene all added further three-pointers to give the home side a 28-11 advantage at the end of the first period.

A quick three-pointer from Seamus Brosnan extended it to 31-13 and with Toby Christensen dominating under the boards, Scotts Lakers led 35-18 midway through the second quarter. Lyit clawed it back a bit through Mario Garcia and Manny Payton to trail 41-31 at half-time.

The outstanding Mick McGinn and Mark Greene knocked down further three-pointers to open up a 47-34 lead after two minutes of

the second half. However Lyit pulled it back again narrowing it to 47-43 following good work from Payton, Garcia and Uhl. However Lakers maintained their grip through Jackson, Christensen, McGinn and Cuff to lead 56-45 with three minutes left while a buzzer beater from Jackson left it 63-55 for the home side at the end of the third quarter.

Lakers appeared comfortable leading 71-60 midway through the final quarter but Lyit had a late rally with Uhl, Payton and Garcia inspiring a great comeback to trail 71-68 with two minutes remaining.

Again the Lakers looked home and dry leading 76-70 with 21 seconds left but a huge four point play from Payton narrowed it to 76-74 with just 16 seconds left. Sensing the opportunity of snatching a late victory, Lyit threatened again but a huge defensive block from Aaron Jackson was a timely boost for the Lakers while Carlton Cuff added an insurance free throw to secure the home win.

Overall it was a very satisfying team performance from Scotts Lakers. Big Toby Christensen had a huge game hitting 17 points and grabbing 17 rebounds. Team captain Mark Greene had his best game of this season chipping in with four three-pointers. Aaron Jackson, Carlton Cuff and Seamus Brosnan also impressed while point guard Mick McGinn was a commanding presence throughout with an mvp display

highlighting how important a signing he has been since joining the Lakers in the past few weeks.

Scotts Lakers : Aaron Jackson 23, Toby Christensen 17, Mick McGinn 13, Mark Greene 12, Carlton Cuff 9, Seamus Brosnan 3.

LYIT: Manny Payton 23, Mario Garcia 18, Dominique Uhl 16, Charlie McKinney 8, Andy McGeever 6, Aaron Temple 3.

**HOME GAME** Following last Saturday's victory Scotts Lakers now have a 5-2 winning record and share second place on the league table with Lyit Donegal and Fr Mathews (both 5-1) while Ballincollig lead the way with a 6-0 winning record. The Killarney side will have another opportunity of strengthening their position near the top of the table when they welcome Sligo All-Stars to Killarney Sports Centre this Saturday night November 9th at 7.30 pm. Sligo are just below the Lakers on the league table with a 4-2 winning record and travel to Killarney following an impressive 104-99 dramatic overtime victory against Ulster University last weekend. The north-westerners are led by Jesus Sanmartin, Brandon Berry and Alvaro Moro and will provide a tough test. Home advantage is a bonus for Scotts Lakers and basketball followers are urged to come out in force to Killarney Sports Centre for this one.

## Good week for Cougars and Imperials in KABB

It was a good week on and off the court for the Kerry Area Basketball Board. Kerry Airport has come on board as the title sponsors for the Leagues, Cups and Shields plus also they will sponsor the Kerry basketball inter League teams. On the court it was a good week for Killarney Cougars which included wins in the Kerry Airport under 14's Girls Division 2 and Division 3 but the Boys u12's went down to St Mary's.

In the u14 Girls Division 2 the Killarney side were 60-36 winners over Rathmore Ravens but the game was close until the final quarter when the Cougars strong finish proved too much for a younger Ravens side. Lucy O'Sullivan, Anna Whyte and Katie O'Driscoll had big games for the Cougars while Abbie Herlihy and Mia Reen were the key scorers for the Ravens.

The u14 Girls were 49-25 point winners at home to St Joseph's. The Killarney girls put in an impressive performance against the Duagh side in the Presentation Gym. Ruby Gaffey and Brook Lynch were in top form for the Cougars while Margaret Dore and Julia Lane were the best for St Joseph's who trailed 24-11 at the break.

St Mary's put in the better finish to extend a lead of 4 points at the start of the 4th quarter to end up winning by 13 in the u12 Boys. Cougars, who went down 22-35, were best served by Dylan Bowler, Fionn Doyle and Feargal Murphy while for the winning Castleisland side Glen O'Sullivan, Adam Tangney and Noah Fitzgerald powered them to the win.

**IMPERIALS GO 3 FROM 3:** In other games Tralee Imperials u14's were busy defeating St Joseph's

62-58 after being 31-20 ahead at the break.

They then saw off St Annes away 51-31. The first quarter was very tight with the Farranfore side leading 9-8. Tomas Kennedy drove the Tralee side on in the second quarter and they opened a 12 point lead 26-14 by the break. The coach was able to run his bench in what turned into a 20 point win 51-31. St Annes Michael Fitzgerald and Daithi O'Shea put in big efforts.

They ended their week with a 69-42 point win at home to KCYMS. It was the visitors that started the brighter and were 13-9 up at the break. However the team really upped the intensity in the second quarter and were 31-15 ahead at the break. Led by Ryne Ybanez on offence and Sean Og Brosnan on defence the Imperials pulled away to win 69-42. The win saw them move onto three wins from three. Darragh Foley and Conor Buckley were the best on the night for KCYMS.

**GNEEVEGUILLA QUIETEN THE COBRAS:** Gneeveguilla BC took on TK Cobras in Rathmore in the Kerry Airport u14 Boys winning 39-30 having led 22-11 at the break. Topping the scoring charts for the Gneeveguilla were James Doyle on 15 with Gavin Barry ending on 9 and both Darragh Dennehy and Jonathon Del Torre scoring 6. For the Cobras Maurice O'Donoghue and JJ O'Sullivan also hit 6 points each.

**TK CHORCA DHUIBHNE AND BALLYBUNION WILDCATS SHARE THE SPOILS:** In the u12 Girls Division 3 Ballybunion Wildcats made the trip to Dingle a winning one when they defeated TK Chorca Dhuibhne 22-11. Abbey Ni Allarain and Caoimhe Ni Chiohain led the scoring for the

winners. The clubs met again in the u14 Girls Division 3 and here it was TK Chorca Dhuibhne who took the win 34-26. They were 16-10 up at the break but had to survive a Ballybunion fight back and led by only 2 late on but finished the stronger. Eabha Jordan had 10 for the winners with Ellie De Hora on 7 and both Hannah's Granville and Nic Gearailt hit 6 points each.

**ST MARY'S TO STRONG IN BATTLE OF THE SAINTS:** Castleisland's St Mary's proved to be too strong for Killarney's St Paul's in the Kerry Airport u12 Boys Division 1. The home side led 14-0 after first quarter and there was no way back for St Paul's. In the end St Mary's won easily with point guard Mark Curtin leading their scoring with 13. Kyle Buckley and Freddie Murphy both ended with 8 points.

**OTHER GAMES:** In the Senior section of the Kerry Airport Leagues Rathmore Ravens were 40-30 winners away against St Annes with the game played in the Killarney Community College. There were two games in the u18 Boys Division 2 Pool 1. Caherciveen defeated Glenbeigh Falcons 63-44 in the South Kerry derby played in Colaiste na Sceilge while in Rathmore the home side were 75-54 over St Bridget's.

In the Women's Division 3 Pool A Team Kerry Cobras 1 kept the points at home with a 38-29 point win over Gneeveguilla in the Causeway School Gym. There was one game in the Kerry Airport u18 Girls Division 1 Cup. St Mary's were too strong for TK Bobcats winning 75-33 in the Castleisland Community Centre.

**JUVENILE NEWS**

**U14 GIRLS DIV 2**

**Killarney Cougars 60 Rathmore Ravens 35**

Despite the final score this was a competitive contest with Cougars strong finish proving to much for a younger Ravens side.

Impressive performances by Lucy O'Sullivan, Anna Whyte and Katie O'Driscoll all who were unerring in their scoring for Cougars with Rathmore Abbie Herlihy and Mia Reen the key scorers for the the visitors.

**U14 GIRLS DIV 3**

**Killarney Cougars 49 St Josephs 25**

A strong performance by the Cougars at the Presentation Gym saw them over the Duagh side in a entertaining game. Ruby Gaffey and

Brook Lynch were in top form for the Cougars throughout the game, with Cougars ahead 24 11 at half time with Cougars holding the lead throughout.

**U12 BOYS**

**Killarney Cougars 22 St Marys 35**

A good contest with little between the sides entering the last qtr with the Castleisland Boys ahead by just 4pts a close finish was anticipated. But St Marys dominated the closing stages to secure the points. Cougars Tomas Mackey, Dylan Bowler, Fionn Doyle and Feargal Murphy all impressed.

**U18 NATIONAL CUP** The U18 Boys were in Gormanstown last weekend and they had a great Saturday and they topped the group with

victories over Maree and Waterford and set up a semi final v Titans Galway and they played out a high scoring game with Titans taking the win to go through to the Cup QF.

No joy for the U18 Girls in Drogheda with Glanmire and DCU Mercy advancing in a tough Group. Both teams will compete in the Shield next month.

# Kerry Airport Unveiled As Lead Sponsor of Basketball In The Kingdom For 2020

**B**ASKETBALL at juvenile and senior level in Kerry has been given a major boost at the start of the new season with the announcement that Kerry Airport has become the lead sponsor of the sport in the county.

The Kerry Area Basketball Board (KABB) season has just commenced with over 300 teams competing in over 50 League, Cup and Plate competitions. These competitions will now be known as the Kerry Airport League, Kerry Airport Cup and Kerry Airport Plate Competitions at all levels from Juvenile up to Senior in both Girls / Women and Boys / Men.

"We are celebrating our 50th anniversary at Kerry Airport and over the coming year, we are reaching out to communities throughout the county to show our appreciation of what they do for others. Basketball – in clubs and schools – is at the heart of so many towns and villages in Kerry. Hundreds of people play, coach and coordinate games, camps and activities from Ballybunion to Caherciveen, from Kenmare to Dingle, from Farranfore to Glenbeigh. Most of these wonderful people are volunteers who invest so much time and energy year after year for the love of the sport and to ensure that youngsters have a healthy social outlet. We are proud to play our part and we are looking forward to working closely with KABB in promoting and developing the sport at club

level into the future", John Mulhern, CEO of Kerry Airport, said.

The partnership between Kerry Airport and KABB will also embrace the representative Kerry Juvenile Girls and Boys Teams from Under 14 to Under 17 as well as the Juvenile Academy Under 12 and Under 13 Teams. The new-look Kerry Airport logo will be featured on the team jerseys.

Kerry Airport, which serves two German destinations with Ryanair, is planning to send one of the underage teams to compete against a German team in Berlin in the new year.

The Executive Secretary of Kerry Area Basketball Board, David Ahern, said: "The Kerry Area

Basketball Board is delighted to announce a new partnership with Kerry Airport for 2020. It's an exciting time in Kerry Basketball as the game is enjoying continued growth throughout the county. Kerry basketball is involved in many communities in all parts of the Kingdom and everyone involved in Kerry Basketball is excited to be part of Kerry Airport's plans to celebrate its 50th anniversary as a gateway to Ireland and the rest of the world."

Kerry Airport recently announced Pieta House as its charity partner for 2020 and KABB will also work closely with Kerry Airport to stage a fundraising event in support of Pieta House next year.

**FOCUS ON CHRISTMAS HOUSEPLANTS**

This is the time of year when people will give and receive gifts of houseplants such as Cyclamen, Azalea, Gardenia, Poinsettia etc. Christmas houseplants obviously give their best display this time of the year but they have to be kept in the right conditions like the right temperature and humidity level to prolong their lives into the new year and longer. The conditions of a house environment can be a challenging place for houseplants because of central heating which is very drying to houseplants especially for ones that come from humid tropical parts of the world. There are several ways to improve conditions for your plants in the house. You can avoid placing them in draughts, especially in places where temperatures will fluctuate from very hot to very cold or in very hot areas like above or beside a radiator. Water your plants by placing them in a container of water for about twenty minutes. For plants that need more humidity place them on a tray of gravel with some water but make sure that the plant is sitting on the gravel not the water.

**COFFEE STAIN REMOVAL TRICKS:**

\*To remove coffee stains on your furniture start by soaking up as much of the spilled coffee as possible with paper towels. Then put a few drops of ordinary laundry detergent onto a sponge and rub the stain in a careful circular motion so the stain doesn't spread any further. If it is an especially persistent stain, just clean the sponge and get to work with the detergent again until it's faded. Then wipe the area down with a fresh wet sponge.

\*To remove coffee stains from a carpet blot the spilled coffee with paper towels. If the stain has already dried out, add a little warm water and then blot with a dry cloth. Mix 1 tablespoon of white vinegar with an equal portion of washing up liquid in two cups of warm water, rub the stain from the outside to prevent the spreading of the stain, until it is gone completely. This will also clean car seats.

\*To get rid of fresh coffee stains from clothing firstly sprinkle the affected area with table salt so the stain cannot spread. After a minute or two, brush off the coffee-absorbed salt with a paper towel. Run the back of the stain under cold water for about 15 minutes, then treat with small amounts of laundry detergent. Finally, apply a little white vinegar onto the stain and scrub with a toothbrush. After that, let the garment sit for fifteen minutes and then put it in the washing machine.

For old dried in stains dab the stained part of the garment with an extremely small amount of lemon juice. After the lemon juice has dried, rub some laundry detergent onto the affected area until the stain is removed. Then, rinse the garment with warm water and after it dries, it will be suitable for a normal wash in the washing machine.

\*To removing coffee stains from a kitchen counter that have become a cold, brown, and almost-solid mess, crack an ordinary egg, very carefully into a dish, and separate the white of the egg from the yolk. Using a cloth, apply the yolk generously to the stained area and let it sit for a minute or two until it is semi-dry. Then rinse the area thoroughly.

**ENGLISH ANIMAL LOVING SENIOR CITIZEN IS SAVING OTTERS:**

82-year-old Daphne Neville has spent the last forty years of her life raising rescued otters so she can raise awareness for the furry water dwelling animals.

An actress by trade, she adopted her first otter in 1980 after a friend remarked on how her 18th-century converted water mill offered the perfect conditions for their care. She says she, her husband, and three children didn't know anything about otters. "We were just a normal family. But then we wanted to raise awareness about their future, we fought so hard for their safety. Clean water is pivotal for the future of otters and all living creatures and she campaigned tirelessly alongside big names such as the legendary Sir David Attenborough in order to urge water companies to clean the country's rivers. They had become so polluted with the PCB chemical (polychlorinated biphenyl) that the wild otter was almost extinct; however, their actions prompted

Michael Meacher, then environment minister under Tony Blair, to announce plans to phase out PCBs and since then the rivers have visibly improved.

Rudi is just one of her successful rescues and he even goes with her to the shops—but people don't mind she says because he always looks "cozy and happy". Now 14 years old, the docile Asian small-clawed otter has been living with Ms. Neville since his mother abandoned him when he was about three weeks old. "I've shown people you can have incredible bonds with these creatures. We do shows all over the place. People come from miles away—especially from Australia and New Zealand because they don't have otters there."

**INSTEAD OF ISSUING A SUMMONS THIS POLICEMAN HELPED THE FAMILY:**

Officer Kevin Zimmerman of the Milwaukee Police Department pulled over Andrella Jackson for a registration issue with her car earlier last month and was dismayed to find that the little girls did not have car seats.

Ms. Jackson explained that she could not afford the seats since she was struggling to buy new winter clothing for her children for the upcoming Milwaukee winter.

Officer Zimmerman then visited a nearby Walmart and used his own money to buy coloring books, stickers, and two new car seats for \$75. He went to Ms. Jackson's house to deliver the gifts and helped her install the seats and fill out the safety recall cards.

Though Officer Zimmerman did not think very much of his gesture, Ms. Jackson later posted photos of the 36-year-old officer and her children to Facebook as a thank you for his kindness and it was quickly shared thousands of times.

**12-YEAR-OLD VOLUNTEER GAVE A RESCUED PUP A WHEELCHAIR MADE OF LEGO:**

When little Gracie was only six weeks old, she was dumped at a vets and needed emergency treatment for 2 different wounds, which were full of maggots.

Thanks to the Turley family who run the "Mostly Mutts Animal Rescue Group near Atlanta, Georgia, she was rehabilitated one year ago and given a forever home by themselves.

She is now enjoying an ingenious adaptation of LEGOS fashioned into a doggy wheelchair by 12-year-old Dylan, a volunteer at the Turley family facility.

Gracie can get around fine without a chair, but the cushioned device that lifts her up helps keep her chest and spine safe and she can now run, and even go up and down stairs using the wheels—and the wheelchair can grow with her by simply adding LEGOS.

## A Word of Victory

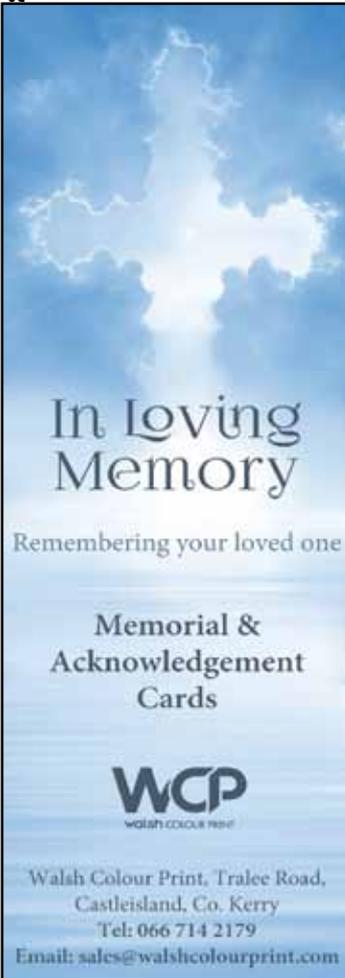

Welcome back dear reader continuing on from last week about God's love for the Nation of Israel, the apostle Paul (Ephesians chapter 2) outlined how we were separated from God because of our sins, but Jesus came to save us. Even while we were still sinners He brought us peace with Father God and grafted us into His family. By Jesus taking our sins, He redeemed us back to the Father, and broke down the walls of hostility between Jew and Gentile (that's us) to create 'one new man'. When we acknowledge Jesus as Lord, we are accepted into God's beloved family through the blood that He shed for us. This is very important friend, because the devil seeks to divide and conquer in every situation to destroy relationships. So by causing offence, suspicion, hatred and jealousy especially in relation to the Jews, he tries to sabotage God's plan for all His children to live in peace together (Revelation 7:9-17). But Satan's plans are no match for God's Power! In World War 2 Hitler exterminated over six million Jews. This was utterly demonic and satanic in origin. Some people were unaware of what was happening, but many others were knew well, and said nothing. Here in Ireland, the Jewish people and their children who cried out for help received practically none. This has brought a curse upon our nation that needs to be repented of with great sorrow. It is so good to see the genuine kindness we now show for those less fortunate than us, and many Irish people have given their lives ministering to the needs of the worlds very poorest. Now our nation has welcomed people from other nations with open arms - this is wonderful, but, we must also speak up and pray for Israel, and not be deceived by the devil's trickery and propaganda those under his influence use to wish them harm. In Jeremiah chapter 31 God prophesised the restoration of Israel because of His everlasting Covenant and stated that He 'is as likely to reject Israel as His is to abolish the laws of nature!' Jesus warned us that the sheep and goats will be separated at the final judgement. The mark that distinguishes the sheep from the goats is how we treat His brethren the Jews (Matthew 25:31-46). Father, we pray for the peace of Jerusalem. Please cleanse our land and our bloodlines from the sin of cursing Israel; I bless Israel now in Jesus Name. Amen. More on wordofvictory.net

LATE OF LISSIVIGEEN,  
KILLARNEY,  
WHO DIED ON 12TH NOVEMBER 2017

*We speak your name everyday,  
As though you were still here.  
And all the happy times we spent,  
We will always hold so dear.  
Your house was always open,  
Your arms a warm embrace,  
The kids are always saying,  
You had a happy warm face.  
You gave advice to all who came,  
And never broke their trust.  
We all know from experience  
that nothing ever was a fuss.  
A sweet, a treat, a spoon of sugar,  
Is what Fionn, Saoirse  
and Oisín will remember.  
They will have those treasured memories  
of growing up with you.  
The secrets ye would always share,  
And the childish things ye would do.*

We will always remember you  
and forever miss you.

Very sadly missed, remembered and always loved by Sean, Norma, Lorraine, Patricia, Sean, Miriam.

## MAURICE SOMERS

LATE OF DROOM, HEADFORD,  
WHO DIED ON THE 18TH  
NOVEMBER 2016.

*I think of you in silence,  
I often speak your name,  
All I have are memories,  
And your picture in a frame.*

**Sadly missed, always remembered, Sheila.**

*On the 18th November God looked around his  
garden,  
And found an empty place,  
He then looked down on earth,  
And saw our dad's tired face,  
He put his arms around him,  
And laid him to rest,  
God's garden must be beautiful,  
He only takes the best.  
He knew you were struggling,  
He knew you would never get well on earth  
again,  
He saw the road was getting rough,  
And the hills were hard to climb,  
He closed your weary eyelids and whispered  
'Peace be Thine',  
It broke our hearts to lose you Dad,  
But you didn't go alone,  
Part of us went with you,  
The day God called you home.*
