GOLF CLASSIC IN MEMORY OF SHEILA MAC

Friends and family of the late Sheila Mac Kelliher have joined together to host a series of events in her memory, to raise funds for the Kerry Hospice Foundation. The Killarney mother-of-two, whose first anniversary occurred on January 31st, passed away after a brave battle with illness. The next event will be a two-day golf classic which will take place on the Mahony's Point course in Killarney Golf and Fishing Club on Thursday, May 4th and Friday, May 5th and an estimated 320 golfers are set to take part. The golf classic was launched this week by Colm Cooper who joined family and friends of Sheila.

There will also be three walks in memory of Sheila Mac – as she was known to most – have also been organised for Friday, May 5th. The 3km, 5km and 10km routes will take walkers through the beautiful Knockreer Estate. Registrations for both walks will take place at Killarney Golf Club

on the day of the event. The first of the fundraising events was held in February, there was a coffee morning held in the Dromhall Hotel which raised a staggering €7735. A fantastic achievement for

all those involved. Kerry Hospice Foundation funds a wide range of palliative care services throughout Kerry with the care provided by a specialist team and their mission is to enable people with life-

threatening illnesses to love life to their full potential. For further information on the upcoming events contact Vincent on 087 2461599, Maurice on 087 6863269 or Tomas on 087 2589194.

WARNING FOR KILLARNEY'S DOG OWNERS

The All Care Veterinary Hospital on the Park road, posted a warning to all dog owners in the Killarney area this week. Danny O'Sullivan, owner of the practice, also known as Danny the Vet from Radio Kerry, posted an urgent warning for all dog owners in the Killarney area, he stated that they are seeing some very unusual poisoning cases in dogs in the last few days. The symptoms are; sudden onset of stiffness and nervous tremors in previously perfectly healthy dogs leading quickly to extensor spasmic seizures which persist and these dogs get progressively

worse. "I haven't seen cases like this since strychnine was banned several years ago. We don't know yet what the poison is yet" he said. All Care offered the following advice to keep your pet safe.

- 1) Keep your dog on a lead in public areas when walking.
- 2) If your dog scavenges consider a muzzle.
- 3) Don't let your dog wander unattended.
- 4) If you notice any of the above signs bring your dog in instantly for veterinary treatment.
- 5) Report any sudden unexpected deaths in pets.

5000 TAKE PART IN MOST SUCCESSFUL COUNTY CLEAN UP EVER

LUCKY LINDA... WINNER OF THE KWD VOUCHER WAS LINDA BRENNAN OF BALLYHAR, SHE IS PRESENTED WITH A GIFT VOUCHER OF A YEARS FREE COLLECTION WORTH €300 FROM NOEL O'REILLY, KWD, AT THIS YEARS KWD RECYCLING COUNTY CLEAN UP DAY..PHOTO:VALERIE O'SULLIVAN

The sun shone and volunteers came out in their droves for the 6th Annual County Clean-up, which is facilitated by KWD Recycling with the help of Kerry County Council and tidy town committees in Kerry and West Cork. Beginning in 2011, this was the first County Clean up in Ireland with many counties now beginning to mimic due to its success. Attendance was at an all-time record again this year with over 5000 volunteers signing up all over Kerry alone and 23,000 KWD Red Bags distributed between them. KWD staff, family and friends were again on hand

this year calling to all the various groups to offer support and also helped pick litter off some roads in West Kerry.

A great day was had by all who attended the county wide initiative all across Kerry and West Cork and the benefits are immediately noticeable with a cleaner and greener environment that is visually more welcoming coming into the important tourist season. Many early reports from groups indicate that the amounts of litter on our roads this year was down on other years which hopefully means that people

are getting the message and throwing less litter out on our roads. One of the most noticeable contributors to litter along the roads, yet again, this year was plastic drinks bottles, drinks cans and tea/coffee cups which were constantly strewn all along our roads. There were also the usual crisp and chocolate bar wrappers and plastic bags. Organisers would appeal to everyone in the county to stay conscious of how we dispose of our waste when driving, and ensure that all waste is disposed of at home and not along our roads. We must now

turn the focus on keeping all our roads as clean as possible by being more careful and ensuring waste does not end up on the road in the first place for someone else to pick up. The organisers wish to take this opportunity to thank the over 5000 volunteer's right across the county who signed up this year and participated. The mammoth task of collecting all these bags began Monday by KWD Recycling and will take over a week to collect from the different collection points that have been arranged all over Kerry. Well done everyone, lets "keep it clean".

AHERNS NEW ROBOTIC HELPER

That's where you come in.... Aherns pharmacy is offering customers the chance to choose a name for their brand new dispensing robot.

Pharmacy owner Dan Ahern said the main idea of the machine is to allow Dan & his pharmacy team more time to their customers.

"Since 2014 we have been working on implementing a forward dispensing workflow in the pharmacy, the aim of which is to move the pharmacist out to the front counter of the pharmacy directly interacting with the customer rather than the traditional method of the pharmacist being in the back of the dispensary.

The Willach Consis pharmacy robot, which was installed in January of this year, is the final piece of the jigsaw in implementing our forward dispensing workflow."

"The benefit of the pharmacy robot along with the forward dispensing model is that

it enables us to be more accessible to our customers and better allows us provide expert advice & service" Dan said.

Automated dispensing doesn't just make life easier for the team at Aherns Pharmacy; it can also reduce the wait for prescriptions. Around the world the new robotic systems have been credited with reducing mistakes with prescriptions, allowing stocks to be managed better and increase quality of patient care.

Customers can drop in to the pharmacy and put their suggestion for a name in the competition box before the winner is announced at the end of April.

Aherns Pharmacy Gift Vouchers will be on offer for the promotion which will reward the cleverest ideas to name the robot - the winning entry receiving a €100 voucher and 4 runners-up receiving a €25 voucher each.

DAN AHERN OF AHERNS PHARMACY FARRANFORE WITH STAFF MEMBERS WHO ARE LOOKING FOR A NAME FOR THEIR LATEST MEMBER OF STAFF, THEIR BRAND NEW DISPENSING ROBOT. AHERNS ARE OFFERING A €100 VOUCHER TO THE PERSON WHO PICKS THE MOST APPROPRIATE NAME FOR THE ROBOT WITH FOUR €25 RUNNER UP PRIZES ALSO. SEE INSTORE FOR MORE DETAILS.

ITS ALL TO PLAY FOR AS GLENEAGLE BAND RAISE FUNDS

VINCENT CONDON, DIRECTOR, GIVING INSTRUCTION TO THE GLENEAGLE CONCERT BAND AS PART OF THE STREET ENTERTAINMENT AT THE KILLARNEY SUMMERFEST FAMILY FESTIVAL ON THE STREETS OF KILLARNEY AT THE WEEKEND. PHOTO: VALERIE O'SULLIVAN

The Gleneagle Concert Band will host a fundraising race night at The Gleneagle Hotel on Saturday, May 13 at 7.30pm to raise funds for their upcoming tour to the South of France. The Killarney based community band will perform two concerts, in Monaco

and Cannes, under the baton of band conductor Vincent Condon in August 2017. They will be joined on the tour by The Blarney Brass and Reed Band. This will be the band's sixth foreign tour, having previously visited Holland in 1985, Germany in 1989, Austria in 2002,

Paris in 2007 and Lisbon in 2013. Band conductor Vincent Condon commented: "The band will perform two open air concerts in the centre of Monaco and Cannes. This will be a wonderful spectacle as between our own band and the Blarney Brass & Reed Band there will be close to 100 musicians performing on stage. This tour will be an excellent musical and cultural experience for band members and we are once again extremely proud to be representing Killarney and Kerry abroad." Band manager Ciaran Lynch says: "There are many hidden costs when taking a band on a foreign concert tour. Members pay for flights and accommodation themselves but the band must fundraise to pay for concert venues, hiring percussion equipment transporting

instruments and music stands, bus hire, insurance etc."

Parents and band members have been working tirelessly to fundraise for the trip and will be calling into businesses in Killarney throughout April to sell ads for the Race Night programme. A half page ad for the Race Night programme is €50, full page ad is €75 and to sponsor a race is €125. "We are appealing to local businesses to support Killarney's town band and any assistance would be greatly appreciated," says Ciaran. Any enquires regarding the race night or if you wish to enrol your child in lessons in The Gleneagle School of Music and/or as a member of The Gleneagle Concert Band (past members and adults with previous musical experience are also welcome) can contact the band at 087 2229513.

IRISH CANCER SOCIETY WELCOME REVIEW OF CAR PARKING CHARGES

The Irish Cancer Society has welcomed news that the South/South West Hospital Group will review car parking policy for cancer patients across the six hospitals that offer cancer treatment. The group includes Kerry General Hospital, where cancer patients already receive free parking. The Society has been campaigning to 'Park the Charges' for cancer patients and said this is

an important first step in reducing the excessive financial burden these charges place on cancer patients. Of the six hospitals in the South/South West Hospital Group that offer cancer treatment and have a hospital on-site, only Waterford Hospital doesn't provide free parking or concessions for cancer patients. Meanwhile, the South Infirmary Victoria Hospital in Cork, has decided to introduce

a new reduced daily rate of €5 for cancer patients. There is strong public support with over 3,000 signatures to the Irish Cancer Society's online petition calling on hospitals to 'Park the Charges'. The Irish Cancer Society has said it will continue to campaign in communities across the country to reduce the financial burden of cancer. For more information on the Irish Cancer Society's 'Park

the Charges' campaign visit www.cancer.ie

KILLARNEY ARTIST'S SHOWCASE IN CORK

CONOR CRONIN

DEIRDRE MOYLAN

AMANDA LYNCH

Three local artists will be taking part in the Crawford College of Art and Design (CCAD) degree show which takes place in June. Landscape painter, Amanda Lynch from Glenflesk, portrait artist Deirdre Moylan from Fossa and mixed media artist, Conor Cronin from Greeveguilla will be showcasing their latest work at their final year show 'Beyond Dialogue'. The free event opens on the 9th June from 6-9 pm at the CCAD campus on Sherman Street in Cork city. The show will continue from Saturday

10th – Friday 16th June. The exhibition 'Beyond dialogue' is the culmination of four years work by the artists from CIT Crawford College of Art and Design's fine art and contemporary applied art degree programmes. In this seminal event in Cork city, the entire building of Sharman Crawford (near St Finbarr's Cathedral) will be given over to showcasing exciting artist installations in a wide range of media including; drawing, sculpture, photography, digital media, print, painting, textiles, glass and ceramics. The

meaning behind the title 'Beyond Dialogue' is as follows - a picture can say a thousand words, art can speak volumes but can also leave you speechless. Today through the media and internet forums people are saturated with imagery and artwork thus we are now in a world where art has entered the realm of being Beyond Dialogue. The degree show will be a fantastic event, showcasing local talent from Killarney.

ANNUAL WALK TO BENEFIT AUTISM SUPPORT GROUP

BACK L-R ANGELA & MATT CAHILLANE, MARY & CONNIE NAUGHTON, IRENE HEFFERNAN CHAIRPERSON MID KERRY AUTISM GROUP, MARION O'SULLIVAN, AILEEN SWEENEY, COLM HEFFERNAN, LINDA DALY SECRETARY OF MID KERRY AUTISM GROUP, JOHN MULVIHILL RED FOX INN, SIOBHAN O'LEARY, PATRICA COFFEY, LINDA AHERNE AND PAT DONOVAN.

The Killorglin/Mid Kerry Autism Support Group will be the beneficiaries of the annual walk to St Finian's Holy Well Comane

Glenbeigh on Easter Monday April 17th from The Red Fox Inn Glenbeigh. Registration from 12 noon walk starts at 1pm,

with special guest John Lenihan starting the walk this year, €10 each, €5 per child or family €20. Mass will be held at The Holy Well at 2pm followed by an auction raffle and refreshments afterwards at The Red Fox Inn with plenty of prizes on offer. Entertainment will be provided by Liam O'Connor and O'Donnell Abu and it promises to be a great day out. The Killorglin/Mid Kerry Autism Support Group was set up a few years ago to support the parents of autistic children in the Mid Kerry Area. The main aim of the group is the inclusion of the kids in social and community activities run locally. They meet every few weeks to organise various activities. "A lot of the children are now moving to secondary school and after national school there very little for them it is as if the autism has gone when they depart the national

school system, this is of course untrue It is so hard for the parents with all the cutbacks as these services are vital for the children", a spokesperson for the group told the Killarney Outlook.

The group are hoping to set up a social group where they can meet up once a week and they can avail of different therapies. As no two children with autism are the same, activities they are hoping to include are swimming, horse riding, surf lessons, reflexology, yoga and drama classes as well as speech therapy. The group fundraise on a regular basis and are delighted to be this year's beneficiary it will be a major boost for the group. LET'S GO DANCING WITH TY STUDENTS

Transition year students from St. Brigid's and St. Brendan's secondary schools took to the stage at the INEC on Monday the 3rd of April, to showcase their talents to a packed house.

This collaboration between the two schools highlighted their dancing and musical skills with group and individual performances by the students. A huge turnout of support for the students resulted in a packed INEC with many families and friends attending the event. The audience was very appreciative of the students' talent. The judges on the night were Cllr. John Joe Culloty, Elaine Daly, Mish O'Donoghue and Shane Enright and they had the unenviable task of selecting

the winning dancing pairings. Judges' choice winners were Jillian Courtney and Cathal Swords. The competition winners were Orla Mehigan and Oisín O'Connor. The TY's were trained over a five week period by Joe Burkett and Joanne O'Connor, who both run successful dance schools in North and South Kerry. The students learnt the Cha Cha, the Charleston and the Paso Doble dances. The show could not have taken place without the work of the TY Co-ordinators, Bridget Lucey and Ber O'Connor. They would like to thank their sponsors who provided prizes for the raffle on the night. It was a resounding success and a great night was had by all.

COUNCILLOR GLEESON RAISES LOCAL ISSUES

At the recent Municipal area meeting Councillor Michael Gleeson proposed the following Motions;

That the Council would eliminate the terribly uneven surface on the short length of exit roadway to the rear of the taxi area in the Glebe car park.

The Council replied that it is seeking quotations to carry out repair works on this section of roadway and hope that the problem will soon get solved. The problem is caused by the materials deposited under the existing road that

CLLR. MICHAEL GLEESON

is decomposing. That the Council would in the interest of environmental enhancement

and of the welfare of the bee population plant flowers and appropriate shrubs on the green area at the Abbey Cross, Muckross at the junction of the L. 3015 and the N.71 roadway. The Council replied that flowers and shrubs will be planted at this junction and that the planting will be of a height that will not impede the visibility for road users exiting onto the N.71.

Councillor Gleeson welcomed both positive replies as the works on completion will enhance the areas in question for all road users."

RATHMORE STUDENTS ENJOY A 'BOOK AND BAG' FREE DAY FOR THEIR WELLBEING

SLIABH LUACHRA NS WELLBEING DAY ORGANISED BY THE AMBER TEAM IN THE SLIABH LUACHRA NS, RATHMORE LAST FRIDAY. PICTURED FRONT L-R EEABHA DWYER, EMILIA WOJTASZEK, JAMIE HARRINGTON (GUEST SPEAKER), ELAINE O'SULLIVAN, (JIGSAW, FORMERLY TEENLINE), JOE O'CONNOR (IRELAND'S FITTEST FAMILY), NIAMH DWYER (TEACHER AND ORGANISER) AND REBECCA TWOMEY, BACK L-R MICHELLE O'SULLIVAN, RACHEL MCGUILLYCUDDY, DARIA CICHON, ANTHONY DARMODY, SHAUNA DAVIES, DERRY MCCARTHY, AOIFE O'SULLIVAN, SHONA GLEESON, AISHLING BROSNAN, CATHAL MCCARTHY AND RAFAL HARASIENSKI. PHOTO: MAREK HAJDASZ (MH PHOTOGRAPHY)

Students from Scoil Phobail Sliabh Luachra in Rathmore kick-started their Easter holidays with a renewed sense of wellbeing following the success of a 'book and bag free' day, organised by the Amber Team on Friday last, the 7th of April. Staff and students took some time-out from academia to focus on their physical and mental wellbeing for the day and in doing so have some fun. The day began with a 4 mile walk for students and staff followed by refreshments on return to the school. From mid morning the entire school community gathered together in the gym which was transformed into a sea of orange for the day, for a tremendous line up of guest speakers. In line with the theme of the day 'A healthy outside starts from within', speakers inspired the audience with their expertise and experience in physical and mental wellbeing. Speakers included: Joe O Connor (Sport and Performance Expert and mentor on Ireland's fittest family) who

talked about the physical, social and psychological benefits of exercise.

Jamie Harrington from Ballymun in Dublin, who captivated the teenage audience with this own story of dealing with anxiety, told with lots of humour.

Kieran Donaghy (Kerry footballer, member of the international basketball squad and author of 'What do you think of that?') who encouraged students who were having difficulty at school to try to work as hard as they could, to avail of what help was available to them and to find something that they were passionate about and follow it.

Fionn Fitzgerald (Kerry captain and lecturer in Health and Leisure at IT, Tralee) talked about the importance of striking a balance in life from a young age and developing a 'can-do attitude'.

Elaine O Sullivan (Support worker, Jigsaw Kerry) who encouraged students to avail of support services available to them.

Elma Walsh (Donal Walsh Livelif foundation,) who inspired students with Donal's courageous battle, encouraging students to live the life that he couldn't.

Derry McCarthy, head-boy of the Student Council excelled as MC for the day, bringing his own energy and humour to proceedings.

The day ended with a Lip-sync battle between staff and students which was judged by DWTS winner Aidan O Mahony who is a past-pupil of the school and Elma Walsh. Aidan spoke of his experience on the show and encouraged students to move outside their comfort zone when they got the chance to do so. He thoroughly enjoyed being on the other side of the judge's table for a change and having the chance to put some of his former teachers through their paces. Ultimately the students pipped the teachers at the post for glory. Proceeds from the Easter raffle and non-uniform day are going to the Donal Walsh #lifelife foundation.

The idea of having a Wellbeing Day was the brainchild of the Amber Team, made up of students from 2nd, 4th and 5th year and led by guidance counsellor Niamh Dwyer which was established in January. They have been working hard on raising awareness about mental wellbeing and worked tirelessly to ensure that the event was a huge success. The team put together over 500 wellbeing bags ensuring there was one for everyone in the audience.

"We are thrilled with how the wellbeing day went. It was a huge project for the Amber Team to take on but they are a fantastic group of young people who put in many hours of hard work to ensure that staff and students would finish the term with a 'feel good' factor, having nourished their sense of wellbeing. It was very much a whole school wellbeing event and we are very proud of what the Amber Team has achieved."

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

WHEN CAN YOU ACCESS YOUR PENSION & WHAT ARE YOUR OPTIONS WHEN YOU WANT TO ACCESS YOUR PENSION?

Many pensions can be accessed from age 60, a lot of the rules depend on whether you are an employee or self employed. If you are coming close to retirement you are probably wondering what options you have when you want to get access to your pension. It depends on what type of pension you have but generally there are four options:

Tax Free Cash : Most people will be entitled to a tax free lump sum, the amount varies however generally you will get at least 25% of the value of your pension in a tax free cash lump sum.

Taxable Cash: You may be able to take sum of your pension in taxable cash. **Annual Pension:** This is a guaranteed income for the rest of your life that is purchased with the money left after your tax free lump sum. **Approved Retirement Funds:** You may be entitled to keep some of your money in an approved retirement fund, money can be taken from the fund to give you a regular income. It is extremely important that you take your time and have all the options explained to you in plain simple English before you make your final decision. As well as the above there is much more to be discussed about your pension. You should discuss your retirement options with an independent financial advisor before making any decisions, he or she will help you with the above options and any other queries you may have.

If you require any further information on the above or any financial matter please contact Dermot Cronin QFA APA at 0646622775 or dermotcroninifa@gmail.com

ITS ALL ABOUT BEAUTY FOR TY STUDENTS

LEFT - RIGHT: RAYNA MURPHY, MARTHA DE GUADIANA, SOFIA SANCHEZ, LOUISE TWOMEY (BEAUTICAN), KATIE HEALY, AKVILA KAMINSKAITE

On Tuesday 5th April, Transition Year girls from Killarney Community College received an amazing beauty session from "What Women Want" Boutique Beauty Salon which is located in Killarney town centre. The students received expert knowledge and tips on how to apply makeup from the natural dewy look to the smokey eye night time look. It was such an amazing opportunity for the students to participate in a workshop of this standard in the highly acclaimed beauty salon. What Women Want beauty salon was opened in 2010 by sisters Noreen & Geraldine Mangan. Noreen has since expanded the

Salon to house a Nail Bar and Beauty Store.

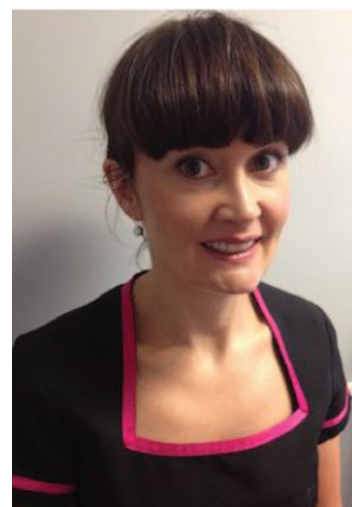

Noreen and Louise had excellent rapport with the students and they helped them understand how to achieve the perfect make up look. They gave a five star beauty session to the students in a friendly environment. According to student Rayna Murphy "it was such a fun day and it is great knowing how to use makeup correctly".

The salon uses leading brands such as IMAGE Skincare, Dermalogica, The Advanced Nutrition Programme, bareMinerals, Vani-T Organic Tan, Billion Dollar Brows, Nailtiques, Vinylux and Shellac.

LOUISE TWOMEY, BEAUTY THERAPIST WORKING ON ONE OF THE GIRLS.

According to Transition Year Co-Ordinator Kerri McCarthy "we try to offer our students diverse activities that they are interested in so I knew once I booked the beauty session with Noreen that it was going to be a hit with the girls. It is very important for girls to know how to wear makeup appropriately especially when they are attending for a job interview. Of course the girls liked to experience with the more dramatic look of the smokey eyes so it was fantastic they got to learn the correct techniques from Noreen and Louise both excellent professionals in the beauty salon. It definitely has been one of the highlights of the year for the girls."

SENIORS

Fossa played Dromid in Round 3 of the County League on Saturday evening in Fossa. Dromid struck for a goal in injury time to run out winners on a scoreline of Fossa 0-09, Dromid 2-07. Fossa will be disappointed not to have got something out of this game and it shows how tough this division is going to be, there are no easy games and the quality of the opposition is a step up from last year.

FOSSA UNDER 16

Round 3 of the East Kerry league saw us pitted against neighbours, Beauforton Monday evening. Final score Fossa 1-11, Beaufort 2-11. Best for Fossa on the night were Killian Buckley, Cathal Whelton, Padraig Talbot and Ruire Doyle. Next up we are away to Cordal -Scartaglin on Monday 17/04 and away to Spa and Kilgarvan in our last two games.

U14 COUNTY LEAGUE - RD 2

Fossa 3-17, Kenmare 3-14

Fossa played Kenmare on Wednesday evening in Fossa in near perfect conditions for football, but by half time found themselves trailing by 12 points, 2-11 to 0-5 and it could have been a lot worse but for some wonderful saves by Fossa keeper, Keelin O'Brien.

The second half started with Kenmare again on the attack but Fossa slowly got to grips with the game and 3 goals by Conor Horgan meant that Fossa carved out a great and at times unlikely victory. Each player won their individual battles in the second half and got their just reward with a fantastic win in the end.

Fossa's next game is away next week to Castlegregory.

LADIES FOOTBALL

A tougher test awaited Fossa in Rd 3 of the Rhino Quality Feeds Div 4 Senior County Leagues when Clounmacon/Moyvane descended on Fossa.

Fossa lost this one by 2 point, but can be very proud of their footballing

display on the day. Final score Fossa 2-12 Clounmacon/Moyvane 3-11. We wish Jenny McNicholas a speedy recovery.

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

EATING SLOWLY TO AVOID OVEREATING & ULTIMATELY HELP YOU SHED THOSE EXTRA FEW POUNDS PART 4

8. Dicate at least 20 minutes to finish your meal. Have a wall clock in plain view from the table to adjust your eating speed; eat your last portion really slowly. If you are still hungry after 20 minutes, it means you are eating too fast! Another way to see this is to recognize when you feel pleasantly full or neither hungry nor full.[1]

a. There is a "sensor" in our brain (in the hypothalamus) that needs about 20 minutes to get activated (give or take a few minutes for individual differences). Digestive and hormonal processes need to take place before our brain realizes we are not hungry anymore; we could feel bloated and still be hungry before this recognition of satiation is set off.

9. If you feel still a little bit hungry after this, stop anyway. Drink a little bit more water. This is where you will need to use a little willpower and to recall your motivation and visualizations. In five more minutes, you won't want to eat more, even if food is delicious, because you will feel satisfied and full.

a. Use distractions if visualization on your reason for eating slowly fails at this point. Go for a walk, watch a favorite TV show, write a poem, call a friend on the phone, go for a swim, knit a sweater, feed an animal, groom your pet, wash the car, change the sheets, etc.

b. Having a hot drink can help to overcome residual hunger feelings. Try a coffee, tea, warm water with lemon, etc.

c. If you're still feeling hungry after eating slowly, you might have nutritional deficiencies or an illness; there may also be continuing underlying psychological problems. It is wise to speak to your doctor about this if it's still the case for you

OUTLOOK FASHION TIP:

ACCESSORIZE:

Earrings are a great way to frame your face and make you look classy. For people with round faces it's best to wear drop or dangle earrings, as this elongates your face and makes it look slimmer. For people with thinner faces it's best to wear earrings that are round, such as hoops. This will help soften your features.

DIET TIP

BEFORE BREAKFAST:

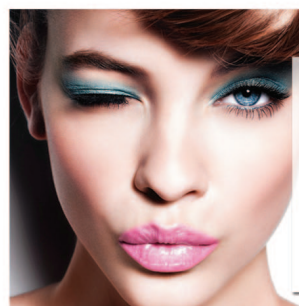

Before thinking about breakfast, try squeezing a fresh lemon into a glass of water. Drink this on an empty stomach to purify and detox your body from toxins and also kickstart your metabolism.

Beauty Tip

Fuller Lips:

Try applying white lip pencil to the centre of your lips and apply coloured lip pencil to the corners of your mouth. Blend this out and apply lip gloss for the finished look.

EASTER IS THE PERFECT TIME FOR POSITIVE CHANGES!

Easter is a time for renewal and new beginnings. It's a great time of year to reflect on your life and what you would like to change, create or commit to more fully. Life is forever evolving and so too are our experiences. As the days lengthen and the air turns warmer allow yourself to be bathed in the newness of the moment.

Top five positive tips to rejuvenate yourself this Easter!

1. Get out in nature! Take a walk and really notice how everything is coming to life once more. Notice the blossom on the trees, the daffodils and bluebells and the fresh green grass that is breaking through from the old. Breathe it in!
2. Slow down. Give yourself the space to reflect on the year so far. Where are you now? What have you learned? What do you desire?
3. Stay mindful of how much sugar you eat this Easter. Make sure to look at the food you are eating and really savour the texture, smell, taste – enjoy it in a guilt free way. This will help you feel more satisfied and reduce the likelihood of over-eating (however it is important that if you do over indulge, don't beat yourself up about it – accept the situation and move on!)
4. Count your blessings. Every day before you get up and out of bed, name at least three things you are grateful for. Every evening before you go to sleep name three things you have loved about your day!
5. Look at yourself and the people you love with fresh eyes. It's so easy to take people for granted. Imagine that you have never met your loved ones before and really look at them with wonder, openness and curiosity. Do this with yourself also.

Wishing you all a very happy Easter time and a beautiful Spring!

SouthWest Counselling Centre **THE GREAT OUTDOORS**

Nature has the ability to reduce stress, anxiety and depression. A walk in the park, along the beach or simply sitting in your garden relaxing, can calm the mind, boost energy levels and restore awareness of the self and others. Being outside in the daylight, amongst nature appreciating the environment and our surroundings can afford someone the opportunity to contemplate matters, see the bigger picture and gain perspective on the context of their world. We can adopt a holistic approach to good health by including the experience of nature, the great outdoors, alongside exercise, good diet and healthy fulfilling friendships and relationships. I like the term "rest and digest" when I think of nature. It reminds me to absorb and appreciate what it has to offer without having to over think it. Being too analytical and pensive is often the root cause of anxiety and stress. Nature has a way of keeping us present, in the moment, whilst at the same time helping us process our thoughts and feelings in a manner that is less intense and more inviting; after all it is available at any time to all of us!

Investing more in nature means investing more in our emotional and mental wellbeing, our immune system, and in our physical wellbeing. In addition, any group based activities that involve the outdoors such as walking/ jogging groups, mountain climbing groups, swimming groups can not only reduce chronic diseases via the physical benefits but improve social interaction and thus interpersonal relationships. The extra bonus however is that nature can stimulate our senses whether it is sight, sounds or smells. The impact of outdoor activity on our psychological wellbeing has been scientifically proven. Many studies report reduced states of depression and anxiety by individuals who have chosen to embrace the outdoors as a lifestyle choice. Nature has a way of calming the mind and restoring energy for some individuals so ruling out its benefits entirely would be a pity. It can help us escape our busy, demanding lives if we can only take the time to embrace it, enjoy it and become energized by it. This decision does not have to be a daily endeavour; in fact three to four times a week outdoors, whether it is walking, cycling or simply enjoying sitting in your garden, to have time out and head space, can go a long way in recharging your energy levels and aid in the process of your thoughts and feelings. Whilst it is only one piece of the jigsaw towards self-care, it is nevertheless an important one. As Albert Einstein once said; "Our task must be to free ourselves by widening our circle of compassion to embrace all living creatures and the whole of nature and its beauty."

TAX MATTERS

With O'Brien Coffey MacSweeney
Accountants & Statutory Auditors

Income tax exemption for long-term land leasing

Income derived from leasing land on a long-term lease may be exempt from tax up to certain thresholds. Leases between close relatives do not qualify and to qualify a lease of farm land must be in writing or evidenced in writing and for a definite term of 5 years or more.

Qualifying lease taken out from 1 January 2007 to 31 December 2014

For periods up to 31 December 2014 an individual aged 40 years or over, or an individual who is permanently incapacitated by mental or physical infirmity from carrying on a trade of farming, may be entitled to an exemption from income tax of certain income arising from leasing of farm land.

The amount of the relief, (subject to the maximum limit) is allowed as follows:

- €20,000 where the lease / leases are for a term of at least 10 years
- €15,000 where the lease / leases are for a term of at least 7 years
- €12,000 of annual leasing income where the lease/leases are for a term of at least 5 years

Leases entered into on or after January 1, 2015

With effect from 1 January 2015 the age restriction and the requirement to be permanently incapacitated were removed, the amount of income that may be exempted under a qualifying long term lease was increased and a fourth threshold introduced for lease periods of 15 or more years with income of up to €40,000 being exempted.

- €40,000 where all the qualifying leases are for 15 years or more,
- €30,000 where all the qualifying leases are for 10 but less than 15 years,
- €22,500 where all the qualifying leases are for 7 but less than 10 years, and
- €18,000 where all the qualifying leases are for 5 or 6 years.

They defeated Killarney Athletic on Tuesday night but went down to Camp Juniors on Saturday. In the other game in the Premier Killarney Athletic had to settle for a draw in their weekend game against Listowel Celtic.

In Division 1 Dingle Bay Rovers just got the better of Tralee Dynamos while Inter Kenmare defeated MEK.

Killarney Athletic B had a good week as they had two wins from two defeating Listowel Celtic B and Castleisland B. There was a better result for Castleisland B as they defeated Camp Juniors B at the weekend and The Park C were winners over Killorglin.

ATHELETIC DEFEAT NEIGHBOURS IN 12 DIVISION 1:

3 more goals from Alex Hannigan and one each from Donnacha Coffey, Oisín O'Sullivan and Oisín Lynch were enough to see Killarney Athletic defeat neighbours Killarney Celtic B in the JK Sports 12 Division 1. Darragh O'Connell replied for Celtic.

It's the opposite in Division 2:

It was Killarney Celtic C who defeated Killarney Athletic B in 12's Division 2. Jake Downing (penalty), Cormac O'Donoghue, Ciaran Boyne 2 and Cormac Lynch were on the mark for Celtic. Park go second in 13 Premier:

In the Daly's Supervalu 13 Premier The Park

FAI JUNIOR CUP SEMI-FINAL: KILLARNEY CELTIC 1 SHERIFF 1

SHERIFF GO THROUGH AET ON PENALTIES

REPORT: JIMMY O'SULLIVAN-DARCY

Celtic and a huge supporting army drawn from all over Kerry and all sporting codes went through the full gamut of emotions from euphoria to despair and all points in between in an immaculate Kilbreen Park last Saturday evening – no praise is sufficient to summarise the brilliant work both before and during the game by superb hosts Mastergeeha. Special thanks to Konrad Paprocki for his brilliant photography, John O'Mahony and Eamon Mulvihill for their hard work in preparing the match programme, Ramona Keogh for her facebook 'Seat On The Bus' campaign which has not only help publicise and promote the game but brought our large diaspora together with one Celtic voice, and all the huge army of volunteers and supporters who got behind the club for this great occasion.

Celtic dominated early possession but couldn't pierce a strong rearguard - a swirling breeze helped neither side. The excellent Pdraig O'Connor couldn't convert a difficult chance, and both nets remained unruffled by the half-time whistle. Stephen Murphy drilled a great free-kick just barely over the Celtic crossbar, while captain fantastic John McDonagh hit an even better one but Lee Murphy made a full length dive to tip it away. Paul Murphy tried a clever lob after a brilliant through ball but

Roy was out fast enough to force the kick off target. Stephen Murphy drilled another bullet free kick but Roy got his full body behind it. The tempo increased in a sparkling second half with both sides going close. Goal chances were at a premium. Sheriff finished normal time with the upper hand but no goal. Extra-time. Sheriff still on top, but Celtic battled hard for every inch of ground. Early in the second half of extra-time, a Celtic clearance took a fluky deflection off a defender and Thomas Dunne pounced like a hawk with a superb finish. A second yellow for Chris O'Leary, who was outstanding alongside McDonagh, Falvey, and the unanimous selection for man of the match Jamie Spillane, meant that an uphill climb now looked like a very sheer cliff. Then Celtic, with sheer heart and willpower as much as craft and skill, began to climb....

Into the final minute....no cracks but Celtic still pounding that defensive wall, Conor Randall snapped onto a loose ball....a clumsy challenge by a desperate keeper...penalty! Jamie Spillane stepped up...over 2000 spectators hardly dared to breathe....but Jamie was calmness personified as he slotted it home.

Penalty shootout. Roy saved the first and Jamie scored again, but Sheriff keeper Lee Murphy read our kicks well and it is they who go through to the final.

So close, so far away. So many heroes on one

of the greatest nights ever in our history. Agonising at the finish, of course, it couldn't be anything else in that moment.

But heart-breaking? No. This isn't the end of anything. This is only our first step at this level, not our last. We haven't often tasted the air at this altitude, and we like it. We will come again.

Killarney Celtic: Roy Kelliher, Chris O'Leary, Brendan Falvey, John McDonagh, Jamie Spillane, Matt Keane, Gary Keane, Pdraig O'Connor, Stephen Hayes, Cathal O'Shea, Wayne Sparling, Pa McGrath, Conor Randall, Stephen McCarthy, Chris Brady, Conall Murphy, Anthony O'Leary, Conor McCarthy. Additional panel members Evan Jones, Lee Downing, Jordan Leahy

Sheriff: Lee Murphy, Paul Murphy, Joseph O'Neill, Anthony Kavangh, John Lester, Gavin McDermott, Anthony Murphy, Stephen Murphy, Darren Dunne, John Rock, Mark Higgins. Subs Philip Hand, Joseph Flood, Darren O'Brien, Thomas Dunne, Robbie Fitzsimons Comhghairdeas to the reigning champions and best wishes in the final, and mile buiochas to everyone who got behind us from far and near on this epic rollercoaster of a journey. Special thanks, of course, to Brian Spillane, Eoghan Donnellan, David Hayes, Stefan McMahon, and all those great players who did us so proud.

ALLIANZ NATIONAL FOOTBALL LEAGUE FINAL

KERRY LIGHT THE FLAME TO END DUBLINS FIVE IN A ROW

KERRY 0-20 DUBLIN 1-16

At the very end it was the width of a post that put paid to Dublin's 37 game unbeaten run in league and championship but for the first time for the Kingdom in clashes with Dublin, they got the rub of the green.

In the build up to the game, Eamon Fitzmaurice went in to bat for his team highlighting a number of issues that the media focused on against his team. In the end like all good managers, he got his players to respond only where it matters and where else does it matter most than in Croke Park.

It was seventy minutes of football that every Kerry fan from Ballinskelligs to Beijing enjoyed as for the first time, they got a glimpse of the team that Fitzmaurice has been building behind the closed doors of Fitzgerald Stadium and it left them yearning for more.

Kerry went on the attack, the Kerry way. Their backs tackles were crisp and controlled, their half back line were driven on by a Tadgh Morley, who simply went from boy to man. While the men in midfield David Moran and Jack Barry proved that, their performances in Tralee against the same opposition were far from once off. Still it was in their forward line that Kerry needed to improve and they contributed fifteen points.

Still for all the fine displays, Fitzmaurice will not get too carried away. Dublin trailed by five points with ten minutes left and were still three in arrears as the game ticked into four minutes of injury-time. In needed a black card tackle by Anthony Maher to prevent Dublin from closing in on the Kerry goal and Dean Rocks 48M free ended up in Ronan Shanahans arms, having rebounded off the post.

Paul Flynn opened the scores for Dublin, and it was a beauty, as was most of the scores in the first half with each team willing to have a go. Dublin were ahead 0-7 to 0-4 by the 21st minute.

Jonathan Lyne and Diarmuid Connolly both departed on separate black card offences but Connollys loss saw Kerry get back into the tie and trailed by a single point at the break 0-10

KERRY CAPTAIN FIONN FITZGERALD LIFTS THE ALLIANZ LEAGUE TROPHY AFTER KERRYS NAILBITING VICTORY OVER THEIR OLD ADVERSARY DUBLIN.

to 0-9.

The moving third quarter was all Kerry's. They scored six points without a Dublin reply and kept the All Ireland champions at bay, even failing to concede frees in scoreable positions, as Kerry dominated Dublin with Referee Paddy Neilan, not shy to call the frees against Dublin, despite the fact he may have left Philly McMahon's challenges on Paul Geaney unpunished.

Jim Gavin began to empty the bench and the introduction of Paul Mannion had a massive impact. He kicked a fine point to rouse a lifeless Hill 16 who came alive following his 61st minute goal after Ciaran Kilkenny and substitute Michael Darragh MacAuley combined to put him through on goal. It was a cheap goal for Kerry to give up, as the margin was now just one. Kerry needed the next score and another Paul Geaney free secured it.

Man of the match David Moran drove forward to kick another brilliant point and restore a three-point lead. It did not last long as Dean Rock kept Dublin in contention with two points. It needed something brilliant for Kerry to land another blow and it came in the shape of Bryan Sheehan following a driving run. Mannion had one more reply but it was not enough to end Kerry reigniting

that footballing flame, which fans hope to see more of over the summer months.

KERRY: Brendan Kealy; Fionn Fitzgerald, Mark Griffin, Ronan Shanahan; Peter Crowley, Tadgh Morley, Paul Murphy 0-1; David Moran 0-3 (1 '45), Jack Barry; Jonathan Lyne, Michael Geaney 0-2, Donnchadh Walsh 0-2, Kevin McCarthy 0-1, Paul Geaney 0-8 (5f), Jack Savage 0-1.

KERRY SHOCKED AND SADDENED AT VINCE'S PASSING

There was complete shock across the footballing and beyond at the passing of Vince Linnane a legendary figure who has been associated with successive Kerry Senior Football teams, Vince's personality transcended age groups and he was loved by players and management alike.

In a statement Kerry GAA Chairman Tim Murphy said "He will forever be associated with Austin Stack Park, Tralee which held a very special place in his life and he took great personal satisfaction and joy out of its recent redevelopment."

Meanwhile Kerry manager Eamonn Fitzmaurice revealed "I asked him to present

the jerseys to the players and to say a few words before that league game against Donegal. I knew what it would mean to him. I also knew that because of the esteem that the players held him in they would want to win the first game there for Vince which they duly did."

Dr Crokes 1-16 An Ghaeltacht 1-10

With the breeze at our back we dominated the first quarter and led 1-4 to 0-1 at the end of the this fifteen minutes. The teams exchanged points at the start of the second quarter but our opponents were on top for the remainder of the half and outscored us four points to two. This left the half time score 1-8 to 0-5 in our favour.

Ghaeltacht were very lively at the start of the second half and had two early points without reply. Our first score of the second half came from a free by Colm Cooper in the 40th minute. A minute later our opponents came within two points of our lead as a result of a well taken goal. The teams exchanged points in the next two minutes but two unanswered points from the West Kerry boys brought the teams level at the end of the third quarter. Even though we were down to fourteen men we had a great last quarter and sent over six unanswered points. Both teams were missing some influential players but never the less the game was played at a fast pace and bouts of outstanding play.

Team and scorers: Shane Murphy, John Payne, Mike Moloney, Luke Quinn, David O'Leary 0-1, Shane Doolan 0-1, Jason Lyne, Ambrose O'Donovan, Alan O'Sullivan 0-1, Jamie Doolan, Gavin O'Shea 0-1, Brian Looney 1-2, Colm Cooper 0-4 (0-3 frees), Daithi Casey 0-4 (0-2 frees), Kieran O'Leary 0-2.

Subs: PJ Lawlor, Paul Clarke, David Naughton

UNDER 14

Austin Stacks travelled over to Lewis Road to play our Black and Amber teams in the second round of the County League on Wednesday evening.

The Black team were under the cosh in the first half with the Stacks firing home a few early goals. The second half saw a terrific spirited performance from our young players as they rallied together and earned a draw, 3-12 to 4-9. The Amber team were missing a number of players and unfortunately did not get the result they hoped for and were defeated by the Tralee side.

UNDER 16

The Amber team had a far more positive result in their second outing of the campaign. Their trip to Scartaglin proved to be fruitful one as they came away with an impressive 4-11 to 0-6 victory.

UNDER 12'S

On the very day that her famous uncle "pulled down the curtains" on his glittering intercounty football career, Sarah Cooper was

COUNTY CHAIRMAN TIM MURPHY AND JIM GARVEY OF THE GARVEY GROUP PICTURED WITH THE BISHOP MOYNIHAN CUP AT THE LAUNCH OF THE GARVEYS SUPERVALU SENIOR FOOTBALL CHAMPIONSHIP IN AUSTIN STACK PARK ON MONDAY NIGHT.

"opening up the curtains" on what we hope will also be a glittering career. Starting for her first time with U12's, Sarah scored three goals and two points in the opening game of the county league. The venue was Direen, where the early exchanges were very close between Killarney Legion and Dr. Crokes. Crokes full back line of Ali O'Donoghue, Laura O'Shea and particularly Selina Thawiset, who had a stormer of a game, were at their busiest during this time and along with goalkeeper Hollie Cronin, managed to keep the opponents forwards at bay. When Katie McCarthy (scored 1-1) and Pia Hickey found their rhythm at midfield, and with the tenacious play of the half backs Ester Greene, Teagan O'Sullivan and Cara O'Sullivan, Dr. Crokes were able to supply quality ball to their forwards. Joycelyn Hickey, also starting for the first time at this age group, scored the teams first goal of the evening after both Sinead Oliver and Gráinne Byrne had played havoc with the defence. Not to be outdone, Saoirse O'Sullivan and Alicia Keane were on hand to make sure the team were on the front foot at half time. Luckily for the new management team, they were able to call on the talents of Sadhbh Stack, Keira Geaney, Ella Bartlett and Sinead Byrne (who was denied a goal by the narrowest of margins) to get them over the line on the night.

Elsewhere, the club wishes Dasha a speedy recovery from the injury she picked up while lining out with Kerry U16's. Congrats to Jade Potts who was part of the Kerry u14 who defeated Tipperary, and a big shout out to our Amy O'Connor. We all hope she continues to do well.

DEEPEST SYMPATHIES

Deepest sympathies to our Chairman Denis Coleman and the Coleman Family on the death of Denis mother Sheila Coleman. RIP
Deepest Sympathies to the Fuller and Kavanagh Families on the death of Eileen Fuller. RIP

LEGION GAA NOTES

CO. LEAGUE RD.3

Killarney Legion 0-15 Kilcummin 1-10

As was to be expected there was very little between these two sides as recent results showed. A tense but entertaining game saw both sides miss good goal chances in the first half and it was only within the last 10 mins. of the first half that the Legion opened some daylight as they hit 5 pts. to Kilcummin's single to leave the home side leading 9 pts. to 4 going in at the break.

The second half certainly wasn't short of drama as both sides went after the win and gradually Kilcummin whittled away at the deficit and looked on the winning road when they burst through for a well taken goal to leave just a point in it. However the homesides resolve stiffened and with the defence working hard they gradually supplied more ball to the forwards. The result might have gone the other way had Kilcummin converted a penalty after 20 mins. but saw it hit the upright and was cleared by the defence. Taking heart from this the Legion tacked on 3 further 5 points to see them home. A last minute free in front of the Legion goal was cleared fittingly by Shaun Keane who turned in a fine game at midfield. A very satisfactory display continuing the obvious progress being made and with several young players improving steadily the senior management can be happy with the way things have worked out. Early days of course.

GIRLS U16

The U16 girls played their first away against Scartaglin where conditions were soft underfoot to say the least and the match ended in a torrent of rain. The 13 a side game proved a lively affair with Legion taking a slender lead of at half time having battled a stiff wind for the first period, however the locals held their

nerve in the second half and as Legion showed signs of fatigue they eventually went down by 2-9 to 2-7. Plenty positives though as those on the field were certainly not found wanting for effort and with several more to return to the panel better days lie ahead. Well done to John Doona, Keri Anne Hanrahan and Aisling Stack after their fine win over Tipperary. The next U16 outing in the League will be home against Na Gaeil on Friday 21st April.

BOYS U14

If it's excitement and quality football you crave then the Legion u14 boys is the place for you as they turned in another thrilling display against Ardferf in Ardferf. After a ding dong encounter the sides couldn't be separated and finished all square Ardferf 3-10 Killarney Legion 2-13. Some really good young players to keep an eye on.

GOOD DAY IN CROKE PARK

A defiant Kerry side showed that nothing can be taken for granted as they deservedly won their 20th national league title and in the process put the other counties on notice that we haven't gone away you know. Fair play to them.

SO CLOSE

Commiserations to Killarney Celtic who were denied an historic win in the F.A.I. Junior cup in the cruelest fashion going on on penalties, they made a good few sit up and take notice.

SYMPATHY

The Killarney Legion Club extends it's sincerest sympathy to the Coffey Family, Elmwood, Mill Rd. on the sad passing of Elizabeth R.I.P. Ar Dheis Dé go raibh a h-Anam dílis.

Milltown/Casrlemaine started strongly and inside the first 10 minutes lead 2-4 to 2 points. Goals were coming fast for the boys and by the 20th minute, they had racked up the max 5 goals scored by Anthony Kelliher, Cillian Burke, Cian O'Connor and two from Anthony Barrett. They led 5-7 to 2-4 at the break. Milltown/Castlemaine continued to dominate the 2nd half and added a further 10 points with some great scores taken. Up next is Ballyduff away next Wednesday at 7.00. All support would be greatly appreciated. Panel: Cathal Daly, Ben Downes, Shane O'Connor, Liam Roche, Jack Teahan, Patrick O'Sullivan, Brendan Casey, Anthony Kelliher, Cillian Burke, Daire McCarthy, Conor Spillane, Dara Barton, Declan O'Connor, Anthony Barrett, Cian O'Connor, John Hogan, Dara Hogan, Garreth O'Dowd, Liam Nidigger, Edward O'Sullivan, Eoghan Daly, Charlie McGillicuddy and Oisín Spring. CHAPTER 23 IRISH LEAGUE OF CREDIT UNIONS COUNTY LEAGUE DIV 1

Milltown Castlemaine v St Mary's Cahirciveen
They say goals win games and this was the case today. Milltown Castlemaine had the perfect start with David Roche finishing calmly to the net with almost the first play of the game. Despite this setback St Mary's, with a strong wind at their back made their way back into the game with the next 5 points. St Mary's Sean Curnane was extremely accurate from frees. Milltown Castlemaine were struggling for scores but with 5 minutes left in the half, Jerome Flynn jiggled into the box and raised a second M/C green flag. The teams traded points with Sean Curnane pointing for St. Mary's and Gavin Horan pointing for M/C -to leave the short whistle score M/C 2.01, St Mary's 0.06

A good start is half the battle and M/C struck straight from the throw in with the evergreen Mike Burke punching to the back of the net. The game became very open but M/C's stout defence and not leaving the South Kerry men in on goal, the game became a point for point game. M/C added some fine scores from David Roche, Derek Twiss, Jonathon O'Sullivan, Cathal Moriarty, Shane Murphy and a spectacular long distance point from Seamus Dowd. Sean Curnane was equally accurate for St Mary's -with a fantastic pointed free from outside the 45 into the strong breeze being the highlight. Referee Paul Hayes contributed to a fine game -with an excellent performance and when he whistled for full time, Milltown Castlemaine gained the two points on a score of Milltown Castlemaine 3.07, St Mary's Cahirciveen 0.11.

MINORS

The next outing for our minors v Glenbeigh Glencar Cromane is on Wednesday 12th of April at 5pm in Milltown Castlemaine GAA Grounds.

RATHMORE GNEEVEGUILLA COMMUNITY GAMES NOTES

Well done to our U10 boys indoor soccer team, who took part in the provisional rounds of the county finals in Miltown on Sunday morning. Seventeen teams took part in this competition, half of the teams played in Miltown and the other half in Duagh.

Our boys played extremely well, playing Fossa, Spa Muckcross, Beaufort and St Brendans resulting in three wins and one draw.

Spa Muckcross also came out of the group with 3 wins and a draw, so we played 3 extra minutes but both teams ended up level, with no score. The decider was a penalty shoot out, which unfortunately led to our exit from this competition.. Although a disappointing result, our boys should be very proud of their performance on the day, a very talented bunch of lads!

Thank you to the team and to their coach Owen O'Leary for all their hard work and commitment in the lead up to Sunday.

OUR TEAM WERE AS FOLLOWS

Oisín Hurley, David Darmody, Oisín O'Leary, Sean McAuliffe, Jack Casey, Paul Togher, Cathal Casey and Tadgh Jack O'Leary.

Just to finish: We would like to wish the very best of luck to Spa/Muckcross and the other three teams that qualified on Sunday, for the county finals!

The Club caters for girls from 6 years of age all the way up to under 16's and for novices and the more experienced players alike.

If you would like your daughter to be involved in a game which teaches unique skills and also gives them an opportunity to make new friends why not check out one of our training sessions at Crokes every Monday at 6.15.

KILLARNEY SWIMMING CLUB NOTES

Congratulations to our swimmers who took part in the Grade II Gala in UL on the 1st of April. The Gala was a long-course event i.e. in a 50 metre Olympic-size swimming pool and this was a "first" for most of these swimmers. Nevertheless, there were plenty of personal best times achieved as well as medals. One of our swimmers, Moya Noctor, improved on her time in the 200 metres freestyle by an incredible 20 seconds! Well done, Moya.

GIRLS UNDER 11 – Faye O'Neill took to the

podium for a marvelous bronze medal win in the 100 metres backstroke. Faye is certainly one of the club's bright young prospects and it was a well-deserved win.

GIRLS OVER 14 – Sarah O'Connor won a magnificent bronze medal in the 100 metres freestyle in what was a very fast and hard-fought race. We always knew Sarah was made of tough stuff and she certainly proved that on the day!

Thanks to our coach, Leontia Doody, and assistant coach, Shane Kerins, for all their help and encouragement and to all those parents who travelled to Limerick and particularly those who volunteered for time keeping.

KILLARNEY RFC NOTES

SENIORS

Very well done to Ger Moynihan and his charges who backed up last weekend's Munster Junior League promotion win over neighbours Killorglin with another massive win last weekend, winning the much coveted Martin O'Sullivan Cup. This was always one Cup that eluded us and the lads had to cross the border into County Cork to Old Christian's ground at Rathcooney for the final. Tipperary side Fethard and District were the opposition on the day and the hme side were first on the board within the first 15 minutes. Second Row Alan Mulligan crossed the whitewash for his now trademark try, which was converted by outhalf Paudie Sheahan Almost immediately Fethard scored a try of their own and Paudie Sheahan who was on fire from the boot added another penalty to leave the game 10-8 to the Kerry side at half time. Paudie added two more penalties in the second half before returning Timmy Dudley scored a try. Timmy who was home for the weekend pulled in a ringer as we were missing 6 players from the previous weekend. Fethard scored a late try and Paudie Sheahan who was sublime from the boot added more to leave the score 15-26 with the Martin O'Sullivan Cup coming to Killarney. All players really stood out on the day however you could rely on Paudie Sheahan every time he stepped up to take a kick and put in an epic display. David Corlett also really stood out on the day with his first start proper. Well done lads. Next weekend the lads take on Tralee RFC in the Galwey/Foley Cup final in Castleisland. Best of luck lads.

MINIS

Our Minis had a busy weekend last weekend. Our U11 and U12 teams travelled to Cork to take on Sunday's Well in friendly match and enjoyed a fantastic trip to Cork. Thanks to Ian Harrington for organising. Our U7 - U10 teams travelled to Tralee RFC for the West Munster

NESTING SEASON

For many people, there's no greater thrill than to have a family of birds take up residence in your garden. Now is a great time to ensure you welcome these feathered friends.

Providing nesting materials can make your garden very appealing to nesting birds. Here are a few ideas for providing natural nesting material to attract your favourite species!

Twigs: When small branches or twigs fall from a shrub, leave them for birds to pick up. Almost any tree or shrub will work, but the sticks should be under 4 inches long.

Mud: If the ground is dry remove grass etc from a spot near a hedge add a little bit of water to create mud, since it is a favoured nesting material for swallows, swifts and robins.

Dry Grass: Grass is a common ingredient in songbird nests, used by species from native sparrows to robins. After trimming your lawn, leave dried grass cut 2 to 4 inches long.

Moss: Moss is easy to grow in shady spots. Its velvety texture is beautiful and it's a favoured building material of many species.

Catkin Greenery: Some birds line nests with soft plant matter. You can provide this in future years by growing catkin-bearing trees and shrubs such as willows, poplar and beech.

Fluff: Many birds prefer fluffy material, such as seeds with silky attachments or seed pods with a soft, hairlike covering. You can provide these items via milkweed, honeysuckle, and clematis. For many birds, nesting wouldn't be possible without trees, if you have any spare corners

Happy Easter!

please consider planting fruit bearing trees and plants that produce berries. Feeding birds this nesting season is also very important as the Country's cut back hedges will not provide food or shelter.

ARE YOU GOING TO EAT CHOCOLATE ON EASTER SUNDAY?

Chocolate is something that's been consumed for 3000 years and has outlasted most cultures and societies and empires. Its made from the fruit of the cacao tree, native to Central and South America, although it's now grown in regions all around the equator and for most of its history it was a drink.

When the fruit is harvested, the sweet, pulpy flesh is scooped out and fermented before the seeds are separated and dried. These seeds are the cacao beans, which are roasted (usually), ground, and processed into chocolate.

The Maya were the first to grow cacao millennia ago, drinking it hot or cold and blended with flavours such as honey, chili, or vanilla. Chocolate came to Europe in the 16th century, where it became wildly popular in part because it was the first caffeinated beverage introduced to the continent, predating tea and coffee.

The first chocolate bars didn't come around until the 19th century, when chocolate makers in Europe devised the process of blending ground cacao beans with extra cocoa butter (the fat present in the beans), as well as sugar, dairy, and other ingredients.

NINE TINY PUPS WERE HIDING OUT ALONE IN A CAVE

Volunteers from Hope For Paws received a call about a litter of eight puppies who were living outside in little caves. They went to the location right away to save them. Their mother was nowhere to be found, so they knew they had to rescue these pups as soon as possible.

Once they spotted the puppies, they used a cheeseburger to try and coax them out from under the cave. They were quick to eat the food because they were most likely starving and hadn't eaten much in a while.

One of the volunteers reached out and was able to grab puppy 1 and hold him on her lap. Unfortunately, something frightened the rest of the pups and they scattered back deep into the cave.

The rescuers had no choice but to go in and get them. The pups had taken a sharp left turn and crawled deeper in, so getting them out would be no easy task. The volunteer couldn't reach in any farther, so he had to use his gentle snare. One by one, he was able to gently pull each puppy out as they let out heart-breaking cries. This was the first time these pups had even felt human touch and they were terrified, but as as the second rescuer petted them more and more they calmed down.

He finally got all eight of the pups but crawled back into the 18 foot cave to make sure there were no more. That's when he heard sounds and saw one more pup! The ninth puppy was much smaller than the rest and must've been the runt of the litter. He got a hold of him and brought him to safety.

The rescuers friend Lisa M. Ashe had passed away, so to honour her, they named a puppy starting with each letter in her name - Luke, Mary, Isaac, Ezekiel, Abraham, Sarah, Solomon, Angel and Heaven. All of the puppies are now well and up for adoption!

Bet you would love to adopt one of those pups? – sorry they are in the U.S.A., however there are hundreds of precious pups with equally sad stories to tell but never make the headlines, available in animal shelters throughout the Country and beyond, please open your heart and your home to one of those instead.

BOY SAVES HIS MOTHERS LIFE BY DOING THE OPPOSITE OF WHAT SHE SAID

Children are taught to do what their parents tell them to do – but in this case, it's good that Camdyn Smith didn't follow his mother's orders; otherwise she may not be alive today.

Camdyn returned to his home in Sedro-Woolley, Washington after school to find his mother Kimberly suffering from chest pains and having trouble breathing.

Though his mother insisted that she just wanted to take a nap and sleep off the pain, the 9-year-old kept telling her that she needed to go to the hospital.

After sufficient pestering, Kimberly relented and went to see a doctor.

The mother wasn't there very long, however, because medical officials immediately called her an ambulance and sent her to the emergency room.

Doctors found that Kimberly was suffering from pulmonary embolisms, a condition in which the arteries in both of her lungs had become blocked by blood clots.

If Kimberly had taken the nap like she wanted, she may not have ever woken up. She says that after spending seven days in the hospital being treated for the condition, she can honestly say that she owes her life to the persistence of her son Camdyn.

BABY ELEPHANT ALMOST LOST HER TRUNK TO BUSHMEAT POACHERS

The David Sheldrick Wildlife Trust (DSWT) has another new baby elephant under its wings. Little Enkesha was rescued by the organisation after she survived a terrible attack from bushmeat poachers who almost severed her trunk and what she went through was unimaginable.

Bushmeat poachers target animals living in the wild and sell their meat as luxury items on the black market. Sadly, the senseless taste for "exotic" meat results in the killing and suffering of countless wild animals every year.

Enkesha's trunk was almost completely severed by a poacher's snare. Once the baby was in the hands of the rescuers, it became obvious that the only way to help her, avoid infection of the serious wound, and alleviate her pain, was to carry out an emergency surgery.

This, unfortunately, meant that she would have to be separated from her mother in the bush and flown to the DSWT Orphanage.

Initially, the operation was a success, but the elephant's stitches popped out after two days. The vets and caretakers did not give up on the calf and her trunk, though.

Vets were reluctant to partially amputate her

trunk since Enkesha could still use the tips. So instead, they opted to consciously clean her trunk until it healed on its own. Thanks to the special care from the team, Enkesha now can use her trunk far better than anyone expected! She can lift it, pick up twigs, and she even tries to give herself a dust bath!

After so much trauma and pain, this little baby is now on her way to complete recovery and will soon return to the wild!

MAN BREAKS GUINNESS WORLD RECORD FOR MOST HAMBURGERS EATEN IN A MINUTE

24 year old Ricardo Francisco from the Philippines polished off five burgers at a hamburger eating contest at Zark's Burgers in Manila on March 27th.

Asked how he felt after breaking the record, Ricardo shouted, "Still hungry!"

Ricardo's consumption of five burgers beats the previous Guinness record of four burgers set by Peter Czerwinski, of Toronto, in July 2013.

EDMONTON COUPLE WINS LOTTERY FOR THIRD TIME

A couple from Edmonton in Alberta, Canada is walking away with just over \$8 million 116,000 after striking it big on the February 22nd Lotto 6/49 draw.

"I knew we had all the numbers, but I didn't know how many winners there were," Barbara Fink said,

but she wasted no time calling her husband, Douglas, who was working out of town at the time.

It's the third time the Finks have won the lottery. In 1989, Douglas shared in a \$128,000 Lotto 6/49 win with four of his friends. And in 2010, the Finks both shared in a \$100,000 Extra prize together.

The winning ticket was a free play won on a previous draw, which Barbara redeemed.

The couple say they plan to use the recent winnings to travel the world, buy a new house, and ensure their daughters and grandchildren are looked after.

A 25-YEAR-OLD MAN SUED HIS PARENTS FOR HIS ALLOWANCE

The parents of a 25-year old Spanish man told

him to either look for a job, or they would stop paying him a €588 monthly allowance. They followed through on their threat, and he sued them in court. The judge dismissed his complaint and ordered him to move out of their home and find a job. He said the man, who was studying law, albeit at a slow rate, would probably not complete the degree for several years, but he thought he was still capable of finding some work.

EUROPE'S FIRST AD-FREE CITY REPLACED ADVERTISING BOARDS WITH TREES

The French city of Grenoble became the first European city to totally ban outdoor advertising, replacing over 300 advertising boards and instalments with community notice boards and trees.

The city's ban included 326 advertising signs – 64 of which were Billboards – that were removed in the spring of 2015; although, bus and public transportation stations will still feature ads until the city's contract with advertising company JCDecaux ends in 2019.

The change came as an election promise of Green party mayor Eric Piolle.

The municipality, which plays host to a population of 160,000, first started using outdoor advertising in 1976. By not renewing the outdoor advertising contract, the city stands to lose about \$640,000 of income from the exchange.

FINALLY THIS WEEK

I would like to wish all advertisers, correspondents, readers and everyone at Walsh Colour Print/Educate.ie a Happy and safe Easter. May you all feel the hope of new beginnings, love and happiness during this joyful Easter holiday and may this special day be blessed with joy and happiness for you all.

If you intend visiting the countryside please leave it as you find it by disposing of your rubbish properly and do not drop anything that could start a fire – enjoy nature and leave it for others to enjoy!

GARDENING OUTLOOK

with **John O'Sullivan**

PLANT A FLOWER BOWL

When planting a colourful flower bowl, choose your bowl from either terracotta or plastic but make sure to get a saucer underneath when purchasing. Then put some gravel around the base surrounding the hole and add compost mixed with slow release fertilizer.

Fill your bowl to about one inch from the top as this will make it easier when watering afterwards. When choosing the plants start with the centre piece. An ideal plant for this would be an evergreen grass. This is an ideal plant as when you are finished with the bowl, the evergreen grass can be planted outdoors.

There are a huge range of plants with colour to fill around the centre piece. Some of the most popular to choose from are trailing variegated ivys, heathers in flower, primroses, polyanthus, forget-me-nots and you will also still be able to get some potted daffodils and tulips.

When finished planting, make sure to water the plants well, and if you decide to keep the flower bowl indoors make sure that the saucer is underneath. Keep the finished bowl in as much light as possible and this will flower well into the time for Summer bedding. As certain flowers go off before others, don't be afraid to remove them as this will keep your bowl looking good for longer.

Next week I will focus on Alpines.

PRAYER TO THE VIRGIN MARY

NEVER KNOWN TO FAIL

O Most Beautiful Flower of Mount Carmel, Fruitful Vine, Splendour of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in this my necessity. O Star of the Sea, help me and show me herein you are my Mother. O Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succour me in this necessity. There are none, that can withstand your power. Oh Mary conceived without sin, pray for us who have recourse to thee (3 times).

Holy Mary, I place this cause in your hands, three times. Thank you for your mercy to me and mine. This prayer must be said for three days and after that the request will be granted and the prayer must be published immediately. Thank you for favours received.

NOVENA TO THE SACRED HEART

Sacred Heart, St Jude, St Anthony. And to all of the Saints for favours received. And thanks to the universe.

NOVENA TO THE SACRED HEART

Sacred Heart, St Jude, St Anthony. And to all of the Saints for favours received. And thanks to the universe.

A WORD OF VICTORY

Welcome back dear reader Easter is upon us - a time people celebrate and take a break. We have heard it preached how Jesus was crucified and then raised from the dead and ascended back up to Heaven. But, to the average Christian, there is little revelation as to why all that was necessary. What was achieved by Jesus being crucified and raised from the dead? These events have huge consequences for humanity. Up to that time the human race was separated from God, lost in our sins and without hope, with Satan and his hordes of demons on the loose causing havoc. His aim is to fill Hell with the spirits of human beings to live forever in eternal torment. But God the Father in His mercy (John 3:16) so loved us people that He sent His Son Jesus, the second Person of the Godhead, to this earth to work one of the greatest acts of God's love since the creation of Adam and Eve. As we have nothing of ourselves to give to God to pay the penalty for our sins we needed a Saviour - a Redeemer, and that's why Jesus came. God picked the nation of Israel as His chosen people and He gave them a Covenant of Law. When they obeyed the laws they were protected, their sins were covered but not forgiven. When they broke the law, punishment came upon the nation. Read Deuteronomy chapter 28 to see the blessings and curses. No one could obey the law and clearly a better one was needed. God instigated a New Covenant where our sins would be taken, forgiven and forgotten, never again to be remembered by Him (Jeremiah 31:31-34), and this was what Jesus was about when He offered His body as the sacrifice. Now, a Covenant is an agreement drawn up between two parties and is sealed with blood. So the blood that sealed the Covenant was the blood of Jesus flowing down from the Cross (Hebrews chapter 9). It is most important for us to understand these truths so that we can be included in this great Redemption by asking Jesus to be our personal Lord and Saviour so that when we die, as everybody must, we will close our eyes here and open them in His Presence in Heaven. Salvation is the greatest free gift friend, receive it today!

More next week....

THE MIRACLE PRAYER

Dear Heart of Jesus in the past I have asked many favours. This time I ask you this special one, (mention favour).
Take it dear heart of Jesus and place it within your own broken heart where your Father sees it.
Then in his merciful eyes it will become your favour not mine.
Amen.
Say this prayer for three days. Publication of prayer and favour will be granted.

NOVENA TO THE SACRED HEART

You have said O'Divine
Jesus ask and you shall receive, seek and you shall find, knock and the door shall be opened to you. Relying on these promises I come with confidence during the novena to beg of you the favours that I need (make request). From whom shall I ask, Lord Jesus, if not from you whose heart is an unfailing source of graces and merits. Most loving heart of my God I believe in your power, I believe in your knowledge, I believe in your personal love for me and therefore O Sacred Heart of Jesus I place all my trust in you. Our Father, Hail Mary and Glory. Say 3 times for 3 days and request will be granted, Never know to fail. Must publish.

MARY O' DONOGHUE (NEE O' DONNELL)

**Woodlawn Park, Killarney
& Athassel Abbey, Golden,
Co Tipperary**
Who died on April 13th 2016.

As we lovingly remember Mary on this, the first Anniversary of her passing, her husband Jerry, her daughters Maria & Eileen wish to express our sincere gratitude to all who sympathised with us on our sad loss.

Thank you to all who visited our home, telephoned, sent letters of sympathy, Mass cards, perpetual enrolments and flowers. To all who attended the rosary, removal, requiem Mass and burial, especially those who travelled long journeys and from overseas. Much gratitude to all our kind neighbours and friends for their support and assistance at this time and always.

Special thanks to Fr Lenihan for leading us in the rosary at home, for carrying out the funeral ceremonies and for your guidance throughout. Your presence gave us all such solace in our grief. We would also like to thank Fr. Tadgh O' Dochartaigh who concelebrated the funeral mass. Thank you to the cathedral Choir for the beautiful music and singing which truly enriched her mass. Thanks to the altar servers and sacristans. Many thanks to Tim, Michael, Mary & Gerard at O'Sheas funeral directors for their respectful guidance, empathy, kindness and professionalism.

As it is impossible to thank everybody individually please accept this acknowledgment as a token of our sincere gratitude and appreciation to you all. The Holy Sacrifice of the Mass has been offered for your intentions.

First Anniversary Mass will be celebrated on Sunday 23rd April at 11 o'clock in the Church of the Resurrection, Killarney.

1ST ANNIVERSARY

In loving memory of

MARY O' DONOGHUE (NEE O' DONNELL)

**Late of Woodlawn Park,
Killarney & Athassel Abbey,
Golden, Co Tipperary**
Who died on April 13th 2016.

Lonely is the home without you,
Life to us is not the same;
All the world would be like Heaven,
If we could have you back again.
A light from our household gone,
A voice we loved is still,
A place is vacant in our home,
That never can be filled.
May the God of Love and Mercy,
Care for Mary who is gone,
And bless with consolation,
Those left to carry on.
The happy hours we once enjoyed,
How sweet their memory still,
But death has left a vacant place,
This world can never fill.
How dearly we loved you,
And prayed you might live,
But Jesus just beckoned,
And we had to give.
God gave us strength to bear it,
And courage to fight the blow,
What it has meant to lose you,
God alone will never know.

Loved Always Jerry

THE MIRACLE PRAYER

Dear Heart of Jesus in the past I have asked many favours. This time I ask you this special one, (mention favour).
Take it dear heart of Jesus and place it within your own broken heart where your Father sees it.
Then in his merciful eyes it will become your favour not mine.
Amen.
Say this prayer for three days and your favour will be granted. Never know to fail. Must promise publication of prayer.

Who died on April 13th 2016.

You can only have one mother,
Patient, kind and true;
No other friend in all the world
Will be the same to you.
When other friends forsake you,
To mother you will return;
For all her loving kindness
She asks nothing in return.
As we look upon her picture
Sweet memories we recall
Of a face so full of sunshine
And a smile for one and all.
Sweet Jesus take this message
To our dear mother up above;
Tell her how we miss her
And give her all our love

**Forever loved and remembered
every day

LET'S PRAY TOGETHER INTO THE WORD

Let's Pray Together In The Word
Colossians 3(8,10) Be Transformed. But now put away and rid yourselves of all these things, anger, rage, bad feeling towards others, curses and slander and foul mouthed abuse and shameful utterances from your lips. And clothe yourselves with the new, which is renewed and remolded into knowledge after the image of Him who created it.
Pray to receive Gods transforming power. Believe that God is at work to change you.
Father God (Abba) please forgive my sins, and change me to the person you want me to be. Your are working in me right now, because I have come to you in repentance, confession and prayer. Thankyou for changing me.
Amen
