4,500 WALK FROM DARKNESS INTO LIGHT

An estimated 4,500 people gathered at Killarney Racecourse in the early hours of last Saturday to walk from Darkness into Light.

Every year the walk remembers Nathan Carroll who lost his life to suicide at the age of 14.

Nathan's parents Marie and Denis are the

driving force behind the fundraiser for Pieta House and speaking to the Killarney Outlook, Marie said: "We are overwhelmed with the response again this year. It was an amazing turnout and we would like to thank everyone involved, those who helped out and those who

took part in the walk".

Weeshie Fogarty did the honours of starting the walk while Cindy O'Connor from Pieta House was on hand to help out on the night also.

SCORCHERS LEAVE THEIR MARK ON THE WORLD CHAMPIONSHIPS

What can only be described as a dream come true for members of the Killarney Scorchers was the chance of competing in the 2016 ICU and USASF world championships in Florida. On the 19th of April 17 athletes gathered in Dublin airport wearing the Irish colours about to embark on a trip of a lifetime. Team Ireland athletes have been preparing for this for many months travelling all over Ireland to train as a team which consists of 1 from Galway 1 from Sligo 3 from Mayo and 12 from Kerry to make up the 2016 Team.

"Standing proud behind the Irish flag at opening ceremonies at the ESPN Wide World of Sports Orlando the dream became reality for everyone involved", Dee Nolan, Ireland

team manager told the Killarney Outlook. "When they took to the stage and performed

with all their heart myself and all the supporters who travelled with the team and all those watching at home could not have been any prouder of both our Dance Duo and our Level 5 Coed Team", she added.

"The level of athletes at this competition is outstanding and I would like to congratulate our Dance Duo on placing 15th as the first Dance duo from Ireland to perform this is a result to be very proud of. Congratulations to our Level 5 Coed who performed in two separate competitions USASF placing 12th

ICU worlds has placed us in 2nd place in the European countries and overall 11th" said Dee. "I really enjoyed my experience on team Ireland getting to represent my country felt amazing and I couldn't have asked to do it with any other athletes they are now like my second family", one of the athletes, Katelyn Nolan told the Killarney Outlook.

Another athlete, Kathlyn Moynihan "Going to

worlds was the best experience I've ever had, we got the chance to meet the best cheerleaders around the world and watch the teams and athletes we have idolised throughout our whole cheer careers competing on the world stage as well as seeing them walk around the arena was just mind blowing. But nothing can beat the incredible feeling of stepping out on the mats with my best friends and second family and hitting a routine we trained so hard for".

Everyone involved would thank all the sponsors for their generous donations, the coaches for all the time they put into developing this team and the supporters, especially those who travelled to support the team and sharing this amazing experience with us and last but by no means least to these amazing athletes for all their time and dedication, you have done your country proud.

OUT OF AFRICA EXPERIENCE FOR ADRIAN

A Killarney Environmental Health Officer has just returned from spending 10 days in Africa as part of Project Malawi.

Adrian O'Sullivan from Ballaugh along with his colleague Stephen Ryan were part of a group of Environmental Health Officers who were attending a world conference there.

While in Malawi, members of the group visited schools in an effort to provide female sanitary facilities. "It was a very humbling experience, Adrian, who is Vice Chairperson of the Environmental Health Association of Ireland told the Killarney Outlook. "The facilities are so primitive there and because of this the girls don't attend school for one week every month", he added."

"We hope to change this by providing facilities for them", he said

world congress every two years and this year Malawi was the destination. Following meetings, which were held in the first half of their visit, the group visited schools based in rural areas.

"The poverty was shocking", said Adrian, "and the aim of our project is to provide female friendly sanitary facilities for these young girls", he added.

Another project that was rolled out during the visit was Water for Kids, which aims to preserve and protect the health of children and

communities by assisting in the provision of safe drinking water.

"You can provide a family with a water pump for just £25 stg. and this will ensure a permanent supply of clean water to a family of ten" said Adrian.

The project will be monitored in stages by IFEH reps on the ground but Adrian along with some of his colleagues are hoping to return to Malawi next year to do voluntary work with Water for Kids.

BARRADUFF NS ANNUAL RESOURCE CYCLE NAMES THE DATE

LAST YEARS CYCLE WAS A GREAT SUCCESS.

The call is out for the 5th Annual 80 km Resource Cycle in aid of Barraduff National School will take place on Sunday 22nd May 2016.

The Cycle will follow the same route as last year – from Barraduff school to Kilgarvan through Kenmare town, down Molls Gap into Killarney and finishing at Barraduff NS.

Our regular cyclists tell us that this loop is the perfect preparation and practice spin for the Ring of Kerry Cycle in July. You can set your own pace or cycle with colleagues, friends or fellow cycling club members. It's short enough to be achievable and long enough to be challenging

in a great supportive environment.

Participants can park for free and register at Barraduff National School from 7.30 am to 10 am on the morning of the Cycle or from 8 pm to 9 pm the evening before. The cost remains the same at €20 per saddle occupant and €15 for teenagers aged 16 and over.

Once again, Whytes Centra, Killarney Road, Kenmare will offer a discounted deal to hungry cyclists as they face the renowned climb up Molls Gap and our very welcome free water and encouragement station, sponsored by O' Donoghues Costcutters Shop, Barraduff Village.

O'Sullivan's Cycles, High St, Killarney will be on hand to promptly deal with any punctures or repairs needed, while the Order of Malta, always professional and reliable, will be on duty for the duration of the event.

Then it's back to the comfort of John Dan's Bar in Barraduff for a soup and a sandwich, with a great tasty free spread on offer, supplied by local parents and volunteer bakers. So save the date in your diary and get training for this year's Cycle through some of the Kingdom's most amazing and breath taking scenery – you'll be so glad you did it! Barraduff NS Parents Council is hoping for a great turn-out again this year to raise much needed funds for our local school. All the children will benefit hugely from the purchase of educational resources to meet their needs.

RIDERS LOOK FORWARD TO THE HUMPY HUNDRED HILLS

The weather gods have been in the news this week and hopefully they will smile on the Kingdom next Sunday, May 15th, when the Killorglin Cycling Club's Humphy 100 2016 takes place.

With the Ring of Kerry just a few weeks away many riders use this as an important part of their preparation with routes of 60km, 100km and 130km.

The event is not a race but run as a sportif with the routes designed to suit all and on the day the riders will have the full back up service available to them including food and water stations, marshals and a Broom Wagon and riders arriving a control points outside of the set times will be directed onto the shorter routes.

The 130km route includes Ballaghbeama,

Sneem, Molls Gap, the Black Valley and Beaufort while the 100km route takes in much of the same roads but omits the Sneem section. The 60km route heads towards Glencar and onto Beaufort and Killorglin.

The event begins with sign-on at the Killorglin Sports and Leisure Complex from 9am and the cycling getting underway at 10am with riders due back at the complex by mid afternoon.

TREE HUGGING CELEBRATION FOR KILLARNEY

The restored Killarney House and Gardens will be the venue for an imaginative four-day 'Killarney Celebration of Trees' which includes an attempt to create a world record-breaking tree hug on Friday 20th May 2016. As part of the event Celebration of Trees, which runs from Thursday 19th May to Sunday 22nd May 2016.

The tree hug will involve students from local schools in the Killarney area as well as local businesses and visitors.

TV Personality and Architect Duncan Stewart, launched the event at the Killarney Plaza Hotel on Monday, praised the timely series of activities to raise awareness of trees.

"We must start to sustainably manage all our natural resources for future development," he said. "The Killarney Celebration of Trees weekend is all about helping people to understand and appreciate the priceless contribution trees make to the quality of all our lives," Carmel Brosnan of the organising committee said.

The mega Tree Hug takes place on Friday 20th May. It will involve Killarney school students as well as local businesses and visitors. Everyone is welcome to participate. Assembly points will be announced on a dedicated website:

www.killarneycelebrationoftrees.com

The main event on Saturday, May 21st, will be the 'Sound of Wood' concert in St. Mary's 'church of the sloes' (Church of Ireland), featuring Soprano and Harpist Marina Cassidy, Killarney School of Music and performers from the Academy of Irish Music and Dance at the

University of Limerick.

The newly refurbished Killarney House and Gardens is the setting for a talk by Duncan Stewart, who produces the Eco Eye TV series, and Fr. Sean McDonagh, a leading campaigner on climate change and biodiversity, on Sunday, May 22nd – UN International Day of Biological Diversity.

The weekend will culminate in the creation of the 'Killarney Declaration on Nature', which local businesses will be asked to sign up to.

The declaration aims to embed a mentality of sustainable development in the economic fabric of the Killarney area and encourage eco-tourism.

The weekend is being organised by Just Forests in association with the Department of Arts, Heritage and the Gaeltacht, Killarney National Park, Killarney Tidy Towns, Killarney Chamber of Tourism and Commerce and the Trustees of Muckcross House.

Cinema KILLARNEY will host the Irish cinema premiere of 'Nature is Speaking' a series of short films featuring Robert Redford, Liam Neeson and Julia Roberts on Thursday, May 19th.

Tom Roche of the organizing committee stated that, "The 'Nature Is Speaking' films are CI's

invitation to the human race to listen to nature. Nature's message to humanity is simple: Nature doesn't need people. People need nature. CI's goal is that these films will help spark an international conversation. The best way to start a conversation is with a provocative statement. We want the "Nature Is Speaking" films to serve as a wake-up call — nature's message must be heard now."

Killarney Public Library is the venue for Just Forests very popular development education exhibition Wood of Life, which makes 'local and global' links on Ireland's reliance on tropical forests.

Killarney Outlet Centre will host a fascinating exhibition of the world's most commercial timbers. The 'World Timber Collection' consists of 850 wood samples from all over the world (with their original hand-written labels) and was developed by Viscount Powerscourt in 1930 and this will be the first time the collection has been on public display for many years.

For further information on all events and how you can register for the tree hug please visit the dedicated website at:

THE SEM TAKE ON SCIFEST

19 budding scientists from St. Brendan's College, Killarney participated in the 2016 Kerry regional finals of SciFest at Tralee IT last week.

The students exhibited exemplary projects displaying in-depth research and investigation as well as innovative entrepreneurial talent. The school submitted a total of 12 projects. These were selected following the results of St. Brendan's in-house SciFest competition last March. The projects were based on a broad range of topics including brain injury, invasive species in Killarney National Park and internet safety. A number of projects involved the invention of a device including drift turbines, a revolutionary set of headphones, an eco-friendly sugar burner and a tracking device. The school won two awards at the event. Eoin O'Connell was awarded the Sustainable

Energy award for his eco-friendly sugar burner. This burner offers a way forward as an alternative energy source which doesn't burn fossil fuels. As a result, this is an energy source which does not pose any damage to the environment. Eoin may be selected to compete in the SciFest finals next November. Seán Farndon, Seán Myers and Aaron Duggan were awarded an honorary award for their invention of their revolutionary headphones. They carried out a study on a wide range of available brands of headphones and identified the strength of each brand. By combining the best characteristics from each brand, the team designed their own headphones which are

of excellent quality and can be retailed at the reasonable price of €20.00 per set.

RONAN KEALY LAUNCHES JUNIOR BROTHER EP

RONAN KEALY, WHO WILL LAUNCH HIS EP AT THE INEC ACOUSTIC CLUB.

A young Killarney musician who has supported Hot House Flowers, RSAG and Mark Geary

among others is set to launch his EP at the INEC Acoustic Club.

Ronan Kealy, who performs under the name Junior Brother, will launch his EP "F*** Off I Love You" on Saturday 21st May.

The 22 year old musician from Kilcummin has been writing music since childhood, and began recording and performing under the Junior Brother name five years ago.

Performing a unique, experimental and distinctly Irish style of Alternative Folk, Ronan's music has been featured on radio programmes such as Lyric FM's Blue of the Night, and he has supported acts such as Hot House Flowers, RSAG and Mark Geary among others.

After performing on the local scene for many years, Ronan moved to Dublin to study music in the BCFE Rock School and with the tools and assistance gained from his experience, he recorded and completed the EP at his home in Kilcummin.

The EP is currently available to download on iTunes, and can be streamed on Spotify, Amazon, Google Play and other streaming services.

Doors open at 8pm, with support on the night by special guest Kieran Mulvihill of Listowel, as well as local talent Peter Njihia.

Tickets will be available at the door, and copies of the EP will be available on the night.

RECOVERY HAVEN RAISES OVARIAN CANCER AWARENESS

The first World Ovarian Cancer Day took place May 8th, 2013 and this week in the Killarney Outlook, Recovery Haven are raising awareness about the disease. On this day, ovarian cancer awareness organizations from across the world worked together with a singular focus and message for ovarian cancer and its symptoms. Ovarian cancer is diagnosed annually in nearly a quarter of a million women globally, and is responsible for 140,000 deaths each year. Worldwide statistics show that just 45% of women with ovarian cancer are likely to survive for five years compared to up to 89% of women with breast cancer.

In Ireland Ovarian cancer is the fourth most common cancer in women. Each year over 300 women are diagnosed with ovarian cancer in Ireland.

5 Key Facts

1. All women are at risk of ovarian cancer.
2. Awareness of the early warning signs of the disease could save lives.
3. Diagnosis at an early stage vastly improves a woman's chance of survival.
4. Ovarian cancer is often diagnosed at a late stage.

5. Many women mistakenly believe the cervical smear test (Pap test) will detect ovarian cancer.

Symptoms: Most women will not notice any symptoms as it can take a long time for symptoms to occur. When symptoms do appear, they can be mild, vague or do not go away (persistent). They can include:

- Bloating feeling
- Persistent swollen abdomen
- Pain or dragging sensation in your lower abdomen or side
- Vague indigestion or nausea
- Poor appetite and feeling full quickly
- Changes in your bowel or bladder habits; for example, constipation or needing to pass water urgently
- Abnormal vaginal discharge or bleeding (rare)

Awareness of the risk factors, signs and symptoms, as well as your family history are all important to identifying the disease sooner. Please be aware and make sure other women are aware too. Contact your Doctor with any concerns. Recovery Haven (Cancer Support House) offers drop in support service, counselling, complimentary therapies, support groups, mindfulness, yoga and pilates classes. These services are open to those dealing with cancer and their families and carers and are free and confidential.

RECOVERY HAVEN are in the Reeks Gateway Killarney (Up the stairs at the back of Kennellys Pharmacy) on Monday 9th and Monday 23rd from 10-2pm and are open in Tralee Mon, Tues, Thurs 10-4pm, Wed 10-7pm.

Men at Lunch, a feature length documentary which unravels the mystery behind one of the most iconic images of the 20th century, "Lunch Atop a Skyscraper", and links two of its elusive subjects to a remote Co. Galway village. The photographer and subjects have remained unknown for the past 80 years, but in 2007 a chance discovery of a special framed copy of the photograph in Whelan's pub, Shanaglish, led brothers Eamonn and Sean Ó Cualáin to tell the remarkable story of two of the men photographed on the beam. Booking is essential for the Creative Writing workshop and the Painting workshop as places are limited.

YOUTH MINISTERS IN THE DIOCESE CELEBRATED

15 youth ministers who have just completed the Diocesan Course in Youth Ministry will be celebrated at an event on Tuesday May 17th. They will be honoured alongside 33 people from 7 parishes who

have just completed a 20 week Diocesan Course in Pastoral Ministry which enabled them to deepen their understanding and knowledge of their faith and ministry. Bishop Ray will be presenting all 48 ministers with their individual certificates, acknowledging their commitment to their own learning, and also their commitment to the parishes and people with whom they minister.

As parishes desire to be places of living faith, there is a need to nurture the personal and spiritual growth of leaders for ministry in today's

Church. The aim of the course is to support all those who are involved in parish life, and to enable them to share their talents and gifts more effectively. The Course in Pastoral Ministry will take place next year over 8 Saturdays in Kenmare Pastoral Area. For further information, contact Frances Rowland at **064 6630538** or francesrowland@dioceseofkerry.ie

For parishes wishing to reach out and engage with young people, there is a need for trained adult leaders, who can nurture caring, supportive relationships where young people experience the Good News. Youth Ministry is the response of the Christian community to the needs of young people, and the sharing of the unique gifts of youth with the larger community. The Course in Youth Ministry will equip leaders to reach out and undertake this key role with young people. STRIKING FUTURE AHEAD OF HANNAH

An outstanding striker with Killarney Celtic is making waves on the international stage while on a UEFA Development Tournament in Slovakia. Hannah O'Donoghue, from the Black Valley is the daughter of Sean and Christine and attends School in Kenmare. Following her hat-trick in Killarney Celtic's Under 14 Munster Cup win last year, she has been quietly monitored at National Level ever since.

After their U16 Munster Quarter Final loss to Carrick United, Ireland Under 16 Manager Sharon Boyle called Hannah into national trials and she was selected on the Irish U16 panel. She scored her first goal in an Irish team shirt last month against Wales and is a starting striker on the team at the current UEFA Development Tournament in Slovakia. Hannah isn't the only talented member of her family, her sister Faye captained the Kerry U16s to the All Ireland title last year and Hannah was top scorer, with an incredible ability to find the net. The sisters from the Black Valley in Beaufort are justifiably considered

HANNAH O'DONOGHUE PICTURED WITH HER SISTER FAYE.

among the most talented sports women in the county - Faye was last year's Munster Young Ladies Young Player of the Year.

One of Hannah's heroines is Irish player

Savannah McCarthy from Listowel and Hannah definitely looks like following her footsteps into Ireland's senior squad.

BETTY GIVES BACK WITH CLIMB TO REMEMBER

BETTY O'SULLIVAN PICTURED WITH REPRESENTATIVES FROM THE MERCY HOSPITAL.

A Kerry woman who lost her mother to cancer in 2010 is planning the fifth annual charity 'Climb to Remember' takes place on Sunday, May 29th.

The event will see people from all over Munster rise to the challenge of climbing Ireland's highest peak, Carrauntoohil, in memory of a loved one, with funds raised going towards The Mercy Hospital Foundation.

Proceeds raised at this year's 'Climb to Remember' will benefit both the Mercy Heart Appeal and Mercy Cancer Appeal, enhancing cardiology and cancer services at The Mercy University Hospital, which serves patients from all over Munster.

'Climb to Remember' founder, Betty O'Sullivan, from Listowel, who lost her mother Bernie to cancer in 2010, told the Killarney Outlook "A thank you card couldn't convey my gratitude to the staff in the Mercy for the care they gave my mother, and after her first anniversary I wanted to do something as a tribute to her and give something back, and so Climb to Remember was born. When you lose a loved one, you feel as though life will never again be the same. The Climb to Remember is a wonderful opportunity to reflect on and remember someone who's passed on. I find doing the climbs really therapeutic, and even though they can be tough in parts, I love the fact that I'm doing it in memory of that special person.

The unexpected friendships, the stunning sights, the little struggles and the huge sense of achievement on the day are so inspirational." Pre-event registration is essential, and participants can sign up at **www.mercyfundraising.ie**. Sign in will take place at Cronin's Yard from 9am till 9:45am. At 10am participants will begin their climb from Cronin's Yard to the summit of Carrauntoohil. The climb will take around 5 ½ - 6 hours including a break. The registration fee for the Carrauntoohil climb on May 29th is €25. A second 'Climb to Remember' takes place the following month on Sunday, June 26th up the Galtees, and for anyone interested in doing both, the fee is €45. 'Climb to Remember' is open to anyone over 16 years of age and those interested must register by logging onto **www.mercyfundraising.ie** or calling **(021) 4274076**. Please note that registration will NOT be available on the morning of the event.

GREAT WIN FOR PRESENTATION GIRLS

Students at St. Brigid's Secondary school have won a Biomedical award at last week's Scifest at Tralee IT.

"There are about 39 billion blind people and 246 million visually impaired people around the world so we made a BLIND NAVIGATION AND OBSTACLE DETECTOR STICK to solve the problems faced by the blind people in their daily life. The system also takes measures to ensure their safety through the GPS", one of the students told the Killarney Outlook.

The girls showcased their work and product in Tralee on Thursday last 5th May and they were awarded the Biomedical Award. They will now go forward to the National final which will take place in Dublin in September.

BEST ACTOR AWARD FOR SEAN

A budding young actor from Rathmore has been awarded best male performance in a leading role as Patrick O'Connor in the class production of 'Fight for freedom' at the Bord Gais Student Theatre Awards in Dublin last week.

Sean Burke-O'Donoghue, a pupil at Holy Family National School attended the awards with his teacher Aine O'Donoghue.

The production was based on the life story of Patrick O'Connor from Rathmore who fought and died in the 1916 Rising. The film was also nominated for best direction.

MONEY MATTERS....

By Dermot Cronin,
Financial Advisor

HAVE YOU GIVEN UP SMOKING WITH OVER 12 MONTHS?

If the answer is yes and you have any of the following:

Life Cover

Mortgage Life Cover

Serious Illness Cover

Income Protection

Keyman Insurance & Pension Life Cover (For Self Employed)

Then it is very likely that you are paying too much for your insurance regardless of whether the policy is in one person's name or in two names. By reapplying for the same cover you have with the same benefits you should have a substantial reduction in your premium. For example a 35 year old male smoker with €200000 life cover and €100000 serious illness cover over 20 years would pay at present €67.60 per month whereas for the same cover as a non smoker the premium is reduced to only €43.30 per month, this is an annual saving of €291.60 and over a 20 year term a saving of over €5,832.00.

If you require any further information on the above or any financial matter please contact Dermot Cronin at **0646622775** or dermotcroninifa@gmail.com

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

EATING THE FOODS THAT ARE RIGHT FOR YOUR BODY!

We are all unique. As the saying goes "One mans food is another mans poison". When it comes to healthy eating there is no one size fits all. We all vary so much due to gender, body type, energy demands and genetics. So basically thinking you can eat the foods made out specifically for a friend of yours and get the exact same results is untrue. Yes of course there are general and important guidelines that we all should stick to that have been scientifically tried and tested to work eg portion control, Calorie counting, Macronutrient & micro nutrient intake, Control your amount of "bad" fats and make sure you are getting in sufficient "good fats" etc etc etc.....

However certain foods set out in one eating plan might not necessarily suit your body and digestive system!

Ok your probably sitting there totally confused saying "what the hell!"

I suppose the message I'm trying to get across is that some foods might aggravate one persons system and cause them to slow down, get irritated, bloated, tired, and even get sick, and the same food might work wonders for someone else.

For example, I recently went on an experiment to eat 90% vegan as I was reading and hearing so much about this way of life. my energy levels went through the roof and I felt great. Over the past 3 weeks I've slowly re introduced meat, and dairy into my diet and "whack"!!!! I noticed a huge dip in my energy levels, my digestive system totally slowed down. So I quickly realised meat & dairy probably were not the best foods for me to be eating regularly so this week I have cut back again on these foods and replaced with alternatives and my energy levels, skin and digestive health are returning to their best again. I am not for one minute suggesting you go vegan. All I'm saying is that if you are not feeling great and there is a certain food or foods you are eating regularly it may be contributing to your problem so definitely cutting back on it and only eating now and again will have huge positive benefits to your health.

MAY 3RD WAS WORLD PRESS FREEDOM DAY:

Journalism is becoming an increasingly dangerous job in most parts of the world and particularly in the Middle East. We are seeing more and more media workers punished simply for reporting on the stories those in power don't want you to know about.

For example Khadija Ismayilova is an award-winning journalist. It was her work investigating and reporting on corruption at the highest levels in Azerbaijan's government that led to her seven-and-a-half-year prison sentence on spurious charges last year.

Her government has gone to great lengths to punish Khadija over the years. She has been the victim of campaigns to shame her in state-owned media. Videos of her made in her own home without her knowledge were released by unknown individuals in an attempt to shame her into stopping her journalistic investigations. But Khadija has not committed a crime.

You can call on Azerbaijan's president to free her now by signing the Amnesty U.K. petition on the internet.

RETOUCHED ADS CAUSE REAL HARM:

Retouched ads are infecting the minds and bodies of children. These altered images are teaching them to chase computer-generated versions of "perfection" that they've no chance, no hope, and no way of ever catching. They see what's false, think it's true, internalise and compare themselves to it, not realizing it's a fantasy—dieting, hating, and hurting themselves when they fall inevitably short of the images in the ads.

Despite pleas from the American Medical Association and tens of thousands of doctors, educators, and parents, the ad industry seems unwilling to self-regulate or change. Despite data demonstrating the cause-and-effect relationship between these ads and the increasing number of boys, 53 percent of 13-year-old girls, and 78 percent of 17-year-old girls who are unhappy with their bodies,

nothing has changed.

STOPPING FOOD WASTE:

Invest in good quality ice cube trays which can be re-used many times without cracking, such as silicone ones. You can use them to create micro-portions of useful ingredients that you might not otherwise use all in one go.

*For example, if you have a carton of fruit juice that's about to turn acidic, freeze it into cubes and use them to cool other drinks, or add a fruity flavour to curry or root vegetable soup. You could also pour the juice into ice lolly moulds for a thrifty sweet treat.

*Do you have a bottle of wine in your fridge door that's not going to make it to the weekend? Frozen cubes of wine are an ideal addition to Italian dishes. Throw a few red wine cubes into bolognese, or white wine into risotto, for a delicious kick.

*Herbs are often needed in quantities too small to justify buying a whole bunch for one recipe. Next time you cook with fresh herbs, finely chop the remainder while still fresh. To freeze, fill each ice cube tray with the cuttings and top up with olive oil before popping in the freezer. These make a convenient cooking ingredient in stews, roasts, soups, and potato dishes etc.

1637 - Cardinal Richelieu of France created the table knife.

1648 - Margaret Jones of Plymouth was found guilty of witchcraft and was sentenced to be hanged by the neck.

1787 - Britain's 'First Fleet' carrying convicts set sail for Australia, where it set up the first penal colony.

1816 - John Ward started the first steamer service on the Saint John River, Canada with the General Smith, a 60 passenger "floating palace" that could travel at six knots upriver.

1842 - Composer Arthur Sullivan was born in London. He joined with William Gilbert in writing 14 comic operas that included "HMS Pinafore."

1888 - Slavery was abolished in Brazil. Approx 4 million slaves had been imported, the most of any nation in the western hemisphere.

1938 - Louis Armstrong and his orchestra recorded the New Orleans's jazz classic, *When the Saints Go Marching In*, on Decca Records.

1940 - Queen Wilhelmina of the Netherlands and her daughter Princess Juliana fled to London as the Nazis occupied Holland.

1954 - Sean Sherrard (a.k.a. Johnny Logan) born

1989 - A Painting by artist Jean-Paul Riopelle sold for \$4 million USD, a record sum for a Canadian artist.

INDIGENOUS PEOPLE HELP NOT HARM CONSERVATION:

Brazilian officials are establishing new ecological stations and conserved lands all across the nation, preserves where all human

habitation is banned, despite the fact that people may have settled these areas long ago. One such place is the 3.4 million hectare ecological station, Estação Ecológica da Terra do Meio (EsecTM) on the Iri River, where 15 Amazon families settled long before the preserve was created. The government wants to expel the colonos (settlers) and beiradeiros (river people). But their sustainable lifestyles may not only be of benefit to the local forests, but also a boon to the rest of the world.

Scientists are fascinated by terra preta, a rich black earth laid down by indigenous people long ago that stays fertile, without enrichment, a valued trait where most tropical soils are thin and infertile.

The river settlers have developed new crops, including drought resistant types of manioc, plus varieties with different dietary properties, that can be harvested throughout the year at different times.

Some of these new crops are not known to Brazil's primary agricultural research institute, and could, if cultivated on a large-scale, help feed a hungry world under pressure from climate change and other stressors.

161 nations have submitted to the U.N. plans for lowering carbon emissions, but only 21 of them—accounting for just 13% of tropical and subtropical standing forestland—committed to upholding the land rights of indigenous forest peoples. Brazil, Indonesia, and the Democratic Republic of the Congo, which collectively contain much of the world's remaining tropical forests, did not acknowledge indigenous land rights in their submissions.

LADY SAVES SKUNK THAT FELL IN HER POOL:

Some animals are overlooked by most humans. But every once in a while an exceptional human rises from the ranks to go above and beyond to care for an overlooked animal. Renate Reabel is one of those people. Last December she looked out the window of her home in Ontario, Canada to see a strange shape moving around in the pool. She went outside to investigate and found that a large skunk had fallen into the water.

Renate scooped the skunk out and put him on the porch to dry. It quickly became apparent, though, that if Renate didn't do something more drastic the skunk would absolutely die of hypothermia.

Renate gathered up a towel, a warm blanket, berries, and honey. She cradled the skunk in the towel and blanket for an hour, trying hard to make him warm. At first the skunk barely moved at all, but after that hour he started to squirm about.

Renate wrapped a hot water bottle and laid it on the grass under the skunk, and over the course of the next 45 minutes he really started to come back to life. He was moving around fully now and even ate the berries and honey that Renate had got for him.

Renate says that she was pretty sure throughout the whole experience that the skunk wouldn't be able to pull through and she's thrilled and surprised that he's alive and out in the world now.

Know Your Rights: CHALLENGING A SCHOOL'S POLICIES

QUESTION

My son shaved his head on Saturday and was sent home from secondary school on the following Monday. The school is using school policy to justify suspending him for one week until his hair starts to grow. What can I do?

ANSWER

All schools should have policies in place to deal with issues as they arise in the normal day-to-day running of a school (codes of behavior, school rules and other policies). These should be provided or made available to parents of children attending the school. If you are unhappy about a school's policy or the implementation of a school's policy you can make a complaint to the school. The school should have a formal complaints procedure that you can follow.

The complaints procedure usually involves contacting the principal with your complaint. (The school's procedures may ask you to speak to another member of staff before speaking with the principal.) If having spoken with the school principal, you are still not happy that your complaint has been resolved you may contact the chairperson of the school's management authority.

If the chairperson cannot resolve your complaint they should discuss the matter at a meeting of the management authority. The school's Board of Management is usually the management authority. However, in the case of Education and Training Board schools you should contact the Education and Training Board responsible for the school.

Shortly after reaching its decision, the management authority will let you know its decision on your complaint. This decision ends the school complaints process. The Department of Education and Skills provides information about making a complaint to a school on their website.

If you have followed the school's complaints procedures and you are not satisfied with the outcome you can escalate your complaint about the school to the Ombudsman for Children's Office. The key criterion for any intervention by the Ombudsman for Children is that the action complained of has or may have adversely affected the child. The Ombudsman can examine any administrative actions of the school, staff or Board of Management including whether the school's policies have been followed correctly or if those policies are fair.

Plan your strategy for the weeks leading up to the State Exams.

(By Billy Ryle)

CONTINUED

Regard the next few weeks and the actual exam as a challenge that you will meet headlong and with determination. Approach it with confidence and belief in yourself. Take total control of your life and channel your energy in a positive direction. Every time you have a doubt or a negative thought about yourself replace it with a positive one. You will feel better about yourself if you are in control of your situation. To assume that control set aside some time to make out a plan of action. Decide what topics you need to revise between now and the exam. Make out an overall time schedule, a weekly schedule and a daily schedule. Make out that plan of action over the next few days. In the next article, I will take a detailed look at how best to implement the action plan.

CHECKLIST

- Every exam candidate has already done a fair amount of work
- Proper use of the remaining time will get you safely over the finish line
- Procrastination is the thief of time
- You know much more than you give yourself credit for
- It's essential to have clearly set goals in the final term before the exam
- Set SMART goals – specific, measurable, achievable, realistic and time-lined
- Put a clear plan in place to accomplish your goals
- Implement your plan by doing the necessary work
- Avail of all the help that is at your disposal
- Regular attendance at school during the final term is absolutely vital
- Have confidence in your ability to achieve your goals
- Set a target grade in each subject to help motivate yourself
- Your primary motivator should be to do yourself justice in the exam
- Regard the exam as a challenge that you will meet headlong
- The oral language and practical music exams conclude tomorrow, Friday, 22nd April
- The LCVP written exam is on Wednesday, 4th May
- The State Exams begin on Wednesday, 8th June and conclude on Friday 24th June

USE POSITIVE STRESS AS MOTIVATION FOR THE STATE EXAMS

With the state exams due to begin on the 8th June, which is just five weeks away, candidates may become anxious about their performance. A level of anxiety is normal and focusses the mind on the challenge ahead. Almost all exam candidates, irrespective of how laid back they appear, feel nervous. It's the body's way of dealing with a stressful experience. How you deal with this nervous energy is the critical issue. If you channel it in a positive direction it will give you the vitality to cope with the demands of the exam.

A positive mental attitude is a considerable aid around exam time. Have confidence in your ability to do well. Don't be discouraged by other students appearing to know more than you do. Aim to do perform to your own capability not to compete with others. Make positive statements about yourself. Banish all negative thoughts from your mind. Think well of yourself and of your readiness to achieve success. Your best effort is more important than your ultimate performance in the exam. Determine to do your best, no more, no less.

FINDING PEACE IN THE MOMENT & LOVING THE JOURNEY!

True abundance exists in knowing that this moment – the one you're in right NOW is really perfection. You are absolutely where you are truly meant to be. Choosing to embrace the fullness of this moment – finding love and opportunity in where you are right now is choosing the most powerful way to live. It puts each of us squarely in charge of our own journey and our destiny.

Each morning we are given the chance to admire another sunrise. From the moment we open our eyes there are exquisite blessings all around us ready to be witnessed. All we have to do is gaze upon them and really see how blessed we are. So often we spend much of our time looking at the horizon. We look ahead to often what is just out of reach. We focus on the destination; the pay rise, the holiday, the weekend, the new career, relationship etc. The goal seems far away however life's goal is all around us in this moment.

Regardless of where you are in your life's journey – or where you aspire to be, you are at the place where you are exactly meant to be. Each choice you have made throughout your life has brought you to where you are today - this moment – where absolute perfection lives.

When you approach your life from the moment you are in you gain tremendous peace within. When we stop the struggle and dance with "what is" we find joy in the moment.

Be here now, Love the journey, Love the moment, Now is your time!

FOCUS ON SUMMER BEDDING

with John O'Sullivan

Its that time of year again when we think of putting colour in our pots, baskets and containers and also in the ground. Summer Bedding plants can be used very effectively in the ground for filling gaps between shrubs or border perennial plants as they can cover a lot of ground and add plenty of colour very quickly. When planting Summer bedding plants in the ground the first thing you have to do is to dig over the area and dig in plenty of compost. Most Summer Bedding plants need a nice sunny sheltered position but if you have a shaded area, begonias are excellent bedding plants for this situation and they will give you flowers right through the summer and into early autumn. As an added bonus they will also provide you with excellent coloured foliage from light green to dark purple. Always remember when planting bedding to put the taller ones at the back. If you want to do a summer display of bedding on its own in a bed you will have to choose a centre piece - a good plant for this would be a standard fuchsia. Then start with the tallest, such as marigolds or antirrhinums and work your way out to the edge of the bed with some begonias or petunias and finally at the edge of the bed with some lobelia and alyssum. A good idea before you plant would be to position all your plants to get an overall view of what it will look like. And remember to water all plants well in afterwards.

Using containers, pots and baskets full of summer bedding plants can give you brilliant colour from now right through the summer to early autumn.

There are a wide range of different types of hanging baskets but the main thing to go for is the size because the larger the basket, the more compost you can fit into it, giving the flowers more compost to grow in thus prolonging their lives. When filling a hanging basket the first thing to do is to place a liner at the base of the basket. Then place your basket on top of a pot as this will give you a steady base when planting. Half fill the basket with compost and a slow release fertilizer. Then plant some bedding plants at the base and sides of the basket such as trailing lobelia, pansies and nasturium. All you have to do is to push the root of the plant through the square in the basket, push it through the liner and into the compost. Then fill the basket almost to the top with compost, place your remaining plants around your chosen centerpiece plant such as a geranium or fuchsia. Pick three good trailing plants, like trailing petunia, geranium or fuchsia. Fill in between with other bedding plants such as begonias, busy lizzys or pansies. Some of the plants at the bottom of the basket may look a bit shook after planting but when watered in well they will look perfect in a few hours. Don't hang your basket out in its position for a couple of days after planting and water regularly.

GARVEYS SENIOR FOOTBALL CHAMPIONSHIP

GARVEYS SUPERVALU SENIOR FOOTBALL CHAMPIONSHIP LAUNCHED

The Garveys Supervalu Senior Football Championship was launched in glorious sunshine in Austin Stack Park on Friday afternoon last. Present were Tomás and Jim Garvey along with Kevin McCarthy representing the sponsors, members of the County Committee led by chairman Patrick O'Sullivan and secretary Peter Twiss and players representing almost all the teams participating in the championship including Paul O'Donoghue of reigning champions South Kerry, Johnny Buckley (Dr Crokes), Donnchadh Walsh (Mid Kerry) and Marc Ó Sé (An Ghaeltacht). Kerry senior football manager Eamonn Fitzmaurice was also present.

County Chairman, Patrick O'Sullivan, thanked Garveys for their

continued generous sponsorship of the competition. Last year, he said, South Kerry had done very well in winning the championship and he wished South Kerry and St Marys clubman, Bryan Sheehan the very best of luck when leading Kerry in the forthcoming Munster and All Ireland Championships.

Kevin McCarthy, representing the sponsors, Garveys Supervalu, said they were delighted to play their part and be associated with the County Championship; "We have a huge involvement with the community and it's nice to be able to give something back to that community. There is no better way to do that than through a large community based voluntary organisation such as the GAA" he said.

AUSTIN STACKS V EAST KERRY

Venue: Lewis road, Killarney
Throw-in time 5pm

2014 Champions Austin Stacks get the proceedings underway this Saturday evening against East Kerry.

The once powerful East Kerry divisional set-up has fallen from the glory days in the late 1990s when they were the Kingpins of Kerry football. In last year's campaign, East Kerry were hammered by Kerins O'Rahilly's and the Divisional side will be hoping to avoid another heavy trimming here.

Greg Horan's cruciate ligament injury deprives the Tralee men of one of their key performers but they still have leading lights in the likes of Ferghal McNamara, Denis McElligott, Kieran Donaghy and attacking duo Shane O'Callaghan and David Mannix.

East Kerry's best known player are former Kerry senior panellist Jack Sherwood and current U21 players Darragh Roche, Jeff O'Donoghue and former Kerry minor Dan O'Donoghue in their starting line-up.

Austin Stacks are warm favourites to get their campaign off to a winning start here and should do so.

**VERDICT: Austin Stacks
DR. CROKES
V WEST KERRY**

Venue: Lewis road, Killarney
Throw-in time 6.30pm

Championship and bookies' favourites Dr Crokes get their campaign underway at home to West Kerry on Saturday night in the second of the Lewis Road double header games

commencing at 6.30pm.

West Kerry, who last lifted the Bishop Moynihan Cup in 1990, will be backboned by players from Annascaul, An Ghaeltacht, Lispole and Castlegregory and their leading light is Kerry senior Marc O'Se.

West Kerry manager Francie Dorgan admitted that both Brian O'Beaglaioich (hand) and Alan Fitzgerald (shoulder) were doubtful starters ahead of the game and that both would be huge losses to his side.

Dr Crokes though are laden with stars. Colm Cooper, Brian Looney and Daithi Casey are proven campaigners at this level as is Eoin Brosnan.

Crokes have added an infusion of young talent to their squad and in players like Jordan Kiely, Michael Burns and Tony Brosnan they have stars for the future.

The appointment of former Kerry senior boss Pat O'Shea as manager has given the Killarney club a major boost and with an attractive style

of football, they are unbeaten in all games this season. Crokes are strongly fancied to get their campaign off to a winning start here.

VERDICT: Dr Crokes

SUNDAY MAY 15TH

ST. BRENDAN'S

V KENMARE DISTRICT

Venue: Austin Stack Park
Throw-in time 1.45pm

St Brendan's District and Kenmare District form one part of an attractive double-header at Tralee's Austin Stack Park on Sunday afternoon. St Brendan's were out on Good Friday when they overcame Shannon Rangers in a play-off encounter and impressed many observers that evening with their convincing win that evening.

St Brendan's District are backboned by players from John Mitchels, Na Gaeil, Ardfert, St Pat's Blennerville and Churchill and with Kerry hurlers Daniel Collins, Brandon Barrett and John Egan in their starting line-up they will have plenty of firepower.

Both St Brendan's manager Richard Barrett and his Kenmare District counterpart John Galvin described their side's preparations for the game as difficult to say the least.

These sides met at the same stage 12 months ago when Kenmare District recorded a resounding 5-15 to 0-8 win.

Now managed by John Galvin, Kenmare District were surprise packets last year when they advanced to the semi-final stage of the competition, only to go under to eventual champions South Kerry by the minimum margin.

Kenmare have twice tasted County Senior Football Championship glory; in 1974 and

1987. County Senior Stephen O'Brien is their best known player. They also have proven a proven performer in Paul O'Connor who is deadly close to goal.

The Kenmare District side will feature several of the Templehoe side that won the All-Ireland JFC title this year including Killian Spillane and Brian Crowley among others, this Kenmare District side could well be a force to watch again this year and are viewed by many shrewd observers as possible championship dark horses.

They should be strong favourites to advance though St Brendan's District, if they play to their potential could run them close.

VERDICT: Kenmare District.

SATURDAY MAY 14TH

KILLARNEY LEGION

V MILLTOWN/CASTLEMAINE

Venue: JP O'Sullivan Park, Killorglin

Throw-in time 2pm

Last year's beaten finalists Killarney Legion get their campaign underway with a tricky encounter against Milltown/Castlemaine.

JP O'Sullivan Park is the venue for this attractive game between two club sides who will be keen to make an impression in the competition again this year and the game will form the first part of an attractive double header at the Killorglin venue.

Legion were very unlucky not to win outright honours last year and will be anxious to get off to a winning start. It remains to be seen if long-term injury victim and county star James O'Donoghue will play any part in the game.

Apart from James O'Donoghue, the Killarney side still have a nice mix of youth and experience in their ranks and in players like David O'Sullivan, James O'Sullivan, county stars Brian Kelly and Jonathan Lyne and rising talent Conor Keane they have the raw materials to make another bold bid for championship glory.

Milltown/Castlemaine, on the other hand, will be out to derail their ambitions. They will look to players like Brendan Delaney, Pa Wrenn, Marcus Mangan and the impressive Jonathan O'Sullivan as they bid to pull off a massive upset, but Legion's firepower should see them through in a close encounter.

VERDICT: Milltown/Castlemaine

ST KIERAN'S V

FEALE RANGERS

Venue: Cordal

Throw-in time 2.30pm

A repeat of last year's first round clash and there is little to suggest that the outcome will not be the same. Last, season Kieran's flattered somewhat with a number of talented and young players with experience at various levels in the county jersey, when Kilcummin dumped them out of the championship. Feale Rangers are North Kerry's only team in the competition with Shannon Rangers failing to make the cut.

DARRAGH ROCHE (EAST KERRY), WAYNE GUTHRIE (AUSTIN STACKS), PAUL O'DONOGHUE (SOUTH KERRY), GEORGE O'KEEFE (RATHMORE) TOMAS GARVEY (SPONSOR), PADRAIG REIDY (ST KIERAN'S) PAUL MCMAHON (ST BRENDAN'S), CATHAL BAMBURY (DINGLE), DAVID ROCHE (MILLTOWN/CASTLEMAINE), PATRICK O'SULLIVAN CO BOARD CHAIRMAN, 3RD ROW: DANNY O'SULLIVAN (KERINS O'RAHILLYS), DONNCHADH WALSH (MID KERRY) JOHNNY BUCKLEY (DR CROKES) AT THE GARVEYS SUPERVALU KERRY SENIOR COUNTY FOOTBALL CHAMPIONSHIP LAUNCH. PHOTO BY: DOMINICK WALSH

It will be interesting to see if they will be a little more organised than last season. When they turned up in Cordal with 19 players minus all their inter county players at the time.

A year on Kieran's will be anxious to get back on track and should have too much firepower

VERDICT: St. Kieran's

MID KERRY V

KILCUMMIN

Venue: Killorglin

Throw-in time 3.30pm

Mid Kerry with Laune Rangers in their ranks, must surely be one of the more likely teams to be around at the business end of the championship. Rangers fall from senior status will certainly strengthen 2008 winners and with Darren O'Sullivan captain of the team, they will not fear Kilcummin who are in somewhat of disarray having lost their manager.

Martin Horgan's departure before the championship added to a number of playing out for travelling and the general run of poor results would seem to indicate that this could be a long day at the office for a side already in relegation trouble.

Still Kilcummin beats the odds last year in the county championship and could have knocked out eventual winners South Kerry at the quarter final stages, so there could be a kick in them but unlikely

VERDICT: Mid Kerry

RATHMORE V DINGLE

Venue: Rathmore

Throw-in time 3.30pm

Dingle's last minute defeat to Austin Stacks in the club championship must surely still have a bitter taste in the mouth. They had a foot in the senior club final and this it was robbed away

from them. Rathmore too must surely have a disappointing taste in their mouth following last season's semi-final loss to Legion. Both possess some exciting young players in the county but Dingle with a host of successful Hogan Cup winners coming of age are ready to unleash the Geaney's once again. Rathmore will have Aidan O'Mahony and Paul Murphy from the Senior Kerry team among their ranks but will they enough to stop the Dingle firepower

VERDICT: Dingle

KERINS O'RAHILLY'S V

SOUTH KERRY

Venue: Austin Stack Park

Throw-in time 3.30pm

Probably the tie of the round with the county champions South Kerry travelling to Tralee to kick start their bid for a double. The champions will have gathered a stronger panel than last season with St. Michaels Foilmore returning to the ranks having lost their senior status last season.

Despite this O'Rahillys will feel that they have a lot more ground covered as a team this early in the year having already played 3 rounds of the county league as well as battle with Legion and Milltown/Castlemaine in the Senior Club championship and will be boosted further by the full time return of Tommy Walsh who departed the Kerry Senior panel recently. South Kerry meanwhile have not played a match together since last November and traditionally ease into the championship and could well be in more knock out mode in round 2.

VERDICT: Kerins O'Rahillys

PREVIEWS BY KERRY O'SHEA AND DONAL BARRY

LEGION GAA NOTES

COUNTY CHAMPIONSHIP: The first round of the County Championship takes place this weekend and Legion will face Milltown-Castlemaine in Killorglin on Sunday. Throw-in: 2pm. The game is part of a double-header with Mid Kerry facing off against Kilcummin at 3.30pm.

JUNIORS: The juniors played out two exciting home draws in the East Kerry League last week to maintain their unbeaten record and put themselves in a strong position moving forward. Last Tuesday (3rd) they came from behind to earn a result against Dr Crokes. KJ Griffin, Gavin Moriarty and Derek Twomey were the goalscorers in a 3-5 to 1-11 stalemate. Then on Friday they clawed their way back from a six-point half-time deficit to draw with a very strong Rathmore side, Twomey again amongst the goals along with Conor Culloty whose superb late strike was crucial. Final score: Legion 2-8 Rathmore 1-11.

U-14 BOYS: Commiserations to the U-14 team who were narrowly defeated by Dr Crokes in the County League semi-final. In a tense back and forth game, Legion just about fell to a one-point loss.

SEM SOCCER: Congratulations to the Sem first year soccer team who won the All-Ireland Colleges final in Nenagh last week. Legion players Ryan O'Grady, Owen Benson, William Shine, Christian Casey, Jack McCarthy and man of the match Cian O'Leary helped the Sem to a 2-1 win over Swords of Dublin.

TARA MURPHY: Well done to Tara Murphy who was a member of the Kerry U-14 team who recently defeated Limerick in the Munster semi-final.

RACING: Monday, May 16th is Club Night at the Killarney Race Festival. The centrepiece of the night is a place kicking competition between all the local GAA clubs. Our own James O'Donoghue was the inaugural winner in 2014. This year the club will be represented again and to celebrate the night the Killarney Race Company have given us special admission tickets for just €5. The normal cost is €15 so this is amazing value for what will be a great night's racing and entertainment. Tickets are available from any member of the club executive.

BAZAAR: A reminder that the club are hosting a bazaar on Saturday, June 4th at 12 noon. We're looking for donations of any saleable items, e.g. unwanted gifts, kitchen utensils, candles, photo frames, books, CDs, DVDs, jewellery, games, sports accessories, ornaments, bikes. No clothes please. You can drop items to the clubhouse on Saturday mornings or alternatively contact either Denise (087 8342006) or Carolann (086 1709322) to arrange a drop off.

LOTTO: If you're interested in selling some lotto tickets to help raise vital funds for the club, please contact Seánie Culloty at 087 2225325. Also if you'd like to avail of our Easy Pay system to automatically enter your lotto numbers

every week, forms are available from Seánie, Maura McCarthy, Paul Trant, Dan Murphy, Kevin Griffin or any lotto committee member.

CONDOLENCES: The club would like to offer its sincere condolences to the family and friends of Rita Broderick (née Lyne) of Ballymalis, Beaufort. Rita was the last surviving member of the famous Lynes of Cleeney. Our thoughts are with her daughters Nora Mai, Marguerite, Tricia and sons Murt and Mike at this time.

DR CROKES CLUB NOTES

JUVENILE FOOTBALL:

ACADEMY: Kerins O'Rahillys boys and girls teams will be travelling to Lewis Road on Saturday 14th May, to play our under 6, under 8 and under 10 teams. Could all Crokes players please attend.

UNDER 8 GO-GAMES: The U8 boys continue their Go-Games in Spa this Friday, 13th May at 5.30pm.

UNDER 14: On Wednesday, the Amber team recorded a fantastic 4-12 to 2-8 victory over Austin Stacks and now qualify for the county final. Twenty-four hours later, the Black team followed suit and booked their place in the county division one final. They overcame local rivals Legion in a hard-fought 4-8 to 3-9 win in Direen.

UNDER 16: The U16 team were very unlucky to lose to Firies in the East Kerry League final on a Sunday evening in Beaufort. It was closely contested game with solitary point separating the sides in the end. The final score was 4-4 to 1-12.

GIRLS: Mixed results but two good performances for our girls over the last week. With the original fixture abandoned due to a severe thunderstorm, we met near neighbours Spa to determine the destination of the league points. An end to end game resulted in a Crokes win with all our 23 players contributing. Particular mention to Captain Julie Delaney whose energy drove us over the line in the closing stages. Our second rearranged fixture home to Beaufort stretched our sizeable squad to its limits with a number of players missing for a variety of reasons. However we produced some lovely possession football but were undone by the concession of some fortunate goals by the opposition which gave a deserving victory to Beaufort on the day.

Young Emma Kelly was the pick of the Crokes players for her confident display in possession but all the team battled right to the end.

CONGRATULATIONS: Congratulations to Kerry Munster Under 16's Champions especially to Dasha and Kate.

SPA CLUB NOTES

COISTE NA NOG: U12 BOYS: Played away to Ballyheigue this weekend. Unfortunately, after a strong showing in the first half, a stronger Ballyheigue side, pulled away from us in the second half. Good performances from our goalkeeper Steven Wickham, Christopher Healy, Rian O'Neill, Timmy Moynihan, Cathal Kelly and David O'Sullivan kept us in the game. This is a very young team with great potential.

LADIES FOOTBALL:

U12 GIRLS: SPA 3-3 RATHMORE 4-1

This was a cracker of a game with only a point to separate both teams in the end. Great play by Emma Morrissey, Elaine Kelly, Ailsing Cahill, Laura O'Carroll Aoife O'Donoghue and Leah O'Donoghue.

U14 GIRLS: The girls were very busy this week with 2 games. First up we played Dr. Crokes in Spa. A close game until the last few minutes when our neighbours scored some excellent scores. Great play by Elena O'Donoghue, Erin Holland, Ciara Moynihan, Grace Courtney, Aoibhe O'Doherty, Sarah O'Sullivan and Clodagh O'Connor. Second game was also at home to Listowel. Another great game and we lead by a healthy margin at half time. Our visitors came back at us but we held off their advances to win on the night. Excellent play by Caoimhe Claffey, Jenny Cronin, Sarah Fleming, Grainne Spillane, Orlaith Spillane, Marie Courtney and the energiser bunny Liadh Beazley.

SENIOR LADIES CHAMPIONSHIP:

SPA/RATHMORE 1-12

CASTLEISLAND 2-21: Met Castleisland in the final last year and proved a great day for us but the spoils went to Castleisland this weekend. Missing a few key players through injury. Fought hard with excellent play by Sarah Murphy, Karol Fleming, Claire Moynihan and Sinead Cronin.

BEAUFORT SENIORS: Sponsored by Maurice Foley of MF Decorating hosted Listowel Emmets in the replay of their County Junior Championship clash on Saturday 30th April. Half time score Beaufort 0-6 Listowel Emmet's 1-7 and Full time score Beaufort 0-10 Listowel Emmets 2-10

BEAUFORT U16 BOYS: Sponsored by Killarney Credit Union completed their Eastern Region League campaign without a win when they went down to home side Gneeveguilla on last Monday evening. In a first half, where they were completely over run by the hosts, Beaufort failed to score and went in at the interval 5-11 to 0-0 in arrears. An improved second half performance followed from Beaufort highlighted by a fine individual goal by Ian McGillycuddy. Final Score: Gneeveguilla 5-21 Beaufort 1-4.

BEAUFORT U14 BOYS: Sponsored by Sean Coffey of Kate Kearneys Cottage played at home on Wednesday and put in a very strong performance against Na nGael. At half-time, Beaufort were behind by 5 points. Beaufort 2 - 4 (10) to Na nGael 2 - 9 (15). Beaufort played a better second half and scored 1 - 4 to Na nGael's 1 - 5 in second half. However, they were not able to make up the 5 point difference from first half. Stefan Caulfield-Dreier put in a great performance as did Niall Carey and Sean Kissane. Final score Beaufort 3 - 8 (17), Na nGael 3 - 14 (23). They travelled the lovely scenic road to Cahersiveen last Thursday to face St. Mary's, a match that was cancelled earlier on in season. Beaufort had played Na nGael the previous night in Beaufort and unfortunately lost that one. However, the trip to Cahersiveen was definitely worth it, with Beaufort coming away with a great victory. Final score Beaufort 5 - 9 (24), St. Mary's 2 - 4 (10)

They continued their travels to another lovely part of Kerry to meet Castlegregory, last Wednesday, for the County Division 3 semi-final and came away victorious, after what can only be described as a heart-stopping match. Beaufort started out very strong and quickly put points over the bar and looked in good control of the game. Then 3 quick goals from Castlegregory suddenly changed everything and Beaufort found themselves 11 points down towards end of first half. Beaufort stayed calm and continued taking their points with some lovely points scored by Sean O'Brien, Jack O'Leary & Niall Carey. Half-time score was Beaufort 0 - 12 to Castlegregory 5 - 6. Castlegregory had a 9 point lead heading into 2nd half, so Beaufort had a lot to do. Strong performances from Max Doyle, Oran Smith & Ethan Coffey were crucial and great team spirit from entire team made all the difference.

Slowly but surely, they took their chances and gained on Castlegregory. It was hard to believe it was the same game we were watching and excitement mounted as Beaufort caught up and then passed out the Castlegregory scoreline. Great work from the backs ensured Castlegregory only scored 2 points during the entire 2nd half of the game. Final score, Beaufort 4 - 17 (29), Castlegregory 5 - 8 (23).

KILLARNEY RFC NEWS

YOUTHS AWARDS: Last Friday night, we held our Youths Awards Night at the Killarney Oaks Hotel. A fantastic attendance including players, families, coaches and guests were on hand on the night. Tom Campbell, KRFC Youths Manager started proceedings by welcoming everyone and invited Club President Mike Fuller to say a few words on behalf of the club. Mike congratulated everyone on completing what was a tough season, particularly the players and coaches for their hard work across the season. Both deserved recognition for their commitment through thick and thin in what was undoubtedly the worst year weather wise in a long time. Mike stated that these players are the future of the club and after years without a home, our club finally have a home to call our own. Finally he thanked Tom and the parents for their hard work this season.

Tom then asked Shane Tydings, a KRFC clubman and member of the Munster Association of Referees to say a few words. Shane discussed rugby from a referees perspective and said referees are facilitators and are not there to catch players out. "A positive attitude" is the most important attribute for a player and team to have, said Shane. Tom thanked Shane before proceeding to hand out the awards. He repeated the congratulations to the players, acknowledged their hard work and stated that anyone in the room could have won the awards given the hard work and attitude shown by all across the season. He thanked the coaches at each age grade for their hard work and commitment shown across the season. Finally before presenting the awards, he thanked Eamonn Courtney and all at the Killarney Oaks for their continued support.

Tom then presented the awards with help from the coaches. **The Winners were:**

KILLARNEY ATHLETIC NOTES

RESULTS: SENIOR DIVISION 1A

KILLARNEY ATHLETIC 0-0 QPR: A great fighting spirit from the athletic boys who lost goalkeeper Felim Jacob to injury before the game. QPR are fighting for promotion while Athletic are battling at the other end. Athletic lost Mark O'Shea to a late challenge from Qpr's George Dobbins midway through the first half. QPR had the better chances until George was later sent off for a late and high tackle within minutes and Athletic with the extra man had attacks through Daniel O'Sullivan and Eamonn Lavin but were unable to hit the back of the net. This result proves that when full team available, athletic shouldn't find themselves in this position. Ballyhar at home Monday night where a win will give momentum into the final few games.

TUCKER KELLY SHIELD

KILLARNEY ATHLETIC 3-1 ASDEE: This was a very sporting contest between 2 well drilled sides. Athletic had a few chances to begin the game but a counter attack and a solo run and goal by Alec Laurent for Asdee after 15 minutes gave Athletic a wake up call. The ever lively duo up front of Fionnbharr Hickey and Jason Coffey combined on numerous occasions and Jason got 2 goals in quick succession to take the lead into half time. Into the second half, the next goal would be crucial and plenty of chances for both teams, a long ball over the top for the on running Mark Fennell went round the keeper to finish to an empty net. A great team performance with Jason Coffey named man of the match. A big thanks to the parents for drives and support. Well done to coaches Donie and Diarmaid and hard luck to Asdee. The boys now have a chance for the league title against Mastergeeha in their next game.

MEN'S CLUB RESULTS AND REPORT: Club Captain Liam Hartnett wishes to advise all of those who may be interested, that the Men's Club trip to Southerndown, in Wales which was postponed from last year due to it coinciding with the rugby world cup, will take place on the last weekend of August next, priority will be given to all of the previous participants, but as extra numbers are being considered then any member of the Men's Club who may have an interest in travelling should make that fact known to Liam asap.

The trip will include three rounds of golf, one in the south east of the Country, and two in Wales, at our host club and a second at Pyle and Kenfik, as full details are being finalised then further information will be available from Liam and from Men's Committee Member's.

Liam was very pleased that two of our Men's Club teams that were participating in team competitions recently, both advanced to the next round. "The Kingdom Shield" team first round, which is for the Club Senior team's was played on Killeen on the 7th of May with Killarney Vs Ring of Kerry, finished with all three of our pairings recording victories. Simon Gallivan and Luke Walsh won by 4 holes, Ronan Kelliher and Niall McCarthy won by 1 hole and Shane Horgan and Darren Mulcahy won by 3 holes. Liam remarked that the team was a mixture of experience and youth, and that it was a great experience for those youngsters to take part in a team competition at the very highest level, especially with a win over the existing reigning champions.

"The J.B. Carr" team which consists of member's of more senior age, played their second round against Ceann Sibeal on the 6th of May on Killeen, with all five of our pairings either winning their match, or being up when their match was called in, as Killarney had already secured their victory.

Con Healy and John Wall won by 3/2, Seamus O'Connor and Donie McSweeney won by 2/1, Enda Curtayne and Dermot Roche were one up on the 18th green, Derry O'Connor and Padraig Griffin were one up on the 17th, when John Hickey and John Clifford secured the win by 4/3.

The next outing for the team will be on Friday 13th of May when they play Waterville at Waterville, this is the first

leg of a regional final played on a "home and away" basis.

The Club Fourball betterball competition qualifier was played on Killeen on the 8th of May, with 74 pairs participating, in the competition, with 31 pairs qualifying to join the Club Captain and his partner in the knock-out stages.

The competition was sponsored by Gallivan Murphy Hooper Dolan Insurances and Estate Agents, and the scoring was just phenomenal with only two of the thirteen pairings on 38 points qualifying.

1st Seamus Doheny (20) and Fergus Houlihan(10), 47 points (back 9 holes).

2nd Brendan O'Toole (3) and Conor McNiece (6) 47 points.

3rd Tim Kiely (10) and Colin Feeney (11) 44 points.

4th Patrick Buckley (16) and Jason Arthur(6) 44 points.

Sunday the 15th of May competition will be a single stroke competition on Mahony's Point, sponsored by Liam Killeen Electrical.

The "Pierce Purcell" team will have their first (hopefully) outing of the season on this Saturday morning the 14th of May, when joint Team Managers Sean Duggan and Johnny O'Connor bring their team to Kanturk to play Doneraile in the first round of the competition, Doneraile have always proven to be formidable opponents, and it will take a very great effort to overcome such opponents.

Liam Healy team manager of the Club's Junior Cup team wishes to advise that any player wishing to be considered for selection on the team should put his name on the list which is now on the Club notice board.

BOYS U16 EAST KERRY LEAGUE DIV 1B RD 5 Our U-16 team took on Kilgarvan/Tousist in the final game of the EK U-16 league. Unfortunately we took to the field without 4 of our more consistent performers and it showed as we were well beaten by a much more physically stronger combo. The lads tried hard to the end, but it's now onto preparation for the County League. Best on the night were Anthony Keefe, Mark Donnellan, Eamon Murphy and Eoin Talbot. Final score Fossa 0-6 Kirgarvan/Tousist 3-16. Boys U16 East Kerry League Div 1B RD 5

LÁ NA GCLUBANNA: Fossa celebrated the return of the GAA Lá na gClubanna last Sunday at the Fossa pitch. There was training as usual for the under 6/8/10 academy before the festivities started. The day started with the raising of the national flag and playing of Amhran na bhFiann by members of the Fossa school band, accompanied by Mike Cronin. This was followed by a fantastic barbecue, hosted by Freeda and John Sheehan, and a big thank you to both for this. Once everyone was fed the games commenced and by all accounts a great day was had by all, young and old. One of the

highlights of the day was the visit of the Hogan Cup, accompanied by Fossa's star in the final, David Clifford.

U 12'S: Fossa ladies U12 had a home match vs Southern Gaels in the preliminary round of the County League last Tuesday. The Fossa girls played well, but Southern Gaels were much stronger throughout the field scoring 6 -12 vs Fossa 0-4. The Fossa girls have now played all four games in the preliminary round, won 2 games and lost 2. They now await confirmation as to which Division they will play in the County league.

U14'S: Fossa U-14 ladies played legion last Friday evening in Fossa in Rd 3 of Division 2 of County league. Whilst the teams were closely match, legion got 3 goals and the saying goes - goals win match. Final score Fossa 0-12 to Legion 3-13. Next up for these ladies, will be away to Scartaglin on Sunday 15th May.

U16'S: These ladies were at home to Southern Gaels last week in Rd 3 of Div 1 County League. Fossa ladies continued their league performance with sheer skill and determined winning out on a score line of 2-16 to 3-2. Fossa have a bye in Round 4, so they won't have another match until end of June. To date they have 7 points, leading the league table.

KERRY U16'S: Congratulations and well done to the Kerry U-16 team who are once again Munster Champions, overcoming Cork in a close encounter in Mallow this weekend. Three Fossa Girls were in the starting line out and contributed enormously in ensuring Kerry were retained as Munster Champions. Well done to Anna O Reilly, Erica McGlynn and Anna Clifford.

CONGRATULATIONS: Well done to Emmett O'

Shea who starred for The Sem in the All-Ireland Post Primary Schools 1st Year Soccer final in Waterford last Wednesday, an up and coming star, hopefully it is the first of many medals for this talented young man.

EXAM STRESS

Last week we looked at some practical ways that you can reduce the pressure around exam time. So now it's time to plan how you are going to study over the next few weeks. It is important to study in

a location where you can concentrate and won't be interrupted. Studying with others or as part of a study group can be helpful, but be careful to keep it from turning into an opportunity to catch up on the latest news and gossip.

Just as we are all different in many other ways, we also have different learning styles – so try out some of the following and use what works for you.

EFFECTIVE TIPS FOR REVISING

1. Make Summary Notes: Condense your class notes and reading by pinpointing key terms and concepts and make sure that you understand them. Writing these notes can help you to retain more information. You can recite the summary notes out loud, and even record and listen to them.

2. Use Flash Cards: Flashcards are very helpful tools to remember information. You can condense your summary notes into bullet points, keywords, lists, formulas and diagrams and place them onto a card for each topic. They are also easy to carry around so you can look at them anytime.

3. Quiz Yourself: Why not make up your own mock exam to test yourself. Write down a list of the keywords or questions and leave room underneath each one. Then pretend to take the exam and write down as much as you know about the topic under each keyword. If you do this with your study group it can even be fun!!

4. Practice under exam conditions: Practice going over past examination papers – in the same amount of time as in the exam. Although you are only practicing try writing the full answers to the questions so you can work through the entire thought process. Check your answers so you can assess your strengths and weaknesses and go back and study any area which you feel weak on.

5. Create memory aids such as Mnemonics and Diagrams Mnemonics are tools that can help you to remember formulas, keys concepts, definitions etc. Jot down these mnemonics or diagrams before you start answering any question. In that way, you can refer back to your plan when writing your answer, without fear of forgetting what you were going to write next.

If you feel stressed or overwhelmed, it is important to speak with the adults in your life. They may not be aware of just how much pressure you are feeling to get everything done. Talk to a parent, teacher or counsellor, and ask for help in dealing with stress.

A WORD OF VICTORY

Welcome back dear reader Jesus gave an important warning that before His return offences would increase and many people will be offended, and woe to the one who causes the offence (Mathew 18:7; Luke 17:1-4). Some years ago a family came to Word of Victory for healing ministry. One of them - a man in his sixties, having seen his wife and brother-in-law being instantly healed through prayer in the power of the name of Jesus, asked for a prayer for himself. The Lord led me to talk with him privately in another room. I got a specific impression in my spirit that fifteen years before he had an issue with someone about money. He said that was true and that his best friend and neighbour mistook a joke this man had made - all over just ten shillings. The friend became very aggressive and could not be pacified. It ended up in court, with even the judge counselling the neighbour to be reasonable and cop on. The end result was these great friends became enemies and he bore a secret which none of his family ever knew. I asked him had he ever forgiven his friend and he told me that he had at the man's funeral. I explained to him about offences and what they do to our minds and to our physical bodies. I led him in a simple prayer of forgiveness in the Name and Person of Jesus. He jumped up from the chair holding on to his hips crying "it's gone, it's gone!" I asked him what was gone and he told me that for years he had been in and out of hospitals and gone many places seeking help for the relief of what had felt like an iron band twisted around his hips which caused him terrible, constant pain. Praise God he was instantly healed! Offence had caused this man's loss of peace for many years, but forgiveness in Jesus' Name released him, and restored to him his health (Mark 2:1-12). More next week....

NOVENA TO ST. MARTHA

O ST. MARTHA, I resort to thee and to thy petition and faith I offer up to thee this light which I shall burn every Tuesday for nine Tuesdays. Comfort me in all my difficulties thro' the great favour thou didst enjoy when Our Saviour lodged in thy house. I beseech thee to have definite pity in regard to favour I ask (mention favour). Intercede for my family that we may always be provided for in all our necessities I ask thee St. Martha to overcome the dragon which thou didst cast at thy feet. One our Father and three Hail Marys, and a lighted candle very Tuesday and the above prayer made know with the intentions of spreading devotion to St. Martha.

Never know to fail.

FIRST ANNIVERSARY & ACKNOWLEDGEMENT

In loving memory of

MARY CASEY
(NEE SHEEHAN)

Knockmanagh, Killarney, who passed away on May 14th 2015.

On the first anniversary of Mom's death, we her family: Eileen, Patsy, Catherine, John, Peg and Cecilia together with our families and our extended family wish to thank all those who supported us in our sad loss. We would like to thank all those who attended her home while she was reposing, her removal, her requiem mass and burial, especially those who travelled a distance. We would like to acknowledge those who phoned, sent Mass Cards, enrolments, letters of sympathy and floral tributes. We would especially like to thank our relatives, neighbours and friends who assisted us during Mom's short illness, those who visited her at home and in hospital, and also those who helped during her funeral.

We wish to gratefully acknowledge the caring support of the doctors and staff from The Ross Medical Practice, South Doc, Public Health Nurses, Home Carers and the Ambulance services. Additionally, we would like to express our appreciation to doctors, nurses, chaplains and staff of the Clonfert Ward of University Hospital Kerry and the Palliative Care team for the excellent and sympathetic care given to our Mom during her final days.

A word of appreciation to O'Shea's Undertakers and their staff for their professionalism and courtesy. Furthermore, we wish to offer sincere gratitude to Fr. Kieran O'Brien for his first Friday visits, hospital visit and the very thoughtful Requiem Mass. We would also like to thank the musicians and singers who participated at the Removal, the Requiem Mass and at the graveside. As it would be impossible to thank everyone individually, please accept this acknowledgment as a token of our appreciation. The Holy Sacrifice of the Mass will be offered for your intentions.

*Day is Done
The light of God shines
Work is Over
Rest with God has come
Journey has Ended
A home in God is found*

*They say there is a reason,
They say that time will heal,
But neither time or reason,
will change the way we feel.*

*For no one knows the heartache
that lies behind our smiles,
No one knows how many times
we have broken down and cried.*

*We want to tell you something
so there won't be any doubt,
You're so wonderful to think of
but so hard to be without.*

*We cannot bring the old days back
When we were all together,
The family chain is broken now
But memories live forever.*

Sadly missed by your son Jimmy, daughters Brid, Lizzy, Mary and Marguerite, son in law Paul, daughter in law Lorraine and grandson Jamie.
