## Donal Walsh #Livelif Foundation up for award

Donal Walsh #Livelif Foundation has been announced as a finalist for the Irish Red Cross Humanitarian Awards.

Kerry teenager Donal Walsh touched the hearts of the nation when he came to prominence through his writings and appearance on Brendan O'Connor's The Saturday Night Show. While Donal battled cancer he became very aware of the effect his illness was having on his family

and friends. Donal's experience of fighting to live spurred him on to address, publicly, an issue which he was in a very unique position to comment on: teenage suicide.

The #LiveLife Foundation was set up after Donal died, to promote his anti-suicide message and to fundraise. Donal found there were not enough facilities in hospices, in terms of teenage mental health and faith, both of which were a big part of Donal's life. Donal's

Foundation has now raised and distributed €500,000 to help develop these facilities. Donal also worked tirelessly and raised €65,000 for the children's hospital in Crumlin.

The winners will be announced at the Irish Red Cross Humanitarian Awards Ball which takes place this Saturday 16 November in the Ballsbridge Hotel, Dublin 4.

## TREE OF LIGHT SET TO ILLUMINATE KILLARNEY

## GENEROUS KIDS PUT OTHERS FIRST

Pupils and staff, along with their families from Loreto National School put together Christmas boxes, filling them with toys and everyday goods which we sometimes take for granted. The response was amazing and everybody came on-board. We received over 80 boxes. We really appreciate the huge effort that everybody made. The pupils were delighted to learn about Team Hopes many different initiatives around the world. These gifts will be transported to many different countries including Kenya, Albania and Kosovo over the coming weeks just in time for Christmas. Thanks to everybody for making this wonderful project possible.

3,000 sparkling lights, a magnificent 100ft Californian Redwood tree and the spectacular grounds of St. Mary's Cathedral are set to provide the amazing setting for the Killarney Tree of Light.

The project is an exciting collaboration between a Christmas in Killarney Festival sub-committee and the Killarney parish and it will create a wonderful focal point in the town in the lead up to and during the festive season.

The lights will be officially switched on following a special ceremony which will be held in St Mary's Cathedral on the evening of Sunday, December 8.

Killarney Parish Administrator, Fr Kieran O'Brien, and the project committee have extended a warm invitation to all community groups, schools, clubs and organisations, families and individuals to join in what promises to be a wonderful community celebration.

The Tree of Light was first lit to mark the millennium year when it commemorated all those who lost their lives in the conflict in Northern Ireland and it was again illuminated in the mid 2000s to remember those who had been killed on Irish roads.

This year's project is all about community and it will celebrate the fact that Killarney is such a wonderful town to live in at Christmas and right throughout

the year.

The feature Californian Redwood tree, which has been standing for over 100 years, is located immediately adjacent to a Famine graveyard on the grounds of the cathedral and it is one of the most visual and photographed natural attractions in Killarney.

It will greet tens of thousands of visitors passing the cathedral on their way to and from Killarney during the forthcoming festive season.

The tree is being fitted with up to 3,000 lightweight, energy efficient bulbs and the preparation and installation work will commence in the coming days.

The sub-committee spearheading the Tree of Light project is chaired by Vice President of Killarney Chamber of Tourism and Commerce, Cllr Niall Kelleher, and the others involved are Terence Mulcahy, Padraig Treacy, John O'Mahony, Claire Scally, Cormac Foley and Killarney Parish Administrator, Fr Kieran O'Brien who is representing the parish.

Fr O'Brien, said it is wonderful that the Tree of Light will return after an absence of many years and it will bring something very special to Killarney for the Christmas season.

"People are still talking about how magical it was back in the millennium year and it is a very exciting project for all of us to be involved in," he said.

# KILLARNEY MAN ON THE WORLD STAGE

**T**he CEO of Universal Access, Paudie Healy attended two international conferences in travel and tourism in Dubai recently.

Paudie first took to the stage to speak about Planning, Strategies and Policies for developing accessible and inclusive destinations at the Dubai Accessible Tourism International Summit which was attended by members of the UAE Royal family and a range of International delegates.

"The government's policy and what they are implementing through a range of initiatives and programmes is for everyone visiting Dubai and the UAE to able get a world class person centric tourism experience. They are also very aware of the 8 trillion economic spend that people with disabilities have and the changing age demographic that are retired and travelling six to seven time per year with disposable income to spend on accessible and inclusive destinations", Paudie told the Killarney Outlook.

"This is an exciting time for the UAE and especially Dubai hosting the

expo2020 next year which they want to be fully accessible and inclusive for the 25million visits they are anticipating for the event", Mr Healy added.

Following this, he spoke on eliminating barriers in aviation through a universal design approach at the International Air Transport Association (IATA) Global Accessibility Symposium. This was attended by leading world aviation stakeholders from regulatory/policy/designers/technology/airports/customer experience stakeholders looking to identify operational best practices and innovative technologies that will enable all persons to have accessible and inclusive travel experiences.

"The energy and drive in this conference was incredible, it was a real honour to be part of and I looked forward to continuing his relationship further with the international association and their members in a journey that has now commenced in developing accessible and inclusive travel for all", Paudie said.

*Fatima Alloghani, Head of the World Expo 2020 Academy and Emiratization, Paudie Healy, CEO Universal Access.*

## CERT STUDENTS PLAN 2020 REUNION

As the new 5 screen cinema is taking shape on Park Road, Killarney, a reunion is also taking great shape, for students & teachers alike for CERT Hotel School Reunion of the former Torc Great Southern Hotel from '95-'97.

The hotel itself operated as usual in the high season and as a CERT Hotel School in the off peak for more than 30 years, where the students 'boarded' at the hotel, Monday-Friday, and travelled home to various different counties for the weekends. It was a great asset to train people in all aspects of hospitality, now a thing of the past.

The school shut its doors to CERT in 2000 under Pauline Lyne and the reunion which is well underway for Feb 2020 is for the specific years of

Sept 1995 - April 1997.

"A whatsapp group was started by a Clare student, Elaine Keehan with just two numbers on the group. Now the numbers are reaching almost 100 with another hundred or so still outstanding", Marie Carroll O'Sullivan, a former CERT student and Killarney Outlook photographer said.

If you were a student yourself over this period or if you know anyone, country wide, that may have attended the Torc Hotel School over this period only, please send an email to elainekeehan@gmail.com, to be added to a nostalgic Whatsapp Group, in preparation for February for what promises to be a night full of fun, taking a trip down memory lane, in Killarney of course!

# Killarney Hotel Recruitment Event for 2020 Launched

The second Killarney hotels recruitment fair was launched this week with to date 7 hotels involved. The event, which is organised by South Kerry Development Partnership through The SICAP programme, aims to assist job seekers and employers in the hotel sector with vacancies to meet in a more informal setting. It also offers both the jobseekers and the employers the opportunity to meet a large range of potential employers and employees on the same day. The event targets job seekers both with experience in the hotel sector already but also those who are seeking a change in career and who can take up many different roles within the hotel sector.

SKDP Enterprise Officer Joanne Griffin, who organises the event, said that the first event proved to be so successful this year it was decided to go ahead with it again in 2020. "Of the almost 100 job seekers who attended the event, more than one third of them secured employment with hotels who attended on the day" Joanne said. Both the hotels and the jobseekers who attended also found the event very useful as it gave them the chance to get to know each other in a setting outside the direct workplace she added. The 2020 event will be held in February.

Pictured at the launch are Back Row: Emer Corridan and Mary Kelly. Middle Row: Sarah Mannix, Noel Spillane and Kathryn Cronin and front Milandi Basel and Joanne Griffin.

The current hotels involved are The Great Southern Hotel Killarney, The Cahernane, The Gleneagle Group, the Muckross Park Hotel, the Aghadoe Heights Hotel, The Killarney Park and The Lake Hotel. Joanne added that she would welcome any other hotels in the greater Killarney area who are interested in

taking part in 2020 to get involved. "If they are interested they can simply contact me by e-mail at [jgriffin@skdp.net](mailto:jgriffin@skdp.net) or 087 6152660 before the 6th December so that we can get them involved" Joanne concluded.

## MONEY MATTERS.....

By Dermot Cronin,  
**Financial Advisor**

### WHEN CAN YOU ACCESS YOUR PENSION & WHAT ARE YOUR OPTIONS WHEN YOU WANT TO RETIRE?

Many pensions can be accessed from age 60, a lot of the rules depend on whether you are an employee or self employed. If you are coming close to retirement you are probably wondering what options you have when you want to get access to your pension. It depends on what type of pension you have but generally there are four options:

**Tax Free Cash:** Most people will be entitled to a tax free lump sum, the amount varies however generally you will get at least 25% of the value of your pension in a tax free cash lump sum.

**Taxable Cash:** You may be able to take sum of your pension in taxable cash.

**Annual Pension:** This is a guaranteed income for the rest of your life that is purchased with the money left after your tax free lump sum.

**Approved Retirement Funds:** You may be entitled to keep some of your money in an approved retirement fund, money can be taken from the fund to give you a regular income.

It is extremely important that you take your time and have all the options explained to you in plain simple English and that you understand all your options clearly before you make your final decision. As well as the above there is much more to be discussed about your pension. You should discuss your retirement options with a financial advisor who has access to a number of different pension providers before making any decisions, he or she will help you with the above options and any other queries you may have.

### Sick leave absence management policy – a guide for employers

An Employer needs to have a policy in place which sets out clearly what procedure is to be adopted when an employee is absent through illness. This allows you and employees know what exactly is going to happen, and the procedure to be followed.

**It's fair because it will apply to all employees.**

**This policy should make clear:**

1. Whether there is a sick pay scheme.
2. What the notification and certification requirements are when an employee is out sick.
3. That the employee can be required to attend a doctor nominated by the employer for medical assessment.

**Medical certs - when, and how frequently, are they required?**

You can decide how soon you require a medical certificate from an employee, it's your decision-but make it clear in your policy document.

The duration of the medical cert should also be specified. It is helpful also, to define in your policy what is: short term absence, what is long term, and what is unauthorised absence.

**Return to work follow up**

**When the employee returns to work, you should:**

1. Acknowledge the return to work
2. Request staff to submit a "fit to resume" doctor's note, by the resumption date, following long term sickness absence.
3. Try to facilitate a partial return to work where the employee requests it.

In any event, you should interview all employees, regardless of how long they have been out or their illness, prior to their return to work.

## Spooky Sprint raises Fantastic Funds

Ann Marie O'Leary, one of the organisers of the halloween charity "Spooky Sprint Fun Run", held recently in Kilcummin, presenting half the proceeds, €550 from the event to Claire Troth of Kilcummin Parents Association. Also in photo are Sean & Ciara O'Leary and Sarah & Stanley Troth.

Following a hugely successful Spooky Sprint Fun Run in Kilcummin, the proceeds of the event were presented to two different recipients this week.

One of the organisers of the event, Ann Marie O'Leary this week presented Marie Flynn at the Fuschia Ward at Killarney Community Hospital with a cheque for €550, which was half of the proceeds raised.

Marie and the staff of the Fuschia Ward, expressed their gratitude and appreciation for being chosen as one of the beneficiaries of this event, now in its third year. They plan on putting the money to good use and to invest in areas that will impact directly on those who use the services of the Fuschia Ward.

The other half of the proceeds, €550 will benefit the Kilcummin Parents Association and the money

raised will help to offset some of the costs of the individual students insurance cover which is enjoyed by all the pupils of Kilcummin National School" stated Claire Troth, treasurer of Kilcummin Parents Association.

Ann Marie went on to thank everyone involved in the event, those who helped in any way to make it happen and all those who participated on the day. "We're so delighted that this event is enjoyed by so many and indeed helps to raise funds for the pupils of Kilcummin National School and our chosen charity for this year, the Fuschia Ward in Killarney Community Hospital who do such wonderful work with those who suffer with dementia. We're looking forward to next years event already", she told the Killarney Outlook.

# KILLARNEY HOTELS

## *lead the way*

**O**n Friday 8th of November, Killarney Hotels Sustainability Group launched their 2020 charter at The Let's Talk Tourism conference which took place at The Great Southern Hotel, Killarney. A total of 22 hotels have signed the novel sustainability charter as a core principle of their business with an initial aim of cutting their carbon emissions by 25 per cent.

The pact, the first of its kind in the hotel industry in Ireland, is aimed at the implementation and operation of a single use plastic free environment in their respective businesses which account for 2,500 of the 3,500 hotel bedrooms in the town.

The collaboration was officially launched by Minister of State for Transport, Tourism and Sport, Brendan Griffin, prior to the annual National Tourism Forum Let's Talk Tourism conference in Killarney at the weekend.

The aim of the group is not only to reduce carbon emissions but to share best practice when it comes to sustainability. The hotels involved have individually and collectively set about reducing and eliminating single use plastic from their businesses and they anticipate that, going forward, several other hotels will sign up to the pact.

"We live in the most beautiful part of Ireland, visited and much admired by people from all over the world. As business leaders, we need to step up and work towards protecting our environment for future generations," said Marcus Treacy, Operations Manager of the Killarney Park and Ross Hotels who is spearheading the sustainability charter group. "This is just the start. We want like-minded people and businesses to join us in this common goal," he added.

Addressing the National Tourism Forum,

Mr Treacy acknowledged that hotel leisure centres can consume up to 30 per cent of the energy used in a property but taking steps like favouring green electricity and ensuring better ventilation can help get the balance right.

Meanwhile, in addition to jumping from 37th position to enter the top 20, Kerry has been confirmed as the most improved destination in the GDS-Index which is a collaborative international organisation ranking business tourism destinations in terms of how sustainable they are for hosting meetings, incentives, conferences and events.

Becky Hargrove, Manager of Kerry Convention Bureau said: "As a small regional destination in the south west of Ireland, we are absolutely thrilled. This was achieved by demonstrating significant sustainability improvements, essentially doubling our score on last year".

## Ireland will be the natural arrival point

From a tourism perspective, Brexit has the potential to be very destructive for Britain but it could lead to many advantages for Ireland, influential UK travel writer and broadcaster, Simon Calder, told the Let's Talk Tourism forum in Killarney.

Several EU workers who are currently helping the UK to thrive will leave and they could possibly come to Ireland but there is widespread confusion about what will happen in terms of British people travelling abroad.

"People don't know what the rules will be in terms of mobile phones or passports when travelling but it could lead to an increase in visitors from

continental Europe coming to Ireland as it will be the natural arrival point," Mr Calder said.

By opting to visit Ireland instead they won't have to worry about passports or visas, driving licence regulations, mobile phone roaming charges or the non-acceptance of European health insurance cards.

"Brexit, for all its appalling ugliness, is going to be positive for Ireland as it is the one place you can go in Europe where you don't have to worry about these things.

"The prospects for Ireland are very encouraging as it can capitalise on being an English speaking, cultured destination and it will be the natural arrival point for visitors from continental Europe," Mr Calder said.

## Food Key TO UNLOCKING TOURISM SUCCESS

**Food has enormous potential to extend the tourism season and it can be a big driver of the economy if it is marketed properly, the Let's Talk Tourism forum heard.**

Jenny De Saulles, Director of Industry Development with Fáilte Ireland, said prior to visiting Ireland, people don't consider it to be a food destination and are arriving with low expectations but, post visit, they are pleasantly surprised by the quality and it is repeatedly stressed by them.

"Food must bring the culture of a place to life. They want to meet the maker and the producer and they want an opportunity to make it themselves. Food trails and networks are the key to that," she said.

Fáilte Ireland is playing its part in the promotion of Ireland as a food destination with a total of 775 food and drink experiences, including over 50 headline events and 320 festivals and other events forming part of the extensive Taste of Ireland promotion with a €1.5m marketing promotion. A Fáilte Ireland food-themed media

campaign reached a TV audience of 2.8 million, press advertisements were seen by 2.3 million and a social media campaign reached over two million.

Michele Shirlow, MBE, Chief Executive of Food Northern Ireland, told the forum that there has been a 23 per cent rise in food tourism up north following a focused campaign to promote the sector.

"There has been a massive growth in new producers with fabulous ingredients. Where we are strong is short supply chains and it's not over industrialised. When they leave they are surprised by the good food experience," she said.

Ms Shirlow said a big attraction is that the likes of gin, cider and whiskey makers are all coming together to tell a story and it's a hands-on experience. "Visitors can go out in a boat in the morning and catch their own mackerel for their breakfast and visit a local gin distillery in the afternoon to enjoy the whole food experience," the Food NI chief added.

## GRIFFIN'S VISION IS FOR A NETWORK OF GREENWAYS

The development of greenways, such as the development from Tralee to Fenit, is the way forward for sustainable tourism in Kerry and other parts of Ireland, Kerry TD and Minister of State for Tourism, Brendan Griffin, has insisted.

He said an additional €4.5 million was provided in the Budget for the greenways network and that was in addition to the €23.5

million previously secured to be spent before 2020 and the money would be spent on the creating new projects and advancing existing developments.

"These are great opportunities for all of us and they really tie in with the theme of sustainability. "With our old canals and our old railways, we have these marvellous gifts from the past that previous generations sweated blood and tears to put in place and we owe it to those people to make the most of those brilliant pieces of infrastructure, many of them from the 19th century and Victorian times," Minister Griffin said.

"We must make the most of it for future generations and that epitomises sustainability.

In one action, we can turn what are seen as symbols of decline and negativity and economic depression into opportunities for the current and future generations".

The Kerry TD said he is trying to secure as much funding as possible for the development of greenways.

"My vision for this country is that we will have an integrated network of greenways all over the island, starting here in Kerry of course," he said.

"We must ensure that we have them linked up so that someone can literally get off a plane, rent a bike and never have to get into a car or a bus or anything else while they're here".

## TRALEE PHOTOGRAPHER SNAPS HISTORY IN THE MAKING

Top Kerry photographer John Cleary has a keen eye for catching day to day life in Kerry and has now produced some of his stunning images in his fourth book which is set to take Kerry by storm.

Tralee in the Good Old Days is hot off the press and will be launched in Tralee Library on Tuesday night 19th of November at 7.30pm by Radio Kerry presenter and journalist Deirdre Walsh. Featuring more than 300 unique black and white images depicting life in Kerry from the 1990's to the present day, the book is set to become a collector's item and an invaluable social history of the period.

Through the Lens, was the first best selling book of photographs by the Tralee based photographer from his

extensive archives and featured more than 500 black and white images taken in the 1970s. His second book, T'was Only Like Yesterday, was launched in 2017 and a year later he launched As Time Goes By.

John Cleary had been involved in photography for the past 50 years as a wedding photographer, capturing more than 2,150 happy couples on their special day, and as an established press photographer.

In his latest book, John Cleary has also profiled a number of Tralee personalities including Mark Leen, Eddie Shanahan, Ena O'Shea, Oliver Hurley and Jimmy McDonnell.

## World class technology at Stack O'Brien Opticians

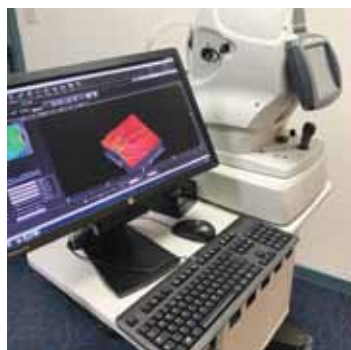

Stack O'Brien Opticians have invested in the latest technology to bring to the area, a globally acclaimed instrument – an OCT, which digitally scans and photographs your eyes.

"Our eyes are amazing, complex and precious, and deserve the best possible care, treatment and attention", Diarmuid O'Sullivan from the New Street based opticians told Killarney Outlook.

**So why is this service so important and what makes this technology superior?** In summary, this technology monitors and scans the human retina, which is a thin and sensitive tissue at the back of the eye.

This complex structure supplies the retina with blood. Everyone's retina is different – indeed, a set of identical twins do not share similar patterns. Sometimes, retinal patterns may be altered in the cases of diabetes, glaucoma or other retina degenerative disorders.

A retinal scan of a patient's eye can instantly pick up any changes to the health of the eyes and we will be able to advise on the next steps you should take. It's a quick and comfortable non-invasive treatment. You can even get to see

an amazing 3-D illustration of your eye with the OCT, enabling us to talk you through the findings right there in the Consultation Room.

Retinal screeners that digitally scan the eyes are very accurate and are one small step everyone can take to not only check-up on the health of their eyes, but indeed their overall health as high blood pressure and diabetes can be picked up by the optometrist using these instruments. When you consider how precious our health is, and our sight, it's a logical step to book in an eye test.

**The service is available now for patients. For more information or to book an OCT scan call us on 064 6636477**

## THE IMPORTANCE OF TAKING REST DAYS AND ACTIVE RECOVERY WHEN TRAINING OR EXERCISING REGULARLY

**CONTINUED ...**

What's an activity that can help women stay strong, burn calories, and build healthy bones? Strength training. Before you say "no thanks" to weights, take some time to challenge your preconceptions and learn about the importance of strength training for women.

Research has shown that from the age of 30 women who don't do some sort of resistance training start to lose muscle mass, this decreases every decade. This decrease in muscle mass has a knock-on effect, muscles become flabby which can affect strength and mobility which can cause other bone health issues.

Resistance training can be anything from body weight exercise/ bands/ kettlebells/ dumbbells/ barbells to weight training and Olympic lifting.

## Beating the Winter Blues!

12 million people across Northern Europe are thought to be affected by the winter blues at some point during the colder months.

As the nights draw in and the weather turns increasingly colder, here are my top tips for beating the winter blues and making winter a season of nourishment and replenishment.

### My top 3 Coaching tips for beating the Winter Blues

• Stay Active! Even a fifteen-minute walk will increase your feel-good factor. Try getting out in the day as early as possible or at lunch time to really recharge your batteries and energy levels.

• Change your mind set! How we think affects how we feel. So, instead of choosing to think

of the darker days and cold weather, choose to experience winter as a time for wrapping yourself up in cosiness and warmth. Create a beautiful environment by lighting candles and take time to sit by the fire. Use this time as a space for reflection and replenishment and to take stock of where you are in your life and what you want.

• Eat yourself happy! Food plays a huge factor in how we feel. Make sure that you are eating seasonal foods as much as possible and increasing your deep green leafy plants and vegetables. This helps boost vitamin D and C levels which support the immune system.

## COUNTY LEAGUE RD. 11

Glenflesk v John Mitchels

Sunday November 17th at 2pm in Glenflesk

Co. Championship Final

East Kerry have ended the reign of Dr Crokes as County Champions after a convincing win at a packed Austin Stacks Park on a score of two fourteen to one seven. It is their first title since 1999.

As has been the case all year Glenflesk's representatives were prominent in this dominant victory. Chris O Donoghue once again was outstanding at corner back as part of a defence that strangled Crokes dangerous forwards. He made one outstanding catch to prevent a possible goal chance and also performed a perfectly timed sliding to clear the danger later on.

Brian O Donoghue continued in the twelve jersey and was up and down the field all day helping to link the defence and the attack. He also won a lot of breaks from the kick outs and played a superb ball in to David Clifford which would lead to a free in.

Darragh Roche had a quiet first half as the ball wasn't coming his way and he had to deal with a sweeper positioned in front of him. He exploded into life early into the second half when his quick hand pass allowed David Clifford in to score the crucial first goal. He then scored a point by beating his man to the ball and sweetly striking it over with his right foot. He left his major mark on the game soon after. After receiving the ball on the edge of the square and space limited he shimmied into room before powering a shot that was too hot to handle for the goalie and left East Kerry with a lead Crokes could not over come.

Mark Kelliher Shane Courtney Dan O'Brien and Ian Roche were also part of the panel on this momentous day. For Mark it was a third County Championship win this year, after success at minor and under 21 level, while Ian was also part of the under 21 team.

After Dan O Donoghue had hoisted the cup high into the Tralee sky, I got the opinions of Darragh and Brian on this special day. Darragh said "it was an unbelievable occasion and reward for the hard work the boys had put in through the year.

He also said to score a goal in a County final was the "cherry on top of the cake" Brian said he had never "felt so good" after one of the best days of his life and to bring home the trophy made it all worthwhile.

To finish then an outstanding effort for all involved. To bring players together from different clubs and have such an impressive chemistry is a credit to all the staff and players work ethic. It also means all the major County Championship trophies will winter in East Kerry.

## PARISH BAZAAR

Glenflesk Parish Bazaar will take place on Sunday, November 17th at 3.00pm in St. Agatha's GAA Hall, Glenflesk. Tickets for the Parish draw can be returned at any time and can also be purchased on the day. Dried goods and contributions for hampers can be given to the bazaar organisers or dropped to O'Brien's shop Glenflesk or O'Donoghue's shop Barraduff. Please check the expiry date on any goods being donated. Many thanks for your generosity and support.

REPORT BY LEONA TWISS, PRO

## EAST KERRY ARE CHAMPIONS AFTER A 20 YEAR WAIT!

Congratulations to all involved with East Kerry on becoming the Garvey's Senior Football Champions for 2019! While it wasn't the tight game that we were expecting, it was a still a tremendous game to watch with moments of individual footballing brilliance on both sides. Dr. Crokes are a superb side and were bidding for their 8th title this decade, which is some feat but on Sunday they were beaten by a well drilled youthful side. Austin Stacks will contest the Munster Club Championships as the County Championship was won by a divisional side.

Last Sunday's final was very well attended with over 8000 people making their way to Austin Stack Park. 'Man of the Match' was Paudie Clifford (Fossa) and he was presented with a trophy and a voucher for the beautiful Dingle Skellig Hotel sponsored by the Garvey Group. The Bishop Moynihan Cup was presented to winning East Kerry Captain Dan O'Donoghue (Spa, Killarney) by County Board Chairman Tim Murphy.

The Curtain Raiser was the U15 Post Primary Munster Final between CBS Tralee and St Brendans Killarney. The Colm Taft Cup was presented by Colm Hayes to the winning Tralee CBS captain. It was a wonderful opportunity to showcase the talent and skill of our post primary students on County Final Day.

The County Executive wish to thank the following people who made the occasion a great success – our fantastic sponsors Garvey's SuperValu, the Austin Stack Park Committee, Ger O'Mahony the groundsman, the match officials, the highly talented Killorglin & District Pipeband, the Gardaí & Stewards, the medical personnel, Coiste na nÓg for the production of a superb programme, the media and of course all four participating teams.

## MUNSTER CLUB CHAMPIONSHIP

Congratulations to Kerry Intermediate champions Templenoe who beat Waterford's St Saviours last Saturday in Templenoe 5-12 to 2-9. Next Sunday at 1.30pm they will play Éire Óg in Ovens Cork in the Munster semi final. Next Saturday the Kerry Junior Champions Na Gaeil are away to the Cork champions Kilshannig at 1.30pm in Mallow in their Munster Quarter Final. On Sunday Austin Stacks will play Nemo Rangers in Páirc Uí Rinn in the Munster Senior Semi Final. Best of luck to all the teams representing Kerry!

## COUNTY EXECUTIVE

Nominations closed last Friday at 5pm and as result of being the only nominated candidates - St Senans's Eamon Whelan is the incoming Vice Chairman and Dr Crokes Patrick O'Sullivan is the incoming Central Council Delegate. Congratulations to both candidates – both are well experienced officers and will bring a wealth of knowledge to their new roles. Three superb officers will be vacating their positions at convention – Diarmuid Ó Sé Piarasigh na

## DR. CROKES

### SENIOR COUNTY CHAMPIONSHIP FINAL

Played in Austin Stack Park

East Kerry 2-14 Dr Crokes 1-7

Even though we would have been happy at half time to be down just 0-8 to 0-5, having played against a strong wind we came off very much second best in the second thirty minutes. It's hard to know if we ran out of gas, playing against a young team who fought hard for every ball in this second half. Our Congratulations to East Kerry who were very deserving winners.

Our opponents started the quicker and had three points on the board without reply by us in the first ten minutes. We did have chances during that period but were narrowly wide on a few occasions. We got back into the game score wide after that and were just behind by a point at the end of the first quarter. The teams exchanged points on two occasions in the next five minutes but East Kerry outscored us two points to one in the remaining minutes to leave the score at half time 0-8 to 0-5 in favour of our opponents. This did not seem an unassailable lead as we would have the elements in our favour in the second half.

East Kerry had the better start again in the second half with a point in the first minute. When they went through for a very good goal two minutes later we went down by seven points. We had a point to bring the lead back to six points but a goal and two points without reply by our opponents left us eleven points in arrears. Our lads never gave up the fight but our 1-1 to their three points in the last quarter left ten points between the teams at the end.

Our Congratulations once again to our opponents on their great victory. We are still very proud of our lads. They owe nothing to the Club as they have been great ambassadors over the last two decades. Seven wins in this decade is the most wins in any decade by any Club or Divisional team. I have no doubt but that we will be back and have more great days on the playing fields in the years ahead.

Remember we lost three County Finals in the first decade of the Century and we came back to win seven in the second decade.

### PROGRESSIVE 31

Progressive 31 takes place every Wednesday in Crokes Clubhouse. It will start at 8pm. All you need to bring is €5!

### EAST KERRY MINOR CHAMPIONSHIP FINAL DIVISION 4

**FINAL** minute silent for Dave Geaney Fossa was held before game

Spa 4-6 Fossa 3-10

Spa and Fossa gave a great display of football in Fitzgerald Stadium on a wet and cold Saturday

afternoon with Fossa the eventual winners of a highly entertaining final.

Spa were first on the scoreboard with a great score from Oisín Walsh. Fossa replied with two points from the Kerry minor, Emmett O'Shea and Killian Buckley. Spa's centre back, Connie Cremin Mulrey, started and finished a great movement through the centre assisted by Cian Murphy to register Spa's first goal. Fossa replied with the accurate full forward Emmett O'Shea notching over a point and goal after making the touch from a high ball on the thirteen meter line to lead by three points in the 16th minute. However, Spa responded with a point from the impressive Oisín Walsh and Cian Murphy. Fossa's Harry Kelly added another point which would by their last score of the first half. Ryan Kelliher and Oisín Walsh added two more points to level the game at 1-5 apiece. The remaining ten minutes of the first half belonged to Spa. However, Fossa scored another point from free off the boot of Emmet O'Shea. Spa played very skilful and accurate football registering two more goals to end the first half leading 3-05 to Fossa 1-6.

On resumption of the second half, Fossa meant business and couldn't wait for Spa to enter the field of play. It took eight minutes for the opening score in the second half, and Spa wanted to extend their lead with a great goal from the sub Roirí O'Connor who was on the end of a great pass from Ryan Kelliher. Never say die attitude, Fossa responded with a goal from a 21 yard free that hit the right side of the goal. That was the turning point for Fossa, and with lady luck on their side, scored another three points from Emmett O'Shea (2) and Darren Cronin. Spa's supersub, Roirí O'Connor replied with a point and only a goal separating the sides. Fossa equalized with another from Emmet O'Shea. The remaining five minutes gave Spa a chance to take the lead but were very unlucky and the top scorer of the day Emmet O'Shea scored the winning point for his club to take the title on the day.

As in the words of East Kerry's chairman, Johnny Brosnan, both teams deserved a great round of applause for a great display of football but unfortunately one has to win and the other to lose. Well done to both sides and management. ### THANK YOU

A huge thanks to Anthony Twiss, Killorglin, who recently donated €750 to our club here in Milltown Castlemaine. Anthony took part in AIB'S The Toughest Temptation earlier in August. AIB gathered one die-hard fan from each of the semi-final teams-Mayo, Dublin, Kerry and Tyrone and offered them a ticket to the All-Ireland Final. Sounds like the dream! BUT there was a catch...they weren't allowed watch the semi-final. The four fans were placed in a plain white box for the duration of the match. If they lasted inside the box they won €1,500. Anthony was tough enough and for resisting temptation, he won €1,500! He very kindly donated half of his winnings to Laune Rangers GAA and the other half to us here in Milltown Castlemaine. We really appreciate your generosity Anthony. Check out this link to see how it all went! <https://www.here.ie/sport/toughest-temptation-aib-challenge-gaa-fans-tickets-final-479218>

Mid Kerry Minor Football Championship: Semi-Final. Milltown/Castlemaine 0-16 Beaufort 4-15 (After Extra-Time)

Venue: Paddy Burke Memorial Park, Milltown (Report courtesy of Dara O'Connor.

Milltown/Castlemaine welcomed Beaufort on Saturday, November 9th, to the Paddy Burke Memorial Park in Milltown for the semi-final of the Mid Kerry Minor Football Championship. After defeating Keel/Listry narrowly in the Preliminary Round, Milltown/Castlemaine were looking to advance to a final meeting against either Glenbeigh/Glencar/Cromane or Laune Rangers who played on the same day.

Beaufort, aided by their two Kerry Minors from the 2019 panel, Jack O'Connor & Sean O'Brien started well with Jack O'Connor notching an early point off his left leg. Milltown/Castlemaine responded accordingly however and scores from Dylan O'Neil, Cillian Burke & Cathal Barrett throughout the opening half saw the hosts lead at half-time on a score of 0-8 to 0-7. Beaufort got the ideal start to the second half with an early goal but Milltown/Castlemaine dominated most of the proceedings -without getting the necessary scores on the board to reflect the dominance. Scores from Conor Spillane & Dylan O'Neil put the home side in the ascendancy heading down the final straight but a late equalizer from Beaufort in injury time forced the game to extra-time.

The game changed completely from here on in, as legs began to give way for the hosts in the challenging underfoot conditions and the visitors stepped up to the mark -with a flurry of goals in the opening period ultimately deciding matters. Beaufort led 3-14 to 0-14 at half time in extra time which had the game all but sealed, Milltown/Castlemaine failing to register a score. A further goal in response to two Milltown/Castlemaine points from the away side propelled them to a flattering eleven point victory at the games end-on a score of 4-15 to 0-16-a score line which unfortunately didn't reflect the efforts of our Minors put in and the contribution they made to the contest as a whole. Well done to Gary and all the management team as well as the panel of players for all their commitment. A special thanks to the parents for their support. There will be more great days to come for this fine bunch of footballers.

## HOMECOMING

### For East Kerry Team

PHOTOS: MARIE CARROLL O'SULLIVAN

**A**fter a thrilling game and a 20 year wait - the Bishop Moynihan Cup made its way to East Kerry on Sunday evening last.

8000 people attended the game at the Austin Stack Park where the young blood of East Kerry proved too much for Dr. Crokes. It was a fantastic game to watch with some amazing personal performances - none more so than David Clifford and his brother Paudie, who went on to win the Man of the Match award which was a trophy and a voucher for the Dingle Skellig

Hotel, sponsored by the Garvey Group.

The Bishop Moynihan Cup was presented to winning East Kerry Captain Dan O'Donoghue (Spa, Killarney) by County Board Chairman Tim Murphy.

The team were welcomed to the home club of Captain Dan O'Donoghue, Spa GAA Club on Monday evening where they were greeted with huge applause and delight from young and old alike.

Congratulations to everyone involved in the team on winning the Bishop Moynihan Cup.

Three cheers.... East Kerry team players and management celebrate their victory at Spa Gaa Club House.

All in a day's work for East Kerry tam members.

# Big Match REACTION

The Dream Team.....

## We are like a brother hood

– Kearney

A coming of age performance by East Kerry midfielder Liam Kearney typified the champion's performance and after the game, he spoke of the togetherness of the team and pointed to that as a key factor in his sides win.

"We might be six different clubs but we are like a brotherhood. We have been together for the last eight or nine weeks and the bond we have built up is unreal. We go to training every night and that bond is just getting bigger and better." East Kerry began to dominate the contest once the conditions deteriorated and Kearney points to the fact that they trained in a lot of poor conditions in the build up to the final.

"We have trained a lot in poor conditions. It is great to have the facilities of Fossa and Spa no matter what the weather we can go out and train. So when it comes down to the big day and the big moments. You have trained in those conditions so it is no hassle."

## "They never left us down"

– Brosnan

In the end it was a clean sweep for East Kerry this year winning the county Minor, Under 21 and the Senior Championship's and it was something that East Kerry Chairman Johnny Brosnan was very proud of afterwards as he weighed in with the praise.

"They are a fantastic team. They never left us down and they are always proud of the East Kerry jersey. When I met Jerry O'Sullivan a few years ago. He said to me I can guarantee you in a year or two we can bring back the Bishop Moynihan Cup to East Kerry and he was true to his word."

## "No one put a foot wrong"

– Clifford

In the end, any one of a handful of East Kerry players would have claimed player of the game. Big performances by Liam Kearney at midfield and the usual top class showing by David Clifford and another big shout from Spa's Evan Cronin who ended the game with 0-4 but it was the powerhouse Paudie Clifford that took the honour.

*Afterwards he spoke about the game.*

"This was similar to the Dingle game where everything just went right for us. No one put a foot wrong and thank God we got over the line. We had great respect for Crokes. We feared them but we got over the line. We knew that if we kept pushing on that we would get the scores. We have done great work with Arthur and Jerry and the boys and we were hopping."

## "Our Fellows were awesome out there today"

– O'Sullivan

Twenty years on from when Jerry O'Sullivan last tasted victory as a player in the Senior Football Championship, The Furies man was getting the sweet taste of success as a manager having seen his team produce a stunning second half performance to claim title number eight for the district.

Understandably, he was in high emotions following the full time whistle and his first thoughts were for his team and what they achieved.

"It is brilliant to win the Bishop Moynihan Cup again. I am thrilled to be quite honest about it. I think our fellows were awesome out there today. From the very word go we set the scene. I think we dominated in every position on the field to be fair. In the second half playing into a breeze, we took the right options at the right time. In the end, we could have even got a few more scores."

One of the big scores of the game was David Clifford's goal and O'Sullivan was full of praise for the Fossa man

"He is an exceptional talent. He has been brilliant all throughout for us. He has had a brilliant year and for him today to cap it all off with that goal. He was excellent"

However, O'Sullivan felt that shining the light on just one player was not the team dynamic and was full of praise for the team effort

"The one thing that we did this year was trust our guys and we kept telling them that. There is 38 people involved and it was trust, patience, and work rate. Working for each other. We trusted our boys to do the job today and there was no need for us to bring a man back when we went down to 14. Pa was unlucky to get sent off."

Dr. Crokes 1-7 \ East Kerry 2-14

East Kerry are the **Garvey's Supervalu 2019 County Senior Football Champions** as they produced a sparkling performance to defeat four in a row chasing Dr. Crokes. Killarney outlook reports

**I**n The end, it was emphatic as a new force in Kerry football rose to the top as they simply devastated the team of the decade in Dr. Crokes as a youthful East Kerry released the emotion at full time.

From early in the second half the red wave proved far too much for a Dr. Crokes side who sought to win their second 4 in a row in a decade but sport doesn't do sentiment as the six smaller clubs of the district final put an

end to 20 years of hurt as a new generation of players put their mark down.

In the end, it was brutal as the new bucks of Kerry football East Kerry showed little respect for the aging kings as they simply devastated the most successful Kerry club team of the decade with their full forward line scoring 2-9 alone.

Heading in the game their manager Jerry O'Sullivan, a member of the last East Kerry team to win a championship in 1999, said enjoyment would be key for them and so the 8,256 paying patrons were treated to some sparkling football that coincided with two specular goals from David Clifford and Darragh Roche.

East Kerry who took control as early as the opening minutes were always in control of a contest that saw three players dismissed within the regulation time.

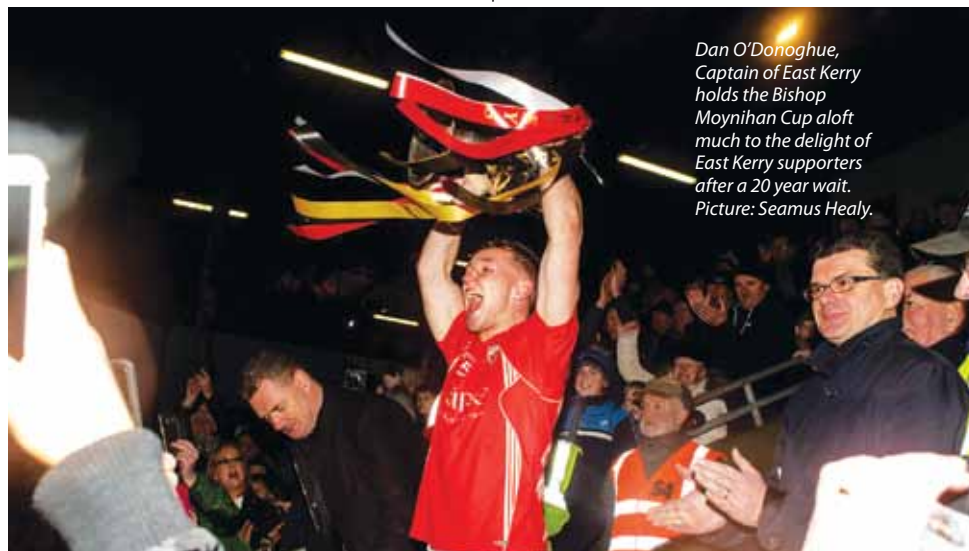

Opening points by Mike Foley (2) and Evan Cronin set the early tempo as the challengers

stretched to an early 0-3 to 0-0 lead by the 8th minute.

The champions' who were playing into the elements in the opening half found finding their target difficult but two points within a minute by star in the making Tony Brosnan from either side of the goals had them back within a point by the 13 minute. There was still just a point between the sides by the 21st minute as East Kerry failed to make advantage of the wind at their backs and the greater amount of possession that they were securing with Liam Kearney in total charge at midfield.

With half time in sight, it looked as if Edmund O'Sullivan's men had withstood the early blows but the dam of defiance finally broke when the brothers Clifford fired over points. First David with a long range free before the ever-busy older brother Paudie had one of his own with Evan Cronin firing over another on his way to four points on the day.

Brosnan did get one back but it was East Kerry

who headed down the tunnel 0-8 to 0-5 ahead with a noticeable pep in their step. If they left the field with a pep in their step, four minutes into the second half it was a clear leap as David Clifford finally gave the majority of the crowd what they came to see – some Clifford magic. It arrived in the shape of a 34 minute goal.

Ten minutes later Darragh Roche added another and all of a sudden, it was 2-11 to 0-6 as the champions were left on the floor. Still they did not throw in the towel and Gavin White on a surging run was at the end of a move to see him fire past James Devane. His second goal in consecutive finals from half back. White would find the time to add another point later in what was a fine performance by the Kerry captain but it was not enough on a day when the greater hunger all came from the men in red as they finally ended the twenty year wait for the Bishop Moynihan as a new generation of heroes was born.

## FARRANFORE MAINE VALLEY AC

### MUNSTER SENIOR & JUVENILE UNEVEN AGES CROSS COUNTRY C'SHIPS

Conna Co.Cork was the venue for the Munster Senior & Juvenile Uneven Ages Cross Country Championships, hosted by St.Catherines A.C., Conditions were ideal for the events, dry and very little wind. The course was in very good condition which made for some very fast running. We had three juvenile athletes in action. First up were the Vicker brothers, Isaac & Ryan in the U11 1500m race. A one lap race with well over one hundred athletes competing from clubs all over Munster. Isaac got a great start and was within the top twenty entering a narrow stretch of the course after 300m of running. Isaac fought hard over the course and made up positions when they entered the climb after 1000m's. The last 200m's was flat and down to the finish line where he held on to finish sixth place overall. Ryan, competing out of age, did extremely well and finished in the top half of the group. To cap it off, Kerry team finished third overall. Next up we had Shauna McCarthy competing in the U17 4000m race. Approx. fifty athletes lined up for the 2 lap race, with some very notable international athletes in the mix. From the gun the pace was set with a strong group of 12 to 14 athletes bunched together. In the middle was Shauna and Kerry Eager from Star Of The Laune. This group remained bunched up for the first lap. But at the start of the second lap the pace increased dramatically. As the group spread out Shauna was placed seventh and over the course of the last kilometer she passed out three runners to finish in fourth place overall. Isaac & Shauna will now go forward to represent Munster in the National Championships on December 15th in Dunboyne. George McCarthy competed in the final race of the day, the Senior Men's 10K, 5 lap race. George ran well to finish in 30th place.

## KILLARNEY RFC NOTES

### U13'S PLAY DEBUT AGAINST MALLOW:

With a large cohort at the U13 age group and no dedicated U13 league in West Munster, we were anxious to give all our U13s (plus a few U14s who not played rugby before this season) a chance to play the 15-a-side game without the assistance (or interference from the older age group).

Mallow were in similar situation with a large playing group who couldn't all get on the field so they kindly offered to come to Aghadoe to play a friendly challenge game on Saturday morning. The focus of the game was to give every one a chance to play and less emphasis on the score (at least not by the coaching teams).

The windy but sunny weather interspersed with showers made handling difficult but didn't interfere with the fun. We saw some good rugby with players able to demonstrate their

tackling, rucking and evasion skills playing against a peer group.

Thanks to Rob Tyrell, Alan Sheehan and the rest of the gang at Mallow RFC for bringing two teams over to Killarney. Thanks to Feargal Courtney for reffing the game in a good spirit. Thanks to all the players for their enthusiasm and effort. We are looking to organise further U13 fixtures during the season to give everyone a chance to play outside of the regular U14 fixtures.

### KRFC U17'S REPRESENTATIVES ON KERRY U17'S SIDE:

Well done to Brendy O Donoghue, Rob Nealon, Donnchadh Grealy and James Kennelly who played for combined Kerry Club U 17 team competing in Munster inter regional competition in Independant Park Cork on Sunday. The Kerry Boys competed bravely and although losing narrowly against strong regional Cork,Waterford and Tipperary outfits did the county proud and were in contention in all 3 games until the final whistle.

'Peter Walsh also played but took a knock and was receiving treatment post game. Get well soon Peter.'Well done lads.

### MINIS:

This weekend our Minis host Tralee RFC at all ages at Aghadoe. Kick off is 10:30am and don't

## U14 GIRLS ENJOY TRIP TO THOMOND PARK:

Last Saturday our U14 girls enjoyed a fantastic day out in Limerick, taking in the big match between Munster and Ulster. The girls left Aghadoe at 12pm and the first stop was the Crescent in Limerick for a spot of retail therapy before heading to the South Court for food before heading to Thomond Park. The girls described it a brilliant day and 'unreal craic' and felt that the day brought them closer as a team as they spent quality time together. Thanks to Fiona Landers for organising the day and to Ger and Milo for travelling up with their charges along with the parents.

## OUTLOOK RUGBY

### KILLARNEY RFU

#### U18'S V OLD CHRISTIANS

#### NO JOB FOR KILLARNEY IN CORK

On Sunday last the U18.5s travelled to one of the stalwarts of Cork Rugby, Old Christians RFC, the home of famous faces like Donal Lenihan and David Corkery. The team was without some of the U17's who were busy representing Kerry in Musgrave Park so it was the job of the remaining players to wear the Killarney hoops with pride. The game started like a tornado with the sleek feet of Gary Randles zig zagging their way around and through 6 of the Old Christians players to plant the ball firmly over the line to open the score. Christians then pushed Killarney hard and after repeated crashes against the defensive line managed to get a try back. With their heads now up Christians again piled on the pressure and eventually succeeded with a wide move that got rewarded with a try.

10-5 at half time but with heads up Killarney pushed hard and we're rewarded with a penalty slotted over by Ciaran O'Brien. The second half then saw Killarney take the lead with a break on the left wing by Matt McAuliffe that Zebo would have been proud of and a powerful crash over the whitewash from John

McCarthy to stretch the score to 18 - 17. With two minutes to go Christians were awarded a penalty that gave them the lead to see out the game. This was a great opportunity for the coaches to see some new combinations at work with changes on the wings, centre, both halfbacks, front row and back row. To a man Killarney could have not worked harder and will undoubtedly learn from the mistakes made. Every player got game time. Team on the day - Adam Cronin, Craig McKenzie Vass, Ciaran O'Brien. Krystian Komosa, Evan Mannix, Adam McSweeney, Sam Casey, Padraic Talbot, John McCarthy, Matt McAuliffe, Mark Sheahan, Dion O'Neill, Jack O'Connell, Micheal Og Casey, Adam Walsh, Aidan Keane, Tomas Clifford, Ronan Buckley and Gary Randles. Next week we are away to Killorglin.

### SENIORS:

KDL Premier A:

MEK Galaxy 0 - Castleisland AFC 1

Best on the day: Joe Donovan Conor Murphy Harry Buckley

Really good performance overall and very unfortunate not to get something out of the game. Castleisland scored from a corner after 38mins and Premier A as we are learning is a ruthless division. Plenty positives to take with a serious team effort overall and look forward to the next game with optimism again.

### U16: MEK GALAXY 2 INTER KENMARE 2.

Good performance today in a game we really should have won. We had 14 shots to their 6. Kenmare scored with a looping shot from 40 yards that ended up in the top corner. To leave the half time score 1-0.

They then scored again on a counter attack to leave us 2-0 down 10 minutes into the second half.

To our credit we dug in and with Brendan Casey driving us on from midfield we dominated the rest of the game. A super volley at the end of a slick move saw Shane Evans score. A foul on Brendan eventually resulted in a penalty which Shane converted to make it 2-2 with 15 minutes remaining. We created several chances after that with Hugh O'Malley hitting the post and several other chances created but not taken.

Overall our work rate and passing were excellent and it was a very good performance.

Team Dean Sheehan Xisco Colon Daire McCarthy Shane O'Connor Sam Griffin Leo Healy Brendan Casey Shane Evans Capt Liam Roche Eddie Moroney Fionan Griffin Kevin Harant Eden Murphy Hugh O'Malley Tadhg O'Sullivan. Scorer Shane Evans x 2. Best on the day Brendan Casey Daire McCarthy Shane O'Connor Dean Sheehan Well done!

### U13 BALLYHAR 3 MEK 4

A game of two halves this one was. We dominated the first half but could only take a 1-0 lead to the break. 3 quick second half goals saw us take a 4 - 0 lead and we looked like we were cruising. However a determined Ballyhar stepped up a gear and pulled 3 goals back which left us struggling to hold on for a well deserved but hard fought win which sees us firmly at the top of the league table with 3 wins from 3 games. Goal scorers for MEK were Jamie Vousden, Noah O'Shea, Ryan Carey and Eanna Murphy.

Man of the match went to Ryan Carey who never stopped trying.

Granagh Utd 1, Killarney Celtic 3.

Stephen McCarthy, Gary Keane, Adam O'Rourke.

A penalty from Stephen McCarthy had Celtic 1 to the good at the break. Gary Keane doubled the advantage in the 53rd minute before Adam O'Rourke sealed the win in the 86th minute to send Celtic in to the 5th round draw.

### FAI YOUTHS CUP

Killarney Celtic 4, Killarney Athletic 3 (AET)

Celtic played with the wind at their backs in the 1st half and went in at the break 3-1 to the good with Dylan O Callaghan, James Darmody and Padraic Looney scoring. Athletic struck back in the 2nd half to force extra time where Dylan O Callaghan was on hand to get the winner to send us into the next round away to Bearn Na Forbacha from Galway.

### U13 PREMIER KILLARNEY CELTIC 2, LB ROVERS 3.

Oisín Fleming JJ O Donoghue.

Celtic dominated the game. Our defence was solid and the wingbacks did a good job containing the wingers for LB Rovers. We played some lovely football and looked dangerous on the attack. Oisín Fleming scored after 2 minutes after a lovely chipped pass from Joey McCarthy. Not long after LB were awarded a penalty which they scored. It didn't take Celtic long to take back the lead through JJ O Donoghue making it 2-1. The second half continued along the same path and Celtic were unlucky not to go further ahead when Celtic missed a penalty that just slid past the post. In the last five minutes LB Rovers scored two crackers that gave them all 3 points.

Well done to our U7/8s who played Killarney Athletic and our U10s and our U11s who played Inter Kenmare over the weekend. Many thanks to the visiting teams for the very sporting games.

### U15 GIRLS PREMIER

Killarney Celtic 4, Dingle Bay Rovers 0

Aideen O'Brien (2), Tirna Murphy, Ava O'Neill Celtic were 3 up at the break and maintained their advantage throughout the game to take the win.

U13 Girls Premier Div

Killarney Celtic 6, Fenit 0

Celtic u13 girls played Fenit at Celtic park. Celtic started strong and were 2-0 up within 10mins thanks to Clodagh Moriarty whose work rate on the left side of midfield is immense. Half time 2-0. 2nd half with the wind at their backs and some great passing from midfield we managed to pick up where we left off and though Fenit defended very well for large periods of the game the passing and movement by Celtic was good and we managed to pick up 4 more goals, Clodagh scored again to complete the hat-trick, Aine Fitzgerald got another 2 to add to her tally for the season and Clodagh McGorrian scored a great goal into the top corner.

Many thanks to everyone who supported our street collection over the weekend and to all the collectors for their time.

**Plate: St Anne's 48-46 St Joseph's Overtime:**

The battle of the Saints Anne and Joseph in Farranfore was a cracker with 3 minutes of overtime needed to separate the sides. St Anne's just got the better of the first quarter leading 14-10 with Eileen O'Leary to the fore while Grace Cahill impressed for the opposition.

The second quarter was even closer ending with St Anne's just preserving their lead 27-26. A three pointer from Ellen O'Sullivan was an important score for the home side while Duagh's Lucy Horgan led her side to within a point.

This game was thrilling the supporters from both sides and St Anne's needed vital points from the free throw line by Aine O'Shea to end the third quarter all square at 36 points each.

The sides went basket for basket in the fourth quarter and could not be separated as the buzzer sounded. It was then into 3 minutes of overtime and St Anne's Eileen O'Leary stepped up with the vital basket that saw her side take the win by just one basket 48-48.

Overtime also needed in the St Joseph's v Rathmore 16 Boys game:

The high standard of play all around the county throws up classic games with every set of fixtures. The u16 Boys Division 2 game between St Joseph's Duagh and Rathmore Ravens was another of these.

Both sides went basket for basket and every

score was hard earned. For the North Kerry side Fearghal Cudlipp, Darragh O'Keeffe and Eoin Dowling were in great form. Darragh Nagle, Michael Dennehy and Fionn Murphy were to the forefront for Rathmore who trailed by just two points after three quarters 46-44.

The final quarter was another nail biter for the big crowd with some outstanding performances from St Joseph's Eli Fitzgerald, Jack O'Keeffe and Niall Horgan and Rathmore's Ciaran Collins and Cian Twomey. And it was Rathmore that got the last basket inside the final seconds to tie the game and send it to overtime. And in that period St Joseph's just managed to get the vitals scores to win 64-62.

For St Joseph's Eli Fitzgerald ended with 16 points, Fearghal Cudlipp on 12 and Eoin Dowling hitting 9 while for Rathmore Ciaran Collins had a game high 21 points. Michael Dennehy ended with 16 and Cian Towmeyer had 7.

## Double for KCYMS

In the u12 Boys Division 2 it finished with KCYMS defeating St Bridget's 23-17 having led 13-9 at the half. Eoin Henken got some vital baskets for the winners while they also needed big defensive efforts from Tomas Joy and Charlie Griffin. The boys doubled up with an away win at Caherciveen having had a strong first half under both boards leading 14-2. In the end KCYMS won 31-16 with Liam O'Connell leading the scoring for the Killorglin club with 13. Adam

Radny and Bryan McKenna also hit important baskets.

Ravens Girls soar to two wins:

The Rathmore Ravens u12 Girls made the trip to Tralee a winning one as they defeated Imperials. Rachel Rahilly led the Ravens scoring with 8 points with Aine O'Sullivan, Ava Twomey and Niamh Brosnan also impressing.

This was their second win of the week on the road as they had also seen off Glenbeigh Falcons. They led by double scores at the half 16-8 and with strong defensive display and a good spread of scorers took the win 32-10. Ava Twomey led the scoring for the winners with player of the match Niamh Brosnan, Aine O'Sullivan and Rachel Rahilly all getting on the score sheet.

Brendan's just beat the Bobcats:

There was another close game in the u13 Boys Division 1 between St Brendan's and TK Bobcats played in the John Mitchel's Sports Hall. TK Bobcats had been beaten by the same opposition and were looking to reverse the result. At the end of the first quarter they led 9-8 with Jack Joy leading the scoring. Despite a big effort from Martin McKivergan St Brendan's had moved into a 22-17 lead at the half.

The gap remained the same at the end of the third quarter as the Tralee side led 30-25. St Brendan's were finding scores easier to come by in the final quarter but the TK Bobcats boys never gave up and were unlucky to see some good efforts lip out. In the end St Brendan's took the win 39-32 in a game where both sides will take lots of positives from.

National League Division One:

## Winning ways continue for Lakers

By: Eamonn Keogh

**Scotts Lakers 90**  
**Sligo All Stars 70**

SCOTTS Lakers winning form continued with a convincing 20 point win over Sligo All-Stars in Killarney Sports Centre last Saturday night.

Apart from a brief spell in the third quarter the home side were never really troubled by the northwesterners. The Lakers started well racing into a 7-0 lead with a determined Victor Martinez making a noticeable impact from an early stage. Toby Christensen and Mick McGinn also impressed to help the home side gain a 22-12 late in the first period. Sligo stayed in touch and pulled it back to 22-16 at the end of the quarter. A brace of quick three-pointers from Brian O'Neill along with further scores from Martinez pushed Scotts Lakers 30-20 in front after three minutes of the second quarter. Aaron Jackson and Mick McGinn also did well to extend the advantage to 37-22 midway through the quarter. Despite the best efforts of Alvaro Romo, Jesus San Martin and Brandon Berry for Sligo, the home side still enjoyed a 15

point lead, 44-29, at half-time.

Lakers continued to dominate upon the resumption with Aaron Jackson, Toby Christensen and Mark Greene hitting big baskets to open up a 51-33 lead after three minutes. However Sligo then enjoyed a purple patch with Alvaro and Berry leading the way as they went on a 13-0 run to narrow the gap to 51-46 with four minutes left in the third quarter. Sligo veteran Shane O'Meara, a player with strong Killarney connections, was also a commanding presence under both boards and the visitors looked like they could cause an upset. However the danger didn't last long as Lakers regained control with a timely three-pointer from the outstanding Toby Christensen while Carlton Cuff and Aaron Jackson also added scores to make it 62-52 at the end of the third quarter. Jackson and Christensen continued to impress as Scotts Lakers opened up a commanding 82-55 lead midway through the final quarter. There was no way back for Sligo after this with Lakers coach Shane McCarthy running his full bench as Keelin Houlihan, Jamie O'Sullivan and Keith O'Grady made notable impressions. Lakers had 20 points to spare in the end. Aaron Jackson and Toby Christensen led the way in

scoring terms while big Toby also pulled down 15 rebounds. Carlton Cuff also impressed under the boards grabbing 12 rebounds while Spaniard Victor Martinez enjoyed his best game of the season working hard on both ends of the court. Following the victory over Sligo, Scotts Lakers have a 6-2 winning record and share joint second place on the league table with Fr Mathews and Lyit Donegal, who have a 6-1 record each. Although the Lakers have played one more game, they have a chance to go ahead of Fr Mathews when the sides clash this Saturday night November 16th at

7.45pm in The Fr Mathews Arena Model Farm Road, Bishopstown Cork.

Scotts Lakers: Aaron Jackson 25, Toby Christensen 24, Victor Martinez 12, Mick McGinn 7, Carlton Cuff 6, Brian O'Neill 6, Mark Greene 5, Keelin Houlihan 2, Jamie O'Sullivan 2.

Sligo All Stars: Alvaro Romo 27, Jesus San Martin 8, Brandon Berry 10, Carson Long 8.

## 7 Years and over €72,000 raised in the 54321 Challenge

**C**elebrating their 7th year, the annual 54321 challenge has raised an amazing €72,506 for three Kerry charities.

Last weekend, the group handed over the proceeds of the event which took place from

the 22nd – 25th August 2019. 37 participants began this year's Challenge in high spirits from the GAA grounds in Killorglin on Thursday 22nd August and cycled around the Ring of Kerry on day one. On Friday 23rd, the group travelled to the base of Carrauntoohil, and climbed Ireland's highest mountain on a day that the conditions were challenging to say the least.

Having returned safe and sound from Friday's challenge on Saturday, they once again took to the bicycles and cycled from Killarney to the foot of Mount Brandon and climbed it, the persistent rain throughout the climb did not dampen the spirits of this amazing bunch of people, they even sang a few songs and danced a set when they reached the top. The challengers spent a welcome night in Dingle before embarking on the final day which was a cycle from Dingle to finish where it all started in Killarney where they received a hero's welcome at the Gleneagle Hotel where supporters of all three charities gathered to welcome them home, followed by well-deserved drinks and pizzas at Kayne's Bistro. It was a weekend of bonding, banter, singing, struggles, laughs but most of all a great sense of achievement in completing the challenge on a personal level and for three great causes for all the

participants.

'On behalf of the Skellig Stars, The Kerry Hospice and Dingle Coast and Cliff Rescue Service and the 54321 Challenge team we would like to say thank you to all those who have sponsored and supported us along the way

The 37 participants came back together again on Saturday 2nd November in the Victoria House Hotel to present the cheque for an incredible €72,506 to this

year's selected charities. This brings the amount raised to date by the 54321 Challenge to €206,712 for various Kerry Charities. The date for next year's event will be confirmed shortly and we will be recruiting teams so if you would like to be part of next year's Challenge or would like further information please call the event organisers Carole Moran (087 9471336) or TJ O'Connor (087 6277141).

## HANDY HINTS:

\*A dab of glow-in-the-dark paint means no more groping for the light switch in the dark. You can buy glow-in-the-dark paint at some hardware stores and home centres and wrap torches with glow-in-the-dark tape.

\*Slip PVC pipes over the handles of your pruning shears and tape them in place to extend your reach and clip high branches without a ladder.

\*When you're painting or gardening, keep your phone clean and dry by sealing it inside a reusable zip-top bag. You can still work the buttons right through the bag.

\*To park your car at home, hang a tennis ball from your garage ceiling so it just touches the windshield. It will show you precisely where to stop.

\*Before drilling or cutting into a wall, tape a bag below the work zone and it will catch the falling dust.

\*Keep a couple sections of pipe insulation or pool noodles in your trunk to protect both the car's paint and your oversized cargo.

\*Coat your face and arms with lotion before painting and the splatters will wash off effortlessly.

\*A little knob of blue tac etc keeps pictures level without harming walls.

\*Not enough space to hang towels in your bathroom? Add a second shower curtain rod and you'll have plenty of room.

\*Drill a second key ring hole near the edge of your house key and it will stand out from the others. No more fumbling with your keys in the dark.

## THE CAPITAL CITY OF SOUTH KOREA HAS FINALLY BEEN DECLARED DOG SLAUGHTER-FREE

Seoul's last three dog meat shops have agreed to end dog slaughter on-site, following over a year of campaigning from Seoul's Mayor Park Won-soon and the Seoul Metropolitan Government.

Leading animal charity Humane Society International/Korea has so far rescued more than 1,800 dogs and closed 15 dog meat farms in South Korea since they began their work in the city back in 2015. Additionally, the organization has helped farmers to close down their dog meat farms and transition to alternative, more humane livelihoods, as dog farmers are increasingly keen to exit the controversial trade due to societal shame, family pressure and decreasing profits.

A survey by Gallup Korea conducted in June 2018

shows that 70% of South Koreans say they will not eat dog meat in future. In July this year HSI/Korea assisted in the closure of South Korea's notorious Gupo dog meat market in Busan, following the closure the previous year of Taepyeong, the largest dog slaughterhouses in the country in Seongnam.

## AN 11TH CENTURY TREE HAS WON A 21ST CENTURY PRIZE

Liverpool's Allerton Oak tree, which is said to have been present in the city when the Normans conquered England in 1066, has won England's 2019 Tree of the Year award - a contest which has been celebrating trees for their beauty, character, and special history across Great Britain and Northern Ireland since 2014.

Receiving 34% of the 11,000 votes in the contest, the Merseyside Oak defeated a sycamore growing atop a castle in Essex and "The Dragon Tree" on the Isle of Wight to claim the coveted arboreal prize. Allerton Oak will represent its home country in the 2020 European Tree of the Year contest to be held next year.

The Allerton Oak is believed to be more than 1,000 years old—and it has played a far greater part in Liverpool's history than simply standing still and converting CO2 to oxygen. A placard at the foot of the great tree reads "One thousand years ago, Allerton did not possess a courthouse and it is believed that the sittings of the Court were held under the spreading branches of this tree."

In World War II, Liverpoolians who were off fighting in Europe often received acorns and leaves from the Allerton Oak as a little piece of home, and a

sign of strength to protect them in battle.

## GAYBO'S LEGACY - By Nicky Barry

*Caesar ruled the Roman Empire,  
and Gaybo ruled the Irish air,  
They both were men of influence, with dignity and flair.  
They both rose to the zeniths, of their chosen spheres,  
Caesar with a Roman spear, and Gaybo with good cheer.*

*Caesar marched his legions in, and conquered many nations,  
Gaybo sat behind a desk, and thrilled many generations.*

*Cesar's Roman Empire, was built on might and fear,  
Gaybo's world of TV fun, brought laughter, joy and tears.  
The tears were those of rapture, as he spun his web,  
And beguiled us all on Friday nights, before we went to bed.*

*Caesar built great aqueducts, and roads and bridges too,  
Gaybo broke down barriers, which out of ignorance grew.*

*Caesar left his Roman mark, for centuries thereafter,  
Gaybo's legacy to Ireland, will always be laughter.  
He had a way with people, for they saw him as a friend,  
Who would always be around; we thought it would never end.*

*But nothing lasts forever, and even Gaybo had to go,  
He left us all with memories, of his great Late Late Show.*

*We'll never hear his likes again, on the wireless or TV,  
For he was a colossus, just like Caesar used to be.*

## Know Your Rights: SEASONAL FLU VACCINATION

### Question

I got the seasonal flu vaccine last year. Do I need to get it again this year?

### Answer

Influenza, usually known as the flu, is highly infectious and anyone can get it. However some groups are at greater risk of complications if they get the flu and the flu vaccine is strongly recommended for them. They include people over the age of 65, pregnant women and people who have a chronic medical condition.

The flu viruses that are circulating change every year. This is why you need to get a new vaccine each year. Vaccination is free if you are in one of the following groups:

- Are aged 65 and over
- Have a long-term medical condition such as diabetes, heart, kidney, liver, lung or neurological disease
- Have an impaired immune system due to disease or treatment
- Have a body mass index (BMI) over 40
- Are pregnant
- Live in a nursing home or other long-stay institution
- Are a carer or a healthcare worker
- Have regular contact with poultry, water fowl or pigs

This year the flu vaccine is available from October 2019 until the end of April 2020. You should get your flu vaccination from early October to be protected for flu season. You can get the vaccine from your GP (family doctor), pharmacist or Occupational Health Department. Children can get the vaccine from a GP.

While the vaccine itself is free of charge if you are in one of the recommended groups, doctors and pharmacists may charge a consultation fee when they give you the vaccine.

If you have a medical card or GP visit card you can get the vaccine without being charged a consultation fee.

**FOCUS ON BEECH HEDGING**

Beech Hedging is an ideal hedging plant for most situations, because of its tolerance of a wide range of soil conditions including well drained soils, soils prone to draughts and soils that can get waterlogged due to heavy down pours of rain.

Even though the beech is deciduous, when it is grown as hedging and is trimmed regularly around August/ September the brown leaves will usually be retained throughout most of the winter.

Beech also comes with a purple leaf - copper beech. Copper beech is best planted in a sunny position to keep its leaf colour where as the green retains its colour better if planted in partial shade.

If you can - it is best to plant your beech hedge bare rooted as it will probably establish that bit quicker, so you have plenty of time from now until the end of March to get planting.

## Unhealthy Relationship Patterns

Do you find yourself repeating similar patterns in different relationships or in a particular relationship over time? Perhaps you often feel lonely or jealous in your relationships. Maybe you try to earn the other person's attention by being overly nice or giving without paying heed to your own needs or desires. Do you fear rejection or being abandoned? Could it be that you choose partners who are distant and can make your feel and/or believe that you're not good enough. Do you focus so much on your partner that they feel stifled? Often these patterns can reflect our inner experiences and our beliefs about ourselves and our emotional availability to others.

Psychologist John Bowlby defined attachment as a 'lasting psychological connectedness between human beings' and attachment theory can help us to understand the ways in which we connect with others – particularly those who are emotionally significant to us. We develop our attachment style in childhood – and the way in which our parents and/or caregivers responded to us will impact on our relationships. For example, a child who believed that the only way he/she could be loved was when they were doing something for others, may grow up believing that they need to earn the attention and love of others. Adults who believe they are inadequate and unworthy of love may have learned this in their early years – which will inevitably lead to difficulties in their relationships. They may believe that the other will leave them or that they are going to disappoint the other – leading to them clinging to the relationship and/or getting jealous easily.

However, the good news is that with awareness we can discover our own attachment style and learn to cultivate healthier relationships. Some of the ways in which we can bring more awareness to our relationship patterns include the following:

1. Bring your awareness to your bodily sensations. How do you feel in your body? Being aware of this can help you to understand how you are feeling and/or thinking.
  2. What thoughts are you thinking about you/ the other? How do these thoughts impact on your feelings and emotions?
  3. Which emotions do you struggle with - how do these emotions affect your thoughts and beliefs about yourself?
  4. Are you overly self-critical? Can you show yourself some self-compassion, support and care the way you might a close friend or a small child?
  5. Learn to communicate more directly about your thoughts, feelings and needs. Once you become aware of what these are – then you can express them more fully to others.
- Next week we will focus on the importance of communication and how counselling can help us to find our own voice, and become more confident as we make ourselves known to another person.

## A Word of Victory

Welcome back dear reader "anyone who wants to serve Me must follow Me, because My servants must be where I am. And the Father will honour anyone who serves Me" (John 12:26). Servant-hood is almost a dirty word today. It holds a nasty meaning because of man's inhumanity to man, but Jesus often referred to it, in relation to Himself and those who desire to follow Him. On the negative side - some people have a servant-mentality due to mistreatment from others - where they have been so beat down that their self esteem is shattered from being abused. This is not what Jesus means when speaking of His servants. Let's look at one; Mary, the sister of Lazarus whom Jesus raised from the dead. In Luke chapter 10 Jesus visited this family who were good friends of His. Mary sat at His feet, totally focussed on Jesus and His teaching. Mary's sister Martha had no time to listen because she was distracted by preparing food for Jesus and His followers. Poor Martha gets very bad press – I'm sure we can all understand her feelings! But Jesus gently told Martha that Mary had chosen to do the right thing when she criticised her. Mary was committed to serving Jesus by worshipping Him, and abiding in His Presence. Because of this, Mary later followed the Holy Spirit's leading and anointed Jesus with the wildly expensive oil to prepare Him for His burial - before His death! (John 12:1-8) She was again judged for her sold out worship of Jesus, this time by His betrayer Judas. There is a key here friend. Mary's worship of Jesus allowed her to hear in the Spirit what His other disciples missed, and it's an encounter that God uses to honour her forever in His Word (Mark 14:1-9). After Jesus had died on the Cross they put Him into the tomb, but, because the Sabbath was approaching, they could only partly prepare His body with some spices, and quickly wrap Him in cloth before they had to go home and observe the Sabbath rest. Then, early on the morning after the Sabbath was ended, Mary Magdalene and the others came to anoint the body of Jesus properly, but it was too late - because God had raised Him from the dead and He was gone! Mary fed on the Presence of God through her attention to Jesus because He is the God of the Living - not the dead. (Luke 24:5)

## NOVENA PRAYER TO ST JOSEPH

O Saint Joseph, whose protection is so great, so strong, so prompt before the throne of God, I place in you all my interests and desires.

O Saint Joseph, assist me by your powerful intercession and obtain for me from your Divine Son all spiritual blessings through Jesus Christ, Our Lord; so that having engaged here below your heavenly power, I may offer my thanksgiving and homage to the most loving of Fathers.

O Saint Joseph, I never weary contemplating you and Jesus asleep in your arms; I dare not approach while He reposes near your heart. Press Him in my name and kiss His fine head for me, and ask Him to return the Kiss when I draw my dying breath. Amen

## ACKNOWLEDGEMENT & 1ST ANNIVERSARY

IN LOVING MEMORY OF

**MATT REDDINGTON**

SHINNAGH, RATHMORE WHOSE 1ST ANNIVERSARY OCCURS ON 14TH NOVEMBER 2019

The family of the late Matt Reddington would like to express our deepest gratitude and appreciation to all who sympathised and supported us in our sad loss. To those who attended the removal, the funeral Mass and burial, and to those who sent Mass cards and messages of condolence, we extend our heartfelt thanks.

We wish to thank most sincerely the staff of Our Lady of Lourdes Nursing Home, Kilcummin and the staff of University Hospital Kerry for the care they provided to Matt.

A sincere thanks to Fr. Pat O'Donnell who officiated at the removal and celebrated the funeral Mass, and to Joan Collins and Sheila McSweeney who provided the music. We wish to thank O'Keeffe's Funeral Directors for their thoughtful and professional handling of the funeral arrangements.

As it would be impossible to thank everyone individually, please accept this acknowledgement as a token of our gratitude and appreciation.

The Holy Sacrifice of Mass will be offered for your intentions.

VERY SADLY MISSED BY HIS SONS DONAL AND PADRAIG, DAUGHTERS-IN-LAW MARY AND DEIRDRE, GRANDCHILDREN EMILY, CAOIMHE AND LAURA.

*Bring flowers of the rarest,  
Bring blossoms the fairest,  
From garden and woodland

Our full hearts are swelling,  
Our glad voices telling  
The praise of the loveliest flower of the vale.*

*O Mary we crown thee  
with blossoms today,
