## A BRIGHT FUTURE AHEAD AS

# ROTARY PLAN 40TH YEAR CELEBRATIONS

Members of Killarney Rotary Club pictured at the Great Southern Hotel on Wednesday.

Rotarians gathered for a very special meeting this week at the Great Southern Killarney.

The meeting which took place on Wednesday was organised by the current President of Killarney Rotary Club Rayla Tadjimatova and the members of the Club to begin preparations for the celebration of the 40th anniversary of the club, which was chartered on the 8th April 1983, in Killarney next year.

To start the preparations for their celebrations next year they invited the very first President of the Killarney Club to join them and speak at their weekly meeting. Mr John O' Shea (Jeweller) wore the chain of office in 1983 when the Club originated at the Three Lakes Hotel. There were 25 members in the Club and they worked tirelessly on many projects and events in the local community as well as raising money for Rotary International Projects such as Polio Plus and the Shelter Box project. They also organised the The Jimmy McGee All Stars which had 5000 people in Fitzgerald Stadium and an All Stars cabaret in the Gleneagle. The group also donated the money to Fr Sean Myers (Killarney Missionary) working in Brazil and on the Clubs social calendar was the very popular Ladies Night Black Tie Dress dances which were always a sellout and THE place to be. John gave them the history of the Club from the

early years and the events they were involved in from the beginning. He was delighted to see one of his fellow founder members in attendance. Mr John Shanahan is still a very active member in the Club and keeps the newer members in tow. President Rayla was delighted to meet the Clubs founding President John O'Shea.

"I found his talk interesting, informative and it was most encouraging", Rayla told Killarney Outlook. "I hope that many Killarney people will join us at the upcoming events and ensure they are as successful as they were pre Covid", Rayla added.

### UPCOMING EVENTS

Killarney Rotary Club are known for their community involvement and their many fundraising events down through the years. They are delighted to be hosting their annual Afternoon Tea again this year. It is on Saturday 1st October, 2022 in the Great Southern Killarney. Please contact 087 2444353 if you wish to book your ticket/table to this very popular event as it always sells out in advance.

They will also hold the Wine & Art evening at the Great Southern on Wednesday 30th November 2022 and artists can now email [killarneyrotaryclub@gmail.com](mailto:killarneyrotaryclub@gmail.com) to request an application form to exhibit their work at this event.

# BEAUFORT WALK GIFTS €16K TO KERRY HOSPICE

**W**alkers who put their best foot forward along the scenic Tomies Wood Trail in Beaufort this Summer during a walk to commemorate the memory of local man Jamie O'Sullivan were rewarded for their efforts this week when the O'Sullivan family presented €16,295 to the Kerry Hospice Night Nurse Programme.

More than 400 friends, family and community gathered at the scenic location in June for the "Remembering Jamie" walk, organised by parents Patricia and Simon and his brother Diarmuid, which was an occasion to reminisce, share stories and remember a young man that made an indelible impact during his short and memorable life. A native of Gerah in Beaufort, Jamie lost his brave and dignified battle with cancer in 2021.

Due to Covid 19 restrictions at the time, many of his friends and wider community were unable to celebrate his life, his many talents and his ability to touch the lives of so many people in a variety of ways.

"Jamie was just 31 when he left us. He lived in London and Dublin, but home at the foot of the MacGillycuddy Reeks was his endearing love, a place he called home and an area that inspired him. We were astounded at the response to the walk which was a fitting tribute to Jamie. The local response was phenomenal with the business community such as Kate Kearney's and Pat Sheehan coming on board. We will be forever grateful for this outpouring of generosity," said Diarmuid.

"Jamie's book, "The Powerful Nan Nee", was a joyous labour of love, written during his cancer battle. The book is a beautiful work, enjoyed by children and the not so young. It was reprinted for the walk and sold out immediately thanks in part to the amazing art work from pupils attending Cullina and Kilgobnet National Schools."

Speaking at the presentation of the cheque in the Palliative Care Unit in Tralee this week, Maura O'Sullivan, treasurer of the Kerry Hospice Foundation, expressed delight at the sum raised from the walk.

"This was a phenomenal sum of money which will assist with the Night Nurse Programme, a key element for individuals on their cancer journey to remain at home in the loving care of their family. The walk, organised by Patricia, Simon and Diarmuid, was a lovely and fitting tribute to Jamie and highlights the respect and popularity Jamie and his family have in the greater Beaufort and Mid Kerry area. We thank them for their overwhelming generosity and we will keep them in our prayers and thoughts."

## GOOD NEWS FOR DEERPARK RESIDENTS AS PROBLEMATIC TRUNK MAINS TO BE REPLACED

**I**rish Water is replacing ageing, problematic trunk water mains in Deerpark, Killarney, to provide a safer and more reliable water supply to the community and reduce high levels of leakage.

The works involve the replacement of approximately 1,200 metres of aged problematic trunk water mains with new modern pipes. The programme to replace the trunk water main located in Deerpark will commence in mid-September. These works are being carried out as part of Irish Water's National Leakage Reduction Programme with the section of works taking place between Arbutus Grove, Arbutus Drive and Countess Road. Works will commence adjacent to the rear entrance of Dr. Crokes GAA pitches on Arbutus Grove, and will proceed along Arbutus Grove and Drive, through the Park Road roundabout where the new pipe will tie into the existing network on Countess Road.

Where water mains are being

replaced, traffic management may be in place. Parking spaces may be temporarily closed to complete works. Local and emergency traffic will be maintained at all times."

Irish Water's customer care helpline is open 24/7 on 1800 278 278 and customers can also contact us on Twitter @IWCare with any queries. For updates, please visit the Water Supply Updates section of the Irish Water website or set your location on our website [www.water.ie](http://www.water.ie)

This project is one example of how Irish Water is working in partnership with Local Authorities to reduce leakage and provide a more reliable water supply. Fixing leaks can be complicated but we are making progress. In 2018 the rate of leakage nationally was 46%, by the end of 2021 it was 38%. We are on track to achieve a national leakage rate of 25% by the end of 2030.

Works will commence adjacent to the rear entrance of Dr. Crokes GAA pitches on Arbutus Grove, and will proceed along Arbutus Grove and Drive, through the Park Road roundabout where the new pipe will tie into the existing network on Countess Road.

## Dzana launches her first book

A book, which will be launched on September 17th has been penned by Dzana Raszewska, a Yoga Teacher and Developmental Support Worker in Killarney who came to the town in 2015 as an Asylum Seeker. In a most personal and poetic style, Dzana describes her life as she leaves Bosnia for Ireland and the challenges she faces as she comes to terms with her borderline personality disorder and depression. The book is divided into three distinct sections that describe the seeking of asylum, the internal battle with crippling depression, and the journey out of the dark, as friends help her to see the light at the end of the tunnel.

Dzana now inspires others through her work as a yoga teacher and Support Worker for KASI (Immigrant Support Centre) She wanted to share her story to inspire others on their journey through the dark and would like the book to remind others that 'they are not alone' in their struggles.

Her story, which addresses mental health struggles and describes a journey from the darkest of places into a place of love for herself and others. will be available to read from September 17th when a Book Launch will take place at The Great Southern Hotel in Killarney from 6pm to 9pm. A percentage of profits from the sale of the book will go to Pieta House in Tralee, to support the important work they do.

Anne Lucey looks at the positive news happening in the town of Killarney

Chaos at the school at pick up time is contributing to the traffic crisis in Killarney.

## Public speak on traffic thanks to green light idea from TD

A Tralee based TD has got the ball rolling on Killarney traffic. The public ball that is. Pa Daly of Sinn Féin - the party has no councillor in the Killarney, the Kenmare or indeed the Corca Dhuibhne and Castleisland MDs - found locals in Killarney so overwhelmingly concerned by town traffic he started what was effectively a public consultation on social media.

At 5 pm on Friday last it took people 40 minutes to get to the Plaza on the Mission Road, Pa said. (They were lucky, was my first response as I have been stuck there longer.) The just under fifty responses to Daly's FB post twenty-four hours later had a variety of suggestions, some of them very interesting. Some echoed the concern by schools highlighted in this column not so long ago with one contributor suggesting a shuttle bus at Daly's Roundabout and another at Fossa. Heavy school bags means teenagers not on the bus runs have to be dropped off by private cars.

It's a great idea. Shuttle buses for general transport were put forward by more than one responder.

The need for the bypass to Muckross where most tourist traffic heads came up too.

Pedestrianisation contributed to the grid lock as the traffic now had nowhere to go but the Mission Road it was said.

Some people believed carrying out road and other works during the height of the summer season in Killarney contributed to the gridlock.

One suggestion I have heard frequently is the need for gardai on traffic point duty.

Indeed the town can point to the huge success of the Killarney Races in July under Sergeant Dermot O'Connell. Traffic moved seamlessly even on Ladies' Day because of the Garda work.

Until the issue is tackled properly, Killarney will need gardai on point duty at peak school and work times and at key locations - Mission Road, Muckcross Road and Hans Liebherr Road at 9pm, 4pm and 5pm..

This is the first time I recall a truly public

consultation on traffic in Killarney. A private consultants' report after approaches by hoteliers and others on the Muckcross side was commissioned by the county council but to the best of my knowledge has yet to be acted upon.

Local councillors are hoarse from raising the issue of Killarney traffic and are years doing so to little avail.

The ideas so far on the social media pages of the Tralee TD are worth monitoring and listening to. This type of consultation "points" to a way forward too for the council to reach out to the public in Killarney on any number of issues. Killarney has felt the loss of its town council executive and planning offices in the town hall more keenly than most and a council facebook page for Killarney may be just the ticket. Well done to Pa Daly for showing the way.

## Tourism Industry a wonderful way of life for Kathleen

41 years have gone past in the blink of an eye for hotelier Kathleen O'Regan-Sheppard who says it was time to say "goodbye to the 18-hour day".

Kathleen, an industrial engineer by profession, and formerly with Cork Corporation as well as lecturing with the Cork School of Commerce before embarking on tourism will miss the buzz of the tourist industry on the Tralee Road.

Kathleen had achieved the first Grade A guest house in Killarney and this blossomed into a four-star hotel in 2013. It sold earlier this year.

The testimony of guests or word-of-mouth referrals were her real marketing tool.

She will especially miss the company of her returning guests - some US and German guests returned to her country house in Killarney over decades.

"Tourism is a wonderful way of life," she said, adding how it gave her "immense joy welcoming people back".

However, Kathleen always looked beyond her own front door. Even during her busiest years building up her international business she was heavily involved in the IHF, Cork-Kerry Tourism and other bodies promoting tourism.

She was for ten years a board member of the South West Counselling Centre. And she is still an active board member of Kerry Airport. A keen walker for much of her life, Kathleen will have more time now to enjoy walking on

Inch and other beaches.

She also looks forward to spending more time with her daughters, their husbands and six grandchildren - five boys and one girl. We wish her a long and happy retirement.

## A good year for the grapes, if little else

Killarney has escaped the worst of what continental Europe and UK and even some parts of this country suffered this summer.

But with the planet heating up mercilessly, huge change is on the way. I was heart-broken to learn how even the sublimely beautiful garden of France this August - the Loire region - was brown and burnt by the sun. Water restrictions mean the corn has died on the cob and fruit and vegetable gardens simply withered. If you didn't know it, you could be in areas of North Africa bordering the Sahara.

Harvests, such as they are, are earlier and even the grapes are being picked weeks ahead.

Supermarkets everywhere are looking at covered areas and more tree planting in car parks.

White is being put forward as the colour in urban areas now to reflect the intense heat so that at least at night buildings are not so hot people can get some sleep.

Sleeplessness because of the heat is becoming a huge problem all over Europe.

The media attention at home has focussed on dramatic forest fires, some deliberately lit. But the real tragedy is the ordinary death of nature itself because of a combination of heat and lack of water.

Holiday makers returning to Killarney from Spain and Portugal and Greece have told me they will be revising their plans for next summer and go way earlier or later - there is no fun in being indoors all day to escape heat.

Meanwhile there is some indication that school terms may have to change on the continent.

Killarney too will probably have to look at the holiday season in a different light going forward.

Everywhere the case is being made for quick thinking to make life more pleasant and indeed bearable in not so much a changing as a changed climate.

There is however a bright and maybe a necessary side to the heat in France: this year's grapes are for some reason the roundest and the sweetest in some years and those laying down cellars would do well to buy 2022 French wine apparently.

## Remembering Derry....

# HELEN TO HOST A COFFEE MORNING FOR THE HOSPICE

**A** Killarney woman whose husband benefited from the services of the Kerry Hospice Foundation is fulfilling his dying wish to highlight the importance of a Hospice which cared for him in his final days.

Helen Mannix O'Leary wants to thank the Kerry Hospice Foundation staff who made the final weeks of her husband Derry's life so special.

The staff at the Kerry Hospice Foundation made sure Derry (Jeremiah) O'Leary, 44, got to see his favourite horse-racing festival with friends in the comfort of his own home, just weeks before he passed away.

Derry was so impressed with the care and treatment given to him that he asked his heartbroken wife Helen to hold a fundraiser for the centre after his death.

The hugely popular resident of Muckcross Road in Killarney - and native of Inch, Kilcummin - lost his three year battle with lung cancer on April 11, 2020 - Covid-19 restrictions depriving many friends and relatives the chance to say their goodbyes at his funeral.

Helen staged a coffee morning as a way to say thank you to the Hospice for helping her husband keep his independence right up to the end and will be doing so again next month. Helen is also asking others to register to host a coffee morning on Thursday, September 22 as part of the Bewley's Big Coffee Morning Social for Hospice at [www.hospicecoffeemorning.ie](http://www.hospicecoffeemorning.ie) or by calling 0818 995 996.

The nationwide event, which has raised over €41.5 million since its inception, celebrates its 30th anniversary this year.

"We were engaged for 10 years and married for just seven when he died. He was sick for three years, but he put up a great fight," said Helen.

"He was a huge sports fan and a Liverpool supporter but he absolutely adored horse-racing. He went to the Cheltenham Festival

each year and to many of the local meetings, where everyone knew him.

"Indeed, it was at the Galway Races that he proposed to me. Due to his illness, he couldn't go to Cheltenham in 2020 and ahead of it, on February 26, he got really sick and was taken to the Hospice.

"He made the nursing team promise to have him back home in time to watch the racing on his own TV with friends and relatives.

"Horse-racing kept him going through his illness but the Hospice ensured his independence until the very end, with everything he needed to pass away at home."

Together for Hospice, The National Hospice Movement represents 26 Hospice and specialist palliative home care providers supporting patients and their families nationwide.

Funds raised locally stay local and go back into each local hospice service, helping to pay for medical and general staff, palliative care beds, home care visits, specialist equipment and new hospice builds.

"Covid-19 Restrictions only allowed immediate family to see him at the end and no-one was allowed to attend his funeral. I found this really hard because he was hugely popular in the parish and beyond," added Helen.

"We were a young couple who didn't even think of sickness when this happened and all of a sudden, we were relying on people to get us through it and that's what the Hospice staff did.

"I had to think about how I was going to continue paying the bills and the mortgage as well as other issues like getting a medical card.

"These are basic things that I never thought I'd have to know about and I didn't know the first place to begin looking for answers.

"The Hospice staff were incredible. They had a dedicated person to guide me through every step. No question was silly to them and they

just knew what to do to make things a little better at every turn.

"Derry knew he wouldn't get to hold a fundraiser to say thank you for everything the Hospice did and so he made me promise to hold one for them.

"A coffee morning felt like the right thing to do and it gave people who couldn't get to the funeral a chance to get together and remember him with laughter because he was such a character.

"No-one thinks about Hospice care until it's needed but unfortunately our story could be anyone else's tomorrow."

Register to host a coffee morning on Thursday, September 22, or on a date that suits you, at: [www.hospicecoffeemorning.ie](http://www.hospicecoffeemorning.ie) or call-save 0818 995 996. Hosts are provided with a free Coffee Morning Pack containing Bewley's coffee, posters and invitations.

# B FINAL WIN FOR NIAMH AT EUROPEAN ROWING CHAMPIONSHIPS

*Irish Rowing Championships 2022 - Niamh Coffey is pictured with proud parents Denise Casey and Sean Coffey following her win for UL RC in the final of the Womens Senior Four*

*Niamh Coffey preparing for a practice session at the Hazewinkel lake course, Belgium*

There were celebrations in Muckross last weekend, where members of the local rowing club were closely following proceedings the European U23 Rowing Championships, taking place in Belgium. At the Hazewinkel lake venue in the north of the country, Muckross rower Niamh Coffey was making her international rowing debut having been selected to row for Ireland just two weeks earlier during a final water trial. Her qualification however was the culmination of years of dedicated training both on land and water and followed her participation in several rounds of trials over the past rowing year.

In a sign of the high competitive standards required for qualification, UL student Niamh was selected as the sole female representative for the prestigious competition with just two male rowers also selected, namely Ciaran Purdy of Queens University Boat Club and Ryan Spellman, a fellow student and rowing team mate of Niamh with UL.

Niamh, the daughter of Sean Coffey and Denise Casey of Muckross, continues a successful family tradition in the sport of rowing. In her selection for the Irish squad, Niamh follows in the footsteps of her uncle Sean Casey, who rowed internationally for several years reaching the Olympic regatta of 2008 in Beijing. Niamh's parents, Sean and Denise are also well known in the rowing community with Denise having represented Ireland at the Home International Regatta and with a number of National Championship titles to her name. Sean's involvement in rowing also dates from his youth and he has coached several Muckross crews since the 1990s, with numerous successes on the national and international stage. Niamh's aunt Anita was also an Irish Champion rower at Junior 18 and Senior grade for Muckross.

Niamh's own involvement in rowing began during her first year in secondary school and from an early stage, her talent and commitment to the sport was evident. Niamh's early involvement saw her passion for the sport develop as she travelled to regattas and time trials around the country. The onset of the

COVID-19 pandemic would see her final year at the Junior 18 grade significantly disrupted but the transition to college in UL allowed Niamh to recommit with the university's rowing programme among the most highly regarded and successful in the country. In the past two years, Niamh has continued to develop her rowing talent and has met the rigours of a demanding training programme head on, all the while balancing her training with her studies in physiotherapy.

In 2021, Niamh caught the attention of many in the Irish rowing scene in winning not one but four Irish Championship titles in a single weekend – a feat that is matched by few in the history books of Irish rowing. In a dazzling display, Niamh was winner of both the Intermediate and Club grade single scull events while also teaming up with crewmates to win the Womens Intermediate Double and Club Four titles. This resulted in Niamh's eligibility ascending to the Senior grade of Irish rowing for the 2022 season with the Irish Championships of July this year witnessing a very memorable win for Niamh and her family. In her first year as a Senior rower, Niamh was part of the winning Womens Senior Four for UL RC at the Championship regatta, a title won by her mother 13 years previously for Muckross in 2009.

With national honours becoming par for the course, Niamh's talent did not go unnoticed by the Irish coaches who oversee the Rowing Ireland High Performance programme from their base at the National Rowing Centre in Cork – a programme that counts the infamous O'Donovan brothers, Fintan McCarthy and Sanita Puspure among its ranks with an enviable trophy cabinet of Olympic, World and European Championship medals from recent years.

Niamh's selection for the European U23 Championships saw her train under the guidance of renowned Queens University coach John

Armstrong, who also oversaw the training of Ryan Spellman and Ciaran Purdy selected to row in the Mens Heavyweight and Lightweight sculling events.

On Saturday last, Niamh made her mark in the first of three heats with an impressive win over scullers from Germany, Switzerland, Slovenia and Finland. This saw her qualify directly from the A/B semi-finals on Sunday morning with tough competition waiting from the competing heat races. In her semi-final race, Niamh was fourth with the competitors from Greece, Great Britain and Italy claiming the A final places and Niamh progressing to the B final. The B final saw Niamh drawn against some familiar competition to challenge for overall rankings from 7-12th place. Despite and early challenge from her Slovenian counterpart, Niamh challenged strongly through the middle of the 2000m race to claim her lead through the second half and power to a winning margin of almost four seconds with Slovenia second and the Czech Republic third. The B Final win and 7th place ranking in Europe is a tremendous result for Niamh in her international debut and holds promise for further success in the years ahead.

The successful weekend for the Irish rowers was capped with a silver medal for Ciaran Purdy of Queens University Boat Club in the A final of the Mens Lightweight Scull. Niamh's university team mate Ryan Spellman was fourth in his B final ranking tenth overall in the Heavyweight Single.

## A BEAUTIFUL TRIBUTE TO A SON "frozen in time"

**A**n air of shock and sadness was cast over the the racing community and beyond following the untimely death of 13 year old Jack de Bromhead at a riding accident at the Glenbeigh Races on Saturday afternoon.

The 13-year-old son of legendary trainer Henry de Bromhead and his wife Heather was riding in the fifth race when the accident occurred.

Flowers were laid and stones were painted at a memorial site at the beach in tribute to the teenager.

In a post on RIP.ie, Jack's parents paid tribute to their beautiful son.

*On September 3rd we said goodbye to our extraordinary, beautiful 13 year old son, Jack.*

*A one-of-a-kind child who touched all our lives in the best way possible - he will be forever present in our lives. Always cherished, always loved, frozen in time with a beautiful young soul. He was an amazing son who told us he loved us every day - an over-brimming heart of loyalty, empathy, patience, pluck, courage and how he made us laugh!*

*Not only the perfect, funny, loving son but also an incredible, loving brother to our beautiful daughters, his twin sister Mia and his little sister, Georgia. He always had their back and was fiercely loyal and kind. Our hearts are truly broken.*

*He made so many friends wherever he went and they felt his special, unique and loyal touch on their lives too. We ask that they please celebrate and love him as we know he would have wished.*

*Jack has lived so many more years than the thirteen - he filled every moment of his days, always busy, forever curious grasping at life and new interests. The passion he had for his family and friends extended to all his hobbies and interests - too many to fit into 13 years and certainly too busy to spend more than a minute more than he had to in the classroom! It started with his work on the farm, the tractor, the cattle, the ponies and horses. He was a passionate*

*expert on them all by the time he was 10. By 11 he was offering expert advice and consultation to his father on training horses as he developed his father's passion for all aspects of racing.*

*He recently started at a new school and by day 2 had already made a huge number of new friends to add to all his closest friends from home - Jack's friendships were of the deep and loyal kind and treasured by him.*

*Jack, you will be with us always at home in your family and friends' hearts. Always present, always cherished with so many memories from your packed, extraordinary life.*

*Deeply loved and missed by his parents, Henry and Heather, your sisters Mia and Georgia, grandparents Andrew, Marian, Harry and Sally, aunts and uncles, extended family and friends.*

*Our precious Jack*

Bear you on the breath of dawn  
Make you to shine like the sun  
And hold you in the palm of his hand"*

Killarney Mothers and Others Legion was set up in February 2018 and by October 2019 they were in the Gaelic for Mothers and Others Annual Blitz Their "All Ireland" was a celebration for a group of amazing women from all over the country, 400 entries, from 25 to 50 plus years old playing GAA with a twist.

In their time together as Killarney Mothers and Others, the members have played some great games with other teams from neighbouring counties and towns.

Registered & affiliated under Ladies Gaelic Football Association we train every Wednesday night from 8-9pm in Killarney Legion GAA.

"We have women who are first club Legion, from other clubs, or no club at all because they just want to play and train with a great bunch of women" a spokesperson for the club told Killarney Outlook.

"There isn't a night that we don't have the craic and banter. Some have played GAA before, some not since school and some not at all. All abilities, fitness levels and from different walk of life. We train in the basics and everyone works at their own stage. There is no pressure. We encourage each other. We laugh alot. We get the heartrate up and we get fitter and better without realizing! No two training sessions are the same. And that's the joy of it. We love to see newcomers as we know that once you've made that step to take some time for yourself, you couldn't be in better hands. And sometimes there's treat night...but that's just between Killarney Mothers and Others

# KERRY CAO APPLICANTS DO VERY WELL IN ROUND ONE OF COLLEGE OFFERS

By Billy Ryle

## POST MARKING ADJUSTMENT

Before the State Examinations Commission (SEC) released results last week to 61,107 Leaving Cert candidates, including 2,009 candidates from Kerry, a linear adjustment was applied to the marks to ensure that the 2022 grades were on par with the 2021 results. In order to raise the results to the 2021 level, additional marks were added to all exam scores on a gradually reducing scale from 11% at the bottom scores to 2.7% at the top scores. No marks were adjusted downward. Of the 410,161 grades awarded in the traditional Leaving Cert, 50.5% increased by one grade and 49.5% remained unchanged. In the final analysis, the overall results this year are at the highly inflated grades levels of 2021. For example, 14.3% of grades were at H1 level in 2021. This year it was 14.4%.

## SUPERB

The outstanding results were always likely to keep CAO points at last year's high level. That's exactly what happened when CAO Round One of offers was released yesterday. Leaving Cert results in Kerry were superb and, as expected, third level college offers poured into the region yesterday. It looks as if Kerry's CAO applicants will be top of the class in securing college places. More than 70% of Kerry's Leaving Cert candidates are likely to progress to higher education. A further 20% will secure places in Further Education, Apprenticeships and Traineeships. That scenario, of course, is predicated on students' ability to finance their education and to secure accommodation.

## ROUND ONE

Two preliminary rounds of offers, Round A and Round 0, were issued during the summer to applicants not awaiting exam results. Round One is the main round of offers where the majority of offers are released. There are two separate lists on the CAO application form – Level 8 (Honours Bachelor Degrees) and Level 7/6 (Ordinary Bachelor Degrees/Higher Certificates). Offers are issued independently in respect of the two lists (Level 8 and Level 7/6) so that many of the applicants who filled in both lists received two offers yesterday, one

from each list. However, an applicant can only accept one offer, in any round of offers, from either the Level 8 List or the Level 7/6 List. A Round One offer can be accepted online until 15.00 on Wednesday, 14th September. An offer automatically lapses unless it's accepted on time.

## GUIDELINES

Applicants sometimes find the CAO course offers system a bit confusing, so the following key points are worth your attention. You are offered the highest course preference(s) to which you are entitled based on your points. When you are offered a course preference, you are excluded from any course preference lower than the one offered. In the second or subsequent rounds of offers, you won't be considered for a preference lower than that already offered. If you were offered a preference, which is not your first preference, you may subsequently be offered a higher preference if such a place becomes available. It's not necessary to accept an offer in order to be considered for a higher preference if it becomes available. As there is no guarantee, of course, that a higher preference will become available, it's in your best interests to accept your Round One offer and hope for the best in Round Two. As the saying goes, 'a bird in the hand is worth two in the bush!' Finally, once you have accepted an offer you are not obliged to accept any subsequent offer.

## AVAILABLE PLACES

These are places that remain unfilled after all offers have been made and waiting lists have been exhausted. The available places application facility opens at noon today, Friday at a fee of €45 to new applicants and is fee free for existing applicants, whether placed or not. When considering application for available places courses, applicants should ignore previously published points in earlier offer rounds. Applicants must, however, meet the normal minimum entry requirements for the course(s) in question. Find further information on the available places facility on the CAO website, [www.cao.ie](http://www.cao.ie).

# CRONIN TEAMS UP WITH MOLSON GROUP FOR BRITISH CHAMPIONSHIP RUN-IN

**T**his weekend sees the British Rally Championship enter a crucial phase, with the series' fifth of seven rounds, the Rali Ceredigion, being decided over twelve stages around its Aberystwyth base on Saturday evening and Sunday. The event will be the first to feature a new partnership between current BRC points leader, Keith Cronin, and Molson Group, the UK's largest independent new and used heavy equipment dealer. The Molson Group name will appear on Cronin's Volkswagen Polo GTi R5 for the remainder of the season, as he bids to equal the record of five British rally titles, held by Jimmy McRae. Cronin, and co-driver, Mikie Galvin, having won the Jim Clark and Grampian rallies, currently hold an eighteen point advantage over Osian Pryce and Noel O'Sullivan, who have also recorded two victories during the course of the year. With competitors counting their best five scores from seven rounds, the effective difference between the crews is much closer than the points margin suggests, and the result of Rali Ceredigion will be crucial to the ultimate outcome of the championship. Pryce won the rally on the previous occasion it ran, in 2019, but this is the first time it has been included in the British Championship calendar.

"I'm delighted to welcome the support of Molson Group to our team," said Cronin on the eve of Rali Ceredigion. "The run-in to the championship is going to be tough, this round and the final one are in Wales, so Osian will have home advantage of sorts. With the dropped scores rule it will be vital to take the wins, or at least try to finish ahead of him, there are others in the field who could spring a surprise on us too. I'll give it my best shot to bring home the title with Molson Group and all of our other existing supporters, to

whom I am very grateful".

Rali Bae Ceredigion gets underway on Saturday evening with two runs over a short half mile spectator stage on Aberystwyth's promenade. Two further stages follow before the overnight halt. Sunday sees eight further stages tackled (two loops of four tests), before the victory celebrations take place back in Aberystwyth just after 4pm.

In addition to the new partnership with Molson Group, Keith Cronin and Mikie Galvin continue to be supported in the British Rally Championship by M O'Brien Group of Companies, Keohane Seafoods, Inver Energy, Cremin Coaches, Cronin's Homevalue Hardware, Cronin's Centra (Ballylickey, Leap and Union Hall), and Pirelli Tyres.

## MONEY MATTERS.....

By Dermot Cronin,  
**Financial Advisor**

### HAVE YOU GIVEN UP SMOKING WITH OVER 12 MONTHS?

If the answer is yes and you have any of the following:

- Life Cover
- Mortgage Life Cover
- Serious Illness Cover
- Income Protection

Then it is very likely that you are paying too much for your insurance regardless of whether the policy is in one person's name or in two names. By reapplying for the same amount of cover you have over the same remaining term there is a strong possibility that you may have a substantial reduction in your premium. For example a 34 year old male smoker with €200,000 life cover and €100,000 serious illness cover over 20 years would pay at present **€72.47 per month** whereas for the same cover as a non smoker the premium is reduced to only **€45.76 per month**, this is an annual saving of **€320.52** and over a 20 year term a saving of over **€6410.40**.

These premiums are based on standard rates.

**If you require any further information on the above or any financial matter please contact Dermot Cronin QFA at 0646622775 or [dermotcroninifa@gmail.com](mailto:dermotcroninifa@gmail.com)**

## &gt;SENIOR LADIES JUNIOR A CHAMPIONSHIP RD2

The Spa Senior Ladies were out again on Sunday 4th September against Laune Rangers in Spa. Playing conditions were good in general but there was a strong wind. The Spa Ladies put in yet another great performance and dominated the game from the start. They played a fantastic game of football and led by 4 points at the half time whistle. The Spa Senior Ladies had the wind on their side for the second half and they made good use of it and racked up the scores. Laune Rangers never gave up but Spa were the stronger side on the day. They played with great intensity and played great attacking football. They worked tirelessly throughout the game to secure the win in this year's Junior A County Championship. The final score Spa 3-25 to Laune Rangers 2-10. The Spa Senior Ladies are away to Listowel Emmets in Listowel on Sunday next 11th September. Throw in is at 12noon. Spa Panel: Aisling O'Mahony, Leanne Cronin, Ciara Moynihan, Liz Stack, Gina Crowley, Karol Fleming, Katie O'Connor, Mairead Bennett, Liadh Tobin, Cassandra Buckley, Lynn Jones, Mags Cronin, Alma O'Mahony, Sarah Fleming, Saoirse Kelly, Amy Cronin, Isabel Waters, Meghann Cronin.

## &gt;CO MINOR B CHAMPIONSHIP RD1

Our minors travelled to Ballyduff on Saturday afternoon for the first round of the 2022 Minor B Club Championships. It was a close game throughout and although Ballyduff had a narrow lead at half time, some good team play earned Spa a victory in the end. Spa started well and with points from Aidan Cronin (2) and Luke O'Neill finding the net late in the opening quarter, Spa jumped into a 1-2 to 0-1 lead. Ballyduff gradually settled into the game and quickly had the sides level. Aidan Cronin (2) and Timothy Moynihan added more points late in the half but Ballyduff got in for a goal right on half time. At the break Spa were behind at 1-5 to 1-7. Spa had a much stronger second half and with scores from Aidan Cronin, Oran Daly and Joey McCarthy the sides were soon level at 1-8 apiece. Spa missed some chances but points from Timothy Moynihan (2) and Luke O'Neill (2) gave us a three point lead at 1-12 to 1-9 going in to the final few minutes. Final points from Aidan Cronin and Luke O'Neill closed out the game with Spa home to Moyvane next Saturday at 4pm in the semi-final. Spa: Emmett Spillane, Donal Hickey, Danny Coffey, Evan O'Neill, David O'Sullivan, Shane O'Sullivan, Aaron O'Connor, Oran O'Neill, Cian Russell, Joey McCarthy, Timothy Moynihan, Luke O'Neill, Chris Healy, Aidan Cronin, Eric Moriarty. Subs: Oran Daly, Darragh Brosnan, Fionn Daly, Cormac Walsh.

## &gt;MCELLIGOTT CUP JUNIOR CHAMPIONSHIP RD1

Spa travelled to Beaufort on Friday evening for the opening round of the 2022 McElligott Cup Junior Co. Championships. Beaufort had the better start and goaled within minutes of the throw in and Spa were chasing the game from there on. First half scores from Mikey Moynihan (2), Michael Kearney and Donagh Fahy had Spa trailing 0-4 to 1-6 at half time. A much stronger second half performance, and goals in the final quarter from Donagh Fahy and Thomas Cronin, had the sides level at 2-7 to 1-10 as the game was coming to an end. Both sides were chasing the victory but a late goal, and last score of the day, for Beaufort saw the home side win out by 2-10 to 2-7. Spa now go though to the Shield Semi-Finals next Friday

night at home to John Mitchels (6.30pm). Spa: Conor O'Riordan, Alan O'Sullivan, Donal Murphy, Dave Devane, Diarmuid Cahill, Mike Murphy, Rian O'Neill, Eoghan Cronin, Eoin O'Riordan, Connie Cremin, Michael Kearney, Donagh Fahy, Thomas Cronin, Colm Hickey, Mikey Moynihan. Subs: Sean Hickey, Adam Dennehy, Mikey Aherne, David Moriarty

## &gt;SYMPATHIES

Condolences to our juvenile coach Jeremiah Buckley and family on the passing of his father Jeremiah (Skip) Buckley RIP, St Brendan's Place, Killarney. May he Rest in Peace.

## &gt;U13 EAST KERRY DIVISION 2 ROUND 2

Our U13's welcomed Cordal to Spa last week and both teams served up a cracking game of football. Spa started the brighter with a goal in the opening minute, however cordal answered back with some fine scores of their own, however the first half belonged to Spa and pressed home their advantage and lead at half time 2-6 to 1-4. The second half started just as the first half finished with some super scores from both sides, however the decisive score of the game came mid way through the second half when Spa hit their 3rd goal. Some more super football was played by both side with Spa edging out their opponents on a score line of 3-10 to 1-12. All 21 players in squad played their part, thanks to Cordal for a very entertaining game and to Eddie Walsh for refereeing the tie. Next up we are away to Dr. Crokes on the 09th of September

## WORK FROM YOUR HEART

Many of us spend the vast majority of our days engaged in some form of work. If we are lucky enough to have work that we love it is easier to approach our days with eagerness and excitement. However, if the work you do is not what you truly desire at the moment, it can be more challenging to greet the day with enthusiasm.

However, when you bring your heart into your work, it can completely transform the experience you have of your day.

**Today's Life Coaching Action**  
Today, make everything you do an act of love and care. Think of the people who might be receiving something that you have had a part in. Imagine them enjoying the results of your labour. If you work with the public, send love to each and every person you meet. No matter what kind of work you do, make it an opportunity to give of your best. Do everything with care and focus on the joy that your work may bring someone else.

Not only does this transform the experience of working, it also helps to create more personal fulfilment and meaning.

Have a wonderful day!

WHAT WOMEN WANT

answers your beauty questions...

### I am in my mid 30's, when should I start having Facials?

A regular facial will help to keep your skin clear and hydrated but more importantly it will slow the signs of aging and revitalise dull skin.

Your skin regenerates itself approximately every 28 days, so a facial every 4 – 6 weeks gets the new skin shining through. By using professional strength ingredients and electrical currents we can get active ingredients deeper into your skin. After a good facial your skin should look bright and fine lines less obvious. It should feel soft, smooth and almost moist to touch with no creams on. Your facial is also an hour out to destress and relax, amazing to soften

facial expressions after peering at screens all day.

A good homecare routine is as important for you as your facial at this stage. After your facials get well informed on how to look after your skin at home for optimum results. Ask about courses of facials which will work out cheaper for you. Your facial is a great investment for youthful looking skin in the future.

## CONFUSED ABOUT YOUR TRAINING?

With so much information and trends for fitness workouts and gym programmes at the moment it's hard to know what's the right one for you? Not to mention which gym, class or instructor will suit you? Really it can seem like a minefield of information and often too daunting to figure out causing a lack of staying power to a programme or over reaching expectations causing burn out.

So our best advice is to peer it back and start with asking yourself "what is my goal?" Then seeking out advice on the type of programmes, classes or training that is alignment with your goals, and expected outcomes from the training.

So for example if you are looking to loose weight and tone up without causing too much muscle bulk we would advice a good nutrition plan, combined with a nice mix of cardio and light weights and high reps type of programme or classes. If you are a person that gets a buzz out of training with others and likes a group class environment we would advise attending classes that have these elements of training in them or if you are a person that likes to go it alone get a nice gym or home programme that ticks these boxes for you.

On the opposite side of the spectrum you may be looking to get strong and bulk up with muscle. So we would again advice a weights specific diet plan to help with building lean muscle and get good guidance from a trainer on technique and different ways of lifting heavy weights and varying it up to get a total body workout. And of course get a progressive weights programme designed with them to tie in with your goals and outcomes.

So no matter what your motivation or reasons for wanting to start it's important you set out your goals and make sure you don't get confused about what or why you are doing it. Always seek advice if unsure and make sure it's the right step sbd direction for you to stick with long term.

**Need any more advice contact the team at B Well on 087-7643449 we would only be delighted to guide you in the right direction.**

DIARMUID O'SULLIVAN OPTOMETRIST

- Formerly Stack O'Brien -

### SCRATCHED CORNEA

A scratched cornea is one of the most common types of eye injury  
**What is the cornea?**

The cornea is the clear front part of the eye. This part of the eye is packed with nerves – it has many more nerve endings than your fingertips, for example.

**What should I do if I scratch my cornea?**

A corneal abrasion is a common eye injury.

If you are experiencing any eye pain or discomfort, or you suspect you have a corneal abrasion, you should always consult your optometrist for advice.

**What causes a corneal abrasion?**

A corneal abrasion normally happens after an accident or injury to the front of the eye. They are often caused by fingernails, or an accident in the home or while gardening.

**What are the symptoms of a corneal abrasion?**

There are several symptoms associated with corneal abrasion, and you may only experience a few, but they can include:

- Pain, which may feel worse when you open or close your eye. A feeling that there is something in your eye or irritation
- Your eyes watering far more than usual
- Redness
- Sensitivity to light

• Blurred vision or loss of vision

• A headache

**How long does it take to heal?**

Corneal abrasions will normally heal completely within 48 hours. If the abrasion is in the centre of the cornea, your vision may be slightly blurred. It is also normal that your eye will be a little red and you may find bright lights uncomfortable until the abrasion has healed.

**Treatment**

You may be given lubricating drops to make your eye feel more comfortable and help to keep it moist.

**The following may also help:**

Over-the-counter painkillers such as paracetamol will help with the pain

Avoid rubbing or touching your eye as this may make the abrasion worse or slow down the rate of healing

Wearing sunglasses may help if you are sensitive to light

If you wear contact lenses, you should not wear them until the corneal abrasion has completely healed. Your optometrist will be able to tell you when you can wear your lenses again

If your vision starts to become more blurred, or if the pain and redness increase, you should get advice from your optometrist.

## GLENFLESK

Written by: Seamus Healy

### ➤**CONDOLANCES**

Glenflesk GAA offer our sincere condolences to the family of Tim Michael O Sullivan, late of Kilquane, Headford. Tim was a great character and would light up the duller of conversations with his great knowledge of the locality and of course GAA. Even though he was a Kilquane man he played his football in Glenflesk (pre Parish rule) captaining the winning Junior team of 1957 in the East Kerry final. He was also an outstanding athlete winning all types of races and a champion high jumper too. Ar dheis Dé go raibh a anam dílis.

### ➤**LOTTO JACKPOT €9000**

No winner of Glenflesk Lotto which took place on 26/8/2022 in Glenflesk Hall. Jackpot €8,800. The numbers drawn were 16, 20, 21, 30. There was no winner. Consolation prizes of €50.1. James Moynihan, Scartaglin. 2. Corner House Bar. ( Sellers' Prize). 3. James and Flor c/o Spillanes' Bar. 4. John, Michelle, Cathy and Breda c/o Spillanes' Bar. Next draw will take place in Glenflesk Hall on Monday 5/9/ 2022. Jackpot will be €9,000. Thank you to all who support our Lotto and to our sellers. ### ➤**KERRY COISTE NA NOG**

After what happened in Roscommon in the last couple of days (not even going to post the link), its time to take notice. Abuse of any kind towards officials, and particularly at underage level is unacceptable and will not be tolerated. We, in Kerry, pride ourselves in our sporting behaviour but lets not be kidding ourselves, verbal and other abuse of officials is still widespread within our games at all codes, grades and genders in the county. It is simply not good enough. As a board we have a responsibility to call it out and deal with it accordingly but we can only do so much. It is down to clubs as well to call it out if they see it. We can be passionate about our games but we can also be respectful and have some common sense. Remember, no referees means no games. Hopefully this might make everyone think a little. #RespectOurReferees

### ➤**SLIABH LUACHRA CYCLING CLUB**

Congratulations to Rose Linehan who won gold in the U11 girls national TT with Sliabh Luachra Cycling Club in Armagh at the weekend. Rose also collected a silver medal for the Road Race and bronze for the CRIT

**UNDER 11 BOYS:** A great display by our under 11 boys today in the annual miltown blitz. We played st Michaels filemore in the first game and played some lovely football coming out the right side of a tight game. Next up was miltown great defensive work gave us the platform to launch some great attacks and again we won by a couple of scores. The last game in the group was against beaufort this was a cagey affair and we got some decisive goals to give us the win and put us top of the group and into the A simi final against Dr crokes. In the simi final crokes started the brighter however they were playing with the wind and went in 3 points up at half time. The second half was a different affair and our lads launched several attacks however we couldnt get the crucial score and in the end ran out of time losing by 2 points. Overall the whole squad performed brilliantly and showed they can mix it with the best teams in the county.

## DEERPARK PITCH & PUTT CLUB

### JEREMIAH BUCKLEY SNR

It is with profound sadness that the club learned last week of the death of our Vice President

The late Jeremiah 'Skip' Buckley Snr, Vice President of Deerpark Pitch & Putt Club News

Jeremiah 'Skip' Buckley Snr. A great presence on our Grounds Committee for many years as well as a religious daily 2pm Fourball player in his playing days with the late Dan O'Leary, the late James Horan, Donal O'Mahony and Tim Falvey amongst his many playing partners. Skip did amazing work on the course in clearing out places no one else would think of and he was a strong supporter of all club competitions as well as being a great proponent of our activities around the town. His wit and charm was cherished by all who knew him. To his wife Patricia, sisters Eileen Switzer and Sheila O'Donoghue, his daughters, sons and extended family we offer our deepest condolences. Thanks to those who helped form a guard of honour at his funeral last week.

His family presented the Cup and were delighted to see that girls soccer in the KSBGL is now at record levels and competing at the highest level on the Inter League front.

In the game Inter Kenmare battled all the way but it was the Celtic attack that did all the damage with Aideen O'Brien hitting a hat-trick and Katie Foster getting two. Celtic's Lucy O'Sullivan was

named as the Player of the Match.

### PARK WIN AWAY IN SLATTERSY 12'S GIRLS PREMIER

Two goals from Nessa Kirby and one goal from Alannah Crossan saw St Brendan's Park enjoy a 3-1 away win at MEK Galaxy with Izzy Lyons scoring for the home side.

**SPA MUCKROSS COMMUNITY GAMES****SWIMMING**

Great results for Spa Muckross in the pool at the County Finals in Tralee last Sunday.

Well done to the Tomlinson family who went home with a haul of medals. An amazing race by Shane to win gold in the U14 50m freestyle. Shane will now go on to represent Kerry in the National Finals. Zarah won a well earned bronze medal in the U10 freestyle and Adam pewter in the U8 freestyle.

Anna O'Shea charged home to win bronze in the U16 breaststroke.

For a second year in a row Ella Cremin won gold in the U14 backstroke. Ella will now also go on to represent Kerry in the National Finals.

Well done to everyone who competed today and best of luck to our cross country runners who are in action this weekend.

**MUCKROSS ROWING CLUB****EUROPEAN U23 ROWING CHAMPIONSHIPS**

Congratulations to Niamh Coffey, winner of the B Final for Ireland in the Lightweight Womens Single at the European U23 Rowing Championships in Hazewinkel, Belgium last weekend. The result ranks Niamh an impressive 7th place in Europe, in her first international regatta. The club is very proud of Niamh's achievement, which builds on the success she has enjoyed closer to home with national

*Killarney RFC Minis who were back to training last Saturday.*

championship wins in 2021 and 2022. The result in Belgium completes another highly successful rowing season for 2022, however it will be a short lived break for Niamh as the training and trial cycle for 2023 soon gets underway along with the return to college this month.

**KILLARNEY REGATTA**

Once again, high winds conspired to seal the fate of Killarney Regatta which was cancelled last weekend for the second time this year. It was especially bad luck for the organisers as the weather has been otherwise favourable in recent weeks though other regatta fixtures meant it was not possible to run the historic Killarney contest any earlier.

**IRISH OFFSHORE ROWING CHAMPIONSHIPS**

Best of luck to all our crews competing this weekend in the Irish Offshore Rowing Championships in Wicklow town. The club will compete in the Mens Open Quad, Double, Single and Junior Quad categories. The event will also bring the curtain down on the club's rowing season for 2021/22 with the new rowing year 2022/23 already getting underway.

**ST PAULS JUVENILE BASKETBALL CLUB SEASON LAUNCH****ST PAUL'S JUVENILE SEASON LAUNCH**

The shortened evenings may signal the end of the summer as the leaves start to fall and the temperatures drop. The incoming winter makes any outdoor activity a bit of a struggle but that's where the beauty of indoor sport kicks in. St Paul's Juvenile season will be launched next

Friday September 9th with an open evening at the Killarney Sports and Leisure Centre. The Club is home to close to 300 playing members and the games will be coming thick and fast in the months ahead.

All members are invited to come and take a few shots, try out the brand new shooting machine and get registered for the season ahead for all age groups both boys and girls. Club administrators will be on hand to help you with all the details and the brand new club merchandise will be available to fit and order on the night.

It will also be an opportunity to meet the coaches of both the Mens and Ladies National League teams while players from both groups will be on hand to meet and greet and maybe take a photograph or two.

Season tickets for the upcoming Scotts Lakers games will also be available to purchase on the night. The Lakers have been busy in pre-season with some new faces on board. American Eric Cooper Jnr, a shooting guard, will be joined on court by 6 foot 11 Ukrainian Dmytro Berozkin and with Rui Saravia signed up again they will be looking to jell with the best of the local talent who will have gained so much experience from last season's exploits. The Lakers will be launching their season on Wednesday September 14th with a press night. So for now all members of St Paul's Juvenile basketball club are invited to the open evening, for registration, which will run between 7-8pm on Friday September 9th at the Killarney Sports & Leisure Centre. See you all then.

## JIMMY O'SULLIVAN-DARCY takes a look at all things sport...

### SENIOR FOOTBALL CHAMPIONSHIP

Games have been coming at us in a whirlwind of late. We scarcely had time to pause for breath after an All Ireland campaign that turned into a thriller after a very slow start, and a thriller that contained a very happy ending for Kerry supporters. Clubs had to hit the ground running in the best club championships I can remember – separating them from the inter-county campaign completely was a huge success and, in Kerry at least, the gradings seem to have been justified by the quality and closeness of games. There wasn't a single dead rubber that I can recall – that's almost unheard of.

It's a long schedule for players and absolutely merciless in terms of recovery time, and I know that could become an issue (there are group games scheduled in the All Ireland championship next year). Kerry is in a slightly unusual position because we effectively have two senior championships – our club championship and our county championship. I firmly believe that the inclusion of divisional teams is the closest thing that there is to a secret of Kerry's success. Frankly, I am absolutely amazed that other counties haven't followed suit.

There is a strong argument that it has given us an advantage in terms of Junior and Intermediate club All Irelands – we have eight senior clubs instead of sixteen in most counties – a lot of our Intermediate clubs would be playing senior in other counties. But it means that county league players from relatively small clubs get to showcase their skills on big occasions in front of judgemental but generally appreciative Kerry crowds. I wouldn't swap it for anything.

There's a careful development system in place in Kerry for good footballers – you get very few players who aren't already in the county system by minor (Rathmore's Tom O'Sullivan and Paul Murphy are two famous exceptions). But the County Championship is still our headline act. They are where you really make your reputation and where you attract attention. Tralee Mitchels were so good they had to be broken up into three teams – they became Stacks, Rahillys, and Mitchels. The latter remain the only team to win the County Championship five times in a row – Dr. Crokes came very close recently. Austin Stacks in the seventies – Micheál Hayes sowed strong seeds in that fertile ground. Fr. Brian Kelly wrought transformations in both Mid and West Kerry.

I remember an old story about East Kerry being stuck for a midfielder one day because Pat Moynihan of Gneeveguilla had scholarship obligations with UCC. One spectator had done well in a garda tournament the day before, so they asked him if he had brought his boots. Young DJ Crowley had indeed – he won two All

Irelands with Kerry after and scored one of the most famous goals Croke Park has ever seen.

Shannon Rangers were a strong team in the early seventies, so the news that they were starting a sixteen year old raised a lot of eyebrows. Young 'Ogie' Moran, the Kerry mascot in a winning All Ireland in 1962, wasn't long joining senior ranks. Connie Murphy was known as a good footballer, but he wasn't really considered in the elite of Kerry footballers until the 1987 County Final. Dr. Crokes lost in a replay, but Connie Murphy was on Mick O'Dwyer's radar from then on alright! Stories upon stories, and every generation throws up new ones. It's woven into the seam of us as a people.

Look, I could tell you a thousand such stories. Give it a couple of weeks, and like Scheherade of old in the Arabian Nights, I could tell you a thousand and one. Who'll be the last team standing in this year's Kerry County Championship? And, perhaps more significantly, what new names will establish themselves and ask questions of Jack O'Connor and his selectors? Like everybody else, I have half-educated guesses and suppositions, but I'm really looking forward to finding out.

### GROUP ONE

**Kenmare Shamrocks v Shannon Rangers**  
(Fitzgerald Stadium, Sunday, 2.00pm)

Kenmare Shamrocks were unlucky enough in the club championships, but they might have a little too much reliance on Seán O'Shea for scores. If Kenmare can bring Stephen O'Brien and Paul O'Connor more into the play, I could see it being a bit more effective for them. They are a very solid team. It's great to see Dan McCarthy back in action, but I will say that for me he is one of the most promising wing backs around; I wouldn't be playing him in the forwards. Shannon Rangers had one tremendous burst back in 2014 that took them all the way to a semi-final, but they have been struggling ever since and I have to say that the omens don't look good. Jason Foley is the obvious headliner, Shane Enright is still a great footballer, and the likes of the Goulding brothers are serious talents. But my understanding is that the Kennelly brothers and several more players won't be available for this opening game, and that tips the scales in Kenmare's direction in a big way.

**Dr. Crokes v St. Kierans**

(Milltown, Sunday, 2.30pm)

Dr. Crokes have had the upper hand in recent battles between the two, but they have always been very competitive games. Crokes have basically been the kingpins over roughly the past decade, but the likes of Cooper, Buckley, Eoin Brosnan have quietly stepped away. Mike Moloney and Kieran O'Leary have been on the bench. Brian Looney and John Payne are as incredibly effective as ever and Daithi Casey has shown very well of late. Young tyros like Neil O'Shea, Evan Looney, and Cian McMahon have been fearless and effective in starting roles. Crokes aren't too far away. But Kierans have been serious dark horses for me for the last couple of years. Paul Walsh (Brosna), the Walsh brothers of Knocknagoshel. Thomas Hickey is out, but his brother Maurice, Luka Brosnan (I rate Luka very highly) and Brian Leonard are available. The Horan brothers of Scart. It might be a little early for Kierans to gel, drawing from three different districts, and you'd still give Crokes a very tentative nod, but I expect this one to be an absolute cracker.

### GROUP TWO

**Kerins O'Rahillys v East Kerry**  
(Austin Stack Park, Saturday, 7.30pm)

Look, there isn't any real debate to be had about the favourites this year. I thought East Kerry were caught badly on the hop in their opening round of last year's championship. Don't mistake me – Stacks fully deserved their win and had a strategy that would eventually win the Bishop Moynihan –but I suspect that East Kerry would reverse that result at any other time of asking. This year you are including a Legion side who have been flying in the Intermediate. I don't actually envy Jerry O'Sullivan one bit – he'll have tough choices to make and there will be good players who won't even make the bench. That comes with its own burden – every tiny issue is magnified thousandfold. Win by twenty points and there will be people complain that it wasn't fifty – and would have been if their team was selected. No. Like everyone else, I have East Kerry as strong favourites, but I don't envy them.

Normally I'd consider this one a serious banana skin. After all, Rahillys went to last year's final and were unlucky to lose key players to injury early on in that game, and are in this year's Senior Club Final. They aren't getting the credit they deserve. But Cormac Coffey and Jack Savage being away puts a different complexion on it. Savage has been absolutely the key scorer

for Rahillys. Conor Hayes back from injury gives them a serious shooting option, and a team with players the calibre of David Moran, Tom Hoare, Seán Walsh, Gavin O'Brien....well, you're not going to muscle through them, are you? East Kerry will go into this one as strong favourites, and rightly, but I expect this one to be a lot closer than most people think.

#### **Dingle v Spa (Killorglin, Sunday, 2.30pm)**

This is an interesting one. Realistically the winners of this one have a great chance of going through, while the losers are hugely up against it. Spa beat Dingle in the opening round of the Club Championship, and deservedly so. Liam Kearney was superb in that game, and Spa have other big aces in the likes of Dan O'Donoghue, Shane Cronin, Ciarán Spillane, Evan Cronin, Michael Foley, and David Spillane. But I think Dingle made a big mistake in that game, bringing Pual Geaney out around midfield in the first half. Geaney has played as a target-man ever since and is one of the deadliest predators around. Having namesakes Dylan and Conor (hopefully back from injury) makes a potent combination. Barry Dan O'Sullivan has been immense of late, while Tom O'Sullivan needs no introduction. Add the likes of wily veteran Billy O'Connor and impressive young gun Ruadhán Mac Carthaigh into the mix, and Dingle will fancy their chances. They can be a bit defensive, though, and Spa have gotten good at breaking through those lines. Accuracy will be key – Dingle will miss very little, and Spa will have to at least match their conversion rate.

#### **GROUP THREE**

##### **Austin Stacks v Na Gaeil**

**(Austin Stack Park, Friday, 8.00pm)**

Well, there'll be a bit of spice about this one! The reigning champions against the competition debutants, and a derby match to boot. Na Gaeil were the main element in a St. Brendans's team who have made the latter stages three years in a row and gave East Kerry some fantastic contests at minor in recent years. It should go without saying that Jack Barry and Diarmuid O'Connor are a formidable midfield – they should have a slight edge over fellow Kerry players Joe O'Connor and Greg Horan. Stefan Okunbor is a big loss, of course, but I must say that I thought the weight of expectation being placed on his shoulders on his return from Australia was a bit ridiculous to me. I'd have left him play club football for a year and settle back into the game before pulling him into inter-county. Like Tommy Walsh before him, I think the body needs time to readjust after a professional environment in a very different game – and AFL is a very different game despite the similarity in some skills. Na Gaeil have unsung heroes like Damien Bourke, Enda O'Connor, Dan Goggin, Andrew and Fergal Barry, and young talents like Jack Sheehan and Tomás Ó hAiniféin. That's a club who have put a huge amount of work in on the ground over years and are now reaping those rewards. But Stacks might still be a bridge too far. They have a good blend of experienced campaigners like Wayne Guthrie and David Mannix supplemented by young guns like Dylan Casey and Jack O'Shea and Tralee CBS

stars Conor Horan and Armin Heinrich. Seán Quilter can be unpredictable, but he's always a serious long range threat. I think Austin Stacks have to get the nod in this one.

#### **Mid Kerry v West Kerry, (Austin Stack Park, Saturday, 5.30pm)**

An Ghaeltacht have shown very well in getting to the last four of the Intermediate after a titanic battle against Gneeveguilla. The return of Dara Ó Sé, who played in a Cork County Final with Clonakilty last year, is a huge boost. Himself and Robaird Ó Sé are two of the best club midfielders around, big men and well able to pick off scores. West Kerry don't have a huge pick by any means, but the likes of Killian Falvey, Thomas O'Donnell, Maurice O'Connell, and Colm Moriarty have impressed with Kerry teams and have the fearlessness of youth. The likes of Brian Ó Beaglaíoch and Jason Hickson need no introduction to this level.

But they are coming up against a team who seriously impress me. Any team with Darran O'Sullivan, Gavan O'Grady, Liam Carey is going to be dangerous. Jack O'Connor and Seán O'Brien are two of the best young players in Kerry to me (hopefully Jack is fully fit after injury). Eoghan Hassett joins his older brother Gearóid on the field. Fiachra Clifford and John Tyther. Peter Crowley and Pa Kilkenny are elite quality defenders, but I think the likes of Caolim Teahan, Jack Brosnan, and David Managan would supplement any team. Milltown/Castlemaine will be plying their trade in Division One next year and I'm not surprised – given the population flow, I suspect that they are a growing force anyway. Having Éanna O'Connor's accuracy on board doesn't hurt! Mid Kerry went all the way to the final two years ago, serving up a semi-final against Dr. Crokes that remains one of the best football matches I have seen in any grade. Gavan O'Grady was visibly carrying an injury in that final – I don't think it would have really turned the tide after that wonder goal by David Clifford, but it shows that the bones of a championship-winning side are there. Mid Kerry could be very, very interesting to watch this year.

#### **GROUP FOUR**

##### **St. Brendans v Feale Rangers (Castleisland, Saturday, 4.00pm)**

St. Brendans absolutely captured hearts and minds last year, and could feel very unlucky to lose that humdinger to Stacks on penalties. St. Brendans go about their work quietly and well and have produced very good underage teams in recent years, especially at minor. The overwhelming narrative this year, obviously, is the loss of Na Gaeil from their ranks. That is a huge loss, of course it is, but I wouldn't exactly be writing off St. Brendans quite yet. As well as the young players to come into Donie Rooney's hand for selection, you have dual stars Brandon Barrett (the definition of a box to box player), sharpshooter Jordan Conway, and Michael Leane coming on board. All three may be best known as Kerry hurlers, but they are serious footballers as well – I consider Leane in particular to be an under-rated talent. Ivan Parker is a hugely consistent scorer, and that

can take a team a long way.

It's not exactly any secret that North Kerry football has been struggling for some time. Part of that is increasing urbanisation, part of it is the lure and love of hurling. But it has become a problem and a glance at results in recent years for both the North Kerry sides clearly proves it. North Kerry have amalgamated at underage and it's generated a huge buzz around those teams. They lost the County U21 Final in a cracker after extra-time to East Kerry. The minors went a step further and brought the Frank King Cup back to North Kerry. That's a big lift for young players who, frankly, had grown unaccustomed to seeing silverware in their home parishes. Will that translate into success for Feale Rangers on the field? This game with St. Brendans will tell an awful lot, but I think unless they can really hit the ground running (and remember, their preparation time is even shorter than most because of the North Kerry Hurling Championship) then I think they might struggle. I think you'll have a North Kerry combination in the Senior County Championship before too long, and I think it's a necessary step going forward for the area.

Templenoe v South Kerry (Fitzgerald Stadium, Saturday, 3.45pm)

If Templenoe weren't a senior club, they would have been almost certainly joining up with South Kerry – they did so at minor and were part of the South Kerry team that ended East Kerry's six year reign. As such, there's a slight irony about their meeting, but no more so than Spa playing East Kerry, it won't be a factor, just a point of interest. South Kerry were the best team in Kerry before Crokes took over, but they haven't really troubled the top echelons since that amazing 2015 triumph over Killarney Legion – Declan O'Sullivan's finest hour. Seán O'Sullivan doesn't have Declan to call on, and Bryan Sheehan has finally called it a day. They have also lost the likes of Mark Griffin to Éire Óg (Griffin was a powerhouse at centre back), sharpshooter Éanna O'Connor (to Milltown/Castlemaine) and the O'Sullivan brothers of Valentia (to Austin Stacks). You still have plenty of talent with the likes of Graham O'Sullivan, Robert Wharton, the Cliffords and O'Dwyers of Waterville, Brian Sugrue in Reenard, the Dalys and Conor O'Shea of St. Marys. Cian O'Donoghue's return from injury is a nice boost. But Templenoe are a joy to watch these days. The Spillanes, Gavin Crowley, and Tadhg Morley need no introduction and are as good or better than ever. But there is real strength in depth. Brian and Colin Crowley, Patrick Clifford, Josh Crowley Holland, veteran Seán Sheehan, John Rice, Kieran O'Neill, the Hallisseys.....there's absolutely no weakness there. When on song, Stephen O'Sullivan is almost as dangerous a threat as Killian. For that matter, Aidan Crowley at full forward looks a real find and his long range frees are an added threat. For that matter, the long range accuracy by the likes of Gavin Crowley in the club championship was spectacular. Any team that can hurt you with kicks like that will be dangerous to anyone. They are a seasoned side now and I think they could catch South Kerry early on before they find their feet.

## OKWUTE SIGNS FOR STOCKPORT

I've watched the first four episodes of 'Wrexham FC', the documentary about Hollywood actors Ryan Reynolds and Rob McElhenney's attempts to restore Wales' oldest soccer club to its former glory – or at least back to professional league status. Reynolds and McElhenney don't actually eat up too much screen time – McElhenney speaks very well about the parallels between South Philadelphia and Wrexham and the industrial collapse of both in the early '80s and how the immersion in sport helped. The real stars are unquestionably the players, staff, and most especially the long-suffering supporters whose lives are inextricably intertwined – these are ordinary people who speak with great candour about their emotional connection to the club. It's a glimpse into the real life of a football club, not one of those glossy and carefully manufactured documentaries/hagiographies for the Premiership giants that are basically just ads. This is where football

really lives, down at the roots.

I mention this because one of the teams that Wrexham face in that dog-eat-dog world where results matter more than share price is Stockport, and one of the players who will be plying his trade there from now on is Killarney's own Daniel Okwute. Daniel has signed a two year deal with the club, with the option of a third.

Daniel has been on the radar of a number of clubs, having scored a whopping 17 goals in sixteen games for the Kerry U19s – all the

more impressive in a struggling team down at the foot of the table. Daniel has starred for Kerry teams since the Kennedy Cup, where he played as a winger/striker, and his first touch and lightning pace make him a real threat for any team.

A lot of casual supporters in Ireland seem to equate League Two in England with something like the Irish First Division. It's not – it's an entire stratosphere above that, making some of the expectations we tend to place on young players going over on professional contracts a bit unrealistic. League Two players aren't just full-time professionals, a lot of them are earning between £65 -£78k a year. Daniel isn't going to be starting off on that, but this is a very real and viable career move in its own right, not just a shop window. Very, very few players get this far; it takes skill, guts, and most of all dedication to get your foot in this particular door, so congratulations and best wishes to Daniel going forward.

## Ireland Ladies Defy the Odds

Five years ago, the Irish womens' team were sharing tracksuits and changing in public toilets. Things were so bad that an FAI that already had a low reputation initially simply shrugged off their complaints with a few token platitudes until the public clearly got behind the players. It was in many ways the pebble that started the avalanche – John Delaney's credibility took a huge blow. He had put up a huge fight over what should have been a modest sum of money in overall terms. Why? Well, that mess was slowly but inexorably dragged into the light of day.

Small comfort to the women, though. Facilities had improved to at least a minimum standard, but Ireland still hadn't qualified for a major tournament and didn't look likely to. Enter Vera Pauw. An extremely experienced Dutch coach from the same calvinist work ethic and sensibility as the great Cruyff – she has shown great personal courage recently, I for one am a huge fan. Pragmatically ambitious and extremely professional, she cast the net far and wide, tightened Ireland's defence considerably, and got Ireland using the ball more – we are a passing team now, not hit-and-hope. You could feel momentum shift a small bit – I will freely confess that I didn't really give them a hope of qualification. We simply aren't prolific

goalscorers.

But bit by bit, results started to tot up. The 1-0 win over Finland a year ago was a big one. Of course, we followed that feat of giant-killing by coughing up a bad draw to underdogs Slovakia – it felt like one step forward, two steps back. We lost the Pinatar Cup semi-final to Russia last Spring – a great tournament for us, but were the big guns bleeding players instead of showing their hand?

Then came the Sweden game. 1-1. Against Sweden. That one had the clarity of a church bell – only a good team could do that. Believe me, that was a way better result than the 20-0 aggregate victories over Georgia. Two games left, and Ireland, remarkably, were actually within a chance of qualification here.

It wasn't vintage soccer in either game, to be truthful. Ireland were astonishingly negative early on against Finland – personally I thought you could sense the nerves and the tension. I have to say that I thought the amount of empty seats in Tallaght Stadium didn't do anyone any favours, either. Finland were a lot more willing to push forward with the ball, but very, very limited when they did get on the attack. Finland had one good chance but couldn't execute it – Ireland had two and took one. Lily Agg, ferociously determined all through,

ensured that Ireland were in the World Cup play-offs. 18 months beforehand, the idea was genuinely laughable.

Less than 500 people turned up in Slovakia last Tuesday. Ireland

used the full width of the pitch and actually played a good bit better – Slovakia would not be as skilled as Finland – but Denis O'Sullivan's goal was gifted on a plat by a poor defensive touch. We will need more teeth up front in the future – but Ireland have a bye in the first round of the extremely complicated qualifying process.

There's an awful lot more to be done – people like Ramona Keogh are needed on the ground to grow the game and the FAI need to invest more in our national leagues – but there are finally rays of light peering through the clouds. For the likes of Louise Quinn, Megan Connolly, and the truly superb Latie McCabe, this has been a long time coming.

### U11 BOYS

Another fantastic performance by our Under 11 Boys in Round 2 of the East Kerry League at home to Glenflesk, it was our 3rd time playing Glenflesk this Summer and our boys got off to a very nervy start this time conceding 2 early goals to trail by 6 points after the 1st Quarter. at the first water break Fossa came out of their shells after that, to play some wonderful football. In a very tense final quarter the boys held out to secure a 2 point win on a score line of 5-07 to 5-05. Thanks to our own Ted O'Gorman who refereed the game very fairly throughout.

### U14 GIRLS

Well done to all the Fossa U14 girls who played against Glenflesk, another small rural club like ourselves, who sportingly provided us with a challenge game in place of our postponed Rd 1 game against ISG in the Div.1 of East Kerry League. ## DR CROKES

### MINOR CLUB CHAMPIONSHIP

Dr. Crokes 1-12 Kenmare 0-15

Dr. Crokes win 3-1 on penalties. Our Minors have qualified for the Club Championship semi-final after defeating County League Champions, Kenmare, on penalties after an absorbing encounter in Kenmare. Level at the end of normal time it took an Alex Hennigan 45 metre free with the last kick of the game, in injury time to send the game to penalties. Three converted penalties from Cathal Kelly, Neil O'Carroll, and after Kacper Robak saved, Shay O'Meara converted the winning penalty.

### NORTH KERRY SHC QUARTER FINAL

Dr. Crokes 2-14 Crotta O'Neills 1-19.

On Monday last, with little wind and summer sunshine, we were level heading into the halftime break, 1-06 to 0-09 points in Dromakee. The Crokes goal came midway through the first half with a lovely finish from Jack Lenihan. Other points for Crokes came from Tom Doyle, a couple from Jack while Mark Heffernan was accurate as ever from the dead ball. A few fine scores from Crotta in the early stages of the second half has us trailing by 4 at one point, but frees from Mark Heffernan and a great strike by Mike Milner had us right back in the game. Some outstanding defensive work from Stephen Foley, Cathal White and James Murphy meant we kept the Crotta attack at bay for the majority of the second half. A fantastic save from goalkeeper Conor Bohane, was capitalised on as we went up the field where substitute Charlie Keating broke past the Crotta defence and buried a lovely goal into the top corner to give Crokes a two point lead. Unfortunately the lead was relinquished late on with Shane Nolan frees plus a goal as the clock struck the 60 minute mark. We trailed by 2 going in to stoppage time. A goal was our only option and some great defending by our opponents denied us an opportunity to win at the end. Our North Kerry Championship has come to an end, having seen us knock Lixnaw out in the earlier round. The year is far from over as the seniors will have will have another chance of silverware

in the South Kerry Championship. Our juniors have the South Kerry League to look forward to while the quarter final of the County Junior Hurling Championship is also to come.

### LGFA U17 COUNTY CHAMPIONSHIP SEMI FINAL

Dr. Crokes 2-06 Southern Gaels 3-09.

In a game played in beautiful Portmagee, it was nip and tuck early in the first half with both sides producing some fabulous scores. However, the opposition snuck in two late goals to finish the half stronger on a score line of 2-04 to 1-03. Our girls played their best football of the night in the early stages of the second half with Katie McCarthy stepping up to slot home a beaut of a penalty to bring the deficit back to 3 points. Southern Gaels however got a second wind and took their points well in the closing stages to hold out for the win. We send our best wishes to the Southern Gaels player who fell ill on the night.

## LEGION GAA CLUB

### SENIOR LADIES

The Senior Ladies deservedly claimed a draw with a stirring finish to what was always a competitive and enjoyable contest against Firies played at a dry but breezy Direen this afternoon. Following on from last week's draw with Clounmacon/Moyvane they maintained their unbeaten run in the Junior A Championship and the nature of their second half performance will please them most. Driven on from midfield by Kerry senior panelist Keri Ann Hanrahan they reeled in Firies who after ten minutes in the second half led by as much as six points. Fellow Kerry player Elizabeth Mohan caught fire in this period also and both needed to show their quality against an Emma Costello inspired Farranfore outfit.

Full credit to both teams who played with real endeavour and gusto in what was a great advertisement for Ladies football.

Cromane is the destination for the next round which will be played next Sunday September 11th at 12 noon. With a few additions to the panel to return the squad will be looking forward to the remaining rounds in the Championship.

### JUVENILE BOYS

Our U11s hosted Gneeveguilla last Thursday evening and thoroughly enjoyed their evening as they continued their winning run in the East Kerry League. Next up is an away trip to Cordal which will be their final run out of the year.

Well done to our U17 Boys who beat Beaufort in the Minor Club Championship last Sunday evening at the Mid Kerry venue. On a wretched night for any game they battled back from a half time deficit, 2-10 to 1-8, to force the game into extra time. They were the stronger team in this period and eventually ran out four point

winners, 2-22 to 2-18.

A big well done considering the terrible conditions both teams had to endure. They face the Skellig Rangers/ Valentia combination in the semi final this Saturday September 10th at 4pm in Direen

### LADIES UPDATE

The U14 Green team had a titanic battle with Beaufort in Direen last Friday evening in a game finished in an incessant downpour. The Girls performance in the first half ,against a team who operated a couple of divisions higher in the County League, was superb but the Mid Kerry side clawed it back in the second half to earn a draw. The next round of the East Kerry League sees us travel to Glenflesk.

Our u14 girls 'white' team opened their East Kerry league campaign as Currow were the visitors to a wet and windy Direen. Of course Currow had the advantage of the elements in the second half and they battled hard to close the deficit but the home side held on for the win. Well done to both teams who served up a very entertaining game in extremely challenging conditions. Final score Killarney Legion 8-05, Currow 3-14.

The Minor Girls faced Beaufort on Friday evening as well in Direen. The rain stopped and the sun broke the clouds in time for the throw-in and two well timed first half goals was the main difference at half time, with the home side 2-6 to 0-9 ahead. Again two well-timed goals early in the second half gave the girls a decent cushion which Beaufort, despite kicking some fine points, couldn't bridge. Final score in this East Kerry League clash was Killarney Legion 4-13 Beaufort 0-12.

### CLUB BARBECUE

This Sunday September 11th we will be hosting our Club family day after an absence of three years. On the day there will be plenty of crack with games and fun challenges, refreshments as well as the usual barbecue fayre will be by Muckross Creamery Ice Cream, the Black Sheep Coffee Dock as well as Killarney Brewing. There will be entertainment by way of some set dancing and maybe the old song or two by a willing member. All this for the splendid value of 10 Euro per adult and 5 Euro per child. See you all there.

### SAM IN DIREEN

The countys favourite Corkman, Sam Maguire, won by Kerry this July for the 38th time, will be the guest of honour at our Academy

#### **A TRIBUTE TO THE LATE NED O' SHEA AND THE LATE PAUDIE FOLEY BY TIMMY HANNIFIN**

The townlands of Cahir and Gortanedin snugly nesting in the shade of the Sliabh Mish Mountain, shares a common sadness as two of its illustrious sons exit stage left from the theatre of life. A sadness that is shared by everyone connected with Keel football at home and far off fields, the Keel net is spread far and wide. Paudie, son the Jer Mick (whose legendary status assured in the lore of Keel football) was by no means the leading light in that star-studded house. He would dispute that of course! Mischievously, gleefully claiming 'bragging rights' for a wonder goal straight out of the Gooch Cooper school of clinical finishing in the 68' Mid Kerry Final. Paudie's star shone brightest at the celebrity aspects of victory where his spellbinding voice that was a blend of Jim Reeves, Johnny Cash and then a rousing rendition of Kevin Barry. Sure, where else would you get it! The other great dynasties of Keel football, the O' Sheas of Gortanedin. Ned was one of four brothers who personified all that was good about Keel football, grit, stamina, unyielding spirit. I was first hand witness to all these qualities. I had the privilege of sharing a 12-year midfield partnership with him, as teenagers in 1957 and veterans in 68'. A period that yielded 5 Mid Kerry Championships, 2 County Championships, a Junior in 68' and an Intermediate in 69'. Ned's contribution to the cause of Keel football didn't end with his brilliant playing days, too numerous and too unpaired for the space available here. His heart was tuned in to the fortunes of Keel football to the very end and he was never a silent spectator in the heat of battle. Neutrality was a cause he had no time for! So, we say, slán to two treasured sons of Keel. You have left us great memories. They will be treasured. Ar dheis Dé go raibh a n-anamacha.

#### **MID KERRY UNDER 17**

Commiserations to the Mid Kerry Minors who lost out to North Kerry in the County

Championship Final replay on Monday last. We would like to commend the Keel players who were involved in the squad, Liam & Gearóid Evans, Paul Costello, Fionán Griffin, Dylan O Connell, Dylan Corcoran, Marc Murphy, Michael O Callaghan, Michael Byrnes and Jack Evans as well as David Clifford who is part of the management team.

#### **UNDER 17**

Well done to our U17 team and management who defeated Kilcummin in round 1 of the Keane's Supervalu Minor Club Football Championship. They will play Laune Rangers on Saturday at 4pm in Killorglin in the cup semi-final.

#### **UNDER 13**

Our U13s travelled to Firies on Sunday morning with both sides going down to the home side. They play Legion in Listry next Sunday morning. Best of luck to both teams and their coaches.

#### **INCH CHRISTMAS DAY SWIM 2021**

Many thanks to all who participated in the swim, donated money, supported and helped out on the day. A whopping €1,932.07 was raised and donated to the Kerry Cancer Support Group in January. Plans are already underway for Christmas Day 2022. We hope the Inch Christmas Day Swim 2022 will be the best yet! All are welcome!

#### **ANNUAL INVITATIONAL: U-11 BOYS AND U-10 GIRLS BLITZ**

On behalf of Milltown/Castlemaine GAA we would like to thank each club that participated in our U-11 Annual Invitational Blitz. It was a very busy day on Sunday and all the spectators

were treated to exceptional games of football. The blitz has been run by our local volunteers for 15 years raising thousands of euros for many different groups and charities. The club was delighted to resume this event following the postponement of the blitz due to Covid over the past two years.

A massive thank you for the support and generosity given towards our blitz, with all funds raised today going towards our GAA 4 All group. It was a day full of fun and laughter and we were blessed with the weather. Pictures will be posted on our club social media accounts as the week progresses.

#### **MOLYNEAUX CUP: QUARTER-FINAL RESULT AND SHIELD SEMI-FINAL FIXTURE**

Milltown/Castlemaine's Senior 'B' team came up against Dr. Crokes at the Paddy Burke Memorial Park, Milltown last Friday in the Quarter-Final of the Molyneaux Cup. After an end to end contest it was the Killarney men who advanced to the next round after a 3-11 to 3-08 victory. Hard luck to our players and management who put in a great performance on the evening but just came up short.

The team will now take on Kerins O'Rahillys 'B' at 6:30pm on Friday, September 9th at Strand Road, Tralee in the Molyneaux Shield Semi-Final. The winners will take on either Laune Rangers 'B' or Austin Stacks 'B' in the final next week.

#### **KERRY COISTE NA NÓG LEE STRAND U-15 COUNTY FOOTBALL CHAMPIONSHIP: SHIELD FINAL RESULT**

Hard luck to the Mid Kerry U-15 football side and their management who came up just short after a pulsating County U-15 Championship Shield Final against West Kerry in Austin Stack Park, Tralee last Wednesday evening which went all the way to extra time before the West Kerry men triumphed. Milltown/Castlemaine had no fewer than 10 players on the panel and Stephen Roche was involved in the management team.

#### **KEANE'S SUPERVALU COUNTY MINOR CLUB FOOTBALL CHAMPIONSHIP: ROUND 1 RESULT AND SEMI-FINAL FIXTURE**

Milltown/Castlemaine's Minor side (U-17s) were back in action last Saturday for the first time in a number of weeks. They travelled to Farranfore to play Firies in Round 1 of the Keane's Supervalu County Minor Club Football Championship and came away with a very impressive 4-13 to 2-03 victory.

In the upcoming Semi-Final which is scheduled for this Sunday, September 11th the team will make the long journey to Gallarus where they will meet An Ghaeltacht at 12 noon. All support is welcome.

## U11'S

Our U-11 side completed their Central Region campaign recently as they finished their round robin series of games with an away trip to Laune Rangers.

The Mid Kerry fixtures are due out shortly which should mean that there is a game this weekend for the lads but we are awaiting confirmation.

The club would like to take this opportunity to wish Darragh Burke a speedy recovery for the injury he received at the blitz on Sunday in Milltown. No doubt he will be back out playing in the Green and White of Milltown/Castlemaine shortly.

## U13'S

Milltown/Castlemaine's U-13 Green and White sides have no training scheduled for this coming week.

The group were delighted to have Kerry Senior Football Manager, Jack O'Connor present at a training session recently where he passed on his knowledge of the game and practiced some important skills with all the players. An occasion that was very much enjoyed by both the players and management.

## U15'S

Central Region Division 2 Semi-Final Fixture Milltown/Castlemaine's U-15 side make their long awaited return to action this week as they take on John Mitchels at 6:30pm on Wednesday, September 7th (tomorrow) at the Paddy Burke Memorial Park, Milltown in the Central Region Division 2 Semi-Final. Our U-8 and U-10 Girls teams were busy in action on a beautiful sunny Thursday evening last week at the Paddy Burke Memorial Park in Milltown as they welcomed Scartaglin U-8 and U-10 for two challenge matches. for what was a very well organised evening by the respective management teams.

## Gardening

with Killarney Outlook

by John O'Sullivan

### SOWING HARDY ANNUALS

It may seem a long time away, but sowing some hardy annuals now will give you a very impressive display in early spring. Most hardy annuals can be sown in autumn and will over-winter quite well.

Hardy annuals are plants that will grow and flower for one year only. When sowing your seeds, dig the soil over well, to about a spades depth, then rake it over and firm it down, and make sure it is weed free. A good idea before sowing your seed is to mark it out by sprinkling some sand on the on the area you're going to sow the seed on. Also don't sow the seed into soil that is too rich, as this will only encourage too much leafy growth and not enough flowers. If the soil is rich there is no need to use fertilizers.

You can also scatter the seed over the whole bed, and try and leave about a 1/4 of an inch between them and cover them lightly with some compost and water well, but make sure there is a fine rose on your watering can. There is a range of hardy annuals to choose from so make sure you know the heights and spread and, of course, the colour.

## A Word of Victory

Welcome back dear student, continuing on 'Peace'. "Your Word is a lamp to guide my feet and a light for my path" (Psalms 119:105). It seems like there's nothing else on people's lips except how difficult this winter will be. Certainly, there are massive increases in groceries, oil and gas prices causing many households distress and dread. Is it a globalist agenda? No doubt a certain amount of this has been carefully planned by corrupt individuals and corporations wanting to dominate the world's population - all for greed and power. But friend they have left out One vital factor - and that is Almighty God!

Because human beings have for so long gotten away with sin, and with controlling and abusing people for their own gain, it has lulled society into deception - thinking that God does not exist (Acts 17:27-31). How wrong they are! There will be a day of reckoning, and no one will escape. Folks think they're invincible, and can get away with whatever they want without any consequence, but that is a trick and a lie from the enemy. The Word of God states that the 'wages of sin is death' (Romans 6:23). Death is another word for failure. God also says that 'whatever a man sows that he will also reap' (Galatians 6:7-9). This doesn't just relate to sowing winter seeds to get summer flowers. It means, whenever we transgress God's Commands we will face judgement unless those sins have been truly repented of. When we abuse, judge or curse others we open ourselves up to curse. When we speak negatively about our family, our future, or our health we are not just uttering flimsy, meaningless words, but are in fact releasing either 'death or life'. "Death and life are in the power of the tongue and they who love it will eat the fruit of it" (Proverbs 18:21; Deuteronomy 30:15-20). We will reap what we have sowed. Both good and bad seeds bear fruit, and one rotten apple can spoil a whole box. Seedtime and harvest is a spiritual principle of God's Kingdom.

For those who dishonour and mock God - He has promised there will be a difference between those who serve Him and those who don't (Malachi 3:16-18). There are corrupt leaders in every section of society who take advantage, abusing their positions to bring gain for themselves at the cost of another's suffering. And their sins are rarely challenged because of fear. Many people wrongly think that Jesus promoted the Kingdom of God as a kingdom of butterflies and wimps. No! The Lord Jesus is the Prince of Peace - and when we enter relationship with Him by repentance of our sins, totally relying upon His sacrifice as God's Messiah (who paid the price for our sins so that we could be washed and forgiven), His peace fills us and gives us stability in the same way that an anchor holds a great ship in stormy seas (Hebrews 6:18-19). However, Jesus clearly said that He did not come to bring peace to this earth (Matthew 10:34). Because Satan has set himself up as the 'god of this world', his demons need to be challenged and bound by those who have authority in Christ through His Righteousness (Matthew 12:29; Luke 10:17-20). Wrong needs to be called out wherever it is going on! God's Word will direct your path to safety if you obey Him, and He will sustain you in Peace through every circumstance (Isaiah 1:19; Isaiah 26:3).

## NOVENA TO THE SACRED HEART

Dear Heart of Jesus in the past I have asked many favours.

This time I ask you this special one, (mention favour).

Take it dear heart of Jesus and place it within your heart where your Father sees it.

Then in his merciful eyes it will become your favour not mine.

Amen.

Say this prayer three times for three days and your favour will be granted.
