FROM THE EDITOR

In a week that Killarney Athlete David Kenny secured silver in the U23 European Championships in Estonia, we have a busy magazine. Killarney is nominated in the Best Place to Live in Ireland, we remember the truce that ended the War of Independence and a talented young golfer is heading stateside.

The South Kerry Greenway got the green light, funding has been announced for voluntary groups and we look back at the Kerry V Clare game.

As cases continue to rise in the battle against COVID-19 government guidelines continue to be as important as ever and the basic public health measures still work against the Delta variant. Please continue to avoid crowds, wear a mask, manage your contacts, keep your distance, meet outdoors where possible and if indoors, ensure that the room is well ventilated.

SUPPORTING HIM EVERY STEP OF THE WAY...

WALK WITH DAVID TO TOKYO

Farranfore Maine Valley athlete David Kenny is celebrating a silver medal in the 20km Walk at the European Under 23 Championships which were held in Tallinn in Estonia.

Kenny who is a member of Farranfore / Maine Valley AC is coached by the Rob Heffernan and is the only Irish athlete to win a medal at the Championships. He is also the first Kerry athlete to win since Gillian O'Sullivan won Silver in 2003 in the 20KM walk, while his coach Robert Heffernan won Bronze in the 50km walk in the 2012 Olympic Games.

David's home club Farranfore Maine Valley Athletic Club is getting behind David's forthcoming trip to Tokyo as he represents Ireland in the Olympic Games and have organised a GoFundMe.

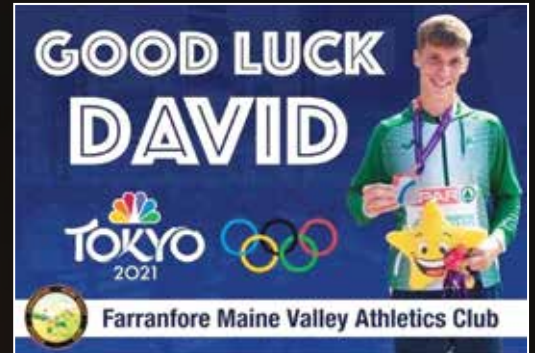

They are asking people to "Walk With David to Tokyo" and are hoping to raise €9,797 which is the distance from Firies Village to Tokyo in Kilometres.

The son of Noel and Mary Kenny from Ballyhar, David was just 8 years old when he was first introduced to Athletics. Like many of his contemporaries at that age, he was also playing Gaelic with Firies and soccer with Ballyhar Dynamos.

Athletics eventually won out, when David tried 'Race Walking' for the Community Games in 2011. Competing for his native parish, Firies, he won a Bronze medal in the National Community Games Race Walk event and was hooked.

A pupil of The Monastery in Killarney David then went on to study at St. Brendan's College Killarney where he trained almost every Wednesday evening with veteran race walker Michael O'Connor. Winning second level titles at both Provincial and National levels he came to the attention of Athletics National Race Walking coach Michael Lane of Mullingar Harriers. David is currently studying Munster Technological University (formerly CIT) and is being coached by Rob Heffernan, a man who needs no introduction to athletic followers. Under Rob's guidance he has moved to an elite level.

"To get to this level is not cheap!! And requires a lot of funding and personal sacrifices", a spokesperson

for Farranfore Maine Valley AC said.

For the past three years David has virtually been a full time athlete. While limited financial aid is provided by Athletics Ireland he is largely self-funded, relying on financial support from his family. David has had to give up his part time job, and is immersed in a vigorous training schedule. Racing competitions and training have kept him traveling to the UK, Sweden, Isle of Man, Spain, Estonia and the Czech Republic among others.

The times and placing in these races have won him sufficient qualifying points for this summer's Tokyo Olympics.

With the Silver Medal that David just won on the 9th July in Estonia, he now has his sights set on Tokyo where he will represent Ireland at the games in the 20KM Walk.

David Kenny is an extraordinarily dedicated athlete. Rob Heffernan has said, "he is better than I was at that age", high praise indeed from Ireland's Gold medal winner in the 50K Moscow walk 2012.

"We thank you sincerely for any support you can give David so that he can fulfil his potential and be one of the best Race Walking Athletes Ireland has ever seen", Farranfore Maine Valley Athletic Club has said. If you would like to walk with David to Tokyo you can do so at : <https://gofund.me/aada96aa>

IS KILLARNEY THE BEST PLACE TO LIVE IN IRELAND 2021

There isn't a town like it in Ireland and this week Killarney has received 22 nominations as the search for 'The Best Place to Live in Ireland 2021' intensifies.

As the search for the 'Best Place to Live in Ireland' 2021 continues apace, it's emerged that the tourist town has received 22 nominations, one of the highest in the country.

While Kerry has received 38 nominations in total, the county which has received the most nominations is Monaghan with 136. Ninety-seven of the Monaghan nominations are for the village of Glaslough which is situated in the north of the county and is home of the luxury hotel Castle Leslie.

Dublin is in second place with 126 nominations. The most nominated place in the capital is the suburb of Malahide, with 36 entries but other

locations to receive multiple nominations in Dublin include Dún Laoghaire (12), Blackrock (9) and Skerries (7). Bray in Co Wicklow has received 30 nominations and other places with multiple nominations include: Carlingford Co Louth (9); Clonakilty in Co Cork (7); Tullamore, Co Offaly (7); Clonbur (13) and Portumna (11) in Co Galway; Donegal's Inishowen peninsula (6); and Dungarvan (9) and Tramore (7) in Co Waterford.

There have been almost 750 entries so far for the 32-county competition which is organised by the Irish Times. Ten counties – Armagh, Carlow, Derry, Fermanagh, Leitrim, Longford, Meath, Roscommon, Tyrone and Westmeath – have fewer than five nominations. There has been just one each from Roscommon (for Lough Key) and Longford (for Lanesboro). The Irish Times launched its search for the Best Place to Live in Ireland last month and invited people from all

over the island to nominate their favourites.

Each nominated location will be judged on specific criteria, including community spirit, local services and amenities, diversity, transport links, vibrancy of the local economy, cost of living, safety and of course the unique X factor.

During the summer, the nominated places will be researched and put before a panel of judges, who will choose an eventual winner in September.

Westport emerged as the overall winner when the competition was held for the first time in 2012. To be in with a chance to claim the title for your homeplace, all you have to do is to write a short submission of 300 words explaining what makes it so special. Full details are available at www.irishtimes.com/bestplace

But you'll have to move quickly as the closing date for this year's competition, which is supported by Randox Health, is July 25th.

EWAN TO TEE OFF STATESIDE

A young Killarney golfer is heading to the USA next month to begin a 4 year Golf scholarship.

Ewan MacIndoe, the son of David and Louise MacIndoe and a former pupil at St. Brendan's College has been a member of Killarney Golf & Fishing Club since he was eight years old and now plays off scratch.

The 17 year old is now looking forward to a career in golf following his 4 year scholarship at Faulkner University in Alabama. "I have a lot of people to thank who got me this far", Ewan told Killarney Outlook, "first of all my family, my parents David and Louise, sister Amber and grandparents. I also want to thank Mark Heinemann

and Dan Sugrue who have helped me with all aspects of golf, David Fitzgerald, Strength and Conditioning coach from Fitzforefitness and of course Killarney Golf and Fishing Club for all their support. Ewan's grandfather David was head greenkeeper at Killarney Golf & Fishing Club for years and regularly plays a round with Ewan. "I play six or seven days a week in Killarney and even though I will miss home, it is an amazing opportunity to go to Faulkner University", he added. While Ewan will miss playing his favourite course Killeen, the courses of the world will be his oyster following his four year stint in Alabama.

(DASH) Drugs, Alcohol and Sexual Health: NEW MOBILE UNIT LAUNCHED FOR CORK AND KERRY

In a landmark partnership for the Cork and Kerry region, the Sexual Health Centre has launched a joint community initiative with Cork Local and Southern Regional Drug & Alcohol Task Forces. The organisations are leading out on a unique mobile health service which travels to any and every part of Cork and Kerry - making support, information and interventions available to all.

The 'DASH' (Drugs, Alcohol & Sexual Health) unit was launched at St. Finbarr's Campus in Cork city today (Friday). The project is the first of its kind in Ireland, providing community-wide mobile services such as rapid HIV testing, condom provision, drug and alcohol assessments and support from trained health promotion professionals.

Executive Director of the Sexual Health Centre, Dr. Martin Davoren, noted that DASH will provide an important link to support for communities across Cork and Kerry:

"The aim of the project is to ensure equity of access. We want to break down the barriers that people face in accessing services - be it time, location or cost. DASH is available to all sectors of the community, and is free of charge."

Emily Barrett, DASH Project Worker noted that "DASH will bring opportunities for informal interventions in every village and town across Cork and Kerry. People deserve to get information and support around their health and wellbeing in a friendly and welcoming environment, and DASH will bridge that gap for a lot of people."

The cross-sectoral approach of the project is central to its development and delivery,

Eleanor Moore, Joe Kirby, Triona Healy, Martin Davoren, Priscilla Lynch, Ciarán Lynch pictured at the launch.

as highlighted by Joe Kirby, Co-ordinator of Cork Local Drug & Alcohol Task Force: "Drugs, alcohol and sexual health impact everyone at some point in their lives. The client groups of each of our organisations can all benefit from the ease of access and diverse expertise at the helm of the DASH project. Importantly, DASH will be available to members of the wider community, who may not have the opportunity or encouragement to consider their own needs around drugs, alcohol and sexual health until the DASH van arrives in their local area."

The HSE's Head of Service for Primary Care for Cork and Kerry, Priscilla Lynch commented:

"Drugs, alcohol and sexual health services have operated exclusively, even though there is a lot of overlap in the issues that can come up for service users. The arrival of DASH marks a turning point in how we think about service provision in these areas across the region. It pools our expertise and brings services to people so that comprehensive, accessible supports are truly available to all."

The DASH van is available to visit communities and organisations throughout counties Cork and Kerry. For more information, contact the DASH Project Worker, Emily Barrett at 083 013 2250 or dash@sexualhealthcentre.com

Let it be....Young Healy

THOMAS IS LAID TO REST

The village of Beaufort stood silent as the funeral cortege of 14 year old Thomas Healy made its final journey to Churchtown Cemetery on Saturday last.

Following a horrific accident in the early hours of Wednesday morning July 7th on Ross Road, Thomas lost his life while his friend is recovering in hospital following numerous surgeries. At his funeral Mass on Saturday morning, Thomas' brother popular entertainer Jack Patrick Healy led the musical tribute to his brother.

In one of the hymns Jack Patrick changed the lines of "Let it Be" adding on "Young Healy".

The mass heard that Thomas was the life and soul of the family, a 40th birthday present for mum Julie and dad Jer and that the house was run on "Thomas Time". Involved in everything in the parish and beyond, Thomas was a talented athlete, playing with Killarney Athletic and Beaufort GAA Club and the family discovered

Thomas pictured with his team mates at Killarney Athletic Club - Keep scoring the goals in the clouds, my boy. Heaven's Football Team has gained a star player, a dream kicker and the best personality to top it all.... Thomas' brother Jack Patrick Healy pays tribute to him on social media this week.

on the week of his passing that he was in line to wear a Kerry jersey. The music of Jack Patrick filled the air of St. Mary's Church in Beaufort and his rendition of Never Grow Old by Jim Reeves rang out as the cortege left the church. Thomas' older brother Danny paid tribute to his young brother who was always referred to as a nice and polite young man. With a passion for vintage tractors Thomas was regularly found helping his dad Jer who resorted them for charity fundraisers.

Symbols on the alter included a football, his Killarney Athletic Jersey and a vintage tractor.

"Like all the Healy boys, Thomas has a mischievous glint in his eye and he was always

in the centre of our lives, with Julie and Jer always on the sidelines of the matches he was involved in.

This year he started golf and athletics and had inherited the families musical talent appearing in many productions with his brother Jack Patrick. Guards of Honour were performed outside St. Mary's Church in Beaufort by his class mates in the Intermediate School Killorglin and his team mates in Killarney Athletic and Beaufort GAA Club as the funeral cortege passed, led by a Blue Tractor because As Thomas would say....

Education opportunity FOR KERRY FARMERS

Kerry Social Farming is collaborating with extensively with UCC and Skellig CRI (Cahirsiveen) in devising and planning the NQF Level 6 'Certificate in Practice Support in Social Farming'. The course is aimed at expanding training opportunities for both new and existing host farmers as part of the Kerry Social Farming initiative. The 'Certificate in Practice Support in Social Farming' was completed by 13 Kerry host farmers in 2020 and a further 15 (a mixture of existing and new host farmers) in 2021. The feedback about the course from farmers is very positive, both in terms of how it has helped their social farming practice and also how returning to education, many after a long break, has benefitted their own personal development and self-confidence.

SKDP's Joseph McCrohan said that this course supports all those engaged to understand the history and components of social farming and disability services. "It supports farmers with communication styles and an opportunity to share and develop suitable activities on their farms that will benefit social farming participants" he said. "Both the host farmers

and their participants enjoy the benefits of the course and it helps support and strengthen the Social Farming initiative" Joseph added. The use of the online virtual world of study over the past academic year has pushed students to further develop their IT skills, along with their learning specific to the course content around Social farming.

The 'Certificate in Practice Support in Social Farming' is taught by experienced teachers, many of whom have direct experience of working in social farming. The course examines a variety of topics, including learning how social farming operates both in Ireland and across Europe, the communities it serves and the outcomes it provides. The role of the environment, the farm setting and well-being and how they link to social farming practice are explored. The course features modules on law and the legal position around disability and equality, which provide a practical insight into the issues involved. Communication is a key topic, with students learning about a variety of communications styles and how to build on their own existing strengths in a way which can improve the social farming experience. There is also a module on social inclusion, which

focuses on how groups and individuals may be excluded from society, and how social farming can provide opportunities leading to meaningful and sustainable social inclusion. The course is now established as part of UCC's Adult and Continuing Education (ACE) programme, see link: <https://www.ucc.ie/en/ace-cpsf>.

Kerry Social Farming (KSF) was established in 2013 to innovatively target both an increasingly marginalised farming community in the county, as well as to include participants, i.e. people with a range of disabilities, in the everyday life of their own community. KSF (www.kerrysocialfarming.ie) offers choice to people with disabilities to engage with farm families and the farming community, in tandem with meeting their personal life choices and exploring new options within a rural community setting.

An information event on the 2021/2022 course, containing feedback from the successful students (farmers), will be held via zoom on 27th July 2021 at 8.00pm. If you would like to hear more about the course and or to attend the information event please contact Joseph McCrohan, South Kerry Development Partnership CLG at Tel 066 9472724 or e mail jmccrohan@skdp.net

In memory of someone who gave us so much to remember

Niall McGillicuddy 02 - 16

"The photograph presented to the ward was taken at Ross Castle by Garda Super intendent Flor Murphy - Niall loved walking up there with his family so it felt like a fitting tribute", Elaine Moynihan, a teacher at St. Brendan's who helped organise the fundraiser told Killarney Outlook.

Students and friends of Niall MacGillycuddy who passed away in October 2018 were finally able to present a cheque to University Hospital Cork in his memory.

Niall, a popular and talented footballer is the son of Sheila and Daithi MacGillycuddy and died following a battle with Leukaemia.

Students at schools in Killarney including St. Brendan's College where Niall was a pupil, Holy Cross Mercy, Killarney Community College and The Monastery held a Christmas Jumper day in Niall's memory and this week staff at the hospital were presented with a cheque for €12,126 by Niall's family and friends.

An acknowledgement of the presentation is now hanging in the family room of Ward 2D at the hospital where Niall received much of his treatment.

"The photograph presented to the ward was taken at Ross by photo taken by Garda Super intendent Flor Murphy - Niall loved walking up there with his family so it felt like a fitting tribute", Elaine Moynihan, a teacher at St. Brendan's who helped organise the fundraiser told Killarney Outlook.

The inscription says -

Niall McGillicuddy, a much loved son, brother and friend In memory of someone who gave us so much to remember (Niall McGillicuddy 02 - 16)

KERRY COLLEGE ANNOUNCE 2 NEW TECH APPRENTICESHIPS FOR COUNTY KERRY

KERRY COLLEGE have announced that 2 new Tech Apprenticeships will start this September in County Kerry - one in Software Development, another in Cybersecurity.

These QQI Level 6 Apprenticeships are 2 years in duration are delivered in partnership with FIT (FastTrack Into IT) who have a track record of running a range of apprenticeships for the tech and IT sectors.

FIT work with over 100 employers across Ireland and is currently collaborating with partner organisations and employers in County Kerry including Kerry SciTech to provide opportunities for tech apprentices from the

county and the wider region.

Apprenticeships use an earn while you learn model where a participating employer hires a tech apprentice who undertakes phases of on-the-job and off-the-job training before fully qualifying.

The first 6 months of the programme will be run online from the Kerry College Tech Apprenticeship Hub in Tralee, with the last 18 months split between Kerry College and the host employer. There are only 14 places on each apprenticeship.

Assistant Manager at Kerry College John Herlihy:

"We are delighted to partner with FIT to bring these 2 superb tech apprenticeships to County Kerry. This provides a fantastic option for school leavers and career changers to move into this growth sector and to earn as they learn. County Kerry is home to over 70 companies in the tech sector at various levels – and as we come out of the pandemic we think this is the right time to offer these programmes to support and bring these important skillsets to the County and wider region."

KerrySciTech Cluster Manager Aoife O'Brien:

"KerrySciTech members recognise how transformative apprenticeship programmes are for learners and business. Now, with the continuous growth of our STEM and associated digital sectors within the Kerry region, there has never been a better time to choose a career in our sector. These two innovative tech apprenticeship programmes not only offer a new pathway into STEM but the combination of classroom learning with practical workplace training ensures that, when qualified, the apprentices will be equipped with all the necessary skills to progress as far as they want. We look forward to working with Kerry College and FIT as these programmes are rolled out"

You can apply to become a tech apprentice here: <https://fit.ie/tech-apprenticeships/>

UNCERTAINTY SURROUNDS THE RYANAIR KERRY-DUBLIN ROUTE

With politicians welcoming the return of the twice daily air service between Dublin and Kerry and with Ryanair confirming on Wednesday that they will begin operating the Dublin-Kerry air route, John Mulhern, CEO Kerry Airport has released the following statement.

While Ryanair has announced its intention to operate a service on the Dublin-Kerry route and commenced the sale of seats, there has been no formal discussion yet with Kerry Airport.

The Airport has received no notification in any form from Ryanair and thus the airline's statement of yesterday, Wednesday July 14th, is both premature and inaccurate. Kerry Airport has not been informed of the details relating to any such schedule and, at present, cannot confirm or

otherwise whether these flights will in fact operate.

Earlier in the week, the Department of Transport released a timeline of events in a statement in response to Ryanair stating that no agreement had been concluded.

Statement in response to Ryanair

Timeline of events:

The Department of Transport issued a Request for Quotes to operate the Kerry Dublin and Donegal Dublin routes on 21 June 2021.

Ryanair wrote to the Department on 28 June where they indicated that they were making a formal application to operate a double daily Dublin Kerry scheduled service for the next seven months without any public funding.

As the Department were in the middle of the procurement process, the letter was only acknowledged at that stage.

A substantial letter of response from the Minister issued on 6 July after the tender bids had been evaluated. In the letter of 6 July, the Minister asked Ryanair to declare its commitment in writing to meeting a number of requirements.

Ryanair responded on the 8 July confirming that it would operate on a commercial basis (i.e. zero subsidy) a twice daily service between Dublin and Kerry Airports from 19 July 2021 on a Boeing 737-800 which has a capacity of 189 seats. Ryanair asked that the Department accept Ryanair's offer

before close of business on Friday 9 July so that Ryanair could launch and start marketing these flights (see attached correspondence).

The Department engaged with the CEO of Ryanair at approximately 1230 to advise that a letter would issue from the Minister confirming acceptance of the Ryanair offer to operate the Kerry service and that an announcement would be made in the afternoon.

A letter issued from the Minister to Ryanair in writing at 14.55 accepting Ryanair's offer to operate the service. In the letter the Minister advised that respondents to the Request for Quotes (RfQ) issued by the Department on 21 June would be advised that the Minister did not now intend to proceed with the process to provide for subsidised services on the Kerry - Dublin route as per the RfQ. The letter also advised that the Department would engage with Ryanair with regard to coordinating media statements regarding announcements (see attached correspondence). The Department subsequently engaged with Ryanair who had a preference to make the announcement on Monday. The Department reiterated that the Minister's preference was to make an announcement that afternoon and to inform those that participated in the tender process, and that a press statement would issue. The Department agreed to share the Press Statement with Ryanair which it did.

SITUATION NOW CRITICAL AT BEAUFORT BURIAL GROUND

A Kerry County Councillor has claimed that the Burial Ground situation in Beaufort is now critical. Fianna Fail Councillor, Michael Cahill raised the matter at a recent Municipal District meeting where he stated that Community Groups in Beaufort, including Beaufort Community Council and the Graveyard Committee are extremely concerned. "The fact that Churchtown Burial Ground, Beaufort is almost at capacity is cause for great concern locally as families now fear that they may not be buried alongside loved ones and may indeed have to be buried outside the Parish" stated the Rossbeigh based Councillor. "I have been highlighting this problem for some time now, the matter is at crisis point and it's time for action" stated Councillor Cahill. "This matter is now a top priority for the residents of Beaufort and Kerry County Council must act now by intensifying their efforts to secure a suitable site for a Burial Ground in the Parish" added Councillor Cahill. The Fianna Fail Councillor also called on the Council to address the serious flooding issue at Churchtown as a matter of priority. "Part of the Burial Ground was flooded earlier this

year which led to an embarrassing situation whereby water had to be pumped out during funerals," stated Councillor Cahill. "This was very upsetting for family and relatives of the deceased" stated Mr Cahill.

Responding to Councillor Cahill, Colm Mangan, Senior Executive Engineer of the Water Services Department said:

"Kerry County Council have installed gullies and a soakaway system in Churchtown Burial Ground. This has been effective for most of the year, however as the Winter of 2020/ Spring 2021 was exceptionally wet, there was flooding within the graveyard. This will be closely monitored during this coming winter to see what appropriate additional remedial works are necessary."

"Kerry County Council have been seeking land both for an extension to the existing burial ground or to construct a new one in Beaufort for some time. Our investigations and discussions to date have proven unsuccessful but will continue. This will include discussions with local landowners and community representatives."

BROAD WELCOME FOR GREENWAY

Alan Ryan, cycling the landmark Gleesk Viaduct railway bridge built in 1892 at Foilmore, Kells. Alan's Great Grandfather was involved with the Bridge Construction. The proposed 32 kilometre greenway for cyclists and walkers in South Kerry will run along the disused railway line from Glenbeigh to Caherciveen, generating a much needed €7m to the local economy.

PHOTO: VALERIE O'SULLIVAN

Killarney Chamber of Tourism and Commerce was thrilled to learn of the decision of a High Court judge who rejected claims that planning approval granted for the South Kerry Greenway should be deemed invalid.

The latest development is a hugely positive step in the right direction and, hopefully, it will lead to this wonderfully iconic attraction becoming a

reality sooner rather than later.

The proposed Greenway will change the face of tourism in Kerry for the better and, in addition, it will provide a superb facility for people from all over the world to experience, at every available opportunity, on a year-round basis.

It will, of course, create a magnificent legacy for future generations to enjoy and benefit from and they will forever thank everybody involved

for having such great foresight.

Although the outcome of further proceedings is awaited, this week's judgement was a source of great joy and encouragement to everybody in support of this unique project.

Chamber congratulates the management and staff of Kerry County Council for the great vision, dedication and tenacity they have demonstrated in steering the project in the right direction.

Everybody involved has played a blinder to date and the county – and indeed the entire country – will owe those driving the project an enormous debt of gratitude when the Greenway dream becomes a reality.

Given the unrivalled scenery and natural beauty of the route from Glenbeigh to Renard, Chamber has absolutely no doubt that the South Kerry Greenway will become one of the most spectacular and successful facilities of its kind in the world.

It will greatly enhance Kerry's appeal to tourists, it will create badly needed employment and, most importantly, it will provide a world class cycle and walking route for everybody to enjoy. Minister Norma Foley has also welcomed the news. "I welcome today's High Court decision on the South Kerry Greenway. It's been a long time coming since funding was first allocated in 2014 and I'm hopeful that speedy progress can now be made to start construction of the project. I expect that we will see huge benefits for South Kerry when it is completed. This Greenway will have a massive impact on Cahersiveen and given the spectacular scenery for people walking and cycling, the Greenway will provide a wonderful showcase for the natural beauty and attractions not alone of South Kerry but the entire South West Region."

GREEN LIGHT FOR GREENWAY

Fianna Fáil Councillor, Michael Cahill has extended his congratulations to all involved in The South Kerry Greenway project on the announcement that it has been given the "Green Light" by the High Court. "This is a win win for all involved, including business and land owners and especially for our children and our children's children for generations to come. South Kerry has now got it's Gamechanger, it's Lifeline" stated an ecstatic Councillor Cahill.

"This is a massive boost for the entire county, especially for Caherciveen and the Iveragh Peninsula" stated Councillor Cahill.

"On the completion of the construction of The South Kerry Greenway, I have no doubt but that the people of Kerry will make this the greatest tourism project in all of Ireland and in a short time we will wonder how we survived before it came" said the Fianna Fáil.

"I will continue to call for all works necessary to be put in place during construction, adequate accommodation works and compensation for all landowners and to ensure the continued smooth running of existing businesses, including farms, etc, all along the route of The South Kerry Greenway" said the Rossbeigh based Councillor.

"Keeping that as a priority, the task is now to help and encourage suitable new enterprises to be set up, whereby decent employment can be created and successful businesses can be born"

said Councillor Cahill. "These, at last, are going to be exciting times in South Kerry, as we dare to exit the shadow of Covid-19 and hopefully look to a much brighter future without further delay" added Councillor Cahill. Kerry County Council has also welcomed the decision by the High Court to dismiss two Judicial Reviews against the South Kerry Greenway project, has been welcomed by Kerry County Council. The proposed 32km Greenway between Glenbeigh and Caherciveen has the potential to become one of Kerry's most significant tourism projects, according to

Cathaoirleach of Kerry County Council, Cllr Jimmy Moloney. "The South Kerry Greenway is hugely important for the continued development of tourism in Kerry, not just for the economy of South Kerry but for the whole of the county," Cllr Moloney stated.

"This is an iconic project, which has fantastic potential to become a landmark tourist attraction, and with the current development of the North Kerry Greenway and the Tralee-Fenit Greenway, an excellent network of cycling and walking routes for visitors and locals around Kerry is being developed." Kerry County Council is currently examining the judgement of the court with a view to assessing its next steps in the project.

Minister Norma Foley has also welcomed the news. "I welcome today's High Court decision on the South Kerry Greenway. It's been a long time coming since funding was first allocated in 2014 and I'm hopeful that speedy progress can now be made to start construction of the project. I expect that we will see huge benefits for South Kerry when it is completed. This Greenway will have a massive impact on Cahersiveen and given the spectacular scenery for people walking and cycling, the Greenway will provide a wonderful showcase for the natural beauty and attractions not alone of South Kerry but the entire South West Region."

GOOD NEWS FOR RESIDENTS AS IRISH WATER TO REPLACE PIPES

Residents in the Beaufort, Listry and Faha areas are welcoming the announcement that Irish Water, working in partnership with Kerry County Council, is replacing a further 1.2 kms of problematic water mains along the Board of Works Road, to improve reliability of water supply in the areas. For years, residents of these areas have experienced water outages, sometime two or three times a week.

These works will commence in mid-July and are part of Irish Water's national Leakage Reduction Programme. The works will be carried out by Kerry County Council on behalf of Irish Water and this phase of the works is expected to be complete by early September.

The works will take place on the Board of Works Road, Beaufort for approximately 1.2kms on a section between the Gap Cross and Kissane's shop.

Old, damaged pipes will be replaced with modern, polyethylene (plastic) and ductile iron pipes. The works will also involve laying new water service connections from the public water main in the road to customers' property boundaries and connecting it to the customers' water supply. Where the existing service connections on the public side are lead, these will be replaced as part of this improvement

work. This work is being carried out as part of Irish Water's Leakage Reduction Programme, which will see €500m invested nationally to tackle problematic pipes and leakage in Ireland's ageing water network.

"Irish Water acknowledges the significant disruption caused by ongoing breaks to the water mains in the Beaufort, Listry and Faha areas. We would like to thank the local community, businesses, homeowners and commuters for their patience and cooperation while we deliver this vital water network improvement project," said Paul Moroney,

Leakage Reduction Programme Manager, Irish Water.

"Replacing the old, damaged pipes will safeguard water supply along the Board of Works Road and surrounding areas. The new water mains and service connections will reduce the instances of bursts and water outages. These improvements to the water network are essential in providing a safe, secure and reliable water supply, now and into the future."

The works may involve some short-term water shut offs and the project team will ensure that customers are given a minimum of 48 hours' notice prior to any planned water shut offs. Where water mains are being constructed, traffic management will be in place to ensure the works are carried out safely. In order to complete this work safely and efficiently a temporary road closure from Kissane's shop to the Gap of Dunloe cross is required. Recommended diversions will be signposted on approach. Local access will be maintained throughout the works. Local and emergency traffic will be maintained at all times.

"We understand that this type of work can be disruptive, but we are committed to working with the local community to minimise disruption," added Paul Moroney.

Cllr. Michael Cahill, a long time campaigner for the upgrade has welcomed the news.

Speaking to Killarney Outlook this week he said "The residents, young and old, of Beaufort, Listry and Faha, have not receiving a proper service from Irish Water. "The water service throughout Kerry is far from perfect, but what the people of Beaufort, Listry and Faha have had to endure in 2021 is difficult to believe. I have called time and time again for funding to be put in place to replace the entire pipe network in this area as it is not fit for purpose and families, young and old, are suffering daily because of it" he said.

The health and well-being of these people has been and continues to be put at risk and that is not acceptable in this day and age" stated Councillor Cahill.

"I still believe that all the pipes will have to be replaced", not just 1.2km", the councillor added.

INVESTMENT FOR RURAL ROADS AND LANEWAYS

Minister Foley welcomes double investment for upgrade works on rural roads and laneways. Minister for Education and Kerry TD Norma Foley has today welcomed an increased investment to €21 million for upgrade works on non-public roads in rural communities.

The announcement doubles the original €10.5m budget which had been allocated for investment under the 2021 Local Improvement Scheme

(LIS). This will improve access to rural homes and farms, as well as outdoor amenities such as lakes, rivers, mountains and beaches. The focus of the scheme is to support the continued improvement of rural roads and laneways that are not normally maintained by local authorities but which represent a vital piece of infrastructure for rural residents. The Scheme was relaunched in 2017 and over 10,000 landowners and residents

in rural Ireland have benefitted to date.

Commenting on the announcement, Minister Foley said: "I welcome this funding which will provide vital investment in rural communities across Kerry. This funding will provide upgrade works and improvements to rural homes and farms as well as our world class outdoor amenities such as lakes, rivers, mountains and beaches."

Killarney waitress hit by stray bullet a few minutes before the Truce

The very final victim of Ireland's War of Independence was a 48 year-old waitress who had stepped onto the street outside the Killarney hotel in which she worked and was fatally wounded by a stray bullet fired by an unidentified RIC officer. Hannah Carey died when the policeman accidentally discharged his revolver as he drove through the streets of the town and shortly after an IRA attack on two British soldiers near the town centre.

Hannah was standing at the door of the Imperial Hotel on College Street when she sustained a bullet wound to the neck just a few minutes before noon on Monday, 11 July 1921, when the agreed cessation of hostilities was to come into effect. The centenary of her death occurs on Sunday next. According to research by Kerry historian, Owen O'Shea, Carey lay dying for two hours on the floor of the hotel on College Street, where she worked as a waitress, before succumbing to her injury

and despite the intervention of two local doctors. As she stumbled off the street after being shot, she mumbled to her employer, 'I am done' before collapsing to the ground. The unmarried native of Killarney died a short time after the shooting of two British soldiers at High Street and as the Crown Forces and the IRA continued to exchange fire as the clock ticked down to the official ceasefire at noon on 11 July. 'Hannah Carey has been a minor footnote in the history of the War of Independence for so long that I felt her story deserved more attention,' said O'Shea, who has examined the report of the official enquiry into her death. 'Behind all of the military casualties on both sides of the conflict are so many ordinary civilians who were caught in the crossfire and Hannah Carey – described as a “most harmless woman” – tragically holds the unenviable honour of being the last person to die during the War of Independence.'

Just minutes before Carey was shot, the local IRA launched their final attack on the Crown Forces in Kerry. Sergeants Edward Mears and FG Clarke of the 1st Battalion of the Royal Fusiliers were attacked on High Street on the orders of IRA leaders, John Joe Rice and Humphrey Murphy. Mears later died of his injuries. 'Official reports and several newspapers suggested Hannah died during the attack on Mears and Clarke but this was not true,' said Owen O'Shea. 'Instead she met her fate as an RIC lorry travelled along College Street in the aftermath of that incident. The unidentified driver of the Crossley Tender lorry later told the inquest that he was driving the truck with his loaded revolver in his hand. As he “gripped the wheel tighter,” the revolver went off. He didn't realise anyone had been shot, telling a fellow officer, “it went off by mistake.”' In her statement to the Court of Inquiry which followed three days later, 45 year-old hotel proprietor, Marie Slattery, recounted how Hannah Carey ran in from the door and collapsed into her arms. 'I saw a bullet fall on the floor ... the deceased spoke a few words and said “I am done.”' The hotel cook described how he loosened Hannah's clothes to discover the

bullet wound in her neck. Two doctors administered aid but she died two hours later and was buried the following day. The inquiry concluded that Hannah Carey died of asphyxia, following [a] gun shot wound in [the] thorax, and that she died about two hours after. The only rebuke from the Court of Inquiry for the unnamed RIC officer who killed her was that he had 'contravened all instructions on the subject of handling and using arms.' At its meeting the following week, the members of Killarney Urban District Council passed a vote of sympathy to the family of 'Miss Hannah Carey of Killarney.' There is no known photograph of Hannah Carey nor has Owen O'Shea been able to trace any descendants. "I would love to hear from anyone who might be descended from Hannah Carey or who might have a photograph of her", Owen told Killarney Outlook. His email is owen@owenoshea.ie In his book on the Truce, Pádraig Óg Ó Ruairc refers to Carey as being the last person killed in the war as does T Ryle Dwyer in 'Tans, Terror and Troubles' and she is also listed in the recently published 'Dead of the Irish Revolution' by Dáithí Ó Corráin and Eunan O'Haltin.

BUSINESS OUTLOOK

GROW YOUR BUSINESS HERE - WITH US!

John Healy.

More than half of all new houses built in Kerry in the past five years were one off houses in the countryside. A large proportion of these house will have been built using direct labour. Below I will outline the insurance implications when building your own house.

FIRE COVER

If you are applying for a mortgage on the house your bank will request their interest to be noted on a "Fire Policy". If you are using a building contractor you will be able to obtain a "Fire in the course of construction policy". This type of policy is usually only accepted prior to the commencement of any construction works. In the situation where you are using a contractor you should request copies of their combined liability policy and contact works policy for your own protection.

SELF BUILD

If you are using direct labour and individually appointed sub-contractors then you will need a self-build policy. This type of policy covers Employers Liability for your legal liability for accidental death or injury of an employee and Public liability to protect you as the property owner for your legal liability for accidental death, injury or third party property damage. This type of policy will also cover the contract works in progress against for example fire, storm, flood, and malicious damage to name a few. The policy can extend to cover materials for use in the project, plant tools and equipment

BUILDING YOUR OWN HOUSE? WHAT KIND OF INSURANCE DO YOU NEED?

including temporary site huts. Your Mortgage Banks interest can be noted on this policy for your mortgage application.

Self-build policies will include cover for professional fees such as architects, surveyors and engineers fees, demolition and removal of debris costs and hire charges in the event of an insured loss for hired in plant. The policy period options can range from 12 months to 24 months in duration.

Just to note that cover for building your own house should be in place before work has commenced. I would also advise that you ensure your architect, engineer, surveyor etc all have current professional indemnity and liability insurance in place and request copies for your records.

At Healy Insurances we have access to a range of insurers who offer both fire in the course of construction policies and self-build insurance. Contact us for expert insurance advice and competitive prices.

Craft breweries put Kerry on the map

Killarney Brewing Company is among Four Kerry breweries who are taking part in a nationwide initiative to promote Irish craft breweries with the launch of a new online Irish beer map. The resource was created to highlight the abundance of quality, independent craft breweries that are located throughout the country and to generate public interest in beer provenance, by linking craft breweries to specific destinations. The map, which currently has 60 breweries listed is available to view at irishbeer.ie. Similar to 'wine terroirs' in other countries, the Irish Beer Map has the potential to build provenance of Irish

beers and to directly link breweries to distinct regions for residents and holidaymakers. From Kerry, Killarney Brewing Company, Dick Mack's Brewhouse, Beoir Chorca Dhuibhne and McGill's Brewery are taking part in the initiative. Killarney Brewing Company from Killarney, Co.Kerry was founded in March 2015. The founders Tim O'Donoghue, Paul Sheahan, and their Chicago-based business partner, Liam Healy met in Chicago and shared an appreciation and love of great tasting local beer. With entrepreneurial backgrounds, the team understood the importance of supporting local independent businesses. As Tim and Paul were

planning to move back to Kerry, they noticed a gap in the Irish market and a growing popularity in handcrafted beers across the country. The company aims to be a catalyst for growth and innovative thinking in the community. With a €24m investment, the brewery is developing a new state of the art facility which will be 62,000sq ft and overlooking the McGillycuddy Reeks mountain range and Lakes of Killarney. Killarney Brewing Company believes in creating a bright future for the next generation of Kerry and has received full support from the local community. It is also driven to achieve growth with minimal impact to the surrounding natural environment. Killarney Brewing Company's core product is its Golden Spear Blonde, 4.8% ABV. The Irish Beer map aims to raise awareness of the vibrant Irish microbrewing industry and to encourage consumers to seek out local beers wherever they are. The Irish Beer map is created in conjunction with the Independent Craft Brewers of Ireland (ICBI) and is supported by Bord Bia. Craft breweries who are not yet listed on the map are asked to register interest using the website contact form.

Former Kerry footballer Killian Young

BACKS RNLI SUMMER WATER SAFETY CAMPAIGN

Former Kerry footballer and Renard player Killian Young has joined a host of well-known GAA people who have given their backing to the RNLI's summer water safety campaign by producing their own home video messages with important water safety advice. The videos are part of the partnership between the RNLI and the GAA to prevent drowning and save lives.

Killian is joined by former Kilkenny hurler Jackie Tyrrell, Cork footballer Brian Hurley, Galway camogie player Shauna Healy, Antrim hurler Neil McManus and Dublin footballer Lyndsey Davey, as well as GAA commentator Marty Morrissey. Each video features a water safety message and includes the charity's 'Float to Live' message, how to raise the alarm if you see someone in trouble, carrying a means of calling for help, leaving inflatables at home and always telling someone where you are going. The RNLI and the GAA will be sharing

the videos online and hope that people will in turn share them among their own friends and family. This summer is already looking to be one of the busiest for lifeboat crews and the charity is asking people to be aware of the potential dangers involved in their chosen water activities.

Commenting on the campaign RNLI Head of Water Safety Gareth Morrison said, 'In working with well-known people from the GAA we have been able to share life-saving advice with the people we know need to hear it the most. Through this partnership RNLI volunteers have been working with GAA communities locally to share water safety advice. Sharing this advice and information during a busy summer could save a life. We are grateful to our ambassadors who made these videos for us and while we haven't been able to come together in person, we have still been able to work together to help save lives.' Killian filmed his video overlooking Fenit harbour where the RNLI has a lifeboat

station, one of two in the Kingdom, along with Valentia RNLI. His video message is about the danger of inflatables. The footballer advises to keep them at home, the charity has already seen a sharp rise in the number of callouts involving inflatables which can be easily blown out to sea with offshore winds. The message also advises to avoid mixing alcohol with any water-based activity and to know how to raise the alarm if you see someone in trouble on the water by dialling 999 or 112 and asking for the Coast Guard.

Commenting on his involvement in the video Killian said 'I am delighted to be involved with the RNLI on their GAA partnership. As a proud Kerry man I know all too well the attraction of the sea and the dangers of it too if you are not prepared for it. Living on an island with such a beautiful coastline, we should all know basic water safety advice and what to do when we head to the beach or out on the water. The RNLI/GAA partnership is working to share this advice with people in their local communities. These small videos only take a second to share but they could be the second that saves life.'

FUNDING ANNOUNCED FOR VOLUNTARY GROUPS

Two Killarney organisations have benefited from funding this week.

K.A.S.I. Company an NGO - Non-Governmental Organisation which offers services for Ethnic Minority, Traveller and Roma Communities will receive €19,011 while Killarney Water Rescue a Community/Voluntary Organisation which provides Emergency Relief Services will receive €4,000. Minister Norma Foley has welcomed over €149,000 in support payments for Kerry community and voluntary groups.

Minister for Education and Kerry TD Norma Foley welcomes €149,415 in Covid-19 Stability funding for community and voluntary groups in Kerry. The primary aim of the fund is to support organisations suffering financially due to a reduction in their fundraising and/or traded income due to the

pandemic. Under this tranche of funding, cash injections of between €2,000 and €200,000 are being awarded to qualifying organisations that provide critical services to those most vulnerable in society. These organisations, which span across a range of sectors, have been hit with short-term

cash flow issues as a result of the Pandemic. Minister Foley says: "This money will provide vital services for so many excellent voluntary organisations around the county. It is a wonderful endorsement of outstanding contribution they make to local communities."

TRUCE IN THE WAR OF INDEPENDENCE MARKED IN KILLARNEY

On the Commemoration of the 100th Anniversary of the Truce in the War of Independence, politicians and locals gathered at the Ceremony at Gardens of Remembrance in Killarney last Saturday.

Speaking at the ceremony, Mayor of Killarney, Cllr Marie Moloney said:

"Even though we are restricted by public health guidelines, it is important, as public representatives, that we gather to commemorate the end of the War of Independence a century ago while adhering to health guidelines by social distancing.

It is also appropriate that we gather here at the 1916 Garden of Remembrance which was opened during the commemorations of the centenary of the Easter Rising five years ago.

The War of Independence represented a continuation of what began at Easter 1916 and which ultimately led to independence and the foundation of our Free State.

The war was a traumatic and turbulent time for County Kerry and for Killarney. And I am thinking this weekend of all those who lost their lives in that conflict, be they combatant

or civilian. Kerry, more than most counties, experienced the hardship and brutality of the conflict and it impacted on every parish and every corner of the county.

And I am also thinking of one of those civilians who died just minutes before the Truce came into effect, and who was killed just a short distance from here on College Street. 100 years ago tomorrow, Hannah Carey, waitress at the Imperial Hotel was killed when an RIC officer fired his weapon from a passing vehicle. Hannah was hit by the stray bullet. She is, tragically, the last person to die in Ireland's War of Independence. To make her death as the last person in Ireland to die during the war of Independence, I have asked Kerry County Council to erect a plaque in her memory.

I hope that this weekend that everyone in our county and in our country can take a moment to reflect and remember the events of 100 years ago.

This was a difficult and traumatic time in our community and today, we hope and pray that all those who died are resting in peace.

Ar Dheis Dé go raibh a h-anamnacha Dílis.

€750,000 ALLOCATED TO COMMUNITY GROUPS AND PROJECTS ACROSS KERRY UNDER COMMUNITY SUPPORT FUND

GROUPS in Killarney have received funding from Kerry County Council as part of the allocation of €750,000 in support for community groups and projects across the county under the Community Support Fund for 2021.

A total of 123 groups and projects are receiving grant aid worth €475,000 this year while a proportion of the fund, totalling €275,000, is being retained to leverage funding from other funding streams for strategic projects at Municipal District level.

Over the past two years, over €10 million was leveraged from other national grant sources as a result of the strategic allocation of resources under the Community Support Fund.

The fund, which is in its seventh year, has now supported 1,623 projects since 2015 to the value of €5.25m since its establishment. As occurred in previous years, some of the Community Support Fund will be used this year to target strategic projects in the five municipal districts and to co-fund projects which are in receipt of grants from other sources. Cathaoirleach of Kerry County Council, Cllr. Jimmy Moloney, said: 'Over the last 12 months, in addition to the Community Support Fund, significant funding has already been allocated across the County to support community and voluntary groups impacted by the COVID 19 pandemic. Now more than ever, community and voluntary groups need the support from Kerry County Council to reconnect communities and rebuild our local economies as we recover from the impact of COVID 19. The retention of part of the fund to help to leverage funding from National funding schemes to co-fund projects has proven to be an enormous success and is critical for the long-term regeneration of our towns and villages.' Councillors in the five Municipal Districts met on Wednesday 14 July to decide on the allocations and unanimously welcomed the provision of support to the recipients. Councillors congratulated all the community groups and acknowledged the tremendous voluntary work that these groups do. In 2021, a review of the Community Support Fund (CSF) was undertaken

where the categories of support were re-purposed to help communities and rural economies across the County to recover from the impact of the COVID 19 pandemic and to provide confidence to communities as we work together to rebuild and reconnect communities. For 2021, the fund will target funding under four categories of support: Rebuilding and Reconnecting Communities Community Tidy Town Initiatives and Amenity Projects

MONEY MATTERS.....

By Dermot Cronin,
Financial Advisor

WHY DO YOU NEED LIFE COVER?

TO PROTECT YOUR FAMILY AND LOVED ONES
If your loved ones depend on your financial support for their livelihood, then life insurance is a must, because it replaces your income when you die. This is especially important for parents of young children or adults who would find it difficult to sustain their standard of living if they no longer had access to the income provide by their partner. You can also apply to add other benefits to your life cover including serious illness cover.

TO PAY OFF YOUR MORTGAGE, DEBTS AND OTHER EXPENSES
In addition to providing income to cover everyday living expenses, your family needs insurance to cover any outstanding debts, like the mortgage, credit cards and other loans. You don't want your spouse, parents, children or other loved ones to be left with any extra financial burden in addition to the emotional burden they're already suffering.

TO BRING PEACE OF MIND & LEAVE AN INHERITANCE
We can't know when we'll pass away. It could be today, tomorrow or 50 years from now, but it will happen eventually. No amount of money could ever replace a person. But more than anything, life insurance can help provide protection for the uncertainties in life. Even if you don't have any other assets to pass to your heirs, you can create an inheritance by buying a life insurance policy and naming them as beneficiaries. Without a doubt, having life insurance coverage will bring you and your family peace of mind. You should also consider income protection and serious illness cover when considering life cover.

If you have any queries on the above or any other matter you can contact Dermot Cronin QFA at 0646622775 or dermotcroninfa@gmail.com

OPEL LINE-UP TO GO FULLY ELECTRIFIC BY 2028 AND MANTA-e IS GIVEN GREEN LIGHT

Introducing the Opel Manta-e concept car. Opel has announced the legendary Manta will return as a fully electric production car, mid-decade, following the tremendous feedback the Opel Manta GSe ElektroMOD received when it was recently unveiled.

Opel is opening the next chapter of its comprehensive electrification offensive. The tradition-rich German brand is currently not only expanding its electric model portfolio but will focus entirely on battery electric vehicles in Europe as of 2028. Opel will also enter the world's largest automobile market, China, as a purely electric brand. Furthermore, the legendary Opel Manta will celebrate its comeback as a purely electric car.

"As of 2028, Opel will only offer electric cars

in our core market Europe," said CEO Michael Lohscheller at the digital Stellantis EV Day 2021. "This clearly shows the commitment of the Opel brand to electric mobility. The future of the automotive industry is electric and Opel is part of that. We are on a journey to reinventing Opel and transforming ourselves into a young, green and global brand," Lohscheller added. "Opel is moving from cold to cool. We are heading towards a net zero CO2 future as CO2 is the new currency in our industry."

In addition, the final decision to bring the Opel brand back to China has now been taken. More details will be published in due course. "We promised that Opel will go global and we will deliver. China is the largest automotive market in the world and we are sure that we will grow profitably there. Chinese customers can look forward to our products and our emotional German brand," said CEO Michael Lohscheller. Lohscheller also announced that Opel will reinvent the legendary Manta, after the tremendous feedback the brand received when presenting the Opel Manta GSe ElektroMOD. "The Manta is a real icon in our brand's history and an inspiration for its future. We will bring a new Manta into serial production by mid-decade. Purely electric, of course," said Michael Lohscheller.

Opel is in the middle of an extensive electrification offensive: the brand will already have nine electrified models on offer this year, and all models will also be available in electrified versions by 2024.

SIMON DRIVES OFF IN STYLE

Simon only bought the ticket the day before the draw and watched the draw live. "I was shocked when my name was drawn out of the tumblar second", a delighted Simon said. "It was definitely a quick return on a €100 investment", he added.

Simon will also benefit from an 8 year warranty with his new car and 5 years roadside assistance.

THE NEW OPEL ASTRA

IS CONFIDENT, ELECTRIFIED AND EFFICIENT

Opel has revealed in all its glory, the all-new sixth generation Astra. A descendant of the legendary Kadett, the success story of the Astra, Opel's bestseller, began 30 years ago. Dynamic as never before, with sheer, taut surfaces, and sporting the new brand face, the distinctive Opel Vizor, the Astra will be available in petrol, diesel and for the very first time, as a plug-in hybrid. Designed, developed and manufactured at Opel's headquarters in Germany, the all-new Astra will arrive in Ireland in early 2022, with prices and equipment levels to be revealed closer to launch. Boasting a muscular, confident stance, the new Opel Astra will launch as a sporty five-door with a low-slung look, yet it gains more interior space than its predecessor. With a length of 4,374mm

and width of 1,860mm, it hits the sweet spot of the compact sector. Thanks to especially short front overhangs, the new Astra is only 4.0mm longer than the previous model, despite the considerably increased wheelbase of 2,675mm (+13mm). The new Astra's practical boot with adjustable floor still offers the driver and four passengers 422 litres of luggage volume. After the Mokka, Crossland and Grandland SUVs, the new Astra is Opel's first hatchback to benefit from the brand's bold and pure design philosophy. The Opel Vizor, the new face of the brand first seen on the Mokka, with the Opel Blitz emblem in the middle, stretches across the front, making the new Astra look even wider. Viewed from the side, the next-generation Astra looks especially dynamic thanks to the pronounced forward rake of the C-pillar. At the rear, the centrally mounted Blitz emblem also doubles as the latch for the tailgate, which is made of state-of-the-art composite material.

A leap in time has taken place in the interior of the new generation Astra, where the absolute highlight is the next generation of the Pure Panel first introduced in the Mokka. This expansive, digital cockpit features two 10-inch seamlessly integrated horizontal displays. Thanks to a shutter-like layer that prevents upward reflections in the windscreen, the design dispenses with a hood

over the displays, to further enhance the high-tech functionality and ambience. Opel designers have taken great care to ensure that the driver receives all the necessary information but is not overloaded with data or functions. Key settings such as climate control can still be operated via physical controls in the form of finely crafted keys, achieving the optimum balance between digitisation and intuitive operation. There is no need for cables either since the new generation of infotainment systems can be connected as standard on all model variants to wireless Apple CarPlay and Android Auto, operated by voice control or by touch. The new Astra will be available from the start of sales with powerful plug-in hybrid electric drive as well as highly efficient petrol and diesel engines, electrifying Opel's compact class model for the first time in the brand's history. Power ranges from 110hp to 130hp with the petrol and diesel variants and up to 225hp output with the plug-in hybrid variants. A six-speed gearbox is standard on the petrol and diesel power units, with an eight-speed automatic transmission (electrified on the plug-in hybrids) optional on the more powerful engines.

Order books for the new Astra open this autumn with first deliveries due to customers early next year at Ahern's Castleisland.

Life, Inspiration & Body Confidence Coach/Author

Life: why it's our greatest teacher

As we go through our lives, we grow through them, learning all kinds of lessons about what we want, who we are, what matters to us and how to navigate this experience with kindness, courage, love, trust and hope.

Everything is significant on our journey and every situation, person, experience and challenge is a teacher, if we choose to learn the lessons that they offer.

The storms that tried to tame us, the rain that sought to dampen our spirits, the times when we felt lost and as if we were walking in an unknown land... these are all of the places that we began to grow our own particular kind of sparkle and radiance.

These are the times that illuminated who we truly are and what we really desire. When you have walked through the fire and have emerged profoundly changed on the other side, you know your strength.

When you know what no longer works in your life, you align yourself with what does. When you have lived in the shadows, your brilliance only shines brighter as you grow into your authentic self and allow her (or him) to shine out loud.

And some day, when you look back, you may find yourself thanking the storms, the long dark nights of the Soul, the endless rain and the raging fires because these were the teachers in your life that invited you to go beyond who you believed yourself to be and to light up the world with your radiant being.

Noreen
answers your
beauty questions...

How often should I exfoliate my face?

Generally, twice a week depending on your skin, the exfoliator you use and how used to it your skin is. If your skin is dull, has dry patches, clogged pores or you can see fine lines then you need to exfoliate. A good exfoliator should visibly smooth and brighten your skin immediately so you will be reaching for it more than twice a week. Also, it increases the penetration and effectiveness of your serum and moisturiser and your make up will sit perfectly.

Chemical exfoliators with glycolic, lactic or salicylic acid are very popular and can often be used daily. Enzyme exfoliators with papaya and pineapple are great to nibble away dead skin cells gently yet effectively on even the most sensitive skin. IMAGE Hydrating Enzyme Mask €43.50 also doubles up as a mask with vitamins A, C and E to plump and hydrate while exfoliating.

If you love the feel of a scrub on your skin go for jojoba beads, rosehip or poppy seeds and use gently once a week and not if you have sensitive skin.

How to reduce stress through your diet... Part 2

It's fair to assume you currently have some stress in your life. It's important to know what we can do nutritionally to support our health and reduce negative impacts from stress. I'll outline some of the key points to consider below:

Eat Your Carbs

Carbohydrates are the body's preferred source of energy, and this becomes more apparent during times of stress. To provide the energy to support recovery from the stress, follow a higher carbohydrate diet.

Don't Starve

A low calorie intake during stressful times or recovery from high stress will only heighten the depletion of glycogen, breakdown of muscle tissue and put more demand on the adrenals. Therefore you should look to eat at 'calorie maintenance' level or a slight surplus during stressful times.

If you struggle with stress in your life and need advice on coaching tools to help you make change or nutritional advice and strategies then book a consultation today with one of our team. We are only delighted to help.

SUMMER EYES

As the weather gets warmer and the days grow longer, we often think about improving our health and getting into better shape. As you prepare to enjoy the outdoors this summer, don't forget a plan for keeping your eyes happy as well.

Avoid getting "sunburn of the eye"

When sunlight shines off water, sand or other highly reflective surfaces into your eyes, it can cause a very painful condition called photokeratitis. This is when the sun's ultraviolet rays burn the surface of your eye. Pain, redness, blurriness and even temporary vision loss are symptoms of this condition. Prevent photokeratitis by wearing sunglasses that are marked "100% UV protection." Also, wear a broad-brimmed hat for added eye protection.

Prevent "swimmer's eye" in the pool

Pools can be tough on the eyes. Chemicals used to keep the water clean, such as chlorine, can affect the natural tear film that keeps our eyes moist and healthy. The result can be Red, gritty-feeling eyes and blurry vision. Keep eyes feeling and looking good by wearing swim goggles in the pool, and splash your closed eyes with fresh water immediately after getting out of the pool.

Keep dry eye at bay

Spending time outside when it is hot, dry or windy can irritate a common condition called dry eye. A hot, dry

environment affects the tear film, drying out the eye's surface. To protect your eyes in these conditions, wear wrap-around glasses to keep wind from your eye's surface. Also, use artificial tears (preferably those that are preservative-free) to keep eyes moist and refreshed.

Don't play around with eye safety

Spending more time outside often means more outdoor work and play. Whether mowing the lawn, trimming weeds or playing baseball, always wear the proper protective eyewear. More than half of all eye injuries occur at home, yet only about one out of every three people wears eye protection when they should. Don't be an eye injury statistic!

Quit smoking

When thinking about getting healthy this summer, think about quitting smoking. Cigarette smoke, including second-hand smoke, not only worsens dry eye, but is a risk factor for many eye diseases, including cataracts, macular degeneration and more. Quitting smoking reduces your risk of getting eye disease and other major health problems.

➤EAST KERRY JUNIOR LEAGUE RD3 SPA V FIRIES

Spa hosted Furies on Tuesday evening in wintry conditions in round 3 of the East Kerry Junior League. We started well and by the half time break were leading 0-8 to 0-4. A solid second half saw off a late comeback from Furies and the game ended Spa 0-19 Furies 1-6. Well done to the team and management. Spa: Conor kerins, Conor Brosnan, Brendan Lynch, Thomas Fleming, Thomas Cronin, Conor stack, Michael Kearney, Andrew Fitzgerald, Eoghan Cronin, Mikey Moynihan, Jamie Spillane, Calum Neher, Paul Cahill, Colm Hickey, John Falvey. Subs: Anthony Magnier, Paul O'Sullivan, Donagh Fahy, Alan O'Sullivan

➤U14 GIRLS SPA V MKL B

We were away to MKL B on Sunday, final score Spa 6-3 to 3-13. Spa u14 ladies were away to MKL b in Listry Sunday evening and a very exciting contest it was. Spa again were slow to start but eventually Aoife O'Connell opened the score line for Spa which seemed to settle them a bit and we were just 3 points behind at halftime. But again Spa were slow to start in the 3rd quarter and let MKL b score 5 unanswered points leaving Spa with an 8 point deficit to bridge in the last quarter. But fight back they did. It was an outstanding performance by Spa in the final quarter, they pulled together and eventually went two points up but a strong MKL b fought back well to go one point ahead with a few minutes to go. Spa had their chance to snatch the victory in the remaining minutes of the game but unfortunately two scoring chances went wide. Well done to Spa for a very gutsy performance with a never give up attitude. A special mention for outstanding play has to go to our goalkeeper Sarah Griffin who made brilliant saves to keep us in the game and a brilliant defensive performance from Siofra Brosnan and Muireann Spillane. Ciara O'Donoghue had a great game midfield performance with an immense work rate mirrored by Maggie May O'Donoghue. Scorers for Spa were Lara O'Neill (4-0), Saoirse Moriarty (2-1), Aoife O'Connell (0-1), Ciara O'Donoghue (0-1). Final score line MKL b 3-13 Spa 6-3. Spa are home next Sunday evening to ISG B at 7pm.

➤U12 GIRLS V LAUNE RANGERS B

Our 4th game of the campaign saw us at home to Laune Rangers B on Sunday afternoon. The girls started brightly with a flurry of scores resulting in a strong lead at half time. Laune Rangers fought on and had a good rally in the third quarter, but our girls regrouped after the water break to finish

strongly. We have now qualified to play Dr Crokes in Div 4 B Final next Wednesday evening 14th July at 19.30.

➤U8 GIRLS

Fossa hosted our u8 girls last Saturday and had a great experience with their first outing this year.

➤MUNSTER U20

Wishing the best of luck to Niall O'Mahony and the Kerry U20 team and management in the Munster semi-final v Cork this Thursday July 15th in Pairc Uí Chaoimh at 7.30pm.

➤KERRY TEAMS

Hard luck to the Kerry Ladies who narrowly lost out to Galway in the first round of the Ladies Championship on Friday night. They play Donegal at home in the next round on July 24th and best of luck to all including Niamh Kearney, Cassandra Buckley and Ciara Moynihan. Our Kerry seniors defeated Tipperary on Saturday evening to progress to the Munster Final against Cork in Fitzgerald Stadium on Sunday July 25th at 4pm. Well done Dara Moynihan and the team & management. The Kerry hurlers, despite losing out to Meath on Saturday evening, through goal difference they have progressed to the Joe McDonagh Cup Final against Westmeath next Saturday July 17th at 5pm in Croke Park. And on Sunday the Kerry minors travelled to Limerick to play Roscommon in the deferred 2020 All Ireland minor semi-final, and won well on the day. They now play Derry in the 2020 All Ireland Minor Final next weekend (fixture details TBC).

>SYMPATHY

The entire Beaufort GAA community are shocked and saddened at the tragic passing of Thomas Healy. As a club we extend our deepest sympathy to Julie, Ger, Jack, Danny and Michael, and to the many friends that Thomas had throughout our club. Thomas was a very promising young player, and most recently was playing for both our U15s and U17s. He was always full of energy and played with his heart on his sleeve. Thomas will be deeply missed by all who knew him. We also pray for the Barrett family and Alfe that he will make a complete recovery. >ALL IRELAND MINOR SEMI FINAL 2020

Kerry have reached the All Ireland Minor Final for 2020 after beating Roscommon in a highly entertaining Semi Final in Limerick. After missing out on last year's Munster Championship because of injury, Killian O Sullivan returned to the side today at wing back. Killian's blocking and intercepting was of top quality, and he also showed

his passing range with two assists, one with the right, and the other with the left. Congratulations to Killian and all the panel, and good luck in the Final against the Derry men. Report by Michael Healy.

>U17 EAST KERRY LEAGUE

Despite a strong second half showing, Glenflesk under 17s were defeated by Dr Crokes in round 2 of the East Kerry League Division 1. After Crokes had dominated the early stages, in which Liam O Donoghue made a couple of great saves, Glenflesk scored a great goal when Callum Cronin made a terrific catch, and broke free to finish coolly to the net. Sean Guerin then pointed after a terrific burst forward by Ignatius O Leary. In the second half Glenflesk got hold of the ball more, and Oisín Lynch stroked over two classy points. Darragh O Connell added two more points, with the second one coming after another O Leary spurt forward. Stephen Moynihan pointed right at the end with a shot that could have ended in a goal. Fossa away is the next assignment, next Monday night.

This Week in the Coiste na nÓg:

Our U15 Green Team game against Ardferd ended in a win for the visiting side by 1-09 to 3-13. Our 15s started strongly racing into a 1-06 to 0-02 lead by the first water break but were pegged back by Ardferd our home side leading by a single point at the halfway point.

The visitors took the initiative after the second water break to win on this occasion. Well done to both teams for a great game of football.

Well done to our Milltown/Castlemaine U11 sides last in their Lee Strand Go Games match against Laune Rangers GAA. In the final game of their Gavin White / Adrian Spillane Group both teams showed fantastic skills and produced 3 brilliant games of football.

We look forward to more great matches from our Milltown/Castlemaine Gaa Club U11s throughout the summer. Many thanks to their coaching team led by Garry Murphy who all but in so much effort with the boys every week.

Our U9 Team played host to Laune Rangers this morning and again showed some fantastic skills and teamwork. There were four teams of 7/8 players for each club with each team playing two games stretching the hour.

It was great to see some new faces on the U9 Team playing so well as well as the older members of the group showing their strengths on the field. Finish of the week in style our U13 Green side won their Division 4 South group in the County League. Winning all five games along the way they had a battle on their hand for the final group game but saw off the challenge of Currow by a 2 point margin to top the group. Well done to the team, their coaches and thank you sincerely to the covid supervisors and all the volunteers. Our U13 white team will round off their Phase 1 matches tomorrow evening against Fossa at 18.30.

SENIOR TEAM

Sponsored by Almas Takeaway & Bathrooms 4U

SENIOR ROUND UP

Senior: Our senior side had no game this week as the County League took a break whilst Kerry Team but will be back for an important fixture this coming weekend away to Brosna.

Junior: The Junior side faced a familiar opponent this week with a short trip to the Cloon Pitch in Killorglin to face Laune Rangers in the Mid Kerry League. Their second game in two days, a three point win saw our Junior side continue their good form beating Laune Rangers by a score of 1-14 to 2-08 on the night.

KNOW YOUR RIGHTS

LITTERING

Question: I regularly walk near my home and I've recently noticed a lot of rubbish on the paths. Is there anything I can do about it?

Answer: Littering in an open or public place is an offence. Your local authority is responsible for keeping public places under their control, clear of litter. If you notice illegal dumping, you should report it to your local authority, or call the 24-hour National Environmental Complaints Line on 1850 365 121.

The local authority will investigate your complaint and take action if necessary. If the local authority can find out who owns the rubbish, the owner can be prosecuted, even if they haven't been caught in the act of dumping.

Local authority litter wardens and Gardaí can impose penalties for littering. People who litter can get an on-the-spot fine of €150, or if convicted they can get a maximum fine of €4,000. If you own or are responsible for somewhere that is open to the public, it is your responsibility to keep it litter-free. This includes public parks, bus and train stations and school campuses. If you are a dog owner and do not remove your dog's waste from public places and dispose of it properly, you can be prosecuted in the District Court.

You should contact your local authority to get more information on anti-littering campaigns or projects in your area.

Best wishes to all in next weekends Final.

CREDIT UNION CO. HURLING LEAGUE DIV. 1 Ballyduff 0-20 Dr Crokes 2-08 Dr Crokes Senior Hurlers continued their Credit Union County Senior Hurling League Division 1 campaign with a trip to Ballyduff on Sunday last. After a win against Kilgarvan in the last game, they were keen to build on the momentum. Despite a growing injury list the team acquitted themselves well and can be proud of their efforts. Crokes started brightly and contested well all over the field. Declan Hickey scored a fantastic point from a sideline cut before Ballyduff responded with 4 unanswered points. Crokes responded with a free and a 65 from Mark Heffernan to leave the score 0-4 to 0-3 at the first half water break.

The fullback line of Anthony Keogh, Mike Milner and Patrick Crehan were very strong at this stage and prevented a few goals. Garry O Connor got on a lot of ball and used it wisely. Jack Linehan started to grow into the game and won a free which Mark Heffernan slotted over to level the scores. Ballyduff again put a run of scores together to open up a 5 point gap, some missed chances for Crokes during this period were costly. Just before half time David Carroll burst through the Ballyduff rearguard and put a rocket of a shot in the corner of the Ballyduff net to leave the half time score as Ballyduff 0-9 Crokes 1-4.

Crokes started the 2nd half brightly and Mark Heffernan narrowed the gap to the minimum before Ballyduff started to get on top of the 50/50 challenges and began to stretch the game. Crokes began to settle again and Declan Hickey scored a point from distance to leave the score at the water break Ballyduff 0-15 Crokes 1-6

Crokes continued battling hard although will rue a missed goal opportunity which the Ballyduff keeper managed to clear off the line. Some good work by Ciarán Kennedy by the end line led to a point from a 65. Aodán Burns and Jack Linehan combined well to win

a free which Mark Heffernan converted before a brilliant block by Cathal White led to Jack Linehan scoring a goal to leave just 4 points between the sides with 5 minutes left. Crokes played with lots of spirit and endeavoured to close the gap further. A few long balls into the square were cleared by the Ballyduff defence however and they tagged on 2 points in injury time to leave the final score Ballyduff 0-20 Dr. Crokes 2-8.

The Dr Crokes Junior hurlers got the first win of their 2021 Credit Union County Senior Hurling League Division 3 campaign against St Pats East Kerry on Wednesday night.

The game was played at the Fossa Community Field, with the added wind factor making the game a tricky affair.

Crokes led by 4 at half time. After conceding an early goal, we battled hard with a goal coming from the stick of Dara Tangney.

Dr Crokes were the better in the early stages of the second half, and reeled off a couple of scores but frees kept St Pats in the game to the death. Our defence stood strong in the closing stages to ensure we came away with our first points of the campaign, winning by 2 points in the end, 2-12 to 1-13

Next up for Dr Crokes B is a home tie against Duagh in Dr. Crokes Grounds on Wednesday week, July 21st.

U20 CO. LEAGUE we received a second walkover in this competition on Saturday last, one would have to pose the question is Saturday @ 4pm an appropriate time to play this competition.

UNDER 1

Keel/Listry Under 17s travelled to Kenmare on Monday last. Kenmare proved too strong for Keel/Listry. The final score was Keel/Listry 0-14, Kenmare Shamrocks 2-13. Keel/Listry have a bye in the East Kerry League this week.

UNDER 15

Keel/Listry U15As and U15Bs were due to play on Wednesday evening but due to various circumstances neither match went ahead on Wednesday. The U15B game was moved to Friday evening, and Keel/Listry recorded a great win versus Legion B. This was Keel/Listry's first game in a couple of weeks, so it was great to get the win. Keel/Listry U15A had a crucial Division 1 game versus Austin Stacks on Sunday. Keel/Listry needed at least a draw to book a play in the Division 1 semi-final. The lads started well, and an early goal helped them settle. Defences were on top for both teams and in a low scoring game the teams were all square at half time. Coming into the last few minutes Austin

Stacks had a 2-point lead but Keel/Listry kept at it and with the last kick of the game Gearoid Evans kicked a great point to earn Keel/Listry a well-deserved 1-9 to 1-9 draw. Keel/Listry U15A play Laune Rangers in Killorglin on Wednesday evening in the semi-final. Best of luck to the team and their coaches.

UNDER 13

The U13s hosted John Mitchels on Sunday evening in Division 9 and Division 1. It was the visitors that took the spoils in both games. Well done to our lads showing great skill and determination throughout. Phase 2 is due to commence next Sunday. Fixtures will be confirmed this week. Best of luck to both teams and their coaches.

UNDER 11

The U11's had a great game at home to St Michael's/Foilmore last Thursday. Both Keel teams displayed great teamwork and ability. Training this week takes place on Monday from 6pm to 7:15pm due to a match at Keel pitch on Tuesday.

UNDER 9

U9 training will continue Friday evening at 6:15. On Sunday Keel will host Fossa at 11:30. We hope the boys and girls have great fun showing off their skills that they have been improving on over the past number of weeks.

UNDER 7 AND UNDER 5

Great numbers at training on Sunday morning. Lots of fun games played and skills practiced. Training continues next Sunday from 10:15 to 11:15am.

KERRY MINORS

Congratulations to Keith Evans and the Kerry minors on their win over Roscommon on Sunday. Keith Evans lined out at wing forward for the Kerry minors and what a display of football he showed, 1-05 from play. Well done, Keith! They will play Derry on Sunday in the

All-Ireland Minor Football Championship Final 2020. Best of luck to the team and their management.

LADIES FOOTBALL

Ciara Murphy lined out at corner back and Caoimhe Evans started at centre forward for the Kerry ladies on Friday last. Unfortunately, they were just edged out by Galway by a point. The final score was Kerry 2-10, Galway 2-11. They play Donegal on Saturday the 24th of July in Tuam at 2pm in round 2 of the All-Ireland Senior Football Championship Group 4.

U-14 COUNTY LEAGUE BOYS

Our u-14 boys had a fantastic win this week to Kilcummin. The U13 GOLD Team won out their Division. Both the WHITE and GOLD team have now won their divisions, Well done to the lads & Management for the great work they have put in.

U-15B BOYS

Our Legion under 15Bs finished their Div 9A campaign last Friday night with an away game against keel/listry. Well done lads on a great campaign & Management.

U-14 COUNTY LEAGUE GIRLS

Our u14 girls played their final group game of their county league this evening in Ballymac. The girls from Ballymac started much the stronger and took the initiative early on. Their strength down the middle was a key feature of the first half as they took a 2-8 to 0-3 pts half time lead. To their credit the Legion girls dusted themselves down and mounted a great comeback in the 2nd half, reducing the lead to 2 points at one stage before Ballymac ran out deserving winners by 4 points on a scoreline of 3-14 to 4-07. Our girls now have a couple of weeks to prepare for a semi final.

U-12 COUNTY LEAGUE GIRLS

The u12 girls 'white' team had their final outing of the group stages of the South Kerry league this evening. We welcomed Inbheir Scéine Gaels to Direen on a fine evening for football. The early exchanges set the tone for the match as the two evenly matched sides battled for supremacy from the throw in. The visitors took an early lead in a keenly contested affair. As is often the case, the water break shifted the momentum and the home side gained the upper hand to take the lead at the half time break. The second half continued where the first left off with both sides giving their all in an evenly matched contest. Both sides showed great skill and determination throughout the field. The amount of block downs from both sides was notable in the second period

- testament to the close nature of the game. With the wind at their backs the ISG girls clawed their way back into the game. It was ding dong all the way as both teams exchanged scores at either end until the second water break. The final quarter was edge of the seat stuff as the sides were level as the final whistle beckoned. In the end, nothing could separate the sides and a share of the points was the fairest result. Well done to all the girls for providing a thoroughly entertaining match for the supporters in attendance. Thanks to ISG for the game and well done to all the young Legion Ladies for a superb performance.

CONGRATULATIONS

Well done to William Shine and Darragh Fleming who both put in great shifts with the Kerry Minors v Roscommon in the All Ireland 2020 semi final, well done to the team & Management.

KILLARNEYS CYCLING CLUB

Killarney Cycling club had a very successful weekend in Greenmount Limerick taking no fewer than 7 podiums and results from all in

attendance too numerous to fit on any page. Killarney's dominance ensures that the post pandemic blues are well behind us with the spread of results being achieved in almost every category. In what were humid conditions the Feature event of the day was the combined Senior and junior race with Stefan Caulfield-Dreier taking the narrowest of victories to take the line, and in a very close third again a Killarney man Lorcan Daly. Taking into account both are junior riders as well as Sam Bolger taking 3rd in the A4 race bodes well for the future of road racing at the top table.

MUCKROSS ROWING CLUB

CASTLECONNELL REGATTA

Last weekend, over 50 Muckross crews from Junior 14 to Masters enjoyed a return to racing after the longest wait. The Castleconnell Sprint Regatta was the first multi-club regatta held on the river rowing circuit since 2019. Many of our younger rowers finally got their first taste of a regatta day. The ongoing COVID restrictions made for a novel day with no qualifying rounds of heats and sadly no spectators could attend. All races were straight finals and grouped by age so participants competed and departed in waves to control numbers present at the venue. Muckross crews certainly made their mark with 17 crews taking home gold medals! A full list of our winning crews is posted on the club's Facebook page, congratulations to all the rowers and coxes. Special thanks to Aine and Shóna O'Sullivan who coxed numerous races and kept our crews going from morning to evening.

TOKYO OLYMPICS

The Olympics gets underway next week with our Irish rowers among the early participants. The Olympic Regatta is scheduled from 23-30 July. Sending our very best wishes to former junior club member Aileen Crowley, her rowing partner Monika Dukarska and all the Irish squad.

All Things Sport **KERRY CRUISE TO MUNSTER FINAL**

Munster Semi-Final: Kerry 1-19 Tipperary 1-8

Nobody really expected a humdinger here. It is an inevitability. In fact, almost all the games at this stage of the season were pretty one-sided and lacked entertainment. It is an inevitability at this stage. Everyone blames the format, but what I see is a paucity of quality teams, and no structure change can really fix that. Tipperary were a comet last year, but all that remains of that glory is cold ashes after a poor league and six of last year's team unavailable.

This kind of game is horrible for the favourites. If you struggle, it's taken as a major sign of weakness, whereas if you win comfortably, it counts for nothing and, in fact, can dull your sharpness. The harsh reality was that this was a game to get out of the way.

Kerry were not perfect. Once again a few kick-outs had us scrambling, though we did very well pressing forward on Tipperary's own restarts. The defence are still very jittery when players run at us. David Moran was excellent in midfield, and while Diarmuid O'Connor was a bit quieter than usual, that's still a very high standard. Up front Paudie Clifford was yet again a whirlwind of activity and Seán O'Shea is now our most important player. Some supporters were a bit disappointed at David Clifford's scoring return – it was only a mere 1-2!

My own opinion, and it is just opinion, is that Kerry never really pushed out of first gear, but had an awful lot more in the tank if it was required.

Seán O'Shea opened the scoring before Conor Sweeney replied – Tipperary's captain was very good. Seán added a free and then a great run by Gavin White saw David Clifford almost break the net from close range. Game over already, I was fairly sure, and to be honest I wasn't wrong in that. Paul Geaney added a point and a free from Seán O'Shea left the score at 1-4 to 0-1.

Kevin Fahey got Tipperary's first point from play in the 20th minute. Seán O'Shea and Conal Kennedy swapped scores. Tom O'Sullivan's man had dropped back as a sweeper, but that only brought the Gaeltacht man up the field and he showed what a mistake that is with two fine points.

Jack Kennedy ran past defenders far, far too easily and won a penalty slotted home by Conor Sweeney. Very sloppy defending, and it's been an achilles heel for Kerry for a long time now. God be with the days of Seamus Moynihan or Mike McCarthy, you weren't getting that kind of opening!

Seán O'Shea rapidly reeled that in with three points and Diarmuid O'Connor added another

to leave Kerry in front by 1-11 to 1-3 at half-time.

Conor Sweeney (f) and David Clifford traded early second half scores. Jack Kennedy pulled another one back but they needed Evan Comerford to make a great save. Seán O'Shea and Sweeney (f) swapped scores again and Killian added another. Michael Quinlivan picked up a stupid red card for an uncharacteristic but nasty punch into Gavin Crowley that was obviously born out of frustration and Jason Loneragan followed on a black card soon after. Conor Sweeney was easily their best player and he notched a point, but it was like a small boy trying to block a dyke with his finger. Kerry could have filled their boots with goals, with Stephen O'Brien, Seán O'Shea, Tommy Walsh and Diarmuid O'Connor all leaving chances behind them. It was completely immaterial; Kerry closed it out through David Moran and Killian Spillane to a lone free from Jack Kennedy closed out a relatively tame win.

No major lessons learned, I suppose (except for the defending!) and another hurdle comfortable in the rearguard mirror.

I watched the game in my brother's house with tea and biscuits (a coach once told me that nutrition is crucial on matchdays). I don't

have Sky; I'm not getting Sky. But I have to be fair and admit that their coverage and analysis, especially Kieran Donaghy's, really was excellent. Better than anything I have seen on RTE, to be truthful.

I also have to give Peter Keane credit for his interview afterwards, in particular. Peter paid tribute afterwards to Killorglin man Jimmy O'Connor, great gael Vincent Harty, and 14 year old Thomas Healy, all of whom sadly passed away recently. "This was a very difficult week and I hope, by our performance tonight, that we have brought some joy to the people of Kerry who didn't get the opportunity to come up here but were able to watch it on television, or listen to it on the radio, or were able to come up here. That ultimately is what's most important, that sense of community and of togetherness."

Very well said.

KERRY MINORS INTO ALL IRELAND FINAL

All Ireland Minor Semi-Final:

Kerry 3-21 Roscommon 2-13

Absolutely blistering. Kerry has produced a number of marvellous minor displays over the past eight years, but this in terms of skill, speed, and teamwork was at least the equal of any of them.

Mind you, it looked very bad at the start! Roscommon were good, very good. Eoin Colleran (2f) and Colm Neary had them three rapid points to the good and they were tearing Kerry open. It has to be said that Kerry's full back line initially looked wide open. Joey Nagle recovered to have an absolute stormer, but the corners never fully settled. Oisín Maunsell was inspirational in turning the tide. Cian McMahon won and converted a free and Cian Foley fed Darragh O'Sullivan for a point. Maunsell picked out Keith Evans for a goal and Kerry never looked back after that. Armin Heinrich was a rampart at the back, while Evans was the attacking linchpin and Cian McMahon and Darragh O'Sullivan twin terrors all through. Man of the match though, without any question, had to be the display of Paudie O'Leary. Roscommon were nice lads, but I'd say they are still having nightmares about his incredible display.

Conor Hand and Eoin Colleran (2f) actually nudged them back in front at water break, but it was already obvious that the scoreboard was an illusion. Thomas O'Donnell pointed from a turnover. Cian McMahon read the kick-out perfectly and timed his interception to swoop in and instantly lay off to Darragh O'Sullivan. Goal number two. Roscommon did get a good goal of their own, Darren Gately setting up Ryan Conlon. Cian McMahon pointed and won a free for Darragh O'Sullivan, with Paudie O'Leary and William Shine also pointed. 2-7 to 1-6, and Kerry probably deserved even more of a lead at half-time.

William Shine, Keith Evans, and Cian McMahon (f) opened the second half scoring. Roscommon pulled two back, but Thomas, Cian Mc, and William replied. The pattern was now well established; Roscommon would score a good point, but Kerry would always respond with a couple of better ones. Our third goal was as clever as you will ever see. Everyone expected Darragh O'Sullivan to tap over a short free.... except O'Sullivan tapped it to the incoming McMahon instead, whose piledriver smashed into (and almost through!) the net. There was still time for subs Jordan Kissane (2), Maurice O'Connell, and Marc Manning to get their names on the scoresheet.

Kerry could not have asked for a better display at the penultimate hurdle.

Kerry: Seán Broderick, Cian O'Donoghue, Joey Nagle, Darragh O'Callaghan, Paudie

O'Leary, Armin Heinrich (Austin Stacks), Killian O'Sullivan, Oisín Maunsell, Caolan Ó Connaill, Thomas O'Donnell, William Shine (0-2), Keith Evans (1-5), Cian McMahon (1-5, 2f), Cian Foley, Darragh O'Sullivan (1-4, 1f). Subs: Jordan Kissane 0-2 (for Cian Foley, 40 mins), Darragh Fleming (for Killian O'Sullivan, 44 mins) Maurice O'Connell 0-1 (for William Shine (46), Ruaidhrí Burns (for Darragh O'Sullivan, 54 mins), Marc Manning 0-1 (for Keith Evans, 55 mins).

ALL IRELAND MINOR FINAL

Kerry v Derry, O'Connor Park, Tullamore, Sunday, 1.00pm

Kerry will be favourites after their display – deservedly so, in fairness, though of course every team hates the favourites tag. Cillian Burke and Aaron O'Shea are two talented players who will be looking for their jerseys back, but who could you drop after that team display? Take note – after Cork, Derry were the team that gave us the most trouble during our five in a row, and St. Patrick's gave the Sem a great battle in the Hogan Cup Final in 2016 as well. Derry have a great set-up.

KERRY HURLERS REACH THE FINAL – BARELY!

McDonagh Group Stage:

Meath 0-28 Kerry 1-21

Haunted. Kerry were absolutely haunted by lucky ghosts to just barely scrape out of the group stage – their good form in Austin Stack saw them just barely eke ahead of Down. This one didn't 'come down to the wire'. This one split the atoms in the middle of the wire, that's how tight it was.

Shane Conway had six early points (5f) and Padraig Boyle scored a beauty as Kerry led by 0-7 to 0-5 at the water break, but they were already

struggling in many sectors. Meath brought it back level, with Jack Regan impressing. Shane Nolan teed up Cian Hussey for a late first half goal to give Kerry the half-time lead of 1-13 to 0-13. Meath could rue their luck after John B. O'Halloran brilliantly saved a penalty.

Cian Harty nudged Kerry's lead into four points but Meath soon trimmed that back to one. Because of our long injury list, Meath's panel has a lot more depth and fresh subs helped them take control with five points on the trot to lead by 0-23 to 1-19. They were more or less in full control for the last five minutes and went five ahead. With the last puck of the game, Shane Conway left a long free to Padraig Boyle in the seventh minute of extra-time, who almost nonchalantly swung over. A late and fruitless exercise, we all supposed....

Only we were wrong. With Meath already relegated, a berth in the final was between Kerry and Down. They were level on points, so it went to scoring difference. Except that Kerry and Down each had a scoring difference of +4. Then it was about scoring totals. Guess what? Kerry 3-45 in total, Down, 2-48. So the last stat used to differentiate them before a play-off became inevitable was goals scored. Kerry had three, Down had only two, and that was the slenderest of margins that saw Kerry go through.

Kerry: John B O'Halloran, Eric Leen, Tomas O'Connor, Evan Murphy, Jason Diggins, Fionán Mackessy, Conor O'Keeffe, Paudie O'Connor, Shane Nolan (0-2), Mikey Boyle (0-1), Daniel Collins (0-1), Brendan O'Leary, Shane Conway (0-10, 8f, 1'65), Padraig Boyle (0-4, 1f), Cian Hussey (1-1). Subs: Maurice O'Connor 0-1 (for Daniel Collins (half-time), Bryan Murphy (for Tomás O'Connor, 45 mins), Michael Leane 0-1 (for Brendan O'Leary, 52 mins).

MCDONAGH CUP FINAL

Normally I would fancy this Kerry side to get past Westmeath, but frankly that injury list is a very real concern. As things stand, Westmeath have to go into this one as slight favourites. Kerry suffered a trimming against Antrim in last year's final, but I think the likes of Jason Diggins, Shane Nolan, Shane Conway, and the Boyles have enough to lead Kerry across the line on this occasion. I certainly hope so!

KERRY SHOW PRIDE IN SECOND HALF COMEBACK

Munster U20 Hurling Quarter-Final: Clare 2-20 Kerry 0-15

No point in dancing around it. Kerry are a B side temporarily pushed up to A during covid, and it showed rapidly. Clare, with Shane Punch and Diarmuid Cahill in deadly form, had 0-6 on the board before Dylan Moriarty got us on the board. Moriarty missed a few scoreable frees but, along with Tomás Ó hAiniféin and Colin Walsh, was one of our better players. Oisín O'Donnell hit a good goal and a minute later a Shane Punch long free deflected in to leave us trailing by 2-15 to 0-5 at half-time.

Thankfully, Kerry gave a much better second half display. Dylan Moriarty clocked up three frees. Ronan Walsh hit 0-4, 3f, after Dylan went off. Darragh Reen nailed a brace on his introduction. Punch and Cahill continued to score for Clare, but Kerry were much sharper and more aggressive in this half (admittedly, Clare had stepped down a gear).

Kerry: Dara Quinlan, Mikey Clifford, Sean Sheehan, Pádraig O'Sullivan, Daire Nolan, Kevin Goulding, Luke Barrett, Darragh Slattery, Tomas Ó hAiniféin, Colin Walsh (0-1), Ronan Walsh (0-5, 3f), Dylan Moriarty (0-6, 5f), Nathan Guerin (0-1), Mikey Kelliher, Seánie Brosnan. Subs Kyle O'Connor (for Pádraig O'Sullivan, 34 mins),

Darragh Reen 0-2, 1f (for Seanie Brosnan, 42 mins), Michael Lenihan (for Dylan Moriarty, 48 mins), Declan O'Donoghue, 48 mins), JP O'Carroll (for Mikey Kelliher, 58 mins)

LADIES GAA

The week started well for the Kerry Ladies with the news that Aislinn Desmond, Cáit Lynch, Niamh Carmody, and Louise Ní Muircheartaigh all made the Division Two Team of the Year. Unfortunately, things didn't go uphill after that...

KERRY PIPPED BY GALWAY

All Ireland Ladies Championship: Galway 2-11 Kerry 2-10

It was in our hands, but we couldn't hold onto it. Kerry had the chances to pull away in this one after building up a lead, with Louise Ní Muircheartaigh giving a performance that would have had her namesake Micheál purring. But Galway got a goal, and a great one, right when they needed it, and were slightly the better side from then on.

Olivia Divilly opened the scoring after a superb run by Louise Ward straight down our throats. Louise had her first effort slip wide, but Cáit Lynch fed Louise Galvin who swung over a beauty. Kerry won possession and played good keep-ball until Emma Dineen lobbed a brilliantly measured pass to Louise Ní Muircheartaigh, who managed to cut in and goal from a tight angle.

Megan Glynn was starting to do real damage and was only denied by a fantastic Ciara Butler save – the first of many, as it turned out. Glynn then won a free converted by Mairéad Seoighe, but Louise Galvin did similar for Ní Muircheartaigh to put over. 1-2 to 0-2 to Kerry at the first break.

Louise Ní Muircheartaigh drew a good close-

range save from Dearbhla Gower before adding another free. Louise Ward replied but two more frees by Louise plus a score from the outstanding Emma Dineen had Kerry in front by 1-5 to 0-3. Galway hit the post before Ward converted. Dineen fed Ní Muircheartaigh for a point followed by another free. Ní Seoighe took a point and Galway were only denied a goal from Leanne Coen by brilliance from Ciara Butler. They were beginning to take control of the middle third and run at Kerry. Late in the first half Glynn, Galway's linchpin, struck for an unstoppable goal. Kerry had been on top for most of the first half but had left a good few scoring chances behind them to lead by just two points, 1-7 to 1-5.

Kate Slevin cut the gap to one on the restart. Galway were sprinting out of the blocks, while Kerry looked dazed at this stage and couldn't get any grip on the game. One can't help feeling that playing in Division Two was the difference in playing sharpness between the two sides, that gap was showing. Olivia Divilly pointed a free and Megan Glynn slotted over to put Galway in front and, just on the midway mark, Ailish Morrissey with her first touch finally saw Galway pierce Ciara Butler's goal. Megan Glynn added a point for a rampant Galway, Kerry had been thoroughly outplayed by 1-5 to 0-0 in the third quarter. They did battle on, in fairness, but this ship was already holed. A Louise free was cancelled out by Kate Slevin but Lorraine Scanlon and Ní Muircheartaigh trimmed the gap to a goal between them (a little flattering to Kerry after that abysmal third quarter, truth to tell). Roisin Leonard got their insurance point, which rendered Louise Ní Muircheartaigh's cleverly finished late goal and personal tally of 2-7 all to no avail. To be fair, Galway fully deserved to win this outright, despite the tight margin.

Kerry absolutely must beat Donegal and hope that Galway do likewise. That late goal by Louise could be crucial yet if it comes down to scoring difference (Donegal losing to Kerry but beating Galway).

Kerry: Ciara Butler, Ciara O'Brien, Aislinn Desmond, Ciara Murphy, Aishling O'Connell, Kayleigh Cronin, Cáit Lynch, Lorraine Scanlon (0-1), Niamh Carmody, Mary O'Connell, Emma Dineen (0-1), Louise Galvin (0-1), Caoimhe Evans, Louise Ní Muircheartaigh ((2-6, 6f), Danielle O'Leary. Subs Anna Galvin (for Mary O'Connell, 34 mins), Hannah O'Donoghue (for Emma Dineen, 40 mins), Niamh Ní Chonchúir (for Caoimhe Evans, 51 mins), Rachel Dwyer (for Hannah O'Donoghue, 53 mins).

ENGLAND V ITALY

Bhuel, níl sé ag teacht abhaile., It is a cliché, but also a truism, that the Irish are the most loved soccer supporters in all of Europe. It's a fact that we very often make too much of, to be honest. It certainly used to annoy one of our most talented, famous, and.....um, notorious...players who felt that Irish supporters should be more demanding of their team.

You always missed the point there, Roy. Going to matches abroad was always about the party, not the result.

It was the European Championships in Poland that illustrated the point perfectly. Everyone who went out there supporting Ireland had an absolute whale of a time. And Europe looked on in total bemusement as the team produced shambolic displays. Ireland was the only team there that didn't have a single member playing in their domestic competitions. We lost all three games badly. And celebrated beside the confused but appreciative victors as if we had won. And you know what? Good for us. Dead right.

Understand something. In the seventies and eighties, plenty of Irish people went abroad. Most of them never got to come home. The truth is that this country really was a backward,

repressive place dominated by a clerical hegemony and corrupt politicians. Public service and bank jobs were coveted and you needed connections more than qualifications. Young people were frustrated. The traditional sense of being 'Irish' had failed us. Employment, never high in an empire-dominated, tourism and rural agriculture dependent country, was hitting record lows.

Two very different performers encapsulated the mood, Christy Moore and Bono. Their songs were relevant. They were 'us' and they were something to be proud of. Sean nós and trad (don't mistake me, I love them) were viewed as emblematic of a culture that felt like failure.

Bloody right that when we got to go to other countries, we partied (which mostly meant an unhealthy amount of drink). We would talk about those trips in the dole queues for years afterwards. Joxer went to Stuttgart and it was the most exotic thing Joxer would do in his life. England was completely different. Their grandparents had fought a war and their parents were part of the most affluent, progressive generation England has ever seen. But England's economy was starting to creak badly. The old industries of coal and iron from

the Industrial Revolution were beginning to need more and more Government subsidies. A lot of us lived there. Racism was as endemic as in Ireland, but we had few enough to inflict it on. England, with so many immigrants from former colonies, had all the ingredients for terrace hooligans to thrive. It was their way of asserting themselves when the economy and class system kept them down.

English supporters viewed us as their own and always cheered for us in neutral games.

They couldn't understand why we don't, and won't, support them. Beating England in 1988 defined a generation.

We are very economically dependent on Britain. 42% of our agriculture is exported to Britain. We import more of their goods than China, India, or Brazil. We trade over £1 billion worth of goods and services every single week. Ireland is Britain's favourite holiday destination. 3.5 million British people visit this island on holiday every year. Brexit may be the most stupid thing England's sense of isolationism and anglo supermacy has ever done. Mind you, their thoughtless approach to covid runs it close.

So how come so many of us were happy to see England lose to Italy? Well, the jingoism of the English media doesn't help their cause. They encourage a sense of entitlement to victory. And the history... But I could get over all of that and remain neutral. I've been to England many times. I have close family and many relatives and friends from there. But one thing made me really want Italy to win. The hooligans. You can argue that the security at Wembley wasn't good enough, but it shouldn't have needed to be. The blatant racism. It's a minority, I do believe, but it's there and it's very real. Taking a knee matters. Marcus Rashford feeding children matters. The rioting, the fighting, the racism chants? They matter. Of course most English people aren't racist. Bigotry is unjustified self-exclusion, and that's stupid. But there was enough of them among English supporters to loathe their own team. Skin colour was their issue, not penalties, not even trophies.

People drew comparisons with the make-up and behaviour of Trump supporters. But it made me think of one moment in history far more, and I really did get a chill.

Kristallnacht, Germany, 1938.

SILVER FOR DAVID KENNY!

Warmest congratulations to Ballyhar's David Kenny, who showed in Tallinn and the U23 European Championships that he is in the form of his life. David returned home with a silver medal in his pocket. David finished the 20km in 1.25.50, a new personal best, and was on race leader Jose Manuel Perez from start to finish, well able to maintain the pace in the last few kilometres despite the heat. It was only Ireland's

ninth ever medal at the U23 Championships and Ireland's first for race-walking.

David is in the form of his life (and with his winning record, that is definitely saying something) as he prepares for the 20km in the Tokyo Olympics. He had been confirmed as selected earlier in the week, not that there was ever much doubt! England v Italy.

There was nothing between the sides in both games. The first was drawn 1-1 while the second was also heading for a 2-2 until the Desmond League got a last minute winner.

Caoimhe Skinner got the goal in the 1-1 game with Elisha Deedy and Ali Bowler scoring in the second game.

KERRY PITCH & PUTT CLUB NEWS

COUNTY STROKEPLAY CHAMPIONSHIPS

Last weekend saw the first Pitch & Putt titles for 2021 handed out as the County Strokeplay Championships took place at both Newmarket and Tralee. The Cork based Newmarket club hosted its first Kerry Strokeplay since joining the County Board back in 2015 last Sunday as the Junior Mens event saw the club claim its first County champion in its short history.

Allan Dugdale shot a score of one over par to claim that honour for his club as he had a two-shot victory over Listowel's Bobby McCarron in second on three over. Bobby had won the Junior Section of the Ardnacrusha Scratch Cup the previous day with four under par as Tralee's Keith O'Brien was second in their Intermediate Section with a score of eight under par, three off the winning score of 11 under.

Returning to Newmarket and Irish No 1 Mens player Damien Fleming of Deerpark regained the Senior Mens title with a score of 14 under par, good enough for a five shot victory over Tralee's Darren Goodall on nine under. The Intermediate Mens event went to Tom O'Connor of Listowel as he had a narrow one shot victory over Tralee's Pa Fitzgibbon with a winning score of six under par. The Ladies event at Newmarket meanwhile was won by Deerpark's Margaret B Looney as she finished ahead of her sister-in-law Margaret C Looney from the Killarney club.

At the U16 event in Tralee on Saturday, two sons of former Munster Senior Strokeplay winners in the county battled it out for the main prize. The host club's Mark O'Regan birdied the last two holes to defeat Deerpark's Brian McCarthy by two shots with a winning score of 113. Another Tralee member, Ella Moynihan claimed the Girls prize from her sister Sophie with a score of 124. The rest of the prizes at the event were dominated by Listowel as brothers Trevan and Jayden Chute won the Boys 13-15 and 8-12 categories with scores of 117 and 116 respectively. Dara Browne of Listowel was Runner-Up in the 13-15 category with a score of 124 while Ajay Barrett was second in the 8-12 section with a score of 120.

This weekend sees the National Matchplay (Adult) Qualifiers down for decision in Deerpark on Sunday with play getting underway at 8.30am.

Gardening

with Killarney Outlook

by John O'Sullivan

HYDRANGEAS

Hydrangeas are a very popular garden shrub with delicate heads of flowers that come in shades of white, pink or blue and they flower from late Spring to Autumn.

The mophead and lace cap Hydrangeas are well known for the ability to change colour in different soils.

Hydrangeas thrive in moist but well drained soil, in the cool, semi shady part of the garden. Try to avoid dry sunny situations and east facing areas.

Feeding your Hydrangeas once in late Winter or early Spring is probably enough for the year as too much feeding will only encourage too much soft leafy growth and this will lead to the Hydrangeas not developing a lot of flower buds.

Pruning your Hydrangeas is usually done in late Winter or early Spring, although the climbing Hydrangeas should be pruned after flowering in Summer.

AWARE URGENTLY SEEKING SUPPORT LINE VOLUNTEERS

Aware, Ireland's national organisation providing support, education and information services for those impacted by depression and bipolar disorder, is urgently seeking new volunteers for its Support Line service. Aware relies on the passion and dedication of its volunteers to ensure that the organisation can continue to provide its free support services nationwide, essential services that have a profound impact on individuals and families throughout Ireland.

The Aware Support Line is a crucial service providing callers with telephone support and information about issues relating to their own mood or the mood of a friend or family member who may be experiencing depression, bipolar disorder or other mood related conditions. It operates 365 days a year from 10am-10pm.

"I regard it as a privilege to volunteer on the Support Line. I have learned so much from my fellow volunteers and the callers about empathy and the power of a listening, compassionate ear."

"I get so much out of volunteering with Aware, it's probably the best thing I've ever done."

"I've been through turbulent times myself in life, so my mantra is, there's no better way to help yourself than to help others!"

Aware is currently seeking volunteers for the following shifts:

4-7pm - Monday, Tuesday, Thursday, Friday

1-4pm - Saturday, Sunday

4-7pm - Saturday, Sunday

This opportunity is available to people all over Ireland aged over 25 years of age as Aware can facilitate and support remote volunteering. No prior qualifications or experience is required, as comprehensive training as well as ongoing support and education is provided by the organisation. As part of the recruitment process, all volunteers are guided through a series of training sessions to teach them how to respond to various scenarios by allowing clarification, consideration of options and encouraging helpful actions while adhering to Aware's ethos, policies and procedures. It is important that potential volunteers are compassionate, possess good communication skills, take direction and show enthusiasm and passion for mental health and the work of Aware. It is also vital that applicants are willing to make a weekly commitment to Aware, participate in ongoing training as required and are confident using technology.

For more information on this opportunity, please visit: <https://www.aware.ie/volunteering/support-line-volunteers/> or phone Aware on 01 6617211.

Forgiveness

What can YOU do about sin?

The simple answer is nothing! Does that surprise you?

The bible teaches that the wages of sin is death, but the gift of God is eternal life through Christ Jesus. (Romans 6:23)

He who had no sin became sin for us. Jesus, who was without sin, took our place on the cross: we exchange our guilt for His innocence.

(2 Corinthians 5:21)

From the moment we accept Jesus Christ as our saviour we are free!

(John 5:24)

So don't bear the burden and guilt of your sin for another moment!!

Give it all to Jesus who will readily cleanse, heal,

and forgive you (1 John 1:9)

**We meet at St. Olivers School Ballycasheen
at 11am on Sundays, and at 8pm on
Wednesday evenings for Bible study.**

A Word of Victory

Welcome back dear reader continuing on the Kingdom of God. Jesus prayed "Your Kingdom come, Your will be done, on earth as it is in Heaven" (Matthew 6:10). Sharing the Passover meal Jesus revealed the New Covenant of mercy and peace with God because of His Body and His Blood which were about to be given in sacrifice for our Salvation. Then He went out to a garden called Gethsemane to pray. Gethsemane means 'oil press' in Hebrew. This is where they used to apply incredible pressure upon the olives in order to draw out the oil. Under intense pressure what is inside will come out, is the principle behind drawing oil from the olive, and that's so for us too. Interesting that this is the spot the Lamb of God chose to pray.

Jesus prayed alone as His friends had fallen asleep. He prayed "My Father if it is possible let this cup of suffering be taken from Me. Yet, I want Your will to be done, not Mine" (Matthew 26:39 NLT). Jesus said that His soul was crushed with grief because of what He was facing, and while He was praying His sweated out blood (Luke 22:44). This is a documented rare condition called 'hematohidrosis' where one is in such distress that blood vessels burst and leak into the sweat glands causing blood to come out with sweat. Absolute terror attacked the Lord as His death loomed. But - Jesus won the battle in prayer, so that all of humanity could receive Salvation through His sacrifice! He overcame fear for the joy that was beyond the cross so much so, that when He was arrested, beaten, falsely accused, spat upon, rejected by those He cherished, had His beard pulled out, deserted and condemned yet He maintained His peace, and 'opened not His mouth' as was prophesied about Him in Isaiah chapter 53.

Furthermore, He forgave those who had done this to Him and prayed the Father would not hold it against them as 'they do not know what they are doing' (Luke 23:34).

God is so merciful dear one - this is the reason He sent His Son Jesus. He knew we could never save ourselves or overcome sin by good works (Ephesians 2:8-9). So God came Himself as a human being and defeated sin, death and the forces of hell to free Satan's captives and bring us back into right relationship with Him in peace through the precious, perfect blood of the Lord Jesus. This is the Gospel - 'not My will, but Yours....' And the Father's will is that all men be saved and come to the knowledge of Him (1st Timothy 2:4). Listen friend, we must live a lifestyle of repentance in obedience to God's Word. Pray for those who have hurt you - forgive them, before it's too late (Mark 11:26). Jesus is coming back soon for those who believe in Him - a bride that's ready and waiting in faith, without spot or wrinkle from whom the devils foothold has been removed (Matthew 25:1-13).
