With little sign of the rain easing, the Irish summer is well and truly here. The Bikefest was a huge success despite the weather on Sunday evening but everyone present got into the spirit of things and enjoyed themselves. The 12th annual Garda National School blitz was launched this week, broadcaster Sean Moncrieff was in town and a rose from Rathmore will represent Kerry in the festival. There were celebrations in Fossa parish and in the KDYS and walkers gathered to honour Eileen Cronin. Kerry are set to begin their quest to win the Sam Maguire and Rallyman Rob Duggan is set for a mediterranean adventure. All this and much more in this week's Killarney Outlook - Out first every Friday!

A crowd of over 500 packed into the Ballyroe Heights Hotel last Friday night for the Kerry Rose selection and it was a Rathmore woman who was chosen to represent Kerry at the 2017 Rose of Tralee. Huge congratulations to Breda O'Mahony of Convent View Rathmore, who was chosen as this year's Kerry Rose. ## WALKERS GATHER TO HONOUR EILEEN

The misty weather didn't deter the friends and family of the late Eileen Cronin, Cronin's Yard who gathered for the first Memorial Walk to honour Eileen's wonderful life.

Eileen extended hospitality to every climber, member of the Kerry Mountain Rescue Team, Gardaí Sióchana, and great friends, before and after their ascent of The MacGillycuddy's Reeks over many years.

June 8th marks her birthday, so it was fitting tribute that so many people turned out on what was a very challenging and wet day on Cnoc na Péiste -Knocknapeasta (988m -3241ft). John and Esther Cronin, Cronin's Yard Tea Rooms supplied the 'Tay and Brack' and lovely welcome after the climb, which was such a timeless and generous custom with Eileen. While John Cronin, lead the walk, Mike

Ward lay a bouquet of flowers at the Grotto on the summit of Cruach Mór. The group went on Cnoc na Péiste to find the historical Engine of the United States Army Air Forces (USAAF) plane that crashed into the side of Cnoc na Péiste, on 17 December 1943, all five crewmen perished in the crash, just above Lough Cummeenapeasta.

## MORE HONOURS FOR KILLARNEY COMMUNITY COLLEGE STUDENTS

One of the last tasks at Killarney Community College before the school year ended was the graduation of the 2016/17 transition year students. The afternoon was delivered by TY co-ordinator Ms. Kerri McCarthy who congratulated the TY class of 2017 on their magnificent achievements throughout the year. Transition Year students spoke about the highlights of the year including; going to the Ploughing championships, completing their emergency first aid course, Surfing in Castlegregory, involvement in the Business in the Community Programme in association with Marks & Spencers, completing public speaking with fair city actor Alan Devine and completing their law programme. They spoke about learning new photography skills, and completing their car safety course with the Munster Driving Campus. A special part of the afternoon included Special Certificates given for the following categories: The winners included;

- o Commitment and Dedication Award 2017 – Rayna Murphy.

- o TY Student of the Year 2017 was awarded to Akvile Kaminskaite

According to Ms. Kerri McCarthy "it was a privilege having members of our community at the award ceremony this year. It highlighted the strong links that Killarney Community College have and maintain in our community by having Mr. Paul O'Neill and Mr. Michael Gleeson in attendance. As part of our green school's this year our Transition Year students made bird boxes for Killarney National Park. Another big project that the students were involved in was the Purple Flag research for Killarney at Night". The purple flag is an international accreditation scheme for towns and city centres in the evening and at night. It is the "gold standard" for night time destinations. Killarney Community College Transition Year students and their TY co-ordinator Ms. McCarthy decided to work closely with Seamus Whitty from Kerry Life Skills to make this research happen and to analyse the results and provide recommendations to the Purple Flag Working group. The TY graduation afternoon was yet again a wonderful occasion in the college.

## HAY FEVER (SEASONAL ALLERGIC RHINITIS) IS AN ALLERGIC DISORDER

For a person with an allergy to pollen, when pollen comes into contact with the nose, eyes, mouth or throat, their body produces an antibody to attack the pollen.

### Hay fever symptoms

Hay fever symptoms can be similar to a cold.

Generally hay fever symptoms include one or more of the following:

- Rhinorrhoea (runny nose).

This is often clear and watery.

- Nasal itching and nasal congestion which in more severe cases may result in headache or perhaps earache.

- An itchy throat, mouth and ears.

- Watery, red and itchy eyes.

- Prolonged sneezing attacks.

### Tips to improve your allergy symptoms.....

1. Try to identify your allergic triggers

If you suffer from symptoms during the spring and summer, then it is likely that pollen is an allergic trigger.

2. Keep doors and windows shut to prevent pollen from blowing indoors.

3. Change your clothes and have a shower if you've been outside all day to remove pollen that may have settled on you.

4. Drying clothes outside can also cause pollen to settle on them, so if possible hang washing indoors instead.

5. If you have indoor allergy triggers, try to keep your house clean and well ventilated to reduce exposure to dust and moulds.

### Controlling Hay-fever - Prevention is better than cure!!

Now is the time to start a regime to prevent Hay-fever from seriously affecting you in the months ahead. A quick & easy daily 3-step routine will allow you to enjoy the summer:

1. Cleanse the nasal passages with a saline spray (Isomar) or wash (Neilmed) to rinse out the nasal passages and remove excess mucus and some allergens.

2. Prevent against the release of histamine by using a steroid nasal spray (Flixonase/Beconase) These reduce irritation and inflammation in the nose, helping to prevent symptoms like nasal congestion and sneezing & they can also relieve watery, itchy eyes. It usually takes a few days of application before they start working, so start using them about two weeks before symptoms normally begin.

3. Protect the nasal mucosa by forming a protective seal with Prevalin Allergy Gel. Once sprayed into the nose, the gel forms an impermeable layer on the mucosa for protection against pollen irritation. This prevents pollen from triggering the mast cells and releasing histamine.

This 3-step routine of Cleanse, Prevent & Protect is most effective when used continuously throughout the hay fever season, including days when no symptoms are present.

## DUGGAN SET FOR MEDITERRANEAN ADVENTURE ON RALLY ITALIA

Junior World Rally Championship contender Rob Duggan will start the second round of his 2017 campaign on this weekend's Rally Italia Sardinia. It's been 2 months since the season opening round in Corsica and the 24 year old driver from Killarney will be looking to

build upon his 6th place finish on that event.

Sardinia is the first loose surface event in the Junior World Rally Championship calendar and the Mediterranean island has earned a fearsome reputation since it was first included in the

World Championship calendar in 2004. Duggan however, remains unperturbed, despite the fact he will have a new co-driver for this rally. Tom Woodburn will slot into the seat normally filled by Ger Conway as Conway is getting married this weekend.

"I suppose it's a decent excuse" smiled Duggan speaking ahead of the rally. "It'll be a pity not to have Ger aboard as usual but Tom is an excellent replacement and I'm looking forward to working with him. Sardinia is a completely different rally to anything I will have done before, dust for example could be a significant factor. Having talked to people who have been here in the past, running down the field like we will be can leave you vulnerable to picking up punctures and suspension damage so we will have to be mindful of that, especially on the second pass over stages. We learned a lot in Corsica but didn't come away with the points we wanted so a strong haul of points here would put us right back on track. I'm looking forward to using the DMACK Tyres on gravel again and to continue to build up my loose surface experience. A good result would be a nice wedding present for Ger and Ciara!"

St. Brigid's, Killarney hosted their annual awards ceremony recently where the dedication and the achievements of the students are acknowledged and rewarded. Guest speaker on the day was past pupil, Kate O'Leary of Killarney Chamber of Commerce who spoke of her schooldays and offered the students significant words of wisdom.

Principal Roisin Moore addressed the students and their parents and reminded the students that each had contributed to the school and wider community in their unique way.

The categories of the awards ranged from art, music, sport, full school attendance, literature, random acts of kindness, excellence in technical graphics, excellence in design

and communication graphics, outstanding contribution to TY and humanitarian awards. The school was especially proud of their All Ireland Basketball winners and coaches

The CEIST award from the school's trustee body is a perpetual trophy and is awarded to the sixth year student who encompasses the core values of CEIST, namely promoting spiritual and human development, achieving quality in learning, showing respect for everyone, creating community and being just and responsible. The winner of this year's CEIST award was Connie Lynch and she was presented with this from Principal Roisin Moore.

A surprise guest, football hero, Mick O'Connell arrived to present the Life Works Education Life

A special congratulatory message to Emma and the school from Martin Luther King's niece was conveyed via video-link and this sent ripples of excitement through the audience. The finale of the awards was the Orla Benson Memorial Award. Orla was a past pupil of the school who died tragically in 1995. Since 1997, her family have most generously sponsored a bursary in her memory.

The recipient of the Orla Benson Award is a sixth year student that is nominated by the teaching staff based on the criteria of full participation in the life of the school, co-operation with peers and staff, use of leisure time in a creative manner, leadership qualities and having a sense of

humour. The Orla Benson award went to Aoife Farrell and it was presented by Principal Roisin Moore and Kate O'Leary. Following the awards ceremony the ice-cream van arrived to award all students with a treat.

## EPSOM DERBY CHAMP WAS A WINNER ALRIGHT IN KILLARNEY

When the Aidan O'Brien trained Wings Of Eagles romped to victory in the prestigious Epsom Derby last Saturday, it sparked great celebrations at Killarney Racecourse where there was a special interest in the big event. The 40/1 rank outsider caused a major sensation when he powered past the post in the elite event but it came as no huge surprise to those monitoring the proceedings from the Ross Road track where Wings Of Eagles won his maiden race last summer.

The Epsom success provided O'Brien with a sixth Derby winner but the impressive colt had already caught the eye and tasted success in the competitive Irish Stallion Farms EBF Median Auction Maiden in Killarney last August. A field of 18 lined up at the start at Epsom but Wings Of Eagles

was the toast of Killarney at the finishing post, edging out the fancied Cliffs of Moher with the short odds favourite Cracksman, piloted Frankie Dettori, beaten into third. He was the biggest outsider to win the Derby for four decades and the first winner at double-figure odds since 1998.

"It was a fantastic win and we were all absolutely delighted to see it," said Killarney Race Company Chairman Gerard Coughlan.

"It just goes to prove the great quality of the maiden in Killarney and Aidan O'Brien certainly targets this course as a great test for his good horses," he added. Wings Of Eagles is now likely to compete in the Irish Derby in The Curragh on July 1 where the form of both the English and French derbies could be put to the test.

## EAST KERRY BRIDGE EXTENSION

CLLR. NIALL KELLEHER

A Part 8 will come before the Killarney Municipal District next Wednesday the 7th June once approved the project can proceed for development. This bridge has been the scene of many accidents over the years. When the bridge is widened it will allow for the re-alignment of the road to make it safer for all road users.

"As a native of Rathmore and a regular motorist on this stretch of road i'm acutely aware of the importance of this realignment and the development of the lay by will be of great relief to those who visit the iconic grotto on this stretch of road", Cllr Kelleher told the Killarney Outlook.

"I want to thank Kerry county council for the foresight in ensuring this project is brought to fruition", he added.

## GOVERNMENT DEFEAT IS A SIGNIFICANT VICTORY

TD. DANNY HEALY RAE

### Statement by Independent TD Danny Healy Rae/Member of the Rural Independent Group

Members of the Rural Independent Group express our delight after we achieved a successful Dail vote on the motion we brought forward calling for immediate reform of the Fair Deal Nursing Home Support Scheme, despite the Government putting down an amendment where they attempted to try to dilute our motion we were successful and as a result our motion was carried by 51 votes to 48, we were very disappointed firstly that the Government would not support our motion and secondly that the Fianna Fail party abstained from the vote. This will put increased pressure on the government to urgently review the Fair Deal Scheme and to provide the measures and funding required to give effect to our motion and to end the discrimination and unfairness that has been hurting people with family farms and small businesses.

## UNIVERSITY HOSPITAL KERRY TO BENEFIT FROM GALA NIGHT

The Annual Gala Benefit Night sponsored by Kerry Group is set to benefit University Hospital Kerry and will fund vital equipment for the facility. The event is set to take place on Friday 7 July 2017, at Tralee Greyhound Stadium.

The announcement of this year's Benefit Night was made as the Friends of University Hospital Kerry marked the official instalment of the Foetal Assessment Ultrasound Machine, which was donated to the hospital's Obstetric Unit.

Purchased with the proceeds of the Friends' successful fundraising efforts in 2016, this specialised ultrasound will be of huge assistance in monitoring the health of babies while still in the womb. Dr. Richard Horgan, Consultant Obstetrician, on behalf of the Obstetric Unit in the hospital, expressed his gratitude and said that at present, all women have a scan when they register with the hospital in early pregnancy. However, with the new scanner each one will now receive a second scan at 28

weeks. This second foetal scan will determine whether the baby is growing normally and will help to detect any problems with the womb or the placenta. The results provided by this new equipment will play a key part in planning the care required for both mother and baby up to and including the baby's birth.

2017 marks the 27th Anniversary of the fundraising programme, which has now raised in excess of €2 million since its inauguration. Over the years, funds raised have been used for the provision of essential equipment at the hospital, which delivers critical services to families throughout County Kerry, West Limerick and North Cork. The fundraising target for the 2017 event is €100,000 and the money raised this year will be used to buy equipment for the Cardiac Unit.

Diseases of the chest and blood vessels (heart attacks and strokes) cause over 9,000 deaths in Ireland each year. Early diagnosis of these

diseases enables treatment to begin, which in many cases can prevent crippling illnesses and death. One of the ways of examining the heart and blood vessels is through the use of a Cardiac Ultrasound or ECHO Machine. This very simple and painless way of looking at the heart is in increasing demand as more patients undergo surgery, dialysis, chemotherapy or present with chest pain or heart failure, all of which needs to be checked by a Cardiac Echogram.

At present, waiting times in University Hospital Kerry for a routine Echo can be up to 15 months with 1,300 patients currently on the waiting list. Speaking at the launch, Dr. Louis Keary, Consultant Cardiologist, said that, the only Cardiac Echogram in the hospital is already working at over-capacity and there is an urgent need for a second machine. He said that the installation of this essential equipment will make a huge difference to the care of a large number of patients.

**HAVE YOU GIVEN UP SMOKING WITH OVER 12 MONTHS?**

If the answer is yes and you have any of the following:

**Life Cover**

**Mortgage Life Cover**

**Serious Illness Cover**

**Income Protection**

Then it is very likely that you are paying too much for your insurance regardless of whether the policy is in one person's name or in two names. By reapplying for the same cover you have over the same remaining term there is a strong possibility that you may have a substantial reduction in your premium. For example a 35 year old male smoker with €200000 life cover and €100000 serious illness cover over 20 years would pay at present €69.57 per month whereas for the same cover as a non smoker the premium is reduced to only **€44.74 per month**, this is an annual saving of €297.96 and over a 20 year term a saving of over **€5959.20**.

## KILGARVAN NS WINS ASTELLAS: "WACKY SCIENCE POD" COMPETITION

While many student knuckled down to final exams this week, Kilgarvan National School pupils were treated to a trip to a global pharmaceutical company, Astellas Pharma Inc., based in Killorglin. The company develops and markets pharmaceuticals which provide the promise of a healthier life to people across the world. Astellas Ireland's Kerry Plant manufactures a range of treatments, including the immunosuppressant Prograf® which is supplied globally from Killorglin.

The trip was part of a prize won by Aisling McCarthy a student at the Kilgarvan National School who won the prize at the recent Kerry EXPO. Aisling made a close guess as to how many capsules were in a jar and won the coveted prize of €500 for her school, €50 voucher for herself and a field trip to the company for both herself and her classmates.

Aisling participated in the Wacky Science Pod which was sponsored by Astellas Group and promoted as part of the Kerry EXPO 2017, held in April in the INEC in Killarney. It was the first pilot programme of this kind and was hailed as a phenomenal success. Over 100 students participated in the 4 science sessions during the EXPO which were completely booked out within 24hrs.

The 22 kids from Kilgarvan's 1st and 2nd class were treated to boardroom style conference where QC Co-ordinator, Rosie McMahon, delivered a child friendly presentation on the various types of pharmaceuticals manufactured at the plant in Killorglin and kids were shown how these drugs helped other kids

AISLING MCCARTHY, KILGARVAN NS WHO WON THE PRIZE FOR HER SCHOOL, PICTURED HERE WITH JAMES TOBIN DIRECTOR OF PRODUCTION AND CLASS TEACHER HELEN CRONIN

who needed liver, heart or lung transplants. The pupils were thrilled as Certified Scientists Michael Quirke and Catherine Ryan working at Astellas, created a number of interactive scientific experiments which included bubble making and steam blasts.

Pupils went on to get a close encounter with the wind turbine located at the company and learned how it helped to create valuable energy for the plant. All 22 participating students relished the trip finale with a few treats in the company canteen and all left happy with goodie bags in tow.

The idea behind the Wacky Science Pod was

to stimulate and ignite interest in Science among primary school children. In addition, it is anticipated that programmes such as this, will help primary level students to foster an interest in science based subjects before entering second level education, says Liz Maher, Director of Kerry EXPO.

Katie Larkin, HR Manager at Astellas said "The trip proved to be a great success in providing primary level students with a unique perspective on the pharmaceutical industry that cannot be experienced in the classroom and we were delighted with the participation from schools all over Kerry".

### LOOKING AFTER YOUR HANGING BASKETS

Having colourful plants growing in containers is a great way to add colour anywhere in the garden, patio or window sill. However, plants in containers will require a lot more care than plants which are planted in the ground. The first and most important thing when looking after your containers is watering. If you don't water regularly it will cause plants to gradually dry-up and die. On the other hand over-watering is also damaging as most plants don't like sitting in water. Remember to check drainage holes at the bottom of containers to make sure that the water is draining away properly.

Some plants, like geraniums like to dry out before being watered again, but if you have other plants mixed with them then water as normally. Feeding your plants in containers is also very important. Use a liquid feed of tomato feed or something with a high nitrogen feed. Always feed when the compost is moist and preferably in the evening time as this will stop any scorching from the sun.

#### KILCUMMIN GAA

#### CREDIT UNION CO LEAGUE RD 4

Kilcummin 3-15 Listry 1-11. Kilcummin secured their second victory of the campaign at home to Listry on Saturday evening last. Two early goals from Daniel Moynihan and Oscar O'Connor set us up nicely early on. However an incident in the square that lead to our goalie getting black carded and a penalty given saw Listry come within a point of us after 15 minutes. However to our credit we put it behind us and with Noel Duggan in great scoring form and Damien O'Leary Donal Maher and Chris O'Leary controlling things in defence we lead at half time by 2-6 to 1-2 having played against the breeze.

The second half saw Listry rally briefly with two early points but with Matthew Keane in particular and Shane McSweeney controlling midfield we never looked like losing this one. In fairness to Listry they never gave up and with fellows like Danny Wrenn, Jimmy O'Leary and Derry Aherne driving on they managed to score another seven points before the game was over. A great move saw Matthew Keane finish to the net for a third goal late in the game to round off a very competent display. Very heartening was the display of many of our younger players such as Paul O'Riordan, Jamie O'Donoghue and Oscar O'Connor who complimented our more established members.

Team and scorers - Kieran Fleming, Donal Maher, Damien O'Leary, Mikey O'Shea, Daniel Moynihan (1-0), Chris O'Leary Jamie O'Donoghue, Shane McSweeney, Matthew Keane (1-0), Philip Casey (0-1) Daniel O'Leary, Paul O'Riordan (0-1) Oscar O'Connor (1-0) Noel Duggan (0-8) Richie O'Connor Subs used William Maher (0-1) Gavin O'Connor, Gavin O' Leary, Tom O'Connor, Ian Devane (0-1)

## FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

### IMPORTANCE OF STRETCHING AND KEEPING BODY FLEXIBLE:

- seek a postural assessment off a trained profession, to figure out and be advised of tight areas and weak spots (e.g. Tight chest and weak back muscles will cause a rounded posture in the upper back and shoulders)
- Even go a step further and get a movement screen test carried out to assess the entire body in depth. (Eg functional movement screening and muscle tightness and activation screening). Most physio therapists will be able to screen you for tightness and weakness. We no offer a functional movement screening service also. Please contact my no below for details.
- Follow up with a foam Rolling/ trigger point programme to work on the hotspots (tight areas)
- Combine this with specific static stretches specifically designed for your muscle corrections and practice 2-3 days per week, or what is advised by your trainer
- Add in movement, body weight specific exercises for retaining The weakened muscles (this will improve posture and overall movement)
- Work on balance and core specific exercises. After all a strong core is the essence to any fitness or exercise regime. Core exercises can so often be done incorrectly so if in doubt seek advice.
- Then when you have been given the all clear you can start adding resistance and weights.

## OUTLOOK FASHION OIL STAIN?

If you get an oil stain on your favorite handbag, coat the mark with baby powder and let it stand overnight. By morning, the stain should be gone. If a bit still remains, repeat the process until the stain is completely gone.

### HEALTH TIP FRESH FRUIT

Eat fresh fruit instead of drinking fruit juice. Juice is often sweetened but fresh fruits have natural sugars. When you eat fruit, you are taking in a lot of fiber, which is needed by the body, and fruits of course are an excellent source of vitamins. If you do have a craving for fruit juice then go for fresh fruit juice instead of these that contain artificial flavors and colors. Or even better, try making your own fruit juice taking care not to sweeten it with too many calories.

### Beauty tip

### Clear out your Make up Bag

Clean out your makeup bag at least once a year to get rid of old products that may be expired or you no longer use.

### THE WORKOUT THAT LOVES YOUR BODY!

Life has a funny way of leading you to exactly where you need to be. If we can learn to follow that lead and not get in the way of our authentic flow we find that we live lives of greater joy and ease. When I look back at my own life I am astounded by the way in which my early love of dance and movement has lead me full circle to where I am today. Every single part of my life has invited me to learn and grow and go beyond where I thought I could be and what I could do. My body has been my greatest teacher. As a fitness instructor back in the eighties it was all about going for the burn and pushing harder to whip our bodies into shape. These days, I teach a more loving and kinder movement experience. It's called Chakranetics and focuses on gentle and flowing movements that re-energize your body, mind, heart and soul. Using the chakras and the meridians as an energy template, every movement has meaning and every meaning has a movement. The result is a workout practice that loves your body and leaves you feeling refreshed, full of vitality and more alive than you may have felt in years! If you would like to experience this beautiful class for yourself, come along on Monday 19th June at the Innisfallen hotel at 7.30pm. Booking is essential and the class is only 10.00 euros.

Please call 066 9766374 to book your place.

### ATHLETIC TAKE 12 DIVISION 1 TITLE

The JK Sports 12 Division 1 title went down to the last game of the season with Killarney Athletic B needing all three points to leap from Inter Kenmare and take the honours.

And they did just that winning 6-1 thanks to goals from Neil O'Carroll 2, Tom Benson 2, Josh Coffey and Oisín Lynch in what was an excellent team performance. Athletic lost only 1 game in the League to finish on 27 points just 2 ahead of Inter Kenmare who pushed them all the way. Inter Kenmare had gone into the lead earlier in the week with the three points from their game against Fenit.

### LAST WIN OF THE SEASON SEE DYNAMOS FINISH SECOND IN 12'S DIVISION 2

Tralee Dynamos took the runners up spot behind League winner Dingle Bay Rovers in the JK Sports 12 Division 2 following their 4-2 over Killarney Athletic B. Goals from Paddy McMahon 2, Evan Quilligan and Luke Horgan saw the Tralee side sign off with a win and second spot in the Division.

### 13 PREMIER PLAY-OFF GOES ALL THE WAY TO PENALTIES

Killorglin and The Park finished level on 25 points after their 10 games in the Daly's Supervalu 13 Premier League. This meant that the title would be decided in a play-off with Killorglin looking to retain their title and this team win their third League in a row.

Killorglin went ahead in the first half thanks to a Darragh O'Grady and led at the break before Cianan Cooney equalised 10 minutes into the second half. Killorglin again took the lead 6 minutes later with Tom Whittleton scoring but Josh Connolly levelled matters inside the last 10 minutes.

they scored all their 4 penalties with Eoghan Hassett, Darragh O'Grady, Jason O'Connor and Adam Owens all hitting the net while the Park had one saved by Adam Carey and one off the crossbar.

### 3 POINTS FOR KILLORGLIN B TO END SEASON:

In the 13 Division 2 Killorglin B took the points from Killarney Athletic to end the season with a win. But both sides did not trouble League winners Ballyheigue or runners up Killarney Celtic B.

### WIN ON FINAL DAY GIVES PARK C THE 13 DIVISION 3 TITLE:

The Park C won the Daly's Supervalu 13 Division 3 the hard way. The defeated closest rivals Fenit last week to draw level with them but importantly they had a game in hand.

That was against MEK and credit goes to the Mid and East Kerry side who put it up to the Park even though they had nothing to play for. Goals from Darragh Cunnane and Jamie O'Shea wrapped up the title for the Tralee side.

Listowel Celtic chases down Mastergeeha in 14 Girls Premier:

Listowel Celtic remain unbeaten in their 3 games in the Foundation Sports 14 Premier after a 3-0 win over Killorglin. They are chasing Mastergeeha who are on 10 points but have played 5 games.

### KILLORGLIN B ENDS 14'S DIVISION 1 WITH A WIN:

Both Killarney Athletic and Killorglin B had only pride to play for in this final game of the Foundation Sports 14 Division 1 season. Rocco Regvcán hit two for Athletic with Eoghan Mulvaney also on the mark but it was Killorglin that took the points thanks to a 7-3 win.

Park takes second in 15 Premier:

While Killarney Celtic had this Division wrapped up a few weeks ago the battle for the second spot went down to the wire. In the end The Park just got enough points to take the runners up position from neighbours Tralee Dynamos.

### PARK ARE 16 PREMIER CHAMPIONS:

The Park are the Tralee Trophy World 16 Premier champions and they ended their campaign unbeaten going out with a 0-0 draw against Mastergeeha.

### OUTSTANDING PLAYERS THIS WEEK

While there was not a wide enough selection of clubs in action in the last week of the season there were still some outstanding performances from:

Alex Hennigan Killarney Athletic 12's, Paddy McMahon Tralee Dynamos 12's, Sean Hill and Adam Carey Killorglin 13's, Cianan Conney Park 13's and Eoghan Mulvaney Killarney Athletic 14's.

### STILL TO COME

While the Kerry Schoolboys Girls League has come to a close there is still 2 important tournaments for some of the players to look forward to.

The 14's Boys are off to the Kennedy Cup in UL from June 12th to 16th where they are in Group 6 with Drogheda who they face on the Monday at 6pm followed by Sligo /Leitrim at 12.30pm on Tuesday and North Tipperary later that evening at 6pm.

The Kerry 14's and 16's Girls will take place in the Gaynor Cup from June 22nd to the 25th. The 14's are Group 4 alongside Inishowen and North Tipperary while the 16's will face Inishowen, Waterford, Limerick Desmond and Sligo /Leitrim in the Group stages.

### RESULTS

Greyhound Cup: Killarney Athletic 2 Killarney Celtic 1

Our Killarney rivals took the honours in the Greyhound Cup after a real thriller in Ferndale this morning. Cathal O'Shea rounded the keeper and slotted home from a tight angle to give us a 1-0 lead at half-time. Celtic were the better side at this stage, with Matt Keane, Peter McCarthy, Wayne Sparling, and Cathal applying constant pressure, but the loss of the influential Chris O'Leary to injury early on was

a factor in Athletic's resurgence - Brian O'Reilly, Mike Stam O'Donoghue, and Daithi Casey were outstanding, and it was Casey who volleyed home a rebound for the equaliser. With some of the play becoming disjointed, Mike Milner curled in a brilliant winner, giving the excellent Roy Kelliher no chance - in fairness, it was as good a goal as you will ever hope to see. Despite great efforts, Celtic couldn't get in to draw level before the clock ran out. Disappointing to lose, but the superb quality of the play is something that will hopefully stand to both sides in the games to come as the league season reaches its zenith.

## FOOTBALL FOR ALL

Well done to our Football For All team and coaches who travelled to the AUL in Dublin for the FAI National Football For All Blitz. We had 30 players, 9 coaches & supporters travelling. It is all about inclusion, taking part & having fun. Our U10s finished up a great season with a blitz at Woodlawn this afternoon.

Ourselves, Inter Kenmare, and hosts Killarney Athletic each fielded 2 teams on a lovely bright day. Some great games took place with pizzas and soft drinks provided for the boys at full time. Thanks to JP for the hospitality.

After playing soccertots, U7, U8, U9 and U10 these boys are now graduates of our academy and hopefully they will have many years playing with Celtic ahead.

## KILLARNEY ATHLETIC RESULTS

### GREYHOUND BAR CUP

Killarney Athletic 2-1 Killarney Celtic  
Athletic 2-1 Celtic

A cracking cup win for our senior team against big rivals and neighbours Celtic this morning in front of a good crowd in Woodlawn. We never got going in 1st half and were lucky to be just 1 down at the break.. the Athletic boys started the 2nd half with a more intense effort and grabbed an equaliser through Daithi Casey. The introduction of Milner, Lukas and Lavin upped the tempo further for us and after a red card for Celtic it was the turn of Milner magic in the 90th minute to give us a heart stopping victory.

## MUNSTER SENIOR FOOTBALL CHAMPIONSHIP

### KERRY BEGIN THEIR QUEST TO WIN BACK SAM

OUTLOOK PUBLICATIONS' GAA CORRESPONDENT KERRY O'SHEA LOOKS FORWARD TO SUNDAY'S MUNSTER SENIOR FOOTBALL CHAMPIONSHIP OPENER BETWEEN KERRY AND CLARE IN ENNIS

#### CLARE V KERRY

**Time: 3:30pm Venue: Cusack Park Ennis**

**Referee: Pdraig Hughes Armagh**

Kerry begin their quest for Munster and All-Ireland honours when they take on Colm Collins' Clare in the Munster SFC Semi-Final at Cusack Park in Ennis on Sunday afternoon. Kerry, having won the National League in April, will go into this game as raging hot favourites but manager Eamon Fitzmaurice will be taking nothing for granted. Fitzmaurice met the media ahead of the tie last Monday and much of his press conference was taken up with dealing with the issues surrounding Brendan O'Sullivan.

Fitzmaurice expressed his disappointment and frustration at the way the matter was handled by Sport Ireland. He said that the Kerry camp had nothing to hide and questioned the manner in which the story was leaked into the public domain before the Sport Ireland report was finalized.

"We felt all along from the start of the process that it was important we released a statement outlining the facts and saying what happened, prior to it breaking in the public domain because of the fact that we knew we had nothing to hide and Brendan O'Sullivan had nothing to hide.

"But there is a process involved there which we had to go through. That was the advice which we were given from the start, the legal advice which stated that you couldn't state anything until the process was finished.

"We had a statement ready to go on this issue since last July. I think there was a lot of commentary about why it wasn't released and we were accused of trying to hide something. "It is the exact opposite in fact. Our hand was forced because of the way the report was leaked to the Sunday Independent. I haven't seen much of the commentary because we were away in training camp but I think the question that needs to be asked is why and how and who leaked it.

"Not so much for the Sunday Independent, I understand that they got a scoop and they felt they had to go with it but who leaked that report when it wasn't finalised."

Fitzmaurice went on: "I think this is a big question, when you're talking about a player and a human being. Brendan got a telephone call last May 12 at 10am in the morning to say that he failed a drugs test and by the way you're banned for four years.

"I didn't see that anywhere. Sport Ireland rang him to inform him that under Wada

KERRY CAPTAIN JOHNNIE BUCKLEY WILL BE HOPING TO LEAD HIS KERRY TEAM TO VICTORY IN THEIR MUNSTER SEMI-FINAL WITH CLARE.

regulations he was banned for four years. It was clear straight away that the problem was the contaminated product because everything else that he would have taken would have come through the setup.

"It took us 11 weeks to prove it was contaminated. Why everything takes so long in this thing is something I cannot understand.

"His suspension was suspended once we proved it was a contaminated product and Sport Ireland were happy that he

hadn't cheated and that he was a victim of circumstances.

"So for us, this was the end of the matter. We were just waiting for the process before we released our statement.

"We heard nothing for the rest of the year, then on December 21st at 5.30 in the evening Brendan gets a phone call informing him to say 'you're suspended for seven months and happy Christmas by the way'.

"This was Sport Ireland again and that's how come the thing drifted into a second season," added Fitzmaurice.

On the playing front, Fitzmaurice confirmed that Kenmare Shamrocks' talented centre-forward Sean O'Shea has been drafted into the Senior Football panel. Kerry manager Eamon Fitzmaurice stated that Kerry had hoped to give O'Shea some game time during the National League but because of his commitments to the Kerry U21 set-up and his Club Kenmare Shamrocks this was not possible.

Eamon Fitzmaurice said that five members of the successful minor teams over the last few years are involved with the current senior set-up and expects some of these to see championship game time during the summer. He said some other players from these underage teams are involved in a development squad and expected them to be pushing for places next year.

Fitzmaurice is looking forward to another Munster and All-Ireland campaign. He said that the Allianz League win over Dublin and the introduction of younger players like Jack Savage, Kevin McCarthy, Jack Barry and Ronan Shanahan has revitalized the squad and has added to the competition for places.

Apart from Killian Young (groin) and Tom O'Sullivan (hamstring) Kerry report a clean bill of health heading into the game with Clare, who will provide stiff opposition for Kerry as they are on the back of a successful league campaign in Division Two.

The Banner County famously defeated Kerry in the Munster Final in 1992 and will be hoping for a similar outcome on Sunday. This Sunday's clash will be the 49th time in which Kerry and Clare have clashed in the Munster SFC. To date, Kerry have won 45 of the head to head clashes with Clare victorious on just two occasions, 1949 in Ennis when they recorded a 3-7 to 1-8 win and that 1992 Munster SFC win in the Gaelic Grounds. However, Kerry are expected to win and should do so but only after a searching examination from Clare.

KERRY MANAGER EAMONN FITZMAURICE WILL HAVE A NEAR FULL SQUAD TO PICK FROM FOR SUNDAY'S MUNSTER SEMI-FINAL WITH CLARE.

## JOHN O'LEARY KERRY GAA PRO GIVES HIS WEEKLY ROUND-UP OF GAA EVENTS IN THE COUNTY

### KERRY OPEN THEIR MUNSTER CHAMPIONSHIP CAMPAIGN

Kerry senior footballers open their Munster Championship campaign on Sunday evening next when they travel to Cusack Park in Ennis for the semi final against Clare, a match that has a 3:30pm throw-in time. These two sides became very familiar with each other in 2016 when they met in both the Munster semi final and in the All Ireland quarter final and on both occasions the Kingdom came out on top, however, Kerry players and management will no doubt reflect back to 2014 when the sides last met in Cusack Park. On that occasion, a Kerry side with five players making their championship debuts, got out of the Ennis venue with a slender four points victory having trailed by a point to the Bannermen at the break. Some outstanding scores from Paul Geaney were a feature of that game.

The winners of Sunday's game, which will be refereed by Pdraig Hughes of Armagh, will play the winners of the other semi final between Cork and Tipperary which goes ahead on Saturday evening in Páirc Uí Rinn, in the Munster final which is scheduled for July 2nd.

The Kerry team will be named on Friday evening at 8pm. Patrons who purchase tickets in advance at Centra or Supervalu Stores (Including all Garveys Supervalu Stores) or on Tickets.ie will get a €5 discount if purchased before Saturday midnight. Under 16s will be admitted free.

### KERRY JUNIORS IN ACTION AGAINST LIMERICK

The curtain raiser to Sunday's senior football championship semi final is the Junior semi final against Limerick which throws in at 1:30. Everyone will remember Kerry's smash and grab against the same opposition in Fitzgerald Stadium last year when Adrian Spillane's late goal deprived Limerick at the death and enable Kerry to go on and put back to back All Ireland titles together. None of that side are eligible of course this year and it has been a difficult time for new manager Jimmy Keane of Brosna Limerick will have more or less their second string of players to pick from i.e. anyone who did not play against Clare in the senior quarter final.

The Kerry Team, (which will be captained by Kieran Fitzgibbon of Kenmare with Killian Spillane of Templenoe the vice captain) will be announced on Friday evening at 8pm.

### KERRY GAA SUPPORTERS CLUB BUS

The Kerry GAA supporters club will take coaches to Ennis for the Munster Semi finals on Sunday and all seats must be booked by Thursday June 8th through John King, Donal

Round 5 of the League goes ahead on this coming weekend with a full schedule of games scheduled for Saturday evening due to Kerry playing Clare in the Munster Championship on Sunday. The usual Sunday "default" date does not apply and games are generally fixed for 7:30 pm unless otherwise agreed.

### JIMMY ROCHE RIP

The GAA community in Kerry was shocked and saddened at the weekend with the news of the sudden passing of Cordal County Board Delegate Jimmy Roche. Jimmy, who was also well known to the farming community having been chairman of Castleisland Mart for a number of years, served in all positions for his beloved Cordal from chairman down – he was secretary of the club at the tender age of 16 years - and of course was involved as a trainer and selector with both the club and the St Kieran's county championship sides. ### SENIOR CO LEAGUE RD 4

Spa 1-18 Beaufort 1-11

Spa secured two more Co. League points last Friday night with a home win against Beaufort. Beaufort were attacking from early on but David Carroll had a great day between the posts, pulling off four saves in the first half. Mike O'Donoghue kicked Spa's first point but Beaufort edged into a 0-4 to 0-1 lead after 10 minutes. Another point from Mike O'Donoghue and three great points from Evan Cronin levelled the game 0-5 apiece. More scores from Evan, Cormac Cronin, Mike O'Donoghue and Mike McCarthy gave Spa the lead at the break, 0-9 to 0-8. David Spillane extended that lead on the restart but a Beaufort goal, after a scramble in the small square, edged the visitors in front temporarily. Points from Mike McCarthy, Mike O'Donoghue (2) and Evan Cronin followed before David Spillane's first attack rolled across the Beaufort goalmouth and wide. Mike O'Donoghue pointed again before Spillane was on target with his second shot to move Spa ahead 1-15 to 1-10. Spa finished well with late points from Mike O'Donoghue (2) and Evan

Cronin to win 1-18 to 1-11.

### U17 CLUB 9-A-SIDE

Our fledgling U17s footballers were in action in the semi-final of the U17 club competition on Friday, 2nd June following their recent qualification for the competition. A fine performance against Castlegregory ensured their route to the final which was played on the same night, despite losing crucial players to injury. Regrettably, their efforts weren't to match a strong and fancied Churchill side in the final of this division 1 clash. Well done to the players and management on a great effort. Team: John O'Rourke, Kevin O'Connor, Harry Doody, Shane Burke, Sean Cooper, Liam Butler, Trevor O'Shea, Aaron Flynn, Dillon Callaghan, Conor Henderson, Brian O'Leary, Kevin Murphy and TJ Palmer.

## EAST KERRY NOTES

Dr Crokes 2-23 Spa 1-10

Dr Crokes confirmed their place in Division 1 of the Frank Doran Safeguard Security East Kerry Senior league with a convincing

win away against neighbours Spa in the first of 2 relegation playoffs. Dr Crokes built a commanding lead in the first quarter with outstanding team work and skill to lead 1-9 to 0-4. The goal came on the 15th minute from the boot of Paul Clarke provided by Michael Carey. The visitors continued to dominate the remainder of the half and could have had a second goal but for a great block by Shane Fenton. Score at the break Dr Crokes 1-15 Spa 0-5.

On resumption, the sides traded points before Michael Carey netted the ball for a second Dr Crokes goal and a brace of points saw the visitors 2-18 to 0-7 ahead. A Spa point was followed with a well taken goal by Michael O'Donoghue - 2-18 to 1-7 with 17 minutes remaining on the clock. Dr Crokes responded with 3 points from play and a goalbound rasper, but were denied by a great save from Spa's David Carroll. ## LEGION GAA NEWS

### JUNIOR CO.LEAGUE

Killarney Legion 1-8 Dingle 0-10

With the Seniors going through a hectic period on the Championship front the County Junior League afforded some of the fringe players an opportunity to show their wares. With 2 wins to date they have certainly grabbed their chance and with Dingle coming to Derreen you are always assured of a tough challenge. A resolute defence marshalled by the evergreen Andy Sullivan gave rookie keeper Luke O'Donoghue great protection and this allied to Luke's pinpoint kickouts gave a very solid base for victory. Sean Mc Carthy offered great leadership in the engine room and supplied the forward line with plenty ammunition where the ageless Mike Sullivan dovetailed superbly with minor Ethan Fleming and it was

fitting that Ethan supplied the match winning goal. This alongside Adam Moynihans accuracy saw the lads outscore Dingle 1-8 to 0-10. With 3 County Junior League titles in the last 4 years this grade has evolved into a launching pad for future senior players. Darragh O Doherty, Jack O'Neill and Donal Lyne are just 3 examples of players who graduated to the first 15 via the Juniors. Given the mixture of youth and experience there's plenty evidence to suggest that a continuation of this is very possible given some of the performances to date.

## DR. CROKES GAA

SENIOR COUNTY LEAGUE – DIVISION 1

## ROUND 4

### Dr Crokes 1-11 John Mitchel's 0-8

We had our third win in as many games as a result of our six points victory over John Mitchel's at their beautifully laid out ground. Even though we had a half dozen points to spare at the end this was far from a one sided game. Our opponents had plenty of possession but failed to convert their chances as well as we did. This should not make us complacent, as we were not as clinical in our finishing as we can be.

We set the pace from the start with two early points. Mitchel's came more into the game after a sluggish start and ended up the first thirty minutes with three points to our 1-5. Our goal in the 24th minute was the changing score of the game. It resulted in a long ball into our opponents square that was punched to the net

by Paul Clarke for a very good three pointer.

Territorially the second half was very like the first with both teams sharing the possession stakes. We outscored John Mitchel's by six points to five. The best point of the game came in this thirty minutes, a free by our goalkeeper from outside our opponents fifty yard line and into a tricky breeze.

We have three more games in the month of June and these games could decide whether or not we can finish in the top two and qualify for the final at the end of the year.

## DEEPEST SYMPATHIES

Deepest Sympathies to the O'Grady Family on the death of Michael O'Grady RIP.

## CYCLING NEWS

### 6 NEW RIDERS CLAIM THE ROAD RACE POINTS IN SLIABH LUACHRA

The second round of the Clubs of Kerry Road Race Cycling League was hosted by the Sliabh Luachra Cycling club and following an exciting race it was Killarney CC's Conor Kissane that took the win having been too strong in a long sprint.

With a handicap of 4 minutes from the A4's to the scratch group this meant there was a chase right from the start. And by the 3rd of the 6 laps over the 6.7km distance the race was mostly all together. Four riders did get clear – Shane Fleming, Cian Leahy, Sean Tagney and Sean O'Riordan but they were caught on the last lap by Kissane who led the chase all race.

Kissane (Killarney CC) led home O'Leary Stone Kanturk's Cian Leahy, Tralee Manor West iBike's Shane Fleming, Sean O'Riordan Valley Wheelers, Sean Tagney Killarney and Simon Duggan from Aqua Blue who took sixth and the final points on the night.

In the end there a completely different 6 points scorers in the League than in the first round in Killorglin meaning the George Doyle (Tralee Manor West iBike) and Connor Kissane (Killarney CC) are level at the top of the League table.

Sean back across the border to win the 16's: Kerry rider Sean Barrett is a member of the O'Leary Stone Kanturk Cycling team and he was back on the Kerry side of the border to take the win in the 16's category in Gneeveguilla. His team manate Denis Moriarty was second wearing his Irish champions jersey. Killarney's Tadgh O'Shea took his second third place of the League while Tralee Manor West iBike's Eoin Moloney followed up his 2nd in Round 1 with a 4th place here.

Duagh's Tom O'Connor also rides with the Kanturk club and he took fifth while the host club's Denis O'Connor took the final points on offer on the night to add to his 4th place in Round 1.

Double up for Patrick in the 14's: Killarney CC's Patrick Galvin made it two wins from two in the League as he was too strong for the rest of field on this occasion. David Shine from O'Leary Stone Kanturk took second while Ben Murphy from Sliabh Luachra took third in his home race to add to his second in Round 1. Adam Lenihan from Kingdom CC made it two 4th places in a row while Ethan Slattery from Killarney CC was 5th here to add to the points he got from his 3rd place on the opening night. Luke Murphy from Kanturk took 6th in Gneeveguilla.

Shane emulates his brother: Shane Galvin won the u12 race to also make it 2 from 2 as his brother did in the 14's. He was followed home by Sean Tarrant from O'LEARY Stone Kanturk with Louis Steadman Murphy also of Killarney CC taking 3rd. Callum Steadman Murphy took 4th for the second round in a row while Dinny Murphy from Sliabh Luachra scored points for the second round in a row as he was 4th in the first round. Kingdom's Eoin Hilliard was 6th on

the night.

Next Up: This Thursday night its Round 3 of the Road Race League hosted by Tralee Manor West iBike with the action centred in Kilflynn from 6.30pm

## NATIONAL CROSS COUNTRY LEAGUE

A strong team travelled from Killarney Cycling Club to the 3rd round of the National Cross-country league in Dublin this weekend.

Racing started at 10.30 with Luke Murphy. Adam Murphy and Jack Murphy taking to start line of the u12.

Luke was at the front end of the race for all 6 laps, being pushed hard by 3 other competitors from the northern clubs, but he held out to take the sprint comfortably consolidating his position as overall series leader. Adam and Jack battled midfield both finishing strongly in 6th and 8th positions.

Next up for Killarney at 12 o'clock were our u16 riders Evan Murphy, Jaden Leane and Mark McGlynn. With 2 of the top 4 riders in this category already having achieved top 5 results in the Uk series this year our guys are always up against it here. But hard work will always pay dividends, and with 2 of the top four having mechanical difficulties early on in the race, Evan Murphy found himself in a battle with a limerick rider for 3rd place. With the chasing pack gaining ground Evan went for it, on the final lap and got a gap, which he stretched out to 2 minutes to take Killarney first u16 podium this year and moved himself into 4 position in the overall rankings. Mark McGlynn followed him home shortly afterwards taking 6th place, his best result yet this year. Unfortunately Jaden who had been out with the flu for the last 2 weeks had to retire, but not before he gave it absolutely everything.

Jack Murphy represented the club in the junior Race. Here also the competition is savage this year with all top 3 riders ranking in the top 10 in uk races and setting faster times than all but the top 5 elite seniors at home. Jack rode a tactical master class here leading out with a blister sprint from the gun which saw him quickly get in amongst back markers from the senior race. This gave him an early 20 second advantage which he maintained for the early laps before turning the screw on the chasers, stretching out his lead to take victory by 1min 50 seconds. Another superb performance to follow on from his 7th place result in the Uk last weekend.

In the S3 race we were represented strongly by David Cullotty. Ken o Sullivan and Richard Maes. Richard who was using the race as part of his warmdown week after the An post Ras definitely left many spectators scratching their heads, as not only did his blistering pace take him to the S3 victory but on his way he caught and passed all of the S2 race including its eventual winner. Some guys just don't know how to do a warmdown. He will definitely be one to watch for the Elite Mtb championship

should he chose to race it, but in the meantime up to s1 he will go. Continuing his successful return to xc racing Kenneth o Sullivan stormed home to 2 place just 7mins back. Ken will race the gruelling 1200km trans Alps mountain bike next month and we wish him ever success. Judging by today's performance he is ready for it. David Cullotty also gave an excellent performance, and had just grabbed a few places on his final lap to set himself up for another top 10 finish when tragically he punctured and was forced to retire. Disappointed not to finish but David was very positive with his continued improvement.

John Crowley and Joe o Leary represented us in S2 both finishing just inside the top 20. Joe continued his ongoing battle with innocent inoffensive trees this time headbutting a mature Scotch pine. They called it evens and both retired with minor bruising.)

Overall this was an excellent day out with great fun, hard racing and some great results. Big thank uoy to MAD MTB DUBIN for hosting the event and well done to all our guys. Jack Murphy is off to race at the World cup track in Dalby forest in the Uk next weekend and we wish him every success. Next home race is at Bellurgan House Dundalk in 3 weeks. Go Killarney!!

## HANDBALL NEWS

### HARD LUCK IN THE HARD BALL

Glenbeigh's Jack O'Shea came up just short in his bid to be crowned the Junior Singles All Ireland Hardball champion. He travelled to Lahorna in Tipperary to take on Martin Mullins from Carlow. And it was the Leinster man who got the better start and despite O'Shea fighting back Mullins took it 21-10.

The Glenbeigh man needed a good start to game two and while he was in it for a while Mullins was able to score just that bit easier and he took the second game by the same score 21-10.

## KILLARNEY GOLF CLUB - MENS

Club President Breda Duggan held her President's Prize to the Men's Club on Killeen course over Saturday & Sunday last Weekend. The competition entry at 275 was one of the largest entries ever, and the scoring reflected the playing conditions, which were blustery all weekend, and despite a forecast to the contrary, we had no rain until 4.00 P.M. on the Sunday. The winner with an excellent score of 5 up, was Greg Lanigan playing off of 4 handicap, Greg was around in 1 under par, as was David O'Donoghue who was in 2nd place with 4 up off of 3 handicap, and Brian Fitzgerald was in 3rd spot also with 4 up, beaten on the back 9 holes. Full results were as follows, 1st Greg Lanigan(4) 5up, 2nd David O'Donoghue (3) 4up, 3rd Brian Fitzgerald(13) 4up, 4th Finbarr O'Mahony(5) 3up, 5th Jason Arthur(6) 3up, 6th David Moloney(8) 3up, 7th Matthew Leacy(5) 2up, 8th Francis Courtney(5) 2up, 9th Paud O'Donoghue(5) 2up, 10th John T. Club Captain Declan was present on Friday morning to welcome our visitors from our "twinned Club" Southerndown in South Wales,

when their group of 24 members led by their Captain Paul Porter arrived for their bi-ennial visit, and to enjoy 2 rounds of Golf as our guests, which would include playing against a Killarney Men's Club side for the Southerndown Shield. The match was played on Mahony's Point on Saturday afternoon, and this was followed by a most enjoyable evening of dinner and camaraderie in the Clubhouse.

Our team in the J.B. Carr Diamond Trophy West Munster Area Final went to Ballybunion for the return leg of the tie, and although they had a massive deficit to overcome, having lost the home leg of the tie by 4 matches to 1, came within a whisker of pulling off one of the greatest comebacks in our competitive Club record. We won the tie, by 4 matches to 1, but unfortunately lost the deciding play-off match on the 1st tie hole. The team and results were as follows, Dermot Roche & Enda Curayne won 2/1, Seamus O'Connor & Jack Buckley won 1 up, Derry O'Connor & John Wall won 5/4, Donie Macsweeney & Padraig Griffin won 1 up, and John Hickey & John Clifford lost 1 down.

## EXAM STRESS - WHAT CAN I DO?

Learning to manage stress is important at all times in our lives – and not just around exam time. Tips to give you more control over your life include: Eating healthy food as much as possible and avoiding junk food as much as you can. Exercising regularly, even if it is for a few minutes a day. Walking, jogging, yoga, anything will do. Developing good relationships. Sleeping well. Keeping a balanced view. Learning techniques of stress management and stress relief. Remember your past achievements and take strength from them.

### Schedule Time for You

A really good habit to develop now, which will stand to you for a life-time is to set aside a half an hour each day to do something that just makes you feel good. Read a book or a favorite magazine, take a walk, dance or ride your bike. This time that you take for yourself will help you focus when you sit down to finish your homework.

But you may be asking 'What Can I do Now? My exams are only weeks away'. The first important thing to remember is that a relaxed body and mind is better equipped to deal with stresses and tensions. So looking after your mind and body at this time will help you to cope better with exam pressures.

Take care of yourself. Now more than ever it's vital that you take care of yourself. Don't sacrifice your health because you feel you are too busy. A combination of a healthy diet, regular exercise and plenty of sleep helps relieve stress.

### OVER THE NEXT FEW WEEKS WE WILL GO THROUGH SOME TIPS ON WAYS TO MANAGE EXAM STRESS.

Acknowledge your feelings. It is normal to feel stressed at exam time. However, if you are feeling especially stressed or depressed, you may want to look at everything you are doing see if there are one or two things you can cut out until you feel better. Be sure to talk to someone if you feel this way.

If you feel stressed or overwhelmed, it is important to speak with the adults in your life. They may not be aware of just how much pressure you are feeling to get everything done. Talk to a parent, teacher or counsellor, and ask for help in dealing with stress.

## AN EASY WAY TO REMOVE A MANGO FROM ITS TOUGH OUTER SKIN

Not only can you eat them just as they come, but you can make delicious mango milkshakes and smoothies, add them to fresh fruit salads, put them in your homemade salsa, and even make custard.

These dishes are so enticing but as many of us may know, it can sometimes be difficult to actually cut the fruit and get it out of its skin, in its entirety.

This mango-cutting trick, involves the use of a kitchen knife and a glass. Yes, you read that right, a glass. Firstly place the Mango on a solid surface and hold firmly, then using a kitchen knife facing away from you slice the mango in four pieces as close to the seeds as you can, next get a drinking glass and slide beneath the skin, with a little practice you will be able to make sure that none of the fruit is left behind when trying to remove the peel.

## TODAY IS - INTERNATIONAL ARCHIVES DAY

Archives represent an unparalleled wealth. They are the documentary product of human activity and as such constitute irreplaceable testimonies of past events. They ensure the democratic functioning of societies, the identity of individuals and communities and the defence of human rights.

During the International Congress of Archives in Vienna in 2004, the 2000 participants adopted a resolution calling on the United Nations to create an International Archives Day. At its General Assembly in November 2007, the ICA formalized the International Archives Day on June 9th as

on the 9th of June 1948 the International Council on Archives was created under the auspices of UNESCO.

Archives record decisions, actions and memories. Archives are a unique and irreplaceable heritage passed from one generation to another. Archives are managed from creation to preserve their value and meaning. They are authoritative sources of information underpinning accountable and transparent administrative actions. They play an essential role in the development of societies by safeguarding and contributing to individual and community memory.

Open access to archives enriches our knowledge of human society, promotes democracy, protects citizens' rights and enhances the quality of life.

Tralee Library has a wonderful Archives Department which is dedicated to collecting, preserving and making available for reference, material relating to the printed history of county Kerry. It is open to the public Monday - Friday (10:00am - 5:00pm). Please visit the Library website [www.kerrylibrary.ie](http://www.kerrylibrary.ie) and click on Local History & Archives and see what is available or phone Michael Lynch on (066) 712 1200 e-mail [archivist@kerrylibrary.ie](mailto:archivist@kerrylibrary.ie)

## STARVED AND LEFT ABANDONED IN BASKET AS BABY - NOW THE FIRST FEMALE CEO AND PRESIDENT OF THE SAN

## FRANCISCO CHAMBER OF COMMERCE

Following an extensive national search, The San Francisco Chamber of Commerce selected Tallia Hart, as its new president and CEO. The 43-year-old not only broke a gender barrier, but she also blazed a trail as the first minority and youngest leader of the 167 year old business group. At the time of her appointment Ms. Hart had served as president & CEO of the Irvine Chamber of Commerce, the largest Chamber in Orange County. During her seven-year tenure, she moved the Irvine Chamber into the forefront of Western Chambers in terms of profitability and engagement. She oversaw advocacy for the organisation's 1000 member companies and established economic development and international programs for the City of Irvine.

On Jan. 15, 1974, a Nun found the woman now known as Tallia Hart abandoned as a newborn in a rice paddy in Vietnam during the War there. She was severely malnourished and covered in scabies and boils. She doesn't know her date of birth, the identity of her birth parents or if she has brothers or sisters. Had the Nun not found her and taken her to a nearby orphanage, there would have been no story to tell. Because of her mixed-race appearance, Ms. Hart believes she may have been the daughter of a Vietnamese woman and an American soldier during the Vietnam War. After the nun rescued her, she spent several months in an orphanage.

Meanwhile, a nursing student and a Police officer living in Colorado who had previously adopted a boy from Germany were desperate to adopt a girl. After they filed all the necessary paperwork, an agency in Vietnam called and said there was a baby girl available for adoption. The agency warned the couple that the baby, by then 6 months old, was very ill and might die on the plane ride.

"They said if they sent her and she didn't survive then we wouldn't get our money back, and it couldn't be transferred to another child," said Betsy Steen, Ms. Hart's mother, "on faith alone, we just decided to go ahead and take our chances".

The financially struggling couple already had spent thousands of dollars on the adoption. A volunteer flew with the infant to Colorado, and when Ms. Steen met her new baby at the airport she knew she'd made the right choice. "My mother beat me to her, and I had to fight my mother to get hold of her, and when I did I couldn't let go" Ms. Steen said, the baby weighed just six pounds — small for a newborn, let alone an older baby — and was shorter than average, too. She had pneumonia and developed slowly because of malnourishment she had suffered in Vietnam, not walking until she was 2. Ms Hart's adoptive father died in a bicycle accident when she was just 6, and Ms. Steen raised Tallia by herself. She enrolled her daughter in dance classes as a child to help her develop physically, but Tallia hated it and insisted on gymnastics in which she excelled, winning a national title in the uneven bars and aspired to go to the Olympics, but had to quit gymnastics after a bad wrist injury.

So time moves on into the 21st Century and nine years ago Ms. Hart and her spouse, Mark Bodenhamer were made aware of another baby girl that was found lying in a basket that was placed in a garden outside an orphanage, they went to Vietnam to sort out the paperwork

for the adoption of this little girl who was then only a few weeks old, though returning back to Vietnam was difficult for Ms. Hart because it made her think of her own birth mother. Ms Hart says "I kinda wish I could reach out to Lola's biological mother somehow and just let her know that Lola's thriving and is really well taken care of, we just feel that the gifts of opportunity and love are the greatest gifts you can give anyone".

## GERMANY VOTES TO END CRUEL FUR FARMING

Every year, millions of animals are killed for their fur for no reason whatsoever apart from humans wanting to put on airs and swagger around. It's estimated that 85% of these animals are raised on fur farms, places far more similar to grim fur factories. Minks, rabbits, foxes, and in some countries cats and dogs, are confined to small cages and forced to live in unacceptable and unsanitary conditions until the moment they are, most often cruelly, killed. Many animals are either killed by way of electrocution or even by being skinned alive. However obvious this statement sounds, it still has to be made — there is no reason for us to wear other living beings' fur.

Fortunately, in many places in the world, fur farming is already banned due to the issues of animal welfare and ethics. The first countries to introduce the ban were Great Britain, in 2000 and Austria in 2004. Other places that banned fur farming include the Netherlands, Croatia, Slovenia, Bosnia and Herzegovina, Serbia, the Republic of Macedonia, and Japan.

Recently, a great victory against fur farming has been achieved in Germany where the leaders have voted to shut down the last six working fur farms after a transition period that is to last five years.

Germany's last fur farms will close. This great news will save the lives of countless animals lives and is, without a doubt, a big step towards complete outlawing of fur farming in that country. The question now is when will the Republic of Ireland follow the example of the aforementioned Countries?

## 20 YEAR OLD BLIND AND DEAF CAT WENT MISSING

Raymond McNamara was on vacation with his cat, Lily, in Fort Lauderdale, Florida, when all of a sudden; his cat went missing near a construction site.

Devastated, Mr. McNamara alerted authorities, who helped search everywhere for the cat, but to no avail. If Lily was a normal cat, the situation wouldn't have been as scary, but the fact that she was 20 years old, deaf and blind made it that much worse.

Then the dreadful day came when Mr. McNamara had to return home to California without his feline best friend. He was heartbroken and thought he'd never get to see Lily again.

Luckily, Lily didn't wander far. She was waiting around the same place, somehow surviving the Florida heat and rain for two months on her own. She wandered back to the area; most likely hoping her human would come back.

After she was found, she was taken to Saving Safe Animal Rescue in Miami. But she wasn't in the best of shape. She was very sick and dehydrated, and her fur was extremely matted. She also had some liver issues, but vets put her on IV fluids and treated her right away.

While they were taking care of Lily, Mr. McNamara drove back across the country to reunite with his pet. The vets saw Lily's spirit rise once she knew her owner was there.

Mr. McNamara was overwhelmed with emotion to have Lily back and says she's never going to get away from him again.

## BOX TRUCK DELIVERS HOT SHOWERS TO CITY'S HOMELESS

A Missouri pastor named Austin has worked with the homeless almost his entire life — his parents ran a soup kitchen when he was growing up. But the importance of showers for the homeless was

made clear to him just a little over two years ago. Handing out hygiene supplies to the homeless, a man thanked him for a bar of soap, then asked him where he could use it. Austin realised even with food and clean clothes, a person who hadn't bathed in months would never land a job. So he created "Shower to the People," a non-profit to provide hot showers to people living on the streets of St. Louis. They found a used truck and began outfitting its interior with shower stalls, sinks, and privacy curtains for dressing. An additional row of sinks outside lets more people wash their faces and brush their teeth.

A local pipefitters union installed the truck's plumbing and a linen service volunteered to launder towels. The truck travels to different locations around St. Louis each day and connects to fire hydrants across the city and uses a generator to run an electric water heater for hot showers.

"If we can get people regularly clean, we can give them some hope" Pastor Austin says and added "When they get some hope in their bones, they can take the next steps. They can keep climbing".

## GRADUATION GOWNS MADE OUT OF PLASTIC BOTTLES

Textile maker Unifi based in the US produces 300 million pounds of polyester and nylon yarn annually. Unifi does recycling through its flagship fibre brand Repreve which was launched in 2009.

The company collects clear plastic bottles from processors around the country who first shred them into plastic flakes. These plastic flakes are converted into small pellets. The pellets are then melted, extruded and spun into polyester yarn. Unifi has turned over four billion used plastic bottles into yarn in the last eight years.

Repreve makes three types of recycled yarn: 100 per cent from used plastic bottles, a hybrid of plastic bottles and fibre waste, and a hybrid of plastic bottles and used fabric. This yarn is used to make everything from jackets and T-shirts to dress pants and even car upholstery. It's used in brands like Patagonia, The North Face, Levi's, Adidas and Ford.

Last year College students across the US

accepted their diplomas wearing gowns made entirely of plastic bottles.

## A COUPLE EACH WORKING SEVENTY HOURS A WEEK TO SURVIVE HAVE WON A MAJOR PRIZE

5 years ago Jordan Ross of Perth, Australia was living on the streets with all his worldly possessions in a small bag, then his luck changed and he got a job, he met Jade Hicks and after a time they got engaged, they planned to marry but couldn't afford to do so yet.

They didn't even go to the shops for a ticket but to buy juice. "As we walked past an agents I said to Jordan "let's just pop in and be a little reckless for once - because we're always so concerned about money and where it's going to go," Ms. Hicks said.

They checked the \$20 ticket at the Lucky Charm Newsagency at Willetton were captured on CCTV, the footage shows the moment Ms Hicks is told that she is holding a winning scratchie ticket valued at \$200,000 — and her eyes widened in astonishment. Mr Hicks then threw his arm around his partner and they shared an ecstatic embrace.

They haven't discussed everything yet, but they plan to have the wedding they've been dreaming about. Jordan also wants to use some of the money for schooling so that he can get himself a better job and is going to buy his mother a car

As for Ms. Hicks, she ran right out and made a quick purchase with the winnings. She bought a vacuum cleaner!

## A WORD OF VICTORY

Welcome back dear reader how do you pray? In these times it's vital to know how to pray effectively. There has never been more danger facing us and our children. Jesus taught his disciples that "the thief does not come except to steal, to kill and to destroy, but I have come that they may have life and have it to the full" (John 10:10). It's imperative that we realise the Devil does exist and he has only one aim, that is to bring destruction to mankind in any way possible. Accidents, sickness and disease, addictions and acts of terrorism are some samples of how Satan can steal, kill and destroy. He uses people in many cases to bring his devastation on others. We can feel overwhelmed because there seems to be nothing only horror and negativity coming off the news and media. Remember bad news sells, but it also strikes fear into people's hearts, especially children listening to what's being discussed by the adults caring for them. Be careful with your words around your precious family – images seen or fear filled conversations heard can be very difficult to erase. So what can be done? We need to pray properly according to Scripture, and God has plenty to say in the Bible about protection from evil. Seek out His Word and confess it aloud over your life and your family every day, the Psalms are a great starting point. Jesus, the Son of God shed His blood for us that we would be saved from sin, sickness, death and evil. Pray aloud like this – "Father I thank You for sending Your Son Jesus to die for me that I would be saved. Lord Jesus, I ask You to forgive my sins, live in me and heal my heart and I pray that I and my family would know you as Saviour and grow in the knowledge of Your love for us every day. Almighty Father, you are our refuge, our place of safety. I declare that no evil shall befall me or my family and no disaster shall come near us. You are a shield about us, the Lifter of our heads. We trust in You Lord to guard us and protect us, cover us with the Blood of Jesus everywhere we go and deliver us from evil, in Jesus Name I pray. Amen (Romans 10:9-11; Psalm 91; Psalm 27; Psalm 3; Matthew 6:13). More next week...
