4,000 WALK IN MEMORY OF NATHAN

Over 4,000 walkers turned up on a cold and dark night to complete Nathan's Darkness into Light Walk on Saturday last May 10th.

Organised by the O'Carroll family in memory of their son Nathan, the walk which is in aid of Pieta House is a great source of pride and comfort to the family who lost their son at the tender age of 14.

All funds raised on the walk will go to Pieta House which provides help to those affected by suicide totally free of charge.

The O'Carroll family and the walk's organiser Kevin O'Donoghue would like to thank the O'Donoghue Family and their staff at the Gleneagle Hotel, all the local media for highlighting the event, to Castleisland

KILLARNEY BRAND IS PLACED UNDER THREAT

A warning has been sounded that the worldwide Killarney brand, which has taken generations to build, could be destroyed with one stroke of a pen if controversial measures under the terms of the Local Government Reform Act are forced through.

Concerns were expressed by members of the Killarney Local Government Action Group at a meeting held with Kerry TDs and senators in Killarney.

Action Group chairman Johnny McGuire said the changes proposed by Kerry County Council will remove essential services that are required for Killarney to function properly and centralising the majority of local authority services in Tralee would have a devastating impact on the county's premier tourist town.

"There seems to be no recognition whatsoever of just how important and effective the Killarney brand actually is. The whole county benefits from Killarney's success and this is putting it all at risk," he said.

The Action Group is concerned that services will diminish at a time when commercial rates will multiply and Killarney is demanding its own dedicated budget and executive as well as guarantees on litter control and landscaping policies, resort marketing, the local retention of development levies and that the town be allowed to keep its mayoral status. Killarney also wants a proposed new tourism development unit to be located in the town, as opposed to Tralee, given the importance of the industry to the area.

Senator Tom Sheahan said it made absolutely no sense to locate a tourist unit in Tralee when Killarney is recognised as the tourism capital of Ireland.

"It's a daft proposal. It's just mad and it has to be stopped," he said.

CONCERNS FOR THE FUTURE OF KILLARNEY, FOLLOWING THE IMPLEMENTATION OF THE LOCAL GOVERNMENT REFORM ACT, WERE RAISED BY THE KILLARNEY LOCAL GOVERNMENT ACTION GROUP AT A MEETING WITH KERRY MEMBERS OF THE OIREACHTAS IN THE MALTON HOTEL ON MONDAY MORNING. PICTURED ARE FRONT FROM LEFT, SENATOR PAUL COGHLAN, JOHNNY MCGUIRE (KILLARNEY CHAMBER OF TOURISM AND COMMERCE PRESIDENT) AND SENATOR MARIE MOLONEY. BACK FROM LEFT ARE MIKE O'CARROLL, DEPUTY TOM FLEMING TD, FRANK LEWIS, DEPUTY MICHAEL HEALY RAE TD, MIKE BUCKLEY, SENATOR TOM SHEAHAN, PATRICK O'DONOGHUE, JOHN O'MAHONY, SENATOR MARK DALY AND CONOR HENNIGAN. PICTURE: EAMONN KEOGH (MACMONAGLE, KILLARNEY).

The meeting was attended by two of the three Kerry South TDs and four local senators and they all pledged their full support to the campaign launched by the action group which is a sub committee of Killarney Chamber of Tourism and Commerce.

The public representatives expressed surprise that they were not consulted in advance by Kerry County Manager, Tom Curran, before the proposals were decided.

"We have regular meetings with Tom Curran and this was never mooted or discussed with us," Senator Marie Moloney complained.

"It's up to us now to go out and lobby our own people to ensure Killarney gets a fair deal," she added.

Deputy Tom Fleming said the county council executive would have to realise that Killarney is "the centre of the economy" in Kerry and he said the Oireachtas members were fully supportive of the campaign launched by the action group.

A decision was taken to raise the matter with the local authority following the local elections and to seek support at a national level for Killarney's campaign for parity.

The meeting was also addressed by Deputy Michael Healy-Rae, Senator Mark Daly and Senator Paul Coghlan who all pledged their full support as did MEP Seán Kelly.

BILLY VINCENT AWARDS FOR SECOND YEAR STUDENTS

Second year students from the three Killarney Secondary schools, Killarney Community College, St. Brigid's Secondary School and St. Brendan's College this week were the recipients of The Inaugural Billy Vincent Memorial Award.

At an Awards Ceremony, hosted by the Trustees of Muckross House, the students heard from Mr. Michael Larkin, Chairman of the Trustees of his delight at the endeavour of the students and of the value of the schools working together to improve the community in which we all live. The students were further encouraged by the words of Lord Alex Burgh, a grandnephew of Billy Vincent. He emphasised the great love that his granduncle had for Killarney, the great pride he took in having been born in Muckross. Billy firmly believed that the first thirteen years of his life in Muckross laid the foundations for his successes in adult life. Lord Burgh highlighted his belief that each of the students receiving the awards should realise that being a member of the Killarney community was a great head start in life. Vice-chairman of the Trustees, Mr. Rory D'Arcy, echoed that principle when he said that when

receiving a reward should stimulate young people to aim higher and achieve more in their lives. He congratulated the recipients on their heightened awareness of the importance of education, their greater understanding of the wonders of the natural environment, their sense of social justice and their commitment to

their community.

Though the award is in its first year, all involved see a bright and positive future for this challenge. The students from each school received a Certificate, specially commissioned for the awards which will undoubtedly richly cherished by the students of the three schools.

Killarney will host the 54th Munster Fleadh Cheoil from 14th to the 20th July this year and the event was launched this week by Comhaltas Ceoltóirí Éireann (CCE). Corporately sponsored by Kerry Group and supported by Killarney Town Council, Kerry County Council and Killarney Chamber of Commerce, the event is expected to attract over 12,000 visitors and competitors over the course of the week long schedule of competitions, dance and musical entertainment.

Speaking at the launch of the Fleadh in Killarney,

Chairman of the Organising Committee, Eoin Ó Carra paid tribute to the Fleadh sponsors and thanked them most sincerely for their generosity and support. The assistance received from Killarney's local hotels and businesses was also gratefully acknowledged, along with the tremendous hard work and commitment demonstrated by the Organising Committee (drawn up from five branches of CCE – Killarney, Kilcummin, Glenflesk, Sliabh Luachra and Fossa/Two Mile).

Officially launching the event, Frank Hayes, Director of Corporate Affairs at major sponsor Kerry Group said "Kerry Group is very pleased to be associated with this year's Munster Fleadh Cheoil and look forward to the rich and innovative programme of events which the local branches of Comhaltas Ceoltóirí Éireann have organised.

Kerry has a rich heritage of Traditional Music, Song and Dance, with links to Comhaltas Ceoltóirí Éireann dating back to 1960. There

will be competitions in music, song and dance for age groups from under-12 to senior. Other events at this year's Fleadh will include: A Lecture on "The Ancient Music of Ireland", Story Telling Evening with Batt Burns, Dance Workshop, Scoil Fionn agus Amhrán, Slide and Polka Playing Workshop, A Singers' Club at the Arbutus Hotel, Ionad na Gaeilge at St Brendan's College and concerts and céilís at the INEC, Gleneagle and Darby O'Gills. A number of free outdoor concerts and céilís will also take place throughout the festival. For further details please see www.munsterfleadh.ie

The Munster Fleadh Cheoil is organised and run by a voluntary committee and community involvement is vital to the event. The Committee thanks the civic authorities – An Garda Síochána, Killarney Town Council, The Fire Authority, and Kerry County Council for their practical help and guidance.

ACTION GROUP SURPRISED BY COUNTY MANAGER'S COMMENTS

Statement by Killarney Local Government Action Group

The Killarney Local Government Action Group is surprised and amused by comments about Killarney attributed to the outgoing Kerry County Manager at a time when the focus should be on ensuring mature and responsible debate to properly plan for the future of the county.

Killarney is a key player on the Kerry team and the town prides itself in playing its part in ensuring the county is presented at its best and that the facilities and quality on offer are second to none.

Kerry can only reach its potential through a united approach and any attempt to divide and conquer, for whatever reason, must be resisted. Killarney is happy to continue to contribute more than its share to the overall success and development of the county but we will not stand by and watch the town being stripped bare of essential services for reasons that

remain unclear.

The Killarney Local Government Action Group notes, with interest, comments made by Dr Brendan O'Keeffe, lecturer and researcher on sustainable local development in the University of Limerick, that under the European Charter of Local Self Governance, which is now a part of our constitution, Article 5 states that a plebiscite is required to abolish a local authority. This matter is currently under active investigation.

The Killarney Local Government Action Group takes great consolation from assurances received this week from the Minister for the Environment, Community and Local Government, Phil Hogan, TD, that changes implemented by the outgoing county council executive can, if necessary, be overturned by the incoming administration.

We are happy to take Minister Hogan's advice

to make representations to the eight members that will be elected to the Killarney Municipal Area on May 23 and we look forward to working closely with them going forward.

We welcome a pledge of support from the South Kerry Oireachtas members for our campaign in addition to assurances given from local elections candidates that, if elected, they will fully endorse the eight-point plan drawn up by the action group.

We very much look forward to resuming a positive Team Kerry approach when a newly appointed county manager is appointed in the coming weeks and we very much look forward to working with him or her to further develop the worldwide Killarney brand and ensure a bright and prosperous future for the entire county of Kerry.

CULLINA PUPILS VISIT CRASH SITE

A group of 6th class pupils at Cullina NS School Beaufort last week visited what remains of the engine of the Douglas C 47 plane which crashed in 1943 in the Reeks. On December 16th 1943, five airmen of the US Army Air Forces (USAAF) took off from Port Lyautey, Morocco, bound for St Mawgan in the United Kingdom. They were the first of 12 aircraft from the flight to depart. Over nine and a half hours later, 11 aircraft had reached England. One aircraft, was however missing. The end of one page of an official USAAF report, dated 10 January 1944, ends with the following statement: 7. As there were no contacts made after take-off, and the route to be flown was entirely over water, it is assumed #0719 went down in the water somewhere between Port Lyautey and St. Mawgan. A search of the route would have been futile because of the distance to be covered, and hazardous because of danger of encountering enemy patrols during day-light. Search for the aircraft in question was officially abandoned on 29 December 1943. And so things remained until 3rd February

STUDENTS FROM CULLINA NATIONAL SCHOOL VISITS THE SITE OF THE 1944 AIR CRASH.

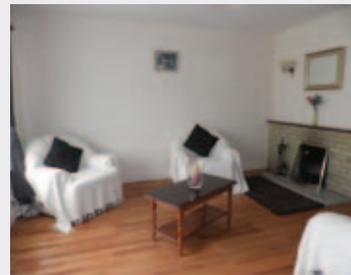

1944, when a local farmer from the Meallis area of Kerry reported to Gardai, that he had found human remains on the mountains. A search was immediately mounted and a team of military drawn from the 15th Infantry Battalion went up the mountain and found the sad remains of an aircraft and five men. From papers found on the bodies and among the wreckage, five names were identified and these were reported back to the Army superiors. These in turn then were reported to the US legation in Dublin who immediately wired the information to the USAAF. The remains had

been found on the towering heights above Lough Cummeenapeasta on the slopes of Knocknapeasta Mountain. The mens remains were first recovered from the mountain by men from the 15th battalion. The men were coffined in a outhouse belonging to a Mr. Cronin from Meallis. They were buried with Catholic and Protestant rites on February 5th, 1944 in the new Cemetery in Killarney. In June 1944 they were moved to permanent burial in the Cambridge American War Cemetery in England.

FUN FOR ALL AT THE SPA GAA BLITZ

Schools from the Killarney area attended the annual Spa GAA Club fourth class blitz. The Fun blitz was a great success and spectators on the day were treated to some great matches and wonderful skills from both the boys and girls.

Schools taking part included St Olivers, Holy Cross Mercy, The Monastery, Tiernaboul, Lissivigeen, Loughquittane, Loreto and Gaelscoil Faithleann. According to Spa GAA Club, the smooth running of the event depends a lot on the willingness of the schools to participate and Spa GAA greatly appreciates the efforts of school principals and teachers. "We would like to thank all school members who were present on the day for helping in making the day a success" said Anne Holland, Spa GAA Club PRO. On the day transition year students were present to referee the games and did so in a professional manner. Each child received a certificate of participation and a bag of goodies. The club would also like to thank James Devane, Schools officer for organising

BEAUFORT BEEKEEPERS OPEN THEIR HIVES

Beaufort Beekeepers Association opened one of their members hives for inspection last Sunday afternoon and shared their invaluable knowledge with a group of newer members which included the youngest, Daithi, who is just 9. Despite the weather being on the chilly side, the smoker was lit and the inspections began. Education officer John Tuddy Clifford demonstrated what to look for in a colony and showed new members typical brood frame with brood at different stages and pollen, nectar or honey in the upper corners of the frame.

Going through various frames, the group saw emerging drones and bees, emergency queen cells and were able to identify the queen (with the help of colour markings).

Treasurer of the group Dan O'Sullivan Tuddy proceeded to split a hive and make a 'Nuc'. The newer members became accustomed to being in the presence of 1000's of bees, the constant hum, bees hitting off the outside of the suit and dealing with one or 2 intruders. New members were delighted with the experience of observing the experts in action and had a fantastic hands-on experience.

BEAUFORT BEEKEEPERS.

Popular Killarney Outlook photographer Marie Carroll-O'Sullivan was busy snapping punters at Killarney Races on Tuesday night last when her one-of-a-kind umbrella disappeared. Marie who owns The Little Memory Gallery had her personalised umbrella specially made featuring a picture of her daughter Rhea with Maire's late dad Pat, who passed away recently. If you come across it - just drop it into the Killarney Outlook office on High Street - she would be delighted to get it back!

GREAT TURNOUT FOR MUCKROSS ROWING CLUB BARBEQUE

Muckross Rowing club hosted a Family Barbeque on Sunday last with over 200 people showing up on the day. The event was held at Muckross Park Hotel who sponsored the day and all proceeds raised from the barbeque tickets will go towards Muckross Rowing Club. "We couldn't have asked for a better day and a great afternoon out was enjoyed by one and all. We are indebted to the Muckross Park Hotel for their generous sponsorship of the event. It is a fantastic boost to the club's fundraising efforts as we aim to raise enough money for the purchase of a new racing boat for junior members this year", said Tim O'Shea, PRO of the club.

BBQ goers enjoyed a buffet barbeque and dessert in the spectacular hotel setting, centered in the atrium and gardens outside. Bouncing castles and face painting ensured the youngest in attendance had a memorable day out while the adult contingent savoured a relaxing gathering in the sunshine, with the best of food and company. The club would like to thank everyone who came on the day and supported the club with a ticket purchase.

FUNDRAISER LAUNCH

Sunday's barbeque was also the launch day for the club's newest and next big fundraiser, the Muckross RC Summer Prize Draw. On Sunday 13 July, the draw will be held as the Irish Rowing Championships bring the club's formal racing season to a close. There will be ten cash prizes raffled with a total prize fund of €5,000. The top prize will be €2,000 and nine other prizes ranging from €100 to €1,000 will also be given away in the raffle. Each ticket for the draw is uniquely priced to the cent, ranging from just 1 cent up to 20 euro and every cent in between. Each ticket is in a sealed envelope and the price is blind - it is a game of chance.

Tickets sellers from the club will offer a random selection of envelopes. Buy an envelope and open to reveal your ticket price. You pay the ticket price revealed and write your name on the ticket. All tickets purchased will then be entered in the July draw. All tickets purchased will have an equal chance to win one of the ten great cash prizes. So if your luck is in, you could enter the draw for as little as 1 cent. Draw tickets are available from committee members and can be purchased now through

FACE PAINTING AT THE MUCKROSS BARBEQUE ON SUNDAY.

all adult club members. There are ten great cash prizes on offer, so take a chance on the price for guaranteed entry to the draw. Tickets for the draw can be purchased through adult members of the rowing club.

GARDENING OUTLOOK

with **John O'Sullivan**

FOCUS ON SUMMER BEDDING

Filling window boxes and containers

Again there is a large range of different types of window boxes and containers. The most popular ones are the plastic. If it's a plastic window box that you have the first thing you must do is sort out the drainage.

Turn the window box upside down and you will see holes marked out. You can either use a screw driver or a drill to punch out these holes. Turn the box back up and put some small stones or polystyrene around the holes. Fill the box with compost and a slow release fertiliser to about half an inch from the top of the box and firm in compost. When choosing the plants for the window box make sure that the taller plants are at the back trailing plants towards the front and medium sized plants for fillers inbetween.

A good example for tall plants at the back of the box would be upright geraniums or upright fuchsias. Good trailing plants for the front of the box would be trailing geraniums or trailing petunias. Other examples of good trailing plants for fillers would be trailing lobelia, bacopa and bidens.

When you box is planted, water in plants well and don't put into position for a few days.

Remember that all window sills slope so when your trailing plants start to grow you will need something to hold you box in position.

Know Your Rights:

SERVING ON A JURY

QUESTION

I've recently been called for jury service and I'd be happy to do it, but I'm not sure who can serve on a jury. At the age of 65 am I too old?

ANSWER

There is no upper age limit for eligibility for jury service, but at age 65 or over you can be excused as of right if you do not wish to serve.

There are several other categories of people who can be excused as of right, including members of the Dáil and Seanad, ministers of religion, doctors, nurses, midwives, teachers etc. You can also be excused as of right if you have served on a jury within the last three years or have been excused by a judge at the end of a previous period of jury service.

It is an offence to fail to attend for jury service without reasonable excuse.

Every Irish or British citizen in Ireland who is aged 18 or over and who is on the Register of Dáil Electors is eligible to serve on a jury, except for:

- People who are involved in any way with the administration of justice and
- People who are unable to read or who have a long-term impairment so that it is not practicable for them to serve on a jury.

You cannot serve on a jury if:

- You are not an Irish or British citizen
- You have been convicted of a serious offence in Ireland
- You have ever been sentenced to five years or more in prison or
- Within the last ten years, you have been sentenced to three months in prison.

GEARING UP FOR THE RING OF KERRY CYCLE

(By Cora Carrigg, Kerry Recreation and Sports Partnership)

WEEK 5 – Week Beginning May 12th – Basic Skills

Another 90km in the week completed, if not more.... Did you ever imagine 5 weeks ago that you would be cycling 90km in a week?... Congratulations!!!

The focus of this week's column is some basic bike skills that should be acquired and mastered, which will help you to feel more confident with your bike.

Looking Behind - Practice looking over each shoulder until this can be done without wobbling. This skill should really become second nature to you.

Hand Signals – Practice giving these signals without wobbling or losing control. It is critical to signal when slowing down, stopping or turning left or right, so that drivers and other cyclists are made aware of your intentions.

Left Turn – extend left arm straight out in the direction of the turn.

Right Turn – extend right arm straight out in the direction of the turn.

Stopping/Braking Signal – extend your right arm directly out to the right horizontally with palm facing down and slowly wave the extended arm up and down. Very many cyclists also call "braking" or "stopping" when doing this, especially if cycling as part of a group where not all participants can see your hand signal.

Braking – Practice using the brakes, both together and separately. Be aware of the different braking styles needed in different situations, e.g. in wet weather, avoid using the back brake only, as this will cause a skid.

Changing Gears – Over time one should become familiar with the gear changes. It should become an automatic reaction to change down quickly through the gears before stopping, as this will allow you to move quickly on restart.

Water Bottle Pick Up – It is important to be able to drink while cycling, rather than lose momentum by stopping the bike to drink, especially on a 180km trip! Spend time getting comfortable taking one hand off the bars while shifting your other hand closer to the centre of the handle bars. Next make sure you have enough speed so that you can coast as you reach closer to the bottle. Your leg closest to the hand with which you reach for the bottle should be fully extended while you reach downwards. Try to keep the motion smooth, as a jerking action, may well cause you to miss the bottle and affect your control of the bike. So master the skill of reaching downwards towards the bottle.

This week's cycle training programme, according to the Ring of Kerry Cycle Training programme is below. A total of 100km to be ridden... you know you can do it... and if you can do more mileage fair play dhuit!

Week	Sat	Sun	Mon	Tues	Wed	Thu	Fri
Total	5	30k	30k	Rest	20k	Rest	20k
	Rest	100km					

Happy & Safe Cycling & ENJOY!!

KILLARNEY / CASTLEISLAND

My name is Niall Kelleher and I am seeking your support in the Local Elections on May 23rd.

Born and reared in Rathmore, I now reside with my family in Barraduff. At 28 and the eldest of four children, I am from a generation that has been devastated by unemployment and emigration. As a businessman, I'm a proud employer in Rathmore, along with my brother in Connie K's Bar; and as Managing Director of Tangerine Management, which was established in 2012 in Killarney.

As a passionate believer in community activity, I've been involved in the Tidy Towns and have previously served as Chairman of Rathmore Community Council and as Secretary of the Rathmore Community Alert Association.

As a proud father of one son, I'm passionate about education, training and job creation.

I've worked hard to establish a CoderDojo club in Killarney, worked alongside Irish American Technology Entrepreneur Sean O'Sullivan to run the SELR8R programme (helping 18 new businesses grow and create jobs); and am currently working to create employment opportunities for the long-term unemployed in Kerry, with the Momentum Programme.

Our Community and our County of Kerry needs new initiatives to help create an environment where jobs can be created and we can live with confidence, pride and dignity in our homes. I am a young candidate with new ideas and a track record of getting things done. I am very much aware of the issues facing people today. If elected to Kerry County Council I will work tirelessly for the

"I will be a strong local voice on issues that actually matter."

betterment of our community. I will be a strong local voice on issues that actually matter.

You deserve a local representative who will use their skills and experience, to help tackle the biggest challenges that we all face as a society. I would appreciate your No 1 VOTE on May 23 or, if already committed, your highest preference.

HARD WORK – EXPERIENCE - COMMON SENSE

**Your Vote
Will Count**

I have been representing the people of the Killarney electoral area since 2003 from Loo Bridge to Castleisland, from Listry to Rathmore and Gneeveguilla and all the areas in-between, and I have been very proud and privileged to do so.

I have been on the campaign trail now for over 6 months and I want to thank each and every one of you sincerely for the warm welcome and support you have shown to me. It has been a pleasure to meet you and I hope to continue to represent you as I have done over the last 11 years.

*I am now asking you, the people of the Killarney electoral area, for your **No.1 Vote** on the 23rd May. I feel as an independent candidate, with my experience, the help of my brother, Michael Healy-Rae TD and my son Johnny Healy-Rae, a fellow councillor, we offer a strong, hardworking and a common sense approach to the people we represent.*

Dear Voter,

Please don't believe that I have a safe seat, the only vote that counts is the vote that you put into the ballot box on the 23rd of May, a seat is only safe when you are sitting on it in Kerry County Council and representing the people that elected you.

Rise out on the 23rd of May and Vote No.1 Danny Healy-Rae

When you needed me I answered your call, now I am calling on you to give me the opportunity to continue to represent you into the future.

A Personal Message from Niall 'Botty' O'Callaghan

It has been an honour and a privilege to serve you for the past 10 years on Killarney Town Council. I am very disappointed with the abolition of our Town Council, I now believe that it is vitally important to have a strong hard working and experienced councillor to represent Killarney Town on Kerry County Council. I believe that councillor is Danny Healy-Rae and I am fully supporting his campaign to be elected.

Niall 'Botty' O'Callaghan

VOTE NO 1 DANNY HEALY RAE FOR COMMON SENSE, EXPERIENCE AND HARD WORK

Dear Voter,

Firstly, may I take this opportunity of thanking you for your continued support.

On May 23rd you will have the opportunity to choose who you want to represent you on The New Municipal District Council.

With 15 Years experience in local politics and a lifetime of involvement in community, sporting and voluntary organisations I am a dedicated and tenacious public representative.

Now more than ever, the Killarney Electoral Area needs a committed advocate for local people and the services and facilities you need and deserve. I am a tireless campaigner for fairness and equality and I am a committed voice for hard working families, those on the margins, and a strong advocate for local services and facilities.

I am YOUR local representative and candidate. I know the issues that affect our community. I live here and know what a wonderful place our area is. With the new changes in the local Government system it is vital that you support me to continue and maintain the high standards that we have become accustomed to in Killarney and its surrounding areas. By supporting me with your **No. 1** Vote I will endeavour to make this happen.

My Commitments:

- To carry out the agreed Refurbished of The Arus Padraig.
- That the land transferred on the Pretty Polly site to Killarney Technology Innovation Centre will be developed to create employment.
- That the planned enhancement to our streetscape as identified and agreed by Killarney Town Council will be brought to fruition.

I made a Commitment when running in this election that **"I WOULD NOT POSTER"** I Have Kept This Commitment for the good of our Environment, Tidy Towns and Road Safety.

My Priorities Have Always Been And Will Continue To Be:

- Employment – Industry/Tourism, Housing, Education, Health, Infrastructure & Local Services.

The Universal Social Charge introduced by FF/Greens & Independents of the last Government continues to damage the income of the citizens of this State.

I Have Called And Will Continue To Call For Its Abolition.

Thank you for the time and courtesy you have shown to me and my canvassing team over the past few weeks.

I ask you to please give me, **SEAN COUNIHAN** your **No. 1** vote on May 23rd.

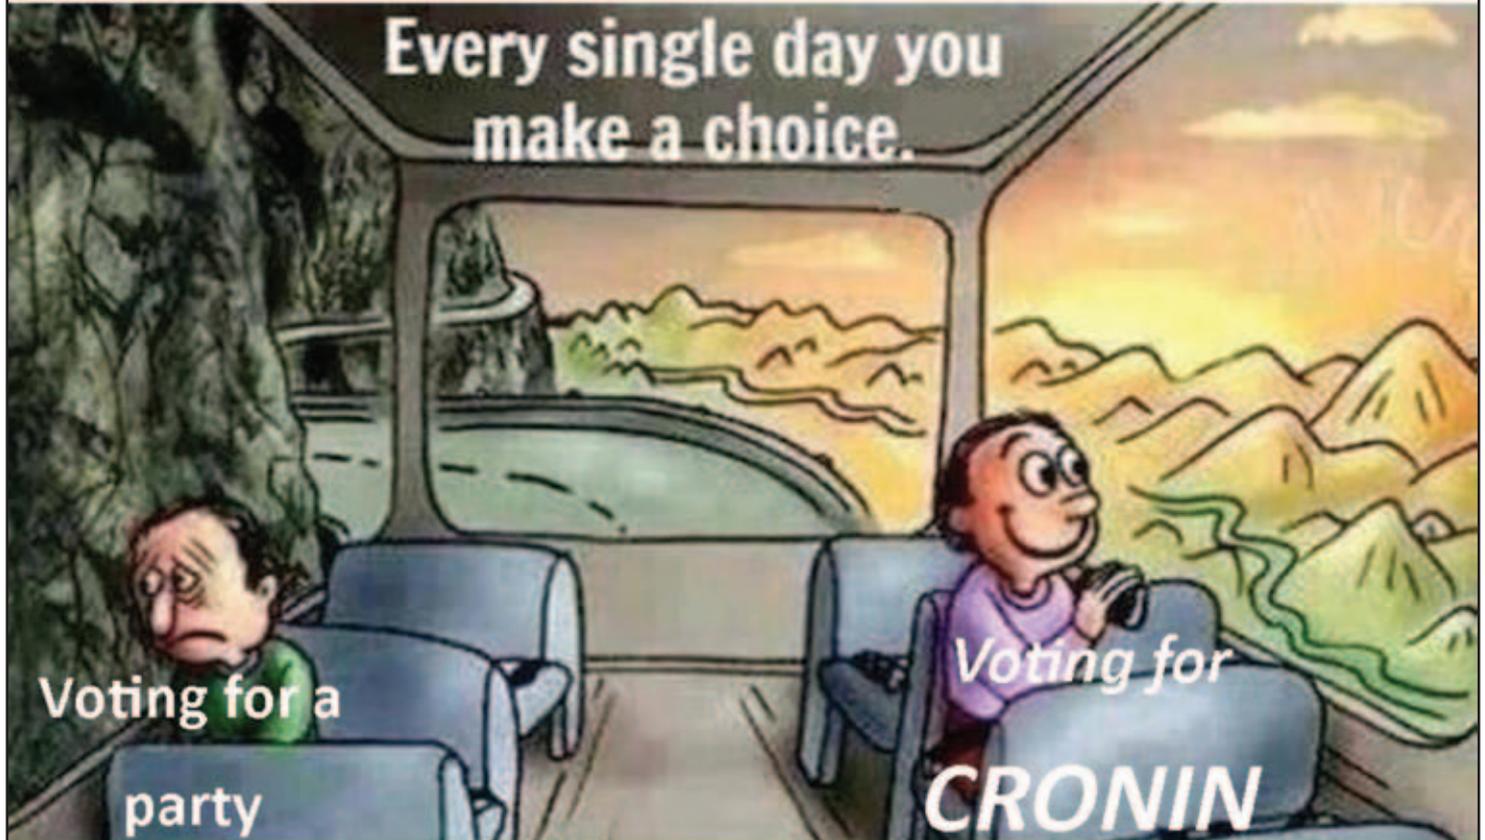

Honesty, Integrity, Fair Representation for all.

NEW COLLECTIVE BARGAINING LAW APPROVED

STATEMENT BY SENATOR MARIE MOLONEY

Senator Marie Moloney welcomed today's announcement the Cabinet has approved a new law to support the right of workers to participate in collective bargaining with their employers. It will also provide protection against victimisation for those seeking to exercise their rights under the measure, as well as restricting attempts by employers to incentivise people against using collective bargaining.

"The European Court of Human Rights and the International Labour Organisation recognises the right to collective bargaining as a human right. Ireland needs this law to protect workers, some who have been subject to very worrying employment terms such as zero hours contracts and a whole range of other detrimental practices.

"This new law will provide for a right to collective bargaining and will set out a means

by which workers, through their trade unions, may obtain a binding decision from the Labour Court providing for improvements to their pay or terms of employment if the employer refuses recognition.

"As a Senator, I will support the enactment of this law through the Houses of the Oireachtas, the sooner this law is in place the better."

KILCUMMIN SEWERAGE SCHEME FINALLY GETS GREEN LIGHT

Labour Senator Marie Moloney has welcomed the announcement by the Minister for the Environment, Phil Hogan T.D., that funding of €1.3m has been approved towards the construction of the Kilcummin sewerage scheme.

"Having campaigned tirelessly since my election on this issue, I am thrilled that the green light has been given to proceed with the works on the Kilcummin sewerage scheme. This news has been long awaited by the people of Kilcummin and I am so pleased that my persistence on behalf of the local community has finally paid off."

"The provision of the scheme will solve a lot of problems in areas such as the unfinished Mountain View Estate, Pairc Cumín and Our Lady of Lourdes care facility where jobs were under threat. The impact of discharges from Kilcummin was also affecting the local environment and Lough Leane and this

can now be stopped. The completion of the scheme will also allow for Kerry County Council to then complete road resurfacing works in Kilcummin."

Back in February 2013 Minister Phil Hogan commented: "Senator Moloney has made many representations to me regarding this scheme. I am conscious of the impacts that the discharges from Kilcummin are having on the local environment and on Lough Leane. I am keen to have these issues resolved and I hope the discussions which will take place between the Department and Kerry County Council will resolve the issue to the benefit of Kilcummin community and I hope, as Senator Moloney has advocated, the scheme will proceed."

Senator Moloney comments: "Having worked so hard to secure the funding, I will now ensure that the works are completed as soon as possible and that no more delays will be allowed in this saga."

MEDICAL CARDS CONCERNS

Cllr Tom Doherty claims a review of medical cards for citizens with long term disabilities and illness are causing undue hardship and pressure on families.

A disability dose not disappear when the expiry date for a medical card is up. A more streamline process should be put in place to support the continuous daily needs of individuals. Medication along with occupational therapy, Physiotherapy, language and speech therapy is an ongoing process that cannot afford to take a break. This automatic culling of medical cards defies the individual their right to dignity and independence. I am calling on the Minister for Health to ensure equal advocacy for those members of our society whose voice is not always heard.

WHY SHOULD PEOPLE VOTE FOR ME ON THE 23RD MAY?

STATEMENT BY BRIAN MCCARTHY

I Care. It's my wonderful job as a Home Help and Community Cares Volunteer. I believe that We, the people of Kerry, can change the political system we are currently subjected to.

I believe we can live in a better society.

I am pro-change.

I wish to end the despondency engendered by the current political system, which is suffocating and crippling our communities.

Empowering ourselves by being courageous towards change and finding sustainable and more economic solutions which is our political duty and our democratic right.

Why Vote?

To change the status quo, we must participate in the process and vote!

What is missing from the political system, as shown in recent times, is the Independent Voice of the Irish

People through elected individuals who would understand their remit in respect of democracy and political responsibility.

Your Vote IS Your Voice.

We still have Freedom of Choice – This is a gift from our forefathers and one for which our Freedom was hard fought and hard won. You can change the way we are governed and engage in real democracy.

Incentive to vote

By Voting, you are engaging in your Freedom, embracing your Democratic Right & opting for essential Change.

We do not have to leave ourselves open to the brunt of austerity, to the infliction of cuts in public and social services.

As a Killarney Native & father of two teenagers I want the very best for our community ensuring there is employment plus adequate sports & recreational facilities. I work with An Post & meet many people on a daily basis making me aware of local issues & concerns which motivated me to seek election. I have a track record of over 30 years of community activism, working with organisations & state bodies giving me an understanding how to resolve issues & assist people in sorting their problems.

Community services are starved of funds though 80% of property tax was to be returned to local govt. this hasn't been done to date instead it was wasted on Irish Water!! The same Minister Hogan promised real local Govt. reform by transferring extra powers to local municipal councils(the only thing he has delivered on so far is removal of Town Council).

- If elected I promise to work tirelessly to deliver important projects to our town ensuring Rates collected in Killarney are spent properly & transparently in Killarney Area
- Development levies accrued in Killarney are retained for greater Killarney area
- Retention of litter control & landscape services & Tourism Centre & marketing strategy
- Reverse the decision by HSE to taken 2nd Ambulance from Killarney
- Adequate funding allocated to mental health awareness & counselling services
- Lobby to have Kerry prioritised in state Fibre Broadband roll out
- Removal of Toxins & chemicals from Kerry Water supplies

SEM STUDENTS ON A TRIP OF A LIFETIME

Eight Transition Year students from St Brendan's College have just returned home from an amazing 2 week Cultural Trip to Shanghai. The students and their teacher, Marian O'Gorman stayed in campus in Shanghai University. Here is what they had to say about their trip:

Aidan Kelly "Our mornings were filled with lectures on Chinese culture, the Chinese economy, Chinese history, links between Ireland & China and of course Chinese language. We also learned how to do Taiji and calligraphy. I found these lessons to be most interesting. They gave us a huge appreciation of China and its people".

Fearghal O'Donoghue said "there were many

highlights to the trip but in particular for me it was the 2 day trip we were taken on to the ancient cities of Suzhou and Hangzhou. When there we visited an amazing, very elaborate cultural Chinese garden and saw the beautiful old Chinese architecture. We were also taken to a silk factory and shown the silk making process from the silk worm to the finished garment".

Mike Pearce said "I really loved the markets in Shanghai and enjoyed the haggling. We ended up with very heavy cases on the way home".

Oissine Moore "The hospitality from the Chinese people was exceptional. They were always welcoming and helpful and extremely

polite."

Darragh O' Doherty said "It was the best 2 weeks of my life. It was an unbelievable experience. It exceeded all our expectations."

Ben O' Rourke "we were treated royally. We experienced 5 * treatment everywhere we went. We were brought to an incredible Acrobatic show, sightseeing trips, lake trips and of course we became regulars in downtown Shanghai. I must commend and thank the Confucius Institute on their fantastic planning and organisation of this trip. Without them we would never have experienced this amazing, Chinese adventure. We will never forget it."

WITH DONAL KELLY

RENTOKIL INITIAL WELLY SUCCESS: Last week in Glenflesk was all about the Welly Run. On Sunday May 11th more than 3,000 people from the four corners of Ireland and beyond converged on the INEC to walk a kilometre in wellington boots and establish a new world record!

THANK YOU: Glenflesk GAA would like to sincerely thank all those who turned up to support this event and who made this record possible. We are grateful too for your patience on the day as we went through the strict procedures laid down to ensure that this record will be recognised by the Guinness Book of Records. It will take approximately eight weeks to have the record officially ratified.

SUPER COMMITTEE: Great credit is due to the five members of the organising committee; Cathy Somers, Danielle Favier, John O'Donoghue, Derry Healy and Paud O'Donoghue. They conceived this unique event and put a phenomenal amount of work into making it happen. Thanks also to all the members of Glenflesk GAA club who volunteered in such numbers for all sorts of tasks over the last number of weeks and on the day itself.

GAA CLUBS: Glenflesk GAA is hugely appreciative of the support received from all the other clubs in East Kerry, the East Kerry Board and clubs from around the county. A special mention to Gneevguilla GAA club who provided many of the stewards for the event.

SPONSORS: After the event Paud O'Donoghue, of the organising committee, thanked the event's main sponsors. He also thanked Niall "Botty" O'Callaghan and Truly Diverse for entertaining the crowds and Nathan Carter, Bishop Ray Browne, Liam O'Connor, Gillian

O'Sullivan and all the other dignitaries who donned their wellies.

SCRUTINEERS: World records don't come easy and require independent verification and lots of video evidence! Thanks to Brian O'Connor (of O'Connor O'Shea Solicitors) and his team for making sure that everything was done in accordance with the rules.

APRÈS WELLY: On Sunday evening Glenflesk GAA club members attended a special celebration in Molly Darcy's, the club's main sponsor, where they enjoyed an evening of fine food and music. On the night Sean O'Driscoll, general manager, heartily congratulated the club on its achievement, saying said that Molly Darcy's was delighted to be associated with such a vibrant and successful organisation.

COMMUNITY SPIRIT: A recurring theme of all the post-walk discussion was the strength of community spirit that exists across the whole parish of Glenflesk. While the GAA club conceived and drove this idea, it would not have happened without the support of all the other organisations in the parish and without the support of the people who live here. The unqualified support that this event received shows the pride of place that people in Glenflesk have and their willingness to work for and with each other. Long may it continue.

COUNTY LEAGUE DIV 3: In the midst of the Welly Walk excitement the Glenflesk senior team, sponsored by Molly Darcy's, had a good away victory against Keel on Saturday May 10th, on a scoreline of Keel 0-10 Glenflesk 0-11. Glenflesk had the better of the opening half and led by 0-7 to 0-4 at half-time. They added three further points early in the second half to extend the lead to six points before Keel enjoyed a period of dominance, scoring

five unanswered points to reduce the margin to a single point. However, a point from Lee O'Donoghue stretched the margin to two points again, and this was enough to secure victory despite another late Keel score.

SENIOR FIXTURE: The Glenflesk senior team are due to play the next round of the county league against Lispolo on Saturday May 17th at 7pm in Glenflesk.

GLENFLESK U12S: The Glenflesk U-12s entertained Fossa in Glenflesk on Sunday May 18th. The first team won on a scoreline of 7-14 to 4-8, while the second team drew their game, 5-6 apiece.

GAA: We had high hopes of gaining a further two points in this Co League game against Waterville but in the end we had to accept that the visitor's superior strength and experience in the tricky conditions was too much for this young team. The lads will be disappointed that having drawn level early in the second half they couldn't kick on and finish it off. Jamie O'Sullivan had kicked two lovely points in the first half and added to Jer Sheehan's free we trailed by 5 points at the break having played against a strong wind. It could have been closer but for a fine save by the Waterville goalie just before half time. Kevin McCarthy was introduced at half time and he had an immediate effect as

he scored a goal and a point to help us draw level but a black card on the 12th min ended his involvement for the cause. Points by Kieran Murphy and Jamie O'Sullivan kept hopes alive but despite a determined effort towards the end we failed to get the goal that would have clinched it. Final Score Kilcummin 1-8 Waterville 0-13. Next game V Dr Crokes in Lewis Rd on next Saturday at 7pm.

Fossa started poorly and were 5 points adrift after 15 minutes 1-02 to no score, but by half time they had got back on level terms 2-04 apiece, the Fossa goals coming from John Talbot and Eamon Murphy. SPA NEWS

COISTE NA NOG:

SPA 6-12 LAUNE RANGERS 4-08

Spa U14s played a very strong Laune Rangers B team away last Wednesday night in the Semi Final of the county. The game ebbed and flowed from the off with the lead changing a number of times. Finally Spa got to grips with the game with midfielders Cian Murphy and Michael Kearney coming to the fore. Ryan Kelliher and target man Adam Kelly crashed home some great goals giving Spa the better of the exchanges to go in by a 5 point margin at half time. Some great goal keeping by Oliver Cremin and defending by Allen O'Sullivan and Callum Hennessy kept Rangers at bay, further hard running and covering work by Sean O'Sullivan kept Spa on the attack. Eventually a terrific goal by Tomas Cronin finished the game as a contest with Spa running out 6.12 to 4.08 . Spa play neighbours Dr Crokes in the final next Wed at a venue to be decided.

TEAM: Oliver Cremin, Ian O'Connell, David Bartlett, Conor Brosnan, Daniel O'Sullivan, Liam Spillane, Allen O'Sullivan, Michael Kearney, Ciam Murphy, Tomas Cronin, Ryan Kelliher, Callum Hennessy, Dara Lawlor, Adam Kelly, Connie Cremin , Sean O'Sullivan.

U14 GIRLS: SPA 3-7 MOYVANE 2-2

U12 GIRLS: Next game away to Dingle at 6.30 Friday May 16th

INTERMEDIATE CHAMPIONSHIP

SPA 1-14. LISTOWEL EMMETS 1-14

Both teams will feel they could have won or lost this game. Spa got off to a great start with scores from Shane Cronin, Liam Kearney, Craig Hickey and Mike Stam O'Donoghue. A goal by Ryan O'Carroll before half time left Spa leading 1-08 to 0-02 at the interval. Listowel staged a comeback but the Spa lads dug deep and got a vital score to force extra time. Extra time was a roller-coaster of ups and downs for both sides. Jamie Spillane, Shane Cronin and Mike O'Donoghue all contributed with well taken scores. However, it was a final forty five yard kick by Andrew Garnett that secured a well deserved replay. The management are extremely pleased with the effort of the players and their attitudes. They never gave up and battled to the bitter end. Well done to the whole panel.

RECIPES OF THE WEEK

SALAD OF NEW POTATOES & SMOKED SALMON WITH A DILL & MUSTARD DRESSING

A great idea for an 'all in one' lunch

Serves 4

INGREDIENTS

- 750g/1½ lbs small new potatoes, cooked and chilled (you could also use leftover potatoes for this)
- 225g/6oz smoked salmon, cut into thin strips

Dressing

- 2 tsp. muscovado sugar (if you can't get muscovado, use a good quality dark brown sugar)
- 1 tsp. fresh lemon juice
- 2 tsp. Dijon mustard
- 1 tsp. olive oil
- 1 heaped tbsp. mayonnaise
- 2 heaped tbsp. finely chopped fresh dill (or 4

tsp. of dried dill)

- Seasalt and freshly ground black pepper

TO COOK

Cooking time 15 mins

PREPARATION TIME

10 Minutes

METHOD

Whisk the muscovado sugar and lemon juice together until the sugar has dissolved. Add the mustard, oil and mayonnaise, whisking all the time.

Finally, add the fresh dill, season with a pinch of seasalt and freshly ground pepper. Whisk again. This sauce is meant to be fairly runny. If you find it too runny, add a little more mayonnaise. (If you have a blender, put all the ingredients in and whizz for one minute!)

This sauce can be kept for a week in the fridge and actually tastes even better a day old, as it allows the dill to penetrate the sauce even more.

MERRINGUE WITH SUMMER FRUIT

Serves 10

INGREDIENTS

Chocolate Pots

- 8 egg whites
- 500g caster sugar
- 1 teasp. white wine vinegar
- 1 teasp. vanilla extract.

SUMMER FRUITS

- 400g strawberries
- 200g raspberries
- 200g blueberries

- 250g caster sugar
- Juice of 1 lemon

CREAM FILLING

- 500g mascarpone cheese

- 250g Compsey Greek-style yoghurt
- Grated rind of one lemon

TO COOK

METHOD

For the meringues Set the oven to 100°C and line 2 baking sheets with parchment. Combine the egg whites, sugar, vinegar and vanilla extract. In the electric mixer, with the whisk attachment, beat the whites into stiff shiny peaks. Using a piping bag, pipe mounds of meringue 7cm in diameter and 7 cm high onto the baking sheets. Bake for about 2 hours. Cool to room temperature.

Summer Fruits Prepare the fruit and add half the berries to a medium saucepan, add the sugar and lemon juice and simmer gently for 5 minutes. Process the fruit mixture. Set aside.

CHRISTY O'LEARY, EAST KERRY COISTE NA NÓG OFFICER PRESENTING THE U16 CHAMPIONSHIP TROPHY TO CAPTAIN OF FIRIES TEAM.

LEGION GAA CLUB

LADIES FOOTBALL: The girls have been busy at all age groups over the past week with the u-7 and u-8 teams having their first match of the season at home to Austin Stacks. It was a highly entertaining game with many stars of the future clear to be seen. The u-14 side put up a great performance in Beaufort against Austin Stacks also and at halftime the sides were level at 2-02 v 2-02 but a huge effort in the second half by the defence saw them keeping their Tralee opponents to a single point whilst the midfield and forwards gained the upperhand to finish victorious on a scoreline of 5-07 v 2-03. The u-16 side travelled to Glenflesk last Thursday evening and continued their good run with a solid performance against the local side. Leading by 6 points at the interval, they maintained the momentum in the second half to run out 5-13 v 3-02 winners.

The u-12 team had no competitive game last week but entertained Kilcummin in a challenge.

PLACEKICKING CHAMPION: Well done to James O'Donoghue on winning the inaugural place kicking competition at the Killarney races last Sunday, he beat off competition from local clubs and jockeys alike to claim a fine first prize of €3000 euro for the club, kicking an impressive 5 points in 90 seconds from 45metres distance.

KERRY GAA NIGHT OF CHAMPIONS:

Friday 6 June is a date for the diary of greyhound racing enthusiasts as Kerry gaa are hosting a Night Of Champions at the Tralee Greyhound track. Tickets are ten euro which includes a free entry into the Kerry Gaa Car raffle draw in December and can be obtained from secretary Barry Slattery.

SENIOR COUNTY LEAGUE: Last Saturday evening at a wet and blustery Derreen, we hosted Laune Rangers in Round 4 of the county league and whilst the game may not have been our best performance, we still came

away with the win to maintain our 100% record in this competition so far this year. James O' Donoghue and David O'Sullivan shared 7 points between them with the back in form Kieran Slattery raising two white flags and the Keane brothers and Thomas Moriarty scoring a point apiece enroute to a 0-12 v 0-10 victory.

ALL IRELAND SOCCER CHAMPIONS:

Congratulations to "The Sem" who won the All Ireland minor soccer final last week when they beat Templeogue college Dublin in the final. Our own Cian Gammell, Thando Dube, Robert Osbourne and Luke O'Donoghue all featured for this team.

HOLY COMMUNION: Congratulations to all the local boys and girls who made their First Holy Communion last week

U12 COUNTY LEAGUE: Our two u12 teams made the long trip to Gallarus last Sunday evening but the journey was worthwhile with both the Green team and the White team emerging victorious, on a 3-07 v 1-07 and 5-08 v 5-07 scoreline respectively.

U14 COUNTY LEAGUE: Our u14 side travelled to Tralee last Wednesday to face Austin Stacks in the County league semi final. This was the same pairings as met in the recent Feile semi final and unfortunately it was also the same result with the Tralee side proving too strong on the night

RIP PADRAIG O MEARA: The club was saddened to hear of the death of former player Padraig O Meara, originally of O Mearas pub in High St., Padraig, brother of club stalwart Donie, won an O Donoghue cup medal with Legion in 1967. Although living in Sligo for the last 30 years, he always kept a keen interest in Legion club affairs. Sincere sympathy to his wife and family from all at the club. Ar Dheis De go raibh a Anam.

The club also extends its condolences to the family of Hugh O'Brien who passed away at the weekend.

FIXTURES: Senior County League: Home vs. Kilcummin, Saturday 17th May, 7pm. Junior League: Away vs. Renard, Friday 16th May, 7pm. Junior County League: Home vs. Laune Rangers, Sunday 18th May, 2pm. U14 Girls League: Home vs. Glenflesk, Sunday 18th May, 5pm. Please support.

RESULTS: Senior Hurling League: Dr. Crokes 2-07, Kilmoyley 2-17. Junior County League: Dr. Crokes 2-09, Tousist 2-09. Senior Ladies League: Dr. Crokes 4-12, Kilcummin 3-09. U14 Co. League. SF: Dr. Crokes 5-11, Austin Stacks 1-05.

SENIOR HURLING: We hosted Kilmoyley at home on Wednesday last. This was a game we could have won. We got off to a great start, pushing to a 4 point lead but this was short-lived when Kilmoyley won several score-able frees. Patrick Landers was on the edge of the square to score an important goal to go in only 2 points down at half-time. We pressed hard in the second half, Jack Lenihan scoring a goal from a 21 yard free rebound. Some strong defending from Kevin Landers, Seanie Morris & Rory Waters made it difficult for Kilmoyley but two further goals in the half ensured their victory. Dr. Crokes 2-10, Causeway 3-16.

SENIOR LADIES: The Dr. Crokes Senior ladies played a hard fought match against Kilcummin and where lucky to come away with a win on a score line of 4-12 to 3-09. The girls where 6 points down at half-time but came out fighting, goals from Rheanne O'Shea and Megan Brosnan quickly brining the girls in to the game. Amanda Brosnan had a personal tally of 8 points on the day! The defense played outstanding making it hard for the Kilcummin girls to break through. Everyone contributed to this win. We now play Currow next week in the last game.

U16 GIRLS: The U16 girls started their league campaign with a win over near neighbours Spa last Friday night. This was a very close fought game with both teams exchanging scores. But the girls gave it there all and came away the winners on a scoreline of 4-06 to 3-07.

U14 GIRLS: The Under 14 girls also had a win last week when Abbeydorney came to Lewis Road. The girls played very well as a team and won on a scoreline of 8-09 to 3-08.

U12 GIRLS: The Under 12 girls played their

last game in the Phase 1 against Glenflesk last Thursday. This was a game of two halves with the Crokes girls down by 4 goals at half time. But they fought back hard in the second half with goals from Ava Sheehan and Sarra Neher and some well placed points from Lyselle O'Shea, Niamh Stack and Theresa O'Sullivan brought us back into the game. But in the end, it wasn't to be. Final score: Glenflesk 4-09, Dr. Crokes 4-02.

CONGRATULATIONS: to Micheal Burns and Jordan Kiely who were on the Kerry Minor Football Team who beat Tipperary in the Semi-final of the Munster Minor Football Championship last Wednesday.

WELL DONE: To Brian Looney who represented the club in the free competition at La na gClub in the Killarney Races last Sunday. He kicked 4 points against the wind in 90 seconds. Legion's James O'Donoghue won the competition on the last kick, scoring 5 points.

EAST KERRY UNDER 16 CHAMPIONSHIP FINALS:

DR CROKES 5-15 GNEEVEGUILLA 1-01

Started at great pace, at Fitzgerald Stadium on Monday evening, the East Kerry Division 1 Under 16 Championship Final, sponsored by MD O'Shea's, saw Dr Crokes take a 2 point lead and hit the crossbar with a goal chance. Gneeveguilla replied immediately with a well taken Paul Sheerin goal. However, it was Dr Crokes with a very strong defence and winning a lot of ball around the middle of the field, that added scores with some slick forward play. Goals from Brendan Coppinger, Michael Potts and David Shaw saw Dr Crokes lead 4-06 to 1-00 at half time.

John O'Leary opened the second half with a point for Gneeveguilla but Dr Crokes added to their tally with some great points from Billy Courtney, David Shaw, Jack Griffin, Mark Hartnett and Mark O'Shea. Aodhain De Bruin came off the bench to add a further goal for the town side before the end. This was a very impressive team performance from Dr Crokes against a Gneeveguilla team that showed great spirit and determination. Final score: Dr Crokes 5-15 Gneeveguilla 1-01. The cup was presented to the Dr Crokes by Sean O'Keefe, East Kerry Coiste na nÓg Officer.

Referee: Tom Moriarty (Legion)

FIRIES 3-07 CORDAL/SCARTAGLEN 1-07:

The U16 East Kerry Division 3 Championship final, played in Currow on Monday evening saw Cordal/Scartaglen create at least 3 scoring chances in the first 5 minutes. However, Furies were first on the scoreboard with points from Cathal O'Shea and David Kenny. Cordal /Scartaglen's first score came on the 15 minute mark (TJ O'Connor free). Furies added 1-3 in the second quarter, the goal from

Niall O'Donoghue on the 29th minute. Cordal/ Scartaglen added 2 points to leave the half time score: Furies 1-05 Cordal/Scartaglen 0-3.

Cordal/ Scartaglen started the second half strongly and take the lead within ten minutes, scoring 1-3, the goal by Eddie Horan. However, Furies struck back with a second goal from Niall O'Donoghue to lead by 2 points, going into the last quarter. A free from Cordal/Scartaglen's TJ O'Connor left the minimum between the sides with 12 minutes remaining. The game was very tight for the next ten minutes and could have gone either way. Cordal/Scartaglen were awarded a penalty in the 22nd minute but did not convert. The next score of the game was a point from Furies Cathal O'Shea, with 2 minutes remaining. Jake Flynn punched a goalmouth cross to the net to put Furies up 5 points on the 30th minute, ensuring their victory. Furies, Donnacha O'Sullivan pointed to leave the final score: Furies 3-07 Cordal/Scartaglen 1-07.

Referee: Jimmy O'Shea (Glenflesk)

The trophy was presented to the Furies captain by Christy O'Leaty, East Kerry Coiste na nÓg Officer.

EK U16 CHAMPIONSHIP DIVISION 4 FINAL: SPA 7-10 FOSSA 1-15.

The East Kerry U16 Division 4 Championship Final, sponsored by MD O'Shea's, was played in Lewis road on Monday evening. Fossa got off to a strong start and led early in the game. Spa equalised within 10 minutes on 3 points a piece and went quickly ahead with a well worked goal going into the second quarter. However, Fossa dominated the scoring from then on, in the half, to lead by 7 points at the short whistle, on a scoreline of Fossa 1-11 Spa 1-04.

Fossa extended their lead with two unanswered point early in the second half. However Spa upped the pace and scored three great goals to level the game. Fossa notched up 2 points before Spa sealed the victory with three unanswered goals.

Both teams showed great skill and determination in what was an entertaining game. Final score: Spa 7-10 Fossa 1-15.

Referee: Christy Crowley (Gneeveguilla)

Sean O' Sullivan, East Kerry Coiste na nÓg Chairman presented the trophy to the Spa captain.

The Milltown/Castlemaine lads gave it everything but despite scoring 1-01 without reply at the beginning of the 2nd half to tie matters after trailing by 6 at one stage in the first half, Ballydonoghue's midfield and attacking unit proved utterly dominant in the last 20 minutes and they managed to pull away! hard luck to the players and management team and thanks to all the supporters who came out on a horrible evening to watch the match.

COUNTY LEAGUE: Division 2 Round 5 Sunday 18th May at 2pm Venue Tarbert Tarbert v Listry.

DRAW MADE FOR NOVICE SEMI-FINAL: Listry v St. Senans. Date & Venue to be confirmed.

COUNTY LEAGUE DIVISION 2 RESULT LISTRY 2-11 KENMARE 0-15.

Kenmare came to Listry with a full complement of points in Division 2 and by half time, when

the sides retired level, must have felt that they could keep their undefeated position. A strong wind dominated this game and with Listry failing to take advantage of it in the first half they were lucky to go in on level terms as it took a great save from Colm Counihan from a Paul O'Connor penalty on the 25th minute. Kenmare had started brighter and scored 2 quick points. Listry came more into the game and were a point ahead when Paul O'Connor equalized just before the interval when the teams went in Listry 0-6 to Kenmare 0-6. Kenmare who started the second half with a point and must have felt they could take this game as they now had the strong wind and Listry's Gary O'Sullivan had retired injured. Listry had other ideas though and with Jimmy O'Leary and Paul Kennedy dominating midfield they took the game to Kenmare. The lead changed twice more before what looked like the important score of the game when Anthony Kennedy finished a Listry move to the net. Kenmare though reacted with 3 unanswered points to again bring the sides level. Kenmare however insisted on taking short kick outs and were punished to the limit when Derry Ahern robbed one of these to set up another goal finished by John Foley to put Listry back in front and try as they might Kenmare could not get the scores they needed even with 5 minutes of injury time played. What looked like an impossible position at half time had been changed around and Listry finally got the points they had deserved. Kenmare were best served by Paul O'Connor, scorer of 10 points and Stephen O'Brien. Listry's midfield as well as goalkeeper Colm Counihan contributed to their win with the final score Listry 2-11 to Kenmare 0-15.

KILLARNEY CYCLING CLUB

Round 2 of the National Mountain Biking Series was held in the Dublin Mountains this past weekend and as per usual a strong team travelled from Killarney CC to compete.

WORKMEN'S ROWING CLUB, U15 BOYS, WHO TOOK GOLD AT SKIBBEREEN REGATTA, RECENTLY, CREW INCLUDE, DYLAN BARTLETT, RUADHÁN MACCURTAIN, DONNACHA IRELAND, KAMIL KAMUBI, AND COX DAIRE DOHERTY-O'HARE. PHOTO: VALERIE O'SULLIVAN.

We arrived on Friday evening to get the opportunity to pre-ride the track before race day. After a very wet start, the weather had improved and all the lads were very positive about the race course. Overnight things went rapidly downhill with some very heavy rainfall and as we departed the Hotel the sky looked ominous. First up for Killarney were Jack Murphy and David Culloty in the U14's. After a start loop up a pretty steep fire road, 3n riders had opened a gap on the the main bunch, and one of them was Jack Murphy. At the end of the first lap Jack had moved clear of his 2 rivals and took a 30sec lead into lap 2. As the rain started to bucket down Jack showed great skill and on the now greasy track extending his lead to take his 2 victory of the season and giving him a commanding lead on the points table. David also had a great race finishing in 11 position. By the time 2 0'clock came conditions had really deteriorated and when the senior racers took to the line, icy cold winds and rain were battering down on them. Despite the conditions it turned out to be a very successful day for the club with Sean Prenderville racing in the Elite Senior 1 category holding 2nd spot as they passed through after the first lap. Sean battled hard over 5 laps and eventually open a gap on the chasing group and held onto his 2nd position. A podium finish in his 2nd race at top flight. What a fantastic result for Sean!. The race was won by National champion and 2 time olympian Robin Seymore of Wicklow. In the Junior race Finian Wall was locked in a nailbiting Dingdong battle for third place with James Hanrahan of Limerick and Scott Wallace of Dublin. Finian made his move half way through the final lap and opened a 100m gap with a big push up one of the steep climbs. He maintained his advantage and crossed the line in third place Finian was absolutely delighted with his best result to date at National level, just reward for all his hard work and training. Some great performances also from Joe O'

Leary, John Crowley, Richard Maes, Anthony Finn, Cathal Dinneen and Stephen Doherty, all finishing in top 20 in their Categories. There was no hanging about at the presentations as conditions had gone Baltic by then. It was a case of grab your trophy and run. Another great weekend for the club on the road. Well done to all who travelled. Next race is at Lady Dixon Park in Belfast in 2 weeks time. Hopefull summer will have arrived by then.

KILLARNEY COUGARS BC

JUVENILES NEWS: Cougars Finalists at Tolka Spring Tournament. Cougars girls U14 girls were in Dublin last weekend for this end of season event and enjoy further success with four victories and a place in the A final. Cougars departed Friday evening and enjoyed a social evening out in the Capital before commencing the games on Saturday and the group stages saw Cougars record three comfortable victories as they impressed with some great performances. Cougars advanced to the first Semi-final and met hosts Tolka. Cougars met a determined Dublin side as they gave Cougars plenty of problems through the first half with Cougars leading 16-12 at halftime with Cougars enjoying a good spread of scores with seven players contributing baskets. Cougars made a solid start to the second half and gradually got on top with very strong defence and good baskets the Cougars secured the win to claim a place in the Final with Cougars Shelly Clifford 10pts and Kate Stack 7pts both in good scoring form. Cougars meet Lee Valley coached by Mark Scannell in the Final as they easily accounted for Malahide to advance to make a Cork v Kerry Final in the Capital. Cougars approached the game with confidence with a comprehensive win over the Lee Valley in the group stages. Cougars made a good start with Shona O'Brien, Anna O'Reilly and Shelley Clifford all

contributing four points each to give Cougars a 16-8 lead but the Cork girls rallied to trail by just a basket 16-14 at halftime. Cougars struggled throughout the second half as the Cork side defence stepped up, Cougars Erica McGlynn and Kelly Ahern both stepped up with a couple of good baskets each, but the Cork girls were very determined as they forced Cougars into many errors and eventual foul trouble as they began to take a grip of the game. The sides were tied in the closing minutes but foul trouble took its toll and the Cork side punished a very tired looking Cougars to finish ahead at the final buzzer of a very exciting game that could have gone either way.

Overall the end of a great season for the U14 Cougars girls as their successful season saw them advance in many competitions to compete in a impressive tally of 38 games winning 28 overall and huge experience and progress made throughout the season .

THE SEM ARE KINGPINS OF IRISH SOCCER

MUNSTER AND ALL IRELAND CHAMPIONS.....ST BRENDAN'S COLLEGE U15 SOCCER TEAM (FRONT FROM LEFT) MARCOS MARTINEZ, NIALL DONOHUE BALLYHAR DYANAMOS, CHRIS O'DONOGHUE, LUKE O'DONOGHUE, MICHAEL POTTS, THANDO DUBE, CIAN GAMMELL, MARK HARNETT, CIAN CASEY (BACK FROM LEFT) JP MULLINS COACH, ORAN DONOHUE, DARREN MULCAHY MASTERGEEHA, JAMES NAGLE MASTERGEEHA, SEÁN O'LEARY MASTERGEEHA, LORCÁN McMONAGLE, DAVID CLIFFORD, CIAN O'SHEA, JACK GRIFFIN, ROBERT OSBORNE, NIALL MCCARTHY MASTERGEEHA, SEÁN DOHERTY, JAMES KELLY, BLAKE BOLSTER KILLARNEY ATHLETIC, TREVOR NAGLE COACH WHO DEFEATED TEMPLEOGUE IN THE ALL IRELAND FINAL IN WATERFORD.

A TRADITIONAL and hugely influential Gaelic football nursery, St Brendan's College, Killarney added another major string to its sporting bow when the school clinched the All-Ireland colleges' under 15 soccer championship crown in dramatic fashion.

The Sem registered a fabulous 2-1 victory against fancied Dublin kingpins Templeogue in a monumental encounter held in the magnificent Waterford Regional Sports Centre. The last time the Sem won this particular competition was way back in 2003 and the current team and their mentors were determined to write their names into the sporting history books.

Thankfully, this outstanding group was more than capable of emulating their predecessors with a splendid display of attractive, attacking football.

The first half was a cagey affair with both teams holding their cards close to their chests. Chances were few and far between with the

best opportunity of a breakthrough falling to Templeogue's central midfielder, Darragh O'Shea, who really should have made it 1-0 with a rasping shot from 12 yards that was just off target.

The Sem soon created chances of their own after retaining good possession in the early stages. Spanish star Marcos released Thando Dube with a slick through ball, Dube beat his man for pace and fizzed the ball across the box for the Sem's best chance of the half. But the normally lethal striker Michael Potts was unable to provide the desired finish.

As the first half wore on Templeogue were always looking dangerous and following some nice, intricate passing in and around midfield, their striker was played into space behind the defence and he would have scored only for the ever-reliable Niall Donohue whose fantastic challenge kept Templeogue at bay.

The half-time whistle blew after a few chances were created in the final third and, overall, both

teams had to be happy to go in with it all to play for in the second half.

It began at a snail's pace with neither side showing superiority and the first real sniff of opportunity came from a venomous strike from the Sem's central midfielder Lorcan MacMonagle whose snapshot stung the hands of the Dublin keeper but was parried to safety. The pace of the game escalated significantly after that as Killarney's full backs Jack Griffin and Chris O'Donoghue bombed forward at every opportunity and were beginning to cause real problems for the Dublin defence. Winger Cian Casey was replaced by Darren Mulcahy who slotted into the midfield with Lorcan MacMonagle moving out wide.

The pressure finally told when a teasing cross from MacMonagle found Michael Potts whose header was parried by the keeper but Cian Gammell was on hand to power home the rebound, with the aid of a deflection, to give the Sem a deserved lead.

Templeogue pushed for an equaliser but to no avail as they were hit with a sweeping counter attack as the Sem powered upfield and Spanish wonder kid Marcos slid it through to Potts who slotted the ball calmly past the hapless keeper to make it 2-0.

With the time ticking away, the instructions from the Killarney line was to get the ball into the corner and keep the ever-threatening Templeogue attack at bay.

All credit is due to the Sem management team of JP Mullins and Trevor Nagle who guided this already gifted bunch players in the right direction.

It was a fantastic campaign by St Brendan's College and they now have the prospect of visiting England for an international event where they will represent their country proudly.

SEM TO REPRESENT IRELAND AT SOCCER INTERNATIONAL

Following on from their fantastic win last week, St. Brendan's U15 All Ireland Soccer champions have now been selected to represent Ireland at an International Tournament – the Allan McKinstry Cup on 23rd to 25th May. This year the tournament is being hosted by the English Schools Football Association. The National Champions from Ireland, England, Scotland, Wales and Northern Ireland will complete for this prestigious cup at the National Sports' Centre in Lilleshall in Shropshire. This is a fantastic opportunity for our students. It affords the squad the prospect of representing Ireland.

This is a tremendous honour for the school, generated by this outstanding group of young men.

At short notice organising this trip is a significant financial burden on St. Brendan's and on the students' parents. A number of fund-raising events have been organised to help defray some of the €6,500 cost. Head of Sport in the College, Mr. Ed O'Neill, requests any businesses who would be interested in supporting this once-in-a-lifetime opportunity to please contact the school office at 064 6631021.

Michael Potts in a very good performance from all involved.

BEST WISHES: To St. Brendans Park this Sunday in the U16 National Cup Final against St. Kevins Boys this weekend – no Kerry schoolboy side has ever won a National Cup and we will be proudly supporting our domestic rivals in their bid to break that barrier.

RESULTS WEEK ENDING 13/5/14:
JOHN MURPHY 12'S CUP FINAL:
KILLARNEY CELTIC 1
ST. BRENDANS PARK 0

The first of the Schoolboys and Girls Cup finals was played on a perfect surface in Killorglin. The Park played with the strong wind in the first half but Celtic's defence held out superbly, with Celtic keeper Dylan Doona making a fantastic save. In the second half Celtic made all the running, with the whole team working hard and well, and we got the vital score when a long range Neil O'Shea free-kick went all the way to the Park net. The Tralee side were not able to find an equaliser – to their credit, they gave it everything - and Killarney Celtic held on to claim the John Murphy Cup which was presented to our captain and goal scorer Neil O'Shea by Mary Murphy.

U14 GIRLS PREMIER: KILLARNEY CELTIC 7 KILLARNEY ATHLETIC 2

Killarney Celtic girls only need a point from their last game with Listowel Celtic to win the 14 Premier as they lead the North Kerry side by three points with one game to play. They were too strong for Killarney Athletic in mid-week. Elena Martinez top scored with a hat trick. Kate Stack, Mairead Bennett, Anna Clifford and Ciara O'Brien scored for Celtic who also had good performances from Edel Harnett in goal and also from Aoife Callaghan and Erica McGlynn.

KERRY U15 CUP SEMI-FINAL:
KILLARNEY CELTIC 5 KINGDOM BOYS 2

Played in windy conditions in Celtic Park this was always going to be a game for long range efforts and the opening goals came this way. Celtic struck first when a David Clifford free kick billowed the net. The Tralee side equalised 15 minutes later. It stayed that way until early into the second half when Celtic took a lead they would never surrender. Lorcan McMonagle swung in a dangerous corner and David Clifford was on hand at the back post to nod home. They extended the lead ten minutes later with a great team goal. Thando Dhube played in Cian Gammell whose low cross was met by the inrushing Micheal Potts to make it 3-1. Credit to Kingdom Boys they upped their game and a Rian O'Sullivan free flicked off the head of a Celtic defender to put the Tralee side back in it. Celtic were then awarded a free kick on the edge of the box and Michael Potts made no mistake to open the gap up again to two goals. We wrapped up the win when Mark Harnett did well to control the ball, beat a defender and picked out Potts who nodded home his hat-trick and set up a final against Killorglin, pencilled in for Saturday.

TEAM FEATURE:

KILLARNEY CELTIC U14 B

Over the summer we will hopefully feature each of our Celtic teams and outline their 2013/14 season. **Killarney Celtic U14 B** started our training in August. The season started with three wins on the trot and we maintained top spot through a winter which saw tough training weather but a fantastic 100% attendance. We dropped points in some tight games in January against A teams but we held our own until the final week of the season. We lost to Camp on the Saturday morning and Athletic on the following Tuesday to finish 3rd. This was a great result for the season and due reward for all the players that gave so much to training and games. A special thanks also to the parents who gave such great support, including driving players to venues, and all our players and supporters conducted themselves with great sportsmanship both on and off the field. Well done and thanks to everyone involved. **Frank Roberts, manager.**

LOTTO RESULTS: Numbers drawn 2, 9, 12, 23. No winner, two x match 3, Norann Brosnan, Muckcross, Batt O'Sullivan c/o Batty's Skips, €75 each. Next week's jackpot €7200, draw in the Failte on Monday night. Tickets available from all club officers.

LOTTO SELLERS / YEARLY LOTTO: The club is calling on all members to sell at least 5 Lotto tickets. We have all seen the cost of running the club in the financial reports so upping the Lotto sales would ease this burden. Also anyone who wishes to buy a Yearly Lotto ticket and ensure they are in the 52 draws in one go can contact Der Lyne on 086 3787738.

The Park played with it in the first half but weren't able to get that vital breakthrough. The closest they came was when Celtic keeper Dylan Doona turned a Mervyn Shambala shot onto the post. Into the second half and Killarney Celtic got the vital score when a long range Neil O'Shea free-kick went all the way to the Park net. CELTIC: The 13's Cup semi-final was a tight affair between St Brendan's Park A and Listowel Celtic A. Played in mid-week in Christy Leahy Park it was the home side that got the only goal of the game. Sebastin Vassiu was the Park's hero and they now go forward to face Killarney Celtic in the final.

15'S CUP: KILLARNEY CELTIC 5-2

KINGDOM BOYS: Played in windy conditions in Celtic Park this was always going to be a game for long range efforts and the opening goals game this way. Killarney Celtic struck first when a David Clifford free kick moved in the air past the Kingdom Boys keeper. The Tralee side equalised 15 minutes later. A long range Diarmuid O'Connor effort found the bottom corner of the Celtic net. Kingdom Boys suffered a blow when Odhran Liston went off injured. It stayed that way until early into the second half when Celtic took a lead they would never surrender. Lorcan McMonagle swung in a dangerous corner and David Clifford was on hand at the back post to nod home. They extended the lead ten minutes later with a great team goal. Thando Dhube played in Cian Gammell whose low cross was met by the inrushing Micheal Potts to make it 3-1.

Credit to Kingdom Boys they upped their game and threatened on a few occasions. They got their reward when a Rian O'Sullivan free flicked off the head of a Celtic defender to put the Tralee side back in business. Celtic were then awarded a free kick on the edge of the box after the referee spotted an infringement and Michael Potts made no mistake to open the gap up again to two goals. The Killarney side wrapped up the win when Mark Harnett did well to control the ball, beat a defender and picked out Potts who nodded home his hat-trick and set up a final against Killorglin, pencilled in for Saturday May 24th.

LEAGUE REPORTS: JK SPORTS 12

PREMIER: Killarney Athletic and Killorglin

played out a middle of the table cracker with 7 goals scored. Killorglin took the points away from home with a 4-3 win. Garroid Hassett scored twice, Daire McKeffery once and the other an own goal. For Athletic Evan Looney got two with Emmet Finnan getting the other.

12 DIVISION 1: Second placed Camp are chasing Ballyhar and closed the gap to three points with a big win over Castleisland. Adam Costello and Alan O'Leary both scored twice with Caolan O'Connell, Eoghan Lyne, Darren Hickson, Conor O'Leary and David Smith all getting one each.

DALY'S SUPERVALU 13 DIVISION 1: Killarney Athletic B were the outstanding team in this division all season and after their win over Listowel Celtic B they were crowned champions. Seamus Gallagher got 2 as did Evan Talbot while Danny Cronin, Liam Kelliher and David Moriarty got one each. Athletic didn't drop any points since the opening game of the season and so are deserved champions.

13 DIVISION 2: Killorglin B were hoping to take 6 points in their chase of Camp as they played mid-week and at the weekend. However they had to make do with three as they went down to Listowel Celtic C in their first game. Ethan Coffey scored for Killorglin but two from the prolific Sean McGrath and one from Michael Nolan gave Listowel Celtic C the points. There was better news for Killorglin B on Saturday as they emerged 6-3 winners over Kingdom Boys B. Leo Gaxha got 2 and David Rogers one for the Tralee side but 2 from Dylan O'Neill and one each from Marin Foley, Dean Callan, Eathan Garcia and Jack McDonagh gave Killorglin B a valuable three points.

FOUNDATION SPORTS 14 DIVISION 1:

There was a surprise in this Division as leaders Camp went down to Mastergeeha who are now into second place. Dylan Murphy scored 2 for the Kilbreen boys with Seamus O'Leary and Paul O'Shea also scoring. Further down the table Park B were 2-0 winners over Killorglin B.

TRALEE TROPHY WORLD 16 SHIELD:

Mastergeeha got the points they needed from Listowel Celtic to win this Shield section of the 16's Division 1 Shield.

GIRLS: FOUNDATION SPORTS 14

PREMIER: Killarney Celtic girls only need a point from their last game with Listowel Celtic to win the 14 Premier as they lead the North Kerry side by three points with one game to play. They were too strong for Killarney Athletic in mid-week. Elena Martinez top scored with a hat trick. Kate Stack, Mairead Bennett, Anna Clifford and Ciara O'Brien scored for Celtic who also had good performances from Edel Harnett in goal and also from Aoife Callaghan and Erica McGlynn. Ellen Coffey got both goals for Killarney Athletic.

THE SEM - ALL IRELAND CHAMPIONS:

Congratulations from everyone in Kerry Schoolboys Girls Soccer to the St Brendan's College Killarney Minor Boys (under 15 ½) team that won the All Ireland final in Waterford during the week. They were 2-1 winners over Dublin's Templeogue College with the goals coming from Cian Gammell and Michael Potts in a very good performance from all involved.

This is a very good squad of players who all play in the League and could go on to win more All Ireland Schools titles in the coming years.

PARK CROWNED U14 CUP CHAMPIONS:

Following a cracking game played in front of a big crowd at Tralee Dynamos St Brendan's Park were crowned Tom Hayes 14's Cup Champions. They defeated a gallant Listowel Celtic 3-1 after the sides were tied at 1-1 at the break. The Park went ahead mid way through the half when Thomas Byrne found space to knock the ball home. However Listowel Celtic equalised in the last few minutes of the first period. Cillian Spillane's daisy cutter free kick caused panic in the Park's defence and went all the way to the net. But into the second half and Byrne was to be the difference between the sides. He rounded a number of defenders to give The Park back the lead and he completed his hat trick following a super pass by Micheal Slattery. Try as Listowel Celtic did they were unable to get back into the game and when they hit the crossbar they knew it was not going to be their day. League Chairman Martin Conway presented Byrne with his Man of the Match trophy and Dinny Hayes handed over the Tom Hayes Memorial Cup to a delighted St Brendan's Park.

12'S GIRLS PREMIER: KILLARNEY

CELTIC 1-2 LISTOWEL CELTIC. Shauna O'Donoghue scored for the home side but 2 from Aoife Horgan gave Listowel Celtic all 3 points and puts them in the vanguard to take the title as the two sides have to meet again in the last game of the season.

OUTLOOK ON THE STATE EXAMINATIONS

Good exam techniques will improve your grades (By Billy Ryle)

Consistent study sets you up nicely for the state exams. However, it's also important to prepare your answering strategy. Candidates who adopt a planned approach to answering the question papers will be successful. Begin with a detailed study of the exam timetable. Obtain a personal copy and highlight the days and times when you are due to sit for a subject. Each subject is answered in an A4 style covered booklet. Write your exam number, the subject and tick whether you intend answering through Irish or English. Read the directions on the back cover before you write anything. Each page of the answer book contains two margins. Only the number of the question and each sub-question should appear in the left-hand margin. The right-hand margin is for the corrector's use only. Write your answers between the margins and work neatly down the page. Write clearly and legibly. Keep your answers well spread out for easy reading. Number each question and sub-question clearly in the left-hand margin to make it easier for the corrector to follow your work.

Don't split questions by answering a part of a question on one page and then the other part a few pages further on. If you are unable to completely answer a question leave a page blank to which you can subsequently return. Use diagrams, sketches and illustrations if they enhance your answer. Small drawings aren't helpful and may be difficult to interpret. Use decent size diagrams, as they are quicker to draw and allow greater inclusion of detail. While the presentation of your answering won't merit extra marks, a well-presented script will make a favourable impression on the corrector.

The core of any exam is the quality of your answering. The content of your answer to each question must be relevant to the question asked. Read each question carefully before deciding which ones to answer. Tackle a good question first to settle you down. Before answering a question list the key points around which you will build your answer. Be concise, accurate and relevant. Don't be long-winded or wordy. Waffle and repetition will not impress the corrector.

Be familiar with the format of each paper well before the date of each exam session. Know how the paper is presented. What topics are examined? How many questions must be answered? What styles of question can you expect on any exam paper? Familiarise yourself with the choice available on the paper. Is one or more question compulsory or is there an unrestricted choice available to you? Be particularly careful about a paper, which is subdivided into subsections. Without prior knowledge of such a paper you could easily fail to address the relevant number of questions. Over the next few weeks, as you do past papers, and again at the exam, read the instructions carefully. It's a good idea to handle a recent past paper in each subject for physical familiarity.

Doing well in any exam involves not just knowing the course material but also in presenting your answers within the time allowed. Be determined to attempt the required number of questions. If you don't attempt a question you can't possibly earn any marks for it. Be aware of the marking scheme for each paper and work out in advance the approximate time you can afford to devote to each question. The time allocated to each question should be in direct proportion to the marks available for that question. Let me reemphasise that the student who attempts the required number of questions is the one who has the best chance of maximising her/his grade in that subject. So work out in advance, and write down, the approximate time at which you should be completing each question.

When your exam paper is handed to you read the instructions in case there is a change in format. Then spend about five minutes reading the entire paper. This preliminary scrutiny of all the questions gives you the feel of the paper and allows you to settle down and gather your thoughts. Stick to your own pre-prepared answering plan and once you have made your choice of questions, start with a question you can answer well. As you warm to your task, you will be pleasantly surprised at the font of information that comes to mind, as you need it.

When you have finished each question, reread it to ensure you haven't omitted any part. Allow at least five minutes at the end of the exam to read back over your answers and to check your enumeration and your overall presentation.

In the next article, I will have some advice for parents of exam candidates.

BOGUS THEORY & DRIVING TEST WEBSITES RIPPING OFF LEARNER DRIVERS TO TUNE OF €200,000 PER YEAR

The Road Safety Authority (RSA), National Consumer Agency (NCA) and the Union of Students in Ireland (USI) have teamed up to warn Driver Theory Test and Driving Test applicants to only book their tests through official websites.

The call comes as figures show that unofficial third party websites in the UK could be profiting by over €200,000 each year by charging unsuspecting Theory and Driving Test customers in Ireland an unnecessary extra fee to book their tests.

Last year, one in eight Driver Theory Test candidates in Ireland, approximately 7,000 customers, booked their theory test through these unofficial websites, paying an additional €23 on top of the theory test fee. As a result, the operators of these websites are making between €90,000 and €160,000 annually from Driver Theory Test customers. In addition, over 4,750 people who have applied for their driving test since July 2011 have also been affected, paying an additional €18 per booking, netting these bogus sites over €73,000.

Mr Declan Naughton, Director of Driver Testing and Licensing with the Road Safety Authority said:

“We are really concerned that customers in Ireland are being ripped off by these websites who are charging customers up to €23 extra to book their theory or driving test for them. These so-called services are making a huge profit at the expense of unsuspecting customers who may not realise that they are paying a totally unnecessary extra cost to book their test. We want to remind customers that when they book their test through the official channels,

there are no hidden extras; they only pay the cost of the test itself. In addition, their data will be stored in accordance with Irish Data Protection Laws.”

Explaining how customers may end up on one of these websites instead of on the official test booking websites, Mr Naughton said:

“These unofficial websites advertise to book theory and driving tests online and customers are fooled into thinking that they are the official booking websites. These bogus websites lure customers in by appearing official, using words associated with the driving and theory test and even using our name. The RSA has tried to beat these sites at their own game by advertising the official sites online. However, many customers continue to be fooled into booking their tests on the unofficial sites. The only winners are the bogus sites in the UK who are targeting unsuspecting learner drivers, and companies like Google, who profit from all the advertising.”

The RSA is also warning learner drivers of the dangers of passing on their personal details, such as their PPS number and driver number, to these sites. While such information is required to book a test, it should only be provided when booking a theory test and driving test on the official RSA Driving Test application website www.rsa.ie and the official driver theory test website www.theorytest.ie where you will only be charged the cost of the test.

Denise McCarthy, Deputy President & VP Welfare, Union of Students of Ireland

commented:

“It is unacceptable that these websites try to trick learner drivers into paying an extra fee to book their test. Students are already under pressure with mounting college fees and expenses and we would urge all students to only book their tests through the RSA’s official channels. For many students, the additional booking charge of €20 can make a significant difference when relying on a grant or waiting for their next pay cheque.”

The RSA has highlighted the gathering of such personal data by these unofficial websites to the Data Protection Commissioner. However, as these websites are outside of Irish jurisdiction, Irish agencies are unable to bring proceedings against them. The RSA will continue to monitor these websites and explore new ways to negate their online activity.

To book a driving test, which costs €85, visit the RSA’s online application website, please visit: www.rsa.ie

To book a driver theory test, which costs €45, visit the Theory Test online application website, please visit at: <http://www.theorytest.ie>

Life & Body Confidence Coach

I HAVE A DREAM!

Whenever I listen to Martin Luther Kings speech, "I have a dream" it makes me go cold... little icicles of Goosebumps run down my spine as I am reminded of what pure passion can do! The thing is that we all have dreams – be they large or small, light hearted or profound, dreams are the stuff that our lives are made of! Everything that was ever created in this world began first with a dream, which turned into a specific thought, which turned into a chemical which became an emotion which became a feeling which became an action, which created another feeling and another thought and so on until it became a positive feedback loop of desired destiny! My dreams are of a world of people that have fallen in love with themselves and their lives. People who know that they don't have to apologies for whom they are and know how to manage their minds, bodies and emotions so that they live happy fulfilling lives! I dream of a world filled with conscious parents who bring up the next generation of children to be effective thinkers who can live their authentic lives happily and full of confidence! I dream of a time when there are no more wars – with others and ourselves. And what I absolutely know for sure is that the best way to create the future is to predict it – to create it in your mind first! This means that you take action **NOW** to change any self-limiting beliefs or negative thinking. You are here for a reason! That reason is not to watch your own beautiful dreams tumble by un noticed. If there's more **LIVING** that you want to add to your **LIFE** then know that **YOUR DREAMS MATTER!** If they didn't – you wouldn't have them!

My special guest at this month's Life Lounge is Joan Barrett – Life & parent coach. Do join Joan and myself on Wednesday 28th May – this conversation will only happen once! I can't wait! Reserve your place **NOW** by calling 066 9766374 or emailing me at life_coachingunlimited@yahoo.ie.

Entry is €15.00 – payable on the night! (Refreshments included!).

CEMETERY MASSES IN KILLENTIerna PARISH

Readers who have relations and friends buried in Currow and Currans Cemeteries may wish to note that there will be Mass in Old Ardcrone Cemetery, Currans on Monday 19th May at 8pm and in Kilsarcon Cemetery on Tuesday May 27th also at 8pm. This is a good opportunity to tidy family graves and let other family members know about the Mass.

WHY USING YOUR MIDDLE INITIAL WILL MAKE YOU SOUND SMARTER

Want to be seen as an intellectual? Here's an easy first step: Start using your middle initial in writing. Doing so, a study finds, boosts "positive evaluations of people's intellectual capacities and achievements." The investigators reached their conclusions after giving subjects a scientific article attributed to, variously, David Clark, David F. Clark, David F.P. Clark, or David F.P.R. Clark. David F.P.R. Clark fared best in subjects' assessments of the author's ability, while David F. Clark still beat David Clark. A study on company names showed that firms with easier-to-pronounce names apparently do better in the stock market.

2015 WILL BE THE CHINESE YEAR OF THE SHEEP

According to the Chinese lunar calendar, the Year of the Sheep (also called goat or ram) begins on February 19th 2015. Sheep are regarded as meek creatures so babies born in the Year of the Sheep, therefore, will grow up to be followers rather than leaders, according to some superstitions. The children are destined for heartbreak and failed marriages, and they will be unlucky in business, many Chinese believe. One popular folk saying holds that only

one out of 10 people born in the Year of the Sheep finds happiness. Health professionals say fertility consultations have spiked in recent months and many couples have inquired about early delivery via Caesarean section to ensure their baby will be born during the Year of the Horse which ends on February 18th 2015.

"We try our best to dissuade couples from believing the sheep superstitions," one official at China's Centre for Disease Control and Prevention said. The subject has become such a prominent issue that it is often addressed in classes for would-be parents". Each of the 12 animals in the Chinese zodiac has its virtues and faults. The undisputed favourite is the dragon, often followed by the tiger and the horse — an energetic animal closely associated with success, according to Chinese sayings. Rats (considered clever and agile) and snakes (which look like mini dragons) are considered lucky. But sheep have fewer advantageous qualities, according to some interpretations. Those born in sheep years are thought of as passive, loyal, generous and kind. Some of those virtues may be wonderful in an ideal world, but not so useful in the dog-eat-dog real world. Couples who fear their baby will miss the Feb. 18th deadline have flocked to support groups that have sprung up online. For those in China most schooled in the mystical arts of fortune-telling, all this attention to the Chinese zodiac calendar year is wasted. One feng-shui master says "the zodiac doesn't matter at all, what matters most isn't the year you are born, but the exact time of delivery." For €360 he has been helping couples pick the most fortuitous hours for their planned C-sections. For an extra €100, he will suggest a lucky name and for €2,000, he will rearrange your home's furniture to ensure the best possible future for your child.

NOT EVERYONE HAS THE ABILITY TO SMILE

Too often, we take simple abilities for granted. Take a smile for instance - you may have never imagined your life if you weren't able to smile, to show happiness, love and warmth through a smile. You may even think to yourself, "Wait, everyone has the ability to smile." That's where you're wrong. Every 3 minutes, a child somewhere in the world is born with a cleft lip or cleft palate. Each and every day, many of these children with a cleft struggle with even the most basic abilities - to laugh, to speak, to smile.

ABU DHABI'S FUTURISTIC PARK

The Salama bint Hamdan Al Nahyan Foundation has announced its plan to build a park in Abu Dhabi called the Al Fayah Park, which will essentially be a futuristic covered garden for the public that spans 125,000 square meters.

Thomas Heatherwick, the designer behind the Olympic Cauldron for the London 2012 Olympic Games and the UK Pavilion at the Shanghai World Expo in 2010, has been selected to be the mastermind behind the new park. When the Al Fayah Park is complete in 2017, it will feature play areas, flowers, exercise paths and provide fresh fruits and vegetables to local eateries. The whole project will be covered by a 20 meter high, sand-coloured canopy in order to give off the illusion of a desert from above, the canopy will also provide much needed, partial shade to the garden beneath it. The Al Fayah Park is another step toward building outdoor public spaces in the capital. By 2017, Abu Dhabi hopes to have 130 parks and play areas versus the 48 parks and 37 playgrounds the city has at the moment.

A FEW FACTS ABOUT BEES

- Bees are the only insects in the world that make food that humans can eat.
- Honey has natural preservatives and bacteria can't grow in it.
- Honey was found in the tombs in Egypt and it was still edible!
- Bees are believed to have been here around 30 million years.
- A honeybee can fly 24 km in an hour at a speed of 15 mph. Its wings beat 200 times per second or 12,000 beats per minute.
- Bees have straw-like tongues called a proboscis so they can suck up liquids. They also have mandibles so they can chew.
- Bees carry pollen on their hind legs called a pollen basket. Pollen is a source of protein for the hive and is needed to feed the baby bees to help them grow.
- In the summer a beehive can have as many as 50,000 to 80,000 bees. A bee must collect nectar from about 2 million flowers to make one pound of honey. It requires 556 worker bees to gather a pound of honey. Bees fly more than once around the world to gather a pound of honey.
- The average worker bee makes about 1/12th of a teaspoon of honey in her lifetime.
- A single beehive can make more than 100 pounds of extra honey.
- The only continent that does not have bees is Antarctica.

THE DEATH PENALTY

The majority of innocent people sent to death row never have their innocence discovered, according to a ground-breaking study published in the prestigious Proceedings of the National Academy of Sciences journal. Study authors say that at least 4.1% of defendants sentenced to death in the U.S. are innocent - more than double the 1.6% that have been exonerated and released. That means it is "all but certain" that at least several of the 1,320 defendants executed since 1977 were innocent. Both President John F. Kennedy and Pope John XXIII who was canonised on April 27th worked together to try and rid the world of the death penalty.

WELL DONE

Sumter South Carolina police officer Gaetano Acerra reached out to Cameron Simmons, 13, after the boy called police following a fight with his mother. The boy told the officer he didn't want to live there anymore. P. O. Acerra learned the 13 year old had almost no bedroom furniture and suffered from back pain because he slept on an air mattress that deflated during the night. "My heart went out to him the Police Officer said I thought the little things that he needed I could give him, to make him a happier kid." P. O. Acerra returned a few weeks later with a bed, a desk, a chair, a television and a game system for the teen that someone had donated after hearing the story. The Police Officer said "I did it because I could. It was the right thing to do and I think people should do things like

this."

AN ASHTRAY THAT REWARDS SMOKERS FOR NOT LITTERING

Cigarette butts are the cockroaches of the litter world: Their numbers are massive and you're rarely more than a few feet from one in the urban environment. In America, butts are the most prevalent form of litter on the roadways; worldwide, they're the No. 1 item found littering beaches and waterways. The omnipresence of these butts is a problem, as the chemicals they leach out are harmful to animals and could be contaminating environments with heavy metals. But with the majority of smokers admitting they've tossed butts onto the ground at some point, it's a problem without a glaring solution. Now designers think they've discovered a way to make sure more butts get to the proper receptacles. The creative firm loglo, which has offices in the Netherlands and Istanbul, have built an ashtray called "Fumo" meant to alter the behaviour of serial litterers. Looking like a sleek smokestack rising from the sidewalk, the tray has sensors that when fed a butt respond with all kinds of pleasing stimuli, from blinking lights to a bevy of peppy noises from club beats to novelty car horns. Speaking for myself all I need is a more plentiful supply of smoking boxes in the outskirts of towns, public parks etc, with or without flashing lights, but I would also appeal to fellow smokers to use the facilities provided on streets, there is no excuse for standing beside a smoking box and throwing the butt on the ground.

DRIVER SUES DEAD TEENAGE CYCLIST SHE KNOCKED OVER AND KILLED

A driver who knocked over and killed a teenage cyclist is suing the dead 17-year-old for the "emotional trauma" she has suffered. The teenager, from Alcona in Canada, was out cycling with friends in the early hours of a wet night in October 2012 when he was hit from behind by Sharlene Simon's car. The boy was killed, his friend seriously injured, and another boy sustained scratches. Ms Simon the mother of three says she is suing the boy who died, as well as his parents, his brother - who has since also passed away - and the two others boys over the crash. In a statement filed at court, Ms Simon is claiming \$1.35 million in damages because of her psychological suffering, including depression, anxiety, and post-traumatic stress. She claims the boys were "incompetent cyclists who did not apply their brakes properly". The dead boys devastated parents have been left horrified by the claim and his mother added "I'm in shock. She killed my child and now she wants to profit from it?" A lawyer for the boys' families has also launched a law suit against Ms Simon, covering medical expenses for the three boys and funeral costs.

TRAVELLING ECO

Not everyone can walk to work but for shorter journeys of less than a mile, we'd all be healthier if we left the car at home and walked instead. This is particularly relevant for parents who do the school run, and drive their kids to school when they could easily walk. Getting out into the fresh air and walking to school or the shops will not only improve your health it will save you petrol money and help relax you too. Parents who walk their kids to and from school have the chance to chat to them about their day instead of concentrating on the traffic. Some schools near Edinburgh have banned all traffic from streets around the school at the start and end of the school day and if this pilot project is a success, more schools may adopt this strategy in the future.

OCTOPI CAN REGROW THEIR ARMS (BUT ARMS CAN'T GROW INTO OCTOPI)

You might already know this, but it bears repeating: if an octopus loses an arm, she can regrow it, which is a pretty nifty trick. Octopi can actually drop their arms to confuse predators, although this is a plan of last resort since growing new ones takes a while. Thanks to the concentration of neurons in their arms, the detached arm can keep wriggling in a rather convincing way while the octopus escapes to safety. Octopui have a grand total of three hearts. Seem like too many to you? Two of them are devoted exclusively to circulation throughout the body, and the third circulates oxygen through the organs. While octopi swim, this third heart doesn't beat, which cuts down on their stamina, which explains why crawling through the water is preferred to cruising. Octopus ink (along with inks from other cephalopods like cuttlefish) is by no means toxic, it is an irritant. It's designed to confuse enemies not just by clouding the waters, but also mangling the vision, sense of taste, and smell of predators so the octopus has time to get away.

FINALLY THIS WEEK

Sean was a mild-mannered man who was tired of being hen-pecked by his wife; so he went to a psychiatrist. The psychiatrist said he needed to build his self-esteem and gave him a book on assertiveness. Sean read the book on the bus home. By the time he reached his house, he had finished it. He stormed into the house and walked up to his wife. Pointing a finger in her face, he said, "Bridie, from now on, I want you to know that I am the man of the house, and my word is law! I want you to make my favourite boiled beef and cabbage for the meal tonight and when I'm finished with that, I expect my favourite whiskey cake for afters. Then, you're going to draw me my bath so I can relax. And when I'm finished with that, do you know who's going to dress me and comb my hair?" "The undertaker." says she.

EXAM STRESS

Last week we looked at some practical ways that you can reduce the pressure around exam time. So now it's time to plan how you are going to study over the next few weeks. It is important to study in a location where you can concentrate and won't be interrupted. Studying with others or as part of a study group can be helpful, but be careful to keep it from turning into an opportunity to catch up on the latest news and gossip.

Just as we are all different in many other ways, we also have different learning styles – so try out some of the following and use what works for you.

EFFECTIVE TIPS FOR REVISING

1. Make Summary Notes: Condense your class notes and reading by pinpointing key terms and concepts and make sure that you understand them. Writing these notes can help you to retain more information. You can recite the summary notes out loud, and even record and listen to them.

2. Use Flash Cards: Flashcards are very helpful tools to remember information. You can condense your summary notes into bullet points, keywords, lists, formulas and diagrams and place them onto a card for each topic. They are also easy to carry around so you can look at them anytime.

3. Quiz Yourself: Why not make up your own mock exam to test yourself. Write down a list of the keywords or questions and leave room underneath each one. Then pretend to take the exam and write down as much as you know about the topic under each keyword. If you do this with your study group it can even be fun!!

4. Practice under exam conditions: Practice going over past examination papers – in the same amount of time as in the exam. Although you are only practicing try writing the full answers to the questions so you can work through the entire thought process. Check your answers so you can assess your strengths and weaknesses and go back and study any area which you feel weak on.

5. Create memory aids such as Mnemonics and Diagrams: Mnemonics are tools that can help you to remember formulas, keys concepts, definitions etc. Jot down these mnemonics or diagrams before you start answering any question. In that way, you can refer back to your plan when writing your answer, without fear of forgetting what you were going to write next. If you feel stressed or overwhelmed, it is important to speak with the adults in your life. They may not be aware of just how much pressure you are feeling to get everything done. Talk to a parent, teacher or counsellor, and ask for help in dealing with stress.

SINUSITIS PART 1

What is sinusitis?

The sinuses are small, air-filled spaces in the cheekbones and forehead. They produce mucus which drains into the nose through small channels. Sinusitis occurs when these spaces become swollen and inflamed. The most common cause of this inflammation is due to infection.

Sinusitis is a very common infection which can develop over a few days. On most occasions the symptoms will go within a week but it is not uncommon for it to last for 2-3 weeks. Sinusitis persisting for longer than 12 weeks is termed 'chronic' sinusitis.

Triggers for sinusitis

In most people sinusitis is triggered by a viral illness such as a cold or flu-like illness which may spread to the sinusitis. Most of these will clear themselves with time. Occasionally bacteria may become involved and thus worsening the infection.

Another common trigger for sinusitis is swelling of the nasal passages due to an abnormal immune response. This can occur in response to pollen (hayfever) or dust mites (allergic rhinitis) as well as many other allergens. The natural immune response can be abnormal in pregnancy as well as conditions such as asthma and sarcoidosis which can all lead to sinusitis. Occasionally sinusitis may be caused as a result of obstruction of the draining canals by a polyp or foreign body. In some cases infection may spread to a sinus from an infected tooth.

Smoking is well documented to increase your risk of developing sinusitis.

Symptoms of Sinusitis

The most common symptoms of sinusitis are pain and tenderness over the infected sinus. The pain is often worse when bending over. Often sufferers may complain of a frontal headache. There may also associated symptoms of a blocked and runny nose with decreased senses of smell and taste. Sufferers may feel feverish and have other symptoms such as bad breath, toothache, cough, tiredness or feeling of pressure/fullness behind ears.

In loving memory of a dear father

Patrick J. Cronin

**Rathcomane, Ballyhar, Killarney.
Who died on May 25th 2008**

*He went away without farewell,
He said goodbye to none,
But Heavens gate was open wide and a loving
voice said 'Come'.*

*Beside his grave we often stand
Our hearts are tired and sore
But through the gloom
There comes the words,
"Not dead, just gone before".*

Sadly missed and always remembered by your
son Brendan and daughter-in-law Noreen.

Anniversary Mass on Sunday May 25th at
10am in Ballyhar Church.

**Rathcomane, Ballyhar, Killarney.
Who died on May 25th 2008**

*Gone is the face we loved so dear,
Silent is the voice we loved to hear,
Too far away for sight or speech, But not too far
for thought to reach,*

*You still live on in the hearts and minds,
Of the loving family you left behind*

Forever loved and missed by your
Granddaughter Claire and Grandson's Adrian
and Kevin.
