SEM STUDENTS HAVE GOT THE TALENT!

By: Cillian Hickey

Much to the delight of their teachers and fellow students.... 24 students will be winging their way to the UK to take part in Britain's Got Talent.

The students who range from first year all the way to the groups two leaving cert students stunned the talent scouts of Britains Got Talent on the 22nd of November with their own special version of 'Step It Out Mary' - serenading singing, terrific traditional Irish music and Irish dancing that the lord of the dance would be proud of.

After the initial audition word got back to the group that senior producers of the show had loved what they had seen but they still wanted to see if these boys could do more than just trad, and did they show them!

After a dazzling display of 'Believer' by Imagine Dragons on Wednesday the 5th of December the boys were in high hopes and on the following Monday they discovered their destiny with a resounding Yes - securing their place with a live audition facing Simon Cowell and company in London next spring. It all started

when attention was drawn to the St.Brendans Facebook page after one class of transition year students performed an incredibly entertaining version of the rapper Stormzy's song 'Shut Up' as Gaelige which was viewed over 526,000 times on Facebook alone! This led the talent scouts to view all the talent this all boys school had to offer from the trad group performing at Electric Picnic during the summer to the choir entertaining hundreds every year at the annual Liam O'Connor concert and Christmas carol service which is also just around the corner on Tuesday the 18th of December in the schools chapel. Of course none of this would've been possible for the students if it wasn't for the hard work of their two amazing teachers Mish O'Donoghue and Niamh O'Connell who sacrificed weekends with some of the boys to refine and perfect their performance. With such a talented group the sky is truly the limit for these Sem boys and we all wish them the very best of luck on this adventure.

St Brendan's Rian Colleran, Cian O'Sullivan, Jonathon O'Keeffe, Peter O'Sullivan, Chris Carey, Oisin Dineen (centre row from left) Curtis Hall, Liam Randles, Scott O'Meara, Séan Cronin, Conor Brosnan, Colm Looney, Cillian Hickey, Marc Wardard, Joe Rudden (back from left) John O'Brien Quill, Peter O'Shea, Caleb Russell, Michael Horgan, Oisín O'Connor and Finn O'Sullivan and missing from photo Adam O'Connor, Cillian O'Connor and Fionnbharr Hickey who have been chosen for the Britain's Got Talent qualifiers.

The Singing Salesman Retires

Dermot Moriarty, pictured on his last day at Killarney Autos after 40+ years of service. PICTURE:MARIE CARROLL-O'SULLIVAN

This is where the Cowboy Rides away... well known country singer Dermot Moriarty, is set to hang up his hat as he retires from his position at Killarney Autos after 40 years of car sales. Dermot joined the sales team at Killarney Autos, on 24 April 1978 and today Friday 14 December, will be his last day working in the showroom. Dermot is, of course, very well known as a country & western music star. He released an album in 2012 and even took to the stage of the INEC with Irish Country Music star Margo. But Dermot is just as well known in the motor business with many customers returning to do business with him. Dermot

is also a popular voice on Radio Kerry, and has won awards for his show, Sounds Country, which is one of Radio Kerry's longest running shows. The good news is, Dermot is not retiring from radio so we can tune in to hear him on Radio Kerry, his show is broadcast three nights a week Tuesday to Thursday and features all your favourite country music both Irish and American. Dermot intends to use his retirement wisely by spending more time with his wife, Rita, and their daughter Sinead and follow the Sun. Dermot would like to thanks all his customers and friends for being so loyal over the last 40 years.

ST FRANCIS SCHOOL PERFORM

Christmas Carols

They raised a whopping €1125 which will go towards the choir. The pupils had a wonderful time and were all delighted with their selection boxes – thanks to the Leane family. The students also did a good deed as they wore their Christmas Jumpers on the day to support St. Vincent De Paul Christmas Jumper Day. Mary O' Riordan and Breda Courtney set up the school choir in September 2016 when they noticed that there was so much talent amongst their pupils and staff in the school. The initially set up the choir with the aim of performing at their end of year mass. From there an electric piano was bought out of the Ring of Kerry cycle funds and this has been a huge asset to their choir.

And from that the choir has gone from strength to strength! They have performed for many events during the school year - 1st Holy Communion, Confirmations and Carol Services.

However their busking trip has been their biggest and most successful event to date. They would like to thank Paul Sherry of the Outlet Centre for giving them the opportunity.

Pupils and teachers from St. Francis School Choir, were overwhelmed with the support they received in the Outlet Centre on Friday the 7th of December. The students performed in order to raise money towards developing their school choir further and of course they had some special treats too, in particular a visit from Santa! Their teachers told the Killarney Outlook

"They all love singing and performing, we are so proud of the pupils, their faces light up when they perform". St. Francis Special School

(SFSS) is situated on the grounds of St. Mary of The Angels in Beaufort and is dedicated to providing the highest quality, care and education of pupils. The pupils contribute to the choir in many different ways and Joan Ward provides instrumental accompaniment. The choir allows the pupils to perform using their own ability and talents.

We use a whole sensory approach for e.g. we use Lámh signs and different props. Pupils and staff look forward to choir practice every week and the choir has united the school.

Call for the Redevelopment of Killarney Library

At the November 2018 meeting of Killarney Municipal District, Councillor Michael Gleeson asked:

"That Killarney Municipal District Council calls on Kerry County Council to commence the creative process that will in time lead to the redevelopment of a Public Library in Killarney Town that will be appropriate for 21st Century use, be a hub for educational, recreational, artistic pursuit and enhance the image of a town committed to beauty". Kerry County Council replied that Killarney Library refurbishment is on the capital programme 2019 - 2021, subject to funding. An update on progress on the enhancement of the library will be included in the Directorate Report to future Killarney MD meetings.

Councillor Gleeson acknowledged the improvements to the interior and exterior of the library since 2013 and welcomed the commitment to continue this work. He said that it is imperative that there is ready and safe access to all parts of the library and asked also that any problem with internal dampness would be addressed as soon as possible. He complimented the Library staff for the wonderful service that they provide to be public.

BRIGID IS NAMED WOMAN OF THE YEAR

Brigid Quilligan was presented with the Woman of the Year award by President Emer Moynihan and members of the Killarney Soroptimist Club at a dinner in the Gleneagle Hotel on Wednesday night. The Award was given in recognition of her determination and commitment when advocating for traveller rights, achievement of Minority Ethnic Status for the community and for being a role model for young travellers everywhere.

Soroptimists strive for human rights for all and in particular to advance the status of women. Brigid has balanced the importance of respecting the traditions of her community with the importance of growing, evolving and moving forward in a changing Ireland. She is a Killarney woman who has devoted much of her life to advocating for Travellers rights. This led to her being awarded an Honorary Doctorate from University College Cork. A passionate and articulate champion for Travellers, she is a former director of the Traveller Movement and

currently the manager of the Kerry Travellers Health and Community Development Project.

She has worked to secure recognition of the Traveller community as an ethnic minority and she has also represented the Irish Traveller Movement on the UN Human Rights Committee.

Beaufort Bee Keepers Finish the Year on a High Note

Dan O'Sullivan from Beaufort who became the first recipient of the John Foley Memorial Cup on the night he was named first Honorary President of the Beaufort Bee Keepers Club.

Beaufort Beekeepers' Association finished their year on a high note on Thursday night last with the first recipient of the John Foley Memorial Cup

announced. The club was formed in 2012 has a membership of in excess of 50 and every year the December meeting is cut short and a Christmas party is enjoyed

by all. However, this years party formed an even bigger celebration where the club honored one of its own - Dan O' Sullivan from Killgobnait, who is one of the founding members of the club and this year the club members paid tribute to him by making him their first Honorary President. This is the highest position that any local association can bestow on any member. To further recognise Dan's contribution to the club, he became the first recipient of The John Foley Memorial Cup. This perpetual cup is named in honor of former member, the late John Foley RIP. John sadly passed away after a short illness last January. He hailed from Waterville and was also among the first members of Beaufort Beekeepers' Association. His name is recognised both nationally and internationally among beekeepers where he has won several titles including world titles in the quality of his honey.

It is accepted by all club members that only Dan could be the first person to receive the cup after its unveiling. It was presented by Johns wife Breedra, after some kind words were said by members Mike O Sé from Dromid and John Tuddy Clifford from Beaufort. Dan O' Sullivan rarely misses a meeting, which are held in Beaufort Bar the first Thursday in every month. It is at these meetings members express their concerns or impart their knowledge on aspects relating to bees. Members often say what makes the meetings so enjoyable is the listening to members like Dan speak of his experience of handling bees for over 40 years. He has a vast knowledge of his craft, his willingness to share his experience in such a humble and honest way is refreshing to witness. Members are silenced and often in awe of Dan's explanation of bee behavior.

Gaelscoil Faithleann pupils show true spirit of Christmas

The Parent's Council of Gaelscoil Faithleann Killarney recently linked up for the fifth year running with the St Vincent de Paul's Giving Appeal (The Giving Tree), to give local families in need a Christmas to remember. Parents and children got involved by each family taking a 'tag' which listed a person and age group (e.g. Nora 6-12 years), and then bought a new present for this child. According to the "The response to the appeal again this year was wonderful. It was a huge success and something more special than the huge supply of toys and gifts gathered for local families in need, the pupils involved learned the gift of giving and saw how a small gesture can make a huge difference in other's lives", Chairperson of the Parents Council-Cairde na Scoile, Mary Carroll, told the Killarney Outlook.

"We originally got involved with this appeal as we thought it was a great opportunity for children to help others in a practical way. Many of us have so much that we can sometimes forget there is another world out there, where people are not as well off as us. This appeal is really great as we can see children learn about the gift of giving - which is the true meaning of Christmas", Mary C continued.

Dearbhla NiChonaill, places a gift in the goodie box as part of Gaelscoil Faithleann's 'Tree of Giving' appeal to St Vincent de Paul. Back Row L-R Mary O'Carroll, Parents Assoc, Dan McAuliffe (St Vincent de Paul), School Principal Proinsias Mac Curtain & Jackie Foley (St Vincent de Paul). PICTURE MARIE CARROLL-O'SULLIVAN

"By everyone's generosity in the Gaelscoil they have made Christmas that little bit brighter for children and families who are struggling in our community, and they have also taken the true meaning of the season into their hearts",

she added. The local branch of St Vincent de Paul thanked all the pupils and staff of the Gaelscoil and they look forward to more collaboration into the future.

SADNESS AT THE PASSING OF AWARD RECIPIENT

John Beavis receiving the 2014 Humanitarian Award from Killarney Mayor Niall Kelleher (MacMonagle Photography).

The Hugh O'Flaherty Memorial Society has expressed its sadness at the passing of the 2014 Humanitarian Award Recipient.

"News has reached us of the untimely passing of Dr John Beavis - one of our most outstanding recipients of the Hugh O'Flaherty Humanitarian Award (2014)", Jerry O'Grady told the Killarney Outlook. Dr John Beavis was a top orthopaedic and trauma surgeon in the UK health system, but after suffering serious coronary problems in 1993 he was forced to retire. For the past 25 years he has devoted his life to providing medical humanitarian aid in many parts of the world afflicted by disaster, either of natural origin or arising from conflict. Through his medical charity IDEALS, he has been active in the frontline of conflict and disaster in Bosnia, Sri Lanka, Pakistan, Lebanon and more recently in Gaza.

The members of the Hugh O'Flaherty Society extend their sympathies and condolences to his wife Kate, children, grandchildren and to all his colleagues in IDEALS(UK).

Faha locals Support Kerry Cancer Services

The generosity of the community in the parish of Listry resulted in a cheque for €1,720 being presented to Breda Dyland and Trish Kelly from the Kerry Cancer Support Group at a patrons night at the Killarney Country Club in Faha on Friday last. The cheque represented the proceeds of a very successful BBQ held at the Killarney Country Club on 31st August 2018.

Thanks to the organizational skills of Sean and Aoife O'Mahony of the Killarney Country Club and the generous Sponsors of all the food and volunteers who prepared and cooked it, the total proceeds raised on the night went to The Kerry Cancer Support Group.

The new BBQ at Killarney Country Club was officially launched on the night and has proved

very popular ever since. Breda Dyland thanked the organizers on behalf of The Kerry Cancer Support Group and emphasized the importance of the support they get from the people of Kerry through many fundraising events such as the BBQ. Breda told the large crowd present the The Kerry Cancer Support Group funds and operates two busses that transport Cancer patients to and from Cork daily 363 days each year. The service will take a break for Christmas Day and St. Stephen's Day and full services will commence again on 27th December.

Listry GAA Club and Listry Community Council are very pleased to have been associated with the BBQ fundraiser and Jerome Kennedy, Chairman of Listry GAA Club responded on behalf of both organisations.

Pictured at the presentation of the cheque at Killarney Country Club were from left: Aoife O'Mahony, Jerome Kennedy, Listry GAA Club, Sean O'Mahony, Killarney Country Club, Breda Dyland, Kerry Cancer Support Group and Tony Darmody, Listry Community Council.

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

WHY SHOULD YOU REVIEW YOUR PENSION?

As you have probably seen or read in the news recently pensions are being discussed very often. This shows how important pensions are, so if you have a pension it is very important that that you review your pension regularly. You may or may not be contributing to your pension anymore but it still needs to be reviewed. You need to know what kind of pension you have and what funds your pension is invested in and when can you access your pension. Your pension could be invested in very high risk funds which means that the value of your pension could substantially decrease or substantially increase over a very short period of time. You also need to look at the fees and charges associated with your pension, there may be more competitive options available to you where the fees and charges are less. If you do not review your pension you will not know if your pension is increasing or decreasing in value or if your pension is on track to get you the income you need at retirement. So whether you are currently contributing to a pension, have a pension that you paid into in the past or had a pension from previous employment it is very important that your pension is reviewed by a pension advisor regularly.

To discuss this or any other financial matter you can contact Dermot Cronin QFA APA at 0646622775 or dermotcroninifa@gmail.com

ABODE OFFERS NEW LIVING SOLUTION IN KILLARNEY

Abode Killarney is a new and innovative co-living property in Killarney, based in Agahadoe, this urban space is bringing a new dimension to living in Kerry. Co-living presents several solutions in today's challenging living and work environment, firstly it offers private living with community aspects. Secondly it enables individuals to immediately immerse themselves in a community, especially for those arriving to an area or for those who are already situated, it now presents an alternative to conventional shared living.

Developer Derek Twiss, of Bond Street Investments, identified the solution co-living presented in an ever-changing property, work and living environment and recognised that this would be an excellent proposition in Killarney. Derek Twiss and his team have previously worked in the development of co-living properties in the UK and Ireland and in identifying the growth of co-living, Killarney presented so many unique aspects that mirror the values of co-living.

Abode Killarney presents unique benefits not found in conventional shared living. It comprises of 12 contemporary and urban styled apartments, with a distinct retro-style running throughout the property. Each apartment has its own kitchen, dining area and living area and the bedrooms are designed to present different living options for those who wish to have their own room or for those who prefer to share. There are communal spaces within the property and this is

where the concept truly comes to life as community living is at the heart of the concept. Residents can enjoy a shared kitchen and dining area, cinema room, laundry, gym, co-working area and living / chill out area, all designed to the highest standard and provides the highest standards in terms of technology and Wi-Fi. The cost for

residents includes accommodation, utilities, Wi-Fi, secured living, secured parking, storage and access to all the communal aspects of Abode Killarney. Michelle Rosney is the Curator of Abode Killarney, a role that focuses on the community aspect of co-living and is at the heart of all that matters to the residents.

DAVID'S DREAM DEBUT

By: Cillian Hickey

David Kenny (left) pictured in action in the National Senior Racewalking last weekend.

Saturday the 8th of December, a date that will live long in the memory for Farranfore Maine Valley athlete David Kenny. An incredible performance on his debut appearance in the National Senior Race-walking saw him finish with an excellent time of 1 hr and 29 mins earning himself a silver medal in the 20Km Outdoor Race-walking Championships after withstanding tough blustery and showery conditions in St.Anne's Park, Raheny, Dublin. It was quite surreal day in all for David as he raced along with no less an athlete than Eric Barando, a Guatemalan, competing as a guest, who was a silver medalist in the 20K London Olympics in 2012. After such an achievement a silver medal wasn't the only honour David came away with on the day as his performance placed himself third in the all time list for an U20 athlete in this race. The Ballyhar man was delighted with his performance and is now up there with the top names in Irish Race-walking. Ray Flynn, Athletics Ireland Director of Race-walking, was fulsome in his praises of David's performance. Not forgetting his club mate and mentor, Michael O'Connor, who competed in the Masters 5K race walk. Michael equally had a great performance finishing in third place for the O65 category posting a time of 30 mins and 16 secs. A historical day for our race walkers and with the youth and talent of David Kenny there will no doubt be many more to come.

Lee Strand

TASTE THE FRESHNESS

Welcome home to everyone this Christmas ...

We know how great it is to be back with family and friends and of course having a pint of chilled Lee Strand milk with your Christmas dinner. It is the little traditions that make Christmas great. Enjoy!

Lee Strand Trifle with Strawberries & Chocolate Flake

This recipe is simple to make yet delicious to enjoy at Christmas.

INGREDIENTS

300g fresh strawberries
1 x 135g block jelly made up to one pint
160g packet trifle sponges
3 tbsp sweet sherry
500ml readymade custard
500ml Lee Strand Fresh Cream, softly whipped

Line the bottom of the dish with trifle sponges, sprinkle with sherry and leave to soak for 5 minutes. Slice the fresh strawberries thickly and lay evenly over the trifle sponges. Press the strawberries lightly with a fork to release juices. Pour over the liquid jelly to cover the trifle sponge. Then, place the dish into the refrigerator and leave until the jelly is set. Once set, spoon over the custard to create a thick layer. Then spoon the whipped Lee Strand Fresh Cream over the custard. Finally, sprinkle with chocolate flake.

PS - you may wish to omit the sherry if serving to children.

Chocolate Chip Cookies

These cookies are so much fun to make with kids and are a perfect treat for Santa on Christmas Eve.

PS don't forget to leave a glass of Lee Strand milk out for Santa too!

INGREDIENTS (makes 18 cookies)

225g Lee Strand Butter 1 tsp vanilla extract
1 egg 225g chocolate chips
170g soft brown sugar A pinch of salt
280g self-raising flour

Heat the oven to 180C and line two baking sheets with parchment. In a large bowl mix all the ingredients together to create a dough mixture. With a spoon, place nine blobs of the mixture on each tray, leaving plenty of space between to allow the cookies to spread out.

Cook for about 15 minutes or until they have turned golden brown. Let the cookies cool, then enjoy with a glass of chilled Lee Strand milk.

Lee Strand Baileys Coffee

Relax and unwind with the perfect Christmas indulgence by the fire on Christmas night.

INGREDIENTS

110ml of hot freshly brewed coffee
50ml Baileys Irish Cream
Lee Strand Fresh Cream
Chocolate Shavings

First, heat the glass with hot water. Pour in 50ml of Baileys and then stir in the coffee. Top with freshly whipped Lee Strand Cream. Sprinkle with chocolate shavings.

Enjoy Lee Strand Fresh Cream this Christmas!

Students at St. Brigid's have created The 'inside out' TY Bank for to help students in their school become savvy savers and learn about the importance of money and saving while also giving back to the school and its students. The of their bank is 'wellness'.

On Monday they launched their bank in the school canteen to a very excited welcome from both staff and students. During the year they will hold different events to raise money for their school. For their launch they were able to set up a hamper to raffle off among their customers thanks to the generosity of the businesses in the town. They would like to thank their sponsors: Sheahan's Pharmacy, 4 star pizza, Sewell's Pharmacy, Lir, Auntie Nellie's, and Gloria Jeans. They are open every Monday in the school and welcome all ages to start savings with them. Link teacher Ms. Brosnan said "It's great to be a part of the AIB Build a Bank challenge and for the girls to be so involved and enthusiastic about their bank and giving back to the school. 29TH LAUNCH OF THE KERRY MAGAZINE

Pictured at the launch of The Kerry Magazine, No 29, 2019, were (front row left-to-right): Kathleen Browne, former Society President, Marie O'Sullivan, Editor and Society President, Patricia O'Hare, Research and Education Officer, Trustees of Muckcross House, Rev. Simon J. Lumby, Contributor, (back row left-to-right) Tommy O'Connor, County Librarian, Tom Roche, John O'Connor, Dawn Ni Chonchubhair, Dan Graham, Contributors, Maureen Hanifin, former Society President.

Killarney Library was the venue for the launch of The Kerry Magazine (No. 29, 2019), which is published annually by the Kerry Archaeological and Historical Society.

Patricia O'Hare, Research and Education Officer, Trustees of Muckcross House, Killarney officiated at the launch which was very well attended.

This year's magazine contains 21 articles and other material including a list of publications about Kerry, relating to Kerry and by Kerry authors received by Kerry library during the period October 2017-October 2018. As usual the range of subject matter reflects Kerry's rich and diverse culture and heritage. The geographical spread of material throughout Kerry is as varied as possible.

It ranges from Dingle, Tralee, Ballymacelligott, Killarney, Milltown, Farranfore to Brosna. Speaking at the launch editor and Society president Marie O'Sullivan, reflected "where in any other publication would one find an article about the 60th anniversary of The Rose of Tralee alongside an article on Martin Luther and the

impact/legacy of the Reformation in Kerry 500 years on"! She further stated "this just proves that there is a place in the Magazine for a wide range of subject matter and for a broad readership". Marie reflected on the article commemorating the 50th anniversary of Siamsa Tíre, and how our National Folk Theatre, which is based in Tralee, has highlighted that particular aspect of our culture on the world stage, during the last 50 years. On behalf of the Society, Marie thanked county librarian Tommy O'Connor, for the support of the library service and Kerry County Council, down through the years. She further thanked the contributors, designer Catherine Teehan and Walsh Colour Print. The Magazine, which is distributed free to Society members, will also be available for sale for a limited period of time in local shops and bookshops throughout Kerry. In conclusion, Marie suggested that it would make an ideal Christmas gift for anyone at home or abroad, as would membership of the Kerry Archaeological and Historical Society, www.kerryhistory.ie

Citizens Information

Know Your Rights:

QUESTION

How are charities regulated in Ireland?

ANSWER

The Charities Regulatory Authority (Charities Regulator) regulates charities in Ireland. It maintains a public register of charities and monitors their compliance with the Charities Act 2009. This Act sets out what an organisation must do to be recognised as a charity and the legal obligations for operating as a charity in Ireland.

To be considered a charity, an organisation must:

Operate in the Republic of Ireland (though its target group can be elsewhere)

Exist for a charitable purpose and exclusively promote this purpose (a charitable purpose is a goal that is of public benefit)

Not be an excluded body (such as a trade union, chamber of commerce etc.)

The organisation must first give the Regulator information about itself, so the Regulator can assess if it meets the requirements to be a charity. If the Regulator approves the application, it awards the organisation charitable status, gives it a Registered Charity Number and lists it on the charities register. You can search the charities register on charitiesregister.ie.

It is an offence for an organisation to describe itself as a charity and carry out charitable activities, if it is not registered with the Charities Regulator.

The Regulator can appoint an inspector to investigate a charity's affairs. The charity and its trustees must co-operate fully and give the inspector all the relevant accounts and documents.

The Regulator can choose to take a charity off the register – for example, if it fails to comply with its financial obligations or give the Regulator the information it requires.

If you are concerned about a charity or its activities, you can raise a concern with the Charities Regulator.

Killarney Garda wins 'Emergency Services Award' at the RSA's 'Leading Lights' awards

Sergeant Dermot O'Connell, Sergeant In Charge at Killarney Garda Station, has been honoured by the Road Safety Authority (RSA) for his road safety initiative 'Operation Páistí' which addressed the serious lack of awareness among motorists about how to restrain children correctly in vehicles. The award was presented to Sergeant O'Connell by RSA Chairperson Liz O'Donnell at the 11th annual 'Leading Lights' Awards at Croke Park.

Sergeant O'Connell developed a fun and interactive road safety campaign to make it easier for parents and children to understand the safest way to restrain children in cars. The campaign was initially implemented through the Garda schools programme and is now in the process of being expanded both divisionally and

nationally, with the support of key agencies, including the Road Safety Authority, Department of Education and Skills, Local Authorities, Department of Transport,

AVOID BINGE EATING THE DAY AFTER:

KEEP HYDRATED:

I find sparkling water more palatable when a little hung over and it fills me.

GET YOUR SODIUM LEVELS UP:

A glass of Dyalite or a grilled rasher sambo will do the job.

Instead of tearing into a big fry up Grill it, and leave out high calorie sausages. A good healthy Grill up: 2 x rashers, 2 x poached eggs, grilled tomatoes, grilled mushrooms, sliced avocado on whole grain toast.

Boredom and lack of air can all cause us to turn to food for comfort.

PLAN A FAKEAWAY THAT EVENING:

OUTLOOK Beauty

Party make-up

Party make-up has to be right if you want to look beautiful at Christmas. The key to looking great for your Christmas party is to put on your eye shadow first. Then apply your foundation and any other make-up you want to wear. This way you know that any loose eye shadow won't fall in those places you don't want it.

Thriving through Christmas!

The festive season can be a mixed experience! It means so many different things to different people. It's easy to get caught up in the "should" of Christmas! I should have all of my family to stay or I should spend the time with them! It should be a "perfect" day with nothing going wrong etc. We see the Christmas TV adverts all portraying the "Perfect" family time and somewhere we buy into this and feel that this is what we have to achieve! However, the only thing that really matters is what this time of year means to YOU and how you choose to honour it. Thriving through Christmas means that you firstly spend time with yourself. That you make sure that you are rested, happy and well. It also means allowing your family to be who they are. You can't change people – only love them. Wherever you go during this time of year allow yourself to embrace the gift of gratitude. Every day, write a list of what you are so grateful for, from the cup of tea in the morning to a comfy bed to sleep in at night. Go past all of the "should's" and turn them into "could's." For example, "I could just allow myself to relax and enjoy whatever unfolds!" Remember that living in the present is the only real gift that we need. When you live in the moment you can allow life to unwrap itself beautifully around you.

SENIOR FOOTBALL

Our Seniors qualified for our first O Donoghue Cup final in ten years by beating Currow on Sunday last on a score line of 1-17 to 0-12. We await the outcome of the other semi-final scheduled to be played next Sunday.

While missing a few starters from the Munster Final through injury, the importance of a strong panel was evident as all the replacements played a valuable part in this win. Currow who lined out without influential John Buckley were very competitive and matched us for a large portion of the game but our recent competitive games stood to us and we ran out comfortable winners in the end. Gary O Leary won the "Man of the Match" award for his great display while he was run close by the likes of Matt Keane and Kieran Murphy in particular.

Team Brendan Kealy, Philip Casey 0-2, Donal Maher, Daniel Moynihan, James Nagle, Damien O Leary, William Maher, Kieran Murphy, Shane McSweeney, Kevin Gorman, Matt Keane, Gary O Leary, Mikey O Shea, Ian Devane, Kelvin Teahan.

GAA SOCIAL

Kilcummin Social Tickets are selling very well

and if anyone is interested in attending this huge celebration on December 28th please get your tickets as soon as possible to avoid disappointment. They are Priced at €30 which includes a three course meal, band and late disco. Tickets available from Post Office or club officers, Niamh Dwyer, Mike Riordan, Ciara O Leary, Tim Casey, or order through any club officer.

FOSSA NOTES

Next weeks jackpot will be €7,950 and there will also be a €200 hamper draw next Sunday night.

FR. GALVIN CUP

Fossa faced Listry in the replay of the Fr Galvin Cup on Sunday in Lewis Rd. This was another titanic affair with very little separating the teams, Listry opened the scoring but Tadhg O'Shea replied with a free.

Listry again hit the front but a great point from Fintan Coffey after an excellent run from Matt Rennie kept Fossa in touch. Unfortunately we lost Matt Rennie to a hamstring injury shortly afterwards and this was a blow as he was playing really well, however the game ebbed and flowed and points from Paudie Clifford and Mark Donnellan kept Fossa within reach even though they trailed at the break, 0-07 to 0-05. Fossa started the second half well, Paudie Clifford stormed into this game and points from Fintan Coffey and Tadhg O'Shea had us level after four minutes. The defence worked very hard with Anthony O'Keeffe, Derry and Kevin O'Sullivan tackling ferociously, Mark Dennehy kept a tight rein on Listry danger man, Ronan Buckley. Dan O'Connell did well with a lot of interceptions around the middle and Tadhg O'Shea looked

dangerous up front, Listry wouldn't go away though and kept the pressure on with some well taken scores.

The game was still very even, it was hard to see what was going to separate the sides, then in the 23rd minute came the turning point.

A Listry free was floated into the Fossa square and the ball ended up in the net for a crucial goal.

Try as they might, Fossa could not get the goal to bring them back into the game, Paudie Clifford kicked an excellent point and Anthony Wharton had a great effort for goal but unfortunately it flew over the crossbar. Listry held on to win on a score of 1-12 to 0-12.

I imagine that having to play three games in a week didn't help our cause as pitches are heavy at this time of year and fatigue sets in. That concludes the season for the senior team, while they will be disappointed to lose they can look forward to next year in Division 3 of the county league and it's onwards and upwards from there.

FOSSA/TWO MILE COMHALTAS

Fossa Two Mile Comhaltas Ceili will be held on Sunday 16th December 3pm to 6pm in Fossa Community Centre. Music by Striolan Ceili Band. A great evening of set dancing assured, everyone welcome.

KILLARNEY RFC NEWS

MINIS

Last weekend our minis were due to travel to Tralee for the next round of West Munster Blitzes. However only the U12 were able to travel due to the unsavoury weather. This meant our U6 - U10 trained at Knockree. This Saturday our U6 - U10 are due to travel to Tralee for the blitz - subject to weather so keep an eye on facebook for more.

MINIS CHRISTMAS PARTY

Our annual Minis Christmas party takes place at the Killarney Avenue Hotel on Sunday between 11am and 1pm. A great day of fun is guaranteed and we will have a visit from Santa Claus on the day! So bring all the family along.

SENIORS

Next Sunday our seniors host neighbours Killorglin at Aghadoe in the next round of the Munster Junior league in a vital clash. Kick off is 2:30pm so come along to Aghadoe and support the lads in the last outing before Christmas. The lads are hoping to continue the excellent form shown in the division to date and Peter Kelly's men will be looking for another win to consolidate their position in the table. We are hoping to have a half time display game between both clubs minis. So, come along to Aghadoe where another cracker of a match is in prospect.

Killarney U16s travelled to Cork city to take on Cork Constitution in a pre Christmas friendly. The opening 25 minutes were evenly contested with fluid open rugby predominant in windy conditions. Con recycled ball well and tested and stretched the Killarney defence at times however wingers James Kennelly and Dan Twomey tackled ferociously. The game turned shortly before half time when Twomey fielded a kick on the 22 and released

Killarney Rugby Club Under 16's in action.

speedster Tomas Clifford who scorched away to outrun defenders and touched down. Donnchadh Grealy converted to leave the half time score 7_0 Padraig Talbot superbly fielded the second half restart and attacked down the blind side, Twomey raced deep into the 22 before being hauled down, support arrived in numbers and the ball was moved along the back line with a deft offload from Ozdeniz Koyun releasing Clifford who pivoted over for his second try. Shortly afterwards Killarney no7 John McCarthy timed his run perfectly from the base of a scrum to intercept a floating pass and raced away to score under the posts for a converted try. The home sides heads noticeably dropped after Killarneys whirlwind start to the second half, and with confidence now brimming Killarney ran ball on every opportunity. The 4th try duly arrived after Kennelly skillfully dribbled a kick chase, regathered, recycled and Brendan OSullivan crashed over from close range. The best was yet to come with the final try the culmination of a sweeping move that featured a succession of airy offloads before towering lock Darren Cronin dotted down. The conversion followed to conclude the scoring. The front row of hulking prop Rob Nealon, Cengiz Koyun (on his hooking debut) and ever versatile Bailey O Sullivan soldiered valiantly against a teak tough Con front row. Second row Darren Cronin excelled and alongside him Mikey Moriarty constantly displayed his all-round ability. Padraig Talbot had his best game of the season and his back row partners John Mc Carthy and Brendan O Sullivan both scored tries and won hard yards at key moments. Regular half back partners Peter Walsh and Donnchadh Grealy coolly controlled affairs constantly varying plays and kicking from hand particularly well. Centre's Ozdeniz Koyun and Tomas Clifford again stood out displaying electric pace and strength. Wingers James Kennelly and Dan Twomey enjoyed tormenting the opposition with or without ball, and Liam Randle certainly enjoyed the open space off full back countering and covering expertly. Well done to Jack Kenneally and Caelan Sheehan who both stepped up for their first u16 outings. Shane McAllister and Mike O Donoghue dovetailed perfectly into the pack when introduced.

After the game the team enjoyed the

hospitality of the gracious hosts at Temple Hill and were guests at the AIL game between Con and Young Munster. Focus now switches to the draw for the Pan Munster Cup which will be released this coming week. Plans are also in place for a game against Skibbereen next weekend. We'll done to all on a very productive trip to Cork.

NATIONAL RACE WALKING CHAMPIONSHIPS

Farranfore Maine Valley athlete David Kenny made his National Senior Race-walking debut a silver one. Competing in the National 20km Outdoor Race Walking Championships event in Raheny on Saturday 8th December he posted an excellent time of 1hr 29mins in blustery/showery conditions. From the start he mixed with no less an athlete than a Guatemalan, competing as a guest, who was a silver medalist in the 20k London Olympics. David's performance has placed him third in the all time list for an U20 athlete. The Ballyhar man was delighted with his performance and is now up there with top names in Irish Race-walking. Ray Flynn, Athletics Ireland Director of Race-walking was fulsome in his praise of David's performance. Not forgetting his club mate and mentor, Michael O'Connor, who competed in the Masters 5K race walk. Mike equally had a great performance finishing in third place for the O65 category posting a time of 30.16. A historical day for our race walkers.

Closer to home, An Ríocht AC hosted their annual 5K road race in Castleisland. Well done to Arthur Fitzgerald who was placed fourth overall (16:49). George McCarthy was fifth 17:23, Aidan McCarthy (18:40), Cian Spillane (19:01) and Marie McKenna was third lady in a

Early Christmas Present for Dr.Crokes Juveniles

By Cillian Hickey

Wednesday night was yet another celebration of the fantastic football talents that the Dr.Crokes possess except this time it wasn't a munster title or anything of the like it was a night to admire the talent of the underage players in the club after what was an incredibly successful year for the club. The Dromhall hotel

provided a magnificent setting as well as food and refreshments for the players special night as they collected their medals for multiple East Kerry Leagues and East Kerry Championships as well as a county league between all the age groups. It was a special honour for all the girls and boys as they were presented with

their medals by three senior members of the club, Johnny Buckley, Jordan Kiely and the recently announced Kerry senior ladies football captain, Amanda Brosnan. With such success at underage level there is no doubt that there will be may more glory days for the club to come in the future.

EAST KERRY CHAMPIONSHIP - O'DONOGHUE CUP 1ST ROUND

Played in Rathmore on Thursday 6th of December

Dr Crokes 4-18 Fossa 0-7

We got off to the perfect start and were on the front foot very early in the first half. Our opponents were competitive but scores came more easily to our lads and we built up an interval lead of 2-10 to 0-4.

A few early scores early in the second half ensured that we were going to win the game but Fossa to their credit never gave up. We ran out comfortable winners in the end.

Both sides were short a number of players but our strength in depth was superior and this had a big bearing in the result.

The first semi final in this years Dr O'Donoghue Cup, sponsored by the Aquila Club and Dr O'Donoghues Family, saw Kilcummin come out on top against Currow after an entertaining game at Fitzgerald Stadium. Although Currow opened the scoring with a lovely Daniel O'Shea point from play, Kilcummin then dominated the opening quarter, holding the ball effectively and scoring a goal and 3 points without reply. A Gary O'Leary point was followed with the Matt Keane goal, provided by Philip Casey, from a free. Kieran Murphy and Gary O'Leary pointed - 1-3 to 0-1 going into the second quarter. With Seamus Scanlon winning their kick outs at mid field, Currow responded with 6 unanswered points to lead by the minimum on 30 minutes. Currow free taker, Mike Mc Carthy, scored impressive long distance points and from difficult angles. While Daniel O'Shea (2) and Pa Mc Carthy also pointed for Currow. However, Kilcummin won the next kickout and in a fast upfield move Gary O'Leary split the posts. A Matt Keane point saw the Munster Intermediate

Champions ahead by the minimum at the break: Kilcummin 1-5 Currow 0-7.

On the restart, Currow's Luke Fitzgerald levelled the game in the opening minute. However, Kilcummin's greater experience showed and they pulled ahead with 4 unanswered points. Matt Keane converted a free, then followed with a point from play. Ian Devane and Philip Casey pointed from play - 1-9 to 0-8 on the 40th minute. The sides traded 2 points a piece, Luke Fitzgerald and Mike McCarthy for Currow with Kieran Murphy and Gary O'Leary replying for Kilcummin - 1-11 to 0-10 on 46 minutes. Kilcummin's greater match fitness then showed and they increased their lead to 7 points on the 52nd minute. Transatlantic Sponsors Continues For Furies GAA

Furies GAA is delighted to announce that the Furies under 14 and 16 boys have continued their long standing transatlantic relationship with L&M Construction of New York City.

Mike Lenihan, a native of Furies, and owner of L&M Construction, has not forgotten his roots and generously supports the young men of Furies GAA, much to the delight of the club and their respective management teams. Mike lined out for Furies at underage level under the careful stewardship of his neighbours; the late Jerry Foley and Tom Shanahan. He was a very committed young player and played the game with great flair and enthusiasm. His underage career culminated with an East Kerry U-16 Championship in 1996.

Following his educational path, Mike took up a carpentry apprenticeship, which has served him well. He went on to play senior football with Furies and competed in an O'Donoghue cup semi-final for Furies in 2002. Unfortunately for Furies, Mike moved to New York in 2004 to pursue a career in construction, and not surprisingly and now runs his own successful construction company in New York.

Tim Foley; U16/Minor manager, spoke about the connection between Furies GAA and L&M construction explaining that "Mike Lenihan's resounding commitment to his homestead club and indeed, the parish is very much appreciated and valued throughout our tight-knit GAA community."

Furies Coiste na nOg Chairman, Tim Clifford also expressed his gratefulness adding that "It is much anticipated that both sets of players will endeavour to acknowledge Mike's valued contribution with many prosperous days in Pairc Eamonn and beyond."

Listry and Fossa served up a good game of football and Listry came out on top. Played in a windy conditions at Dr Crokes pitch, Lewis road, the result of the game was in doubt to the very last kick. Exchanges between both teams were very tight at this stage of the game and further points from Antony Sweeney and Gary O'Sullivan put Listry ahead. Fossa replied with points from Fintan Coffey and a point from Domhnaill O'Sullivan. Listry finished off the half with a point from Anthony Sweeney leaving the half time score Fossa 0-7 Listry 0-5.

Fossa took control at the start of the second half with points from Fintan Coffey, Tadgh O'Shea(2) and Paudie Clifford. Listry weathered the storm and got to grips with midfield again. Points from Derry Ahern and two from Anthony Sweeney saw Listry a point ahead again. The turning point of the game was when Listry were awarded a 45m free. A Ronan Buckley 45 floated into the square and amidst the throng of bodies Jimmy O'Leary got the ball into the net leaving Listry ahead 1-10 to 0-10. Fossa reduced the margin by further points from Paudie Clifford. However, substitute Paul Darmody had the last say leaving the final score: Listry 1-12 Fossa 0-12.

Munster Award Winners

Congratulations to our three recipients of Munster Awards presented last Saturday night in Cork. The Minor Munster Football Player of the year was presented to Paul Walsh. Paul has been the iconic young player of this year's Minor Football championship, attaining a national profile due to his distinctive hairstyle and exquisite football ability while wearing the No. 10 jersey. Paul hails from the Brosna club located in North Kerry adjacent to the Limerick border, attended Knockaclarrig Primary School and is currently attending Colaiste Ide agus Iosef Abbeyfeale. Paul was Kerry's top scorer with a fine score of 3-25 including his goal in Munster semi final. His amazing point from under the Hogan Stand helped to regain the winning lead in All Ireland semi final. His scores are scores that shall live long in the memory. Certainly Paul's scoring exploits both from play and free kicks allied to his high work rate contributed significantly to the achievements of Kerry Minor footballers during 2018. Paul's gentle and affable personality along with his exceptional sporting talents has earned him much attention and many admirers and is a player with a bright future in the green and gold of Kerry.

The U20 Munster Football Player of the Year was presented to Donal O'Sullivan. Donal, who has only recently turned 18 continues to show the potential that he has shown from a young age when he started playing with his Club Kilgarvan. Fresh from winning an All-Ireland minor title in 2017, Donal seamlessly fitted into the Jack O'Connor Managed U20s. He scored a total of 1-7 in the early games against Limerick and Waterford and contributed another 4 points on a scorching summer evening in Austin Stacks Park against a strong Cork team in the Munster final. Donal was the proudest man in town that night as he lifted the cup to the delight of Kerry supporters. Unfortunately, he was not to lift the first All-Ireland U20 trophy, but he has 2 more years to rectify this.

The current UL student is ultra-consistent and rarely plays a poor game. Donal has a big future in the green and gold provided he continues to work hard in developing his current skill-set and undoubted talent.

The Munster Senior Football Player of the Year was presented to Seán O'Shea. Sean O'Shea was another glittering star to emerge from the rich harvest of the successful Kerry minor teams of the last five years. The 2016 All-Ireland minor winning captain Sean O'Shea is carrying expectation on his shoulders since his exploits on the 2015 and 2016 minor winning sides. In first League game in Fitzgerald Stadium Killarney in late January O'Shea proved that he had come of age in a tough baptism against Donegal and from there his year went from strength to strength. He finished with 0-7 to his credit on that January day but it was the quality of his composure that stood out as well as his kicking skills. The Kenmare player nailed three frees in a second-half phase where the stakes were raised. He proved himself throughout the league and then excelled in the Munster Championship. O'Shea was one of seven debutants handed a Kerry shirt by Eamonn Fitzmaurice on June 3rd in Killarney when Kerry beat Clare 0-32 to 0-10 with O'Shea contributing 0-7. Three weeks later Kerry had a win over Cork, winning 3-18 to 2-4 with O'Shea kicking another four points. 2018 may well be looked back on as the year that Sean O'Shea a superb young football talent and scoring forward came of age.

Jerome O'Shea RIP

Three-time Kerry All-Ireland winner Jerome O'Shea has died at the age of 87. The Cahirciveen native made his Championship debut for the county in 1952 and was a substitute for the 1953 triumph over Armagh.

A corner back with renowned fielding ability, the St Mary's man won his first Sam Maguire Cup as a starter in the 1955 victory over Dublin and added another against Galway in 1959. He also won one National League title. Upon retirement from playing, O'Shea presented RTÉ's first weekly Gaelic Games television show 'GAA World of Sport' while pursuing a PHD in UCD. He later served in a variety of roles as an economic advisor and representative of the Irish government at the EEC and the United Nations. We send our condolences to his wife Margaret and sons Diarmuid, Donal and Conor, former Ireland rugby international and current Italy head coach.

The death also occurred of Bridie O'Sullivan Killarney. We send our deepest sympathies to her husband Eddie and to her children Noreen, Patrick former Chairman of the County Board, Deborah Ann and Edmund.

May they both Rest in Peace.

MEK United News

U12

U12's were away to Iveragh in a top of the table clash, both teams unbeaten in the league to date. We went in 1-0 down, with a couple of good saves from Corey Campion in goals and some great defending at times Thomas Coffey and Rory Foley particularly strong at the back. MEK upped the work rate in the second half with James Clifford and Eanna Murphy working hard but Iveragh went 2-0 against the run of play. Special mention to Ryan Carey who came on in the second half and really got stuck in, breaking down attacks and leading the push for a goal.

That goal came with about 3 mins to go and really gave the boys a lift. Through ball from midfield, James Clifford running on to it and slotting past the keeper. With 3 late corners and a free kick, MEK threw everything at them, goal keeper, defenders everyone up for the corners but just couldn't find space for an equalizer. Tough test, tough conditions but all our players can be proud of their effort, we live to fight another day.

U15

U15 Friendly result Ballyhar 3 MEK Utd 2. Excellent performance in a wet and windy Ballyhar. A poor start saw us go 2 down early but once we got to grips with Ballyhars formation and upped our work rate we played very well.

A classy finish by Eddie Moroney when he chipped the keeper got us back in the game and it was 2-1 at half time. We deserved the equaliser when Shane Evans finished a nice move to make it 2-2.

Nearing full time Ballyhar scored a third and despite our best efforts we could not get the equaliser. It was an excellent team performance from the entire squad. Dean Sheehan Tadhg O'Sullivan Daire McCarthy Sean O'Sullivan Con Lenihan Luke Benson Scott Drew Leo Healy Shane Evans captain Steven O'Brien Eden Murphy Eddie Moroney and Kevin Harant.

Great to see Luke Benson make his debut for the club. Today was excellent preparation for our crucial league game away to Kenmare next Saturday.

LAKERS PIPPED BY LEAGUE LEADERS

It was a weekend of mixed fortunes for Scotts Lakers with back to back games in less than 24 hours. On Saturday they were pipped by league leaders Ballincollig in Cork but they bounced back well to enjoy a comprehensive 96-79 win over Carlow IT in Killarney Sports Centre.

Ballincollig 82

Scotts Lakers 77

Scotts Lakers put up a brave attempt to close the gap that Tradehouse Central Ballincollig have on the league table but were eventually overcome in the final quarter after a closely contested encounter.

Ballincollig got off to a flying start and led 23 to 18 at the end of the first quarter. However Scotts Lakers fought back and brought the score to the minimum by half-time to trail 38-37.

Scotts Lakers maintained their momentum upon the resumption and actually led 52 - 56, with 3.31 left in the third quarter Ballincollig finished this quarter the better and it was a tied ball game at 61 points each at the end of the third quarter. The home side opened a five-point lead ,69- 64 and maintained that advantage to lead 79-74 with 1.55 remaining. Scotts Lakers just could not close this margin by the full-time buzzer and the game ended with a five point win for Ballincollig. It was another five point winning margin that the Cork side enjoyed over Scotts Lakers for the second time this season having won 101-96 in Killarney in October.

Top scorers for Scotts Lakers were Mark Greene 21, Papito Hersisia 18, Sean O'Brien 13 and Dailian Maison 13.

GREEN SCORES 32 TO SEAL WIN

Scotts Lakers had to re-group quickly for Sunday afternoon's game with Carlow IT, who were hot on Lakers heels in third place on the league table. The Killarney side were in control throughout this match.

Sean O'Brien and team captain Mark Greene put on a display of three-point shooting that helped to put Lakers 28 -15 in the lead at the end of the first quarter.

Lakers dominance continued in the second quarter where Cian Clernon and Papito Hersisia found the big scores. At the half-time mark Lakers enjoyed a 46-36 advantage. Dailian Mason and Andrew Fitzgerald hit form during the third quarter. Mason nailed a bigthree-pointer and Fitzgerald worked hard inside to earn vital scores for Lakers. Marko Bencic also impressed for the home side while Sean O'Brien and Mark Greene continued to hit the big three-pointers and Carlow could not cut the deficit as Lakers led 74 -58 at the end of the third quarter. Seamus Brosnan started the scoring in the final

quarter and the game finished with a comfortable 17 point win for Scotts Lakers. The Killarney side shot a massive 17 three-pointers with the outstanding Mark Greene sinking eight while the ever reliable Sean O'Brien scored four of them. A remarkable 32 point tally and national league career high from Mark Greene was the highlight of the occasion. It has been a long time since a home grown Killarney player has scored over 30 points in a national league game.

In fact one has to go all the way back to October 1996 when the then Killarney team captain Vincent Daly led the way with 35 points in a dramatic 79-77 win over Killester in the opening game of the superleague season.

Scotts Lakers: Mark Greene 32, Sean O'Brien 18, Papito Hersisia 14, Andrew Fitzgerald 9, Cian Clernon 9, Dailian Mason 8, Marko Bencic 5, Seamus Brosnan 1.

Carlow: Johnny McCarthy 24, Kevin Donohue 21, James Butler 17

The outcome of the weekend games is that Ballincollig increase their lead at the top of the

league table with a 14-0 winning record.

Scotts Lakers remain in second place with a 12-3 record and are three wins ahead of nearest challengers Carlow IT and Limerick Celtics, who both have a 9-5 record.

HOME GAME

Scotts Lakers are at home again in Killarney Sports Centre on this Saturday night, December 15th at 7.30 pm welcoming Limerick Celtics.

The sides clashed very recently in a dramatic national cup quarter final with the Celtics winning 83-81 after overtime. It will be an opportunity for Scotts Lakers to try and make some amends for that result and it promises to be a very exciting encounter again. Limerick Celtics have an exceptional American player in Turrell Morris while European players Alvero Martinez and Fabio Hernandez are also capable of big performances. Former Limerick footballer John Galvin played with the Celtics last season and is expected to return to the side again this season and may even feature this weekend.

PLEASE DO NOT GET PETS FOR CHRISTMAS

I can hear the children playing, As my head lay on my paws, This time just last year, I was a gift from Santa Claus. Now I never get to go inside and join in all the fun, I don't know what I did wrong, To be shut out in the yard, I only lived inside 6 months, Since then my life's been hard.

The snow is falling heavy now, I'm just a block of ice, And when I breathe the cold cold air, My lungs feel like a vice. A miracle then came to pass, An Angel did appear, She reached her hand and beckoned,

It was such a sight to see, She smiled and said "Good Dog, It is time to come with me.

My bag of bones stood up then, I shook the snow from off my fur, And, as I slowly followed, This is what I said to her. "I am not a Good Dog though, In that I think you're wrong, No one would shut and starve a Good Dog in the garden for so long. The Angel turned and smiled, As I walked with head hung low, Then she said "I'm sorry, I thought that you would know. You really are a Good Dog and you did nothing wrong, It is just unfortunate you were a Christmas pup."

To clarify this message, To which I have eluded, Animals are living things, Batteries are not included.

The above lines are excerpts from the poem "Batteries are not included" the Author is unknown, it was obviously written about a dog but it applies equally to any pet of any size from a horse to a mouse and everything in-between.

You are the adult and the responsibility for caring for the pet will rest with you when your children no longer want it, baby animals are beautiful, playful etc, but they grow up and are less playful and they also get larger but in the meantime will chew and scratch everything in sight, your children will also grow up and develop new interests – one of the best known examples of this is the Obama Family, when Barrack Obama was elected President of America his two children begged and pleaded publicly for the Pup he had promised them if he was elected, himself and his wife gave in and the late Senator Edward Kennedy gave the children the gift of a Portuguese Water Dog which they named after a cousins cat - and everything was glorious for a long while - but the children began to have other interests and President Obama and Michelle decided the only choice they had was to get a second dog (Sunny) as company for Bo. Sunny was bought from a breeder as the Obamas were very limited in the breed of dog they could get due to one of their daughters allergies, there was definitely no for adoption and the Obama family gave a contribution to the Humane Society in Sunny's name, to help reduce the suffering of pets.

If the lines I quoted from "Batteries Not Included" brought tears to your eyes please go ahead and adopt a pet at any time of the year and Animal Shelters will be filled with the luckier no longer wanted pets of all ages immediately after Christmas and I am sure there will be many of the unluckier ones dumped in your area.

For the rest of you please remember a Pet is for life not just for Christmas.

2 year old Tom Regan Fahá reading the latest edition of Killarney Outlook

IS ANY OF THE FOLLOWING YOUR DREAM JOB?

*Subway Pusher - In Tokyo its subway system gets so crowded, that specialised workers called 'Oshiya' cram as many passengers into train cars as possible and wear white gloves while they're shoving you!

* Professional Cuddler - Do you give the best hugs? If so, you might have a bright future ahead of you as a professional cuddler. People in need of affection hire these comforters to provide non-sexual contact for up to \$80 per hour.

*Pet Food Taster - All animals love eating, but unfortunately they can't describe what they like about their food. That's why pet food companies have humans on staff to sample the kibbles and bits and provide feedback. *Armpit Sniffer - You can start a promising career in smelling strangers' armpits. Deodorant and perfume companies pay sniffers good money to test out the effectiveness of their products.

*An Alpaca shearer - Expert barbers shear dozens of alpacas in a single day so that their fleece can be used for clothing and bedding.

*Electric Shock Distributor - In Mexico, men called 'Toques' offer bar patrons a grip on a small box that sends an electrical shock up their arms, some people believe it helps them sober up.

*Professional Stander-In-Line - For crowded events or big product releases, people can hire proxies to hold a place in line for hours and hours.

*Reality Show Stunt Tester- Before reality show contestants dig into any gross eating challenges, these events need to be thoroughly tested by real people.

*Personal Shopper - Many stores in China sell knockoff products, so consumers take assistants with them to determine what's real and what's fake.

*Slot Machine Music Composer - Because each type of machine has its own theme and music, dedicated composers write jingles to keep people distracted from all the money they're losing.

*Bicycle Fisherman - Amsterdam is filled with bicycles and canals, and when cyclists enjoy too much of the local flavour and veer off the road, a crew arrives to dredge up the bike. They rescue about 14,000 bicycles each year!

ON THIS DATE - DECEMBER 14TH

1901 - The 1st table tennis tournament was held (London Royal Aquarium).

1909 - Workers placed the last of the 3.2 million 10-pound bricks that pave the Indianapolis Motor Speedway race track in Speedway, Indiana (a town surrounded by the city of Indianapolis). Since then, most of that brick has been buried under asphalt, but one yard remains exposed at the start-finish line.

1911 - Norwegian Roald Amundsen becomes the first explorer to reach the South Pole, beating his British rival, Robert Falcon Scott.

1913 - Greece formally took possession of Crete.

1918 - Sinn Féin, pledged to an Independent Ireland won 73 of 105 Irish MP seats. Winners included Constance Markievicz - born Constance Gore-Booth, Irish Republican, suffragette and socialist and a founder member of Fianna Éireann, Cumann na mBan and the Irish Citizen Army - became the first woman elected to the Parliament of England and represented the constituency of Dublin St Patrick's. All 73 elected refused to take seats in Westminster, instead meeting at a Dail Éireann in Dublin.

1921 - Dáil Éireann began the Anglo-Irish treaty debate.

A HOMELESS MAN FOUND \$17,000 CASH AND GAVE IT TO A LOCAL FOOD BANK

Kevin Booth found a brown bag on the ground outside the Sumner Food Bank's community bread box in Washington while looking for the bread that is left outside the building for people to take. When he looked inside, he saw it was filled with cash.

Mr. Booth waited outside the foodbank until it opened about 20 minutes later and handed the bag to a volunteer who opened the door for him. The volunteer initially thought it was food and weighed the package. It wasn't food. It was \$17,000 in cash.

Stunned, they called police. The Sumner police department determined the money was real and used security cameras to try to figure out what had happened. They couldn't determine who dropped off the bag, but they did see who found it.

Police kept the cash for 90 days, the length of time required under state law for someone to make a claim of ownership. No one did, so the money went to the food bank.

To thank Mr. Booth for his honesty, the food bank is giving him part of the money in gift cards as a reward.

The Sumner police department also presented Mr. Booth with a citizen's citation, noting that Mr. Booth had told officers he knew giving the money to the food bank would benefit more people than just himself.

A Word of Victory

Welcome back dear reader, as we approach Christmas, have you ever felt that it does not feel like Christmas – the ones that you remember from childhood? The wonder and excitement and joy has been replaced by a frantic countdown of how much there is to do and how little time to do it. Many people are stressed to the gills at the thought of having to spend time with family members they don't like, and worse still - having to buy them presents with money they don't have. Why get caught up in all of this, year in, year out? The reason it doesn't feel like Christmas is that the Lord Jesus Christ has been removed from it! Christmas has been taken over by elves, partying and boozing, and extravagant presents. Yes, it's great that people give gifts to loved ones, but there is such pressure to buy presents that are substantial nowadays, and the gifts that were once considered acceptable are not enough anymore. What's enough? If the whole economic system that pays our wages crashed tomorrow, what would be enough then? I often think of the people living in countries where war, earthquakes and other disasters happened – one day they were going to work, or partying, or shopping, and the next day they are struggling to find food and water to stay alive. Many people ignorantly blame God for these disasters but He is not the author of them (John 10:10). They are demonic in origin. Our enemy the devil prowls around seeking whom he may devour (1st Peter 5:8), and when people leave God behind, and walk after worldly and evil things, they open the door to allow the devil full access to bring destruction. We are only a breath away from disaster in this country. The abortion law will open this nation up to curse if it is carried through. The blood of innocent people - whether they have been born or not, cries out to God for Justice – and there is a price to be paid for the shedding of that blood (Genesis 4:10; Proverbs 6:17). Where are all the people who were so horrified at the innocent babies found buried in Tuam – what difference is there between those, and the ones lined up to be exterminated in hospitals all over the country? Termination will not bring relief, but only further pain for both the mother and her child. God is so merciful friend, but we need to ponder all this while planning the celebrations of the birth of the Baby in the manger....[See more on wordofvictory.net](http://www.wordofvictory.net)

Gardening

with Killarney Outlook

by John O'Sullivan

WINTER & SPRING BEDDING PLANTS

Between now and the summertime there is still plenty of time to put a bit of colour in the garden with some winter/spring flowering bedding plants. It is probably best this Spring, to use them in containers and baskets as the ground is saturated from the amount of rainfall we have experienced. The first thing you have to do is choose the type of container you want. There are lots to choose from i.e. terracotta, glazed, plastic and wooden. Now that you have chosen a pot, the first and most important thing to do is sort out the drainage. All terracotta and glazed pots should already have drainage holes in them. Plastic ones probably won't so you will have to punch some holes in them. Next you need to put some gravel or aeroboard broken up over the holes on the inside of the pot and then cover with some landscape fabric i.e. mypex. Now its time to add some compost and ideally some slow release fertilizer mixed with it. Then choose some plants... First of all you need to choose a centre piece and always make sure that centre piece is evergreen and suitable for the size of your container. This way you will only have to change the bedding plants from season to season. Here is a list of a few good winter spring bedding plants for containers, primroses polyanthus, winter pansies, cyclamen, ornamental cabbages and trailing ivy.

DEALING WITH DEPRESSION 3

When we are feeling depressed, we can experience our feeling state like a sink that is blocked with no outlet. Our reactions to events and unwelcome thoughts seem to go round and round, rather than just flowing through our mind. Tubridy and Corry describe depression as a natural response to life's experiences – and maintain that depression is an emotion and not a disease. Just as we respond to life with feelings of anger, joy, sadness, love and fear – depression is another way in which we respond to life. Depression however doesn't just come upon us randomly and by chance. Instead it is a defence we build up around ourselves when we feel under threat or in danger. We build up barriers to protect ourselves and these can act as a very effective defence. However, when the time comes to remove the barriers, we may be unable to do so – thus our barriers of protection become our own prison.

Often our Psychological Skin has become too tight or too loose. When too tight we find it difficult to give or to allow others in. We feel the need to control everything ourselves and can't delegate or trust others. This however leads to feeling isolated and being cut off from growth in our lives. When our skin has become too open, we readily take on the problems and worries of others – often feeling overwhelmed and unable to set boundaries and say no. The optimal situation is to be neither too open nor too closed. Permeable boundaries allow us to open and let in when needed say no when we need to and reserve our energy.

Frequently people who are experiencing depression can feel plagued by tiredness. The constant effort to keep everything under control, to not upset people or to meet the needs of others can all lead to a constant anxiety and despair, which in turn leads to tiredness.

Some ways out of our depression include:

1. Have something positive that you can say to yourself (e.g. All will be well, or This too shall pass) or some inspiring music that you can put on when things feel dark and you feel alone. Choose something that works for you
 2. Develop the habit of doing at least one enjoyable, pleasant thing for yourself each day.
 3. Keep a diary or a journal where you can record inspiring words, valuable insights or special memories. Whenever you feel low, read what you have written.
- Counselling can provide a great support to help deal with depression.
