CALL FOR VOUNTEERS TO CLIMB CARRAUNTOOHIL

A young Killarney woman will be remembered by her family and friends at a poignant event on Sunday August 26th.

Elyse Brosnan is organising the sponsored climb of Carrauntoohil Mountain in memory of her sister Carolyn. The event aims to raise funds and awareness for the Kevin Bell Repatriation Trust (KBRT).

The KBRT aims to alleviate the financial hardship of bereaved families repatriating the bodies of loved ones who have passed away in sudden or tragic circumstances abroad, back to Ireland. Elyse's sister Carolyn passed away in London in December, the Kevin Bell Repatriation Trust were helpful and supportive and took over the legalities and costs of bringing her home.

"When Carolyn passed away suddenly in London we were devastated and didn't know where to turn", Elyse told the Killarney Outlook. "We contacted the Kevin Bell Repatriation Trust and they were amazing. They took over the legalities and spent thousands of pounds in bringing her home to her family", Elyse added.

The KBRT were established on June 16th 2013 following the death of their son Kevin Bell aged 26 years, in New York. KBRT have now repatriated 537 loved ones to their families in Ireland from countries worldwide such as Australia, Argentina, South Korea, USA, Canada, Ecuador, Cambodia, India, Uganda to name just a few.

The Trust repatriates approximately 10-15 loved ones back to Ireland per month and operates on a 32 counties basis for all sides of the community, creed, colour and circumstances of death. Costs per repatriation can cost up to GBP12,000 depending on the circumstances of the death, local charges and hospital release costs. KBRT eases a huge burden for grieving families and is growing every year since they started in 2013 with 7 repatriations to , this went up to 109 repatriations in 2018.

There have been a total of 16 repatriations to Kerry to date. If you would like to support the event contact Elyse 0861697361 or email brosnanelyse@yahoo.ie or if you would like to donate to the KBRT you can do so IE39AIBK93633281587341

As Fitzmaurice steps down who are the Contenders to don the Bainisteoir's Bib?

Diarmuid Murphy has seen the bulk of support from punters to succeed Éamonn Fitzmaurice as Kerry's Senior Football Manager since betting opened last Sunday.

Éamonn Fitzmaurice stepped down from the role after six seasons in charge, seeing his side win only one of their Super 8 matches, with both Monaghan and Galway advancing to the All-Ireland semi-finals at their expense.

Murphy, who has four All-Ireland winning medals under his belt as a player, had been available at 5/1 initially, but the sustained support all week for the Dingle man to get the nod has seen his odds crumble into 1/2.

Two-time All-Ireland MFC winning manager Peter Keane had originally been made the 7/4 favourite by BoyleSports but he has since drifted out to 4/1 to share second favouritism with current selector Maurice Fitzgerald and Jack O'Connor, who is in the running for third stint on the Kerry touchline.

Lawrence Lyons, Spokesperson for BoyleSports commented: "We opened up with Diarmuid Murphy as a 5/1 fourth favourite, so the fact that he's now trading at an odds-on 1/2 tells you all you need to know about where the money has been going. He has significant experience as a selector and the way the market has gone this week we won't be surprised to see him don the bainisteoir's bib next season."

Next Kerry Senior Football Manager

- 1/2 Diarmuid Murphy
- 4/1 Peter Keane
- 4/1 Jack O'Connor
- 4/1 Maurice Fitzgerald
- 8/1 Seamus Moynihan
- 8/1 Liam Kearns
- 8/1 Pat O'Shea
- 10/1 John Sugrue
- 10/1 Declan O'Sullivan
- 16/1 Stephen Stack
- 16/1 Liam Hassett
- 25/1 Billy Sheehan
- 25/1 John Evans

Least we forget....

Eamonn Fitzmaurice's Career with Kerry

- As a Player : 3 All-Ireland Titles
- 6 Munster Titles
- 2 National Football League Titles
- As a Manager : 1 All-Ireland Title
- 6 Munster Titles
- 1 National League Title

Manager of the Kerry Football team Eamonn Fitzmaurice given word of advice to his team before their game with Galway in the Allianz Football League Round 1 at Austin Stack Park, Tralee on Sunday.

PAST GLORIES ARE FORGOTTEN *By Nicky Barry*

The knives were out for quite a while,
sharp and ever ready,
The snipers had their rifles primed,
aiming very steady.
They were aiming them at Eamon,
who once was a hero,
But became a liability, because Kerry
were not winning.
Paidí O'Se was most succinct,
when once he declared,
That Kerry fans were animals,
just because they cared,
So much about their team, for they expected
them to win,
And if they didn't manage that,
the boss went to the bin.
Paidí got the bullet, and it broke his Kerry
heart, For he died before his time, and a new
man got the start.

Mick O'Dwyer was a messiah,
who delivered eight All-Irelands,
But sadly when the well ran dry, he too was
discarded. The job is so demanding, but they
do it out of love,
They sacrifice their family lives, and nights out
in the pub.
They take training twice a week, and
sometimes even three,
They travel half the country, every Sunday in
the League.
Games of golf are very rare, and interviews
are many,
They need their wits about them, when they
are on the telly.
If the team is not winning Sam, then their days
are numbered,
The knives are out, and rifles aimed,
past glories are forgotten!

Canadian Group, Nova Scotia, a group of dancers & musicians who visited Killarney during the week and teamed up with Hegarty School of Dancing for a dancing Work Shop at Physique Fitness Studio during their stay. PICTURE: MARIE CARROLL-O'SULLIVAN

Newfoundland Tap Dancers in town

A group of Canadian Tap dancers from Newfoundland found themselves stepping and tapping to Irish rhythms, as they joined Maureen Hegarty and her dancers for a fun filled ceili day at Physique Fitness Studio on Thursday last.

St. Pats Tap Dancers was founded at St. Patrick's Hall School in St. John's Newfoundland, Canada in 1930, by Bro. Murry from Dublin. The not for profit club has now been running for 88 years and prides itself on running the group the same today as it was 88yrs ago.

'We don't charge a registration fee and we buy the shoes if the children can't afford them. That way no one is turned away. All we ask is their

dedication", Yvonne Steiner, group manager told the Killarney Outlook.

"We are here in Killarney to allow our members to experience Irish culture first hand and we spent the day with Maureen Hegarty of Hegarty Irish Dance Academy, where we learnt new dances, sampled new forms of dance and moreover just had great fun", she added. "It was a fantastic experience for both groups of dancers, where they mixed and mingled and made new friends. Our trip was made possible with the support of our local community, who made generous donations to our group. We are looking forward to a jam packed week here in Killarney and will be performing at every opportunity possible," says Yvonne said.

Their itinerary includes a visit to The Stretford Inn, Causeway, Gap of Dunloe trip followed by a performance in Kate Kearneys, the Danny Mann Restaurant and Eviston HouseHotel, Celtic Steps The Show & Major Colgans Irish night and perhaps an impromptu on street performance, if the chance arises. The group are based here in Killarney at The Black Sheep Hostel, 'a Beautiful place to call home. We are totally enjoying the town of Killarney and, more so, the kind and friendly people', commented Yvonne when asked about her trip so far.

"It was a great day and such a feel good day for all the children involved", Maureen Hegarty of the Hegarty School of Irish Dancing said.

"It was a superb experience for all our dancers, they enjoyed every minute and even got to learn some tap dancing. It was all about sharing traditions & cultures, creating friendships and having fun while doing it", Maureen Hegarty added.

Statement from Cllr Niall Kelleher

Killarney Municipal District Council

Following confirmation from the Fianna Fáil's National Constituencies Committee of the addition of Cllr. Norma Moriarty to the party ticket in the Kerry constituency for the next general election, I wish to congratulate my party colleague and wish her every success with the campaign.

As Director of Organisation for the party in Kerry, I look forward to working with Deputy John Brassil and Cllr Moriarty to ensure that maximum gains are made in the next general election.

I would also like to thank Senator Mark Daly, Cllr Michael Cahill, Cllr Norma Foley, Cllr Michael D O'Shea and Cllr Tom McEllistrim who, like me, had expressed an interest in representing the party which is an indication of the very healthy state of the FF organisation in the county.

On a personal note, I am disappointed that I have not been added to the ticket, thus far, but I am encouraged by the fact that the National Constituencies Committee has stressed that the situation in Kerry will be kept under review over the next number of months.

I am not alone in thinking that to be in with the best possible chance of winning two seats in Kerry, we need to run three candidates and we need to maximise geographical advantages.

I will now be concentrating on the next election we know we will face and that is the local elections in May 2019 when I will focus on increasing my vote. We will see what happens after that as, in terms of the timing for a general election, we are still in the dark.

"Enough is Enough"

Says Deputy Healy Rae

Following comments by the Taoiseach Leo Varadkar that he is proposing to raise carbon tax in the budget, Deputy Danny Healy Rae is appealing to him and his Government not to raise this tax as fuel cost have increased massively in recent months and ordinary working people, business people, hauliers and domestic users are suffering enough already, "I am also asking Fianna Fail not to support the increase of carbon tax in the upcoming budget - ENOUGH IS ENOUGH", he added.

Deputy disappointed over Kerry Slug announcement

Deputy Danny Healy-Rae TD has expressed his disappointment with the announcement that it will cost €2 million to remove the "Kerry" Slugs from the proposed route Macroom Bypass route. "I cannot understand how it will cost this much, I would prefer to see this money spent to reduce the number of people waiting on trollies in UHK. Furthermore, I would like to know how it was decided that this slug, living in Cork, is from Kerry? Are these slugs wearing Kerry jerseys or is there proof that they travelled all the way from Kerry in the last 500 years? Do we know how long it took the slugs to travel from Kerry?" Deputy Healy Rae said. The Kerry slug or Kerry spotted slug is a rare species of medium-sized to large air-breathing land slug.

COMMUNITY HOPE FOR INCLUSION

The speed limit review date is fast approaching with closing date for submission is Friday next August 17th.

The Beaufort community are hoping that the area known locally as Beaufort Bridge will be included. Local business owner Mr. Michael O'Sullivan says that the area on the busy N22 encompasses two busy junctions, one towards Lahard and the other towards Beaufort Village.

Both junctions are within 100 meters of each other. High volumes of fast moving traffic is making access onto this area very difficult and dangerous.

Cllr. John Sheahan hopes that a 60km speed zone will be implemented at Beaufort Bridge so as to make this junction a safer junction for all road users.

The Roses will dine at the stadium, meet their escorts for the first time and meet and mingle with all attending the event. The evening will be a fun filled family event with bouncy castle, face painting plus the fantastic Kingdom Party Pals will have all of your favourite cartoon characters to keep the kids entertained.

Reigning Rose of Tralee Jennifer Byrne will be making the winning presentation or the big race on the night – the 2018 Speedrite Dog Food Rose of Tralee Final and will also be judging the always popular Best Dressed Lady

Competition kindly sponsored by Bamboo in Ardfert. Patrons on the night will also be in with a chance to win a pair of the much sought after tickets to the Rose Ball in the Dome on Friday 17th August.

Declan Dowling, Stadium Manager tells us that "The stadium is thrilled to host all the Roses here on the Wednesday 15th for their first event in Tralee and it's shaping up to be a great night for all the family. KILLARNEY CREDIT UNION ON HAND TO HELP FAMILIES MANAGE THE COSTS OF 3RD LEVEL EDUCATION

With the Leaving Cert results and CAO offers coming out this month, many families will see their child or children off to college for the first time. For these families, this can be an extremely stressful time, as the cost of third level education continues to spiral, having a huge impact on family budgets and household spending.

Killarney Credit Union would like to remind their members that the credit union is here to help and have this week launched their education loan which can help families in the South Kerry area cover these costs.

This week Killarney Credit Union also announced the opening of its 2018 Bursary Award which will give a €4,000 bursary to four third level students to attend college this academic year.

The bursary is open to all members of Killarney Credit Union who are attending college for the first time and is also open to students studying abroad and mature students.

Speaking about the awards, Joy Clifford-Vaughan, Youth Officer with Killarney Credit Union said "last year we had 46 applicants for the awards and the lucky winners were Rosha Courtney, Paul Murphy, Michéal McCarthy, Fianait O Donoghue who each received an award for €1,000.00 each. With the increased costs of attending third level, this

2017 bursary award winners with Joy Clifford-Vaughan, Youth Officer and Pat Delaney, RIP

bursary is a welcome financial aid for meeting those costs" she concluded.

Application forms are available in all branches and on the website www.killarneycu.ie. The closing date is Friday 21st September at 5pm. Proof of acceptance on course must be provided in advance of payment of bursary.

Helen Courtney Power, Business Development Officer, Killarney Credit Union said: "The significant cost of third level education puts phenomenal pressure on both parents and students starting or returning to 3rd level education this year. The student registration fee combined with monthly rent and bills, books and materials, food

and day to day expenses are a significant financial burden to many families.

Helen added "Killarney Credit Union is available to support both parents and students as they prepare for the academic year ahead. We have put in place dedicated student loan officers in each of our three branches, who can advise parents and students on the best finance options. We are advising parents and students to come in early and discuss their financial needs for the college costs. We are also here to support families through our Bursary Award also, so make sure to apply before the end date" he concluded.

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

WHY DO YOU NEED LIFE COVER? TO PROTECT YOUR FAMILY AND LOVED ONES

If your loved ones depend on your financial support for their livelihood, then life insurance is a must, because it replaces your income when you die. This is especially important for parents of young children or adults who would find it difficult to sustain their standard of living if they no longer had access to the income provide by their partner.

TO PAY OFF DEBTS AND OTHER EXPENSES

In addition to providing income to cover everyday living expenses, your family needs insurance to cover any outstanding debts, like the mortgage, credit cards and other loans. You don't want your spouse, parents, children or other loved ones to be left with any extra financial burden in addition to the emotional burden they're already suffering.

TO BRING PEACE OF MIND & LEAVE AN INHERITANCE

We can't know when we'll pass away. It could be today, tomorrow or 50 years from now, but it will happen eventually. No amount of money could ever replace a person. But more than anything, life insurance can help provide protection for the uncertainties in life. Even if you don't have any other assets to pass to your heirs, you can create an inheritance by buying a life insurance policy and naming them as beneficiaries. Without a doubt, having life insurance coverage will bring you and your family peace of mind. You should also consider income protection and serious illness cover when considering life cover.

Join Boots for a walk in the park

Boots in Ireland has been a long term partner of the Irish Cancer Society and every August, Boots colleagues take part in 5km walks around Ireland to raise funds for the Irish Cancer Society Night Nursing Service.

This year the Boots store in Killarney is organising their own fundraising walk on 20th August 2018 at 8.00pm starting at the gates of the National Park opposite the Cathedral. The store is looking for a €10 donation on the night per adults and children under 16 are free. Over the 6 years of the partnership, colleagues have raised over €1.3 million for

the night nursing service which provides end of life care for cancer patients.

Boots stores also support the walks by selling honour tags for €2 to colleagues and customers to remember a person who has died from cancer or celebrate someone who has survived cancer.

The Irish Cancer Society Night Nursing service provides free end of life nursing care to cancer patients whose final wish is to die at home. The service is fully funded by public donations. For more information see www.cancer.ie and www.Boots.ie

Top 5 Pubs in Killarney RATED BY TOURISM WEBSITE

Travel website, www.Irelandbeforeyoudie.com which prides itself as Ireland's biggest and best independent tourism website, has done a round up of 5 bars in Killarney you need to visit before you die. The website gave a great write up about the town stating that Killarney is full of 'life, colour and activity' and how the town is famous as the start and finishing point for the Ring of Kerry and the Kerry Way. 'Many people also stay in Killarney because of the incredible people, food, scenery and pubs.' We can't argue with that! They listed lots of amenities and services in the town but according to them, the real soul of the town is our pubs. With over 50 pubs in Killarney they had an incredibly hard job of picking a top 5. The top 5 to make the list were the **Lane Cafe Bar** at the Ross Hotel, noted as a trendy bar with great food, cocktails and a place to people watch. Next up was **The Laurels**, noted as a typical family run Irish pub full of buzz, entertainment and conversation. Also boasting a restaurant the Laurels made it on the list for its popularity with locals and tourists alike. Next on the list is **Tatler Jacks**,

'a big busy pub with excellent live music and a friendly atmosphere.' The decor of the jerseys which line the walls adds a nice touch and 'makes a great conversation starter' according to the website. **Murphy's Bar** is next to make the top 5 which is a 'busy little pub full of character' and the top point for Murphy's is that 'you're met with a real sense of warmth and community'. With the dollar bills stuck to the walls signed and left by patrons, pointing to many happy customers. Murphy's is a 'great place to have a pint and listen to some talented musicians'. Number one on the list according to the website is **J.M. Reidy's**, they state it would be criminal to make a list and leave this gem out. The style of decor makes it stand out from the crowd with lots of nooks and crannies and they note 'there's a great mix of people inside both young and old.' Great for groups and while there's lots of space it's nice and cosy they describe it as a 'hipster bar meets an old Irish farmhouse' and the outside area makes you 'feel as if you are sitting out in a tiny village on a warm day'. Well, we are certainly spoilt for choice here in Killarney.

QUESTION

I am unhappy with the result in one of my Leaving Cert subjects and think that I should have got a higher grade. How can I get the grade checked?

ANSWER

If you are not satisfied with the mark you got in a Leaving Certificate subject, you can appeal this result to the State Examinations Commission (SEC).

Before you decide to appeal, you can view your examination script at the school where you sat the exam. When you get your exam results, your school will get a personalised application form for you. If you want to view your exam script, you must complete this form and return it to your school by 21 August 2018.

The Organising Superintendent appointed by the SEC will assign you to one of the viewing sessions, on either 31 August or 1 September. You can only view your scripts from the written examinations – not the results of oral examinations or marks for practical examinations.

If you decide to appeal your result, you can use the online Appeals Application Service. This service will be available from 12 noon on 20 August 2018. You need your examination number and PIN to access this service.

When you apply online and pay the fee, you will get an Appeal Confirmation Form, which you must print and bring to the Organising Superintendent in your school no later than 3 September 2018.

If you cannot use the online service, you must contact the SEC for a personalised appeal application form, pay the appeal fee in a bank and get the bank to stamp the form to confirm payment. Bring the stamped form to the Organising Superintendent in your school no later than 3 September 2018.

Your script will then be sent to an appeal examiner for re-marking. The appeal fee is €40 per subject for the Established Leaving Certificate. The appeal fee for the Applied Leaving Certificate is €15.50 per subject. You will get this fee back if your result is upgraded.

Mazda Motor Ireland has new representation in the South West of the country as Aherns Mazda have been appointed as the latest official Mazda retailer to complete the newly redeveloped network. Aherns Mazda now add to a total of nineteen Mazda retailers across the country, supplying Kerry and surrounding counties with the award-winning Japanese vehicles. Based in Castleisland, Aherns will play a vital role to the brand, making it more accessible for car owners in the region to explore what the Mazda product range has to offer.

This is an exciting time for Aherns Mazda to join the brand, as the next generation of Mazda vehicles draws closer and promises to bring a new range of KODO designs and SKYACTIV technologies including the revolutionary SKYACTIV-X engine. Due to launch in 2019, evidence of the brands intensive R&D investment is guaranteed to draw the attention of the other motor industry players, premium brands in particular. In the lead up to the new 7th generation range, a number of new models are planned to launch in the coming months, compiling an apex of refined and new technologies. Next off the new product line is the brands flagship executive saloon; the new Mazda6, which will be available in showrooms from the end of August.

John Perry, managing director of Mazda Ireland commented; "We are delighted to have Aherns on board as the face of Mazda for Kerry and the South West

of the country. The current network redevelopment and showroom advancements has been designed with the customer at the forefront of mind to make the purchasing process more enjoyable, more comfortable and with a premium experience. Aherns Mazda already reflect this through their customer service so I am confident this appointment will strengthen the brand even further. They also join the organisation at a very memorable time as we launch the new Mazda6 which embodies the pinnacle of 6th generation SKYACTIV technology and KODO design as we gear up for a new generation of product in 2019."

Back-to-School Tips for Parents

Avoid last-minute drilling

When it's almost time to stop playing, give a five-minute warning. Giving clear messages to your child is very important.

Ease into the routine

Switching from a summer to a school schedule can be stressful to everyone in the household. Avoid first-day-of-school mayhem by practicing your routine a few days in advance. Set the alarm clock, go through your morning rituals, and get in the car or to the bus stop on time. Routines help children feel comfortable, and establishing a solid school routine will make the first day of school go much smoother.

EDUCATION OUTLOOK

Generous gesture of transparency by SEC as Leaving Cert results out on Wednesday

(By Billy Ryle)

The State Examinations Commission (SEC) will issue the Leaving Cert exam results next Wed, 15th August. I sincerely hope that the results will contain good news for all candidates. By all means celebrate your achievement but, as there are some new developments this year, keep a close eye on dates and deadlines. There are important decisions to be made in the days ahead. Leaving Cert results will be available early in schools on Wed morning and, from 12noon, online at www.examinations.ie. If you wish to view your marked Leaving Cert exam scripts return your completed application form to your school by Tues, 21st Aug. The viewing of marked scripts will be held on Fri/ Sat, 31st Aug/1st Sept. In accordance with the spirit of new Data Protection legislation, the SEC is allowing candidates to make a copy of Leaving Cert scripts at the viewing by mobile phone, tablet or digital camera.

The online results Appeals Application Service will be available from noon on Mon, 20th Aug. Use your exam number and PIN to access the Appeals Application form. Select the subjects you wish to appeal. Print the Appeals Application form after you have paid the appropriate fee and return it to your school no later than Mon, 3rd Sept. All appeals must be with the SEC by Wed, 5th Sept. If you complete any Candidate Observation forms (Form AP1) after viewing your scripts, return them with the Appeals Application form. The appeal fee is €40 (LC) or €15.50 (LCA) per subject. Results of Leaving Cert subject appeals will be released in mid-Oct.

CAO Round One offers and points requirements will be available at www.cao.ie from 6am on Mon, 20th Aug. CAO Round One offers may be accepted up to 5.15pm on Fri, 24th Aug. CAO Round Two offers and points requirements will be available at www.cao.ie from 10am on Wed, 29th Aug.

CAO Round Two offers may be accepted up to 5.15pm on Fri, 31st Aug. Thereafter, offers will be issued as available until 17th Oct when the offer season ends.

Interviews for Post Leaving Cert (PLC) courses, which are practical and vocational in orientation, take place in the period after the Leaving Cert results are released.

If you haven't applied for a PLC course and would like to do so, contact the colleges of your choice. The entire list of PLC courses can be found on www.qualifax.ie or www.fetchcourses.ie.

If you are interested in an apprenticeship or a traineeship, register at your local Training Centre if you have not already done so. Check the Solas website, www.solas.ie, or Kerry Education and Training Board (KETB) website,

www.kerryetb.ie, for further information.

If a career in agriculture or horticulture appeals to you, contact Teagasc, which provides a variety of courses in the agricultural and horticultural areas. The agri-food industry offers excellent career prospects at all levels. Teagasc website address is www.teagasc.ie.

Contact Failte Ireland at www.failteireland.ie, if you are interested in a career at the craft level of work in the Hotel and Catering Industry. Keep an eye as well on the CAO website, www.cao.ie, for vacant places.

Many young people take a year out after the Leaving Cert to gain work experience or to travel. A year out is a maturing experience and allows an extra year to make the transition from second level education. Colleges usually facilitate students who wish to defer taking up the offer of a course for one year.

If you feel that your results didn't do you justice, it's worth considering a return to school to repeat the exam. Most repeat students considerably increase their points.

A more competitive result in the Leaving Cert exam might be in your best interests in the long run.

So, even though you'll be relieved when the precious Leaving Cert results are in your hand, don't take your eye off the ball. Be aware of closing dates, read your correspondence carefully and take the appropriate steps to allow a trouble free passage on your education journey. Good luck to all candidates getting Leaving Cert exam results on Wed.

In the next article, I'll explain the procedure for viewing marked scripts and for submitting an appeal to have your exam scripts remarked.

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

Top tips on How to stay Healthy & Happy on sun holidays: PART ONE

Going on holidays should be the best part of our year, and often we head away with high expectations only to come home feeling miserable exhausted and low. Often we nearly need another holiday to recover. So here are my top tips for your next sun holiday. And believe me I've done it all good and bad so you're not alone but recently I've adopted these helpful guidelines when away and believe me it works. You can have fun and come home feeling amazing.

1- drink plenty of water and if sweating excessively drink even more than you usually do 2-4litres may even be required. Lack of hydration can cause headaches, irritability, fainting, dizziness to name but a few side effects. Water will also help you stay cool on holidays. And if we factor in a few alcoholic drinks every evening it is even more of an incentive to keep topped up on water as you sip on your evening mojito! Water can keep you feeling fuller for longer also which will help stop you reaching for sugary ice creams or other high calorie snacks as you mistakenly register thirst for hunger

2- keep active. Walk where you can. Rent a bike and visit the local sites, Swim in the pool. Use the hotel gym. Play with kids in park. Or join a fun class that may be held in your camp or hotel. Or if there are a few mountain Treks and you're fit enough then try them out you will have amazing views that not many tourists will see so bring a camera and take lots of pics. Take the stairs instead of the lift,

3- eat breakfast, lunch and dinner, don't skip meals as this can lead to sugar imbalances which may cause you to overeat at dinner or down by the pool. Eating small little and often meals is best so you don't over eat, it will be too hot anyway for heavy meals so it is advisable to eat light.

Skin Care

Always layer your skin-care products from thinnest to thickest texture.

If you think about your skin as if it were a sponge, you want it to soak up all the good stuff you're applying to your face and body. Therefore, it's important to layer properly. Use the thinner, more watery products first in your skin routine and finish with the heaviest creams or oils. Oils help seal in any products applied first.

Retrain your brain
Use these top five brain-retraining tools when aware of self-limiting or negative thinking...

- 1.STOP IT!** - As soon as you are aware of the behaviour, old pattern or negative thinking disengage from it. STOP. Just press "pause." Imagine you are playing a game of "statues" and freeze the moment in time.
- 2.OBSERVE & CHALLENGE/DISPUTE IT!** - Observe how you are feeling, what is happening right now. Where your body is tense or contracted. What thoughts are in your mind. Challenge the thoughts by asking questions such as:
-Is this really true?
-What makes me believe this to be true?
-What is the evidence for this being true?
-What is the most loving thing I can do for myself right now?
-How would I feel if I didn't believe this thought or "story?"
- 3.MOVE IT!** - Move your body, change your posture, breathe deeply. Just move. Allow your energy to flow and circulate.
- 4.WRITE IT!** - Writing down your thoughts and feelings is a great way to express and connect and communicate with who you are.
- 5.LAUGH AT IT!** - Step back and try to find the humour in what is happening. Laughter completely reverses any negative situation. You cannot be stressed or anxious when you are laughing.

RATHMORE/GNEEVEGUILLA NEWS

by Michael O'Mahony

RATHMORE COMMUNITY COUNCIL

Public consultation on improvement works in Rathmore Kerry County Council is inviting submissions on proposed improvement works in Rathmore. Plans for traffic calming measures and enhanced pedestrian facilities on N72 road will be on public display from 1 August until 12 September.

The proposed works include:

Traffic calming on the Killarney approach to Rathmore (N72)

A reduction in the width of the roadway to 6.5m for the entire length of the scheme

Realignment of the junction from local and regional roads on to the N72

The installation of two controlled pedestrian crossings to be provided at the community centre/playground and at the service station at the eastern end of the village

For a 150m area between O'Keeffe's hardware store and the community centre the following additional works are proposed:

Formalised parking areas both perpendicular and parallel to be provided adjacent to the local post office, public houses and community centre. New off-line bus stops to be provided either side of the road

The monument currently positioned directly across from the junction with Station Road is to be repositioned in front of the playground and community centre. Under the Planning and Development Acts, submissions can be made on the proposed works, details of which are available on the Kerry County Council website and Kerry County Council offices in the Killarney Municipal District and at County Buildings in Tralee.

NEWS FROM MICHAEL GLEESON

Councillor Michael Gleeson asked that Kerry County Council engineers would travel the banks of the Cullawa River with a view to determining the works that need to be undertaken in order to relieve flooding.

Kerry County Council has replied that Council staff and the Municipal District engineer have inspected the river. They have identified a section downstream of the bridge, located on the R582, where a certain amount of maintenance works will be carried out. The Council has consulted Inland Fisheries Ireland and has gained their approval.

The Council has received funding of €4,500. When agreement with a landowner is finalised the Council intend to access the river bank in order to undertake the necessary work."

MINORS

Fossa minors played Furies in a highly entertaining game in Fossa last week

Played in a great spirit, fantastic scores were taken and there wasn't a blanket to be seen in either defence! Both teams started at a blistering pace and were two points apiece after 5 minutes before Ruari Doyle scored the first goal of the night for Fossa, Darragh O'Donoghue replied almost immediately with a goal for Furies. Both sides continued to trade points with the Fossa scores coming from Eoin Talbot, Killian Buckley, Cian O'Shea and Harry Buckley, then Fossa went on a goal blitz in the last 10 minutes of the half with Cian O'Shea, Mark Donnellan and Darren Cronin all hitting the net to leave Fossa in a commanding lead at the break, 4-08 to 1-08. Fries opened the second half in great fashion with goals from Kevin Murphy and Darragh O'Donoghue in the first 6 minutes to cut the deficit, however Fossa steadied the ship with an absolutely brilliant goal from Cian O'Shea who ran half the length of the pitch before blasting to the net in the 13th minute. Harry Doody pulled a goal back for Furies in the 18th minute but Killian Buckley replied in kind in the 21st minute. Fossa kept the scoreboard ticking with some brilliant points from Eoin Talbot, Pauric Talbot, Cian O'Shea, Mark Donnellan and Killian Buckley, Furies did score a penalty late in the game from Aaron Flynn but Fossa ran out winners on a score of 6-17 to 5-13. This was a great showing from this minor team with Shane O'Sullivan pulling off some breathtaking saves in goal, the defence was excellent all through, our midfield worked really hard and the forwards were outstanding with Killian Buckley kicking some brilliant scores and Cian O'Shea showed why he is one of our most promising young players with an awesome display of fielding, powerful running and scoring.

Scorers, Cian O'Shea (2-06), Killian Buckley (1-06), Mark Donnellan (1-01), Ruari Doyle (1-0), Darren Cronin (1-0), Eoin Talbot (0-02), Harry Beckley (0-01), Pauric Talbot (0-01)

U-14 BOYS

Fossa U-14s played the East Kerry League final last Monday in Fossa against Glenflesk. Having won all four games in getting to the final it was not to be their day. Glenflesk were 2-06 to 05 ahead at half time, we were left with an uphill battle and on the night we just didn't get to the level we needed to. The game finished Glenflesk 3-12, Fossa 1-09. We were hit by a few injuries on the night and hope the recovery time will be short. Best on the night were Ryan O'Leary, Peadar Kelliher, Daragh O'Brien and Rian Collean. Scorers were Harry Kelly 6pts, Rocco Sheehan 1goal, Seán Dineen 2pts and Ryan O'Leary 1pt.

KILCUMMIN NEWS

KILCUMMIN LOOKING GOOD

The appearance of the village has been commented on in a very positive way by many and a big thanks to the people who have put the time and effort in. Míle Buíochas.

THANK YOU

A word of appreciation to the committees of Old Kilcummin and Holy Cross Cemeteries for

all their work in preparation for the annual masses. Thanks to everyone involved in the preparation and celebration of Mass, to those who provided car parking, help with the grass cutting, the employees of the local Community Employment Scheme for work carried out on the wheelchair bays in Holy Cross and the support of Kerry County Council. Well done to everyone. Míle Buíochas.

Squads announced for Liam Miller Páirc Uí Chaoimh tribute match

The full squads have been announced for the Liam Miller tribute match, which is taking place at Páirc Uí Chaoimh on Tuesday, September 25th.

The once-off game between legends from Manchester United and a combined Republic of Ireland-Glasgow Celtic selection will take to the field in support of the late Liam Miller, who passed away earlier this year at 36, having played for both teams during his illustrious playing career.

Martin O'Neill's Ireland-Celtic squad will also be full of class and quality. Led by Ireland's record goal scorer, Robbie Keane, O'Neill will also be able to call on a string of Irish and Celtic heroes including, former Premier League winner Damien Duff, defensive rock Richard Dunne and Parkhead favourites Neil Lennon, Paul Lambert and big John Hartson.

The benefit match is the brainchild of number of key figures from the world of business and sport, including chairman of the organising committee, Michael O'Flynn, who is a neighbour of the Miller family, Sir Alex Ferguson, Roy Keane, Martin O'Neill, John O'Shea, Graham Barrett, Ciaran Medlar, Ger Gilroy, Celtic chief executive Peter Lawwell, Manchester United chief executive Ed Woodward, Denis O'Brien and Dermot Desmond amongst many others.

Proceeds from the Liam Miller tribute match will be used to help Liam's wife Clare and their three children rebuild their lives with Marymount Hospice among the charities benefiting from the day.

Roy Keane, a colleague of Miller's at Old Trafford said he had been thrilled with the reaction of his former Man Utd colleagues, whose immediate acceptance of the invitation to come to Cork was a reflection of the standing and popularity of Liam Miller while he was at Old Trafford: "Cork's a great sporting city and county, and this occasion gives people a chance for this county and the entire country to come and watch the game. I know if I was a supporter I'd want to watch players like Denis Irwin and Giggsy. I think it'll be a great atmosphere and occasion – and a great cause. Not just Liam's family, but Marymount and other charities. There was a great response when the game went on sale at Turner's Cross, the tickets

were sold out in less than four minutes. Now hopefully there's the same enthusiasm."

Chair of the committee, Michael O'Flynn, a former neighbour and friend of Liam's said, "We are thrilled and delighted to be announcing these two teams, which include many of the game's greatest ever players. The tremendous support that the match has received has been truly phenomenal and we would like to acknowledge everyone who helped bring the game about including John Delaney and the FAI, Sir Alex Ferguson, John O'Shea, John Caulfield, Cork City FC, as well as the GAA and Cork County Board for accommodating the game at Páirc Uí Chaoimh. I'm sure sporting fans are full of excitement and anticipation ahead of this special match in tribute to my friend and neighbour Liam."

Because of the increased capacity of Páirc Uí Chaoimh stadium, additional match tickets will be available from tickets.ie on Monday, September 13th.

Ticket prices will range from €20 for Terrace level seating to €90 for the Premium Level tickets in the South Stand. Concession tickets are for U-18's and O.A.P.s will be priced at €10. Those who had purchased tickets for Turner's Cross will be placed in the south stand.

A black tie gala dinner will also take place on the evening of September 25th in Cork City Hall.

KERRY GAA SCENE

REPORT BY LEONA TWISS, PRO

THE RACE FOR 'SAM' ENDS FOR KERRY!

Last Saturday the Kerry Team did their bit by securing an impressive win over Kildare but unfortunately the result in Salthill ended our Championship hopes for this year. We will go into the history books as the first team to exit a Championship after a win! There was a surreal feeling in the Stadium after the final whistle as usually there is at least one team celebrating going back down the tunnel, instead on this occasion, there were two very disappointed teams. A long winter of reflection and analysis lies ahead but it is important to remember that every single person involved gave everything they could to Kerry football and for that they must be thanked. These people put their lives on hold in pursuit of Sam Maguire. While constructive feedback is always welcome, there is however no place for personal insults and abuse in our game and in our county. We are all very disappointed with our early exit but the plan is to come back stronger next year. The younger players have gained great championship experience. New leaders have emerged. The future is bright but we as Kerry Supporters must encourage and support this team during their development. Our patience will be rewarded!

THANK YOU ÉAMONN FITZMAURICE FOR YOUR SERVICE TO KERRY GAA

After Saturday's game in Fitzgerald Stadium, Éamonn Fitzmaurice met with County Board Chairman Tim Murphy to inform him of his decision to step down as Kerry Manager. Éamonn had given his decision a lot of thought and after speaking with his wife Tina and with his family, he felt he was making the correct decision for Kerry Football.

The Kerry County Committee wish to thank Éamonn for his tireless commitment to Kerry GAA. As a Manager, he brought 6 Munster Titles, 1 National League and 1 All Ireland Title to the County. He stepped up and took the job when Kerry were entering a period of transition and he has successfully integrated a number of young players into the Senior set up.

We sincerely thank Éamonn for his dedication to Kerry GAA. His planning and preparation for games was meticulous. Undoubtedly he has laid a very solid foundation for future Managers to build upon. Éamonn has given

his time to Kerry GAA and has given us many happy and joyous days both as a Player and a Manager. It is time for him now to give his time to his young family and to focus on his new career path. We wish Éamonn and his family every happiness for the future. Go raibh míle maith agat a Éamonn!

The process of selecting a new Manager must now begin. The Chairman has called an Executive meeting for Wednesday night. The following Tuesday night at the County Committee meeting, the Chairman will propose a committee for ratification. This committee will be tasked with proposing a suitable Candidate for the position before the end October.

LEE STRAND U16 COUNTY FOOTBALL LEAGUE – DIVISION 3A

Kilcummin 4-13 Churchill 0-12

Kilcummin was the venue for a good quality, well contested Division 3 clash on Wednesday evening last. The home team started brightly with a point from Cian Foley at centre forward and this was quickly followed by a goal from Kirill Healy at corner forward. The visitors got off the mark with a Darragh O'Sullivan free and this was followed by points from midfielder Damian Doherty and Dara Heim. A well finished goal from Cian Foley pushed Kilcummin ahead and a brace of frees from the same player as well as 2 pointed frees from full forward Darren Lehane brought the home team tally to 2-5 at the break. Churchill finished better and frees from Darragh O'Sullivan and points from Cian Kearney and Doherty left the visitors just 4 adrift at the break.

Churchill opened the second half at pace and 3 points in as many minutes from Eoghan Walsh,

the flying Conor Lenihan at wing forward and Paddy Walsh in midfield reduced the deficit to the minimum. However, resolute defending from Nathan McCarthy, Darragh Brosnan and Chris Moynihan, as well as good work from Philip O'Leary in midfield turned the tide again. An excellent finish to the net by Mark O'Shea and 4 fantastic long distance frees from Darren Lehane opened a gap once again. Conor O'Leary was called upon to make some good saves as Churchill kept applying pressure and had points from Darragh O'Sullivan and Damian Doherty. An excellent save from the penalty spot from Michael Dolan kept his team in it but Kilcummin finished strongly with Cian Foley dominant at centre forward and Micheál Sweeney busy on the wing and fine points from Jack McClain, Cian Foley, Colm Kelliher as well as a Darren Lehane goal and a class Philip O'Leary point off his left saw the home team safely through despite some fine defending from Caoimhin Finn, Cian Kearney and good work from Brian Hamilton. Kilcummin : Conor O'Leary; Nathan McCarthy, Darragh Brosnan & Conn Fleming; Cian Murphy, Chris Moynihan & Killian O'Brien; Philip O'Leary & Colm Kelliher; Jack McClain, Cian Foley, Micheál Sweeney; Mark O'Shea, Darren Lehane, Kirill Healy. Sub: Colin O'Leary Churchill: Michael Dolan; Edward Stack, Caoimhin Finn & Donnacha O'Sullivan; Darragh Murphy, Cian Kearney, Adam Doyle, Paddy Walsh, Damian Doherty; Brian Hamilton, Dara Heim, Conor Lenihan, Eoghan Walsh, Sean Clifford & Darragh O'Sullivan. Subs: Tommy Burns, Mark Stephenson, Eddie McCarthy

LEE STRAND U-16 COUNTY FOOTBALL LEAGUE DIVISION 2

Firies 4-10 An Ghaeltacht 1-10

Firies started brightly with a fine Brian Burke point in the opening minutes but Gaeltacht responded in kind almost straight away. Play went back and forth for next few minutes until Gaeltacht had a kick out which was tapped down by Darragh Brosnan to a waiting Brian Burke and a series of passes between the two of them Brian Burke finished off expertly to the corner of the net. An Gaeltacht then hit a purple patch aided by good fielding in midfield and were rewarded with a well taken point midway through the first half. Cian Doe then added a free kick well taken later on. An Gaeltacht then went storming up the pitch and their star full forward forced a brilliant save from the Firies keeper Cian Ring who saved a certain goal but Gaeltacht scored from the resultant 45 with a fine delivery. Some cleverly taken free kicks by Cian Doe and Darragh Brosnan found their teammates who slotted over the bar to add two more points to Firies tally. Again Gaeltacht responded with another point only for Firies taken very well by Dillon Callaghan. The first half finished up with a score line of Firies 2-05 to An Ghaeltacht 0-6.

In the second half the wet conditions were beginning to make life difficult for both teams as the ground was wet and slippery but despite this some great football was being played by

Legion club members enjoying the last of the Super 8's for this year. The tournament was a huge success and the club hope to run it again in the future. PICTURE: MARIA O'SULLIVAN

the two teams. Early on Dillon Callaghan who was a threat all night was taken down for a penalty and which he duly put away to make 3-05 to 0-6 in favour of Firies. But An Ghaeltacht to their credit never gave up and got their reward when their star player number 14 took a fine goal which kept them in the game. Cian Doe struck back with a fine point after some good football setting him up previously. The point of the game was struck by An Ghaeltacht Midfielder from around 40 yards out and this rallied his team yet again.

A move started by adventurous corner back Craig Boyle O'Sullivan set up Conor O'Sullivan for his well taken point. An Ghaeltacht lost some impetus when their full forward had to be withdrawn due to an injury late in the game and Firies got the upper hand and this resulted in fine goal taken by Darren Deniel. Firies finished off the game with the final score being Firies 4-10 to An Ghaeltacht 1-10.

Our good wishes to An Ghaeltacht full forward in a quick recovery, well done to both teams for a highly entertaining game played in good spirit.

EAST REGION MINOR LEAGUE

Fossa 6-17 Firies 5-13

Fossa played Firies in a highly entertaining Division 2 game in Fossa. Played in a great spirit, fantastic scores were taken and there wasn't a blanket to be seen in either defence! Both teams started at a blistering pace and were two points apiece after 5 minutes before Ruari Doyle scored the first goal of the night for Fossa, Darragh O'Donoghue replied almost immediately with a goal for Firies. Both sides continued to trade points before Fossa went on a goal blitz in the last 10 minutes of the half with Cian O'Shea, Mark Donnellan and Darren Cronin all hitting the net to leave Fossa in a commanding lead at the break, 4-08 to 1-08.

Fries opened the second half in great fashion with goals from Kevin Murphy and Darragh O'Donoghue in the first 6 minutes to cut the deficit, however Fossa steadied the ship with an absolutely brilliant goal from Cian O'Shea who ran half the length of the pitch before blasting to the net in the 13th minute. Harry Doody pulled a goal back for Fries in the 18th minute but Killian Buckley replied in kind in the 21st minute. The scores continued to flow with some brilliant points being scored, Fries did score a penalty late in the game from Aaron Flynn but Fossa ran out winners on a score of 6-17 to 5-13.

FINALS - MD O'SHEA EAST REGION U14 LEAGUE DIVISION 5

Rathmore 4-21 Beaufort 4-10

This MDO'Shea, East Region U14 league Division 5 Final, was a great open game of football played between two exciting teams last Friday. The home side had the ball in the Beaufort net twice in the early minutes, with goals from Cian Mangan and Fionn Murphy. Beaufort overcame the early shock and clawed their way back into the game taking the lead. Firstly, two long

range points from Mikey Moriarty, then a goal from his midfield partner Joshua Coffey, before points from play from Sean O'Sullivan, Joshua Coffey and a Darragh O'Connor converted free. Trailing by two points, Rathmore introduced Shane Daly, who had a big impact with scores and good support play. Rathmore hit six points in a row, two fabulous curling, identical efforts from captain Michael Dennehy, two from Shane Daly and a point each from Fionn Murphy and Ciaran Collins. Beaufort replied before half-time with a fine goal from Mikey Moriarty. Half Time Score: Rathmore 2-6 t Beaufort 2-5.

The second half began with the sides trading points, two Rathmore points from Ciaran Collins and Fionn Murphy, replies from Joshua Coffey and Hugh O'Malley (Beaufort). Shane Daly then finished coolly to net for a Rathmore goal before the same player as well as Darragh Nagle pointed for Rathmore. It was a ding-dong battle now and Beaufort were rewarded with points from Mikey Moriarty(2) and Hugh O'Malley. Rathmore were looking stronger and Darragh Nagle took a goal chance, however Beaufort were resilient and replied quickly with a goal and point from impressive midfield Mikey Moriarty. This reduced the margin to four points entering the last quarter and one felt anything could happen in this free scoring encounter. Rathmore dominated the next few minutes and kicked eight points in succession, full forward Ciaran Collins (4) wing back Padraig Moynihan(2) and one each from Fionn Murphy and Cian Mangan. This Beaufort side never gave up and the final score seemed a bit harsh on their performance. Beaufort added a further goal and point (Darragh O'Connor). Rathmore closed out this breathless contest with three points, Ciaran Collins (2) and Cian Twomey. Final Score: Rathmore 4-21 Beaufort 4-10.

MILLTOWN CASTLEMAINE GAA NOTES

WHEN GOALS REALLY DO WIN GAMES!

Round 10 -Division 2 of the County League saw Milltown Castlemaine(MC) seniors (sponsored by Larkins Bar and Restaurant and Kelly's Londis, TopShop) at home to Dromid Pearses (DP) over the Bank Holiday weekend.

MC lined out without many of their regular players-with Shane Murphy, Eoin O'Brien, Colin McKenna and Donal Kelliher injured.

Brendan Delaney and Jack McCarthy were also unavailable for selection.

Conditions were ideal in the Paddy Burke Memorial Park for the 2 pm start with West Kerry referee Cathal O Dubhda in charge of the game.

This was a very important game for MC if they were to remain in Division 2 and so they needed to start strong from the get-go. However, it was Dromid Pearses who notched up the first two scores by way of pointed frees from their centre forward-Christóir Ó Faircheallaigh, in the 1st and 2nd minute of play. MC quickly responded with 2 goals in the 4th and 5th minute. The first came after Killian Kerins brilliantly intercepted a short kick out and passed it off to Cathal Moriarty who put the ball past Brian Ó Laoire.

The subsequent kick out was brilliantly caught by Pa Wrenn and the mark into David Roche gave the home side goal number 2.

Dromid Pearses responded with 3 unanswered points, 2 from Christóir Ó Faircheallaigh and a pointed free from Niall Ó Concubhair. The 8th minute saw Jamie O' Shea point a free for MC after a foul on Cathal Moriarty in the 8th minute.

This was immediately cancelled out by a point from Christóir Ó Faircheallaigh, who was on fire for Dromid Pearses. The score after 10 minutes was MC:2/01, Dromid Pearses:6 points.

The next attack by the visitors resulted in MC keeper Cormac Leane confidently plucking the ball off the crossbar and kicking it out to Cathal Moriarty. David Roche (who was playing a midfield role in place of the unavailable Brendan Delaney) was on hand to receive a pass and pop it over the bar and so give MC a score of 2/02 to DP's 0/06.

Ciarán Carroll, Paul Carroll and Donal Dennehy linked up very well in the next MC attack and Donal was very unlucky not to add on a score at the other end. From the kick out, DP paced down field with their number 24, Graham O' Súilleabháin bearing down on goal. MC keeper Cormac Leane pulled off another fantastic save to put the ball out for a 45, which Dromid failed to convert. The 15th minute of play saw Christóir Ó Faircheallaigh score yet another point for Dromid. MC's keeper was called upon again in the 17th minute and forced a turnover but a free to DP was popped over by their corner forward Niall Ó Sé, who was putting in a powerful performance.

MC full back line of Damian Murphy, Ciarán O Connor and Stephen Roche were staunch in defence and so made it extremely difficult for DP to penetrate. The 20th minute saw DP's Niall O Sé pop over a free to give a score line of 2/02 to the home side and 10 points to the visitors. MC continued to keep the pressure

on with a tremendous all-team effort and it was All Ireland Kerry Junior medal winner, Gavin Horan who scored the next point for MC. Dromid immediately cancelled it out with their corner back, Shane O Concubhair doing the honours. MC defence stood strong with the Roche brothers linking up well together -stalling the Dromid attack. They added 2 more points before the short whistle, these coming from frees by Jamie O'Shea.

The score at the short whistle was MC:2/05, DP:0/11 points

MC came out with all guns blazing in the second half with Donal Dennehy and Pa Wrenn teaming up well. Pa popped over a beautiful point to give his team the narrowest of leads in the 1st minute of the second half. MC's third goal came in the next passage of play with David Roche linking up with Gavin Horan, who despite being fouled and on the ground, somehow managed to blast the ball with his left foot past the Dromid keeper and so give his side a 4 point lead. Dromid responded with another point from their corner forward Niall O Sé. A superb kick out from keeper Cormac Leane was placed into Donal Dennehy's hands and he quickly pointed for MC and restored a 4 point lead after 4 minutes of the second half. MC:3/07, DP: 13 points. Aodhán Shine O Súilleabháin and Kealan Ó Faircheallaigh reduced the deficit to 2 points with well taken scores in the 5th and 7th minute.

MC's Ciarán Ó Connor was having a wonderful game in defence and his hard graft lead to the home sides next attack involving Jerome Flynn and Cathal Moriarty, who cleverly fisted the ball over the bar. MC introduced Alan Hickey for Jeremiah Hayes in the 10th minute.

MC keeper once again was called on to rescue the home side and the resultant passage of play saw Gavin Horan link up with Cathal Moriarty who duly did the honours and added another point to his tally.

The 13th minute saw MC add another score, a point by Pa Wrenn -establishing a 5 point lead for his team. DP added 2 points in succession and so reduced the margin to 3 points after the 1st quarter of the second half. MC:3/10, DP: 0/16 points.

MC introduced Jonathan O'Sullivan for Jerome Flynn in the 17th minute. Jonathan settled in immediately and great play between him, David Roche and Captain Pa Wrenn saw the latter pop over his 3rd point of the day- superb scoring considering his centre back role. MC were dealt a blow when they were reduced to 14 players in the 19th minute. DP responded to this with another point from Christóir Ó Faircheallaigh who was having a tremendous game at centre forward. MC captain Pa Wrenn, who was showing great leadership, had a man of the match performance and added another fantastic point from play and thus established a 4 point lead once again.

Despite some brilliant play by MC, it was Dromid, who would score four unanswered points- that would bring them to within one point of MC by the 27th minute: 3/12 to 20 points.

Tension was high, defences were tight and when Cathal Moriarty was fouled in the 29th minute, it was the substitute-Jonathan O'Sullivan's task to take the resultant free. Jonathan made no mistake and so gave his side a 2 point lead with a minute left to play. DP's tried hard and managed to claw back one point with a free from Niall Ó Sé in the closing seconds of a truly thrilling game of football. Well done to both panels on a sporting game of football and to MC for securing 2 valuable Co. League points.

Well done to the manager Paul Fitzmaurice and his selectors John P O'Sullivan and Liam Kelliher for all their work with this senior team. Next up is an away encounter with Ardfert on August 19th 2018.

MILLTOWN CASTLEMAINE

VERSUS ARDFERT UNDER 14 FINAL

(Match report by Danny McClure)

Ardfert 2-13 V 3-09 Milltown/Castlemaine

This enthralling game of football finished with only one point between the teams. Our U14 sides have been the source of some fantastic and skill full displays this year. Coming through their group with a 100% record and making it to the final against Ardfert. For the neutral, this game was fantastic but for the supporters of either side there won't be a finger nail left.

Ardfert started the stronger of the two sides taking the first 4 scores but in a pattern that was to continue through the match, Milltown/Castlemaine were to peg them back to trail by only one point at half time. Ardfert had Milltown/Castlemaine pinned in for the early stages but when our U14s broke they made it count taking two fantastic goals in the first half from Rian Foley and Liam Roche.

In the second half the Milltown/Castlemaine's backs continued to work tirelessly to get the ball forward and thwart attacks from Ardfert. It really was a colossal effort by a fantastic group of young defenders. Daire McCarthy also making a huge save to keep Ardfert within reach as they replied to Conor Spillane Spillane's well taken equaliser. The midfield and forwards equally performed with a huge amount of effort and a great deal of skill, taking scoring chances at a very impressive ratio. As Ardfert stretched their lead to 5 points another Milltown/Castlemaine goal from Brendan Casey sparked yet another come back.

With the closing stages approaching, Ardfert were to raise the green flag again but this did not deter our Milltown/Castlemaine side who fought back again and were just pipped at the end by a very strong Ardfert side. Both sets of coaches and supporters will be very proud of their sides. Well done to all involved.

Congratulations to Ardfert on their U14s win and to our own Milltown/Castlemaine side

for a very impressive display that made for a fantastic game.

LEGION GAA CLUB

CO. JUNIOR FINAL

Killarney Legion 3-11 John Mitchels 1-11

The juniors travelled to the Mitchels for this county junior final and came away worthy 6 pt. winners. A bright start saw them jump into a 1-1 lead courtesy of a neat Micheál Devlin goal. However a couple on unforced errors made life difficult as the Mitchels took full advantage and against the run of play the Legion trailed by a point at the break. Some tactical changes at half time saw Kevin Breen partnering Sean McCarthy in midfield and Rob Leen going to wing forward these moves were to pay handsome dividends as all were to have a very strong second half, a feature of the junior side this year has been the nice mix of younger players with the more experienced and none more so than Darren Looney and Stephen McCarthy who netted 1-1. Ciaran Lyne, Finbarr Murphy and Adam Moynihan gave a steadiness to the side as all had senior team experience and it showed. Colm Ó Cuiv has become a most

reliable fullback and his distribution being of vital importance to the side. A much deserved win for this group who were unlucky to lose another final after extra time but they made no mistake this time. Incidentally this highlight will be young Micheál Devlin's last game in a Legion shirt for a while as he takes up his place in Georgetown University in the U.S. and we wish him all the very best in the future. Well done to dad Mike senior and his management team who had their squad ready and able for the final.

U14 EASTY KERRY SEMI-FINAL

The u14's had a good win against Dr. Crokes in the East Kerry semi-final. Despite dominating possession and the play in general it took them a little time to transfer their dominance onto the scoreboard. When they did get going they registered a very healthy 4-7 to 2-4 at the break. Another early goal at the start of the second half by the Legion saw the 5 goal rule invoked and this resulted in them taking points rather than goals from then on. In the end they had a comfortable winning margin which saw them qualify for the final where they meet Kilcummin.

CO. CHAMPIONSHIP

The first round county championship draw threw up an interesting pairing for us as we meet East Kerry neighbours Rathmore, recent history shows very little between the two sides and this should be another close encounter.

LISTRY CAPTURE JUNIOR LEAGUE COUNTY FINAL 2018

BY: MURT BRODERICK

Listry junior footballers captured the Group League County Final on Friday night against St.Michael's/Filemore in JP O'Sullivan park in Killorglin on a beautiful evening for football. Listry qualified for the final after finishing on top of the league and Bally/Filemore qualified after a great victory over Dr. Crokes in the semi-final.

Listry started well with corner back Roman Gallagher thundering into the game and driving out of the defence. Sean O Sullivan at half forward cut through the Bally/Filemore defenders and saw a great shot for goal rebound off the crossbar. Gearóid Murphy was first to react and from the rebound kicked the first point of the game. Listry full back Mike Quirke was strong around the square and cut out any danger with tremendous anticipation and tackling. Cain Bradley and Stephen Brosnan formed a good partnership at mid field. Stephen was strong in the air and Cain was scrapping for everything on the ground. Sean O'Sullivan made another great solo run and scored a magnificent goal. Listry were playing well and powerfully built corner forward Darragh O Shea kicked a good point from play. Full forward, Anthony Sweeney was a great target man, winning vital possession close to goal. Sean O Sullivan converted a free from the left side, Anthony scored a free from the right and Anthony scored another from play. Bally/Filemore were coming more into the game and Ciaran Clifford kicked a great point from play. Mid way through the first half Cain Bradley who was playing very well at the time had to be replaced after picking up an ankle injury. Brian Kennedy moved to mid field and got stuck in immediately. Listry legend Aidan O Donoghue come on at corner back and as always Aidan was tenacious and brilliant in the tackle. Bally/Filemore drove at the Listry defence and Colm Counihan made

a terrific save. Bally/Filemore pressure was rewarded with 3 converted frees. The hard working Jonathon Sparling responded with a neat point from play and Anthony scored another free. Half time score was Listry 1-7 Bally/Filemore 0-4.

Anthony Sweeney kicked the first point from play in the second half. Bally/Filemore like all South Kerry teams, had great heart, replied with a goal from Stephen Cronin and put themselves back in the game. Young Gearóid Murphy reacted brilliantly to the goal and kicked two wonderful points after great team work from Listry. Sean O Sullivan scored a free and Anthony Sweeney scored another point from play. Bally/Filemore were throwing everything at us and replied with 2 more points one from play and another from a free. Listry introduced Eoghan Darmody and the Listry great didn't leave the side down with a match winning goal line save. Listry were

working hard Stehen, Paul, Brian and Pedar scrapping for every ball around the middle.

Bally/Filemore never gave up and James Moran kicked 2 more points. However, Listry played with great passion all evening and finished strongly with Eoghan Darmody bursting out of defence linking up with the attack and finishing with a tremendous point. The final score was Listry 1-14 St.Michael's/Filemore 1-9. Scores ; Sean O Sullivan 1-2, Gearóid Murphy 0-3, Darragh O Shea 0-2, Anthony Sweeney 0-5, Jonathon Sparling 0-1, Eoghan Darmody 0-1. A great game, hard luck to Bally/Filemore who played the game in a sporting manner and congratulations to Listry. Joint captains Kieran Murphy and Paul O Donoghue accepted the group 5 Co. league trophy on behalf of the team which was managed by Charlie Coakley, John Wrenn, Michael O'Sullivan and Murt Broderick.

Action shot from a Go-Games Hurling Blitz in Dr. Crokes GAA Club last week. The club hosted Fíric GAA and St. Pat's, East Kerry in a range of U6, U8 and U10 Go-Games.

ALL IRELAND SENIOR FOOTBALL CHAMPIONSHIP

NO JOY DESPITE COMFORTABLE HOME WIN

KERRY O SHEA REPORTS ON KERRYS VICTORY OVER KILDARE LAST SATURDAY NIGHT AT FITZGERALD STADIUM BUT IT WAS ALL IN VAIN

**KERRY 3-25
KILDARE 2-16**

Kerry did what they had to do at Fitzgerald Stadium on Saturday evening, but in the end, things didn't go their way as the defeat to Galway and draw with Monaghan in the earlier rounds of the All-Ireland Super 8 Series proved very costly.

Thus, the Kingdom failed to make the All-Ireland SFC semi-final stage for the first time since 2012 meaning an earlier than expected end to the 2018 SFC season.

Eamonn Fitzmaurice ended his six-year term of management on a winning note but for many Kerry fans in the 17,000 attendance this game had an anti-climatic feeling long before the finish once word from Salthill began to filter through.

The Lilywhites, who were playing for pride, took the game to the Kingdom and for long stages of the first half looked as if they would produce a first championship win over Kerry since 1998 as they fully deserved their four-point interval lead 1-12 to 1-8.

Cian O'Neill's side had to play the second half with 14 players following the dismissal of star corner-forward Neil Flynn for an off-the-ball incident with Kerry's Killian Young.

Corner-back Mick O'Grady followed O'Neill to the dugout on a red in the dying stages but Kildare were by then a beaten docket.

David Clifford's stature continues to rise with every game. The 19-year-old from Fossa

DAVID CLIFFORD AND MICHEAL BURNS BURST OUT OF THE FITZGERALD STADIUM DRESSING ROOMS. BETWEEN THEM THEY SCORED 2-8 FOR KERRY

will have better days in the Kerry jersey in the future but his haul of 2-6 here yet again underlined his class and fearlessness and just why he is the code's new superstar.

Kerry's first goal came against the run of play when they were awarded a penalty in the 28th minute when David Moran, who was superb at midfield, aided and abetted by Jack Barry was fouled. Clifford duly despatched to send Kildare keeper Mark Donnellan the wrong way and was in the right place to finish Sean O'Shea's interception of a poor clearance by Donnellan to score Kerry's second goal shortly after the break.

That second goal by Clifford had a settling

affect on Eamonn Fitzmaurice's charges as they proceeded to score at will from there on and when James O'Donoghue, who again impressed when coming off the bench, scored the third goal, the rout was complete.

SENIOR CAMOIGE

SEMI FINALS BECKON DESPITE DEFEAT

KERRY 1-9 OFFALY 3-6

By Risteárd Ó Fuaráin

Kerry travelled to Drumcullen GAA Club in Rath, Co. Offaly on Saturday to face the Faithful County in Round 3 of the Liberty Ireland Premier Junior Camogie Championship. Kerry made a number of changes prior to throw-in. Rachel Burke replaced Caoimhe Shanahan and started at corner back, Orla Young moved to midfield and Aoife Behan and Eilish Harrington both moved to wing forward. Kerry started brightly when a Patrice Diggin shot was deflected into the Offaly net. The same player added a point

before Aoife Walsh raised two white flags for Offaly. A Patrice Diggin point was followed by a Louise Mannion goal to bring the sides level at 1-2 apiece.

Patrice Diggin converted a free before Louise Mannion secured her hat trick with two green flags. Halftime Score; Offaly 3-2 Kerry 1-6. Kerry had a great opportunity to raise a green flag of their own at the beginning of the second but penalty was saved. Aoife Walsh made in 3-3 to 1-6. Heading into the final 10 minutes, a puck of the sliotar separated the sides, 3-5 to 1-8. Kerry gave it their all but Offaly held on to win by 3-6 to 1-9.

SENIOR LADIES FOOTBALL

ALL IRELAND CHAMPIONS UP NEXT FOR LADIES

Dr Hyde Park in Roscommon plays hosts to Kerry and Dublin in the fourth and final quarter final next Sunday with a 5pm throw in.

Not sure if it's a measure of a good year, but the Kerry ladies despite all their trials and tribulations of an up and down year head into the Ladies Senior Football Quarter Final against All Ireland champions Dublin a week after their male counterparts have exited.

Having been relegated to Division 2 following a loss to Westmeath, few would have seen Kerry back at the same stage as last season facing the same foe. On that occasion Kerry were blitzed by the Dub's 5-10 to 0-11.

Still Kerry head into the tie with plenty to suggest that they will give the All Ireland champions more

than enough. Wins over Waterford and Tipperary, along with a battling performance against Cork that ended in a loss and a single point loss to Donegal, who are seen as dark horses, can give Eddie Sheedy more than a crumb of comfort. Dublin for their part while have cruised to the Quarter final with facile wins over Westmeath, Mayo and Cavan, have shown signs that they are vulnerable at the back allowing Cavan breach their rear guard for 2-13, a big score against a side that head into a relegation play off. If Kerry are to trouble Dublin they will need their forward line to produce the goods and in fairness to them they have been performing well. Is there one last bucket in this years well?

RESILIENCE

When we engage with strategies to enhance Mental Wellness resilience is talked about, but usually as an essential skill for healthy childhood development. This article examines the steps adults can take to boost resilience in middle age, which is often the time we need it most as midlife can bring all kinds of stressors including divorce, the death of a parent, career setbacks and retirement worries, yet many of us do not build the coping skills we need to meet these challenges. The good news is that some of the qualities of middle age — a better ability to regulate emotions, perspective gained from life experiences and concern for future generations — may give older people an advantage over the young when it comes to developing resilience.

There are three core psychological attributes at the heart of resilience: strength, meaning/purpose, and pleasure. If your personal life is characterized by these traits, you have the core components needed to build resilience. You feel equipped to handle both daily life and those challenging moments when you have to dig deeper. You also believe that you're contributing to the world in a way that helps others, consistent with what seems most important to you. Whether you believe that you exist in a universe controlled by a clearly defined higher power, or participate in the human collective that transcends your personal identity, your source of meaning helps you manage high stress and trauma effectively. And finally, pleasure. It's about deeply enjoying that which enriches and satisfies you. Whether it be poetry or pottery, movies or theater, having experiences that bring you a deep sense of pleasure are essential.

Strength, meaning and pleasure. These core attributes must be experienced on both an emotional and cognitive level. Resilience grows from both feelings and engagement in a thought life, bringing you strength, meaning and pleasure. Reading, thinking, working, praying, writing, conversing — these are just as important as emotional experiences that give you the feelings of strength, meaning and pleasure.

These are some ways to increase resilience:

Practice Optimism. Optimism is part genetic, part learned. So if you were born into a family of Eeyores, you can still find your inner Tigger. Optimism doesn't mean ignoring the reality of a dire situation. After a job loss, for instance, many people may feel defeated and think, "I'll never recover from this." An optimist would acknowledge the challenge in a more hopeful way, saying, "This is going to be difficult, but it's a chance to rethink my life goals and find work that truly makes me happy."

Rewrite Your Story. When recovering from a challenging situation, know that your life was forever changed, but reframing the situation, focusing on the opportunity the setback presented, so that you can rewrite what will be the outcome.

Don't Personalize It. We have a tendency to blame ourselves for life's setbacks and to ruminate about what we should have done differently. In the moment, a difficult situation feels as if it will never end. To bolster your resilience, remind yourself that even if you made a mistake, a number of factors most likely contributed to the problem and shift your focus to the next steps you should take.

Go Out of Your Comfort Zone. Resilience doesn't just come from negative experience. You can build your resilience by putting yourself in challenging situations and learn to cope a bit more each time.

Take Stress Breaks. Times of manageable stress present an opportunity to build your resilience. It's almost as if you need to invite stress into your life to practice how to manage it. Taking a walk break, spending five minutes to meditate or having lunch with a good friend are ways to give your mind and body a break from stress.

So, take a look around in your life, and keep working on strength, meaning and pleasure and building resilience!

IS YOUR CHILD A PICKY EATER?

Researchers from University of Michigan followed a group of 244 ethnically diverse 2- and 3-year-olds over a year, comparing parental pressure tactics at mealtime to the children's growth and how picky eating behaviour changed during that period.

The study set out to answer these questions:

*Should parents pressure children to eat, and what are the consequences for children's weight and picky eating?

*Will the child learn she must eat everything, resulting in obesity, or will learning to eat veggies and other healthy foods help her avoid weight gain?

Although both scenarios are logical, the study found that neither occurs, said lead author Julie Lumeng, director of the University of Michigan Centre for Human Growth and Development.

"In a nutshell, we found that over a year of life in toddlerhood, weight remained stable on the growth chart whether they were picky eaters or not," Ms. Lumeng said. "The kids' picky eating also was not very changeable. It stayed the same whether parents pressured their picky eaters or not."

So, basically parents (or grandparents) don't turn children into picky eaters, but by pressuring them into eating, they don't turn them into "good" eaters either. If a human is destined to be picky, it just happens because some tastes are just hardwired and difficult to change, according to the researchers.

What can happen by using coercion at the dinner table, however, is damage to the relationship, the study found.

EARTH OVERSHOOT DAY

August 1st was Earth Overshoot Day, which means humanity has already used up nature's budget for the entire year. At the current rate of consumption, we'd need 1.7 Earths to avoid depleting our environment, overshooting what the planet can naturally regenerate, and destroying the ecosystems that support the complex web of life on Earth. This year Earth Overshoot Day is earlier than ever before.

THESE SIBERIAN WORMS SURVIVED MORE THAN 30,000 YEARS

Tiny roundworms, a type of nematode, that made their home close to 100 feet below the surface

in Siberia have lasted those tens of thousands of years, frozen and immobile. Now scientists in Russia have revived them, making these worms—all of them females—the first multicellular organisms to have survived being frozen in Arctic permafrost.

The scientists analysed 300 samples of permafrost. Of those, only two samples had viable nematodes in them. One came from a squirrel burrow; another came from a different permafrost deposit, part of a core drilling near the Alazeya River. That sample was about 42,000 years old.

The samples contained two different types of roundworms, *Panagrolaimus detritophagus* and *Plectus parvus*. The scientists let them thaw out, and once they had, the worms seemed ready to go on with their lives, eating and moving.

The permafrost layer of the polar parts of the world contains all sorts of tiny creatures, including bacteria, algae, yeasts, and amoebas, as well as moss spores and seeds. After spending thousands of years in deep freeze, these bits of life are thawing out, as the poles heat up and the permafrost softens. Previously, scientists found that a giant virus that they named Pithovirus was still viable after 30,000 years.

POLISH MOUNTAINEER SKIED DOWN FROM THE TOP OF K2

On July 22nd, 2018 Polish ski mountaineer Andrzej Bargiel achieved a world first when he climbed and then descended from the summit of the planet's second-highest mountain on skis, K2. At 8,611m, it's just 200m shorter than Mt Everest, and a lot more dangerous. Until Bargiel's first descent, it was one of the last of the famous peaks still unskied from the summit.

Mr. Bargiel's incredible achievement will go down as one of the most daring descents on skis ever.

DID YOU KNOW?

The first 'Rin Tin Tin', was discovered September 15, 1918 during World War I by US Air Corporal Lee Duncan and his battalion in Lorraine, France. At a bombed out dog kennel, Corporal Duncan found a mother German Shepherd Dog and her scrawny litter of five pups. Corporal Duncan chose two of the dogs, a male and female, while members of his group took the mother and the others back to camp. The only survivors over the next few months were the two pups Corporal Duncan had claimed, naming them 'Rin Tin Tin' (but shortening it to 'Rinty') and 'Nannette' after tiny French puppets the French children used give the American soldiers for good luck. When the war ended, Corporal Duncan made special arrangements to take his pups back to his home in Los Angeles, but during the Atlantic crossing, Nannette became ill and died, shortly after arriving in America.

In 1922 Rin Tin Tin was spotted by the maker of a motion picture camera man and his career began. He went on to create a total of 26 motion pictures for Warner Brothers and received over 10,000 fan letters per week.

TAIWAN'S FIRE-FISHING BOATS

Traditional sulphuric fire fishing is a century-plus-old practice found only in Jinshan, a little port city near the northern tip of Taiwan. On a moonless night long after sunset fishermen use a bamboo torch and soft sulphuric rocks to ignite a fire fierce enough to drive hordes of silver-scaled sardines to the water's surface.

Sulphur is one of Jinshan's most abundant natural resources, found everywhere from the village's rocky golden cliffs to the hot springs. Each fire-fishing boat carries a metal cauldron full of sulphuric rocks, which produce flammable gas that is fed into a long, skinny bamboo rod affixed to the boat's rear, the fire's blinding brightness attracts the fish and they leap out of the water towards the smouldering light. Nothing is measured, the knowledge is passed down from father to son and the fishermen know by heart how much sulphur to use and for how long for If the fire lingers too long, the boat could explode.

The fire-fishing season lasts from May to August, when the sardines migrate south from Japan to Taiwan's northern shores and on a good night, the fishermen can catch hundreds of barrels of fish, up to three tons of sardines per boat, which can rake in as much as €3,800.

Once upon a time this method was used by thousands of fishermen all across the islands of Taiwan, now, there are only four fire-fishing boats left and a dwindling number of fishermen, the local government also provides a small subsidy to fishermen who elect to use the traditional technique.

Gardening

with Killarney Outlook

by John O'Sullivan

FOCUS ON PLANTING BULBS

Most bulbs are suitable for growing in containers especially the likes of tulips, daffodils, lilies and alliums. When planting up a container or window box with bulbs plant them at about three times their depth and about one bulb width apart and don't forget to water them especially when the foliage is on and they are growing. When planting bulbs in the garden dig over the area well where you are planting and add some compost. Always plant your bulbs in groups of about six depending on the type of bulbs. If you would like to add some colour to some areas of the garden for spring and into summer, it would be advisable to grow your bulbs now in small pots and grow them on until early spring. You can then plant them in their pots in the areas you want and after flowering you can dig them up and keep them until next spring. A good dwarf daffodil for this is Tete-a-tete.

A Word of Victory

Welcome back dear reader, are you tired and having trouble sleeping? So many are suffering from insomnia, often caused by anxiety and terror, and it's a horrible, lonely place to be. Everything appears worse at night and you just endure it, waiting for the morning light to come. Racing thoughts; fear of being alone; fears about the future, or re-living traumas of the past; dread of sickness and of death – the common thread here is thoughts and fear. Friend, if this is you, please know one thing – fear is not from the Lord – it is a work of darkness, and the enemy relishes every opportunity to cause God's precious children torment (Hebrews 2:14-15).

What does the Word of God have to say about this? God loves you so much that He gave His Only Son Jesus to die in your place so that you could be reconciled to Him and come out of darkness into His Kingdom of light and love (John 3:16). Darkness is the operating ground of our enemy the devil. But when Jesus came He made the way for us to be rescued out of the control of darkness and fear, simply by acknowledging Him as the Son of God, and asking Him to be Lord and Saviour (Romans 10:9-13). When we do this an exchange happens, and the darkness is extinguished by the Light (John 1:5).

As we said last week, our faith increases as we hear God's Word (Romans 10:17). When we study the Scripture the Holy Spirit will reveal God's love to us, and bring in His Peace and Joy (Isaiah 61:1-3). When one experiences the Love of God, His Peace expels all fear, and the fruit of it is that you can go to bed at night and sleep, safe in the knowledge that God loves you, that He is for you, and that He Himself watches over you so that no harm will come to you (1 John 4:18; Psalm 3:5; Proverbs 3:24-26; Psalm 91). The Creator of the universe longs for you to come into relationship with Him, so that He can lavish His Love upon you (Psalm 121). God has given each one of us a free will – He is not going to push Himself on you. He gave everything He has just for you – His Son Jesus, the Prince of Peace. Friend, repent of your sins and ask the Lord Jesus to heal your life. Look up and write out the Scriptures listed here, confess them aloud over your life – and you will gain Peace and sweet sleep! (Psalm 4:8)

*late of Ballycasheen, Killarney.
who died on the 11th August, 1994.*

Our Mum,
Why our Mum we often say
Why she was picked to be that way
Now she has gone and left us here
We all did love her very dear
When she was very ill in bed
She won't pull through the Doctor said
Every time she came out on top
But suddenly it came to a stop
All the nurses we must thank so much
They always had the special touch
To get her well and pull her through
We owe it all to all of you
And also the home-help
They did a lot
Don't worry we never forget
Ye kept her well she- had no pain
And minding her was not a strain
And her friend that was so dear
She never had to live in fear
Of feeling down and all alone
She'd come by and make it home
All the suffering Mom went through
Dad was there
And went through it all
He stood by her through it all
And at the end he took the fall
A bouquet of beautiful memories
Sprayed with a million tears
Wishing God could have spared you
If just for a few more years.

*Loved and remembered by your husband
Sean, son Sean, daughters Norma,
Patricia, Lorraine & Killian, grandchildren
Fionn, Saoirse & Oisin,
relatives and friends.*
