EDITOR'S NOTE

We certainly aren't enjoying Summer weather this week - however the tourist season is in full swing. Judging for the Tidy Towns is taking place over the coming weeks and the volunteers and Municipal staff are hard at work

ensuring that the town is looking it's best. The annual Garda 7-A-Side football tournament is due to take place next week, a young soccer fan won big at the Denmark/Ireland game and there is a warning of potential

algal scum on the lakes. With the Ring of Kerry Cycle just around the corner - stay safe on the roads while training is taking place.

Enjoy this week's Killarney Outlook!

KILLARNEY IN TOP THREE OF THE CLEANEST TOWNS IN IRELAND

Members of the Killarney Tidy Towns volunteers undertake painting and weeding work on the Cork Road on Monday last.

Main Street bollards get a make over in preparation for the arrival of the judges for this year's Tidy Towns.

The hard work by the Killarney Tidy Towns Volunteers and Killarney Municipal District staff has paid off this week as Killarney was named number three in the latest survey by business group Irish Business Against Litter (IBAL).

Killarney, along with Kilkenny, Dublin, Galway and Cork city centres registering record levels of cleanliness.

"This is a tremendous achievement given the number of visitors Killarney accommodates. The high rating is a testament to the dedicated hard working municipal staff for whom a tidy town is more than a job" Johnny Maguire told the Killarney Outlook.

"This commitment is well supported by an active group of volunteers who combined with the outstanding municipal staff to keep our town in top position," he added.

This week's result is only round one of the IBAL competition and judging for round two will take place in the winter when the overall winner will

be announced.

"Today's tourists demand high levels of cleanliness and these results indicate that's what they will be getting this year when they come to Ireland," says IBAL's Conor Horgan.

Among the volunteers this week were the staff from Marks & Spencers who spent two full days working on the bridge area at the entrance to the playground on Port Road.

This kind of commitment is invaluable to the Tidy towns effort. This commitment and selflessness to the community has meant that a number of painting projects have been completed ahead of time and we are indebted to them. This fantastic group of volunteers showed great patience and resilience in the painting jobs undertaken. They take pride in their work and the results are always excellent.

The Tidy Towns Meitheal meet every Monday and are always looking for volunteers. This week they will continue with their work on the Cork Road and will meet at 6.30pm on Monday evening at Corcoran's Furniture.

NIALL TO BE REMEMBERED AT ANNUAL GARDA 7-A-SIDE BLITZ

A young footballer who passed away last year will be remembered at the 15th annual Killarney Garda 7-A-Side which was launched at the Killarney Garda Station this week.

Niall MacGillycuddy lined out with The Mon team at the 2014 blitz and this year the 18 schools involved will remember Niall with a minutes silence.

"Kerry Gardai want to hold their own special tribute to Niall and we felt this was a fitting occasion to remember the talented young footballer", Garda Eddie Walsh, organiser of the tournament told the Killarney Outlook.

"This year marks the 15th year of the blitz and after this year 2,500 children from schools in the Killarney area will have taken part in it", Garda Walsh added.

Among those who attended the launch were current Kerry footballers Sean O'Shea, Gavin White, Dara Moynihan and Micheál Burns along with Kerry team manager Peter Keane who is sponsoring footballs for the blitz.

Representatives from An Garda Síochána, including Supt Flor Murphy, Tom Spillane, Auctioneer who sponsors the event and Sunday Game analyst Colm Cooper, along

Organiser of the Garda 7-A-Side Blitz is joined by fellow Gardai, Sponsor Tom Spillane, members of the Kerry Senior Football team, Kerry Team Manager Peter Keane, Sunday Game Analyst Colm "Gooch" Cooper and pupils from some of the schools taking part.

with students from some of the schools taking part were on hand to launch the tournament which will take place on Wednesday next at the Fitzgerald Stadium.

"It is everyone's dream to play in Fitzgerald's Stadium, at a young age this would not be possible without the generosity of Fitzgerald stadium Committee", Garda Eddie Walsh said.

"This tournament continues to be a wonderful success which would not be possible without the co-operation of all the 18 schools taking part and their teachers and trainers - over the last 15 years numerous pupils that played in the tournament have gone on to play with Kerry Minors and also won the Hogan Cup, All Ireland Club title and All Ireland Minor title with Kerry".

COUNCIL WARN OF POTENTIAL ALGAL SCUM ON LAKES

Kerry County Council this week erected signage along the shore of Lough Leane to advise members of the public of the potential for an algal scum which can be harmful to small animals.

Following the taking of samples by council staff in recent days, laboratory tests confirmed the presence of a blue-green algae which may have the potential to form an algal scum.

In accordance with protocols for these situations, precautionary signage has

been erected at locations along the shore of Lough Leane and those who frequent the shoreline are being advised to exercise caution.

As a precaution, members of the public should ensure that dogs are kept on leads and not allowed to enter the water.

Daily inspections of the shoreline will take place and further samples will be taken as required. The situation is being monitored closely on an ongoing basis by Kerry County Council.

Carmella remembered

AT THE ANNUAL VALLEY CYCLE

Now in it's 6th year, the annual Valley 70 Cycle was held last Sunday in Fossa and this year the event was dedicated to the late Carmella Sheehy.

The morning was bright and sunny as 220 cyclists from Kerry, Limerick, Cork and even County Carlow set off on the 70km route through the Gap of Dunloe which is consistently voted one Ireland's most scenic.

This year, there were a host of younger faces and families doing the new 30km flat route. Speaking before the cycle, school Principal Irene O'Keeffe addressed the cyclists before roll off as she dedicated this year's event to the late Carmella Sheehy who passed away in April. "Although Carmella is not with us today, she is with us in spirit. She radiated huge positivity in every aspect of her life", Irene told the cyclists. Weather for the most part held up, while Pat O'Leary (from Pat O'Leary Catering Equipment) was there to hand out free cones to the returning cyclists – who despite getting wet in the rain showers still tucked into his delicious ice cream! With a 40 strong volunteer team -

visibility and safety in all aspects of the event was carefully managed while the catering team prepared a range of gluten free and vegetarian options in addition to the usual offerings. Special thanks to all those who donated, supported, volunteered, cycled and to the many local cycling clubs that showed great support for this annual event. 100% of the monies are used to resource Coolick National School in Kilcummin. The committee would also like to acknowledge the generosity of the many sponsors of the event – including lead sponsors Aherns Garage and Leane's Kitchens and Bedrooms.

CLLR NIAL KELLEHER ELECTED CATHAOIRLEACH OF KERRY COUNTY COUNCIL

Cllr Norma Moriarty elected as Leas-Cathaoirleach

The new Cathaoirleach of Kerry County Council has been elected.

The 64th person to occupy the chairperson's role since the council was established in 1899, Cllr Kelleher has been a member of Kerry County Council since 2014 and represents the Killarney Local Electoral Area. He has been chairman of the Kerry Joint Policing Committee

TRIBUTE TO A GIFTED TRADESMAN

Cathal Walshe and Denis Geaney remember fondly the late Mike (Tash) Griffin who passed away recently.

It was with great sadness that we learned of the death of Mike (Tash) Griffin on the 24th of May just two weeks after the death of his brother Neilie. Mike was a gifted tradesman who could turn his hand to any task, many of the buildings in the Killarney region a testament to his versatility. He became involved in the Ring of Kerry Charity Cycle through his friendship with Denis Geaney for nigh on thirty years. His job was driver of the video vehicle for the day on the ring. His passengers on different years, Sean Hurley, Nicky Barry, Neilie O'Connor, the

late Weeshie Fogarty and Cathal Walshe who conducted the interviews and Mike Keane on the camera. The vehicle supplied by Padraig Treacy carried the personnel. all the above were in agreement that Mike's driving on the day was exemplary and courteous to other road users.

He was well known for his singing voice with topical songs relevant to the scenic Ring of Kerry. Mike was described as a caring gentle giant who loved life and lived it to full. He will be greatly missed by his family and many friends.

Kerry Friends of Motor Neurone Flag Day in Killarney

Kerry Friends of Motor Neurone will be holding their annual flag day on Friday 21st June 2019 in Killarney Town centre, Daly's Supervalu, Park Road and Tesco store in Deerpark.

"Our annual flag day is held on the 21st June every year which is also the Global ALS / Motor Neurone Disease day", Christy Lehane told the Killarney Outlook.

Each year MND associations across the Globe mark 21st June as a special day of recognition acknowledging the impact that Motor Neurone Disease has on people around the world. The International ALS Alliance encourages all ALS and MND associations around the world to undertake a range of activities to express their hope that this day will be another turning point in the search for cause, treatment and cure for ALS / MND.

"Kerry Friends of Motor Neurone are very grateful for the generous support given to our charity flag days over the years and would like to take this opportunity to thank all the loyal volunteers who come on board with us every year to fundraise for our charity", Christy added.

The main aim of Kerry Friends of Motor Neurone is to fundraise and to create awareness of Motor Neurone Disease and to ensure that those people living with MND are at the heart of all our focus. It is sad that MND does not go away and fundraising does not get any easier but Kerry Friends of Motor Neurone will continue to participate in fundraising such as our annual flag day on Friday 21st June 2019 in Killarney in the hope that in the not too distant future medical science may find a cure for this awful disease.

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

WHEN CAN YOU ACCESS YOUR PENSION & WHAT ARE YOUR OPTIONS WHEN YOU WANT TO RETIRE?

Many pensions can be accessed from age 60, a lot of the rules depend on whether you are an employee or self employed. If you are coming close to retirement you are probably wondering what options you have when you want to get access to your pension. It depends on what type of pension you have but generally there are four options:

Tax Free Cash : Most people will be entitled to a tax free lump sum, the amount varies however generally you will get at least 25% of the value of your pension in a tax free cash lump sum.

Taxable Cash: You may be able to take sum of your pension in taxable cash.

Annual Pension: This is a guaranteed income for the rest of your life that is purchased with the money left after your tax free lump sum.

Approved Retirement Funds: You may be entitled to keep some of your money in an approved retirement fund, money can be taken from the fund to give you a regular income.

It is extremely important that you take your time and have all the options explained to you in plain simple English and that you understand all your options clearly before you make your final decision. As well as the above there is much more to be discussed about your pension. You should discuss your retirement options with financial advisor who has access to a number of different pension providers before making any decisions, he or she will help you with the above options and any other queries you may have.

To discuss the above or any other matter Dermot Cronin QFA can be contacted at 0646622775 or dermotcroninifa@gmail.com

Adventure seeker Aislinn takes on Defence Forces Challenge!

A young Killarney girl is among 30 young Gaisce participants from across Ireland who concluded four days of hiking, kayaking, rock climbing, swimming and army assault courses as they took part in the annual Defence Forces Adventure Challenge. Aislinn Burke from Killarney has just completed Transition Year at St. Brigids Presentation Secondary school and was one of the young recruits who were put through their paces by personnel from the 2nd Brigade Artillery Regiment of the Defence Forces, who led the Gaisce participants through a host of incredible adventure challenges, training and team-building exercises. The Defence Forces Adventure Challenge shows young people just what

they can achieve when they step outside their comfort zone. "The President's Award is delighted to partner with the Defence Forces on the 32nd Defence Forces Challenge. Due to the leadership and generosity of the Defence Forces, 30 Gaisce participants from all over Ireland experienced a unique insight into military life first-hand. These young people pushed themselves to their limits, and in the process, developed skills, built confidence and created friendships and memories to cherish. We congratulate them all on their achievements", Yvonne McKenna, CEO of Gaisce – The President's Award said. The once in a lifetime opportunity kicked off for the young people at the Custume Barracks, Athlone

Paddy invites everyone to come walk with him

A walk to raise money close to the heart of the O'Dwyer family will be held on Saturday 15th June in Camp.

Organised in aid of the Kerry Branch of the Irish Kidney Association, Jimmy and Paddy O'Dwyer have a very close connection with the Kidney Association.

In 2011 Paddy was diagnosed with renal failure which saw him needing dialysis and required a kidney transplant. Paddy was fortunate enough that his mother was a match and was able to donate a kidney to him. This was all planned for Monday 8th December 2014 but unfortunately this was not a success and the kidney had to be removed on Wednesday 10th December. While recovering after both surgeries in Beaumont on

Saturday 13th December Paddy received that all important call that a donor kidney was available, which was a success.

"Paddy's recover was a slow and rocky process but thankfully he is now the picture of health and enjoying life to the full", Jimmy told the Killarney Outlook.

"We have organised this walk with the intention of raising funds and awareness about organ donation. And we want to get the message out there to 'have the chat' and let your next of kin know your wishes", he added.

A great day is promised with a scenic walk followed by a BBQ and music in the Junction Bar, Camp. Please come along to support this worthy cause.

Walking shoes at the ready.... Stephen Byrne, Paddy, Connor and Jimmy O'Dwyer are inviting everyone to walk for the Irish Kidney Association.

Sean scores big at Irish game

11 year old Sean Cox from Kilcummin with the jersey that James McClean wore in the recent Ireland v Denmark UEFA Euro game played in Copenhagen.
PHOTO: DONAL BARRY

Little did eleven year old Sean Cox from Kilcummin know it but his trip to see Ireland v Denmark in Copenhagen was going to be a lot more special by the end of the evening.

Sean travelled with his dad Tom and his friend Brian and his dad Ulick O'Sullivan to support the boys in green against Denmark last Friday evening.

"We arrived to the pitch about an hour and half before hand and put up a 'Kerry boys on tour' flag at the Irish end and we brought along our poster 'James McClean can I have your Jersey Please?'

Well you know the saying about a dumb priest and a parish, well on this occasion it paid off with McClean and his fellow Derry native Shane Duffy attracted by the sign prior to warm up as both gave a welcome wave to both boys before kick off.

While McClean put in his usual 90 minutes of hard work, Duffy would go on to head in the all important equaliser for Ireland late on.

And true to his word, McClean sought out the Kilcummin men minutes after the game and handed his jersey to Sean, much to the delight of Irish supporters in their section.

An avid sports fan, Sean was taking it all in this week as he sat in to watch Ireland take on Gibraltar on Monday night, after all it was a school night but he watched on as his latest Irish hero played a brilliant late cross to Robbie Brady to see Ireland win 2-0.

COMMUNITY PROJECT UNITES ARTISTS OF ALL AGES

Pictured at Millennium Park in Kilcummin 1st class students who completed the project, also in the pic are Eileen Buckley and Amy O' Dea from St. John of Gods Killarney Day Programme who taught the students.

With the importance of recycling and protecting our environment at the fore-front of many people's minds at the moment, two local groups have come together to engage primary students in a fun and imaginative learning process.

A group of talented artists from St. John of God's Kerry Services contacted local schools in Kilcummin with an idea for an integrated art project, the aim of which would both highlight the importance of recycling and give the students a piece of art that would be both beautiful and functional.

The schools were delighted to take part and for a number of weeks the students from Kilcummin, Analbla, and Coolick National

School collected bottle tops from their homes. Materials and a location for the completed piece of art work was received from local voluntary group "Kilcummin Looking Good".

Over the course of 8 weeks 3 ladies from St. John of Gods Killarney Day Programme, Amy O' Dea, Eileen Buckley and Jennifer O' Sullivan took on the role of teaching 1st class students how to create a bottle top art mural. The time spent completing this project evolved into something much more than just a learning experience for those involved. Important social skill, community integration and a greater self-esteem are just a few of the benefits gained.

Letter to the Editor...

Hurling Féile 2019

Dear Madam,

I wish to congratulate the GAA and Organisers of Féile 2019 for hosting a wonderful and inclusive Tournament.

As a Parent of a participating Player, I witnessed at first hand the enormous voluntary effort and work that goes into looking after our young Sportspeople.

It truly was a magnificent occasion, with Hurling and Camogie Teams from all parts of the Country competing, socialising and mingling together in a demonstration of the best that the GAA has to offer.

In particular, I should like to thank the South Kerry Hurling Management and Killarney Camogie Management for looking after our Children and Spa GAA Club for making their excellent facilities available throughout the weekend. Not to mention the Torc Hotel for their generous hospitality on Saturday evening. It was a truly memorable event, never to be forgotten by Parents and Participants alike.

I remain, Yours sincerely,

Pat F. O'Connor.

There is still a lot to play for as the State Exams enter the third week

By Billy Ryle

As the state exams approach the end of the second week, many candidates have reached or are close to the end of the road. The optional subjects now take centre stage. As the number of candidates taking these subjects is considerably less than the number taking the compulsory subjects some exam centres will close early. Candidates from these centres will be relocated to a different centre for the remainder of the exam. The number of candidates in the school environment will also continue to decrease, so it's important for candidates who still have a job of work to do, not to feel left behind or to become impatient to get over the finishing line.

Normally in the final days, candidates will have one or two subjects from a standard seven left to do. However, it's not unknown for students to take an eight or even a ninth subject to complete a particular vocational grouping. So, there are still grades and points to be earned. Candidates must guard against exam fatigue. The buzz of the early days is gone. There is less foot fall around the exam centres. Your remaining subjects are likely to be spaced out. These subjects have to be faced. They must be given priority between now and Tuesday, 25th June. Keep a lid on your impatience and stay in exam mode. Be as motivated, focussed and energetic now as you were on the first exam day.

Eight of the fifteen exam days will have passed by tomorrow, Friday evening. There are fourteen more subject sessions in the remaining seven days. The number of candidates taking these subjects will be much less than in the earlier days of the exam. However, candidates concerned must defer any post exam celebrations. In sporting parlance, as Sir Alex Ferguson has so often reminded us, the game ends only with

the final whistle. How right he is! Defeat has often been snatched from the jaws of victory by one untimely lapse in concentration.

The weekend provides an opportunity to recharge the batteries and to plan ahead. Enjoy some exercise and fresh air to prepare for the remaining exams. A good work out will help you to sleep soundly, to build up stamina and endurance and to maintain your concentration for the last lap. Enjoy a few good nights' rest so that your mind and body are fully alert for the remaining papers. Organise your revision sessions for daylight hours. Don't burn the mid-night oil but go to bed early. Go over the tips and predictions for your remaining subjects. Resist the temptation to spend endless hours cramming course material. Scan your notes on the eve of any remaining paper so that the key concepts are fresh in your mind.

Maintain your disciplined and organised approach over the remaining days. Avoid late night socialising with those who have finished the exam. Keep your distance from alcohol as you'll need a clear head and lots of energy for the task ahead. Eat well as good nutrition is important to avoid energy loss. Keep your fluid levels high to avoid dehydration.

Candidates have performed very well so far. Keep up the good work and bring your exam to a successful conclusion. Use your free days wisely. Stay positive and confident. Take it subject by subject and bring the curtain down on a stellar performance.

After the State Exams, applicants to the Central Applications Office (CAO) turn their attention to the CAO "Change of Mind" Form, which must be submitted by Monday, 1st July. Next week, I'll explain how to use that facility to your best advantage.

OUTLOOK MAGAZINES NEW WEEKLY MUSIC COLUMN

This week we focus on

Margo, The girl from Donegal

Margo, The Queen of Country and Irish Music, is celebrating 55 years in show business this year. To mark this milestone in her career she is doing a short series of special concerts throughout the country. This tour will see Margo appear in Galway, Tullamore, Letterkenny, Enniskillen and the infamous INEC Killarney on Saturday Night 17th August.

Margo (O'Donnell) who is the older sister of Daniel O'Donnell, hails from Donegal, and has enjoyed a long and successful career having recorded many very popular songs over the years. She has a great "knack" for finding songs that her legions of fans can identify with. Margo can sing songs from the Country music genre as well as the Old Irish ballads. Songs such as "Shanagolden", "The Eyes of a Child", and the showstopper "The Ballad of James Connolly" "Fly me West" have delighted audiences throughout the years.

Recently, the girl from Donegal has had a big hit with a duet she recorded with the late "Big Tom" entitled "A Love that Lasted". This was the most requested song on all regional radio stations over the past several months.

Margo has a special connection with her audience and her easygoing laid back style appeals to her many fans.

She said recently "I am lucky that I have a very loyal following amongst the lovers

of Country and Irish music. I have been blessed in my career and I love singing those songs for the people who come to see me at the concerts. But without these loyal fans there wouldn't be a show. I am forever grateful for their support in good times and bad, they have never let me down and the INEC Killarney is one of my favourite venues in which to perform and I'm really excited about performing there".

Margo will be joined at this concert at the INEC by some very special guests including Trudi Lalor, PJ Murihy, Max T. Barnes, Keelan, Patrick O'Sullivan and MC on the Night from Radio Kerry, Dermot Moriarty. A top class backing Band and professional lighting and sound show, will allow people to hear and see Margo at her very best. Dancing afterwards in the Gleneagle Ballroom to Patrick O'Sullivan and admission is included in your Concert Ticket.

This promises to be a super night of entertainment to celebrate Margo's 55 years in show business. Tickets at €30 are now on sale now from The INEC Box Office on 064 66 71555 booking is advised as this will be a Sold Out Concert for our Queen of Country and Irish, MARGO.

On a sad note Caball's a very well know shop for selling records, cassettes, CD's and DVD's down through the years are to close after 99 years in business. In recent years many a CD and LP I bought there. Could this be the last music shop in Tralee.

A nice place to be this weekend is Hidden Valley Pet Farm, Kilgarvan for their dancing festival. Friday night Celi with Ui Bhrian, Saturday from 9.30pm Shay O'Callaghan and Sunday afternoon Marina Ceili Band, Muriel O'Connor & Fran Curry and Neilie O'Connor.

Transform your garden this June

With a minimum of effort even the novice gardener can add interest and colour to their garden by introducing bedding plants. Bedding plants are a marvellous source of instant colour and should, if watered well and regularly dead-headed, keep blooming throughout the summer right up until September and even later. The majority of bedding should be strategically placed so that it can be enjoyed from the house and can easily be watered every day in hot weather. Prior to planting, the soil requires forking and breaking down to what is known as a fine tilth (crumbly texture). A balanced fertiliser should be incorporated and the ground raked smooth. Additional feeding with liquid preparations can follow once the plants have become somewhat established and made a little growth. Spacing should be regular at around 30cm but much will depend on variety chosen. More precise information can be obtained when making your purchases at the garden centre. By all means create patterns of colour when planting large beds and use as many varieties as you wish but don't randomly mix or jumble them together. Water immediately after planting and give additional water on a twice weekly basis until they're fully established and growing strongly. You can add a liquid feed at every watering if diluted to half the recommended amount. Finally, deadhead (pinching off the dying blooms) often in order that the varieties chosen continue to produce further flushes of bloom. To do less than this would be a signal to the plants to stop producing follow-on blooms, for stimulation is vital from planting to removal.

Top bedding plants....

To help you get some kind of return in terms of colourful blooms in the open ground or in baskets, window boxes and containers this summer, here are the top five:

- 1) **Busy Lizzies** especially the newer hybrids in shades of pink and lilac. They are ideal for damp, shady places and are a superb choice for Irish gardens and typical Irish summers!
- 2) **Petunias**, especially the surfinia strains. For general bedding choose the multiflora strains for while their blooms may be smaller than those of the Surfinias, they're borne in large numbers and stand up to wet weather much better
- 3) **Lobelia** Whether you use the trailing or bunching forms, sheets of colour will be yours.
- 4) **Begonia** - these fibrous-rooted reliables perform semperflorens excellently in poor summers. 5) **Cirrus** Set off any bedding scheme to perfection Senecio cineraria and provide texture and colour by including a selection of foliage plants.

Gardening

TREES FOR SMALL GARDENS

There are a lot of trees suitable for smaller gardens and they come in all shapes and sizes evergreen or deciduous. There are a lot of things to consider when choosing a tree for a limited space, the most important being the eventual height and spread of the tree. Some ornamental small trees can still reach a height of 20/25 feet. Sometimes even these small trees can be too big for a small garden but there is still a lot of choice out there. Examples would be a weeping tree which never gets too tall and is very easy to prune back if need be. On the other hand you can choose a tree that is columnar in shape and it won't spread out too much. Also there are standard trees. These trees are usually about 3ft to 4ft in height and grow from the top to ground level, staying at the height you plant them at.

MAJOR BOOST FOR TOURISM

as Fáilte Ireland announces €150million investment for attractions nationwide

A workshop to guide organisations and businesses on the application process for the new €150 million investment programme from Fáilte Ireland took place at Muckross Park Hotel, Killarney this week.

Fáilte Ireland will invest €150million into developing major new visitor attractions of scale across the country.

The Minister for Transport, Tourism and Sport Shane Ross launched Fáilte Ireland's new Platforms for Growth initiative which will "transform the tourism landscape across the country" according to CEO Paul Kelly.

The programme of investment is Fáilte Ireland's largest yet, and forms part of its Grants Scheme for Large Tourism Projects which runs up to 2022. Major new visitor attractions of scale will be developed and existing attractions greatly enhanced through Platforms for Growth, with Fáilte Ireland making individual grants available for large-scale visitor attractions of €2.5million upwards. Platforms for Growth is funded under the Government's Project Ireland 2040 strategy with the aim of driving sustainable growth in the Irish tourism sector and higher revenue and job creation around Ireland.

It is unlike any previous investment announced by Fáilte Ireland, as it specifically targets 'platforms' or projects that have the greatest potential to grow tourism across Ireland, and fill gaps in the Irish tourism offering in order to meet changing visitor preferences. Through this

Proud day for Killarney Celtic as they unveil Club Mark

Killarney Celtic members past and present were joined by local dignitaries for the unveiling of the FAI Club Mark at Celtic Park.

Killarney Celtic is the only club in Kerry and one of 20 nationwide to have achieved the exacting standards in administration and Governance required by the FAI to achieve the Club Mark. Club Chairman Paul Sherry welcomed Ireland South MEP Sean Kelly, Mayor of Kerry Niall Kelliher and Councillors Micheal Gleeson, Niall O'Callaghan and Donal Grady and congratulated them on their re-elections.

He thanked all the members of the MC who put in months of hard work to ensure that the Club achieved the standards required.

"Those involved in securing the Club Mark have put in a huge effort to secure this and should be very proud of their efforts.

We can now proudly say to members and to parents of prospective players that Killarney Celtic operates to the highest possible standard off and on the field.

We take great pride in this Award and also thank the staff in the FAI for their guidance during the process".

Unveiling the Club Mark on behalf of the FAI was their Grass Roots Director Tom O'Shea who has been with the club since day one. He was joined by founding member and fellow Trustee Mikey Daly.

Tom said it was a very proud day for the club and he was delighted to be in a position to unveil the Award.

"Along with Mikey and Billy Healy I have been involved with the club from the start.

To see what has been achieved at Celtic Park is

huge credit to all involved over the years.

The present MC has embraced the challenge of achieving the Club Mark and it shows that off the field they are one of the best run clubs in the country.

Add to this the facilities and the success on the field and these are very good times for the club".

Tom also spoke of all the good work being done by many in the FAI.

"While we all know the challenges the FAI is facing it is wrong to malign all the staff who are

doing some wonderful work.

The huge range of vital programs are still running and the Club Mark is one of these.

These programs support the work being done by thousands of grass roots volunteers."

The Club Mark plaque was then unveiled and the club hopes that this will be the first part of a unique double as they have also been named as one of 6 clubs that are in the short list for the FAI Club of the Year.

Let life love you

Have you noticed how, so often we struggle with life? We want things to be different from what they are. We think others should be more like us. We want to be older, thinner, younger, richer, smarter, calmer etc. We try to control outcomes and end up feeling unhappy when we don't achieve this. When we live in resistance to what is happening in our life, we end up feeling stressed and anxious. One of the most powerful things we can do is to allow life to be as it is and create peace and acceptance from the inside out. When we allow people and events to unfold in the way that they are, without pushing against them we move into an inner world of ease. For example, when your flight is delayed you can either get stressed about it or choose to lean into the moment and spend your time reading, meditating, chatting or just being present with "what is." Getting upset about the flight won't make the flight happen any earlier. All it will do is put you into a negative state of being. However, choosing to relax into the moment will mean that you don't waste any moments of your precious life feeling anxious, upset or angry. Love your life and let life love you in return!

FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

POSITIVE THINKING AND SETTING MANAGEABLE GOALS

One of the ways that a negative attitude can prevail during dieting is if you have set unreasonable goals for yourself. Trying to exist on an extremely low-calorie diet or setting your weekly weight loss goal at an unattainable number often sets you up for failure.

To increase weight loss success, set achievable goals. Losing one or two pounds per week is a reasonable goal and can generally be achieved without extreme measures. Weigh yourself weekly; every week that you reach your goal, acknowledge your success. This will perpetuate positive thinking. Before long, you'll find that your motivation and energy have increased, and the pounds are coming off.

CAN YOU DO IT?

Welcome to our brand-new Run Killarney race column for 2019. Over the coming weeks we'll help you on your journey to the start line in Killarney on 20th July. Every week I get asked by people I meet "Can I do it?". My answer is always the same, **YES YOU CAN!** You simply need to set your expectations and prepare the right way.

About Me

My name is Brian, I run the RunninginIreland.com website and blog. I am not an elite athlete; I don't think I'd consider myself a fast runner either. I just love to run. But I have done a lot of races, including Killarney and I will draw on this experience to help you on your way.

Choosing your distance

Luckily there are two very good options, either the half-marathon or the **10K**. You may be part of a group with novice runners who are used to distances of **5k or less**. For this group, the 10K option is perfect. It may feel like a big jump, but with a good training programme, anyone can get up to the 10K distance.

Perhaps you have done a 10K before and are worried about the step up to the half. This may seem daunting as it is quite a jump from 10k to 21k. However, it is definitely doable with the right approach. There are really good training plans available on the Run Killarney website that will help you with this increase. Most importantly for me as regards Killarney is that, if this is your first attempt at a half-marathon, this is probably one of the best ones in the country (and beyond) for a 'first timer' to try. The course really helps you along (starting in Molls Gap and bringing you down the National Park), and there is a super atmosphere among the runners on the route and at the finish line. You may have done a half before, and you run regularly. Well then you need to think about your longer term goals for this year. Do you have a big target for later in the year, are you focusing on lowering your times? Will the 10k or the half help you towards other goals?

Award-winning event

For both distances you will receive a **beautiful medal and finishers t-shirt**. Run Killarney won "Event of the Year" in the Running in Ireland race awards last year, "Editor's Choice" category. So you are literally going for one of the best events in the country.

Joke of the week!

There's a party at the event especially for runners who don't use deodorant sprays.....'Roll-on the after-party!'

Places are filling fast! So don't miss out...

KERRY PITCH & PUTT CLUB NEWS

AFTER the euphoria of Damien Fleming's success on the June Bank Holiday Monday in the National Matchplay Championships it was fitting he closed the week with another win closer to home as he claimed his first County Senior Strokeplay title in seven years with a 17 under par total in Castleisland last Sunday. Rounds of 10 and seven under par gave the Deerpark player his winning score as he was two strokes clear of Castleisland's James Dignan and Deerpark's John McGrath. Dignan beat McGrath for the Runners-Up spot on the back six after both had 15 under par with Tralee taking two of the other three titles on offer last Sunday.

Eamon Sheehy had a brilliant 14 under par score to win the Intermediate grade by six strokes from Deerpark's Adam Kelly who beat another Killarney player in Sean Ashe from the Gleneagle by a stroke for second with a score of eight under. In the Ladies event, Lisa O'Connor was a 13 point winner of the Stableford format over Deerpark's Mary Murphy with a score of 90 points as the Junior Gents title on Sunday went to Listowel's Conor Leahy. In his first year out of the U-16 ranks, Leahy had a strong nine under par score to finish seven strokes clear of club-mate Ger Guerin in second on two under par. 60 players took part in what was one of the biggest turnouts for a County Strokeplay in some time.

It leads in to what will be a momentous weekend for Listowel this coming weekend as they host their first Munster event in 17 years with the staging of the Ladies and Gents Strokeplay Championships. Just under one-third of the entire field (33) is made up of both Kerry Ladies and Gents competitors with players from the county in five of the six grades of competition this weekend. The Junior Gents along with the Ladies grades are to be played on Saturday with the Senior and Intermediate Gents the two events taking place on Sunday. The County Board wishes all the Kerry participants as well as Listowel themselves the very best of luck with the staging of this weekend's event.

DR CROKES CLUB NOTES

ROUND 5 COUNTY LEAGUE DIVISION 1 AN GHAELTACHT 2-14 DR CROKES 3-15

Played in Gallarus on Saturday 8th of June In a game in which there were very good scores by both sides we ran out winners in the end by four points on a score of 3-15 to 2-14.

This game was closely contested from the start, we were on top in the first quarter and left after 15 minutes by 0-4 to 0-2. An Ghaeltacht came very much into the game in the second quarter and led 0-7 to 0-6 going into injury time. In this time added on Kieran O'Leary struck for a goal which gave us a half time lead of 1-6 to 0-7.

Jordan Kiely had a point straight after half time but our opponents then struck for two goals. It took a goal by Jordan Kiely in the 37th minute to equalise the game at 2-7 each. A few minutes later An Ghaeltacht sent over two

Faha National School the overall winners of Cumann Na mBunscoil on Thursday 6th June.

points without reply to go into a 2-9 to 2-7 lead. A goal by Chris Brady in the 41st minute put us back in front by a point. We finished the last quarter better outscoring our opponents by eight points to five. This gave us victory by 3-15 to 2-14 when the referee blew for full time. Both sides were under strength but at the same time there was some great football by both teams. Even though our regulars Kieran O'Leary and Jordan Kiely scored more than half our total scores between them, great credit is due to our fringe players who contributed enormously to our victory as did our other first team players.

Team: Johnny O'Leary, Brian Fitzgerald, Jason Lyne, David Naughton, Chris Doncel, Lorcan Mc Monagle, Jack Griffin, Daithi Casey, Mark O'Shea, Mike Casey, Chris Brady, Brian Looney, Bryan O'Shea, Kieran O'Leary, Jordan Kiely
Subs: Mike Milner

UNDER 12 BOYS

Congrats to our U12 boys who enjoyed well earned victory on the road against a very good Kenmare side on Monday evening. Our boys struck early and often getting 4 goals in the first half and took a commanding 7 points lead into the half-time break. Kenmare upped their performance in the second half getting a few great goals themselves as the game ebbed and flowed. A superb team performance with a great spread of scorers saw our boys hold on for a well deserved victory. Dr Crokes Team:

Goalkeeper: Jack O'Donoghue

Defenders: Cathal Sugrue, Sean Kiely, Mark O'Carroll & Jake Downing,

Midfielders: Dara O'Sullivan & Adam Byrne

Forwards: Ben Kelliher, Brian McCarthy, Liam Hennigan & Muirís O'Donoghue.

Final score: Kenmare 3:13 Dr Crokes 5:11

Well done to all involved.

SENIOR COUNTY LEAGUE DIV 3 - RD 5

Firies made the Journey to Ballydonoghue on Sunday afternoon to take on the home team in round 5 of the County League. Ballydonoghue

got off to a blistering start with a goal after 2 minutes but Furies replied with points in the 3rd and 4th minute from Donnacha O'Sullivan, one from play and the other a 14m free. In the 7th minute, Ballydonoghue got their first point and a minute later Furies were denied a goal from a good save from the Ballydonoghue keeper. Furies followed up this to take the lead by the 22nd minute with 3 unanswered points, two from Donnacha, one from play, one from a free and the 3rd from the impressive Aaron Flynn. At this stage the score was Ballydonoghue 1-01, Furies 0-05. But Ballydonoghue replied with 3 points of their own before the half time whistle to lead 1-04 to 0-05. Furies scored the first 2 points of the second half coming again from Aaron and Donnacha to leave the scores level after 3 minutes. Ballydonoghue took the lead again with the next 2 points in the 5th and 6th minute. Then in the 7th minute a long ball into the square from Padraig O'Connor went straight to the back of the net and this was followed up a minute later with a point from Aaron. Furies were now in the lead by 2 points, 1-08 to 1-06. Ballydonoghue then took control of the game from here and in the next 10 minutes they scored 1-04 without reply to lead 2-10 to 1-08. Furies did make a drive towards the end of the game and scored a point from a Donnacha free and a goal from Darragh to leave the minimum between the sides. But in the 29th minute Ballydonoghue won possession around the middle of the field again and drove forward to score the insurance point, to take the win by 2 points. Final Score: Ballydonoghue 2-11 Furies 2-09. Up next for Furies is a home game against Listry on Sunday at 2pm.

Furies Team: Cian Callaghan, Josh Flynn, Diarmuid Brosnan, Dan O'Shea, Liam Brosnan, Evan Cosgrave, Stephen Foley, Con O'Mahony, Jake Flynn, Padraig O'Connor, Pat Daly, Mike Daly, Darragh Donohue, Donnacha O Sullivan, Aaron Flynn.

SENIOR MEN

Our senior men came away from Castleisland with a win on Saturday night. Nathan Breen opened up the scoring for Beaufort and the first half proved to be a very balanced affair with Beaufort's points coming from Danny Healy, Jeremiah O'Sullivan, Ronan Murphy, Pádraig Doona and Fergal Hallissey. A goal from Ronan Murphy just before the half time whistle left the half time score Beaufort 1-9 Castleisland Desmonds 0-7. Early in the second half, another point from Ronan, followed by a goal from Ciarán Kennedy left Beaufort in front with a comfortable lead of seven points. However, this comfort was short-lived as Desmonds found the net twice in a short space of time, and while Beaufort added points from Liam Carey, Mike Breen and Ciarán, they only led by 1 point entering injury time. A 45' from Fergal was the insurance point for Beaufort as they hung on to secure the win on a final scoreline of Beaufort 2-15 Castleisland Desmonds 2-13.

Beaufort team: Jason Foley, Shane O'Sullivan, Ger Hartnett, Sean Kelliher, Jonathan Kissane, Mike Breen, Jeremiah O'Sullivan, Nathan Breen, Ronan Murphy, Fergal Hallissey, Liam Carey, Pádraig O'Sullivan, Danny Healy, Ciarán Kennedy, Pádraig Doona.

Subs used: Ronan Ferris, Ian McGillicuddy, Micheal O'Sullivan.

JUNIOR MEN

An Eamon Flaherty goal with 2 minutes to go was the crucial score as Moyvane beat Beaufort after a very exciting Division 5 game. Beaufort led at half time 0-7 to 0-5 having dominated possession, with good performances from Ian McGillicuddy, Danny Healy and Pádraig Hallissey. Eamon Stack Mulvihill and Martin Stack inspired the Moyvane comeback which resulted in the late goal, putting them 2 points up. Beaufort launched one last attack and a high ball was floated into the square. Sean Foley rose highest to punch the ball goalward in a great attempt for the winner, but it went inches over the crossbar, leaving the final scoreline Moyvane 1-9 Beaufort 0-11.

KILLARNEY CAMOGIE CLUB

Feile na Gael 2019 - Our under 14 team had an amazing weekend competing in Feile na Gael 2019. We hosted the Four Roads Club from Co. Roscommon who were well looked after by our host families. In our opening match on the Friday night, we played Castleblaney from Co. Monaghan. This match was a ding-dong end to end affair and Killarney emerged victorious with a last minute goal. Match 2 on Friday saw us play Tralee Parmells where we again emerged victorious. Match 3 on Saturday morning saw us play our visiting club Four Roads. On the day Four Roads were a bit better than us and won out. We had won 2 out of 3 and this saw us progress to the quarter final stage, so onto the bus and across the county bounds to Ballyvourney where we were well looked after by the Laochra Og club. On Saturday afternoon we played Clonakilty and after a titanic battle we emerged victorious courtesy of another late goal which was becoming something of a Killarney speciality. Back to Killarney where together with the South Kerry hurling team we set off on a parade through town where ourselves, South Kerry hurling, Four Roads from Roscommon and Michael Breathnachs

from Galway took part. From there onto the Torc Hotel for food and entertainment. Off to bed and then onto Mayfield in Cork on Sunday where we competed in the All Ireland Semi final. On the day we met a Nemo Rangers side who were a bit better than us and they held out for victory. The girls were disappointed with the final result. However it must be noted that we were competing in an All Ireland semi final for the very first time and we acquitted ourselves very well. This team is full of fight and heart and no little skill and trainers, parents and supporters are all very proud of their efforts. We stayed on in Mayfield and supported the Four Roads club who won out in the final. A huge thank you from everybody in the club to trainers Paul O' Brien, Ceara Moore and Mark Moore. Well done to our fantastic squad of players Aimee Coffey, Aine Devlin, Alannah Holohan, Anne hickey, Ava Moore, Chloe McCarthy, Chloe Breen, Ciara Dineen, Ella Bartlett, Elle Coffey, Faye O' Carroll, Hannah Ryan, Holly Adair Duggan, Kathryn Ryan, Leah Daly, Maggie Hickey, Megan Gillespie, Niamh Cantillon, Orla Cronin, Thi Que Kennedy, Yasmin O' Brien and Yen Lenniston. Best wishes to team captain Holly for her upcoming knee surgery. We look forward to seeing you back in action later in the year. Thanks to all our friends in Spa GAA who have been so generous to us regarding the availability of clubhouse and pitch. A final note of thanks to the many in the club committee who organised such a well run weekend, in particular Linda Dennehy, Elaine Murphy, Noreen Gillespie and Mary Ryan. Training for all age groups continues in Spa GAA every Monday evening from 6.30 to 7.30.

Two more from Spa's Ryan Kelliher and Conor Gleeson and two more from Crokes' Roan Delaney before the break had Spa trailing 0-4 to 0-7.

Brendan Falvey and Ryan Kelliher exchanged points early in the second half before Spa had a penalty shot sent over the crossbar. COUNTY LEAGUE DIV 1

Killarney Legion 3-18

Na Gaeil 0-05pts

Legion welcomed Na Gaeil to Direen on Sunday. Legion set up very well with some fast moving passing resulting in some well taken scores from our forwards. Legion dominated with some great defensive work throughout the first half holding Na Gaeil to 2 points in the first half on a scoreline of 2-12 to 2pts. Micheal Devlin and Denis Sheehan put a great shift working hard all the field. Credit is due to Na Gaeil for battling on to the very end. This was a great team performance with a great spread of scorers which saw Legion run out worthy winners.

(Conor Keane 0-08pts, Tom Moriarty 1-02, P Lucey 1-0, K Slattery 1-0, Denis Sheehan 0-03, Cathal Sheehan 0-01, K Breen 0-01, Jamie O'Sullivan 0-01, Jack O'Neill 0-01, M Devlin 0-01)

Both sides put in a solid performance with goals coming for the legion side from Peter McCarthy leaving them going in at half time level. The second half was very evenly matched, until Stephen McCarthy struck for goal which gave Legion a lead and they kicked on from there seeing out a very good Ballylongford side on a scoreline of 2-14 to 12pts.

U-12 BOYS

U12 boys in action this evening in round 3 of the Kerry Coiste na nÓg Div 9 in Direen. The visitors from Austin Stacks GAA travelled in great numbers as always. An early threat of rain receded to make it a lovely evening for football. The greasy sod provided a challenge to both teams but the players adopted well as the game progressed. Our opponents started sharper and were camped in our half for the early exchanges. Some resolute defending kept the Rockies at bay. Our boys steadied the ship and took some fine scores at the other end to lead at the break. The second half was a ding dong affair with some great skills on show by both sets of players. High catching, block downs and great score taking made it an entertaining match for the supporters on the 'silent sidelines'. As the midges started to descend on Direen, our lads held their lead to the final whistle. Well done to all the boys and thanks to Austin Stacks, the excellent referee from Spa GAA and all the supporters on the night.

U-10 GIRLS

Our U10 girls were on the road today to take part in a blitz hosted by Inbhear Scéine Gaels Ladies Football Club in scenic Kenmare. The girls played 4 matches before bowing out to the hosts at the semi final stage. Well done to all the girls who represented their club with pride today and had great fun in the sunny conditions.

Thanks to ISG for hosting an excellently organised tournament on and off the pitch.

MOTHERS N OTHERS

Legion hosted The Mothers n Others teams from Milltown and Glenflesk for a mini blitz at Direen. A great evening was had with some football played as well. Thanks to all the 'others' young and old who supported on the night for a fantastic night of fun and entertainment. Anyone who would like to join, it's on every Wednesday at 7:30pm at Direen.

JUVENILE ACADEMY

The Saturday morning crew welcomed Laune Rangers Gaa boys to Direen. A great morning of fun and entertainment from all teams that performed on the day. A Special mention to all the girls and boys who performed at half time at the division one and five games on Sunday providing great entertainment for the spectators at the games.

KERRY TEAM NEWS

Well done to Isobel Corridan & Sarah Leahy who lined out with the Kerry U-21's v Limerick in Banogue with a convincing win on a scoreline of 2-16 to 3-06 and to Cian Gammell who lined out with the Kerry U-20's League defeating Dublin on a scoreline of 1-07 to 0-07pts. Well done Cian.

MILLTOWN CASTLEMAINE GAA NOTES

FIFTY FOR FEILE

This fundraising initiative to send our under 14 footballers to Galway in 2 weeks' time where they have qualified for the prestigious National Feile Finals, has proved very popular. The overall cost of this weekend is €6,000 and the club appreciates the generosity of all who have contributed so far to raising the money needed to fund what will be a memorable weekend for all these young boys, their families and management team.

The lucky winner of the first draw was Mark Bohn, Cork who received €450. Not a bad return for popping €2 in an envelope! The winning ticket was sold by Bernie Corkery, Larkins Bar, who received €30. So it's well worth your while either selling or buying a ticket or two!

Fifty for Feile buckets are in local shops and businesses- so why not try your luck.

Under 14 Final: Hard luck to our Under 14 B team who were defeated by Ballymac in a thrilling game on Friday last. Despite making

a super comeback to bring the game to extra time, they were very unfortunate to lose by 2 points in the end. Well done to both teams who produced some fantastic scores: 5/14 to 5/12.

SENIOR B

Our Milltown/Castlemaine Senior 'B' side, sponsored by Larkins Bar and Restaurant and Kelly's Londis Topshop, travelled the long journey to the seaside town of Ballybunion on Friday evening to take on Beale in a Credit Union County Senior Football League Round 5 encounter. It was a match which we always expected would be tricky given the fact our opponents were pushing hard for promotion and top of the Division 5A with an unblemished record of 4 from 4.

Beale finished stronger on the evening.

Our 'B' side return to action in Cromane on Tuesday next for a 7:30pm throw in for Round 4 of the Mid Kerry Junior Football League where we will look to make it 3 wins from 4 games & potentially qualify for a final dependent on our result and others.

SILENT SIDE-LINES is an initiative of the Co. Board which is to be implemented at all U12 Co. League Phase 2 games beginning this weekend. Essentially the message is that supporters are to remain silent during the game, remain outside the playing field or in a designated area for supporters and that just one lead coach interacts with the players during the game. In this way the children will have a more enjoyable experience playing the game and putting into practice what they have learned on the training field. The Co. Board is asking all of us to co-operate in helping to implement this initiative.

Vukasin Ocic, John Falvey, Keelan Deegan.

Killarney Celtic U12s won the Shield competition at the recent Pike Rovers/Collins family tournament. Our u12s hadn't played in a month and were unlucky to lose 2 penalty shootouts against limerick opposition Mungret and Regional. That ended our cup hopes but in the third game against Dynamic, things started to click and our football was a joy to watch.

In the afternoon we beat Avenue 5 nil with Oisin Fleming and Fiana Bradley lethal up front and Kevin Looney, Aindi O'Cathasaigh and Jack Rudden also deservedly on the score sheet.

In the final we trailed to an early Mungret attack but the fight back, led by Oisin Fleming who scored twice, was determined and sustained with the super impressive Fiana Bradley also getting a deserved goal to give Celtic the victory.

Killarney Celtic were delighted to receive the FAI Club Mark at a presentation ceremony at Celtic Park last weekend with the unveiling performed by FAI Grassroots Director Tom O'Shea and co founder of the club Mike Daly. We want to thank all those that attended and spoke today at our event with special mention to Sean Kelly MEP, Cathaoirleach of Kerry County Council Niall Kelleher, Cllr Donal O Grady, Cllr Niall O Callaghan and Cllr Michael Gleeson for your very kind supportive words. Many thanks to all those whose hard work over many years has resulted in this award.

Hurling

Disappointment for the Kerry senior hurlers last weekend, going down to Laois by 5 - 17 to 1 21 in Round 3 of the Joe McDonagh Cup competition. They have a vitally important game on this Saturday, 15 June when they take on Offaly at Austin Stack Park, 3.00p.m. A win will see them play in the same competition next year; a defeat would mean a drop down to the Christy Ring Cup. Admission is €10 with all Under 16's free.

Tadhg Flynn (Causeway) will represent Kerry in the senior competition, which gets underway at 11:10 a.m. In the Under 16 competition, commencing at 11.00a.m., Keltyn Molloy (Lixnaw) will be the Kerry representative. Competitors from all six Munster counties will be taking part and the winners and runners-up will go forward to the All-Ireland Finals in the Cooley Mountains in Louth later in the year.

Féile na nGael

Cork and Kerry successfully co-hosted the 2019 National Féile na nGael Under 14 Hurling competitions last weekend. Everything went off very smoothly and all 12 Kerry hurling clubs and 4 camogie clubs entertained their visiting teams to the highest standard. On the playing fields all teams got at least 4 matches. St. Brendan's were Kerry's most successful hurling club, being runners up in the Division 8 Shield Final while Ballyduff, Tralee Parnell's, Causeway and South Kerry reached the semi-finals of their various Divisions. In camogie, Causeway reached the Division 5 Cup Final while Killarney and Tralee Parnell's went to semi-finals stage. Overall co-ordination was excellent through all the clubs with particular mention to Damien McCarthy (Kerry Coiste na nÓg P.R.O.) and Tom Keane (National Féile Committee) for their planning and professionalism over the weekend.

South Kerry enjoy another competitive JOHN WEST FEILE NA NGAEL

The John West Féile na nGael Finals were held jointly in Kerry and Cork this year, with local clubs hosting clubs from all over the country. The South Kerry U14 Hurling Team (sponsored by Forrest Safety Solutions Ltd.) had a competitive weekend and enjoyed hosting Clg Mícheál Breathnach from Galway. The games got underway on Friday evening in Spa GAA Club which was the perfect facility for the 8 teams competing in the Group Stages in both hurling and camogie. We made a good start to the weekend, defeating Naomh Dominics (Roscommon) in the first game on a score-line of 3-11 to 2-03 despite a late surge in the last quarter. We had a comfortable win in the next game against our neighbours Firies GAA, winning on a score-line of 8-06 to 0-01.

Following these group games, players, mentors and family members from South Kerry and visiting club, Clg Mícheál Breathnach, enjoyed a hot supper by Rustic Pantry in the clubhouse followed by introductions to their host families. On Saturday morning, we faced our visiting club, Clg Mícheál Breathnach, at 10:45am. This was a challenging game against a strong, coherent team. Despite our best efforts and a competitive second half where Jack Fogarty was denied two goals, we lost on a score-line of 0-07 to 0-03. As a result of our performances, we qualified for the Cup Quarter Final vs. Luke O'Tooles (Wickow) on Saturday afternoon in Donoughmore. We started the game slow and found ourselves 1-02 to 0-00 down at the half-time whistle. A heated incident before the break saw one of our defenders receive a questionable red card. The second half was a different story. The team was spurred on by the dismissal of their team-mate and, overcoming the lack of official umpires and linemen, a powerhouse performance led to a victory on a score-line of 2-02 to 1-03. Both goals came from Matthew Fogarty with Shane Daly tagging on the points. This was the best team performance of the weekend and we would now proceed to Killavullen on Sunday afternoon for the Semi-Final.

On Saturday evening, the team returned to Killarney to join Killarney Camogie Club, Four Roads Camogie Club, Firies GAA, Naomh Dominic and Clg Mícheál Breathnach for the

South Kerry hurlers in action against Naomh Dominic in the Féile na nGael Group Stages at Spa GAA Club on Friday, 7th June. PHOTO: SEAMUS HEALY

parade through the town at 7:00pm. This was followed by a reception in the Torc Hotel with supper, entertainment and music.

On Sunday afternoon, we faced Southern Gaels in the Cup Semi-Final in Killavullen. We had a great start with Shane Daly finding the net to put us leading by a point at half-time. Unfortunately, Southern Gaels put in a strong second half and brought our Féile campaign to an end at the Semi-Final stage for the second year in a row – final score; 2-06 to 2-01.

This was a brilliant occasion for our young hurlers and a successful weekend hosting the John West Féile na nGael Finals. Our visiting club defeated Southern Gaels in the Final and all South Kerry players, who stayed to support them, invaded the pitch on the final whistle to congratulate them – a heart-warming spectacle to finish a great weekend.

There are so many to thank for this year's Féile na nGael, particularly our co-organising club, Killarney Camogie. Preparations started in the beginning of March with many events held since then including jersey days, flag days,

match day collections, a quiz night, 'Guess the Score' competition and bag-packing – thanks to all contributors. Thanks to all our generous sponsors for making this weekend possible, they will be shared on our social media accounts over the next few weeks. To all the families and friends for their support in the run-up to this weekend and at the competition, preparing and serving refreshments at Spa GAA Club and cheering on the team from the stands. Special mention also to the clubs who had players on the South Kerry panel for their support and publicity on social media.

South Kerry U14 Squad: Sean Finnegan, Cian Mangan, David O'Leary, Oisín Dineen, Cian Twomey, Eoghan Kelly, Kieran Clancy, Ciarán Collins, Diarmuid O'Connor, Liam Mulhern, Matthew Fogarty, Evan Kennelly, Shane Daly, Jack Fogarty, Brian O'Connor, Aaron Buckley, Daniel Dineen, Brian Murphy, Liam O'Donoghue, Gearoid Sugrue, Gearoid O'Connor, Adam Byrne, Dara O'Shea. QUESTION

I am moving back to Ireland after several years in Germany. Am I allowed to bring my dog and cat home with me?

ANSWER

Strict controls are in place for bringing pets into Ireland to ensure that diseases such as rabies are not introduced. If you are moving to Ireland or coming on holiday you can bring your dog or cat with you. The EU system of Passports for Pets allows dogs, cats and ferrets to travel between EU member states.

Any private veterinary practice can issue an EU Pet Passport which will certify that the pet is travelling from an eligible country, is identified by an implanted microchip and has been vaccinated against rabies at least 21 days before travel. Cats, dogs or ferrets coming from countries other than the UK, Finland or Malta must be treated against tapeworm between 24 and 120 hours before travel. The time and date of treatment are entered on the passport. Treatment for ticks is not compulsory, but it is advisable to get it at the same time as the tapeworm treatment.

Registered airlines may choose to carry pets complying with the Pet Passport regulations. Compliant pets may travel on any ferry. The pet must travel with its owner or with a person acting on behalf of the owner (unaccompanied pets cannot travel to Ireland under the EU Pet Passport System).

EXAM STRESS SOME TIPS FOR PARENTS AND STUDENTS

FOR PARENTS

Exams are here and will be over before we know it. The best way to support your teen at this time is to make home life as calm and pleasant as you can. You may notice that although you are desperate to know how the exam went, it's wise not to launch into an inquisition – so give your teen some space. Feeding them healthy snacks and good nutritious food will all be very welcome. Make sure they eat a good breakfast on the morning of the exam. Be sure to remind your child to take study breaks and get some fresh air to help clear the mind. After an hour or two of study, let them chill out but within reason. They need to switch off from exam student mode too. It's ok to be a couch potato at this time.

A good night's sleep is vital before an exam, so make sure your child isn't staying up late. Encourage an early night but don't let it turn into an argument. Insisting your eighteen year old goes to bed at 11pm doesn't really work, especially if he/she is not able to get to sleep and ends up tossing and turning until 4am. On the other hand it is not good either to turn a blind eye to 'gaming' until the early hours. Remind them that the brain needs at least 7 hours to absorb what they have learnt and to function well the next day. Lack of sleep can cause concentration and memory problems. Often, the study done after midnight is wasted.

FOR STUDENTS

The Psychological Society of Ireland offers some last minutes tips and advice to students how long to study. They advise students to study "regularly and briefly - rather than "cramming" at the last minute. Try to study in blocks of time which do not exceed your concentration span. For example, break up a study session into periods of about 50 minutes each." They also offer valuable advice to gain control over the exam situation as follows: "Ignore what other people do in the exam. Do not look around you in the exam-hall when the papers are handed out and do not pay any attention to students who request extra paper from the exam supervisors. Remember that it is the quality rather than quantity of the answer that attracts good marks. In any case, many "hand raisers" write on only one side of a page or perhaps skip every second line of their answer book. So, be selfish in an exam - ignore everyone else."

A PALM OIL ALTERNATIVE FROM USED COFFEE

Two Scottish Entrepreneurs Are Working to Replace Palm Oil With the Oil From Used Coffee Grounds:

Since palm oil has been linked to deforestation, the prosecution of native people, dangerous sources of greenhouse gas emissions, and the destruction of wildlife habitats, food and cosmetic companies have been coming under increasing pressure to ditch palm oil from their ingredients lists.

Now Scott Kennedy and Fergus Moore are honing a chemical technique that extracts oils from used coffee grounds. The young men first got the idea to use coffee waste oil when they were working in cafés during their time in college. According to the duo, the bulk of café waste is made up of used coffee grounds. In Great Britain alone, used coffee grounds collectively add up to about half a million tons of landfill waste every year.

"There are oils in coffee with a wide range of uses in different industries – cosmetics, pharmaceuticals, food and drink, household products – you name it, there's probably a use there and the coffee grounds have all the same components as palm" Fergus Moore said.

The two young men started the Revive Eco startup company to begin implementing their procedure in Scotland, and they already have plans to start expanding into additional European cities.

MAN CARRIED HIS BLIND DOG FOR 800 MILES SO SHE COULD BUILD CONFIDENCE TO WALK THE REST OF THE EPIC HIKE

Kyle Rohrig and his dog Katana had been halfway through completing the 2,650-mile hike of the Pacific Crest Trail when Katana's left eye started to cloud over from glaucoma, they took a break from the trail so she could undergo surgery for her vision loss, but they quickly returned to the west coast so they could finish the hike.

Two years later, Katana was blind in both eyes – and Kyle was heartbroken to see his once-intrepid hiking companion anxiously attempting to manoeuvre their living room.

Instead of resigning his dog to retirement, however, Kyle started formulating a plan to help Katana regain her confidence and after doing some initial training with Katana, Kyle resolved to take her on the Florida Trail: a gruelling 1,100-mile hike through the swamps and rivers of the Everglades.

Despite her disability, Katana would walk a few miles of the trail on her own every day but whenever the companions encountered marshes or floodwaters, Kyle strapped the 21-pound dog on top of his backpack and carried her through the treacherous terrain.

After 72 days of hiking, they finished the trail in late March. Collectively, Kyle had carried Katana for 800 miles – but since Katana had also walked 200 miles of the trail all on her own, she had undergone a noticeable transformation.

THE WORLD'S MOST EXPENSIVE CHEESE IS MADE FROM BALKAN DONKEY MILK

Pule is a crumbly white cheese that is not even available on the commercial market. Its high cost is attributed to the considerable time and resources needed for production. While most cheeses are made using cow, goat or sheep milk, this cheese is made from the milk of a Balkan donkey, native only to Serbia and Montenegro, and requires 25 litres of milk to produce just one kilogram (2.2 pounds) of cheese and no expensive ingredients are added during the cheesemaking process. The donkeys milked for the cheese aren't wild, either. They're domesticated and live on a

farm in a Serbian natural reserve called Zasavica. But donkey milk is exceptionally rare and difficult to produce. A female donkey produces only about 1.5–2 litres of milk per day. Donkey milk also contains significantly fewer solids than cow milk, meaning far more milk is needed to make the equivalent amount of hard cheese.

Costs of labour also influence Pule's sales price. Donkey milking—which occurs three times per day—must be done by hand, as no milking machinery exists to accommodate such a small, specialised industry.

Normally priced at around €1,000 per kilogram the cheese is produced in cupcake-sized mounds, has a yellowish tinge and is less crumbly than goat cheese. Its flavour has been described from "sweet, clean and mild," to "intense, with a natural saltiness". Currently the cheese is made only on advanced order basis and you will have to travel to the Zasavica reserve to collect it.

Zasavica donkey reserve is a donkey farm inside Zasavica, about 80 kilometres from Belgrade which produces the donkey cheese from a herd of about 100 endangered Balkan donkeys. By selling the donkey cheese at €1,000 per kilogram (app. \$576 a pound), the Zasavica donkey reserve plans to sponsor their conservation work.

THERE'S A SECRET APARTMENT AT THE TOP OF THE EIFFEL TOWER

When Gustave Eiffel and his team built the landmark in Paris it was intended as a temporary exhibit meant to broadcast France's industrial power to the rest of Europe. Eiffel knew that the terms of the construction project meant the tower was going to be demolished in 1909, so he contacted the world's most prominent scientists in an attempt to provide the tower with a legitimate scientific purpose that would save his namesake creation from being destroyed.

Upon the tower's completion, the apartment served as a laboratory for atmospheric measurements, astronomical observations, and physics experiments and he finally found the perfect accomplice in Captain Gustave Ferrié, who used the tower for the French Army's wireless telegraphy experiments in 1903. The tower was able to broadcast wireless signals as far as North America, making it indispensable to the city that would otherwise have torn it down only six years later.

A Word of Victory

Welcome back dear reader 'do not cast away your confident trust in the Lord which has great reward...For yet a little while He Who is coming will come and will not delay...the just shall live by faith...I will take no pleasure in anyone who turns away' (Hebrews 10:35-38). The devil uses past disappointments to make us quit and give up on hope and trust in God. But all God wants is for us to believe. When the people came to take Jairus back home because his daughter had died, Jesus told him 'don't be afraid, only believe' (Mark 5:36). This was a faith crisis for Jairus. It's no different for you and I friend – the time when it's hardest to hold onto hope is in the midst of battle. 'The battle is not ours, but the Lord's' (2 Chronicles 20:15). Our part is to worship and yield to God, obey His Word, hold onto and develop faith by trusting Him. Many only yield part of their hearts to the Lord, giving him just a small slot of their whole self because they are holding onto things that are incompatible with His Word. Unresolved anger, bitterness, unforgiveness, negative attitudes and toxic emotions all block and hinder faith from seeing results, and often the Lord comes way down the list of priorities. This falls into the lap of the devil who seeks to steal faith and blocks the plans God has for them (Jeremiah 29:11). "Every good and perfect gift comes down from the Father of lights, with whom there is no variation or shadow of turning" (James 1:17). This Scripture means that our Heavenly Father only gives good things and He cannot, and does not, change. "Jesus Christ the same yesterday, today and forever" (Hebrews 13:8). Jesus cannot, and will never change either! A leper once came to Jesus and asked Him if it was His will, would He heal him? Jesus answered him emphatically that it was His will to heal (Luke 5:12-13). Today many people believe and teach that it may not be God's will to heal. The anti Christ spirit preaches that there is no God, but if there is, He is a cruel, unstable tyrant who gives to one but not another. This is totally untrue. God loves you friend, and wants to heal you today. His name is 'Jehovah-Rapha' which means 'the God Who Heals'. Call upon Jesus and be healed (1 Peter 2:24).
