Welcome to this week's Killarney Outlook.... if you are in the process of upgrading or buying a new or second hand car - then you came to the right place.... we have a comprehensive motor guide in this week's magazine. Killarney Municipal District got a new look this week, a Killarney couple are going to hell and back in memory of their baby daughter and Killarney Gardaí held their annual primary schools 7-A-Side Blitz. There was lots of fundraising walks taking place last weekend including Faha NS and Gaelscoil Faithleann and we have lots of pictures from these fun occasions. Killarney Lions Club went golfing to raise funds for Buy A Bus and walkers danced a set on Strickeen for the same charity. The Women's Rugby World Cup was in town and its Ready Steady Go for Run Killarney 2017. With reports of a sunny weekend in store for Killarney - enjoy our beautiful town and stay safe on the roads.

Dignitaries from the Killarney Municipal Area gathered yesterday, Thursday, to unveil the newly improved facilities for members of the public and a new meeting room at Killarney Town Hall. The meeting room will facilitate meetings of the Killarney Municipal District and other events and was officially opened by Cathaoirleach, Cllr Brendan Cronin, whose father, PJ Cronin opened the Council Buildings in

Tralee when he was chairman of Kerry County Council in April, 1989.

Killarney Town Hall has been renovated recently to enhance the public counter area at the main foyer for the benefit of customers and those availing of services at the MD office. There are currently 33 council staff based at the offices on Kenmare Place including the new Municipal District Officer, Eileen O'Donoghue, new

Municipal District Engineer, John Ahern and the new Tourism and Economic Development Officer, Maria Ní Cheallaigh.

Meanwhile, a new crest and chain of office for the Municipal District (MD) has been unveiled. The MD had been using the chain of the former Killarney Town Council which has now been replaced by a new one bearing a crest designed to reflect the various aspects of the wider Municipal District area

including the lakes, the mountains, the ancient literary traditions from the Annals of Innisfallen and the unique musical heritage of the wider area.

The piece was designed by Catherine Conway, a Kilkenny-based designer, and incorporates elements of the natural environment, landscape, cultural, literary and built heritage, and other aspects of the district.

## KILLARNEY COUPLE GO TO HELL AND BACK FOR CHARITY

Killarney man Johann Ashe, his partner Sheila Mc Carthy and son Cian will be taking part in the Hell and Back 12km obstacle course on Killruddery Estate, Bray, Co Wicklow tomorrow, Saturday the 17th in aid of the Jack & Jill Children's foundation and in memory of their daughter Molly McCarthy-Ashe. This is the second event they are attempting to raise funds for the charity as they did a charity parachute jump last year. "We needed the services of Jack & Jill and it's such an amazing charity that gives home help to sick kids and their families. My partner and I had 3

of the best nurses in Sheena O'Sullivan, Karen Lovett and Cathy Kerin's looking after little Molly. It's a charity that's very close to my heart and I will always do what I can for them" said Johann. They will be taking part in the gruelling obstacle course, said to be one of the toughest in the country along with nurse Karen Lovett and husband Tom, friend Frank Culloty and wife Joanne, friend Alan O'Sullivan and nurses Aisling Devitt, Michelle Conheady and Michelle O'Loughlin. The course consists of a trail route crossing rivers and lakes, climbing hills and mountains and crawling through

# WILD AND WINDY IN THE WEST

PICTURES: VALERIE O'SULLIVAN

Over 1000 athletes from all corners of Ireland and Europe descended on Dingle and its Peninsula for the epic Dingle Adventure Race 2017. ## KILLARNEY TO CELEBRATE 232 YEARS OF ROWING ON SUNDAY 25TH

The sport of rowing, which dates back to the early 1800s, is almost as old as the town of Killarney and currently all six local clubs are gearing up for the annual Regatta at O'Mahoney's Point on Sunday, June 25th. Rowing is certainly the oldest sport in Killarney and on checking through old records it is noted that during the 1800s the only sporting events held locally were the annual Regattas at Innisfallen Island and the Races which were held at Coolcorcoran prior to the opening of the present racecourse at Bunrower, while golf was played on the old course at Deerpark prior to the opening of O'Mahoney's Point.

Currently there are six rowing clubs in Killarney. While we have no information regarding the founding of the Muckross clubs there are indications that the club was active in the early 1800s, making it the oldest club in the area.

Commercials, originally known as The Drapers based on its long and close links with the business life of Killarney, was founded in 1886 and after a period of inactivity is now up and running with a new clubhouse and excellent facilities down at Ross Castle. Back west of the town we have Fossa, once known as Aghadoe Boat Club, and this club has a long tradition of rowing since its formation in 1893.

Back down at Ross Castle we have St. Brendans, founded in 1895, and this club was once known as Lough Lein Rowing Club and beside them we have Workmen, founded in 1920, while out in Cahernane we have Flesk Valley, founded in 1924. St. Finans, now defunct, was formed in 1952 by the staff of the now closed St. Finans Hospital. While Commercials have close links with the commercial life of the town, other clubs including Muckross, Fossa, and Flesk Valley were once closely linked with the aristocracy, notably the Herberts, Vincents, and McGillicuddy families. Those links have been perpetuated in the names of the Regatta

trophies.

In earlier eras Regattas were held off Innisfallen Island and Cahernane Bay before moving to the present course at O'Mahoney's Point and the committee are deeply indebted to the management of Killarney Golf and Fishing Club for making their facilities available since 1954. Much has changed over the years and while the Regatta was the sole event for the rowing fraternity of Killarney, clubs from the area now compete regularly at National and International rowing events and of course it must be noted that three rowers from Killarney, Paul Griffin, Sean Casey, and Cathal Moynihan competed

for Ireland at the Olympic Games.

Coastal rowing is also proving most attractive, and local clubs have enjoyed much success at Coastal Regattas.

This year's Regatta Programme will be officially launched at the Avenue Hotel on Thursday, June 15th, during which the contribution of the sponsors will be recognised and also a winning club from 25 years ago will be honoured. The participants for the Regatta Queen Contest will also be introduced on the night. This year's programme of 17 races, including both Mens and Ladies Races, will commence at 9.30am at O'Mahoney's Point on Sunday, June 25th.

## JOHN EGAN UNVEILING THIS WEEKEND

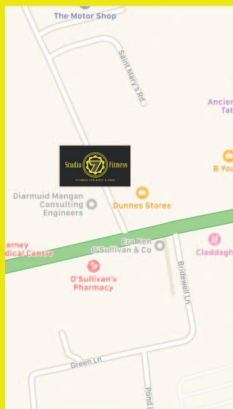

The unveiling of a memorial to the great John Egan of Sneem will take place in the village on Saturday next commencing at 4pm. The memorial will be unveiled by the quartet of Mick O'Dwyer, Micheál Ó Muirceartaigh, former playing colleague of Egan's Jimmy Deenihan and former Cork stalwart Niall Cahalane who was a great friend and confidant of the former Kerry great.

## SUN 'SET' ON STRICKEEN

THE BRAVE SOULS... INSTEAD OF A SUN 'SET' ON STRICKEEN, THE HARDY SET DANCERS SETTLED ON A STORM SET AT THE FIRST BRIDGE AT THE GAP OF DUNLOE, THE RAIN AND GAIL FORCE WINDS FAILED TO DAMPEN THE SPIRITS FOR THE VERY WORTHY CAUSE - 'BUY A BUS' CAMPAIGN, -THE CHARITY KERRY PARENTS AND FRIENDS, WHICH HAS PLAYED AN ENORMOUS ROLE IN THE LIVES OF FAMILIES IN KERRY, LIVING WITH INTELLECTUAL DIFFICULTIES. THE EVENING WAS LED BY AGNES ROONEY, THE DRIVING FORCE BEHIND THE CAMPAIGN, IN CONJUNCTION WITH KILLARNEY WALKING FESTIVALS CHARITY EVENING. THE GROUP RAISED OVER €860 IN JUST AN HOUR. THE WINNERS OF THE COLUMBIA WALKING SHOES, DONATED BY O'SULLIVAN'S OUTDOOR STORE WERE, MARY O'LEARY AND PAT MORIARTY. Walkers who took part in the Kerry Walking Festival charity climb of Strickeen last Friday, didn't forget their dancing shoes. The organisers of the Walking Festival organised the 'Sun Set' event to raise funds for the Kerry Parents and Friends Association's Buy A Bus campaign. The charity Kerry Parents and Friends has played an enormous role in the lives of families in Kerry, living with intellectual difficulties. The 'Bus Fund' is the initiative of Agnes Rooney, who is a full time carer for her sister Mairead, since their mother's passing in 2015. Mairead has Down's syndrome and has been helped by the group for decades. Agnes says she'd "be lost without the association's assistance" and is determined to push the campaign to raise €60,000 to purchase a wheelchair-accessible bus for the charity. The current fleet of 17 buses is

deteriorating with no funding for replacements. Agnes says "These buses take Mairead and her friends to work, home, hospital appointments, social training, respite and holidays. They travel all over Kerry and truly support them and their families in ways that the greater community may not understand." The rain didn't dampen spirits as the Charity walk departed Kate Kearney's Cottage, Gap of Dunloe, at 7.30pm. Walkers danced a Kerry Polka on the summit, to the music of tin whistles and bodhráns. Plenty of fun was had and, importantly, funds were raised for a great cause. The 'Buy a Bus' campaign is also one of the beneficiaries of the Ring of Kerry Charity cycle this year, Agnes is actively seeking Cyclists to register for the 'Buy a Bus' charity on the Ring of Kerry Website.

## GOLFING LIONS HELP TO BUY A BUS

STANDING FROM LEFT ARE LAURENCE O'KEEFFE, DAINIUS GRABASUKAS, THOMAS MCCLOSKEY, MICHAEL CRONIN, PADRAIG CRONIN, LIAM RYAN, JOHN O'CALLAGHAN, ALAN MCARDLE, BRENDAN LYNCH AND GERARD QUIRKE. PICTURE: EAMONN KEOGH

The Buy a Campaign is the beneficiary of this year's Killarney Lions Club charity golf event. The Killarney Lions Club host a unique charity golf event each year at the Killarney Golf and Fishing Club. "What really makes this event stand out from others, is that although it's organised by the Lions, it could not be held without its sponsors and benefactors", Con Stack, President of the Killarney Lions Club told the Killarney Outlook. "To get an 18 hole

Golf Course for the day is difficult, getting one at Killarney Golf & Fishing Club is another matter entirely", he said. "And to make the day even more special, the refreshment (breakfast or lunch, depending on the time slot) were sponsored by the Five Star Aghadoe Heights Hotel, with the hotel staff overseeing everything from kitchen to table", Con added. "This Fourball event, also has some superb prizes sponsored by Tricel, and a Marquee from

O'Keeffe's Rathmore. Loads of people make this a special event" said John O'Callaghan one of the main committee organisers for the Lions Club.

This year the Lions Club are supporting Kerry Parents and Friends and their Buy a Bus Campaign.

Killarney woman Agnes Rooney decided to get in gear to take action when she discovered many members of the local community face difficulty in going about their daily lives because of the lack of wheelchair-accessible transport. When she enquired about difficulties with one particular bus carrying her sister Mairead, she was told that the fleet of 17 buses are deteriorating with no funding for replacement."

Agnes said.

"These buses take Mairead and her friends to work, home, hospital appointments, social training, respite and holidays to name but a few. They travel all over Kerry and truly support them and their families in ways that the greater community may not understand."

With the help of fellow locals, including former Kerry Parents & Friends CEO Tony Darmody, Conor Hennigan, Denis Casey, Gabhan O'Loughlin and Ger Counihan, Agnes swept into action to organise a series of fundraisers. The Lions club were delighted to aid this great cause with a hefty donation of €5,000 said Con Stack, President of the Killarney Lions Club.

Last Monday was a fantastic day for Killarney Rugby Football Club (KRFC) and especially for all those involved in girls rugby in the club as they welcomed the Women's Rugby World Cup Trophy to Killarney. First up they brought the trophy out to Beaufort where a fantastic welcome was given at Cullina National School. The children were kitted out in their jerseys and gave a rousing version of Ireland's Call, followed by an amazing Haka 'As Gaeilge'. Then the students got some great photos with the trophy. The trophy was then taken to Faha National School, where they received another fine welcome. All 189 kids got a class photo

taken with the trophy and some excellent questions were asked about the history of the world cup and about rugby in general. They then moved on to the third and final school - Fossa National School where all the children got to see the trophy and more songs were sang in honour of the historic visit. Killarney Rugby Club would like to thank the principals of the schools Maire Bn Ui Chroinin - Cullina, Jerry Fitzgerald - Faha and Pat Clifford - Fossa for the huge welcome on the day and to the children for the enthusiasm shown. All the children were delighted to see the trophy up close. On Monday evening, KRFC welcomed

the trophy to their pitches at Aghadee. Minis, players, parents and coaches came along to get their photo taken with the trophy and Ireland Women's International Ciara Griffin was the guest of honour. The girls of the KRFC really enjoyed the visit. A huge thanks must go to Community Relations Officer with Munster, Minis Coordinator Liam Murphy and Coach and Female Liaison Officer Denise Treacy for spending the entire day travelling to the schools promoting girls rugby with the trophy and for all the hard work done to ensure as many people as possible got to see the trophy.

Members of Mid Kerry Autism Support Group and Friends with the proceeds raised from Charity walk on Easter Monday 17th April from The Red Fox Inn to St Finian's Holy Well. The overall amount raised was a staggering €6,230.00.

The group would like to thank everyone that took part in the walk and bought raffle lines and auction items on the day as well as all the people that helped behind the scenes in the weeks leading up to the walk by selling lines, putting up signs, collecting prizes etc.

Thanks also to everybody that very generously gave donations and everybody that donated prizes for our auction and raffle. The money raised will go towards providing much needed therapies for all the children in our group as well as setting up youth clubs and activity camps which will help benefit the children socially and include them in their local community.

## DUGGAN TAKES POSITIVES FROM GRUELLING RALLY ITALIA

Rob Duggan claimed 6th place among the Junior World Rally Championship runners on last weekend's Rally Italia Sardinia. His finishing position however, doesn't quite reflect how successful an event this was for the former Motorsport Ireland Young Rally Driver of the Year.

In his first event with new navigator Tom Woodburn, Duggan set a string of fastest times and ended the event on a high by being the quickest JWRC driver over the final day of the rally. Duggan's speed however, was curbed by an impact with a rock on Friday while battling for the lead and his attempt to charge back up the leaderboard on Saturday was thwarted by a broken driveshaft. Duggan remains philosophical however and he's already looking ahead to Rally Poland in just a fortnight's time. "It was an incredibly tough event. The heat and the terrain were like nothing I've ever experienced but we were encouraged by our pace. Obviously it was really disappointing to have to retire on Saturday while in contention for the lead and the time penalty we received for restarting meant we really couldn't finish much higher than 6th unless people retired but we were delighted to pick up four bonus points for our fastest times over the weekend. Tom did a great job on his first rally with me and at least I know now that I have the pace to compete at this level, I just need to work on

ROB DUGGAN

my consistency. Poland isn't far away and by all accounts it's a real high speed event which should suit my driving style. Keeping out of trouble will be vital as it's really cost me on the previous rounds. Nil Solans has a healthy lead in the points now but if anything, that means there's more pressure on him. There are four rounds left and I aim to be in the hunt for all of them." After the event, Rob finds himself 6th in the drivers' standings on 20 points with leader Solans on an impressive 62 points. With a maximum score of 48 points on offer in Poland however, the JWRC title race is far from

decided and Rob cites the case of fellow Irish driver Craig Breen when he found himself in similar circumstances during his WRC Academy winning year in 2011. "After two rounds, Craig was 45 points adrift of the series leader. He battled back to clinch the title on the last stage of the last rally, so we aren't going to throw in the towel." To keep up to date with Rob's exploits make sure and visit [www.robduffgan.com](http://www.robduffgan.com) and follow Rob on Facebook, Twitter and Instagram. Rob is supported by Rentokil Initial, CB Toolhire, DMACK Tyres, M-Sport and the Team Ireland Foundation.

## TWO MILE SCHOOL TO REOPEN

BRENDAN GRIFFIN TD

Kerry Fine Gael TD, Brendan Griffin, is warmly welcoming confirmation that the Two Mile National School, Killarney, is to re-open as a Community National School this September. The school did not open last September and has been empty since then. In January of this year, Deputy Griffin organised a meeting between local people and officials from Kerry Education and Training Board to explore the prospect of the school becoming a Community National School. Arising from this exploratory meeting, a wider consultative meeting was organised by the local community, where Deputy Griffin was called upon to formally witness the unanimous support in the community for the Community School proposal. Since then, formal efforts have been ongoing to finalise the process of re-opening the school and Deputy Griffin has been liaising closely with the local community, Minister for Education and Kerry ETB.

"I am delighted that this day has come, after many months of hard work by the local community, Kerry ETB and the Bishop of Kerry. "I am glad to have played my part in ensuring that this fine school will re-open in September to serve the needs of the local and wider community. "I want to pay tribute to everybody involved in this effort and it is great to have such a positive outcome", Deputy Griffin told the Killarney Outlook.

## COUNCIL MATTERS

**Cllr B Cronin:** To request the urgent resurfacing of the road from Woodlawn Junction to Dromhall Park as this road is in terrible condition.

**Reply.** Resurfacing works on Woodlawn Road from Woodlawn junction to Dromhall park is scheduled to be carried out in Quarter 3 of 2017.

**Cllr B Cronin.** To ask the Roads Department to urgently provide improved safety measures for the residents of Port Road Killarney, to address their serious concerns regarding speed of traffic and road safety when exiting their homes, also pedestrian safety and also to address the surface of the road which is deplorable.

**Reply.** Killarney Municipal District will carry out speed surveys along Port Road to determine if vehicles are travelling in excess of the 50km limit. If these surveys indicate that vehicles are travelling in excess of the speed limit, then a feasibility report will be prepared and submitted to the TII. This section of road has been submitted to the TII for a pavement improvement and the Council are currently preparing pavement design documents for submission to the TII for funding available.

**Cllr B Cronin.** Has progress been made on my repeated requests to make the public toilets in the High Street car park accessible for people with disabilities. **Reply.** A proposal has been developed and we are currently investigating a funding stream for these works. The proposed new design layout will also be discussed with local disability representatives. **Cllr B Cronin.** To request Kerry County Council to carry out urgent repairs to damaged bridge parapets on our rural road network, in particular both sides of the bridge between Rathcomane cross and the railway crossing.

**Reply.** Kerry County Council are currently pricing the works required on various bridges which have damaged parapets including the one between Rathcomane and the level crossing. It is hoped the work the work will progress early in Q3 of 2017.

**Cllr. Maura Healy Rae:**

How many grave spaces were left in Aghadoe graveyard.

**REPLY:** The council explained that there is currently 28 double plots and 6 single plots. The councillor then asked how long the council believes the CPO process will take; how much it will cost and where will the finances from a CPO come from.

**The council replied:** "The CPO for the new graveyard was published on 3rd May 2017 and was on display until 7th June 2017. Parties with an interest in the property being compulsory purchased have until 22nd June to lodge an objection to An Bord Pleanala. If no objections are received by An Bord Pleanala by the specified date, Kerry County Council can confirm the CPO and commence the development process".

**CLLR. MAURA HEALY RAE:** In relation to a number of dangerous junctions around Killarney has Kerry County Council received any report from the TII as to what is going to be done with the Lewis Road, Madam's Hill and Coolcaslagh and I highlighted that urgent action needs to be taken. I also reiterated that I had previously requested that the speed limit be reduced between Lissivigeen and the Pike Hill and at Madam's Hill.

**The council replied:** "In relation to Coolcaslagh, the NRDO in Castleisland is currently preparing a feasibility study for traffic calming proposal from Lissivigeen School to Daly's Roundabout". KCC also said in relation to Madam's Hill that the junction is "being reviewed by the NRDO and a feasibility study will be forwarded to the TII for safety works". An official from the NRDO office assured those present at the meeting that at the next meeting of the Killarney Municipal District in July that a proposal will be shown to members in relation to the Lewis Road junction.

### WHY SHOULD YOU REVIEW YOUR PENSION?

As you have probably seen or read in the news recently pensions are being discussed very often. This shows how important pensions are, so if you have a pension it is very important that that you review your pension regularly. You may or may not be contributing to your pension anymore but it still needs to be reviewed. You need to know what kind of pension you have and what funds your pension is invested in. Your pension could be invested in very high risk funds which means that the value of your pension could substantially decrease or substantially increase over a very short period of time. You also need to look at the fees and charges associated with your pension, there may be more competitive options available to you where the fees and charges are less. If you do not review your pension you will not know if your pension is increasing or decreasing in value or if your pension is on track to get you the income you need at retirement. So whether you are currently contributing to a pension or have a pension that you paid into in the past it is very important that your pension is reviewed by an independent advisor regularly.

To discuss this or any other financial matter you can contact Dermot Cronin QFA APA (Pensions, Investments, Loans, Life Assurance) at 0646622775 or [dermotcroninifa@gmail.com](mailto:dermotcroninifa@gmail.com)

## PLAY YOUR ROLE IN IMPROVING THE HEALTH & WELLBEING OF PEOPLE

In recent years' addiction is becoming an increasing problem in Ireland, with the Government pledging to increase funding in the area of mental health initiatives as part of the national counselling service. Counselling and psychotherapy are growing and evolving professions in Ireland and internationally. It was therefore with great excitement that the Institute of Technology Tralee, in partnership with Cuan Mhuire in Athy, have launched a four-year BA (Honours) in Counselling with Addiction (Level 8) along with a One Year Add-On Programme (Level 8).

A new addition to the School of Health and Social Sciences, this degree course was launched at an event held in the IT Tralee with special guest, Sr. Consilio in attendance. Sr. Consilio, is the founder of Cuan Mhuire, Ireland's largest provider of residential detoxification and treatment for those suffering from addiction. It is her tireless, lifelong work in helping individuals and families suffering from addictions to drugs, alcohol and gambling that resulted in her many honours including Person of the Year in both Kerry and Athy, and an honorary MBE by Queen Elizabeth II in 2011. The BA (Honours) in Counselling with Addiction, delivered by a team of experienced practicing addiction counsellors and third level academic staff in Cuan Mhuire/Galilee House of Studies, Athy and IT Tralee, will provide systematic training to students in counselling theory and practice at a level that prepares participants to counsel in a variety of settings

and to use various counselling approaches.

The One Year Add-On programme was development in direct response to incoming regulation which states graduates of counselling and psychotherapy programmes completing studies in 2019 will be regulated under CORU (Ireland's multi-profession health regulator), and all of the relevant Irish professional bodies will require practitioners in counselling to hold, as a minimum entry qualification, a NFQ Level 8 (Honours) degree in counselling. This one year programme will facilitate holders of an NFQ

Level 7 qualification in counselling to up skill and bring their qualifications in line with this upcoming change in regulation.

IT Tralee are now accepting applications to both the BA (Honours) in Counselling with Addiction Degree and its One Year Add-On course, with Friday 30th June marking the closing date for applications. ## CAIRN OF PEACE TO BE ERECTED IN KILLARNEY

A monument to commemorate Killarney's staging of the second ever World Ploughing Championships in 1954 is to be built and erected in the town. Wherever the international competition is held, it is established tradition for the host venue to erect a cairn of peace to mark the event but, for a variety of reasons, that didn't happen in Killarney 63 years ago when ploughing experts from throughout the world gathered to compete at the venue in Gortroe, Fossa.

But now, thanks to the initiative of the Killarney Valley Classic and Vintage Club – organisers of the annual South Kerry Ploughing Championships and Harvest Show – the cairn is finally being commissioned.

Club chairman, Tom Leslie, enlisted the support of Mayor of Killarney and ploughing enthusiast, Cllr Brendan Cronin, who secured agreement from the Killarney Municipal District Council to provide a suitable site for the development.

Council engineers Kieran O'Halloran and Breda Mulryan suggested four possible locations and National Ploughing Association organisers, Anna May McHugh and her daughter, Anna Marie, visited Killarney this week to visit the four sites and to nominate their preferred option. The chosen location is a green space opposite St Mary's Cathedral, close to the entrance to Killarney National Park on Mission Road, and work will now commence on designing the cairn which will be floodlit by night.

AT THE PROPOSED SITE FOR THE CAIRN ON MISSION ROAD WERE, FROM LEFT, ANNA MARIE MCHUGH, WORLD PLOUGHING CHAMPIONSHIPS, KIERAN O'HALLORAN, KERRY COUNTY COUNCIL, ANNA MAY MCHUGH, NATIONAL PLOUGHING ASSOCIATION, BRENDAN CRONIN, MAYOR OF KILLARNEY, TOM LESLIE, CHAIRMAN, SOUTH KERRY PLOUGHING CHAMPIONSHIPS AND HARVEST SHOW AND BRED A MULRYAN, KERRY COUNTY COUNCIL.

The McHughs, who were accompanied on their visit by Anna Marie's son, Saran, were formally welcomed by Mayor Brendan Cronin at a lunch reception in the International Hotel.

Also in attendance were Killarney Chamber of Tourism and Commerce President, Paul O'Neill, Kerry County Council management team members Kieran O'Halloran and Breda Mulryan, Killarney Valley Classic and Vintage Club chairman and secretary, Tom Leslie and Laura Wickham, Tom O'Mahony and Michael O'Halloran of the Kerry Ploughing Association and Killarney hotelier Michael Rosney who was MC for the occasion. Anna May and Anna Marie were presented with bouquets of flowers and signed copies of Valerie O'Sullivan's

book on the MacGillycuddy's Reeks while a delighted Saran was given a gift of a Kerry jersey signed by team captain Johnny Buckley. After the lunch the group visited the farm of John O'Leary in Aghadoe which commands a spectacular view of the site in Gortroe where the 1954 Ploughing Championships were held and they then visited the four proposed sites for the cairn.

Anna May, who was secretary of the National Ploughing Association when the world championships were held in Killarney in 1954, said she was absolutely thrilled that the cairn of peace is being commissioned and she looks forward to returning to town for the unveiling ceremony.

200 school children, 16 schools, a parade led by bagpiper Garda Mike Milner and the support of the Killarney Gardai set the scene for the 12th annual Killarney Garda 7 a Side Football Blitz which took place in Fitzgerald's Stadium Killarney on Monday last, June 12th.

The event which is organised by Garda Eddie Walsh is a firm favourite with school children in the area as it gives the children the opportunity to play at the Fitzgerald Stadium.

There were 4 groups of 4 with a total of 24 games before they were down to the quarter final stage. The semi finals were Fossa V Loreto and Kenmare V St. Olivers. The final was contested by Fossa V St. Olivers with Fossa winning the Killarney Garda Annual 7 a Side Blitz for the first time.

The cup was presented to their captain Sam Buckley, by Supt Flor Murphy, Tom Spillane (Auctioneer/sponsor) and Garda Aidan O'

Mahony, former Kerry footballer. The female player of the tournament was Pia Hurley, St. Olivers with Patrick Zygon, Fossa, receiving the player of the tournament, both sponsored by Tom Tobin, Killarney Trophies.

Garda Eddie Walsh thanked all involved, sponsor Tom Spillane, Auctioneer Killarney, Timmy O'Sullivan, Easi Clean Glenflesk, Tom Tobin, Killarney Trophies, Daly's Super Valu Killarney, McCarthy's Londis Rathmore, Kerry County GAA Board, Dr. Crokes and Spa GAA for the use of their goalposts on the day and John O'Connor Crash Repair.

"I would also like to thank all my Garda colleagues, especially the Kerry division for all their help on the day with running of the tournament which is now in its 12th year", Garda Walsh told the Killarney Outlook.

A special thanks to Der Brosnan, chairman of Fitzgerald's Stadium Committee, John Linehan

and Dan Joe O'Connor of Fitzgerald's Stadium for their help. "It is everyone's dream to play in Fitzgerald's Stadium, at a young age this would not be possible without the generosity of Fitzgerald's Stadium Committee". He also thanked Pat O'Shea, Munster GAA for providing tops for the winning team.

"This tournament continues to be a wonderful success which would not be possible without the co-operation of all the 16 schools taking part and the teachers and trainers", Garda Walsh added.

He also said that over the last 12 years numerous pupils that played in the tournament have gone on to play with Kerry Minors and also won the Hogan Cup, All Ireland Club title and All Ireland Minor title with Kerry and Garda Walsh had all three cups on display on the day, much to the delight of the school children present.

## KILCUMMIN NS CELEBRATE BIKE WEEK IN STYLE

Kilcummin National School marked National Bike week in style with a talk on bike safety and raffle. National Bike Week is a celebration and promotion of all that's great about bikes and cycling. "We decided to mark the occasion as part of An Taisce's Green School's 'Cycle on Wednesday' event on Wednesday, 14th June. Our Active Flag committee and our Greens Schools committee were delighted that a parent (and member of the Killarney Cycling Club), Michael O' Connor, was available to present a talk to our senior pupils regarding bike safety", Principal Gillian Sheehan told the Killarney Outlook. " Michael highlighted the critical importance of wearing helmets, being visible and following the rules of the road to his young audience. Pupils from 3rd Class to 6th Class were invited to bring their bicycles and helmets to school. We were thrilled by the remarkable turnout. The pupils were positively engaged throughout the safety talk", she added. Michael and his wife Sheila approached the bike shops in Killarney for prizes to be distributed on 'COW' day. The pupils and staff were overjoyed by the generosity of the three shops in Killarney. Sincerest thanks to iBike, O'Sullivan's Cycles and The Big Little Bike Shop for generously donating helmets, water bottles,

bells and other bicycle equipment as prizes, which were raffled in each class. The children were delighted with their prizes. Thanks also to the RSA and An Garda Síochána for supplying high visibility jackets to all pupils in the school. "There has been a huge growth in the popularity of cycling, especially in the period prior to the Ring of Kerry cycle. Cycling is a very beneficial pastime and serves to increase

physical fitness. The promotion of cycling safety is a priority for us at Kilcummin N.S. We would like to thank our speaker, Michael O'Connor, from the Killarney Cycling Club, his wife Sheila and our sponsors iBike, O'Sullivan's Cycles and The Big Little Bike Shop for their support and generosity. Thanks to Mr. O' Mahony and the Active School's committee for organising the event", said Principal Sheehan.

## GARDENING OUTLOOK

with John O'Sullivan

### ORNAMENTAL GRASSES

Ornamental Grasses can grow in a wide range of conditions. There are grasses to suit damp or dry soils, shady and sunny positions. Grasses can add great colour to any shrub bed and they also look great in containers.

Ornamental grasses don't need much feeding as this only encourages a log of growth in the foliage at the expense of flowers.

There is a large section of grasses to choose from.

There are grasses like the Pampus, which is tall to the Carex Algod which is small.

If you are planting small grasses in the garden try and plant them in groups of three rather than on their own.

Grasses are also ideal plants for containers but only choose an evergreen one such as Phormium or an Astelia as they will give you colour all year and you can plant your seasonal plants around them.

#### GREAT DAY GUARANTEED

Clr. Maura Healy Rae raised the following motions at the Killarney Municipal District meeting Rennily which are of interest to the community.

She asked if Kerry County Council could make funding available for the Maughantourig Road as it is in a desperate state. She asked if it would be possible to get funding from CLAR or could any discretionary funding be provided by Kerry County Council this year. Kerry County Council replied by saying that currently there is no funding to carry out resurfacing works on the Maughantourig Road. However, the roadway can be considered for inclusion in the Multi-Annual Restoration Improvement Programme, which is due for renewal at the end of this year. She noted that she had requested that this road be considered for this programme. Kerry County Council agreed that they will carry out minor maintenance works until funding for resurfacing works would be made available.

Secondly, she highlighted the issue with the Cullawa River and when will more works to clear the river be carried out as what works had been done were a significant help but that more works to remove silt and the river were still remaining to be done. She also noted that a commitment to do these works had been given and that the silt should be removed in the open season. Kerry County Council replied by noting that in 2013 a sum of 40,000 euro was made available by the OPW to Kerry County Council to remove bushes, shrubbery and overhanging branches along the channel of the Cullawa River. These works were completed. She asked that further funding is required to complete the clearing of the river. Kerry County Council said that an application for further funding will be made to the OPW for additional works.

### SENIORS

Our senior team played Ballydonoghue on Saturday evening in the county league in Fossa. Ballydonoghue got a dream start with three points inside the first 4 minutes, however Fossa were given a lifeline in the 12th minute when they were awarded a penalty which was tucked away by Tadgh O'Shea. Fintan Coffey and Tadgh added further points but Ballydonoghue struck for a goal in the 18th minute of the half which gave them a two point lead at half time 1-06 to 1-04. Fossa started well in the second half with two points from Fintan Coffey, however Ballydonoghue kept the scoreboard ticking over also with points of their own. In spite of the best efforts of Dara Rice and with further scores from Damien Dennehy, Colin Davidson, Lorcan Daly and Tadgh O'Shea, Fossa just could not get their noses in front and Ballydonoghue held on to win on a score of 1-12 to 1-11.

### KILCUMMIN GAA

#### CREDIT UNION CO LEAGUE RD 5

Listowel Emmetts 1-11 Kilcummin 0-14. A first half that saw us apparently total at sea and trailing by five points at the break was followed by a half of total commitment, sharpness and ability to create scoring opportunities. Indeed with a bit more luck and clinical finishing we could have come away with two points instead of one in the end credit is due to every player and substitute who turned this performance around, no doubt aided by some inspirational words at half time from team management. Our next game is against Beaufort on Saturday at 7.30 pm in Kilcummin. Team Kieran Fleming, Mikey O'Shea, Donal Maher, Damien O'Leary, Jamie O'Donoghue, Chris O'Leary 0-2 Daniel Moynihan, Matthew Keane, 0-1 Shane McSweeney, 0-1 William Maher, Daniel O'Leary 0-1, Paul O'Riordan 0-1, Oscar O'Connor 0-1, Noel Duggan, 0-6 Richie O'Connor, Ian Devane 0-1.

### CONGRATULATIONS

Congratulations to Kevin McCarthy on making his championship debut with the Kerry Seniors in Ennis on Sunday last.

Credit must go to the whole panel on getting a win in a tough venue.

FT GLENFLESK 2-13 ARDFERT 1-09.

## FITNESS EXPERT EDELE DALY GUIDES YOU TO A FIT AND HEALTHY NEW YOU...

### IMPORTANCE OF STRETCHING AND KEEPING BODY FLEXIBLE:

- Continue your cardio exercises but get stretches specific for the main muscles you are recruiting in that exercise type. E.g., walking I would always get clients to stretch the muscles in the lower extremities after every walk to ensure they don't tighten up.
- Stress can cause tightness in the body naturally so if you suspect you are one of these tight stressed bunnies, seek out stress reduction therapy such as; 1. cognitive behavioural therapy, 2. counselling, 3. Breathing techniques, 3. Join relaxation style classes such as meditation or yoga based with gentle breathing and stretching to help relieve stress in the body gently. 4. Do something you love to break from the stress (e.g. Getting out for a walk will actually help loosen you and destress your body and mind, but make sure it is followed by a stretch after, and wham!) There are many forms of stretching and assisted stretching out there so pick a one or get advice on the types and styles that will work for you. Also a trained massage therapist can help get into those deep knotted and difficult to reach areas so treat yourself to one of these every 4-6 weeks depending on how active you are. And if experiencing pain or discomfort I always advice going to your physiotherapist or doctor first as it may be a more serious issue that may need further investigations before you start exercising and making the issue worse.

If you need help with any of the issues raised above please give us a call on 087-7643449. Or if you want more info on our new functional screening packages.

### MORE TIPS NEXT WEEK...

## OUTLOOK FASHION TIP:

### TRICKS TO LOOK TALLER:

If you're not happy with your height there are a few tips to make you appear more tall. Wearing trousers or skirts that are high waisted will give the impression that your legs start where your waist does. Another suggestion is to wear nude heels that match the colour of your skin tone, as this will create an uninterrupted line and has a lengthening effect. Vertical patterns on your clothing will also be effective.

## DIET TIP

### TREAT YOURSELF:

You don't have to eliminate your favourite treats completely. This will just make you crave them more. There's no reason you can't enjoy the occasional treat as long as you stay within your daily calorie allowance.

### Beauty Tip

#### Full eyebrows:

Thin, overly pucked eyebrows can actually make you look older. So if you want to look more youthful, grow them out or fill them in with powder or gel to make a thicker arch.

## UNBLOCK YOUR CREATIVITY!

"Saying NO can be the ultimate self-care!" (Claudia Black)

According to Julia Cameron in the book *The Artists Way*, "creativity is God energy flowing through us." She says, that "when we are clear about who we are and what we are doing, the energy flows freely and we experience no strain."

I agree. However, allowing ourselves to trust our creative life force can be a scary and challenging process. Every single one of us is a creative force; whether we are creating a home, a relationship, a business or a piece of art. Living your best life is a creative process and it asks us continually, "What do you want? What is your vision?" This is where we are most likely to doubt ourselves. We put blocks in the way. We make excuses and give ourselves plausible reasons why today is NOT the day to follow our dreams. We look at others and find them so much more capable or talented than ourselves. We find endless tasks and chores to do before we make time to sit down and write, paint or even just give ourselves five minutes to day-dream. We may eat or drink too much or keep ourselves so busy that we couldn't possibly take a half hours walk!

Today's Coaching Challenge!

Become aware of where you block yourself from doing the things you want to do and making the changes you want! Instead of using your favourite way to block your creative energy try just sitting with the feelings instead! If you feel resistance or anxiety – USE it! Work with it, play with it, paint it, write about it! This is one of the quickest ways to unblock your creativity and move ahead!

## MOTOR FINANCE – BE INFORMED BEFORE YOUR SIGN UP

With the 712 car registrations on the horizon, it's important that you inform yourself on the motor finance deals that are on offer and consider all your option before signing on the dotted line.

Research conducted by the Competition and Consumer Protection Commission (CCPC) regarding consumer behaviour when purchasing cars indicated that 54% of respondents to the survey planned how much they were going to spend and how they would finance their car prior to choosing their last car, while 46% chose the car first.

Chapter 23 – Kerry and West Limerick Credit Union advise customers to set a budget when purchasing a car and stick to it, as often customers can be swayed by dealer finance on offer and commit to purchasing a car without considering all the facts.

The key difference between a credit union loan and say dealer finance, is that you own the vehicle Day 1 with a credit union loan. With PCP/Hire Purchase with dealer finance, you are effectively renting the car as you don't own it until the final repayment is made.

Helen Courtney Power, Chapter 23 Credit Unions stated "we are advising our members to be prudent when looking at car finance

and as sometimes the devil is in the detail. With PCP/Dealer Finance they may be deposits required at the start, balloon payments at the end, mileage restrictions, wear and tear, these restrictions don't apply in the credit union.

Competition and Consumer Protection Commission back up this claim. This May, the CCPC raised concerns about car finance products with the Department of Finance and Central Bank of Ireland following an increase in people buying new cars using types of hire purchase.

The commission said it was "of the strong view

that there are certain characteristics of car finance products that mean some consumers could take out a product which may not be affordable or in their best interests in the long term"

With a credit union loan, there are no fees, and no charges and you also have the flexibility of clearing your loan early without any penalty. Also, if you run into arrears, you can sell the car, such options aren't available under PCP deals, as you are essentially renting the car until the final payment is made.

The credit union offers free Loan Protection and Life Savings Insurance so in the event of your death or permanent disability your loan is cleared. With dealer finance, there is no such protection, so repayments will still have to be made or alternative arrangements made to pay outstanding debt.

Helen added "Chapter 23 Credit Unions is made up nine credit unions throughout Kerry and West Limerick, so a local credit union is never too far away. Call and ask for a car loan quote today It's worth putting in the time to study and understand the different finance options available, it will save you money in the long run" she concluded.

## TIPS TO ENSURE THAT YOUR NEXT ROAD TRIP IS A SAFE ONE

**1** Check your tyres to stay safe and save money. Well-maintained tyres provide protection against avoidable breakdowns and crashes, improved vehicle handling, better fuel economy, and increased tire life. Keeping tyre pressure at the manufacturer's recommended level increases fuel efficiency by one mile per gallon of fuel — something that's even more important in the summer when fuel prices rise.

**4** Manage summer allergies. Driving with distracting allergy symptoms such as runny eyes, frequent sneezing, congestion and exhaustion can be dangerous. Plus, many over-the-counter and prescription allergy medications contain ingredients that make you drowsy. If you're planning to drive, talk to your doctor or pharmacist to make sure your allergy medications won't impact your alertness or energy. Insulate your car as much as possible, clean and change air filters regularly and consider using plastic, washable floor mats instead cloth ones for easier cleaning and less moisture retention to keep allergy symptoms at bay.

**2** When packing for a trip, don't exceed your car's payload capacity. Your owner's manual has information about the maximum weight of all cargo and passengers your vehicle can safely carry. Before heading out, also double check that you can clearly see out of all your windows.

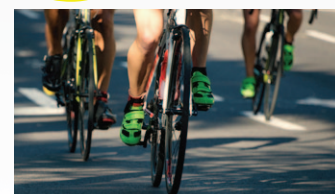

**3** Manage glare and heat. Keep sunglasses handy and use a sun shield beneath your windshield when parked to keep your car's interior heat down. Never leave a child or a pet unattended in a vehicle. The summer sun can also dehydrate you during long roads trips so always travel with plenty of water.

**5** Summer storms — and even sun showers — require extreme caution. Roads become very slippery in the first few minutes of rainfall because the rain mixes with the oil and dirt on the road. It takes about 30 minutes of steady rain to wash the oil and dirt off the road.

**6** Share the road. Warm weather means more bicycles and motorcycles on the road and a spike in road work.

## REEN'S RATHMORE WINS SEAL OF APPROVAL FOR NEW PEUGEOT CUSTOMER SERVICE STANDARDS

PICTURED FROM LEFT TO RIGHT: DAVID DOYLE, PEUGEOT NETWORK SERVICE MANAGER, GOWAN DISTRIBUTORS LIMITED; HELEN REEN, SECRETARY AT REEN'S RATHMORE; JOHNNY REEN, REEN'S RATHMORE PARTS MANAGER; BILLY CLIFFORD, REEN'S RATHMORE SERVICE MANAGER; JONATHAN RALPH, MSX INTERNATIONAL; JOHN REEN, REEN'S RATHMORE DEALER PRINCIPAL; SEAN KEARNS, HEAD OF AFTERSALES AT GOWAN DISTRIBUTORS LIMITED; TIM REEN, REEN'S RATHMORE DEALER PRINCIPAL.

Reen's Rathmore, Main Peugeot Dealers for Kerry, has successfully met new, stringent customer service standards set by the PSA Group under a programme called Organisation et Développement des Activités de Service (ODAS). Reen's Rathmore is the latest Peugeot Dealer to win a seal of approval from appointed administrators, the UK specialists, MXS International. The certification brings the total to 10 Peugeot Dealers in Ireland who

successfully meet Peugeot's new, exacting standards.

ODAS has been introduced by the Peugeot lion-brand in their worldwide bid to consistently monitor and improve customer satisfaction, with a clear objective of continued market share growth. The international framework programme assigns a Dealer score across a range of key criteria and evaluates total customer satisfaction.

During the appraisal process, Reen's Rathmore underwent the in-depth six month stringent certification process. All aspects of customer service within their Aftersales department were monitored and graded; making appointments, welcoming the customer, workshop efficiency, explanation of work, return of vehicle and post-repair or service contact.

Sean Kearns, Head of Aftersales at Gowan Distributors Limited, Peugeot Importers in Ireland said, "Reen's Rathmore has consistently demonstrated customer service excellence and best practice. During the ODAS programme appraisal period, they exceeded their customer satisfaction targets, all the while achieving a balance of workshop productivity and affordable maintenance for customers. We thank them sincerely for all of their hard work and dedication."

Reen's Rathmore has built up a strong and loyal customer base in Kerry and has been recognised by Gowan Distributors Limited, for a strong Aftersales performance. Indeed, Reen's Rathmore was crowned Peugeot Dealer of the year in both 2015 and previously in 2006.

## HOW TO SAVE MONEY ON YOUR CAR INSURANCE

Car Insurance has increased considerably in Ireland over the past 18 months to reach record levels. The many causes have been in the public arena for quite some time so in this piece I will outline how you can save money when your car insurance is due for renewal.

- Ensure you are getting all the relevant discounts that your Insurer allows. Ask about mileage discounts, value of car and having other business with the broker or insurer. Discounts may also be available for your spouse/partner having a second car.

- Review the drivers on your policy annually. Some Insurers charge for extra drivers and believe it or not some insurers offer lower quotes when drivers are added on. As Independent Insurance Brokers we know the market and can advise you accordingly saving you time and money in the process.

- Consider reducing your no claims bonus protection. Most Insurers will charge to include Full Bonus protection.

- For older vehicles ask about third party fire and theft cover – but always include windscreen!

- Consider paying in full for your policy as instalments add up to 8%

- Talk to an Independent Insurance Broker for advice. Direct Insurers will only offer the lowest value product to get the sale, this product may not allow you to drive other cars or have windscreen cover and you may get charged each time you do minor amendments during the year.

- To Save Money and not compromise on your cover you should contact Healy Insurances and get the very best local service and the best price.

## NEW VOLVO XC 60 MODEL AT BILLY NAUGHTONS

Looking every inch the shrunken XC90, Volvo has revealed the new XC60 at the Geneva Motor Show. The new XC60 will put Volvo right in the heart of the increasingly combative premium 4x4 sector, and it stands a chance of becoming the Swedish brand's biggest seller.

"We have a strong heritage in designing stylish and dynamic SUVs that offer the latest in technology. The new XC60 will be no exception. It's the perfect car for an active lifestyle, and it represents the next step in our transformation plan," said Håkan Samuelsson, president and chief executive, Volvo Car Group. Prices for the new XC60 will start at €53,950 in Ireland when it arrives in the coming months, in time for 172 registrations. Samuelsson outlined Volvo's wider model rollout that will see another small SUV, the XC40, launched in the latter part of the year and then a mid-sized S60 saloon next year. He estimates the SUV/crossover format will represent two-thirds of the firm's sales.

### Autonomous driving:

We've already covered the XC60's biggest innovation – an emergency system that takes control of the steering and prevents you hitting things (see here) and the Pilot Assist self-driving system, which is standard on the S90 and XC90, will be available optionally on the XC60.

Samuelsson says that Volvo will have an

advantage in the autonomous age, given its reputation for safety. "It's a bit like getting into a car with a driver you don't know. You sometimes find yourself moving your feet like braking in the passenger seat. Volvo will have the benefit of being a brand you can trust to get you around safely."

However it will not be cheap. Autonomous options will add significantly to the price. While VW reckon in some instances it could double the price, Samuelsson was less committal but reckons the added cost will be seen as a worthwhile investment in return for greater productivity, particularly in the company fleet market.

### Plug-in hybrid:

The new XC60 will also come as a plugin-hybrid, using a development of the T8 twin-

engine system seen in the XC90. That powertrain has been a surprise hit for the brand, representing 15 per cent of sales of the firm's big SUV. Samuelsson expects a similar sale share for the new XC60.

Volvo claims that it has 407hp and a 0-100kmh time of just 5.3secs, and its CO2 emissions will be well under the 50g/km mark.

The rest of the engine range will mirror that of the XC90 and S90, with the 190hp D4 and 150hp D3 diesel engines being the primary ones for the Irish market, for now.

### Styling:

Style-wise, the XC60 looks very much like a smaller XC90, with the same counter-sunk grille, the same "Thors Hammer" headlights and the potential for Volvo to be accused of following the same "cookie cutter" approach to styling that has plagued Audi, Mercedes and BMW of late. The cabin also lifts much from the XC90 and S90, but has a few more curves and surface changes on the fascia, so does look a little more distinctive. The centre screen boasts new functionality that makes it easier to control.

Given that the current XC60 makes up 30 per cent of Volvo's global sales, and that there seems to be an insatiable thirst for premium-badge SUVs, this new car could soon be Volvo's best-selling model.

## Citizens Information

### Know Your Rights: RETIREMENT AGE

#### QUESTION

My employer says that I have to retire when I reach the age of 65. Can an employer make you retire at a certain age?

#### ANSWER

There is no single fixed retirement age for employees. If you are employed, your retirement age should be set out in your contract of employment. The usual retirement age in contracts of employment is 65.

Many contracts have provisions for early retirement from age 60 (or in some cases from age 55) and most have provision for early retirement on health grounds. Some occupations – for example, firefighters, An Garda Síochána and the Defence Forces – have provisions for earlier retirement.

While employment equality legislation prohibits discrimination on the grounds of age, employers are still allowed to set retirement ages in employment contracts. Since 1 January 2016, under the Equality (Miscellaneous Provisions) Act 2015 an employer may set a compulsory retirement age if the employer can objectively justify the retirement age of an employee. This could be for health and safety reasons, for example, the physical demands and requirements of the job.

If an employee has reached the employer's mandatory age of retirement, this legislation provides that they may still be legitimately offered fixed-term contracts, provided that it is objectively justified. The provisions of the Protection of Employees (Fixed-Term Work) Act 2003 would still apply.

The Workplace Relations Commission (WRC) provides information on your rights and entitlements under employment legislation. For further information about your contract of employment and retirement age you can contact the WRC's Information and Customer Service at Lo-call 1890 80 80 90 or through the website, [workplacereactions.ie](http://workplacereactions.ie).

## SCHOOLGIRL SOCCER

Inters draw sees them wrap up 12 Girls Premier:

JK Sports 12 Girls Premier:

Inter Kenmare 1-1 Listowel Celtic

Inter Kenmare secured the point they needed to see them crowned JK Sports 12 Premier Champions. They went into the last game of the Division 2 points ahead of the North Kerry girls who were their closest challengers.

Chloe Cremin got the all-important goal for Inter Kenmare with the excellent Molly Foley also involved in a very good team performance.

Daly's Supervalu 13 Premier:

It was always going to be a tough ask for a B team to play in a Premier division and so it turned out for The Park B. However to their credit they gave it their all in every game. In the last game of the Division 3rd placed Listowel Celtic defeated The Park B 5-0 thanks to an Aoife Horgan hat trick and goals from Anthony Kavanagh and Kieran O'Carroll.

### RESULTS

Kerry District League: Dingle Bay Rovers 5 Killarney Celtic 2

We suffered just our third defeat in 17 league games against Dingle on Friday night, leaving us with everything to play for in our last game against Fenit Samphires. Matt Moynihan and Cathal O'Shea were on target for us but it wasn't enough against a very sharp Dingle outfit - there is a reason why they are reigning champions. As things stand now, ourselves and Athletic are joint table-toppers, with Dingle and Fenit just a single point behind. Things are about to get very interesting - hopefully the great support we have enjoyed all year will get behind us again for the last push!

## KILLARNEY ATHLETIC NOTES

### RESULTS

#### DENNY PREMIER A

Killarney Athletic 2-0 Listowel Celtic Premier A

Killarney Athletic 2-0 Listowel Celtic

A great win for the senior side on a wet and blustery night at Woodlawn. With both teams with a chance of progressing to the league final, a loss to either side would be a damaging result. Athletic played into the Ferndale end in the first half and couldn't tuck away one of the chances created. Brian O'Connor and his defence were well on top at the other end to leave the half time score 0-0. Into the second half and an athletic attack saw Sean Cournane upended in the box. Daithi Casey calmly tucked away the rebound after his initial penalty was saved. With the clock running out, Listowel taught they were back on level terms with a cracking shot to the top corner but an "absolute worldie" save by Brian O'Connor to deny them gave Athletic confidence and a late counter attack let Shane Doolan in to end Listowel's chances in this seasons league. Hard luck to Listowel and we wish them well for next season. A great team performance and The boys in blue need a win at home to Rattoo in the final day of league fixtures to guarantee a league final.

Annual General Meeting Killarney Athletic A.F.C Annual General Meeting on Friday 16th June 2017 at 8.00pm in Scott's Hotel. All new members welcome. It is very important for all Parents and Members to attend the AGM.

## DR. CROKES GAA NEWS

### DR CROKES 2-22 CASTLEISLAND DESMONDS 2-9

Scores came very quickly from the start of this game as we lead 0-4 to 0-1 after 5 minutes. A goal a minute later by our opponents brought the teams level. The teams exchanged points on two occasions before we reached the end of the first quarter. A goal by Kieran O'Leary in the 16th minute, followed by two points from the same player put daylight between the sides. The teams exchanged points as we went into the last ten minutes but then our opponents struck for a goal and a point to bring equality on the scoreboard, Desmonds 2-6 Dr Crokes 1-9. Just before half time we registered two points, both by Brian Looney to give us a half time lead of two points.

We were well on top in the third quarter and sent over 6 points without reply for an 8 point lead. Desmonds had the next two points but we outscored them 1-3 to 1 point in the last 10 minutes and emerged winners 2-20 to 2-9.

We have now won our first four games in the league and the Management will be pleased by this. They will not be happy that our opponents got through our defence fairly easily for the first half goals. One would have to give credit as well to Desmonds for the way they engineered these goals.

Team and Scorers: Shane Murphy 0-1 (45), John Payne, Mike Moloney, Jason Lyne, Shane Doolan, Gavin White, Ambrose O'Donovan 0-2, Mike Milner, Daithi Casey 0-3 (frees), Gavin O'Shea 1-1, Brian Looney 0-5, Kieran O'Leary 1-5 (0-1 free), Chris Brady, Jordan Kiely 0-3

Subs: David Naughton, Paul Clarke, PJ Lawlor, Mark Egan, Mike Casey.

## UNDER 12 GIRLS

The clubs U 12 ladies have had two victories in the county league, since their last report. On the evening of her 11 th birthday, and playing at no.11, Leah McMahon led her team to a home victory over Moyvane. She played the captains role in scoring the teams first goal of the night and had 1-03 scored by the final whistle. This game started off at a lightening pace and the visitors had a point and a goal for their first two scores. Both teams were evenly

matched for the early exchanges. The score of the game was started when Alicia Keane made a great interception and after making great space for herself combined with Ella Bartlett and Gráinne Byrne who whipped it over the bar for a great team score. On the night, Jocelyn Hickey, who had a new role at wingback did trojan work and clocked two points for herself, and Ali O' Donoghue got a taste of playing in the forwards, for a change, and scored a point from distance. Over the two games (the second v Austin Stacks B), defenders Selina Thawiset, Laura O' Shea, Ester Greene and Teagan O' Sullivan were in no mood for letting their opponents get a grip on proceedings. Holly Cronin, along with Amy Clifford both made telling saves in both matches. Ella Barrett, Sinead Byrne and Siofra Randles all pushed the team forward when it was needed. The midfield combination of Pia Hickey and Katie McCarthy logged 3-05 each over the two games, Sinead Oliver who is revelling in her role in front of goal had 6-02, Sarah Cooper (1-07) and Leah McMahon 2-06.

## GIRLS U14 DIVISION 4 B FINAL

On a very wet and windy Friday evening June 9th Dr Crokes u 14 girls made a return journey to Castlegregory for Division 4 B final. Dr Crokes were smarting from the result of the first meeting of this pair a few weeks previously but were determined to come away with the spoils on this occasion. Dr Crokes didn't disappoint. They were 2 Goals and a point ahead against a stiff breeze before Castlegregory registered their first point with Crokes Pia Hickey 1-1, Kym Murphy with a soccer style goal and Kate O Donoghue also pointing. However Castlegregory kicked into gear and in the half time score was 3-1 a piece. Jade Potts adding the 3rd goal for Crokes. The 2nd half favoured Crokes and although both teams were evenly matched it was Crokes who were better able to deal with the Castlegregory attack with superb defending from Captain Megan Graham Emma Kelly Rocha Clifford Debbie Maye and Ellen Moloney and brilliant interceptions and blocking from Holly Power helped by some great goal keeping from Faith Lockett. A super 45 kick from Holly Power was allowed to bounce and it went over the Bar putting

Crokes in the lead by a point. Castlegregory tried but could only manage a single point in the 2nd half and with Pia Hickey and Jade Potts running at the Castlegregory defence, Crokes added 3 more points, Jade Potts with two and Jess Leahy pointing from close range. Crokes forwards Sarah McMahon Kelly O Sullivan and Rebecca Flynn were on the ball for several attacks. All of the Crokes panel had a run and there were some great performances from subs Amy Leahy Lucy O Leary. Aldeen Mullins Lisa Lenihan Emma Fleming and Ava McCarthy. Out due to injury were Amber O Sullivan and Megan Lenihan. All in all a great spectacle for Kerry Ladies Football and Dr Crokes deserving winners on a score line of Castlegregory 3-2 Dr Crokes 3-5.

## LOTTO

## KILLARNEY CAMOGIE CLUB NOTES

The club ran a very successful open day in Barraduff on Sunday 12th June. This was made possible with the assistance of the board of the Barraduff Community Pitch. A huge thank you goes out to the board.

The open day was very successful with over 20 girls attending from the area. The girls ranged in ages from 5-14 years of age.

The day consisted in an introduction to basic Camogie skills such as correct grip to how to swing the hurl properly. There was also an obstacle course which incorporated more advanced skills. All girls appeared to enjoy the games we had at the end of the event. Hopefully we will see some of these girls at training in Killarney in the near future. Thank you to all their parents for bringing them along.

A big thank you to Ceara Moore for organising the event also.

Training will switch to Legion Gaa pitch as of Monday. Thank you to the Club for hosting us again this Summer.

## LEGION GAA NEWS

### A GOOD TEST

Well done to Kerry who overcame a stern test in Ennis to qualify for the Munster Final. The club was well represented by Brian Kelly, Jonathan Lyne and man of the match James O Donoghue who registered a handsome 9 points on the scoreboard.

### CO.LEAGUE

Listry 1-6 Killarney Legion 0-12

The seniors kept their unbeaten run in the county league intact after a 3 point win away to a dogged Listry side. It was very much a "curate's egg" performance - at times very good and more times not so. While never really in danger of losing, for the amount of possession they had the margin of victory should have been wider. Still the tricky wind made it difficult

for both sides hence the low enough scoring. Jamie O Sullivan was the fulcrum around which the Legion threat lay and he was scorer in chief with a haul of 7pts. to his name. The ever reliable Chris Davies chipped in with two and Billy McGuire, Jack O'Neill and Denis Sheahan all hit singles. A converted Listry penalty narrowed the gap to just a goal with 10 minutes left but the response was good and with Danny Sheahan, Ciaran Lyne and the impressive Sean McCarthy all going well they eased to the final whistle to take the two points.

### SENIOR COUNTY LEAGUE

Our seniors - sponsored by Larkin's Bar and Restaurant and Kelly's Londis Top Shop, were very unlucky at the weekend - beaten by the narrowest of margins by Dingle in Round 5 of The County League - Division 1.

The home side played with wind advantage in the opening half but it was the visitors who got off to the better start.

Dingle opened the scoring but a Jack McCarthy pointed free had the sides level after 5 minutes. Four unanswered points including the efforts of Barry O'Sullivan and Conor Geaney saw Dingle lead 0-5 to 0-1 after 15 minutes.

However the second quarter saw the home side reply with points from Jack McCarthy and Jeremiah Hayes and a Jerome Flynn goal gave them a lead of 1-05 to 0-6 at the break.

Two quick fire points by Dingle on resumption saw the sides level. A point from Gavin Horan saw MC resume the lead in the 35th minute but that was to be their last score for the next 20 minutes. In that time, Dingle scored 6 unanswered points giving them a comfortable lead and they looked like certain winners.

However, in the last 5 minutes, MC rallied. A cracker of a goal by Donal Dennehy and a Donal Kelliher point saw the bare minimum between the two sides as the game headed into injury time. However MC couldn't get that all important score and so Dingle went west with 2 very valuable points. MC face An Ghaeltacht in 2 weeks time. Final Score: Dingle 0-14, Milltown Castlemaine 2-07.

## COMMERCIAL ROWING CLUB

After a number of lean years the good news for the rowing fraternity of Killarney is that Commercials will be making a comeback at the 232nd Killarney Regatta at O'Mahoney's Point on Sunday June 25th when the club will be competing in at least two races and are confident of improving on last year's performance.

### GAA LINKS WITH COMMERCIALS

While perusing through old records in recent weeks it has emerged that a number of GAA personalities have been involved with the club in various decades and examples are as follows, Denis "Gunner O'Brien" who was a noted footballer with Legion and also a talented hurler with Killarney during one of its most successful seasons of the 1950's and also had time to stroke Commercials to senior victory in 1960 and 1962. Johnny Culloy who holds five senior All-Ireland medals was a member of the club's juvenile crews before winning a senior title with St Finians, John Joe Sheehan who won senior All Ireland medals with Kerry in 1953 and 1955 rowed for the club during the 1950's Jimmy Redpath also a footballer and hurler of note rowed in the juvenile grade, Henry Clifton also a member of winning crews of 1960 and 1962 was also a talented hurler. Pat O'Meara of College Street a long time player and officer with Legion and who won a junior all-Ireland football medal with Cork won a junior race with the club in 1940 while John Joe Healy who rowed in all grades with the club was also a footballer of note with Spa. If readers can inform us of other GAA links we can publish them in our weekly notes.

## KILLARNEY RFC NOTES

### WOMEN'S WORLD CUP VISITS KILLARNEY

Last Monday was a hectic one all involved in girls rugby in the club as we welcomed the Women's Rugby World Cup Trophy to Killarney. We literally had the trophy for the day and first up we brought the trophy out to Beaufort where a fantastic welcome was given at Cullina National School. The kids who were kitted out in their jerseys gave a rousing version of Ireland's Call, followed by an amazing Haka 'As Geailge' and got some great photos with the trophy. Then it was onto Faha, where we received another fine welcome. All 189 kids got a class photo taken with the trophy and some excellent questions were asked about the history of the world cup and about rugby in general. Then we moved tour third and final school - Fossa National School where all the kids got to see the trophy

and more songs were sang in honour of the historic visit. A huge thanks must go to the principals of the schools Maire Bn Ui Chroinin - Cullina, Jerry Fitzgerald - Faha and Pat Clifford - Fossa for the huge welcome on the day and to the children for the enthusiasm shown. The kids were delighted to see the trophy up close. Then on Monday evening, we welcomed the trophy to our pitches at Aghadoe. Minis players, parents and coaches came along to get their photos taken with the trophy and Ireland Womens International Ciara Griffin was the guest of honour. It was a privilege to have the trophy at Aghadoe and it was so great to see our KRFC girls enjoy the visit. A huge thanks must go to Community Relations Officer with Munster, Minis Coordinator Liam Murphy and Coach and Female Liason Officer Denise Treacy for spending the entire day travelling to the schools promoting girls rugby with the trophy and for all the hard work done to ensure as many people as possible got to see the trophy.

## KERRY PITCH & PUTT

Last Sunday the Deerpark Pitch & Putt Club hosted the Kerry County Stroke-Play Finals. While the weather was wintry at best with high winds over fifty players competed.

In the ladies grade it was local Sheila O'Donoghue who won out with Tralee's Lisa O'Connor pipping Sheila's sister Eileen Switzer on back eighteen for the second spot.

The Junior grade produced something of a dream result with Listowel player Killian O'Gorman posting a seven over total only to be beaten by Gleneagle and County Board stalwart Sean O'Brien who returned a fantastic five over total to win a County title for the very first time.

The Intermediate grade where again a huge field of twenty two players competed Deerpark's John O'Brien returned a eight under score to lead however with many players yet to come in the defending champion Tralee's Jason Cregan posted a nine under total to win the Intermediate title by one.

In the Senior grade another first was

developing with Deerpark's John McGrath coming in with thirteen under par pipping his club mate Damien Fleming on back eighteen. It was Damien's playing partner County Board Chairman Listowel's Declan McCarron who had eclipsed the field with a brilliant seventeen under par to win his first County title becoming the Kerry Senior Stroke-Play Champion 2017.

This Saturday and Sunday all eyes turn to the ESB club in Cork for the Munster Stroke-Play Finals, here Kerry have fourteen finalists. On Saturday Tralee's Lisa O'Connor will play in the Ladies Junior grade in a field of twenty-two players. Also on the same day the Gent's Junior's will compete with five Kerry players made up of a Tralee quartet of Pa Byrne, David Hobbert, Tommy Higgins and Tim Scannell along with Newmarket's Chris Fleming.

National Champions on two occasions in this competition in recent years. The team, under the Management of Chris Collins, James Collins and Donal "Gap" O'Sullivan were very well prepared for what was expected to be a very tough and close match. The contest was beginning to go our way from the turn onwards, then lightning struck, in our favour on 2 occasions within about 10 minutes of each other, firstly Eddie and Donie Macsweeney began staging a tremendous comeback and after being 4 down after 8 holes were now only 2 down after 13 holes, and Eddie was first to play his tee-shot to the tricky par 3, 14th where Eddie holed his tee-shot, to bring their match to being only 1 down. The 2nd next match with Dermot Roche & Barry Duggan were 3 up playing 13, and with their opponents within 8 feet of the pin, Barry holed a very difficult chip from about 40 feet, to go 4 up, they closed out their match on the 14th green. We were always in charge in matches 2 & 4 and won both comfortably. Full match results were, Match 1 Donie & Eddie Macsweeney 1 up playing 18 when called in, Match 2 Andrew Garnett & Donogh O'Mahony won 3/2. Match 3 Dermot Roche & Barry Duggan won 5/4, Match 4 Joe McCarthy & Stephen Broderick won 3/2, Match 5 John O'Mahony & Brian Holden were called in from the 16th hole. This was a fantastic achievement, and we can now look forward

to the Munster semi-final which will be played on Killeen in July when we will be up against Shannon Golf Club, with Thurles Golf Club and Mahon Golf Club in the other semi-final.

The competition on Sunday the 11th of June was the John J Galvin & Sons Ltd. sponsored singles stroke competition played on Mahony's Point, the playing conditions were very blustery which made scoring on some holes very tricky indeed. The competition was won by the in-form Andrew Garnett who shot an excellent score of 69 off of 15 handicap, and in 2nd place with an equally excellent score of 69 off of 12 handicap was Don O'Sullivan, beaten on the back 9 holes, in 3rd place was Donnogh Moynihan with a 70 off of 11 handicap.

Next weekend will see the staging of the Junior and the Intermediate Scratch Cups on Killeen on Saturday, and the competition on Sunday is our exchange day at Tralee Golf Club, which is being kindly sponsored by Cross Refrigeration.

### EXAM STRESS - WHAT CAN I DO

Over half way through exams now it is essential to stay calm and keep positive. It is important to put your exams into perspective and remember that whilst the results will have a bearing on your future the results are not a measure of your worth. Be sure to continue eating a well-balanced diet, do some exercise and get sufficient sleep each night. If you are finding it difficult to cope or don't feel you have the necessary support, be sure to seek professional advice.

For Parents

It's important that your child knows that you are interested in their work. Tell them that they can only try their best and even if they don't do as well as they'd hoped, you still love them just as much. Whilst we're not suggesting bribery it's fine to provide small treats by way of encouragement – and be sure to celebrate the end of exams with a treat that everyone can look forward to, such as a meal out or a trip to the cinema.

Your sympathy and support is all important at this time – so recriminations about the past and 'I told you so' speeches will not be welcomed at this time. Professor Aidan Moran advises parents to "avoid doing post-mortems with your children after the exam – it's neither helpful nor accurate" (as students don't always remember what they wrote in an exam). He also states that "parents should praise their children for doing their best and for staying in the exam until it's over."

Continue to focus on the exams ahead reminding your teen that it's 'never too late, and a lot can be achieved in a short time'. Encourage them to continue trying and that it's worth 'having a go' and it will all be over soon.

Let them know that you love them unconditionally. Let them know that this time will pass and they will get through it. Let them know that no matter how the exams go, you will be there for them.

## TODAY IS THE 193RD ANNIVERSARY OF THE SETTING UP OF THE RSPCA

The Royal Society for the Prevention of Cruelty to Animals (RSPCA) is a charity in England and Wales that promotes animal welfare. Since its founding in 1824, it has inspired the creation of similar, but independent, organisations in other countries, including the Scottish SPCA, ISPCA in Ireland, RSPCA Australia and the ASPCA in the USA.

The first anti-cruelty bill was introduced by Richard Martin MP, who later earned the nickname of 'Humanity Dick', leader of a group of twenty-two reformers. Also leading the group were William Wilberforce MP, who was already famous for his efforts to abolish slavery in the British Empire, and the Reverend Arthur Broome. The Act was passed in Parliament on 22 July 1822 and was against cruelty to farm animals, particularly cattle. The group assembled at the "Old Slaughters" Coffee House in London to create a society with the will and authority to enforce the new law. The SPCA, the first animal welfare society in any country was thus founded on 16 June 1824, and was subsequently granted its royal status by Queen Victoria in 1840.

## 3 REASONS YOU NEED EARTHWORMS IN YOUR GARDEN

Earthworms are strange little creatures, they are believed to be sightless and they have a body made up of rings surrounded by bristles which they compress and expand to move straight through the soil. They're pretty incredible too – while they weigh on average only around one-thirtieth of an ounce, they can regularly move two-ounce stones, which is about the same as a 150-pound human moving a 9,000-pound rock.

\*Earthworms help create humus, which is a dark brown-black type of soil that holds important nutrients in place for plant growth and use. The worms feed on plant debris such as manure, grass, leaves and dead roots, as well as the soil. The digestive system of the worm concentrates the mineral and organic compounds in the food they consume, so their casts become richer in available nutrients including Nitrogen and Phosphorus than the soil around them.

\*Earthworms also improve drainage and prevent soil erosion and waterlogging, as their extensive channelling and burrowing help to loosen and aerate the soil and improve soil drainage. Research has found that soil with earthworms drain as much as 10 times faster than soil without earthworms. In zero-till soils, where worm populations are high, water infiltration can be up to 6 times greater than in cultivated soils. The tunnels they make also serve, under the influence of rain, as irrigation and gravity, as passageways for lime and other material.

\*When your soil has worm castings, they help to improve the structure and fertility of every type of soil, even on reclaimed land that has little or no topsoil. As the castings are water soluble, they have an immediate positive impact on plant growth. Research conducted on farms found that the most productive pastures contained up to 7 million worms per hectare, weighing 2.4 tons. They also discovered a close correlation between pasture productivity and total worm weight.

## DO YOU CHEW GUM?

Originally, gum was made out of chicle, a type of tree sap and a natural form of rubber. But after scientists created synthetic rubber, manufacturers also begin to replace natural rubber in gum with polyethylene and polyvinyl acetate. That means, if you chew gum, you're chewing on plastic – and, it could very well be toxic plastic as that as polyvinyl acetate is made using vinyl acetate which is a chemical that's been found to cause tumours in laboratory rats. When you throw out that used gum, you're also tossing out more plastic into the landfill.

## AN EASY WAY TO CLEAN A GLASS STOVE TOP

Wipe off all the loose debris with a towel. Then, soak rags in hot, soapy water and sprinkle baking soda over the cold stove top. Place the soaked rags on top of the glass surface and leave them there for 15-30 minutes. Come back, and left over debris should just wipe off.

Another 500 cattle were expected in later weeks along with a donation of 50,000 tons of corn. Chung Ju Yung then aged 83 was raised the son of a poor farmer in what is now North Korea. ## THREE-YEAR-OLD RAN OFF TOWARD NEIGHBOUR'S HOUSE

On a chilly February day in Gloucester, Virginia, Kelsea Spouse was at her mother's house to pick up her 3-year-old son, Jaxon Lopez. As she went to load her vehicle, the little boy followed her outside.

Around the same time, the neighbour next door was going through a frightening incident. She had started her day feeling ill and was walking downstairs to call for help. She suddenly collapsed in the kitchen and bumped her head pretty hard. The injured woman was able to make it to her garage, where she hoped someone would eventually come to her aid.

Ms. Spouse was wearing unplugged headphones when she heard Jaxon randomly mutter the word "help." She assumed he was just being a typical toddler mimicking something that he heard, but her son took off running toward the neighbour's house.

Ms. Spouse followed her son to see what the matter was and once she entered the neighbour's yard, she called out to see if anyone needed help and heard a faint response. She entered the garage and saw the neighbour on the floor, bleeding. She quickly dialled 911 and asked Jaxon to go get his grandmother from the house.

"I said 'Ganny, neighbour's in trouble,'" Jaxon recalled later. His grandmother, Danette Lopez, was quite confused by the child's behaviour, so he grabbed her by the wrist and tried pulling her to the door. "I thought he was playing but I let him lead me to my neighbour's house" she said. The neighbour was taken to the hospital where she made a quick recovery, but Jaxon's good deed didn't just stop there. "I got neighbour flowers," he said.

The neighbour eventually returned back to work after the scary incident. Ms. Lopez said the woman was overwhelmed by her grandson's heroism and said "I couldn't have made it without him".

## HUMAN AND ANIMAL DOCTORS HELP AN ENDANGERED GORILLA GIVE BIRTH

After nearly 24 hours in labour, the Philadelphia Zoo and mom, Kira a 17-year-old western lowland gorilla, welcomed a new baby gorilla into the world. The baby was delivered Friday, June 2nd after a team of veterinarians and doctors intervened. This is Kira's first birth and the third baby sired by pack leader, Motuba. Gorilla labour is typically quick and the mother

shows few signs of stress or fatigue. Zoo staff noticed Kira looking tired Thursday night and her condition continued to worsen. In an effort to save Kira and her baby, she was brought to the zoo's veterinary hospital. There a team of doctors and vets, including an obstetrician-gynaecologist and anaesthesiologist, put Kira under anaesthesia to give birth.

With the help of forceps, the doctors delivered a healthy five pound male gorilla. Kira slept off the anaesthesia while vets cared for the baby during his first hours of life, then Kira was officially united with her baby. She has taken to motherhood quickly, as she observed another gorilla at the Philadelphia Zoo give birth last August.

Kira also helped raise her three younger siblings, so zoo staff believes she is well-prepared. Motuba will play a protective role in the baby's life, and as the baby gets older engage in playtime.

In the wild, the western lowland gorilla is critically endangered. The Philadelphia Zoo, along with other zoos around the world is working with the AZA Species Survival Plan to manage the population. The largest threats to gorillas in the wild are poaching and diseases, such as the Ebola virus. Climate change and deforestation also play a role in damaging the gorillas' natural habitat.

## 3 PRODUCTS MADE FROM OLD PLASTIC

\*Preserve is a B Corporation that makes bath, kitchen, and tabletop products in the U.S. from recycled yogurt cups and other plastics. The company also collects plastic bottle caps at Whole Foods markets and schools, which are harder for households to effectively recycle.

The caps are used to make Preserve's toothbrushes and razors. When it's time for a new toothbrush, used Preserve toothbrushes can be dropped in a Gimme 5 bin or mailed back in the pouch they arrived in to continue the recycling loop.

\*Hamilton Perkins is also a B Corporation and their Earth Bags Collection are convertible duffel-to-backpack vessels made from 100% recycled plastic bottles and lined with repurposed vinyl advertising boards, so each lining is unique.

B Corps are for-profit companies certified by the nonprofit B Lab to meet rigorous standards of social and environmental performance, accountability, and transparency.

Today, there is a growing community of more than 2,100 Certified B Corps from 50 countries and over 130 industries working together toward 1 unifying goal: to redefine success in business.

\*The products of California Company Green Toys are made 100% from recycled hard plastic milk containers. Between their wide range of toys and the brand's Green Eats line of dining utensils, the company has recycled over 44 million containers to date. Their products also come in sustainable packaging of recycled cardboard with soy ink.

## K-9 PUP IS LOVER NOT FIGHTER, FLUNKS OUT OF POLICE ACADEMY

As a young pup, Gavel the German shepherd was fired from the police academy of Queensland, Australia. Despite this unexpected defeat, Gavel was given a different job offer for something

much more comfortable and prestigious.

At the start of his training, the police had announced in a press release that "Gavel comes from a long line of pedigree... if the family bloodline is anything to go by, in 16 months Gavel will be tracking and catching criminals as a proud member of the Queensland Dog Squad!" However, as time went on, it became clear that this prediction would not be fulfilled. Gavel's handlers with the police dog academy shared that Gavel "did not display the necessary aptitude for a life on the front line," and therefore had to let him go from their training programme. Being an exceptionally friendly and sociable pup, even towards strangers, he was deemed ill-suited for police work. Tracking criminals and fighting crime was not Gavel's forte.

Gavel had been raised at the Queensland governor's residence since he was six weeks old. Even though the original plan for Gavel failed to pan out, no one wanted to see him go. That's why Governor Paul de Jersey came up with a new plan for the sweet-tempered dog. He decided to appoint the misfit "Vice-Regal Dog," with the distinguished title "Gavel VRD."

As VRD of the Queensland Government House, Gavel's responsibilities include accompanying the governor and his wife to special events and ceremonies, as well as greeting guests and tourists at the estate. His fun-loving personality and friendliness has brought much joy and many smiles to the visitors and residents of the Government House.

Gavel proudly wears his custom-made uniform: a coat adorned with the Governor's Personal Standard, the St. Edward's Crown, and Australia's official bird emblem, the brolga and he has already outgrown four uniforms.

## WHY YOU SHOULD NEVER BUY SHARK TEETH

Generally speaking, most people have at least a faint phobia of sharks. It's crazy, really, when in reality, and statistically speaking, you are more likely to be killed by a hot dog than a shark.

If you put aside your fears of this marine predator, you'll come to learn that sharks are, in fact, incredible animals and not as terrible as you've been led to believe. From keeping the

food web in check to holding cures for diseases to boosting local economies, we need sharks more than we think.

Sadly, some people do not agree. That's why countless sharks are amongst the most threatened species on the planet. Overfishing and the fin trade are driving shark species to their end but these two culprits aren't the only things threatening shark species. Sharks are also hunted for another body part...their teeth.

Shark teeth and jaws can be found in tourist shops in many seaside areas throughout the world. And the most unbelievable thing, people actually buy them.

Even though it's illegal in many countries to catch sharks, shark products are still being sold in shops, and it's doing absolutely no good for the global shark population which is already in trouble. If we keep killing them for their body parts, like their fins and teeth, the population is going to keep on declining until eventually; the entire shark population gets wiped out.

As tempted as you may be to purchase a shark tooth or, even worse, a whole set of shark jaws, remember this small but significant fact: we need sharks. The world without sharks would mean disaster for the planet and its inhabitants. If sharks disappeared, there'd be a huge chain reaction in the ocean. A study in Australia, for instance, discovered that with the shark population decline came a herbivorous fish population decline.

Without predators, prey populations that graze on seagrass are plentiful and wipe out these greens that provide oxygen to the water.

Sharks play a critical role in the carbon cycle. By feeding on the dead matter on the seafloor, scavengers like starfish and deep-sea sharks help to keep the carbon cycle in motion.

Sharks also boost local economies. According to a study in 2013, shark tourism, a form of eco-tourism that includes activities like shark cage diving, generates around \$300 million a year. And that number is expected to double in the next two decades. These activities provide approximately 10,000 jobs in 29 countries. To put it another way, sharks are worth a lot more alive than dead.

## A WORD OF VICTORY

Welcome back dear reader what is troubling you? "What time I am afraid I will trust in You" (Psalm 56:3). When we are alone, with only our innermost thoughts for company fear will often raise its ugly head. The Devil's weapon is FEAR: False-Evidence-Appearing-Real (Hebrews 2:14-16). Fear of sickness and death, fear of tomorrow or lack, fear of man, terrorism, or what faces our children as they grow, fear of losing one's mind..... we could fill this page with the different types of fear that people endure. Fear is NOT of the Lord! In 2nd Timothy 1:7 God says that He did not give you "a spirit of fear, but of power, of love, and of a sound mind". Let's examine that - if God says He does not give fear then where is it coming from? It's a lie that we are being tantalised with by the enemy, because he knows that if we allow fear access then we cannot operate in faith and power. The second part of that Scripture is interesting - we have been given a spirit of power, of love and a sound mind by God. What does this mean? The power comes from the Holy Spirit living in us when we make Jesus our Lord. This power allows us to walk in faith trusting the Lord for victory in our lives, our health, our provision and success in every area. He has given us a spirit of Love which allows us to walk in His love towards ourselves and others. So often we are offended by people, holding un-forgiveness for things that have been done to us, and not forgiving ourselves for the mistakes we have made. Listen - God loves you friend. He has accepted you just as you are, and once you have asked Jesus to be Lord of your life you then receive the benefits He won for you at the Cross, but it's dependent on forgiveness (Psalm 103; Mark 11:22-25). It's time for you to forgive yourself and those who have hurt you, and release offences, shame and pain out of your life. The last part of that Scripture is the promise that He has given us a sound mind - that comes from knowing the Lord is in charge, no evil shall overcome us when we trust in Him, and that He has only good things planned for us (Psalm 91; Jeremiah 29:11). This coupled with living free from bitterness and offence is a recipe for a sound mind and total peace. More next week...

### IN THANKSGIVING

Novena to St. Clare. Ask for three favours, one business, two impossible. Say nine Hail Mary's for nine nights with lighted candles. Pray whether you believe or not. Publish on ninth day. Powerful novena. Say may the Sacred Heart of Jesus be praised, adored glorified and loved today and everyday throughout the whole world now and forever. Amen  
Your request will be granted no matter how impossible it may seem.

## THE MIRACLE PRAYER

Dear Heart of Jesus in the past I have asked many favours. This time I ask you this special one, (mention favour).  
Take it dear heart of Jesus and place it within your own broken heart where your Father sees it.  
Then in his merciful eyes it will become your favour not mine.  
Amen.  
Say this prayer for three days. Publication of prayer and favour will be granted.

## NOVENA TO THE HOLY SPIRIT

O Holy Spirit, you who solve all problems, light all roads so that I can attain my goal. You gave me the divine gift to forgive and forget all evil against me and that in all instances of my life you are with me. I want in this short prayer to thank you for all things you have given me as you confirm once again that I never wanted to be separated from you in spite of all material illusions. I wish to be with you in Eternal Glory. Thank you for mercy towards me and mine. This prayer must be said for three days, after three days the favour will be granted.

## NOVENA TO THE SACRED HEART

You have said O'Divine Jesus ask and you shall receive, seek and you shall find, knock and the door shall be opened to you. Relying on these promises I come with confidence during the novena to beg of you the favours that I need (make request). From whom shall I ask, Lord Jesus, if not from you whose heart is an unfailing source of graces and merits. Most loving heart of my God I believe in your power, I believe in your knowledge, I believe in your personal love for me and therefore O Sacred Heart of Jesus I place all my trust in you. Our Father, Hail Mary and Glory. Say 3 times for 3 days and request will be granted, Never know to fail. Must publish.
