FUNDRAISING WALK FOR KERRY MOUNTAIN RESCUE TEAM

An 8km charity walk in aid of the Kerry Mountain Rescue Team (KMRT), is being organised by friends of Killarney man, James Cahill, who was brought to safety after being seriously injured on Carrantuohill, last July last year. The walk takes place on Saturday June 10th, 2017, Departing from Muckross Garden Restaurant, Muckross, Killarney. Registration is from 10am-11am. Donations will be welcomed on the day. A link to the gofundme, on line donation is: https://www.gofundme.com/walk-with-james-cahill-for-kmrt?pc=fb_co_shareflow_w Father-of-two James Cahill, Ballycasheen, Killarney, is still recovering from his injuries.

He had initially been paralysed from the shoulder down as a result of damaged vertebrae in his neck. But, following long months of medical treatment and difficult rehabilitation, is making good progress and walking again with assistance.

James had been hillwalking with his friend, Cllr John Joe Culloty, on the morning of Sunday July 10, 2016, when he slipped, lost control and fell 40ft over a ledge. He sustained extensive injuries to his face, which required 100 stitches,

and right side of his body.

The pair had been descending from Carrantuohill and the accident occurred at a location known as the Zig Zags (Bothar na Gíge), above the Hag's Glen.

Conditions on the mountain were poor, with heavy rain and strong winds throughout the day. After treating James for his injuries at the scene, KMRT members lowered him by stretcher to Ard na Locha from where he was transferred to Kerry University Hospital by Rescue 115 Coastguard helicopter. A total of 15 KMRT personnel were involved in the call-out and it was the third serious incident on this descent route in as many months.

"Basically, I owe my life to the rescue team. Only for them, I might not have survived. I was suffering from hypothermia at the time. I couldn't say enough about the rescue team and the helicopter crew," said James, who is continuing to recover at home in Killarney.

James, who was unconscious after the fall, has hardly any memory of the incident. He underwent surgery at the Mater Hospital, Dublin, and afterwards spent four months at the National Rehabilitation Centre, Dun

Laoire, which he described as the "toughest ever".

The determined HSE official, who came out of hospital in a wheelchair, but has not used it, also thanked all those who have been treating him.

"I'm walking with difficulty and the challenge is to improve on that. I must start learning to do everything again. I'm doing physical and occupational therapy and hydrotherapy and my aim is to get back as close as possible to

where I was before the accident," he said.

His wife, Carmel, has been a constant source of help and inspiration and he links her when walking.

People can also donate directly to a designated Walk with James Cahill A/C set up in AIB 26 Main St Killarney, Kerry.

RETENTION AND EXTENSION OF NATIONAL PARK

PHOTO BY MARIE CARROLL-O'SULLIVAN

The retention of the existing Killarney National Park Biosphere Reserve and an extension to new areas surrounding the existing reserve is to be considered and adjudicated upon by UNESCO in the coming weeks.

The request for the retention and extension will be submitted this week to the United Nations Educational, Scientific and Cultural Organisation (UNESCO) by Kerry County Council and the National Parks and Wildlife Service. The designation is being sought in recognition of the area's unique ecological and cultural heritage and a commitment to sustainable development.

Biosphere reserves are renowned as areas that demonstrate a balanced relationship between people and nature. Killarney National Park was awarded UNESCO Biosphere Reserve status in the early 1980s due to the rare habitats and valuable wildlife found within the park. It is part of the World Network of Biosphere Reserves, including 669 biosphere reserves in 120 countries. There is just one other biosphere reserve in Ireland – the Dublin Bay Biosphere.

To satisfy updated UNESCO criteria, it is proposed to extend the biosphere boundary to include areas of the MacGillycuddy's Reeks mountains and Lough Leane catchment. The newly proposed biosphere reserve straddles the Municipal Districts of Killarney and South and West Kerry.

Cathaoirleach of the Killarney Municipal District, Cllr Brendan Cronin said:

"There are no statutory implications in this designation coming into effect and communities within the new biosphere boundary will not be subject to any additional planning restrictions or limitations. Similar to Tidy Towns and Blue Flag awards, this award is an incredible opportunity to showcase the greater Killarney area and Kerry as an exceptional area for nature, culture and sustainable development."

It is envisaged that biosphere accreditation will create numerous opportunities in the region including:

- Biosphere branding available for tourism initiatives and local agricultural products
- Website and social media promoting the biosphere reserve and associated groups and events
- Potential funding opportunities for stakeholders e.g. agri-environment schemes, EU Life projects

Cathaoirleach of the South and West Kerry Municipal District, Cllr John Francis Flynn added:

"Similar to Burren Beef and Lamb and other brands around the country, we hope to develop the biosphere to other parts of Kerry and as a brand to promote sustainable tourism and agricultural products in the region." A decision from UNESCO is expected in mid-June.

Is your Ring of Kerry Charity Cycle training a bit behind schedule? Are you doing the Ring of Beara but need one final test? The upcoming Valley 70 Cycle on Saturday 20 May ticks all these boxes and what's more - you get to pedal with Dancing with the Stars winner Aidan O'Mahony - who is leading out the cycle this year.

Recently voted one of the Top 5 most scenic cycle routes in Ireland, the Valley 70 Route starts at Kilcummin GAA Club. After rolling downhill to Killarney and out to Fossa, you take the road to Kate Kearney's Cottage and from there go through the Gap of Dunloe and freewheel down into the Black Valley. From here it's up to the Sneem Road, back to Moll's Gap and down to Killarney - through Woodlawn, up Spa, back the Wood Line and up to Kilcummin GAA club for food, refreshments and a hot shower if you need one!

100% of monies raised on the Valley 70 Cycle will go to Coolick National School - a popular pre-school and primary school in Kilcummin parish which has students coming from far and wide. School Principal Irene O'Keeffe is looking forward to the event: "this year, we are keeping things simple - a gorgeous but challenging 70km route in Killarney with food before, during and after the event".

You can book your ticket online at: valley70.weebly.com or register in person at Kilcummin GAA Club on Friday, May 19th from 7-9pm or from 7:30am on Saturday, May 20th - the day of the cycle. The cycle costs 20 euro per person and the roll off is at 9am sharp. All cyclists must wear a helmet. All cyclists must be aged 16 or over to participate. Further details are on Facebook: @thevalley70cycle

Friends and family of the late Sheila Mac Kelliher have joined together over the past few months to host a series of events in her memory and to raise funds for the Kerry Hospice Foundation. The Killarney mother-of-two, whose first anniversary occurred on January 31st this year, passed away after a brave battle with illness. Her family and friends held a two-day golf classic which took place on the Mahony's Point course in Killarney Golf and Fishing Club last week on Thursday, May

4th and Friday, May 5th with an estimated 320 golfers taking part. There was also three walks in memory of Sheila Mac – as she was known to most – which took part on Friday, May 5th. The 3km, 5km and 10km routes took walkers through the Demense. The first of the fundraising events was held in February, there was a coffee morning held in the Dromhall Hotel which raised a staggering €7,735. A fantastic achievement for all those involved. EXCITING PLANS REVEALED FOR KILLARNEY RACECOURSE

Exciting plans to enhance facilities at Killarney Racecourse and foster stronger bonds with the local business community are priorities for the new Chairman of Killarney Race Company, Gerard Coughlan. The former senior manager with Kerry Group has taken over at the helm from auctioneer, John Buckley, in time for the three-day May racing festival which will come under starter's orders next Sunday.

A new, state-of-the-art 54-unit stable yard will be officially unveiled by the Minister for Agriculture, Food and the Marine, Michael Creed, prior to the first race. Built at a cost of €350,000, the American barn style development is in addition to the recently upgraded existing stables and it is a signal of the many improvement in store at the picturesque track. Mr Coughlan said his main aim as chairman will be to work more closely with the local business community and to develop stronger ties between the town and the racecourse.

"The races have a great deal to contribute to Killarney with the three annual festivals bringing 80 races over a total of 11 days. The conservative estimate is that the races are worth in the region

of €6.2 million to Killarney with an additional €1.42 million in prizemoney," he said.

"My aim is to secure extra racing for the town, whether it's by adding on days to the three festivals we have already or opting for a new stand-alone festival. There might be some merit, for example, in adding a fifth day to the four-day July festival or maybe introducing a new meeting in October," Mr Coughlan added.

He believes Killarney Races can be development along the lines of the hugely successful Galway Festival of Racing as the infrastructure is already in place.

"The track is great and the on-course facilities are excellent with a lot of effort gone into the course management over the past 15 years. The standard is right up there and the potential is massive," he said.

Killarney celebrated 80 years of racing last year and the opportunity for growth at the racecourse is enormous with the new man at the helm determined to maximise potential in tandem with local businesses.

Mr Coughlan is acutely aware that the facilities offer great scope for attracting non-racing events to the town and the Ross Road

landmark already plays host to major conferences, nightly entertainment shows, an active racegoers' club and private functions as well as a nine-hole golf course within easy walking distance of town.

"As it is we are just tipping the iceberg and the intention is to make full use of our extensive facilities to attract more people to Killarney," Mr Coughlan said.

He succeeds John Buckley who has stepped down as chairman after a successful 13-year term and he is joined by two new joint vice chairpersons, former Killarney Chamber of Tourism

and Commerce President, Kate O'Leary, and Dublin-based Billy O'Sullivan, a son of Phyllis and the late Dr William O'Sullivan from Killarney. Long-serving director and Turf Club member, Con O'Mahony, is the newly appointed company secretary.

A former general manager of Dawn Dairies, Mr Coughlan is married to Reidin and they have three children, Gearoid who is doing his masters on Business and Analytics, Lydia who is studying Commerce and Spanish in UCC and Chloe who is a student at St Brigid's Presentation in Killarney.

NATHAN'S WALK DARKNESS INTO LIGHT

CATHAL WALSH, NATHAN CARTER, MARIE CARROLL AND FIONA O'CONNOR PICTURED ON THE EVENING BEFORE NATHAN'S WALK - DARKNESS INTO LIGHT. PICTURE MARIE CARROLL O'SULLIVAN

Pieta House's flagship awareness walk/run Darkness into Light attracted thousands of people to Killarney Racecourse to raise funds for the charity and to create a greater awareness of the issues surrounding suicide. There was a record-breaking number of participants this year clad in the distinctive yellow t-shirts. Well in excess of 150,000 people took part in the events all over Ireland, and across the world.

The people of Killarney came out in force to help in the fight against suicide and depression and to show their solidarity with the family and friends of Nathan who passed away over eight years ago. Nathan, from Ross Road was just 14 years of age when he passed away in December 2007. Since 2011 his parents, Denis and Marie, and brothers, Damien, Killian, Aaron and Ryan, have organised the Darkness into Light walk

– known locally as Nathan's Walk – which has raised thousands of euro for Pieta House every year since then. Nathan was remembered at the event, a number of flickering candles were placed in front of a photograph of his smiling face at the starting point in Killarney Racecourse. The walk started in the early hours in darkness at 4.15am bringing participants of all ages from the racecourse, along Ross Road and on to Ross Castle before returning to the starting point via Knockree. Funds raised help to keep Pieta House counselling services free to those in suicidal crisis, people who engage in self-harm and those bereaved by suicide. High-profile events like Nathan's Walk certainly help to generate awareness of the crucial service it offers.

KILLARNEY BAR ASSOCIATION BANQUET

The Killarney Bar Association hosted a banquet in the Killarney Plaza Hotel on Friday evening the 5th of May, 2017 in honour of their distinguished guests Judge Bryan McMahon and his wife, Mary. Judge McMahon is a retired High Court Judge and former University Professor and Head of the Law Faculty, University College Cork. It a testament to his ability and personality that many of his former students attended the Banquet and regaled the company with very fond and amusing memories of their days in UCC.

Judge McMahon was Chairman of the Board of the Abbey Theatre for eleven years and, of course, is a son of the celebrated Poet and Playwright of the same name, Bryan McMahon, "The Master". A native of Listowel, his brother Gary was a former Kerry All Ireland winning footballer and holds the record for the fastest goal ever scored in an All Ireland Final.

In his post dinner address to the gathering Judge McMahon recited Bernard O'Donoghue's poem "The Munster Final". His sporting connections are not limited to GAA as his wife Mary is a sister of Northern Ireland Soccer Legend and current Republic of Ireland Manager, Martin O'Neill. Now retired Bryan presides at Irish Citizenship Ceremonies reflecting his continuing interest in National and Community affairs. The McMahons have strong local ties with Killarney as their daughter Allanore is married to Killarney Physiotherapist

THE KILLARNEY BAR ASSOCIATION HOSTED A FUNCTION IN THE KILLARNEY PLAZA HOTEL LAST FRIDAY NIGHT. PAT F. O'CONNOR, CHAIRMAN KBA, AND PAT SHEEHAN, TREASURER KBA, MADE PRESENTATIONS TO SPECIAL GUEST OF HONOUR DR BRYAN MCMAHON, RETIRED HIGH COURT JUDGE, AND HIS WIFE MARY. FRONT ROW FROM LEFT ARE PADRAIG BURKE COUNTY REGISTRAR, TERENCE CASEY CORONER, PAT F. O'CONNOR CHAIRMAN KBA, DR BRYAN MCMAHON, MARY MCMAHON, PAT SHEEHAN TREASURER KBA AND JUDGE JAMES O'CONNOR. SECOND ROW FROM LEFT ARE UNA GLAZIER FARMER, LORNA LARKIN, JANE O'HALLORAN, MAURA O'SHEA, ANGELA O'CONNOR, MICHELLE BUCKLEY AND LEONIE HUSSEY O'BRIEN. IN BACK ROW ARE MICHAEL O'DONOGHUE, TIM O'LEARY, EMER O'SULLIVAN, CONOR MYLES, SARAH QUILLIE, LIAM COGHAN, COMAN LARKIN, BRIAN O'CONNOR, MICHEAL MUNNELLY, CIAN BRADY AND EOIN BROSNAN. PICTURE: EAMONN KEOGH

Colm Fuller and Bryan's brother, Jim, resides in Mill Road and is a Member of Killarney Golf and Fishing Club. The Banquet also marked the retirement of local Solicitor Maura O'Shea and the departure of the Killarney Bar

Association's outgoing Secretary Jane O'Halloran who has moved to Dublin. Fulsome tributes were paid to both colleagues on a very enjoyable evening for all concerned.

HISTORIC LEAGUE AND CUP DOUBLE FOR KILLARNEY U14'S

Killarney 15 Castleisland 7

Killarney U/14 Rugby team completed a historic double on Tuesday 2nd May by adding the West Munster Cup to the League Title they secured after 11 victories from 12 outings during the winter months. The game was played in Abbeyfeale against a strong and committed Castleisland side hoping for silverware. Training up to the game had concentrated on a fast running offloading game avoiding contact and the weather suited our attacking style. The message from the coaches Seamus Grealy, John O'Connell and Eoin Seery was simple enjoy it,

don't worry about any mistakes, concentrate on the next thing you do and let's try and finish off a great season with some history.

From a spectator point of view this was a cracking game that showcased great handling, exceptional defensive play, some outstanding individual and team plays that showed intelligence beyond their years. Tries from Tomas Clifford and Liam Randles with a conversion from Donnchadh Grealy and a peach of a penalty kick from Peter Walsh. A try in the last 7 minutes from Castleisland ensured that this would remain a tight game. The final

score was 15 -7. The squad that lined out on the day were Adam Cronin - solid in the scrum. Brendan O Donoghue- made some great line breaks. Odeniz Koyun - a powerhouse who's ball ripping was a joy to behold. Darren Cronin - controlled the line outs with second row partner John McCarthy who also tackled like a lion. The flanks were superbly controlled by both Liam Walsh and Bailey O'Sullivan along with our Captain No 8 Padraic Talbot who all put their bodies on the line time and time again. Peter Walsh continued to pile the pressure on his opposite number at scrums and controlled the ball out to out half Donnacha Grealy who straightened the line on a number of occasions and provided some great ball to the centre partnership of Liam Randles and Tomas Clifford. Both proved their mettle and deserved the scores made. The wings were very busy in the second half with some great defending from Mikey Moriarty and Rian Colleran made some exceptional line breaks during the game. James Kennelly did well under the high balls and didn't put a foot wrong all game. Subs on the day were Sean Hickey, Shane McAllister, Josh Campbell, Ruairi Coughlan, Harry Kelly and Cormac Rowe who are all a vital part of the team especially in raising the standard and fight for places in various positions.

KERRY STUDENTS SCOOP THREE AWARDS IN THE NATIONAL STUDENT ENTERPRISE AWARD

The National Final of the Local Enterprise Student Enterprise Awards was held on the 3rd May 2017 in Croke Park and two Kerry school businesses secured awards. The Intermediate Category entry Dylan Mangan from Killorglin Community College secured the "Most Creative Use of Social Media" Award for his company "grandparentsmemories.com" – this includes grandparent's memories from grandparents videoed by their grandchildren where a specific package is sold online to enable the process. His company also secured third place in the national Intermediate competition.

Adele O'Brien of Presentation School, Milltown represented the county in the Junior Category and impressed all with her great effort and her product "A happy bag for life".

Moirá Murrell, Chief Executive of Kerry County Council stated that "I am delighted with the success of these Kerry Teams in securing three prestigious national awards. The students deserve great credit for all the hard work put into these projects since last September. Their dedicated teachers Sadhbh Fitzgerald from Killorglin Community College and Mary Stenson from St. Joseph's Secondary School, Ballybunion and Mark Hanley from Milltown deserve huge credit."

Tomás Hayes, Head of Local Enterprise commented "the competition across all categories was huge and I am delighted with the fact that Kerry has again secured winners. The Kerry County Council Local Enterprise Office works hard on this programme providing support and mentoring to schools throughout the year. We are fortunate to have such dedicated teachers and enterprising students in our county. I thank my colleague Margaret

THOMAS MCEVOY, SECRETARY OF THE NATIONAL LEO NETWORK, LOUTH LEO, DYLAN MANGAN, GRANDPARENTSMEMORIES.COM, KILLORGLIN COMMUNITY COLLEGE, PAT BREEN - MINISTER OF STATE FOR EMPLOYMENT AND SMALL BUSINESS.

Murphy who puts huge work into this initiative each year."

The students progress through the establishment of a mini company which trades over a period of a number of months. An exciting and rewarding programme, students get to experience the realities of entrepreneurship from developing a business idea to producing a product, researching the market, promoting the business and managing the books.

Over 17,000 students from 370 schools participated nationally in the Awards this

year. The competition promotes business idea development and business structure, sourcing of finance, marketing/sales and the presentation of a formal business plan.

The Kerry County Council Local Enterprise Office has delivered this programme for fifteen years. This is a real life exercise. It involves idea generation and actual trading. Profits are generated and finance is secured. It is a taste of business and all the issues involved from finding the right idea, funding the business, collecting the money and building the team

SALTER FESTIVAL OF CHEMISTRY IN UCC

Four first year students from St. Brigid's Presentation School were selected to represent the school in UCC yesterday at the Salters festival of Chemistry. The girls were Elaine Parker, Lynn Fahy, Rebecca Doyle and Mehek Asghar Simonova.

The aim of the festival is to enable young students to explore the fun of Chemistry.

There were 24 teams from all over Munster and each team participated in 2 challenges. St. Brigid's team won first prize in the second challenge which was the University Challenge. This involved finding a solution to a given task using chemical analysis.

In a separate challenge they had to analyse evidence taken from a murder scene and from potential suspects involved in the crime, solve who committed the murder.

The students were marked on how well they worked as a team, their skills handling chemicals involved in the experiments, their ability to interpret results from their chemical analysis.

They won some equipment for the Chemistry Lab.

DAVE OTAWA (SALTERS CO-ORDINATOR), RACHEL DOYLE, ELAINE PARKER, MEHEK ASGHAR, LYNN FAHY AND GERALDINE HORAN (TEACHER)

They were accompanied by teacher Geraldine Horan. "The girls showed great skill, confidence

and determination. Delighted with their win", Geraldine told the Killarney Outlook.

ANNUAL LOUGH LEIN ANGLERS ASSOCIATION CHARITY FLY FISHING EVENT

The annual Lough Lein Anglers Association Charity Fly Fishing event was held last month and the anglers raised a whopping €9000.00 for this year's charities. The Charity Day is now in its 30th year and anglers to date have raised almost €220,000. The Club has chosen St. Francis Special School in Beaufort and Mallow Special Olympics to be the beneficiaries of this year's charity day. Liam Twomey, principal teacher of St Francis' accepted the €4500.00 on their behalf. Mallow Special Olympics was represented by Jackie O'Mahony. The annual Charity Day took place at Ross Castle where 66 participants took to Lough Lein to try their luck. The competition had Lee Strand as its main sponsor again this year, they provided the prize money for the raffle, and Gerry Dwyer of Lee Strand was on hand to present the prizes. Fifteen anglers came ashore on the day with 18 trout in total. The overall winner was Alfie Hughes with 2 trout weighing 440 grams. Eugie McCarthy finished in second place with the heaviest trout of the day weighing 438 grams. Members of the winning team were Gerry Bambury, Con Murphy, Noel Duane and Eugie McCarthy. The best boat award went to Colin Murray and Robbie Creighton who landed 4 trout weighing 811 grams. The prizes presentation took place at the Dromhall Hotel. Congratulations to everyone who took part and organiser Tim O'Sullivan and his team for another great charity day.

U-12 FOOTBALL

Fossa under 12 boys hosted Milltown/Castlemaine in Fossa on Sunday evening, in perfect conditions, in the final round of the division 3A

grading league.

In the A game, Fossa started the stronger and built up a nice lead with Max Leon getting some early scores on the board. The Fossa defence held Milltown/Castlemaine to 2 points throughout the first half with some strong clearances by the Fossa goalkeeper Mathew O'Conner who was ably assisted by Finn Kennelly, Phillip Lyons, Cian Myers and Scott Carlton.

The second half started at a frantic pace with Milltown/Castlemaine storming back into the game with a quick-fire goal and two points to no reply from Fossa. Luke Murphy, Ted Gorman and Rocco Sheehan began to get on top around the middle of the field while Sam Buckley and Aaron Coffey chased hard in their defence duties. Fossa kicked over some good points in the second half including one superb 35m free from Rocco Sheehan. Chris Doody contributed with a fine poacher's goal while the Fossa defence closed out the game to secure a hard fought 3-8 to 2-7 victory.

The B game was another very close encounter, with both teams evenly matched they produced an entertaining, free scoring game of football. Fossa trailed by 2 points at half time but they dug deep in the second half and finished out winners on a score of 5-13 to 5-09. Strong performances were given by all the players throughout the team, Jack Cronin, Gavin O'Leary and Abbie Murphy gave Fossa a strong midfield platform coupled with surging runs forward which resulted in several scores. Tadhg O'Sullivan, Mark Shanahan, Rory Clancy, Sean O'Donovan and Rachel Wallace combined well in the forwards while strong defensive displays were given by Sean Dennehy, Ronan Daly, Alicia Cummins and Alison Butler.

Our under 10 boys had a very busy week of football in Fossa playing matches with Listry, Milltown/Castlemaine and Kilcummin. We were all able to field 2 teams and we had some very sporting games with all the skills of the game on display. It was also great to see some of the U8's mixing in with the big boys. A big thank you to Listry, Milltown/Castlemaine and Kilcummin for making the trip to Fossa.

We would also like to wish Mark Kennelly a speedy recovery from his injury received Thursday, and all his team mates are looking forward to him making his return in the near future. Fossa GAA would also like to say a big thank you to the spectators who looked after Mark while he was injured.

COISTE NA NOG

A great crowd of boys and girls, along with parents, proudly paraded in their Fossa colours through the streets of Killarney to celebrate 50 years of Coiste na nÓg. We would like to thank everyone who came along on a glorious Sunday morning.

COMMUNITY GAMES

Well done to our Boys U-13 Basketball team who won All-Ireland bronze in the Aldi Community Games National Finals, which were held in Dublin over the weekend. Congratulations to all teams, but especially to our boys who showed great commitment and dedication under tough conditions. Rocco, Sean, Darren, Darragh, Tom, Shea, Cian and Eddie, well done to you all - 3 won their 3rd All Ireland medal, 4 won their 2nd and 1 with his 1st All Ireland medal. Huge congratulations to our neighbours, Glenflesk on winning gold in Futsal also.

KILCUMMIN GAA

SENIOR FOOTBALL CASTLEISLAND MART CLUB CHAMPIONSHIP

Dingle 2-16 Kilcummin 0-10. Played in Killorglin on Sunday last Dingle proved much too strong for our lads despite a very determined effort. We were treated in the first half to some fine long range points from Philip Casey and Chris O'Leary but still trailed at half time by 1- 8 to 0-6 with Kevin McCarthy kicking two frees.

In The second half we added three further points from play courtesy of Paul O'Riordan, Noel Duggan and Mikey O'Shea. Brendan Kealy brought off some fine saves as Dingle threatened but Paul Geaney netted from a penalty to effectively kill off the game. Brendan actually saved Geaneys first attempt but the referee ordered it to be retaken much to the annoyance of players and supporters. Kilcummins players lost their discipline thereafter and received two red cards, a black and a number of yellows as their frustration grew. At the end Dingle well deserved their victory while we now face Kerins O'Rahillys in a final effort to maintain our senior status for a 21st year.

Team Brendan Kealy, Sean Brosnan, Damien O'Leary, Donal Maher, Daniel O'Leary, Chris O'Leary, Mikey O'Shea, Kevin Gorman, Daniel Moynihan Paul O'Riordan Shane McSweeney, Philip Casey, Noel Duggan, Kevin McCarthy, Matthew Keane. Subs used William Maher, Jamie O'Donoghue, and Richie O'Connor.

COMMUNITY GAMES

Great news for Kilcummin Community Games this weekend as 8 year old Liadh Forde of Inchicullane swept to All-Ireland Judo Gold at the National finals which took place at the National Sports Arena in Abbotstown on Saturday afternoon. Young Liadh, who impressed greatly in winning the County final a few weeks ago, put in a tremendous performance in the

Judo 25kg category and was a most deserving winner of the Gold medal. Well done Liadh – All Ireland medals are never easily won – you certainly did your family, Parish & County proud.

Well done also to Rebecca Kelly of Coolick who represented Kilcummin and Kerry in Abbotstown in U11 Gymnastics having won the county event a few weeks back. Rebecca put in an excellent performance on Saturday and, while outside the medals, she can be very proud of her efforts. No doubt but Rebecca will benefit from the experience of performing against the top gymnasts in the country and will be back representing Kilcummin again soon.

Also well done to our U12 boys soccer team who took part in the county finals in Mastergeeha two weeks ago. With very little between the top four teams a draw in their last game saw Kilcummin finish in fourth place – well done to all the boys who took part and a special word of thanks to Dave O'Leary who managed the team and to all at Kilbrean Park for being perfect hosts as ever.

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

EXERCISE BENEFITS FOR MENTAL HEALTH

The whole area of "Mental health" is now thankfully being openly discussed, and the fear of admitting that you have a "mental health" problem or need help and support is lifting. Awareness groups have been set up nation wide and now more than ever there are places to go and people to talk to. I think we have all experienced first hand times when our own mental health wasn't good. I know for me my biggest breakthrough was finding exercise and falling in love with it. It has helped me through some of my most difficult times big and small and now I am privileged to be working in this field and passing this beautiful passion onto others that are struggling and need a little bit of support and guidance.

Yes exercise is good for the body and when you look good you feel good right! But research has shown that exercising can actually release "feel good" chemicals in the brain- boosting self esteem, concentration levels, improved sleep patterns and overall increased energy. And best of all it's not a tablet, it costs nothing, and you can do it any time any where! I suppose it's also a euphoric feeling to be in control of your life, not only physically but mentally, and exercise can give you that sense of empowerment, provided you find the right type of exercise that suits you and will look forward to doing.

OUTLOOK FASHION TIP:

THE DEVIL IS IN THE DETAIL

What's worse than a bad hand shake... bad hands; freshly painted and cut nails are a must.

DIET TIP

50 TO 55% OF YOUR DIET SHOULD BE FRUIT AND VEGETABLES.

Reduce the amount of simple carbohydrates like flour products, that the body can quickly convert to glucose, as well of course as sugar and alcohol.

Beauty Tip

Fading Hair Colour:

To prevent hair color from fading in the summer months, use a conditioning treatment weekly or bi-monthly.

YOU'RE AMAZING!

If you ever have one of those days when you feel really down about yourself and just can't seem to get motivated to feel more positive, spend a few moments to just realize just how amazing you are. The following body facts always make me look at my body and my life with a sense of wonderment. We are truly amazing and yet sometimes it is easy to forget how wonderful each and every one of us is.

Amaze yourself with these incredible Body Facts:

Your heart beats around one hundred thousand times a day.
Your eyes take in more information than the largest telescope known to man.
Your lungs inhale over two million litres of air every year.
Your hearing is so sensitive it can distinguish between hundreds of thousands of different sounds.
Your brain is more complex than the most powerful computer.
The average life of a taste bud is 10 days!
Your nervous system transmits messages to your brain at speeds of 180 miles an hour!
About every seven years your body replaces the equivalent of an entirely new skeleton!

So, the next time you're about to give your body (and self) a hard time, stop and thank your body for all that it does for you day after day!

AMAZING FROM BEGINNING TO END....

2016 Lily of Killarney Eve O'Donoghue looks back on her year

My year as the Lily of Killarney was absolutely amazing from beginning to end. I was lucky enough to have a year full of fantastic opportunities from attending ladies day at the Killarney races in July, cycling the ring of Kerry and taking part in strictly come dancing for Down Syndrome Kerry to events such as judging the regatta queen, the south Kerry ploughing championships, presenting awards for the Killarney school of music and taking part in the 4th of July parade and St Patrick's day parade. I had a brilliant weekend in London for the Killarney London reunion where I was presented with a gorgeous Galway crystal Lily. It was an honour to be asked to take part in all of these events. I would like to thank Ollie Favier from the Shire Bar for being a fantastic sponsor to have, all of the sponsor businesses for the wonderful prizes I received, all the

Being given the honour of being Lily of Killarney 2016 has given me a year that I would never have imagined filled with memories in which I will always cherish. I would like to wish Lily of Killarney 2017 the best of luck in what will be an unforgettable year.

KILLARNEY CELTIC INTO TUCKER KELLY 16'S FINAL:

Killarney Celtic's Jared Barton scored the only game of the Tucker Kelly 16's Cup semi-final as they defeated Killorglin 1-0. They will play St Bernard's or Park A in the final pencilled in for Saturday May 20th.

LISTOWEL CELTIC AND BALLYHAR TO CONTEST THE SHIELD DECIDER:

2 goals from Cian McGrath were enough to give Listowel Celtic a 2-1 win over Camp Junior and become the first team into the Tucker Kelly 16's Shield semi-final.

The second game was even tighter as it was tied 1-1 after full and extra time. Nathan O'Driscoll scored for Ballyheigue who also had keeper Thomas O'Connor to thank for keeping them in the game. Patrick O'Connor got the goal for Ballyhar who then were faultless from the penalty spot with O'Connor scoring again as did Liam Moloney, Danny Cronin, Harry Doody and Jason Brennan. The final is set for Saturday, May 27th.

LEAGUE REPORTS:

JK SPORTS 12 DIVISION 1:

Killarney Athletic have extended their lead at the top of the JK Sports 12 Division 1 thanks to a 7-1 win over Fenit. Alex Hennigan was on fire in midweek hitting 4 which were added to by 2 goals from Josh Coffey and one from Oran Daly. Athletic have a game more played than second placed Inter Kenmare.

Killarney Celtic B are three points behind Inter in 4th with Camp Juniors in third a point ahead of Celtic. The Hoops goals came from hat tricks by Eoin Shine, Nacho Zulategui and one from Darragh O'Connell. Ade and Stephen Bennett replied for The Park.

JK SPORTS 12 DIVISION 2:

Leaders Dingle Bay Rovers took a huge step towards the JK Sports 12 Division 2 title following a 4-2 win over Tralee Dynamos. James Hoare 2, Paddy Ryan and Cian O'Conneide got the goals for the West Kerry side who now the way by 9 points. Evan McCarthy and Paddy McMahon got the Dynamos goals.

Mastergeeha B are in second place after their 4-1 win over Killarney Celtic C. Gavin Cremin 2, Dave O'Riordan and Kieran Nagle got the goals for the Kilbreen side with Ciaran Boyne replying for Celtic C.

Up's and downs for Inter in 15's Division 2:

KILLARNEY CELTIC PLAYERS ON THE KERRY U12 GIRLS TEAM

Fenit proved too to be good for Inter Kenmare in mid-week in the Killarney Plaza 15 Division 2 as they won 7-1 but it keeps them in 5th place. Inter Kenmare are one place behind them as they got the points from 3rd placed St Bernards. Dynamos cement second in 16 Premier: Tralee Dynamos cemented their second place in the Tralee Trophy World 16 Premier as they were too strong for Killarney Celtic at Celtic Park. The Dynamos goals came from Brian O'Dowd 3, Leo Gaxha 2, Patrick Dowling, Tony Duggan and Sean Kennedy.

PRE KENNEDY CUP IN CLARE:

It was a busy weekend on the Inter League scene as the Kennedy Cup team continued their preparations from the big tournament in June. They went down in a very tight game to Galway 1-0 before defeating the Midlands 3-1 with goals from Philip Evans, Peter Cosgrave and Callum Purcell.

They then played West Cork and the Desmond League on Sunday winning the first game 3-1 thanks to goals from Cain Brosnan, Dylan Moriarty and Dylan Quinn. In their final game a Daniel Okuwte goal gave Kerry a 1-1. This was an important weekend for the League in the build-up to the Kennedy Cup next month.

GAYNOR CUP 12'S QUALIFIER IN CAHIR:

The 12's Girls were in Cahir for their Gaynor Qualifier where they faced Cork, Waterford, Wexford and South Tipperary. Kerry went down 2-0 in their opening game against the eventual Group winners and qualifiers for the Gaynor semi-finals South Tipperary. They took the lead early on but Kerry pushed hard for the equaliser but were caught late on the break.

In their next game Kerry and Waterford were involved in a cracker with the girls unfortunately conceding from a last minute header to be held to a 2-2 draw. The girls played some excellent football and goals from Chloe Cremin (Inter Kenmare) and Ciara Henderson (Listowel Celtic) saw them lead 2-1 until the last second. Kerry were beaten 3-0 by Cork in a score-line that flattered the Rebels who were a goal up early. They got a second from a corner and the third from a penalty that Kerry keeper Sophie O'Connor (Camp Juniors) was unlucky not to keep out.

As the temperature soared Kerry tired a little for their last game against Waterford which was understandable as the majority of the girls are underage again next season. Despite being 3-0 down they never gave up and scored the

last goal of the day from Listowel Celtic's Ava Horan. Well done to the squad and coaches and the parents that travelled to support them.

KILLARNEY CELTIC NOTES

CONDOLENCES

Condolences to all the family and many friends of the late Tony Kearns, a former Celtic player and a hugely influential and inspirational part of the Kerry District League and the greater Killarney area.

BIRTHDAY CELEBRATIONS

Warmest congratulations to Celtic stalwart and Football For All founder Jane O'Donoghue on her 40th birthday from everybody in the club.

KERRY COUNTY COUNCIL GRANT

A huge thank you to Kerry County Council for their Community Fund Grant which has enabled us to upgrade our facilities; ar scáth a chéile a mhaireann na daoine.

CONGRATULATIONS

Congratulations to Kerry's U17 team, especially star goalkeeper Robert Osborne, who won a penalty shootout against Cobh Ramblers to advance in the Mark Farren Cup. Well done to all.

U12 GAYNOR CUP

Well done to our four Killarney Celtic girls: Aideen O'Brien, Aine Devlin, Fiana Bradley and Lucy O'Sullivan who represented Kerry U12 girls in the Gaynor cup qualifiers last Sunday; despite some brilliant performances, South Tipperary just pipped us to qualification and we wish them the best of luck in the cup.

RESULTS

Denny Premier: Kenmare 0 Killarney Celtic 3
Unfortunately, Kenmare were unable to field on the night and Celtic get all three points without the opportunity to play for the second week in a row.

U16 CUP SEMI-FINAL: KILLORGLIN 0 KILLARNEY CELTIC 1

It was a very tough game, as one would expect of a semi-final, but Celtic showed great composure and teamwork and a goal by Jared Barton was enough to put us through.

U16 PREMIER: KILLARNEY CELTIC 1 TRALEE DYNAMOS 8

Celtic did their absolute best; just as they do on hard days as good days, but Dynamos are a class outfit and were fully deserving winners.

U12 DIV ONE: KILLARNEY CELTIC B 7 PARK B 2

A scintillating display – and have no doubts about it, this is a good Park team. Eoin Shire and Nacho Zulategui claiming a hat-trick each and Darragh O'Connell icing the scoring cake, but it was the all-round team display that caught the eye.

U12 DIV TWO: KILLARNEY CELTIC C 1 MASTERGEEHA B 4

A great Celtic effort was capped by a brilliant Ciaran Boyle goal, but Mastergeeha are top class and proved it; no harm, Celtic have been on an upward curve all season and their game has really improved; this game was another great step forward for them.

U7/U8 BLITZ

Well done to all the boys and girls from Celtic

battled hard but just came up short despite their best efforts. Mark O'Shea got the goal for Mastergeeha.

Seniors Premier B

Mastergeeha 2 CSKA 1. In a close game at home on Sunday morning the seniors had to come from behind to the three points. Throughout the game Mastergeeha had some chances with Colm Lenihan and Danny Wren going close. However early in the second half the visitors took the lead. After this Mastergeeha pushed forward but only got the equaliser with 7 minutes remaining when Tom Templeman finished well following a pass from Chris Egan. In the closing stages Mastergeeha got the winner when Carlo scored following a good pass from Tommy O'Sullivan.

SYMPATHY

Mastergeeha Fc would like to extend sympathy and our sincerest condolence to the Kearns family on the death of Tony Kearns. Tony was a former player, manager and Chairman of Mastergeeha Fc. U-14 BOYS

Spa played a very strong Fossa U-16 team away last Monday evening in this East Kerry League Semi Final. The home team mastered the conditions early on running into a commanding lead of 2-13 to 1-06 leaving the boys in blue plenty to do. Dara O'Leary then took complete control of the game working tirelessly around the middle third setting up score after score for his inside forwards. Eventually time ran out and Spa finished agonisingly short on a Final Score of 2-14 to 2-13. We wish Fossa the best of luck in the final.

DIVISION 1 FINAL

Dr Crokes 3-13 Rathmore 1-12

Dr Crokes captured the silverware at Spa when they won the East Kerry Junior League Division 1 Final, sponsored by Kerry Physiotherapy and Rehabilitation Centre. A blistering opening ten minutes saw Dr Crokes register 2-1 before Rathmore got out of the blocks – Michale Casey

1-1, Mark O Shea 1-0. A Rathmore onslaught over the next ten minutes saw 4 points on the scoreboard. Dr Crokes dominated mid field and their dogged defence denied Rathmore further scores. The town side responded with 3 points but Rathmore finished the half strongest. Score at the break: Dr Crokes 2-4 Rathmore 0-6.

On resumption, the opening ten minutes saw a very competitive game with tit for tat point scoring, before Dr Crokes broke Rathmore hearts. DIVISION 2 FINAL

Spa 2-4 (10) Glenflesk 0-9

The East Kerry Junior League Division 2 Final between Spa and Glenflesk was played in Rathbeg, with a strong slightly cross field wind. In a low scoring first half, Spa opened the scoring with a point by Conor Gleeson. Play moved from end to end with a number of wides registered. Ian Roche pointed free equalised in the second quarter. Then a great save by Glenflesk keeper, Felim Jacobs kept Spa at bay. However, Paul Cahill struck on the rebound for a well tken Spa goal. Glenflesk responded with a swift attack and were awarded a penalty. Spa keeper Aaron Farrell saved but the penalty had to be retaken. The same kicker faced Aaron Farrell again and the Spa goalie made another great save. As half time approached 2 Glenflesk points (Kieran O'Mahoney, Ian Roche) reduced the gap to the minimum. Half time score: Spa 1-1 Glenflesk 0-3.

The game increased in intensity in the second half. Glenflesk equalised with a Finian Wall point. It was tit for tat. Spa replied with a point from John Falvey. Glenflesk added 2 points (Ian

Roche, Gavin Kelly) before Spa struck for their second goal by Mikey Moynihan. Spa led 2-2 to 0-6. Ian Roche reduced the gap to a single point going into the last quarter and Kieran O Donoghue levelled the game with 8 minutes remaining – 2-2 to 0-8. In an exciting finish, Spa had points from Hugh O Donoghue and Dion Marcos. In the last kick of the gaem, Ian Roche blasted the ball goalwards, but it rose over the bar and Spa won on a final score of Spa 2-4 (10) Glenflesk 0-9.

East Kerry Chairman Tim Ryan and Ruth Allen, Kerry Physiotherapy Centre, presented the cup to Spa captain Paul Russel.

FIXTURES

U14 Boys away to Keel/Listry on Wednesday, 10th at 7pm in the final round of the County League. U16 Ladies at home to Listowel Emmets on Thursday, 11th, time to be confirmed. Mid Kerry Seniors will play Dr. Crokes on Sunday, 14th at 3:45pm in Fitzgerald Stadium in the first round of the County Senior Football Championship.

CLUB CHAMPIONSHIP SEMI-FINAL

Killarney Legion 1-13 Kenmare Shamrocks 3-12 No complaints about the result of this semi-final as a more determined and fluid Kenmare side won eventually by 5pts. From the off they showed an ability to free up players which put the Legion backs under continuous pressure. Some poor shooting cost them early on but just as the Legion began to settle they were caught for a goal which swung the balance back in the Shamrocks favour, indeed they weren't to trail again from that point onwards as their confidence grew. There were individual displays from the likes of Shaun Keane, Billy McGuire and James O Donoghue but the normal team cohesion was sadly missing this particular day. A brief Legion rally saw Denis Sheahan punch the ball to the net after what was a rare piece of smooth combined play by the forwards but Kenmare persisted and once again picked up the challenge to add a third goal and ease comfortably on to the

final. A timely heads up for the seniors with the same opposition coming next Sunday to Derreen for the first round game of the county championship. However the form so far this year shows that the Legion squad has a lot more in them and hopefully they'll repeat their high tempo team performances that they've turned in up to now.

FIXTURE

Killarney Legion V Kenmare Shamrocks, Derreen, Sunday 14th. May at 1.30 p.m. All support greatly appreciated for this very important fixture.

KERRY U17

Well done to Darren Looney, Michael Devlin along with Barry Slattery who were part of the Kerry u17 squad that beat Tipperary in the Munster semi-final. Not only has he a keen eye for goal himself but Michael is not averse to setting them up either as he duly obliged when introduced.

ANOTHER SEM SUCCESS

Well done to the Sem on winning the Russell Cup, defeating Mercy Mounthawk Tralee on a scoreline of 4-13 to 5-05. The team was captained by our own Eoghan O'Sullivan. Other Legion lads who were part of the victorious team were Niall McGillicuddy, Ryan O'Grady, Cian O'Leary, Owen Benson & Jack Corridan. Congrats lads.

U16 GIRLS NEWS

Glenflesk 4-9 Killarney Legion 5-9
On Thursday night the U16 Girls travelled the short distance out to Glenflesk for their final game in the initial round of the league. Plenty of school room discussions had taken place about the match as most of the girls attended secondary school in Killarney so great anticipation existed pre match. In good conditions with a strong breeze Glenflesk took an early lead with some good scores as our girls tried to settle into the rhythm of the game and find their momentum. There was a fast pace set by Glenflesk and our backs were very active as they repelled many an attack. Strong defending by Glenflesk along with the wind prevented any great gains by the Legion but gradually scores were traded back and forth and through some good passages of play coupled with sheer perseverance Legion managed to cut the deficit to just one point by half time.

The pace of the game was very telling on both sides at half time and the dry warm conditions took a toll on energy reserves. As the second half progressed the Legion managed to pull ahead slightly but Glenflesk were once again on their heels, not much more than two points separated the teams and the noise levels rose from the spectators present as the game was in the balance and was proving to be a great spectacle. Some superb fielding by the Legion girls managed to gain the momentum and a full three points separated the sides in the dying minutes. Glenflesk pushed forward but the fast pace of the game was taking its toll and our girls having come from behind a few times

in the game were not going to give up and kept the gap until the final whistle.

Fortunately an observant photographer was in action on the sideline and there are some fantastic photos of the girls in action on the Glenflesk GAA facebook page.

KERRY U14 GIRLS

Well done to John Doona, Keri Anne Hanrahan, and Aisling Stack on their fine Munster final victory over the Rebelettes of Cork in Fermoy winning on a 1-13 to 0-8 scoreline.

CYCLING NEWS

SPREAD OF CLUBS SCORE POINTS IN CYCLING LEAGUE ROUND 1

The 1st Round of the Clubs of Kerry Summer League was hosted by the Killorglin Cycling Club and it saw Killarney and Tralee Manor West iBike dominate the various races.

The Seniors race had the usual handicap format and was raced for over 5 laps of the 6km circuit. However at the start of the 3rd lap the race had all come together. From this a three man group got away made up of George Doyle and Ronan O'Shea from Tralee Manor West iBike and young Killarney rider Fergal Murphy. The trio opened a 40 second gap at one stage and while the peloton closed that to 16 seconds they break stayed away.

Coming into the line George Doyle had the strength to sprint clear with Murphy taking second and O'Shea 3rd.

The rest of the points in the Seniors race went to Killarney's Mike Murphy who was 4th followed by Tralee Manor West riders David Fitzgerald and John James Griffin.

It was a case of brothers to the fore in the u12's and u14's as Killarney CC's Shane Galvin took the under 12 race and his brother Patrick the u14 race. Sliabh Luachra brother Dinny and Ben Murphy were second in the u12's and u14's respectively.

Jack Breen from Currow CC was 3rd and

Scoring the rest of the points in the u14's were Ethan Slattery Killarney 3rd, Adam Lenihan from Kingdom CC in 4th with Almha and Tara Kissane taking 5th and 6th.

Kieran Coggins dominated the u16 race and had over 25 seconds to spare from his club mate Eoin Moloney. Killorglin's Tadhg O'Shea took 3rd from Sliabh Lauchara's Denis O'Connor in 4th, Troy Kennedy of Kingdom CC in 5th and Dan Murphy of Slaibh Luachra in 6th.

HANDBALL NEWS

DOMINIC THROUGH TO HANDBALL HARD BALL SEMI- FINAL

Dominic Lynch got the hardball season off to a winning start as he had qualified for the All Ireland semi-finals. The Glenbeigh handballer defeated Kilkenny's Ciaran Neary 21-16, 21-11 in the quarter final.

The hardball competition is certainly one for only the serious players as Dominic said after his win. "They are not as many in the hardball section as the ball is covered in leather and as the name suggests is harder than the one we have been playing with. It can lead to hand injuries but those who take part in these competitions have the work put in.

"Ciaran was a tough opponent and I had to be at my best to win the first game. Thankfully I was able to outlast him to take the second game and the win."

It's a busy time for Dominic as he will team up with John Joe in the All Ireland Hardball Senior's doubles semi-finals where they will play Dublin's Owen Kennedy and Carol Brown this Sunday. Lynch and Kennedy will also face off in the Single semi-final in two weeks.

In the All Ireland Hardball Juniors quarter final Glenbeigh's Jack O'Shea will face Limerick's Shane Murphy in Ballymac in midweek.

Our U12 girls began their league campaign against Causeway in Dr Crokes on Monday evening. It was our first game out this year and it showed especially in the first half. Causeway were quick to get on the scoreboard. The girls persevered but seemed to be a step behind through the half. The second half seen a different team emerge onto the pitch. Each ball was fought for, we were first to the ball and we started to move the ball. A superb goal from Anne Hickey put us on the scoreboard. The girls battled valiantly to chip away at Causeway's lead with goals from Anne Hickey (2), Hannah Ryan and Ava Moore. Hannah Ryan had a superb performance in Midfield, no other girl covered as much ground as she did. She kept fighting for every ball and showed great spirit and determination. Unfortunately it was not our night and the final score was Causeway 9.1 to Killarney 4.0. Team: Ava Moore, Heather Culloty, Eabha Lynch, Yen Leniston, Tia McNabb, Anne Hickey, Hannah Ryan, Sadhb Stack, Sarah Looney. Our U12s are going to keep building on their performance.

GLENFLESK COMMUNITY GAMES

It was a memorable day for Glenflesk Community Games at the national finals in Dublin on Saturday May 6th 2017 with medals for Oran Horgan who won silver in Judo, Kathryn Ryan who won bronze with the Kerry cross-country relay team and gold for the Boys U13 Futsal team. We are so proud of them all not only for their achievements but also for how they represented Glenflesk and Kerry. Performance of the weekend goes to the U13 Futsal team of Callum Cronin, Luke Crowley, Gearoid Healy, Eoghan Kelly, Evan Lucey, Dara O'Connell, Ignatius O'Leary and Ben Switzer who defeated a strong Monaghan team (Magheracluone) in the semi-final by a single goal, 1-0, and repeated the feat in the final against a very classy team from Kildare (St. Bridgid's) again by a single goal. All eight of the lads played in both games and each one of them made a massive contribution to this success, not just today but in the county qualifiers, county finals and Munster finals, winning all ten of their games. Many thanks to all of the parents, grandparents, uncles, aunts, brothers and sisters who made the long journey to support all of our competitors. Thanks also to coaches Donal Kelly, Kenny Cronin and Alan Horgan for their time and efforts to Helena Buckley (Secretary Glenflesk CG) for all her help and encouragement. Thanks also to Paul Horan (Knockanes NS) for permitting the Futsal team to use the school's excellent astro turf pitch over recent weeks.

CASTLECONNELL SPRINTS REGATTA

Killorglin rowers come out on top with eight wins at the Castleconnell Sprints Regatta on Saturday, the 6th of May. The event took place on the River Shannon over 500 meters 5-lane buoyed course with races taking place every 5 minutes. The first win went to Laoise Murphy and Airida Mateviciute in the Women's Junior 12 double. The girls took a lead with three boat lengths advantage over two Castleconnell crews. The Women's Junior 18 quad was next. The crew of Rhiannon O'Donoghue, Molly O'Grady, Anna Tyther and Katie Boyle coxed by Mara Treacy showed a very strong and dominant performance winning with half of a boat length lead over Workmen's Rowing Club in second. Sean Houlihan won the Men's Junior 18 single scull, taking a break from the books in preparation for his Leaving Cert examination and making a statement that he is the one to watch in 2018. Sean has another season in this age category. Killorglin girls took all Junior 16 sculling titles. The first win went to Rhiannon O'Donoghue in the Women's Junior 16 single. Rhiannon and Anna Tyther teamed up in the Women's Junior 16 double,

winning the race convincingly. Mara Treacy and Molly O'Grady joined the pair in the Women's Junior 16 quad, bagging a third medal in this age category. Airida Mateviciute took to the water later in the afternoon in the Women's Junior 14 single winning the race against much older competitors. Airida's length and feel for the boat pays dividends. The Women's Junior 15 quad of Alanna Dolan, Airida Mateviciute, Emma Houlihan, Katie Boyle coxed by Mara Treacy were also victorious. The girls had a two boat lengths advantage over Lee, Carlow, Fermoy and Colaiste Iognaid boat clubs. Michael Sheahan and Nathan Houlihan raced their first regatta performing well in the Men's Club double and the Men's Club quad joined by Sean Houlihan and Michael O'Connor. Orla McCarthy, Eimear O'Donovan, Molly O'Grady and Emma Houlihan also raced well in the Women's Club quad missing out on a win by a short margin. Big well done to all the athletes for their performances at the weekend. It was a very rewarding event for the work put into training by rowers and coaches.

TODAY IS - INTERNATIONAL NURSES DAY

Nursing is the largest health care profession in the world and nurses are well trained and educated for maintaining the health and wellness of the patients; they are the key to achieving the Millennium Development Goals. Ever the underdog, nurses play a key role in all of our medical institutions, being responsible for the welfare, safety and recovery of patients. Nurses have an enormous amount of knowledge and many diverse skills they spend years perfecting and developing, all the time working in decidedly tough environments where extreme stress is just a part of the job. Nurses help bring new life into the world, care tirelessly for the sick and injured, and sometimes watch the patients they did everything to save pass away despite their best efforts.

In 1953, Dorothy Sutherland, an official with the U.S. Department of Health, Education and Welfare, contacted President Dwight D. Eisenhower proposing he proclaim a "Nurses' Day", however, he did not approve her proposal at that time. The International Council of Nurses has celebrated on May 12th since 1965. May 12th is an important date to all nurses, as it is the anniversary of the birth of Florence Nightingale, who is widely considered the founder of modern nursing. In January 1974, this day was finally officially made International Nurses Day.

Florence Nightingale was a trailblazing figure in nursing who greatly affected 19th and 20th century policies around proper care. During the Crimean War, she and a team of nurses she had trained greatly reduced the death count by improving the sanitary conditions at a British Army hospital in Scutari where up to then more soldiers were dying from infectious diseases like typhoid and cholera than from injuries incurred in battle, she was also known for her night rounds to aid the wounded, establishing her image as the 'Lady with the Lamp'.

Her writings sparked worldwide health care reform, and in 1860 she established St. Thomas' Hospital and the Nightingale Training School for Nurses in London. A revered hero of her time, she died on August 13, 1910, in London.

Born on May 12th, 1820, in Florence, Italy, her mother hailed from a family of merchants and her father was a wealthy landowner in Derbyshire and Hampshire. From a young age, she used minister to the ill and poor people in the village neighbouring her family's estate and she eventually came to the conclusion that nursing was her calling. When she approached her parents and told them about her ambitions to become a nurse, they were not pleased and forbade her to pursue appropriate training. Determined to pursue her true calling despite her parents' objections, she eventually enrolled as a nursing student in 1850 and 1851 at the Institution of Protestant Deaconesses in Kaiserswerth, Germany.

International Nurses Day is celebrated every year in Great Britain by organising a candle lamp service in Westminster Abbey, London. A candle lamp is handed over from one nurse to another (symbolising the passing of knowledge from one nurse to another) to place it on the High Altar. A ceremony is also held at St. Margaret's Church, Florence Nightingale's burial place, a day after her birthday.

On May 12th, international attention and respect is requested for all Nurses, we all

know the attention they devote to their fellow human beings and their bedside manner is of immeasurable benefit.

WOULD YOU BE HAPPY TO WEAR OCEAN PLASTIC?

When you consider clothing that carries a sustainability factor, things like organic cotton materials and buying second-hand items probably come to mind. It appears we can now add recovered ocean plastic to the list of wardrobe innovations for the environmentally aware.

Pharrell Lanscilo Williams an American singer-songwriter, rapper, record producer, film producer and fashion designer is currently championing an awesome clothing line that aims to put recovered ocean plastics to good use. Partnering with clothing company G-Star RAW, the singer is helping introduce the world to denim that is made partially from recovered ocean plastics, the special line is called RAW for the Oceans

Recovered ocean plastic is shredded into fibres alongside plastic water bottles and then formed into the snazzy jeans, shirts and hoodies that make up the RAW for the Oceans line. So far the company claims to have collected and repurposed in excess of two million plastic containers recovered from beaches around the world.

THE CLOONEY'S HAVE DONATED \$10K TO HELP DOGS DUMPED IN THE DESERT BY A CRUEL BREEDER

Actor George Clooney and his wife Amal have donated \$10,000 to nine dogs rescued from a Mojave Desert backyard breeder. These dogs were saved by Camp Cocker Rescue in Sherman Oaks, California organisation.

A spokesperson for Camp Cocker Rescue said, "Some generous donors of ours heard about the plight of the nine new dogs we just took in from the backyard breeder and they wanted to lend a paw. The medical bills and medical to do list is getting longer by the day. The dogs in question had been living outdoors in filth with only doghouses for shelter from the heat and cold before being heartlessly dumped in the desert by their breeder and when they were discovered by the rescue organisation, they were in desperate need of care and attention. Providing medical care and shelter for these rescued dogs is no small task and Camp Cocker relies heavily on donations. They share that

their average donations are around \$5-25, all of which makes a difference in their ability to help dogs – but seeing a donation like \$10,000 is just amazing, and that's not where the good news ended. For the month of May, the Clooney's have said they will match every donation made to Camp Cocker, up to \$10,000 on top of the \$10K they have already donated.

The spokesperson added, "After we all did happy dances and cried with happiness for this unbelievable matching donation offer – we then asked the donors if (and only if they gave us their permission) . . . if we could reveal their names to our supporters in order to help us reach our big goal this month." And the Clooney's graciously agreed!

The Clooney's are no strangers to saving rescue dogs, as they recently gifted a rescued terrier to George's parents for Christmas. George has also often expressed his adoration for Max, the pet pig who was his companion for eighteen years. Please use this story as a reminder why it is important to always adopt, don't shop. There are too many animals in shelters in desperate need of your support!

FIREFIGHTERS THROW BABY SHOWER FOR WOMAN WHO LOST EVERYTHING IN FIRE

The Lauderhill Fire Department in Florida hosted a Baby Shower party after Nicola Taylor's apartment and baby gifts were lost in the blaze. Two days before the fire, Ms. Taylor's family and friends threw her a baby shower. All the gifts she received were destroyed.

"The firefighters were seeing a whole bunch of burned up baby items and it was very emotional for the guys, being parents themselves, it hit home. They were compelled to do something" Captain Jerry Gonzalez said.

They collected donations and received everything from baby clothes to baby carriers, gifts and gift cards. And they saved the best gift for last.

"The members of the fire department, the community, the people have donated. We were able to get you a new lease, a new apartment," Captain González said as he handed Ms. Taylor the keys. "We've covered your deposit and a few months rent".

ALL CHARGES DROPPED AGAINST ANIMAL ACTIVIST WHO GAVE SLAUGHTERHOUSE-BOUND PIGS WATER

Canadian animal rights activist, Anita Krajnc, who compassionately gave water to pigs on a transport truck headed to a slaughterhouse, has been found not guilty of criminal mischief charges.

In June of 2015, Anita, the co-founder of Toronto Pig Save, a group founded in 2010 that "bears witness to animals sent to slaughter," stood on the median of a highway waiting for the truckload of pigs during a routine transport. The animals, which were being moved from the Van Buckel Hog Farm to the Fearman's Pork Slaughterhouse, were crammed into hot metal trucks with very little thought given to their well-being. When the truck stopped next to the median, Ms. Krajnc and her friend began to give water to the thirsty animals through the slots on the side of the truck. She was later served with a summons and was formally charged with criminal mischief in October of 2015.

Anita's case garnered international attention and thousands of animal lovers stood up defending her actions.

Anita pleaded not guilty to the charge, although admitted she gave water to the pigs. One of her lawyers said Anita was acting in the public good and was therefore not breaking the law, with the farmer arguing that Anita was interfering with his property and possibly giving the pigs an "unknown substance." On May 4th, after over a year of trials and waiting, Justice David Harris said in the courtroom "he was not satisfied beyond a reasonable doubt that Anita Krajnc willfully interfered with a farmer's property in

the incident."

AFTER APPROXIMATELY 500 YEARS IN BUSINESS, WHITECHAPEL BELL FOUNDRY WILL CLOSE

London's Whitechapel Bell Foundry, established in 1570 (but with records dating even earlier), will close later this month after centuries of casting historic bells for clients all around the world. According to the company's current owners, the decision to close is a reflection of the changing nature of how the modern world communicates. "We don't need bells anymore," Alan Hughes, whose family has owned the foundry since 1904 said "they were needed in the sense that they were the way of communicating basic information to what was then a largely illiterate population. They warned of invading armies and dangers; they actually served a practical purpose".

In addition to low demand and rising costs the East London neighbourhood that Whitechapel has called home since 1738 has also drastically changed.

"In recent years the area in which we are located has changed from commercial use to almost entirely residential use," Mr. Hughes says. "New developments now in the process of being built adjacent to our site will give us neighbours who would find difficulties with our industrial output and noise. A much changed road network adjacent to the buildings makes it almost impossible for large vehicles to access our premises for loading and unloading."

The Whitechapel Bell Foundry in its day sent at least 27 bells to the American colonies in the 1700s, as well as the original 2,080-pound Liberty Bell. It also handled the casting for the "Great Bell" of Big Ben, the "Clock Bells" at St Paul's Cathedral, and many more cathedrals and churches around the world. Following the Sept. 11th attacks, it also cast the "Bell of Hope," a gift from the people of London to New York City and the 23-ton 'Olympic Bell' the Foundry cast for the 2012 London Olympic Games is the largest harmonically-tuned bell in the world.

On March 22nd last, Whitechapel Bell Foundry cast its final tower bell for the Museum of London. The historic piece will join other artefacts from the company's centuries of business, including rare and old machinery, records and other priceless items.

CHINESE MAN TRAPPED IN INDIA FINALLY ARRIVED HOME AFTER 54 YEARS

Wang Qi, a Chinese army surveyor who says he accidentally crossed into India was jailed and detained, and then relocated into a remote region where he eventually started a new family. After a BBC report revealed his situation, Chinese officials travelled to his location and arranged for him to travel back to his homeland in February, along with his new family, to be reunited with old friends and relatives.

He has lived in "utter poverty" since his capture and it is unclear whether he and his wife and four children would return to India. Friends and family enthusiastically greeted the 80-year-old at the airport with a large banner that is said to have read, 'Welcome home, soldier, it's been a rough journey.'

STAG CLIMBS TO ELDERLY WOMAN'S WINDOW TWICE A DAY FOR A SNACK

Every day of the winter season, 80 year old Mette Kvam leans out her window with homemade cookies and biscuits in order to feed her friend Flippen - a massive wild stag.

Since they first met one another outside Mette's window, Flippen has visited her house in Aurland, Norway every winter for the last three years - and Mette is always waiting for him.

The friendship began when the senior saw the creature moving through her snowy yard in 2014. She offered him a cookie and - to her surprise - he cautiously put his hoofs up on the side of her house and accepted the snack. Now, whenever he isn't hiding up in the mountains during the warmer months, he is always visiting his elderly friend.

The friendship hasn't just provided Flippen with valuable treats, either. Since Flippen was fondly named after his flipped ears, hunters always recognize him as Mette's famed friend and avoid harming him in any way.

Though Flippen is too shy to be around anyone but Mette, he reportedly takes great pleasure in head scratches and nose pets from his human friend.

FOCUS ON SUMMER BEDDING

Filling window boxes and containers

Again there is a large range of different types of window boxes and containers. The most popular ones are the plastic. If it's a plastic window box that you have the first thing you must do is sort out the drainage.

Turn the window box upside down and you will see holes marked out. You can either use a screw driver or a drill to punch out these holes. Turn the box back up and put some small stones or polystyrene around the holes. Fill the box with compost and a slow release fertiliser to about half an inch from the top of the box and firm in compost. When choosing the plants for the window box make sure that the taller plants are at the back trailing plants towards the front and medium sized plants for fillers inbetween.

A good example for tall plants at the back of the box would be upright geraniums or upright fuchsias. Good trailing plants for the front of the box would be trailing geraniums or trailing petunias. Other examples of good trailing plants for fillers would be trailing lobelia, bacopa and bidens.

When you box is planted, water in plants well and don't put into position for a few days.

Remember that all window sills slope so when your trailing plants start to grow you will need something to hold you box in position.

Dear Heart of Jesus in the past I have asked many favours. This time I ask you this special one, (mention favour).
Take it dear heart of Jesus and place it within your own broken heart where your Father sees it.
Then in his merciful eyes it will become your favour not mine.
Amen.
Say this prayer for three days. Publication of prayer and favour will be granted.

PRAYER TO THE VIRGIN MARY

NEVER KNOWN TO FAIL

O Most Beautiful Flower of Mount Carmel, Fruitful Vine, Splendour of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in this my necessity. O Star of the Sea, help me and show me herein you are my Mother. Oh Mary conceived without sin, pray for us who have recourse to thee (3 times).
Holy Mary, I place this cause in your hands, three times. Thank you for your mercy to me and mine. This prayer must be said for three days and after that the request will be granted and the prayer must be published immediately. Thank you for favours received.

A WORD OF VICTORY

Welcome back dear reader Christ has died...Christ is risen, Christ will come again...the question being asked worldwide is when is the Lord coming back as He said He would? Many keys are given so we will know the time of the second coming. Jesus said that no-one, not even Himself, knows the day or the hour - only the Father knows, but we are to know the signs of the times (Read Mathew chapter 24). "Just as in the days of Noah when people were eating, drinking, and marrying and being given in marriage". Everyone was having a great time then too, but little did they know that their perverse, godless lifestyles were being judged by the Almighty and He regretted creating them (Genesis 6:5-7). Because of one righteous man named Noah the Lord did not destroy mankind, and instead used him to build the ark. Now this ark was a testimony to the people carrying out evil that judgement was about to take place (as it took Noah over one hundred years to build it) but instead of repenting, the people mocked Noah and his family. Eventually the flood came. As we know Noah and his family were saved from the destruction whilst all the rest perished and were destroyed. The coming of the Lord Jesus will take place as the people of the earth continue in wicked and evil things having no respect for God, by practising ungodly lifestyles. Governments around the world are propagating evil policies that attack all the Almighty put in place for a peaceful earth. Marriage is being mocked and disrespected. Abortion is rampant and accepted. Figures from the U.S. estimates that over 50 million babies have been aborted there, and morals have sunk to an all time low - just as in the days of Noah. But one thing is sure friend, the Lord God Almighty knows everything that is going on and judgement is going to come on all those who are involved in such practices. Just before Jesus comes there will be a time on the earth (called the Great Tribulation in the Bible) which will weed out and separate those people who hate God and those who love the Lord. It talks of multiple plagues, wars and destruction, it's well documented in Scripture and it will come to pass. The nation of Israel is also a sign of the coming of the Lord. More next week....

LET'S PRAY TOGETHER INTO THE WORD

Praying is talking to God. And by doing this we
draw nearer and get to know who our Father in
Heaven is. By praying (talking) we are directed
by God. We should pray in the right way and this
will change our lives more than we can imagine.
People pray when there is a difficult problem
or situation. Every person seems to have, deep
down the urge to pray. We should ask God for
teaching in the way we pray. (Luke 11(1)). Jesus
gave us the Lords Prayer Matthew 6(9-13). Is not
the Lords Prayer worth spending deep study on!
It comes from Jesus Gods Son.

Amen.

For Prayer Requests.

NOVENA TO THE SACRED HEART

You have said O'Divine
Jesus ask and you shall receive, seek and you
shall find, knock and the door shall be opened
to you. Relying on these promises I come with
confidence during the novena to beg of you the
favours that I need (make request). From whom
shall I ask, Lord Jesus, if not from you whose
heart is an unfailing source of graces and merits.
Most loving heart of my God I believe in your
power, I believe in your knowledge, I believe in
your personal love for me and therefore O Sacred
Heart of Jesus I place all my trust in you. Our
Father, Hail Mary and Glory. Say 3 times for 3
days and request will be granted, Never know to
fail. Must publish.
