## BEAU'S GIFT TO HIS GRANDAD AS FAMILY RAISE FUNDS FOR IKA

The family of a very popular Killarney man have used their son's christening to raise funds for the Irish Kidney Association.

Neily Griffin from Pinewood has worked with Kerry County Council all his life but last year he was diagnosed with Multiple Myloma Cancer which affected his kidneys.

Little baby Beau was

Ashlinn and her husband Marc Tangney and is their third child.

Along with Beau's big brother Kai and big sister Ellie, the family invited family and friends to Beau's Christening day last week and instead of gifts they asked for donations to the Irish Kidney Association.

"My dad gets dialysis three days a week in Tralee and the doctors and nurses there are just incredible", Ashlinn told the Killarney Outlook. "The unit there is incredible and I can't praise enough the work they do for people like

my dad", she added. Neily, who is a great horse racing fan, is well known throughout the town and he continues to fight this hard battle

against the disease.

"He is so proud of all of us and his grandchildren and we are so thankful for our Mom Mary who is the glue in our family" Ashlinn added. The Griffin family would like to thank everyone who donated to the Irish Kidney Association on Neily's behalf and are thrilled to be able to present  $\notin$ 1,302.50 to such a good cause.

Chairman of 'The Charity' organising committee Timo O'Sullivan was joined by Ian O'Connell to launch the upcoming event at the wheelchair accessible pier at Lough Lein recently. The event will be held on Lough Lein, from Ross Castle, Killarney National Park, on Sunday 28th April, 2019. To date the anglers have raised in excess of €229,000 for deserving charities in Kerry and Cork. The chosen beneficiary of this year's charity is The National Rehabilitation Hospital, (NRH) Dún Laoghaire Co Dublin. Chairman of 'The Charity' organising committee Timo, is an avid angler and he volunteers with many organisations in Kerry, and a wonderful advocate for wheelchair accessibility. It is 35 years since an accident at work, resulted in Timo sustaining life changing injuries and leaving him wheelchair bound. Inspirational Killarney teenager, lan O'Connell sustained serious injuries in a cycle accident almost two years ago. Both receive expert care at the NRH. The hospital is undergoing complete refurbishment and building has commenced on Phase One of the New NRH Project, which will house a sports arena, state of the art rehabilitation facilities, and 120 patient bedrooms. The project is expected to be completed by 2020. The NRH is also a beneficiery in this years Annual Ring of Kerry Charity Cycle.

## O'FLAHERTY SOCIETY MEMBERS EXPRESS SYMPATHY

The Hugh O'Flaherty society members have expressed their deep sympathy at the news that Trócaire's former head in Central America Sally O'Neill died in a freak car accident in western Guatemala. It is reported that all four people in the car died when it plunged into a 300mtr ravine off the Inter-American Highway. Hugh O'Flaherty Society Chair Jerry O'Grady said, "Sally was nominated for the 2011 Award and was unanimously selected by the independent award panel".

"One of my abiding memories of Sally was the optimism and joy that she exuded when talking to us about the challenges Trocaire faced in Central America, and she also had a natural and very necessary sense of humour. Sally's passing follows only 4 months after the 2015 Award recipient Dr John Beavis died. The world can ill-afford to lose humanitarians like Sally O'Neill and Dr John Beavis".

Our deepest sympathies go out to her husband Roger and her children, her extended family and her friends and colleagues in the wider NGO family. May she rest in peace. Main Street Killarney Co. Kerry

## **Best Newcomer Award for Pres Girls**

Students from St. Brigid's Presentation School in Killarney have claimed the "Best Newcomer" award at the AIB Build A Bank Programme. The national competition is open to all transition year students in the country and this is the first year that St Brigid's presentation secondary school took part in the programme. They had to set up a bank in the school, learn about the mechanics of what it takes to run a bank, open accounts for students and encourage savings.

The team decided they wanted their bank to benefit the school and did so under their theme of wellbeing. Recently the girls travelled to the RDS, Dublin to compete against schools from all over the country and won the coveted prize of "Best Newcomer". They had to present on stage at the RDS in front of their peers country wide and were delighted to come away with the prestigious award.

Congratulations to all the students and their teacher Adrienne for 17 years. It is a national competition open to all transition year students in the country.

The Group were received at the Irish Embassy, the British Embassy and the US Embassy to the Holy See.

Presentations were made to Irish Holy See Ambassador Derek Hannon, Irish Embassy to Italy Deputy Head of Mission Margaret Murphy, British Ambassador Jill Morris, US Ambassador Callista Gingrich, Princess Gesine Doria Pamphilj, the Rectors of the German College and the Irish College and others associated with the Rome Escape Line. ## EDUCATION OUTLOOK State Exam candidates must now focus on June

(By Billy Ryle)

Just eight weeks remain before the Leaving Cert (LC), Leaving Cert Applied (LCA) and Junior Cert (JC) exams get underway on Wednesday, 5th June and continue until Tuesday, 25th June, Thursday 13th June and Wednesday 19th June, respectively.

Leaving Cert candidates have adapted well to the H/O grading system and the new CAO common points system. Grades now cover multiples of ten percentage points. 625 points is still the maximum CAO score but the new common points scale is resulting in a much greater spread of points. Grades from H1 to H7 are awarded points at Higher Level while grades from O1to O6 merit points at Ordinary Level.

At Junior Cert level, the State Examinations Commission (SEC) is gradually phasing in six new Grade Descriptors - Distinction, Higher Merit, Merit, Achieved, Partially Achieved, and Not Graded. The ABCD grade descriptors will be phased out by 2021.

Candidates can be optimistic about the exams because they will be well prepared by their teachers. The national results achieved each year in the State Exams are very impressive. In addition, places in further and higher education courses, apprenticeships and traineeships are very plentiful in a buoyant economy. There are plenty of places available for those wishing to upskill. More employment opportunities are also available for school leavers not wishing to continue in education. Nevertheless, if the trend of previous years continues, the vast majority of Leaving Cert exam candidates will continue in education as a skills-based economy is very receptive of those with qualifications at craft, traineeship, degree or post-graduate level.

The stigma of failure is long gone from the State Exams. Back in the day, failure in Irish meant overall failure. Every candidate's performance is now acknowledged by individual certification. Exam candidates' main aim nowadays is to achieve the minimum entry requirements, the specific course requirements and the points for their preferred courses. The SEC also provides a range of exam supports, called "reasonable accommodations," for candidates with physical, visual, hearing and learning difficulties to remove, as far as possible, the impact of the disability on the candidate's performance in the exams. This facility ensures that no candidate for the State Exams is disadvantaged because of a disability.

Despite the criticisms often levelled at the State Exams, they have stood the test of time and they provide the Irish economy with one of the best educated workforces in the western world. Both Junior and Leaving Cert exams are an impartial, unbiased and comprehensive test of each candidate's level of achievement. The vast majority of candidates will do very well in the State Exams. A large number will achieve very good and even outstanding results.

Despite the hype about exam pressure, all you need is a cool head, a positive attitude, optimum use of the remaining weeks, good personal and time management, plenty of nutritious food, rest and an exercise programme to burn off any excess stress. Be confident. Do your best during the remaining weeks and at the actual exams. Then forget about them and enjoy the summer.

With the oral exams done and practical coursework, project work and study reports due to be completed in the next few weeks, exam

candidates will have banked very precious marks before June. Remaining practical exams will be conducted in the next few weeks. The Leaving Cert Vocational Programme (LCVP) written exam is scheduled for Wed., 1st May. In the final weeks, the written papers become the major focus of attention.

In the next article, I'll explain how to plan your strategy for the final weeks before the exams.

inforative talk from a representative of Pieta House. Last week, the 5th Year L.C.V.P. students welcomed Cora O'Brien, Centre Manager of Pieta House in Moderwell in Tralee. As part of their Leaving Certificate Link Modules Portfolio the students invite a guest speaker in to talk to the class. The students brainstormed different organisations that they would like to come to the school and they voted on Pieta House and prepared questions to ask on the day. Cora was passionate speaking to the students about the work of the organisation. As some of the students have completed the Darkness into Light Walk previously it really encouraged others to take part this year. She explained to them the work of the organisation and the different ways of getting in touch with them. She talked about hope and that hope is something that they endeavour to give each person who comes to them in their time of need. According to Ms. Ms. Kerri McCarthy "From the start of the informative talk Cora had the students totally engaged. The question and answer session was very beneficial to the students. As Killarney Community College is playing host to the Cycle Against Suicide Campaign this year on May 1st and 2nd it linked in very well with the theme of positive mental health and that it is OK to ask for help".

## Self care comes first as young people attend Health and Well Being Day

Positive mental health was on the agenda this week for young people from Killarney Primary Schools who, along with their teachers came together to take part in the annual KDYS Health & Well Being Day 2019. The atmosphere in the KDYS/ eurÓg Youth Centre on Friday the 5th of April was vibrant and exciting with over 150 local 6th class students in attendance.

The students engaged in various health and wellbeing focussed interactive workshops exploring topics such as positive mental health, physical health & fitness, positive lifestyle choices and social media awareness. This event is part of the KDYS' commitment to supporting Young People to make positive choices regarding their health and wellbeing and was supported by the Kerry County Council's Community Support Fund 2019

- 4. Place the garlic into a bowl, add the chopped resemary,
- finely grate in one lemon zest and drizzle in a good drop of oil, then mix it all together 5. Poke small holes into the legs of the lamb and stuff the holes
- with the prepared marinade.
  Season the lamb with sea salt and black pepper, then drizzle the remaining marinade over the lamb and rub in.
  Place the lamb on the middle tray of the oven on a roasting dish.
  Cook the lamb for 1 hour 15 minutes if you want it pink.

#### **COUNTRY LIVING**

#### CALLS FOR BETTER MANAGEMENT OF DEER IN KILLARNEY NATIONAL PARK AREA

Senator Paul Coghlan, Leas-Cathaoirleach has asked for a detailed statement on all aspects of the deer population and its management in Killarney National Park and its environs. Killarney National Park contains the largest concentration of our native Red deer in the country as well as a significant number of the non-native Sika deer. Speaking in the Seanad, Senator Coghlan said "I appreciate the scale and the significance of the challenge that increasing deer numbers are imposing on the National Park and Wildlife Service (NPWS) and their efforts to maintain numbers at sustainable levels. However we have all become aware of the increasing number of road incidents involving deer, mainly on the Killarney/Killorglin Road and principally in the region of Ballydowney-Gortroe." "There is a significant concentration of deer in this area on the southern side of the

road in Killarney National Park and many of these deer encroach daily on the grounds of Castlerosse Hotel and Killarney Golf and Fishing Club in order to access excellent grazing ground and some cross the road to farmland." Senator Coghlan called on the Minister and NPWS officials to seriously consider the erection of deer fencing at selected points where they, or walls, do not already exist. "I greatly believe that the erection of such fencing at certain pinch points would greatly improve the current situation in the Killarney National Park area."

#### MINISTER APPEALS TO ANGLERS IN KERRY **TO BECOME CITIZEN SCIENTISTS**

A new project that will help researchers understand the challenges which salmon are facing today has been launched. The project, which has been initiated by Inland Fisheries Ireland aims to collect vital information through scales taken from salmon and sea trout which are rought in Irish rivers and lakes and will contribute to international efforts to conserve wild salmon. Fish rivers and lakes and will contribute to international efforts to conserve wild samon. Fish scales record the life history of a salmon and one scale can reveal a lot about the lifestyle and behaviour of the fish. Scales can tell scientists what age the fish is, how many winters it spent at sea, how many times it spawned, how slow of fast it grew, what it ate and how long it spent in the river before it went out to sea. Scales can also reveal the general feeding area where the salmon travelled to in the ocean, whether it went to the Faroe Islands, the Norwegian Sea or all the way to West Greenland Scales halo scientific to industrate the biologe and acclosury of trich calmon

Greenland. Scales help scientists to understand the biology and ecology of Irish salmon and sea trout. As part of the project, anglers in Kerry are asked to take a scale sample from a salmon or sea trout by gently scraping and removing approximately 20 fish scales using a clean knife. Anglers are then requested to post their samples to Inland Fisheries Ireland using the sample envelopes which will be made available to them. Scales can be removed from both harvested and catch and release fish. Sampling of fish for release should be handled carefully and fish should be only briefly removed from the water with every effort made to avoid injury or stress while weight should be estimated.

## KERRY AND CORK CREDIT UNIONS WORKING TOGETHER TO SUPPORT LOCAL FARMERS

Early milking was the order of the day on as Six Credit Unions in the Kerry/Cork region joined forces to launch a new Agri Loan product called Cultivate. The launch held in The Gleneagle Hotel, Killarney was supported by farmers and industry experts alike.

The Credit Unions involved are Ballincollig, Bantry and Kanturk in Cork and on the Kerry side of the boarder Cara, (Castleisland, Killorglin & Tralee Offices) Killarney (Killarney,Kenmare and Cahersiveen) and Listowel Credit Unions (Listowel and Ballybunion).

The new Credit Union farm lending offering is branded under the name "Cultivate" and was officially launched by IFA National Chairman - Farm Business, Martin Stapleton. MC for the night was Pat Spillane, Rural Ambassador and Former Kerry GAA star and guest speaker was Darragh Mc Cullough from RTE's 'Ear to the Ground'.

The Credit Union farm lending project is modelled on a pilot initiative by four Credit Unions in County Galway who launched the Cultivate brand in 2017. Since then 20 credit unions throughout Ireland have introduced the Agri loan product to members.

Since its introduction, Cultivate has proved very popular with farmers with nearly €20m

We have been working hard on this project for the past number of months. Credit Union Agri loan staff have completed a bespoke 5-day course on Farm and Finance organised by Teagasc in association with Pallaskenry Agricultural college. Credit Unions are now open and ready for business" he concluded. The Cultivate farm loan package will offer loans up to €50,000 for a variety of purposes. The loan rate is a competitive loan rate. The term of the loan can be up to 7 years. Loan protection insurance is also provided on the loan at no additional charge.

#### KERRY FARMERS AND OTHER USERS URGED TO USE BEST PRACTICE AS SPRAYING SEASON COMMENCES

Irish Water has detected exceedances for the pesticide MCPA in the Listowel Public Water Supply. While there were no exceedances recorded in 2018 in the Brosna/ Knocknagoshel and Lyreacrompane Public Water Supplies, previous exceedances have however been detected in both supplies.

While there is no threat to public health, it is imperative that users of pesticides are mindful of best practice when spraying their lands. Irish Water working in partnership with the National Pesticide and Drinking Water Action Group (NPDWAG) is appealing to farmers and other users of pesticides to ensure that best practice measures to protect drinking water quality are always followed.

Efforts to reduce the incidence of detections are being coordinated by the NPDWAG which is chaired by the Department of Agriculture, Food and the Marine. All of the key stakeholders are represented in this group and include other Government departments and agencies; local authorities; industry representative bodies; farming organisations; water sector organisations; and amenity sector organisations.

MCPA, which is commonly used to kill rushes on wet land, is the main offender. Careless storage, handling or improper application means it can easily end up in drinking water leading to breaches of the drinking water regulations.

The regulations are so stringent that a single drop of pesticide is enough to breach the drinking water limit in a small stream for up to 30 kilometres. This clearly highlights the level of care needed to protect drinking water sources.

## Changing yourself also changes others!

How often have you found yourself wishing that you could change someone else? We say to ourselves "If only they were kinder, happier, more communicative, loving etc," However, we have no ability to change or control someone else's behavior, thoughts or actions. However, we do have the power to change our own and that often can influence how another person will respond to us. For example, imagine that you always get really upset in an argument and you are determined to be right at all costs. And one day, you decide that you will simply not engage and allow the other person to have their own opinions and views. In this instance you have changed everything. The other person can't keep an argument going with someone who is simply not engaging or fueling it! For the next week, do things a little differently by changing your old reactions to people and situations you find yourself in. Notice how this changes your experience of what is happening and the people around you. It's powerful work and really well worth doing because it leads to inner peace and contentment.

If you would like to train as a body confidence & wellbeing coach please visit www. instituteforbodyconfidencecoaching.com I am now accepting applications for the new 12 week training course.

## Top tips for managing hay fever symptoms

Hay fever is a common allergic condition that affects one in five people at some point in their life. Hay fever sufferers have allergic reactions to different types of pollen, which include itchy eyes and nose, sneezing, runny or blocked nose and difficulty in breathing. Pollen grains can set off an allergic reaction as the conjunctiva (the transparent membrane covering the white of the eye) becomes inflamed causing watery, red, itchy eyes. The whites of your eyes may swell up and you may also experience a gritty feeling in your eyes.

#### Managing your hay fever:

•Stay indoors – when there is a high pollen count, keep windows and doors closed and keep surfaces clear with a damp duster. Avoid going out in the early evening and midmorning when the pollen count is at its highest.

•Wear sunglasses when you are outdoors – wraparound glasses offer more protection from pollen.

•Wear glasses rather than your contact lenses – especially when

the pollen count is high.

•Change your clothes and have a shower – if you have been outside for a while, you may have pollen on your clothes, skin and hair. Taking a shower and changing your clothes can help. •Bathe your eyes regularly in cold water.

•Apply petroleum jelly to your nostrils – this will trap pollen.

#### Treating your hay fever:

•Anti-allergy eye drops – these act as a protective defence. If you wear contact lenses remember to check if you can use the drops while your lenses are in.

•Antihistamines – in people with allergies, the body mistakes something harmless, such as pollen, for a threat and produces histamine, which causes symptoms such as rashes, a runny nose and/or sneezing. Taking Antihistamines before you come into contact with pollen can prevent this happening or can help reduce the severity of the symptoms if taken afterwards.

## Studio 3 Kerry: Autism Navigating Friendships, Relationships and Sex

Studio 3 Kerry are delighted to welcome Peter Vermeulen to Tralee on May 8th. CEO of Studio 3 Prof Andy McDonnell will introduce his friend and fellow autism expert at a small seminar in the Rose Hotel from 10 am to 2pm on Wednesday 8th May 2019.

Both Peter and Andy have many years of experience and have spoken about autism all over the world. They are highly regarded by all in the clinical psychology field but also and most importantly by autistic people and the parents and carers of autistic people. The Studio 3 approach is rooted in the recognition of stress and anxiety and the impact it can have. On the day Peter Vermeulen will give a brief explanation of autistic thinking. This is essential learning. We cannot be content with mere awareness of the fact that people are autistic but also understand more about how they think. Armed with this knowledge we can then attempt to support the autistic person with their specific set of needs.

Creating and maintaining friendships and relationships can sometimes be difficult for all of us. But for people who are autistic the anxiety they carry often prevents them from going out and socialising. The environment that's involved in the usual meeting places can be torturous for some. This is an obvious barrier to meeting people and developing friendships and relationships. Other barriers develop when the autistic person has a different understanding of sarcasm for example, or body language, social cues, boundaries and nuance. Many of the autistic people we support are lonely. A social circle of genuine friendships is unusual or rare. However, many would wish to be in a loving and caring relationship. Autistic people see their peers developing friendships and relationships and having sex. This is something that most people want in their lives. Peter Vermeulen has spoken many times on these topics and has a light and entertaining presentation. However it is a serious topic. It can be difficult for carers, parents and service providers to address what is often a taboo subject but ultimately a vital part of all of our lives.

### **POSITIVE VIBES** POSITIVE LIFE

This is a common question asked to skincare specialists - "There is SPF in my moisturiser/makeup isn't that enough? The answer is a resounding No! We are approaching a time of the year when we are dusting off the cobwebs, getting back at some form of exercise after the long winter and it's the busiest time of year in most salons/spas for facials! As a therapist and educator for the past 22 years, the best advise I can offer a client is nourish your skin in the evening and protect it with SPF by day, even in the winter months.

So, why is this the key to delaying the anti ageing process and preventing uneven skin pigmentation and obviously skin cancer? Whether the sun is out or not, our skin is attacked daily by free radicals in the atmosphere that attack our skin at cellular level as well as UVA rays (otherwise known as the ageing rays) which diminish our collagen and elastin fibers resulting in fine lines, wrinkles and uneven skin tone and we haven't even considered UVB yet which are the 'burning' rays.

In order to ensure we have a protective barrier to these skin enemies, wearing a daily SPF under your makeup will ensure the necessary amount of protection. I suggest a factor 30 in the winter months and dialing it up to 50 from now through to September. If you have a drier skin type and need an added moisturiser, apply it first followed by your SPF and then makeup. For young oilier skins an added moisturiser may not be necessary. It's also worth mentioning that as our skin replenishes itself in the evening, this is the time to purge it with hydration in the form of serums/balms etc.

So whether you relish a walk in the Demesne to wind down or a quiet cuppa in your backyard - you'll enjoy it all the more knowing your skin is protected against mother nature's UV rays! I've included some products I recommend, available locally to suit everyone from reliable household brands right through to products for those serious about their skincare

Have a great weekend everyone!

However Ballylongford Asdee fought back to a half time score of 3/5 to 1/6 to Glenflesk. The second half was a hard battle with both teams missing scoring chances. Thanks to Sean Moynihan for this superfast report!!

#### **COUNTY INTERMEDIATE CHAMPIONSHIP**

Glenflesk 2 – 15 Castleisland Desmonds 2 – 07 Glenflesk kept their hopes alive of reaching a second successive County Intermediate Final after securing an impressive win over Desmonds in their second game of the competition in Castleisland this past Sunday. It was their second victory over them in the last three weeks after beating them in the County League a fortnight ago.

The home side had lost convincingly to John Mitchells in their opening encounter so a win at home for them was essential. They scored two early goals, both coming from high balls dropped into the Glenflesk goal area. Glenflesk were not deterred by this and got

#### Sales: Des 087 659 3427 🛛 des@outlookmags.com

the scoreboard going by attacking effectively down the sides with their wing backs joining in to great effect. This gave them a seven points to two goals and one point lead after the opening quarter. Castleisland then began to get in the ascendency with them scoring three unanswered points and only a great defensive block stopping them getting another goal. Glenflesks luck was out at this point as they hit the same goal post four times in this period!! Each of these attempts came after great build up play including astute use of the long cross field pass. They then struck for a decisive goal just before half time. A long ball dropped in around thirty yards from the goal and a Glenflesk hand flicked it on as two more Glenflesk players ghosted in behind the stretched defence and the O Neills was buried to the corner of the net. This gave Glenflesk a two four to one ten half time lead.

Up to this point the referee had been anonymous. This was to change early in the second half as Glenflesk were dealt what looked like a fatal blow after having a red card followed by a black card within minutes of each other.

Having to play with thirteen against fifteen was always going to be troublesome as covering the extra space on a big pitch would take massive effort. Castleisland scored a point immediately from out the field and were trying to push on their advantage.

This is where Glenflesks football smarts kicked in as they kept the ball for long periods with no Castleisland fingers getting near it and drew frees which were converted. They won the ten minutes where they were down two men by three points to one. This gave them a one thirteen to two five lead as the match entered its dying stages.

There then followed a period of scrappy play as Castleisland struggled to break down Glenflesks rearguard. The insurance score came with eight minutes to go as Glenflesk broke quickly with two accurate foot passes leading to a one on one opportunity where the ball was beautifully rolled underneath the goalie to give Glenflesk an eight point lead.

Another fisted point was added and a courageous save from the sub goalie in injury time was enough to claim the two points.

Castleisland then exit the Championship with one game left with no wins so far. For Glenflesk, a final battle awaits with John Mitchells for one space in the last four. They will be buoyed by this second half display of guts and strategy that secured victory.

Thanks to Michael Healy for this report. Our next game in Intermediate is next Sunday 14th April v John Mitchels in Glenflesk at 2.30 thanks for your support and we need you all again on Sunday.

#### SENIOR FOOTBALL KERRY PETROLEUM CLUB CHAMPIONSHIP

#### Kilcummin 0-15 Kenmare 1-13

Played in Lewis Rd we suffered our first Kerry club championship defeat since October 2017. However we can take considerable solace in our performance despite being absent some key players. We now play Austin Stacks this weekend who overcame Dingle in our other group game.

Playing against the wind in the first half we lead by 0-10 to 0-7 at the break but in the second half we were caught at the death by a Sean O Shea punched effort which deprived us of a deserved draw at the very least.

Well done to the lads who gave a very creditable team performance and despite losing, the supporters went home appreciative of their efforts. Kilcummin best on the day were Donal Maher, Sean O Leary, Matt Keane and Gary O Leary.

Team: Brendan Kealy, Sean Brosnan, Donal Maher Dan Moynihan, Sean O Leary,(0-2)Philip Casey,(0-1) William Maher, Kevin Gorman, Chris O Leary, Shane McSweeney,(0-1) Gary O Leary, (0-2)Matt Keane, (0-3)John McCarthy, (0-1) Noel Duggan,(0-4) Oscar O Connor. Subs used Paul O Shea (0-1) Enda O Sullivan, James Nagle.

The weather was idea for race walking a balmy 15 degrees and no winds.

### KILLARNEY SWIMMING CLUB NOTES

Congratulations to all our swimmers who took part in the Regional Long-Course Qualifying Meet in Limerick at the weekend. Some great PB's achieved against the finest swimmers from Munster and Connaught.

Well done to Niamh Coffey who, swimming in possibly her last gala for Killarney Swimming Club, won a fantastic bronze in the 100 butterfly. Also swimming in what could be her last gala was Imogen O'Connor who decided to go out with a splash and knocked seconds off her PB's in all events.

Paudie O'Leary was on absolute fire on Sunday and, on just his second time swimming longcourse, broke the one-minute barrier in the 100 freestyle. This is a first for the club and a huge achievement from one of our talented, up-andcoming young swimmers.

Thanks to our coach for the weekend, Cathal O'Brien, whose guidance, as always, was invaluable. Thanks also to all parents for travelling but, in particular, those who took part in officials duties - Deirdre O'Connor, Samantha O'Connor, Anita O'Dowd, Deirdre O'Doherty and Mike Hickey.

#### **DR CROKES CLUB NOTES**

**COUNTY CLUB CHAMPIONSHIP - ROUND 1** Played in Fitzgerald Stadium on Sunday 7th of April

#### DR CROKES 1-14 LEGION 0-16

In a game which could have gone either way as we went into the last few minutes we got over the line by scoring the last two points of the game for a one point win. Legion did have a great chance of a goal a few minutes before our equaliser and winner but we somehow managed to scramble the ball away. We have been managing to win close games over the last few years and that good habit and will to win carried us over the line once again last Sunday. There was very little between the teams throughout the game and we were happy to hear the full time whistle and collect two points.

Aided by the strong wind our opponents raced into an 0-4 to 0-1 lead at the end of the first quarter. Legion did kick some very good points for this lead but we were gulity of a number of bad wides. The teams exchanged points at the start of the second quarter. We had a crucial score in the 22nd minute, a goal by Michael Potts after a great run from inside his own half. This goal left the scores level, 1-2 to 0-5. The teams exchanged points in the next few minutes but we outscored our opponents by three points to one to give us a half time lead of 1-6 to 0-7.

The teams exchanged points on four occassions in the third quarter. We were unable to extend our two point lead as Legion answered our score of two points on two occassions in the next ten minutes. When Legion hit three points without reply to go a point in front there was no doubt but that were in trouble, we somehow went down the field for two points to win by the bare minimum. Around this period we had also somehow managed to keep the ball out of our net with a scrambled save.

Nobody knows better than our Management that this display will not win us the competition. We however will hope that we will improve after this tough competitive game against Legion. We were guilty of allowing our opponents to win nearly all their short kick outs.

### U16 EAST KERRY LEAGUE:

**DR.CROKES V BEAUFORT** 

On Wednesday evening (3/4/2019) at 6.30 in Fitzgerald's Stadium our boys U16 team started off their East kerry League campaign with a well earned and convincing win over neighboring team Beaufort.

Playing into a stiff wind in the first half, our start was at times sluggish and slow.Beaufort began well and quickly raced into a two point lead.It took us time to settle but when we did we began to put a succession of scores on the board through a mixture of good individual and team work.As the first half wore on we began to take more control of the game and went in at half time comfortably ahead on a scoreline of 3-5 to 0-4.

We began the second half really well and aided by a strong wind we put together a number of important scores.Beaufort rallied from time to time throughout the half greatly helped by two well taken goals.However as time went on we began to take full control and with a further succession of well taken scores we finished out the game on a scoreline of 8-13 to 2-7.

Overall, the game was a very positive start for our U16 team. The older and younger players worked well together displaying at times excellent individual skill, good combined team work and executing some lovely scores. Well done Lads!!

Our next game is against Fossa on Monday evening 8th of April at 7 p/m in Lewis Rd. SENIOR HURLERS

Dr Crokes Senior Hurlers played Kilbrin at Lewis Rd on Sunday morning 07-Apr in Rd 2 of the Duhallow JAHL.

We started strongly with Michael Lenihan finding the net from a free inside the opening 2 minutes. This was followed by a point from Aaron Murphy which resulted in us leading by 3 points in the opening minutes. Kilbrin were level by the 8th minute with 3 unanswered points. In the 2nd quarter our defenders worked hard and turned over a lot of possession which allowed us to go into a 2 point lead on the 23rd min with points from play by Seanie Burchill, Mike McCarthy, and 3 more from placed balls.

A goal and point in succession from Kilbrin in the 24th minute undid a lot of the hard work, however with Aaron Murphy and Shane Lyne making life difficult for Kilbrin at centre field we clawed our way back into the game at 1:09 a piece in the 28th minute. Points coming from Rob Ryan and Mike McCarthy. A lapse of concentration in the full back line left Kilbrin in for a Goal on the stroke of half time, leaving it at 1:09 to 2:10 at the break.

Two Early Crokes points from Mike McCarthy reduced the lead to 2, however 2 quick Goals for Kilbrin, one from the penalty spot left us with a mountain to climb. We battled hard for the remainder of the game and maintained the deficit to 10 with the help of a Goal from Joe Enright and points from Rob Ryan. Final score; Crokes 2-16, Kilbrin 4:20.

Big improvement in performance from last week and plenty to be happy with but a lot of work to do to enable us reach our full potential.

#### KERRY COUNTY CLEAN UP

The eighth annual County Clean Up will take place this Saturday, 13 April meeting at Dr Crokes Club grounds and setting off at 11am to 1pm and a call has gone to individuals, clubs and communities across the county to take part and help make the county spick and span.

Last year, some 5,500 volunteers were out and about on the day with the support of Kerry County Council and KWD Recycling as well as local organisations like Kerry GAA, Kerry IFA and Kerry ICMSA.

Colm 'The Gooch' Cooper will again be lending a hand this year and is helping to promote the initiative.

The clean up day has grown in numbers year after year.

As a county we are very reliant on our reputation for a clean and litter-free environment and everyone has a role to play. A record 5,500 volunteers took part in the Kerry County Clean Up in April 2018 which saw 8,000 bags of litter collected, the highest ever tally.

KWD Recycling will again provide clean up packs to clubs which register on www. countycleanup.com and collection points will be designated around the county to ensure that all litter gathered is disposed of. **LOTTO**

## LEGION GAA NOTES

Club Championship Rd 2 Killarney Legion v Kerins O Rahilly's Sunday 14th @2:30pm Senior Club Championship - Rd 1 Dr. Crokes 1-14

Legion 0-16

Legion should be well pleased with this effort despite losing to their neighbours Dr. Crokes by a single point. Legion took the game to their rivals with some fine points from Conor Keane and the on form James O'Donoghue and were 4 points to 1, with 11 minutes gone on the clock. However, Crokes struck for a goal, against the run of play, on the 16 minute mark to leave the scores level 1-02 to 0-05. Crokes pressed on to lead going in at half-time 1-06 to 0-07. Legion started the second half well and pressed the Crokes to be one point adrift 1-10 to 0-12. With some fantastic defensive play led by the very impressive Brian Kelly on the goal line Legion were going into the final quarter well in contention. Both teams traded points with substitute Tom Moriaty (great to have him

#### Sales: Des 087 659 3427 🛛 🗹 des@outlookmags.com

back) adding some valuable points from play which left us heading for the final whistle level, in what a was a very exciting game. This was the turning point of the game when Legion missed two goal opportunities with one hitting the upright and deflecting out. For their part the Crokes converted a late free to give them the victory in the four minutes added for injury time. Legion put on a great display from all over the field, disappointing not to come away with something from this one.

#### U-16 EK League Match Report

Killarney Legion 6-17 Currow 1-3 Our U16's played their first game in the East Kerry league tonight against Currow. A great start to the campaign with some great football on show. Well done to the management and lads.

U-14 Boys County League

Firies 5-13

#### Killarney Legion 2-07

A disappointing night for our under 14 boys as they began their county league campaign away to Firies. Although we started to play some good football in the latter stages of the first half the damage had already been done. We kicked too many wides in the second half to close the gap and Firies worked harder as a team and physically out muscled us. Credit to their no.14 who was head and shoulders above everyone else on the field.

U-12 Legion Girls V Spa

Our u12 girls got back to winning ways last night in a wet cold wintery Direen. We welcomed our neighbors Spa for our latest co league preliminary game. On a bitterly cold evening (with the odd hail shower) our girls proved too strong for a younger Spa side from the off. Great credit to both Spa and Legion girls for braving what can only be described as miserable conditions. Once again our full panel (20) got game time and ran out comfortable winners in the end. Great stuff girls keep up the hard work.

#### **MOTHERS & OTHERS**

Mothers & Others starting back on the pitch @7:30pm every Wednesday night at Direen. All welcome.

#### JUVENILE ACADEMY

Killarney Legion was a hive of activity on Saturday morning as we welcomed Austin Stacks Gaa Juveniles to Direen. #### SPA GAA CLUB

U12 Co League Rd 1 Spa v Castleisland Desmonds.Our 2019 season got off to a fantastic start with a fine win away to Castleisland Desmonds. Our boys put on a fine display of skills & kicking ability & raced into an early lead scoring 4 points either side of a goal without reply in the opening 10 mins. Aided by a nice spring breeze & the traveling support, the boys finished the first half with a flurry of points and a commanding lead. Castleisland worked hard to try and get back into the game, but it just wasn't their night. A couple of 2nd half goals by our boys gave us a comfortable margin in the end.

#### **MINOR FOOTBALL**

Farranfore.

Firies beat a Knock/Brosna/ Duagh combination on Friday evening with a final score of 3-16 to 4-06. This now leaves Firies on top of the table and into the semi-final with all their games played. There is a number of back games in this division and the table standing will become clearer over the next week as these back games are due to be played.

#### JUNIOR PREMIER CLUB CHAMPIONSHIP:

Firies played a much-fancied Na Gaeil side on Sunday in Austin Stack Park in the 1st round of theJunior Premier Club Championship. Na Gaeil showed the difference between Division 1 and Division 3 of County league football as the ran out winners on a score line of 1-17 to 0-06.

Na Gaeil began very strongly and too advantage of the strong breeze to build up a good lead despite losing wing back Eoin Walsh to injury after 2 minutes. It was the 20th minute before Firies scored their first point, a free from William Courtney. It was now 1-03 to 0-1. Firies added two further points in as many minutes, with a point from play from Donnacha and the other a punched effort from Mike Daly. In the 26th minute firies had a great opportunity of a goal with a free from Donnacha dropping short and was punched back into play by De Brun but cleared by Na Gaeil. Firies were finding it difficult to get good ball into the forwards as Na Gaeil were tackling hard and putting a lot of pressure on the kickers. Na Gaeil scored a further 3 points before the short whistle. Firies replied with a point from a free from Donnacha. Firies made two subs just before have time, with Diarmuid O Mahoney and Darragh Donohue coming in for Liam Brosnan and Pat Daly. Half Time score 1-06 to 0-04.

Na Gaeil started the second half just as they finished with a well worked point straight from the throw in. Firies were denied a goal in the 3rd minute with a great shot from William Courtney saved by the Na Gaeil Keeper Timmy Culloty. William scored the resulting 45m kick. Firies were to score their next and what turned out to be their last point in the 40th minute, a free from Donnacha. The score was now 1-11 to 0-06. Na Gaeil scored another 7 points in the final 20 minutes, to leave the final score 1-17 to 0-06. Firies made afew changes during the final 20 minutes, with young players Cathal O Shea, Shane Burke and Evan Cosgrove all getting involved. Next up for Firies is the round 2 game against Ballymac next weekend.

Beaufort travelled to John Mitchels on Sunday 7th April in what proved to be a very difficult second round of the County Intermediate Championship. Beaufort were against a strong breeze in the first half, and found it very difficult to find the posts, going down 0-5 to 0-0 until a point from Fergal Hallissey in the 18th minute put Beaufort's first score on the board. A point from Ronan Murphy left the half time score John Mitchels 0-11 Beaufort 0-2. The second half saw John Mitchels dominate possession, with some great scores from play against the wind. Beaufort added points from Ronan Murphy and Kevin O'Brien, along with a goal from Mike Breen and a free from Fergal, but it was John Mitchels that emerged victorious on a final scoreline of 0-17 to 1-5.

#### JUVENILE HURLING TEAMS GET THEIR SEASONS UNDERWAY

U12 County Hurling League Division 2

The Dr. Crokes/St. Pat's U12 Hurling Team made a winning start to the County League with a win against a competitive Kenmare/ Kilgarvan (B) side on 29th March on a final score of 7-08 to 3-02. Continuing their winning ways, they put in another great performance against Rathmore on Friday last. Great displays from keeper Kieran Moloney, denying Rathmore any goals, and an exhibition in hurling from Adam Byrne inmid-field maintained our strong start to this season. Rathmore took to the game to South Kerry, giving their all until the final whistle in what was a veryentertaining game. Final score: 4-06 to 0-06. Next game is against Firies on Friday, 12th April in Kilcummin GAA at 7:00pm.

#### U14 COUNTY HURLING LEAGUE DIVISION 2

The South Kerry U14 Hurling Team, consisting of hurlers from Dr. Crokes, Rathmore and St. Pat's, opened their County League campaign with a great display against Ballyheigue last weekend. Matthew Fogarty displayed great confidence and skill in the attack, finishing the game with a tally of 2-03. Further mentions to Sean Finnegan minding the net and a solid team effort from the entire defence. We were also delighted to have anumber of substitutes who all got an opportunity to contribute to the winning start. Final score: 2-09 to 1-04. Next game is away to Abbeydorney on Saturday, 13th April at 5:00pm.

#### **U16 COUNTY HURLING LEAGUE DIVISION 2**

The South Kerry U16 Hurling Team, again consisting of hurlers from Dr. Crokes, Rathmore and St. Pat's, kicked off their County League with a great battle against Crotta O'Neills on 28th March. It was Crotta's accuracy from play that ensure the win on a scoreline of 7-10 to 8-02. In Round 2, we face Abbeydorney at home in Rathmore. After a

great start which saw us leading by 2 points, Abbeydorney settled and showed their skill and team spirit with a comprehensive victory on a scoreline of 4-11 to 0-06. #### MILLTOWN /CASTLEMAINE GAA cycleformichael

2018 saw the club lose former player Mike Dennehy after a short illness. The rapidity of his death caused shock and sadness in the area and beyond.

Mike was an avid cyclist and completed the Ring of Kerry Charity cycle on many occasions. This year's event is on Saturday 6th July and a number of his friends are organising a group "Cycleformichael" to do the ROK in his memory. After consultations with Mike's family, they have decided to register for the nominated charity "Breakthrough Cancer Research".

Breakthrough Cancer Research is an Irish charity focused on research to develop new treatments for cancers that currently cannot be cured.We hope to make this a special day and would appeal to people in the area who are thinking of doing the ROK and haven't already registered, to join us by registering for Breakthrough Cancer Research charity. Even if you are not partaking but know a relative or friend that is, please ask them to join us on our journey.

We are also, in conjunction with the charity, designing a special cycling jersey to mark the occasion. All proceeds of jerseys sales will go to the charity.

If any business in the area would like to put their name or logo on the jersey please contact Sean Costello (087/7936549) or Mike Carroll (087/2256548).

If you would like to be added to the group please contact either Sean or Mike and they will keep you updated on all matters. The countdown has begun, get cycling!! We've hit the halfway mark-woo hoo!

On Monday, the GAA issued a rallying call to every one of its 2,000 clubs dotted throughout Ireland and the globe as part of the unveiling of the new GAA Manifesto which is an affirmation of the GAA's mission, vision and shared values, as well as a celebration of the people who make our Association what it is. The new manifesto is centered around the statement: 'GAA - Where We All Belong' / CLG – Tá Áit Duinn Uilig Ann' and it is intended that this banner will be proudly displayed across the GAA network and wherever Gaelic Games are played. ### OUTLOOK SOCCER

Quills Woollen Mills 14 Premier Killarney Celtic 1-2 Mastergeeha 14's Division 1 Killarney Athletic 2-2 MEK

League of Ireland:

Both Kerry sides took on Limerick in the latest round of the underage League of Ireland. Indeed all four Kerry sides played the same opposition.

The 13's went down at Mounthawk Park conceding goals mid-way through the first half and then just before the half ended. They needed a good start to the second half but were caught with a sucker punch. Andrew Kerins pulled one back for Kerry but Limerick finished the stronger for their third win in 4 games. Kerry will be at home to Galway United next Saturday in Mounthawk Park as part of a double header with the 15's.

And the 15's brought the point's home form their trip to Limerick to chalk up their third win in a row. Goals from the on-fire Cianan Cooney 2, Tom Whittleton, Roco Reujvecan and Sean Hill had Kerry in front all game and they led 3-2 at the break. Kerry are now only one point off top spot behind Athlone but have a game in hand. Park's great run ends in National Cup Last 4:

St Brendan's Park have enjoyed a great run to the Last 4 of the Skechers 15's SFAI National Cup but it ended there with a 3-1 loss to Stella Maris at Christy Leahy Park. The Park deserves great credit as a number of the players who started out in this campaign have moved up to the League of Ireland level, But the 14's players who came in certainly proved well up to the task.

Stella Maris started the stronger but the Park were defending well and played their way into the game. They had the first chance when Tigor Silong got on the end of a Nathan Rogers corner but his header was easily saved by Marius Perin.

And the home side were desperately unlucky not to take the lead in the 19th minute. From keeper Dimitri Dimitrov's long ball Sean O'Connor volleyed the ball from inside the box but it hit the underside of the crossbar and bounced out.

And they were made pay in the 23rd minute. After the keeper made a great save the ball eventually found their way to Lougi Sallo whose pin point cross picked out Cian Hannafin on his own at the back post to put the Dublin side 1-0 up.

However The Park were level in the 26th minute when a Kieran O'Connor free kick from distance went all the way to the Stella Maris net. The Tralee boys needed O'Connor to make two interventions – a tackle and a clearance off the line to keep the score at 1-1 at the break.

The next goal was vital and Stella Maris had the wind. But the Park will be disappointed to give away a penalty in the 68th minute. Graham Keoghan made no mistake from the spot despite keeper Ritchie Healy, who came on for Dimitrov who injured his hand, getting his hand on the ball. The Park pushed hard for an equaliser but were caught in the last minute of the game when Evan Harte headed home.

## ATHLETIC PROGRESS AFTER EXTRA TIME IN 12'S CUP:

In the John Murphy 12's Cup it took extra time to separate Killorglin and Killarney Athletic with the away side winning 4-3. Robert Bagget, Aaron Doyle and Adam O'Neill got the goals for Killorglin. Luke Doolin, Brian O'Shea and Ronan Bennett replied for Athletic. And it was Liam Hennigan who got the winner in extra time for Athletic.

Athletic and Castleisland progress in the 13's Cup: Goals from Jack Joy, Eoghan Shire and David Healy were enough for Castleisland to progress in the John Joe Naughton 13's Cup 4-2. The game was level at 2-2 at the break.

Killarney Athletic hit three late goals in their win over Killarney Celtic. The game was scoreless until 5 minutes to go when Oisin Lynch opened the scoring. Mathew Moynihan added another from the kick-off and then added a second very late in the game.

## GREAT DAY FOR DINGLE BAY IN THE 13'S SHIELD:

The first round of the John Joe Naughton 13's Shield proved to be a great day for Dingle Bay. The A's won 6-1 away to Mastergeeha with their goals coming from Cian O'Cinneide, Max Kennedy, Sean Roche, Danny Kavanagh, Joe Linnane and Conor Corduff. Mathew Kennedy replied for the home side.

And the B's made it two from two as they won a home to Fenit 3-2. Padraig Manning got 2 with Kieran Moran getting one and they also had Oisin Dowd in great form in goals. Aaron Harty got both goals for Fenit.

Killarney Celtic B are through 3-0 over MEK while the Park B are also into the hat for the next round. They were 4-2 winners over Camp Juniors after extra time. Cian Galvin Smith and Diarmuid Waugh got the goals for Camp in normal time.

Goals from Jack Tagney, Liam Horgan, Emmett Spillane, Cian O'Connor, Caolan O'Shea and Kieran Nagle saw Mastergeeha A progressing. Michael Byrne got both goals for Killorglin C who tried hard all game.

#### 5 STAR DISPLAY FROM PETER PUT BALLYHAR THROUGH IN 16'S CUP

Peter Cosgrave had a day to remember for Ballyhar as he hit 5 of their 6 goals in the Tucker Kelly 16's Cup Last 8 clash with Listowel Celtic. Brian Bourke got the other goal as Ballyhar are now into the semi-finals. The Listowel Celtic goals came from Dylan Quinn and an own goal.

Girls Cups get underway:

In the Girls 14's Cup Killarney Celtic moved into Round 2 with a 6-0 win over Castleisland. The Celtic goals came from Elizabeth Coffey and Katie Doe who both scored twice with Fiana Bradley and Ava O'Neill both getting one each.

But the big story of the day was the winning debut of Dingle Bay Rovers Girls on penalties over Fenit. The game was scoreless after normal and extra time.

From the spot Dingle Bay's Aoife Kennedy, Emma O'Connor, Emily Ni Gearailt, Beth Bambury and Meadhbh Nic an Ultaigh were all successful with keeper Beibhinn Sheehy pulling off two great saves.

Fenit played their part in a great game and will count themselves unlucky to go out on penalties. Clare O'Dowd and Lucy Murphy were Fenit's best players on the day.

In the Girl's 16's Cup Fenit did progress after they saw off The Park in Tralee 2-0 thanks to goals from Lily Nowak and Saoirse O'Donovan. League Action:

For Iveragh United Vitte Paulauskine and Katie Foster were on the mark. A Jessica Leggatte hat trick gave Killarney Celtic Green the points in 12's Division 1A. Her hat trick was just enough to get past MEK who had goals from Keeva Riordan and Izzy McGrath.

Mastergeeha just one point off top spot in 14 Premier

Mastergeeha 's win over Killarney Celtic has seen them move onto 18 points and just one off leaders Iveragh United but do have one more game played.

#### **UNDER 13 CUP QUARTER FINAL**

Killarney Athletic 3 Killarney Celtic0

The score line doesn't reflect how competitive this game was as it was 0-0 with 10 minutes remaining, having said that anything other than a victory for us would be an injustice as we dominated throughout the park for all but 10 minutes of the second half. We started the game on the front foot and had some chances in the first-half but things just weren't falling our way

at the start of the second half Celtic began to get on top but in fairness to the guys that came off the bench they turned it around at with 7 minutes remaining a great move down the left wing saw Oisin Lynch with a great finish, 1-0. Celtic pushed on trying for the equaliser but it was our lads that again showed great fight and after Oran O'Neill won the ball in midfield Matthew Moynihan pounced for a superb finish 2-0. Practically straight from the kick off an excellent through ball by Brian O'Shea saw Matthew with another superb finish 3-0. Overall a great performance by all 15 lads but Oran O'Neil and Thomas Healy deserve special mention for 2 superb displays.

#### UNDER 12 CUP

Killorglin 3 Killarney Athletic 4 After Extra Time Our young Blues made the short trip to Killorglin in what turned out to be a cracking Cup tie. With only ten players available at 9 aside, we had only one sub, the players deserve great credit to get the result. With the Teams tied at 3-3 at full time with goals from Ronan Bennett, Luke Doolan and Liam Hennigan. Another 20 mins of extra time had to be played to separate the sides. The winner came from an excellent strike by Brian O' Shea in the second half of extra time. Man of the Match was Liam Hennigan. Both teams left everything on the pitch and credit must be given to Killorglin who pushed us all the way. We thank Killorglin for a great sporting match and look forward to many more battles in the future, All players from both Teams played their part in a great match! Well done everyone.

**D**<sup>r.</sup> Crokes footballers Gavin White, Kieran O'Leary and Tony Brosnan have been named in the top 30 footballers at the second annual AIB GAA Club Player Awards took place in Croke Park on Saturday night.

The top 30 performing hurlers and footballers in the country were honoured for their individual performances that lit up the 2018/2019 club championships.

Dr. Crokes received three AIB GAA Club Player Awards, which is a testament to both their clubs and the community that supported the club and players throughout the year.

White, only 22 years old, has shown not only his defensive prowess but his ability to bomb forward, at top speed, to contribute to attack. O'Leary's experience and leadership were key to Dr. Crokes, as he led by example in his opportunistic 2-2 against Moyle Rover, and his 0-4 from play in the All-Ireland semi-final. Former Kerry minor star, Brosnan finished his provincial and All-Ireland campaign with 30 points and led his team during the All-Ireland semi-final, notching up 0-6 with four points from play.

## Know Your Rights:

#### QUESTION

We are a family planning to move from Ireland to live in Italy. Will Italian authorities accept our Irish birth certificates?

#### **ANSWER**

When you are abroad, you may need to use Irish documents, for example, a birth certificate, either for personal or business reasons. Governments and organisations sometimes require that public documents issued in other countries be authenticated or apostilled and translated before they can be accepted. Authenticating a document means verifying that a signature, seal or stamp on a document is genuine. An apostille stamp is an international certification.

Since 16 February 2019, EU citizens moving to another EU country no longer need to get an apostille stamp to prove that their public documents are authentic. This means that public documents such as birth, death, marriage and civil partnership certificates issued in Ireland by the General Register Office (GRO) and the Certificate of Freedom to Marry issued by the Department of Foreign Affairs and Trade are accepted by authorities in other EU member states as authentic.

The EU Regulation also removes the obligation for citizens to provide a translation of their public document. If the public document is not in one of the official languages of the EU country requesting the document, citizens can ask for a Multilingual Standard Form, available in all EU languages, from the authorities of the EU country which issued the public document. Multilingual Standard Forms are now available on request from the GRO for birth, death, marriage, adoption and civil partnership certificates. For more information, visit gro.ie.

## HISTORIC DAY ENDS WITH A NARROW DEFEAT FOR RATHMORE SCHOOLBOYS!

BY DANNY O CALLAGHAN AND MEGAN MC CARTHY

A historic day began well for our local school boy heroes when they took the lead early through 2 free by Cathal Ryan and David Dineen. Our boys showed massive heart and determination and went in at the break up three points. It was a tough physical battle throughout the first half with Roscommon CBS always looking dangerous, but thanks to some unbelievable defending from Kerry Minors Alan Dineen and Owen Fitzgerald, we managed to keep them, out.

Onto the second half end disaster struck! 1:30 seconds gone and its back level pegging. Both sides fought tooth &nail but Roscommon were

stronger. Rathmore were under severe pressure and suddenly found themselves down 6 points. It was time for the Rathmore men to stand up and be counted and our boys rose up to the occasion. The comeback led by Darragh Rahilly had begun and an-iconic goal by Aaron Cronin brought it back to 2 points.

A brace of frees levelled it until R.CBS scored a questionable free after a soft call. The Rathmore men called again and drew level after Dineen hit a free over the bar, but their efforts were no good as heartbreak ensued when Roscommon full forward scored a last second point. Heartbreak - but the Rathmore school boys can

hold their heads-up. Some star plays were not enough to bring the Paddy Drummond Cup to Kerry. Congratulations and commiserations to the 2018/2019 team. They did themselves, their school and families proud! There is great appreciation for the dedicated leadership from long-serving football - loving teacher Pat Brosnan and coaches Dave McCarthy and William O' Connor.

However, football is well in spsl, Rathmore as the U16 AND ½ boys will contest the Munster junior post-primary final on Friday 12th April, whilst the 1 st year boys beat 'the green' and will hopefully triumph in their final. Best of luck.

# Comprehensive victory for Killarney side

Killarney U16s returned to local competition and recorded a comprehensive victory against a committed Killorglin side. Killarney raced out of the traps and Tomas Clifford scorched over twice in the first few minutes running from deep and burning off the tackles.

To their credit Killorglin dug deep and after some super forward surges crossed in the corner for 5. After 20 Mins Killarneys John McCarthy gathered in the lineout and after a driving maul was eventually stalled Brendy O Donoghue broke away and made the line. Killorglin again responded and just before half time crossed again in the left corner. The half time score was 19 to 12 in favour of Killarney after a tough, highly combative and evenly contested 30 mins.

Killarney took the half time break to regroup and refocus. Once Killarney began to avoid one up collisions and move ball through hands the score board began to tick over. Impressive continuity and support play resulted in Ozdenis Koyun, Padraig Talbot and John McCarthy crossing for tries as the half progressed. Killorglin showed great resolve and pressed hard for their own score however a turnover as they looked sure to score resulted in Killarnev racing the length of the field and supporting Tomas Clifford touched down and completed his hattrick. Donnchadh Grealy booted his sixth conversion of the day. The final score did not reflect the competitiveness or intensity of the game and well done to the hosts who fought for every inch. The final will take place in Tralee against Castleisland next Saturday at 4 O clock.

The team on, the day were, Forwards Adam Cronin, Brendy O Donoghue, Rob Nealon, Mike O Donoghue, Shane McAllister, Darren Cronin, Cormac Rowe, and John McCarthy. Backs were Liam Randles, Donnchadh Grealy, Ozdenis Koyun, Padraig Talbot, Tomas Clifford, Dan Twomey and Jack Kenneally.

## Killarney cyclist gets international call-up

Killarney cyclist, Conor Kissane, has been named on an Irish team to contest the Kerry Group Rás Mumhan over the Easter Bank Holiday weekend.

Kissane, who is just 22 and from Barleymount, is an emerging talent and the international call-up is due recognition of his steady progress.

Three years ago, in 2017, he was a Category 2 rider in Rás Mumhan and wore the Blue Jersey for leading that category. Last year he was a full Category 1 rider and won the mountain's polka-dot jersey on the opening Sliabh Luachra stage.

He went on to give an impressive Rás Tailteann performance in May, scooping up mountains points on the Moll's Gap stage. He also won the Kerry County Championship, came second in the National Hill-Climbing Championships and got placing in many road-races.

Kissane's first Irish championship medal came in January this year when he was one of the Killarney Cycling Club team which won the Irish Cyclocross Championship. He hit the cycling headlines again in March by the first road-race of the season, the Lacy Cup in Tralee. Kissane is sure to get tremendous local support, even though he will be missed by his Killarney Club which gave an impressive performance in last year's event: along with Kissane, Marcus Tracy and Patrick Clifford also made the podium for leading the Category 2 classification. This year's Killarney team comprises of John Brosnan, Neil Hodges, Paidi O'Brien, Jack Caldwell and Andy McGuire, and it is managed by John Crowlye with support from Marcus Tracey, Brendan Slattery, Joe O'Shea, Richie Hodges, Lorraine Lucy and Denis O'Shea.

## MEMORIALS | NOVENAS

Welcome back dear reader "Whoever conceals their sins does not prosper, but the one who confesses and renounces them finds mercy" (Proverbs 28:13). Hidden sin is a massive blockage to receiving answers to prayer, and to success and peace. Often it's something that we are not even aware of - long forgotten from years ago. Un-confessed sin has physical and emotional repercussions as David pointed out in Psalm 32:3 "When I refused to confess my sin, my body wasted away and I groaned all day long" (NLT). The devil has access to one's life as a result of sin and can bring torment, sickness and disaster upon that person with whom he has something in common with. This is why the demons spoke from the people Jesus healed "what have we got in common with You?" (Luke 4:34; Luke 8:28) They had to leave at the Word of Jesus because He had authority over them as He had nothing in common with sin. He never sinned, so He became the sacrifice for each one of us - He took our sins and iniquities (violations done against people, and the sins of forefathers) and He paid the penalty due for sin which is death (Romans 6:15-23). One of the greatest delusions people can have is 'if no-one sees what's going on then I'm ok'. This is a lie from the pits friend, because God knows and sees everything and we will give Him an account for every idle word we have spoken, and face eternity in hell if sin remains and is not renounced (Matthew 12:36; John 3:18-21). Betrayal in marriage is on the increase as people think they are getting away with living how they want to, with no thought of the consequences. The devil lures people into violating their own marriage covenant which brings curse upon themselves and their children. The devil comes to steal, kill and destroy and that is exactly what's happening right now. Adultery and fornication are rampant in our society and are accepted as nothing important, but society breaks down where marriage is degraded. Sexual sin is an abomination to God - read it yourself in Romans chapter 1. There is judgement promised for it. God is so merciful and gives people time to repent, but no-one knows the day or the hour when the thief comes (Matthew 24:36-44). Just like in the days of Noah. See more on wordofvictory.net

Emotional Intelligence (EI) refers to the way in which we manage, perceive, understand and control emotions and relationships — both our own and others. Research has shown that EI is very Important in our life — and for many people it is more important for success than general intelligence (IQ). Four different factors have been identified in EI and these include:

 The ability to perceive emotions....in order to understand emotions, we have to first perceive them accurately. This might mean understanding non-verbal cues such as body language and/or facial expressions.

Reasoning with emotions.... Emotions help us to prioritise what we pay attention to and what we respond to.

 Understanding emotions..... If someone is expressing emotion, we must interpret what it might mean – emotions can have a wide variety of meaning.

4. Managing emotions..... Being able to manage our emotions, regulate our emotions and respond to the emotions of others effectively is the key to El.

In order to recognise an emotion 'as it happens 'for us, it is important to develop self-awareness. This involves tuning into our feelings, recognising what they are and the effect they have on us. Self-regulation is also important in helping us to better understand, empathise and negotiate with other people. The ability to recognise how other people feel is important for success. Being able to read other's signals and respond appropriately is key. The better we are at discerning the feelings behind another person's behaviour, the more skilled we become at communicating with them.

The good news is that El can be learned and developed. Strategies to work on our El include:

 Observe: How do you react to others.... Do you rush in to judge before you know all the facts? Do you stereotype people? Take a closer look at how you are interacting with people and try putting yourself in their shoes.

 Put the focus on others.... Give others a chance to shinewithout worrying about getting attention for your accomplishments.

 Examine how you respond to stress...... Do you get upset, blame others or get angry when in difficult situations. The ability to stay calm and in control when things go wrong is key to success.

Take responsibility...... If you make a mistake, apologise.

Know how your actions will affect others.

THE MIRACLE

PRAYER

IN LOVING MEMORY OF

MARY O' DONOGHUE (NEE O' DONNELL)

LATE OF WOODLAWN PARK, KILLARNEY & ATHASSEL ABBEY, GOLDEN, CO TIPPERARY WHO DIED ON April 13th 2016

A bouquet of beautiful memories, Sprayed with a million tears, Wishing God could have spared you, If just for a few more years. It does not take a special day. For us to think of vou. Each mass we hear, each prayer we say, Is offered up to vou. We cannot bring the old days back. When we were all together. The family chain is broken now, But memories live forever. May she rest in peace, dear Jesus, In Thy Heavenly home above, With the Sacred Heart of Jesus, In His own eternal love. Along the road to yesterday, That leads us straight to you, Are memories of happy days, Together we once knew. A silent arief that's in our hearts. No human eye can trace, For many a broken heart is hid, Beneath a smiling face.
