# Men's Shed and Meitheal invaded Killarney's Natural woodlands

**T**he scourge of the Rhododendron was tackled head on this week in Killarney as members of the Men's Shed Association from across Ireland descended upon Killarney National Park to help protect a vital part of Ireland's natural heritage.

The civic and pioneering initiative is a joint partnership with Killarney Chamber of Tourism & Commerce, Haven Pharmacy, Killarney Meitheal Group and Killarney National Park. Through the generosity of Killarney Chamber & Hoteliers, all those attending will be accommodated and fed for the duration of their stay in Killarney.

The initiative takes place under the auspices of the Killarney National Park Mountain Meitheal which is sponsored by the Trustees of Muckross

House – the meitheal being an ancient Irish agricultural practice which brings rural communities together in common cause. The volunteers will be specifically trained in using the approved "snip and spray" method which has proven to be effective at restricting the regrowth of the invasive plants.

Killarney National Park is one of Ireland's natural treasures. An unspoiled habitat of lakes, mountains and unique wildlife, the Park attracts thousands of tourists and visitors each year.

Invasive rhododendrons, whose unconstrained growth is a danger to flora and fauna, threaten the Park's natural beauty and delicate ecosystems.

Tim Cahalane, Rhododendron Management NPWS, Killarney, said "There are about 3100

hectares of Killarney National Park that have varying degrees of rhododendron infestation. Currently, approx. 2300 hectares (74%) of the park is under active management preventing rhododendron from becoming re-established following initial clearances using efficient and environmentally friendly methods. Along with a year-round student program, Voluntary Services International also hosts four two-week work camps over the summer months and finally the Killarney Mountain Meitheal have also been working tirelessly over the last number of winters eradicating rhododendron in different locations in the park. There are also annual contracts for areas that are not suitable for volunteers to work in"

Men's shed Association members from across Ireland, have descended upon Killarney National Park this week, to help protect a vital part of Ireland's natural heritage, and tackle the problem of invasive rhododendrons. The civic and pioneering initiative is a joint partnership with Killarney Chamber of Tourism & Commerce, Haven Pharmacy, Killarney Meitheal Group and Killarney National Park. Through the generosity of Killarney Chamber & Hoteliers, all those attending will be accommodated and fed for the duration of their stay in Killarney.

# Killarney Rotary To put charity in The picture for 15th Evening of Wine & Art

**Exciting artwork, fine wines and the very best of company will combine to make the perfect night out in the Great Southern Killarney on Thursday, November 29th.**

Killarney Rotary Club will launch its annual Evening of Wine & Art on Wednesday during its weekly meeting at the Great Southern Killarney.

In this its 15th anniversary year, the club is delighted to present proceeds to local charities and community projects.

The Killarney Rotary Evening of Wine & Art is a real highlight of Kerry's social calendar. Up

to a thousand people are expected to attend on the night which attracts all ages and always offers a chance to choose eye-catching original artwork as a festive gift as well as the opportunity to catch up with friends.

Daly's SuperValu is the main sponsor of the event, in which over 70 artists will take part. The Killarney Rotary Evening of Wine & Art has proved a top-class social event and has gone from strength to strength since it began. It has raised in excess of €200,000 over the last 14 years which has gone to support local charities. This year we will again see work by a

number of talented craft artists to supplement the array of fine paintings on display. This adds a touch of variety to the evening and provides our audience with a wider offering of products to choose from.

Wine, cheese and beer-tasting opportunities will abound and the night also features an auction of artwork with proceeds going to charity.

Wine connoisseurs take note that huge attention to detail has been paid to the selection of wines, with premium quality labels available, thanks to Daly's SuperValu.

Local brewing company Killarney Brewing is delighted to also support this event. The guys will return again this year with a range of their beers. They also have some exciting new products coming on stream soon so watch out.

The exciting raffle will be co-ordinated by the Irish Pilgrimage Trust, which brings young people with special needs on pilgrimage and on holiday to Lourdes every Easter. The proceeds of the cloakroom will support the Kerry Stars Special Olympics.

Live musical entertainment will be supplied by Mike Neeson on the night.

Tickets cost €20 and are available through the following groups who are this years beneficiaries....Beaufort Youth Club, Coolick N.S., Gaelscoil Faithleann, Killarney Athletic, Killarney Swimming Club, Micro Track, St. Pauls Basketball Club and The Stephen Lyne Foundation.

For further details email [killarneyrotaryclub@gmail.com](mailto:killarneyrotaryclub@gmail.com) if you are an artist or craftsperson and wish to participate.

## Have you Had Your Killarney Credit Union Christmas Reunion?

Killarney Credit Union is inviting each and every one of its 32,000 members to have their 'Credit Re-Union' in time for Christmas 2018. Members can drop in to the branches in Killarney, Kenmare and Cahersiveen for their 'Credit ReUnion' in person, or can call up one of the friendly members of staff, and ask about budgeting tips, prudent spending and sensible borrowing over the festive period.

Killarney Credit Union is embarking on the pre-Christmas 'Credit ReUnion' as part of its ongoing commitment to tailoring services and products to the specific needs of its members. Commenting on the festive Credit ReUnion, Helen Courtney Power, of Killarney Credit Union said: "We are looking forward to reconnecting with those we have not seen in a while, and chatting to those members we know well, and offering them any assistance and guidance they might need with budgeting and spending tips for the Christmas period. Our aim is to

ensure that all of our members have a stress-free and enjoyable Christmas and that financial worries will be the last thing on their mind." Helen also urged anyone who might need to borrow to cope with the financial burden of Christmas to avoid moneylenders at all costs, and to make Killarney Credit Union their first point of call.

Helen continued "We know that many might be tempted to seek out moneylenders this Christmas, but this a potentially very harmful financial decision to make. We find that people can quickly become trapped in a vicious circle where they need to borrow again just to meet loan repayments. Should any of our members, including any of those who have not been active with us for a while, need to borrow a little extra, we would urge them to ask us here at Killarney Credit Union about our loans, which are very straightforward and have fair interest rates. There are no penalties for paying a loan

Helen Courtney-Power.

back early, nor are there any hidden fees or charges on our loans. We offer both a Christmas loan and also a Personal Micro Credit Loan which is a low cost loan that can be repaid via social welfare payments.

## Positive Steps....

# The Spa at Aghadoe teams up with Kerry Specialist Palliative Care Service

A team of three therapists from the award-winning Spa at Aghadoe Heights Hotel have embarked on a specialised training journey to supporting local charity, Kerry Hospice Foundation. The team will be working closely with Director of Nursing, Mari O'Connell and Clinical Nurse Manager, Eimear Hallissey to raise awareness and financial support for the organisation.

The training took place with reflexology guru, Claire O'Grady in the care of those undergoing cancer treatment. The team have already undergone extensive training in this area and successfully completed Christine Clinton's "Cancer Care" course as well as "Massage for People Living with Cancer", which was conducted by Gayle McDonald.

The Spa at Aghadoe will now be teaming up with Kerry Specialist Palliative Care Service to offer three complimentary reflexology treatments at the start of each month. Kerry Specialist Palliative Care Service will be in a position to offer these treatments to those in need.

Claire O'Grady is a certified reflexologist with Cancer Care West Support Centre and Inis Aoibhinn, University College Hospital, Galway. Her courses offer a uniquely holistic foundation, impacting mind, body and soul. The team of ladies from The Spa at Aghadoe found the training to be invaluable.

"Medical treatment is exhausting on both mind and body and to know that we can assist in alleviating some of the negative impact is a wonderful feeling" said Yvette Ryan, therapist at Aghadoe Heights since 2005. "It is important that we highlight these services and that those that require our assistance can seek solace in the tranquillity of an environment focussed on personal wellness and mental wellbeing."

Niall Coffey (General Manager Aghadoe Heights); Mari O'Connell (Director of Nursing KSPCS); Trish Covarr (Director of Sales Aghadoe Heights); Eimear Hallissey (Clinical Nurse Manager KSPCS); Siobhan O'Shea (Front Office Manager Aghadoe Heights);

## NEW FOOD STARTER PROGRAMME targets fresh growth for Kerry food entrepreneurs

The Food Starter Programme, which will be run by Local Enterprise Office Kerry in conjunction with Bord Bia, will give emerging food entrepreneurs in Kerry and those who want to begin their food production journey, practical support to bring their idea or product to life.

The new Food Starter programme, which is run across two days, will focus on providing new and emerging food businesses with all the information they need in the early stages of food production. This will include product research, identifying gaps and opportunities in the food market, branding and brand building, production costs and distribution.

The Local Enterprise Office Kerry in Kerry County Council, which is funded by the Government of Ireland through Enterprise Ireland, already delivers the highly successful Food Academy programme.

Announcing this new national Food Starter Programme, Minister for Business, Enterprise and Innovation, Heather Humphreys, T.D., said; "The new Food Starter Programme by our network of Local Enterprise Offices and Bord Bia is another example of giving Irish food entrepreneurs the opportunity to shine."

Tomás Hayes, Head of Enterprise, Local

Enterprise Office Kerry, said; "The Local Enterprise Office plays a key role in fostering the next generation of food entrepreneurs and with the new Food Starter programme we get the chance to bring them from idea right through to their product sitting on the shelf." Eileen Bentley, Senior Marketing Strategy Manager, Bord Bia, said; "Bord Bia is all too aware of the steep learning curve faced by new food businesses and our aim with the Food Starter programme was to use our food expertise to develop the capability of participating food entrepreneurs to help ensure their long-term viability."

The programme is set out in an interactive workshop format which will include case study reviews of food producers, video stories,

successful producers sharing their learnings, break out exercises and preparation for the next generation of food entrepreneur to navigate their journey successfully. Many of those who complete the Food Starter Programme will then move on to the Food Academy programme, where they will get the opportunity to bring their products to the shelf.

For more information on how to access the programme contact Brid Bowler at your Local Enterprise Office, telephone 066-7183522 or complete the expression of interest form on the Kerry Local Enterprise Office website [www.localenterprise.ie/Kerry](http://www.localenterprise.ie/Kerry).

# Ken Doherty to take on locals in School fundraiser

Following an invitation from Connie O'Sullivan of the Cue Club, Killarney, Snooker Legend and former world champion Ken Doherty is set to take on eight locals in a fundraiser for Lissivigeen N.S at the Gleneagle Hotel on Sunday 11th November at 7.00pm.

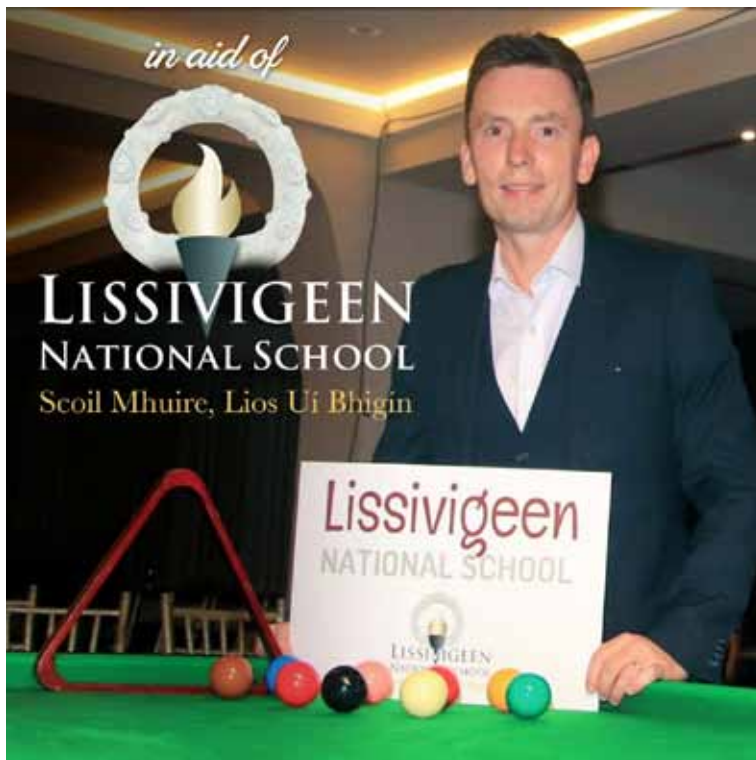

"At the event, Ken will be chatting with the audience, answering questions, playing trick shots and a very entertaining night is guaranteed", Mike McAuliffe, Principal of the school told the Killarney Outlook.

Lissivigeen Parents Association has raised funds for a number of great initiatives in the school in recent years. The latest venture has been the instillation of an excellent playground at the school which is of huge benefit to the Junior side of the school. Funds raised from this event will be used to add to this playground which will allow for extra physical activity for pupils at break times in particular.

Some of the funds will also be used to purchase extra P.E. equipment which will benefit the Senior side of the school.

Lissivigeen Parents Association very much appreciate all the support we get locally and in particular for this event we would like to thank our main sponsors, The Gleneagle Hotel and Michael F. Quirke & Sons.

Hopefully, all the local snooker fans will come along and support us and enjoy an enjoyable evening with the great Ken Doherty.

# A Labour Of Love For Eddie

Last month Eddie Sheehy travelled to Kenya where he spent two weeks working on behalf of the project. He tells the Killarney Outlook about the progress that has been made there and how the families are benefitting from the fantastic work being undertaken.

**2018** will be remembered in Kenya for the torrential and prolonged rains which fell during March and April which lead to loss of life, destruction of homes and property and damage to roads and farmland. It will also be remembered for the price hikes in petrol and mobile phone usage resulting from increased repayments on loans from foreign banks. It was against this background that the Kenyan Education project (KEP) continued its work focusing on school sponsorships, supporting a parish feeding programme, a soccer academy and the local S.V.D.P. group. In the village of Embulbul 80 young children from needy backgrounds receive a hot meal five evenings

per week. For some it is their only meal of the day. It costs 650 euro per month to run the feeding programme. The KEP continues to increase its commitment to feeding the children by donating more money each year. A large number of students continue to be sponsored in the local primary and secondary schools ensuring that their education continues. A number of students are sponsored to continue further studies, with one boy starting teacher education, another undertaking a business degree while a third continues on a medical science route. Jacinta, helped by the KEP to obtain a secretarial qualification is now working and returning to college part time to continue her studies.

The links with the local SVDP group remain strong, this year helping 15 families to purchase new beds, mattresses and blankets. Some of these families were visited by volunteers who saw at first hand the harsh living conditions experienced by families on a daily basis.

For the third successive year a summer camp was organised by the KEP. Thirty young children from the village were treated to a week of Arts and Crafts, games day visits to parks as well as receiving new shoes for the school term. The Young Talents soccer academy made the news recently as their coach, Kaka, was nominated and chosen for a trip of a lifetime to travel to the Arsenal soccer academy to work with coaches there. The coach was short listed from nominations throughout Africa, which is a huge boost to the work of academy which the KEP supports financially.

Many thanks to the primary, secondary schools who continue to support the work, to all who support the table quiz, coffee morning and church collection and to all who believe in the importance and value of the work of the KEP.

**MONEY MATTERS.....**

By Dermot Cronin,  
**Financial Advisor**

**WHEN CAN YOU ACCESS YOUR PENSION & WHAT ARE YOUR OPTIONS WHEN YOU WANT TO RETIRE?**

Many pensions can be accessed from age 60, a lot of the rules depend on whether you are an employee or self employed. If you are coming close to retirement you are probably wondering what options you have when you want to get access to your pension. It depends on what type of pension you have but generally there are four options:

**Tax Free Cash:** Most people will be entitled to a tax free lump sum, the amount varies however generally you will get at least 25% of the value of your pension in a tax free cash lump sum.

**Taxable Cash:** You may be able to take sum of your pension in taxable cash.

**Annual Pension:** This is a guaranteed income for the rest of your life that is purchased with the money left after your tax free lump sum.

**Approved Retirement Funds:** You may be entitled to keep some of your money in an approved retirement fund, money can be taken from the fund to give you a regular income.

It is extremely important that you take your time and have all the options explained to you in plain simple English before you make your final decision. As well as the above there is much more to be discussed about your pension. You should discuss your retirement options with financial advisor who has access to a number of different pension providers before making any decisions, he or she will help you with the above options and any other queries you may have.

## IRISH RESCUE SERVICES HONoured

At a packed Award Ceremony in Killarney House last evening, members of Kerry Mountain Rescue, Irish Coast Guard and the RNLI, accepted the 2018 Hugh O'Flaherty Humanitarian Award. For the first time in the Award's history, it was presented not to an individual humanitarian but to three life-saving organisations.

The Rescue Services were nominated for the 2018 Humanitarian Award by Michael O'Connor, who reminded us of the sacrifices made and risks taken by the many volunteers involved in going to the help of others in distress. He added, "They give up family and leisure time to train and respond to search & rescue calls, and their bravery, selflessness and dedication is exemplary, greatly encouraging the next generation to follow suit".

The Awards were accepted on behalf of the three organisations by Jimmy Laide (Kerry Mountain Rescue), John Draper (Irish Coast Guard) and Richard Quigley (RNLI). In accepting the Awards all three recipients agreed in saying "There is no greater satisfaction than when we successfully rescue and return someone in distress, to the loving arms of their loved ones". They asked us to remember their colleagues who gave their lives over the past years, while saving lives numbering in the hundreds of thousands.

Schools Bursary donations were presented by students Ciara O'Sullivan (Mercy Holy Cross), Brian Kelleher (Killarney Community College) and Gearoid Sugrue (The Mon NS) to the Kerry Mountain Rescue, R.N.L.I. and Killarney Water Rescue.

Hugh O'Flaherty presents the Monsignor Hugh O'Flaherty International Humanitarian award to Jimmy Laide of the Kerry Mountain Rescue Team in Killarney House on Saturday night. ## A Humanitarian's Point of View

(Laura Looney – St Brigid's Secondary School – Transition Year)

*Life and the world are one big bubble  
That can be mixed with hardship, strife and trouble  
There're people on earth who look to the skies  
Picturing of a place where they can make things right*

*Some humanitarians can be famous and well known  
But you might have  
missed the humanitarians at home  
They want to make human life a better place  
Or try change the world in a little way*

*Anyone could Contribute and try their best  
They can come out on top when put to the test  
But some people will stand back and leave others  
take the floor While with those actions, your  
inactions can speak for even more*

*You see, humanitarianism is  
"the promotion of human welfare  
"But many people might not even care  
So, you can move on with life, and live as you please  
While those who made an effort, it's the memories  
they will leave*

*The traits of a humanitarian, in their moral role  
Considerate, charitable, generous and more  
What they would try for people's lives, is to fix any  
holes. And all their selfless actions,  
wouldn't be any chore*

*So, get up, get out and look at what you do  
Because you never know if you see life  
From a humanitarian's point of view*

# From “SHAMS” FIELD to €30 Million Water Treatment Plant

Minister Brendan Griffin and Mayor of Kerry Norma Foley unveil a plaque at the official opening of the new Irish Water and Kerry County Council's €30 million Kerry Central Regional Water Treatment Plant to provide safe, secure supply of water to over 62,000 people in Kerry at Lough Guitane, Muckross, Killarney on Monday. Also in photo are on left, Eamon Gallen, Managing Director, Ervia and Mike Quinn, CEO Ervia. PHOTO: DON MACMONAGLE

Local residents, Tom Moriarty, Eileen o'Donoghue, Louise Moriarty, Hugh O'Donoghue, Seamus 'Sham' Courtney and Karen Healy PHOTO: DON MACMONAGLE

**Donal Barry discovers how the people of Muckross are happy to share 51 million litres of water a day with the rest of the county.**

**Surrounded by Council Officials, Politicians, Irish Water staff and a number of invited guests, Muckross resident Seamus “Sham” Courtney cuts an unusual sight amongst all the commotion at the Killarney Oaks Hotel.**

Having ensured that a neighbour would collect him and make sure that he was on time, He sits patiently waiting for all the action to start at the entrance to the Hotel lobby.

Of course, the jovial local is taking it all in his stride as he does every day. After all the whole project was made accessible owing to him parting with “a little bit of my land”.

Growing tired of the people watching, it is time to escape “for a smoke” before two full buses head for the hills of Muckross to officially open the new €30M Irish Water

Invested project.

“There are at it for the last two years, great men, great workers. No messing around just built it all up so quick” Sham fills me in as we depart to the car park and by the time we part our ways on separate buses, Sham has revealed the whole story and he is very positive about it.

“Barry’s tea and Lough Guitane water, a great mixture” is his scampish departure to me. Certainly not much passing Mr Courtney by as he name checks me. A ten minute bus trip and the excitement on the bus is that of a school tour heading away for the day. In many ways, it is strange to see so many retired colleagues meeting for the first time in an age with nearly everyone on the bus having been involved or directly involved with the project at some time.

After a number of short speeches the Minister of State at the Department of Transport, Tourism and Sport, Brendan Griffin and Cllr Norma Foley, Cathaoirleach of Kerry County

Council performed the official opening at the plant in the company of Moira Murrell, Chief Executive of Kerry County Council, Mike Quinn CEO of Ervia, Eamon Gallen Managing Director of Irish Water.

With the speeches out of the way, it’s the turn of local photographer Don MacMonagle to take charge as each interested group await their official photograph, no doubt to don an office wall into the future.

In the meantime, it will mark the official opening of the Kerry Central Regional Water Treatment Plant. A €30 million upgrade to improve treatment facilities that ensures a safe and secure water supply for almost half the population of Kerry.

In fact Over 62,000 people and an estimated 1.2m tourists annually are supplied from the Kerry Central Regional Water Supply Scheme which serves one of the main tourist regions in Ireland including, Killarney, Tralee, Castleisland and Castlemaine.

“We’re great at sharing” Sham can be heard saying in the midst of the all the action, as the groups as now dividing and sent on the official part of the tour.

“The project included the construction of a new Water Treatment Plant at Lough Guitane and associated upgrade works on existing infrastructure. The new plant is located adjacent to Lough Guitane and the Finnow River, part of Killarney National Park. Construction commenced on site in April 2016 and took approximately two years to complete.” Our guide, who travelled from Bray to be with us, tells us.

The new plant, which provides 51 million litres of water a day, has a

hydroelectric power turbine for the intake of water, state-of-the-art water filtration, disinfection, chlorination and fluoridation capability; as well as capacity to store 15 million litres of treated water (the equivalent of six Olympic sized swimming pools). That I am afraid I took off the press release for the day, as the excitement of entering what looked like Willy Wonka’s factory has now eased a little as the science of the operation is explained to us. For most, this might be a tad too much but for Oliver Ring, the former retired Kerry County Council Director of Water, it proves to be most fascinating. In addition, why not, Oliver has spent a lifetime ensuring that the county’s water supplies were kept safe and most of all kept running.

He is also extremely happy that as a result of the upgrade and investment by Irish Water, it was confirmed that the Kerry Central Regional has been removed from EPA’s Remedial Action List – RAL is the list of ‘at risk’ water supplies.

Good news all round so as it was time to gauge the political reaction.

Cathaoirleach of Kerry County Council, Cllr Norma Foley said she would look forward to more days like today “when we will again see investment that will deliver upgraded facilities and services to the benefit of the people of Kerry.”

Minister of State Brendan Griffin said the €30 million investment in water infrastructure, which is one of the largest water treatment plants in the country, brings very significant benefits to this community now and into the future. Mike Quinn CEO of Ervia – parent company of Irish Water, said the project represented an investment of €30m by Irish Water in the Killarney area. “This is part of our commitment to improving water quality throughout the country and will involve a €5.5 billion investment in capital spending on drinking water and wastewater quality and capacity as well as new infrastructure up to 2021.” And we could not leave without reaction from the man who held the keys to the new “Water Kingdom”.

“Amazing, very clean, very nice, I hope it’s wired off from the sheep”. Sham summed it up really.

## GRIME AS GAILGE AT THE SEM

Students from St Brendan's College Killarney are going viral this week with their very Irish take on a rap video. The Transition Year student's version of grime artist Stormzy's 'Shut Up' was performed and recorded as Gaeilge as part of a music video competition. Their version called 'Dún Suas' was uploaded last week and has since amassed nearly 500,000 thousand views on their Facebook page alone. The competition - Ghaelfiseáin do Bhliain na Gaeilge 2018, is running all over the country with primary and secondary schools taking part. As part of the competition students and teachers had to pick a song, translate it into Irish and record a video to go along with it. Their video is a collaboration between the Irish and Music departments in the school. The Sem Boy's version is becoming more and more popular and has been picked up by national news websites including the Irish Examiner, Joe.ie, The Evening Echo and Extra.ie. The reviews of 'Dún Suas' are also very positive with people praising their innovative idea, putting a twist on a modern rap song and translating it into Irish. They have also garnered praise for making it personal to themselves swapping lines about The MOBO Awards and replacing with The Gaisce Awards! Teachers say they are very proud of the boys and cannot believe the fantastic response to the video. The

STUDENTS FROM ST. BRENDAN'S WHO'S VERSION OF STORMZY'S 'SHUT UP' WAS PERFORMED AND RECORDED AS GAEILGE AS PART OF A MUSIC VIDEO COMPETITION.

video is constantly being shared and has even caught the eye of Stormzy fans in the UK which begs the question, will Stormzy get to see it himself? We wish them every success! Go n-éirí leo!

## FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

### SOME FUN FIT FACTS

#### CONTINUED...

- You can judge whether you are exercising at too high of an intensity by seeing if you can speak a few words without needing to take a breath. If you can't, you may want to back off the intensity just a little until you can.
- Too much cardio can actually prevent fat loss because your body will actually burn muscle for fuel. No wonder your feet hurt - running puts three to four times your body weight in pressure on your feet..
- Some key factors that determine whether or not you will stick to your exercise routine include having support and accountability, setting a goal that is realistic, and not pushing yourself too fast. If you push yourself harder than you are ready for, or set an unrealistic goal, you will get frustrated and burn out. Your recipe for fitness success just may be keeping careful track of your progress - such as going from being able to run a quarter mile without stopping to a half mile - while working out with a friend.
- Being dehydrated reduces exercise performance. Make sure you hydrate for peak performance during a workout.
- Visualization can help to improve your workout. By visualizing yourself completing the exercise before you actually perform it, then you will be able to perform the exercise with more intensity and effectiveness.
- Don't work out on an empty stomach! if you run out of energy during your workout, your body will start burning your muscle tissue, not your stored body fat.

#### Did You Know?

Females are more motivated by group classes, whereas a majority of men feel self-conscious and awkward.

## I don't believe in Miracles – I rely on them!

I can't remember where I first heard this statement but I LOVED it! My mind went into overdrive. What would it be like to rely on miracles to happen in our lives on a daily basis? As the founder of the Institute for Body Confidence Coaching and a life coach the question intrigued me and I wanted to see if I could rely on miracles too!

In the book, "A course in Miracles" the definition of a miracle is a change in perception from fear to love. It sounds so simple and yet to actually practice this as a part of your daily life can be challenging. We are so used to reacting fearfully to the events or situations that life brings us. We get angry and defensive. We often feel wronged by someone else. We insist on being right and we often carry resentment or grudges about someone who we've had an issue with. But what would happen if we turned towards the challenging events in our life with love and compassion. Instead of jumping to our old reactions, we can choose to make a more loving response. When someone upsets you, you can choose to send them compassion. When there is a disagreement you can choose to sort it out through love. A loving response invites you to grow whereas a fearful response keeps you stuck and in a protective mode. The amazing thing that I have noticed personally is that when I respond with compassion, I feel quieter and calmer. The old ways of being are changed completely and as a result the outcome changes. Try this yourself in your daily life and see what happens and let's all enjoy daily miracles.

#### FR GALVIN CUP

Our seniors recorded a comfortable win over Scartaglin in the Fr Galvin Cup semifinal in Cordal on Sunday. While both sides were a bit rusty at the start, when Fossa got going there was only going to be one winner. The sides were level after 13 mins at two points apiece but then a brilliant team move resulted in Tadhg O'Shea crashing home a goal, this was followed by a goal from the penalty spot by Paudie Clifford which put some daylight between the sides. Scartaglin didn't give up and they scored an excellent goal through Kieran Herlihy in the 26th minute to bring them back into the game, this left the half time score Fossa 2-07, Scartaglin 1-03. Scart got the opening score of the second half but Fossa then took control of the game and a brace of points from Matt Rennie, Donmhaill O'Sullivan, Lorcan Daly and further goals by Paudie Clifford and Tadhg O'Shea left Fossa comfortable winners on a score of 4-16 to 1-04. Afterwards Michael O'Mahony, PRO of the East Kerry Board presented the Aquila Club Man of the Match award to Paudie Clifford. Team Colin Myers, Derry O'Sullivan, Anthony Wharton, Anthony O'Keeffe, Kevin O'Sullivan 0-01, Mark Dennehy, Kevin McCarthy, Matt Rennie 0-02, Fintan Coffey 0-01, Daniel O'Keeffe, Paudie Clifford 2-03, Lorcan Daly 0-02, Tadhg O'Shea 2-04, Cian O'Shea, Donmhaill O'Sullivan 0-01. #### KILCUMMIN NEWS

##### WASTE DISPOSAL

It is illegal to burn household or garden waste at home, in your garden or workplace. Burning waste can pollute the air by releasing harmful chemicals into it. There may be many toxic chemicals in waste items such as synthetic materials, preservatives, gels, bleaches and plastics. Burning of such wastes in low-temperature uncontrolled fires creates toxic and dangerous by-products which are not destroyed by the fire but become airborne on soot particles. These can end up being inhaled or being washed out of the air and deposited onto surrounding soil and vegetation, where they can readily enter the food chain. Please care for our environment by disposing of your waste in a responsible manner.

##### HAPPINESS RETREAT

Happiness is at the Heart of the Christian Journey. According to latest research our hidden stress/anxiety is the source of much of our illness in Ireland and across the world today. Fr Brian Kavanagh shares his personal testimony on his journeying from negativity to freedom and happiness as well as his studies on current ground-breaking research. It will also include reflective song and music by Deacon Thady O'Connor. Starting 9.30am to 5.30pm in Kilcummin Parish Centre on Nov 17th. Teas and lunch will be provided. For more details and booking please ring 087-2626187/086-8316106.

## GAA

## INTERMEDIATE CHAMPIONSHIP

Munster Intermediate Q/F. Kilrush Shamrocks 0-7 Kilcummin 0-10. We travelled to Kilrush with a little trepidation, expecting a hard battle but confident our lads would be up for the challenge. As it transpired all our expectations were realised in the presence of a huge support from our ever loyal followers who contributed greatly to this occasion with their burst of colour and marvellous encouragement. Kilrush proved to have many fine players on their team and played some really good football at times. Indeed playing with the wind they caused some concern early on but some good defending allied to a fine save from Brendan Kealy saw us match them score for score. Half time found us trailing by a single point 0-5 to 0-4 with Noel Duggan, twice from frees Shane McSweeney, and, Gary O Leary being our scorers. That first half saw Daniel O Leary and Matt Keane being introduced in place of Sean Brosnan and Kevin Gorman (Black Card). The second half started with Kilrush being first to score and leaving two points between the sides after five minutes but they were not to score again until well into injury time. This was due to a controlled performance and some good defending throughout. However scores were difficult to come by as we tried to break down their strong defence and difficult crosswind. Matt Keane brought us back level after 10 mins after Gary O Leary had kicked a fine point to reduce the deficit to a single point three minutes earlier. When Chris O Leary put us in front for the first time on the 50th minute it was a great relief as we had missed a considerable number of chances prior to that. However we kicked on after that with two great frees from Philip Casey. Despite being in complete control it was only when Noel Duggan kicked a fine score from a difficult angle that we could celebrate and look forward to the next round of the competition against Waterford opposition. It was encouraging to see Kieran Murphy return from injury replacing John McCarthy after 45 minutes. Damien O Leary and James Nagle were also introduced late on for Ian Devane and Sean O Leary. Team Brendan Kealy, Sean Brosnan, Donal Maher, Daniel Moynihan, William Maher, Philip Casey, Sean O Leary, Kevin Gorman, Chris O'Leary, Shane McSweeney, Gary O Leary, Pdraig Nagle, Ian Devane, John McCarthy, Noel Duggan.

A special word of praise and thanks to the many supporters, who travelled in support of the team and who made it a great family and community, day out. We now play the Waterford champions KilmacThomas on this Sunday at home at 1.30pm.

It was very apt that our U14s brought the Coiste na nÓg year to an end last week when winning the East Kerry Championship Division 1 Final against a very gallant Kilcummin team on a scoreline of 3-10 to 2-11. This remarkable group of boys have now won the County League Division 1, East Kerry League Division 1 and the East Kerry Championship Division 1 titles in 2018. To keep performing at the highest level in this grade from February to October is a huge testament to commitment, determination and talent of all of the 25 players on the panel and to the coaching skills of David O'Donoghue, Seamus O'Brien and Kian Crowley. This team has proudly represented Glenflesk all year and we are in turn are immensely proud of them. Very well done to all involved

## KILLARNEY RUGBY CLUB

K.R.F.C. U/16 travelled to Kanturk on Sunday 4th November and secured their 4th successive victory in the Munster Conference 2 League. Both sides started sluggishly and early Kanturk pressure resulted in a converted penalty from the 22 metre line. Gradually Killarney got their running game together and after 16 minutes Thomas Clifford streaked over in the left corner flowing a slick passing movement. Once in gear Killarney kicked on and following line breaking attacking play Dan Twomey sent powerful Cormac Rowe away to score in the right corner. Killarney enjoyed most of the possession and territory and pressure eventually yielded a try after Donnchadh Grealy's one handed pass sent Liam Randles in under the post- the conversion followed. Half time score 17/3 to the visitors.

Victory was secured shortly after half time when scrum half Peter Walsh barged over from close range. The final score of the game was secured by impressive Bailey O'Sullivan who finished off a powerful Killarney drive. Kanturk battled bravely until the finish and Killarney counter-attacked impressively and would have added to their total except for uncharacteristic handling errors.

Impressive on the day for Killarney were forwards John McCarthy and Bailey O Sullivan whose tackling was imperious. James Kennelly caught the eye from full back with his counter attacking. Donnchadh Grealy's passing was slick and the speed of Dan Twomey and Thomas Clifford always threatened. Younger members of the team Cormac Rowe and Shane McAllister again

contributed immensely.

Team on the day were front row Robert Nealon, Bailey O'Sullivan and Alan Cronin.

Second Row Shane McAllister and Cormac Rowe. Back Row Brendan O'Donoghue, John Mc Carthy, Padraig Talbot.

Backline Peter Walsh, Donnchadh Grealy, Denis Koyun, Liam Randles, Thomas Clifford, Dan Twomey, James Kennelly.

Replacements who also played a vital role were Mike O'Donoghue, Darren Cronin and Cengizhan Koyun.

## KILLARNEY COMMUNITY GAMES

The AGM of Killarney Community Games was held in The Dromhall Hotel last Sunday evening. This was the most successful ever year for the area with a number of national medals being attained and good success and participation in the county competitions.

We are delighted to welcome new parents onto the committee and indeed this is very important for the future of community games in the area. It was broadly agreed that there needs to be more awareness of the huge range of activities both sporting and cultural that the area could participate in and we will be posting these events on the Killarney Community Games Facebook page and on the notes going forward. The officers for the area 2019 are: Chairman Philip Gammell, Secretary Anthony Greaney, Treasurer Margaret Looney, Child Protection Officer: Catriona White, P.R.O Billy Hennigan, Committee Sinead Sugrue. The next event for the area is the Dunnes Stores bag packing taking place on Friday 21st December and we hope the parents and children in the area will help with this vital fundraiser as this is only one of just two fundraisers that we do for the year. Congrats to all the children who participated for the area in 2018. We thank the parents for their ongoing support and we wish everyone all the best for 2019.

## DR CROKES GAA NEWS

### MUNSTER CLUB FOOTBALL QUARTER FINAL

Played in Ardfinnan

Dr Crokes 3-15 MoyleRovers 0-8

Our opponets started well with two points from play but we quickly equalised with two from frees. Our opponents were finding it hard to stop our quick movements throughout the field. MoyleRovers were dealt a body blow in the 12th minute when we intercepted their kick out and went through for a goal, finished by Kieran O'Leary. Two points from Micheal Burns and another from Daithi Casey put us 1-5 to 0-3 ahead. Two important decisions in the last ten minutes of this first half went well towards ending the game as a contest. One of the MoyleRovers was black carded in the 21st minute and just before the interval Kieran O'Leary sent another ball to the net to give us a half time lead of 2-8 to 0-5.

Our opponents started the second half well but failed to trouble the score board and when

one of their players was red carded in the 40th minute it left them with a mountain to climb. MoyleRovers did notch some good points in the last twenty minutes but we outscored them in this second half on a score of 1-7 to 0-3.

Our display was good in parts and one we will want to improve on when we take St Finbars next Sunday. Our opponents suffered because of the loss of two players through a black card and a red card. We played very much as a team throughout the sixty minutes and got great leadership from Johnny Buckley, Gavin White and Kieran O'Leary.

Team and Scorers: Shane Murphy, John Payne, Michael Moloney, Fionn Fitzgerald, David O'Leary, Gavin White, Shane Doolan, Johnny Buckley, Daithi Casey 0-1, Micheal Burns 0-3, Gavin O'Shea, Brian Looney, David Shaw 0-1, Kieran O'Leary 2-2, Tony Brosnan 0-7 (0-6 frees). ### FR GALVIN CUP SEMI FINAL

Fossa 4-16 Scartaglen 1-4

A minutes silence was observed in memory of the late Maura Horan, Scartaglen(RIP), before the Semi Final of the Fr Galvin Cup between Scartaglen and Fossa in Cordal last Sunday. Fossa proved too strong for Scartaglen and recorded a comfortable win. While both sides were a bit rusty at the start, when Fossa got going there was only going to be one winner. The sides were level after 13 minutes at two points apiece. However, a brilliant team move resulted in Tadhg O'Shea crashing home a goal. This was followed with a goal from the penalty spot by Paudie Clifford, putting some daylight between the sides. Scartaglen didn't give up and they scored an excellent goal through Kieran Herlihy in the 26th minute to bring them back into the game. This left the half time score Fossa 2-7 Scartaglen 1-3.

Scartaglen opened the scoring in the second half with a well taken point. However, Fossa then took control of the game and a brace of points from Matthew Rennie, Domnhaill O'Sullivan, Lorcan Daly and further goals by Paudie Clifford and Tadhg O'Shea left Fossa comfortable winners on a score Fossa 4-16 Scartaglen 1-04. Michael O'Mahony, East Kerry PRO presented the Aquila Club Man of the Match Award to Fossa's Paudie Clifford.

### FR GALVIN CUP PRELIMINARY ROUND

Listry 1-12 Furies 0-14

This preliminary round Aquila Club Fr Galvin Cup derby match between neighbours, Furies and Listry, certainly lived up to expectation. The result went to the wire and extra time looked a certainly until Listry's last gasp shot was tipped over the bar. Listry ran out one point winners to progress to the semi final against Cordal. It was tit for tat in the early stages, with Listry having the benefit of a strong wind in the opening half. Listry's full forward Jimmy O'Leary scored a goal early in the half, giving the visitors a cushion. Furies would rue their 3 missed goal chances in the half A scatter of points saw Listry with a five point lead at the break: Listry 1-8 Furies 0-6.

On resumption, Furies made good use of the wind at their backs. However, the home side ultimately came up short. In the last two minutes Furies looked to have peaked at the right time, with Donnacha O'Sullivan scoring

a long range free from the sideline. However, Furies failed to close out the game and handed the initiative back to Listry as they equalized. In the dying seconds, with the game heading for extra time, Listry shot a long high ball that was tipped over the bar, producing the winning point. This means that Listry play Cordal in the Semi Final. Full time score: Listry 1-12 Furies 0-14. East Kerry Chairman, Johnny Brosnan, presented the Aquila Club Man of the Match award to Listry's Jimmy O'Leary. We wish Joseph Clifford a speedy recovery from injury.

### FINAL - TATLER JACK EAST KERRY MINOR "B" CHAMPIONSHIP

Gneeveguilla 1-07 Killarney Legion 0-07

This East Kerry Minor final Sponsored by The Tatler Jack, was a good sporting encounter, played under lights in Currans- Kerry GAA Centre of Excellence on Wednesday last. Scores were very hard to come by in the first half, two Evan Cronin frees and a point from Midfielder Daniel Fleming saw the Sluabh Luachra side lead at the break. Legion's

points came from the boot of Ryan O'Grady, both frees. Half Time Score: Gneeveguilla 0-3 Killarney Legion 0-2.

Killarney Legion started the second half brightly, kicking three points, one free each from Ryan O'Grady and Jack Enright and a fine long range point from play from Ryan O'Grady. Evan Cronin again steadied things for Gneeveguilla by pointing a free. Then Gneeveguilla's Sean O'Keefe took the game by storm. On the forty sixth minute he collected the ball, turned smartly and went on a strong run before finishing a great goal to the Legion net. The same player followed up with a fine point from play. The town side now went on the offensive and put two points on the board from Ryan O'Grady from distance and Jack Enright, reducing the gap to the minimum. Robert Osborne in the Legion goal then made a fine save to keep Gneeveguilla at bay. However, it was to be Gneeveguilla's night and they finished the stronger. Evan Cronin then added a pointed free. Sean O'Keefe had the final say when again, he found himself in on goal but this time he chose to take a point to widen the margin to three points, a mature decision from a young player. East Kerry Chairman Johnny Brosnan presented The Tim Mc Gillicuddy Cup to Gneeveguilla Captain Cathal Collins. Cathal went on to pay a nice tribute to Niall Mc Gillicuddy RIP of Killarney Legion who passed away recently, before his time. Final Score: Gneeveguilla 1-7 Killarney Legion 0-7.

## O'Leary goals put Crokes on their way

Munster Senior Club Football Quarter Final

DR CROKES 3-15 MOYLE ROVERS 0-8 | By Donal Barry

**A** week after being crowned Kerry county senior football champions, Killarney side Dr Crokes produced a high tempo pace throughout to see off Tipperary champions Moyle Rovers.

In what turned out to be a comfortable afternoon for Pat O'Shea's side, it was the opportunism of full forward Kieran O'Leary that paved the way as he notched up 2-2 as they led 2-8 to 0-5 at the break.

O'Leary's goals coming on the 12 and 28th minutes, both goals clinically dispatched following mistakes in a panicked Moyle Rovers defence.

The Tipp champions who were already without the services of the influence of Tipperary Senior Peter Acheson, who returned to Dubai

following their county championship success, were dealt a further blow when Liam Boland received a black card on the 20th minute before they were reduced to 14 by the 40th minute.

Crokes too would be reduced to 14 when Michael Burns picked up a second yellow in the second half but the flying winger had already picked up four points for his team as Dr Crokes led 2-10 to 0-4 on his departure.

With Tony Brosnan ensuring the score board ticking over as substitute Michael Potts wrapped up the win in injury time.

Dr. Crokes: Shane Murphy; John Payne, Michael Moloney, Fionn Fitzgerald; David O'Leary, Gavin White, Shane Doolan; Johnny Buckley, Daithi Casey(0-01); Michael Burns (0-04), Gavin

## KEALY SAVE KEEPS KILCUMMIN MUNSTER DREAM ALIVE

KILCUMMIN 0-10 KILRUSH 0-7 | By Donal Barry .....

A point blank save by former Kerry senior goalkeeper and team captain Brendan Kealy may well prove to be amongst his most important ever as Kilcummin had to dig deep to see of a determined home side in Kilrush Shamrocks.

It is doubtful that many of the large Kilcummin following who packed out the home stand will ever have been to a cricket field but the popular home pitch for the Clare champions certainly was a hard to place to produce runs as both sides battled fiercely for a

semi final berth.

Aided by a strong breeze in the first half the hosts were ahead 0-5 to 0-4 at the break. In may well could have been more, had it not been for the heroics of Kealy who was call on within minutes of the games to save a goal bound effort. Their task seemed to get larger when Kevin O'Gorman was dismissed on a black card on just 8 minutes and by the 20th minute the Kerry champions trailed by 0-4 to 0-2.

The second half proved to be a nervy affair but Kilcummin

*Kilcummin supporters in high spirits crossing the Shannon to support their team last Saturday.*

were level by the 40th minute with both sides sharing a dozen points. Kilcummin got their hands on the lead for the first time by the 50th minute when Chris O'Leary pointed, before a Philip Casey brace gave them some breathing space coming down the

backstretch.

It was enough to see them through as the East Kerry men headed back across the Shannon with a semi final berth against Waterford champions Kilmacthomas secured.

Halloween Week's Reports

National Cup Up-date

Park 15's into Last 32 and Open Draw:

St Brendan's Park became the first Kerry side this season to reach the Open Draw and Last 32 of the National Cup. They just got passed Killorglin in the all-Kerry clash thanks to two goals from Colin Doody and one from Sean O'Connor with Luke O'Connell in great form for the winners. Darragh O'Grady and Eoghan Hassett got the Killorglin goals.

Killarney Celtic were on the back foot from early on away to Caherdavin Celtic and needed keeper Callum Cronin and their defence to keep the home side at bay. Fiachra Roarty did go close for the Kerry side but then Caherdavin broke and took the lead following a long ball over the top. A second quickly followed and the Limerick side wrapped up the win late in the 2nd half as Celtic were pushing hard to get back into the game.

Killorglin are also out going down 3-1 away to Avenue United in Clare. The home side led 1-0 at half time and then got a second when the Killorglin defence was looking for an off-side flag that didn't come. They then chased the game and were unlucky not to get the goal back and conceded the 3rd with the last kick of the game as Avenue broke away with Killorglin committed to attack.

Leaders held to a draw in the 12 Girls Premier: Naoise O'Donoghue put League leaders Inter Kenmare ahead in their home game against Killarney Celtic Green. However Maggie McCarthy equalised to give both sides a point each. Inter still lead the way on 7 points.

Listowel Celtic were just a little too strong for Fenit who had good performances from Emer O'Sullivan and Muireann O'Brien. But goals from Lisa Slattery, Laura Falvey, Emile Browne, Sinead Lyons, Niamh Kelliher and Molly Boyle gave Listowel Celtic the three points.

There was a huge crowd for the MEK Starz v MEK Kickerz derby. And it proved to be a cracker with the sides sharing 8 goals.

Izzy McGrath hit 3 and Kate McCann 1 for the Kickerz while April Rooney 2 and Keava Riordan had the Starz well in touch and then a last minute equaliser by Kayla Roche ensured a fair share of the points.

### 3 SIDES ON 6 POINTS IN 14'S GIRLS PREMIER

The 14 Girls Premier Division is finely balanced with 3 sides on 6 points.

Listowel Celtic took the first points of the week as they defeated Castleisland. Kelly Enright was in top form hitting 4 for Celtic with Ciara Henderson just one behind and Lily Twoomey getting the other goal.

They followed this up with an away win on Saturday as they travelled to Camp Juniors and won 4-2. Enright this time got two more with Ciara Henderson and Lily Twomey on the mark again. Orla O'Connor and Finolla Casey replied for Camp.

Killarney Celtic are also on 6 points after they defeated Fenit who are new to this level. Celtic had the damage done in the first half and overall goals from Fiana Bradley 3, Ava O'Malley, Elizabeth Coffey, Leah McMahon and Lucy O'Sullivan gave them the points.

Inter Kenmare are also on 6 points but didn't play the weekends.

Listowel and Inter win in the Girl's 16's Premier Listowel Celtic took the mid-week points as they were a little too strong for Fenit thanks to Melanie Higgins who hit 4 goals and Tara Enright who got 3

It was much tighter in the game between Killarney Athletic and Inter Kenmare with the visitors to Woodlawn winning 3-1. Sarah Taylor, Katie Cronin and an own goal gave Inter

the win. Athletic went 1-0 up in the first half through Lily Foley but Inter got their goals early in the second half. Led by Lily Foley, Debbie May and Caoilinn O'Donoghue Athletic pushed for an equaliser but Inter held out.

Killorglin comeback to make it 4 from 4 in 13 Premier

Killarney had to come from behind to beat the Park and maintain their unbeaten record in the Daly's Supervalu 13 Premier. Andrew Kerins, Jack Slattery and JJ Olijitan had put the Park in control but Stevie Gannon pulled one back before the break Gannon then hit a hat trick in the second half and Jack McGrath added a 5th to wrap up the points.

Listowel Celtic had a hat trick from Evan Boyle and one from Oisín Healy in their 4-1 win over Iveragh United. Like all good strikers Finn Barrett and Fintan O'Sullivan both claimed the goal for the South Kerry side.

Killarney Athletic and the Park were tied 0-0 at the break. Mohammed Abdulla then put the Park ahead early in the second half. Juke Doolan replied for Killarney Athletic.

### TOP 2 WIN IN 13'S DIVISION 1

Killorglin B maintained their two point win at the top of the Daly's Supervalu 13's Division 2 with a 3-2 away win at Inter Kenmare. Ben O'Callaghan and Neal O'Shea got the Inter goals. Dingle Bay Rovers remain in second place as they came from behind to win easily at home to Killarney Celtic B. Oisín Fleming put the visitors ahead but goals from Diarmuid O'Seaghdha, Conor Corduff, Cian McGearailt and Danny Kavanagh gave the home side the points.

Castleisland were the big movers on the day as their win away at Mastergeeha sees them move up to 4th place. While they were only 1-0 up at half time Castleisland pulled away in the second half. Jack Joy, Kian Downey, Eoghan Shire, Finn Nolan and Shay Lawless got their goals. Park C unbeaten in 5 in 13's Division 2 North The Park C continue to lead the way and are now on 5 wins from 5 played but were pushed all the way in the Daly's Supervalu 13 Division 2 North, The took the points winning by the odd goal in 11 at home to Fenit whose goals came from Kealan O'Dowd, Aaron Harty, Tiernan O'Sullivan and Tom Quilter who got 2.

Sam Slattery hit 3 with James McCarthy, Noel Carroll and Ciaran O'Connell all on the mark for the Park C.

LB Rovers were too strong for Park B with both Leigh Meehan and Patrick Walsh both hitting hat tricks. Darragh Moriarty and Fiachra Buckley got the goals for the West Kerry side. William Jakovi got the Park's goal.

### KILLARNEY ATHLETIC B STILL TOP OF 13 DIV 2 SOUTH BUT ONLY JUST:

Killarney Athletic B are joint leaders in the Daly's Supervalu 13's Division 2 North but only after an amazing game away to MEK.

The Park had 3 goals from Daniel Fleming, 2 from Laim Hennigan and one from Eanna Kearney while the home side replied with goals from James Clifford, Noah O'Shea, Cian Fleming, Matej Mecanovic, Sturat Scott and Eanna Murphy.

There was one final twist in the tale as Glen Bowler hit the winners for Killarney Athletic in

a 13 goal cracker.

Dingle Bay Rovers are tied for first place but they were also involved in a very tight encounter. Adrian O'Sullivan hit a hat trick Ballyhar but goals from Pdraig Manning, Kieran Moran and Jack Sheehy gave the West Kerry side the point. Mastergeeha B were 5-0 winners at home to Killorglin B and are now only 3 points from third place.

### KILLARNEY ATHLETIC CLOSE THE GAP AT THE TOP OF 15'S PREMIER

Killarney Athletic put in a very good second half to take the points and close the gap on the sides above them in the Killarney Plaza 15 Premier.

Darragh Looney and Mathew Horgan got Athletic's goals with Hugh O'Malley and Luke Ring replied for Ballyhar. However in the second half Looney completed his hat trick and Sean Dineen and Alex Hoare added two more at Athletic took the points. O'Malley added a third for Ballyhar.

### CASTLEISLAND UNBEATEN AND TOP OF 15'S DIVISION 1:

Castleisland recovered from being 2-0 down at the half to defeat Mastergeeha 4-2. Colin O'Leary and Mark O'Shea had put the Kilbreen side 2-0 up. But it was all Castleisland after the break with goals from Alex Kepp, Ryan Dennehy 2 and Freddie Galway moving them onto 9 points from 3 games.

Fenit proved too strong for Ballyheigue and had Eddie McCarthy leading the scoring with a hat-trick. His three were added to by goals from Robert Monaghan 2, Fiachra O'Connor, Jack Kearney and Bobby O'Connor to wrap up the win.

Killarney Celtic got the points from their game with Iveragh United and are now just point behind second and three of top spot.

### GOALS GALORE IN THE 15'S DIVISION 2:

LB Rovers are leading the way in the Killarney Plaza 15's Division 2 and in their latest game they saw off Tralee Dynamos.

The Rovers goals came from Kieran O'Connell 3, Cian O'Callaghan, Ben Murphy. Anthony Kavanagh and Darragh Fitzpartick.

MEK are only a point behind the leaders after they were 3-2 winners at home to Killorglin B for whom Oisin Lynch scored both goals. Shane Evans, Daire McCarthy and Eden Murphy got the goals for MEK.

Listowel Celtic B had a great battle in Kenmare and came away from Inter with the three points. Timothy O'Donoghue and Yago Cornide were the Inter Kenmare scorers. A Tony Boland hat trick and one from Adam Segal were enough for Celtic to win the game.

### GIRL'S WEEKLY ROLL OF HONOUR:

With the number of girls now playing the game were planning a separate Girls Team of the Week for girls. Girls will still be in-line for selection onto the Team of the Week Until we work out the details we will be doing a Weekly Roll of Honour.

This week the Girls who were outstanding were in the 12's Izzy McGrath MEK, Ciara Collins Fenit, Klaudia Merchal Inter Kenmare, Lucy O'Connor Killarney Celtic.

From the 14's Sarah Coffey, MEK, Amy Curtin Castleisland, Kelly Enright Listowel Celtic, Elizabeth Coffey, Killarney Celtic and Orla O'Connor Camp Juniors. Muireann O'Brien plays with Fenit in the 16's.

## MEK UNITED NEWS

### MEK KICKERZ 4 - 4 MEK STARZ:

A fantastic action packed game at the Astrotrurf pitch today. A historic day for MEK as our two girls teams took each other on in the league. Kickerz scorers: Izzy McGrath x 3, Kate McCann Starz scorers: Emily Buckley, Keeva Riordan, Kayla Roche x2

Micheala Flynn, Sarah O'Connor and Sarah Heasman played well for the Kickerz. Keeva Riordan, Sarah Coffey and Holly Barrett played well for the Starz. Player of the Game was Izzy McGrath who was outstanding today. Well done girls!!

MEK U13 6 - 7 Killarney Athletic B.

Another thrilling game at Lackabane today. The MEK boys were very much on the front foot in the opening exchanges but somehow found themselves 2 nil down but worked there way back into the game with a goal from James

Clifford. Again MEK on the front foot we lost 2 more goals. Noah Ó Shea and Cian Fleming added a goal a péice to make it 3 - 4 at half time. Second half started with MEK on the front foot and again losing a goal against the run of play. Matej Mecanovic pulled us back to 4 - 5 with a well placed finish. Losing another left the boys needing two to get the level they through everything at Killarney Athletic and found themselves level with 5 minds to go with goals from Stuart Scott and Enna Murphy. Unfortunately for the boys it was not there day as with a few minutes to spare Killarney Athletic got the winning goal.

The character shown by the boys today was fantastic and with more of the same we will turn the corner from these last 3 defeats. There were many positives to take from the game, that coupled with the chances we created. M. Ó. T. M. Noah Ó Shea

U15 Result MEK 3 Killorglin B 2.

A great performance on a wet and windy Lackabane this evening saw us claim a 3rd win of the season. A cracking left foot volley by Shane Evans opened the scoring and good work by the midfield of Eden Murphy Shane O'Connor Shane Evans and Daire McCarthy

saw us create more chances but good Killorglin defending meant it was 1-0 at half time. It was a day when work rate and commitment were always going to be decisive and we stepped it up in the second half. Daire McCarthy volleyed to the net for his first goal for the club. Killorglin converted their first clear chance of the half to make it 2-1 with ten minutes left. Good work by Kevin Harant and Eddie Moroney created several chances and the pressure paid off when Eden Murphy finished a good move to make it 3-1. With time almost up a dribble from the corner flag ended with another Killorglin goal. We retained possession well from there and held on for a deserved win. Captain on the day was Eden Murphy who also scored his first goal for the club and all 14 players did well. Squad Dean Sheehan Tadhg O'Sullivan Connor Harty Sam Buckley Sean O'Sullivan Eden Murphy Shane Evans Shane O'Connor Daire McCarthy Eddie Moroney Kevin Harant Steven OBrien Scott Drew Con Lenihan.

Scotts Lakers Killarney 85

Limerick IT 76

Scotts Lakers Killarney continued their winning run at Killarney Sports Centre on Sunday afternoon with a nine point victory over Limerick IT. It was a match that the home side were cruising through for long periods leading by 29 points at one stage but the visitors managed to shave off 20 points from that deficit and narrow the difference to single digits in the end.

Scotts Lakers were at their best firing on all cylinders in the opening two quarters scoring 56 first half points but their performance dipped considerably in the second half. However the victory never really looked in doubt and the Killarney side now have a 7-2 winning record in the league and remain in second place in the southern conference.

A dominant first quarter helped the Killarney side gain a strong upperhand with Sean O'Brien and Mark Greene leading the way. Papito Hersisia, Andrew Fitzgerald and Dailian Mason also chipped in with big scores as Scotts Lakers enjoyed a commanding 28-6 advantage at the end of the first quarter. Limerick's American Matt Scamuffo was the only scorer for the visitors at this stage and he went on to have play a very prominent role for his side.

Scotts Lakers continued to dominate in the second quarter with Andrew Fitzgerald, Justin Tuason, Padraig Lucey and Cian Clernon all making a difference and the home side led 44-20 with four minutes left in the half. Further three-pointers from Mark Greene and Sean O'Brien increased the advantage to 56-29 at half-time

Papito Hersisia extended it to 60-31 early in the third quarter and this 29 point gap was the largest lead in the match for Scotts Lakers. Matt Scamuffo, along with Deividas Venckunas and Kyrstian Burchardt kept plugging away for

Limerick as they cut the gap to 62-46 midway through the third quarter. Mark Greene and Andrew Fitzgerald kept the Lakers in firm control to lead 71-52 as the game entered the final quarter.

Although the closing period looked like a mere formality, Limerick never gave up with impressive American Matt Scamuffo bringing his personal tally to 42 points and they narrowed the gap to nine points in the end.

Scotts Lakers: Sean O'Brien 16, Mark Greene 15, Papito Hersisia 13, Andrew Fitzgerald 12, Justin Tuason 9, Dailian Mason 9, Seamus Brosnan 6, Cian Clernon 3, Padraig Lucey 2, Shane McCarthy, James Murphy.

### **HOME GAME**

Scotts Lakers St Pauls are at home to Waterford Vikings in Killarney Sports Centre this Saturday night November 10th at 7.30 pm. The sides clashed in Waterford earlier in the season with Lakers enjoying a comfortable 102-73 victory. Waterford's American Daniel Noe scored 47 points in that game and will lead their challenge again this weekend. The visitors have a young squad playing in their first season in the league and have been struggling to make

an impact and are still searching for their first win after nine games. Scotts Lakers will be fancied to come out on top but team coach Cormac O'Donoghue and his players will be anxious to eliminate any complacency.

The Lakers were also scheduled to play an away game against Fr Mathews in Cork on Sunday but this match is likely to move to a later date.

## Know Your Rights:

### QUESTION

I heard that there is a new grant scheme for installing solar panels in your home. How does the scheme work and do I qualify?

### ANSWER

The Solar PV scheme gives grants to install solar photovoltaic (PV) panels and a battery energy storage system at your home. This means you can generate and use renewable electricity in your home and reduce your electricity costs. The Solar PV scheme is a pilot scheme administered by the Sustainable Energy Authority of Ireland (SEAI).

To qualify for a grant you must:

- Be the owner of a home built and occupied before 2011 (or a home constructed after 2011 that was built to the 2008 Building Regulations)
  - Use new materials and products that were not already covered under another grant programme
  - Use a registered contractor from the SEAI's Renewable Installers Register for Solar PV
  - Have the electrical work completed by a Safe Electric Ireland electrician
  - Apply to be connected to the electricity distribution system using the ESB Networks NC6 form (pdf)
  - Have a Building Energy Rating (BER) carried out after the work is completed
  - Agree to participate in SEAI research about the scheme
- The grant covers materials and labour, unless you are a contractor doing the work in your own home. In this case only the cost of the materials is covered.

When the SEAI payment system opens (in October 2018) you can claim your grant online and it will be paid directly into your bank account.

## A Word of Victory

Welcome back dear reader, Hebrews chapter 11 is a message on Faith. In it we read of the fathers of faith, and we learn the definition of faith - it is the vessel by which we bring to pass God's unseen promises and blessings. Faith in God is simply believing that He exists. He rewards those who seek Him, and it is impossible to please God without faith. It boils down to trust. Often people find it hard to trust, because of things that have happened in the past - loss or bereavement; disappointments or failure; betrayal - all of these erode the simple trust that we had as children. Jesus took a child up in His arms to display what those who will inherit the Kingdom of God look like. He said that unless we become as a humble little child, we will never see it (Matthew 18:3-5). Little children trust and believe with ease. They are neither suspicious nor sceptical, and when we seek God with childlike faith we touch His heart. The people mentioned in Hebrews chapter 11 purely trusted God. They went through hardships, but their faith is what is remembered even today, because they believed God and saw Him come through for them. Their background, education or status meant nothing. The only thing that mattered was their relationship with the Lord, and He turned their weaknesses into strengths (verse 34). One day Jesus was approached by a man named Jairus whose only child was dying, and he begged the Lord to come with him to heal her (Mark 5:22). Jesus agreed to, but on the way He ministered to the woman with the issue of blood and healed her. Can't you imagine the panic Jairus must have felt - all he wanted was to hurry Jesus along to heal his precious daughter, and Jesus had to stop and heal the woman! Then some people came from Jairus' home telling him that his child had died, and to basically come home and organise the funeral. But the Word says that Jesus, upon hearing what they said; ignored it, and told Jairus "don't be afraid, only believe". It must have taken a lot for Jairus to clear his mind from the dreadful news and walk on with Jesus. When they got to the house Jesus put out all of the unbelievers, and prayed for the little girl. Jairus saw his simple faith and obedience to the Word bring his daughter back from the dead as Jesus raised her up in response to his trust. It is there for you too friend, let Jesus be your Healer today!

## BULLYING

Bullying is defined as the tendency of individuals or groups to use persistent aggressive or unreasonable behavior against an individual. It can take different forms including physical, verbal, cyber, social and mental bullying.

There is a common misbelief that the victim of bullying somehow brings bullying on themselves. Some victims wrongly believe that if they were stronger or different in some way then they wouldn't be bullied. But I cannot stress strongly enough that anyone can be a target of bullying and the responsibility for bullying always lies with the bully. There are many reasons why people are targeted by bullies and these can vary from personality characteristics to personal vulnerabilities. People can be targeted by bullies because of physical features, an illness or disability, sexual orientation religious or cultural beliefs or belonging to a particular racial group.

Bullies often bully as a means to exert power over others and to make themselves feel better. They are most likely doing it as a way to deal with their own problems, insecurities and low self-esteem. And not because of anything you've done. No one deserves to be bullied and it should not go unchallenged. Dealing with bullying can be tough yet it is really important to do something about it.

If you are being bullied - verbally, physically, socially, psychologically or online - telling someone about it and seeking advice can help. There is nothing weak about reporting a bully or getting advice and just confiding in someone can help to lighten your load. If you don't feel you can talk about it out loud or face to face, then write it down in a letter or an email. Many bullies want attention so ignoring them or walking away is your best bet. Be assertive and confident; adopt a 'Don't mess with me attitude' (even if you are trembling inside). It is important to not take anything bullies say to heart. Show them that their words have no effect on you. Some bullies may be jealous of you because of your success or popularity - so be proud of who you are. Over the next few weeks we will look at workplace bullying, cyber bullying and how we can deal with these.

## FOCUS ON PRUNING APPLE TREES

Apple trees should be pruned every winter if you want a good crop of fruit the following season. If you don't prune your apple trees every year, they can become congested with a lot of old branches and don't produce as much fruit as it would when pruned. It is not a very difficult job to prune an apple tree. All you need to remember is that you want to create an open centre with about half a dozen main branches. You should prune your apple trees when they are dormant, that is between November and early March. When you start pruning your apple trees always use a sharp pair of secateurs, loppers or pruning saw. The point branches to start are those that are diseased, dead or damaged, then start by pruning those that are crossing each other. Try to remember to keep the centre of the tree open even if you have to remove large branches.

Mother of Divine Grace, you can find a way, where there is no way. Please hear my prayer and grant me my request. (Say 6 times daily and your request will be granted).

## NOVENA TO THE SACRED HEART

Dear Heart of Jesus in the past I have asked many favours. This time I ask you this special one, (mention favour). Take it dear heart of Jesus and place it within your own broken heart where your Father sees it.

Then in his merciful eyes it will become your favour not mine.

Amen.

Say this prayer for three days. Publication of prayer and favour will be granted. G.M.

## FIRST ANNIVERSARY

*Treasured memories of a wonderful loving uncle, gran-uncle and great gran-uncle*

## EUGIE SCANNELL

**Late of Lissivigeen, Killarney, who died on 12th November 2017**

*We speak your name everyday,  
As though you were still here.  
And all the happy times we spent,  
We will always hold so dear.  
Your house was always open,  
Your arms a warm embrace,  
The kids are always saying,  
You had a happy warm face.  
You gave advice to all who came,  
And never broke their trust.  
We all know from experience  
that nothing ever was a fuss.  
A sweet, a treat, a spoon of sugar,  
Is what Fionn, Saoirse  
and Oisín will remember.  
They will have those treasured memories  
of growing up with you.  
The secrets ye would always share,  
And the childish things ye would do.*

We will always remember you  
and forever miss you.

As a family we would like to thank most sincerely Eugie's very close neighbours and very close friends for all their support and kindness.

Very sadly missed, remembered and always loved by Sean, Norma, Lorraine, Patricia, Sean, Miriam & Jen.  
Killian, Fionn, Saoirse and baby Oisín.

## 1ST ANNIVERSARY

## ANN CRONIN

We thought of you today,  
But that is nothing new.  
We thought about you yesterday  
And days before that too.  
We think of you in silence  
We often speak your name.  
All we have are memories and  
Your pictures in a frame.  
Your memories are a keepsake  
From which we'll never part.  
God has you in his arms,  
We hold you in our hearts.

**Sadly missed by all the Cronin family,  
Rathmore, Co.Kerry.**

## 2ND ANNIVERSARY

*In Loving Memory of*

## MAURICE SOMERS

**late of Droum, Headford, who died on the 18th November 2016.**

*I think of you in silence,  
I often speak your name,  
All I have are memories,  
And your picture in a frame.*

**Sadly missed, always remembered, Sheila.**

*On the 18th November God looked around his garden,  
And found an empty place,  
He then looked down on earth,  
And saw our dad's tired face,  
He put his arms around him,  
And laid him to rest,  
God's garden must be beautiful,  
He only takes the best.  
He knew you were struggling,  
He knew you would never get well on earth again,  
He saw the road was getting rough,  
And the hills were hard to climb,  
He closed your weary eyelids and whispered  
'Peace be Thine',  
It broke our hearts to lose you Dad,  
But you didn't go alone,  
Part of us went with you,  
The day God called you home.*

**Love always, Ger, Kieran, Kathryn, and partners Jean, Jenny & John Paul.**

**Love, miss you Granda Moss, Feithleann, Colin, Jamie, Fia xxxx**
